Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence

based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps

and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.
Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature

Sara Medina	Principal or Designee*	
Richard Cruz	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Eloise Bennett	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
N/A	District Council 37 (DC 37) Representative (staff), if applicable	
Sandra Diaz	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	
N/A	Student Representative (Required for middle and high schools)	
Marlyn Garcia	CBO Representative, if applicable	
Vanessa Pierce	Member/Parent	
Daniela Zavala	Member/Parent	
Natalie Garcia	Member/Parent	
Marisa Sorbaro	Member/Parent	
Doris Camacho	Member/Staff	
Melissa Berkowitz	Member/Staff	
Jeanette Diaz	Member/Staff	
Keanna Casey	Member/Parent	
Lizbeth Teron	Member/Staff	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

VISION STATEMENT
Empowering the students of today for the possibilities of tomorrow.

MISSION STATEMENT
At P.S. 85, we are a proud community school where we take pride in fostering a school environment where students are immersed in a well rounded and culturally responsive education with enriching experiences that evoke curiosity, goal oriented achievements and empowers them as leaders of their educational journey. We set great expectations to lead our scholars to great aspirations.

INSTRUCTIONAL FOCUS
If educators consistently maintain great expectations, know every student well and design strategic learning opportunities through engaging, student-directed work and culturally responsive education that evokes joy through critical thinking experiences, then every student will thrive as a scholar, a citizen and an individual.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P.S. 85: Great Expectations serves nearly 724 students in pre-kindergarten through fifth grade classes in the Fordham neighborhood of the Bronx. 29% of our students are multilingual learners and more than half of our students speak a language other than English at home. 20% of our students live in temporary housing and about 22% of our students are classified as students with disabilities. Within these demographic features, we have ICT classrooms in every grade, Transitional bilingual classes and a growing cohort of dual language students placed in dual language classrooms. We take pride in leveraging our students' diverse attributes and backgrounds to elevate their educational experiences. We are committed to Great Expectations for Every Student Every Day.

In planning and preparation, we prioritize New York's City Culturally Responsive Sustaining Education framework, and this is the core of our professional learning plan and the work of our Equity Team. The Equity Team engages in ongoing cycles of Plan-Do-Study-Act around our instructional priorities of Knowing Every Student Well, Culturally Responsive Teaching and Small Group Learning through strategic integration within Tier 1 instruction. Additionally, within our day, MTSS is planned cohesively and daily. We are a proud NYC Community School in partnership with Replications as our lead Community Based Organization. We also have strong partnerships that support rigorous instruction, such as, Thinking Maps, Writing is Thinking Strategic Inquiry (WITS), Teaching Matters, K-5 Math Teaching Resources and Fundations, in order to ensure CR-SE is evident across all content areas. We are engaged in ongoing growth in Restorative Practices that includes training of teachers, counselors and an administrative team. We are a Ruler and Brain Power School and through this work we build community and provide students with self-monitoring tools that also support decision making. We collect a variety of SEL data and offer students a strength-based social and emotional

learning screener to identify student strengths and needs. We are also committed to our collaboration with the district to grow our SEAD work in the classrooms by integrating instruction to Social Emotional Learning.

As a Community School, we have a partnership with Montefiore School Health to provide medical, dental, and mental health services to our school. We partner with Literacy INC to provide parents with literacy workshops in English and Spanish and to train parents as Very Involved Parents, who serve as reading ambassadors in the school and our community. STH social worker and Replications mental health coordinator support children and families in accessing resources in the community in addition to our school-based social worker who provides mandated services and three guidance counselors who provide at-risk and integrated counseling services. We have an onsite pantry available to families as needed. To enhance our community-based work, we have an in-house partnership with Replications. This includes a Community School Director that plans and collaborates with our school in providing a well-rounded education that not only facilitates based on needs but brings enrichment opportunities within our community.
We take pride in aligning our professional growth through research-based approaches around driven by data practices in the classrooms. To develop a strong foundation in this work we build relationships with partner organizations and coaches that support, develop and empower our teachers in this field. We also align those priorities needs with the support at the district level to leverage and maximize our school wide priorities.
Strengthening our school culture through social emotional learning, inclusive classrooms and equitable experiences, students are trained as Brain Power leaders to conduct SEL activities in the classroom and take a leadership role as citizens of our school community through the student council and debate team. We are excited to continue to engage in student focus groups to include student voice, choice and leadership at our school. This is evident within our student teams such as the debate team, student council, and sustainability group.

We are also committed to our collaboration with the district to grow our SEAD work in the classrooms by integrating instruction to Social Emotional Learning and maintaining rigorous and engaging expectations in this work.

Briefly summarize the key initiatives your school will implement this school year.

Key initiatives for the 2025-26 school year include the following:

- Continued integration of our HMH Into Reading Curriculum aligned with backwards planning based on the module assessments and the results of June Instruction Report
- Continue to build on Data Driven Instruction (DDI) work based on the Power Standards in mathematics with academic monitoring and reassessments
- To strengthen our team's math content knowledge through our "Math for All" partnership, using the work to better plan for Exemplars and core curriculum math planning that enhances rigorous day to day classroom tasks.
- Emphasis on NYC Reads work to provide a high quality literacy instruction that is routinized and customized through our overall DDI work, this includes MTSS, whole class decodables and small group instructions.
- Continued strategic use of Thinking Maps with a focus on greater student ownership in the use of the maps across all grades.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and	Grade Band	Digital and/or Print Curricula/Program	Adaptations

Math Only)			
ELA	K-5	Into Reading & Writing	During June planning days and curriculum planning meetings, grade level teams met to revise Into Reading & Writing unit plans aligned with the Next Generation Power Standards, alignment to the unit assessments and grade level expectations through backwards planning. Teachers incorporate the use of Thinking Maps and Writing is Thinking tasks as a tool to build on students literacy skills.
ELA	K-2	Fundations/Heggerty Phonological & Phonemic Awareness	Teachers review Fundations unit assessment data to determine areas for teaching and reteaching for whole and small group instruction. ICT teachers will utilize a parallel teaching model during Fundations to ensure all students receive targeted instruction based on their needs. Grade-level teams will also continue to stream students across classrooms to ensure all students have targeted phonics instruction at their instructional level. Teachers follow Heggerty pacing for phonemic awareness for 10 minutes prior to Fundations.
Math	K-5	enVisions Math	During June planning days and curriculum planning meetings, grade-level teams meet to revise enVisions unit plans focused on the Next generation Power Standards, alignment to the unit assessments, and grade level expectations. Additionally, teachers will incorporate the use of Thinking Maps, Number Talks and Fluency Centers, and Exemplars problem solving tasks.
N/A	N/A	N/A	N/A

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
iReady Spring 2025 students scoring on, mid- or above-grade level in Vocabulary -Grade 3 44 out of 101 (44%) -Grade 4 29 out of 111 (26%) -Grade 5 32 out of 105 (30%) June 2025 Instructional Report Indicates: -Grade 3 earned 52% (up from 44% 2024) of possible points on Word Meaning problems NY 3.R.4, NY 3.L.4, 4 points -Grade 4 earned 54% (down from 56% 2024) of possible points on Word Meaning problems NY 4.R.4, 4.L.4, 5 points -Grade 5 earned 64% (up from 56%) of possible points on Word Meaning problems NY 5.R.5, 5.L.5, 10 points	Teachers are not consistently using a vocabulary routine/protocol across all grades that incorporates module words for more exposure. Teachers in lower grades are not consistently using a routine that emphasizes vocabulary routine, with a focus on morphology.	Students need effective vocabulary instruction that includes the use of explicit instructional routines for the unit module words that will be consistent from the beginning of the year, end across all grades.
Acadience End of Year 2025 Screener Data indicates the following students scoring at or above benchmark: -Kindergarten: 36% (41 out of 115) -	Teachers in upper grades and lower grades have not established a clear,	Students need more opportunities for reading independently and accurately to

Grade 1: 33% (34 out of 104) -Grade 2: 46% (50 out of 108)	consistent routine for independent reading that ensures students are reading high-interest appropriate books and building reading stamina to get on grade level.	increase reading fluency and comprehension
NYS ELA 2025 Grades 3-5 (SWDs) indicates students scoring at Level 1: -Grade 3 11 out of 20 (55%) -Grade 4 11 out of 17 (65%) -Grade 5 12 out of 28 (43%) iReady Reading Spring 2025 SWDs scoring 2 or more grade levels below -Grade 3 43 out of 101 (43%) -Grade 4 36 out of 111 (32%) -Grade 5 38 out of 105 (36%)	Teachers of SWDs are not consistently differentiating or using protocols and routines to support SWDs in the classroom to ensure students are reaching proficiency on the ELA state exam.	Students performing at Level 1, including SWDs, need additional practice with phonemic awareness and phonics. They also need additional practice on applying acquired phonics skills to decodable text and multisyllabic words. SWDs need more consistent access to grade-level reading and writing tasks with specially designed instruction and progress monitoring to ensure SWD students are performing at similar proficiency levels to all students.
2025 NYS ELA Exam students scoring at Level 3 and 4. -Grade 3 36 out of 90 (40%) -Grade 4 39 out of 96 (41%) -Grade 5 48 out of 106 (50%) 2024 NYS ELA Exam students scoring at Level 3 and 4. -Grade 3 21 out of 95 (22.1%) -Grade 4 33 out of 98 (33.7%) -Grade 5 27 out of 106 (25.5%) June 2025 Instructional Report indicates: NYS ELA Exam Data - Grade 3 scored 50% (up from 45% 2024) of possible points on identifying the theme of the story. (N.Y.R.2, 8 points) -Grade 4 earned 51% (51% 2024) of total points on identifying the theme of the story. (N.Y.4. R.2, 8 points) -Grade 5 earned 51% of possible points on identifying the theme of the story (down from 54% 2024) (N.Y 5.R.2, 7 points)	Teachers in lower grades have not explicitly taught students the routine of how to use genre thinking jobs to identify the theme and central idea of texts. Teachers in upper grades are not consistently using the routine of establishing genre thinking jobs to identify the theme and central idea of texts. There was a lack of consistency teaching these skills throughout the content areas.	Students need more practice on identifying the theme and central Idea of fictional and non-fictional text.
June 2025 Instructional Report indicates -Grade 3 earned 49% (up from 48% 2024) of possible points on describing characters and textual relationships (NY.3.R.3. 10 points) -Grade 4 earned 49% (up from 45% 2024) of possible points on describing and explaining characters and events. (NY.4.R.3., 12 Points) -Grade 5 scored 58% (up from 45% 2024) of possible points on comparing character/text elements (NY.5.R.3, 9 points)	Teachers in lower grades have not explicitly taught students how to describe a character in a story using character traits. Teachers in upper grades are not consistently having students explain their reasoning for attributing a character trait to a specific character. There was a	Students need additional practice on identifying characters/text elements/textual relationships and explaining their reasoning.

	lack of consistency teaching these skills throughout the content areas.	

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	121	By June, 2026, literacy for All Students will improve, as measured by an Increase of 30, from 121 (43%) to 151 (53%), of number of students scoring at levels 3 and 4 on the NYS ELA exam results.
All Students	127	By June, 2026, literacy for All Students will improve, as measured by an Increase of 30 students, from 127 (38%) to 157 (48%), of at or above benchmark on the EOY Acadience Reading results.
Students with Disabilities (SWD)	34	By June, 2026, literacy for Students with Disabilities (SWD) will improve, as measured by a Decrease of 7, from 34 (52%) to 27 (42%), of number of students scoring at level 1 on the NYS ELA exam results.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

34 (45%)

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Structuring Lessons

Root Cause Addressed:

Teachers in upper grades and lower grades have not established a clear, consistent routine for independent reading that ensures students are reading high-interest appropriate books and building reading stamina to get on grade level.

Teachers are not consistently using a vocabulary routine/protocol in upper grades that incorporates module words for more exposure. Teachers in lower grades are not consistently using a routine that emphasizes vocabulary routine, with a focus on morphology.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Grade-level teacher teams in partnership with the Equity team will revise instructional expectations for ELA and will develop coherent curriculum, pacing calendars and assessment plans utilizing curricular resources from Into Reading based on City Wide and District wide implementation expectations to focus in on priority standards around vocabulary, theme/central idea, characters, and text features. This will include a clear outline of independent reading expectations. Teachers across all grade levels will implement the use of thinking job quadrants in fiction/non-fiction texts starting in October 2025 when HMH modules begin in order to focus on identifying the most important elements of a text and building their higher-order thinking and comprehension.
The Equity Team will develop an Implementation Calendar at the beginning of the school year with a detailed calendar that includes times for assessment creation/adaption, interim assessment analysis, weekly data meetings, and re-teaching.

The instructional leaders in partnership with the Equity Team and in partnership with the DIstrict HMH coach will regularly engage in learning walks to identify and implement best practices for high-achieving teachers and schools by sharing and disseminating resources and strategies. Instructional leaders will review lesson and unit plans and observation feedback driven by the action plan and student learning needs.

The Equity Team in consultation with the Staff Development Committee will plan the key strategies for beginning of the year professional learning with a focus on Data-Driven Instruction, including how: -Assessments define rigor -Aggressive Monitoring -how to analyze student work -how to adapt instruction The Equity Team in consultation with the Staff Development Committee will build on the beginning of year PD to develop a PD calendar that is aligned with data-driven instructional plan, including student work analysis, action planning and learning how to teach content. This work in literacy will be supported by educational consultants from HMH Into Reading and Fundations. The work for ELLs will be supported by an instructional coach from RBERN. The PD calendar will include Hot Topic sessions every 6 weeks for teachers to share effective teaching practices and recent professional learning in order to “Build by Borrowing."

Teachers teams in conjunction with the morning curriculum planning team will utilize the June Instructional Report along with the Implementation Calendar to develop unit plans with instructional resources for Tier 1 and cycles of targeted instruction to ensure that missed content is covered in fall. Teacher teams will engage in PDSA cycles of inquiry for teacher teams to analyze student work and data to identify strengths, needs, and adjustments to instruction. Upper grades(3-5) receive professional development focused on the 5 day vocabulary routine that was developed by 5th grade for SY 25-26. In order to implement this routine, Grades 3-5 will implement the 5 day vocabulary routine starting in September 2025 at the beginning of each ELA block in order to ensure consistency across grade levels that addresses incidental on purpose language experience/word strategies.

The MTSS Team in partnership with the Equity Team and consultants from District-Public and New Visions for Public Schools will analyze universal screening data from baseline iReady Diagnostic and Acadience Screeners to develop executive summaries and grade- and class-level data trackers. The team will work with classroom teachers to develop Tier 2 and Tier 3 intervention and enrichment plans using the MTSS framework for all students, including ML/ELLs and SWDs, including phonics for reading, Spire and Chapter One tutoring. Upper grades (3-5) will deepen professional learning on Phonics For Reading program.

Classroom teachers will consistently engage in data-driven instruction and assessment practices within Tier 1 by: -developing exemplar student responses with expected responses to reading and aligned with look fors (success criteria) -engaging students in student-centered discussions that allow students to understand the end goal, their performance, and what actions they can take to improve their work through self-assessment. -identifying and utilizing appropriate strategies for reteaching to close student gaps, including activating prior knowledge, guiding discourse, and modeling -aggressively monitoring student work on a daily basis to give feedback and redirection as needed Starting in September 2025, all teachers will consistently implement lessons that include learning targets that align with an exemplar and independent practice with aggressive/academic monitoring aligned to the lesson as well as accountability techniques of cold call, turn and talk and Choral. K-2 will receive further professional development around aggressive/academic monitoring to focus on how it is executed in a lesson.This focus on explicit Tier 1 instruction will support improved proficiency.

The school will partner with Mission Society to deliver academic and enrichment extended learning time opportunities after-school. PS 85 teachers will engage students in cycles of ELT programming to develop reading skills with a focus on academic vocabulary, discussion, and writing in Literacy.

Key Strategy 2 (Optional):

N/A

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

-Weekly Equity Team/ ILT (Instructional Leadership Team) meetings will focus on implementation of CEP, updating status of CEP action plan activities for Priority 1, with successes, challenges, and next steps.

-Weekly Supervisory/Instructional Cabinet meetings will focus on updating the status of Advance Teacher MOTP ratings, feedback, support, and next steps.

