Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages

- Part C: Parent Communications and Engagement
- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Sophia Matos	Principal or Designee*	
Jason Hart	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Keri Landerio	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Jeanetta Stokes	District Council 37 (DC 37) Representative (staff), if applicable	
Robert McMillan	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	
N/A	Student Representative (Required for middle and high schools)	
N/A	CBO Representative, if applicable

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Our School Mission Statement: We are a diverse school community dedicated to achieving excellence in education. We will address the emotional and academic needs of our students by providing a nurturing environment that fosters high expectations. Through various instructional programs and strategies such as , collaborative learning and learning through the arts, our students will become critical thinkers and lifelong learners.

Our School Vision Statement: At Adam Clayton Powell Jr. Elementary School, our vision is to prepare all students to be lifelong learners who will be intrinsically motivated to achieve their goals. The students will be respectful, responsible and possess a positive self-image of themselves, their family and community.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

PS 153 is a vibrant and diverse neighborhood elementary school that serves students from 3-K through fifth grade. Our community is a melting pot, encompassing families who have deep roots in the neighborhood, as well as newly arrived immigrants from around the world. We pride ourselves on embracing the strength of our diversity and fostering a deep respect for all cultures. Our overarching educational philosophy is rooted in the belief that every student deserves access to a high-quality education and transformative experiences that equip them with the skills to navigate life successfully.

At PS 153, we understand the importance of meeting students where they are and challenging them to reach ambitious goals. Our curriculum is thoughtfully designed to cater to the unique needs and interests of our students. We place a strong emphasis on social and emotional learning, recognizing that the holistic development of our students is essential for their overall well-being and success.

To provide enriching learning experiences, we believe in taking education beyond the classroom walls. We encourage students to explore our remarkable city, engage in the arts, participate in sports, and foster meaningful relationships. By doing so, we aim to equip our students with the confidence, resilience, and adaptability needed to tackle any future challenges with grace.

Our commitment to inclusivity is reflected in the range of programs we offer. From Pre-Kindergarten/3K through fifth grade, we provide a comprehensive educational journey that caters to diverse needs and interests. In addition to our general education program, we offer Dual Language and Collaborative Team-Teaching settings to ensure that every student can thrive in an environment that suits them best. At PS 153, we recognize that education goes beyond academic excellence. We believe in nurturing strong character traits and fostering a sense of responsibility and service to the community, even at an elementary school age. These values are seamlessly integrated into every

aspect of school life, empowering our students to become leaders not just academically, but within their communities as well. As a Respect for All School, we actively promote a culture of respect, empathy, and inclusivity.

In line with our commitment to providing a well-rounded education, we continuously enhance our Math and Science Programs with a particular focus on STEM education. A dedicated STEM teacher works closely with students to foster their inquiry-based learning in the fields of science, technology, engineering, and mathematics. Our annual Science Fair is a testament to our students' scientific prowess, where they delve into real-world problems, develop innovative solutions, and showcase their projects across grade levels.

PS 153 also values the importance of partnerships in enriching the educational experience. We have established collaborations with various organizations to provide specialized support and programs for our students and their families. The Louis Armstrong Center for Music and Medicine offers virtual music therapy for students with asthma through the Asthma Initiative Program. Elevate Education conducts workshops to empower students with effective study habits, and they also provide guidance for parents on supporting these habits at home. Switch It Up Break It Down (SIUBID) is a grassroots organization that educates children about healthy lifestyle habits through interactive workshops, contributing to the overall well-being of our students. Additionally, the Harlem Dowling program provides after-school services for our K-5th grade students and offers support to the wider community. We are also a community school with a partnership with the Boys and Girls Club of Harlem.

In summary, PS 153 is a school that cherishes its unique and diverse community. We are dedicated to creating an equitable world where all students receive a high-quality education, gain valuable experiences, and develop the strength and confidence to navigate their lives with grace. With a comprehensive range of programs, a focus on STEM education, and valuable partnerships, we strive to empower our students to become academic leaders, compassionate community members, and future changemakers.

Briefly summarize the key initiatives your school will implement this school year.

This school year, PS 153 has several key initiatives planned to enhance the learning experience for our students. We will be implementing year two of literacy curriculum called EL Education specifically designed for students in grades K-5. EL Education is an educational approach that promotes active classrooms, discovery, problem-solving, challenge, and collaboration. This program aims empowers both teacher and students, fostering a passion for learning and a commitment to building a better, more just world.

In addition, we will be incorporating Wilson Fundations into our third-grade curriculum. Wilson Fundations is a research-based program designed to support literacy development, particularly in the areas of phonics, spelling, and handwriting. By implementing this program, we aim to strengthen our students' foundational skills in reading and writing.

Another initiative we are undertaking is the creation of a third sensory room specifically designed for students. This sensory room will provide a supportive environment for students to engage in sensory activities that promote their cognitive, emotional, and physical development.

Overall, these initiatives reflect our commitment to providing a well-rounded education that addresses the diverse needs of our students and promotes their academic and personal growth.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on our data analysis, proficiency rate for all students was 24% on 2025 NYS 3-8 ELA tests. June 2025 I-Ready reading showed 40% of students were at grade-level placement. (https://data.nysed.gov/assessment)	Strengthen Tier 1 instruction with high-quality, standards-aligned curriculum and texts. Intervention strategies (Tier 2 and Tier 3) may not be reaching all	Use complex, grade-level texts across genres to build background knowledge and language structures. Implement explicit instruction routines to support all learners. Integrate formative assessments to monitor daily progress and adjust instruction. We will continue to ensure curriculum maps and pacing guides reflect ELA standards. Provide ongoing professional development for teachers on text complexity, scaffolding strategies, and culturally responsive pedagogy. Use instructional walkthroughs and coaching cycles to support fidelity of implementation.

	students effectively or early enough.	

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	24%	By June, 2026, literacy for All Students will improve, as measured by a 10% Increase, from 24% to 34%, of Percent of students scoring Levels 3 and 4 on the NYS ELA exam results.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Use complex, grade-level texts across genres to build background knowledge and language structures. Implement explicit instruction routines to support all learners. Integrate formative assessments to monitor daily progress and adjust instruction. We will continue to ensure curriculum maps and pacing guides reflect ELA standards. Provide ongoing professional development for teachers on text complexity, scaffolding strategies, and culturally responsive pedagogy. Use instructional walkthroughs and coaching cycles to support fidelity of implementation.

Root Cause Addressed:

Strengthen Tier 1 instruction with high-quality, standards-aligned curriculum and texts. Intervention strategies (Tier 2 and Tier 3) may not be reaching all students effectively or early enough. Targeted small group instruction will address specific skill gaps. Staff will continue to adapt instructional approaches to support ongoing student progress and achievement.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
We will continue to provide professional learning opportunities facilitated by our instructional coach. The focus of this professional learning will be on advanced literacy, with the aim of enhancing student engagement with a diverse range of genres and expanding their vocabulary. 9/2025-6/2026
The use of Epic's and Sora's digital library that provides students with access to books on their own level and supports teachers in monitoring students' stamina and comprehension.

The i-Ready professional learning program will focus on training educators in effectively monitoring students' progress and utilizing the data to identify and address individual student needs. 10/2025- 2/2026
Use of Mid Year data to guide our instruction for our After School sessions program. 1/2026-3/2026
Intervention team that will target the needs of our lowest third population using I-Ready Data 11/2025-6/2026

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Structures used to progress monitor implementation of key strategies and action steps include review of student progress of I-Ready Reading data (BOY, MOY, EOY), Acadience (BOY, MOY, EOY K-2) student portfolios (6 week cycles) , EL unit and module assessments. Data will be reviewed and discussed during weekly Teacher Team Meetings for grade trends, during Weekly ILT meetings for school wide, grade and class trends. ILT will also discuss and plan for progress of instruction, student learning and achievement. In addition to analyzing data and next steps will be considered to inform our weekly Monday PLs. Administration will also use trends from teacher observations, EL lesson implementation and walkthrough data to inform weekly Monday PLs and update as needed.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Monthly Parent / Family Workshops and newsletters to inform parents about literacy HW and classwork	Boys and Girls Club of Harlem
09/04/2025	06/26/2026	Family Welcome Center	

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

School leaders, instructional coaches, team leaders, teacher teams, Community School Director

Instructional Resources

Current Curricula, I-Ready data, Portfolio data and other student work

Schedule Adjustments

Extended Learning Time, common planning, and grade team meetings

Other Resources Needed

N/A

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Panorama survey results for the 2024-2025 SY- The school works to develop norms that can proactively support student learning, setting high standards for students, encouraging supportive peer norms, and providing strong guidance (supporting environment) 83%% Social-emotional Learning	Norms and expectations vary across classrooms or grade levels.	Staff need additional professional development in SEL strategies, trauma-informed practices, and culturally responsive teaching. Guidance that is personalized or proactive.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	83	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 7% Increase, in percentage results of questions pertaining to a supportive environment about Social-emotional Learning from 83 to 90, per the NYC School Survey results.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Providing staff with additional professional development in SEL strategies, trauma-informed practices, and culturally responsive teaching.
Guidance that is personalized or proactive. Social Emotional Learning such as - Move to Improve, proactive interventions are implemented to explicitly teach social and emotional skills and increase student engagement during the lesson.

Root Cause Addressed:

Norms and expectations vary across classrooms or grade levels.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Community building assemblies and celebrations for student achievements 9/2025-6/2026
Student Council- Monthly 9/2025-6/2026
Continued Social Emotional Learning- Harmony, Move to Improve, EL Habits of Character 9/2025-6/2026
Targeted, and intensive interventions are provided to students in need of additional skill development or support 9/2025-6/2026

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Structures used to progress monitor implementation of key strategies and action steps for emotionally supporting students review of OORS data, student and teacher feedback from student assemblies. Data will be reviewed and discussed during weekly Teacher Team Meetings for grade trends, during Weekly ILT meetings for school wide, grade and class trends. ILT will also discuss and plan for progress of instruction, student learning and achievement.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Parent/family Monthly workshops	CBO-Boys and Girls Club of Harlem
09/04/2025	06/26/2026	Welcome center for families	N/A

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Parent Coordinator, Parent Association, SLT, Community-based organizations, including after school partners

Instructional Resources

Harmony, Move to Improve, Elevate Education

Schedule Adjustments

Assemblies

Other Resources Needed

N/A

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on our data analysis, proficiency rate for all students was 43% on the 2025 NYS 3-8 Math tests. May 2025 I-Ready Math showed 31% of students were at grade-level placement. (https://data.nysed.gov/assessment)	Teachers need additional strategies to expand students' conceptual understanding of mathematics. The priority need is to develop students' mathematical thinking and their ability to use content-specific academic language to explain, justify, and apply mathematical concepts. Strengthening instructional practices that emphasize reasoning, representation, and vocabulary development will support deeper comprehension and more meaningful engagement with math content.	To increase math achievement for students priorities include Job-embedded coaching, Collaborative planning, active learning and reflection, sustained support over time, alignment with

		district goals and teacher need.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	43%	PS 153 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scoring at Levels 3 & 4 will Increase by 7% from 43% to 50%, for All Students, as measured by NYS Math Exam results.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

The school leadership and teacher teams will collaboratively review the curriculum, specifically 'Illustrative Math,' and make adjustments to the sequence and pacing of the material based on data analysis conducted by the school leadership. To increase math achievement for students The ILT will continue to progress monitor and provide ongoing professional development on progress monitoring, collaborative planning, Active learning and reflection, sustained support over time.

Root Cause Addressed:

Teachers need additional strategies to expand students' conceptual understanding of mathematics. The priority need is to develop students' mathematical thinking and their ability to use content-specific academic language to explain, justify, and apply mathematical concepts. Strengthening instructional practices that emphasize reasoning, representation, and vocabulary development will support deeper comprehension and more meaningful engagement with math content. School leadership and teaching teams will collaboratively review the 'Illustrative Math' curriculum and make strategic adjustments to its sequence and pacing, guided by data analysis conducted by school leaders. Instruction will emphasize targeted small-group support, consistent use of visual models, and alignment of strategies across grade levels to strengthen students' conceptual understanding.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The i-Ready professional learning program will focus on training educators in effectively monitoring students' progress and utilizing the data to identify and address individual student needs. 10/2025-2/2026

Teachers will analyze math summative assessments during scheduled team meetings to monitor student understanding and identify next instructional steps. From September 2025 through June 2026, ongoing professional learning opportunities will be provided by the instructional coach. These sessions will focus on effectively using summative assessments—particularly the Lesson Synthesis component—to strengthen alignment with the curriculum and enhance student engagement.
Use of Mid Year data to guide our instruction for our After School sessions program. 1/2026-2/2026
During the latter half of the year, we will hold meetings with the Instructional Leadership Team (ILT) and teacher teams to conduct a thorough analysis of data and identify students who were facing difficulties. Utilizing this information, we will deliver focused instruction to these students through our Saturday Academy. 1/2026-3/2026
Create an in house intervention team that will target the needs of our lowest third population 11/2025-6/2026
During targeted professional learning focus on strategies such as math talk routines, visual representations, and concept-based instruction.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Structures used to progress monitor implementation of key strategies and action steps include review of student progress of I-Ready math data (BOY, MOY, EOY), student math portfolios (6 week cycles) , Illustrative Math (IM) unit assessments. Data will be reviewed and discussed during weekly Teacher Team Meetings for grade trends, during

Weekly ILT meetings for school wide, grade and class trends. ILT will also discuss and plan for progress of instruction, student learning and achievement. In addition to analyzing data and next steps will be considered to inform our weekly Monday PLs. Administration will also use trends from teacher observations, IM lesson implementation and walkthrough data to inform weekly Monday PLs and update as needed.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Monthly Parent / Family Workshops and Newsletters to inform parents about math HW and classwork	Boys and Girls Club of Harlem
09/04/2025	06/26/2026	Family welcome center	N/A

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Percentage of active NYC RISE college savings accounts 34% as of June 2025	Many parents are not yet fully aware of the valuable benefits the NYC Rise School Account offers for their child's education.	Increase guardian knowledge of NYC Rise accounts, Additional workshops on NYC RISE college savings accounts

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	31%	PS 153 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the percentage of active NYC RISE college savings accounts for All Students will Increase by 14% from 31% to 45% as measured by NYC RISE enrollment report.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Targeted, grade-level parent engagement—especially when facilitated by trusted school staff—significantly increases awareness, understanding, and action. Leveraging the role of the Parent Coordinator and classroom-level connections ensures relevance and trust.
Strategy Components: Grade-Level Parent Workshops- Hosted by the Parent Coordinator in collaboration with classroom teachers.
Sessions tailored to each grade's specific needs and milestones. Focused explanation of what the NYC Rise School Account is, how it works, and why activation is essential. Follow-Up & Support- create a simple follow-up system (e.g., phone calls, texts, or flyers) to remind families to activate their accounts. Offer one-on-one support sessions for families needing extra help.

