Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages

- Part C: Parent Communications and Engagement
- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

Don Pedro Albizu Campos

District Borough Number (DBN):

05M161

Grades Served:

K-8

School Address:

499 West 133rd Street, New York, NY 10027

Phone Number:

(212) 690 5945

Fax:

None

School Contact Person:

Jasmira Caceres

School Contact Person Email Address:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Jasmira Caceres	Principal or Designee*	
Alex Del Rosario	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Jacobina Delgado	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Latoya Geter	District Council 37 (DC 37) Representative (staff), if applicable	
Shanta Hunt	Title I Parent Advisory Council Chairperson (or alternate)	
TBD	Student Representative (Required for middle and high schools)	
TBD	Student Representative (Required for middle and high schools)	
Kristina Lozano	CBO Representative, if applicable	
Mara Stulberger	Member/Teacher	
Vaneza Almonte	Member/Teacher	
Diane Roberts	Member/Teacher	
Damaris Rodriguez	Member/Parent	
Jacobina Delgado	Member/Parent	
Tyesha Smith	Member/Parent	
Juana Meredith	Member/Parent	
Ohnoica Brammah-Paddy	Member/Teacher	
Natia Duran	Member/Parent	
Eboni Hicks-Johnson	Member/Parent	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature
Ryan Cannata	ENL Teacher lead	
Alysha Brown	SEL Point Person	
Mathias Guishard	Assistant Principal	
Yiliany Fernandez	Assistant Principal	

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

P.S./M.S. 161 School Vision/Mission:

Vision - The Don Pedro Albizu Campos School is a learning community where scholars develop their identities and explore limitless possibilities.

Mission - The Don Pedro Albizu Campos School is committed to fostering an environment where our scholars are committed to being changemakers in their communities and beyond. Our goal is to encourage self- discovery and individuality through a supportive, safe, and nurturing environment.

P.R.I.D.E. in our school building (Pride - Participation, Responsibility, Integrity, Determination and Empathy)

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

Our school community includes students from various cultural backgrounds. We value what our students offer to our school community. We believe in student voice and create opportunities for students to voice their thoughts and ideas. As a result we have a strong Middle School (MS) student council, as well as class leaders in grades K-5. We partner with programs around the community such as Doing Art Together, City College, NYCDOE Runners (Track), Chess in the Schools, College Access, National Dance Institute, My Brothers Keeper, and CUNY Creative Arts to help support the needs of our students and provide them with what they need to grow into independent students and lifelong learners.
We also partner with local businesses to create partnerships in cultivating a community where our students can be recognized for their leadership behaviors. We have a school-wide initiative called PantherBucks to reward and acknowledge students who exhibit our school-wide expectations, focused on attendance, punctuality, readiness, on-task and positive behavior.

Briefly summarize the key initiatives your school will implement this school year.

PSMS161 will continue to cultivate a school community that empowers student voice and student choice. We will continue to cultivate a culture where students become leaders within their community. Panther Bucks will continue to be used as a way to recognize Panther P.R.I.D.E. in our school building (Pride - Participation, Responsibility, Integrity, Determination and Empathy). All stakeholders within our school will be able to acknowledge, celebrate and reward students with panther bucks. Additionally, our school community will implement the YALE RULER approach

as well as the Leader In Me Program to instill leadership strategies. This will include training staff, students and parents. RULER is an evidence-based approach to social and emotional learning (SEL) developed at the Yale Center for Emotional Intelligence. RULER supports entire school communities in:

Understanding the value of emotions
Building the skills of emotional intelligence
Creating and maintaining positive school climates

PSMS161 will also continue to take a deep dive into ensuring we continue to reimagine student experiences with an emphasis on student voice and student choice. PSMS161 will continue to provide enrichment opportunities for our students through scheduled WIN periods (What I Need) where targeted skills will be addressed.
After School and Saturday academy will also continue to support students in ensuring all students learn to read (K-2) while supporting students in grades 3-8 with reading to understand.

Parents As Partners will continue to be a priority as together we will engage in social learning, academic and workshops that cater to the needs of our families and students.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
Into Reading (Reading & Writing)	K-6	Digital and Print	Purchased ELL and SWD component
Into Literature (Reading & Writing)	7-8	Digital and Print	Purchased ELL and SWD component
Investigations/Savvas Math	K-8	Digital and Print	Purchased ELL and SWD component
Ariba La Lectura - Spanish	K-8	Digital and Print	Purchased ELL and SWD component
FUNdations	K-3	Digital and Print	Purchased ELL and SWD component
Heggerty	K-2	Print	N/A

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Acadience Reading K to 2 assessment shows 50% of K to 2 students are reading below grade level	The May 2025 Acadience assessment End of Year results indicates that 51% of students in grades K-2 were reading at on or above grade level benchmark. This was increase from May 2024 where only 26% of our students were reading on or above grade level.	Many students in K-2 do not have the foundation skill needed to be strong readers. The pre-premier skills needed from reading is not evident in beginning of the year assessmemts. Additionally, students needed to be provided ample time to practice skills so that they can master grade level standards. We will continue to improve our eary literacy reading skills instruction through Fuundations and Heggerty. Phonics training for K to 2 staff needs.

Decrease the achievement gap for MLLs as our data show they are under performing their peers.	Inconsistency in standard aligned instruction plays a factor. According to the May 2025 Acadience assessment, 36% of MLL/ELL students in grades K-2 were reading at or above their grade level benchmark. This was an increase from the beginning of the 2024-2025 school year, whe only 2% of ELL/MLL students in grades K-2 were reading at or above their grade level benchmark. According to iReady Grades 3-8 (MLL), 8% of students are reading on grade level.	Students are coming into limited English struggle with pre-premier skills while also learning to navigate both languages. While students made progress this year, students working to reach proficiency in the English language need additional support through all four modalities.
Achievement gap for SWDs show they are underperforming their general education peer group.	Exposure to grade level standards is limited because time is being spent on remediation. The May 2025 Acadience assessment, 50% of SWDs in grades K-2 were reading at or above their grade level benchmark which is 16% Less than their general education peer group in grades K-2. According to iReady Grades 3-8 (SWD), 17% our students are reading on grade level.	Strengthen professional development and planning for teachers of SWD and ELL teachers

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	According to NYS ELA for Grades 3 to 8 36% of students are reading on grade level and according to Acadience 51 of students in K to 2 are reading on grade level	By June, 2026, literacy for All Students will improve, as measured by a Increase of 7 percent from 36 to 43% for students in Grades 3 to 8 and from 51 percent to 65 % for students in Grades K to 2. Increase, from According to NYS ELA for Grades 3 to 8 36% of students are reading on grade level and according to Acadience 51 of students in K to 2 are reading on grade level to Increase reading proficiency for students in Grades K to 8 by June 2026, of The goal is to increase students reading on grade level for students in grades K to 8 on the Increase the percentage of students performing at or above grade level in ELA by 7%.
Students with Disabilities (SWD)	Acadience Reading Assessment SWD are scoring 22% below their general education peers.	By June, 2026, literacy for Students with Disabilities (SWD) will improve, as measured by a SWD gap will decrease by 10 percent Decrease, from Acadience Reading Assessment SWD are scoring 22% below their general education peers. to Narrow the performance gap for SWDs by June 2026, of Percentage of SWD scoring level 3 or 4 will narrow. on the NYS ELA and Acadience Reading Assessment.
English Language Learners (ELL)	Currently 35 percent of ELLs are on or above grade level	By May, 2026, literacy for English Language Learners (ELL) will improve, as measured by a Increase the amount of ELLS reading on grade level by 15 percent from 25 percent to 40 percent. Increase, from Currently 35 percent of ELLs are on or above grade level to Narrow the performance gap for ELLS by May 2026. Increase the amount of ELLS reading on grade level by 15 percent, of MLLS performing on or above grade level will increase on the Acadience ELA data.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Acadience Reading Assessment

Enter a Key Performance Indicator

Percentage of students reading at at or above grade level

Baseline:

51 percent of students reading at grade level

Enter the date for the baseline data:

May 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

27 percent of students reading at or on grade level

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

50% of students reading on grade level

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

80% of students reading at or above grade level

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

28 percent of students reading on grade level.

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

October 2026 28 percent of students are reading on grade level.

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

February 2026 48 percent of student are reading on grade level.

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

May 2026 68 percent of students are reading on grade level

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement standards aligned curricula in ELA (HMH) ensuring 100% of classrooms using pacing guides and standards aligned plans. Ensure explicit instruction using the Fundations Curriculum
Explicit instruction in HMH Into Reading Program
Targeted small group instruction embedded in the schedule
Reteach skills based on weekly assessments
Increased time on independent reading
 and center activities
Strengthen Fundations implementation and coaching
Increase Teacher Knowledge in the Science of Reading
Heggerty Implementation to address phonemic awareness gaps

Root Cause Addressed:

Inconsistent Understanding of Explicit Instruction
Varying definitions or interpretations of what "explicit instruction" means across grade levels or content areas.
Insufficient Professional Development
Limited or uneven training on how to implement key components of explicit instruction (e.g., modeling, guided practice, checks for understanding).
No unified instructional framework or guidance document outlining what explicit instruction should look like schoolwide.
Weak Instructional Leadership or Monitoring Systems
Inconsistent Use of Data to Inform Instruction
Teachers may not be using formative assessment data to drive the level or structure of explicit instruction needed for all learners.
Frequent changes in staff or a mix of novice and veteran teachers with different training backgrounds disrupt consistency.
Limited Collaboration Across Programs (e.g., Gen Ed, Special Ed, ENL)
 Inadequate Use of Instructional Models and Routines

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Ensure all staff have access to the standards aligned pacing and that pacing
Ensure monitoring of standards aligned assessments are tracked and addressed
Facilitate monthly grade team or content-area check-ins to reflect on implementation Coaches, Team Leads Ongoing Meeting notes, adjusted
Launch classroom walkthrough cycles using look-fors to monitor fidelity and support Admin, Coaches November–Ongoing Walkthrough tracker, feedback forms
Define core components of explicit instruction (e.g., modeling, guided practice, CFUs, gradual release) ILT with staff input September draft of instructional framework

Key Strategy 2 (Optional):

Ensure data is being used to plan and inform instruction consistently as a school. The need for a school wide data review practice and norming through checks for understanding, academic monitoring and other assessments as a school wide nonnegotiable practice. Schoolide use of bi weekly data meeting with an emphasis at looking at student data with an establish school protocol tool to ensure consistency.

Root Cause Addressed:

Teachers have not been trained on how to analyze student data or use protocols to make instructional decisions.
Limited Access to Actionable Data
Data systems are difficult to navigate, or reports are not disaggregated by standards, skills, or student groups.
Overreliance on Summative Assessments
Focus on end-of-unit or state tests rather than formative checks (e.g., exit tickets, CFUs) that guide day-to-day instruction.
No Common Assessments or Misaligned Assessments
Grade teams use different assessments, making it difficult to compare results or make collaborative decisions.
Insufficient Time for Data Meetings
Teachers lack structured time in their schedule to meet and analyze data collaboratively.
Low Trust in Data Accuracy
Past experiences with punitive data use may lead to distrust or reluctance to engage with data processes.
Data Not Linked to Instructional Planning
Even when data is reviewed, there is no system or expectation to translate it into specific instructional adjustments

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Build in time in schedules to ensure common planning happens with fidelity
Norm Common planning meeting and looking at student work/data
Establish a schoolwide data calendar (interim assessments, progress monitoring, benchmark assessments) Principal, AP, Data Team July–August Published data calendar
Train staff on analyzing assessment and student work data using protocols (e.g., item analysis, error analysis) Coaches, Admin, Data Specialist August–September PD materials, attendance, sample analyses
Designate and protect weekly or biweekly data meetings by grade/content teams APs, Coaches September–Ongoing Meeting schedules and agenda

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Bi weekly assessments as well as end of module assessments will be collected to determine strengths and gaps.
Use standardized data meeting . Use of modeling, guided practice, checks for understanding, Alignment to schoolwide look-for.
Conduct non-evaluative walkthroughs using calibrated look-for tools and share feedback forms shared with teachers
Analyze trends in ILT with Admin, Coaches, Look-for checklists Feedback logs Instructional trend data
Small Group Instruction Grouping based on current data
Review lesson plans for small group plans
Observe groups during instructional blocks
Coaches, Admin, Grade Team Leads will Monitor student data folders or trackers
Coaches, Admin, Grade Team Leader will conduct Weekly (walkthroughs)
Use a shared Google Drive or OneDrive folder to collect and organize templates, agendas, and walkthrough notes.
Include a standing item in ILT meetings to review trends and identify follow-up coaching.
Use teacher reflection tools or logs to capture self-reported use and impact of explicit instruction and small groups.
Celebrate and showcase model practices at staff meetings to build buy-in.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/27/2026	Host quarterly Academic family workshops to explain curriculum expectations	Graham Windham and NY Edge
09/04/2025	06/27/2026	Share student targets and progress during parent teacher conference and weekly parent communication	Graham Windham and NY Edge
09/04/2025	06/27/2026	Launch a Reading Challenge	Local Library and Graham Windham to motivate literacy at home and at school

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Coaches, Lead Teachers and AP will host workshops

Instructional Resources

Ensure all classrooms have instructional materials for Tiers 1 to 3 groups.

Schedule Adjustments

Include a period to ensure all students have targeted small group instruction with a proven tiered program

Other Resources Needed

Time to ensure collaboration among staff to plan.

