Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?

- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Public School 28 Manhattan students will be integrated thinkers who are respectful to all, competitive and ready to face the challenges of the 21st century workforce and beyond.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

Public School 28 Manhattan is an elementary school located in Washington Heights section of Manhattan. Currently, we serve 379 students ranging from 3-K to Grade 5. 34.5% of our population are Students with Disabilities (SWD) and 66% are English Language Learners (ELLs). 77.7% of our students identify as Hispanic or Latinx, 6.8% identify as White, 14% identify as Black and 1% identify as Asian/Pacific Islander.

Currently, we are utilizing the Fundations phonics program with our Grades K-3 students and the EL Reading Program for grades K-5. Our ELA Curriculum Planning Team reviewed and analyzed the Social Studies and Science Scope and Sequence: Grades K-8. This work supported our goal of infusing texts into our curriculum maps and lesson plans that are aligned to the Social Studies and Science Standards.

For mathematics, Public School 28 Manhattan is currently utilizing Illustrative Mathematics for grades K-5. The Math Curriculum Team has reviewed and analyzed alternative curriculum/materials to create tasks/activities for students to complete during the small group mathematics instruction. Teachers utilize various forms of formative and summative data, such as, but not limited to, Unit Tests and Performance Tasks, to determine which tasks/activities will address their students' academic needs.

Public School 28 Manhattan believes in educating the whole child. Educating the whole child means thinking about each student as a human being in full, and not limiting the scope of education only to a narrow focus on core subject areas. Therefore, for the 2025-2026 school year, we are offering our students a visual arts, dance and music program. Additionally, we have partnered with the following organization to increase our students' opportunities to engage with the arts:

* Sugar Hill Children's Museum
* Disney Musicals in Schools
* Art Club

In addition to a robust arts program, we also have offer our students opportunities to engage in STEM activities. Aside from utilizing the Amplify Science program, Public School 28 Manhattan will continue to maintain our Hydroponics Lab. Additionally, we have partnered with the following organizations:

* Coding Club
* Lego Robotics
* The Bee Cause

Public School 28 Manhattan believes that health and wellness directly contributes to and impacts our students' academic success. Activities that keep us healthy will also improve our students' mental focus, decrease stress, and improve the quality of their study time. In alignment to this core belief, we have launched the following programs and partnered with the following organizations:

* Turn 2 Us Baseball and Basketball Program
* Cheerleading Squad
* Ice Hockey in Harlem
* Sports and Health

Briefly summarize the key initiatives your school will implement this school year.

For the 2025-2026 school year, P.S. 28 Manhattan will engage in the following key initiatives:

* Implement Expeditionary Learning's ALL (Additional Language and Literacy) Block in grades 3-5.
* Implement Illustrative Mathematics curriculum in grades 3-5.
* Continue supporting grades K-5 teachers with integrating the five mathematical practices into their daily instruction.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	37%	By June 2026, the percentage of students achieving grade-level or above grade-level Standards in ELA will increase by 5%, from 38.9% to 43.9%, as evidenced by the 2026 New York State ELA Assessment.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

* Continued Implementation of Knowledge-Based Curriculum across grades 3K-5 (Creative Curriculum and Expeditionary Learning)

* Continued implementation of Fundations and Heggerty in grades K-3.

* Continued implementation of Small group across grades K-5 classrooms--- this is inclusive to the implementation of ALL Block in Grades 3-5 (Additional Language and Literacy Block).

* Systematic phonics, word study and phonemic awareness curriculum/program implemented across grades K-5.

* Continued professional development provided for teachers, during the 2025-2026 school year, on the implementation of Expeditionary
Learning curriculum (knowledge-based curriculum).

Root Cause Addressed:

According to the 2025 BOY Accidence screener 0% of our K-2 Students with Disabilities were at Benchmark and according to the 2025 BOY iReady Screener, 11% of our Students with Disabilities were at Benchmark .

According to the 2025 BOY Accidence screener 0% of our K-2 ENL Students were at Benchmark and according to the 2025 BOY iReady Screener 3% of our ENL students were at benchmark.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
ENL Teachers will support the integrated portion of ELA through small and whole group instruction to provide additional support in phonics and comprehension skills. Also, ENL students will utilize diverse scaffolds (i.e., charts, pictures, books on tape, peer support, Raz-Kids, Epic, Fundations, etc.) to support students to mastery of literacy concepts and improve their fluency. There is a full time literacy coach and 1 literacy peer collaborative coach and 1 model teacher to support staff with instruction. There will also be professional development for paras to support small group instruction. Students will also have the opportunity to attend the Title III ELA after school academy

During common planning, special education teachers will discuss and implement how to execute strategies to support students' IEP goals.
Community School Organization (after school program) ACDP will partner with all teachers to provide additional support to reinforce ELA concepts, presented in day school, through guided/shared small group instruction. This will enhance students' conceptual understanding of both reading and writing.
Family Workshops will be held on strategies families can utilize at home to support their children's academic development

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To monitor the implementation of the key strategies and action steps the ILT will review the data that is collected by teachers in order to determine if the implementation is working. We will also put in place coaching cycles that will address the needs of the students by working with the teachers to plan using the data. The administration team will also meet with each classroom teacher to analyze their class data, determine groups and their needs, and set up a progress monitoring schedule. The administrative team will monitor the data that is collected from the progress monitoring to make sure that the students will meet the next benchmark set for them.

The school will collect the progress monitoring data as well as formative assessment data to measure the impact of how the students are progressing. The school will also use this data to assess the fidelity of implementation and the impact that it is having on the students. The results of this data will determine the next steps for the teachers and students.

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Black Students	50	By June 2026, the percentage of Level 3 to 5 incidents among our Black and Hispanics Boys will decrease by 10% as evidenced by the Online Occurrence Reporting System (OORS) reports.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

* Continued Integration of SEL in literacy curriculum (Expeditionary Learning Habits of Character).

* Continued Partnership with the Turn 2 Us Foundation.

* Train staff members in implementing restorative practices.

Root Cause Addressed:

Systematic review of OORS data during ILT and Safety Team meetings (continuation of Equity Work).

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The Instructional Leadership Team will engage in equity work--- examining, revising and refining school-wide policies and practices to ensure that they are equitable and promote student success.
Teachers will continuously engage in SEL professional learning sessions (individually/group). These sessions will deepen teachers' understanding of best practices and strategies that will support their students' social-emotional development.

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	d	By June 2026, as evidenced in the 2024-2025 NYC School Survey, 92% of families will respond positively to questions pertaining with "Building Families' Capacity as their Child's Primary Advocate"---this will represent a ten percentage point increase from 82% to 92%.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

* Continue monthly family meetings, facilitated by the Principal and Parent Coordinator, to address schoolwide issues/concerns families may
have.

* The Turn 2 Us Foundation will continue to provide workshops for families on how to best support their children academically and social-emotionally. .

Root Cause Addressed:

* Literacy and Mathematics Instructional Coaches, with the support of the Parent-Teacher Association (PTA), will be providing monthly workshops for families on a consistent basis.

