Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages

- Part C: Parent Communications and Engagement
- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

The Ellen Lurie School

District Borough Number (DBN):

06M005

Grades Served:

3K to 5

School Address:

3703 Tenth Avenue, New York, NY 10034

Phone Number:

212-567-8109

Fax:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Christopher Anest	Principal or Designee*	
Maliaka Smith	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Jarellis Jimenez	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Sorelys Irizarry	District Council 37 (DC 37) Representative (staff), if applicable	
Lourdes Galindo	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
Madelyn Gonzalez	CBO Representative, if applicable	
Lekli Lima Rodriguez	Member/ Parent	
Nicauris Feliz Mendez	Member/Parent	
Jieshan Zeng	Member/Parent	
Patricia Espinal	Member/Teacher	
Rosemary Vargas	Member/Teacher	
	Member/	
	Member/	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

P.S. 5 is a professional learning community where all of its members achieve high standards, become lifelong learners, and are respectful of cultural differences.

P.S. 5 will achieve its vision by
-Focusing on student performance and progress
-Strengthening the quality of teaching practices for rigorous research-based learning (Next Gen Standards, Danielson)
-Widening partnership between school staff, students, home and members of the broader community
-Having high expectations that hold our school community accountable

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P.S. 5 is a full service Children's Aid community school, with a population of:
38% English Language Learners
33% Students with disabilities
Title 1 school-wide project school with (92%) economically disadvantaged.

Enrollment of students by ethnicity includes:
377 Hispanic or Latino,
41 Black or African American
6 White
2 American Indian or Alaska Native, Asian or Native Hawaiian /Other Pacific Islander

Housing status:
102 students are in temporary housing

Since its inception, P.S. 5 has had a collaborative partnership with Children's Aid that includes quality health/medical, dental, Head Start and Early Head Start programs. Additional programs include an after-school instructional and recreational program, as well as a host of support services, including Holiday School and Summer Camp.

In addition we have partnered with the Emma Bowen Community Service Center which provides a director and two therapists that support the Identification and Addressing of our students' Social and Emotional needs within our school setting. This in-house center provides quality, accessible mental health and supporting services in a caring environment for Individuals of all Ages.

Briefly summarize the key initiatives your school will implement this school year.

P.S. 5 will continue with strengthening evidence based literacy and math instruction across all grades by continuing the implementation of high quality curricula aligned with the district goals and the NYC Reads initiative . This includes integrating the ELA curriculum Expeditionary Learning (Grades K-) and foundational programs such as Fundations (K-3), Heggerty (K-2), Estrellita (K-2 dual language classes) and Just Words (4-5), to support all learners, including MLLs/Ells and SWD students, during 2025-2026 school year. In addition we will continue to implement and deepen our knowledge of the Illustrative Math Curriculum during 2025-2026 school year, in alignment with the district, for all grades.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA-Foundational Skills	K-3	Fundations	incorporating remote aspects
ELA	K-5	Expeditionary Learning	incorporating remote aspects
Math	K-5	IM	incorporating remote aspects
ELA / Math	3K/PreK	Creative Curriculum	incorporating remote aspects
ELA-Foundational Skills	4-5	Just Words	incorporating remote aspects
ELA-Foundational Skills	K-2	Heggerty	
HLA-Foundational Skills	K-2	Estrellitas	
ELA-Spire	K-5	Spire for RTI	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
EOY 2025 Acadience: Kindergarten: 36% Well below level, 27% Below level First grade: 46% Well below level, 16% Below level Second grade: 54% Well below level, 14% Below level EOY 2025 I-Ready: Kindergarten: 33% One grade below level First Grade: 50% One grade below level, 7% Two grades below level Second Grade: 37% One grade below level, 39% Two grades below level Third Grade: 17% One grade below level, 19% Two grades below level, 25% Three grades below level Fourth Grade: 35% One grade below level, 9% Two grades below level, 38% Three grades below level Fifth Grade: 27% One grade below level, 33%	Reading Proficiency: Deficiencies in applying grade level phonics and word analysis in decoding words. Difficulty in reading with sufficient accuracy and fluency to support comprehension. Students whose first language is not English struggle with reading proficiency and vocabulary. Stamina: Decreased structured independent reading time with accountability and student ownership has hindered the development of reading stamina.	Reading Proficiency and Stamina

Two grades below level, 24% Three grades below level		
EOY I-Ready 2025: does not have understanding 3rd grade: 69% 4th grade: 78% 5th grade: 79% June IR 2025: have understanding 3rd grade: 50% 4th grade:43% 5th grade:46% June IR 2024: have understanding 3rd grade: 36% 4th grade:50% 5th grade:42%	Students not being able to decode at grade level impedes students' focus on details which causes difficulty determining theme and central idea. Vocabulary gaps prevent comprehension of nuanced texts, causing misunderstanding about main ideas and theme. Limited vocabulary, especially academic or literary terms, makes it difficult to understand complex texts.	R2. Determine a theme or central idea and explain how it is supported by key details; summarize portions of a text.
EOY I-Ready 2025: does not have understanding 3rd grade: 73% 4th grade: 82% 5th grade: 73% June IR 2025: have understanding 3rd grade: 50% 4th grade:45% 5th grade:50% June IR 2024: have understanding 3rd grade: 39% 4th grade:51% 5th grade:45%	Students reading below grade level. Limited instruction in questions asking readers to think about how one part is related and/or connected to another part. Example: How a text features (photograph) supports the written passage. Analytic skills like tracking goals, causes, and resolutions aren't always taught directly which in turn impacts students responds and they respond at a basic level. Insufficient academic vocabulary to understand and discuss different text structures; chronological, cause/effect, problem/solution, compare/contrast.	R3. In literary texts, compare and contrast two or more characters, settings, and events, drawing on specific details in the text. (RL) In informational texts, explain the relationships or interactions between two or more individuals, events, ideas, or concepts based on specific evidence from the text. (RI)

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	31	By June, 2026, literacy for All Students will improve, as measured by a 15 Increase, from 31 to 46, of percentage of students scoring at Levels 3 & 4 on the NYS ELA exam results .

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Increase reading proficiency and stamina in all grades by strengthening foundational skills, comprehension strategies, academic vocabulary and reading engagement through scaffolded instruction and purposeful practice. Incorporate daily independent reading time with student choice and stamina tracking. Daily explicit instructions in phonemic awareness and phonics. Application of foundational skills taught during guided literacy group centers using decodable books in K-2, and upper grade students reading below grade level. Embed interactive read aloud and EL curriculum based close reads to build comprehension. Use ongoing formative assessments to inform instruction. Progress monitoring using independent reading logs, stamina charts, I-ready and Acadience platforms.

Root Cause Addressed:

Inconsistent small group guided literacy reading implementation across grade level. Limited time and structures for during independent reading time and reading conferences. Insufficient targeted instruction for ELLs (scaffolded strategies, and vocabulary development). Gaps in phonics foundations (especially for ELLs). Deficiencies in applying grade level phonics and word analysis in decoding words. Students whose first language is not English may struggle with reading proficiency. Insufficient alignment of Tier 1, 2, and 3 reading supports. Reading materials may not be sufficiently culturally relevant or engaging.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
In Accordance with NYS Reads initiative: Differentiated small groups to address students individual phonemic awareness and phonics deficiencies will be implemented using evidence-based instructional materials.(Fundations,

Just Words and Heggerty). Materials focused on phonics, phonemic awareness, vocabulary, fluency, and comprehension.
Collaborative Planning time for teachers to analyze data and share best practices and resources with a focus on ENL and SWD students with the Literacy Coach. Weekly PLCs to review guided literacy lessons, use student work to plan small consistent groups. Use i-ready to group students; adjust plans every 6 weeks.
Teaching Matters collaboration providing ongoing professional development on the best practices in the science of reading. Build teacher capacity for analyzing and using assessment data to guide instruction. Create peer learning opportunities (PLC) in which the EL curriculum is planned and inter-visitations are facilitated for teachers to learn from each other during a cycle.
Use EL education Independent reading protocols to build stamina, weekly tracking of reading with reading logs, progress monitoring using I-Ready and Acadience.
Build connections with families about the important of reading daily at home and distribute culturally relevant engaging books.
Strengthen Early Intervention Programs using Spire (Specialized Program Individualizing Reading Excellence). Identifying Tier 2 and Tier 3 students by the middle of October.
Incorporating Aesthetic education through the Maxine Greene Institute will enhance engagement, deepen understanding, and support social emotional learning through artistic expression for all students.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine

progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Instructional Leaders will oversee implementation and provide support to teachers.

Instructional walkthroughs and coaching cycles by the instructional leadership and literacy coach using a structured look for tool aligned to EI, Fundations, just words, and independent reading expectations.

Increased consistency of tier 1 literacy practices and protocols across classrooms.

Monitored grade level and vertical team meetings to review i-ready diagnostics data, phonics screeners and EI reading tasks.

Grade level teacher groups will collaborate on instructional strategies, share best practices, analyze student data, discuss challenges and make data driven decisions.

Student progress monitoring tools will track student performances, as well as formative assessment conducted during daily lessons. For example: Weekly quizzes, exit tickets, reading log, reading journals.

Baselines will be established at the beginning of the year and will be monitored throughout using IREADY.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	12/23/2025	Back to school meetings for families with teachers, coaches, and school leaders to share ELA expectations for the school year. Discuss reading strategies, phonics games, and stamina building routines at home. Partner with local library to distribute high-interest diverse books.	
03/02/2026	06/19/2026	Midyear meetings with parents and teachers to review expectations on State ELA Test. Give personalized home reading tips based on data.	

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Literacy Coach, Math Coach, ESL pull out teacher, Classroom Teachers, School Leaders, Teaching Matters Consultants for EL and IM

Instructional Resources

Expeditionary Learning, Fundations, Just Words, Heggerty, I-Ready, Imagine Learning, Spire

Schedule Adjustments

Weekly Collaborative planning meeting, Monday Professional Learning, Coverages for teachers six times throughout the year for professional learning.

Other Resources Needed

N/A

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
School Survey - 2025 Referral 84% of teachers responded favorably to items related to referrals. School Survey - 2024 Referral 61% of teachers responded favorably.	Inconsistent implementation of Character education programs that teach empathy, respect and conflict resolution needs to be implemented consistently. Additionally, there is a lack of staff-wide understanding regarding the definition, root causes, and prevention strategies for bullying.	Conflict Resolution & Character Development: Implement consistent, schoolwide character education that includes explicit instruction in empathy, respect, and conflict resolution. Provide professional learning to ensure all staff understand and can effectively address bullying behaviors.
School Survey - 2025 Referral 89% of teachers responded favorably to	SEL is not yet fully integrated into core instruction. Staff need support embedding strategies that help students	Classroom Behavior & Culture: Build an inclusive classroom and school culture by integrating social-emotional learning

behavior-related items. School Survey - 2024 Referral 69% favorable.	manage emotions and build positive relationships.	into daily instruction and providing professional development to support consistent, relationship-centered classroom practices.
School Survey - 2025 Referral 76% of teachers responded favorably on instructional supports. School Survey - 2024 Referral 56% favorable. Advance Observations – 2025 & 2024, Component 3B	Limited direct instruction on academic discussion techniques (e.g., paraphrasing, questioning for clarity, building on ideas). Student discussion protocols are used inconsistently or at a basic level.	Academic Discussion & Engagement: Provide targeted professional development and instructional planning support to ensure consistent use of discussion protocols and explicit instruction in academic discourse techniques across all classrooms.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	84	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 6% Increase, in as measured by the % of teachers and adults that respond favorably to conflict resolution from 84 to 90, per the NYC School Survey Results..

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Teachers implement consistent daily SEL curriculum lessons (RULER) across all classrooms during the first period of the day, supported by ongoing teacher professional development and family engagement. School counselors will connect SEL to behavior expectations and integrate trauma-informed and restorative practices. Visual reminders (e.g., anchor charts, posters) and mentorship opportunities will function as embedded support structures to reinforce SEL principles throughout the building. A Tier 2 and Tier 3 support team will ensure early identification and consistent intervention for students in need.

Root Cause Addressed:

Inconsistent, schoolwide implementation of character education and social emotional learning (SEL) has contributed to students lacking empathy, respect and conflict-resolution skills. Parents required support in addressing negative behaviors at home, while teachers need professional learning on identifying and responding to bullying. The school currently has a limited system for reinforcing positive behavior expectations, and students struggling emotionally are not consistently identified or supported early. Strengthening a proactive, tiered system of interventions aligned with MTSS and SEL frameworks is necessary to address these root causes.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Consistently implement a schoolwide SEL curriculum, Ruler curriculum. Daily scheduled weekly SEL lessons during morning meetings.

Implement a tiered response system to address bullying incidents promptly and effectively. Track behavior data to identify trends and needs.
Develop peer mentorship and support groups to foster a supportive school community. Recognize students showing positive behaviors weekly.
Provide continuous professional development on safety and wellness for all staff. Increase access to counseling and wellness programs.
Regular workshop to keep families informed about safety policies, procedures, and incidents. Provide opportunities for parents to give feedback on safety concerns.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The implementation strategy progressive action steps: First, we will roll out the Ruler curriculum schoolwide, ensuring SEL instructions occurs regularly, with fidelity checks conducted through classroom walkthroughs and teacher feedback. Second, we establish a tiered bullying response system aligned with DOE guidance, including a structured response protocol, use of behavior data to monitor trends, and staff training to reinforce effective interventions. Third, peer mentorship programs and positive behavior recognition systems will be launched to foster belonging, leadership, and student voice; recognition of positive behaviors will occur weekly to reinforce SEL values across the school. Fourth, we will provide ongoing professional development of SEL integration, trauma-informed practices, restorative approaches, and de-escalation strategies, while gathering staff feedback to guide continuous improvement. Finally, we will actively engage families through workshops that build awareness of SEL strategies,

promote school safety, and empower parents with tools to support behavior at home, while providing them multiple opportunities to share feedback and ask questions.
Monitoring the implementation of these actions steps will be systematic and data-driven: Instructional leaders will oversee SEL integration through classroom observations, data discussions, and coaching support. Monthly SEL data review meetings will provide opportunities to analyze student behavior trends, monitor challenges, and make adjustments. Observation checklists and SEL strategy look-fors will be used to assess consistency of instruction, while teachers needs will be identified coaching cycles. Behavior tracking systems will document interventions, small group supports, and referrals, while survey instruments and PD calendars will ensure professional learning is aligned to identified needs. Family workshop attendance, feedback forms, and survey data will be collected to assess engagement. This tiered monitoring process will ensure that progress is documented and interventions are adjusted in real time.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/15/2025	09/30/2025	Parent Workshops to share the RULER approach utilized schoolwide in all classrooms.	
03/02/2026	03/20/2026	Parent Workshops on Mind in the Making to support organization and executive functions in their children.	

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Guidance Counselors, Social Worker, Teachers, School Leaders, Paraprofessionals, School Aides, School Staff

Instructional Resources

RULER Approach Guide and Online; EL Curriculum: Habits of Character

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
EOY I-Ready 2025 I-Ready: does not understanding 3rd grade: 50% 4th grade: 50% 5th grade: 55% June IR 2025: have understanding 3rd grade: 44% 4th grade:41% 5th grade:43% June IR 2024: have understanding 3rd grade: 33% 4th grade:50% 5th grade:33%	Students have not developed strong understanding of whole number relationships, which makes fraction concepts difficult to grasp. Students memorize steps without understanding why the procedure work, leading to a lack of knowledge. Inconsistent use of tools like number lines, fraction strips, etc leading to a limited conceptual development. Limited math vocabulary and academic language. Fractions often appear mid-year and taught rapidly. Gaps in foundational skills of equal sharing etc.	Number Sense and Operations — Fractions
EOY I-Ready 2025I-Ready: does	Students have not mastered addition, subtraction, multiplication,	Operations

not understanding 3rd grade: 56% 4th grade: 63% June IR 2025: have understanding 3rd grade: 46% 4th grade:40% June IR 2024: have understanding 3rd grade: 51% 4th grade:33%	and division facts. Students lack understanding of the relationships among numbers and unpacking word problems. Students lack understanding of key math vocabulary. Students aren't consistently using number bonds, arrays, bar models, etc.	and Algebraic Thinking
EOY I-Ready 2025I-Ready: does not understanding 5th grade: 48.3% June IR 2025: have understanding 5th grade: 49% June IR 2024: have understanding 5th grade: 35%	Students lack of foundational place value understanding and procedural fluency in earlier grades K-4.	Number and Operations in Base Ten
EOY I-Ready 2025 Happy Numbers: Met benchmark EOY Assessment Kindergarten: 50% 1st grade: 38% 2nd grade: 25% 3rd grade: 40% 4th grade: 43% 5th grade: 30%	Math block often prioritize new content and procedures, leaving little time for fluency building routines. They memorize facts without learning mental strategies. Students lack time when using manipulatives.	Number Fluency

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	43	By June, 2026, the percentage of students scoring at Levels 3 & 4 will Increase by 15 from 43 to 58, for All Students, as measured by NYS Math Exam results..

