Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages

- Part C: Parent Communications and Engagement
- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

Lucero Elementary School

District Borough Number (DBN):

09X311

Grades Served:

K-5

School Address:

1425 Walton Ave, Bronx, NY 10452

Phone Number:

718-681-8701

Fax:

718-681-8707

School Contact Person:

Angela Tolano

School Contact Person Email Address:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Angela Tolano	Principal	
David Pitshone	Staff - UFT Rep	
Adam Smilowitz	Staff - UFT	
Rosemary Dall	Staff - UFT	
Erika Tenorio	Parent - PA President	
Santa Rodriguez	Parent	
Edith Villarreal	Parent	
Virginia Cayetano	Parent - Title I Chair	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Lucero Elementary School inspires compassionate, global citizens who collaborate to create a brighter future by fostering a lifelong love of learning, embracing intercultural understanding and respect, and leveraging technology to develop critical thinking and innovative problem-solving skills.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

Lucero Elementary is a K-5 Elementary School with a Dual Language (Spanish/English) program. We offer both Monolingual and Dual Language classes. Our school demographics within the city view are 92% Hispanic students,7% Black students, 2% White and 1% Multiracial. Currently, 23% of our student population are students with a disability, 54% of our students are Multilingual learners, and 95% of our students face economic needs.

In support of our students, their families, and the Lucero community, we have strong partnerships in collaboration with a variety of organizations. Our partnerships include organizations that support with a) Physical health of comprehensive medical care, vision, dental, and social - emotional health b) Academic assistance within the school building and outside facilities, c) Healthy eating classes, d) Assistance with housing, e) Public Assistance application process, f) Communication and Translation, g) Economic hardship in need of food and/or essential items and h) Access to cultural and artistic resources, providing a variety of resources to assist them.

Briefly summarize the key initiatives your school will implement this school year.

In the 2025 - 2026 school year, Lucero Elementary School will focus on strengthening and maintaining instruction with Heggerty, FUNdations, HMH Into Reading, Arriba la Lectura, and EnVision Math. These curricula align with our focus of strengthening targeted small group instruction as part of our core instruction. Additionally, we will be assessing our dual language students in English and Spanish in order to track the effects of our dual language program on student achievement in both languages. We will also be continuing our candidacy as an International Baccalaureate school.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
Math	K - 5	Savvas Envision	
Math	K - 5	Zearn - Digital	
ELA	K - 5	HMH Into Reading	
ELA	K-5	i-Ready Reading	
ELA	K-5	Amira	
ELA	K-3	FUNdations	
Literacy	K-2	Heggerty	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Spring 2025 K-2 Acadience Data - 32% of K-2 students made typical or better growth; 17% performed at or above benchmark status in Acadience	teacher fidelity when assessing students, teacher capacity	Need for repeated norming & gradual release when assessing students with Acadience
Spring 2025 -3-5 i-Ready Reading Data - 51.7% of 3-5 students made at or above 100% typical annual growth; 13.3% performed at or above grade level in i-Ready reading	core instruction implementation inconsistent across different classes	need to strengthen implementation of core instruction
Spring 2025 - 3-5 SWDs i-Ready Reading - 21.3% of SWDs in 3-5 made at or above 100% typical annual growth	new teachers in special classes, with a need	ensure teacher training for special education teachers on differentiation techniques

	for professional development	
Spring 2025 - All 3-5 students demonstrated 23.1% proficiency on the NYS ELA Exam	lack of exposure to a variety of questions for each standard	ensure that teachers unpack content and include a variety of questions for each standard

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	32%	By June 2026, all students in K-2 will improve their reading, as measured by a 18% Increase, from 32% to 50%, of students making at or above typical growth on the Acadience Reading Screener.
All Students	23.1%	By June, 2026, all students in 3-5 will improve their reading, as measured by a 7.9% Increase, from 23.1% to 31%, of percentage of students scoring at or above proficiency on the NYS ELA Exam.
Students with Disabilities (SWD)	21.3%	By June 2026, Students with Disabilities (SWD) in grades 3-5 will improve their reading, as measured by a 14% Increase, from 21% to 35%, of percentage of students who made at or above 100% typical progress on the i-Ready Reading Screener.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Acadience Reading Screener

Enter a Key Performance Indicator

% at or above typical growth

Baseline:

32% at or above typical growth

Enter the date for the baseline data:

Spring 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

June 2026 - 35%

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Curriculum Adoption and Teacher Training:
-pilot PAF with first grade to determine impact on student achievement and growth vs. the impact of FUNdations
-

Root Cause Addressed:

teacher capacity

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Pilot PAF with 1st grade ICT and 1st grade dual language and analyze the impact of this program vs. Acadience; Teachers will attend a three-day training in September.
Job-Embedded Coaching - the literacy coach will check in and meet weekly with the teachers and students in order to support with reading growth
Implement a consistent intervention period

Key Strategy 2 (Optional):

Develop a system for frequent diagnostic assessment and targeted interventions

Root Cause Addressed:

lack of exposure to a variety of questions; need for frequent checks for understanding

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
3-5 teachers will pilot Datamate, an online platform that mirrors the state exams
host "Understanding the ELA Exam" for families
3-5 teachers will unpack standards and lessons and utilize AI and other resources to develop a variety of questions aligned with the state exam
Students will utilize close reading to analyze texts
Teachers will conduct frequent checks for understanding during lessons

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Acadience
i-Ready
district assessments

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/30/2025	11/30/2025	Family Data Chats	Abbott House/ILT

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

professional development conducted by literacy coach and ILT

Instructional Resources

Acadience Screener, Heggerty, FUNdations

Schedule Adjustments

coverages for professional learning

Other Resources Needed

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYC School Survey Question - "At this school, students harass, bully, intimidate other students" - 77% of teachers/staff responded favorably (rarely or none of the time)	lack of a shared understanding of bullying, harassment and intimidation across the school	We need to develop a shared understand of what harassment, bullying and intimidation is
OORS Data Report - 41.5% of all OORS reports indicate the accused as a SWD with a service setting of 12:1	lack of a shared understanding and shared practices with de-escalating and preventing conflicts, as well as with working with students who have BIPs	teacher and para training on developing and implementing BIPs

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	23%	By June 2026, there will be an 8% decrease, from 23% to 15%, of all staff on the response to: “At this school students harass, bully, or intimidate other students,” on the 2026 NYC School Survey.
Students with Disabilities (SWD)	42%	By June, 2026, physical and mental wellness for Students with Disabilities (SWD) will improve, as measured by a 17% Decrease, in percentage of OORS reports in which SWDs with a service setting of special class are alleged to be the accused from 42% to 25%, per the Online Occurrence Reporting System .

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

NYC School Survey 2026

Enter a Key Performance Indicator

Survey Question - "At this school students harass, bully, or intimidate other students."

Baseline:

77% of staff responded favorably (rarely or none of the time)

Enter the date for the baseline data:

Spring 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

October 2025 - 23% of staff feel "At this school students harass, bully, or intimidate other students."

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

December 2025 - 20% of staff feel "At this school students harass, bully, or intimidate other students."

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

spring 2026 - 15% of staff feel "At this school students harass, bully, or intimidate other students."

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

OORS

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Train teachers in strengthening classroom culture by engaging in restorative practices

Root Cause Addressed:

lack of shared understanding of bullying, harassment, and intimidation, how to identify and resolve conflicts

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Train all classroom teachers in restorative practices. Teachers share the impact of restorative practices. Students share the impact of restorative practices
Through Sandy Hook Promise Start with a Hello and SAVE Club, students will advocate for antibullying and promote inclusion through campaigns and student action days

Key Strategy 2 (Optional):

train teachers and paraprofessionals on developing and implementing BIPs

Root Cause Addressed:

lack of a shared understanding on working with students who have a variety of special needs

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Special Education liaison and district support for developing and implementing BIPs
check-ins by the special education liaison
Inclusion Innovators NYCPS Pilot - develop one model class in which inclusive practices are observed. Inclusive practices in terms of technology, classroom environment, teaching strategies, etc.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

number of staff trained in conflict resolution
reduction in OORs reports

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	12/31/2025	Coffee with the Principal, family workshops	Abbott House

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

CBO, parent coordinator, workshop trainers

Instructional Resources

coursework associated

Schedule Adjustments

coverage for teachers

Other Resources Needed

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
June 2025 - K-2 i-Ready Math - 45.7% of students made at or above 100% typical growth	teacher training, student dependence	develop teacher and student content knowledge
June 2025 - 3-5 i-Ready Math - 51.7% of students made at or above 100% typical growth	teacher training	develop teacher and student content knowledge
June 2025 - K-5 i-Ready Math SWDs - 41% of SWDS made at or above 100% typical growth	special education training	need to work on differentiation techniques
Spring 2025 NYS Math Exam - 19.5% proficiency	teachers do not have a deep understanding of	teacher training, unpacking of content, unpacking of standards

	content	

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	46%	By June, 2026, the percentage of K-2 students who made at or above 100% typical growth will Increase by 9% from 46% to 55%, for all K-2 students, as measured by the i-Ready Math screener .
All Students	19.5%	By June, 2026, the percentage of 3-5 students making at or above proficiency in Math will Increase by 10.5%, from 19.5% to 30%, for all students in grades 3-5, as measured by NYS Math Exam Results .
Students with Disabilities (SWD)	34.5%	By June, 2026, the percentage of K-5 students with disabilities making at or above 100% typical growth will Increase by 10.1% from 34.5% to 45%, as measured by i-Ready Math screener .

