Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Mission

PS 11X, in partnership with the entire school community, prepares every student for lifelong success through excellence in education.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

Our core beliefs about how students learn best are communicated throughout the entire school. We believe that an environment that is student-centered is essential. As a school with no limits to educate our students we ensure that the curriculum /tasks are rigorous and responsive to students' diverse strengths, needs and interest. Lessons/tasks are engaging, interactive and differentiated to provide opportunities for students to intermingle with each other, explore content with hands-on interactions, and receive differentiated tasks with scaffolds to allow all students to be successful.

We believe in tapping into students' natural curiosity. Our students learn best when there are a variety of modalities incorporated into their learning experiences. We believe that if students are reflective around their own work they can deepen their understanding of the content and take more ownership of their learning.

Our teachers are very cognizant when they are planning instructional tasks for their students. Instructional tasks are intentionally differentiated with various levels of supports and scaffolds, and student choice in presentation of material.
Teachers plan and refine curricula to meet the needs of our learners during collaborative teacher teams meetings where they delve deeper into the content, explore alternate ways to teach the material. They engage in productive discussion about modifications and to the curriculum and the pacing calendar. Teachers also meet in vertical bands by subject or subgrouping (special education, ELLs, lowest thirds, boys etc.) to ensure cohesion between grade levels.
We gather and analyze data to guide instruction and use this information to gain a full picture of the students and allow for targeted instruction that is tailored to students' academic needs.
The use of instructional technology is another way we attempt to reach all learners. The materials and instructions are presented in multiple ways. Students engage in small-group conversations around the content taught and learned which enables them to deepen their understanding and make comparisons among different approaches.

We adjust curricula based on data, and assess our adjustments through observation of students and looking closely at student work using an established protocol. We use an inquiry cycle to target specific students based on data,

and share our instructional findings at teacher team meetings. Students are identified based on our school's instructional focus and our current data. Learning targets are identified, and assessments to measure progress are established. Targeted instruction is provided regularly, and the strategies and findings are shared and assessed.

Our partnerships include:

*Catholic Charities/Mosaic (Beacon Program)
*Bronx Children's Museum
*BFSC instructional coaches in Math, Social Studies, Science and ENL
*Literacy Collaborative
*UFT Teacher's Center
*Astor Family and Children Services
*Early Reading Matters
*Teaching Lab
*NYCDOE Community Schools (ACDP)
*PLC
*Healing Centered Schools

Briefly summarize the key initiatives your school will implement this school year.

Some key initiatives that will be implemented this school year include:

*Continued collaboration with Community Schools (ACDP partnership)

*Continued work with Early Reading Matters, Literacy Collaborative, Teaching Lab

*Arts Programs (Arts Horizons, Music IQ, Town Hall, Studio in a School)

*Bronx Children's Museum/The High Bridge Visits

*Before and After School Enrichment Programs

*Clubs

*Green Bronx Machine Growing Lab

*Seed Room

*Parents as Learning Leaders

*PBIS Rallies

*Continued refinement of new math curriculum (Great Minds/Eureka Math)

What are the primary digital and/or print curricula/programs used for ELA and Math:

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	29%	By June, 2026, literacy for All Students will improve, as measured by a 7% Increase, from 29% to 36%, of percentage of students scoring at Levels 3 & 4, on the ELA State Exam in 2025.
All Students	61	By June, 2026, literacy for All Students will improve, as measured by a 20% Decrease, from 61 to 41, of percentage of students scoring at Level 1 on Acadience Benchmark on the Acadience EOY.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Instructional Coaching
Sharing of best practices (intervisitations, share fairs, learning walks, etc.)

Root Cause Addressed:

Teachers' capacity to use data and implement specific targeted Tier 2 and Tier 3 interventions and supports for lowest performing students is inconsistent across the school.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Weekly grade level teacher teams will analyze current data to prioritize the planning of specific skills and creation of targeted student groupings to progress within the school's shared reading curriculum.
Professional development cycles focused on data analysis and NYS standards will be developed and provided throughout the year to support teachers' capacity to plan/prepare effective classroom instruction.
Instructional coaches will support teachers and teacher teams by providing sustained professional development for teachers on how to interpret data and make appropriate adjustments in classroom instruction.
Principal and the Instructional Leadership Team will engage in monthly classroom visits (instructional rounds/collegial intervisitations) to provide targeted, actionable feedback to teachers to improve literacy instruction. Instructional

coaches will support teachers through cycles of student-centered coaching to utilize available data, identify areas of need, and implement differentiated instruction that meets the needs of all learners.

Throughout the school year, school leaders will leverage the Advance system of observations and support to visit classrooms and provide actionable feedback related to components 1a, 1e, 3b, and 3c of the Danielson Framework for Teaching. School Leadership Team will meet monthly to share, review, reflect, and revise the implementation of CEP action plan activities, strategies, and progress monitoring outcomes related to the Priority 1 goal.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Monthly ILT (Instructional Leadership Team) meetings will focus on updating status of CEP action plan activities for Priority 1, with successes, challenges, and next steps.
Weekly Supervisory/Instructional Cabinet meetings will focus on updating status of Advance Teacher MOTP ratings, feedback, support, and next steps.
Weekly Teacher Team meetings will focus on cycles including looking at student work, and collaborative pedagogical practices, with self-reflections and revisions to lesson planning and classroom instruction.
The data that will be collected and analyzed to determine progress and impact on instruction, student learning, and achievement may include the following: I-Ready Diagnostic Reading Assessments during 3 Progress Monitoring Periods (November, February, and June) Acadience Screener Assessments during 3 Progress Monitoring Periods (November, February, and June) Teachers' Advance MOTP ratings during 3 Progress Monitoring Periods (November, February, and June)
Monthly School Leadership Team (SLT) meetings will follow the NYC DOE recommended calendar of SLT activities and participate in shared analysis of the school's CEP progress monitoring for this priority.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	30	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 20% Decrease, in high infraction code of A18 which applies to inappropriate or unwanted physical contact from 30 to 24, per the OORS.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

-Purchased ThinkEqual program and teachers have teachers guide and resource booklet with all the read-a-loud
-Weekly PBIS meetings consisting of the guidance team, parent coordinator, Administration, Ms. Boyar SWD coordinator
-Lesson will be mandated for Kindergarten teachers to teach 1 period on Fridays.
-Teachers will have an SEL area or bulletin board reflecting the lessons and strategies.
-Continuing Mindup protocols such as mindful moments, meditation, brain breaks
-Calming room on the third floor
-Mindful Module (M&M Gardens) on the third floor for meditation
-Parent workshops focused on SEL

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2025 Math State Exam scores	Students are lacking the mathematical foundation for their current grade. Teachers have difficulty bridging grade-level content with foundational needs.	There is a need for students to engage in instructional routines to practice reasoning about mathematics and demonstrating number sense.
i-Ready EOY / BOY math	There has been little professional development around math content or varying ways to represent mathematical concepts to students.	There is a need for students to able to represent mathematical concepts in multiple ways

screener data		
NYSESLAT Data	ENL students continue to score significantly lower in writing on the NYSESLAT than on the other modalities, and they continue to lag behind their monolingual peers in all other screeners (i-Ready, Acadience)	There is a need for ELL students to write regularly with scaffolded support across all subject areas.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Action Steps
Weekly grade level teacher teams will analyze current data to prioritize the planning of specific skills and creation of targeted student groupings to progress within the school's shared math curriculum.
Professional development cycles focused on data analysis and NYS Math standards will be developed and provided throughout the year to support teachers' capacity to plan/prepare effective classroom instruction.
Instructional coaches will support teachers and teacher teams by providing sustained professional development for teachers on how to interpret data and make appropriate adjustments in classroom instruction.
Instructional coaches will support teachers through cycles of student-centered coaching to utilize available data,

identify areas of need, and implement differentiated instruction that meets the needs of all learners.
Principal and the Instructional Leadership Team will engage in monthly classroom visits (instructional rounds/collegial intervisitations) to provide targeted, actionable feedback to teachers to improve math instruction
Throughout the school year, school leaders will leverage the Advance system of observations and support to visit classrooms and provide actionable feedback related to components 1a, 1e, 3b, and 3c of the Danielson Framework for Teaching.
School Leadership Team will meet monthly to share, review, reflect, and revise the implementation of CEP action plan activities, strategies, and progress monitoring outcomes related to the Priority 3 goals.

