Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages

- Part C: Parent Communications and Engagement
- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

P.S. 380 John Wayne Elementary School

District Borough Number (DBN):

14K380

Grades Served:

Pre-K - 5

School Address:

370 Marcy Avenue, Brooklyn, NY 11206

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Victoria Prisinzano	*Principal or Designee	
Emma Porzio	*United Federation of Teachers (UFT) Chapter Leader or Designee	
Santa Alegria	*Parents' Association (PA)/ Parent-Teacher Association (PTA) President or Designated Co-President	
	District Council 37 (DC 37) Representative (staff), if applicable	
	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for high schools)	
	Student Representative (Required for high schools)	
	CBO Representative, if applicable	
	Student Representative (Required for CSI, TSI, Receivership Middle Schools)	
	Student Representative (Required for CSI, TSI, Receivership Middle Schools)	
Kristi Holzapfel	Staff/Chairperson	
Jessenia Gutierrez	Staff	
Johann Cariello	Staff	
Lizbeth Perez	Parent	
Anabel Cruz	Parent/PTA Member	
Benito Ocasio	Parent	
Vanessa Conde	Parent	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

At John Wayne Elementary School (P.S. 380), we are dedicated to creating a safe, inclusive, and nurturing learning environment where every child is valued and supported. We believe that meaningful learning occurs when students feel respected, challenged, and inspired. Through strong partnerships among educators, families, and community members, we commit to a shared vision: that every student has the ability to achieve academic excellence and grow into a confident, compassionate, and curious lifelong learner. We strive to cultivate critical thinking, creativity, and a love of learning in all students, ensuring they are prepared to meet the challenges of the future with resilience and purpose. Our mission is to empower all learners to reach their highest potential and contribute positively to the world around them.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P.S. 380 – John Wayne Elementary School – is a diverse and inclusive learning community located in the heart of Brooklyn. We are committed to providing a safe, nurturing, and academically rigorous environment for all learners. Our school serves approximately 400 students in grades 3K through 5, with a student body that is 55% male and 45% female. Demographically, our students identify as 69% Hispanic, 21% Black, 7% White, and 2% Asian. We proudly serve a community where 84% of our students are economically disadvantaged, 11% are in temporary housing, 38% are students with disabilities, and 14% are English Language Learners (ELLs).

Our school embraces high academic expectations while prioritizing social-emotional development and culturally responsive teaching practices. We offer full-day Pre-K and one 3K for All class, which emphasize center-based learning, purposeful play, creativity, and the development of emotional intelligence. Instruction in all grades is aligned with the New York State Next Generation Learning Standards, ensuring continuity and rigor across content areas.

P.S. 380 provides robust academic intervention services including Wilson, Fundations, Fun in Focus, SPIRE, and Sound Sensible, to support students who need additional help in literacy and foundational skills. Our special education program is comprehensive, featuring Integrated Co-Teaching (ICT) classes in every grade, as well as 12:1 and Horizon 8:1:1 classes. Students receive related services such as speech therapy, occupational therapy, physical therapy, and counseling in accordance with their Individualized Education Programs (IEPs). A full-time ELL teacher supports our multilingual learners, and beginning in the 2025–2026 school year, we will launch Spanish Dual Language classes in grades K–5.

Social-emotional learning is embedded in our school culture, with every classroom featuring cozy corners, mood meters, and activities that support emotional well-being. Beyond the classroom, students can participate in a variety

of enrichment opportunities, including interest-based clubs, Debate Club, and Student Council.

Our dedicated staff work collaboratively through school-based teams such as the Math Team, Data Team, Instructional Leadership Framework (ILF) Team, and Equity Team, to continuously enhance instructional quality and student outcomes. Technology plays an integral role in teaching and learning, supported by Smart Boards in every classroom, a state-of-the-art computer lab, a hydroponics lab, iPads, Chromebooks, and AI tools that prepare students for careers of the future.

P.S. 380 values community partnerships that enrich learning and extend student experiences beyond the classroom. We are proud to collaborate with organizations such as the Brooklyn Historical Society, Horticultural Society of New York, Creative Art Works, Sunworks, Generation Ready, Ana Soto, St. Nick's Alliance, and the Brooklyn North Yoga YMTPP program. Our partnership with St. Nick's Alliance includes a free five-day-a-week afterschool program for students in grades Pre-K through 5.

Family engagement is central to our success. We foster strong home-school connections by offering monthly PTA meetings, parent workshops, and ongoing opportunities for families to participate in school events and initiatives. At P.S. 380, we are united in our commitment to helping every child thrive — academically, emotionally, and socially.

Briefly summarize the key initiatives your school will implement this school year.

This school year, P.S. 380 will implement several strategic instructional initiatives to strengthen teaching and learning across all grade levels. Our English Language Arts program will continue to be anchored in HMH Into Reading and Fundations, with supplemental support from Waggle, Amira, and Writable to enhance student engagement, reading fluency, and writing development through differentiated, data-driven instruction.

We will maintain a strong focus on progress monitoring to assess student growth regularly and inform instructional decision-making. In mathematics, we will utilize i-Ready's instructional component to personalize learning and support students at their individual levels.

Teachers will continue to engage in professional learning around "unwrapping" the NYS Next Generation Learning Standards, ensuring a deep understanding of grade-level expectations. In alignment with this work, we will revise and refine Into Reading and Into Math unit and weekly assessments to ensure they are fully aligned to the standards and reflective of rigorous instruction.

To support students requiring additional literacy intervention, we will continue to implement SPIRE and Sound Sensible, providing targeted, research-based support to strengthen foundational reading skills.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	Into Reading	
Math	K-5	Into Math	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2024-2025 MAP ELA Screener	vocabulary	complexity of word knowledge
2024-2025 Acadience Screener/MAP ELA Screener	phonics	decoding, blending, CVC words

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	41%	By June, 2026, literacy for All Students will improve, as measured by a 10% Increase, from 41% to 51%, of percentage of students on or above on the EOY ELA iReady Screener.
Students with Disabilities (SWD)	5%	By June 2026, literacy for Students with Disabilities (SWD) will improve, as measured by a 10% increase, from 5% to 15%, of percentage of students scoring on or above on the EOY iReady ELA Screener.
English Language Learners (ELL)	7%	By June 2026, literacy for English Language Learners (ELL) will improve, as measured by a 10% increase, from 7% to 17%, of percentage of students on or above on the EOY ELA iReady Screener.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

EOY ELA MAP Screener

Enter a Key Performance Indicator

percentage of students at or above

Baseline:

16% of all students will be on or above grade level on the 2025-2026 BOY ELA iReady Screener.

Enter the date for the baseline data:

September 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Administer Baseline: 16% of all students will be on or above grade level on the 2025-2026 BOY ELA iReady Screener.

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

21% of all students will be on or above grade level on the 2025-2026 MOY ELA iReady Screener.

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

31% of all students will be on or above grade level on the 2025-2026 EOY ELA iReady Screener.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Administer Baseline: 5% of ELL will be on or above grade level on the 2025-2026 BOY ELA iReady Screener.

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

10% of ELL will be on or above grade level on the 2025-2026 MOY ELA iReady Screener.

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

15% of ELL will be on or above grade level on the 2025-2026 EOY ELA iReady Screener.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

-Group students for different instruction based on performance.

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
During grade meetings/data chats, teachers and grade facilitators will review screener data to determine areas of focus for the 2025-2026 school year. We will utilize assessment plans including ELA iReady, ELA & Math Acadience, Fundations unit test scores, and all unit tests.
Small group phonics instruction will be designed to address specific areas of need identified by the screener results. AIS providers will use SPIRE, Fundations Fun in Focus, and HMH resources aligned to each grade level module. In ICT settings, teachers will be pulling small groups. Paraprofessionals will also assist with small group work during math and literacy blocks.
Heggerty and Fundations will continue to be integrated into the reading block as part of the core instruction. During weekly grade level meetings, data will be discussed, next steps will be implemented and progress monitored, parents will be informed.
Teachers will attend district-provided professional development sessions focused on implementing effective

strategies to support diverse learners and improve student outcomes. Teachers will be able to utilize all the HMH resources for station teaching. As well as ensuring dedicated time allotted for station teaching. Task cards will be used and monitored by teachers.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To ensure the successful implementation of our key strategies and action steps, we will utilize the following core structures:

Data Chats: Collaborative data chats will take place with teachers and administrators at the beginning, middle, and end of the year, based on screener data. These conversations will help track student progress, highlight areas needing improvement, and inform strategic instructional decisions.

Targeted Small Group and Station Teaching: Screener data will be examined by class and grade level to determine the focus areas for small group instruction. Station teaching will be implemented to allow for differentiated instruction, enabling students to rotate through purposeful learning activities that address their specific needs.

Responsive Lesson Planning: Lesson plans will be modified in response to the screener data, ensuring that instruction meets the varied needs of all learners. This approach promotes targeted and flexible instruction tailored to student progress.

Throughout the year, we will continuously gather and analyze screener data at key checkpoints to evaluate the effectiveness of instruction and its impact on student learning and achievement. This ongoing review process will drive instructional adjustments and support evidence-based teaching practices.

Data Chats will include classroom teachers, administration, coaches. Follow ups and next steps will be monitored in the given amount of time. Administration will also progress monitor during Advance teacher observations.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/01/2025	05/31/2026	CBO Partner, St. Nick's Afterschool Academic Support including HW help. Including per session pay for PS 380 staff to teach after school students.	
10/01/2025	05/31/2026	Littera- virtual tutoring program. Students meet in groups 2x a week and work virtually with a tutor.	
10/01/2025	05/31/2026	Monthly data chats, Advance observations are continuous.	

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

per session for classroom teachers

Instructional Resources

intervention component of Into Reading

Schedule Adjustments

no adjustments needed

Other Resources Needed

snacks for Saturday Academy

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYC School Survey, 2024	unable to follow multistep directions	students listen carefully when teacher gives directions (classroom behavior)
NYC School Survey, 2024	unable to follow multistep directions	students do their work when they are suppose to (classroom behavior)
NYC School Survey, 2024	unable to understand challenging questions	students respond to challenging questions (classroom behavior)

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	73	By June 2026, physical and mental wellness for All Students will improve, as measured by a 12% increase in percentage of students from 73% to 85%, per the NYC School Survey results.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Our school will introduce a schoolwide focus on teaching and practicing clear behavior expectations—like listening carefully, staying on task, and answering challenging questions—through daily routines, modeling, and consistent language across all classrooms. Teachers and families will work together to help students build these habits for success.

Root Cause Addressed:

While many students show great potential, they benefit from more consistent opportunities to learn and practice positive classroom habits—like active listening, staying focused, and participating in discussion. Aligning expectations across classrooms and partnering with families will help reinforce these important skills and build student confidence.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Train all staff during professional development days on using clear, consistent language and routines to support classroom behavior expectations. Teacher handbook and parent handbook are given out at the beginning of each year. Coaches, district 14 educational administrators, PS 380 administrators will provide PD for teaching staff around explicit teaching in the classroom to support classroom behavior.
Teachers will lead weekly classroom mini-lessons that teach and model listening, staying on task, and trying your best—even when it's hard. HMH social emotional learning resources will be used during mini-lessons.

Host a family workshop to share the school's behavior goals and give simple tips for helping children build good habits at home. Parent Coordinators, coaches, administration, NY Cares will provide workshops around supporting these good habits. NY Cares will customize the professional development, workshops, and learning for PS 380's needs.
Recognize students monthly who show strong effort and behavior, and share their success stories in family newsletters and on bulletin boards during student of the month.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To support the implementation of clear routines and positive reinforcement strategies, the school will introduce consistent daily structures such as morning meetings, predictable classroom procedures, and shared behavior expectations. Teachers will receive professional learning and participate in regular planning sessions to align these routines across classrooms. Classroom observations, informal walkthroughs, and peer feedback will be used to monitor consistency and identify areas for support. Sensory rooms and calming corners will be used to support individual student needs.