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYC School Survey 2023–2024 (Student Panorama): 49% of students felt bullying was addressed effectively; only 55% felt students treat	- Students lack peer-to-peer trust and report inconsistent adult response to bullying - SEL instruction around empathy, conflict resolution, and emotional safety is not consistently embedded across all classrooms - Staff need common language, modeling strategies, and SEL-aligned behavioral expectations	All Students – To strengthen student-to-student trust and reduce bullying by embedding consistent Tier 1 SEL instruction and adult modeling of respectful peer behavior.

each other with respect (Student-Student Trust)		
Online Occurrence Reporting System (OORS) Data, 2024–2025 Male Students with Disabilities (SWDs) accounted for a disproportionate number of suspensions, including both general and superintendent-level removals. (10 out of 16 suspensions)	Inconsistent implementation of MTSS behavior supports, especially at Tier 2 and Tier 3, for male SWDs with ongoing behavioral needs. Limited culturally responsive and trauma-informed practices, especially in high-conflict situations involving Black and Hispanic male students. Implicit bias in adult decision-making, resulting in faster escalation to removals or suspensions for male SWDs. Lack of behavior intervention plans (BIPs), restorative conferencing, or functional behavior assessments (FBAs) prior to suspension. Insufficient training for staff on the intersection of disability, race, and discipline.	Male SWDs- Strengthen early identification and intervention for male SWDs at risk of repeated behavioral incidents. Reduce disproportionate suspension rates through expanded use of restorative practices, mediation, and behavior mentoring. Train staff to recognize and respond to bias, with a focus on how it shows up in discipline for Black and Hispanic male students with IEPs. Monitor disaggregated OORS data monthly to identify trends and respond before incidents escalate to removals or suspensions. Increase access to Tier 2 & Tier 3 behavior supports for male SWDs, including behavior intervention plans and consistent adult check-ins
OORS Behavior Incident Reports 2024–2025: Peak incidents (Level 3–4) occur between 11 AM–1 PM in bathrooms, classrooms, and hallways; 15 teacher removals and 10 principal suspensions	- Behavior systems are inconsistently enforced during unstructured times and in shared spaces - Staff need clearer protocols and support for active supervision and behavior escalation responses - Students lack conflict de-escalation skills and restorative tools during real-time peer issues	All Students – To reduce mid-day behavioral incidents in high-traffic areas by strengthening Tier 1 systems, improving supervision structures, and explicitly teaching conflict de-escalation strategies.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	Respect: 55% Bullying Prevention: 49%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 10-11% Increase, in Percentage of students who indicate: “Students at this school treat each other with respect” “This school prevents bullying” from Respect: 55% & Bullying Prevention: 49% to Respect: 65% Bullying Prevention: 60%, per the NYC School Survey results & In House check in surveys .
Students with Disabilities (SWD)	10	By June, 2026, physical and mental wellness for Students with Disabilities (SWD) will improve, as measured by a 40% Decrease, in Number of principal and superintendent suspensions involving male SWDs from 10 to 6, per the Online Occurrence Reporting System (OORS) reports disaggregated by gender and IEP status.
All Students	48	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 25% Decrease, in Number of Level 3–4 incidents between 11:00 AM and 1:00 PM in classrooms, bathrooms, and hallways from 48 to 36, per the Online Occurrence Reporting System (OORS) reports.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

NYC School Survey results, OORS Reports, In-House SEL & Tier 1 Behavior MTSS Student Survey

Enter a Key Performance Indicator

Percentage of students who indicate feeling safe in hallways, bathrooms, and cafeteria

Baseline:

48% of students report feeling safe in common spaces (NYC Survey Spring 2024)

Enter the date for the baseline data:

June 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Increase positive responses to 52%

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Increase positive responses to 58%

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Increase positive responses to 65%

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Online Occurrence Reporting System (OORS) reports

Enter a Key Performance Indicator

Number of principal and superintendent suspensions involving male SWDs

Baseline:

10 suspensions (2024–2025)

Enter the date for the baseline data:

June 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Reduce cumulative suspensions to 9 or fewer by November 2025

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Reduce cumulative suspensions to 7 or fewer by February 2026

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Reduce suspensions to 6 or fewer by June 2026

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Number of Level 3–4 incidents between 11:00 AM and 1:00 PM in classrooms, bathrooms, and hallways

Baseline:

48 Level 3–4 incidents between 11:00 AM and 1:00 PM (2024–2025)

Enter the date for the baseline data:

June 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Decrease to 44%

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Decrease to 40%

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Decrease to 36%

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Use Leader in Me and a schoolwide Kindness Campaign to embed relationship-building and anti-bullying practices into Tier 1 instruction, morning meetings, and school culture routines.

Establish targeted behavioral mentoring and proactive Tier 2 interventions for male SWDs, with dedicated coaching, social skills groups, adult allies, and a check-in/check-out system.

Root Cause Addressed:

Students report inconsistent peer interactions and unclear expectations for respectful behavior. Current Tier 1 efforts do not consistently integrate social-emotional skill-building or student-driven character education.

Male SWDs often receive reactive consequences rather than proactive support. Staff express limited confidence in de-escalation, and students have few trusted relationships or identity-affirming supports in school.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Launch a Panther Kindness Campaign with monthly themes (e.g., “Respect Means...” wall, shout-outs, kindness bingo)
Offer teacher mini-PD sessions on building classroom community, conflict prevention, and peer relationships and

descalation
Conduct Respect & Responsibility Assemblies quarterly using student survey data to drive key messages
Strengthen our whole-class check-Ins with a relationship-building, social and self awareness focus
Implement weekly Tier 1 SEL classroom lessons aligned to PRIDE values and relationship-building themes
In-house SEL team reviews student feedback from surveys quarterly and makes adjustments
Staff complete Respect/Anti-Bullying micro-PD and complete one restorative practice weekly
Identify high-need male SWDs and assign adult mentors for daily Check-In/Check-Out
Host monthly Boys' & Girl Empowerment Circles with invited role models
Review OORS referrals weekly with the MTSS Behavior Team and share patterns with staff
Continue to track positive behavior and celebrate growth publicly using Class Dojo or PBIS points
Implement Rest Stop/Reset Zones near common areas for students to regulate and reenter class safely
Update and retrain staff on hallway behavior protocols and student escorts
Assign hallway/stairwell posts for all available staff between 10:50 AM–1:10 PM
Launch Midday Mindfulness moments (quiet corners, art or journaling) for students
Conduct weekly walk-throughs during midday to review "hotspots"

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Goal 1:

- Bimonthly SEL/MTSS Team Meetings will review NYC School Survey trends, in-house student check-in data, and teacher feedback to assess student perceptions of respect and safety.

- Tier 1 Fidelity Tracker to monitor weekly classroom lesson completion and student engagement reflections.

- Panther Kindness Campaign Tracker to document participation, classroom implementation, and impact stories (e.g., kindness shout-outs, bulletin boards).

Goal 2:
- Monthly OORS Data Reviews (disaggregated by gender and IEP status) to monitor trends in principal and superintendent suspensions involving male SWDs.

- Behavior Intervention Plan (BIP) Reviews for students with recurring behaviors, monitored by the MTSS Behavior Team.

- Tier 2/3 MTSS Team Case Reviews with incident logs, intervention notes, and team response documentation.

- Staff Professional Learning Participation Logs for trauma-informed de-escalation, disability awareness, and culturally responsive practices.

Goal 3

- Biweekly Behavior Data Walkthroughs with Admin & MTSS Coordinator to review OORS reports, time stamps, and locations.

- Hallway & Bathroom Supervision Logs to verify active adult presence in incident-prone areas and students who are in the hallway at that time.

- Incident Root Cause Analysis Forms for every Level 3–4 incident between 11AM–1PM to identify patterns.

- Crisis Team Case Reviews to document student supports, interventions used, and follow-up results.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/01/2025	06/26/2026	Kindness Starts at Home" Campaign: Send home monthly conversation starters and mini-activities aligned to the Leader in Me and bullying prevention lessons. Family SEL Nights: Host quarterly interactive events on digital citizenship, empathy-building, and peer conflict resolution. Monthly "PRIDE Newsletter": Share updates on Tier 1 SEL topics, Leader in Me classroom lessons, and student highlights that reinforce positive behavior.	
09/01/2025	10/31/2024	Behavior Expectations Video Series: Share short, accessible videos in multiple languages that explain schoolwide behavior expectations and how families can reinforce them at home. Targeted Family Conferences for At-Risk Students: Regular check-ins with families of male SWDs showing high needs, grounded in a strengths-based and collaborative problem-solving approach.	
09/01/2025	06/26/2026	Incident Response Updates: Ensure families are promptly contacted when their child is involved in or affected by an incident; provide supportive next steps and re-entry plans. Inclusive Male Mentorship Series where students invite a trusted male figure (father, uncle, older brother, coach, mentor, or male staff member) for quarterly events focused on: Emotional regulation Conflict resolution Celebrating identity and leadership Activities include journaling, discussion prompts, and "Barbershop Talks" to foster open dialogue in a culturally responsive space.	

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

MTSS Coordinator, Dean, Social Worker, and Counseling Staff, Special Education Teacher, Paraprofessionals, Male Staff Volunteers, Community Partners (e.g., 100 Black Men, barbershop mentors) to co-host engagement events

Instructional Resources

Second Step, Leader in Me RULER, Sanford Harmony, NYC DOE Behavior Support Toolkit and Behavior Intervention Plans (BIPs) Kindness Campaign , NYC DOE Restorative Practices Toolkit

Schedule Adjustments

Dedicated time during PD Days to train staff in trauma-informed and culturally responsive responses to student behavior

Other Resources Needed

none

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to the Midyear 2025 iReady Assessment for Reading 23% of students and Math, 21% of students are performing on grade level.	There are still gaps in student learning, teacher practice and the curriculum fidelity. Standards that students needed to master are still unfinished and therefore impact new grade level understanding. Grades 5 and 6 had teachers leaving earlier in the school year, causing them inconsistency in their learning.	Students in grades 3-8 need to be provided with appropriate curriculum across academic subjects to engage them in rigorous instruction to obtain a high quality academic experience.
According to the Midyear 2025 iReady	Students are working to reach proficiency in the English Language, and need additional support to master the	Multilingual/English Language Learners (MLLs and ELLs)

Assessment for ELA 4% and 12% for Math are on grade level.	language. Language standards that students needed to master are still unfinished and therefore impact new grade level understanding. Many of these students are newcomers who arrived at the school with interrupted education.	need to be provided with appropriate instruction and language supports, that engage them in a high quality academic experience.
According to the Midyear 2025 iReady Assessment ELA 13% and Math 11% are on grade level.	Students need individual and specialized instruction to meet the student where they are, in order to build them to grade level standards.	Students with disabilities (SWD) need to be provided with appropriate instruction that can be tailored to their individual academic needs, as well as a high quality academic experience.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	26% on grade level for K-2 and 28% on grade level 3-8	<School Name> will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the All Students - By June, 2026, the percentage of students performing well below grade level will increase proficiency by 20% for grades K-2, as measured by Acadience in Reading. By June, 2026, the percentage of students performing on grade level or above grade level will increase by 10% for grades K-2, as measured by Acadience (Reading) By June, 2026, the percentage of students performing on grade level or above grade level will increase by 19% for grades K-2, as measured by Acadience (Math) By June, 2026, the percentage of students performing on grade level or above grade level will increase by 10% for grades 3-8, as measured by iReady in Reading. By June, 2026, the percentage of students performing on grade level or above grade level will increase by 10% for grades 3-8, as measured by iReady in Math. will Increase by K-2 Acadience Reading - 10% increase; K-2 Acadience Math 19% increase; 3-8 iReady Reading- 10% increase; iReady Math - 10% increase from 26% on grade level for K-2 and 28% on grade level 3-8 to K-2 Acadience Reading - 10% increase; K-2 Acadience Math 19% increase; 3-8 iReady Reading- 10% increase; iReady Math - 10% increase, for All Students, as measured by Acadience - Reading (K-2), Acadience - Math (K-2), iReady Reading (3-8), iReady Math (3-8).
English Language Learners (ELL)	Acadience ELA	<School Name> will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the By June, 2026, the percentage of students performing well below grade level will decrease by 20% for grades K-2, as measured by Acadience in Reading. By June, 2026, the percentage of students performing well below grade level will decrease by 10% for grades 3-8, as measured by iReady in Reading. By June, 2026, the percentage of students performing well below grade level will decrease by 15% for grades K-2, as measured by Acadience in Math. By June, 2026, the percentage of students performing well below grade level will decrease by 10% for grades 3-8, as measured by iReady in Math. will Decrease by K-2 Acadience Reading - 20% decrease; K-2 Acadience Math 15% decrease; 3-8 iReady Reading- 10% decrease; iReady Math - 10% decrease from Acadience ELA to K-2 Acadience Reading - 20% decrease; K-2 Acadience Math 15% decrease; 3-8 iReady Reading- 10% decrease; iReady Math - 10% decrease, for English Language Learners (ELL), as measured by Acadience - Reading (K-2), Acadience - Math (K-2), iReady Reading (3-8), iReady Math (3-8).

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Acadience Reading (All Students K-2)

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

We will begin the year by administering grade level math readiness assessments and writing on demand assessments to use this as our baseline. PSMS161 will continue to delve deeper in supporting teachers by engaging in scheduled pre-planning meetings prior to beginning new units of study. All teachers will unpack the standard(s), identify what students need to know and show in order to reach mastery, create normed teacher exemplar for end of unit assessments, and plan for differentiated scaffolds needed to support all learners.

Our ILT will continue to support teachers in unpacking new units of study, norm expectations and identify supports needed for all students to access the content. Teacher teams will ensure that we continue to look at student work (both summative and formative assessments), develop common assessments that align to standard(s), instruction is normed across the team, and reteach lessons are planned. Teachers will be provided with professional development sessions focused on MTSS Tier 1, 2, and 3 instruction.

ENL teachers will continue to attend Lead Teacher meetings to support decision making for ELL students. Teachers implement new programming including English 3D by HMH, and the new pilot from NYC DOE for the TRANSLATE curriculum focused on increasing fluency which will then support students in improving comprehension in English language.

Root Cause Addressed:

In looking at the data, our ILT (Instructional Leadership Team) along with other stakeholders, determined that students were not generalizing what was taught in class and applied the skill in different ways. This surfaced when unit assessments and state exam data was shared.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Teacher teams will analyze data to find trends and modify the curriculum to ensure that the priority standards are regularly assessed. Teachers will do this by engaging in weekly meetings focused on formative and summative data. Doing this will allow all stakeholders the opportunity to norm grade level expectations, understand the standard and identify supports needed for their different learners. Additionally, as a school community, we will delve deeper into the Science of Reading, research based components so that teachers understand how to teach the 5 pillars of Reading. Additionally, our school community is embarking on a school wide MTSS initiative to provide research based interventions to all students regardless of their subgroups.
SWDs MLLs - (?) During this phase, the administrative team will engage teachers in Teacher Data chats to continue the action plan and ensure all students are making progress towards meeting standards and goals. Professional Development focused on using iReady and formative assessments will continue to be an area of concentration. We will continue to delve deeper into student groupings with a specific focus on SWDs and MLLs. We will be intentional about scheduling day school intervention to support with additional gaps and implement iReady ELA & Math weekly sessions. Teachers of MLL students will continue to collaborate and co-plan with grade level teachers to ensure high quality grade-level education for all MLL students. We will continue to implement MLLs after school enrichment sessions for students as well as Saturday Academy.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Implementation Monitoring
- biweekly data meetings where all stakeholders analyze data and prepare on the spot reteach and intervention sessions.
- Monitoring weekly iReady Reading & Math student pathway to ensure students are making progress.
- Acadience Reading & Math, Progress Monitoring - weekly and bi-weekly

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	01/30/2026	Monthly literacy and math family nights, parent workshops focused on literacy and math (including NYC Reads and ENL)	NY Edge, Harlem Dowling, Aspira, Graham Windham
02/02/2026	06/26/2026	Continue monthly literacy and math family nights, parent workshops focused on literacy and math (including NYC Reads)	NY Edge, Harlem Dowling, Aspira, Graham Windham

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYC School	-Not enough access to get information in timely fashion. -Not having enough parent outreach regarding program. Need more opportunities for students to be advised on	Increase the percentage of

Survey 2025	the High School admission process. Need for more parent events/ outreach regarding the HS application process. Need a variety of ways to share information regarding HS applications (virtual and in person opportunities to HS application information sessions). Need for more open hours for Admin/Guidance Counselors support students and families to apply to HS.	students who respond favorably to being guided in the high school application process.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	85	<School Name> will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the percentage of students who respond favorably to being guided in the High School application process. for All Students will Increase by 3% from 85 to 88 as measured by NYC School Survey.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

- We will plan a family trip to take students to bring awareness of different HS.
- Create survey to see schools that students are interested in attending.
- Create more family info session opportunities.
-Continue senior week activities such as high schools presenting to our students as well as having former students come here.
-Student mentoring
-Guidance Counselor Office Hours

Root Cause Addressed:

-Not enough access to get information in timely fashion.
-Not having enough parent outreach regarding program.

