Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

PS 25 The Bilingual School

District Borough Number (DBN):

07X025

Grades Served:

3K - Grade 5

School Address:

811 E. 149th Street Bronx, New York 10455

Phone Number:

718-292-2995

Fax:

718-292-2997

School Contact Person:

Dionne Belderes

School Contact Person Email Address:

DBelder@schools.nyc.gov

Principal:

Raquel Pevey

United Federation of Teachers (UFT) Chapter Leader:

Joyce Johnson

Parents' Association President:

SLT Chairperson:

Alexandra Roman

Title I Parent Advisory Council Chairperson (PAC):

Felica Guardiola

Student Representative(s) Middle /High School:

N/A

Student Representative(s) Middle /High School:

N/A

Community Based Organization (CBO) Representative:

Aspira

School-Based Students in Temporary Housing (STH) Liaison:

Christian Mendoza

District Information

Geographic District:

Bronx, District 7

Superintendent:

Dr. Roberto Padilla

Superintendent's Office Address:

501 Courtlandt Ave. # 102 Bronx, NY 10451

Superintendent's Email Address:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Raquel Pevey	Principal or Designee*	
Joyce Johnson	United Federation of Teachers (UFT) Chapter Leader or Designee*	
	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Endeida Vielman	District Council 37 (DC 37) Representative (staff), if applicable	
Felicia Guardiola	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	
N/A	Student Representative (Required for middle and high schools)	
Noran Ortiz	CBO Representative, if applicable	
Kenisha Hall	Member/UFT Staff	
Modesta Santiago	Member/Parent	
Lyanne Cruz	Member/UFT Staff	
Ivette Viera	Member/Parent	
	Member	
	Member/Parent	
Ashley Martin	Member/UFT staff	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature
Raquel Pevey	Principal	
Dionne Belderes	Assistant Principal / Special Education Supervisor	
Katrina Garcia	Assistant Principal/ ENL Coordinator	
Lyanne Cruz-Ramos	SEB Teacher	
Kenisha Hall	UFT-Teacher Center Coach	
Ilda Mercado	Member	

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

VISION STATEMENT
D7 is the bridge to generational success.

MISSION
To ensure that each student graduates on a pathway to a rewarding career and long-term economic security, equipped to be a positive force for change.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

PS 25, The Bilingual School, was the first bilingual school in New York City. We have a high population of English Language Learners and Students with Disabilities, including a Horizon program for children on the Autism Spectrum. Our school serves students from many different countries and cultural backgrounds who are entitled to a high-quality education. While we are located in one of the nation's poorest congressional districts in the South Bronx, our focus at PS 25 is to ensure that every student receives the high-quality education they deserve.

We have a Community Based Organizational (CBO) partnership with the ASPIRA program, which provides our student community access to diverse enrichment programs such as math, debate, and dance clubs, along with homework support. This partnership ensures students have opportunities for growth and learning beyond the classroom.

The students' register at PS 25 is currently 451 including 3k and PreK.
The ethnic breakdown of the 451 students currently enrolled in our school is as follows:
Hispanic – 377
Native American -4
Asian - 4
Black - 29
White - 3
Multi-Racial - 1
The number of English Language Learners is 104, approximately 24.88% of the 418 students currently enrolled in our school.
The number of students with IEPs is 130, approximately 31.10% of the 418 students currently enrolled in our school.
The number of economically disadvantaged students is 391, approximately 93.54% of the 418 students currently enrolled in our school.

The number of male students is 227 and the number of female students is 191.

Briefly summarize the key initiatives your school will implement this school year.

FFor the 2024-2025 school year, we have included a sixth prep for grade teams to meet with administration, coaches, or consultants from Bank Street (for math) and EL Education (for ELA) to support pedagogical approaches and content development. This year, we transitioned our lead teachers into coaching positions. Mrs. Olea, our expert math teacher, now serves as a lead teacher and works alongside Ms. Hall to support teachers in building their math content knowledge and developing their pedagogical practices. Mrs. Martin serves as our Bilingual/Literacy Coach, Ms. Hall is the UFT Teacher Center and Math Coach, and Dr. Joyce Johnson is our Foundational Skills Coach, focusing on the implementation of the UFLI curriculum and pedagogical practices. Dr. Johnson also serves as our UFT Chapter Leader.

Additionally, we have utilized funding for two Physical Education teachers, one of whom is certified in adaptive PE and leads our Horizon ASD (Autism Spectrum Disorder) classes in the new sensory gym.

During the 2022-2023 school year, we obtained a STEM grant that allowed us to purchase 3D printing equipment, which students have used to create models as part of their project-based learning. We also purchased Z-space computers, which are augmented virtual reality systems that provide immersive and interactive learning experiences. These tools are helping to prepare our students for participation in the global economy.

Our Exploration Center has been redesigned into a cafeteria with a farm-to-table focus. Now that the hydroponic garden is complete, we have installed three cooking stations where parents, students, and teachers can prepare meals using ingredients from the garden. The main goal of this initiative is to teach and support healthier eating habits within our school community.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	3K-Pre-K	Creative Curriculum	N/A
ELA	K-5	EL curriculum	There is none at this time.
Math	3K-Pr-K	Creative Curriculum	N/A
Math	K-5	Illustrative Math	Illustrative Math Spanish

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Acadience Data (K-2) Level 1 (At Risk): 50.9% of students fall into this category, indicating a significant portion may need intensive support. Level 2 (Below Benchmark): 12.3% are approaching proficiency but still require targeted intervention. Level 3 (Benchmark): 19% are meeting grade-level expectations. Level 4 (Above	There may be a gap in using frequent progress monitoring data to inform instruction and regroup students as needed.	A systematic and consistent data review process to ensure instruction is responsive to student progress and evolving needs.

Benchmark): 17.8% are exceeding expectations.		
Acadience Data (K-2) Level 1 (At Risk): 50.9% of students fall into this category, indicating a significant portion may need intensive support. Level 2 (Below Benchmark): 12.3% are approaching proficiency but still require targeted intervention. Level 3 (Benchmark): 19% are meeting grade-level expectations. Level 4 (Above Benchmark): 17.8% are exceeding expectations.	While students are receiving practice opportunities, there appears to be a lack of structured fluency-building within a defined time frame. This may limit the development of automaticity, as students are not consistently engaging in time-bound, high-repetition activities that promote fluent decoding.	Structured and time-bound fluency instruction that builds automaticity in foundational reading skills.
I-ready ELA Data Majority Are Reading Below Grade Level 223 out of 344 students (65%) are reading below grade level: 127 students are one grade level below 63 students are two grade levels below 33 students are three or more grade levels below	-Students have limited academic vocabulary, which hinders their ability to access and comprehend complex grade-level texts. -Instruction is not consistently differentiated to meet the diverse reading levels and learning needs of students, resulting in limited access to appropriately challenging texts and tasks. -Our content-based reading curriculum limits opportunities for students to engage in explicit instruction and practice of comprehension strategies, which impacts their ability to understand and analyze texts.	-Our content-based reading curriculum limits opportunities for students to engage in explicit instruction and practice of comprehension strategies, which impacts their ability to understand and analyze texts. -Expand students' academic vocabulary to support understanding of complex texts across content areas. -Ensure instruction is differentiated to meet the diverse reading levels and learning needs of all students.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	36.8	By June 2026, 100% of K–2 teachers will participate in biweekly data meetings using a standardized protocol to adjust instruction based on progress monitoring data, resulting in 30% growth in reading proficiency, with 67% of students demonstrating mastery (Levels 3 or 4) on the end-of-year Acadience Reading assessment.
All Students	36.8%	By June 2026, the percentage of students scoring at Levels 3 and 4 on the New York State English Language Arts (ELA) exam will increase from 35% to 50%, through the implementation of explicit comprehension strategy instruction embedded within the content-based reading curriculum.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Acadience Reading Assessment

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

-Facilitate planning sessions where teachers use data to group students by skill need and plan targeted instruction.
-Provide coaching cycles focused on differentiation and cognitive rigor within small group settings.
-Use student work protocols to analyze the effectiveness of small group instruction and adjust as needed.
-Train teachers and support staff on how to use data to regroup students and adjust small group instruction.
-Monitor implementation by collecting meeting notes and tracking instructional changes made based on data

Root Cause Addressed:

This goal addresses the following root causes:

Inconsistent use of progress monitoring data to inform instruction – Teachers are not consistently using data to regroup students or adjust instruction, which limits responsiveness to student needs and contributes to stagnant growth.

Lack of structured fluency-building within foundational reading instruction – While students are receiving practice, the absence of time-bound, high-repetition fluency routines prevents the development of automaticity.

Small group instruction lacks targeted differentiation and cognitive challenge – Instructional groups are not always aligned to specific skill deficits or designed to push students toward higher-level thinking.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Launch Biweekly Data Meetings with a Standardized Protocol What: Implement a structured, biweekly data meeting schedule for K–2 teachers. How: Introduce the protocol during the first staff meeting of the year; provide a walkthrough of the data template and guiding questions. Student Impact: Instructional groups and lesson plans will be adjusted based on real-time student data.
Provide Professional Learning on UFLI Fluency Routines What: Facilitate PD sessions focused on pacing, timing, and fluency-building within the UFLI 8-step routine. How: Roll out during September PD days and reinforce through monthly coaching cycles. Student Impact: Students will engage in structured, time-bound fluency practice to build automaticity.
Conduct Instructional Walkthroughs with Feedback on Small Group Instruction What: Admins and coaches will conduct monthly walkthroughs focused on small group differentiation and UFLI fidelity. How: Use a simple observation tool aligned to the goal; share feedback in short debriefs or coaching notes. Student Impact: Students will receive more targeted, skill-specific instruction that meets their needs.
Monitor and Celebrate Student Growth What: Track progress toward the 67% mastery goal using a visual data tracker. How: Review progress at the end of each data cycle and highlight student and teacher successes in newsletters or assemblies. Student Impact: Students will be motivated by visible progress and recognition of their growth.
Create and Share Exemplar Lessons and Videos What: Identify strong classroom models and record short videos demonstrating effective fluency routines and data-driven grouping. How: Share during grade team meetings and house on a shared drive or platform. Student Impact: Teachers will replicate high-leverage practices that accelerate student growth.

Key Strategy 2 (Optional):

Integrate explicit comprehension strategy instruction into the content-based reading curriculum through targeted mini-lessons, guided reading, and scaffolded practice, with a focus on inferencing, summarizing, and identifying main ideas.

Root Cause Addressed:

This strategy addresses the root cause that our content-based reading curriculum limits opportunities for students to engage in explicit instruction and practice of comprehension strategies, which impacts their ability to understand and analyze texts. By embedding targeted comprehension strategy instruction into daily lessons, students will develop the skills necessary to access and comprehend complex grade-level texts.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Design and implement weekly comprehension strategy mini-lessons (e.g., summarizing, inferencing, identifying main ideas) aligned to grade-level standards and embedded within the content-based curriculum.
Provide professional learning for teachers on how to integrate explicit comprehension strategy instruction into content-based reading lessons, with a focus on modeling, guided practice, and gradual release.
Use formative assessments and student work analysis to monitor comprehension growth and adjust instruction, with a focus on identifying trends in student understanding and misconceptions.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Instructional walkthroughs and classroom observations will be conducted biweekly by administrators and instructional coaches using a literacy look-for tool focused on comprehension strategy instruction. Observation notes and trend data will be reviewed during ILT and grade team meetings.