To track progress, the school will collect data on how often positive reinforcement is used, the frequency of behavioral incidents, and student engagement levels. This information will be gathered through teacher tracking logs, behavior data tools, and observation notes. Monthly data reviews will help monitor trends, such as reductions in behavioral disruptions, increases in task completion, and higher levels of student participation. This work will be

monitored by administrations, coaches, parent coordinator, and grade facilitators during monthly meetings.

Surveys from students and staff will also provide feedback on how these routines are working and how they impact the learning environment. Together, these tools will help ensure the strategy is improving classroom instruction, student behavior, and overall learning outcomes.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/06/2025	06/26/2026	Weekly Parent Meetings/Monthly SLT Meetings	
09/05/2025	06/26/2026	Parent Workshops weekly aligned to NYC Reads	

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
End of Year Math Acadience, Math iReady Screener, Into Math HMH Module Assessments	lack of prior & content knowledge, goal-setting	completing rigorous and challenging tasks

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	8	<School Name> will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the at or above grade level will Increase by 10 from 8 to 18, for All Students, as measured by EOY Math iReady Screener.
All Students	8	<School Name> will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the at or above grade level will Increase by 10 from 8 to 18, for All Students, as measured by EOY Math iReady Screener.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Identify gaps in students' prior knowledge and create targeted remediation for station teaching.

Root Cause Addressed:

-lack of prior knowledge
-lack of content knowledge
-goal-setting

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Begin each lesson with a prior knowledge activation routine (examples- KWL charts, quick write, turn & talks, concept mapping)
Develop grade-level "knowledge toolkits" (anchor charts, vocabulary banks, HMH resources, text sets) that are consistent across classrooms.
Implement monthly professional learning cycles with coaches and administration to focus on activating prior knowledge and building content knowledge with model lessons and peer-to-peer practice.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To effectively monitor the implementation of key strategies and action plans, we will use a structured system that includes ongoing data collection and analysis. Core strategies will focus on identifying gaps in students' prior knowledge, ensuring curriculum alignment across grade levels, and addressing foundational issues such as limited prior learning and weak goal-setting abilities.

We will gather and analyze formative assessment data to uncover knowledge gaps and provide targeted support. Student progress in goal-setting will be tracked through self-assessments and teacher observations during regular check-ins. Collaborative student activities will be reviewed using peer feedback and measured against progress toward academic objectives. Performance on real-world tasks will be evaluated through project-based assessments and student reflections.

The collected data will inform the impact of our strategies on instruction, learning outcomes, and overall student achievement, enabling ongoing adjustments and continuous improvement.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/06/2025	06/26/2026	parent resource bins with HMH resources (resources refreshed monthly). Fishbowl activities to launch each module (activates prior knowledge to the module) completed at home for family connection activities. This empowers parents to support learning at home.	
09/06/2025	06/26/2026	share quarterly progress data on report cards and family assessment reports.	

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. 2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Save for College Program Report, June 2025	-lack of parent participation in the program	ensuring parents have a plan for economic security for their child's college education

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	55	PS 380 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June 2026, the percentage of active NYC Rise college savings accounts for All Students will increase by 10% from 55% to 65% as measured by Save for College Program report.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

-schedule time for parents to setup accounts with the Parent Coordinator.
-embed HMH SEL and Family Engagement
-partner with NY Cares/local employers to provide mentoring and align these experiences with classroom learning
-ensure access to high-quality, standards aligned curriculum
-utilize interest inventories for students to be able to access various careers

Root Cause Addressed:

According to the Save for College report, 55% of students have a save for college account. Therefore 45% are in critical need for early college savings and active parent participation to reduce future cost of higher education.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Create a Save for College Program team within the school. Where students will learn the importance of saving and budgeting early on, which fosters a culture of financial responsibility.
Assistant Principal will monitor parent outreach on a monthly basis and maintain a central log where all parent interactions (emails, phone calls, meetings are documented.)
share information via flyers, Google Classroom, emails. Some families may not have reliable internet access or prefer physical communication.

A schoolwide initiative encourages parents, teachers, and local businesses to get involved, creating a support network for students.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To effectively implement the initiative to educate parents about the Save for College program, we will follow a structured plan with the following key components:

Event Scheduling and Attendance Tracking
-We will organize a series of account setup sessions and informational workshops for parents. Attendance will be recorded at each event to monitor participation levels and identify areas for increased outreach.

Feedback and Understanding Assessment
-Following each session, we will distribute surveys to gather feedback from parents. These surveys will assess their understanding of the information presented and their satisfaction with the support provided.

Monitoring Account Creation
--We will track the number of new college savings accounts opened as a direct result of these educational efforts. This data will serve as a key indicator of program engagement and effectiveness.

Analyzing Impact on Student Achievement

-To evaluate the program's long-term impact, we will analyze student enrollment in college savings plans and compare it with academic performance over time. This analysis will help determine whether participation in the program correlates with improved student outcomes.

Ongoing Evaluation and Improvement
-The data collected through attendance records, surveys, and academic performance will be reviewed regularly. Insights gained will inform adjustments to the program to enhance its impact on both family engagement and student success.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/06/2025	06/26/2026	Parent Workshops/PTA Meetings -Set short and long term goals related to academics, college & career interests -Talk regularly about their future dreams and how to achieve them -Break big goals into smaller steps -Use tools like planners or vision boards to keep goals visible.	

Priority 4 Budget and Resources

Budget and Resources

staff training on the Save for College program

Instructional Resources

Utilize financial literacy courses in Everfi & Ernest & Young financial literacy days

Schedule Adjustments

Utilize lead teachers to lead Financial Literacy workshops for parents including community support (Chase Bank).

Other Resources Needed

n/a

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Parent Interest Survey, 2025	Parent Engagement- families may require support and resources to actively participate in their child's literacy development.	NYC Reads Parent Workshops

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	75%	PS 380 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the percentage of parents/families attending at least 3 in-person school events will Increase by 10% from 75% to 85% as measured by percentage of parents attending.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

parent attendance at workshops

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Scheduling and Time Conflicts: Many families are unable to attend events due to work schedules, transportation issues, or childcare responsibilities. By using multiple forms of outreach, offering grade-band specific workshops (e.g., K–2 and Grades 3–5), and providing both in-person and virtual opportunities, the school aims to make engagement more accessible to a wider range of families.

Cultural and Language Differences: Language barriers and differences in cultural expectations can limit family participation. The school will provide translated communications and offer events that are culturally responsive to ensure all families feel respected, understood, and welcome.

Targeted Family Engagement: To encourage participation in key initiatives such as the NYC Kids RISE Save for College Program, the school will design outreach and workshops that meet the specific needs of families. Efforts will include differentiated sessions for K–2 and Grades 3–5 parents, as well as a mix of in-person and online events, to increase accessibility and draw families into active participation in their child's school community.

Root Cause Addressed:

Scheduling and Time Conflicts: Many families are unable to attend events due to work schedules, transportation issues, or childcare responsibilities. By using multiple forms of outreach, leveraging online workshops so families do not have to come into the school building unless necessary, and offering varied opportunities for involvement, the school aims to make engagement more accessible to a wider range of families.

Cultural and Language Differences: Language barriers and differences in cultural expectations can limit family participation. The school will provide translated communications and offer events that are culturally responsive to ensure all families feel respected, understood, and welcome.

These strategies aim to build stronger, more inclusive relationships with families and encourage greater involvement in the school community.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Flexible scheduling (survey parents on preferred times; offer both in-person and online sessions).
Provide advance notice of events through multiple communication channels (flyers, text, email, robocalls).
Multilingual communication (translated materials and interpreters available at all workshops).
Grade-band specific workshops (K–2 parent workshops; 3–5 parent workshops tailored to grade-level needs).
Targeted outreach for NYC Kids RISE Save for College Program (host virtual info sessions and in-person enrollment support events).

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To ensure the effectiveness and consistency of family engagement efforts, the school will monitor implementation through the following methods:

Communication Logs & Platform Tracking: Maintain records of all family communications across platforms (e.g., copies of newsletters, memos, flyers, email updates, social media posts). Track frequency, reach, and engagement where applicable (e.g., email open rates, website traffic, Google Classroom views).

Survey Participation & Feedback: Track response rates to the parent interest survey and analyze results to ensure outreach reflects family needs. Conduct follow-up surveys or feedback forms after events to evaluate usefulness and accessibility.

Event Participation Records: Maintain sign-in sheets and attendance data for parent workshops, family events, and information sessions. Use data to identify trends and adjust scheduling, topics, or outreach methods.

Translation & Accessibility Checkpoints: Review and document which communications and materials have been translated and distributed. Ensure that language access needs are met and assess if additional supports are needed.

Staff Reflection & Planning Meetings: Schedule regular internal check-ins (e.g., monthly or quarterly) to review communication efforts, identify gaps in outreach, and adjust plans based on parent participation and feedback.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Use multiple channels to communicate with families (newsletters, flyers, memos home, emails, Google Classroom, school website, and social media).	St. Nicks Alliance
09/04/2025	09/30/2025	Distribute a Parent Interest Survey to guide planning for family workshops and academic supports based on parent needs and preferences.	n/a
09/15/2025	06/26/2026	Host family workshops and events aligned to parent interests and student academic goals (e.g., literacy nights, curriculum overviews).	St. Nicks Alliance
09/15/2025	06/26/2026	Provide translated materials and interpretation services to support language access and promote culturally responsive engagement.	St. Nicks Alliance

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Teachers, parent coordinator, and school leadership will support outreach and family engagement efforts.

Instructional Resources

Google Classroom, printed newsletters, translation services, and family workshop materials will be used.

Schedule Adjustments

Events (in-person/virtual) will be scheduled at varied times to accommodate parent availability (morning, afternoon, evening).

Other Resources Needed

St. Nicks Alliance will collaborate with the school to support family workshops and provide additional community resources.

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Attendance Rate about 90%, 2024-2025 attendance rate on Insight Beta	distance from home to school, religious holidays	lower chronic absenteeism

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	90%	By June, 2026, the attendance rate for All Students will increase by 1%, from 90% to 91%, as measured by the Cumulative Absence Report.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Cumulative Absence Report

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

To reduce chronic absenteeism, the school will strengthen its real-time response and family partnership attendance Initiative by enhancing early identification practices and expanding personalized outreach and support for at-risk students. This strategy will build on current data monitoring efforts and incorporate more proactive, student-centered and family-friendly solutions, including increased home-school communication, targeted resources, and culturally responsive engagement efforts that emphasize partnership over compliance.

Root Cause Addressed:

Chronic absenteeism often begins with a few absences that go unnoticed or unaddressed. When families face ongoing challenges—such as health issues, transportation difficulties, or work-related conflicts—they may struggle to maintain regular attendance. Many families want to help but are unaware of the long-term academic impact or lack the supports needed to get their children to school consistently. Strengthening early outreach and deepening family-school partnerships will help address barriers before attendance becomes a chronic issue.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Launch updated attendance tracking protocols with real-time alerts and assign staff to follow up within 48 hours of each student's third absence, with targeted outreach for students with IEPs, English language learners, and identified subgroups.
Expand monthly attendance meetings to include personalized case reviews and action planning for students flagged as trending toward chronic absenteeism, ensuring subgroup-specific supports are discussed and implemented.

