Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps

and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

P.S. 595 - The Colibrí Community School

District Borough Number (DBN):

12X595

Grades Served:

PreK through 5th Grade

School Address:

700 East 179th Street, Bronx, NY 10457

Phone Number:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.
Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature

Nash Matute	Principal or Designee*	
Yalixa Rodriguez	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Kim Girard-Vinzant	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Debbie Lopez	District Council 37 (DC 37) Representative (staff), if applicable	
	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
	CBO Representative, if applicable	
Nash Matute	Member/Chair

Angela Pesce	Member/ILT	
Yalixa Rodriguez	Member/ILT	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

At P.S. 595, we are on a daily mission to create lifelong learners that use their voice and biliteracy skills to influence society. Our goal is to ensure literacy is at the forefront of our work to elevate student voice, critical thinking, and empathy.

To do this work, we are committed to creating nurturing and safe learning environments where students can speak their truths. We are committed to supporting students to reach their full potential academically and social-emotionally.

We are committed to maintaining an inclusive school community that works collaboratively with families and local partners. At P.S. 595, The Colibri Community School, we are family.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P.S. 595, The Colibri Community School, is an elementary school located in the South Bronx that is expanding. We are expanding in the 2025-2026 academic year to include Horizon Kindergarten and First grade classrooms. Every year, we will continue to add a grade to include a classroom with a Horizon program until there is a classroom with Horizon program in each grade from kindergarten and fifth grade. In addition, P.S. 595 also includes a 3K section, and a Dual Language PreK4 section. PS 595 is currently in its 6th year, after successfully expanding a 3K section, Dual Language PreK and a second year of 5th grade. P.S. 595 currently has students enrolled. This population is made up of 74% Hispanic, 0% White, 22% Black, 2% Asian, and 2% multi-racial. Currently, 20% of students have an IEP and 32% of students are designated as English Language Learners. There are 125 girls and 131 boys. 96% of students receive free and reduced lunch and 91% of students come to school regularly.

The CBO partner is Phipps Neighborhoods, who operates an after school program for the students in our school community. The staff from Phipps collaborates with the attendance team to create and monitor goals for students. Their success mentors partner up with students who are at risk of being chronically absent, to support their attendance. The staff collaborates with teachers during the day to support classroom instruction and daily SEL check-ins with students. The CBO partner continues to be Phipps Neighborhoods, who operates an after school program for the students in our school community. The staff from Phipps collaborates daily with the attendance team to create and monitor goals for all students who are absent. Their success mentors partner up with students who are at risk of being chronically absent, to support their attendance. The staff collaborates with teachers during the day to support classroom instruction and daily SEL check-ins with students.

P.S. 595 also partners with Bank Street College of Education, Emotionally Responsive Practice team, to implement teddy bears in the classroom as a way to promote a sense of community and transition students back into in-person

learning. Additionally, we partner with Brain Power for student and staff wellness.

P.S. 595 strives to use a structured, rigorous academic curriculum for ELA, Math, Social Studies, and Science. P.S 595 teachers strive to use best practices within the classroom. This year we are in year two of HMH Into Reading and Writing implementation, which is available in both English and Spanish. It supports our dual language program. For Math, P.S. 595 has transitioned to Illustrative Math for grades K-5. We ensure that all students are prepared for high school by providing them with a curriculum that is aligned to the Next Generation Learning Standards.

At P.S. 595, we strategically use technology to supplement our reading, writing, and mathematics curriculum to ensure that we meet the academic needs of all students. Teachers are well versed in Google Classroom and NearPod to create online, academic lessons when working with small groups. Teachers at P.S. 595 are constantly engaged in structured, inquiry based professional collaborations with teacher teams and vertical teams that promote the achievement of learning goals and the implementation of the Next Generation Learning Standards including the instructional shifts in daily lessons. Teachers have designated times throughout the week to meet with their respective team members. Teachers also have designated time to meet with vertical teams in order to plan effective and spiraled instruction through the different grade levels. Teacher teams work together to create culturally and historically responsive lessons to add into our current curriculums where students can see themselves in the books they read and make connections to the world we live in. Teachers are constantly attending professional developments to strengthen their pedagogy and utilize the information and strategies immediately in the classroom. Teachers frequently turn key this information to other teachers in the school so all teachers are utilizing similar strategies. P.S. 595 works to form a strong home and school connection. Teachers constantly communicate with parents in person at arrivals and dismissals. Teachers also communicate with parents via Class Dojo. This platform allows teachers to post information, calendars, newsletters, upcoming events, pictures of classroom work and projects, utilize dojo points for behavior reinforcement, and message parents back and forth regarding their children.

P.S 595 participates in many extra-curricular activities for the students during the school day in order to heighten interest in different sports, dances, and other forms for expression. Dance program include Mark DeGarmo Dance program. We will continue to partner with Studio in a School for in-class ART with teaching artists. Sports programs include Johnny Mack Tennis Project program on Randall's Island every Tuesday and Soccer, Basketball, Baseball and Cheerleading Club led by the gym teacher. Cooking programs include CookShop every Friday within the classroom setting led by the classroom teachers.

Briefly summarize the key initiatives your school will implement this school year.

During the 2025- 2026 school year, we will implement several key strategies that positively impact our ability to achieve our goal: weekly department meeting time utilized to implement best practices and curriculum planning using HMH for Literacy and Illustrative Mathematics for Math. Teachers across grades will conduct weekly grade team meetings in order to vertically plan cross-curricular lessons; teacher leadership structure that provides strategic mentoring and support for new and struggling teachers; bi-monthly professional learning sessions centered on culturally responsive teaching utilizing the book Cultivating Genius by Dr. Ghouldy Mohammed; a student-centered schedule that maximizes student learning; weekly assessment snapshots that clearly inform and align to instruction; ILT meetings focused on the analysis of data, progress monitoring, and feedback; tutoring with practice makes perfect; District professional learning sessions. The school will continue to collaborate with the District Office Instructional Team in order to train a subset of the ICT partnerships and Academic Intervention. The school will continue to participate in Academic Intervention Services and continue with training upper-grade math teachers in creating an intervention action plan for students that are on the cusp, based on New York State Standardized test scores from years 2024- 2025. In addition, teachers will collaborate with the district in specially designed instruction (SDI) to implement differentiated instruction based on IEP goals. We will also utilize Collaborative Reading Strategies (CRS) in order to ensure our students are provided a unified framework in how to strategically read and question across grade levels and departments. In addition, the Instructional Equity Leadership Team will use a Data Wise cycle resulting in

P.S. 595 creating small, differentiated learning groups with opportunities for students to demonstrate knowledge and ownership of their independent learning.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-2	Reading Curriculum: HMH Into Reading Arriba la Lectura Phonemic Awareness Instruction: Heggerty Heggerty Conciencia fonologica (Spanish) Phonics Instruction: PAF (Preventing Academic Failure) AL (Aprendo Lleyendo)	
ELA	3-5	HMH Into Reading Arriba la Lectura iReady	
Math	K-5	Illustrative Math iReady	
Math Fluency	2-5	Reflex Math	
Social Studies	K-5	Passport to Social Studies	
Science	K-5	Amplify Science	
ELA	PK	Heggerty	
ELA	3K-PK	Creative Curriculum	
Math	3K-PK	Creative Curriculum	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to the June 2025 NYSEMS data for 12X595, Grade 5 ELA showed lower performance in Writing to Sources and Craft & Structure (NY-5.R.4, NY-5.R.5)	Inconsistent implementation of explicit writing instruction.	Strengthening writing strategies in grades 3–5 following a normed writing process.
Across grades 3 to 5, students demonstrated consistently low performance in standards focused on identifying main ideas, summarizing, and understanding characters or events. For example, Grade 4 students scored below proficiency on NY-4.R.2 and NY-4.R.3, with fewer than 40% answering related items correctly.	Limited use of formative data to guide instruction.	Increasing reading comprehension strategies in grade 3-5 tailored to students performance and needs.
Students across all tested grades struggled with interpreting figurative	Lack of	Implementing

language, understanding text structure, and analyzing point of view. These domains showed correct response rates below city averages, indicating a need for explicit instruction in text analysis and language comprehension. (NY-R.4, NY-R.5, NY-R.6)	differentiated instruction for multilingual learners.	structured small group interventions based on domain-specific weaknesses in grade 3-5.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	28%	By June, 2026, literacy for All Students will improve, as measured by a 10% Increase, from 28% to 38%, of Percentage of students proficient (3/4) on the NYS ELA Exam Results.
All Students	20%	By June, 2026, literacy for all students K-2 will improve essential literacy skills, as measured by a 15% Increase, from 20% to 35%, of students scoring at or above benchmark on the Acadience EOY Data.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement a Tiered Literacy Intervention Framework using data-driven instruction, differentiated supports, and ongoing progress monitoring for all grades K-5.

Root Cause Addressed:

- Inconsistent use of assessment data to inform instruction.
- Lack of targeted interventions aligned to student literacy needs.
- Limited teacher training in small-group instruction and research-based strategies for below-level readers.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Launch targeted professional development on small group instruction, data analysis, and tiered intervention specific to iReady and Acadience as data measurement tools and instructional platforms.
Enhance the use of screeners (i-Ready and Acadience) to progress monitor groups of students (standards mastery, Acadience PM)
Monitor school wide student progress bi-monthly (4-6 weeks), using formative assessments and adjust WIN (what I need) groups/instruction accordingly.

Key Strategy 2 (Optional):

Implement structured phonics and phonemic awareness instruction in K-2 and for identified students in upper grades.

Root Cause Addressed:

- Gaps in foundational skills in early grades
- Lack of systematic phonics instruction schoolwide
- Insufficient early identification and support for at-risk readers

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Continuous use of research-based foundational literacy program (Heggerty and Preventing Academic Failure)
Train all K-2 and intervention teachers in explicit phonics and phonemic awareness instruction
Use Acadience data to create skills-based intervention groups, including for students in grades 3-5 who need foundational support
Progress monitor more frequently to ensure students are responding to interventions and adjust as needed
Conduct parent workshops to build family capicity in supporting early literacy at home

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To effectively monitor progress toward our literacy goals, we will use a multi-tiered implementation monitoring system focuse on both instructional fidelity and student outcomes. This plan includes regular data collection, analysis, and responsive adjustments to ensure our key strategies and action steps are having the intended impact.

Primary Structures for Progress Monitoring:
1. Instructional walkthroughs and coaching cycles: Done bi-weekly. We will monitor fidelity to ELA core instruction, small group instructions and intervention practices. Admin will create observation rubrics aligned to key instructional look-fors and analyze coaching notes and teacher refelction logs. This will increase alignemnt to high-quality instruction and instructional best practices across classrooms

2. Assessment and Benchmark Data Analysis: done during boy, moy, eoy + interim/bi-monthly progress checks. This will track student literacy achievemnt and growth across foundational and grade-level skills. Admin and coaches will

collect NYS ELA State exam data, acadience K-2 benchmark data and collect progress monitoring data for tier 2/3 students. This will be a growth in % of students readingon/above grade level and meeting foundational literacy benchmarks.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/25/2026	NYC Literacy Shift family workshop sessions	
09/04/2025	06/25/2026	Family Literacy Engagement Series with Literacy Consultant to increase oral literacy practices between family/student	

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Literacy Family workshop series (4x a year), afterschool literacy academic program by teachers

Instructional Resources

Spire, Sound Sensible, Phonics for Reading, PAF, AL, iReady K-5, decodable libraries skill based both English and Spanish

Schedule Adjustments

K-5 Vertical Team after school, 3-5 ELA Team weekly during school hours

Other Resources Needed

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Analysis of school behavior and safety data for the 2024–2025 school year revealed significant trends impacting school climate and student safety. The top two incident codes were A24 and A06.	Inconsistent implementation of Tier 1 SEL supports (e.g., lack of universal social-emotional learning curriculum or inconsistent delivery of morning meetings and restorative practices).	Strengthen Tier 1 SEL supports and consistency schoolwide, ensuring all classrooms integrate daily routines that promote emotional regulation and conflict resolution.
Analysis of school behavior and safety data for the 2024–2025 school year revealed significant trends impacting school climate and student safety. The top two incident codes were A24 and A06.	Reduced supervision and structured routines during key transition periods, such as arrival, hallway movement, and lunch/recess times.	Enhance structured routines and adult supervision during non-instructional time, particularly during transitions, recess, and lunch.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	73 and 31	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 25% Decrease, in the number of behavioral incidents coded as A24 (minor altercations) and A06 (disruption to the educational process) from 73 and 31 to 40 and 15, per the Online Occurrence Reporting System (OORS) reports.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement a Whole-School Tiered Approach to Behavior and Safety
This strategy integrates social-emotional learning (SEL), restorative justice practices, targeted staff training, and proactive supervision to build a safe, emotionally supportive, and equitable school environment. The approach is designed to address both universal school culture and the specific needs of students at higher risk of behavioral challenges.

Root Cause Addressed:

1. Inconsistent implementation of Tier 1 SEL supports (e.g., lack of universal social-emotional learning curriculum or inconsistent delivery of morning meetings and restorative practices).

2.Reduced supervision and structured routines during key transition periods, such as arrival, hallway movement, and lunch/recess times.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Conduct Staff-Wide Baseline Training
Audit and Strengthen Tier 1 SEL Implementation
Increase Supervision During High-Incident Times

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Launch Restorative Practices Schoolwide:

Provide training in restorative circles, peer mediation, and community-building conversations.

Embed circles into weekly schedules (advisory or morning meeting).

Develop Tier 2 Behavior Intervention Plans:

Use data to identify students with recurring A24/A06 incidents.

Implement individualized supports (mentoring, check-in/check-out, counseling).

Involve families in support plans.

Mid-Year Progress Monitoring and Adjustment:

Review incident trends and school survey data.

Adjust supervision, supports, or PD as needed.

Continue Monthly Staff PD:

Focus: Reflective practice, handling microaggressions, SEL refreshers, and restorative conferencing.

Differentiate by staff role (teachers, paraprofessionals, lunch aides).

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/03/2025	11/26/2025	Strengthen trust, visibility, and collaboration by honoring family engagement in understanding and supporting schoolwide behavior systems, SEL, and restorative practices and equip families with tools to reinforce positive behavior and emotional regulation at home.	Brain Power Wellness, CBO, Asphalt Green
12/01/2025	06/26/2026	Extend behavioral, emotional, and mental health support beyond school through trusted community resources.	Brain Power Wellness, CBO, Asphalt Green

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Guidance counselor support with workshops and in-class supports. School aides and out of class staff paired with grades for outreach and consistency during non-academic periods, and school empowerment team to support with PBIS. Brain Power Wellness and Asphalt Green as outside resources.

