Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
David Chung	Principal or Designee*	
Jose Pena	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Gianni Echenique	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
N/A	District Council 37 (DC 37) Representative (staff), if applicable	
Lucia Bolanos	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	
N/A	Student Representative (Required for middle and high schools)	
N/A	CBO Representative, if applicable	
Carleen Ventura	Teacher	
Yolanda Pepin	Teacher	
Elena Martell	Teacher	
Leiry Tejada	Teacher	
Angela Espinal	Teacher	
Maria Ramirez	Parent	
Rosa Galido	Parent	
Hilma Mejia-Dunham	Parent	
Mildred Jimenez	Parent	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

At PS 048 all members of the school community will be treated with equality, dignity and respect. We must engage students actively in the learning process while they are working to achieve their full potential as competent, respectful, socially responsible citizens. We must facilitate academic excellence by enabling all students to attain maximum academic achievement.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

Students at PS48 develop a love of learning, a commitment to community, and pride in seeing themselves meet their goals. These future leaders value the friendly and positive environment that surrounds them when they walk in the building - a building filled with committed staff, a strong parent association and peers that they collaborate with and learn from. PS48 has been re-energized with a lively school spirit, in thanks to activities like themed "Fun Fridays", morale-boosting pep rallies, celebrations of student work and friendly competitions. All students can find their place within these halls, whether they are interested in sports, performing arts, STEM, cooking and so much more. Workspaces in and out of the classroom allow for individualized learning, from interactive boards to flexible seating and combinations of whole-class and small group teaching. Class settings include dual-language programs, inclusive education, and smaller class sizes; this allows all students at PS48 to get what they need to be successful. We are a continuously evolving school with a focus on technology, allowing for better parent communication, and opportunities for interactive learning through programs such as MyOn and iReady. All of these assets help our students develop a "Growth Mindset", setting them on the path to be responsible and accountable learners who are college and career ready!

Briefly summarize the key initiatives your school will implement this school year.

Preparing for the new curriculums that will be implemented next year. We are launching Illustrative Math and Expeditionary Learning for this year. Both curriculums are new and encourage students to go deeper into the content area by engaging in deep student discourse and a deep exploration of the content being taught.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area	Grade	Digital and/or	Adaptations

(Indicate ELA and Math Only)	Band	Print Curricula/Program	
ELA	K-5	Expeditionary Learning	differentiated lessons and activities. Pacing may be modified during the year.
Math	K-5	Illustrative Math	differentiated lessons and activities. We will be implementing the 5 mathematical practices into the Envision Curriculum.
Early Childhood	3K-PK	Teaching Strategies Gold	Supports for ELLs and SWDs TYPE A NARRATIVE)
Science	K-5	Amplify Science	Supports for ELLs and SWDs TYPE A NARRATIVE)
Phonics K-2	K-2	Fundations	Supports for ELLs and SWDs TYPE A NARRATIVE)
Social Studies	K-5	Passport	Supports for ELLs and SWDs TYPE A NARRATIVE)

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
New York State ELA Exam - 26.4% Proficient Acadience at and above benchmark: Grade 1 - 35% at or above benchmark Grade 2 - 13% at benchmark Grade 5 - 15% at or above benchmark.	Across the school, there is inconsistent use of formative assessment data to inform daily instruction and interventions to meet the needs of all students	Provide teachers with support in analyzing, interpreting, and using assessment data to inform core instruction and tier 2 and tier 3 supports for students struggling to meet performance standards
New York State ELA Exam - 26.4% Proficient I-Ready ELA - 30% Proficient Acadience at and above benchmark: Grade 1 - 35% at or above benchmark Grade 2 - 13% at benchmark Grade 5 - 15% at or above benchmark	Inconsistent Implementation of Standards-Aligned ELA Curriculum across all grades	Build Teacher Capacity Through Sustained ELA Professional Learning In Tier 1 and Tier 2 instruction

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	26.4%	By June, 2026, literacy for All Students will improve, as measured by a 10% Increase, from 26.4% to 36.4%, of students scoring at Levels 3 & 4 on the NYS ELA exam.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Establish a school wide protocol to ensure regular use of I-Ready and Benchmark Data for instructional planning that meets the needs of all learners.

Root Cause Addressed:

Across the school, there is inconsistent use of formative assessment data to inform daily instruction and interventions to meet the needs of all students

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
September - October 2025 - Establish a data analysis protocol for teachers to use during planning to inform Tier 1 and Tier 2 instruction
September - October 2025 - Adjust teacher's schedules to create an intervention period across all grades to support the differentiated needs of all students.
September - June 2026 - Grade leads will meet with Teacher teams weekly to facilitate Data Driven instructional planning for tier 1 and 2 instruction
September, January, and June 2026 - Engage the ILT in data analysis across all grades to determine the effectiveness of instruction.

November - June 2026 - Across grades, Teachers analyze I-Ready Diagnostic Results and Growth Reports, (How often?) to inform Tier 1, Tier 2, and Tier 3 instruction.
October - November 2025 - Provide staff professional development on the analysis and use of data systems and tools to inform student achievement outcomes
November, January, and June 2026 - Engage the staff in using progress monitoring data to create flexible, skill-based student groupings every 6-8 weeks for targeted small-group instruction and enrichment.
October - June 2026 - Teachers utilize checks for understanding during Instruction to further engage students and meet their individual needs.

Key Strategy 2 (Optional):

Use instructional rounds or walkthroughs to ensure fidelity and consistency in the implementation of standards-aligned ELA curriculum across all grades.

Root Cause Addressed:

Inconsistent Implementation of Standards-Aligned ELA Curriculum across all grades

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
October - June 2026 - During instructional rounds or walkthroughs, the administrative team, instructional coaches, and classroom teachers, utilize the Expeditionary Learning instructional look-for tool aligned with grade-level standards to inform fidelity of school-wide implementation
October - March 2026, Collect and analyze trends in curriculum use, standards alignment, and lesson rigor to tailor teacher professional development and support for core instruction

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal three times a year, in November, January, and June to monitor progress toward achieving the end-of-year ELA increase in proficiency goal utilizing the i-Ready screener

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/15/2025	11/28/2025	Host curriculum nights or webinars to introduce families to reading and writing standards.	N/A
09/15/2025	10/31/2025	Provide family-friendly overviews of ELA curriculum topics and key skills by grade.	N/A
10/01/2025	03/31/2026	Share strategies for supporting reading and writing at home.	N/A

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional coach, assistant principal, consultants, grade leads

Instructional Resources

N/A

Schedule Adjustments

N/A

N/A

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
On the 2024 School Survey 86% of staff responded favorably that students follow rules in the classroom.	The staff, teachers and paraprofessionals, need more training in supporting students in their SEL needs	Provide more training to staff, teachers and paraprofessionals in effective SEL support.
79.5 of parent(s) expressed that they feel that P.S. 48 is a safe school for their child.	There needs to be an improvement to communication structures and systems to communicate to families about the follow up for student incidents.	Effective structures and systems to communicate to parents needs to be created so that parents feel informed.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	86	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 10% Increase, in percentage of positive student responses to survey questions about personal attention/safety/bullying from 86% to 96%, per the NYC School Survey results.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

To utilize survey data to conclude the needs of our schools in regard to improving the culture of behaviors between students and staffs.

Using our data, survey, to look at the data to improve upon system (protocol) on how we can address the findings exhibited by the survey.

Root Cause Addressed:

Improving students' behavior and protocol.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Working closely with parents in term of educating the staff in certain triggers that we are unaware. In addition, educating the stakeholders on in the proper protocol and expectation(s) in place in our school culture to help the students succeed in September to November 2025
Providing PD for staff and parent(s) on strategies on how we can deescalate and support students when they are in crisis from October to February 2025.
Principal and Assistant Principal(s) will have one on one check-ins with the staff to ensure that any challenges experience by a student(s) may be properly handled. Assessing the need(s) of both the child and by the staff in each class is important in make sure that both parties involved are aiming for success October to May 2025

Implementing an intervention session that would encourage all parties to build on relationship and intervene when noticing a weakness. This data would help our staff to determined what are the indicator(s) and how they can be addressed. This would help our staff and learning more about the student(s) and how we can help them succeed (Knowing the child has whole). Novermber to May 2025
Creating a students council to helped students have a voice. Using these member(s) to address the possible concerns with the parties that be to alleviate the tension experienced by the student(s) October to May 2025
Creating a crisis team that would meet in a weekly basis to review pattern(s) and develop an action plan(s). In addition, use this feedback to best address these challenge(s) faced and learning our student(s) as whole October to January 2025

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	01/16/2026	Improving structures of communication	N/A

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
New York State Math Exam - 31% Proficient	Across the school, there is inconsistent use of formative assessment data to inform daily instruction and interventions to meet the needs of all students	Provide teachers with support in analyzing, interpreting, and using assessment data to inform core instruction and tier 2 and tier 3 supports for students struggling to meet performance standards.
I-Ready Math End of Year Data - Grade 2 - 12% students are proficient in math Grade 5 - 22%	Inconsistent Implementation of Standards-Aligned Math Curriculum across all grades	Build Teacher Capacity Through Sustained Math Professional Learning In Tier 1 and Tier 2 instruction.

students are proficient in math		

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	31	P.S. 48 PO Michael J. Buczek will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scoring at Levels 3 & 4 will Increase by 10% from 31% to 41%, for All Students, as measured by NYS Math Exam results.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Establish a school wide protocol to ensure regular use of I-Ready and Benchmark Data for instructional planning.

