Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages

- Part C: Parent Communications and Engagement
- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

John H. Finley Campus School

District Borough Number (DBN):

05M129

Grades Served:

Pre K3- 5

School Address:

425 West 130th Street, New York, NY 10027

Phone Number:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Odelphia H. Pierre	Principal or Designee*	
Lakisha Brooks	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Elsa Perez	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Kyle Thompson	District Council 37 (DC 37) Representative (staff), if applicable	
Esperanza Trujillo	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	
N/A	Student Representative (Required for middle and high schools)	
Gerald Akins - Fordham University	CBO Representative, if applicable	
Marianela Alexander	Member/Teacher	
Marta Colomer	Member/Teacher	
Melody Jackson	Member/Parent	
Felicia Hartzog	Member/Parent	
Estasi Moise	Member/Parent	
Joyce Wynn	Member/Staff	
Aicha Iharratante	Member	
Darcel Kelly	Member/Parent	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature
Maxine Young	Parent Coordinator	
Jenny Hernandez	Harlem Dowling - After-School LEAPS	
Emmanuel Diaz	Community Outreach (Former Student)	
Gerald Akins	Community School Director	

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

At C.S. 129 John H. Finley, we aim to create a safe child-centered environment and instructional program that fosters a community of critical thinkers and lifelong learners. Through the collaborative efforts of parents, faculty, students, and the community, we will empower our students to become responsible, productive, and enlightened individuals.

Staff, parents, and community members will participate in a collaborative decision-making process.

Our instructional program will be designed to meet the challenging needs of all students.

All students will develop skills that enable them to become critical thinkers and problem solvers.

We expect all students to achieve high standards of proficiency, with 90% of our students reaching achievement levels of 3 and above in standardized reading and mathematics tests.

Our instructional program will provide an environment where literacy is integrated into all subject areas, including social studies, science, mathematics, technology, and the arts.

We will place emphasis on the alignment of curriculum and assessment to ensure that students attain grade-level performance according to established standards.

An interdisciplinary curriculum will be implemented to achieve optimal literacy across all grade levels.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

C.S. 129 John H. Finley in located in the Manhattanville section of Harlem serving grades 3-K through Grade 5. The principal, Odelphia H Pierre, has been leading this school since 1999. We offer gifted classes through the Gifted and Talented program, which requires a separate admissions process. There is a dual-language program available in Spanish in which children are offered instruction in both English and the target language (Spanish), and is designed to make children fluent in both languages. The dual language program also requires a separate application process.

The UFT provides a Teacher Center in the school providing workshops for district 5 teachers and

paraprofessionals.

C.S. 129 John H. Finley serves 225 students in grades Prek3 - 5 and the student-teacher ratio of 11:1 is lower than the New York state level of 13:1.

We have a diverse and inclusive student body (20.0 out of 40 possible points) and the marked improvement in test scores is made: in a single year, C.S. 129's scores increased by more than 20 percent:
Asian: 3%
Black: 50%
Hispanic or Latinx: 43%
Native American: 2%
Native Hawaiian/Pacific Islander: 0%
White: 1%
English language learners: 11%
Students with disabilities: 37%
Male: 51%
Female: 49%

Our school provides equitable conditions for learning for all students, no matter their race or cultural background. The students are surrounded by a caring school community with access to all necessary resources. The school provides the use of technology, cultural activities like the Hispanic Heritage Month Celebration, Black History Celebration, Chinese New Year Parade, the after school program and parents' workshops. In addition we offer free sports activities and clubs to our students (Ice Hockey in Harlem, Swim for Life Program (NYC Department of Parks and Recreation) for second graders, soccer Clinics and basketball, and environmental activities like cleaning St. Nicholas Park and a school recycling program. There is also yoga as part of the social emotional curriculum. In addition the school also offers Jazz concerts once a month for the entire school, and the students are invited to watch music concerts in Lincoln Center , City College of New York, and live performances at Riverbank State Park.

An area of weakness for the school is student attendance.
Student attendance**: 86%
Students chronically absent**: 60%
The school has an attendance team that reaches out to parents with issues regarding their children's daily attendance and punctuality. The team does home visits for the chronically absent students.

The staff is very experienced. The years of experience as principal at this school: 20.9
Teachers with three or more years of experience: 85%
Teacher attendance: 95%

Teacher Demographics:
Asian: N/A (fewer than 5 teachers)
Black: 55%
Hispanic or Latinx: 18%
Native American: 0%
Native Hawaiian/Pacific Islander: 0%
White: 15%

This positive trend at C.S. 129 is that scores are getting better from the last few years and has been in Good Standing for 22 consecutive years. The 3rd through 5th graders are all scoring between 6/10 and 10/10, and a special shoutout goes to the fifth grade teachers, whose students' scores increased by a minimum of 10% points in ELA and Math over a one year period.

Briefly summarize the key initiatives your school will implement this school year.

John H Finley, Community School 129, will implement many key community-school based initiatives. One Community School Initiative is the Chancellor' pilot program "Next Generation Community School" We will be working closely with Bank Street, Relay Graduate School and other institutions including our Community Organization - Fordham University. In addition to the NYC Reads Program, we will participate in the Black Studies Program. The school implemented the Bi-Weekly Wednesday Conversations, for parents to meet with the administration, PTA and Parent Coordinator to express their ideas and concerns about the school. There is also collaboration between the professional learning that staff engages in, and parents. Specifically, professional development that engages parents and staff through MY Plate, IBEI, Global Scholars, to name a few. Our CBO, Fordham University provides activities for our students and their families like a puppet show, a magic show, a community school forum, and an end of the academic year breakfast for school staff and students parents.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA/Explicit Instruction Print and Digital	K-5	Houghton Mifflin Harcourt (HMH) I-Ready, Fundations. Incorporating elements of Explicit Instruction in their lesson plan	Fundation K-2 for Phonics and Teacher generated materials Accelerated Reader, Waggle, Amira, Khan Academy, Starfall, Read Works
Math Print and Digital	K-5	Envision 2.0	Waggle, Teacher generated materials, Starfall

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
iReady Assessment Data - 36% of the student population are reading at grade level in ELA.	Low phonemic awareness, limited vocabulary, not enough differentiation in instruction for struggling students and students with disabilities, low decoding skills, not enough professional development for teachers, language barriers, absenteeism and punctuality issues	evidenced-based curriculum and practices, targeted intervention, differentiated instruction, promote reading engagement, ongoing professional development

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	36%	By May, 2026, literacy for All Students will improve, as measured by a 14% Increase, from 36% to 50%, of 2026 end of the year iReady ELA assessment. on the 50% of the student population will be able o read at grade level as demonstrated in the iReady 2026..

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

iReady beginning, middle and end of the year assessments.

Enter a Key Performance Indicator

50% of the student population from kindergarten to 5th grade will be reading on grade level.

Baseline:

iReady Beginning of the Year Assessment

Enter the date for the baseline data:

September 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

The students will take the beginning of the year iReady assessment to determine their reading level. The WIN program will be used to group the students according the to the level of intervention they will need.

Root Cause Addressed:

Low decoding skills and fluency
Low phonemic awareness

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Students take the baseline beginning of the year assessment
Students will be grouped according to the level of intervention they need by using the Win Program
Targeted Intervention

Key Strategy 2 (Optional):

The HMH curriculum will be used to teach ELA. The Fundations curriculum will be used to address phonemic awareness. Explicit reading instruction and ddifferentiation will be used to deliver everyday lessons.

Root Cause Addressed:

Limited vocabulary and text comprehension
Low decoding skills
Low phonemic awareness

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The evidence-based HMH and Fundations curriculum will be used
Explicit instruction and differentiation of lessons
Promote reading engagement
Ongoing professional development for teachers.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The students will take the beginning of the year iReady Reading assessment.
The students will be grouped for intervention based on their performance.
The students will be assessed periodically to monitor their reading growth and to assess the effectiveness of the intervention strategies.
Instruction and differentiation will be delivered based on their needs.
Reading growth will be compared with the beginning, middle and end of the year iReady assessments.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	02/09/2026	Middle of the year iReady Reading assessment; Daily instruction withe HMH and Fundations programs; daily intervention with the WIN program; ongoing professional development for teachers; daily reading engagement and practice	Fordham University; PTA
02/09/2026	05/20/2026	Middle of the year iReady Reading assessment; Daily instruction withe HMH and Fundations programs; daily intervention with the WIN program; ongoing professional development for teachers; daily reading engagement and practice	Fordham University; PTA

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

teachers, school administration, paraprofessionals

Instructional Resources

HMH, Fundations, WIN curriculums; classroom libraries

Schedule Adjustments

ELA block, Win Intervention Program period, Afterschool program, Fordham University tutors

Other Resources Needed

Online resources like Amira, Starfall, Khan Academy, Read Works; PTA; parent workshops on how to support their children academically

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2024-2025 School Attendace Rate of 86% (ATS)	Chronic illness like asthma; anxiety and depression; family emergencies; housing instability, food insecurty, academic difficulties	Raise daily attendance to 96%

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

The school will monitor the daily attendance rate through ATS. The school attendance teacher and the attendance committee will contact parents of students who are often absent. Increased attendance directly correlates with improved academic outcomes, student well-being, and school engagement. The school will alocate the necessary resources for equipment, professional development, and certified instructors to implement a new, engaging and standards-aligned physical education program in which grades K-2 have 30 minutes of daily physical activity, and three days a week for grades 3, 4 and 5th. A robust physical education program promotes physical health, mental health, and social-emotional development, making school a more appealing and beneficial environment for students, thereby motivating them to attend regularly.
The school's guidance counselor, social worker, school based support team, school nurse, attendance teacher, parent coordinator and teachers will support students will any physical, mental and emotional situations they are dealing with. The temporary housing coordinator will assist students who face unstable housing situations. Field trips will enhance the academic curriculum, attendance, and social emotional development.

Root Cause Addressed:

chronic illness like asthma, etc.
anxiety and depression
family emergencies
housing instability
food insecurty
academic difficulties

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Attendance teacher and committee will monitor daily attendance, and will support students who are frequently absent
The implementation of the new standards-aligned physical education program will motivate students to attend school
The guidance counselor, social worker, nurse, school based support team, attendance teacher, parent coordinator, and teachers will support students who are dealing with medical, mental or emotional issues.
Students will attend field trips to connect learning to daily life experience, as well as motivate daily school attendance and social-emotional well being.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Daily monitoring of absences throught the automated attendance tracking system by the attendance teacher

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	New Physical Education program; guidance counselor, school social worker, school nurse, the school based support team, teachers	Fordham University

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

school administration, teachers, guidance counselor, social worker, nurse, attendance teacher, school based support team, parent coordinator, teachers

Instructional Resources

Social Emotional Learning Curriculum

Schedule Adjustments

SEL daily period, physical education daily period for K-2; and three times a week phisical education period for 3-5.