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Students will utilize the Happy Numbers Digital and I-Ready Platforms on a daily basis to track and support their individual progress toward improvement in the Domain areas of Number Sense and Operations—Fractions, Operations and Algebraic Thinking and Number Fluency. Teachers will facilitate daily small groups to address areas of weakness in the focused Domain areas and the skills/content of the day's lesson. Teachers will align the student's individual track in iReady to support specific standards in the focused Domain Areas, including a heavy focus on word problems.
Teachers use a protocol to tackle word problems called Three Reads Protocol which is supported by the new Illustrative Math Curriculum to strengthen student understanding of math problems outside of simple computation.

Root Cause Addressed:

Students are struggling with foundational skills in part-whole relationships in early grades. Lack of fluency with basic addition, subtraction, multiplication, and division facts. Inconsistent use of visual models, like a number lines, etc. Gaps in math vocabulary and academic language needed to interpret multi-step word problems. Instructions may not explicitly connect algebraic thinking, and fractions concepts to real life patterns and rules. Students who are in need of reading support struggle with success in word problems. Gaps in Tier 1 instruction differentiation for struggling learners. Inconsistent daily number fluency routines.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Teaching Matters Consultant is working with our school to unpack the curriculum and support teachers in effectively implementing the new curriculum and the strategies students need to learn to be successful.

A new math coach has been appointed and will support teachers in deepening their understanding of effective strategies for number sense, algebraic thinking , and fluency by modeling lessons, analyzing student data, co-planning instruction, and providing ongoing feedback. This will lead to more consistent use of visual models, math discourse, and differentiated tasks.
Teachers program at least 30 minutes daily for students to work in the Happy Numbers platform to support their individual math growth. Students are made aware of their current status and review their progress and movement.
Teachers program a minimum of one period per week to have students engage in the iReady platform to support movement in the Domain Numbers and Base Ten, Geometry and Math Fluency.
Teachers program a set time of at least 30 minutes daily for Math small groups to facilitate support in the areas of need.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Monthly classroom walkthroughs by the math coach and instructional leadership team using a standards -aligned look for tool.
Collect evidence aligned to curriculum of the frequency student use different strategies (number talks, use of manipulatives, student discussion, etc.)
Observe an increase in consistent instructional practices across classrooms.
Data review bi-weekly during grade-level data meetings facilitated by the math coach to review formative

assessment and adjust instruction. Collect student work (exit tickets, fluency checks, and small group data, etc).
I-Ready diagnostic and Standards mastery reports three times per year and ongoing standard mastery data.
Teaching Matters Consultant support includes upcoming rotation of intervisitations in all grade teams, K-5.
Grade Supervisors will monitor use of the Happy Numbers and I-Ready platforms and have data conversations with teachers regarding student progress or lack of.
Teachers will look at cool down activities every two weeks in their data inquiry cycles during their professional period and/or collaborative planning meetings to make decisions regarding instruction for their students.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	09/30/2025	Back to school meetings with parents to inform and partner with them regarding math expectations for the school year.	
03/02/2026	03/20/2026	Meetings with families to unpack Next Generation Standards and implications on NYS Math Test.	

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Math Coach, Classroom Teachers and School Leaders

Instructional Resources

Illustrative Math, iReady, Happy Numbers

Schedule Adjustments

Monday PD time committed to Inquiry; coverage for teachers for additional professional learning in grade teams throughout the year in Literacy and Math Curriculum

Other Resources Needed

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Title 3 program was held in October-November 2024. Title 3 enrollment included 50 out of the 129 grades K-5 students eligible for the additional support, according to program attendance and permission slip records. Immigrant/hope program was held in February-April 2025. The enrollment included 35 out of the 129 grades K-5 students eligible. The Saturday Academy took place on 20 Saturdays from October 2024 to May 2025. Saturday Academy	Families need support to adjust their schedules in order to have students attend additional programming.	Increase the enrollment of all students in need of additional supplementary support afterschool and on Saturdays. To increase their performance in

Enrollment included 72 out of the 210 second-fifth grade eligible students, according to program attendance and permission slips; Children's Aid afterschool 21st Century support included 106 of the 150 eligible seats. The Reading Morning academy was held March-May 2025. The enrollment included 55 out of 210, grades K-5 students eligible. iReady; Acadience; Report Card grades.	Students already enrolled in extra-curricular programming outside of the school do not attend additional afterschool or Saturday programs.	ELA, Math and language proficiency and achievement.
During 2024-2025, review of grade level curriculum and Math pacing guides and unit plans showed minimal integration of financial literacy learning targets or economics based units in ELA, Math, and Social Studies.	Financial Literacy is not systematically embedded into core instruction in grades K-5. Career readiness standards and financial literacy learning opportunities are not consistently prioritized.	Lack of structured instruction in foundational economic concepts and financial literacy. Limiting students' understanding of money management, goal-setting, and long-term planning.
Parent Workshops were held regularly, every other Friday from September through June 2024-2025. Parent workshop attendance; number of guidance assemblies throughout school year, which were held monthly.	Parents decline to attend parent workshop even though many reminders are sent through robo call, pamphlets, and social media postings.	Additional advisory conversations with students and families to reinforce the importance of strong career planning and college and career readiness. Create a family-school partnership around economic empowerment (e.g, budgeting, savings, college costs) are underdeveloped, particularly for MLL and Title 1 families.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	50	PS 5 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the participation in additional school programming for All Students will Increase by 30% from 50 to 80 as measured by students and parents attendance in additional before or after school programs.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Set schedule and publicize programming as early in the school year as possible.
Survey parents and observe attendance trends to specifically reach out to families of students who can benefit from the programming.
Provide student incentives for attending additional programming, such as Student of Month recognition and opportunities to participate in enrichment activities, such as CHAMPS soccer.
Integrate Financial Literacy into Core Curriculum.
Provide Teacher Training and Resources on Financial Literacy.

Root Cause Addressed:

Families need support to adjust their schedules in order to have students attend additional programming.
Students already enrolled in extra-curricular programming outside of the school.
Lack of structured financial literacy instruction in elementary curriculum.
Underdeveloped family-school partnerships focused on financial empowerment.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Offer workshops in person or online to parents on how to support their children's academic and career aspirations. Offer families workshop series on saving, budgeting, and planning for college.
Expand after-school and Saturday school tutoring and enrichment programs. Include additional times during the day, morning before school programs.

Celebrate and acknowledge families who committed to having their students to participate in additional programming.
Showcase the work students created in the additional programming with the whole school.
Embed information from guidance counselors and teachers during celebrations to reinforce the importance of habits leading to college and career readiness.
Collect feedback from parents, teachers, and students to gain a holistic view of program effectiveness.
Provide professional development to teachers on Financial Literacy curriculum integration.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Instructional Leadership team and grade level will monitor curriculum integration, implementation of financial literacy instruction, and provide support. Schedule regular progress review meetings to discuss data and track student attendance in additional afterschool and Saturdays programs. Monitor overall school attendance to identify correlation between regular attendance and participation in additional programs. Collect and analyze data on student grades and standardized test scores before and after participation in additional programs. Conduct surveys to gather student feedback on the effectiveness and impact of additional programs. Collect feedback from parents and teachers to gain a holistic view of all the programs effectiveness. Monitor family workshops attendance logs and surveys.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/15/2025	09/30/2025	Back to school parent meetings to discuss the importance of having students receive supplemental and additional programming to support academic progress and college and career readiness.	
12/08/2025	12/22/2025	Parent Workshop with guidance counselors to discuss college and career readiness	

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Guidance Counselors, teachers, school leaders

Instructional Resources

Expeditionary Learning, Illustrative Math, Fundation, Financial Literacy Resources Workshops

Schedule Adjustments

Survey families for schedules

Other Resources Needed

Children's Aid / CBO

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs

School Survey 2024-2025 School Event Attendance Logs	Many parents may work full time or have demanding work schedules that make it difficult to find time for school activities. Parents may have other responsibilities such as caring for younger children, elderly relatives, or a managing household duties.	Parent volunteering to support different programs in the school.
School Survey 2024-2025 School Event Attendance Logs	Events and outreach are not always designed with cultural responsiveness or family work schedules in mind.	Parent involvement to support student learning with NYC Reads, NYC Solves, and end of modules and units celebrations.
School Survey 2024-2025 School Event Attendance Logs	Many families are unaware of available programs, services, and the full value of NYC public school offerings.	Limited family participation in school-wide decision-making and events, especially among MLL and immigrant families.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	15	PS. 5 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the percentage of parents/families attending at least 3 in-person school events, will Increase by 25% from 15 to 40 as measured by NYC School Survey Results and attendance logs.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Celebrate the start of the school year with a supply giveaway event to welcome families back to school and draw new members from the community to join our school.
Reinstate Open School week to give families the opportunities to visit their children's classroom to learn of expectations and curricula being implemented.
Electing class parents to help organize classrooms activities.
Promote NYC Public School Offerings.

Root Cause Addressed:

Parents have other work or family related responsibilities that makes it difficult for them to attend school activities.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Teachers to plan end of unit celebrations to share student work and achievement.
Calendar parent workshops to support student achievement, as well as parent enrichment in collaboration with Children's Aid, PTA, and parent coordinator.
Solicit families to share their talents, careers, and passions during schoolwide events, such as Respect for All week and Career Day
Invite parents to participate in classroom visits in support of NYC Reads and NYC Solves.

Incorporate short feedback forms and exit slips after events. Track family input and respond with clear follow-up.
Monthly Visits to classrooms will be scheduled, alternating between ELA and Math to view lessons in progress as well as celebrations at the end of Modules / Units.
Science, Visual Arts, and Music exhibitions/performances will be held quarterly.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

School leaders will identify key events and activities where parent attendance is crucial. A dedicated team comprising of school staff, parent representative, and community members will be established. Develop a communication plan for example: emails, newsletters, social media, robo calls, and school website to inform parents about upcoming events. Ensure messages are clear, concise, and highlights the benefits of attendance. Provide incentives such as certificates and recognition during events. Events will occur at various times to accommodate different parent schedules. Various educational, cultural, and sports days will be offer to appeal to diverse interests. Monitor and evaluate attendance: by keeping track of attendance at each event using sign in sheets or digital check-ins. Share a summary of the event with parents and school community. Recognize contributions and participations. Regular check-ins with ENL team to ensure outreach is linguistically and culturally appropriate.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Analysis of ATS, NYSED reports June 2025: Prek-5th grade 43.7% of students were designated as chronically absent	The root causes of absenteeism are multifaceted and closely connected to health, economic and systemic challenges. Families reported that illness, including residual effects of (RSV, Flu, and Covid), contributed to high absence rates, particularly in the early months of the year.	Reduction of chronic absenteeism for all students in Grades K-5
Analysis of ATS, NYSED reports June 2025: Prek-5th grade 65.7% of students were	Economic instability also emerged as a barrier, with families in temporary housing facing disruptions related to housing insecurity, inconsistent transportation, and limited healthcare access.	Reduction of chronic absenteeism for Economically disadvantaged

designated as chronically absent		students. Housing Status-Temporary
Analysis of ATS, NYSED reports June 2025: Prek-5th grade 40.7% of students were designated as chronically absent	In addition, extended family travel and cultural obligations contributed to absences for some students. These patterns illustrate that absenteeism is not the result of isolated student behaviors but is deeply tied to family circumstances and community-level inequities.	Reduction of chronic absenteeism for ELL students

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	43.7	By June, 2026, the the Chronic Absenteeism Rate for All Students will decrease by 20%, from 43.7 to 23.7, as measured by the as measured by the Chronic Absenteeism reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

To address chronic absenteeism, our school will adopt a high-leverage strategy that is grounded in research on effective attendance interventions and directly targets the identified root causes. First, building strong school-home connections, monitoring attendance early, and providing tiered support for students are essential in reducing chronic absenteeism. Our school will implement a systemic approach that strengthens family engagement, increase staff capacity, and addresses barriers related to health, housing instability, and cultural factors.

The key strategy is to establish a schoolwide attendance framework that combines early identification, culturally responsive outreach, and targeted intervention. First, the attendance team will analyze ATS and school-level data weekly to identify trends and at-risk students. Attendance mentors will be assigned to students with high absenteeism to provide daily check-ins, encouragement, and family contact. Second, the school will prioritize family engagement by developing and distribution clear, multilingual materials (flyers, videos, presentations) that explain the academic impact of absenteeism and DOE policy.

Gather Data from students and parents to understand the root causes for absenteeism. Look for trends or common factors; health issues, transportation, family circumstances. Provide the DOE calendar and a list of critical testing dates to discourage travel during instructional time.
Build staff capacity through professional learning on attendance strategies and strengthen school-time connections to address barriers (health, housing, transportation, family circumstances).

Root Cause Addressed:

Several underlying factors contribute to chronic absenteeism at our school. Many families take extended vacations during the school year due to cultural norms or family obligations, unaware of the academic consequences. There is also limited parental understanding of the direct impact that even a few missed days can have on a child's academic progress and promotion.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Attendance Team reviews data biweekly (overall and by subgroup: grade, multilingual learners, SWDs, economically disadvantaged) to identify trends and track progress towards targets.
Attendance Team to identify mentors and assign to at risk-students and log outreach/intervention notes in a centralized tracker (google sheet, ATS) to ensure follow-up is documented.
Mentors will receive professional development on culturally responsive strategies, consistent outreach protocols, and use of attendance data.
Monitor implementation fidelity by maintaining records of subgroup attendance, intervention plans, and family outreach efforts; share updates with ILT and SLT monthly.
Recognize improvement in attendance through ongoing incentives (assemblies, PTA meetings, certificates) tied to DOE benchmarks and reductions in chronic absenteeism.
Monthly parent workshops and events to reinforce the impact student attendance has on achievement and growth.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The attendance team will meet biweekly to review attendance data, track outreach efforts, and assess the effectiveness of interventions. Monthly chronic absenteeism rates will be reviewed to determine progress, and feedback will be gathered from teachers and families to inform continuous improvement. Evidence of progress will include improved attendance rates across targeted subgroups and a reduction in the number of students taking non-essential extended absences.
School leaders will implement an action plan: Establish a tracking and monitoring system, conduct surveys and analyze data. Launch a communication and engagement initiative with families. Implement health, wellness, and academic support programs. Establish attendance incentives. Review attendance data and program effectiveness monthly. Monitor attendance trends by grade and subgroup. Conduct follow-up surveys and adjust strategies based on feedback and outcomes. Use comparison of monthly chronic absenteeism rates to determine progress.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	09/26/2025	Back to School Meetings with parents to communicate attendance expectations and impact of chronic absenteeism on student achievement	Children's Aid Community Society
11/03/2025	12/23/2025	Holiday check-ins with families of the status of their students' attendance and the need to remain in school through the holiday season. Extended vacations impact student achievement	Children's Aid Community Society

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

School administration: Oversee attendance plan implementation and monitor progress. Teachers: Track and report daily attendance patterns, implement classroom-level engagement strategies. Guidance Counselors and Social worker: Provide tiered support for at-risk students, including counseling and referrals. Parent Coordinator: Communicate attendance expectations, host family workshops, and distribute multilingual resources. Attendance Point Person: Manage daily attendance data, coordinate mentor assignments, and maintain outreach logs. CBO Staff: Provide services (housing support, health referrals, transportation assistance). Attendance Mentors: Conduct weekly student/family check-ins and log interventions in the attendance tracker.

Instructional Resources

Use of ATS/DOE attendance reports for weekly subgroup analysis (grade, SWD, MLL) students. Professional learning sessions on culturally responsive attendance practices and family engagement. Multilingual outreach materials (flyers, videos, DOE policy summaries) explaining the impact of absenteeism. Incentive programs (certificates, recognition boards, assemblies).

Schedule Adjustments

Weekly attendance Team meetings built into the master schedule for data review and intervention planning. Time allocated for mentor-student check-ins during WIN period.

Other Resources Needed

Financial resources to support incentives (student recognition, family engagement events, raffle prizes). Translation support to ensure equitable access for multilingual families. Technology tools (google sheets, trackers, or DOE attendance dashboards) to monitor outreach and intervention fidelity.

