SCHOOL NAME
Amistad Dual Language School

PRINCIPAL
Robin Edmonds

Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

Amistad Dual Language School

District Borough Number (DBN):

06M311

Grades Served:

K-8

School Address:

4862 Broadway, New York, NY 10034

Phone Number:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Robin Edmonds	Principal or Designee*	
Karla Franco	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Susanna Dominguez	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
	District Council 37 (DC 37) Representative (staff), if applicable	
Brenda Gonzalez	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
	CBO Representative, if applicable	
Phoebe Garcia	Member/Teacher	
Zaira Wallace	Member/Teacher	
Grace Bustos	Member/Parent	
Ediberta Bravo	Member/Parent	
Norma Rodriguez	Member/Parent	
Carmen Rosario	Member/Parent	
Yubelkis Matias	Member/Teacher	
	Member/	
	Member/	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Amistad Dual Language School aims to have all students equipped with the necessary skills to engage in a competitive world by teaching them to be critical thinkers, who learn through creative paths, while maximizing the power of two languages. Our mission is rooted in providing each of our students an individualized educational experience through various modalities and collaborative work to best accomplish student achievement. Together we foster a sense of communal responsibility and solidarity through the celebration of culture, language, and diversity.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

Amistad is a K-8 Spanish-English Dual Language school in which students learn and produce equally in Spanish and English. Our language allocation policy builds from an alternate day model to a alternating 2 week cycles as students develop biliteracy. Amistad teachers are fluent in both Spanish and English, and we employ a self-contained model so that our teachers serve as exemplars to our students.

Additionally, Amistad offers all four arts modalities (music, visual, dance, and theater) to all of our students.

Briefly summarize the key initiatives your school will implement this school year.

Amistad will use formative assessment to monitor student learning and inform teacher practice to improve outcomes. This will include:

- Create and implement meaningful, standards-based common formative and summative assessments in Literacy and Mathematics at weekly.
- Collectively norm grading, use common rubrics, and analyze student work and data with the intention of identify instructional areas of focus and share best practices.
- Provide timely, accurate, and specific feedback to students that will guide improvement towards mastery.
- Differentiate appropriately using assessment data to support student learning.
- Participate in data inquiry cycles during common planning at least four times per week.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-2	Expeditionary Learning	
ELA	K-2	Phonics: Fundations / Estrellita	
ELA	3-8	Expeditionary Learning	
Math	K-8	Illustrative Mathematics	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
I-Ready Diagnostics showed that 47% of students were on or above grade level in Vocabulary.	In teaching and learning in two languages, we often default to teaching definitions as opposed to skills around using context or word parts to determine meaning.	Vocabulary Development
NYSED State Test data reveals we leave the most amount of points on the table around Reading Standard 2 (Analyze how and why individuals, events, and ideas develop and interact over the course of a text.)	We often anchor in novels in which understanding is supported and developed throughout the reading. However, individual analysis opportunities for shorter texts and excerpts needs to be further developed.	Development of Text Structure and Analysis
Acadience Data shows kinder students	Though improvement has been noted, phonemic	Dual

performing below benchmark	awareness and connection to encoding and decoding in two languages is challenging as phonetic "rules" are different for each English and Spanish.	Language Phonics Development

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	54%	By June, 2026, literacy for All Students will improve, as measured by a 6% Increase, from 54% to 60%, of percentage of students scoring at Levels 3 & 4 on the NYS ELA Regents exam results.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

-Increase Phonics Instruction through decodable texts.

Root Cause Addressed:

In a Dual Language setting, utilizing specific phonics programs with supporting decodable texts supports students in practicing the structure and linguistic rules of each language.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Use of Core Phonics assessments to identify student assets to strategically match strategies and texts.
Weekly Teacher Team meetings with Instructional Coach
Use of UFLI structure in both English and Spanish phonics instruction

Key Strategy 2 (Optional):

Increase balance of informational and fiction texts, and novels and excerpts.

Root Cause Addressed:

Increase access to varied texts to ensure that students are able to identify and use the structure of each text type to analyze the central message (R2) and how the text elements develop over time (R3).

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Teacher team meetings with coaches and admin to address varied curricular texts.
Allocate funding to provide varied text in English and Spanish within thematic units.
Use of in-school and after-school intervention to provide additional small group support to struggling students.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Daily Common Planning that includes data inquiry cycles and professional learning opportunities. During this time teachers are able to strategically monitor student mastery in targeted areas, receive support around practice to help students improve those areas, a nd reassess and monitor toward mastery.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
	04/20/2026	Conduct parent workshops for supporting students in reading and writing	
06/30/2025		Work with CBO to support students academically in literacy during after school programs	FYI and Uptown Stories

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Literacy Coach(es) K-8

Instructional Resources

Fundations, Heggerty, UFLI, Estrellita, Expeditionary Learning

Schedule Adjustments

Double periods of literacy in K-6, additional period in K-2 focused on phonics instruction in English and Spanish.

Other Resources Needed

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
52% of students answered affirmatively on the following school survey question: What percentage of students say that their teachers support them when they are upset?	The Middle School is departmentalized and teachers have less time with each student to develop relationships so that then can identify when students are upset in order to provide support.	Teacher SEL Support of Students

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	52	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 8% Increase, in percentage of positive student responses to survey questions about feeling supported by their teachers from 52 to 60, per the NYC School Survey results.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Ensure all students begin their day with daily community building through morning meetings.

Root Cause Addressed:

Build positive relationships between students and staff.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Program morning meeting in the master schedule.
Provide new teachers with SEL pedagogy and PD to be able to build stronger relationships with students and support their needs.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
		Invite families of all grade levels to participate in school-wide classroom celebrations	
		Provide parents with parenting workshops around supporting the social and emotional needs through Social Worker and ACDP	ACDP

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Social Worker, SEL Coordinator

Instructional Resources

Lions Quest SEL and Harmony

Schedule Adjustments

Ensuring SEL through all students being scheduled for daily morning meeting and community building.

Other Resources Needed

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Approximately 60% of 6th and 7th graders are proficient in math as per the NYS Math Test	Building dual intensity for understanding the conceptual and computational understanding of mathematics.	Provide High School Level courses for 8th Graders

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	81	<School Name> will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of 8th graders receiving HS Level Credit on the Algebra Regents will Increase by 4% from 81 to 85, for All Students, as measured by NYS Algebra Regents Exam results .

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Weekly intervention after school

Root Cause Addressed:

We will be able to address the skill gaps resulting from advancing through the 8th grade curriculum.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Weekly after school intervention to target students below grade level.
Saturday Academy to support Tier 2 students with Algebra standards mastery
Weekly iReady periods to help provide differentiated support and progress monitoring.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Teachers have daily common planning during which data inquiry cycles occur along with targeted PD and coaching to support teacher practice toward student mastery.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
06/09/2025	05/27/2026	Math resources provided digitally for families to support at home.	
	06/14/2026	Increase student participation in math programs on Saturdays by leveraging sports programs before or after through the CBO partnership	FYI

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Teachers for intervention and Saturday Programs

Instructional Resources

Illustrative mathematics and JMAP

Schedule Adjustments

None

Other Resources Needed

Graphing Calculators

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
30% of students are identified as ENL	High immigrant population within the neighborhood results in disproportionate ENL population.	English Language Acquisition
79% of families are considered economically disadvantaged.	High immigrant population within the neighborhood results in disproportionality of financial stability.	Financial Insecurity

45% of ENL students tested below grade level in 2024	High proportion of ENL students who are also SWD	Student Literacy

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
English Language Learners (ELL)	57%	<School Name> will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the 60% for English Language Learners (ELL) will Increase by 3% from 57% to 60 as measured by ELP Growth of the NYSESLAT .

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

-Additional Learning Time
-Small Group Instruction

Root Cause Addressed:

New-comer students will have less language exposure or understanding of the English structure.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Students will have intervention weekly, Saturday Academy at least 4x and additional Title III support.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Teachers will utilize "Mini Mock" data to specifically monitor the acquisition of high leverage standards. Additionally, iReady diagnostics will be given and analyzed 3 times per year for growth measures.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
		The school will sponsor financial literacy workshops including personal finances and saving for college	Cruz Business Solutions

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
84% of our students are economically disadvantaged	Economic and educational impact	Provide school supplies
84% of our students are economically	Economic and	Expand after school options

disadvantaged	educational impact	
1% decline in parents responding favorably to "My child is progressing in math as I would expect."	Communication with parents about Math Shifts	Provide parents with additional information and resources regarding the math shifts.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	94%	<School Name> will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the Percentage of families responding favorably on the NYC School Survey to "My child is progressing in math the way I would expect." will Increase by 3% from 94% to 97% as measured by NYC School Survey Results.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

-Targeted Parental Outreach
-Monitoring and Communication by staff with families and students including growth awards

Root Cause Addressed:

Extended vacations
Lack of parental routines and expectations

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Attendance expectations letters and school calendars sent home BOY
Parental outreach for at-risk students and students with chronic absenteeism completed by Parent Coordinator and Attendance Team.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The parent coordinator and attendance team will monitor student attendance patterns, conduct family outreach and develop support plans to decrease chronic absenteeism.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/09/2025	06/25/2026	Social Worker and Guidance Counselor to meet with families of chronically absent students to develop support plans	
	06/25/2026	Family therapeutic support provided to those identified in need.	ACDP

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Social worker, attendance team members, Parent Coordinator

ACDP

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
Full progress reporting on IEP goals was at 41%	Need for clearer expectations for SESIS Periods & Goal Monitoring	IEP Development and Fidelity of Implementation
June 20th we were at 68% compliance	Need to complete transition planning earlier by creating calendar	Transition Planning and Compliance

Reduce referral rates by providing stronger MTSS and early intervention	Strengthen MTSS	Referral Process and Equity
Calls to de-escalate	Need for greater staff and para training on de-escalation	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	41%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve Improve the effectiveness and frequency of progress monitoring for students with Individualized Education Programs (IEPs) to ensure timely adjustments to instruction and support. by a 59% Increase, from 41% to 100, as measured by Progress Monitoring of IEP Goals.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Provide professional development on progress monitoring best practices and tools by October 2025. Schedule regular data review meetings with special education staff and service providers to analyze student progress and make instructional adjustments.

