Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

P. S. 46, The Magnet School of Communications and Media Arts Through Applied Learning

District Borough Number (DBN):

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Alex Braverman	Principal or Designee*	
Trevor Green	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Ashley Jefferson	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Iliana Esquilin	District Council 37 (DC 37) Representative (staff), if applicable	
Jeremy Patterson	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	
N/A	Student Representative (Required for middle and high schools)	
N/A	CBO Representative, if applicable	
Allison Blechman	Member/Teacher	
Amelia Williams	Member/Teacher	
Jenny Devenny	Guardian	
Heather Brodie	Guardian	
Rocio Lezcano	Member/Teacher	
N/A	Member/	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature

Stakeholder Participation

Background

The CEP must be developed in consultation with parents, school staff, and in secondary schools, students, and in accordance with §100.11 of Commissioner's Regulations and Chancellor's Regulation A-655. All schools are expected to engage stakeholder representatives (via the School Leadership Team/Community Engagement Team) at every step of CEP development. Follow the guidelines outlined in Assembling Your Team.

The School Leadership Team will engage in a five-part needs assessment before developing the CEP. Writing the plan is the last step.

Optional Pre-Activity: Envision: Exploring Your Vision, Values, and Aspirations

- Analyze: Data Variation Part 1: Identification
- Analyze: Data Variation Part 2: Share and Explore
- Analyze: Survey Data
- Listen: Student Interviews
- Envision: Reflect and Synthesize
- Writing the Plan

Meeting Dates

Use the space below to identify the meeting date(s) when each specific step(s) occurred.

Orientation for School Teams

(Required for Schools Newly Identified for the TSI Support Model)

1. Analyze: Data Variation - Identification

2. Analyze: Data Variation - Share and Explore

3. Analyze: Survey Data

4. Listen: Student Interviews

5. Envision: Reflect and Synthesize

6. Plan Writing and Revision

Stakeholder Involvement Signature Page

Directions: In the table below, list the individuals involved in the development of the CEP, their relationship with the school, and the dates in which they participated. The individuals listed should include members of the School Leadership Team and, where applicable, the Community Engagement Team (for Receivership schools). The dates should match the dates identified in the Meeting Date table completed previously.

THIS PAGE MUST BE PRINTED AND SCANNED AND SUBMITTED WITH THE CEP. If the school is unable to obtain a signature from an individual, the school should write "Addendum attached" and explain why it was unable to obtain the signature of the individual. If an individual identified below has objections or concerns related to the CEP, that team member shall note "Addendum Attached" next to his or her signature and provide, in a separate document, an explanation of the specific objections or concerns.

Dates Involved (enter m/dd in the space below for each date the individual attended)

Stakeholder Name	Role	m/dd	m/dd	m/dd	m/dd	m/dd	m/dd	m/dd	m/dd	m/dd	m/dd

Section 4: School Summary

Accountability Status

Accountability Status: **TSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Our mission is to develop life-long learners through a complete and well-balanced learning experience. We will focus on the whole child and ensure that their learning experience is equitable, rigorous, standards-based, and promotes independence. Therefore, our driving forces are culturally responsive practices, S.T.E.A.M. instruction, Advanced Literacy, Exploratory Math, and Social Emotional Learning.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

PS 46 is located in Fort Greene, Brooklyn and is part of District 13 with current enrollment at 269 students. PS 46 serves a predominantly Black and Hispanic community of families with each population representing 45% or more of our total student population. 18% of our students having housing insecurities, and are either living doubled up with family, or live in nearby shelters. Many of our students also live in low-income housing near the school and come from single-parent families. 26% of the students enrolled at PS 46 have IEPs. In the Winter of 2024, PS 46 had an influx of approximately 70 students that were non-English speakers who were new to the country, enroll in the school after moving into a nearby shelter. This has raised the percentage of Multilingual Learners in the school to 18%. Despite these challenges, PS 46 works diligently to build relationships with families and provide support to help families in need.

Briefly summarize the key initiatives your school will implement this school year.

The key initiatives we will implement in the coming year are:
- Strategic Math and Reading Periods to provide targeted instruction to small groups of students.
- Monthly Parent Workshops around curriculum and how to support student learning at home.
- Cultural celebrations to ensure our families are seen, affirmed, and valued
- Attendance Initiative to target our students who were or are at risk of chronic absenteeism
-Afterschool homework help
-Social Emotional Supports for families and students

We will continue to cultivate partnerships with outside organizations to provide supplemental programming and

support to our school community. We plan on continuing our partnership with New York Smiles to offer free dental checkups for students, CHAMPS early morning physical education program, Marquis Studios afterschool art, the Brooklyn Arts Council to provide art enrichment, The League of Young Inventors which provides engineering challenges, and with Bankstreet and Medgar Evers college to bring in resident teachers to support our students. We have also coordinated an art partnership with Pratt Institute that brings college students to the school to teach visual arts and provide art therapy, and we hope to continue that partnership in the 2025-2026 school year. PS 46 will also continue to participate in the Morgan Book Project that allows students to design their own books, and we have received honors and recognition each year for student work submitted.

Through the support of District 13, we were given a grant to have Creative Outlet come and run a weekly dance residency at our school. We have also participated in the District 13 debate contests, having two 2nd place winners in the Spanish debate contest. We plan on continuing this initiative in the coming school year in collaboration with the district.

PS 46 has also become a Community School and has been partnered with Partnership with Children to provide additional social workers and support staff to the school. This organization helped us secure afterschool programming from Gameover NYC and the Buckets and Bytes program which was an afterschool program that taught students coding and basketball skills.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
Math	K-5	Illustrative Math	Assigning online accounts for students to access the curriculum digitally
ELA	K-5	Expeditionary Learning	Online access for students and families
ELA	K-2	Fundations	N/A
Math	K-5	Online math programming- IXL	N/A
ELA	3-5	Phonics for Reading	N/A
ELA	K-2	Heggerty	N/A

Summarize key strengths that contributed to the achievement of the previous year's annual goals.

This year, we have placed a heavy focus on family engagement. Through use of Class Dojo, email, social media, newsletters, and various outreach, we were able to increase our monthly attendance at PTA meetings to 17 or more attendees at almost every meeting this year.

Out attendance outreach has helped raise our overall attendance by almost 2% this year. This was done through daily phone calls when students were absent, constant engagement and interactions with families, incentives for students who attended school, and overall outreach to our students and families. The Attendance Team meets weekly and connects various team members in the building to ensure the best overall support is provided based on individual family needs.

Based on internal surveys, we have seen a reduction in staff responding in the affirmative that "Students at our school bully and threaten each other." We think this is due to our focus on restorative practices, stronger systems in place to provide support, and ongoing work around character building and social emotional learning. Our guidance team proactively meets with students and classes to provide support. Our school highlights students each month at our Community Circle where we identify students who have modeled exemplary behavior and traits while also acknowledging growth and hard work from others.

-We are still waiting to see our proficiency rates in ELA and Math as the exams were just administered. We are also in the process of administering our end-of-year screeners too.

Identify significant challenges or obstacles that may have negatively impacted the achievement of the previous year's annual goals.

Our school-wide attendance has impacted our student outcomes in different classes. Our school attendance is 84%, with 54% of our students being chronically absent despite our outreach. There are also students who come to school late on a frequent basis and miss instruction. Despite multiple attempts to reach out to families and encourage students to attend school, we still have these low attendance rates which prevents students from keeping up with coursework.

Last year, we also had an influx of over 70 non-English speaking students that arrived between January and February. These students are in our Spanish Dual Language program and teachers have had to adjust and scaffold instruction to meet the needs of their native students while also targeting the needs of a new population of students that had significant gaps in their education or are categorized as SIFE.

We have focused heavily on building on family engagement but find that families will generally attend parties and celebrations but we do not see these attendance levels at our curriculum workshops and evening workshops. The low levels of parent engagement in school-wide events is a barrier for us that we are still working on overcoming.

The implementation of our new ELA curriculum, Expeditionary Learning, was challenging for our school as can be expected with any new curriculum. Staff needed support in accessing and navigating the curriculum, learning the units and modules provided, and shifting instructional practice to meet the expectations and style of the curriculum.

Student Interviews are essential to fully understand what this past year has meant for students by providing opportunities for students to share their experiences and their hopes for school moving forward. To make sure that the student experience is at the center of the Comprehensive Education Plan:

Describe how Student Interviews informed the development of the plan.

Student interviews allowed us to gain insight as to student perceptions about our school. We heard that students really appreciate the staff in the building for the social and emotional support provided to them, and how staff recognize when some students need some time to decompress or deal with frustration. They also said that they look forward to coming to our school every day to learn, see friends, and connect with staff members in the building.

One item that students mentioned was that sometimes they wanted teachers to explain things in simpler ways.

Evidence-Based Intervention

Every school identified for Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement, or Targeted Support and Improvement (TSI) must implement at least one evidence-based intervention (EBI) as part of its CEP. The intervention identified must meet the criteria of a Tier 1, Tier 2, or Tier 3 evidence-based intervention under ESSA. Schools should indicate all of the EBIs meeting the federal definition that will be pursued during the upcoming school year.

Directions: Respond "Yes" or "No" to indicate whether or not each EBI listed below is being implemented this year.

Align High School and College Courses to Increase Post-Secondary Transition Outcomes

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Approximately 33% of students in Grades K-2 were rated as on or above grade level in our MOY Acadience screeners.	-Absenteeism -Lateness -An influx of students in January 2024 who were non-English speakers and had interrupted educational careers before coming to our school. -Low parent engagement -Implementation of a of a new literacy curriculum. -Teachers need additional coaching with Fundations	Increased parent engagement and opportunities to learn about phonics in the classroom, while also targeting attendance and providing professional development to staff.
Approximately 13% of students in Grades 3-5 are at or above grade level as indicated in our	-Absenteeism -Lateness -An influx of students in January 2024 who were non-English speakers and had interrupted educational careers before coming to our school. -Low parent engagement -	-Teaching the curriculum with fidelity while offering opportunities for students to engage in independent reading

MOY MAP Reading assessment.	Implementation of a of a new literacy curriculum which required learning by staff on how to properly implement the program. -Additional coaching needed for staff with data analysis and fidelity to the curriculum	and apply the skills they are learning. -Increased parent engagement -Additional workshops and opportunities for families to engage in the work their children are doing.
The Spring 2024 Instructional Report shows that our students currently in 4th Grade scored -.31 below the city-wide average in being able to determine the key idea and details as mentioned in the June 2024 instructional report.	-Absenteeism -Lateness -An influx of students in January 2024 who were non-English speakers and had interrupted educational careers before coming to our school. -Low parent engagement	-Teaching the curriculum with fidelity while offering opportunities for students to engage in independent reading and apply the skills they are learning. -Increased parent engagement -Additional workshops and opportunities for families to engage in the work their children are doing.
Based on available data from the 2024 ELA Exam, 15.7% of our students showed proficiency in ELA	-Absenteeism -Lateness -An influx of students in January 2024 who were non-English speakers and had interrupted educational careers before coming to our school. -Low parent engagement	-Teaching the curriculum with fidelity while offering opportunities for students to engage in independent reading and apply the skills they are learning. -Increased parent engagement -Additional workshops and opportunities for families to engage in the work their children are doing.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	15%	By June, 2026, literacy for All Students will improve, as measured by a 5% Increase, from 15% to 20%, of percentage of students scoring at Levels 3 & 4 on the NYS ELA exam results.
Black Students	13	By June, 2026, literacy for Black Students will improve, as measured by a 4% Increase, from 13 to 17, of percentage of students scoring at Levels 3&4 on the NYS ELA exam results.
All Students	33%	By June, 2026, literacy for All Students will improve, as measured by a 10 Increase, from 33% to 43, of Students on or above grade level on the NYC Acadience Screener.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

We will host monthly workshops for families in Grades K-5 to address the need of those various grade levels for literacy instruction. These workshops will be hosted by teachers and outside organizations to share best practices to support literacy at home and help families support children at home.