Biweekly collaborative planning meetings will be used to review lesson plans and student work to ensure alignment with comprehension strategy goals. Meeting agendas and minutes will be collected as evidence of planning and instructional adjustments.

Student work analysis and formative assessments will be used to monitor comprehension growth. Teachers will collect and review student responses to comprehension tasks such as written summaries and inference questions to inform instruction.

Professional learning feedback and implementation reflections will be collected following PD sessions. Teacher reflections and implementation logs will be reviewed by the ILT to inform coaching and support.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/05/2026	Host quarterly Family Literacy Nights that model fluency routines and comprehension strategies parents can use at home.	Local public library, NYC Reads Initiative
11/10/2025	06/12/2026	Conduct bi-monthly data-sharing workshops where families learn to interpret Acadience and ELA scores and receive personalized tips to support their child.	PTA and School Community
12/15/2025	03/13/2026	Facilitate parent workshops on building reading stamina and engagement with complex texts.	District Office Literacy Team

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

These are staff or people involved in implementing the plan. Include: Instructional coaches (literacy, ELA) Data team leads or assessment coordinators K–2 classroom teachers Interventionists or reading specialists Paraprofessionals or teaching assistants supporting small groups Parent coordinators External consultants or PD providers Family/community engagement staff

Instructional Resources

Progress monitoring tools (e.g., Acadience Reading), Comprehension strategy mini-lessons, or scaffolds Data protocols/templates for instructional planning, Graphic organizers, anchor charts

Schedule Adjustments

Time for biweekly data meetings, Time for small-group instruction, Additional planning or collaboration time for teachers, and After-school or family workshop sessions

Other Resources Needed

Professional development funding Technology tools (e.g., tablets for fluency practice), Translation/interpreter services, Per-session for after-hours work, Partnership support (from CBOs or literacy organizations)

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
OORS data indicates a total of 117 incidents falling under the following codes: A33 (70 incidents), A24 (31 incidents), A36 (6 incidents), and A34 (10 incidents). A deeper investigation of these cases revealed that the majority of students and families perceived these incidents as bullying, highlighting a need for a targeted schoolwide response.	Students and families lack a clear, shared understanding of what constitutes bullying, leading to the misidentification of peer conflict, teasing, or isolated incidents as bullying. This contributes to increased reports and heightened concern around safety and peer relationships.	The school community needs a shared understanding of what bullying is and is not, along with consistent language, protocols, and preventative strategies across all grade levels. There is also a need for increased student voice, family engagement, and proactive social-emotional learning to promote respectful, safe peer interactions.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	117 incidents	By June 2025, our school will reduce incidents perceived as bullying by 30% (from 117 to no more than 82 incidents) as measured by OORS reports under codes A33, A24, A36, and A34, through the implementation of a school-wide anti-bullying initiative focused on social-emotional learning, staff training, student engagement, and family involvement.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

OORS (Online Occurrence Reporting System) Incident Reports

Enter a Key Performance Indicator

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement a school-wide anti-bullying and social-emotional learning initiative that includes explicit instruction on the definition of bullying, how it differs from peer conflict, and strategies for reporting and responding to incidents. This will be reinforced through regular classroom lessons, staff professional development, and family workshops to build a shared understanding and consistent response across the school community.

Root Cause Addressed:

This strategy addresses the lack of a clear, shared understanding among students and families about what constitutes bullying, helping to reduce misidentification of peer conflict and increase consistent, appropriate responses to student interactions.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Implement school-wide SEL lessons and build into daily Townhall opportunities for age-appropriate instruction on

bullying, conflict resolution, and empathy across grades 3K–5. These will include focused messaging, role-playing, and student-led activities that reinforce community expectations and promote respectful peer interactions.
Host family workshops on bullying prevention and SEL strategies to build home-school partnerships.
Monitor OORS data monthly to identify trends, adjust supports, and communicate updates with staff and families.
Develop and distribute a parent guide explaining the school's bullying policy, definitions, and reporting procedures in accessible language.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Progress will be monitored through multiple structures, including monthly reviews of OORS incident reports (A33, A24, A36, A34) to track trends in behavior and bullying-related incidents. Instructional leaders and counselors will conduct walkthroughs to ensure SEL lessons and Townhall activities are being implemented with fidelity. Reflections and feedback will be gathered from student focus groups and family surveys to assess the impact on school climate, student understanding of bullying, and perceptions of safety. Attendance logs for staff training and parent workshops will also be used to track participation and engagement in the anti-bullying initiative.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/12/2025	06/19/2026	Host bilingual anti-bullying workshops for families focused on recognizing, reporting, and responding to bullying and peer conflict	Partner with ASPIRA to provide family resources and facilitate sessions on social-emotional development
09/12/2025	06/19/2026	Develop and distribute a parent-friendly bullying prevention guide in multiple languages	Partner with ASPIRA to provide family resources and facilitate sessions on social-emotional development

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

PBIS Coordinator, school counselors, social workers, teachers, and ASPIRA staff will support SEL lessons, Townhall, and family workshops.

Instructional Resources

SEL curriculum materials (e.g., Second Step, RULER, or school-created content), anti-bullying videos and role-play scenarios, printed family guides, and digital communication platforms (ClassDojo, newsletters).

Schedule Adjustments

Time during daily Townhall, weekly SEL blocks, and scheduled family workshops.

Other Resources Needed

Translation services, printed family guides, student incentives, and technology for virtual engagement.

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Acadience Data (K-2) 2026 Level 1 (At Risk): 41% Level 2 (Below Benchmark): 21% Level 3	-There is insufficient time allocated for teachers to collaborate, analyze data, and plan targeted instruction, which hinders the development of	The school needs systems and protocols that ensure regular, purposeful collaboration focused on student learning outcomes. There is a need to build teacher capacity in using data to inform instruction through collaborative inquiry and planning cycles.

(Benchmark): 13% Level 4 (Above Benchmark): 25%	responsive instructional practices.	
Acadience Data (K-2) 2026 Level 1 (At Risk): 41% Level 2 (Below Benchmark): 21% Level 3 (Benchmark): 13% Level 4 (Above Benchmark): 25%	Progress monitoring systems are not fully embedded within the MTSS framework, making it difficult to track student growth and adjust interventions in a timely manner.	Teachers and support staff require training and tools to effectively collect, analyze, and respond to progress monitoring data. There is a need to establish clear protocols and timelines for monitoring student progress and adjusting interventions accordingly. The school must implement a data system that supports real-time tracking of student growth and intervention effectiveness. Leadership needs to ensure that progress monitoring practices are aligned with instructional goals and used to inform decision-making at all tiers.
Mid or Above Grade Level 6 3.6% Early On Grade Level 13 7.7% One Grade Level Below 39 23.1% Two Grade Levels Below 47 27.8% Three or More Grade Levels Below 64 37.9%	-Inconsistent Foundational Skill Development in Early Grades -Inadequate Differentiation and Targeted Small-Group Instruction -Interrupted Learning Due to Attendance -Foundational years of schooling/academics interrupted due to remote and blending learning (5th grade)	-Developing Consistent Systems to Address Learning Loss Due to Attendance and Mobility: We must implement responsive strategies to mitigate the effects of chronic absenteeism, interrupted learning, and post-pandemic learning loss—especially for students two or more grade levels below. -Reinforcing Instruction in Measurement & Data and Geometry Across All Grades: These domains show the highest percentage of students significantly below grade level. Instructional planning should integrate real-world, visual, and hands-on tasks that promote conceptual understanding and engagement. -Strengthening Foundational Math Instruction in Early Grades (K–2): To prevent compounding learning gaps, we must ensure all students develop strong number sense, spatial reasoning, and conceptual understanding in early mathematics.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	38%	By June 2025, there will be a 17% increase in the percentage of K–2 students performing at Benchmark or Above Benchmark (Levels 3 and 4) on the Acadience Math Assessment, increasing from 38% to 55%.
All Students	32%	By June 2025, the percentage of students performing at Levels 3 and 4, as measured by the New York State Mathematics Exam, will increase from 32% to 42%.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

The school will strengthen Tier I instruction across Grades 3–5 by implementing consistent, schoolwide use of high-leverage instructional practices that increase student talk, build academic language, and create opportunities for all students to access grade-level content. Teachers will incorporate explicit modeling, structured partner talk, and frequent checks for understanding to ensure that Every Minute Matters and that instruction meets the needs of students who are two or more grade levels below. This strategy will include targeted coaching cycles, progress-monitoring routines, and the strategic use of small-group instruction to accelerate growth for all learners.

Root Cause Addressed:

Insufficient time allocated for teachers to collaborate, analyze data, and plan targeted instruction
This strategy ensures dedicated, structured collaboration through MTSS-aligned data meetings and inquiry cycles.

Progress monitoring systems are not fully embedded within the MTSS framework
Embedding these systems provides consistency in tracking student progress and adjusting interventions in real time.

Lack of systems and protocols for regular, purposeful collaboration focused on student learning outcomes
This strategy prioritizes establishing clear protocols and timelines for collaboration and data use.

Need to build teacher capacity in using data to inform instruction
Teachers and staff receive targeted training and coaching on data analysis and its instructional application.

Lack of tools and training to effectively collect, analyze, and respond to progress monitoring data
Staff will be equipped with both tools and strategies to make informed, responsive instructional decisions.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Establish a schoolwide MTSS team Define roles and responsibilities for monitoring student data and coordinating interventions. Schedule regular meetings to oversee implementation and review progress.
Develop and implement a progress monitoring calendar Set specific dates for Acadience benchmark and progress monitoring assessments. Align calendar with MTSS intervention cycles (e.g., every 6–8 weeks).
Create clear protocols for collaborative data analysis Develop templates and protocols for grade teams to use during data meetings. Ensure each meeting focuses on identifying trends, grouping students, and planning targeted instruction/interventions.
Provide ongoing professional learning on data use and MTSS Train all K–2 teachers and support staff on interpreting Acadience reports and progress monitoring data. Include modeling of how to use data to group students and plan targeted instruction.
Use data cycles to adjust interventions and instruction After each assessment window, teams revise groupings, strategies, and intensity of support based on student outcomes. Reassign support staff based on need.

Key Strategy 2 (Optional):

The school will strengthen Tier I instruction across Grades 3–5 by implementing consistent, schoolwide use of high-leverage instructional practices that increase student talk, build academic language, and create opportunities for all students to access grade-level content. Teachers will incorporate explicit modeling, structured partner talk, and frequent checks for understanding to ensure that Every Minute Matters and that instruction meets the needs of students who are two or more grade levels below. This strategy will include targeted coaching cycles, progress-monitoring routines, and the strategic use of small-group instruction to accelerate growth for all learners.

Root Cause Addressed:

Inconsistent foundational skill development

Inadequate differentiation

Learning disruptions from absenteeism and mobility

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action

steps will be introduced and rolled out.