-Need more opportunities for students to be advised on the High School admission process.

-Need for more parent events/ outreach regarding the HS application process.

-Need a variety of ways to share information regarding HS applications (virtual and in person opportunities to HS application information sessions).

Need for more open hours for Admin/Guidance Counselors support students and families to apply to HS.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
-Plan family trip to high school fair so students can get first hand information about potential high schools they can apply to. (HS FAIR) -Share Open House Info with families. -Host multiple virtual and in person sessions to inform parents about the high school process and to support them with any technical concerns they may have. -Senior Week (HS Panel of former students along with visit from HS Representatives who will present to our graduates) -Assign students with carefully selected mentors who will be in charge of walking them through the HS application process. -Mentors will ensure to support students with creating a balanced application - Guidance counselor and Assistant principal will have open office hours to support families with the application process. -Host high schools to present to our students so they can make informed choices once they are filling out their application. -Share all information with all stakeholders via google classroom/Messanger.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Create Checklist with due dates:
1. Plan Trip to HS fair with families
2. Monitor number of families who attend virtual/in person info sessions.
3. Assign Mentors
4. Have conferences to review lists of schools 8th graders are applying to.
5. Plan Senior Week.
6. Work with CBOs to get schools to visit our campus .
7. Set and announce office hours to support families.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2025	Guidance counselors and Assistant Principals collaborate to increase student and family awareness through scheduled events. The events include: -Host monthly, virtual and in person opportunities to orient parents on the high school application process. (1st one at the end of September) -Open office hours to support families with the high school application process. (Send message blasts to remind families) -Share open house events advertised by different high schools so that families can visit and make informed decisions on what schools they will be applying to. - Invite high schools to visit our school to create opportunities for students to learn more about different high schools prior to applying to high school.	PTA, CBos,

Priority 4 Budget and Resources

Budget and Resources

Schedule Adjustments

Modify schedule when providing students individualized support with the HS application process.

Other Resources Needed

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Decline in	Family perceptions of	To combat declining enrollment and build trust, the school will adopt a

student enrollment - based NYCPS Projection Data 2021-2025	NYCPS and charter schools strongly influence enrollment decisions. Ongoing enrollment declines may reduce family confidence in PS/MS 161, prompting some to explore alternative school options.	proactive approach to engaging families by: Expand outreach through regular Open Houses to showcase school programs and culture. Enhance communication through the website, social media, and newsletters. Highlight student and parent success stories to build pride and belonging. Ensure clear, accessible communication and academic support to address family needs. These actions aim to rebuild confidence, strengthen family partnerships, and position the school as a welcoming, inclusive choice.
Middle of Year Student/Parent Survey - In house survey 24/25	Limited opportunities for families and students to provide feedback or participate in shared decision-making reduce inclusivity and ownership in the school community.	Implement ongoing parent surveys (Beginning, Middle, End of year) to increase parent voice in school planning. Launch regular student surveys to include student voice and ensure more inclusive learning and school culture. Involve parents on schoolwide committees to promote family participation in school decision-making.
Parent Communication Log/ Sign it Sheets	Inconsistent, limited opportunities for two-way communication between families and the school community hinder relationship-building and trust.	Establish systems to support ongoing, inclusive family communication by implementing a regular engagement calendar, using data to monitor participation, offering multilingual access, and creating visible feedback loops that show how parent voice informs school actions. Strategies will be reinforced through student-led events that strengthen home–school connections, like Publishing Celebrations.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	10%	PSMS161 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the family participation in school engagement events will Increase by 20% from 10% to 30% as measured by event sign-in sheets collected and feedback forms to track progress and guide outreach.
Parents of All Students	529 students in 2024-2025	PSMS161 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the student enrollment and retainment in NYCPS will Increase by 5% from 529 students in 2024-2025 to 555 students in 2025-2026 as measured by based on NYCPS Projection Data .
Parents of All Students	5%	PSMS 161 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the percentage of parents/families completing in house school surveys will Increase by 10% from 5% to 15% as measured by Parent Surveys /In house surveys 24/25.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Develop and maintain a consistent, multilingual communication system that shares school events through multiple channels—including flyers, text messages, email, social media, website updates, and in-person reminders—to ensure all families receive timely and accessible information.

Root Cause Addressed:

Parents will have multiple ways of finding out about school events.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Multiple ways of informing parents (Flyers passed out at dismissal, phone blast, posted on social media platforms)
Sign in sheets and a family tracker to progress monitor
Align workshop topics more closely with grade-level instructional units and assessments
Pair workshops with student-led demonstrations or classroom showcases to deepen connections
Collect feedback after each workshop to continuously improve content and format

Key Strategy 2 (Optional):

Implement a structured, multilingual family survey system at three key points in the year (beginning, middle, and end) to elevate family voice, inform school decisions, and build trust through visible follow-up.

Root Cause Addressed:

Structured opportunities for families to share input and engage in two-way communication

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Develop beginning-, middle-, and end-of-year survey questions
Translate survey to home languages for access
Monitor response rates and provide real-time reminders via Class Dojo, flyers, social media

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Survey participation rates by event and format

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/01/2025	06/20/2026	Implement a structured family survey system (Beginning, Middle, and End of Year) to collect parent input on school priorities, communication, and programming. Share results publicly and incorporate feedback into planning.	SLT, PTA ,and School Staff
09/01/2025	06/30/2026	Develop a consistent, multilingual communication system using flyers, text/email, school website, and social media to inform families about school events and opportunities in a timely and accessible manner.	NYC DOE Translation & Interpretation Services, Staff

Priority 5 Budget and Resources

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Students in kindergarten have the highest percentage of chronic of attendance.	Parents do not know the impact of the foundational skills, hence does not see the need to attend school regularly.	Prior to enrollment the parent coordinators will conduct kindergarten tours, and workshops on early literacy skills.
Students with Disabilities have the highest percentage in the chronically absence category.	Executive functioning and social anxiety and the fear of change	School wide consistency, having the students involved in the decision making, nurture a safe and nurturing environment, one to one buddies.
Multi-language Learners	Need more parent outreach for Multi-	Increase Parent Participation, events that

have a high and very chronic absence	Language Learners and the engagement will develop more information for families and students.	create resources for family needs.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	39%	By June, 2026, the Chronic Absenteeism Rate for All Students will decrease by 5%, from 39% to 34%, as measured by the Goal #1 By June 2025, there will be a 5% decrease in students who are chronically absent from 39% to 34%, as measured by Insight Beta..
All Students	23%	By June, 2026, the Chronic Absenteeism Rate for All Students will decrease by 5%, from 23% to 18%, as measured by the Goal #2 By June 2025, there will be a 5% increase in attendance from 89% to 94% as measured by Insight Beta..
Students in Temporary Housing (STH)	40%	By June, 2026, the Chronic Absenteeism Rate, success looks like supporting our school social worker and community liaison to reach-out to STH families. for Students in Temporary Housing (STH) will decrease by 5%, from 40% to 35%, as measured by the Goal#3 By June 2025, there will be a 5% decrease in STH students who are chronically absent from 45% to 40% as measured by Insight Beta. .

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

By March 2026 the 34% percent of students in kindergarten who are chronically absent will decrease to 31%

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

By June 2026 the 31% percent of students in kindergarten who are chronically absent will decrease to 30%

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

By June 2026 the 26% percent of MLL students who are chronically absent will decrease to 36%

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Decrease chronic absenteeism for all students by strengthening the Attendance Team model through weekly meetings, creating a formula of committees of teachers calling parents, the social workers/guidance counselors/parent coordinator/CBO's building relationships with the families through positive engagement and support. Once this first step has been implemented if escalation is needed, turn to parent school visit request and letters. Lastly be sure to check in with families to maintain consistency and demonstrate that the DPAC community is important by highly utilizing ilogg and Attendance Teacher compliance.

Root Cause Addressed:

Many of the addressed root causes are economic hardships, multiple children in the home, chronic illness from student or guardian, parent language barriers and lack of awareness of importance of attendance and participation in school.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Students will be assigned success mentors
Teacher will be reminded to maintain communication with families from their class to strengthen community
6th grade Contract with parents during August Orientation
Students will be offered weekly peer support groups

Parent Coordinator weekly peer support group

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The school will have a data tracking tool that the Attendance Team will use to track the target population daily along with using Insight and New Visions Portal. Students ending the year in Grades K - 7th in the target population of Kindergarten, STH and MLLs

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/12/2025	06/15/2026	There will be at least 3 success mentors for all student grade level that have a 70% attendance rate or lower.	Students will be assigned success mentors through New York Edge.
10/01/2025	06/15/2026	Students will be monitored by teachers for attendance and use a call log to reach out for support if attendance prevention before attendance worsens.	Teachers will be able to reachout to Admin or Graham Windham for support with students with chronic absenteeism.

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

The attendance team consisting of School Guidance, Admin, CBO partners

Instructional Resources

Data trackers from iReady will be used to discuss attendance trends

Schedule Adjustments

Adhere to the weekly attendance meetings and monthly family meetings

Other Resources Needed

Professional development for attendance team as well as after school meeting with CBOs to plan family events

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
Many IEPs continue to show lack of coherence between PLOP, Programs/Services, and Goals. (IEP Review Form 2025)	Lack of professional development time dedicated to IEP writing.	IEP Development and Fidelity of Implementation

Almost all students age 14+ have completed transition information in their IEPs, but students between 12-13 do not have vocational surveys completed (SESIS 2025)	Lack of focus on post-secondary goals for SWDs	Transition Planning and Compliance
		Referral Process and Equity
Students with IEPs are suspended at a higher rate than other students (Insight 2025); Students with BIPs are not having their behavior progress monitoring entered into SESIS (2025)	Lack of professional development time dedicated to BIPs; lack of focus on implementing consistent behavior data tracking	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	10	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve development of appropriate post-secondary goals and services by a 80 percentage point Increase, from 10 to 90, as measured by percentage of students age 12 and higher with a completed vocational survey.
Students with Disabilities (SWD)	0	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve appropriate implementation of BIPs by a 50 percentage point Increase, from 0 to 50, as measured by the percentage of student BIPs that have progress monitoring data reported to parents on a regular basis.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

All special education teachers will take part in monthly professional development sessions, with a focus on quality IEP writing and implementation. This will include BIP progress monitoring and vocational surveys.

Root Cause Addressed:

This will address the root cause of a lack of professional development time dedicated to IEP writing and BIPs, as well as the root cause of a lack of focus on on post-secondary goals for SWDs and the root cause of a lack of focus on implementing consistent behavior data tracking.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Special Education Lead will host monthly Monday professional development sessions for all special education teachers.
At meetings, teachers will bring recent BIP progress monitoring data, as well as vocational assessments completed by their students.
Special Education Lead will track compliance with both goals.
When necessary, teachers will receive follow-up training and assistance to ensure success.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

BIP progress monitoring daily and weekly data charts will be collected and reviewed on a bi-weekly basis.
At monthly special education meetings, progress monitoring data will be reviewed and graphed.
Progress monitoring meetings held with parents will be documented and reviewed at monthly special education meetings.

For SWDs 12 and older, vocational surveys will be gathered and reviewed at monthly special education meetings. Data will be tracked regarding compliance percentage.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Teachers will communicate with families of SWDs with BIPs about their child's behavior progress monitoring	
09/04/2025	06/26/2026	Teachers will communicate with families of SWDs about their child's post-secondary expectations	

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Special Education Lead, all special education teachers, all paraprofessionals

Instructional Resources

N/A

Schedule Adjustments

Special education teachers will meet during Monday professional development time on a monthly basis

Other Resources Needed

N/A

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Students at this level are approaching grade level expectations and will benefit from grade-level instruction with targeted support. Support will be determined through IREADY/Acadience Screeners and they will be identified as students scoring under the 35th percentiles	Targeted Data Driven Small Groups (in class by teachers using STARI, Phonics for Reading, Rewards, or Sounds Sensible	small group	up to 4 times a week, during school	Yes: IReady (grade 3-8) and/or Acadience Screeners (grade K-2)
Tier 3	Students at this level will likely need additional support with key skills below their chronological grade level to be ready for grade-level instruction. Support will be determined through IREADY/Acadience Screeners and they will be identified as students scoring under the 35th percentiles	Targeted Data Driven Small Groups (pull out/push in by teachers) Phonics for Reading, Rewards, or Sounds Sensible	small group and 1:1	up to 5 times a week, during school	Yes: IReady (grade 3-8) and/or Acadience Screeners (grade K-2)

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Identification by MTSS Team	Check In Check Out, Behavior Contracts, Class Passes, Lunch Club (Social /Life Skills)	Small Group & One-to-One	during school	No
Tier 3	Identification by MTSS Team and then SIT Teamn	At- Risk Counseling, Functional Behavioral Analysis Behavior Intervention Plan In-house therapeutic services through Northside Center	Small Group & One to One	during school	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

We have several times in which we interface with family during Monthly Tea Times with the principal, updates on our website and Class Dojo, annual surveys, and quarterly newsletters.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Teacher/Staff make phone calls to update families on progress in tier 2 service biweekly as a part of Family Engagement time. Updates are also given during Parent Teacher Conferences, report card distribution and progress reports.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families are invited during the development and decision making regarding the progress of students receiving Tier 3 intensive intervention. They are invited for meetings in order to collaborate and making decisions about Tier 3 services and how they are delivered.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

171

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

We use the information from survey to figure out resources needed for families and students. Based on this information we use the resources to plan accordingly.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

- Academic Intervention & Support (before/after and Saturday academy)
- Summer Rising Recommendation
- SITH Social Emotional Support
- Provide resources such as school supplies, uniforms, care packages, summer reading books, gym uniforms
- Provide material packages for self care (hygiene products for all types of people)

- Additional Social Emotional Support
- Engage students and families with welcome kits (school tour, social story to support with inclusion, resources, check-in / check out)

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

Currently our school has 2 students in foster care.
Currently our school supports with SEL resources such as Check Ins (daily) consistent communication with foster care agency/family to ensure communication and resources are shared.
After school academic support is also available for students as well as SEL resources

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

Our school provides targeted supports to help students in foster care—especially those newly entering the system—achieve stability and academic success. These supports are grounded in federal mandates, trauma-informed practices, and cross-agency collaboration. Here's a breakdown of key strategies and interventions:
- Foster Care Points of Contact (often the same as McKinney-Vento Liaisons) to coordinate services.
- School social workers who act as consistent adult figures and advocates
- Create trauma-informed classrooms that offer emotional safety and predictability.
- Avoid assumptions about family structures and ensure inclusive language and practices.
- Provide mental health counseling, peer mentoring, and social-emotional learning supports
- Tutoring and mentoring services tailored to foster youth.
- College access programs and Education and Training Vouchers (ETVs) for postsecondary support.
- Partial credit policies to ensure students don't lose academic progress due to school mobility

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support

provided to this population?