-Weekly Teacher Team meetings will focus on cycles of looking at student work, data inquiry, and collaborative pedagogical practices, with self-reflections and revisions to lesson planning and classroom instruction. The data that will be collected and analyzed to determine progress and impact on instruction, student learning, and achievement may include the following:
—i-Ready Diagnostic Reading Assessments during 3 Progress Monitoring Periods (November, February, and June)
-–Acadience Screener Assessments during 3 Progress Monitoring Periods (November, February, and June)
–Topic assessment data and student work from enVisions
-–Teachers' Advance MOTP ratings during 3 Progress Monitoring Periods (November, February, and June)

-Monthly School Leadership Team (SLT) meetings will follow the NYC DOE recommended calendar of SLT activities and participate in shared analysis of the school's CEP progress monitoring for Priority 1. School Leadership Team will meet on a monthly basis to share, review, reflect, and revise the implementation of CEP action plan activities, strategies, and progress monitoring outcomes related to the Priority 1 goals.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/02/2025	06/26/2026	Newsletters will be created monthly to inform parents of the expectations of each upcoming module. The SLT and Equity Team will develop a calendar of family celebrations and workshops with the support of the Replications CSD and other representatives	Parent Coordinator
09/04/2025	06/26/2026	Monthly professional development on supporting children in their literacy development	LINC, Replications, Teachers, Parent Coodinator

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

General education, ENL and special education teachers, school administrators

Instructional Resources

Core curriculum purchase of Into Reading program, Fundations, Heggerty including print and digital resources; Phonics for Reading Intervention; Joy School English online subscription; Thinking Maps

Schedule Adjustments

Grade level planning at least twice a week

Other Resources Needed

Per session for summer planning and morning curriculum planning; Professional Learning from HMH Into Reading and Fundations

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on the 2024 Teacher Survey, teachers report a 50% positive response rate for conflicts that are not resolved fairly.	The consistent use of weekly restorative circles provides a structured space for students to voice concerns, build relationships, build classroom community and practice resolving conflicts constructively. This proactive approach fosters a sense of community and personal accountability. The implementation of the Mood Meter in classrooms helps students build emotional intelligence by identifying and expressing their feelings. This not only enhances self-regulation but also encourages open discussion and empathy	Based on the 2024 teacher survey, priority needs signify that classroom routines that support community-building are often not applied consistently, and students may have limited opportunities to practice healthy communication skills, including identifying emotions and resolving conflicts in the classroom setting. Maintain weekly restorative circles to address conflicts and amplify student voice, encouraging students to take greater responsibility in resolving issues. Strengthen the use of the Mood Meter in classrooms to help students identify emotions, foster meaningful discussions, and build self-regulation skills.

	among peers. These intentional practices create a school culture where students feel heard, supported, and empowered to take ownership of their behavior and social interactions.	
Based on the results from the 2024 teacher survey, 71% of teachers responded favorably to questions about recognizing disruptive behavior as social-emotional learning opportunities	While 71% of teachers recognize disruptive behavior as an opportunity to teach SEL, it seems that there may not be enough consistency or the ability to act in the moment to actively use these moments for skill-building. Recognition alone is not enough to ensure that students consistently receive the guidance they need to manage emotions and resolve conflicts effectively.	Teachers can fully integrate SEL into their daily routines. For example, morning/ check ins with the mood meter, Class Dojo, modeling and implementing the B.E.S.T. matrix, weekly restorative circles, class charter, Brain Power activities, and a classroom calm corner.
Based on the 2024 teacher survey, 86% of teachers responded favorably to questions about students being safe in common spaces throughout the building	P.S. 85 has clear rules and expectations around behavior in common spaces (hallways, lunchrooms, and playgrounds). These rules may not consistently be enforced by staff members, which hinders creating an environment where students know what is expected of them, contributing to a feeling of safety.	Clear behavioral expectations are outlined through the B.E.S.T. Matrix, part of the PBIS program, which guides students in demonstrating positive behavior. These expectations are further reinforced by the staff handbook, which teachers are required to sign, ensuring they understand and enforce the rules consistently. The school also ensures consistent adult supervision in high-traffic areas and utilizes staff memos from the administration to regularly remind all staff of the expectations and policies. A positive school culture is implemented by, supported by anti-bullying initiatives and SEL programming, and other initiatives such as RFA week. By providing structured systems for behavioral support and maintaining well-managed common spaces, the school continues to create and work toward a secure and welcoming environment for all students.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	77%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 10% Increase, in of teachers who respond favorably to questions about recognizing classroom disruptions as SEL learning opportunities from 77% to 87%, per the NYC School Survey results.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Metacognitive Strategies

Root Cause Addressed:

The consistent use of weekly restorative circles provides a structured space for students to voice concerns, build relationships, build classroom community and practice resolving conflicts constructively.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The counseling team will support teachers with school-wide implementation of the B.E.S.T Matrix, restorative practices, and SEL instructional strategies (I.E. the mood meter). Staff will be provided with professional learning on these topics through the school and city wide opportunities to expand their knowledge. Teachers will ensure daily implementation of the mood meter and weekly restorative circles to build the classroom community with a sense of student-teacher trust as well as increasing peer-peer trust and communication, decreasing impulsive conflicts and boosting classroom morale which is reflected in the results of the teacher survey.
All classrooms will design and post a class charter by using student voice for a set of classroom agreements. Teachers will support students to take personal responsibility in fulfilling the roles they created. Teachers are responsible for reminding students of the class charter as it is a social agreement. Classroom charters will be used in enrichment classrooms, school clubs, lunch/recess, to build classroom community to hold students accountable for their actions when in other areas of the school building which will reflect an increase in social emotional supports.
Teachers will consistently utilize the Mood Meter on a daily basis. Teachers will monitor student emotions and moods throughout the day and remind students of the skills they learned when faced with conflict or other difficulties. Students

will also recognize and track their emotions by using the mood meter. Students will be able to request for restorative circles, classroom calm corner, or peer mediation when faced with conflict.
Teachers will engage students in restorative lessons on goal-setting, self-monitoring, and positive self-talk. By implementing strategies to build these skills, students will build their self esteem and have better judgment of how to resolve conflict in a healthy way in the classroom setting or less structured settings like gym and recess.
Weekly Counseling team meetings will be conducted to discuss students who need support above the tier 1 criteria. The counseling team will engage students in at-risk and mandated counseling services in order to develop skill building in group or individual settings that correspond with tier 2 and/or tier 3 interventions, which can include social skills groups and SEL skill building with teacher, parent, or agency recommendations and collaborations. Students may also be referred to outside agencies like SBH for further interventions if needed.

Key Strategy 2 (Optional):

N/A

Root Cause Addressed:

N/A

General education, ENL and special education teachers, school administrators, school counselors, social workers, CBO Partners from Replications and Mission Society

Instructional Resources

Structures for restorative circles facilitation

Schedule Adjustments

Monthly safety meetings, weekly counseling team meetings, and scheduled classroom visits by counseling team

Other Resources Needed

Per session and training rate as needed for professional development and family celebrations/workshops

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYS Math 2025 Grades 3-5 -Levels 3-4 43.3% (133 out of 307) -Level 2 32.2% (99 out of 307) -Level 1 24.4% (75 out 0f 307) NYS Math 2024 Grades 3-5 -Levels 3-4 26.1% -Level 2 37.1% -Level 1 36.8% iReady iReady Spring 2025 students scoring on, mid- or above-grade level -Grade 3 45 out of 101 (45%) -Grade 4 46 out of 111 (46%) -Grade 5 41 out of 106 (41%)	Teachers have taught students to use the 3 Reads Protocol, but there is not a consistent protocol or system taught for students to translate what is happening in the problem to a visual representation or equation.	Students need to build on the use of the 3 Reads Protocol with more independence, annotation, and intentional practice using visuals, such as the bar model and base-10 representation, to translate the multi- step word problems that involve whole numbers using the 4 operations (3-5 NY OA.8-9). Students need more explicit instruction on explaining their thinking/reasoning for the constructed response.
June 2025 Instructional Report indicates: -Grade 3 earned 47% of points (up from 43%) on Understanding Fractions problems	Teachers need more support in planning for the use of	Students need more hands-on opportunities to build fractions in each grade and represent

(NY-3.NF.1-3, 9 points) -Grade 4 earned 49% of points (up from 31%) on Building Fractions problems (NY-4.NF.3-4, 12 points) -Grade 5 earned 43% of points (up from 28%) on Multiplying and Dividing Fractions Problems (NY-5.NF.3-7, 17 points)	manipulatives to build conceptual understanding.	fraction problem solving with different visual representations.
June 2025 Instructional Report indicates: -Grade 3 earned 65% of points on Geometry problems (2 points), 57% of points on Measurement problems (10 points) -Grade 4 earned 47% of points on Geometry problems (6 points), 42% of points on Measurement problems (6 points) -Grade 5 earned 51% of points on Geometry Problems (2 points), 42% of points on Measurement problems (12 points)	Curriculum planning teams need to plan for a spiraled approach for geometry and measurement/data to ensure students have more practice applying this content across the math domains.	Students need more opportunities to apply vocabulary, especially in geometry, throughout the school year.
June 2025 Math Acadience Data indicates for following students are scoring at or above benchmark: -Kindergarten 31% (36 out of 115) -Grade 1 47% (48 out of 104) -Grade 2 47% (50 out of 108)	Teachers in lower grades have not established a clear, consistent routine for foundational skills that ensures mastery of early numeracy and problem solving skills.	Teachers need to plan for students to have more opportunities to practice foundational skills aligned with the expectations of Acadience. These activities need to be embedded during morning meeting, Tier I instruction and reteaching time.
NYS Math 2025 Grades 3-5 (SWDs) -Levels 3-4 20% (13 out of 66) -Level 2 36% (24 out of 66) -Level 1 44% (29 out of 66) 2024 Math performance index (PI) All Students 94.6 -SWD Math PI 51	Special education teachers need more support in planning for the specific needs of their students using specially-designed instruction.	Special education students need more opportunities to engage in math tasks specifically aligned with their IEP goals that will scaffold to grade-level content.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	131	By June, 2026, the number of students scoring at Level 3 & 4 will improve as measured by an Increase of 30 from 131 (43%) to 161 (53%), for All Students, scoring at levels 3 and 4 on the NYS Math Exam results.
All Students	134	By June, 2026, Mathematics for All Students will improve as measured by an increase of 30, from 134 (41%) to 164 (51%), of students scoring at or above benchmark onEOY Math Acadience results.
Students with Disabilities (SWD)	29	By June, 2026, Mathematics for Students with Disabilities (SWD) will improve as measured by a decrease of 7, from 29 to 22, in students scoring at Level 1on the NYS Math Exam results.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Metacognitive Strategies

Root Cause Addressed:

Teachers have taught students to use the 3 Reads Protocol, but there is not a consistent protocol or system taught for students to translate what is happening in the problem to a visual representation or equation.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The Equity Team will analyze the 2025 June Instructional Report and historical NYS exam data to revise the P.S. 85 Math Power Standards, which will guide the work of the math curriculum planning and grade level teams.
Grade-level teacher teams in partnership with the Equity Team will revise instructional expectations using the JIR and EOY data for mathematics and will develop coherent curriculum, pacing calendars and assessment plans utilizing curricular resources from enVisions, Exemplars, and K-5 Math Teaching Resources to ensure a consistent focus on data-driven instruction and assessment. Revisions and documents will be organized in the Math Dashboard and will include: -School-wide implementation of the 3 Reads Protocol, including thinking job for each read, and CUBES for mathematical problem solving in enVisions and Exemplars instruction -Focus on concrete-pictorial-abstract representations across grades, including a school-wide focus on the use of bar models. Specific references for the use of the bar model will be included in unit plans in the P.S. 85 Math Dashboard. Additional expectations on the use of manipulatives will be developed across topics and grades with specific guidance. -Pacing calendar of assessment benchmarks on each grade level for fluency aligned with grade-level expectations -Geometry units earlier in the school year in grade 4 -Alignment of units with the Common Interim Assessments -Weekly Exemplars problem solving lessons will include a deeper focus on connections. Pacing will include unpacking the rubric, focus on specific grade-level strategies, and development of Exemplars folders to monitor progress over time. -The use of math notebooks for more writing opportunities, including

the use of enVisions Convince Me prompts, and journal prompts. Math notebooks will also include a vocabulary section for more intentional use. -Grades 3-5 will engage in intentional use of online testing and instructional resources to ensure students are prepared for NYS computer-based testing.

The Equity Team will develop an Implementation Calendar at the beginning of the school year with a detailed calendar that includes times for assessment creation/adaption, data entry in an online platform, interim assessment analysis, weekly data meetings, and re-teaching.

Instructional leaders will consistently lead data meetings and monitor student work/learning trends across the school, adjusting their weekly schedule to prioritize key subjects/teachers and follow up effectively with a focus on frequent classroom visits. Instructional leaders will ensure that student data is available in a timely manner and will ensure that teachers can access performance results, standards-level analysis, and item-skills analysis. Assessment analysis will include grade-level, class-level and subgroup trends, including a focus on reduction in Level 1s for SWDs.

Instructional leaders in partnership with the Equity Team will regularly engage in learning walks and school visits to identify and implement best practices for high-achieving teachers and schools by sharing and disseminating resources and strategies. Instructional leaders will review lesson and unit plans and observation feedback driven by the action plan and student learning needs.

The Equity Team in consultation with the Staff Development Committee will plan the key strategies for beginning of the year professional learning with a focus on Data-Driven Instruction, including how: -assessments define rigor -how to analyze student work -how to adapt instruction -how to plan and monitor for Specially Designed Instruction for students with disabilities -use of the 3 Reads protocol, including thinking job for each read, and CUBES for mathematical problem solving The Equity Team in consultation with the Staff Development Committee will build on the beginning of year PD to develop a PD calendar that is aligned with data-driven instructional plan, including student work analysis, action planning and learning how to teach content. The professional learning in mathematics will be supported by educational consultants from Exemplars and Math for All. The work for ELLs will be supported by an instructional coach from RBERN. The PD calendar will include Hot Topic sessions every 6 weeks for teachers to share effective teaching practices and recent professional learning in order to “Build by Borrowing.”

Teachers teams in conjunction with the morning curriculum planning team will utilize the June Instructional Report for Mathematics and EOY iReady Data along with the Implementation Calendar to develop unit plans with instructional resources for Tier 1 and cycles of targeted instruction to ensure that missed content is covered in fall. Teacher teams will engage in PDSA cycles of inquiry to analyze student work and data to identify strengths, needs, and adjustments to instruction.

The MTSS Team in partnership with the Equity Team and consultants from District-Public and New Visions for Public Schools will analyze universal screening data from baseline iReady Diagnostic and Acadience Screeners to develop executive summaries and grade- and class-level data trackers. The team will work with classroom teachers to develop Tier 2 and Tier 3 intervention and enrichment plans using the MTSS framework for all students, including ML/ELLs and SWDs. Paraprofessionals and ICT classroom teachers will be trained in the use of Math Fact Fluency and Great Leaps intervention programs. Special education teachers in self-contained settings will be trained in the use of the Do the Math Intervention Program.

