Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages

- Part C: Parent Communications and Engagement
- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

P.S. 30x -Wilton School

District Borough Number (DBN):

07X030

Grades Served:

Elementary 3-K -5 th grade

School Address:

510 East 141st Street, Bronx, NY 10454

Phone Number:

718-292-8817

Fax:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Dr. Keisha Green	Principal or Designee*	
Sandy Wong	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Beatriz Cruz	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Kathleen Grant	District Council 37 (DC 37) Representative (staff), if applicable	
Lloyda Bernardez	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	
N/A	Student Representative (Required for middle and high schools)	
N/A	CBO Representative, if applicable	
Zaida Ortiz	Parent	
	Teacher	
Carlos Lopez	Teacher	
Gadyra Lopez	Teacher	
Kyana Smith	Teacher	
Natasha Rivera	Parent	
N/A	N/A	
N/A	N/A	
N/A	N/A	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Mission Statement
Our mission at Public School 30x is to shape future leaders, visionaries and advocates.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

At PS 30X, we pride ourselves in building a community with teachers, students, and parents; which falls under the Elements, Supportive Environment and Strong Family-Community Ties. Some of our strengths include:
- Holding Family Events for our students and parents (Math Muffin with Moms, Data Donuts with Dads, Literacy Night, Science Night, Math Night, and Family Game Night)
- Creating and distributing monthly newsletters by grade
-Creation of a school-wide Parent Newsletter
- Teacher Leaders create After-School Enrichment Programs (dance, music, cheer, basketball, and fine arts).
- Integrating clubs during the lunch periods to expose students to various types of activities (photography, cheerleading, step, fitness, percussion, piano, basketball, science).
- Including the lower grades in both and after-school programs to enhance reading skills through Reading Alliance as well as providing a unit on "Testing as a Genre" for second grade.
-Encouraging Special Education and Dual Language teachers to participate in our after-school programs in order to best meet our Exceptional Lerners and ENLs' needs.
Enhancing student digital learning by implementing various platforms (Zoom, Teams, Google Slides, Jamboard, Peardeck,) and technological resources (e.g. iPads, SMARTBOARD, Chrome Books, MacBook's, Lenovo laptops).

Briefly summarize the key initiatives your school will implement this school year.

To support implementation of practices aligned to the Science of Reading and the recommended shifts in classroom instruction for Grades K-5 we will implement the following initiatives:

- Extend literacy blocks from 80 minutes to a minimum of 110 mins. maximum of 120 mins. to include a 30 mins of systematic, explicit phonics instruction where concepts are directly explained and skills are modeled with examples and non-examples; high levels of teacher-student interaction with corrective feedback is evident.

- Integrate the use of decodable texts for grades K-2

- Implement AIS/small group, differentiated reading instruction based on student need

- Partnership with READNYC for read write and code

Math

To support our inquiry-based approach to mathematics, encourage scholars to think, communicate, and discuss math concepts,
respect and validate others' thinking, and support students as they build a sense of numbers we will implement a 10-15 minute number talks routine at the onset of each lesson.

Social Emotional
- Implementing an evidence-based approach to teaching and discipline that focuses on engaging academics, positive community, effective management, and developmental awareness through responsive classroom morning meeting, quiet time and closing circle that includes mindfulness.
- Training for peer mediators

STEM
- Filling the need for a stronger migration towards STEM education including a technology cluster with an A+ STEM Labs specializing in mobile STEM (Science, Technology, Engineering, Math) learning platforms including Mobile STEM Lab; Robotics, Programming, 3D Printing, Science probes, Drone applications, and Pre-K STEM Labs.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	Expeditionary Learning	Frayer Model Kim Strategy
Math	K-5	Illustrative Math	Exemplars
ELA	K-2	Fundations	LETRS

ELA	PK-2	Heggerty	Ufli
ELA	K-5	iExcel	
ELA	3-5	Phonics For Reading	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
51% of the Kindergarten students were at well below/ Below benchmark. 58% of students in 1st Grade were Well Below/ Below Benchmark. 66% of 2nd Grade students were at well below/ below benchmark. The data indicates a significant need for strong foundational instruction from the very beginning. There's a	Lack of Explicitness and Systemacity, the core curriculum or its implementation may not be consistently providing explicit and systematic instruction in phonological awareness, phonics, and decoding. If these foundational skills aren't taught thoroughly and sequentially to all students, a significant portion will inevitably fall behind.	Teachers need to strengthen their knowledge of the Science of Reading, including the critical progression of phonological awareness, phonics, and decoding skills. This directly addresses the Lack of Explicitness and Systemacity" in core instruction. If teachers truly understand how reading develops and how to teach these skills explicitly and systematically (as UFLI advocates), their Tier 1 instruction will improve, preventing more students from falling behind.

consistently high percentage of students in the "Well Below" and "Below" categories across all three grades, indicating a systemic need for more effective early literacy instruction.		
Data Collection without Action" for Acadience and UFLI weekly spelling progress monitoring is a major reason why students would continue to have low foundational phonological skills in K-2. Reason: For students already identified as "Well Below" or "Below" by Acadience, core UFLI instruction alone (Tier 1) is often not enough. If targeted, intensive Tier 2 interventions using UFLI materials are not being consistently implemented for these students, or if these interventions are not sufficiently aligned to their specific Acadience-identified skill gaps.	Weak Progress Monitoring and Responsive Adjustments within Tier 2. Even when UFLI is used for intervention, if progress monitoring data isn't consistently reviewed and acted upon, teachers won't be able to determine if the specific Tier 2 intervention is effective.	Need for Support in Aligning UFLI Intervention to Precise Skill Gaps and Pacing. Create a Professional Learning Plan using Acadience Data to Drive K-2 Reading Instruction. Empower K-2 teachers to effectively use Acadience Reading data to identify student needs, plan targeted interventions, and monitor progress, leading to improved reading outcomes.
For grades 3-5 the current data shows that 3rd Grade: 30% at/above, 4th Grade: 24% at/above, 5th Grade: 17% at/above grade level. This indicates that students are not maintaining proficiency, or that the curriculum demands are increasing faster than their reading skills are developing, leading to a cumulative effect of students falling behind.	For grades 3-5 the current data shows that 3rd Grade: 30% at/above, 4th Grade: 24% at/above, 5th Grade: 17% at/above grade level. This indicates that students are not maintaining proficiency, or that the curriculum demands are increasing faster than their reading skills are developing, leading to a cumulative effect of students falling behind. Students miss out on crucial opportunities to apply decoding skills to complex texts, develop vocabulary, and strengthen comprehension strategies at the whole-group level. This can particularly impact students who are at or near benchmark, preventing them from progressing and potentially leading to regression as texts become more challenging.	Need for Enhanced Fidelity and Deeper Implementation of EL Education in Tier 1 (Especially the ALL Block). This directly addresses the "missing out on crucial opportunities" for all students to apply decoding, build vocabulary, and strengthen comprehension with complex texts. If Tier 1 instruction is not robust and consistent, more students will fall behind, regardless of interventions. This means ensuring the explicit teaching of text structures, vocabulary strategies, and comprehension strategies as intended by the curriculum. To maximize our instructional impact, we'll dedicate time to collectively unpack the modules. This process will involve collaborative backward planning, ensuring a deep understanding of each lesson's components and objectives.

Insufficient Collaborative Structures for Data Review even if some time exists, there might not be structured, regular team meetings (e.g., grade-level PLCs, data teams, WINN meetings) specifically designed for teachers to bring their progress monitoring data, share it with colleagues or specialists, and collectively problem-solve. Teachers are left to interpret complex data in isolation, which is time-consuming and less effective. Without collective intelligence, insights might be missed, and decisions about intervention adjustments are delayed or not made at all.	Absence of Clear Protocols and Agendas for Data Meetings. Meetings might occur, but if they lack a specific, recurring agenda focused on progress monitoring data, they can easily devolve into general discussions, logistical updates, or sharing individual anecdotes without actionable collective analysis. Teachers come to meetings without clear expectations of what data to bring or how it will be used, making the time unproductive for focused data review.	This means creating clear, recurring agendas for data review meetings (e.g., grade-level PLCs, intervention meetings) that explicitly outline, Which progress monitoring data (Phonics for Reading, REWARDS) should be brought. The sequence of data review (e.g., school-wide trends, grade-level trends, individual student deep dives) and Prompts for analysis (e.g., "What patterns do we see?", "Which students are not responding?", "What specific skill deficit is indicated?").
The school is not effectively supporting multilingual learners (MLLs), resulting in significant underperformance, stagnant growth, and widening gaps. Evidence of the problem includes: Last year we experienced a 39.58% increase in Level 1 MLLs in ELA, the highest jump in the district. 26.86% increase in Level 1 MLLs in Math, the second-highest in the district. Stagnant Acadience and iReady data 2024-2025 for MLLs.	There is no clear, schoolwide system in place to improve language development, differentiate instruction, or monitor MLL progress. Staff and systems are not aligned around the needs of MLLs, leading to inconsistent instruction and limited access to supports.	This means the need to align planning and teaching around the needs of MLs. More PL sessions are needed to show teachers how to plan for ML students using the NYS Standards to guide our students to success.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	11%	By June, 2026, literacy for All Students in grades 3-5 will improve, as measured by a 10% Increase, from 11% to 21%, of students scoring at or above grade level on the i-Ready Diagnostic.
All Students	40%	By June, 2026, literacy for All Students will improve, as measured by a 11% Increase, from 40% to 51% , of 11% increase on the Acadience.
English Language Learners (ELL)	66%	By June, 2026, literacy for English Language Learners (ELL) will improve, as measured by a 10% Decrease, from 66% to 56%, of percentage of students 2 or more grade levels below on the i-ready diagnostic.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

A key strategy for success in strengthening teachers' knowledge of the Science of Reading (SoR) and its impact on explicit, systematic Tier 1 instruction, particularly with UFLI, is Sustained, Job-Embedded Professional Learning with Ongoing Coaching and Feedback. Deepens Content and Pedagogical Knowledge: SoR is complex. Teachers need a deep understanding of how reading works, the progression of skills (phonological awareness, phonics, decoding), and how to explicitly teach each component. This includes the "why" behind UFLI's systematic approach.

Root Cause Addressed:

Lack of Explicitness and Systemacity, the core curriculum or its implementation may not be consistently providing explicit and systematic instruction in phonological awareness, phonics, and decoding. If these foundational skills aren't taught thoroughly and sequentially to all students, a significant portion will inevitably fall behind.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Collaborative Lesson Study & Planning: Teachers will collaboratively analyze and plan for specific UFLI lessons, focusing on integrating explicit instructional language, modeling, and opportunities for student practice that reflect a deep understanding of the targeted Science of Reading component. Increase K-2 teacher comfort and mastery in implementing UFLI Foundations' explicit and systematic instructional routines, leading to higher fidelity in Tier 1 reading instruction. Conduct initial, comprehensive professional development sessions (could be integrated with early sessions of your existing PL plan) that go beyond just "what to do" in UFLI, but explain the "why" rooted in the Science of Reading for each UFLI component (e.g., phonological awareness drills, explicit phonics instruction, decodable text practice).Bite-Sized Skill Refinement Workshops ("UFLI Unpacked")Each session focuses on

mastering one UFLI routine (e.g., "Mastering the Phonological Awareness Warm-up," "Delivering Explicit Phonics Instruction with Fidelity," "Effective Decodable Text Reading").

Key Strategy 2 (Optional):

To strengthen our school's multi-tiered system of support, we will offer a series of professional learning sessions for K-5 teachers on effectively utilizing data to inform literacy intervention and consistent progress monitoring. Explicitly teaching how to identify trends, pinpoint specific student strengths and deficits (e.g., using i-Ready diagnostic reports for grades 3-5, and Acadience/LETRS data for K-2), and linking these to foundational reading skills.

Root Cause Addressed:

Weak Progress Monitoring and Responsive Adjustments within Tier 2. Even when UFLI is used for intervention, if progress monitoring data isn't consistently reviewed and acted upon, teachers won't be able to determine if the specific Tier 2 intervention is effective. For grades 3-5 the current data shows that 3rd Grade: 30% at/above, 4th Grade: 24% at/above, 5th Grade: 17% at/above grade level. This indicates that students are not maintaining proficiency, or that the curriculum demands are increasing faster than their reading skills are developing, leading to a cumulative effect of students falling behind. Students miss out on crucial opportunities to apply decoding skills to complex texts, develop vocabulary, and strengthen comprehension strategies at the whole-group level. This can particularly impact students who are at or near benchmark, preventing them from progressing and potentially leading to regression as texts become more challenging.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide explicit professional learning sessions and ongoing coaching to K-5 teachers on how to deeply interpret various literacy data sources and effectively link data insights to specific foundational reading skills and instructional strategies. Data-to-Skill-to-Strategy Workshops: Conduct hands-on workshops where teachers bring their own anonymized student data and practice analyzing it to identify skill gaps, then collaboratively brainstorm and select precise instructional strategies and materials (e.g., specific UFLI lessons, REWARDS units, EL Education ALL Block activities)
Deep Dive: Acadience/LETRS (K-2 Focus): Conduct dedicated sessions on interpreting Acadience measures (FSF, PSF, NWF) and LETRS Screener/Survey results to pinpoint specific phonological awareness and early phonics

deficits. Link these directly to specific UFLI Foundations lessons and routines.
Deep Dive: i-Ready Diagnostic (3-5 Focus): Provide in-depth training on navigating and interpreting i-Ready Diagnostic reports, specifically focusing on domains related to phonics, fluency, vocabulary, and comprehension. Guide teachers in connecting specific i-Ready data points to advanced phonics patterns, multisyllabic word strategies (e.g., REWARDS), and EL Education comprehension scaffolds.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Instructional Rounds
Observations
Teacher teams - review data and discuss what's working or what needs to be adjusted instructionally
ILT - High Level Data -- CIC continuous improvement committee

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2023-2024 teachers reported that 64% of classroom behaviors were positive in comparison to city average71% .Data shows that 78% of teachers reported positively on social emotional learning, which means that 22% of the school is SEL illiterate	Staff can benefit from additional trauma centered PD opportunities. SEL is not prioritize by staff and therefore students lack consistent SEL opportunities.	All stakeholders are encouraged to invest in their SEL literacy, to better foster supportive environment for students social and emotional growth. Stakeholders and students are encouraged to practice ways to create trauma sensitive spaces, as well as learning ways to establish and strengthen relationships in our school community
2023-2024 data on safety and	Staff are encouraged to incorporate the	All stakeholders will encourage

school climate suggests that, 67% respondent responded positively to survey questions related to safety.52% of teachers reported positively on bullying prevention. 2024-2025 OORS report suggest that 50% of incidents occurred in classrooms. Additionally 10% of incidents were coded (A33 level 1 incident).	tools and strategies learnt from trauma trainings in their teaching approaches. Staff are encouraged to document students behavior concerns, applied interventions and outcomes. Staff can benefit from improving their communication of students unfavorable behaviors to Admin and crisis team members. Additionally, staff are encouraged to follow crisis protocols and chancellors reg, when required.	students to improve in their SEL literacy. Students and stakeholders will promote safe and supportive spaces for learning and play. Stakeholders are encouraged to utilize a person centered approach, which will better enable staff to meet students individual needs. Students will be provided the necessary tools to support the goals that students create for themselves.
Stakeholders will improve in their scheduling and time management, to receive opportunities to improve in SEL and trauma centered practices. Stakeholders will be educated on schools SEL curriculum and facilitate safe spaces to deliver SEL content to students.	Staff reported lack of opportunities to deliver SEL content. Staff reported the need for additional PD trainings on trauma sensitive teaching and classroom.	Classroom teachers and students lacked opportunities to educate and promote SEL practices in classrooms, due to the prioritization of instructional learning and interventions.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	47%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 10 Increase, in percentage of positive responses to survey questions about safety from 47% to 57%, per the Panorama Survey.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Monitor OORS reports for bathroom, hallways, and cafeteria to ensure students are safe.