Other Resources Needed

After school program, Fordham tutors, paraprofessionals, yoga

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
IReady 2024-2025 Diagnostic EOY: 36% On or Above Grade Level ELA	More physical education and physical activity is needed.	Implementation of a new, engaging, and standards-aligned physical education program.
IReady 2024-2025 Diagnostic EOY: 29% On or Above Grade Level Math	More meaningful family and community engagement is needed.	More involvement of families as partners in their children's education, communicating effectively, and supporting their success.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Increased attendance directly correlates with improved academic outcomes, student well-being, and school engagement. A robust physical education program promotes physical health, mental health, and social-emotional development, making school a more appealing and beneficial environment for students, thereby motivating them to attend regularly.

This 10% increase will be supported by the implementation of a new, engaging, and standards-aligned physical education program. This program will include "daily 30-minute PE classes for grades K-2, and 3 days a week for grades 4 and 5" The school will allocate necessary resources for equipment and professional development for PE instructors.

The school wil actively involve families as partners in their children's education, communicating effectively, and supporting their success.

The school will utilize newsletters, emails, texting, and the school website to share updates, homework assignments, progress reports, and important announcements. The school will ensure all communications are accessible to families in their preferred language.

Meet-and-greets, back-to-school nights, and informal gatherings (e.g., breakfast with the principal, picnics) to help families get to know teachers and other families, will be organized in the school to welcome families.

Root Cause Addressed:

The students will be more motivated to attend school and perform better with a good physical education program that helps their physical, mental and emotional health. Families will be more motivated to support and participate in the physical, mental and academic growth of their children.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Students will be assessed using the iReady Reading and Math program.
The HMH, Fundations and Envision Math curricula will be used to intruct all students.
The WIN program will be used to provide academic intervention
A Physical Education Next Generation Standards-aligned program will be implemented.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 3 Family and Community Engagement

Other Resources Needed

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
All students will be academically at grade level to be able to graduate college and career-ready.	Scores in reading and math Less than 50% of students are scoring under grade-level for reading and math.	Students will approach grade-level in reading and math to graduate college and career-ready.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Struggling students will be identied by using the iReady reading and Math Assessment Program.
The WIN program will be used to provide early intervention to struggling students early (September, October) .

Individualized and small-group intervention will be provided through the WIN Program to address specific learning gaps or challenges.

Counseling and mental health resources will be provided to help students develop emotional resilience and positive social skills, which are crucial for success.

The school will be aware of and address any economic, social, or structural and language barriers that might impede a student's progress.

Root Cause Addressed:

The students will be able to catch up in their skill to be at grade level, and be equipped to pursue college and careers.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Students will be assessed throughout the year with the iReady Reading and Math program.
The WIN program will be used to provide early intervention to struggling students.

Lessons will be delivered using differentiation to reach the different learning styles.
Students will graduate with the necessary skills to pursue college and careers of their choice.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Technology

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
iReady Data	low phonemic awareness, limited	Effective use of the Fundations Program across the grades

2025 - 36% of the student population read at grade level.	vocabulary, not enough of differentiated instruction, low decoding skills, not enough of professional development for teachers	to improve phonemic awareness; targeted intervention, differentiated instruction; promote reading engagement; Ongoing professional development for teachers: parent engagement and support.
iReady Data 2025 - 29% of the student population perform at grade-level in math.	gaps in foundational skills, not enough of differentiated instruction, absenteeism and punctuality, language barriers	Hands-on learning through the use of manipulatives; relating math concepts to real-world applications; support for struggling learners; students show their work, ongoing practice; ongoing professional development for teachers; monitoring of absenteeism and punctuality
Daily Physical Activity	No Physical Education Instructor	Hiring of a physical education instructor.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	36% of ELA performance at grade-level	C. S. 129 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By May, 2026, the Beginning, Middle and End of the Year Assessments will Increase by 14% from 36% of ELA performance at grade-level to 50% of students performing at grade-level in ELA as measured by iReady Student Data.
Parents of All Students	29%	C. S. 129 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By May, 2026, the Beginning, Middle and End of the Year Assessments will Increase by 21% from 29% to 50% of grade-level math performance as measured by iReady Data.
Parents of All Students	80%	C. S,. 129 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

This increase will be measured by comparing the average daily attendance rate from the 2024-2025 school year to the average daily attendance rate for the 2025-2026 school year.

Enter a Key Performance Indicator

This 10% increase will be supported by the implementation of a new, engaging, and standards-aligned physical education program. This program will include "daily 30-minute PE classes for grades K-2, and 3 days a week for grades 4 and 5" The school will allocate necessary resources for equipment and professional development for PE instructors.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Monthly Attendance Calculator

Enter a Key Performance Indicator

Daily physical activity and PE can improve academic achievement. Students who are physically fit do better on tests. Physically active students have better attention spans, classroom behavior, and attendance. PE can improve the school climate.

Increased attendance directly correlates with improved academic outcomes, student well-being, and school engagement. A robust physical education program promotes physical health, mental health, and social-emotional development, making school a more appealing and beneficial environment for students, thereby motivating them to attend regularly.

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

The WIN program will be used as an intervention program for the school. The HMH curriculum will be used to teach ELA. The Fundations program will be use to teach phonemic awareness. The concepts in the curriculums will be delivered through differentiated instruction. The Passport to Social Studies program will be used to teach social studies and the Amplify Science program will be used to teach science. Both programs support literacy skills. For academic enrichment, online programs like Khan Academy, Starfall, Amira, and Read Works will be used. There will be ongoing professional development for teachers.

Root Cause Addressed:

-low phonemic awareness
-limited vocabulary
-not enough differentiation of instruction
-low decoding skills
-not enough of professional development for teachers

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The evidence-based Fundations program will be used to teach phonemic awareness and decoding skills, and limited vocabulary.
The WIN program will be used as targeted intervention for reading.

The evidenced-based HMH curriculum will be used to teach grade-level ELA.
The Curriculum programs will be enhanced with online programs like Amira, StarFall, Amira, Khan Academy and Read Works
Teachers and parents will promote reading engagement at school and at home.
Teachers will attend ongoing professional development on ELA and reading skills.

Key Strategy 2 (Optional):

The students will learn math through hands-on learning activities through the use of manipulatives. The Envision Math curriculum will be used to deliver math instruction. The Amplify Science and the Passport to Social studies curriculums will support math skills. Teachers will differentiate lessons according to reach the different students' learning styles. Math concepts taught will be related to real-world applications. Students will always demonstrate all their work to solve their math problems. The WIN program will be used for intervention for all students. Teachers and parents will promote ongoing practice of math concepts learned. Online programs like Khan Academy, Starfall, and the High 5 program will be used for enrichment. Teachers will attend ongoing math professional development. Absenteeism and punctuality o students will be monitored by the school committee. Students from K to 3rd grades will have daily physical education instruction. Students from 4 to 5 grades will have 3 periods a week of physical education. The school will provide sports activities like soccer and basketball.

Root Cause Addressed:

-gaps in foundational skills
-not enough differentiation
-not enough parent engagement
-absenteeism and punctuality
-language barriers

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The Envision Math curriculum program will be used for daily instruction.
Teachers will differentiate their math instruction according to the different learning styles of their students.
Math concepts taught will be related to real-world applications.
Students will show the process they used to solve the problems, and will have access to manipulatives.

Absenteeism and punctuality will be monitored by the school's committee.

Math intervention will be provided through the WIN program.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The Envision program curriculum will be used for math instruction every day. Teachers will differentiate lessons and will provide manipulatives and hands-on activities to facilitate understanding of the concepts. All math concepts will be related to real-world applications and situations. Khan Academy, Starfall and High 5 programs will be used to enrich the math instruction. Intervention will be done through small groups and the WIN program. The school will have a committee to monitor absenteeism and punctuality. The school will provide workshops for parents on how to support their children in the acquisition of math concepts. Teachers will be provided with ongoing math professional development.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Parent Teacher Conferences	School Open House /Curriculum Night - September 18, 2025 Parent-Teacher Conference - November 6, 2025; March 5, 2026; May 7, 2025
09/04/2025	06/26/2026	Parent workshops on how to support their children in their acquisition of academic skills.	Fordham University

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Parent Coordinator, PTA, Teachers, Related Services Staff, Teachers, School Administration, Community-Based Organization

Instructional Resources

Math curriculum (Envision); Online educational programs (Khan Academy, Starfall, Amira, Read Works); math manipulatives; Math programs (High 5); Math Workshops for Parents; Classroom Libraries: Afterschool/Tutoring Program; WIN Program

Schedule Adjustments

Dates for parent workshops; time allotted for the WIN intervention program, time allotted for the afterschool/tutoring program

Other Resources Needed

ENL instruction, daily physical activity and physical education program

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Insight shows 63% of students were chronically absent	3K and 4K,	Parent workshops on the importance of school
Insight shows 63% of students were chronically absent	asylum student transportation, fear of deportation from ICE	Transportation, Housing
Insight shows 63% of students were chronically absent	June drop Early Graduation, Moving, early summer	on going end of year incentives for parents and students

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Good attendance incentives for students; Home outreach by phone; Home visits

Root Cause Addressed:

Students who are absent more than once during a week; Importance of arriving to school on time

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Calling students families when absent more than once during week; Outreach to families for students with a pattern of absences; Outreach to families about importance of arriving to school on time.

Key Strategy 2 (Optional):

Root Cause Addressed:

Increasing attendance

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Reminders to parents in every Wednesday Conversations; Flyers posted in the school lobby; Monthly school bulletin with calendar sent to parents; Events posted on school website at the beginning of every month

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Analysis of absences and punctuality data.
The school technology teacher will post events on the website at the beginning of every month. PTA meetings calendar will be ready to be sent to parents in September. The school monthly calendar will be sent to parents at the start of each month.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	05/28/2026	Develop parenting skills by conducting individualized parent outreach, targeted to specific attendance challenges resulting in personalized resources, referrals, and support.	Fordham CBO
09/04/2025	10/31/2025	Proactively create Attendance success plans with all families in temporary housing at the beginning of the year.	Fordham CBO
09/04/2025	06/26/2026	Hold weekly Attendance team meeting to identify and discuss At risk students' attendance issues and develop strategies to meet their attendance needs.	Fordham CBO
09/04/2025	06/26/2026	Provide monthly attendance reports to families to keep them informed of their child's cumulative attendance.	Fordham CBO
09/04/2025	06/26/2026	Actively celebrate attendance and improvement of attendance through bi-monthly certificates, rewards, and incentives.	Fordham CBO

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
5% of the implementation of yearly IEP's for students was not completed on time.	Not enough time to coplete IEP's during school hours	IEP Development and Fidelity of Implementation
		Transition Planning and Compliance
		Referral Process and Equity

		Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Instructional Resources

Schedule Adjustments

Other Resources Needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
ELA/HMH Tier 2 and 3	Tracking student during instruction to identify small group and/or one to one intervention as needed.	NYCPT and Acadience Learning (for SWDs), and Engage NY.	Explicit Instruction Small group, one-to-one, tutoring phonics program	During school hours	Yes
Math Tier 2 and tier 3	Tracking student during instruction to identify small group and/or one to one intervention as needed.	Amira, Lexia (for SWDs), and Engage NY.	Small group, one-to-one, tutoring.	During school hours	Yes
Iready tools for instruction Tier 3	Formative data		Resources used from (Iready) suggested strategies short lesson plans for targeted led instruction in small group. individual setting in Math or Literacy	During school hours	yes, and can be used with or without technology.

