Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement
- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.

- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Anjelica Jordan	Principal or Designee*	
Latoya Moses	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Karesse Gonzalez	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Christina Munoz	District Council 37 (DC 37) Representative (staff), if applicable	
Yeinin Miguel	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	

N/A	Student Representative (Required for middle and high schools)	
Juan Sanchez	CBO Representative, if applicable	
Ammeris Correa	Parent	
Nona Isaac	Teacher	
Destiny Grant	Parent	
Malisha Ray	Parent	
Christina Munoz	Chairperson	
Aricia Sosa	Teacher	
Harold Sosa	Teacher	
Estefania Mora	Teacher	
Nirmalla Balgobin	Teacher	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

School Mission Statement

Vision:
District 7 is the bridge to generational success.

Mission:
At PS 18X, John Peter Zenger Elementary School, and within the New York City Public Schools, our mission is to ensure that every student graduates on a pathway to a rewarding career and long-term economic security. We are committed to empowering each child to become a positive force for change within their community and beyond.

Core Values:
Our core values—trust, transparency, and teamwork—serve as the foundation for building a supportive and united learning community. These pillars guide our work as we nurture, encourage, and prepare our students to become the bright future leaders of tomorrow.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

Public School 18, John Peter Zenger Elementary School, is a United Community School serving 287 students in grades Pre-K–5. Our school is located in the South Bronx and reflects the cultural and linguistic diversity of the surrounding community. The student population consists of 46.3% male (133) and 53.7% female (154) students. The racial and ethnic composition of the school is 56.8% Hispanic (163 students), 34.5% Black/African American (99 students), 5.6% White (16 students), 1% Native American (3 students), and 1% Asian (3 students).

We serve a high-needs population with 23% English Language Learners, 33% students with disabilities, and 14% students in temporary housing, reflecting significant academic, linguistic, social-emotional, and mobility-related needs. The school's year-to-date attendance rate is 93%, with 25% of students identified as chronically absent, continuing to make attendance and engagement a priority focus area.

As a United Community School, PS 18 addresses academic and non-academic barriers to learning through a comprehensive network of partnerships supported by an on-site Community School Director. This model mobilizes community-based organizations to meet students' educational, health, emotional, and social needs. Our primary health partner, the Montefiore School-Based Clinic, provides on-site vision, medical, mental health, and dental services to students and families.

PS 18 has built a strong infrastructure of enrichment and support programs through the Vision Ed Program, which includes partnerships with:

Creative Connections
Inside Broadway
Spin and Learn
Radiant Pathways
Music for Many
Ballroom Dance
Asphalt Green (Soccer)
EYTE Martial Arts
Gen Health
STEM programming
Small-group academic supports

Additional partnerships that enhance student and family wellness include:

Equity Design (Open Streets & seasonal Bike Clinics)
Food Bank for NYC (food distribution & engagement events)
NYC School Wellness/MS/HS 223 (sports clinics, including lacrosse)
Children's Health Fund and Rising Ground (SEL supports for students and families)
Notes in Motion (dance instruction for students and yoga for families)
Sanford Harmony (SEL curriculum for students and PD for staff and parents)
NYC Rise (student & family support)

These partnerships promote a supportive school climate and address whole-child development by integrating academic, social-emotional, and physical wellness supports for all students.

PS 18 maintains a strong commitment to instructional improvement and professional learning. The school is in Year 3 of Illustrative Mathematics implementation and continues to receive math support from Bank Street, Christine King, and District 7 Math. To strengthen ELA instruction, PS 18 is in Year 2 of EL Education implementation, with foundational skills supported through UFLI, LETRS training, Kick Start, Bridges Intervention, and Phonics for Reading. Teachers also participate in professional learning led by the School-Based Development Committee, District 7, and school leadership.

As a learning community, PS 18 is committed to building a culture of academic rigor, professionalism, mutual respect, and shared trust. We continue to prioritize high-quality instruction, family engagement, strong partnerships, and targeted interventions to ensure all students have access to rich learning experiences and the supports needed to thrive.

Briefly summarize the key initiatives your school will implement this school year.

Alignment to District 7 Key Initiatives

In alignment with the District 7 mission and strategic priorities, PS 18 will implement the following initiatives to strengthen instruction, enhance community engagement, and improve student outcomes. These actions reflect the school's commitment to equity, access, and high-quality teaching and learning for every student.

1. 1. Good to Go 7% Initiative – Identifying and Supporting Pushable Students Through Progress Monitoring
PS 18 will implement the District 7 Good to Go 7% Initiative by systematically identifying "pushable" students—those who are closest to proficiency and can make accelerated gains with targeted, strategic support. The school will:
a. Create and maintain a Good to Go 7% student list using progress monitoring tools, formative assessments, iReady benchmarks, EL Education student work, IM Math performance tasks, and classroom-based checks for understanding.
b. Progress monitor these identified students bi-weekly to track growth, identify specific skill gaps, and adjust instructional supports in real time.
c. Provide targeted Tier 2 intervention using evidence-based programs, including REWARDS, Phonics for Reading, UFLI, Bridges (Math Intervention), and Kickstart, in order to address foundational skill gaps and accelerate literacy and math growth.
d. Implement differentiated small-group instruction and academic conferencing that directly responds to student trends in reading, writing, and mathematics.
e. Review student progress during MTSS Team Meetings, Grade Team Meetings, and ILT reviews to ensure instructional decisions remain data-driven and proactive.
f. Communicate progress with families regularly and provide aligned at-home reinforcement activities to support the Good to Go 7% goals.
g. This initiative positions PS 18 to make measurable gains in student achievement by focusing on learners who can meet or exceed proficiency with targeted, timely, and data-informed interventions.

2. Develop and Coordinate the Unity Initiative at PS 18

The school will lead community-building efforts aligned to the theme "Together We Will Rebuild, Reconnect, and Recommit" to strengthen relationships among students, families, and staff. Unity initiatives will include family engagement events, community partnerships, peer leadership opportunities, student recognition structures, and schoolwide culture-building activities.

3. Implement District Priorities: Explicit Instruction, Small-Group Instruction, and MTSS

PS 18 will strengthen instructional practices by aligning lesson design and delivery to District 7's core priorities:

Explicit Instruction that includes modeling, guided practice, checks for understanding, and success criteria

Small-Group Instruction to differentiate learning, monitor progress, and provide targeted support

Multi-Tiered Systems of Support (MTSS) to address academic, behavioral, and SEL needs using data-driven decision-making

4. Maintain Strong and Mutually Supportive Community Partnerships

As a United Community School, PS 18 will continue to strengthen and expand partnerships that support whole-child development. The school will coordinate programs in collaboration with families, community partners, and staff to ensure access to health, wellness, academic, and enrichment services. Communication structures will be expanded to ensure all stakeholders remain informed and engaged.

5. Recruitment and Retention Through SLT and Community Engagement

PS 18 will work with the School Leadership Team (SLT), staff, and families to develop strategies for recruitment and retention that highlight the school's core values, programs, and partnerships. Efforts will include outreach events, collaboration with early childhood centers, digital engagement, and community visibility to increase student enrollment and family participation.

6. Strengthen SEL Structures for New Families, Students, and Staff

The school will implement SEL supports such as Student Council, mentoring programs for students and families, and new teacher mentoring to ensure that all members of the school community feel welcomed, supported, and connected. These supports are designed to ease transitions, build leadership, and promote strong relationships.

7. Promote a Sense of Belonging and Improve Teacher Communication Through Action Plans

To strengthen school culture and communication, grade teams and departments will develop action plans focused on improving collaboration, consistency, and shared ownership of schoolwide expectations. These action plans will emphasize belonging, respect, and collective responsibility.

8. Enhance Teacher Pedagogy Through School-Based Professional Development

The School-Based Development Committee (SBDC) will facilitate ongoing, high-quality professional development aligned to school priorities and District 7 initiatives. This includes training in Explicit Instruction, IM Math, EL Education, UFLI, and strategies for academic discourse, vocabulary modeling, and culturally responsive pedagogy.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
Mathematics	K-5	EnVisions	n/a
ELA	K-5	Standards based units	Units of Study/Teaching Matters
ELA	PreK	DOE Interdisciplinary Units of Study	n/a
Math	PreK	Building Blocks	n/a
Mathematics	K-5	Illustrative Mathematics	n/a
ELA	K-5	Expeditionary Leaning	n/a
Foundational Skills (phonemic awareness)	K-5	UFLI	n/a
Foundational Skills (phonics)	PreK	Heggerty	n/a
Math	K-2	Kick Start	Intervention
Math	3-5	Bridges	Intervention
ELA	3-5	Phonics for Reading	Intervention
ELA	K-5	iReady	Intervention

Math	K-5	iReady	Intervention

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
June 2025 Acadience EOY ELA benchmarks reflect that 43% of all students K-2 perform below/well below grade level: Kindergarten: EOY 38% of students perform well below (15/39 students) MOY First sound fluency: 62% (25) well below; 20% (8) below (FSF is not measured at the EOY benchmark for kindergarten) EOY Phoneme segmentation fluency: 49% (19) students perform well below EOY Nonsense word fluency: 38% (15) below/well below 1st Grade: EOY 32% of students perform well below (15/47 students) and 9% (4) below EOY Nonsense word fluency/sounds - 36% (17) well below / 6% (3) below EOY Nonsense word fluency/words - 15% (7) well below / 21% (10) below EOY Oral reading fluency (Words correct) - 34% (16) well below / 9% (4) below 2nd Grade: EOY 30% of students perform well below (9/30 students) and 9% (4) below EOY Oral reading fluency (Words correct) - 30% (9) well below / 23% (7) below	On grade benchmark assessments of first sound fluency and phoneme segmentation stop as of the middle of the school year making it difficult to understand/support student needs in the area of phonics.	Students in K-2 make slow progress across reading pillars. Students in the lower grades struggle to make gains in the areas of phonics which affects their comprehension of texts as complexity of books increases.
June 2025 iReady (Gr3-5) ELA data shows that 32% (49) students perform one grade below / 47% (72/153) of students perform 2+ grade levels below in the area of reading skills. 3rd Grade: 31% (17) perform one grade below & 53% (29) perform 2+ grade levels below. 4th Grade: 38% (20) perform one grade below & 35% (18) perform 2+ grade levels below. 5th Grade: 26% (12) perform one grade below & 54% (25) perform 2+ grade levels below.	Students struggling with phonics and vocabulary	Students don't show mastery of phonic skills making comprehension of texts difficult across all grades.
June 2025 Acadience ELA EOY benchmarks reflect that 46% (13/28) of ENL students K-2 perform below/well below grade level: * Kindergarten - 28% (2/7) ENL students perform below/well below in reading. Main struggle is Phoneme segmentation fluency 71% (5/7) * 1st Grade - 40% (4/10) ENL students perform below/well below in reading.	For lower grades, on grade benchmark assessments of	ENL students don't show mastery of phonic skills

(5/10) 50% struggle with nonsense word fluency /sounds. * 2nd Grade - 64% (7/11) ENL students perform below/well below in reading. (8/11) 73% struggle with oral reading fluency/words correct. June 2025 iReady (Gr3-5) ELA data shows that 26% (10/39) ENL students perform one grade below / 46% (18/39) of ENL students perform 2+ grade levels below in the area of reading skills. * 85% (33/39) of ENL students in Gr3-5 perform on grade level for High Frequency Word * 56% (22/39) of ENL students in Gr3-5 perform 2+ grade levels below in the area of phonics - 3rd Grade ENL students show that 7/9 (78%) perform 2+ grade levels below in phonics - 4th Grade ENL students show that 10/19 (53%) perform 2+ grade levels below in phonics - 5th Grade ENL students show that 5/11 (45%) perform 2+ grade levels below in phonics	first sound fluency and phoneme segmentation stop as of the middle of the school year making it difficult to understand/support student needs in the area of phonics.	making comprehension of texts difficult across all grades.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	26.5%	By June, 2026, literacy for All Students will improve, as measured by a 10% Increase, from 26.5% to 36.5%, of Level 3 and 4 on the NYS ELA Assessment.
English Language Learners (ELL)	13.8%	By June, 2026, literacy for English Language Learners (ELL) will improve, as measured by a 7% Increase, from 13.8% to 20.8%, of Level 3 and 4 on the NYS ELA Assessment.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Daily Tier 2 - AIS using UFLI (intervention) beginning in September (K-2)
Daily Tier 2 - AIS using Phonics for Reading beginning in September (Grades 3-5)
MLL strategies utilized in EL program (Vocabulary words introduced and applied using various discussion protocols)
UFLI Calendar of professional development with interactive activities for staff

Root Cause Addressed:

Foundational reading skills in the area of phonics and vocabulary

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
(June 2025) UFLI - Workshop & Collaborative Planning / UFLI Year-in-Review & Planning
(July 2025) UFLI - Summer Institute or Virtual PD / Differentiation in UFLI
(August 2025) UFLI - PD session before school year starts / UFLI Routines & Management
(September 2025) UFLI - Live demonstration and peer modeling / Modeling & Think Aloud Review of the Instructional Focus: We will enhance teache academic student discourse.
(October 2025) NYC Reads UFLI & EL Walkthroughs with Actionable Next Steps
(September 2025) EL Coaching/Planning with EL Coach
(October 2025) EL PD - Module 3: Creating a culture of inquiry This module addresses the classroom environment and norms necessary to sustain https://toolsforsuccessindy.com/student-centered-learning-strategies/mastering-the-art-of-questioning-a-guide-for-k-12-educators/#:~:text=Create%20a%20classroom%20culture%20where,impact%20on%20their%20learning%20journey. Session topics: 1. Student-le empowering students to lead and facilitate discussions. This strengthens their critical thinking and engagement. 2. Equitable participation: Implemen managing dominant students and drawing out quiet ones. Techniques like "warm calling" (giving students notice they will be asked to share) can rec students how to build on one another's ideas, respectfully disagree, and use evidence to support claims. Feedback and reflection: Use methods to g reflecting on their discussion skills. Resources: 1. https://uwaterloo.ca/centre-for-teaching-excellence/catalogs/tip-sheets/facilitating-effective-discussions#:~:text=Facilitate%20smaller%20discussions%20or%20activities,head%20before%20answering%20it%20yourself. 2. https://www.th framework/questioning#:~:text=Teachers:,the%20fewest%20number%20of%20words 3. https://www.edutopia.org/article/improving-student-led-discussions/#:~:text=Therefore%2C%20teachers%20need%20to%20continually,inclusion%20in%20all%20academic%20discussions. 4.https://ct discussion/#:~:text=to%20achieve%20X?%E2%80%9D-,Warming%20up%20for%20Classroom%20Discussion,early%20on%20in%20the%20cou
(November 2025) EL PD -Module 1: The foundation of effective questioning Description: This module establishes the principles of asking purposeful https://citl.illinois.edu/citl-101/teaching-learning/resources/teaching-strategies/questioning-strategies#:~:text=Steps%20for%20planning%20questi

https://teaching.cornell.edu/teaching-resources/engaging-students/using-effective-questions-engage-students Session topics: 1. Danielson Framew to achieve with a question and tailor it to the specific learning objective. This includes distinguishing between open-ended and closed questions and evidence, and model academic vocabulary. 2. Open, goal-aligned prompts that require reasoning: “How does the model show that?” “What evidence & posts terms): factor, product, array, difference, unknown, claim, evidence, area, perimeter. “Watch how I use the word difference as I compare thes feature convinces you?” • “What would make this argument stronger?” 4. Probe sequence (recall ? reasoning ? generalize): “What is the total?” ? “W we change ___? Why?” 5. Representation-based presses: “Point to the part of your array/graph/number line that proves your claim.” 6. Targeted misc brief re-model; =70% = extend). 7. ∗(Questioning and/or Discussion) Equity of access: wait time, turn-and-talk before cold call, equity sticks, multip Monitoring) Checking for Understanding: Success criteria made visible for responses: Name the model ? Use vocabulary ? State claim + because/ev cognitive levels to prompt students to remember, understand, apply, analyze, evaluate, and create. 10. Wait time: Practice allowing sufficient time (7- thoughts. This can significantly improve the quality and length of student responses. (model what it should look like - time for internal thinking - liste https://citl.illinois.edu/citl-101/teaching-learning/resources/teaching-strategies/questioning-strategies#:~:text=Steps%20for%20planning%20questi https://teaching.cornell.edu/teaching-resources/engaging-students/using-effective-questions-engage-students Questioning Techniques in the Clas https://cambridge-community.org.uk/professional-development/gsweq/index.html#:~:text=Closed%20questions%20have%20less%20value,learne

