Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps

and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

Public School 1K

District Borough Number (DBN):

15K001

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.
Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature

Wanda Lopez Ramirez	Principal or Designee*	
Mary Martinez	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Sandra Cordero	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
N/A	District Council 37 (DC 37) Representative (staff), if applicable	
Angelica Angeles	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	
N/A	Student Representative (Required for middle and high schools)	
Yolanda Nunez	CBO Representative, if applicable	
Frances Moeller	Teacher	
Deborah Healy	Teacher	
Lizbeth Diaz	Parent	
Juan Tlaxcantitla	Parent	
Rosa Perez	Parent	
Junior Iglesia	Chair person Member	
n/a	Member/Parent

NA	n/a	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

P.S. 1 The School of Leadership and Creativity
Mission Statement
We are a welcoming and diverse community that cares about students, families and staff so that everyone feels like PS 1 is their home.

We are intelligent, brave, creative, kind, innovative and respectful leaders.

We are full of knowledge! Our brains grow when we make mistakes and do hard things.

We are curious and proactive explorers, scientists and artists.

Our mission is to finish high school, go to college and get a great career.

Our mission is to be role models for each other at PS 1.

Our mission is to be positive during tough times and to help each other overcome all challenges.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

Our PS 1 School Community is located in the Sunset Park Community. Our school has a commitment to strong community ties and has longstanding partnership CBO Center for Family Life. Our community has had a longstanding commitment to bilingual education and offers a Dual Language Spanish Program from Pre-K -5.

Our school is a community of diverse learners. Our school demographics have remained steady across the last four years, with a recent increase in highest percentage of newcomers.

Student Demographics
Asian: 5%
Black: 5%
Hispanic or Latinx: 91%
Native American: 0%
Native Hawaiian/Pacific Islander: 1%

White: 3.5%
MLL: 51.1%
Students: 680 (including Pre-K students)
Students with disabilities: 21%
Female: 53%
Male: 46%
STH:13%

Briefly summarize the key initiatives your school will implement this school year.

*Data Wise Think Tank representative of every grade and out of classroom, including paraprofessional
*Professional Development Monday's
*Lighthouse - 7 Habits
*Equity Lens- across instruction
*Acadience Screener and Map Growth Screener
*Collaborating with a Special Education Coach from Central
*Collaborating with Teaching Matters with our grades K, 1 & 2
*Collaborating with Teaching Matters across grades K-5
*Collaborating with the Math Leads and Literacy Leads
*Grants to support our school planting/Seeds in the Middle/Edible School Yard
*Continued collaboration with Disney
*Collaboration with Wellness
*Aprendiendo leyendo
*SPIRE
*Organ Gilligan Professional learning
*Family Night/Fabulous Friday's
*Counseling with Center for Family Life
*Piloting IM for Kindergarten and Fifth Grade

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
Into Reading (ELA)	K-5	Remote/Print	Arriba la Lectura for Spanish
Envision (Math)	K-5	Remote/Print	N/A
Fundations (ELA)	K-3	Print	N/A
Heggerty (ELA)	PreK - 1	Remote/Print	N/A
Amplify Science	K-5	Print	N/A
Passport	K-5	Print	N/A

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on NYS ELA data from 2025, 39.4% of all students in grades 3 through 5 scored Levels 3 & 4, which means that 60% of all students did not reach proficiency. This represents a 13.3 percentage point increase from 2024. 14.5% (an 8 percentage point increase from 2024) of Multi-Lingual Learners (MLLs) scored Levels 3 & 4 on the NYS 2025 ELA, and 8.6% (a 3.7 percentage point increase from 2024) of Students with Disabilities (SWDs) scored Levels 3 & 4, which means that over 80% of MLLs and SWDs did not reach proficiency. Based on the BOY 2025 NWEA Map Growth Reading Screener Data, 42% of all students in grades 3 through 5 are	Many students are unable to demonstrate proficiency in reading complex texts. The root cause of this is varied. In terms of learner-centered issues, the root causes that contribute to this data trend are as follows: -Some students may struggle to decode complex grade-level texts with fluency because of gaps in their foundational reading skills -Many of our students are MLLs from culturally and linguistically diverse background and are in various stages of language acquisition. As such, they may struggle with both the vocabulary & schema	Strengthening Explicit Instruction in Literacy

at or above the 41st percentile, which represents a 3 percentage point increase. 13% of Multi-Lingual Learners (MLLs) are at or above the 41st percentile on the NWEA Map Growth Reading Screener BOY 2025, and 9% of Students with Disabilities (SWDs) are at or above the 41st percentile on the NWEA Map Growth Reading Screener BOY 2025, which means that over 80% of MLLs and 90% of SWDs are currently below average.	of complex texts, as well as demonstrating comprehension of complex texts in writing. In terms of teacher-practice centered issues - Teachers need to build stronger content knowledge in literacy and language - Teachers need to improve their clarity and teach literacy concepts and skills explicitly - Teachers need to improve their specially designed instruction to support diverse learners	
According to Acadience Reading Screener BOY 2025 data, 23% of all students on grades K-2 are At or Above Benchmark, and 77% of all students on grades K-2 are Below Benchmark. 9% of MultiLingual Learners (MLLs) on grades K-2 are At or Above Benchmark, and 15% of Students with Disabilities (SWDs) are At or Above Benchmark. Currently over 80% of MLLs and SWDs on grades K-2 are Below Benchmark	Many students on grades K-2, and a significant population of students on grades 3-5 struggle with foundational reading skills including phonemic awareness, phonics, automaticity & fluency. In alignment with the NYC Reads Literacy Shifts, we need to continue to strengthen foundational skills (phonemic awareness, phonics, automaticity & fluency) Tier I instruction in grades K-3, and Tier II instruction across all levels. Additionally there are significant achievement gaps in our data among both MLLs and Students with IEPs. Instruction and best practices targeted to these subgroup populations is needed.	Strengthening Instruction in Foundational Skills K-5
Based on NYS ELA data from 2025, 39.4% of all students in grades 3 through 5 scored Levels 3 & 4, which means that 60% of all students did not reach proficiency. This represents a 13.3 percentage point increase from 2024. 14.5% (an 8 percentage point increase from 2024) of Multi-Lingual Learners (MLLs) scored Levels 3 & 4 on the NYS 2025 ELA, and 8.6% (a 3.7 percentage point increase from 2024) of Students with Disabilities (SWDs) scored Levels 3 & 4, which means that over 80% of MLLs and SWDs did not reach proficiency. Based on the BOY 2025 NWEA Map Growth Reading Screener Data, 42% of all students in grades 3 through 5 are at or above the 41st percentile, which represents a 3 percentage point increase. 13% of Multi-Lingual Learners (MLLs) are at or above the 41st percentile on the NWEA Map Growth Reading Screener BOY 2025, and 9% of Students with Disabilities (SWDs) are at or above the 41st percentile on the NWEA Map Growth Reading Screener BOY 2025, which means that over 80% of MLLs and 90% of SWDs are currently below average.	46% of our school population are MLLs who are in various stages of language acquisition, and require support in acquiring new vocabulary, learning strategies for determining word meaning in context, and developing strong language in both structure and craft. We need to build upon existing best practices & content in our literacy curriculum, and seek out additional resources to strengthen vocabulary & language instruction	Strengthening Tier I and Tier II instruction in Vocabulary and Language

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	39%	By June, 2026, literacy for All Students will improve, as measured by a 2 percentage point increase Increase, from 39% to 41%, of percentage of students scoring at Levels 3 & 4 on the NYS ELA exam results .
English Language Learners (ELL)	14%	By June, 2026, literacy for English Language Learners (ELL) will improve, as measured by a 2 percentage point Increase, from 14% to 16%, of percentage of students scoring at Levels 3 & 4 on the NYS ELA exam results.
Students with Disabilities (SWD)	8%	By June, 2026, literacy for Students with Disabilities (SWD) will improve, as measured by a 2 percentage point Decrease, from 8% to 10%, of percentage of students scoring at Levels 3 & 4 on the NYS ELA exam results.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Map Growth Reading

Enter a Key Performance Indicator

An increase in the percentage of all students on grades 3-5 At or Above the 41st Percentile

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Professional Development and training to build teachers' content knowledge in literacy and language and pedagogy in Explicit Instruction.

Root Cause Addressed:

Many students are unable to demonstrate proficiency in reading complex texts. The root cause of this is varied.

In terms of learner-centered issues, the root causes that contribute to this data trend are as follows:
-Some students may struggle to decode complex grade-level texts with fluency because of gaps in their foundational reading skills
-Many of our students are MLLs from culturally and linguistically diverse background and are in various stages of language acquisition. As such, they may struggle with both the vocabulary & schema of complex texts, as well as demonstrating comprehension of complex texts in writing.

In terms of teacher-practice centered issues
-Teachers need to build stronger content knowledge in literacy and language
-Teachers need to improve their clarity and teach literacy concepts and skills explicitly
-Teachers need to improve their specially designed instruction to support diverse learners

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Develop a yearlong PD calendar that focuses on Explicit Instruction across all types of professional development (in house, outside trainings, coaching cycles) that includes consulting professional and evidence-based resources (ex Anita Archer's Explicit instruction), modeling, intervisitations of peers, feedback & reflection/revision.

Implement training that focuses on building content knowledge in literacy and language acquisition aligned to the Science of Reading, particularly focusing on phonics, phonemic awareness, fluency, and morphology as well as evidence-based strategies for teaching reading comprehension, academic vocabulary, and foundational skills.
Launch peer-to-peer learning walks and intervisitations that Identify teacher-leaders to model strong Explicit Instruction practices and create opportunities for intervisitations and debrief sessions to reflect on implementation of PD learnings
Implement regular coaching cycles that prioritize side-by-side in the moment coaching, and include opportunities for modeling, 1:1 or small group learning, co-planning and reflection.
School administrators will provide regular observation and feedback that is focused on improving teachers' practice, specifically in explicit instruction
School administrators, coaches and teachers will participate in Centeral and District-offered professional learning focused on building content knowledge and pedagogy rooted in the science of reading. (Edwards OG PL, Literacy Leads, LIFT Series, ENL Foundational Skills, ENL Writing, SPIRE, Sounds Sensible, Aprendo Leyendo)

Key Strategy 2 (Optional):

Multi Tiered System of Supports (MTSS) structures will be strengthened school-wide. This will be done by implementing strong MTSS structures (weekly meetings, clear systems & flow chart for support) as well as providing Professional Development & training in Tier II/III literacy intervention curricula.

Root Cause Addressed:

n/a

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Continue to have a consistent meeting time, structure and membership for all MTSS meetings, meeting at least biweekly with representatives from diverse perspectives and expertise across the school
Develop an MTSS flowchart and guidelines, creating a user-friendly document outlining referral pathways, entry/exit criteria for Tier II and III, and intervention timelines, making this accessible to all staff and review it in meetings
Continue to provide PD on high-impact Tier II/III literacy interventions, training teachers and interventionists on selected curricula (e.g., SPIRE, Sounds Sensible) with regular fidelity checks.
Launch progress monitoring protocols and establish regular and timely progress monitoring with assessments that match student needs (e.g. Acadience PM) and support staff in analyzing trendlines and making instructional adjustments.

Track intervention impact and fidelity and conduct regular fidelity walkthroughs and feedback sessions. Use this to make adjustments to programming.

Continue to provide professional learning (including Central and District offered) on high-impact and research-based pedagogy and curricula that is specifically focused on Students with Disabilities and Multilingual Learners (Edwards OG, ENL Foundational Skills, ENL Writing, Specially Designed Instruction, Dyslexia series, SPIRE, Sounds Sensible)

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

- Instructional Walkthroughs & Observations - we will conduct regular instructional walks using a calibrated “Explicit Instruction Look-For” tool.

- PD Attendance and Engagement Logs to track staff attendance, participation, and engagement levels in sessions and collect pre- and post-session reflections or exit tickets to assess teacher learning.

-Coaching Logs and Teacher Feedback to document frequency, focus areas, and outcomes of coaching sessions and use coaching feedback forms to capture teacher self-reflection and coach recommendations.

-Analysis of Student Work and Assessment Data - monitor improvement in student reading comprehension, vocabulary use, and constructed responses through regular monitoring of module assessments, monitor both progress monitoring and benchmark on Acadience. Analyze data as a leadership team and on grade teams to identify trends and measure impact.

- Teacher Artifacts and Planning Documents from observation and feedback cycles to review lesson plans, anchor charts, and other instructional materials for evidence of explicitly taught literacy content and language supports.

-Professional Learning Communities (PLCs) or Grade Team Notes to capture data use, instructional planning, and calibration around instructional practices.

-Teacher Surveys to use as pulse checks to evaluate perceived impact of PD on instructional clarity and student learning engagement. Include items focused on sense of teacher efficacy, content knowledge, and student understanding.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/06/2025	06/26/2026	Literacy Coach & teachers will conduct parent workshops to build family content knowledge around the NYC Reads Literacy Shifts	Center for Family Life, PTA
09/04/2025	06/26/2026	Literacy coach, administration & teachers will host family nights monthly with opportunities for literacy learning including at least 1 night that will be specifically literacy-themed.	Center for Family Life, PTA, NYU Lutheran
09/04/2025	06/26/2026	Literacy Coach, teachers & website manager will link resources for literacy curricula & other resources to support literacy at home (Sora, etc.)	PTA

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Literacy Coach, Centrally Funded Special Education Teacher, 1 SETSS Teacher, 2 Literacy RTI Teachers

Instructional Resources

SPIRE & Sounds Sensible Kits, Decodable Reader Libraries, additional materials that teachers may use in Tier II instruction - chips & wands, play-doh, Elkonin boxes, magna-tiles, etc.

Schedule Adjustments

ensuring staff is covered with the SAM and allocation for the 2025-2026 budget

Other Resources Needed

per-diem to cover teachers to attend PD in SPIRE & Sounds Sensible, HMH Into Reading, Fundations & etc as well as per diem to conduct during the day small group coaching and/or professional development provided by the Literacy coach; per-diem to cover teachers to meet with administration for data meetings; per-session for coach and teachers to plan before and after school

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Minimizing unsafe behaviors with OSYD June 2025	early childhood students unable to regulate	Ensuring our students are talking to address their concerns
n/a	n/a	n/a
n/a	n/a	n/a

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	32	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 2% Decrease, in decrease the A24 with students acting aggressive/with classmates or staff from 32 to 30, per the OORs Reports .

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Guidance Counselors will continue to have the pulse on the incidents with students.
Guidance will have a plan for students that need a check-in the morning, mid-day and the later part of the afternoon.
Check-in will also be with updates with families.
How to calm the behavior, build positive relationship with guidance. Have a neutral tone and support in verbal cues.
Observe behaviors and identify triggers and patterns.
Work along the crisis team for support and collaboration. Calm down space will be made readily available.
Parent Corp will be supported staff with additional strategies to support in regulating students.

Root Cause Addressed:

Students getting along and having a respect for school's 8 habits. We will have a monthly "Habit- celebration, and having students identified as demonstrated one of the 8 habits.
Student in Crisis. Being specific to our lower grades.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
creating teams that will have students be able to discuss their concerns.
teachers will be part of identifying the importance of the 8 habits as leaders. Monthly school wide presentations in the auditorium, identifying students who are working towards the 8 habits.

