Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages

- Part C: Parent Communications and Engagement
- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Danielle Keane	Principal or Designee*	
Jude Lynch	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Alexa Ramirez	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Megan Bohan	District Council 37 (DC 37) Representative (staff), if applicable	
Aukia Bentaccourt	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
	CBO Representative, if applicable	
Nicole Lacari	Staff	
Kriss Ann Pandolfi	Staff	
Yachina Martinez	Parent	
Candy Manzano	Parent	
Dana Bohan	Parent	
Jamaal Thompson	Community Director	
	Parent	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

PS/MS 5 delivers rigorous academics and real-world learning experiences to ensure all students graduate with the knowledge, skills, and confidence to succeed in their careers and communities.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

PS/MS 5: The Port Morris School for Community Leadership

Located in the South Bronx, PS/MS 5—the Port Morris School for Community Leadership—serves a diverse student population from Pre-K 3 through Grade 8. With 624 students (350 male and 274 female), the school ranks among the top 20% of public schools in New York State for the percentage of students eligible for free lunch. This year, our attendance rate stands at 89.64%. We serve a highly mobile community that includes dozens of students living in shelters and families in doubled-up housing.

At PS/MS 5, we proudly celebrate our cultural diversity. Approximately 27.7% of students (150) receive special education services, and 21% (114) are English Language Learners. Our ELL students speak a wide variety of languages, including French, Garifuna, Portuguese, Spanish, Twi, Mandingo, Arabic, Creole, Vietnamese, and Soninke.

Over the past year, PS/MS 5 has developed strong partnerships with organizations such as WOKE, Inside Broadway, ASPIRA, Doing Art Together, American Ballroom Dancing, The Schubert Theater, Bronx Museum of the Arts, Music and the Brain, and The Leadership Program. Our sports programs include soccer, wrestling, basketball, volleyball, baseball, boxing, pickleball, karate, Disney Dance Team, and Dance Pom. Academic enrichment opportunities include Aviation, Debate, Mock Trial, Financial Literacy, and 3D Printing. These partnerships enrich student experiences across social-emotional learning, academics, arts, athletics, and communication skills. According to the 2024-2025 NYC School Survey, 90% of respondents gave positive feedback on the strength of family-community ties.

Our comprehensive educational offerings span all grade levels:

Early Childhood & Elementary: 1 Pre-K 3 class, 1 full-day Pre-K class, and 3 classes each for Kindergarten through 2nd Grade.

Upper Elementary: 2 Third Grade classes and 3 classes each for 4th and 5th Grades.

Middle School: 5 classes each for Grades 6 through 8.

Specialized Programs: 5 self-contained special education classes, 8 Integrated Co-Teaching (ICT) classes, and 1 Horizon 8:1:1 class serving Grades 6–8.

Bilingual Programs: Each grade level includes a self-contained bilingual class. Our dual language program serves Kindergarten through 4th Grade, with Transitional Bilingual Education (TBE) for students in Grades 5–8.

Teachers at PS/MS 5 collaborate within grade-level teams to foster professional growth and strengthen instructional practices. Our professional development emphasizes enhancing questioning and discussion skills to improve teaching quality and student outcomes. Educators regularly analyze student work, performance data, and curriculum resources to inform instruction. Currently, our ELA Professional Learning Community (PLC) is piloting the newly adopted EL Education curriculum.

According to the 2023 NYC School Survey, 95% of families responded positively to the school's efforts to engage parents in supporting student learning—surpassing the citywide K–8 average. PS/MS 5 has made notable progress in building strong family and community partnerships. School leadership continues to connect families with community resources both virtually and in person. Additionally, the school has expanded parent workshops, offered during and after school hours, through Title I funding.

Briefly summarize the key initiatives your school will implement this school year.

During the 2025-2026 school year, PS/MS 5 will focus on strengthening Tier 1 instruction by deepening rigorous, culturally responsive teaching practices across all classrooms. We will continue the second year of implementing the EL Curriculum and the IM Math Curriculum for grades K–8. Targeted interventions and personalized supports will be provided to meet the diverse needs of our students, including English Language Learners and students with disabilities. Through collaborative professional development, data-driven instruction, and increased family engagement, we aim to significantly improve academic achievement and social-emotional growth for all students.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	EL Curriculum	N/A
ELA	6-8	EL Curriculum	N/A
Math	K-5	Illustrative Math	N/A
Math	6-8	Illustrative Math	N/A

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2025 NYS ELA 40% Students Meeting State Standards; ELA ES students increased by 27%; MS students decreased by 3% 2025 EOY iReady Screener: 46% are two or more grade levels below; 21% are one grade level below	Teachers need to know and use targeted specific data to meet the needs of students, with concentration of lowest third.	Systematized Multi-Tiered System of Supports (MTSS) with high-quality interventions and progress monitoring based on iReady
2025 Proficiency by Grade on the EOY iReady Screener are as follows: Third Grade 33%, Fourth Grade 40%, Fifth Grade 19%, Sixth Grade 20%, Seventh grade 50%, Eighth Grade 34%; 2025 NYS ELA are as follows: Third Grade 58.8%, Fourth	Tier 1and 2 instruction needs to include explicit instruction on the skills needed to master the foundational and fundamentals of reading and writing instruction—phonological awareness,phonics,	Students must be able to apply foundational reading skills to infer and compare different texts. Teachers need a deep knowledge to be literacy and language

Grade 41.6%, Fifth Grade 45.8%, Sixth Grade 5%, Seventh grade 9.6%, Eighth Grade 4.5%	fluency, vocabulary, comprehension, and written language for ALL students across ALL subgroups.	experts in the science of reading; to teach language and literacy skills.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	40%	By June, 2026, literacy for All Students will improve, as measured by a 5% Increase, from 40% to 45% Increase, of percentage of students scoring at Levels 3 & 4 on the NYS ELA exam results.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Consistent use of universal screeners and diagnostic tools to identify at-risk readers early. Implement targeted interventions and monitor progress using a tiered support system.

PLC's data review and progress monitoring; analyze data to determine impact, and what adjustments need to be made.

EL Consultant, Lit Coach, teacher lead professional development employing the repeated high-leverage instructional practices including protocols to increase engagement during discussion. Build the capacity of purposeful and intentional planning with appropriate scaffolds.

Progress monitor the implementation of the discussion protocols through administration walk throughs.

Root Cause Addressed:

Systematized Multi-Tiered System of Supports (MTSS) with high-quality interventions and progress monitoring based on iReady/Acadience data

Implementing high leverage protocols and strategies will provide a stronger system of instructional supports base on teacher analysis of students' data.

PLC's will facilitate the collaboration to support student needs and plan with intention.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action

steps will be introduced and rolled out.

Action Steps
Utilize planning periods and Monday PDs to prepare adequately for a module by test-driving assessments and unpacking modules and review data to inform instruction. Curriculum will also explicitly include the trajectory and scope and sequence for teaching foundational reading skills and science of reading
Deliver ongoing, job-embedded professional development for K–8 teachers focused on the Science of Reading and how to effectively scaffold reading instruction for English Language Learners. This includes explicit instruction in phonemic awareness, phonics, fluency, vocabulary, and comprehension, with integrated strategies for supporting oral language and academic language development in ELLs. Utilize planning periods and Monday PDs teachers strategically scaffold (and modify) instruction. Teachers align on the purpose and focus of lessons; plan the questions they'll use in lessons.
Elevate student voice by implementing EL discussion protocols in small group and whole group instruction in order to decrease teacher voice in 3-8. Provide professional development that focuses on scaffolds (identify the difference between scaffolds vs modifications) and extensions. Language instruction will be integrated into grade appropriate content level instruction.
During department planning sessions and PD teachers will plan multiple entry points to all students by 1) co-planning with ENL and Special Education teachers/service providers 2) adding scaffolds, extensions, and necessary accommodations without affecting the rigor of the work.
Ensure all reading instruction incorporates explicit teaching of language structures, academic vocabulary, and oral language practice, which benefit both ELLs and native speakers.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The following are the primary structures used to progress monitor throughout the year to gauge and determine progress and the impact on learning:
*Diagnostic results from i-Ready provides detailed information on student performance by domain, data is aggregated for spotting trends across groups of students. Tier 2 and 3 groups are based on this data.

*Data from EL Curriculum Assessments provide information on the student accuracy of comprehension and the ability to find and cite evidence from the text as well as student written expression and knowledge of language and conventions.

*D7 Curriculum Implementation Year 1: Grades K-8 Walkthrough Indicator

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/15/2025	06/26/2026	Early Reading skills, reading and writing strategies monthly workshops; sessions to include -provide parents with an overview of the curriculum, expected student learning outcomes, assessment methods, and expectations for parent participation. Author visits collaboration with Star Lighthouse.	N/A
09/15/2025	06/26/2026	Support, monitor, and facilitate student progress and achievement through teacher conversations.	N/A

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Panorama SEL Survey: 3-5 Sense of Belonging 65%; 6-8 Sense of Belonging 49%; Spring 2025 Panorama: 3-5 Sense of Belonging 61%; 6-8 Sense of Belonging 48%	6th grade MS often miss out on the foundational relationship-building activities that occur in the fall. Without intentional structures, these students may feel isolated, unseen, or left out of the community.Inconsistent Enforcement of Safety Policies: promoting acceptance and emotional atonement insurance a sense of worth and belonging	structures that ensure every mid-year entrant builds meaningful peer and adult connections within their first weeks of arrival. Without intentional supports, these students may feel isolated, disconnected from their classrooms, and overlooked by peers and adults.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	Grades 3-5 is 65% and 6-8 are 47%	By June 2026, PS/MS 5 will implement intentional SEL practices in a 5% increase in Sense of Belonging from 61% to 66%for grades 3-5 and 48% to 54% for grades 6-8, as measured by the Panorama Survey.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Key Strategies to meet our goal:

New Student Welcome Protocol, peer buddy systems, and teacher 1:1 check-ins, ensuring a safe and inclusive learning environment for all students—no matter when they arrive. Mid-year students report lower sense of belonging and fewer trusted relationships in survey and informal feedback.

PD's on SEL best practices on Emotion Regulation and Strategies to promote a sense of belonging (e.g., Super hero self imaging)
Positive peer reporting to assure that the students are revealing their feels with teachers and counselors
Strategies such as Tolerance for Delayed Reinforcement for thinking before acting as targeting for Emotion Regulation
Strategies such as Emotion Sparks for helping students recognizing for their own emotions enabling them to anticipate their responses addressing the issues of Emotion Regulation
Strategies such as "Would you Rather Questions" to enable students to enhance their Sense of Belonging skills
Strategies such as Friendship Guardians for the purpose of educating students under emotional impact, fostering empathy and awareness
Providing rewards and school functions to create a positive minds et and a sense of belonging
The 4 B's -Help students to create a sense of belonging by helping students explore their connections to the 4 B's: believe, behave, belong, and become.
Bridge of Belonging-Assist students to explore the topic of belonging while building connections with peers.

Root Cause Addressed:

Inconsistent SEL Practices
Weak Adult-Student & Student to Student Relationships for students that enter school mid-year

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Practicing daily reflections (5 to 10 minutes daily/homeroom) Weekly SEL Lessons & Morning Meeting/Advisory Implementation
Staff PD on SEL and Belonging - Focus: Culturally Responsive Teaching, Trauma-Informed Practices, Morning Meetings, Restorative Circles
Develop “You Belong Here” School wide Campaign - Posters, bulletin boards, spirit days, classroom activities, cultural days
. Implement Peer Buddy & Mentorship Programs - Pair older/younger students or peers Grades 6-8 and school-wide new students to school community mid-year (grades 3-8)
Conduct Quarterly “Belonging Pulse Checks” (Mini Surveys)

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Success Criteria / Monitoring:

- Data broken down by grade, subgroup, and classroom; root causes presented to staff
- 100% staff trained; walkthrough tool used to observe SEL routines by November
- 90% of classrooms delivering SEL lessons and meetings 2x/week
- Student-led campaign visible in all classrooms; 75% of students can name one initiative
- 80% participation in buddy program; feedback shows improved connection across grades- 6-8
- Pulse Check in - Used to adjust practices and share updates with SLT and staff

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/07/2025	06/28/2026	Make explicit alignment between school vision and mission with expected family contribution responsibilities; create inclusive family events supporting academics and community engagement. Include parents in social media and planning of events and curriculum awareness; removing barriers with transportation, childcare and food and flexible scheduling	Food Pantry; ASPIRA; Parent Coordinator, Social Worker, Guidance Councilor, STH Coordinator
09/07/2025	06/28/2026	Celebrate Cultures, Identities, and Diversity - 5 celebrations, multicultural days, student showcases	Social Restorative Team, Lead Restorative Teachers - Mr. Brown & Mr. Ramos , Families, SLT

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Parent Coordinator, Guidance Counselor, Social Worker, Community Director

Instructional Resources

NA

Schedule Adjustments

Based on the surveys modifications will be made to improve the goal

Other Resources Needed

District Office and support staff

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Proficiency by Grade on the 2025 EOY iReady Screener is as follows: Third Grade 29%, Fourth Grade 52%, Fifth Grade 38%, Sixth Grade 40%, Seventh Grade 55%, Eighth Grade 36%	Teacher lack of content knowledge. There are 6 second year math teachers on the team.	Increase teacher pedagogy and content knowledge
Proficiency by Domain on the 2025 EOY iReady Screener is as follows: Algebra and Algebraic Thinking 49%, Numbers and Operations 49%,	Teacher lack of using data consistently to adjust/formulate small groups to address foundational gaps,	Increase teacher usage of data not only for small group planning by intervention tracking in an effort to close the achievement gaps in Algebra and

Measurement and Data 45%, Geometry 37%	students' lack of fluency proficiency, and basic skills.	Algebraic Thinking as well as Numbers and Operations.
As per iReady, 31% of students are two or more grade levels behind in Algebra and Algebraic Thinking. 28% of students are one grade level below.	Lack of multi-step unpacking skills where students can break-down word problems. Lack of connection to ELA inferencing skills transferring to math.	Students need to learn strategies to comprehend, demonstrate, and solve math word problems.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	36	PS/MS5 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scoring at Levels 3 & 4 will Increase by 10% from 36 to 46, for All Students, as measured by NYS Math Assessment.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Data-based small group instruction and interventions during Block 2 of mathematics.