(March 2026) UFLI - Vocabulary Workshop / Vocabulary & Irregular Words

(March 2026) EL PD - Differentiated Instruction for Vocabulary and Comprehension Skills Module 5: Differentiated Instruction for Vocabulary and Co session focuses on strategies to differentiate vocabulary and comprehension instruction for English Learners (ELs) at varying language proficiency l assessments to meet the needs of multilingual learners, ensuring equitable access to complex texts and academic language. Teachers will leave wit acquisition, promote reading comprehension, and foster independent language learning Learning Objectives By the end of this session, participants development and reading comprehension. Apply differentiated instructional strategies to support ELs in vocabulary and comprehension tasks. Desig vocabulary and text understanding. Evaluate instructional materials for linguistic accessibility and cultural relevance. Sample Session Topics & Agen outcomes. Quick “word association” warm-up on the term differentiation. 2. Understanding EL Language Needs Examine how language proficiency development. Review and discuss sample student profiles. 3. Differentiating Vocabulary Instruction Explore explicit vocabulary teaching methods, m from a shared text for beginner, intermediate, and advanced ELs. Differentiating Comprehension Strategies Model comprehension supports—senten activity: Modify a grade-level passage using scaffolds for each proficiency level. Lesson Design & Application Teachers apply strategies to a current center. 6. Reflection & Exit Ticket Reflect on key takeaways and next steps. Digital exit ticket (What’s one strategy you’ll try this week?). Resources: A Learners 2. WIDA Can Do Descriptors: Grade-level expectations for EL proficiency. 3. The Teaching Channel: “Differentiating Vocabulary Instruction (chapter on vocabulary and comprehension). Tools & Templates 1. Vocabulary Tiering Template (Tier 1, 2, and 3 Words) 2. Comprehension Scaffold I Planning Template for ELs Suggested Videos 1. “Differentiating Instruction for English Learners” – Edutopia (5:37) 2. “Building Vocabulary for Acader Multilingual Learners” – Teaching Channel (6:03) Extension / Follow-Up Options 1. PLC Follow-Up: Review student work samples using differentiated and debrief lessons implementing these strategies. 3. Micro-PD: 15-minute refreshers on morphology, academic language, or text scaffolding.

(April 2026) UFLI - Data Analysis Session / Student Progress Monitoring

(May 2026) UFLI - Gallery Walk & Reflection Circles / End-of-Year Reflection & Showcase

(May 2026) EL PD - Data-Driven Instructional Planning and Collaborative Reflection Module 4: Applying and refining techniques In the final module, Resources: 1. https://learningfocused.com/blogs/lesson-planning/fostering-classroom-discussions-for-deeper-learning Session topics: 1. Modeling students, allowing them to experience the techniques firsthand. 2. Lesson planning: Teachers will redesign their own lessons to integrate the questio observation and feedback: Teachers can observe a colleague's lesson and provide specific feedback on their use of discussion and questioning stra handling incorrect answers and getting students to respond to each other rather than the teacher. (June 2026) UFLI - Coaching Menu Launch / Summer Prep & Coaching Menu

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Classroom observations
Intervisitations
ILT
Teacher team meetings
Data chats

These structures will be used to monitor the implementation of our action plans in order to revise as needed.

Weekly monitoring by completing weekly exit tickets, vocabulary quizzes, student word journals, collecting annotated texts and weekly reflections on text features.

Biweekly monitoring: Record and review discussion participation and text-based responses; text response tasks and comprehension quizzes.

Monthly monitoring: Monthly review of student work samples and assessment data; Monthly analysis of benchmark data to guide instructional planning.

Quarterly: Leadership team reviews data; update pacing and intervention plans; Teacher reflections, surveys, and goal-setting

post-PD.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/17/2025	10/10/2025	All teachers on Grades K-5 will invite parents to participate in a Literacy Curriculum Night to expose parents to the standards and grade level expectations to achieve student grade level proficiency levels by the conclusion of the school year.	Teachers and Parent coordinator
10/01/2025	04/30/2026	Principal and Assistant Principals will conduct "Breakfast with the Principal" series to share with parents specific activities that they can do at home to provide students with additional practice of the skills, strategies and standards that will be assessed on the ELA State Exam	Principal & assistant principals

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Consultants / Support from district assigned AIS coordinator

Instructional Resources

District led Professional Development, ELA resources, software, books, AIS

Schedule Adjustments

Common planning time for teachers, ILT team meetings, Leave and Learn (PD during the school day)

Other Resources Needed

n/a

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Panorama Survey Spring 2025: 68% of students feel they are a valued member of the school community 52% of students consider the perspective of others and empathize with them. 36% of students are able to regulate their emotions.	Students show low emotional regulation skills	Staff not being aware of when students are going through emotional irregulation and the skills needed to support them.
Fitness Gram Trends 2023-2024 (121 students assessed) - pacer (46%), curl up 47%, push-up (37%), trunk lift (99%), sit & reach (43%), BMI (49%) 2022-2023 (139 students assessed) - pacer (66%), curl up 56%, push-up (36%), trunk lift (98%), sit & reach (47%), BMI (44%) 2018-2019 (177 students assessed) - pacer (71%), curl up 69%, push-up (72%), trunk lift (93%), sit & reach (43%), BMI (43%) BMI Percentile by Categories 2023-2024 Underweight - 3% Healthy weight - 51% Overweight - 23% Obese - 23% BMI Percentile by Categories (Female vs. Male) 2023-2024 Underweight - female 2%, male 5% Healthy weight - female 51%, male 51% Overweight - female 26%, male 20% Obese - female 21%, male 25%	The decline in physical fitness and increase in obesity rates among students can be linked to several factors, including lifestyle changes, dietary habits, and reduced physical activity. However, there is also a crucial link between physical health and social-emotional well-being. Research shows that physical fitness contributes significantly to mental health, stress regulation, and overall emotional resilience. Students who struggle with physical health often face challenges in managing emotions, focusing in the classroom, and building positive social relationships.	It is essential to address this issue through a holistic approach that combines regular physical activities with social-emotional learning (SEL) strategies. Programs that promote physical education, alongside SEL, can foster a supportive environment where students can develop healthier habits and feel more confident and capable in their daily lives. Prioritizing both aspects in the school curriculum could be key to reversing these trends and ensuring the well-being of all students.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	68%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 10% Increase, in percentage of students feeling they are a valued member of the school community in classrooms, sports, and/or other clubs from 68% to 78%, per the Panorama Survey.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Tier 1 - Whole Group Instruction
-PD support for staff
-Sanford Harmony happens across all content areas
-Cook shop for students (Grades 3-5)
-PTA meetings that include a nutritionist and SEL consultant (record sessions) - FOCUS on K-2 parents
-Food Pantry
-Trianthlon (2nd grade - swimming, 3rd grade - running, 4th grade - cycling
-Whole School Field Day

Tier 2
-For students in grades 4-5: MSK and MBK
-For grade 3: ballroom dancing
-Clubs: travel club, track club, double dutch, volleyball, soccer (Fola Futbol), art club, green team

Physical Wellness Milestone One: Phase 2 Cycling Initiative is to increase the amount of cycling clinics (2 fall and 2spring, Bike Fest)
Physical Wellness Milestone Two: Phase 1 of the running initiative
Physical Wellness Milestone Three: Phase 1 of the swim initiative
Physical Wellness Milestone Four: Develop School Wellness Council
Physical Wellness Milestone Five: Community Board & CEC Presentation
Physical Wellness Milestone Six: Outdoor Learning Initiative - Increase outdoor engagement between students and staff
SEL Milestone One: Development of SEL and SEL Team
SEL Milestone Two: Implementation of Sanford Harmony SEL Curriculum Program & SEAD Framework (4th/5th Grade only)
SEL Milestone Three: SEL Professional Development Plan
SEL Milestone Four: PBIS
SEL Milestone Five: Parent Partnership
SEL Milestone Six: Mental Health CBO's
SEL Milestone Seven: School-wide SEL/JOY

Root Cause Addressed:

Students show low emotional regulation skills.
The decline in physical fitness and increase in obesity rates among students can be linked to several factors, including lifestyle changes, dietary habits, and reduced physical activity.
However, there is also a crucial link between physical health and social-emotional well-being.
Research shows that physical fitness contributes significantly to mental health, stress regulation, and overall emotional resilience.
Students who struggle with physical health often face challenges in managing emotions, focusing in the classroom, and building positive social
relationships.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and

rolled out.

Action Steps
Increase professional development for teachers throughout the year regarding Emotional Safety & Classroom Belonging; Recognizing & Supporting Sparks (Strengths, Interests, Emotions); De-escalation & Crisis Prevention; Inclusive SEL Strategies for SWDs; Family & Staff Collaboration
Promote student sense of belonging and self-regulation via Sanford Harmony skills and strategies.
Promote student engagement and self-regulation due to decrease in stamina by providing students with a choice of weekly recess activities/games to support in the management of one's movements, emotions, thoughts, attention, and behavior - i.e. control impulses in order to react or respond to situations appropriately.
Promote student engagement and self-regulation due to decrease in stamina by reading books about self-regulation. Choose books that show different behaviors. Discuss how the characters acted and how they could have acted differently. Use these read-alouds to provide children with words for talking about feelings and behaviors. - “The Angry Dragon” by Michael Gordon - “When Sophie Gets Angry–Really, Really Angry” by Molly Bang - “My Mouth is a Volcano” by Julia Cook - “Waiting is Not Easy” by Mo Willems
Promote student engagement and self-regulation due to decrease in stamina by teaching kid-friendly breathing techniques. - Show children that breathing can help them calm down or refocus their attention. Start by using breathing exercises with the whole class. For example, when transitioning from an active task to a quieter one, model a breathing exercise for children. - Have them copy you. When children have learned several, begin prompting individual children to use breathing at needed times. The goal is for children to use breathing independently to regulate their behavior.
Promote student engagement and self-regulation due to decrease in stamina by talking about problem-solving through conflict resolution and restorative circles. Use think-alouds to show children how you solve simple problems throughout the day. For example, “We usually use a red marker to color our thermometer, but I cannot find it. That is a problem. I can solve it by looking again for the red or choosing a different color to use.” Also, use problem-solving as a compliment. “Rosa, I like the way that you helped solve a problem in stations. You and Jenny both wanted to use the blue dough cutter. You solved the problem by taking turns.”
Decrease OORS and incidents in the school throughout the year, teachers will participate in a Restorative Practice Series which will consist of 4 parts which will help to develop fair process, manage difficulties, provide intense intervention skills, and provide a foundation of practice for staff and students through the use of Restorative Conferences. - The Development of Fair Process - How to Manage Difficulties in a class - Intense Intervention Processes - The Use of Restorative Classroom Conferences - Town Hall with students and parents regarding the Code of Discipline.
Help students transition into the school successfully, the school will host ongoing Parent Workshops that will provide supports to parents directly which will prepare the students for the upcoming school year by: practicing Routines and Schedules - Ways of Being Positive to set a foundation and instill joy in students, - How to Avoid Conflicts with students to help ease their morning routines - How to show interest in their child's daily activities and experiences
Implement a nutrition unit during health classes for all students Grades 3-5
Invite parents to participate in a nutrition class and SEL workshop SEL during PTA meetings

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Fitness Gram 3times a year (BOY, MOY, EOY)
Panorama Surveys and Pacer Test results - 3x/year
Implement of calendar for progress monitoring scheduling (monthly review of calendar)

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/05/2026	Mindfulness; Nutrition; Yoga and Meditation; Generating supportive habits workshops	Vision Ed
09/08/2025	06/05/2026	Hands on SEL Activities	Radiant Pathways
09/08/2025	06/05/2026	Bike Clinics in Fall and Spring	Equity Design
09/08/2025	06/05/2026	Nutrition and Health Workshops	Lincoln Hospital

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Professional Learning Collaborative Program, United Community School resources, Vision Ed, Lc.

Instructional Resources

Sanford Harmony;

Schedule Adjustments

Adjust schedule for weekly and monthly student recognition activities; SEL Staff Professional Development Calendar

Other Resources Needed

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
(June 2025) iReady Math Data (Gr3-5) show that proficiency level for students increased by 19% vs. BOY. 21.83% of all Gr3-5 students performed at or above grade level at the end of the school year. About 1/3 of all students in grades 3-5 are at least one grade level below. Grades 3 Math iReady Data: 38% of Gr3 students perform one grade level below and 53% perform 2+ years below grade level Grade 4 Math iReady Data: 25% of Gr4 students perform one grade level below and 46% perform 2+ years below grade level Grade 5 Math iReady Data: 33% of Gr4 students perform one grade level below and 42% perform 2+ years below grade level	Inconsistent use of instructional routines and facilitation of synthesis of mathematical ideas. Lack of frequent progress monitoring	unpacking instructional routines - i.e. synthesis that represents questioning, student discourse, and vocabulary to ensure students achieve the expected focus of the lesson
(June 2025) iReady Math Data (Gr3-5) showed that 13% of students were proficient in math (on/above grade level). Grades 3 ENL Math iReady Data: 25% of Gr3 ENL students perform one grade level below and 75% perform 2+ years below grade level Grade 4 ENL Math iReady Data: 26% of Gr4 students perform one grade level below and 63% perform 2+ years below grade level Grade 5 ENL Math iReady Data: 9% of Gr4 students perform one grade level below and 63% perform 2+ years below grade level	Inconsistent use of instructional routines and facilitation of synthesis of mathematical ideas. Lack of frequent progress monitoring	1.Put in a clear system for progress monitoring 2. implementing kids friendly success criteria to support progress monitoring

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	22.2%	By June 2026, the percent of students scoring on/above grade level will Increase by 10% from 22.2% to 32.2%, for All Students, as measured by NYS Math assessment.
English Language Learners (ELL)	22%	By June 2026, the percentage of students scoring on/above grade level will Increase by 7% from 22% to 29%, for English Language Learners (ELL), as measured by NYS Math exam.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Professional Learning Sessions
Implementation of IM Core Indicators: B1.3 Shared planning & Lesson Design; C2.3 Instructional Routines; C2.4 Language Routines; C2.7 Facilitating Synthesis of Mathematical Ideas.
Improvement of instructional practices
Ensuring that there is progress monitoring to better understand key areas of strategic focusing
Facilitation of Synthesys of Mathematical Ideas

Root Cause Addressed:

Inconsistent use of instructional routines and facilitation of synthesis of mathematical ideas.