Root Cause Addressed:

This will increase our family engagement and act as a lever to promote on-time arrival, stronger attendance, and support families with how they can help their children further develop their literacy skills at home. Some of the sessions will invite families into the classroom to see Fundations and literacy strategies in the classroom.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
We will create a calendar for the year that outlines the literacy workshops we will host so we can share the dates and times with families in advance.
We will utilize our social media and Class Dojo accounts to publicize the workshops and share what is going on in the classrooms.
We will craft specific workshops for our K-2 foundational skills and 3-5 comprehension skills for families.

Key Strategy 2 (Optional):

We will provide professional development around Fundations instruction through coaching and training of our Assistant Principal to continue supporting Fundation instruction in Grades K-2.

Root Cause Addressed:

This will target the need for teacher coaching and support to ensure instruction is delivered effectively to students. It will also allow us to progress monitor student growth and ensure we can place timely interventions in place.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Connecting with Elevate Education to provide professional development to staff.
Discussion around data collection for Fundations and ensuring a pacing calendar is shared with staff and adhered to for data discussions.
Weekly or bi-weekly visits to classes to monitor and provide feedback around instruction from staff

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will monitor attendance at parent workshops and track student data to see if their is a connection between attending the workshops and results in the classroom assessments. The workshop topics will aim to be in alignment with the content being taught in school and the upcoming assessments. Our school will use end of unit data, screeners, and walkthrough notes as data points to track progress.

For Fundations, we will use observations and walkthroughs to track instructional practice by pedagogues in the

room and track performance and progress. We will also look at Fundations end-of-unit data to track student growth and inform our action plans. We will also develop a plan to track data with our instructional coaches.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/11/2025	06/18/2026	Meeting with our SLT and PTA to share these initiatives and support getting as many families to attend workshops as possible.	Parents, staff, administration
09/11/2025	06/18/2026	Polling families about what needs they have and which topics would interest them in terms of literacy.	Parent Coordinator PTA SLT Teachers Administration
09/11/2025	06/18/2026	Planning workshops with teachers to ensure it is connected to what is being taught in class and how to best engage families.	Teachers PTA SLT

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Principal, Teachers, Parent Coordinator, Paraprofessionals, Parent Coordinator, Partnership with Children, PTA, SLT

Instructional Resources

Fundations, Expedtionary Learning, Phonics for Reading

Schedule Adjustments

Prep coverage for staff running family workshops, and scheduling to allow families to attend in-class sessions.

Other Resources Needed

Social Media, food or incentives to attend, folders for handouts

School Improvement Grant (SIG) Expenditures

Directions: Indicate how SIG funding will be leveraged in support of the key strategies outlined in this Priority. Be sure to include a detailed description of each activity and the evidence-based intervention category to which it belongs.

Detailed Description of Activities

SIG funding will be used to support per-session work for staff to develop literacy workshops for families. This will also be used to pay the ILT members per-session to look at the data collected and discuss next steps. We would also use the funds to bring on a Fundations coach to help support instruction in the classsroom and incorporate that work into our literacy workshops.

Evidence-Based Intervention Category

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
37 OORS reports indicate conflict between students and are Level 3-4 incidents.	-Food insecurity -Housing insecurity -Need for social-emotional tools to use in emotionally challenging situations -Attendance	Specific strategies taught at a school-wide level (including sharing this with famlies) to support students.
Reduction in suspensions from 3 in 2023-2024 to 0 for the current 2024-2025 school year.	-More proactive systems have been put in place to support students. -Restorative Justice and de-escalation trainings have been provided	Continuous pro-active planning and professional development.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	37	By May, 2026, physical and mental wellness for All Students will improve, as measured by a 5 Decrease, in number of Level 3-5 incidents from 37 to 32, per the Online Occurrence Reporting System.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Our school is looking into other curricula such as Second Step, Sanford Harmony, and others to identify behavioral strategies that can be shared across the school in order to provide students with specific steps they can take to calm themselves down and speak to an adult if needed. We will have morning announcements that include positive affirmations and messages, monthly Community Circles to celebrate Student of the Month, attendance, and give praise to students for desirable behaviors, hold time for SEL daily, and host workshops for families.

We will also utilize our Guidance Counselors to meet with students and proactively provide support. We plan on continuing our weekly meeting of My Sister's Keeper with specific students and also introducing My Brother's Keeper for 2025-2026.

We will utilize our CBO, Partnership with Children, to continue proactively meeting with students who are not mandated for counseling but would benefit from check-ins.

Root Cause Addressed:

This will help us provide students with concrete strategies that they can use to handle frustrating situations. It will also provide support to families so they can support with these strategies at home. The pro-active meetings will help us support students who may need support.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Identify a curriculum that can be used for school-wide support for behavioral expectations and strategies across the

school.
Outreach to families will take place to invite them in for workshops.
Daily Social Emotional check ins for each classroom by the teacher
Monthly Community Circles held
Weekly celebrations of students

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will use our bi-weekly CARE Team meeting to review our OORS reports and track our progress towards our goals. We will also include anecdotal information from our observations of students to monitor and adjust our plan as needed. Attendance at parent workshops will also be tracked.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Parent Workshops, Community Circle	Partnership with Children, St. Nick's Alliance
09/04/2025	06/26/2026	Outreach through newsletters, school communication tools, and social media	Partnership with Children

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Administration, Office Staff, Teachers, paraprofessionals, guidance staff, families, students

Instructional Resources

SEL Curricula

Schedule Adjustments

Other Resources Needed

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Our MOY MAP Assessment show that overall, 6% of students were on or above grade level in math.	-Foundational skills not as strong as needed (ie- number fluency, regrouping) -Pedagogues need more professional development and coaching around math instruction and pacing - High Absenteeism and Lateness -Lack of time to practice fluency and curricular instruction on how to support fluency	Intervisitations and coaching will be one tool we use to support instruction.
Advance data shows that Component 3c, Student Engagement,	-Pedagogue support needed regarding lesson planning. -Pedagogue support needed regarding pacing. -Pedagogue support needed regarding engagement and questioning protocols. -Low attendance and high absenteeism	Focus on lesson planning and meeting the

averaged out to a score of 2.67.		needs of all students.
20% of students who took the NYS Math exam in Spring 2024 scored at or above grade level.	-Pedagogue support and coaching needed -Low attendance and high absenteeism	Family engagement with math and supporting students in and out of school.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	15	<School Name> will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scoring at Levels 3 & 4 will Increase by 5 from 15 to 20, for All Students, as measured by NYS Math Exam results.
Black Students	13	<School Name> will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scoring at Levels 3 & 4 will Increase by 5 from 13 to 18, for Black Students, as measured by NYS Math Exam results.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Our schedule will build in time for Strategic Math Instructional Periods. These periods will be used to target the individual needs of students and group students in clusters across certain grades. The groups will meet 2-3 times per week with progress monitoring. Families will also be invited to attend.

Root Cause Addressed:

This will allow for additional instructional time to focus on the needs of specific students and provide some time to practice fluency and other pre-requisite skills to students who need it, while also offering enrichment to students who are at or above grade level.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The master schedule will reflect time dedicated to Strategic Math Instructional Periods. This will ensure teachers have dedicated time to do this while also allowing administrators to know exactly when it is taking place so that targeted observations can take place.
Observation schedule for administrators will ensure that the strategic groups will be observed with normed indicators and feedback provided to staff.
Invitations to families to attend some of the Strategic Math Instructional Periods to see what students are learning and how they can support at home.

Work with the ILT and the District to ensure expectations for these periods are clear and that progress monitoring takes place.
Analysis of the data collected from these periods and determination of next steps and flexible groupings.

Key Strategy 2 (Optional):

Weekly or bi-weekly walkthroughs will take place by administration to provide ongoing feedback to staff about pacing, planning, and engagement. Intervisitations will also be scheduled to allow staff to learn from one another.

Root Cause Addressed:

This will help us support pedagogues in instruction since the lesson planning, pacing, and engagement are areas that our Advance data shows are areas of focus.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Creating an observation schedule to ensure all staff are observed at least once every two weeks.
Schedule intervisitations at least four times during the year.
Ensure that a checklist is provided for staff to know which indicators will be focused on during walkthroughs
Feedback will be provided in a timely manner, within 48 hours of the walkthrough

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will use evidence from our Tier 1 assessments from the Illustrative Math curriculum as a data point. Teachers will use their common planning periods to review data collected from their students and reflect on next steps. We will also use some of our Professional Development time on Mondays to look at Strategic Instructional Math Periods and screener data and develop action plans. We will also utilize the D13 A.I.M. assessment as further progress monitoring.

We will also track data on parent engagement and attendance at workshops, along with student attendance.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/11/2025	06/25/2026	Share information in our weekly newsletters highlighting math content being taught.	Partnership with Children
09/11/2025	06/26/2026	Communication with families around their child's progress in math, the strategic periods, and workshops for families	Partnership with Children

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Administration, Parent Coordinator, District Support, Teachers, Students, Families

Instructional Resources

Illustrative Math, Engage NY, IXL

Schedule Adjustments

We will allocate approximately 20-30 minutes at least twice a week for the strategic groupings.

Other Resources Needed

School Improvement Grant (SIG) Expenditures

Directions: Indicate how SIG funding will be leveraged in support of the key strategies outlined in this Priority. Be sure to include a detailed description of each activity and the evidence-based intervention category to which it belongs.

Detailed Description of Activities

SIG funding will be used to support per-session work for staff to develop math workshops for families. This will also be used to pay the ILT members per-session to look at the data collected and discuss next steps. We would also use the funds to bring on a math coach to help support instruction in the classroom, as well as the online program, IXL.