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
Pre-conferences prior to IEP meeting Special Education Cohort Monthly Meeting during Monday PD	While teachers meet with the school special education team and the service providers for preconferences, IEP development and review, there are still clerical errors, teacher training and experience, as well as other legistics that	IEP Development and Fidelity of Implementation

	impact the development and implementation of IEPs.

SIT Review, 2024-2025; IEP Section: Academic, Developmental and Functional needs of the student, including consideration of student needs that are of concern to the parent.	While teachers can identify which areas students are struggling, teachers need more support in evaluating additional instructional support based on UDL and SDI needed to be taught in order for students to meet goals.	Ensure student IEPs include data and support that are based on Universal Design for Learning UDL and Specially Design Instruction.
SIT Review, 2024-2025; IEP Section: Effect of student needs on involvement and progress in the general education curriculum.	Support teachers in fully understanding and analyzing the 13 disability classifications and implications for classroom instruction and student learning	Ensure all areas of IEP have statements that reflect the effect of the students disability on access, participation and progress in the general education curriculum and what UDL and/or SDI supports have been provided.
Instructional Walkthroughs 2024-2025	Limited co-planning and instructional collaboration between general education and special education teachers in ICT settings. Limited use of accommodations and scaffolds across classrooms.	Increase the access to and effectiveness of high quality, inclusive instruction for students with disabilities in ICT and self-contained settings.

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	50	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve the quality by a 10% Increase, from 50 to 60, as measured by IEP Review, School Wide data Assessment, IEPs Evaluation Results Data, IEP's information on student's academic achievement, functional performance and learning characteristics...

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Strengthen ICT Co-teaching practices: Schedule common planning time for general and special education co-teachers. Provide PD on effective co-teaching models (eg., parallel, station, team teaching). Conduct learning walks focused on co-teaching dynamics and inclusive participation. Embedded culturally responsive UDL and Differentiation across instruction. SIT team provide support to all SWD teachers in planning for the students.

Root Cause Addressed:

Inconsistent use of accommodations and modifications to lessons and instructional materials. Low engagement in rigorous grade level tasks. Limited alignment between IEP goals and daily instructions.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
SIT team will ensure that recommendations and services are aligned to students present level of performance, classroom data and psychoeducational data.
SIT team will ensure students functional and academic levels are determined using assessments based on UDL (Universal Design for Learning and SDI (Specially Design Instructional).
SIT team will facilitate professional development sessions to provide teachers with opportunities to develop and implement assessments based on UDL and SDI 2. Sit team will review the impact of disability statements and provide additional support to teachers and IEP development staff as needed.
Review IEP compliance linkage report, Encounter attendance reports and SESIS IEP standard report. Review SESIS IEP standard report to ensure that IEP meetings have been scheduled 30 days prior to IEP due date.
Provide ICT models professional development and conduct learning walks.
Weekly meeting with Pupil Personnel Team and SIT Team to review RTI data, support teachers with implementation of appropriate SDI strategies and methods to support students referred.
Make multiple attempts in different modalities including but not limited to phone calls, emails, paper mail to contact the appropriate member to participate in the meeting.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

ILT and Special Education Leadership team will conduct monthly learning walks to review inclusive instructional practices via classroom walkthroughs and look-fors. Co-teaching planning logs will be collected biweekly to ensure common planning time is used for differentiated instruction. Monthly student work protocol analysis for evidence of grade -level engagement and scaffolding. Progress monitoring biweekly review of IEP goal tracking sheets and formative assessment results. PD attendance and feedback forms collected after every UDL and inclusive practice training. Quarterly audits of IEP accommodations/modifications implementation and documentation.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
11/10/2025	11/28/2025	SIT Team along with Parent Coordinator will hold a workshop for families of SWDs to share the impact of different classifications on students academic program and success.	
03/09/2026	03/27/2026	SIT Team along with the Parent Coordinator will hold a workshop for families of SWDs to review the IEP and how parents can partner with school staff and teachers to support their children reaching their IEP goals.	

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

School Psychologist, Social Worker, Classroom Teachers, Paraprofessionals, School Leaders

Instructional Resources

Standard Curricula

Schedule Adjustments

Coverage for teachers to engage in PD with SIT Team

Other Resources Needed

IEP Teacher

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Acadience or iReady and Teacher Referral	Fun in Focus	Small Group	During School	No
Tier 2 or 3	STAR Data and Teacher Referral	Spire	Small Group	During School	Yes
Tier 2 or 3	iReady Data and Teacher Referral	iReady	Individual	During School	Yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Teacher Referral	Socializatio Group	Small Group	During	No
Tier 2	Teacher Referral	Conflict Resoluation	Small Group	During	No
Tier 3	Teacher Referral	Counseling	one-to-one	During	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

The school's essential components of the Multi-Tiered System of Supports (MTSS) are shared with families through a variety of engagement activities designed to increase understanding and collaboration. We will hold informational sessions during family engagement workshops, where we explain the MTSS framework, including the tiers of support (universal, targeted, and intensive) and how these relate to the academic and behavioral needs of their children. Additionally, we will distribute clear, easy-to-understand flyers and guides that outline the MTSS process, available support services, and how parents can be involved in supporting their child's progress both English and their preferred language.

These discussions will be supplemented by regular updates during parent-teacher conferences, where teachers can explain which tier of support a student is receiving and how parents can assist at home. We will also use our school's website, social media platforms (Facebook), and monthly newsletters to share information on MTSS, ensuring that families are kept informed throughout the year. For non-English-speaking families, these resources will be available in multiple languages to ensure accessibility.

Finally, feedback from parent surveys and SLT meetings will guide future communication and help us adjust the way MTSS information is shared to meet families' needs effectively.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Families of students receiving Tier 2 (targeted) or Tier 3 (intensive) interventions will receive regular, detailed updates on their child's progress through multiple channels. Teachers and intervention specialists will provide progress reports every 6-8 weeks printed from the progress monitoring site, outlining specific academic or behavioral goals, progress toward those goals, and any adjustments to the intervention plan. These reports will be shared during scheduled parent-teacher conferences, ensuring families are fully informed and can ask questions or provide input.

In addition, families will receive regular communication through phone calls or emails from teachers, case managers, or interventionists to discuss any significant changes in progress, strategies being used, and how they can support their child at home.

For non-English-speaking families, these updates will be provided in their preferred language to ensure full understanding. Additionally, our school will host occasional family workshops on understanding MTSS progress reports and how families can engage in their child's learning at home, further strengthening the partnership between school and home.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families are actively involved in the decision-making process for students receiving Tier 3 intensive interventions through regular, structured communication and collaborative meetings.

Progress is reviewed every 6-8 weeks, and families receive detailed reports on their child's progress. At these times, parents are provided with the opportunity to provide input on adjusting interventions or exploring additional support options. The school ensures that families are given clear explanations of any data and are part of any decisions about modifying the intervention plan.

For non-English-speaking families, interpreters are provided to ensure full participation in these discussions. Additionally, families are encouraged to communicate outside of meetings if they have any concerns or insights, fostering ongoing involvement in their child's education. This collaborative approach ensures that families are partners in the decision-making process, playing a key role in shaping their child's learning journey.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

Doubled up (with friends or relatives because they cannot find or afford housing): 45
Living in a shelter or transitional shelter: 51
Living in foster care: 5

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Over 90 migrant students (Open Arms students) registered to PS 5 during the 2023-2024 school year and present with various needs that were determined through a school created survey, which included clothing, coats, shoes, food, additional academic support, additional mental health support, additional medical support, and immigration needs.

Attendance for the STH population has been a challenge with many students falling into being chronically absent due to transportation needs, the lack of immunizations and medical records, immigration appointments, and illness.

The school created it's own STH Survey during the 2023-2024 school year and plans to utilize the STH Title I Survey during the 2024-2025 school year to continue to support this population.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

STH are identified and the Parent Coordinator and Guidance Counselor keep in regular contact with the families. The school coordinates with families and case workers to provide needed services, coordinating transportation by either MetroCard or bus. Families receive care packages, which include the school uniform, gym clothing, jacket, toiletries, school supplies and backpack. Children's Aid is aware of the families in temporary housing and provides additional resources when needed and available. We also have a school based pantry which families can come shop once a week 2:30-3:30.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

There are currently 5 students in foster care enrolled at our school. These students receive targeted social-emotional and academic support, including access to a school counselor and social worker, individualized academic planning, and regular check-ins to monitor progress. They also benefit from trauma-informed teaching practices, small group interventions, and connections to external support services as needed to ensure stability and success both in and out of the classroom.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

Our school provides targeted supports for students in foster care, including immediate enrollment assistance, priority access to counseling services, and personalized academic planning. For students newly transitioning into the foster care system, we conduct a prompt needs assessment to identify emotional, academic, and logistical support requirements. Ongoing collaboration with child welfare agencies, regular check-ins by the school counselor or social worker, and trauma-informed practices help ensure these students receive consistent, individualized interventions that promote stability, engagement, and academic success.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

Analysis of historical demographic, attendance, and achievement data for students in foster care reveals consistent trends of higher absenteeism, lower academic performance, and increased social-emotional needs compared to their peers. These students often experience frequent school changes, which disrupt learning and impact stability.

Using these insights, our school is prioritizing early intervention strategies, improving coordination with child welfare agencies, and expanding trauma-informed practices. Additionally, we are increasing access to mental health services to address the unique challenges faced by this population.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Our school implements several specific strategies to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support. First, we provide individualized SEL interventions through school counselors and social workers, who work closely with students to address emotional and behavioral challenges, building resilience, self-regulation, and relationship-building skills. Students also participate in small group SEL sessions focused on topics like coping with trauma, managing stress, and navigating transitions, which are crucial during grade-level shifts.

In addition, mentoring programs are in place where each foster student is paired with a staff member who provides ongoing emotional and academic support, fostering a sense of stability and connection. Trauma-informed teaching practices are implemented across classrooms, ensuring that all teachers are aware of the unique needs of students in foster care and can create a supportive and understanding learning environment.

To address both academic and behavioral challenges, we use regular check-ins with both the student and their caregiver or foster parent to track progress and adjust supports as needed. These check-ins are complemented by behavioral supports like positive reinforcement, clear expectations, and tailored interventions to help foster students navigate school challenges with confidence.

These strategies help address the academic and behavioral challenges faced by foster students by not only providing emotional support but also fostering a sense of belonging and stability, which is critical for their overall well-being and success in school.

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

Since its inception, P.S. 5 has had a collaborative partnership with Children's Aid that includes an after-school instructional and recreational program, as well as a host of support services, including Holiday School and summer camp.

We offer after school small group programming funded through Title 3 to strengthen students' acquisition of English, a Saturday Academy for additional support in ELA and Math, holiday programming over February and April breaks for enrichment in ELA and Math, and a STEM summer enrichment program in collaboration with Children's Aid.

Through our partnership with Chess in the Schools, P.S. 5 offers a weekly Chess Club that competes several times throughout the school year in city-wide tournaments, as well as in national tournaments on line.

In addition, through CASA funding, P.S. 5 offers students arts-infused after school residencies focused on choral music and violin.

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

Positions will be advertised widely to staff who are appropriately licensed for the position.
Every effort will be made when designing the programs to ensure that appropriately certified teachers are assigned to their certified content area. When making general hiring decisions, candidates holding multiple certifications will be prioritized.

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

Programming will be designed in collaboration with the School Leadership Team and Instructional Team, with the input of instructional coaches to ensure for seamless integration of school day instruction with ELT.

Children's Aid staff attend School Leadership and Instructional Team meetings in order to stay informed of schoolwide instructional initiatives to infuse during after school.

Provide a description of the materials purchased to support implementation of ELT.

To support the implementation of Extended Learning Time (ELT) for English Language Learners (ELLs), various materials will be purchased. These include bilingual and language acquisition books, interactive software, and online platforms that foster vocabulary development, grammar practice, and reading comprehension at varying proficiency levels. Additionally, differentiated instructional tools such as leveled readers, graphic organizers, visual aids, and manipulatives will be used to tailor lessons to individual language needs. Research-based ELL-specific curriculum guides will be utilized to integrate content knowledge with language skills, ensuring that ELLs meet both academic standards and language proficiency goals. To monitor student progress, formative and summative assessment tools designed for ELLs, including rubrics and diagnostic tests, will be purchased. Cultural and community resources, like multicultural books and materials for creative projects, will help integrate students' backgrounds into the curriculum. Lastly, professional development resources such as books, online courses, and training materials will be provided for teachers to enhance their skills in supporting language learners within an extended learning framework. These materials will be vital in ensuring ELLs receive the necessary support to succeed academically while developing their language skills.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. P.S. 5, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

P.S. 5 will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child’s progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P.S. 5, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Math / Data Coach
Literacy Coach
Guidance Counselor

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

Orientations and meetings with parents and families in collaboration with Early Childhood Teachers, as well as Early HeadStart and HeadStart teachers from our partner, Children's Aid.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	356,752		
Title I, School Improvement 1003(a)	Federal			
Title II, Part A	Federal	40,890		
Title III, Part A	Federal	17,600		
Title III, Immigrant	Federal			
Title IV, Part A	Federal			
Tax Levy (Fair Student	Local	3,896,142		

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
Children's Aid	Kindergarten through 5th Grade	STEM (Science, Technology, Engineering, and Math) enrichment, Literacy and Math support, Wellness (Physical Fitness & SEL), Art, Chess	Math, Literacy, Supportive Environment Framework
Emma Bowen Center	Kindergarten through 5th Grade	Mental Health	Supportive Environment

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

Children's Aid (CA) is integrally involved in the administration of P.S. 5.

The CA school director and P.S. 5 principal collaborate on program offerings for students to ensure alignment with school annual goals and city and state mandates. This includes the following examples:

-CA School Director and P.S. 5 principal meet weekly to ensure alignment
-CA School Director sits on the monthly School Leadership Team meeting
-CA Program Director or Ed Coordinator participate in weekly school Instructional Leadership Team Meetings
-CA staff participates in monthly Safety Meetings
-Program offers alignment with school foci, including offering Chess for Grades 3-5; Math, Literacy, Wellness, and Arts for Grades K-5, Chorus for Grades 4-5; Violin for Grades 4-5; and Robotics for Grades 4-5

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

-CA and P.S. 5 both offer early childhood programming , where families are empowered with trainings regarding involvement in school governance and involvement.
-Orientations are provided to families regarding offers of the school
-Families are surveyed so offers are in alignment with community needs.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

CA manages a full service Health Clinic, led by a nurse practitioner, to offer medical services to students, as well as dental hygiene.
CA integrates SEL weekly into programming and reinforces daily.
CA offers physical fitness to students twice a week.
CA offers nutrition education and cooking lessons once a week.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

We use the following data reports to identify students with patterns of absences, class attendance sheet, RAMO, RCHK, RYIS, RRSA, and RCUA. We also use the New Visions Heat Map and school records from Remote, Blended Remote and in-person attendance through STARS. On the third consecutive absence, the classroom teacher calls home to check-in on the student with the parent. Each Tuesday, the attendance team meets, including the Principal, Attendance Teacher, School Secretary, Guidance Counselor, and Parent Coordinator, to review the above ATS reports and identify students needing further intervention provided by the Parent Coordinator and/or Guidance Counselor. After 5 consecutive absences, a home visit is implemented by the attendance teacher. The guidance counselors closely monitor these students' attendance and positively reinforce improved attendance.

CA supports with attendance by having facilitator/mentors call home to students enrolled in after school when absent to provide support and encourage daily attendance.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for all students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

P.S. 5 and CA ensure that all students are included in the having the opportunity to participate in the after school program. P.S. 5 works alongside CA to ensure students are given mandated supports during after school, including

access to school nurse and paraprofessionals as necessary.
In collaboration with P.S. 5, CA reinforces the culturally responsive practices during after school, including book of the month titles.
All materials are translated into the preferred language of the family.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Christopher Anest
Assistant Principal (Where Applicable)*	Michelle Allen
English as a New Language (ENL) Teacher*	Pamela Hales
Teacher (if school has a bilingual program must be a bilingual teacher)*	Milobna Lantigua
Parent/Guardian*	Jarellis Jimenez
Teacher	Rosemary Vargas
Parent Coordinator	Milianeth Smith
School Counselor	Balbina Perez
Related-Service Provider	N/A
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

PS 5 has 8 ESOL certified teachers currently teaching ENL.

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

PS 5 has 2 teachers currently teaching a stand-alone ENL with both common branch and ESOL certification.

Number of certified ESOL teachers not currently teaching ENL:

PS5 has 0 ESOL certified teacher not teaching ENL currently.

Number of teachers who hold both content area/common branch and ESOL certification:

PS 5 has 8 teachers who hold both content area/ common branch and ESOL certification.