Action Steps
Launch content-specific planning cycles (e.g., Measurement & Data, Geometry) Facilitate grade team meetings focused on identifying student misconceptions, planning visual and hands-on tasks, and embedding real-world applications.
Implement targeted small-group instruction schoolwide Use i-Ready, State test data, and teacher observations to create responsive groupings for reteaching or enrichment.
Integrate unfinished learning into core instruction Develop a scope and sequence that spirals in missed prerequisite skills, particularly for students 2+ grade levels below.
Leverage Instructional Coaches and Data Cycles Support teachers with math coaches to plan lessons, co-teach, and analyze student work for immediate feedback and reteaching opportunities. Conduct regular data cycles (every 4–6 weeks) to adjust instruction and interventions.
Address Chronic Absenteeism and Learning Loss Identify students with attendance issues early and implement Success Mentor and family outreach programs. Provide targeted academic support for students who missed key units or have experienced frequent school changes.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Progress will be monitored through biweekly ILT and grade team meetings using lesson plans, student work samples, and small-group instruction logs to ensure instructional shifts are implemented. Interim assessment data (i-Ready, mock NYS exams) and progress monitoring results will be reviewed every 6–8 weeks to assess the impact of instruction on student learning and adjust grouping and planning accordingly. Classroom observations and coaching debriefs will be used to provide real-time feedback and identify needs for additional support or professional development.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/22/2025	06/22/2025	Host quarterly Family Math Nights focused on hands-on math games and strategies at home	ASPIRA, Title I Coordinator
11/03/2025	06/12/2026	Share student progress on math goals during conferences and provide actionable resources	Classroom Teachers, PTA

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Academic intervention teachers or AIS providers Instructional coaches (math, MTSS, data specialists); Special education or ENL support staff; Parent coordinators or family engagement specialists MTSS team members (for progress monitoring) Substitute coverage for data analysis or PD sessions CBO teaching artists or specialists supporting enrichment

Instructional Resources

Acadience Math Assessment system, i-Ready, manipulatives for geometry and measurement, math journals, task-based performance activities, small-group instructional toolkits.

Schedule Adjustments

Protected weekly grade team meeting time for data inquiry; intervention blocks for targeted small-group instruction; adjusted program for pull-out math intervention.

Other Resources Needed

Digital data tracking systems (e.g., Google Sheets, Illuminate) Translation services for family materials Professional development providers Technology (e.g., iPads, laptops for progress monitoring)

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
89% of ELL students are reading below grade level, with the largest number (41%) one grade level below. Domains with the	The current literacy curriculum is primarily content-driven, with a strong emphasis on thematic units and academic topics. While this supports knowledge-building, it limits the time and structure needed for explicit instruction in foundational reading skills and comprehension	There is a need to increase instructional time and focus on explicit teaching of foundational reading skills and comprehension strategies. This includes integrating skill-based instruction within the existing content-

highest need include Vocabulary, Comprehension, and Informational Text, where over 70 students are performing below grade level.	strategies. As a result, students—particularly English Language Learners—have fewer opportunities to engage in targeted skill development, which is essential for reading proficiency and long-term academic success.	driven curriculum to ensure that all students, particularly English Language Learners, have consistent opportunities to develop the literacy skills necessary for grade-level reading proficiency.
	There is limited alignment between literacy instruction and the specific language development needs of English Language Learners. Instructional materials and strategies may not consistently incorporate language scaffolds, visual supports, or opportunities for oral language development, which are essential for ELLs to access grade-level content and build reading proficiency.	There is a need to strengthen instructional practices that integrate language development supports into literacy instruction. This includes providing professional learning for teachers on scaffolding strategies, using language-rich materials, and designing lessons that support both content and language acquisition for ELLs.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
English Language Learners (ELL)	89% below grade-level	By June 2026, at least 60% of English Language Learners in grades 3–5 will demonstrate one year or more of growth in reading as measured by the i-Ready Diagnostic, compared to their Fall 2025 baseline.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

i-Ready Diagnostic

Enter a Key Performance Indicator

% of ELL students in grades 3-5 demonstrating one year or more of reading growth as measured by the i-Ready Diagnostic

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement a structured, skills-based literacy block that integrates explicit instruction in foundational reading skills and comprehension strategies within the existing content-based curriculum. This will include targeted small-group instruction, use of scaffolded materials for ELLs, and regular progress monitoring using i-Ready data to inform instruction and interventions.

Root Cause Addressed:

The current literacy curriculum is primarily content-driven, limiting opportunities for explicit instruction in foundational reading skills and comprehension strategies. This lack of skill-based focus particularly impacts English Language Learners, who require structured, scaffolded instruction to build reading proficiency.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Small Group Instruction Based on i-Ready Data (October 2025): Teachers will use i-Ready Diagnostic data to form flexible small groups and provide targeted instruction based on students' specific skill gaps, with a focus on ELLs performing below grade level.
Professional Learning on Skill-Based Instruction (August–November 2025): Provide ongoing professional development for teachers on integrating foundational reading skills and comprehension strategies into content-based instruction. Topics will include scaffolding for ELLs, using data to drive instruction, and culturally responsive teaching.
Instructional Coaching and Model Lessons (October 2025–March 2026): Literacy coaches and ELL specialists will

support teachers through classroom modeling, co-teaching, and feedback cycles to ensure effective implementation of skill-based instruction.
Progress Monitoring and Data Meetings (Quarterly): Conduct quarterly data meetings to review i-Ready results, adjust small groups, and refine instructional strategies. Teachers will track student progress toward the SMART goal and identify students in need of additional support.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Instructional Walkthroughs and Observations (Monthly):
School leaders and instructional coaches will conduct regular classroom walkthroughs using a literacy-focused observation tool to monitor the integration of skill-based instruction and scaffolds for ELLs. Evidence collected will include teacher use of explicit strategy instruction, small group differentiation, and student engagement.

i-Ready Diagnostic and Growth Monitoring Reports (BOY, MOY, EOY):
Student progress will be tracked using i-Ready Diagnostic data at three key points in the year. Growth reports will be analyzed to determine the percentage of ELL students making one year or more of reading growth.

Student Work Samples and Formative Assessments (Quarterly):
Teachers will collect and review student work samples and formative assessments aligned to targeted reading skills. These will be used to assess instructional impact and inform next steps.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/15/2025	06/25/2026	Host bilingual family literacy workshops to help families support reading at home, understand i-Ready reports, and use strategies that promote language development in both English and the home language.	Parent Coordinator, teachers, and District staff
10/10/2025	05/29/2026	Partner with community organizations to provide culturally responsive reading materials and host family reading nights that celebrate multilingualism and diverse cultures.	Parent Coordinator, teachers, and District staff

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Literacy coach to support implementation of skill-based instruction and small group planning ELL teacher and support staff to provide scaffolding and language development strategies Parent coordinator to support family engagement efforts Instructional leadership team to conduct walkthroughs and data meetings

Instructional Resources

Professional development materials focused on foundational literacy and ELL supports; Small group intervention resources (leveled texts, graphic organizers, vocabulary tools)

Schedule Adjustments

Dedicated daily literacy block for all grades

Other Resources Needed

Translation and interpretation services for family workshops

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Family participation	Families have shared that limited scheduling options make it difficult for many parents and	The school needs to offer flexible scheduling for workshops and events, provide multiple

records show low attendance at workshops and events held at a single set time.	caregivers to attend workshops and school events. Offering sessions at multiple times would make family engagement more inclusive and accessible.	formats for family engagement, and create more inclusive opportunities that consider the diverse responsibilities and availability of families.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	50	By June 2025, the school will increase family participation in workshops and events by offering sessions at multiple times to accommodate different schedules.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Offer all family workshops and events at multiple times—such as morning, afternoon, and evening—to provide flexible options that accommodate the varying schedules of working parents and caregivers.

Root Cause Addressed:

Limited scheduling options that have made it difficult for working parents and caregivers to attend workshops and school events.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Survey families to identify preferred days and times for workshops and events.
Create a workshop schedule that includes multiple time slots for each session (e.g., morning and evening)
Communicate workshop dates and times in advance through multiple platforms (flyers, ClassDojo, school website).
Provide interpretation and translation services as needed to ensure access for all families.
Track attendance by session time to evaluate participation patterns and adjust as needed.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Progress will be monitored through sign-in sheets and attendance logs for each workshop session, disaggregated by time offered. Family surveys and feedback forms will be used to assess satisfaction, accessibility, and preferences. School leaders will review participation trends monthly to determine if flexible scheduling is increasing attendance and make adjustments as needed. Staff reflections and PD attendance will be used to monitor implementation of professional learning around family engagement.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/19/2026	Offer all workshops and events at multiple times to accommodate family schedules	ASPIRA, Parent Coordinator, and School Leadership Team (SLT)
09/08/2025	05/01/2026	Collect family feedback to improve scheduling and content of workshops	ASPIRA, Parent Coordinator, and School Leadership Team (SLT)

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Parent Coordinator, ASPIRA staff, teachers, and school leaders

Instructional Resources

Family workshop materials, translated guides, and presentation tools

Schedule Adjustments

Workshops scheduled at multiple times (e.g., morning and evening) to accommodate families

Other Resources Needed

Translation and interpretation services, printed materials, technology for virtual access and recordings

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Our current YTD attendance is at 93%. STH students as a whole are at 92% YTD , however students who are identified as living in a shelter are at 88.7% YTD.	Students in Shelters are often placed in shelters that are far and are bussed in for schooling. Historically, STH students struggle to maintain positive attendance. We need to build positive supportive relationships early on in the year.	1. Meet with each family of STH students. 2. Develop an attendance action plan 3. Provide resources and support when needed.
PreK and Kindergarten are performing at the lowest YTD rate at :	Often times, students in PreK and Kinder are sick and provide proof of	1. Provide guidance to preK and Kinder families in regard to policy around providing medication in school (if needed) 2. Beginning

Kinder - 91.4% PreK - 92.6%	medical appointments at this early stage.	of the year meeting to reiterate the important of attendance. 3. Schedule ongoing attendance meetings with families who are approaching CA.
Chronic Abseentism rate is currently 22% with 86 students who are CA.	We still have students who are historically CA.	1. focus on CA students historical data, assign mentors to support 2. admin to follow up with families and hold families accountable through constant communication.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	22%	By June, 2026, the Percentage of Chronically Absent Students for All Students will decrease by 5%, from 22% to 17%, as measured by the Insight Chronic Absenteeism Reports.
Students in Temporary Housing (STH)	27%	By June, 2026, the Percentage of Chronically Absent Students for Students in Temporary Housing (STH) will decrease by 3%, from 27% to 25.9%, as measured by the Insight Chronic Absenteeism Reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Success Mentoring Program for Chronically Absent Students: The Success Mentoring Program will continue, providing targeted support based on attendance data analysis. All students who were chronically absent in the 2024-2025 school year will be invited to a mandatory meeting with a success mentor to discuss attendance goals, with a
focus on academic data and attendance percentage to date.

Root Cause Addressed:

This action aligns with Root Cause 1, which identifies the
need for early relationship building and engagement with families of students with chronic absenteeism.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Schedule Meeting
Hold meeting and develop action plan
Schedule follow up dates
Celebrate and reward family or student

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
97.5 annual review completion	A rise in newly enrolled students with IEPs—particularly mid-year transfers—required time to fully align services and ensure accurate implementation records.	IEP Development and Fidelity of Implementation

N/A		Transition Planning and Compliance
7.2	Greater Family Advocacy and Engagement As families become more informed and empowered, they are increasingly advocating for evaluations, contributing to the rise in initial referrals.	Referral Process and Equity
80.2	Despite shared training, individual staff members may vary in how they apply discipline, leading to uneven student experiences that impact perception.	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	7.2	By June 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve that there will be a decrease in the number of students who are being referred each school by a 3.2 decrease Decrease, from 7.2 to 4, as measured by information in SESIS..