Strengthen Mathematical Discourse There is a need to strengthen teacher capacity to explicitly teach, model, and facilitate student-centered mathematical discourse—especially for English Language Learners (ELLs) and Students with Disabilities (SWDs)—in

at benchmark; 17% above benchmark 1st Grade: 39% well below benchmark; 21% below benchmark; 9% at benchmark; 31% at benchmark 2nd grade: 38% well below benchmark; 18% below benchmark; 18% at benchmark; 26% above benchmark		order to increase student engagement in building on peers' ideas, providing constructive feedback, and using academic language during math discussions.
NYCPS Math Instructional Shifts School Survey 2024-2025 *6% drop on 2024-2025 School survey to the question: How many children from you classes build on each others ideas during class discussions? 61% answered favorably *9% drop on 2024-2025 school survey to the question: How many students in your classes participate in class discussions at some point? 78% responded favorably *9% drop on 2024-2025 school survey to the question: How many students in your classes provide constructive feedback to their peer/teachers? 68% responded favorably Advance Teacher Observations 2024-2025 specifically 3c: Engaging students in learning Math Think Tank Vertical Teacher Discussions May 2025 *during vertical group discussion teachers noted that students struggle to build on each others ideas during mathematical discussions. EOY Screener Data 3-5: Map Growth: grades 3-5: 20% in the 41st-60th percentile; 17% in the 61st-80th percentile; 3% >80th percentile ELLS grade 3-5: 16% in the 41st-60th percentile; 3% in the 61st-80th percentile; 1%>80th percentile SWD grades 3-5: 9% in the 41st-60th percentile; 7% in the 61st-80th percentile; 0% >80th percentile Acadience Math EOY Data K-2: Kindergarten: 38% well-below benchmark; 32% Below benchmark; 14% at benchmark; 17% above benchmark 1st Grade: 39% well below benchmark; 21% below benchmark; 9% at benchmark; 31% at benchmark 2nd grade: 38% well below benchmark; 18% below benchmark; 18% at benchmark; 26% above benchmark	Students demonstrate limited engagement in meaningful mathematical discourse and struggle to develop conceptual understanding and reasoning skills, as reflected in declining survey results, teacher observations, and assessment data (Acadience, MAP Growth). The current math program, enVision Math, although structured around a sense-making approach, does not sufficiently support students in connecting ideas, engaging in rich mathematical discussions, or practicing reasoning routines consistently. This gap hinders student mastery of the NYSPS K-12 Mathematical Shifts, which emphasize conceptual understanding, problem-solving, and student discourse. To address these gaps, the school will pilot Illustrative Math (IM) in Kindergarten and Grade 5 during SY 2025-26. IM is aligned with NYSPS shifts and provides multiple opportunities for real-world problem-solving, conceptual understanding, and collaborative discourse. The phased rollout reduces stress on staff and lays a foundation for expanding IM to Grades 1-4 in SY 2026-27.	Piloting IM To implement a math curriculum that fosters student engagement in mathematical discourse and develops conceptual understanding and reasoning skills, aligned with NYSPS K-12 Mathematical Shifts, beginning with a targeted pilot of Illustrative Math in Kindergarten and Grade 5.
EOY Screener Data 3-5: Map Growth: grades 3-5: 20% in the 41st-60th percentile; 17% in the 61st-80th percentile; 3% >80th percentile ELLS grade 3-5: 16% in the 41st-60th percentile; 3% in the 61st-80th percentile; 1%>80th percentile SWD grades 3-5: 9% in the 41st-60th percentile; 7% in the 61st-80th percentile; 0% >80th	Students in grades K–5 demonstrate underdeveloped fact fluency perhaps because foundational number sense and fluency skills are not consistently and effectively taught and reinforced in early grades (K–2). This results in a	Growing Capacity in BFF Implementing Building Fact Fluency as an

percentile Acadience Math EOY Data K-2: Kindergarten: 38% well-below benchmark; 32% Below benchmark; 14% at benchmark; 17% above benchmark 1st Grade: 39% well below benchmark; 21% below benchmark; 9% at benchmark; 31% at benchmark 2nd grade: 38% well below benchmark; 18% below benchmark; 18% at benchmark; 26% above benchmark	high percentage of students performing below benchmark levels in early numeracy assessments, which contributes to persistent gaps in math achievement as measured by MAP Growth in grades 3–5. Additionally, English Language Learners (ELLs) and Students with Disabilities (SWD) show disproportionate challenges due to insufficient targeted interventions and differentiated instruction that address their unique learning needs.	RTI support across grades K–5 will provide consistent, conceptually grounded fluency instruction that addresses early gaps in number sense, supports differentiation for ELLs and SWDs, and aligns with a multi-tiered system of support to improve math outcomes schoolwide.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	32%	P.S. 1 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scoring at Levels 3 & 4 will Increase by 2% from 32% to 34%, for All Students, as measured by NYS Math Exam results.
English Language Learners (ELL)	11%	P.S. 1 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scorning at Levels 3&4 will Increase by 2% from 11% to 13%, for English Language Learners (ELL), as measured by NYS Math Exam results.
Students with Disabilities (SWD)	8%	P.S. 1 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scoring at Levels 3 & 4 will Increase by 1% from 8% to 9%, for Students with Disabilities (SWD), as measured by NYS Math Exam results.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

7% of SWDs on grades 3-5 will be At or Above the 41st percentile

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

8% of SWDs on grades 3-5 will be At or Above the 41st percentile

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Facilitate a Clear Vision for Change
Communicate Purpose: Ensure all stakeholders (teachers, administrators, parents, students) understand why this shift is happening. Emphasize how IM supports the NYSPS K-12 shifts—especially the focus on conceptual understanding, reasoning, and real-world problem-solving. This will help to reduce resistance to the change.

Highlight Alignment: Show how IM's structure and approach better align with the NYSPS shifts, like fostering mathematical discourse, reasoning routines, and encouraging the deep conceptual understanding that the enVision program may lack.

Root Cause Addressed:

In order to better support the development of NYSPS K-12 Mathematic Shifts, it has been determined that we begin to make a shift in math programs from Savas enVision to Imagine Learning. Although the lesson structure of enVision does encourage a begin with sense-making approach (You do, I do, We do), we have noticed that it does not offer students as many opportunities to make connections between ideas or facilitate discourse to develop understanding. We have noticed that enVision Math does not offer the development of math reasoning routines.
On the other hand, Illustrative Math(IM) offers multiple opportunities to practice the NYPS K-12 Mathematical Shifts. IM focuses on real-world , problem-solving activities with a focus on conceptual understanding, as much as procedural fluency.
In order to reduce the stress of introducing a new program school-wide, it has been determined that IM would be rolled out in K and 5 SY2025/26 to have upper and lower models with and intended rollout to grade 1-4 in SY2026/2027.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Offer comprehensive training for K and 5th-grade teachers before the rollout. This will help build confidence and competence with the new materials. Focus on key areas like: How IM encourages discourse and connections between ideas. Designing and facilitating effective math reasoning routines. Integrating real-world problems in the lessons.
Ongoing Support: Regular check-ins, coaching, and feedback loops throughout the year to ensure teachers feel supported. This could involve pairing teachers with IM mentors or instructional coaches who can offer in-class guidance.
Teachers implementing IM will have an early PLC Monday cycle with math coach to support planning and preparation as they continue to learn, and practice lesson structure
Teachers will be supported with coaching cycles that will include learning about facilitating mathematical discourse and deepening understanding of IM Math Language Routines. These cycles will include opportunities for intervisitations.
Administration is looking opportunity to partner with fellow schools in the district who are beginning IM this year or who are a year or 2 ahead. This may lead to opportunities for teachers to visit another school, and have thought partners.

Key Strategy 2 (Optional):

Implement sustained, content-focused professional learning communities (PLCs) that deepen teacher knowledge of math content, learning progressions, and differentiated instructional strategies for diverse learners.

Root Cause Addressed:

End-of-year MAP Growth data for grades 3–5 shows that the majority of students are performing below the 60th percentile, with only 3% of all students, 1% of ELLs, and 0% of students with disabilities (SWD) scoring above the 80th percentile. While teachers have increased the use of manipulatives to support students' conceptual understanding and reasoning, Advance teacher observations and Math Think Tank vertical discussions (May 2025) highlight a continued struggle to provide targeted feedback and identify precise next steps for instruction. This challenge is primarily due to limited teacher confidence and clarity around math content, learning progressions, and how to differentiate instruction in a way that meets the diverse needs of all learners, particularly ELLs and SWDs. These instructional gaps are contributing to the persistent underperformance across student groups.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Math Instructional Coach will lead regular PLCs focused on unpacking priority standards and progressions. She will also look for opportunities for teacher to attend outside PL as well as ways to partner with district math coaches.
Incorporate analysis of student data and work samples, especially from ELLs and SWDs, to guide planning and feedback.

Use a common instructional framework for differentiation (e.g., UDL, scaffolding strategies, language supports).
Facilitate peer learning through co-planning, modeled lessons, and peer observations focused on effective math practices.
Align feedback and coaching with classroom observation tools and specific instructional goals.
D15 Professional Learning Series: Implementing a Problem Based Curriculum - Illustrative MathStrengthening tier 1 instruction to meet students needs with a focus on the [**Math Shifts **]. Beginning with sensemaking (You Do, We Do, I Do) Use shared low floor high ceiling tasks (Increasing access to grade level content and not over differentiating) - Students engage in discourse as the means to develop mathematical understanding and content specific academic language.\- Provide opportunities to productively struggle (do not over scaffold to address deficits and reduce struggle) \-
Use Illustrative Math curriculum to provide equitable access to grade level content with opportunities to build conceptual understanding of grade level math concepts. K-2 PL series (3 full day PL) 3-5 PL series (3 Full day PL)
D15 Math Leads PL series: (4 full days) This PL series will focus on: MTSS & Strengthening tier 1 instruction to meet students needs. Using curriculum designed with UDL principles to provide low floor high ceiling tasks that provide students various entry points to grade level work. Using high quality instructional materials to support students in Tier 1, 2, 3 instruction. Using discourse to develop understanding Utilizing assessments (screeners, diagnostics, formative, interviews) to identify student areas of strength & need. Utilizing the Multilingual Literacy Screener(MLS) Math Assessment as a diagnostic tool for ELL that are knew to your school community for students grades 3-10 (available in 20+ languages) Developing systems to monitor progress

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

*Instructional walks and observations using shared “looks for” (some of theses walks will be admin and coach and others will include peer instructional walks)

*PLC attendance/notes and coaching logs
* Weekly Instructional Cabinet Team Meetings
-Review implementation data (e.g., PLC agendas, teacher reflections, student work).
-Monitor progress on professional learning outcomes and classroom implementation.

*Professional Learning Community (PLC) Sessions
-Use protocols to analyze lesson plans, student work (especially from ELLs and SWDs), and formative assessment data.
-Monitor use of learning progressions and differentiation strategies.

*Coaching Cycles (2x per month)
Focused on evidence of:
Math content accuracy and clarity
Use of manipulatives for reasoning
Differentiation for ELLs and SWDs

Precise feedback and instructional next steps
Aligned to Advance and Math Focus Look-Fors.

*Math Think Tank Vertical Team Meetings
Examine cross-grade trends in student performance and instructional practice.
Share and reflect on effective differentiation strategies.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/18/2025	06/26/2026	Families will receive information about math programs, opportunities to connect to current units of study and resources to supoport their child by the teacher and other support personal through parent engagement time, parent teacher conferences, grade newsletters and parent calendar.	Parent Coordinator/Parent Association
09/08/2025	06/26/2026	Math Instructional Coach and teachers will conduct parent workshops to build parent content knowledge around the NYCPS Math Instructional Shifts. These meetings will be posted on the school wide Parent Calendar and announced by the P.A.	Parent Coordinator/Parent Association
09/09/2024	06/26/2026	Administrators,Math coach and teachers will provide regular opportunities for families to participate together in engaging and academically supportive math activities. These activities may take place on regularly scheduled family nights, Fabulous Friday events or at-home projects involving math in the world around you.	Parent Coordinator/ Teachers/ Parent Association/ Center for Family Life
09/18/2025	06/25/2026	Periodic Screener Data and progress toward CEP goals will be reported at least 3 times throughout the year at the monthly SLT meeting	Principal/Parent Association/CFL/ PAC representative/ UFT rep and teachers

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Math Instructional Coach,

Instructional Resources

Illustrative Math resources (teacher edition books, student books), additional materials teachers may need that are more specific to IM curriculum program (e.g. wooden geometric blocks) Building Fact Fluency

Schedule Adjustments

Teachers will need opportunities to do intervistations, attend professional learnings and attend coaching cycles.

Other Resources Needed

per-diem to cover teachers to attend PDs in IM, schedule inter-visitations, coaching cycles..

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
39% of students in Grade 2 were at or above the benchmark in the 2024-2025 school year according to	Reading well is essential to becoming college and career ready and to securing economic success. Many students across grade levels have significant gaps in their foundational reading skills, vocabulary, and comprehension due to chronic absences and lateness, interrupted formal education, and adequate exposure to research-based Tier 1 and Tier 2	Foundational Literacy Skills

Acadience Reading Screeners for Grades K-2.	Literacy instruction . This gap prevents students from starting on the path to lifelong economic and professional success.	
31 %of STH are marked chronically absent or severely chronically absent in the 2024-2025 school year and 41% of SWD were marked chronically or severely chronically absent in the 2023-2024 school year.	These two sub-groups account for some of the most chronically absent students in the 2024-2025 school year. Failure to attend school regularly presents a barrier to access regular healthy meals, mandated and at-risk mental health services, academic interventions, mandated and at- risk related services such as speech and occupational therapies, and after school child care. These services are essential to putting students on the path of economic security and college and career readiness. Absenteeism and lateness can be attributed to difficulty commuting and organizing of school busing, difficulties in communication between parents and school staff, and social emotional issues affecting the mindset around attending school daily.	Chronic Absenteeism and Lateness in STH and SWD
32%of students have active RISE accounts. Financial Literacy lessons were completed by students in grades k-3, but not yet rolled out to grades 4-5.	Making financial literacy a priority ensures all students—regardless of socioeconomic background—gain access to the tools needed for economic empowerment and social mobility.NYC has stark income and wealth disparities. Financial literacy can help narrow this gap by equipping students with the knowledge to build assets, avoid financial pitfalls, and make informed decisions about education, employment, and entrepreneurship. Adhering to a robust financial literacy curriculum aligns with the NYCPS mission to prepare students for life beyond school. Whether students pursue college, vocational training, or enter the workforce, they'll need to understand budgeting, credit, taxes, and loans.	School Wide Finacial Literacy

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	39% of students in Grade 2 were at or above the benchmark in the 2024-2025 school year according to Acadience Reading Screeners	<Ps 1> will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the percentage of Grade 2 students scoring OAA on Acadience Screeners will Increase by 11% from 39% to 50% as measured by 2025-2026 Acadience Literacy Screeners.
Students with Disabilities (SWD)	42%	<School Name> will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By July, 2026, the percentage marked Chronically absentee for Students with Disabilities (SWD) will Decrease by 12% from 42% to 30% as measured by Insight attendence tracker.
All Students	4	<School Name> will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the grades completing Finacial Literacy Lessons will Increase by 2 from 4 (k-3) to 6 (4-5) as measured by Stars Tracker.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Utilize PLC, common preps, and 6 period prep to support, develop, and provide feedback to teachers as they plan for effective, research based Phonics instruction and comprehensive Financial Literacy Instruction.

Root Cause Addressed:

1.Only 39% of second graders scored OAA on the 2024-2025 Acadience screeners and are prepared to read on or above grade level by grade 3.

2. 4/6 classes received Financial Literacy instruction in the 2025 school year.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Continue PLC Inquiry based groups designed to support teacher's growth of content knowledge and experience in Phonics Instruction
Conduct systematic instructional walks to ensure consistency and high quality phonics instruction in second grade classrooms
Tri-annual data meetings to monitor progress, re-asses student groups, and redesign instructional need
Monthly planning time for Financial Literacy lessons to ensure consistency across grade K-5
Financial Literacy week that encourages school wide lessons and a celebration of learning.

Key Strategy 2 (Optional):

Individual Parent conferences with SWD in danger of being marked Chronically Absent to address the root causes of absentism. Offering social emotional, academic, transportation, and after- care support where nessecary

Root Cause Addressed:

41% of SWD are designated as Chronically Absent

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Identify families at risk of CA designation and schedule attendance confr4ences.
Connect families with our transportation secretary to solve bussing issues
Connect families with CFL SIS to offer family support, individual counseling , and housing support
Offer a morning or afterschool enrichment program to increase attendance
Connect families with our CBO to offer afterschool care for child when possible.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

1. For goal 1, our primary progress monitoring checks will be the BOY, and MOY screeners, instructional walks, and Danielson Feedback and observation cycles. We will collect grade specific data use it to determine the impact of instruction and predict the likelihood of meeting our target.

2. For Goal 2 our primary progress monitoring check will be Attendance data on INSIGHT and our bi-weekly attendance meetings We will review data and make determinations on the type of support and intervention needed to insure we meet targets.

3. For Goal 3 our primary progress monitoring will be Stars programing, instructional walks, and NYC RISE tracker. We will monitor if students in K-5 complete their montly lessons and track RISE enrollments tri- annual.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	On going workshops, virtual and in person meetings, and resource share will be offered to all families to better understand the D15 Literacy Plan and our school's literacy instruction.	Literacy Coaches, Parent Coordinator
09/04/2025	06/26/2026	SWD marked chronically or severely chronically absent will receive weekly check in communication from a classroom teacher via phone or email expressing concern, providing instructions for missed content, and offering support if needed. SWD marked chronically or severely chronically absent without a trend of improvement will be called in for an attendance conference with a building leader to discuss barriers to regular attendance. At-risk counseling, transportation support, after care support, and/or food security resources will be offered to all.	CFL Support in Schools
11/10/2025	06/26/2026	Parent workshops will be held to support parents in completing RISE accounts	CFL

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
0 %Prek students do not choose to enroll in a NYCPS public school	Families believed their child's academic, social emotional, or physical needs would be better served in a charter or private school setting.	Prek students do not choose to enroll in a NYCPS public school

82% of Families who returned our School Surveys in the 2024- 2025 School Year stated they felt our school built capacity as their Child's Primary Advocate	Some families do not feel that staff adequately supported them making decisions about which schools or programs would be best for their child in the following school-year.	8% families expressed concern that staff did not support them in making the best choices for schools or program in the coming school year.
n/a	n/a	n/a

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	90%	<School Name> will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the percentage of Prek Parents who select a NYCPS will Increase by 5% from 90% to 95% as measured by Kindergarten Registration .
Parents of All Students	82%	<School Name> will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the Percentage of families that respond favorably to survey question about building capacity as the child's primary advocate will Increase by 8% from 82% to 100% as measured by NYC School Survey results.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Pre-K building leaders and family support staff will offer information sessions, 1-1 support, and virtual and in person tours for families as they begin to apply for Kindergarten 2025-2026, In person family events, rich cultural experiences, and weekly arts programing will be offered to all prek families and students
and office hours.

