Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

Twenty-first Century Academy...

District Borough Number (DBN):

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Lidia Pellerano	Principal or Designee*	
Miguel Guity	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Patricia Rodriguez	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
	District Council 37 (DC 37) Representative (staff), if applicable	
	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
Isaiah Hill	CBO Representative, if applicable	
Visania Meirelis	Parent _____

Anyelin Arvelo	Parent _____	
Isabel Lobelo	Teacher_____	
Yesenia Santana	Teacher_____	
Wliiam Garley	Teacher _____	
Maria Gomez	Teacher _____	
Nguyen Rivera	Teacher _____	
Christina Cepero	Assistant Principal_____	
	Teacher_____	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Our school is dedicated to achieving academic excellence for all its students through standards-driven instruction, a nurturing environment and the development of the civic and social skills necessary to function productively. Our mission is to provide a dual language learning experience that will enable all students to become lifelong learners and leaders in their communities and in our global society.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

The Twenty-first Century Academy for Community Leadership, P.S. /I.S. 210, is a Pre-Kindergarten to Grade 8 dual language school, where rigorous instruction, high standards and multiple forms of assessments are used to evaluate the progress of children.

Our school is located on 501-503 West 152 Street in Hamilton Heights. It is housed in a new state of the art building where we have a gym/auditorium in the basement, and fully equipped specialty rooms for Science, Art, Music, and Library.

In partnership with the Community Association of Progressive Dominicans, Inc. (ACDP), a local CBO, children and families are provided with the social / emotional, physical, and academic support that they need to be productive citizens.

As a school we have fostered and developed many partnerships and collaborations with different organizations. We work closely with City College, Bank Street College, and Teacher's College for support in academic development. We have received several grants to enhance our programming and offer students a variety of experiences including: CASA grant/Horticultural, and Artistic Dreams. We are also the beneficiaries of Reso 8 council grants that have helped to supply our school with laptops, computers and Smart-boards. We have also been offered a grant from ACDP for the social/emotional support of families and students. In addition, a free after school program is provided for students in grades 6-8 funded by School's Out New York (SONYC) through ACDP, and a low cost for parents after school program for grades K-5.

Briefly summarize the key initiatives your school will implement this school year.

This year are using Expeditionary Learning for reading, and Illustrative Math for grades K-5 and Common Literature for grades 6-8. We will also use technology infused instruction where the students will have more experience researching information they want to learn using different digital platforms. In addition, we will continuously look at how to engage students in a more meaningful and purposeful way by giving them different opportunities to participate and engage with each other in the process of learning.

We incorporated (W.I.N What I Need) periods a minimum of 3 times a week tailored for Reading and Math support.

This year, we opened a new position, a Science Cluster teacher, who will be supporting teachers by teaching Units in Science and the investigations. Our goal is to be able to administer the Living Environment Regents in 8th grade. By having more science and targeted instruction, especially in grades 3, 4 and 5 (testing grade), this will prepare students better once they've reached 8th grade to take the regents.

In addition, teachers in grades K-2 will continue to teach foundations skills by using Heggerty, Wilson Fundations and Estrellita in Spanish.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	Print/ Digital Expeditionary Learning	adjusting the existing curriculum to meet the diverse needs of all learners. Use different visual aids, enlarge text, plan more concrete examples, provide hands-on activities, place students in cooperative groups, pre-teach key concepts or terms before the lesson.
ELA	6-8	Print/ Digital Common Literature	adjusting the existing curriculum to meet the diverse needs of all learners. Use different visual aids, enlarge text, plan more concrete examples, provide hands-on activities, place students in cooperative groups, pre-teach key concepts or terms before the lesson.
Math	K-8	Print/ Digital Illustrative Math	Adapt the time allotted and allowed for learning, task completion, or testing, provide hands-on activities, pre-teach key concepts or terms before teaching a digital lesson.

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
50% of students in Grades K-8 are at risk for tier 3 (I-Ready 2025-26 Reading Data Analysis)	1- Underlying difficulties with foundational literacy skills, including phonemic awareness, decoding, and high-frequency word recognition. 2- Additionally, a lack of intensive intervention or English language proficiency can contribute to their struggles.	Intensive, individualized intervention tailored to students specific needs and driven by data analysis.
20% of students in Grades K-8 are performing at tier 1 (I-Ready 2025-26	1- Underlying difficulties with foundational literacy skills, including phonemic awareness, decoding, and high-frequency word recognition. 2- Additionally, a lack of intensive intervention or English language proficiency can contribute to their struggles.	Intensive, individualized intervention tailored to students specific needs

Reading Data Analysis)		and driven by data analysis.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	50%	By June, 2026, literacy for All Students will improve, as measured by a 15% Decrease, from 50% to 35%, of percentage of students at risk for tier 3 on the I-Ready.
All Students	20%	By June, 2026, literacy for All Students will improve, as measured by a 20% Increase, from 20% to 40%, of percentage of students performing at tier 1 on the I-Ready.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Intensive Intervention and Individualized Instruction:
- Small Group or One-on-One:
- instruction in small groups or individually, allowing for more focused attention and tailored feedback.

Root Cause Addressed:

Underlying difficulties with foundational literacy skills, including phonemic awareness, decoding, and high-frequency word recognition.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Intensive Intervention and Individualized Instruction: - Small Group or One-on-One: - instruction in small groups or individually, allowing for more focused attention and tailored feedback.
Systematic Instruction: - Implement a structured and sequential approach, building skills from simple to complex, with clear explanations and modeling.
Explicit Instruction: - Clearly explain the learning targets, provide direct instruction, and connect new learning to prior knowledge.
Immediate Feedback: 1- Provide students with regular and specific feedback on their performance to guide their

learning.

Key Strategy 2 (Optional):

Focus on specific skill deficits:
Interventions will address identified skill gaps in areas like phonemic awareness, phonics, fluency, vocabulary, or comprehension.

Root Cause Addressed:

English language proficiency

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Intensive Intervention and Individualized Instruction: - Small Group or One-on-One: - instruction in small groups or individually, allowing for more focused attention and tailored feedback.
Systematic Instruction: - Implement a structured and sequential approach, building skills from simple to complex, with clear explanations and modeling.
Explicit Instruction: - Clearly explain the learning targets, provide direct instruction, and connect new learning to prior knowledge.
Immediate Feedback: 1- Provide students with regular and specific feedback on their performance to guide their learning.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

1. Robust teaming structures
- Establish teams composed of classroom teachers, ENL teachers, coach and administrators.

Clearly Defined Roles and Responsibilities: Ensure each team member understands their role in data collection, analysis, intervention implementation, and progress monitoring.

- Regular Meeting Schedule: Schedule frequent meetings to review student progress, discuss interventions, and adjust plans based on data.

- Collaborative Decision-Making: where data drives decisions about intervention adjustments.

2. Systematic problem-solving process
- Identify Student Needs: Use diagnostic assessments to identify specific areas of weakness in foundational reading skills (phonemic awareness, phonics, decoding, fluency, comprehension, vocabulary).

- Develop Individualized Intervention Plans: Create tailored plans addressing specific skill deficits, and targeting specific strategies.

- Intensify Intervention as Needed: Increase the frequency and duration of intervention sessions.

- Implement with Fidelity: Ensure interventions are delivered as intended through training, ongoing support, and fidelity monitoring measures.

3. Frequent progress monitoring using the following assessments to track progress: (I-Ready, Acadience, Wilson Fundations, Estrellita)
- Monitor Progress Weekly: Collect progress monitoring data at least weekly (or every other week for Tier 2) to track student response to the intervention.

- Analyze Data: Analyze the trend to see if students are progressing as expected.

- Adjust Interventions Based on Data: Refine instructional plans or modify strategies.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/03/2025	06/19/2026	Open Communication: Maintain regular communication with parents to discuss their child's progress, challenges, and any specific strategies being used.	
09/03/2025	06/19/2026	Encourage parents to attend meetings: Participate in parent-teacher conferences and other school meetings to stay informed about the child's reading plan and progress.	

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on 125 responses, 90% of students responded favorably that they feel safe outside around the school. (Panorama School Survey June 2025)	Insufficient training for staff to recognize and intervene in bullying situations.	1- Communication and training 2- Fostering a positive school climate and promoting social-emotional well-being
Based on 125 responses, 87% of students responded favorably that they feel safe in the hallways and cafeterias of this school. (Panorama School Survey June 2025)	Insufficient training for staff to recognize and intervene in bullying situations.	1- Communication and training 2- Fostering a positive school climate and promoting social-emotional well-being

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	90%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 5% Increase, in Percentage of students feeling safe around the school from 90% to 95%, per the Mock School Survey .
All Students	87%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 8% Increase, in Percentage of students feeling safe in the hallways and cafeteria from 87% to 95%, per the Mock School Survey.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Fostering a positive school culture
1- Promote Inclusivity and Respect:
- Create an environment where all students feel valued, respected, and comfortable reporting concerns without fear.

2- Bullying Prevention:
- Implement and actively promote bullying prevention programs and provide support services for students experiencing bullying or other difficulties.

3- Mental Health Support:
- Offer mental health resources and support services, recognizing that addressing student well-being is crucial for preventing potential safety issues.

4- Open Communication:
Encourage open communication between students, staff, and parents about safety concerns and provide accessible channels for reporting issues anonymously if needed.

Root Cause Addressed:

Insufficient training for staff to recognize and intervene in bullying situations.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Conduct a comprehensive safety assessment:
Develop and refine safety procedures:
Provide ongoing training and education
Foster a positive school climate

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Safety- related incidents

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/03/2025	06/19/2026	open communication: including newsletters, emails, phone calls, and parent-teacher conferences.	

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Resources

Schedule Adjustments

Other Resources Needed

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Out of 385 students assessed, 20% are performing at tier 1 in Reading	1- Assessment and intervention for Struggling Readers 2- Students requiring additional support may not be receiving timely and targeted interventions tailored to their specific reading needs.	Deepening comprehension and vocabulary. While Tier 1 indicates strong foundational skills, a needs assessment might show us the gaps in areas like inferential reasoning, critical analysis, or understanding complex vocabulary.