Introduce an attendance incentive program where classrooms or grade-level groups earn shared rewards for meeting attendance goals, while also designing additional individualized incentives for high-need subgroups.
Partner with bilingual staff, family liaisons, and special education teams to provide translated materials, culturally responsive communication, and tailored support to families of ELLs and students with IEPs.
Provide ongoing professional learning for staff on recognizing barriers to attendance specific to subgroups and implementing intervention strategies that are responsive to those needs.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To monitor the implementation of the Real-Time Response and Family Partnership Attendance Initiative, the school will use a combination of enhanced attendance data routines, targeted outreach, and family partnership tools. The primary structures will include weekly reviews of ATS attendance reports, real-time absentee alerts, and the use of an early warning system to identify at-risk students early. Attendance teams will meet monthly to analyze subgroup-specific trends (e.g., students with IEPs, English language learners, and other identified subgroups), document interventions, and adjust outreach strategies as needed.

Data collected will include the number of students flagged for early intervention, the frequency and outcomes of parent outreach calls, subgroup participation in monthly attendance meetings, and the effectiveness of Tier 1 attendance messaging shared with all families. Additionally, the school will track changes in individual and group attendance rates over time, comparing baseline data from June 2024 to mid- and end-of-year targets. Staff will also

log case management notes for students receiving targeted support, and progress will be measured by reductions in chronic absenteeism and increases in average daily attendance.

To assess impact beyond numbers, the school will gather qualitative data through short parent surveys, student reflections, and staff feedback on the effectiveness of targeted outreach, communication, and resources. These multiple data points will support consistent reflection, accountability, and adjustments to maximize student engagement, strengthen family partnerships, and improve overall academic achievement.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	One-on-one outreach calls for at-risk students	n/a
09/04/2025	06/26/2026	Visual attendance trackers sent home monthly	n/a

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Attendance team members, guidance counselors, family workers, bilingual support staff, community partners

Instructional Resources

Attendance awareness materials, visual data trackers, culturally responsive family engagement materials, College and Career courses in Everfi

Schedule Adjustments

Time allocated for monthly attendance team meetings, parent workshops, and staff outreach

Other Resources Needed

ATS and STARS data systems, phone logs, translation services, incentives for attendance celebrations (e.g., certificates, small prizes)

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Implement targeted professional learning cycles for special education service providers focused on high-quality IEP development and SESIS fidelity, using real-time data from IEP quality reviews and SESIS Completion Reports to drive support including:
1. Monthly IEP Quality Checks led by the IEP team or designee to ensure alignment between PLOP, goals, and services.

2. Professional development on IEP writing, tailored to trends and areas of need identified through IEP quality reviews.

3. Ongoing SESIS monitoring to track and address gaps in timely IEP completion.

4. Collaborative planning time for special education and general education teachers to ensure programmatic recommendations are inclusive and feasible.

Root Cause Addressed:

1. Staff benefit from continued support in strengthening their skills to develop IEPs that clearly reflect the connection between student needs, goals, and services.

2. There is a need to strengthen the connection between IEP review findings and the design of targeted professional development to support high-quality IEP writing.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Conduct monthly IEP quality reviews to check alignment of PLOP, goals, and services.
Provide targeted professional development on IEP writing based on findings from IEP reviews.
Schedule regular collaborative planning time for special education and general education teachers.
Monitor SESIS IEP completion weekly and send reminders to staff as needed.

Introduce all processes and expectations during the September Special Education teacher meeting and reinforce them throughout the year.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Our school will progress monitor the implementation of key strategies through several primary structures. Monthly IEP quality review meetings will utilize alignment checklists and rubrics to track the percentage of IEPs with properly aligned Present Levels of Performance, goals, and services. This data will help identify trends and inform targeted professional development. We will collect professional development attendance records and participant feedback through surveys and exit tickets to assess staff understanding and guide adjustments to PD content. Collaborative planning sessions between special education and general education staff will be documented through logs and meeting notes to ensure ongoing alignment of instruction and services. Weekly SESIS IEP completion reports will be reviewed to monitor timely compliance, with reminders and supports provided as needed. Finally, quarterly data review meetings with the leadership team will aggregate data from all sources to evaluate overall progress toward goals and make necessary adjustments to improve instruction and student outcomes.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
10/01/2025	05/27/2026	CBO, St. Nick's After School Academic Support	
02/05/2026	04/30/2026	Saturday Academy	

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Special education teachers, related service providers, instructional coaches, and administrators will lead IEP development, professional learning, and progress monitoring.

Instructional Resources

We will use IEP toolkits, alignment checklists, and SESIS reporting tools to support quality and compliance.

Schedule Adjustments

Monthly SIT/IEP review meetings, regular collaborative planning time, and ongoing professional development sessions will be scheduled.

Other Resources Needed

Title I and Title II funds, inclusion coaching, autism training, and sensory materials will support staff and student needs.

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
ELA AIS Small Group Targeted Instruction- Tier 2	Below Grade Level Reading Assessment	Into Lit Differentiated Instruction	small group	during the school day	yes
Math AIS Small Group Targeted Instruction- Tier 2	Below Grade Level Math Assessments	Into Math	small group	during the school day	yes
Sound Sensible	Grade 1 or 2 Below Grade Level Reading Level Assessment	Sound Sensible	one-to-one and/or small group	during the school day	yes
Spire- Tier 3	Below Grade Level Reading Level Assessment	Spire	one-to-one	during the school day	yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Child Mind Institute TTGS-Trauma Treatment Groups- Tier 2	Students who have experienced past trauma	TTGS	small group	during the school day	yes
Counseling/at risk counseling	Students who received an "in need for instruction" rating on the DESSA-40	social emotional coping strategies	one-to-one	during the school day	no

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

We share the essential components of our MTSS (Multi-Tiered Systems of Support) framework with families through a variety of clear, accessible, and ongoing communication methods to ensure understanding and collaboration. We typically share these components in the following ways:

Parent Workshops: We offer workshops throughout the year focused on New York City Reads and how we integrate MTSS into our reading block. These sessions help families understand the three tiers of support: Tier 1 (core instruction for all students), Tier 2 (targeted small group instruction for some students), and Tier 3 (intensive, individualized support for a few students).

Monthly Parent Newsletters: We provide families with monthly newsletters that include updates on our instructional programs, MTSS initiatives, and tips for supporting learning at home. When students begin receiving Tier 2 or Tier 3 MTSS supports, we send a letter home to notify families and explain the next steps.

Individual Student Communication: We communicate most often with families about individual student needs and progress during parent-teacher conferences and scheduled teacher conference times. These conversations help families understand how their child is being supported and how they can help at home.

Collaborative Team Meetings: Our teachers meet weekly during grade-level conferences and use an inquiry-based approach to plan instruction and identify student needs. In addition, teachers regularly meet with our data specialist during data chats to analyze ELA and Math screener results, module assessments, and practice test data. These meetings help us identify trends, discuss strategies, and determine next steps to support students through our MTSS framework.

Translation & Accessibility: We ensure all communication is translated into families' home languages and written in a clear, family-friendly tone. Our goal is to make all information accessible to every member of our school community.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Families receive updates on their child's progress in Tier 2 or Tier 3 interventions through regular communication methods such as parent-teacher conferences, scheduled meetings, and written notifications. When a child begins receiving support, families are informed with a letter outlining the intervention plan. Ongoing updates are shared during conferences, where teachers review data, discuss student progress, and collaborate with families on next steps to support continued growth.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families are actively involved in decision making for students receiving Tier 3 intensive intervention through regular, collaborative meetings with the school team. During these meetings, teachers and support staff review progress monitoring data, discuss the effectiveness of current interventions, and consider adjustments based on the

student's needs. Families are encouraged to share insights about their child's strengths, challenges, and experiences at home, helping to guide next steps and ensure that interventions are personalized and aligned with the student's overall development. Their input is valued as an essential part of the problem-solving and planning process.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

45

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Expanded Attendance Interventions:
Strengthen outreach and early intervention for chronically absent STH students through weekly check-ins, transportation assistance referrals, and close collaboration with shelter-based liaisons. Track attendance patterns and implement personalized supports as needed.

Academic Supports:
Prioritize STH students for small group intervention during the school day and offer targeted academic support through after-school programs and Saturday Academy. These extended learning opportunities focus on strengthening foundational skills, particularly in literacy and math. In addition, ensure STH students have access to learning materials, devices, and Wi-Fi hotspots to support learning at home or in shelters.

Social-Emotional Learning (SEL):
Provide trauma-informed SEL programming and counseling services tailored to the unique experiences of students in temporary housing. Create safe spaces and routines that promote stability and belonging, especially for students

experiencing high levels of stress or recent transitions.

Family Outreach:
Offer flexible parent-teacher conference scheduling, remote meeting options, and translation services to improve family engagement. Maintain regular communication with families and connect them to community-based resources for housing, food, healthcare, and clothing support.

Use of Title I STH Funds:
Allocate the mandated Title I set-aside funds to meet the immediate and academic needs of STH students. This may include providing school supplies, uniforms, backpacks, attendance incentives, tutoring, and access to enrichment activities—aligned with the Title I STH Funds Toolkit guidelines.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

To address the unique needs of our Students in Temporary Housing (STH), we have developed a set of services that respond to academic, attendance, social-emotional, and basic needs. These services were selected based on our school's analysis of attendance and academic data, trends among our STH population, staff feedback, and responses from the STH Title I Survey, which highlighted barriers and priority supports identified by families and caregivers.

Services We Are Providing:
Academic Supports
STH students will receive targeted small group instruction during the school day, in addition to access to after-school programs and Saturday Academy focused on strengthening reading and math skills. These interventions are designed to address unfinished learning caused by school interruptions and mobility.

Attendance Interventions
We will monitor STH student attendance weekly and follow up with outreach to families experiencing chronic absenteeism. The school will partner with shelter-based liaisons and offer support with transportation when needed to ensure students can attend regularly.

Social-Emotional Support
Trauma-informed SEL lessons will be integrated into instruction, and our counseling team will provide individual or group sessions for students navigating stress, transitions, or trauma. Our goal is to foster stability, safety, and a sense of belonging.

Family Engagement and Outreach
We will host virtual and in-person family workshops, provide flexible conference scheduling, and share community resources through newsletters and one-on-one support. Translation and interpretation services will ensure all families can access information equitably.

Basic Needs & Enrichment Supports
To promote stability and dignity for STH students, we will provide:

Bookbags

School supplies

Giveaways (such as seasonal clothing, books, and holiday items)

Personal hygiene items

Food (snack bags, pantry support, or food drives)
These items help reduce barriers to attendance, participation, and academic success.

Use of Title I STH Funds
Title I STH set-aside funds will be used to support all of the above services, with a focus on essential materials, enrichment opportunities, and student engagement. This includes:

Purchasing school supplies, bookbags, and uniforms

Providing personal hygiene kits and nutritious snacks/food

Supporting academic interventions like tutoring, extended learning programs (after school and Saturday Academy), and access to technology

Funding attendance incentives and student-centered giveaways

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

We currently do not have any students in foster care. If we did, we would ensure they have immediate enrollment, access to transportation to their school of origin if needed, and priority for social-emotional supports such as counseling and trauma-informed services. Academically, we would provide targeted interventions, monitor their progress closely through our multi-tiered system of supports, and collaborate with foster care agencies to ensure stability and success in school.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

Although we currently have no students in foster care, if we did, targeted supports would include immediate enrollment and priority access to counseling and trauma-informed services to address social-emotional needs. For students newly transitioning into foster care, we would coordinate closely with foster care agencies and caregivers to ensure smooth transitions and provide academic interventions tailored to their individual needs. Our school would use regular progress monitoring through our multi-tiered system of supports to adjust interventions as needed, ensuring stability and promoting their academic and emotional success.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

n/a

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Although we currently have no students in foster care, our school is prepared to provide targeted Social-Emotional Learning (SEL) supports to foster youth. Strategies include offering small-group and individual counseling focused on building resilience, self-regulation, and coping skills. We implement trauma-informed SEL curricula and provide staff training to better understand and respond to the unique needs of these students. These supports help foster students manage behavioral challenges, improve focus, and engage more fully in learning, which in turn positively impacts their academic progress and overall well-being.