1. High Mobility and Chronic Absenteeism
Students in foster care experience significantly higher rates of school mobility, often changing schools multiple times within a single academic year. This instability correlates with increased rates of chronic absenteeism, which in turn negatively impacts academic performance.
2. Academic Achievement Gaps
Standardized test scores and GPA data consistently show that students in foster care perform below their peers in core subjects such as math and reading. These gaps often widen over time, particularly for students who experience multiple placements or lack consistent academic support.
3. Disproportionate Representation in Special Education
There is a notable overrepresentation of foster youth in special education programs. While some of this may reflect genuine need, it also raises concerns about misidentification due to trauma-related behaviors being mistaken for learning disabilities.
4. Lower Graduation and Postsecondary Enrollment Rates
Foster youth graduate at lower rates than the general student population and are less likely to enroll in or complete postsecondary education. Barriers include lack of guidance, financial instability, and limited access to college readiness resources.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

1. Dedicated SEL Curriculum with Trauma-Informed Practices

We integrate SEL into daily instruction using evidence-based programs like Second Step and RULER, adapted to be trauma-sensitive. Lessons focus on:
Emotional regulation
Building resilience
Conflict resolution
Identity and belonging
These lessons are scaffolded to meet the developmental needs of students in transitional grades.

2. Early Intervention and Behavior Monitoring
We will use our new Leader In Me screeners and teacher referrals to identify students showing signs of distress.

Interventions include:
Individual counseling
Behavior intervention plans
Family and agency collaboration

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

Our school, Don Pedro Albizu Campos, will utilize ELT to offer enrichment opportunities and additional learning to require additional academic and social/emotional support. Using school wide data, we will create targeted standards aligned intervention that will support students in working towards mastering the standard. Our academic interventions will target both Tier 2 and Tier 3 students. Academic Intervention support will occur after school 3-4 times a week while Tier 1 students will also receive enrichment opportunities 2-3 times a week. Students will experience online support using applications such as NearPod, Into Reading/Literature, Savvas and IXL. ELL students will also experience learning through STEM using NearPod and other online experiences to support their learning.

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

Weekly cools downs will be administered as well as mid point and at end of unit assessments to determine student mastery of standard. Lessons will solely focus on target specific standards as oppose to all standards at once. Based on the results of the cools downs, teachers will be able to make adjustments to instruction to ensure progress is made. All teachers will be NYS certified.

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

There will be an emphasis on using data to drive instruction. After school teachers will have access to day school curriculum maps to ensure seamless instruction is aligned. Standards taught during the day will also be taught in afterschool and there will be an emphasis on reteach, adding additional scaffolds, small group and 1:1 support to ensure teachers are able to provide targeted instruction.

Provide a description of the materials purchased to support implementation of ELT.

Leader In Me Materials

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. Don Pedro Albizu Campos is in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent-Teacher Association, and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

Don Pedro Albizu Campos will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community.

Parental Involvement and School Quality

At Don Pedro Albizu Campos, the school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent-Teacher Association, as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent-Teacher Association and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The Don Pedro Albizu Campos School will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent-Teacher Association and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

The Don Pedro Albizu Campos School, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

The Don Pedro Albizu Campos School will provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA)

I. School Responsibilities: Supporting Home-School Relationships

The Don Pedro Albizu Campos School will support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

The Don Pedro Albizu Campos School will provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences; engage in parent engagement time on Tuesdays from 2:20 to 3:00PM

I. School Responsibilities: Providing General Support to Parents

The Don Pedro Albizu Campos will provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs

II. Parent/Guardian Responsibilities

At the Don Pedro Albizu Campos School, our parents responsibilities include, but are not limited to the following;
- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to

learn more about teaching and learning strategies whenever possible;

- take part in the school's Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child.

III. Student Responsibilities

At the Don Pedro Albizu Campos School, our students responsibilities include, but are not limited to the following;

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions; (aligned to Panther P.R.I.D.E.)
- show respect for myself, other people and property; (aligned to Panther P.R.I.D.E.)
- try to resolve disagreements or conflicts peacefully; (through SEL sessions and Tiered MTSS)
- always try my best to learn (aligned to Panther P.R.I.D.E.)

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Throughout the year we will engage our school community with the following professional learning workshops:

1. Into Reading Professional Development (ELA)- Teachers and Paraprofessionals will take part in planning, designing, scaffolds and delivering rigorous instruction for all students.

2. Math Professional Development in i-Ready Classroom Mathematics - Teachers and Paraprofessionals will take part in planning, designing, scaffolds and delivering rigorous instruction for all students using the new math i-Ready Classroom Mathematics by Curriculum Associates. There will also be support for teachers district wide as teachers will learn more about NYC Solves along with the math shifts.

3. ELL & SWDS Professional Development from District Lead and Teacher Center- Teachers and Paraprofessionals will take part in planning, designing, scaffolds and delivering rigorous instruction for all students. We will continue to explore additional programs (iReady, BrainPop, IXL,English 3D, Yetti Confetti)

4. Social Emotional Learning & MTSS - Teachers, Paraprofessionals and staff will take part in planning, designing, scaffolds and delivering effective SEL strategies. Our SEL Team will develop Professional Development sessions around Ruler and Second Step and train all staff.

5. Engaging paraprofessionals in data driven interventions to support the learners in our school community. We will be training teachers with Heggarty.

6. Leader in Me- Training will take place for all teachers and students to ground the work of 7 Habits of Highly Effective People.

7. Instructional Coaches- Data driven professional development.

8. Fundations Training for K-2 Training.

9. Leading Educators- NYC Reads Implementation support for K-5.

10. Training all stakeholders in Tier 3 instruction.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

1. Open House
2. Teacher/Principal Presentation
3. Get to know you and your child - Parent meeting
4. Staggered schedule
5. Turning 5 Meetings with SBST and Teachers
6. Social Story for entering and new students
7. Welcome Letter to parents and students
8. Parent Coordinator outreach.

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	683,051	X	ELA & Math
Title I, School Improvement 1003(a)	Federal	$0	N/A	n/a
Title II, Part A	Federal	$89,683	X	- Professional Development for teachers and paras - Family engagement - supplemental supports for our ELLs students
Title III, Part A	Federal	0	X	- supplemental services for ELLs - Professional development activities -Family engagement activities
Title III, Immigrant	Federal	$17,711	N.A	N/A

Title IV, Part A	Federal	$0	X	-planning for return to school for curriculum and instruction and SEL curriculum for all teachers
Tax Levy (Fair Student Funding)	Local	$5,757,171	X	- provide academic intervention to support with academic loss, social emotional learning

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
New York Edge	Grades 5-8	Parent Workshops, Community Town Halls, Success Mentoring, Homework support, Enrichment Activities Lunch mediation clubs	ENL Students Grades 5-8 Goal ~ By June 2025 the percentage of males, SWD & MLL who are indicated as At Risk will decrease by 10 %.
Harlem Dowling	K-6	Parent Workshops, Community Town Halls, Success Mentoring,	K-5 Phonics/Reading Goal ~ By June 2024 proficiency rate/percentage of MLL students will increase 4% as measured by Acadience and iReady

		Homework support, Enrichment Activities	
Aspira	6-8	Homework support, Enrichment Activities	Reading/Math Support & SEL Community Building SEL Goal ~ Goal ~ By 2025 Practices Related to SEL will improve from 10% to 15% for all students. ELA Goal ~ By June 2025 the percentage of students will increase 4% points as measured by iReady. Goal Math ~ By June 2024 the percentage of students will increase 4% points as measured by iReady
Graham Windham	K to 8	Parent and student resources	School Community Goal ~ By 2025 help reduce Severely and Chronic absenteeism by 5%

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

Our Community School and CBO will meet monthly to monitor and track our achievement of annual goals. We will create monthly benchmarks that will allow us to ensure we are on track to achieving our school wide goals. Meetings will take place with CBO director and team in addition to our SLT Team meetings. CBO will also meet with the principal Monthly to monitor and track the progress of our set goals.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

Our Community School will welcome and empower families to participate, collaborate and take leadership roles in the school community by making all programs accessible to all parents. Our school values and encourages parents to take part in parent-workshops as well as parent-child activities. For families who are not English proficient, we offer translation services, "I speak" cards, and translated information and supports for language tailored to what parents need to understand roles that they could take part in our school community.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

Our school currently embeds daily SEL time into our students schedule. Students get to learn different ways to cope, communicate and self regulate with emotions and feelings. Students also learn the importance of self love and acknowledging and valuing the differences of others. The school also secured onsite clinic partnership with Northside to increase mental health support for students.

Our Parent Coordinator will host monthly SEL workshops aligned with our school wide focus/unit.

Teachers will engage in and learn how to integrate wellness programs into their daily schedule (Restorative Circles, Check-ins/Check-outs, journals)

Teachers will engage in participating in attending wellness workshops and SEL workshops.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

Our CBO and principal have developed an Attendance Team which consists of our guidance counselors, Assistant Principal and CBO. For the 24/25 SY we will be implementing mini cohorts (K-4, 5-6 and 7/8) with Guidance Counselors and APs to better track, monitor and develop attainable action plans. We will create a Multi-Tired Support System to monitor and track our students. Tier 2 and 3 students will receive tailored support. Our Attendance team will work closely with parents to provide supports and interventions that will help increase student attendance. This team will meet weekly and provide updates and intervention plans to address chronic absences.

Success Mentoring will take place daily. Our CBO will track and monitor these students daily and work closely with our guidance counselors for support and collaboration.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for all students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

Our school will optimize and provide supports to ensure equity for all students by offering before and after school activities to support language and curriculum. These programs will also offer enrichment opportunities in STEM and focus on students' interests to develop language.
Before/After school programs will target SWDs, ELLs, and STH by using school wide data to determine the supports and interventions needed in order to meet grade level standards.
Teachers trained to support these populations will be servicing these students and will focus on scaffolding concepts of struggle as determined by the school-wide data.
Our CBO and School will provide Parent Workshops (PACT) to share resources and strategies to support their child at home (home and school connection).

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Jasmira Caceres
Assistant Principal (Where Applicable)*	Yiliany Fernandez
English as a New Language (ENL) Teacher*	Mara Stulberger
Teacher (if school has a bilingual program must be a bilingual teacher)*	Pedro Rodriguez
Parent/Guardian*	Jacobina Delgado
Teacher	Alex Del Rosario
Parent Coordinator	Karriem Williams
Teacher	Vaneza Almonte

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

3

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

3

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

1

Number of ESOL certified teachers with a bilingual extension:

7

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

11

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

5

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

8

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

541

Total number and percentage (%) of current ELLs:

210 - 38.8%

Total number and percentage (%) of former ELLs:

20 - 3.7%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

177 - 84.3%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

25 - 11.9%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

8 - 3.8%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

8 - 3.8%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

35 - 16.7%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE	SC	Spanish		.33	.33	.33	.33	.33	.33								1.98
TBE																	0
TBE																	0
DLBE	GE			1	1	1	1	1	1	1	2	1					10
DLBE																	0
DLBE																	0
				total: 1.33	total: 1.33	total: 1.33	total: 1.33	total: 1.33	total: 1.33	total: 1	total: 2	total: 1	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Instruction for MLs/ELLs is delivered in the stand-alone English as a New Language (ENL) program in a pull-out model. Our stand-alone classes focus on English language instruction to support students in ways to communicate in English and access the curriculum taught in the classroom. Instruction is based on students' needs according to their English language proficiency levels as taken from their NYSESLAT scores. Stand-alone services are heterogeneous, mixing Entering and Emerging ELL levels and they are grouped together for language based instruction.

Integrated ENL:

Integrated English as a New Language (ENL) is co-taught by an ELA or other content teacher as well as an ESOL/ENL certified teacher. The two teachers co-plan and co-teach the lessons to help support the ELLs and modify the classwork, as well as homework to be accessible to these students. Modifications and scaffolds are differentiated and given to students based on the levels and needs of the English Language Learners (ELLs). ELLs are spread amongst most classes in the school; many students are placed in their particular class due to IEP mandates and supported by an ENL teacher in that setting. Students may be grouped by mixed proficiency levels or homogenous proficiency leveled groups within a particular class, depending on the particular lesson and assignment.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

Our Transitional Bilingual program aims to transition students gradually from being primarily instructed in Spanish, to having an increased level of English instruction over the course of their education. Content instruction, assignments, text, modeling, and scaffolds are given primarily in Spanish at the beginning of their instructional period, and as their English proficiency grows, more English instruction is integrated into their learning plan.

Dual Language Bilingual Education (DLBE):

The Dual Language Bilingual Education (DLBE) program is designed to be in a self-contained model. This model that is implemented is by use of the one-way dual language model and is consistent from grades K-6. Each class is composed of 50% English Proficient students and 50% native Spanish speaking, English Language Learner students. The students remain in their classrooms for all content area subjects, including their English Language Arts

instruction. There is one teacher per classroom who teaches in the language of the day (English or Spanish) accordingly. The Dual Language model ensures that the instruction is consistent with the language of the day.

Grades 7 and 8 use a departmentalized dual-language model. One teacher only teaches math and science in Spanish and another teacher teaches social studies and ELA in English.

Both of these models ensures that the time allotted for each language is 50%.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

At Don Pedro Albizu Campos/PSMS 161, we ensure the mandated number of instructional minutes are provided according to our students' English language proficiency levels. According to CR Part 154, Entering and Emerging students receive 360 minutes of ENL services per week including 180 minutes of stand-alone instruction and the other 180 minutes as integrated instruction. Transitioning and Expanding students receive 180 minutes of integrated ENL instruction in their content area classroom. ENL teachers service these students in an integrated classroom setting, using ENL strategies to support and modify their classwork as they teach their ELL students. Students in the Dual Language and Transitional Bilingual programs receive home language arts instruction as well as English language arts instruction. The ENL Coordinator programs ENL students into STARS based on the students' appropriate mandated minutes as per their English proficiency level result from the NYSITELL/NYSESLAT.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

At Don Pedro Albizu Campos/PSMS 161, we ensure the mandated number of instructional minutes are provided according to our students' English language proficiency levels. According to CR Part 154, Entering and Emerging students receive 360 minutes of ENL services per week including 180 minutes of stand-alone instruction taught by a certified ENL or Bilingual teacher. Transitioning and Expanding students receive 180 minutes of ENL instruction per week, integrated in their content area classes and co-taught by the content area teacher as well as a certified ENL or Bilingual teacher. ENL teachers service the Transitioning and Expanding students in an integrated classroom setting, using ENL supports and resources, to modify and teach the ELL students.

Students in the Dual Language and Transitioning Bilingual programs receive Home Language Arts (HLA) instruction as well as English Language Arts (ELA) in their classroom both taught by their Bilingual certified teacher.

Students in both the Dual Language and Transitional Bilingual program models are required to have 180 minutes of Home Language Arts instruction per week, which is taught by their Bilingual certified teacher.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Our Dual Language program is implemented using the self-contained model. Students in grades K-6 are taught by the same content teachers who instruct them in both English and Spanish. Students alternate between English and Spanish days. 100% of instruction is given in English on English days, and 100% of instruction is given in Spanish on Spanish days.

Students in grades 7-8 are taught through a departmentalized dual-language model. One teacher only teaches math and science in Spanish and then another teacher teaches social studies and ELA in English. This model ensures that the time teaching each language is 50% for English and Spanish.

b. In which language(s) is each core content area taught?

For grades K-6, core content area instruction is taught in both English and Spanish on alternating days.
For grades 7-8, ELA and Social Studies are always taught in English and Math and Science are always taught in Spanish.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

The following content areas are taught bilingually in our Transitional Bilingual Program: Math, Science, Social Studies, and Language Arts.

