Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages

- Part C: Parent Communications and Engagement
- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

Dr. Ronald E. McNair

District Borough Number (DBN):

16K005

Grades Served:

3K, PreK – 5th grade & amp; SE 12:1:1

School Address:

820 Hancock Street Brooklyn New York 11233

Phone Number:

718-218-2444

Fax:

718-218-2445

School Contact Person:

Kesha Townsel, A.P.

School Contact Person Email Address:

ktownse@schools.nyc.gov

Principal:

Lena Scarborough Gates

United Federation of Teachers (UFT) Chapter Leader:

Sheree Choy

Parents' Association President:

Kate Jordan

SLT Chairperson:

Daphne Palacio

Title I Parent Advisory Council Chairperson (PAC):

Delroy Williams

Student Representative(s) Middle /High School:

N/A

Student Representative(s) Middle /High School:

N/A

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Lena Gates	Principal or Designee*	
Sheree Choy	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Kate Jordan	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
N/A	District Council 37 (DC 37) Representative (staff), if applicable	
Delroy Williams	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	
N/A	Student Representative (Required for middle and high schools)	
Mr. Tyrannt Gregory	CBO Representative, if applicable	
Daphne Palacio	Member/SLT Chair	
Cindi Van Petten	Member/	
Jaylina Lloyd	Member/	
Cindi Van Petten	Member/	
	Member/	
	Member/

	Member/ Alternate	
	Member/ Alternate	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Dr. Ronald E. McNair/P.S. 5 affirms its central mission that every child has a right to a quality education in a safe and secure environment that reflects high expectations and high academic standards; that literacy is first and the most essential goal; and that every child will succeed in ways that mirror his or her aptitudes; interest and culture. We shall support collaboration among staff, parent, and community groups, to ensure that each child will become a contributing member of his or her community, our nation, and the world of the 21st century. P.S. 5 and its community will focus upon the attainment of the highest levels of academic achievement, interpersonal development, self-actualization, and cultural awareness. We will dedicate our energies towards achieving these results through new generation learning standards driven instruction.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

School is a place where we learn, but most of all, school is a place for fun. We meet our best friends and have great experiences. Our school is an amazing place where teaching and learning is happening. Located in the heart of Bedford Stuyvesant section of Brooklyn, New York, is Dr. Ronald E. McNair/P.S.5, Community School. Our 3K-5 community elementary school has adopted a highly innovative curriculum that encourages our students to explore and flourish while developing new talents.

All class sizes remain at a reduced number well below the ratio. Students are able to develop a deeper conceptual understanding of communication, social-emotional, critical thinking, research and self-management skills through assessment and targeted differentiation. Special needs are supported through various services. Learning is built on making connections from prior experiences to make learning meaningful and lasting.

Important to our curriculum is the belief in making sure students are successful in an increasingly global world. Students learn through themes that have a global relevance and require students to think critically about real-world problems and situations. The Leader-In-Me initiative, character development and leadership training, holds equal importance to academic development, with students taught to be caring, and knowledgeable about leadership taking it into meaningful action within their communities. In addition, students are equipped with important global skills, science, technology usage, foreign languages (French and Mandarin), and financial literacy, instrumental music, art, dance, gardening, and aviation.

Dr. Ronald E. McNair Community School is home to 21st century technology, complete with two computer labs, one to one laptop program, state-of-the-art STEM lab, one to one iPad program, and Promethean Boards in all classrooms. We are recipients of the CS4ALL technology program for all students. The Robin Hood Library is equipped with a circulation process for students and families, technology programs and e-book programs. P.S. 5

has opened the Dr. Ronald E. McNair/P.S. 5 Aviation Center in collaboration with American Airlines. There is a French Dual Language program for students in PreK - 2nd grade. An additional grade will be added every year. Students in grades 2-5 receive instruction in Mandarin.

The large garden space in the school courtyard provides additional learning opportunities for all students. This environmental project is at the forefront of student, healthy eating projects and support to food insecurity in the community. The Urban Farmers are working on an artificial intelligence project for the garden program. The many collaborations and partnerships continue to support garden project, school mission and philosophy.