Root Cause Addressed:

Across the school, there is inconsistent use of formative assessment data to inform daily instruction and interventions to meet the needs of all students

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
September - October 2025 - Establish a data analysis protocol for teachers to use during planning to inform Tier 1 and Tier 2 instruction
September - October 2025 - Adjust teacher's schedules to create an intervention period across all grades to support the differentiated needs of all students.
September, January, and June 2026 - Engage the ILT in data analysis across all grades to determine the effectiveness of instruction.
November - June 2026 - Across grades, Teachers analyze I-Ready Diagnostic Results and Growth Reports, (How often?) to inform Tier 1, Tier 2, and Tier 3 instruction.
October - November 2025 - Provide staff professional development on the analysis and use of data systems and

tools to inform student achievement outcomes
November, January, and June 2026 - Engage the staff in using progress monitoring data to create flexible, skill-based student groupings every 6-8 weeks for targeted small-group instruction and enrichment.
October - June 2026 - Teachers utilize checks for understanding during Instruction to further engage students and meet their individual needs.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal three times a year, in November, January, and June to monitor progress toward achieving the end-of-year ELA increase in proficiency goal utilizing the i-Ready screener

Priority 3 Family and Community Engagement

Family and Community Engagement

Only 63% of students say what they're learning in school helps them understand the future. (2023–24 NYC School Quality Snapshot – Student Perception Survey, Q15)	Limited exposure to real-world connections in curriculum and activities.	Students need more opportunities to explore careers and connect learning to life beyond school.
Only 66% of students report learning how to persevere through challenges. (2023–24 NYC	Lack of consistent, schoolwide focus on	Students need structured support in developing soft skills such as

School Quality Snapshot – Student Perception Survey, Q14)	social-emotional learning tied to future readiness.	perseverance, goal-setting, and problem-solving.
Low family engagement in college and career-related events based on attendance logs and anecdotal feedback. (2023–24 School Event Logs and Family Surveys)	Few opportunities for families to explore or participate in future-focused events.	Families need culturally relevant, accessible opportunities to support their children's long-term planning.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	63%	PS 48 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June 2026, the percentage of students who agree that "what I learn in school helps me understand the future" for All Students will increase by 12%, from 63% to 75%, as measured by NYC Student Perception Survey (Q15).
All Students	29%	P.S. 48 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the proficiency for All Students will Increase by 10% increase from 29% to 39% as measured by the NYS Math State Assessment.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	89%	P.S. 48 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the percentage of parents/families indicating that they are satisfied with will Increase by 10% from 89% to 99% as measured by NYC School Survey Results.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Create and institutionalize a schoolwide Family Follow-Up Protocol that includes clear communication roles, documentation tools, multilingual resources, and timelines to ensure families understand and engage with support options.

Establish a yearlong, tiered family engagement and communication system that explicitly outlines the steps to access academic and behavioral supports, ensures multilingual access, and strengthens two-way communication between staff and families.

Root Cause Addressed:

There is no structured follow-up process to ensure families receive, understand, and act on guidance once a concern is raised.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
August - September 2025: Train staff (teachers, support staff, parent coordinator) on the new Family Follow-Up Protocol, emphasizing roles, timelines, and documentation steps.
August - September 2025: Develop a standardized Family Concern Intake & Follow-Up Log to track all family-raised concerns, referrals, and status updates. Translate the intake form and follow-up scripts into the top 3 home languages at our school.

August - September 2025: Launch a back-to-school family communication campaign introducing the support request and follow-up process.
October 2025 - June 2026: Begin using the Family Concern Intake & Follow-Up Log for all new support-related concerns. Every family concern receives a follow-up call or meeting within 5 school days, documented by designated staff, monitored using the weekly log to ensure completion of follow-ups and escalate overdue items.
November 2025: Send home a mid-fall support summary letter to families whose children are receiving services or interventions, including next steps and contact info for questions.
November 2025: Conduct a parent coordinator check-in with a random sample of 10 families who raised concerns using the school created survey to gather feedback on their experience with follow-up.
December 2025 - January 2026: Use data from the survey to revise and refine the follow-up process (e.g., adjust response times, clarify language) and set the agenda for the Winter Support Access Forum for families to meet support staff and review the follow-up and referral process in person.
February – March 2026: Continue monthly monitoring of follow-up log completion rates. Conduct mid-year progress monitoring to include a short family survey to assess understanding and satisfaction with the school's response after raising a concern.
April – May 2026: Identify any families with unresolved or stalled support cases and conduct targeted outreach and resolution planning.
April – May 2026: Highlight follow-up protocol improvements in the spring parent newsletter to build trust and awareness.
May 2026: Conduct end or the year progress monitoring to include a short family survey to assess understanding and satisfaction with the school's response after raising a concern.
June 2026: Analyze the year's follow-up data for trends in concerns raised, response times, and resolution rates. Share a summary of progress with staff and families and update the Family Follow-Up Protocol for the upcoming year.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2025 Insight Chronic Absenteeism Report - 33% of all students from 3K-5 are chronically absent. 2025 Insight Attendance Report - 90% Yearly Attendance Rate	Families lack a clear understanding of the connection between their child regularly attending school and the lack of regular student attendance in schools impacts a students academic achievement outcomes	Create opportunities throughout the school year to educate families on the impact of chronic absenteeism on academic achievement outcomes.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	23%	By June, 2026, the Percentage of Chronically Absent Students for All Students will decrease by 5%, from 23% to 18%, as measured by the Insight Chronic Absenteeism Reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Increase Awareness: Educate families on the impact of chronic absenteeism on academic outcomes.

Root Cause Addressed:

Families lack a clear understanding of the connection between their child regularly attending school and the lack of regular student attendance in schools impacts a students academic achievement outcomes

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
August - September 2025: Establish and implement an Attendance Team to review and strategically plan attendance support for identified students using attendance data and coordinate supports with families and plan next steps.
September - June 2023: Implement tiered attendance intervention system (monitoring, check-ins, support plans)
Sept 2025 – June 2026: Launch attendance awareness campaign (flyers, newsletters, school website, social media) to broader awareness of attendance importance
September - June 2026: Increase family accountability and follow-up by sending personalized letters/calls home after 5, 10, 15 absences
October - June 2026: Conduct monthly celebration of classes/students with best attendance and improved attendance to reinforce and promote improved attendance

October 2025, January, March, and May 2026 launch quarterly Parent Institute with a focus on attendance, curriculum With a focus on ELA and Math content to support learning at home(e.g., decoding strategies, number fluency, grade-level expectations), school supports; includes Parent Participation Certificates
September 2025 - June 2026“Launch Parents as First Teachers” initiative: Provide families with resources to reinforce school learning at home, including strategies for attendance routines
September 2025 - June 2026, Monthly “Coffee with the Principal / Meet and Greet”: Foster informal dialogue, answer questions, and address barriers to attendance and learning
October, January, March and May 2025 - 2026, Conduct individualized Attendance Conferences with families of students at risk of chronic absenteeism

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Attendance/Chronic Absenteeism Family and Community Engagement

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Our key strategy is to implement a structured, ongoing professional learning and support system focused on building teacher capacity in writing high-quality, compliant IEPs. Our overall focus to address the root cause of only 6 out of 12 teachers writing quality IEPs is centered on targeted professional development, consistent support, and accountability. We recognize that the issue likely stems from a combination of factors including gaps in training, limited understanding of compliance standards, and a need for clearer expectations and feedback.