Number of ESOL certified teachers with a bilingual extension:

PS 5 has 2 teacher who holds both ESOL and bilingual extension certification.

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

PS 5 has 6 certified teachers with a bilingual extension currently teaching in a bilingual program.

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

PS 5 has 3 certified teachers with a bilingual extension not working in a bilingual program.

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

PS 5 has 4 teachers certified to teach students with disabilities who have a bilingual extension.

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

PS5 has 0 teachers with LOTE certification.

Total number of teachers with LOTE certification providing World Language instruction:

PS 5 has 0 teachers with LOTE certification who provide World Language instruction.

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

PS5 has 0 teachers with LOTE certification who provide HLA to students in bilingual programs.

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

The total number of students excluding pre-K is 332

Total number and percentage (%) of current ELLs:

The total number of current ELLs is 161. The total percentage of current ELLs is 48.5%

Total number and percentage (%) of former ELLs:

The total number of former ELLs is 17. The total percentage of former ELLs is 5.1%.

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

The total number of newcomers is 124. The total percentage of newcomers is 77%.

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

The total number of developing ELLs is 37. The total percentage of developing ELLs is 23%.

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

The number of long term ELLs is 0. The total percentage of long term ELLs is 0%.

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

The total number of SIFE is 4. The total percentage of SIFE is 2.5%.

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

The total number of ELLs with an IEP is 39. The total percentage of ELLs with an IEP is 24.2%.

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE	SC	Spanish	1990	.33	.33	.33	.33	.33	.33								1.98

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

P.S.5 offers an ENL Stand alone program. We have ENL Stand Alone classes in grades 1st, 3rd, 4th, and 5th where the students are grouped by grade. These classes are taught by Ms. McCord in 1st grade, Ms. Kydon in 3rtd grade, Ms. Ritter in 4th grade and Ms. Feng 5th grade. Students receiving stand-alone ENL instruction are grouped heterogeneously by proficiency levels based on their NYSITELL and NYSESLAT scores as well as parent choice. Classes are formed heterogeneously, where students with higher language proficiency serve as language models for those who perform at a lower proficiency level, they are also students with mixed proficiency levels. The stand alone support services are happening within the classroom. Our Stand-Alone program instruction is implemented following the guidelines of CR Part 154.2 Students also receive instruction from an TESOL certified teacher Ms. Hales or Ms. Camejo .

Integrated ENL:

PS 5 offers ENL services using an integrated model. Instruction is provided in accordance with the mandated services in CR Part 154. The classroom teacher and the ENL teachers (Ms. Hales, Ms. Camejo) conduct small group literacy instruction and/or content area instruction. The students in the Integrated program are grouped in mixed proficiency levels. Entering & Emerging students receive 4 periods a week of ENL instruction by the ENL teacher using the pull out program. Depending on need, the students can be of mixed grades The ENL teacher collaborates/ co-teaches with the classroom teacher in scaffolding the lesson and frontloading the vocabulary. We implement culturally & linguistically sustainable strategies that target academic language and vocabulary which will build upon students' foundational literacy skills in a meaningful comprehensive manner. Strategies such as, Accountable talks & academic conversations will be utilized throughout the school year which will lead to the development of foundational skills. In addition, the ENL classroom teacher, data coordinator & assistant principal analyze the NYSESLAT data by modality in order to continue developing the listening, speaking, reading and writing skills as needed. We make every effort to support all our MLLs by providing them with home language materials, books, dictionaries, glossaries, and test translations if needed. In the integrated model, students are grouped heterogeneously .Our Integrated ENL programs' instruction is implemented following the guidelines of CR Part 154.2 Entering students receive instruction from a TESOL certified teacher .

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

P.S. 5 has 2 Transitional Bilingual Special Education Self-Contained classes: 1 class is composed of Kindergarten, 1st and 2nd grade students and the other is composed of 3rd, 4th, and 5th grade students. The students placed in this program are provided with instruction in their home language and English. The percentage of language instruction in the home language and the New language is based on the NYSITELL and or the NYSESLAT scores and

Individualized Educational Plan (IEP). We also consider teacher observations, informal assessments and the number of years the student has been in a Transitional/Bilingual Program. The Transitional Bilingual teacher differentiates instruction during the Language Arts block in order to provide instruction that addresses a wide range of reading levels and language proficiencies both in English and Spanish. Note that the Mathematics language of instruction is Spanish with an English summary at the end of lesson. Students in grades 3-5 will be administered the New York State Mathematics Test in the language they are most comfortable and proficient. Students are grouped for mathematics instruction according to grade level and language. Therefore, students in these classes have different LAP models within the same class in order to meet their particular needs. Social Studies and Science are mostly taught in English with an introduction or a conclusion in the Home Language depending on the lesson and students' needs. In our TBE classes, students in the Entering level receive 180 minutes of Stand-Alone and 180 mins Integrated ENL/ELA, 180 minutes of HLA and a minimum of 2 content areas in Spanish. Emerging levels receive 90 min of Stand-Alone ENL, 180 and 90 (Flexible) minutes of Integrated ENL/ELA, 180 minutes of HLA and a minimum of 2 content areas in Spanish. Students in the Expanding Level receive 180 minutes of Integrated ENL/ELA, 180 minutes in HLA and a minimum of one content area in Spanish. Students in the Commanding Level receive 90 minutes of Integrated ENL in either ELA or Content Area.

Dual Language Bilingual Education (DLBE):

In order to close the academic achievement gap of our MLLs students, we implement a Spanish Dual Language Program in grades K-5. As we immersed ourselves in various research studies in the acquisition of a second language, it was evident that the students that participate in Dual Language Programs surpass the academic achievement of those in Freestanding ENL, TBE and Monolingual programs. The Dual language Team based their conclusion on the professional work and or research conducted by W.Thomas, V. Collier, S. Soltero, M. Calderon, N. Cloud, F. Genese and E.Hamayan to named a few. The language of instruction will alternate every other day resulting in a 50-50 language distribution. For example, a group of students will receive all instruction in English on Monday and Spanish on Tuesday and so on. The Dual Language class will be comprised of approximate MLLs is of the utmost importance since the integrated students will serve as language role models for each other.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

The school ensures that the mandated number of instructional minutes is provided by following the CR Part 154.2 guidelines. We presently have a ML/ELL team composed but not limited to : the principal. AP. ENL teacher, Data specialist/Math coach, ELA coach. The team meets to discuss programing with the classroom teachers, this action plan is followed by individual meetings between the AP and classroom teachers. The Assistant Principal then reviews program cards and meets with teachers at the beginning of the school year on an individual basis, additional meetings are held throughout the year if needed, to ensure that the number of mandated instructional minutes is provided according to proficiency level and program model. The classroom teacher provides the mandated ENL instructional minutes under CR Part 154.2: 360 minutes per week for Entering and Emerging students and 180 minutes per week for Transitional and Expanding MLLs. Entering MLLs receive 180 minutes of Stand-Alone ENL; 180 minutes of Integrated ENL/ELA; 45 minutes of HLA; and a minimum of 90 minutes of Bilingual Content Area Subjects. Emerging MLLs receive 90 minutes of Stand-Alone ENL; 180 minutes of Integrated ENL/ELA; 45 minutes of HLA and a minimum of 90 minutes of bilingual Content Area Subjects. Transitioning MLLs receive 90 minutes of Integrated ENL/ELA; 45 minutes of HLA; and minimum of 45 minutes of bilingual Content Area subjects. Expanding MLLs receive 180 minutes of Integrated ENL/ELA; 45 minutes of HLA; and minimum of 45 minutes of Bilingual Content Area Subjects. Commanding MLLs receive 90 minutes of Integrated ENL/ELA/Content Area. Evidence of progress monitoring for commanding students include but is not limited to conference notes, formative assessments, writing samples & portfolios. The Assistant Principal reviews all classroom programs. In the event remote learning is needed, the school would ensure the students receive the mandated services in the ENL programs. Entering & Emerging students would receive 360 minutes of ENL instruction. Transitioning & Expanding students would receive 180 minutes of instruction, while commanding students would receive 90 minutes of ENL instruction.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

English Language Arts (ELA) and English as a New Language (ENL) Instruction

ELA Delivery in Our Building
ELA instruction is delivered daily, with students receiving dedicated periods focused on foundational skills, literacy, reading, writing, and small group instruction. We use the EL Education curriculum, which supports a comprehensive and engaging approach to English Language Arts. Foundational skills are taught explicitly and integrated into literacy blocks, ensuring students build the necessary components for strong reading and writing.

During ELA instruction, integrated ENL minutes are delivered through push-in support and targeted small group instruction. ENL teachers collaborate with classroom teachers to support language development and academic content simultaneously, ensuring that English Language Learners (ELLs) are fully supported in accessing grade-level material.

Our bilingual and dual language classrooms operate on a daily rotational schedule, alternating between Spanish and English instruction. This structured approach ensures that students develop strong literacy skills in both their native language and English, aligning with state mandates and best practices for dual language education.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

The Dual language model implemented at PS5 is the self-contained model. The language of instruction will alternate every other day resulting in a 50-50 language distribution. For example, students will receive instruction in English on Monday, and Spanish on Tuesday , alternating day would ensure an equal distribution of language of instruction. The Dual Language classes will be comprised of approximately 50% of English Proficient students (EPs) and 50% of English Language Learners. We believe that the integration of the EPs and MLLs is of the utmost importance because students will serve as language role models for each other.

b. In which language(s) is each core content area taught?

Content area are taught in both languages, English & Spanish Math is predominantly taught in Spanish, as well as Social Studies. Science is taught in English by our Science cluster.. Our DL language model is self-contained. If needed a summary of the content area would be provided in English.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

The Transitional Bilingual special education self- contained teachers differentiates instruction during the Language Arts block in order to provide instruction that addresses a wide range of reading levels and language proficiencies both in English and Spanish. Note that the Mathematics language of instruction is Spanish with an English summary at the end of lesson if needed. Social studies is done the same way. Science is taught by the Science cluster, She teaches Science in English with a summary in Spanish if needed. Students in grades 3-5 will be administered the New York State Mathematics Test in the language they are most comfortable and proficient in
. Students are grouped for mathematics instruction according to grade level and language. Therefore, students in these classes have different LAP models within the same class in order to meet their particular needs. Social Studies and Science are mostly taught in English with an introduction or a conclusion in the Home Language depending on the lesson and students' needs

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

124, 77%
Effective instruction for Newcomers focuses on building foundational language skills and basic academic vocabulary, often using more visuals and hands-on activities. For Developing or Long-Term ELLs, instruction is more focused on academic language, critical thinking, and content area knowledge, with less emphasis on basic language structures.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

4, 2.5%

Effective instruction for SIFE (Students with Interrupted Formal Education) involves addressing gaps in both language and academic skills. Strategies include:

1. Scaffolded lessons: providing structured support with visuals, graphic organizers, and step-by-step instructions.

2. Building background knowledge to help students connect learning to prior life experiences and cultural contexts.

3. Flexible grouping in mixing students in various group settings to encourage peer support and collaborative learning.

4. Focus on language development, emphasize vocabulary and basic language structures while reinforcing academic content.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

0, 0%

Effective instruction for Long-Term ELLs focuses on refining academic language and critical thinking skills, often incorporating more complex texts and higher-level tasks. In contrast, instruction for Developing ELLs still emphasizes building basic language proficiency, with more support in vocabulary and sentence structure.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

17, 5.1%

Our school provides mandated instruction to former ELLs by offering ongoing language support through sheltered instruction and content-based classes that continue to reinforce academic language. We also provide access to targeted resources like after school programs, language workshops, and opportunities for peer collaboration to ensure they maintain and strengthen their language skills as they transition fully into mainstream academic environments.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

The at-risk indicators impacting the greatest number of ELLs are: Newcomer ELLs with less than 3 years of ELL services (77%), ELLs in Temporary Housing (39.8%), and ELLs not demonstrating sufficient ELP progress (39.1%)

When comparing the data to the one from the previous school year (2023-24 v. 2024-25), we can say that:
The % of Newcomer ELLs at PS5 has decreased by approx. 4.3% points (81.2% to 77%);
The % of ELLs in Temporary Housing has decreased by approx. 3.4 % points; (43.2% to 39.8%)
The % of ELLs not demonstrating sufficient ELP progress has increased by 13% points from 26.1% to 39.1%.

When it comes to “state test related” at-risk indicators, the % of ELLs scoring at level 1 or 2 in SY23-24 were 26.1% in ELA and 24.8% in MATH.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

The at-risk indicators impacting the greatest number of ELLs are: ELA: Former ELLs who scored level 1 or 2 last school year (23.5%), MATH: Former ELLs who scored level 1 or 2 last school year (11.8%), MATH: Former ELLs who scored level 1 or 2in SY 2022-23 and 2023-24 (11.8%)

When comparing the data to the one from the previous school year (2023-24 v. 2024-25), we can say that:

The % of ELA: Former ELLs who scored level 1 or 2 last school year at PS5 has decreased by approx. 5.1% points (28.6% to 23.5%)

The % of MATH: Former ELLs who scored level 1 or 2 last school year increased by approx. 4.7 % points; (7.1% to

11.8%)

The % of MATH: Former ELLs who scored level 1 or 2in SY 2022-23 and 2023-24 (11.8%) increased by 11.8 % points from 0% to 11.8%.

When it comes to “state test related” at-risk indicators, the % of ELLs scoring at level 1 or 2 in SY23-24 were 23.5% in ELA and 11.8% in MATH.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

For two consecutive years, the top 3 students’ home languages at PS5 are Spanish (90.6%), Guianese Creole (0.4%) and French (0.3%).

It is important to note that in SY 2024-25, 3 of 7 Guianese Creole speaking students are in K-2. This means that there is a concentration of approx. 42.8 % of the Guianese Creole speaking students at the Early Childhood grade bands at PS5.

PS 5 has more than 50 percent of the staff who are bilingual. We have office personnel, school safety, teachers, school aides, custodial, cafeteria staff, and a bilingual parent coordinator. As parents enter the building they are greeted in both languages and taken to the correct staff. Main office has school secretaries who are bilingual as well as other support staff available. Robo calls and all correspondence are sent home in both languages. During parent teacher conferences, bilingual personnel are assigned to every class. Translation services are contracted for the other languages for PTA meetings, and testing. Academic wise, both math programs exist in both languages. Libraries (physical and virtual) have a vast extension of books in several languages. All mentor texts are selected by making sure that these books are in both languages. Social Studies, Mathematics and Science curriculum are available in both languages. Software is being use to communicate with parents and students for those languages not spoken by the teacher or other staff.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

As per information provided by families during the enrollment process, 90% of our current ELL families identify themselves as Hispanic ELLs.

Within the Hispanic ELLs, the top 3 categories in the 2024-25 Ethnicity Breakdown are: 53.8% Multiracial; 27.6% Hispanic White; and 9% Hispanic Black. This is similar to the top 3 in the ethnicity breakdown in SY 2023-24 with 44.7%, 33.5%, and 13.7% of Multiracial, Hispanic White and Hispanic Black respectively.

The top 2 in the ethnicity breakdown of the Non-Hispanic ELLs in SY 2024-25 are: 87.5% Non-Hispanic Black with an even tie between Non-Hispanic White and Asian both at 6.3%. This is similar to the top 2 in the SY 2023-24 Ethnicity Breakdown with 73.3% Non-Hispanic Black with an even tie between Non-Hispanic White and Asian both at 13.3%. respectively.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

As per NYSESLAT 2023 and 2024 results, the % of ELLs exiting their ELL status (ELP method 1) has decreased from 14.5% to 9.8%.

Similarly, the % of ELLs meeting annual growth targets (ELP method 2) decreased in 2023 to 2024 from 21.1% to 8.5%

There was a 1% increase in ELL students who made ELP progress by meeting safe harbor cumulative targets - from 3.9% in 2023 to 4.9% in 2024.

The ELL students not meeting ELP progress by any of the three methods has increased by 16.3%, from 60.5% to 76.8%

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

The % of students exiting their ELL status has decreased by 3.8%, from 10.3 % in NYSESLAT 2023 to 6.5% in NYSESLAT 2024. Additionally, expanding level ELLs and entering level ELLs continue to be the groups with the highest and the lowest representation in our school, respectively.

While the % of students scoring at the expanding (29.9% to 23.6%) and transitioning level (29.9% to 25.2%) has decreased, the % of students scoring at the emerging level (19.6% to 25.2%) and entering level (10.3% to 19.5%) has increased in our district.

The % of students at the transitioning and emerging levels are still the highest ones at our school.