Math on the 2024–2025 NYS Assessments (NYSED School Report Card), indicating a need for stronger foundational skills aligned to college and career readiness.		systems to ensure all students are reading and doing math at or above grade level by the end of 5th grade.
Chronic absenteeism for students in K–5 was over 34% during the 2024–2025 school year (NYC DOE School Performance Dashboard), negatively impacting academic consistency and student engagement.	Chronic absenteeism disrupts academic progress because students miss critical instruction time needed to build foundational skills in literacy and math, leading to gaps in learning and decreased engagement. Inconsistent attendance hinders students' ability to keep pace with grade-level expectations and participate fully in classroom activities. Family instability and housing insecurity contribute significantly to attendance challenges. When families face frequent moves, unstable housing, or economic stress, students often experience disruptions in their daily routines and face barriers to consistent school attendance. These circumstances can lead to missed school days or difficulty in accessing school resources. Limited access to wraparound supports, such as mental health services, transportation, and childcare, exacerbates absenteeism. Without these supports, families may struggle to overcome obstacles that prevent regular attendance, such as illness, transportation issues, or caregiving responsibilities.	Develop student goal-setting routines (academic and personal) embedded in SEL and advisory programming to increase motivation and accountability.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Various way to communicate with families (messenger, emails, phone calls, flyers, and outreach)
Sending reminders

Root Cause Addressed:

Communicating with families to ensure that with have a strong outreach and community
Events that support maintaining relationships even when they leave

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Address chronic absenteeism by implementing a tiered system of interventions, ranging from universal strategies to intensive, individualized support. Strategies included creating a positive school climate around attendance, engaging families, providing support services, and leveraging community partnerships. Data analysis, early identification of at-risk students, and consistent communication with families are a critical part of the plan.

The school will track attendance data to identify students at risk of chronic absenteeism and group them into tiers based on the severity of their absences to tailor interventions appropriately. Interventions will be tiered according to needs. They included universal strategies (Tier 1) such as
*Positive School Climate: Creating a welcoming and supportive environment where students feel connected and engaged.
*Attendance Incentives: Implementing rewards for good or improved attendance.
*Family Engagement: Building strong relationships with families and keeping them informed about attendance policies and student progress.

Targeted Interventions (Tier 2) for students who are moderately at risk will include:
*Mentoring and Counseling: Providing support from school counselors, social workers, or mentors.
*Home Visits: Reaching out to families to understand barriers to attendance and offer support.
*Referrals to Community Resources: Connecting families with services like healthcare, housing assistance, or after-school programs.

Intensive Interventions (Tier 3) for students who are severely chronically absent will include:
*Case Management: Assigning a dedicated staff member to work closely with the student and family to address complex needs.
*Collaborate with External Agencies: Partnering with social services, healthcare providers, or other organizations to provide comprehensive support

Root Cause Addressed:

*Many students and families leave for vacations early in June.
*Sickness, chronic illness, anxiety about school impacts students' attendance.
*Students in Pre-K-1st grade attendance is impacted by illness, weather, and a lack of understanding of the importance of daily attendance.
*Parent teacher conference half days impact the school's attendance.
*Students are absent before and after school holidays.
*Students miss the first week of school, often due to travel, which impacts their attendance at the beginning of the school year.
*Address physical and mental health issues that contribute to absences, including providing access to healthcare or mental health services.
*Students may be missing school due to lack of basic needs like food, clothing, or transportation.
*Students do not attend school the first 2-3 days in September (beginning of the school year).

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Identify students that have a history of chronic absenteeism and assign Success Mentors to make connections with them from the first day of school.
If students are absent, mentors will make a positive phone call home to students and families, identify barriers to attendance, encourage them to come to school, and speak with them about exciting things they have to look forward to.
Assign peer mentors to students that are at risk of becoming chronically absent during the second half of the year and create extracurricular activities for mentor pairs to participate in based on areas of interest.
The school will engage with community partners to plan family and community events at the school and community center that will foster a positive relationship with the families and community members.
Attendance events will take place quarterly to build trust, engage in conversations with families about the benefits of regular attendance, identify barriers to attendance, and work together to identify the root causes for absence.
Quaterly "Attendance Report Cards" will be sent home to inform families of students' attendance progress. Meetings will be held with families who are trending towards being chronically absent.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

When conducting initial evaluations, reevaluations, three year reviews, annual reviews and KIP evaluations, the IEP Team will
recommend the least restrictive environment on the continuum of services that best meets the current needs of students. To
do this, the IEP Team will analyze a students' present level of performance and measurable annual goals to determine the
level of service sufficient to support the student such that the goal is aligned to students' strengths and needs (IEP review
Questions 20-23). The SIT Meetings will be held bi-weekly to progress monitor students; School based IEP team will meet
weekly to analyze data for upcoming IEP meetings; Teachers and providers will monitor students' progress toward annual
goals regularly and inform parents three or more times during the school year.

During IEP Reviews, the SIT Team and other participating members will study how strong the alignment is between the
Present Levels of Performance and annual goals. The team will also study goals to ensure that they are observable, achievable,
and measurable. Feedback will be given to teachers and providers before finalizing IEPs by Special Education Liaison, IEP Team and AP. (IEP Review Question 28- Annual Goals specific to Students IEP Review Question 29 - SMART Goals IEP Review Question 58 - Strong alignment between goals and PLOP)

During IEP Reviews, the SIT Team will review impact of disability statements to determine if those statements are specific with a clear rationale for the IEP. (IEP Review Questions 20 and 23) IEP Review Question 20: Specific assessments used
to identify missing skills to participate in GE curriculum IEP Review Question 23: Effect of the student's disability described in detail, substantiating the rationale for the IEP During the final
round of IEP Reviews, the SIT Team will review impact of disability statements to determine if those statements are specific with a clear rationale for the IEP. (IEP Review Questions
20 and 23)

The IEP Team, Related Service Point Person and administration will work together to ensure that mandated Special Education programs and related services are delivered as per IEP mandates. Administration will reach out to the district Administrator of Special Education (ASE) should the need arise foran independent provider to deliver related services. The Related Service Point Person along with Assistant Principals will
monitor the Mandated Services report weekly; The IEP Team and Assistant Principals will review the Program Recommendations report weekly.

Special Education teachers and related service providers will utilize the in-house protocol tool for scheduling IEP annual reviews. This will provide an outline of steps to complete IEP meetings in advance of compliance dates. Following this protocol will provide more time for IEP reviews, feedback, guidance and revision before finalization. The IEP Team will review reports to monitor the status of initials, reevaluations,
and triennials. Administration will monitor the annual review schedules and regularly remind teachers and related

service providers about upcoming compliance due dates.

SIT meets to discuss student specific needs and determines next steps to support. Included in these meetings are the school psychologist, mandated school counselor, school social worker, IEP Teacher and administration, and as appropriate, parent(s) and stakeholders at the BCO. Students are supported through a multi-tiered system of supports (iReady, RtI, etc) prior to referral to special education.SIT meets to discuss student specific needs and determines next steps to support. Students are supported through a multi-tiered system of supports (iReady, RtI, etc) prior to referral to special education.

Professional development within the Special Education Department will be held to train teacher on how to incorporate student voice in the IEP at each grade level and ability level. Materials, resources, and tools will be shared out and given to the staff during the meetings that will be referenced as they write the IEPs.

Root Cause Addressed:

It is difficult for younger students to express their interest. They may have language difficulties and/or struggle with answering questions.

We can create surveys or pictures that the students can circle/point to to show interest.

Interviewing is very important, both the student and parent can provide information regarding goals, interests, activities, feelings, etc. which then can be used as student voice.

Students can draw, write words, sentences, be given choices to pick from, etc.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Professional Development opportunities directly for teachers from external resources (district, central, outside organizations/companies).

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

SLT meetings
Parent workshops
Weekly meetings with parents
Parent teacher conferences (September, November, March, May)
Monthly Coffee with the Principal meetings
Parent Association meetings

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

*Conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed.
*Providing information related to the intervention programs and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand.
*Weekly Tuesday Parent Outreach and Meetings
Services time-stamped with a beginning, middle, and end timeframe of cycle.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

189 students

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Housing:

This includes access to shelters, assistance with finding more permanent housing, and potentially even help with relocation from shelters to permanent housing.

Food:
SNAP (Supplemental Nutrition Assistance Program) and access to food banks or other resources are vital for ensuring families have adequate food.

Childcare:
Childcare services can be crucial for allowing parents to work or attend school, and there are resources available to help with this.

Domestic Violence Help:

Safe havens and support for families experiencing domestic violence are essential.

Work Opportunities:
Job training, placement assistance, and other resources can help families achieve financial stability.

Cash & Expenses:
This includes access to TANF (Temporary Assistance for Needy Families), SSI (Supplemental Security Income), and other forms of financial assistance.

Education:
Support for both children's education (including school enrollment and resources) and adult education or job training is available.

Health:
This includes access to Medicaid, CHIP (Children's Health Insurance Program), and other healthcare services.

Support from City Agencies:
The Human Resources Administration (HRA), Department of Education (DOE), Department of Homeless Services (DHS), Department of Health and Mental Hygiene (DOHMH), Department of Youth and Community Development (DYCD), and Administration for Children's Services (ACS) all play a role in providing these services.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

*Provide school supplies and uniforms to STH students

* Support coordinating of transportation services to and from school (when applicable)

*Identify and facilitate supports to housing-unstable students alongside team members inside the school, such as social work and guidance staff, attendance team members, health and mental health providers, teachers, school safety officers, and other personnel

*Monitor services provided in shelters and schools

*Identify students at risk or living with homelessness to coordinate tailored, data-driven, culturally relevant, trauma-informed strategies and supports.