Root Cause Addressed:

Ensuring all families are aware of Kindergarten options, application timeline, and adequate technology to complete the Kindergarten application.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Pre-K building leaders and family support staff will offer information sessions, 1-1 support, and virtual and in persontours for families as they begin to apply for Kindergarten 2025-2026
1-1 support will be offered for Families completing the Kindergarten application
Parent Engagement, outreach, support, and partnership in Pre-K is essential in retaining our students within the NYC School system. To address this we will: - Continue our open door policy where families can join their students in classrooms for arrival , dismissal, or anytime. - Monthly Parent Nights, weekly workshops, and office hours.
n/a
n/a

Key Strategy 2 (Optional):

Parent Engagement, outreach, support, and partnerships are essential in retaining our students within the NYC School system. To address this we will: - Continue our open door policy where families can join their students in classrooms for arrival , dismissal, or anytime. - Monthly Parent Nights, weekly workshops, and office hours.

- flexible meeting time for PTC/PID meetings including in person. afternoon, or evening scheduling.

- 1-1 counseling for prek and grade 5 parents to support kindergarten and middle school applications
- 1-1 planning with parents with students on the PID list

Root Cause Addressed:

8% of parents responding unfavorably to the question regarding building capacity as the primary advocate for their child.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Parent Engagement, outreach, support, and partnership in Pre-K is essential in retaining our students within the NYC School system. PS 1, To address this we will: - Continue our open door policy where families can join their students in classrooms for arrival , dismissal, or anytime. - Monthly Parent Nights, weekly workshops, and office hours.
flexible scheduling for PTC/PID meetings
1-1 support for grade 5 and prek parents
Increasing opportunities for families to receive information, express concerns, or request support from school leadership, parent coordinators, or SBST team. - School leadership and Guidance will hold regular parent office hours for families to meet, call. or contact them with concerns, questions, or requests - Improve school website to include staff contact information, office hours, forms, and supportive documents. Collaborate with parent association (PA) and Parent Coordinators to increase social media presences and informal communication options such as "WhatsApp Messenger" The Application for free messaging and video calling, to offer more ways for families to engage and communicate with school community.
n/a

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine

progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

attendance logs, kindergarten application tracker, NYC surveys

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/25/2026	Parent Engagement, outreach, support, and partnership is essential in retaining our students within the NYC School system. To address this we will: - Continue our open door policy where families can join their students in classrooms for arrival , dismissal, or anytime. - Monthly Parent Nights, weekly workshops - School leadership and Guidance will hold regular parent office hours for families to meet, call. or contact them with concerns, questions, or requests - Improve school website to include staff contact information, office hours, forms, and supportive documents. -Collaborate with Parent Association and Parent Coordinators to increase social media presences and informal communication apps such as What's App to offer more ways for families to engage	CFL
09/25/2025	06/25/2026	.Increasing opportunities for families to receive information, express concerns, or request support from school leadership, parent coordinators, or SBST team.	FIrme, NYU, Parent Corp

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

GC, PC, AP, SBST team support

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
For School Year 2024-2025, 37% of All Students were classified as Chronically Absent, while 40% of Students in Temporary Housing were classified as Chronically Absent. The current attendance rate for Housing Secure students as of October 2025 is 94% while the current attendance rate for Students in Temporary Housing is 93%.	Families moving in the shelter and being relocated in addition we have a busing challenge with students	Our school community needs to continue the outreach to have students come to school on a daily basis
For School Year 2024-2025, 37% of All Students were classified as Chronically Absent, while 41% of Students with Disabilities were classified as Chronically Absent. The current attendance rate for Housing Secure students as of October	Students that have IEP's are challenged	Our school community will continue to do

2025 is 94% while the current attendance rate for Students with Disabilities is 93%. In addition, as of October 2025, 31% of Students with Disabilities are Chronically Absent as compared to students without IEPs of which 25% are Chronically Absent.	coming in to morning programs	an outreach to specifically invite students with disabilities

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	33%	By June, 2026, the By 2026, CA for SWD will decrease by 2% from 33% to 31% as measured by Insight CA data for Students with Disabilities (SWD) will decrease by 2%, from 33% to 31%, as measured by the Insight chronic absenteeism bi-weekly check in.
Students in Temporary Housing (STH)	5%	By June, 2026, the decrease of attendance for Students in Temporary Housing (STH) will decrease by 5%, from 5% to 68%, as measured by the Insight CA Reports .

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Morning Programs will include and not be limited to the following:

Library- Tuesday-Fridays.
Champs
Reading/SPIRE/MLL
Center for Family Life/Placement
Yoga
STEAM
(bi-weekly attendance meetings to keep the pulse on students and families).

Root Cause Addressed:

Addressing the attendance for CA with the school community and identifying the subgroups.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
meeting with families to offer support
having Center for Family Life support families in counseling
morning programs to support students
guidance counselors monitoring families

collaborating with District Liaison
Collaborating with Attendance Teacher to do early intervention on weeknights and evenings

Key Strategy 2 (Optional):

n/a

Root Cause Addressed:

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
2024-2025 Advance Observation Data 1a and 1e 2024-2025 SESIS Progress Reports	Teachers demonstrate different levels of experience and understanding in effectively implementing specially designed instruction (SDI) strategies.	IEP Development and Fidelity of Implementation

Movement of Students with IEPs to LRE report 0.18 (School Performance (2024) SESIS Reports, May 2025 - IEP Annual Review -Independent Report - Out of 18 students with a modification in services, 6 students were de-certified from services, 5 had a removal of a related service and 3 moved to a more inclusive environment; from 12:1 to ICT.	Ongoing monitoring of individual progress for students with IEPs needs to be improved. To effectively address student needs and support successful transitions to more inclusive settings, teachers need targeted instructional support, training, and appropriate resources. Special educators also need consistent opportunities to collaborate with general education teachers, with a focus on data analysis and sustained progress monitoring.	Transition Planning and Compliance
*2024-2025 - As per the initial evaluations report in SESIS, 11 out of 17 students referred were enrolled in the dual language program with six out of ten of the students being referred in Kindergarten.	There is a need for more culturally and linguistically responsive evaluation practices to prevent the misidentification of bilingual students as having disabilities. New teachers and educations in dual language programs may lack the necessary training to differentiate between normal second language development and signs of a learning disability. As a result, dual language students are at increased risk of being inappropriately or prematurely referred for special education services.	Referral Process and Equity
NYC Schools Survey 2025-2026 - Classroom Behavior Component - 70% OORS Reports - 13% SWI (Accused) 28 - Accused 8 - Victim May 2025 Paraprofessional Needs Assessment Survey	At present, only four out of the sixteen special educators assigned to classrooms have received training or professional development focused on strategies for supporting positive behavior in students with Autism or those experiencing crises. Additionally, paraprofessionals have not received training related to school discipline.	Equity in School Discipline
n/a	n/a	n/a

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	7	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve *The training and preparedness of special educators and paraprofessionals to effectively manage and support student behavior, particularly for students with Autism or those in crisis. by a 2 Decrease, from 7 to 5, as measured by OORS Level 2 Report.
Students with Disabilities (SWD)	14	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve progress monitoring by providing targeted training for educators to better support students with IEPs and their transition to inclusive environments or reduced services. by a 14% Increase, from 14 to 16, as measured by SESIS Program Recommendation Report.
Students with Disabilities (SWD)	11	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we are aiming to reduce premature special education referrals for bilingual students by ensuring accurate differentiation between language acquisition and disability by a 27% Decrease, from 11 to 8, as measured by SESIS Reports - Initial Referrals.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. 8

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

To improve culturally and linguistically responsive evaluation practices and prevent the misidentification of bilingual students, specific strategies will be implemented. Teachers, evaluators, and school psychologists will receive professional development on differentiating between second language acquisition and learning disabilities, understanding cultural influences on learning, and using assessment tools designed for multilingual learners. We will strengthen pre-referral interventions by continuing to implement bimonthly MTSS meetings with recommending responsive Tier 1 and Tier 2 interventions before making special education referrals. Students will be identified and presented to the team prior to receiving a referral. We will track and document the student's response to these interventions. Consideration on the MTSS team should include bilingual or ESL educators, special education staff, school psychologists, and family members. These teams should review all referrals for bilingual students, ensuring that decisions are based on a comprehensive understanding of the student's linguistic and cultural background.

Additionally, providing mentorship and induction programs for new teachers in dual language settings can help build capacity. These programs should focus on recognizing language development stages and understanding the unique challenges faced by bilingual students. Family engagement is crucial; schools should actively include families from the beginning of the evaluation process by collecting insights about the student's language development and cultural background. Providing materials and conducting meetings in the family's native language will ensure effective communication and involvement. Finally, schools should regularly monitor referral and placement data by language background and ethnicity to identify any disproportionate referrals and adjust practices accordingly to ensure fair and equitable outcomes for dual language learners.

Root Cause Addressed:

There is a need for more culturally and linguistically responsive evaluation practices to prevent the misidentification of bilingual students as having disabilities. New teachers and educations in dual language programs may lack the necessary training to differentiate between normal second language development and signs of a learning disability. As a result, dual language students are at increased risk of being inappropriately or prematurely referred for special education services.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
n/a
Leverage bilingual/ESL teachers, special education staff, school psychologists, and family members to review referrals for bilingual students.

ENL teacher will deliver ongoing training sessions that address varying levels of SDI knowledge. This teacher attended the trainings provided by district support staff Chandra Conner and CJ Giles - (Specially Designed Instruction/English Language Acquisition)

n/a

n/a

Key Strategy 2 (Optional):

One strategy for helping students transition to more inclusive classrooms and reduce the need for separate special education services is the use of an MTSS approach during SIT committee. This approach provides different levels of academic and behavioral support based on each student's needs, helping ensure that as many students as possible can succeed in a general education setting. A key part of SIT will be to collaborate and generate strategies to encourage how to best support a wide range of learners from the beginning. As worked on last school year, we will continue to build collaboration asa valuable strategy, where general and special education teachers work together to support all students in the same classroom. Ongoing professional development is important so that teachers and staff have the tools they need to support diverse learners and manage classroom behavior effectively.

To support teachers who demonstrate varying levels of experience and understanding in implementing SDI, several key strategies can be put in place. First, offer targeted professional development is essential. Training should be tiered to meet teachers where they are—introductory sessions for those new to SDI (new special educators) and more advanced workshops for experienced educators (during PLC time). Pairing newer teachers with instructional coaches or veteran special educators through coaching and mentoring will allow for modeling, co-teaching, and ongoing feedback. Providing structured collaborative planning time between general and special education teachers ensures that SDI strategies are well-integrated into instruction and aligned with student goals. Additionally, using implementation checklists and observation tools can help set clear expectations and guide self-reflection and peer or administrative feedback. Developing a shared digital space for SDI resources, such as strategy banks, templates, and video examples, gives teachers easy access to tools that support effective planning and instruction. Training teachers to use student data to adjust SDI in real time encourages a data-driven approach that shows the direct impact of their instruction

Root Cause Addressed:

Ongoing monitoring of individual progress for students with IEPs needs to be improved. To effectively address student needs and support successful transitions to more inclusive settings, teachers need targeted instructional support, training, and appropriate resources. Special educators also need consistent opportunities to collaborate with general education teachers, with a focus on data analysis and sustained progress monitoring.

Teachers demonstrate different levels of experience and understanding in effectively implementing specially designed instruction (SDI) strategies.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Establish coaching systems to pair novice special education teachers with experienced special educators or instructional coaches, CFIT, or SETSS provider for modeling, co-teaching, and reflective feedback focused on SDI practices.
Schedule Collaborative Planning time by providing teachers with at least 2 common preps in the week so that general and special education teams of teachers may align instruction, integrate SDI strategies, and review student progress.
ENL teacher will deliver ongoing training sessions that address varying levels of SDI knowledge. This teacher attended the trainings provided by district support staff Chandra Conner and CJ Giles - (Specially Designed Instruction/English Language Acquisition)
Analyze Acadience data, conduct SPIRE IPA and implement SPIRE intervention program to students with disabilities
Ensure all 12:1 Special Class teachers implement SPIRE (1hour) and Building Fact Fluency (30 min)
Chandra Connor will provide periodic site visits and ongoing support to ensure sustainability.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To monitor the implementation of key strategies and action steps as mentioned above, we will use a variety of structures to ensure both fidelity and impact. Administration and coaching staff will conduct instructional walkthroughs and classroom observations. These will be conducted monthly or bimonthly using checklists on SDI strategies and student engagement.
Collaborative planning sessions, such as during PLC Mondays, will be documented through agendas, lesson plans, and meeting notes to monitor how SDI is being integrated into instruction.
Student progress monitoring data, including IEP goal tracking, formative assessments, and benchmark results, will be reviewed every 4–6 weeks to measure the effectiveness of instruction.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
10/01/2025	11/09/2025	Early Intervention Workshop for Families	Ana Vera Rodriguez
01/01/2026	05/29/2026	FIRME	Include NYC NYU Langone Parent Coordinator
11/24/2025	12/31/2025	IEP Informational Session	Amanda Berkey - CFIT SETSS Provider
11/24/2025	01/30/2026	Speech and Language Workshop	Speech Team
11/24/2025	01/30/2026	OT Workshop	OT Team

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs. Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier III Reading Foundational Skills support provided by CFSEIT, SETSS Teacher, Literacy Coach & Literacy RTI Teacher	Students scoring Below or Well Below Benchmark on Acadience Screener on grades K-2 Students scoring below the 41st percentile on Map Growth Reading Screener and Below or Well Below Benchmark on Acadience ORF on grades 3-5 All students K-5 given the SPIRE IPA as a Diagnostic	SPIRE or Sounds Sensible depending on level	small group (no more than 5 students in a group)	during school	Acadience Progress Monitoring online
Tier II Reading & Math Afterschool	Students scoring Level 2 or Low Level 3 on the NYS ELA and/or Math	For Reading: Direct, explicit instruction in comprehension For Math: Contexts for Learning	Small group (no more than 12 students)	afterschool	I-Ready
Title III Saturday Program	Students who are MLLs and have scored TR and EX on the NYSESLAT or NYSITELL	For reading: Fundations & Geodes books , Writable Time for kids For Math: Do the Math	Small group (no more than 12 students)	On saturdays	Online Geodes, Writeable
Tier II Reading Foundational Skills support provided by classroom teacher during designated Tier II Reading time	Students scoring Below or Well Below Benchmark on Acadience Screener on grades K-2 Students scoring below the 41st percentile on Map Growth Reading Screener and Below or Well Below Benchmark on Acadience ORF on grades 3-5	SPIRE, Sounds Sensible or targeted phonics & fluency/automaticity instruction depending	small group (no more than 6 students in a group)	during school	Acadience Progress Monitoring online

built into schedule					
Tier III SIFE support Morning Program	Students who have been screened with the SIFE screener and other newcomer MLL students flagged for support	Building & activating prior knowledge, direct vocabulary & language instruction, direct phonics instruction, native language support, social emotional support, and practice in all four modalities - listening, reading, writing, speaking	small group (no more than 12 students in a group)	before school	no

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Leader in Me/ 7 habits Tier 2	Teacher recommendation	Conversation/ role-play	small-group	during school	no
Tier 3 At risk counseling	Students are recommended for "at-risk" counseling based on parent request, or as a recommendation from the MTSS team.	Conversational/ Role-play	one to one or small group	during school	no
Tier 2 and Tier 3 The Ruler Approach	daily	Evidence informed social-emotional learning tool that helps students learn how to recognize feelings and move between them.	whole group/ one-to-one	during school	no
Tier 2 Student Council	Students selected by their grade peers to meet regularly with the principle	Student representatives from each grade k-5 meet weekly with the Principal to discuss concerns of the school	Small group/ one-to-one	During school	no
Tier 2 Cozy Corner	Teacher and student	Students in agreement with their teacher have criteria for when and how a cozy corner is used for self-regulation on their classroom	Individual/ group of 2 or 3	During school	no
Tier 2 Community Service	Teacher recommendation/ Student interest	Community Service: packing supply backpacks for people in shelters/	Small group	During school	no

		preparing notes for people living in assisted living facility next door.			
Tier 2 5th Grade Ambassadors	Student Interest and Teacher recommendation	Service program where 5th grade students support start of the day flow in the hallways/ support when we have visitors in the building who are in need of escort	Small group	Before and during school	no
Tier 3 Crisis Intervention	Teacher/ Administration request	When a student is in acute crisis and in need of immediate support from response team of guidance and/or administration	one-to-one	at time of need.	no
Tier 2 Yoga	MTSS recommendation/ Attendance /Administration	Before school yoga supports students social and mental health as well as supports students who are struggling with attendance and lateness.	small group	Before school	no

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Families are informed about the MTSS system when students are identified as needing additional support or are not meeting grade-level or language proficiency standards.

Administration communicates directly with families to explain the supports provided, based on a review of the student's overall data.

The MTSS team regularly reviews Tier 1 supports, including academic and behavioral expectations, which are shared with families.

For Tier 2:

Teachers implement targeted strategies and monitor student progress.

Families are kept informed about the interventions being used.

At Tier 3:

Parents are provided with detailed information about intensive interventions, such as SPIRE.

Any changes in intervention are communicated clearly from the beginning of the process.