Root Cause Addressed:

Many parents are not yet fully aware of the valuable benefits the NYC Rise School Account offers for their child's education.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Parent workshop with parent coordinator by grade and class sharing what the NYC Rise Account is and the importance of the activating the account. 10/2025-12/2025
Update chart of progress in main entrance weekly

Schools Guidance Counselor will support teachers outreach to parents 10/2025-6/2026
Celebrations as needed 1/2026- 6/2026 of classes and grades with most progress

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Structures used to progress monitor implementation of key strategies and action steps include review of percentage of active NYC RISE college savings accounts by grade and class during a monthly meeting with the parent coordinator who monitors the tracker.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/05/2025	06/26/2026	Parent/family Monthly workshops	Boys and Girls Club of Harlem

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Average number of 5 parents attending school meetings, average number of 150 parents attending school wide	School staff needs to communicate the importance of attending school events and provide tools for parents	The school needs to deepen systems and structures that engage families in schoolwide

events such as School Science Fair or being a guest reader.	to understand how events connect to learning objectives	activities, events, and authentic decision-making.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	50%	PS 153 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the the percentage of parents/families attending in-person school events will Increase by 15% from 50% to 65% as measured by Attendance to School meetings/events.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

The school will administer a parent interest survey. Results will be analyzed and shared with stakeholders to determine possible parent/family activities to be implemented throughout the year to support families in helping their children succeed in school and beyond.

Root Cause Addressed:

School staff needs to communicate the importance of attending school events and provide tools for parents to understand how events connect to learning objectives. Use intentional communication and grade-level workshops to build parent understanding of how school events align with learning objectives. When families understand the academic purpose behind events, participation and support increase.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
School Leadership Team will develop parent/family interest surveys
Parents will be encouraged to participate in classroom trips, celebrations, social justice projects, class read-alouds, and other learning activities
School leaders will monitor parent coordinator's Parent Coordinator Activity Report, on a monthly basis, and provide actionable feedback to support parent outreach efforts and impact
The school will disseminate monthly newsletters (with translated versions) to keep families informed about school

events.

Improve communication with parents by implementing additional communication streams including in-house generated Google surveys

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Structures used to progress monitor implementation of key strategies and action steps regarding parent engagement include analyzing parent reflections and survey data. Next steps will be considered based on trends of feedback from surveys, monthly PA Meeting, monthly SLT and review of NYCPS messaging system from parents.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	School leaders will provide ongoing opportunities to engage all stakeholders, elevating their voice and input related to all aspects of the school (various forums, such as SLT meetings, school wide events, surveys, questionnaires)	Boys and Girls Club of Harlem
09/04/2025	06/26/2026	Additional workshops provided by CBO	Boys and Girls Club of Harlem

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

School leaders, instructional coaches, team leaders, teacher teams, Community School Director, SLT, Parent Coordinator

Instructional Resources

current curricula, data from student work and assessments

Schedule Adjustments

Changes in schedule for school wide events

Other Resources Needed

Materials for events as needed

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on ATS and the Insight Tool, during the 2024–25 school year, chronic absenteeism was disproportionately concentrated among vulnerable subgroups. Thirty-two percent of temporary housing students (37 out of 114) were chronically absent, significantly higher than	School survey feedback, parent communication, and Kinvo outreach data point to several root causes behind subgroup absenteeism trends. For students in temporary housing, families reported frequent moves and unreliable transportation as primary barriers to consistent attendance. For students with IEPs, survey responses and	The Attendance Team will work with these populations to ensure communication in the students' home language is provided. An increase of parent cafés and individualized workshops will give families a clearer understanding of the importance of daily attendance while also connecting them to critical supports, such as transportation solutions. In addition, the team will support parents in scheduling medical and therapy appointments on non-instructional days to reduce missed learning time. Professional development will be provided to staff and teachers to strengthen their skills in supporting

the overall student population. Similarly, 29% of students with IEPs (25 out of 86) and 24% of ELL students (26 out of 107) missed 10% or more of instructional time.	outreach indicated that recurring medical and therapy appointments often pull students out of school. Among ELL families, parent communications highlighted language barriers and confusion around attendance.	communication with parents. Our community partner, the Boys & Girls Club, will ensure that these subgroups are given priority access to afterschool programming. To further reduce barriers, the school will also provide early drop-off options for students.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	37%	By June, 2026, the Percentage of Chronically Absent Students for All Students will decrease by 5%, from 37% to 32%, as measured by the Insight Chronic Absenteeism Reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

To support a sustained, data-driven approach to improving student attendance, our school generates daily, weekly, and monthly reports using ATS, School's MTSS, and the Insight Tool to monitor students whose year-to-date attendance falls below 90%.

Each week, the Attendance Team collaborates with our Community School Partner, the Boys & Girls Club, to conduct a deep analysis of attendance data. This includes disaggregation by grade level, student subgroups (such as English Language Learners, students with disabilities, and economically disadvantaged students), and program participation.

The team identifies emerging patterns and root causes—such as access barriers, engagement gaps, or instructional disconnects—and shares actionable insights with the instructional team, School Leadership Team (SLT), and families.

Each member of the Attendance Team is assigned a specific grade level, allowing for targeted and personalized outreach. Team members build strong relationships with families by hosting Parent Cafes, conducting one-on-one meetings, and sharing individualized attendance progress reports. These interactions are designed to offer meaningful resources and supports that empower families to take action. Importantly, conversations are reframed to focus on instructional access and student success, rather than mere compliance.

SY 25-26 - The Attendance Team will lead ongoing professional development sessions focused on interpreting attendance data through an equity lens, identifying instructional barriers to engagement, and designing inclusive classroom practices that promote daily attendance. Team members will join grade-level meetings to collaborate directly with teachers, sharing disaggregated attendance trends and co-developing strategies that integrate attendance goals into instructional planning. Students will participate in student-led attendance conferences, where they reflect on their attendance patterns, set personal goals, and identify supports they need to succeed. These conferences will be supported by individualized attendance progress reports, guiding students in tracking their own data and connecting attendance to academic outcomes.

Root Cause Addressed:

Students in grades 3K to second grade not coming to school everyday and students traveling outside of NYC for an extended period of time.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
To promote consistent student attendance during the 2025–2026 school year, the school has launched a structured Attendance Awards and Recognition Ceremonies program running from October through June. Led by the Attendance Team and supported by the Boys & Girls Club, this initiative honors students with perfect attendance (100%) as well as those who demonstrate the most improvement. Monthly data reports generated through ATS and the Insight Tool guide the selection process, with disaggregated analysis by grade level and student subgroups to ensure equitable recognition. Progress monitoring will be conducted using a combination of the Insight Tool, ATS, and the school's Multi-Tiered System of Supports (MTSS)
Our school publishes monthly newsletters to strengthen the home–school connection and positively impact parent engagement. These newsletters, posted on the school's website, share updates on attendance data and provide families with strategies to improve student attendance. They are distributed monthly from October 2025 through June 2026.
The Attendance Team will provide ongoing professional development for staff and teachers focused on building effective communication strategies with families, understanding the root causes of absenteeism, and implementing culturally responsive practices. Workshops will be held monthly during grade teacher team meetings starting October 2025.
From October 2025 through June 2026, the school will provide homework support and an extended day for students, including participation in our Intervention/Enrichment program and Saturday Academy. In addition, administration will collaborate with our two afterschool partners, including the Boys & Girls Club & Harlem Dowling to ensure alignment of services and expanded opportunities for student learning and support.
The Parent Coordinator will provide staff with professional learning on the effective use of the NYCPS Messaging System and the school-wide calendar. These sessions will be offered on September 2025, February 2026, and May 2026 to ensure consistent communication practices and stronger family engagement across the school community.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Structures used to progress monitor implementation of key strategies and action steps for chronic absenteeism include review of Insight Tool and NYSPS Messaging System during weekly attendance. Monitoring students with 407s. Parent participation in attendance related workshops and correspondents with parent coordinator.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Extended leaning time for students	CBO- Harlem Dowling and CBO- Boys and Girls Club of Harlem
09/04/2025	06/26/2026	Parent Workshops- Parent ENL classes and financial literacy classes in our school building.	CBO- Harlem Dowling and CBO- Boys and Girls Club of Harlem

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

School leaders, instructional coaches, team leaders, teacher teams, Community School Director, absence prevention team

Instructional Resources

Current curricula, data from student work and assessments

Schedule Adjustments

Extended Learning Time, Grade team meetings

Other Resources Needed

N/A

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
72% Student IEP describe SDI (specially designed instruction) IEP Review 2024-2025 data	Special Education teacher IEP data entry inconsistency	IEP Development and Fidelity of Implementation
not applicable	not applicable	Transition Planning and Compliance

3.6% Initial referral data May 2025	kindergarten behavior and social emotional concerns	Referral Process and Equity
Behavior Intervention Plan Progress Monitoring 100% staff compliance	to ensure BIP remains effective and relevant to student's individual needs	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	72%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve IEP development and implementation of SDI (Specially Designed Instruction) by a 13% Increase, from 72% to 85%, as measured by IEP Reviews.
All Students	3.6%	By June, 2026, to strengthen the quality and implementation of IEPs for All Students, we will improve Increase proactive teacher and paraprofessional training in intervention strategies to support students before making a Special Education Evaluation referral by a 1.6% Increase, from 3.6% to 2.0%, as measured by Initial Referral Data.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Special Education Teacher team meetings and professional learning for SDI (specially designed instruction)

Root Cause Addressed:

Special Education teacher IEP data entry inconsistency

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Special Education teachers will attend team meetings during preparation periods to collaborate and discuss SDI and how to effectively communicate in IEP's the SDI they are providing to students' in their classrooms. Special Education teachers will develop a checklist. They will use the Special Education Google folder to use collaborative resources to assist in writing. 9/2025-6/2026
IEP teacher and Admin review compliance dates bi-weekly 9/2025-6/2026
Special Education teachers use GoalBook resources to write more descriptive IEP's explaining SDI 9/2025-6/2026

Key Strategy 2 (Optional):

Referral Process and Equity

Root Cause Addressed:

Kindergarten behavior and social emotional concerns

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The SIT will meet twice a month to discuss students at risk. They will develop a Google Folder by June to monitor the decisions made by the team. They will provide teachers with support to access tools and intervention needed to support their students. 9/2025-6/2026
Special Education teacher team meetings to discuss BIP behavior plan strategies and implementation and progress monitoring. 9/2025-6/2026

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Primary structures to progress monitor implementation of key strategies and action steps include the IEP teacher and Admin review compliance will be used to determine impact on student learning, Special Education Teacher team meetings and professional learning for SDI (specially designed instruction), and the SIT will provide teachers with support to access tools and intervention needed to support their students. 9/2025-6/2026

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/02/2025	06/26/2026	Parent Meetings to discuss IEP and progress	Special Education teachers/Related Service providers/Parent Coordinator
09/02/2025	06/26/2026	Parent Meetings to discuss Students with Autism and resouces	Special Education teachers/Related Service providers/Parent Coordinator

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Teachers, Guidance Counselors, SBST, related service providers, parents

Instructional Resources

Current curricula, data from student work and assessments, teacher reports

Schedule Adjustments

teacher team meetings, SBST- SIT meetings

Other Resources Needed

Goalbook- for quality IEP writing, SDI professional development resouces

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Student has not made adequate progress in Tier 1 ELA or Math over period of time set by school based AIS Team	I-Ready	Small Group	During School	Yes
Tier 2	According to progress monitoring data the student is not making adequate progress to Tier 2 intervention in grades 3 and above	Level Up	Small Group	During School	no
Tier 3	According to progress monitoring data the student is not making adequate progress to Tier 2 intervention in grades 3 and above	Spire	one-to-one	During School	no

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Teacher observations, anecdotals	Small Group Counseling for at risk students/ Personalized early outreach to students that is positive	Small Group	During School	no
Tier 3	Individual Progress review of Tier 2	Individual Counseling with school Guidance Counselor or Social Worker/Personalized early outreach to students that is positive	One-to- One	During School	no
Tier 3	For students attending 80-90% of the time (DOE Risk Group: Chronically Absent)	Collaborating with outside agencies	one-to-one	During school	no

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

The school's essential components of MTSS are shared with families during family engagement events such as workshops and Information Sessions: we host events to explain MTSS, its tiers, and how it supports student learning and behavior.
Back-to-School Nights: These often include overviews of MTSS and how it fits into the school's overall approach to student success. We also update individual parents through progress reports and emails with regular updates may include MTSS-related topics, such as new interventions or data collection methods.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Families of students receiving Tier 2 (targeted) or Tier 3 (intensive) interventions within an MTSS framework are kept informed through structured, consistent, and personalized communication methods such as specific goals being addressed, data from progress monitoring tools such as Acadience. Direct Communication such as phone calls, emails, or texts from teachers, intervention staff or case managers to:
share updates on student progress, discuss concerns or successes, answer questions and gather family input.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families play a critical and collaborative role in decision-making for students receiving Tier 3 intensive interventions within an MTSS framework. We schedule frequent meetings to review progress monitoring data, discuss the effectiveness of current interventions, and decide whether to continue, adjust, intensify, or fade supports. Families are encouraged to ask questions, express concerns, and suggest strategies that work at home.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

115 total students in temporary housing

Doubled up (with friends or relatives because they cannot find or afford housing): 87
Living in a shelter or transitional shelter: 27
Living in a hotel/motel: 1

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Historical data, attendance and achievement data for the STH population includes students requiring additional academic support to address their needs. Our Level Up team provides support for student during the school day. Students are also included in the after school and extended day program. The STH Title I Survey is utilize to inform the specific needs, which historically have been a need for uniforms and afterschool activities.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

We will provide services to the STH population by offering Saturday school, instructional intervention, and enrichment in literacy and math. We will also organize workshops to assist parents, arrange field trips to cultural institutions, and provide emergency supplies such as school uniforms, school supplies, and personal care items. Additionally, social/emotional support and counseling will be available through guidance counselors and social workers.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

Students in foster care are currently enrolled: 3
A dedicated staff member is the foster care liaison which includes regular communication with foster families and caseworkers. Academic assessments upon enrollment are administered to place students appropriately. Frequent checks on grades, attendance, and behavior. Tier 2 or Tier 3 academic interventions in reading and/ or math are implemented as needed.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

To support students in foster care—especially those newly transitioning into the system, we implement a range of targeted supports designed to promote stability, emotional well-being, and academic success. Personalized orientation, school tours, and introductions to key staff (e.g., counselor, nurse). A designated staff member ensures the student receives all entitled services. Early assessments in reading, math, and writing to identify learning gaps to ensure timely placement in Tier 2 or Tier 3 interventions if needed. We also include families/ caregiver in meetings, updates, and the decision-making processes as well as ongoing communication with caseworkers and foster families to align supports.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

The attendance and achievement data for the students in foster care has varied historically. Attendance has varied based on the location of the home and the distance from the school which can effect the commute to and from

school. We provide support for busing as needed. Achievement data also varies. Tier 2 or Tier 3 academic interventions in reading and/ or math are implemented as needed.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

A staff member (often a counselor or social worker) serves as a point of contact for foster youth, which it helps ensure continuity of support, coordinates services, and advocates for the student's needs across academic and behavioral domains.
Frequent review of attendance, grades, and behavior data to identify early signs of struggle, which helps with timely interventions before issues escalate, supporting both academic success and emotional well-being.