Instructional Resources

Providing teachers and staff with professional text- The Leader in Me, Mood Meter, Zone of Regulation guide/curriculum and Affirmations.

Schedule Adjustments

Other Resources Needed

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to i-Ready data from the 2024-2025 school year, students in grades K–5 began the year with only 1% of students meeting grade-level proficiency in mathematics. By the end of the year, this figure increased to 8%, reflecting some growth but also highlighting a gap in foundational math skills.	Students in grades K–5 are demonstrating low math proficiency primarily because they are assessed at the beginning of the school year before receiving formal instruction or a review of foundational skills. Following a two-month summer break, many students exhibit learning loss, especially in core math concepts, which negatively impacts their performance on initial assessments. Additionally, Academic Intervention Services (AIS) groups were not implemented until mid-November, as the school waited for new assessment data. This delay in targeted support prevented early intervention for students who could have been identified using data from the prior year.	Students performing below grade level

According to i-Ready data from the end of the 2023-2024 school year, only 13% of students in grades 2–5 were performing at grade-level proficiency in math. This suggests a potential correlation between utilizing recent end-of-year data to inform early intervention groupings and improving student outcomes. Leveraging this data at the start of the school year, rather than waiting for new assessments, could help prevent early-year performance dips and accelerate student growth.	If students were grouped for AIS at the start of the year, based on end-of-year data from the previous grade and received structured skill review alongside formal instruction, overall proficiency and assessment results would likely improve.	Missed opportunity to use prior-year data for early intervention at the beginning of the year

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	18%	By June 2026, the percentage of students at or above grade-level will improve by a 10% increase, from 18% to 28%, as measured by iReady Math results .
All Students	44%	By June, 2026, the Percentage of students proficient (3/4) in mathematics will Increase by 10% from 44% to 54%, for All Students, as measured by NYS Math Exam results.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement standards based small group instruction across grades K-5 daily within separate math SGI time built into the daily math block for 30 minutes. Utilize IM and iReady support lessons that are targeted and skill based aligned to weekly snap shot data and subskills within standards.

Root Cause Addressed:

-Small group instruction professional learning is needed that is aligned to math high priority standards on state testing
-Need for vertical K-5 pacing and planning team to meet bi-weekly to ensure pacing is adjusted and that all grades are building math concepts in preparation for next grade level
-Inconsistent use of iReady as instructional SGI tool

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
iReady professional learning series on math small group instruction
Professional learning sessions on NYC Solve initiative and NYC Math Shifts
Professional learning for K-5 teachers in Illustrative Math and Math Language Routine Practices
Classroom Intervisitations focused on specific IM components and lesson structures to support teacher pacing and planning for student discourse.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Utilizing the iReady online assessment platform for immediate data collection, iReady diagnostic monitoring, including weekly lessons passed on iReady for reading, instructional walk throughs, ILT data meetings and inter-visitations in math- primarily within the IM instructional block and structured SGI time outside of core instructional time. Weekly vertical team meetings analyzing snapshots administered on a weekly basis.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Family workshops and sessions on NYC Math Shifts and how to support children in math number sense/fluency at home	
09/04/2025	06/26/2026	School wide math celebrations to show case and invite families into math classrooms/lessons (thematic units across school)	

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

After school programs for academic supprort per-session instructed by teachers, IM Math PL for teachers (consultant)

Instructional Resources

Illustrative Math curriculum purchase, Hands on Minds math manipultive kids for every grade, iReady K-5

Schedule Adjustments

K-5 Vertical Math Team after school, 3-5 weekly math team meeting during school hours

Other Resources Needed

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Across grades 3 to 5, students demonstrated consistently low performance in standards focused on identifying main ideas, summarizing, and understanding characters or events. For example, Grade 4 students scored below proficiency on NY-4.R.2 and NY-4.R.3, with fewer than 40% answering related items correctly. Students in grades K-2 demonstrated 20% proficiency in essential reading skills on EOY assessment.	lack of utilizing Acadience data frequently to target essential	Provide teacher PL on utilizing data driven practices in K-2 aligned to Acadience data. Increasing reading comprehension strategies in grade 3-5 tailored to students performance and needs.

	reading skills in grades K-2.	

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	20%	By June 2026, the reading composite score for all students will increase 15%, from 20% to 35%, as measured by Acadience .

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Building strong K-2 literacy practices aligned to essential literacy skills breakdown from Acadience data and implement targeted SGI to strength reading.

Root Cause Addressed:

-Lack of science of reading training and fidelity to research based reading practices
-inconsistent use of data to inform reading instruction
-lack of K-5 vertical alignment between shifts made from K-2 to 3-5 to prepare students for comprehension based proficiency

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Professional Learning for teachers on using Acadience Data to strengthen instructional planning
SOR Professional Learning
Aligning the shift from 2-3rd grade by implementing vertical planning teams

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Utilizing the Acadience online assessment platform for immediate data collection, iReady diagnostic monitoring, including weekly lessons passed on iReady for reading, instructional walk throughs, ILT data meetings and inter-visitations in literacy- primarily within the phonics instructional block. Additionally, to support daily instruction and groupings, PAF program proficiency tests will be utilized to monitor literacy skills and placed on progress monitoring tool.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Literacy workshops and sessions to support families on understanding literacy shifts and literacy data (ex: Acadience)	Phipps
09/04/2025	06/26/2026	Family make and take workshops to provide at home support for their child and ways to support literacy concepts with every day items/experiences at home.	Phipps

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Resources

iready, PAF curriculum for Tier 1 phonics instruction, sound spelling transfer kit for dual language support, lexia for supplemental digital lessons.

Schedule Adjustments

2 periods in the morning are uninterrupted to support with literacy instruction and focused on sequenced phonics instruction

Other Resources Needed

High Impact Tutoring for grades 1-2 through afterschool partnership with Enrich (through EXPAND ED).

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Data reported	Families have expressed needing support with technology access	Increase support for

from January 2025 shows 50% of families linked to a NYCA Account.	Families have also expressed not understanding how to navigate the set up process	technology use and accessibility and hold monthly workshops for NYCSA account set-up and use by the Parent Coordinator
Providing mental health and wellness to students and families	Parent survey stated that 75% of our parents wanted more students and families wellness; and parenting workshops/activities	-insufficient access to mental health resources -limited resources- time to access wellness programs, mental, and social emotional support. -lack of financial resources
Enhance Family Participation in Educational Practices	-time constraints; many parents work long hours or are unable to attend school events because of lack of childcare -Limited familiarity with Curriculum: Parents may lack understanding of educational approaches, making it harder to engage -Perception of limited impact; families may not see how their involvement directly benefits their childs learning	Increase family events in the classrooms and partner with teachers to create learning experiences parents can engage in during their school visits.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	5	By June 2026, the percentage of families with active NYCSA accounts for their child will increase by 20% from 50% to 70% as measured by NYC Schools Account report data.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Increase accessibility for technology and host set up workshops and sessions- schedule and notify families of opportunities for in school visits and support sessions. Increase outreach and leverage school wide activities, assemblies, to promote NYCSA accounts.

Root Cause Addressed:

-Technology accessibility
-Lack of consistency with outreach and reminders to families about importance of accounts

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Include PTA and SLT in communication of NYCSA accounts and supports for opening up account
Include PTA and SLT in communication of school wide events and family invitations
Survey families periodically aside from NYC School Survey

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

- Track improvements in family engagement through participation rates in events, surveys, and feedback forms.
- Use data to refine communication methods and address any remaining gaps or barriers.
- Acknowledge and share milestones with families to reinforce their value to the school community.
-Communicate and share student progress through BOY, MOY, and EOY checkpoints and benchmark testing periods- utilize school created progress reports aside from report cards.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/25/2025	Open House on 9/17/25 - big event SBO opted for in-person family welcome back night- promote and support with the opening of NYCSA accounts	
09/04/2025	06/26/2026	Monthly parent in the classroom events from October to June.	
09/04/2025	06/26/2026	Teachers will facilitate workshops such as homework help, and connecting extra curricular activities and our different cultural celebration to the schools curriculum	

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Parent Coordinator, Classroom teachers- leverage after school events

Instructional Resources

iPads, Desktops, Chromebooks

Schedule Adjustments

Parent teacher nights, open house, school assemblies and classroom visits by families

Other Resources Needed

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to the NYC DOE's School Performance Dashboard and ATS data (2024–2025), the absenteeism rate (YTD) increased from 89% in SY2023–2024 to 90% in SY2024–2025. This equals the citywide average which is also 90%.	Lack of Strong Tiered Interventions: Inconsistent implementation of attendance interventions, such as early outreach and personalized attendance plans.	Implement a Tiered Attendance Support System that includes early warning indicators, attendance teams, and outreach protocols.
Subgroup Disparities: English Language Learners (ELL's), students in temporary housing (STH), and students with disabilities (SWD's) have higher absenteeism rates. For example, 34% of SWD's students were chronically absent in 2024–2025 (ATS, Insight).	Limited Family Engagement: Lack of sustained communication and trust with families, particularly in high-need populations. Language barriers and limited availability for school events contribute.	Build a Culturally Responsive Family Engagement Plan to improve two-way communication, trust, and family-school partnerships—especially with STH, ELL, and SWD families.

Data analysis shows consistent grades and students contribute to our chronic absenteeism rate which is currently 40%.	Insufficient Data Monitoring: Attendance data is not regularly reviewed at the classroom or grade level to trigger early interventions.	Increase Use of Real-Time Attendance Data by staff through regular review protocols and integration into grade team meetings.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	90	By June, 2026, the Percentage of Overall Attendance for All Students will increase by 2%, from 90 to 92, as measured by the Insight and New Visons Absenteeism Reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement a Multi-Tiered Attendance Intervention System (MTAIS)
This strategy introduces a schoolwide, data-driven tiered attendance system that includes early identification, consistent outreach, subgroup-specific supports, and relationship-based family engagement. It integrates real-time data use, community partnerships, and student-centered supports to drive consistent attendance improvements.

Root Cause Addressed:

Lack of Strong Tiered Interventions: Inconsistent implementation of attendance interventions, such as early outreach and personalized attendance plans.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Launch an Attendance Response Team (ART)
Develop Tiered Intervention Protocols
Strengthen Culturally Responsive Family Engagement
Launch a Student Attendance Ambassador Program

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

1. Attendance Response Team (ART) Weekly Meetings

Purpose: Review attendance data, assess implementation of interventions, assign follow-up actions for Tier 2 and Tier 3 students.

Frequency: Weekly

Data Monitored:

ATS Daily/Weekly attendance reports

Chronic absenteeism flag reports (Insight)

Intervention logs (student-level documentation of outreach, family contact, counseling)

Impact Measured:

Reduction in weekly absenteeism for flagged students

% of students progressing from Tier 3 to Tier 2 or Tier 1

2. Monthly Data Cycles with Grade Teams

Purpose: Monitor attendance patterns by grade and subgroup; inform instructional adjustments and supports.

Frequency: Monthly

Data Monitored:

Attendance by grade, subgroup (SWD, ELL, STH)

Correlation between attendance and academic performance (using STARS progress reports)

Impact Measured:

Increase in instructional days accessed

Improvement in coursework completion and on-time assignments among previously chronically absent students

3. Quarterly Family Engagement Tracker

Purpose: Monitor family outreach activities, measure engagement effectiveness, and identify communication gaps.

Frequency: Quarterly

Data Monitored:

Number and type of contacts made to families (calls, texts, home visits, meetings)

Attendance at workshops or events

Family survey responses (school belonging, communication satisfaction)

Impact Measured:

Improved response rate to outreach

Decrease in absenteeism for students whose families are engaged

4. Student Attendance Ambassador Reflections and Surveys

Purpose: Capture student perspective on attendance and sense of belonging.

Frequency: Bi-monthly

Data Monitored:

Peer survey on motivation, school engagement, and attendance barriers

Student ambassador logs of outreach activities

Impact Measured:

Increase in student-reported connection to school

Improved attendance among ambassador-supported peers

5. Mid-Year and End-of-Year Attendance Review with Leadership Team

Purpose: Evaluate progress toward SMART goals and adjust strategic priorities.

Frequency: Mid-year (January 2026) and End-of-Year (June 2026)

Data Monitored:

Chronic absenteeism rate trends (Insight, ATS)

Attendance rate trajectory vs. SMART goal benchmarks

Intervention fidelity and completion rates

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/03/2025	01/30/2026	Bilingual Family Attendance Workshops: Host monthly workshops (in multiple languages) focused on the importance of regular attendance, understanding attendance policies and strategies to overcome attendance barriers (transportation, housing instability, health concerns) to build trust and awareness, particularly among families of ELLs and STH students.	CBO, Community Partners
02/02/2026		Family Attendance Action Plans for (Tier 2 and Tier 3) - Co-develop personalized attendance improvement plans with families of students identified as chronically absent. Activities will include individual meetings with counselors and attendance team, weekly check-ins and progress updates and culturally responsive support tailored to each family's needs to increase family accountability and ownership in improving student attendance	

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

School Attendance Team (consisting of admin, district attendance teacher, school counselor, CBO members, school secretary, parent coordinator and school aides), paras, CBO, teachers and staff.

Instructional Resources

SEL curriculum , success mentors incentives, Insight and New Visions data

Schedule Adjustments

Other Resources Needed

Incentives, team building and acknowledgment materials, per session for teachers/student training, class dojo, 595 social media updates, PBIS software and apparel, office supplies for outreach, materials for family workshops and events

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
2024-2025 IEP Reviews, teacher to teacher review of IEPs, IEP Teacher Reports	Inconsistent quality IEP development and implementation. Teachers need training and support when using SESIS. Inconsistent progress monitoring on IEP	IEP Development and Fidelity of Implementation

	goals. Teachers need support with Specially Designed Instruction and implementing these practices.	
Post-secondary outcomes from the Special Education Services Data System (SESIS) or local IEP reviews. Percentage of students with IEPs that include a compliant transition plan by age 15 (IDEA requirement). Family engagement data from meetings, workshops, or support services.	Lack of coordination between general education, special education, and related service providers. Insufficient training or support for IEP teams on transition planning. Limited student and family engagement in the planning process. Delays in vocational or college readiness supports	Transition Planning and Compliance
Disproportionality data from the DOE (e.g., Black or Hispanic students referred at higher rates for special education). RTI/MTSS implementation records—who is being supported and who is being referred. Demographic breakdown of referred vs. non-referred students. IEP team meeting notes or evaluation timelines from SESIS or ATS (Automate the Schools system). Family and student feedback regarding the referral and evaluation process.	Bias or cultural misunderstanding during the evaluation process. Over-referral of students of color, multilingual learners, or students in temporary housing. Lack of tiered interventions (MTSS/RTI) prior to referral. Inconsistent implementation of pre-referral interventions.	Referral Process and Equity
2024-2025 OORs reports Disaggregated suspension and incident data (by race, IEP status, gender, ELL status). OORS data (Online Occurrence Reporting System). Attendance and chronic absenteeism linked to disciplinary practices. Restorative practice implementation records. Student and staff surveys on school climate and fairness of discipline.	Inconsistent PBIS implementation by all staff. There is a need for school wide PBIS expectations and consequences. Implicit bias and subjectivity in discipline referrals. Inconsistent implementation of positive behavior supports (PBIS or restorative practices). Lack of culturally responsive classroom management.	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	45	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve By June 2026, reduce disproportionate referrals to special education for Black, Latinx, and multilingual students by 20%, as measured by ATS and SESIS data, through consistent implementation of pre-referral interventions (RTI/MTSS) and bias-aware decision-making protocols. by a 10% Increase, from 45 to 30%, as measured by ATS and SESIS referral data, RTI/MTSS documentation logs, and demographic analysis reports..