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Behavioral Challenges tier 3	Teacher anecdotes, Incident reports	NYCDOE SEL instructional material, Positive Behavior Intervention, Guidance and social worker support, and Support Program. Harmony Social emotional program	Small group and one to one	During school	No, except for the Harmony program
Academic Challenges tier 2	Teacher anecdotes, grades, assessments/projects, and classwork and homework	NYCDOE SEL instructional material, Positive Behavior Intervention, academic intervention support, and Support Program. Harmony Social emotional program	one to one	During school	No, except for the Harmony program
Chronic lateness Tier 3	Teacher/parent conference, phone calls and anecdotals	NYCDOE SEL instructional material, Positive Behavior Intervention and Support Program, Guidance and social worker support, and Harmony Social emotional program	one to one	During school	No, except for the Harmony program

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

The school shares MTSS essential components with families by:
-Sending letters to parents and guardians introducing MTSS, its purpose, and its benefits for all students.
-Hosting parent information sessions/workshops, informal meetings to explain MTSS, answer questions, and provide examples of how it works in practice.
-In back-to-school nights and open houses providing opportunities for teachers to briefly introduce MTSS within their classroom context and how it supports all learners.
-Providing brochures and flyers conveyig the core ideas of MTSS.
-Providing information in various languages spoken by families in the school community to ensure equitable access to understanding.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Periodical Progress Reports are sent to the parents.
Parent/Teacher Conferences
Weekly Parent Engagement

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families have insights into their child's strengths, interests, learning style, and daily challenges. School professionals identify areas for support, but parents' input is vital in shaping the goals of the intervention to ensure they are meaningful and fit naturally into the child's life and the family's routines.
Parents collaborate with the early intervention team to create a plan that works within the family's context. This includes providing feedback on strategies, adapting activities, and discussing the child's progress at home. Open communication, including asking questions and offering suggestions, are highly valued
Access to Class DoJo, My School Account, Weekly Coffee and Conversations, etc.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

30

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

STH Title I survey will be administered to STH families when enrolled in the school. Current STH families already enrolled in the school will receive the survey in the beginning of the school year. Support will be based on the needs identified by the families.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

* Provide families with hygiene, toiletry kits

* SEL curriculum to support the STH students with transitioning from remote learning post pandemic

* Provide newly enrolled STH with basic school supplies and school uniform

*Engage students in enrichment activities and various school-wide student after-school programs

*Engage families in parent partnership activities with CBO and other community and school supports

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

The school has implemented trauma-informed approaches, which involve training staff to understand the impact of trauma on learning and behavior. This includes creating safe, nurturing classroom environments with predictable routines, quiet spaces for regulation, clear communication, and relationship-building activities.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

The school provides individual and group counseling, crisis intervention, and support for social-emotional needs. They can also connect students with external mental health professionals for long-term support. The school provides individualized academic support such as one-on-one or small group tutoring, and specialized support services (speech, physical and occupational therapy).

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

The school has to deal with challenges in foster care like trauma of family separation, frequent school changes, and the instability of their living situations. The school collaborates with the child welfare agenciesand foster parents, and arranges transportation to ensure that foster children continue learning in the our school. The school tries to build strong, sustained professional relationships between caseworkers, educators, and foster parents to share share information, understand school processes, and collaborate addressing the child's needs.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

The school establishes consistent routines, clear expectations, and predictable schedules to provide a sense of security and control. A "calm-down quiet corner" is provided for children to regulate their emotions. The school staff focuses on building positive, consistent relationships with foster children, demonstrating trustworthiness and transparency. This includes active listening, showing compassion, and validating their feelings.

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

Students will engage in STEAM activities, homework help, sports and test prep. We will also do this by:
Extended Learning Time (ELT) refers to additional instructional time provided to students outside the traditional school day. This can include before and after school programs, weekend classes, and summer sessions. The goal is to create more opportunities for learning, especially for students who may need different approaches to succeed.

Key Goals for ELT
Address Unique Learning Needs: Tailor learning experiences to meet diverse student needs, including those who may struggle in traditional settings.
Enrichment Opportunities: Provide activities that extend beyond the standard curriculum, sparking student interests.
Flexible Learning Environments: Create spaces for learning that are dynamic and adaptable to different teaching styles and student preferences.
Strategies for Implementing ELT
Before and After School Programs:

Tutoring Sessions: Offer focused tutoring for students who need extra help in core subjects.
Interest-Based Clubs: Create clubs focused on arts, STEM, or sports to engage students in their passions.
Weekend Workshops:

Skill Development: Organize workshops on specific skills, such as coding, public speaking, or creative writing.
Community Service Projects: Involve students in community service to develop empathy and real-world skills.
Summer Learning Opportunities:

Collaborative Projects: Encourage students to work on projects that span multiple subjects, promoting teamwork and critical thinking.
Technology Integration:

Online Learning Platforms: Utilize technology to provide personalized learning paths that students can access at their own pace.
Parental Involvement:

Workshops for Parents: Offer sessions that educate parents on supporting their children's learning at home.
Feedback and Assessment:

Regular Check-Ins: Implement feedback mechanisms to assess student progress and adapt programs to better meet their needs.
Cultural and Community Engagement:

Field Trips and Guest Speakers: Organize visits and talks that expose students to various professions and cultures.
Conclusion
By utilizing ELT effectively, your school can create a rich, supportive learning environment that meets the diverse needs of all students. Tailoring strategies to the specific interests and challenges of your student body will help ensure that everyone has the opportunity to thrive. Would you like to explore any specific strategy in more detail?

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

Teachers who work in the school will also participate in the program.
Our school will ensure that English Language Teaching (ELT) instruction is delivered under the supervision of a teacher who is New York State (NYS) certified in that content area by implementing the following strategies:"

Hiring Qualified Staff: We will prioritize hiring teachers who hold valid NYS certification in English Language Education and have demonstrated expertise in ELT methodologies.

Professional Development: We will provide ongoing professional development opportunities for our teachers to enhance their ELT instructional practices and stay updated on best practices in language education.

Supervision and Mentorship: We will establish a mentorship program where experienced, certified teachers supervise and support less experienced ELT instructors, ensuring quality instruction.

Curriculum Alignment: Our curriculum will align with NYS standards and best practices for ELT, ensuring that all instruction is both relevant and effective.

Regular Evaluations: We will conduct regular evaluations of our ELT programs and teaching staff to ensure compliance with NYS certification requirements and to assess the effectiveness of instruction

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

Planning and ongoing collaboration with the CBO and school personnel (administrators, teachers, etc.)
1. Curriculum Integration
Collaborative Planning: Encourage teachers from different subject areas to collaborate in planning lessons that incorporate language objectives alongside content objectives.
Thematic Units: Develop thematic units that connect ELT with subjects like science, math, and social studies. This helps students see the relevance of language skills in various contexts.
2. Language Objectives
Clear Objectives: For each lesson, outline specific language objectives that complement the content objectives. For example, in a science class, focus on vocabulary related to a particular topic.
Scaffolding Strategies: Provide scaffolding strategies, such as graphic organizers or sentence frames, that help students use language to express their understanding of the content.
3. Professional Development
Training for Teachers: Offer professional development sessions focused on strategies for integrating language instruction within core subjects. This can include workshops on culturally responsive teaching and differentiated instruction.
Peer Observations: Implement a system for teachers to observe each other's classes to share effective practices in integrating language and content.
4. Use of Resources

Multimodal Resources: Incorporate a variety of resources, such as videos, visuals, and hands-on activities, to support language acquisition while teaching core content.
Technology Integration: Use educational technology tools that promote language learning, such as language apps or platforms that provide interactive language practice aligned with content.
5. Assessment Alignment
Integrated Assessments: Develop assessments that evaluate both language and content knowledge. This could include projects or presentations that require students to use language skills in context.
Feedback Mechanisms: Provide feedback that addresses both language use and content understanding, helping students improve in both areas.
6. Supportive Environment
Language Buddies: Pair ELT students with peers in core subjects to promote language practice in a natural setting.
Cultural Relevance: Create a culturally responsive curriculum that reflects the backgrounds of ELT students, making content more engaging and relevant.

Provide a description of the materials purchased to support implementation of ELT.

Online educational programs (Khan Academy, Starfall, Amira, Read Works, iReady)
HMH, Fundations, Envision Math, Passport to Social Studies, Amplify Science curricula

WIN Early Intervention Program

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [Community School/P.S 129M], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

C.S. 129M will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

-Providing workshops for parents on English as New Language; supporting their children math and literacy skills.; social-emotional trainings andnutrition workshops

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and

families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;

- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:

- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

- providing workshops and training on family health and nutrition, supporting their children's math and literacy skills, learning English as a new language

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P.S. 129M, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

The first area of concentration is ensuring all teachers are proficient with the direct instruction model of pedagogy to ensure high quality of instruction. We are using direct instruction to facilitate and encouraging more communication in the classroom. Also, direct instruction ensures that lessons are explicit and goals are achievable. Additionally, direct instruction makes lessons crystal clear. They show kids how to start and succeed on a task. Teachers also give students feedback and chances to practice to ensure mastery. Another area of concentration is building collaboration to plan lessons and look at student work. Collaboratively planning and looking at student work brings the focus back to the goals for achievement of every students. Enlisting teachers and utilizing WeLearnNYC to plan and create opportunities for high quality and ongoing professional learning. To build pedagogical and management capacity in the paraprofessionals. By creating and planning opportunities for high-quality professional development we can positively impact student performance and improves the working environment for teachers.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

Utilize the services of Harlem Community Council and Harlem Dowling to provide academic and enrichment afterschool opportunities for students Grades Kindergarten to 5th grade. Additionally, we will create another afterschool program, staffed by classroom teachers, to provide academic and enrichment services. 3K and PreK uses Creative Curriculum to build social and emotional skills leading to phonemic awareness, phonics skills, and ready for elementary academics. We utilize assistance from parents/guardians to assist with preparing the students for formal literacy instruction. We educate parents on strategies that would help their children, develop a community among parents and teachers, host events and fundraisers, ask for volunteers, and communicate with parents often and solicit feedback.
We also utilizing a Kindergarten readiness checklist to ensure preschool children meet transition goals.