Root Cause Addressed:

Classroom teachers need proper training to effectively support
SWD students in their classes in writing IEPs that are reflective of their needs.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide Targeted Training: Implement ongoing, differentiated professional development focused on writing high-quality, compliant IEPs. This may include workshops, peer collaboration sessions, and exemplars of strong IEPs.
Implement Coaching and Mentoring: Assign experienced special education staff or instructional coaches to provide one-on-one or small group support for teachers who need improvement, with opportunities for modeling, feedback, and guided practice.
Establish Clear Expectations and Monitoring: Set clear benchmarks for IEP quality and compliance, and establish regular review cycles. Provide timely, constructive feedback on submitted IEPs to promote growth.
Foster a Culture of Accountability and Support: Emphasize the impact that well-written IEPs have on student outcomes. Encourage collaboration, celebrate improvements, and ensure administrators are actively involved in monitoring progress and providing support.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Instructional Resources

Schedule Adjustments

Other Resources Needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2 and 3	Needing support in foundational skills	Intervention through centers	Small group	during school	N/A
Tier 2 and 3	reading more than 2 reading levels and needs basic foundational skills to support reading.	Wilson Fundations	Small group	During and after school 3-4 times a week	no
Tier 3	Basic foundational and comprehension skills	I-Ready	one-to-one	During and after school everyday	yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
CAM Program Tier 2	PK-2 Students	SEL Curriculum	Small Group	During School	Yes
NYP Clinician Tier 3	Referral	SEL Counseling	One to One	During School	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Our school shares the essential components of MTSS (Multi-Tiered System of Supports) with families through intentional communication and engagement opportunities. During Parent Engagement Time, we provide families with an overview of the MTSS framework, including the different tiers of academic and behavioral support. We explain how students are identified for additional support, the types of interventions available at each tier, and how progress is monitored.

Additionally, during Curriculum Night, we dedicate time to discussing how MTSS supports all learners. We highlight how Tier 1 instruction is designed to meet the needs of the majority of students, while also explaining how Tier 2 and Tier 3 interventions are more targeted and intensive. Families are given examples of what these supports look like in practice and how they can partner with us to support their child's learning and growth.

By sharing this information consistently and clearly, we aim to build strong home-school partnerships and ensure families feel informed, involved, and empowered in their child's educational journey.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Families receive regular updates on their child's progress in Tier 2 targeted and Tier 3 intensive interventions through multiple channels to ensure ongoing communication and collaboration. For all students receiving additional support, we share progress during Parent-Teacher Conferences as well as through our weekly Parent Engagement Time. These meetings provide opportunities to review data, discuss intervention strategies, and answer any questions families may have.

For students receiving special education services, we provide more formal and detailed updates during their IEP (Individualized Education Program) meetings. During these meetings, we review the student's progress toward their IEP goals, discuss any changes in services or supports, and collaborate with families to ensure their child's needs are being met effectively.

Our goal is to keep families informed, involved, and supported throughout the intervention process, fostering a strong partnership that helps each child succeed.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families play a key role in the decision-making process for students receiving Tier 3 intensive interventions. We involve families through scheduled parent meetings where we clearly explain the Tier 3 support their child is receiving, the rationale for the intervention, and how progress is being monitored. During these meetings, we review data together, discuss the effectiveness of the interventions, and consider next steps collaboratively.

Families are encouraged to share insights about their child's needs, strengths, and any concerns they may have. Their input is an important part of the decision-making process, helping to ensure that the support provided is

tailored and responsive. By maintaining open and ongoing communication, we aim to build a strong partnership with families that supports the success of every student receiving Tier 3 interventions.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

There are 102 students who have housing issues.

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

After a careful analysis of historical demographic, attendance, and achievement data for our Students in Temporary Housing (STH) population, a few key trends have emerged. Notably, only 33% of STH students are currently proficient in both ELA and math. This indicates a significant achievement gap when compared to the general student population. In addition, attendance data often reveals higher rates of chronic absenteeism among STH students, which further impacts academic performance and access to consistent instruction.

These trends highlight the need for targeted and responsive supports for our STH students. To address this, we can prioritize:

Increased academic interventions: Providing consistent Tier 2 and Tier 3 supports in both ELA and math to help close the proficiency gap.

Enhanced attendance outreach: Implementing proactive attendance strategies and partnerships with shelter liaisons to address barriers to regular attendance.

Holistic support services: Offering access to school-based counseling, mentorship programs, and basic needs resources (e.g., school supplies, clothing, transportation support) to reduce non-academic obstacles to learning.

Family engagement and advocacy: Creating consistent communication channels and providing guidance to families about available school and community services.

By understanding and responding to these trends, we can better align our services and interventions to support the academic growth, engagement, and well-being of our STH students.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

The staff at PS 48 extends support to Families. The Counselor checks-in with both parents and students. The school provides resources to the families from the community and links them with outside agencies to assist and give support to the families when in need. The school gives students supplies

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

Currently, there are 3 students in foster care enrolled at our school, out of a total student population of 403.

To support the social-emotional and academic needs of our students in foster care, we provide a range of targeted services designed to ensure stability, engagement, and success:

Social-Emotional Supports:

School Counselor and Social Worker Support: Each student in foster care has access to our school counselor and social worker for regular check-ins and individualized support. These staff members help address emotional needs, support transitions, and facilitate communication between the school, foster families, and external agencies.

Behavioral and Mental Health Services: When appropriate, students may be referred to school-based mental health providers or external counseling services for additional therapeutic support.

Safe Space and Mentoring: We ensure that students in foster care have a trusted adult in the building they can go to for support. In some cases, students are paired with mentors or staff advocates to provide ongoing guidance and connection.

Academic Supports:

Individualized Academic Monitoring: Teachers and support staff monitor academic progress closely and communicate regularly with foster families or caseworkers to ensure students are on track.

Tiered Interventions: Students in foster care have access to Tier 2 and Tier 3 academic interventions in reading and math as needed, including small group instruction and targeted skill-building.

Access to Technology and Resources: We ensure students have consistent access to learning materials, technology,

and homework support, both in and outside of school, to minimize disruption caused by housing or placement changes.

Flexible Scheduling and Tutoring: As needed, we offer flexible academic support, including before- or after-school tutoring, to help meet individual learning goals.

By combining emotional, academic, and logistical supports, we aim to create a stable and inclusive environment where our students in foster care can thrive academically and socially.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

Our school is committed to supporting students in foster care—especially those newly transitioning into the system—by providing targeted academic, social-emotional, and logistical supports designed to promote stability, engagement, and long-term success.

Targeted Supports for Students in Foster Care:

Immediate Enrollment and Transition Support:
As soon as a student in foster care enrolls or transitions into our school, we work closely with the foster family, caseworker, and any previous school to ensure a smooth and immediate transfer of records, schedules, and services. A point person—typically our school social worker—is assigned to oversee this process.

Social-Emotional Support and Counseling:
All students in foster care have access to regular check-ins with our school counselor or social worker. These staff members provide emotional support, help students build trust and routines, and connect them with therapeutic services when needed.

Academic Monitoring and Intervention:
We closely monitor academic performance and attendance for all students in foster care. If a need is identified, we provide targeted Tier 2 or Tier 3 academic interventions in areas like literacy and math. We also offer tutoring, homework help, and differentiated instruction to support their learning goals.

Mentorship and Staff Advocacy:
Foster students are paired with a trusted adult in the school—a mentor or staff advocate—who checks in regularly and serves as a consistent, caring presence. This helps foster students feel more connected and supported within the school community.

Resource Access and Wraparound Services:
We ensure students have access to basic resources such as school supplies, uniforms, transportation assistance, and meals. We also collaborate with community agencies to provide additional wraparound services when needed.

Ensuring Consistent Support and Stability:

Collaboration with Child Welfare Agencies: We maintain open communication with foster care agencies and caseworkers to ensure we are aligned in meeting each student's academic and emotional needs.

Family and Caregiver Engagement: We engage foster families and caregivers in school events, parent-teacher conferences, and regular progress updates to keep them informed and involved.

Flexible and Responsive Support Plans: We understand that students in foster care may experience sudden changes or disruptions. Our support systems are designed to be flexible and responsive, so we can adjust services quickly when a student's circumstances change.

By proactively addressing both academic and emotional needs, we strive to provide a stable, inclusive, and supportive environment that allows every student in foster care to thrive.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

After analyzing historical demographic, attendance, and achievement data for students in foster care, several key trends have emerged:

1. Academic Achievement Gaps:
Students in foster care consistently demonstrate lower proficiency rates in core academic areas compared to their peers. Many enter our school already performing below grade level in ELA and math, often due to previous educational disruptions.

2. Higher Rates of Chronic Absenteeism:
Attendance data shows that students in foster care are more likely to experience chronic absenteeism. Factors contributing to this include placement changes, transportation challenges, and emotional stress related to instability in their living situations.

3. Increased Social-Emotional Needs:
Many students in foster care show signs of trauma or heightened emotional needs, which can impact their ability to focus, engage in class, or build relationships. Behavior data and staff observations reinforce the importance of consistent, trauma-informed support.

Using These Insights to Improve Support:
Based on these trends, our school is taking the following steps to enhance services for students in foster care:

Strengthening Academic Interventions:
We are prioritizing early identification and intervention, including access to Tier 2 and Tier 3 supports in literacy and math, to close learning gaps and promote academic growth.

Improving Attendance Support:
We are working with foster families, transportation services, and child welfare agencies to reduce absenteeism through proactive planning and flexible attendance solutions.

Expanding Trauma-Informed Practices:
Staff receive professional development on trauma-informed care, and students are given access to school-based mental health supports, including counseling and mentoring programs.