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

One strategy we will implement in strengthening pre-referral intervention systems (RTI/MTSS). In order to do this, we will implement standardized RTI/MTSS frameworks across all schools, ensuring tiered academic and behavioral supports are in place and consistently used. We will also train general education teachers and support staff on evidence-based interventions and progress monitoring tools. We must establish collaborative problem-solving teams at every school to review student data and monitor the fidelity of interventions prior to referral. Staff that we responsible for this action include teachers, school leaders, RTI/MTSS Coordinators, and Special Education Liaisons.

Root Cause Addressed:

Inconsistent implementation and understanding of RTI/MTSS frameworks across schools, leading to premature or inappropriate referrals to special education. In order to address this, teachers will be trained in RTI/MTSS to ensure understanding. Teachers must implement at least 6 weeks of intervention before referral. Teachers will meet with special education coordinator and special education liaisons to discuss findings and need for referral. This can also be done using child study protocols.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Adopt a clear, district-wide model for academic and behavioral interventions with defined tiers, criteria for student movement, and universal screening practices.
Train general education teachers, interventionists, and support staff on evidence-based instructional strategies, behavior interventions, and how to collect and analyze progress monitoring data.
Form cross-functional problem-solving teams at each school (including teachers, specialists, and administrators) responsible for regularly reviewing student data and adjusting interventions as needed.
Create tools and routines to ensure interventions are delivered as intended, including observation protocols, checklists, and feedback loops.
Use data from student outcomes and staff implementation fidelity to provide ongoing coaching, adjust interventions, and improve RTI/MTSS systems year over year.

Key Strategy 2 (Optional):

Another strategy we will implement is increasing access to inclusive instructional practices. Expand co-teaching and Universal Design for Learning (UDL) practices across classrooms to better meet the needs of diverse learners. We will ensure multilingual learners and students of color receive appropriate academic and language supports before considering special education referrals. We will provide assistive technology and differentiated materials to ensure curriculum access for all students. This action includes teachers, school leaders, Special Education Liaisons and Multilingual Learner Departments.

Root Cause Addressed:

Limited access to inclusive instructional practices, such as co-teaching, UDL, and culturally responsive supports, results in inadequate support for diverse learners in general education settings, contributing to over-referral to special education.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Pair general education and special education teachers to deliver instruction collaboratively, allowing for real-time differentiation and support within inclusive classrooms.
Provide all teachers with training and ongoing coaching on UDL principles to design flexible lessons that meet the varied needs of learners, including students with disabilities, multilingual learners, and students of color.
Strengthen collaboration between general education, ENL (English as a New Language), and special education staff to ensure culturally and linguistically appropriate scaffolds are in place before any referral to special education is considered.
Equip classrooms with accessible learning tools—such as text-to-speech software, graphic organizers, and leveled texts—to remove barriers and support diverse access to grade-level content.
Use observation tools, student outcome data, and staff feedback to assess the effectiveness of inclusive strategies and identify areas for ongoing professional learning and support.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To effectively monitor the implementation of our pre-referral intervention strategy (RTI/MTSS), we will use the following structures and data sources to assess progress, impact on instruction, and student learning outcomes: School-Based RTI/MTSS Teams will use the following structure: Each school will have a dedicated RTI/MTSS team

responsible for reviewing student progress, monitoring intervention fidelity, and supporting staff in implementation. These can be monitored using meeting logs, intervention tracking sheets, and team action plans. Another structure includes fidelity checklists and walkthroughs using the following structure: RTI/MTSS Coordinators and school leaders will use standardized observation tools to assess the consistent delivery of interventions and use of tiered supports. Teachers will collect progress monitoring data by
using academic and behavioral progress monitoring tools (e.g., curriculum-based measurements, attendance, discipline data) to track student growth. Staff Surveys and PD Logs will be utilized and collected to access feedback from teachers and support staff to assess understanding and confidence in using RTI/MTSS frameworks and interventions.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Regular communication using monthly newsletters, translated into home languages and parent friendly language	Teachers, staff, families, Phipps
09/04/2025	06/26/2026	Workshops and Information Sessions hosted by the school (in person or virtually held events) to help better understand and navigate the process and support learning	Teachers, staff, families, Phipps

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs. Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Special Education Coordinator, Special Education Liaisons, SBST, Astor At-Risk Counseling, Horizon Cluster position, Autism Programs Instructional Coach, after school per-session PL for staff

Instructional Resources

Sensory spaces and items inside all classrooms, creating sensory walls and floors, utilizing Horizon funds to support all, compensatory services regarding IEP goals

Schedule Adjustments

Designated SIT time weekly with SIT team and various teachers, professional learning regarding quality IEP writing and effective implementation of IEPS, weekly case management meetings for Horizon students

Other Resources Needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Students scoring below the 40th percentile on the Acadience/iReady universal screener; diagnostic assessment reveals significant gaps in foundational skills; formative assessment data	S.P.I.R.E.	Small Group (3-6 students - 3 to5 times/week)	During School	NO
Tier 3	Students scoring level 2 or below on the ELA state exam and below the 35th percentile in the iReady Diagnostic which show significant gaps in comprehension/ fluency/oral language	S.P.I.R.E.	Small Groups	During School	NO
Tier 3	Students scoring below the 35th percentile in Acadience Screener and iReady Diagnostic which show significant gaps in foundational	PAFF	Small Groups and/or one-to-one	During School	NO

	skills; formative assessment data and/or Level 2 or below the ELA State Exam				
Tier 3	Minimal progress after 6 weeks of Tier 2 intervention based on Acadience progress monitoring measures	Sound Sensible	Small groups and/or one-to-one	Small Groups and/or one-to-one	NO
Tier 3	Students scoring below the 35th percentile in Acadience Screener and iReady Diagnostic which show significant gaps in comprehension/ fluency/oral language and/or Level 2 or below the ELA State Exam	Phonics for Reading	Small groups	During School	NO
Tier 2 - iReady Math and Acadience Math Interventions	Level 2 or below according to diagnostic and observations and/or Math State Exam	Strengthen prerequisite skills/Strengthening social/adaptation skills	Small groups and/or one-to-one	during	NO
Tier 3 English Language Learners Need S.P.I.R.E	Level 2 or below according to Iready Reading Diagnostic and observations and/or ELA State Exam	Strengthen preprequisite skills/Strengtheningsocial/adaptation skills	small groups and/or one-on-one	during	NO

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	- off task behavior - adult seeking behavior - peer attention seeking behavior	Mood meter, check-in/ check-out with trusted adult, peer mediation, increased opportunities for Dojo points and dollars, differentiated instruction, increased positive feedback,proximity, school-wide behavior consequences, peace corner appropriate usage	small groups	During	No
Tier 3	- avoid aversive activities - avoid aversive social activities - elopement	Mood meter, daily check-in & check out, personalized reward system, wrap-around services, counseling, providing choice, proximity, differentiated instruction/materials, increased positive feedback, school-wide consequences	small groups and/or one-to-one	During	No
				During	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

The essential components of MTSS will be shared with families at the beginning of the year during an open house in a meeting with all parents by the principal and assistant principal and will be reinforced when teachers meet the parents in their classrooms. In addition, the essential components of MTSS will be shared in the principal's message during the first Parent Teacher Association meeting as well as during the first School Leadership Meeting to familiarize parents with our plan.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Parents will receive updates on their childs' progress every eight weeks through a progress report from teachers allowing parents to see how their children are doing.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Before Tier 3 interventions services are implemented, the parents are informed of the child's academic challenges. Families are invited to participate in intervention meetings such as IEP and support meetings. This is a collaborative and ongoing process, families are informed of student progress through progress reports and data driven meetings with teachers.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

Number of students: 62

Transportation - Students in temporary housing (STH) will receive bus transportation in order to provide continuity in the students' education. If there is no bus route available, parents will receive metro cards for themselves and their children in order to attend school on a regular basis.

School Choice - should the parents decide to attend a school that is closer, the school will help the family locate a school that is zoned to their current temporary housing residence.

Other - students will be provided uniforms, as well as basic school supplies like bookbags, notebooks, pencils, and folders. In addition, students will be provided with free meals, vision, and dental services.

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Transportation - Students in temporary housing (STH) will receive bus transportation in order to provide continuity in the students' education. If there is no bus route available, parents will receive metro cards for themselves and their children in order to attend school on a regular basis. School Choice - should the parents decide to attend a school that is closer, the school will help the family locate a school that is zoned to their current temporary housing residence.

Other - students will be provided uniforms, as well as basic school supplies like bookbags, notebooks, pencils, and folders. In addition, students will be provided with free meals, vision, and dental services.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Transportation
Students in temporary housing (STH) will receive bus transportation in order to provide continuity in the students' education. If there is no bus route available, parents will receive Metro cards for themselves and their children in order to attend school on a regular basis.

School Choice
Should the parents decide to attend a school that is closer, the school will help the family locate a school that is zoned to their current temporary housing residence.

Other
Students will be provided with uniforms as well as basic school supplies like bookbags, notebooks, pencils, and folders. In addition, students will be provided with free meals and vision and dental services.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

Number of Students: 4

Social-Emotional Support - Students will automatically receive Tier 3 Social Emotional Support. This will include daily check-ins and check-outs. Students will receive wrap-around services that Mood meter, daily check-in & check out, personalized reward system,
wrap-around services, counseling, providing choice, proximity, differentiated instruction/materials, increased positive feedback,
school-wide consequences.

Academic Support - Students will have an individualized plan that identifies the student's specific needs, including academic challenges, emotional support, and behavioral concerns. Students will receive different tier supports based on their needs.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

The school provides students with counseling services, and teacher mentors.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

It is evident that students in lower elementary schools can benefit from Tier 2 and Tier 3 MTSS support, as well as continued social emotional support.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Teachers have been trained in Emotional Responsive practices. Every classroom has daily check-in in the morning and after lunch. Each classroom has calm corners which they can utilize as needed. These practices foster a sense of emotional safety, allowing students to express and regulate emotions in healthy ways. The school also uses Positive Behavior Intervention and Supports which include Class dojo, School-wide reward systems and incentives. These strategies reinforce positive behaviors and help build the students confidence.

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

The ELT will encompass an Academic Recovery program for Tier 2, Tier 3 students, and students with IEPS, in ELA and Math and a language support program for MLLs. In addition, there are enrichment after school programs, dance programs, and science programs. In the spring, the Physical Education teacher will begin a soccer clinic as an attendance incentive for all students. There are also social emotional programs after school, such as Girls Who Code, that students can participate in.

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

Teachers certified in working with Students with Disabilities, Related Service providers and Bilingual teachers, will instruct the academic program of the ELT program.

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

During the ELT, we will use research based reading and math programs that align to the curriculum on the different grades. In addition, Tier 2 intervention will encompass strategies used in the day program from research based intervention curriculum. Teachers working with the ELT program with communicate with classroom teachers on a daily basis, or though viewing the school tracker, to understand student needs with academics and social emotional learning.

Provide a description of the materials purchased to support implementation of ELT.

K-5- sounds sensible, spire, phonics for reading in grades 3-5, and preventing academic failure and aprendo lleyendo in grades 3-5 as tier 2 support. Afterschool programming purchasing Measuring Up and Measuring Up Live computer based programming and iReady workbooks for standard based instruction and sub skill targeted instruction.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that establishes expectations and objectives for a holistic and meaningful parent and family engagement within the school community. P.S. 595, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate in the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

P.S. 595 will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology.
- providing parents/families with the opportunity to visit their child's classroom and introduce "Family Labsite"
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children.
- providing assistance to parents in understanding City, State and Federal standards and assessments.
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand.
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community by being part of the "Family Labsite" series to hone in on child/guardian relationship.
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress. As part of the "Family Labsite," families will develop nourishing conversations with their child by elevating home experiences.

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review

Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P.S. 595, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services to effectively communicate with limited English-speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member during Parent Engagement or a time that works best for them;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities, exposing parents to the Family Lab site;
- . exposing teachers and parents to the Family Labsites as a way to build and establish community and trust among families;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;
- offer flexible parent-teacher conference hours, including morning, afternoon, and evening options

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- host sessions explaining grade-level expectations, curriculum goals, and state/district assessments;
- share take-home strategies and practice activities aligned with classroom instruction;
- offer bilingual materials and videos for families who speak other languages;
- invite parents to see curriculum demonstrations, observe lessons, or engage in hands-on activities;
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- use conferences to collaboratively set short-term learning goals for students;
- provide concrete suggestions and tools to help parents reinforce skills at home;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;

- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- ask for help from school personnel if needed when completing surveys or feedback forms
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- advocate for myself when I need help understanding the classroom material;
- show respect for myself, other people, and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

The area(s) of concentration that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards are:

Student engagement
Priority standard focus
using assessment in instruction

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

In an effort to support the preschool children that are transitioning from early childhood programs to elementary school programs we have began parent workshops that will provide our preschool parents with information about Kindergarten. Professional Learning Sessions will be provided to the staff to ensure that they will be able to support the students that are transitioning to those grades.
We make sure that our 4K teacher plans often throughout the year with our Kindergarten team and our 3K and 4K teachers plan together.
This year our 4k students will be using Heggerty and Fundations to prepare them for Kindergarten.