2024 NYSESLAT results indicate that 13.79 % (4) of the expanding level ELLs were between 1 to 10 points away from scoring commanding while 34.4% (10) were less than 20 points away from scoring commanding and exiting their ELL status. These are the students that are closer to reaching English proficiency and exit their ELL status.

Additionally, 29% (9) of the ELL students who scored at the transitioning level were 10 or less points away from scoring expanding.

Based on the 2024 NYSESLAT results, 13% of the ELLs in our school scored HIGH (90% or more questions correctly) in the reading modality followed closely by the listening modality with 12.19% of our students scoring HIGH. This is approx. double the % of ELLs scoring HIGH in writing (6.5%). In regard to the speaking modality, 10.56% of our students scored HIGH.

Although writing continues to be the area where fewer ELLs can answer 90% or more of the questions accurately, our 1st grade level was the grade to score HIGH with the highest percentage in writing.

Overall, based on “modalities of strength” data, grades 1 & 5 have the highest percentages of ELL students answering 90% or more of the questions correctly across modalities. Contrarily, grades K and 4 have the lowest percentage of ELLs scoring HIGH across modalities.

Not only fewer ELLs scored HIGH in writing, but also a significant number of them are scoring LOW (15% or less

questions accurately) in this modality. As per 2024 NYSESLAT results, 1029 (30.6%) ELLs in our district scored LOW in writing. This means that one third of our ELLs are really struggling with writing.

While reading the modality with the largest % of ELLs scoring HIGH, the writing modality is the largest % of ELLs scoring LOW. As per 2024 NYSESLAT results, 32.5% of ELLs answered 15% or less questions in this modality correctly followed closely by the speaking modality wit 31.7% of ELLs scoring LOW. Grades 2 and 3 have the largest numbers of ELLs scoring LOW in the writing modality.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

74.4% of all of the ELLs, including those who scored commanding on the 2024 NYSESLAT, scored a 1 in the 2024 ELA state test. This is 1.9% less than the % of ELLs who scored a 1 in the 2023 ELA state test (76.3%).

2.32% of expanding and commanding level ELLs, scored proficient (level 3 and 4) in the 2024 ELA state test. This is 28 % less than the % of expanding and commanding level ELLs who scored proficient in the 2023 ELA state test (10.9%)

38.1% (21) of the ELL students who took the 2024 MATH state test, including those who scored commanding on the 2024 NYSESLAT, scored a 1 in this test. This is approx. 13 percentage points less than the % of ELLs who scored a 1 in the 2023 MATH state test (51.1%, 22).

Less ELL students scored proficient (levels 3 or 4) in the 2024 MATH state test, going from 11.6% in 2023 to 10.9% 2024.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

Trends in NYSESLAT results for subgroups like ELLs with IEPs and SIFE are showing slower progress in language proficiency compared to their peers, with ELLs with IEPs typically facing additional challenges due to learning disabilities and language barriers. SIFE students may struggle with academic gaps due to interrupted schooling, impacting their ability to grasp complex academic language and concepts.

Factors affecting these results include limited prior schooling, inconsistent exposure to grade-level content, and the need for tailored instructional strategies that address both language development and special education needs. Additionally, insufficient time for language acquisition and limited resources or support services may also contribute to these challenges.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Providing English Language Learners (ELL) with a high-quality academic experience that leads to deeper learning involves a multifaceted approach. PS. 5 uses differentiated instruction that meets the diverse needs of ELL students at every proficiency level. This includes providing modified visuals, graphic organizers, and bilingual support when possible. During the lessons students are provided with scaffolds such as sentence starters, and tasks with step by step instructions with visuals. Our classrooms are equipped with technology that supports language acquisition and content understanding. These devices have translation tools, and interactive software that makes learning more accessible and engaging. Collaborative learning helps ELL students practice language skills with their peers in an either social or academic context. In our school we strive to create an inclusive environment where all cultural backgrounds are valued and incorporated into every aspect of a lesson in all subjects.

While using our EL curriculum this year, in accordance with the NYC Reads initiatives we are ensuring that all students receive the most effective reading instruction through materials and methods. We use a phonics based reading curriculum backed by the Science of Reading.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The Instructional Leadership Team is comprised of the Principal, Assistant Principals, Literacy Coach, Math Coach, and ENL Coordinator. Our ENL Coordinator and Math Coach both also support with the Special Education department representing that demographic in our meetings. The ILT meets weekly to review and discuss MLLs' data in all subjects. During these meetings current research based instructional materials, appropriate assessments, and CEP goals are discussed to make sure it is inclusive and equitable to all ELL students. Making sure that language support strategies and culturally relevant materials are imbedded into the lessons. Ongoing professional development for all teachers are discussed focusing on ELL strategies to ensure that teachers are enhancing their teaching practice that would benefit MLLs. Teachers have weekly collaborative planning time in their grades to ensure that General Education, English Language Learners, and Special Education teachers can integrate their expertise for language development and content goals. Data driven meetings with teachers are established to monitor how ELLs are progressing in accessing the core curriculum. In these data driven meetings, decisions are

made on how to effectively allocate resources to address ELL students specific needs. As a team we are always researching ways on how to foster a school culture that values diversity and inclusion. We provide support and resources to families in their native languages to help ensure that students receive academic support at home.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

P. S. 5 offers ENL programs including Freestanding Stand-alone, Integrated models, Transitional Bilingual, and Dual Language programs. Grades 1st, 2rd, 4th, and 5th have Freestanding Stand-alone classes, with Integrated ENL instruction in grades Kg, 2nd, 3rd, and 4th based on parental choice and NYSITELL/NYSESLAT scores. Students with higher proficiency help lower proficiency students in heterogeneously formed classes. Former MLLs receive their mandated two years of services after testing out of the NYSESLAT. They can receive this service in a flexible manner via an Integrated Model or via an Alternative Pathway. At PS5 the students receive their service in an Integrated Model. TBE programs offer instruction in home language and English, with Math taught in both languages. Different levels of English proficiency receive different amounts of instruction in English and Spanish. Dual Language Program ensures a 50-50 language distribution among students. ELA/Social Studies and Mathematics are taught in both languages on alternate days.

PS5 emphasizes making content and language accessible for ELLs in DL, TBE & ENL programs to meet NGLS standards. Instructional practices include Learning Targets, Checking for Understanding, Discussion and Question protocols and more to empower student literacy. Instructional scaffolds are used in lessons to support the NYC Reads initiatives. The Science of Reading is implemented through various methods like read aloud, small group instruction, and independent reading. Math instruction focuses on deep conceptual understanding, building fluency, and real-world problem-solving. Accountable talk or instructional conversations are practiced to develop language skills. Language prompts and discussions enhance students' oral and written expression in both English and Spanish. Academic language development is a priority in all content areas to support student success.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English

language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Teachers recognize that not all English Language Learners (ELLs) have the same needs, which can be influenced by the child's proficiency in their first language and English. Assessing students' language abilities helps teachers identify areas where support is needed, whether in conversational or academic English. Strategies include reinforcing proficiency in the home language to aid English development, promoting advanced literacy skills, embracing cultural connections, and integrating language skills across all subjects. Using technology like Google Translate and Imagine Learning also enhances learning. Involving families as resources, employing instructional partnerships, shared reading, vocabulary development, and various scaffolding techniques benefit ELLs. Math instruction includes the Three Read Protocol and activities like "Which one doesn't belong? " for deeper understanding. ELLs with Individualized Education Plans (IEPs) receive specific support through programs like Fundations phonics, Heggerty, S.P.I.R.E, Happy Numbers for math, and resources in their home language. Fun Hub portal, MyOn reading platform, and guided literacy instruction in both languages further assist these students. Small group instruction is customized based on language proficiency and educational requirements for Students with Interrupted Formal Education (SIFE).

b. SIFE

We have 4 SIFE student enrolled for the school year 2025/2026, Students are evaluated using the SIFE screeners by the ENL service provider. Once the instructional Team reviewed the data and make the SIFE decision, the ENL teachers who are bilingual pedagogues will provide intervention three times a week in small groups. In the classroom, SIFE students would then receive a 50/50 model for instruction provided by classroom teachers. The Dual language class teachers differentiate instruction throughout the day in order to provide instruction that addresses a wide range of reading levels and language proficiencies both in English and/or Spanish. This differentiation would help address the needs of SIFE students. The focus on the differentiation during literacy is contingent upon the student's academic level in the home language. In Literacy the development and/or strengthening of foundational skills, phonics instruction is paramount in the home language, to that end, The" Estrellita" Phonics program is utilized as a Tier 1 program, their supplemental program "Escalera" addresses the varied needs of our SIFE students who have different levels of the home language proficiency.. Guided literacy at his/her instructional reading proficiency and Independent reading is also a part of the Literacy Block. In addition, teachers also scaffold their general curriculum lessons to make the content accessible to all students, while engaging in grade level content.. Scaffolding for SIFE students(grades 3-5) includes but is not limited, the use of many visual scaffolds and manipulatives and realia where possible, providing students with graphic organizers at different levels, including basic Venn Diagrams to more complex T-Charts on inferring, to help them focus and the use of anchor charts in the classroom to provide ease of access to key information needed for understanding lessons. Sentence prompts & discussion sparks in increasing difficulty level as students progress are often utilized to help address the needs of SIFE students.

Examples of some strategies/scaffolds that SIFE students use: a) Sentence Building Activity : Students build sentences to add detail, explanation, and elaboration using, who, what, where, when, why, and how. They learn to improve clarity and metacognitive skills. b)Take notes from an illustration or a photo: Students label the illustrations using words, and phrases. Students use their notes to write sentences/paragraphs about what has been learned from the illustration. c)Think About Images Template (variation from Social Studies Passport Curriculum). Students complete a chart that includes: What I See/ What I Think? Questions I have. d) The Frayer Model : Uses a graphic organizer to help students build vocabulary words or concepts. It includes Definition/Characteristics/Examples. e) Quick draw/Quick write: It is a timed activity where the student is asked to respond to a piece of text through illustrations and/or writing. The emphasis is on content rather than the correct grammatical structures, spelling and punctuation.

In order to assist SIFE students in reaching the grade level performance in Mathematics, students will take part in

daily small group instruction. If the intervention support is found to be at a much higher level than what the student is able to do then the teacher analyzes the standards and select materials from the lower grade curriculum to scaffold the concept being taught. The teacher designs instruction that addresses the lower grade skills not acquired yet but necessary to improve academic performance and reach grade level.
Common planning within the grades enables teachers to discuss and consult with others about strategies and curriculum approaches that have been implemented successfully for this population. Some assignments and course structure may be set as ungraded work so that students can work at their own pace. The Home Language and New Language Arts Progressions are analyzed in order to adjust lessons according to the student's language proficiency levels. We also place close attention to the socio- emotional needs of our SIFE students as they acclimate to the new educational system. Most of our students enter the NYC public school system from Latin America & Caribbean countries. We have created a plan to ease their transition. The ENL teacher who does the initial intake is a Spanish speaking pedagogue. She relates to the students & their families in their native language. After the students are placed in classes, she assigns students in a particular class to assist the new SIFE in the daily activities in the classroom/school. The ENL teacher or the bilingual guidance counselor meet with SIFE either formally or informally during the first two months of their enrollment to discuss their concerns, questions and/ or issues as they navigate the new educational to the system.

c. Newcomers

Teachers differentiate instruction during the Literacy block in order to provide instruction that addresses a wide range of reading levels and language proficiencies both in English and/or Spanish. Students are also grouped according to academic level and English Proficiency Level, NYSITELL & NYSESLAT scores are used, in order to address the academic and language needs of these students. In the event that students' language proficiency level is transitioning in the NYSITELL, they would receive instruction as per CR Part 154-2 (K-8) ENL/ELA 90 minutes either Stand/Alone or Integrated and 90 minutes of content area instruction. Small literacy groups provide instruction using texts at the student's instructional level. The Estrellita phonics Program in Spanish is implemented as needed in Dual Language/TBE Programs . Teachers also scaffold their general curriculum lessons to make the content accessible to all students. Scaffolding for Newcomer students includes but is not limited to using the use of many visual scaffolds and manipulatives and realia when necessary, providing students with graphic organizers at different levels, including basic Venn Diagrams to more complex T-Charts on inferring, to help them focus, the use of anchor charts in the classroom to provide ease of access to key information needed for understanding lessons and pairing lower English proficiency ELLS with higher English proficiency MLLs to provide positive language modeling.

The following are examples of scaffolds used to assist students in reaching grade level performance: a)Sentence Building Activity b) Take notes from an illustration or photo. Think about images template . c) The Frayer Model . d)Quick Write/Quick Draw . The above scaffolds are used in either Spanish or English depending on the student's language proficiency level.

In Mathematics the teacher examines the grade level standards and aligns it to the concepts that students need to know. The teacher assesses the students and determines level of performance. The teacher designs lessons that help struggling students using materials from lower grade level if needed. Students are grouped according to their level of performance and receive mathematics instruction in the home language.

We also place close attention to the socio- emotional needs of our newcomers as they acclimate to the new educational system. Most of our students enter the NYC public school system from Latin American & Caribbean countries. We have created a plan to ease their transition. The ENL teacher who does the initial intake works closely with the literacy coach who is a Spanish speaking pedagogue. She relates to the students & their families in their native language. After the students are placed in classes, the teacher assigns students in a particular class to assist

the newcomers in the daily activities in the classroom/school. The ENL teacher or the bilingual guidance counselor meet with newcomers either formally or informally during the first two months of their enrollment to discuss their concerns, questions and/ or issues as they navigate this new educational system.

d. Long Term ELLs

Long Term ELL's: We do not have Long Term MLLs at the present time; however, we have an educational plan to address the needs of Long term MLLs Long Term ELLs would receive small group instruction in Literacy & Math if needed. They would be grouped based on reading, language and Math proficiency levels. They would also be part of the RtI (Response to Intervention) groups, during the RtI small group instruction, the students will be exposed to grade level material . In addition, their classroom performance data would be analyzed by the Instructional Team, information would be disseminated to classrooms teachers to further differentiate instruction to meet their individual needs. Their performance would also be analyzed by the grade level inquiry team to track their progress & adjust instruction.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

The diverse needs of ELLs who are also Students with Disabilities are met by making curricular, instructional and schedule flexibility decisions that will allow them to achieve their IEP goals and attain English Language Proficiency in the least restrictive environment by adhering to certain guidelines.
For example, PS 5 staff makes decisions regarding intervention practices, level of intervention support and implementation support after having thoroughly reviewed students' IEP as well as current language proficiency. Next, the school determines how to support these students in the least restrictive environment by considering assessment scores, data from Responses to Intervention (RTI) implementation and Language Allocation policy procedures. Instruction delivery is followed using RTI and its three-tier model:
1. Tier I intervention involves the classroom teacher, ENL, SETSS (Special Education Teacher Support Service)and /or related service personnel differentiating instruction and modifying/accommodating instructional materials in the classroom to address student needs. Student progress is tracked using various forms of assessments which begin with our universal screener, running records and curriculum based assessments. Also at this tier, related services providers (speech and language, occupational therapist can assist teachers in providing strategies, expertise and to classroom teachers to work with students for whom they suspect are having delays.
2. Tier II intervention involves the provision of small group instruction by one or all the personnel included above, only this time, instructional approaches include using specialized design instructional practices that are scientifically based and include progress monitoring. After carefully monitoring the students' data to determine progress or lack thereof, SIT (School Implementation Team along with IEP Team and parent (s), decides the next steps to be followed. If it is determined that all available support has been provided, including those stipulated on the IEP, a meeting to discuss the possibility of reevaluating students to determine whether additional services are necessary.
Frequent data review, and communication with the support team allowed for adaptations of intervention prior to a referral.
When exhausting all options and determining that the ELL student requires a referral for possible Special education services, a thorough and comprehensive bilingual evaluation is conducted that includes, but is not limited to: the teacher referral, review of student data, school records/history, and a social history intake with the parent, a classroom observation, and a psycho-educational evaluation. During the IEP meeting, program recommendations are made after considering the ELL's needs and how they may be addressed within the Least Restrictive Environment (LRE).
PS 5 has Integrated Co-Teaching (ICT) classes in grades K, 1, 2, 3, 4 & 5, consistent with the federal mandates of the Least Restrictive Environment (LRE). These programs are designed by incorporating high performing students into the general education population, as peer models for our Students with a Disability (SWD). In addition, consistent

with the NYSESLAT results ,all identified and
Eligible ELL-SWD are integrated into their appropriate ICT or the 12:1:1 program, where instruction is conducted in English with ENL support services. The classroom teachers and ENL providers also have access to additional information of the SWD's by means of the IEP, as available electronically via the Special Education Student Information System (SESIS).
In addition, to assist all personnel involved in understanding each student's goals classroom teachers are part of the IEP team where the psychologist, social worker, service providers, parent, a special education teacher, a district representative (administrator) and a parent representative create long term goals and program recommendations as per IEP. Often, our SWD requires multiple related services such as; Speech & Language Therapy, Occupational and/or Physical Therapy and/or Counseling. Therefore, the ENL teacher uses the integrated model to maximize instructional time in the classroom.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Transitional Bilingual Education (TBE): Our Transitional/Bilingual Program is offered only to our self-contained special education classes. The students placed in this program are provided with instruction in their home language (Spanish) and English as per IEP. Home language is assessed through screener tests like iReady, Estrellita assessment 3 times a year; math: mid unit summary checkpoints, end of unit assessment.