In addition to our school programs, mission and philosophy, we believe in the necessity of having an experienced and dedicated staff of educators who can take our vision and turn it into tangible outcomes within each student. Our staff comes from diverse backgrounds. All permanent teachers are NY State Certified. We employ teachers with specialties such as French teachers for the dual language program and special education teachers for students with special needs.

Dr. Ronald E. McNair Community School is the winner of the 2017 School Change Award sponsored by the National Principal' Leadership Institute. We are also proud winners of the "Fuel My School" award sponsored by WPIX, Channel 11.

Dr. Ronald E. McNair Community School is implementing the school-wide enrichment model for all students. Students in grades 3-5 will receive an additional math program designed for gifted students to enhance the math curriculum.

The first American Airlines Training Center is developed at Dr. Ronald E. McNair Community School to address careers options in the field of aviation.
instruction.

Briefly summarize the key initiatives your school will implement this school year.

Dr. Ronald E. Mc Nair/P.S. 5 will implement a shared ELA and math curriculum, a refined MTSS plan and enhanced college and career readiness programs to continue to improve academic outcomes. Additionally, the school will implement leadership practices from the RELAY program to improve teaching and learning.

Dr. Ronald E. McNair/P.S. 5 is a school that gives students access to career opportunities. American Airlines sponsors the Dr. Ronald E. McNair Aviation Center that gives students opportunities to learn about the careers in aviation. Pilots and airline staff are mentors to the students. The students engage working environment in the Student-Run Bookstore. This program teaches financial literacy, entrepreneurship, and business. The garden program gives students the opportunity to connect to farmers in Kenya, Liberia, Australia, France, and Jamaica. Student engage with farmers to share their research project, finding different ways to plant so that the levels of carbon dioxide is reduced. Students monitor soils and air quality through the use of sensors.

The Donnie McClurkin Music studio gives students the opportunity to work in the field of engineering. Students will be able to record local artists and provide podcast programs that will enhance academics. Brooklyn Boat works gave the students an opportunity to build their own sailboat which was launched at Brooklyn Bridge in June. Brooklyn Arts Council provides instruction in instrumental music. Students engage in an HBCU marching band gives students a rich experience in music.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	HMH Into Reading	N/A
Foundational Literacy	K-2	Fundations	
Math	K-5	Envisions Math	N/A
			N/A

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
The data trends have revealed that 40% of students in grades 3-5 demonstrated difficulty with NGSS in the area key details and writing. The Acadience screeners demonstrated that 60% of students have difficulty with retelling stories. New York State English Language Arts Assessment, Instructional Report 2024-2025, Acadience, IReady	Teacher monitoring ELA data geared toward students who are on grade level instead of students who are below grade level.	There is a need to establish a schoolwide protocol for collecting immediate, on demand data for literacy in grades K5.
The data trends demonstrate that students in grades K-5 made minimal gains on the Acadience and IReady screeners that assess literacy skill. New York State English Language	The inter-visitation system needs a protocol that will enable teachers to have	There is a need to establish an intervisitation

Arts Assessment Practice, Instructional Report 2024- 2025, Acadience, IReady-Add quantitative data	immediate written feedback for improvement	professional development system to develop rigor in literacy instruction.
The data trends reveal that over 60% of students are not able to make significant improvement in reading/writing standards on the NY State ELA assessment. New York State English Language Arts Assessment Practice, Instructional Reports 2023 - 2024	The school data calendar demonstrates the dates for administering assessment. The school calendar does not provide a schedule for analyzing and interventions.	There is a need to create a schoolwide assessment calendar that will address the time frame for intervention in literacy.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	70%	By June, 2026, literacy for all students will improve, as measured by a 10% Increase, from 70% to 80%, of 80% of students will meet proficiency in ELA on the schoolwide assessments .

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

The school-wide assessment tool will be used to monitor student progress for reading comprehension and writing.

Enter a Key Performance Indicator

Students in grades 3-5 will achieve at least 80% proficiency on the school-wide ELA assessments.

Baseline:

The student baseline data will come from the September 2025 school-wide assessment.