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated. For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	341,333	X	ELA, Math
Title I, School Improvement 1003(a)	Federal	75,600	X	ELA, Math
Title II, Part A	Federal	0		
Title III, Part A	Federal	12,193	X	ELA, Math
Title III, Immigrant	Federal			
Title IV, Part A	Federal			
Tax Levy (Fair Student Funding)	Local			

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
Phipps Neighborhood	All Students	Every Student, Every day	Decease Chronic Absenteeism by assigning PN Student Advocates caseloads that will require them to make daily calls to families whom child(ren) are absent and connect them with the necessary resources to attend school daily
Phipps Neighborhoods	All Families & Community Members	Family Engagement	Increase family and community engagement in partnership with the Parent Coordinator, PTA, and Astor Services, by hosting monthly family workshops and events
Phipps Neighborhoods	All Students	ELT	Enroll 75 to 85 students in DYCD Afterschool Program and Facilitate SEL Activities during 8th period for the students with most improved attendance
Phipps	All	Collaborative	Phipps Leadership (CSD & Afterschool Program Director) will be

Neighborhoods	Stakeholders	Leadership & Practice	present for all monthly and weekly partnership meetings
Phipps Neighborhoods	All Students	Wellness and Integrated Supports	Astor Services will counsel up to 35 students/ families during the day and ELT to provide mental health services and resources

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

CBO will collaborate with the school by being present for SLT, BRT, Cabinet, Attendance, and PTA Meetings. Community School Director will meet with the principal and all stakeholders, including CBO Leadership team and Program Manager on a quarterly (summer/ fall, mid- winter, and spring) basis to ensure that the CEP goals are aligned and being worked towards. A monthly partnership will take place between the CSD and principal to discuss, revise, and update CEP goals.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

By collaborating with families in SLT, PTA, Monthly workshops, Evening Events and Family Engagement such as Bingo Night, Cooking Workshops, etc. The CBO also welcomes families to take an active role in after school programming and provides quarterly surveys for families to identify needs and interests.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

There is an in- house Family Services provider, Astor. The Mental Health counselor sees children and families during the school day and as needed during the Extended Learning Time. The CBO employs School Advocates to mentor students and support the Social Emotional Learning program during the school day. There is a continuation of the CRE & SEL program that is being used in the school throughout the day. The Mosaic curriculum will be introduced and used and supported though activities facilitated by the CBO during the extended learning time. Phipps Neighborhoods DYCD afterschool program will also provide SEL activities during afterschool hours.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

The CBO is active on the attendance team and in the process of improving school attendance schoolwide. There are 3 representatives (1 full- time and 2 part-time) during the day that communicate with families and support families that have attendance challenges. The Student Advocate works with students during the day as a success mentor, with Tier 2 students who are at risk of becoming Tier 3, Chronic Absentees. The Success Mentor pushes into the classroom during the day to support students during the morning and then during the afternoon Intervention time. The mentor calls home when students do not come to school and support families in collaboration with the CBO, with overcoming challenges preventing them from coming to school. The CBO collaborates with the attendance team in creating incentives for students to come to school. Monthly Attendance assemblies with awards and family engagement to promote attendance. Student advocates will also facilitate SEL activities for students with most improved attendance on a Bi0weeky basis. Punch cards will be used to track and hold students/ families accountable for missed days and lateness's.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for all students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

The day program as well as the ELT provides programs such as Science, arts, music, robotics, and food and nutrition as a means of education towards food justice. Students learn about growing their own healthy food year round and making healthy food choices. In addition, the CBO partners with Westchester Produce to provide food boxes for STH students. Students learn to make food using the produce in the boxes, such smoothies and natural seasoning for food.

The CBO supports the school wide Academic Recovery program and trains Group Leaders in Reading Rescue to support academic intervention in ELT for all students, including ELLs, Students with disabilities and Students in Temporary Housing.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Nash Matute
Assistant Principal (Where Applicable)*	Corrine Garcia-Vega
English as a New Language (ENL) Teacher*	Yalixa Rodriguez
Teacher (if school has a bilingual program must be a bilingual teacher)*	Maria Sosa
Parent/Guardian*	Kim Girard-Vinzant
Teacher	Lorena Sjogren
Parent Coordinator	Leah Chevalier
School Counselor	Diana Perez
Related-Service Provider	Juliette Lefabvre
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

1

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

3

Number of teachers who hold both content area/common branch and ESOL certification:

3

Number of ESOL certified teachers with a bilingual extension:

2

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

2

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

214

Total number and percentage (%) of current ELLs:

Total number and percentage (%) of former ELLs:

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	Dual Language	English & Spanish	2018	2	2	2	1	3	1								11
DLBE	Dual Language 12:1	English & Spanish	2022														0
DLBE																	0
				total: 2	total: 2	total: 2	total: 1	total: 3	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

During Stand-Alone ENL, students are organized into blocks based on grade level, with an additional focus on grouping them by proficiency when possible. These Stand alone minutes are provided by their Bilingual Common Branch teacher in the room.

Groups are formed using data from NYSITELL, Acadience, iReady, NYSESLAT and PAF assessments.

During this time the teacher is focusing on direct, explicit English language instruction.
During small group instruction and our daily AIS period the Bilingual certified teacher meets with the entering and emerging students in her classroom to develop language (making meaning); building language to develop English. During this 40 minute daily period the NYSESLAT data is used and lessons are tie to NYSESLAT. During this time the teacher is supporting the early stages of English language acquisition and require intensive language development support to build foundational skills. Students engage in activities specifically designed to enhance English language skills.
These lessons are tailored to address the four language modalities. Instruction is aligned with the NYS Next Generation Learning Standards and NYS English Language Proficiency Standards.

Integrated ENL:

In the Dual Language Integrated ENL model, the bilingual certified teacher provides the state-mandated Integrated ENL services within the dual language classroom. The bilingual teacher delivers both language and content instruction in alignment with NYS ENL requirements, ensuring that English Language Learners (ELLs) receive targeted language support while accessing grade-level curriculum in both languages of instruction. The teacher differentiates and scaffolds instruction according to each student's English proficiency level, promoting biliteracy and academic growth across all content areas.

Integrated ENL instruction focuses on literacy development—reading, writing, word study, and oral language—embedded within the dual language framework. Entering and Emerging ELLs receive 180 minutes of Integrated ENL instruction per week (for a total of 360 minutes across both program languages). Transitioning ELLs receive 90 minutes of Integrated ENL instruction per week (totaling 180 minutes), while Expanding ELLs receive 180 minutes per week integrated into ELA or other core content areas. Commanding (former ELL) students continue to receive 90 minutes of support weekly through Integrated ENL, small group instruction, or project-based learning, ensuring continued language development and academic success in both languages.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

P.S. 595 follows a Dual Language Program through a 50/50 alternating day model. Therefore, ENL instruction is provided during English instruction and instruction is differentiated based on student proficiency level and time allotments as per CR Part 154. All content and literacy instruction in English is delivered using ENL methodologies and all instruction is differentiated to support the linguistic and literacy diversity in the classrooms. All K-5 students receive literacy instruction and content instruction in the new language and the home language. Classrooms are comprised of heterogeneously mixed ELLs and Non-ELLs as peer language models are essential for the oral language development of al l students. Within our ICT dual language classrooms, instruction occurs in self-contained classrooms provided by one certified and highly qualified bilingual teacher. During ENL instruction, the bilingual teachers provide targeted and differentiated ENL strategies and scaffolds for ELLs to ensure language progression. Teachers plan for content and language objectives (the latter reflecting differentiation based on level of language proficiency and literacy data).

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

We use the guidelines from CR Part 154 and we program class schedules and student schedules accordingly in STARS, ensuring that all mandated minutes are explicitly accounted for and that these are integrated within content area instruction as well as English language skills.
Our schedule clearly delineates the amount of time students spend receiving instruction in each language. Students English language proficiency levels are assessed upon entry throught the NYSITELL and periodically throughout the school year using standardized assessments and teacher observations. Teachers differentiate instruction based on students' English language profiency levels within the dual language framework. Our current curriculum materials and instructional strategies are aligned with state standards, as well as the goals of the dual langauge program.
Teacher receive ongoing professional development focused on effective practices for teaching language learners, bilingual education strategies, and culturally responsive teaching. This professional development supports teachers in meeting the diverse needs of students.
In addition, ENL integrated instruction is included as part of the literacy block and the content area instruction as teachers plan for content and language goals in all content areas. ENL instruction and ELA instruction is provided during the 120 minutes literacy block. The students receive
targeted instructional that builds upon oral language development and English literacy skills through explicit teaching, addressing all four modalities.
All students will have access to supplementary materials and resources such as iReady, IXL, Lexia Core5, vocabulary enrichment, and slides with video/visual aides.
Instructions will be translated to assist in understanding the assignments. Two models of co-teaching will be employed:
Alternative Teaching: In alternative teaching, teachers take responsibility for students that need more intensive or specialized instruction that is different than what the large group receives from the other teacher.
Parallel Teaching: In parallel teaching, teachers teach the same content but differentiate instruction for their respective groups.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

Instructional minutes for ENL, ELA, and HLA are delivered through a structured and coordinated approach that supports bilingualism and biliteracy development.

ENL Instructional Minutes:
-Their mandated minutes are scheduled daily or several times a week, depending on their level.
-We focus on developing English language proficiency across the domains of listening, speaking, reading, and writing. Instructional strategies often include language development activities, vocabulary building, grammar instruction, and comprehension strategies tailored to students' language needs.

ELA Instructional Minutes:
-minutes are delivered in English as part of the overall curriculum. This includes literacy instruction that aligns with state ELA standards
-emphasizes reading comprehension, writing skills, vocabulary development, and grammar. Teachers use a variety of texts and genres to support students' literacy development in English.

HLA/SLA Instructional Minutes:
-instructional minutes are dedicated to HLA
-HLA instruction mirrors ELA instruction but is delivered in Spanish. It focuses on literacy skills, comprehension, writing, and cultural literacy within the context of the students' cultural and linguistic background.
-Teachers provide opportunities for students to engage with literature and texts in their home language, building their proficiency and literacy skills in both languages simultaneously.

Teachers Providing service:
K - Ms. Romero
1 - Ms. Robledo & Ms. Lopez
2 - Ms. Melo
3 - Ms. Rodriguez/Mr. Sanchez
4 - Ms. Abreu/Ms. Nunez/Ms. Mercedes
5 - Mr. Feliciano/Ms. Ferrera

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

P.S. 595 follows a Dual Language Program through a 50/50 alternating day model. Therefore, ENL instruction is provided during English instruction and instruction is differentiated based on student proficiency level and time allotments as per CR Part 154. All content and literacy instruction in English is delivered using ENL methodologies and all instruction is differentiated to support the linguistic and literacy diversity in the classrooms. All K-5 students receive literacy instruction and content instruction in the new language and the home language. Classrooms are comprised of heterogeneously mixed ELLs and Non-ELLs as peer language models are essential for the oral language development of al l students. Within our ICT dual language classrooms, instruction occurs in self-contained classrooms provided by one certified and highly qualified bilingual teacher. During ENL instruction, the bilingual teachers provide targeted and differentiated ENL strategies and scaffolds for ELLs to ensure language progression. Teachers plan for content and language objectives
(the latter reflecting differentiation based on level of language proficiency and literacy data).

b. In which language(s) is each core content area taught?

All subjects are taught in English and Spanish.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

Currently we have 57 ELLs - 25%

Newcomers we have 33 - 43%
Developing we have 19 - 25%
Long-Term we have 5 - 14.25%

Effective instruction for Newcomers ELLs differs from Developing and Long-Term ELLs in a few key ways:

Our primary focus for Newcomer students is to build basic communication skills and establish an understanding of classroom routines. Instruction emphasizes vocabulary development and survival language for everyday needs. To support comprehension, we use visuals, realia, gestures, and pantomime to convey meaning. Instruction incorporates simple sentence structures, frequent repetition, and consistent routines to create predictability. When appropriate, students' first language (L1) is used to support understanding. Informal assessments—such as picture-based tasks or observations of participation—help gauge students' comprehension and communication progress. A strong emphasis is also placed on creating a welcoming, supportive environment with clear expectations and routines, ensuring students feel comfortable and connected to the classroom community.

For Developing and Long-Term English Language Learners (ELLs), our focus shifts toward expanding academic vocabulary and strengthening literacy skills. Instruction introduces more complex sentence structures and grammar concepts. Students engage with increasingly challenging texts and activities, supported by scaffolds such as graphic organizers and sentence frames. There is also a greater emphasis on independent reading and writing to foster autonomy and academic growth.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

8 SIFE Students - 10.3%

Leveraging Both Languages:
- Use the student's native language to explain new concepts in English. This can be done through translation, explanations with visuals, or using cognates (words similar in sound and meaning across languages).
- Teach academic content (science, math) through both languages, allowing SIFE students to build vocabulary and understanding simultaneously.
- Focus on building literacy skills in the student's native language. This strengthens their overall literacy foundation, which transfers to English acquisition.
Building on Prior Knowledge:
- Use informal assessments to identify what the student already knows, regardless of prior formal education. This helps tailor instruction to their current understanding.
- Present information visually, kinesthetically (through movement), and auditorily to cater to different learning styles and bridge potential gaps in formal education.
Scaffolding and Support:
- Use graphic organizers like charts, diagrams, and mind maps to help SIFE students organize information visually.
- Offer differentiated instruction based on the student's specific needs. This might involve providing simpler tasks, scaffolded activities, or peer support.
- Integrate SEL strategies to address potential anxieties or frustrations related to language acquisition and catching up academically.
Collaboration:
- Utilize co-teaching models with an ESL or special education teacher to provide targeted support within the dual language classroom.
- Encourage peer collaboration and "buddies" who can offer support and language practice.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

"At this time, we do not have any Long-Term ELLs (7 plus years of services)

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

8 (3.7%) students are Former ELLs

Co-teaching: A general education teacher and the bilingual certified teacher collaborate to deliver content-area instruction (like
science or social studies) while integrating English language development strategies. This allows for targeted support for FMLs while keeping them engaged in the core curriculum.
Maintain strong Home Language Literacy Programs: Even after exiting ELL status, Former ELLs will benefit from continued development in their native language. This can involve dedicated reading and writing lessons in their home language.
Small Group Instruction: Provide targeted support in small groups based on specific needs. This might involve additional vocabulary practice, grammar instruction, or reading comprehension activities.
Differentiation: Teachers will differentiate instruction within the classroom to meet the individual needs of Former ELLs. This could involve providing graphic organizers, scaffolding activities, or offering tiered assignments with

varying levels of difficulty.
ELLs will receive 90 minutes of integrated instruction according to CR-154.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

Key At-Risk Indicators Noted for ELLs

1. Newcomers:
   -59 out of 78 ELLs (75.6%) fall into this category.
   -This indicates the majority are still developing foundational English skills and adjusting to the NYC school system.

2. SIFE:
   -8 Students (10.3%) are designated SIFE, significantly above the districts average of 2.5%
   -The students are at a higher risk of struggling academically due to limited or inconsistent prior education.