*Resolve escalated student or family challenges, particularly regarding student transportation, school placement and registration, mid-year transfers, documentation of housing status, and other related issues.

*Conduct shelter, hotel or home site visits with families to share information about important services and supports and ensure that basic necessities (e.g., school material, transportation and supplementary educational services) are readily available.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

2 students

Social-emotional and academic supports include:

*Assignment of a Caring Adult mentor
*Immediate enrollment
*Regular check-ins with the Guidance Team
*Family meetings with the foster parent
*Transportation support
*Connection to community supports

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

Ps 11x participated in the Caring Adults program where students are assigned a specific staff member to conduct weekly check ins. In addition, Caring Adults conduct outreach to the families to ensure that necessary resources and supports are in place to promote stability and success.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

After analyzing historical demographics, a trend that has emerged is in attendance. Identifying specific barriers to attendance, including transportation and distance between the foster home location and the school is important to analyze. In addition, children in foster care benefit from school based and outside counseling to help navigate the changes in the transition.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

PS 11x has 2 students in foster care- one in Kindergarten and the other in Grade 3. Students in foster care receive additional counseling and support. These strategies help to alleviate childhood stress and build positive relationships. In addition, PS 11x hosts a Family Wellness Day and provide workshops and community resources for the entire family.

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

N/A

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

N/A

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

N/A

Provide a description of the materials purchased to support implementation of ELT.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school’s Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. PS 11X, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

P.S. 11 will support parents and family members of Title I students by:
- Providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- Providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- Fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- Providing assistance to parents in understanding City, State and Federal standards and assessments;
- Sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- Providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- Actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- Engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- Ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- Support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- Maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- Conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- Provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- Host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- Schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- Translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- life skills workshops
- learning Celebrations
- merging town hall with special events
- mental Health Support
- college and Career Speakers
- create virtual and in person workshops for families
- parent Coordinator office hours for parent engagement
- coffee/Tea with the Parent Coordinator
- parental surveys
- Citizenship and Immigration workshops
- movie night, sit & paint night and art night
- cook shop, cooking videos/demonstration
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 11X, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- Using academic learning time efficiently;
- Respecting cultural, racial and ethnic differences;
- Implementing a curriculum aligned to the State Learning Standards;
- Offering high quality instruction in all content areas;
- Providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- Conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- Convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- Arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- Respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- Providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- Involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- Providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- Ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- Ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- Notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- Arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- Planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- Creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- Assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by creating NYCSA, activate Kindergarten Kid Rise Save for College accounts for parents and providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- Sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- Supporting parental involvement activities as requested by parents and family members;
- Ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- Advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- Monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- Ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- Check and assist my child in completing homework tasks, when necessary;
- Read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- Set limits to the amount of time my child watches television or plays video games;
- Promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- Encourage my child to follow school rules and regulations and discuss this Compact with my child;
- Volunteer in my child's school or assist from my home as time permits;
- Participate, as appropriate, in the decisions relating to my child's education;
- Communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- Respond to surveys, feedback forms and notices when requested;
- Become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- Participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- Take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- Share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- Attend school regularly and arrive on time;
- Complete my homework and submit all assignments on time;
- Follow the school rules and be responsible for my actions;
- Show respect for myself, other people and property;
- Try to resolve disagreements or conflicts peacefully;
- Always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

PS11 administrators ensure that all students are provided with a curriculum that is aligned to the Next Generation Standards. Subject areas to include but not limited to ELA, Math, Social Studies, Science, and Social Emotional and Academic Learning are areas of concentration. Specific strategies and activities are intentionally embedded in each unit of study to strengthen students skills expand opportunities for students to experience academic and social emotional success.

In addition, we continued our partnership with the Teaching Matters and Teaching Lab and two UFT Teacher Center instructional coaches in with administration to support, reflect and adjust professional learning, instruction, pedagogy, and resources to deliver educational justice to all students especially to our MLs and Special Education population. To continue to build capacity, all teachers , paraprofessionals, and administrators participate in ongoing professional development.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

PK students that attend our school are being prepared to transition to Kindergarten socially, emotionally, physically and academically during their 4K year. They learning through exploration, language development , enrichment, gross motor and SEL activities. The students are engaged NYC Unitss of Study. Teachers participate in Kindergarten Curriculum professional development and Vertical ILT work to learn about the expectations of Kindergarten and higher. Orientations are held for both new and returning Kindergarten families. The IEP supports the Turning 5 families as they transition to Kindergarten as well.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
ACDP	All Students	Workshops	Family and Community Engagement
ACDP	Pre-K-1st Grade	Morning clubs/After school care, PBIS support, Arts/Stem/Mindfulness enrichment	Wellness and Integrated Supports
ACDP	Chronic Absence- Pre-K-2nd	Success Mentors, Fordham Mental Health Awareness Training, Acacia Network Support	Wellness and Integrated Supports

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

ACDP will share leadership and engage in collaborative planning by recognizing the importance of shared leadership in order to effectively achieve the annual goals of the community school. The CBO will foster such engagement through the following:
1. Open channels of communication- Establishing open, transparent and consistent communication with school stakeholders including; administrators, teachers, parents and students. Regular meetings, forums and feedback structures are put into place to encourage dialogue, exchange ideas, and address concerns.
2. The CBO will promote inclusive decision making by conducting community school forums and providing opportunities for families to engage in the decision making process.
3. Shared Goal Setting: ACDP will collaborate with the school community to set common goals and objectives. Through discussions and workshops, the CBO will seek input from the stakeholders to ensure that goals align with the needs and aspirations of the school.
4. Joint planning- Through structures, routines, and clear organization practices, the CBO will participate in joint planning of events for the satellite school and the main building through use of virtual online platforms and in-person meetings.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

Provide Personalized Outreach (Tier 1)

- Work with the main office staff and parent coordinator to ensure that parent phone numbers and email addresses remain at the beginning of the school year and cross-checking parent contact information when a parent reports an absence.
- For each student absence, a robo-call (Use of Robo System) will be initiated to the parent of each absent student to include a voice message, text message Class Dojo , and email to notify the parent of a recorded absence and the expectation to request the reason for absence from the parent. These calls are initiated by a District office to aid in the efficiency of day-to-day operations at the school.
- Weekly attendance meeting with team to discuss attendance concerns. Reach out to families regarding excessive absences, work with team to determine referral and Issued based criteria of Chronic Absences.
- Assist in hosting a transition meeting for students moving up from Pre-K into Kindergarten. Families will meet the team of teachers, tour the school, and learn about the importance of regular attendance for their child's academic success through their senior year. Support the Kindergarten Orientation process and building new relationships with families..
- Facilitate Attendance Success Mentor team- contacts parents along with Teachers and administration meet with parents regarding attendance issues.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

Through various partnerships, including Fordham's Mental Health Awareness Training for staff, ACDP will work in partnership with the school community, school-based response team and various community organizations. Through school wide events including, Community School Forum, Back to School Community Resource Event, and Family Wellness Day, the CBO will promote wellness and integrated supports within our community.

Eliminating Attendance Barriers (Tier 1)

- Promote awareness of the school breakfast program that is available to all students for free.
- Invite parents and community members to community meetings (Schedule)to help address the barriers that keep children from attending school. Topics may include mental health, transportation, homelessness and the McKinney Vento Act, Child abuse, domestic violence, foster care, and other topics identified by stakeholders (parents, teachers, administrators, students, community partners).
- A safe-walk-to-school program to address community safety.
- Health interventions such as flu shots, dental checkups, and Vision Screening management plans.
- Adoption of a school climate initiative aimed at improving approaches to student discipline and creating a more welcoming environment through positive behavior intervention systems. Make SRT referrals as needed for students in crisis and at risk.
- Parents are invited to family night events throughout the year and they are informed about services, programs, District policies.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

ACDP will identify goals of the Chronic Absenteeism students to ensure that their needs are being addressed. The goals identified include the following:

Goal 1 – 60-65 members of Annex and Primary School Identify highest chronic absenteeism

- 3K- kindergarten (chronic and severe chronic absences).
- For 1st Grade, our goal is to reduce the number of students with chronic absenteeism by 10 students (about 20%) December 15, 2024.

Goal 2 – Chronic Absenteeism (On-Going Developing)

Goal 3 – Severe Chronic Absenteeism: Our goal is to reduce overall chronic absenteeism of Subgroup by 30% (about 20 Students). ?