* Increase opportunities for families to visit and become involved in their children's classrooms (e.g. back to school day, etc.).

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

* Ensure program and service recommendations are appropriate for each student and provide access to the student's least restrictive environment

* Develop appropriately rigorous standards aligned annual goals

* Ensure “impact of disability” statements reflect the effect of the student's disability on access, participation and progress in the general education curriculum

* Ensure that programs and services mandated on each student's IEP are delivered

* Conduct IEP meetings within specified compliance dates

* Monitor referrals to Special Education to ensure appropriate referrals only

* Ensure that students in foster care, their birth parents, and foster care agency points are reached out to for all initial, annual reviews, and re-evaluation Individualized Education Program (IEP) services.

Root Cause Addressed:

* Teachers lack an understanding of the referral process.

* Teachers/Families misconceptions regarding which students may qualify for related services.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The School Based Support Team (SBST) will be responsible with ensuring that students are placed in the least restrictive environment.
IEP Teacher will work directly with teachers to ensure that goals are rigorous and standards aligned.
The IEP teacher will review and ensure that all "impact of disability" statements are edited/modified (if necessary).
Our Assistant Principal in Charge of Special Education and the IEP Teacher will monitor program/services delivery.
The School Based Support Team monitors and ensures that IEP meetings are finalized by the compliance dates.
The Response to Intervention (RTI) team, facilitated by the IEP Teacher, ensures that all Special Education referrals are appropriate.

The School Based Support Team will ensure that students in foster care, their birth parents, and foster care agency points are reached out to for all initial, annual reviews, and re-evaluation Individualized Education Program (IEP) services.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Teachers confer with these families during Parental Engagement Time.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Teachers confer with these families during Parental Engagement Time. At these meetings, families of Tier 3 students are actively involved in all decision making with school staff.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

108

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Attendance and achievement data has increased for our STH population.

Title I STH monies were utilized to buy supplies and resources that supported our students academically and social-emotionally (e.g., books, school supplies such as notebooks, toiletries, technology, etc.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Starting in September 2025, our school will be affording our STH students the opportunity to participate in Expanding Learning Time (ELT). This program will be offered after-school and on weekends. Students will be participating in differentiated, small group instruction and engage in hands-on activities---- in both ELA and mathematics.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

n/a

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

n/a

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

n/a

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

n/a

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

Starting in September 2025, our school will be affording students the opportunity to participate in Expanding Learning Time (ELT)---- in both English Language Arts and Mathematics. This program will be offered after-school and on weekends. Students will be participating in differentiated, small group instruction and engage in hands-on activities at this time.

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

Beginning in September 2025, a posting for our ELT program will be developed and distributed. In the posting, it will be stated that we are searching for teachers who are NYS certified.

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

Our English Language Arts (ELA) and Mathematics Curriculum Teams, facilitated by instructional coaches, will be charged with developing the curriculum and lessons for our ELT program. Team members will ensure that ELT instruction is aligned with the core academic subject area instruction that is offered during the regular school day.

Provide a description of the materials purchased to support implementation of ELT.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

Public School 28 Manhattan will support parents and family members of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that

parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;

- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

[School Name], in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

In order to ensure that our students meet State Standards, the P.S. 28 Manhattan Staff continuously and consistently engage in professional learning sessions, once a week, from 2:20 pm. to 3:20 p,. Additionally, teachers meet in grade-level teams a minimum of once a week to look at student work and adjust/modify curriculum maps/pacing calendars.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

We provide parental workshops that will assist families with supporting their children with the transition from Pre-Kindergarten to Kindergarten. Such workshop include how to conduct read alouds for your children, attendance and curriculum overview. Additionally, we also provide a series of workshops to our families of ELL students. These workshops address strategies parents can utilize at home with their English language learners.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:** Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

CBO are integrated in all aspects of the school (i.e., SLT, Attendance Team, etc.).

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

ACDP engages families with workshops and bi-weekly meetings.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

n/a

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

n/a

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for all students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

n/a

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written "Addendum Attached" and provided supplemental documentation to explain why the school was unable to obtain the individual's signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Luis Fernandez
Assistant Principal (Where Applicable)*	Kevin Barton
English as a New Language (ENL) Teacher*	Aaron Sidlo
Teacher (if school has a bilingual program must be a bilingual teacher)*	Magda Medina
Parent/Guardian*	
Teacher	Guiselle Alvarado
Parent Coordinator	Teresa Montano
School Counselor	
Related-Service Provider	
ENL Coordinator	Elizabeth Almonte
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

2

Number of teachers who hold both content area/common branch and ESOL certification:

0

Number of ESOL certified teachers with a bilingual extension:

2

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

10

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

1

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

2

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

317

Total number and percentage (%) of current ELLs:

149 /47%

Total number and percentage (%) of former ELLs:

16/5%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

117/78.5%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

32/21.5%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0/0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

8/5.4%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

45/30.2%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Aaron Sidlo provides stand alone services to our 3rd -5th grade students. Elisa Rosario provides stand alone services to our kindergarten- 2nd grade students. Mr. Sidlo and Ms. Rosario are ESOL certified. our ENL Stand- alone instructional program students are grouped by grade and heterogeneously by proficiency level (EN-EM). In some cases, we group students into two grade bands (e.g., first and second-grade EN-EM students). We have one Stand-alone room. Students travel together with their ENL teachers into their ENL room ensuring that the required amount of instruction as per CR Part 154 is implemented. Instructional minutes are incorporated in accordance with the proficiency level of each student as mandated by CR Part 154.

Integrated ENL:

Ms. Rosario supports the k-2nd grade students and Mr. Sidlo supports the 3rd - 5th grade students in their classrooms. Our Integrated instructional program students are grouped by grade and heterogeneously, with a mix of all proficiency levels in one classroom . The ENL teachers push into the classroom during a specific period of the day, ensuring that the required amount of instruction as per CR Part 154 is implemented.

Both Certified ESOL and Content teachers get together during grade team meetings to plan lessons aligned to the New York State Next Generation Learning Standards. Both teachers co-teach and agree on which co-teaching model to implement during the lesson. The ESOL teacher takes charge of the linguistic demands of the lesson and scaffolds to make content accessible to all learners.

In this setting Students receive English Language Development support from a certified ESOL and content teacher in the core content area e.g., English Language Arts and Math. In our Integrated setting home language supports and ELL scaffolds are implemented in the planning of the lessons.

Instructional minutes are incorporated in accordance with the proficiency level of each student as mandated by CR Part 154.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

In our Transitional Bilingual program, instruction is provided in both the student's home language (Spanish) and in English. Students are grouped by grade and heterogeneously. ENL Instruction, stand alone and integrated, is delivered by teachers with a common branch license and a bilingual extension. An ENL component is part of the instructional practice to develop skills in all four modalities listening, speaking, reading, and writing. A minimum of two (2) content subject areas in Spanish. Students are grouped by grade level and proficiency level (heterogeneous).