Lack of frequent progress monitoring

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Create a math lab classroom: IM Certified Fellow
October–November 2025 Professional Development Plan (4–6 Weeks) Week 1: Introduction to Academic Discourse and Protocols Week 2: Launching Academic Discourse and Protocols Week 3: Funnel vs. Focus Questions Week 4: Academic Vocabulary in Context (ELA Shift 6 Emphasis) Week 5: Math Talk & Discourse (Math Shift 3 Emphasis) Week 6–7 Extension: Student-Led Discussion & Reflection
Unpacking the priority standards in common planning using the boxing protocol
Build math lead and labsite teacher capacity to facilitate adult learning
Teachers in all grade levels will engage in on-going professional learning provided by District Support, SDC, Christine King, and Bank Street Coach that includes unpacking units/lessons and "doing the math" with teams of teachers.
Teacher Teams: Teacher practice in facilitating instructional routines using the NYC Solves protocols, language routines & synthesis improves over the course of the year.
Schools leaders receive ongoing training and job-embedded support throughout the year to implement the curriculum and provide teachers with effective feedback and the training leads to improved instructional leadership.
Teachers will prioritize independent thinking through questioning before students collaborate in discussion using vocabulary and strategies that have been explicitly modeled

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/15/2025	06/01/2026	Provide regular updates about upcoming IM units via Newsletter, Email, in person or virtual meetings	School Staff
09/15/2025	06/01/2026	Organize monthly school level workshops and informational meetings: Parents can learn about the math curriculum, instructional strategies, and ways to help their children.	School Principal/Parent Coordinator
09/15/2025	06/01/2026	Host math nights where families can participate in fun math-related activities and games.	Parent Coordinator/Teachers
09/15/2025	06/01/2026	Interactive Math Family Projects	Teachers

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

District 7 Math Supports and Consultants

Instructional Resources

Professional Development Illustrative Math Resources, software, games/centers activities

Schedule Adjustments

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2024 NYCPS Survey Results-Improvement in positive responses to personal finance question 76% of district 7 students responded favorably to the question "Adults at this school teach me important skills about money, like earning it, saving it, and spending it wisely." This represents a 10% increase compared to 2023 National Data Trends While 30% of American public school students have access to financial literacy classes, that number decreases drastically for Black and Hispanic students, as well as students who qualify for free lunch (Next Gen Personal Finance (NGPF), 2023 State of Financial Education Report; Forbes 2022). In schools where 75% or more of students are Black and Hispanic, only 7% are guaranteed financial literacy courses. Most teachers agree that financial education is essential but few prepared to teach it.. (Holden, K. and Way, W., 2009.	To break a generational cycle and change the way youth understands their personal finances.	Empower youth with a sound foundational education about financial literacy as indicated in the mission to support positive force for change.
2024-25 NYC Kids Rise college savings account - 80%	To break a generational cycle and change the way parents/families understands their personal finances and savings for college.	Empower parents/families with a sound foundational education about financial literacy and college savings as indicated in the mission to support positive force for change.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	80%	By June 2026, the percentage of active NYC RISE college savings accounts for All Students will Increase by 10% from 80% to 90% as measured by NYC RISE enrollment reports.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

P.S. 18 will conduct daily outreach and enrollment support at morning entry, especially during the fall semester.

Root Cause Addressed:

To break a generational cycle and
change the way parents/families understands
their personal finances and savings for college.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
September: Introduction to Careers and College Objective: Introduce the concept of careers and college. K-2 Activities: Career Exploration with Storybooks Read picture books about various careers (e.g., "Whose Hands Are These?", "Career Day") and discuss the roles people play in society. SEL Focus: Social Awareness – Discuss how different jobs help people and society. Public Speaking: Students will draw their dream job and share it with the class using a sentence like "I want to be a _____ because I like to help people." 3-5 Activities: Career Exploration Research Students choose one career, research it using books or websites, and share a 1-minute presentation with the class. SEL Focus: Social Awareness – Help students understand how various careers contribute to society. Public Speaking: Students present to the class about the career, explaining its role and why it's important.
October: Exploring Different Jobs and Careers Objective: Learn about a variety of professions and how they help people. K-2 Activities: Career Day Exploration with Stations Set up career exploration stations (e.g., doctor, teacher, firefighter) where students can rotate and engage in hands-on activities (e.g., dressing as a doctor, pretending to teach). SEL Focus: Social Awareness – Encourage empathy by talking about how these jobs help others. Public Speaking: Students can share a job they like and explain why it is important in a group setting. 3-5 Activities: Career Research and Presentation Students select a career from a list and research it. They create a presentation (poster or slides) and share it with their classmates. SEL Focus: Social Awareness – Help students recognize the impact of various jobs. Public Speaking: Students present to the class about the job and explain what it entails, including the education or skills required.
November: Learning About Money and Saving Objective: Introduce basic financial literacy concepts. K-2 Activities: "What Can I Buy?" Budgeting Game Use play money and simple visuals to simulate buying objects. Discuss the concept of saving money and setting goals for future purchases (e.g., saving for a toy or a field trip). SEL Focus: Emotional Regulation – Teach how making decisions can feel rewarding or frustrating. Public Speaking: Students talk about what they want to save for and how they plan to get there. 3-5 Activities: Simple Budgeting and Savings Plan Students will create a simple budget for college expenses (tuition, books, food, etc.), discussing what things cost and how to save. SEL Focus: Self-Regulation – Help students make informed choices about how to use money wisely. Public Speaking: Present a budget plan to the class, explaining their choices.
December: Understanding the Concept of College Costs Objective: Help students understand the costs associated with higher education. K-2 Activities: "How Much Does College Cost?" Visual Game Show simple visuals of a college campus with labeled items such as books, dorm rooms, and food. SEL Focus: Social Awareness – Understand that people need to save money to pay for college. Public Speaking: Students say one thing they would want at college (like books or a dorm room) and talk about why it is

important. 3-5 Activities: Understanding College Costs Introduce more detailed examples of college costs (tuition, dorms, books). Students create a simple breakdown using a graphic organizer or chart. SEL Focus: Social Awareness – Discuss the varying costs of education and how to plan for the future. Public Speaking: Present a breakdown of what college costs and explain one way to save for it.

January: Goal Setting for the Future Objective: Teach students the concept of setting future goals. K-2 Activities: Future Goals Chart Create a large poster or chart where each student can draw or write one goal for the future (e.g., "I want to be a teacher"). SEL Focus: Self-Awareness – Help students think about what they want to be and how to work towards it. Public Speaking: Students will share one goal they have for the future and explain how they plan to achieve it. 3-5 Activities: Future Goals Worksheet Have students write out 1-2 long-term goals for their career and college plans, as well as the first steps they will take to achieve them (e.g., "I want to become an engineer. To do that, I will learn more about math and science"). SEL Focus: Goal Setting – Encourage students to think long-term about their future. Public Speaking: Share their future goals in a small group or with the class.

February: Exploring College and Career Paths Objective: Help students explore how different careers require different types of education. K-2 Activities: Career Matching Game Use picture cards to match careers with the type of education required (e.g., doctor ? medical school, teacher ? college). SEL Focus: Social Awareness – Help students understand that education helps people achieve their dreams. Public Speaking: Students will present one career they like and share the education it might require. 3-5 Activities: Career and Education Research Students research a career, identifying the type of education required (e.g., high school, college, or vocational school). They present their findings to the class. SEL Focus: Self-Awareness – Help students recognize their strengths and potential career paths. Public Speaking: Present the career choice and its educational pathway to the class.

March: Career Fair and Peer Interaction Objective: Students present their career findings in a peer learning environment. K-2 Activities: Mini Career Fair Students create simple posters or drawings of their chosen career and present them to the class. SEL Focus: Social Awareness – Encourage listening and learning from others' career ideas. Public Speaking: Each student shares their dream job with the class in a brief sentence or two. 3-5 Activities: Career Fair Presentation Students set up a career display and give a more detailed presentation about the career, including the education required and the benefits of that job. SEL Focus: Social Awareness – Recognize and appreciate diverse career choices. Public Speaking: Present career and college information in front of the class.

April: Emotional Regulation and Career Planning Objective: Teach students how to regulate their emotions while pursuing career goals. K-2 Activities: Emotional Regulation Role-Play Read a story or role-play a scenario where a character faces a challenge (e.g., not getting into their dream college or job). Discuss how the character might manage their feelings. SEL Focus: Emotional Regulation – Teach basic coping strategies (deep breathing, asking for help). Public Speaking: Students practice sharing how they would cope with a disappointment. 3-5 Activities: Goal Adjustment Discussion Have students discuss how they would feel if things didn't go as planned for their career or college goals. SEL Focus: Emotional Regulation – Practice resilience and stress management. Public Speaking: Share their thoughts on how they would handle setbacks or failures.

May: Reflection and Celebration Objective: Reflect on the growth and learning throughout the year. K-2 Activities: Career Reflection Book Students draw pictures of their career dreams and discuss what they've learned throughout the year. SEL Focus: Self-Awareness – Reflect on their growth and how their goals have evolved. Public Speaking: Students share one thing they learned about careers or college. 3-5 Activities: Goal Achievement Reflection Have students fill out a reflection sheet that asks what they've learned about careers, college, and their own goals. They also set a new short-term goal for the upcoming year. SEL Focus: Sense of Belonging – Celebrate individual and collective growth. Public Speaking: Students reflect on their learning and share their growth with the class.

Final Week (May) – Career and College Reflection & SEL Integration K-2 Students (Final Week) Objective: Reflect on the year's career exploration and set simple goals for the future while practicing public speaking and emotional regulation. Activity 1: Career and College Reflection Circle Activity 2: Gratitude and Growth Journals SEL Focus: Self-Awareness and Self-Esteem – Help students recognize how much they've learned and how it can lead to their goals. This activity also emphasizes growth mindset, helping students understand that progress is a journey. Public Speaking: Students can share one goal they set in their journal with a peer or small group. 3-5 Students (Final Week) Objective: Reflect on career exploration and personal growth throughout the year while setting future goals and practicing public speaking skills. Activity 1: College and Career Reflection Presentation Activity 2: Career Goal-Setting and Emotional Regulation Activity 3: Career and College Showcase Celebration

May (Final Week): Teacher Reflection and Evaluation

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will review our NYC Kids Rise enrollment data once a month at an SLT Team meeting.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	05/29/2026	Encourage parents to discuss their own careers and educational experiences with their children.	World of Money financial literacy consultants
09/08/2025	05/29/2026	Foster connections with community organizations that can provide resources and support for career exploration.	World of Money

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

NYC Rise Materials - Financial literacy resources

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
website: data.nysed.gov reports the following enrollment data for John Peter Zenger school (PS18): Enrollment SY24-25: 298 students Enrollment SY 23-24: 338 students Enrollment SY 22-23: 324 students	Limited school marketing throughout the zone/district area.	There is an increase in competing schools causing a decrease in student enrollment. Charter Schools make the funding available for advertisements by fundraising and having branding events and partnerships.
NYC School Survey 2025 showed that relationships with families have decreased from 100% to 90%: 80% of parents believe that teachers five them helpful ideas about how to support their child's learning and development (-20% vs. 2024)	School to home on-going communication has decreased over the years.	By communicating better on what is happening in the school. Having staff members give information to parents during dismissal and arrival. More translation services for families that do not speak english during these decision making meetings - By having an Arabic Speaker and a fluent Spanish speaker at the main office or available when parents come to the school. Usually there isn't an Arabic translator to help communicate during events. Making everyone feel comfortable and be friendly to each other, use respect, proper tone and work with families nicely.
NYC School Survey 2025 reflects: Parent Involvement in School decrease from 94% to 89% (-5% vs. 2024) 80% of parents know how to contactt the parent coordinator at the school (-13% vs. 2024) 93% of parents have communciate with their child's teachers	Parents unable to contact the parent coordinator	Involve families with more phone calls, Zoom meetings, improve communication for the Arabic community, culture events and more inclusivity. Activities for different cultures

about their academic performance (-4% vs. 2024)		

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	80%	By June 2026, the a percentage of parents/families indicating that school to home on-going communication will Increase by 10% from 80% to 90% as measured by NYC School Survey Results.
Parents of All Students	266	By June 2026, the student enrollment will Increase by 5% from 266 to 279 students as measured by school's register.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Recover parent-teacher trust and communication metrics by +10%
Increase family awareness of school supports (esp. Parent Coordinator)
Strengthen parent involvement and cultural responsiveness
Boost enrollment for SY26–27 to at least 320 students

Root Cause Addressed:

Parent-School communication
Parent involvement in school

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
July 2025: Plan Review & Goal Setting - Analyze 2025 NYC Survey data - Set recovery targets for each metric - Update family engagement goals
August 2025: Back-to-School Engagement - Distribute updated parent handbooks - Relaunch Parent Coordinator contact campaign - Host “Welcome Back” block party
September 2025: Teacher-Family Partnerships - Begin teacher-family goal-setting meetings - Home-to-school communication logs initiated
October 2025: Trust & Support from Teachers - Launch monthly “Teacher Tips at Home” bulletin - Begin staff PD on culturally responsive communication
November 2025: Academic Partnership Nights - Literacy & Math Family Night - Introduce bilingual learning support guides for families
December 2025: Midyear Family Check-In - Administer internal mini survey on parent involvement, trust, and support
January 2026: Family Communication Consistency - Audit class newsletters, Dojo/Remind usage - Share communication logs at SLT
February 2026: Equity & Inclusion in Family Voice - Host multilingual “Family Voice Night” - Translate key documents & signage
March 2026: Enrollment Recruitment - Parent Ambassador tours begin - “Bring a Friend to PS18” shadow day for prospective students
April 2026: Tech & Access Support - Family Tech & Tools Night (NYCSA, Class Dojo, etc.) - Parent Coordinator drop-in hours