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

At PSMS161 the composition of the ELL subgroups are of various levels. The percentage of ELLs that are Newcomers is 84.3% or 177 students. Effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs because instruction includes a strong emphasis on foundational skills for English language acquisition. Strong scaffolding is used as well as sentence starters, word banks, and visual support. The students' native language is used as a support to help the students make connections and learn commonly used vocabulary words.

Effective instruction would also include 360 mandated minutes, as per CR Part 154, which would be made up of 180 minutes in a stand-alone setting and 180 minutes integrated in an ELA classroom, by a certified ENL teacher.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

3.8% of ELL students (8 students) are SIFE (Students with Inconsistent/Interrupted Formal Education. Effective instruction for SIFE students differs from instructional strategies for other subgroups because a main focus for SIFE students would be to focus on foundational literacy skills to support students in their early reading skills. We also use Social and Emotional Learning (SEL) to support students in understanding their feelings and ensure that the school is a safe environment.

As per CR Part 154, SIFE students would have 360 minutes of ENL class per week. This includes 180 minutes of standalone instruction, provided by a licensed ENL teacher, and the other 180 minutes would be in an integrated classroom setting with an ENL teacher co-teaching with the student's ELA teacher. These teachers would work together to make sure the classwork is according to grade-level and appropriately modified so the student can gain accessibility to the classwork.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

3.8% of ELL students (8 students) are Long-Term ELLs. Effective instruction for Long-Term ELLs differs from instruction designed for Developing ELLs because a main focus for Long-Term ELLs would be to enhance the students' vocabulary skills by scaffolding and supporting the students to use more tier 2 and tier 3 vocabulary words in their writing. Teachers would also teach Long-Term ELL students to self-correct and encourage higher level thinking and writing more expanded responses.

Both, Developing and Long-Term ELLs would learn in an integrated setting with an ENL teacher for 180 minutes a week. Content teachers collaborate with ENL teachers to plan scaffolds and modifications for long term ELLs and support these students in reaching their language goals. The difference between the instruction of these groups of ELLs would be that developing ELLs may need explicit vocabulary instruction and structured language routines - while long-term ELLs benefit more from academic language refinement and targeted feedback, and content-rich tasks.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

At PSMS161, 3.7% of students are former ELLs. The school is providing mandated instruction to former ELLs in the form of small group instruction by an ENL teacher or the student's ELA teacher.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

At-risk levels that might adversely affect ELLs at PSMS161 would be ELLs in temporary housing. The trends that were noticed about this at-risk level of ELLs is that there are 53.3% of ELL students (112 students) in this category. Most of these students at Newcomers, as well.

Some other trends would be that 23% scored at L1 or L2 in ELA and 38% scored at L1 and L2 in Math, 32% did not make progress and 9.5% of ELL students are at-risk of becoming long-term ELLs. Knowing this information, our call to action is to use the MTSS tier 2 instruction to support these students, in addition we are making sure teachers are trained for the proper program to support these students.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

At-risk levels that might adversely affect former ELLs at PSMS161 would be ELLs in temporary housing. The trends that were noticed about this at-risk level of ELLs in that there are 35% of students (7 students) in this category.

Another trend that might affect former ELLs would be that 55% (11) scored L1 or L2 in ELA last year; 40% (8) have scored L1 or L2 for two consecutive years.; 45%(9) scored L1 and L2 in math last year; 40% (8) scored L1 or L2 for two consecutive years. Based on this data trend, the call to action would be to intensify targeted academic interventions and language support for former ELLs, particularly those in temporary housing. This can be done by strengthening co-teaching models, increasing small group instruction, and using more culturally responsive practices.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The home language with the largest representation at PSMS161 would be Spanish and the next largest would be Arabic. Our school utilizes our bilingual staff to support with communication in their home language when needed. Many staff members speak Spanish and are able to support with translation and interpretation and support when available.

We also have materials in those languages and translate school notifications for families to have access to school-wide events and information. Many of these documents are made available by the Office of Language Access (OLA). When specific documents are in need of translation, such as IEPs, we make use of OLA's translation service. We also make use of the OLA's access to the Over the Phone Interpretation service to support staff members in communication in other languages.

Our testing coordinator ensures that ELLs are given appropriate testing accommodations, such as having translated versions for New York State assessments and glossaries in the students home language.

Students' home languages are used to leverage language learning in ENL by supporting in students in noticing connections between English and their home language. For example, classroom labels, graphic organizers and scaffolds are designed in the students' home languages.

Similarly, home language is used in Transitional Bilingual and Dual Language classes through multilingual word walls, multilingual labels, and texts in English as well as the focus home language for the class.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The racial and ethnic classifications of ELL students at PSMS161 would be that 51.3% of Hispanic ELLs are White, 16.6% are Black, 20.2% are American Indian or Alaskan Native, 10.9% are Multiracial, 1% are Native Hawaiian or Other Pacific Islander, and 0% are Hispanic ELL students are Asian.

From the non-Hispanic ELL students, 52.9% are Black, 17.6% are White, 17.6% are Asian, 11.8% of non-Hispanic ELL students are Native Hawaiian or Other Pacific Islander, and 0% are American Indian or Alaskan Native.

ELLs are being included in planning and delivery of Culturally Responsive and Sustaining Education since teachers consider students' backgrounds when planning their lessons. They include texts and materials that are diverse and make connections to students culture and ethnicities, as aligned with our ELA curriculum, HMH Into Reading/Into Literature. Teachers use texts which are relatable to our students and therefore can support them in making connections with the text and the characters.

The school also used trauma informed pedagogies and practices to create a welcoming environment based on identified trends. Students are surveyed through formative assessments and student feedback is incorporated into lessons.

To support the CR-SE framework response in principle 1, welcoming and affirming learning environments, our classrooms represent students of different cultures and backgrounds to represent various cultures within our school. We also ensure to have high expectations and rigorous instruction for ELLs, supporting these students to create opportunities to be challenged through deeper thinking.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

Based on the Spring EDAT, the trends that are noticed in reviewing English Language Profiency (ELP) at PSMS 161 is that 8 students (9.1%) met progress by exiting ELL status, 9 students (10.2%) met annual progress target, 3 students (3.4%) met safe harbor cumulative growth, but 68 students (77.3%) did not make progress.

This trend invites us to consider how we are currently supporting English Language Learners across proficiency levels, and whether our instructional practices, scaffolds, and modifications are effectively meeting the needs of each student. With that, we are continuing to analyze the data and plan accordingly to support both groups of students, those who did not meet ELP sufficient progress, as well as those who have.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

When looking at the results of the New York State English as a Second Language Achievement Test (NYSESLAT) what stands out is that the greatest number of students scored on the Entering level (59 students/36.2%).

The trends for each modality would be that the Speaking modality is the strongest for many of our students. The writing modality is the weakest and the reading and listening modalities are in the middle.

When thinking about instruction, these trends invite us to consider creating writing portfolios and monitoring student work. This will support teachers in their focus on specific writing goals for students and support them in the overall weakest modality, as noticed in the NYSESLAT data.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

The relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment and the Math assessment is that most students scored a level 1 on the ELA and Math assessments.

For ELA assessment, 40 students scored at a level 1, overall. 9 of the students scoring at a level 1 were Entering students, 7 students were Emerging students, 10 students were Transitioning students. 11 students were Expanding students, and 3 students were Commanding level students. 13 students scored a level 2, overall. 11 students were at the Expanding level and 2 students were at the Commanding level. None of the students scored a level 3 or 4 on the ELA assessment.

For the Math assessment, 52 students scored a level 1, overall. 23 of those students were at the Entering level, 16 students were at the Emerging level, 5 students were at the Transitioning level, 6 students were at the Expanding level, and 2 students were at the Commanding level. 30 students scored a level 2, overall. 6 students were at the Entering level, 1 student was at the Emerging level, 6 students were at the Transitioning level, 15 students were at the Expanding level, and 2 students were at the Commanding level. 11 students scored a level 3, overall. 1 student was at the Entering level, 5 students were at the Emerging level, 1 student was at the Transitioning level, 3 students were at the Expanding level, and 1 student was at the Commanding level. There was 1 student scored a level 4, this student was at the Commanding.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

The trends that are reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE are that many ELLs with IEPs scored on the Emerging (9 students) and Expanding (10 students) levels. The trends that are reflected in the NYSESLAT for SIFE students is that they mostly scored on the Entering level (5 students).

What is thought to be impacting the results for these subgroups would be because these students are not reading on grade level, this would limit their ability to reach proficiency on a grade level exam, such as the NYSESLAT.

To support these students, teachers would continue by action planning towards an emphasis on foundational literacy skills in English in order for these students to make connections with early literacy concepts and improve their understanding through reading and fluency skills.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

PS/MS161 provides ELLs with a high-quality academic experience that leads to deeper learning by use of grade level curriculum materials and scaffolding for ELL students. Teachers of ELL students use charts and graphic organizers from the Into Reading/Into Literature curriculum for ELA and guide students based on their needs, as they work on completion of grade aligned tasks.

Students are taught to use our school-wide strategy, RADEDE, for answering short response questions. When using curriculum materials and answering questions, graphic organizers are used as scaffolds with sentence starters and word banks to support ELL students in deeper learning and having a high-quality learning experience.

ENL teachers also co-plan and co-teach with content area classroom teachers to modify classwork for ELL students to support and work with them to complete their assignments aligned to grade level standards.

Common Planning meetings and collaboration within unit maps are done collaboratively to ensure all scaffolds are planned for so that students can engage in thoughtful thinking.

Throughout instruction teachers include the Hallmarks of Advanced Literacies to support English Language Learners in a high level of instruction throughout our school. Teachers also help students gain a sense of belonging by connecting their culture into daily instruction and using students' home languages to help students connect and have a deeper understanding to what they are learning.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

ELL students use grade-level curriculum and are provided with ELL scaffolds/resources to build their understanding towards specific subject core curriculum. One example is Into Reading/Into Literature, which is used for ELA instruction. Many of the Into Reading/Into Literature workshops, are focused around teaching and working with students who are English Language Learners. Additionally, the leadership team works closely with District Personnel to support with Phase 1 Into Reading/Into Literature curriculum and expand their understanding on how to plan for

our ELL students. The school's leadership team promotes events that celebrate different languages and cultures that are part of the school community.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Core content is delivered to ELL students to meet the demands of the Next Generation Learning Standards. In each program model teachers of ELL students create necessary scaffolding to support students in classroom instruction. In our school, the majority of our ELL students are in the ENL and Dual Language programs. In the ENL program setting, students remain a part of whole class instruction through an integrated ENL model. In this program model, the use of scaffolds are implemented to support their learning.

Co-planning takes place between the classroom teacher and the ENL teacher to focus on the specific needs of each student. During a co-planning meeting both the Content and ENL teachers are involved in the planning of the upcoming lessons. Based on the learning objectives, the ENL teacher will include scaffolds and modifications to help students access the material. As a co-teaching partnership these teachers collaborate to support the students. In the ENL Standalone classroom, ENL teachers teach curriculum material as a way to expose the information to students and further support understanding.

Scaffolds include differentiating texts, sentence starters, word banks, vocabulary charts, graphic organizers, bilingual glossaries, and home language support, to be used as needed. Small group instruction is used for targeted reading and writing intervention based on the students' needs and learning target for the day. Co-teaching methods are decided collaboratively by the classroom teacher and the ENL teacher.

The Dual Language model supports students in meeting the demands of the Next Generation Learning Standards in English and in Spanish by supporting students in making connections and gaining a deeper understanding in both languages. The Dual Language team uses an Alternate days approach for grades K-6. Students engage in one language of instruction all day and switch to the other language the next day. The grades 7/8 Dual Language class is broken down based on content, where math and science are taught in Spanish and ELA and Social Studies are taught in English.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

The instructional strategies and grade-level materials that teachers use for ELLs with IEPs at PS/MS161 would include all the curriculum programs used by our general education students along with the services and modifications that are mandated by their individual IEPs. For example, teachers use Into Reading/Into Literature for ELA instruction and modify to support the students in reaching their IEP goals as well as English Language needs.

Teachers scaffold grade level materials in a variety of ways, including pre-teaching vocabulary words, front-loading background information, and the use of graphic organizers. Additionally, in order to ensure access to grade level skills and materials all students are provided with iPads with Translate apps. This is used to support students in translating all mentor texts, learning targets, process charts and grade level assignments, as needed. Technology is used as a resource and as a supplement to support student learning.

ENL teachers collaborate with content teachers and paras to plan and strategically work together towards their ELL student's IEP and language goals. These teachers work together to modify, scaffold, and plan daily lessons to ensure student success and access in all goals, including classroom, language, and IEP goals, as well.

b. SIFE

At PS/MS 161, new students who first entered the English language school system with interrupted, little, or no formal schooling in their first language are initially supported with technology based literacy and language programs. All SIFE students receive Tier I instruction with supports in the classroom through a variety of strategies to address their gaps, this includes building background knowledge, vocabulary, and making connections to the content information. Additionally, the school has designated an RTI (instructional intervention) specialist to provide these students with effective strategies in small group settings during school hours.

SIFE students are tested using the New York State Multilingual Literacy Screener (MLS) to measure their literacy skills in their home language. After their literacy skills have been assessed, the ENL and content teacher will create a plan aimed at increasing their literacy skills. This would start from foundational literacy skills if deemed necessary. Throughout the year, reading and home language assessments are given to these students to trace their growth. Additionally, in order to ensure access to grade level skills and materials all students are provided with iPads with Translate apps. This is used to support students in translating classroom materials such as texts, learning targets, and grade level assignments, as needed.

SIFE students are given scaffolds to support their learning in their classrooms. Some scaffolds include visual representation of words, activating prior knowledge, and home language supports.

Teachers use funds of knowledge, culture, and home language to support students in making connections during instruction for this group of students. The information would be used through an assets based approach to use what the students already know to motivate students and promote engagement for these students.

c. Newcomers

Newcomer ELL students range between 0-3 years as an English Language Learner. When necessary, these students receive additional support to help them become familiar with grade-level content and new academic terms. If these students' test results on the NYSITELL identify them as either Entering or Emerging for English proficiency level, then they would receive stand-alone ENL services in addition to their integrated ENL content area instruction. Their stand-alone ENL course focuses on basic language and interpersonal communication skills, as well as content. Their integrated ENL services consist of content instruction with built in scaffolds and small group instruction designed to strengthen their language through their background knowledge.

Scaffolds that might be used in a standalone ENL class could include home language support through bilingual glossaries, graphic organizers, picture dictionaries, visuals, and sentence frames. Additionally, in order to ensure access to grade level skills and materials, ELL students are provided with iPads with access to a Translate app. This is used to support them with translation when needed. They would be able to translate all mentor texts, learning targets, process charts and grade level assignments.

Newcomer ELL students in an integrated class would be offered the same scaffolds through small group instruction as well as structured pair work to support the newcomer student in his/her learning.

Throughout our school community, culturally responsive practices such as multilingual signage, and inclusive

curriculum materials are used to support students' sense of belonging. Information is mostly presented throughout the school in English as well as Spanish, and various cultures are celebrated throughout the school to affirm students' identities and promote cross-cultural understanding.