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

developing teacher and student content knowledge through NYCPS shifts by unpacking the shifts, the standards, and the curriculum

Root Cause Addressed:

teacher lack of content knowledge

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Math coaches will work with teachers in a cycle of learning on mathematical shifts in which teachers engage with each of the shifts; math coaches will support teachers in implementing the mathematical shifts in their instructional practices
teachers will unpack lessons and standards. Teachers will unpack student data and identify tiered instructional activities to implement during the lesson

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Abbott House, New Settlement, social worker, math coaches

Instructional Resources

NYCPS mathematical shifts, EnVision program

Schedule Adjustments

coverages for teachers

Other Resources Needed

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
60% of eligible students enrolled in NYC Kids RISE	parents need support in creating an account	support parents in registering for an account

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	60%	By June 2026, there will be a 15% increase in the number of students at Lucero Elementary School enrolled in the NYC Kids RISE Save for College Program, from 60% to 75%, as measured by NYC RISE enrollment reports.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Provide parents with a contact/mentor to support them in enrolling their child in NYC Kids RISE Save for College program.

Root Cause Addressed:

parents having difficulty with enrolling their child in the NYC Kids RISE program using the online platform.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
support parents in enrolling NYC Kids RISE at the Back-to-School Fair, Fall Harvest Festival, Coffee with the Principal events, and College & Career Week by advertising and having a support team available to assist parents.
host an informational session with parents about NYC Kids RISE
assign mentors to families who need to enroll in NYC Kids RISE and mentors conduct outreach

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

monthly review on NYC Kids RISE Enrollment

Priority 4 Family and Community Engagement

pamphlets, flyers, websites

Schedule Adjustments

N/A

Other Resources Needed

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYC School Survey 2025 - "During the school year, you have attended a school meeting, school event, or parent-teacher conference (virtually or in-person)?" - 93% responded favorably	scheduling - due to work schedules and responsibilities, some parents are not available to attend	need to present more virtual options, conduct meetings at

	meetings, not enough virtual options	various times during the day.
Student Enrollment - 298 students - June 2025	parents opt for charter schools due to after school options, students are moving out of the city	advertise for enrollment

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	93%	By June 2026, favorable responses to family survey questions around parent involvement in schools will increase by 7%, from 93% to 100%, according to the 2026 NYC School Survey.
Parents of All Students	298	By June 2026, the number of students at Lucero Elementary School will increase by 17, from 298 to 315, as measured by the RAPR report in ATS.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

present more virtual options for parents to engage in family events & change scheduling of events (not all events to take place at 8:30 am)

Root Cause Addressed:

parents have expressed that they cannot attend events in the morning, as they are working or have other responsibilities that prevent them from attending

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
survey the parents about what they would like to learn more about
create hybrid opportunities for parents to attend events
host events that occur at different times of the day (some events in the morning, afternoon, and evening)

Key Strategy 2 (Optional):

advertise for open enrollment at Lucero

Root Cause Addressed:

parents are opting for charter schools due to afterschool availability

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
forge a partnership with a new CBO, Power Play, that can offer additional after school seats
conduct presentations at daycare centers and pre-K sites in order to increase enrollment

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

monthly checks of ATS register reports
keeping track of parent participation for family events

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	12/31/2025	parent meetings, coffee with the principal, raffles	Abbott House, parent coordinator, New Settlement

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Abbott House, New Settlement, parent coordinator

Instructional Resources

Schedule Adjustments

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Insight - 91% YTD (June 2025)	last week of school - attendance was in the 70% for the whole week; weather (rainy days, heat wave)	spirit weeks, focus on students who have 2 or more years of chronic absenteeism
Insight - 34% Chronic Absenteeism	health-related reasons; busing issues; families in deep need for community resources and support	Revisit the role of the mentor and pairing families with team members from Abbott House, social work
Insight - 46% of students with disabilities are chronically absent	busing issues; teacher turnover	build teacher capacity to connect with families

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	91%	By June 2026, the year-to-date overall attendance will increase 2%, from 91% to 93%, as measured by Insight.
All Students	34%	By June 2026, the Percentage of Chronically Absent Students for all students will decrease by 6%, from 34% to 28%, as measured by the Insight Chronic Absenteeism Reports .
Students with Disabilities (SWD)	46%	By June 2026, the Percentage of Chronically Absent Students for Students with Disabilities (SWD) will decrease by 11%, from 46% to 35%, as measured by the Insight Chronic Absenteeism Reports .

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

mentor matching according to resources

Root Cause Addressed:

need for matching mentors according to root causes of chronic absenteeism for each particular case

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
weekly attendance meetings
weekly check-in with attendance mentors
tracking chronic absenteeism percentage

Key Strategy 2 (Optional):

Identify chronically absent students by tier of chronic absenteeism and provided targeted support based on tiers

Root Cause Addressed:

Some students are borderline chronically absent and this needs to be identified and addressed as soon as possible in order to effect change on their status as chronically absent.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
identify chronically absent students and identify based on tiers of chronic absenteeism; identify root cause of absenteeism; link each student/family with appropriate resources and mentors
celebrate students' improvement in attendance

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
IEP Reviews	Need for further training in specially designed instruction and fidelity check.	IEP Development and Fidelity of Implementation
		Transition Planning and Compliance
	Need in identifying students in need of RTI	Referral Process and Equity

BIP progress monitoring 2024	Need for fidelity on progress monitoring.	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	50	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve implementation of Specially Designed Instruction within the classroom that is reflective on the student academic growth and in the IEP PLOP. by a 35 Increase, from 50 to 85, as measured by during the year by IEP reviews, goal progress-monitoring, and IEP review dashboard towards end of the year.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Implementing of Specially Designed Instruction.- Training opportunities within the school day to support teachers with Specially Designed Instruction and it's implementation and indication in the IEP PLOP.

Root Cause Addressed:

The need for implementing of Specially Designed Instruction and indication in the IEP PLOP.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Professional Development to provide teachers with needed skills.
In-class Support to provide teachers with opportunities in implementing and at-the-moment feedback.
Fidelity Check-in for continued support in implementing specially designed instruction
IEP reviews to provide support in writing specially designed instruction within the IEP PLOP.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The following structures are to progress monitor the implementation of key strategies and actions. The use of the IEP reviews throughout the year to reflect the same timeframe of report cards and progress reports in November 2025, March 2026, June 2026. Attendance for SDI Professional Development, Fidelity check within some of the months in between the IEP reviews October, January, and May.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	03/20/2026	Family Workshops on IEP and Disabilities	Abbott House and Service providers.

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

IEP Interventionist, Special Education Teachers, Service Providers, CEO.

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Math: Tier 2 Intervention	Students that perform below grade level.	Savvas Envision Tiered Small Group Instruction	Small Group	During	No
Math: Tier 3 Intervention	Students performing far below grade level with little to no progress with 6 weeks of support in tier 2	Zearn	Individual	During	Yes
Math: Tier 3 Intervention	Students performing far below grade level with little to no progress with 6 weeks of support in tier 2	iReady	Individual	During	Yes
Literacy: Tier 2 Intervention	Students below grade level and students who are making little progress.	Guided Reading	Small Group	During	No
Literacy Tier 3 Intervention	Students performing far below grade level with little to no progress with 6 weeks of support in tier 2	SPIRE	small group	During	No
Literacy Tier 3 Intervention	Students performing far below grade level with little to no progress with 6 weeks of support in tier 2	Sounds Sensible	Small Group	During	No
Literacy Tier 3 Intervention	Students performing far below grade level with little to no progress with 6 weeks of support in tier 2	Amira	Individual	During	Yes
Literacy Tier 3 Intervention	Students performing far below grade level with little to no progress with 6 weeks of support in tier 2	I-Ready	Individual	During	Yes

Literacy Tier 3 intervention for 3-5	Students performing far below grade level with little to no progress with 6 weeks of support in tier 2	Heggerty	4:1 small group	during	no

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2 Conflict Resolution	Intervention based on incident	Conflict Resolution	small group one-on-one	During school hours: 30 minutes	No
Tier 2 Check-in	Referral, counseling, intervention based on OORS	one-to-one counseling or mediation	one-to-one	5 mins every morning and afternoon	No
Tier 2 Mentoring	Referral, counseling, intervention based on OORS	one-to-one counseling or mediation	one-to-one	5 mins. every morning and afternoon	No
Tier 3 At-Risk Counseling	Teacher referral	one to one tier 3 individual	one-to-one	Everyday 6 1/2 . May meeting after each period for a quick check in	No
Tier 3 BIP	Special Education SBST	Special Education Service	one-to-one	meeting after each period for a quick check in. After 6 weeks the intervention group meets and check in and revises or make changes if need	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

The essential components of MTSS are shared with families through family events, such as Coffee with the Principal. Families are also invited to visit to see firsthand the implementation of MTSS programs. Additionally, each teacher will share progress reports of how each student is doing and what MTSS they are being provided with. Progress will be reported to families every 6-8 weeks, after the end of each MTSS cycle.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Through progress reports and meetings, parents will receive updates on the progress of their child(ren) who receive Tier 2 or Tier 3 interventions.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

During progress reports, families are provided with strategies to support their child and they are invited to share strategies that support their child. Additionally, families are invited to provide feedback on what they notice in terms of their child transferring skills.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

99 students are housing insecure.