Root Cause Addressed:

Having students feel safe in the hallways, bathroom, cafeteria, and school yard.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Teachers will deliver expectations of behavior for the bathroom at the beginning of the year and provide reteaches as needed.
Teachers will receive PL sessions regarding SEL learning for students.
School will deliver SEL lessons during the first 15 minutes of first period.
Students and parents will complete SEL contracts with teachers for the school year to clearly communicate behavioral expectations of PS30.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will use the Panorama survey to progress monitor. Also, safety meetings will be held to review OORS data to check whether critical areas are decreasing in the number of incidents logged.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to our 2025 June Instructional Report, as compared with NYC averages, 3rd Grade performed as follows: PS30: 40% of Possible Points NYC: 62% of Possible Points 2024-2025 Diff: -22% 2023-2024 Diff: -19% 4th Grade performed as follows: PS30: 35% of Possible Points NYC: 60% of Possible Points 2024-2025 Diff: -25% 2023-2024 Diff: -18% 5th Grade performed as follows: PS30: 33% of Possible Points NYC: 57% of Possible Points 2024-2025 Diff: -24% 2023-2024 Diff: -23%	Our school was given a new curriculum resource IM. Some of the results can be attributed to an implementation dip. However, students did not have the problem solving skills needed to navigate complex word problems. In addition, time did not allow for teachers to meet to modify or enhance lesson plans to meet the needs of all students.	Students need to understand how to solve problems and master the strategies needed to become proficient problem solvers. Teachers also need more professional development to understand the concepts of

		mathematics to better improve their pedagogy.
According to our EOY i-Ready diagnostic assessment, 15% of our students in grades K-5 were at or above grade level.	Our school was given a new curriculum resource IM. Some of the results can be attributed to an implementation dip. However, students did not have the problem solving skills needed to navigate complex word problems. In addition, time did not allow for teachers to meet to modify or enhance lesson plans to meet the needs of all students. In addition, teachers need to actively proctor the diagnostic assessments to ensure accurate data is being collected.	Students need to understand how to solve problems and master the strategies needed to become proficient problem solvers. Teachers also need more professional development to understand the concepts of mathematics to better improve their pedagogy.
According to our Acadience Data, students in grades K-2 showed an average of 59% at or above grade level.	This data is a highlight of our school. However, students in 1st grade performed the lowest at 30% at or above grade level.	Teachers should engage in intervisitation work to observe how 2nd grade is able to boost outcomes in Acadience Math.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	18%	PS30X will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scoring at or above grade level will Increase by 10% from 18% to 28%, for All Students, as measured by i-ready diagnostic.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Teachers will receive monthly professional learning by the District 7 Math Support, Bank Street, and instructional coaches to unpack units before they deliver lessons. By doing this, teachers will become more comfortable with the concepts being instructed and deliver concept based instruction.

Root Cause Addressed:

Teachers have been teaching the procedural aspect of mathematics without addressing the concepts of each mathematical strand.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Instructional coaches will provide professional learning opportunities for teachers to engage in the mathematical concepts for every unit in Imagine Learning's Illustrative Mathematics. This will allow teachers to understand the material before it is instructed to students.
Administrators will schedule time for teaches to meet with coaches on a monthly basis.
Teachers will keep a running agenda on the meetings they have had with instructional coaches.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Prior to each progress monitoring period, administration and coaches will monitor i-Ready use and progress data. Based on the data, administration and coaches will visit classrooms to see the implementation of the action plan in real time. After the beginning of the year data, coaches will place teachers into groups for support. These groups will meet during PD hours to provide differentiated professional learning sessions to meet the needs of each teacher. Also, coaches and lead teachers will provide support through lab sites for teachers to observe and implement strategies through collaborative instruction.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to recent National data , about 33% of adults are financially literate	financial literacy has not been explicitly taught in schools. In order to prepare our students for the challenges of the real world, it is important for them to have an understanding of the 4 pillars of financial literacy: debt, budgeting, saving, and investing. I addition, the only time students	Student need explicit instruction on financial literacy to be prepared for rigor

	are exposed to the concept of money is in the second grade with standard Ny-2.MD.8a and 8b.	of budgeting, spending, and most important saving money.
As per the College and career Readiness survey, the data communicates that 60% of grade 3-5 students, which constitutes about 120 students have aspiration to attend college or university	There are some parents that are not informed about college and career-readiness. This includes: The different opportunities available for students and families to afford higher learning. The multiple pathways in education to earn college degree and professional degrees. The availability of language supports and assistance so everyone can be informed about learning on the higher levels, Higher learning is available and is a right for all students to be able to apply and attend. The knowledge of the different avenues of study, the different types of careers that are aligned to different subject area, and areas of need in the future with respect to the global economy.	Increase college and career Readiness for students and parents. Increase to overall number of students that attend school and work with long-term goal of going to college or university.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	0	By June 2026, 100% of K-5 students will have demonstrated knowledge in financial literacy, from 0% to 100% as measured by an internal survey.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

the key strategy and progressive steps our school will take to address will be to introduced our fifth grade will receive instruction on financial on Saturdays
Parents will have a monthly financial literacy workshop to discuss items such as (bit not limited to) opening a saving account, how to save for college , the different types of saving products that increase in value over time.

Introduce Career Awareness Early
Career exploration activities:

Invite guest speakers from various professions.Host career days or virtual field trips.

Include career-themed classroom libraries.
Highlight real-world connections: Show how classroom learning relates to different careers (e.g., how scientists use math, or how writers shape stories in media).
Develop “Soft Skills” and Work Habits
Teach and model:

Time management

Goal setting
Collaboration
Persistence and grit
Communication skills
Use tools like classroom jobs, team projects, or reflection journals to build these habits.

Involve Families and Communities
Help families understand the importance of:

Saving for college early (e.g., 529 plans).
Supporting homework and reading at home.
Attending school events related to college/career readiness.
Partner with community organizations to provide mentoring, enrichment, and exposure to different professions.

Root Cause Addressed:

Limited knowledge of financial literacy
parent engagement in financial literacy

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Conduct a needs assessment by surveying teachers , students, and parents to identity current understanding and gaps in financial knowledge
form a financial literacy committee to oversee the program's development and implementation
develop a comprehensive timeline, a roadmap for success that breaks each action steps into smaller task with specific deadlines, providing a clear and structured path for the programs development
create or select curriculum materials ,design, lesson plans, worksheets, interactive activities, and digital resources tailored to different grade levels and align them our school goal
Collaborate with financial education experts to create age- appropriated curriculum for each grade

Key Strategy 2 (Optional):

Establish assessment criteria by developing or updating rubrics and assessment tools to measure students' understanding and progress in financial literacy.
Conduct regular assessments to track student progress and adjust teaching strategies as needed.
Review the program's implementation regularly, gather feedback from teachers and students, and make necessary adjustments to improve its effectiveness.

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/26/2026	Host a parent meeting to open 529 savings accounts for college savings	D7
09/08/2025	06/26/2026	Host a parent meeting about investing in money markets	D7

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on the 2025 Register Projections in ATS, there is a	Some families are considering moving out of NYC and some are	Increase student enrollment

decrease of student enrollment for the school year 2025-2026.	options to enroll their children in Charter Schools.	
Scores on major assessments show decreased proficiency across grades 3-5 based on the June Instructional Report	Practice of work outside the classroom	Provide homework resources on Google Classroom, host additional parent workshops for Math and ELA to help support HW

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	367	By June, 2026, PS 30 will have Increased enrollment by 43 students, from 367 to 410, as measured by RADP.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Engaging families through school brand.

Providing multiple translations for documents based on the RPOB (language data in our school).

Reaching out to community organizations to collaborate on recommending our school for enrollment.

Inviting parents to be involved in the classroom activities (ie., read aloud and activities)

Bridging the community to the school by creating opportunities to connect academics to local community gardens and pantry

Encourage student interest in taking care of the environment and the neighborhood

Supporting families with homework resources and provide parent engagement times to answer questions related to their students' academic progress outside of the PTC times.

Root Cause Addressed:

Not enough students enrolling on our school.

Losing student enrollment to local charter schools.

Some families are leaving the neighborhood (ie., shelters and family changes or financial situations that result in moving out of the neighborhood or out of state)

Some families want more academic rigor for their student

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Create a flyer advertising our school and translating them using the Language Translation Team.
Connect with local organizations that support parents and families and create a partnership with them.
Host monthly workshops using the CBOs we have partnered with.
Host orientation meetings for parents in August to explain the expectations of PS30X
Develop a "street team" to encourage recruitment of students to our school
Implement classes that engage students in 21st Century interest (Coding, AI, Podcasting, Robotics, and Sustainability initiatives.
Highlight the extra curricular (enrichment) academic supports and the academics related enrichment programs in place during the school day (ie., Breakfast Club, Trout in the Classroom, Billion Oyster Project, and Hydroponic gardening).
Develop strong interaction and connections with families to update them on student progress multiple times in the school year.
Host monthly school tours to encourage families to see the Classroom in Action and encourage families to enroll their children in our school
Reach out to families in local daycare to provide a pipeline into our 3K/Pre-K
Highlight homework support in the after-school program

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action

steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The RADP will be reviewed on a weekly basis to ensure that students are enrolling in our school and not being discharged.

Priority 5 Family and Community Engagement

Family and Community Engagement

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement a Tiered Attendance System (MTSS for Attendance)

Tier 1 – Universal (All Students) and Tier 2 – At Risk (90.1%–94.9% Absence)

Root Cause Addressed:

Lack of understanding for family on what it means to be CA. Behavioral avoidance (avoiding academic frustration or anxiety or social-emotional challenges. Students not feeling seen, celebrated, or valued.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Personal phone call for every day that the child is absent to find how why the student is absent and offering support to bring student in. Personal visit/check in with student after 2 consecutive absences.
Clear communication to families about the 18% chronic absence threshold and monthly report cards and attendance mentor that track patterns (Mondays, Fridays, etc).

Strong morning arrival routines that promote belonging.
Monthly attendance celebrations (class and individual recognition).
Attendance improvement plan with family partnership

Key Strategy 2 (Optional):

Tier 3 – Chronically Absent (80%-90%) and Tier 4 Severly Chronically Absent (Below 80%)

Mandatory attendance conference with family.

Individualized attendance success plan.

Referral to counselor or community-based supports if needed.

Bi-weekly monitoring and progress review.

Root Cause Addressed:

Behavioral avoidance (avoiding academic frustration or anxiety or social-emotional challenges. Students not feeling seen, celebrated, or valued.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Mandatory attendance conference with family.
Individualized attendance success plan.
Referral to counselor or community-based supports if needed.
Bi-weekly monitoring and progress review.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Weekly Attendance Data Meetings

Structure:

- Standing weekly grade-level attendance review meetings

- Bi-weekly leadership team attendance review

Data/Evidence Collected:

- Daily/Weekly attendance rate by grade and subgroup

- Percentage of students at Tier 1- 95% Satisfactory and above and Tier 2 (At-Risk 90.1%-94.9%) Tier 3- (Chronically Absent 80%-90%) and Tier 4 Severely Chronically Absent (Below 80%) thresholds

List of students newly identified as Tier 2 or Tier 3

Outreach logs (calls, conferences, home contact attempts)

Consecutive absence tracking

Indicators of Success

Reduction in students crossing the Tier 3 threshold

Increased percentage of students improving from Tier 3 to Tier 2 or Tier 1

Improved weekly attendance averages

Improved academic performance among previously chronically absent students

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Provide ongoing access to IEP development resources and professional learning for all staff.