Root Cause Addressed:

Provide support to teachers around unfinished monitoring and systems to support monitoring.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide professional development on progress monitoring best practices and tools
Schedule regular data review meetings with special education staff and service providers to analyze student progress and make instructional adjustments.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Monitor fidelity of implementation through bi-monthly administrative check-ins and audits of progress tracking logs.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
		Engage families with progress reports and conversations related to goals	

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Special Education Teachers, Assistant Principal

Instructional Resources

as needed based on goals

Schedule Adjustments

SESIS periods for Special Ed Teachers

n/a

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 3	Students at a level 1 in math and / or literacy	In school small group instruction	Small Group Instruction	During School	Max Scholar, I Ready (Y), IXL (Y)
Tier 2	Students at a level 1 or 2 in math and / or literacy	After school tutoring	After school / Saturday tutoring	After school	I-Ready (Y), IXL (Y), NewsELA (Y)
Tier 2	Entering, emerging, transitioning ENL Students	ENL Title III Support	After school intervention and ENL Support	after school	NewsELA (Y)

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Teacher recommendation	weekly check-in	Weekly individual or small group check-ins with SEL coordinator / Guidance Counselor / Social Worker	During School	No
Tier 3	Family / Teacher data	ACDP Counseling	Weekly 1-1 Counseling	During School	No
Tier 2	Student choice	Lunch Bunch	Small group weekly	During School	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

The school will communicate with parents around MTSS supports and student needs through:
-letters home outlining support plans including in-school and after-school intervention.
-Providing parents with resources that can be used at home to support learners.
-Hosting parent workshops to engage parents as educational partners.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Parents receive progress updates in November after base-line data is analyzed in family conferences and again in March. Diagnostic data is shared with families through family-facing iReady reports.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Parents receive written communication about the frequency, duration and focus of offered interventions and provide permission for students to participate. Additionally, parent workshops are offered in both literacy and math to support parents as educational partners.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

52

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

There has been an increase of students in temporary housing compared to previous year's data. Of the STH students, 25% of them have chronic absenteeism.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

School backpacks and supplies will be provided to all students. Families will be provided resources for childcare, after school support, and food scarcity. We will partner with FYI, our CBO, to ensure that families are adopted for holiday meals.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

1

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

-Door to door transportation is provided
-Student receives all school supplies as well as clothing to support
-The student engages in counseling services

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

We have one foster student who we are able to focus on. The child is an ENL SWD. He has shown improved attendance this school year and began ICT services.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

-Daily morning meeting time
-Weekly support from the guidance counselor

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

Amistad will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

Amistad, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

PD: Max Scholar, Math Pedagogical approaches (i.e. Three act tasks, three reads, number / dot talks)
Student Intervention
Mastery Standards Assessment
Small Class size

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

Fundations / Estrellita phonics programs
Heggerty in English and Spanish

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	249155	X	PD, Intervention, Small Class size
Title I, School Improvement 1003(a)	Federal	n/a	X	n/a
Title II, Part A	Federal	30509	X	Small Class Size
Title III, Part A	Federal	16371	X	Intervention
Title III, Immigrant	Federal	n/a	X	n/a
Title IV, Part A	Federal	5973	X	Intervention
Tax Levy	Local	3651454	X	Small Class Size

(Fair Student Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Robin Edmonds
Assistant Principal (Where Applicable)*	Olga Ramos
English as a New Language (ENL) Teacher*	Florely Pizano
Teacher (if school has a bilingual program must be a bilingual teacher)*	Janilda Valentin
Parent/Guardian*	Marisol Leyva
Teacher	Zaira Wallace
Parent Coordinator	Fatima Abarca
School Counselor	Juan Bello
Related-Service Provider	Jose Matos
Coach	Estephania Urena
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

1

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

2

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

26

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

10

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

1

Total number of teachers with LOTE certification providing World Language instruction:

1

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

1

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

393

Total number and percentage (%) of current ELLs:

121, 30.8%

Total number and percentage (%) of former ELLs:

45, 11.5%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

92, 76%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

21, 17.4%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

8, 6.6%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

4, 3.3%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

47, 38.8%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	GE	Spanish	21 years	1	0	0	0	0	0	1	1	1					4
DLBE	ICT	Spanish		1	2	2	2	2	2	1	1	1					14
DLBE	SC	Spanish									.5	.5					1.0
				total: 2	total: 2	total: 2	total: 2	total: 2	total: 2	total: 2	total: 2.5	total: 2.5	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

As per CR Part 154 students are serviced in the following way:

Instruction for MLs/ELLs is delivered in the stand alone English as a New Language (ENL) program in a pull out model.
Stand-alone services are heterogeneous, mixing Entering and Emerging ELL levels and they are grouped together for language based instruction.

7th grade services are provided in heterogeneous grouping, by grade and in a separate room provided by Mrs. Baz.

8th grade services are provided in heterogeneous grouping, by grade and in a separate room provided by Mrs. Baz.

These students meet at least 4x/week in the stand-alone setting.

Integrated ENL:

As per CR Part 154 students are serviced in the following way:

Integrated English as a New Language (ENL) is co-taught by an ELA or other content teacher as ell as an ESOL/ENL certified teacher.

7th grade services are provided in heterogeneous grouping, by grade level, in the classroom during CORE ELA and provided by Mrs. Baz.

8th grade services are provided in heterogeneous grouping, by grade level, in the classroom during CORE ELA and provided by Mrs. Baz.

Students who have tested out and are now Former ELLs receive flexible services in heterogeneous small groups within the classroom.

b. Bilingual Education (If applicable)

Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

For the academic school year of 2025-26, the Amistad Dual Language School will be composed of two dual language classes per grade level and one self-contained class from K-8th totaling 19 sections.

Teachers in the DL program are dually-certified (bilingual extension and Early Childhood/Common Branch licenses) or paired with a certified teacher which together engage in a 50/50 model of Instruction in English and Spanish supporting the development of both languages.

In all classrooms in grades K-6, ENL services are provided in our DL classes by the classroom teacher(s).
Students are grouped in cohorts by grade level and heterogeneously with a mix of proficiency levels within each class.
Integrated services are provided by the DL classroom teacher(s) during the literacy block.

In grades 7-8, ENL services are provided using both the integrated co-teaching and stand alone model by ESOL/ENL certified teachers Florely Pizano and Melissa Baz.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

Before the beginning of every school year (late August and September), NYSESLAT score reports are reviewed by administrators Principal Edmonds/AP Ramos and the STARs programmer Angel Peralta. Students are then programmed denoting the appropriate mandated CR Part 154-2 Units of Study per their latest proficiency level.

Reports providing ENL proficiency data are run at least once a month thereafter or as new students are enrolled. Some reports which are reviewed are the EDUR and RLAT. Reports are often reviewed by AP Ramos, ENL Lead Florely Pizano and Stars programmer Angel Peralta. Our model exceeds the mandated minutes for ENL instruction.

All classroom teachers have bilingual extensions. All entering and emerging ELLs receive more than the mandated 360 minutes of instruction (180 standalone/180 integrated). Similarly, all transitioning and expanding ELLs receive more than the mandated 180 minutes of ELL instruction.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

Within our Dual Language Program students for grades K-6 are immersed in both English and Spanish in all content areas (ELA/HLA, Math, Science & Social Studies).

ELA instruction encompasses foundational skills, literacy (reading & writing), and small group instruction.ELA/NLA instruction occurs as follows: K/1: eng 6-9 periods a week ; 3-6: 10 periods a week ; and 7/8: 8 periods a week.

ENL: For K-6, integrated ENL is provided during ELA time. For 7-8, integrated ENL support is provided during ELA time and stand alone ENL is scheduled separately.

HLA is an integral part of our Dual Language program, with students receiving multiple CORE subjects in their home language by bilingually certified teachers. Students' native /home language is used as a scaffold during literacy and for ENL support.

For grades 7 and 8 we have a certified Spanish LOTE teacher, Mrs. Baz, who provides the mandated HLA course (180 minutes a week) for all of our middle school students in our Dual Language program.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

At 06M311 the Dual Language Program follows a one-way (self-contained) model where ELLs and non-ELLs learn two languages in one classroom with one teacher who switches the language of instruction.

Our Dual Language Program is simultaneous with a 50% English and 50% Target Language/Spanish.

Our language allocation policy varies by grade:

In K-1, we follow an alternating day model. For example, students' instructional language is Spanish on Monday, Wednesday and Friday and in English on Tuesday and Thursday.

In grade 2 , we follow an alternating half-day model for alternating 1-week cycles so that students are equally exposed to all content areas in both languages. In the half-day model, students receive instruction in one language in the morning and another language in the afternoon.

In grade 3-4 , we follow an alternating half-day model for a 3-2-3 week cycle (example: 3 English- 2 Spanish- 3 English) so that students are equally exposed to all content areas in both languages. In the half-day model, students receive instruction in one language in the morning and another language in the afternoon.

In grades 5th - 8th, we follow a full day language distribution for a 3-2-3 week cycle (example: 3 English- 2 Spanish- 3 English).

The Literacy Intervention program is a pullout program that schedules students in small groups (homogeneous) or in one-to-one rations. Scheduling of students varies from two periods per week to four periods per week, as needed.

b. In which language(s) is each core content area taught?

As a 50-50 Dual Language Model our students are immersed in both English and Spanish in all content areas (ELA/HLA, Math, Science & Social Studies)

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

n/a

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

Newcomers: 76% of our ELLs are newcomers.