Root Cause Addressed:

Teacher lack of using data consistently to adjust/formulate small groups to address foundational gaps, students' lack of fluency proficiency, and basic skills. Screener data, Illustrative Math assessments, and state assessment data will inform teachers of student performance. This will allow them to make strategic decisions about instruction and groupings based on the data.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
3-8 teachers will engage in assessing students' mastery; assessments are reviewed by the instructional team. Through weekly vetical and horizontal planning sessions, teachers will look at student work products in ways that provide actionable data, patterns, and trends. This will facilitate adjustments to whole, small, and intervention groups. Teachers will use data from the iReady screener to strategically plan for differentiated small-group instruction and gauge overall student proficiency.
In 3-8 classrooms, iReady will be used at least 3x per week where the goal is to complete 3 to 5 lessons per week. Reflex will be utilized in centers 3x per week. Data will be analyzed to support small groups and interventions cycles.
Students will be assessed using cool-downs after each lesson, end-of-unit assessments, iReady screeners, and Rally. Teachers will use the data from these assessments to create differenitated small group instruction for their students.

ILT will progress monitor our interventions and recalibrate groupings based on current data.

Key Strategy 2 (Optional):

Retain and continue to provide professional development to support teachers' content knowledge. Provide ongoing cycles of support and PD for new and current math teachers related to Illustrative Math and small group instruction.

Root Cause Addressed:

Teacher lack of content knowledge. There are 6 second year math teachers on the team.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Math Leads will unpack the Illustrative Math Curriculum, small group instruction best practices, and Next Generation Learning Standards. Ongoing Monday PDs will be faciliated for IM 360 in its third year of implementation.
Each new and second-year teacher will be partnered with an experienced math teacher to support mentoring, planning, and intervisitations. PD cycles will be planned for all new math hires and second-year teachers.
The hiring committee will attend job fairs and source candidates with a math background to fill potential middle school and elementary school vacancies.
PD will be focused on Tier 1 and Tier 2 instruction with a priority on small group instruction. Outcomes will be measured through progress monitoring and screener data.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will be monitoring progress using a variety of assessments and mechanisms for data analysis. Our teachers administer a mastery check-in on a bi-weekly basis. Students receive two questions, one a spiral and another a

current standard. The check-in allows teachers to gauge student progress while quickly addressing any gaps. Interventions are created and small groups are planned to support students who struggle on the standards check-in questions.

Illustrative Math assessments provide data that shows who is meeting the benchmark and students who will need additional support once the new unit begins.

The iReady screener give us data to determine who is on grade level and to identify tier 2 and 3 students who need interventions and additional small group support. As a school, during ILT and Math Lead meetings, we analyze the data to identify disproportionaties in an effort to close the achievement gap.

IM interim assessments are given that provide data related to priority standards and a gauge as to where students stand with grade-level content.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/26/2025	06/26/2026	Parent Math Workshops and Newsletters will be provided to support families in understanding IM and its components. Also, parents will be provided with "tools" to support their children at home. PD will enhance parent knowledge and understanding about assessments, mathematical topics, and expectations for parent participation at home.	Partners

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Bank Street College consultants will lead planning sessions, coaching opportunities, and as needed PD. Our school has 3 teacher leads to mentor new and second year teachers with weekly mentoring meetings, department meetings, learning walks, and intervisitations.

Instructional Resources

Bank Street Coaches, IM teacher guides and workbooks, Reflex Math, iReady Pathways, Intervention Kids, and manipulatives.

Schedule Adjustments

Adjustments will be made by analyzing data points and making adjustments after reviewing results.

Other Resources Needed

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
61% of students passed the Algebra Regents exam 1st Year of implementation.	Students are not receiving rigorous, high-quality math instruction and are not consistently held to high academic standards in mathematics.	Improve student achievement in mathematics by ensuring students are prepared to graduate and pursue post-secondary education, while reducing the need for remedial coursework.

30% of students expressed interest in taking advanced math courses.		
13 students participated in Algebra 1 Regents program	Students placed in alternative math tracks: Some students might be placed in remedial math, advanced tracks, or non-Regents pathways (e.g., integrated math, Math 8, etc.).Low perceived relevance: Students may not see the importance of Algebra 1 for future academic or career goals.	Improve early math instruction, strengthen placement criteria, and expand student access to Regents Algebra 1 Focus on: Enhancing math instruction in grades 6–8 to build readiness. Creating clear, equitable placement guidelines for Algebra 1. Offering academic support (e.g., tutoring, bridge programs). Encouraging students and families to see Algebra 1 as a key milestone.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	17%	All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the Passing on the Algebra Regents for All Students will Increase by 10% from 17% to 71.5% as measured by NYS Regents.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Engage Families in Supporting Math Success for Algebra 1 by exposing them to Algebra 1 pathways in middle school.

Root Cause Addressed:

Expanding Access to Advanced Math:
Encouraging and preparing more students to enroll in advanced math reflects a shift toward high standards and belief in all students' capabilities.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Promote a Growth Mindset and College-Readiness Culture
Engage families in understanding Algebra 1 for middle school and hs readiness
Highlight success stories of students who took Regents classes and succeeded.
Integrate goal-setting and college-readiness discussions in homeroom/advisory
Provide Regents prep workshops, tutoring, and office hours.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will be monitoring progress by utilizing Parent Surveys, Track attendance at family math nights, information sessions, or Algebra readiness workshops.

We will monitor student perception of Algebra 1 in the beginning and end of year.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/02/2026	Equipping families to support learning reinforces academic expectations beyond the classroom.	Parent Coordinator, Regents Math Teacher, Math Admin, CBO Director

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

School staff will provide informational sessions for parents about Algebra 1

Instructional Resources

Schedule Adjustments

Adjustments will be made using middle of year data to see if we need to adjust schedules

Other Resources Needed

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Family Relocation Outside NYC. Decrease in newcomers leading	40% of families cited moving away from the city as a primary reason for leaving public schools Families are seeking: More affordable housing Larger homes Safer neighborhoods	Survey Family Needs

to a decrease in enrollment.		
Desire for More Rigorous Instruction	41% of families who left NYC public schools said they were seeking better academic rigor Charter schools and private institutions are often perceived to offer: Stronger curriculum More individualized attention Better college and career preparation.	Market Rigorous programming & increase of ELA and Math Scores 3K-8
Perceived Lack of Program Variety and Support	School does not market instructional programs and opportunities	Brand and Market School Programs

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	10	By June 2026, PS/MS 5 will increase elementary school enrollment by 10 students, from 552 to 562, as measured by the ATS platform. This will be achieved through targeted outreach, community engagement, and strategic enrollment initiatives.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Expand after-school enrichment programs and academic supports to match offerings of nearby charter schools.

Partner with community organizations to provide wraparound services that support families at risk of relocation.

Increase participation in monthly family forums and Sector Community Meetings by 30% to strengthen trust and transparency.

Promote Rigorous Instruction and Academic Gains

Engage the Community and Build Partnerships

Root Cause Addressed:

Promote Rigorous Instruction and Academic Gains

Brand and Market School Programs

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Create and share data visuals showing ELA and Math score improvements across grades K–8
Develop a School Program Brochure highlighting unique offerings (dual language, STEM, arts, enrichment).

Track monthly enrollment data using ATS and adjust outreach efforts based on trends.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
22% Chronically absent, data obtained from New Vision Portal May 2025	Mental health or trauma-related factors	mentorships and addressing academic challenges .Anxiety, depression, or past trauma can lead to school avoidance if not identified and supported early.
19% STH Chronically absent data obtained from New Vision Portal May 2025	Lack of consistent family engagement or awareness	Families may not fully understand what qualifies as chronic absenteeism (10%+ of school days missed), or the long-term academic impacts.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	28%	By May, 2026, the chronic absenteeism for All Students will increase by Decrease 3%, from 28% to 25%, as measured by the New Vision Chronic Absenteeism Tracker .

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Increase family understanding of what chronic absenteeism is (missing 10% or more of school days), why it matters, and how they can support regular attendance.

Root Cause Addressed:

Families may not fully understand what qualifies as chronic absenteeism (10%+ of school days missed), or the long-term academic impacts.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Conduct an attendance awareness kick-off campaign for students and families, explaining the impact of chronic absenteeism.Plan Campaign Messaging: Develop clear, culturally relevant messages about what chronic absenteeism is (missing 10%+ of school days) and why it matters.
Host Family Workshops / Info Sessions Organize in-person and virtual workshops for families on understanding chronic absenteeism and how they can support attendance.
Develop and distribute an “Attendance Success Toolkit” for parents and families
Hold an assembly or classroom presentations on why "Every Day Counts," possibly using peer ambassadors or student council.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Family workshop attendance, flyer distribution

Monthly risk reports, student lists

Meeting agendas, updated intervention plans

Gather input from students, families, and staff on campaign clarity and impact

Conduct quick checks with teachers on whether attendance content is being included in morning meetings / 2nd period Homeroom

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/07/2025	06/26/2026	Attendance Family Toolkit:"Every Day Counts" Informational Flyer,School Attendance Policy Sheet, Daily Attendance Tracker (Fridge Magnet or Printout) Top 10 Tips for Good Attendance, Contact List for Support, Family Pledge Card	CEI, Parent Coordinator, Main Office, Attendance Team, Teachers, Success Mentors, Caring Adults

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Enhance Professional Development – Provide specialized training on data-driven instruction, differentiated strategies, and assessment alignment.

Strengthen IEP Development & Implementation – Implement a structured review process with ongoing feedback and collaboration.

Increase Access to Evidence-Based Interventions – Use research-backed methods to support literacy and math development tailored to student needs.

Improve Progress Monitoring & Adjustments – Establish consistent benchmarking cycles to refine IEP goals and instructional methods.

Foster Collaboration & Family Engagement – Increase communication and shared decision-making among educators, specialists, and families.

Root Cause Addressed:

Limited teacher training on assessment-driven IEPs ? Solution: Targeted professional learning sessions.

Inconsistent IEP implementation ? Solution: Create structured accountability measures and peer mentoring.

Gaps in instructional differentiation ? Solution: Provide educators with adaptive resources and personalized learning tools.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Professional Development Workshops – Conduct quarterly training sessions focused on assessment interpretation and evidence-based instructional strategies. Student-Facing Activities: Ensure lessons are aligned with student needs using personalized learning pathways in i-Ready and Acadience. Provide targeted small-group instruction for students based on assessment data and IEP goals. Offer peer tutoring and mentor programs to support students with disabilities in mastering key skills. Staff Professional Learning: Conduct quarterly training sessions on assessment interpretation, data-driven instruction, and IEP goal alignment. Facilitate coaching cycles where educators work alongside specialists to refine instructional approaches. Develop an online resource hub with best practices, instructional tools, and video tutorials.

IEP Quality Assurance Reviews – Establish a review committee to evaluate IEP effectiveness and provide targeted support for refinements. Student-Facing Activities: Hold student reflection meetings where learners review their IEP goals and progress. Increase accessibility of assessments by incorporating multi-modal formats (visual, auditory, tactile). Assign dedicated case managers to monitor student progress and support advocacy. Staff Professional Learning: Establish an IEP review committee composed of special educators, administrators, and family representatives. Conduct biannual audits of IEP quality to ensure alignment with individualized student needs. Facilitate peer observations where teachers evaluate each other's implementation of accommodations. Rollout: Introduce the review committee in September, with ongoing monitoring twice per academic year.

Structured Intervention Implementation – Deploy research-based literacy and math interventions with clear tracking mechanisms. Student-Facing Activities: Implement evidence-based reading and math interventions (e.g., Orton-Gillingham, Wilson Reading, Number Worlds). Provide daily intervention blocks dedicated to reinforcing foundational literacy and numeracy skills. Use adaptive software for differentiated instruction tailored to student learning styles. Staff Professional Learning: Conduct workshops on intervention strategies to equip educators with research-backed techniques. Train teachers in data tracking tools to assess intervention effectiveness. Organize collaboration sessions where interventionists work alongside general educators. Rollout: Pilot interventions in September, fully integrate by December, and assess impact quarterly.

Progress Monitoring Framework – Implement consistent review cycles using i-Ready and Acadience data to inform instructional adjustments. Student-Facing Activities: Use weekly data chats with students to review growth and set personalized goals. Encourage student self-monitoring through progress tracking journals. Provide real-time feedback using formative assessments to guide adjustments in instruction. Staff Professional Learning: Train educators to use i-Ready and Acadience dashboards for real-time data analysis. Integrate individualized data meetings into PLCs to refine instructional strategies. Offer coaching on adjusting IEP goals based on emerging student performance trends.