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

Our school will utilize Expanded Learning Time (ELT) through a variety of programs designed to provide enrichment and additional academic support tailored to students' unique needs and interests. After School sessions will offer targeted tutoring and project-based learning to reinforce classroom instruction. Saturday Academy will provide focused skill-building workshops and enrichment activities for students needing extra support. During the Spring Academy, students will have access to accelerated learning opportunities to close gaps before the next school year. Additionally, through our partnership with St. Nick's Alliance, we will provide culturally responsive after-school programming and mentoring to engage students in social-emotional growth and community connection. These ELT opportunities align with our MTSS framework to support all students, especially those at risk of not meeting state standards.

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

Our school ensures that ELT instruction is delivered by teachers who are NYS certified in the content area through a thorough and ongoing process. Positions are posted with clear qualification requirements, and teachers apply based on their credentials. The principal carefully reviews applications to select the most qualified instructors to meet program needs. In addition to this hiring process, the school regularly verifies teacher certifications and collaborates with the district HR department to confirm compliance. We also maintain a list of certified substitute teachers to cover ELT sessions as needed. To ensure high instructional quality, ELT teachers receive targeted professional development and participate in regular observations and feedback cycles aligned with MTSS frameworks and student needs.

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

Our school ensures alignment of ELT instruction with core academic subjects by having ELT teachers collaborate closely with the Literacy Coach during lesson planning. The Literacy Coach outlines the instructional requirements and reviews lesson plans to guarantee alignment with the curriculum taught during the regular school day. ELT teachers are also included in data chats with each grade level, where they analyze student performance data to identify learning gaps and tailor instruction accordingly. Regular weekly meetings between ELT and core subject teachers promote ongoing communication and coordination of goals. Shared planning tools and curriculum maps are used to maintain consistency, and lessons explicitly incorporate state and district standards. Feedback from core classroom teachers is regularly gathered to help ELT instructors adjust instruction to best meet student needs.

Provide a description of the materials purchased to support implementation of ELT.

To support the implementation of ELT, our school purchases a variety of materials including leveled readers, math manipulatives, technology tools such as tablets and educational software. These resources are chosen to provide engaging, standards-aligned instruction that addresses diverse learning needs and promotes enrichment beyond the regular school day.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community.PS 380, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

P.S. 380 will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

-Parent Workshops (2x a month on Fridays) including once a month yoga on Fridays with Lauren Levine

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 380, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Professional learning opportunities for teachers, paraprofessionals, and school leaders are embedded throughout the Comprehensive Education Plan (CEP) to support all students in meeting New York State standards. These include:

Solving Multi-Step Word Problems – Professional development focuses on deepening teacher understanding of instructional strategies to support students in applying mathematical reasoning and perseverance to complex problems.

Math Fact Fluency – Ongoing training equips staff with strategies and tools to build fluency in foundational math skills, supporting students' automaticity and confidence in more advanced math content.

Inferencing and Using Prior Knowledge – Teachers engage in collaborative learning and planning to strengthen students’ comprehension skills, especially in making inferences and connecting background knowledge to new texts.

Writing in the Content Areas – Educators receive support in integrating writing across subjects, promoting students’ ability to express understanding, justify reasoning, and communicate effectively in all content areas.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

To support a smooth transition from early childhood programs to the elementary school setting, our school implements the following strategies:

Transition Workshops for Parents: Informational sessions are provided to help families understand expectations for Kindergarten, including routines, curriculum, and how to support learning at home.

Joint Meetings Between Pre-K and Kindergarten Teachers: Collaborative meetings are held to discuss alignment of curriculum, share instructional practices, and ensure continuity in social-emotional and academic supports.

Sharing of Student Profile Sheets and Records: Pre-K teachers prepare and share student profile sheets and academic records to provide Kindergarten teachers with important insights into each child's strengths, needs, and learning style.

These intentional practices help foster strong connections between families and school staff, while ensuring continuity in instruction and support for young learners.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	389,055	X	Section 5 Part A, B, and C
Title I, School Improvement 1003(a)	Federal			
Title II, Part A	Federal	61,704	X	Section 5 Part A, B, and C
Title III, Part A	Federal			
Title III, Immigrant	Federal	12,193	X	LAP, Section 5 Parts A, B, and C, Appendix 5
Title IV, Part A	Federal	n/a	X	Appendix 5, Section 5 Parts A, B, and C

Tax Levy (Fair Student Funding)	Local	3,398,499	X	

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
St. Nick's Alliance	K-5 students	After school program	ELA, Math, Social Emotional

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

In alignment with our core values of collaboration, consistency, and continuity, P.S. 380 proudly partners with St. Nicks Alliance to support the whole child and the broader school community. As a Community School, we engage in shared decision-making and strategic planning with St. Nicks to align programs and services with our annual goals.

St. Nicks Alliance actively participates in school leadership meetings and planning sessions to ensure that their supports—both during and beyond the school day—are directly tied to student needs and school priorities. Together, we co-develop programming that enhances academic achievement, social-emotional growth, and community engagement.

Key collaborative initiatives include:

Voyager Book Bus – Expanding student access to high-interest reading materials.

Enrichment Clubs – Providing arts, STEM, and recreational opportunities during and after school hours.

Vision Testing and Dental Screenings – Supporting student health and wellness through on-site services.

Community Fundraising Drives – Including food pantry collections to support local families.

"Future Group Leaders" Program (Grades 4–5) – Empowering students to take on leadership roles by planning and promoting service initiatives alongside St. Nicks staff, building skills in organization, teamwork, and civic responsibility.

Through this close collaboration, P.S. 380 and St. Nicks Alliance foster a school environment where students thrive academically, socially, and emotionally, while strengthening family and community partnerships.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

Our Community School is committed to fostering authentic partnerships with families and community members by creating inclusive opportunities for meaningful involvement, shared leadership, and collaboration in support of students' holistic development.

We actively engage families through a variety of culturally responsive and interest-driven activities that reflect the school's values and the diverse needs of our community. These include:

School-Wide Celebrations: Families are invited to participate in beloved annual events such as Winter Wonderland and Multicultural Day, which celebrate student creativity and cultural heritage while strengthening school-family

bonds.

Community Events: Our school community comes together for events like Families Giving, the Love Event for Valentine's Day, and Family Fun Day, which promote unity, joy, and connection among students, staff, and families.

Parent Workshops: We offer a range of workshops that support family well-being, creativity, and mental health, including sessions on Mindfulness, Painting and Poetry, Cultural Still Life Art, Mental Health Awareness, and Cooking. These workshops are designed to build community, support self-expression, and promote wellness.

Through these experiences, families are not only welcomed into the life of the school but are also empowered to serve as decision-makers, advocates, and co-creators of a positive school culture. We continue to seek feedback and invite parents to hold leadership roles that contribute to ongoing school improvement and student success.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

Our Community School addresses out-of-school barriers to learning by providing integrated supports that promote the health, wellness, and emotional well-being of students and families. In partnership with St. Nicks Alliance and other service providers, we offer a range of programs designed to help students attend school consistently, engage meaningfully in learning, and build positive relationships.

Key initiatives include:

Sensory Room: A calming, sensory-friendly space available to students who need support with emotional regulation, focus, and stress management throughout the school day.

Wellness & Yoga Cluster: A dedicated instructional cluster that teaches students mindfulness, yoga, and strategies for self-regulation and stress relief.

After-School Wellness Programming: Yoga and wellness practices are extended into the after-school program, ensuring continuity in promoting physical and emotional health beyond school hours.

Parent Workshops on Social-Emotional Support: Family engagement sessions focus on equipping parents with tools to support their children's emotional well-being at home, including topics such as mindfulness, managing anxiety, and creating calming routines.

These programs are part of a schoolwide commitment to fostering a supportive and inclusive environment where every student can thrive socially, emotionally, and academically.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

Our Community School, in partnership with St. Nicks Alliance, is committed to improving student attendance through a proactive, data-driven approach that addresses barriers and supports students and families.

We hold weekly attendance meetings with school staff and our CBO partner to review real-time attendance data from DOE systems and New Visions for Public Schools. These meetings help us identify students who are at risk for or already experiencing chronic absenteeism.

Key strategies include:

Daily Outreach: Designated staff members are responsible for reaching out to families of absent students each day to check in, offer support, and identify any challenges the student may be facing.

Personalized Attendance Interventions: Students identified as chronically absent are paired with Success Mentors or other staff who build trusting relationships and provide encouragement, goal-setting, and follow-up.

After-School Engagement: Students at risk for chronic absenteeism are offered opportunities to participate in after-school programs as a strategy to increase their connection to school and improve attendance.

Through consistent monitoring and strong collaboration with community partners, we ensure that all students receive the support they need to attend school regularly and thrive academically and socially.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for <u>all</u> students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

Our Community School is committed to ensuring that all students—particularly those in temporary housing (STH), Multilingual Learners/English Language Learners (ML/ELLs), and Students with Disabilities (SWDs)—receive differentiated, inclusive, and culturally responsive supports that reflect their unique needs and lived experiences.

Our ELA and Math curriculum is designed with culturally responsive pedagogy and differentiated instruction at its core, allowing all students to access rigorous content in ways that are meaningful and relevant to them.

Our CBO partner, St. Nicks Alliance, plays an active role on our Multicultural Committee, helping to plan and support school-wide cultural celebrations that reflect and honor the diverse backgrounds of our students and families.

The St. Nicks Program Director serves on the school's Equity Team, collaborating with staff to ensure that programs, policies, and practices promote equity and inclusion across all student populations.

St. Nicks also provides critical material and resource donations to support families in need, including students in temporary housing, ML/ELLs, and SWDs—ensuring that all students have the tools they need to fully participate in learning.

Together, these efforts reflect our commitment to building a school environment where all students are seen, valued, and supported in reaching their full potential.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Victoria Prisinzano
Assistant Principal (Where Applicable)*	Laura Cooper
English as a New Language (ENL) Teacher*	Jessenia Gutierrez
Teacher (if school has a bilingual program must be a bilingual teacher)*	Katherine Ramirez
Parent/Guardian*	Antoinnette Ocasio
Teacher	Michelle Glassman
Parent Coordinator	Aylin Acuapina
School Counselor	N/A
Related-Service Provider	N/A
Other (Name and Title)	N/A
Other (Name and Title)	N/A

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

2

Number of certified ESOL teachers not currently teaching ENL:

1

Number of teachers who hold both content area/common branch and ESOL certification:

2

Number of ESOL certified teachers with a bilingual extension:

1

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

9

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

1

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

5

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

311

Total number and percentage (%) of current ELLs:

46 and 15%

Total number and percentage (%) of former ELLs:

8 and 2.5%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

24 or 52%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

22 or 48%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

14 and 30%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

31 and 54.4%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE	SC	Yiddish	1995/96	.5	.5	.5	.5	.5	.5								3.0
TBE																	0
TBE																	0
DLBE	GE	Spanish	2016/2017				1	1									2
DLBE	ICT	Spanish	2016/2017	1	1	1			1								4
DLBE																	0
				total: 1.5	total: 1.5	total: 1.5	total: 1.5	total: 1.5	total: 1.5	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

In the ENL program, stand-alone ENL is delivered by the ENL teacher in a separate location from the classroom. Entering students receive four periods of week (180 minutes) of Stand-alone instruction and Emerging students receive two periods a week (90 minutes) of Stand-alone instruction. The focus of the instruction is language acquisition, but instruction is also aligned to grade level and content standards. In the ENL program, students are grouped by proficiency levels and grade levels. Kindergarten and first grade Entering and Emerging students are grouped together for two periods a week. Entering students receive an additional two periods a week of separate Stand-alone instruction. Second and third grade Entering and Emerging levels are grouped together as are fourth and fifth grade students, both for two periods a week. Entering students receive an additional two periods a week of Stand-alone instruction. Student groupings are initially based on NYSESLAT results. However, they are reassessed and updated in December and throughout the remainder of the school year based on data including Acadience, I-Ready and MAP growth results.