Classroom show culturally responsive practices such as the use of home language and cultures as assets to leverage learning during instruction through multilingual resources and culturally relevant classroom texts. Classrooms also celebrate multilingualism and help students' understand how their diverse linguistic backgrounds affirm identity, reduce language barriers, and create a welcoming environment for newcomer students. Students will feel seen, supported, and capable of academically thriving.

d. Long Term ELLs

Long term ELL students have been English Language Learners for 7+ years. These students receive content based instruction from both their general education and ENL teacher. Students are supported with necessary learning scaffolds designed to help them with their content work and language acquisition. Some scaffolds may include graphic organizers, bilingual glossaries and dictionaries, and small group instruction led by an ENL teacher to focus on specific needs of the long term ELL students as determined through formative assessments. Additionally, in order to ensure access to grade level skills and materials all students are provided with iPads with Translate apps to use to support with assignments as necessary.

Teachers use the tabletop mini-lessons as provided through the HMH curriculum to work on specific skills through small group support.

Teachers give multiple opportunities for Long Term ELLs to gain an understanding of the content materials. Strategies include offering information in different modalities. For example, we provide activities based on student's learning styles, auditory, kinesthetic, or visual. In addition, we work on building a foundation by reinforcing or strengthening different prerequisite skills that may be necessary to understand curriculum materials.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

Students with IEPs receive instruction in their content area courses by a special education teacher as well as an ENL teacher in different environments as necessary for that student. Some students would be in an ICT class, learning alongside general education students with additional support and small group instruction co-taught by a licensed SPED and ENL teacher. All ELL students placed in a self-contained classroom (as written in their IEP), receive integrated ENL instruction as scheduled with a licensed ENL teacher to support them with their language acquisition needs. Students at the Entering and Emerging levels will also be given an additional 180 minutes for standalone instruction. We also have a (Transitional Bilingual Education) TBE program, specific to SWDs, where students receive services by a Special Education teacher who holds a bilingual certification.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

The Spanish Lab is administered to each student entering the school who's Home Language Identification Survey indicates that their home language is Spanish. The Spanish Lab is used to determine their Spanish language literacy proficiency level. Their scores on this assessment is used to derive instructional strategies for students in their

content area course for the Dual Language, Transitional Bilingual, and ENL program. Students' abilities in their native language are used to create entry points for both language and content learning.

We are also able to gain a deeper understanding of what the students have previously learned in their home language through the ML Screener online assessment in 19 languages. This screener is also a valuable tool to support teachers in gaining an understanding of literacy and math abilities, as well as learning a student's SIFE (Student with Interrupted Formal Education) status.

In addition, we are using i-Ready Spanish Reading assessments for our DLBE, TBE, and ENL programs. The goal for this assessment is to begin gathering data specifically Spanish data about whether our students are preforming on grade level and use this data to plan for small groups during our Spanish days. This assessment will be conducted 3 times this year so we can monitor the effectiveness of home language in our programs.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

At PSMS 161 we prepare our MLs/ELL students to obtain the New York State Seal of Biliteracy. We value the mission of the program that bilingualism is an asset, both academically, socially, and professionally. Since we are a Dual Language School, our bilingual programs are open for enrollment for all students, those whose home language is not Spanish as well as Native Spanish speakers. This way our Native Spanish speakers are exposed to speakers who are fluent in English to promote the fluency in the other language. Through this, students learn to accept different cultures and perspectives through collaborative learning that values bilingualism and biculturalism.

All students in the middle school also take a Spanish language class. This class leads to the completion of the Spanish Regents Exam. Our Dual Language students are offered an honors level Spanish class as well as electives offered to all students in their grade level.

We have also began to ensure that assessments are in Spanish, as well as English, to track students' biliteracy skills and ensure that teachers are staying true to following the language of the day calendar. Through this we are keeping students accountable of both languages leading towards proficiency in English and Spanish.

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

At PS/MS161, there are systems in place to support co-teaching and collaboration among teachers for all ELL program models. For each of the co-teaching models, teachers are scheduled for grade-team meetings and co-planning to support their ELL students. Co-teachers often converse about next steps for their ELL students and ways to scaffold classwork and other assignments.

Structures to support communication of the ENL teacher with classroom teachers when they are not able to attend grade level meeting would be that the ENL teachers would set a time to meet on their prep period and review the information from the grade level meeting, such as the upcoming week's lessons and information to focus on. There is also information in our school's Google Drive for each grade-level meeting with the minutes from the meeting, including the current information. Teacher's are expected to use these documents as updates if not attending meetings.

The co-teaching models that are used in the integrated ENL classroom would mostly be team teaching, parallel

teaching, or station teaching. During any of the co-teaching models the ENL teacher and the content teacher work collaboratively to embed language development into academic instruction and differentiate the instruction. The ENL teacher decides which method of scaffolding is appropriate for each of the lesson's activities. They may make use of sentence frames, visual supports, and structured academic talk routines. The ENL teacher monitors students' language needs while the focus of the content teacher would be mostly focused on the content of the lesson and the daily learning target.

In the DL and TBE programs, collaborative structures are further enhanced through co-planning, shared instructional responsibilities, and intentional use of both languages to promote biliteracy. Teachers in these programs work together to design lessons that promote cross-linguistic transfer and cultural responsiveness. This collaboration ensures that students receive targeted language and content instruction in both languages.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

At PSMS 161, the professional learning plan ensures that all staff incorporate learning specifically related to the academic and social emotional needs of MLs/ELLs. At different times of the day, teachers begin their class by conducting a 'check-in' protocol to gain insight of the social emotional state of all students. Teachers are trained to use Yale's RULER theory towards social emotional learning. The teachers ensure that ELL students are participating in the check-in and notice how they are feeling, as well as the other students in the class. Teachers are trained to further support students based on where they are in the mood meter.

Teachers school take part in learning cycles with our instructional coaches in groups. The groupings of teachers are deliberate and differentiated based on teacher need . All professional learning begins with goal setting to establish coherence as teachers make their way through cycles of work. These goals are then connected to job-embedded professional development, resulting in teachers using strategies learned in these sessions in their day-to-day lessons.

Teachers fall into one of four different categories: Curriculum Based Learning, Lifting the Level of the Curriculum, Modifications for teaching Reading and Writing to ELL students and Content Area Literacy.

The Modifications Group was designed in response to the school’s large population of English Language Learners and students with disabilities. This group focuses on how to scaffold the curriculum to meet the needs of ELLs and SWDs. During the first cycle of work coaches take time to model and then teachers collaborate and create a differentiated version of guided reading, targeting upper elementary/middle school students that could still benefit from the practice.

ENL teachers also attend District level professional development series. After their sessions, information is presented as a turnkey from those sessions to the rest of the school staff. In addition, teachers engage in common planning once a week for a period where notes are kept in our school wide google drive. In addition, we have Professional Development sessions on Mondays that vary based on teacher feedback and school wide needs.

ENL teachers take part in a professional development series with our district liaison in support of viewing, understanding, and improving teacher practice through student work. The group of teachers take time to assess and gain an understanding of students' needs based on samples of work provided by participating teachers.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

At PS/MS 161, we provide staff with the support they need to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours. The administration offers and encourages teachers to attend outside professional development that focuses on strategies that are appropriate for teaching ELLs at all grade levels. ENL teachers participate in monthly district-led professional development sessions around ELL strategies.

In-house professional development, on the other hand, focuses on teaching strategies to the staff, that build vocabulary and foster language development through literacy and the content areas. We also assist our middle school ELL students in finding the high school that best fits their needs.

ELL teachers organize professional development sessions around various topics.

Topics include:
Teaching ENL students in a Self-Contained Classroom
Data Based Instruction: Analyzing ELL Student Work to Drive Small Group Instruction
Differentiating Instruction in the ELL classroom
Strategies that develop literacy in ELLs
Resources for ELLs and their families

Attendance is taken at all sessions, attendance sheets and agendas are retained.

In addition to the above topic sessions, each session will include workshops and demonstration lessons.
• All newly appointed teachers serving ELLs will be provided with the assistance of the school based learning specialists to assist them in planning, delivery of instruction and assessment.
• All teachers of ELL students will be encouraged to participate in NYC DOE's Division of Multilingual Learners (DML) professional development offerings.

All new teachers, including special education teachers, will be provided with sessions offering professional development in ENL strategies.
• ENL teachers participate in all Into Reading/Into Literature staff trainings
• ENL teachers will attend monthly ELL professional development provided by our district. Teachers will use common planning periods to collaboratively incorporate what they learned into their teaching practices. All PD agendas and minutes are stored digitally in Google Drive folders. Staff selected to attend outside PDs are required to submit their notes through Google documents. In this way, we ensure all information is shared with the rest of the team. In-house agendas and minutes are also kept in the school's Google Drive folders.

ENL teachers will collaborate in weekly ELL data meeting sessions to analyze student work and reflect on their teaching practice.

The duration of the ELL related PD is 30 minutes every other month.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Acadience and i-Ready assessments (ELA & Math) are used to monitor students throughout the year and used to guide instructional planning for ELL students in Reading and Math. The need for interventions are addressed based on the scores of these tests, as well as classroom formal and informal assessments, student observations, and conversations with staff and families. When making decisions, we consider many factors, including students' cultural and linguistic identities and backgrounds.

The Multilingual Literacy SIFE Screener (MLS) is used as an assessment in a student's home language. This is given to measure the student's level in reading comprehension, math, and vocabulary.

Data from the mentioned screeners support and guide instruction for the Spanish language in our Dual Language programs. Teachers use the given information to understand the students' different levels and group students accordingly.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

During the school year, our ENL Teachers provided targeted instruction for our ELLs in ELA and Math using ENL-focused strategies (as necessary according to the NYSESLAT results). After-school class for ENL grades K-8, group students by grade level and English Proficiency levels. ENL after-school groups were formed based on need and ENL teachers worked with students on English language as well as Reading and Writing skills in a small group setting.

ELLs in need of intervention are grouped separately to focus on their specific needs. Small group settings during the day (in addition to ENL mandated minutes) or after school hours are used as intervention time. Services that are offered for literacy support would be programs such as Fundations and SPIRE. These programs are offered in English to support our students in their English language learning and to build their literacy skills. Teachers also make use of interventions as offered throughout the different core content curriculum. For newcomer ELLs, we use English 3D, Language Launch to support ELL students by using a structured intervention that addresses the specific language development needs of this group of students.

Aside from using it during the school day, the program iReady is utilized as well as a supplemental intervention using Spanish language support when necessary. Students also use the app program, Yeti, to support students in early skills in ELA and Math, this app included language support, as well.

For math, students are provided with small group instruction throughout the day and have access to after-school

intervention and Saturday School. Students are grouped based on their needs, and their particular subgroup (ELLs, DL). Teachers use the i-Ready Teacher Toolbox to provide students with interactive practice, visuals and continued practice.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

AT PSMS 161 we use data to guide instruction for ELLs within a Multi-Tiered System of Supports. We use this data for appropriate instructional grouping for MLs/ELLs to understand the academic levels of these students. Our school gathers data from sources like iReady and NYSESLAT. This data helps identify ELL students' proficiency levels in reading, and math as well as areas needing targeted support. Within MTSS, ELLs receive tiered instruction tailored to their needs. Core instruction where all students, including ELLs, receive high-quality, standards-aligned lessons through HMH, English 3D, iReady, SCALEs, and Passport to Social Studies that incorporate language development supports. Tier 2 will offer targeted interventions for ELLs who require additional support, focusing on skills like vocabulary development, grammar, and reading comprehension. Tier 3 will provide intensive, individualized support, often including small-group or one-on-one instruction, for students who need even more specialized interventions.

ENL teachers and general education teachers collaborate on interpreting data and planning interventions, during common planning. The school continuously monitors ELL students' progress through frequent assessments (iReady, HMH, iReady Spanish) and uses this data to adjust instructional approaches. Additionally, teachers analyze data to identify trends and gaps, making adjustments in real-time to support ELLs in their language development journey.

ELL students with 0-3 years of service continue with tier 1 instruction as their standalone ENL services. Teachers implement HMH's English 3D/Language Launch as a program to support their English language acquisition. As their English language support continues, instructional leaders and teachers monitor their progress and notice their needs through assessments such as NYSESLAT and iReady. The data is analyzed and students are grouped into their appropriate tiered intervention.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

The iReady data in Reading and Math is used to identify the areas that need growth for each student. The data assesses which of the Next Generation Standards students need more support in mastering. Data from this assessment was used to drive small group instruction in their content area courses. Data from this assessment was also used to drive small-group instruction in preparation for the annual NYSESLAT exam.

Teachers use formative assessments such as checks for understanding and hand signals to support daily instruction. By use of these formative assessments, teachers can assess if students understand the lesson being taught and adjust based on students' needs. Teachers can also gain information through these assessments and work with students in a small group setting to support their learning and understanding.

Activities and quizzes in the Into Reading/Into Literature curriculum, such as the Selection Tests as well as teacher-

created assessments are used to confirm that students understand daily teaching objectives.

Teachers use exit tickets and cool downs to assess student understanding and plan for further instruction.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

ELL/MLs in our Dual Language program are evaluated based on the curriculum through unit exams and assessments used in their content classes in Spanish as well as in English. The ELA classes consist of language based assessments linked to classroom texts, which are used to trace their literacy and writing growth in Spanish as well as in English.

MLs/ELLs are offered the State Exams (Math and Science) in Spanish (or their home language).

Students in the Dual Language classes are given formal assessments, such as teacher created quizzes, assignments, and activities throughout the year in Spanish as well as English which appropriately evaluates and guides instruction in both languages.

There is a Spanish screener for Dual Language students as well as the use of the MLS screener for SIFE determination and to assess students literacy and math skills in 16 languages. This screener supports teachers as they support their students' learning and guide the proper instruction for all English Language Learners.

The students in our ENL program are not evaluated in their home language throughout the school year, but teachers use the home language as a lever to support student learning and help students make connections in daily instruction.

Throughout the different program models of DLBE, TBE, and ENL, a common strategy is use of home language support. Teachers use home language support as a way for students to make connections from what they are able to understand and the newly learned information. Student's understanding of classwork and assessments are assessed through technology-based programs or by staff member speaking the students' home languages. Teachers also track and evaluate student learning in their home languages through class and school-wide assessments.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

By using the data from the NYSESLAT along with the data of the ELA and Math State tests we are able to evaluate the effectiveness of our ML/ELL programs by gaining an understanding of what our students are understanding in the curriculum and informs our future instruction, as well. With this information, we are able to understanding the strengths and needs of our ML/ELL students as it reflects in our ELA and Math curriculum.

Data from the NYSESLAT and also iReady are used to create content based instruction. Teachers use data from these assessments to create small group instruction based on skills that were identified as needing growth.

The school reviews the percentage of students who meet their annual expected progress target on the NYSESLAT and use this information to evaluate the effectiveness of our ML/ELL programs and determine whether our curriculum and instruction are meeting the language acquisition needs of our ML/ELL students.

Based on the results of these assessments, we need to provide professional development about details regarding the NYSESLAT exam to ensure all teachers understand what students are required to complete for each task. The ENL team will prepare school wide support and training so that all stakeholders are equally aware of the expectations of the exam.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

The NYSESLAT exam is overseen by the school's testing coordinator. He identifies students who need to test, checks their IEP/504 accommodations, creates a schedule, and assigns teachers to administer the test. The test is administered by both ENL teachers and teachers of dual-language classes. The testing coordinator is also responsible for scanning the tests and packing them up.