Bilingual Teachers incorporate Stand-alone and Integrated (ELA) to develop English language skills for students to succeed in core content courses.

Instructional minutes are incorporated in accordance with the proficiency level of each student as mandated by CR Part 154.

Dual Language Bilingual Education (DLBE):

In our Dual language program, instruction is provided in both the student's home language (Spanish) and in English (50/50) model. Students are grouped by grade and heterogeneously. ENL Instruction, stand alone and integrated, is delivered by teachers with a common branch license and a bilingual extension. An ENL component is part of the instructional practice to develop skills in all four modalities listening, speaking, reading, and writing. Students are grouped by grade level and proficiency level (heterogeneously).

Bilingual Teachers incorporate Stand-alone and Integrated (ELA) to develop English language skills for students to succeed in core content courses.

Instructional minutes are incorporated in accordance with the proficiency level of each student as mandated by CR Part 154.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

The conversation for programming begins in June when the ENL coordinator (E.Almonte), ENL teachers (A. Sidlo and E. Rosario) meet with classroom teachers and admin (L. Fernandez and K. Barton) to organize classes for the upcoming school year.

Instructional minutes are incorporated in accordance with the proficiency level of each student as mandated by CR Part 154 mandated units of study chart.
The break down of minutes is as follows:
1. Entering/Emerging level students receive a total of 360 minutes per week, 180 of stand alone services and 180 minutes of integrated services.
2. Transitioning/Expanding students receive a total of 180 minutes per week, all of them in the form of integrated services.
3. Commanding/Former ELLs students receive a total of 90 minutes per week, all of them in the form of integrated services.

All services are provided by ESOL certified teachers or teachers with a bilingual extension.

Language support is consistently provided by the bilingual certified teacher in the bilingual classroom in multiple content areas, students receive more ENL minutes than the ones required by CR Part 154-2.

We review the EDUR monthly report to determine ongoing support.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

Overall, the delivery of ENL, ELA, and HLA instructional minutes are delivered depending on the program model and the students' proficiency levels. In all programs, we support students' language development and academic achievement in English and their home language.

In each program:
1. ELA: 45 minutes of foundational skills instruction (phonemic awareness and phonics) 60 minutes of literacy instruction and 45 minutes for targeted small group instruction
2. ENL Program - ENL services are provided in the monolingual setting during the ELA block based on the students proficiency level. Home language support is provided as needed. We ensure that materials are provided to support all students. Our ENL teachers provide the support (A.Sidlo/E.Rosario).
3. TBE Program - ENL services are provided in the classroom by the teacher with the bilingual extension across all subject areas. HLA is provided to students depending on the grade level and students proficiency level.
4. Dual Language Program - for our grades K-6 students in our dual language program are immersed in both English and Spanish in all content areas (ELA, Math and HLA). Therefore, HLA is an integral part of our dual language program, with students in receiving multiple core subjects in their home language by teachers that have a bilingual certification.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

In our Dual Language program instruction is provided in both languages (Spanish and English) allowing both Multilingual Learners and English Proficient students to meet/ exceed the rigor set in the Next Generation State Standards. Students in our Dual Language program receive content-area instruction for 50% percent of the academic day in English and 50% percent in Spanish. In addition, an ENL component is included to develop skills in listening, speaking, reading, and writing in English. The model we have at PS 28 for our Dual Language program is self-contained from 3K through 5th grade.

Instructional minutes are incorporated in accordance with the proficiency level of each student as mandated by CR Part 154.

b. In which language(s) is each core content area taught?

The language integrated in each core Content area depends on the program and the proficiency level of the students.

In our Dual Language program instruction is provided in both languages (Spanish and English) allowing both Multilingual Learners and English Proficient students to meet/ exceed the rigor set in the Common Core. Students in our Dual Language program receive content- area instruction for 50% percent of the academic day in English and 50% percent in Spanish across all subject areas. In addition, an ENL component is included to develop skills in listening, speaking, reading, and writing in English.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

In our Transitional Bilingual program instruction, is provided in both the student's home language (Spanish) and in English. Students are grouped by grade and heterogeneous. An ENL component is part of the instructional practice to develop skills in all four modalities listening, speaking, reading, and writing. Math instruction is conducted in the target language (Spanish). Social studies and Science are embedded in our ELA curriculum, 60% of the modules will be implemented in the target language Spanish and 40% in English.

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

76% of ELLs are newcomers.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

10.5% of ELLs are SIFE.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

0% of students are Long-term ELLs.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

4.2% of ELLs are former ELLs.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

The at-risk indicators impacting the greatest number of ELLs are: Newcomer ELLs with less than 3 years of ELL service (76%). ELLs in Temporary Housing (36.2%). Students not demonstrating sufficient ELP progress (59%).

When comparing the data to the one from the previous school year (2022-23 v. 2023-24), we can say that:

The % of Newcomer ELLs has increased by approx. 2.5% points (76% to 78.5%);
The % of ELLs in Temporary Housing decreased by approx. 1.8% points (38% to 36.2 %)
The % of ELLs not demonstrating sufficient ELP progress has decreased by 12.9% points from 71.9% to 59%.
When it comes to “state test related” at-risk indicators, the % of ELLs scoring at level 1 or 2 in SY22-23 (22.8% in ELA and 20.5% in MATH).

When it comes to “state test related” at-risk indicators, the % of ELLs scoring at level 1 or 2 in SY23-24 (22.1% in ELA and 24.2% in MATH).

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

The at-risk indicators impacting the greatest number of former ELLs are former ELLs in Temporary Housing (18.8%). Former ELLs who scored a level 1 and 2 in ELA (18.8%). Former ELLs who scored a level 1 or 2 in math (12.5%).

When comparing the data to the one from the previous school year (2022-23 v. 2023-24), we can say that:

The % of former ELLs has increased by approx. 0.8% points (4.2% to 5%);
The % of former ELLs in Temporary Housing decreased by approx. 9.8% points (28.6% to 18.8%)
The % of former ELLs who scored a level 1 and 2 in ELA decreased by approx. 2.6% points (21.4% to 18.8%)
The % of former ELLs who scored a level 1 and 2 in math increased by approx. 5.4% points (7.1% to 12.5%)

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

For two consecutive years, the top 3 students’ home languages Spanish (85.9%), Arabic (8%), and Fulani (1.3%). It is important to note that are highest number of Spanish speakers are in the third grade. Our school has ENL teachers, bilingual teachers, bilingual parent coordinator. School announcements and communication is sent out via class dojo which supports with translations.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

As per information provided by families during the enrollment process, 85.9% of our current ELL families identify themselves as Hispanic ELLs.