Integrated ENL:

In the ENL program, Integrated ENL instruction is delivered by the ENL teacher. Entering students receive 180 minutes of ENL/ELA instruction. Emerging students receive 90 minutes of ENL/ELA instruction and 90 minutes of ENL instruction integrated with mathematics. Entering and Emerging students are grouped together. Transitioning and Expanding students are also grouped together and receive 90 minutes of ENL/ELA instruction and 90 minutes of ENL instruction integrated with mathematics. Students are grouped by grade level so that the focus can be on grade level content and standards.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

1. In the Bilingual Yiddish English Special Education Program, students are grouped in classes of two continuous grades. All students are ELLs. Six students scored at the Entering level on the Spring 2025 NYSESLAT. Five students scored at the Emerging level. Standalone and Integrated ENL instruction are delivered by a classroom teacher with bilingual and special education certifications. Instruction includes whole group, small group and individual instruction using written texts, videos and teacher made materials. Students engage in practice in all four skill areas - listening, speaking, reading and writing. Since all students are at the Entering level, the amount of

instructional time is 180 minutes for standalone and 180 minutes for integrated instruction in alignment with CR-Part 154.

Dual Language Bilingual Education (DLBE):

2. In the Dual Language Spanish/English program, students are grouped in a self-contained class. Content is taught in English and Spanish on alternating days. Literacy in kindergarten is taught based on students' home language. ELLs in dual language classes range from newcomers at the Entering levels to students at the Expanding and Commanding levels. In all grades, the classroom teachers who have bilingual certification provide standalone instruction to Entering and Emerging students in small groups or individually. The classroom teachers also provide integrated instruction in core content areas to all ELLs in small groups or individually. The amount of instructional time for standalone and integrated instruction aligns with CR-Part 154. Students are group based on proficiency levels, as well as on assessments such as MAP growth and i-Ready. Student groups change every module depending on these assessment results.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

In the ENL and Dual Language Spanish program, instructional minutes are delivered through a combination of integrated and stand-alone periods according to to CR Part 154. Entering students receive 180 minutes of stand-alone ESL and 180 minutes of ENL/ELA instruction. Emerging students receive 180 minutes of stand-alone ENL and 90 minutes of ENL/ELA and 90 minutes of ENL integrated with mathematics. Transitioning and Expanding students receive 180 minutes of integrated ENL, while Commanding students receive 90 minutes of integrated ENL in stand-alone ENL classes.

In the ENL program, Entering and Emerging students receive stand-alone minutes during the daily 90 minute literacy block. This instruction takes place in the ENL teacher's classroom where the focus is on language development and includes instruction in phonemic awareness (grades K-1), phonics, fluency, vocabulary and comprehension. Integrated instruction for Entering and Emerging students also happens during the 90-minute literacy block. The ENL teacher pushes into the classroom for these minutes.

In the dual language program, Entering and Emerging students receive stand-alone minutes during the literacy block and especially, during literacy centers on days where instruction is in English. All ELLs receive HLA minutes on days where instruction is in Spanish and Integrated instruction occurs on both English and Spanish days. For Entering and Emerging students, integrated minutes are provided during the literacy block. For Transitioning and Expanding students, integrated minutes are provided during math, social studies and science instruction.

In the Bilingual Yiddish English Special Education program, all students are at the Entering level. They receive 180 minutes of stand-alone ENL instruction and 180 minutes of ENL/ELA instruction through the use of teacher made materials.

In the ENL, the ELL Coordinator programs instructional minutes for students. In the Dual Language Spanish program, the ELL Coordinator works with individual teachers to program these minutes. In the Bilingual Yiddish English Special Education program, the teachers also work with the ELL Coordinator to program mandated minutes. The RLAT report is used to ensure students are programmed according to their most recent NYSESLAT score.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

In the ENL and Dual Language Spanish program, ELA instructional minutes are delivered through a combination of integrated and stand-alone periods according to CR Part 154. Entering students receive 180 minutes of stand-alone ESL and 180 minutes of ENL/ELA instruction. Emerging students receive 180 minutes of stand-alone ENL and 90 minutes of ENL/ELA and 90 minutes of ENL integrated with mathematics. Transitioning and Expanding students receive 180 minutes of integrated ENL, while Commanding students receive 90 minutes of integrated ENL. Home language support is provided through the use of bilingual and native language texts, bilingual dictionaries and instruction about cognates and other language features.

In the Dual Language Spanish program, ELLs receive 180 minutes of instruction in HLA (Home Language Arts). Resources include Into Reading materials in Spanish, for all grades, Estrellita phonics for grades K-2 and teacher made materials including instruction about cognates and other language features.

In the Bilingual Yiddish Special Education Program, all of the students scored at the Entering level on the NYSESLAT, so they receive 180 minutes of stand-alone instruction focused on English language acquisition and 180 minutes of integrated ENL/ELA instruction. These students also receive 180 minutes of HLA instruction in Yiddish through the use of teacher made materials.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

In the dual language program, the self-contained model is implemented. Students are integrated for 100% of the instructional day. There is one dual language class on each grade with instruction in English and Spanish on alternating days. Emerging, Transitioning and Expanding ELLs are provided with integrated ENL support during core content instruction in math, science and social studies. Entering and Emerging ELLs are provided with stand-alone ENL instruction during the literacy block. ELLs are provided with home language arts instruction during Spanish reading and writing periods.

b. In which language(s) is each core content area taught?

The core content areas of science, social studies and math are taught in English 50% of the time and in Spanish 50% of the time on alternating days. When a core content area lesson is taught in one language, the following day the next lesson is taught in the other language. Lessons are not repeated. Students have Into Reading textbooks, Into Math textbooks, Amplify Science program materials and Passport materials for Social Studies in both English and Spanish.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

In the Bilingual Yiddish/English Special Education program, reading, math and life skills are taught bilingually.

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

At PS 380, 52% of English Language Learners (ELLs) are newcomers. Effective instruction for these students begins with assessing their literacy and math skills in their first language. The process starts with family interviews to gather information about each student's prior schooling. Teachers then administer their own assessments to evaluate students' skills in their home language. In the Dual Language Spanish program, students receive content-area instruction and materials in both English and Spanish. Newcomers also receive instruction using Fundations, an English-language phonics and reading program. Teachers emphasize vocabulary development through the use of cognates and implement Quality Teaching for English Language Learners (QTELL) strategies to support language acquisition. These strategies focus on integrating content knowledge and language development. In the ENL program, students have access to materials in their home language while receiving support in Fundations, vocabulary, and cognates from the ENL teacher. Instruction is tailored to meet students where they are in their language development. In the Bilingual Yiddish-English program, newcomers benefit from a strong emphasis on multi-sensory instruction and oral language development to build foundational skills.

48% % of ELLs are identified as Developing. In the ENL and Dual Language programs. Instruction for these students includes scaffolds for ELLs embedded in the Into Reading and Into Math curricula. Since most Developing ELLs have acquired basic speaking and listening skills, instruction focuses on building reading and writing proficiency. In the Bilingual Yiddish-English Special Education program, instruction for Developing ELLs continues to incorporate multi-sensory materials and oral language development, with an added focus on strengthening reading and writing skills. Currently, PS 380 has no Long-Term ELLs. However, if any were identified, they would receive a multi-tiered system of support, including additional small group instruction using Fundations, SPIRE (a multi-sensory reading intervention), and Into Reading Start Right Readers.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

PS 380 currently has no SIFE students. If SIFE students were to enroll, teachers would provide differentiated instruction with a strong focus on phonemic awareness and phonics, using Fundations and teacher-created

materials. Spanish-speaking SIFE students would be placed in the Dual Language Spanish program to support the development of literacy skills in both their home language and in English.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

PS 380 currently has no Long-Term ELLs. If any were enrolled, instruction would be tailored based on assessment results, including NYSESLAT, i-Ready, Into Reading, and Into Math. Instruction for Long-Term ELLs would differ from that of Developing ELLs through the incorporation of targeted interventions and scaffolds specifically designed to meet their unique literacy and math needs.

For Long-Term ELLs requiring additional reading support, interventions would include SPIRE, Fundations, Start Right Readers, and ELL strategies embedded in Into Reading. In math, these students would receive support through station teaching, small group, and individualized instruction. They would also benefit from discussion protocols designed for ELLs in Into Math, such as "The Three Reads" and "Say It Stronger, Say It Clearer."

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

2.57% of PS 380's students are former ELLs. These students receive targeted small-group instruction from their classroom teachers to continue supporting their academic growth.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

Notable trends for at-risk students include a significant increase in Newcomers, rising from 53% last year to 82.5% this year. This increase is especially evident in grades 3–5, where many students have been enrolled for more than one year and are therefore required to take both the Math and ELA state exams. Temporary housing among ELLs has also increased, from 16.4% last year to 33.3% this year. Alongside this, 10.5% of ELLs scored Level 1 or 2 on the ELA exam this year, compared to 3.5% over the previous two years. In math, 3.5% of ELLs scored Level 1 or 2 in the past two years, but this increased to 14% last year. These trends have a direct impact on both school attendance and students' social-emotional well-being.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

One clear trend among former ELLs at P.S. 380 is that math remains an area of concern. These students underperformed on the Math Exam but not on the ELA exam, which may suggest a need for continued support with both academic math language and foundational math skills. In addition , none of the former ELLs are in temporary housing, which may indicate that a stable living situation is contributing to stronger overall academic performance.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

At P.S. 380, the most commonly spoken home languages among ELLs are Spanish and Yiddish. The school's dual language Spanish program in grades K–5 supports both communication and learning by valuing Spanish language and culture. In this program, all content areas are taught in English one day and Spanish the next, with students having access to textbooks and materials in both languages. Classrooms are also equipped with libraries that include a wide range of books in Spanish. Additionally, the school offers a Yiddish/English special education program that fosters communication and learning in Yiddish. All staff in this program are proficient in Yiddish, and students receive instruction in reading, math, life skills, and cultural traditions in Yiddish.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

At P.S. 380, 68% of students identify as Hispanic, 20% as Black, 6% as White, 2% as Asian, 1% as American Indian/Alaskan Native, and 1.5% as multiracial. All lesson plans at P.S. 380 include culturally responsive connections and scaffolds to support English Language Learners. The school also offers a cluster program called Cultural Awareness through Literacy, where students explore diverse cultures, including those represented by ELLs. The Into Reading and Into Math curricula include content that reflects the cultures and backgrounds of the school community. Additionally, P.S. 380 partners with Dancing Classrooms, where students learn traditional dances from around the world. These include merengue from the Dominican Republic, rumba from Cuba, tango from Argentina, flamenco from Spain, and jazz dance from the United States. This collaboration helps students celebrate cultural diversity through movement and music.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

ELP progress data is available for 29 students at P.S. 380. Of those, only 8 students or 27.5% made sufficient progress in English language proficiency. Within this group, 5 students (17.2%) exited ELL status, 2 students (6.9%) met their annual growth targets, and 1 student (3.4%) met the safe harbor criteria. The remaining 21 students, representing 72.4% of those with sufficient data, did not make adequate progress.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

On the 2024 NYSESLAT, Listening is the strongest modality for all grades. Speaking was the next modality of strength. However, the results for the Speaking modality were inconsistent. Many students excelled but others scored at low levels. The majority of students (82.5%) are Newcomers (0–3 years of service), which may help to explain the Speaking scores. Reading was an area of challenge and Writing was the weakest performance area for most students. Again, these results may be explained by the large number of Newcomers in all grades.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

The relationship between NYSESLAT performance and other state assessments (ELA and Math) at P.S. 380 (14K380) reveals a clear pattern: students who perform lower on the NYSESLAT tend to perform lower on ELA and Math assessments as well, highlighting the strong connection between English language proficiency and academic achievement. Looking at how students performed on both the NYSESLAT and the ELA tests (Grades 3–8), there's a clear pattern: the better their English skills, the better they did on the ELA exam.
Students at the Entering level on the NYSESLAT (3 students) mostly scored at Level 1 on the ELA, which is the lowest level—no surprise since they're just starting to learn English. At the Emerging level, there were 4 students. Their ELA scores were a bit more mixed, but still mostly at Level 1 or 2, showing they're making progress but still have a ways to go. For the Transitioning group (2 students), things looked better—some of them reached Level 2 or even Level 3 on the ELA, meaning they're starting to get more comfortable with academic English. Only one student was at the Expanding level, and that student scored a Level 3 on the ELA, which means the student has exited ELL status. In conclusion, higher NYSESLAT proficiency levels correlate to higher ELA performance. Only those at Expanding or Commanding levels tend to meet grade-level expectations in ELA.
Overall, the trend is pretty clear: as students move up in English proficiency, they also move up on the NYSESLAT.