Language Skills
*Speaks using complete sentences most of the time
*Uses sentences that include two or more ideas
*Understands and follows directions with at least two steps
*Recognizes some common “sight” words, such as “stop”
*Repeats a familiar song, poem or nursery rhyme by heart
**Makes simple predictions and comments about a story being read
*Repeats address and birthday (and, ideally, a home or emergency phone number as well)

Reasoning
*Matches two like pictures in a set of five pictures
*Plays simple memory matching games
*Classifies objects by physical features, such as colors, shape, and size
*Groups objects that go together
*Grasps concepts related to position, directions, size and comparison (of in/out, front/back, on/off, big/little, up/down)
*Correctly puts in order up to three story pictures
*Completes simple puzzles (up to four pieces)
*Identifies around five colors
*Understands actions have both causes and effects
*Draws a picture to help express an idea

Reading Skills
*Identifies some letters of the alphabet
*Recognizes their name in print
*Attempts to write the letters of their own name
*Writes first name using upper and lower case letters
*Recognizes familiar words and logos, like stop signs
*Identifies two rhyming words
*Matches at least three letters with the sounds they make
*Pretends to read books

*Relates stories to personal experiences

Mathematics
*Counts numbers of objects in small groups (up to five)
*Matches a number (up to five) to a group with that number of objects
*Understands the concept of “adding to” or “taking away” using objects (up to five)
*Arranges numbers in order 1 to 5
*Identifies at least three shapes (typically circle, square, triangle)
*Counts in sequence from 1 to 10
*Arranges objects in size order

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	n/a	n/a	n/a
Title I, School Improvement 1003(a)	Federal	n/a	n/a	n/a
Title II, Part A	Federal	$17,708	n/a/	n/a
Title III, Part A	Federal	n/a	n/	n/a
Title III, Immigrant	Federal	$12,193	n/a	n/a
Title IV, Part A	Federal	$100,926	n/a	n/a
Tax Levy (Fair Student	Local	$1,959,684	n/a	n/a

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
Fordham University	All students	creating awareness, mobilizing resources and implementing programs for promoting social emotional academic development	By 2025, we will strengthen and explant the curriculum-and activities-led outside of the e services experiences inside and outside of the classrooms to improve and will create a supportive and inclusive climate for all students. 50%
Bank Street	Kindergarten Students	High 5s Program - math enrichment	Increased opportunities for students to develop an inquiry based and love for solving mathematical tasks
Harlem Dowling And Harlem	Grades K-5	Varied after school supports	Afterschool Enrichment

Common Wealth			
The NYU Metropolitan Center of Equity and Transformation of Schools	Families	Supporting family and school alignment	Increasing parent participation in PTA meetings from 10 - 20%
Relay Grad. School of Ed.	Teachers	Instructional Coaching	Progress monitoring to support teachers and identify students' strengthens and weaknesses.
Change Impact	Families	Supporting family and school alignment	Increase parent participation in PTA meetings from 10% to 20%

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

Implementation of Community School Core Features and Components As the lead CBO, The Center for Educational Partnerships-Fordham University seeks to assist the school by aligning its goals and services with the assessed needs of the community school. This effort will best be completed using real-time data as the foundational guide to making decisions on how to go about sharing resources that will address academic and non-academic barriers to student learning and social-emotional development. Having an on-site community school director will assist in maintaining clear communications between the university and the community school administrative leadership, staff, and families. Fordham will also conduct an Assets and Needs Assessment at the beginning of the school year to better identify what resources are being effectively used and what areas must be addressed to improve the community school. This collaborative approach to school improvement will focus on creating authentic school-family partnerships, allowing families and community school members to participate in targeted decision-making and holding leadership roles that drive school change.

The results of this appraisal will be used to create annual community school goals and implement strategies to achieve them, all of which will be used as an instrumental part of the Comprehensive Education Plan. Through this process, the lead CBO will communicate the school goals and collaboratively plan and distribute responsibility amongst all school community members. Additional forms of family engagement strategies come in the form of Fordham's plan to leverage its relationship with mental health and educational consultants who will provide an opportunity to partner with school leadership, school-family representatives, and the CBO to address the social-emotional needs and education deficits that may exist within families that are community school participants. These opportunities will occur during school leadership team meetings and Parent Teacher Association-sponsored workshops. Additionally, through our partnership with the New York Common Pantry, Fordham plans to collaborate with the school's parent coordinator, PTA leadership, school administration, and the parents themselves to create a weekly pantry designed to address the nutritional needs of
the school community. The CBO believes the above efforts and collaborations will improve school-community families educational, emotional, and physical well-being.

As the lead CBO, Fordham will strategically collaborate with the community school by scheduling and participating in three collaborative planning meetings throughout the academic school year. The first meeting will be scheduled for the summer or fall of the upcoming academic year, followed by a winter meeting and, eventually, a spring meeting. The school will attend all of the above meetings by school leadership and staff, the lead CBO Staff, parent representation, CBO partner representatives, a school mental health representative, and the OCS program manager. The key segments of the meeting will focus on annual goals and the impact of the CBO partnership on the ability of the students to meet standards in core subjects, providing a broad array of enrichment activities that reinforce and complement the school's regular programs. Additionally, timelines and the need for modifications related to the school community needs will be discussed. Fordham will also actively seek to develop and integrate partnerships with local political and community support groups, particularly those that can assist with mental health, healthy living, and nutritional support of the community school families.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to

participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

As a community school the lead CBO in partnership with the school's Parent Coordinator and school administration will hold monthly SLT & PA meetings. In these two settings families will be supported and coached to understand the functions and functioning of the school and relied on for guidance and leadership. The school and CBO will further engage and enroll families into the school community through award ceremonies (perfect attendance, academic awards, graduation, celebrations, dances) and other celebratory events (family picture day, movie nights etc.)

The school and CBO will also be leaning on families to develop and participate in enrichments and learning workshops of interest such as nutrition and book clubs.

Additionally, Fordham University, in collaboration with the school administration, plans to conduct an Assets-and Needs Assessment at the beginning of the academic school year to recognize resources that can be used to meet family needs, support collaboration with community partners, and provide opportunities for families to participate in the creation of the school's ComprehensiveEducation Plan (CEP). To create authentic school-family partnerships, the opinions and preferences of school-community parents, students, and community partners will be acquired and incorporated into the Assets and Needs Assessment, creating CEP annual goals. Fordham also plans to leverage its relationship with mental health and educational consultants to partner with the school-community families to engage in a collaborative approach to creating a series of mental health workshops designed to improve the emotional well-being of
families inside and outside the community school building.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

As a school community, we've established strong SEL support in our school. We're a member of the Harmony Project, led by our guidance counselor and social workers. Each morning, teachers begin the day with a SEL practice to ground and prepare students for the day.

Our guidance counselors have completed restorative justice training and implemented principles of this in their work with students.

We've housed on-site afterschool programming for students in our schools, which includes homework help, hot meals, and sports activities from 2:30 - 5:00 pm each day.

With the support of our lead CBO, we'll continue these practices and enhance them with additional SEL training for family members and school staff. We'll use the CBO support and funding from our next-generation community school to better address families' needs around housing, support with technology, employment opportunities, and adult education. As the head CBO, Fordham will work collaboratively with the school administration, staff, and school community families to assess the needs and interests of the school community.
Additionally, the CBO will advocate for the growth of the student's academic, physical, and cultural arts through funding partnerships with subcontractor organizations. By doing this, Fordham seeks to bolster the alignment of the assessed needs at the school with its ELT goals. The funding of subcontractors provides an opportunity for all members of the school community to experience the benefits of ELT support during and after school hours. Subcontractor support in the form of tutorial services for the students and professional development for the teachers would effectively support the academic and instructional challenges within the school.
Subcontractor support during school hours would foster opportunities for individualized learning through student tutorial services and staff professional development. ELT programming during the school day will also occur with the efficient use of external partnerships with organizations that specialize in providing content designed to initiate social-emotional learning, mental health improvement strategies, and anti-bullying awareness. Fordham will also collaborate with the school administration to assist in delivering Multi-Tiered Services (MTSS) to support students who have been identified as at risk. The on-site Community School Director will actively engage in school leadership, attendance meetings, and grade-specific meetings to access the respective data and other forms of assessment-based information that will be used to determine what types of Multi-Tiered Services are needed. To improve student outcomes, Fordham will work with the school community to fund and provide prevention, enrichment, and intervention services.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

Our Community School Director (CSD) will be a leader on our attendance team. They'll have access to New Visions and will lead data driven attendance meetings on a weekly basis.

On a tiered level system, students will be assigned to a success mentor - CSD will structure the success mentoring program, and with the support of the principal, be responsible for holding all team members accountable.

In partnership with the school nurse, lead CBO will engage with local health organizations to streamline referral services, and in the areas that are possible, will bring services into the school.

The CBO will be working in partnership with all community partners, including school staff and families to enhance all social and emotional support systems in the school. This in large part includes student and family leadership programming to improve engagement with the school, which will in term improve school attendance.
The school community will address out-of-school barriers by developing relationships with social and health organizations that provide services designed to relieve the detrimental effects of Adverse Childhood Experiences (ACES). With the understanding that the occurrence of ACES can create toxic stress, which can affect a child's brain and health as they grow into adults. The more ACEs a child experiences, the more likely they are to suffer from things like:

* Heart disease
* Diabetes
* Poor academic achievement
* Substance abuse later in life
* Increased risk of substance use disorder
* Obesity

In response to this reality, the community school will implement the community school pillars to alleviate ACES through strategic community partnerships, day school and after-school programs, activities, workshops, and specialized physical and mental health initiatives.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for all students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

It's our priority to create an environment where all students feel welcomed, supported, and safe. We are partnering with community partners connected with and versed in the community culture to differentiate support for all students in the following ways:

Students in temporary housing - a community worker targeting the material needs and physical health of our STH students (School supplies, resources for travel, access to food, health checks (dental, physicals), a Bridging the Gap social worker addressing emotional needs of our STH students - counseling services.

ML/ELL - classes offered in dual language classes. After-school and family engagement offerings in the family's first language

Students w/ disabilities - speech counselor, full-time social worker, one-to-one paraprofessional for all eligible students, afterschool programming.