Within the Hispanic ELLs, the top 3 categories in the 2024-25 Ethnicity Breakdown are: 34.8% Hispanic Black, 34.2% American Indian or Alaskan native; 12.7% Hispanic White. This is similar to the top 3 in the ethnicity breakdown in SY 2023-24 with 31.5%, 34.5%, and 16.3% of Hispanic Black, American Indian or Alaskan native, Hispanic White respectively. ”
The top 2 in the ethnicity breakdown of the Non-Hispanic ELLs in SY 2024-25 are: 6% Non-Hispanic Black and 6.7% Non-Hispanic White. This is similar to the top 2 in the SY 2023-24 Ethnicity Breakdown with 5.8% and 7% of Non-Hispanic Black and Non-Hispanic white respectively. ”

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

As per NYSESLAT 2023 and 2024 results, the 12% of ELLs exiting their ELL status (ELP method 1) has increased by approx. 3%.

Similarly, the 21.7% of ELLs meeting annual growth targets (ELP method 2) increased from 2023 to 2024 at 3.7%.
Almost seven times more ELL students made ELP progress by meeting safe harbor cumulative targets - from 1.1% in 2023 to7.2% in 2024.
The number of ELLs not meeting ELP progress decreased from 79.1% to 59%.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

Proficiency Level Results
The % of students exiting their ELL status has increased by 1.6%, from 6.8% in 2023 to 8.4% in 2024. Additionally, expanding level ELLs and entering level ELLs continue to be the groups with the highest and the lowest representation in our school, respectively. The % of students scoring at the expanding increased from (31.4% to 33.6%) and the % of students scoring at the entering level increased from (12.7% to 16.0%)

2024 NYSESLAT results indicate that 5.8% (7) of the expanding level ELLs were between 1 to 10 points away from scoring commanding while 9.2% (11) were less than 20 points away from scoring commanding and exiting their ELL status. These are the students that are closer to reaching English proficiency and exit their ELL status.

2024 NYSESLAT results indicate that 6.7% (8) of the transitioning ELLs were between 1 to 10 points away from scoring expanding while
7.5% (9) was less than 20 points away from scoring expanding.

Modalities of Strength
Based on the 2024 NYSESLAT results, 41.1% of the ELLs scored HIGH (90% or more questions correctly) in the speaking modality. This is four times the % of ELLs scoring HIGH in listening (10%), more than four times the % of ELLs scoring HIGH in reading (7.5%) and more than thirteen times the % of ELLs scoring HIGH in writing (3.3%).

Modalities of Need
Overall writing continues to be a modality of need across all grade levels. Not only fewer ELLs scored HIGH in writing, but also a significant number of them are scoring LOW (15% or less questions accurately) in this modality. As per 2024 NYSESLAT results, 32 (26.8%) ELLs scored LOW in writing. This means that of our ELLs are really struggling with writing.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

ELA
57.8% (22) of all of the ELLs, including those who scored commanding on the 2024 NYSESLAT, scored a 1 in the 2024 ELA state test. This is 7.2 percentage points less than the % of ELLs who scored a 1 in the 2023 ELA state test (65%).

10.5% ( ) of expanding and commanding level ELLs, scored proficient (level 3 and 4) in the 2024 ELA state test. This is 5.3% more than the % of expanding and commanding level ELLs who scored proficient in the 2023 ELA state test (5.2%).

Math
13.4% (16) of all of the ELLs, including those who scored commanding on the 2024 NYSESLAT, scored a 1 in the 2024 Math state test. This is 5.4 percentage points less than the % of ELLs who scored a 1 in the 2023 Math state test (18.6%).

15.2% (7) of expanding and commanding level ELLs, scored proficient (level 3 and 4) in the 2024 Math state test. This is 4.37% less than the % of expanding and commanding level ELLs who scored proficient in the 2023 ELA state test (19.57%).

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

In SY 2023 - 2024, 30.2% of ELLS had an IEP. This is a a 1% increase when compared to the SY 2022 - 2023 (29.2%). 15%, 35%, 15%, 32.5% of the ELLs scored at the entering, emerging, transitioning, and expanding proficiency level respectively in the 2024 NYSESLAT exam. 2.5% of the ELLs with IEP scored commanding in the 2024 NYSESLAT exam.

5.4% of ELLs are SIFE. This is a decrease of of 5.1% when compared to the SY 2022 - 2023 (10.5%); As per NYSESLAT 2024 results, 75% of the SIFE ELL's scored at the entering proficiency level (compared to 67% in 2023) while 25% scored at the emerging proficiency level (compared to 33% in 2023).

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

At PS 28 we provide our MLLs with high academic experience that leads to deeper learning through several key strategies:

Effective Language Instruction and strategies are implemented within all programs to meet the diverse needs of our MLLs.

We incorporate culturally responsive teaching lessons that reflect the backgrounds and experiences of our MML students by incorporating diverse texts, resources, and instructional materials that resonate with their cultural identities.

We provide small group instruction to our MML and target specific language skills and academic needs in all our programs. Teachers meet to plan differentiated instruction and provide targeted support to students who may require additional assistance in small-group settings and our stand-alone.

Ongoing professional development and planning opportunities are offered, for teachers to enhance their knowledge of teaching effective
language instruction strategies to support diverse learners in the classroom.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The ENL Coordinator, Bilingual, and ENL teachers are part of the Instructional Leadership Team. We meet every two weeks and during the group meeting discussions and the sub-group planning time we ensure that all mandates for MLLs are incorporated into teaching/learning protocols as per CR Part 154. MLS with IEP is discussed within the instructional planning to ensure that this subgroup has the same access to the curriculum as well as grade-level content.

Both Certified ESOL and Content teachers get together during grade team meetings to plan lessons aligned to the New York State Next Generation Learning Standards.

In addition, our Comprehensive Education Plan has a section explaining ways in which we support our Multilingual Learners and their subgroups.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

At PS 28 we have all three programs ENL, TBE, and DL. In all three programs, we provide home language support. All teachers of MLLs meet in their grade-level teams once a week to discuss the needs of students and plan standards-based lessons in all four modalities. All teachers of MLLs plan collaboratively to plan and implement strategies and lessons in all content areas.

In our TBE program, students receive home language arts, English language arts, and English as a New Language. The content areas are delivered in the student's home language depending on the level of proficiency.

In our DL Program, students receive 50% of the instruction in their home language (Spanish) and the other 50% in English. At P.S 28 we have the self-contained model with a mix of students who are MLLs of the same language and of students who are not MLLs (former or never MLLs). An ENL component is included with the home language support when needed.

In our ENL program, The ENL teacher and content teacher work together to plan and deliver the instruction. Both teachers engage in co-teaching throughout the day on specific periods assigned to full fill the integrated portion of the unit of study requirements. Prior to the delivery of lessons, teachers meet to discuss the implementation of the lesson components e.g, What does each co-teacher will do during the lesson?

In all three programs, the use of home language resources is provided e.g., leveled libraries, glossaries, cognate words, and word walls.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

To provide access to grade-level academic content and accelerate English language development for MLLs and students with IEPs, teachers implement a variety of instructional strategies and use grade-level materials and technology in all content areas. Differentiated Instruction:

Teachers plan lessons that meet the needs of the different language proficiency levels and academic strengths of their students.

Scaffolded is provided to ensure all students have access to challenging content. In addition, language objectives and explicit vocabulary instruction are part of each lesson alongside sentence frames and sentence starters.