May 2026: Celebrating Family Involvement - Spring Family Showcase & Appreciation Event - Honor parent volunteers and engagement leaders

June 2026: Year-End Reflection & Transitions - Conduct exit interviews with withdrawing families - 5th grade and Pre-K transition sessions

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

July 2025
Annual plan finalized + recovery goals set: Goals published to SLT & staff

August 2025
% families reached with updated info: = 90%

September 2025
Teacher-family connection logs: = 90% families contacted

October 2025
Pulse check: helpful ideas from teachers: = 85% satisfaction

November 2025
Family Night attendance + feedback = = 50 families, 80% positive reviews

December 2025
Midyear mini-survey response rate: = 50%

January 2026
Communication consistency across classrooms: 100% log submission

February 2026
Representation & language access: All top 5 languages supported

March 2026
New family engagement via tours: = 20 families attend

April 2026

Use of digital tools (NYCSA, Dojo, etc.): 10% increase from Fall

May 2026
Parent leadership recognized: 100% event follow-up posted

June 2026
Exit feedback + transition support: 90%+ of eligible students supported

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
08/15/2025	08/29/2025	"Welcome Back" Block Party + Comms Campaign	School Principal, UCS Director and Parent Coordinator
09/03/2025	06/01/2026	Family Calendars with Engagement Events	Parent Coordinator
10/01/2025	10/31/2025	Teacher Support for Families "Teacher Tips at Home" Launch plus professional development	Instructional Coaches
11/03/2025	11/21/2025	Academic Nights Literacy & Math Family Night	ELA and Math Leads
12/01/2025	12/19/2025	Mid-Year Engagement Check Mini Family Survey	SLT Member (Data Lead)
01/01/2026	01/30/2026	Communication Audit Parent Log Review + Newsletter Checks	AP + SLT Rep
02/02/2026	02/27/2026	Family Voice & Inclusion Family Panel + Translated Resources	Equity Team Rep
03/02/2026	03/31/2026	Enrollment Outreach Parent Ambassadors + Shadow Days	Enrollment Coordinator
04/01/2026	04/30/2026	Tech and Access Digital Tools Night	Tech Coordinator
05/01/2026	05/30/2025	Celebration of Families Family Appreciation Showcase	PTA President + Admin Rep
06/01/2026	06/19/2026	Transition & Reflection Exit Interviews + Pre-K/5th Transitions	Counselor

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

United Community Schools, STH Liaison, Vision Ed Inc, LEAP, G8 consulting

Instructional Resources

Professional Development Resources, Computer Based Resources - social Media, school website, DOE Messaging, emails, Class DOJO

Schedule Adjustments

Availability based on teacher survey for morning, and and/or evening, hybrid options, teacher parent meetings throughout the week, parent coordinator during arrival, dismissal, and throughout the day (as scheduled)

Other Resources Needed

N/A

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYCDOE Insight Tool data reflects chronic absenteeism of 30% for the SY24-25 (90/298 students): - ExL 40% (37/92) - Current ELLs 15% (11/73) - STH 30% (13/43)	Inconsistent calendar of activities/informational for families regarding impact of absenteeism in school	Need to increase family engagement starting at the beginning of the school year.
NYCDOE Insight Tool data reflects chronic absenteeism of 30% for the SY24-25 (90/298 students): - ExL 40% (37/92) - Current ELLs 15% (11/73) - STH 30% (13/43)	Professional development for success mentors and handbook with specific steps for outreach to families is not defined.	Establish success mentors prior to the beginning of the school year.
NYCDOE Insight Tool data reflects chronic absenteeism of 30% for the SY24-25 (90/298 students): - ExL 40% (37/92) - Current ELLs 15% (11/73) - STH 30% (13/43)	Increase in student moving between tiers and no consistent process on how to track and support.	Defined success mentor role specific to progress monitoring of attendance.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	30%	By June, 2026, the chronic absenteeism rate for All Students will decrease by 3%, from 30% to 27%, as measured by the Insight and New Visions chronic absenteeism reports.
Students with Disabilities (SWD)	40%	By June, 2026, the chronic absenteeism rate for Students with Disabilities (SWD) will decrease by 5%, from 40% to 35%, as measured by the Insight and New Visions chronic absenteeism reports.
Students in Temporary Housing (STH)	28%	By June, 2026, the chronic absenteeism rate for Students in Temporary Housing (STH) will decrease by 3%, from 28% to 25%, as measured by the Insight and New Visions chronic absenteeism reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Incentives starting early in the school year - Monthly event or incentive
Calendar for the entire school year (create before end of the current SY)
Identify CA students early for success mentoring as soon as the school year starts
Collaboration with SEL / School store
Intensive support for families with multiple children at PS18 at the same time - administration support

Root Cause Addressed:

Attendance action plan items need to start/be ready at the beginning of the year (outreach to families, calendar of events, success mentors, contracts).
Family engagement should include making families aware of the impact with absenteeism (lack of academic growth, monthly attendance reports, persistence absence - lack of opportunities such as after school, etc.)
Need of professional development for success mentors and attendance handbook

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
School collaboration with UCS and PBIS for Attendance events with student input to personalize events. (Meet with PBIS Team in August to confirm Attendance and PBIS events calendar to increase collaboration between teams.
PS 18 Attendance Mentors linked to select Tier 3 families (Execute Back to School Kick off in August to connect with our Tier 3 families and set up a Mentoring Program including monthly parent Tier 3 Data Conversations.
Attendance Contract and Data Conversations with Teachers and Parents (Conduct Parent Town Hall where attendance will be discussed and expectations shared with families including signing Attendance Contracts.)

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Weekly attendance meeting will allow for ongoing progress monitoring for PK-5th Grade students. Attendance agenda reflects Tier 1, Tier 2, and Tier 3 data analysis to support attendance events, parent outreach, and mentoring program.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
08/25/2025	08/29/2025	Welcome Back Attendance Events by grade band for Tier 3 students (Parent Relationship Building, Team Building, Attendance Mentor connection)	UCS Director and Attendance Works Resources
09/17/2025	09/17/2025	PTC Night: Focus on Parent Handbook with an emphasis on attendance and attendance contracts	UCS Director and Attendance Works Resources
09/11/2025	06/18/2026	Weekly Attendance Meetings on Thursdays: Attendance Rolling Agenda including: Tiered Attendance interventions for early intervention and family support. Tier 1 and Tier 2 Data Driven Meetings to assess the impact of Attendance Events and Mentors on student attendance by using New Visions Data Portal and Insight. Also discuss weekly data trends for classroom and subgroups.	UCS Director
09/22/2025	06/19/2026	Teacher Attendance Data Conversations (3 times a year) with Attendance Team to review interventions, and events. Also, personalize incentives for Tier 2 and Tier 3 students. Teachers with exemplary attendance practices and percentages will facilitate a staff PD in collaboration with the Attendance Team with whole staff.	UCS Director / Assistant Principals
09/22/2025	06/19/2026	Student Attendance Assemblies (4 times across the year) celebrating students with perfect attendance and Tier 1 attendance (92% and above)	UCS Director
09/22/2025	06/19/2026	Attendance Staff PD: New Year, New Goals, Attendance Focus - revisiting Attendance data to support student self-efficacy (set new attendance goals) Families receive updated Attendance School Report	UCS Director
01/05/2026	06/01/2026	Family workshops highlighting the importance of school attendance	UCS Director, Schools Parent Coordinator
10/06/2025		Monthly food pantry for families	Parent Coordinator / UCS Director

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

United Community Schools: Success Mentor Program, attendance incentives, parent workshops

Instructional Resources

Success Mentoring Program

Schedule Adjustments

Adjust schedule for: Attendance Teacher Data Conversations, monthly student recognition and attendance events.

Other Resources Needed

Attendance Contracts and attendance report cards

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
SY2024-2025 - IEP Reviews: Parent Voice: 100% Student Voice: 25% Specially designed instruction: 100% Support for personnel on behalf of the student: 0% SY2024-2025 - BIP Monitoring and tracking 65% of BIPs have documented monthly tracking in SESIS.	Need for assigned time to complete compliance assignments related to special education Staff needs professional development regarding compliance concerns	IEP Development and Fidelity of Implementation
SY2024-2025 - IEP Reviews show that 25% of IEPs include a student voice reflecting statements about their interests, areas of strengths and preferences	IEPs don't always reflects students statements regarding their interests, strengths and preference.	Transition Planning and Compliance
07×018 Schools Data Performance (Power BI) as of 4/21/25: 10.5% of of all students received a CSE evaluation (31/294) 07×018 Placement recommendations: Special Class 12 students (52.2%) Integrated Co-teaching 10 students (43.5%) SETSS 1 student (4.4%) 74.2% of all students evaluated received an IEP. Citywide - 70% of students evaluated received an IEP. No SIFE students identified this school year.	Intervention started late in the school year. Children with late identification of developmental delays. Lack of medical care. Late introduction to elementary school (childcare took place at home until entering kindergarten)	Referral Process and Equity
As of April 2025 - for SY24-25: 44 Incidents have been reported in OORs. 35 of those incidents include Students with IEPs. This accounts for 79.5% of all incidents reported. 3 incidents resulted in	Staff does not understand the characteristics of students disabilities. Staff requires professional development	Equity in School Discipline

teacher removal . all students with IEPs. For SY23-24: Total of 119 incidents reported. 91 of those incidents included students with IEPs. This accounts for 76% of all incidents reported.	with strategies. BIPs are not being followed with fidelity. IEPs require support for personnel on behalf of the student (PD/specific disability)	

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	25%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve including a student voice to show statements on strengths, interests and preferences in the IEP present level of performance section (PLOP) by a 70% Increase, from 25% to 95%, as measured by IEP Reviews.
Students with Disabilities (SWD)	65%	By June 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve IEP fidelity implementation by increasing BIP tracking and monitoring based on identified area of need by a 30% increase, from 65% to 95%, as measured by IEP reviews.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Provide relevant staff with on-going professional development regarding quality IEPs and BIP monitoring/tracking.

Root Cause Addressed:

Staff does not have assigned time to complete compliance assignments related to special education.
Staff needs professional development regarding compliance concerns.
Behavior intervention Plans (BIPs) are not being followed with fidelity.
IEPs don't always reflects students statements regarding their interests, strengths and preference.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Increase knowledge base of teachers regarding the development of quality IEPs
Increase knowledge base of teachers regarding compliance of BIP and assignments of paraprofessional service
Frequent monitoring of measurable annual goals
Ensure IEP documents are written to include student voice statements regarding their interests, preferences and strengths
Provide families with workshops to include information about the FBA & BIP Process

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Create a series of professional development events to increase base knowledge of staff regarding:
- Writing Quality IEPs (sections of the IEP)
- Functional Behavioral Assessments & Behavior Intervention Plans (BIP) development/sections
- Behavior Intervention Plans (BIP) monitoring and tracking process

Additionally, parents will also be invited to take advantage of quarterly workshops tailored to provide information regarding Quality IEPS and Behavior Intervention Plans (BIP) monitoring process.

This will be evidenced by attendance sheet tracking, set schedules for Professional Developments and IEP reviews.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	12/19/2025	Sharing of special education resources for parents about programs and services.	
01/05/2026	06/13/2026	Sharing of special education information about Behavior Intervention Plans and continuation of paraprofessional services.	

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.
Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.
Human Resources:

District special education specialists

Instructional Resources

Professional development sessions - in person/virtual

Schedule Adjustments

n/a

Other Resources Needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Below grade level reading	SPIRE	small group	During School	No
Tier 2 Tier 3	Below reading and mathematics grade level	iReady	small group individual	During AIS Period Before After	No
Tier 2 and 3	Below	Bridges	small group individual	During Centers	yes

	mathematics grade level	Math Intervention			
Tier 2	Below grade level reading	Phonics for Reading	small group	AIS Period	no
Tier 2 Tier 3	Below grade level reading (Foundational Skills)	UFLI	small group	During & After/before	no
Tier 3	Below grade level reading (Foundational Skills)	Wilson	small group	During	no
Tier 2 Tier 3	On Grade Level	UFLI	small group	during & After/before	no
Tier 2	One grade level below	Rewards	small group	AIS period	no

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2 and Tier 3	Teacher reports OORS reports School incident reports parent referral	Rising Ground	Small Group One-to-one	Before, during and after school	No
Tier 3	parent referral	Montefiore Health Based Clinic	One-to-One	During school	Both (in-person and Technology-based)
Tier 2	Teacher reports OORS reports School incident reports	School- based counselor School-based Psychologist	Small Group One-to-one	During school	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Coffee with the Principal - Attendance, How to help your child with Reading & Math, How to Support Your Child Emotionally
Family Game Night - ELA and/or Math (Monthly)
SEL Workshops - REAL Wellness; Radiant Pathways

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Attendance - Report Cards
iReady - reports sent to families (BOY, MOY, EOY)
Teacher reports - Monthly per Behavior intervention plan
OORS reports - biweekly/monthly as per crisis team
School incident reports - Monthly/every six weeks as per safety team
Phonics for Reading - Monthly/every six weeks as per each unit
Bridges Math Intervention - Monthly/every six weeks as per each unit
SPIRE - Monthly/every six weeks as per each unit
UFLI - Rotation of below and on grade level - during & after school (Monthly cycle)

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

SLT
Parent 1:1 Meetings based on End of cycle data

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

There are currently 56 students in temporary housing, 16% of the school' student population.

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

The Breakfast Program- Students will have the opportunity to arrive to P.S. 18 at 7:30 a.m. and go directly to the cafeteria to be fed breakfast. The Breakfast program will be supervised by a School Aide. Students will participate in a morning reading program facilitated by New York Cares volunteers.

School Supplies- Provided by P.S. 18, students in Temporary Housing will be provided with the needed school supplies.

Social and Emotional Guidance and Support- P.S. 18's administrators and guidance counselors may be utilized throughout the school year for social and emotional support for our students in temporary housing, as deemed necessary.

At- Risk Services- P.S. 18's Support Staff and Classroom Teachers may be utilized throughout the school year for academic and emotional support for our students in temporary housing, as deemed necessary.

Vision Ed after-school program will assist and enroll any students in temporary housing.

An information session will be conducted with all staff members to apprise them of regulations pertaining to STH. Workshop will be facilitated by the school's Mckinney-Vento liaison.

Academic support through the after-school/before school programs facilitated by P.S. 18 staff members.

Assignment of Attendance Success Mentors to STH to support consistent attendance.

Enrichment trips (pending CDC guidelines and DOE revised trip policies)

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

Program compostion will be based on classroom teacher's recommendations using assessments, observations and i-Ready data.
Opportunites for enrichment will include extended day academic learning activities providing targeted instruction based on results of screening and assessments.
Learning activities will also include trips to educational institutions to make connections in learning for students.

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

Convene a team of school stakeholders to review teacher eligibility for the position
Discuss requirements at SLT meetings

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

Convene a team of school stakehodlers to discuss and craft program model.
Impllement program model based on school schedule and the needs of students.