Evidence-Based Intervention Category

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
We began the school year at under 20% of students with NY Saves accounts, and currently have 51% of our students enrolled.	-We have made outreach to families on our Class Dojo communication tool and also made phone calls to specific families. -The time, effort, and being tech savvy are factors in whether families want to take time to register their child.	Continuous targeted outreach to families who are eligible for this program to ensure they sign up their child.

We hosted a Career Day experience for our upper grades in March.	-Students have expressed interest in a variety of professions. -Members of our community expressed interest in sharing about their professions	Continuous work around highlighting career opportunities and connecting education to those careers.
4.5% of students were scored a proficient rating on the NYS Science exam, while an additional 45% scored a Level 2	-Due to low proficiency in math and literacy, they are prioritized. -The Amplify curriculum is very dense and literacy focused without as much hands-on learning. The hands-on activities are supplemented.	Identifying how we can ensure students begin focusing on science in Kindergarten and ensuring adequate time in all grades.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	51	<School Name> will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the percentage of active NYC RISE college savings acounts for All Students will Increase by 12 from 51 to 63 as measured by NYC RISE enrollment reports.
All Students	4.5%	<School Name> will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the percentage of students showing proficiency on the NYS Science Exam for All Students will Increase by 5 from 4.5% to 9 as measured by NYS Science Exam results.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

We will construct a social media campaign targeted at increasing enrollment in the NYC RISE initiative. Our focus will be how easy it is to begin saving for college, and how this will prepare children for their future. We will also use our tools for communication (ie- Class Dojo and Constant Contact) to message out this information. Additionally, our Parent Coordinator will make targeted phone calls to connect with families and will leverage staff support in this initiative. We will also continue to highlight the poster in the main hallway of our building that lists the total number of money earned by students enrolled, along with their names.

Root Cause Addressed:

While we have had an increase from under 20% of families enrolled to 51%, this strategy will help us enroll even more people with a comprehensive plan to advertise the program.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Create a social media campaign to be shared on Instagram and Facebook, along with our website and communication tools.
Targeted phone calls will be made to families eligible for enrollment.
Ensuring our bulletin board is current with new students being added in real-time.
Providing career exposure to students and connecting the NYC RISE initiative to these events.

Leveraging our PTA and SLT to support this initiative.

Key Strategy 2 (Optional):

We will look to provide more professional development around Amplify Science and how teachers can make explicit connections to the Expeditionary Learning curriculum.

Root Cause Addressed:

This will help address the low proficiency in Science.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Professional development around the Amplify Curriculum
Identifying opportunities in the Expeditionary Learning curriculum to connect to the science curriculum.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will use the NYC RISE enrollment report to track progress. We will document outreach made to families and how we can continue to enroll additional eligible students.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Outreach to families in collaboration with families and staff will be made to eligible families.	Partnership with Children
09/04/2025	06/19/2026	We will look for opportunities to host different career exposure opportunities and ask our families to come in and speak with students.	Partnership with Children Pratt Institute

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Administration, Parent Coordinator, Partnership with Children, Staff, Families

Instructional Resources

NYC RISE informational material

Schedule Adjustments

When hosting events

Other Resources Needed

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
46 families replied to our 2023-2024 school survey.	-Low parent engagement -Parents did not want to fill out the paper form -Accessing the survey	Increase response rates from parents.

	digitally might have been challenging for less savvy families	
On average, PTA meetings have had between 15-20 people in attendance which is almost double our attendance from the 2023-2024 school year.	-Additional outreach to families -Posting the meetings online and backpacking them home -Having childcare during the meetings	We would like to further increase our PTA membership and have more people attend meetings.
In 2023-2024, we had an influx of over 70 students in the span of two months. A portion of those families have relocated	- Immigration status -Moving to live with family in other places -Fear of deportation	Continuous support for these families.
Enrollment in Pre-K and Kindergarten has decreased in the last few years.	-Low proficiency on state exams -Limited funding for supplemental programming -Until this year, we did not have free afterschool care.	We need to re-imagine our social media use to publicize our school, and think about how we can highlight the wonderful experiences our school community can offer to the broader community.
This year, we hosted some new celebrations. Aside from our Hispanic Heritage Month and Black History Month celebrations, we also celebrated Eid, Lunar New Year, Jewish Heritage, and celebrating different countries at our Field Day.	-We have a wide range of families at our school and want to honor their cultures and religions.	Continued focus on celebrating the diversity in our school.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	20	<School Name> will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By May, 2026, the percentage of families attending at least 3 in-person school events will Increase by 10 from 20 to 30 as measured by Attendance at school events.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

We will utilize social media and school communication tools to help advertise programs at our school for families. We will also ensure we track which families have attended events so we can record our progress towards our goal.

Root Cause Addressed:

Low attendance at school events by families.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Planning social media campaigns and publicizing events
Creating a system to track parent attendance

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will conduct four data reviews to see which families are or are not attending so that we can focus our advertisements and engagement on those families.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Utilizing social media and school-wide communication to reach families and engage them in order to promote attendance at events.	Partnership with children St. Nick's Alliance

Priority 5 Budget and Resources

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Overall attendance in the 2024-2025 school year was 84%	-Some students were no-shows that were still attached to our school. -Families kept students home for minor ilnesses. -Some families did not have enough adult support to consistently get students to school. -Migrant students had frequent absences as their families needed to attend appointments to stay in shelters.	Campaign around the importance of attendance, which illnesses require a student to stay home, and working to remove no-show students.
Chronic Absenteeism	-Some students were no-shows that were still attached to our school. -Families kept students home for minor ilnesses. -Some	Campaign around the importance of attendance,

for the 2024-2025 school year was at 63%	families did not have enough adult support to consistently get students to school. -Migrant students had frequent absences as their families needed to attend appointments to stay in shelters.	which illnesses require a student to stay home, and working to remove no-show students.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	84%	By June, 2026, the Overall Attendance Percentage for All Students will increase by 5, from 84% to 89%, as measured by the Insight Attendance .
All Students	63	By June, 2026, the Chronic Absenteeism Rate for All Students will decrease by 13%, from 63% to 50%, as measured by the Chronic Absenteeism.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Weekly Attendance meetings will be conducted to review attendance and conduct targeted outreach to specific families. We also host daily ticket distribution that culminates in raffles for students who show up on time. Throughout the year, we will send out monthly attendance reports to families and give special mentions to students for strong attendance. We will also announce 100 % attendance for any class that has all of their students in school. A bulletin board will be dedicated to our attendance efforts and award classes points based on how many students show up each day. We will also share information about when students should or should not stay home when sick.

Root Cause Addressed:

This will address families who may not understand how important it is to send students to school on a daily basis. It will also help us ensure we are tracking if any families need support that will allow us to help get their children into the building more often. The class attendance contests will incentivize coming to school for students.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Weekly Attendance Meetings to ensure up-to-date information is shared. This will be conducted by the Attendance Team made up of admin, guidance, and our attendance outreach personnel.
Sharing of attendance reports on a monthly basis will be shared via backpack with families along with an introduction about the initiative and how many days constitutes chronically absent by month.
School-wide attendance contests will be shared with students at our school-wide Community Circle.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/24/2026	Monthly attendance reports	Attendance Team and CBO (Partnership with children)
09/04/2025	06/24/2026	Sharing of our attendance incentives at school events such as celebrations, breakfasts, and other family-oriented events.	Admin, teachers, CBO
09/04/2025	06/24/2026	Weekly Attendance Meetings	Admin, Guidance, STH Social Worker, CBO
09/04/2025	06/24/2026	School-wide attendance initiatives and announcements	Admin, teachers, attendance team

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Admin, Teachers, Paraprofessionals, School Aides, attendance team, CBO

Instructional Resources

Second Step

Schedule Adjustments

None

Other Resources Needed

Paper and Ink for reports for families, prizes for attendance

School Improvement Grant (SIG) Expenditures

Directions: Indicate how SIG funding will be leveraged in support of the key strategies outlined in this Priority. Be sure to include a detailed description of each activity and the evidence-based intervention category to which it belongs.

Detailed Description of Activities

The SIG funds will be used to help support our distribution of attendance reports to families. We will also use it to support our coaching for instruction to make learning engaging for all students, yielding higher attendance rates. The funds may also be used to work with outside organizations that can assist us in raising attendance rates.

Evidence-Based Intervention Category

See Above

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
We were not always at 100% compliance for IEP meetings	-Lack of time -Systems to monitor completion -Delays in reaching families -Delays in evaluations	IEP Development and Fidelity of Implementation
		Transition Planning and

		Compliance
Our CARE Team has helped reduce referrals for IEPs	-Teamwork to create support plans for students -informal screenings -Cycles of child studies allow more information and adjustments to be made without impacting setting	Referral Process and Equity
We notice that most OORS incidents involve students who identify as male.	-the incarceration of father's for our students who are frequently in reports. -lack of male role models in and out of the school. -there is a need for a male student group like My Brother's Keeper.	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	92	By June, 2026, to strengthen the quality and implementation of IEPs for All Students, we will improve Timeliness of IEP completion by a 8 Increase, from 92 to 100, as measured by IEP Completion Report.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

An IEP schedule will be created and shared with staff that indicates compliance deadlines. The deadlines in the document will be at least three weeks prior to the date of the IEP being required to be completed to allow time for any last minute changes.

Root Cause Addressed:

IEPs are not all done and this will ensure any scheduling issues can be handled.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Creation of an IEP schedule
Monthly reminders to staff about their caseload
Monitoring of the IEP completion report

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Outreach to families to attend IEP meetings will be done three weeks prior to the IEP meeting.	

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Administration, Teachers

Instructional Resources

Assessments for IEP data

Schedule Adjustments

Scheduling for IEP meetings

Other Resources Needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Students reading below grade level in Grades 3-5	Strategyc Reading Groups	Small Group Instruction	Service will be provided during school hours for 30 minutes, 3x per week	No
Tier 3	Afterschool targeted ELA and math support for students below grade level	Reading Groups	Small group Instruction	After school at least twice a week for one hour.	Partially- IXL will be leveraged to support in addition to direct instruction from teachers.
Tier 2	Students in the school who are below grade level in math.	Strategic Math Groups	small group	During the school day for 30 minutes 2x per week	No
Tier 3	Afterschool targeted ELA and math support for students below grade level	Afterschool math groups	Small group	After school at least twice a week for one hour	Partially- IXL will be leveraged to support in addition to direct instruction from teachers.

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Students with IEP's	Counseling	Small group	During the day	No
Tier 3	Students with IEP's	Counseling	one to one	During the day	No
Tier 2	STH	Counseling	Small group	During the day	No
Tier 2	At-risk	Counseling	Small group	During the day and after school.	No
Tier 2 & 3	At-Risk	Girls Group/ My Brother's Keeper	Small Group	During the day	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

We will communicate our MTSS with families through our back to school nights, parent handbook, social media, communication tools, PTA and SLT meetings, and monthly breakfasts with the Principal.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

We will provide progress monitoring updates every 6-8 weeks through parent meetings and written reports for families.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Our goal is to invite families into workshops that showcase the skills and strategies being taught, and then asking them to hear their thoughts and feedback. They will also have access to participate in decision making by participating in SLT and PTA meetings.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

Our school currently has approximately 50 students in temporary housing.