.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

Based on the Fall 2024 NYSESLAT data for P.S. 380, there are no students identified as SIFE (Students with Inconsistent or Interrupted Formal Education).

31 of 57 ELLs (54.4%) at PS 380 have an IEP which is much higher than the citywide average of 24.3%. 20 of these students were at the Entering or Emerging levels. Very few IEP students reaching Transitioning or higher. However, this group includes the students in Bilingual Yiddish English Special Education program who are all alternately assessed. They consistently score at the Entering level on the NYSESLAT.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

NA

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

NA

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

NA

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

NA

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

PS 380 provides ELLs with a high-quality academic experience that promotes deeper learning through various approaches. The school employs research-based curricula, including HMH Into Reading, Into Math, Fundations, Heggerty, and Spire. In the Dual Language and ENL programs, teachers use assessments such as Acadience and Fundations to identify student needs and organize small groups for station teaching and other instructional methods. Student surveys, conducted in their home languages, are implemented to identify learning styles and foster metacognitive awareness. Additionally, teachers leverage students' home cultures and background knowledge to motivate them and help establish connections to new learning.

In the Bilingual Special Education Program, teachers use multi-sensory learning and teacher made materials.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The Instructional Leadership Team has considered MLs/ELLs in the school's instructional design by focusing on the four hallmarks of Advanced Literacy. The ILT instituted a school wide focus on writing in the content areas to strengthen ELLs writing skills and deepen their understanding of content since writing had been an area of weakness on previous administrations of the NYSESLAT. The ILT also used the Division of English Language Learners' Read-Write-Talk protocol in order to ensure that MLs/ELLs benefit from the most effective instructional practices.

In the 2023-2024 school year, the instructional focus in reading also encompasses the NYC Reads curriculum to ensure ELLs have a strong foundation in reading skills including phonemic awareness, phonics and vocabulary.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

The school uses a variety of approaches to provide access to academic content, foster language development and meet the demands of the Next Generation Learning Standards. Core content for Transitioning, Expanding and Commanding students in the ENL program is delivered through integrated instruction by a classroom teacher and ENL teacher who plan collaboratively for content and language objectives. In addition to integrated instruction previously described, Entering and Emerging students also receive stand-alone instruction where lessons focus more explicitly on academic language and literacy skills. The language of instruction in all subjects is primarily English with home language supports that include curricular materials, additional texts and videos in the students' home languages. In the dual language program, planning is done by a dual language teacher with the support of a grade level team. All materials are available in English and Spanish. In grades K-5, the school uses the Into Reading and Arriba la lectura programs which align with the Next Generation Learning Standards and features culturally responsive fiction and non-fiction texts. In alignment with the Next Generation Learning Standards. Vocabulary instruction focuses on Tier II words and academic language that connects across content areas. Word study includes the study of prefixes, suffixes and root words. In grades K-5, the school previously used the Go Math program, but now uses the Into Math program which conforms to the Next Generation Learning Standards. There is an emphasis on instructional approaches that benefit ELLs' language development. Students use discussion and writing to develop critical thinking and reasoning skills. For example, students work with partners and use procedures like "Three Reads" and "Say it Stronger, Say it Clearer" to comprehend word problems. The school uses Amplify Science, which provides language supports, including "Science Everyday Word Supports" for vocabulary development. For social studies, the Passport Curriculum provides primary source material to deepen MLs/ELLs understanding of concepts and writing tasks that allow students to make connections between historical events and their own lives. These materials are also in alignment with the Next Generation Learning Standards.

The Bilingual Yiddish Special Education program delivers content in social studies and science in both English and Yiddish using play, multi-sensory approaches and teacher made materials. All students in this program scored at the Entering level on the spring 2024 NYSESLAT so instructional approaches start with a focus on oral language. All instruction is aligned with students' IEP goals.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

ELLs with IEPs have access to all grade-level materials. They also have Chrome Books to listen to audio versions of grade level content area texts. Teachers also utilize applications such as SORA for reading and Prodigy and Waggle for math to assist students with IEPs. Teachers incorporate instructional strategies such as providing visuals and other concrete representations of vocabulary and content. Manipulatives are used in mathematics instructions. Close reading strategies and adapted text are also used to provide ELLs with IEPs access to grade level texts.

b. SIFE

PS 380 currently has no SIFE students but if one were to enroll, teachers would meet individually with the student to ensure access to and engagement with grade level content. The student would also be provided with an iPad to listen to an audio version of Into Reading Curriculum in the home language. The student would also have access to audio texts with grade level science and social studies content. In addition, the student would be partnered with students who are proficient in both Spanish and English.

c. Newcomers

Newcomers in the ENL and Dual Language program have access to the Into Reading and Into Math Curricula in their home language. During the 90 minute reading block in the Dual Language program, teachers reteach lessons in small groups using resources from Into Reading such as flip charts in their home language. Teachers provide access to grade level content in science and social studies in students' home languages using texts and videos from other sources. Newcomers also work in groups with students who share their home language, but have a higher proficiency level in English. Newcomers in the Bilingual Yiddish English Special Education program are first taught early learning skills in math and reading. Multi-sensory approaches allow students to access content and language.

d. Long Term ELLs

PS 380 currently has no Long-Term ELLs. If they did, ENL teachers and classroom teachers would use NYSESLAT results and other data to identify weaknesses in reading and would then work with Long-Term ELLs in small groups to ensure they receive both targeted intervention and have access to grade level content.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

The school uses curricular, instructional and scheduling flexibility to enable ELLs with IEPs to achieve their IEP goals and attain English Language Proficiency within the least resrictive environment through collaboration among teachers, SETTS providers and other service providers. Teachers and providers work together to allow SWDs to access both content and language. PS 380 uses a combination of both pull-out services and integrated instruction to support SWDs according to CR Part 154 so that they can participate in a variety of activities in the least restrictive environment.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

In the ENL and DL programs, home language support is assessed using Into Reading and Into Math Spanish language assessements and teacher made assessments. Home language support is delivered using the Into Reading and Into Math curricula in Spanish. Home language support is also provided through Unite for Literacy.com and other online sources. In the Transitional Bilingual Yiddish/English Special Education program, home language support is assessed and delivered through teacher made materials.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

In the Dual Language and ENL programs, teachers attend weekly grade and assessment meetings where they can plan together. The Dual Language teachers also meet together monthly to ensure vertical alignment in the program. Teachers also attended District 14 Math and Reading professional development where they meet monthly to improve their knowledge of the HMH Into Reading and Into Math curricula. Teachers who attend these institutes then turnkey their learning to other teachers. Ps 380 teachers also have support from personnel at Heggerty, Fundations, Into Reading and Into Math.

In the Bilingual Yiddish Special Education program, teachers meet weekly to discuss instruction and curricula.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

PS 380's professional learning plan ensures that all staff participate in trainings related to the academic and social emotional needs of MLs/ELLs on Professional Development days, during grade conferences and faculty conferences. Professional development sessions are planned in collaboration with District 14 and Brooklyn North. PS 380 students participate in monthly sessions with Brain Power, a program which uses physical movement to foster mindfulness, attention, and social emotional development. Teachers participate in these sessions to ensure practice continues in the classroom.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

The schools meets the 15% of total hours for CTLE hours, in part, through professional development sessions with District 14.

The school also offers ENL and bilingual education teachers opportunities to participate in PDs given by District 14 and Brooklyn North that will help to provide 50% of totals hour of ELL specific professional development. These teachers will also turnkey these PDs to other faculty members.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

P.S. 380 utilizes three benchmarks—Acadience, i-Ready Screeners, and MAP Growth—to measure student learning, focusing on fluency, phonics, and vocabulary. Teachers use these these assessments to inform small group instruction for ELLs. Additionally, Fundations data and ongoing progress monitoring throughout the year help group students and plan targeted instruction. In HMH Reading, unit module assessments track progress and growth in vocabulary and reading comprehension, while HMH math assessments measure students' progress in math skills, enabling teachers to tailor their instruction effectively.

In September, NYSESLAT data is analyzed to guide grouping and instruction.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

PS 380 provides targeted reading interventions using Sound Sensible and Spire, along with differentiated reading from the Into Reading program, available in both English and Spanish. In mathematics, reteach materials from Into Math and teacher-created resources are employed for targeted intervention. To enhance students' understanding of math concepts, teachers utilize Waggle to assign individualized lessons that better support their learning. All materials are available in English and Spanish.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

PS 380 utilizes data-driven instruction for English Learners (ELLs) within a Multi-Tiered System of Support (MTSS). In Tier 1, the school conducts universal screenings and diagnostic assessments to assess all students. They receive high-quality instruction through an inclusive curriculum aligned with grade-level standards. For Tier 2, regular progress monitoring is conducted using curriculum-based measurements and formative assessments to assist those who need extra support. In Tier 3, smaller group settings and individualized, intensive interventions are provided for targeted students to meet their specific needs. This structured approach ensures that all ELLs receive the appropriate level of support to enhance their learning experience.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

P.S. 380 utilizes Growth Measures in reading and math from the Into Reading and Into Math programs three times a year to assess student progress and inform classroom instruction and interventions. The school also conducts weekly assessments in vocabulary, reading comprehension, and math to guide instruction effectively. In kindergarten and first grade, the SPIRE program is used to evaluate students' reading skills. Additionally, students in the Spanish/English Dual Language program are assessed in Spanish using teacher-made assessments, while students in the Bilingual Yiddish/English program are evaluated in Yiddish with similar assessments crafted by teachers.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

Students in the dual language program use Spanish language assessments from Into Reading, along with teacher made assessments. In the Bilingual Yiddish/English Special Education program, students are evaluated using teacher-created assessments.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

The summative assessments used to evaluate the ML/ELL programs include the NYSESLAT for grades K-5 and the New York State ELA and Math exams for grades 3-5. The school analyzes these results to compare ELA, NYSESLAT, and Math scores using the EDAT, informing instructional planning and curricular decisions. In response to low scores in the writing modality on the NYSESLAT, the school implemented a daily writing plan across content areas. When MLs/ELLs demonstrated a lack of proficiency on the Math exam, the school transitioned its math curriculum from Go Math to Into Math.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

The NYSESLAT administration plan is organized by ENL teachers, who utilize the RLAT report from ATS to ensure that all mandated students are tested. The ENL teachers create a testing schedule, send home informational letters to parents, and train proctors in test administration. All proctors are certified teachers. The speaking and writing sections are scored by classroom teachers, as well as teachers in the bilingual and dual language programs and ENL teachers.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

PS 380 ensures that ELLs receive the necessary accommodations for state assessments by reviewing IEPs in SESIS. The Assistant Principal and testing coordinator compile a list of students and their accommodations, which is then verified by classroom teachers.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

PS 380 uses multiple means to ensure families of ELLs are provided with a fully informative ELL Program Orientation. The Pupil Accounting Secretary has a schedule that shows the availability of teachers who are trained to provide the ELL Program Orientation, including which teachers can provide the orientation in Spanish. For lower incidence languages, a trained teacher uses the Translation Line. The first ELL Program Orientation is scheduled for September, immediately after the first ten school days. The second ELL Program Orientation is scheduled immediately after the first twenty school days. If a parent cannot attend a scheduled orientation, they are provided with an individual appointment at a time that is convenient for them. When students enroll later in the school year, parents are provided with an individual ELL Parent Orientation as soon as the child has been identified as an ELL. At this orientation, parents watch the video in their preferred language. When a child's home language is Spanish, parents are informed of the school's Dual Language Program and offered this choice. They are also informed of their right to transfer their child to another school in the district if they prefer a Transitional Bilingual Program. When a child's home language is a lower incidence language, parents are informed of their right to transfer their child to another school with a program in that language, if one exists. The agenda also includes Next Generation Learning Standards, New York State Assessments, the school's expectations for ELLs and information about the Parent Teacher Association and additional ways parents can become involved in the life of the school and support their child's learning. Parents are given ample opportunity to ask questions or to contact the Parent Coordinator with additional questions.