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Strengthen Tier 1 and Tier 2 instructional supports and pre-referral interventions through Multi-Tiered System of Supports (MTSS) and professional development.

Root Cause Addressed:

The increase in IEP referrals is partially due to improved family advocacy and staff awareness, which, while positive, has also highlighted gaps in Tier 1 and Tier 2 instructional supports. Without consistent pre-referral interventions, students may be referred prematurely. This strategy addresses the root cause by strengthening early intervention systems and ensuring that general education supports are robust, equitable, and data-informed.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Launch a Tiered Intervention Review Protocol What: Implement a structured process for reviewing Tier 1 and Tier 2 interventions before initiating a referral. Student-Facing: Ensure students receive targeted supports and progress monitoring before referral. Staff-Facing: Train teachers and support staff on documenting interventions and using data to inform next steps. Rollout: Introduce during August PD and revisit monthly in grade team meetings.
Conduct IEP Quality Calibration Walkthroughs What: Use a rubric to review IEPs for alignment with student needs, goals, and services. Student-Facing: Ensure students receive services that are individualized and actionable. Staff-Facing: Special education team and related service providers engage in peer reviews and feedback cycles.
Facilitate Family Workshops on the IEP Process What: Host multilingual workshops to demystify the referral and IEP process for families. Student-Facing: Empower families to advocate effectively and collaboratively. Staff-Facing: Staff attend sessions to build empathy and improve communication with families. Rollout: Launch in September with quarterly follow-ups and feedback surveys.
Implement Equity-Focused Discipline Reflection Protocols What: Use student perception data to guide reflective practice on discipline and classroom management. Student-Facing: Students participate in restorative circles and feedback sessions. Staff-Facing: Staff engage in equity audits and case studies during PD. Rollout: Introduce in October with monthly reflection cycles.
Develop a Referral Decision-Making Toolkit What: Create a shared resource that outlines criteria, timelines, and supports for initiating referrals. Student-Facing: Ensures students are not prematurely referred without adequate

support. Staff-Facing: Provides clarity and consistency in referral practices across the school. Rollout: Distribute in September and review during team planning sessions.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To ensure effective implementation of key strategies and action steps, the school will use the following structures and data sources to monitor progress and impact on instruction, student learning, and achievement.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/08/2025	06/19/2026	Host quarterly multilingual IEP and referral workshops to build family understanding of special education supports.	Parent Coordinator
09/08/2025	06/16/2026	Implement a Family Support Series focused on navigating MTSS, behavior supports, and academic interventions.	Parent Coordinator

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Special Education Coordinator

Instructional Resources

EP quality rubrics and SESIS training materials to guide staff,

Schedule Adjustments

Dedicated time during weekly team meetings for IEP reviews and intervention planning.

Other Resources Needed

Referral tracking tools

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Students reading 1 or 2 levels below grade level	UFLI, Benchmark Advance Intervention, Spire, Phonics for reading	Small group; one-to-one	Afterschool	No
Tier 2	iReady Performance level 2 (Math)	Small Group intervention, iReady Toolbox Resoures	Small group	Afterschool	No
Tier 3	UFLI, Spire	Small Group intervention, iReady Toolbox Resoures	Small group	Afterschool	no

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Staff Referral OORS Reports	Restorative Circles	Small group	During the instructional day	No
Tier 3	Staff Referral Parent Referral OORS Reports	At-risk counseling 1:1 sessions	One-to-one	During the instructional day	No
Tier 2	Teacher observation, behavior tracking, or minor repeated behavior incidents	Check-In/Check-Out (CICO)	One-to-one brief daily check-ins	Before and during the instructional day	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

The school shares the essential components of MTSS with families during family workshops, parent-teacher conferences, and IEP/RTI meetings. Families are informed about the tiered levels of support and how academic, behavioral, and social-emotional interventions are provided based on student need. Communication is offered in multiple languages, and interpreters are available when needed. Progress updates are shared regularly, and families are invited to collaborate in planning and reviewing interventions for their child.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Families of students receiving Tier 2 or Tier 3 interventions will receive regular updates through progress monitoring reports, phone calls, and scheduled check-ins with teachers, counselors, or support staff. Updates will be shared in the family's preferred language and will include specific information on the interventions being used, student progress, and next steps. For Tier 3 supports, families will also be included in formal meetings to review goals, data, and adjust plans as needed.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families will be involved in the decision-making process for students receiving Tier 3 intensive interventions by participating in regular meetings with school staff to review student progress, discuss concerns, and help determine appropriate next steps. They will receive clear communication in their preferred language and will be encouraged to share input, ask questions, and collaborate on adjustments to the intervention plan to ensure it meets their child's needs.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

There are currently 72 students identified as Housing Insecure.

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Our current YTD attendance for students who are in our STH population is 92% with 25%(17 students) currently chronically absent.
Since last school year, we have had a increase of students in temporary housing.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

The Bilingual School is planning to provide book bags, uniforms, schools supplies, as well as housing and food pantry resources to the STH population. We are fortunate to have a collaboration with Columbia Universities Bank Street College. MS.Ed. a Psycho-Educational Specialist at the Center for Emotionally Responsive Practice who provides SEL professional development to teacher and SEL Teddy Bear workshops for parents for crisis and social

emotional management. The Parent Coordinator also provides families with any resources families need.

The school may also provide resources and services, as needed, from the following allowable expenditures:
1. Items of clothing and shoes necessary for participation in classes
2. Student fees that are necessary to participate in the general education program
3. Personal school supplies such as backpacks, notebooks, and remote learning devices such as internet and/or laptop/tablet
4. The acquisition of birth certificates
5. Immunizations
6. Food
7. Medical and dental services
8. Eyeglasses and hearing aids
9. Counseling services related to homeless issues that are impeding learning
10. Outreach services
11. Extended learning time (before and after school, Saturday, summer)
12. Extra-curricular activity fees
13. Tutoring services, especially in shelters or other locations where homeless students are residing
14. Parental involvement
15. Fund all or part of the homeless liaison's salary, even if that person has no Title I duties.
16. Transporting students in temporary housing to and from their school of origin.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

Our school is committed to supporting students in foster care, including those newly transitioning into the system. We ensure these students receive targeted interventions that promote both stability and academic success. Key supports include:

Immediate Enrollment and School Stability: We prioritize maintaining students in their school of origin whenever possible and facilitate immediate enrollment when transitions occur.
Dedicated Point of Contact: A designated staff member serves as a liaison to coordinate services and ensure communication between the school, foster families, and child welfare agencies.
Social-Emotional Support: Students have access to counseling, trauma-informed care, and mentoring programs to support their emotional well-being.
Academic Interventions: We provide tutoring, individualized learning plans, and regular progress monitoring to address any learning gaps.
Collaboration with Agencies: We work closely with foster care agencies to ensure students receive wraparound services and that transitions are as smooth as possible.

These efforts are part of our broader commitment to equity and ensuring that all students, regardless of their circumstances, have the opportunity to thrive.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

Behavioral and Social-Emotional Adjustment
Students in foster care often face significant challenges in assimilating into the school environment and adjusting to established behavioral expectations. Due to frequent placement changes, exposure to trauma, and inconsistent adult support, many struggle to internalize school norms and routines. This can result in difficulty following rules, forming positive peer relationships, and responding appropriately to authority figures. These behaviors are frequently misinterpreted as willful defiance rather than manifestations of underlying emotional and psychological needs.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

To address these challenges, schools must implement trauma-informed behavioral supports, provide consistent adult mentorship, and foster inclusive environments that prioritize relationship-building and emotional safety.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

The Bilingual School will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The Bilingual School's Parent and Family Engagement Policy was designed based on a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL) and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this Parent and Family Engagement Policy with Title I parents to improve the academic quality of the school. The findings of the evaluation, gathered through school surveys and feedback forms, will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.
In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
Actively involve and engage parents and family members in the planning, review, and evaluation of the effectiveness of the school's Title I program, as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
Engage all parents in discussions and decisions regarding the required Title I 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
Ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
Support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association), and the Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
Maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office;
Conduct parent workshops with topics that may include parenting skills, understanding educational accountability, grade-level curriculum and assessment expectations, literacy, accessing community and support services, and technology training to build parents' capacity to help their children at home;

Provide opportunities for parents to help them understand the accountability system (e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report);
Host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program, and the parent and family engagement requirements under Title I, Part A, Section 1116, and other applicable sections under ESSA;
Schedule additional parent meetings, e.g., quarterly meetings, with flexible times (such as meetings in the morning or evening) to share information about the school's educational program and other initiatives of the Chancellor, and allow parents to provide suggestions;
Translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The Bilingual School will further encourage school-level parent and family engagement by:

- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

The Bilingual School, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

The school provides year-long mentors and Next Generation Standards professional development opportunities for teachers in the areas of concentration for ELA and math.

Teachers attend professional development sessions provided by the District in ELA and math, as well as in other content areas of science and social studies.

Special Education workshops; ELL workshops; City-wide workshops are provided by in-school personnel and district personnel.

The school provides differentiated PD for new teachers and PD consultants provide workshops that focus on aligning the curriculum to the Next Generation Standards.

Reading and Math Grade Level planning occurs weekly, incorporating the Next Generation Standards in ELA and math, as well as in the use of remote platforms to support virtual teaching and learning.

Literacy coaches provide support in the areas of ELA and math standards and lesson planning.

Teachers collaborate on grade-level teacher teams to analyze student work and during these sessions, they learn from each other, as they identify students' strengths, areas of need, discuss potential feedback to students and determine next instructional steps.
Mentors and consultants also meet with teachers in small groups or in one-on-one meetings to deepen the teachers' skills in analyzing student work and determine feedback and next instructional steps.

The principal attends professional development provided by the city and district. The principal participates in Algebra for All PD sessions from DOE.

The school staff participates in professional development around the topics of equity and culturally responsive teaching.

Paraprofessionals will be attending professional development sessions that the city and district will be providing to specifically meet the needs of paraprofessionals to maximize their effectiveness in the classroom. Lead paras will then turnkey their learning and information with other paraprofessionals on staff.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

Pre-K teachers work collaboratively with kindergarten teachers throughout the year to share curricula and developmentally appropriate practices. Professional development activities permit teachers to be trained together while having opportunities to discuss curricula and the connections to the student needs, reviewing students' progress, including early interventions, as needed. Pre-K teachers inter-visit in kindergarten classrooms so they have an opportunity to prepare their students for the transition to kindergarten. Parent workshops and welcoming meetings support parents as their children enter the kindergarten program. Newsletters with tips for parents also help the parents help their children for a smooth transition.