72 students are Doubled up (with friends or relatives because they cannot find or afford housing):
22 students are living in a Shelter
5 students have another temporary living situation

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

We notice that out students who are housing insecure outperform their peers on the i-Ready math assessment, which they underperform their peers in reading assessment. This indicates that our population of housing insecure students need more support with reading, and that intervention can support them.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select

services aligned to need?

The families will be provided:
-supplies and school uniform,
-services such counseling,
-emotional support,
-time to enjoy together
-establish connections with the families.

Workshop with parents with different organizations like:
-NYSTEACHS at Advocates for Children(Open external link)
-The National Association for the Education of Homeless Children and Youth (NAEHCY) Scholarship Fun(Open external link)
-NYC.gov Runaway & Homeless Youth(Open external link)
-School House Connection(Open external link)
-Children's Health Fund(Open external link)
-NYC.gov Homelessness Prevention

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

We currently have 4 students who are in foster care.
Our 4 students and their families are supported by our social worker and the social worker in Abbott House. They communicate weekly with the foster care agency and foster care social worker, as well as the foster care parent.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

We designate liaisons and points of contact between the school and the foster parent/agency.
Our school and the agency works together to ensure that transportation is secured.
We provide counseling services.
We collaborate with the foster care agency in order to determine an optimal care plan for the student.
We support the student with any academic interventions necessary.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

We have noticed that our students in foster care have good/excellent attendance, and that their achievement data is below that of their peers.
These insights indicate that academic intervention services can support their achievement.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Trauma-informed trainings
Consistent and predictable environments
counseling supports
embedding SEL into the curriculum
restorative practices

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

NA

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

NA

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

NA

Provide a description of the materials purchased to support implementation of ELT.

N/A

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

Ps 311X will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 311X, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Ongoing Professional Development at PS 311 will be concentrated on developing objectives that are aligned to the Next Generation Learning Standards, Developing and using assessments that inform whether or not the students have met their objectives, Depth of Knowledge, and Questioning. In relation to teachers of ELLs , these school - wide PD goals will have an added lens of how to think about these 4 areas of development relative to ELLs. Teachers of ELLs will receive PD on developing content and language objectives for students. PD activities will relate to the four over arching PD goals. PD activities will also include curriculum mapping, ELL strategies, lab sites / intervisitations, and policies and procedures. Administration, ENL Coordinator and ELL teachers will attending monthly District Liaison PD

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

PS 311 facilitates several Kindergarten Orientation during the summer. At the Kindergarten Orientation we discuss everything that our families need to know about Kindergarten. We also discuss our Transition Plan for students coming from formal preschool, daycare setting or those who never attended school. In addition we talk with families about our goals and also discuss our instructional plan and our intervention plans to support student performance.

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal		X	
Title I, School Improvement 1003(a)	Federal		X	
Title II, Part A	Federal		X	
Title III, Part A	Federal		X	
Title III, Immigrant	Federal		X	
Title IV, Part A	Federal		X	
Tax Levy (Fair Student	Local		X	

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
Abbott House	all students	Counseling services, support will DESSA , help with teacher and implementation of 1 to 1 and RTi services	Students will receive the services they need to target specific skills for DESSA.
New Settlement Apartments	all students	afterschool program	Students will receive an after school program that aligns with all the Chancellor's Priorities

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

The Abbott House and school administration will hold periodic collaborative planning meetings to outline the scope of work of the CBO and how it aligns with the school's vision. Abbott House will also work with the parent coordinator and other staff to help carry out various projects throughout the school year.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

The community school will hold yearly Parent Association elections that will be well promoted, and all parents will be encouraged to attend. Once the Parent Association is established, they will work with both the Parent Coordinator and Abbott House staff to hold periodic meetings that address the needs of the school community.

The Community School will also hold Parent Workshops throughout the school year. The Parent Coordinator, school staff, and community partners will speak about the expectations of the educational standards, student's education, and various wellness topics. During these workshops, facilitators will explain the grade-wide expectations and standards so parents will be aware of their child's learning expectations and how their child will be assessed.

Parents will have the opportunity to attend conferences with their child's teacher to gain a deeper understanding of the expectations and progress in their child's learning. learning. During these conferences, forms of assessments used within the teacher's instruction and standardized measurements will be addressed. Teachers will also keep the lines of communication open with parents though Class Dojo and weekly parent engagement times.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

Abbott House will partner with Warby Parker to conduct vision screenings for our Community School. Additionally, they will also partner with SmileNY to conduct two dental screenings and cleanings for our school community. Students in temporary housing will be specifically targeted to participate in these health initiatives.

Abbott House will help support students social emotional learning by referring families to mental health resources in the community while helping parents navigate the schools IEP process. In addition, the Abbott House clinician will also provide individual weekly counseling to students in need of targeted mental health support. Mental health referrals will be received from teachers, staff, and parents. Abbott House staff will then assess each referral and address each one according to need.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

The Community School staff will work with Abbott House and the Attendance Teacher to establish an attendance team. The attendance team will meet weekly to discuss strategies to eliminate chronic absenteeism throughout the school year. The team will use data from Insight and the New Visions Data portal to inform and guide their decisions

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for all students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

PS 311 has a high number of students classified as Temporary Housing. Students in this population will have access to our daily breakfast program, which starts at 7:30am. In addition, Abbott House will provide students in temporary housing with coats, bookbags and school supplies throughout the school year. The Community School will also use the Guidance Counselor and the Abbott House Social Worker throughout the school year for social and emotional support for our students in temporary housing. Our on-site afterschool program will also target this demographic to enroll them in their programs.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Angela Tolano
Assistant Principal (Where Applicable)*	Taisha Rodriguez
English as a New Language (ENL) Teacher*	Tien Caceres
Teacher (if school has a bilingual program must be a bilingual teacher)*	Ariel Peña
Parent/Guardian*	Erika Tenorio
Teacher	Ivonne Cisneros
Parent Coordinator	
School Counselor	
Related-Service Provider	
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

2

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

2

Number of ESOL certified teachers with a bilingual extension:

2

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

6

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

5

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

3

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

N/A

Total number of teachers with LOTE certification providing World Language instruction:

N/A

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

N/A

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

300

Total number and percentage (%) of current ELLs:

164; 54.7%

Total number and percentage (%) of former ELLs:

16; 5.3%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

137; 83.5%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

27; 16.5%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

5; 3%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

26; 15.9%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	DLBE	Spanish	2025-26	1	1	1	1	1									5
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

1 ENL teacher serves students in grades K-2 and 1 ENL teacher serves students in grades 2-5. The teachers pull out entering and emerging level students in mixed grade, heterogeneous groups for stand alone services for 180 minutes to provide additional supports in reading, writing, speaking and listening that supports English language acquisition.

Integrated ENL:

1 ENL teacher serves students in grades K-2 and 1 ENL teacher serves students in grades 2-5. The teachers push into the classrooms for 180 minutes during the literacy block to support the classroom teacher with the current English Language Arts foundational literacy, reading and/or writing lesson. They teach in heterogeneous groups.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

In grades K and 1, the dual language classes are taught with a designation of 80% in Spanish and 20% in English. The Dual Language classes offer at minimum 360 minutes of core ENL instruction. This is accomplished through daily math instruction and science instruction two times per week in English for more than 360 minutes per week. In Kindergarten, the literacy block is taught in Spanish in order to strengthen students' foundational skills in their home language first. In grade 1, instruction during the entire literacy block is in Spanish and there is also daily instruction to develop English foundational literacy, which includes phonemic and phonological awareness. In grades 2 through 5, the classes are taught in English for more than 360 minutes per week to address the ENL mandates. The Dual Language Programs in these grades are 50/50 instruction in English and Spanish. Thus, the students are taught content in both languages, excepting daily math instruction and science instruction two times per week, which are taught in English. The language of instruction in foundational literacy and reading during the literacy block alternates every 5 days between English and Spanish. In writing, the language of instruction alternates between English and Spanish for each HMH Into Reading module with 6 modules in all. During math and science, the language of instruction is in English for more than 360 minutes per week.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

In grades K and 1, the dual language classes are taught with a designation of 80% in Spanish and 20% in English. The Dual Language classes offer at minimum 360 minutes of ENL instruction for the entering level ELL/ML students. This is accomplished through daily math instruction and science instruction two times per week in English for 460 minutes per week. In grade 1, instructional minutes are provided in the same way with an additional 40 minutes of daily instruction in English to develop foundational literacy skills.