Fordham, as the head CBO, will systematically promote the belief that “we live our lives through culture” and that it is one of the most potent forces in the world. The community school will take an all-inclusive approach to support the families who depend upon the school by ensuring that all six pillars of community schools, ranging from family engagement and providing rigorous community-connected classroom instruction to providing a culture of belonging, safety, and care. It will reflect a variety of cultures that exist within the school community. We understand that community schools are one approach to redress historical inequities created by disinvestment and racial segregation of low-income communities and communities of color. The CBO will actively seek to partner with community-based organizations and collaboratively engage families and community members within the school. The CBO is committed to assisting the community school by providing challenging opportunities for students to improve their academic performance, health, wellness, and social and emotional learning. This includes students identified as STH (students In temporary housing), Multilingual Learners/English Language Learners (ML/ELL), and Students with Disabilities. As the lead CBO, Fordham will assist the community school by identifying at-risk students experiencing in- and out-of-school challenges. Particularly regarding chronic absenteeism, the Family Engagement Team (formerly the Attendance Team) will use New Vision data to identify chronically absent STH, ML/ELL, and Students with Disabilities and isolate the causes of absence and lateness. Additionally, Fordham plans to collaborate with the community school to help the family develop or improve their strategies for ensuring their children are in school. In addition to this effort, the CBO and community school leadership will seek to create active partnerships with the local community political leaders, businesses, and support groups
to improve attendance and increase the likelihood of elevating academic outcomes. Finally, the CBO will seek to enhance the opportunities for students identified as experiencing academic and social-emotional challenges by adopting some of the emerging best practices. Including providing more effective professional development for school staff, more vital community partnerships, and enhanced connections between schools, shelters, and external subcontractor organizations.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Odelphia H. Pierre
Assistant Principal (Where Applicable)*	Andrea Story
English as a New Language (ENL) Teacher*	Ellen Dupree
Teacher (if school has a bilingual program must be a bilingual teacher)*	
Parent/Guardian*	Elsa Perez
Teacher	
Parent Coordinator	Maxine Young
School Counselor	Martha Mendez
Related-Service Provider	Yudelka Ramirez
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

Yeyday de La Cruz

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

1

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

1

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

4

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

4

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

226

Total number and percentage (%) of current ELLs:

44 students: 20%

Total number and percentage (%) of former ELLs:

5 students: 2%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

24 students: 11%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

4 students: 2%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

8 students: 4%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE				0													0
DLBE	General Education	Spanish	September 2018	1	.5	.5	1	.5	.5								4.0
DLBE								0									0
DLBE																	0
				total: 1	total: 0.5	total: 0.5	total: 1	total: 0.5	total: 0.5	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

We implement both, the Integrated and Stand-alone Models in our school. The ENL teacher, Mr. De La Cruz, delivers instruction for ELLs implementing the Stand-alone ENL program to develop English language skills so that students can succeed in core content courses. The ENL teacher plans with the general education and special education teachers to ensure curricular alignment and continuity of instruction. The ENL Model is implemented through grades k to 5. The students are grouped homogeneously according to their proficiency level. ELLs will be supported in the four modalities: reading, writing, listening, and speaking. The ENL students will be provided with grade appropriate materials based on their language acquisition proficiency level. The entering and emerging ELLs will have explicit instruction in phonics and phonological awareness. They will be encouraged to use online resources such as Starfall.com, Amira, Read Works, HMH in English and Spanish and MyOn. Students will be exposed to and encouraged to use teacher recorded books and other audio books. Educational materials that represent the students diverse cultures are used.

Entering (Beginning) 360 minutes of service per week
Emerging (Low Intermediate) 360 minutes of service per week
Transitioning (Intermediate) 180 minutes of service per week
Expanding (Advanced) 180 minutes of service per week

Integrated ENL:

The ENL teacher implements the Integrated Model to service students in Kindergarten, first, second and third grades. The Integrated Model is implemented in lower grades as part of a collaborative program delivered through the content areas: English Language Arts, Math, Science, and Social Studies. The ENL teacher plans with the general education and special education teachers to ensure curricular alignment and continuity of instruction. The students are grouped heterogeneously with mixed proficiency levels to facilitate English language skills through their peers. Many times an entering or emerging ELL feels confident when working with a child that speaks his first language. The ENL students will be provided with grade appropriate materials based on their language acquisition proficiency level. The entering and emerging ELLs will have explicit instruction in phonics and phonological awareness. They will be encouraged to use online resources such as Starfall.com, Amira, Read Works and MyOn, HMH in English and Spanish. Students will be exposed to and encouraged to use teacher recorded books and other audio books. The students diverse cultures are represented in the educational materials used.
Commanding (Proficient) 90 minutes of service per week
*NOTE: When a student reaches the Commanding level on the NYSESLAT exam, he/she will no longer be considered an ELL and will receive two more years of ENL services and support before he/she exits the program.

b. Bilingual Education (If applicable)

Transitional Bilingual Education (TBE):

Our school does not have this program. We have a Spanish Dual Language Program that fosters fluency in both English and Spanish languages.

Dual Language Bilingual Education (DLBE):

This school year our school is implementing the dual language program up to Grade 5. Our Dual Language Program is conducted in English (50%) and in Spanish (50%), combinations of half days and full days immersion in one language. The class is composed of 50% ELLs and 50% non ELLS. All content area subjects are taught bilingually in English and Spanish. The goal is to develop skills in reading, listening, writing, and speaking in the two languages. Our licensed teachers, Mr. Zorrilla, Ms. Moe, Ms. Amaro and Mr. De La Cruz who are fully bilingual, will instruct the children in their first language and their second language. The students diverse cultures are acknowledged and represented in instruction and educational materials.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

Our school assures that the mandated number of instructional minutes is provided according to proficiency levels in each program. Also, students needs will continue to be met by closely monitoring student's attendance, instruction via teacher observation by the Principal and Assistant Principal, review of lesson plans and monitoring attendance at parent meetings. Explicit ENL, ELA, and HLA instruction is delivered in each program through content area instruction. ENL Proficiency Level Minutes per Week: Entering 360 minutes, Emerging 360 minutes, Transitioning 180, Expanding 180, Commanding 90 minutes. ELA is delivered in the Dual Language Program through guided reading, shared reading, silent reading, reading aloud, hands-on projects, cooperative learning, charts, graphic organizers, visual aids and technology: computers provide students the opportunity to practice listening, reading, writing and speaking and language development. HLA is delivered in the DL program through shared reading, interactive tasks and projects, audio/visual resources, cooperative learning providing students the opportunity to learn English as well as use their home language. Students who speak the same language support one another in collaborative speaking and listening tasks. Delivery of instruction takes place in literacy and mathematics in Spanish as per CR Part 154 Unit of study according to the student's acquisition level. The Dual Language Teacher can reinforce concepts taught in the content area in the child's native language as well as in English. The classroom library will comprise of fifty percent (50%) of its library books in Spanish to promote literacy acquisition in the student's native language. The students are also grouped for differentiation in instruction with the purpose of providing individual assistance with academic and language skills.

There are 51 students programmed in STARS

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

The instructional delivery on each program model is aligned to the school's programming. The ENL teacher will pull out students to bring to the ENL classroom for instruction, and will also push in the regular and special education classrooms.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

This school year our school is implementing a Pre-Kindergarten to fifth grade self-contained Dual Language Program. Our Dual Language Program is conducted in English (50%) and in Spanish (50%), one day in each language. The class is composed of 50% ELLs and 50% non ELLS (EPs). All content area subjects are taught bilingually in English and Spanish. The goal is to develop skills in reading, listening, writing, and speaking in the two languages. One licensed teacher will instruct the children in their first language and second language, one day in English and the other in Spanish. Both languages are not taught simultaneously. The primary language acquisition goals of dual language programs are the development of grade-level-appropriate bilingual and biliterate academic skills in both English and the target language for all students. Students are also instructed and encouraged to read grade level books in both languages, providing them books in both languages from the classroom library.

b. In which language(s) is each core content area taught?

English and Spanish

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

10% Effective instruction for newcomers
Newcomers often arrive with limited or no prior schooling in English, and sometimes limited literacy in their native language. They need intensive support in both language acquisition and content area learning. High-leverage vocabulary: Explicitly teach high-frequency words and academic vocabulary essential for understanding content.
Basic sentence structures: Provide models and opportunities to practice simple sentence formation.
Survival English: Teach practical phrases for classroom routines, asking for help, and social interactions.
Comprehensible Input:
Visuals: Use abundant visuals (pictures, realia, videos, graphic organizers) to support understanding.
Gestures and Pantomime: Utilize non-verbal cues to convey meaning.
Simplified Language: Speak clearly and slowly, using shorter sentences and avoiding idioms or complex grammatical structures initially.
Sentence frames and starters: Provide structured support for speaking and writing.
Building Background Knowledge:
Many newcomers may lack prior knowledge of U.S. culture or specific academic concepts. Explicitly build background knowledge before introducing new content.
These students need:
Explicit Instruction in Language and Content:
-English instruction through engaging with academic content.
Teachers explicitly teach both content objectives and language objectives for every lesson.
Low-Stakes Opportunities for Practice:
-Creating a safe and supportive environment where students feel comfortable taking risks with language.
Providing frequent opportunities for small-group and partner work to practice speaking and listening.
Focusing on Social-Emotional Needs:
Newcomers may be experiencing culture shock, trauma, or separation from family. Address their social-emotional well-being through a welcoming and inclusive classroom environment.
Connect with families and provide resources in their home languages.
Scaffolding:
Begin with significant scaffolding and gradually reduce it as students gain proficiency.

Examples: graphic organizers, sentence stems, word banks, peer support, pre-teaching vocabulary, chunking text, providing translated materials where possible.

Developing or Long-Term ELLS:
Transitioning to Academic Language:
-Teach academic vocabulary, discourse markers, and complex sentence structures found in academic texts.
-Modeling and practicing academic writing genres (e.g., essays, reports, analyses).
Increased Complexity of Content:
-Engaging students with grade-level content, while still providing appropriate scaffolds.
-Gradually increasing the linguistic complexity of texts and tasks.
Strategies for Deeper Comprehension:
Teaching reading comprehension strategies such as summarizing, inferring, analyzing, and synthesizing.
-Encouraging critical thinking and problem-solving through academic discussions.
Promote Independent Language Production:
-Providing opportunities for more independent speaking and writing, with less explicit scaffolding than for newcomers.
-Encouraging students to justify their reasoning and elaborate on their ideas.
Providing Metacognitive Strategies:
-Helping students become aware of their own learning processes and develop strategies for monitoring their comprehension and language use.
Bridging between Home Language and English:
-Continuing to leverage students' home languages as a resource, potentially through translanguaging strategies (e.g., allowing students to use their home language to brainstorm or discuss ideas, then transitioning to English for final products).