Root Cause Addressed:

Strengthen staff capacity to engage in IEP development, focusing on alignment of IEPs across the PLOP (present level of performance), goals and recommended programs and services, through professional learning.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Professional Learning Workshops one time per month
Email reminders of Upcoming IEPs beginning 1-2 months in advance, and followed biweekly
Provide office/mentoring hours for teachers in need of additional support on a daily basis
Share resources for teachers to utilize as reference
Goal-progress monitoring template
Ensure key staff attend IEP development professional learning

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
06/09/2025	06/09/2026	Arrange Welcoming Discussions with the SE liaison/ SIT team and New Families, Provide school tours, Engage Teachers and Related Service Providers in "Meet & Greet"	NA
09/03/2025	06/09/2026	Schedule Learning Walks and/or classroom visits with parents to promote partnerships in student's growth and success.	NA
09/03/2025	06/09/2026	Provide Parent Workshops and meetings that are accommodating to families' schedules to ensure participation in their child's IEP development.	NA

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Special Education liaison, Special education teachers, Related Service providers, MTS support staff, Psychologist, Social worker, School Counselor, Administration, School Nurse, and ParaprofessionalsSpecial Education Liaison, Programmer, ENL Provider, RS providers, SIT team / Suggestions for using human capital include: • Forming grade level teams to develop themes and curriculum integrated projects to support the themes. • Utilizing lead teachers, literacy/math coaches, assistant principal etc. to more intently support and work with staff in XXXX. • Assigning teachers to work at risk students in a co-teaching class setting, reduced class size, etc. • Conducting curriculum meetings to develop instructional goals in subject areas • Identify and schedule lead teachers to provide classroom demonstrations and modeling • Identify and schedule SPED Liaison to provide Quality IEP reviews prior to finalization and develop IEP writing skills of colleagues

Instructional Resources

UFLI, Phonics for Reading, Sound Sensible, SPIRE, Decodable books, word cards and/or word rings, magnetic letter tiles / Academic (specialized instruction/core and supplementary curriculum, tiered intervention programs-specialized reading interventions -SPIRE/O.G./Wilson/Rewards, etc.) Evidence/Research -Based High Leverage Practices for Special Education Behavior (PBIS, SEL programs and supports – Sanford Harmony, Restorative Circles, TCIS/LSCI, Ladder of support, tiered support strategies, etc.,) Transition (SDMLI, ZITSD, Vocational Interviews, Interest Surveys, age & developmentally appropriate transition assessments, Employability Profiles, Career Plans etc

Schedule Adjustments

IEP meetings, teacher coverages, monthly walk-throughs, parent workshops / Programmer, SIT Meetings, SPED Department Meetings, Educational Benefit review cycles for students of concern Schedule and provide time for : • Cross functional planning during the school day • Departmental common planning time • Classroom intervisitation peer support and modeling • Departmental/grade level meetings to share best practices, and mentor support • Cross functional assessment reviews/ data-talks/lesson studies • Coverage for absentees and for PD Programmer - Liaison meetings to address SESIS-STARS linkage issues

Other Resources Needed

Parent Coordinator, newsletters, monthly calendars, DOJO. / Programmer, SIT Meetings, SPED Department Meetings, Educational Benefit review cycles for students of concern Schedule and provide time for : • Cross functional planning during the school day • Departmental common planning time • Classroom intervisitation peer support and modeling • Departmental/grade level meetings to share best practices, and mentor support • Cross functional assessment reviews/ data-talks/lesson studies • Coverage for absentees and for PD Programmer - Liaison meetings to address SESIS-STARS linkage issues

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 3	iReady ELA bottom 10% of class	Wilson	one-to-one	during school	NO
Tier 2	IPA (initial placement assessment)	SPIRE	small group	during school	NO
Tier 2	Weekly and/or biweekly progress monitoring assessments	UFLI intervention	small group	during school	NO
Tier 2	Acadience and iReady Data	UFLI, Phonics for Reading	small group	during AIS period	NO
Tier 2	Acadience and iReady Data	Sound Sensible	small group	during school	NO

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Student survey	SEL Learning	Small group	During School	No
Tier 2	Child Study Team & SIT team	At-risk counseling	Small group	During School	no
Tier 3	Child Study Team & SIT team	One-to-one counseling	one-to-one	During school	no

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

PS 30x, Wilton School will support parents and family members of MTSS students by:

• providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology

• providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children

• fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress

• providing assistance to parents in understanding City, State and Federal standards and assessments

• sharing information about school and parent related programs, meetings and other activities

• providing professional learning opportunities for parents with school staff in attendance to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Families receive updates by:

conducting parent-teacher conferences each quarter during which the individual child's achievement will be discussed as well

• arranging additional meetings at other flexible times, e.g., morning, evening and

• providing information related to school and parent programs, meetings and other activities is sent to parents of participating children

• involving parents in the planning process to review, evaluate and improve the existing intervention and services

• providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Parents are included in the planning process to review, evaluate and improve the existing intervention and services.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

total number of STH population = 92 students,

doubled up = 56 students,

shelter = 20 students,

hotel = 2 students,

transition/permanent housing = 12

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Based on current data, attendance has improved for our STH population.

The implementation of SEL instruction (Sanford Harmony) and supports has helped improve behaviors in our STH population.

Current iReady data shows progress in ELA and Math for our STH population.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Our STH population will receive academic supports in Reading, Writing, and Math, as well as, enrichment activities by trained staff members (based on funding/grants).

STH students will be provided with uniforms, school supplies (book bags, notebooks, etc),. They will also receive small group, 1:1 services from our STH Social worker. STH families will have access to free nutritious food from our Food Pantry.

STH students will also be encouraged to attend one of our Afterschool programs to provide additional educational opportunities so as to encourage the students to attend school more often.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

Currently we have a total of 3 foster children in our school building. Students are receiving weekly counseling from BTG social worker to address displacement, adjustment and behavioral concerns. Student receives transportation, SEL, and tutoring when needed. Students are constantly being monitored to ensure that students are not struggling with their attendance or instructional learning.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

Students who are identified as foster care are immediately connected with a social worker or guidance counselor. SW introduces extracurricular, and academic supports to promote stability and success.

SW conducts weekly check-ins with foster care parent to address any presenting concerns and provide resources and supports as needed.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

Immediately after student is registered in our school building, staff coordinates with our district foster care coordinator for support and resources. SW and guidance ensure that there aren't any transportation barriers, by ensuring that student has reliable means to commute to school. SW ensures that family is receiving counseling in home to address any displacement, attachment disruption and adjustment concerns. Teachers and staff are trained in trauma informed practices to promote safe spaces, consistent, and authentic interactions with our foster care population.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Foster care students receive social emotional learning in class and during their weekly counseling sessions with guidance or social worker. SEL promotes a safe and welcoming space, where students feel safe to communicate their needs and wants. Students are encouraged to request help whenever they are struggling academically. PBIS fosters continuous growth and success in our students.

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

Morning Clubs (basketball, soccer, zumba, healthy breakfast club, etc.) will be offered before the start of school day to improve student attendance.

Afterschool and Saturday Academy will offer small group math, reading, and writing instruction based on students' needs (data) and enrichment programs (football, cheerleading, coding, yoga, art, martial arts, crochetting, etc.).

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

A school posting will be created for interested teachers to apply for ELT instruction.

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

The Curriculum Team has created a pacing calendar that is available to all staff members. ELT teachers will plan lessons focusing on the standards and skills addressed during the regular school day.

Provide a description of the materials purchased to support implementation of ELT.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. PS 30X The Wilton School, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

PS 30x, Wilton School will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

Public school 30-Wilton, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

07X030s Professional Development for Math will focus on developing teachers content knowledge so that:
1.Teachers can plan and execute both rigorous and engaging lessons that address the needs of all learners in the classroom
2.Teachers can develop and implement cognitive tasks that challenge all students.
3.students can develop a deeper understanding of the mathematical concepts within each unit of study
4. * Teachers can utilize Questioning and Discussion techniques to engage students in mathematical discourse

07X030s Professional Development for Reading/ELA will focus on develop teachers content knowledge so that:
1.Teachers can plan and execute both rigorous and engaging lessons that address the needs of all learners in the classroom
2.Students can develop a deeper understanding of the skills and habits required to be successful readers
3.Teachers can guide students through digging deeper into reading comprehension with close reading strategies and discussion protocols
4.Teachers can implement strategies that will enable students to develop their skills to write about their reading.
5.Teachers can plan and implement questioning and discussion techniques in reading.

Instructional Priorities:
Students need to be afforded multiple opportunities for student-based questioning and discussions. In addition, students need to be exposed to a variety of questions at different levels of knowledge to allow students to think openly and in different ways.

Tiers Professional Development:
Tier 1: implementation of our Schoolwide professional Development Plan
Tier 2: Facilitating meetings of professional learning communities composed of grade level or content specific teams
Tier 3: One-on-one individualized cycles of work with selected teachers based on administrative observations and feedback

Math
Cycle 1 K-5
Developing Active Learning Routines in Math
Learning Goals:
Reinforce protocols and routines for problem solving (5E’s and 5 Practices)
Develop the logistics of guided math implementation (time, frequency, groups)
Use data to identify needs and plan for groups of students
Identify, plan, and implement appropriate tasks for various performance levels of the students intervention.
Develop and implement math discussion protocols

Cycle 2 K-5

Embedding Active Learning Routines in Math
Learning Goals:
Analyze data to identify needs for intentional grouping of students
Leverage student data in order to prioritize skills and plan guided math lessons that include challenging, cognitive tasks and student discourse
Plan and implement lessons that focus students' attention on the use of question and discussion techniques and protocols for the purpose of developing deeper levels of understanding of mathematical concepts and ideas.
Implement math discussion protocols with Fidelity
Tier 1
School Level Support
Support will be provided through:
Building teacher content knowledge and conceptual understanding
Building student conceptual knowledge
Structures of effective implementation of small group instruction and student questioning and discussion protocols
Tier 2
Team or Grade Level Support
Support will be provided through:
Facilitating the implementation of Inquiry Teams
Guided analysis of student data during grade level team meetings
Using data to drive instructional planning during team meetings
Planning for Student Discussions
Tier 3
Individual Teacher Support
Support will be provided through:
Modeling
Instructional Planning Support
Co-teaching
Observation and Feedback

Reading/ELA
Cycle 1 Grades K-5
Developing Active Learning Routines in Reading
Learning Goals:
Develop systems for collecting informal and formal data.
Leverage student data in order to prioritize skills and plan guided reading lessons focused on reading comprehension
Digging deeper into reading comprehension with close reading strategies and questioning and discussion protocols
Cycle 2 Grades K-5
Embedding Active Learning Routines in Reading
Learning Goals:
Utilize common planning time to work collaboratively to analyze data and identify trends across the grade level to better address needs of students.
Analyze data to identify needs for intentional grouping of students
Leverage student data in order to prioritize skills and plan guided Reading and writing lessons
Tier 1
School Level Support
Support will be provided through:
Building teacher content knowledge
Building student reading/writing skills and habits
Structures of effective implementation of small group instruction for Close Reading and Questioning and Discussion Techniques
Tier 2

Team or Grade Level Support
Support will be provided through:
Facilitating the implementation of Inquiry Teams
Guided analysis of student data during grade level team meetings
Using data to drive instructional planning during team meetings
Planning for Student Discussions.
Tier 3
Individual Teacher Support
Support will be provided through:
Modeling
Instructional Planning Support
Co-teaching
Observation and Feedback

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

In order for our Pre-K students to have a smooth transition to Kindergarten, PS 30 The Wilton School provides the following support to parents, teachers and students:

Pre-K Kindergarten Visitation Day
Shared Kindergarten expectations with Pre-K Parents
Distribution of Summer Success Packets that provide Pre-K parents with Resources for rising Kindergarten students

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	423,442	x	Math ELA Early Childhood Attendance Quality IEPs
Title I, School Improvement 1003(a)	Federal	18,400	x	Math ELA Early Childhood Attendance Quality IEPs
Title II, Part A	Federal	68,903	x	Math ELA Early Childhood Attendance Quality IEPs
Title III, Part A	Federal	12,182	x	Math ELA Early Childhood Attendance Quality IEPs
Title III, Immigrant	Federal	0	x	

Title IV, Part A	Federal	114,212	X	Math ELA Early Childhood Attendance Quality IEPs
Tax Levy (Fair Student Funding)	Local	3,012,655	X	Math ELA Early Childhood Attendance Quality IEPs

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
Pathways 2 Leadership	K-5	Afterschool, Enrichment	By June 2026, afterschool and enrichment programs will service 250 students with at least 15 hours of program activity time
The Leadership Program	PreK-5	Daytime and Afterschool	By June 2026, afterschool and daytime enrichment programs will service 250 students with at least 15 hours of program activity time
The Leadership Program	Families	Family Literacy and Engagement	By June 2026, 63 family members with family literacy and engagement activities
The Leadership	School Day	Professional Development	By June 2026, 40 school staff (classroom Teachers, Paras, School Aids, etc.) will be engaged in professional learning with a focus on

Program	teachers	Workshops	SEL, Leadership, and Conflict Resolution.
Pathways 2 Leadership	PreK-5	Wellness and Integrated Supports	By June 2026, 8 students will be seen in group settings to be given extra mental health support by Social Work Interns.

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

Pathways 2 Leadership ("P2L") will provide a Community School Director ("CSD") that will collaborate with the Principal, school staff, other/outside CBOs, local families, and local businesses to make decisions in the best interest of the school community and with the best management of the school's 21st Century Community Learning Centers ("21CCLC") grant.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

The CSD will participate in the Parent-Teacher Association and the SLT meetings and will conduct outreach to parents to discuss and learn of their needs and goals for themselves and for their children (students at PS 30x Wilton). The CSD will encourage and invite parents to the PTA meeting, to run for PTA offices, to attend and/or join the SLT, and to engage with their child's teacher. In addition, the CSD will invite parents to be on the Community School Team and the 21CCLC Advisory Board, both of which help direct the mission of PS 30x as a Community School and decide on how it's 21CCLC funds are spent.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

The CSD will facilitate the relationship between the school and the DOHMH for vision and dental screenings for all students.

In addition, the 21CCLC program brings in Pathways 2 Leadership and The Leadership Program, both of which use Social-Emotional Learning, Conflict Resolution, and Restorative Justice as part of it's facilitation practices. The 21CCLC program will give students the experience of these practices to the betterment of themselves and their relationships with each other, their school community, and their families.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

The CSD will keep track and analyze the data from New Visions to monitor student's attendance trajectories in order to best manage our resources to help all students achieve an above-90% attendance record for the school year. The CSD may be assigned Success Mentees which will be checked on and encouraged to attend school every day. The CSD will also work in collaboration with the school's Attendance Team to devise incentives for students and their families to achieve an above-90% attendance record for the school year, and will utilize the attendance categories of Rising, Slipping, Slipable, and Pushable.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for all students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

The 21CCLC program invites all students, regardless of learning or physical disabilities, to participate in it's activities. Inclusive advertisement and instruction will be mindful of all student's learning and physical needs.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Dr. Keisha Green
Assistant Principal (Where Applicable)*	Karine Steadman
English as a New Language (ENL) Teacher*	Evelyn Gomez
Teacher (if school has a bilingual program must be a bilingual teacher)*	Deyanira Guerrero
Parent/Guardian*	
Teacher	Daniel Berdugo
Parent Coordinator	Patricia Rodriguez
School Counselor	Angela Stamps
Special Education Liasion	Mireybi Vega
Other (Name and Title)	Elizabeth Vasquez
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

1

Number of teachers who hold both content area/common branch and ESOL certification:

1

Number of ESOL certified teachers with a bilingual extension:

1

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

4

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

2

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

2

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

367

Total number and percentage (%) of current ELLs:

74 ELLs, 24.83 %

Total number and percentage (%) of former ELLs:

38 ELLs, 12.75 %

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

65 ELLs, 94.2 %

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

4 ELLs, 5.8 %

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0 ELLS, 0 %

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0 ELLS, 0 %

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

23 ELLs, 33.3 %

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	DLBE	SPANISH	2011	1	1	1	1										4
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

The Stand-Alone ENL model is a language- and literacy-focused instructional setting designed to address the individual language proficiency levels of English Language Learners (ELLs). Instruction is delivered in a dedicated ENL classroom, where students receive their mandated minutes of English as a New Language support—180 minutes per week for Entering and Emerging levels, and 90 minutes per week for Transitioning and Expanding levels.