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	627,894	x	ELA, Math, English Language Proficiency, Social Emotional Framework, IEP, Chronic Absenteeism
Title I, School Improvement 1003(a)	Federal	44,239	x	ELA, Math, English Language Proficiency, Social Emotional Framework, IEP, Chronic Absenteeism
Title II, Part A	Federal	35,167	x	ELA, Math, English Language Proficiency, Social Emotional Framework, IEP, Chronic Absenteeism
Title III, Part A	Federal	13,582	x	ELA, Math, English Language Proficiency, Social Emotional Framework, IEP, Chronic Absenteeism

Title III, Immigrant	n/a	n/a	n/a	n/a
Title IV, Part A	Federal	7,065	x	ELA, Math, English Language Proficiency, Social Emotional Framework, IEP, Chronic Absenteeism
Tax Levy (Fair Student Funding)	Local	3,456,828	x	ELA, Math, English Language Proficiency, Social Emotional Framework, IEP, Chronic Absenteeism

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Raquel Pevey
Assistant Principal (Where Applicable)*	Katrina Garcia
English as a New Language (ENL) Teacher*	Emely Luis
Teacher (if school has a bilingual program must be a bilingual teacher)*	Anyi Alvarez
Parent/Guardian*	Alexandra Rivera
School Counselor	Christian Mendoza
Parent Coordinator	Ilda Mercado

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

Number of ESOL certified teachers with a bilingual extension:

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

7

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

400

Total number and percentage (%) of current ELLs:

Total number and percentage (%) of former ELLs:

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE	GE	Spanish						.5	.5								1.0
TBE	SC	Spanish		.5	.5	.5	.5	.5	.5								3.0
TBE																	0
DLBE		Spanish		1	1	1	1										4
DLBE																	0
DLBE																	0
				total: 1.5	total: 1.5	total: 1.5	total: 1.5	total: 1.0	total: 1.0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

PS 25 offers both integrated and stand-alone ENL programs. Students in the ENL program receive instruction in English, with home language support as needed. The amount of ENL instruction a student receives is based on their English language proficiency level, as determined by their NYSITELL or NYSESLAT scores. These services are provided through two instructional models:

Entering and Emerging level students receive 180 minutes of integrated ENL/ELA instruction and 180 minutes of stand-alone ENL/ELA instruction per week.

Transitioning ELLs receive 180 minutes of integrated ENL/ELA instruction per week.

Expanding ELLs receive 180 minutes of integrated instruction in ELA or other core content areas per week.

In the stand-alone ENL model, students are grouped by grade and proficiency level. The number of instructional units students receive is determined by their proficiency level, and instruction is provided in small groups. The ENL teacher offers academic and linguistic support through scaffolding to build foundational language skills and help students access ELA content.

Integrated ENL:

The ENL teacher collaborates with classroom teachers to support Multilingual Learners (MLLs) during content area instruction, focusing on English language acquisition and vocabulary development. This collaboration ensures ELLs have access to the content being taught.

Integrated Model: The ENL teacher works with ELLs during content area instruction alongside classroom teachers to provide language acquisition, vocabulary development, and access to the content. ENL integrated services are delivered by TESOL-certified instructors in accordance with the required mandated minutes based on students' proficiency levels as determined by the NYSITELL and NYSESLAT assessments.

Entering and Emerging level students receive 180 minutes of integrated ENL/ELA instruction and 180 minutes of stand-alone ENL/ELA instruction per week.

Transitioning ELLs receive 180 minutes of integrated ENL/ELA instruction per week.

Expanding ELLs receive 180 minutes of integrated instruction in ELA or core content areas per week.

Commanding ELLs receive 90 minutes of integrated ENL in ELA or core content areas per week.

ENL instructors also provide translation and home language support during live instruction, using both audio and written resources. Additionally, ENL teachers collaborate with general education teachers on lesson planning and the implementation of strategies to support language development and content learning.

b. Bilingual Education (If applicable)

Transitional Bilingual Education (TBE):

Students in Transitional Bilingual Education (TBE) and Dual Language (DL) programs learn most effectively when they can transfer knowledge from their home language. Therefore, our TBE and DL programs are designed to help students develop comprehension and conceptual skills in their home language while learning English in a supportive, risk-free environment.

Home Language Instruction (HLA) is provided through Spanish Language Arts for 180 minutes per week, with an additional daily HLA period four days per week for Entering and Emerging level students. Transitioning and Expanding ELLs receive 180 minutes of Spanish HLA instruction per week, reinforced through math instruction.

Entering and Emerging level students receive 360 minutes of ENL and integrated ENL/ELA instruction per week.
Transitioning ELLs receive 180 minutes of ENL and integrated ENL/ELA instruction per week.
Expanding ELLs receive 180 minutes of integrated ENL/ELA instruction per week.
The TBE program includes English Language Arts (ELA) instruction using ENL strategies aimed at developing listening, speaking, reading, and writing skills. English language development is incorporated into ELA instruction to help students understand the form and function of the English language.

The main objective of the TBE program is to provide grade-level academic content that develops conceptual understanding and comprehension strategies. This prepares ELLs to become critical thinkers and problem solvers who can communicate and perform academically in two languages. Students in TBE classes receive their ENL and HLA instruction from their classroom teachers.

Dual Language Bilingual Education (DLBE):

Our Dual Language program follows a One-Way Dual Language model. Instruction across all content areas is delivered 90% in the target language (Spanish) and 10% in English for Kindergarten, following an 80% Spanish and 20% English model in 1st grade, a 70% Spanish and 30% English model in 2nd grade and 50% and 50% model in 3rd grade. The program includes a combination of native English and Spanish speakers, with students receiving instruction in both languages across all content areas.

The Dual Language Program is designed with the goal of achieving bilingualism, biliteracy, and biculturalism for all students. The aim is for students to attain high academic achievement in both English and Spanish. Currently, we have a Dual Language program in Pre-K, Kindergarten, 1st grade, 2nd grade, 3rd grade and we plan to expand it by adding a new grade level each school year.

This One-Way Dual Language program serves students who enter with varying levels of proficiency in both

languages. Instruction in ENL, ELA, HLA, and content areas adheres to the mandated instructional minutes for TBE and DL programs.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

Our ELLs receive services through a combination of Transitional Bilingual Education (TBE), Dual Language (DL), Integrated ENL, and Stand-alone ENL models. The number of instructional units a student receives is determined by their proficiency level, based on NYSITELL or NYSESLAT scores.

Entering and Emerging level students receive 360 minutes of ENL instruction per week.
Transitioning and Expanding level students receive 180 minutes of ENL instruction per week.
Commanding students receive 90 minutes of ENL instruction per week, as required by CR Part 154.
Instruction is provided by either a bilingually certified teacher or an ENL teacher.

Students in TBE classes are integrated and receive instruction in Spanish Language Arts and math in their home language (HL), along with the required ENL instructional component from their classroom teacher. The amount of ENL, HLA, and ELA instruction varies based on student proficiency levels but adheres to the mandated instructional minutes outlined in CR Part 154 Units of Study.

To ensure curricular alignment, bilingual teachers focus on building literacy in students' home language while supporting their English language acquisition and comprehension strategies. This approach helps students develop the academic language needed to meet or exceed the New York State Next Generation Standards.

STARS programming is designed according to the proficiency levels of all identified MLL/ELL students. ENL and TBE/DL instructional minutes in the target language (Spanish) and English are delivered in accordance with CR Part 154-2 mandated units of study for ENL and TBE/DL programs.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

In accordance with CR Part 154, we have scheduled Home Language Arts (HLA) periods into our daily schedule for TBE and BSE classes. Through read-alouds and discussions in Spanish, students have opportunities to enhance their proficiency in speaking and listening.

ENL strategies are embedded into lessons across all content areas, including ELA, to support student entry points and provide access for learners at various proficiency levels. These strategies ensure that English Language Learners (ELLs) can engage meaningfully with the curriculum, regardless of the subject area.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Our Dual Language program follows a self-contained model in which the teacher provides instruction in both English and Spanish. Students receive instruction in all content areas in both languages. ENL instructional minutes are embedded into lessons across all content areas, including ELA, to support entry points and provide access for students at various proficiency levels. These strategies ensure that English Language Learners (ELLs) engage meaningfully with the curriculum, regardless of the subject area.

The Dual Language program begins in Pre-K, Kindergarten, 1st grade, 2nd grade, and 3rd grade with plans to extend the program over at least five years. The program follows a 90/10 model in Kindergarten, 80/20 in 1st grade, a 70/30 model in 2nd grade and a 50/50 model in 3rd grade.

Our Dual Language program aims for:

Bilingualism (the ability to speak fluently in two languages),
Biliteracy (the ability to read and write in two languages),
Academic achievement equal to or greater than that of students in non-dual language programs, and
Cross-cultural competence.

Teachers maintain the separation of languages for instruction, ensuring that skills taught in each language are coordinated to maximize cross-linguistic transfer and support learning in content areas. Flexible grouping and differentiation are used to meet the needs of both native speakers and language learners. Literacy development in both languages proceeds at a sufficient pace, ensuring that students' language skills are strong enough to meet the increased academic demands of the upper grades.

b. In which language(s) is each core content area taught?

For the DL classes, all content areas are taught in Spanish at the appropriate model for the grade with a daily period of Phonics in English to develop English Language Skills. Students in our DL programs also exposed to additional English Instruction through our Music, Dance, Art, Technology and Physical Education.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

Mathematics and Science are the Core Content Areas that are taught bilingually.

Entering and Emerging Students have a minimum of 45 minutes for each content area while Transition and Expanding have a minute of 45 minutes of each content.

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

83.9% of ELLs are Newcomers.

Our teachers diligently plan for specific scaffolds for our Newcomers to access the curriculums. Our current ELA curriculum does not have a Spanish component and a team of pedagogues translated the curriculum into Spanish. ELL supports such as visuals and front-loading vocabulary is essential for our students have access to as they navigate a new language.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

0% of students are identified as SIFE students. Students are administered an entrance exam to identify strengths and areas for growth. Scaffolds are designed to provide students access to curriculum.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

0% of students are Long-Term ELLs.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

6.8% of ELLs are formal ELLs. The classroom teachers provide mandated instruction to formal ELLs. ENL teachers and instructional coaches support teachers in planning scaffolds and supports for former ELLs.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

Majority of our ELLs have 1 to 2 at risk indicators.

We have a large percentage of students who are identified as Newcomers with 12 students who scored a level 1 or 2 on the ELA state exam and 14 students who scored a level 1 or 2 on the Math state exam. 4 students scored a level 1 or 2 on the ELA exam two years in a row, showing that they made little to no progress and 3 students who scored a level 1 or 2 on the math exam two years in a row.

25 ELLs did not make sufficient ELP progress.

There are 4 students who have 6 At-Risk indicators.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

There are 7 former ELLs that scored a level 1 or 2 on the ELA states exams with 5 scoring a level 1 or 2 two years in a row.

There are 5 former ELLs that scored a level 1 or 2 on the ELA states exams with 56 scoring a level 1 or 2 two years in a row.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

Spanish in the home language of 91% of our students.

Our school community includes many pedagogues and support staff who speak Spanish fluently to support with translation. We have utilized translation services for IEP meetings to ensure accurate translation for families.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

47.3% of ELLS identify as American Indian or Alaskan Native.
3.2% of ELLS identify as Asian.
18.3% of ELLS identify as Black.
9.7% of ELLS identify as Multiracial.
5.4% of ELLS identify as Native Hawaiin or Other Pacific Islander.
16.1% of ELLS identify as White.

Our school's history prides itself in launching as the first bilingual school. We are consistently promoting biliteracy and bilingualism. We plan for and promote inclusion of all student and family background.
We educate the whole child and

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

52.8% of students met ELP sufficient progress. 47.2% of students did not meet ELP.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

Majority of students are transitioning with 26.9% of students. Within each language proficiency level most students are at least 20 points away the next proficiency level.