Provide a description of the materials purchased to support implementation of ELT.

iReady - ELA & Math

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

PS 18 will support parents and family members of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:

- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 18, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's

progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

In order to continue to grow as professionals, our staff will participate in differentiated, tiered, professional learning. The professional learning opportunities will include, but will not be limited to, academic rigor, scaffolding, classroom management, emotional and social development of children, and differentiation. We will also provide teachers with the opportunity to participate in inter-visitations with their colleagues. Opportunities for Professional Development will be facilitated during weekly Extended Monday meetings, weekly Leave and Learns, District 7, Bronx Borough Office, Teaching Matters, and Professional Learning Collaborative learning sessions.
Our professional learning includes;
Ongoing and intensive professional learning provided by the administration, lead teachers, coaches and outside agencies to further develop and support newly hired teachers and paraprofessionals.
Professional learning plan that addresses CCLS, Data Analysis, Danielson Framework and CRT aligned activities.
Ongoing professional learning topics are also created based on the needs of our teachers as per teacher surveys, observations and
needs assessment.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

In an effort to assist preschool children in the transition from early childhood programs to the elementary school program a Pre-K to Kindergarten Transition Team consisting of the principal, assistant principal, Parent Coordinator, guidance counselor Pre- K and Kindergarten teachers was created..
This team works collaboratively to assist preschool students in making the transition from early childhood programs to our school. The team works closely with nearby pre-schools and CBOs to ensure a seamless transition occur. In May, the Parent Coordinator along with
additional school staff, hold a Welcoming Parent Orientation for incoming kindergarten students. Topics addressed during this orientation include: “Helping Your Child Make the Transition” and “A Typical Day in Kindergarten”. Parents and potential students are given a tour of our Kindergarten facilities and are also provided with valuable materials to help them assist in the transition from Pre-K to Kindergarten. Virtual Open House tours are also held for neighboring day care centers.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	$59,255	X	
Title I, School Improvement 1003(a)	Federal	$20,000	X	
Title II, Part A	Federal	$69,855	X	
Title III, Part A	Federal	$13,671	X	
Title III, Immigrant	Federal	$0	X	
Title IV, Part A	Federal	$9,656	X	
Tax Levy (Fair Student Funding)	Local	$3,170,713	X	

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:** Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement

standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.

- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
United Community Schools	All students, parents, staff	CSD manages programs and leverages resources and partnerships to meet the identified needs of students, families, staff, and the PS 18 school community.	Chronic Absenteeism, SEL
Vision Ed. Inc	All Students	REAL Kids is DREAM's free, award-winning summer learning program that uses the power of teams to help elementary-age youth develop academic, social, and emotional skills through a unique literacy, team building, and baseball/softball curriculum.	Expanded Learning Time, Math, ELA, SEL
NY Cares	All students, parents, staff	New York Cares and PS 18 can, together, provide the highest quality volunteer projects, corporate partnerships, and donation opportunities and deepen our impact in our community and on the community we serve.	SEL,Chronic Absenteeism
Food Bank for NYC	PS 18 Families	Food Bank For New York City (Food Bank) works to support multifaceted emergency food distribution throughout New York City, including school-based campus pantries. Campus Pantries are essential tools to alleviate hunger. Food Bank is pleased to support PS 18 by providing a capacity grant that enables your school to distribute food to families in need.	Wellness and Integrated Supports:

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

The PS 18 Community School Director (CSD) through United Community Schools, our CBO, is integrated in various committees at PS 18. The CSD is a member of the SLT, Safety Team, Student Support Team, chairs the Community School Advisory Board, and also takes part in PTA meetings, family activities, grade team meetings, and collaboration and planning meetings with program and service providers at PS 18. As a member of different collaborative teams, the CSD is able to share diverse perspectives, and ensure that work across the school is aligned and working towards achieving common goals. The CSD also manages and leverages partnerships and seeks resources from outside of the school, in order to bring opportunities to PS 18 that help meet the needs and goals set forth each year, and expressed during all collaboration and planning meetings.

For example, this year our CBO will leverage grant funding and partnerships with Reading Partners, Counseling in Schools and The Positive Learning Collaborative to ensure that students have access to data driven, targeted, individual reading instruction, access to individual and group counseling, and that all staff have professional learning opportunities and coaching to implement restorative practices.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

PS 18 provides opportunities for parents to have a voice in the development of our community school by inviting parents to join monthly PS 18 UCS Advisory Board meetings, SLT meetings, and monthly PTA meetings, where they can share thoughts, concerns, and ideas as various plans and events are discussed and developed. We also hold an annual Community School Forum, where parents are invited to hear a state of the school address, receive an overview of programs, services, and activities that occur at PS 18, and take part in focus groups on various topics to share their past experiences and ideas for the future. We plan to increase the frequency of these forum style discussions, so parents have the opportunity to gather together and share more times throughout the school year.

In addition to creating spaces for parent voice, our Community School collaborates with PS 18 teachers, mental health counselors, and our Parent Coordinator to plan and provide workshops for parents and families on various topics based on the needs that they express. Topics may include how to support their child with their schoolwork, SEL strategies to use at home, how to utilize remote learning platforms and troubleshoot issues with technology, self-care and wellness, high school equivalency exam preparation courses, ESL classes for adults, and more. We also organize family fun activities that allow students, caregivers, and staff to engage outside of the classroom.

Through these different avenues, in addition to our parent-teacher conference events, our Community School aims to welcome parents into our building in different ways, develop stronger relationships with them, and improve our home-school communication so that we can continue to work collaboratively and support parents as they continue to grow and develop in leadership roles throughout our school.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

This year our Community School will continue to leverage grant funding and our partnership with Counseling in Schools to provide individual and group counseling services to students. Through social-emotional learning and creative engagement, the counselor aims to help remove some of the barriers to achievement for our students and in turn, help them with learning skills to manage the emotions they may experience in order to be successful. The counselor seeks to meet the social, emotional, physical, and environmental needs of the students, facilitate social-emotional skills sessions, and to develop interventions and engaging activities to increase cooperation and engagement in the classroom.

In addition to Counseling in Schools, individual counseling for students will continue to be provided through a social worker at the Montefiore School Health Program at PS 18, our school-based health center. Our school-based health provides high quality, on site, no cost, medical, dental, vision, and mental health care to all PS 18 students who are enrolled for services.

Our Community School will also continue to leverage grant funding and our partnership with The Positive Learning Collaborative to ensure that all staff have professional learning and training opportunities, and coaching, to implement restorative practices. The Positive Learning Collaborative also works with the Student Support Team, a group of teachers and staff, to help develop SEL curriculum pacing guides that are implemented in each classroom setting.

Our Community School partners with the Food Bank for NYC, NY Common Pantry, Corbin Hill Food Project, and the Committee of Interns and Residents' Family Health Challenge to provide non perishable food pantry items each month for parents, access to low cost, local, fresh fruits and vegetables for parents and staff, and nutrition and obesity prevention workshops for students and parents.

Together, our health and wellness programs help foster an environment of healthy living in our school community. The health and wellbeing of our students and families directly influence our students' abilities to thrive socially and academically.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

PS 18 implements weekly attendance meetings that allow key stakeholders to meet and discuss student data and trends, and develop plans to address key issues. Our Community School Director and Community School Associate are members of the attendance team and will leverage resources and partners to provide activities and incentives to support our multi-tiered attendance intervention plan, encouraging students to attend school every day. We will also focus on communication with parents about the importance of student attendance in school every day, and inform them about opportunities, events, and incentives that they and their children can earn.

The CSD will support in implementing the Success Mentor Program by developing an incentive plan with the help of the Success Mentor and Attendance Incentive teams, creating structures and schedules for mentor and mentee meetings, developing parent communication materials, and by organizing programmatic documents to onboard new mentors and mentees. The Success Mentor Program is in its early stages, and will target a select number of students who are at risk of becoming chronically absent, based on the previous year's data, and will aim to kick off at the beginning of the school year. The CSD will facilitate regular meetings with the Success Mentors in order to provide and review attendance data, further develop the program components, and troubleshoot any issues that arise. The CSD will also leverage relationships with other program providers in the building to hold special events or opportunities for mentors and mentees and to utilize interactions that providers have with students and families as another avenue to discuss the importance of attendance.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures

will be optimized to work for <u>all</u> students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

Our Community School utilizes collaborative teams to determine needs and develop plans to address needs of students, families and staff. Through collaborative work, we are able to consider different populations, and determine programs, services, and resources that can be utilized to meet various needs, and ensure that partners that we choose to work with have the same vision and systems for equitable programming that we envision. Ongoing partnership and program review meetings allow us to evaluate our partnerships and continuously determine if we still have the same vision and implementation of equitable practices. As a Community School, we ensure that communication is available to parents in english and in spanish, and that resources are provided for additional languages. Our food pantry services are available to families of Students in Temporary Housing, families of Students with Disabilities, and Multilingual Learner/English Language Learners at any time, and families can make arrangements with the CSD, Parent Coordinator, school counselor or their child's teacher to set up an appointment when needed. We also work with a partner, NY Cares, to provide school supplies and backpacks to students in need at the beginning of each school year, and provide new coats and winter gifts during the winter season.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written "Addendum Attached" and provided supplemental documentation to explain why the school was unable to obtain the individual's signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Anjelica Jordan
Assistant Principal (Where Applicable)*	Anwar Zindani
English as a New Language (ENL) Teacher*	Jazmin Bernal
Teacher (if school has a bilingual program must be a bilingual teacher)*	Aricia Centeno-Sosa
Parent/Guardian*	Destiney Pasley
Teacher	
Parent Coordinator	Jocelyn Reyes
School Counselor	Edna Thomas
Related-Service Provider	Susan Tineo
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

2

Number of ESOL certified teachers with a bilingual extension:

2

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

3

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

5

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

2

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

279

Total number and percentage (%) of current ELLs:

72 and 25.81%

Total number and percentage (%) of former ELLs:

6 and 2.15%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

47 and 72.3%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

18 and 27.7%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

22 and 33.8%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	Dual Language	spanish	2025-2026	.5	.5	.5	.5	.5	.5								3.0
DLBE																	0
DLBE																	0
				total: 0.5	total: 0.5	total: 0.5	total: 0.5	total: 0.5	total: 0.5	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Our ELLs receive stand alone ENL and integrated ENL through a push-in or pull-out program. In Stand-alone ENL, students receive English Language Development by a New York State certified ESOL teacher in order to acquire the English Language needed for success in core content areas. As a result, students are grouped according to data using K-2 Acadience, I-Ready diagnostic, and weekly UFLI progress monitoring. In grade 3-5 students are grouped based on I-Ready Diagnostic, Phonics for Reading, and by their levels on the NYSESLAT (to ensure that the students receive their mandated minutes as per CR Part 154.2).

Integrated ENL:

Integrated ENL is when students receive core content area (English Language Arts, Math, Science, or Social Studies) and English language development instruction which includes home language supports and appropriate ELL scaffolds carried out by a combination of ESOL and content certified teachers or dually certified teachers. Students are grouped by grade, I-Ready diagnostic and Acadience, weekly UFLI progress monotoring and by their levels on the NYSESLAT (to ensure that the students receive their mandated minutes as per CR Part 154.2). The mandated minutes are provided as follows: Entering students receive 180 mins. of integrated ENL/ELA per week, Emerging receive 180 mins. of integrated ENL/ELA per week, Transitioning receive 180 mins. of integrated ENL/ELA per week, Expanding receive 180 mins. of integrated ENL in ELA/Core Content Area per week and Commanding receive 90 mins. of integrated ENL in ELA/Core Content Area and/or small group services for two additional years. Entering and Emerging students receive integrated ENL during ELA as per CR Part 154.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

We do not have a Transitional Bilingual Program.

Dual Language Bilingual Education (DLBE):

ELLs in the Dual Language program receive Integrated ENL and stand alone ENL by a certified Common Branch elementary school teacher with a bilingual extension. Students are grouped by grade and by their levels on the NYSESLAT.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

STARS programming is done according to the proficiency levels of all ML/ELL identified students. Students are grouped according to their English acquisition level, the data is derived from NYSESLAT scores. Entering and Emerging students receive 360 minutes of ENL instruction. Of the 360 minutes, 180 minutes are of stand-alone ENL and 180 minutes are of integrated ENL. Transitioning students receive 90 minutes of stand-alone ENL and 90 minutes of integrated ENL. Expanding students receive 180 minutes of integrated ENL instruction and Commanding students receive 90 minutes of integrated ENL instruction. The mandated number of instructional minutes is aligned to CR-Part 154-2 mandated units of study for ENL.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

In the ENL Program model, students are grouped according to their English acquisition level, the data is derived from NYSESLAT scores. Entering and Emerging students receive 360 minutes of ENL instruction. Of the 360 minutes, 180 minutes are of stand-alone ENL and 180 minutes are of integrated ENL. Transitioning students receive 90 minutes of stand-alone ENL and 90 minutes of integrated ENL. Expanding students receive 180 minutes of integrated ENL instruction and Commanding students receive 90 minutes of integrated ENL instruction. The mandated number of instructional minutes is aligned to CR-Part 154-2 mandated units of study for ENL. In the Dual Language Program model, Entering students receive 360 minutes of ENL instruction. Of the 360 minutes, 180 minutes are of stand-alone ENL and 180 minutes are of integrated ENL/ELA. Emerging students receive 360 minutes of ENL instruction. Of the 360 minutes, 90 minutes are of stand-alone ENL and 180 minutes are of integrated ENL/ELA, and 90 minutes can be STAND- ALONE ENL or INTEGRATED ENL/Core Content Area. Transitioning students receive 90 minutes of integrated ENL/ELA and 90 minutes can be STAND- ALONE ENL or INTEGRATED ENL/Core Content Area. Expanding students receive 180 minutes of integrated ENL/ELA/ HLA instruction and Commanding students receive 90 minutes of integrated ENL/ELA instruction. For Home Language Arts entering, emerging, transitioning and expanding students receive 1HLA unit of study. Commanding students are not applicable for HLA.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Our school uses a self-contained, one classroom for all instruction. the partner language, Spanish, and English are used equally throughout the program. All students learn to read in both languages starting in kindergarten. In the context of a 50/50 program Native English speakers and native speakers of the partner language are integrated for instruction 100% of the day. The ideal ratio of English Language learners to English speakers is 50:50.

b. In which language(s) is each core content area taught?