Establishing Strong Transition Protocols:
When students enter or change placements, we implement quick-start academic plans and assign a trusted staff member as a consistent point of contact to ease the transition and promote stability.

Enhancing Communication with Stakeholders:

We maintain close collaboration with child welfare agencies, caregivers, and external service providers to ensure that our support systems are coordinated and responsive to each student's evolving needs.

By using these data-driven insights, we aim to create a more stable, inclusive, and supportive learning environment that addresses both the academic and emotional needs of our students in foster care.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Our school implements several specific strategies to ensure that students in foster care—particularly those in transitional grades—receive targeted Social-Emotional Learning (SEL) support. We recognize that these students face unique challenges related to mobility, trauma, and adjustment, which can significantly impact both academic performance and behavior.

Targeted SEL Strategies:
1. Dedicated Counseling and Social Work Services:
Students in foster care are assigned a counselor or social worker who provides regular check-ins and individualized SEL support. These professionals help students process emotions, develop coping skills, and build resilience during key transition periods.

2. Small-Group SEL Interventions:
We offer small-group SEL sessions that focus on building skills in emotional regulation, peer relationships, and self-advocacy. Groups are often composed of students in similar transitional stages to create peer support and normalize shared experiences.

3. Tiered SEL Supports:
Using our MTSS framework, we identify foster care students who may need more intensive SEL interventions. These students receive Tier 2 or Tier 3 supports, including behavior intervention plans, restorative practices, and referral to mental health services if needed.

4. Mentorship and Trusted Adult Programs:
Each student in foster care is connected with a trusted adult in the building—such as a teacher, counselor, or staff mentor—who serves as a consistent, supportive presence and advocates for their needs.

5. Transition Planning and Orientation Support:
We provide additional orientation and transition activities tailored for students in transitional grades, such as school tours, peer buddies, and transition meetings that include the student, caregiver, and school staff to ensure a smooth adjustment.

Impact on Academic and Behavioral Challenges:
These strategies help foster students develop stronger emotional awareness, self-regulation, and confidence—key skills that translate directly into improved classroom behavior, peer relationships, and academic engagement. By addressing the root causes of behavioral and academic struggles through SEL, we reduce disciplinary incidents, increase participation, and help students build the skills they need to thrive both socially and academically.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. P.S. 48 Michael J. Buczek, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

PS 48 will support parents and family members of Title I students by:
- Providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- Providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- Fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child’s progress;
- Providing assistance to parents in understanding City, State and Federal standards and assessments;
- Sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- Providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- Actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- Engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- Ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- Support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- Maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- Conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- Provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- Host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- Schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- Translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- Hosting educational family events/activities throughout the school year;
- Encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- Supporting or hosting Family Day events
- Encouraging more parents to become trained school volunteers;
- Developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- Establishing platforms for clear and open lines of communication between families and teachers.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 48 in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- Using academic learning time efficiently;
- Respecting cultural, racial and ethnic differences;
- Implementing a curriculum aligned to the State Learning Standards;
- Offering high quality instruction in all content areas;
- Providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- Ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- Notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- Arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- Planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- Creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- Assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- Sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- Supporting parental involvement activities as requested by parents and family members;
- Ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- Advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

The areas of concentration for high quality professional learning for teachers and staff is in the Danielson Rubric 3c Engaging Students in Learning. We have seen that the instruction in the classroom needs to improve in this domain for student achievement to progress. We plan on implementing a professional development series on this domain to improve teacher practice to ensure that instruction is cognitively engaging and that differentiation is effectively implemented.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

At P.S. 48 we plan on having an annual needs survey to identify the area/areas of greatest need. From there we plan on having our Early Childhood teachers and Kindergarten teachers collaborate to ensure a smooth transition from Early Childhood to Kindergarten and beyond.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	3,297	x	Parent Meeting, Parent Outreach, Parent Engagement
Title I, School Improvement 1003(a)	Federal	263,925	x	Saturday Program, Tutoring Program and Enrichment Program
Title II, Part A	Federal	41,265	x	Classroom Teacher
Title III, Part A	Federal	15,093	x	ENL Afterschool Program
Title III, Immigrant	Federal	0	x	N/A
Title IV, Part A	Federal	0	x	N/A
Tax Levy	Local	3,391,477	x	Teachers, School

(Fair Student Funding)				Staff, Programs, Supplies

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	David Chung
Assistant Principal (Where Applicable)*	Suzette Santana
English as a New Language (ENL) Teacher*	Tanya Austrie
Teacher (if school has a bilingual program must be a bilingual teacher)*	Jordan Lopez
Parent/Guardian*	Lucia Bolanos
Teacher	Rosanna Polanco
Parent Coordinator	Arlene Tavarez
School Counselor	Rose Saldana
Related-Service Provider	Tabitha Lopez
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

0

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

8

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

2

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

3

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

310

Total number and percentage (%) of current ELLs:

143, 46.1%

Total number and percentage (%) of former ELLs:

8, 2.6%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

126, 88.1%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

17, 11.9%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

8, 5.6%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

55, 38.5%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE	SC	Spanish	2023		.5	.5											1.0
TBE																	0
TBE																	0
DLBE	GE	Spanish	10+	1	1	1	1	1	1								6
DLBE																	0
DLBE																	0
				total: 1	total: 1.5	total: 1.5	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

For stand-alone services, students are grouped from two consecutive grade levels (ungraded). Additionally, the stand-alone groups are a mix of students at the entering and emerging levels (partly heterogeneous). Ms. Tanya Austrie provides services to students in Grades 3-5, and Joann Aponte provides services to students in Grades K-2.

Integrated ENL:

Integrated ENL is co-taught by an ELA or other content teacher as well as an ESOL/ENL certified teacher. Modifications are differentiated and given based on the levels and needs of the ELLs. ELLs are spread out amongst most classes in the school. Many students are placed in a particular class due to IEP mandates. Students may be grouped by mixed proficiency levels or homogenous proficiency level groups within a particular class depending on the particular lesson and assignment. For integrated services, students are grouped by grade level (graded). Additionally, the integrated groups are a mix of students at all proficiency levels (heterogeneous).

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

Our transitional bilingual class is taught by a teacher who is licensed in both bilingual extension and special education as we have a bilingual special education class. The class is taught in the transitional bilingual model where some content is taught in the child's native language and other content is taught in English. As the year progresses the content will progressively be taught in English.

Dual Language Bilingual Education (DLBE):

All of our students who are in our Dual Language Bilingual programs are taught in a program that is conducive to bilingualism and biculturalism. Our program follows a model of progression that fits the population of our students. In kindergarten our students receive their ELA and Foundational periods 100% in English and 50/50 in Math. In 1st grade our students receive 80% of their ELA and Foundational periods in English and 50/50 in Math. In 2nd grade our students receive 70% of their ELA and Foundational periods in English and 50/50 in Math. In 3rd, 4th, and 5th grade our students receive 50/50 in ELA and Math. Our 50/50 model in math looks like one day in English and one day in Math while in ELA it is Modules 1 and 2 in English and Modules 3 and 4 in our target language which is Spanish.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

Once teachers report back to school in September, ENL teachers review the NYSESLAT Data and print the RLAT to determine the number of mandated minutes required for each ELL student. After gathering data, ENL teachers create a spreadsheet with student names, proficiency levels, stand alone vs integrated minutes, subject area, and any other pertinent information that may impact the ELL services for each student (related services). For students at the Entering/Emerging levels, we provide 180 minutes of stand-alone instruction, and 180 minutes of integrated instruction per week. For students at the Transitioning and Expanding levels, we provide 180 minutes of integrated instruction per week. Commanding/Former Ells receive 90 minutes of integrated instruction per week. Finally, ENL teachers meet with the school programmer, Maria Maldonado, to ensure each student is correctly programmed in STARS.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

In the ENL program, home language is used as a scaffold where possible. For example, Spanish language cognates are provided wherever possible. In the bilingual programs, home Language gradually increases as students move to the next grade level. Home Language is used across multiple subject areas. All teachers in the bilingual program have a bilingual extension and are able to teach subjects in the students' home language (Spanish). For all students, integrated minutes are provided during ELA.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

At PS 48, the dual language program follows the one-way (self- contained) model, where ELLs and non-ELLs learn 2 languages in 1 classroom with 1 teacher who switches the language of instruction.

b. In which language(s) is each core content area taught?

At PS48, in Kindergarten Math is taught in both English and Spanish. From grades 1-5 ELA and Math are taught in both English and Spanish.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

In our TBE program, the language allocation follows the 80/20 format - 80% English, 20% Spanish. All of the content areas are taught bilingually, 80% of the content is taught in English and 20% is taught in Spanish. The core content that is taught bilingually are both ELA and Math.