For students designated as Newcomers our teachers create a language rich classroom environments in both English and in Spanish to assist in creating purposeful language experiences during instruction.
Literacy is supported via shared reading and close read alouds with teacher voice support, and the writing component is supported with Interactive writing and the use of the Workshop model as well as explicit instruction/modeling which again uses a gradual release of responsibility format. EL Education peer to peer discussion protocols, language dives, and conversation cues scaffold and support both social and academic language development in the home language and in the target language.
Literacy is heavily supported in the home/dominant language until the students demonstrate proficiency in the new language (English) as demonstrated on formative assessments, diagnostics, quizzes, and end of unit/module writing projects.
We introduce Reading and Writing in the second language (English for ELLs and Spanish for EPs) after the student demonstrates decoding skills and basic comprehension. At this point, the reading strategies transfer and we support the students with rich book introductions and shared or small group reading.
The focus is very heavily based on building receptive language in an effort to have the foundational skills transfer over into the expressive and productive language.
Our ELA/EL units and modules reflect the read-talk-write cycle that not only allow our MLs/ELLs to improve text comprehension and oral and written language, but also hone their skills in critical interpretation, academic language, and argumentation around a topic.
Manipulatives are used in Math and we incorporate games and opportunities to rehearse academic language. Math Language routines, a critical component of Illustrative Mathematics, give ample opportunities for students to make their thinking visible regardless of the language of instruction. Peer responses and explanations serve as models for the target language. Interactive Smart Boards (in each classroom) provide visual support throughout each content area. All Newcomers are invited to attend our after school Title 3 program for language development in English.
If we had a newcomer in a testing grade they would receive appropriate testing accommodations for extended time as indicated by the Principal and other relevant team members. The difference in approaches for students designated as Developing or long term, is that the data gathered from the NYSESLAT and EDAT is analyzed to

explicitly target modalities found to have been stagnant or non improving with these subgroup. Teachers then explicitly create instructional experiences for these particular students which would heavily incorporate identified modality/ies providing students with appropriate scaffolds along the way to be successful. Although teachers formatively assess daily they also monitor student progress explicitly when targeting modalities.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

3.3% of our ELL students have been identified as SIFE.

In addition to providing SIFE with scaffolds and supports, we provide SIFE and their families with wrap around services that may involve our guidance counselors and/or our Family Coordinator. Teachers ensure that we are using an assets-based approach with SIFE.
Long Term: 2.2% Although approaches for Developing and Long term ELLs are similar in that the data gathered from the NYSESLAT and EDAT is analyzed to explicitly target modalities found to have been stagnant or non improving with these subgroup. Teachers then explicitly create instructional experiences for these particular students which would heavily incorporate identified modality/ies providing students with appropriate scaffolds along the way to be successful. Although teachers formatively assess daily they also monitor student progress explicitly when targeting modalities.
The added layer for Long Term ELLs is that we also try to identify if students are not making adequate progress based on any social emotional aspects as well. If that is the case, then the SEL Advisor, Guidance Counselor, Teacher, Parent and potentially the student engage in the creation of an action plan to support the student reevaluating the plan when necessary.

Former ELLs: 10.4% For our former ELLs

We integrate ENL instruction in the content areas where the focus is heavier on high utility vocabulary words found throughout the content areas being studied. Content teachers assess instruction daily and gather data for inquiry cycles as well. As additional support our formerELLs receive testing accommodations for extended time and depending on need, may be in a Tier 2 intervention group. Supports within the classrooms continue as needed.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

6.6% of ELLs are long-term ELLs.

Although approaches for Developing and Long term ELLs are similar in that the data gathered from the NYSESLAT and EDAT is analyzed to explicitly target modalities found to have been stagnant or non improving with these subgroup. Teachers then explicitly create instructional experiences for these particular students which would heavily incorporate identified modality/ies providing students with appropriate scaffolds along
the way to be successful. Although teachers formatively assess daily they also monitor student progress explicitly when targeting modalities. The added layer for Long Term ELLs is that we also try to identify if students are not making adequate progress based on any social emotional aspects as well and comparing progress to true peers. If that is the case, then the SEL Advisor, Guidance Counselor, Teacher, Parent and potentially the student engage in the creation of an action plan to support the student reevaluating the plan when necessary.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

11.5% of our students are former ELLs.

For our formerELLs we integrate ENL instruction in the content areas where the focus is heavier on high utility vocabulary words found throughout the content areas being studied. Content teachers assess instruction daily and gather data for inquiry cycles as well. As additional support our formerELLs

DBN: 06M311 School: Amistad Dual Language School

137 of 188 receive testing accommodations for extended time and depending on need, may be in a Tier 2 intervention group.

Supports within the classrooms continue as needed.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

The top 3 at-risk indicators impacting the greatest number of ELLs in our building are:
Newcomers ELLs 76%, ELLs scoring L1 & L2 in the ELA and Math assessments, 31.4% and 30.4% respectively and ELLs who did not demonstrate sufficient ELP progress 32.2%

When comparing the data to the one from the previous school year (2023-24 v. 2024-25), we can say that:

1) The % of newcomer ELLs has increased from 67.6% to 76.0% (8.4%)

2) The % of ELLs who scored L1 & L2 on the NYS ELA and Math state exams has decreased, from 35.3% to 31.4% in ELA (3.9%) and in Math from 36.0% to 30.2% (5.8%).

3) Students who did not demonstrate sufficient ELP progress has decreased from 39.7% to 32.2% (7.5%)

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

The most concerning at risk indicators impacting FormerELLs in our school are related to academic performance. In ELA our FormerELLs who scored L1 or L2 increased from 29.3% to 37.8% (8.5%), while in Math there was also an increase from 34.1% to 35.6% (1.5).

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

In 2025, the only HL other than English represented at our school is Spanish, with a total number of 121 students speaking this language at home. Although we had a school-wide decrease of 15 students with a Spanish HL from 2024 to 2025, it is important to note that the major decrease took place in the middle school (grades 6-8) going

from 40 students with a Spanish HL in 2024 to 31 students in 2025.

Communication between school and home is accomplished via the DOE messaging system which facilitates communication in both English and Spanish. More than 50% of our school staff is bilingual and are able to communicate successfully with our community. We maintain a
bilingual school webpage which also provides information in both English and Spanish.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

As per information provided by families during the enrollment process, 100% of our ELL families identified themselves as Hispanic ELLs.

Within the Hispanic ELLs, the 2024 ethnicity breakdown is as follows: 62.0%% are American Indian or Alaskan Native; 16.5% are Black; 11.6% are White; 6.6% identify themselves as multiracial and 3.3% are Pacific Islander. When comparing this data to the ethnicity breakdown from 2023, we see an decrease in the top ethnicity group: American Indian or Alaskan Native went from 68.4% to 62.0% (
6.4%).

Ells are included in the planning and delivery of Culturally responsive and sustaining Education in the following ways: Teacher and students create a welcoming and affirming environment by incorporating ideas and perspectives within curriculum, fostering risk taking and allowing mistakes to be viewed as opportunities to grow. Also by fostering high expectations and rigorous instructions by having students co create explicit classroom expectations that meet the needs of all students while providing access to grade standards. Helping students to identify their different learning styles in both classwork and homework and incorporating instructional strategies/assignments that are responsive to those learning styles. Identifying inclusive curriculum and assessment by highlighting resources written and developed by traditionally marginalized voices that offer diverse perspectives.
Utilizing student data points and assessment measures that reflect learning spaces, modalities, and demonstration of proficiency that go beyond metrics traditionally associated with standardized testing. Additionally, connecting instructional content with the daily lives of students by using culturally specific examples (e.g., music, movies, text) that tap into their existing interests, knowledge, and youth culture.
Lastly, engage in ongoing professional learning and support by continuing to learn about implicit bias, with attention to identifying and challenging your own biases, and identifying and addressing implicit bias in the school community.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

The percentage of ELLs exiting their ELL status has decreased by 2.3% from 2023 to 2024 (26.4% to 24.1). The % of ELLs meeting annual progress targets (method 2) in 2024 went up to 25.3% from 22.6% in 2023. Additionally, while no student met safe harbor targets in 2023 in 2024 5.7% met safe harbor.

When it comes to ELLs not making ELP progress, in 2023 50.9% of ELL population did not meet any of the methods of ELP progress while in 2024 only 44.8% of our ELL population did not meet any of the methods for ELP progress. As compared to last year fewer than 50% of our ELLs students did not meet ELP state targets.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

The % of students exiting their ELL status has decreased by 2.3%, from 26.4% in NYSESLAT 2023 to 24.1% in NYSESLAT 2024.

Additionally, expanding level ELLs and entering level ELLs continue to be the groups with the highest and the lowest representation in our school, respectively.

The % of students scoring at the expanding has increased from 25.6% to 35 .3%, transitioning level has decreased from 24.8% to 18.1%), emerging has increased from 13.6% to 14.7% and entering level has increased slightly from 13.6% to 13.8% (although the actual number of entering ELLS has decreased from 17 to 16) .

Although the % of students at the expanding level is still the highest one in school, the proportion between expanding and entering level ELLs has changed. Based on 2023 NYSESLAT results, the % of expanding level ELL students was almost twice the % of entering level ELLs (13.6% v. 25.6%), while 2024 NYSESLAT results indicate that the % of expanding level ELLs is now approx. 2.5 times the % of entering level ELL (13.8% v. 35.3%).

Points to Next Proficiency Level

2024 NYSESLAT results indicate that 17% (7) of the expanding level ELLs were between 1 to 10 points away from scoring commanding while 46% (31) were less than 20 points away from scoring commanding and exiting their ELL status. These are the students that are closer to reaching English proficiency and exit their ELL status.

Additionally, 14% (3) of the ELL students who scored at the transitioning level were 10 or less points away from scoring expanding.

Modalities of Strength

Based on the 2024 NYSESLAT results, 31.8% of the ELLs in our school HIGH (90% or more questions correctly) in the speaking modality. This is 1.5 times the % of ELLs scoring HIGH in listening (20.6%), more than three times the % of ELLs scoring HIGH in reading (9.4% and more than four times the % of ELLs scoring HIGH in writing (7.8%).