In grades 2 through 5, the classes are taught in English for more than 360 minutes per week to address the ENL mandates for entering ELL/ML students. The Dual Language Programs in these grades are 50/50 instruction in English and Spanish. Thus, the students are taught content in both languages, excepting daily math instruction and science instruction two times per week, which are taught in English. The language of instruction in reading during ELA alternates every 5 days between English and Spanish. In writing, the language of instruction alternates between English and Spanish for each HMH Into Reading module with 6 modules in all. During math and science, the language of instruction is in English for 460 minutes per week.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

The ENL Program is served by two ENL teachers. 1 teacher serves students in Grades K - 2. The other teacher serves students in Grades 2 - 5. The teachers push into monolingual classrooms in the eNL program for 180 minutes as integrated support for the classroom teacher during the literacy block. They teach heterogeneous groups so that students may learn from one another. The ENL teachers also pull Entering and Emerging students in grades K-5 to provide stand-alone services for 180 minutes to provide additional support in reading, writing, speaking, and listening. In the dual language classrooms, HLA (Spanish) and ELA is taught alternately every 5 days in grades 2-5. Students are taught all subjects in the designated language of the day, except for math, science, physical education and art which are taught in English. In grades K and 1, the students are taught throughout the day with a designation of 80% in Spanish and 20%, with math, science, physical education and art instruction always in English and other core subjects taught in Spanish in order to build foundational skills in the home language. In addition, 1st grade also receives daily instruction in foundational literacy in English.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Our Dual Language Program model is a self-contained, one-way model. During 100% of the instructional day, students of all language proficiency levels whose parent choice is the dual language program are integrated together during all instructional blocks and during all cluster classes.

b. In which language(s) is each core content area taught?

Language of instruction is divided as noted above in sections A and B.
The Dual Language model we use in Grades K and 1 is self-contained 90:10.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

83.5% of ELLs are Newcomers. Newcomers with a home language of Spanish in grades 3-5 will be provided with interventions using Aprendo Leyendo and Heggerty with targeted instruction in Spanish to catch them up, depending on their particular gaps, during RTI instruction. They will also receive differentiated instruction during math and ELA with supports such as resources with picture supports and instruction that includes gestures and repetition as well as resources in their native language. In the beginning they will have more opportunities to participate in their native language as well. They will also receive after School opportunities such as during the ELL/ML After-School, NYSESLAT or High Impact Tutoring programs. During core instruction, the preview-view-review strategy is utilized when instruction is not in the student's native language. Resources for HMH/ Arriba la lectura are in both languages, so students may preview the text when applicable in Spanish as a scaffold to help understand the text. Math resources from Envision are provided in Spanish as well. At the end of every 2 weeks, there is also a bridging lesson that supports Newcomer and SIFE students in their metacognitive awareness of both English and Spanish as they make connections between both languages. Students are also paired with "language buddies" that speak Spanish as well as their target language as another scaffold for language support during core curriculum lessons.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

3% of ELLs are SIFE students. SIFE students with a home language of
Spanish who are found to have gaps in in Spanish Language Acquisition will be provided with interventions using Lee Lee and Aprendo Leyendo with targeted instruction in Spanish to catch them up, depending on their particular gaps, during RTI instruction. During core instruction, the preview-view-review strategy is utilized when instruction is not in the student's native language. Resources for HMH/ Arriba la lectura are in both languages, so students may preview the text when applicable in Spanish as well as a scaffold to help understand the text. Math resources from Envision are provided in Spanish as well. At the end of every 2 weeks, there is also a bridging lesson that supports SIFE students in their metacognitive awareness of both English and Spanish as they make connections between

both languages. Students are also paired with "language buddies" that speak Spanish as well as their target language as another scaffold for language support during core curriculum lessons.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

N/A

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

5.3%; Former ELLs who are in Dual Language classrooms are now considered part of the English-speaking group of students. They are provided with the same 50/50 instruction in both English and Spanish, so they are constantly engaging in both languages even as they pass the NYSESLAT. Former ELLs also get 90 minutes/ week of small group instruction with their classroom teachers.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

It is observed that the trends of at-risk indicators for our ELL students are: 1) Newcomers and 2)ELLs in temporary housing 3)ELLs who did not demonstrate sufficient ELP progress according to the 2024 NYSESLAT 4) ELLs who scored level 1 or 2 last school year on the ELA state exam. Many of our at-risk ELLs are students with chronic absenteeism. We find that students who attend school regularly perform at higher levels than students who do not have regular attendance.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

It is observed that the trends of at-risk indicators for our ELL students are: 1) Newcomers and 2)ELLs in temporary housing 3)ELLs who did not demonstrate sufficient ELP progress according to the 2024 NYSESLAT 4) ELLs who scored level 1 or 2 last school year on the ELA state exam. Many of our at-risk ELLs are students with chronic absenteeism. We find that students who attend school regularly perform at higher levels than students who do not have regular attendance.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The home languages of ELLS with the largest representation are overwhelmingly Spanish (160 students) with two speakers of Mandinka, one Arabic and one Soninke. For ENL instruction, students are encouraged to utilize their home language if they need to as they learn English. Teachers also plan for vocabulary instruction that include cognates so that students can build a connection between their home language and English. Students are encouraged to share or research the vocabulary words in their own home languages. The Dual Language model we use in Grade K and 1 is self-contained 80:20 with the majority of instruction in Spanish to support learning in the

home language. In grades 2-5, teachers also alternate languages in a 50/50 model based on the day designated to support learning in Spanish. All classrooms are equipped with Smartboards, laptops, and iPads to use for instruction with students. Students receive support in iReady in English and Spanish as an intervention program daily as part of a district 9 initiative. Additional materials purchased to support students in their home language are Heggerty, Aprendo Leyendo, and Lee Lee. Students also are organized in dual language pairs in DL classrooms which fosters communication in the home language as well as provides a scaffold for learning English. Another scaffold that is provided for all dual language students to support language development and metalinguistic awareness of English and Spanish is a bridging lesson during the literacy block and during the math block at the end of each week so that students have the opportunity to translanguage and make connections between English and Spanish using the language of instruction of the day. The Literacy and Math curriculum of HMH Into Reading/Arriba la lectura and Envisions respectively are provided in English and Spanish, allowing for equity of language instruction and in resources, These curricula also offer suggestions of scaffolds and differentiation for ELL students that teachers utilize in planning their instruction. Our science teachers utilize Amplify kits to engage students in science experiments. The Amplify science curriculum is also provided in Spanish and can be accessed to provide resources in Spanish for ELL students that need them for differentiation.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The ethnicity of our ELLs is majority Hispanic or Latino. The racial and ethnic classification of our non-Hispanic ELLs (4 students) are Black and Asian. Our Hispanic ELLs (160 students) are American Indian, Black, White, Native American and multi-racial. We respond to students' cultures by using their cultural experiences in daily instruction, embracing the native language and students' families as assets, creating a classroom environment that represents and respects all students, and communicating clear high expectations for students and teachers. Our International Baccalaureate curriculum provides for delivery of high quality, rigorous instruction for all that also helps to develop well-rounded global citizens in our students by using culturally responsive literature and with a focus on six transdisciplinary themes around which learning is planned. We ensure that there is equity of access for all parents and children. Starting with our parents, we ensure that all material that is sent to the home is available in two languages. Translation and interpretation are available by a range of PS 311 staff. Many staff members can communicate in Spanish, the dominant language spoken by students and their families. Parent orientation and open school night are presented to students and families in both English and Spanish and translation in other languages is provided according to parents' preferred language of communication. Monthly Coffee with the Principal Meetings are also conducted with translation in Spanish. Parents feel welcome and informed as a result. We welcome parents' questions and provide information to support their children. In addition, students are offered the same services as English proficient students. This includes after-school programs offered by New Settlement. High Impact Tutoring to support with English literacy development is offered from October through May for students in grades K-2. The program focuses on phonemic and phonological awareness. Additionally, tutoring for select ELL students is provided After School as well during 2 ELL/ML After School Programs.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

Of the students that have had at least one year of service and took the NYSESLAT, 18 students met ELP sufficient progress; 65 students did not make sufficient ELP progress; Of those students that made ELP progress, the majority had only one or two risk indicators while those that did not make progress were more likely to have 2 or more risk indicators, especially if they are Newcomers combined with being in temporary housing .

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

The ethnicity of our ELLs is majority Hispanic or Latino. The racial and ethnic classification of our non-Hispanic ELLs (4 students) are Black and Asian. Our Hispanic ELLs (160 students) are American Indian, Black, White, Native American and multi-racial. We respond to students' cultures by using their cultural experiences in daily instruction, embracing the native language and students' families as assets, creating a classroom environment that represents and respects all students, and communicating clear high expectations for students and teachers. Our International Baccalaureate curriculum provides for delivery of high quality, rigorous instruction for all that also helps to develop well-rounded global citizens in our students by using culturally responsive literature and with a focus on six transdisciplinary themes around which learning is planned. We ensure that there is equity of access for all parents and children. Starting with our parents, we ensure that all material that is sent to the home is available in two languages. Translation and interpretation are available by a range of PS 311 staff. Many staff members can communicate in Spanish, the dominant language spoken by students and their families. Parent orientation and open school night are presented to students and families in both English and Spanish and translation in other languages is provided according to parents' preferred language of communication. Monthly Coffee with the Principal Meetings are also conducted with translation in Spanish. Parents feel welcome and informed as a result. We welcome parents' questions and provide information to support their children. In addition, students are offered the same services as English proficient students. This includes after-school programs offered by New Settlement. High Impact Tutoring is offered from October through May for students in
grades K-2. The program focuses on phonemic and phonological awareness. Additionally, tutoring for select ELL students is provided After School as well during 2 ELL/ML After School Programs.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