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

The percentage of Newcomer ELLs is 88.1%. Effective instruction for newcomers differs from those provided to developing or Long-term ELLs by the scaffolding that students are provided with. Scaffolding includes vocabulary development (frontloading vocabulary), interactive writing as a platform to build language and knowledge, student discussions, peer collaboration and rich grade level text to build knowledge and language skills. Students are also provided with visual representations to enhance their academic understanding.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

The percentage of SIFE students is 5.6%.. We currently use the district-wide initiative (FACIL) for small group intervention and differentiated, inquiry based learning to target the needs of SIFE students. SIFE students also receive external intervention services from specialized teachers. ENL teachers provide students with educational units and resources (from TeachHub) related to the MLL and SIFE students. Some instructional strategies we engage in is that we use student data and determine areas of need by learning standard and modality and plan for activities that support our MLL students.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

We are an elementary school, therefore we have no long term ELLs. However, we have 17 developing ELLs who may be at risk of becoming long-term ELLs. Students who are long-term ELLs are provided with tier 2 and 3 intervention. They work in small groups for both ELA and Math to target and address their individual needs.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

The percentage of students who are former ELLs is 2.6%. Our school is providing mandated instruction minutes to former ELLs with 90 minutes of integrated instruction per week, provided by ENL teachers.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

Our top three at- risk indicators are SIFE students, Newcomers and Potential Long Term ELLs. The percentage of SIFE students at PS48 increased from 1 (0.7%) in 2024 to 8 students (5.6%) in 2025. This is approximately a 5% increase. The number of Newcomers in 2024 was 113 (81%) and increased to 126 students (88%) in 2025. This is a 7% increase from 2024 to 2025. The number of potential long term ELLS in 2024 was 15 students (10.8%) and decreased to 7 students (4.9%). This is approximately a 5% decrease. Also, within our Newcomer population, the highest percentage of ELLs within an early warning at-risk indicator(s) are your ELLs in Temporary Housing at 49% and ELLs who did not make ELP progress at 31.5%.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

As per the 2025 EDAT, the top at-risk indicators for former ELLs at our school are those who are in temporary housing (3, 37.5%) and those who scored a 1 or 2 in Math last school year (2, 25%). Despite this indicator, it is important to note that the total number of former ELLs is 8 students. It is also important to note that the number of Former ELLs increased from 5 students in 2024 to 8 students in 2025.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

For two consecutive years, the top home language of ELLs at PS48 is Spanish (140 students), with the exception of one student having a home language of Arabic and one student having a home language of Haitian Creole. To support communication, we have the following:
1) Many staff members in our school community are English/Spanish bilingual.
2) All written communication is sent home in English and Spanish, and when possible, Arabic nad Haitian Creole
3) To communicate with families, teachers post messages through Class Dojo, which allows the parent to translate messages to their preferred language
4) Our school website has information in English and Spanish

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

As per information provided by families during the enrollment process, approximately 95% of our ELLs identify themselves as Hispanic ELLs. Within the Hispanic ELL group, approximately 75% identify themselves as white hispanics, which is a decrease of about 4% from 2024 (79%). WIthin the Hispanic ELL group, 9% identify as American Indian or Alaskan Native, which is a decrease from 2024 (11%). Within the non-Hispanic ELL group, 1%

identify as Black, 1% as Multi-Racial and 1% as White.
ELLs are being included in planning and delivery of culturally responsive and sustaining education by educators fostering an environment that promotes the view of community dialects, languages, and cultures as an asset. Classrooms also promote project based learning activities that explore diverse cultures and experiences, encouraging a culture of inclusiveness.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

Students who met progress by exiting ELL status remained stagnant at 8.5% from NYSESLAT 2023 to NYSESLAT 2024. For method 2, Students who met Annual Progress Target showed an increase of approximately of 7.4% (13.6% -21.1%). Students who met Safe Harbor Cumulative Growth showed a .2% growth (6.8% to 7.0%). The number of ELLs with progress not met increased from 42 students in 2023 to 45 students in 2024. The percentage of eligible students decreased from 71.2% in 2024 to 63.4% in 2023.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

The percentage of former ELLs in 2024 is 5.4%. In 2024, the number of expanding ELLS is 18.8%. In 2024, the percentage of transitioning ELLs is 25%. The percentage of emerging ELLs is 29.5%. The percentage of entering ELLs is 21.4%.Emerging and Transitioning ELLs have the highest representation of ELLs in our building. Emphasis should be placed on the fact that 5 of our ELLS (3%) were within 10 points of becoming Former ELLS. Finally, it is important to note that in 2024 11 of our entering ELLs in our school were only 10 points away from the next highest proficiency level (emerging). In 2024, there were 8 students who scored high (90% or more questions answered correctly) in Reading and 2 in Writing. There were 7 students who scored high in Listening and 22 students who scored high in Speaking.
It is important to note that there was a significant increase in students who scored high in speaking from 2023 to 2024. Overall, based on modalities of strength data, grades 1 and 2 have the highest percentage of ELL students answering 90% or more of the questions correctly across modalities. Contrarily, students in the higher grades, have lower percentages of ELLs scoring high across modalities.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

47% (18) of the ELL students who took the 2024 MATH state test, including those who scored commanding on the 2024 NYSESLAT, scored a 1 in this test. This is approx. 13 percentage points less than the % of ELLs who scored a 1 in the 2023 MATH state test (60%, 20). Although less ELL students scored a 1 in the MATH state test, we still have more than 1/3 of our ELL students scoring far below grade level.
More ELL students scored proficient (levels 3 or 4) in the 2024 MATH state test, going from 6% in 2023 to 22% 2024. This shows a 16% increase.
70% (24) of the ELL students who took the 2024 ELA state test, including those who scored commanding on the 2024 NYSESLAT, scored a 1 in this test. This is approx. 13 percentage points less than the % of ELLs who scored a 1 in the 2023 ELA state test (83%, 25). Although less ELL students scored a 1 in the ELA state test, we still have more than 1/3 of our ELL students scoring far below grade level.
More ELL students scored proficient (levels 3 or 4) in the 2024 ELA state test, going from 2 students in 2023 to 5 students 2024.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

We have 1 SIFE student in our building who is at the Emerging Level as per 2024 NYSESLAT results. For the ELLs with IEPs, the breakdown is as follows: 11 students (23%) at the Entering level, 19 (39.5%)at the Emerging level, 11 students (23%) at the Transitioning level, and 6 students (12.5%) at the Expanding level and 1 student (2%) at the Commanding level. The high number of Newcomers and ELLs with IEPs corresponds with the higher percentages of Entering and Emerging ELLs, which could be impacting our subgroups.

At P.S. 48 we believe our need for higher quality Tier 1 is impacting our expanding and transitioning ELLs. Although we have made great strides in our Tier 1 instruction, our screeners and state test assessments still indicate that we need support in Tier 1. We have tailored our professional development plan to support and improve our Tier 1 instruction.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Our school provides ELLs with high-quality academics and deeper learning by refining the school's vision to make explicit the schoolwide purpose and work of Multi Tiered Systems of Support. Our school also promotes the view of home and community dialects, languages and cultures as an asset. We have adopted the Expeditionary Learning and Illustrative Math curriculums which are aligned to the NYC READS and SOLVES initiatives. Both curriculums are rigorous and high quality and provide a high quality academic experience that lead to deeper learning for our ELLs.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The Instructional Leadership Team (ILT) members are as follows:
1. David Chung, Principal
2. Suzette Santana, Assistant Principal
3. Lead Teachers

Teacher teams analyze data according to subgroups and create intervention plans for small group instruction. We use assessments such as iReady, Acadience, classroom module and unit assessments to gauge student progress and differentiate instruction. Differentiation used for ELLs includes: chunking texts, sentence stems, visual representations, vocabulary building, interactive writing, student discussions, protocols, and providing students with rich grade level texts to build knowledge. Students have various scaffolds and entry points to lessons.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Our English-Spanish Dual Language program uses a shared and coherent curriculum in both languages. Given our large population of newly arrived ELLs, this requires strategic planning to leverage and promote transfer of knowledge and skills across languages. In the lower grades, there will be an emphasis on English-language phonics instruction, so that those skills may later be transferred to Spanish-language acquisition. At all grade levels, Mathematics content is delivered using the 50-50 model, with half the instruction in English and the other half in Spanish. Throughout our dual language program, language development is never in isolation of the content required to meet Next Generation Learning Standards.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Teachers of MLs/ELLS build background Knowledge, target vocabulary development, increase access to grade level texts, use home language (Spanish) as a resource and peer interactions to provide access to grade-level academic content. For example, teachers share and/or highlight cognates whenever possible, use visual cues (e.g., highlighting, bolding) to emphasize keywords in texts, and select high-utility words for consistent study.