Overall, based on “modalities of strength” data, grades 1, 3, and 5 have the highest percentages of ELL students (15 or more) answering 90% or more of the questions correctly across modalities. Contrarily, grades K and 2 have the lowest percentage of ELLs (10 or fewer) scoring HIGH across modalities.

Modalities of Need

While fewer ELLs scored HIGH in writing (7.8%) than other modalities, only 11.2% scored LOW (15% or less questions accurately) in this modality.

As per 2024 NYSESLAT results, 23 ELLs (19.8%) in our school scored LOW in Speaking . This means that one fifth of our ELLs are struggling with the speaking modality. This may be correlated to our high number of Newcomer ELLs (92 Students; 76.0%).

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

ELA
42.5% of all of the ELLs, including those who scored commanding on the 2024 NYSESLAT, scored a 1 in the 2024 ELA state test. This is 2.3 percentage points less than the % of ELLs who scored a 1 in the 2023 ELA state test (44.8%).

18.5% of expanding and commanding level ELLs, scored proficient (level 3 and 4) in the 2024 ELA state test. This is 0.9% less than the % of expanding and commanding level ELLs who scored proficient in the 2023 ELA state test (19.4%)

14.8% of students of students scored commanding and scored level 1 or 2 on the 2024 ELA state test. This means that although these students have exited their ELL status and are now considered English proficient, they do not meet grade level standards in reading and writing.

Math

26% (17) of the ELL students who took the 2024 MATH state test, including those who scored commanding on the 2024 NYSESLAT, scored a 1 in this test. This is approx. 9 percentage points less than the % of ELLs who scored a 1 in the 2023 MATH state test (27; 35%). Although fewer ELL students scored a 1 on the MATH state test this year, we still have more than one fourth of our ELL students scoring far below grade level.

More ELL students scored proficient (levels 3 or 4) in the 2024 MATH state test, going from 19.4% in 2023 to 29% in 2024.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

IEP:
In SY 2023-24, 41.4% (48) of ELLs had an IEP.

This is an increase of approximately 5 percentage points when compared to SY 2022-23 (36.%);

10.4%, 20.8%, 20.8%, and 37.5% of ELLs with IEP scored at the emerging, transitioning, and expanding proficiency level respectively in the 2024 NYSESLAT exam.

10.4% of the ELLs with IEP scored commanding in the 2024 NYSESLAT exam.
There was a 12.5% point increase in the number of students who scored expanding or commanding from Sp 2023 to Sp 2024 NYSESLAT from 35.5% in Sp 2023 to 41.4% in Sp 2024 NYSESLAT.

SIFE
3.4 % of ELLs are SIFE. (4 Students)
This is a decrease of 1.4 percentage points when compared to SY 2022-23 (4.8%; 6);

As per NYSESLAT 2024 results, 2 SIFE ELLs scored at the entering level and 2 students scored at the emerging level. In the 2023 NYSESLAT, 5 students scored at the entering level and 1 student scored at the emerging level.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

As a dual language school, most teachers in our ILT are bilingually or ENL certified.
We have restructured our teacher schedules to reflect 4 Common Planning periods during the week, aside from their contractual preparation periods, which are solely used to engage in reviewing student progress towards goals for our MLLs. This structure was able to be created by funding a K-5 Science Cluster, as well as an SEL teacher for 6-8th grades as well as expanding the Arts team. These positions allowed us to schedule teachers for Grade/Content Common Planning time.

At our school, we view bilingualism as an asset and as a resource. Thus, in order to provide MLLs with a high quality academic experience, teachers' planning and delivery of instruction ensures connections between MLL's home language and classroom learning. Examples of this include: teaching for cross-language connections throughout the day and across the curricula; identifying cognates; using students' HL to build background knowledge. This work is highlighted by interconnecting reading, talking, and writing opportunities to improve content knowledge, vocabulary, and comprehension for ML/ELLs via our shift to EL Education as our primary curriculum. Next year, we look forward to deepening the work and opportunities for ML/ELLs to engage in high quality instruction with our continued roll out of the EL Education curriculum. Teacher teams have worked diligently during curriculum planning time to make EL accessible to all learners in both English and Spanish during our language cycles.

knowledge, vocabulary, and comprehension for ML/ELLs via our shift to EL Education as our primary curriculum. Next year, we look forward to deepening the work and opportunities for ML/ELLs to engage in high quality instruction with our continued implementation of the EL Education curriculum. Teacher teams have worked diligently during curriculum planning time to make EL accessible to all learners in both English and Spanish during our language cycles.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

In order to support the instructional design for ELLs, the ILT has made budgetary decisions in order to provide teachers with explicit time to come together horizontally as grade teams as well as vertically to engage in curriculum work involving necessary shifts to Expeditionary Learning, analyze data and plan for targeted next steps.

We have restructured our teacher schedules to reflect 4 Common Planning periods during the week, aside from their contractual preparation periods, which are solely used to engage in the work described above. This structure was able to be created by funding a K-5 Science Cluster, as well as, a SEL teacher for 6-8th grades as well as expanding the Arts team.

Other supports include engaging teachers in professional learning cycles with in house Literacy coaches where strategies and other pedagogical practices of higher leverage to ELLs are discussed and explored such as explicit vocabulary development, extended writing as a platform to build language and knowledge, student discussions and peer collaboration, rich grade level text to build knowledge and language skills.

Lastly, we modify our Literacy development approach in recognition of students learning a New Language. Hence the way data is gathered in grades K-2: Acadience (screener), iReady, the CORE Phonics surveys in English and Spanish, in addition to ongoing formative and summative assessments in both languages.

We use this same structure when it comes to independent writing as well. In early childhood, our students are writing in their dominant language until they achieve readiness in reading based on phonics assessments but Interactive Writing is conducted in both languages. At this stage our students can manipulate basic vocabulary in their second language to support their writing.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

As a 50-50 Dual Language Model our students are immersed in both English and Spanish in all content areas (ELA/HLA, Math, Science & Social Studies).
We make content comprehensible and meet the demands of the Next Generation Learning Standards in various ways: we plan for, preview and review academic vocabulary and use demonstrations and ENL strategies (rewording, repeating, slowing down speech, visuals etc.) to make content comprehensible.
We use a shared and coherent curriculum in both languages (EL Education). We strategically plan our language cycles throughout modules and units to provide equal opportunities for academic and language development in all four modalities (listening, speaking, reading, and writing) in both languages. This requires strategic planning to leverage and promote transfer of knowledge and skills across languages.
We use a workshop model inclusive of conferencing, so our students have individual opportunities to use and rehearse academic, content specific vocabulary. We ask open ended questions in all content areas to foster opportunities for our students to discuss their understanding and their learning. We use discussion protocols and conversation cues throughout the day across all content areas to foster language development for all MLLs. We have an extensive supply of non-fiction books for every grade. We also use whole class sets of books to foster deep learning and discussion via close reading strategies and text-dependent writing tasks.
Related fiction and nonfiction texts are used in both English and Spanish throughout our ELA modules/units.
We use small group work to scaffold discussions and to encourage our students to explain their insights and to work through confusions.
We integrate the interactive Smart Board and other technology into all content areas to serve as visual support and offer hands-on virtual manipulatives in Math.
All of our teachers are trained in Differentiated Instruction. Our units of study include intentional groupings of students to foster language development and we plan for exposure to vocabulary in all content areas. We use conferencing techniques to encourage conversation and rehearsal of cognitive academic language.

We maintain the language of the day and use ENL strategies (for ELLs) and ENL like strategies (for EPs learning Spanish) (visual supports, gestures, repetition, rewording etc) and materials in a variety of levels to make content comprehensible.

At our school, we view bilingualism as an asset and as a resource. Thus, in order to provide MLLs with a high quality academic experience, teachers' planning and delivery of instruction ensures connections between MLL's home language and classroom learning. Examples of this include: teaching for cross-language connections throughout the day and across the curricula; identifying cognates; using students' HL to build background knowledge. This work is highlighted by interconnecting reading, talking, and writing opportunities to improve content knowledge, vocabulary, and comprehension for ML/ELLs via our shift to EL Education as our primary curriculum. Next year, we look forward to deepening the work and opportunities for ML/ELLs to engage in high quality instruction with our continued roll out of the EL Education curriculum. Teacher teams have worked diligently during curriculum planning time to make EL accessible to all learners in both English and Spanish during our language cycles.
. We strategically plan our language cycles throughout modules and units to provide equal opportunities for academic and language development in all four modalities (listening, speaking, reading, and writing) in both languages. This requires strategic planning to leverage and promote transfer of knowledge and skills across languages.

We use a workshop model inclusive of conferencing, so our students have individual opportunities to use and rehearse academic, content specific vocabulary. We use discussion protocols and conversation cues throughout the day across all content areas to foster language development for all MLLs. We have an extensive supply of non-fiction books for every grade. We also use whole class sets of books to foster deep learning and discussion via close reading strategies and text-dependent writing tasks. Related fiction and nonfiction texts are used in both English and Spanish throughout our ELA modules/units.

We use small group work to scaffold discussions and to encourage our students to explain their insights and to work through confusions.

We integrate the interactive Smart Board and other technology into all content areas to serve as visual support and offer hands-on virtual manipulatives in Math. All of our teachers are trained in Differentiated Instruction. Our units of study include intentional groupings of students to foster language development and we plan for exposure to vocabulary in all content areas. We use conferencing techniques to encourage conversation and rehearsal of cognitive academic language. We maintain the language of the day and use ENL strategies (for ELLs) and ENL like strategies (for EPs learning Spanish) (visual supports, gestures, repetition, rewording etc) and materials in a variety of levels to make content comprehensible.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Teachers of MLs/ELLs, SWD and MLs/ELLs who are SWDs use instructional strategies/approaches & technology to provide access to academic content areas and accelerate English development in the following ways: Instructional strategies/approaches: Pre-teaching of genre specific vocabulary at beginning of every unit.

Teacher teams often utilize varied ICT teaching models such as parallel teaching to provide extensive or higher level content exposure and build background knowledge so students gain a better understanding of new learning.