Classroom teachers will deepen their understanding of and consistently engage in data-driven instruction and assessment practices by: -developing exemplar student responses with expected math strategies and models with aligned look fors (success criteria) -engaging students in student-centered data discussions that allow students to understand the end goal, their performance, and what actions they can take to improve - identifying and utilize appropriate strategies for reteaching to close student gaps, including activating prior knowledge, guiding discourse, and modeling -aggressively monitoring student work on a daily basis to give feedback and redirection as needed

The school will continue to partner with Mission Society to provide academic and enrichment extended learning time

opportunities. PS 85 teachers will also engage students in cycles of ELT programming to develop math foundational and problem solving skills with a focus on academic vocabulary, discussion, and writing in Math. Additional ELT opportunities for ML/ELLs will be provided through the Title III Saturday Academy and Title III Immigrant after-school program.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

-Weekly Equity Team/ ILT (Instructional Leadership Team) meetings will focus on implementation of CEP, updating status of CEP action plan activities for Priority 3, with successes, challenges, and next steps.
-Weekly Supervisory/Instructional Cabinet meetings will focus on updating the status of Advance Teacher MOTP ratings, feedback, support, and next steps.
-Weekly Teacher Team meetings will focus on cycles of looking at student work, data inquiry, and collaborative pedagogical practices, with self-reflections and revisions to lesson planning and classroom instruction. The data that will be collected and analyzed to determine progress and impact on instruction, student learning, and achievement may include the following:
—i-Ready Diagnostic Reading Assessments during 3 Progress Monitoring Periods (November, February, and June)
-–Acadience Screener Assessments during 3 Progress Monitoring Periods (November, February, and June)
–Topic assessment data and student work from enVisions
-–Teachers' Advance MOTP ratings during 3 Progress Monitoring Periods (November, February, and June)
-Monthly School Leadership Team (SLT) meetings will follow the NYC DOE recommended calendar of SLT activities and participate in shared analysis of the school's CEP progress monitoring for Priority 3. School Leadership Team will meet on a monthly basis to share, review, reflect, and revise the implementation of CEP action plan activities, strategies, and progress monitoring outcomes related to the Priority 3 goals.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/02/2025	09/02/2025	Back to School Celebration -Families and students will meet their teachers and receive school uniforms and back to school supplies -Teachers and families will connect on Class Dojo to establish early communication habits	Replications, Mission Society, Parent Coordinator
09/13/2025	09/13/2025	Family Curriculum Night -Grade-level and attendance expectations -School website -Parent Communication (Monthly Family Newsletter, Family Calendar, Class Dojo, NYCSA) -Mission Society ELT applications	Replications, Mission Society, Parent Coordinator
09/08/2025	06/19/2026	Family Participation in parent-teacher conferences, progress monitoring, annual one-on-one meetings with families of ELLs, BIP and IEP Meetings	School Psychologist, IEP teachers, related service providers, classroom teachers
11/20/2025	06/19/2026	Quarterly Family Math Game Day & 100th Day of School Family Celebration	Classroom Teachers, Service Providers, Parent Coordinator, Replications
09/01/2025	06/01/2026	The SLT and Equity Team will develop a calendar of family celebrations and workshops with the support of the Replications CSD and other representatives, including quarterly Family Math Days with a focus on games that support student fluency.	Parent Coordinator, Replications

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

General education, ENL and special education teachers, school administrators

Instructional Resources

Core curriculum purchase of enVisions math program, including print and digital resources K-5; Number Talks professional texts; Exemplars online subscription; Great Leaps, Fact Fluency, and Do the Math Intervention Kits; Thinking Maps

Schedule Adjustments

Grade level planning at least twice a week

Other Resources Needed

Per session for summer planning and morning curriculum planning; Professional Learning from K-5 Math Teaching Resources, Teaching Matters, and RBERN

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on 2025 student interviews, Grades 4 & 5 are able to connect what they are learning in school with their future career goals while grades 3 and under have trouble making the connection.	Based on interviews conducted with students in 2025, many expressed a need for support in recognizing their personal strengths and interests, as well as understanding how these relate to future career choices. Additionally, students showed limited awareness of the importance of early career planning during the	School staff need to promote self-reflection and self-awareness by creating resumes and engaging in activities that focus on students strengths and interests to help students understand the variety of career and college options available to them. School staff need to guide Students in

	elementary years. The school has not consistently engaged students in activities that help them identify strengths and possible career pathways.	understanding the connection between what they like to do and what they are good at and apply it to planning a future career.
Based on the 2024 Parent Survey, 87% of parents responded with positive feedback to the question, “This school helps to prepare my child for college, career, and success in life after high school.”	The reason for this outcome is because messages that are sent to families related to college and career options, including the Save for College program, are inconsistent. Also, families are not taking full advantage of the programs available to them at the elementary school level.	School staff need to plan ongoing parent workshops and outreach opportunities to continuously engage parents in learning more about the college and career process and the options, including the Save For College Program, that are available to them and their families.
According to the 2024 NYC School Survey Data, 94% of parents responded with positive feedback to questions about Building Families’ Capacity as their Child’s Primary Teacher According to the 2024 NYC School Survey Data, 95% of teachers responded favorably to questions about Outreach to Parents	School communication with families has been inconsistent from grade to grade and classroom to classroom, which has impacted the home-school family connection.	School staff need to continue to engage families directly in the process of teaching and learning to increase home-school engagement and set the expectation for college and career readiness.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	86%	<School Name> will address PriorBy June, 2026, the the percentage of parents responding favorably to the question, "This school provides resources to me and my child to prepare my child for career, college, and success after-college." for All Students will Increase by 10% from 86% to 96% as measured by NYC School Survey .

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Metacognitive Strategies

Root Cause Addressed:

School has a need for support in grades Pre k- 5 for students to start recognizing their personal strengths and interests and how to utilize them for the future, as well as understanding how the classroom lessons relate to future career choices.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
School staff will organize a school-wide celebration and workshop to inform and energize families about the Save for College program. During this event, staff will emphasize the value of starting college and career planning as early as kindergarten. The workshop will also highlight the importance of consistent attendance in non-mandated early childhood years, reinforcing how early academic habits and regular attendance contribute to long-term academic success and a strong work ethic.
In collaboration with Replications, school staff will host a Career Fair for students in grades 3-5, featuring guest speakers from a variety of professions. This event will be supported by classroom lessons and reflective activities designed to deepen students' understanding. The Career Fair will provide students with the chance to explore career options beyond those typically encountered outside of school. Staff are encouraged to network and invite professionals from diverse fields to expose students to both traditional and non-traditional career paths. Teachers will guide students through lessons and reflections focused on identifying their strengths and interests, and students will prepare questions to engage meaningfully with the guest speakers and learn more about different career opportunities.
School staff will implement grade appropriate guided lessons that correspond with events like college and career spirit

week and school hosted Career fair. Students will experience writing resumes, vision boards and other skill focused lessons that promote greater social emotional well being and responsibility that extends to the knowledge of college and career readiness.
Classroom teachers will engage students in developing the classroom norms through class charters and restorative circles to increase personal responsibility and self esteem. School staff will remind students of the classroom norms and agreements to help students develop personal responsibility and effort in reaching their goals. School staff will consistently maintain great expectations for each of our students to ensure students are on track to be successful in middle school, high school, and beyond on their career or college pathway.
School staff, in collaboration with the attendance team, will continue to emphasize the critical role of consistent daily attendance in fostering goal achievement and developing habits essential for academic and career success. Teachers and attendance coordinators will build strong relationships with families to provide support and guidance, helping to address any barriers by connecting them with resources such as school supplies, uniforms, or external referrals as needed.

Key Strategy 2 (Optional):

N/A

Root Cause Addressed:

N/A

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

-Weekly Equity Team/ ILT (Instructional Leadership Team) meetings will focus on implementation of CEP, updating status of CEP action plan activities for Priority 4, with successes, challenges, and next steps.

-Weekly Counseling Team meetings will include data analysis of student surveys, parent and environment survey, and attendance at school events such as the Save for College program.

-Monthly School Leadership Team (SLT) meetings will follow the NYC DOE recommended calendar of SLT activities and participate in shared analysis of the school's CEP progress monitoring for Priority 4. School Leadership Team will meet on a monthly basis to share, review, reflect, and revise the implementation of CEP action plan activities, strategies, and progress monitoring outcomes related to the Priority 4 goals

-Annual spirit week promoting college and career, which is accompanied by grade appropriate classroom lessons. Career Week ending with a career fair for grades 3-5, Students interview various guest speakers from community workers, to doctors, to pilots, and present their own resume to guests.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	12/20/2025	Middle School Workshops to inform parents about the application process as well as goal-setting & planning ahead for all grades including 5th grade and beyond, school trips for students and families to visit neighboring middle school	Partnerships with middle schools in area, Replications and Mission Society
03/01/2026	03/31/2026	College and Career spirit week and day that showcases staff and student/parent participation and awareness that is dedicated to promotion of higher learning.	Partner with CBO Replications to promote the week
10/01/2025	11/30/2025	Save for College Kickoff Event and parent workshops to set up school accounts	Partner with CBO Replications with NYC DOE Resources

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

School counselors, social workers, parent coordinator, general education, ENL and special education teachers, school administrators, CBO staff

Instructional Resources

Civics for all and College Career Preparation workshops

Schedule Adjustments

Weekly counseling team meetings, ongoing professional learning, and planning meetings for school events

Other Resources Needed

Training rate and per session to support professional learning and after-school events as needed

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2024 NYC School Survey data indicates 94% of parents responded favorably to questions about Parent-Teacher Trust 94% of parents responded favorably to the question "Staff at this school work	The school needs to provide families with more opportunities for ways to communicate with teachers/schools to increase	The school needs to provide families with more opportunities for ways to communicate with teachers/schools to increase

hard to build trusting relationships with parents/caregivers like me."	positive communication to build parent-teacher trust.	positive communication to build parent-teacher trust.
2024 NYC School Survey data indicates 93% of parents responded favorably to questions about Outreach to Families. 91% of parents responded favorably to the question "School staff regularly communicate with me about how I can help my child learn."	The school needs to provide families with more opportunities to learn how to use digital platforms to communicate with teachers and the school.	The school needs to provide families with more opportunities to learn how to use digital platforms to communicate with teachers and the school.
2024 NYC School Survey data indicates 92% of parents responded favorably to questions about building families' capacity as their child's primary advocate. 96% of parents responded favorably to the question "My child's teacher let me know that I can make a difference in my child's learning."	The school needs to provide more opportunities for parents to engage in their child's learning through family workshops, writing celebrations, math game days, and other activities.	The school needs to provide more opportunities for parents to engage in their child's learning through family workshops, writing celebrations, math game days, and other activities.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	93%	<School By June, 2026, the number of parents responding favorably to the question “Staff at this school work hard to build trusting relationships with parents/caregivers like me, will Increase by 4% from 93% to 97% as measured by NYC School Survey.
Parents of All Students	94%	By June, 2026, the number of parents responding favorably to the question, “School staff regularly communicate with me about how I can help my child learn.,” will Increase by 3% from 94% to 97% as measured by NYC school survey.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Metacognitive Strategies

Root Cause Addressed:

The school needs to provide families with more opportunities to learn how to use digital platforms to communicate with teachers and the school.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Establish a Family Communications Team comprised of Parent coordinator, CBO Community School Director, and grade level teachers who will -meet once a month to enhance home school communication; school promotion and outreach: -create a grade level newsletter to share important information with families. Monthly newsletter will be sent by one person who will take ownership to send out information to families both digitally and paper copy on bulletin board by front door; -coordinate with webmaster, Instagram Team, and parent coordinator to ensure timely promotion of family related activities on school website, DOE messaging platform, Instagram, and Class Dojo.
Parent coordinator and CBO Community School Director will collaborate to: -host back to school kickoff event on September 4 for families to meet the teacher, receive school uniforms and other supplies, and learn about community partners, including Montefiore School Health Clinic and NYC Mission Society -develop a monthly Family Calendar which will be widely distributed, available electronically and posted prominently around the school with input from Family Communications Team, attendance team and other key school personnel. -Establish a series of parent workshops to provide parents and families with ongoing insight and understanding to what is being taught and school year related topics, including test sophistication in grades 3-5 and foundational reading skills in grades K-2 -Schedule events near the school survey to increase parent participation -Coordinate PTA Meetings with student performance and family activities to increase parent engagement -Plan tours for Pre-K and Kindergarten each year in the spring and fall,

coordinating events with administration and early childhood directors at respective sites to support students and families in the transition between schools Teachers will: -Welcome families at the Back to School night on September 17. Activities will include: –set up Class Dojo and MySchools using Myschools Step by Step Guide –Create and collect parents surveys about getting to know the students and preferred communication styles. These surveys will be sent home if families are unable to attend the Back to School Night. -Facilitate in-person class events to share students' learning with the option to attend virtually. This will include writing celebrations, showcasing projects, artwork, 100th Day of School celebration, and other related student performances. Events and celebrations will include ways for parents to support students at home with activities, such as high-frequency word review and math fluency games -Create a positive feedback parent communication tracker (5 students per week). For example: phone call, Dojo message, note home, etc. The goal would be to have individual, positive communication with all families once a month including how parents can help their children at home.

Key Strategy 2 (Optional):

N/A

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Weekly Equity Team/ ILT (Instructional Leadership Team) meetings will focus on implementation of CEP, updating status of CEP action plan activities for Priority 5, with successes, challenges, and next steps.
-Monthly family community team meetings will focus on development of monthly calendars, communication strategies, and results of parent surveys.

-Monthly School Leadership Team (SLT) meetings will follow the NYC DOE recommended calendar of SLT activities and participate in shared analysis of the school's CEP progress monitoring for Priority 5. School Leadership Team will meet on a monthly basis to share, review, reflect, and revise the implementation of CEP action plan activities, strategies, and progress monitoring outcomes related to the Priority 5 goals.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/02/2025	09/02/2025	Back to School Celebration -Families and students will meet their teachers and receive school uniforms and back to school supplies -Teachers and families will connect on Class Dojo to establish early communication habits	Replications, Mission Society, Parent Coordinator
09/17/2025	09/17/2025	Family Curriculum Night -Grade-level and attendance expectations -School website -Parent Communication (Monthly Family Newsletter, Family Calendar, Class Dojo, NYCSA) -Mission Society ELT applications	Replications, Mission Society, Parent Coordinator

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Parent Coordinator, Community School Director, school administrators, attendance team members

Instructional Resources

DOE Messaging Application, Class Dojo

Schedule Adjustments

Monthly family communication team meetings

Other Resources Needed

Per session for family events as needed

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
29% chronic absenteeism rate based on New Visions data tracker as of June 9, 2025 Chronic Absenteeism by grade Pre-K-36% (24 out 66) Kindergarten-37% (43 out of 115) Grade 1-30% (32 out of 105) Grade	The school has not made enough impact on parent engagement and understanding of the impact of attendance on student learning, especially in	The school needs to continue to emphasize the importance of attendance from the first day of school. The school needs a schoolwide focus on maintaining attendance above 95% by child, class, and grade. Attendance data should be connected to every parent activity in the school. The school needs to better communicate the importance of early childhood school experiences and develop a shared understanding of strong attendance by providing a series of workshops for parents with particular attention to parents of Pre K, Kindergarten and Grade 1 to emphasize the importance and connection between attendance and students' learning. An increase of targeted parent workshops can be facilitated, for families of Pre-K through Grade 1 students, to build awareness and promote consistent attendance habits. One of the most critical needs for hispanic and latino students, is improving bilingual communication and outreach to ensure families fully understand attendance

2-32% (35 out of 109) Grade 3- 18% (20 out of 110) Grade 4-30% (30 out of 101) Grade 5-22% (23 out of 104) Hispanic and Latino students are at 34.3% on chronic absenteeism Chronic Absenteeism = Level 2 on 2024 ESSA Data	Early Childhood. The higher chronic absenteeism rate among Hispanic and Latino students may be driven by language barriers, economic hardship, limited access to healthcare, and other similar hardships.	expectations and available resources. P.S. 85 can continue to be a culturally responsive environment where students feel seen, valued, and connected. We will continue to offer support services such as healthcare, transportation, and economic assistance that can help address barriers that keep students from attending school regularly. Strengthening family engagement efforts, particularly in immigrant communities, is also essential to building trust and fostering collaboration between schools and families. The school needs to provide strong family engagement events in September to ensure strong attendance from day 1.
61 students in grades PK-4 who had less than an 80% attendance rate in September 2024 according to data from the New Visions Portal. There are 33 students who had less than 75% attendance rate during the 24-25 school year according to data from the New Visions Portal.	The school hasn't made a clear enough connection between attendance and academic success and has not successfully removed the barriers contributing to severe chronic absenteeism.	The school needs to make stronger connections with children and families who are identified as severely-chronically absent (less than 80% attendance) to better understand family needs and connect with community services. The needs assessment highlights that improving attendance is a critical area of focus, especially in the early grades. The school needs to continue to build a stronger understanding within the school community of the direct connection between consistent attendance and academic success. Attendance patterns indicate a need for early, proactive intervention. To address this, staff must take a more active role in educating families about the importance of starting the school year with strong attendance. This includes helping parents understand that attendance is counted from the first day of school and that extended vacations or absences during the year can have lasting negative effects on student performance.
N/A	N/A	N/A

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	501	By June, 2026, the Number of students with an attendance rate of 90.1% or higher for All Students will increase by 37, from 501 to 538, as measured by the Insight Chronic Absenteeism Reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

The school must strengthen communication about the value of early childhood education, and build a shared understanding of the importance of regular attendance as a foundation for academic success in all students (with additional emphasis on STH and the hispanic/latino communities) who may face additional barriers when it comes to consistent attendance.

Root Cause Addressed:

The connection between attendance and academic success is not fully understood by families or consistently emphasized within the school community.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The 2025-2026 Community School Team, in collaboration with the attendance and administrative teams, will host a Back-to-School Kickoff event in September 2025. This event will celebrate the start of the new school year by welcoming students and families, introducing them to their new teachers, and distributing school supplies and uniforms to ensure all students are prepared and excited to return in September 2025.
The Community School team, in collaboration with the attendance and administrative teams, will host workshops for early childhood families focused on the importance of school attendance and how it impacts academics, supporting student well-being, and providing information on available resources and activities for families.
The school needs to make strong connections with children and families who are identified as severely-chronically absent (less than 80% attendance) to better understand family needs and connect with community services. Strategies for managing meltdowns, learn effective techniques to help your child at home. Navigating Anxiety Managing screentime

Exploring the range of emotions P.S. 85 has established partnerships with outside agencies such as, SBH, Marble Wellness, NY foundling, ACS Cares, and YAI link.
The Community School team and attendance team will assign success mentors to support chronically absent and STH students. Together, they will develop an incentive-based plan to encourage improved attendance among these students. Additionally, the STH department will offer resources, personalized support, and clothing to help reduce chronic absenteeism among STH students.
The guidance counselors will meet with the attendance teacher on a weekly basis to follow-up with Tier 3 students discussed at the attendance team and 407 reports from ATS.
The attendance and CSD will continue to organize and promote the Fall (October to December) school traditions which helps bolster attendance and provide school engagement and culture, including October : Pumpkin Patch Festival November: Cultural Day Festival December: Holiday Toy Giveaway
The attendance team and CSD will use warmer months to promote engaging activities and more student-based incentives for student engagement and excitement for attendance. March: March Madness Fun Fridays April: McDonalds Extravaganza May: Kindle Giveaways June: Summer Toy Giveaways
The attendance team and CSD hosted an End of Year breakfast June 2025 to parents of students (Pre-k -4) with attendance under 90%. Staff explained to parents the importance of attendance and correlation between 95% attendance rates or better and success later in life,

Key Strategy 2 (Optional):

N/A

Root Cause Addressed:

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Weekly Attendance Team meetings will be dedicated to implementing the CEP and reviewing the status of action plan activities related to Chronic Absenteeism. Discussions will include successes, challenges, and identifying next steps.