Out of 385 students assessed, 13% are performing at tier 1 in Math	1- Assessment and intervention for Struggling Readers 2- Students requiring additional support may not be receiving timely and targeted interventions tailored to their specific math needs.	incorporate strategies that support diverse learners.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	20%	PS/IS 210 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the Students performing at Tier 1 in Comprehension Informational Text will Increase by 10% from 20% to 30%, for All Students, as measured by I-Ready.
All Students	13%	<School Name> will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the Students performing at Tier 1 in Geometry will Increase by 10% from 13% to 23%, for All Students, as measured by I-Ready.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Explicitly teach reading comprehension strategies
Model "thinking aloud":
- Teachers will demonstrate how they approach and comprehend informational texts by verbalizing their thought processes, such as identifying the main idea, recognizing text structures, asking questions, and making inferences.

Focus on text features:
- Explicitly teach students about the function of different informational text features (headings, subheadings, diagrams, captions, tables of contents, glossaries) and how to utilize them to understand the text structure and content better.

Target specific comprehension skills:
- Provide explicit instruction and practice in skills like summarizing, questioning, visualizing, determining importance, and making connections while reading informational texts.

Root Cause Addressed:

1- Assessment and intervention for Struggling Readers
2- Students requiring additional support may not be receiving timely and targeted interventions tailored to their specific reading needs.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Explicitly teach text structures
Emphasize vocabulary development
Implement comprehension strategies
Differentiate instruction
Monitor and assess progress

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

1- Establishing a Baseline (36% of students reading informational text at tier 1)
- Initial Assessment:
- Data Recording: Document the baseline percentage (36%) for informational text reading for the entire Tier 1 student group.

2- Data Tracking Tools, frequent progress monitoring

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/03/2025	06/19/2026	Collaborate with families through workshops and events Host literacy workshops. Provide parents with specific strategies and activities to support their child's reading comprehension, especially for informational texts. Organize family literacy nights: Create opportunities for families to engage in fun, interactive literacy activities together at school.	

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Program staff support parents/caregivers with making decisions about which schools or programs would be best for their child in the following school-year. (Category: Relationships with Families) (Panorama School Survey June 2025) 78% responded favorably	Actively involve parents in school governance and other decision-making processes that affect their children.	Parent Involvement in Decision-Making

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	78%	PS/IS 210 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the Program staff support parents/caregivers with making decisions about which schools or programs would be best for their child in the following school-year. (Category: Relationships with Families) for All Students will Increase by 20% from 78% to 98% as measured by Panorama School Survey.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
PS/IS 210 creates opportunities for parents to be involved in school activities and in their child's learning.	Offer technology training: Provide workshops or resources for parents who	Technology workshops

95% of parents agree ((June 2025 Panorama School Survey)	lack access to technology or digital literacy skills	

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	95%	PS/IS 210 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the parents to be involved in school activities and in their child's learning will Increase by 5% from 95% to 100% as measured by Panorama School Survey.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Offer technology training: Provide workshops or resources for parents who lack access to technology or digital literacy skills

Root Cause Addressed:

Virtual Connectivity to support parents to gain digital access to help their child log in for academic support.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Offer frequent technology workshops

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Resources

Other Resources Needed

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
24% (89 out of 365) chronic absenteeism - Insight 2025-2026	1- Illness: Students may be sick or have health-related issues like asthma 2Mental health: Students may be struggling with anxiety or depression 3- Bullying 4- Academic difficulties: academic challenges 5- Housing issues: Students may be dealing with housing issues.	- Providing support and workshops about the importance of bringing children to school in a consistent manner.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	24	By June, 2026, the Percentage of Chronically Absent Students for All Students will decrease by 10%, from 24% to 14%, as measured by the Insight Chronic Absenteeism Reports.
All Students	93	By June, 2026, the Percentage of the year-to-date attendance rate for all students (365 students) is 93%. for All Students will increase by 3, from 93 to 96, as measured by the Insight Chronic Absenteeism Reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Keeping close contact with parents, students and teachers around the importance of attendance everyday and creating awareness and incentives as to the importance of daily attendance.
Need to raise awareness with parents, teachers and students about the importance of good attendance for all students in school.

Root Cause Addressed:

- Families go away on vacation and extend the amount of days.
- Students chronically sick.
- STH

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Use weekly attendance meetings with the attendance team to develop tiered interventions across school community and targeted interventions for students who are chronically absent.
Services are provided by the school counselor remotely or after school to accommodate parent schedules to discuss attendance and the direct correlation it has on student performance and missing assignments.
Engage students in activities where they feel emotionally supported and academically successful.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

1- We will use data from a mock survey to support families and meet with them frequently to discuss the reasons why their child is chronically absent,
2- awareness through parent meetings and guidance.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/01/2025	05/29/2026	Monthly workshops for parents about different topics including the importance of attendance to support academic success.	Ed Alliance (Triple P Parenting Program)
10/01/2025	05/29/2026	Monthly workshops for students	Early Rap

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Social worker, school counselor, parent coordinator, CBO and administration

Instructional Resources

Virtual parent meetings, in person workshops for students in grades 6-8, incentives to increase attendance.

Schedule Adjustments

Schedule periodically meetings with families

Other Resources Needed

N/A

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
28% of IEPs not completed within allocated time frame. Sesis compliance report June 2025.	Coordination/supervision.	IEP Development and Fidelity of Implementation
28% of IEPs not completed within allocated time frame. Sesis compliance	Coordination/supervision.	Transition Planning and Compliance

report June 2025.		
IEP referrals at the end of the school year. Sesis compliance report June 2025.	Parents/teachers waiting until 2nd PTC (March) to request student evaluation.	Referral Process and Equity
		Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	72	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve Timeliness of IEP completion by a 23 Increase, from 72 to 95, as measured by Sesis Summary of IEPs Not Completed

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Timely completion and implementation of IEPs.

Root Cause Addressed:

Timely implementation of program for students with disabilities.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Monitor referrals to Special Education to ensure appropriate referrals only
Ensure that students in foster care, their birth parents, and foster care agency points are reached out to for all initial, annual reviews, and re-evaluation Individualized Education Program (IEP) services.
Conduct IEP meetings within specified compliance dates
Ensure that programs and services mandated on each student's IEP are delivered
Ensure program and service recommendations are appropriate for each student and provide access to the student's least restrictive environment

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

create a time line to meet deadlines

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	06/25/2026	Parent workshops about the committee on special education and other services available for students.	Social worker
09/04/2025	06/25/2026	Parents have multiple opportunities to get updates about their child: annual review, parent teacher conferences and during weekly parent engagement time.	Teachers, social worker, school counselor, IEP teacher.

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Teachers, social worker, school counselor, IEP teacher, family workers, school psychologists.

Instructional Resources

IEP goals, Tier 1 curriculum, interventions.

Schedule Adjustments

N/A

Other Resources Needed

N/A

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Reading 2 or more below grade level	Wilson Fundations	Small group	During school (minimum) 3 times a week in grades K-5	Yes
Tier 2	reading more than 2 reading levels and needs basic foundational skills to support reading.	Wilson Fundations	Small group and one to one	During and after school everyday	Yes
Tier 3	Basic foundational and comprehension skills	IReady	one to one	During and after school everyday	Yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Group counseling-conflict resolution, Tier 2	Classroom/community behavior, parent/teacher/self referral	Comprehensive School Counseling Program	Small group	During or after school	No
At-risk Individual counseling, Tier 3	Classroom/community behavior, parent/teacher/self referral	Comprehensive School Counseling Program	One-to-one	During or after school	No
Mandated Individual/Group counseling, Tier 2 and 3	IEP	Comprehensive School Counseling Program	Small group, one-to-one	During school	No
Attendance intervention counseling, Tier 2 and 3	Attendance data	Comprehensive School Counseling Program	Small group, one-to-one	During or after school	Yes
Social service/ mental health referrals, Tier 2 and 3	Classroom/community behavior, parent/teacher/self referral	Comprehensive School Counseling Program	Small group, one-to-one	During or after school	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

1. Parent-Teacher Conferences and Meetings:
Parent-teacher conferences serve as an opportunity for teachers to discuss a student's progress within the MTSS framework, including their strengths, areas of need, and the interventions they are receiving.

2- We also hold specific meetings (55 minutes a week allocated for parent meetings focused on MTSS, where families can learn about the different tiers of support, the types of interventions used, and how they can be involved in the process.
These face-to-face interactions allow for more personalized communication and the opportunity for families to ask questions and address any concerns they may have.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Progress Reports:
Teachers provide families with clear, actionable reports that detail the child's progress in the specific areas targeted by the intervention.

Home-School Activities:
Teachers provide families with specific activities and guidance to reinforce the intervention strategies at home, bridging the gap between school and home learning.

Personalized Communication:
One-on-one meetings or phone calls provide opportunities for parents and teachers to collaborate and discuss the child's progress and any necessary adjustments to the intervention.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Meetings with teachers:
Families are invited to attend meetings where decisions are made about their child's Tier 3 intervention plan, including progress monitoring data review.

Consent for Evaluation:
Parents' informed consent is required before any comprehensive evaluation can be conducted to determine if a student qualifies for special education services.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

8

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

N/A

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Individual counseling, parenting education/support, community based mental health referrals, social service referrals

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. The Twenty-first Century Academy for Community Leadership, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

PS/IS 210 - Twenty-first Century Academy for Community Leadership ill support parents and family members of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community.

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support

services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS/IS 210-Twenty-first Century Academy for Community Leadership in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences; Curriculum Evening and end of year meeting for students at risk of repeating the grade.

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;

- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Math- Illustrative Math

ELA- EL Education

ENL- Imagine Learning/ Joy School

Science- FOSS

Foundational skills: Wilson Fundations, Heggerty, Estrellita

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

We invite the preK students from near by programs that usually send student to our school to visit and get a tour of the school and to visit with the prek and kg. classroom teachers. We also meet with the parents and give them a small welcoming introduction of our school and what to expect.

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	394,637	x	Saturday After school tutoring,
Title I, School Improvement 1003(a)	Federal	5,314	x	For enrichment and improvement.
Title II, A Supplemental	Federal	15,692	x	For after school planning.
Title III, LEP	Federal	18,993	x	After school program for ells.
Title III, Immigrant	Federal	0	x	n/a
Title IV, SR	Federal	6,189	x	Per session for SR counseling
Tax Levy (Fair Student Funding)	Local	4,810,490	x	For teachers, supplies, school

				staff, and after school.