Each core content area is taught in Spanish and English.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

Of our ELLs, 72.3 % are Newcomers. Effective services for newcomers differ from those provided to developing or Long-Term ELLs by focusing on multi-sensory and phonological skills. Newcomers are serviced by the classroom teacher in specific strategy groups and student partnerships with dominant English speakers. Acadience is used in K-2 to monitor the progress of newcomers, and IReady is used in all K-5 grade to progress monitor newcomers. The teacher also implements EL language dives component of the program, Geodes, I-ready and UFLI for newcomers. These programs are designed to ensure that English Learners acquire content knowledge while also acquiring language through culturally responsive grade level content. These programs use phonics for reading in a systematic sequence of explicit phonics instruction, providing a consistent routine that allows newcomers to apply each concept in increasingly challenging situations to build accuracy, automaticity, and fluency.
For our developing or long-term ELLs we couple them with proficient speakers of English. We ensure that developing or long term ELLs have access to and engage with grade-level content by providing the students with graphic organizers and vocabulary that is at their individual grade level so that the students have access to academic content areas and accelerate English language development. In addition, students are able to engage meaningful content relate conversation to enhance language development and promote critical thinking. Furthermore, students explore different EL protocols to challenge their academic thinking and enhance conversational skills. Finally, The Next Generation Standards are embedded in EL curriculum taking into account students language modalities, using grade level text, with appropriate supports, ensuring that we are targeting all four modalities. (L: Listening, R: Reading, S: Speaking, W: Writing).

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

N/A because we do not have students with inconsistent or interrupted formal education.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

N/A because we currently have no Longer-Term ELLS. In the evident that we have long term ELLs, we will ensure that Long Term ELLs have access to and engage with grade-level content by providing the students with graphic organizers and vocabulary that is at their individual grade level so that the students have access to academic content areas and accelerate English language development in all modalities. Most for our 5th graders struggle with writing on the NYSESLAT, we will provide long term ELLs with rich listening, speaking, reading, and writing activities along with structured support within small groups. Teachers will enable students to notice and apply Tier 1 & 2
vocabulary words, sentence structures, grammar patterns and ways to improve pronunciation, receptive and expressive language development. With the appropriate support and scaffolds student's language proficiency can meet the Next Generation Learning Standards and address each of the four modalities of language (L: Listening, R: Reading, S: Speaking,
W: Writing).

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

Of our ELLs, 0.4% are former ELLs. Our Former ELLs continue to receive services for an additional 2 years. They receive 90 minutes of small integrated ENL instruction in ELA or Content Area.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

At risk levels that might adversely affect Ells at our school as seen on the ELL Data Analysis Tool: There are three At-Risk-Indicators with high percentage. 30.8% of our ELLs have 1 at risk indicator, 40.0% of our ELLs have 2 at risk indicators, and 24.6% of our ELLs have 3 at risk indicator. These at risk indicators are the following: Some ELLs did not demonstrate sufficient ELP progress, there is a high percentage of newcomers, and finally, some our ELLs are in temporary housing. In addition, according to the AT Risk indicators for Ells only, out of the number of Ells 29.2% scored level 1 or 2 in 2024 in ELA and 26.2% in Math. In addition, according to the NYSESLAT Modality Analysis: Need area, the data shows that overall grades 2-5 has a greater need in the area of writing. Finally, Grades 1/2/4 and 5 illustrate a greater need in the development of speaking modality, and only Grades 4 and 5 have a great need in the area of reading.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

At risk levels that might adversely affect Ells and former ELLs at our school as seen on ELL Data Analysis Tool: According to the NYSESLAT Modality Analysis: An Area that is at risk for grades 2-5 is writing for Ells and Former Ells. After analyzing the data we noticed students did not meet the criteria of making adequate progress, therefore ranging in the low performance rate level. In addition, Grades 1/2/4 and 5 illustrate a greater need in the development of speaking modality, and only Grades 4 and 5 have a great need in the area of reading. Finally, According to the AT Risk indicators with a focus on former Ells we also noticed that out of the percentage of former ELLS of 8.8% ONLY one former ELL scored in ELA or Math either two or one. Another noticing is that non of these former Ells are in temporary housing This helps us conclude that although former Ells scored 1 and 2 in ELA or Math, the number of Ells differs in comparison to students who are in temporary housing.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The home language of ELLs with the largest representation at our school are Spanish and Arabic. Our school uses. The Translation and Interpretation unit in effort to connect with families who communicate in languages other than English. This helps us ensure equity and access for all our families. The Unit offers free written translation services, interpretation services for centrally organized events, connects schools with over-the-phone interpretation services and spearhead all system-wide language access efforts and initiatives. Our PTA Coordinator, Ms. J. Reyes and Community School Director, Juan Sanchez (United Community Schools United), provide workshops and strong partnerships. In addition, other platforms such as freeconferencecall.com, ClassDojo, and Instagram are also used to communicate with all families across different languages.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

At PS18x, the racial and ethnic classification of ELLs are Black and Hispanic. We use the culturally responsive approach to connect with students' culture, language and life experiences with what they learn in school. Several programs to support culturally responsive and sustaining Education are the arts, STEM, physical education, dance, afterschool programs such as financial literacy, enrichment academy, debate team, Art, and 4th and 5th grade College Readiness, are provided for all students to engage, participate, and have a sense of belonging. Other programs such as VisionEd and Equitable design also promotes culturally responsive practices. Both programs emphasizes in co-creation with diverse stakeholders to develop culturally relevant and effective solutions. Finally, teachers use a student centered approach to teaching in which the students' unique cultural strengths are identified and nurtured to promote student achievement and a sense of well-being about the students' cultural place in the world.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

According to the English language Proficiency growth at our school we noticed that 11.6% students met progress by exiting ELL status , while 27.9% Met annual progress target, other ELLs met SAFE harbor Cumulative growth 2.3%. Finally, ELLs who did not meet progress are 58.1%. In addition, 65 active Ells with a 2024 NYSESLAT proficiency level illustrate no progress met according to

standard criteria. 5 Active Former ELLs tested out in spring 2024 in comparison to testing out in spring of 2023, which is only 1 student that tested out. Finally, according to the Spring 2024 NYSESLAT Result Overview: Proficiency Level, it shows that more students are in the beginning of the Expanding and Emerging/Entering level, and they need to score points to move to the next higher proficiency level.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

When looking at our current ELLs who took the NYSESLAT in Spring 2024, the modalities of strength: grades 1-5 demonstrate strength in the modality of speaking, grades 2 and 3 demonstrates strength in the modality of listening, finally, grades 1and 3 demonstrates strength in the modalities of reading and writing. On the other hand, the modality of Needs in grades 2-5 is writing, in 1&2 and 4&5 the modality in need is speaking, finally, grades 4&5 the modality of need is reading.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

The relationship between students' performance on the NYSESLAT and the ELA assessment based on the Spring 2024 NYSESLAT and Spring ELA 3-8 Comparison tool, shows that 4 students in the expanding language proficiency level scored a level 1 in the ELA exam, and 3 students scored 2 in ELA. In addition students in the commanding level of language acquisition, 1 scored a 3 in the ELA exam. As a result emergent and transitioning students scored 1 in the ELA.

The relationship between students' performance on the NYSESLAT and the Math assessment based on the Spring 2024 NYSESLAT students fell into the following language proficiency levels and scored 1 in the mats state exam: 4 entering, 5 emerging, 2 transitioning, 1 expanding. Furthermore, based on data there is 0 entering, 1 emerging, 1 transitioning, and 3 expanding scored 2 in the math state exam. Students who scored level 3 in the math state exam are 4 transitioning, 3 expanding, and 1 commanding. Finally, students who scored a 4 in the math state exam is 1 commanding.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

The subgroups that stand out the most are the newcomers in grades K-5. There is a total of 47 newcomers out of the total 65 ELLs. Another subgroup are the developing ELLs: 12 ELLs in the 4th grade and 6 ELLs in the 5th grade. As a result this constitutes a total of 18 developing ELLs out of the total of 65 ELLs. Reflecting on this information, we may conclude that newcomers and developing ELLS either have an IEP or are showing minimal to no progress on the NYSESLAT 2024.
Based on the Spring 2024 NYSESLAT by IEP Designation, there are 23 test takers in grades 3-5 with an IEP out of the total of 57 ELLs. Among these, there are 1 entering, 5 emerging, 9 transitioning, 5 expanding and 3 commanding ELLs with an IEP. Out of 57 ELLs in grades 3-5, 34 ELLs do not have an IEP. Among these, there are 5 entering, 4 emerging, 7 transitioning, 16 expanding, and 2 commanding ELLs without an IEP.
There are a variety of factors that we believe are impacting the results of these subgroups: Most ELLs with IEPs do not have a language barrier or deficit; their greatest challenge is their learning disability. This disability limits their ability to show progress in language proficiency levels. Another factor is that many students remain stagnant due a large majority living in temporary housing.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Our school provides ELLs with a high-quality academic experience by ensuring that all ELLs receive equitable and culturally responsive instruction tailored to their language acquisition needs. In order to provide students with access to standard based curriculum, the following support resources are provided but not limited for ELLs and SWDs: Phonics for Reading, UFLI, Reading Partners, Language Dives (EL), and I-Ready. Furthermore, students are grouped heterogeneously according to language acquisition level in order to attain and foster rich language development. Several scaffolds are also embedded to support Ells with vocabulary, background knowledge and reading and writing skills. In addition teachers have been trained with the science of reading and attaining awareness and strategies to strategically and systematically embed skilled reading for proficient reading and tackle all the needs that Ells and SWD exhibit (Reading Rope). Classroom and ENL teachers are using the Language Dives from the EL curriculum, as well as strategies from Phonics for Reading to target these students. In addition, there is a focus on social-emotional learning using Stanford Harmony. The program tailors to all learning modalities using a multi-sensory approach to help students understand and have self awareness of their emotions and others around them.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The school's Instructional Leadership Team's shared vision is to consider how the team can be leveraged to build collective efficacy as a driver for school improvement. Their main goal is to improve students' growth, achievement, and promote social emotional awareness. I-ready, Acadience (grades K-2), Reading Partners, NYSED Math and ELA exams and UFLI are used to monitor individual student progress and to make instructional decisions within tiered support. The team analyzes the data to identify patterns, trends and next steps in order to develop a clear message and assist in the implementation of best practices for ELLs. They Identify and articulate the challenges of ELLs and they establish an appropriate instructional focus so that the outcomes for all students are equitable and meet expected standards.
As Instructional Cabinet begins to meet, data will be analyzed weekly to bi-weekly. Until then, it is addressed during weekly teacher team meetings if the ENL provider is able to attend.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

In our DL program, core content areas are taught in English and Spanish. Math is taught through the workshop model using the Illustrative Mathematics K-5 curriculum. Science instruction is delivered through hands-on experiments and recording logs using the Amplified kit. Passport to Social Studies is a curriculum derived from various units of study ranging from grades and guided by the state's scope and sequence. In addition, teachers use a two platforms to deliver and engage students in all content areas: I-Ready and google classroom are some of the resources used to foster language development and meet the demands of the Next Generation Learning Standards. In our ENL classes, students use additional support resources such as Readworks.com, Epic.com, CHATGPT.com, Geodes program, UFLI, Measuring-up Students Textbooks, and I-Ready for English Learners. Vocabulary is introduced throughout each ELA and Math lesson with the, definition, example/visual representation. At this time we are unable to fully implement foundational skills in HLA. As suggested, during foundational skills for ELA, similarities to sounds in HLA should be paired. Math Language Routines are used during IM whole group instruction and small group instruction/discussion. Language Dives and conversational cues are used during ELA instruction to enhance all language proficiency.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Some instructional strategies and grade-level materials that teachers use are Readworks.com, Epic.com, CHATGPT.com, UFLI, Phonics for reading, and I-Ready to foster language development and meet the demands of the Next Generation Learning Standards. In our ENL classes, students use additional support resources such as, Readworks.com, Epic.com, CHATGPT.com, Geodes program, UFLI, Measuring-up Students Textbooks, and I-Ready. In addition, math is taught through the workshop model using the Illustrative Mathematics K-5 curriculum. Math Language Routines are used during IM whole group instruction and small group instruction/discussion. Science instruction is delivered through hands-on experiments and recording logs using the Amplified kit. Passport to Social Studies is a curriculum derived from various units of study ranging from grades and guided by the state's scope and sequence. In addition other strategies that is provided for ELLs with EIPs are: Sentence frames, realia, graphic organizers, videos, manipulatives, leveled texts, repetition, extra time, individualized support, pre-teaching vocabulary, visual support, cognates, peer support, TPR, focus on student strengths, and multi-sensory tools.

b. SIFE

Currently we do not have any SIFE students. If we should have SIFE students they would be serviced by the classroom teacher in specific homogeneous strategy groups, I-Ready (software program) would be scheduled daily for individual work. Through the science of reading, teachers can implement a structured literacy by explicitly teaching phonemic awareness, phonics, fluency, vocabulary, and comprehension.
Our school has implemented UFLI. UFLI is a foundation program that supports students with their phonemic awareness. It is a systematic phonics program that is research based and focuses on developing foundational reading skills. Teachers use daily UFLI (AIS-group) and phonics for reading to guide their small group instruction. Native language arts is the language of instruction in content areas of Math, Science and Social Studies. SIFE students will receive ENL as per CR Part 154 push-in services by the ENL teacher during the school day. In addition, SIFE students will have Native language instruction from their bilingual classroom teacher in content areas, such as Math, Science and Social Studies. Moreover, SIFE students with the home language of Spanish and are in the Dual Language program will receive native language instruction; the percentage of native language instruction will be based on their Lab-R or NYSESLAT scores. For students in the ENL program, native language support will be provided if needed and as available. Furthermore, SIFE students will have Native language arts instruction from their classroom teacher in content areas, such as Math, Science and Social Studies. We provide the students with instruction to ensure that their needs for basic social language, academic language and grade appropriate content is fulfilled.

c. Newcomers

Newcomers are serviced by the classroom teacher in specific strategy groups and student partnerships with dominant English speakers.
I-ready, small group instruction, UFLI, Phonics for Reading, and Acadience are used to monitor the progress of newcomers. UFLI and Reading Partners, Language Dives, and phonics for reading help accelerate struggling readers' literacy skills. We provide students with these programs or resources because we want to ensure that their need for BICS (basic interpersonal communicative skills) and CALP (cognitive academic language proficiency) and grade appropriate content is fulfilled. During integrated time, ENL providers use UFLI and Phonics for Reading to promote language development for newcomers. During standalone time, ENL providers use Geodes to promote content vocabulary and language development.