Tiered plan(s) will include School Wide interventions

- Implementation of Peer Success Mentors
- Engage Students and Families Directly though workshops and Coffee with The Principal
- Build and Set Reward System to Recognize Positive and Improved Attendance though attendance initiatives like backpack tags.
- Personalized Outreach (when Available)
- Resource outreach Communication Discuss and Find Barriers
- Hosting Kindergarten and New Families Orientation and Monitoring Data (Data Sorter)

TIER 1 Efforts

School-wide Attendance Campaign – Address all five core ingredients.
Tier 1 is intended to reach 100% of students, parents, school staff, and community stakeholders.
Cast a wide net. Structure team and School Wide Strategies to reach the largest audiences.

TIER 1 PLAN
A. Monitor Information and Data (Tier 1) DATA SORTER

- CS Team and Attendance Leadership, will review the percentage of Regular Attenders, At-Risk, Chronic, and Severe Chronic Absent students will be done weekly. The Attendance collaborative team and or School based coordinated members, will review Data at weekly meetings to help the team determine Intervention efforts and communications needs to support students and parents.
- Weekly administrative team will review report to provide running list of students in nonattendance. The Attendance and SLT team will determine steps for each student with the guidance from one or more members of the support teams (Collaborative Response -Intervention team).
- The administrative team will monitor attendance input from teachers and attendance to ensure that all students have an attendance code for each school day.
- Arrival and Attendance will be monitored daily by designated school personnel
- attendance is submitted correctly and unexcused absences are corrected in Pinnacle when parents call attendance line or submit absence notes.
- Attendance team members will monitor attendance-taking procedure daily as requested by administration.
- Bi-weekly, teachers will assist in monitor Data to help set goals for students in school- wide recognitions

B. STUDENTS AND FAMILIES (TIER 1) ENGAGEMENT
* School website to include a section titled “Report an Absence” under the Contact menu connective team to inform all School stakeholders how parents can report an excused absence by: (note, voicemail, email)
? School Website will include the dedicated Attendance Line phone number and a link to an online form.
? Communication- Through School’s regular Google Link or Shared Portal communications, Teams Meetings. Administrator or designee will include messages about school attendance to all (Teachers School Community) ?
? CS team and Designated School staff (Teachers, Paras, School support staff)will call or email parents to verify excused absences as needed.
? School Forums: Regularly shared information about the current attendance hosted at parent conferences, PTA meetings, SLT meetings, student assemblies, morning announcements, school newsletters, and Class Dojo or Kinvo
? Class Dojo or Kinvo and emails to communicate attendance goals to all parents. This strategy helps maintain a continued push to focus on the impact of attendance in relation to academic achievement.
? Scheduled Parent nights and Open House Re-iteration to parents are reminded of attendance policies
? School Administration, liaison CS team provide families with a parent/student compact/Agreement regarding the importance and responsibility for good attendance.
? School Social Media account relevant messages about attendance for our stakeholders. Messages on the school website will be positive and supportive.

? Front office/Support staff will meet each month to discuss customer service responsibilities and adapt procedures for ensuring a welcoming environment when visitors enter the front office (students, parents, guests, District staff).
? School staff will be encouraged to reach out to parents by phone, Class Dojo, and email to remind parents about the importance of attendance in the early grades.
? The Attendance Phone line will be checked and cleared daily by the attendance clerk.

C. PS 11 School Reward Good and Improved Attendance (Tier 1)
• 95-100% Regular attenders at school, recognize entire grade levels that have the highest percentage of students in regular attendance. Announcements, may be made during morning announcements/shows, lunch periods, afternoon announcements, a common bulletin board, and special student assemblies.
• School Attendance Store- Reward System Managed by CS team-through Ticket Process (School Wide)
• Start with "hello." Teachers, administrators, and support staff visibility in the hallways is helpful for safety. Greeting students with positive affirmations helps establish positive relationships and a healthy school culture associated with improved attendance. ?
• Congratulate regular attenders (parents Guardians) with through email through Dojo or Kinvo to all parents of regular attenders. Community partners(Mosaic) may share coupons or vouchers that can be distributed by email (saving paper, ink, time, and manpower for distribution).(School Reward System) Bulletin Board
? Student Incentives-perfect attendance awards such as school store prizes are given quarterly during awards ceremonies ?
? Parent incentives and school meetings recognizing good attendance.
• The administrator responsible for attendance will ensure that students have opportunities to participate in School-wide Attendance recognition events (certificates & prizes)

D. Provide Personalized Outreach (Tier 1)
• Ensure that parent phone numbers and email addresses remain current by encouraging online registration at the beginning of the school year and cross-checking parent contact information when a parent reports an absence.
• For each student absence, a robo-call (Use of Robo System) will be initiated to the parent of each absent student to include a voice message, text message Class Dojo or Kinvo, and email to notify the parent of a recorded absence and the expectation to request the reason for absence from the parent. These calls are initiated by a District office to aid in the efficiency of day-to-day operations at the school.
• Include attendance information on student report cards to display the number of days present, absent, and tardy. Accurate attendance recordkeeping helps facilitate this personalization.
• Administration meets-biweekly with the Social Worker to discuss attendance concerns.
• Social Worker and Attendance Success team (Comprised of CS team) reaches out to families regarding excessive absences to Determine referral and Issued based criteria of Chronic Absences.
• host a transition meeting for students moving up from Pre-K into Kindergarten. Families will meet the team of teachers, tour the school, and learn about the importance of regular attendance for their child's academic success through their senior year. ??
• Integrate information about chronic absence into all student report cards. Direct phone calls to discuss attendance, after-school opportunities (Pending Developing) (clubs, athletics, academic support programs, post-secondary plans).
• Attendance Success team- contacts parents along with Teachers and administration meet with parents regarding attendance issues.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for <u>all</u> students, including students in

temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

The community school will set up ongoing, monthly orientation presentation for new families who are new to the country, assigned in temporary housing, and registering through out the school year. The team will also create specific parent workshops for student with disabilities, support groups for SWDs and MLLs. The creation of events like SMART Stars will support students making a real transition and their families. The creation of the new arrivals retreat provide an opportunity for families who are new to the country to create a support group and form community with a shared experience of immigration.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Daisy Joy-Rodrigo
Assistant Principal (Where Applicable)*	Alejandara Urteaga
English as a New Language (ENL) Teacher*	Christina DiPietrantonio
Teacher (if school has a bilingual program must be a bilingual teacher)*	Emeliza Cruz
Parent/Guardian*	
Teacher	
Parent Coordinator	Jeanette Rodriguez
School Counselor	
Related-Service Provider	
Other (Name and Title)	Aquisha Jeremiah-ENL Provider
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

5

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

2

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

4

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

6

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

0

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

335

Total number and percentage (%) of current ELLs:

107 (31.9%)

Total number and percentage (%) of former ELLs:

5 (1.5%)

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

89 (83.2%)

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

18 (16.8%)

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

3 (2.8%)

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

22 (20.6%)

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Students are grouped homogenous in stand-alone ENL class. Instruction is provided using content-based thematic instruction focusing on both content and language objectives. The stand alone model is implemented by the ENL teacher working with a small group from the same grade and same proficiency level focusing on vocabulary development that will help them with the content area in their classroom lesson. When scheduling students for stand alone we use the CR Part 154 document to guide us on how to program the students so their mandated minutes are met

For example:
Entering & Emerging receive 360 minutes of ENL instruction, Stand-Alone ENL 180 minutes for Entering and 90 minutes for emerging
Integrated ENL 180 minutes for Entering and emerging students

Transitioning and expanding receive 180 minutes of ENL instruction, Integrated ENL/ELA 90 minutes and 180 for Expanding

Integrated ENL:

Students are grouped heterogeneous in the integrated model class. The ENL teacher works alongside the classroom teacher in planning, incorporating ENL strategies and differentiation techniques. The integrated model will be provided through dual teaching, parallel teaching and /or shadow teaching depending on the lesson being taught. Again, we use the CR Part 154 document to guide us on how to program the students so their mandated minutes are met.

For example:
Entering & Emerging receive 360 minutes of ENL instruction, Stand-Alone ENL 180 minutes for Entering and 90 minutes for emerging
Integrated ENL 180 minutes for Entering and emerging students

Transitioning and expanding receive 180 minutes of ENL instruction, Integrated ENL/ELA 90 minutes and 180 for Expanding

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

The Dual Language Program at PS 11 is from kindergarten through fifth grade. The classes are self-contained and grouped heterogeneously. Students at the Entering level of language proficiency receive the mandated 360 minutes per week which includes 180 minutes of stand alone ENL and 180 minutes of integrated ENL/ELA. The Emerging level receives 360 minutes which includes 90 minutes of stand alone and 180 minutes of integrated ENL/ELA. The Transitioning level receives 180 minutes of integrated ENL/ELA and the Expanding level receives180 minutes of integrated ENL/ELA or content area. Commanding level receives 90 minutes of ENL/ELA or content area.

We have a 50/50 model.