Students in grades 3-5 show strength in listening and speaking modalities. However, students in grades 3 and 4 show that they need support with writing.

K-2 data show that speaking and listening are strengths while Speaking in an area of need for 1st grade students.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

Students at the transitioning and expanding level are still preforming at a level 1 in the ELA exam. Most students at the transitioning and expanding level are preforming at a level 1 or 2 in the ELA exam.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

Students without IEPs are more likely to reach Commanding level (19% vs. 8% for IEP students).
Students with IEPs are more concentrated in the middle proficiency levels, with fewer at the extremes.
There may be a disproportionate outcome in English proficiency for ELLs with IEPs, suggesting a need for targeted support.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Our ELA curriculum follows the EL Education model, designed to help students, including ELLs, build background knowledge through reading, listening, and peer discussion. It teaches students to read both horizontally (making connections across texts) and vertically (analyzing within a single text for deeper understanding). Through structured discussion protocols, such as think/pair/share, students engage with one another's ideas, which provides opportunities for ELLs to develop their listening and speaking skills through collaborative discussions. The curriculum further supports students in responding to their reading, with teachers providing a toolbox of strategies to help students progress in their writing.

Our Math curriculum, Illustrative Math, is designed for students to explore math concepts independently and through pair/group practice. Students engage in mathematical thinking and share their reasoning using established protocols, promoting collaborative learning and deepening their understanding of mathematical concepts.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

We are a school that specializes in Bilingual and Special Education, and therefore, all of our teachers are teachers of Multi-Lingual Learners (MLs) and students with special needs, whom we refer to as SWANS (Students with Abilities and Novel Needs). The Instructional Leadership Team (ILT) ensures that MLs/ELLs are central to the school's instructional design by scaffolding and differentiating core instruction based on each student's English language proficiency across the four modalities, while also considering what is developmentally appropriate for their age and grade level.

Our literacy and math coaches, ENL teachers, and related service providers collaborate to differentiate instruction for multi-age classes with mixed proficiency levels and diverse needs. This ensures that research-based strategies, methods, and approaches are integrated into all content areas, as our ML/ELL students are present in every class. Students are grouped both homogeneously (in stand-alone settings) and heterogeneously (in integrated settings) to provide differentiated and targeted language instruction.

ENL teachers collaborate with classroom teachers weekly, or as needed, to differentiate ELA instruction. This includes co-planning to integrate language development opportunities, creating language-specific mini-lessons to support content learning, and tailoring instruction to meet student needs. Teachers also collaborate during team meetings to share insights on instructional modifications such as visual supports, academic language, and background knowledge building.

A key strategy involves providing daily oral language practice and engaging students through one-on-one conversations at least twice a week to support their classroom learning and language development. Teachers check in with students as needed to address immediate concerns, while also developing further resources and materials. Evidence of student mastery or progress toward mastery of specific academic language skills is collected through activities and interactive lessons.

The ILT's work focuses on strengthening Tier 1 core instruction through collaborative planning and preparation to design and deliver explicit lessons in literacy that will improve student achievement. All staff members have been trained in high-leverage practices to enhance literacy instruction, as demonstrated by the ILT's efforts. Our main foci include developing performance-based objectives with a focus on Tier 2 vocabulary words, teaching prefixes, suffixes, root words, and aligning vocabulary strategies with the Benchmark program to reinforce vocabulary taught across units.

The ILT is composed of the following members: three bilingual teachers, four special education teachers, two early childhood teachers, and two monolingual upper-grade teachers.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

We have adopted the EL Education curriculum this school year, and the instructional team has created a pacing guide for each grade to ensure that the ELA curriculum is aligned with the Next Generation Learning Standards. Each grade has a curricular guide for each module/unit of study. These guides serve as teaching tools for teachers to incorporate essential language development into core instruction, focusing on the explicit teaching of phonics, vocabulary, and cognates. The guides also provide strategies for incorporating advanced literacy skills.

Students in our TBE, DL, and ENL programs all receive instruction using our core curriculum.

Integrated Model:
ENL providers collaborate with content classroom teachers to support ELLs during whole-class and small-group instruction. The small-group instruction is part of the corrective action plan developed by both teachers to meet the academic and linguistic needs of ELLs. Literacy areas of focus are determined using multiple data sources. Both teachers analyze this data, using students' strengths, reading levels, and English proficiency levels to determine the most appropriate course of action. Lessons are designed with multiple entry points using the ELA curriculum as a resource, and scaffolds are embedded to provide students with a supportive structure to help them progress toward mastery.

Stand-Alone ENL:
In this model, the ENL teacher provides instruction to Entering and Emerging ELLs, focusing on foundational literacy skills to support second language acquisition.

TBE Model:
The TBE program provides academic content instruction in English using ENL methodologies and strategies such as

scaffolding, modeling, reciprocal teaching, discussion protocols, and questioning techniques. These strategies support comprehension through culturally responsive lessons and activities, helping students achieve the state-designated level of English proficiency for their grade. The curriculum is differentiated to address all modalities and language needs, either in Spanish or English, depending on the students' needs (HLA/NLA).

Dual Language Model:
Students in the Dual Language program receive instruction in both English and Spanish, following a 90/10 model in Kindergarten, 80/20 in 1st grade, and 70/30 in 2nd grade. These students receive rigorous instruction in all content areas and are exposed to academic vocabulary that challenges them and fosters growth beyond their comfort zone.

Additional Instructional Approaches and Methods to Foster Language Development:
Teachers in all three programs use scaffolding and supports to deepen engagement and extend students' thinking and understanding. These strategies include Total Physical Response (TPR), visuals, sentence frames, and graphic organizers. Various instructional methods, such as the Jigsaw, I See, I Think, I Wonder protocol, and KWL charts, are also used to activate schema and connect students' background knowledge to new content. When learning about a specific topic, teachers front-load vocabulary in both English and Spanish for Entering, Emerging, and Transitioning ELLs during stand-alone instruction. Supplementary texts are also used to build background knowledge.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Bilingual Certified and ENL teachers will incorporate the use of the NYSESLAT writing rubrics and align them with the EL Curriculum. This alignment will allow for the creation of student checklists, enabling students to monitor their progress as writers and helping teachers understand the connection between the writing process and the criteria for assessing ELL students' progress. The ILS protocol and tracker will be implemented to support teachers in planning individual and small group instruction through explicit instruction, guided by the EL Curriculum pacing.

TOMS (Targets of Measurement) and PLDs (Performance Learning Descriptions) will drive instructional planning and classroom instruction, considering students' diverse language proficiency levels across each modality. Teachers will use proficiency levels for each modality—rather than overall language proficiency—to plan and implement small group and individual lessons for Entering, Emerging, Transitioning, and Expanding level students. By using TOMS and PLDs, instruction will be incrementally and consistently moved through students' zones of proximal development.

At least three times a year, school leaders and ENL teachers will review and monitor ELL students' progress using i-Ready assessment results, Acadience results, and Mock NYSESLAT Writing Assessments (beginning, middle, and end of the year). Based on these triangulated results, instructional adjustments will be made, including targeted Tier 2 and Tier 3 MTSS interventions. Current data indicates that ELLs with IEPs represent a subgroup that requires the most frequent and intense interventions to close achievement gaps identified through progress monitoring.

School leaders will maintain a system for tracking and monitoring student progress, ensuring that supports and interventions are delivered with fidelity. This system will also interface with attendance records to prevent absenteeism from negatively impacting students' access to instruction. The DOE School Support Rubrics (Tier 2 and Tier 3) will be used to monitor the effectiveness of ELL policies and instructional delivery, with school leaders sharing this information with staff.

ENL teachers will analyze results from fall progress monitoring writing assessments for ELLs, determining the next instructional focus and sharing their findings with classroom teachers and school leaders. Based on this deep dive into ELL student progress using the NYSESLAT writing rubric, professional development will be provided to help teachers incorporate the ILS Tracker to support students' ability to write complex sentences. ENL teachers will also use TOMS to monitor and track ELL progress, providing targeted Tier 2 and Tier 3 interventions.

Collaboration between ENL teachers and classroom teachers will ensure coherence and consistency between Tier 1 core instruction and Tier 2/3 interventions. This collaboration will occur weekly throughout the year, with ongoing revisions to units of study and daily lesson plans. To address the progress and performance gaps for students who are both ELLs and SWDs, professional development will be provided to explore the intersection of language and learning disabilities. This training will help teachers plan and implement effective strategies to meet the dual learning needs of these students.

ENL teachers will collaborate with teacher teams to incorporate meaningful, real-world, culturally relevant materials, practices, and tasks on a daily basis. This will promote equity, inclusion, and diversity, with necessary revisions made based on student interest surveys and input from ongoing student interviews.

b. SIFE

To prepare ELLs to fully engage with academic language, we provide an individual academic plan for our SIFE (Students with Interrupted Formal Education) students. Foundational language skills are explicitly taught alongside grade-level content area academics. One-on-one instruction is developed through a pull-out model to address the academic and language deficiencies that SIFE students may bring from their home countries.

All ELLs face multiple challenges, particularly those who have recently arrived in the United States as immigrants. SIFE students often present with a lack of literacy skills. To address their academic needs, SIFE students receive targeted support through suitable instructional resources, professional development for teachers, and interventions such as RTI (Response to Intervention) and other intensive literacy programs that provide the academic intervention necessary for these students.

Resources such as the Needs Assessment—Readiness for Implementing the ELA Curriculum for SIFE with Developing Literacy, the SIFE Intake, Assessment and Diagnostics, and the SIFE Writing Screener are utilized to properly assess students from an asset-based approach, focusing on their strengths and identifying immediate next steps for in-classroom and out-of-classroom support.

c. Newcomers

We ensure that our MLL/ELL students have access to and engage with grade-level content by using curriculum aligned with the Next Generation Learning Standards. Our ELLs are taught ELA using the EL Education curriculum, supplemented by Spanish adaptive texts. Our Social Studies and Science curricula follow the NYC Scope and Sequence.

Teachers plan scaffolded instruction using ENL strategies, with a focus on language development based on each MLL/ELL student's English language proficiency. We emphasize four key areas when teaching our MLL/ELL students:

Using cognates to develop comprehension.
Incorporating language and content objectives into all lessons.

Focusing on vocabulary development.
Building background knowledge to provide access to content while enhancing students' oral language skills.

d. Long Term ELLs

Currently, we do not have any long-term ELLs. However, if any of our ELL students were to become long-term ELLs, we would implement a customized instructional program designed to accelerate their academic and linguistic abilities. Using assessment data, we would apply proven instructional practices that have been successful with other students to support their progress.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

PS 25 uses curricular, instructional, and scheduling flexibility to meet the diverse academic and linguistic needs of ELL-SWDs (English Language Learners with Disabilities) within the least restrictive environment. All ELL-SWDs are placed in accordance with the requirements outlined in their most current IEP.

Currently, we have ELL-SWDs in all of our classes, including a 4th/5th grade ICT (Integrated Co-Teaching) bilingual class. These students are supported in an ICT setting with the assistance of a language paraprofessional (alternate placement paraprofessional), providing the necessary support in their home language. This setting allows students to learn alongside their general education classmates.