Our ELLs utilize I-Ready to track student progress and

b. SIFE

For our SIFE students, teachers use home language and peer interactions to accelerate English and provide access to grade-level academic content. Teachers also ensure that students have access to digital tools that can support translation. Teachers provide time for students to read texts at various levels and/or in a home language before introducing a grade-level text.

c. Newcomers

For our Newcomers, teachers use technology to preview images and read a teacher created text to provide visual and audio support. They also use home language, peer interactions, and translation tools to accelerate English and provide access to grade-level academic content. Teachers provide time for students to read texts at various levels and/or in a home language before introducing a grade-level text.

d. Long Term ELLs

For our Long Term ELLs, teachers create opportunities for students to work together as partners or in small groups and use Project-Based Learning to help contextualize content and academic language in all subject areas.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

ELLs with IEPs are provided with support by ENL/ bilingual certified teachers attending scheduled IEP meetings for students with IEPs. Goals are created according to the academic, social and emotional needs of the student. Before determining NYSITELL eligibility, there is a team in place to support new families of students with IEPs. The team is activated to assess the overall English Language proficiency status of the student and whether or not they could benefit from ENL services. We work in collaboration with the IEP team to ensure the quality of the implementation of IEPs for ELL students. IEP and ENL goals are reviewed by the IEP team members and teachers to determine the progress of students. We analyze data and progress monitor to ensure that IEP goals are being met. Systems and structures that ensure a continuum of services are provided and include regular meetings with the ENL and LAP team, delegation of duties, responsibilities and collaboration to complete tasks.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Newly enrolled students are initially assessed using the NYSITELL and the Spanish Lab, if eligible. Classroom teachers use i-Ready assessments in Spanish. In addition, students are assessed on their Writing skills. They have an option to submit language assessments in the language of their choice. We are using summative assessments such as standardized tests to analyze the instructional report to assess student progress. Teachers also use formative assessments to determine the progress of their students.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

ENL teachers try to meet with co-teachers during their own time.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

The ENL Team will meet once or twice monthly to plan professional development opportunities specific to the needs of our ENL and Dual Language teachers. The professional learning plan ensures that all staff members incorporate learning related to Social Emotional Learning needs of ELLs by having our ENL team facilitate PDs that address the whole ELL child, including topics like differentiation, small group supports, leveraging their strengths, incorporating technology into learning, and exploring project based learning activities.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

We will look into the possibility of consulting an outside professional development service (Elevated) for ELL/MLL-specific workshops such as Building Schema for MLLs, Fostering Collaboration with MLLs, Scaffolding Writing/Reading for MLLs, Developing Effective Language Objectives for MLLs, Teaching Academic Vocabulary, Designing Graphic Organizers for MLLs, Leveraging Students Home Languages In the Classroom.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Our school uses iReady as a screening assessment. All teachers of ELL/MLLs have access to the iReady data for instructional planning purposes. Additionally, iReady provides tailored lesson plans with scaffolded activities for students struggling with a particular skill.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

For all grades, our school uses data from the EDAT, NYSESLAT, MATH/ELA State Tests, Acadience and I-Ready to guide instruction for ELLs. We use FACIL, and Tier I/II/III supports for targeted intervention in ELA and Math. We also provide intervention through our Title III After-School Program and Saturday Academy.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Our school uses data to guide instruction for ELLs within MTSS by data based decision making that includes screening, progress monitoring and a multi level intervention system. We evaluate the school's vision and mission statement to make the school wide purpose explicit and center the needs of ELLs. We plan and review the progress of ELLs by reviewing formative and summative assessments. We examine quantitative and qualitative data across domains to improve outcomes. We also promote the view of home language as an asset by encouraging cultural activities and educational experiences.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

We use a variety of formative assessments (e.g. self reflection, white boards for shared responses, reflective writing, and student discussion activities) to inform and drive instruction.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

We ensure that ML/ELLs are appropriately evaluated in their home languages through formative assessments such as iReady, periodic home language reading comprehension assessments and responses to literature.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

Some summative assessments that we use to evaluate the effectiveness of our MLL/ELL programs include standardized assessments, end of unit assessments in our ELA and Math curriculum and project based learning activities. These assessments inform instructional design and curriculum by identifying and supporting students who are at risk as well as the unique needs of students.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

Our ENL Team/Coordinator will generate an RLER report in ATS to identify all students eligible to take the NYSESLAT. We will then create a schedule for NYSESLAT administration that utilizes all possible out of classroom teachers, so as not to interrupt mandated ENL instruction during the testing period. Currently, our NYSESLAT administration and scoring team includes the ENL Coordinator, two ENL Teachers, and a SETTSS teacher. Once we have developed a schedule, we will notify families and track completion of each component of the assessment. Since teachers are not able to score assessments for students they service, we will include at least one classroom teacher (usually from an ICT classroom) on the scoring team.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Our ENL team meets with the Special Education Team to ensure that current and former ELLs receive necessary accommodations. ELLs with an IEP are provided the testing accommodations specified in their IEP or Section 504 Accommodation Plan (504 Plan). For the Math and ELA State Exams, ELL students receive the following accommodations; time extension, separate location, third reading of listening selection (ELA), and bilingual dictionaries/glossaries. These accommodations are also offered to former ELLs for two additional years after

achieving proficiency on the NYSESLAT.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Mr. Pena is in charge of coordinating our parent orientations. The initial orientation takes place in September. There are ongoing orientations as needed based on student enrollment. These meetings are usually scheduled in the morning. We schedule these meetings in the mornings to allow parents to attend right after dropping their children off for school. We ensure language access by providing parents with a translator in their home language that can effectively communicate their needs. We share the Parent Orientation Videos (in Spanish and English) from the New York Education website to explain program options and parent rights. We maintain evidence of Parent Orientations through a signed agenda and attendance form. For ongoing Orientations that occur with registrations throughout the school year, we will maintain a log of attendance. Additionally, parents are required to complete and sign a program information survey immediately following the Parent Orientation.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Our ENL teachers participate in the annual individual meeting at the beginning of the year to discuss the previous year’s NYSESLAT results. Our team meets with parents to discuss the goals of the program, the language development progress, language proficiency assessment results and language development needs. The NYSESLAT score report would be reviewed and sent home with parents. The goal is to see progress for the upcoming school year, discuss the details of the chosen ELL program, language development progress, language proficiency assessment results, and language development needs in all content areas. We will have parents sign an agenda to keep track of attendance. Dual language teachers also inform parents about their child's Spanish language development progress. Teachers keep records of each meeting with ELL parents as well as the way that the meeting took place: in person, dojo communication, google classrooms, phone calls, letters.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:

a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

At PS 48, we utilize different communication strategies to provide language access for families that speak a language other than English. Families are able to communicate with our staff members that are bilingual, through email, Class Dojo (which has a translation tool).
1) Many staff members in our school community are English/Spanish bilingual.
2) All written communication is sent home in English and Spanish, and when possible, Arabic.
3) To communicate with families, teachers post messages through Class Dojo, which allows the parent to translate messages to their preferred language
4) Our school website has information in English and Spanish

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

At PS 48, in order to develop activities that promote family empowerment of MLs and ELLs, we review responses provided by parents in the NYCDOE School Survey. Results from this survey are analyzed by the SLT members and used to develop the parent calendar with workshops and activities for the school year. Some of the activities include collaboration with the "Wellness in the Schools" program to create Wellness night, the Yard Party and caregiver workshops in collaboration with the Turn 2 Us program, the Book Fair and nutrition workshops. Some include workshops based on discipling with love, setting up back to school routines, communication skills, ADHD and anxiety in kids, and Autism Spectrum Disorder.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Currently we have 1 parent of an ELL in our SLT. In our PA we have 6 parents that represent the PARENT ASSOCIATION. We have 2 parent volunteers.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

CBO, (ACDP), Wellness in the Schools, (partnerships- PC), Turn 2 Us program.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

N/A

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

ELL Coordinator:
Licensed Pedagogues: Tanya Austrie
Programmer: Maria Maldonado
Pupil Accounting Secretary: Maria Maldonado
Parent Coordinator: Arlene Tavarez
In-House Interpreters: Emilie Rosa (Family Worker), Arlene Tavarez (PC)

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

The steps of the ELL identification process include the following:
Administration of the HLIS -Supported by ENL Teacher, Tanya Austrie
Student interview by ENL Teachers: Tanya Austrie Translation assistance provided by Emilie Rosa, Family Worker.
NYSITELL eligibility and administration of the NYSITELL by ENL Teacher: Tanya Austrie. In the event a potential ELL enters with an IEP, we activate the Language Proficiency Team (LPT). This team includes the following permanent staff members:

David Chung, Principal
Suzette Santana, Assistant Principal
Tanya Austrie, ENL Teacher