Teachers do not test their own students for the speaking portion of the NYSESLAT. The ENL teachers who administer the NYSESLAT along with the testing coordinator score the NYSESLAT exam. Teachers do not score their own students' test for the writing portion. Teachers are trained on scoring the speaking and writing sections of the test prior to when administration of the NYSESLAT begins.

While the NYSESLAT is being administered, the school tries to ensure that ENL teachers are available for their regular instruction as much as possible. When all other options are exhausted, ENL teachers provide asynchronous instruction and create additional scaffolds needed to support students with their work.

If students miss a session of the test, make up sessions are held in groups during the testing makeup window.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

PS/MS161 ensures that current and former ELL students receive necessary accommodations for all state assessments, including the Specialized High School Admissions Test. These accommodations include time extension, separate location, a third reading of listening section for the ELA exam, bilingual dictionaries or glossaries, simultaneous use of English and the student's home language edition of the exam (not including use during the ELA exam), oral translations for low-incidence languages (not including the ELA exam), writing responses in the student's home language (not for ELA exam), and next day completion of exams.

ELL students are identified by the ENL or Dual Language teachers. These teachers as well as the testing coordinator, ensure that accommodations are set up for these students. During test administration training sessions for teachers before the beginning of state exams, stakeholders are informed of the entitled accommodations for ELL and former ELL students. The testing coordinator plans and ensures these students are given these accommodations during state assessments.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

When parents of MLs/ELLs first join the school community, they take part in an orientation/welcome meeting. During our Parent Orientation/Welcome session, parents are informed about the intake process, and share the program options available. ENL teachers follow-up with regular communication during weekly parent engagement time. Teachers update families on their students' language and content subjects progress. Official school documents and letters are translated into students' home languages for distribution to their families and guardians. parents are encouraged to participate in school activities, events, and workshops, including meet the Teacher nights, game nights, and movie nights. The Don Pedro Albizu Campos school currently uses the Department Of Education messaging system to communicate all messages in the families native language via email, text, or phone call.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

For Annual Individual Meetings, our school plans to have our the teachers connect with these families to schedule a meeting to discuss goals for the student as well as the development of their language learning. Depending on if the ELL student is in a Transitional Bilingual, ENL, or Dual Language class, the language teacher will be responsible for

setting the time and conducting the meeting. The team meets prior to any scheduled IEP meeting to discuss instructional data and related service set goals. Records of these meetings are kept in the student's file.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

At PSMS161, we ensure families receive all school communications and documents in the language they best understand by utilizing the DOE texting service as well as translated information of events and updates through the DOE's translation services. Our school website has a setting for translation to ensure that families can access the information posted in their preferred language, and if needed we use Google translate to assist. Additionally, printed copies are also sent home in the languages of our families to ensure access to all mandated meetings.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

PSMS161 develops activities that foster empowerment, through parent surveys and conversations held by our school's social worker and school counselors. We organize parent workshops for families of ML/ELLs based on their needs. The school offers social emotional activities that happen regularly to allow us to support and learn about the needs of the students and their families. Results of those surveys are then used to develop workshops and sessions for parents.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Families of ML/ELLs are encouraged to participate in school events and leadership opportunities. Families are notified about these opportunities through translated phone blasts and postings of community events. They are also made aware of the events on our school calendar.
Additionally, our Parent Teacher Association team, Social Worker, as well as parent coordinator and CBO family community member engages in continuous outreach to ensure all families are up to date with leadership opportunities within the school community.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

PSMS161 is connected to three Community Based Organizations. New York Edge, ASPIRA, Harlem Dowling, Manhattanville, and Graham Windham are programs which hold after-school activities as well as programs to support students. They hold groups to support students with social emotional needs and check in with students to support with chronic absenteeism.

Our school has also partnered with District 5 Black Studies Curriculum and CRASEL implementation to ensure we as a community provide instruction that is relevant, connects to students culture and experiences and provides

opportunities for the community to engage in activities that are inclusive of all backgrounds. Our students also participate Chess partnership that is open to all students.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

N/A

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

The members of the PSMS161 ELL Identification team consist of 3 ENL teachers. Our Assistant Principal and Dean are also trained pedagogues and take part in the ELL Identification team when needed.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Throughout the year, when a new student arrives for enrollment at our school the ELL identification team is called upon.

Our ELL Identification team involves trained pedagogues including 3 ENL teachers, as well as our Assistant Principal and Dean. Our main office is given a schedule of availability for each ENL teacher in order to avoid interruptions with mandated instruction and calls upon the available teacher. If none of the ENL teachers are available, the Assistant Principal or Dean will be called to begin the ELL Identification process.

When a student enters the school, our school secretary contacts the available trained pedagogue, they also ask the family what their preferred language is and if this is the first time they are enrolling in a New York City Public School or transferring in from a different NYC school. When the trained pedagogue arrives they conduct the Home Language Identification Survey (HLIS) forms with the parent. The teacher beginning the process with that student is responsible for completing the other parts of the process.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Jasmira Caceres

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Mara	Stulberger	Teacher - Regular Grades - ESL	11/06/2024	Y
Karriem	Williams	Parent Coordinator - Annual		

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Student Emergency Contact cards

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	17	2.44%	16	2.32%	0	0
BAMBARA	1	0.14%	0	0.00%	0	0
FRENCH	4	0.57%	4	0.58%	0	0
HAITIAN CREOLE	1	0.14%	1	0.14%	0	0
ENGLISH	271	38.94%	269	38.93%		
SLOVAK	0	0.00%	1	0.14%	0	0
SPANISH	399	57.33%	398	57.60%	13	13

URDU	0	0.00%	1	0.14%	0	0
WOLOF	3	0.43%	1	0.14%	0	0

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Welcome letters	We plan to use in-school staff or the DOE's contracted translation vendors.
Parent flyers and notices	We plan to use in-school staff or the DOE's contracted translation vendors.
School calendars	We plan to use in-school staff or the DOE's contracted translation vendors.
ELL Parent Information	We utilize the DOE InfoHub for translated templates for the covered languages. We would use in-school staff or the DOE's contracted translation vendors for parent letters that are not covered in the InfoHub's templates for translation.
PSMS 161 School Website	Translation tool already in the website.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent Workshops	We would utilize bilingual in-school staff or the DOE's contracted vendor service providers by scheduling interpreters to be present at the time of our parent workshops. We would also use the Over-the-Phone Interpretation Unit when needed.
Parent Teacher Conferences	We would utilize bilingual in-school staff or the DOE's contracted vendor service providers by scheduling interpreters to be present at the time of our parent workshops. We would also use the Over-the-Phone Interpretation Unit when needed.
Various ELL parent meetings	We would utilize in-school bilingual staff or the Over-the-Phone Interpretation Unit when needed.
Community Building Activities/Workshops	We would utilize bilingual in-school staff or the DOE's contracted vendor service providers by scheduling interpreters to be present at the time of our parent workshops. We would also use the Over-the-Phone Interpretation Unit when needed.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

In the event of a school-wide emergency, our school would send out automated blasts (phone, email, or text messages) in the parents' preferred languages using DOE Messenger (ATS). Additionally, all parent/school communication is shared in the parents' preferred languages.

In the event of a student-specific emergency, our school would utilize in-school bilingual staff to assist in contacting the student's parents or use the Over-the-Phone Interpretation Unit to support in communicating the emergency to the parent.

In the event that a parent needs to contact the school, we would identify the preferred language of the parent, and either utilize our in-school staff or the Over-the-Phone Interpretation Unit to assist the parent in communicating the emergency to the school staff.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

The Language Access Coordinator (LAC) will turn-key the information on language access to all staff members. This will also include notifying all staff members about the resources that the DOE offers to support the schools with translation and interpretation.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

PSMS161 will Limited Proficient Parents aware of their right to receive information in their preferred languages. These parents will be invited to our school for a parent orientation meeting which will review their rights as a parent, including the right to receive information in their preferred language. The school will provide translated signage and brochures which would include information to be shared with the parents. Translation services will be offered at PTA meetings, school events, as well as parent-teacher meetings. Parents will be offered to use messaging phone applications which will be programmed to translate messages to and from teachers and school staff in the parent's preferred language. For parents who's preferred language is included in the DOE's provided translated languages, they will be offered a Parent Guide to Language Access and a New York City Public School Guidebook in the language of their choice.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

PSMS161 will gather feedback from an annual school survey to view how Limited English Proficient parents felt about translation and communication services throughout the school year. This survey would be given in their preferred language. Our school will have a school-based survey that will be distributed and will be translated through the DOE's contracted translation vendors to be in the parent's preferred languages.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

To improve our language assistance services and implement feedback, we have been using the Over-the-Phone Interpretation Unit more often, and continue to do so. We are expanding our use of interpreters at our school-wide events to allow equity for all of our families and allow them to have equal access to our programming.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School,Saturday Academy

Total number of ELLs to be served in this program:

220

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5,6,7,8

Total number of teachers in this program:

4

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

3

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

1

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Rationale:

Our MOSL Committee focused on analyzing the MLLs testing data and identified a specific area of need for most of our MLLs. The need focused on the Writing component of the NYSESLAT. In order to provide our students with more opportunities and experiences that promote active listening, listening with a purpose, and listening for information, we decided to use English 3D, a program by HMH.

English 3D, by HMH, is a research based intervention designed to support the English language development of English Language Learners. It focuses on building English language proficiency in speaking, listening, reading, and writing through high-interest topics and structured routines.

Subgroups and grade levels of students to be served:
Participating MLLs will include students from the following groups: Newcomers (0-3 years), Developing (3-5 years) and Long Term ELLs/MLLs and ELL/MLL SWDs. We categorized our students into three subgroups: Grades K-2, 3-5, and 6-8. Entering/Emerging students will engage in the Language Launch component of the program and the Transitioning/Expanding level students will engage in the English 3D Volumes 1-2 to support their classroom curriculum.

Schedule and duration:
The programs will begin in November 2025 and continue until June 2026. The materials used for this program will be supplemental using the HMH platform to guide the learning. The programs will run after-school on Wednesdays and Thursdays from 3:00 p.m. to 4:00 p.m. for a total of 32 weeks for the school year. If the after-school program does not capture enough teachers and students, we will offer the same program on Saturday from 8:30 a.m.- 10:30 a.m. There will be one supervisor on site but at no cost to Title III.

Language of instruction:
The language of instruction will be English.

and types of certified teachers:
The teachers working the program will be 3 certified ENL or Bilingual teachers and 1 certified common branch middle school teacher- the work will be done using the small group model.

Types of materials/activities:
The materials would be the curriculum and are supplemental. This would be purchased at cost to Title III. These materials will be used as support with all four modalities with an emphasis on the writing portion and will be used for grades K-8. The program includes high-interest topics and supports students in their classwork. Based on their data-driven needs, students will be engaged in online activities, as well as small group instruction. All students will be assigned to a small group based on their English language proficiency. Students will engage in similar activities after school and on Saturdays.

Progress-Monitoring & Documentation:
Attendance will be taken on a daily basis. Data will be collected and teachers will take conference notes to document students' progress during small group instruction. Parents will receive feedback about their child's progress, written communication to parents will be translated into their home language. Parents will be notified about Title III Programs via letters, phone blast and email in parents preferred language.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Our rationale was from our MOSL Committee, they focused on analyzing the MLLs testing data and identified a specific area of need for most of our MLLs. The need focused on the Writing component of the NYSESLAT. In order to provide our students with more opportunities and experiences that promote active listening, listening with a purpose, and listening for information, we decided to use English 3D, a program by HMH.

According to the NYSESLAT data, MLL students scored lowest on writing. These students would work on writing skills through English 3D activities and improve their speaking, reading, and listening skills at the same time.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Participating MLLs will include students in grades K-8, they will be from the following groups: Newcomers (0-3 years), Developing (3-5 years) and Long Term ELLs/MLLs and ELL/MLL SWDs. We categorized our students into three subgroups: Grades K-2, 3-5, and 6-8. Entering/Emerging students will engage in the Language Launch component of the program and the Transitioning/Expanding level students will engage in the English 3D Volumes 1-2 to support their classroom curriculum.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**

- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The programs will begin in November 2025 and continue until June 2026. The materials used for this program will be supplemental using the HMH platform to guide the learning. The programs will run after-school on Wednesdays and Thursdays from 3:00 p.m. to 4:00 p.m. for a total of 32 weeks for the school year. If the after-school program does not capture enough teachers and students we will offer the same program on Saturday from 8:30 a.m.-10:30 a.m. There will be one supervisor on site but at no cost to Title III.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction will be English. Home Language support will be included when necessary to support the students in their learning.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

The teachers working the program will be 3 certified ENL or Bilingual teachers and 1 certified common branch middle school teacher- the work will be done using the small group model.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

The materials would be the curriculum and are supplemental. This would be purchased at cost to Title III. These materials will be used as support with all four modalities with an emphasis on the writing portion and will be used for grades K-8. The program includes high-interest topics and supports students in their classwork. Based on their data-driven needs, students will be engaged in online activities, as well as small group instruction. All students will be assigned to a small group based on their English language proficiency. Students will engage in similar activities after school and on Saturdays.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Beginning in October 2025, parents will be notified about the program. A permission slip will be sent home with the details of the program in the parent's/guardian's preferred language.

Attendance will be taken on a daily basis. Data will be collected and teachers will take conference notes to document students' progress during small group instruction. Parents will receive feedback about their child's progress, written communication to parents will be translated into their home language. Parents will be notified about Title III Programs via letters, phone blast and email in parents preferred language.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

The professional development for using the HMH English 3D program will be provided by HMH. To ensure the program is implemented effectively all participating teachers will receive training provided directly by HMH's professional learning specialists. These are experts in the English 3D curriculum and support the teachers in using the program and explain structures that and routines that are important for student success though out their use of this program.

The professional development sessions will support our teachers in ways to scaffold writing instruction using English 3D's built-in supports and explore strategies they will be using to support multilingual learners.

The 1st session will be an introduction on the first week and then follow up will continue during planning time. There will be a total of 4-5 staff members who will receive the PD training. The PD and planning sessions will be at cost to Title III funds, this would be included in the cost of the English 3D curriculum.

Schedule:
The introduction will occur in November 2025 with ongoing professional development focused on teaching methodologies for MLLs during our afternoon workshops. In November, teachers will be provided with two days of professional development. The first day (2 hours after school) will consist of analyzing data. The second day (2 hours after school) will consist of planning curriculum, instruction, and progress monitoring. Teachers will meet once a month (from November to June - 7 two hour sessions total) to review student data and measure progress, which will lead to more finely targeted instruction for the students. This PD will be conducted internally; the only cost will be the per session rate for teachers.

The school will create a folder in Google Drive where all pertinent information will be stored, including meeting agendas with attendance.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

The professional development for using the HMH English 3D program will be provided by HMH. To ensure the program is implemented effectively all participating teachers will receive training provided directly by HMH's professional learning specialists. These are experts in the English 3D curriculum and support the teachers in using the program and explain structures that and routines that are important for student success though out their use of this program.

The professional development sessions will support our teachers in ways to scaffold writing instruction using English 3D's built-in supports and explore strategies they will be using to support multilingual learners.

The 1st session will be an introduction on the first week and then follow up will continue during planning time. There will be a total of 4-5 staff members who will receive the PD training. The PD and planning sessions will be at cost to Title III funds, this would be included in the cost of the English 3D curriculum.