We provide language supports in various forms such as: language stems, cognates, direct grammar instruction, fluency work, word families and analogies to support students in learning patterns which they can apply to a larger word bank, verbal rehearsing, use of word walls and anchor charts for visual support as well as personal charts.

We use differentiated grouping for phonics, reading and comprehension as well. Teams are often engaging in inquiry cycles to analyze student work in order to identify strengths and areas of needs.

The majority of time these needs are directly correlated to those denoted on IEPs. While there is continuous progress monitoring occurring, teachers determine possible interventions based on varied data points reviewed. Tech: MLs/Ells have access to one on one chrome-books which they can use for speech to text and on the spot translation. Interactive smartboard lessons or use of Brain Pop en Espanol/ELL so students are able to engage with introductory videos and subsequent activities that support grammar, language and content development.

b. SIFE

For students with SIFE designation we provide in-house assessments and the MLS (Multilingual SIFE Screeners) in Reading to identify Literacy levels or skills in their Native Language, as well as, assess Mathematical understanding to create a differentiated approach to instruction for this subgroup based on noted student strengths. Using this baseline teacher teams can build and bridge gaps within conceptual understanding by providing students with multiple entry points to access current grade level content.
Teachers also create language rich classroom environment in both English and in Spanish to assist in creating purposeful language experiences during instruction targeting vocabulary development while enhancing background knowledge. Literacy is supported via shared reading, with teacher voice support, and the writing component is supported with Interactive writing and the use of the gradual release instruction model. EL's discussion protocols also support our SIFE students' language acquisition in a content rich classroom.

*** Literacy is taught in the native language until the student achieves success in basic decoding and literacy skills in their home language (Spanish), as per achieving "benchmark" or "above benchmark" for their grade on the Spanish CORE Phonics Assessment. We then support the transfer of literacy skills from their HL to English and we support the students with rich book introductions, shared & close reading, as well small group instruction in phonics, reading comprehension, and writing.

Manipulatives are used in Math and we incorporate games and opportunities to rehearse academic language, supported by our Math Language Routines. Interactive Smart Boards (in each classroom) provide visual support throughout each content area. For further supports, SIFE students our invited to partake in various Tier 2 interventions such as our Title 3 program designed to strengthen all language modalities. Also, as student progress is consistently monitored by the teacher, other forms of support can be provided or brought up for discussion by the Instructional Cabinet

c. Newcomers

***For students designated as Newcomers who have received English as a new language instruction for a total of zero (0) to three (3) years within the NYC DOE, our teachers create a language rich classroom environment in both English and in Spanish to assist in creating purposeful language experiences during instruction.

Literacy is supported via shared and close reading, with teacher voice support, and the writing component is supported with Interactive writing and the use of the Workshop model which again uses a gradual release of responsibility format. EL discussion protocols also support our newcomer ELLs with literacy acquisition.

All our newcomers in our school have a HL of Spanish. Thus, our newcomers are supported by receiving 50% of their instruction in Spanish. Additionally, during English instruction, newcomers are supported with consistent scaffolds in all four modalities. Teachers also explicitly teach cognates and support cross-linguistic transfer where appropriate.

Once students' reading strategies (code-based and meaning-based) transfer and we support the students with rich book introductions and shared, interactive, close and/or guided reading.

Manipulatives are used in Math and we incorporate games and opportunities to rehearse academic language. Interactive Smart Boards (in each classroom) provide visual support throughout each content area. All Newcomers are invited to attend our after-school Title 3 program for language development in English. If we had a newcomer in a testing grade, they would receive appropriate testing accommodations for extended time as indicated by the Principal and other relevant team members.

d. Long Term ELLs

Our long-term ELL students, we prescribe to a similar approach as our Developing subgroup, however, we also aim to identify if students are not making adequate progress based on any social emotional aspects as well. Teachers continue providing targeted supports pertaining to modalities, as well as, scaffolds during instruction. As add support students receive testing accommodations for extended time and are invited to attend our Title 3 after school program for English language development. Our long-term ELL-SWD are serviced as per their IEPs. They are also invited to attend the Title3 after school program for English language development. Supports within the classrooms continue as needed.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

We have a self-contained 6/7/8 Special Education class representing our most restrictive environment. The self-contained class follows our 50-50 language policy and the rigorous curriculum for the grade in all content areas.

We will have 13 ICT classes in grades K-8th. These classes follow the same rigorous curriculum and the same language policy as our General Education grade classes. The 3rd -8th grade ICT classes are departmentalized with the Special Education teacher traveling with the ICT class to 2 or 4 content area teachers (Literacy, Math, Science & Social Studies).
We have ELL students with IEPs in our general education classes. Some receive extra SETSS pull-out program dependent on identified needs. This program is conducted in the language specified on the IEPs by a bilingual special education teacher. These students also follow our language distribution for English and for Spanish.
We use scheduling flexibility for all of our ELL students to achieve testing accommodations during Measures of Student Learning baseline and benchmark exams, as well as, all standardized state exam.
We use instructional flexibility (based on NYSESLAT data) to target modalities during our after-school Title 3 program.
As a dual language school, all our ICT classes and our self-contained classes are 50/50 DL. All ICT(Sped) and self-contained teachers participate in IEP meetings. During the meetings, teachers share students' progress toward goals, how the goals are being measured, and recommendations for update of IEP goals with the team and parents/guardians present.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

We are a 50-50 Dual Language program. All content areas are taught and assessed in both English and Spanish in all grades K-8.
We also utilize school developed home language assessment during the ELL Identification Process for newly arrived students as well as the Spanish Lab. When deemed appropriate by the school-based home language assessment, the NYS MLS is used to make a final SIFE determination.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

As we are a DL school, no electives are offered in other languages. However, our 8th grade students partake in the Spanish Language Proficiency exam which earns them High School credits.

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Our school exclusively offers a dual language bilingual program from K-8. In an effort to support co-teaching and collaboration among teachers the school has budgeted for extra arts teachers and science cluster to afford parallel common planning periods daily. Within these periods teachers engage in inquiry data cycles with a focus on their ENL subgroup. They also engage in Unit/lesson internalizations where focus lenses are subgroups such as ENLs. As a K-8 school we employ high leverage practices across grades and content areas to ensure cohesiveness and multiple entry points for ENLS.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

All classroom teachers receive professional development from our Coaching teams, as well as outside staff developer/consultants. This staff development consists of but is not limited to data analysis with action planning for next step strategies. All classroom teachers also receive training in the design and use of standards based tasks and rubrics across all content areas.

Efficiently executing a research based literacy approach is a high priority especially focusing on a strong foundation within K-2. Literacy professional development is ongoing throughout the year and occurs during the day at least twice a month for each teacher and/or within individual PD cycles, as well as, during allotted contractual Professional Development times.

All classroom teachers also receive staff development from our Math Staff Developer at least 1 to 2 times per month and/or from the Math Coaches within individual PD cycles.

The K-2 literacy & math coach, the 3-8 literacy coach, the 3-8 math coach and staff developer supports all classroom teachers in the implementation of a curriculum aligned with the Next Generation Learning Standards. Our

teachers have previously received staff development in the Danielson rubric by an ASCD consultant and continue to receive support by the Principal and Assistant Principal as they focus on increasing student engagement, rigor and assessment.

This staff development is ongoing and targeted for staff development days. As a school, we constantly examine the NGLS for ELA within grade bands and leveled teams. We have added vocabulary development, essential questions and differentiated instructional grouping to our units of study in writing to support our ELLs in the advanced vocabulary requirement indicated in the Next Generation Learning Standards.

Our Approach to reading is extensively differentiated for each individual student inclusive of foundational skill building. Individual next step strategies are determined by data derived from screeners such as Acadiance/Dibels and diagnostic data such as core phonics and iReady. We use fully aligned Math curricula for both the elementary and middle school classes. (Illustrative Math). Our Math Coaches and Staff Developer conduct on-going Professional Development for each teacher as they teach the curriculum. Inclusive in this work is planning for Differentiated Instruction and vocabulary development supportive of ELLs. We will continue this support throughout the year as per the staff development schedule mentioned above.

The Danielson Rubric, framework for teaching, is closely tied to improving professional practice, as we implement curriculum aligned to the Standards. The Testing Coordinators attend staff development twice per year given by the NYC Assessment Implementation Director. The Guidance Counselor receives staff development from the network monthly. Paraprofessionals are included in the training during staff development days as well as trainings provided by our district office. All of our classroom teachers receive smart board support from our in-house technology coordinator. The interactive applications on the Smart Board serve to scaffold the second language learner's understandings. Our teachers have all been invited to take advantage of the trainings which are available on ENGAGENY as well as District 6 MLL PD Series surrounding MLL Instruction and Policy. Our Parent Coordinator has attended workshops in Conflict Resolution, Resources in the Community, Translation, Early Childhood Literacy, Technology, and ELL strategies. These workshops have helped our Parent Coordinator to gain more information and to be effective in her work.

The training for teachers of ELLs includes ENL strategies (simplified language, Total Physical Response, slower speech) and language acquisition theories and Dual Language policies. This training is on-going and given by the Assistant Principal and Literacy Team during staff development days, extended day professional development periods and during pre and post observation conferences.

As a Dual Language school, we consider language in all aspects of our learning and our teaching. Our teachers have studied the NGLS and have aligned the content area curriculum to the standards. They have received professional development to include differentiation in all units of study. All teachers receive on-going professional development from our Math Staff Developer And our Literacy Team to design language rich units of study aligned with the NGLS. All staff, including pupil accounting secretary, parent coordinator and guidance counselors have opportunities to attend off-site PDs, workshops offered by Manhattan Borough Office Division of MLLs when applicable. The Special Education Department also meets to share strategies and resources which have been successful and to discuss students on deeper levels as a larger group.

This year, Amistad DL School Literacy coaches, teachers, and administrators will continue attending/engaging in D6 Literacy and MLL PD series, including the EL Education for facilitated by Teaching Matters in conjunction with the Chancellors NYC Reads Initiative.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

***
As we are now a PROSE School, we utilize one Friday a month for half day professional development. We use portions of this time to accomplish the professional development requirements as per CR Part 154. We provide professional development to all teachers and administrators that specifically addresses the needs of English language learners.