Enter the date for the baseline data:

September 30, 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Edmentum Individual Student Reports

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Resources

Schedule Adjustments

Other Resources Needed

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
The data demonstrates that there is a 30% increase in students that are receiving services from the school-based guidance counselor. Leader In Me Climate Culture Survey, Data from school SBST, Data from Guidance Counselor	Inconsistent use of initiatives purchased to improve school climate. Capturing and Analyzing Meaningful Data is sporadic	There is a need to provide students with a daily tools to collect thoughts and feelings that will assist the guidance team with programming to address identified student needs.
The data demonstrates that there is a need for additional training for teachers in the area of social -emotional learning from the Leader in Me program and other professional development consultants. .	There are new teachers joining the staff yearly that have not been formally introduced to the social- emotional learning program.	There is a need to increase the Leader In Me teacher development so that the social-emotional instruction is embedded in the instructional day.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	76%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 10% Increase, in 76% - 86% from 76% to 86%, per the the Leader in Me School Climate Survey.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

The school will use the Leader In Me Survey Tool.

Enter a Key Performance Indicator

Students will complete the Leader In Me Survey demonstrating that 80% of students in P.S. 5 feel safe and emotionally secure.

Baseline:

Baseline data will come come the beginning of the year climate assessment.

Enter the date for the baseline data:

October 3, 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Resources

Schedule Adjustments

Other Resources Needed

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
The data trend demonstrates that students in grades K-5 math scores are below 40% for the past three years.	Immediate data that demonstrates areas of concern in math, needs to be increased in all classrooms. There are no protocols present that provide teachers with immediate data after individual lesson.	There is a need to establish a schoolwide protocol, the Lap, to address the gap in constructed response math problems.
The data demonstrates that students in grades 3-5 have scored below 50% on the school-wide math assessments.	The data demonstrates that all math pedagogy needs to be addressed in grades 3-5 to assist students with math problem solving activities. Weekly data team meetings will concentrate on teacher pedagogy.	There is a need to provide professional learning opportunities to build teacher math pedagogy.

The data demonstrates that students did not meet proficiency in the entire topic on the NYS math assessment.	The data demonstrates that there were math standards that were not addressed prior to the NYS math assessment. Weekly planning meetings will become a part of the weekly teacher data tem meetings.	There is a need to provide support for teacher planning of math standards.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	70%	Dr. Ronald E. McNair/P.S. 5 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the 80% will Increase by 10% from 70% to 80%, for All Students, as measured by school-wide assessments.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

School-wide math assessments will be the tool to measure student progress.

Enter a Key Performance Indicator

The performance indicator will be the number of students that score above the 80th percentile on the school-wide assessment.

Baseline:

The beginning of the year school-wide math assessment will be used as the baseline assessment.

Enter the date for the baseline data:

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

of the year 2023 report.	practices.	Academic Experience
Acadience. MOSEL, State Assessments, and i-Ready end of the year 2023 report.	Students still need more exposure to different opportunities of interest.	All students prepared to be college and career ready

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	60%	<School Name> will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the 10% increase on Acadience and Edmentum ELA and math assessments for All Students will Increase by 10 from 60% to 70% as measured by Acadience, Edmentum and schoolwide assessments.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. 3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
The data trend demonstrates that 20% of the parents attend	Most parent meetings and workshops take place at the end of the school day. There is little follow-up from parent	There is a need to increase the parent participation by creating

workshops and other school based activities.	activities that will take parents to the next step.	surveys that identify parent interests.
The data trend demonstrates that 40% of the students achieved grade level scores on the acadience screeners in June 2024.	Several students began the school year several grades behind according to the acadience screener	There is a need to increase the number of students in grades K-2 that meet grade level by the end of June 2025 on the acadience screener.
The data demonstrates that several students are classified as chronically absent.	The school attendance team's systems have little accountability measures.	There is a need to increase student attendance from 89% to 93%.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	70%	<School Name> will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the 70% of parents attending parent meetings will Increase by 10 from 70% to 80 as measured by Parent Teacher Conference and Parent school wide events attendance sheets.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Attendance Sheets from parent meetings and workshops will be used to measure parental involvement.

Enter a Key Performance Indicator

Attendance sheets from last school year will be the indicator for improvement.