All communication is:

Clear and explicit

Provided in the parent's native language to ensure full understanding

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Parents will be informed by students progress throughout the level of target instruction, by a phone call, a progress report. The teacher will also have an opportunity to collaborate with the intervention teacher to discuss next steps.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Parent will continue to have the involvement with the Intervention teacher as to demonstrate progress and next steps. There will be a collaboration to discuss students proficiency.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

As of June 2025, there are currently 87 students (or 12% of our school population) who are identified as Students in Temporary Housing or Housing Insecure according to Insight.
Out of the 87 students, 72 students are Doubled Up, and 15 students reside in a shelter.

This is an increase from June 2024.

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Our trends, is that our families come in with crisis. Behavior challenges, and de-escalation is a common thread for families. Chronic absence continues to be a trend for our families. There is a need for counseling and materials for the families and students.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

*We provide school supplies
*We provided winter jackets, spring, sweaters, and clothing
*We provide pantry food bags - purchased from STH funds
-NYU Langone, Parent Corps & CFL food drives, connected to wrap around services - parenting, social emotional & health.nutritionists
*We provide students and families with toiletries
*We provide technology - laptops & ipads
*We have the CBO Center for Family Life or the Salvation Army for childcare and to connect with families
*We connect the families to our city council Alexa Aviles office to support with legal issues
*We provide a metro card or busing
*Registration support with language support as needed
*We connect the families to our guidance and our parent coordinator
*We ensure our families are connected to NYU Langone -our school nurse facility & dental clinic
*Laundry services
*Ensure families are supported throughout our school community to the library as an example
*Morning programs to support early drop off
*Breakfast for students to support families in STH

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

We currently as of June 2025 have one student in foster care. Guidance meets with the foster care worker. Student is in pre-k and the Pre-K Administrator collaborates with the team specifically for crisis. Student has an additional support. A paraprofessional during lunch time is funded to support the emotional development of the student. The foster care mom and the parent support for trips and for needs when the student is unable to regulate.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

Student has been in our school community since November 2024. Student is four years old and is not sure how this works. He lives with a foster parent and visits with the parent every other week. We support the parent when he visits the school and we have them visit and support in a need for safety.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

As of right now we do not have a trend, as this is a student we continue to support. If the students continues in our school community, we will be able to provide additional analyzation of information.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

n/a

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. 15k001, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

15k001 will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

*having activities within our school community that celebrates our families- and their cultural connections and celebrations.

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State

accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;

- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:

- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title Parent Advisory Council;
- supporting or hosting Family Engagement events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

* In addition, we will be adding a school wide nutrition class for our families. Cornell supports the nutrition classes for families. At the end of the eight week class the parents will have a ceremony and a celebration in their nutrition class. The families will have to make a commitment to the eight week class.
* We have parent yoga on Wednesday's from 1:30-2 pm. Our certified yoga instruction has a period where are families participate in the wellness of Yoga. (Families will receive a weekly reminder of the offer)

** Families will be offered gardening with our "Art Teacher' and this will be done in the morning sessions, and also afternoon sessions.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

15k001, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities; for example "Family Friday.
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences; family Friday's, spirit days, Family Night, connection to class dojo, our school website and monthly newsletters from our clusters. Teachers supporting families throughout the week for parent engagement.

* Parent Coordinator sends out weekly reminders and newsletter and calendar reminders as to continue the community communication.

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;

- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete homework and submit all assignments on time;
- follow the school policy and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

*. participate during SPIRIT Days
*. Participate in clubs
*. Participate in possibly choir, theatre, art, yoga, youth equity
* know the 7 habits and live by them
*. Be involved in student council
* Be student helpers during lunch time in the earlier grades
* students knowing the school mission statement and understand the expectation of a student leader
* our school follows the 7 habits and students learn about the 7 habits from pre-k through 5th grade
* participation of the monthly assemblies celebrating students
* participation of the spelling B for grades 4 & 5 in monolingual and bilingual classes
* participation of our monthly parades within our school community
* we have Ambassadors for grades 4th and 5th that support our morning arrival
* students have summer and work and their is the expectation for the work to be completed as we celebrate in late September their
work

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

SWP - Our school Title 1 Program is our ELA/Math After school Program

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Ongoing Professional Learning in ELA/Math for teachers in grades K-5 lead by Instructional Coaches and Lead teachers focusing on the following key topics:

ELA

- foundational reading skills
- Science of Reading
- Phonics support in older readers
- Improving Tier 1 and 2 Vocabulary and Sentence structure in writing

Math -
- Math For All
- Algebra For All
- Reasoning Routines

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

The transition plans are the following:
- Common literacy Curriculum for early literacy including Heggerty, Fundations and Mosaic Read Aloud Connections.
- Family Nights, PTA Meetings, Parent Coffee Hour, Kindergarten School Visits, and Schoolwide celebrations, parades and performances and chat with the Principal
- CPSE related services offered by staff based Related Services Providers for OT/PT/Speech/Counseling
- PPS /PC collaborates with Early Childhood family worker staff members to ensure smooth application and registration process for incoming Kindergarten families
-Dual Language information session
- Access to NYU Langone in school nurse / dentist
*Supported by our CBO, Center for Family Life and Salvation Army

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated. For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I Basic Part A	Federal	820,412	x	ELA, Math
Title II	Federal	126,934	x	ELA, Math
Title III	Federal	38,782	x	ELA, Math

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Wanda Lopez Ramirez
Assistant Principal (Where Applicable)*	Mary Tomac
English as a New Language (ENL) Teacher*	Deborah Vetrano
Teacher (if school has a bilingual program must be a bilingual teacher)*	Darlene Cruz
Parent/Guardian*	Lyllbel Ramos
Teacher	Meghan Sciannameo
Parent Coordinator	Lyllbel Ramos
School Counselor	Meghan Pratt
Related-Service Provider	Ana Vera
School Pupil Accounting Secretary	Glorimar Ortiz
ENL Teacher	Li-Ying Huang
ENL Teacher	Nancy Titlebaum
ENL Teacher	Tracy Soto

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

6

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

1

Number of certified ESOL teachers not currently teaching ENL:

1

Number of teachers who hold both content area/common branch and ESOL certification:

3

Number of ESOL certified teachers with a bilingual extension:

2

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

8

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

2

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

3

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

568

Total number and percentage (%) of current ELLs:

50.88%

Total number and percentage (%) of former ELLs:

6.6%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

83.2%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

16.8%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

1.6%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

24.7%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	GE	Spanish/English		2	2	2	2	2	2								12
DLBE																	0
DLBE																	0
				total: 2	total: 2	total: 2	total: 2	total: 2	total: 2	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

The Stand-alone ENL model is delivered by a certified ENL teacher for ELLs who are at the Entering and Emerging proficiency levels. This instruction focuses on language and vocabulary development with the eventual goal of helping students succeed in core content classes. With the possible exception of self-contained 12:1 Special Education classes, students in the Stand-alone model are all from the same grade. Students are typically in small groups with students being in the Entering and Emerging levels, though differentiation within these groups is often necessary to address students' diverse learning styles. Entering and Emerging students who receive instruction in a pull out Stand-alone model also receive integrated ENL/ELA (co-teaching) instruction as required by CR part 154. The stand alone DLBE model is delivered by the certified bilingual teacher or a certified ENL teacher once a day for 45 minutes. This period includes a focus on English foundational skills, vocabulary development, and oral language fluency. Students are placed in DLBE classes based on their Parent Survey and Program agreement form and are grouped based on literacy screeners, NYSITELL data, NYSESLAT data, and regular formative assessments.

Integrated ENL:

The integrated ENL/ELA (co-teaching) model is delivered by a certified ENL teacher collaborating with a General Education classroom teacher, and /or Special Education classroom teacher. In this model, the ENL teacher works in collaboration with the General Education and /or Special Education teacher using different co-teaching models in order to provide language acquisition and vocabulary support while at the same time learning the lesson targets of the content being taught. The types of co-teaching models used are flexible, as are the types of groups (heterogenous or homogenous) depending on factors such as lesson objectives, lesson type, student proficiency levels, student strengths or needs and content being taught. The teachers work collaboratively to provide instruction
in the content area subject matter while at the same time promoting English Language development with the implementation of ENL strategies and supports.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

.
There are at least two DLBE classes per grade in grades K-5. In all grades there are two DLBE classes, classes follow a side-by-side model. In this model there are two DL classes per grade. Each class will be taught by two teachers, one of which teaches in English and the other in Spanish. Instruction is delivered by a common branch certified teacher and a teacher who is common branch certified with a bilingual extension or ESOL license. These classes follow the day-by-day model where the language of instruction and classroom is changed daily. Our 4th and 5th grade Dual Language classes are departmentalized, one teacher teaches Math in both Spanish and English, and the other teaches literacy in both Spanish and English. In all grades, the instructors can choose to group students heterogeneously or homogeneously depending on various factors such as lesson objectives, lesson type, student proficiency, student strengths or needs, and content being taught. In addition, whenever possible, ELLs in DLBE classes are also supported by an ENL provider as extra support in excess of students' mandated minutes. Core Instruction in all classes supports learners in developing lifelong skills in reading, writing, and critical thinking in both languages. DL class with both ELLs and non-ELLs, students are integrated with their non-ELL English speaking peers 100% of the time.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

We carefully review the CR PART 154-2 (K-8) English as a New Language (ENL) Units of Study and Staffing Requirements, and program our ELLs accordingly. Entering ELLs are provided with 360 minutes of instruction with a minimum of 180 minutes of Stand-alone ENL and 180 minutes of Integrated ENL/ELA. For Emerging ELLs, the same 360 minutes of mandated instruction are distributed as follows: minimum of 90 minutes for Stand-alone ENL along with 180 minutes of Integrated ENL/ELA with additional 90 minutes of either Stand-alone or Integrated ENL with ELA or any other content area. For Transitioning and Expanding ELLs we provide a total of 180 minutes of Integrated ENL/ELA a week. Transitioning ELL receive 90 minutes of Integrated ENL/ELA and 90 minutes of Stand-alone or Integrated ENL with ELA or any other content area, while Expanding ELLs receive a minimum of 180 minutes a week of Integrated ENL/ELA or other content area. Our Former ELLs will continue to receive 90 minutes of ENL support per week for a period of two years after reaching Commanding status. For former ELLs, there are three pathway options to achieve appropriate services: Small group learning, project based learning, and a minimum of 90 minutes per week of integrated ENL. Our chosen method is 90 minutes per week of integrated ENL. In our DLBE classes, it is delivered by the certified bilingual teacher or a certified ENL teacher once a day for 45 minutes. This period includes a focus on English foundational skills, vocabulary development, and oral language fluency. Students are placed in DLBE classes based on their Parent Survey and Program agreement form and are grouped based on literacy screeners, NYSITELL data, NYSESLAT data, and regular formative assessments.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

In our ENL classes, instructional minutes for ELLs are implemented in a combination of stand-alone and/or integrated, depending on the proficiency levels of students. Where applicable according to CR PART 154-2 (K-8), ENL instruction takes place in a Stand-alone setting with an ESOL licensed instructor in small groups. Where applicable according to CR PART 154-2 (K-8), ENL instruction is also delivered in an integrated setting. In this case, instruction is delivered in a co-teaching model that includes a certified ESOL teacher and a K-6 certified elementary school teacher. The integrated co-teaching model for ENL includes instruction in ELA, or another core content area depending on the proficiency level and flexibility as stated in CR Part 154-2 (K-8), with the ESOL licensed teacher providing appropriate ENL based scaffolds for the target content and language objectives of the lesson. ELA instructional minutes in an ENL program are delivered in an integrated co-teaching setting with a certified ESOL teacher and K-6 certified elementary school teacher. The ESOL certified teacher provides access and support to the ELA lesson with appropriate ENL scaffolds that address the content and language objectives of the lesson.

In our DLBE classes, the dually certified ESOL or bilingual and Common Branch certified teacher provides the required mandated minutes according to CR PART 154-2 (K-8) for both stand-alone ENL and integrated ENL/ELA. HLA and ELA are provided in our day by day model for 60 minutes per day.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

In grades K,2, 3, 4, and 5 we implement a side-by-side, day by day model for our DLBE program. Two classes per grade switch classroom and language of instruction daily .DL class with both ELLs and non-ELLs, students are integrated with their non-ELL English speaking peers 100% of the time.

b. In which language(s) is each core content area taught?

Content area is taught in both HLA and English in our DLBE programs.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

83.2% of ELLs are Newcomers. As Newcomer ELLs have been receiving service for zero to three years, effective service for them may look different from that of Developing ELLs, who have received service for four to six years. However, the services these students receive largely depends on a combination of their level, their subgroup, and a closer look at their years of service. Newly arrived ELLs may receive more instruction that is related to acclimating them to the school environment, and to their new surroundings overall. Newcomer students also benefit from instruction that will provide them with the basic vocabulary and interpersonal language that will help them communicate with their peers, teachers, and other members of the school community and other communities to which they belong. In addition, they will also be learning grade-level content alongside their classmates, albeit modified and with specific language objectives that will help them to progress as English language learners.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

1.6% of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE). In order to differentiate instruction, students are provided with tailored instruction that addresses their unique education gaps. This includes offering intensive and specialized tier 3 instruction within a socially emotional and culturally responsive setting. Similarly to our newcomer population, SIFE students receive more instruction that is related to acclimating them to the school environment, and to their new surroundings overall. Instruction provides basic vocabulary and interpersonal language that will help them communicate with their peers, teachers, and other members of the school community and other communities to which they belong. In addition, they will also be learning grade-level content alongside their classmates, albeit modified and with specific language objectives that will help them to progress as English language learners.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

0% of our students are Long-Term ELLs. While we do not have any Long Term ELLs at this time, we do have several intervention programs, and policies in place in order to address the needs of any potential members of this population. One program that addresses their unique needs is our Title I After School Program. This program is available for ELLs, former ELLs, and non-ELLs who could benefit from additional targeted support. Instructional time is used to scaffold and support grade level instruction. A closer look at assessment, as well as teachers' knowledge of their own students provide insight into what factors may be behind a student's Long-Term ELL status. Long-Term ELLs receive state mandated numbers of ENL service minutes based on their proficiency level.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

5.7% of our ELLs are Former ELLs. Former ELLs are identified via NYSESLAT test results from the previous two years, and a combination of ELA and NYSESLAT scores when applicable. Former ELLs are serviced in Freestanding ENL, Integrated ENL, or DL programs for a minimum of 90 minutes. In an Integrated setting, ENL instructors work with the classroom teacher via agreed-upon co-teaching models. Students who have an at-risk level of 4, 5, or 6 are considered potential Long-Term ELLs. We currently only have 5.7% of former Ells who fall into the at risk level 4 category.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

Many of the at-risk indicators for Former ELLs are not applicable to our school, as we serve an elementary population. However, a noticeable trend shows many scoring 1 or 2 on either the Math or ELA exams for the past two years (27.2% ELA, 29.4% Math). Overall, this indicates that students continue to struggle with proficiency in core academic subjects.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

Many of the at-risk indicators for Former ELLs do not apply to our population since we are an elementary school. However, a noticeable trend shows many scoring 1 or 2 on either the Math or ELA exams for the past two years (37.1% ELA, 51.4% Math). Overall, this coincides with the scores of the current Ells in our school.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The majority of our students' home language is Spanish.Within our Dual Language Program, a 50/50 model is employed. Students receive half of their instruction in their home language (whether it be English or Spanish) and half in the target language. In Kindergarten, foundational skills in literacy and math are developed simultaneously. Across grades, home language instruction for ELLs is delivered by bilingual certified instructors. Our Dual Language classes receive various resources to support them in native language instruction, including bilingual teacher guides for all curriculum components and student resources in Spanish (i.e. books, workbooks, charts, Spanish language tablet applications, etc.) In K-2 Spanish Dual Language classes, home language reading is assessed using Acadience. In 3-5 Spanish Dual Language classes, home language reading is assessed using Spanish Map Growth as well as Aprendo Leyendo. For students who have a lower proficiency level, the classes also use Acadience to assess their phonics

skills. In writing, pre and post on-demands are given in both English and Spanish. Additionally, Dual Language classes use Into Reading for English literacy and Arriba La Lectura for Spanish literacy instruction. Students are administered benchmark assessments in both, providing data and information on growth, strengths, and areas of need in English and the home language, Spanish. Similarly, math benchmark assessments are administered in both English and Spanish. Home language support is essential for our ELLs, and at P.S. 001K we have the resources and systems in place to help ensure that students receive support in their home language.
Our school also provides ENL programs for our ELL students. As per the mandates of CR-154, instruction in ENL programs is delivered in English with thoughtful support from ENL certified teachers. Students also have access to various resources in their native language (i.e. books, e-books, illustrated charts, dictionaries, etc.) Other languages that are spoken at our school with relative frequency are Arabic and Mandarin. We have staff members who speak these languages and are available to interpret it with families, or if there are special circumstances where students who speak these languages and are not yet proficient in English need assistance. Letters to families are translated into the most commonly spoken languages at our school. Classroom teachers make efforts to represent the cultures of all students in the class, and our school library regularly adds books to its non-English collection so that it is representative of our students.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

Our ELLs are primarily of Hispanic, Chinese, and Middle Eastern descent. Our ELLs are supported via the period of Social Emotional Learning utilizing read aloud discussion on being culturally responsive. Our school has monthly family nights where culture is celebrated with the support from the Lighthouse Committee and the Inclusion, Diversity, and Equity Team.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

Upon analyzing the data, the majority of ELLs have not met the progress target with the following results below:
13.7% of ELLs met progress by exiting ELL status.
12.6% of students met the annual progress target.
2.2% met safe harbor cumulative growth.
71.6% of ELLs have not met the progress target.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

An analysis of the most recent results reveals that many students underperformed in the writing component of the NYSESLAT. This indicates a need for continued targeted interventions to enhance students' writing skills. Most students performed well in the speaking component of the exam, and performed moderately well in both the listening and reading sections.