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

We have approximately 60 students categorized as STH students. We have noticed that attendance is lower for these students. One factor at play is that some of these students are new arrivals who came to our school last year from Spanish-speaking countries. These families have had to deal with immigration issues and finding places to live, which at times, may require them to bring their children with them because there is no one available to pick up the students from our school. We have reached out to the families to see what support we can offer them.

We also notice that some of the STH students need clothing and school supplies. We have committed funds to purchasing these items for families, along with providing detergent for families who may need to use our school washing machine and dryer.

Additionally, we hope to continue offering STH specific afterschool academic tutoring and support.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

The STH team will do monthly outreach to the STH population to update or provide services and resources to those families in need. Depending on the need we will provide clothing, food or any technology assistance for them with our STH funds. We can also provide parent support groups and bring in outside agencies to present more resources for these families in need. Our school will also offer translation services at our events to help ensure our families are able to communicate with us. Afterschool academic support will also be provided to students.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

We do not currently have students in foster care.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

N/A

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

N/A

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

N/A

Provide a description of the materials purchased to support implementation of ELT.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The policy of PS 46 Edward C. Blum is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

Edward C. Blum, PS 46, will support parents and family members of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision-making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child’s progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information on a weekly basis through a family newsletter about school and parent-related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills, and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

- We will also utilize social media as well as Class Dojo and school-wide emails to showcase the learning and activities taking place in the school.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 46, Edward C. Blum, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff, and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year

* Creating programming both in-person and on Zoom that invites parents to interact with staff such has curriculum events, Family Read Aloud days, interactive math activities, and STEM Lab programming.

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;

- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP Good standing

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Professional learning for teachers in the coming year will focus on the following pedagogical moves and how they live in the curricula listed below:
- Effective lesson planning
- Student engagement during lessons via effective questioning and lesson pacing
- Use of data to drive instruction
- Implementation

Paraprofessionals will also be given support in these areas, along with de-escalation and restorative practices.

Administrators will continue to work on systems to support the initiatives mentioned above, and develop additional experience with foundational literacy skills like Fundations and Heggerty as well as the curricula below.

The areas of Concentration that indicate strategies and activities for high-quality professional learning are:
Creating effective pacing calendars
Idenitfying priority standards
Expeditionary Learning in literacy and writing
Illustrative Math PD
D13 Priority Learning Series with District Coaches

Science
Amplify Science PL

Supportive Environment
Sanford Harmony Social-Emotional Training

Social Studies
Passport To Social Studies PL

ELL/MLL
After School Program

Quality IEPs
Special Education Laison and District Coaches
SITT Committee
SBST
Children Are Reason Enough Team(CARE)

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

Our transition plans entail, prek teachers joining the Kindergarten teachers in professional development especially in the area of Foundational skills, aligned curriculum, early intervention services, teacher teams common planning time, use of the Strengths and Gaps Protocol. We also conducted parent engagement activities for Pre k-Grade 2 parents.

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	The amount contributed to the school-wide pool amount is $179,386.	X	Math ELA Quality IEP Chronic Absenteeism Supporortive School Environment Early Childhood Learniing family and Community
Title I, School Improvement 1003(a)	Federal	N/A	N/A	N/A
Title II, Part A	Federal	$49,523	x	Supportive Environment
Title III, Part A	Federal	N/A	N/A	N/A
Title III, Immigrant	Federal	N/A	X	N/A
Title IV, Part	Federal	N/A	X	AIS/RTI/PBIS

A				
Tax Levy (Fair Student Funding)	Local	$1,887,351	X	Math ELA Quality IEP Chronic Absenteeism Supporortive School Environment Early Childhood Learniing family and Community

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
Partnership with Children	All students and families	Full-time, in-person staff working in our building	Increase attendance by 5% to 90% attendance and reduce chronic absenteeism by 13% to 50%.

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

Parntership with Children, our CBO, will meet on a weekly basis to plan and implement school-wide initiatives. Their Director and Social Worker will collaborate with the administration and Parent Coordinator to ensure alignment of work and proactively plan initiatives and events in alignmnet with the school's goals. PWC will be invited to attend PTA and SLT meetings and be present and staff meetings in our school. They will also join our cabinet meetings, Instructional Leadership Team meetings, CARE TEAM (students who need support academically, socially, or emotionally) and Attendance Team meetings.

Our team has worked to provide the school with access to Fundations, a phonics program for students in Grades K-3 in support of our goal to raise proficiency in ELA. We have also contracted Lead to Empower and Educate LLC, both are organizations meant to help coach teachers and administrators on effective teaching and data collection in support of our CEP goals. We have also partnered up to provide Attendance Pop-Ups, a celebration of students who attend school by rewarding them with prizes throughout the year. PWC is also looking into partnering with organizations to support our work with restorative justice practices.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

Partnership with Children will receive two rooms to use for engagement with our school. The first room will be for a social worker to use to meet with students and families. This social worker will collaborate with our on-site social worker to help strengthen relationships with families while providing support to our students. The second room will be for the Community Schools Director who will use the room to meet with families and students in collaboration with our Parent Coordinator and other school staff. PWC will be administering a school survey to families to identify our strengths and opportunities to improve our school experience. They will support us in building relationships with families to help increase engagement in our PTA and SLT meetings, along with participation at school events. We will also leverage this relationship to provide additional opportunities for families to engage with our school both socially and educationally. PWC will be present at arrival, dismissal, and at school-wide events to help further develop relationships with families.

Partnership with Children will be present at morning arrival and afternoon dismissal to greet and speak with families. They will also meet with students throughout the day to provide pro-active counseling and emotional support. PWC will also reach out to families when support is needed and update families on their child's progress. PWC will join our PTA and SLT meetings to learn more about the needs of our school and look for opportunities to have families take on leadership roles. They will attend our weekly Attendance Meetings, Cabinet Meeting, CARE Team Meeting (discussion around students who need support).

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

Partnership with Children will support our school in building stronger connections with our families to increase attendance and engagement. One way they will do this is by making daily attendance calls and even pop up visits to families to see how our school can better support their children. PWC will engage with NY Simles, a dental organization that provides free dental screenings and cleanings for students.

Partnership with Children has also been trained in restorative justice practices and conflict resolution. They will work with us to provide training and will look at potential partnerships with Morningside to provide professional development to staff and families. We will also utilize the expertise of the social worker that they have on-site to provide social emotional support and professional development for all stakeholders.

PWC will also support us in deepening our work around restorative justice practices. They will provide professional development around trauma-informed education and work to create workshops for families.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

Partnership with Children will work closely with our Attendance Team to monitor student attendance on a weekly basis. They will use data from New Visions to identify students who are at-risk and who are listed as chronically absent and work with our team to provide targeted support to those families. They will also use reports available on ATS to track student attendance on a daily basis and look for students who have low attendance and also students who have shown improvement in attendance. We will send out a monthly attendance report to all students so that families are aware of the amount of late arrivals and absences each student has. On a daily basis, the Attendance Team, along with PWC, will reach out to families of students who are absent to see if families need support. They will also work to assign Success Mentors to check in on students and provide additional support. PWC and our Attendance Team will do weekly Attendance Pop Ups that celebrate students that show up to school with positive reinforcement activities such as a dance-off, karaoke, and other fun activities to help keep students motivated to come to school. Additionally, we will continue to hold our monthly Community Circle to celebrate students who have 90% attendance or higher, 100% attendance, and most improved attendance. We will also award parent awards to show grattitude towards families for their hard work.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for all students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

Partnership with Children will work with us to ensure that our school celebrates all cultures. We will have cultural celebrations for events such as Hispanic Heritage Month, Black History Month, the Lunar New Year, etc. The Family Outreach Coordinator will work with our Parent Coordinator to develop relationsihps with our families and work closely with the PTA and SLT to ensure all families feel represented. The PWC Social Worker will provide professional development around social-emotional learning and differentiation. They will work with our ENL teacher to provide support for students and our STH Social Worker to ensure support for these families is provided. Our school will also work to provide professional development and sessions for families around students with disabilities and supporting all learners.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Alex Braverman
Assistant Principal (Where Applicable)*	Medina Selmanovic
English as a New Language (ENL) Teacher*	Allison Blechman
Teacher (if school has a bilingual program must be a bilingual teacher)*	Rocio Lezcano
Parent/Guardian*	Cherelle Jennings
Teacher	
Parent Coordinator	
School Counselor	
Related-Service Provider	
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

1

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

1

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

1

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

5

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

208

Total number and percentage (%) of current ELLs:

50 ELLs, 24%

Total number and percentage (%) of former ELLs:

3 Former ELLS, 1.4%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

45 of our ELLs are Newcomers, which is 90% of the ELL population.

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

5 ELLs are developing, which is 10% of the total ELLS

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

1 student is identified as SIFE (2%)

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

10 of our ELLS have IEPs, which is 20% of the total number of ELLs.

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	GE	Spanish	2011	1	1	1	1	.5	.5								5.0
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 1	total: 1	total: 0.5	total: 0.5	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

The Freestanding ENL program is designed for ELLs who are not in the Dual Language Program. Under the CR Part 154.2 regulations, a distinction is made between standalone and integrated groups. Stand-alone ENL groups are usually heterogeneous, including students at the Entering, Emerging and Transitioning levels, although if there is a group of Newcomers who are all at the Entering level, they may be placed in one homogeneous Newcomers' group. Students in standalone or pull-out groups are from one or two contiguous grades, e.g. First and Second or Fourth and Fifth, and may be from different classes.

Integrated ENL:

Integrated ENL is delivered in the students' classrooms, and the ENL Teacher co-teaches with the classroom teacher. This model requires a high degree of coordinated planning between the classroom teacher and the ENL teacher to be successful. The grouping is usually heterogeneous , including all levels of ELLs, from Entering through Expanding and Commanding. The students would most often be from one class, although students could be pulled into one class on a grade.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

Dual Language Bilingual Education (DLBE):

Our Dual Language classes are aimed at having 50% of students as native English speaker sand 50% as native Spanish speakers.

In the Dual Language Program content area, instruction is given in both languages. Math is primarily taught in English, with support from realia and hands-on math materials, but the students are also taught in Spanish with the Illustrative math curriculum. Science and Social Studies are taught in both languages, using realia, pictures, and experiential activities such as hands-on science activities, as well as, online resources, text, and trade books.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

The English as a New Language (ENL) Program is a Push In-Pull Out model that is aligned with the latest comprehensive core curriculum and methods conforming with the guidelines provided by the CR Part 154.2.

Students who have scored at the Entering and Emerging levels on the NYSITELL and the NYSESLAT receive 360 minutes of ENL instruction a week. Students who scored at the Transitioning and Expanding Level receive 180 minutes of ENL instruction a week. Students who score at the Commanding level on the NYSESLAT receive 90 minutes of Integrated ENL.