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Lidia Pellerano
Assistant Principal (Where Applicable)*	Christina Cepero
English as a New Language (ENL) Teacher*	Isabel Lobelo
Teacher (if school has a bilingual program must be a bilingual teacher)*	Miguel Guity
Parent/Guardian*	
Teacher	Maria C Gomez
Parent Coordinator	Concepcion Quezada
School Counselor	Monica Benavides
Related-Service Provider	
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

1

Number of ESOL certified teachers with a bilingual extension:

1

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

29

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

2

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

19

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

2

Total number of teachers with LOTE certification providing World Language instruction:

2

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

2

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

385

Total number and percentage (%) of current ELLs:

42.8%

Total number and percentage (%) of former ELLs:

8.5%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

78%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

17.7%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

4.3%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

9.8%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

13.50%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	DL	Spanish	1997	2	2	2	2	2	2	2	2	2					18
DLBE																	0
DLBE																	0
				total: 2	total: 2	total: 2	total: 2	total: 2	total: 2	total: 2	total: 2	total: 2	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Stand-alone ENL students groups are formed based on the NYSITELL, NYSESLAT and RLAT English level results, and are comprised by "ungraded, heterogenous, and homogenous" groups. These students are served by Ms. Isabel Lobelo, in a separate classroom, and Mr. Miguel Guity for elementary school in a separate classroom as well.

Entering/Emerging: students begin learning the English language structure, i.e., alphabet, letter-sound recognition, vowels, sight words, (phonemic awareness) reinforced with repetition, grade and level-appropriate worksheets to slowly build up the acquisition of the second language, scaffolding instruction in the student's home language. We also use TPR so the students can answer questions using one or two words. Emphasis is on repetition and breaking down of sounds to acquire pronunciation and comprehension, as well as slowly building up writing and reading skills in the 2nd language.

Reading is introduced using informative and interesting colorful books, with a lexicon of short sentences so students can slowly pick up intonation and fluency. Writing is done along with reading using teacher-created material, and/or worksheets, and students' drawing booklets with subtitles. Students are also introduced to social language so they may begin to practice and feel they belong and are part of a group/class.

Transitioning/Expanding: Students at this level of LA receive 90 minutes of stand alone instruction, using material that is more challenging to grow in the four modalities of LA. At this level students' need more syntactic structure to develop their listening, reading and writing skills to be able to communicate verbally, and make summaries, classify, compare and contrast, and define. To develop their reading and writing skills we use non-fiction texts, providing background knowledge, images, videos, graphic organizers, concept maps, and/or when possible, using realia to connect text-to-world; use of cognates for understanding.

Integrated ENL:

Per Part 154 teachers use different ENL strategies and methodologies. The four modalities of Language Acquisition are taught through core subjects to build academic language and content knowledge, with support in the home language, Spanish. Teachers provide translated materials to ELL students, as well as instruct them in Spanish so the ELL students can participate and feel that their input is recognized, and it is as important as the input of the rest of the whole class. An integrated, all-inclusive class enhances their learning experience, while they're going through the process of acquiring English.

K-5 Miguel Guity, elementary certified ENL teacher, pushes into classrooms to support the students' language development process. In addition, elementary classroom teachers, which are all bilingually certified, use fiction and nonfiction books, Social Studies, and Science to teach the new language.

6-8 ELA teachers follow the curriculum's fictional and nonfictional material provided therein. In both 7th and 8th

grade classes in which MS. Isabel Lobelo, MS ENL teacher pushes in the ELL students are grouped in one or two tables and she works with them as a group and individually, helping them in understanding the material not only linguistically, but also contextually. In addition, when the students are provided with the Spanish translation of the assigned text, Ms. Lobelo is also able to support the SIFE students within the ELL group linguistically and contextually in their home language. Therefore, ELL students are able to understand the lesson, produce written responses, and fully participate in class.

b. Bilingual Education (If applicable)

Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

Dual Language Program:

Stand-alone ENL students groups are formed based on the NYSITELL, NYSESLAT and RLAT English level results, and are comprised by "ungraded, heterogenous, and homogenous" groups. These students are served in MS by Isabel Lobelo, in a separate classroom, and Miguel Guity for elementary school in a separate classroom as well. In MS Ms. Lobelo pushes-in to the ELA/History classes to support the ELL students, and in the elementary school Mr. Guity pushes-in to the different classrooms.

The instructional delivery model of our content area is delivered in two languages. We use a 60% /40% Spanish and English model for the students in Pre -K to 4, where the students are with one assigned teacher that is bilingual and provides instruction in the language of the day. The model follows a specific calendar that is aligned with the literacy writing pacing charts for grades Kg. to 4th grade. In grades 5 through 8 the language is divided by time and by the teacher.

For students that are new to the language, we have them focus on their dominant language 1st and slowly incorporate skills and strategies that are in line with the curriculum and the literacy genre, while being mindful of incorporating language structures and scaffolds that will help make the lesson more comprehensible for the students.

In 5th grade, we have a side-by-side model, where one fifth-grade teacher teaches Science and Math and the other fifth-grade teacher teaches Literacy and Social Studies. In grades 6-8 the language model is then structured by teacher assignment, time, and curriculum in a 50% / 50% Spanish/English model, where teachers are scheduled to give their content in an assigned language. I.e. Humanities (Literacy/Social Studies) Spanish and Humanities (Literacy and Social Studies teacher in English).

Students with special needs are primarily in ICT classes where the teachers are licensed in Bilingual Education and Special Education. In the MS grade, we try as much as possible to hire Special Ed teachers that are also licensed in the content area that they will be assigned to teach.

For students with an individualized education plan (IEP), we have a SETSS teacher, and a Bilingual speech therapy teacher. Similar to the ENL program, students receive services in a pull-out program.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

A team comprised of admin and ENL teachers look at the list of ENL students. Students are then programmed in STARS according to proficiency levels. Data is consulted at the beginning of the year and ongoing based on student registration. We analyze the monthly ELL Data Update Report to see if students are properly programmed in Stars. We also check stars weekly to look for newly identified students.

The process begins right after the student is registered and identified as an ELL. We consult Part 154 which shows the mandated minutes that students must receive. ENL teachers service students for standalone in K-6, and for standalone and integrated in grades 7-8.

ENL standalone in grades K-6 is provided by one ENL teacher. Integrated and flexible minutes are provided in the classroom by licensed bilingual teachers.

In grades 7-8, standalone and flexible minutes are provided by the ENL teacher. ENL teacher pushes-in with content area teacher to provide the required amount of integrated instructional minutes.

Grades K-5
Entering/Emerging: 180 stand alone minutes per week
Integrated and flexible: 1,080 minutes per week

Grades 6-8:
Entering and Emerging: 225 minutes a week of stand alone
Transitioning: 135 minutes a week of stand alone
Expanding: 90 minutes a week of stand alone

ELA
Grades K-5 (10 periods a week)

Grades 6-8 (7 periods a week)

HLA
Grades 6-8 (6 periods a week)

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

For gradesK-5, students in our dual language program are immersed in both English and Spanish in all content area such as ELA, Math, Science, and Social Studies. In grades 6-8, students received HLA instructions by a certified Spanish Teacher to support students' foundation in their native language. Therefore, we have a Spanish LOTE teacher, Ms. Hernandez, who provides mandaded HLA instructions (180) for all our middle schools students in our

Dual Language program.

ENL groups are created according to the NYSESLAT results: Newcomer, Emerging, Transitioning, Expanding, and Commanding. Newcomers and Emerging students receive 180 minutes of ENL instruction per week, and Transitioning and Expanding students receive 135 minutes of ENL instruction per week. In addition, ENL students also receive 270 minutes of Integrated ENL instruction in their ELA and Social Studies classes.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Our Dual Language program follows the self-contained model.

English proficient students are integrated with ELL students all day except when they are pulled out for ENL instruction.

b. In which language(s) is each core content area taught?

ELA English, SLA Spanish, Science in English and Spanish, Social Studies in Spanish in the MS, and in the elementary school both in English and Spanish.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

128 students - 78%

Lessons for Newcomer students must be specific on phonemic awareness, i.e., pronunciation of digraphs, consonant blends, silent consonants and vowels, short and long vowels, etc., and instruction should be scaffolded. Repetition is a must. Use images, and props. As students begin to acquire language awareness, instructional rigor is increased. This means that from word construction students are then introduced to short sentence writing and this way continue to build up LA.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

16 students - 9.8%

For SIFE students' instruction, a foundation must be built for LA using their native language, i.e., to become literate (in our case the language is Spanish). This is the language they communicate with at home, in which they already have a background knowledge, thus it serves as a seed for which you can then develop the L2. Lessons must be be deconstructed, as it were, from the smallest element of language instruction and have a gradual increment of content and language grammar. To do this you need a written text, or a story that the student can relate to because this helps to make connections, and the pieces of the language that you're teaching will make sense once they can plug it into something they're already familiar with. For example, teaching traditions, friendships, traveling, concepts of weather, climate, land, etc.

Furthermore, there is a way a student speaks that it is disconnected from the standard use of language. Thus, as a teacher your role is not only to teach L1 and L2, but also correct the misconceptions in their native tongue. Every student has a speed of learning which varies based upon how deeply imbedded these misconceptions are. There is a parallelism between teaching new elements of language, which are completely unknown to the student and purging all that which doesn't fall into standard language.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

7 students - 4.3%

Developing ELLs, focuses on developing foundational English language development, example phonics, syntax, and basic vocabulary. Additionally, integrate oral language practice across all subjects. Long-term-ELLs is a different ball game. LTE instruction should emphasize academic language development, examples include, Tier 2 and Tier 3 vocabulary. Additionally, explicit instruction in reading and writing strategies is necessary to close literacy gaps. Students also build metacognitive skills for reading comprehension and writing organization. Finally, apply culturally responsive teaching to increase engagement and comprehension.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

12 students - 3.1%

Former ELLs though they have the social language, they often struggle with academic reading and writing, therefore, they need support in this area. To this end, these students receive the weekly 90 minute instruction, for two additional years.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

When comparing the data to the one from the previous school year (2023-24 v. 2024-25), we can say that:

The percentage of Students with Interrupted Formal Education (SIFE) changed from 9.8% (2023-24) to 12.8% (2024-25).

The percentage of English Language Learners (ELLs) with the potential to become long-term ELLs increased by 3%.

The percentage of ELLs not demonstrating sufficient English language proficiency (ELP) progress decreased by 6%.