Listening- Students generally performed strongest in the listening domain this suggests that receptive language skills develop more quickly.
Speaking- Speaking scores tend to vary more widely. While many students are able to express themselves conversationally, academic oral language remains a challenge for some, particularly when responding to structured prompts using content specific vocabulary.

Reading-Reading remains a growth area for many ELLs. Students often struggle with decoding, comprehension of complex texts, and academic vocabulary.
Writing- Writing typically shows the lowest performance across modalities. Constructing written responses using correct grammar spelling and organisational structure remains challenging for many students especially in extended responses

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

When analyzing the results of the ELA exam, most students scored either 1 or 2 which would not garner them the appropriate score to test out of taking the NYSESLAT. Regarding the Math assessment, most students scored higher in math or the same as ELA. ELL students may perform better in math than in ELA due to their limited English proficiency. Math relies more on numbers and logical reasoning, which can be less language-dependent compared to the reading and writing skills required for the ELA. Consequently, these students may find it easier to grasp mathematical concepts while struggling with the language demands of English language arts

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

There are some trends among ELLs with IEPs and SIFE ELLs. For the most part, looking at the data from our two most recent NYSESLAT exams, some of our ELLs with IEPs went up proficiency levels. However, some ELLs with IEPs have shown slower progress. This slower progress can be understood as these students are working toward making progress in their grade-level curriculum, reaching their own Individualized Education Plan goals, and improving English language proficiency. In some cases, their learning disabilities may at times be a cause for slower English proficiency growth. Another trend is that ELLs with IEPs tend to fall in the Emerging and Transitioning proficiency levels. Many of the SIFE students made minimal progress in all four modalities of the NYSESLAT. Several factors can impact this particular group of students' NYSESLAT results. Some of these factors include; significant gaps in prior education, limited proficiency in English, and the challenges of adjusting to a new educational system. Additionally, these students might face emotional and psychological stress from their interrupted education and any trauma they may have experienced. Insufficient access to tailored academic support and resources can also hinder their performance on the assessment and other standardized tests.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:

a. How many ELLs are on-track towards graduation?

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Our school provides High Quality instruction for all ELLs by utilizing research based curriculums such as HMH Into Reading/Arriba la Lectura, Wilson Fundations, Amplify Science, Envision Mathematics, and Passport Social Studies curriculum. Students in all classes are provided with strong Tier 1 instruction that maximizes student voice and promotes critical thinking and problem solving. ELL student are specifically engaged in a project based learning projects to further enhance their language and literacy skills.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

PS1K has developed an implementation plan that focuses on the MTSS (Multi-tiered Systems of Supports) Framework and sustained instructional improvement. This plan considers all students, including MLs and ELLs and the unique subgroups (Newly Arrived, SIFE, Developing, Long-Term ELLs) of the community the school serves. The team creates specific goals for ML and ELL student progress. Throughout the school year, classroom teachers, teacher leaders, and coaches analyze student data and identify targeted instructional needs for ELLs and MLs in an attempt to work toward achieving the set goals. As data changes, short-term targets and instructional strategies are revised. Teachers meet in grade teams to examine instructional practices in order to make adjustments and modifications to their practice to support student needs with the revised targets in mind. In addition, Admin teams, in collaboration with grade leaders, ENL providers, and coaches design targeted and specific strategies in meeting students' needs in working toward agreed upon goals. During each stage, teachers and students are provided with next steps that support their progress in achieving the set goals.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the

Next Generation Learning Standards.

In Freestanding ENL programs, core content is delivered in English, with some first language support when appropriate, with specific ENL strategies and supports to foster language development and meet the demands of the Next Generation Learning Standards. ENL supports are crafted around language focused goals and objectives for speaking, listening, reading and writing. These are grounded in language functions and language competencies including grammatical, discourse, pragmatic, and linguistic competencies. Such supports include:

• graphic organizers to help ELL students visualize and organize information when reading, writing, listening, or speaking
• sentence frames assist less proficient ELLs in constructing grade appropriate writing or oral expression
• oral planning/rehearsal to provide ELL students who may be more proficient in one modality (speaking) a chance to use a personal strength as a support in their own writing process
• providing word banks with newly learned vocabulary words.
• the use of visuals/visual cues to support the learning of new key vocabulary expose students to vocabulary words and phrases they will encounter and use in content area lessons
• turn and talks to support oral language, providing scaffolded interactions that allow ELL students to interact, share their thinking with peers and negotiate meaning
• supports such as Total Physical Response (TPR), videos, visuals, technology, and realia allow students with different learning styles such as visual, auditory, and kinesthetic, to have multiple entry points in learning
• providing visual word walls with key vocabulary students may refer to at different points during a lesson.
• visual word walls and vocabulary charts to support vocabulary acquisition and use modified text to allow proficient learners access to the same content as their peers at an approachable reading level
• shared writing to provide a writing model for students and aid in developing audience awareness and understanding grammatical concepts
• building background knowledge using videos, visuals, technology, and providing opportunities to preview the topic in their home language before introducing it in English
• annotating (highlighting, underlining, italicizing, bolding) key words and information to make linguistically complicated text more accessible.
• allowing for translanguaging as a tool for students to use as they acquire English
• ensuring that students have access to digital tools that can support translation

Explicit targeted instruction home language support is provided when possible In our side-by-side Dual Language models, students are grouped based on the teachers' discretion (and the requirements of a 50/50 language distribution). Students are given opportunities for oral rehearsals in both languages, capitalizing on the benefits of turn and talks with language partners (often partnering more proficient students who can use additional language models). Making use of increased opportunity for conversation also aligns with the Next Generation Learning Standards, whose Speaking and Listening standards require that students participate in routine collaborative discussions. The following are regularly implemented supports that assist with target language acquisition for ELLs and MLs:

• graphic organizers to help students visualize and organize information when reading, writing, listening, or speaking
• sentence frames assist in constructing grade-appropriate writing or oral expression
• oral planning to provide students who may be more proficient in one modality (speaking) a chance to us a personal strength as a support in their own writing process
• vocabulary front loading to expose students to vocabulary words and phrases they will encounter and use in content area lessons
• turn and talks to support oral language, providing scaffolded interactions that allow students to interact and share their thinking with peers
• supports such as Total Physical Response (TPR), videos, visuals, technology, and realia allow students with different learning styles such as visual, auditory, and kinesthetic, to have multiple entry points in learning
• Use of the Read-Think-Talk-Write framework
• building background knowledge using videos, visuals, technology, and providing opportunities to preview the topic in their home language before introducing it in English

Our Dual Language program is based on a 50/50 language distribution model. Students learn in Spanish for half the duration of the day (Math/ELA) and the second half of the day is spent learning in English with a separate teacher. Similarly to an ENL setting, core content instruction is delivered in various ways in order to help make instruction more accessible for all English Language Learners.
These instructional approaches/strategies are highlighted below-

•Providing instruction in both languages presented in the dual language program.
•Word walls displayed in each classroom that showcase up-to-date key vocabulary words learned in the current unit/module of study.
•Providing students with equitable time to ensure transition from both languages.
•Compiled student friendly libraries in Spanish and English in both classrooms.
•Graphic organizers for students to organize their thoughts and ideas.
•Multiple entry points for showcasing student learning and understanding.
•In both dual language classrooms, allowing the opportunity for students to collaborate with peers through conversations, collaborate on group projects, etc.
•Use of cognates with students when it applies in the lesson
•The following are regularly implemented supports that assist with language acquisition.
•Graphic organizers to help students construct their thoughts and ideas across all four modalities.
•Allowing students to use digital or printed materials in English or their home language to support them in their learning.
•The use of sentence starters to foster students' academic language.
•The use of a glossary for students to refer to during lesson and activity
•Providing students with multiple entry points to show their understanding of a certain lesson/topic.
•Allowing for translanguaging as a tool for students to use during peer discussion and collaboration.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

PS1K has a large ELL population, so it is essential that we use a variety of instructional strategies as well as grade-level materials for our various ELL subgroups, including ELLs with IEPs Since ENL providers have provided workshops for staff in past years, staff members are familiar with strategies and scaffolds that can be used to support ELLs, as well as all learners, and these have become a regular part of instructional practice. For example, multiple mediums are used to present information in lessons. Teachers regularly use visual supports such as word walls and word banks. Students are provided with sentence starters and sentence frames. Students are strategically grouped to ensure the best possible outcome for learning for any given lesson. This past year most of our IEP and ENL instructional staff have been trained in Sound Sensible and Spire. Both of which are research based programs that support students in a multi-sensory approach to developing phonological awareness and letter-sound connections. Teachers in 12:1 classes have also been trained in Building Fact Fluency which is a research based program to support learners develop number sense in the 4 operations using real-world context images, videos to support problem solving strategies as well as mathematical reasoning. Specific supports we may use with ELLs with IEPs which may vary based on strength, need, learning style, etc. are:

• graphic organizers to help ELL students visualize and organize information when reading, writing, listening, or speaking

• sentence frames assist less proficient ELLs in constructing grade appropriate writing or oral expression
• oral planning/rehearsal to provide ELL students who may be more proficient in one modality (speaking) a chance to use a personal -strength as a support in their own writing process
• vocabulary front loading to expose students to vocabulary words and phrases they will encounter and use in content area lessons
• turn and talks to support oral language, providing scaffolded interactions that allow ELL students to interact, share their thinking with peers and negotiate meaning
• supports such as Total Physical Response (TPR), videos, visuals, technology, and realia allow students with different learning styles such as visual, auditory, and kinesthetic, to have multiple entry points in learning
• visual word walls and vocabulary charts to support vocabulary acquisition and use modified text to allow proficient learners access to the same content as their peers at an approachable reading level
• shared writing to provide a writing model for students and aid in developing audience awareness and understanding grammatical concepts
• building background knowledge using videos, visuals, technology, and providing opportunities to preview the topic in their home language before introducing it in English
• Use of the Read-Think-Talk-Write framework
• Ensuring that students have access to digital tools that can support translation
• speech to text software

Students' cultural backgrounds are considered, embraced, and integrated into content learning whenever possible. All teachers differentiate instruction with consideration of student needs. This may be in the form of content, process, product. Additionally, a number of ENL providers have attended Quality Teaching for English Learners (QTEL) professional development. Teachers have shared these strategies with colleagues and regularly implement them in classroom practice whenever and wherever possible. All of our ELLs and MLs have access to the grade-level supports that exist as a part of our school-wide curricula: EnVision Math, Into Reading/Arriba La Lectura, Heggerty Phonological and Phonemic Awareness, Wilson Fundations, Amplify Science, and Passport to Social Studies. EnVision Math includes a visual learning component for each lesson, as well as strategies to implement with ELLs. It also includes multimedia components and is designed to work with interactive white boards as well as tablets such as iPads. Amplify Science includes rich, authentic text, with lesson-specific vocabulary support, as well as engaging videos and a plethora of hands-on activities. Into Reading/Arriba La Lectura includes explicit and context-based vocabulary support, as well as lesson-specific ELL support suggestions for teachers. In addition, lessons include integrated videos to provide audiovisual support.

PS1K recognizes the importance of visual supports in ELL education, and in particular for ELLs IEPs. Our school has made a commitment to using technology to support our ELL subgroups. With our investment in SMARTboards, all of our classrooms are equipped with at least one interactive whiteboard (Smartboard, Promethean, Epson) in their room. ELMO machines are available for teacher use in addition to digital cameras, video cameras, and voice recorders. Teachers also have access to listening centers and computers that have been equipped with a variety of math and literacy software for student use. Many classes have iPads for student use in the classroom, where activities reinforce whole group and small group lessons. G Suite Apps such as Google Slides are frequently used to create lessons that are interactive and have multimedia components. Teachers also use a number of web-based programs that provide students opportunities for language input and language production in multiple formats. For example, Flipgrid, Padlet, Nearpod and Pear Deck give teachers the ability to create content and activities that integrate multiple modalities and learning styles. ENL students are provided with grade appropriate leveled text that is aligned with the common core standards for the grade. Students are provided with instructional supports to give them access to grade level curriculum in all subject areas (hands-on manipulatives, photo cards, sentence prompts, bilingual glossaries/dictionaries and magazines.) Some educational websites that are used to reinforce skills and strategies for our ELLs with IEPs and all ELLs are:

•Epic
• Sora
• Newsela
• Prodigy

• Building Fact Fluency
• Discovery Education
• Nat Geo
• BrainPOP
• Quizlet
• Quizizz
• Gimkit
•Lalilo

b. SIFE

SIFE students often arrive with lower literacy skills in their home language as well as may have less core content knowledge as their grade-level peers due to their interrupted education. Our SIFE students are exposed to the same grade-level academic content as their non-SIFE classmates. At the same time, these students are developing an understanding of the earlier concepts they have not fully learned due to their interruption in instruction. In order to support access to concepts they missed during gaps in education, as well as grade-level content, we use a variety of instructional strategies and grade-level materials. For example, to support access to the math curriculum, our SIFE students use manipulatives that provide concrete models for abstract ideas. Use of manipulatives allows students to demonstrate their learning and understanding of concepts when they may not be able to show this in spoken or written form in English, or written form in their first language. Similarly, our SIFE students, along with their non-SIFE classmates, are encouraged to draw models of their mathematical thinking to support their learning and demonstrate their understanding. Visual word walls and anchor charts that are supported with images provide additional access to grade-level concepts in Math for our SIFE students. Finally, use of students' first language is also used as a support at times.

Our grade-level literacy curriculum can also pose certain challenges to our SIFE students. Also here, students are exposed to the grade-level curriculum while at the same time are learning foundational skills in English, and in the case of our DLBE SIFE students, in their home language of Spanish. In most cases, our current literacy curriculum, HMH Into Reading, uses the same texts in English and Spanish. When this is the case, our SIFE students are provided with the text to speech digital Spanish version in addition to the text to speech digital English version that is available to all learners. The HMH Into Reading curriculum includes videos that function as an introduction to each literacy learning module, and teachers often use additional videos that are related to curriculum-based topics. Videos provide visual support that remove the academic cognitive load from our SIFE students while at the same time building or activating prior knowledge. Some additional instructional strategies and supports used for our SIFE students are:

• Tier 2 or 3 support in Specialized Program Individualizing Reading Excellence (S.P.I.R.E): Foundations Sounds Sensible provided by AIS and ENL team members-instruction in phonological awareness, alphabet knowledge, and understanding letter-sound relationships
•Tier 2 or 3 support in S.P.I.R.E provided by AIS and ENL team members - a multi-sensory teaching approach utilizing systematic, sequential phonics and phonological awareness i
• Tier 1 instruction in Wilson Fundations - a comprehensive reading, spelling and handwriting program that incorporates phonics, phonemic awareness, high frequency word study, vocabulary instruction, reading strategies, and comprehension strategies
• Math-based Tier 2 AIS support provided by AIS instructors
• Visual Aids and Graphic Organizers: Using pictures, charts, videos and diagrams to help explain concepts and vocabulary.
• Peer Support and Buddy Systems: Pairing newcomers with bilingual peers or more proficient English speakers for academic and social support.
• Providing opportunities to preview the topic in their home language before introducing it in English
• Visual word walls and vocabulary charts to support vocabulary acquisition
•Technology Integration: Using educational software, language learning apps, and online resources to support

language acquisition. Such as; Epic, Starfall, Readworks, Razkids, Fabulingua, Lalilo, UFLI and Kiddle.
• Scaffolded Reading and Writing Activities: Using leveled texts, sentence starters, and writing frames to support literacy development.
• Interactive and Hands-on Learning: Using Project-Based Learning to engage students in projects, experiments, and activities that involve physical manipulation and collaboration.
• Frequent and Formative Assessment: Regularly checking for understanding and adjusting instruction based on student progress.
• Cultural Relevance and Inclusivity: Incorporating students' cultural backgrounds into the curriculum to make learning more meaningful and relatable.
• Use of Realia and Authentic Materials: Bringing in real objects and materials to make learning more concrete and contextually relevant.
• Saturday Academy: six-week cycles focused on reading, math, as well as confidence and socialization skills
• SIFE/NEWCOMER morning program: In addition to in-school service of our ELLs, we have a SIFE and Newcomer morning program to better address the specific needs of students who fall into these categories. The SIFE program is for students in grades 3, 4, and 5 who have been provisionally identified as SIFE or have been determined to be SIFE students as a result of undergoing the complete SIFE screening process. SIFE students receive instruction to assist them with the foundational academic skills they will need in order to succeed in the mainstream classroom. They also learn communication skills in English, as well as be introduced to elements of American culture. In addition, as SIFE students may have unique social emotional needs, all efforts are made to ensure these unique needs are tended to.

c. Newcomers

Supporting newcomer English Language Learners (ELLs) with 0-3 years of instruction effectively requires a range of strategies and scaffolds tailored to their individual needs. Here are some supports that can be beneficial for newcomer ELLs, considering their grade level, proficiency level, and years of service:

• Visual Aids and Graphic Organizers: Using pictures, charts, videos and diagrams to help explain concepts and vocabulary.
• Modified Instruction and Assessments: Simplifying language, providing bilingual glossaries, and allowing extended time for tests.
• L1 (Native Language) Support: Providing materials and resources in the student's first language when possible to aid understanding. Explicitly in the Dual Language Spanish/English program at this school.
• Peer Support and Buddy Systems: Pairing newcomers with bilingual peers or more proficient English speakers for academic and social support.
• Sheltered Instruction Techniques: Using strategies like the SIOP (Sheltered Instruction Observation Protocol) model to make content comprehensible.
•Using HMH Into Reading and HMH ¡Arriba la Lectura! the school has access to rich content and standards-based instruction, assessments with actionable data insights, professional learning, and supplemental practice and instruction that is all connected on the NYCDOE Teach Hub Ed learning platform.
• Scaffolded Reading and Writing Activities: Using leveled texts, sentence starters, and writing frames to support literacy development.
• Interactive and Hands-on Learning: Using Project-Based Learning to engage students in projects, experiments, and activities that involve physical manipulation and collaboration.
• Frequent and Formative Assessment: Regularly checking for understanding and adjusting instruction based on student progress.
• Cultural Relevance and Inclusivity: Incorporating students' cultural backgrounds into the curriculum to make learning more meaningful and relatable.
• Technology Integration: Using educational software, language learning apps, and online resources to support language acquisition. Such as; Epic, Starfall, Readworks, Razkids, Fabulingua, Lalilo, UFLI and Kiddle.