The digital resources include educational apps, websites, and multimedia resources that offer interactive and engaging content and learning platforms that adjust content based on students' proficiency levels and provide personalized practice.

b. SIFE

Students identified as SIFE have access to grade-level content and receive small group guided and targeted instruction to help fill the gaps in learning. Students in this sub-group are partnered with students who speak the same home language. ENL teachers provide support in a small group setting providing materials that are at the ability level of the student (s). In addition, we offer our SIFE students participation in our after-school programs.

c. Newcomers

Multilingual Learners who have been in a US school for less than three years receive instructional support in their home language e.g., literacy and math. ENL teachers provide support in a small group setting providing materials that are at the ability level of the student (s). In addition, we offer this sub-group students participation in our after-school programs.

d. Long Term ELLs

Long-term MLLs receive integrated instruction by both ENL and Content teachers. Long-term MLLs are also provided with small group instruction, and tier 1, and 2 intervention is also provided by the classroom teacher, ENL teacher, and AIS. This sub-group is also invited to our Title III Enrichment after-school program.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

Teachers, in conjunction with administrators and related services providers, use curricular, instructional, and scheduling flexibility to enable ELLs with IEP's achieve their goals and attain English proficiency within the least restrictive environment by providing small group instruction, integrated teaching with the content and ENL teacher, and targeted tier 2 and tier 3 interventions. Teachers meet regularly to discuss and modify lessons based on the needs of their students, as evidenced by data discussed and collected. In the ICT setting teachers plan/ teach collaboratively to ensure that instruction is differentiated according to the needs of the students. All lessons for all students are aligned to the standards with modifications for individual students in order to ensure that. each student's academic needs and IEP goals are met. The school ensures that flexible programming is used to maximize time spent with regular-ed peers. We also ensure that our SWDs have as many opportunities as their regular ed peers during school day activities.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

In our Transitional Bilingual program instruction, is provided in both the student's home language (Spanish) and in English. Students are grouped by grade and heterogeneous. An ENL component is part of the instructional practice to develop skills in all four modalities

listening, speaking, reading, and writing. A minimum of two (2) content subject areas in Spanish. Students are grouped by grade level and proficiency level (heterogeneous).

Students receive instruction in their native language depending on their level of proficiency (e.g., Entering and Emerging students receive Guided Reading, target strategy lessons, math, science, or social studies in the native language). Teachers incorporate Stand-alone and Integrated (ELA) to develop English language skills in order for students to succeed in core content courses.

Instructional minutes are incorporated in accordance with the proficiency level of each student as mandated by CR Part 154.

In our Dual Language program instruction is provided in both languages (Spanish and English) allowing both Multilingual Learners and English Proficient students to meet/ exceed the rigor set in the Common Core. Students in our Dual Language program receive content-area instruction for 50% percent of the academic day in English and 50% percent in Spanish. In addition, an ENL component is included to develop skills in listening, speaking, reading, and writing in English. The model we have at PS 28 for our Dual Language program is self-contained from 3K through 5th grade.

Instructional minutes are incorporated in accordance with the proficiency level of each student as mandated by CR Part 154.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

At P.S 28 we do not offer language electives.

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

At PS 28 we have Co-Teaching Teams collaboration consisting of not only the classroom teachers but also the ENL teachers and teachers in our Bilingual Programs. The teams collaborate closely to plan and deliver instruction for all MLLs.

In our co-teaching setting, the roles and responsibilities are designed in a way that both teachers contribute their expertise and collaborate on teaching content, and also assessing our students on their language development and support where needed.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

In addition, we at P.S 28 have created a partnership with the Community Association of Progressive Dominicans (ACDP) with the common goal to support and nurture the well-being of our entire school community. Also, ACDP conducts informational sessions/overviews of the referral process and ongoing workshops that are offered to the staff, students, and parents.

Our Guidance team, staff, and administrators at P.S 28 offer students support for their social, emotional, and coping skills. Goals may address appropriate school behavior and self-control, peer relationships, conflict resolution, and low self-esteem.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

For this school year, ongoing virtually Professional Development sessions were offered to all teachers of MLLs in the Bilingual, ENL, and Monolingual settings. Some of the sessions also provided hours of CTLE credit.

The PLS covered meaningful information on the implementation of the Next Generation Standards and provided all teachers with curriculum and planning guidance. In order to support MLLs to reach the academic demands embedded in the revised standards.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

At P.S 28 we use classroom assessments to monitor the progress and plan instruction for all Multilingual Learners. Teachers analyze data to determine whole class/small group instruction as well as strategy lessons to support all Multilingual Learners in all programs.

The data collected are utilized to inform instruction and to formulate small instructional groups. Teachers also use the results of these assessments to conduct conferences and help students formulate individual goals in Reading and Writing. in addition, this data is used by the RtI team to target and provide services to students.

During the 2023-2024 school year, various assessments were implemented to monitor our students' academic growth and determine adjustments/modifications to our instruction/curriculum. First, our teachers administered the academic screeners three times this school year— September/October (BOY), January (MOY), and May/June (EOY). For mathematics, our students were administered the i-Ready assessment. In ELA, our grades K-2 students were administered the Acadience test, and our grades 3-5 students were administered the i-Ready assessment. These assessments were used to determine school-wide, class, and individual students' growth.

Additionally, we also administered i-Ready as one of our progress monitoring tools for targeted subgroups of students (Tier II, Tier III, SWD, ENL, STH, 3rd-5th grade students). This tool was utilized to monitor students in both reading and mathematics.

Students were also progress monitored in mathematics every 1-2 weeks with topic quizzes (grades 3-5 students). For our grades K-2 students, the mathematics performance indicators were utilized to monitor progress.

For ELA, Acadience was used as a progress monitoring tool, every two weeks, for our K-2 students. In addition, the end-of-module assessments were administered to all of our targeted MLL students. In addition, the Fundations unit tests were used to monitor student progress as well.

At PS 28 we will also be administered a total of six mock tests— three in ELA and three in Math. The data gathered from these assessments were utilized by our 3-5 teachers to make necessary curriculum shifts. In addition, this data was used to drive instruction in our after-school and Saturday programs.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

All Multilingual Learners receive support from both the content and ENL teachers. Both teachers are involved in the planning of lessons and ensure that the needed materials are accessible for all students in English and in their home language.

Small and guided group instruction is part of our intervention support e.g., conferring in group or individual, strategy lessons, guided reading, and shared reading/writing. The after-school program is another way in which MLLs are supported in small group instruction for Literacy, Math, Science, and Social Studies.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

The implementation of a Multi-Tiered System to support our MLLs involves an approach of using data to guide instruction and support the needs of the students in all four modalities.

The data used includes standardized tests (e.g., state assessments, MAP tests) to assess academic performance in core subjects of our students. Also, the Implementation of formative assessments to gather ongoing data on our MLLs and their understanding of content skills mastered.

Our Tier support ensures that core instruction is differentiated and includes language support in all content areas. A language objective is incorporated into lesson planning to explicitly teach language skills alongside content areas.