Collaboration & Family Engagement Initiative – Foster stronger communication with families through scheduled feedback meetings and shared goal-setting. Student-Facing Activities: Hold student-led IEP meetings where learners actively participate in goal-setting discussions. Provide families with monthly progress reports in accessible formats. Develop a parent resource center for guidance on supporting student learning at home. Staff Professional Learning: Offer professional development in family engagement strategies to foster better communication. Conduct home-school collaboration workshops to strengthen partnerships. Establish a system for regular feedback from parents about IEP implementation. Rollout: Begin engagement sessions in August, host parent workshops quarterly, integrate feedback cycles monthly.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Increased IEP quality and alignment (measured through audits).
Improved student proficiency in i-Ready and Acadience (assessed quarterly).
Strengthened teacher capacity in intervention and data-driven practices (evaluated through professional development assessments).
Higher family involvement and satisfaction (tracked via engagement surveys).
This approach ensures targeted student support, continuous teacher learning, and structured implementation cycles, fostering inclusive and accessible education.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
07/01/2025	09/01/2025	Launch Summer Institute for staff training on family engagement strategies. Begin outreach to community organizations for resource sharing. Develop and distribute family support materials in multiple languages. Establish IEP case manager assignments to improve direct communication.	
10/01/2025	12/01/2025	Host first Parent Advisory Council meeting to gather feedback. Conduct Student-Led IEP Training for families and educators. Implement real-time IEP progress dashboards accessible to families. Begin quarterly home-school conferences with individual student progress reviews.	
01/01/2026	03/01/2026	Expand community collaboration initiatives (vocational training, legal advocacy, transition programs). Integrate new assistive technology tools for accessibility improvements. Conduct IEP audits to assess effectiveness of new engagement strategies. Hold multilingual family engagement workshops focused on post-secondary transitions.	
04/01/2026	05/01/2026	Gather data through family surveys to refine IEP processes. Adjust quarterly monitoring cycles based on feedback. Review success metrics for student proficiency growth in i-Ready and Acadience. Finalize plans for long-term sustainability and continued professional learning.	

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Special Education Teachers & Case Managers – Trained professionals will lead IEP development, intervention implementation, and student progress monitoring. Speech-Language Pathologists & Counselors – Supported through Title I funding, these specialists will provide targeted therapy for at-risk students. Inclusion Coaches & Behavior Specialists – Will facilitate best practices for differentiated instruction and behavioral supports. Parent & Community Liaisons – Ensuring culturally responsive engagement and bridging communication between educators and families.

Instructional Resources

Evidence-Based Curricula & Programs: Orton-Gillingham, Wilson Reading (for literacy interventions). Number Worlds, TouchMath (for numeracy development). i-Ready & Acadience progress monitoring tools (for adaptive instruction). Assistive Technology: Text-to-Speech & Speech-to-Text software for accessibility. Adaptive learning devices for students needing specialized tools. Sensory Materials & Executive Functioning Supports: Supported through Title I funding, includes flexible seating, fidget tools, and structured organizational aids.

Schedule Adjustments

Dedicated Intervention Blocks: Daily structured learning time for targeted literacy and numeracy supports. Professional Development Integration: Monthly staff learning communities on IEP best practices & differentiation strategies. Summer Institute focused on executive functioning skills & inclusive teaching strategies. Parent & Family Engagement Sessions: Quarterly workshops to improve collaboration on student IEP goals and transition planning.

Other Resources Needed

Additional Title II Funding – To reduce the ratio of students with IEPs to typically developing peers in Integrated Co-Teaching (ICT) classrooms. Expanded Community Partnerships – Collaborating with local colleges, transition programs, therapy centers, and advocacy organizations to ensure wraparound supports. Translation Services – Providing multilingual resources for families with limited English proficiency.

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Academic Support Tier 2	2 or more levels below grade level	Phonics for Reading	Small Group - Groups of 4-6 students	During School 3-4 times a week	yes
Academic Support Tier 2	2 or more levels below grade level	Focused Mathematics Intervention	Small Group - Groups of 4-6 students	During School 3-4 times a week	no
Academic Support Tier 3	Below Grade Specific Benchmark for Acadience	S.P.I.R.E.	Small Groups of 4-6 students	During School 3-4 times a week	yes
Academic Support Tier 2	Entering/Emerging ELL students	Imagine Learning	Small Group - Groups of 4-6 students	During School 3-4 times a week	no
Academic Support Tier 3	Acadience Data - lowest 15%	Reading Partners	Individual and Small Group - Groups of 4-6 students	During School Daily	no
Academic Support Tier 3	iReady Data	Follow Us to Success	Individual and Small Group - Groups of 4-6 students	During School Daily	No

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
SEL Tier 2	Teacher Recommendation, anecdotal, incident reports	Counseling; Restorative Justice	Small social groups	During school	no
SEL Tier 3	suspensions; teacher recommendation, class removals	counseling, TCIS; Functional Behavior Analysis & Behaivor Intervention Plan	Individual	During school	no
SEL Tier 2	Teacher Recommendation, anecdotal, incident reports	Crew; Sanford Harmony	Small groups	During school	no

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Our school ensures families are informed and engaged in the MTSS process through multiple communication strategies:

Parent Intervention Letters

Families receive a letter specific to the intervention program their child participates in during the WIN (What I Need) period.
The letter explains the purpose of the intervention, the targeted skills, and how parents can support at home.

Progress Monitoring Updates

Every 8 weeks, parents are provided with progress monitoring data.
This includes student growth toward goals and any adjustments to interventions.

Guiding Questions for Conversations

Families are encouraged to use three key questions when speaking with their child about learning:

Why are you participating in this small group intervention?
What are you working on improving during this time?
How do you know if you're making progress? What changes have you noticed in your work or learning?

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Initial Notification

Parents receive a formal intervention letter outlining the purpose of the support, the specific program or strategy being implemented, and how it addresses their child's needs.

Progress Monitoring Reports

Every 8 weeks, families receive detailed progress monitoring data.
Reports include current performance levels, growth toward goals, and any changes to intervention plans.

Follow-Up Conversations

Teachers and interventionists schedule conferences or phone calls to review progress, answer questions, and discuss next steps.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Data Review and Input

Families receive detailed reports showing student growth and areas of continued need.
Parents are encouraged to share observations from home and provide input on strategies that support their child.

Ongoing Communication

Updates are provided through scheduled conferences, phone calls, and digital platforms to ensure transparency and partnership.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

85
Total:
Doubled up (with friends or relatives because they cannot find or afford housing):
Living in a shelter or transitional shelter:
Living in a hotel/motel:
Other

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Walking school bus supports attendance
School counselors support SEL
SEL team identifies and supports with student goods/services
Every Child is Know Program

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select

services aligned to need?

STH will be provided with:
-Items of clothing and shoes necessary for participation in classes
-Personal school supplies such as backpacks, notebooks, and remote learning devices such as internet and/or laptop/tablet
- Immunizations
- Food
- Medical and dental services
- Eyeglasses and hearing aids
- Counseling services related to homeless issues that are impeding learning
- Outreach services
- Extended learning time (before and after school, Saturday, summer)

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

Currently 8 student sin Foster Care
Grades K-3 - 6 students
Grades 4-8 - 3 students

Tiered Supports for Students in Foster Care (8 Students)
Social-Emotional Supports
Tier 1

SEL Curriculum Integration: Daily lessons using program and partnerships like " A Little Spot of Feelings and Emotions" , Partnership with Child Mind Institute, Lincoln Hospital, Acacia Network, New York Psychotherapy and Jewish Board.
Morning Meetings & Check-Ins: Structured time for relationship-building and emotional expression.
Trauma-Informed Practices: All staff trained in trauma-sensitive strategies to create predictable, safe environments.

Tier 2 (Targeted Supports)

Small Group Counseling: Weekly sessions focused on coping skills, self-esteem, and peer relationships.
Caring Adults Mentorship Programs: Pairing students with trusted adults or peer mentors for consistent support.

Tier 3 (Intensive Supports)

Individual Counseling: Licensed social worker or guidance councilors providing weekly therapy sessions.
Wraparound Services: Collaboration with foster care agencies, caseworkers, and family supports.
Crisis Intervention: Immediate response plans for emotional or behavioral crises.

Academic Supports
Tier 1

Differentiated Instruction: Scaffolded lessons and flexible grouping to meet diverse needs.
Progress Monitoring: Regular formative assessments to track growth.
Access to Technology: Devices and internet for homework and virtual learning.

Tier 2

Targeted Academic Interventions: Daily WIN support for literacy and math gaps.
After-school programs or virtual tutoring sessions. (HIT program, Saturday Academy, Afterschool and School Break Programs)
Check & Connect: Weekly academic check-ins with a designated staff member.

Tier 3

Collaboration with Foster Care Agencies: Ensuring educational stability during placement changes.

Family & Community Engagement

Regular Communication: Between school, foster parents, and caseworkers and caring adults mentors
Resource Referrals: Mental health services, medical, dental & vision, food assistance, and housing support.
Community Partnerships: Local organizations providing enrichment and counseling.
- St. Barnabas- Dental
- Vision- Helen Keller
- Lincoln Hospital - Therapy & Grief Counseling

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

1. Immediate Enrollment & Stability Measures

Enrollment Priority: Students in foster care are enrolled immediately, even if records are incomplete, per McKinney-Vento and state guidelines.
School Stability: Collaboration with foster care agencies to minimize school changes and maintain continuity in academics and relationships.

2. Social-Emotional Supports

Individual Counseling: Each student is assigned a school social worker or counselor for weekly sessions focused on trauma-informed care.
Transition Support Meetings: For newly placed students, the counselor meets within 48 hours to assess emotional needs and create a support plan.

3. Academic Supports

Baseline Assessment: Within the first two weeks, students receive diagnostic assessments in ELA and Math to identify gaps for intervention WIN appropriate group placement.

Targeted Interventions: Small-group or one-on-one tutoring for identified areas of need, scheduled during intervention blocks or after school.

4. Family & Agency Collaboration

Caseworker Coordination: Regular communication with foster care agencies to align school supports with home stability plans.
Resource Referrals: Connecting families to mental health services, food programs, and community resources.

5. MTSS Integration

Tier 2 & Tier 3 Supports: Students in foster care are flagged in the MTSS system for priority monitoring. Data teams review attendance, behavior, and academics bi-weekly.
Crisis Response Protocol: Immediate access to counseling and administrative support during emotional or behavioral crises.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

Attendance Trend:

Chronic absenteeism is elevated and spikes around placement changes. Past trends have shown student foster care are typically chronically absent each year, with a subset missing more days than they attended—patterns that intensify when students change schools mid-year.
Placement changes, school mobility, missed instruction. After entering care, a large percentage of foster care students switch schools quickly; each move creates logistical and emotional disruption.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Attendance-Focused Counseling

Check & Connect- Students receive weekly sessions focused on problem-solving barriers to attendance (transportation, emotional stress, scheduling conflicts).
Goal Setting & Incentives: Short-term attendance goals tied to positive reinforcement (recognition, privileges through knowledge and Liveschool programs within the school)

Family & Agency Collaboration

Appointment Coordination: Work with caseworkers and foster parents to minimize court or agency appointments during core instructional hours.
Transportation Advocacy: Ensure ESSA transportation agreements are activated quickly to prevent missed days after placement changes.

Grief Support Plan for Parent loss to support child in foster care:

School is primary support site: provide timely support and reduce learning time lost to grief. Student receives immediate grief support within and outside school community.

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

Instruction & Individualized Academic Support:
High Impact Tutoring and targeted interventions embedded throughout the school day will address gaps in literacy, math, and other core subjects.
ENL Afterschool Program & Saturday Academy
Test Sophistication

Enrichment Activities Focused on Real-World Learning:
Programs such as ASPIRA After-School Program will provide cultural, artistic, and leadership experiences that foster creativity and exploration beyond the traditional classroom.

Financial Literacy Education:
Students will participate in workshops and project-based learning experiences that teach budgeting, saving, responsible spending, and understanding credit—skills essential for lifelong financial well-being. Program - INTUIT

Social-Emotional Learning & Physical Well-Being:
Activities will integrate SEL practices and physical fitness to promote resilience, teamwork, and healthy lifestyles. Focus on Sense of Belonging

Community Problem-Solving & Leadership Development:
Students will engage in service-learning projects and leadership workshops to strengthen civic responsibility and community involvement.

Sports Programs:
ELT will include athletic opportunities such as basketball, lacrosse, baseball, soccer, volleyball, and track to promote teamwork, discipline, physical health, and leadership skills. These programs will also serve as a platform for social-emotional growth and community engagement.

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

Implement interventions throughout the day, by a NYS certified teacher as well as utilize programs like ASPIRA after school program, ReadWorks, and High Impact Tutoring- Smart Start Program to support our students' growth and development.

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

Provide ELT services that include additional instruction, individualized academic support, and enrichment activities focused on real-world learning and community problem solving.

Provide a description of the materials purchased to support implementation of ELT.

Academic - PAF Program,

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. PS/MS 5, in compliance with Section 1116 of Title I, Part A of Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community. Parents and students are expected to work in conjunction with school personnel to plan, execute and effectively follow through with projects,

events and other activities to promote academic success and a successful delivery of service to the school community. The strategies includes but is not limited to ensuring that parents and PTA members disseminate information using PTA newsletter and other outlets for the purposes of raising engagement levels between home and the school community. Additionally, parents will be empowered to advocate for their children and to provide a place where they could voice their concerns in a collaborative supportive environment.