Attendance data will be collected and analyzed weekly to assess progress and impact across grade levels and student subgroups. Additional in-depth reviews will occur during the three designated Progress Monitoring Periods: November, February, and June.

Monthly School Leadership Team (SLT) meetings will align with the NYC DOE's recommended SLT activity calendar. These meetings will include collaborative analysis of CEP progress related to Chronic Absenteeism, with a focus on sharing insights, reviewing progress, reflecting on implementation strategies, and making necessary revisions to the action plan.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	The Community School Forum at PS 85 will continue to host a wide range of engaging events for families and the broader community. To strengthen family and community involvement, the school offered valuable resources such as donations, immigrant support services, financial literacy workshops, and healthcare access. Additionally, PS 85 used incentive-based strategies to encourage attendance, including wellness activities and carnival-style games that created a welcoming and enjoyable environment for families. These efforts demonstrate PS 85's strong commitment to supporting the well-being and growth of its community, reinforcing that the school is deeply invested in the success and empowerment of its families.	Replications Inc & Mission Society, Montefiore Clinic
09/04/2025	06/26/2026	PS 85's Back to School Event in August plays a key role in promoting strong attendance at the start of the school year. This event energizes families, students, and staff by offering important information such as teacher assignments for the 2024–2025 school year, distributing uniforms, introducing students to their classrooms, and providing access to additional resources.. This event helps build excitement and readiness for the year ahead, reinforcing the school's role as a supportive and proactive community anchor. Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
According to our 2024-2025 IEP review data, 63% of IEPS had evidence of progress reports recorded in SESIS. IEP data review question 30G, indicates that	Teachers have not consistently been progress monitoring goals. Teachers have not had structured time to meet with the IEP teacher to better understand	IEP Development and Fidelity of Implementation

there has been a 37% decrease in progress reports recorded in SESIS. In the 23-24 school year, data showed that 100% progress reports were recorded in SESIS.	the expectations for progress monitoring. Additional training is needed for progress monitoring on SESIS.	
According to our 2024-2025 IEP review data, 63% of IEPS had evidence of progress reports recorded in SESIS. IEP data review question 30G, indicates that there has been a 37% decrease in progress reports recorded in SESIS. In the 23-24 school year, data showed that 100% progress reports were recorded in SESIS.	There has not been consistent collaboration between the SBST related service providers, special education and general education teachers in preparation of an annual review.	Transition Planning and Compliance
According to our 2024-25 IEP review data of question 30F (evidence of student and family voice), 50% of IEPs had evidence of student/family voice, which is a decrease from 75% in 23-24 and 100% in 22-23.	Teachers have not made explicit connections to student and family voice when drafting IEPs. Teachers have not consistently reflected the student and family voice in the IEP PLOP. There has not been a system in place for collecting student/family surveys. Additional training is needed for writing quality IEPs and on communication strategies for our students who have speech and language needs.	Referral Process and Equity
According to our 24-25 IEP review data there has been a decrease from 23-24 (100%) to 24-25 (83%) on the IEP review data of question 44D, there are annual goals that explicitly define the behavior(s) to be addressed.	Teachers and counselors have not consistently collaborated to ensure an appropriate annual goal is developed that explicitly defines the behaviors to be addressed in order for the child to make progress with the general education curriculum. Additional professional learning is needed for teachers, paraprofessionals, and school aides in de-escalation strategies with Tier 3 behavioral support for targeted students.	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Progress reporting.

Root Cause Addressed:

Lack of collaboration between the teacher and service providers.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Teacher training on: -Writing quality IEPs, especially for new teachers imbedded in cycles of professional development during PD times. _Progress Monitoring and reporting in SESIS -Communication Strategies among all constituents
The IEP teacher in collaboration with the teachers will Implement a student/family survey to assess understanding of their role in supporting in supporting their child's IEP Goals and action steps.
The IEP teacher will plan together to strengthen IEP plop to include more specific statements about social development and behavior as it relates to student progress within the classroom
The administrative team will schedule Biweekly meeting so that the special education teachers can collaborate on strategies to target the needs of the special education students in order to make progress with the general education curriculum.
SIT/Child Study Team will meet with teachers based on needs to discuss students' strengths, difficulties and progress, to determine if the student is being serviced in their least restrictive environment within the set IEP goals.

Key Strategy 2 (Optional):

N/A

Root Cause Addressed:

N/A

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

SIT/Child Study Team will meet with teachers based on needs to support incorporating the students' management needs into their Tier 1 instruction.
* Teachers will have professional development with SDI and how to use these strategies within lesson planning.
*All special education teachers will identify the child's pervasive Skill Deficit to develop SDI Strategies to accommodate student needs in order to progress
* Progress Monitoring Meetings will include teachers, school psychologist, SIT team and (paraprofessionals as needed) to assess and modify supports as needed for BIP and Academic goals
SIT/Child Study Team will meet with teachers based on needs to discuss students' strengths, difficulties and progress, to determine if the student is being serviced in their least restrictive environment

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	06/26/2026	IEP Meeting, Parent workshop	SBST, Teachers,

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs. Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

General education, ENL and special education teachers, school administrators, school counselors, social workers, CBO Partners from Replications and Mission Society

Instructional Resources

SBST, IEP Reviews, Professional Development, SDI & Progress Monitoring

Schedule Adjustments

Monthly child study meetings and SIT meetings

Other Resources Needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Students in grade 3 to 5 who score below the median scale score between level 1 and level 2 on the iReady reading assessment and the 2025 NYS ELA test.	Phonics for Reading	Small group 6:1 Frequency: 5 x/week Progress Monitoring: Weekly using the phonics for reading unit assessment	WIN Periods	No
Tier 3	Students in grade 3 to 5 who score below the median scale level 1 and level 2 on the iReady reading assessments and 2023 NYS ELA tests are identified as eligible for AIS.	Phonics for Reading	Small group Frequency: 5x/week Progress Monitoring: Weekly using the phonics for reading unit assessment	During School ELT Afterschool	No
Tier 3	Students scoring 2 or more years below grade level on the iReady Diagnostics. Followed up by the MAP as a secondary screener for placement into the program.	Do the Math specific to students in self-contained Great Leaps ICT classrooms	Small Group instruction, afterschool in a small group general population.	Small Group instruction, afterschool in a small group general population.	No
Tier 2	In Grades 3-5 the students who score ‘below’ or 'well below' on the iReady math screener	I-ready- 2 times per week. Ready Math	Individual and ELT afterschool in a small group setting.	During	Yes
Tier 2 ELA K-2	K-2 the students who score ‘Below Benchmark’ on the Acadience reading screener AND will take a diagnostic to verify the need for intervention followed by the SPIRE placement assessment. Diagnostic Roswell Chall	SPIRE/ Sound Sensible/ Phonics for Reading Small group 6:1	Frequency: 5x/week Progress Monitoring: Bi-weekly Acadience	WIN Periods	NO

Tier 3 ELA K-2	K-2 the students who score 'Well Below Benchmark' on the Acadience reading screener AND will take a diagnostic to verify the need for intervention followed by the SPIRE placement assessment. Diagnostic Roswell Chal	SPIRE/ Sound Sensible/ Phonics for Reading	Small group 3:1 Frequency: 4-5x/week Progress Monitoring: Bi-Weekly Acadience	WIN Periods	NO

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Group counseling referrals are based on a child's need for social skills and assistance with peer interaction. Referrals are made by classroom observations, teacher /parent referrals and SIT/Child Study team to determine the need for service.	Social Skill Building; Peer Mediation;	Small group	during school	No
Tier 3	Students in grades K-5 receive at-risk individual counseling based on teacher and/or parent referrals and also disciplinary infractions.	Coping Skills/ Self-Monitoring	One-to-one	during school	No
Tier 2	Students with chronic absenteeism are linked with a staff member who will motivate, encourage and mentor them.	Attendance/Success mentoring support for all students.	Small Group	during school	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Counselors have constant communication with families they work with to provide updates on student progress. The School can host workshops and informational sessions focused on SEL and support with the help of CBO wellness lead. Workshops focus on helping families understand how these programs support their children's development and how they can reinforce them at home.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Families receive updates through parent-teacher conferences or counselor communication, where school staff discuss their child's progress, the interventions they are receiving, and any necessary adjustments. For students with IEPs or intervention plans (such as child study meetings), families are included in meetings to review progress and set goals. Additionally, schools maintain frequent communication via emails, phone calls, or texts to provide updates on short-term progress, behavioral observations, and any changes in intervention strategies.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families can get involved in the decision-making process for Tier 3 interventions by participating in IEP or intervention meetings, where they help set specific goals and discuss strategies. They also contribute to goal setting by providing input on both academic and personal development objectives. Families can share valuable insights from home, such as how their child behaves or responds to interventions, which can inform the school's approach. Additionally, parents can be offered external resources or support, such as mental health, behavioral, or preventative care that may enhance the effectiveness of the intervention plan.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

Number of students in temporary housing who are:
Doubled up (with friends or relatives because they cannot find or afford housing): 64
Living in a shelter or transitional shelter: 81
Living in a hotel/motel:0
Living in a car, bus, or train: 0
Living in a park or public place: 0
Living in an abandoned building: 0
*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

There are 146 students in temporary housing attending P.S. 85 as of 06/27/2025. The number of students in temporary housing changes regularly.
Their housing status is a combination of Living in a shelter or transitional shelter and Doubled up (with friends or relatives because they cannot find or afford housing).

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

The Bridging the Gap social worker in partnership with school administration and the counseling team will:

-Provide ongoing social and emotional support and counseling one and one and small groups with special focus on trauma informed-care and strengths-based approach to promote students transcendent character and their resilience.
-Provide resources to local mental health supports such as San Barnabas Health System Bronx Behavioral Health, Montefiore Behavioral Health Center, Promesa/ Acacia Network Westchester Center of Excellence, Institute for Family Health - Stevenson Family Health Center, BronxCare Health System Pediatrics and NYC Well/ Mobile Crisis to parents and families as necessary.
-Continue to provide referrals and resources to STH families to assist with combating food insecurity such as Hunger free NYC citywide guide to food and assistance and school food pantry.
-Continue to provide referrals and schedule appointments for necessary vaccinations, immunizations and free healthcare appointments as necessary.
-Administer school supplies necessary for students' learning in a prepackaged book bag including notebooks, pencils, erasers, colored pencils, crayons, markers, glue, and scissors. School supplies were also replenished for students as needed.
-Conduct activities such as STH Winter Giveaway providing STH students with gear necessary for cold winter months such as winter coats, hats, gloves, scarves, boots and socks to families.
-Conduct annual STH Holiday Gift giveaway-provided gifts to all STH students and STH Summer bag giveaway-providing students with prepackaged bags containing books, pencils, markers, and crayons promoting STH Students to read and engage in creative activities over the summer break.
-Provide ongoing assistance with arranging transportation for STH Students under McKinney Vento Act whether busing or the need for metrocards arises for students and parents.
-Provide ongoing support and share relevant information regarding special DOE programs such as Summer Rising and ensuring parents understand their rights in connection with the STH program and the application processes.
-Provide technical assistance to students as necessary and work collaboratively with staff to order, track, repair and replace DOE devices as needed.
-Provided parents assistance with setting up NYC Students Accounts to ensure parents receive accurate and timely updates in connection to their child's learning.
-Use platforms such as Class Dojo, email and google voice number to actively call, text, email and send messages to parents in efforts of supporting them with students attendance, share resources, announcements and to address families questions, concerns or any issues that arise
-Work collaboratively with STH students, their families and respective support teams to ensure daily attendance, academic progress and social-emotional support is provided to students. STH SW will continue to communicate with respective parties regarding the students progress, needs and any pressing concerns. Teams consist of instructors, school administration, family assistants, shelter case workers, ACS, family members and staff associated with outside human service agencies.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

According to the data in the New visions portal, 8 students grades k-5, are currently in Foster Care. Support include:
-Counseling Services: The counseling team provides individual and group counseling, using trauma-informed practices to support students' emotional needs.
-Social-Emotional Learning (SEL): SEL programs teach students emotional regulation, resilience, and healthy relationship skills.
-Access to Resources: Foster care students have access to free supplies, school uniform, backpacks, school supplies, technology, and other academic materials to ensure they are equipped for success.
-Collaboration with Agencies: The school works closely with foster care agencies (ACS, CARES, educational specialists, etc) to provide coordinated support for students.
-Health and Wellness: Partnership with Montefiore clinic, SBH, and Marble health to ensure students' medical and mental health needs are met, supporting overall well-being.
-ESL Services: For English Language Learners (ELLs), targeted language programs help foster students succeed academically

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

The school works closely with foster care agencies (such as ACS) to ensure that students have the necessary support. The liaison between the school and foster care agency ensures that the counseling team, caregivers, and the school are all aligned in providing the right interventions for the student. This includes making sure the student receives therapy, school supplies, and other external resources that may support their well-being.
To ensure consistent support, the school keeps open lines of communication with foster families, offering regular updates on academic performance, behavioral progress, and emotional well-being. Regular parent-teacher conferences and direct contact with the foster care liaison ensure that caregivers stay informed and involved in their child's education.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

Students in foster care may struggle with attendance which correlates directly with academics. Students in foster care experience higher rates of absenteeism compared to their peers, especially during periods of transition (e.g., moving between foster homes or schools). Due to unstable housing, medical issues, or emotional distress, students may miss extended periods of school, leading to chronic absenteeism. In addition, newly placed foster students may experience delays in enrollment or transitions between schools, impacting their attendance early in the school year.
By identifying trends in absenteeism in foster students,P.S. 85 has developed early intervention strategies to prevent chronic absenteeism. This includes outreach by attendance team members, mentoring programs, or transportation support to ensure that students have reliable access to school.
Achievement gaps are often wider for students in foster care, especially in areas like reading and math. This can be attributed to disruptions in education due to changes in foster care placements, school transitions, or inconsistent academic support. Schools can provide targeted academic interventions such as small group tutoring, individualized learning plans, or additional support for specific subjects where gaps are most prominent. These supports should be tailored to address the specific needs of students in foster care.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

P.S. 85 ensures that students in foster care, particularly those in transitional grades, receive targeted SEL support through trauma-informed practices such as tier 1 classroom community building like restorative circles and classroom charters. Tier 2 interventions include counseling (individual or small groups), mentorship programs, and behavioral practices. Tier 3 interventions include referrals to outside agencies such as SBH, Jewish Board Bereavement group program, YAI Link and Marble Health virtual services. These strategies not only help students in foster care manage emotions but also create a supportive learning environment where they can thrive academically. By addressing social-emotional needs, the school improves students' academic performance and behavioral outcomes, leading to greater stability and success in school.

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

Extended Learning Time will offer opportunities for enrichment and additional learning after school, on Saturdays, during Midwinter and Spring Recess, and as part of the Summer Rising Program. The after-school enrichment program will be planned in partnership with CBO partner, Mission Society in order to provide students with a seamless transition between the regular school day and Extended Learning Time. The after school ELT program will include enrichment opportunities, such as dance, basketball, and art and academic learning opportunities, including project-based learning in science and social studies, using TEAM academic language mastery resources, and test sophistication using the ELA and Math Ready materials. The Saturday Academy will focus on informational writing and will incorporate strategies from Writing is Thinking and Thinking Maps to encourage discussion and improved writing. The Midwinter and Spring Recess academies will incorporate math fluency and problem solving and books clubs around social issues. The Summer Rising program will also be taught in partnership with Mission Society and will incorporate ELA, Math, Science, and Social Studies activities.

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

The after-school extended learning time will be planned in partnership with classroom teachers and Mission Society program staff. Classroom teachers will deliver the core content in ELA, Math, Science, and Social Studies (5 hours per week). Mission Society staff will support with small group learning opportunities and engage students in arts and other hands-on learning opportunities to support the units of study (15 hours per week). The Saturday, Midwinter Recess, and Spring Recess Academies will be taught by licensed teachers. The Summer Rising extended learning time will be planned in partnership with classroom teachers and Mission Society program staff. Classroom teachers will deliver the core content in ELA, Math, Science, and Social Studies (4 hours per day). Mission Society staff will support with small group learning opportunities and engage students in arts and other hands-on learning opportunities to support the units of study (10 hours per day).