ELL-SWDs are taught using our standards-aligned ELA program, with teachers differentiating and scaffolding instruction based on multiple assessment data points. Teachers triangulate the data to make informed decisions on how to provide high-quality instruction to ELL-SWDs.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Students' language proficiency levels in both languages are assessed using appropriate language assessments to determine their language needs and monitor their progress. We use our ELA assessments, along with i-Ready diagnostics for upper grades and Acadience assessments for lower grades.

English language proficiency is also assessed through standardized assessments and language proficiency tests, which help determine students' language needs and track their progress in English language acquisition.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual

Education teacher partnerships, etc.).

The weekly schedule includes a 6th-period prep, during which grade teams collaboratively plan. ENL teachers participate in these planning and data analysis sessions, providing support and collaborating with classroom teachers to ensure cohesive instructional planning.

A bilingual coach is on staff to engage teachers in coaching cycles and provide ongoing support.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Our annual professional learning plan is designed to ensure that all staff members, including administrators, teachers, and non-pedagogical staff, engage in learning that addresses the academic and social-emotional needs of Multilingual Learners (MLs) or English Language Learners (ELLs).

Needs Assessment:
The professional learning plan begins with a comprehensive needs assessment to identify areas where staff members require training and support related to MLs/ELLs. This assessment includes surveys, data analysis, classroom observations, and feedback from staff, students, and families.

Goal Setting:
Based on the needs assessment, specific goals are established to address identified areas of improvement. These goals may focus on enhancing instructional strategies, developing cultural competence, promoting inclusive practices, and effectively integrating language and content instruction.

Professional Development Topics:
The professional learning plan covers a range of topics to address the needs of MLs/ELLs, including:

Second language acquisition theories and practices
Culturally responsive teaching strategies
Co-teaching models and collaboration techniques
Differentiated instruction and scaffolding for language and content integration
Assessment strategies for monitoring language and academic progress
Strategies for creating a welcoming and inclusive classroom environment
Social-emotional support for MLs/ELLs, including trauma-informed practices
Family and community engagement strategies
Delivery Methods:
The plan incorporates a variety of delivery methods to cater to diverse staff needs and learning styles. These methods include workshops, seminars, conferences, webinars, online courses, peer observations, collaborative planning sessions, and coaching or mentoring opportunities.

Ongoing Support and Follow-up:
Ongoing support is provided as staff members implement new strategies. This includes follow-up workshops, coaching sessions, regular check-ins, and opportunities for reflection and feedback. Communities of practice or professional learning communities also create spaces for staff to share experiences and resources related to MLs/ELLs.

Evaluation and Reflection:
Regular evaluation of the professional learning plan ensures its effectiveness and allows for necessary adjustments. Feedback from staff, student outcomes, and ongoing needs assessments will inform future iterations of the plan.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

The Professional Development Committee and the Instructional Leadership Team (ILT) collaboratively design our professional development (PD) plan. Our goal is to meet the needs of our staff and subgroups while ensuring that all certified faculty members fulfill the required CTLE hours for certification renewal. We are fully aware that 50% of the total hours must be allocated specifically for ELL-related training.

We begin our planning with a needs assessment to identify specific areas where faculty members require ELL-focused professional development. This assessment includes surveys, data analysis, feedback from staff, and observations of classroom practices.

We also consider content-based needs. Based on the needs assessment, we select content and topics that align with ELL-specific professional development requirements. Examples of relevant topics include:

Second language acquisition theories and instructional strategies
Culturally responsive teaching and diverse classroom practices
Differentiated instruction and scaffolding techniques for ELLs
Language development and literacy strategies
Assessment and data analysis for monitoring ELL progress
Integrating language and content instruction effectively
Creating inclusive and supportive classroom environments for ELLs
Family and community engagement strategies for ELLs
Next, we develop our professional development calendar, outlining the timing and sequence of sessions. We also establish a system to track and document participation in ELL-specific professional development, using sign-in sheets, online registration systems, or learning management platforms.

As part of our plan, we regularly evaluate the effectiveness of the professional development program and gather feedback from participants. This feedback is used to make adjustments and improvements for future professional development opportunities.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

The screening assessments used to guide instructional planning for our ELLs include Acadience for grades K through 2nd, and the i-Ready diagnostic assessments in reading and math for all grades from Kindergarten to 5th grade. Additionally, Benchmark assessments are used for grades 3 to 5 to evaluate students' ability to restate and answer questions with at least two supporting details.

Based on Acadience and i-Ready data, we can identify the specific domains where students need support, such as phonological awareness, phonics, high-frequency words, vocabulary, comprehension of literature and informational text, number and operations, algebra and algebraic thinking, measurement and data, and geometry. We then tailor i-Ready lessons and small group instruction to address those areas where students are not performing at grade level.

The Benchmark data helps pinpoint the areas where students need the most support in responding to questions, allowing us to focus on those specific skills. Additionally, the beginning-of-year reading and math assessments provide insight into the skills and concepts students did not master from the prior grade, enabling us to provide targeted intervention supports accordingly.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

PS 25 offers a range of interventions for all ELLs in both ELA and Math, driven by multiple sources of data. Classroom teachers support ELLs at all levels of English proficiency, as well as students with disabilities (SWD) in need of academic support, through small group instruction and an MTSS (Multi-Tiered System of Supports). These services are provided to ELLs and SWD in both English and Spanish, depending on the student's proficiency levels in each language.

Newcomers, ELLs, and SWD ELLs are recommended for intervention services based on their individual needs. All ELLs may participate in before- and after-school programs, supplemental services, and the "ASPIRA" after-school enrichment program.

Newcomer ELLs: Interventions focus on building foundational skills, with an emphasis on phonemic awareness and phonics instruction.
Developing ELLs: Interventions focus on developing oral language, building academic vocabulary, and improving reading comprehension.
SWD ELLs: Interventions are tailored to their IEP goals, addressing both language and academic needs.
Former ELLs: Interventions focus on continuing to develop writing skills.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Throughout the year, we engage in school-wide data analysis, focusing on class, grade, cohort, and subgroup data. Data is triangulated to identify students who are at risk. Once identified, these students are administered an additional screener to pinpoint the specific skills that need support, helping to bridge the gap between their current performance and grade-level mastery.

Level 2 and Level 3 supports are provided based on identified skill needs and are delivered through explicit and systematic instruction.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

To assess literacy skills for our ELLs, P.S. 25 uses a range of formative and summative assessments across all learning programs to plan instruction. These include Phonemic Awareness assessments in both English and Spanish, i-Ready, Acadience, NYS Test Simulations, and Benchmark Advance and Adelante assessments. In addition, reading and writing unit-based assessments are administered.

These assessments are conducted throughout the school year and serve as benchmarks to measure progress and proficiency in relation to the Standards. We utilize weekly assessments, end-of-unit assessments, and interim assessments to continuously monitor student progress.

Once the data is analyzed, teachers create corrective instruction action plans and form targeted small groups. Teachers meet as a team to discuss patterns and trends identified through the data analysis. Additionally, student work is reviewed by the Instructional Leadership Team (ILT), who use this information to develop action plans based on individual student needs.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

Teachers use the Benchmark Adelante Assessments in the Spanish version to to assess students comprehension reading skills in Spanish. We will use the iReady Spanish Diagnostic.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

The NYSESLAT, ELA, and Math assessment results are used to evaluate the effectiveness of our programs for ML/ELL students. These evaluation results help us measure and determine the progress students are making within each program model. Additionally, we use i-Ready, Acadience, and ELA and Math Benchmark (Advance and Adelante) as summative assessments.

One of our key strengths identified through evaluation is our commitment to a student-centered approach. We continuously work toward identifying and nurturing each student's unique cultural strengths to promote achievement and foster a sense of well-being about their cultural identity.

Students are assessed using a variety of tools, including formative and summative assessments, observational notes, and portfolios of student work samples. This range of assessments, including observational data, allows ENL teachers to evaluate ELLs' language acquisition across all modalities: speaking, listening, reading, and writing. These assessments inform and guide the planning of daily small group instruction, language development lessons, and content area instruction.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

The NYSESLAT administration plan includes the ENL coordinator, nine bilingual teachers, the testing coordinator, and the administrator who oversees the Bilingual and ENL programs. The mandated providers rotate their responsibilities for administering the NYSESLAT to ensure continued compliance with the mandated instructional minutes.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

n/a

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

At our school, we prioritize the needs of English Language Learners (ELLs) and their families by providing an annual individual meeting to discuss key aspects of their language development and educational goals. These meetings are conducted in accordance with CR Part 154, which mandates such meetings.

Scheduling and Communication:
We communicate the meeting details to families well in advance, providing the date, time, and purpose. Flexible meeting times are offered to accommodate families' schedules.

Language Support:
Interpreters proficient in the languages spoken by our ELL families facilitate communication between school staff and parents. Translated materials, including meeting agendas and relevant documents, are provided in the families' native languages.

Trained Staff:
Our staff members are trained in effective communication strategies, cultural sensitivity, and working with interpreters. This training ensures staff can engage effectively with families and provide accurate information regarding students' language development and proficiency assessment results.

Individualized Discussions:

During the meetings, families have the opportunity to discuss their child's goals in the English language program, review language development progress, and understand the results of proficiency assessments. School staff explain curriculum and content area expectations, address any questions, and collaborate with families to identify language development needs across content areas. Strategies and resources to support the child's progress are also discussed.

Follow-up and Documentation:
After the meetings, all relevant information, including goals, progress, and identified needs, is documented accurately. This documentation serves as a reference for both the school and families to track progress and ensure ongoing support.

By implementing these measures, our school fosters meaningful, inclusive communication with ELL families. We aim to create a supportive environment where parents are well-informed about their child's language development and actively involved in shaping their educational journey.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

ENL and Bilingual Teachers will schedule an annual individual meeting with parents between the 2nd and 3rd parent teacher conferences.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

All flyers and communications via social media and Class Dojo are translated into Spanish, the most common home language at PS25X. Our staff is bilingual (Spanish/English) to provide support during conferences and parent association meetings.

For families who speak languages other than English or Spanish, we utilize the LTI Unit to ensure effective communication.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

We host various events to invite parents to engage with our school community and with one another. These events include literacy events, math workshops, cooking classes, art classes, and Mother's Day and Father's Day celebrations.