Support for Parents and Family Members of Title I Students

PS/MS 5 will support parents and family members of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and

families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;

- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:

- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS/MS 5, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;
-

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;

- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Since mathematics and discussion is a school-wide focus we have solidified a Math Education Consultant from Solved Innovative Education Experts, Dr. Martin S. Wilson and Ross Linegar to provide support and professional development in the area of mathematics and discussions with an incorporation of a Culturally Responsive teaching and learning.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

The PC has been pivotal in supporting the transition from the earlier grades to the upper grades with workshops providing the scope and sequence and targeted curriculum expectations. In addition, vertical and horizontal planning to support and align rigorous academic expectations.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	$620,080	X	ELA, Math, CA, SEL
Title I, School Improvement 1003(a)	Federal	$97,202	X	ELA, Math, CA, SEL
Title II, Part A	Federal	$48,350	X	ELA, Math, CA, SEL
Title III, Part A	Federal	$15,349	X	ELA, Math, CA, SEL
Title III, Immigrant	Federal	$10,882	X	ELA, Math, CA, SEL
Title IV, Part A	Federal	$89,930	X	ELA, Math, CA, SEL
Tax Levy (Fair Student	Local	$4,691,839	X	ELA, Math, CA, SEL

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
Center for Educational Instruction (CEI)	Pk-8th Grade	Academic and Emotional support	Pursue Equity, reduce chronic absenteeism, know the child as whole

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

In our pursuit for educational equity, developing and building trusting relationships, we plan to share leadership decision making by fostering and putting at the forefront leadership roles (e.g., CBO Director) and identifying clearly to the students and the community stake holders who they can contact for various levels of concern. This explicit and open door policy will allow this partnership to unfold and to support the achievement of all CEP goals and build community strengths to ensure condition of learning.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

Family and Community Engagement is at the forefront of our school efforts. This vision and need is based on the District 7 vision and Pillar 4 (Engaging families to be our partners) which states and warrants the need and necessity to engage our families in enriched learning experiences which will result in academic progress. Conditions for academic learning will be foster with this partnership and by allowing parents and community stakeholders to assist in infusing Culturally Responsive choices of curricular within content needs addressing and disrupting racial inequalities in pedagogical practices.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

The collaboration with the Center for Educational Innovation (CEI), will cultivate a safe and healthy learning environment with focusing and providing SEL opportunities and having monthly health organization provide learning experiences for parents based on observed and determined community needs, building trauma-informed and culturally responsive connections with PSMS 5. Building teacher capacity with professionals on call for the participation and the support of conflict resolution, restorative circles and mentor partnerships.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

Data is our main source for developing and targeting specific needs; thus developing an inquiry based approach that provides the opportunity for the CBO in partnership with the school community to analyze in detail the data will occur at minimal twice a month. This analyzes will identified trends and target areas that the school community and the CBO will address. Some of the common systems and sources that we utilize to see data ate: New Vision Portal, ATS, the NYC Data Hub, and our own created data platform.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for all students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

Our learning community will facilitate many activities to engage our families and support an authentically enriched student learning experiences. Our current systems and structures, such as our Horizon program and our collaboration with ASPIRA will coordinate and serve with our partnership specific supports for our sub-groups and unique learners. For example, a newsletter will flourish and be used to support and demonstrate our commitment to developing interdependence and support our shared vision of accountability. The data analyzes based on differing sub-population will be used and shared with the community to build on our community strengths. Specific roles will be created with shared responsible for optimizing the learning and the beneficial resources for all sub-groups.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Danielle Keane
Assistant Principal (Where Applicable)*	Nieves Beckett
English as a New Language (ENL) Teacher*	Melissa Diaz
Teacher (if school has a bilingual program must be a bilingual teacher)*	Julissa Moncada
Parent/Guardian*	
ENL Coordinator	Sandra Bauer
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

4

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

2

Number of teachers who hold both content area/common branch and ESOL certification:

1

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

5

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

0

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

N/A

Total number of teachers with LOTE certification providing World Language instruction:

N/A

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

N/A

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

603

Total number and percentage (%) of current ELLs:

26.9%

Total number and percentage (%) of former ELLs:

4.6%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

82.7%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

15.4%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

1.9%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

6.2%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

16.0%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE	TBE	Spanish	2013							1	1	1					3
TBE																	0
TBE																	0
DLBE	DL	Spanish	2016	.5	.5	1	1	1	1								5.0
DLBE																	0
DLBE																	0
				total: 0.5	total: 0.5	total: 1	total: 1	total: 1	total: 1	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

We have 3 ENL teachers, each teacher services a specific cohort of students. The first breakdown is that of K-2, General Education classes and Special education classes, the other ENL teacher services students in grades 3-6 General Education and Special Education classes. The third ENL teacher services the students in the transitional bilingual education classes in grades 6-8. The ENL teacher works with students in small groups delivering English language development instruction in order for M/ELLs to acquire the English language needed to succeed in the core content areas as a stand-alone ENL for entering and emerging M/ELLs.

In Grades K-5 in the Dual Language classroom the classroom teacher delivers 180 minutes of Stand-alone ENL instruction to all entering and emerging students (360 minutes). The Bilingual classroom teacher works in small groups to meet the proficiency level demands of the entering and emerging students.

Curriculum Materials used to support students: Phonics for Reading by Anita Archer, Measuring Up Getting Ready for ELL Sucess 2.0, EL Read Works Alignment, Impact by National Geographic, and Reach High Pilot.

Integrated ENL:

The ENL teacher and content area teacher, co-teach and co- plan to deliver instruction to all students in the class, the classroom teacher as the content expert and the ENL teacher are the expert on effective strategies for our M/Ells. For example, simplified language organizers provided by the EL curriculum: ELL teacher Guide and Supporting Materials, visual aids and vocabulary corners. Teachers work together to teach the entire class at one time and/or break up the class into two flexible groups; students are then able to receive the same high-quality instruction. Bilingual TBE classes are heterogeneously grouped, and the class travels together during the school day as the whole school is departmentalized,

Former M/ELLs at PS/MS 5 continue to receive the required 90 minutes of ENL services by one of the 3 ENL teachers. ENL teachers co-plan with the content teachers to deliver academic language instruction to help with the comprehension of instruction and to expose these former M/ELLs to Tier 3 content vocabulary.

Our Entering, Emerging and transitioning M/ELLs receive 180 minutes of integrated ELA/ENL service weekly. Expanding M/ELLs receive 180 minutes of integrated ENL ELA/Content area weekly. Former M/ELLs receive 90 minutes of integrated ENL ELA/content area weekly for two years after reaching commanding on the NYSESLAT.

b. Bilingual Education (If applicable)

Transitional Bilingual Education (TBE):

PS/MS 5 has three transitional Bilingual classes in grades 6-8. Classes are heterogeneously grouped but teachers group their students within the class according to English proficiency levels to better target language structures within a lesson and move students to a higher proficiency level. Students in the TBE classrooms learn about their culture as well as the other cultures in the school community and of course the United States. The purpose is to set up a classroom of acceptance where English Language Learners feel they are part of the community, and they understand their new community. The school is using EL Curriculum with resources in Spanish and the Spanish version of the mentor texts. In content areas, teachers are using Amplify and Passport with their bilingual versions.

The bilingual teacher collaborates with other content area teachers in the middle school to meet the students' needs while also meeting State Standards (The New Generation Standards) and ENL Standards based on Targets of Measurement by NYS. In the Middle School M/ELLs are serviced by two bilingual teachers (Humanities and Math), and the ENL teacher assigned to Middle School. ALL ELLs in our TBE classes receive 180 minutes of Native Language Arts a week. Entering and emerging M/ELLs receive 180 minutes of Stand Alone ENL from the ENL licensed teacher. All ELLs Entering, Emerging, Transitioning and Expanding receive 180 minutes of ELA/ENL through the co-teaching model.

Dual Language Bilingual Education (DLBE):

In the Dual Language Program the home language and English is used to build bilingualism, biliteracy, and cross-cultural competence. In
this program there are equal or near equal number of students from each language present. Both language groups are integrated. Each
language is separated for instruction and communication. Content and literacy instruction is in both languages for all students. Best
teaching and learning practices educate students to their highest potential. Currently, the school is utilizing the EL curriculum for both English and Spanish.
One teacher teaches all the subjects. literacy and content instruction is 50% in English and 50% in Spanish for all students throughout the program all content areas are taught in both languages the two languages are separated by time, alternating days instruction is delivered one language at a time without translation so that students are immersed in the target language thereby facilitating in the process of language acquisition. Additionally, teachers use flexible grouping and differentiation and scaffolding during instruction to meet the academic and linguistic needs of all students.

The school is using EL Curriculum with resources in Spanish and the Spanish version of the mentor texts. In content areas, teachers are using Amplify and Passport with their bilingual versions in Dual Language Program. It serves English Language Learners and English Proficient students. This program is designed to develop the target language

(Spanish) as well as English Language Skills by having teachers serve as linguistic role models to support language and academic success in both languages. ELLs receive the mandated hours though the bilingual teacher: Entering, Emerging, Transitioning ad Expanding receive 180 minutes of ELA/ENL and Commanding students receive 90 minutes. ENL Stand Alone is provided by the bilingual teacher: Entering, Emerging for 180 minutes. Finally, students receive Home Language Arts for 180 minutes though the bilingual teacher.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

Grades 6-8
Teachers in the TBE classes with entering level ELLs spend 75 percent of instruction in student's native language and 25 percent in English. These students receive the following instruction:

*English instruction:
180 minutes of ENL
180 minutes ENL/ELA Integration
180 minutes Integrated ENL in the Content area

*Home Language Instruction:
180 minutes of Home Language Instruction
2 bilingual content areas for entering and emerging ELLS (Social Studies and Math)
1 bilingual content area for transitioning and expanding ELLs (Math)

*English Instruction
Teachers in the TBE classes with low emerging ELLs receive the following instruction 40% English instruction and 60% Spanish instruction:

When teaching the content areas, concepts are taught in the native language and reinforcement of those concepts are done in English. Terminologies are developed in English and contextual meaning clarified. Non-core subjects such as art, music, computer lab, and physical education are taught in English using ENL methodologies and scaffolding instructional strategies. ENL is delivered explicitly in the transitional bilingual education program through the classroom teacher. ENL instruction and minutes are met throughout the day through differentiated instruction and small group work. ELA is delivered explicitly to ELLs.

Content Area Delivery in the TBE program -Languages are separated
Math is taught in their home language for ELLs in grades 6-8 TBE classes.
Social Studies is taught in their home language for entering and emerging ELLs.

Grades K-5
Our Dual Language program is designed so that:
* literacy and content instruction is 50% in English and 50% in Spanish for all students throughout the program
*all content areas are taught in both languages
* the two languages are separated by time, alternating days
* instruction is delivered one language at a time without translation so that students are immersed in the target language thereby facilitating in the process of language acquisition
* teachers use flexible grouping and differentiation during instruction to meet the academic and linguistic needs of all students
* students' cultures are acknowledged and celebrated

Dual Language in Grades 3-5 Monday, Wednesday and Friday language of instruction is English and ENL is delivered those days. Tuesday and Thursday Language of instruction is Spanish and HLA is delivered on those days.

Dual Language in Grades K-2 Monday, Wednesday and Friday language of instruction is Spanish September - December. In January, Grades K-2 follow the schedule as grades 3-5.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

Grades 6-8 Teachers in the TBE classes with entering level ELLs spend 75 percent of instruction in student's native language and 25 percent in English. These students receive the following instruction:
*English instruction: 180 minutes of ENL 180 minutes ENL/ELA Integration 180 minutes Integrated ENL in the Content area.

*Home Language Instruction: 180 minutes of Home Language Instruction 2 bilingual content areas for entering and emerging ELLS (Social Studies and Math) 1 bilingual content area for transitioning and expanding ELLs (Math).

*English Instruction Teachers in the TBE classes with low emerging ELLs receive the following instruction 40% English instruction and 60%
Spanish instruction: When teaching the content areas, concepts are taught in the native language and reinforcement of those concepts are taught in English. Terminologies are developed in English and contextual meaning clarified. Non-core subjects such as art, music, computer lab, and physical education are taught in English using ENL methodologies and scaffolding instructional strategies. ENL is delivered explicitly in the transitional bilingual education program through the classroom teacher. ENL instruction and minutes are met throughout the day through differentiated instruction and small group work. ELA is delivered explicitly to ELLs. during content Area delivery in the TBE program .
*Languages are separated Math is taught in their home language for ELLs in grades 6-8 TBE classes. Social Studies is taught in their home
language for entering and emerging ELLs.

Grades K-5 Our Dual Language program is designed so that:
* literacy and content instruction is 50% in English and 50% in Spanish for all students throughout the program
*all content areas are taught in both languages
* the two languages are separated by time, alternating days
* instruction is delivered one language at a time without translation so that students are immersed in the target language thereby facilitating in the process of language acquisition.
* teachers use flexible grouping and differentiation during instruction to meet the academic and linguistic needs of all students
* students' cultures are acknowledged and celebrated
* Dual Language in Grades 3-5 Monday, Wednesday and Friday language of instruction is English and ENL is delivered those days. Tuesday and Thursday Language of instruction is Spanish and HLA is delivered on those days. Dual Language in Grades K-2 Monday, Wednesday and Friday language of instruction is Spanish September - December.
*In January, Grades K-2 follow the schedule as grades 3-5.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

In the Dual Language Program the home language and English is used to build bilingualism, biliteracy, and cross-cultural competence. In this program there are equal or near equal number of students from each language present. Both language groups are integrated. Each language is separated for instruction and communication. Content and literacy instruction is in both languages for all students. Best teaching and learning practices educate students to their highest potential. One teacher teaches all the subjects.

*literacy and content instruction is 50% in English a nd 50% in Spanish for all students throughout the program
*all content areas are taught in both languages
* the two languages are separated by time, alternating days
* instruction is delivered one language at a time without translation so that students are immersed in the target language thereby facilitating in the process of language acquisition
* teachers use flexible grouping and differentiation and scaffolding is used during instruction to meet the academic and linguistic needs of all students

b. In which language(s) is each core content area taught?