• Family and Community Engagement: Involving families in the learning process during Fabulous Fridays and providing resources and support for parents to help their children during parent engagement days.
• Professional Development for Teachers: Ensuring teachers are trained in ELL strategies and culturally responsive teaching.
• Language Development Programs: Before school, after school and Saturday Academy offering dedicated ELL classes focused on intensive English language instruction.
• Small Group Instruction: Providing more personalized and focused instruction in smaller groups using SPIRE, Sound Sensible and Orton Gilligham programs.
• Use of Realia and Authentic Materials: Bringing in real objects and materials to make learning more concrete and contextually relevant.

These supports should be selected and implemented based on the individual strengths, needs, and learning styles of the ELL students. Regular monitoring and adjustment of these supports are essential to ensure they are effective in helping students progress in their language and content learning.

d. Long Term ELLs

We currently do not have any Long-Term ELLs, ELLs receiving service for 7 or more years.

We currently do not have any Long-Term ELLs, ELLs receiving service for 7 or more years. In the event that we do have any Long-Term ELLs, strategic planning based on a close look at data is necessary in order to target students' areas of need. ENL and classroom teachers use this data to inform practice. However, Long-Term ELLs may need further investigation to determine why students have continued to have difficulty reaching a proficiency level of Commanding. This may lead to highly targeted instruction based on the modality or modalities of greatest need. In addition to this targeted support provided by and ENL and possibly classroom teacher, Long-Term ELLs may receive additional support. They may be offered daily Response to Intervention (RTI) services.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

ENL providers collaborate with teachers in developing language goals to support students' language proficiency in all Special Education settings. We employ an ENL Co-teaching model in 12:1, ICT, and SETTS settings to provide the most inclusive specialized instruction for IEP students. Our school literacy curriculum, Into Reading, has support for ELLs and a supplement of support for our students with disabilities. Our math curriculum, EnVision 2.0 provides a visual learning bridge which supports ELLs with IEPs through direct visual modeling as well as models of expressive use of mathematical language. In addition, ENL providers communicate with IEP service providers to ensure that there are no conflicts with mandated services.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

In K-5 Dual Language classes, home language is assessed using Literacy screeners, HMH module assessments, and in classroom phonetic assessments. Additionally, Dual Language classes use Into Reading for English literacy and Arriba la Lectura for Spanish literacy instruction. Students are administered benchmark assessments in both, providing data and information on growth, strengths, and areas of need in English and the home language, Spanish. Similarly, math benchmark assessments are administered in both English and Spanish. We also conduct universal reading & math screeners in home language on Grades 3-5 with the NWEA Map Growth Screener. Students in DLBE classrooms are given the NWEA Map Growth Screener in Spanish in both Reading & Math (as well as in English). Students in ENL

classrooms are given the NWEA Map Growth Screener in Spanish if that is their home language and they prefer it in Spanish. Home language support is essential for our ELLs, and at P.S.1K we have the resources and systems in place to help ensure that students receive support in their home language. Within our Dual Language Program, a 50/50 model is employed. Students receive half of their instruction in their home language and half in the target language. In Kindergarten, foundational skills in literacy and math are developed simultaneously. Across grades, home language instruction for ELLs is delivered by bilingual certified instructors. Our Dual Language classes receive various resources to support them in native language instruction, including bilingual teacher guides for all curriculum components as well as student resources in Spanish (i.e. books, workbooks, charts, Spanish language tablet applications, etc.) As per the mandates of CR-154, instruction in ENL programs is delivered in English. However, students have access to various resources in their native language.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Our Dual language teachers and ICT teachers are encouraged to collaborate on all aspects of instruction, parent communication, and student assessment. They are provided with common preps daily so they can meet each day to plan for instruction. Dual language teachers also have 1 PLC Monday to meet cross grade to collaborate and discuss ideas and PD that can support the program. ENL teachers are encouraged to arrange their schedules so that common planning time is available at least twice a week with the GE peers. Finally, in 2024-2025 weekly per session planning will be made available to any teams seeking further planning time outside the school day.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Equity and Diversity Monthly Meetings focus on staff wide training on Culturally Responsive Pedagogy to ensure all teachers, administrators, and school staff improve practices on meeting the academic and social emotional needs of our diverse learners. As our school is largely composed of ELLs and MLs, the needs of ELLs and MLs are included in the planning and scope of our weekly PLCs. Staff have been introduced to the Algebra for All and Math for All programs, which give teachers tools to implement standards-based math curriculum by creating access points to learners with diverse needs and strengths, providing scaffolds and supports to help ELLs and MLs take on complex mathematical tasks and problems. Some teachers have been trained in Image Talks which supports students' development of fact fluency and flexibility in the four basic math operations. This is done through the use of real world contexts and images giving access to diverse learners while engaging them in developing vocabulary, and mathematical discourse..

This year all teachers have participated in District Level Professional Development with Teaching Matters. Grade level teams focused on explicit instruction, unpacking NGLS, and supporting MLL and diverse learners in Literacy. Some staff have been trained in how to use the various components of Into Reading/Arriba la Lectura to support the needs

of ELLs and MLs.
This year teachers participated in a school wide PLC using the Data Wise Improvement Process (DWIP). DWIP is an eight-step model that guides teams of educators as they work collaboratively to improve teaching and learning through the collaborative use of data. This model employs a wide range of evidence, from the “big data” of high-stakes tests to the “street data” collected through classroom observation and information about lived experience gathered from students and their families. And it’s supported by a suite of resources designed to help educators drive positive change.

Lastly, this year a 12 week study group for teachers in grades k-5 was offered to specifically look at ways of Strenghtening MLL Instruction in Writing with a focus on EX and TR ELLS.

10. Describe your school’s professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Professional Development to meet the mandated Continuing Teacher and Leader Education ELL specific hours include but are not limited to the following offerings:

- ELL specific virtual and in person professional development opportunities presented by various approved New York State CTLE Vendors including HMH , Amplify Reading Resources, and Envision Math. ENL and BIL teachers are offered multiple opportunities to register and attend session and provided with coverages as needed.

- ENL and bilingual education teachers are provided with options to attend New York City Department of Multilingual Learners professional developments as well as sessions presented by our local borough office, Brooklyn North.

- ENL teachers are encouraged to research and present CTLE approved opportunities for professional development during School Wide PD hours and day including Chancellor's Day, Election Day, and PL Mondays.

- ENL and BIL teachers are provided with professional learning opportunities and study groups including Deep Data Dive and ENL planning and Monthly ELL Coordinator study groups. These supports are provided by District 15 ELL Compliance and Instructional specialists.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

school use to guide instructional planning for your ELLs?
We use the following screening assessment to guide instructional planning for ELLs:

• Acadience Reading for Grades K-2
• NWEA Map Growth Reading Screener for Grades 3-5 (students in DLBE classrooms also take the Map Growth Reading Screener in Spanish)
• Aprendo/Leyendo for phonics in Spanish
• Acadience Math for Grades K-2
• NWEA Map Growth Math Screener for Grades 3-5 (any MLL Spanish-speaking student is also offered the Map Growth Math Screener in Spanish if they prefer)
• NYSITELL (administered within 10 days of admission to school)
• Spanish Lab (administered within 10 days of admission to school)
• SIFE Multilingual Evaluation Tool
Teachers analyze the results of these assessments to identify instructional priorities and develop student groupings for targeted small group instruction in reading, writing, and math lessons. In addition, we evaluate data from these assessments to identify at-risk students for academic intervention services (AIS) in reading and math, which are delivered by reading and math specialists in small groups during our RTI block.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Our ELLs are held to the same expectations outlined in the Next Generation Learning Standards (NGLS) as their non-ELL peers. In order for our ELLs to meet these expectations, we provide them with targeted instruction in all four modalities: reading, writing, listening, and speaking. Classroom teachers and ENL service providers in all grades deliver initial interventions in the classroom utilizing TESOL methodologies and curricular components designed for ELLs, such as leveled readers, vocabulary in context cards, and visual cue cards with listening and speaking prompts to support English language development from our Into Reading literacy curriculum. Students receive these supports in both English and in their native language depending on the program model they are enrolled in. For students in grades K-5 who require additional support, other intervention services are
offered. ELLs and Former ELLs who are performing well below grade level in reading and math (level 1) are considered for AIS services with reading and math specialists. Our reading specialists use the SPIRE program that focuses on developing phonological awareness, word building, decoding, and encoding to support our lowest level readers. Title III programs are offered multiple times throughout the year, including our weekly Saturday Academy and daily Morning Program. These programs target students who are struggling readers or need additional support to meet grade level

math standards. They focus on supporting students in all grades to make academic gains in their independent reading levels, to show growth on the New York State ELA and math exams (grades 3 - 5), and to attain proficiency on the NYSESLAT exam (grades K-5). Literacy instruction is delivered in small groups using leveled guided reading kits that come from the Into Reading curriculum
for all grade levels. In addition, lower grade (K - 2) and SIFE students receive Wilson Fundations word study and phonics instruction to build strong foundational literacy skills. The Saturday Academy math program utilizes a problem solving model that encourages conversation and collaboration to address real world problems. All of these programs are delivered in English. Current and Former ELLs in all grade levels are also invited to attend Title I after school programs in ELA and math 2-3 times per week in various cycles throughout the school year. These after school programs focus on supporting students to advance from approaching to meeting grade level standards in ELA and math, and to show growth on their state exams. Students engage in book clubs to practice close reading skills, practice real world problem solving, and also receive instruction in test sophistication skills when applicable. These programs are also delivered in English.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Our data is based on the Acadience screener for lower grades and MAP Growth for upper grades. In addition, we use diagnostic assessments such as the SPIRE IPA and Aprendo/Leyendo to pinpoint areas for growth & support. For each English language learner who scores below specified levels of performance on the annual New York State English as a Second Language Achievement Test (NYSESLAT), we determine additional support services to provide the student, taking into consideration evidence such as the following:
• Number of years of instruction in bilingual education or English as a new language program
• English and home language literacy
• Results on the New York State English as a Second Language Achievement Test (NYSESLAT)
• Bilingual education or English as a second language teacher recommendation
• Content area teacher recommendation

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

We administer the following formative assessments throughout the year:

-Diagnostic Assessments: SPIRE IPA, LETRS Phonics Survey (K-5, as needed)
-Acadience Progress Monitoring Assessments (K-5, as needed)
-Monthly End of Module Assessments as part of HMH Into Reading/Arriba la Lectura (K-5)
-Weekly reading response assessments from HMH Into Reading/Arriba la Lectura (K-5)
-Fountas & Pinnell Running Records (K-5)
-End of Unit Fundations Assessements (K-3)
-On-demand Writing assessements for each writing unit (K-5)
• Math unit tests
• ECAM Math assessments
• The 4 Modes of Formative Assessments (Self-reflection, Student-to-student(s), student-to-teacher, & Teacher-to-whole class)

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

Students in our dual language English-Spanish program receive the following assessments in Spanish throughout the school year:

• Fountas and Pinnell Running Records 3 times per year (October, January, May)
• exit slips (K-5)
• On demand writing assessments for each writing unit (K-5)
• Weekly or bi-weekly Arriba La Lectura reading comprehension assessments (K-5)
• Math unit tests
• ECAM Math assessments
• Math mid-year benchmark assessments
• The 4 Modes of Formative Assessments (Self-reflection, Student-to-student(s), student-to-teacher, & Teacher-to-whole class)

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

We use the following summative assessments in order to evaluate the effectiveness of our ML/ELL programs:

• NYSESLAT
• NYS ELA Exam
• NYS Math Exam
• End of Year Screener results in growth & achievement

We compare the results on these assessments to our baseline NYSITELL data for students, previous year's NYSESLAT score when available, as well as their beginning and mid-year performance on benchmark assessments in literacy and math. We analyze students' performance in specific learning standards, as well as within the four modalities (speaking, listening, reading, and writing) to inform instructional design and curricular decisions.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

We plan by first determining which students are eligible to take the NYSESLAT. Based on that information, we decide which members of staff will administer the exam. Due to the size of our ELL population, common branch and certified ENL teachers, across grades K-5 are utilized to administer the LRW components of the exam. All test administers are trained by our testing coordinator and all test security protocols are followed. Speaking portion of the exam is only administered and scored by trained certified ENL teachers. Only ENL certified teachers administer and score the speaking and writing portion of the exam. All certified ENL teachers administering and/or scoring any portions of the exam undergo appropriate training as outlined in the NYSESLAT School Administrator's Manual. For the Speaking and Writing scoring, we ensure that no student is scored by their ENL provider. ENL providers make all possible efforts to maintain regularly scheduled services during the NYSESLAT testing period. General education and cooperating

teachers are supported with professional development around best practice for English language learners during common planning time. Scoring is completed within a week of the exam to ensure timely return to ENL services.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Our school follow all state guidelines for ELL accommodations. Each year we create accurate and updated spreadsheets that list student data and accommodations and testing coordinator and ELL coordinators collaborate to ensure all students are indentified and appropriate modifications are listed. We ensure group size, dictionaries/glossaries, and translated editions of test are all adequately provided.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

As part of the ELL identification process, families of newly identified ELLs are provided with an ELL Program Orientation. At this orientation, parents learn about the three ML/ELL program models, as well as information regarding the mandated services their child will receive. This is also an opportunity for families to ask questions regarding the models, services, and what to expect moving forward. Meetings are conducted one to one or in groups. Parents are given the opportunity to view the ELL Orientation video in their preferred language. In addition, the out school's presentation is translated into other languages represented at our school. To facilitate attendance, we offer group orientation meetings in both morning and evening sessions. Our school keeps attendance records for each meeting among our required ENL documents each year.

Additionally, ENL teacher hold parent workshops 3 times a year to discuss with parents our school programing, curriculum resources, and how ENL services will be delivered to their child. Classroom teachers will also utilize parent engagement to discuss the academic rigor of their classrooms and the ways they work to support the language needs of all students.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this

meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

As required by CR Part 154, ENL teachers will schedule parent meetings, during their parent engagement time, to ensure that they meet with parents of each of their ELLs. These meetings are in addition to Parent Teacher Conferences that are held throughout the year. Meetings may be in person or through a video call. During meetings, ENL providers may discuss students' progress, areas of struggle that they are continuing to work on during lessons, and ways to support their child's progress at home. It is also an opportunity for parents to ask questions. Students' progress towards language acquisition and meeting language-objective based goals is also discussed as is the NYSESLAT progress for the student. During meetings with families, we provide translation in their native language by utilizing our staff members or using resources provided by the Translation and Interpretation Unit if we do not have a staff member to provide a specific language for a parent. We translate documents into the languages needed in our building to ensure they are distributed along with the English Documents. We have the documents translated by school staff or submit it to the Translation and Interpretation Unit.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:

a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

We translate documents into the languages needed in our building to ensure they are distributed along with the English documents. We have the documents translated by school staff or submit it to the Translation and Interpretation unit.

During meetings with families we ensure we have interpreters available in the languages needed. We utilize our staff members or hire interpreters from DOE Approved Vendors.

We utilize the Translation and Interpretation Unit if we do not have a staff member to provide interpretation in a specific language both in-person and over the phone.

Families are encouraged to always communicate in their preferred language. We recommend they use Classdojo as messages can be translated on this platform.

Families are encouraged to request a meeting with staff to ensure an interpreter can be available in their preferred language.