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

At our school, we prioritize addressing the unique learning needs and interests of all students, including those who may benefit from approaches and experiences beyond the traditional classroom setting. To actively support their growth, we have implemented an Extended Learning Time (ELT) program that offers various opportunities for enrichment and additional learning.

During the afterschool enrichment program, teachers will work with students in small groups to accelerate their reading. This will involve activities such as developing phonemic awareness, participating in guided literacy, and engaging in book clubs. These focused sessions aim to enhance students' reading abilities and foster a genuine enjoyment of reading.

In the after-school program, students will also have the freedom to choose from a variety of clubs, with a special emphasis on STEM. These clubs will encourage students to ask questions, solve real-world problems, and explore the connections between science, technology, engineering, and math. By involving students in hands-on activities, we aim to develop their critical thinking skills and deepen their understanding of how these subjects relate to their daily lives.

Furthermore, we value the importance of physical activity and teamwork. Hence, we offer sports teams such as soccer. These team provide students with opportunities to engage in their preferred activities and learn the value of collaboration. Teachers will facilitate their learning by fostering critical thinking and helping students understand the importance of working together as a team.

During our Saturday academy, we focus on supporting our English as a New Language (ENL) students in improving their academic language skills. We use all four modalities, including reading, writing, speaking, and listening, to enhance their abilities. This targeted support helps ENL students access academic content and build their linguistic competence.

By incorporating these diverse enrichment and additional learning opportunities throughout the school day, after school, on weekends, and during the summer, we aim to meet the varying needs and interests of all our students. Our goal is to provide a comprehensive educational experience that fosters growth, nurtures curiosity, and equips students with the skills they need to thrive in an ever-changing world.

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

At our school, we prioritize the requirement of having NYS-certified teachers supervise English Language Teaching (ELT) instruction. We ensure compliance by providing ongoing professional development and support from instructional coaches and mentors. Our teachers engage in continuous learning and improvement, staying updated on the latest practices in their content areas. This commitment to qualified educators and fostering a culture of collaboration enables us to deliver effective ELT instruction and provide high-quality education to our students.

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

Teachers are able to work collaboratively in teacher teams to align instruction. During these meetings, data will be shared among teachers to build instruction that meets the needs of our students.

All teachers are supported with at least weekly professional development, collaborative teacher team meetings, frequent observation and feedback cycles, and open communication. Based on Quality Review feedback about developing a coherent set of beliefs about how students learn best, much of this work is focused on Designing Coherent Instruction and Engaging Students in Learning. The Gradual Release of Responsibility Framework is foundational to our instructional practices. The school has a safe environment and an inclusive culture that supports progress towards the school's professional, academic and social-emotional learning goals. Our staff is included in the decision-making process of the school. Our school provides high quality professional development offered by not only our staff but by consultants according to the DOE regulations.

Provide a description of the materials purchased to support implementation of ELT.

Ready Books to support the implementation of the I-Ready computer based program.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. Adam Clayton Powell, Jr. Elementary School , in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

Adam Clayton Powell, Jr. Elementary School will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

Adam Clayton Powell, Jr. Elementary School , in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Areas of Concentration:
Social emotional Learning- Monthly Meetings
Curriculum - Weekly Teacher team meetings
Data dives in teams- Weekly Instructional Team Meetings
Trauma informed Instruction/Book Studies- Monthly Meetings

Our school personnel including teachers and paraprofessionals receive professional development during preparation periods, faculty conferences, professional learning sessions, intervisitations, and following learning walks/instructional rounds. In addition, our school personnel participate in outside professional development offered by I-Ready, Move to Improve and Teq Smart Boards. Furthermore, there are professional development days assigned by the Chancellor in which our staff receives ADVANCE professional development. Some of the topics covered during professional development are: Expeditionary Learning , Illustrative Math, Danielson Framework, new teacher evaluation, incorporating DOK and UDL into the literacy block and using 21 st Century skills and technology to teach English, supporting newly arrived ELLs. Professional development will be differentiated based on the teachers' needs. Professional development is provided by our principal, assistant principals, mentor teachers, teacher effectiveness coach, grade team leaders, and outside consultants.

The principal and assistant principals attend regular professional development sessions provided by the district focusing on observation cycles and providing high quality feedback to teachers.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

We engage parents by assisting them in choosing an elementary school and how to apply. Our Pre- K staff, in conjunction with the social worker and the school counselor, provides workshops and information to the parents of our Pre-K students in order to prepare them for Kindergarten. Our Pre-K program is aligned with the NGLS and utilizes the Early Childhood Environmental Rating System – Revised (ECERS-R). The teachers participate in professional learning opportunities with the K-5 faculty, which most frequently focuses on Designing Coherent Instruction, Engaging Students in Learning, and creating a student-centered classroom. In terms of supporting Pre-K students socially and emotionally, we have a Pre-K social worker who comes twice a month and a full time social worker who supports the students and teachers as well. They provide individualized professional development to teachers about was to effectively transition students, manage oppositional behaviors, work on anxiety and separation issues, and support parents in the process of transitioning their child into the classroom or other areas of the building. When students have related services, the social worker works with the parents and teacher to facilitate access to hard copies of IEPs. Our Pre-K students start their transition process at the beginning of June. They visit the Kindergarten classes and meet the current Kindergarten teachers. We offer school tours as well as orientations for the new students. Our Pre-K family worker assists our Pre-K students with their transitions.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	$326,745	x	ELA/ Math, Chronic Absenteeism, Supportive Environment Framework
Title I, School Improvement 1003(a)	Federal	$N/A	x	N/A
Title II, Part A	Federal	$39,104	x	Supportive Environment Framework
Title III, Part A	Federal	$12,720	x	English Language Proficiency
Title III, Immigrant	Federal	$0	x	English Language Proficiency
Title IV, Part A	Federal	$N/A	x	ELA/ Math, Chronic Absenteeism,

				Supportive Environment Framework
Tax Levy (Fair Student Funding)	Local	$3,543,447	x	ELA/ Math, Chronic Absenteeism, Supportive Environment Framework

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
Harlem Dowling	All Students	expanded learning time	Chronic absenteeism
Harlem Boys and Girls Club	All Students	expanded learning time and Family empowerment/ support	Chronic absenteeism, Elementary ELA and Math
N/A	N/A	N/A	N/A

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

The Community Based Organization- Boys and Girls Club of Harlem will partner with our school community services to support students who are participating in the extended learning day. The CBO will also collaborate to provide a variety workshops to help students and families in areas such as developing study habits, and help parents support these habits at home. As well as supporting our community including a food pantry and family engagement.

The Community School Director and the parent coordinator will also participate in professional learning to increase family engagement.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

Our Community School will welcome and empower families to participate, collaborate and take a leadership role in the school community, by providing the parents with multiple opportunities to attend and lead parent and community meetings. We have also created a space in the school building -Family Welcome center, which will give families an opportunity to engage in school activities with access to a computer.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

Our Community School offers integrated health and wellness education that support student's social emotional and academic learning through our health and physical education program, and our Comprehensive Counseling Program. Building on the foundational trauma informed work we started last year, with knowledge and resources around trauma informed care and healing practices. We hope that together you will build on areas of strength and will work in collaboration with your school in bringing much needed healing to the entire community.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

Attendance committee members (School Counselor, Parent Coordinator, Community School Director, School Administrators, Pupil Personnel Secretary, etc.) will work closely with CBOs in developing and implementing Success Mentor program tailored to the needs of students presenting chronic absenteeism and will make referrals to agencies that will provide needed support for students and families.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for all students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

All students in grades K-5, including STH, ML/ELL and students with disabilities, students will be invited to extended learning time provided by the both PS 153 teachers and the CBO partner- Boys and Girls Club of Harlem. Specific parent out reach will be made based on need. To optimize systems and structure and provide differentiated and culturally responsive supports to ensure equity for all students the Community School director and school's equity team will work closely to monitor the systems and structures in place as well as make necessary changes if needed.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Sophia Matos
Assistant Principal (Where Applicable)*	Angela Torres
English as a New Language (ENL) Teacher*	Paola Maldonado
Teacher (if school has a bilingual program must be a bilingual teacher)*	Leylin Santana
Parent/Guardian*	Ana Mora
Teacher Coach	Eumelia Gonzalez
Parent Coordinator	Joselin Madrigal
School Counselor	Amauris Mena
Related-Service Provider	Rachel Geib
Other (Name and Title) ENL Teacher	Paula Castillo
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

2

Number of certified ESOL teachers not currently teaching ENL:

1

Number of teachers who hold both content area/common branch and ESOL certification:

2

Number of ESOL certified teachers with a bilingual extension:

2

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

4

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

1

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

337

Total number and percentage (%) of current ELLs:

121 and 35.9%

Total number and percentage (%) of former ELLs:

17 and 5%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

113 and 93.4%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

8 and 6.6%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

2 and 1.7%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

26 and 21.5%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	GE	Spanish	2000's		1	1	1	1	1								5
DLBE																	0
DLBE																	0
				total: 0	total: 1	total: 1	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

In standalone, (ENL) Students receive English language development instruction to develop English language skills needed to succeed in content areas (ELA, math, science and/social studies). At PS 153, there are Licensed ENL teachers who provide standalone instruction in a pull-out method, Paola Maldonado grades K-2 and Paula Castillo grades 3-5. In our program the students are grouped by grade with heterogeneous proficiency levels based on NYSITELL or NYSESLAT results. For example, students with proficiency levels of entering or emerging are mixed together in a blocked session to receive language based instruction. We also use a variety of strategies like speaking slowly and clearly, use of word walls, glossaries, videos, graphic organizers, sentence frames to help students respond to text dependent questions and native language as a scaffold to accelerate ELLs academic language development. Reading is monitored through iReady, Lexia, additionally we use EPIC, SORA and other texts in their native language. Lexia is an adaptive blended program that supports ELLs in academic conversations and it also integrates reading, listening and grammar.

Integrated ENL:

In integrated ENL students receive core content area and English language development instruction, including the use of the home/primary language as support and appropriate ELL instructional supports to enrich comprehension in the classroom. Integrated ENL classes are taught by a teacher dually certified in the content area and ENL or co-taught by a certified content area teacher and a certified ENL teacher. The students are grouped by grade with heterogenous proficiency levels. The providers are Paola Maldonado and Pula Castillo as the out of classroom ENL teachers.

Strategies used in the classroom include:

-Speaking slowly and clearly (not more loudly).
-Using gestures, pictures, video, modeling, and real-life objects to help clarify students' understanding.
-Repeating and rephrasing when necessary to clarify.
-Activating background knowledge and helping students make strong connections between new and prior learning.
-Breaking tasks into smaller steps and encouraging students as each is completed.
-Give students who are translating both your questions and their responses extra wait time.
-Emphasizing key vocabulary and illustrate its meaning.
-Providing oral language practice opportunities to build comprehension.
-Using scaffolding, such as sentence stems, graphic organizers etc.
-Providing specific, actionable feedback.
-Using formative assessments more frequently to check for understanding and ensure comprehension.
-Using different technology platforms for language and linguistic development

b. Bilingual Education (If applicable)

Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

PS 153 has a Dual Language program (Spanish and English)
Our school offers a Dual Language(DL) program in grades 1-4. Teachers in the DL program are dually- certified (bilingual extension and common branch licenses) and engage in a 50/50 model of instruction in English and Spanish, supporting the development of both languages. ENL services are provided in our DL classes by the classroom teacher in the following classes: Adhaina FIlpo(1st grade), Melissa Filpo(2nd grade), Jorge Gomez Padilla (3rd grade), Leylin Santana (4th grade). The ELLs in the Dual Language are programed heterogeneously (all proficiency levels are presented in the class) and blocked with their grade level. To ensure that the mandated number of integrated ENL instructional minutes is provided, we use the guidelines from CR Part 154.2. Integrated services are provided by the dual language classroom teacher during the literacy block.

In the Dual Language program there is a diverse group of students enrolled, students who are newcomers, developing ELLs, former ELLs, and never ELLs. Having students of many different language levels within the Dual Language program creates a collaborative environment for students to learn to be biliterate and multi-cultural (since there are many different countries and cultures that use the Spanish language). The students in our Dual Language program are grouped by grade with heterogenous proficiency levels.