We dedicate a minimum of fifteen percent (15%) of the required professional development hours to language acquisition, including a focus on best practices for co-teaching strategies, integrating language and content instruction as well as analysis of assessments and data gathered surrounding English language learners. For all bilingual and English as a new language teachers we dedicate a minimum of fifty percent (50%) of the required professional development hours to language acquisition in alignment with core content area instruction, including a focus on best practices for co-teaching strategies, integrating language and content instruction as well as analysis of assessments and data gathered surrounding English language learners. These professional learning experiences are led at times by in-house staff developers, coaches and at times by Administration.

Additionally, our 3-8 Literacy Coach/UFT Teacher Center Coach facilitates an 18 hour CTLE Professional Development and book study series.

We keep the agendas and the attendance record for all staff development days in the Main Office.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Our Tier 2 instruction unfolds in numerous ways. We screen students using standardized test scores (for grades 4-8), Acadience & Dibels (k-2), iReady Reading (3-8) and Math (K-8) as well as other in house baseline data (for grades K-3) to determine groupings. For Tier 3 Instruction we have a Literacy Team to screen students for Intervention groupings and next step strategies.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

We ensure that all ELL subgroups have access to core curriculum by using ENL strategies, language scaffolds, differentiation during small groups, and building background knowledge and vocabulary during Spanish instruction.

Supported by our shift to EL Education, students acquire a deepening understanding of the content and simultaneously acquire all the key literacy standards of reading, writing, speaking, and listening, which have been carefully embedded within the content. Specific scaffolds have been integrated into each module lesson so that the classroom teacher can provide myriad support for students, particularly those classified as long-term ELLs. These resources take a variety of forms. Two specific areas of emphasis are the Language Dive (conversations that teach students to unpack the structure and meaning of complex sentences) and Conversation Cues.

Traditionally ELL students, depending on need, receive intervention from a Reading Teacher who works with small groups of no more than 5 students per group and one-on-one. The schedule for groups varies, depending on need, from one 40-minute period per week to four forty-minute periods per week. The groups and the schedule are created after reviewing baseline data for Reading and for Writing.
This intervention service is also available for our EP students. Using varied data sources and daily classroom observations, our classroom teachers identify students in need of intervention and meet with small groups as needed using flexible grouping on the grade level. Students also work on iReady for further individualized support. In Science and Social Studies our teachers are individually conferencing and supporting students based on individual needs.
We offer ELL student’s additional support via our Title 3 program that is offered after-school. The focus of the Title 3 program is to promote English language development in listening, speaking, reading and writing which will impact on each student's performance on formative and summative assessments.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Our Tier 1 Core Instruction is rigorous in all content areas to support Listening, Speaking, Reading and Writing. We plan for and teach content specific, specialized vocabulary for all units of study. We preview and review difficult vocabulary and we unpack abstract concepts.

In reading, we guide conversations during whole group and small group targeted instruction and we facilitate conversations during Literature Circles. Our teachers are trained in asking open ended questions to engage students in conversations around the big ideas in texts. Teachers also use various discussion strategies and discussion protocols to allow students at varied levels of Language Acquisition to be active participants of these discussions. We have individual conferences to assess progress via daily and on-going formative assessments and other screener data sources to prompt students towards next step strategies.

In writing, we expose students to a variety of genres, we use Interactive Writing in the early grades and individualized writing conferences to support students through the writing process. We model authentic writing and our students keep writer's notebooks to record ideas in order to explore self-generated genre specific writing using Expeditionary Learning as a resource. Students produce end of unit and end of module writing pieces that demonstrate their knowledge and command of language.

In grades K-2 we incorporate explicit phonemic awareness and phonics instruction, and phonetic word work sessions where we explore letter/sound correlations, spelling patterns, analogies and high frequency words in both English and Spanish.

As a dual language school we support all content areas in both languages so our students are consistently making cross-language connections and the home language and culture permeates connections to the community and to the school.

Classroom observations are on-going by the Principal and Assistant Principal, with feedback to maintain a rigorous, data driven, cohesive program. Within teacher teams we monitor standardized and in-house data to look for patterns in achievement and areas in need of attention. The Instructional Leadership Team (Principal, Assistant Principal, Literacy/Math Team and Advisory Teacher) review the writing of all ELL students at least three times a year to monitor success and to advise classroom teachers about next steps.

Our Math Team and Literacy Team meet with teachers weekly and/or 2 to 3 times a month for grade bands to support Tier 1 core instruction in Math, Reading and Writing. Our Tier 2 instruction unfolds in numerous ways. We screen students using standardized test scores (for grades 4-8), Acadience & Dibels (k-2), iReady Reading (3-8) and Math (K-8) as well as other in house baseline data (for grades K-3) to determine groupings. For Tier 3 Instruction we have a Literacy Team to screen students for Intervention groupings and next step strategies. Prior to any formal academic evaluation, for ELL students and for EP students, teachers meet with the Assistant Principal to discuss their concerns and to develop possible next step strategies which are then implemented for 6 week cycles. If the student continues to demonstrate academic difficulty we review the success of all the strategies that we have already put in place. Only when our Tier 2 and Tier 3 strategies have been exhausted, and do not show any signs of progress, do we consider evaluation.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

A cohesive practice our school engages in is using formative assessments (teacher observation checklists, mid-lesson checks for understanding, and exit tickets/cool downs) daily within ELA/Math instruction in an effort to monitor student learning and inform teacher practice to then impact student outcomes.
During the week teams come together to engage in data inquiry where they specifically look at the ELL subgroup, identifying trends/patterns of strengths, as well as, gaps. Teachers then create targeted action plans outlining specific instructional practices to be used and new assessments to be given in an effort to measure impact based on student outcomes.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

We are a 50-50 Dual Language program. All content areas are taught and assessed in both English and Spanish in all grades K-8.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

In looking at our NYSESLAT data, our EDAT report, as well as all other in-house data gathered, we identify strengths, patterns and areas that may need improvement. We also analyze the previous year's Regents ELA, Math, and Regents data to inform instruction for the following year. In grades 3-8, throughout the year, teachers utilize released questions that align to the current modules to measure progress toward grade level standards.

The analysis of these data sources allows teachers to streamline instructional practices, across all content areas in an effort to cohesively and explicitly address needs which have been identified.

These discussions and development of action plans can be noted during the Inquiry Common Planning cycles teachers engage in at least 4 times a week. These inquiry cycles allow teachers to use data sources to create action plans and then assess impact of instructional shifts based on student outcomes. Analysis of these data points also allows us to develop a more impactful Title 3 program which targets specific needs and individual groups of students.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

During the NYSESLAT Administration window families are informed via backpacked translated letters and our messaging application, indicating the NYSESLAT testing schedule. Teachers and staff receive an internal testing

memo with a breakdown of logistical administration details. Then the test is administered: ELLs are individually administered the Speaking portion by a bilingually certified teacher. The Reading, Writing and Listening sessions are also administered by a bilingually certified teacher in a group setting.

Approximately 3-6 bilingual/TESOL certified teachers score the NYSESLAT to ensure that classroom teachers do not score their own students. Administration and scoring is overseen by the Assistant Principal.

We ensure continued instruction for EL/MLLs during testing by making modifications to the daily schedule ensuring that periods where students receive appropriate minutes are shifted to non testing times.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

When coordinating the various state testing administrations, current and former ELLs are explicitly identified to ensure proper accommodation are provided during all applicable exams.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Our ELL Program Orientation meeting is coordinated by the bilingually certified Assistant Principal, K-2 Coach/ENL Teacher and parent coordinator. The meeting is held on an individual basis during previously schedule registration appointments where an attendance sheet is signed for our records. Language access is provided to parents by the above mentioned coordinators as all are bilingual. During this orientation parents are informed of the three instructional models available in NYC, state standards, curriculum, assessments and school expectations for English Language Learners. Once the information is provided, parents are given a Parent Survey and Program Agreement form in their preferred language where they can indicate their program choice. Survey is then placed in the student's permanent record.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Our annual individual meeting is held during the Month of December or January and parents are individually notified via backpacked letters, DOE Messaging app and/or phone calls. Parents are provided a scheduled appointment where classroom teachers engage parents of ELLs in discussions regarding the goals of our DL program and overall

language development. During the meeting results from the NYSESLAT are discussed and next steps are shared with parents as to how staff is addressing varied modality needs. Attendance is taken at every meeting and provided to the AP for record keeping.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

All meetings have simultaneous translations. We use the DOE messaging system or school-wide phone calls to parents. All schoolwide phone and text messages are in English and in Spanish. Our classroom teachers are all bilingual, so Parent/Teacher meetings are conducted in the language of comfort for the parent.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

We evaluate the needs of our parents via ongoing conversations with our bilingual Parent Coordinator. We also have our bilingual Guidance Counselor attends one PTA meeting per month, so he continues to be aware of parental concerns. We also evaluate the needs of our parents by giving surveys after each workshop. The surveys help us to understand what worked, what we can improve and also helps us gather ideas for future workshops. Our parent involvement activities address the needs of our parents because they are all offered in English and in Spanish and they cover a broad range of material. Our school is designed so that both Spanish and English are celebrated, and our parents are guaranteed to communicate in their language of choice.

To empower families of ELLs, this year we were able to continue hosting a Financial Literacy series for our parents by a Bilingual Financial Consultant. Additionally, the school's PTA also offers parent-to-parent workshops to engage families in a variety of topics as indicated in survey results and to disseminate information from the different governing bodies in our building.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Parental involvement is a cornerstone of our school and a contributing factor to the success of Amistad. Parents participate in the governance of the school via the SLT. Parents also support the instructional programs in the school by fundraising and partnering in the development of classroom projects and trips. Our parents design and staff our field day each year and they design and staff a carnival. Parents organize movie nights in English and Spanish for our students and families and are often in classrooms helping. Bilingual parents and Spanish speaking parents help staff the lunchroom and also fund and staff recess activities.