d. Long Term ELLs

Our long-term ELLs are also coupled with proficient speakers of English. We ensure that Long Term ELLs have access to and engage with grade-level content by providing the students with graphic organizers, vocabulary, collaborative discussions using a variety of protocols, ongoing progress monitoring, and peer feedback/ teacher feedback, that is at their individual grade level so that the students have access to academic content areas and accelerate English language development. With the appropriate scaffold/supports, students can meet the Next Generation standards and address each of the four modalities of language (L: Listening, R: Reading, S: Speaking, W: Writing).
Math is taught through the workshop model using the Illustrative Math K-5 curriculum. Usage of explicit teaching and/or student modeling, small groups and/or whole group discussions when using manipulatives, strategies, and graphic organizers during that

time is often implemented. Science instruction is delivered through inquiry based learning 5 Es approach to learning), hands-on experiments that take place in small groups with discussion, the use of graphic organizers to record information, expectations of content specific vocabulary to be used in context. Passport to Social Studies is a curriculum derived from various units of study ranging from grades and guided by the state's scope and sequence. Questions are posed based on differentiated informational reading texts in SS to engage ELLs with IEPs in discussions and scaffolded writing. In addition, teachers use GoogleClassroom, EL, and IM platforms to deliver and engage students in all content areas and foster language development and meet the demands of the Next Generation Learning Standards. In our ENL classes, students use additional support resources such as Geodes, NYSESLAT textbooks, native language/English dictionaries, native language books/ textbooks, Readworks.com, Epic.com, and I-Ready for English Learners. Parental involvement is also a support used for our students, we include families as participants in school decisions, and parents are viewed as advocates for our children through PTA and Community Forums such as ClassDojo.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

All the providers meet to strategically implement the diverse ELLS-SWDs needs within the least restrictive environment. ENL teachers push in to support ELL-SWD students by providing them with embedded scaffolds and strategies linked to their IEP goals while taking into account their language proficiency levels and ensuring that they can have access to a standard based curriculum.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

In our DL program K-2 teachers will use Estrellita Program to assess home language. The Estrellita Reading Program is intended for students in Bilingual and Dual Language classrooms, based on scientific learning and reading principles, Estrellita provides multisensory instruction in phonemic awareness, phonics and fluency. The program uses a variety of assessments to track student progress in decoding, fluency, vocabulary, and comprehension. The EDL (Evaluación del Desarrollo de la Lectura) and Writing on Demand to assess home language support. EDL is a Spanish assessment for bilingual classrooms used to track students' development of early literacy knowledge and skills. The assessment is designed to show educators where a child is making progress and where he or she may need further instruction. The EDL kit is based on benchmarks, or standards, that every child should meet in Kindergarten and Grades K -5. These benchmarks are grounded in research and reflect the current New York State literacy standards. EDL is an early emergent formal assessment that contains skills of letter name and sound recognition, word awareness, timed fluency test, and various leveled stories with retelling strategies.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

The system and structures for supporting co-teaching and collaboration are as follow: communication through emails, discussing and analyzing data during common planning and/ OPWs. Teachers gather together to solidify data and Co-plan to meet the needs of students language acquisition, or need of modality. In addition, they work together creatively to accommodate the language proficiencies, cultural diversity and educational backgrounds of the students in the class, so they can Co-deliver and meet the individual needs. Furthermore, teachers collaborate together to progress monitor the students' learning, and continue to Co-plan to motivate and accelerate students' language acquisition. Finally, Teachers collaborate together in unpacking EL and IM curriculum to effortlessly support ELLs' vocabulary, comprehension, build their background knowledge, and improve their writing skills with various scaffolds.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

The school's professional development will be dedicated to language acquisition in alignment with core content area instruction, including a focus on best practices for co-teaching strategies and integrating language and content instruction, and the social emotional needs of MLs/ELLs. All teachers of ELLS will receive ongoing training. On Mondays and/or during common planning,

staff members will receive an 80-minute block of Professional Development and on Tuesdays 35-minute block of time for Other Professional Work from September 2025 to June 2026 for ELA and Math (scaffolding strategies).
This professional development will provide teachers with specific comprehensive skills development combined with practice and application in the five key areas of reading: phonemic awareness, phonics/word study, vocabulary, comprehension and fluency and instruction and reinforcement for Mathematics using communication, connections, representation, reasoning and proof and problem solving in order to provide the connections to the Next Generation Learning Standards. The ENL Coordinator attends workshops at the district given by the ELL Liaison. The coordinator turnkeys the skills and knowledge gained from the learning opportunities provided by the training sessions to the rest of the staff on Mondays, during the 80-minute block of Professional Development and/or on Tuesdays during the 35-minute block of time for Other Professional Work, or if there is opportunity, during common planning ENL teacher turnkeys too. Teachers also receive instructional support from Ms. Laura Schelble distrcit ELA support, Jennifer Keon Literacy Coach Consultant, Ian Trevethan EL consultant, Matthew Lee Math Coach, and Lead teachers Ms. Mora and Ms. Louis who attends district meetings.
Teachers also attend ENL professional development workshops outside of the school building where they are exposed to different strategies and methodologies to implement during the Reading and Writing Workshops. The bilingual teachers will meet once a week during other professional work period to discuss pertinent information and participate in collaborative research about reinforcing writing/vocabulary. In addition, we will have Lab-sites where teachers will have the opportunity to conduct inter-visitations and view model lessons of best practices for additional support to ELLS. In addition, the goal is to provide opportunities for all staff to receive training on topics related to diversity, equity, and inclusion (i.e., critical self-reflection, disproportionality, anti-bias, developing racial literacy, combating racism, and microaggressions, etc.).
Administrators and consultants will facilitate professional development for teachers to dive deeper into the Mathematical Language Routines, in order to continue supporting students with language development, mathematical understanding, assessments and feedbacks and crafting questions and solving problems. Administrators and consultants will also support teachers in conducting cross-curricular culturally responsive-sustaining planning sessions by providing forums for collaborative planning, drafting, mapping, and aligning by unpacking the standards (ALL content areas), vertical team planning, first 30 day summer planning.
Lastly administrators will facilitate discussions, disseminate self-assessment tools and resources for educators and non-pedagogical staff. In addition, a plethora of platforms and other resources and/or tools will be provided for all staff including administrators, teachers and non-pedagogical staff to ensure the academic and social emotional needs of MLs/ELLs. Throughout the learning session, participants will be asked to look inward to better understand some of their own unconscious biases and learn to recognize and interrupt bias.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

PS 18X provides professional development to all teachers and administrators that addresses the needs of ELLs. All teachers will receive a minimum of fifteen percent of professional development hours dedicated to language acquisition focusing on best practices for co-teaching strategies and integrating language and content instruction. For all bilingual and English as a new language teachers, a minimum of fifty percent of professional development hours will be dedicated to language acquisition in alignment with core content area instruction, including a focus on best practices for co-teaching strategies and integrating language and content instruction. Staff members will receive this professional development outside the school building by ELL specialists as well as in-house by the ENL Coordinator. Teachers also meet during common preparatory periods to plan and refine their teaching and delivery of instructional best practices. Other venues, may include teacher reflections, lab sites-where activities practiced with students may be re-enacted in our school environment, on-going class inter-visitations and curriculum is differentiated for ELLs. Annual conferences are also offered. Additionally, teachers are offered summer institutes, study groups, and educational opportunities to be professionally developed. Agendas and sign-in sheets are kept on file as a way of maintaining record of the professional development being provided.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

The screening assessments that are being utilized to guide instructional planning for our ELLs are I-Ready Diagnostic, Acadience, Rally, IM Unit assessments and Math Bridges. These screening assessments provide individual data for teachers to meet the needs of ELLs through differentiated instruction. Each assessment pinpoints the strengths and weaknesses of students. These screening assessments help teachers to quickly observe and note the reader's behaviors, and identify who needs intervention and extra help.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Some targeted intervention programs that are in place to support ELA are AIS (ELA/MATH), I-Ready, UFLI, Phonics for Reading, Reading and Partners. The list range of intervention services are as follows: Tier 1 (In classroom) and ELA/Math AIS). Language of service is determined by the students' academic language proficiency. To be more specific with AIS support, AIS is dedicated to every morning from Tuesday-Friday for 30 minutes. Teachers push in to the classrooms and work with selected students during that time.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Our school uses data to guide our instruction for ELLs within a Multi-Tiered System of Supports. In order to meet the needs of our students, and provide them with the appropriate support and data based decision making, our Schools Based Development Committee, SDC, meets once a week from 2:30-4:00 to coordinate evidence-based instruction and intervention to match the dynamic learning strengths and needs of our ELLs. The team utilizes I-Ready Diagnostics, Acadience assessment, Attendance, and informal and formal assessments to examine, identify, discuss, and pinpoint where and why ELLs are struggling academically. In addition, the team also utilizes The Panorama Survey, which measures student perception of teaching and learning, and the survey information allows them to look at the data and provide academically and SEL support . From this examination and discussion, trends and patterns become evident in relation to student groups and specific areas of academic, behavioral, and social-emotional need. Using a problem-solving approach, the team takes stock of and leverages data from a comprehensive system of assessments to develop the school's instructional focus by identifying key problems of practice in the instructional core and for intervention. Furthermore, The Reading Partners team utilizes Renaissance program to measure our ELLs reading comprehension skills. Reading partners meet with each student and target their needs based on their benchmark assessment.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

We use EDL (Evaluación del Desarrollo de la Lectura), Estrallita Program assessments for K-2, EL pre and post assessments, EL Mid and End of the year assessments (EL unit mid/end assessments are optional), I-ready, and Acadience (grades K-2) to assess the early literacy of our ELLs. EDL is a Spanish assessment for bilingual classrooms used to track students' development of early literacy knowledge and skills. The assessment is designed to show educators where a child is making progress and where he or she may need further instruction. The EDL kit is based on benchmarks, or standards, that every child should meet in Kindergarten and Grades K -5. These benchmarks are grounded in research and reflect the current New York State literacy standards. EDL is an

early emergent formal assessment that contains skills of letter name and sound recognition, word awareness, timed fluency test, and various leveled stories with retelling strategies. The Unit assessment and Mid/ End of year assessment serves as a baseline to determine the student's reading and writing strengths and/or weaknesses. I-ready is a comprehensive assessment and instruction program that empowers teachers with the resources they need to help meet the student's needs at their individual level.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

In order to ensure that ELLS are appropriately evaluated in their native language, the EDL and the HLA is administered.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

PS 18 evaluates the success of our programs for ELLs by utilizing informal and formal exams. Some Informal/Formal assessments are but may not be limited to; EL Pre and Post unit assessments. We also can measure the success of our programs by periodically analyzing data in order to determine if we meet our goals for ELLs. These assessments are designed to inform instruction by providing specific and immediate feedback through daily and ongoing instructional strategies that are student and classroom centered. The assessment process allows students and teachers to gain a deep understanding of learning goals and envision proficiency in each standard. Analyzing of the data during grade team, ENL department meeting, or ELA/Math department meeting allows teachers to make decisions about the day-to-day lesson planning - i.e. scaffolding, differentiation, small groups or make adjustments to the overall units of study by changing the anchor texts so that it is more accessible if the data indicates as such.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

The NYSESLAT is administered to all ELLs in the grades K-5. The students are assessed in the four modalities: Speaking, Listening, Reading and Writing. A certified ENL and teacher carries out the standard examination procedures and scoring after receiving special training in administering the NYSESLAT. The ENL Coordinator reviews the most recent ELL rosters to ensure all current and eligible students are accounted for. In addition, the ENL Coordinator develops a detailed testing schedule in collaboration with the administrators and teachers. Testing windows are spaced out to prevent overlap and ensure that all students have adequate time and support. Testing windows are spaced out to prevent overlap and ensure that all students have adequate time and support. Finally, all ELLs and Former ELLs continue to receive mandated services during the testing period. ENL teachers take turns administering the test that way ENL services are not interrupted during testing. They also combine their students according to their NYSESLAT levels to ensure that the students continue receiving their services.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Our school ensures that our current and former ELLs receive the necessary accommodations for state assessments as per CR Part 154 Regulations. We also provide the necessary arrangement and accommodation by either reading the Instruction in the student language or providing human translator, and/ student receives a booklet in their home language.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Our school believes in strong partnership with parents to secure success early in the school year for all our ELLs. After the ENL department has identified students eligible for ENL services, the team informs parents or guardians of the results of the NYSITELL, ELL status, and their right to seek review of this determination. Furthermore, the team invites the parents/ guardians to a parent orientation. During parent orientation, the ENL team collects parent option to the program they want their child to participate in. In addition, letters are also sent to parents/guardians in their preferred language to notify them following: if their child continues to be entitled of ENL services, their language proficiency level or if their child has tested out but will continue to receive two more years of ENL or services that monitor and support the student's language development and academic progress.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

PS18X will ensure constant two-way communication and collaboration between families and school staff. We will work with families to construct goals, monitor progress, and support learning. Teachers will meet individually with the parents of English language learners on Tuesdays during the parent engagement sessions, furthermore, teachers inform parents of scaffolds and strategies they may utilize at home with their child via monthly newsletters. In addition to parent teacher conferences, initial parent orientations, quarterly progress meetings or other scheduled meetings. Teachers will share with parents their child's individual data results from the I-ready progress reports, the NYSESLAT, UFLI, and Acadience results which provides parents with an understanding of their child's language acquisition growth and areas of need. In addition, The ENL department and teachers utilize the ClassDojo platform to communicate with parents about their child's progress and provide them with strategies or tools they can use to increase and enhance the students' language proficiency levels at home. During meetings and workshops teachers and the Dual Language Team provide parents with continuous support on ways to assist their child's language proficiency level. These meetings will allow for parents to discuss the goals of the program, their child's language development progress, their child's English language proficiency assessment results, and language development needs in all content areas.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Our school provides opportunities for families to communicate in their prefer language. The freeconferencecall.com platform is used to communicate with all families across different languages. We also have staff with strong bilingual skills that can assist in translation. Furthermore, ClassDojo platform supports everyone in our community, with over 130 languages. The platform translates in the preferred language that parents select. This platform translates messages, and story posts from any school staff member.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

PS18x is a United Community School that develops activities that foster empowerment for families of ELLs. Our school provides a food pantry and nutritional advice for families in need. In addition, we invite parents to an event called "Coffee with the Principal" and parents/guardians share their inputs and concerns about graduation, student performances (theater, art and dance performances) , weekend activities/parent workshops, and SEL (wellness for parents). During SLT, parents who are part the committee play an active role to ensure parents of ELLs are provided with activities to foster student/family growth and development.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Our school invites and encourages parents to participate in any meeting such as SLT and PA. We invite parents using the ClassDojo platform, we send monthly Newsletter and Calendars that are in all languages and we provide a hardcopy to all students. In addition, there is a plethora of brochures and informational flyers to assist parents with nutritional facts, vision. dental/medical services for students, SEL workshops and reading partners support parents with strategies they can utilize, immigrant services, summer reading skills, health insurance guidance, environmental changes, Housing Assistance, community discounts, financial literacy for parents to empower healthy savings management and children and family treatment support services. As a community school we provide a tool box of options to parents/ guardians to overcome challenges in their lives so they can focus on helping their child succeed at school.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Our school's responsive partnerships work together to promote critical thinkers and collaborators to make a change that support the needs of our school community. Some of who are listed below...
Health and Wellness (Montefiore School Based Health Center, Stanford Harmony)
Educator Support (Positive Learning Collaborative, Bronx Borough Office of Math & Literacy)
Academic Support (Reading Partners, Vision Ed)
Out-Of-School Time (Equity Design)
Parent and Family Engagement (Food Bank for New York City Campus Pantry, Elevate Education)
Community Engagement (Community School Forum)Stem Minecraft
Vision (Helen Keller International Vision Clinic)
Health Insurance (NYC Rise, NYC Assistors)
Physical Fitness (Gift Fitness)