In the early grades (K/1), we are doing 80 Spanish/20 English to develop a strong foundation in their home language. We also include 50/50 of language of the day for social communication.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

In the stand alone program and dual language program all students in the Entering and Emerging levels receive two units of
ENL (360 minutes) , students in the Transitioning and Expanding levels receive one unit (180 minutes) and Commanding students receive 90 minutes, as per CR Part 154 by a certified ENL teacher or bilingual teacher, as per NYSED's required units of instruction.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

ENL Stand Alone, Integrated ENL, and Dual Language Program receive 1 unit of study of ENL/ELA (180 minutes) in the Entering, Emerging and Expanding Levels. .5 unit of study of ENL/ELA (90 minutes) in the Transitioning Level.

Dual Language Program receives 1 Home Language Arts period (45 minutes).

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Self contained model is implemented in PS 11 Dual Language Program for grades K-5. Students receive literacy, science, social students in English and Spanish. Math instruction is in English. These classes consist of English proficient students and ELLs in various proficiency levels.

We are trying something different where we are implementing the 50%/50% model by units Therefore, we are alternating between English and Spanish not daily but by Modules or units except for Math.

b. In which language(s) is each core content area taught?

Literacy - English/Spanish
Math - English
Science - English/Spanish
Social Studies - English/Spanish

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

The percentage of ELLs that are Newcomers is 83.2%. For Newcomers, data is collected to identify students who will need extra support and intervention. Small groups are created based on this information. These students meet at least three
times a week to address specific needs. The services provided to SIFE and Newcomers differ from the other subgroups
in that they get more individualized instruction (stand alone) with the following:
*Precise scaffolding strategies according to their language proficiency
*After school and/or morning programs to provide additional support and opportunities to use the English language
*Supplemental native language instruction to assist with language development skills through small group instruction.
*Provide texts in their home language as a scaffold
*Classroom Home Language Libraries. Teachers need to differentiate their lesson base on students' language proficiency and supports.
*Language Objectives to help students meet both language and content goals
*Bridging
*Bilingual Pairs

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

The percentage of ELLs that are Students with Inconsistent/Interrupted Formal Education is 2.8%.
We differentiate effective instruction for SIFE by providing the following:
* a print rich environment
* strategies that include: word associations, cognates, KWL charts and anticipation guides
* engage students in hands-on learning
* cooperative grouping

* strategies that weave together language and content instruction such as language objectives
* supports to SIFE and their family with the assistance of Guidance Counselor or Social Worker to address social emotional needs. *our *our Dream Squad focuses on family engagement in particular Newcomer and SIFE families through activities and programs.
*teachers use progress monitoring to assess language proficiency levels to make instructional decisions to adjust lessons or reteach.
*Bridging
*Bilingual Pairs

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

The percentage of ELLs that are Long-Term ELLs is 0%.
If we, by chance, have any Long-Term ELLs their instruction design will be different than for Developing ELLs. We would include the following in their instruction:
* create an individualized plan based on their language needs
* provide Academic Intervention Services as needed and based on multiple points of data
* include materials and instructional technology designed to support the different modalities such as computer programs, listening centers, etc.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

The percentage of students that are former ELLs is 1.5%. They continue receiving ELL support of 90 minutes of Integrated ENL and testing modifications (Bilingual Glossaries) for up to two years after they score a commanding in the NYSESLAT. The
former ELLs are also included in the After School Program for ELLs. In addition, teachers continue teaching vocabulary explicitly and along with building academic language.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

The trend that is noticeable about the at-risk levels of ELLs is that 83.2% is the highest - Newcomers (0-3 years) and then 44.9% - ELLs in Temporary Housing.

The trend we currently notice is we need to support strengthening their home language, and we are doing this by the use of Aprendo Leyendo in K-2. Teachers also build phonemic awareness in Spanish through the daily use of Heggerty.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

The most noticeable trends that are noticeable about the at-risk levels of former ELLs is
*80% of former ELLs score at Level 1 or 2 on both the NYS ELA and NYS Math
*60% of former ELLS are in Temporary Housing

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The language that represents the largest representation of ELLs at PS 11X is Spanish. PS 11 has staff members that are bilingual (speak both the English language and Spanish language) and they include: teachers, paraprofessionals, school aides, secretaries, Parent Coordinator, Community Coordinator, counselor, and social worker. All of our announcements/information that is sent home are in English and Spanish. We also have a Dual Language Program from Kindergarten through Fifth Grade. The language of instruction is English and Spanish. Home Language Arts, ELA (alternating language of instruction) and Content Areas are taught in Spanish.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

90 ELLS are Hispanic and 17 ELLs are Non-Hispanic. The racial classifications for Hispanic ELLs are: 15.6% American Indian or Alaskan Native, 18.9% White, 62.2% Blacks, 3.3% Native Hawaiian of Other Pacific Islands, and 0% Multiracial. The racial classifications for Non-Hispanic ELLs are: 5.9% White, 88.2% Blacks and 5.9 American Indian or Alaskan Native. All

Staff members have engaged in and continue being engaged in Professional Learning about Culturally Responsive and
Sustaining Education. They are ensuring that Gholdy Muhammed's 5 Pursuits are reflected in curriculum road maps and lesson plans.
They have modified curriculum to address the needs of ELLs. The libraries are all organized by reading levels, genres, and are multicultural.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

The trends that we notice in reviewing English Language Proficiency (ELP) at PS 11 is that the majority of our ELLs are in the Expanding and Emerging Level in their language proficiency based on the 2024 NYSESLAT data.

30 students met ELP sufficient progress through Methods 1, 2 and 3. 26 students did not meet ELP sufficient progress.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

Something that stands out when looking the data, a majority of our ELLS (30) are expanding and are progressing along the natural curve of the language acquisition process. Additionally, the data shows that we should devote more of our time to support our Transitioning and Emerging students to continue to progress along the language acquisition process.

Trends:

-Speaking is a strength for grades 3-5
-Reading, Writing and Listening was a strength for our ELLS in Grades 1-5. However,
-Overall in Grades 1-5 there is a clear need to provide additional and targeted support for our ELLS with their productive skills (Writing and Speaking)

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

ELA Assessment:
-The majority of our ELLS (Emerging, Transitioning, Expanding and Commanding) are scoring a Level 1 on the ELA.
-The majority of our students who are Commanding scored a Level 2 on the ELA.

Math Assessment:
-As math is a universal language, the majority of our ELLS scored a Level 1. However, our ELLS who tested out scored 2s and 3s, with most of them scoring 3s and showing true proficiency in math.
-We had Transitioning and Expanding students score a 3 in math.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

We have 23 ELLS with IEPS. The majority of these students scored Emerging or Expanding on the 2024 NYSESLAT.

The results of these subgroups indicated that with appropriate supports our ELLS with IEPs can demonstrate English Language Proficiency.
Additionally, there are some Emerging students whose documented disability may impact their ability to fully demonstrate English Language Proficiency.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Our school provides ELLs with a high-quality academic experience that leads to deeper learning by:
-using the Unit plans as well as the Stand Alone units that DOE provides for the ELLs
-students engaging in all 4 Hallmarks using grade level texts, rigorous discussions, daily writing opportunities, and vocabulary
-using the Stand Alone units to support students in building background knowledge in science and social studies.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The school's Instructional Leadership Team instructional design is for all students to be immersed in academic language and engage in meaningful discourse across all content areas. Considering the ELLs in our school, the focus of the ILT is to strengthen writing skills by providing opportunities for journaling followed by explicit instruction using The Writing Revolution to support teachers in writing. Opportunities are designed that students can engage in different academic discussions to learn and apply tier 2 and tier 3 vocabulary using multiple strategies to enable students to express themselves depending on their proficiency levels. Also, there are opportunities designed in the instructional design to include the 4 modalities (speaking, listening, reading, and writing), that the NYSESLAT measures. Additionally, the ENL coordinator is a part of the ILT to ensure that the needs of our ELLS are being met through the work of the ILT.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Core content areas are infused throughout the entire day. During the literacy block, Into Reading is used,. In the ENL classes, the language of instruction is English. In Dual Language Kindergarten through fifth grade students receive literacy based on the module that has been selected to be taught in either English or Spanish ensuring that it

is 50/50.

Teachers use visual representation, modeling, and other scaffolding strategies to make content comprehensible and enrich language development. Our classroom libraries include diverse levels based on theme, interest, and genre. The Dual Language classroom libraries also contain content area books in the students' native language (Spanish). Content area in Dual Language classes is delivered in both languages and in the ENL program it is delivered in English. Our Social Studies curriculum is Passport which incorporates strategies to reach the various levels of ELLs. Students work in groups and assignments are project based which integrates the four modalities (reading, writing, speaking, listening). Collaborative learning and the use of graphic organizers are specific teaching strategies employed during Social Studies. For science, we use Amplify which is an inquiry based approach to teaching science. Teacher delivers hands-on lessons, where students have an opportunity to observe, hypothesize, record, and predict information. Students work in collaborative groups that will facilitate accountable talk. Ells are supported by scaffolded lessons that allow them to demonstrate their learning through real -life applications such as planting, taking care of animals, and the patterns of the sky as observed from Earth. Teachers use hand - on activities and kinesthetic learning techniques to provide an optimal learning environment for our ELLs.