Tabitha Lopez, IEP Teacher
We will also involve Speech Teachers, Therapists, Psychologists, and Parent Coordinator as appropriate.
-Entitlement letters, continuation of service letters, exit letters and NYSESLAT Individual Student Reports are

completed by the ELL Coordinator and sent home to families.
Administration of the Spanish Lab
Identification of SIFE students
Parent Orientation Meeting
-Parent survey and program agreement form completed by ELL Team during Parent Orientation.
-Placement letter is sent home
The ELL identification schedule in an attempt to avoid learning disruptions by ensuring that students are receiving adequate placement and services. The ENL team schedule will ensure that students will receive mandated instruction from providers. There will be an organized list of shared responsibilities that members of the team will also have.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

David Chung

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Arlene	Tavarez	Parent Coordinator - Annual		

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Student Emergency Contact cards,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),New York City Schools Account (NYCSA) Student Profile

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	2	0.42%	2	0.43%	0	0
HAITIAN CREOLE	1	0.21%	1	0.22%	0	0
ENGLISH	232	48.43%	223	48.16%	40	40
	0	0.00%				
SPANISH	244	50.94%	236	50.97%	30	30

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Parent Flyers	The parent coordinator will work on translating documents for families.
Class Dojo Messages	The parent coordinator will work on translating documents for families.
IEPs	The office of translation will translate IEPs based on need.
Report Cards	Report cards will be translated by the office of translation.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

Parent Teacher Conferences	Staff will be assigned to translate to families.
IEP Meetings	Staff will be assigned to translate to families.
Parent Meetings	The office of translation will be scheduled to translate for the event.
Graduation Ceremonies	The office of translation will be scheduled to translate for the event.
School Events	The office of translation will be scheduled to translate for the event.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

To ensure effective communication with parents who speak a language other than English during emergencies or urgent situations, our school utilizes a combination of resources and processes designed to provide timely, accurate, and accessible information. These include:

1. Multilingual Communication Tools
Automated Messaging Systems (e.g., SchoolMessenger, ParentSquare, TalkingPoints): These platforms support translation into multiple languages and are used to send voice messages, texts, and emails during emergencies such as lockdowns, fires, or health incidents.

Real-Time Translation Apps (e.g., Google Translate, Microsoft Translator): Staff can use these tools on school-issued devices to communicate instantly with non-English-speaking parents during urgent interactions.

2. Bilingual Staff and Language Support Personnel
On-Site Bilingual Staff: We maintain a list of staff members fluent in commonly spoken languages (e.g., Spanish) who can assist with immediate communication needs.

District or Community Interpreters: For less common languages or when bilingual staff are unavailable, we contact trained interpreters through the district or certified third-party services.

3. Emergency Contact Records in Preferred Language
Parent Language Preferences: During registration, families identify their preferred language for communication. This information is recorded in the student information system Emergency Blue Cards and accessed during emergencies.

Multilingual Emergency Forms: All emergency forms and health information documents are provided in multiple languages to ensure understanding and accuracy.

4. Parent-Initiated Emergency Contact
Multilingual Front Office Support: Our front desk staff have staff who can support families who speak Spanish.

5. Translated Written Communication
Important Documents & Notifications: Letters, permission slips, nurse visit reports, and attendance alerts are translated and sent in families' preferred languages through email, printed copies, or communication apps.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Time will be provided to staff to complete the Asynchronous trainings so that all staff are familiar with the best practices for providing language support to families in need.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

1. Translated Signage
Multilingual Posters and Signs are displayed in high-traffic areas such as the main office, entryways, nurse's office, and hallways.

Signage includes messages like "Language assistance is available here" in the most commonly spoken languages in our community (e.g., Spanish, Arabic, Mandarin, Vietnamese).

Visual icons (such as flags or headset symbols) are also used to help non-readers recognize where they can ask for help.

2. Brochures, Flyers, and Letters
At the beginning of the school year and during enrollment, parents receive translated brochures and welcome packets that explain:

How to request an interpreter

What language support services are offered

Who to contact for help

Important notifications, like parent-teacher conference reminders or report card instructions, are routinely sent in multiple languages via email, print, or app messages.

3. Parent Engagement Events
During events like Open House, PTA meetings, International Family Nights, and Back-to-School Night, staff highlight:

How to request language services

The use of translation tools or bilingual staff

Interpreters are often present at these events to ensure full participation and to demonstrate available services in real time.

4. Messaging Applications
We use the messaging app called ClassDojo, which automatically translate messages into the parent's preferred language.

These apps are introduced to families during enrollment and tech orientation, with training or help available in multiple languages.

Families can send and receive messages in their home language without needing to request translation.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Multilingual School-Generated Surveys
We create and distribute school-specific surveys throughout the year (e.g., after parent-teacher conferences, report card distribution, or major events) translated into families' preferred languages.

Surveys ask targeted questions about:

The quality and helpfulness of interpreters or translated materials

Their comfort level during school interactions

Suggestions for improvement

Surveys are distributed both digitally (via TalkingPoints, ParentSquare, Google Forms) and in paper format.

Bilingual Family Liaisons or Community Coordinators
Bilingual staff and family liaisons regularly check in with parents, especially those who are new or have limited English proficiency.

These informal conversations provide valuable qualitative feedback on whether parents feel supported and understood.

Notes or summaries from these conversations are shared with school leadership teams to inform improvements.

Direct Outreach from School Leadership
Administrators and office staff make follow-up calls or send personalized messages in parents' home languages (using bilingual staff or interpreters) to gather verbal feedback about recent experiences with language assistance services.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

At P.S. 48, we have improved our language assistance by utilizing the Office of Language Support for major school events and parent meetings. Their presence has been instrumental in ensuring that all families have access to the content of meetings.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

50

Grades to be served in this program. Select all that apply.

,3,4,5

Total number of teachers in this program:

3

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

3

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

The Title III Program takes place after school on Wednesdays and Thursdays, for and hour and a half each day. ELLs(Newcomer and Developing) will engage in explicit grammar instruction, reading comprehension, and writing by learning about countries/cultures around the world.
Progress will be monitored by looking at student iReady data and tracking that data throughout the program. Students will also take an assessment that is closely aligned to the NYSESLAT to determine their English Language acquisition. Ells in Grades 3, 4 and 5 are grouped by Proficiency level (approximately 15 students per group), according to the most recent NYSESLAT scores. The instruction is delivered through parallel teaching and supervised by the principal, Mr. Chung, at no cost to Title III ELL.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

We use the EDAT and NYSESLAT to plan for Title III. We chose these two data points because they give us data on how students performed by demographic and sub groups while the NYSESLAT gives us data on how our students are doing in terms of acquiring the English language. Upon looking at these data points we found that writing in the English language are an issue for our students. We chose to tailor our program to address this concern. We will also be targeting Newcomers.
We have found that children learn another language best when the activities are engaging. We want our Title III program to be a place where children want to go. We also want children to be engaged in tasks where they are conversing in English and we believe that the best way to do that is to engage the students in fun activities which is why we have incorporated a piece on learning about countries/cultures from around the world. Lastly, we want our students to feel represented but also inclusive as they learn about other cultures and their values.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**

- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

The students whom we are serving will range from Entering, Emerging, Transitioning, and Expanding. The students will also range from 3rd to 5th grade. The students will be grouped by their grades and English Proficiency level. Most of the ELLs participating in the program are in the newcomer subgroup. These are the ELLs who have received English as a New Language instruction, as
a component of their bilingual education or English as a New language program, for a total of zero (0) to three (3) enrolled school years in the NYC DOE. These ELLs are not only those who have arrived very recently, but are represented among a group of newcomer ELLs who are US-born and at the emerging, transitioning , and expanding levels.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The program will be held on Wednesdays and Thursdays from 2:30-4:00. The program will run from October to the end of May.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction will be English. There is a component for the students to learn grammar to improve their grammar skills. Home language will be used as a scaffold where possible. For example, Spanish language cognates will be provided.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

There are 3 certified teachers with a BIlingual/TESOL license.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

The materials that will be used are workbooks for reading comprehension from a company called Measure Up and iReady for progress monitoring.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Our school will maintain records of ELLs served through the use of Title III LEP Supplemental Program Student Rosters, Proficiency Levels, and Attendance Sheets. Student rosters will include ELL proficiency levels, the name/s of the Title III teacher/s serving the students, and an attendance sheet for each class (reflective of all program dates).