Intensive intervention services for ELLs are provided by a qualified, licensed, and certified ENL teacher. Although the ENL Teacher is responsible for coordinating all ELL services for entitled children, her main instructional focus is on ELLs who are not in DL classes. Where possible, she gives extra support to ELLs at the lowest proficiency levels in DL classes, in collaboration with their classroom teachers. The ENL Teacher articulates with the classroom teachers to ensure congruence between the ENL and Reading and Writing curricula. Instruction is differentiated according to the grade, level, and needs of the students.

The CR Part 154.2 requires that a specified amount of ENL instruction be integrated within the students' classrooms. The ENL teacher will collaborate with the classroom teachers to make this a reality. Time constraints have limited push-in instruction in the past and these may still apply. The ENL Teacher will look forward to professional development in how to achieve this mandate and continuing guidance from District ELL Specialists in how to schedule it successfully.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

The curriculums we use also have resources in Spanish which allow us to target the needs of all students.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

ELLs receive ENL as part of the 50% of instructional time devoted to English instruction. The language-rich environment of the classes includes a substantial population of students who are already proficient in English, and who serve as models for the ELLs. The DL teachers differentiate instruction while the EPs receive English Language Arts. Students at the Entering and Emerging levels receive 360 minutes of ENL per week, while students at the Transitioning and Expanding levels receive 180 minutes of ENL per week and 180 minutes of ELA. Students at the Commanding level will receive 90 minutes of ENL within the ELA period. Materials used include the Into Reading curriculum and Amira program, AWARD Reading program, and classroom libraries. In addition, the ENL Teacher may pull out ELLs at the Entering level who need extra help.

Home Language Arts (HLA) instruction takes place during the Spanish half of the week. Students receive at least 5 periods of Spanish HLA a week. Home Language Arts Materials used include classroom libraries, and Estrellitas in Kindergarten to Second Grade. We also use Ariba la Lectura to enhance the development of Spanish spelling patterns in Grades 2-5.

To accommodate the recent influx of students, we have also had departmentalization models used to support the needs of our newcomers to ensure instruction in both Spanish and English. There is instructional time dedicated to helping students learn the English language.

b. In which language(s) is each core content area taught?

In the Dual Language Program content area instruction is given in both languages. Math is primarily taught in English, with support from realia and hands-on math materials, but the students are also taught in Spanish with the Spanish version of Illustrative Math. Science and Social Studies are taught in both languages, using realia, pictures and experiential activities such as hands-on science activities, as well as online resources, text and trade books.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

We currently do not have Transitional Bilingual program only Dual Language.

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

Spanish-speaking newcomers are in a Dual Language class, where they are continuously developing their content understanding in Spanish in addition to learning English.

Newcomer ELLs who are lacking foundational skills in Spanish receive intervention services using the program Aprendo Leyendo. This is to build phonological and phonemic awareness in Spanish.

Newcomers who are not in Dual Language receive 360 minutes of Stand Alone services per week with the ENL teacher, and placed in very small groups in order to promote maximum

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

We currently have no SIFE students.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

Only 1.74% of students are former ELLs. These students are integrated into the Dual Language program and are provided
opportunities to engage with the curriculum that is on grade-level. They also receive 90 minutes of strategic reading in a targeted group.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

90% of our ELLs are newcomers. 20% have IEPS. 54% or our ELLs are living in temporary housing. 22% did not demonstrate sufficient ELP progress on the Spring 2023 NYSESLAT.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

Some of our former ELLs only scored a 1 or a 2 on the ELA and Math state exams.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The largest representation is Spanish. Our school has a dual-language Spanish program. Our Parent Coordinator is fluent in Spanish and all communication with families is translated. We have several support staff members including guidance counselors that are fluent in Spanish. All flyers that go home to parents are translated into Spanish.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

64% of our students identify as American Indian or Alaskan Native. 17% identify as Black, 11% identify as Native Hawaiian or Other Pacific Islander. Throughout the year, school assemblies and programs are held and families are allowed to
speak and present their work in the language of their choosing. We also held a Cultural Show and Tell that allowed students to present a board that shared their religion, traditions, family values, etc. all in the language of their choosing

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

73.3% of eligible students did not make sufficient progress. This was due to the majority of our students being brand new to the country, having arrived a few months before the NYSESLAT.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

In 2024, speaking was a strength across multiple grades but reading and writing was a need.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

The general population (Non ELL) has not made sufficient progress on the ELA and Math state tests over the past few years. This in direct correlation with the NYSESLAT.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

n/a

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

n/a

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

m/a

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

n/a

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Our students are held to the same academic standards that all students in the grade must meet. Our staff use language aquisition techniques and strategies to help students with learning English as a language. Students are offered opportunities to integrate with other classes throughout the school day.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

Both our Math and ELA curriculum programs Illustrative Math and Expeditionary Learning have scaffolds and strategies to support ELLs specifically. Planning time will be utilized for teachers to plan best practices for ELL students. and providing culturally responsive teaching. Our school has also looked into further training for Amira to help MLs and ELLs and we have purchased curriculum in Spanish to help our Spanish speaking students. Our SLT will discuss how we can support these students in achieving school-wide goals and removing any barriers for success when possible. Our ILT will review proficiency data and screener data for ELL students and look to identify strategies and supports to help ensure ELLs are making adequate progress in learning. We will also have our ENL teacher provide support to families and professional development for staff throughout the year.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

The school has adopted the Expeditionary Learning program for English Language Arts and Illustrative for Mathematics. A Spanish component is used in Dual Language classes. The curriculum also offers Amira for Spanish language support. Illustrative Math offers a Spanish version for students. Dual Language classes will use texts in both languages to aid Spanish-speaking ELLs in learning Math.

Spanish Language Arts materials include Into Reading's Spanish component, the Estrellita Program for phonemic awareness for Pre-Kindergarten through Second Grade. Heggerty is also used to support phonics instruction in

class. Supplemental classroom instructional materials and resources include, but are not limited to: Big Books in English and Spanish leveled and genre libraries in both languages, books online/websites in both languages, and reference and project materials. These materials are aligned with the Common Core/Next Generation Curriculum, featuring a balance of fiction and non-fiction. Teachers will focus on vocabulary aquisition skills and support students in developing their vocabulary in both languages.

Our staff will utilize discussion protocols to support ELLs, use visual representations to support langauge development, and connecting with students' background knowledge to assist with understanding the text they are reading. The ENL Coordinator will also meet with teachers throughout the year to provide professional development around best practices for ELL students.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Teachers use a variety of instructional strategies: Total Physical Response, modeling, hands-on activities, and individualized word walls. Our literacy curriculum has videos that support MLs and ELLs and can be accessed at home as well. We also have a subscription to RazKids which reads texts to students and allows them to answer comprehension questions. Discussion protocols will also be used to help support language fluency. Teachers of these students will work in conjunction with the special education teachers to ensure that instruction is in alignment with IEP requirements.

b. SIFE

SIFE students are disadvantaged by their limited education in their mother tongues. They often lack basic concepts of print and numeracy. Reading instruction in English for all SIFE is structured around their need to build literacy and math concepts while trying to keep up with a grade-level curriculum. Some of the materials used include the AWARD Reading program and vocabulary development with the Oxford Picture Dictionary of the Content Areas and Words Their Way. The ENL Teacher works with the classroom teacher to build up an awareness of phonemic representation and structures of different genres of print. In Mathematics the use of manipulatives helps build up basic concepts. In Dual Language classes, Estrellita offers a program that helps develop Spanish phonemic concepts.

c. Newcomers

When students first enter an English language school system, they must rapidly begin to acquire the medium of instruction (English) as well as the content of instruction. Students who speak Spanish can continue to receive extensive academic support in their native language in the DL classes, allowing them to both develop literacy in Spanish and grasp the fundamentals of the content areas. These skills can then be transferred to English as they develop a better grasp of the language. The DL teachers work out plans to facilitate this. In the case of students who speak other languages, the ENL teacher works with the classroom teacher to develop a plan to make content areas as accessible as possible while accelerating the acquisition of English. If appropriate literature and content area materials are available in their language, we will try to secure them to help the student. Newcomers may be grouped

together across two contiguous grades in their first year for additional attention by the ENL teacher.
Newcomers particularly benefit from introduction to an expanding vocabulary through use of the Oxford Picture Dictionary for Kids and, for older children, the Oxford Picture Dictionary in the Content Areas. Newcomers are also Included in Title III ENL Extended Day after-school program

d. Long Term ELLs

Long Term ELLs are those students who have completed six years of ENL service and still have not been able to achieve proficiency on the NYSESLAT. Although studies have shown that normal ELLs can take from three to seven years to reach a par with native English speakers, it is a matter of concern when students who have received six years have not reached the standard of proficiency. ELLs in the longterm category get support and remediation if needed to better access grade level content. If an underlying learning disability needs to be addressed as well. A discussion in the RTI Team, guided by an examination of the child's assessment data would be warranted to develop an additional strategy of intervention. ?

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

ELL-SWDs in our school receive both related services and special education instruction. Students receiving related services are given support so that they can remain and be successful in regular education classes. Service providers, including the ENL teacher, work with the classroom teachers to maximize the support they can receive in their regular classroom by pushing in wherever possible. The ENL Teacher, like the Related Service Providers and the Special Education classroom teachers, provides additional scaffolds to make the Common Core curriculum accessible to ELLs with Learning Disabilities. Flexibility is exercised in scheduling to balance the ELL SWDs' academic needs as articulated in their Individual Education Plans with the goals of integrating them in the least restrictive environment and attaining proficiency in English. Under CR Part 154.2, students are mandated to receive Integrated ENL in their classrooms, so the ENL teacher will work with teachers of self-contained and ICT classes to plan the delivery of that instruction.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Almost all of the ELLs in PS 46 are Spanish-speaking; the main native language assessments available to us are in Spanish. Once a child has registered, a formal initial evaluation is given by the Spanish LAB, administered after the NYSITELL determines ELL status. This gives us an idea of the children's academic ability in Spanish. Subsequently, phonemic awareness in S
panish is measured with the Estrellitas Benchmark Assessment at the beginning and end of the year, and regular assessment of student progress is structured into the program. Students in Kindergarten through Fifth Grade DL classes are tested periodically with the EDL, the Spanish version of the DRA. In addition, teachers use teacher-made assessments on a regular basis.
DL classroom teachers have developed some math assessments in Spanish. Where available, MOSL and Benchmark Math assessments are given to Spanish dominant students.

Since there are very few ELLs from other language backgrounds, and we have no staff qualified to design or rate assessments in their languages, we have not at this time administered such assessments. Should our population change, and significant numbers of students enroll speaking another language, we would seek out assistance in seeking or devising and using the most appropriate instruments. If translated versions of any of the standardized

tests exist in their languages we provide students with them. For the NYS Math and Science tests we arrange for outside interpreters to read the tests to the students in their own languages.