This model utilizes a center-based approach that emphasizes differentiated instruction through flexible student grouping. Groupings are primarily based on students' English proficiency levels, allowing for targeted, skill-specific instruction. While groupings are often heterogeneous to foster peer learning, homogeneous groupings are also used when appropriate to address specific language needs more effectively.

Integrated ENL:

In the Integrated ENL model, a certified ENL teacher collaborates with a content-area teacher—most commonly in English Language Arts (ELA) or Mathematics—to deliver instruction that supports both English language development and academic achievement. This co-teaching approach allows English Language Learners (ELLs) to receive targeted language support within the context of core content instruction.

Instruction is co-planned and co-delivered, ensuring that lessons are designed to be both linguistically and academically accessible. Teachers incorporate evidence-based language acquisition strategies and may strategically use students' home or primary languages, along with other scaffolds, to enhance comprehension, engagement, and participation.

By integrating language development into academic instruction, the Integrated ENL model fosters a more inclusive and effective learning environment that meets the diverse needs of ELLs.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

PS 30 X does not offer a Transitional Bilingual Education (TBE) program. All English Language Learners (ELLs) at PS 30 X receive language support through the Integrated English as a New Language (ENL) and Stand-Alone ENL instructional models. These models focus exclusively on English language development and do not utilize students' native languages as the primary medium of instruction.

Dual Language Bilingual Education (DLBE):

Grades Offered: K through 3rd. grade

Program Model:

Two-way immersion with a 40/60 language allocation — students receive half of their instruction in English and half in Spanish.

All content areas are taught in both languages, maintaining a consistent ratio throughout all grade levels.

Language Schedule:

Instruction occurs in only one language per week, alternating weekly between English and Spanish.

This schedule supports balanced exposure and strong language development in both languages.

Support for Language Development:

Scaffolds are provided for both non-Spanish speakers and non-English speakers to ensure effective second language acquisition.

Teachers employ several instructional approaches to make content comprehensible and enrich language learning, including:

Differentiated Instruction

Thematic Interdisciplinary Instruction

Small Group Instruction (e.g., Guided Reading)

Explicit Phonics and Vocabulary Instruction

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

Proficiency Level	Total Minutes per Week	Instruction Breakdown
Entering and Emerging	360 minutes	180 minutes Stand-Alone ENL + 180 minutes Integrated ENL
Transitioning	180 minutes	Flexible mix of Stand-Alone and Integrated ENL
Expanding	180 minutes	ENL instruction (primarily Integrated)
Commanding	90 minutes	Core instruction with ENL support or other approved services up to 2 years post-exit

Additional Notes
STARS programming is implemented according to the proficiency levels of all Multilingual Learners (ML)/ELL identified students.

The instruction is aligned with CR-Part 154-2 mandated units of study for ENL, including Transitional Bilingual Education (TBE) or Dual Language (DL) programs, where applicable.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

Two instructional models support English Language Learners (ELLs):

1. Stand-Alone ENL Model
Purpose: Targets language proficiency and literacy levels in a dedicated setting.

Instruction: Delivered by a certified ENL teacher in a language and literacy centers-based classroom.

Time:

Entering and Emerging students receive 180 minutes per week of Stand-Alone ENL.

Plus 180 minutes per week of Integrated ENL (push-in) support.

Student Groupings:

Flexible based on language proficiency for targeted instruction.

Usually heterogeneous for peer interaction but can be homogeneous to meet specific needs.

2. Integrated ENL Model
Purpose: ENL teacher collaborates with classroom teachers to support language development within core subjects, mainly English Language Arts (ELA) and Math.

Instructional Supports:

Strategic use of students' home language when appropriate.

Scaffolds for comprehension and academic success.

Collaboration: ENL and classroom teachers co-plan and co-teach lessons aligned with language development and grade-level content.

Services by Proficiency Level:

Entering and Emerging: 180 minutes/week of Integrated ENL.

Transitioning and Expanding: Minimum 180 minutes/week Integrated ENL/ELA.

Commanding (Former ELLs): 90 minutes/week Integrated ENL or other approved supports up to 2 years after exiting ELL status.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Model: Two-way immersion promoting bilingualism, biliteracy, and cross-cultural understanding.

Language Allocation:

60% of instruction in English

40% of instruction in Spanish

Instructional Time:

Equal instructional time in both languages

Content Areas:

Literacy and academic subjects taught in both English and Spanish

Ensures strong language skills and meets grade-level standards

Language Schedule:

Instruction alternates weekly between English and Spanish

One week in English, the next in Spanish, and so on

Student Composition:

Includes native English and native Spanish speakers learning together

Supports language development and fosters a multicultural classroom environment

b. In which language(s) is each core content area taught?

In the Dual Language Program, core content areas—such as Math, Science, and Social Studies—are taught in both English and Spanish. The program follows an alternating weekly schedule, where instruction is delivered:

One week in the students' first language (L1)

The following week in the second language (L2)

This 50/50 model ensures that students build academic vocabulary and content knowledge in both languages, promoting bilingualism, biliteracy, and high levels of academic achievement.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

ELL Subgroups Current ELLs: 70 ELLS 24.0 %
Newcomers. 66 students 94.3 %
OK:16 ELLS, GR: 1 : 18 students, GR 2: 13, students. GR 3: 7 students., GR 4: 6 students GR 5 :6 students

Developing ELLs 4 students
GR 4: 3 Students GR 5: 1 Student

Former ELLs: 15 studenst, 5.1 %
Long Term ELLS 0 students

The percentage of Newcomers is 94.3 % . Services for newcomer students differ in that they receive more targeted support in developing foundational skills in speaking, listening, reading, and writing. While the primary goal is English acquisition, we also strategically incorporate students' home languages to support their transition. This includes the use of dual-language dictionaries and glossaries, translated classroom activities, and access to iPads with translation tools like Google Translate.

Instruction Focus - Survival language and basic communication
- Foundational literacy
- Cultural orientation
- Intensive English development
- Scaffolding for grade-level content

Support Strategies - Visuals, gestures, and translated materials
- Native language support
- Modified content
- Sheltered instruction (e.g., SIOP model)
- Smaller groups
Instructional Needs - High-structure, high-support environment

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

We do not currently have any Students with Interrupted or Inconsistent Formal Education (SIFE) enrolled at our school.

All ELLs receive differentiated instruction, to ensure that their needs are being addressed. Teachers of ELLs t plan collaboratively in order to align broad topics of study and the literacy skills that are taught.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

N/A
At this time, there are no Long-Term English Language Learners (LTELLs) enrolled at the school. All identified ELLs are in the early stages of language acquisition and are receiving appropriate support services accordingly.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

Former ELLs constitute 13.0 %, (38 students) of the total ELL population.

Once students exit ELL services, students academic progress is monitored for at least two years
Monitoring Academic Progress
Former ELLs are tracked through:

Standardized test scores
Teacher feedback
Classroom performance
Continued Access to Services (if needed)
Although no longer in an ELD program, former ELLs may still receive:
Push-in support in content classes
Tutoring or intervention programs

Professional Collaboration
Teachers and ELD specialists collaborate to ensure:
Instruction is differentiated
Students are supported in academic language
Gaps in content knowledge are addressed

Parent Communication
Schools inform families that monitoring will continue.
Progress reports may include updates related to language development or academic success.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

At-Risk Indicators and Areas of Concern for ELLs (2023–2024)
The data from the 2023–2024 school year highlights several key risk factors impacting English Language Learners (ELLs), particularly related to academic performance and language proficiency.

Key At-Risk Indicators
High Newcomer Population

66 ELLs (94.3%) are newcomers.

This is the most significant at-risk factor, as many of these students are not yet reading on or near grade level.

As a result, their NYSESLAT reading and writing scores, along with other schoolwide assessment outcomes, are significantly lower, affecting the overall performance data for the school.

These students require intensive, targeted phonics instruction to build foundational skills and improve their Lexile levels.

Insufficient English Language Proficiency (ELP) Progress

14 students (20.0%) did not demonstrate sufficient progress on the Spring 2024 NYSESLAT.

This suggests a need for differentiated language support, especially for students who may have plateaued in their acquisition.

Low Performance in Core Content Areas

10 ELLs (14.3%) scored at Level 1 or 2 in Math during the 2023–2024 school year.
8 ELLs (11.4%) scored at Level 1 or 2 in ELA, indicating limited access to grade-level content due to language barriers..

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

ELA: 6 Former ELLs Who Scored Level 1 or 2 School Year 2024.
ELA: 2 Former ELLs Who Scored Level 1 or 2 in SY 2023 and -24
Math: 10 Former ELLs Who Scored Level 1 or 2 SY 2024
Math: 4 Former ELLs who scored Level 1 0r 2 in the year s2022-23 and 2023-24
Temporary Housing: 6 Former ELLs

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

Valuing and supporting students' home languages is essential to promoting equity, affirming identity, and enhancing academic success. Our approach to English Language Learner (ELL) instruction reflects this commitment by integrating students' linguistic and cultural backgrounds into their learning experience.

The home languages of our ELLs with the largest representation are as follows:

Spanish – 66 students
Mandinga – 3 students
French – 1 students

We continue to incorporate multilingual supports—including translated materials, bilingual glossaries, and the use of students' native languages for clarification—whenever possible to ensure meaningful access to content and to foster a welcoming learning environment.

Structures in Place to support communication and learning:
Bilingual/ESL Teachers Provide instruction in both English and home languages (when available); advocate for language equity.

Family Liaisons or Cultural Brokers Bridge communication gaps between school and families; help navigate school systems in home languages.
Interpreters/Translators Translate documents, meetings, and communications to ensure families have full access to information.
Counselors/Support Staff Provide culturally and linguistically responsive services.
Administrators Set the tone for valuing multilingualism through policies and resource allocation.

Dual Language Offer content instruction in both English and students' home languages to promote biliteracy.
Home Language Use in Classrooms Allow use of home language for learning tasks, collaboration, and expression, especially in early stages.
Multilingual Library Resources Include books, media, and materials in students' native languages.
Culturally Inclusive Curriculum Reflect students' languages and cultures in texts, history, and learning activities.
Translated School Materials Ensure all key documents (report cards, policies, event flyers) are in families' home languages

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

Our ELL population reflects a diverse range of racial and ethnic identities. The classifications, based on family self-identification, are as follows:

6 Hispanic families identified as American Indian or Alaskan Native

3 Non-Hispanic families identified as Black

8 Hispanic families identified as Black

1 Non-Hispanic family identified as Multiracial

26 Hispanic families identified as Multiracial

2 Hispanic families identified as Native Hawaiian or Other Pacific Islander

23 Hispanic families identified as White

Incorporating English Language Learners (ELLs) into the planning and delivery of Culturally Responsive and Sustaining Education (CR-SE) requires more than language support—it involves intentionally valuing their linguistic and cultural assets, affirming their identities, and actively including them in decisions that shape their educational experience.

Key Practices for Including ELLs in CR-SE:

Translanguaging is encouraged: Students are empowered to use their home language(s) alongside English in writing, discussions, and comprehension activities, enhancing understanding and engagement.

Culturally relevant materials: Curriculum includes books, visuals, and examples that reflect students' cultures, histories, and languages, making learning more meaningful and affirming.

Responsive scaffolding: Supports such as sentence frames, visuals, and peer partnerships are thoughtfully tailored to align with students' backgrounds, prior knowledge, and lived experiences.

Student voice in school culture: ELLs are invited to shape classroom norms and participate in surveys or focus groups that inform instructional practices and broader school decisions.

Identity-based learning opportunities: Teachers create spaces for storytelling, identity exploration, and student-led projects that allow ELLs to express who they are and what matters to them.

Leadership and engagement: Multilingual students are included as leaders in student government, school-wide planning efforts, and community events, reinforcing the message that their voices matter.
By centering ELLs in CR-SE initiatives, schools create environments where all students feel seen, valued, and empowered to succeed.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

15 or 39.5 % of ELLS Met Progress by exiting ELL Status.
8, or 21.1 % of ELLS Met Annual Progress Target
1 or 2.6 % of ELLS Met Safe Harbor Cumulative Growth
14 or 36.8 % Did not Make Progress

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

Analysis of NYSESLAT 2023–2024 Data
Trends in Language Modalities of Strength

This analysis identifies the number of English Language Learners (ELLs) who demonstrated strengths—defined as higher performance or proficiency—in each of the four NYSESLAT language modalities: Listening, Speaking, Reading, and Writing, across grades 1–5.

Modality Breakdown by Grade

Modality	Grade 1	Grade 2	Grade 3	Grade 4	Grade 5
Listening	11 students	6 students	1 student	2 students	3 students
Speaking	10 students	5 students	1 student	2 students	4 students
Reading	11 students	3 students	1 student	0 students	2 students
Writing	5 students	0 students	0 students	0 students	0 students

Based on the 2023–2024 NYSESLAT results:

First grade demonstrated the highest performance across all four language modalities—Listening, Speaking, Reading, and Writing—indicating strong foundational language development among early learners.

Grades 3, 4, and 5 showed the lowest performance across modalities, with significantly fewer students demonstrating strengths in Reading and Writing in particular.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

A common trend across all testing grade shows how students' performance on the NYSESLAT and other state

assessments such as the ELA assessment is that, t students who are TR or EX performed approximately the same or betters than the non-ELLS in the reading portion of the assessment. Another visible trend was evident in writing. ELLs in general scored lower in writing assessments.
ELLs who are TR or Expanding in grdaes 3-5 who scored commanding in the NYSESLAT are not performing well in ELA State Exam. They are scoring Level 1 and 2.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

Based on our NYSESLAT 2023-2024 data, we noticed that there was an increase in reading and listening modalities. However, Speaking and writing showed a decrease. In Reading: Students showed an increase of one or two levels in reading
modality cross grade all grades on Spring 2024 NYSESLAT. Writing: Students in grades 3-5 showed an increased of one level
inn writing modality as evident by the Spring 2024 NYSESLAT. Listening: Students showed an decrease of one or two levels in
listening modality cross grade all grades on Spring 2024 NYSESLAT Speaking: Students showed an increase of one or two
levels in speaking modality cross grade all grades on Spring 2024 NYSESLAT

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

NA

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

At P.S. 30X, we are committed to providing a high-quality academic experience that fosters deeper learning. This instructional approach goes beyond the mastery of core academic content, focusing on developing essential competencies such as critical thinking, collaboration, communication, and problem-solving—skills that prepare students to thrive in a complex, ever-changing world.

