Academics

All students at Pittsburgh Liber ty K-5 receive instruction in Spanish. Beginning in kindergarten, children are surrounded by the Spanish language. Daily routines, greetings, simple directions, and student requests/needs are all in the target language. There are two dedicated Spanish language teachers, K-2 and 3-5, so that all students can receive consistent instructions from native speakers. All children participate in a variety of enriching experiences, learning about the culture, geography, and climates of Spanish speaking countries.