English Language Arts: - English
Home Language Arts: Spanish
Science. Social Studies. Math: English/ Spanish

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

Social Studies and Math are taught bilingually in the TBE classes in grades 6-8. Specifically:

Entering & Emerging: Two core content areas to be taught in students home language (Math and Social Studies)
Transitioning & Expanding: One core content area to be taught in students home language (Math)
All proficiency Levels: 4 periods of Home Language Arts a week

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

We have an abundance of Newcomer students, as 83.1 % of our ELL population falls under this category. Usually, the ELLs in this category are Entering, Emerging, and Transitioning. As per the English Language Learner Proficiency Level Support Tool, NYC DOE, these learners struggle to access complex text and need bridges to access grade-level curriculum.
This subgroup needs heavy scaffolding, and the present curriculum offers a certain degree of differentiation, but not to the extent that these students need. Thus we use the the English Language Learner Proficiency Level Support Tool in combination with the LPDs to add scaffoldings and ideas for supportive teacher practices.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

Our SIFE population is only 7.3 %.These students lack the basic literacy skills in Math and ELA. They are usually Newcomers, and their language proficiencies range from Entering to Emerging. These students are part of the intervention programs that address the specific needs of this subpopulation through National Geographic materials for Newcomers. In addition, using the ESL Support tool, which displays examples of scaffolds according to proficiency level, WIDA resources, and the specific ELL support already laid out in our present curriculum, teachers can differentiate to make content accessible to all ELLs.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

Our school only has 3 Long Term ELLs, or 1.7 %.The way we address the instruction for these students is by making sure we address the areas where they are fossilized. According to the EDAT ,these students have not passed the NYSESLAT because they have lack sufficient writing skills. As a result, ENL and bilingual teachers devote more time to hone in their writing skills in small groups.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

Our former ELLs constitute 2.7 % of the ELL population ,and they continue to be serviced by the ENL provider for the 90 mandated minutes.As Commanding students, they need to be guided into a higher proficiency in language through enriching Tier 3 vocabulary and addressing a high linguistic demand in writing.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

We currently have 68 ELL students at risk of which the majority or are at risk 2 due to factors such as being a Newcomer and temporary housing.The next largest group is at risk 1 only due to the fact that are Newcomers at approximately 40 %.The next group is risk 3 at a total of 30% and the factors are being in temporary housing and scoring a 1 or 2 in Math.In minor quantities are at risk 4,5,6 and 7 and the salient factors are receiving a score of 1 o 2 in ELA and Math, of this 30% half are in temporary housing and a third are at risk of becoming long term ELLs. In conclusion the predominant factors in these students being at risk are temporary housing, scoring 1 or 2 in State Tests and being a Newcomer.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

As per the EDAT tool, only 17.9 % are at no risk .However,35.7% are at level 2, 21.4% are at level 4 predominantly. The reason behind the at risk level is a lower score in the ELA and or Math, for 2 years and they live in shelters.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The dominant language at our school is Spanish at a 90 percent in every grade except for 5th grade where Spanish is 80 percent and French 20 percent,The lower incidence languages are Arabic, Fulani, Hausa and Soninke.Bilingual and ENL teachers nurture the home language following the guidelines of the Policy Guide.
The school has an extensive bilingual staff in Spanish, but for the non-dominant languages teachers can use the translator devices, and tech programs under the guidance of the Language Access Coordinator unit.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

Our ELL students racial and ethnic classification is as follows: 32.8% are American Indian or Alaskan native from hispanic origin. Among the black population ,9 6% are non hispanic and 24.3 % are Hispanic. Regarding the white population 26% are Hispanic.I n lower incidences, the multiracial population is at 4.6% and the Native Hawaiian or other Pacific Islander is at 5.3%.

We use an inclusive curriculum that explores the cultural aspects of the world in general. We assess the physical

environment of the
classroom and school to determine hether a variety of diverse cultures, and languages are reflected, represented and valued.We promote a variety of perspectives that represent the country respecting races and cultures beyond historicity and holidays .
In addition, our school seeks to build rapport and develop positive relationships with students, and their families by learning about their interests and voicing their opinions and concerns and finding opportunities to address them.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

As per EDAT, 55.50 %of our ELLs made ELP progress through methods 1,2 and 3.Thus leaving 54.6% of students who did not make progress taking into account the aforementioned methods. A 12.3% of students became commanding either through Exit Criteria or by scoring commanding in the NYSESLAT.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

For two consecutive years 2023 and 2024 students have demonstrated strength in the Speaking modality. However, there is very little improvement in the area of writing especially in grades 6th and 7th. The reading modality does not seem to be an area of strength or need and is prevalent among the Newcomer population. The Listening modality is the least problematic since very few students but mostly in 7th grade due to the afflux of Newcomers as well. In conclusion, the areas that need improvement first of all is writing and second is reading therefore an effort should be made to improve reading fluency.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

The relationship between the language proficiency and NYS Test performance and productivity is uneven. Newcomers that take the test for the first or second time might score low depending on the student, but Expanding and Commanding students should be performing at a higher rate since their language development is more advanced. Regarding the ELA Test, there are 12 Commanding students(either who just scored Commanding or have the designation for the second year) that score between a1 and a 2.
In the area of Math proficiency, more students scored 3 even if they were Newcomers, given the accommodation that they can take the test in their own language.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

Our Sife students scored at the Entering Emerging level, only a 5% became Transitioning. We have 23 ELLs with disabilities of whom only a 10% showed progress. What might be impacting these two subgroups is the need to look at their specific needs such as the academic gaps and finding different points of entry .

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

School leaders and faculty align curricula to priority Next Generation Learning Standards and/or content standards, making
purposeful decisions to build coherence and equity for all ELLs. Grade leads will unpack Next Generation Learning Standards, align unpacked standards with the Illustrative Math Curriculum for grades K-2. Ongoing Monday PDs will be facilitated for the new curriculum.
Teachers will engage in assessing student mastery; the instructional team reviews assessments. Through weekly vertical and horizontal planning sessions, teachers will look at student work products in ways that provide actionable data,
patterns, and trends that will facilitate whole/small group and or individual. Teachers will use data from screeners to strategically plan for differentiated small group instruction.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The Instructional Leadership Team will meet to leverage technology tools that are effective. These tools should include, Formative and Summative assessments, SEL, Project Based Learning that are aligned to the content and the standards. These tools will support our efforts to know our students' academic and social emotional needs with a cultural lens in order to implement instruction that meets their individual needs in both the ENL program and the bilingual setting.

ILT will begin to identify students for RTI and organizing groups ensuring to include SWDs and ENLs. Practice Makes Perfect/Success to Learning will implement RTI cycles and collaborate with classroom teachers. PLCs will disaggregate data and adjust instructional plan as needed. When considering the ELL /MLLs, teachers take into account the language proficiency, years of services and at-risk factors as per most recent EDAT to plan and differentiate instruction accordingly in both languages.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Students are provided with English instruction using ENL methodology and instructional strategies through the content areas. They also utilize Science of Reading techniques and the mini-lesson model. Students are challenged by focusing on every student task, which encourages and incorporates high order thinking, reading, speaking, listening and writing, while still making it comprehensible to ELLs.

Our ENL students also learn about their culture, other cultures within the school community and the United States. The ENL teacher has flexibility within her schedule to meet with different grade teachers to plan and articulate in order to maximize English acquisition. ENL strategies are infused into content area instruction that is grade appropriate with a focus in their language proficiency levels. Students are also given L1 support through cognates and/or whenever possible reading materials in their L1 that would help them understand the content being taught in L2.
Teachers refer to the grammar transfer and phonics transfer issues that ELLs might experience from their L1. ELLs in the General Education class receive content area in English by their classroom teachers but they are trained at the school level with ENL methodologies by the ELL Coordinator to scaffold lessons for ELLs in their classroom. Thinking routines to build oral language development: Think Ink Pair Share, Conversation Cues and scaffolded forms of accountable talk.

Digital Tools to support interaction and engagement: padlet, flipgrid. Teacher of ELLs will support MLLs/ELLs in: chunking their texts and creating subheadings for meaning making, annotating content materials, making thinking visible, using oral language to make connections to content material and independent reading books.

Lessons will include vocabulary teaching, preparing for reading, shared reading, deconstructing words and phrases, deconstructing sentence structures, language dives applying speaking, listening, reading and writing skills and strategies.

In the Dual Language Program, the home language and English are used to build bilingualism, biliteracy, and cross-cultural competence. In this program there are equal or near equal number of students from each language present. Both language groups are integrated. Each language is separated for instruction and communication. Content and literacy instruction is in both languages for all students. Best teaching and learning practices educate students to their highest potential by using their strengths in the Home Language to transfer skills to the target language because studies show that students that are literate in their Home Language can learn other languages easliy.
In our Transitional Bilingual education program, the amount of English instruction students receive will increase overtime. In addition, home language instruction and supports are given to students. The Primary language (L1) l literacy is developed while also teaching English so that students can grow in acquisition in the target language. Two core subjects are taught in the primary language, Math and Social Studies. Science is taught in English using the sheltered instructional observational protocol making the content comprehensible for our English Language Learners.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.
a. ELLs with IEPs

Teachers of ELL-SWD's use benchmark books to develop and accelerate English language development. This is done through reading to, with and by children, thematic planning, read-aloud, shared reading, Small group instruction, independent reading and individual instruction. Some of our ELL-SWD's receive resource room while still being in a general education classes. Other ELL-SWD's are placed in a more restrictive setting and they are placed in a 12:1 or a CTT.
These students receive services from the ENL teacher as a push-in for ELA/ENL and they are pulled out for ENL Stand Alone if they are Entering and Emerging. Special education teachers and bilingual teachers plan with the general education teacher to meet common core state standards. Collaborative planning leads to scaffolding and differentiation to meet student's needs.

b. SIFE

SIFE students that are native Spanish speakers receive intensive instruction in Spanish. We have purchased materials (RIGOR) that assist the teachers in providing SIFE students the extra help they need to succeed academically, such as readers that are high interest low level and age appropriate for SIFE students. SIFE students of languages other than English are placed in ENL program where the ENL Teacher provides intensive English as a New Language. Teacher are encouraged to use Bridges for Academic Success from the SIFE Project as a resource.

c. Newcomers

Our highest concentration of English Language Learners has been in a n English school system three years or less. Our newcomers, who have been in a U.S. school system for three years or less will receive rigorous academic instruction in Spanish in the major subject areas such as reading, mathematics, science and social studies while they are acquiring English.
Newcomers will be invited to attend the Title III program to assist them in adjusting. The transfer ability level of skills in Spanish to English is quicker, easier and stronger for newcomers that have a strong native language development. Students that have a low level of literacy in their native language will receive intensive instruction through materials designed for Newcomers such as Reach High and Measuring Up Getting Ready for ELL Success 2. 0 . ELLs in grades 3 to 8 are encouraged to participate in after school programs for literacy and mathematics provided to the general and ELL school population.

d. Long Term ELLs

Our long term ELLs are provided with academic intervention services during the school day by trained teachers. The bilingual classroom teacher also work individually and in small groups with long term ELLs in their areas of deficiencies in order to help them succeed with the NYSESLAT as well as other State Exams using grade level materials : Next Generation ELA ,and Measuring Up. These students encouraged to attend after-school programs in literacy, mathematics and science. They are invited to attend the ELL Saturday program.

Emphasis on academic language for all ELLs to facilitate reading comprehension is found across all classrooms. Teachers support vocabulary learning by teaching student's specific words and concepts and how the language and words work through building background for concepts and strategic front loading words. Hence, teachers will be able to increase academic talk and promote more strategic reading.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

We have Special Education Teacher Support Services (S.E.T.S.S.) and three English as a New Language Teachers (ENL) and an Integrated Collaborative Teaching (I.C.T.) on each grade to better serve our students in these subgroups. This enables the teachers to have a more comprehensive view of these Subgroups and be able to s peak to the parents in collaboration with the general and special education teachers and community based organizations. The school ensures parents of students in these subgroups are aware of all school events and activities. Parents in these subgroups will attend meetings that will outline policies for parent involvement and the role parents can play in supporting student academic success especially our ESL population and students with special needs.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

We use different systems to assess home language: In our DUAL program we use Aprendo Leyendo. In upper grades we use Common lit in Spanish, which mimics the ELA assessment format. The Sound Spelling Transfer Kit by Silvia Dorta is used to determine decoding skills in upper grades to support SIFE students as an additional assessment tool.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

In our Middle School all ELLs are offered opportunities to learn Spanish as foreign language as well as participation in Dual language and Transitional bilingual programs to be able to gather enough knowledge of the language and be able to work towards their bilingual diploma. We will be looking into electives to provide more opportunities for ELLs to achieve the Seal of Biliteracy.

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

At PS.MS 5 a model co-teaching classroom is set-up and a schedule for inter-visitation is created to support new teachers or teachers whom are struggling with co-teaching. Teachers collaborate vertically and horizontally and discuss lessons, data, curriculum and next steps weekly during their grade meeting and on Monday afternoon during PD. Teachers are given co planning time by grade once a week where they can work together and the ENL teacher can provide her expertise on language demands and needs for the ELL population according to the NYSESLAT levels .Professional Development will seek to address the needs of the co-teachers by studying texts by Maria Dove and Andrea Honigsfeld.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

All teachers, assistant principals, paraprofessionals, ENL teachers and Special Education teachers are provided in school with professional development in English Language Acquisition with Academic Rigor aligned to the state standards to ensure English Language Proficiency. At the beginning of the year teachers meet in August when needed to help with the transition of new grades and a different population of students. All of our Bilingual and ESL teachers will participate in the school professional development activities based on their grade level during faculty conferences. Designated teachers will participate in and out of school professional development training in literacy, math, ENL and RTI and will turnkey.
In addition, Title III funding will be used to hire experts to work in the areas of need as per data analysis:
Nell Panero : Writing is Thinking Through Strategic Inquiry : Witsi, and Abby Baruch, RBRN Resource Specialist from Fordham University to support our bilingual program. In addition, Julieta Zemla our designated bilingual coach from OML will be training our bilingual teachers to identify language allocation in lesson and curriculum planning.