The percentage of long-term ELLs decreased by 1%.

For state test-related at-risk indicators:

The percentage of ELLs scoring at Level 1 or 2 in Math decreased from 16% (2022-23) to 15% (2023-24).

The percentage of ELLs scoring at Level 1 or 2 in ELA increased from 25.7% (2022-23) to 28% (2023-24)._

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

For state test-related at-risk indicators:

The percentage of former ELLs scoring at Level 1 or 2 in Math decreased from 25% (2022-23) to 24.2% (2023-24).

The percentage of former ELLs scoring at Level 1 or 2 in ELA increased from 37.5% (2022-23) to 39.4% (2023-24).

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

For two consecutive years, the top 3 students' home languages in CSD6 are Spanish (97%), Arabic (2%) and Haitian Creole (1%).

Concentration of ELLs Speaking a Specific Language: Currently, 3rd grade has a higher concentration of English Language Learners (ELLs). However, every class from K-8 has at least 12 ELL students.

School Support for Families Who Speak World Languages.

Our school communicates with parents primarily in English, but for families who speak other languages, we utilize DOE Translators to ensure accessibility.

During Parent-Teacher Conferences (PTC) and meetings, we provide translated materials and offer interpreters, ensuring families can engage fully.

Many of our teachers are bilingual educators, and our parent coordinator helps bridge language gaps and foster strong relationships with families.

We host multilingual workshops and family engagement events, which encourage participation and meaningful connections within the school community.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

As per information provided by families during the enrollment process, 96% of our current ELL families identify themselves as Hispanic ELLs.

Within the Hispanic ELLs, the top 3 categories in the 2024-25 Ethnicity Breakdown are: 8.9% Hispanic Black; 12.1% Hispanic White; and 69.4% Native Hawaiian or other Pacific Islander.

The top 2 in the ethnicity breakdown of the Non-Hispanic ELLs in SY 2024-25 are: 7.7%, 16.6% Hispanic White; and 66.3% Native Hawaiian or other Pacific Islander.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

NYSESLAT 2023-2024 Results Comparison:

The percentage of ELLs exiting their ELL status (ELP Method 1)

2023-24: 11.4%

2022-23: 21.6%

This reflects a 10% decrease from the previous year.

The percentage of ELLs who met their Annual Progress Target (Method 2)

2023-24: 35.2%

2022-23: 17.2%

This reflects an 18% increase from the previous year.

The percentage of ELLs who met Safe Harbor Cumulative Growth (Method 3)

2023-24: 4.8%

2022-23: 0.9%

This reflects a 3.9% increase from the previous year.

The percentage of ELLs whose progress was not met

2023-24: 48.6%

2022-23: 60.3%

This reflects an 11.7% decrease from the previous year.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

The % of students exiting their ELL status has decreased by 7%, from 15.5% in 2023 to 8.5% in 2024.

The % of students in the expanding level has increased by 8.1%, from 29.2% in 2023 to 37.3% in 2024.

The % of students in the transitional level has increased by 4.1%, from 14.9% in 2023 to 19% in 2024.

The % of students in the emerging level has increased by 4.7%, from 19.9% in 2023 to 24.6% in 2024.

The % of students in the entering level has decreased by 9.9%, from 20.5% in 2023 to 10.6% in 2024.

2024 NYSESLAT results indicate that 6.3% (9) of the expanding level ELLs were between 1 to 10 points away from scoring commanding. While 15% (22) were less than 20 points away from scoring commanding and exiting their ELL status. Additionally, 5.6% (8) of the ELL students who scored at the transitioning level were 10 or less points away from scoring expanding.

Based on the 2024 NYSESLAT results, 35% of the ELLs in our school scored HIGH (90% or more correct responses) in the speaking modality.

This is three times the percentage of ELLs scoring HIGH in listening and reading (11%).

It is also more than ten times the percentage of ELLs scoring HIGH in writing (3.5%).

In our school, the highest levels of ELLs are Entering and Emerging, which contributes to lower writing scores. Writing is typically the last skill to develop in second-language acquisition. While students may quickly gain oral proficiency, mastering written expression requires deeper cognitive processing and structured practice. Entering and Emerging ELLs often develop conversational English faster than academic English, as writing demands formal sentence structures, grammar accuracy, and organization—skills that take longer to acquire. Additionally, many ELLs come from backgrounds where reading and writing in English are not regularly practiced at home, impacting their ability to internalize sentence structures and academic vocabulary needed for strong writing performance. Unlike speaking, which allows for immediate self-correction, writing requires planning, organizing, and revising, making it more cognitively demanding. Furthermore, some students' native languages have different writing conventions, making English writing rules challenging to grasp.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

58% of all of the ELLs, including those who scored commanding on the 2024 NYSESLAT, scored a 1 in the 2024 ELA state test. This is 6 percentage points less than the % of ELLs who scored a 1 in the 2023 ELA state test (64%).

5.6% of expanding and commanding level ELLs, scored proficient (level 3 and 4) in the 2024 ELA state test. This is 5.4% less than the percentage of expanding and commanding level ELLs who scored proficient in the 2023 ELA state test (11%).

33% of all of the ELLs, including those who scored commanding on the 2024 NYSESLAT, scored a 1 in the 2024 Math state test. This is 17 percentage points less than the % of ELLs who scored a 1 in the 2023 Math state test (50%).

40% of expanding and commanding level ELLs, scored proficient (level 3 and 4) in the 2024 Math state test. This % is the same as expanding and commanding level ELLs who scored proficient in the 2023 Math state test (40%).

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

In school year 2023-24, 31.6 % of ELLs had an IEP. In the school year 2022-2023 was 31% This represent a 06% increase.

6%, 22%, 26% and 33% of ELLs with IEP scored at the entering, emerging, transitioning, and expanding proficiency level respectively in the 2024 NYSESLAT exam. 11% of the ELLs with IEP scored commanding in the 2024 NYSESLAT exam.

7.7% of ELLs are SIFE. This is an decrease of 0.9 percentage points when compared to SY 2022-23 (8.6%);

One conceivable reason why the number of SIFE students has decreased is that the ENL department of PS/IS-210 ensures that students receive their mandated services in a timely manner. In addition, instructions are provided using proven teaching strategies, including scaffolding, with a particular focus on phonemic awareness. However, our population of ELLs with IEP has remained about the same.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

The school enriches the academic experience of ELLs by bridging academia with the outside world. This is accomplished in various ways. To enrich the learning experience, class trips to different museums in the city are planned throughout the year by the different content area subject teachers. For example, in science students are brought to awareness of recycling by participating in a community walk cleanup, focusing on the school area. Students also visited the Great Swamp in NJ to see and learn about the different plants and fauna in a natural setting, and the difference of these in the city. Learning about NY Waterways in the classroom culminated in a class trip down the Hudson River upstate NY, in which they learned about the Hudson Valley, and the historical commercial activities of that route. Trips around the city to visit and learn about the different immigrant neighborhoods, and tasting the different flavors of food that has changed the American palate, these include Little Dominican Republic in Washington Heights and Chinatown in Manhattan, Little Greece in Astoria, Queens, and Middle East Eye in Bay Ridge, Brooklyn, to mention a few.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The School Leadership Team is comprised of grade and course teachers that are bilingually certified. As a team, the SLT team includes annual school activities and programs that promote the language and culture of students. Phone call, messages, memoir lessons in writing cultural celebrations and investigation on the background of their families.

In September we use the NYSITELL, Spanish LAB (Spanish LAB-R), and the NYSESLAT results to inform us of our students' English and Spanish proficiency. This data helps us to identify and group the students for differentiated instruction, and ENL services.

For ENL students not reading at grade level, we provide AIS services to comply with the Next Generation Standards.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Lessons are designed to meet students' needs at their specific level, and to help them move forward to become proficient, with content and language objectives. Teachers make certain to implement a language component in each lesson for all core subjects.

Estrellita a supplemental curriculum taught only in Spanish is also used for small group instruction in K-2, and Sábelotodo for grades 3-5. For grades 6-8 the WRAP guides us for SLA (Spanish Language Arts) and guided reading instruction.

We use the June end-line test as a baseline for September's assessment and as a starting point for some ELL students, we also test the incoming ELL students to determine their reading level and English proficiency.
We chose Fountas & Pinnel l (F&P) Benchmark Assessment kit in English and Spanish for grades K-3.

We also include the EL education rubrics for personal narrative, informational piece, and argument writing through grades K-8, to teach ELL students how to develop their writing and express their ideas clearly.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

We use IReady, and EL Education both in English and Spanish. In addition, we have literacy classes for SIFE students who have a gap of two or more years behind of formal education, and need to become literate in their home language. Teachers differentiate their instruction to accommodate students based of their academic needs and IEP goals, providing students with graphic organizers, using visuals, conducting small group instruction, clarifying and simplifying lessons for understanding, giving vocabulary instruction, review of previously learned topics, and differentiated worksheets and homework. In addition, students are taught about American culture through the study of civics, immigration, traditions, holidays, foods, and dialectical differences among regions in the U.S.

b. SIFE

All our SIFE students are in Dual-Language Classes and use the school-selected curriculum with modification and adjustments. We also use some of the Foundations and Estrellita programs to get them reading and writing sooner, while maintaining the integrity of the curriculum in the discussions and high DOK questions that can engage them in discussion, while scaffolding the reading and writing parts to get them caught up in a more meaningful way. In addition, teachers differentiate their instruction to accommodate students based on their academic needs. They provide students with graphic organizers, visuals, small group instruction, break-down of lessons, vocabulary instruction, review of previously learned topics, and differentiated worksheets and homework.

c. Newcomers

All our Newcomer students are in Dual-Language Classes and use the school-selected curriculum with modification and adjustments. Having the students engage in class in the two languages helps both sides to see the language strengths that they each have. For new comers in the Spanish class, they can how they perform. While on the classes in the other languages they start off in their making reports and writing in the language of strength while slowly introducing the other language. We also have the students work in small groups during indepentent learning time where they can support each other in their new language.

d. Long Term ELLs

All our Long Term students are in Dual-Language Classes. They are immersed in the school-selected curriculum with modifications and scaffolds to address their language needs. We also use some of the Fundations and Estrellita programs to get them reading and writing sooner, while maintaining the integrity of the curriculum in the discussions and high DOK questions that can engage them in discussion, while scaffolding the reading and writing parts to get them caught up in a more meaningful way. In addition, teachers differentiate their instruction to accommodate students based of their academic needs. They provide students with graphic organizers, visuals, small group instruction, break-down of lessons, vocabulary instruction, review of previously learned topics, and differentiated worksheets and homework.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

Students are given the flexibility to turn in work, and in the process of a lesson, thinking time is expanded to allow for students' participation. In ICT classes the curriculum is paced, and students receive one-on-one support. Teachers model lessons, provide explicit vocabulary instruction and modify content. They also offer students multiple opportunities to demonstrate comprehension through projects and class presentations, to evaluate data representation, and show different modes in which they are learning.