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

Our core beliefs entails educating a family of diverse scholars that are committed to their growth as they overcome challenges in preparation for the real world by understanding that students learn best when their teachers have prepared rigorous standards based instruction and utilize a plethora of scaffolds to differentiate according to the students language proficiency level. Students learn best when assessment is used to tailor instruction to meet students' needs. Students learn best when they are allowed to be critical thinkers, problem solvers, and collaborators. Students learn best in a balanced approach in Literacy and Mathematics and using gradual release of responsibility (workshop model). Students learn best when teachers integrate reading and writing in ELA and Mathematics. Students learn best when we build students' self-efficacy as they take ownership over their learning and are actively involved in school life. Finally, students learn best when teachers and staff acknowledge their social and emotional learning behaviors, and teachers strengthen the students skills to support healthy development and relationships. Students learn best when teachers provide opportunities for students to be immersed in a culturally responsive sustaining education framework.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

The members of the ELL Identification Team are as follows: Ms. Susan Tineo-Special Educator, Ms. Jazmin Bernal and Mrs. Aricia Centeno-Sosa ENL Educators.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

The Parent Coordinator and Ms. Jackson (Pupil Accountant) are responsible for registering students and refer to ENL teacher schedules/Ms. Tineo's schedule to assist with home language support and conduct interviews of the newly enrolled students. Moreover, they complete the HLI Survey with the parents in their preferred language to determine ENL eligibility. If students are eligible for ENL services they are administered the NYSITELL. If the student enters with an IEP the school's Language Proficiency Team (LPT) recommends eligibility to the principal who obtains approval from the superintendent. Finally, parent notification letters are sent to the parent in the parent's preferred language to notify them of their child's ELL status and results of the NYSITELL Lastly, if the student is an ELL parents are invited to the parent orientation meeting where parents are provided with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented in the parent's preferred language. In addition for continued/Former ELLs parents receive notice of continued eligibility parent letter. This letter notifies the parent the child's current language proficiency level in their preferred language in accordance to Commissioners regulations Part 154

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Anjelica Jordan

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena,** ECunneely@schools.nyc.gov
  - **Rivera Ricardo,** RRivera60@schools.nyc.gov
  - **Williams Robert.** RWilliams32@schools.nyc.gov

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school. We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Jazmin	Bernal	Teacher - Bilingual	10/30/2024	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Student Emergency Contact cards,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Surveys conducted by your school

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	21	7.19%	22	7.72%		
ASSAMESE	1	0.34%	0	0.00%		
BENGALI (BANGLA IN BANGLADESH)	1	0.34%	1	0.35%		
FRENCH	1	0.34%	1	0.35%		
ENGLISH	168	57.53%	164	57.54%		
SPANISH	96	32.88%	93	32.63%		
SONINKE	3	1.03%	3	1.05%		
WOLOF	1	0.34%	1	0.35%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Newsletter	School staff which includes parent coordinator and teachers notify through per session.
Letters from Principal	Principal has parent coordinator and teachers notify through per session
Event Letters	School staff which included parent coordinator and teachers notify through per session
IEP's	Translation & Interpretation Unit-IEP teacher will send the documents prior
Monthly Calendars	School staff which included parent coordinator and teachers notify through per session

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent Teacher	In-Person/Remote interpretation/school staff which includes school aide, teachers, parent coordinator are paid per session for translations.
Parent Engagement Tuesdays	In person/remote interpretation /school staff which includes school aide, teachers, parent coordinator are paid per session for translations.
IEP Mettings	In-Person interpretation/schools staff/ Over the phone interpretation/ over the phone interpretation IEP team will be providing translations using the language line.
Any schools event involving families	In person interpretation/ which includes school aide, teachers, parent coordinator are paid per session for translations.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

In the event of a school emergency, such as lockdown, fire, and/or student attendance, limited English proficient families re informed via notification letters, over the phone interpretation, in person interpretation school staff, and ClassDojo platform, Instagram messages, remotely and phone blast messages. If a parent has an emergency and needs to contact the school, they can do so by notification letters through their child and their teacher, in person interpretation school staff and over the phone interpretation.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

The LAC will ensure that all staff members are aware of how use the translation services and the over the phone interpretation service or virtual interpretation via the Office of Language Access (OLA). Furthermore, the LAC will make sure to remind staff of the general translated templates that can be found in the nfohub.nyced.org website. Finally, any document that needs to be translated, the LAC/staff can submit a request to OLA. The LAC will also reach out to the OLA for any extra support need it.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

All school letters and notifications (remotely or in-person) are translated into Spanish which the language of the majority of our parents speak. We also provide translated documents in low incident language, such as Arabic. These translated documents are retrieved from the Infohub/DOE website or through in house translations. Furthermore, parents that need additional assistance are contacted by telephone and support is provided based on their individual needs.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

The attendance count from the surveys and meetings, as well as an annual survey using over the phone interpretation will be utilized to gather feedback from the parents on the quality and availability of services.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Our schools has received positive feedback regarding language services. They feel comfortable and acknowledged when it comes to receiving information their child's education in their preferred language. For the next school year, we will continue to use ClassDojo and instagram, a two way multilingual family engagement platforms helping teacher and families to stay connected via text message to improve language services.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School,Saturday Academy

Total number of ELLs to be served in this program:

45

Grades to be served in this program. Select all that apply.

,2,3,4,5,1,K

Total number of teachers in this program:

2

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

2

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**
- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Description: PS 18 will conduct an ELL Institute that will focus on ELL students who are at different levels of proficiency. This institute is based on the five essential components of reading instruction as well as math instruction, and NYSESLAT test preparation which the New York City Department of Education has woven into Every Student Succeeds Act (ESSA). Every Student Succeeds Act (ESSA) provides clear opportunity for early literacy and math learning. The program/s will take place on after school Wednesday-Thursday for 2 hours and/ or 30 minutes early in mornings before school begins (K-1 grade), and Saturdays for 3 hours a day. Students are selected based on their Phonics for Reading Placement assessment, iReady data, Acadience (K-2) and NYSESLAT levels. Teacher per-session will be at cost to the Title III program. There is a total number of 45 newcomers will be

grouped heterogenously.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Rationale: The program is designed to accelerate English language acquisition for all ELLs and support their. integration into academic content areas. This program will provide domain-based instruction which includes a focus on academic language, phonemic awareness, social emotional needs, and vocabulary development for both reading and math; content-based instruction; differentiated instruction for literacy and math; and a daily instructional routine in oral language embedded in NYSESLAT.
The program will enrich the English proficiency of the participating students by allowing teachers to incorporate a balanced literacy program where whole language and related arts add strength to each other. It is a research based program that improves the oral language of students by integrating prior knowledge, vocabulary and other skills appropriate for ELLS to enrich their comprehension in reading so that they can become successful speakers, readers and writers. Another instructional approach is through the science of reading program. This additional support uses evidence based practices that emphasize systematic, explicit instruction in the foundational components of reading: such components are phonemic awareness, phonics, fluency, vocabulary and comprehension.
The students' success will be measured using NYSESLAT (EDAT report), Acadiene K-2, iReady, RALLY assessment, Stakeholders surveys from teachers, students, and families, and finally, progress monitor specific subgroups every two weeks. In addition, the Title III funds will be utilized to purchase books that will be used for NYSESLAT practice in order to provide enhanced instructional opportunities for the students. The program will provide instruction and reinforcement for the Mathematics portion of the Next Generation Learning Standards. Staff/ teachers who participate in the after school program, morning school program and/or Saturday academy program will use our existing curricular materials, which contain opportunities for enrichment as well as interventions. Additionally teachers may use Ready textbooks for both Math and Literacy, resources from EngageNY, and UFLI resources.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Subgroups and grade levels of students to be served: This upcoming year, After-school program, Saturday Academy, Morning Olympic Academy will target all of our K-5 English Language Learners. The students will be grouped according to their grade, and Language Proficiency Level. The programs will target all proficiency levels excluding those students in the commanding level.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Schedule and duration: The Title ELL funded programs include: After school program, Saturday Academy, and Morning Olympic Academy
programs. The program will take place on after school Wednesday-Thursday for 2 hours (2:30-4:30) and/ or 30 minutes early in mornings before school begins (K-1 grade), and Saturdays for 3 hours a day. The ENL Programs will begin November 17, 2025 and ending May 8, 2025.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

Language of instruction: English. Home Language supports will be made available in the form of bilingual glossaries when needed.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

Number and types of certified teachers: Two teachers certified in ENL and/or Bilingual Education will instruct students during this period. There will be Two certified TESOL/Bilingual teachers employed for the program. The Measuring Up New York ELLs (for NYSESLAT) program, UFLI, and Language Dives will be utilized during the Title III program for the per session activities.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Participating students will develop English proficiency while engaging in tasks that incorporate listening, speaking, reading, and writing. Students will use curricular materials that are currently available as part of our core program during after school. Additionally students will also prepare for the NYSESLAT using the Measuring Up New York ELA and Ready for Math workbook. The teachers will provide the students with strategies and skills, that they will be able to apply, to further support them in literacy. Materials will be at cost to the Title III funds.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Records will be stored in a binder in the main office. Records include parent letters, attendance sheets, and progress monitoring sheets/data. We will implement this program commencing November 17, 2026 . We will track student and teacher attendance as well as student progress throughout the program.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

The school's professional development will be dedicated to language acquisition in alignment with core content area instruction, including a focus on best practices for co-teaching strategies and integrating language and content instruction. All teachers of ELLS will receive training. On Mondays, staff members will receive an 80-minute block of Professional Development and on Tuesdays 35-minute block of time for Other Professional Work from September 2025 to June 2026 for ELA and Math (scaffolding strategies). This professional development will provide teachers with specific comprehensive skills development combined with practice and application in the five key areas of reading: phonemic awareness, phonics/word study, vocabulary, comprehension and fluency and instruction and reinforcement for Mathematics using communication, connections, representation, reasoning and proof and problem solving in order to provide the connections to the Next Generation Learning Standards. The ENL Coordinator attends the workshops listed below during the district ELL Liaison meetings. The coordinator turnkeys the skills and knowledge gained from the learning opportunities provided by the training sessions to the rest of the staff on Mondays, during the 80-minute block of Professional Development and on Tuesdays during the 35-minute block of time for Other Professional Work. At cost to Title III funds.

Technical support in writing the LAP
District support staff for NYSESLAT
Preparing MLLS for the ELA and NYSESLAT Assessments
Title III Technical Support
Compliance with Program Mandates for MLLs
Professional Development Institutes (UFT or District)
Unpacking the Next Generation Standards for MLLS/ ELLS
Unpacking EL and IM Curriculum for MLLS/ ELLS
Understanding the Science of Reading (Lettrs Training)
UFLI Support

These workshops have been helpful and instructional, so we will continue to prepare our ELLS' staff in preparation for the administering of the NYSESLAT during the 2025-2026 school year. Funding will not be used for these professional development activities (at no cost to Title III).

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

NYSESLAT, iReady, and RALLY assessment data as well as teacher observations will be used to conduct a needs assessment for professional learning needed to support teachers. PDs will be conducted during Monday PD times as well as embedded time during teacher team meetings.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

All teachers of English Language Learners including dual language and ENL teachers will receive the training.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Every third Monday commencing September 23, 2024 through June 16th, 2025, Bilingual Teachers and ENL teachers will meet to receive professional development for 60 minutes, from 2:20- 3:20 p.m.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Some topics include a series on:
-Differentiation and Scaffolding
-Questioning and Discussion Techniques
-Engaging Students in Learning
-Using Assessment to Drive Instruction
-Implementing language objectives
-Vocabulary
-Intervisitations/Lesson Studies
-continue unpacking EL and IM
-Letters training
-UFLII Training'

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

PD providers include administration, ENL Coordinator, and Special Education teacher (former Dual Language Teacher). PDs will be led by Dr. Lucia Buttaro from CEI. She will do a series of sessions on Literacy and Language Acquisition Strategies to support ELLs.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL

funds.

Records of teacher/facilitator attendance, agendas, and reflection/surveys will be maintained in a binder in the main office for the duration of the PD series.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

By facilitating parent workshops, we expect to fortify the parent's knowledge on various topics; such as reading strategies, math fluency, Phonemic Awareness, Financial Literacy, Career Counseling Services, Attendance, Physical Health, Multicultural meetings, and SEL support at home. Thus, parents will be more equipped to participate in their children's educative process. These parent engagement activities targeted toward parents and families of ELLs will impact higher achievement for ELLs. Parental involvement will consist of workshops presented by The Parent Coordinator and Ms. Joselyn Reyes and with support of Ms. M. Mota, Community Support for Families and Students. Parental engagement will be scheduled twice a month, from September 2025 through June 2026 from 9:00 a.m. to 10:00 a.m.

Lincoln Hospital Health Fair and Parent Workshops
Nutrition Workshops
Cancer Awareness, Diabetes, Hypertension, and other health issues
Special Education- Special Reform, Title I Chancellor's Regulations, helping your child succeed in school
Professional Development on various topics related to Chancellor's Regulations
Community topics of interest, educational trips and learning activities
Fire Safety and CPR
NYC School Accounts
NYC Kids Rise (college fund)

The Parent Coordinator, Ms. Joselyn Reyes and with support of Ms. M. Mota, Community Support for Families and Students and Agencies within the community will be providing the Parent workshops. These activities will be at no cost to Title III LEP funding.

We will notify the parents via Class Dojo, letters sent home with the students, free conference.com, REMIND and phone blast, all which will be provided in the parent's language of choice.

Translation and interpretation services will be made available during parent activities.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

We have had conversations with parents during workshops to gauge their needs and inquiries and The Community Forum. We also gathered information from parents during PTCs. Based on students needs, we designed programs to support students. We are currently assessing the needs of our parents in order to develop further sessions to support the needs of the students and parents.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Beginning in Novem, 2025 parent workshops will begin twice per month on Thursdays from 9:00- 10:00 a.m.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Parents of ELLS will engage in meetings to discuss and learn about NYS assessments (ELA, Math, and NYSESLAT) and how to support their child's language acquisition while working towards content proficiency in State assessments. Furthermore, parents will also engage in meetings to discuss and understand phonemic awareness, and how they can support at home with their child's language acquisition. We will show various strategies to help with comprehension and they are provided with both physical and digital resources to use to support their child at home, such as reading and math websites, including iReady.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Teachers, ENL Providers, and the Parent Coordinator offer activities to support families with their child's learning across various content areas, including the Illustrative Math and Expeditionary Learning platforms.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents will be notified via social media, Class Dojo, school website, and fliers from the PC. Translation provided to parents in their preferred language.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Records of the family engagement sign-in sheets and notifications will be kept with the Parent Coordinator.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)