Teachers and administrators regularly meet to discuss and analyze data and identify MLLs who may benefit from targeted intervention in small group settings focusing on specific language or academic needs identified through the data.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

At P.S 28 we use formative classroom assessments to monitor the progress and plan instruction for all Multilingual Learners.

In the Bilingual Programs, we use the HLA Assessment to monitor Spanish literacy skills and language development. TCRWP (Teachers College Reading and Writing Project) is implemented 4 times a year to measure students' grade-level reading proficiency and comprehension in English and their native language. In addition, we use ELA and Math scores from the previous school year to analyze students' performance, look at standards-based questions to determine whole class/small group instruction as well as strategy lessons to support all Multilingual Learners.

The data collected from the assessments are utilized to inform instruction and to formulate small instructional groups. Teachers also use the results of these assessments to conduct conferences and help students formulate individual goals in Reading and Writing. in addition, this data is used by the RtI team to target and provide services to students.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

The Home Language Arts Assessment is administered twice a year in our Bilingual programs (Fall and Spring). This assessment provides the teachers with information about their students' strengths and needs in Spanish literacy skills and academic language development. Teachers use the assessment data to monitor students' progress and plan for group and individual instruction to better support the needs of the students.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions?

(Refer to the ELL Data Analysis Tool).

Administrators, teachers teams, and the ENL team analyze summative assessments to monitor the progress and efficacy of program implementation and student language development.

Every year we analyze the results of the New York English as a Second Language Achievement Test (NYSESLAT) to determine the progress toward achievement of English Proficiency of our MLLs in each program, as well as the percentage of students exiting the TBE program. The administration classroom and ENL teachers use the NYSESLAT data to create students' goals in all four modalities.

The Periodic Assessment (Home Language Arts) is in the Fall and Spring to measure the student's ability to understand the native language context. Teachers use the data from the language arts assessment to gather information about students' strengths and needs in Spanish- Language academic literacy and to serve as a resource to help plan individual and group instruction.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

The NYSESLAT administration plan at P.S 28 includes the Administrators, Testing Coordinator, ENL Teachers, and the ENL coordinator.

With the supervision of the administration, the ENL team prepares all needed materials for the administration of the NYSESLAT. Classroom teachers administer the whole group administration of the test and the ENL team carries out the responsibility of the Speaking administration as well as the scoring of the test.

Multilingual Learners and Formercontinue receiving their mandated services during periods of State Assessment through the modification of the ENL teachers' schedule.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

At PS 28 we ensure that current and former MLLs receive the necessary accommodations for all State Assessments.

Provide extended time for assessments to accommodate MLLs and students with IEPs who need additional time to process and respond to test questions.

Time Extension (all exams).

Separate location, small groups (all exams).

Test Read.

Bilingual Dictionaries and/ or Glossaries.

Use of English and alternate language test forms at the same time.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

At PS 28 Our ELL Program Orientation meeting is coordinated by the ENL Coordinator and ENL Teachers. The meeting is held on an individual basis during previously scheduled registration appointments. Language access is provided to parents by the ENL Coordinator or the Office of Translation. During this orientation, parents are informed of the three instructional program models available in NYC (English as a New Language program, Transitional Bilingual Program, and Dual language program), state standards, curriculum, assessments, and school expectations for MLLs. An overview of all program models is shared with the parents as well as their right to transfer to a school with programs we may not have available in our building.
Once the information is provided, parents are given a Parent Survey and Program Agreement form in their preferred language where they can indicate their program choice. The survey is then placed in the student's cumulative record card. In addition we maintain records of parent attendance (sign-in sheet confirming parents have received the information).

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

At PS 28 the annual Individual Meetings are held to discuss the goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas.We use the parent engagement allocation time to schedule these meetings (Mondays at 7:30 am). The NYSESLAT results are communicated to parents to inform them of their child's learning proficiency level.
This meeting is separate from parent-teacher conferences and does not include the mandated ELL program orientation meeting

and DOE-scheduled parent-teacher conferences.

Attendance is taken by the ENL Teachers at every meeting and provided to the ENL Coordinator with a copy for record keeping.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

At PS 28 we ensure that our families receive communications in their preferred language.

We have staff members who are proficient in multiple languages and assist with translation. We ensure to support our families in the languages spoken at home. In addition to the in-house support, we use Language telephone interpretation services. The Language telephone services provide our families access to interpreters who can assist in over-the-phone conversations in numerous languages.

The online DOE forms are used for communication with our families, these forms accommodate our families' preferred languages. During registration, our families also receive the registration packages in their preferred languages.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

At PS 28 we develop activities to foster empowerment for our families.

We determine our families' interests and needs by using the results from the NYC DOE families survey and distributing surveys for our families to fill out and share with us what are they in need of or what activities they would like the school to offer.

Ongoing workshops on various topics are offered to our families/ caregivers. Some of the topics are but not limited to :
- How to support your child at home with the academics.
- Understanding assessments
- Language classes for parents to improve their English proficiency.

At PS 28 we host celebrations to honor our families. Our parents also participate in Family Literacy programs that involve both parent and child to promote literacy at home. These activities are coordinated by the school librarian and our school UFT Chapter Leader.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Our parents are part of our SLT Leadership Program, allowing parents to become part of their children’s education making decision-making processes.

Most of MLL's Parents/ Families attend our Parent Association Meetings.

Three of our MLL's parents participate in the School Leadership Team (SLT).

Our parent coordinator and parents actively participate in Community Education Council (CEC) meetings. Parents are encouraged to volunteer in our school in fundraising activities, help coordinate school events, support school staff during unstructured times within the school day.

In addition, at PS 28 we host parent meetings specifically focused on explaining the roles and responsibilities of each leadership opportunity for our families.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

At PS 28 we have Partnerships with CBOs that offer Parent workshops and cultural enrichment presentations that support our family's cultures and interests.

Our school librarian hosts multilingual story hours and literacy events that promote reading and language development for our families in the community. In addition, we host Family Literacy Nights this event includes storytelling sessions in multiple languages, workshops on fostering literacy at home, and access to multilingual books and resources for the families.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

n/a

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Kevin Barton - Assistant Principal
Aaron Sidlo - ENL Teacher
Giselle Alvarado - IEP Teacher
Elizabeth Almonte - ENL Coordinator

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Elizabeth Almonte (ENL Coordinator) is in charge of the ELL identification process. All paperwork associated with the process is prepared by Ms. Almonte. Meetings are scheduled in advance to ensure that there is minimal interference with the mandated ENL/bilingual instruction to former and potential ELLs.