Content area teachers developed a curriculum aligned with the CCSS, using the DOK, The Danielson's Framework for Teaching. Eureka is used for grades K-8.

In addition, we use a balanced literacy approach in reading where we immerse the students in reading and writing, give them many opportunities to engage in reading and writing, and us e the Six Traits plus one strategy to organize the writing in a consistent way throughout the grades.

We also identify those grades that are in more need than others, and we flood the class with teachers and other support staff at least two times a week for additional small group instruction.
In our plan, we recognize that 1st grade has a great need because it is the place where students transition from socialization to reading and writing. Thus, we work all year round with 1st grade.
Then we work with 2nd grade flooding the class with additional teachers and support staff to have them work with small groups of students to help them catch up. We look to work with second grade at the start of the year and switch mid-way to Kindergarten, and work with Kindergarten for the rest of the year.

We also divide the middle school students into ELA, math, and science groups, and have all middle school teachers work with groups of 10 students or less twice and week as part of our ATR initiative. We also identify students that need additional help in Literacy & Math and have them come in for additional tutoring during after-school and on Saturday. We also have the Title III after-school program that works with ELLs two days a week and on Saturdays.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

The instruction of literacy and writing in both languages is done with the support of a teacher who helps the student scaffold the learning of the new language, and reinforces and develops their first language (Spanish or English).

For those students designated by the NYSITELL as an ELL, the NYSESLAT is given until he or she has tested out. In English the students need a score of 41% in the NYSESLAT in order to determine their proficiency. The Spanish LAB for students who are identified as ELLs via the NYSITELL is also given to all the students to create a baseline assessment of where the students was when he started attending our dual language school. In addition, for SIFE students the NYSED Multilingual Literacy Screener is used to ascertain their levels in reading, writing, and speaking in their native language. These assessments are then used to guide instruction, form groups and measure for growth, proficiency and progress.

Teacher assessments are also used in L1. We use balance literacy to develop independent reading and writing skills by developing writing units that are scheduled throughout the year in both languages.

In the early grades we start students writing in their native language and slowly bring them in to the scheduled writing activities as they gain fluency in L2. We also take the opportunity to do writing on the assigned Spanish days in order to create a routine of things that you do on English days and things that you do on Spanish days (three days in Spanish and two days in English).

In the middle grades students read and write in both languages every day depending on the schedule, curriculum area and teacher assignment.

In the early grades students identified as beginning students are encouraged to develop academic skills in his or her first language, in order to make the transition to the new language less traumatizing. Studies s how that students transfer learned skills from L1 to L2. Throughout the progression of the program, the students will be exposed to all the academic activities (reading, writing, math, etc.) through development of curriculum objectives and language objectives.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Lessons are designed to meet students' needs at their specific level, and to help them move forward to become proficient, with
content and language objectives. Teachers make certain to implement a language component in each lesson for all core subjects.
Estrellita a supplemental curriculum taught only in Spanish is also used for small group instruction in K-2, and Sábelo Todo for grades
3-5. We use the June end-line test as a baseline for September's assessment, and as a starting point for some ELL students, we also test the incoming ELL students to determine their reading level and English proficiency. Moreover,

we also include the EL Education rubrics for personal narrative, informational piece, and argument writing through grades K-8, to teach ELL students how to develop their writing and express their ideas clearly. Furthermore, for grades 3-8 students will be assessed through the new Home Language Assessment (HLA) exam to measure the SLA proficiency; the results of the HLA also serve for the 8th graders to receive credits when they enter high school.

Co-teaching and collaboration among teachers is done through integrated practices

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Through weekly study groups meetings and workshops that teachers attend. Professional development is provided to all staff on a bi-weekly bases throughout the year and on the three Chancellor Professional Development days. Also when the budget permits we provide the teachers with Summer institutes where they can come in a week earlier to do planning.

We also provide teachers with Study Group and planning time for two periods every week where they work with a ELA or Math coach where they do activities such as:
(a) align curriculum with the standards,
(b) look at student work and discuss the progress and or needs of individual students with the group;
(c) identify the students' strengths and needs and develop next steps for grouping and planning;
(d) Analyze student performance in standardize test and scheduled interim in order to do child study exercises that help us to tweak our curriculum to better fit our school needs.

We also divide the staff in grade cohorts during study group where the staff is divided by grades as early childhood, elementary and middle school. In the middle school we meet together as a MS team to discuss area of needs for all the students once a month and in the different ELA, Math and Science cohorts.

Teachers also work in teacher grade common prep teams to discuss day to day activities that conform to what is going on in the classrooms. They share their insights on students work and strategies for working with students. The teachers are also encouraged to attend works hop and institutes that can be of help to them in developing in their different areas of need as well as responding to their different interest. (I.e. Bank Street Language Series; Math weekend works hops, DML works hops.)

The teachers work together to address student needs as far as Learning a second language, working with students that have special needs and moving all our students from one level to another. By aligning the curriculum to the Next Generation Standards where we look to incorporate reading and writing throughout all the curriculum areas, we work to have a more rigorous curriculum that includes the development of language functions with Blooms taxonomy and or DOK chart in mind; and, language structures that assist the students in scaffolding the writing in either languages.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders]

and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Study groups that focus on vertical alignment across grades. Bi-weekly study groups where we do inquiry work in the effort to meet the needs of all students. Teachers are encouraged to attend outside workshops and trainings to learn and develop better and effective practices for teaching their students, and they are also asked to turnkey the information they've acquired to other teachers.

During Study Group PD sessions, teachers have the opportunity to discuss and share effective practices that can assist them in meeting the individual needs of their students. Agendas and sign in sheets are kept on record of these sessions.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Estrellita, and IReady are used for periodic assessments. Teachers also use on-demand writing, assigned homework, conferencing with students to guide them in their work. SIFE literacy instruction is also provided for students who are not at grade level in their home language.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Target Intervention programs for K-5:
-Pre-assessment in math & ELA
-RTI -groups and sub-groups differentiated by individual groups using scaffolding, L1 support, and one-on-one instruction.

An important part of our RTI strategy is to look at the assessment data i.e. The June instructional report that shows how the students do by grade and class; to assess the strength of the students and the instructional practice of the teachers by grade, and, to plan our interventions focus for the grades. We then use the ELA, Math, and NYSELAT that identify the needs of individual students, to invite them to participate in programs like Saturday tutoring, after-school tutoring, and test prep.

(a) SIFE students receive literacy instruction in Spanish to alphabetize them in their native language, as well as literacy instruction in ENL. We focus on their academic needs in their native language to make the lesson more comprehensible when teaching the objective of the lesson, then we use some of those same objectives to make the transition to the second language because of the foundation they got in the first.

(b) Newcomer students are pulled out for ENL instruction every day. The students receive ENL instruction throughout the content area with the subject teacher. But all newcomers and SIFE students receive additional services through the ENL teachers through the Title III program. The program provides them with lessons, trips, and experiences that help students understand the new country that they are in and provide them with cultural and social-emotional experiences that help them acclimate to the new country.

(c) Students are pulled out three times a week for ENL instruction, and ENL teachers also push in during the day. Some students are enrolled in small groups for early literacy instruction or during AIS periods twice a week in MS. They also receive instruction in the Title III after-school program.

(d) Former ELLs in years 1 and 2 after becoming proficient, are pulled out twice a week for ENL instruction, they

continue to have time-and-a-half during state exams. They also receive ENL instruction during the extended days, and in the Title III after-school program.

(e) Long terms ELLs are given English instruction throughout the day in the content areas, using ENL strategies.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

To inform us and proceed with instruction we use I-Ready screener, On Demand Writing Tasks for pre and post Modules, NYSESLAT, RLET/RLAT reports to identify strengths and weaknesses in the four modalities L/S, R/W.

In the lower school, we use math benchmarks, a math baseline, and in ELA on-demand writing in memoir and opinion and argument.

In middle school, we use the on demand writing for the ELA and benchmark exams for math. We also have three published writing pieces throughout the year: narrative, expository, and argument.

The HLA (home language assessments/ Spanish) baseline and endline exams are also administered across the grades 3-8. Interim assessments like running records are conducted on a bi-weekly basis.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

Q 2 Target Intervention programs for K-5:
-Pre-assessment in math & ELA
-RTI -groups, and sub-groups differentiated by individual groups using scaffolding, L1 support, and one-on-one instruction.

Middle School:

MATH
– students are grouped by skills and levels.

– after school intervention program for students who are not at grade level.

ELA
– Lessons are scaffolded
– speech therapy
– ENL
– Small group instruction by reading levels

SS
– Language objective within the content objective
– Talk-reading
– Close reading
– Guided reading

SCIENCE
– Projects
– Labs
– Experiments
– Science language development

The instruction of literacy and writing in both languages is done with the support of a teacher who helps the student scaffold the learning of the new language and reinforces and develops their first language (Spanish or English). For those students designated by the NYSITELL as an ELL, the NYSESLAT is given until he or she has tested out. In English, the students need a score of 41% in the NYSESLAT in order to determine their proficiency. The Spanish LAB-R is also given to all.

These assessments are then used to guide instruction, form groups, and measure growth, proficiency, and progress. Teacher assessments are also used in L1. We use balanced literacy to develop independent reading and writing skills by developing writing units that are scheduled throughout the year in both languages.

In the early grades, we start students writing in their native language and slowly bring them into the scheduled writing activities as they gain fluency in L2. We also take the opportunity to do writing on the assigned Spanish days in order to create a routine of things that you do on English days and things that you do on Spanish days (three days in Spanish and two days in English).

In the middle grades, students read and write in both languages every day depending on the schedule, curriculum area, and teacher assignment.