Baseline:

The attendance sheets from school year 2024-2025 will be the baseline.

Enter the date for the baseline data:

June 20, 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2024-2025 End of Year Insight Attendance Rate is 89%. 2024-2024 End of Year Insight Chronic Absenteeism Rate is 24%.	The Attendance Team will create and maintain routines for collecting and monitoring school- wide attendance. There is a need to increase at- risk and chronic absenteeism data meetings to follow trends. Student outcomes and attendance initiatives are not readily available for sharing with school and community stakeholders. There is little opportunity for team members to engage in solving chronic absenteeism issues. Attendance Team communication with Teacher Teams and parents need improvement.	Need for systems, structures and practices to monitor and respond to attendance concerns.
2024-2025 End	There is a need for the attendance team to continue to hold weekly meetings	Need for

of Year Insight Attendance Rate is 89%. 2024-2024 End of Year Insight Chronic Absenteeism Rate is 24%.	with the District attendance support team to utilize their expertise and obtain additional support to properly analyze school-wide attendance and at- risk absenteeism intervention campaigns.	systems, structures and practices to monitor and respond to attendance concerns.
2024-2025 End of Year Insight Attendance Rate is 89%. 2024-2024 End of Year Insight Chronic Absenteeism Rate is 24%.	There is a need to address the number of students that have been identified as chronically absent and provide supports early in the school year.	There is a need to address chronic absenteeism.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	44%	By June, 2026, the Chronic Absenteeism Rate for All Students will increase by 10%, from 44% to 34%, as measured by the Chronic Absenteeism Reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
There are 45% of student IEP's that are in need of revisions after teacher preparation.	The case load of the formal special education team impacts evaluating and writing student IEPs which	IEP Development and Fidelity of Implementation

	may have caused the statements made on the document to be outdated or incorrect.	
According to the NYS ELA assessment, there was only 5% of students with IEP's that met proficiency.	The absence of a common planning period for special education teachers may have resulted in inconsistent planning for individual student needs.	Transition Planning and Compliance
According to SESIS, less than 3% of students, some of which are new students at PS5 have an initial evaluation pending.	Admin, teachers, and the special education team need time to research and rule out all current and past interventions prior to referral initiation.	Referral Process and Equity
According to SESIS, 45% of students with a BIP have a monthly or bi weekly progress monitoring meeting conducted by the special education team and support staff.	The special education team, and support staff determine the schedule for students based on high level interventions that are out in place which have resulted in inconsistent planning and meetings for other students.	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Instructional Resources

Schedule Adjustments

Other Resources Needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	School-wide Assessments, Teacher Recommendation	Push-In	Small Group and One-to-One	During School	Yes
Tier 3	School-wide Assessment and Teacher Recommendation	Pull-Out	Small Group and One-to-One	During School and After School	Yes
Tier 2	School-wide Assessment and Teacher Recommendation	After-School Progrram	Small Group and One-to-One	After-School Program	Yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Teacher Recommendation	Leader In Me Initiative-	Small Groups	During School Hours	Yes
Tier 2	Teacher Recommendation	Restorative Practices/Pull Out	Small Groups	During School Hours	Yes
Tier 3	Teacher Recommendation	Guidance Interventions	Small Groups and One to One Services	During and After-School Hours	Yes

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

The school will encourage school-level parent and family engagement by:
• hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
• encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Paren/tTeacher Association) and Title I Parent Advisory Council;
• supporting or hosting Family Day events;
• establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
• encouraging more parents to become trained school volunteers;
• providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
• developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
• providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

The school will attend cycles of visits that will demonstrate the services students are receiving. Parents will receive monthly progress reports. The student report cards will also demonstrate the additional support progress.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Parents are invited to a meeting with support staff to view student work and teacher information. Parents are invited to visit the classrooms to observe their child in the academic environment.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

There are 37 students in temporary housing attending Dr. Ronald E. McNair/P.S. 5.

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

We have noticed that there is a large number of students in temporary housing that are in transition often. There is very little stability. It is extremely hard to make students feel safe and a part of the school family. We have also noticed that there is a need for additional mental health supports.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Students classified as STH receive basic academic materials to support learning needs. A school supply pantry has been developed to address these needs. Student can visit the pantry to retrieve any academic materials needed.