The ethnicity of our ELLs is majority Hispanic or Latino. The racial and ethnic classification of our non-Hispanic ELLs (4 students) are Black and Asian. Our Hispanic ELLs (153 students) are American Indian, Black, White, Native American and multi-racial. We respond to students' cultures by using their cultural experiences in daily instruction, embracing the native language and students' families as assets, creating a classroom environment that represents and respects all students, and communicating clear high expectations for students and teachers. Our International Baccalaureate curriculum provides for delivery of high quality, rigorous instruction for all that also helps to develop well-rounded global citizens in our students by using culturally responsive literature and with a focus on six transdisciplinary themes around which learning is planned. We ensure that there is equity of access for all parents and children. Starting with our parents, we ensure that all material that is sent to the home is available in two languages. Translation and interpretation are available by a range of PS 311 staff. Many staff members can communicate in Spanish, the dominant language spoken by students and their families. Parent orientation and open school night are presented to students and families in both English and Spanish and translation in other languages is provided according to parents' preferred language of communication. Monthly Coffee with the Principal Meetings are also conducted with translation in Spanish. Parents feel welcome and informed as a result. We welcome parents' questions and provide information to support their children. In addition, students are offered the same services as English proficient students. This includes after-school programs offered by New Settlement. High Impact Tutoring and Homework Help with supports in English and Spanish is offered from October through May for students in grades K-2. The program focuses on phonemic and phonological awareness. Additionally, tutoring for select ELL students is provided After School as well during ENL tutoring.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

Below are our data results from the 2023-2024 exams:
NYSESLAT- 17.9% met progress and exited the program; 16.7% met annual progress target and 2.6% met safe harbor cumulative growth; 62.8% did not meet progress. From 2023 to 2024, the overall strengths across grade levels for ELLs was listening in 2024 as opposed to speaking in 2023. There was an increase in comparison of reading scores in grades 1,2 and 5 as well as in writing in grade 1. However, these modalities continue to be modalities of need for our ELLs across the grade levels, especially in speaking and writing. Here is a breakdown of our ENL Levels for 2023-2024: Entering = 22; 18.2%; Emerging = 33; 27.3%; Transitioning = 26; 21.5%; Expanding = 26; 21.5%; Commanding = 14; 11.6%

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Deeper learning is embedded in the IB program that our school utilizes for all students. The IB philosophy helps to promote academic language as well as socio-emotional development. The six thematic units addressed in IB also promote higher order thinking skills, student autonomy and a global perspective through rigorous instruction and end of unit projects that allow for student choice. The IB curriculum is also designed with lines of inquiry that encourages students to investigate and ask questions in various content areas. The content of the curriculum allows for interdisciplinary learning as well. IB is embedded into the HMH Into Reading and Arriba La lectura curriculums as well as Envision math in our school. Due to the language rotation each week, Spanish-speaking ELLS are able to access the Arriba la Lectura/IB curriculum in their native language so that they have opportunities for deeper learning of the content curriculum.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The SLT analyzes student ELL data which determine where ELLs need the most support. It was noted while digging deeper into NYSESLAT as well as ELA data, the SLT realized that we need more specific data related to student performance in HMH and Envision math in regards to their language acquisition. There will be more emphasis on collecting formative assessment data using the Universal Language Rubrics and then targeting language development in different modalities while utilizing targeted language objectives.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

The ENL Program is served by two ENL teachers who service ELL/ML students with mandated minutes as per CR Part 154. One teacher serves students in Grades K-2, which includes 180 minutes of ENL integrated instruction for ELL students in the monolingual ENL program at entering/emerging and transitioning/expanding proficiency levels. The other ENL teacher serves monolingual students in the ENL program with integrated classroom services in

Grades 2-5. They teach mixed-level, heterogeneous groups. The two ENL teachers also pull Entering and Emerging students for Stand-Alone services for 180 additional minutes to provide additional reading, writing, speaking, and listening supports. The teachers push into the literacy block for integrated classroom services. Students are heterogeneously grouped so that they may learn from one another. The Dual Language classes offer 360 minutes of ENL instruction as per CR Part 154. In Kindergarten and First grade, this is accomplished through math and science being taught in English for a total of 460 minutes per week. The literacy block is focused on building emergent literacy in the home language in order to build and strengthen core literacy skills in Spanish first. In grades 2 through 5, all core content is taught in English every 5 day to address ENL mandates. The design of ENL Instruction is grounded in the current classroom unit of study and the learning skills that are taught. The focus is to strengthen the instructional core by providing scaffolds and differentiating instruction for ELL students to give them better access to the core content. ENL teachers and dual language teachers support students in core English instruction with best practices such as providing visuals as well as student friendly definitions of target Tier 2 and 3 vocabulary. Vocabulary is also front loaded for comprehensible input and videos/media and gallery walks are used to access and build background knowledge. Graphic organizers, sentence starters and sentence frames, as well as modeling are also used. For formative assessments, ENL and bilingual teachers utilize the universal language development rubrics as an ongoing tool to evaluate students' English proficiency levels and their English language development strengths and needs. Teachers will use this data to further tailor and modify instruction for our ELLs that include strategies to address those needs. The Dual Language programs in grades 2-5 are 50/50 instruction in English and Spanish. Thus, students are taught all content in both languages. Students alternate languages every 5 days. In both models, students are exposed to grade-level work and use strategies in core content areas: In Math, students use the 5 math practices to further math discussion, learn how to better understand word problems and use math vocabulary in math class to explain their answers. In Science, students use their language skills through inquiry-based lessons, experimentation, and science-based discussions.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

ELL/MLs with IEPs are taught using the school's chosen core content curricula while also being provided with specially designed/differentiated instruction. Some of these strategies are accountable talk and read aloud which promote language development and engagement. Applications on electronic devices are accessible to these students as well to provide scaffolds, especially for students that have difficulties with reading independently. These applications support students by reading text aloud, supporting vocabulary with images, speech to text, translations and dictionaries. Intervention programs are also used to support students that are struggling in literacy. Literacy interventions programs that are used are Heggerty and Fundations (Grades 4 and 5), Spire and Sounds Sensible which help to fill in any learning gaps that there may be in literacy.

b. SIFE

Computer-based intervention programs are provided in all grades and in English and Spanish for reading and math. The current SIFE program in use school-wide is i-Ready for 45 mins a day. This program works to meet students and build from where they are at their level of understanding in content and language development. Applications on electronic devices are accessible to these students as well to provide scaffolds, especially for students that have difficulties with reading. These applications support students by reading text aloud and supporting vocabulary

development with images, speech to text, translations and dictionaries. These students also receive supports in their home language as well. They are purposefully partnered in pairs with a dual language student who helps to provide access to on-level English content as well as to develop their English language modalities. They also receive additional support in developing their foundational skills in their home language with intervention programs like Heggerty, Aprendo leyendo and Lee Lee, depending on learning needs identified from the Spanish Lab-R, Spanish MAP Growth and the SIFE screener.

c. Newcomers

The i-Ready computer-based intervention program are provided in all grades and in English and Spanish for reading and math. This program work to meet students and build from where they are at their content and language level of understanding. Applications on electronic devices are accessible to these students as well to provide scaffolds, especially for students that have difficulties with reading. These applications support students by reading text aloud, supporting vocabulary with images, speech to text, translations and dictionaries. These students also receive supports in their home language as well. They are partnered with a dual language pair that helps provide access to on-level English content and helps to develop their English language modalities. They also receive additional support in developing their foundational skills in their home language with intervention programs like Heggerty and Aprendo leyendo (Grades 3-5) and Lee Lee, depending on learning needs identified from the Spanish Lab-R and Spanish MAP Growth screeners.

d. Long Term ELLs

N/A

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

SETTS is provided to students through programming that mirrors what students do in the classroom at the time that they are pulled out for SETTS instruction. Curriculums and pacing calendars are shared through Google Drive so that all teachers servicing the students are working from the same curriculum plans. Data is also accessible by all providers through Google Drive and New Visions as well as screeners like Acadience and i-Ready. The SETTS teacher provides scaffolds so students can best access the content. Instruction is in Spanish for some students, depending on their IEP. In addition, they are provided with before, during and after school programs and/or RTI to support their literacy skills. Classrooms with IEPs may include a para to support learners and language paras for those ELL students that have Spanish as a home language.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

In addition to Spanish-LAB assessment given for new ELL students, all students in dual language classes are given diagnostic screeners in MAP Growth Reading (Grades 3-5) and Acadience (Grades K-2) to assess their content and language knowledge in Spanish. LAB-R results for students in monolingual classes are also utilized to group students for Stand-alone and Integrated instruction to determine what supports can be provided to help in English acquisition. There are also end-of-module formative assessments through Arriba la lectura and Envision as well as end of unit projects that are completed in Spanish for every alternate unit of study in dual language classrooms..