There are self-contained Dual Language 1-4 classes where there is one teacher, one group of students, in one classroom, using two different languages, English and Spanish. The teacher instructs students in both English and Spanish, and the students communicate and complete assignments in two languages. A teacher who has a bilingual teaching extension uses various scaffolding methods such as teaching academic vocabulary (especially cognates), modeling, and integrating oral and written language instruction into the content area by using a variety of materials, not only the curriculum but supplemental materials in the home language which culturally supportive of the student population. Furthermore, all Dual Language teachers have access to many technology platforms and devices to support the students in the acquisition of the new language and the development of their home language.

Literacy is taught mostly in English and Spanish is used as a support. The ELA teacher mini lessons are instructed in English and the subsequential activities differ depending on the day and student choice. The classroom has a print rich environment, such as charts, word walls, labels, library books, and other language supports in the two languages to make materials accessible to students of all levels.

Math, Science and Social studies are taught in Spanish and English, every other day. The curriculum resources are available in both English and Spanish.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

Programming for STARS begins in September with the assistant principal(Angela Torres) and ENL Lead (Paola Maldonado) collaborating as a team. They utilize RLAT, NYSESLAT data, and the Mandated Units of Study table to ensure that all our ENL students receive their required instructional minutes tailored to their proficiency levels. After all the data is collected a spreadsheet is created with students names, proficiency level, standalone vs integrated minutes, and any other pertinent information that may impact the ELL service for each student (related services). As per CR. part 154 Entering students receive 360 minutes of ELA instruction and they also receive core content instruction in English with language supports determine by their proficiency level. Transitioning and Expanding students receive 180 minutes of Integrated ENL in the content area. Students at the Commanding level receive 90 minutes of integrated ENL instruction within the content areas of Math, ELA, Science, and Social Studies. ENL teachers(Paola Maldonado, and Paula Castillo) meet with the school programmer, Sol Flores, to ensure each student is correctly programmed in STARS. Reports providing ENL proficiency data are reviewed at least once a month (EDUR). They are reviewed by the Principal, Assistant principal, ENL LEAD and STARS programmer. Our DL classrooms exceed the mandated minutes for ENL instruction. In our DL classrooms, classroom teachers have a bilingual extensions. All entering and emerging ELLs receive more than the mandated 360 minutes of instruction(180 standalone/ 180 integrated). Similarly, all transitioning and expanding ELLs receive more than the mandated 180 minutes of ELL instruction.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

1. The school utilizes the EL Education Curriculum for English Language Arts (ELA) instruction. Students in grades 1-4 receive 90 minutes of ELA instruction daily, typically broken down into 45 minutes of reading and 45 minutes of writing. In the Dual Language (DL) program, students receive ELA in English and Home Language Arts (HLA) in Spanish, as part of a bilingual, self-contained model. The HLA component is equally prioritized and integrated using resources like EL Education (Spanish version) ensuring balanced literacy development in both languages.

2. ENL services are embedded within the instructional day in several ways. The ENL teacher co-teaches during the ELA block, providing scaffolds and language supports to make content comprehensible for English learners (EN, EM, TR levels). The ENL teacher collaboratively plans with the common branch (classroom) teacher three times a week to align language objectives with content goals. Additionally, stand-alone ENL instruction is delivered in small groups for 1–2 periods per day, depending on students' proficiency levels. These services are delivered throughout the school day, integrated into both ELA and other core content areas.

3. In the Dual Language program, Home Language Arts (HLA) is a core component, with students receiving instruction in their home language (Spanish or English) across multiple content areas, including ELA, Math, Science, and Social Studies. Instruction is provided by bilingually certified teachers, ensuring that the home language is used as a scaffold to access grade-level content and build academic language. For ENL students , the home language is strategically leveraged as a foundation for learning and language transfer, especially when introducing new concepts. In monolingual (English) settings, HLA strategies are incorporated by the ENL teacher as a scaffold—supporting comprehension and language development through cognates, translation, and culturally responsive materials.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

The Dual Language model that is used in the school is self-contained, 50/50 model, alternating English and Spanish every other day with Literacy mostly instructed in English with Spanish used as a support. All CORE subjects(literacy, math, science, and social studies) alternate every other day. For grades K-2, emergent literacy skills in both languages will be taught, using Fundations, Heggerty, and Estrellita. This model allows for ELL students and proficient English students to participate in a class together in English and Spanish. For the ELL students, in particular, it is beneficial because while they are learning the second language in school, they still can develop their native language skills. For students who were never ELLs the exposure to a second language from their school community, teacher, classmates, and curriculum resources in Spanish promote biliteracy. For new arrivals in the program or students who are new to DL there are many targeted small groups, where either English or Spanish is used for support. The use of technology has really allowed students to engage in the new language when they are learning at home and at school to improve linguistic competency. The language allocation adopted is 50% English and 50% Spanish.

b. In which language(s) is each core content area taught?

Literacy(EL) is taught mostly in English with other literacy materials in Spanish (Heggerty, IL, Science and Social Studies) to support students and/or to layer the text.
Math, Science, Social Studies is instructed in both languages, alternating days.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

Our ELL subgroup at PS 153 school primarily consists of students who speak Spanish at home and have varying levels of English proficiency. Currently, we have 113 Newcomer ELLs, which represent 93.4% of the ELL population. Overall, there are 121 ELLs (35.9% of all students), 17 former ELLs (5%), 3 ever ELLs (0.9%), and 196 students who have never been ELLs (58.2%).
Newcomer ELLs come from diverse educational and linguistic backgrounds and have distinct academic and social-emotional needs. We provide a safe, supportive, and acclimating environment, allowing them sufficient time to develop their language skills. These students are eager to succeed but often face unique challenges, including specific social-emotional needs. We provide a safe, supportive, and acclimating environment, allowing them sufficient time to develop their language skills. These students are eager to succeed but often face unique challenges, including specific social-emotional needs.

Effective instruction for Newcomers differs from that for Developing or Long-Term ELLs primarily because of their beginning language proficiency and social-emotional needs. Instructional strategies for Newcomers include:

Encouraging continued development of their native language.
Using Total Physical Response (TPR) and visual aids to enhance understanding.
Allowing wait time for processing and responding.
Establishing and clearly explaining classroom routines to build a sense of safety and predictability.

Planning projects where students share their culture with peers, fostering mutual respect.
Helping students connect with extracurricular activities like art classes, sports, and hobbies to build community ties.
To determine the effectiveness of instruction and monitor progress for Newcomer ELLs, the school uses ongoing assessments focused on language acquisition and social-emotional adjustment. Growth is tracked through formative assessments, language proficiency benchmarks, and observation of student engagement and comfort in the classroom. This comprehensive monitoring helps ensure that Newcomers receive appropriate support tailored to their evolving needs.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

At PS153, Students with Inconsistent/Interrupted Formal Education (SIFE) make up 1.7% of the ELL population. We receive very few SIFE students, primarily at the elementary level. These students are supported in a safe, welcoming environment where they are given ample time to develop their English language skills.

Effective instruction for SIFE is differentiated to address their unique academic and language needs. We focus first on building strong academic foundations in their native language to ensure comprehension of lesson objectives. This foundation then facilitates a smoother transition to English, using some of the same objectives adapted for second language learning.

To determine the effectiveness of instruction and monitor growth for SIFE students, our school uses multiple assessment tools including portfolios, Acadience reading assessments, I-READY diagnostics, exit tickets, Project-based and other formative assessments. These tools help us track progress in both language development and academic skills, allowing us to adjust instruction to best support each student's growth

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

Long Term ELLs- 0% The effective services for long term ELLs differ from that of Developing ELLs because instruction for Developing ELLs focuses more on foundational language skills, basic vocabulary and functional language proficiency. For long term ELLs the instructional strategies focuses on building upon their existing language. Instruction and strategies for Long Term ELLs includes more complex vocabulary, academic language development and explicit teaching of language structures. Lessons routinely feature rich texts, discussions, writing and instruction in high-utility vocabulary, learning and teaching is enhanced.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

Former ELLs - 5% Our former ELLs have shown increased engagement and progress through the implementation of various strategies and tools, including Project Based Instruction, Partnerships, iReady, and Lexia English. Project Based Instruction is an instructional approach that promotes active learning through hands-on projects. By incorporating real-world tasks and collaborative activities, this method allows students to apply their language skills in meaningful contexts. Former ELLs have benefited from this approach as it provides them with opportunities to develop their language proficiency while working on projects that align with their interests and experiences. Former ELLs have benefited from iReady's adaptive nature, which tailors instruction to their individual needs and learning pace. The program provides targeted practice and instruction, allowing former ELLs to strengthen their language skills at their own pace while receiving immediate feedback and support. Lexia English is a computer-based program that focuses on developing reading skills. It provides individualized instruction and practice in areas such as phonics, vocabulary, comprehension, and fluency. Former ELLs have found success with Lexia as it offers targeted support that aligns with their specific reading needs. The program adapts to their progress and provides

interactive activities that help improve their reading abilities. By incorporating these strategies and utilizing tools like iReady and Lexia, along with implementing Project Based Instruction and forming partnerships, our former ELLs have been able to enhance their language skills, improve their academic performance, and thrive in their educational journey. Additionally, Former ELLs (within the two-year window period of testing out of the NYSESLAT) are still eligible for testing accommodations.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

The at-risk indicators impacting the greatest number of ELLs at PS153 are: Newcomers with less than 3 years of ELL service (93.4%), ELLs in temporary housing (37.1%), and ELLs who did not demonstrate sufficient ELP progress (28.1%). When comparing the data to the previous school year we can say: 1) the number of Newcomer ELLs at PS153 1)the number of Newcomer ELLs at PS 153 has decreased by 0.9% from 94.3% to 93.4% 2) The number of ELLs in Temporary Housing has decreased by 9.9% (from 47% SY24-25 to 37.1% SY25-26. 3) The number of ELLs at PS 153 who did not demonstrate sufficient ELP progress has decreased by 5.2% compared to last year's data. Finally, the average ELL student at PS 153 has between 1 to 2 at-risk indicators. However, fourteen(14) students have 3 at-risk indicators, four (4) students have 4 at-risk indicators, and one (1) student has 5 at-risk indicators.
When it comes to "state test related" at risk indicators, the % of ELLs scoring a level 1 in SY25 is 64% in ELA and 31% for students scoring at level 2 in ELA. When it comes to Math the % of ELLs scoring a level 1 or 2 in SY25 ranges from 21% to 26%.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

The at-risk indicators impacting the greatest number of Former ELLs at PS153 are: Former ELLs who scored a level 2 in SY25 (43%) in ELA and Math. When comparing the data to the previous school year we can say: 1) Although the percentage of Former ELLs scoring a level 2 in ELA has increased by 10% from 33% in SY24 to 43% in SY25 the number of Former ELLs scoring a level 1 has decreased. At PS153 we had 0 former ELLs score a level 1 in ELA and Math. 2)The percentage of former ELLs scoring a level 2 has increased by 18% in Math. 3) Although last year we had 0 former ELL students in temporary housing. This year 23.5% former ELLs are in temporary housing. Finally, the average former ELL students (12) have 0 at-risk indicators. However 3 former ELLs have 1 at-risk indicator, 1 former ELL has 3 at-risk indicators, and 1 former ELL that has 4 at-risk indicators.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The top 3 languages at PS153 are Spanish, French, and Arabic. Additionally, it is important to note that in SY 2024-2025 there was a decrease in the Arabic and Soninke home language and an increase in French home language. This means that there is a concentration of approx. 87% of Spanish speaking students.

The largest representation of ELLs in our school are Spanish speakers. There are many staff members who speak Spanish. Also, the school has an attendance program that allows for the staff community to communicate with family members in their home language called KINVO which enables us to reach our students' families, on the devices they're already using, no matter what language they speak. Our monthly School Newsletter helps us communicate

with all our families. Daily Google classroom announcements and assignments provide students and families with updated information in their home language (class schedule, school's website homework sheets, and school wide events). There are also many classroom materials such as library books in Spanish and other languages that represent diverse cultures that speak Spanish. Many teachers are trained in supporting students with social and emotional learning which further their language growth by making connections with the students through home language and knowledge of home culture. Additionally, to target the needs of families who speak another language other than Spanish, we use the KINVO system which translates any school message
into the families preferred language and we use the Office of Language Access for over the phone interpretation.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

As per information provided by families during the enrollment process, 86% of our ELL families identified themselves as Hispanic ELLs, the 2025 ethnicity breakdown is as follows: 36.2% are Hispanic American Indian or Alaskan Native, 34.3% are Hispanic Black, 21% are Hispanic White, 5.7% Hispanic Native Hawaiian or Other Pacific Islander, and 2.9% are Multiracial. There is a difference to the ethnicity breakdown from 2024. There was an increase of 7.9% of American Indian or Alaskan native, a 1.4% increase in Native Hawaiian or Other Pacific Islander. However, there was a decrease with Hispanic ELLs that identified as Hispanic Black by 1.6%, multiracial by 1.4%, and Hispanic White by 6.2%. The ethnicity breakdown of the Non-Hispanic ELLs in 2025 is as follows: 62.5% Black, 25% white, 6.3% American Indian or Alaskan Native, and 6.3% Asian.

ELLs are being included in planning and deliver of Culturally Responsive and Sustaining Education by creating a welcoming environment, allowing them extra think time, by using culturally responsive texts, by differentiating text, scaffolds, engaging in conversations and using their diverse backgrounds in our assessment strategies.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

The % of ELLs exiting their ELL status has decreased by 33.67% compared to 47.7% to 14.03% (2025). The number of ELLs that met annual progress by meeting Exiting ELL status in 2024 was 23.1%. This doubles the number of ELLs who excited their ELL status in 2023 (10.6%). We also saw a 1% increase in ELLs meeting Safe Harbor. Additionally, more ELL students are meeting Annual Progress Target from 21.5% in SY 23-24. Although 52.3% did not meet ELP progress, it is important to note that PS 153 had a 22.2% decrease in students who did not meet progress, 52.3% in 2024.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

The percentage of expanding ELLs continues to increase. It has increased by 9.47% from 29.7% SY2024 to 39.17% SY2025, the percentage of emerging students has decreased by 6.61%. It is important to note that in 2024 ELLs were only a few points away from the next highest proficiency level. For instance 4 out of 91 ELLs at the Expanding level were less than 10 points away from scoring at the Commanding level. This means that 4% of the Expanding ELLs were only points away from testing out of the NYSESLAT and becoming Former ELLs. A similar pattern can be

found in all other proficiency levels.