We ensure all staff members take the Language Access training and LAC provides support for families whenever possible.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Surveys are provided to determine what families feel will be most beneficial for them. This provides us with information on workshops and activities we can add throughout the year.

Our PTC holds monthly meetings to gather family feedback on the best support the school can provide to help them create better home-school connections.

Workshops and events are hosted for families through-out the school year to provide information and hands on learning experiences on the work that is being done in the classroom. These workshops and events also provide families with the tools and resources they need to support students at home. The materials, resources and tools provided are in the parent's preferred language and provide guidance on how families can support their children in their native languages. Interpretation is also provided during the meeting in the parent's preferred language by a staff member or a hired interpreter.

Notices and reminders for workshops and events are shared in parent's preferred language to ensure they are aware of the different opportunities that are available to them. These notices are sent out in flyers, emails, voice messages, text messages, weekly newsletters and are added to the monthly calendar that is available in their preferred language.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

The Family Handbook shared with families has a section dedicated to explaining each leadership opportunity. This includes the PA, CEC, PAC, and SLT positions. The handbook is available in all languages and is translated by OLA.

Monthly PA, CEC, PAC and SLT Meeting Notices are shared with families in their preferred language. Meeting dates are also placed on the Monthly Calendar shared with families.

Information is also shared with families throughout the year to keep families informed of the different opportunities available to them, it is translated into their preferred language.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

NYU ParentCorps- weekly bilingual parent support groups to support Social Emotional Learning for children and adults.

Groundswell CASA Grant Recipients- Parent and Student public art grant to create a community art piece to represent our school's culture and history

New York Restoration Project-Community Garden- Parent Gardening club designed and planted a native plant garden including culturally specific herbs, vegetables, and plants.

Ballet Folklórico / Ballet Hispanico - Community Arts Partnership to engage the community in experiences in both dance and culture.

Parentship with NYCDOE Adult Educations - We offer Saturday adult ENL classes offered through the NYCDOE open to all community members -

Information/resource fair provided to the community through councilwoman Alexa Avilés, NYU Langone, Good Shepherd, Mixteca, and CFL. Some resources may include health services, immigration services, language support, legal assistance, and housing information.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

n/a

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Our identification team members include the ELL Coordinator and out of classroom ENL providers: Li-Ying Huang, Tracy Soto, Nancy Titlebaum, Deborah Vetrano, and Nitza Santana. The Pupil Accounting Secretary, Glorimar Ortiz Sifre, is also involved. A schedule is created in order to fairly distribute the workload. This schedule is shared with the team, administrators, co-teachers, and the Pupil Accounting Secretary so all are on the same page as to when each member is available to be called.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Our identification team members include the ELL Coordinator and out of classroom ENL providers. A schedule is created in order to fairly distribute the workload. This schedule is shared with the team, administrators, co-teachers, and the Pupil Accounting Secretary so all are on the same page as to when each member is available to be called.
The ELL Coordinator and Pupil Accounting Secretary are responsible for entering information related to the identification process. The Pupil Accounting Secretary enters the home language code into ATS, as well as other biographical and demographic information. The ELL Coordinator enters the parent preferred program choice into ATS, as well as ELLO-A or ELLO-B status when these apply.
Out of classroom ENL team members are responsible for completing the HLIS and student interview, parent notification letters (when applicable), NYSITELL (when applicable), Parent Survey and Program Agreement form (when applicable), and Spanish LAB testing (when applicable).
We follow the 8 + 2 ELL Identification process, which is completed within 10 days for students who do not have an IEP and 20 for students who do have an IEP, an additional 45 days after determination if re-identification process takes place.
The Pupil Accounting Secretary first determines the student's enrollment status. If the student is completely new to New York State or New York City, that student will undergo the complete identification process. Students who were once enrolled in a New York City or New York State public school and have been out of New York City schools or New

York State schools for a period of more than two years will be re-administered the complete ELL Identification process. An enrolling student who was previously enrolled at a NYC public school or NYS public school within the preceding two years does not undergo the ELL Identification process. In this case, the ELL Coordinator reaches out to the previous New York City or New York State public school to obtain all relevant records for that student.

For new students or students returning after two or more years, the Home Language Identification Survey (HLIS) is administered along with the student interview. The student's home language is determined based on the results of the HLIS and student and parent interview.
For students whose home language is other than English NYSITELL eligibility is determined. This is done with the help of a mandated student interview, as well as a review of the student's prior school work - if available. If the student has an IEP, the Language Proficiency Team meets to determine NYSITELL eligibility taking additional information and factors into account, with an additional 10 days provided to complete this step.
If the student is determined to not be eligible for NYSITELL testing (no IEP/LPT process), due to proficiency in English, this the student's NYSITELL ineligibility is indicated through the ELL Option in ATS - ELLO A. The ELL identification process for this student stops here.
If the student is determined to not be eligible for NYSITELL testing (IEP and LPT process), this the student's NYSITELL ineligibility is indicated through the ELL Option in ATS - ELLO B. The ELL identification process for this student stops here.
If the student is determined to be eligible to take the NYSITELL (IEP and LPT process, or no IEP and determination based on HLIS and interview), this student is administered the NYSITELL
Parent notification letters are sent home informing parents/guardians of the NYSITELL results (Entitlement after NYSITELL or Non-Entitlement after NYSITELL).
Students whose HL is Spanish and whose NYSITELL results show that they are an English Language Learner are administered the Spanish LAB.
Students who are newly identified as ELLs, whose NYSITELL results indicate an Entering or Emerging proficiency level in English, and who are in grades 3-9 undergo SIFE determination within 30 days of initial enrolment. SIFE status is entered in the BNDC screen once final determination is made.
Parents of newly identified ELLs are invited to a parent orientation. At this time, information about the three ELL programs. Parents are provided with the Parent Survey and Program agreement to indicate their preference.
Students are placed into an ELL program based on the parent choice and program availability.
If review of a student's ELL status is requested by a parent or teacher (with the parent's approval) within 45 days of the initial or reentry determination, we implement the re-identification process.
If the original decision is reversed, the principal reviews the ELL status reversal six to 12 months following the date of the superintendent's notifications to the principal, parent and/or guardian.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Wanda Lopez Ramirez

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.
We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they

attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Lylybell	Ramos	DC 37 Para More Than 20 Hrs	5/21/25	y
Deborah	Vetrano	Language Coordinator and ENL Teacher	02/26/2025	y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Surveys conducted by your school

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	6	0.74%	6	0.74%	2	2
CHINESE ANY	10	1.58%	10	1.37%	1	1
CANTONESE	0	0.00%	1	0.11%	2	2
MANDARIN	0	0.00%	2	0.21%	2	2
ENGLISH	288	30.25%	286	30.07%	70	70
RUSSIAN	2	0.21%	2	0.21%	0	0
SPANISH	640	67.23%	639	67.19%	20	20
URDU	0	0.00%	1	0.11%	1	1

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
parent handbook	Parent Handbook We have the parent handbook translated by the Office of Language Access
Weekly Principal's Newsletter	The principal translates her own newsletters into Spanish and uses translation funds to pay per session to staff for assistance with translations in other languages.
DOE letters	Translated via the DOE/Office of Language Access
Weekly messages/letters	We use ClassDojo and the DOE Messaging System, which have an automatic translation function for parents in their preferred language.
ENL Parent Orientation Meeting Letters	We use members of the school's translation team. Letters are provided to the team in advance for translation, ideally with a minimum of one week's notice. In the event there is a language needed that a member of the school-based translation team cannot translate into, we can use the translation unit at the Office Language Access.
Testing Letters	We use members of the school's translation team. Letters are provided to the team in advance for translation, ideally with a minimum of one week's notice. In the event there is a language needed that a member of the school-based translation team cannot translate into, we can use the translation unit at the Office Language Access.
IEP Meetings	We use the translation unit at the Office Language Access. Our school psychologist submits a request for translation once the English version is complete, providing sufficient time for the translation to ensure it is ready in time for the meeting.
n/a	n/a

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
PTA meetings	We have an interpretation team who attends the PTA meetings and supports as needed. In the event that an interpreter is needed for a language not spoken by a member of the team, the Over-the- Phone Interpretation (OPI) service is contacted.
Parent-Teacher Conferences	We have a school-based team of interpreters who apply to support families during PTC time. Teachers are asked to enter appointments into a spreadsheet for which they will need interpretation. Our Parent Coordinator/LAC matches available interpreters based on need. In the event that an interpreter is needed for a language not spoken by a member of the team, the Over-the-Phone Interpretation (OPI) service is contacted.
Monthly meetings	We use our Facebook platform and translate the meetings. For in person meetings we use our school-based team and request interpreters through the DOE depending on the need for the meeting.
Meetings for the school leadership team (SLT)	A school-based team of interpreters are present at the meeting to support families. In the event that an interpreter is needed for a language not spoken by a member of the team, the Over-the-Phone Interpretation (OPI) service is contacted.
ENL Parent Orientation	When possible, members of the ENL team provide interpretation. When in person, we have headsets available for simultaneous interpretation in less frequently spoken languages such as Mandarin and Arabic, interpreted by a member of the ENL team. We also use the Over-the-Phone Interpretation Line when needed.
ENL NYSESLAT Information Session	When possible, members of the ENL team provide translation of written information (e.g., Google Slides presentation) as well as oral interpretation. When in person, we have headsets available for simultaneous interpretation in less frequently spoken languages such as Mandarin and Arabic, interpreted by a member of the ENL team. Microsoft Translator is used for written translation when no member of staff speaks or writes a parent's preferred language.
ENL - New Student Registration	When possible, ENL team members who speak the parent's preferred language conduct the registration. When this is not possible, the team member may request assistance from predesignated members of staff, if available, or call the Over-the-Phone Interpretation (OPI) services line for assistance.
n/a	n/a

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

In the case of a school-wide emergency, we call upon staff members who speak the parents' preferred language whenever possible. If there are no staff members available who speak a parent's preferred language, we may use the Over-the-Phone Interpretation (OPI) service, as well as ClassDojo, DOE Messaging, or Microsoft Translate to communicate with our parents who prefer to speak a language other than English.

For a student-specific emergency such as student attendance, nurse/hospital visit, etc.,, we call upon staff members who speak the parent's preferred language whenever possible. If there are no staff members available who speak a parent's preferred language during the time of the emergency, we use the Over-the-Phone Interpretation Line to ensure we have accurate and appropriate communication with parents who prefer to speak a language other than English.

If a parent has an emergency and needs to contact the school, we call upon staff members who speak the parent's preferred language whenever possible. In addition, if needed we use the Over-the-Phone Interpretation Line for support.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Plan to ensure staff awareness of language access requirements and available resources.
1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access
Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to
Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.
We will be using our PLC Monday, or other time dedicated to staff development, to support our staff with completing the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform.
Additionally, the LAC will disseminate future language access resources and updates to all staff members via email. Such information may also be shared by the school principal in the morning message and PS Corner (ongoing hub with daily updates on events and important information).

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- **Language Access for NYC Public Schools Families brochure**

Parental Notification
Provision of notice to parents on the available language assistance services.
1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:
Translated signage
Brochures, flyers, or letters shared with parents
Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)
Messaging applications
Language Access for NYC Public Schools Families brochure
Multilingual posters and other resources from the Language Access Kit, including the Language Access Cards, are posted at the security desk, outside the parent coordinator's office, in the main office, and in other areas of the school to inform parents of their right to receive information in their preferred language and to assist our school in identifying parent or visitor language needs. Our school website has an embedded widget which automatically translates each page into parents' preferred language. ENL Parent Orientations include information for parents regarding their right to receive information in their preferred language and how to do this. Parents also receive the OLA parent guide brochure informing them of steps they can take to request support or resources.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Monitoring
Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

As communication occurs with families throughout the year via phone calls, emails, backpacked letters, and meetings in various forms, we take note of parent language needs. We ensure language identification cards are available to help us identify any new language needs and the best forms of communication for all families. We also use a digital form of the parent survey that is provided in the Language Access Handbook, shared with parents in their preferred languages to gather information.
.

1. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

During PTA meetings our families are reminded of the implementation and the guidance of translations. Within our school community, we will continue to address families and have surveys to know what the translations that we will need are so that we may ensure all our families are being represented. Upon receiving the surveys, we will be able to determine if we need to address any concerns with language. Based on family feedback from previous years, we have ensured all communications going out to families are in their preferred language. In response to this year's language survey and conversations with families, we are going to work on families using our digital platforms to ask the quick questions they have for teachers. This way they are able to receive a response in their preferred language.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

We continue to have the pulse on our school community, and the changes that continue to occur.

During PTA meetings our families are reminded of the implementation and the guidance of translations. Within our school community, we will continue to address families and have surveys to know what the translations that we will need are so that we may ensure all our families are being represented. Upon receiving the surveys, we will be able to

determine if we need to address any concerns with language. Based on family feedback from previous years, we have ensured all communications going out to families are in their preferred language. In response to this year's language survey and conversations with families, we are going to work on families using our digital platforms to ask the quick questions they have for teachers. This way they are able to receive a response in their preferred language.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Saturday Academy,Before School,After School

Total number of ELLs to be served in this program:

200

Grades to be served in this program. Select all that apply.

,2,3,4,5,1

Total number of teachers in this program:

10

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

4

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

6

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**
- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**

- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Students will be supported in literacy developing proficiency in the four domains across a variety of supplemental programs. We will have 4 different programs :

1. SIFE /Newcomer Morning Program:

2 Group of Students taught by 2 BIL certified teacher. Group 1 -2, Group 2- Grades 3-5 (EM/EN SIFE/Newcomer). total 50 students. Meeting time 7:00- 7:40 Wednesday, Thursday, Friday. Start 102025-6/2026
This program will be at no cost to TitleIII

2. . Saturday Academy for ENL
8 Groups of students taught by 4 content teachers and 4 ENL/BIL . Grades 2-5.
Start date 11/2025-4/2026. Approximately 20 students per group .

1 Supervisor will be required for all programs at cost
8 teachers will be at cost

Attendance will be recorded electronically by teachers and by supervisor. Progress will be monitored by teacher data and screener data.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

1. SIFE /Newcomer Morning Program:

Rationale: Due to the significant increase in new admits identified as newcomers or SIFE students we have opened an English Enrichment Morning program class to offer MTSS for academic and socio-emotional support on a daily basis.

3. Saturday Math Academy for ENL

Rationale: TR and EX ELLs in grades 2-5 are at a critical time in their language develop and made less than standard growth on NYSESLAT, ELA, and Math exam

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

1. SIFE /Newcomer Morning Program:

Subgroups and grade levels of students to be served: Students identified as SIFE, Asylum seekers, or Newly arrived ENL students grades 3-5.

2. Saturday Academy for ENL

Subgroups and grade levels of students to be served: Transitioning and Expanding ENL students in grade 2-5

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Students will be supported in literacy developing proficiency in the four domains across a variety of supplemental programs. All programs begin in November 2025 and ending April 2026.

1. SIFE /Newcomer Morning Program:

Schedule and duration- Wednesday, Thursday, Friday 7:00-7:40 11/1/2025 - 4/12/2026

2/. Saturday Academy for ENL

PROGRAM DATES: Saturdays - 8:30 AM -12:30 PM
Cycle I - November 1 – December 13, 2025
Cycle II - January 6 – February 10, 2026
Cycle III - March 2- April 6, 2026

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

All programs will be primarily conducted in English with Native Language Support when needed.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

1. SIFE /Newcomer Morning Program:

1 Bilingual/ENL Licensed Teacher (2)

2. Saturday Academy for ENL
Number and types of certified teachers 4 ENL/BIL teachers will focus on literacy instruction including foundational skills, reading comprehension, writing, and grammar. 4 Content area teachers will focus on building Math Fluency , Problem solving skills, and automaticity.,

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

1. SIFE /Newcomer Morning Program:
Types of materials:
K-2- Fundations, Mosaic Collection Read alouds, NYDOE ENL New comer Curriculum 3-5 - Phonemic awareness materials grade 2-5, Language Power ENL Curriculum

2. Saturday Academy for ENL- HMH Writeable Time for Kids Articles, Geodes digtial shared reading, Do the Math Literacy, Getting Ready for the NYSESLAT texts.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Parents will be contacted via invitation letters similar to the Title III sample letter, which are sent home in a variety of languages. In addition, announcements and information sessions will be provided during monthly PTA meetings and at ENL parent orientation sessions.

We maintain various records such as but not limited to: copies of dated, translated letters to parents; student rosters, attendance, and proficiency levels; teacher certifications; per session time sheets; parental engagement records such as attendance sheets, invitations, translations, information shared (PPT or other); purchase orders and invoices

All print materials will be scanned and stored electronically.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

As per our School Wide Instructional focus of strengthening our Tier 1 and Tier 2 instruction for all learners and ensuring all student make progress on our NYSESLAT exam, we are committed to providing professional development for all our teachers of MLL/ELLs.