In the early grades students identified as the beginning, students are encouraged to develop academic ski l ls in his or her first language, in order to make the transition to the new language less traumatizing. Studies show that students transfer learned ski l ls from L1 to L2. Throughout the progression of the program, the students will be exposed to al l the academic activities (reading, writing, math, etc.) through the development of curriculum objectives and language objectives.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular

decisions? (Refer to the ELL Data Analysis Tool).

In grades K-8 we use the Fountas & Pinnel l (F&P) Benchmark assessments to set students benchmark and progress in English. In Spanish, we use the assessment instrument to set benchmark assessments in Spanish in grades K-3.

For grades 4-8 we use the WRAP assessment in Spanish. In grades 6-8. We give on-demand essay writing assessments in English & in Spanish as a benchmark to measure students' growth throughout the year.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

NYSESLAT is administered and scored by bilingual certified teachers. While the exam is scored, mandated services continue to be provided by certified ENL teachers and bilingual teachers. Out of the classroom teachers and middle school content area teachers are usually the ones that score the test.

Parents and staff are notified of the NYSESLAT administration as soon as the exam date is released at the beginning of the school year. A calendar with all assessment dates is provided to parents and staff. Closer to the date, parents are sent a letter to remind them about the exam. This is also communicated during SLT and during principal/parents monthly meetings.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Target Intervention programs for K-5: -Pre-assessment in math & ELA -RTI -groups and sub-groups differentiated by individual groups using
scaffolding, L1 support, and one-on-one instruction. An important part of our RTI strategy is to look at the assessment data i.e. The June
instructional report that shows how the students do by grade and class; to assess the strength of the students and the instructional practice of the teachers by grade, and, to plan our interventions focus for the grades. We then use the ELA, Math, and NYSELAT that identify the needs of individual students, to invite them to participate in programs like Saturday tutoring, after-school tutoring, and test prep. (a) SIFE students receive literacy instruction in Spanish to alphabetize them in their native language, as well as literacy instruction in ENL. We focus on their academic needs in their native language to make the lesson more comprehensible when teaching the objective of the lesson, then we use some of those same objectives to make the transition to the second language because of the foundation they got in the first. (b) Newcomer students are pulled out for ENL instruction every day. The students receive ENL instruction throughout the content area with the subject teacher. But all newcomers and SIFE students receive additional services through the ENL teachers through the Title III program.
The program provides them with lessons, trips, and experiences that help students understand the new country that they are in and provide them with cultural and social-emotional experiences that help them acclimate to the new country. (c) Students are pulled out three times a week for ENL instruction, and ENL teachers also push in during the day. Some students are enrolled in small groups for early literacy instruction or during AIS periods twice a week in MS. They also receive instruction in the Title III after-school program. (d) Former ELLs in years 1 and 2 after becoming proficient, are pulled out twice a week for ENL instruction, they continue to have time-and-a-half during state exams. They also receive ENL instruction during the extended days, and in the Title III after-school program. (e) Long terms ELLs are given English instruction throughout the day in the content areas, using ENL strategies.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Our plan to support parents and family members of ELLs are by:
• providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
• providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
• fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
• providing assistance to parents in understanding City, State and Federal standards and assessments;
• sharing information
about school and parent related programs, meetings and other activities in a format, and in languages that parents can
understand;
• providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members
of the school community.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

The school will further encourage school-level parent and family engagement by:
• hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
• encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
• supporting or hosting Family Day events;
• establishing a Parent Resource Center/Area or lending library;
instructional materials for parents;
• encouraging more parents to become trained school volunteers;
• providing written and
verbal progress reports that are periodically given to keep parents informed of their children's progress;
• developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
• providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Provide parents reasonable access to staff by:
• ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
• notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
• planning activities for parents during the school year, e.g., Parent-Teacher Conferences; Curriculum Evening and end of year meeting for students at risk of repeating the grade.

Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

In developing activities that fosters empowerment for families of MLs/ ELLs, the school will:
• actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
• engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated
directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
• ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies
as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
• support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional
learning, especially in developing leadership skills;
• Parent Coordinator (dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school
environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities
planned for parents each month and file a report with the central office.;
• conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and

technology training to build parents' capacity to help their children
at home;
• provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report,
Learning Environment Survey Report;
• host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
• schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions; • translate all critical school documents and provide interpretation during meetings and events as needed.

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's program.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

The school will further encourage school-level parent and family engagement by:
• hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
• encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory
Council;
• supporting or hosting Family Day events;
• establishing a Parent Resource Center/Area or lending library;
instructional materials for parents;
• encouraging more parents to become trained school volunteers;
• providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
• developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
• providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

We have a partnership with Artistic Dreams. Their program is called "Creating World Citizens Through the Arts. They explore culture
and identity while providing activities both in English and Spanish, that are culturally and linguistically appropriate for students. The
teaching artist decides on a topic of interest for the students and develops lesson plans that end with a display of

their art work during
class. This year the artist is working with students in 4th grade. In collaboration with the teacher teacher, we have a partnership with
the Theater Development Fund (TDF), which provides teaching artists to work with the students in the school (8 sessions) and free
broadway tickets for students and chaperones. There is also a partnership with New Victory Theater (children's theater), which offers
free workshops for students, access to all teaching resources for each show, and $2 tickets. The theater teacher collaborates with
Peoples Theater Project, which allows interested students to participate in their summer and weekend programs for free. They expose
students to social theater (bilingual-English/Spanish) We also have a partnership with ACDP. They provide a free after school
program for student in grades 6-8. Students are grouped according to interest in sports, arts, photography, dance, and fashion design.
ACDP also plans activities to include all grades in the school and their families. In addition, we have a partnership with Cool Culture
which for a fixed price paid by the school, they provide Pre-k students and their families with an annual free pass to museums, zoos
and other cultural entities in NYC.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

N/A

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Isabel Lobelo - ENL Teacher
Miguel Guity - ENL Teacher
Kathie Cedillo - Special Education Teacher
Dorka Hiraldo - Bilingual Speech and Language Therapist

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

The parent coordinator and the family worker are responsible for providing registration forms and setting up the initial meeting for registration. The ENL teachers conduct the initial interview with the parent, fill out the HILS form, interview the student and assesses them for ENL identification. After the identification process is complete, parents of students who are determined to be ELLs are given an orientation of the ENL program that the school provides. Parents are also provided with a video of the different programs available for ELLs. If a student has an IEP, the Language Proficiency Team (LPT) is activated to determine NYSITELL eligibility and complete the NYSITELL determination form. If the recommendation is to administer the NYSITELL, the answer sheet is printed and the student is administered the test. The form is kept in the student's cum file. If the recommendation is not to administer the test, the form is sent to the to the superintendent for approval.

Students identified as ELLs are administered the NYSITELL within ten days of their registration date, and notification of the results are provided to the parents via letter. A meeting with the parents of the ELLs is set up after-school to explain the meaning of the level their child has scored, what materials will be used for their LA process, and the schedule of classes for ELLs. All ELLs and former ELLs are placed in dual language classrooms. They are further supported twice a week during Title III after school program, and Saturday academy.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Isabel	Lobelo	Teacher - Bilingual		

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	7	1.24%	7	1.26%		
BURMESE	2	0.36%	2	0.36%		
HAITIAN CREOLE	2	0.36%	2	0.36%		
ENGLISH	140	24.87%	137	24.64%		
SPANISH	412	73.18%	408	73.38%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

47 students

Grades to be served in this program. Select all that apply.

,6,7,8

Total number of teachers in this program:

4

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

4

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

1

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

A total number of 47 ELLs, which includes SIFE and former ELLs, will participate in the TIII after-school program.

The program will run on Tuesdays and Wednesdays from 3:00-5:00 p.m., and it will begin on Tuesday, October 7th, 2025, and end on Wednesday, March 4, 2026.

Students will receive instruction in English and Spanish.
There will be class trips to different parts of the City, plus a celebration of one major Holiday. There will also be an end-of-the year celebration and presentation of students' work, as well as a final trip outside of NYC for the whole program.

Trips:
Visit NYC boroughs to study the geography, and historical value of the land.
Visit the major bridges throughout the City, e.g., Brooklyn Bridge, GWB, Verrazano Bridge, etc.

Teachers to Receive Training: All four teachers in the TIII program receive PD through bi-weekly study groups, during PLC, as well as MLL leads workshops provided by the DOE and UFT programs on ENL teaching practices based on the new standards.

Schedule and Duration: In-house study groups meet according to grade bands two periods every two weeks for two periods: 3-5 meets Tuesdays, and MS 6-8 meets on Thursdays. Individual attendance of PD's varies per month or date.

Procedure:

1. MS ENL group will study about the chemical composition and specific functions of salt, sugar, and different spices, as well as the effect they have on different foods that are consumed by various cultural groups in NYC.

2. MS SIFE students need immersion and exposure to American culture; they need to make connections between real life and something to grab onto to wrap the language around it. Thus, using maps of NYC and the State of New York students will learn about location, climate, adaptation to the environment, as well as various cultural groups to familiarize themselves with the geographical environment of this city.

3. Literacy development is critical for all social interactions, but it is essential for academic learning. ELL students will increase their English Language Literacy through culturally responsive instruction that exposes them to the English language via the five language components key to language learning: phonology, semantics, syntax, pragmatics and morphology. This project-base endeavor will be done in context through meaningful and engaging learning activities around the theme of "New York State Wildlife". Students can research air, water, and animals that are native to the state. The culmination of this project will be a written and oral presentation to their teachers and

peers.

4. To advance MS ENL students' basic math skills, students will be taught using data such as population, average salaries and cost of living, connecting them directly to real-life situations across different states in the U.S. Practicing addition, subtraction, multiplication, and division in meaningful contexts, such as comparing the population of several states, calculate differences in median income, or determining how far a salary goes in a high versus low-cost of living area will not only strengthen their computation skills, but also help them understand economic and social differences across the country, thereby making math relevant, practical and engaging.

All studies will begin with a historical background of their respective subject. Secondly, trips will follow to further enhance students' knowledge and development of the topic. Lastly, the trip experience will be brought back to the classroom for discussion and to demonstrate what has been observed and learned, and this will culminate in an activity that will involve art, and/or poetry or music.

The program will be supervised by the administration at no cost to Title III Immigrant funds.