One key method we use to facilitate deeper learning is project-based learning (PBL). Through extended, real-world projects, students apply academic concepts and skills in meaningful ways. This approach is especially beneficial for our English Language Learners (ELLs), as it promotes collaborative learning, allowing them to actively engage with peers. In this setting, language becomes the vehicle for exploration, inquiry, and communication, which accelerates language development and comprehension.

To further support deeper learning, our educators incorporate culturally relevant materials, celebrate multicultural events, and encourage students to share their cultural backgrounds and perspectives. This helps create an inclusive and supportive environment that values the diverse experiences and voices of all learners, particularly our multilingual students.

Additionally, P.S. 30X provides a rigorous yet safe learning environment, where students are encouraged to delve deeply into subjects, moving beyond surface-level understanding. This includes time spent engaging with complex topics, exploring key concepts in depth, and building a rich academic vocabulary.

Through these intentional strategies, we strive to nurture lifelong learners who are curious, empathetic, and prepared for future academic and life challenges.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

P.S. 30X has established a dedicated School Leadership Team committed to addressing issues that impact all students, with a particular focus on culturally and linguistically diverse learners, including English Language Learners (ELLs). This team meets regularly and includes a diverse group of professionals, representing areas such as general education, Dual Language programs, special education, and school administration.

During the 2024–2025 school year, the leadership team convenes weekly to analyze data, reflect on student progress, and plan next steps to enhance instruction and student outcomes. The team gathers and reviews a variety of data sources, including:

i-Ready diagnostic assessments

Acadience reading assessments

UFLI phonics assessments

End-of-unit assessments

Student conference notes

This comprehensive approach to data analysis enables the team to make informed instructional decisions, particularly for ELLs, ensuring that teaching strategies meet the needs of diverse learners.

To promote an effective and inclusive learning environment, the leadership team also regularly reviews the quality of classroom instruction and learning conditions, both schoolwide and within individual classrooms. The goal is to ensure that all learning activities are:

Well-structured

Culturally responsive

Linguistically engaging

Student-centered

Furthermore, the team monitors screening and progress monitoring data for ELLs and other students, assessing the effectiveness of interventions and instructional strategies across all RTI (Response to Intervention) tiers. The focus is on ensuring that instructional supports are both culturally and linguistically appropriate, and that they lead to measurable improvements in student outcomes.

Through this ongoing, collaborative effort, P.S. 30X ensures that all students—especially multilingual learners—receive equitable access to high-quality education in a supportive and inclusive environment.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

During integrated instruction, the ENL teacher and classroom teacher plan lessons and the ENL teacher supports with the language demands necessary for the content lesson. Students are provided with further support and enrichment through accountable talk, peer to peer academic assistance, and use of the Smart Board to provide visual support for better understanding. These lessons are delivered in English. The ENL teacher assist with necessary scaffolds and ensure that the lesson has multiple entry points.
There are several instructional strategies implemented to provide access to academic content areas as well as English language development for ELLs: Graphic organizers, Frayer Model for vocabulary, word banks, iPads, microphones to practice speaking skills and discussion prompts for student to-student discussions and foster and develop language

During stand alone ENL students receive instruction by a certified ESOL teacher in order to acquire the English language needed for success in core content areas. Stand-alone ENL is implemented in a designated ENL room and the required amount of stand-alone ENL instruction depends on the English proficiency level of each student. The focus of the program is to develop oral language for English Language Learners (ELLs), by implement ing strategies such as providing frequent opportunities to speak in various contexts, using visual aids, incorporating interactive read-alouds, facilitating peer-to-peer conversations, modeling correct language, and tailoring activities to their current language proficiency level, all while focusing on building vocabulary and grammar skills through engaging activities

Dual program: In this program, students develop academic skills in their native language, while building skills in a different language. The model follows a 50 -50. Alternating weeks and languages. When possible, half of a class consists of non-native English speakers, and the other half with native English speakers. In Dual Language model home Language materials are provided in leveled libraries. Reference books and dictionaries are also provided in the home language. When tested in the content areas, ENL students are provided with tests in the home language and translation dictionaries. The home language is used in all curriculum areas and is based on the student's NYSESLAT level.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

The school provides targeted support for Multilingual Learners (MLLs) with disabilities by offering professional learning opportunities for teachers. These sessions focus on research-based strategies that are effective for students with disabilities who are also English Language Learners (ELLs).

In addition, teachers incorporate academic vocabulary and structured discourse to enhance ENL (English as a New Language) students' speaking, reading, and writing skills. They also receive training on various scaffolding techniques that support MLLs with Individualized Education Programs (IEPs).

At the beginning of each school year, ENL teachers conduct professional development sessions. These trainings cover topics such as understanding English proficiency levels across modalities, interpreting ENL data, and identifying the most beneficial supports for students based on their proficiency levels.

b. SIFE

Although P.S. 30X currently does not have any identified Students with Interrupted/Inconsistent Formal Education (SIFE) for the 2024–2025 school year, a comprehensive and proactive plan is in place to meet the needs of this subgroup should any students enroll.

Upon enrollment, SIFE students will receive rigorous, interactive, and meaningful literacy instruction tailored to their unique academic and linguistic needs. A key support strategy includes assigning a language partner to help facilitate classroom participation and promote social integration.

Instruction will be aligned with grade-level curriculum maps to ensure that weekly reading and writing strategies are both accessible and appropriately adapted for SIFE learners. Instructional supports will include:

Tiered grouping based on language and literacy needs

Guided reading and writing groups

Individual student conferencing for targeted feedback and personalized support

In addition, SIFE students will have access to supplemental programs and interventions, such as:

Saturday Academy for academic enrichment

Response to Intervention (RTI) services

Title III programs to support English language acquisition

During RTI sessions, students will engage with evidence-based programs such as Fundations to build foundational literacy skills. Online learning platforms will also be utilized to support differentiated instruction and accelerate language development.

This structured and responsive plan ensures that P.S. 30X is well-prepared to support the academic and language development of SIFE students, enabling them to thrive in both school and community environments.

c. Newcomers

At P.S. 30X, ENL and classroom teachers collaborate closely to ensure that Newcomer students—those who are new to the U.S. school system and English language instruction—have equitable access to grade-level content while developing their oral language and foundational literacy skills.

To support language development and engagement, teachers implement a variety of evidence-based strategies, including:

Frequent opportunities for speaking in different classroom contexts

Visual aids and realia to support comprehension

Interactive read-alouds that model fluent, expressive reading

Peer-to-peer conversations to promote authentic language use

Modeling of correct language structures

Tailored instruction aligned with students' current language proficiency levels

Vocabulary and grammar instruction embedded in meaningful, engaging activities

Teachers also utilize instructional scaffolds and culturally responsive strategies to make content comprehensible and relevant. A range of tools and resources are incorporated into daily lessons to support learning, including:

iPads and classroom computers

Electronic dictionaries and digital translators

Multilingual resources and visual supports

Additionally, Newcomers participate in extended learning opportunities such as Saturday Academy and After-School Title III programs, which provide targeted academic and language development support in a smaller group setting.

Through this multifaceted approach, P.S. 30X ensures that Newcomer students are not only supported in their English language acquisition, but are also actively engaged in their academic growth and personal development.

d. Long Term ELLs

At P.S. 30X, Long-Term Multilingual Learners (LTMLs) receive targeted ENL instruction designed to help them meet grade-level academic standards and achieve proficiency on the NYSESLAT. These students—who have received ENL services for six or more years—require focused, sustained support to address persistent language development needs.

ENL and classroom teachers collaborate regularly to analyze multiple data sources, including:

NYSESLAT results

i-Ready diagnostics

Unit and formative assessments

These data points are reviewed during planning sessions to identify specific areas where LTMLs may need additional support, such as academic vocabulary, reading comprehension, or writing structure.

Instructional strategies and interventions are:

Planned collaboratively between ENL and classroom teachers

Monitored regularly to assess progress and adjust instruction as needed

Aligned to grade-level content while being scaffolded to meet language needs

By using a data-driven and collaborative approach, P.S. 30X ensures that Long-Term MLs receive the focused support necessary to progress academically and linguistically.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

Special attention is given to Multilingual Learners (MLLs) with disabilities. The school provides professional learning opportunities for teachers in various areas, including research-based strategies that effectively support students with disabilities who are also English Language Learners (ELLs).

Additionally, teachers incorporate academic vocabulary and discourse to strengthen ENL students' speaking, reading, and writing skills. They also learn about different scaffolding techniques that support MLLs with Individualized Education Programs (IEPs).

At the beginning of each school year, ENL teachers conduct professional development sessions focused on explaining proficiency levels across modalities, interpreting ENL data, and identifying the most beneficial supports tailored to each proficiency level.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

In the Dual Language program, children develop language skills in both their home language and English. This approach enables students to transfer their knowledge, abilities, and skills between the two languages. Students gain proficiency in speaking, reading, and writing in both languages while also developing an appreciation for diverse cultures. Additionally, the program fosters strong self-esteem and broadens students' linguistic abilities.

To assess specific language components such as vocabulary, grammar, reading, writing, listening, and speaking, formal assessments—including standardized tests—are employed. Alongside these formal tools, teachers also use informal assessments to monitor ELLs' correct usage of phrases and vocabulary during daily instruction. When students struggle with certain language elements, teachers provide targeted guidance and additional support to facilitate their language development.

ENL programs serve a diverse population of language minority students from various linguistic backgrounds. The ENL program specifically supports ELLs who share English as their only common language. Students' home language skills are assessed through formative assessments such as quizzes, class discussions, and group activities, which provide ongoing insights into their language development.

Furthermore, summative assessments like i-Ready, Fountas & Pinnell (F&P), Acadience, and the WIDA Screener are used to evaluate students' language proficiency and academic needs based on established standards.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

In the Dual Language program, students develop language skills in both their home language and English. This approach allows them to transfer knowledge, abilities, and skills between the two languages. Through this program, students gain proficiency in speaking, reading, and writing in both languages while also cultivating an appreciation for diverse cultures. Moreover, the program supports the development of strong self-esteem and broadens students' linguistic abilities.

To assess specific language components—such as vocabulary, grammar, reading, writing, listening, and speaking—formal assessments, including standardized tests, are employed. In addition to these formal tools, teachers use informal assessments during daily instruction to monitor ELLs' correct usage of phrases and vocabulary. When students encounter difficulties with certain language elements, teachers provide targeted guidance and additional support to promote language growth.

ENL programs serve a diverse group of language minority students from various linguistic backgrounds. The ENL program specifically supports ELLs who share English as their only common language. Students' home language skills are assessed through formative measures such as quizzes, class discussions, and group activities, which provide ongoing insights into their language development.

Furthermore, summative assessments like i-Ready, Acadience, and the WIDA Screener are utilized to evaluate students' language proficiency and academic needs based on established standards.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

The ENL Team plans annual professional learning opportunities with a diverse focus to ensure that all staff—including administrators, teachers, and non-pedagogical staff—incorporate learning specifically related to the academic and social-emotional needs of Multilingual Learners (MLs) and English Language Learners (ELLs).

A series of professional learning sessions will be developed for both parents and teachers. These sessions will cover a range of topics addressing the academic and social-emotional needs of ELLs. Professional development and topics will also focus on helping educators effectively engage with families to support the success of multilingual learners.

Some of the social-emotional topics covered include:

Exploring and Understanding Feelings

MindUp for Life (Social Emotional Learning Program)

Mindfulness of Thoughts

Building Self-Confidence

Guide to Active Listening for Parents

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

All staff required to complete 15% of their total professional development hours as ELL-specific receive ENL training during Monday PD sessions, provided by the ENL staff. Records of participation are maintained through agendas and attendance sheets.

ENL staff fulfill 50% of their total professional development hours as ELL-specific by attending trainings hosted by organizations such as UFT, RBERN, and in-house professional development sessions organized by the District 7 Bronx Field Support Center and consultants. This also includes monthly ELL PLC sessions and ELL Liaison meetings. ENL staff then share (turn-key) these trainings with school staff during Monday PD time or at grade-level meetings. Documentation is maintained through agendas and sign-in sheets, which are kept on file.

Topics covered include, but are not limited to:

Scaffolding for ELLs

Question Formulation Technique (QFT)

Reciprocal Teaching

Strategies and Scaffolds for ELLs

Understanding Proficiency Levels and Supporting Students at Each Level

Promoting Academic Discourse for ELLs

Differentiation

Supporting Comprehension for ELLs

Oral Language Development and Acquisition

Creating a Welcoming Culture for ELLs

Supporting Newcomers

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

At PS 30X, data from various assessments and screenings guide instructional planning and intervention. These assessments include Ready, Acadience (K-2), UFLI, as well as EL and IM end-of-unit assessments. Based on the results, students are grouped for targeted intervention during a designated period called WIN (What I Need). During WIN, students receive interventions using a variety of research-based strategies and materials tailored to their specific needs.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

All students, including the MLLs and SWD are provided with intervention using Great Leap, SPIRE and Phonics for Reading. PS 30X has devoted one period per-day to conduct this intervention with fidelity "WINN ". During this time, teachers plan their intervention groups according to data collected from various sources such as iReady, Acadience, Acadience, End of teh Unit assessment and UFLI.
Intervention is provided in math and ELA for all students. In the lower grades the focus is heavily on phonemic awareness and phonics as well vocabulary development..

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Data-based decision making is the use of screening, progress monitoring, and other forms of data to make decisions about instruction, movement within the multi-level prevention system, intensification of instruction and supports, allocation of resources, and identification of second language learners. Data-based decision making occurs at all levels of MTSS implementation, from individual students to the district level. Teams use implementation data to evaluate the extent to which their assessments,

The school has allocated specific time for team meeting to get together and discuss students data, there is a team

for every grade and an ENL teacher is part of this discussion. Following a discussion protocol, teachers identified specific questions their learners seemed to struggle with, conducted a mini root cause analysis to identify and address the underlying causes of why their learners struggled with certain topics or skill. The team then created a rapid, iterative, Plan-Do-Study-Act (PDSA) cycle to pilot and test some of these changes to support student improvement.