The introduction will occur in November 2025 with ongoing professional development focused on teaching methodologies for MLLs during our afternoon workshops. In November, teachers will be provided with two days of professional development. The first day (2 hours after school) will consist of analyzing data. The second day (2 hours after school) will consist of planning curriculum, instruction, and progress monitoring. Teachers will meet once a month (from November to June - 7 two hour sessions total) to review student data and measure progress, which will lead to more finely targeted instruction for the students. This PD will be conducted internally; the only cost will be the per session rate for teachers.

The school will create a folder in Google Drive where all pertinent information will be stored, including meeting agendas with attendance.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

The professional development for using the HMH English 3D program will be provided by HMH. To ensure the program is implemented effectively all participating teachers will receive training provided directly by HMH's professional learning specialists. These are experts in the English 3D curriculum and support the teachers in using the program and explain structures that and routines that are important for student success though out their use of this program.

The professional development sessions will support our teachers in ways to scaffold writing instruction using English 3D's built-in supports and explore strategies they will be using to support multilingual learners.

The 1st session will be an introduction on the first week and then follow up will continue during planning time. There will be a total of 4-5 staff members who will receive the PD training. These teachers will be a combination of ESOL,

Bilingual, and Common Branch certified teachers. The PD and planning sessions will be at cost to Title III funds, this would be included in the cost of the English 3D curriculum.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Schedule:
The introduction will occur in November 2025 with ongoing professional development focused on teaching methodologies for MLLs during our afternoon workshops. In November, teachers will be provided with two days of professional development. The first day (2 hours after school) will consist of analyzing data. The second day (2 hours after school) will consist of planning curriculum, instruction, and progress monitoring. Teachers will meet once a month (from November to June - 7 two hour sessions total) to review student data and measure progress, which will lead to more finely targeted instruction for the students. This PD will be conducted internally; the only cost will be the per session rate for teachers.

The school will create a folder in Google Drive where all pertinent information will be stored, including meeting agendas with attendance.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

The topics for English 3D professional development to be covered would be:
- Foundations and routines of English 3D
- Scaffolding and strategies for writing for ELL students.
- Building oral language for ELLs.
- Assessments used in English 3D

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

The professional development for using the HMH English 3D program will be provided by HMH. To ensure the program is implemented effectively all participating teachers will receive training provided directly by HMH's professional learning specialists. These are experts in the English 3D curriculum and support the teachers in using

the program and explain structures that and routines that are important for student success though out their use of this program.

The professional development sessions will support our teachers in ways to scaffold writing instruction using English 3D's built-in supports and explore strategies they will be using to support multilingual learners.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

The school's plan for maintaining documentation is to create a folder in Google Drive where all pertinent information will be stored, including meeting agendas with attendance sheets.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Based on our needs analysis, students will make more progress with additional practice at home. The parent coordinator and administrators will provide workshops for parents focused on how parents can transfer this learning to the home. Sessions will be focused on understanding English 3D, providing activities families can engage in at home to support with the development of a new language as well as understanding the NYSESLAT assessment and the core instruction that is used. We will also engage in Literacy Night, Read-Aloud Night, etc. We will provide families with actual activities that students can engage in while at home. These activities will allow families to work together to build student's language and writing skills.

The parent coordinator will work with ENL teachers to lead these sessions. The events will be on the school calendar in translated language, advertised in translated handouts, and posted on our school website and social media. Parent sessions will be in parents preferred languages (for the most part Spanish). Attendance will be taken at each session and logged in our school's Google Drive folder.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

The data on our needs analysis shows that students will make more progress with additional practice at home. The family engagement activities will offer information that will support families in working on the information learned in our program at home.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

We will hold sessions of family engagement monthly for one hour each session. We will begin offering sessions in November 2025 and continue through June 2026.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

We will include topics such as understanding English 3D, providing activities families can engage in at home to support with the development of a new language as well as understanding the NYSESLAT assessment and the core instruction that is used. We will also engage in Literacy Night, Read-Aloud Night, etc.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Our parent coordinator will work with ENL teachers to lead these sessions. We will also coordinate with our English 3D representative to facilitate a session for parents to learn about the English 3D.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Our events will be posted on the school calendar in translated languages, advertised in translated handouts, and posted on our school website, DOE Messenger and social media. Family engagement sessions will be in parents' preferred languages (for the most part Spanish). Interpreters will be offered, and if needed provided at our events through the vendors offered by the Language and Interpretation Unit.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Attendance will be taken at each session and logged in our school's Google Drive folder.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

$36,214

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Direct Instruction	$21,728.40	Teacher per session salaries
Parental	$3,621.40	Parent engagement sessions and activities
PD	$3,621.40	Title III staff professional development training
OTPS	$7,242.80	Classroom supplies needed for the program

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School,Saturday Academy

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5,6,7,8

Total number of teachers in this program:

4

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

The need focused on would be writing, being that most of our Immigrant students are also MLL students, it is a need for a large amount of MLL as well as other students as well. In order to provide our students with more opportunities and experiences that promote active listening, listening with a purpose, and listening for information, we decided to use English 3D, a program by HMH.

English 3D, by HMH, is a research based intervention designed to support the English language development of English Language Learners. It focuses on building English language proficiency in speaking, listening, reading, and writing through high-interest topics and structured routines.

Subgroups and grade levels of students to be served:

Participating MLLs will include students from the following groups: Newcomers (0-3 years), Developing (3-5 years) and Long Term ELLs/MLLs and ELL/MLL SWDs. We categorized our students into three subgroups: Grades K-2, 3-5, and 6-8. Entering/Emerging students will engage in the Language Launch component of the program and the Transitioning/Expanding level students will engage in the English 3D Volumes 1-2 to support their classroom curriculum.

Schedule and duration:
The programs will begin in November 2025 and continue until June 2026. The materials used for this program will be supplemental using the HMH platform to guide the learning. The programs will run after-school on Wednesdays and Thursdays from 3:00 p.m. to 4:00 p.m. for a total of 32 weeks for the school year. If the after-school program does not capture enough teachers and students, we will offer the same program on Saturday from 8:30 a.m.- 10:30 a.m. There will be one supervisor on site but at no cost to Title III.

Language of instruction:
The language of instruction will be English.

and types of certified teachers:
The teachers working the program will be 3 certified teachers and 1 certified common branch middle school teacher- the work will be done using the small group model.

Types of materials/activities:
The materials would be the curriculum and are supplemental. This would be purchased at cost to Title III. These materials will be used as support with all four modalities with an emphasis on writing and will be used for all grades. The program includes high-interest topics and supports students in their classwork. Based on their data-driven needs, students will be engaged in online activities, as well as small group instruction. All students will be assigned to a small group based on their English language proficiency. Students will engage in similar activities after school and on Saturdays.

Progress-Monitoring & Documentation:
Attendance will be taken on a daily basis. Data will be collected and teachers will take conference notes to document students' progress during small group instruction. Parents will receive feedback about their child's progress, written communication to parents will be translated into their home language. Parents will be notified about Title III Programs via letters, phone blast and email in parents preferred language.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

Our rationale was from our MOSL Committee, they focused on analyzing testing data and identified a specific area of need for most of our Immigrant students. The need focused on Writing. In order to provide our students with more opportunities and experiences that promote active listening, listening with a purpose, and listening for information to support writing we decided to use English 3D, a program by HMH.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

Participating students will be Immigrant students in grades K-8, they will be from the following groups: grades K-2, 3-5, and 6-8. Since a high number of Immigrant students are also ELLs, Entering/Emerging students will engage in the Language Launch component of the program and the Transitioning/Expanding level students will engage in the English 3D Volumes 1-2 to support their classroom curriculum.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

The programs will begin in November 2025 and continue until June 2026. The materials used for this program will be supplemental using the HMH platform to guide the learning. The programs will run after-school on Wednesdays and Thursdays from 3:00 p.m. to 4:00 p.m. for a total of 32 weeks for the school year. If the after-school program does not capture enough teachers and students we will offer the same program on Saturday from 8:30 a.m.-10:30 a.m. There will be one supervisor on site but at no cost to Title III.

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

The language of instruction will be English. Home Language support will be included when necessary to support the students in their learning.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

The teachers working the program will be 3 certified teachers and 1 certified common branch middle school teacher- the work will be done using the small group model.

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

The materials would be the curriculum and are supplemental. This would be purchased at cost to Title III. These materials will be used as support with all four modalities with an emphasis on writing and will be used for grades K-8. The program includes high-interest topics and supports students in their classwork. Based on their data-driven needs, students will be engaged in online activities, as well as small group instruction. All students will be assigned to a small group based on their English language proficiency. Students will engage in similar activities after school and on Saturdays.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

Beginning in November 2025, parents will be notified about the program. A permission slip will be sent home with the details of the program in the parent's/guardian's preferred language.

Attendance will be taken on a daily basis. Data will be collected and teachers will take conference notes to document students' progress during small group instruction. Parents will receive feedback about their child's progress, written communication to parents will be translated into their home language. Parents will be notified about Title III Programs via letters, phone blast and email in parents preferred language.

Part C: Professional Development

Professional Development Summary
Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

The professional development for using the HMH English 3D program will be provided by HMH. To ensure the program is implemented effectively all participating teachers will receive training provided directly by HMH's professional learning specialists. These are experts in the English 3D curriculum and support the teachers in using the program and explain structures that and routines that are important for student success though out their use of this program.

The professional development sessions will support our teachers in ways to scaffold writing instruction using English 3D's built-in supports and explore strategies they will be using throughout the program.

The 1st session will be an introduction on the first week and then follow up will continue during planning time. There will be a total of 4-5 staff members who will receive the PD training. The PD and planning sessions will be at cost to Title III funds, this would be included in the cost of the English 3D curriculum.

Schedule:
The introduction will occur in November 2025 with ongoing professional development focused on teaching methodologies during our afternoon workshops. In November, teachers will be provided with two days of professional development. The first day (2 hours after school) will consist of analyzing data. The second day (2 hours after school) will consist of planning curriculum, instruction, and progress monitoring. Teachers will meet once a month (from November to June - 7 two hour sessions total) to review student data and measure progress, which will lead to more finely targeted instruction for the students. This PD will be conducted internally; the only cost will be the per session rate for teachers.

The school will create a folder in Google Drive where all pertinent information will be stored, including meeting agendas with attendance.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

The professional development for using the HMH English 3D program will be provided by HMH. To ensure the program is implemented effectively all participating teachers will receive training provided directly by HMH's professional learning specialists. These are experts in the English 3D curriculum and support the teachers in using the program and explain structures that and routines that are important for student success though out their use of this program.

The professional development sessions will support our teachers in ways to scaffold writing instruction using English 3D's built-in supports and explore the strategies they will be using.

The 1st session will be an introduction on the first week and then follow up will continue during planning time. There will be a total of 4-5 staff members who will receive the PD training. The PD and planning sessions will be at cost to Title III funds, this would be included in the cost of the English 3D curriculum.

The introduction will occur in November 2025 with ongoing professional development focused on teaching methodologies for MLLs during our afternoon workshops. In November, teachers will be provided with two days of professional development. The first day (2 hours after school) will consist of analyzing data. The second day (2 hours after school) will consist of planning curriculum, instruction, and progress monitoring. Teachers will meet once a month (from November to June - 7 two hour sessions total) to review student data and measure progress, which will lead to more finely targeted instruction for the students. This PD will be conducted internally; the only cost will be the per session rate for teachers.

The school will create a folder in Google Drive where all pertinent information will be stored, including meeting agendas with attendance.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

The professional development for using the HMH English 3D program will be provided by HMH. To ensure the program is implemented effectively all participating teachers will receive training provided directly by HMH's professional learning specialists. These are experts in the English 3D curriculum and support the teachers in using the program and explain structures that and routines that are important for student success though out their use of this program.

The professional development sessions will support our teachers in ways to scaffold writing instruction using English 3D's built-in supports and explore strategies they will be using.

The 1st session will be an introduction on the first week and then follow up will continue during planning time. There will be a total of 4-5 staff members who will receive the PD training. These teachers will be a combination of ESOL, Bilingual, and Common Branch certified teachers. The PD and planning sessions will be at cost to Title III funds, this would be included in the cost of the English 3D curriculum.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

The introduction will occur in November 2025 with ongoing professional development focused on teaching methodologies during our afternoon workshops. In November, teachers will be provided with two days of professional development. The first day (2 hours after school) will consist of analyzing data. The second day (2 hours after school) will consist of planning curriculum, instruction, and progress monitoring. Teachers will meet once a month (from November to June - 7, two hour sessions total) to review student data and measure progress, which will lead to more finely targeted instruction for the students. This PD will be conducted internally; the only cost will be the per session rate for teachers.

The school will create a folder in Google Drive where all pertinent information will be stored, including meeting agendas with attendance.

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

The topics for English 3D professional development to be covered would be:
- Foundations and routines of English 3D
- Scaffolding and strategies for writing
- Building oral language
- Assessments used in English 3D

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

The professional development for using the HMH English 3D program will be provided by HMH. To ensure the program is implemented effectively all participating teachers will receive training provided directly by HMH's professional learning specialists. These are experts in the English 3D curriculum and support the teachers in using the program and explain structures that and routines that are important for student success though out their use of this program.

The professional development sessions will support our teachers in ways to scaffold writing instruction using English 3D's built-in supports and explore strategies they will be using.

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

The school's plan for maintaining documentation is to create a folder in Google Drive where all pertinent information will be stored, including meeting agendas with attendance sheets.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Based on our needs analysis, students will make more progress with additional practice at home. The parent coordinator and administrators will provide workshops for parents focused on how parents can transfer this learning to the home. Sessions will be focused on understanding English 3D, providing activities families can engage in at home to support the students academically. We will also engage in Literacy Night, Read-Aloud Night, etc. We will provide families with actual activities that students can engage in while at home. These activities will allow families to work together to build student's language and writing skills.

The parent coordinator will work with teachers to lead these sessions. The events will be on the school calendar in translated language, advertised in translated handouts, and posted on our school website and social media. Parent sessions will be in parents preferred languages (for the most part in Spanish). Attendance will be taken at each session and logged in our school's Google Drive folder.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

The data on our needs analysis shows that students will make more progress with additional practice at home. The family engagement activities will offer information that will support families in working on the information learned in our program at home.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

We will hold sessions of family engagement monthly for one hour each session. We will begin offering sessions in November 2025 and continue through June 2026.

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

We will include topics such as understanding English 3D and providing activities families can engage in at home to support students. We will also engage in Literacy Night, Read-Aloud Night, etc.

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Our parent coordinator will work with teachers to lead these sessions. We will also coordinate with our English 3D representative to facilitate a session for parents to learn about the English 3D.

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Our events will be posted on the school calendar in translated languages, advertised in translated handouts, and posted on our school website, DOE Messenger and social media. Family engagement sessions will be in parents' preferred languages (for the most part Spanish). Interpreters will be offered, and if needed provided at our events through the vendors offered by the Language and Interpretation Unit.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Attendance will be taken at each session and logged in our school's Google Drive folder.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

$16,631

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Direct Instruction	$9,978.60	Teacher per-session salaries
Parental Involvement	$1,663.10	Parent engagement sessions and activities
Professional Development	$1,663.10	Title III staff professional development training
OTPS	$3,326.20	Classroom supplies needed for the program