In the content area of math, Eureka Squared Math is used. Manipulatives and other materials are used to help students better understand the mathematical concepts by connecting them to real life situations. Content specific word walls are created to reinforce mathematical terms, along with symbolic representations. Students often work in collaborative groups or in pairs. Teachers scaffold instruction by presenting mathematical concepts in different ways such as modeling, partner work, mental math, visual, and math games. As an instructional approach, K-5 classes use bilingual pairs to support language development. Also, bridging is used across content areas to further support biliteracy and understanding between both languages. We offer bilingual glossaries which are NYSED approved which are used across all content areas.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Students are using IRead (English and Spanish) to support Into Reading, Eureka Squared and Iready (English and Spanish), Passport English and Spanish), Amplify English and Spanish) Fundations/Aprendo Leyendo English and Spanish), Heggerty, small group AIS services for ELLs and ELLs with IEP. Teachers use scaffolds to help support students in engaging with grade-level content, teach academic language & vocabulary to support building background knowledge, and use visuals to support students' understanding. Teachers also have students engage in collaborative group work to encourage thinking and student learning among themselves.

b. SIFE

For our SIFE we will have and provide:
-Supplemental native language instruction to assist with language development skills through small group instruction.
-Provide texts in their home language as a scaffold
-Classroom Home Language Libraries
-Precise scaffolding strategies according to their language proficiency
-Before School, After school and/or Saturday programs to provide additional support and opportunities to use the English language.
-To develop reading comprehension and reading foundations we use various levels of texts depending on their language proficiency levels.

-Bilingual and/or decodable texts
-Audio Books
-Bilingual Glossaries for ELA, Math and Science

The instructional strategies used are as follows:
-activating prior knowledge
-chunking of texts
-modeling
-visuals
-quick read and write
-bridging
-schema building

c. Newcomers

For our newcomers we will have and provide:
-Classroom libraries which include non-fiction, high interest, low level, multicultural literature to focus on a deeper understanding of their home country
-Supplemental native language instruction to assist with language development skills through small group instruction
-Before School/After school and/or Saturday programs to provide additional support and opportunities to use the English language
-Precise scaffolding strategies based on language proficiency levels (Language Stems and Sentence Frames for Writing and Speaking; Graphic Organizers)
-Research-based strategies: Total Physical Response; Knowing the child and implementing their cultural background (cultural responsiveness); Modified Speech Scaffolds
-group work and discussions
-visuals
-Translanguaging between students (Bilingual Pairs)
-Bilingual and/or decodable texts
-Audio Books
-Bilingual Glossaries for ELA, Math and Science
-JoySchool English to support the listening and speaking modalities as well as early reading skills.

d. Long Term ELLs

For our long term students we will have and provide: Inquiry based analysis of NYSESLAT data Individualized planning based on language needs Materials and instructional technology designed to support the different modalities such as computer programs, listening centers Academic Intervention Services Professional development for teachers which focuses on ENL strategies, scaffolding, and language acquisition methodologies Interim Assessments to assess growth and language development After school and/or Saturday programs to provide additional support and opportunities to use the English language

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

AT PS 11 we use curricular , instructional, and scheduling flexibility to support diverse diverse ELL/SWD to achieve goals by doing the following: Push in ENL services - Push in SETSS and ENL Provide Professional Development for all teachers in ENL and Special Education Collaborate with service providers, special education teachers, AIS Common Planning Team Meeting for both General Education and Special Education teachers to reinforce and reteach skills Students are scheduled to attend classes in General Education for Enrichment as recommended by IEP ICT Classes Flexible Grouping
In ENL we use English to offer 2 units of study for entering and emerging and 1 unit of study for transitioning and expanding using ENL methodologies during instruction to provide a learning environment which ELLs can effectively acquire academic knowledge. In Dual Language, we offer from grades kindergarten to second grade a period each day of Home Language through SEL, Heggerty and Aprendo Leyendo. Science and Social Studies is taught in Spanish/English by Modules. While Math is taught in English every day we use bridging to connect both languages. In third through fifth grade we offer 1 period of phonics and grammar in Spanish Home Language). Science and Social Studies is taught in - Spanish. While Math is taught in English every day.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

In our K-2 Dual Language classes, teachers assess Home Language through Spanish Acadience, Aprendo Leyendo. Students whose home language is Spanish will also be assessed using STARS Renaissance, an online assessment. Additionally, the Multilingual Literacy SIFE Screener will be used for students whose Home Language is not Spanish.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

To support co-teaching and collaboration among teachers for all ELL program models available at our school teachers meet in Grade Teacher Team meetings and Vertical meetings. They meet to plan and review the curriculum. They ensure to incorporate the targets of measurement TOMs and the proficiency level descriptors PLDs. They also analyze data and look at trends.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Our overall annual professional learning plan provide ENL, bilingual, monolingual, special education and support staff such as: paraprofessionals, guidance counselors, psychologist, occupational/physical therapist, speech, secretaries, parent coordinator, and community coordinator with ongoing opportunities to attend both on site and off site workshops which reflect current theory based learning practices used for ENL/Dual Language instruction. The

Bilingual/ENL Coordinator and ENL Provider attend several professional development sessions offered by the NYS/NYC Regional Bilingual Education Resource Network NYS/NYC RBERN, Division of Multilingual Learners DML, and the Bilingual Education Technical Assistance Centers BETAC to keep abreast of the recent approaches, innovations in ENL instruction, state standards , and improve teaching skills. Strategies learned are passed on to the ENL/Bilingual/Monolingual/Special Education teachers who work with ELLs as needed during our curriculum planning time, Grade Level, or Vertical Team meetings. Additionally, teachers have been trained on embedding the NYSESLAT rubric in their classrooms to assess student progress in writing. We have also built capacity by training teachers to be a part of the NYSESLAT scoring team and the ELL Identification Team. Also, attendance at the District 9 ELL/MLL Liaison Meetings allows for monthly updates on best practices for our ELLS and ensures we are in compliance with all State and City regulations.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

The screening assessment tools that are used are: iReady Reading, iReady Math and Acadience English and Spanish (K-2).

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

ENL self-contained and Dual language classes use PAF, Whole Phonics, CapIt and Rewards to develop phonics and literacy skills. In targeted data driven small groups, ELLS are receiving phonics instruction using PAF, Whole Phonics and Phonics for Reading. Students will receive small group data driven math intervention using Bridges. All of these interventions are are delivered in English and are designed to further develop their English language acquisition in a small group setting. Students engage in these interventions at the classroom level, in before school programs and after school programs.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

At PS 11 we use various data to guide instruction for ELLs within the Response to Intervention Framework. We use New York State ELA results, New York State Math results, formal and informal assessments and student IEP's. There are three tiers in the Rti framework: Tier 1, Tier 2, and Tier 3. At Tier 1, the classroom teacher will be supported with research based ideas to deliver effective Tier 1 instruction. At Tier 2, small group interventions are adjusted to help the student overcome his/her difficulties with the help of school support staff. At Tier 3, intensive and individualized intervention is given to help the student overcome his/her difficulties.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Formative assessments the school uses are:
* NYSITELL
* Spanish LABR
* HLA Assessment through Reading STARS in Spanish and Multilingual Literacy SIFE Screener
*Fountas and Pinnell Running Records

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

Students are appropriately evaluated in their native language in several ways: Spanish NYSITELL, Reading STARS in Spanish, teacher made assessments in Spanish. Students who are enrolled in testing grades the NYS Mathematics Exam and Science Exam are ordered in their native language. The school is also prepared to hire translators if needed for state testing.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

The summative assessments being used at PS11X from K-5:
-PS 11 ELA Unit Performance Tasks for grades
-NYSESLAT
-ELA State Test
-Math State Test
-Science State Test
-After reviewing the data, these assessments inform instructional design and guide curricular decisions to help to determine interventions that are needed. This information is shared in Teacher Team Meeting, ILT Meeting, RTI Team meeting, where a plan is created to give support to students who are not showing progress.