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

The Equity Team, including instructional coaches, teachers and administrators, will develop yearlong, school-wide pacing in all subject areas in order to develop coherence across the school. This pacing calendar will be shared with teachers and CBO program staff and used to develop daily instructional plans, which incorporate academic and enrichment activities. ELT teachers will meet as grade teams biweekly to ensure alignment between ELT instructions core academic subject area instruction offered during the regular school day. The selected instructional resources will be aligned with the Next Generation Standards and schoolwide instructional priorities. Additionally, student progress on benchmark assessments will be reviewed and used to determine focus areas for all ELT programs.

Provide a description of the materials purchased to support implementation of ELT.

* Math and ELA student workbook

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

P.S. 85: Great Expectations will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the

Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P.S. 85: Great Expectations, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality Curriculuml. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Priority 1: All students learn to read well
Priority 2: All students are physically and emotionally safe
Priority 3: All students have a high-quality academic experience
Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
Priority 5: Redesign the system to be more inclusive and responsive for parents and families
Quality IEPs
Chronic Absenteeism

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

Preschool and kindergarten teachers with the support of the administrative team plan kindergarten open houses and tours with both current and incoming kindergarten students. There is a combination of community school outreach and zoned school outreach. Pre-k and kindergarten teachers provide workshops to families on supporting this transition and all parents are invited to the curriculum night in September. Additionally, pre-k and kindergarten teachers engage in articulation, learning walks, and teacher meetings to ensure a smooth transition for each student. Fundations is used to teach foundational reading skills in grades pre-k to k to ensure there is a common language for reading instruction. This year one teacher is looping from pre-k to kindergarten to deepen the connection between pre-k and kindergarten.

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated. For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, SWP (Basic)	Federal	929,793	X	ELA, ELP, Math, Attendance, Supportive Environment, Quality IEP
Title I, School Improvement 1003(a)				
Title II, Part A	Federal	$116,150	X	ELA, ELP, Math, Attendance, Supportive Environment, Quality IEP
Title III, LEP	Federal	$18,893	X	ELA, ELP, Supportive Environment
Title III, Immigrant	Federal		X	ELA, ELP, Supportive Environment
Title IV, Part A	Federal	$9,019	X	ELA, ELP, Math

Tax Levy (Fair Student Funding)	Local	$5,472,364	X	ELA, ELP, Math, Attendance, Supportive Environment, Quality IEP

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
Replications	All students, SWD, STH, MLL	Lead Community Based Organization in charge of leading and coordinating services and activities under the Community School framework. We aim to increase engagement and participation of students; parents; and faculty members in the areas of Student Attendance; Family Empowerment, health and wellness, academic and expanded learning time engagement and support.	Priority Chronic Absenteeism, Supportive Environment Annual Goal: By June, 2026, the Number of students with an attendance rate of 90.1% or higher for All Students will decrease by 37, from 501 to 538, as measured by the Insight Chronic Absenteeism Reports. By June 2026, the number of parents responding favorably to the question, “Staff at this school work hard to build trusting relationships with parents/caregivers like me,” will increase by 15 parents from 206 to 221.
Mission	All	Responsible for coordinating	AOC: ELA, Math, Supportive Environment Annual Goal:

Society	students, SWD, STH, MLL	expanded learning time activities and enrichment in partnership with PS 85 staff	- By June 2026, the number of students scoring at proficiency (Level 3 or 4) will increase by 30 students, from 81 students to 111 students, as measured by the NYS ELA exam. -By June 2026, the number of students scoring at proficiency (Level 3 and 4) will increase by 30 students, from 75 students to 105 students, as measured by the NYS math exam. By June 2026, the number of parents responding favorably to the question, “Staff at this school work hard to build trusting relationships with parents/caregivers like me,” will increase by 15 parents from 206 to 221.

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

Replications, Inc. will partner with P.S.85 Great Expectations Elementary School to provide a comprehensive Community School model program aimed at supporting the achievement of the school's annual goals. Replications will staff a team of wellness, and various other youth development professionals, led by the Replications Community School Director, an experienced Community School Director (CSD) who is charged with leading Community School programs and initiatives. Replications will also provide a part-time program manager responsible for ensuring program efficacy. Together this team will comprise the core of a Community School Team (CST).

The CST is the primary vehicle for school leaders, staff, Replications, and other school community partners to research, plan and progress monitor initiatives to promote student achievement and empower families to support in the development of the PS 85 community and student outcomes. The CST will meet on a monthly basis and be led by Replications CSD, Replications' Community School Director (CSD). The CST will understand the Community School goals, review the results of Family Surveys, discuss updates to programs and initiatives, review data to gauge impact, and vote on changes or additions to programs and initiatives.

Replications' CSD will hold weekly meetings between the principal and other school leaders and staff, and Replications' program manager and appropriate staff members. The purpose of these meetings is to review the day-to-day logistics and impact of all community school initiatives and outcomes from CST meetings. The Replications on-site team will consist of a part-time program manager, full-time CSD, a wellness lead, two Full-time hourly instructional mentors, and two part-time success mentors. The CSD will facilitate the attendance team; and participate on the Instructional Leadership Team and other key instructional teams as appropriate; the wellness lead will participate on the PPT and PBIS teams; the CSD will participate on the Family Engagement Team (FET) and work closely with the Parent Coordinator and PTA President to plan and implement parent engagement events.

Additionally, Replications' members of the attendance, PPT and PBIS teams will share data they will access from the New Vision portal. This data is used by the CST to assess progress in meeting goals and make course corrections as needed.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

Replications Inc. partners with P.S. 85 to implement a Community School model that centers family voice, leadership, and collaboration. Through monthly SLT and PTA meetings, families help shape programs, review school progress, and plan events.
The Community School Director (CSD) works with the Parent Coordinator and school leadership to lead initiatives such as wellness workshops, family events, and the annual Community Forum. To guide programming, the CSD administers the Family Empowerment Survey using the EFS Framework.
Based on feedback, families can access:

? Parenting classes, legal/immigration support

? Counseling, wellness workshops, and technical assistance

? Leadership roles in PTA, SLT, and CST

Replications also hosts outreach events in local spaces to engage underserved families. Those in transitional housing are connected to Homebase for housing support. Together, Replications and P.S. 85 are building a school community where families are active, informed, and empowered.

The questions on the survey will unearth;
*How well does the school collaborate with families
*How well does the school communicate with families
*How often are families invited to support their child's education
*What are the learning desires of our families
*Families will have the opportunity to participate in;
*Technical assistance workshops
*Nutrition classes, adult education classes
*Immigration legal services
*Parenting classes
*The People's Circle Restorative practice talks
*Counseling
*Informational and wellness workshops
*PTA, SLT, CST, FET positions
*Community School Forum.

Families will be invited to;
Quarterly student award ceremonies
Student performances and celebrations

Team members will conduct home visits for the purpose of sharing information and encouraging the most difficult to reach families to participate in school and their children's activities. The Replications team will also look for clusters of parents/families by looking at addresses, churches, and/or other venues where families congregate. The FET team will schedule family outreach activities (such as coffee hours, housing and employment information sessions, and restorative circle chats) at those sites.

Additionally, to ensure that the needs of families in transitional housing and/or on the verge of losing their housing are addressed, they will be linked to housing programs that assist with accessing vouchers and other affordable housing options through a partnership organization called Homebase.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

The Replications social worker/wellness lead will develop proactive student support plans and support students during times of crisis. The Community School Director and social worker/wellness lead will make agency to agency referrals for families in need of intensive support. CSD will also collaborate with Montefiore clinic to connect internal and existing resources before sending families to external agencies (i.e. Montefiore, St. Barnabas Health, LINC, POTS). Our social worker will provide workshops and training for teachers and school staff on crisis intervention and de-escalation tips as needed using restorative practices and evidence-based approaches. The social worker may also assist in creating a crisis protocol or assist in assessing the effectiveness of the current protocol. The social worker/wellness lead will collaborate with DOE SW and various school-based clinics, and relevant health centers to provide workshops and training for families, students and staff.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

At PS 85, the Community School Director (CSD) will lead a weekly attendance team composed of school staff and CBO partners, including the Attendance Teacher. The team will use NYCPS and New Visions data to monitor attendance trends, identify chronically absent students, and assign personalized interventions such as Success Mentors, peer mentoring, and family outreach. Replications' tools—rolling agendas, action plans, and data review protocols—will guide the work. The team will also leverage community resources, including a walking school bus and a family resource guide, to help remove barriers to attendance and promote strong daily participation.

During the summer, Replications staff will review historical attendance data for all incoming students to identify problematic attendance trends and proactively conduct outreach to these students' families in order to address potential barriers to strong attendance. Along with school personnel, Replications will also distribute a family resource guide to all families that will include information on the importance of strong attendance and resources to help students and families meet the school's attendance requirements. The Replications team will also create a calendar of events in advance for the school to approve of, those activities will include the staple events we've come to love and enjoy. Those events include things like;
*First day of school event
*Hispanic Heritage Month Celebration
*Curriculum night
*Pumpkin patch celebration
*Thanksgiving feast
*Holiday toy give away
*Academic award celebration
During the first half of the year Replications will leverage the attendance team and the CST to conduct case

management conferences with families who ended the previous school year in the “At-Risk and Chronically Absent” lists and motivate them to start and end stronger this year.
Additionally we plan to bring specific data to our attendance team meetings with the following frequency
Weekly specific data set;
*Students in temporary housing
*students in shelter
*Monthly sub population specific data set;
*African Americans
*Hispanic / Latinx
*Multilingual learners
*Students with disabilities
*Males
*Females

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School’s systems and structures will be optimized to work for <u>all</u> students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

At PS 85, the Community School Director (CSD) and CST will partner weekly with school staff and CBOs to review data and identify trends among special populations. Supports will be differentiated and culturally responsive, including translation services, restorative practices training, and workshops aligned with families’ cultural values. Students in temporary housing will receive free uniforms, supplies, and access to housing support. ML/ELL students and families will have all communications translated and in-person events staffed with interpreters. Students with Disabilities will receive targeted academic and social-emotional supports based on ongoing data reviews, ensuring all systems are inclusive and responsive.
Specific differentiated and culturally responsive supports will include:
-Culturally responsive and anti-biased training for school and CBO staff
-Restorative Practices professional development for school and CBO staff
-Translation services provided by Replications and DOE personnel
-Free school uniforms, coats, backpacks and school supplies provided to students in temporary housing
-Free vision and dental screening for all students, and free eyeglasses for students who need them
-Free immigration legal services
-Parents will be invited to participate in workshops where they will learn about the various resources available in the schools website
-Surveys of families to gain a better understanding of their children's learning styles linked to cultural values
-Housing assistance workshops, vouchers, and support

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Sara Medina
Assistant Principal (Where Applicable)*	Allison Krenn
English as a New Language (ENL) Teacher*	Richard Cruz
Teacher (if school has a bilingual program must be a bilingual teacher)*	Jeannette Diaz
Parent/Guardian*	Daniela Zavala
Teacher	Sarah Kuritzky
Parent Coordinator	N/A
School Counselor	Francesca Grosso
Related-Service Provider	Susan Holbrook
Other (Name and Title)	Jordan Alonzo ENL Teacher
Other (Name and Title)	N/A

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

3

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

0

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

7

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

2

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

651

Total number and percentage (%) of current ELLs:

205 (31.5%)

Total number and percentage (%) of former ELLs:

19 (2.9%)

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

173 (84.3%)

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

28 (13.7%)

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0 (0%)

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

11 (5.4%)

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

33 (16.1%)

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE	TBE	Spanish	2000					0.5	0.5								1.0
TBE	N/A	N/A	N/A														0
TBE	N/A	N/A	N/A														0
DLBE	DLBE	Spanish	2023	1	1	1	1										4
DLBE	N/A	N/A	N/A														0
DLBE	N/A	N/A	N/A														0

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Stand-alone ENL instruction is geared to developing English language foundational skills so that students can excel in core content courses. Teachers utilize resources from HMH English 3D (all grades), Fundations (K-1) and Phonics for Reading (2-5) to ensure students gain strong foundational skills in reading. Stand-alone ENL is delivered by three certified ENL teachers. The groups only contain Entering and Emerging proficiency level students. Students are typically grouped in the same grade, but will not contain more than two contiguous grades (as noted in the ELL Policy and Reference Guide). According to the CR Part 154-2, Entering and Emerging proficiency students require 180 minutes of standalone instruction weekly. These lessons follow a weekly structure, which includes time for vocabulary development, discussion (speaking and listening), reading, and written responses to increase their English language proficiency in all modalities. Home language supports are provided.

Integrated ENL:

Integrated ENL is instructional time used to build English language skills through content area instruction in the ELA content area. It is delivered by two teachers, one of whom is a licensed ENL teacher and one who is a common-branch certified teacher. Integrated ENL instruction takes place within the same classrooms the students are part of, and typically contains mixed proficiencies, including Commanding students and ELLs who have begun transitioning out of ELL status within the past two years. According to the CR Part 154-2, all ENL students from the Entering to Expanding proficiency require 180 minutes of integrated ENL instruction, with some flexibility available. Commanding students need 90 minutes of integrated ENL instruction weekly, with the option of project-based learning or other options to take the place of that instruction. MLs/ ELLs are typically grouped into two classes on each grade level. ENL and classroom teachers will share lesson plans and written instructional materials. ENL teachers will revise instructional materials in order to include language objectives, front-load vocabulary, utilize sentence frames, and differentiate tasks for MLs/ ELLs, possibly taking different forms. Home language supports are provided.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

Instruction for ELLs/ MLs in the TBE program is also based on proficiency level. The weekly TBE schedule includes Integrated ENL with a focus on writing, Stand Alone ENL with a focus on reading, Home Language Arts Spanish, and content area instruction. Science and Social Studies instruction is delivered in Spanish. Teachers provide opportunities for small-group, differentiated instruction during each language arts period to meet the needs of students based on proficiency level and performance on each modality on the NYSESLAT. Mathematics instruction is delivered in English for students who are Transitioning and Expanding and in Spanish for students who are Entering and Emerging. Speaking and listening skills are embedded in all content areas. Teachers develop instructional materials that include language objectives, front-loaded vocabulary, sentence frames, and differentiated tasks based on proficiency levels. The teacher consistently facilitates language and academic skills development using the native language to foster

English as a New Language. As students learn English throughout the year, instruction gradually transitions to English to foster English language development.

Dual Language Bilingual Education (DLBE):

The Dual Language program uses a 50/50 simultaneous model with alternating days to ensure that all students have 50% of their instruction in English and 50% of their instruction in Spanish. This will allow students to become fluent in English and Spanish at the same time. Language alternates daily to ensure fidelity to the timing and instruction in all content areas in both languages.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

The school follows the CR Part 154-2 in scheduling the students for ENL instruction. In Standalone ENL, the Entering and Emerging proficiency students receive 180 minutes of English language instruction from an ENL-licensed teacher. In Integrated ENL, all ELLs from Entering to Expanding proficiencies receive 180 minutes of integrated ENL instruction provided by the ENL teacher in coordination with the classroom teacher. Commanding students receive 90 minutes of integrated ENL instruction for two years from the beginning of their identification. All schedules reflect the allotted amount of time for all students as indicated on STARS. In our Spanish-English Transitional Bilingual Education and Dual Language programs, students receive the following ENL services:
• Integrated ENL is instruction to build English language skills through content area instruction for all MLs/ELLs in the bilingual program. It is delivered by a certified bilingual teacher and focuses on the development of writing skills with embedded instruction on speaking and listening.
• Stand-alone ENL is instruction to develop English language skills so that students can thrive in core content courses for MLs/ELLs at the Entering and Emerging proficiency levels. It is delivered by a certified bilingual teacher and focuses on the development of reading skills with embedded instruction on speaking and listening.

TBE/DL teachers utilize students' home language to build proficiency in listening, speaking, reading, and writing in English. Additionally, TBE teachers teach Science and Social Studies in Spanish. Mathematics is taught in English or Spanish based on students' proficiency level. Students who are transitioning and expanding receive most of their math instruction in English, while students who are entering and emerging receive most of their math instruction in Spanish. The Dual Language program alternates the language of instruction between English and Spanish daily. The dual language classroom will have physical education with a Spanish-speaking PE teacher and Hydroponics/Science enrichment teacher with a Spanish-speaking teacher to match the language of instruction for the day. The Hydroponics/Science enrichment teachers provides instruction on science investigations and instruction on plants within a Hydroponics gardening classroom. The needs of all of our students are determined by how they perform on the NYSESLAT, Acadience reading assessments, i-ready, and Fundations. We also use formative assessments aligned to the curriculum in literacy and mathematics. We also use simulations as benchmarks to plan and prepare based on students' needs. For the newly enrolled students by the HLIS and the NYSITELL and/or Spanish LABR. One of the many goals of the ENL and Transitional Bilingual programs at P.S. 85 is to provide all English Language Learners with the opportunity to develop their academic language in all content areas through listening, speaking, reading and writing skills and help them to become life-long learners and to function in both English and their native language.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

All ENL, ELA, and HLA minutes are delivered in accordance with CR Part 154-2. In ELA, students are supported by various instructional strategies such as read-alouds, picture walks, thinking maps, manipulatives, and activities involving scrambles and sorting. In each content area class, students are taken through a mini-lesson, a time of independent work, and a time of sharing out their learning. Depending on the language proficiencies of students and the language goals, some students may be in small groups or receive additional guidance from their teacher. In ELA and HLA, teachers utilize resources from the Into Reading curriculum, Fundations K,1, and Phonics for Reading 25 to ensure students build foundational skills in reading. For students who are identified as SIFE or may lack foundational literacy, there are various interventions, such as Phonics for Reading, done during intervention times. Phonics for Reading is available to support the development of phonics and phonemic awareness in English. Estrellitas is available to support the development of phonics and phonemic awareness skills in Spanish.