Dual language: Screener test iReady in math and reading (3 times a year); Estrellita assessment 3 times a year; published writing pieces, math- alternate language mid unit summary checkpoints, end of unit assessment.

In the ENL program even though all the instruction is in English, every effort is made to provide ELLs with materials written in the home language, books, dictionaries, glossaries, and test translations if needed. The students in the Free Standing program have access to classroom libraries in the home language represented in their classrooms. Whenever possible, the students would have access to the texts in their home language so they can tap into their prior knowledge of home language for academic vocabulary support. Students have the flexibility to collaborate with their peers using the home language if needed in small groups. In the ENL program model, the home language is not assessed.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Ps. 5 systems and structures for supporting collaboration among teachers for the ELL programs are the following:
1. Throughout the week teachers have regular schedule meetings where ELL and General education teachers co-plan lessons, discuss student progress and align instructional strategies.
2. Teachers share digital platforms where they co-develop lesson plans, share resources, and track student data.
3. All teachers participate in professional development opportunities where the focus is on ELL instructional

strategies and culturally responsive instructions
4. All teachers on the grade utilize data from assessments to inform differentiated instruction strategies that address the diverse needs of ELL students.
5. Vertical Dual language teams meet to review curriculum alignment, pacing, and consistent strategies that would support students moving on the next grade.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

P.S. 5 is a professional learning community that values life-long learning. We share a collective focus on student achievement, and regularly engage in reflective dialogue, collaborative planning, and welcome transparency in practice. Teachers' planning will strategically provide opportunities for independent practice and instructional support during lessons, with the aim of building students' persistence through new or challenging tasks. Students' persistence can be built through the implementation of appropriate scaffolds, such as presenting the task in smaller chunks with a checklist, where students receive frequent feedback aligned to that checklist. Another example is having students read books at their proficiency level with a partner or independently, that presents information about the same topic that will be discussed at grade level with the class. Also presenting the academic vocabulary in different ways (videos, charts, kinesthetic) to enhance understanding of it. Professional development is provided in numerous formats, including workshops (both on and off site), asynchronous, synchronous, collaborative planning grade meetings, coaches and/or outside consultants, one-on-one coaching sessions, and classroom inter-visitations.

The staff will focus on the areas of language acquisition such as phonological syntax, morphological skills and pragmatics, semantics, vocabulary and comprehension. Teachers of ELLs and/or administrators will attend workshops offered at the district level by the Division of Multilanguage Learners as it applies to their particular need of improving teacher practice. Our TBE, DL and ENL teachers participate in all of these models alongside their monolingual general education and Special Education colleagues.

Teachers are also afforded opportunities to meet as a cohort to participate in texts studies.
We will examine and discuss the manual "A Guide to Supporting English Language Learners- EL Education " The purpose of this document is to provide guidance for teachers and administrators—to plan scaffolds for our ELLs in alignment with the EL curriculum. This guide will provide the following:

Suggestions for how both general education teachers and ELL specialists can scaffold the content of the modules for use with ELLs, with fidelity to the standards.

Suggestions for addressing key areas of ELL instruction using the modules: complex text, pacing, and vocabulary instruction

A model for designing scaffolds for any curriculum on the lesson and unit level for ELLs.

A "database" of general scaffolding supports and samples of scaffolded module lessons and units

Another text that we will use as reference through out the school year is the text titled, Cultivating Knowledge, Building Language-Literacy Instruction for English Learners in Elementary School by Nonie K. Lasaux and Julie R. Harris. This is a research knowledge-based approach to literacy instruction in which the authors believe that by

going deeper and making connections in instruction, the educational system will be closer at closing the opportunity gap among ELLs.
Some of the chapters that we will focus on are:
CH 1-What We Know About Reading Development Among English Learners.
CH 5- Develop Academic Content Knowledge by Studying Big Ideas.
CH 6 - Develop Academic Vocabulary Knowledge by Studying a Small Set of Words deeply.

The social emotional needs of MLs/Ells is addressed through the development of character. Teachers take part in PD that examines the integration of character with the academic curriculum.
The EL Education Language Arts curriculum addresses three dimensions of student achievement:
The mastery of knowledge and skills (a deep understanding of content; the ability to apply learning to new tasks, to think critically, and to communicate understanding effectively)
Character (working to become effective, ethical people who contribute to a better world) is being focused through the Habits of Character lessons embedded in the daily EL lessons.
High-quality student work (creating complex work that reflects higher-order literacy skills, demonstrating craftsmanship, and creating authentic work)

As teachers implement the academic curriculum, the goal in terms of Character is to achieve the following:
Students work to become effective learners: develop the mindsets and skills for success in college, career, and life (e.g., initiative, responsibility, perseverance, collaboration)
Work to become ethical people: treat others well and stand up for what is right (e.g., empathy, integrity, respect, compassion)
Contribute to a better world: put their learning to use to improve communities (e.g., citizenship, service)

Teachers and Leaders
Elevate student voice and leadership in classrooms and across the school
Make habits of scholarship visible across the school and in daily instruction
Model a school-wide culture of respect and compassion
Prioritize social and emotional learning, along with academic learning, across the school

The Assistant Principal Supervising ELLs will continuously review workshops offered by the district. These workshops will ensure that bilingual teachers, ENL teachers and non-ELL teachers receive the required professional development hours that must be dedicated to language acquisition in alignment with core content area instruction, including a focus on best practices for co-teaching strategies and integrating language and content instruction for ELLs.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

As per CR Part 154.2 regulations all teachers receive 15% and or 50% of total PD hours specific to ELL professional development. Teachers attend Monday's PD from 2:30-4:00 pm. Also they attend PD's conducted by The Division of Multilingual Learners. The MLL Lead turns key information gathered at professional development sessions. The

ELA coach also turn keys any ELL related information to DL & ENL teachers during the vertical meetings once a month. We advertise PD opportunities conducted by CTLE state providers. For example we advertise professional development offerings specifically for teachers of ELLs given by the UFT for teachers can accumulate their mandated professional development hours. Teachers are encouraged to maintain records and update their TEACH account.
Professional Development Records are maintained in the following manner:
A) Lead teachers in each grade maintain weekly agendas reviewed during collaborative planning on the Google Drive in their individual grade folders.
B) 80 Minute PD/ All Day Chancellor PD/Grade Monthly Meetings/Individual PD/Monthly Faculty Conferences: A binder with agendas and
attendance records are kept current in the Coach's office.
C) Instructional Team Meetings: Agendas and attendance records are maintained on the instructional team's Google drive folder.
D) In the event of Remote Learning, grade level PD agendas are posted in Microsoft Teams by the assistant principals and saved in their electronic records.
E) Teachers participate in cycled text studies. Text studies focus on instructing ELLs students.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

iReady assessments are utilized to universally screen our students in English and Spanish at the beginning, middle, and end of the school year (BOY, MOY, EOY). These assessments are analyzed at the school, grade, class, and student levels for a variety of purposes. School and grade-wide analysis allow school leaders to make strategic decisions regarding curriculum and professional development, while class and student level data are used to make instructional decisions, such as grouping in the classroom, as well as Response to Intervention decisions for students (Tiers 1, 2). Acadiance progress monitoring is administered every two weeks to ELLs in tier 2 or tier 3 groups.
iReady also provides the ability to monitor students' progress through the years as well as to obtain assessment data from students transferred to us from schools using this adaptive formative tool. One of the most important advantages of this assessment is the capacity to obtain reports instantly right after students are tested. The program has the mission to help children develop a love for reading by motivating reading and increase student literacy. Tracking growth in a consistent manner, iReady reports provide rich data about students' literacy skills and reading development through targeted analysis of class diagnostics and summary reports that inform teacher planning.

Acadience (K-2; three times a year) is another tool use to guide instructional planning . Teachers examined the data and plan literacy centers for students to develop their foundational skills in ELA. This data is also use to make decisions as Response for Intervention -Tier1.
ELA: I-Ready : grades 3-5. Three times a year.
Math: I-Ready grades K-5. Three times a year

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

The school implements consistent instructional practices to support ELL students in reading, writing, speaking, and listening. This includes literacy activities such as discussion based protocols, close reading, text-based vocabulary instruction, and reading analysis. PS. 5 aims to make content comprehensible for ELLs, following research-based instructional shifts in literacy. Students participate in online reading quizzes, and teachers use STAR Reading and Early Literacy Assessment to group students for individualized instruction. Baseline, mid-year, and end-of-year literacy assessments are conducted, with Tier 1 core instruction focusing on differentiated instruction in the general education classroom.

In ELA, PS. 5 uses the Expeditionary Learning ELA curriculum, with students working in small literacy centers and

using the I-Ready platform for independent learning. The school provides support through Reading Group FACIL to enhance decoding and reading comprehension skills. Students also engage in the Estrellita program for Spanish reading instruction.

Tier 2 intervention includes programs like S. P. I. R. E. and Spanish Reading Intervention for students needing additional support. S. P. I. R. E. incorporates research-based practices for reading and language development, while the Estrellita program targets phonemic awareness, phonics, and fluency across all tiers. TIER 3 intervention offers intense support for struggling readers after TIER 2 intervention.

Writing skills are developed through mentor texts, real-world writing tasks, and individual student conferencing. Students receive clear, step-by-step instruction and use various resources like story maps and Venn diagrams to organize their thoughts.

In Mathematics, students engage in Happy Numbers and iReady, with differentiated support based on individual math levels. High leverage instructional practices include activities like “Which One Doesn’t Belong? ” and the three-read protocol for math problem-solving. Targeted small group instruction time allows students to learn math at their current level through various activities.

Language is integrated into all content areas, emphasizing oral and written communication skills. Reading/writing instruction is connected to Social Studies and Science to enhance academic and linguistic development.

To address the socio-emotional aspect of education, PS. 5 implements RULER Emotional Intelligence program, focusing on recognizing, understanding, labeling, expressing, and regulating emotions. Teachers receive training to model coping strategies for students. The Children’s Aid Society provides support through enrichment programs and services aimed at removing barriers to learning and development. Students also participate in Habits of Character lessons during ELA periods.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school’s plan for MLs/ELLs.

Using data to guide instruction for English language learners within a multi-tiered system of support framework involves a comprehensive approach that ensures each student's linguistic and academic needs are met effectively. 1) Initial assessment, at the beginning of the year all ELLs student undergo universal screening to identify their current levels of academic performance and language proficiency. 2) Regular Monitoring bi-weekly to monitor ELLs progress in both language acquisition and academic achievement. 3) Collect data from formative assessments, and computer base tests to gather ongoing data. 4) Instructional teams, including ELL specialists, general education teachers, and administrators review screening and progress monitor data. 5) Analyze data specifically for ELLs to identify trends and pinpoint areas of need in language development and academic performance. Based on data place students in the appropriate tier within the MTSS framework. 6) Ongoing regular professional development for all teachers on best practices for ELL instruction and data-driven decision making. 7) Establish Data Teams to discuss student progress and instructional strategies. 8) Engage parents and community members to support ELLs, ensuring communication in families native languages.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Data obtained from running records enables teachers to group ELLs by levels and reading strategies for guided reading. This assists ELLs in understanding their independent reading levels and setting goals. Teachers can then plan instructional steps, strategies, and support for ELLs during mini-lessons, guided literacy, and reading conferences to teach necessary strategies for progress. Independent reading conferences evaluate strengths, teach skills, and move students towards reading grade level text independently. Observations in various subjects aid in adjusting lessons for struggling students and those exceeding expectations. Math "check-in problems" assess understanding and guide instruction adjustments. Various discussion protocols enhance oral language skills and critical thinking. Feedback is provided through task performance rubrics and discussions to support self-reflection and progress assessment. Close reading protocols help ELLs engage with complex texts by breaking them into manageable chunks for improved understanding. Assessments in English or Spanish at module ends evaluate literacy and math comprehension. Rubrics are utilized to calibrate student work results, provide specific feedback, and plan lessons for improved performance. Collaborative adjustments are made to assessments to match learning standards and progressions.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

In the Transitional Bilingual Program teachers make sure that ELL's are evaluated in their home language (Spanish) throughout the year in various ways. Estrellita curriculum evaluation is used.

This data guides teachers' instruction in order to meet students' needs. At the same time, this data allows teachers to group students homogeneously for guided literacy groups and to focus on specific strategies geared to students' needs. The data supports students in knowing their independent reading proficiency and helps them set goals. During the Literacy Block, students also assessed their home language since the teachers confer with them as they read independently helping the teachers to acknowledge students' strengths and areas of improvement.

Math instruction is delivered in Spanish and ELLs are assessed in Spanish (Mid and end of module) .

Dual Language /Spanish(K-5) DL classes are evaluated in literacy and math in the home language.

Math instruction is also delivered in Spanish on alternate days, therefore students may take the mid and end module math assessment in the home language.

Teachers in the DL programs analyze the information provided by the program to provide instruction geared specifically to the students' individual reading ability, fluency and grade equivalent needs. The program helps us track growth in a consistent manner.

ENL Programs (k-5) Teachers in the ENL program do not evaluate the home language of our students. Al l of the instruction is provided in the new language (English). Students in the Free Standing ENL program have the opportunity to engage with their peers in their home language.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

Grade teacher teams meet once a week and/or during professional development time to discuss class trends, grade trends and to adjust instruction. Teachers also use the Summative assessment data item from the NYSESLAT, ELA, and Math item analysis to look at trends/patterns to inform instruction. Grade level teams meet an analyzed the ELA and Math item analysis to determined which standards across grades must be emphasized so students can improve their performance levels, including pre-requisite standards. The results of the different NYSESLAT modalities are also analyzed to determined strengths, needs of our ELLs across grades and proficiency levels and how to support students.
Assessments are analyzed at the school, grade, class, and student levels for a variety of purposes. School and grade-wide analysis allow school leaders to make strategic decisions regarding curriculum and professional development, while class and student level data are used to make instructional decisions, such as grouping in the classroom, as well as Response to Intervention decisions for students (Tiers 1, 2). Renaissance Learning also provides the ability to monitor students' progress through the years as well as to obtain assessment data from students transferred to us from schools using this adaptive formative tool.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

The NYSESLAT committee meets prior to the testing window to discuss testing protocols. Members of the committee may include the following personnel: Data Coordinator, Assistant principal, ENL teacher & coaches. Once the testing protocols are in place, the Data coordinator/ENL teacher prints the RLER to determine which students are eligible for NYSESLAT testing. The ENL teacher, Literacy & Math coaches & some classroom teachers administer the speaking modality. We ensure that personnel who administer the speaking modality are not the ELA, bilingual and/or ENL service providers. We hold a training session on administering the speaking modality. IEPs are reviewed to ensure testing modifications are adhered to for ELLs with disabilities. The data coordinator/assistant principal hold a testing memo meeting to discuss procedures, protocols & personnel administering the modalities. Parents are informed about the NYSELAT testing schedule via letters sent home and/ or robo-calls. Both forms of communication are done using the parents' preferred language of communication. The writing modality is scored in house by a committee of trained pedagogues, which includes coaches, ENL teachers, ELA & bilingual teachers. A minimum of three trained scorers is needed to ensure that no one scores more than one writing task per student. There are procedures in place to ensure that the scorers are not the students' ELA/ENL and / or bilingual teachers. There are procedures in place to ensure that during testing/scoring period, ELLs & former ELLs will continue to receive mandated services as per CR part 154.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Ensuring that current and former ELLs receive necessary accommodations for state assessment involves several steps: 1) Students are identify through home language surveys and initial language proficiency assessments. Former ELLs are tracked for a specified period usually 2 years, to monitor their progress and determine the need for on going support. 2) ELLs with disabilities accommodations are outlined in the IEPs or 504 plans ensuring that both language and learning needs are addressed. These plans are reviewed and updated annually to reflect current

needs and accommodations. 3) Testing accommodation are provided, such as extended time, the use of bilingual dictionaries, translated test instructions, and testing in small groups or separate settings. Use of language simplification techniques and allowing oral translations of test items, where permissible. 4) Analyzing assessment data to evaluate the effectiveness of accommodations and adjust strategies as needed. 5) Regular collaboration among ENL and general education teachers develop and implement accommodation plans. 6) Schools ensure compliance with state and federal guidelines, such as the ESSA, which mandates equitable access to assessments for ELLs. 7) Regular monitoring of accommodation implementation during assessment to ensure they are provided consistently an effectively.