After reviewing the data, these assessments inform instructional design and guide curricular decisions help to determine interventions that are needed. This information is shared in Teacher Team Meeting, ILT Meeting, RtI Team meeting, where a plan is created to give support to students who are not showing progress.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

NYSESLAT is administered as soon as the window opens. The ENL/Bilingual Coordinator, an out of classroom ENL teacher and grade level Dual Language teachers administer the Listening, Reading and Writing exam to minimize instructional interruption for ELLS in general education and ENL self-contained classes. This also allows ELLs to continue to receive mandated services during the testing period. A testing schedule is created for Speaking which is done one to one and whole group testing for Reading, Writing, and Listening. PS 11 follows the guidelines that are outlined in the "NYSESLAT Teacher Administration Guide." For students with IEPs that need accommodations, our to classroom teachers give support to test them. The scoring of the test is done by the ENL/Bilingual Coordinator, out of classroom ENL teacher, ENL classroom teachers and Dual Language Teachers. This is done during enrichment time, Teacher Team meeting time and when needed afterschool.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

We ensure that current and former ELLs receive necessary accommodations for state assessments by informing the teachers via a list of names and email, at the beginning of each academic school year, of current and former ELLs that need extended time to complete their assessments. We also inform the testing coordinator at the beginning of the academic school year via a list and email of current and former ELLs that need necessary accommodations for state assessments. We also provide Bilingual Glossaries and translators.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Our school conducts monthly ELL program orientation meetings along with the new families that enter our building during the school year. In these meetings we ensure that the Parent Coordinator and a CBO staff member is present to facilitate translation via a translating device so that the families can meaningfully engage. The Parent Coordinator and Bilingual/ENL Coordinator coordinate to make a schedule to call parents a couple of days before and the day before to make sure they attend the meetings. Our school maintains evidence of these meetings with a monthly agenda and signature log. We conduct an orientation in September, another one in October and throughout the year.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

The school provides annual individual meetings with the parents of ELLs as part of their their Parent Engagement allotment. The dual language teachers and ENL teachers decided to have this meeting around mid-year so they could discuss goals of the program, the student language development progress, language proficiency assessment results, and language development needs in all content areas using current data collected during the first part of the

year. The meetings will be held in-person, via telephone or virtual based on parents preference. Teachers keep an attendance/log in sheet.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Our school ensures families receive all school communications and documents in the language they best understand. We ensure that we look at the HLIS Home Language Identification Survey), the last 2 questions where parents write the language preference when receiving information either written or orally. We also have our Parent Coordinator as well as the Community Based Organization - ACDP whom are Bilingual. We also have translation and pocket talk devices that we used during our parent meetings and graduations.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Our School develops activities that foster empowerment for families of ML/ELLS by having opportunities for parents to participate in workshops and different activities of their choice. Our school has a parent room where they can come and use technology for writing resumes and looking for employment. Our school determines the needs of the community by giving a survey at the beginning of the academic school year at the Monthly Coffee with the Principal meeting. The principal on these monthly meetings continues to ask the parents what are their needs, what would they want the school to offer them.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Our school ensure families are aware of family leadership opportunities by providing separate meetings at the beginning of the academic year to give the parents an overview of the different opportunities of leadership such as: Parent Association (PA), School Leadership Team (SLT), and Community Education Council (CEC) etc..

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

At PS 11, we have build partnerships with various organizations such as:
ACDP- Association Comunal de Dominicanos Progresistas/Community Association of Progressive Dominicans-we have a Resource Room for parents where there are computers and other technology resources which will assist parents in creating resumes, seek employment, etc.. This is their own space in our building in the North Yard (Lobby).

CBO-conduct parent workshops and experiences to support families
FRESH START- conduct Parent Retreat for newcomers to support them with the transition into a new country (DREAM SQUAD initiative)

SMART STARS- Temporary Housing parents meet quarterly on non-school hours to receive school resources
Healing Ambassadors- is run by a parent to support families with trauma informed practices

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

We provide translation services from the DOE services for families and students when needed during State Tests. We have translation units for our families that school staff uses during workshops/events and translation from staff who speak Spanish for parents/guardians.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Alejandra Urteaga-Assistant Principal
Aquisha Jeremiah-ENL Provider
Christina DiPietrantonio-ENL Coordinator
Luisana Roman-Teacher
Ana Taveras-Teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Our school has structures in place for identification of ELLs year round as required by the NYC DOE Policy & Policy
Reference Guide for ML/ELLs. The intake and identification of ELLs begins at registration at the beginning of the school year on the first floor in an area labeled "north yard" and continues throughout the school year. The Home Language Identification Survey (HLIS) which determines the child's eligibility for NYSITELL testing is administered by the identification team which are licensed pedagogues. in addition, an informal oral interview which consists of sample questions suggested by The New York State Education Department is given to the child in English by the ENL/Bilingual Coordinator/Provider and/or ENL Provider.
Eligible students are administered the NYSITELL, an assessment in English to determine eligibility within the ten school days of entrance to the New York City Public School, and if applicable the Spanish LAB/R assessment in Spanish to determine the language dominance and program eligibility. A Bilingual pedagogue fluent in Spanish is able to give added support to Spanish speaking parents and students during the intake process. For parents and students of other languages, it has been our experience that these parents come to the intake process with a friend or family member that can translate. We also are able to use the DOE Over the Phone Translation Services.
The identification for newly enrolled students with IEP's is performed by various personnel within the 20 day

window.
After registration the Parent Coordinator schedules a meeting with the LPT Team. This consists of the ENL Coordinator/Provider, the Special Education Supervisor, the Special Education Coordinator, the ENLProvider, the Parent Coordinator and the parent of the student. The LPT will determine if the ELL student with disabilities, is eligible to take NYSITELL. The HLIS, prior report cards, and IEP's are reviewed. Also the parent has the opportunity to share their input on the child and their preferences.
If the recommendation is for the student NOT to take the NYSITELL, the recommendation is sent to the principal, Ms. Joy-Rodrigo for review. If the principal accepts the recommendation made by the LPT members, then the recommendation is sent to the superintendent, Mr. Harry Sherman for final decision. This decision will be made within 20 school days. The NYSITELL Determination Form will be used.

After the NYSITELL is administered to the eligible students, notification letters will be sent to parents in their preferred language informing them of the ELL status and NYSITELL results. Parents are then invited to an orientation meeting where they can view a video that explains the different ELL programs offered in the school and they have the opportunity to ask questions before selecting the program they want their child to participate in. They will be notified that they have 45 days to appeal the ELL status of their child. All original and copies of letters and parent notification letters regarding ELL identification are kept in students' cumulative record and another is kept in the Bilingual/ENL Coordinator's office in a binder.
During the school year when new students are enrolled the pupil enrollment secretary informs the ENL Coordinator. The ENL Coordinator or any available member of the ELL Identification team will complete the identification process.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Christina	Dipietrantonio	Teacher - Regular Grades	10/30/2024	
Aquisha	Jeremiah	Teacher - Regular Grades - ESL	12/05/2024	

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards

If Other was selected, describe the resource here:

The data that is used to assess our school´s written translation and oral interpretation preferences is the Home Language Survey Part III that parents complete upon admission of their child to the school as well as the ethnic and race identification.
Both the Student Identification Emergency Card and the last two questions of the Home Language Identification Survey asks
the parent their preferred language before signing the form. PS 11´s largest population is Hispanic. Therefore, all communication that
is sent out to parents is translated into Spanish to assure that the parents understand the correspondence. At PS 11, we have the
Parent Coordinator who is bilingual and is available to assist parents. The Parent Coordinator and the Bilingual/ENL Coordinator interpret in PA meetings, workshops and Parent Teacher Conferences as needed for parents who speak Spanish. As for the
other few languages, the parents have indicated that they would like the correspondence to be sent in English.

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	1	0.25%	1	0.26%	0	0

FRENCH	6	1.50%	5	1.32%		
HAITIAN CREOLE	1	0.25%	1	0.26%	0	0
ENGLISH	221	55.11%	209	55.29%		
SPANISH	172	42.89%	162	42.86%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Monthly Calendar	

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

We have personnel to communicate in Spanish. We also have translation devices in both buildings.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

At PS 11X we will schedule Professional Development either in person or via Microsoft Team to ensure all staff members are aware of the goal of Chancellor's Regulation A-663 and what resources are available to meet compliance. The Professional Development will be on Translation and Interpretations Services and Language Access Requirements and Resources. (Over-the-Phone Interpretation Desk Aid, Language Access Handbook and T&I Unit Info Hub Link.)

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

At PS 11, all information regarding Chancellor/Regulation A-663 are displayed in the main entrance of our school as well as in the main office. The parents will be made aware of their right to receive their preferred language when we conduct our parent meetings, PTA meetings, parent orientations, etc. We will display by the main entrance copies of the
following in their home language: all the signage, flyers/brochures/letters, calendars, parent engagement events, Parent's Guide to Language Access and the NYC Public School Guidebook

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

The mechanisms PS 11 uses to gather feedback from limited-English-proficient parents, in the parents' language, on the language services they receive is to collect feedback in PTA meetings, ILT meetings, or ENL meetings. We will translate the Language Service Feedback Form in Spanish, for the other languages we will use the OLA's Translated Templates if available if not we contact the Lingualinx Vendor and then send home with students (backpacks), send blast email and/or make phone calls to get their feedback. We will contact the Over-the- Phone Interpretation if parents need.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

PS 11 has implemented the feedback to improve language services by making sure the parent coordinator, and/or other Spanish Speaking staff are accessible when parents enter the building. We also make sure that our teachers contact the Over-the-Phone Interpretation for the other languages that our parents speak if they need it.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

At PS 11, part of our mission is to prepare every student for lifelong success through excellence in education. Our goal is to help our ELLs students achieve their academic success by improving their academic abilities through the four modalities which are listening, speaking, reading and writing.