Instructional approaches for Long-Term ELLs:
Diagnostic Assessment:
-Conducting thorough assessments to identify specific areas of academic language weakness (e.g., grammar, vocabulary gaps, reading comprehension strategies, academic writing conventions).
Targeted Intervention:
-Providing explicit and targeted instruction to address identified gaps in academic language and literacy. This may involve small-group pull-out or push-in support.
Focusing on Deeper Language Structures:
-Addressing complex grammatical structures, nuanced vocabulary, and academic discourse patterns.
-Providing explicit instruction on how language functions in different academic disciplines.
Metalinguistic Awareness:
-Helping students understand how language works, including morphology, syntax, and semantics.
-Comparing and contrast English with their home language to highlight differences and similarities.
High-Level Cognitive Engagement:
Engaging LT ELLs in challenging, rigorous content that requires critical thinking, analysis, and synthesis.
Ensuring they have opportunities to participate in discussions, debates, and presentations.
Motivation and Self-Efficacy:
-Addressing potential feelings of frustration or discouragement due to prolonged ELL status.
-Highlighting their linguistic strengths and celebrate their progress. Foster a growth mindset.
Content Area Integration with Academic Language:
-Collaborating with content area teachers to ensure that academic language is explicitly taught and reinforced across all subjects.
Focusing on the academic demands of different content areas (e.g., analyzing primary sources in history, writing lab reports in science).
Leveraging Prior Knowledge:
-Provide strategies for accessing and articulating prior content knowledge.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

0

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

0

Instruction for Long-Term ELLs differ from Instruction designed for Developing ELLs in that the Long-Term ELLs will need more intense support and especially vocabulary. They instruction has to be more explicit

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

2%
Former ELL's are taught in the regular classrooms using the following strategies:
Our former English Language learners have a foundation is English, but they still need support to achieve full academic proficiency. Gving them formal assessments helps us to pinpoint specific gaps in grammar, vocabulary, or academic language. We try to build their confidence if they are hesitant to speak English. Former ELL's are encouraged to use their native language for comprehension strategies when appropriate. They are taught academic language (CALP) explicitly, moving beyond basic conversational English (BICS), including discipline-specific terms, nuanced vocabulary, and words used in academic discourse. Explicit instruction is provided in grammar and sentence structure including idiomatic expressions, or subtle grammatical nuances. In writing, oour formal ELL's are instructed to use strong verbs, and eliminate unnecessary words to improve their writing clarity and sophistication.
Scaffolding and Support and support is provided:
- Introduction of key terms and concepts before they encounter them in reading or listening materials.
- Use of sentence frames and starters, providing these as a temporary scaffold to help them express their ideas in speaking and writing.
- Providing multiple representations of concepts: Use visuals, graphic organizers, and realia to make abstract concepts more comprehensible.
- Offering opportunities for practice, creating structured and supported opportunities for them to use English in meaningful contexts, such as debates, presentations, role-plays, and group discussions.
- Allowing extended processing time, giving them ample time to formulate their responses, especially in speaking activities.
- Encouraging collaboration, pairing and group work reduces anxiety and providing a supportive environment for language practice.
- Integrating content and language, designing activities that require them to use English while engaging with subject matter (e.g., discussions, research papers, projects).
- Using authentic materials, incorporating real-world materials like news articles, videos, and interviews to expose them to natural language use.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

Limited English Proficiency (LEP) is the most fundamental challenge. The students are learn academic content simultaneously with a new language, which is a significant cognitive load. This affects their participation in discussions, reading textbooks, and writing assignments.
Even when they have acquired some conversational English, developing academic English (CALP - Cognitive Academic Language Proficiency) takes significantly longer (5-7 years, or even longer). This specialized vocabulary and complex sentence structures are crucial for success in content areas. ELL's who have difficulties with pronunciation and fluency, their confidence, willingness to participate, and social integration is affected. Some students take more time catching up wit content knowledge due to their language barrier.
Some ELL's come from low socioeconomic status, which makes it difficult to have the resources they need like books, technology, quiet study spaces, food insecurity, housing instability, and increased stress, all of which negatively impact academic performance. Some of their parents have do not speak English well or have limited formal education, which makes it a struggle to struggle to help their children with homework, communicate with school staff, or navigate the education system. There can also be a lack of parental involvement due to language barriers, cultural differences in the perception of school-home roles, work schedules, or lack of understanding of the importance of involvement in the U.S. educational context. Also family high mobility due to migration or economic instability disrupt schooling and can make it difficult for ELLs to establish consistent support systems. Students who are refugees or those from war-torn regions, may experience significant emotional and psychological challenges related to acculturation, family separation, or past trauma, impacting their well-being and ability to learn.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

Some former ELL's haven't fully achieved English proficiency or exited EL status. They often have lower academic outcomes, are at higher risk of dropping out, and are less likely to graduate on time. Some students may still struggle with academic vocabulary, complex sentence structures, and abstract concepts in subjects like science, social studies, and even math (especially word problems), which are taught in English. Some ELL's may still struggle with academic tasks requiring critical analysis, inferencing, and expressing complex ideas in writing.
Standardized tests, particularly those that are English-only, can be a major barrier to graduation for former ELLs, even if they have made significant progress in their language acquisition.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

Spanish:
Bilingual Education Teachers, Bilingual PTA President, Bilingual Speech Pathologist, Immersion Dual Language Program K-5 grades, Culturally Responsive Curricula, Spanish and Bilingual Books in the Classroom Libraries, Translation of school documents and interpretation services

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

Mexican, Venezuelan, Ecuatorian, Dominican, African, Asian, Arabic, Haitian
Valuing Home Languages: This can involve using bilingual materials, allowing students to collaborate in their native languages, and incorporating linguistic diversity into classroom activities.
Incorporating Cultural Knowledge: Teachers are encouraged to learn about and integrate students' cultural backgrounds, experiences, and traditions into the curriculum. This means:
Activating prior knowledge: Connecting new concepts to what students already know and have experienced from their own cultures.
Using culturally relevant materials: Including literature, examples, and historical narratives from diverse cultures, especially those represented in the classroom.
Contextualizing learning: Tying lessons to students' social communities and real-life experiences.
Inviting community members: Bringing in guest speakers from the students' communities to share their experiences and expertise.
Understanding Communication Styles: Recognizing that communication styles vary across cultures and adapting classroom interactions accordingly to ensure all students feel comfortable participating.
Curriculum Development:
Diverse perspectives: Ensuring the curriculum includes multiple perspectives and representations of diverse cultures, histories, and contributions.
Connecting to identity: Designing learning that builds on and sustains students' cultural and linguistic backgrounds and helps them see themselves and their communities reflected in the content.
High-quality instructional materials: Selecting materials that are not only rigorous but also represent students' identities and connect academic concepts to their everyday lives.
Instructional Strategies:
Student-centered approaches: Employing interactive and collaborative learning activities that draw from students' references and experiences.
Scaffolding: Providing appropriate language supports and instructional scaffolds to help ELLs access complex content. This can include visual tools, graphic organizers, modified texts, and opportunities for partner and small-group work.
Explicit language instruction: Directly teaching the English language system (e.g., phonics, vocabulary, grammar) in a way that builds on their existing linguistic knowledge.
Encouraging voice: Creating a classroom environment where ELLs feel empowered to share their thoughts and perspectives, even if they are still developing their English proficiency (e.g., using nonverbal methods like drawing or pointing).
High expectations: Maintaining high academic expectations for all ELLs while validating their cultural identities.
3. Building Relationships and Fostering a Sense of Belonging:
Teacher-Student Relationships: Teachers build strong connections with ELLs by understanding their lives, backgrounds, and identities. This often involves:
Learning about individual students' interests, hobbies, and learning styles.
Family and Community Partnerships: Schools actively build partnerships with families and communities, recognizing them as valuable sources of knowledge and experience that can help shape school priorities and deepen learning.
Creating Safe Spaces: Fostering emotionally safe and trusting environments where ELLs feel a sense of ownership and belonging. This can involve using restorative practices to address conflicts and nurturing students' identities.
Professional Development and Systemic Support:
Teacher Training: Providing ongoing professional learning for all teachers on culturally responsive practices and second-language acquisition.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

3 students met the ELP progres.
10 did not meet the ELP progress.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

25 ELLs did not reach proficiency level.
10 ELLs met proficiency level.
2 ELLs made annual growth.
1 ELL exited the program.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

32% of the student population scored levels 3 or 4 in ELA.
28% of the student population scored levels 3 or 4 in Math.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

10 ELLs have IEP's.
There are 0 SIFE students.
These students struggle with writing and speaking.
Living conditions (temporary housing (63%) might be impacting the results of these subgroups, 92% are newcomers to the country.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

The students are in classes in which English is the predominant language. Translation into the preferred language and technology devices are utilized to assist in translation for students to access the materials. Additionally, hands on materials - books, recordings, etc. are available in the classroom. In the ENL stand alone and ICT teachers work together to support students' learning.

Students engage in project based learning in which they are provided opportunities to investigate and come up with solutions to real- world problems. For example, students work in groups on sustainability projects - clean up the park, ways to recycle plastic, water conservation through the Global Scholars Program, to name a few.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

CS 129M school's instructional Leadership Team is responsible for including all our students and subgroups, general education
students, special education students, MLs/ELLs, and MLs/ELLs with IEPs. Our ILT is composed by our principal, Odelphia Pierre;
assistant principal, Andrea Story; guidance counselor, Martha Mendez; parent coordinator, Maxine Young;
attendance teacher, Miriam Luna; DL teachers Edward Zorrilla, Ms. Alexander, Ms. Moe and Ms. Mayra Amaro. We also have a new ENL
teacher, Mr. Yeydy De La Cruz. Our goal is to provide our students, diverse learners, with rigorous instruction, collaborative
teachers, effective leadership, and a clear focus on student achievement by implementing different ELL teaching strategies and
programs, such as scaffolding and differentiation according to the ELLs language proficiency

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the

Next Generation Learning Standards.

Core content is delivered in English in each program model with differentiation. In content areas materials may vary giving student a large window of opportunities for learning. ENL teacher as well as the classroom teacher utilize a variety of instructional learning strategies, that foster language development. These may include modeling, use of scaffolding, collaborating learning activities, team work, small group work or individualized activities. Hands on activities are widely used throughout the content areas, particularly in science and math where students have an opportunity to demonstrate their knowledge by doing. Technology is also widely used and accessible to all students in their classrooms as well as in the technology lab. The ENL classroom is a student centered classroom where the ELL community is developed and students are provided with a risk-free environment.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Google Classroom and small group work allows MLs/ELLs access to grade level content. Students engage in small group work based on their performance level for that task/skill. Additionally, there are some activities that are project based (students working on the same project). The use of technology - iReady, AR, etc. provide opportunities for students to work independently on their level.

b. SIFE

We continuously look for instructional materials that would service our SIFE students. We have trained our high-quality teachers of ELLs to work with SIFE students using current ENL strategies and differentiated instruction which will lead to increased student achievement. We will use alternative assessment options such as data portfolios and tailor the curriculum to meet SIFE students needs. This school year we only have one SIFE student on our roster.

c. Newcomers

In order to meet the needs of our ELL students who are newcomers, (less than three years) we will provide various options for instruction: Dual Language Education, and integrated/standalone programming for ENL Morning Skills Period Tutorial, The Accelerated Reader Program and After School Tutoring Program. Explicit ENL instruction is delivered in each program through content area instruction. Additionally, because NCLB now requires ELA testing for ELLs after one year, we tutor the new entrants during Morning Tutorials, 8:00am - 8:30am in order to accelerate their language acquisition abilities. Students are provided with technology that they can use at home and at school during the instructional day.