Our ENL teacher will work with classroom teachers to provide additional support and resources to families.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

All Teachers are teachers of ELLs, either because they currently have ELLs or they will have ELLs at some point in the future. Therefore the entire professional development plan for the school is relevant to teachers of ELLs, and all teachers need to be conscious of best practices for supporting ELLs. The school's professional development plan is focused on implementing the Next Generation Standards in all content areas. It aims to enhance teachers' skills in specific realms, such as developing more sophisticated questioning techniques and applying the NGLS to all curricular areas. Our school provides instruction in phonemic awareness using Heggerty, phonics support using Fundations and Phonics for Reading, and the Into Reading curriculum for literacy and writing due to the abundance of resources offered. The curriculul also offers strategies specific go ELL/ML students. We also use the Sanford Harmony SEL program to address the emotional needs of our students.

Teachers are encouraged to present what they have learned at workshops outside the school to the broader school community. The administration prepares regular presentations of turnkey and other training during the Professional Learning sessions on Monday afternoons.

The Dual Language Teacher Team meets at least once a month to discuss instruction for ELLs and EPs in English and Spanish. This includes assessments, using data to drive instruction, individual student issues, materials and pedagogy.
As in previous years, we expect to organize an ELL Issues Study Group after school with funds from Title III for Professional Development.

The ELL Coordinator works with the administration to identify professional development opportunities offered by the NYC Department of Education's Office of MultiLingualLearners that would benefit Dual Language teachers, so that their attendance can be arranged.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

CR Part 154.2 requires an expanded commitment to MLL-specific training. To comply with the requirement that 15% of the total hours for all teachers in topics of second language education, and 50% for Bilingual/Dual Language and ENL teachers, we have increased the amount of PD offered in the school, and send more teachers to MLL-oriented PD outside the school. It will also be necessary to keep better records of PD sessions as teachers attend them, so they can be monitored.
The administration keeps a record of all Professional Development offered in the school, and all PD that teachers attend outside the building. Agendas for in-house training and attendance sheets are kept, along with an accounting of the amount of time devoted to each topic. Agendas are also collected for all training sessions outside the building. The ENL Teacher will work with the administration to monitor those records and ensure that the CR Part 154.2 targets are met.

The Dual Language Teacher Team meets regularly to discuss how best to foster MLLs' English language development and how to develop Spanish skills among EPs. The ENL/Dual Language Coordinator keeps agendas and minutes for all those monthly meetings. The District MLL administrator will assist in the facilitation of these meetings.

The Speech Therapist regularly receives ELL training in the course of professional development provided by her supervisor. The ENL Teacher will meet with her to make sure that she is receiving adequate training in ELL issues. Other staff members also need to be included in the effort to raise awareness of the needs of MLLs. Regular collaboration takes place between the ELL/Dual Language Coordinator and the Pupil Accounting Secretary, Parent Coordinator and Family Worker to plan for the registration of new students, providing opportunities for the exchange of views and information. The ENL Teacher provides these staff members with training on the intake procedures specified in Part V of this LAP. The Pupil Accounting Secretary is made aware of training opportunities offered by the DOE on the needs of MLLs and their families. The Parent Coordinator (PC) receives training on issues related to MLLs as well. She has received training as a Language Access Coordinator (LAC) and attends annual LAC training conferences.

The ENL/DL Coordinator meets periodically with the School Assessment Team (SAT) to present data from the NYSITELL, Spanish LAB and NYSESLAT and to help them interpret those scores. The ENL Teacher is also responsible for making sure that members of the SAT are aware of new developments in relation to MLLs and the intervention and evaluation process, such as the new Language Proficiency Team process for determining whether children with learning disabilities are also English Language Learners.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

We use the MAP, Acadience, and Amira as screeners. We will use these assessments to track proficiency and growth in grade-level standards in English.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Our school provides Heggerty for support in phonemic awareness and Fundations for all students in Grades K-2. Students in Grades 3-5 receive support through the use of the Phonics for Reading curriculum. The IntoReading curriculum offers opportunities for small group instruction and our school uses strategic reading periods to target the individual needs of students. In math, we use the Illustrative Math curriculum which is also offered in Spanish, the language of most of our MLL/ELL students. During math, we also provide strategic periods to provide targeted supports to students.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

We will be using Amira, Acadience data, MAP Growth data, and curriculum-based assessments.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

Almost all of the ELLs in PS 46 are Spanish-speaking; the main native language assessments available to us are in Spanish. Once a child has registered, a formal initial evaluation is given by the Spanish LAB, administered after the NYSITELL determines ELL status. This gives us an idea of the children's oral ability in Spanish, and, for children entering in the First Grade and above, their abilities in Reading. Subsequently, phonemic awareness in Spanish is measured with the Estrellitas Benchmark Assessment at the beginning and end of the year, and regular assessment of student progress is structured into the program. Students in Kindergarten through Fifth Grade DL classes are tested periodically with the EDL, the Spanish version of the DRA. In addition, teachers use curriculum-based assessments on a regular basis.
DL classroom teachers have developed some math assessments in Spanish. Where available, MOSL and Benchmark Math assessments are given to Spanish dominant students.
In Freestanding ENL class, we do not use Spanish assessments, since the instruction is in English. However, Spanish-speaking students are offered Spanish versions of Benchmark Math assessments, if they are available, and they can take the state-wide Math test in Spanish.
Since there are very few ELLs from other language backgrounds, and we have no staff qualified to design or rate assessments in their languages, we have not at this time administered such assessments. Should our population change, and significant numbers of students enroll speaking another language, we would seek out assistance in seeking or devising and using the most appropriate instruments. If translated versions of any of the standardized tests exist in their languages we provide students with them. For the NYS Math and Science tests we arrange for outside interpreters to read the tests to the students in their own languages.

We will use Amira and Ariba la Lectura to evaluate MLs and ELLs in their home language throughout the year.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

Our schoool will be using i-Ready to assess
students throughout the year. It will be administered in the beginning of the year, the middle of the year and the end of the year to collect information on the progress of students in the course of the year in mastering the Next Generation Standard based curriculum. With the data provided, teachers are able to plan more effectively for differentiation when providing small group instruction.

We have not used the ELL Periodic Assessment in several years because we did not find the data it provided specific enough to be useful. In addition, we are mindful that there should be limits in the proportion of time children should be tested in relation to instruction and practice. We believe that analysis of i-Ready, Running Records, DRA and EDL, combined with classroom observation and collaboration between the ENL Teacher and Classroom Teachers can supply a rich body of data to guide the planning of instruction.

During blended teaching and learning, ELL's progress is monitored through the 4 domains of listening, speaking, reading and writing. Classroom teachers, Dual language teachers and the ENL teacher use assessments from their classroom earlier in the year, along with information shared from families to make decisions about next steps in supporting children and families, including what activities and resources to share. Teachers support families in understanding different areas of development, making connections between student's experiences at home and in

the classroom earlier in the year, and understanding their student's strengths and needs. Teachers work together to share with families about their child's progress through email, phone, Google meets, Zoom, and Class Dojo.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

Our ENL teacher will serve as the assessment coordinator and will administer and score exams. They will coordinate with our Special Education teacher leader to ensure that all ELLs and IEP mandates are followed during testing. Scheduling for this exam will work around the schedule of support already in place.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

The ELL program orientation is scheduled for guardians of newly identified ELLs in a timely fashion.
We use a human translator (or pocket translators if necessary) to ensure that all communication is translated to the language needed by our families. Meetings are conducted throughout the year in addition to the initial ELL Identification process meeting that takes place when new students enroll.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

The meetings are scheduled in our master calendar for the year to ensure they are communicated effectively and in a timely manner in all languages needed by our families. We use Google Translate, pocket translators, and other methods to ensure that all communication is translated to the language needed by our families. Meetings are conducted throughout the year in addition to the initial ELL Identification process meeting that takes place when new students enroll. Teachers share data from student performance that can be shared with the families.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Our school prints a weekly newsletter that is shared on Class Dojo and emailed out. Class Dojo translates text into all languages. Translated copies of all documents are provided so that families can respond in the language of their choosing.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

We have several events and opportunities throughout the year to invite families into the school to participate in school-wide events such as Movie Night, school dances, Math Night, and holiday events. Through conversations with students and families, we learn what their needs are and work with them to provide the necessary support.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

We publish weekly newsletters that provide resources and information in all languages needed. All opportunities for SLT and PTA are sent via Class Dojo and translate automatically.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Our Community Based Organization, Partnership with Children, employs two staff members that are proficient in Spanish and help ensure that all students have someone they can talk to when they need a assistance.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Allison Blechman - ENL Teacher
Medina Selmanovic - Assistant Principal
Rocio Lezcano - Dual Language Teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

The ENL teacher is responsible for parent and student interviews and NYSITELL eligibility. The school secretary and parent coordinator reach out to the ENL teacher regarding new admits through the year to ensure the new enrolled students are interviewed and the parents met with. The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days
for students entering with IEPs). If a family comes to register and the ENL teacher is busy working with a student(s), another pedagogue who is part of the identification team will meet with the family to complete the HLIS. Alternatively, the family will be asked to come back later in the day, when someone is available so as not to disrupt instruction.

Throughout the year, we ensure that all ELLs receive their mandated services by consulting their mandates and scheduling services accordingly. A majority of our incoming ELL students speak Spanish and are enrolled into our Spanish Dual Language program. Our Parent Coordinator is fluent in Spanish and checks in regularly with studentsand families of ELLs. Additionally, both our Guidance Counselor and Social Worker are fluent in Spanish and reach out to students and families to provide support. This includes former ELL students as well. Families are also supported with the middle school application process and are able to schedule times to meet with our staff for support when needed. Our school also offers other language translation services for all families to ensure that ELLs,

former ELLs,
and English proficient families all have access to resources that will assist them in learning a new language. Services for these students will be determined based on their proficiency levels as measured by the NYSESLAT.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Alex Braverman

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Allison	Blechman	Teacher - Regular Grades - ESL	11/15/2023	

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS)

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
SPANISH	47	22.5%	47	22.5	8	10
BENGALI (BANGLA IN BANGLADESH)	1	.48%	2	.96	0	0
ENGLISH	159	76.4%	159	76.4%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
IEPs	The SBST translates IEPS into the home language when necessary.
Flyers to remind parents about events	We send every flyer home in both English and Spanish.
Announcements on Class Dojo	The app automatically translates all text into a parent's preferred language

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops,	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

PTCs)	
Parent workshops	Someone on staff will sit with the families and translate for them. We also just received transmitter devices that we plan to start using next year for simultaneous translation.
PTC	Other staff members will facilitate translation when the teacher is not fluent in the home language.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

We have already translated many documents into different languages in order to effectively communicate. We have several staff members proficient in other languages and have matched them with families that speak the same language. We utilize our phones, website, Class Dojo, social media, and Whatsapp to communicate with families. We also have pocket talk translators.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

We will dedicate a Monday PD time to ensure that all staff members complete the required NYCPS Language Access Training. The LAC will meet with all staff to review the Best Practices for When to Provide Translation document.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Our school offers translated signage that allows families to say hello in their language, translated newsletters and messages home. We share information in necessary languages at all events, and have staff on-hand to provide support. We use Class Dojo, Constant Contact, and Whatsapp to communicate with families. Our families also receive Parent Guide to Language Access and the NYCPS Guidebook.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

The LAC plans to reach out to families who require oral translation, and see if this is the reason they do not attend PTA meetings and workshops. She will meet with these families face-to-face, as that has proven to yield the greatest response.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

We recently received a set of devices that will allow us to provide simultaneous translation at events such as PTA meetings, workshops, and celebrations. The LAC plans to promote these translation services and recruit new families to attend meetings.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

50 students among our classes in Grades K-5.