In September entitlement letters are sent home to parents notifying them of continuation of services. They also get a copy of their NYSESLAT proficiency level.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school. We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards,Surveys conducted by your school

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Letters indicated student ELL status and placement	All school-generated documents are in the preferred language of the parents/guardians and translate. NYCDOE documents and downloaded in all covered languages and sent home to parents. To ensure that parents are supported in a timely and productive manner, at the time of enrollment, parents/guardians are asked to complete a document that records their preferred language of communication, both written and oral. Written services in their preferred language will ensure that parents have accessibility to following information and workshop.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent Orientation	Throughout the school year, our school holds formal face-to-face meetings with parents/guardians to maintain open lines of communication and foster strong home-school partnerships. These meetings are scheduled at key points in the academic year, including parent-teacher conferences, individualized education plan meetings, and other important academic or behavioral discussions.

Teacher Meeting	The parent coordinator is always available to interpret for teachers who are not fluent in the Spanish language. This is when parents request a meeting to discuss any concern they have.
Nurse	The parent coordinator is always available to interpret for the nurse when call parent that speaks other than English

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

In the event of an emergency, our school is committed to ensuring that all parents and guardians-regardless of the language they speak-receive timely, accurate and understandable information via Messenger, ClassDojo, text or through WhatsApp. There is

also our school landline.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

To ensure that all staff member complete the required asynchronous NYCPS Language Access Training for school-based staff, our school follows a structured and accountable process. The administration also provide that staff with professional development hours to complete any mandated training needed to insure that the staff has best practices.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Our school is committed to ensuring that all parents and guardians are aware of the language assistance services available to them by putting up the poster in from of the school. In the lobby there is a bulliten board that has all the brochures provided by the LTI department. The teachers are all provided with the brochures for the parents. The brochures are also place in office where parents visit.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

In addition to the feedback received from parents via translation & interpretation feedback survey. Feedback is collected through brief surveys, informal conversations, and during parents engagement events. Responses are reviewed regularly to identify areas from improvement and ensure that all families receive high-quality language access services.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Our school is committed to creating an inclusive environment where all families-regardless of the language they speak-feel welcomed, informed, and empowered to participate in their child's education. Our plans for further improvements are: Enhanced Visibility and Access, Information on the top languages spoken in our school community, and increasing Stronger staff support.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**
- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

The 2025-2026 Title III funds will be used to supplement the core curriculum during an after-school program that will afford students additional opportunities to receive the prerequisite skills needed to be successful with the core curriculum. This extra instructional support will help in the closing of our students' achievement gap.
ELL students will have an opportunity to engage in targeted group work that will focus on reading comprehension, language, vocabulary, and writing development. The Multilingual students participating in the Title III after-school program will have access to technology (i.e., iPads, Chromebooks, etc).

The ELL students will be grouped by proficiency level to ensure that they are receiving the targeted instruction needed, based on the data collected from informal and formal assessments. The total number of ELLs in each group will be about 12.

Instruction will be delivered by one teacher. During the duration of the Title III after-school program teachers will provide multilingual learners with additional reading instruction that is aligned to the next generation standards and provide differentiated instruction to small groups of students in various levels of language and literacy needs in the areas of listening, speaking, reading, and writing. The academic support will include literature and content-based instruction in English.

Analysis of the data being used includes: Acadience screener date in grades K-2, the RLAT, ELL Data Analysis Tool, and Spring 2025 NYSESLAT results to inform their planning.

During weekly data meetings with administration, K to grade 2 teachers have been reviewing students' data in order to understand the areas of need for the students. The data gathered will be utilized to inform instruction during our Title III after-school program.

Our focus group will be our transitioning and expanding students which will help in bridging the learning gap. Students at the Transitioning or Expanding levels often have foundational English skills but still need structured opportunities to strengthen academic vocabulary, grammar, and comprehension.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

As per NYSESLAT proficiency level results, the breakdown is as follows: entering 20%, emerging 25%, transitioning 18%, expanding 28%, and 14% commanding. Our # of ELLs scoring expanding increased whearas or # of ELLs scoring transitioning decreased. 45% of our students that scored entering on the NYSESLAT scored within 10 points from the next proficiency level. It is important to note that 21% of our expanding ELLs were less than 10 points away from exiting their ELL status.

Writing continues to be the modality where our students continue to demonstrate having most difficulty with.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Students to be served:

30 Multilingual Learners will be served.

The subgroup will be students in Kindergarten to second grade with the proficiency levels ranging from entering to expanding. Our Primary focus is on the students who scored transitioning and expanding on the 2025 NYSESLAT.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Schedule and Duration for the 2025- 2026 Title III after-school program:

The Title III program for the school year 2025-2026 is projected to begin on Tuesday, October 28, 2025 and run until Thursday, May 7. 2026.

The P.S 28 Title III Program will be three days a week after-school for an hour and half. The program will be Tuesday - Thursday from 2:21pm to 3:51 pm.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

Language of Instruction:

The language of instruction will be in English.
The instructional plan for the program focuses on strengthening the four modalities (speaking, listening, reading and writing). Teachers will utilize Read-alouds to model fluent and expressive reading which will help students understand how language sounds and flows. Protocols will be implemented to promote class discussions. New academic and content specific vocabulary will be introduced with visuals and examples to support students comprehension of the terms. Sentence starters will be provided to facilitate conversations and writing.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

Number and types of certified teachers:

3 Bilingual Certified teachers will be providing instruction for the program.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Materials:

The materials the program will be utilized.

The instructional plan for the program will include ELA grade-level non-fiction/fiction reading, non-fiction/fiction writing (i.e., read-aloud, shared reading, independent reading), vocabulary development (i.e. definitions, use of visuals), and oral language development.

The materials will be at no cost to the program.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

A permission slip will be sent home to parents notifying them of their child's eligibility to participate in the program. Students will be required to return the signed permission slip which will be filled in the title III binder which will be kept in ENL coordinators room. Letters will be sent home two weeks prior to the start of the program to ensure a timely return.

Daily attendance will be taken to ensure that there is a record of student participation. Attendance sheets will be kept in the title III binder which will be stored in ENL coordinators room.

At P.S 28 we are administering i-Ready as one of our progress monitoring tools for targeted subgroups of students (this includes our Multilingual Learners). This tool will be utilized to monitor students in both reading and mathematics and will assist teachers with above- and beyond planning to support our Title III after-school enrichment program

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Professional development for teachers will be provided in October in preparation to begin the program October 28. Teachers will engage in a deep dive of data analysis in order to determine the students needs. Teachers will be reviewing screener data as well as informal and formal data collected in the classroom. Teachers will be supported with selecting thematic units that provide students with rich academic/content specific vocabulary. Teachers will develop questions that will help with the comprehension of fiction and non-fiction books. Teachers will engage students in daily writing practice to ensure consistent opportunities to apply academic vocabulary, develop sentence structure, and strengthen grammar and spelling conventions.

The Literacy Coach/ENL Coordinator and Bilingual Peer Collaborative teacher will provide teachers of Multilingual Learners support with specific ENL strategies, as well as resources that can be utilized to enhance reading and writing skills throughout the content areas.

The professional development provided will be at cost to title III ELL funds.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

As per NYSESLAT proficiency level results, the breakdown is as follows: entering 20%, emerging 25%, transitioning 18%, expanding 28% and 14% commanding. Our # of ELLs scoring emerging decreased.