3. ELLs with IEPs:
   -22 students (28.2%) receive special education services, again well above the districts average 20.7%
   -These students face dual challenges with language acquisition and learning disabilites.

4. Low Performance on State Assessments:
   -24 ELLs (30.8%) scored Level 1 or 2 on the NYS ELA Exam.
   -16 ELLs (20.5%) scored Level 1 or 2 in NYS Math Exam.
Indicates struggles with content knowledge in addition to language development.

5. No Long-Term Ells:
   -While currently 0 students are classified as long-term ELLs, 19 (24.45) are developing (4-6 years), putting them at risk of becoming long-term ELLs.

Trends & Observations:

1. Majority Are Newcomers
The largest portion of ELLs are newcomers. This requires robust ENL (English as a New Language) instructional programming and culturally responsive supports to build foundational literacy and support acculturation.

2. Significant Special Populations (SIFE + IEPs)
Over 1 in 3 ELLs are either SIFE or have IEPs. These students are more likely to need targeted small group instruction, trauma-informed care, and cross-disciplinary collaboration (e.g., between ENL and special education staff).

3. Academic Struggles Persist
A notable portion of ELLs are struggling on both NYS ELA and Math assessments, particularly at Levels 1 or 2, indicating below-grade-level performance. This suggests a need for more aligned instruction and integration of language and content.

4. Many Are at Multiple Risk Levels
Of the 78 ELLs, only 8 (10.3%) have zero at-risk indicators, while 24.4% (19 students) have 2 or more indicators, suggesting a need for individualized intervention plans.

5. Former ELLs Also Show Risk
Of 8 former ELLs, 4 students (50%) had at least 1 or 2 at-risk indicators, including low test scores. Continuous monitoring post-exit is necessary to ensure these students do not regress academically.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

Former ELLs – Overview
Total Former ELLs (within last 2 years): 8 students
Percentage of total school population: 3.7%

Half of all former ELLs (4 out of 8) have at least one risk indicator, and a quarter (2 out of 8) have two indicators
.

Specific Risk Indicators Present:
Former ELLs in Temporary Housing: 2 students (25.0%)

Trends and Observations
1. Small Population, but High Risk Concentration
While the number of former ELLs is low, 50% have one or more at-risk indicators, signaling that a significant portion may be struggling post-ELL exit.

2. Temporary Housing Is a Prominent Risk
25% of former ELLs are in temporary housing—this is the only explicitly reported risk factor and often correlates with instability, absenteeism, and academic decline.

3. Academic Progress Appears Stable for Now
There are no former ELLs flagged for:

Not being promoted in recent years

Scoring Level 1 or 2 on state assessments

Lacking services in STARS (ENL programming)

This is encouraging but should not negate the need for continued monitoring.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

Home Language Data:
75 Students - Spanish Home Language
2 Students - Arabic Home Language
1 Student - Fulani Home Language

Staff:
- Bilingual Teachers: We currently have a spanish bilingual certified teacher on every grade. Majority of the the other teachers are bilingual Spanish teachers who are fluent and proficient in both Spanish and English. These teachers can co-teach delivering content in both languages.
- Currently have a Spanish-speaking counselor, social worker, school psychologist and teachers who support students' social-emotional well-being and academic development in their native language.

Structures:

- We currently have a clear plan for balanced language use, ensuring instruction occurs in both Spanish and English in grades K-5 alternating languages.
- We currently have a strong program for developing literacy skills in Spanish. This ensures students maintain their native language skills while acquiring English.
- We currently actively engage families whose home language is Spanish and Arabic. This can involve providing translated materials, conducting meetings in both languages.

Processes:
- All school communications (announcements, newsletters, etc.) are available in both Spanish and English (and potentially Arabic).
- The school curriculum promotes biliteracy development, valuing and integrating both Spanish and English literacy skills.
- Teachers incorporate elements of Spanish and Arabic cultures into the curriculum to celebrate diversity and create a welcoming environment for all students
- We provide ongoing professional development for staff on effective strategies for supporting ELLs.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

Race (ELLs)
Black: 27 students (34.6%)
Hispanic (any race): 75 students (96.2%)
Asian: 10 students (12.8%)
White: 6 students (7.7%)
Multiracial: 2 students (2.6%)
American Indian or Alaskan Native: 2 students (2.6%)
Native Hawaiian or Other Pacific Islander: 1 student (1.3%)

*Leveraging Student Backgrounds:
- Student Surveys: Conducting surveys (translated into Spanish and Arabic if needed) to gather information about students' cultural backgrounds, interests, and experiences. This helps tailor CR-SE to student identities.
- Family/Community Input: Hold meetings and discussions with families and community members to understand their cultural values and expectations for their children's education.
*Culturally Responsive Instruction:
- Integrate Cultures: Incorporate elements of Hispanic and Arabic cultures (literature, music, art, history) into the curriculum alongside Spanish language instruction. This creates a more inclusive learning environment and allows students to see themselves reflected in the curriculum.
- Biliterate Texts: Use culturally relevant books and resources available in both Spanish and English to promote biliteracy and celebrate diverse perspectives.
- Background Knowledge Building: Before introducing new concepts, activate students' prior knowledge by connecting them to their cultural backgrounds. This helps for deeper understanding.

*Representation Matters:
- Staff Diversity: Recruit and retain a diverse staff that reflects the student population. This allows students to see themselves represented in positions of authority and fosters trust.
- Multilingual Classroom Materials: Display posters, labels, and other classroom materials in both Spanish and English (and potentially Arabic).
*Building on Strengths:
- Family Language Nights: Organize events where families can share their languages and cultures with the school community. This celebrates the unique strengths of ELL families and promotes cultural exchange.

- Peer Support Programs: Create peer support programs where Spanish-speaking students can help newcomers adjust to the school environment and language.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

78 current ELLs

Out of the 52 students with sufficient data:
-6 students (11.5%) exited ELL status.
-27 students (51.9%) met their annual growth target.
-3 students (5.8%) met the safe harbor criteria.

36 students met ELP sufficient progress.

16 students (30.8%) did not meet sufficient progress.

Over two-thirds (69.2%) of evaluated students at P.S. 595 demonstrated sufficient progress in English Language Proficiency. However, nearly one-third (30.8%) did not, indicating a need to review instructional supports and potential intervention for these students.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

The majority of ELLs are at the Expanding (43.1%) or Transitioning (27.7%) proficiency levels.

Few students are at the Emerging (15.4%) or Entering (4.6%) levels, indicating that most students are making upward progress in their English proficiency.

Only 9.2% of students reached the Commanding level, the threshold for exiting ELL status.

Speaking
Strength: Speaking consistently appears as a modality of strength across multiple grades.

For example, in grades 2–5, students had higher rates of scoring 90%+ in speaking.

This indicates strong oral language development, likely due to classroom opportunities for verbal expression and structured discussion.

Listening
Also appears as a relative strength, especially in grades 2 and 3.

Students scored well on listening tasks, suggesting they are effectively processing and understanding spoken English.

Reading
Mixed results: Some students performed well, especially in grade 2, but fewer students scored high in this modality compared to speaking or listening.

Reading may be a developing area where comprehension or vocabulary is still catching up with oral language proficiency.

Writing
Consistently the weakest modality.

Many students across multiple grades scored below 15% in writing.

Grade 3: 6 students scored low.

Grade 4: 4 students scored low.

Grade 5: 4 students scored low.

Writing was also the most common area of need in the modality analysis, indicating a clear trend requiring targeted instructional intervention.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

1. NYSESLAT vs. ELA State Assessment (Grades 3–8)
Few students who were Emerging or Entering on the NYSESLAT scored a Level 3 or 4 on the ELA assessment.

Most ELLs who scored Expanding or Commanding on the NYSESLAT were more likely to score Level 3 or 4 on the ELA assessment.

Students with low English proficiency (Entering/Emerging) were mostly aligned with Level 1 or 2 on ELA.

2. NYSESLAT vs. Math State Assessment (Grades 3–8)
There is less alignment between NYSESLAT proficiency and Math performance.

Some students with lower NYSESLAT proficiency (e.g., Emerging) still performed relatively well in Math, scoring Level 3 or even 4.

However, the majority of ELLs scored at Level 1 or 2 in Math, especially those at lower NYSESLAT levels.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

ELLs with IEPs
-22 ELLs at P.S. 595 have IEPs (28.2% of total ELLs).

Among ELLs with IEPs:
-Most are at the Entering, Emerging, or Transitioning levels.
-Fewer students with IEPs reached the Expanding or Commanding levels, compared to ELLs without IEPs.

Likely Impacting Factors:
Dual language demands (academic and linguistic) paired with disabilities may limit language development progress.

Possible inadequate differentiation or support in ENL services aligned to IEP goals.

Gaps in access to rigorous grade-level instruction or reduced opportunities for language-rich interaction.

SIFE:
8 students identified as SIFE (10.3% of ELLs).
All SIFE students are performing at the Entering, Emerging, or Transitioning levels on the NYSESLAT.
No SIFE students scored at the Expanding or Commanding levels.
Likely Impacting Factors:
Gaps in prior education (literacy and academic content) hinder language acquisition.

Lack of strong native language literacy may delay English development.

Limited exposure to structured schooling routines, academic vocabulary, and consistent instruction.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Our school provides ELLs with a high-quality academic experience that leads to deeper learning by:

Instructional Strategies:
- Implement SIOP strategies throughout the curriculum to make academic content comprehensible for ELLs. This includes using visuals, graphic organizers, and scaffolding techniques.
- Dedicate time to explicitly teaching new vocabulary words in both English and Spanish. This can involve using games, flashcards, and real-life examples to solidify understanding.
- Incorporate activities that encourage critical thinking, analysis, and synthesis of information. This can involve discussions, debates, and problem-solving tasks where students use language to build deeper understanding.
- Differentiate instruction to meet the diverse needs of ELLs. This can involve providing tiered assignments, scaffolding support for struggling students, and offering enrichment opportunities for advanced learners.
- Integrate elements of students' cultures (Spanish and potentially others) into the curriculum. This creates a more engaging learning environment and allows ELLs to connect with the content on a deeper level.

Language Development:
- Balanced Language Use: Maintain a balanced language use model throughout the day, ensuring instruction occurs in both Spanish and English according to our program design
- Prioritize developing strong literacy skills in Spanish for all students. This can involve using high-quality Spanish literature, writing workshops, and explicit instruction on reading comprehension strategies.
- Foster biliteracy development by connecting reading and writing skills in both Spanish and English. Encourage students to compare and contrast texts across languages.

Building Background Knowledge:
- Before introducing new concepts, activate students' prior knowledge through brainstorming, discussions, and KWL charts (What I Know, What I Want to Learn, What I Learned).
- Use visuals, videos, and manipulatives to build background knowledge on new topics before diving into complex texts or tasks.

Assessment and Feedback:

- Use frequent formative assessments to monitor student progress and identify areas where they might need additional support.
- Provide clear and descriptive feedback that helps ELLs understand their strengths and weaknesses. This feedback can be in both Spanish and English as needed.
- Ensure assessments and feedback focus on promoting learning rather than just measuring achievement.

Technology Integration:
- Integrate technology tools like translation dictionaries, language learning apps, and online games to support vocabulary development and grammar practice.
- Use interactive whiteboards to display visuals, graphic organizers, and other instructional materials that can enhance comprehension for ELLs.

Collaboration:
- Promote strong collaboration between ESL/bilingual teachers and content teachers to ensure effective co-planning and delivery of instruction that is accessible and engaging for ELLs.
- Engage families by providing translated materials, conducting meetings in both Spanish and English, and encouraging their participation in their child's education.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

Our ILT meets weekly to address pertinent matters regarding instruction and to analyze student data for the general student population and various subgroups. The ILT ensures that the school is using the strategies and tools given to continuously improve instruction for out MLs/ELLs. Our ENL teacher and dual language teachers make sure that during ILT MLs/ELLs are discussed and are being provided with the rigorous experience every students deserves. ILT analyzes subgroups, such as ELLs to identify to those students who would benefit from AIS. ILT will use data analysis to guide teacher teams and provide effective professional development.
The school has adopted instructional curriculum - HMH Into Reading/Arriba la Lectura, Preventing Academic Failure (PAF)/Aprendo Leyendo, Illustrative Math, Amplify Science, and Passport to Social Studies - that have ENL scaffolds embedded in everyday lessons. Furthermore, our ENL teacher and bilingual teachers co plan to modify and or add scaffolds per individual students' needs.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Our teachers have been actively participating in professional development workshops led by the District Office staff and the NYS/NYC RBE-RN specialists. Through these sessions, they are learning effective strategies to scaffold their units of study to meet the diverse needs of English Language Learners (ELLs). All instructional units are aligned with the Next Generation Learning Standards.

Our classrooms implement a balanced literacy approach using the HMH Into Reading and ¡Arriba la Lectura! curricula for English Language Arts instruction, and the Illustrative Math curriculum for mathematics. Teachers also collaborate closely with content-area educators to integrate ENL strategies into science and social studies lessons, ensuring language support is embedded across subjects.

Contextual support for ELLs is provided through peer interaction, visual aids, sentence starters, thinking maps, charts, graphic organizers, and manipulatives. Academic language development is intentionally planned within each lesson to

ensure students are consistently exposed to and practice using academic vocabulary. ENL methodologies such as repetition, translation, use of visuals, and building background knowledge are applied to support comprehension and language acquisition.

Our Dual Language program provides instruction in both English and Spanish, promoting biliteracy, bilingualism, and biculturalism. The program follows an alternate-day model, where students receive instruction in English one day and in Spanish the next. Over the course of the week, students receive an equitable distribution of instructional time in both languages.

The DL program utilizes HMH Into Reading for English literacy and ¡Arriba la Lectura! for Spanish literacy. The Illustrative Math curriculum is delivered in both languages, ensuring students develop mathematical reasoning in English and Spanish. Instructional approaches include language bridging, partner talk, visual scaffolds, and explicit vocabulary instruction in both languages. Teachers prioritize maintaining consistent academic rigor across languages while nurturing cultural pride and linguistic confidence among students.

Our DL program ensures that every multilingual learner receives equitable, high-quality instruction that supports their academic growth and language development.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Teachers develop both content and language objectives for every lesson to ensure that English Language Learners (ELLs) are supported academically and linguistically. In planning instruction, teachers also consider and implement any recommendations from students' Individualized Education Programs (IEPs) to provide specially designed instruction that meets individual learning needs.

To enhance comprehension, teachers read texts aloud or play audio versions of readings, and they front-load key vocabulary and concepts before introducing new material. When appropriate, students are also provided with parallel texts in their first language (L1) to strengthen understanding and make connections between languages.