Grade level materials are provided in all classes, and teachers across grade bands meet and review student work, share ideas for next steps, reteach, etc.

d. Long Term ELLs

Our reduced number of long term ELLs will have teachers provide instruction using ENL methodologies on a daily basis in a small class setting in order to achieve proficiency on the NYSESLAT and ELA assessments. Teachers will receive Professional Development and participate in training to learn how to meet the needs of ELL students and differentiate instruction for all learners. We will also train parents to assist their children with English language acquisition skills at home.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

Our school uses curricular, instructional, and scheduling flexibility to meet the diverse needs of ELLs with IEPs within the least restrictive environment. The ENL teacher, Yeydy De La Cruz is responsible for providing direct instruction to ELL students having special needs using ENL methodologies, while the Special Education Support Service Teacher provides supplemental reading, writing and mathematics instruction. The Special Education Teachers provide additional training in reading, writing and mathematics using the Wilson and Fundations Programs. We also have assistant teachers who work on a one to one basis with individual students as mandated on their IEPs. In addition, our school ensures that flexible programming is used to maximize time spent with non-disabled peers by mainstreaming our ELLs with IEPs in certain academic programs e.g. Math, Language Arts, Technology, and Physical Education. All our ELLs with IEPs are included in our school wide extracurricular activities. During Faculty Conferences and Professional Developments flexible programming for ELLs with IEPs are discussed among regular education teachers, special education teachers, ENL teacher and bilingual teachers. Special Education Field Supports also work with teachers and liaisons at the school.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Home Language support is offered in various ways. In the Dual Language Program the ELLs develop skills in listening, reading, writing, and speaking in their home language. The licensed teacher is fully bilingual and children will get the necessary support in their home language. In the TBE Program delivery of instruction takes place in literacy and mathematics in Spanish according to the student's acquisition level. The Bilingual Teacher can reinforce concepts taught in the content area in the child's native language. The classroom library will have fifty percent (50%) of its library books in Spanish to promote literacy acquisition in the student's native language. As students progress and their levels improve, the amount of English instruction increases and the amount of Spanish instruction decreases. Our ELL students are serviced by their language proficiency level. Students are serviced using the Integrated ENL Model through the content areas: English Language Arts, Math, Social Studies, science and English Language development instruction from a dually certified teacher or two certified teachers. Upper grade ELL students are serviced using the Stand-alone English as a New Language Model in which students receive instruction in order to acquire the English language needed for success in core content courses. During remote learning the bilingual teacher will provide instruction to the bilingual students in English and Spanish depending on the ELLs proficiency level. They will be encouraged to use their native language. Dictionaries and google translator will be used to support. We mentioned various remote learning platforms such as Google Classroom, Zoom, You Tube, and other digital platforms. Let's not forget the participation of parents, teachers, co-teachers, coaches, assistant teachers, and administrators in this new journey of distance learning.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Integrated co-teaching model, common planning time and professional development opportunities are available on an ongoing basis. Support from our Community Schools Partner - Fordham University is also available.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

The PD plan will be drafted at the start of the school year in consultation with the ILT Committee, staff end of year professional development survey feedback, and stakeholders. The planning team will ensure that there are opportunities for ELL specific PD for all teachers, including opportunities for CTLE credits.

A) Assessments and Placement of ELLs September 2025
B) Curriculum Mapping for English Language Learners October, 2025
C) ENL Learning Standards - October 2025
D) ENL Methodologies and ENL instruction in the classroom November 2025
E) Professional Responsibilities November 2025
F) MOSL Assessments: Testing Criteria for ELLs December 2025
G) How to Plan Differentiated Instruction for the 4 Levels of English Literacy December 2025
H) Supporting Bilingual and ELL Needs For Standardized Tests and Beyond January 2026

Each time our school offers a professional development we create an agenda with a topic and the points that will be implemented on that session. We provide handouts that go along with the presentation. We take attendance that will be kept in the principal's office for future reference as part of our ENL/DL Program records. The following professional developments will be offered to teachers of ELLs in supporting ELLs as they engage in the Next Generation Learning Standards:
A) Translating Theory to Practice to meet Challenges of the Common Core State Standards
B) Fundamental Elements of Classroom Instruction and Effective Pedagogy for ELLs
C) Response to Intervention: Creating an RTL Model for ELLs' Academic Success
D) Supporting Social and Academic Language Development of ELLs.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

The following professional developments will be offered to bilingual/ENL teachers and our entire staff as part of the 15% minimum required professional development hours for all teachers.

A) Translating Theory to Practice to meet Challenges of the Next Generation Standards
B) Fundamental Elements of Classroom Instruction and Effective Pedagogy for ELLs
C) Response to Intervention: Creating an RTI Model for ELLs' Academic Success
D) The Next Generation Standards: Supporting Social and Academic Language Development of ELLs

A complete draft of the plan will be available to all staff.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

iReady, MAP Growth, Acadience in grades K-5 are used to guide instructional planning for ELL's. Data is used to create interventions and assess their impact every 6 weeks.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

To address ELLs needs general education teachers will collaborate with the ENL teacher to implement ENL methodologies, and English language skills development in ELA, Math, Social Studies, and Science. The children will have the opportunity to read, think, analyze, write, experiment and publish their assignments. CS.129's targeted intervention programs for ELLs in ELA, Math, and other core content areas focus on meeting the high standards set for our English Language Learners in literacy and mathematics. Our goal in ELA is to provide reading instruction to ELL students, according to their proficiency level (entering, emerging, transitioning, expanding, and commanding) using the HMH, K - 5, Reading Programs. Reading and writing strategies will be taught in all content areas. Entering and emerging ELLs will have explicit instruction in phonics and phonological awareness so they can identify sounds and combine them into words. Our transitioning and advanced ELLs will be offered literacy classes aligned with the common cores in our school's morning tutorial period. Our Math goal is to decrease by at least 25% the number of ELLs who are not meeting the proficiency standards on math. The math curriculum will be aligned vertically between the math levels using Envision 2.0. Struggling students will receive math tutoring in small groups with a trained Math Teacher. Intervention math software will be purchased as well as increasing utilization of computer labs to further enhance the ELLs Math skills. The ENL Teacher plans collaboratively with the classroom teacher implementing academic rigor to further develop ELL’s achievement levels across the content areas. The ENL teacher also reviews student portfolios with the classroom teacher as well as with the ELL student during articulation to make assessments and drive instruction. We also offer a ENL Program where students are grouped homogeneously according to their NYSITELL or NYSESLAT levels. Their Native Language, Spanish, is used to instruct our Dual Language Classes Grades K-5 following the CR Part 154 mandates. It is used to support the students’ native language and culture as an instrument to teach the content areas and to reinforce students’ understanding of new concepts taught. Our targeted intervention in social studies for our ELLs includes ESL methodologies implemented by a certified social studies teacher and the ENL teacher in the Integrated ENL program. The ELLs are grouped heterogeneously where they participate and share information demonstrating their understanding about the history of the world and the United States. We use the Passports to Social Studies which address New York State Social Studies Standards. In science we implement the Amplify Science Curriculum with our ELLs which goes from K to 5 . This curriculum addresses the New York State Science Standards. Our targeted intervention in science for our ELLs includes ESL methodologies implemented by a certified science teacher and the ENL teacher in the Integrated ENL program. The ELLs are grouped heterogeneously where they have the opportunity to learn real science. The ELLs learn hands-on science which is beneficial for the acquisition of English as a New Language by speaking, listening,

reading, writing and interacting.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

The collection of data is utilized by teachers and staff to identify at-risk students as well as effective structures of support. While reviewing data, additional academic and social-emotional supports are provided for students. Professional development for teachers is also provided based on identified needs.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

The assessment tool our school uses to assess the early literacy skills of our ELLs is as follows: We use the NYCPT ELA , iReady, and the Acadience Learning assessments to evaluate their literacy acquisition: phonics, alphabet, oral expression, and reading abilities. EL SOL basically is the same assessment, but it is conducted in Spanish. Students also take a computer based assessment through Accelerated Reader. This assessment provides teachers with the students' Zone of Proximal Development. Teachers can use this data to design personalized reading instruction for all learners including ELLs. The baseline data obtained in these assessments reflects that our ELLs are learning to read and write at grade level at a very rapid pace. This information is used to plan our future classes. The base line data is used to group students according to their proficiency levels. We also use the New York City Performance Assessment; this assessment allows teachers to plan in alignment with the common core standards and to evaluate the children's academic progress to move them to higher performance levels. This year all students will have Fountas and Pinnell levels to support analysis of reading progression and guided reading instruction. In addition, ELLs will be assessed virtually using various remote learning platforms such as Google Classroom, Zoom, You Tube, and other digital platforms.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

At the present time we have assessment tools that measure the English language. We do not have assessments for other foreign languages except the initial Spanish Lab-R that is given to Spanish speakers only at the time of enrollment. Should a student submit work written in their home language, for example written in their home language, for example, we will use staff members who write/read language as well as Google Translate to assess their work.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

The ultimate test of the success of the ELL program is the degree of success that students experience in their regular English classrooms. Even though they may demonstrate steady progress on NYSESLAT, the ultimate goal is for our ELLs to achieve full integration and facility in the use of English approximating native-like proficiency-even as the ELLS retain and deepen their knowledge of and appreciation for their own native language. We examine student data histories complied by both the ENL teacher and classroom teachers, based on project-based assessments, classroom observation anecdotal records and portfolio assessments. The ELL data that is collectively shared demonstrated the strengths and weakness providing teachers with indicators of what students need. These needs may be as simiple as modifying materials, adding supports such as more technology, or providing more vocabulary and word work in small groups.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

As we know, the NYSESLAT is administered in the spring annually to all ELLs in New York State to assess the English proficiency in
listening, speaking, reading and writing. We have created a NYSESLAT administration plan, where a team of administrators; Ms. Pierre, principal; Ms. Story, assistant principal: Attendance teacher, Ms. Luna; a special education teacher, Ms. Colomer, Mr. Zorrilla, Ms. Amaro, and Mr. De La Cruz are responsible for administering and scoring this state assessment. We follow the instructions for administering the NYSESLAT rigorously as per the administrator's manual. The test is given to the ELLs within the prescribed dates assigned by New York State Department of Education. TheF test is always kept in a secure place in the principal's office in the afternoon after they finish testing.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

N/A

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

At the onset of a student entering, administration and cabinet team work with each family to review the various programs and options a family has available to them. Literature is provided in the preferred language and translators are utilized for families when needed. Additionally, the ENL teacher will meet with parents one-on-one to review the needs assessment collected share the child's programming needs.