The students for this After School and Morning Program are students in grades K, 1, 2, 3, 4, and 5 which are students who are newcomers or are developing the English language and need to continue to build language, vocabulary, and background knowledge.

The After School Program will be offered on Wednesdays, Thursdays, and Fridays from 2:30- 4:00 p.m. The After School Program will commence on October 6, 2025 and run through May 22nd , 2026. The morning program will start from October 5th, 2025 - May 22, 2026 from 7:00 a.m. - 8:00 a.m.

The language of instruction will be in English and 4 teachers will provide instruction. The teachers are certified in ENL and/or Bilingual Education.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

At PS 11, part of our mission is to prepare every student for lifelong success through excellence in education. Our goal is to help our ELLs students achieve their academic success by improving their academic abilities through the four modalities which are listening, speaking, reading and writing. We also want to provide our newcomers support in building the English language as they are at an entering level based on the NYSESLAT.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

The targeted students for this after-school Program are students in grades K, 1, 2, 3, 4, and 5 which are students who have scored well below or below the Acadience Benchmark or are considered newcomers with an entering level on the NYSESLAT. This will be an academic intervention program geared to meet students needs based on Acadience data.

All ELLs will have the opportunity to do NYSESLAT Academy from October - May in preparation for the NYSESLAT Assessment .

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction will be in English. Home language is supported through bridging lessons and bilingual partnerships.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

There will be 4 teachers that will provide instruction. The teachers are certified in ENL and/or Bilingual Education.
2 ENL teachers
2 Bilingual teachers

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

The program for newcomers is utilize Joy School and Whole Phonics Program. Heggerty for phonemic awareness instruction.
The afterschool program will utilize decodable texts such a Geodes from Fundations, Whole Phonics, Reading A-Z, and guided reading texts.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Parents will be notified through a permission slip they have to sign in order for their child to participate in the ELL Academy. Our Payroll secretary maintains records of invoice for purchased materials. Parents are notified in their preferred language. The teachers take attendance for the after school program. We have teacher certification on file. We collect and keep record of any parent engagement activity and professional development where both parties need to sign in.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

In order for the Title III Program teachers as well as other staff responsible for delivery of instruction and services to ELLs to understand the needs of ELLs and to ensure equity in our ELLs, teachers will receive professional development. These professional development will be held as follows:

Whole Staff - during professional learning from 2:20pm - 3:20pm

ENL Inquiry Team - one Monday a month from 2:20pm - 3:20pm (team works together to analyze student data, to reflect on student progress and to create action plans that will improve instructional effectiveness.)

* Understanding the needs of our ELLs by analyzing the NYSESLAT ad NYSITELL data
*Accelerating Language Development with Favorite Digital Tools
*ENL Strategies for ELLs
*Advocacy for ELLs

The providers are: ENL Provider : Ms. Dipietrantonio and Aquisha Jeremiah
UFT Instructional Coaches - Ms. DiPietrantonio and Ms. Marianne Minnich

M&J Consultancy firm will provide Dual Language Teacher professional development (TBD)
BSE will also provide training to teachers as this is new to our school.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

In order for the Title III Program teachers as well as other staff responsible for delivery of instruction and services to ELLs to understand the needs of ELLs and to ensure equity in our ELLs, teachers will receive professional development.

Data sources utilized: Acadience, i-Ready, end of unit assessments, exit slips, Stars

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

The Dual Language Teachers, ENL Coordinator, Assistant Principal, and Principal will collaborate with M&J Consultancy group to support Dual Language classes in:

*Bridging Language by MG Consultants
* Understanding the needs of our ELLs by analyzing the NYSESLAT and NYSITELL data and how we will use the stages of language proficiency to meet those needs.
*Tier 1 instruction and how to incorporate scaffolds: We will focus on the rigor and engagement and how do we add scaffolds based on their language proficiency

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Dual Language Teacher will receive training training through M&J Consultancy Group. Time and date is yet to be determined as it's in the planning stages.

ENL Inquiry Team will receive training one Monday a month from 2:20pm-3:20pm. (team works together to analyze student data, to reflect
on student progress and to create action plans that will improve instructional effectiveness.)

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

The topics to be covered in Professional Development will be:

* Understanding the needs of our ELLs by analyzing the NYSESLAT data.
* Accelerating Language Development with Favorite Digital Tools
* ENL Strategies for ELLs
* Advocacy for ELLs

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

The providers for the Professional Development will be:
Ms. Urteaga-Department Supervisor
ENL Coordinator: Christina Dipietrantonio
ENL Providers: Aquisha Jeremiah
UFT Instructional Coaches: Ms. Christina Dipietrantonio and Ms. Marianne Minnich

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Agendas, attendance sheets will be collected by Ms. Urteaga and/or the ENL Coordinator (Ms. Dipitrantonio) or ENL Teacher (Ms. Jeremiah).

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

PS 11 deems vital to engage parents and families in every aspect of school life not only during regular school hours but also in the After School and Saturday Programs. Therefore, plans are created for parental involvement as an added intervention tool for our ELLs.

An initial parent meeting will be scheduled at the beginning of the program to discuss the purpose and components of the program. In addition, at this initial meeting the importance of attendance will be emphasized. Parents will be invited to participate in certain interactive activities throughout the program which will impact their child's achievement. Parents will have multiple opportunities to meet one on one with the teachers to discuss their child's academic progress. The Bilingual/ENL Teacher will be the provider. The parents will be notified via flyers, emails and/or phone calls.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

PS 11 deems vital to engage parents and families in every aspect of school life not only during regular school hours but also in the After School. Therefore, plans are created for parental involvement as an added intervention tool for our ELLs.

Parent surveys by the Parent coordinator and ACDP our CBO.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

The Parent Engagement activities will commence with an initial meeting at the beginning of the program and will continue with monthly activities as the program continues. They duration of the activities will be approximately 45 minutes to an hour. They will be conducted either in-person or via Microsoft Teams/Zoom.

Title I Election and Family Engagement Update

The Title I Election was held on October 15, 2025, with 27 parents in attendance. The election was successful, resulting in the election of a Title I Representative and an Alternate Title 1 Representative. Both elected representatives are currently reviewing a workshop that will last approximately 45 minutes to one hour.

Additionally, a family engagement activity was held on September 18, 2025, in celebration of "Dads Take Your Child to School Day." The event had a strong turnout, with 45 fathers participating. The activity lasted for one hour.

Details of the next family engagement activity will be shared once the event is scheduled.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Parents will be invited to participate in certain interactive activities throughout the program which will impact their child's achievement. Parents will have multiple opportunities to meet one on one with the teachers to discuss their child's academic progress.

The topics to be covered will be:

*Physical and mental health services in the community
*Establishing and maintaining a supportive home learning environment
*Communicating and collaborating with teachers, counselors, and principals
*Navigating the school system and accessing its resources
*Support children's emotional and social development

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

The Bilingual/ENL Teacher and Parent Coordinator will be the providers and other collaborators of the community. The parents will be notified via flyers, emails and/or phone calls.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

The parents will be notified of these activities via flyers, emails and/or phone calls. Flyers will be in English, Spanish and French. We accommodate Spanish speaking families with staff who can communicate and translate. We have available translation devices for workshops and we have available translation devices for teachers that request it to better communicate with their families.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

We keep the record of sign-in sheets, Agendas, flyers to maintain record keeping.

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

PS 11 deems vital to engage parents and families in every aspect of school life not only during regular school hours but also in the After School and Saturday Programs. Therefore, plans are created for parental involvement as an added intervention tool for our immigrant and ELLs.

An initial parent meeting will be scheduled at the beginning of the program to discuss the purpose and components of the program. In addition, at this initial meeting the importance of attendance will be emphasized. Parents will be invited to participate in certain interactive activities throughout the program which will impact their child's achievement. Parents will have multiple opportunities to meet one on one with the teachers to discuss their child's academic progress. The Bilingual/ENL Teacher will be the provider. The parents will be notified via flyers, emails and/or phone calls.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

PS 11 deems vital to engage parents and families in every aspect of school life not only during regular school hours but also in the After School. Therefore, plans are created for parental involvement as an added intervention tool for our immigrants and ELLs. The data source used was a parent survey sent out to all parents from the Parent Coordinator to help decide topics for PA workshops. The PA meets once a month during the school year.

This year we have the Dream Squad which supports New Family Orientations but the team is also looking to target new immigrant families and support our African families through targeted workshops.