Instruction is grounded in the HMH Into Reading/¡Arriba la Lectura! curriculum, which includes the use of Read and Response Journals, English Language Development lessons, and ELL Tabletop Mini Lessons. These resources support targeted language instruction and reinforce comprehension and writing skills.

Through these practices, teachers ensure that lessons are differentiated, accessible, and aligned with students' linguistic and academic goals, promoting meaningful engagement and progress for all learners.

b. SIFE

We currently have a small group of Students with Interrupted Formal Education (SIFE) in our school. These students receive Academic Intervention Services (AIS) from our ENL teacher to support both their English language development and their academic progress. Because SIFE students must simultaneously build English proficiency and grade-level content knowledge, instruction is intentionally designed to address both areas in tandem.

To better understand students' academic backgrounds and strengths, home language assessments are administered when available. These include literacy and math diagnostics in Spanish (or the student's native language, when applicable), as well as informal interviews to gauge prior schooling experiences. The results help teachers identify learning gaps and design targeted interventions.

SIFE students also participate in an after school program, receiving 30 minutes of daily instruction focused on foundational literacy and numeracy skills. Instruction emphasizes phonics, vocabulary, and comprehension through scaffolded lessons and visual supports.

In addition, supplemental resources such as HMH English Language Development lessons, ELL Tabletop Mini Lessons, and leveled readers are used to build foundational literacy skills. Teachers incorporate small-group instruction, realia, graphic organizers, and multimodal materials to promote engagement and comprehension. These interventions, paired with ongoing progress monitoring, help close learning gaps and accelerate both language acquisition and academic growth for our SIFE students.

c. Newcomers

Newcomer English Language Learners (ELLs) are serviced in accordance with CR Part 154 regulations and the required mandated instructional minutes. Currently, Newcomers receive 360 minutes of ENL instruction per week. In addition, students in grades K–5 participate in an extra 30 minutes of daily instruction using the Preventing Academic Failure (PAF) program. This supplemental instruction focuses on foundational literacy skills, including phonemic awareness, decoding, and vocabulary development.

Newcomers receive support through both stand-alone and integrated ENL instruction:

Stand-alone ENL classes focus on developing English language proficiency through explicit instruction in listening, speaking, reading, and writing. Lessons emphasize survival English, everyday communication, and foundational literacy skills aligned with students' English proficiency levels.
Integrated ENL instruction occurs within the general education classroom, where our bilingually certified teacher on the grade embeds language supports into core content areas such as English Language Arts, mathematics, science, and social studies.

d. Long Term ELLs

We currently do not service Long-term ELLs

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

The school utilizes curriculum, instructional, and scheduling flexibility to meet the diverse needs of our English Language Learners with Disabilities (ELL-SWDs) within the least restrictive environment (LRE). ELL-SWD students are grouped strategically with peers of the same grade and similar proficiency levels for ENL instruction. They receive services in push-in models provided by bilingually certified teacher. Students in self-contained classrooms receive their mandated ENL minutes through a combination of in-class language support and targeted small-group instruction by their bilingually certified teacher.

Students in Integrated Co-Teaching (ICT) receiving instruction in English every other day and Spanish on alternating days to ensure balanced bilingual development. Teachers collaborate to align language and content goals, ensuring that instruction supports both linguistic and academic growth.

Instruction for ELL-SWDs integrates recommendations from each student's Individualized Education Program (IEP). Our bilingually certified Special Education Teachers on each grade plan and implement specially designed instruction (SDI) that aligns with students' goals and accommodations. They adapt materials, scaffold instruction, and use differentiated strategies to promote access and engagement.

Teachers also leverage students' home languages as a powerful instructional tool. The home language is used to clarify key concepts, build background knowledge, and strengthen connections between English and Spanish literacy skills. Instructional supports include visual aids, sentence frames, bilingual glossaries, and graphic organizers to foster comprehension and communication.

Through this our ELL-SWD students receive equitable access to the curriculum and the supports needed to make steady progress toward their IEP and language development goals.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Home language will be assessed via Acadience in Spanish.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Planning and Collaboration Time:
- Schedule dedicated planning time for co-teachers in K-2 by grade to plan lessons and in grades 3-5 by content, develop assessments, and discuss student progress.
- arrange for co-teachers to have common planning time with all teachers on the grade.
- Establish Professional Learning Communities (PLCs) focused on supporting ELL students. These PLCs can involve co-teachers, grade-level teams, or the entire school faculty, depending on the structure that works best for your school.

Communication and Shared Resources:

- Develop shared planning documents that outline learning objectives, instructional strategies, differentiation plans, and assessment methods for co-taught lessons.
- Establish clear communication protocols for co-teachers to share information about student progress, upcoming assessments, and any concerns they might have. This could involve regular meetings, email exchanges, or using a shared online platform.
- Create a shared digital or physical folder where co-teachers can store lesson plans, instructional materials, and other resources that they can access and adapt for their co-taught classes.

Roles and Responsibilities:
- Clearly define the roles and responsibilities of each co-teacher within the classroom.
- Encourage co-teachers to participate in professional development opportunities together focused on effective co-teaching strategies and best practices for supporting ELLs.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

At P.S. 595, our annual professional learning (PL) plan is intentionally designed to support the academic achievement and social-emotional development of our Multilingual Learners/English Language Learners (MLs/ELLs). This plan ensures that all staff members – including administrators, teachers, and non-pedagogical staff – engage in targeted learning opportunities that build capacity to meet the diverse needs of our MLs/ELLs.

All teachers, including general education and content-area educators, participate in workshops that model strategies for integrating language development into content instruction.
Professional learning cycles emphasize effective co-teaching models (e.g., parallel, station, and team teaching), especially in classrooms with ENL and special education services.

Teachers engage in structured co-planning time, supported by the instructional coach and ENL coordinator, to design lessons that reflect both content and language objectives.
All staff, including non-pedagogical personnel (e.g., secretaries, school aides, and safety agents), participate in PL sessions focused on building relationships with MLs/ELLs and their families, recognizing cultural identity, and supporting SEL through a multilingual lens.

Topics include restorative practices, trauma-informed care, and language-access equity for family communication.

School leaders engage in ongoing leadership sessions to monitor the effectiveness of ML/ELL instruction through instructional walkthroughs, data analysis (e.g., NYSESLAT, i-Ready, and ELP metrics), and coaching conversations aligned to the Language Allocation Policy (LAP) and CEP goals.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Our Professional Development (PD) plan is strategically designed to ensure that all certified faculty members meet the Continuing Teacher and Leader Education (CTLE) requirements related to English Language Learners (ELLs), as mandated by Commissioner's Regulation Part 154. The plan provides targeted, high-quality, ELL-specific professional learning opportunities embedded throughout the school year to strengthen teacher capacity in language development and culturally responsive practices.

ELL-Focused Professional Learning Communities (PLCs)

Our PD offerings include a series of ELL-specific PLCs designed to enhance instructional effectiveness and promote equitable outcomes for multilingual learners. Topics include:

Second Language Acquisition & Linguistic Scaffolds
Integrated ENL and Content Instruction
Co-Teaching Models for ICT/ENL Classrooms
Academic Language Development Across Disciplines
Supporting SIFE, Newcomers, and Long-Term ELLs
Culturally Responsive and Sustaining Education (CR-SE) Practices
Collaborative and Ongoing Learning Opportunities

In addition to school-based PD, our ENL liaison regularly attends District Professional Learning (PL) sessions that are CTLE-approved, ensuring alignment with current best practices and compliance standards. The liaison also participates in RBERN (Regional Bilingual Education Resource Network) professional learning offerings, which focus on advancing instructional strategies for ELLs, supporting bilingual education, and strengthening collaboration between ENL and content-area teachers.

Through this comprehensive approach, our PD plan ensures that educators are continually developing their skills to provide high-quality, linguistically responsive instruction that meets the diverse needs of our ELL population.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Acadience will be used to screen all K-2 students in ELA and Math.
iReady will be used to screen all 3-5 students in ELA and Math.

The teachers meet weekly to analyze data from different reports and to ensue that all ELLs information is current and updated in ATS and STARS.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Our schools provides AIS in ELA and Math. For Reading our teachers are trained in S.P.I.R.E, PHONICS for Reading and Sound Sensible. in the BOY all students are tested using the PHONICS for Reading inventory and then placed in appropriate groups. Tier I intervention is monitored by classroom teachers. Teachers provide them with small group support and various materials such as iReady, ixl, and Read Works. Tier II ELA intervention is provided by Ms, Sjogren, Ms. Rodriguez, Ms. Sosa and all 3-5 teachers. AIS students are pulled out in small groups for 20 to 30 minutes a day to work on their fluency decoding and coding and comprehension skills. Teachers will incorporate technology during lessons to allow for better differentiated assignments response to intervention is offered to students by utilizing the the out of classroom teachers using the common core curriculum.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Here's how our school can leverage data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS), referencing the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs:

Data Sources:
- We will utilize NYSESLAT scores to identify students' English language proficiency levels and measure their progress over time. This data helps determine which tier of the MTSS framework a student might benefit from most.
- Analyze state assessment data to identify areas where ELL students might be struggling academically, even if they show high NYSESLAT scores. This can indicate a need for targeted support in specific content areas despite overall language proficiency.
- Classroom teachers will document observations of students' participation, communication skills, and progress in acquiring academic content. This qualitative data provides valuable insights into individual student needs.
- Conduct surveys or hold meetings with families to gather information about students' learning styles, prior

educational experiences, and any challenges they might be facing at home. This helps us develop a more holistic understanding of each student.

Data Analysis and Progress Monitoring:
- Establish data teams composed of general education teachers, ESL/bilingual teachers, special education teachers, and school administrators. These teams will meet regularly to analyze student data from various sources and identify students who might need additional support.
- Regularly monitor student progress within each MTSS tier. This involves analyzing data from classroom observations, and other assessments to determine if interventions are effective and if students need to move up or down tiers based on their progress.
- Disaggregate data by student subgroups (grade level, primary language, NYSESLAT proficiency level, IEP status, etc.) to identify areas where specific groups of ELL students might need additional support.

Using Data to Inform Instruction:
- Data will be used to inform and differentiate Tier 1 core instruction to meet the diverse needs of all ELL students. This could involve providing additional scaffolding, visuals, and language support for struggling students, while offering enrichment activities for advanced learners.
- For students who are not making adequate progress in Tier 1 instruction, data will be used to design targeted interventions within Tier 2. This could involve small group instruction focused on specific reading skills, vocabulary development, or content-area support.
- Data will be used to identify students who require intensive interventions within Tier 3, such as specialized instruction from a reading specialist or speech-language pathologist.

Additional Considerations:
- Provide ongoing professional development opportunities for teachers on using data to differentiate instruction, progress monitoring, and implementing effective MTSS practices for ELL students.
- Communicate data and student progress with families in a clear and understandable way. This could involve using reports translated into families' native languages or holding conferences where data is explained visually.
- Utilize data management software to organize and analyze student data efficiently. Consider using online tools and resources that can support ELL students' language development and academic achievement.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

To assess our English language learners early literacy skills in kindergarten through fifth grade we use Fontis and Pennell running records, as well as a pre-and post writing assessment for all grades. Fourth grade amplify science assessments and NYSITELL & NYSESLAT to determine students English language proficiency levels. The NYSITELL Ross scores provide teachers with a basic understanding of our new English language learners reading writing and speaking, and listening skills which inform their instructional planning.

Throughout the academic year, teachers assess students reading levels using the Fontis and Pennell program. We administer a running record four times in a school year to measure students early literacy skills. In grades 3 to 5 we also administer the ELL periodic assessment. These assessment tools test a variety of skills, such as the Cody and comprehension as well as sight word recognition, spelling, sounds simple relationship, Reading with fluency and writing ability.

We use this data to analyze weaknesses in the skill area tested and define our learning target and short term goals.

Every spring our ELL's take the NYSESLAT, which measure their progress in learning English as an additional language.
In dual language classrooms:
* PAF/Aprendo Leyondo
*iReady (administered three times a year)
* Into Reading/Arriba la Lectura!
*Teacher created assessments

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

Formal Assessments:
- Conduct home language assessments at the beginning of the school year to identify students' primary languages and their level of proficiency. This helps determine the most appropriate language for formative and summative assessments throughout the year.
- Standardized Tests in Home Languages

Informal Assessments:
- Train teachers to conduct informal observations of students' learning and participation in their home language. This could involve observing them during small group activities, discussions, or presentations where they use their home language.
- Encourage students to develop home language portfolios where they collect samples of their work in various subjects, written in their native language. These portfolios can showcase their understanding of academic concepts and their overall language development.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

We use NYC Performance Math Tasks in the beginning of the year for math assessment data. In addition, the enVision curriculum provides benchmark and unit
assessments. We also us the Next Generation (NGLS) & Common Core (CCLS) Progress Monitoring System to track student improvement and identify areas of need.
For literacy, we use The Fountas & Pinnell Benchmark Assessment Systems for assessments in both English and Spanish baselines and progress monitoring
throughout the year. Pre- and post-on-demand writing assessments are administered for each of the 5 writing units of the year. The
Wonders/Maravillas curriculum is used to track progress and identify areas of need through their benchmark and unit assessments in literacy.
In RL, assessments will be modified and converted to be on
line friendly by using platforms l ike PearDeck a nd Google Forms.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the

assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

All students who qualify to take the NYSESLAT (New York State English as a Second Language Achievement Test) will be assessed in accordance with state guidelines.

Testing Assignments:

Kindergarten: Ms. Romero
1st Grade: Ms. Robledo
2nd Grade: Ms. Melo
3rd Grade: Ms. Y. Rodriguez
4th Grade: Ms. Abreu & Ms. Mercedes
5th Grade: Mrs. Sjogren

Scoring Team:
Scoring will take place after school. The following teachers will participate in the scoring process:

C. Vega
Y. Rodriguez
L. Nunez
D. Benitez
N. Colon

All teachers involved in the administration and scoring of the NYSESLAT receive annual training provided by the district to ensure accuracy, consistency, and adherence to state testing protocols. During the testing window, students continue to receive their mandated minutes of ENL service as required under Commissioner's Regulation Part 154, ensuring uninterrupted language instruction and support.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

We ensure that our Testing Coordinator, who also serves as our ENL Coordinator, participates in all Individualized Education Program (IEP) meetings to verify that English Language Learners (ELLs) receive the appropriate testing accommodations and supports. All accommodations are determined and implemented in alignment with New York State Education Department (NYSED) guidance.