We have a Parent Teacher Association and each year we hold elections for the PTA. We have two slots for each officer's position, one of which is earmarked for Spanish speaking parents. The Parents' Association meets two times per month. One of the meetings is in the morning, during school time and the other meeting is in the early evening (6:30). The varied time slots make it convenient for parents to attend and all meetings have simultaneous translations. All announcements and minutes from meetings are translated into Spanish to ensure that parents of ELL students stay informed. Our Parent Teacher Association has a Yahoo account with bilingual notifications. The Parents also offer parent-to-parent workshops where they disseminate information from the President's Council of District 6.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Some of the Culturally and Linguistically responsive partnerships we currently have to support our community are: Fresh Youth Initiative, People's Theater Project, Repertorio Español, and Community Association of Progressive Dominicans.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

n/a

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Our identification team is comprised of Bilingually Certified Assistant Principal and other bilingual pedagogues.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

The structures and process in place for identificaion of ELLs year-round is as follows:

Structure
1. Overall parent interview to gather information regarding student status as being new arrival to the country, state, transfer student or returning to DOE. This determines need for HLIS
2.HLIS completion with parent done by either the Bilingually Certified AP, ENL teacher or bilingually certified pedagogue.
3. Student Interview with Bilingually Certified AP, ENL teacher or bilingually certified pedagogue.
4. Administration of NYSITELL by Bilingually Certified AP, ENL teacher or bilingually certified pedagogue.
5. Notify parents of ELL status and Update Home Language Code in ATS
6. Parent Orientation Meeting regarding DOE Bilingual programs. Program selection by parents via survey. Bilingually Certified AP and Parent Coordinator host meeting. ATS screens are updated.
7. Administer Spanish Lab and determine if student is SIFE
8. Issue placement letter
9.Ensure proper programing of students
***If student is SWD LPT is activated to determine if student qualifies to take the NYSITELL
The above process is conducted through out the year as necessary by the same team. The main members of the identification process are out of the classroom staff members, allowing for flexibility and accommodation of new families that enroll in our building.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Robin Edmonds

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Olga	Ramos	Assistant Principal 10 Month	12/05/2024	y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Student Emergency Contact cards,New York City Schools Account (NYCSA) Student Profile,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS)

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ENGLISH	184	37.4%	177	36.57%		
SPANISH	308	62.6%	307	63.43%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Varied school activity flyers	We translate all written material in-house as our parent coordinatorand majority of certified teachers are bilingual and able to do the translation, however, when necessary we will reach out to the Office of Language Access for general school document and flyer translation services.
School Meeting Invitations	We translate all written material in-house as our parent coordinatorand majority of certified teachers are bilingual and able to do the translation, however, when necessary we will reach out to the Office of Language Access for general school document and flyer translation services.
Information sent directly from DOE	We translate all written material in-house as our parent coordinatorand majority of certified teachers are bilingual and able to do the translation, however, when necessary we will reach out to the Office of Language Access for general school document and flyer translation services. In the event document needing translation is an Individualized Educational Plan (IEP) we will submit an IEP Translation Request form

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Curriculum Night	We use in-house simultaneous interpretation forall meetings which is provided by our parent coordinator who is bilingual. Also, 86% of our staff members are bilingual and either translate information during individual meetings or hold the meeting in the dominant language of the parent. If needed we can also reach out to Geneva for virtual meeting interpretation services in the event that there is not a bilingual staff member available.
PTC	We use in-house simultaneous interpretation forall meetings which is provided by our parent coordinator who is bilingual. Also, 86% of our staff members are bilingual and either translate information during individual meetings or hold the meeting in the dominant language of the parent. If needed we can also reach out to OPI for virtual meeting interpretation services in the event that there is not a bilingual staff member available for the one on one meeting.
PTA	We use in-house simultaneous interpretation for all meetings which is provided by our parent coordinator who is bilingual. Also, 86% of our staff members are bilingual and either translate information during individual meetings or hold the meeting in the dominant language of the parent. If needed, we can also reach out to Geneva for virtual meeting interpretation services in the event that there is not a bilingual staff member available.
Miscellaneous: HS/Senior Parent Meeting	We use in-house simultaneous interpretation for all meetings which is provided by our parent coordinator who is bilingual. Also, 86% of our staff members are bilingual and either translate information during individual meetings or hold the meeting in the dominant language of the parent. If needed, we can also reach out to Geneva for virtual meeting interpretation services in the event that there is not a bilingual staff member available

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

We use the DOE messaging app/ system for school-wide phone calls to parents in which calls/text messages are sent out in both English and Spanish. Our PTA also has a Yahoo account with bilingual notifications where information is also disseminated.

If needed, we will utilize pre-translated templates found on the DOE Inforhub or reach out to the Office of Language Access for support.

Parents call the main office directly as bilingual staff will be able to support their needs, however, if necessary, we will reach out to OPI for over the phone interpretation.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

We will utilize technology to distribute messages regarding Chancellor's Reg A-663. Staff will receive professional development on the ways we can request support with written translation via the Office of Language Access - General Document Translation Request Form in the home language listed
on ATS. For other communication, staff will receive information about in-house and DOE resources for translation

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

We use in-house simultaneous interpretation for all meetings, so we have no need for an outside vendor but if necessary we would reach out to Geneva Worldwide which has been contracted by the DOE to support with meetings. All signage in the building is in English/Spanish and our parents are provided with translated Parent's Bill of Rights, translated Parent's Guide to Language Access, translated safety information and language ID Guide at the security desk and in the main office.

We also use the DOE messaging app/system for school wide phone calls to parents in which calls/text messages are sent out in both English
and Spanish.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Our parent coordinator, who is bilingual, monitors feedback from parents via surveys after each simultaneous translation event. When necessary, we will reach out to the Office of Language Access or appropriate vendor for translation services.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Whenever possible we have added visuals to go along with simultaneous translations in an effort to accommodate varied learning or data gathering styles.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

110

Grades to be served in this program. Select all that apply.

,1,2,3,4,5,6,8,7

Total number of teachers in this program:

10

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

9

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

1

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

The Amistad Title III After School Program will target approximately 110 ENL students in grades 1-8 based on the 2024 NYSESLAT data provided on ATS. Students targeted will include subgroups of newcomers and long-term ELL students as well as ENL students who are part of other subgroups such as SWD.

ENL students require additional support and opportunities to develop oral and academic language as well as their literacy skills. The afterschool ENL program will integrate social studies, science, vocabulary and acquisition of academic language to support development in both content knowledge and the use of language, thinking and reasoning skills in English.

All instruction will occur in English. Teachers will differentiate instruction and employ second language acquisition strategies to support academic language development and writing skills. Instruction will be differentiated based on individual student needs using student's strengths as a starting point. In writing, teachers will focus on developing and strengthening students' on-demand writing skills heavily focusing on personal connections and real-world experiences.

As per the 2024 NYSESLAT, 11% of our ENL students scored low in the Writing modality which means they answered 15% of questions correctly in this modality. Hence, they will focus on scaffolding extended responses in writing through the use of pre-writing organizational structures and prompts. ENL students will continue developing their English oral language skills in an effort to expand their academic and social language bolstering success not only in expressive language but in overall English literacy skills.

As per the 2024 NYSESLAT, 31% of our ENL students scored high in the Speaking modality. Our highest grade in this modality was 5th grade having approximately 66% of 5th grade ENL students scoring high in this area. Students will also be engaged in constant questioning and discussion as outlined in the Danielson Framework for teaching rubric.
On-going assessments such as pre/mid/post assessments and conference notes will be administered to monitor student growth and to drive instruction.

Since there will be approximately 10-14 sessions, the beginning half of sessions will be dedicated to the two lowest modalities followed by the last sessions focusing on the two highest. During the duration of the 1.25hr session, instruction will be focused on one modality for approximately 35 minutes followed by the second modality.

In an effort to differentiate from daily instruction, students will mostly be exposed to leveled Social Studies, Science Non-Fiction class sets and test prep materials which will be used to develop necessary skills based on previously analyzed in-house assessments, as well as ELA and NYSESLAT testing data. These resources will support all modalities and activities will have multiple entry points in which overlap will occur. In terms of Speaking, we will incorporate various Ice Breaker activities, warm up and other launching routines to increase expressive language along with including some discussion protocols from Expeditionary Learning. Images and topics will be generated by student participants during introductory lessons as a way to create ownership for participation, create interest-based learning and solidify a risk-free environment.

10 certified teachers, 9 of which are bilingually certified, will service groups that are no greater than 15 students. Teachers will be able to co plan and team teach to support language acquisition as well as content development. The groups will be organized by proficiency levels in testing grade bands potentially as follows: 1 Grade 1 section, 1 Grade 2 section, 2 Grade 3/Grade 4 grade section, 2 Grade 5/Grade 6 section, and 2 Grade 7/8 section. The program will run once a week for students on Wednesdays for 1.25 hrs from 2:45pm to 4:00 pm from January through May for a total of approximately 13-14 sessions.

The Assistant Principal, Olga Ramos, who is a certified bilingual educator, will coordinate and supervise all aspects of the program during part of her regular working hours, which end at 3:30pm, and will continue supervising thereafter paid through per session as there are no other programs running on those days nor is there another supervisor present at cost to Title III. Supervision includes monitoring and tracking attendance, conducting attendance outreach, and monitoring progress through the use of prior NYSESLAT materials along with iReady Reading Progress monitoring.

The instructional materials will be DOE approved which will be appropriate, high interest, leveled and specifically designed for ENL students. Non-Fiction & Fiction leveled class sets will be purchased from DOE vendors or other at a cost of approximately $4,000. Prior released NYSESLAT exams will be used to support progress monitoring. These materials will be solely used for Title III during its duration so that students can acquire use of academic language through prior test examples. In addition, it will build students abilities to think, reason and identify cause and effect in English. Any additional materials will be purchased using other funding sources.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

As per the 2024 NYSESLAT, 11% of our ENL students scored low in the Writing modality which means they answered 15% of questions correctly in this modality. Hence, they will focus on scaffolding extended responses in writing through the use of pre-writing organizational structures and prompts. ENL students will continue developing their English oral language skills in an effort to expand their academic and social language bolstering success not only in expressive language but in overall English literacy skills.