In Standalone ENL, the Entering and Emerging proficiency students receive 180 minutes of English language instruction from an ENL-licensed teacher. In Integrated ENL, all ELLs from Entering to Expanding proficiencies receive 180 minutes of integrated ENL instruction provided by the ENL teacher in coordination with the classroom teacher. Commanding students receive 90 minutes of integrated ENL instruction for two years from the beginning of their identification. All

schedules reflect the allotted amount of time for all students as indicated on STARS.
In our Spanish-English Transitional Bilingual Education and Dual Language program, students receive the following ENL services:
• Integrated ENL is instruction to build English language skills through content area instruction for all ELLs/ MLs in the bilingual program. It is delivered by a certified bilingual teacher and focuses on the development of writing skills with embedded instruction on speaking and listening.
• Stand-alone ENL is instruction to develop English language skills so that students can thrive in core content courses for ELLs/ MLs at the Entering and Emerging proficiency levels. It is delivered by a certified bilingual teacher and focuses on the development of reading skills with embedded instruction on speaking and listening.

TBE/DL teachers utilize students' home language to build proficiency in listening, speaking, reading and writing in English. In TBE, teachers teach Science and Social Studies in Spanish; mathematics is taught in English or Spanish based on students' proficiency level. Students who are transitioning and expanding receive most of their math instruction in English, while students who are entering and emerging receive most of their math instruction in Spanish. The DL program alternates the language of instruction between English and Spanish daily. The dual language classroom will have physical education with a Spanish-speaking PE teacher and Hydroponics with a Spanish-speaking teacher to match the language of instruction for the day.
The needs of all of our students are determined by how they perform on the NYSESLAT, INTO READING Module assessment, individual conferencing, and for the newly enrolled students by the HLIS and the NYSITELL and/or Spanish LABR. One of the many goals of the ENL and Transitional Bilingual programs at P.S. 85 is to provide all English Language Learners with the opportunity to develop their academic language in all content areas through listening, speaking, reading and writing skills and help them to become life-long learners and to function in both English and their native language.

All mandated minutes are captured in STARS. The programmer uses the Action Items to stay aware of mandates for every student.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

The school uses a two-way dual language bilingual education where we begin with an 80:20, with a gradual increase to 50:50. Most instruction is in the target language which then increases instruction in English over time. The goal is to arrive at a 50:50 model by 3rd grade and to ensure that both languages have equal status. The goal is to ensure that the class is to have a balanced representation of students who are dominant in the languages of English and Spanish to achieve a 50-50 model.

b. In which language(s) is each core content area taught?

The Dual Language program's language of instruction alternates daily between English and Spanish. The dual language classroom will have physical education with a Spanish-speaking Hydroponics/science enrichment teacher to match the language of instruction for the day. Instruction in the Hydroponics/science classroom will focus on science investigations and lessons on the plant life cycle with connections to health and wellness.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

Science and Social Studies are taught bilingually. Math is taught in English or Spanish based on students' proficiency levels. Typically, Entering and Emerging students are taught math in Spanish in small groups.

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

84.4% of ELLs (173 students out of 205 ELLs) are newcomers. Services for newcomers differ from those provided to Developing ELLs in that the primary focus for newcomer ELLs involves developing their linguistic knowledge and capacity to communicate effectively in their new school with new peers, while also helping them adapt to a new culture. More instructional games and activities are focused around their everyday experiences, along with the incorporation of their native English-speaking peers, encouraging Newcomers to interact with each other and with more proficient students for a more well-rounded learning experience. For Entering and Emerging developing ELLs, discussion protocols, sentence stems, vocabulary with visual support, translanguaging, HMH 3D are Joy School English are used for supporting ELLs in small groups through integrated and standalone instruction. For Transitioning and Expanding ELLs, students will be more independent using discussion protocols and independent tasks through the use of scaffolds such as word banks, rigorous, open-ended discussion prompts, text structure, four-quadrants when assessing a text, and intentional groupings with English-proficient students and peers. We will continue to use Evidence-Based Techniques and Tools to support our Newcomers supported by our learning from the Kate Kinsella professional learning.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

5.4% (11 students) are SIFE. In classrooms, students are supported by various instructional strategies such as read-aloud, picture walks, thinking maps, and activities involving scrambles and sorting.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

0% of students are Long-Term ELLs. However, when teachers identify students as at-risk for becoming Long-Term ELLs, ENL teachers will provide multiple strategies such as Thinking Maps, LLI groups, and small group instruction to minimize the risk of becoming Long-Term ELLs and close the academic gap between at-risk students and their peers.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

2.9% (19 students) are former ELLs. Former ELLs within two years of achieving exiting status are supported with 90 minutes of Integrated ENL instruction, as per CR Part 154-2.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

34.2% of ELLs (69 students) are in temporary housing. 5.4% of students (11 students) are designated as SIFE. There are also students who have not had any formal schooling before entering in 1st grade who are not officially labeled as SIFE. Of the at-risk ELLs, 23.8% of students (48 students) scored a level 1 or 2 in the ELA assessment last year. 29.2% of students (59 students) scored a level 1 or 2 in the Math assessment last year. 27.2% of students (55 students) did not demonstrate sufficient ELP progress.
33.2% of ELLs (67 students) have one at-risk indicator. 33.7% of ELLs (68 students) have two at-risk indicators. 20.8% of ELLs (42 students) have three at-risk indicators. SIFE students and students in temporary housing seem to score lowest among all populations of students on assessments.

For students who are chronically absent or at-risk, there are appointed staff and counselors, including a bilingual STH counselor who are in constant communication with families about the importance of attendance and available to support families with resources and a variety of needs. In addition, we incentive students and families with prizes, celebrations and activities to encourage students and families to attend school more consistently. Because students who are chronically absent struggle academically, families are consistently encouraged to send their children to school in order to receive necessary, targeted support. For students who struggle academically, there are extra intervention practices through programs such as HMH 3D, Phonics for Reading and Joy School English.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

Out of 16 former ELLs, 25% (four students) are in temporary housing. 25% of ELLs (four students) scored a level 1 or 2 in math last school year. This shows the percentage of students who are exiting ELL status, scored similarly to the overall population in previous ELA/Math exams. This shows a pattern of overall student growth.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

Out of 205 students, 191 students have a home language of SP (Spanish). Each of these students is appropriately placed in an ENL, TBE, or DL program, as chosen by the parent/guardian. The school has many Spanish-speaking staff that can communicate with families who prefer to communicate in Spanish. Over-the-phone translation services are available for all students of home languages are other than English.

Students have the opportunity to access texts in both English and in their home language of Spanish, and respond to tasks in both English and Spanish. Students engage in math and literacy centers to target specific language goals. Classroom libraries and word walls also reflect the classroom's language dynamic and consider students' preferences and learning goals. Students and families have opportunities to share about their own experiences as speakers of those languages and share about experiences being brought up, or having lived, in a different culture. These opportunities include having families come to students' classrooms and schools during specific parts of a year, or in a particular unit,

to engage with other students, families, and staff members. We also plan with a culturally responsive mindset and use resources that provide access.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

Out of 205 ML/ELL students, 189 students are identified as Hispanic and 13 students are identified as Non-Hispanic, of which 10 students are identified as Black.

ELLs are being included in the planning and delivery of CR-SE in a variety of ways. The Into Reading and Arriba la Lectura curricular materials offers a variety of tasks and activities aligned with CR-SE. We use data to determine the academic trends of our ELLs, in tandem with planning to be culturally responsive to our students' identities. The schools' delivery of curriculum and content is influenced by those factors, such as prioritizing certain texts that address the identities and needs of the students in any ELA unit, and revising writing prompts to center students' experiences and upbringings. As a result, there are more opportunities schoolwide for students to engage in discussions with their teachers and peers in regards to their academic and socio-cultural development.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

Out of 96 students, 41 students met ELP sufficient progress, whereas 55 students did not meet ELP sufficient progress. In order to address this gap, lessons will be intentionally designed with clear, measurable learning targets with embedded language goals to support ELLs and SWDs. Moreover, students will receive more targeted, tiered vocabulary instruction to encourage all students to use academic English in their tasks. Data sources such as iReady, HMH module assessments and Acadience will inform the school of how students are performing over time.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

Of the 191 students who took the 2025 NYSESLAT, 8.4% of students scored at the Entering level, 18.3% scored at the Emerging level, 25.7% scored at the Transitioning level, 36.1% scored at the Expanding level, and 11.5% scored at the Commanding level. Speaking was a strength in 2024 and 2025. Writing was a relative weakness in the last two years and will continue to be a focus this 2025-2026 school year.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

For the 2025 current student data, 10 out of 56 ELL students in ELA, scored level 3 and 4 and are Expanding or Commanding on the NYSESLAT. In Math 24 out of 66 students scored a level 3 or 4 with NYSESLAT proficiency levels ranging from Emerging to Commanding. This shows a pattern of overall student growth.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

No ELLs with IEPs achieved Commanding status on the NYSESLAT. Also, SIFE students have only scored Entering and Emerging proficiency on the NYSESLAT. Because ELLs with IEPs have specific strengths and learning goals, the school must be intentional and practical about how IEP goals translate to language learning and language proficiency by tailoring tasks to students to practice and develop their English language proficiency in everyday classroom instruction and small groups. Also, since the trend with SIFE students involves illiteracy in their native language, interventions such as Phonics for Reading must be in place so students receive the foundational language support they need in order to succeed in the content areas. If these continue to be in place and refined, the school will see students perform better on the NYSESLAT. In the self contained classrooms, students are using " Do the Math" as a hands on program that uses more manipulatives and visuals to support all learners and should be more effective with our ELL's population.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:

a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

The school provides families with a choice of transitional bilingual, dual language, and ENL standalone classes. Students are provided with targeted support to address each modality according to their level of proficiency, with a focus on oral language proficiency. The school partners with the Regional Bilingual Education Resource Network RBERN to provide support in identifying and modeling best practices for ELLs. The school provides professional development on research-based explicit instruction and teaching academic vocabulary. The ELLs have access to a rigorous curriculum, and teachers engage in culturally responsive practices while developing students' background knowledge to ensure comprehension.

In regard to ELL proficiencies, Entering and Emerging ELLs are provided more visual aids, gestures, and sentence frames to support comprehension and language production. Transitioning and Expanding ELLs are given tools and strategies to access grade-level texts, have structured academic discussions with peers, and write responses to grade-level prompts with some support. Classrooms may use multilingual resources such as bilingual books and media, student choice in regard to their experiences and identities, and collaborative learning that allows students to build off each others' learning.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The school leadership team has identified learning strategies for MLs/ELLs. Strategies are differentiated and implemented in a variety of ways depending on the students' proficiency. For example, writing tasks are informed by the NYSESLAT writing rubric and NGLS standards, and enable all students to improve their writing across a progression of pre-sentence, sentence, paragraph, and essay skills. Also, the team is utilizing data from programs such as i-Ready and Phonics for Reading,g which informs teachers' instruction around teaching reading skills and vocabulary in each of the core content areas and curriculum.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

The ENL program supports language development aligned with Next Generation Learning Standards by embedding Integrated ENL in ELA classes, adapting materials by proficiency, and using differentiated activities like vocabulary routines, picture walks, sentence frames, and varied expression modes to promote authentic student work. Standalone ENL provides targeted small-group support for Entering and Emerging students by using ongoing assessments to tailor lessons that connect with classroom content and build oral and reading skills through high-interest texts. Transitional Bilingual Education utilizes English and Spanish instruction across subjects based on class proficiency, with the lens of fostering English language growth and home language fluency through small groups and differentiated tasks. Dual Language classrooms develop bilingual academic skills and cultural sharing by teaching in both English and Spanish. All programs utilize Writing is Thinking (WITsi) and Thinking Maps to enhance writing and speaking skills and support language acquisition.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

All groups receive instructional minutes tailored to proficiency levels, including integrated ENL for all and stand-alone instruction for Entering and Emerging students based on NYSITELL or NYSESLAT scores. ENL and special education teachers collaborate to align IEP goals with language objectives and scaffolds, such as using total physical response and visual aids for MLs/ELLs with disabilities to accelerate English acquisition. Scaffolded activities include sentence frames, cloze exercises, and front-loaded vocabulary, which are differentiated by proficiency to support language growth over time. Technology integration, such as iPads and laptops with i-Ready and communication tools such as Board Maker, enhances individualized learning and engagement, while Smart Boards facilitate interactive class instruction.

b. SIFE

SIFE students receive additional social-emotional and academic support through coordinated efforts with counseling and literacy and math intervention teams, including targeted small-group tutoring and technology tools like iReady and Joyschool English to monitor progress. Regular assessments inform instructional moves, ensuring measurable growth in language skills and academic achievement for each subgroup.

c. Newcomers

Newcomer ELLs are placed in classes based on parental choice based on the program selection form offered at parent orientation and receive culturally responsive instruction that respects and utilizes their diverse backgrounds and experiences. Academically, they focus on developing Basic Interpersonal Communication Skills (BICS) through peer interactions and scaffolded academic content with visual supports and language modeling to build Cognitive Academic Language Proficiency (CALP) across listening, speaking, reading, and writing domains. Targeted strategies include visual vocabulary charts, sentence frames, and interactive language apps to support expression. Newcomers also access tailored after-school and weekend programs, small-group interventions, and individualized instruction that address both language acquisition and social-emotional needs. Progress is regularly monitored through formative assessments and language proficiency benchmarks to ensure measurable growth in English development and academic skills.

d. Long Term ELLs

N/A

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

Classroom and ENL teachers collaborate closely to review each student's IEP goals and tailor instruction with scaffolded lessons and accommodations such as visual supports, sentence frames, and modified tasks to promote progress toward both IEP and grade-level objectives. They coordinate flexible scheduling to ensure students receive all mandated related services alongside ENL instruction within the least restrictive environment. Progress-monitoring tools, formative assessments, and data from iReady, Acadience and NYSESLAT guide instructional adjustments and track measurable growth in English language skills and academic performance. This targeted approach ensures students with IEPs develop language proficiency and content mastery to excel academically.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Transitional Bilingual Education (TBE): Students learn content in English supported by visual aids, Total Physical Response (TPR), cognates, and vocabulary connections to their home language. Translanguaging and code-switching are encouraged to demonstrate understanding and support language development. Science, Social Studies, and Math materials are available in Spanish, and bilingual classroom libraries offer books in both English and Spanish. Phonics instruction uses Fundations for English and Estrellitas for Spanish, with decodable lessons tailored to students' levels. Reading assessments are administered in both languages, and math, science, and social studies assessments are available bilingually to align with language development goals.

English as a New Language (ENL): Instruction is delivered in English, with ENL teachers incorporating cognates to link English root words to students' native languages. English language development is monitored through universal literacy screeners, formative and summative assessments, and teacher-created tools, ensuring ongoing evaluation of progress in both English and native language skills.

Dual Language (DL): Instruction alternates daily between English and Spanish, promoting balanced bilingualism. Specialized subjects like Physical Education and Hydroponics are taught by Spanish-speaking teachers on Spanish instruction days to reinforce language immersion. Tasks and instructional practices integrate translanguaging strategies to support comprehension and language growth in both languages.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Various systems of support exist in PS085 supporting co-teaching and collaboration among teachers for ELL program models which include the following:

* Common planning times among grades teams with the ENL teachers
* Morning planning time throughout the school year to encourage planning and collaboration
* Data meetings to strategically target MLs/ELLs for intervention to develop language skills & proficiency
* RBERN supporting TBE and dual language classrooms during common planning and instructional time
*ENL-themed professional development and “hot topics” PDs led by teachers with a focus on collaboratively planning for next steps
* ICT model used in classrooms with ENL Teachers
*School-wide professional learning and coaching on the use of Data-Driven Instructional practices, including the use of aggressive monitoring, revision of learning targets, and alignment of the I do, We do, and You do

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

The Equity Team, in collaboration with the Staff Development Committee, will use teacher feedback to plan targeted professional learning aligned with PDSA cycles. Scheduled co-planning time for classroom and ENL teachers emphasizes NYSESLAT format, New Language Arts Progressions, Home Language Arts Progressions, TBE scheduling, and effective ENL co-teaching models, aiming to improve instructional alignment and measurable growth in ML/ELL language proficiency. Professional development will deepen teacher expertise in phonics and phonemic awareness for early childhood, supported by Wilson Fundations and Teaching Matters coaching. This includes strategies to transfer skills to independent reading in Tier 1 and targeted foundational reading interventions for ML/ELLs below grade level, with clear goals for reading fluency and comprehension. Training will integrate Culturally Responsive Sustaining Education, Writing is Thinking, and Thinking Maps to enhance student discussion and writing within Into Reading K–5 and Fundations K–2. Emphasis on purposeful small-group differentiation and instruction aims to meet both academic and social-emotional needs, promoting equitable outcomes for all learners.