When comparing the NYSESLAT 2024 Data to NYSESLAT 2025, the amount of former ELLs decreased by 2.47% from 16.5% SY24 to 14.03% SY25. The amount of students at the emerging level has also decreased by 10.82%, from 23.1% in SY24 to 12.28% in SY25

Based on the 2025 NYSELSAT results, 57% of the ELLs in PS 153 scored HIGH (90% or more questions correctly) in the speaking modality. This is three times the % of ELLs scoring HIGH in listening (17.5%) and reading (18.6%). Writing was the lowest modality for students scoring HIGH with a .04%. Although writing continues to be the area where fewer ELLs can answer 90% or more of the questions accurately, more than 10% of ELLs in grades 1 and 2 have the greatest number of ELL students scoring HIGH across modalities.

Not only fewer ELLs scored HIGH in writing, but also a significant number of them are scoring LOW (15% or less questions accurately) in this modality. As per 2024 NYSESLAT results, 28 (30.7%) ELLs in PS153 scored LOW in writing, with grades 2, 3, and 4 with the lowest score in writing. This means that one third of our ELLs are really struggling with writing. Although speaking is the modality with the largest % of ELLs scoring HIGH, it is also the second modality with the largest % of ELLs scoring LOW. As per 2024 NYSESLAT results, 13.1% of ELLs answered 15% or less questions in this modality correctly. Grades 1, 3, and 5 have the largest numbers of ELLs scoring LOW in the speaking modality.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

For SY 2025 10 of our Expanding students scored a level 2 on the ELA State Exam .For SY 2024 20% of Expanding students scored a level 1 on the ELA State Exam. Although most of our students scored a level 1 on the ELA State Exam, there was a 33% increase of students scoring a level 2. In 2025 one commanding student was able to score proficient in the 2025 ELA State Test.

In SY 25 52.6% of our ELLs scored a level 3 or 4 with the Math State test. In SY25, 10 ELL students scored a level 4 in the Math State test (6 expanding students and 4 transitioning students). In SY25, 16 ELLs scored a level 3 (4 commanding students, 7 expanding students, 3 transitioning students, 1 emerging student, and 5 entering students). In SY2024 5 ELLs scored a level 3 on the Math State Exam. (1 Entering, 1 Transitioning, 2 Expanding ELLs and 1 Commanding ELL).

21.15% of the ELL students who took the 2025 Math State Test, including those who scored commanding on the 2025 NYSESLAT scored a 1 in this test. This is approx. 17.95% less than the % of ELLs who scored a 1 in the 2024 Math State Test (39.1%). Although less ELL students scored a 1 in the Math State Test, we still have half of our ELL students scoring far below grade level.
This means 52.6% of ELLs across all proficiency levels, including all proficiency levels, including those who scored commanding in the 2025 NYSESLAT, are performing on grade level.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

For SY 2025 There are more students scoring at the Expanding levels compared to SY 2024.

In PS153 in the NYSESLAT, all ELLs perform better in listening and speaking. ELLs with IEPs feel more confident when doing one to one because they can look at the visuals that provide them with the information that they may not have understood if it was represented to them in written form. Reading and writing scores are the weakest because the level of the vocabulary is challenging to them since most are reading below grade level. SIFE students may carry experiences that affect their adjustment to a new cultural and academic environment, and with supportive structures in place, they can draw on their resilience and strengths to navigate these transitions. In this way, you're still recognizing their capacity for growth while still acknowledging the challenges SIFE face.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

n/a

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

n/a

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

n/a

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

n/a

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

The four halls of advanced literacy support strong core instruction, that meet the needs of diverse students. For multi-language learners all four hall marks occur in both English and home language of Spanish.

Advance literacy hallmarks:
Hall mark 1 work with a variety of texts that feature big ideas, rich content and can be analyzed from multiple perspectives.
Hall mark 2 talk/discuss to build knowledge.
Hall mark 3 writing as a platform to build language and knowledge.
Hall mark 4 study a small set of high utility vocabulary to master language and knowledge. The team decided that explicit teaching of vocabulary is beneficial. Hence front loading as well as indirect exposure to words at home and at school, by listening and talking, by listening to books read aloud to them, and by reading widely on their own are all effective instructional strategies.
In doing this, we develop students' ability to connect across cultures by working with culturally responsive texts, and the cultivating critical thinking.
We use a Multi- tiered system based on different data such as Acadience, i-Ready, EL Literacy performance tasks and Illustrative Math unit assessments. Tiered system includes small group instruction within the classroom and AIS.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

Our school's Instructional Leadership Team consists of two certified ENL teachers, one certified TESOL instructional coach, an IEP teacher, one certified general education teachers, one bilingual teacher, and the administration team. The role of this team is to ensure that instruction of MLs/ELLs and all other students is rooted in research based practices of advanced literacy and culturally responsive sustaining education. Additionally, the team focuses on ensuring the view of home and community dialects and languages and cultures are viewed as assets within the core curriculum. For example, we understand that ELLs enter our classrooms with rich funds of knowledge and multi-faceted identities that we recognize. This is incorporated in projects, celebrations and lessons.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

At P.S. 153M English Language Learners are provided instruction through both a Stand-Alone ENL and Integrated ENL program. A Certified ENL teacher services the ELLs by either providing services outside or inside the classroom. These models use best practices for ELLs to provide instruction to develop English language skills, so that students can succeed in the core content areas of Math, Science and Social Studies. As per CRPart 154.2 the ENL program meets all mandates by using the Stand Alone for entering and emerging students. This is taught by a certified ENL Teacher. Within the Freestanding ENL, the integrated instruction is embedded to build linguistic skills through content area instruction. It is delivered either by a dual certified teacher (ENL/Common Branch) or co-teaching taught by an ENL teacher and a certified Common Branch teacher. We also continue to support the mandated minutes of former ELLs for up to two years after they exit the program when applicable. They continue to receive 90 minutes of integrated ENL instruction. In the Free standing program all core content areas are taught to the ELL students.
These subjects are taught by licensed pedagogues using the four modalities and ENL strategies.
In the core content areas, building background knowledge, layering of texts, and vocabulary instruction is crucial for students' understanding.

Students also have access to videos to provide comprehensible input and build prior knowledge that will improve listening skills. Also, the student is given same text in their home language as a scaffold to access grade level text.

Students have a choice in their method of response: pen/paper, typing on google forms, and use of Flipgrid . Using the immersive reading tool improves readers' focus on the text by changing font size and style, adjustments for the text, line spacing, and dictating the text.

At P.S. 153M in grades 1-4 dual language classes are integrated and a certified bilingual teacher imparts instruction. The dual language teacher uses various scaffolding methods such as teaching academic vocabulary, modeling, and integrating oral and written language in both English and home language. During all content areas instruction, students are turning and talking with each other either in English or home language. They use visuals as well and graphic organizers to support learning and language development.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

In PS 153 teachers understand that a successful classroom is one in which students feel known appreciated and comfortable taking emotion and intellectual risks. English language Learners develop language skills through rich academic content in all subject areas.
The instructional materials used to support our ELLs include: classroom libraries containing leveled high interest nonfiction and
fiction texts, culturally responsive texts, math manipulatives, Illustrative Math both English/Spanish, picture dictionaries, Amplify

science both English/Spanish, and EL. Additionally, we provide access to academic areas by using: printed text (pdf) digital text (videos, movies, digital platforms) visual text (pictures, maps, diagrams info graphics) True object based icon (can be a line, drawing, scanned photograph which is cut out in the actual shape or outline of the item it represents) Instructional strategies used: -Voice overs are used during student practice to provide direction, language stems or additional examples to support students' independent work -Structured oral language practice are provided through partnerships, turn/talk and whole class discussions -Think pair share allows students ample time to process information before speaking -Stems/starter phrases are provided to support students with their discussion, providers and classroom teachers meet throughout the year to discuss how to best support MLs to meet their IEP goals in language designated in SESIS/ATS.

b. SIFE

There are many ways we support our SIFE students at PS 153

One way is that we provide a print rich environment:
-visuals that correspond to text (maps, charts, signs, posters with motivational phrases
-the alphabet in print and script
-seek out appropriate lower-grade texts or texts that are written for a lower reading level
-high interest, low ability books with many pictures
-native language materials
-bilingual glossaries.

Another way we engage students is through hands-on learning in school and virtually so students are physically involved:

-Have students write, illustrate, and record their own books
-let them create their own flash cards
-act out events and stories
-use interactive activities on devices
-use manipulatives
-graphic organizers to make learning visual and incorporate thinking skills
-collaborative groups where students have different roles

Additionally we support students socially and emotionally by teaching the necessary social skills they need to interact productively with one another and process their emotions by:

-raising hands
-signals for different actions
-taking turns
-encouraging one another
-when possible use of native language to build content and literacy instruction in order to build on English by school staff or peers
-use reading logs and journals to incorporate reading and writing
-scaffolded teacher modeling to increase auditory and speaking skills to increase engaged
-community building

The instructional materials used to support our ELLs include: classroom libraries containing leveled high interest nonfiction and
fiction texts, culturally responsive texts, math manipulatives, Illustrative Math both English/Spanish and also

available in different grade bands, picture dictionaries, Amplify science both English/Spanish (available in different grade bands), and EL. Additionally, we provide access to academic areas by using: printed text (pdf) digital text (videos, movies, digital platforms) visual text (pictures, maps, diagrams info graphics) True object based icon (can be a line, drawing, scanned photograph which is cut out in the actual shape or outline of the item it represents) Instructional strategies used: -Voice overs are used during student practice to provide direction, language stems or additional examples to support students' independent work -Structured oral language practice are provided through partnerships, turn/talk and whole class discussions -Think pair share allows students ample time to process information before speaking -Stems/starter phrases are provided to support students with their discussion, providers and classroom teachers meet throughout the year to discuss how to best support
MLs to meet their IEP goals in language designated in SESIS/ATS.

c. Newcomers

At PS153M NYSITELL is used as a baseline to assess and determine the proficiency level of ML/ELLs. Based on their level, they receive Stand alone and integrated instruction. Students receive phonemic instruction, vocabulary development, and language tools to develop receptive and productive skills.

Specific strategies used by school community are:

-creating a welcoming and safe environment
-assigning a buddy in the class/building that speaks their home language to engage in school work
-using Total Physical Response(TPR)
-using digital texts with immersive reader and google translate
-increasing wait time and speaking slowly to allow processing
-differentiating and scaffolding
-using culturally responsive texts

d. Long Term ELLs

N/A school is only K-5

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

To enable ELL-SWDs to achieve their IEP goals and attain English proficiency within the least restrictive environment teachers collaborate with ENL and other service providers to meet the needs of the students. This makes small groups work more effectively when the adults who work with the student are aware of all the information to help the children succeed. Additionally, we use increase home language supports and intervention. We also use English language supports and intervention Service providers such as speech and language professionals are enlisted to provide strategies that can be applied in the classroom setting. Students can use reading tools in Immersive Reader that allow for text, or individual words to be pronounced in English or translation of the language of choice, as well as word definition. Students watch videos that support content development in home language and/or target language of instruction using programs such as i-ready and Lexia English that support their engagement and learning of content.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Home language is supported by giving the students the opportunity to read, write, and converse in their language, based on our school population this is done mostly in Spanish.

In both the DL and ENL programs students home language is used as a support by the teacher and peers and is assessed in various ways

-through conversation with school community who speak the same language
-triads/partnerships in the classroom
-families are used as a resource
-glossaries, immersive reader, google translate
-culturally responsive and relevant texts
-curriculum programs such as Passport/Illustrative Math which have Spanish language resources
- Spanish Lab is given within the ELL identification process for those students that speak Spanish
- Multilingual Literacy Screener to assess home languages other than Spanish (if applicable).

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

To support co-teaching and collaboration among teachers for integrated co-teaching and Dual Language Bilingual Education teachers are schedules include common planning with grade bands , teachers collaborate to accommodate language proficiencies and cultural diversities like small groups and F.A.C.I.L centers, team teaching and one lead teacher on whole group while the other teacher focuses on a small groups.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Our overall, annual professional learning ensures all staff receive learning specifically related to the academic and social emotional needs of the MLs/ELLS by providing:

Wellness workshops (students, teachers & parents) that teach physical and mental brain breaks, mindfulness practices and social emotional wellness strategies that support a positive classroom atmosphere of all students.

Move-to-Improve- a program that promotes long term health and well being of all students. We are known as an All Star School because over 85% of our staff are trained in this program.

Community Building which targets our 5th grade students led by our school counselor and fifth grade team. It provides support for students with middle school applications, Trauma-Informed instruction and counseling.

Sensory room for our students and staff in our yoga room located in the Early Childhood Wing.

Elevate Education provided a series of family engagement support workshops for parents and students. These included stress management, independent learning skills, goal setting and motivation.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Teachers have the opportunity to attend professional development sessions related to ENL virtually and in person and turnkey the information to the school staff. Most PDs focus on best practices, intervention programs, small group and creating a supporting and welcoming environment.

Workshop information is disseminated via email to all staff (principal's digest)

-Supporting Multilingual Learners Calendar (Teach Hub)

-MLL/ELLs Leads Institute 2024-2025/District 6: Inclusive Teaching & Learning Practices for MLL/ELLs

-Acadience Reading - Grades K-2 BOY, MOY, EOY

-Supporting Beginning Readers in the Early Grades, - Phonological Awareness and Phonemic Awareness using Heggerty and Fundations Programs

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

In the beginning of a new school year teacher use different assessments to determine the starting point of students, such as: i-Ready
Lexia English, Acadience

Furthermore, at P.S. 153M the NYSITELL is used as a baseline to assess the English language level of newly enrolled students whose home or primary language is other than English. The Spanish LAB is also used for ELLs whose first language is Spanish. These assessments provide data for the student's current proficiency level.