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Our ELL program model is self-contained, one way. Currently, we do not anticipate opening any Dual Language ICT classrooms due to our current student population enrollment. The professional development plan for all staff includes developing objectives and lessons that are aligned to the Next Generation Learning Standards by using resources such as the Targets of Measurement and Academic and Linguistic Demands to better understand the linguistics expectations for our ELL/MLs and utilizing assessments that inform whether students have met these objectives. In relation to teachers of ELL/MLs, these school wide PD goals will have an added lens of how to think about these objectives in relation to our ELL/MLs. For example, all teachers of ELL/MLs receive PDs on developing content and language objectives for students. We will also continue to offer PDs to learn about and incorporate the Literacy strategies and procedures for ELLs by Dr. Cardenas-Hagan into teaching instruction for ELLs. In addition, PD will include curriculum mapping, ELL strategies, lab sites/inter-visitations, and policies and procedures. ENL teachers attend the District's ELL Liaison monthly meeting which support in ensuring that district expectations and present in our school systems and structures and turnkeys this information to teachers and staff. ENL teachers also attend grade level team meetings where they collaborate with dual language and general education teachers to disaggregate and analyze data and plan for instruction for all students as well as ELL/MLs.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

The professional development plan for all staff include continuing to develop meaningful content and language objectives that are aligned to the Next Generation Learning Standards as well as utilizing the TOMs and ALDs to further break down and understand the NGLS that will further inform instruction for teachers, including all core content and cluster content areas. These objectives are developed with the Universal English Language Development Speaking and Writing rubrics as a guideline in creating language objectives as well as student academic language learning goals. This is addressed as well as best practices, strategies and resources that can be utilized in planning instruction for ELLs/MLs and how these practices can be implemented within the school-wide IB curriculum. In addition, PD will include curriculum mapping, ELL strategies, lab sites/inter-visitations, and ENL policies and procedures. ENL teachers will attend the District's ELL Liaison monthly meetings as well in which information will be turnkeyed to school staff during Professional Learning Community time as well as Team Meetings. PD will be offered throughout the year during weekly PLCs as well as during team meetings. Records of agendas and sign ins will be kept in a PD binder.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154

(15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Teachers will be offered PD that will allow them to target 15% of total hours for bilingual education/ ENL teachers (10 hours for special education teachers) for all staff, as per requirements of CR Part 154.2. These can be PDs offered through the district through the Division of Multilingual Learners and district partnerships like RBERN. Teachers may also attend PDs that are targeted towards implementation of our current content curricula that we have adopted. These will be PDs that are approved for CTLE credit given by the district or other CTLE sponsors .

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

In grades 3-5, we collect data through MAP Growth in Spanish Reading and i-Ready Reading and Math screeners. In grades K-2, we use Acadience as a screeners to guide instruction. Once we complete our diagnostic data collection, we group students in small groups that target where they are in their knowledge of phonics and phonemic awareness as well as reading comprehension.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Our school uses computer-based intervention programs in English for all students, including ELLs. We use i-Ready for ELA and math in English and Spanish. In addition, we use Sounds Sensible and S.P.I.R.E. as reading interventions for ELLs who are beginning readers in English in all grades and Aprendo Leyendo, Heggerty and Lee Lee for students that need to develop early literacy skills in Spanish in grades 3-5. In grades K-2, Lee Lee is utilized as a Spanish literacy intervention . Interventions are given to ELLs according to findings from screeners and benchmarks throughout the year and adjustments in grouping are made as needed through continual assessments.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

PS 311 uses data to guide instruction for ELLs within the response to Intervention Framework. For all ENL students in monolingual classrooms receiving ENL services, students are grouped according to their proficiency levels as determined by the NYSITELL and NYSESLAT tests. Entering/Emerging students are grouped together for Stand-Alone services. As a whole school, in grade K-2, students are assessed through diagnostic screeners as well as through formative assessments through the Tier 1 curriculum. The data allows us to group students according to data related to phonemic and phonological awareness as well as reading comprehension. If we notice large gaps in these skills according to the screeners, students will be additionally assessed through SPIRE and/or Aprendo Leyendo to determine appropriate Tier 2 supports to address gaps in literacy skills. Students will be placed in homogeneous RTI groups that focus on that groups' needs. RTI groups are and will be formed every six weeks. Teachers use trackers to log student progress and grasp of skills and concepts as well as gaps. At the end of the six week period, teachers will determine if the student will need to remain in the group, move to a smaller Tier 3 group or can now function within a Tier 1 group. Every six weeks the cycle begins again.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

We will use the periodic ELL/ML Academic Language Assessments in grades 3-5 as well as the ELL/ML Micro-Assessments: ELA and Math for grades 4 and 5. We collect data through iReady in Reading as well as Acadience Reading benchmarks and progress monitoring . In grades K-2, we also use Aprendo Leyendo and Fundations assessments throughout the year. Once we complete our diagnostic data collection, we group students in small groups and target students depending on where they are in their knowledge of phonics and phonemic awareness. Both the Aprendo Leyendo and Fundations programs help teachers in grouping students and tailoring instruction according to proficiency levels. Teachers also administer end-of-module assessments in HMH/Arriba La lectura and Envision math to determine students' level of understanding of the concepts taught during the unit of study and to inform their plan for instruction.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

ELL students in the dual language program are evaluated with BOY, MOY and EOY assessments in Acadience and MAP Growth in Spanish to evaluate language proficiency. In addition, students complete exit tickets and other formative assessments throughout each unit and a summative assessment at the end of each unit in Arriba la lectura and Envision. All curricula have these assessments provided in the core areas in English and Spanish.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

ENL as well as dual language teachers utilize data from the NYSESLAT to inform their groupings in pairs, including bilingual pairs, and small groups. The data is also used to inform instruction and supports that may be needed and which modalities should be focused on more in instruction. Data from the state ELA and math exams are also utilized to inform small group formation and instructional focus. By analyzing the assessments data, we focus on our student gains in content knowledge mastery as well as their language acquisition in Reading, Writing, Listening, and Speaking.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

NYSESLAT listening, speaking, and writing is administered over three days and speaking is administered during the testing window. Administration includes the testing coordinator, dual language teachers, ENL service provider and other classroom teachers for students that receive accommodations. All proctors receive training for proctoring the speaking, listening, reading and writing tests and this builds capacity so that several teachers are supporting in administration within the allotted time frame. ENL, bilingual and general education teachers are also thoroughly trained to score the speaking and writing portion of the test as well. Capacity is built so that scoring is also completed within the allotted time frame.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

N/A

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

A trained pedagogue informs parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provides a high-quality orientation on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners. A log is maintained on a calendar as well as an parent orientation sign in sheet to record evidence of these meetings.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Parents receive communication twice a year to review their child's language program, the progress he/she has made and needs to make and to review and/or revise his/her goals according to NYSESLAT data. Translation and Interpretation are provided by the DOE Office and by members of the staff if needed. A checklist is kept to ensure that each ELL has their annual meeting.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Many of the staff in PS 311 are bilingual Spanish speakers. The majority of parents and guardians in our school are Spanish speakers and receive direct communication from the teachers and school staff. All written school-wide communication with families is provided in English and in Spanish. Communications are also provided in other languages as indicated by parent language preference. For students who have teachers that are non-Spanish speakers, the teacher can request translation of communications as well as in-person oral translation during meetings like parent-teacher conferences.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

At PS 311 Lucero Elementary we believe in engaging our parents so that our families can feel connected to our school as well as stay informed about their students' progress. Among the events that foster parental involvement are Parent Orientation Sessions, Back-To-School Night, Parent workshops, Coffee with the principal, PA Meetings and other parent-sponsored social events, data chats with the classroom teacher, Mystery Reader and Discovery Days in the classrooms and Family Fun Nights. The parent coordinator reaches out to parents and ensures that they have the translation and interpretation services that they need. Our partnerships as a community school helps us to understand the needs of our community, such as with Abbott House. Our different leadership teams in our school, such as SLT and SIT, also allows parent association representatives as well as members of our school staff who have daily communications with all parents and guardians in the school community, to communicate their needs to many other members of our school staff in leadership teams.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Families are made aware of leadership opportunities through communication from the principal during Coffee with the Principal as well as through written communication through the parent coordinator on flyers and handouts and through our school's Instagram account.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

As a community school, we have partnerships with Abbot House, who have providers that speak English and Spanish as well as Edible Schoolyards. Both programs focus on our community's health and wellness as well as the health and wellness of our student body. Edible Schoolyards also provide culturally responsive curriculum and activities that foster cultural knowledge and pride in their culture and background with regards to nutrition. Abbot

House provides trauma-informed care to our families and students in need of socio-emotional wellness supports, such as counseling.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

N/A

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Tien Caceres- ENL Coordinator/teacher
Ivonne Cisneros - ENL teacher
Roxanna Ledesma - Classroom Teacher
Shilyn Quituisaca - Classroom Teacher
Ana Aramburo - Classroom Teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Newly enrolled, current ELLs receive an orientation for the families to meet the Principal, Assistant Principals, Parent Coordinator, and teachers during the summer. Families are invited to learn about the school, tour, and learn about the mission, vision, and the curriculum. They also learn about events for students and families that we encourage the families to participate in for the year. Newly enrolled ELLs and their families also participate in the Orientation at the start of the school year. Here, they meet the aforementioned. They also meet members of our Community-Based Organizations (Abbott House and New Settlement) and learn about the support services they provide. In addition, we invite our families to participate in Harvest Festival in October and Winter Wonderland in December as well as other family fun nights such as Math night and other events sponsored by our community partnerships, like Brain Power. During parent orientation, parents of ELLs are informed about the three ELL programs offered in the NYC school district. Parents also watch the orientation video and are encouraged to ask any questions that they may have about these programs. The ELL identification process for each student is completed within 10 days of enrollment and 20 days for students entering with an IEP. If a student has been in NYS public schools within past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and proficiency level. If a student has been outside of NYS public school for more than 2 years, our school administers the ELL identification process as part of re-entry. After these students take the NYSITELL test, they are provided with

theirmandated minutes by a TESOL certified teacher throughout the year. An ENL schedule is created for both ENL teachers that works with classroom teachers' schedules so that mandated integrated minutes are scheduled during the literacy block and so that stand-alone minutes do not interfere with other services that may be provided to students. The schedule includes students that are pulled for stand-alone minutes and on what days and times they receive services. This schedule is shared schoolwide and followed throughout the year.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Angela Tolanpo