1. D15 Ell Coordinator Working Group
Rational :A Monthly meeting designed to support your compliance and instructional needs as they pertain to ELLs
Teachers to receive training: ENL out of Classroom teachers (1) , ELL Coordinator
Schedule and duration: Monthly Meetings
Topics to be covered: Best Practices for ELL Compliance, Data Driven Tier 1 and Tier 2 MTSS Plan
Name of provider: D15 MLL Team , CJ Giles, Michael Lee
This program is at no cost and will not require Title III funds

2.Dual Language Monthly Planning
Rational : To improve and enhance ENL and Spanish Language instruction in our Dual Language classroom settings.
Teachers to receive training: 14 Dual language teachers
Schedule and duration:
First Monday of each Month 2:30-3:30
This program is at no cost and will not require Title III funds
Topics to be covered:, Data Driven Tier 1 and Tier 2 MLL Plan, Native Language Assessment
Name of provider: A. Benitez

3.ENL Inquiry PLC: Strengthening Writing Instruction
Rational : To improve and enhance ENL instruction in writing
Teachers to receive training: all Licensed ENL and BIL teachers
Schedule and duration:
1 day a week
10/26-6/26

This program is at no cost and will not require Title III funds

Topics to be covered: Foundational Literacy Strategies for students in grade k-3, Qtel Strategies, Data Driven Tier 1 and Tier 2 MLL Plan
Name of provider: M.Sciannameo, D. Healy

4. Teaching Matters Instructional Coaching
Rational : To provide high level coaching and support for teachers implemented structured language and foundational literacy instruction in grades K-2.
Teachers to receive training: 6 teachers , TBD
Schedule and duration:
1/24-6/23
This program will not be at cost Title III Grant .

5. Apprendo Illendo
Rationale: To improve Spanish Language Literacy and phonics based instruction
Teachers: Y.Bermejo, J.Iglesia, S.Silva, A.Benitez
Duration and Schedule: Bimonthly 10/25-6/26
Provider: Aprendo Leyendo
This program will not be at cost Title III Grant

6. Division of MLL Professional Development
Rationale: To strengthen best practices for ENL instruction and MTSS K-5.
Teachers: All ENL out of classroom teachers (5)
Duration and Schedule: TBD
Provider: Office of Multilingual Learners
This program will not be at cost Title III Grant

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

As per our School Wide Instructional focus of strengthening our Tier 1 and Tier 2 instruction for all learners and ensuring all student make progress on our NYSESLAT exam, we are committed to providing professional development for all our teachers of MLL/ELLs.

1. D15 Ell Coordinator Working Group
Rational :A Monthly meeting designed to support your compliance and instructional needs as they pertain to ELLs

Schedule and duration: Monthly Meetings
Topics to be covered: Best Practices for ELL Compliance, Data Driven Tier 1 and Tier 2 MTSS Plan
Name of provider: D15 MLL Team , CJ Giles, Michael Lee
This program is at no cost and will not require Title III funds

2.Dual Language Monthly Planning
Rational : To improve and enhance ENL and Spanish Language instruction in our Dual Language classroom settings.
Teachers to receive training: 14 Dual language teachers
Schedule and duration:
First Monday of each Month 2:30-3:30
This program is at no cost and will not require Title III funds
Topics to be covered:, Data Driven Tier 1 and Tier 2 MLL Plan, Native Language Assessment
Name of provider: A. Benitez

3.ENL Inquiry PLC: Strengthening Writing Instruction
Rational : To improve and enhance ENL instruction in writing
Teachers to receive training: all Licensed ENL and BIL teachers
Schedule and duration:
1 day a week
10/26-6/26

This program is at no cost and will not require Title III funds

Topics to be covered: Foundational Literacy Strategies for students in grade k-3, Qtel Strategies, Data Driven Tier 1 and Tier 2 MLL Plan
Name of provider: M.Sciannameo, D. Healy

4. Teaching Matters Instructional Coaching
Rational : To provide high level coaching and support for teachers implemented structured language and foundational literacy instruction in grades K-2.
Teachers to receive training: 6 teachers , TBD
Schedule and duration:
1/24-6/23
This program will not be at cost Title III Grant .

5. Apprendo Illendo
Rationale: To improve Spanish Language Literacy and phonics based instruction
Teachers: Y.Bermejo, J.Iglesia, S.Silva, A.Benitez
Duration and Schedule: Bimonthly 10/25-6/26
Provider: Aprendo Leyendo
This program will not be at cost Title III Grant

6. Division of MLL Professional Development
Rationale: To strengthen best practices for ENL instruction and MTSS K-5.
Teachers: All ENL out of classroom teachers (5)
Duration and Schedule: TBD
Provider: Office of Multilingual Learners
This program will not be at cost Title III Grant

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

As per our School Wide Instructional focus of strengthening our Tier 1 and Tier 2 instruction for all learners and ensuring all student make progress on our NYSESLAT exam, we are committed to providing professional development for all our teachers of MLL/ELLs.

1. D15 Ell Coordinator Working Group

This program will not be at cost Title III Grant

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were

funded by Title III ELL funds.

All professional development will be documented on our schoolwide PD log. Log is maintained electronically in our schoolwide drive including agendas and professional slides and resources.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

We as a school community that know that parental involvement is a vital component in learning for ELL students. Parent engagement activities allow parents to gain more knowledge on how to support their children in Language Acquisition. Parents will be provided with Workshops that will support the Academic and Social Emotional needs of the MLL/ELL students. Based on our Schools Demographics, all workshops target ENL parents, workshops are open and available to all families in Grades Pre-K through 5th Grade. Materials are provided in parents native languages which includes Spanish, Chinese and Arabic. Many Meetings are recorded and available on our School Facebook Page and School Website for families to watch at anytime if they were unable to join the live meeting at the Scheduled time. Google forms created for each meeting provide the opportunity for questions to be asked at anytime so support can be continuous.
Please see below for parent offerings:

1. Parent Information Meeting for MLL Programing and Progress

Rationale: To keep families informed of the details and instructional requirements of their MLL program selection, provide parents opportunities to ask questions about their child's progress and goals.

Schedule and duration: monthly as needed

Topics to be covered: Dual Language Program Curriculum and Requirements, MLL /ELL instruction-and support, at-home support

Name of provider: ENL Teachers: D. Vetrano, T. Soto, L. Huang, N. Titlebaum and N.Santana

How parents will be notified of these activities: School newsletters, Google Classroom, School website, ClassDojo, School Calendar, Letter/Invitation sent home

This will be at no cost to the Title III budget.

2. Monthly Parent Nights

Rationale: To engage MLL families in academic, socio-emotional, and creative activities with their children.

Schedule and duration Monthly Meetings 5:30pm - 6:30 pm

Topics to be covered: Topics to be covered: Math Night, Literacy Night, Celebrating Hispanic Culture Night, International Night, Arts Night, Sports Night, Winter Holiday Food Festival, Health and Wellness Night.

How parents will be notified of these activities: School newsletters, Google Classroom, School website, weekly messages to families, ClassDojo, School Calendar, Letter/Invitation sent home

This will be at no cost to the Title III budget.

3. Parent Engagement Workshops

Rationale: To engage MLL families in academic, socio-emotional, and creative activities with their children.

Schedule and duration : During after school parent engagement time. Dates and times determined by classroom teachers

Topics to be covered: Science of Reading, Test Readiness, Mindfulness and Wellness

How parents will be notified of these activities: School newsletters, Google Classroom, School website, weekly parent messaging, ClassDojo, School Calendar, Letter/Invitation sent home

Name of provider: classroom teachers

This will be at no cost to the Title III budget.

4. Family Engagement Days

Rationale: To engage MLL families in academic, socio-emotional, and creative activities with their children.

Schedule and duration: One Friday per month, one 8:15-8:50 am

Topics to be covered: Grade-level and classroom based curricula for math and literacy, may be in combination with monthly holidays and celebrations including but not limited to: Hispanic Heritage Month, winter holidays, Lunar New Year Black History Month, Women's History Month

Name of provider: classroom teachers

How parents will be notified of these activities: School newsletters, Google Classroom, School website, weekly messages to families, ClassDojo, School Calendar, Letter/Invitation sent home

This will be at no cost to the Title III budget.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

We as a school community that know that parental involvement is a vital component in learning for ELL students. Parent engagement activities allow parents to gain more knowledge on how to support their children in Language Acquisition. Parents will be provided with Workshops that will support the Academic and Social Emotional needs of the MLL/ELL students. 4. Family Engagement Days
Rationale: To engage MLL families in academic, socio-emotional, and creative activities with their children.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

1. Parent Information Meeting for MLL Programing and Progress
Schedule and duration : monthly as needed

2. Monthly Parent Nights
Schedule and duration Monthly Meetings 5pm - 7pm

3. Parent Engagement Workshops
Schedule and duration : During after school parent engagement time. Dates and times determined by classroom teachers.

4. Family Engagement Day
Schedule and duration: One day per month, 9:00 AM-11:00 AM

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

1. Parent Information Meeting for MLL Programing and Progress
Topics to be covered: Dual Language Program Curriculum and Requirements, MLL /ELL instruction-and support, at-home support, current proficiency level and progress, information regarding the Next Generation Learning Standards, program goals

2. Monthly Parent Nights
Topics to be covered: Math Night, Literacy Night, Celebrating Hispanic Culture Night, International Night, Arts Night, Sports Night, Winter Holiday Food Festival, Health and Wellness Night.

3. Parent Engagement Workshops
Topics to be covered: Science of Reading, Test Readiness, Mindfulness and Wellness

4. Family Engagement Days
Topics to be covered: Grade-level and classroom based curricula for math and literacy, may be in combination with monthly holidays and celebrations including but not limited to: Hispanic Heritage Month, winter holidays, Lunar New Year Black History Month, Women's History Month

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

1. Parent Information Meeting for MLL Programing and Progress
Name of Provider: ENL Teachers: D. Vetrano, T. Soto, J. Huang, N.Titlebaum, Z. Ghanem

2. Monthly Parent Nights
Name of Provider: Coaches: M. Sciannameo, D.Healy; ENL members of the Inclusion, Diversity, and Equity Team: J. Huang, Z. Ghanem; members of the Inclusion, Diversity, Equity Team

Also supported by: School Based Literacy Committee, School based Wellness Committee, School Based Math Committee, Classroom Teachers, other staff

3. Parent Engagement Workshops
Name of Provider: Classroom teachers; ENL teachers: D. Vetrano, T. Soto, J. Huang, N. Titlebaum, Z. Ghanem

4. Family Engagement
Name of Provider: Classroom teachers; ENL teachers: D. Vetrano, T. Soto, J. Huang, N. Titlebaum, Z. Ghanem

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

1. Parent Information Meeting for MLL Programing and Progress
School newsletters, Google Classroom, School website, SchoolMessenger, ClassDojo, School Calendar, Letter/Invitation sent home

2. Monthly Parent Nights
School newsletters, Google Classroom, School website, SchoolMessenger, ClassDojo, School Calendar, Letter/Invitation sent home

3. Parent Engagement Workshops
School newsletters, Google Classroom, School website, SchoolMessenger, ClassDojo, School Calendar, Letter/Invitation sent home

4. Family Engagement Days
School newsletters, Google Classroom, School website, SchoolMessenger, ClassDojo, School Calendar, Letter/Invitation sent home

SIFE/Newcomer Morning Program, Saturday Academy, Math/ELA Enrichment program:
Parents will be offered a place for their child in the program. A record of offers will be kept in a log in the Title III binder. In addition, a digital record will show parents who accepted or declined. Follow-up offers and conversations will be recorded in the Title III binder.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

All records will be maintained including agendas, attendance sheets and invitations in parents' preferred languages in our ENL files and parent coordinator records.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

NOT conceptually consolidated (must complete part E Budget below)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem	48,542	Saturday ELL Academy Teacher Salary
Purchased services -High quality staff and curriculum development contracts.	3000k	This budget is for materials to support Saturday ELL Academy : DO the Math, Writing Revolution Accounts, Measuring UP :ELLs texs.
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Before School

Grades to be served in this program. Select all that apply.

,2,3,4,5,1

Total number of teachers in this program:

2

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

In order to address the diverse needs of our Immigrant Students we will implementing supplemental services before school. In the School Year 2025- 2026 we will include all Immigrant ELLs in our programs:
- Morning Program

1 Morning Program classes will be added to our current program in order to support Early Elementary Immigrant students who are struggling with Oral Language and Foundational Skills in English. This section will be organized by grade band (1-2) and (3-5) with approximately 20 students in the group. Students will receive instruction by a licensed ENL/BIL teacher. The student will engage in Oral Language Activities, Research based practices in Foundational Skills including SPIRE. The program will be supervised by an onsite administration and supported by a Literacy Coach. Program will run 18 weeks 1/8-5/29 for at total 156 hours. We will be using $9,828 of Title III Immigration Funds.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

Students included in the Immigrant Student supplemental services would have been exempt from the most recent Literacy Screeners. This intervention is an opportunity to provide on going progress monitoring and targeting support for students who are not captured on the Academic Screeners and who still need native language support. Based on diagnostics and in house assessments only 8% of ELLs in k-2 are at benchmark level on the BOY literacy Screeners and 13% of students in 3-5. This intervention will also support immigrant students who do take the benchmarks and need further support.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

Morning program - all immigrants- Newcomer/Sife students, EN/EM Ells in grades K-2. (15-20) EN/EM students in grades 3-5 (15-20)

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

Morning Program
- Program will run 3 days a week (Wed/hurs/Fri) for 16 weeks 1/08-5/29 (156 horus)

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

English with native language support .

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

Morning Program 2 ENL/BIL teacher

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

Morning require SPIRE materials and Appreyndo LLyendo materials at cost.
1399 will be spent on material- it will not exceed 20% of the total allocation

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

All students will be progress monitored with one of the following assessments:
- Accidence Progress monitoring

- SPIRE Assessment
- Lettrs assessment

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

In school year 2025-2026 we aim to provide professional development to support teachers in planning and instruction to better meet the needs of Immigrant Students an MLLs in grades K-5. This professional development will take place in 2 ways:

1. Professional Learning Cycle for ENL Teachers / Dual language teachers- Supporting Immigrant students in Literacy Instruction
-Activities will include unpacking grade level standards, listing out language demands, exploring scaffolds to support language development, unpacking Language Acquisition Assessment rubrics, and creating toolkits to support students and co-teachers.
This will be a no cost to the Title III Immigrant funds

3. School Wide Professional Learning Cycle - Supporting Immigrant students and MLLs in Literacy
-Activities will include visiting lab site classrooms, explore and create scaffolds for literacy instruction, and analyzing data to drive instruction.
This will be a no cost to Title III Immigrant funds.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**

- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

ELL and Immigrant Students have not made significant progress on NYSESLAT assessments and are over represented on our Bottom 16% in New York State Math and Literacy Screeners. Core instruction is not supporting the language and literacy acquisition of our MLLs and Immigrant students and needs to be tailored to their unique needs.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

1. Professional Learning Cycle for ENL Teachers / Dual language teachers- Supporting Immigrant students in Literacy Instruction
- Teachers in this program will be our ENL out of classroom teachers, Dual Language Classroom Teachers, Morning Program Teachers, Title III afterschool and Saturday School teachers, and paraprofessionals that support these programs

3. School Wide Professional Learning Cycle - Supporting Immigrant students and MLLs in Literacy
-TAll teachers with MLL and/or Immigrant Students will be included in this PLC.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

1. Professional Learning Cycle for ENL Teachers / Dual language teachers- Supporting Immigrant students in Literacy Instruction in native Language
12/1-1/12
Mondays
2:20-4

3. School Wide Professional Learning Cycle - Supporting Immigrant students and MLLs in Literacy
12/1-1/12

Mondays
2:20-4

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

All PD:
- Supporting Immigrant students and MLLs in Literacy
- Unpacking NGLS for literacy
- Unpacking NYSESLAT and Language Acquisition Assessments) (MLS, NYSESLAT)
-Support for native language literacy/ gaps

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

All:
Meghan Sciannameo - Assistant Principal
Appreyndeo LLyendo Staff developrer
Mary Tomac- Assistant Principal
Deborah Vetrano- ENL Coorindator
District 15 Support Team - CJ Giles, Michael Lee

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

Teacher will attend in person and virtual training sign in at each session. Sign in sheets will be maintained in ENL files.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds.
Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

In the 2025-2026 School year , in addition to workshops and Family Nights that are offered to all parents including parents of immigrant students, our ENL/BIL teachers will offer 2 parent workshops specifically to meet the needs of Immigrant families .Workshops will be geared at explaining the academic support offered to Immigrant students and connect families with key resources from community organizations.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

Workshops will be offered during school hours
Data gathered form Family Surveys, Independent Research studies through NYU Langone Child Center, and PTC have reported a interest in learning more about support for academic services for Immigrant families.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

1/12- 8:00-8:45
6/8 8:00-8:45

These session will be no cost to Title III Funds

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

Academic Supports
Connections to Mental Health Services
Support for Kindergarten/Pre-K/Middle School Applications
Safety and Housing support
NYSESLAT Assessments

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

NYU Langone Together Growing Strong, Parent Corp,
Parent Coordinator
ENL/ BIL teaching teams

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

School Messenger, Google classroom, emails, and flyers

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

electronic and online sign in sheet will be stored on google drive.

The entire component of Parent Engagement will be at no cost to Title III Immigration budget.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem	$9,828	2 teachers, 156 hours of instruction, Morning program
Purchased services -High quality staff and curriculum development contracts.	1399	SPIRE/Apprendo LLyendo materials for instructional support
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.