ELLs are provided extra time on NYS ELA and content-area Assessments, schedules are changed and lunch time is accommodated for ELLs who are taking extra time during their exams. Our ELLs are also tested in small group or individual settings to ensure optimal testing environments. If an ELL has an IEP stating Human Reader than the student will have all modalities of the NYSESLAT read to them.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Parent Orientation sessions are held for all parents at the beginning of the school year and on a as needed basis as new entrants are registered. All meetings are offered in the parents' native language (Spanish) and written materials are provided in Spanish, Arabic, French Creole and Russian, and other languages as needed. Our ENL coordinator offers these parent orientations during registration while the parent is already at school filling out paperwork and after conducting the HLIS. We use the online orientation videos that are provided in a variety of languages, we get the parents preferred language from the HLIS. During the orientation we are providing the parent with program options such as dual language, TBE and ENL as well as parent rights to pick a setting and information about the NYSITELL and NYSESLAT. We have an attendance page that parents sign when they are given this information as well.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

The DOE has designated remote parent engagement hours for teachers to be conducted afterschool throughout the week as per parent request. Parents now have the option to attend these meetings via phone calls & platforms such as ZOOM and/or Teams. Classroom teachers as well as ENL teacher will meet with parents of ELLs to discuss goals of the program, language development progress, language proficiency assessments results, and language development needs in all content areas. Teachers provide assessments results, such Accelerated Reading, I-ready & data gathered with parents and provide strategies to help them at home. Teachers keep track of these meetings and attendance digitally . If any parent can not make it during that designated time, teachers and school staff will reach out to parents to find a time that is suitable for them to meet. In the event that parents are able to make it to the school for a meeting, phone conference meetings with translation services are offered to parents. Teachers and staff make all necessary accommodations for opportunities to engage with parents and families of students.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:

a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

We ensure that families receive all school communications and documents in the language they best understand with a multi faceted approach that includes several components. During the enrollment process, parents are asked to specify their preferred language of communication. The school maintain records of language preference on ATS. We utilize the DOE translation and interpretation office, as well professional translation and interpretation services for important documents and communications. We ensure that all translations are accurate and culturally appropriate. Communications & documents are sent home in both English & Spanish for the Spanish speaking parents. Parents who speak Chinese, Russian, Creole & French get the schools communications and documents in English & their preferred language. Robocalls are sent in English & the parents' preferred language of communication as well.
Families can communicate or initiate communications in languages other that English, our office staff is fully bilingual in both English & Spanish. The school secretary family workers and parent coordinator speak both languages. The parent coordinator communicate with parents that speak other languages by contacting the DOE translations & interpretation office to set up appointments either in person and/or over the phone in order to communicate with those families. PS5 also has a school website along with a Facebook page that includes up to date notifications in both English and Spanish. The school also uses robo calls to get messages out to the families and they are auto translated and are also sent in text format as well to emails in both languages.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

We develop activities that foster empowerment for families of MLLs/ELLs . We create inclusive and culturally responsive programs that build confidence and provide resources for families. We offer ESL classes for parents to improve their English proficiency. We offer parental workshops on using technology and digital resources that are essential for helping children with schoolwork. We organize schoolwide events and activities such as spring fair & field days. These events encourage family participation and are designed to be accessible to families regardless their language proficiency. These strategies and activities help create a supportive environment tat empowers families of MLLs/ELLs by fostering stronger home school connections that promote students success.
Determining the needs of the community involves several key steps and methods. We often distribute surveys to parents, to gather feed back on aspects of school life and community needs. PTA meetings allows us to have direct interactions with parents where they can express their concerns and needs in a platform that allows open discussions and feedback. We also have partnerships with local organization such as Literacy Inc. which provides insights into the broader community needs and the resources available in the community. We also maintain open lines of communications through social media and school websites which keep our school community informed and engage thus providing encouraging and continuous feedback. via these outreach methods, we can address and understand the evolving needs of our community effectively.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

The parent coordinator is a valuable part of our school community. The parent coordinator serves as a liaison connecting the parents and
school staff. In this role, she is able to hear concerns and interests of the parents, understand expectations of the school and seek
out opportunities for community connections that empower and inform parents. We recognize the importance of parental involvement to the academic success of our ELLs. Parents are an integral part of our learning community. Parents of MLLs/ELLs here at PS 5 serve as
leaders on school teams such as the School Leaders hip Team (SLT), Parent/Teacher Association (PTA) and Language Allocation Policy
(LAP) team. On these teams, parents assist in developing the Comprehensive Educational Plan (CEP) goals which are focused on the
academic and social success of all our ELLs. Parents also share their perspectives, help in the decision making process, and help implement plans that affect our school community. Specifically, parents are involved with decisions that are designed to ensure that
the academic and social needs of ELL students are addressed.

We recognize the importance of parental involvement to the academic success of our ELLs. Parents are an integral part of our learning community. Parents of MLLs/ELLs here at PS 5 serve as leaders on school teams such as the School Leaders hip Team (SLT), Parent/Teacher Association (PTA) and Language Allocation Policy (LAP) team. On these teams, parents assist in developing the Comprehensive Educational Plan (CEP) goals which are focused on the academic and social success of all our ELLs. Parents also share their perspectives, help in the decision-making process, and help implement plans that affect our school community. Specifically, parents are involved with decisions that are designed to ensure that the academic and social needs of ELL students are addressed. Parents are able to volunteer during PTA meetings and on filed trips .

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

PS5 maintains various culturally and linguistically responsive partnerships. These partnerships are: New York Restoration Project (NYRP)
offers free, hands-on environmental education to kindergarten through eighth grade students. For example students may participate in:
NATURE IN MY NEIGHBORHOOD: Teachers can choose from five lessons, ranging from gardening to aquatic ecology, each with a different focus on the environment at Sherman Creek and Highbridge Parks in Northern Manhattan.
BioBus: Students have the opportunity to visit the BioBus, experience being a scientist, while making learning fun during the month of June. During a typical session, students work with a BioBus scientist to explore various organisms using a research-grade microscope. They are encouraged to use their observation and critical thinking skills to ask questions, to form hypotheses, and to look for answers; in other words: to be scientists themselves.
The Center for Arts Education: Students participate in choral singing and violin instruction. - Multi Dimensional Dance Through these partnerships, students not only reap the benefits of an enriched curriculum, but teachers also have the opportunity to grow professionally through planning and delivering instruction in cooperation with teaching artists, thereby expanding their capacity to
integrate the arts throughout the school day for our students. The PTA takes great pride in planning and organizing PS5 annual family fair.
Community organizations such as, Fidelis-Health Care, The Emma L. Bowen Foundation-Emotional/Mental Health , NIMIC-Family Resources are present and provide information about their services to the community. These organizations may present during PTA meetings.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

N/A

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

The MLL/ ELL identification team includes the pupil accounting secretary, ENL teacher, parent coordinator, family worker, and ELA coach. We have multiple pedagogical staff as members of the MLL/ELL identification team, to ensure that ENL services are never interrupted for our students. Our parent coordinator is Millie Smith, our ENL Coordinator is Pamela Hales, our Literacy Support coach is Rosemary Vargas, our Math coach is Patricia Espinal and our school secretary is Carmen Jimenez.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Newly identified ELLs: The ELL ID Team implements the ELL Identification process within 10 days as mandated by CR Part 154. The HLIS is given to the parents to complete either in English and in their native language. The students are then given the student interview questions with English, if the students are unable to answer 3 questions in English we move to their native language. Then the parent is presented with the parent orientation video and completes the Parent Agreement Survey. Returning/Transfer ELLs: scores are reviewed on the RLAT, new proficiency levels are accounted for and continuation of service letter and exit letters are sent home when applicable. Role of the parent coordinator and guidance counselor helps in support when trying to make appointments with parents to complete the HLIS and participate in the parent orientation. Students who have a HLOTE then are given the NYSITELL and entitlement/non entitlement letters are sent out.
In addition the Parent Coordinator and School Counselor present parent workshops throughout the school year. Workshops are offered in person but parents also have the option of joining through Zoom (i.e. How to Remain emotionally healthy during the holiday season, The importance of attendance ,Building Self-esteem). Furthermore, the Parent Coordinator and/or school Counselor have office hours through Zoom once a week, on Wednesdays from 12-1:00 pm. The purpose of these office hours is to provide parents with a platform where their needs are heard and

they are provided any type of support needed, (social/emotional, middle school inquiries, food insecurity, technology).

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Christopher Anest

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Milianeth	Smith	Parent Coordinator - Annual	02/26/2025	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Student Emergency Contact cards

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
CHINESE ANY	1	0.19%	2	0.39%	1	1
GUIANESE CREOLE (GUYANAIS/FRENCH-BASED)	8	1.52%	8	1.56%	0	0
FON	1	0.19%	0	0.00%	0	0
FRENCH	8	1.52%	9	1.75%	1	1
ENGLISH	229	43.45%	220	42.88%	45	45
RUSSIAN	1	0.19%	1	0.19%	0	0

SLOVAK	0	0.00%	1	0.19%	0	0
SPANISH	279	52.94%	272	53.02%	20	15

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
PTC Flyer	We will use professional translation services and bilingual staff to translate the flyers into necessary languages. The translated flyers will be distributed via email, paper copies, and the school website, with follow-up reminders sent to parents.
IEPs	We will collaborate with translation services and bilingual staff to translate IEP meeting documents into the required languages. These documents will be provided to parents via email, paper copies, and the school website, with timely follow-up reminders.
Report Cards	Translated report cards will be provided to parents through email, paper copies, and the school website, using professional translation services, bilingual staff and STARS.
Placement Letters	We will use professional translation services and bilingual staff to translate the letters into necessary languages. We will also use translated letters on the InfoHub
Entitlement Letters	We will use professional translation services and bilingual staff to translate the letters into necessary languages. We will also use translated letters on the InfoHub
NYSESLAT scores	We will use professional translation services and bilingual staff to translate the letters into necessary languages. We will also use translated letters on the InfoHub

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
PTC	We will use professional translation services and bilingual staff to provide translation.
Parent Workshops	We will use bilingual staff to provide translation.
IEP Meetings	We will use professional translation services and bilingual staff to provide translation.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

In case of an emergency, we will use a combination of professional translation services, bilingual staff, and language support hotlines to ensure parents receive critical information in their preferred language. Emergency notifications will be sent via phone, text, and email with translated messages, and bilingual staff will be available to assist in person or over the phone. We will also provide a clear process for parents to contact the school during emergencies, ensuring they can reach a staff member who speaks their language.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Our school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training on the WeLearnNYC platform by incorporating the training into staff onboarding and professional development schedules, with follow-up reminders and tracking for completion. We will also provide staff with clear guidelines on the Best Practices for Translation of Critical Written Communications and Interpretation of Critical Oral Communications through regular workshops and accessible reference materials. The Galaxy-designated LAC will disseminate future language access resources and updates to staff through email, staff meetings, and the school's internal communication platform, ensuring ongoing awareness and compliance.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Our school will inform parents about available language assistance services through translated signage, brochures, flyers, and letters sent home in their preferred languages. We will also highlight these services during parent engagement events, such as PTA meetings and workshops. Additionally, we will use messaging applications and distribute the Language Access for NYC Public Schools Families brochure to ensure parents are informed of the resources available to them.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

In addition to feedback from OLA's Translation & Interpretation Feedback Survey, our school will gather input through parent surveys distributed at events like PTA meetings, PTC's and parent workshops, where language assistance services are discussed. We will also provide a dedicated phone line or email for parents to share their experiences and suggestions regarding language support. Furthermore, bilingual staff will actively engage with parents during meetings to collect informal feedback and ensure continuous improvement of our language assistance services.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Our school has worked to improve its language assistance services by expanding the use of bilingual staff, enhancing translated materials, and providing more accessible communication channels for non-English speaking parents. Feedback from parents through surveys and events has highlighted the need for quicker response times and more frequent updates in their preferred languages. In the upcoming school year, we plan to implement more efficient translation processes, increase staff training on language access, and explore additional technology tools to better serve our diverse community.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

100

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5

Total number of teachers in this program:

10

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

7

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

3

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

1. When the program takes place: The program will take place after school, on weekdays, and possibly during Saturday academies.

2. Activities for ELLs and how they enhance opportunities: ELLs will engage in language-building exercises through the use of Sadlier Phonics books as well as Finish Line New York ELL workbooks, interactive group discussions, and reading comprehension activities using Jump Rope Readers. These will help improve language proficiency, cultural understanding, and academic skills.

3. How ELLs will be grouped for instruction: ELLs will be grouped based on their proficiency levels. There will be 10 groups, with 8-10 students per group, totaling 80-100 students.

4. How instruction will be delivered: Instruction will be delivered using a team-teaching approach, where one teacher focuses on language skills and the other on academic content should we not have enough students and we need to collapse groups.

5. Program supervision and Title III funding: The program will be supervised by an ELL coordinator. Supervision will be funded through Title III ELL. Supervisor's contractual time on Wednesdays & Thursdays ends at 2:30 PM. School administration Mr. Anest, Ms. Callwood or Ms. Allen will act as program supervisors. Their funds will come from the Title III funding.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

The % of students exiting their ELL status has decreased by 3.8%, from 10.3 % in NYSESLAT 2023 to 6.5% in NYSESLAT 2024. Additionally, expanding level ELLs and entering level ELLs continue to be the groups with the highest and the lowest representation in our school, respectively.

While the % of students scoring at the expanding (29.9% to 23.6%) and transitioning level (29.9% to 25.2%) has decreased, the % of students scoring at the emerging level (19.6% to 25.2%) and entering level (10.3% to 19.5%) has increased in our district.

The % of students at the transitioning and emerging levels are still the highest ones at our school.

2024 NYSESLAT results indicate that 13.79 % (4) of the expanding level ELLs were between 1 to 10 points away from scoring commanding while 34.4% (10) were less than 20 points away from scoring commanding and exiting their ELL status. These are the students that are closer to reaching English proficiency and exit their ELL status.

Additionally, 29% (9) of the ELL students who scored at the transitioning level were 10 or less points away from scoring expanding.

Based on the 2024 NYSESLAT results, 13% of the ELLs in our school scored HIGH (90% or more questions correctly) in the reading modality followed closely by the listening modality with 12.19% of our students scoring HIGH. This is approx. double the % of ELLs scoring HIGH in writing (6.5%). In regard to the speaking modality, 10.56% of our students scored HIGH.

Although writing continues to be the area where fewer ELLs can answer 90% or more of the questions accurately, our 1st grade level was the grade to score HIGH with the highest percentage in writing.

Overall, based on "modalities of strength" data, grades 1 & 5 have the highest percentages of ELL students answering 90% or more of the questions correctly across modalities. Contrarily, grades K and 4 have the lowest percentage of ELLs scoring HIGH across modalities.

Not only fewer ELLs scored HIGH in writing, but also a significant number of them are scoring LOW (15% or less questions accurately) in this modality. As per 2024 NYSESLAT results, 1029 (30.6%) ELLs in our district scored LOW in writing. This means that one third of our ELLs are really struggling with writing.