- Strategies for ELLS to Use in the Classroom
- Techniques used to make content concepts clear-Comprehensible Input
- Opportunities for Interaction and Discussion-Oral Language Development
- The Relationship between Less on Preparation and Less on Delivery-Teaching Ideas for Lesson delivery and Differentiating Ideas for Multi-level class
- Student Groupings according to language proficiency, skills, topic and project
- Assessments for ELLs -formal and informal(analyzing NYSESLAT rubrics and TOMs: listening, speaking, reading, writing)
- How can we provide multiple learning opportunities to reinforce key concepts and vocabulary
- Sheltered instruction: Making content more comprehensible
- Content vs. Language objectives
- Using assessment to plan instruction: flexible groupings (differentiated instruction)
- Differentiation for ELLs by knowing students learning styles and proficiency levels
- Meeting ELLs at their entry point: how does it look like in the classroom (differentiating the instruction)
- Activities that promote interaction and incorporate into lessons
- Unpacking Advanced Literacy: The 4 Hallmarks

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

All teachers are invited to attend after school and study groups that will focus on differentiation of instruction and data analysis. Professional Literature is purchased to support this initiative. Teachers, para professionals, support staff and administrators complete a needs assessment periodically throughout the year. At grade meetings and school wide inquiry teams, teachers reflect on instruction, assessment, and other educational and academic concerns. Teachers also complete reflections on the units of study they are implementing. School Data Team analyzes this data and determines how it can be used to better meet our students' needs. Al l meeting agendas and attendance are kept in the bilingual binder and in the school's professional development binder.

All teachers of ELLs, as well as monolingual pedagogues are offered the same professional development opportunities. Professional development is coordinated by the Curriculum Instructional Team, which includes the Principal, Assistant Principals, Coaches, ELL Coordinator who work together to combine ideas on effective planning for teachers, on different ways to assess learning, on developing curricula and instructional materials, and assessing teachers' needs for professional development. The team meets regularly to reflect and refine school-based

practices and up-date the professional development plans. This team will provide a two-tier approach to staff development. On one level, they will work with staff to strengthen their knowledge base in literacy, mathematics and other content areas and ENL methodologies. The second level, to be implemented concurrently, will focus on effective practices in the delivery of instruction, professional development which will be delivered in a variety of modes to include: in-class demonstration lessons, team teaching, grade wide conferences, study groups, extended day professional development meetings and inter-visitations and grade and language specific training.

Bilingual teachers will meet weekly where they can discuss program related issues and concerns as well as receive professional development training in areas specific to Bilingual Education, Literacy, etc. TBE teachers also have weekly common preparation periods with the general education teacher on their grade. During this time, they can plan and discuss ENL methodologies with the general education teachers to us e with their ELLs in their own classroom when needed.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Academic Screeners Used to Guide Instruction
K-2 Acadience
Grades 3-8 iReady
Mock ELA/Math

ILT will begin to identify students for RTI and organizing groups ensuring to include SWDs and ENLs. Practice/Success to Learning will implement RTI cycles and collaborate with classroom teachers.

Staff will collect, analyze and monitor student achievement data and work samples to ensure coherence in instruction, higher level questions based on Webb's Depth of Knowledge based on student data, content, and assessment amongst all classrooms; pedagogy is delivered in the workshop model with an emphasis on whole group, small group and Individualized instruction.

Through weekly vertical and horizontal planning teachers will look at student work products in ways that provide actionable data, patterns, and trends. ELA teams with the ENL teacher will implement cycles. Provide ongoing support by the Bilingual Coordinator in planning lessons incorporating ENL methodologies.

Teacher teams will share unit maps and lesson plans on Google Drive and school portal to develop coherence and consensus on student goals and needs.

Plan differentiated instruction informed by frequent formative assessment.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Our ELLs are included with the general student population receiving academic intervention throughput the school day as a push-in and/or a pull-out model access to all programs are available. They participate in the after school program and Saturday program specifically designed for ELLs in grades 3-8. Students receive high quality instruction, differentiated to meet their needs, and are assessed on a periodic basis to identify struggling learners who need additional support. Teachers demonstrate, guide and differentiate in small group, conferring, small group instruction, strategy groups and classroom environment. Translanguaging is utilized as student initiated and teacher initiated to make input comprehensible for all students. Intervention for the bilingual students are given in their L1 and/or their L2 depending on where their needs exist and years of service. We are identifying a problem, devising a plan, analyzing the success and establishing new goals throughout all three tiers.

Type of Program/Strategy Used: Intervention which includes differentiated instruction in all ELA and Math lessons and Tier II interventions which includes a pull-out and push-in model where a specific plan is tailored to meet the students' individual needs by using the results of content and skill based assessments. Focus of program is for students at levels 1 and 2. This intervention is delivered in L1 and /or L2 depending on the proficiency level of the student and academic needs.

Method of Delivery
• Small group
• One-to-one
• Tutoring

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

RTI is a school wide responsibility at PS/MS 5. High quality instruction is provided, and intervention is matched to students' needs. PS/MS 5 believe that we can teach all children in the least restrictive environment (the regular education classroom). Our goal at PS/MS 5 is to
achieve equity for all Students. ALL students in Tier 1 will receive high quality instruction, differentiated to meet their needs, and are
assessed on a periodic basis to identify struggling learners who need additional support. The workshop model is used in most of the classroom across all subject areas. Students are taught based on data in whole, small, and individual settings. Teachers demonstrate, guide and differentiate in small group, conferring, small group instruction, strategy groups and classroom environment. Translanguaging is utilized as student initiated and teacher initiated to make input comprehensible for all students. Students that are not making progress (Tier 2) are invited to academic after-school programs to strengthen their academic skills in reading and math. English Language learners are invited to a Saturday Academy to receive targeted English-as-a- new language strategies that will and can be applied across all subject areas.
These tier targeted interventions are at higher levels of intensity with more modeling, feedback and implementation. Intervention for the
bilingual students are given in their L1 and/or their L2 depending on where their needs exist and years of service. Tier 3 students will
receive individualized, intensive interventions that target the students' skill deficits for the remediation of existing problems and the
prevention of more severe problems as a pull-out program. Teachers slow down what they are teaching so students can be taught in deep meaningful manner what they need to learn. Those students who do not respond will be considered for additional supports via the SETSS teacher or recommended for Special education services. At all Tier levels we are identifying a problem, devising a plan, analyzing the success and establishing new goals throughout all three tiers. • Collect, record, analyze and document independent reading level on a
monthly basis for each student in the lowest third • Use Academic Screeners Acadience (BOY, MOY, EOY) with bi-weekly progress
monitoring to ensure appropriate placement in small group instruction and strategy groups • Analyze student work (reading and writing) to come to agreement on instructional strategies to be taught (September and ongoing) • Establish and ensure the use of Standards-based rubrics for student writing • Utilize grade level curriculum maps to guide instruction • Monitor and revise curriculum maps when indicated by evaluation of student work • Focus on the application of strategies for reading texts during shared, guided reading, read-alouds and independent reading • Create individualized student goal setting sheets • Provide remedial support and additional scaffolding for students who do not demonstrate progress based on end of unit assessments • Monitor student performance and progress on in-house generated assessments • Use student goal setting sheets for each unit that allow students to self-

monitor their performance and progress towards meeting unit goals. • Review with classroom teachers and coach, end of unit item analysis sheets after every test administration, in order to provide timely information about ELL student progress and performance on unit skills and to plan next steps • Provide remedial support and scaffolding for students who do not achieve better than 80% correct on any end of unit test. • Provide feedback and translation services to ELL students' parents about student progress towards interim goals. • Assign small group work differentiated by identified ELL and SWD student needs after analyzing student performance data on computer adaptive assessments. • Provide on-going support by the Bilingual Coordinator in planning lessons incorporating ENL methodologies.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Teachers use data from the EDAT Tool, I Ready data, and teacher created assessments ,daily observations and to inform instruction. An asset based mindset puts emphasis on students' strengths to assist in the grouping of students. Grades K-8 administer writing baseline in Spanish and English. End of unit tests in content areas are also administered in Spanish and English. The results of these tests help teachers scaffold instruction and inform their lessons to meet every student's need. Our goal through these assessments is to support instruction and understand the different assessment tools used to inform the design of advanced literacy instruction. Using different types of assessments teachers become aware of students rea ding performance and identify skills that may place students at risk for rea ding difficulties. Teachers are then able to collaboratively analyze and drive instruction to help students succeed as readers.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

ELLs are assessed throughout the year in cycles in both English and in Spanish for our Spanish speaking ELL population. ELLs in grades 3-8 are evaluated throughout the year through I Ready in Spanish and Commonlit tasks. Grades K-2 teachers use Estrellita and Lunita to be able to place them ion learning groups. We are piloting the use of SSTK ,Sound Spelling Transfer KIT SSTK by Silvia Dorta-Duque de Reyes, Ed. M.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

Our school utilizes NYS State data : Math, ELA, Science and NYSESLAT to inform curricular decisions. A deep analysis of summative assessments present in our Spring EDAT (ELL Data Analysis Tool) report in Excel is used as a comprehensive data dive to make instructional and curricular decisions such as identifying the students that made progress and those who are stagnant. A set of considerations such as risk factors, years of services and progress toward State Tests according to language proficiency are taken into account to decide on next steps in instruction an intervention.
As per the ATS data from August 2025, the students that made the most progress are in grades 5-8. There is also a

great reduction of Entering and Emerging students overall in grades K-8 in monolingual classes, leaving a vast portion of Entering and Emerging students in the bilingual program. As a result, bilingual teachers will provide a strong core instruction in both languages.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

Titles and Name of Staff administering:

ELL Coordinator: Sandra Bauer
ENL Teacher: Melissa Diaz
ENL Teacher: Marie Guirguis
ENL Teacher: Karina Lopez
Classroom teacher: Daniele Sarmiento(Dually certified)
Bilingual Teacher: Lourdes Rubio
Bilingual Teacher: Diane Pacheco
Bilingual Teacher: Wendy Robys
Bilngual Teacher: Maria Rojas
Bilingual Teacher : Ariana Perez

Scoring :
Classroom Teacher: Evelyn Roca
Classroom Teacher : Sabitree Anirudth
ENL Teacher: Marie Guirguis
ENL Teacher: Karina Lopez
Bilingual Teacher: Lourdes Rubio
Bilingual Teacher: Diane Pacheco
Bilingual Teacher: Wendy Robys

Schedule for the administration of the NYSESLAT is created and administered in small groups. Teachers are assigned students for the speaking portion of the test by grade following the rule that teachers cannot score the Speaking section of their own students.

Scoring of the NYSESLAT is done after-school. A posting for scoring is posted for teachers to apply. This allows for instruction to continue while scoring is taking place.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

The Testing Coordinator with the Bilingual Coordinator will collect information from ATS and STARS to ensure that all ELLs and former ELLs are given the necessary accommodations. Accommodation groups will be created for each test being administered.. Teachers/Proctors will be informed in writing during a testing meeting of all accommodations.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Parent and community participation will be conducted during in-schoolwide activities, after school time and Saturdays.
Parents of all immigrant students will be invited and encouraged to attend all school functions and activities after school
i.e. Curriculum Night, Literacy Night, Test Orientation (Math, ELA, Science, NYSESLAT), Homecoming Harvest Weekend,
Carnival Day and multicultural night. These parent activities will be provided by the school staff i.e. teachers, coaches, ELL
coordinator, assistant principal and principal, in order to keep parents informed of curriculum, mandates, assessments, how
to help their child at home and building school community. All school bulletins, newsletters, calendars, etc. will be provided
in English and Spanish, which is our largest language population. We will also provide the above-mentioned information to
our other parents whose language is other than English in their native language to the extent possible. Multiple times during the year parents will be given surveys to know how we can better assist them in the meetings.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Annual Individual Parent meetings will be conducted after school time and during Tuesday parent engagement time. All meetings conducted will be entered on a Google Sheet and shared with all ELL teachers and administration. These meetings will be conducted by the ELL coordinator, ENL teachers and/ or bilingual teachers.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

All school related information is translated into Spanish since the majority of our English Language Learners are Spanish
Speaking. Our Community Coordinator will provide training for parents, address their concerns, and nurture and maintain a
close working relationship between our school and parents/community.
All ELL parents will be invited in their preferred language through written school invitations, parent emails and phone calls. We will provide the above-mentioned information to our other ELL parents whose language is other than English or Spanish in their native language using the DOE vendors and bilingual staff for support. Multiple times during the year parents are given surveys to know how we can better assist them in the meetings. DOE translated letters will be used, and the Language Translation interpretation unit will be used whenever needed.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

All school related information is translated into Spanish since the majority of our English Language Learners are Spanish
Speaking. We resort to the office of NYPS Language Access for support with other languages. Our Community Coordinator will provide training for parents, address their concerns, and nurture and maintain a close working relationship between our school and parents/community. All Ell parents will be invited through written school invitations, parent emails and phone calls.

We schedule meetings for new ELL parents to our school in the fall and spring. The orientation will inform these parents of our school's bilingual and ENL programs, the curriculum for each grade, our administrative and support staff, school arrival and dismissal schedules, regulations and policies, etc. Any new parents of ELL children that are registered after the above-mentioned date will be provided an orientation to our school by the ELL coordinator as needed on an ongoing basis. Parents of ELLs that continue to be entitled will be informed about their children's status via written communication. All information received from parents will be filed , which will include parent surveys, HLIS, student/parent interviews, SIFE questioning and entitlement letters.