During teacher grade meeting and ILT meetings we look at our MLL's data. Our focus is on how we will use this data to help improve instruction for our students. We use this data to create small targeted interventions.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

At PS 153 targeted intervention programs for ELLs include the iReady, SPIRE, and Lexia English Language Development program for all grades and after school programs. The intent of these programs is to meet the Next Generation Standards. Additionally, the school's intervention services include the SETTS teacher and ENL teachers who target small group instruction for linguistic and academic achievement, as well as a bilingual speech therapist who gives students strategies that they can use in class to develop language. Academic Recovery focused on language development for ELLs using our speech teachers.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

We meet as grade-bands weekly and monthly to specifically look at data to develop better and responsive instructional practices in the classroom.
Tier 1 - in literacy all students have access to a text or a differentiated version. Materials are available in students home language. For example students have access to a physical copy of a text and they have access to an audio text from SORA. Some texts are available in another language on EPIC.
Tier 2- small group instruction in the classroom. For example Acadience and I-Ready have a beginning of the year

assessments, if students are performing below level students well be pulled in a small group during a literacy block to help them. They can also work on a specific skill during center time.
Tier 3- After school/ Saturday Program for intensive instruction. (6 week cycles)

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Formative assessments are used by teachers to measure students academic progress through out the school year as a diagnostic tool. This assessment is used to inform instructional planning.

ELA: Performance Tasks and end of unit assessments. This data provides information on students' reading level and performance level within four categories: accuracy, fluency, intonation, and comprehension. Additionally, grades K-2 use letter/sound recognition, high frequency words, and concept print to assess literacy skills. Lexia English Language Development, Acadience and iReady are other forms of assessment used to personalize student instructional assessment to form small groups.

Math: Illustrative Math Unit Assessments and portfolios where the students are assessed on the math skills and strategies taught.

i-Ready ELA/MATH- BOY, MOY, & EOY

Science: In Amplify we use the pre unit assessment and the end of the unit assessment to drive our instruction.
Grade Science Fairs

Social Studies- We are focused on Project Based Learning by creating different tasks throughout the units/Passport Curriculum

In addition to the above, as a means of assessment in all content areas we use:

Conferencing
Peer feedback
Portfolio work
Exit slips
Science Projects

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

At P.S 153 the home language is assessed and delivered during the literacy block; the students are encouraged/provided with opportunities to read in their home language.

-Share learning from texts in the larger group in speaking and writing.
-Engage in conversations with staff members and peers in their home language.
-Students use cognates during conversations.
-They also use google translate when necessary.
-Home language is also utilized during math and science instructional lessons.

-Opportunities to write in their home language in math, and science state tests.
-Spanish Lab is administered during ELL identification process for students who speak Spanish

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

At PS 153 we use various forms of summative assessments to measure students achievement and growth in particular areas throughout the year. The NYSESLAT, administered in spring, measures student growth in English Language proficiency. The NYS ELA/Math exams serve as summative assessments to measure student progress in those core areas. Other forms of summative assessments include student portfolio work and I Ready diagnostic exams which are administered three times per year as a baseline, a benchmark assessment, and a final assessment. Flipgrid is also incorporated for students to share and show what they know as final task of a module. Project Based Learning (PBL) is also used frequently in Science and Social Studies to assess student learning and the end of units. In all of these, good instruction is always encouraged as opposed to test prep.

To inform instructional design and curricular decisions PS 153 staff participate in different protocols such as the data protocol and the tuning protocol. Different summative assessments are examined, such as the NYS tests scores and the student portfolio work to notice trends among ML/ELL students in comparison to the rest of the class. The ILT then shares the data in Teacher teams and make decisions on best practices for teaching ELLs.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

Our NYSESLAT administration plan includes identifying students who will be testing and creating a schedule for proctors to administer the test. Our proctors include our instructional coach, two ENL teachers, and IEP teacher. Our ENL teachers support testing only when they are not servicing students. Families are informed about the NYSESLAT administration by providing families with the parent guide that explains the NYSESLAT administration in their preferred language. These guides get back packed and sent via KINVO to all ELL parents. Additionally, during parent communication, we review the guide with parents in their preferred language. The staff is informed through teacher teams meetings. (eligible students, scheduling, accommodations). Students are also made aware of their accommodations for exams.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

To ensure that current and former ELLs receive necessary accommodations for state assessments, staff attend PL sessions provided by the assistant principal and all teachers/ exam proctors are provided with ELL and IEP accommodations for all exams. ELL accommodations include separate location, bilingual dictionaries/ glossaries as needed (if the allowed for the specific assessments), and time extensions.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

At PS153 the ENL teachers are in charged of coordinating parent orientations. Meetings are scheduled via KINVO or by phone. KINVO is an application our school uses to make sure information is translated to parents preferred language. Our school has a sign in sheet that is kept in an Orientation Binder to ensure that all families of newly identified ELLs are informed of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless that our school currently does not have both types of bilingual program. They are also provide a high-quality orientation which includes a section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners. Such meetings are conducted with a qualified interpreter/translator in the language or mode of communication the parent or guardian best understands.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Annual individual meetings with the teachers and parents or guardians of English language learners is held at least twice a year during family communication time to discuss: -the goals of the language development needs across all

content areas. -language proficiency assessment results -goals of the language acquisition program Such meetings are conducted with a qualified interpreter/translator in the language or mode of communication the parent or guardian best understands. Meetings usually take place through ought the month via
Zoom, Google Meet, WhatsApp, Facetime, in person conversation or phone call. These meetings strengthen home-school partnerships and create a welcoming environment for ELL/ MLL families. Teachers keep a record of such meetings.

All teachers of ELLs participate in these annual individual meetings (Paola Maldonado(ENL), Paula Castillo (ENL). They are scheduled to take place twice a year and it is communicated to parents via KINVO. During the meetings the goals is to discuss goals of the chosen ELL program, language development progress, language proficiency assessment results, and language development needs in all content areas -language proficiency assessment results -goals of the language acquisition program are discussed as well as different data. The data discussed in these meeting are Acadience, I-Ready, Lexia and performance tasks from our literacy program. During the meeting, teachers use NYSESLAT results in all four modalities to discuss student's language development Our record keeping system is an attendance sheet. This meeting is separate from the mandated ELL program orientation meeting and any DOE-scheduled parent-teacher conference.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:

a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

AT PS 153 the system the school has in place to access information regarding the preferred language of all families in the building is the ATS reports.

The school's overall plan for communicating effectively with parents (i.e. oral communication, written communication, communication platforms) and how schools incorporate parent preferred language into these communication strategies is by using KINVO. This application is able to translate our messages to many other languages (Spanish, Arabic, French and many more) to ensure families are being contacted in their preferred language. Families are able to respond in their preferred language and then the teachers receive the translated message.

The school's process for ensuring that all family-facing documents (including the information in the school's website) are translated are by using in house translations for Spanish and for any other language we use the office of language access.

The school uses translations and interpretation funds to ensure language access by providing translation as needed.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

To foster empowerment for families of MLs/ELLs at PS 153 we ensure the needs of our community by parent surveys , google forms , one-to-one meetings, feedback from parent workshops and parent involvement in SLT. We also determine the needs of our community during the monthly PA meetings and monthly Coffee with the Principal. We also offer English as a New Language classes for adults. Parents are welcome to come and practice their basic conversation skills. We also offer computer literacy workshops for parents.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

All families including families of MLs/ELLs are included in the PA, SLT and CEC. Communication is sent through KINVO by the Parent Coordinator, which families receive in their preferred language. Flyers are also sent home in English, Spanish, or Arabic. Our monthly Newsletter and calendar provide families with additional opportunities in the parents preferred language.
Parents are invited to school-wide events via a flyer and through KINVO. PA and individual classroom teachers inform parents of the different events in the school that parents can volunteer for such as: our annual book fair and picture day. Currently their are two bilinguals parents on SLT. The PA has two families that are bilingual.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Public School 153 has implemented three culturally and linguistically responsive partnership programs to cater to the needs of our school community. These programs are aimed at supporting our ELLs (English Language Learners) and their families, as well as providing effective study habit support to our fifth graders. One of our afterschool programs, Harlem Dowling, focuses on working closely with our ELL students and their families. This program provides a supportive and nurturing environment where ELLs can receive additional academic support, engage in cultural activities, and strengthen their language skills. Furthermore, Harlem Dowling extends its services beyond the students themselves by involving their families, recognizing the importance of family engagement in the educational process. Another afterschool program, the Boys and Girls Club, also collaborates with our ELL students and their families. This program offers a range of activities and resources designed to promote academic success, character development, and physical wellness among our ELLs. By providing a safe and inclusive environment, the Boys and Girls Club supports ELLs in their overall growth and development, encouraging them to excel academically and socially. In addition to the afterschool programs, Public School 153 has partnered with Elevate Education, a program specifically designed to support our fifth graders in developing effective study habits. Recognizing the importance of equipping students with essential study skills, Elevate Education delivers proven strategies and techniques that enhance learning and academic performance. By focusing on study skills, time management, and goal setting, Elevate Education prepares our fifth graders for future academic challenges and success

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

In addition to the aforementioned programs, Public School 153 also offers a STEM Cluster that provides support for ELLs and their language development. The STEM Cluster focuses on integrating science, technology, engineering, and mathematics (STEM) concepts into the curriculum while incorporating strategies that are beneficial for ELLs. The STEM Cluster program utilizes robotics as a means to engage ELLs in hands-on learning experiences. By working with robotics, students have the opportunity to explore and apply STEM principles in a practical and interactive manner. This approach not only enhances their understanding of STEM concepts but also encourages the development of problem-solving skills, critical thinking, and collaboration. To support the language development of ELLs within the STEM Cluster, visual aids and resources are extensively utilized. Visuals play a crucial role in making abstract concepts more accessible and
understandable for ELLs, as they provide visual representations that support comprehension and vocabulary acquisition. The program incorporates visual supports such as charts, diagrams, infographics, and multimedia presentations to enhance learning experiences and facilitate language development.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

In PS 153 we create a schedule in which trained pedagogues at school are available to administer the identification process. This schedule includes ENL, bilingual teachers, any teacher trained in cultural competency and language development.
Titles of members of the identification team:
Angela Torres- Assistant Principal
Paula Castillo- ENL teacher
Eumelia Gonzalez- ENL teacher/Instructional Coach
Paola Maldonado- ENL Coordinator
Theresa Whitton- Special Education Teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

In September, when registering for school, the Home Language Identification Survey (HLIS) and a thorough interview with the parent and student are scheduled by the administration. For the remaining months, team members submit their schedules for review by the principal, ensuring that someone is available to conduct the identification screening and testing, if needed, for new student registrations.

All newly enrolled students complete the HLIS, administered by a trained and licensed pedagogue, to establish eligibility for ELL services. If a student has an Individualized Education Plan (IEP), the Language Proficiency Team (LPT) is convened to further review the student's eligibility for NYSITELL testing.

The ELL Team, led by ENL Paola Maldonado and supported by Paula Castillo, the ENL Teacher, is responsible for

administering the NYSITELL test and, if necessary, the Spanish Lab and/or SIFE (Students with Interrupted Formal Education) screening. Students in grades 3-9 are given an MLS screener during the identification process to determine if they are SIFE students.

Parents are notified of the ELL identification determination within 5 days of testing, receiving an entitlement or non-entitlement letter based on the NYSITELL results. For students identified as ELLs whose home language is Spanish, the Spanish Lab is administered. A parent orientation is then provided, during which parents are informed about the different ELL programs available and given a parent survey to indicate their preferred placement. Parents have 5 days to return the survey; if it is not returned, students will be placed in an ENL program by default. All notifications and communications are sent home in the parents' preferred language.

Within 10 days of enrollment, students are placed in the appropriate ELL program to ensure timely provision of mandated ENL and/or bilingual instruction. The ELL identification process is proactively planned so that it does not interrupt instruction for current, former, or potential ELLs. This is achieved by coordinating schedules in advance and having designated staff available to conduct screenings promptly.

To ensure continued support, the ENL Teacher Paola Maldonado and General Education teachers collaborate on scheduling to guarantee that all ELLs and former ELLs receive the mandated number of instructional minutes according to their proficiency levels. The school maintains ongoing communication with families and regularly reviews program placements to support students' academic and language development.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Sophia Matos

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Paula	Castillo	Teacher - Regular Grades		
Angela	Torres	Assistant Principal 10 Month	2022,2023,2024,2025	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	5	0.98%	5	0.98%	0	0
BAMBARA	1	0.20%	1	0.20%	0	0
FRENCH	4	0.79%	4	0.79%	1	1
MANDARIN	0	0.00%	1	0.20%	0	0
ENGLISH	254	50.00%	253	49.80%	45	45
SPANISH	241	47.44%	241	47.44%	10	10
SONINKE	3	0.59%	3	0.59%	0	

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Welcome Letter	In-house staff members including secretary, parent coordinator or assistant principal will translate document. If needed we would submit a request to the Office of Language Access (OLA) for translation, and for a language not covered by the DOE we would submit a request to an outside vendor.
Monthly Newsletter	In-house staff members including secretary, parent coordinator or assistant principal will translate document. If needed we would submit a request to the Office of Language Access (OLA) for translation, and for a language not covered by the DOE we would submit a request to an outside vendor.
Flyers/Schoolwide Events	In-house staff members including secretary, parent coordinator or assistant principal will translate document. If needed we would submit a request to the Office of Language Access (OLA) for translation, and for a language not covered by the DOE we would submit a request to an outside vendor.
Daily Communication	Daily communication is done through KINVO which translates any message into families' preferred language.
IEPs	If needed we would submit a request to the Office of Language Access (OLA) for translation. and for a language not covered by the DOE we would submit a request to an outside vendor.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent Teacher Conferences	Staff members will be available for interpretation services. In addition, we will use the Over the Phone Interpretation.
Schoolwide Events	Staff members will be available for interpretation services. In addition, we will use the Over the Phone Interpretation.
Informational Parent Meeting	Staff members will be available for interpretation services. In addition, we will use the Over the Phone Interpretation.
IEPs	Staff members will be available for interpretation services. In addition, we will use the Over the Phone Interpretation.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

In an emergency, we will immediately notify families via KINVO, ensuring they receive important updates in their preferred language.