This collaboration ensures that each student's language proficiency level and individual learning needs are carefully considered, and that testing environments, materials, and procedures reflect both state-mandated policies and individualized supports outlined in the IEP. Through this process, we maintain compliance while promoting equitable access to assessments and academic success for all students.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Ensuring Meaningful Family Engagement for ELLs through Required Meetings (CR Part 154)

Our school is committed to providing a comprehensive plan to ensure families of ELL students are informed and involved in their child's education, as outlined by CR Part 154 and the NYC DOE Policy and Reference Guide for MLs/ELLs. Here's how we achieve this for the required meetings, specifically the ELL Program Orientation:

Pre-Meeting Information and Translation/Interpretation Support:
- Develop a comprehensive pre-meeting packet in English and the most common languages represented by our ELL population. This packet will include:
  * Information on the meeting's purpose and agenda.
  * Explanation of the three ML/ELL program models (Dual Language, Transitional Bilingual Education, and English as a New Language).
  * Overview of program goals and requirements for each model, regardless of the school's current offerings.
  * High-quality information on the Next Generation Learning Standards, assessments used for ELLs, and school expectations for their success.
- Offer families the option to request interpretation services for the meeting in their preferred language. This can be done through a sign-up form included in the pre-meeting packet.
- Ensure access to qualified interpreters who are familiar with educational terminology and can accurately translate information during the meeting.

Meeting Schedule and Accessibility:
- Offer the ELL Program Orientation at various times throughout the day and evening to accommodate working parents' schedules.
- Provide childcare services during the meeting, if possible, to eliminate a potential barrier to attendance.
- Consider offering a virtual option for the meeting to allow families with transportation challenges or limited time to participate remotely.

All the agendas for orientations are kept in a binder

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Our school recognizes the importance of ongoing communication with families of English Language Learners (ELLs) and is committed to ensuring that families are well-informed and actively engaged in their child's educational journey. To support this, we conduct Annual Individual Meetings—separate from program orientations and parent-teacher conferences—to discuss each student's language program goals, progress, and needs.

Scheduling and Communication
Meetings are scheduled throughout the year at flexible times (day and evening) to accommodate working families.
Appointment reminders are sent via phone, email, and online portal, translated into each family's preferred language.
Families receive a pre-meeting information packet in both English and their home language, which includes:
The meeting agenda.
An explanation of NYSESLAT scores and their significance.
Samples of student data and reports to be reviewed.
An option to request interpretation services.
Meeting Structure and Content
Meetings are conducted in a welcoming, collaborative environment, encouraging families to ask questions and share insights about their child's learning.
Teachers and ENL staff share data on student progress using visuals, charts, and clear explanations tailored to the family's language proficiency level.
Discussions include the student's current proficiency level, NYSESLAT results, and goals for continued language development and academic growth.
Educators highlight specific language needs within content areas (e.g., academic vocabulary in math or reading comprehension in ELA).
Families are invited to share information about their child's learning style, strengths, and needs, and to discuss strategies for supporting language development at home.
Evidence and Documentation

The school maintains detailed evidence of all Annual Individual Meetings. Documentation includes:

Signed attendance sheets or digital meeting confirmations.
Meeting agendas and notes outlining key discussion points and follow-up actions.
Copies of translated communication materials sent to families.
Records in the student's ENL folder and/or digital tracking system confirming that the meeting was conducted and documented.

This process ensures that all communication with families is transparent, compliant with program requirements, and supports meaningful family engagement in the student's language learning and academic success.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Here's how our school goes beyond mandated meetings to ensure effective communication with families of ELL students in their preferred languages, allowing them to receive information and initiate communication effectively:

Proactive Communication Strategies:
-Multiple Language Resources:
*Translate the school website and key online resources (handbooks, menus, calendars) into the most common languages spoken by our
ELL population. Utilize translation tools and consider offering core content in these languages.
*Translate important documents like newsletters, permission slips, progress reports, and emergency notifications into the same
languages. Offer printed copies and make them downloadable from the translated website section.
*Develop a system for families to choose their preferred language for automated phone calls, text messages, and email blasts.

Facilitating Two-Way Communication:
* Establish a dedicated language hotline with qualified interpreters available to address family concerns and answer questions in their
native language.
*Identify staff members who are bilingual or multilingual and can serve as points of contact for families who prefer to communicate in
their native language. These liaisons can help with interpreting documents, translating messages, and facilitating communication
with teachers or administrators.
*Create designated email addresses for key school personnel (principal, teachers, counselors) with
translation capabilities. This allows families to directly communicate their concerns or questions in their preferred language.

Encouraging Family Input and Participation:

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Our school goes beyond mandated meetings and orientations to empower families of Multilingual Learners (MLs) and English Language Learners (ELLs) through engaging activities and a comprehensive needs assessment process that informs parent engagement initiatives.

Building Empowering Activities

Family Leadership Development

We organize workshops in collaboration with community organizations that equip parents with leadership skills. Offered in multiple languages, these workshops cover topics such as effective communication strategies, advocacy skills, and navigating the school system.
Mentorship programs connect experienced ML/ELL families with newcomers, fostering a sense of community, shared experience, and peer-to-peer support.

Culturally Inclusive Events

Family Literacy Nights: These events are hosted in multiple languages and include interactive activities that promote literacy development in both English and students' native languages. Events may incorporate storytelling traditions, games, and cultural practices from families' communities, making literacy learning engaging and culturally relevant.
Determining Family Needs

To ensure that our activities meet the actual needs and interests of ML/ELL families, we conduct regular needs assessments:

Surveys and Questionnaires: Families are asked to share their interests, preferred topics, and available times for participation. Surveys are available in multiple languages to ensure accessibility.
Focus Groups and Informal Interviews: School staff gather qualitative feedback from families about the types of workshops, events, and resources they find most valuable.
Ongoing Communication: Teachers, ENL staff, and the ENL liaison maintain regular communication with families through calls, emails, and in-person check-ins to monitor changing needs and interests.

By combining family input with research-based practices and culturally responsive programming, our school ensures that ML/ELL families are actively engaged, supported, and empowered to participate in their child's academic success.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Our school recognizes the immense value of family involvement and leadership, especially for families of Multilingual Learners (MLs) and English Language Learners (ELLs). Here's how we go beyond mandated meetings to ensure these families are aware of and empowered to participate in family leadership opportunities:

Raising Awareness:
- Develop information packets about family leadership opportunities (PTA, SLT, CEC, etc.) translated into the most common languages spoken by our ELL families.
- Dedicate a section on the school website (translated) explaining family leadership opportunities and outlining the nomination or application process. Include visuals, infographics, and short videos (with subtitles) showcasing the impact of family leadership.
- During school events and activities, highlight family leadership opportunities through presentations, booths, or interactive displays with translated materials.
- Announce family leadership opportunities through translated morning announcements, school newsletters, and social media posts (if applicable).

Overcoming Barriers:
- Offer interpretation services or designate bilingual staff members to answer questions and provide support during family leadership information sessions or nomination processes.
- Consider providing childcare services during information sessions or leadership meetings to remove a potential barrier to participation.
- Schedule family leadership meetings at various times throughout the day or evening to accommodate working parents' schedules.
- Use clear and concise language in all communication, avoiding educational jargon. Emphasize the importance of diverse perspectives in leadership and highlight the value that ML/ELL families bring to the table.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Community-Based Organizations (CBOs):
- Partner with CBOs (PHIPPS Community Schools) that serve immigrant and multilingual families in your community. This organization can provide:
  *Translation and Interpretation Services:
  *Assist with translating documents, interpreting at meetings, and facilitating communication between families and educators.
  *Cultural Competency Trainings:
  *Train school staff on cultural sensitivity and effective communication strategies for working with families from diverse backgrounds.
  *After-School and Enrichment Programs:** Offer programs that support students' academic development and cultural identity in a familiar language environment.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

n/a

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Ms. Sjogren - Teacher
Ms. Sosa - Teacher
Ms. Y. Rodriguez - Teacher
Mr. Sanchez - Teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

At P.S. 595, we adhere to the protocols outlined in the NYC Department of Education's Policy and Reference Guide for Multilingual Learners/English Language Learners (MLs/ELLs) to ensure that all current, former, and incoming potential ELLs—including those with Individualized Education Programs (IEPs)—are properly identified and provided with mandated services without delay. Our goal is to uphold educational equity and continuity of language services year-round.

ELL Identification Process

To ensure uninterrupted English as a New Language (ENL) and bilingual instruction, we follow a comprehensive identification process:

Enrollment Status Determination
We assess whether a student is newly enrolled, re-entering after an absence of more than two years, or transferring from another New York State public school.

Home Language Identification Survey (HLIS) Administration
A trained and qualified educator administers the HLIS to determine the student's home language.

Mandated Interview
A documented individual interview with the student and parent is conducted to confirm the home language and gather additional information about the student's language background.

Review of Student Records
We examine the student's previous educational records, including any prior NYSITELL or NYSESLAT scores, to inform the identification process.

NYSITELL Administration
If the student is identified as a potential ELL, we administer the New York State Identification Test for English Language Learners (NYSITELL) to assess English language proficiency.

Language Proficiency Team (LPT) Review
For students with IEPs, the LPT reviews the NYSITELL results and other relevant information to determine appropriate language services.

Service Placement
Based on the LPT's recommendations, we assign the student to the appropriate ENL or bilingual program.

Parent Notification
We inform parents of the identification results and the services their child will receive, providing information in the family's preferred language.

Program Enrollment
The student is enrolled in the designated program, and services commence promptly.

Ongoing Monitoring and Support
We continuously monitor the student's progress and adjust services as needed to ensure effective language development.

Coordination and Documentation

Collaboration: The ENL Coordinator collaborates with the parent coordinator, pupil secretary, and data specialist to monitor new registrants and screen them within the mandated timelines.

Scheduling: If the master schedule changes, the ELL identification team schedule is adjusted accordingly to maintain compliance.

Documentation: We maintain classroom rosters, service schedules, and push-in/pull-out plans that allow for immediate integration of newly identified ELLs into appropriate services.

This comprehensive approach ensures that all ELLs receive timely and appropriate services, supporting their academic success and language development.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Nash Matute

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.
We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they

attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Yalixa	Rodriguez	Teacher - Regular Grades	12/05/2024	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS)

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	4	1.61%	4	1.61%	0	0
FRENCH	1	0.4%	1	.4%	0	0
FULANI	2	0.8%	2	.8%	0	0
ENGLISH	139	55.82%	141	55.82%	40	40
SPANISH	102	40.96%	104	40.96%	30	30
SONINKE	1	0.4%	1	.4%	0	0

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Student Handbook	Translated by teachers during the summer
Parent Handbook	Translated by teachers during the summer
IEPs	Teacher will request it during the IEP meeting and email the appropriate department.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
PTC	Teachers will call the translation line to get someone who speaks the language spoken by guardian. This is for languages other than Spanish

IEP Meeting	Teacher will call the translation line to get someone who speaks the language spoken by guardian. This is for languages other than Spanish.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

At P.S. 595, we are committed to ensuring that all parents, regardless of language proficiency, receive timely and accurate communication during emergencies.

1. School-Wide Emergencies (e.g., Lockdown, Fire, Building Closure)

To keep all families informed during critical incidents:

- We NYCPS messaging system that sends emergency alerts via text messages, emails, and automated phone calls in families' preferred languages.
- We maintain a list of trained bilingual staff members who are available on short notice to assist with translating or clarifying emergency information.
- Pre-translated safety procedures and emergency protocols are shared in advance in the most commonly spoken languages at our school (e.g., Spanish) and are accessible via our new school website and in print.
- We regularly reinforce awareness of these procedures during family orientations, PTA meetings, and newsletters, ensuring parents know how to receive alerts and updates in their home language.

2. Student-Specific Emergencies (e.g., Attendance, Illness, Hospital Visit)

When an emergency involves an individual student:

- Bilingual staff and interpreters are available to facilitate real-time phone conversations or meetings with non-English-speaking families. These team members are trained to handle sensitive information with confidentiality and cultural sensitivity.

3. When a Parent Has an Emergency and Needs to Contact the School

If a parent who speaks a language other than English has an emergency and needs to reach the school:

- Our office staff includes personnel that speak Spanish and are trained to respond quickly and respectfully to families

needing assistance.
- If necessary, we use on-demand phone interpretation services to support communication across a wide range of languages.
- If a parent arrives in person and requires assistance, bilingual staff or interpreters are available to help convey the message and support next steps during the emergency.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Here's how our school ensures that all staff members are aware of Regulation A-663 and how we support compliance:
1. During new staff orientation and ongoing professional development sessions, we include specific training modules on Chancellor's Regulation A-663. This training covers the goals of the regulation, legal requirements, and the importance of language access for LEP students and parents. We provide regular updates and reminders through staff meetings, newsletters, and intranet communications to reinforce knowledge of the regulation and any updates or changes.
2. Our school designates a Language Access Coordinator (LAC) who serves as the point person for implementing and monitoring compliance with Regulation A-663. The LAC ensures that all staff members understand their responsibilities regarding language access and compliance. The LAC conducts specific training sessions or workshops for staff to familiarize them with available language access resources, procedures for identifying language needs, and how to facilitate communication with LEP students and parents.
3. We have contracts with professional translation and interpretation services to provide accurate and timely language support in multiple languages commonly spoken by our school community. Essential documents, such as enrollment forms, parent handbooks, and emergency procedures, are translated into key languages identified through our Home Language Identification Survey and student records. We utilize language line services for immediate over-the-phone interpretation in various languages, ensuring that staff can communicate effectively with LEP parents in urgent situations.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

We will translate signage and provide information at different school events/meetings such as PTA meetings, Open House nights, Parent Teacher Conferences. We also utilize DOE messaging app frequently along with class dojo that offers immediate translation. Letters/flyers are also sent home in translated languages.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

At P.S. 595, we recognize that ongoing feedback from families is essential to improving the quality and accessibility of our language assistance services. In addition to the feedback collected through the **Office of Language Access (OLA)'s Translation & Interpretation Feedback Survey**, our school implements multiple strategies to gather input directly from parents in their preferred language regarding the effectiveness of translation and interpretation support.

---

1. Bilingual Family Engagement Survey (Fall & Spring)
* Administered twice a year during Family Engagement Week or parent-teacher conferences.
* Available in the top home languages (e.g., Spanish, Arabic, Fulani).
* Includes questions such as:
  - "Have you been able to receive school information in your preferred language?"
  - "Were you offered an interpreter during meetings or phone calls?"
  - "What suggestions do you have to improve how we communicate with you?"

2. Post-Event Feedback Forms
* Distributed after events such as parent workshops, family nights, and IEP meetings.
* Forms include checkboxes and open-ended questions about the **clarity, accuracy, and accessibility of translated materials or interpretation services.