ELL families will be invited and encouraged to attend all school functions and activities i.e. Literacy Night, Test Orientation Parental Meeting. Al school bulletins, newsletters, calendars, etc. will be provided in Spanish, which is our largest
language minority group. We will also provide the above-mentioned information to our other ELL parents. Multiple times during the year parents are given surveys to know how we can better assist them in the meetings.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

At PS/MS 5 all Ell parents will be invited and notified through written school invitations, parent emails and phone calls. PS/MS 5 share school information and news through their school website and Instagram page.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

New York Psychotherapy: Ramon Velez Career Vision - enrichment programs for students Acacia - immigration resources
ASPIRA - After School Program Road to Success - After School Program NYLAG - legal assistance Assembly Woman Amanda
Septimo.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

Our Bilingual Program creates an opportunity for early diversity. It offers our students the chance to celebrate the diversity
found in different cultures. PS/MS 5 support bilingual education and appreciate the multiple benefits of multilingualism,
including heightened cultural understanding and greater metalinguistic awareness.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

The members of our identification team are:

Ms. Beckett, Assistant Principal
Dr. Bauer, ENL Coordinator
Ms. Diaz , ENL Teacher
Ms. Lopez , ENL Teacher
Ms. Guirguis, ENL Teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

The intake team is available on a schedule. The pedagogue will screen the potential ELL students by using the Home Language Survey with the parents and interviewing the candidate with the official forms from the ELL Policy Guide. Afterwards, the ENL Coordinator will continue with the next steps, such as the administration of the NYSITELL, the ENL orientation, and the handling of ELL paperwork with the parents.
Students with IEP's will go through the process of the Language Proficiency Team before administering the NYSITELL. The Team will decide if the potential ELL dies not have an impediment that inhibits learning a second language,

The school makes sure that the Commanding students continue to receive their ELA/ENL 90 minutes for 2 years by placing them in classes where they can be serviced by the ENL teacher. Thus, supporting the state and district expectation that Commanding students should be proficient.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Danielle Keane

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Sandra	Bauer	ENL Coordinator	05/29/25	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards

If Other was selected, describe the resource here:

N/A

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	10	1.23%	9	1.11%	1	1
FRENCH	7	0.86%	7	0.86%	0	0
FULANI	2	0.25%	2	0.25%	0	0
HAUSA (HAOUSSA)	4	0.49%	4	0.49%	0	0
NAHUATL	1	0.12%	1	0.12%	0	0
ENGLISH	466	57.39%	462	56.90%	150	150

SLOVAK	1	0.12%	1	0.12%	0	0
SPANISH	315	38.79%	319	39.29%	20	20
SONINKE	6	0.74%	7	0.86%	0	0

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Parent Flyers	Our staff uses approved DOE vendors to translate parent flyers to facilitate communication with families.
IEP	IEPs are translated by DOE at parent request and or following parent preferred language of communication.
Report Cards	Report cards can also be provided in the available languages.
Parent Calendar	.school based staff and DOE approved contracted vendors.
Letters to Families	Exiting templates in Info hub and DOE approved vendors.
	.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops,	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

PTCs)	
Parent Teacher Conferences	Our bilingual staff support families to navigate meetings effectively. DOE vendors are used for low incidence languages.
IEP/SBST	Our bilingual family worker assigned to support SBST and bilingual school personnel
Yearly ELL Meeting	Over the phone interpretation, other DOE approved vendors and ,or bilingual school personnel.
Parent Workshops	Over the phone interpretation, DOE vendors and ,or bilingual school personnel.
PTA Meetings	Over the phone interpretation, DOE vendors and ,or bilingual school personnel.
Media Platform	Our media platforms serves as a communication tool to ensure effective communication in their preferred language
Family Events	Our bilingual staff support families to navigate meetings effectively. DOE vendors are used for low incidence languages.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Our school messenger is our primary tool to reach our parents in their preferred language that can be used to school-wide. This method besides our media platform is used to inform parents of any school-wide emergency. In addition, a student-specific emergency (i.e. student attendance, nurse/hospital visit, etc.).The BRT consist of various members with certain responsibility to address and attend to emergencies.

The established protocol is aligned with the NYC DOE expectations. One member is responsible to provide attendance and if necessary to be dispatched to the hospital if necessary. There are various methods to communicate with the school if there is an emergency. We have our media platform with various phone numbers displayed.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Professional Development will be conducted at the beginning of the year to make all staff members aware of the LTI unit services and resources available to them for parents who do not speak English by the School Language Access Coordinator (LAC). During this PD, staff will be made aware of the over-the-phone and interpretation services offered by the DOE. Professional development will be conducted in person to administration, Teachers, Office Personnel, paraprofessionals, and security agents. Links and informational documents will be sent to all staff by email and posted on our Google access page.
A drive with information is accessible from the PSMS 5 Portal. All school personnel have access to the school portal. At the beginning of each academic school year, a thumb drive with all of the Chancellor's Regulations, Staff Handbook, and all school information is given to all school personnel. All school personnel are expected to read, print and sign the appendix notice stating they read and understand they are held accountable for all information given to them.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

There is an array of differing methods that we use to communicate with our limited-English parents to assure that they get the information that they need about the school's vision, direction and programs. The Parent Coordinator plays a pivotal part in this process and provides language translations and brochures which are translated by an approved DOE translating service. Some of the translation are the NYCPS InfoHub templates . Also, all documents informing parents about the school and any school information are translated and sent home to keep parents informed and in sync with the schools' and parent communication. Additionally, we use our school-wide messaging system (School Messenger) to also translate key information to the parents in all demographic languages representing the school.

During all PTA meetings translations occur using the PC and by using our professional organization to translate. It is also important to note, that the PSMS 5, parent handbook has been translated in Spanish and is now in the process of being translated into other languages, which identifies key individuals within the staff to support with translation in specific languages.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Our school will conduct an annual survey using over-the-phone interpretation services to survey parents about language assistance provided during the school year and to gain information about their preferred language. In addition, they would also be provided through a Google document.
All surveys would be distributed to parents in the covered languages as needed. Possible questions that are asked are as follows: Did they feel welcomed at the school during the past year and/or recently? Were they able to participate in meaningful opportunities? Did they have access to programs? Did they have access to their child's services and education? How can the school community help you feel more welcomed? Data would be analyzed, and adjustments would be made to make our parents feel part of the school community.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Data from the survey has suggested that more communication should be posted on our social media platform. Efforts have been made to comply with expectations. Additionally, the school has made an effort to recruit staff that speak languages that match our families home languages as per RPOB and EDUR reports.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Saturday Academy

Total number of ELLs to be served in this program:

60

Grades to be served in this program. Select all that apply.

,3,4,5,6,7,8

Total number of teachers in this program:

9

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

9

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

A Saturday Academy schedule will be created to support departmentalization using Title III funds. There will be 6 groups, small in size with no more than 10 students in each group to ensure a differentiated individualized instruction based on English Acquisition Levels. Students will be grouped within two grade spans and proficiency levels. For example, Ells' proficiency levels in grades 3 and 4 will be analyzed and then grouped accordingly into two groups. This same process will be done for grades 5 & 6 and 7 & 8. This will be an in-person Saturday Program. In the event that schools revert to full remote instruction our program will be seamlessly transitioned, since Imagine Learning will be purchased.

SCHEDULE:
Warm Up: 30 minutes :
Stations - Imagine Learning / Learning Well Reading Skill Board Games / Imagine Learning Student Reading Leveled Books with activities/ Teacher led station (Words Their Way)
ELA/NYSESLAT State Test practice - 2 hs.
Creative Writing :30 minutes

DURING THIS SATURDAY PROGRAM ELLS WILL FURTHER DEVELOP THEIR FLUENCY AND COMPREHENSION:

Students will work on improving written fluency, and their ability to identify character traits, explore plot and expressions as a way to portray character traits and learn new facts and content knowledge.
Students will be introduced to themes and ESL through the content in science and social studies aligned to the implementation of EL curriculum. This will be scaffold using different types of graphic organizers, such as, flowcharts, KWL charts, cause and effect charts, concept webs, graphs, timelines and compare/contrast charts. Students will practice using sentence structures, enhance high frequency words and content vocabulary while reading leveled content text. New Generation State Standards will be met while utilizing the Bilingual/ENL New Progression Standards to monitor progress.

IRLA for ELLs will be used which lends for small group instruction or partner reading with differentiated instructional lessons for different language stages: entering, emerging, transitioning and expanding. These kits provide teachers the tools to build students' language proficiency, vocabulary, reading comprehension, and fluency with an emphasis on academic content. A combination of prompted oral language lessons using lapbooks and student books provides differentiated instruction while students are engaged in science and social studies lessons.

With Title III funds, our Saturday program will provide participants an intensive instruction in English in order for them to be better prepared for the state assessments in reading/writing using content area materials. It will supplement the regular day instructional program by giving students more opportunities to strengthen and improve their listening, speaking, reading, writing skills in English.

Imagine Learning-Language and Literacy research-based programs will be purchased this academic year. This online program will be used to focus on our entering-transitioning students. The classroom resources will be used for our expanding students. This program will give direct, explicit instruction in all five components of reading-phonological awareness, phonics, fluency, vocabulary and comprehension. A pre-assessment and post-assessment activity will help students develop and monitor their writing fluency and at the same time the rubric score will be used as an assessment to collect and record data.

The program will be supervised and evaluated by the assistant principal.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Both the cusp students and the newcomers who have not shown enough progress for 2 consecutives years will be selected to participate in the program. The school data shows 42 % of students at risk, primarily because they are under the category of being a newcomer, and in second place because they have scored low in the state tests for at least 1 year.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

A Saturday schedule will be created to support departmentalization. The target groups will be made of high Transitioning students, Expanding and Commanding students. Entering and Emerging students will receive support to cover academic gaps. There will be 4 groups small in size with no more than 10 students in each group to ensure a differentiated individualized instruction. Students will be grouped within two grade spans and proficiency levels. For example, Ells' proficiency levels in grades 3 and 4 will be analyzed and then grouped accordingly into two groups. This same process will be done for grades 5 & 6 and 7 & 8. This will be an in-person Saturday Program. In the event that schools revert to full remote instruction our program will be seamlessly transitioned, since Imagine Learning will be purchased.

Subgroups to be served:

Developing and Long Term ELLs 5-8 will be served though Saturday ELL Academy
Newcomers 3-8 will be served through Newcomer Saturday

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Sixty English Language Learners in grades 3,4,5,6,7 and 8 will receive intensive ENL instruction. The Program called Saturday Academy for English Language Learners will run beginning January through May 2026 for a total of 10 to 11 three-hour sessions with 9 certified ENL/Bilingual teachers. The program will run from 9 am to 12pm.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

Language of instruction will be English with home language support when needed. Students will have access to glossaries and cognates will be visible and taught to make content comprehensible. Introduction of content may begin with videos in their home language.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

9 teachers: Bilingual extension or TESOL licensed

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

We will be using a combination of materials. To address the specific needs of the ELLs, the IRLA for ELLs by American company will be used. For a scaffolded approach to state testing, Next Generation ELA by Continental will be used since it walks the student through the reading skills needed to understand text,and write about text.

Imagine Learning-Language and Literacy research-based program will be purchased this academic year. This online program will be used for our entering-transitioning students. The classroom resources will be used for our expanding students. This program will give direct, explicit instruction in all five components of reading-phonological awareness, phonics, fluency, vocabulary and comprehension.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

One of the basic elements of this program will be to make sure that attendance is conducted and that the appropriate outreach is made to make sure that all participants are receiving high leverage instruction to support their English acquisition goals. Attendance and outreach will be taken every session will be kept in folders. Student progress will be measured through the means that are already provided during the school day by tracking the targeted student's data in ELA to avoid over assessing students and maximizing instruction. Program notification will be given in parents' preferred languages through flyers and virtual platforms in the families' preferred language. The program will be supervised by the ENL program administrator in conjunction with the ENL coordinator.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

All bilingual and ENL teachers providing in school Title III enhanced ENL services will be provided through Title III funding with professional development on English Language Acquisition and Academic Rigor according to the New Next Generation Standards and how these new standards impact their teaching methodologies to ensure achievement in English Language Proficiency. ENL strategies and student groupings will also be discussed.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

The instructional cabinet reviews the data for future PD's by addressing the needs of the teaching staff. This data sources from Advance, teacher surveys, noticings from the coaches and the rigor of the new curriculums that the school is implementing.

All teachers are invited to attend after school and study groups that will focus on differentiation of instruction and data analysis.
Professional Literature is purchased to support this initiative.

Professional development will be conducted by the ELL coordinator and Assistant Principals. These PD's will be

conducted during Professional Development time afterschool hours on Mondays. Additional topics that will continue throughout the year will be:

1. Enhancing ESL Instruction
2. Getting my ELLs to write
3. Methods and Best teaching practices
4. Standards and Compliance

In addition, a Witsi coach will be hired to train the teachers in improving the quality of writing. Writing is Thinking through Stategic Inquiry for ELLs has been proven successful in many districts around the country.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

All classroom and cluster teachers participate since there are ELLs in monolingual classrooms. They are specifically trained in understanding and analyzing the NYSESLAT and scaffolding instruction for their ELLs and differentiating their instruction according to their levels. All agendas and sign-in sheets will remain on file. The above Professional development will be at no cost to title III funding. And participants will be based on needs and interest.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

All teachers are invited to attend after school and study groups that will focus on differentiation of instruction and data analysis.
Professional Literature is purchased to support this initiative (How to Reach And Teach English Language Learners by Rachel Carrillo Syrja and 99 Ideas and Activities for Teaching English Learners with The Siop Model by MaryEllen Vogt)
Professional development will be conducted by the ELL coordinator and Assistant Principals. These PD's will be conducted during Mondays PD 2:40pm-3:40pm.

September: 2:40pm-3:40pm(one session)
Creating Opportunities for Interactions and Writing our Thoughts

October:2:40pm-3:40pm(one session)
An explicit focus on complex, precise, rich and academic language: strategic choice of key vocabulary, strategies for teaching vocabulary

November: 2:40pm-3:40pm(one session)
Emphasis on written language: an essential element of an effective language and literacy development program

December: 2:40pm-3:40pm(one session)
Language development in the context of building knowledge

January: 2:40pm-3:40pm(one session)
Scaffolding learning with graphic organizers: English Learners require specific, specially designed instruction, and support in order to access, comprehend and participate effectively in school, differentiating by English proficiency level.

February: 2:40pm-3:40pm(one session)
Capitalizing on students use of home language and culturally responsive lessons

March:2:40pm-3:40pm(one session)
How to build strong relationships between home and school : help families find simple, meaningful ways to connect to their
children's academic learning and support their social-emotional health.