How many groups?
4 groups

How many students in each group?
ENL MS 20 students
SIFE students 14 --split into two groups of 7 students per group.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Based on the NYSITELL, NYSESLAT, IReady screener, SIFE screener data, State Tests, and in house Spanish tests, PS/IS 210's TIII after school program intends to expand English/Spanish language development among MLL students in the four modalities of language acquisition. Moreover, in reviewing the NYSESLAT results, we notice that the students at the Expanding level show a consistent deficiency in writing skills. Out of the 142 ELL students enrolled in our school, 7 scored commanding in the MS, and 4 scored commanding in the elementary school, to a total of 11 students. This means that 8% of the ELL population met ELP status, and that 82% did not reach the ELP goal.

After analyzing the students' trends and knowing their most important needs, TIII instruction will focus on helping students to develop the English and Spanish languages in the four modalities of LA. The fundamental objective of the program is to improve students' reading and writing skills, while creating and promoting appropriate learning environments. In addition to promoting the development of reading and writing using strategies, activities and resources that work on these specific skills, we will also work on phonological awareness and vocabulary development. In this way, English and Spanish learning students will be able to acquire the linguistic skills to improve their academic

Furthermore, TIII after school program intends to expand English language development among MLL students in the

four modalities of language learning: listening, speaking, reading and writing through context. Students through multisensory re-sources audio, texts, writing activities, art, etc., students will learn about different topics of NYC. Students will first engage in activities that focus on phonemic awareness and phonics to teach students to listen and identify English language consonant and vowels sounds, as well as learn the vowels' rules, and word formation. Students will use text around the five topics about NYC to talk about what they know, what to learn and what they learned from reading the text with the teacher in class. Students will practice reading and writing in class to support the skills they need to be able to access the curriculum to meet the Next Generation Standards.

To accomplish this goal, we will study NYC Waterways, Geography/Topography of NYC, History of the Bridges of NYC, and Emblematic Places of NYC.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

(a) ENL students are identified from the NYSITELL. (b) SIFE students are identified by the i-Ready Spanish test, as well as the initial in-house entry test. (c) English Proficient students low in Spanish are also identified by the i-Ready exam.

ENL student groups are a mixture of Newcomers, Emergent, Developing, Expanding, and recently made Commanding students.

We have a total of 65 students: 29 regular ELLs, 22 SIFE students, and 14 former ELLs, that are participating in the after-school program.

4th grade to 5th grade: 12 students
6th grade to 8th grade: 53 students

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Title III program will begin Tuesday, October 7, 2025, and end on Wednesday, March 4, 2026.

Title III program will meet for a total of 37 sessions.

The program will be offered two days a week, Tuesday and Wednesday from 3:00 to 5:00 p.m.

Following dismissal of the school day, 2:50 p.m., students are brought down to the cafeteria for a snack, and then down to the gym for a 15 minute recess. Students are then brought up at 3:30 for 90 minutes of instruction.

Any additional cost needed to implement the program will be taken from other school funding sources.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

Language of Instruction: The language of instruction for ENL Entering and LTE's students will be in English, with support in Spanish. Students identified as SIFE will be instructed in Spanish and English. EP students who are struggling in Spanish and are part of the Dual Language program will also receive instruction in Spanish with support in English.

Curriculum to be used was designed by the teachers in the program.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

There is one ESL certified teacher; three teachers are Bilingual certified.

The ENL component is taught by Isabel Lobelo, licensed ESL teacher for the MS grades.

SIFE instruction will be provided by Wendy Hernández, Spanish Literacy licensed teacher, and Yesenia Santana Special Ed Bilingual certified licensed teacher.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Teachers supplement the instruction with teacher-made materials. Art is much part of the learning experience therefore, we use construction paper, crayons, color pencils, markers, scissors, chart paper, glue, etc., to create foldable display boards, and visuals. In addition, students use laptops for research, worksheets, and folders; and reading materials are downloaded from different websites and along with worksheets these are copied, and distributed for the students to use.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Parents receive a letter inviting their child to participate in the Title III program. The program is also announced to the parents during the ENL Parent Meeting at the beginning of the school year. When the students return their signed letter, these are kept in a file in the MS ENL classroom by Ms. Isabel Lobelo.

Attendance sheets are kept by each teacher for each of their respective groups. Isabel Lobelo is in charge of attendance records. In addition, Ms. Lobelo follows up with students that are absent with the main office, and if a student needs to leave after regular school-day dismissal, a phone call is made to the parent or guardian to verify that the student has permission to do so.

Furthermore, teachers in the program meet for 1 hour/month to review how things are working out in each group, how students are progressing, and what needs to be revised.

Records are kept in the MS ENL classroom, room 410.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Teacher PD: All four teachers in the TIII Immigrant program receive PD through the contractually mandated time on Mondays after-school, bi-weekly study groups, as well as DOELLs and UFT programs on ENL teaching practices based on the new standards.

Content area training is done bi-weekly by grade bands 6-8. This is a compilation of learning walks where notes are taken for best instructional practices on how to address our Immigrant and ELL population academic needs, and study group meetings where data is analyzed to implement and modify instruction. In addition, this year for Monday's PD we will be implementing an ENL collaborative group to discuss all pertinent data of MLL/Immigrant students and develop a plan to integrate best ENL teaching practices. Moreover, grade teams and individual teachers also attend PDs, throughout the City, for all content areas for training of different foundations and strategies that focus on new methods of teaching not only MLL's literacy skills, but NLA as well.

Schedule and Duration: In-house study groups meet according to grade bands two periods every two weeks for two periods: MS 6-8 meets on Thursdays. Individual attendance of PD's varies per month or date.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Teachers need to hone existing skills and learn new ones, to continue growing in their field or expertise and apply these in their teaching. To this end, teachers in the TIII Immigrant after-school program attend different PDs provided by the DOELLs, in person or virtually, in different content areas such as ELA and social studies. Student data analysis, i.e., iReady, ELA and Math state exams, Spec. Ed. requirements, etc., are assessed during contractually mandated Monday PD, including ILT research and recommendations, as well as unfolding of Illustrative Math curriculums. This is done to rectify and apply new methods that will enhance rigor, develop reading and writing skills, as well as enhance comprehension for students to succeed academically.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

ENL teachers both attend PD's in their field provided by the DOE and UFT. in addition, all teachers in the TIII Immigrant program participate in weekly study group meetings, contractually Monday mandated PD, Chancellor's Day PD, and they also visit other schools to learn how to unfold and apply new curriculum in all study subjects, i.e., ELA, SS, MATH, SLA, SCIENCE, etc.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Contractually Monday mandated PD will be throughout the 2025-2026 school year, beginning September 8th, 2025, until June 22nd, 2026.

Total day sessions: 32 Monday PDs

Days of sessions: Mondays

Time and duration: from 3 to 4 p.m.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Student assessments, curriculum, schedules, routines, expectations of students' academic performance, and school behavior, develop robust writing.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Christina Cepero, Assistant Principal

Maria Gomez, ELA Coach

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Agendas, scheduled presentations by staff, attendance sheets, are all kept on file in AP office.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Rationale:

When parents are active participants in their children's education, it is a mutual gain. Keeping parents engaged in academic activities will give them a better understanding of the academic process of their children, and empower both parent and child alike. Moreover, acquiring knowledge of American History and life in this country will broaden their perspective of U.S. culture and customs, thereby expanding their experiences as immigrants in this country.

Parent Engagement will be aligned to the Social Studies theme that will be used with the students during the TIII program, primarily the study of food processing industry, the city's historical sites, recycling, and geography of the U.S.

The activities will be done on Saturdays, per session, by Ms. Nguyen Rivera, Bilingual Teacher.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Activities are based on data from NYCPS survey responses, SLT conversations, and feedback during parents/principal meetings.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

The parent engagement program It will begin Saturday, December 3, 2025, and end on Saturday, February 7, 2026.

Number of sessions: 7 (3 hours each)

Days of Sessions: Saturday, from 9:00 to 12:00 p.m.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

History of NYC and NYC historical sites.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Nguyen Rivera, Bilingual Teacher.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents will be notified by phone. Translation and interpretation unit will be called as needed. Parent participation will be kept on file in school.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Parent engagement activity provider will keep sign-in sheets, agendas, and the letters, including record of phone calls made to parents.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

N/A

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem	N/A	
Purchased services -High quality staff and curriculum development contracts.	N/A	
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.	N/A

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Total number of teachers in this program:

4

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

PS/IS 210's Title III Immigrant after school program intends to expand English/Spanish language development among ELL and non-ELL students, including immersing them in the study of American culture and customs, and the immigrant experience within the NYC area.

The program will be held after school, Tuesdays and Wednesdays from 3:00 to 5:00 pm.

A total number of 47 Immigrant students, which includes SIFE and former ELLs, will participate in the TIII Immigrant after-school program.

ENL 6th-8th graders = 13 students

SIFE 6th-8th graders = 17 students

Students will receive instruction in English and Spanish.

There will be class trips to different parts of the City, plus a celebration of one major Holiday. There will also be an end-of-the year celebration and presentation of students' work, and a final school trip for the whole program to Sterling, NJ.

Trips:
Visit NYC boroughs to study the geography, and historical value of the land.
Visit the major bridges throughout the City, e.g., Brooklyn Bridge, GWB, Verrazano Bridge, etc.

Teacher PD: All four teachers in the TIII Immigrant program receive PD through the contractually mandated time on Mondays after-school, bi-weekly study groups, as well as DOELLs and UFT programs on ENL teaching practices based on the new standards.

Content area training is done bi-weekly by grade bands 6-8. This is a compilation of learning walks where notes are taken for best instructional practices on how to address our Immigrant and ELL population academic needs, and study group meetings where data is analyzed to implement and modify instruction. In addition, this year for Monday's PD we will be implementing an ENL collaborative group to discuss all pertinent data of MLL/Immigrant students and develop a plan to integrate best ENL teaching practices. Moreover, grade teams and individual teachers also attend PDs, throughout the City, for all content areas for training of different foundations and strategies that focus on new methods of teaching not only MLL's literacy skills, but NLA as well.

Schedule and Duration: In-house study groups meet according to grade bands two periods every two weeks for two periods: MS 6-8 meets on Thursdays. Individual attendance of PD's varies per month or date.

1. MS ENL group will study about the chemical composition and specific functions of salt, sugar, and different spices, as well as the effect they have on different foods that are consumed by various cultural groups in NYC.