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Tien	Caceres	ENL Coordinator/Teacher	11/15/2023	y
Taisha	Rodriguez	Assistant Principal 10 Month		y
Ivonne	Cisneros	ENL Teacher		y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Student Emergency Contact cards,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS)

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ENGLISH	89	25.95%	88	25.81%	33	30
SPANISH	254	74.05%	253	74.19%	25	25

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Monthly Calendars	Bilingual staff members, DOE Office of Language Access, Class Dojo and Google Translate
Parent notices, consent forms and memos	Bilingual staff members, DOE Office of Language Access, Class Dojo and Google Translate
Flyers Brochures	Bilingual staff members, DOE Office of Language Access, Class Dojo and Google Translate
Social Media (Instagram)	Bilingual staff members, DOE Office of Language Access, Class Dojo and Google Translate

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent-teacher conferences	Bilingual staff members and DOE over-the-phone Interpretation
Coffee with the Principal	Bilingual staff members and DOE over-the-phone Interpretation
Orientation for Parents of ELL/MLs	Bilingual staff members and DOE over-the-phone Interpretation
Parent Workshops	Bilingual staff members and DOE over-the-phone Interpretation
Parent Data Talks	Bilingual staff members and DOE over-the-phone Interpretation
IEP Meetings	Bilingual staff members and DOE over-the-phone Interpretation

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Every student has their Emergency Contact Card on file in the school office and with the classroom teacher. Listed on the card are contact information of the student's parents or guardians, other immediate adult family members, and parents' preferred language. In the event of a school emergency, the school will contact the parents via phone, text messaging, or Instagram/Class Dojo in the parents' preferred language. Our bilingual staff members help with interpretation needs of Spanish-speaking parents. We use the DOE over- the phone Interpretation services for languages other than Spanish.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

During PLCs and workshops, especially at the beginning of the year, teachers and all staff will be made aware of translation services available to them to support in their communication with parents and that written and oral language services are available for designated languages.

Principal Angela Tolano and Parent Coordinator Nidia Garcia will complete their required Language Access training before Thursday August 7 and turnkey any pertinent information for staff, including Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Throughout the school year, we communicate with Limited-English Proficient parents and ensure that these parents are aware of their right to receive information in their preferred language. September- · We distribute to all parents a copy of the Bill of Parent Rights and Responsibilities, which includes their rights for translation and interpretation services from the DOE. Parents of ELLs also receive the document in their preferred language, downloaded from the DOE Intranet. The DOE language poster is displayed at the main entrance to the school's office with the point person's name and contact information and
information on how to obtain interpretation services. Ongoing/September -June · At school wide PA meetings, parent-teacher conferences, one to one meetings, and other forms of conversations, teachers and administrators always remind parents of their rights to receive information in their preferred language regarding their child's education.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Throughout the school year, we will gather LEP parents' feedback by means of surveys, phone calls, and parent/teacher conferences and virtual meetings. The Administrators, LAC Team, Parent Coordinator, and PA will use the information to design and implement Parent Involvement Plans that meet the needs of our LEP parents.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

127

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5

Total number of teachers in this program:

6

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

6

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

- Subgroups/Schedule: ELLs, including newcomers, will be served after school from grades K to 5 as a continuation of the dual language program. We will begin on October 2025 - February 2026. The afternoon program will run on Tuesdays, Wednesdays, Thursdays and Fridays from 2:30 – 3:00 pm. Through foundational skills development with a curriculum based on the science of reading , students will enhance their language acquisition in English. The instruction will be delivered with each dual-language classroom according to grade level.
- Language of Instruction: Foundational Skills program – English; teachers will teaching each grade level group individually (K, 1, 2, 3, 4, 5)
- Materials: laptops, keyboards, Fundations resources, HMH Into Reading Foundational Skills resources
- The program will be supervised by an educator with Title III funds: Tuesdays, Wednesdays, Thursdays and Fridays 2:30-3:00 .

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

- Rationale: Lucero Elementary School is a K-5 school located in the Mount Eden neighborhood of the Bronx. This year, there are 148 ELLs making up for than 50% of the student population. According to data from the Spring 2025 NYSESLAT and NYSITELL from the 2025-26 year, the breakdown of language proficiency levels are as follows: 45 Entering, 44 emerging, 34 Transitioning, 25 Expanding and 10 commanding former ELLs. There is also a high number of newcomers scoring Entering on NYSITELL and/or NYSESLAT. Due to the high percentage of students that are entering and emerging as well as the high percentage of students who are not demonstrating annual progress, a program that will address these students' language needs is justified.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**

- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

- 127 ELLs will be served.
- Grades K to 5
- . The students served will all be students in the Dual Language Program who have heterogenous proficiency levels.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The Dual Language After program will begin in October 2025 and end in February 2026 on Tuesdays, Wednesdays, Thursdays and Fridays from 2:30-3:00 pm.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

Dual Language After School Language of Instruction: English
Students will receive supports with Spanish cognates as well as language partners so that they can support each other in the home language when needed.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

Numbers and Types of Certifications: 6 teachers with bilingual certification

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

- Materials: laptops, keyboards, Wilson and Into Reading HMH
- Stored in teachers' classrooms
- . Any additional materials needed will be purchased through Title III

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

All records pertaining to the program (permission slips, engagement activities, PDs, etc) will be maintained in a Dual Language Program After School folder.
The school will maintain an online attendance tracker in which teachers will note attendance for each day of the after school programs.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

- Rationale: High-quality professional development that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences. As a Dual Language school, PD should also be focused on helping our students to become fully bilingual/biliterate students. After-school PD will be focused on best practices for English language development.
- Teachers to receive training: All teachers and paraprofessionals that serve ELL students in the After-school program.
- Schedule and duration: These PDs will be in October and January
- Topics to be covered: Developing lessons and applying best practice strategies to serve English Language Learners enrolled in our ELL Programs. There will also be PDs focused on strategies to support ML/ELLs within foundational literacy skills development.
- Name of provider: ENL and bilingual coordinator- Tien Caceres and Ivonne Cisneros (Title III funds used), Wilson Language Training

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Rationale: High-quality professional development that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-

planned, ongoing events rather than one-day or short-term workshops and conferences. As a Dual Language school, PD should also be focused on helping our students to become fully bilingual/biliterate students. Therefore PD should also be focused on best practices for English language development.

Data Sources: Lucero Elementary School is a K-5 school located in the Mount Eden neighborhood of the Bronx. This year, there are 148 ELLs making up for than 50% of the student population. According to data from the Spring 2025 NYSESLAT and NYSITELL from the 2025-26 year, the breakdown of language proficiency levels are as follows: 45 Entering, 44 emerging, 34 Transitioning, 25 Expanding and 10 commanding former ELLs. There is also a high number of newcomers scoring Entering on NYSITELL and/or NYSESLAT. Due to the high percentage of students that are entering and emerging as well as the high percentage of students who are not demonstrating annual progress, professional development that will address these students' language needs is justified.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

- Teachers to receive training: 6 bilingual certified teachers as well as paraprofessionals that serve ELL students in the After-school program. PD will be provided by the ENL teachers, Ms. Caceres and Ms. Cisneros as well as Wilson Language Training. ENL teachers will receive ongoing training by attending ML/ELL Liaison meetings as well as PDs provided by the district, such as RBERN and Wilson, about analyzing data and best practices for teaching ML/ELLs which will be incorporated into the PDs.

For all teachers ongoing sustained professional development will be provided during Monday PLC opportunities. There are also continued opportunities for teachers to meet as a Dual Language Team every 2 weeks, as these teachers have a majority of newcomer students.

Sustained PD will be provided to teachers by PD providers through learning opportunities such as the NYSABE conference. These staff will also attend PDs offered by the district like the Department of Multilingual Learners.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

There will be 4 Sessions will be in October 2025 and January 2026 for 40 minutes for each session. The sessions will be on Mondays from 3:20-4.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Topics to be covered:
•. Developing lessons and applying best practice strategies to serve English Language Learners enrolled in our ELL Programs
- Strategies to Support ML/ELLs in development of foundational literacy skills
- Breaking down and understanding the Universal English Language Development rubrics as well and using them to scaffold and differentiate the provided materials as well as assess student progress; There will be additional check-ins on progress, troubleshooting and collaborating about any additional strategies that have been helpful for teachers.

•. Writing and utilizing language objectives to guide instruction

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

- Name of provider: ENL and bilingual coordinator (at cost); M&G Consulting (at cost) ; Wilson Language Training (not at cost)

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

We will save any slideshows as well as resources and handouts that are provided during the PDs. We will also record attendance through Google docs.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

- Rationale: At Lucero, we recognize that informed and engaged parents are essential to student achievement. By providing parents with the knowledge and tools they need, we empower them to support their children's learning journey and contribute to their overall success.