April: 2:40pm-3:40pm(one session)
How can we provide multiple learning opportunities to reinforce key concepts and vocabulary

May:2:40pm-3:40pm(one session)
Using assessment data to plan instruction: flexible groupings (differentiated instruction)

June: 2:40pm-3:40pm(one session)
Grouping configurations Support Language and Content Objectives of the Lesson

Bilingual Classroom teachers are also sent to Professional Development offered by the Office of English Language Learner and the RBRN Fordham University

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

All teachers are invited to attend after school and study groups that will focus on differentiation of instruction and data analysis.
Professional Literature is purchased to support this initiative (How to Reach And Teach English Language Learners by Rachel Carrillo Syrja and 99 Ideas and Activities for Teaching English Learners with The Siop Model by MaryEllen Vogt)
Professional development will be conducted by the ELL coordinator and Assistant Principals. These PD's will be

conducted during Mondays PD 2:40pm-3:40pm.

September: Creating Opportunities for Interactions and Writing our Thoughts

October: An explicit focus on complex, precise, rich and academic language: strategic choice of key vocabulary, strategies for teaching vocabulary

November: Emphasis on written language: an essential element of an effective language and literacy development program

December: Language development in the context of building knowledge

Bilingual Classroom teachers are sent to Professional Development offered by the Office of English Language Learner:

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

>Literacy Coach, Roselyn Leuzzi
>ENL Teacher, Ms. Guirguis, Ms. Lopez and Ms. Diaz
>M/ELL Administrator, Ms. Ryan
>AP: Edith Beckett
ENL Coordinator: Sandra Bauer
Michelle Brochu, Witsi coach

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

One of the basic and key responsibilities of the ENL/Bilingual Coordinator is maintain records and documentation. These materials will be stored at the school for easy access. A cabinet specifically is located in the ENL/Bilingual Coordinator's room for the storage of these documents. This is necessary in preparation for audits or reviews of materials.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

At PS/MS 5, parental Involvement is considered to be a fundamental building block to a child's learning and educational growth. Besides scheduled parental activities, there is an open-door policy for parents at PS/MS 5. Increasing our parental involvement will contribute to improvement in child development, child learning, education, and academic achievement. Through Title III funding, parents will be given workshops to help their children be successful in school. In addition, "Read at Home" incentives will be purchased with Title III funds, so that the students continue reading at home during the year and in the summer. Additionally, ENL teachers will be offering English classes for adults at the cost of Title III on Saturdays for those parents whose children are MLLs.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Data Sources: The school uses information from diverse sources: Parent Survey responses, in-house parent surveys, and PTA suggestions. As a result,

PS/MS 5 will:
• provide materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology through parent workshops that foster a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress.

Through our community team: Counselors, family workers, parent coordinator and ENL Coordinator. the school will provide assistance to parents in understanding Next Generation Learning Standards and assessments; share

information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand besides providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Monthly meetings with the Principal (held at 9:30am one Saturday per month January-April) Parents and administrators in a friendly environment and atmosphere communicate what to expect the following month at PS/MS 5 and parents are able to discuss concerns, ideas and praises.

Multiple times during the year all parents are given surveys to know how we can better assist them in the meetings.

There will be a final luncheon for parents and family members of program participants where students will share what they have learned.(April 1 session Saturday 9:30am-11:30am)

Twice a year ELL parent fair where parental resources are distributed to parents. ELL teachers share what is happening in the classroom.

January Parent Workshop - Saturday 9:30am-11:30am (1 Session)
>How to help your child at home

February Parent Workshop - Saturday 9:30am-11:30am (1 Session)
>Making Healthy Dishes

March Parent Workshops - Saturdays 9:00-12pm (12 Sessions)
>ENL Classes for Parents

All of the above workshops are conducted in both English and Spanish to meet the needs of our diverse population.

Parents are also encouraged to attend Book Fairs and PTA meetings.

Parents will be informed of activities by written communication: parent newsletters, school website, posting activities on school doors and phone messaging.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

-How to make the most out of my time with my children
-Technology and Social Media usage
-Tips for Parents of ELLs
-The Value of Parental Support

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Parent activities will be funded using the proper allotted amount from Tittle III destined for parent engagement: Staff that coordinate the activities: ENL/Bilingual Teachers, Ms. Diaz, Ms. Lopez, and Ms. Guirguis, and Parent Coordinator, Ms. Marin. Resouces will be purchased from vendors such a Just Right Readers and Sussman.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Communicate frequently with parents via Internet, email, Phone Calls and letters. Translation and Interpretation Unit for covered Languages or School Based Personnel and/or translation vendor for non-covered languages will be used when needed
School Based Personnel and/or translation vendor for non-covered languages will be used when needed. We use school-based personnel and/or the translation vendor for non-covered languages when needed.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

All parent notifications will be communicated through flyers and virtual platforms in the parents' preferred languages. Documentation such as agendas, attendance sheets and invitations in parents' preferred languages are filed in for record keeping.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

$28,576.00.

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Saturday Academy,After School

Grades to be served in this program. Select all that apply.

,3,4,5,6,7,K,1,2

Total number of teachers in this program:

8

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

At PS/MS 5, our immigrant students' countries of origin are the Dominican Republic, Honduras, Ecuador, Guatemala, Mexico, Ghana, Guyana, Togo, Mexico, El Salvador, Venezuela, Colombia, South Africa, and Guinea. Languages spoken by these students include Arabic, French, Spanish, Soninke, and Vietnamese. The Immigrant Fund will supplement programs already scheduled to start during the school year. Of the targeted group of students, 65% were born abroad (immigrants). There is a high incidence of Hispanics among the group.

Newcomer Saturday Academy will target a subgroup that presents itself at risk, both by being a group that needs to be heavily supported, and by scoring 1 in their second ELA State Test. The common factors observed are that they are within the Newcomer group (within three years of service) and present language proficiency levels ranging from emerging to transitioning. Other factors are involved, such as the low Lexile reading levels of the target population,

not being able to interpret instructional directions, lack of grade level and academic vocabulary, and the difficulties they present when applying reading skills to higher-level texts.

A Saturday program for our immigrant students in grades 3-7 will take place on Saturdays, 10 sessions from January to April for three-hour sessions (9:00 am-12:00 pm). Groups will consist of 12 students to ensure more individualized instruction. Instruction will be delivered by ENL / Bilingual licensed teachers to ensure ENL strategies are utilized when needed for differentiation and scaffolding. Supervision will not be at the cost of the funds since we have other programs running on Saturdays besides during the week. Language of Instruction would be English, incorporating a SIOP Model with scaffolds to make the delivery of the lesson comprehensible for all students. (due to the wide range of different languages spoken)

Themes and topics will be introduced through the use of graphic organizers, such as flow charts, KWL charts, cause and effect charts, concept web graphs, timelines, and compare and contrast charts. Students will practice using sentence structures, enhance high-frequency words, and content vocabulary while reading leveled content area text.
Students will work on improving oral reading fluency, develop listening skills, develop oral expression and speaking skills, identify character traits, explore voice, mood, and expression as a way to portray character traits, and learn new facts and content knowledge through the use of Reader's Theater.
The Early Childhood After School program will take place for our immigrant students in grades K-2 once a week by certified ENL/Bilingual teachers from 2:40 to 4:10 for 10 sessions. Students will be using Phonics Programs to remediate educational gaps in their language development.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

Sources used: RADP, HLIS, RPOB, Classroom teachers' Analysis of immigrant student needs, the number of Asylum Seekers, and the increase of immigrant families since September 2022, qualitative data from Ms. Martinez (Community Coordinator)
This academic year, there have been 24 immigrant families registered. This is an ongoing process throughout the academic year of new immigrant students.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

Dates and Sessions:
Immigrant and ELL students by levels and grades in 2026

Saturdays, 10 sessions, 9 am to 12 p.m. from January 10 to March 28
Group 1:
Entering, emerging, and transitioning level 12 students from 3rd grade
Group 2:
Entering, emerging, and transitioning 12 students from 4th grade
Group 3:
Entering, emerging and transitioning 12 students from 5th grade
Group 4:
Entering, emerging and transitioning 12 students from 6th grade
Group 5:
Entering, emerging and transitioning 12 students from 7th grade
Group 6
Entering, emerging and transitioning 12 students from 8th grade

Early Childhood:(After School) once a week from 2:40 to 4:10.
Group 1: Entering, Emerging 12 students from K
Group 2: Entering, Emerging 12 students from 1st
Group 3: Entering , Emerging 12 students from 2nd.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

Dates of program: Saturdays from 1/10 to 3/28 2026
of Sessions: 10
Time and duration of sessions: 3 hours, 9 am-12pm

After School Early Childhood : once a week 1/10 to 3/28 2026
Time and Duration of Sessions :10 sessions 90 minutes : 2:40 to 4:10

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

Language of Instruction will be English with support in their Home Language when needed.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

The program will need 8 ENL and/or Bilingual licensed teachers.

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

The program Newcomer Saturday Academy. Immigrant and ELL students will receive the foundations they need to deal with the school curriculum in combination with reading and writing. We will use Measuring Up Getting Ready for ELL Success by Mastery Education and ELA Next Generation by Continental Press. Instruction will focus on reading strategies in guided reading groups, word study, vocabulary practice, and controlled writing techniques to improve writing performance, besides listening comprehension activities with a final product.
The Early Childhood Program's Curriculum will be National Geographic for Early Childhood and UFLI-aligned materials.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

Record of attendance, parent contact, permission slips, student information will all filed by the ENL: Coordinator. Administration will be present to monitor the Saturday Academy and the Early Childhood program. Bilingual and ENL certified teachers will teach our immigrant and ELL students.

Part C: Professional Development

Professional Development Summary
Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

All teachers, assistant principals, paraprofessionals, ENL teachers and Special Education teachers are provided in school with professional development in English Language Acquisition with Academic Rigor aligned to the Next Generation Learning Standards to ensure English Language Proficiency. All of our Bilingual and ENL teachers will participate in the school professional development activities based on their grade level during faculty conferences, grade common preps and individual and group demonstration lessons within the classrooms.

All teachers of ELLs, as well as monolingual pedagogues are offered the same professional development opportunities. Professional development is coordinated by the Curriculum Instructional Team, which includes the Principal, Assistant Principals, Literacy, ENL Teachers who work together to combine ideas on effective planning for teachers, on different ways to assess learning, on developing curricula and instructional materials, and assessing teachers' needs for professional development.

The team meets regularly to reflect and refine school-based practices and up to date professional development plans. This team will provide a two-tier approach to staff development. On one level, they will work with staff to strengthen their knowledge base in literacy with ENL methodologies and support for immigrant asylum seeking students and families. The second level, to be implemented concurrently, will focus on effective practices in the delivery of instruction, professional development which will be delivered in a variety of modes to include: in-class demonstration lessons, team teaching, grade wide conferences, study groups, extended day professional development meetings and inter-visitations and grade and language specific training.

Professional Literature is purchased to support this initiative: 99 More Ideas and Activities for Teaching English Learners with the SIOP Model by Vogt, Echevarria and Washam, Differentiating Instruction and Assessment for English Language Learners by Fairbairn and Jones-Vo, including present articles on how to help the immigrant students adjust to a new country and environment.

Early Childhood After School and Saturday Academy PD's will be at no cost to Title III immigrant funds.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

Data Analysis from Advanced and teacher's survey evidence that teachers need support in differentiating instruction for Newcomer students in reading and writing.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

ENL and bilingual teachers participating in the program will attend PD at no cost of the Immigrant Fund.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

December 2025: Topic: Science of Reading for ELLs
1-hour session: Participants will apply SORs principles to teaching reading to ELLs.
January 2026: Topic: Deconstructing text and reading skills for ELLs
1-hour session: Participants will apply scaffolds to texts to make them accessible to ELLs.

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

Science of Reading , Scaffolding text for Newcomers.

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

The ENL Coordinator, Sandra Bauer will be giving the PDs to prepare the teachers for the program.

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

All meeting agendas and attendance are kept in a live document rolling agenda and, in the school's professional development binder.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

The following Activities will be at cost to the Title III Immigrant program:

>Immigration Law
>Resources: Food Pantry
>Assistance for Benefits: Medical and Food Stamps
>Healthy Eating
>NYC Legal Assistance
>Healthy Mindfulness
ELA for parents

The following activities swill be at Immigrant Fund's cost:

ESL and Citizenship for families

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

Constant and on-going communication between PS.MS 5's immigrant families and the Community Coordinator revealed the needs of our families; therefore, the above topics were chosen for this year. These activities are held after-school hours at PS/MS 5.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Each session will be held the second Wednesday of each month beginning in January from 4:00pm-5:30pm.

Topic 1: ESL & Citizenship for adults
Rationale: Empowering parents with English language and Citizenship knowledge.
Schedule and Duration: February 2026
Topics to be covered: Basic
Name of the Provider: Ms. Lopez, ENL provider
Notification to Parents: Flyers will be sent home a week before the event, and a reminder will be sent the day before.

Topic 2: ELA for Parents
Rationale: Helping parents understand what is required for the ELA State Test
Schedule: January 20026
Topics to be covered: Understanding text complexity and ENL reading strategies
Provider: Ms. Bauer, ENL Coordinator

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

>Immigration Law
>Resources: Food Pantry
>Assistance for Benefits: Medical and Food Stamps
>Healthy Eating
>NYC Legal Assistance
>Healthy Mindfulness
ESL & Citizenship
ELA for families

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Providers: Ms. Martinez, Community Coordinator and invite Speakers from Specific organizations,Ms.Diaz, and Ms.S. Bauer ENL Coordinator

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Families will be notified by flyers, School Website, DOE School generated home calls, School social media and School Calendar.
Translation and Interpretation Unit will be used for covered Languages or School Based Personnel and/or translation vendor for non-covered languages when needed.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

All Sign-in sheets and printed documentation of parent meetings will be held in a binder by Ms. Martinez & ENL Coordinator