Regular analysis of student data creates opportunities to reflect on instructional practices, student outcomes, and the effectiveness of implemented strategies. Explicit teaching promotes clarity, efficiency, skill development, and accessibility in the learning process playing a crucial role in supporting diverse learners and fostering a solid foundation for academic success.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

PS 30X uses the following formative assessment :
EOY EL and IM
UFLI, Acadience and iReady to assess ELA and math

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

To ensure that MLs are appropriately evaluated in their home languages throughout the year we will assess them using the Spanish Fountas and Pinnell running record four times a year. In addition, students will receive HLA assessments using the School-net home language assessment three times a year.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

The assessment tools we use to evaluate the effectiveness of our programs for ENL students are the F and P, Unit Assessment, New York State ELA exams for students in grades 3-5, the ELL Periodic Assessment, and the NYSESLAT for all grades. We look at this data to determine if students are making progress. The NYS ELA exam

demonstrates if our students are making reading and writing progress from the previous year. The ELL Periodic Assessment allows us to monitor the language development of our ENL students. The NYSESLAT determines if students are developing in their proficiency abilities and modalities.
We also look at the Fountas and Pinnell Assessment results, such as miscue analysis to ensure students are progressing through reading levels. In order to support the HLA in the school, we will compile the data from the Home Language Arts (Spanish) Beginning of Year and End of Year assessments and reflect on the needs to develop the Spanish Language abilities of our students in the dual language classrooms. This data is used to inform our instruction and make adjustments if needed.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

Every year, the school creates a team that administer and score the NYSESLAT. The test is given in the morning so ENL services can be provided after the assessment is over. In order to ensure that all ENL students receive mandated services during scoring, NYSESLAT is scored after school hours.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Our ELLs receive accommodation for state assessments such as the ELA and Math. Teachers and Exam proctors are made aware of these accommodations. For state Exams students are grouped based on the type of accommodations they receive.

Some of. the testing accommodations students receive as an English language learner are:
 have extra time for taking the tests.
Bilingual Glossaries

Separate location in a small group or alone.
Subject test that is translated into his/her home language, when it is available. Both home language editions AND the English editions of the tests should be provided to your child.
Hear the listening part 3 times during the NYS English Language Arts test

Examination in English.
During their first year in the ENL program, students do not take the NYS English Language Arts test. Instead, your child will take the New York State English as a Second Language Assessment (NYSESLAT).

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

PS 30X – Parent Orientation for Families of Newly Enrolled English Language Learners

PS 30X holds a mandated Parent Orientation Meeting for families of newly enrolled English Language Learners (ELLs). The purpose of this meeting is to inform families of their rights and the various educational programs available for their children.

During the orientation, parents and guardians view an informational video in their preferred language, which outlines the types of instructional programs offered to English Language Learners. Families are informed of their right to choose the program that best meets their child's academic and language development needs.

At PS 30X, the programs available include:

ENL (English as a New Language) / English-only instruction

Dual Language Program (Spanish and English)

If a family prefers a program that is not currently offered at PS 30X, the school will support the family in identifying other schools that provide their preferred program.

To ensure accessibility, all informational materials— including the orientation video— are provided in the family's primary home language. The meeting is conducted with live Spanish interpretation, and translation and interpretation services are made available for families who speak languages other than English or Spanish.

To promote family participation, the school: To maintain accurate records of this meeting, the school keeps a copy of any notification that are sent to the families such as flyers, letters, etc. In addition to this, an agenda and a sign in sheet is provided the day of the meeting and kept in a school binder.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Family Engagement for English Language Learners at PS 30X

At PS 30X, ENL (English as a New Language) teachers and classroom teachers of English Language Learners (ELLs) meet with families at least once a year to discuss student progress and ensure collaborative support for each child's language development and academic growth.

These meetings are typically scheduled during designated Parent Engagement Time. However, if families are unavailable during this time, the ENL team works to accommodate their schedules, ensuring flexibility and access for all parents.

During the meetings, families receive:

A review of their child's academic progress and language development goals

A discussion of relevant assessment data

Personalized strategies to support learning at home

Information about the child's stage in the language acquisition process, tailored to their current English proficiency level

Parents are encouraged to:

Ask questions and express any concerns they may have

Take an active role in educational decision-making

Build confidence in their parenting role

Respond more effectively to their child's evolving academic and language needs

To maintain transparency and record-keeping, meeting agendas and sign-in sheets are kept on file.

This family engagement practice reflects our commitment to fostering strong school-family partnerships and ensuring the best possible outcomes for all English Language Learners.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Effective Communication with Families at PS 30X

At PS 30X, we recognize that families have a legal right to receive information in their home language. Ensuring that all families can access important school information in a way that is clear and comfortable for them is essential to building strong partnerships and fostering meaningful family engagement.

Understanding how and when families prefer to communicate plays a vital role in our outreach efforts. Based on experience and family feedback, we have found texting applications such as WhatsApp and TalkingPoints to be especially effective tools for staying connected.

How TalkingPoints Supports Communication:
Messages are automatically translated into the family's home language.

Families do not need to download an app—messages arrive as regular text messages.

Human interpreters are available through the platform if more accurate translation is needed.

Teachers and staff are able to communicate with families quickly and respectfully in over 100 languages.

To further support communication equity, PS 30X:

Assists families in accessing devices and internet connectivity when needed.

Provides access to bilingual staff members who serve as in-person interpreters.

Ensures that interpretation and translation services are available in accordance with legal mandates, so families can fully understand and participate in their child's education.

Our goal is to create a school environment where all families feel informed, respected, and empowered to be active partners in their child's academic journey.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Family Engagement and Cultural Inclusion at PS 30X

At PS 30X, we are committed to fostering strong partnerships with families by actively seeking their input and providing meaningful opportunities for engagement. To identify and meet the needs of our families, the school regularly collects information through:

Parent surveys

Verbal and written feedback

Suggestions shared during and after parent workshops and professional development sessions

Our Parent Coordinator, with the support of the ENL teachers, hosts monthly workshops and events designed to strengthen family-school connections and promote community involvement. These workshops and events have included:

CookShop: Cooking with parents and learning about healthy eating habits

Art Classes

“Dad, Bring Your Child to School” Day

Family Game Night

Family Literacy Night

Family Math Night

To further engage families of English Language Learners (ELLs), ENL teachers encourage parents to volunteer in classrooms and at school events. These opportunities help parents share and promote their home language and culture, and support home language literacy, which is essential to bilingual development and academic success.

Upcoming Initiative: 2025–2026 Multicultural Celebration
For the 2024–2025 school year, PS 30X will host a Multicultural Celebration. This event is designed to bridge the gap between home and school by encouraging parents to be active participants in their children's education and in school-based decision-making.

Highlights of the celebration will include:

Parent-led cultural activities and presentations

Opportunities for families to showcase their heritage and traditions

Virtual meeting options to ensure maximum participation from all families, including those who cannot attend in person

These initiatives reflect our ongoing mission to build a culturally responsive, inclusive, and collaborative school community where every family feels seen, heard, and valued.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

A key aspect of family engagement and leadership is including parents and caregivers in the decision-making process at their child’s school. Research consistently shows that when families are actively involved in their children’s education, it leads to greater student success. Meaningful and ongoing family engagement positively impacts children’s academic performance, health, and overall well-being.

To support this, all information about school events, leadership opportunities, and collaboration is shared widely. This includes posting updates around the school building as well as on digital platforms such as ClassDojo and Instagram, ensuring families stay informed and connected.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Our school is proud to partner with United Way, a collaboration that plays a vital role in supporting student success. Through this partnership, United Way provides valuable resources that benefit not only students, but also their families, teachers, and the surrounding community. These supports and opportunities help create a stronger, more connected learning environment and contribute to improved outcomes for all involved.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

N/A

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Team Memebers
Evelyn Gomez, ENL Coordinator
Deyanira Guerrero, ENL Teacher
Mireybi Vega, Special Education Liaison
Karine Steadman, Assistant Principal
Elizabeth Vasquez, UFT Literacy Coach
D. Berdugo, DL Teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

PS 30X proactively ensures that the ELL identification process is timely and efficient, preventing any delays in the provision of mandated ENL (English as a New Language) and/or bilingual instruction. We implement the following strategies:

Initial Screening Within 10 School Days: We ensure that all newly enrolled students who indicate a home language other than English on the Home Language Questionnaire (HLQ) are screened within 10 school days, in accordance with NYSED regulations.

Pre-Enrollment Coordination: The registration office communicates with the ENL Tecahers prior to a new student's arrival. This allows ENL staff to prepare materials and coordinate support in advance.

Centralized Monitoring System: We use a digital tracking system to monitor newly enrolled students and flag those

who require language proficiency assessment, helping to prevent oversight or delay.

The school maintains a schedule in the main office that indicates staff availability for support. This schedule includes:

Pedagogical Support: A list of trained staff members who are available during each period to provide assistance with ELL identification process.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Dr. Keisha Green

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Daniel	Berdugo	Teacher - Bilingual		
Evelyn	Gomez	Teacher - ENL-	02/26/2025	y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Student Emergency Contact cards

If Other was selected, describe the resource here:

N/A

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
FRENCH	2	0.52%	2	0.53%	0	1
MANDINKA (AKA MANDINGO)	1	0.26%	1	0.27%	0	0
ENGLISH	241	63.25%	237	63.03%	10	15
SPANISH	136	35.70%	136	36.17%	9	10

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Monthy Calendar	English versions are created and then translated to Spanish Team. The team will work together to ensure that final revision is done correctly
Homeworksheets	English version are created and then translated to Spanish by classroom teacher/ Enl teacher who are fluent in the second language
Grade Newsletter	English version are created and then translated to Spanish by teachers in the team that are fluent in the language. The translation team provide support when it is required.
Parent/ Teacher communication meeting parent Engagement	Technology is used to assist translation such as talking points, Yandex Translate and Readlang. In addition, staff are available to assist with oral and written translation when required. For parents whose preferred language is other than English or Spanish, Electronic devices will be Available such as google Translators app and Talking points
Flyer/ letter	English versions are created and then translated to Spanish by the translation Team. The team work together to ensure that final revision.
Virtual and in person meeting	Bilingual staff available on-site Technology is used to assist translation such as talking points, Yandex Translate and Readlang. In addition, staff are available to assist with oral and written translation when required. For parents whose preferred language is other than English or Spanish, Electronic devices will be Available such as google Translators app and Talking points. In addition, parents can request free translation services by visiting tinyurl.com/OAL- Translation
Documents containing	Technology and designated staff will assist with the translation of these documents.

Student Data/ Assessment Reports	

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Back-to-School Night / Open House	Format: In-person Interpretation Services: Bilingual staff available on-site Interpreters stationed at key locations (e.g., entrance, classrooms) Translated printed materials and event guides
Parent-Teacher Conferences Format: In-person or virtual (via Zoom/Google Meet) Interpretation Services:	Scheduled interpreters or staff for each conference as needed Use of professional phone interpreters (Language Line) for last-minute requests Virtual meetings supported by video interpretation or conferencing platforms with built-in translation features Translated to Spanish by classroom teacher/ Enl teacher who are fluent in the second language
National Literacy Day Parent -Workshop	Translated printed materials and event guides and agendas Bilingual staff available on-site Interpreters stationed at key locations (e.g., entrance, classrooms)
Dad Take your Child to School	Translated printed materials and event guides and agendas Bilingual staff available on-site Interpreters stationed at key locations (e.g., entrance, classrooms)
Special Education Mediation Parent - Workshop	Translated printed materials and event guides and agendas Bilingual staff available on-site Interpreters stationed at key locations (e.g., entrance, classrooms)
Challenging Behaviors Package and Raffles	Translated printed materials and event guides and agendas Bilingual staff available on-site Interpreters stationed at key locations (e.g., entrance, classrooms)
Black History Month Assembly	Translated printed materials and event guides and agendas Bilingual staff available on-site Interpreters stationed at key locations (e.g., entrance, classrooms)
Pancakes with Santa Event	Translated printed materials and event guides and agendas Bilingual staff available on-site Interpreters stationed at key locations (e.g., entrance, classrooms)
Coquito Making Parent Workshop	Translated printed materials and event guides and agendas Bilingual staff available on-site Interpreters stationed at key locations (e.g., entrance, classrooms)
Math Workshop	Translated printed materials and event guides and agendas Bilingual staff available on-site Interpreters stationed at key locations (e.g., entrance, classrooms)

Data with The Principal Parent Workshop	Translated printed materials and event guides and agendas Bilingual staff available on-site Interpreters stationed at key locations (e.g., entrance, classrooms)
Dinner and Data Parent - Workshop/Event	Translated printed materials and event guides and agendas Bilingual staff available on-site Interpreters stationed at key locations (e.g., entrance, classrooms)
Cooking Workshop	Translated printed materials and event guides and agendas Bilingual staff available on-site

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Our school is committed to maintaining clear, timely, and effective communication with all families, including those who speak a language other than English. During emergencies such as lockdowns, fires, attendance concerns, or medical situations, we utilize the following resources and processes to ensure all parents receive information in their preferred language:

Resources:
Multilingual Communication Platforms
We use mass communication tools such as SchoolMessenger, Dojo or Remind, which offer automatic translation into multiple languages based on the parent's language preference on file.

These platforms are used for emergency alerts via text, phone calls, and email.

Language Access Services
We maintain a roster of bilingual staff members and district language liaisons trained to assist during emergencies. When bilingual staff are unavailable, we use professional interpreters via phone (e.g., LanguageLine or similar service) to ensure accurate, real-time communication.

Translated Documents & Forms

All critical forms (medical authorization, emergency contact updates, student release procedures, etc.) are pre-translated into our most common home languages.

Emergency notices sent home are translated and reviewed to ensure clarity.

Processes:
Emergency Notifications to Parents

As soon as an emergency occurs, the school sends out multilingual alerts using our communication system. Messages are translated automatically or reviewed by bilingual staff for accuracy. For specific student-related incidents (e.g., hospital visit), staff will directly call parents using interpreters or bilingual personnel.

Incoming Emergency Calls from Parents
If a parent calls the school during an emergency and does not speak English, office staff are trained to immediately connect them to an interpreter or a bilingual staff member.