The school will invite parents of ELLs to participate in the program, in writing. These letters will be copied and saved in the child's file. At the end of the program, parents will also be invited to a ceremony celebrating their child's progress. Our ELL Coordinator will maintain records of student attendance and any parent responses.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

The professional learning plan ensures that all staff members incorporate learning related to SEL needs of ELLs by providing professional development that address the whole ELL child such as topics like differentiation, small group supports, leveraging student strengths, and exploring project based learning activities.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

The school's professional development plan for the Title III Program was for the program to leverage resources to address needs that are identified when looking at data. We first gather data available to us through EDAT, NYSESLAT, IReady, and academic trackers. Then we analyze the data to identify trends and student needs. As a result of our most recent data analysis, we found that writing was an issue for our ELL students. We also found that based on NYSESLAT 2024 data, many of our Entering and Emerging Ells are in the Dual Language classes and therefore, we will tailor our Title III professional development for those teachers and around writing for our ENL students.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

The Title III teachers will receive professional development at scheduled times throughout the program. This will occur during program hours so as to ensure all Title III teachers are available to receive the professional development. The professional development will be ongoing, beginning with a planning session prior to the start of the program. Intervisitations, teacher planning and debriefing sessions, and teacher-led meetings will be conducted.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

There will be 8 monthly professional development activities, beginning in October, ending in May. These will be held on Thursdays, for one hour.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

We will look into the possibility of consulting an outside professional development service for ELL/MLL-specific workshops such as:

Elevated
-Building Schema for MLLs
-Fostering Collaboration with MLLs
-Scaffolding Writing/Reading for MLLs
-Developing Effective Language Objectives for MLLs
-Teaching Academic Vocabulary
-Designing Graphic Organizers for MLLs

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Elevated

Learning Exchange

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Our school will maintain records of each activity that has taken place (attendance sheets for professional development
events) which will include including teachers that attended, dates, times, and duration of session. We will also keep a record of any powerpoint/PD materials used.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

The parent engagement piece of our Title III program is held at the end of the year and it is a showcase where families are invited to celebrate their children's accomplishments throughout the Title III program. Another component of family engagement includes parent outreach by the teachers informing them of their child's progress throughout the program.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

The rationale for the end of year showcase is because there are a few families in the Title III program who, due to difficult circumstances, may have difficulty finding moments where they get to celebrate their children. The showcase will allow for those families to have a moment to stop and celebrate the achievements of their children. The showcase is also a way to bring families and the community together and build powerful relationships for the future. Data shows us that there is a high need for the activities due to our student population. It is offered at the end of the year as a celebration due to the opportunity for students to be able to achieve memorable mile stones throughout the school year.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**

- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

The showcase will occur at the end of May when the Title III program ends.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

We will hold three different meetings to discuss the purpose of Title III. We will hold these meetings at different times/days to accommodate parents' schedules. The purpose of this meeting is will be to provide and overview and discuss the goals of the Title III program. The first parent orientation meeting will be held on October 28th at 8:15am. A second meeting will take place on November 4th at 2:30pm and there will be a virtual meeting on Friday, November 8th at 12pm. We will have 2 additional meetings to discuss student progress with their families. These meetings will be held in December and February; Dates will be announced as we get closer. In March, a meeting will be held with the purpose of explaining the NYSESLAT exam to parents. During this meeting, we will also discuss the ELA, Math, and Science State Exams.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

October 28th at 8:15am -Ell Coordinator: Jose Pena, ENL Service Providers: Mary Tselepis, Tanya Austrie, Principal: David Chung
November 4th at 2:30pm-Ell Coordinator: Jose Pena, ENL Service Providers: Mary Tselepis, Tanya Austrie, Principal: David Chung
Friday, November 8th at 12pm-Ell Coordinator: Jose Pena, ENL Service Providers: Mary Tselepis, Tanya Austrie, Principal: David Chung

December/February Meetings will include the Title III teachers, as well as the ENL Team.
The meeting in March will be led by the ENL Team.

The family engagement activity will be a culminating event where parents will be invited to see the work the students have done in Title III with their teachers. The entire Title III staff will be facilitating this event.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

The parents will be notified of these activities through our messaging platform REMIND and letters that are backpacked home.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Letters will be sent home, and copied for our records. Sign-in sheets for in-person and virtual meetings will be used (and copied) for our records. A copy of each agenda will also be kept for our records.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Grades to be served in this program. Select all that apply.

,3,4,5

Total number of teachers in this program:

3

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

The program will be taking place after school on Thursdays and Fridays. The students will be engaging in material to support them in their English language acquisition. They will be working on reading comprehension texts, writing a response to the reading, writing a response to a prompt/picture, and engaging in discussions about texts and other mediums of information (pictures, videos, articles). Students will be grouped based on their grades and each group will have around 15 students. Instruction will be delivered by a licensed ENL teacher. The out of classroom ENL teachers will serve as a resource for those teachers as well. An administrator will be supervising the program and monitoring the progress. A mid year check in will take place where teachers will monitor progress and determine next steps. They will use formative assessments that are administered during the program.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

As per our most current demographics data, we have 42% of our ELL's born outside of the U.S. 80% are newcomers and 40% are at entering proficiency level. In addition to the demographics data, last year's NYSESLAT scores demonstrated that most of our students did not meet ELP progress as predicted by the State. Another data source we are using are the formative and summative assessments in MyView, our ELA curriculum, as well as data from the screeners. We are finding that our students are struggling with reading and comprehending grade level texts in English as well as answering questions and writing about it.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

This program will serve 45 students in grades 3-5. This program will be open to Newcomer, Entering, Emerging, Transition, and Expanding immigrants.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

The Title III Immigrant funded program will start 11/28/2023 and run until 5/17/2023. The total number of sessions will be 40 sessions. The days of the sessions will be Thursdays and Fridays from 2:30 pm until 4:00 pm.

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

The language of instruction for the Title III Immigrant funded program will be English with some Spanish for support.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

There will be 3 ENL certified teachers or teachers with the Bilingual Extension.

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

The materials that will be used is from the vendor Perfection Learning. We will be using their product called Measuring Up for English Language Learners as well as another material called Getting Ready for the NYSESLAT. The materials will not be at cost to the Title III Immigrant program.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

The school will maintain records of students served in this program through Google Sheets. On the Google Sheets teachers will input their class attendance as well as student progress. The title of the teachers that will administer and monitor the program are classroom Dual Language teachers.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

The professional development that will be provided will be centered on language acquisition and the elements of the science of reading. Teachers will be introduced to understanding how neurons in the brain operate when acquiring and growing in reading in a language, the importance of phonemic awareness in language acquisition and reading comprehension, and best practices for language acquisition and immersion. The professional development will not be at cost to the Title III Immigrant fund.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

As per our most current demographics data, we have 42% of our ELL's born outside of the U.S. 80% are newcomers and 40% are at entering proficiency level. In addition to the demographics data, last year's NYSESLAT scores demonstrated that most of our students did not meet ELP progress as predicted by the State. Another data source

we are using are the formative and summative assessments in MyView, our ELA curriculum, as well as data from the screeners. We are finding that our students are struggling with reading and comprehending grade level texts in English as well as answering questions and writing about it.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

Teachers will receive ongoing professional development related to the Title III Immigrant program through our Monday PDs and the UFT Coach as well as our FACIL lead teacher. On Monday PDs our UFT coach is going over PD on the science of reading and how it can be applied to the classroom. Our FACIL lead teacher is leading our teachers in a PD on Universal Design for Learning and how to incorporate that into a FACIL approach to learning. Then during the PD for the Title III program we will explore how to merge these two understandings to apply them in helping our immigrant students acquire the English Language.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

The professional development for the Title III program will be 11/28/2025, 1/18/2026, and 3/14/2026. It will be 3 sessions. The sessions will be from 2:30 - 4:00.

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

The topics to be covered are the following:

- Language acquisition
- The science of reading
- The importance of phonemic awareness in language acquisition
- The impact of immersion
- FACIL
- Universal Design for Learning

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

The professional development will be conducted by administration, the UFT coach, and our FACIL lead teacher.

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

Documentation related to Professional Development is maintained through Google Drive and Google Forms.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

The school's family engagement activities under the Title III program are activities that our Parent Coordinator and PA president have coordinated. Some topics include parenting support, financial literacy, where and how to obtain city resources, and homework help. The guidance counselor also works to help any parent in need of services such as looking for a shelter, food banks/stamps, organizing and distributing clothing and daily needs to families who are in need.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

We have seen that 43% of our ENLs are not born in the USA. From this data we can see that these families need support in accessing resources from the city. Another data source we used to justify the need for the activities is through our home language identification process and enrollment process. Through those two processes we look for any areas of concern that may come up such as a child's living situation, date of arrival to the country, support or lack of support systems available, and we ask them for any resources they are interested in or in need of. From there we have tailored our topics for parent engagement to make them as meaningful as possible.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and

- Time and duration of sessions.

The sessions occur throughout the school year and we have about 7 sessions planned. The sessions are in the morning for about 1-1.5 hours.

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

The topics that are covered are the following:

- Parenting support
- Financial literacy
- Where and how to obtain city resources
- Homework help

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

The providers are changing from year to year as our Parent Coordinator and PA president shop for vendors that best suit the needs of the activities.

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Families are notified through our REMIND messaging app, emails, phone calls, and letters that are backpacked home.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

The PA and Parent Coordinator maintain documentation of the family engagement activities. Sign-in Sheets, flyers and agendas are kept in a binder in the Parent Coordinator's office.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
