Security Personnel

To ensure sufficient security and protection of students, staff, and property, the board employs police officers and security personnel. In accordance with law, the board has coordinated with the campus behavior coordinator and other district employees to ensure appropriate law enforcement duties are assigned to security staff. The law enforcement duties of district peace officers are listed in policy CKE (LOCAL). The law enforcement duties of school resource officers are:

Police officers employed by the District shall have all the powers, privileges, and immunities of police officers on or off duty within the jurisdiction of the District. District police officers shall have the authority to:0)

1. Protect the safety and welfare of any person in the jurisdiction of the District and protect the property of the District.

2. Enforce all laws, including municipal ordinances, county ordinances, and state laws, and investigate violations of law as needed. In doing so, District police officers may serve search warrants in connection with District-related investigations in compliance with the Texas Code of Criminal Procedure.

3. Arrest suspects consistent with state and federal statutory and constitutional standards governing arrests, including arrests without warrant, for offenses that occur in the officer's presence or under the other rules set out in the Texas Code of Criminal Procedure.

4. Coordinate and cooperate with commissioned officers of all other law enforcement agencies in the enforcement of this policy as necessary.

5. Enforce District policies on District property, in school zones, at bus stops, or at District functions.

6. Investigate violations of District policy, rules, and regulations as requested by the Superintendent and participate in administrative hearings concerning the alleged violations.

7. Carry weapons as directed by the chief of police and approved by the Superintendent.

8. Carry out all other duties as directed by the chief of police or Superintendent.

The law enforcement duties of district security personnel are:

1. Patrol school grounds to detect unauthorized persons or vehicles; checks cars for parking authorization; determine if vehicles are parked in restricted areas; check exterior lighting and emergency access routes.
2. Monitor school halls for intruders, undesirables and safety hazards.
3. Check student and visitor passes on assigned campuses.
4. Check for loiterers on, or around school campuses and takes appropriate action to report or monitor such persons or suspicious activity.
5. Monitor parking lots and keeps students from sitting on or in cars around the school campus during school hours and immediately before or after school.
6. Assist teachers and administrators with disruptive or violent persons, or students in violation of the Student Code-of Conduct to such a degree as to warrant the immediate intervention of security personnel in accordance with accepted policies and procedures of this district.
7. Report suspected indications of violence, gang fights, riots or unusual circumstances on or near school campuses or properties under the control and jurisdiction of L.J.I.S.D.
8. Sound fire signals or alerts fire department and school personnel in event of fire and assists in evacuation.
9. Make written reports of all security violations.
10. Report unusual conditions or malfunctioning or heating, plumbing or electrical system.
11. Confront unauthorized persons for questioning, routes or detains them, and/or calls police for assistance, according to emergency action plan.
12. Patrol all district buildings and grounds to prevent fire, theft and vandalism.
13. Conduct foot patrol inspection of all doors, windows, and gates to determine that they are secured.
14. Report in writing all license plates and description of vehicles parked on school grounds after hours or after school events.
15. Patrol assigned campus and routs walking or driving within district jurisdiction.