Our school staff will coordinate with the Emergency Officer (EO) from the Building Response Team, who will lead the response and guide staff on reaching families with critical information.

If needed, we will use Over-the-Phone Interpretation to ensure effective communication with all families.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Our school is committed to ensuring that every staff member fully understands the goals outlined in Chancellor's Regulation A-663 and is equipped to support our families effectively.

To achieve this, we provide ongoing professional development sessions where staff receive training on language access services. We also maintain a comprehensive list of staff proficient in interpretation and translation, including our safety officers, ensuring families receive the language support they need.

Additionally, our school safety plan includes procedures to guarantee that parents requiring language assistance can easily access our administrative offices. These measures help create an inclusive and welcoming environment for all families.

Finally, staff are informed about the Office of Language Access and the Department's website, which provides resources in multiple languages outlining parents' rights to translation and interpretation services.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

At PS 153, we are committed to ensuring that all parents understand their rights to translation and interpretation services. Every family receives the Bill of Parent Rights and Responsibilities, which clearly outlines these rights and the support available to them.

To reinforce this commitment, we prominently display signs in the most widely spoken languages in our community. These serve as a constant reminder that interpretation services are readily available, ensuring every parent feels welcome, supported, and empowered to engage with our school.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Our school prioritizes inclusive communication by conducting parent surveys throughout the year to gather valuable insights. To ensure accessibility, all surveys are translated by our in-house staff and distributed via Google Forms or sent home in the family's preferred language.

We also collect feedback from parents during workshops, through informal conversations, and via the NYC School Survey.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Our surveys, including the NYC School Survey, show that 96% of families feel their school communicates with them in their preferred language—clear evidence of our commitment to language access.

To strengthen this further, we will continue holding regular meetings with parents to discuss language availability, ensuring open dialogue and addressing any concerns. Additionally, we will engage our School Leadership Team (SLT) in these conversations, reinforcing our shared dedication to maintaining an inclusive and welcoming school community.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

45

Grades to be served in this program. Select all that apply.

,1,2,3,4,5

Total number of teachers in this program:

3

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

2

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

1

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Public School 153 will continue its ongoing commitment to strengthen the academic proficiency of our immigrant population through our Title III afterschool program. Rationale: Spring of 2025 NYSESLAT scores indicate proficiency levels are as follows: out of the 108 students that took the NYSESLAT 14.81% (16 students) scored commanding, 35.18% (38 students) scored expanding, 22.2% (24 students) scored transitioning, 12.96% (14 students) scored emerging, and 14.81% scored entering (16 students). Our EDAT indicates that our modalities in need are writing across all grades.

Our EDAT indicates that our modalities in need are reading and writing across all grades. Additionally, Former ELLs (within the two-year window period of testing out of the NYSESLAT) are still eligible for testing accommodations. Subgroups of students to be served: The focus groups are newcomers and students at the expanding and transitional levels of English language proficiency. Schedule and Duration: The Title III Afterschool program will provide direct instruction using flexible grouping to 45 ELLs in grades K to 5. The afterschool program will run from October 2025 through March 2026. The program will consist of 40 sessions and will be held on Tuesday, Wednesdays and Thursdays from 2:30 pm to 3:30 p.m. 2 teachers with ENL or bilingual certifications will provide the instruction and 1 content area teacher. Fifteen students in each grade from first grade to fifth grade will participate in the afterschool program. All pertinent documents, including student attendance will be kept in the main office, and in digital form in our school's Google Drive. The focus of our Title III this year will be Literacy and language of instruction will be English. Our MLL/ELLs students will receive instruction through different modalities in order to enhance their English Language Arts skills, academic vocabulary, and content knowledge. It will be done through interactive read aloud to promote critical thinking skills, on-line activities, and the implementation of academic language through conversations. Growth will be monitored via i-Ready assessments. Materials/ programs utilized will be: i-Ready- a comprehensive assessment and instruction program that pinpoints students' strengths and what they need to work on to reach or exceed grade level proficiency. Lexia English Language Development which is an adaptive blended learning program that supports Emergent Bilingual students' English language acquisition through academic conversations. The program integrates speaking, listening, and grammar in the subjects of math, science, social studies, general knowledge, and biographies. Culturally Responsive Texts Digital experiences through different websites and platforms for example SORA and EPIC will be provided. Supplemental to our core curriculum teachers 1-5 will use Measuring Up for English Language Learners Preparing for the NYSESLAT. This guide will support teachers in delivering instructional lessons with an integrated approach that incorporates reading, speaking, listening, and writing and includes explicit skill instruction using paired literacy and informational texts. Materials will be at no cost to the Title 3 program.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**

- **Data sources used to justify the need for the program**

Public School 153 will continue its ongoing commitment to strengthen the academic proficiency of our immigrant population through our Title III afterschool program. Rationale: Spring of 2024 NYSESLAT scores indicate proficiency levels are as follows: Out of the 91 students that took the NYSESLAT 16.5% (15students) scored Commanding, 29.7% (27 students) scored expanding, 19.8% (18 students) Transitioning, 23.1% (21) scored emerging and 11% (10 students) Entering. Our EDAT indicates that our modalities in need IS writing across all grades.

Since the 2017-2018 school year PS 153 is a level 2 on ELP progress. Sixty four students qualified for ELP Progress determination. 34% of the ELL students made sufficient ELP progress (2022-23 data).

Although he percentage of Expanding ELLs has increased by 9.1% from SY-2023 20.6% to SY-2024 29.7%, the percentage of entering students has decreased by 3.7%.

Grades 1, 2 and 3 have the highest percentage score in expanding and commanding. Grade 1 has 64% students scoring at expanding or commanding level. Grade 1 has 58% of students scoring at expanding or a commanding level. While grade 4 has 32% of students scoring at an expending level.

For SY 2024-25 33% of Expanding students scored a level 1 on the ELA State Exam. For SY 2023-24 40% of Expanding students scored a level 1 on the ELA State Exam. Although most of our expanding ELLs scored a level 1 on the ELA State Exam, there was a decrease of 7% from 2023 to 2024.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Subgroups of students to be served: The focus groups are newcomers and students at the expanding and transitional levels of English language proficiency. Schedule and Duration: The Title III Afterschool program will provide direct instruction using flexible grouping to 45 ELLs in grades K to 5.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Schedule and Duration: The Title III Afterschool program will provide direct instruction using flexible grouping to 45 ELLs in grades k to 5. The afterschool program will run from November 2025 through April 2026. The program will consist of 40 sessions and will be held on Tuesday, Wednesdays and Thursdays from 2:30 pm to 3:30 p.m. 2 teachers with ENL or bilingual certifications will provide the instruction and 1 content area teacher. Fifteen students in each grade from first grade to fifth grade will participate in the afterschool program.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The focus of our Title III this year will be Literacy and language of instruction will be English. Our MLL/ELLs students will receive instruction through different modalities in order to enhance their English Language Arts skills, academic vocabulary, and content knowledge. It will be done through interactive read aloud to promote critical thinking skills, on-line activities, and the implementation of academic language through conversations. The teachers will provide core curriculum in English. Growth will be monitored via running records and i-Ready assessments. Materials/ programs utilized will be: i-Ready- a comprehensive assessment and instruction program that pinpoints students' strengths and what they need to work on to reach or exceed grade level proficiency.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

2 teachers with ENL or bilingual certifications will provide the instruction and 1 content area teacher.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Materials/ programs utilized will be: i-Ready- a comprehensive assessment and instruction program that pinpoints students' strengths and what they need to work on to reach or exceed grade level proficiency. Lexia English Language Development which is an adaptive blended learning program that supports Emergent Bilingual students' English language acquisition through academic conversations. The program integrates speaking, listening, and grammar in the subjects of math, science, social studies, general knowledge, and biographies. Flip Grid- a website that allows students to process their learning and communicate about content through video responses. Culturally

Responsive Texts Digital experiences through different websites and platforms for example SORA and EPIC will be provided. Supplemental to our core curriculum teachers 1-5 will use Measuring Up for English Language Learners Preparing for the NYSESLAT. This guide will support teachers in delivering instructional lessons with an integrated approach that incorporates reading, speaking, listening, and writing and includes explicit skill instruction using paired literacy and informational texts.

Materials will be at no cost to the Title 3 program.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

All pertinent documents, including student attendance will be kept in the main office, and in digital form in our school's Google Drive. Families will be informed via KINVO and back packed flyers to participate in the Title III program. Parent responses are kept in the main office, and in digital form in our school's Google Drive

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Rationale: An analysis of the Advance System and data collected through walkthroughs that focused on best practices and high expectations there is a need to provide ongoing professional development that will strengthen component 3D (Using Assessment in Instruction) from the Danielson Framework for Teaching Rubric. In order to provide teachers with support aligned to this component teachers will participate in books clubs. Schedule and duration is as follows 3 sessions on Mondays for 50 minutes (10/27/2025, 11/24/2025 and 12/22/25) The book clubs will include all staff members and will be facilitated by lead teachers during the first and second sessions and then other members within the groups will have an opportunity to facilitate. The books will include Cultivating Genius: An Equity Framework for Culturally and Historically Responsive Literacy by Dr. Gholdy E. Muhammad, Culturally Responsive Teaching and The Brain: Promoting Authentic Engagement and Rigor Among Culturally and Linguistically Diverse Students by Zaretta Hammond, and We Want to Do More Than Survive: Abolitionist Teaching and the Pursuit of Educational Freedom by Bettina Love. The book study will help teachers to understand that their students come with cultural backgrounds that are important and need to be appreciated and respected. Additionally, the book study will reinforce to teachers that knowing their students' strengths will enhance their learning and engagement. In addition to our book study, all teachers will participate in two iReady workshops that target our goal to strengthen component 3d (Using Assessment in Instruction). One is titled: Using Data to Plan Instruction for English Language Learners. In this workshop teachers will learn how to analyze data and plan for small group instruction. Schedule and duration: One workshop on 02/02/26 for 50 minutes. This workshop will be facilitated by our Instruction Coach. The second iReady workshop is titled: Delivering Differentiated for English Language Learners. This workshop will provide teachers with support on using tools on iReady in creating differentiated lesson plans that will target the needs of each student. Schedule and Duration: This workshop will be given on 03/02/26 for 50 minutes facilitated by the Instructional Coach and the ELLs Lead Teachers. Furthermore, the ENL Team will provide professional development to turnkey information provided by District 6. Schedule and Duration: TBD. Participants will include all staff. All staff will participate, and the workshop will be facilitated by the instructional coach. We will continue to use resources and professional learning opportunities provided by District 6. All pertinent documents, including agendas, staff attendance and resources used will be kept in the main office, and in digital form in our school's Google Drive. Professional development will be at no cost to the Title 3 program.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Rationale: An analysis of the Advance System and data collected through walkthroughs that focused on best practices and high expectations there is a need to provide ongoing professional development that will strengthen component 3D (Using Assessment in Instruction) from the Danielson Framework for Teaching Rubric.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

All teachers including general education and ENL teachers will be receiving professional development.

workshop is titled: Delivering Differentiated for English Language Learners. This workshop will provide teachers with support on using tools on iReady in creating differentiated lesson plans that will target the needs of each student. Schedule and Duration: This workshop will be given on 03/02/26 for 50 minutes facilitated by the Instructional Coach and the ELLs Lead Teachers. Furthermore, the ENL Team will provide professional development to turnkey information provided by District 6. Schedule and Duration: TBD. Participants will include all staff. All staff will participate, and the workshop will be facilitated by the instructional coach. We will continue to use resources and professional learning opportunities provided by District 6.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

In order to provide teachers with support aligned to this component teachers will participate in books clubs. Schedule and duration is as follows 3 sessions on Mondays for 50 minutes (10/27/2025, 11/24/2025 and 12/22/25). The book clubs will include all staff members and will be facilitated by lead teachers during the first and second sessions and then other members within the groups will have an opportunity to facilitate. The books will include

Cultivating Genius: An Equity Framework for Culturally and Historically Responsive Literacy by Dr. Gholdy E. Muhammad, Culturally Responsive Teaching and The Brain: Promoting Authentic Engagement and Rigor Among Culturally and Linguistically Diverse Students by Zaretta Hammond, and We Want to Do More Than Survive: Abolitionist Teaching and the Pursuit of Educational Freedom by Bettina Love. The book study will help teachers to understand that their students come with cultural backgrounds that are important and need to be appreciated and respected. Additionally, the book study will reinforce to teachers that knowing their students' strengths will enhance their learning and engagement. In addition to our book study, all teachers will participate in two iReady workshops that target our goal to strengthen component 3d (Using Assessment in Instruction). One is titled: Using Data to Plan Instruction for English Language Learners. In this workshop teachers will learn how to analyze data and plan for small group instruction. Schedule and duration: One workshop on 02/02/26 for 50 minutes. This workshop will be facilitated by our Instruction Coach. The second iReady workshop is titled: Delivering Differentiated for English Language Learners. This workshop will provide teachers with support on using tools on iReady in creating differentiated lesson plans that will target the needs of each student. Schedule and Duration: This workshop will be given on 03/02/26 for 50 minutes facilitated by the Instructional Coach and the ELLs Lead Teachers. Furthermore, the ENL Team will provide professional development to turnkey information provided by District 6. Schedule and Duration: TBD. Participants will include all staff.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

The book clubs will include all staff members and will be facilitated by lead teachers during the first and second sessions and then other members within the groups will have an opportunity to facilitate. The books will include Cultivating Genius: An Equity Framework for Culturally and Historically Responsive Literacy by Dr. Gholdy E. Muhammad, Culturally Responsive Teaching and The Brain: Promoting Authentic Engagement and Rigor Among Culturally and Linguistically Diverse Students by Zaretta Hammond, and We Want to Do More Than Survive: Abolitionist Teaching and the Pursuit of Educational Freedom by Bettina Love. The book study will help teachers to understand that their students come with cultural backgrounds that are important and need to be appreciated and respected.