- Schedule and duration: 55 minutes weekly of parent engagement; September Dual Language Parent Orientation, Discovery Days, workshops on Dual Language programming at our school, Hispanic Heritage Celebration

- Topics to be covered: Additional orientation session to inform parents about research supporting dual language education as well as implementation information particular to our school; Coffee with the Principal; School Leadership team meetings; Family Fun Night (March Mathness, World Read Aloud Day)

- Name of provider: The ELL and Bilingual Coordinator and classroom teachers are part of the discussions along with administrators; M&G Consulting

- How parents will be notified of these activities: Through the school's website as well as Instagram, NYC DOE Messenger, flyers backpacked home, and ClassDojo. All communication will be translated to parents' preferred language. In person translators will also be provided for teachers to communicate with parents during parent communication time if needed or through over the phone translation if needed.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Rationale: At Lucero, we believe that collaboration between parents, teachers, and staff is essential to student success. To ensure our dual language students achieve biliteracy and biculturalism, strong parental involvement is crucial from the start. We will host a session to share the latest research highlighting the benefits of dual language programs and provide practical tips for supporting your child's learning journey.

Many of our parents have asked about adult English classes as well and we realized that this is a want and need for our school community, as there is not enough resources that are offered in the neighborhood.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

- Schedule and duration: September beginning of year dual language informational session; Hispanic Heritage Celebration - October; Family Fun night - March/April

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Topics to be covered: Additional orientation session to inform parents about research supporting dual language education as well as implementation information particular to our school and how students can support students; Family Fun nights- student bilingual achievement in literacy and math will be highlighted along with food and crafts as well as access to local community resources.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Name of provider: The ELL and Bilingual Coordinator and classroom teachers are part of the discussions along with administrators; M&G Consulting are also providers. The providers will be at cost to the Title III ELL.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

- How parents will be notified of these activities: Through the school's website as well as Instagram, NYC DOE Messenger , flyers backpacked home, and ClassDojo. All communication will be translated to parents' preferred language. In person translators will also be provided for teachers to communicate with parents during parent communication time if needed or through over the phone translation if needed.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

A record of attendance sheets, flyers and hand-outs will be kept.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

$27,772

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Grades to be served in this program. Select all that apply.

,K,2,1,3,4,5

Total number of teachers in this program:

5

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

ELL immigrant students will be served after school from grades K to 5. (NYSESLAT Preparation Program) We will begin on January 2026 - March 2026. The afternoon program will run on Tuesdays and Thursdays from
2:30 – 3:30 pm. Through the NYSELAT prep, students will enhance their language acquisition in the four modalities by working with thematic texts that are similar to the NYSESLAT. The students will be grouped according to NYSESLAT performance data in Speaking/Listening and Reading/Writing as well as according to their grade level.

• Language of Instruction: NYSESLAT program – English; teachers will be independently teaching groups by grade levels K, 1, 2, 3-4, and 5. There will be 6 students per group.
• Materials: NYSESLAT Preparation book

An administrator will supervise the program.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

Over 50% of our student population are classified as Multilingual Learners/English Language Learners.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

30 students will be served from grades K-5. Newcomer ELLs are included in this program.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

The Title III program will begin January 13, 2026 and will finish March 5, 2026. The program will run Tuesdays and Thursdays, from 2:30 - 3:30 pm. There will be approximately 14 sessions.

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

The languages of instruction will be English. Teachers will use strategies during sessions that support newcomers like translanguaging and teaching of cognates.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

3 bilingual certified teacher
2 Special Ed certified teachers
1 TESOL certified teacher

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

This will be a homework help program. Students will need :
- folders, pencils and books to complete any assignments. At cost.
- Snack to be provided by School Foods.
- Publisher: Rally NYSESLAT Preparation materials. Not at cost.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

We will create an attendance sheet for each session. The staff person in charge will also have a time card. Every student's attendance will be recorded.

We plan on contacting the families and informing them of the opportunity to leave their child for additional programming after school. We will have students one hour on Tuesdays and Thursdays. They will be picked up at 3:30. While in the program they will be together in different classrooms by grade levels: K, 1, 2, 3-4, 5

Teacher and parent attendance will be recorded with a sign in sheet for teacher PDs as well as parent engagement activities. Invoices will be stored as well. All records will be kept in a Title III binder.

Principal - Angela Tolano
Assistant Principal I/A - Taisha Rodriguez
ENL Coordinator: Tien Caceres

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

Professional Development will be provided by our Dual Language consultants and our ENL coordinator. During professional development, teachers will utilize the most current data to determine the needs for our ELL population, including our newcomer ELLs. Utilizing the data we can determine groupings, programs and frequency of service. Teachers will also learn about healing-centered learning. This allows teachers and staff to help students with issues arising from being in temporary housing, those with issues related to transportation and other issues stemming from newly migrated families.
The cost of this will be per session for eligible titles. There are 20 classroom teachers and an additional 7 support teachers.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

The landscape around Dual Language programming is ever expanding. Professional development opportunities allow for staff to become familiar with the newest practices and technologies that can help our ELL population thrive. We are able to educate staff on programs and approaches that will take into consideration our students needs based on the current data and help them to grow. With 54% of our student population identified as ELLs and nearly all of those students in dual language classrooms, we know professional development will provide staff with the training needed to support these students on their journey to biliteracy as well as providing support for their socio-emotional growth as our newcomers navigate education in a new setting.

We will provide teachers with opportunities to learn about how to support our migrant families in healing-centered learning. This will include working as a community to remove punitive, harmful practices and to implement trauma-responsive, restorative, and anti-racist with a focus on mindfulness practices and mediation.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

Staff will also be supported through professional development to work with the unique learning needs of our ELL students with special consideration of those students from migrant families. Due to inconsistent and interrupted education, many of the youngest newly arrived students need foundational support in their native language. We will provide staff with learning in programs, interventions and other support services. Based on NYSITELL data, we have determined their needs in both their native languages and the second language, as we are a Dual Language School. We will begin with the teachers of our dual language classes, where the majority of the students are sitting. We will also include teachers and coaches for our MLL programs.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Start and end dates: January 2026 - June 2026
Total number of sessions: 7 sessions
Days of sessions: TBD
Time and duration of sessions: 1 hour

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

- Healing Centered School: Best practices to advance anti-racism and equity through Culturally ResponsiveSustaining Education (CRSE), including anti-bias trainings, restorative justice practices, and steps to center student and family voice in decision-making
- Healing Centered Schools: Specific practices schools can use to amplify student voice and promote staff wellness;

- Healing Centered Schools: Targeted strategies to support students with specific needs related to bullying, behavioral crises, or housing instability
- Professional Development: Small Group Instruction
- Professional Development: Foundational Literacy Skills
- Professional Development: Literacy and Math Interventions
- Professional Development: Supporting Families and students

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

- Healing Centered Schools Working Group
- Literacy and Math Coaches
- District 9 Support Staff
- Abbott House
- Dual Language Consultants

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

For these session will will collect agendas and attendance sheets either digitally or hard-copy.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Healthy Eating workshop: Families will learn about how to cook recipes using fresh fruits and vegetables
For this workshop families will be invited to use fresh fruits and vegetables to learn to prepare recipes that require little to know cooking. At cost.

Resources: Families will learn about legal aid and resources.
For this workshop families will learn about different agencies and resources available to them for legal aid and immigration policies.

Resources: Families will learn about healthcare and medical services
For this workshop representatives from Abbott House will help families of our new New Yorkers will help them navigate how to apply for and get healthcare and how to navigate the healthcare system for their families and themselves.

Mom Group: Opportunity to discuss and heal from trauma
For this activity mothers and caregivers will be invited to join each other and representatives of Abbott House to meet in an open forum to discuss and share as needed. At cost.

Female Health: Women will learn about female health topics and resources
For this activity we will help families navigate female health issues and resources for mothers and women. At cost.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

We propose a healthy eating workshop because we have become aware of some unique circumstances with our new New Yorker families that occur between food instability and access to resources. We have learned about the food restrictions at many temporary housing shelters for our families and this workshop will provide families with both the food and the preparation necessary to be able to take the food back to their housing.

We propose a Legal Resources workshop to help families connect with organizations that will help them with their unique immigration issues. We will try and connect them with pro bono legal services for their immigration cases.

We propose a workshop for new New Yorker families to learn about how to apply for healthcare, how to maintain healthcare and how to navigate the system. We would also help them explore the possibilities for healthcare services in NYC.

We propose a group for mothers and caregivers to meet and to share in a safe space where they can talk, share and support each other. We would like to provide caregivers an opportunity to work together to learn strategies to help support each other through their trauma and to be able to share how they can organically help each other.

We propose a female health workshop where any female new New Yorkers will be able to learn about female health topics and connect them with feminine hygiene products.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Start and end dates: Monthly from January 2026 - June 2026
Total number of session: 1 per month = 6
Days of sessions: Weekday
Time and duration: Varied; 1 hour long

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

- Healthy food and nutrition
- Legal aide services available
- Navigating the healthcare system and accessing services
- How to use mindfulness to help with trauma
- Female health services and accessing them

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

- Healthy food and nutrition (Proposed Brighter Bites)
- Legal aide services available (Proposed Coalicion Mexicana)
- Navigating the healthcare system and accessing services (Abbott House)
- How to use mindfulness to help with trauma (Abbott House)
- Female health services and accessing them (Abbott House)

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Families will be notified by flyer, messenger system, group text, and email/online.
We can also make phone calls to any families that have service once we have a confirmation they will be attending.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

For each session an agenda and sign-in sheets will be created and filled out electronically or a hard copy.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

N/A

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