As per the 2024 NYSESLAT, 31% of our ENL students scored high in the Speaking modality. Our highest grade in this modality was 5th grade having approximately 66% of 5th grade ENL students scoring high in this area. Students will also be engaged in constant questioning and discussion as outlined in the Danielson Framework for teaching rubric.
On-going assessments such as pre/mid/post assessments and conference notes will be administered to monitor student growth and to drive instruction.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**

- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

The Amistad Title III After School Program will target approximately 110 ENL students in grades 1-8 based on the 2024 NYSESLAT data provided on ATS. Students targeted will include subgroups of newcomers and long-term ELL students as well as ENL students who are part of other subgroups such as SWD.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The groups will be organized by proficiency levels in testing grade bands potentially as follows: 1 Grade 1 section, 1 Grade 2 section, 2 Grade 3/Grade 4 grade section, 2 Grade 5/Grade 6 section, and 2 Grade 7/8 section. The program will run once a week for students on Wednesdays for 1.25 hrs from 2:45pm to 4:00 pm from January through May for a total of approximately 13-14 sessions.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

All instruction will occur in English. Teachers will differentiate instruction and employ second language acquisition strategies to support academic language development and writing skills. Instruction will be differentiated based on individual student needs using student's strengths as a starting point. In writing, teachers will focus on developing and strengthening students' on-demand writing skills heavily focusing on personal connections and real-world experiences.

As per the 2024 NYSESLAT, 11% of our ENL students scored low in the Writing modality which means they answered 15% of questions correctly in this modality. Hence, they will focus on scaffolding extended responses in writing through the use of pre-writing organizational structures and prompts. ENL students will continue developing their English oral language skills in an effort to expand their academic and social language bolstering success not only in expressive language but in overall English literacy skills.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

10 certified teachers, 9 of which are bilingually certified, will service groups that are no greater than 15 students. Teachers will be able to co plan and team teach to support language acquisition as well as content development.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

The instructional materials will be DOE approved which will be appropriate, high interest, leveled and specifically designed for ENL students. Non-Fiction & Fiction leveled class sets will be purchased from DOE vendors or other at a cost of approximately $4,000. Prior released NYSESLAT exams will be used to support progress monitoring. These materials will be solely used for Title III during its duration so that students can acquire use of academic language through prior test examples. In addition, it will build students abilities to think, reason and identify cause and effect in English. Any additional materials will be purchased using other funding sources.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

During the month of December all parents of ELLs receive and invitation for their child to participate in our Title III Program. Letters are backpacked home in the parents' home language and a message using the DOE messaging system is also sent. Parent responses are collected and archived using a Google sheets tracker housed on the DOE Drive. Parents who have outstanding responses are contacted and either resent correspondence or response is noted manually. Once the program initiates attendance is collected and archived using a Google Sheets tracker housed on the DOE Drive.

Attendance is taken during parent engagement activities and professional development activities. These attendance sheets are provided to AP Ramos for record keeping.

Records regarding certification and purchasing are kept by our school payroll secretary, Sherri Lucas.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

The majority of academic teachers in the Title III program have received or in progress of their masters in bilingual education and or have their Bilingual Extension. All teachers continue with their professional development by attending workshops offered by Higher Institutes of Education, DOE and other institutions such as Teaching Matters and Generation Ready either during the year or during the summer.

Via the Title III supplemental instruction, teachers are provided with professional development in reading and writing in order to enhance their knowledge and experience in differentiated instruction based on individual student needs and the progression of language acquisition specifically looking at expressive and receptive language.

Approximately once a month, some professional learning opportunities will be done during the day where teachers, in small groups, will be released for 1/2 day or full days. They will attend in house workshops with our Literacy coaches, Teaching Matters Consultant, Generation Ready Staff Developer and/or UFT teacher center facilitators with a follow up of a one-to-one session, to discuss their individual needs on varied topics. We will also incorporate extensions of this work during our weekly Common Planning Inquiry periods.

These strategies provide entry points for varied learners with varied language assets. Sessions will provide data analysis support of standards mastery focusing in on subgroup data including SWD and ENL achievement. Likely paid out of alternative funding source.

The above-mentioned professional development will support the above mentioned 10 teachers as well as the Amistad teaching staff to better develop the expressive and receptive language of our ENL population. Hence, providing our teachers with these supports will directly impact the work they do with our Title III program participants, as well as all ENLs in our building.

In addition, Amistad will also provide professional development for our staff that is at no cost to Title III funding. Some of those professional development sessions topics will consist of the following: continued work surrounding Danielson: 3C & 3D, Teacher Team Protocols, Data Analysis-How to Analyze Student Work with Next Steps, increasing student participation, enhancing teacher planning, Social/Emotional needs of students, Differentiated

Instruction Strategies. Some of the sessions mentioned above will be revisited throughout the year. Approximately 3-5 hours of per session using Title III funding may be allocated for Title III teachers to co-plan instruction using the professional development strategies.

Assistant Principal will maintain all agendas, sign-in sheets, and PD documents.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

As per the 2024 NYSESLAT, 11% of our ENL students scored low in the Writing modality which means they answered 15% of questions correctly in this modality. Hence, supporting extended responses in writing through the use of pre-writing organizational structures and prompts should be impactful.

The professional development also allows teachers to increase the support of oral and academic language as well as their literacy skills that will in turn increase the opportunities for students to become proficient in the English language. This will continue to support ENL students to develop their English oral language skills and maintain high standing as stated in our 2024 NYSESLAT scores. As per the 2024 NYSESLAT, 31% of our ENL students scored high in the Speaking modality.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

Approximately once a month, some professional learning opportunities will be done during the day where teachers (Zaira Wallace, Justin Budde, Heina Martinez, Karime Wee, Estephania Urena, Phoebe Garcia, Janilda Valentin, Dayana Gonzalez and Melissa Baz), in small groups, will be released for 1/2 day or full days. They will attend in house workshops with our Literacy coaches Florely Pizano & Melissa Baz, Teaching Matters Consultant - Emelie Rivkin and Teaching Lab Consultant Beverley Mowatt with a follow up of a one-to-one session, to discuss their individual needs on varied topics. We will also incorporate extensions of this work during our weekly Common Planning Inquiry periods.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**

- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Approximately once a month, some professional learning opportunities will be done during the day where teachers, in small groups, will be released for 1/2 day or full days. They will attend in house workshops with our Literacy coaches, Teaching Matters Consultant, Generation Ready Staff Developer and/or UFT teacher center facilitators with a follow up of a one-to-one session, to discuss their individual needs on varied topics. We will also incorporate extensions of this work during our weekly Common Planning Inquiry periods.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Emilie Rivkin: Teaching Matters
-data analysis
-creating scaffolds for sub-groups
-strategic and purposeful planning (inclusive of assessment/progress monitoring)

Beverley Mowatt : Generation Ready
-differentiation for MLLs
-language and vocabulary support for diverse learners
-Language routines to promote discussion

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Emilie Rivkin: Teaching Matters

Beverley Mowatt : Generation Ready

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

The Title III program's parental component will include workshops on Digital & Financial Literacy, as well as Supporting Student Success. This need is based on needs assessments derived from in-house surveys, requests from monthly Town Hall meetings with our Parent Coordinator and our School Survey results.

We will have parent volunteers, as well as teaching staff conducting virtual and in person trainings for our parents of ENL students. Start dates and times will be determined after initial school year launch, however, ideally, we would like to have the workshops 6-10 times throughout the school year. Again, one of the main focuses is trying to help develop basic digital skills, as well as basic English language vocabulary so that they can best support their children and increase their own technological and language skills. Also, with the support of our Parent Coordinator/School Personnel, the school provides other workshops and meetings for our ENL parents.

Costs would include per session for Amistad teacher facilitator(s) and minimal materials up to approximately $4,000. Workshops host topics surrounding fostering of native language in an English dominant society, math instruction, supporting phonemic awareness, facilitating key organizational skills for young adults and social emotional learning. Topics to be covered include: SEL, Supporting Executive Functioning and Organization of Middle Schoolers, Supporting Phonemic Awareness, Digital Literacy. All sessions will be conducted by a bilingual staff member who is able to translate for the parents' preferred language. Sessions would occur approximately 1x per month for 1 hour.

We will be providing parents with basic any pertinent materials for this class and in some cases copies of instructions provided during workshops. Parents who would attend workshops are notified of these activities by our telephone communication system, Blackboard Connect and Jupiter, letters sent home via mail and follow up phone calls made by our Parent Coordinator/School Personnel. All communication will be available in the Parents' preferred language.

Parent coordinator will maintain flyers and documents related to each workshop for record-keeping. Parent Coordinator support would be at no cost to Title III.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

We gather information about the types of family engagement activities we will provide, parent survey data using needs assessments derived from in-house surveys, requests from monthly Town Hall meetings with our Parent Coordinator and our School Survey results.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

The Title III program's parental component will include workshops on Digital & Financial Literacy, as well as, Supporting Student Success.

Start dates and times will be determined after initial school year launch, however, ideally, we would like to have the workshops 6-10 times throughout the school year.

Again, one of the main focuses is trying to help develop basic digital skills, as well as basic English language vocabulary so that they can best support their children and increase their own technological and language skills.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

The Title III program's parental component will include workshops on Digital & Financial Literacy, as well as, Supporting Student Success.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Michelle Bell
Jorge Cruz

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

We will be providing parents with basic any pertinent materials for this class and in some cases copies of instructions provided during workshops. Parents who would attend workshops are notified of these activities by our telephone communication system, DOE messaging app, letters sent home via mail and follow up phone calls made by our Parent Coordinator/School Personnel.

All communication will be available in the Parents' preferred language.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.