2. MS SIFE students need immersion and exposure to American culture; they need to make connections between real life and something to grab onto to wrap the language around it. Thus, using maps of NYC and the State of New York students will learn about location, climate, adaptation to the environment, as well as various cultural groups to familiarize themselves with the geographical environment of this city.

3. Literacy development is critical for all social interactions, but it is essential for academic learning. ELL students will increase their English Language Literacy through culturally responsive instruction that exposes them to the English language via the five language components key to language learning: phonology, semantics, syntax, pragmatics and morphology. This project-base endeavor will be done in context through meaningful and engaging learning activities around the theme of "New York State Wildlife". Students can research air, water, and animals that are native to the state. The culmination of this project will be a written and oral presentation to their teachers and peers.

4. To advance MS ENL students' basic math skills, students will be taught using data such as population, average salaries and cost of living, connecting them directly to real-life situations across different states in the U.S. Practicing addition, subtraction, multiplication, and division in meaningful contexts, such as comparing the population of several states, calculate differences in median income, or determining how far a salary goes in a high versus low-cost of living area will not only strengthen their computation skills, but also help them understand economic and social differences across the country, thereby making math relevant, practical and engaging.

All studies will begin with a historical background of their respective subject. Secondly, trips will follow to further

enhance students' knowledge and development of the topic. Lastly, the trip experience will be brought back to the classroom for discussion and to demonstrate what has been observed and learned, and this will culminate in an activity that will involve art, and/or poetry or music.

The program will be supervised by the administration at no cost to Title III Immigrant funds.

How many groups?
4 groups

How many students in each group?
ENL MS 20 students
SIFE students 14 --split into two groups of 7 students per group.

Delivery of Instruction: Immigrant SIFE students are split into two different groups of 8 students/group, MS ENL teacher alternates instruction with math teachers who do parallel teaching of small groups.

Program is supervised by the ENL Coordinator, who writes letters in Spanish/English to be sent home with the recruited students and they must return them duly signed by their parents accepting or declining their child's participation in the Immigrant program. The letters also state the duration of the program, including a calendar of the days and time that the program will function, holidays, etc. Attendance records are kept per teacher for each group for every Tuesday and Wednesday, and all teachers receive a separate copy of program calendar. If a teacher is absent, a certified teacher will substitute class instruction for that day.

In addition, parents are always notified ahead of time via letter of any changes, or invitations to a trip, as well end of program celebration. Moreover, students receive a daily snack once the final list of students is submitted and approved by Central. The ENL coordinator makes sure that every child receives a healthy snack, with fruit and drink. ENL Coordinator further organizes all-program trips by researching places, writing permission letters, obtaining transportation, finding the cost per student, and all details pertaining to the physical part of going to our destination, and returning to the school.

Finally, Immigrant program teachers meet prior and during the program to discuss budget, calendar, trips, student groups, how students are performing, and anything else that pertains to the program. We also meet with the whole program to explain expectations, structures, holidays, and program trips.

ENL Coordinator also breaks down the cost to run the program per the allocated amounts in the budget, beginning with the 60% of direct instruction, plus 10% parent engagement, to determine the duration of the program for the school year. Immigrant program is also supervised by a school administrator making sure that the program is running smoothly, and for support.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

Based on the NYSITELL and NYSESLAT state exams, SIFE screener data, HLA tools, PS/IS 210's TIII Immigrant after-school program assesses language proficiency levels as well as basic literacy skills in L1 to group the students, accordingly. It is our goal to bolsters English/Spanish language development and literacy among ENL and SIFE students through the different themes teachers have chosen for each group.

To accomplish this goal, students will be immersed in the study of NYC Geography; the history of NYC bridges; To advance MS ENL students' basic math skills, students will be taught using data such as population, average salaries and cost of living, connecting them directly to real-life situations across different states in the U.S. Practicing addition, subtraction, multiplication, and division in meaningful contexts, such as comparing the population of several states, calculate differences in median income, or determining how far a salary goes in a high versus low-cost of living area will not only strengthen their computation skills, but also help them understand economic and social differences across the country, thereby making math relevant, practical and engaging.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

A total number of 47 students ELLs, which includes ENL, SIFE and former ELLs, will participate in the TIII Immigrant after-school program.

Grades 6-8 28 ENL students: 12 Entering; 1 Emerging; 4 Transitioning; 10 Expanding; 1 Commanding

Grades 6-8 18 SIFE students: 8 Entering; 1 Emerging; 4 Transitioning; 5 Expanding

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

Program will run from Tuesday, October 7, 2025, to Wednesday, February 25, 2026

Total sessions: 32

Days: Tuesdays and Wednesdays

Time: from 3:00 to 5:00 p.m.

Students will have 15 minutes for a snack, and 15 minutes of recess, followed by 90 minutes of instruction.

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

Languages of Instruction: English with support in Spanish

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

Total teachers for instruction: 4 --one ENL certified teacher; the other four teachers are Bilingual certified.

The MS ENL component is taught by Isabel Lobelo licensed ENL teacher for the MS grades.

SIFE instruction will be provided by Wendy Hernández, Spanish Literacy licensed teacher, and Yesenia Santana Special Ed/Math Bilingual certified licensed teacher.

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

Materials used for all groups will include videos, articles, online images, interactive maps, and notebooks for students to annotate the information researched. Markers and color pencils are also available for Immigrant students, as well as other arts materials such as drawing paper, craft paper of all varieties, glue, scissors, etc., at no cost to the TIII Immigrant program since it's a leftover from last year's donations from World Vision.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

All records of TIII Immigrant program such as students' lists, letters that are sent home, attendance records, meetings notes, are kept in the ENL classroom by the ENL Coordinator.

The TIII Immigrant program is implemented upon properly distribution of funds, and a duration date is affirmed.

ENL Coordinator: Isabel A. Lobelo

School Administrator: Lidia Pellerano, Principal

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

Teacher PD: All four teachers in the TIII Immigrant program receive PD through the contractually mandated time on Mondays after-school, bi-weekly study groups, as well as DOELLs and UFT programs on ENL teaching practices based on the new standards.

Content area training is done bi-weekly by grade bands 6-8. This is a compilation of learning walks where notes are taken for best instructional practices on how to address our Immigrant and ELL population academic needs, and study group meetings where data is analyzed to implement and modify instruction. In addition, this year for Monday's PD we will be implementing an ENL collaborative group to discuss all pertinent data of MLL/Immigrant students and develop a plan to integrate best ENL teaching practices. Moreover, grade teams and individual teachers also attend PDs, throughout the City, for all content areas for training of different foundations and strategies that focus on new methods of teaching not only MLL's literacy skills, but NLA as well.

Schedule and Duration: In-house study groups meet according to grade bands two periods every two weeks for two periods: MS 6-8 meets on Thursdays. Individual attendance of PD's varies per month or date.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

Teachers need to hone existing skills and learn new ones, to continue growing in their field or expertise and apply these in their teaching. To this end, teachers in the TIII Immigrant after-school program attend different PDs provided by the DOELLs, in person or virtually, in different content areas such as ELA and social studies. Student data analysis, i.e., iReady, ELA and Math state exams, Spec. Ed. requirements, etc., are assessed during contractually mandated Monday PD, including ILT research and recommendations, as well as unfolding of Illustrative Math curriculums. This is done to rectify and apply new methods that will enhance rigor, develop reading and writing skills, as well as enhance comprehension for students to succeed academically.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

ENL teachers both attend PD's in their field provided by the DOE and UFT. in addition, all teachers in the TIII Immigrant program participate in weekly study group meetings, contractually Monday mandated PD, Chancellor's Day PD, and they also visit other schools to learn how to unfold and apply new curriculum in all study subjects, i.e., ELA, SS, MATH, SLA, SCIENCE, etc.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Contractually Monday mandated PD will be throughout the 2025-2026 school year, beginning September 8th, 2025, until June 22nd, 2026.

Total day sessions: 32 Monday PDs

Days of sessions: Mondays

Time and duration: from 3 to 4 p.m.

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

Student assessments, curriculum, schedules, routines, expectations of students' academic performance, and school behavior, develop robust writing.

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

Christina Cepero, Assistant Principal

Maria Gomez, ELA Coach

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

Agendas, scheduled presentations by staff, attendance sheets, are all kept on file in AP office.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Rationale:

When parents are active participants in their children's education, it is a mutual gain. Thus, we believe that an andragogical approach for parents will give them a better understanding of the academic process of their children, and empower both parent and child alike. Moreover, acquiring knowledge of American History and life in this country will broaden their perspective of U.S. culture and customs, thereby expanding their experiences as immigrants in this country.

Parent Engagement will be aligned to the Social Studies theme that will be used with the students during the TIII Immigrant program, primarily the study of salt, sugar and spices, the city's historical sites, and Geography of the U.S., and NYC.

Parents will be notified through letters, Robo calls and Remind both in English and Spanish. Translation and interpretation unit will be called as needed. Parent participation will be kept on file in school.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

This year Ms Nguyen Rivera will be the Parent Engagement Provider, and she will reach out to the parents of the students in the TIII Immigrant after-school program to invite them to a meeting to discuss what topics they would be interested in, topics that are covered in the after-school program during the week. In this meeting a decision will be reached as to the logistics of the meetings, i.e., Saturdays from 9:00 a.m. to 12:00 p.m., as well as the theme they would like to explore.

Nguyen Rivera will organize activities that connect to the history of NYC, as well as another topic parents agree upon. Research will be done through internet, books, and films, as well as field trips to different places within the city.

Because we have 47 ELL students that come from different countries, it is important that parents and students alike learn about the history of NYC, including its geographic location, its infrastructure, how all things work together within such a massive metropolis and how it connects to the rest of the country. Moreover, class trips expose students and parents alike to different cultures and programs seen in the city, and these experiences are brought back to the classroom for discussion and further learning.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

The parent engagement program It will begin Saturday, December 3, 2025, and end on Saturday, February 7, 2025.

Number of sessions: 7 (3 hours each)

Days of Sessions: Saturday, from 9:00 to 12:00 p.m.

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

History of NYC and NYC historical sites.

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Nguyen Rivera Bilingual teacher.

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Parents will be notified by phone. Translation and interpretation unit will be called as needed. Parent participation will be kept on file in school.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Parent engagement activity provider will keep sign-in sheets, agendas, and the letters, including record of phone calls made to parents.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