Additionally, two iReady workshops that target our goal to strengthen component 3d (Using Assessment in Instruction). One is titled: Using Data to Plan Instruction for English Language Learners. In this workshop teachers will learn how to analyze data and plan for small group instruction. This workshop will be facilitated by our Instruction Coach.

The second iReady workshop is titled: Delivering Differentiated for English Language Learners. This workshop will provide teachers with support on using tools on iReady in creating differentiated lesson plans that will target the needs of each student.

Furthermore, the ENL Team will provide professional development to turnkey information provided by District 6.

Lastly, Lexia English Language Development professional development will be provided for teachers. This workshop is titled Lexia English Language Development, and it will focus on how to support teachers on how to use Lexia English Language Development lessons to provide targeted instruction for students struggling with the online lessons.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Provider: Ms. Gonzalez- ENL Certified Instructional Coach, / Ms. Castillo MLL/ELL Lead Teachers, Ms. A. Torres (Assistant Principal) Ms. Castillo (ENL Teacher), and Ms. Maldonado (ENL Coordinator).

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

All pertinent documents, including agendas, staff attendance and resources used will be kept in the main office, and in digital form in our school's Google Drive.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Rationale: Parent participation is crucial in a child's education. Parents' voices of immigrant children are an integral part of our planning each school year. For this reason, using our data from the Spring 2024 NYC School Survey results, 94% of families reported that staff regularly communicates to parents/guardians on how parents can help students learn. In order not only to maintain but to increase or achieve 100% in this area, we plan to provide parent workshops targeting technology and teaching parents how to navigate important curriculum resources on the Teach Hub platform, as well as providing workshops that will focus on the social and emotional wellness of our students. The workshop: Using the Curriculum Resources on Teach Hub will target technology and curriculum. Schedule and duration: Three sessions will be held on 11/10/25, 12/15/25 and 1/12/26. Each session will be an hour long. The PD will be facilitated by ELL teachers and the instructional coach. Elevate Education will provide a series of (3) family engagement workshops focusing on topics such as time management, productivity tips, stress management, independent learning skills, home study environment, goal setting and motivation and overcoming procrastination. These workshops will be available in person and virtually. Each session will last one hour. Provider: Elevate Education. Translation is provided for each of these workshops. Dates (TBD).

Based on the NYC School Survey, 93% of our families answered favorably to the question of during the school year have you attended a general meeting or a school event (virtually or in person). As part of our ongoing efforts to increase attendance and parent participation, parents are invited and encouraged to participate in all school wide events. Events such as Storybook Character Day (10/31/25), A Thousand Thanks Celebration (11/26/25), Winter Show (12/18/25), Curl Up with A Great Book Day (1/30/26), Spirit Week (2/09.-2/13/26) and Multicultural Day (5/22/26), Field Day (6/10/26). Each event will last an hour. In addition to school wide events and celebrations. We will continue to provide weekly virtual and in person parent meetings on Fridays starting from October of 2025 to June 2026. Provider(s): Administration/Lead Teachers and Parent Coordinator. Translations for these workshops will be provided, each session will last one hour. Topics will include but not limited to technology support and providing tips on homework help and instruction. Lastly, 96% of our families indicated they agreed that our school communicates with families in a language that they understand. To maintain or exceed in this area to 100% we will continue to provide translation to our families in their preferred language during parent workshops, on backpacked flyers/Invitations, school's website, weekly homework sheets posted on teachers' Google Classroom and backpacked, and on monthly parent newsletters. Additionally, we will continue to use KINVO to communicate with parents and increase parent engagement. KINVO is a two-way communication system that can provide translation in 80 different languages. All documents will be kept in the main office, and in digital form in our school's Google Drive. Parent workshops and celebrations will be at no cost to the Title 3 Program.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Rationale: Parent participation is crucial in a child's education. Parents' voices of immigrant children are an integral part of our planning each school year. For this reason, using our data from the Spring 2024 NYC School Survey results, 94% of families reported that staff regularly communicates to parents/guardians on how parents can help students learn. These workshops will be available in person and virtually. Each session will last one hour. Provider: Elevate Education. Translation is provided for each of these workshops. Dates (TBD).

Parent workshops and celebrations will be at no cost to the Title 3 Program.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Using Curriculum Resources on Teach Hub-
How to navigate important curriculum resources on the Teach Hub platform.

Elevate Education provides a series of family engagement workshops focusing on topics such as time management, productivity tips, stress management, independent learning skills, home study environment, goal setting and motivation and overcoming procrastination.

Weekly parent meetings focused on providing tips on homework help and instruction.

Parent workshops and celebrations will be at no cost to the Title 3 Program.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Using Curriculum Resources on Teach Hub-
How to navigate important curriculum resources on the Teach Hub platform.
Providers: ELL Teachers/Instructional Coach

Elevate Education provides a series of family engagement workshops focusing on topics such as time management, productivity tips, stress management, independent learning skills, home study environment, goal setting and motivation and overcoming procrastination.
Provider: Elevate Education

Weekly parent meetings focused on providing tips on homework help and instruction.
Provider: Administration/ Lead Teachers/Parent Coordinator

School wide events and celebrations: Providers: Administration and Lead teachers

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parent Notification
Parents will be notified of these activities by our digital information board, Kinvo, school's website, weekly homework sheets posted on Google Classroom and backpacked, flyers/monthly parent newsletters backpacked in the parents' preferred language as indicated on the Home Language Identification Survey/blue cards. The Office of Language Access will be used if needed to provide translation for any language other than Spanish.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Record Maintenance
All current year records, including but not limited to agendas, sign in sheets, and invitations are kept in the main office room 115 and in digital form in our school's Google Drive.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

$12,720

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5

Total number of teachers in this program:

3

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

This after school program will consist of 50 students from grades K-5 This program will consists of 34 sessions from January 13, 2026 running thru April 16, 2026. The program will be held on Tuesday- Thursday from 2:30- 3:30 pm. The instruction will provided in English by 3 teachers with ENL or bilingual certifications.

The focus of our Title III (Immigrant Funding) this year will be Literacy. Our immigrant students will receive instruction through different modalities in order to enhance their English Language Arts skills, phonemic awareness, academic vocabulary, and content knowledge. It will be done through interactive read aloud to promote critical thinking skills, on-line activities and the implementation of academic language through conversations. Growth will be monitored via iReady assessments.

Afterschool Program: Total of 3
One class serving 17 students each for grades K-1.
One class serving 17 students each for grades 2-3
One class serving 16 students for grade 4-5
One class in grade: Kindergarten and 1st grade
One class in grade: 2nd and 3rd grade
One class in grade: 4th and 5th grade

Subgroups being served are newcomers and emerging students.

Materials/ Programs utilized will be:

i-Ready- a comprehensive assessment and instruction program that pinpoints students' strengths and what they need to work on to reach or exceed grade level proficiency

Lexia English- is an adaptive blended learning program designed to help emergent bilingual students in grades K-5 acquire higher language proficiency levels of English, integrating three key areas: speaking, listening, and grammar.

Culturally Responsive Texts

Heggerty/Fundations Programs

Access to virtual libraries including EPIC and Sora

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

The data sources used to justify the need for this program included: iReady (BOY), 2024-2025 ELA/Math State scores, 2024-2025 NYSESLAT scores, and NYSITELL scores.

Based on the analysis conducted, the data reveals that only 15% of our students display proficiency in reading based on our 2025 ELA state scores. Additionally, the results from the beginning of the year from iReady indicate that only 12% of our students are proficient in reading for this year. Consequently, we need to implement this Title III afterschool program with the specific focus on enhancing literacy skills.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

This program will consist of 50 students from grades K-5.

Total of 3 classes and 3 teachers.

One class serving 17 students each for grades K-1.
One class serving 17 students each for grades 2-3
One class serving 16 students for grade 4-5
One class in grade: Kindergarten and 1st grade
One class in grade: 2nd and 3rd
One class in grade: 4th and 5th

In addition to immigrant students, the subgroups of ELLs included will be our newcomers and developing students.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

Our program will run for 34 sessions from January 13, 2025 running thru April 16, 2026. It will be held Tuesday-Thursdays for one hour from 2:30pm-3:30pm.

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

The language of instruction will be English.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

The instruction will provided by 3 teachers with ENL or bilingual certifications.

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

Materials/ Programs utilized will be:

i-Ready- a comprehensive assessment and instruction program that pinpoints students' strengths and what they need to work on to reach or exceed grade level proficiency

Culturally Responsive Texts

Heggerty/Fundations Programs

Access to virtual libraries including EPIC and Sora

At cost to the Title III program will be the culturally responsive text library.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

All current year records, including but not limited to agendas, sign in sheets, and invitations are kept in the main office room 115.

Our school's implementation plan will begin with conducting a needs assessment, looking at our school's data (2025 NYSESLAT scores, EDAT, NYSITELL, scores, 2025 ELA/Math state scores, iReady, and parent surveys) to determine specific needs and challenges faced by immigrant students and their families.

Collaborate with key stakeholders to develop a shared vision for the program and desired outcomes and activities.

Create a schedule

Identify resources and materials being used

Identify and train staff that will administer and monitor the program.

Materials/ Programs utilized will be:

i-Ready- a comprehensive assessment and instruction program that pinpoints students' strengths and what they need to work on to reach or exceed grade level proficiency

Culturally Responsive Texts

Heggerty/Fundations Programs

Access to virtual libraries including EPIC and Sora

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

•iReady provides a series of webinars monthly topics covered include using Teacher Toolbox to meet students' needs, supporting below grade level students with iReady reports, getting the most of online instruction, partnering with families and helping them understand how they can support students, and monitoring student progress. (Monthly PD)

• Ms. Gonzalez will facilitate professional learning titled using digital libraries and accessing culturally responsive texts. Schedule dates: 01/13/26 and 01/27/26

Ms. Maldonado will facilitate professional learning on how to monitor students' progress and how to target students needs during small group instruction. Schedule date 02/02/26 and 02/10/26.

Ms. Castillo will lead professional learning opportunities on Welcoming and Affirming Environment where participants will learn the importance of affirming student's linguistic and cultural diversity. Schedule date: 02/24/26 and 03/03/2026.

These professional learning opportunities will be at no cost to the Title III Immigrant Funding.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**

- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

Data sources used to justify the professional development will be the Advance system, informal and formal observations conducted by admin, data collected by the ILT during instructional rounds and teacher surveys.

An analysis of the Advance System and data collected through walkthroughs that focused on best practices and high expectations and results from teacher surveys there is a need to provide ongoing professional development that will strengthen component 3D (Using Assessment in Instruction) from the Danielson Framework for Teaching Rubric.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

Teachers working in the Title III Immigrant program will receive ongoing professional development through Monday's professional development days and additional support during their common planning time held weekly.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Professional development will take place on Mondays for one hour from 2:30 to 3:30p.m. A total of six sessions by provided by two of our ENL Lead teachers and our instructional coach.

•iReady provides a series of webinars monthly topics covered include using Teacher Toolbox to meet students' needs, supporting below grade level students with iReady reports, getting the most of online instruction, partnering with families and helping them understand how they can support students, and monitoring student progress. (Monthly PD)

• Ms. Gonzalez will facilitate professional learning titled using digital libraries and accessing culturally responsive texts. Schedule dates: 01/13/26 and 01/27/26

Ms. Maldonado will facilitate professional learning on how to monitor students' progress on Lexia English and how to target students needs during small group instruction. Schedule date 02/03/26 and 02/10/256

Ms. Castillo will lead professional learning opportunities on Welcoming and Affirming Environment where participants will learn the importance of affirming student's linguistic and cultural diversity. Schedule date: 02/24/25 and 03/03/2025.

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

Topics include:

Monitoring student progress using iReady

Accessing digital libraries and culturally responsive texts

Monitoring student progress using Lexia English

Targeting students needs through small group instruction

Creating a welcoming and affirming environment

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

Providers include:

iReady consultants

Eumelia Gonzalez- Assistant Principal (I.A)

Paula Castillo- ENL Teacher

Paola Maldonado- Lead ENL Teacher

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

All current year records, including but not limited to agendas, sign in sheets, and invitations are kept in the main office room 115.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

This year, as in previous years our parents will be invited to our school wide events such as Curl up with a Great Book Day and Story Book Character Day where students and parents show their love for reading by dressing up as their favorite characters and sharing their favorite stories. EL Celebrations give students an opportunity to share published writing pieces to their class/parents. A Thousand Thanks where parents are invited to classrooms to celebrate a Thanksgiving feast with their children. Multicultural Day is the day we celebrate diversity and the importance of highlighting our cultural differences. Monthly attendance assemblies are held for students and their parents to celebrate students with perfect attendance and students who have shown improvements to their attendance.

These activities are at no cost to Title III Immigrant Program.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

Data sources used to justify the need for these activities are parent surveys, student surveys, and ATS for data collection for attendance.

Data analysis of our parent and student surveys conducted showed 93% of our families answered favorably to the schoolwide events that provided them time to spend in their child's classroom with their teachers and peers.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Schoolwide events are held monthly for a duration of one period (45minutes).

Curl up with a Good Book Day (January 24, 2026)

Attendance Assemblies (monthly)

Multicultural Day (05/16/26)

EL Celebrations (monthly)

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

Curl up with a Great Book Day where students and parents show their love for reading by dressing up as their favorite characters and sharing their favorite stories. EL Celebrations give students an opportunity to share published writing pieces to their class/parents. A Thousand Thanks where parents are invited to classrooms to celebrate Thanksgiving feast with their children. Multicultural Day is the day we celebrate diversity and the importance of highlighting our cultural differences. Monthly attendance assemblies are held for students and their parents to celebrate students with perfect attendance and students who have shown improvements to their attendance.

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Providers include:

Administration

School Wide Committee that consists of 6 teachers from Prek-5th grade

Attendance Committee that consists of two guidance counselors, admin team, attendance teacher, afterschool program director, and school's secretary.

Teachers

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Families are notified via Kinvo which is our messaging system, weekly homework sheets, school's website, monthly newsletter and backpacked flyers and notices.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

All current year records, including but not limited to agendas, sign in sheets, and invitations are kept in the main office room 115.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

$6,132

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