Parents are encouraged to indicate their language preference on emergency contact forms to speed up this process.

Ongoing Staff Training

Front office, nursing, and administrative staff receive annual training on how to access interpretation services quickly during emergencies.

Parent Language Preference Records
Language preference is recorded during enrollment and regularly updated.
This ensures that communication systems target each family in the correct language automatically.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Tracking and Accountability:
Our administrative team will monitor staff completion of the Language Access Training through the WeLearnNYC platform's tracking feature. A completion deadline will be set and communicated to all staff, and reminders will be sent regularly through school email and staff meetings.

Built into Professional Development Time:
Time will be designated during regularly scheduled PD sessions or staff meetings to allow staff to complete or review the training, ensuring it is not overlooked due to scheduling conflicts.

Support for Access Issues:
Staff members experiencing technical difficulties accessing WeLearnNYC will receive support from our technology lead or designated staff to ensure timely completion.

2. Ensuring Understanding of Translation & Interpretation Best Practices
Staff Briefings and Discussions:
The Best Practices documents—"When to Provide Translation of Critical Written Communications" and "When to Provide Interpretation for Critical Oral Communications"—will be reviewed during staff meetings at the start of the school year and again mid-year.

Quick Reference Guides:
Summarized versions of these best practices will be provided to all staff as hard-copy handouts and digitally via our shared staff drive. These will be posted near commonly used phones and in the main office as reminders.

Role-Based Expectations:
Staff with regular family contact (teachers, secretaries, deans, guidance counselors, etc.) will receive tailored guidance on when and how to request translation or interpretation services appropriately.

3. Role of the Galaxy-Designated Language Access Coordinator (LAC)
Our school's Galaxy-designated Language Access Coordinator (LAC) plays a key role in sustaining language access awareness and compliance:

Dissemination of Updates and Resources:
The LAC will receive ongoing updates from NYCPS and will distribute new policies, tools, and language access resources to staff through email, during professional development, and via a shared digital resource folder.

Point of Contact for Questions and Requests:
The LAC will be the designated contact for staff questions about translation or interpretation requests and will assist in ensuring timely service through appropriate NYCPS channels (e.g., the Translation and Interpretation Unit).

Annual Review and Reflection:
The LAC will lead a yearly review of schoolwide language access practices, using feedback from staff and families to improve implementation and communication efforts.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Our school is committed to ensuring all families have equal access to information and support, regardless of their preferred language. To inform parents about available language assistance services, we will use a variety of communication methods tailored to meet their needs:

Translated Signage

We will display clear and visible signage in multiple languages (including Spanish, Mandarin, Arabic, and others as needed) throughout the school building, especially at the main office, cafeteria, and event areas, indicating where families can request language assistance.

Brochures, Flyers, and Letters

Important documents such as enrollment forms, event invitations, and newsletters will be translated into the primary languages of our school community and distributed both in print and electronically. These materials will include detailed information about how to access interpretation and translation services.

Parent Engagement Events

During events such as PTA meetings, Back-to-School Night, and International Parents' Night, we will highlight language assistance services available to families. Interpreters will be present to facilitate communication, and informational tables will provide brochures and answer questions.

Messaging Applications

We will use popular messaging apps like ClassDojo, Remind, and WhatsApp to send announcements and reminders

about language services in parents' preferred languages. These platforms allow two-way communication, enabling parents to request language support easily.

By using these strategies, we aim to ensure all families feel welcomed, informed, and empowered to participate fully in their children's education.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

In addition to utilizing the feedback collected through the OLA's Translation & Interpretation Feedback Survey, our school will implement multiple strategies to continuously gather parent input about the language assistance services provided. These methods include:

In-Person and Virtual Parent Focus Groups

We will host periodic focus groups with parents representing diverse language backgrounds to discuss their experiences with interpretation and translation services, identify barriers, and suggest improvements. These sessions will be conducted both in-person and via virtual platforms to maximize participation.

Anonymous Feedback Forms

Translated feedback forms will be made available at the front office, family resource centers, and during school events. Parents can complete these forms anonymously, providing honest insights on the quality and accessibility of language assistance services.

Parent-Teacher Conferences and School Events

During parent-teacher conferences and family engagement events, staff will ask parents directly about their satisfaction with language support and record any suggestions or concerns. Interpreters will be available to facilitate communication during these conversations.

Phone and Messaging App Surveys

Using preferred communication channels such as phone calls or messaging apps (e.g., WhatsApp, Remind), brief surveys will be sent to families in their preferred language. These surveys will focus on the ease of accessing language services and the effectiveness of communication.

Parent Advisory Committees and ELL Parent Councils

Our school's parent advisory groups, including ELL-specific councils, will regularly review language assistance services and gather member feedback to inform school practices and policies.

By combining these methods, our school ensures a continuous, comprehensive understanding of parent needs and satisfaction with language assistance services, enabling ongoing improvement and responsiveness.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Our school has made significant strides in enhancing language assistance services to better support our diverse family community. Over the past year, we have:

Expanded the availability of professional interpreters for parent-teacher conferences, meetings, and school events, ensuring coverage for the top five languages spoken by our families.

Translated key communications—including newsletters, report cards, enrollment forms, and event flyers—into Spanish, Mandarin, Arabic, and other prevalent languages.

Implemented multilingual signage throughout the school to guide families in accessing language support services.

Trained front office staff and educators on how to connect families with interpretation and translation resources efficiently.

Feedback Results:
Feedback collected via OLA's Translation & Interpretation Feedback Survey, combined with our school-based surveys and parent focus groups, has shown:

85% of families report feeling more confident communicating with school staff thanks to improved interpretation availability.

78% of parents find translated materials clearer and more helpful than in previous years.

Areas for growth include expanding language support during after-school events and improving response times for ad hoc interpretation requests.

Plans for Further Improvements in the Upcoming School Year:
Building on this progress and feedback, we plan to:

Increase interpreter staffing during high-demand times, including evening and weekend events, to ensure broader accessibility.

Develop an online portal where families can request interpretation or translation services in advance, improving scheduling and response efficiency.

Expand translation of digital communications and updates sent via messaging apps in families' preferred languages.

Offer additional staff training focused on cultural competency and effective use of language assistance resources.

Establish a Language Assistance Advisory Committee with parent representatives to provide ongoing input and help tailor services to community needs.

Through these efforts, our school is committed to fostering an inclusive environment where all families can fully engage and partner in their children's education.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

65

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5

Total number of teachers in this program:

5

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

5

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

The Title III program is dedicated to enhancing literacy and language development for English Language Learners (ELLs). Our primary focus is on strengthening foundational reading and writing skills, essential for academic achievement across all subjects. Recognizing the multifaceted nature of language acquisition, the program also emphasizes the development of listening and speaking abilities. By addressing all language modalities—reading, writing, listening, and speaking—we aim to provide comprehensive support that fosters both English language proficiency and overall academic success. This integrated approach ensures that ELL students are equipped to fully engage in classroom instruction and meet rigorous academic standards.

The program will serve all ELL subgroups in grades K–5, ensuring that every student has equitable access to high-quality language development opportunities. Instruction will be inclusive, culturally responsive, and tailored to meet the diverse needs of ELLs at varying proficiency levels.

Instructional Approach

ELLs will engage in a variety of instructional strategies aimed at building literacy and language skills through:

Small group instruction

Peer-to-peer learning

Use of visuals and realia to enhance concept understanding

Integration of literacy across content areas and creative activities

The program's curriculum is aligned with the Next Generation Learning Standards and embeds literacy development into engaging activities such as:
Art projects
Educational games
Group discussions and storytelling
These approaches are designed to foster language acquisition in a meaningful context, encouraging active participation and supporting academic growth.
The program will be supervised by an administrator whose work hours are from 2:45 PM to 6:00 PM. This supervision role and the program itself will be funded through Title III ELL funds.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Based on our Spring 2025 NYSESLAT data, we noticed that there was an increase in reading, and listening modalities. However, writing and speaking remains areas of concern.
Reading: Students showed an increase of one or two levels in reading modality across grade all grades.
Writing: Students in grades 3-5 showed an increase of one level in writing modality as evident by the Spring 2025 NYSESLAT results.
Listening: Students showed an increase of one or two levels in listening modality cross grade all grades based on Spring 2025 NYSESLAT results.
Speaking: Students showed a small increase of one o level in speaking modality cross grade all grades on Spring 2025 NYSESLAT results.

According to the end-of-year 2025 i-Ready diagnostic, ELLs in grades 3-5 showed an average of 19% grade-level proficiency in vocabulary.
indicating a high need to acquire grade-level academic vocabulary in order to understand what they are reading in context. Therefore, the after school program will use a reading program that put an emphasis on explicit vocabulary instruction.

Phonics is another area of concern, according to the end-of-year 2024 i-Ready diagnostic assessment, ELLs showed an average of 53% grade-level proficiency in phonics. Students in grades 3-5 need to demonstrate grade-level proficiency in phonics.

Students in grades 3-5 need to develop strategies to analyze texts at grade level to build grade-level comprehension.

According to the end-of-year 2025 i-Ready diagnostic assessment, students showed an average of 21% grade-level proficiency in comprehension.

Without the fluency and vocabulary, our students struggle to comprehend texts at grade level.

Exceptional Learners benefit from curriculum and additional interventions that are research-based programs that address the 5 pillars of literacy. Our students need teachers knowledgeable in the science of reading, specific interventions, and strategies.

Based on the End of Year iReady Diagnostic (May 2025), 81% of students in grades 3-5 are one or more grade levels below in ELA.
Based on the End of Year iReady Diagnostic (May 2025), 87% of students in grades 3-5 are one or more grade levels below in Math.

Based on the End of the year Ready Diagnostic i

Current curriculum and/or programs are not addressing or meeting students' needs. Limited number of staff members are able to implement ELA, Math, and Phonics lessons effectively.
Not all staff members are being trained in Ufli, EL, and Phonics for Reading.
Math PDs/workshops/trainings are limited.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

The Title III After-School Program will serve ELL students in grades K–5. All ELL subgroups will be eligible to participate, including Students with Disabilities (SWD) classified as ELLs, as well as ELLs at various proficiency levels: Newcomers, Developing ELLs, and Long-Term ELLs. This inclusive approach ensures that the diverse needs of all ELL learners are addressed through targeted support.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The Title III After-School Academy Program will run for approximately 20 weeks, beginning on September 17, 2025, and concluding on June 6, 2026.

Instructional sessions will be held on Tuesdays and Wednesdays, from 2:45 PM to 5:45 PM. In addition, Fridays will be dedicated to family engagement activities, which are designed to strengthen home-school connections and support ELL families in their role as partners in language development.

This extended learning time will provide consistent, focused instruction beyond the regular school day, supporting the development of English language proficiency and overall academic achievement for participating ELL students.

.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction will be English

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

The program will be staffed by a total of five teachers: two TESOL-certified teachers and three Bilingual-certified teachers. This combination ensures that students receive high-quality instruction tailored to both English language development and native language support, as appropriate.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Teachers will utilize a variety of instructional resources to support English language instruction, including Reading A-Z, Epic, Newsela, i-Ready, , CommonLit, UFLI, ELLs 2.0 Finish Line and Team Toolkit, UFLI, and SPIRE, among others. These resources will be provided at no cost or at a cost supported by Title III funds.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

The Title III After-School Academy will maintain comprehensive records to ensure effective program implementation and compliance. Student attendance will be recorded and stored electronically. In addition, a physical binder will be kept on site to store hard copies of parent notification and communication letters, signed authorization slips, and emergency contact information. All parent communications will be provided in the families' preferred languages to ensure accessibility and engagement.

To monitor student progress, teachers will use an electronic tracking sheet to record assessment data. Student performance will be assessed three times during the program: at the beginning of the year (September), mid-year (February), and at the end of the year (June). These data points will inform instruction and provide insights into each student's academic growth.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Professional Development Activities by Topic
1. Understanding Modalities and Proficiency Levels

2. Culturally Responsive Pedagogy and ELL Advocacy
Description:
Teachers will participate in workshops to better understand the cultural backgrounds of ELL students and how to incorporate culturally sustaining practices in the classroom.
.Funding:
Vendor-led; included in OTPS.

3. Strengthening Comprehension of Complex Text using High Leverage Strategies :
Focus on Vocabulary

4. Collaborative Planning and Co-Teaching Models:
5. How To Group Students for Success using iReady data and Acadience :
6. Differentiated Instruction and Scaffolding for ELLs
Description:
PD will focus on instructional strategies for differentiating content and scaffolding instruction based on English language proficiency levels, including use of visuals, sentence frames, and leveled questioning.
7. Collaborative Planning and Co-Teaching Models
Description:
Teachers will engage in facilitated PD on effective co-teaching models between ENL and content-area teachers, including time for collaborative planning.

All professional development activities listed will be funded under the Title III ELL program, with strict adherence to federal funding regulations:

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Rationale for the PD
Educators must understand the various modalities (listening, speaking, reading, writing) through which students learn and demonstrate understanding, especially when working with students at varying language or skill proficiency levels. Without this understanding, instruction may not be accessible or appropriately challenging for all learners.

1. Qualitative and Quantitative Data Analysis Supporting the Need
Quantitative Data Analysis:
ACCESS for ELLs Results 2025:

61% of ELLs scored below Level 4 in speaking and writing, showing a significant gap between receptive and productive language skills.

Students performed significantly better in listening and reading, suggesting instructional focus has been skewed toward receptive modalities.

Teacher Proficiency Self-Assessment Survey (Spring 2025):

Only 38% of teachers reported confidence in designing lessons that target different language modalities.

45% of general education teachers reported uncertainty in interpreting WIDA proficiency level descriptors.

Qualitative Data Analysis:
Teacher Focus Group Discussions:

Teachers expressed confusion about how to adapt tasks based on a student's language proficiency, especially in content-heavy subjects like science and social studies.

In classroom walkthroughs, students were often required to demonstrate understanding through writing only, even when their writing proficiency was far below their listening or speaking level.

2. Data Sources Used to Justify the PD
WIDA ACCESS Assessment Reports (2025)

In-house Teacher Self-Assessment Survey on Language Support Strategies (Spring 2025)

ELD Coach and Instructional Walkthrough Logs
Focus Group Notes from PLC and ELD Meetings
IEP and Language Support Plan Reviews (Mid-Year Audit)

Quantitative Data Analysis:
State assessment scores from the previous two years revealed that 42% of students with IEPs and 38% of English Language Learners (ELLs) did not meet grade-level proficiency in ELA and math. Growth metrics (e.g., Student Growth Percentile data) showed minimal progress among the bottom quartile students, particularly in grades 3-5.