We send out surveys to gauge parent interest and analyze STH (Students in Temporary Housing) data to ensure we are exploring grants and other resources to provide families with the support they need for a successful school year.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Flyers and communications are sent out via backpack and social media platforms.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

At our school, we recognize the importance of culturally and linguistically responsive partnerships to support the needs of our diverse
school community. We have established the following partnerships: Community Organizations: We collaborate with local community
organizations that specialize in supporting culturally and linguistically diverse populations. These organizations offer resources, workshops,
and events that promote cultural understanding, provide information on educational rights, and assist families in navigating the school
system. By partnering with these organizations, we ensure that our families have access to the necessary support and advocacy. We
worked with World Vision, an organization that provides supplies and materials for our school community. We are

also affiliated with the
Regional Bilingual Education Resource Network, RBERN, to strengthen our bilingual education program's pedagogy. Parent-Teacher
Association (PTA): Our PTA actively works to create an inclusive and welcoming environment forall families. They organize events and
activities that celebrate diverse cultures and promote family engagement. The PTA also plays a vital role in bridging communication
between the school and families, ensuring that the needs and concerns of culturally and linguistically diverse families are heard and
addressed. For example, this year they organized events like a mother's luncheon to celebrate Mother's day and a father's luncheon to
celebrate Father's day at our school. Multilingual Staff: We recognize the value of having multilingual staff members who can directly
communicate with families in their native languages. These staff members serve as bridges between the school and families, helping to
overcome language barriers and ensuring effective communication. Their presence promotes a sense of belonging and facilitates stronger
partnerships between the school and families. Parent Education Workshops: We organize regular parent education workshops that focus on
topics relevant to our culturally and linguistically diverse families. These workshops coverareas such as navigating the education system,
understanding academic expectations, and accessing community resources. By providing this information in a culturally sensitive manner
and offering interpretation services, we empower families to actively engage in their child's education. For example, our partnership with
Art Horizons to provide Cafe con Arte workshops for our parents. Cultural Celebrations: Throughout the school year, we host cultural
celebrations and events that showcase the diversity of our school community. These celebrations allow families to share their traditions,
customs, and languages with others, fostering a sense of pride and belonging. Such events also provide an opportunity for cross-cultural
learning and understanding among students, staff, and families. By cultivating these culturally and linguistically responsive partnerships,
we aim to create an inclusive and supportive school community that values and respects the diverse backgrounds of our students and their
families.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

n/a

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Emely Luis, ENL Teacher
Yesenia Ponton, ENL Teacher
Anyi Alvarez, Bilingual Special Education Teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

The main office ensure that all new registrations requiring home languages are schedule on specific days and times so that someone from the ELL identification team is available.

A member of the identification process administered the home language. The ENL Teachers administered the NYSITELL unless a student may be considered for NYSITELL ineligibility then the LPT team will meet.

ATS updates are completed by ENL Teacher and school secretary supports with proper programming.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Katrina	Garcia	Assistant Principal 10 Month		
Emely	Luis	Teacher - Regular Grades	10/30/2024	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
FRENCH	1	0.26%	1	0.26%	0	0
MOLDAVIAN	1	0.26%	1	0.26%	0	0
ENGLISH	161	41.18%	157	40.67%	10	10
SPANISH	228	58.31%	227	58.81%	10	10

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Monthly Calendars	Team uses Google translate, Human translators or the Language interpretation unit to support
Parent Flyers	Team uses Google translate, Human translators or the Language interpretation Unit to support
IEPS	Language Interpretation Unit
Newsletters	Team uses Google translate, Human translators or the Language interpretation unit to support

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g.	How do you plan to offer interpretation services? Please outline the procedures and

parent workshops, PTCs)	resources in place to ensure timely access to interpretation for parents.
PTC	Human Translators
Parent Workshops	Human Translators
PA Monthly Meetings	Human Translators

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Lockdowns and fire announcements are communicated through Class Dojo where parents can chose their preferred language to display in the phone app.

Student attendance flyers/reports cards are translated into Spanish. If a parent requests another language, we individualize translation on a case by case basis.

Spanish is a preferred language and a translator is readily available. For all other languages, the translation unit will be utilized.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

We will allocate a Monday professional learning time to allow staff to complete the training.

The LAC will share resources via email.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Signage is displayed near the school safety agent and throughout the hallway leading to the main office.
Brochures and flyers are located near the school safety agent.
All flyers include a note that translation services is available.
Class Dojo allows for user translation features.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

During the registration process, our office staff will ensure the preferred language is noted and recorded in ATS and across platforms. We will create and share a survey in October to determine if preferred languages have changed.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Our SBST has made tremendous strides to use language assistance services during all IEP meetings to ensure accurate translations.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

60

Grades to be served in this program. Select all that apply.

,2,3,4,5

Total number of teachers in this program:

6

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

6

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Our English Language Learners require academic language development and literacy support in the areas of reading comprehension and writing in English.

Teachers will plan for differentiated instruction based on weekly data analysis of student assessments. Teachers will teach groups of students and create targeted instruction in the following areas: lessons on high frequency word recognition, word study (word-building activities and instruction in phonics and patterns of language through word-study activities).
Lessons on close reading will be provided where students will have the opportunities to engage with both literature and informational texts. Focused instruction on word meaning and key academic vocabulary prior to reading the passages to build conceptual
understanding of words will scaffold the students' access to complex texts. In addition, students will have opportunities to build their fluency by repeated reading and fluency activities. There will also be lessons focused on comprehension strategies for informational texts and literature. Instructional materials will be provided by the teachers/school and will be adapted and modified extensions of the instructional materials provided during daily classroom instruction, based on the individual learning needs of the students.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Based on the recent iReady, Acadience and Benchmark Advance Interim data, we found that our ELL students struggle with reading comprehension.
As of iReady Reading EOY, 0% of MLL in Grades 3-5 and 18% of MLL in Grades K-2 are on Grade Level for Comprehension They display a gap in the academic vocabulary needed to successfully understand grade level texts. In order to address these academic needs, we will use the data from multiple sources: i-Ready and Pre & Post writing assessments. We will use results from these data sources to target reading comprehension, writing skills through small group instruction during the Title III After School Program. The small group targeted instruction will focus on developing and building literacy through the areas of phonics, phonological awareness, high-frequency words, Tier 2 academic vocabulary, multi-meaning words, domain-specific vocabulary and terminology, comprehension of literature, and informational text (quality of language). Direct, explicit instruction in writing will also be provided to support students' capacity to craft and revise compound, complex, and compound-complex sentences, beyond the simple sentence structure (complexity of language). The language of instruction will be in English. Assessment and instruction are offered for both reading comprehension of informational and literary texts. Assessments will be administered to monitor students' writing skills.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

There will be a total of 60 students. Each teacher will teach a group of 15 students (15 students for each grade 2-5). The focus of the program will be to target Entering, Emerging and Transitioning MLL/ELLs. MLL/ELL students with IEPs will also participate.

Newcomers (0-3 years of service) and Developing ELLs (4-6 years of service) will be our target subgroups.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The after school program will be take place Wednesday- Friday for 15 weeks from 2:30-4:30.
The program will begin January 7, 2026 to April 25, 2026 for approximately 45 sessions.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

English with home language supports when necessary (ex: bilingual glossaries, visual aids, etc.)

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

There will be three bilingual common branch certified teachers, one ENL certified teacher, and one supervisor.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Benchmark Advance/Benchmark Adelante Curriculum Resources Interventions (These materials are at cost.)
UFLI Foundational Skills Program (These materials are at cost.)
NYSESLAT Writing Rubric
Decodable Texts (These materials are at cost.)

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Student records will be maintained via attendance trackers. All progress monitoring data will be maintained by the teacher via binder or identified platform. Parents will be notified via take home flyers and progress reports.

Program data will be looked at biweekly to determine next steps and supports for various groups of students.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Professional Learning sessions will be provided to our teaches in order to prepare them to teach and support our students using scaffolding strategies by the ELL coordinator. The Professional Development topics to be covered are:
~ Planning Literacy Instruction for Students acquiring a Second Language
~ Comprehension Strategies for Emergent Readers
~ Using Oral Language as the gateway to develop writing
~ Vocabulary Strategies for ELLs (Vocabulary word walls, cognate walls)
~Sound walls
In addition, teachers will use approximately 30 minutes every four weeks of their professional learning time to collectively review the data once a week. The data will support teachers with adapting individualized instruction, based on student specific needs in ELA. Professional development will be provided during contractual hours at no cost to Title III. Agendas and sign-in
sheets will be kept on file.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Professional Development will consist of learning, planning and implementing strategies to support ELLs in the four modalities: reading, writing, listening, and speaking that will support the CRSE Framework to best support our

students, academically and socially. Through professional development, staff will develop an understanding how their own biases may play a part in their understanding of how ELLs acquire academics and grow socially. Through this work, teachers will be well versed in best CRSE and teaching practices to embed into curriculum.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

All teachers who have ELLs in their classroom will receive training. This includes general education teachers who have students in their classrooms that receive ENL push-in or pull-out services. This training will serve to ensure effective supports are put in place to specifically support the ELL population in their classroom, throughout the entire day.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

The anticipated dates for professional learning will take place during the 2025-2026 school year on Mondays during contractual professional learning time from 2:20-3:20 and/or during a 6th period collaborative team weekly meeting. The Monday Professional learning sessions and grade team meetings will start September 9, 2025 and end June 23, 2026.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Topics to be covered include:
- Culturally Responsive and Sustaining Education (CRSE)
- NYSESLAT Rubrics in alignment with ELA curriculum rubrics
-Growth Mindset - asset-based approach
-Science of Reading

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Administrative team and coaching team, led by Katrina Garcia. This PD may include per session opportunities.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Attendance sheets and agenda are maintained in a binder located in the Principal's office and/or Instructional coaches office.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Workshops will be provided for families both remotely and in person, to engage families/parents in understanding how their children acquire language through speaking, listening, reading and writing. Through this series of workshops, parents will learn strategies to help their children strengthen each modality both in their native and second language.
During workshops, families will learn about the Title III program and how it will support their children's academic and emotional growth.
They will also be provided information about the ENL programs available for parents throughout the city, including ENL classes for adults and programs hosted by the NYCDOE and resources that can be provided remotely. They will also receive information about free resources for their students and themselves, such as what they can do with library cards, IDNYC benefits, Google voice numbers, the free homework helpline, etc.

Throughout the duration of the program, parents may be invited to join their children on field trips, virtually and in person (when permitted),to explore one or more of the topics covered in the elementary school programs.

Elementary school families will be invited for various shows and culminating projects as students engage in project-based learning opportunities.

Parent engagement in most cases will be at cost to provide families with necessary resources to support their child at home.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

The parent orientation will give parents and students a clear idea of what to expect from the program over the coming school year, as well as getting to know their ENL team and the resources they can use to aid in their children's learning, enrichment activities, and their communication with the school. This will equip parents with the tools they need to facilitate success for their children.
Parents will be surveyed to determine interest and need. Workshops will be designed based on the survey results.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Title III-related family meetings, events, and/or trainings will be held on Tuesdays during parent engagement from 2:50-3:30 P.M., as well as various mornings throughout the week to meet the work schedules of various families. Activities start and end between September 8, 2025 - June 26, 2026. The sessions may vary. The parent associated holds a parent meetings and workshop 1 to 2 times per month for the duration of the 10 month school year.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Topics to be covered include:
School programs available to support their bilingualism
Strategies for supporting home language development
Strategies for support new language development
City-wide resources, such as ENL classes for parents
Strategies to support CRSE

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

In School Facilitators such as the ENL Coach; Ashley Martin, ENL Teachers; Emely Luis and Yesenia Ponton, Admin; Raquel Pevey and Katrina Garcia, Bilingual/Dual Language Teachers; Lyanne Ramos, Indira Gonzalez, Anji Alvarez.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents will be notified through:
Class Dojo
PS25 APP
Emails blasts
Flyers backpacked home
Posters located at entrances/exits of school building
Monthly Parent Association Meetings

All flyers will be translated to reflect the main home languages in our school community. Language interpretation information is available for all parents and language interpretation devices are available for workshops.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

The Parent Coordinator will maintain a binder to house all documents pertaining to family engagement activities.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

$20,804.00.

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