3. Parent Focus Groups (Twice Annually)
*Hosted in collaboration with the Parent Coordinator and our Dual Language Teachers, focus groups are conducted in Spanish and other dominant languages.
* Parents are asked to share their experiences with language access, including successes and challenges.
* Feedback is summarized and shared with the School Leadership Team (SLT) to inform planning.

4. Suggestion Box and Digital Feedback Form
* A multilingual suggestion box will be placed in the Parent Coordinator room year-round.
* Create an online Google Form, available in multiple languages, is shared in monthly newsletters and on the school website to allow families to provide feedback anytime.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

1. Language Access Training for Staff
All instructional and non-instructional staff completed the required NYCPS Language Access Training on WeLearnNYC.

The Language Access Coordinator (LAC) led two in-house PD sessions on when and how to provide critical translation and interpretation.

2. Expanded Use of Translation and Interpretation Services
We increased our use of DOE translation services and contracted interpreters during IEP meetings, parent-teacher conferences, and family workshops.

Common parent notices and flyers were proactively translated into our three most common home languages: Spanish, Arabic, and Fulani.

Our school created translated templates for attendance, health, and academic notices to streamline communication.

3. Feedback Collection and Analysis
According to our Spring 2024 bilingual parent survey:

92% of families reported receiving school messages in their preferred language.

However, only 78% felt confident navigating DOE platforms (e.g., NYCSA, iReady), indicating a need for additional support with digital access.

Feedback from the OLA Translation & Interpretation Feedback Survey also noted that parents appreciated verbal interpretation during meetings but requested more timely translation of written notices.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

70

Grades to be served in this program. Select all that apply.

,2,3,4,1,K,5

Total number of teachers in this program:

6

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

6

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**
- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**

- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

12×595 is in its seventh year of operation for the school year 2025-2026, with a 3K-5th grade span. Grades K-5 have a Dual Language program with an expected 50/50 model. We anticipate approximately 70 students to participate in the after school ENL Academy. Students will range from grades K to 5 with proficiency levels from Entering to Expanding based on the NYSESLAT Scores and the NYSITELL scores.

The program will focus on building-up language development and ELA/Math skills. The languages of instruction will be English and Spanish.

The service providers will all be certified bilingual common branch teachers. The after school program will run every Tuesday, Wednesday and Thursdays for grades K-2 and Tuesdays and Wednesdays for 3rd-5th Grade students, from 2:30pm - 4:00pm for Kindergarten and 1st grade and till 4:30pm for second grade to fifth grade. This program will begin January 6, 2026 for a minimum of 20 weeks. The supervisor will be paid to oversee the program. The anticipated program that will be used to support the foci of this program will be Measuring up for English Language Learners.

Additional materials will be purchased such as bilingual dictionaries and picture dictionaries.
Attendance will be monitored and kept on file.
The program will use teacher created assessments.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Based on the Spring 2025 ELL Data Analysis Tool (EDAT) we noticed:
-Only 11.5% of ELLs exited ELL status, and 30.8% of students did not meet ELP progress on the 2024 NYSESLAT.

-Writing is the weakest modality: Across grades 3–5, a high number of students scored below 15% in writing (Grade 3: 6 students; Grade 4: 4; Grade 5: 4).

-Reading is also a developing area: Performance in reading varied widely, with several students scoring low.-

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**

- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

ALL ELL in K-5 will be invited to the after school program.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Beginning January 6, 2026 - 20 weeks

K & 1 - every Tuesday, Wednesday and Thursday 2:30PM - 4:00PM

2nd Grade - every Tuesday, Wednesday and Thursday 2:30PM - 4:30PM

3rd-5th Grade - every Wednesday and Thursday 2:30PM - 4:30PM

1st year ELLs will be participating in this program on Tuesdays and Wednesdays and on Thursdays will be working on Math skills.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

English and Spanish
Language of Instruction will be more Core curriculum and integrated ENL instruction
Spanish instruction to support native Spanish speakers literacy, and the dual language program.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

Kindergarten - 1 Bilingual Common Branch Teacher
1st Grade - 1 Bilingual Special Education teacher
2nd Grade - 1 Bilingual Common Branch Teacher
3rd Grade - 1 Bilingual Special Education Teacher

4th Grade - 1 Bilingual Common Branch Teacher
5th Grade - 1 Bilingual Common Branch Teacher

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Materials are exclusively for Title III:

After School Books Being Used:

- Measuring Up: Getting Ready for ELLs 2.0 Success (17.95 each)
- Measuring Up: Getting Ready for the NYSESLAT (17.95 each_
- SPANISH WORD TO WORD BILINGUAL DICTIONARY (16.44 each)
- Sesma Children's Bilingual Picture Dictionary English-Spanish (18.64 each)

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Implementation Plan

P.S. 595 will implement its Title III ELL program in alignment with NYC DOE guidelines to ensure English Language Learners and Multilingual Learners receive supplemental, research-based supports that promote language development and academic success.

Parent/Guardian Notification

Parents/guardians of eligible students will be notified within the first 10 days of program start
Notification letters will be provided in families' preferred languages, using DOE-translated templates and supplemented with in-house translation when needed.
Notifications will include a description of the Title III services, schedule, instructional model, supplemental supports, and opportunities for parent engagement.
Follow-up communication will occur via email, phone calls, ClassDojo, and printed letters sent home to ensure full understanding of the program.
During fall and spring family engagement events, the Title III program will be presented to the school community, including expectations, goals, and progress made.

Program Implementation

Title III supplemental services (after school supports) will begin immediately after funding confirmation and staffing assignments, typically within the first month of the school year.
Instruction will be delivered by certified ENL/Bilingual teachers focusing on academic language development, foundational literacy, and content-aligned supports using evidence-based curricula.
The school will monitor student progress using formative assessments, ENL benchmarks, and attendance data to ensure services meet student needs.

Maintaining Records

P.S. 595 will maintain comprehensive documentation of all components of the Title III program to ensure compliance with federal and state regulations. All records will be kept in a centralized digital folder.

- Logs of phone calls and interpreter use.
- Copies of communication through ClassDojo or school messaging platforms.

Student Attendance Records

- Daily attendance logs for after-school Title III sessions.
- Teacher sign-in sheets and student rosters.
- Monthly attendance summaries submitted to the Title III coordinator.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

This year our focus is on providing professional development opportunities for all teachers at no cost.

Teachers will learn how to develop the native language of students and strategies on introducing the target language and how to target students needs in literacy and mathematics in small groups. Professional development will be provided on Mondays as per the Chancellor's Regulations.

Some of the topics will be:
- Language Development in all classrooms.
- Scaffolding & Differentiated Instruction with a n Emphasis on Academic Language Proficiency
- Strategies & skills to improve small group/Tier 2 instruction
- How to use assessment to target needs and create next steps
- Collaborate with students to leverage them as agents in their learning
-Training offered by the NYS-RBERN such as: Positive Education Creating Learning Environments that Foster Belonging, Vitality, Engagement and Growth Mindsets; Project Based Learning is for Ells
-Teachers will attend professional development offered by the district such as: Crafting Language Objectives, Reimagining ENL Stand Alone Instruction, NYC Reads Literacy Shifts with MLs/ELLs in Mind

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

The majority of our bilingual teachers at our school have 1-6 years of teaching experience. All teachers will benefit from additional professional development in teaching students who are English language learners. In addition, the majority of our MLL population are native Spanish speakers. Teachers have requested professional learning in teaching students in Spanish and English simultaneously, especially developing language and literacy skills in both languages for all students. Data sources to justify development include teacher advance observations, walkthrough observations, student data monitored weekly and monthly, along with teacher requests on surveys provided for support.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

All pedagogues bilingual certified- ongoing learning provided through inquiry groups and content team meetings. Teachers visiting one another's classroom for feedback.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Professional development is embedded during the day and during common Planning, depending on the grade.
Professional learning communities meet afterschool.
Professional learning on Mondays weekly- ongoing sesions-2:20 pm- 3:20 pm and 3:20 pm to 4:00 pm.
10 of the weekly Monday PLC we will hold an ELL PD activity. This will be monthly from September to June.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

- Bi-literacy development in the dual language classroom
- Teaching Literacy to MLLs.
- Language Development classrooms
- Scaffolding & Differentiated Instruction with a n Emphasis on Academic Language Proficiency
- Strategies & skills to improve small group/Tier 2 instruction
- How to use assessment to target needs and create next steps
- Positive Education Creating Learning Environments that Foster Belonging, Vitality, Engagement and Growth Mindsets
- Project Based Learning is for Ells
- Crafting Language Objectives

- Reimagining ENL Stand Alone Instruction
- NYC Reads Literacy Shifts with MLs/ELLs in Mind

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Teachers
RBERN
Borough and District Instructional leads.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Shared drive with all agendas and pd slide deck, teacher attendance with sign-in sheets kept in a pd binder.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

At P.S. 595, we recognize that family engagement is a critical factor in the academic success and social-emotional development of our Multilingual Learners/English Language Learners (MLs/ELLs). Our Title III ELL-funded family engagement activities are designed to build trusting partnerships with families, empower caregivers to support their children's learning at home, and increase access to school resources through culturally responsive practices and multilingual communication.

Our focus is to promote the dual language program by educating the parents and the community on the transformative powers of being exposed to different languages and cultures.

We will have monthly events to celebrate the different countries and cultures represented in our community. Parents and community members will be invited to contribute and participate in the monthly celebrations. We will be conducting workshops for parents of English Proficient and Limited English students to further promote the Spanish language and culture. One of the activities will be a Family and Me Fun with Reading workshop. Another workshop will provide parents with the opportunity to learn word attack strategies in Spanish, through singing. There will be monthly workshops/meetings to engage parents in conversations about the benefits of being bi-literate and bi-cultural in the 21st century. Parents will be invited to classrooms during student project presentations. Attendance and agenda will be kept on file. We use bilingual school personnel, the Translation and Interpretation Unit and DOE-approved translation vendor to notify parents of the activities.

Majority of these events and workshops will be at no cost to Title III.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Family engagement activities are strategically designed to address both the expressed needs of our ELL families and the academic challenges faced by students, as identified in our Spring 2025 ELL Data Analysis Tool (EDAT), internal surveys, and parent feedback.

1. Family Literacy Nights (Bilingual)
Rationale: A large percentage of ELLs at P.S. 595 are newcomers (75.6%), and writing and reading are identified areas of need based on NYSESLAT results. Many students scored below 15% in writing across multiple grades.

Qualitative Evidence: Family responses from our Spring 2025 in-house parent survey indicated a strong desire for support in helping children read and write at home.

2. NYSESLAT & ENL Services Parent Workshop
Rationale: Many families are unfamiliar with the NYSESLAT and how ELL services function. Inadequate understanding may hinder their ability to advocate for their children or monitor progress.

Quantitative Evidence: Of the 78 current ELLs, only 11.5% exited ELL status, and 30.8% did not meet ELP progress, pointing to a need for greater family partnership in language growth.

Qualitative Evidence: Families expressed confusion about test results and ENL service delivery during parent-teacher conferences and in school-based feedback forms.

3. Newcomer Family Orientation Series
Rationale: With 75.6% of ELLs being newcomers and 10.3% classified as SIFE, families often arrive mid-year and need clear guidance on NYCPS systems, grading, and access to supports.

Qualitative Evidence: Families of newly enrolled students often express feelings of being “lost” in the school system, as reported by the parent coordinator and ENL team.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

1. Family Literacy Nights (Bilingual)
Focus: Supporting reading and writing at home in both English and students' home language

Start/End Dates: October 2025 – March 2026

Total Sessions: 5 sessions

Days of Sessions: First Wednesday of each month

Time: 6:00 PM – 7:30 PM

Duration: 90 minutes per session

2. NYSESLAT & ENL Services Parent Workshop
Focus: Understanding language proficiency scores, ELL programming, and progress

Start/End Dates: November 2025 & March 2026

Total Sessions: 2 sessions

Days of Sessions: One weekday evening per semester (aligned with Parent-Teacher Conference week)

Time: 5:30 PM – 7:00 PM

Duration: 90 minutes per session

3. Newcomer Family Orientation Series
Focus: Navigating NYCPS, ENL services, special education, grading, and enrollment

Start/End Dates: September 2025 – May 2026

Total Sessions: 3 main sessions + 2 optional follow-ups (5 sessions total)

Days of Sessions: First Thursday of September, January, and May; follow-up workshops during scheduled family engagement afternoons

Time: 5:00 PM – 6:30 PM (main); 2:30 PM – 3:15 PM (follow-up)

Duration: 90 minutes (main), 45 minutes (follow-up)

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

1. Family Literacy Nights (Bilingual)
Goal: Equip families with strategies to support reading and writing at home in English and their home language

Topics Covered:

Building a home literacy routine in two languages

The Bilingual Read Aloud: Strategies for using the home language to bridge to English reading proficiency

Supporting vocabulary and comprehension through discussion

Using writing journals and sentence starters at home

Accessing culturally responsive and bilingual books

Strategies for encouraging reluctant readers and writers

2. Building Academic Language: Hands on Workshop for Families
Goal: Equip parents with practical strategies to help their children access grade-level ELA/Math Content at home

Topics Covered:

Decoding Report Cards: Translating academic terminology and understanding grade-level expectations

The Power of Conversational Math: Strategies for discussing math concepts in the home language.

Reading Comprehension Strategies: Simple techniques (e.g., summarizing, predicting) parents can use when reading with their children in any language.

Digital Tools for Learning: Review of free, supplemental online resources (e.g., library apps, bilingual dictionaries) to support homework.

3. Newcomer Family Orientation Series
Goal: Support newly arrived families in navigating NYCPS systems and available services

Topics Covered:

Overview of NYC public school structure, school calendar, and grading policies

Introduction to bilingual and ENL programming

Explanation of parent rights, special education services, and translation/interpretation access

Attendance expectations and daily routines

How to communicate with teachers and access support

Culturally responsive school resources for immigrant and newcomer families

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

1. Family Literacy Nights - Ms. Y. Rodriguez, Ms. Sjogren and other teachers

2. NYSESLAT & ENL Services Parent Workshop - Ms. Chevelier, Ms. Y. Rodriguez, Ms. Sjogren and other teachers

3. Newcomer Family Orientation Series - Ms. Chevelier, Ms. Matute, Ms. Y. Rodriguez and other staff members

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

.We will send flyers home and post these activities on ClassDojo, utilize DOE messenger as well.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

every event attendance sign-in sheets are utilized and kept in an event binder for family events. Notification of events- translated in home languages- hard copies sent home- posted on Class Dojo and reminders sent through DOE messenger.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem		
Purchased services -High quality staff and curriculum development contracts.		
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.		
Educational Software (Object Code 199)		
Travel