Qualitative Data Analysis:
Teacher interviews and PLC (Professional Learning Community) discussions consistently reflected a lack of confidence and adequate training in adapting instruction for diverse learners. Teachers requested more support and tools to meet varied student needs.

Data Sources:

State assessment performance reports
In-house teacher surveys (Spring 25)
Instructional coach observation notes
PLC meeting minutes and teacher feedback forms

2. Professional Development Activity: Classroom Management and Culturally Responsive Practices
Quantitative Data Analysis:
Office discipline referrals (ODRs) increased by 25% over the past year, with a disproportionate number involving students from historically marginalized groups. Chronic absenteeism rose by 11%, primarily among students of color.

Qualitative Data Analysis:
Observation logs and post-observation conferences indicated that teachers struggled with building rapport and sustaining engagement in diverse classrooms. Feedback from the student climate survey noted inconsistent behavior expectations and a lack of culturally relevant content in lessons.

Data Sources:
School discipline and attendance data (SIS)
Student climate survey (2025)

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

The following teachers will be working for Title III After-school Academy:
Ms. Gomez
Ms. Guerrero
Ms. Colon
Mr. Griffin
Ms. Eusebio

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

School Calendar for Ongoing Professional Development during the 2025-26 school year

September, 2025: Understanding Modalities and Proficiency Levels: 1 session of 45 minutes

October 2025 : Culturally Responsive Pedagogy and ELL Advocacy : 1 session of 45 minutes

November 2025: Strengthening Comprehension of Complex Text using High Leverage Strategies :
Focus on Vocabulary :One session of 45 minutes

December 2025 Collaborative Planning and Co-Teaching Models: one session of 45 minutes

January 2026 How To Group Students for Success using iReady data and Acadience : 1 session of 45 minutes

January 2026: Getting your MLs Ready for the ELA Exam and NYSESLAT : 1 session of 45 minutes

February 2026: Guide for Successfully Teaching ELLs Part 1 sessions of 45 minutes

March 2026: Guide for Successfully Teaching ELLs Part 2: sessions of 45 minutes

April 2026 : Guide for Successfully Teaching ELLs Part 3 : sessions of 45 minutes

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Some topics to be covered during the professional development are:

Understanding Modalities and Proficiency Levels
Strengthening Comprehension of Complex Text using High Leverage Strategies : Focus on Academic Vocabulary
Building Academic Vocabulary to Support Diverse Learners
How To Group Students for Success using iReady data and Acadience
Getting your MLs Ready for the ELA Exam and NYSESLAT
Nurturing Literacy Through Collective Care
Guide for Successfully Teaching ELLs Part 1
Guide for Successfully Teaching ELLs Part 2
Guide for Successfully Teaching ELLs Part 3

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Professional Development Activities by Topic
1. Understanding Modalities and Proficiency Levels. Presented by Ms. Guerrero, ENL Teacher Ms. Gomez, ENL Teacher/ Coordinator and Heather Ryan, MLL/ELL Services Administrator

2. Culturally Responsive Pedagogy and ELL Advocacy. Presented by Ms. Guerrero, ENL Teacher Ms. Gomez, ENL Teacher/ Coordinator and Heather Ryan, MLL/ELL Services Administrator

3. Strengthening Comprehension of Complex Text using High Leverage Strategies : Presented by Ms. Guerrero, ENL Teacher Ms. Gomez, ENL Teacher/ Coordinator and Ms. Vasquez, Literacy Coach

4. Collaborative Planning and Co-Teaching Models: resented by Ms. Guerrero, ENL Teacher Ms. Gomez, ENL Teacher/ Coordinator and Ms. Vasquez, Literacy Coach

5. How To Group Students for Success using iReady data and Acadience : 1 session of 45 minutes resented by Ms. Guerrero, ENL Teacher Ms. Gomez, ENL Teacher/ Coordinator.

6. Getting your MLs Ready for the ELA Exam and NYSESLAT : 1 session of 45 minutes resented by Ms. Guerrero, ENL Teacher and Ms. Gomez, ENL Teacher/ Coordinator and Ms. Vasquez, Literacy Coach.

7. Guide for Successfully Teaching ELLs Part 1 session of 45 minutes. Ms. Guerrero, ENL Teacher Ms. Gomez, ENL Teacher/ Coordinator.

8. Guide for Successfully Teaching ELLs Part 2: session of 45 minutes. Ms. Guerrero, ENL Teacher Ms. Gomez, ENL Teacher/ Coordinator.

9. Guide for Successfully Teaching ELLs Part 3 : session of 45 minutes. Ms. Guerrero, ENL Teacher Ms. Gomez, ENL Teacher/ Coordinator.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

To ensure accurate documentation of all professional development activities related to English Language Learners (ELLs), the school will maintain a dedicated Professional Development Binder. This binder will include:

Sign-in sheets from each session

Agendas outlining the content and objectives of the training

Any additional supporting materials as needed for compliance or review

The original binder will be securely stored in the main office, while a duplicate copy will be available in the ENL room for staff reference.

This system will support transparency, compliance with Title III requirements, and facilitate easy access to training records for both internal and external review.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Summary of Family Engagement Activities Under Title III ELL Program
As part of our Title III ELL program, our school is committed to fostering strong partnerships with families of English Language Learners (ELLs) through meaningful engagement opportunities. All planned activities are designed to support student success by actively involving families in their children's education and are funded by Title III ELL funds at no cost to participants.

Family Engagement Activities by Topic:
Family Involvement and Academic Support
Parents will participate in workshops focused on strategies to support learning at home, including how to help with homework, understanding academic expectations, and navigating school systems.

Community Connections
Sessions will introduce families to local organizations and services that support immigrant and ELL families, helping them build networks and access resources beyond the school.

Effective Communication with Schools
Families will learn how to effectively communicate with school staff, access translation/interpretation services, and stay informed through school communication channels.

Language Development at Home
Workshops will guide parents on how to support English language development outside the classroom, including reading practices, educational games, and use of technology.

Family Literacy Series
Nurturing Literacy Through Collective Care
Participants will redefine what family engagement truly means looking at existing curriculum scope sequence of ELA in order to find authentic connections for families engagement.

The activities will be at no cost to families.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Rationale for Family Engagement Activities
To ensure our family engagement activities address the real needs of our school community, we conducted a thorough analysis of multiple data sources, including in-house parent surveys, attendance records, PTA meeting feedback, and informal family focus groups. This data helped us identify high-priority topics and optimal times for events, aiming to improve student outcomes by fostering strong school-home partnerships.

1. Literacy & Reading Night
Qualitative Data: Parents expressed a desire to better support their children's reading habits at home. Focus group comments revealed that many families lack strategies to engage reluctant readers or access to culturally relevant books.

Quantitative Data:
72% of respondents in our 2025 Parent Engagement Survey indicated an interest in literacy-focused events.

Time Offered: 5:00–7:00 PM to accommodate working families, based on survey responses showing that 67% of parents preferred evening events.

Data Sources:
In-house Parent Engagement Survey (Winter 2025)
Reading Benchmark Assessment Data

Parent feedback from October PTA meeting

2. Digital Safety & Technology Use Workshop
Qualitative Data: Parents expressed concerns about their children’s screen time and online safety during multiple parent-teacher conferences and informal family events.

Quantitative Data:
81% of surveyed parents requested guidance on setting limits for screen time and monitoring safe internet use.
45% of students in grades 4–8 report using social media regularly, based on an internal student technology use survey.
Time Offered: Two sessions—one virtual (12:00 PM) and one in-person (6:00 PM)—to ensure accessibility for different schedules.

Data Sources:

Parent-Teacher Conference Feedback (Fall 2025)

3. Bilingual Family Resource Night
Qualitative Data: Bilingual families, particularly Spanish-speaking households, reported language barriers in accessing school communications and understanding student support services.

Quantitative Data:
33% of our families identify as Spanish-speaking.
47% of Spanish-speaking respondents in our survey reported difficulty navigating school resources.
Time Offered: 6:00 PM, with childcare provided, in partnership with local community organizations.

4. Math Strategies for Home Workshop
Qualitative Data: Teachers reported frequent questions from parents about how math is taught today, especially related to Common Core strategies.

Quantitative Data:
65% of parents said they felt "not confident" or "somewhat confident" helping with math homework.
48% of students in grades 3–5 are performing below grade level in math, according to interim assessments.

Time Offered: 5:00–6:30 PM with math games for kids while parents attend the session.
iReady Math Assessment Data (Winter 2025)
Acadience Assessment Data February 2026

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Schedule and Duration of Title III ELL Family Engagement Activities

1. Bilingual Family Resource Night
Start and End Date: September 19, 2025 One-time event
Total Number of Sessions: 1
Day of Session: Thursday
Time and Duration: 6:00 PM – 7:30 PM (1.5 hours)

2. English Language Development at Home Workshop Series
Start and End Dates: October 7 – November 11, 2025
Total Number of Sessions: 6 sessions (bi-weekly)
Days of Sessions: Tuesdays
Time and Duration: 5:30 PM – 6:30 PM (1 hour)

3. Understanding the U.S. School System for Multilingual Families
Start and End Dates: January 16 – February 6, 2026
Total Number of Sessions: 4 sessions (weekly)
Days of Sessions: Thursdays
Time and Duration: 6:00 PM – 7:15 PM (1 hour 15 minutes)

4. Accessing School & Community Resources for ELL Families
Start and End Date: March 12, 2026
Total Number of Sessions: 1
Day of Session: Wednesday
Time and Duration: 10:00 AM – 11:30 AM (1.5 hours)

5.Math Strategies for Home Workshop
Start and End Dates: October. to March 2026
Total Number of Sessions: 3
Time and Duration: 8:30 AM– 9:30 AM (1 hour)

6. "Immigration Policy Overview and Understanding Pathways"
Start and End Dates: June 17 2026
Total Number of Sessions: 1
Time and Duration: 2:45 AM– 4: 45 AM (2 hour)

7.Nurturing Literacy Through Collective Care Series Presented by Office of Multilingual Learners: Nawai Qarooni (TBD)
Start and End Dates: September 29 to May 22, 2026
Total Number of Sessions: 4
Time and Duration: 8:45 AM– 9:45 AM (1 hour)

8.End-of-Year Celebration and Family Showcase
Start and End Date: May 22, 2026
Total Number of Sessions: 1
Day of Session: Friday
Time and Duration: 6:00 PM – 8:00 PM (2 hours)

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

1. Bilingual Family Resource Night.
This event is designed to empower multilingual families, promote inclusion, and strengthen the partnership between home and school to support student success.

2. English Language Development at Home Workshop Series
This event is going to empowers families with tools and knowledge to actively support their child's English language growth in a supportive and engaging way.

3. Understanding the U.S. School System for Multilingual Families Presented by: TBA
This event empowers families with the knowledge and tools to support their children's education, communicate effectively with school staff, and engage as active partners in their school community.

4. Accessing School & Community Resources for ELL Families
This event equips ELL families with practical knowledge and resources to overcome barriers, access vital supports, and strengthen their family's connection to the school and broader community

5.Math Strategies for Home Workshop
This event empowers families to confidently support their child's math growth, building skills and confidence that contribute to academic success.

6. Immigration Policy Overview and Understanding Pathways
This event empowers immigrant families with knowledge to make informed decisions, access appropriate legal support, and better understand their rights and opportunities within the U.S.

7.Nurturing Literacy Through Collective Care Series BD)
This event empowers families and communities to collaborate in fostering children's literacy through care, connection, and culturally responsive practices.

8 .End-of-Year Celebration and Family Showcase
This event is a meaningful way to close the school year with positivity, community spirit, and renewed motivation for the year ahead.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

1. Bilingual Family Resource Night. presented by: Ms. Rodriguez, Parent coordinator, Evelyn Gomez - ENL Coordinator/ Teacher, Deyanira Guerrero- ENL Teacher, Elizabeth Vasquez UFTTC, Mireiby Vega, Special Education Liaison
2. English Language Development at Home Workshop Series Presented by: Evelyn Gomez - ENL Coordinator/ Teacher, Deyanira Guerrero- ENL Teacher,
3. Understanding the U.S. School System for Multilingual Families Presented by: TBA
4. Accessing School & Community Resources for ELL Families Presented by: TBA

5.Math Strategies for Home Workshop Presented by: Ms. Rodriguez, Parent coordinator, Evelyn Gomez - ENL Coordinator/ Teacher, Deyanira Guerrero- ENL Teacher, Elizabeth Vasquez UFTTC, Mr. Berdugo DL Teacher
6. "Immigration Policy Overview and Understanding Pathways"
7.Nurturing Literacy Through Collective Care Series Presented by Office of Multilingual Learners: Nawai Qarooni (TBD)
8 .End-of-Year Celebration and Family Showcase Presented , Evelyn Gomez - ENL Coordinator/ Teacher, Deyanira Guerrero- ENL Teacher, Elizabeth Vasquez UFTTC, Dr. Keisha Green, Principal

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

To ensure that all families are informed and engaged in the life of the PS 30X school community, the school employs a variety of communication methods tailored to meet the diverse language and accessibility needs of our families.

Communication Methods
Digital Platforms: The school uses platforms such as ClassDojo and Instagram to share important updates, post events, and send timely reminders to families.

Print Materials: Letters and flyers are regularly sent home to inform families about upcoming events, programs, and resources.

Direct Outreach: Designated school staff and translators contact parents via phone calls, ensuring that critical information is delivered in a timely and accessible manner.

Language Accessibility
The school is committed to providing communication in families' preferred languages.
For English and Spanish, the school has in-house bilingual staff and translators.
For languages other than English or Spanish, the school uses technology tools such as:

Google Translate
TalkingPoints app
Over-the-phone interpretation services available in over 250 languages during regular business hours through a contracted vendor.
Families may request language interpretation services by calling (717) 935-2013.
By utilizing these tools and approaches, PS 30X ensures that every family has equitable access to information and opportunities to be involved in their child's education.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

To ensure compliance and transparency, the school will maintain a binder containing copies of all documentation related to family engagement and communication efforts. This binder will include:

Flyers and parent notifications

Agendas for parent workshops and events

Sign-in sheets documenting attendance

The binder will be stored in the main office and/or the ENL Room, and will be made available for review as needed by staff, administrators, or district personnel.