10. Describe your school’s professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Professional learning will take place on Monday afternoons from 2:20 to 3:40 and will include a combination of whole group and small group sessions based on teachers' needs and programs. The professional learning plan will include at least 15% total hours for all certified faculty for ML/ELL specific hours and 50% of total hours for bilingual/ENL teachers. Approaches for the next school year include:
-Collaboration with RBERN, accelerated planning protocol for developing ELLs 4th and 5th grade) With a focus on vocabulary,
-Continue with FURBY analysis as first PD in September and then move into accelerated planning protocol with RBERN, meeting at least once a month.

Additionally, professional learning consultants from RBERN Instructional Specialists, DDI Instructional coaches and the BCO ELL Instructional Specialist will also support this work.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

iReady Reading and Math Diagnostic Assessments will be administered to grades 2-5 and Acadience Reading and Math universal screening will be administered in grades K-2 in September, January, and June. The iReady Math Diagnostic Assessments are available in Spanish and English. The literacy and math intervention teams, including the RTI teachers and instructional coaches, will review universal screening data from iReady and Acadience assessments and develop Tier 2 and Tier 3 intervention and enrichment plans using the MTSS framework.

iReady diagnostic scores identify students' proficiency in grade-level concepts and skills in reading and math, allowing educators to place students in appropriate intervention groups with targeted support. For example, SIFE students with low foundational literacy scores receive intensive phonics and decoding intervention, while higher proficiency ELLs focus on comprehension and academic vocabulary. Data from Acadience helps inform small groups to target concepts such as phonemic awareness and fluency, while data from iReady helps inform small groups to target concepts such as vocabulary and text concepts (central idea, author's purpose, etc.).

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

The literacy and math intervention teams, including RTI teachers and the data specialist, will review universal screening data from iReady and Acadience assessments to develop Tier 2 and Tier 3 intervention and enrichment plans within the MTSS framework. The literacy intervention team will conduct Acadience Reading assessments to identify specific reading needs and select appropriate interventions. For English Language Learners (ELLs), interventions are tailored by subgroup: Newcomers and Students with Interrupted Formal Education (SIFE) often receive support in Spanish using Estrellitas to build phonics and phonemic awareness, while long-term ELLs (in this case, those who have been in P.S 85 since K-1 and have not exited ELL status, and are at risk for being long-term ELLs) typically receive instruction in English through programs like Leveled Literacy Intervention, Reading Rescue, and double-dose Fundations. Instructional adaptations include using visual aids and scaffolding in both languages, with Estrellitas emphasizing Spanish phonological patterns and Fundations focusing on English phonics skills. The math intervention team administers Great Leaps fluency assessments to determine math needs and develop intervention plans using Great Leaps, delivered in English for long-term ELLs and newcomers proficient in English, or in Spanish for SIFE and other Spanish-dominant learners.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

The literacy and math intervention teams, including the RTI teachers and data specialist, will review universal screening data from Acadience & iReady assessments and develop Tier 2 and Tier 3 intervention and enrichment plans using the MTSS framework. The literacy intervention team will complete Acadience Reading assessments to better understand reading needs and identify appropriate intervention resources, including Leveled Literacy Intervention, Reading Rescue, and double dose Fundations, which are delivered in English. Estrellitas is available to support the development of phonics and phonemic awareness skills in Spanish. The math intervention team will complete Great Leaps fluency assessments to better understand math needs and identify appropriate intervention plans using Great Leap, which can be delivered in English or Spanish.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

For ELA, we will continue using HMH Into Reading for teaching both reading and writing content. Students will be given performance tasks at the end of reading units and publishing prompts at the end of writing units. Teachers monitor students through aggressive monitoring and take note of student strengths and where students need support. Feedback is given in the moment to ensure students can address misconceptions. The assessment tools used to assess literacy skills of MLs/ELLs and inform small-group instruction are Acadience, iReady, Fundations, and HMH Into Reading Module Assessments.

In Math, students are formatively assessed with end-of-unit exams, and exit slips done on a daily basis. Based on responses to these questions, the teacher then creates small math groups to address misconceptions and reteach as needed. In addition, students engage in weekly problem solving activities through Exemplars, which show their understanding of the math standard being assessed.

For Science, students participate in experiments where they then have to describe, in writing, the understandings they have gained. Students are encouraged to share their knowledge with diagrams, written explanations, or both. For each lesson, they have an exit slip where they demonstrate their learning, which in turn informs teachers of their next steps. In addition, our students use our Inspired Growing lab for a hands-on experience learning about sustainability and science by cultivating and harvesting microgreens.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

In order to ensure MLs/ELLs are appropriately evaluated in their home languages throughout the year, we utilize Acadience in English, as well as in Spanish and English in the DL/TBE classrooms. These assessments allow us to see what students struggle with and address their reading deficiencies when transferring skills to the new language. To ensure that our ENL students are evaluated appropriately in their native language throughout the year, we use universal literacy screeners, formative and summative assessments, and teacher-made assessments. Math, science, and social studies classroom-based assessments are available in English and Spanish as part of the core curriculum as well.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular

decisions? (Refer to the ELL Data Analysis Tool).

The assessments used to evaluate and inform ELL programs are NYSESLAT, ELA and Math state exams. The iReady and Acadience Reading and Math Assessments are used as universal screeners and summative assessments to determine student progress toward benchmarks. This data is analyzed by grade, class, and subgroup to make instructional decisions. We use the April ELL Data Assessment Tool (EDAT) and RFSF report in ATS to inform trends in proficiencies across the assessments and flag the students that are at risk, including analysis of performance on each modality (listening, speaking, reading, and writing). Another summative assessment used are endline writing tasks, which are scored using the Into Reading Writing Rubrics and are compared to their baseline writing to determine growth across the unit.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

The NYSESLAT is administered in accordance with all NYS test administration guidelines. The assessment will be administered and scored by ENL, TBE, DL, and Common Core Certified teachers. The ELL Coordinator and Testing Coordinator support this work. During this testing time, there will be scheduling with classroom teachers to ensure when and how it is best to engage in co-planning to keep delivering mandated services for all ELLs. ENL teachers will also set a timeframe to meet with Entering and Emerging students for stand-alone ENL instruction in order not to conflict with the classroom teacher's time with their students.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

The school ensures current and former ELLs receive necessary accommodations for state assessments by adhering to the accommodations set forth in the IEP, as well as considering state assessments in students' home language and utilizing translation services when needed.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

ELL Program Orientation sessions are held following student registration to inform parents and guardians of newly identified English Language Learners (ELLs) about the available program options. These include the goals and requirements of all three Multilingual Learner/English Language Learner (ML/ELL) program models: Dual Language Bilingual Education, Transitional Bilingual Education, and English as a New Language (ENL). This information is provided regardless of whether the school currently offers either type of bilingual program.

The orientation also includes a high-quality overview of the Next Generation Learning Standards, assessments, and school expectations for ELLs. ENL teachers conduct these orientation meetings throughout the year, following student registration and ELL identification.

After parents/guardians are informed about all three program models, they are invited to complete the ELL Parent Survey and Program Agreement during the orientation. Translation and interpretation services are available as needed. Parent choice is documented on the ELL Parent Survey and Program Agreement form.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Annual Individual Meetings are held to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. This meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences. ENL, TBE, and DL teachers in partnership with the administrative team schedule the meetings throughout the year using a shared calendar in Google Drive. This team utilizes an agenda for each student in a shared Google Drive for the annual individual meeting with the following items: Goals of the Program (ENL, TBE or DL), Language Development progress across the four modalities of listening, speaking, reading, and writing, Language Proficiency results, Language development needs across content areas, Parent/Guardian Q & A. Translation and interpretation are made available when needed. Meetings are documented on a shared Google Drive.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:

a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

At the time of student registration, families are asked about language preference when school notices are sent home. As a result, the school communicates with families through their preferred language of communication. Flyers and newsletters are appropriately translated for families who communicate in a language other than English. Class Dojo allows families to communicate with teachers in their home language by having their messages translated. The school has many Spanish-speaking staff that can communicate with families who prefer to communicate in Spanish. Over-the-phone translation services are available to all families of home languages other than English.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Family engagement and empowerment is a priority at P.S. 85. The school hosts parent workshops such as Literacy INC for grades Pre-K to 2nd grade. This program supports reading with parent involvement and engagement in the activities by training parent leaders as Very Involved Parents. Wellness in the Schools and Cookshop workshops provide families with recipes and nutritional value of food. Brain Power family engagement activities support mindfulness and mental health. Other activities include Saturday Academy targeted towards MLs/ELLs with a family celebration, Community School Forum, Family Fitness Night, Game Night, Movie Night, grade level writing celebrations and SLT/PTA meetings. We will also incorporate Cultural Day where families can share their special traditions, culture and food. The school utilizes surveys, staff input based on family engagement and feedback from SLT/PTA meetings to determine the needs of the community.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Families of MLs/ELLs receive monthly calendars, as well as flyers to PA, SLT and CEC meetings; notices include information regarding leadership opportunities for families. The flyers are appropriately translated for families who speak a language other than English.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Our school has a Community School Partnership with Replications, Inc. Replications has been essential in hosting family outreach events and collaborating with school staff to foster students' academic growth. Replications tutors are available during school hours and they support students in their classroom work on a consistent basis.

Mission Society is an extracurricular program that is available to students year round. They offer an after-school program and a wealth of activities and events during vacations and non-attendance days throughout the school year.

Montefiore clinic is on-site and available to all students. The clinic offers extensive services and support including vaccines, dental and vision, and routine examinations.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

N/A

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Richard Cruz, ENL Teacher
Lizbeth Teron, ENL Teacher
Jordan Alonzo, ENL Teacher
Allison Krenn, Assistant Principal
Jennifer Bondi, RTI Teacher
Diane Carey, RTI/Special Education Teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

he HLIS is administered in person by qualified personnel (a licensed and trained pedagogue). This includes the mandated individual interview with the student and parent/guardian and determination of student's Home Language HL. The intake and identification of ELLs and all students is year-round, and scheduled during the morning of the school day. There is a rotation among the members of the identification team to ensure the least amount of interruption to any member's daily schedule. All members participate in the intake of potential ELLs.
Following administration of the HLIS, the school team conducts a more in-depth in-person individual interview with the student and parent/guardian to determine the student's home language and eligibility for NYSITELL testing. If a student has an existing IEP, the LPT is convened to determine NYSITELL eligibility. The ENL team in partnership with the pupil accounting secretary enter all necessary information in ATS and maintain records of HLIS and student interviews in student cumulative records. All meetings with parents are conducted in the parent/guardian's preferred language with translation by a staff member or the use of the over-the-phone translation and interpretation services.

The ENL teachers then administer the NYSITELL to potential ELLs to determine their ELL status within 10 days of enrollment. The ENL team then sends entitlement and non-entitlement (after NYSITELL letters to parents/guardians within 5 school days of ELL determination. Once ELL status is identified, parents are notified of their child's proficiency

level and choose the setting ENL, TBE, or DL in which they would like their child to receive ELL services. The Spanish LAB is then administered to newly identified ELLs whose home language is Spanish. Following administration of the NYSITELL and LAB (if necessary), the ENL team determines SIFE status within 30 days of enrollment using the Multilingual Literacy Screener for students in grades 3 to 5. SIFE status is then updated in ATS.

Following the completion of NYSITELL testing and determination of ELL status, the ENL team conducts parent orientation with interpretation services available. Parents are provided with information on the three ELL program types Dual Language Bilingual Education, Transitional Bilingual Education, and English as a New Language), Next Generation Learning Standards, assessments, and school expectations for ELLs. Parents/guardians then complete the ELL Parent Survey and Program Agreement, and copies are kept in the cumulative folders. Students are placed in the appropriate ELL Program, and information is entered in STARS for ENL programming and bilingual programming (if appropriate). Records of the ELL Parent Survey and Program Agreement are maintained in students' cumulative records.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.

a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Sara Medina

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.
We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they

attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Richard	Cruz	Teacher	01/30/2025	
Allison	Krenn	Assistant Principal	10/17/25	

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS)

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
BENGALI (BANGLA IN BANGLADESH)	5	0.60%	5	0.60%	0	0
FRENCH	1	0.12%	1	0.12%	0	0
HAUSA (HAOUSSA)	1	0.12%	1	0.12%	0	0
ENGLISH	427	50.83%	420	50.42%	N/A	N/A
PORTUGUESE	1	0.12%	1	0.12%	0	0
SPANISH	398	47.38%	396	47.54%	40	40
SONINKE	6	0.71%	8	0.96%	0	0

TEM (TEMBA/KOTOKOLI/COTOCOLI)	1	0.12%	1	0.12%	0	0

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Flyers for school-wide events	Parent Coordinator in partnership with school secretary will ensure that documents are translated appropriately
Family Newsletter & Calendar	Parent Coordinator in partnership with school secretary will ensure that documents are translated appropriately

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

PTCs	Teachers will partner with school-based staff who speak parents' preferred languages or utilize over the phone interpretation services
Back to School Night & Spring Family Night	Teachers will partner with school-based staff who speak parents' preferred languages.
Writing Celebrations	Teachers will partner with school-based staff who speak parents' preferred languages.
Family Math Days	Teachers will partner with school-based staff who speak parents' preferred languages.
PTA & SLT Meetings	Teachers will partner with school-based staff who speak parents' preferred languages or utilize over the phone interpretation services
Family Workshops	

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

(A) a school-wide emergency (i.e. lockdown, fire, etc..)
Parent coordinator and school administrators utilize NYCDOE Messaging App and Class Dojo to send messages to families by phone, email, and text in their preferred language.

(B) a student-specific emergency (i.e. student attendance, nurse/hospital visit, etc..).
School staff use phone, email, and Class Dojo to communicate directly with parents about student-specific events. Written messages are translated using Class Dojo or Google Translate. Additionally, school staff utilize over the phone interpretation services to ensure parents are communicated with in their preferred language.

(C) If a parent has an emergency and needs to contact the school
If a parent has an emergency and needs to contact the school, they call the main office and can speak with office staff in English or Spanish. If needed, the office staff will utilize over-the-phone interpretation services. Parents may also reach out to teachers by email or Class Dojo and teachers will use online interpretation to read the message and direct parents to appropriate support.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

The Language Access Coordinators will meet with all staff during the September Chancellor's Conference Days to review the goals of Chancellor's Regulation A-663. They will review the Language Access Handbook and review resources available for translation and interpretation services. Materials will also be available in the main office and will be shared by email.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- **Language Access for NYC Public Schools Families brochure**

The school will ensure that all parents understand their right to receive information in their preferred languages. Signs will be posted in the lobby and main office. Additionally, a message will be posted on the school website. This message will be reiterated at PTA meetings throughout the year.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Regular opportunities for family feedback are included during the PTA and SLT meetings. Additionally, the parent coordinator and administrative meet regularly to discuss feedback and ensure that parents have access to oral and written materials in their preferred language.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Based on feedback from families, the school has implemented Class Dojo as a schoolwide tool for parent communication for school, class, and individual student news, which allows for in app translation by both parents and school staff. Additionally, the school makes use of the TeachHub Messaging App to ensure that communications are sent in families' preferred languages. Parent surveys and input from the SLT indicated that the school website was difficult to navigate and could not be easily translated. The school webmaster has worked with the website vendor to ensure that the school website is accessible in their preferred languages. We will continue to gather feedback on our school website to ensure it is friendly and access to all members of the school community.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Saturday Academy

Total number of ELLs to be served in this program:

120

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5

Total number of teachers in this program:

10

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

5

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

5

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**
- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**

- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Our ELL student data reveals that our ML/ELL students struggle most with the modality of writing. We plan to build on student strengths in listening and speaking to develop strong writing skills. The Title III Supplemental Program will take place over 9 Saturdays from March to May for 3.5 hours each day. The program will include 120 MLs/ELLs students in grades K to 5 with approximately 15-20 students per grade. The program will be co-taught by certified ENL/Bilingual teachers and common/branch content area teachers. Co-teaching teams will work with 20 ML/ELL students in grade bands K-1, 2-3, and 4-5. Teachers will co-plan lessons to ensure appropriate scaffolds. The language of instruction will be English. Teachers will utilize instructional materials from Writing is Thinking and Thinking Maps to develop unit plans.