Information shared with parents include but not limited to:
Health resources - dental, eye exams, nutrition
Food pantries
Family trips - Passes to the museum, shows
After school services - enrichment activities, tutorial

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

This will be done in the beginning of the school year, and throughout the year as we progress monitor. The teachers will keep records of the progress or lack of progress and supports. The teachers will share information with parents which could be done during the weekly parent engagement time or at a mutually agreed upon time. Written communication (reports, grades, etc.) are also an option to engage parents as partners.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Families can email, write a note in their preferred language and it will be translated. Additionally, they can come to the school and translators will be made available.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Surveys and outreach to families asking their needs.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Information is disseminated in the family's stated preferred language. Engagement via PA, SLT and parent workshops, school events are ongoing throughout the school year. These events provide opportunities for families to keep engaged. Biweekly parent engagement (Wednesday) conversations.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Community School Partner -Fordham University
After School Partner - Harlem Dowling
Professional Development collaboration with staff through - My Plate, IBEI, MRPC

Through these partnerships, in-school resources as well as out of school opportunities (trips to cultural institutions, mental health, nutrition, food pantry, etc.) are made available to families (students and parents). Fordham tutors support the students in the classroom, and the coach support teachers in the classroom. In addition, support is provided for homework help.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

N/A

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Yeydy De La Cruz - ENL Teacher
Miriam Luna - Attendane Teacher
Yudelka Ramirez - Bilingual Speech Pathologist
Marta Colomer - Special Education Teacher
Edward Zorrilla - Teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Yeydy De La Cruz - ENL Teacher
The school uses the following documents and asessments for identification and monitoring of progress:
- Home Language Survey (HLS)
- New York State Identification Test for English Language Learners (NYSITELL)
- New York State English as a Second Language Achievement Test (NYSESLAT)

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Odelphia H. Pierre

Part IX: LAP Assurances

LAP Assurances Page

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Yeydy	De La Cruz	Teacher - Regular Grades - ESL	02/13/2025	N
Miriam	Luna	Teacher - Attendance	02/13/2025	N
Ellen	Dupree	ENL Teacher	02/04/2026	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	5	1.49%	5	1.50%		
BAMBARA	2	0.60%	2	0.60%		
CHINESE ANY	2	0.60%	2	0.60%		
FRENCH	3	0.90%	3	0.90%		
HAITIAN CREOLE	1	0.30%	1	0.30%		
ENGLISH	214	63.88%	214	64.07%		
SPANISH	106	31.64%	105	31.44%		
WOLOF	2	0.60%	2	0.60%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

52

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5

Total number of teachers in this program:

05

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

05

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

The instructional program will take place before the school day, and after school if needed.
The activities will engage ELLs in small group basics so as to enhance the children's learning. The program is designed to develop
English language skills (speaking, listening, reading and writing) and work towards proficiency by using students' developing skills in a
variety of natural communicative situations.
The Ells will be grouped for instruction based on an initial screening assessment and the Home Language Questionnaire which is part
of the school's registration packet. The groups are kept to a maximum of no more than 10 students.
Instruction will be delivered by one teacher, who may in some instances have a paraprofessional assigned to a student.
The program will be supervised by school administrators.

Professional development for teachers will take place during the school day via classroom coaching and group professional development
activities

Parent engagement will take place before, after and during school hours

Students will engage in small group activities via the use of technology. They will be assigned intervention activities based on learning gaps identified by the teacher and what the data shows.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Title III ELL (English Language Learner) funded programs are designed to support the academic achievement of students who are learning English.

Language Instruction will improve the English proficiency and academic achievement of ELL students. The tailored instruction that addresses the unique linguistic and academic needs of ELLs.

Qualitative and quantitative data analysis that support the need for the program and the data sources used to justify the need for the program are:

Challenges ELL students face in mainstream classrooms, such as language barriers and cultural differences
Classroom observations indicate that ELL students benefit from targeted language instruction, which helps them engage more
effectively in academic content.
Assessments data shows that ELL students who receive Language Instruction demonstrate significant improvements in English
proficiency and academic performance compared to those not in such a program.

Teachers feel more confident and effective in their instruction after participating in professional development. Classroom Observations show that teachers who receive professional development implement more effective instructional strategies for ELL students. Improved student performance in classrooms where teachers have received professional development.

Family Engagement Programs: Family engagement programs will involve ELL families in their children's education, fostering a supportive home environment that contributes to academic success.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Grade levels served K- 5

Grades	Entering	Emerging	Transitioning	Expanding	Commanding
K	05			01	
1	02	05	01	02	
2		03		01	01
3		01		02	02
4	01	03	03	02	01
5	02		01	01	02

Sub Groups to be served:

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Title III program starts in September through June
Program is conducted for students Monday - Friday

Students in Dual Language Programs remain with same teacher all day

Students in classes that are taught in English, receive pull/push-in small group daily

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

Instruction is provided in English.

In the Dual Language class the instruction is provided side by side as well as AM and PM model.

Additional, via the use of technology, translation is available for students.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

There are 5 teachers who are certified in both Bilingual and Common Branches in Elementary Education not content areas.
One teacher is also Special Education certified.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**

- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Materials:

Santillana
Supplemental materials that are available to students during the school day, and is used with push in and/or independent work, or work with a student teacher, coach, etc.

Arriba La Lectura is not supplemental but used alternately with the HMH Reading Program. This is the Spanish version of the HMH reading program.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

The plan for implementation starts in September and parents are notified by classroom administrators, classroom teachers, ENL teacher a via in person meetings, parent-teacher conference, meeting with guidance and other school personnel who are familiar with the work and the students.

Records will be maintained with agendas, attendance, notices, purchase orders, vendor invoices, materials/handouts,. etc.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

There are two major professional developments P.S 129 will provide are:
1. Understanding ELL Needs: teachers will explore the linguistic and cultural backgrounds of ELL students, gaining insights into their unique challenges and strengths. This foundation will help educators tailor their approaches to meet diverse needs.

2. Differentiation Strategies: Educators will learn practical strategies to differentiate content, process, and product in their classrooms. This includes using visual aids, collaborative learning, and modified assessments to support language acquisition and content comprehension.

Topic Activity at P.S 129 would include:
1. Activity: Formative Assessment Techniques
Workshops focused on using formative assessments to gauge ELL student understanding and adjust instruction according to their needs.
2. Activity: Providing Constructive Feedback
Teacher's practice giving feedback to ELL students that is clear, specific, and encouraging, promoting language development and academic growth.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Activity: Effective ELL Instruction Strategies:

Qualitative Data: ELL teachers have reported the need for instructional strategies, highlighting a gap in effective practices tailored for language acquisition. Therefore PS. 129 would like to survey ongoing needs.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

Two major professional development opportunities that P.S.129 would like to include are the following:

1.Collaborative Planning: Opportunities for teachers to collaborate on lesson planning and share best practices focused on ELL needs.

2. Peer Observations: Structured peer observation sessions to foster feedback and improve instructional methods.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Professional Development - Mondays professional learning 60 minutes
Weekly collaborative common planning beginning in October - May (Mondays) minimum 45 minutes
CBO -Fordham University on site 1 day per week (Tuesdays) for 20 weeks beginning February 2025
Minimum 60 minutes includes peer observations, coaching, feedback

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Topics to be discussed:
Curriculum - HMH alignment with Next Gen Standards
Fundations alignment with Standards

Lesson Pacing
Looking at Data, Student Work, etc

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

PD Providers :
CBO Fordham, IBEI, MRPC, District Coaching

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Documentation will be maintained using agendas, sign-in attendance sheets which will show the participants and the activity /engagement (workshops, presentation, training, etc.) These documents will be kept in a folder and labeled Title III ELL

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Our school offers a variety of family engagement activities for ELL families, designed to enhance their involvement and support their children's education. The activities are organized by topic:

Language Support Workshops:
Given the opportunity if funding is available, I would like to provide the following:
-Provide resources and strategies for parents to support English language learning at home.
Cost: Free.

Offer tutoring and homework help for ELL students and training for parents on navigating school resources.
Cost: Free.
Parent-Teacher Conferences and parent engagement nights.

Most importantly provide Informational sessions on school policies, resources, and how to support children's learning.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Rationale for Family Engagement Activities for P.S 129 would look like:
1. Activity: Family Literacy Workshops

Qualitative Data: PS, 129 would encourage feedback from families indicates a desire for support in improving literacy

skills at home. Many parents report feeling ill-equipped to help with homework.
Quantitative Data: A survey revealed that 70% of families expressed interest in workshops, with a significant number of students reading below grade level (30% as per school assessments).
Data Sources: School performance reports, parent surveys, and local literacy statistics.
Data Sources: Community demographics, parent surveys, and school diversity statistics.
By leveraging both qualitative and quantitative data, these activities are tailored to address specific needs within the community, fostering engagement and supporting student success.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Next Generation Pilot School - ongoing weekly High5s (for kindergarten parents)

September - Parent /Teacher Conference

Start Date October
Weekly Family Engagement

Hispanic Heritage Celebration

November - Nutrition Workshop
Thanksgiving Food Drive

Upcoming -- Food Drive
Clothing Drive
Karaoke
Family Trip (Student end-of year attendance celebration), Staff participation
Professional Development activities - parent and teachers collaboration

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

At PS.129 have and will continue to cover the following: (in collaboration with school guidance counselor, social worker and the PTA)
1. Academic Expectations: Explanation of curriculum standards, assessment types, and how to support children's learning at home.

2. Language Support Resources: Information on ESL programs, tutoring options, and community language resources available to families.

3. Parent Rights and Advocacy: Guidance on how to advocate for their child's needs, including understanding special education services and English language supports.

4. Community Engagement: Opportunities for families to get involved in school activities, volunteer programs, and local community resources that support ELL students.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

PTA president (Elsa Perez)

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

At P.S 129, Parents are proved information, through:
1. phone calls
2. text messages
3. school newsletters
4. Teacher/Parent conferences

The translation needs of families will be met by ensuring that all information is sent to families in their home language. Interpretation will also be provided during in-person sessions as needed. Parents will be encouraged to download Google Translator on their phone and/or other devices. Additionally, plans are in place to purchase Real Time Translators which will be kept at the school and made available.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Sign in Sheets

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

$20,000

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem	$12,000	Direct Instruction-This amount used in salaries for Teacher and Support Staff
Purchased services -High quality staff and curriculum development contracts.	$2,000	Staff Curriculum and development services
Supplies and materials -must be supplemental - additional curricula, instructional materials - must be clearly listed.	$2,000	Supplies and materials for Parent Involvement Activities
Educational Software (Object Code 199)	None	None
Travel	None	None
Other	$4,000	OTPS
TOTAL	$20,000	Funds used to support program initiatives - instruction, materials and supplies, professional services, translation equipment, etc.