Writing continues to be the modality where our students continue to demonstrate having most difficulty with. A significant number of our newcomers scored entering as per the NYSITELL.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

The 3 Teachers teaching the Title III after-school Program and other staff responsible for the delivery of instruction and services to Multilingual Learners will be receiving Professional Development.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Schedule and Duration:

Starting on October 28 and ongoing throughout the year the ENL Coordinator, the ENL teacher, and the Coaches will provide Professional Development

Teachers of multilingual learners will engage in 4 different cycles of professional development throughout the school year.

The first cycle will focus on using data to inform instruction and differentiation.

The second cycle will focus on teachers creating learning targets that are rigorous and aligned with the curriculum/Standards.

The third cycle will focus on teachers' questioning as well as engaging students in high-level questioning.

The last cycle will focus on encouraging students to grapple and creating an environment within the classroom that fosters grappling.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Topics to be Covered:

The topics include Vocabulary Development, Scaffolding Support for ELLs, Oral Language Development, writing conventions and building fluency in written expression.

Other topics will include:

Using data to inform instruction and differentiation.
Ensuring that the lessons are aligned to the Standards.
Questioning that promotes engagement and productive struggle.
Encouraging students to ask and answer questions.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

The staff members responsible for providing the training will be:

Elizabeth Almonte- ENL Coordinator

Magda Medina - Peer Collaborative Coach

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Agendas and sign-in sheets will be created for each professional development session. The documents will be placed in the title III binder which will be kept in ENL coordinators room.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

At P.S 28 we establish expectations and meaningful parent/ caregiver/ family engagement. Research shows a positive correlation between parent engagement and student achievement. Students whose parents are involved in school have better attendance and behavior. In addition, parental involvement sets the student up to develop a lifelong love of learning.

Parents/ Caregivers are encouraged to actively participate in the School Leadership Team, and Parent Association (or Parent-Teacher Association), parents are also welcomed as volunteer members of the school community.

At P.S 28 we also provide Parent Workshops through our CBO partnership (ACDP).
The activities noted below are ways the school fosters positive relationships with our students, families, and community.

Our 2025-2026 Title III family workshops will begin during the month of December 2025.

Workshop # 1 Supporting language at Home Date- TBD
* Practice "retelling" daily routines or stories
* Model using complete sentences in home discussions

Workshop # 2 Writing at Home - Date- TBD
* Provide a bilingual writing tool kit with sentence starters and writing ideas
* Demonstrate the use of journals for reflections, stories, or drawings with captions

Workshop # 3 Using Sight Words to Support Literacy at Home - Date- TBD

Workshop # 4 Using Wordless Picture Books to Tell a Story- Date- TBD

Workshop # 5 Healthy Minds, Healthy Bodies: "Using Wellness to Support Academic Growth"- Date- TBD

Workshop # 6 Understanding the NYSESLAT and ELL Progression- Date- TBD
*Explain the four modalities (Listening, Speaking, Reading, and Writing)
*Review the performance levels (Entering, Emerging, Transitioning, Expanding, and Commanding)
*Explanation of what each section looks like and what to expect

Each workshop will be one hour long

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

The above mentioned workshops are possible topics to be offered to parents. Surveys will be sent out to parents to determine interests in the above topics. Adjustments will be made as needed to accommodate parent needs. Our goal is to provide workshops that will increase parent engagement.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

The parent/ family workshops will be offered starting in December

The duration for each workshop will be one hour.

Workshop # 1 Supporting language at Home Date- TBD
* Practice "retelling" daily routines or stories
* Model using complete sentences in home discussions

Workshop # 2 Writing at Home - Date- TBD

*Review the performance levels (Entering, Emerging, Transitioning, Expanding, and Commanding)
*Explanation of what each section looks like and what to expect

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Presenters for the workshop include the following personnel:

ENL Coordinator/Literacy - Coach Elizabeth Almonte

ENL Teachers - Aaron Sidlo/ Elisa Rosario

Peer Collaborative Coach/Bilingual Teacher - Magda Medina

Parent Coordinator - Teresa Montano

School Librarian - Lauren Ginsberg

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians’ preferred language, and**

- **How interpretation supports will be provided at events.**

Parents will be notified about the Parent/ family engagement activities in their preferred languages. During each of the workshop presentations, translation will be provided to support the parents/ caregivers. Notification will be through the following via in the families preferred language.

School monthly calendars

Fliers

Parent Association Meetings

Class Dojo messages

Google Classroom

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Agendas and sign-in sheets will be created for each parent workshop. Any resources created and given to parents will be attached to the workshops agenda. The documents will be placed in the title III binder which will be kept in ENL coordinators room.

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.

- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

P.S 28 will use the Title III Immigrant Funds to supplement an instructional after school for our Kindergarten through 2nd Grade.

The direct instructional program will support Learners at the transitioning and expanding levels and literacy skills in the areas of listening, speaking, reading, and writing.

The activities in the after-school Title III Immigrant program will include instruction focusing on thematic units that integrate all four language domains - listening, speaking, reading, and writing. The lessons will include non-fiction/fiction reading (i.e. read- aloud and shared reading), vocabulary development (i.e. hearing and using new words in context). Students will practice speaking in response to both literal and inferential questions. Protocols will be used to promote peer - to- peer discussions. Students will be given prompts to support them while writing. The language of instruction will be English with native language support when needed. The instruction will be delivered by Certified Teachers.

Analysis of the data being used includes academic screeners in grades K-2 acadience, the RLAT, ELL Data Analysis Tool, and Spring 2025 NYSESLAT. In addition, we use the results from the in-depth student interview (i.e. student's abilities and work samples).

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

The Immigrant students who will participate in the program are approaching grade level in literacy.

Data sources used were obtained from the review of the Immigrant student's abilities and work samples during the student's individual in-depth interview. Other data sources include the analysis of the RLAT report, past NISITELL/NYSESLAT results, and the academic screeners.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

The total number of students is 30 students in grades K through 2nd. This number includes Kindergarten Multilingual Learners who are at the Entering/emerging levels of language proficiency.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

The Title III Immigrant program is projected to be launched in October 2025 until May 2026 on Tuesdays, Wednesdays, and Thursdays from 2:21 pm to 3:51 pm. For a total of 67 instructional sessions. Each session will be for an hour and thirty minutes.

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

The language of instruction for the Title III Immigrant after-school program will be in English with Native Language support. The instruction will be delivered by 3 Certified Bilingual Teachers.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

The teachers who will be providing instruction for the Title III Immigrant after-school program are 3 Bilingual teachers.

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

The materials the program will be utilized.

The instructional plan for the program will include thematic units of study which will integrate the four modalities (listening, speaking, reading, and writing). Non-fiction/fiction books, academic and content specific vocabulary. writing supports: Cognates list, sentence stems, sight word lists, and sentence structure examples. Epic and Reading A to Z platforms when appropriate to support development of background knowledge. EL Protocols and total participation techniques to promote discussions.

The materials will be at no cost to the program.