The ELL Coordinator keeps agendas, sign-in sheets and other records for the ELL Parent Orientation in a binder in

her office.

In the Bilingual Yiddish Special Education Program, the Program Orientation is provided to parents at IEP meetings.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

PS 380 ensures that families are provided an opportunity to have an Annual Individual Meeting in multiple ways. The teachers in the Dual Language Spanish program, the Yiddish English Special Education program and the ENL program send letters home informing parents of their right to attend this meeting. Teachers also call and email individual parents to schedule appointments using the parent's preferred language. If teachers do not speak the preferred language of the parent, they telephone parents using the Translation Line. Sign-in Sheets for these conferences are kept by individual teachers.

In all three programs, teachers discuss language development progress, English language proficiency assessments results, and language development needs in all content area with parents during annual individual meetings with families of ELLs. In the ENL program, the classroom or content area teacher may also participate in the meeting. NYSESLAT exam results are compared with the previous year's and goals for the following year are also discussed. A student's individual work may also be used to highlight improvements and room for growth in language development.

The ELL Coordinator keeps agendas and sign-in sheets for these meetings. She also keeps copies of invitations and other outreach to parents. All records are stored in a binder in the Coordinator's office.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:

a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

PS 380 ensures families receive all school communications and documents in their preferred language in several different ways. Bilingual staff provide both interpretation and translation in Spanish or Yiddish. These staff members translate all documents into Spanish or Yiddish. For lower incidence languages, the school relies on the Translation and interpretation Unit or staff from nearby schools. Automated calls are also sent in parents preferred languages.

Families are able to respond or initiate communication with the support of bilingual staff. Parents whose prefered language is Spanish know to contact the parent coordinator when they need to communicate with school staff. In addition, teachers in the Dual Language Spanish program assist parents with language access. Parents whose preferred language is Yiddish can contact any of staff at the Bilingual Yiddish English Special Education program. All staff members in this program can provide translation or interpretation in Yiddish.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

PS 380 has multiple activities that foster empowerment and engagement. for families of MLs/ELLs. The topics of these workshops are chosen based on requests from both the PTA and the School Leadership Team. A survey is also used to determine parents' interests and needs. The school offers many varied parent workshops. Parents participate in math games activities and literacy events. The school has a partnership with Stop And Shop which supplies groceries for parent cooking workshops which are extremely popular. Workshops take place on the last Wednesday of the month and feature foods from different cultures. Cooking projects include Empanadas in November , Baked Ziti in January, Irish soda bread in March, and Pambazo Mexicano in May. Parents also take home groceries to prepare these dishes. In art workshops for Hispanic Heritage Month, parents draw and paint on canvas images, symbols and traditions from their home cultures.In addition the school has twice weekly dance workshops for students with Dancing Classrooms. Students learned dances from across the global including several from their home cultures including the merengue and the salsa. Theses classes culminated in showcases where students presented their work and parents danced with them. Academic workshops for families include "All About the 90-minute Literacy Block" on October 23, 2024. The school also has an annual Multicultural Fair in June where students research a country. Home countries and cultures of ELL that have been represented include Panama, Ecuador, Peru, Dominican Republic, Mexico and Puerto Rico (a US territory and not an independent country but the homeland of many students). Translations and interpretation are provided by the Parent Coordinator, other bilingual staff and the Translation and Interpretation Line for low incidence languages.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

PS 380 ensures families of MLs/ELLs are aware of family leadership opportunities in various ways. The school sends home notices about PTA elections, SLT membership and CEC elections in parents' preferred languages. The school also has these notices posted at the main entrance. The Parent Coordinator also posts this information on the parent Google Classroom page.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

PS 380 has partnered with Dancing Classrooms where students learn culturally diverse dances including the merengue, the tango, the waltz and the polka. They then participated in a showcase for families where parents, guardians and caregivers danced together. The school also has a grant from Stop 'n Shop supermarkets who provide recipes and ingredients. Parents are then able to attend cooking classes in English and Spanish where they prepare these dishes and then take home food to recreate at home. In addition, there is an after school program run by St. Nick's Alliance which also employs teachers from PS 380.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

NA

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Assistant Principal
ELL Coordinator
Bilingual Yiddish English Special Education Program Coordinator
Kindergarten Dual Language Spanish Teacher
First Grade Dual Language Spanish Teacher
Second Grade Dual Language Spanish Teacher
Third Grade Dual Language Spanish Teacher
Fourth Grade Dual Language Spanish Teacher
Fifth Grade Dual Language Spanish Teacher'
Cluster Teacher - Exploring Culture Through Literacy

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

The members of the identification team include an assistant principal, the ELL Coordinator who has an ENL license and a bilingual extension, teachers from the Spanish Dual Language program with bilingual extensions and a teacher from the Bilingual Yiddish Special
Education program who is certified in special education and has a bilingual extension. The ELL identification process is completed for each student within 10 school days of enrollment or 20 school days for students entering with an IEP. During the school year, the pupil accounting secretary has a schedule with times when team members are available to administer the HLIS and conduct interviews. If a student registers during the summer when school is not in session, a team member meets with the family the week before school starts to complete the HLIS. For students in

PS 380's pre-kindergarten who register for kindergarten at PS 380, the team members administer the HLIS in June.

The process for intake and identification of ELLs is as follows.
1. The ENL teacher reviews ATS data on all newly admitted students to determine if they are ELLs and have been enrolled in a New York City public school within the past two years. If the student is an ELL who has attended a New York City public school within the past two years, the teacher then obtains NYSITELL/NYSESLAT scores from the previous school. If the student was not enrolled in a New York City public school within the past two years or is entering New York City public schools for the first time, the identification process continues.
2. The parent completes the HLIS with a qualified member of the ELL identification team. All parents complete the Home Language Information Survey in their preferred language. If no one on the team speaks the parent's preferred language then interpretation is provided by the NYCDOE's over the phone interpretation services for schools. In addition to the HLIS, the trained pedagogue conducts an interview with the child and their parents or guardians, and then determines the child's home language. If the home language is English the process stops here.
3.If the child has a home language other than English and does not have an IEP, the child takes the NYSITELL. If the child has an IEP, the Language Proficiency Team meets to decide whether to administer the NYSITELL.
4. After the NYSITELL has been administered, the ENL teacher then sends entitlement or non-entitlement letter to the parent and places copies of the letters in student's Cumulative Record Folder.
5. If the student's home language is Spanish and they are a newly identified ELL, the student takes the Spanish Lab. However, students may only take the Spanish Lab one time in their school career.
6. The ENL teacher determines if the student is a SIFE or Student with Inconsistent Formal Education.
7. An ELL Parent Orientation is conducted by a member of the ELL identification team who speaks the parent's' preferred language or interpretation services are provided by the NYCDOE's Over the Phone Interpretation for Schools. Parents watch the orientation video and complete the parent survey. The team member places the parent survey in the student's cumulative record folder.
8. The ENL teacher ensures that the student is placed and programmed in the ENL program or the Dual Language Spanish program, according to the parent's choice. If the parent requests a bilingual transfer, the ENL teacher and an assistant principal determine if there is an available program.
9. A parent or a teacher with parent approval may request a reversal of a student's ELL status. If the status is not reversed, the Principal must review the re-identification decision within 6 to 12 months.
During all steps in the process, communication is in parents' preferred languages.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Victoria Prisinzano

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Jessenia	Gutierrez	Teacher - Regular Grades - ESL	New Lac - Will attend in Fall 2025	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),New York City Schools Account (NYCSA) Student Profile

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	2	0.42%	2	0.43%	0	0
CHINESE ANY	5	1.05%	4	0.85%	0	0
MANDARIN	0	0.00%	1	0.21%	0	0
ENGLISH	350	73.84%	346	73.93%	70	70
SPANISH	116	24.47%	114	24.36%	8	16
YIDDISH	1	0.21%	1	0.21%	4	4

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Report Cards	Report cards are translated into Spanish by school staff. For lower incidence languages, the school uses staff from nearby school and Department of Translation and Interpretation. All translations are complete by dates report cards are sent to parents.
Letters notifying parents about class trips.	These letters are translated by school staff. For lower incidence languages, the school uses staff from nearby schools and Microsoft Translator Tools. Trips are planned in advance so translations can be completed in a timely manner.
Letters and flyers notifying parents about school wide events such as dance performances, the annual multicultural fair, Winter Wonderland, etc	These letters are translated by school staff. For lower incidence languages, the school uses staff from nearby schools and Microsoft Translator Tools. Events are planned in advance so translations can be completed in a timely manner.
Letters notifying parents about Pre-K, Kindergarten and Fifth Grade Graduation	These letters are translated by school staff. For lower incidence languages, the school uses staff from nearby schools and Microsoft Translator Tools. Events are planned in advance so translations can be completed in a timely manner
Letters and flyers notifying parents about PTA meetings	These letters are translated by school staff. For lower incidence languages, the school uses staff from nearby schools and Microsoft Translator Tools. Events are planned in advance so translations can be completed in a timely manner

Letters and flyers notifying parents about parent workshops	These letters are translated by school staff. For lower incidence languages, the school uses staff from nearby schools and Microsoft Translator Tools. Events are planned in advance so translations can be completed in a timely manner
Parent Handbook	The handbook is translated by school staff before school starts. For lower incidence languages, the school uses staff from nearby schools and Microsoft Translator Tools. Events are planned in advance so translations can be completed in a timely manner
Grade specific newsletters	Newsletters are translated by classroom teachers and are sent home in multiple languages

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent Teacher Conferences and ELL Individual Parent Meeting	For parents whose preferred language is Spanish, school staff provide interpretation. For low incidence languages, the school uses the Language Translation line. For parents who prefer ASL, the school arranges for interpreters through OSLIS.
Parent Workshops	For parents whose preferred language is Spanish, school staff provide interpretation. For low incidence languages, the school uses Microsoft Translator Tools. For parents who prefer ASL, the school arranges for interpreters through OSLIS.
Ell Parent Orientation	For parents whose preferred language is Spanish, school staff provide interpretation. For low incidence languages, the school uses the Language Translation line. For parents who prefer ASL, the school arranges for interpreters through OSLIS.
PTA Meetings	For parents whose preferred language is Spanish, school staff provide interpretation. For low incidence languages, the school use Microsoft Translator Tools and the Language Translation line. For parents who prefer ASL, the school arranges for interpreters through OSLIS.
School wide events such as the annual Multicultural Fair, Winter Wonderland, Talent Show and dance performances	For parents whose preferred language is Spanish, school staff provide interpretation. For low incidence languages, the school reaches out to nearby schools for interpreters. For parents who prefer ASL, the school arranges for interpreters through OSLIS.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

In the event of a school-wide emergency such as a lockdown, fire, etc, parents who speak a language other than English would be telephoned, texted or emailed by a member of the school staff who is proficient in the parent's preferred language. The school would also send out automated phone messages. For low incidence languages, school staff would use the Language Translation and Interpretation line and/or Microsoft Translator Tools to contact parents. For parents whose preferred language is Chinese, the school would reach out to staff at PS 250 at 108 Montrose Avenue, Brooklyn and have them contact parents. For parents whose preferred language is Arabic, the school would utilize the translation line and Microsoft Translator tools.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

The school will ensure that all staff complete the required asynchronous NYCPS Language Access Training for school-based staff on the WeLearnNYC learning platform by setting clear expectations and timelines at the beginning of the school year. The Language Access Coordinator (LAC) will introduce the training during the initial staff meeting and provide step-by-step instructions for accessing the course on WeLearnNYC. Staff will be given a deadline to complete the training, and the LAC, in collaboration with school administration, will monitor completion. Reminders will be sent via email and announced during grade meetings to encourage timely completion. Staff members who have not completed the training by the deadline will receive follow-up support to ensure full compliance. All staff members will be required to submit a certificate of completion to the administration. Records will be maintained in the main office.