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5

Total number of teachers in this program:

5

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

5

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Students in the ELL program will receive instruction in the ELL After School Program. All ELL students in grades K-5 will be serviced. We want to support all students from Emerging to Commanding.

The After school Program will take place 2 X a week for 1hour and 15 minutes on Wednesdays and Thursdays from 2:30-4:00 pm. Starting October 2025 to January 2026. Totaling approximately 22 sessions. The language for instruction will be in English/Spanish taught by 5 certified Bilingual teachers with Bilingual Extension. There will one class per grade in K-3 and one class for Grades 4-5. There will be up to 15 students in each group.

Aside from using curricula that can be found in-house at no cost to the Title III funds, we plan on potentially purchasing Geodes, Raz Plus, Fundations, Aprendo Leyendo, and Spanish decodables from Benchmark for this afterschool program. We will also look into getting subscriptions to Lexia.

These materials will be at cost and will not exceed 20% of the total allocation.

Materials will be stored in our Book Room in a separate section indicated for Title III afterschool. Purchased materials will only be used during our afterschool program and not during our regular hours of instruction.

For Entering and Emerging ELLs, this means particular attention to the acquisition of basic vocabulary and grammatical structures. Teachers will assign tasks using picture dictionaries, gestures, realia and other on-line resources to meet the needs of these students. 4-6 year and Long Term ELLs will be given activities that activate prior knowledge and use expanded vocabulary to attack higher order material. Activities for SIFE students will address their deficits in academic development by stressing basic literacy needs. Tasks for SWDs will be modified according to their individual needs as indicated in their IEPs.

Students in Kindergarten, First and Second Grade and other Newcomers will concentrate on developing basic interpersonal communication skills and the cognitive academic skills that they need to be successful in school. Students in Grades Three, Four and Five will build on that foundation to hone their development of academic English skills to prepare them for the rigorous approach to the curriculum expected of them.

Materials will be at cost to the Title III LEP Funding, however, they will not exceed 20% of the total allocation. The program will be supervised by the school Principal at no cost to the Title III LEP Funds.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Rationale: English Language Learners (ELLs) need extra support in the acquisition of English for academic purposes, especially with the added demands associated with the Next Generation Standards. We have found that a focused elementary school after-school program with small groups can accelerate the development of English skills as measured by the NYSESLAT 2024.

This year we will use our Title III funds for direct supplemental instructional services which complement core bilingual and ENL services. The after school instruction will take place in the school building after-school.

Our school received a significant influx of Spanish-speaking students, and our program will work to provide them additional support in becoming more proficient in English.

Based on the 2024 NYSESLAT data, the two areas of high-need are speaking and writing. Students also show a need for support with reading.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Students will be served in grade subgroups Kindergarten, 1st Grade, 2nd Grade, 3rd Grade, and a 4-5 bridge class. Entering and Emerging ELLs in the subgroups with receive extra support through targeted vocabulary instruction. Each group will have no more than 15 students. All ELL subgroups will be invited to attend this program.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The afterschool program will run from October 2025 to January 2026 on Wednesdays and Thursdays from 2:30-4:00pm. It will have approximately five teachers and will run for approximately 22 sessions before other funds will be explored to see if the program can continue.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction will be predominantly English with use of Spanish as a home language support. The focus will be on English language acquisition and enhancement of English proficiency. Entering level students may need accommodations to make the input comprehensible. Since the classes will be conducted by licensed bilingual Spanish teachers, they will be able to differentiate for any Spanish-speaking students who need support. Bilingual dictionaries in the other languages of the school (Bengali and Spanish) will be available as well to provide native language support.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

There will 5 TESOL/Bi-lingual certified teachers.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

We will be using materials that are provided to our whole school population to support Title III students at no cost to Title III funds. We will be purchasing additional materials that will only be used in our Title III afterschool program and they will not be available for use during regular school day instruction.

Materials will be at cost but not greater than 20% of the Title III LEP Fund.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records,**

evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.

Attendance will be taken daily by teachers on hard copy as well as assessments and progress monitoring. The curriculum we will use includes progress monitoring tools which will be used to track progress. Letters and communication sent to families will be sent in translated versions that match the home language for the student. Letters to sign up for the program will be sent out at the end of September and the ENL Coordinator will be the point person to keep these applications, weekly attendance, and other records.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

In SY 2025-2026, in order to increase teacher knowledge of best practices, teachers in the ENL and Dual Language Program will receive professional development.

There will be cycles of professional learning during the 60 minute PD days on Mondays September 2025.
Topics to be covered:
The ELL Classroom Strategies workshop involves going through the 5 stages of language acquisition and providing strategies that the teacher can use, detailing concrete activities for each one of these stages.

Stage I: Silent/Preproduction Stage

Stage II: Early Production Stage

Stage III: Speech Emergence Stage

Stage IV: Intermediate Fluency Stage

Stage V: Advanced Fluency

Questioning Techniques for the ELL Classroom

Teachers who work collectively to review their instructional strategies in light of best practices drawn from professional literature enrich their classrooms and improve student outcomes. Ongoing, recurring professional development has been found to be most successful in improving classroom practice. This is especially true as the Next Generation Standards call for greater rigor in all aspects of the curriculum..

Teachers to receive training: Every teacher in the school works with ELLs, so all teachers are invited to join the study group. Since a higher proportion of ELLs are in Dual Language classes, Dual Language teachers receive preference.

Five teachers will be selected as participants, with a sixth teacher as the participant-facilitator.

Topics to be covered: This year the focus will be on building students' building equity in
the classroom for better academic access for our ELLs.
*how to engage ELLs fairly and equitably.
*how to create meaningful lessons
*how to develop productive reading and writing prompts
In addition, we will use the text to examine:
*best practices for our Dual Language Program, based on a discussion of Bottom Lines for Dual Language Program
* an Action Plan to improve equity for the two languages in the program

Other PD for teachers of ELLs: The school develops a Professional Learning Community plan each year for all the staff. At least 15% of those topics concern improving instruction for ELLs and communication with their parents.

The Dual Language Teachers meet twice a month as a team for collaboration and ongoing professional development in best practices and issues with bilingual education.
The professional development component will be at no cost to Title III funding.
Teacher attendance will be kept in the AP's office.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Our topics that are provided by the ENL teachers will include the ELL identification process, the various stages of second language acquisition vs. language disabilities, practices that are most effective in teaching ELLs, and analyzing data from ELL assessments and the ELA exam to inform instruction. These professional development activities will ensure teachers are up to date on best practices. The professional development is based on classroom observations, data collection, and teacher input regarding supports needed for instruction.

Teachers have shared observations that ENL students are behind academically. Many students have had an interrupted instructional career and are not on grade-level in terms of reading or math.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

The ENL and Dual Language Teachers and teachers who have ELLs in their classrooms.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Schedule and duration: There will be sessions throughout the year during Monday Professional Development sessions that will run approximately 1 hour. The PD will take place between 2:20-3:20 pm or 3:00-4:00 pm depending on our schedule. The PD will start in October and run through March 2026.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Topics this year will include:
* using the Translation and Interpretation service more effectively
* analyzing the needs of ELLs based data from the 2024-2025 NYSESLAT and 2024-2025 MAP and MOSL scores
* Vocabulary Development for ELLs
*preparing ELLs for the NYSESLAT and other assessments
*Language Acquisition or Language Disability or both?

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Lisa Weis, ML/ELL Services Administrator
In-house PD from teachers- Rocio Lezcano
ENL Teacher- Allison Blechman

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

We will maintain a digital portfolio containing our PD calendar, agendas, attendance pages, presentations, and artifacts created in those sessions.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

In SY 2025-26, we want to support and empower parents to best help their children. For this reason, we will have parent engagement that involves hands-on workshops where they can learn strategies that they can implement with their children at home.

Workshops are scheduled once a month and we provide different times(morning, afternoon, and evenings) to accommodate parents schedules. We will offer in person and virtual workshops. This will be at no cost to the Title III LEP Funds. The data used to inform the topics is based on NYSESLAT, Screener data (Acadience and MAP), and classroom assessments.

-We want to begin by making families feel welcome.
• Strengthen home-school partnerships on behalf of ELL students
• Recognize and build upon your ELL parents' strengths
• Harness the energy and ideas of staff, parents, and students in shaping those partnerships
• Mobilize and empower staff to become teacher leaders
• Engage school-wide staff members beyond the ELL/bilingual departments
• Create a culture of respect throughout the school community
• Learn how to advocate for and allocate resources on behalf of ELL families
• Encourage all participants to keep trying new, creative approaches until they find what works
• Implement the changes needed to make your new plan successful.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**

- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Family Engagement Surveys
Conversations with families about support that is needed
Data around literacy and writing

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

The parent engagement workshops will be one hour long and will take place once a month from September 2025-June 2026. We aim to host 7-9 meetings total. We will offer flexible options for each when possible, scheduling each workshop in the morning 8-9am, 3-4pm and 6-7pm in order to accommodate different schedules.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

September 2025: Community Building and SEL- Parents will be invited to a breakfast in which they will be shown how our school runs SEL programming and how we support our students. Families will have an opportunity to engage with one another and discuss how they support family when they are in times of need.

October 2025: Reading Strategies: Parents are invited to this workshop, which aims to emphasize the importance of reading outside the classroom. Teachers will discuss strategies they can use while reading with their children. The ENL teacher will show reading lessons as to let parents know how conversations help with reading. The teachers and parents will uncover useful questioning skills in reading. Materials such as slide decks, brochure, and a recommended book list will be distributed to parents. Parents are also given bilingual books, so they can work on their children's literacy skills in their home language.

December 2025: Digital Citizenship for Parents will focus on how parents can help students use technology safely. We will show parents resources that help young people learn how to harness the power of digital technologies in positive ways.