While reading the modality with the largest % of ELLs scoring HIGH, the writing modality is the largest % of ELLs scoring LOW. As per 2024 NYSESLAT results, 32.5% of ELLs answered 15% or less questions in this modality correctly followed closely by the speaking modality wit 31.7% of ELLs scoring LOW. Grades 2 and 3 have the largest numbers of ELLs scoring LOW in the writing modality.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Grades K-5 will be served. Students will be grouped based on grade levels and NYSESLAT/ NYSITELL proficiency levels. Newly arrived students in grades 3-5 with limited native language proficiency and skills will be targeted for intervention instruction to further develop their reading skills in the native language, as well as students in K-2.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**

- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Program runs for 6 weeks, 2 times a week, Wednesdays and Thursdays, from October 15 2025 to January 23, 2025. Program runs from 2:30-3:30 p.m.. The total number of sessions will be 23 for the school year 24/25. Sessions will be an hour long.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction is English for Entering, Emerging, Transitioning & Expanding. Newly arrived students with limited native language proficiency will have the option to instructed in Spanish with a bilingual teacher. Home language materials such dictionaries, are available in case students needed to refer to them.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

The total number of teachers is 10 who hold either ENL and/or bilingual extensions.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Materials to be used include but are not limited to the following" IReady, , Estrellita Phonics program, Digital platforms such as Amira and/or Imagine Learning. Sadlier Phonics workbooks as well as Finish Line New York ELLs workbooks. The supplemental material will support the concepts and aid in the language acquisition process.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Written permission slips will be sent home with students who are eligible to attend the program in their backpacks. Robo calls will also be made. These notifications will be sent home in both English and their native language as indicated on the HLIS. Attendance is taken at each session by the assigned teacher and those attendance sheets are stored with their permission slips in the ENL room as well as on digital platforms. These attendance sheets and permission slips are grouped by year and kept in a filing cabinet. The schools keep records of students who are invited to participate in title III program, regardless of their participation. Records are kept in the ENL office as well as in digital platforms.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Our school's Title III ELL professional development plan focuses on enhancing teachers' skills in supporting English Language Learners. Professional development will include workshops on language acquisition strategies, cultural competency, differentiated instruction, and integrating ELL-specific resources into lessons. Teachers will engage in hands-on activities such as collaborative lesson planning, peer observations, and reflective practice sessions. This PD will be funded by Title III ELL funds, with vendor costs (for external trainers) not exceeding 20% of the total allocation, and teacher per-session pay limited to 10% of the total allocation.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

The rationale for the professional development is based on both qualitative and quantitative data indicating a need for targeted support for ELLs. Teacher surveys and classroom observation data reveal challenges in effectively differentiating instruction for diverse language levels, with many teachers reporting difficulty in addressing individual student needs. Quantitative data, including ELL performance on state assessments and language proficiency tests, show slower progress in language acquisition compared to peers. This professional development will address these gaps by equipping teachers with strategies for improving language instruction, promoting cultural awareness, and differentiating lessons for ELL students. Data sources include teacher surveys, classroom observations, and ELL academic performance reports.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

All teachers working in the Title III ELL program will receive ongoing professional development tailored to enhance their ability to support ELLs effectively. This includes general education teachers, ESL specialists, and support staff. Professional development will be provided through a combination of workshops, peer collaboration, and online resources. Regular sessions will be scheduled throughout the year to ensure continuous learning, with follow-up meetings to assess implementation and impact. Teachers will also engage in reflective practices and share strategies during team meetings, ensuring that all educators involved in the program receive the necessary tools and support to meet ELL students' needs.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Teachers will meet the third Monday of each month from 7:30- 8:00 am.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

The following topics will be covered in the Title III ELL professional development activities:

1. Language Acquisition Strategies: Understanding language development stages and effective techniques for supporting ELLs at different proficiency levels.

2. Culturally Responsive Teaching: Strategies to integrate students' cultural backgrounds into the classroom to enhance engagement and learning.

3. Differentiated Instruction: Techniques for adapting lessons to meet the diverse needs of ELLs, including modifying content, process, and product.

4. Effective Use of ELL Resources: Identifying and using materials and tools tailored for ELLs, including digital resources and visual aids.

5. Classroom Management for ELLs: Approaches to creating a supportive and structured classroom environment for

language learners.

6. Assessment and Feedback: Best practices for assessing language proficiency and providing constructive feedback to ELLs.

7. Collaborative Teaching Models: Team-teaching and co-planning strategies for integrating ESL support in general education classrooms.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

The provider is PS5 ELA coach. The ELA coach will follow up in the implementation of the PD by visiting classrooms and/or doing check-ins with teachers.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Documentation including agenda & attendance will be kept in the school's PD binder.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Under our Title III ELL program, we will offer a variety of family engagement activities to strengthen the partnership between school and home, supporting the academic success of ELL students. Families will participate in workshops on topics such as understanding language development, supporting homework and academic progress, and navigating the school system. Additionally, we will host cultural events that celebrate students' backgrounds and promote cross-cultural understanding. These activities will be led by bilingual staff and outside community partners, ensuring accessibility for all families. The family engagement activities will be funded by Title III ELL funds, with vendor costs not exceeding 20% of the total allocation and teacher per-session pay limited to 10% of the total allocation.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

The rationale for our family engagement activities is based on both qualitative and quantitative data highlighting the need for increased support and involvement of families in the academic success of ELL students. Parent surveys and PTA feedback indicate that many families feel disconnected from the school community, especially regarding understanding the educational needs of their children. Qualitative feedback from teachers also suggests that family support at home is crucial for language development, but parents often lack resources or knowledge to assist effectively. Quantitative data, including attendance records and academic performance, show a positive correlation between increased family involvement and improved student outcomes. Based on this, we've identified the need for workshops on supporting academic progress, understanding language acquisition, and navigating the school system. These activities will be scheduled at times convenient for families, including evenings and weekends, to

ensure maximum participation. Data sources include parent surveys, PTA feedback, and teacher input on family needs.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Here's the schedule and duration for each Title III ELL family engagement activity:

1. Workshop on Supporting Homework and Academic Progress

   Start and End Dates: September 2025 – June 2026
   Total Number of Sessions: 6 sessions
   Days of Sessions: First Thursday of every month
   Time and Duration: 8:15 AM – 9:30 AM (45 mins per session)

2. **Cultural Awareness and Language Development Workshop**

   Start and End Dates: September 2025 – June 2026
   Total Number of Sessions: 6 sessions
   Days of Sessions: Third Tuesday of every month
   Time and Duration: 8:15 AM – 9:30 AM (45 mins per session)

3. Navigating the School System for ELL Families

   Start and End Dates: November 2025 – June 2026
   Total Number of Sessions: 6 sessions
   Days of Sessions: Second Wednesday of every month
   Time and Duration: 8:15 AM – 9:30 AM (45 mins per session)

4. **Cultural Events and Family Celebrations**

   Start and End Dates: December 2025 – May 2026
   Total Number of Sessions: 6 sessions
   Days of Sessions: Last Friday of December and May
   Time and Duration: 8:15 AM – 9:30 AM (45 mins per session)

These sessions will be scheduled with flexibility in mind to accommodate working parents and maximize participation.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

See above

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

PS5 teaching staff, and parent coordinator.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents will be informed via Robo Call using the School Messenger. Flyers created & translated by school personnel using Microsoft.
Information is also disseminated via Email, text messages using the parents' preferred language of communication via Microsoft Outlook.
The above mentioned flyers are posted on our Facebook page and our school website.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Attendance will be taken at each parent involvement opportunity provided. Parents will sign an attendance sheet stating their name, their child's name(s) and the date. These files will be stored in the ENL office.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Before School,After School

Grades to be served in this program. Select all that apply.

,2,3,4,5,1,K

Total number of teachers in this program:

10

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

1. When the program takes place: The program will take place after school, on weekdays, and possibly during Saturday academies.

2. Activities for Immigrants and how they enhance opportunities: Immigrants will engage in language-building exercises through the use of Sadlier Phonics books as well as Finish Line New York ELL workbooks, interactive group discussions, and reading comprehension activities using Jump Rope Readers. These will help improve language proficiency, cultural understanding, and academic skills.

3. How Immigrants will be grouped for instruction: Immigrants will be grouped based on their proficiency levels. There will be 10 groups, with 8-10 students per group, totaling 80-100 students.

4. How instruction will be delivered: Instruction will be delivered using a team-teaching approach, where one teacher focuses on language skills and the other on academic content should we not have enough students and we need to collapse groups.

5. Program supervision and Title III Immigrant funding: The program will be supervised by an ELL coordinator. Supervision will be funded through Title III Immigrants. Supervisor's contractual time on Wednesdays & Thursdays ends at 2:30 PM. School administration Mr. Anest, Ms. Callwood or Ms. Allen will act as program supervisors. Their funds will come from the Title III funding.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

The % of students exiting their ELL status has decreased by 3.8%, from 10.3 % in NYSESLAT 2023 to 6.5% in NYSESLAT 2024. Additionally, expanding level ELLs and entering level ELLs continue to be the groups with the highest and the lowest representation in our school, respectively.

While the % of students scoring at the expanding (29.9% to 23.6%) and transitioning level (29.9% to 25.2%) has decreased, the % of students scoring at the emerging level (19.6% to 25.2%) and entering level (10.3% to 19.5%) has increased in our district.

The % of students at the transitioning and emerging levels are still the highest ones at our school.

2024 NYSESLAT results indicate that 13.79 % (4) of the expanding level ELLs were between 1 to 10 points away from scoring commanding while 34.4% (10) were less than 20 points away from scoring commanding and exiting their ELL status. These are the students that are closer to reaching English proficiency and exit their ELL status.

Additionally, 29% (9) of the ELL students who scored at the transitioning level were 10 or less points away from scoring expanding.

Based on the 2024 NYSESLAT results, 13% of the ELLs in our school scored HIGH (90% or more questions correctly) in the reading modality followed closely by the listening modality with 12.19% of our students scoring HIGH. This is approx. double the % of ELLs scoring HIGH in writing (6.5%). In regard to the speaking modality, 10.56% of our students scored HIGH.

Although writing continues to be the area where fewer ELLs can answer 90% or more of the questions accurately, our 1st grade level was the grade to score HIGH with the highest percentage in writing.

Overall, based on “modalities of strength” data, grades 1 & 5 have the highest percentages of ELL students answering 90% or more of the questions correctly across modalities. Contrarily, grades K and 4 have the lowest percentage of ELLs scoring HIGH across modalities.

Not only fewer ELLs scored HIGH in writing, but also a significant number of them are scoring LOW (15% or less

questions accurately) in this modality. As per 2024 NYSESLAT results, 1029 (30.6%) ELLs in our district scored LOW in writing. This means that one third of our ELLs are really struggling with writing.

While reading the modality with the largest % of ELLs scoring HIGH, the writing modality is the largest % of ELLs scoring LOW. As per 2024 NYSESLAT results, 32.5% of ELLs answered 15% or less questions in this modality correctly followed closely by the speaking modality wit 31.7% of ELLs scoring LOW. Grades 2 and 3 have the largest numbers of ELLs scoring LOW in the writing modality.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

Grades K-5 will be served. Students will be grouped based on grade levels and NYSESLAT/ NYSITELL proficiency levels. Newly arrived students in grades 3-5 with limited native language proficiency and skills will be targeted for intervention instruction to further develop their reading skills in the native language, as well as students in K-2.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

Program runs for 6 weeks, 2 times a week, Wednesdays and Thursdays. Sessions will be an hour long.

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

The language of instruction is English for Entering, Emerging, Transitioning & Expanding. Newly arrived students with limited native language proficiency will have the option to instructed in Spanish with a bilingual teacher. Home

language materials such dictionaries, are available in case students needed to refer to them.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

The total number of teachers is 5 who hold either ENL and/or bilingual extensions.

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

Materials to be used include but are not limited to the following" IReady, , Estrellita Phonics program, Digital platforms such as Amira and/or Imagine Learning. Social Studies programs. The supplemental material will support students to further develop skills, concepts and aid in the language acquisition process.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

Written permission slips will be sent home with students who are eligible to attend the program in their backpacks. Robo calls will also be made. These notifications will be sent home in both English and their native language as indicated on the HLIS. Attendance is taken at each session by the assigned teacher and those attendance sheets are stored with their permission slips in the ENL room as well as on digital platforms. These attendance sheets and permission slips are grouped by year and kept in a filing cabinet. The schools keep records of students who are invited to participate in title III program, regardless of their participation. Records are kept in the ENL office as well as in digital platforms.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

Our school's Title III immigrant professional development plan focuses on enhancing teachers' skills in supporting English Language Learners. Professional development will include workshops on language acquisition strategies, cultural competency, differentiated instruction, and integrating Immigrant-specific resources into lessons. Teachers will engage in hands-on activities such as collaborative lesson planning, peer observations, and reflective practice sessions. This PD will be funded by Title III Immigrant funds, with vendor costs (for external trainers) not exceeding 20% of the total allocation, and teacher per-session pay limited to 10% of the total allocation.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

The rationale for the professional development is based on both qualitative and quantitative data indicating a need for targeted support for immigrants. Teacher surveys and classroom observation data reveal challenges in

effectively differentiating instruction for diverse language levels, with many teachers reporting difficulty in addressing individual student needs. Quantitative data, including immigrant performance on state assessments and language proficiency tests, show slower progress in language acquisition compared to peers. This professional development will address these gaps by equipping teachers with strategies for improving language instruction, promoting cultural awareness, and differentiating lessons for immigrant students. Data sources include teacher surveys, classroom observations, and immigrant academic performance reports.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

All teachers working in the Title III Immigrant program will receive ongoing professional development tailored to enhance their ability to support immigrants effectively. This includes general education teachers, ESL specialists, and support staff. Professional development will be provided through a combination of workshops, peer collaboration, and online resources. Regular sessions will be scheduled throughout the year to ensure continuous learning, with follow-up meetings to assess implementation and impact. Teachers will also engage in reflective practices and share strategies during team meetings, ensuring that all educators involved in the program receive the necessary tools and support to meet immigrant students' needs.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Teachers will meet the third Monday of each month from 7:30- 8:00 am.

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

The following topics will be covered in the Title III Immigrant professional development activities:

1. Language Acquisition Strategies: Understanding language development stages and effective techniques for supporting immigrants at different proficiency levels.

2. Culturally Responsive Teaching: Strategies to integrate students' cultural backgrounds into the classroom to enhance engagement and learning.

3. Differentiated Instruction: Techniques for adapting lessons to meet the diverse needs of immigrants, including modifying content, process, and product.

4. Effective Use of Immigrant Resources: Identifying and using materials and tools tailored for immigrants, including

digital resources and visual aids.

5. Classroom Management for Immigrants: Approaches to creating a supportive and structured classroom environment for language learners.

6. Assessment and Feedback: Best practices for assessing language proficiency and providing constructive feedback to immigrants.

7. Collaborative Teaching Models: Team-teaching and co-planning strategies for integrating ESL support in general education classrooms.

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

The provider is PS5 ENL coach. The ELA coach will follow up in the implementation of the PD by visiting classrooms and/or doing check-ins with teachers.

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

Documentation including agenda & attendance will be kept in the school's PD binder.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Here's the schedule and duration for each Title III Immigrant family engagement activity:

1. Workshop on Supporting Homework and Academic Progress

   Start and End Dates: September 2025 – June 2026
   Total Number of Sessions: 6 sessions
   Days of Sessions: First Thursday of every month
   Time and Duration: 8:15 AM – 9:30 AM (45 mins per session)

2. **Cultural Awareness and Language Development Workshop**

   Start and End Dates: September 2025 – June 2026
   Total Number of Sessions: 6 sessions
   Days of Sessions: Third Tuesday of every month
   Time and Duration: 8:15 AM – 9:30 AM (45 mins per session)

3. Navigating the School System for ELL Families

   Start and End Dates: November 2025 – June 2026
   Total Number of Sessions: 6 sessions
   Days of Sessions: Second Wednesday of every month
   Time and Duration: 8:15 AM – 9:30 AM (45 mins per session)

4. **Cultural Events and Family Celebrations**

   Start and End Dates: December 2025 – May 2026
   Total Number of Sessions: 6 sessions
   Days of Sessions: Last Friday of December and May
   Time and Duration: 8:15 AM – 9:30 AM (45 mins per session)

These sessions will be scheduled with flexibility in mind to accommodate working parents and maximize participation.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

As as school we have come up with these topics to present to parents based on parent inquiry during monthly PTA meetings and conversations parents have had with our Parent Coordinator. We also have asked the staff what might be helpful to parents and needs their parents have expressed to them as they are an important point of contact with our families.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

The following classes will be provided at NO COST to the program: ENL basic: Tuesdays- Thursdays 3 hours & 40 minutes. Parental Workshops will be provided by PS5 and/or Literacy INC. on a bi-monthly basis. Topics to be discussed will include but are not limited to: "How to read with your child at home." The importance of daily school attendance and its impact on school performance" " routines at home for academic excellence" just to name a few. Additional Parental Workshops will be provided by PS5 and/or Literacy Inc. on a bi-monthly basis (Fridays 8:15-9:30 am total of 10 sessions at no cost to the program.)

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

See Above

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

PS5 teaching staff, Literacy Inc., and parent coordinator.

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Parents will be informed via Robo Call using the School Messenger. Flyers created & translated by school personnel using Microsoft.
Information is also disseminated via Email, text messages using the parents' preferred language of communication via Microsoft Outlook.
The above mentioned flyers are posted on our Facebook page and our school website.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Attendance will be taken at each parent involvement opportunity provided. Parents will sign an attendance sheet stating their name, their child's name(s) and the date. These files will be stored onsite.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