The school will ensure that all staff members are familiar with the following documents: Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communication with parents. The LAC will review both documents with staff at the start of the school year. The links to both documents will then be emailed to all staff members; copies of both best practices will be posted in the main office. The LAC will then review these items at staff meetings and grade meetings.

The school will also ensure that all staff complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. The LAC will email information about the training to all staff members as well as provide verbal reminders at grade meetings. All staff will then provide the LAC with a copy of their certificates of completion for the training. These swill be kept in a binder in the LAC's office.

The LAC will disseminate future language access resources and updates to all staff members through a variety of means including emails, postings in the main office, and announcements at staff meetings and grade meetings.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

The school ensures that parents with limited English proficiency are informed of their right to receive information in their preferred language through various means. A welcome poster is displayed at the main entrance, and the Language ID guide is available at the security desk and in the main office. Additionally, the Parent's Guide to Language Access is distributed to parents. During PTA meetings, parent workshops, and parent-teacher conferences, parents are reminded of their language access rights. The NYC Public Schools Guidebook is distributed in parents' preferred languages and is available in the main office.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

The school will gather feedback from parents with limited English proficiency regarding the services they receive through the use of a survey, as well as through input from classroom teachers and feedback provided by parents at PTA meetings,

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

PS 380 has consistently strived to provide widespread language assistance services to all parents. Spanish is the most common preferred language for parents whose preferred language is other than English (24%). The school has a Dual Language Spanish program where all teachers are bilingual in Spanish as are other teachers. In addition, the Parent Coordinator who also attended PS 380 as a student is proficient in both English and Spanish as are most para professionals. The school also has a Bilingual Yiddish English Special Education program where all teachers and most other staff members are proficient in Yiddish which facilitates communication with parents. Letters, flyers, and school documents are translated for parents in these languages. Staff members provide interpretation services and meetings. For Chinese and Arabic as well as low incidence languages, the DOE translation line is used.

In 2023-2024, the school took significant steps to improve communication for parents whose preferred language is ASL. Based on feedback from one such parent, the school began providing full ASL interpretation at all school events to ensure that these parents can actively participate and engage with the school community. This allows them to meet with key school staff, such as teachers, counselors, and administrators, without any language barriers

Moving forward, the school plans to continue to improve its language assistance services based on feedback from parent surveys, the Parent Coordinator and teachers.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Saturday Academy

Total number of ELLs to be served in this program:

18

Grades to be served in this program. Select all that apply.

,3,4,5,2

Total number of teachers in this program:

1

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

1

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

P.S. 380 will offer an after school programs, two days a week for Newcomers in Grades 1-5 who have scored at the Entering level on the NYSESLAT, many of whom are recent arrivals in the United States. All of these students have a home language of English.The program will focus on all four domains of English language learning--listening, speaking, reading and writing. Instruction will emphasize phonics, sentence structure, vocabulary, reading comprehension, oral expression and listening skills. There will be one teacher with a bilingual extension in Spanish and one class. The program will take place from 2:30-4:30 on Wednesdays and Thursdays from September 30, 2025 to May 28, 2026.

Attendance will be taken by the teacher, and records will be maintained in the school office. The program will be supervised by an assistant principal, who normally works from 7:00 a.m. to 3:30 p.m.; any supervision beyond those hours will be compensated per session. The administrator will meet with Title III parents to answer questions, call parents of absent students, welcome late arrivals, and supervise any children who remain after dismissal.

The language of instruction will be English. However, students' native languages will be supported through the use of grade level books in Spanish, bilingual dictionaries and online resources like Epic Books. In addition, the teacher's has a bilingual extension in Spanish so he is adept at emphasizing cognates as well as grammatical similarities and differences between English and Spanish.

Materials will also consist of teacher made materials such as sentence frames , vocabulary cards, sorting games and songs as well as grade level books in English. All materials are distinct from materials used in daily instruction and are not at cost to the Title III program.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

The rationale for a Newcomer Support Program is as follows:

82.5% of current ELLs at PS 380 are Newcomers who have a significant need for initial language acquisition support. These students struggle with foundational literacy skills and cultural adjustment. The require targeted ENL

instruction as well as support adjusting to the new school enviornment and family engagement. This data is taken from the EDAT demographic review and the NYSESLAT ELP growth data .
.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

There will be 11 newcomers and 10 developing ELLs in the program. There will be one class. Currently there are no SIFE or Long Term ELLs who would be eligible for the program.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The program will begin on September 30, 2025, and end on May 27, 2026. It will consist of 31 sessions, held on Wednesdays and Thursdays. Each session will run from 2:30 PM to 4:30 PM.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

Answered above.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

Answered above.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Answered above.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Records of parent notification in parents' preferred languages will be maintained in the school's office. The school's plan for implementation will include letters sent home to parents in their preferred language as well as group and individual parent meetings conducted by teachers in parents' preferred languages. Progress will be monitored by the teachers in the program and will be based on both teacher observation and assessments given during the program.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

The teacher in the Title III program will meet monthly with the ELL Coordinator and administrators from 7:30-8:00am beginning in January to assess ELL data and look at ways to improve outcomes in literacy and mathematics for ELLs. She will also attend professional development sessions listed below. These professional development sessions will be at no cost to the Title III program. Records of teacher attendance for these meetings will be kept in the main office.

Below are the Professional Development opportunities for the Title III program teacher:

1) PS 380's ELL Coordinator will attend Monthly Multilingual Learner Meetings with District 14 ENL Coordinator, Camilla Holmes and turnkey this professional development to the the Title III teacher. Dates for these meetings have not yet been announced.

2) The Title III teacher will also receive ongoing professional development for the NYC Reads program. Dates for these meetings have not yet been announced.

The professional development will be at no cost to Title III ELL funds.

The rationale for this ongoing professional development is that the Title III program will focus on literacy instruction for Newcomers so workshops provided by NYC Reads will provide the most updated strategies for literacy instruction. District 14 ELL meetings will ensure that the teacher is equipped with the best practices for working with ELLs. Workshops at the Fordham University Rbern will provide additional awareness of methods for working with Newcomers.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

The rationale for the Title III program for Newcomers is that 82.5% of current ELLs (47 out of 57) at PS 380 are Newcomers. These students require supports to accelerate English acquisition so they can access core content effectively, especially in the early grades (K–3), where most newcomers are concentrated. PDs on New York City Reads curriculum as well as PD from District 14 will assist the teacher in providing these targeted supports for Newcomers. In addition, writing was the lowest-performing modality across multiple grades in NYSESLAT 2024, with significant numbers of students scoring in the “low” range so that the Title III program teacher will attend sessions at Fordham RBern that will include structured writing protocols and strategies for sentence level scaffolding.

.

.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

The teacher in the Title III program will receive professional development. He will receive monthly professional development through information from District 14 ELL meetings turnkeyed by the PS 380 ELL Coordinator. He will also attend professional development sessions offered by NYC Reads and the Fordham University Rbern.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

The ELL Coordinator will turnkey District 14 ENL professional development to the teacher in the Title III program. The teacher in this program will also attend professional development sessions with the Fordham Rbern and NYC Reads. All session days, dates, times and duration for the 2025-26 school year have not been announced.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

The professional development will focus on instruction for Newcomers who represent more than the majority of ELLs at PS 380,. This will include the key components of reading--phonemic awareness, phonics, vocabulary and comprehension. District 14 professional development sessions will emphasize QTEL (Quality Teaching for English Language Learners) which includes strategies to accelerate English language development and to increase academic knowledge and vocabulary, all of which are beneficial for Newcomers. The QTEL framework is based on sociocultural and sociolinguistic theories of learning.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Title III professional development will be provided by the ELL Coordinator, Jessenia Gutierrez and will be based on District 14 ELL professional development sessions. There will also be professional development activities with the Fordham Rbern and NYC Reads. The names and titles of providers will not be available until Fall 2025.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

The professional development will be at no cost to the Title III program. Agendas and sign-in sheets will be maintained in the main office.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Topics for Title III parent meetings are based on outreach to parents in the Title III program and input from the teacher.The rationale for these workshops is that research shows ELLs do better when parents are knowledgeable about what their children are learning, as well as when parents are involved in school activities.

Workshops will be provided by classroom teachers. Interpretation at meetings and translation of materials will be provided by PS 380 staff.

Parents will be notified about workshops through invitations sent home in their preferred language and notices posted at the main entrance, as well as on the school Parent Google Classroom page.

Records including agendas, attendance sheets, and notifications will be kept in the main office.

Schedule and Duration: PS 380 will hold parent meetings on four different Mondays, from 2:30pm -3:20pm on the topics listed below. Meetings will take place either in the PTA room or the school library. The providers for these meetings will include the Title III program teacher and the Parent Coordinator.
Parental Engamenent will be at no cost to the Title III program.

The specific workshops are:

Overview of the Title III Curriculum - An introduction to what the instructional goals and learning focus of the Title III program. Monday, October 5, 22025

A Crash Course in English for Parents of Newcomers/ Curso rápido de inglés para padres - 3 sessions
Monday, October 13, 2025; Monday, October 20, 2025; Monday, October 27, 2025.
Parent of Newcomers have requested support in learning English.

All program sessions will be from 2:30pm -3:20pm

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

The rationale for specific workshops is as follows:

1) Overview of the Title III program - The rationale for this program is to allow parents to understand the goals and focus of the Title III program so they become of aware of the essential English language skills their children need to acquire so that they can support their children's learning. Parents have requested this support at ELL individual parent meetings and at PTA meetings..

2) A Crash Course in English for Parents - Parents of Newcomers in the Title III program are recent arrivals in the United States and their preferred language is Spanish. In ELL parent orientation meetings and in discussions with the teachers in the Spanish Dual Language program, they have requested assistance in learning English. These workshops will also enable parents to better support their child's English language learning.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Overview of Title III Program - Monday, October 5, 2025; 2:30pm - 3:20pm - 1 session

A Crash Course in English for Parents of Newcomers/ Curso rápido de inglés para padres - 3 sessions
Monday, October 13, 2025; Monday, October 20, 2025; Monday, October 27, 2025.
Session will run from 2:30pm-3:20pm

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

The topics to be covered include an overview of the Title III program's goals and focus and then there will be three sessions to assist parents of Newcomers in learning English.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

The providers will be the Title III program teacher, Hugo Cardenas and the Parent Coordinator, Aylin Aguilar.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents will be notified about workshops through invitations sent home in their preferred language and notices posted at the main entrance, as well as on the Parent Google Classroom page.

Interpretation supports at events will be provided by staff members from PS 380.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Documentation of family engagement activities including notifications, agendas and sign-in sheets, will be maintained by the Parent Coordinator in the school's main office.