March 2026: Getting Ready for NYSESLAT – Parents of ENL students will be invited to this workshop, which aims to enhance the awareness of the upcoming NYSESLAT exam. ENL and Bilingual teachers will discuss the specific language skills that parents should be aware of and the types of activities or exercises that parents can do with their children at home. The ENL teacher will also provide materials and list resources for parents to use at home.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Allison Blechman- ENL Teacher
Monica Batista- Spanish DL Teacher
Caroline Zafra- Spanish DL Teacher
Reina Garcia- Spanish DL Teacher
Theresa Weisner- Parent Coordinator
Aida Rondon- Director of Partnership with Children
Alex Braverman- Principal

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents will be notified in various ways in the parent preferred language: email, flyers, website, Classroom Dojo, and phone calls.

Translation will be provided using our own staff or contacting the Office of Language access. Interpretation at the events will be provided by staff members fluent in the home language of the family. We will also use our Pocket Talk devices for translation.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Records will be kept by our Parent Coordinator who will create a digital portfolio of invitations, attendance, agendas, presentations and artifacts from these events.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem		
Purchased services -High quality staff and curriculum development contracts.		
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.		
Educational Software (Object Code 199)		
Travel		
Other		
TOTAL		

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5

Total number of teachers in this program:

5

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

Students in the immigrant program will receive instruction in the ELL After School Program. All immigrant students are ELLs. All ELL students in grades K-5 will be serviced.
The After school Program will take place 2 X a week for 1hour and 30 minutes from 2:30-4:00 pm. Starting March 2026- June 2026. Totaling approximately 22 sessions. The language for instruction will be in English/Spanish taught by 5 certified Bilingual teachers with Bilingual Extension. There will one class per grade in K-3 and one class for Grades 4-5. There will be up to 8 immigrant students in each group.

Aside from using curricula that can be found in-house at no cost to the Title III funds, we plan on potentially purchasing Aprendo Leyendo, Geodes, Raz Plus, Fundations, and Spanish decodables from Benchmark for this afterschool program. We will also look into getting subscriptions to Lexia.

These materials will be at cost and will not exceed 20% of the total allocation.

Materials will be stored in our Book Room in a separate section indicated for Title III afterschool. Purchased materials will only be used during our afterschool program and not during our regular hours of instruction.

For Entering and Emerging ELLs, this means particular attention to the acquisition of basic vocabulary and grammatical structures. Teachers will assign tasks using picture dictionaries, gestures, realia and other on-line resources to meet the needs of these students. Activities for SIFE students will address their deficits in academic development by stressing basic literacy needs. Tasks for SWDs will be modified according to their individual needs as indicated in their IEPs.

K-5 Newcomers will concentrate on developing basic interpersonal communication skills and the cognitive academic skills that they need to be successful in school.

The program will be supervised by the school Principal at cost to Title III Funds. Principal hours are 7:00-3:00 pm. The program will require one hour and half of per-session from 3-4 pm.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

Rationale: Immigrant English Language Learners (ELLs) need extra support in the acquisition of English for academic purposes, especially with the added demands associated with the Next Generation Standards. We have found that a focused elementary school after-school program with small groups can accelerate the development of English skills as measured by the NYSESLAT 2026.

This year we will use our Title III funds for direct supplemental instructional services which complement core bilingual and ENL services. The after school instruction will take place in the school building after-school.

Our school received a significant influx of Spanish-speaking students, and our program will work to provide them additional support in becoming more proficient in English.

Based on the 2025 NYSESLAT data, the two areas of high-need are speaking and writing. Students also show a need for support with reading.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

Students in the immigrant program will receive instruction in the ELL After School Program. All immigrant students are ELLs. All ELL students in grades K-5 will be serviced.
The After school Program will take place 2 X a week for 1hour and 30 minutes from 2:30-4:00 pm. Starting March 2026- June 2026. Totaling approximately 22 sessions. The language for instruction will be in English/Spanish taught by 5 certified Bilingual teachers with Bilingual Extension. There will one class per grade in K-3 and one class for Grades 4-5. There will be up to 8 immigrant students in each group.

Aside from using curricula that can be found in-house at no cost to the Title III funds, we plan on potentially purchasing Aprendo Leyendo, Geodes, Raz Plus, Fundations, and Spanish decodables from Benchmark for this afterschool program. We will also look into getting subscriptions to Lexia.

These materials will be at cost and will not exceed 20% of the total allocation.

Materials will be stored in our Book Room in a separate section indicated for Title III afterschool. Purchased materials will only be used during our afterschool program and not during our regular hours of instruction.

For Entering and Emerging ELLs, this means particular attention to the acquisition of basic vocabulary and grammatical structures. Teachers will assign tasks using picture dictionaries, gestures, realia and other on-line resources to meet the needs of these students. Activities for SIFE students will address their deficits in academic development by stressing basic literacy needs. Tasks for SWDs will be modified according to their individual needs as indicated in their IEPs.

K-5 Newcomers will concentrate on developing basic interpersonal communication skills and the cognitive academic skills that they need to be successful in school.

The program will be supervised by the school Principal at cost to Title III Funds. Principal hours are 7:00-3:00 pm. The program will require one hour and half of per-session from 3-4 pm.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

The After school Program will take place 2 X a week for 1hour and 30 minutes from 2:30-4:00 pm. Starting March 2026- June 2026. Totaling approximately 22 sessions. The language for instruction will be in English/Spanish

taught by 5 certified Bilingual teachers with Bilingual Extension. There will one class per grade in K-3 and one class for Grades 4-5. There will be up to 8 immigrant students in each group.

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

The language of instruction will be predominantly English with use of Spanish as a home language support. The focus will be on English language acquisition and enhancement of English proficiency. Entering level students may need accommodations to make the input comprehensible. Since the classes will be conducted by licensed bilingual Spanish teachers, they will be able to differentiate for any Spanish-speaking students who need support. Bilingual dictionaries in the other languages of the school (Bengali and Spanish) will be available as well to provide native language support.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

There will be four certified teachers working on this program.

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

Aside from using curricula that can be found in-house at no cost to the Title III funds, we plan on potentially purchasing Aprendo Leyendo, Geodes, Raz Plus, Fundations, and Spanish decodables from Benchmark for this afterschool program. We will also look into getting subscriptions to Lexia.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**

- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

Attendance will be taken daily by teachers on hard copy as well as assessments and progress monitoring. The curriculum we will use includes progress monitoring tools which will be used to track progress. Letters and communication sent to families will be sent in the parents' preferred language in February about the program launch in March. All documentation will be stored in a binder with our ENL Teacher.

Part C: Professional Development

Professional Development Summary
Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

In SY 2025-2026, in order to increase teacher knowledge of best practices, teachers in the ENL and Dual Language Program will receive professional development.

There will be cycles of professional learning during the 60 minute PD days on Mondays.
Topics to be covered:
The ELL Classroom Strategies workshop involves going through the 5 stages of language acquisition and providing strategies that the teacher can use, detailing concrete activities for each one of these stages.

Stage I: Silent/Preproduction Stage

Stage II: Early Production Stage

Stage III: Speech Emergence Stage

Stage IV: Intermediate Fluency Stage

Stage V: Advanced Fluency

Questioning Techniques for the ELL Classroom

Professional development will be at no cost to the Title III Immigrant Funding.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

Our topics that are provided by the ENL teachers will include the ELL identification process, the various stages of second language acquisition vs. language disabilities, practices that are most effective in teaching ELLs, and analyzing data from ELL assessments and the ELA exam to inform instruction. These professional development activities will ensure teachers are up to date on best practices when instructing immigrant ELLs. The professional development is based on classroom observations, data collection, and teacher input regarding supports needed for instruction.

Teachers have shared observations that ENL students are behind academically. Many students have had an interrupted instructional career and are not on grade-level in terms of reading or math.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

The ENL and Dual Language Teachers and teachers who have immigrant ELLs in their classrooms.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

March -June 2026. They will take place during Monday professional development for one hour between the hours of 2:30-4:00 pm.

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

Our topics that are provided by the ENL teachers will include the ELL identification process, the various stages of second language acquisition vs. language disabilities, practices that are most effective in teaching ELLs, and analyzing data from ELL assessments and the ELA exam to inform instruction. These professional development activities will ensure teachers are up to date on best practices when instructing immigrant ELLs. The professional development is based on classroom observations, data collection, and teacher input regarding supports needed for instruction.

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

Lisa Weis- MLL Services Administrator
Allison Blechman- ENL Teacher

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

A paper or digital binder will be created to store agendas and attendance.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

In SY 2025-26, We want to support and empower parents to best help their children, For this reason, we will have parent engagement that involves hands-on workshops where they can learn strategies that they can implement with their children at home.

Workshops are scheduled once a month on the in the middle of the month. We also provide different times(morning, afternoon, and evenings) to accommodate parents schedules. We will offer in person and virtual workshops. This will be at no cost to the Title III Immigrant Funds.

-We want to begin by making immigrant families feel welcome.
• Strengthen home-school partnerships on behalf of Immigrant ELL students
• Recognize and build upon your Immigrant ELL parents' strengths
• Harness the energy and ideas of staff, parents, and students in shaping those partnerships
• Mobilize and empower staff to become teacher leaders
• Engage school-wide staff members beyond the ELL/bilingual departments
• Create a culture of respect throughout the school community
• Learn how to advocate for and allocate resources on behalf of ELL families
• Encourage all participants to keep trying new, creative approaches until they find what works
• Implement the changes needed to make your new plan successful.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

Family Engagement Surveys
Conversations with families about support that is needed
Data around literacy and writing

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

The parent engagement workshops will be one hour long and will take place once a month from March 2026- June 2026. We aim to host 2-3 meetings. We will offer flexible options for each when possible, scheduling each workshop in the morning 8-9am, 3-4pm and 6-7pm in order to accommodate different schedules.

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

Getting Ready for NYSESLAT – Parents of ENL students will be invited to this workshop, which aims to enhance the awareness of the upcoming NYSESLAT exam. ENL and Bilingual teachers will discuss the specific language skills that parents should be aware of and the types of activities or exercises that parents can do with their children at home. The ENL teacher will also provide materials and list resources for parents to use at home.

How to support English Language at home.

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Allison Blechman- ENL Teacher
Monica Batista- Spanish DL Teacher
Rocio Lezcano- Spanish DL Teacher
Ingrid Mendez- Spanish DL Teacher
Reina Garcia- Spanish DL Teacher
Theresa Weisner- Parent Coordinator
Aida Rondon- Director of Partnership with Children
Alex Braverman- Principal

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Parents will be notified in various ways in the parent preferred language: email, flyers, website, Classroom Dojo, and phone calls.

Translation will be provided using our own staff or contacting the Office of Language access. Interpretation at the events will be provided by staff members fluent in the home language of the family. We will also use our Pocket Talk devices for translation.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

A digital or paper portfolio will store agendas and attendance.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

6,935

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem		
Purchased services -High quality staff and curriculum development contracts.		
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.		
Educational Software (Object Code 199)		
Travel		
Other