The Title III Saturday program will utilize engaging science content about animals within a habitat, so students can build academic language, and apply the writing strategies in context. Specific activities will include the use of Writing is Thinking sentence and paragraph tasks that will be used to write strong sentences, which will build strong paragraphs and then strong essays. Students will engage in listening and reading activities to research about their chosen animal. Teachers will utilize discussion protocols to ensure that students are developing oral language skills in addition to writing skills. Students will publish their writing in Book Creator. Teachers will incorporate art and movement to support student learning.

The program will be supervised by a licensed assistant principal using the Title III funds at the per session rate. The program will take place on Saturdays, which is outside of the supervisor's regularly scheduled work time. The assistant principal will lead all professional development sessions with a focus on data-driven instructional practices, including the use of effective learning targets and aggressive monitoring techniques. The assistant principal will review all lesson and unit plans to ensure they are standards-based, rigorous, and coherent. Additionally, the assistant principal will engage in weekly classroom walkthroughs to provide in-the-moment coaching and feedback. Additional feedback will be sent by email and discussed in professional learning session.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Our ELL student data reveals that our ML/ELL students struggle most with the modality of writing. We plan to build on student strengths in speaking to develop stronger writing skills. The Spring 2025 EDAT report indicates that writing is a modality of need for 43 out of 153 ML/ELL students while speaking is a modality of strength for 50 out 153 ML/ELL students. This data is supported by aligned with classroom observations and performance on Into Reading Module assessments. Additionally, the Spring 2025 EDAT report indicates that 40 out of 55 ML/ELL students scored at level 1 on the 2024 NYS ELA exam and 11 out of 55 ML/ELL student scored at level 2. This indicates a need for additional time to be spent on standards-based reading and writing activities.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

The program will include 120 MLLs/ELLs students in grades K to 5 and will be taught by 5 certified ENL/Bilingual teachers and 5 content area teachers. Teachers will co-plan lessons to ensure appropriate scaffolds. The program will be open to all ELL Subgroups and classes will be grouped based on proficiency levels (e.g., Entering, Emerging, etc.).

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The Title III Supplemental Program will take place over 9 Saturdays from March to May 2025 (March 7, 14, 21, 28; April 18, 25; and May 2, 9, 16) for 4 hours each day from 8:30 to 12:30.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction will be English. Co-teaching teams of ENL/BE and common branch certified teachers will utilize students' home language to build background knowledge by providing resources, such as books and videos in students' home language. Teachers will also provide vocabulary words in students' home language to promote understanding of the topic before writing.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

There will be 5 ENL/BE certified teachers and 5 common branch certified teachers. ENL and Common branch teachers will co-plan to ensure language acquisition needs are addressed in the different activities.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

The program will utilize the "Writing is Thinking Strategic Inquiry" model. This model utilizes key sentence and paragraph strategies that can be used to write strong sentences, which will build strong paragraphs and then strong essays. The Saturday program will utilize science content, so students can build academic language, and apply the writing strategies in context. Students with the support of their teachers will create projects that address writing and science content standards. Teachers will utilize instructional materials from Writing is Thinking and Thinking Maps to develop unit plans. Students will publish writing in Book Creator and teachers will incorporate art and movement to support student learning. Additionally, teachers will develop video-based projects using the green screen and Padcasters.

Title III ELL funds will be used to purchase student journals, colored pencils, and other art materials for student use throughout the program. These materials will be stored in the assistant principals office.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

P.S. 85 will maintain documentation of
-Family communication, including copies of dated, translated letters sent to parents with the description of the Title III ELL program
-Evidence of ELLs Served, including Title III ELL Supplemental Program Student Rosters, Proficiency Levels, and Attendance Sheets
-Teacher certification, including screenshots from TEACH of teacher certification areas, and teacher per session time sheets
-Parental Engagement with attendance sheets, invitations, translations, evidence of interpretation, and other materials
-Professional Development through rolling agendas and attendance sheets
-All purchase orders and PD materials

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

In order to ensure that teachers are prepared to utilize the 7 sentence strategies, we will utilize materials from Strategic Inquiry to deliver professional learning to all staff members. This cohort will include teachers in the Title III program and a school administrator. This work will coincide with ongoing work in the school to use the NYC DOE English Language Development Rubrics and NYSESLAT scoring guides and rubrics.

To ensure that the education provided to ML/ELLs at P.S. 85 is of high standards, differentiated and of quality, the personnel of this school values ML/ELLs, understands their linguistic, academic, cultural and life needs and prioritizes the social-emotional needs of these students. We ground our practice and teaching in research-based best practices that help us to enrich the lives of our students and their families. We are always seeking ways to fully integrate the experiences of students into the curriculum as we differentiate instruction as per their NYSESLAT/NYSITELL, Spanish Lab scores, formative and summative assessments and students' IEPs.

The school administrator will support program staff in understanding student data using the pre-sentence, sentence, and paragraph tracker, the "Writing is Thinking Strategic Inquiry" model and developing unit/lesson plans based on student needs. 10 teachers will participate in 2 sessions of professional development for 3 hours each on February 7 and 28. The school administrator will also provide ongoing feedback and support throughout the program. Agendas and sign in sheets will be maintained on file.

Professional development will be at no additional cost to Title III funding.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**

- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

In order to ensure that teachers are prepared to utilize the 7 sentence strategies, we will utilize Writing is Thinking Strategic Inquiry resources to deliver professional learning to all staff members. This cohort will include teachers in the Title III program and a school administrator. This work will coincide with ongoing work in the school to use the NYC DOE English Language Development Rubrics aligned with our schoolwide priority of Know Every Student Well. This work will be supported by an instructional coach from RBERN.

To ensure that the education provided to ML/ELLs at P.S. 85 is of high standards, differentiated and of quality, the personnel of this school values ML/ELLs, understands their linguistic, academic, cultural and life needs and prioritizes the social-emotional needs of these students. We ground our practice and teaching in research-based best practices that help us to enrich the lives of our students and their families. We are always seeking ways to fully integrate the experiences of students into the curriculum as we differentiate instruction as per their NYSESLAT/NYSITELL, Spanish Lab scores, formative and summative assessments and students' IEPs.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

10 Saturday Academy Teachers

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

10 teachers will participate in 2 sessions of professional development for 3 hours each with the school administrator. Additionally the RBERN coach will provide coaching support during 2 student sessions and provide feedback to teachers. The school administrator will also provide ongoing feedback and support throughout the program. The support of the RBERN consultant will be at no cost to Title III LEP funding. Agendas and sign in sheets will be maintained on file.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

The RBERN consultant and school administrators will support program staff in understanding student data using pre-sentence, sentence, and paragraph tracker, the "Writing is Thinking Strategic Inquiry" model and developing unit/lesson plans based on student needs.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

RBERN Instructional Specialist Iris Aldea-Pollack

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

The school will maintain documentation of the following in Google Drive and/or paper files:
-Record of each professional development activity that has taken place (attendance sheets for professional development
events including teachers that attended, dates, times, duration of session and other PD materials)

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Parents are our partners in the educational journey for our students. Our Parent Coordinator (as part of her regular assignments and funded through other sources) will continue open communication with the community we serve, evaluate the needs of our parents and offer them the services and resources they need to ensure parental participation and involvement in their child's educational life. Additionally, Title III funds will be used to fund a school secretary for the duration of the program. The secretary will engage with families during arrival and dismissal and support family outreach.

For the purpose of the Title III Saturday Academy program, we will offer workshops on the sentence strategies from WITSI. We will engage parents in Family Engagement activities at the beginning and end of the program. Translation and interpretation will be available to families. The school secretary will support outreach to families prior to the events and ensure that agendas and sign in sheets will be maintained on file.

Additional workshops as well as orientation for new admits, which include activities to support family interaction and assisting parents in becoming educational partners with the school. Parents will be informed through regular school calendars, phone blasts and flyers regarding these events.

The counseling team will plan a series of monthly workshops for students in bilingual classes. Teachers across the school will utilize Class Dojo, including the translation features to support increased parent communication.

The work of the parent coordinator and school counselors described above will be at no cost to Title III LEP funding.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Parents are our partners in the educational journey for our students. Our Parent Coordinator (as part of her regular assignments and funded through other sources) will continue open communication with the community we serve, evaluate the needs of our parents and offer them the services and resources they need to ensure parental participation and involvement in their child's educational life.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

For the purpose of the Title III Saturday Academy program, we will offer workshops on the sentence strategies from WITSI. We will engage parents in Family Engagement activities at the beginning and end of the program, including a family celebration where we develop an exhibit of our animal study habitat. Translation and interpretation will be available to families. Agendas and sign in sheets will be maintained on file.

Additional workshops as well as orientation for new admits, which include activities to support family interaction and assisting parents in becoming educational partners with the school. Parents will be informed through regular school calendars, phone blasts and flyers regarding these events.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

For the purpose of the Title III Saturday Academy program, we will offer workshops on the sentence strategies from WITSI. We will engage parents in Family Engagement activities at the beginning and end of the program. Translation and interpretation will be available to families. Agendas and sign in sheets will be maintained on file.

Additional workshops as well as orientation for new admits, which include activities to support family interaction and assisting parents in becoming educational partners with the school. Parents will be informed through regular school calendars, phone blasts and flyers regarding these events.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

P.S. 85 Staff, including parent coordinator and teachers, in partnership with CBO Replications Staff

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Teachers across the school will utilize Class Dojo, including the translation features to support increased parent communication. Paper flyers, phone blasts, and announcements on the school website will also be utilized.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

The school will maintain documentation of the following in Google Drive and/or paper files:
-Parent Notification, including translations, of letters for the supplemental Title III program
-Evidence of workshops and family celebrations

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

N/A

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem	N/A	N/A

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Grades to be served in this program. Select all that apply.

,2,3,4,5

Total number of teachers in this program:

3

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

The direct instruction will take place during an after-school program on Tuesdays, Wednesdays, and Thursdays from 2:30 to 4:00 over an 9-week period from April 14 to June 11. The program will include two, four week cycles and each cycle will focus on a different book. Each student will receive a copy of both books for their home library as well as the projects that are created during this time. The students will be grouped by grade-level bands and proficiency in classes of 20. These classes will each instructed by one teacher with opportunities for whole group instruction, small-group differentiated support, and independent reading, writing and art activities. The program will be supervised by an assistant principal at no cost to the Title III Immigrant funds.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

P.S. 85 is a diverse community of learners with students from the Dominican Republic, Honduras, Mexico, Venezuela, Ghana, Gambia and other countries around the world. All students need opportunities to engage with rich, culturally responsive texts that give them opportunities to see themselves reflected in the text (mirrors) and also see into the lives of others (windows). Our students can learn from and about each other as they engage in this work with culturally responsive texts.

The Spring 2025 EDAT report indicates that writing is a modality of need for 43 out of 153 ML/ELL students while speaking is a modality of strength for 50 out 153 ML/ELL students. This data is supported by aligned with classroom observations and performance on Into Reading Module assessments. Additionally, the Spring 2025 EDAT report indicates that 40 out of 55 ML/ELL students scored at level 1 on the 2024 NYS ELA exam and 11 out of 55 ML/ELL student scored at level 2. This indicates a need for additional time to be spent on standards-based reading and writing activities.

The Title III Immigrant Supplemental Funds program will provide direct instruction to students using book clubs with high-interest, culturally responsive texts, reciprocal teaching protocols to increase student discussion, family art projects, and Writing is Thinking strategies to publish books about themselves and their families. The program will include opportunities to build listening, speaking, reading and writing skills with an emphasis on reading and writing. The need to focus on reading is writing is based on performance on the ELA and NYSESLAT exams.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

The program will include 60 students, with approximately 15 per grade level in grades 2-5. Students' identified as ML/ELLs will be included and their NYSESLAT modality scores will be considered when creating student groups.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

The direct instruction will take place during an after-school program on Tuesdays, Wednesdays, and Thursdays from 2:30 to 4:00 over a 9-week period from April 14 to June 11 with a total of 25 sessions. The program will include two, four week cycles and each cycle will focus on a different book with the final week to reflect on their learning and prepare for the family celebration on June 11.

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

The language of instruction will be English. Teachers will utilize students' home language to build background knowledge by providing resources, such as books and videos in students' home language. Teachers will also provide vocabulary words in students' home language to promote understanding of the topic before writing.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

The program will include 3 teachers, two bilingual or TESOL certified and one common branch teachers.

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

The Title III Immigrant Supplemental Funds program will provide direct instruction to students using book clubs with high-interest, culturally responsive texts, reciprocal teaching protocols to increase student discussion, family art projects, and Writing is Thinking strategies to publish books about themselves and their families. The program will include opportunities to build listening, speaking, reading and writing skills with an emphasis on reading and writing. The culturally responsive texts and art supplies will be purchased with funds from the Title III Immigrant funds and will be stored in an assistant principal's office.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**

- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

The school will maintain evidence of immigrant children and youth served for each Title III Immigrant supplemental program class, including:
• Title III Immigrant Supplemental Program Student Rosters, Proficiency Levels, and Attendance Sheets with attendance indicated for each day of the program
• Student rosters should will include the name/s of the Title III teacher/s serving the students
• The dates/ times of the program will match those included in the approved?plan and in the parent letter

The program will be taught by certified common branch and TESOL or bilingual certified-teachers. The program will be supervised by an assistant principal who will provide ongoing support, feedback and progress monitoring.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

Teachers will apply their professional learning on culturally responsive teaching practices and book clubs to this after-school program with a planning session prior to the start of the program on March 30 and on alternating Fridays beginning 4/17. The team will develop pacing guides for the after-school book clubs and model teachers will facilitate teacher planning sessions. Additionally, the school administrator and will provide ongoing support and feedback to ensure teachers are engaging students in rich discussion, close reading, and aligned writing activities. Teachers will receive per session for professional development outside of school hours through the Title III Immigrant funds. The assistant principal will host the 5, one-hour professional development sessions during the program. The assistant principal's per session will be at no cost to the program.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

NYSESLAT scores and ELA scores indicate the need for additional reading, writing, listening, and speaking instruction and professional development. There will be a focus on reading and writing development based on historical student

performance.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

All teachers in the program will receive professional development to support the goals of the program. This will include ongoing planning sessions with per session paid for after-school with Title III Immigrant funds and coaching work in the classrooms at no cost to the program.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

3/30, 4/17, 5/1, 5/15, and 5/29 from 2:30-3:30.
This 5 hours of professional learning will be paid using Title III Immigrant funds.

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

March 30 from 2:30-3:30 Introduction to the program with professional learning on NYSESLAT modalities, language acquisition, vocabulary development, reading fluency and comprehension. Teachers will use this professional learning to draft and revise unit plans for the book clubs.

4/17, 5/1, 5/15, and 5/29 2:30-3:30 Professional learning throughout the program will focus on looking at student work to analyze gaps between the exemplar and student work. Teachers will use this data to adjust unit plans.

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

Professional development will be provided by Assistant Principal Jennifer Dickerson at no additional cost to the program

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

The professional development activities will be maintained in a rolling agenda and shared with all constituents in Google Drive. This will include a record of each activity that has taken place (attendance sheets for professional development events including teachers that attended, dates, times, duration of session) and the Powerpoint or other PD materials.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds.
Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Parents play an important role in our student's education and will have multiple opportunities to engage with their child's teacher during this program. The parent coordinator, along with the teaching team, will invite parents to an informational session at the beginning of the program to explain the purpose of book clubs and incorporation of family projects. Teachers will plan weekly family activities that connect the themes from the texts with student lives. Activities may include art and writing activities that allow students to share stories about themselves and their families. Teachers will work with students and families to create books that celebrate their learning about themselves and others through the book clubs. The published books will be shared in a family celebration on the last day of the program. Announcements about family events will be shared in Class Dojo.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

Data from the NYC School Survey indicates that parents have expressed interest in engaging in activities with their children and how they can support their children at home. The family activities will focus on academic support aligned with the curriculum planning along with family projects and enrichment opportunities at no additional cost to Title III Immigrant funding.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and

- Time and duration of sessions.

4/14 2:30-3:30 Parent Information Session
5/14 2:30-3:30 Family Art Workshop
6/11 2:30-3:30 Family Celebration

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

4/14 2:30-3:30 Parent Information Session--Goals of the program, NYSESLAT modalities and proficiency levels
5/14 2:30-3:30 Family Art Workshop--Book club discussion protocols and prompts for talking about reading, development of family art projects and Book Creator book
6/11 2:30-3:30 Family Celebration--Sharing of family art celebrations and Book Creator books

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Aracelis Lopez, Parent Coordinator
Jordan Alonzo, ENL Teacher/Model Teacher
Marlyn Garcia, Replications CSD
Allison Krenn, Assistant Principal

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Families will be notified of events through Class Dojo, DOE Messaging, and paper fliers.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Documentation will be maintained and shared in Google Drive. This will include a record of each activity that has taken place (attendance?sheets, invitations, translations, evidence of interpretation,?powerpoints).

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):