Extended school hours assist with academic and social emotional support. Student attend the school-based after-school program or the community-based after-school program.

There is an on site counselor who provides service for students.

Intervention programs are set up during the school day and the after -school program to address student needs.

The purchase of the Leader -In-Me provides additional social-emotional support for students.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

There is currently 2 students in the foster care system. The community schools component of the school provides social emotional assistance through weekly visits. There is an additional social worker that is available three days a week to assist students. The school guidance counselor is available to assist students.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

The targeted supports include daily check in meetings with the school guidance counselor. Students needs, academically and emotionally, are tracked through the school-wide tracking system. Dat meetings with teachers ensure students are receiving the necessary supports.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

Students have been coming to school daily. Afterschool programs and activities have been increased to provide support to students and families.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

There is a social emotional learning program and social emotional instructor has been put in place to meet the needs of students. Students receive additional services once a week with Risboro and three days a week with the on site social worker.

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

There will be an additional lunchtime intervention program developed to provide students with more academic supports. Students in tier 2 will work in small groups with classroom teachers.

A Saturday virtual program will support small groups of students that fall into tier 3 for intervention.

The school-based support team will review student data and student needs to provide additional services to support academic and social-emotional needs.

parent programs will be developed on Saturday and after-school to provide parents with additional assistance to support student needs.

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

The lunchtime intervention program will provide intervention 5 days a week for 50 minutes by the classroom teacher and 30 minutes for early childhood students, Five days a week. A certified teacher will provide after-school and Saturday interventions. The budget will reflect per session payment for teachers working with small groups of students.

The community school's budget will assist the school in provide additional funding to support ELT instruction for certified teachers.

All service providers will schedule students during the school day so that ELT instruction is delivered by a NYS certified teacher.

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

The lunchtime intervention program will provide intervention 5 days a week for 50 minutes by the classroom teacher and 30 minutes for early childhood students, Five days a week. A certified teacher will provide after-school and Saturday interventions. The budget will reflect per session payment for teachers working with small groups of students.

Teachers will use data derived form classroom instruction, the required instructional materials, and standards-based materials to support ELT instruction with the core academic subjects during the school day.

Provide a description of the materials purchased to support implementation of ELT.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. Dr. Ronald E. McNair/P.S. 5, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

Dr. Ronald E. McNair Public School 5 will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

Dr. Ronald E. McNair Public School 5, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- Monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- Ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- Check and assist my child in completing homework tasks, when necessary;
- Read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- Set limits to the amount of time my child watches television or plays video games;
- Promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- Encourage my child to follow school rules and regulations and discuss this Compact with my child;
- Volunteer in my child's school or assist from my home as time permits;
- Participate, as appropriate, in the decisions relating to my child's education;
- Communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- Respond to surveys, feedback forms and notices when requested;
- Become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- Participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- Take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- Share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I School- Wide Projects

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Teachers engage in 100 hours professional learning. Schedules are created to assist teachers with grade and team meeting to continue with the professional learning model created by the school Instructional leadership Team.

Consultants are hired to assist teachers with professional learning. NTN, Open Court, Wit and Wisdom, IReady, ilearn, Instructional Feedback, Diversity, Writing, Technology, Feedback, Envision Alignment to Standards, are some of the professional learning activities.

The Instructional Leadership Team is in place to support teachers with curriculum, assessment, special education, early childhood needs. The team meets regularly within their groups. They collaborate with the Instructional Team Leader who monitors and guides the team progress.

Paraprofessionals attend all professional activities with teachers. The assistant principal provides additional professional learning for paraprofessionals. the district and network also provides support.

Administrators engage in monthly learning activities on a district level. Additional professional learning activities are also done by administrators.

Administrators and teachers engage in online professional activities, such as Making Thinking Visible from Harvard University, to support teaching ang learning.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

We currently utilize the NYCDOE's interdisciplinary units of study as the aligned curriculum for our 3k & Pk grades. The curriculum is compised of Units with seven components.Essential Question This is a child-friendly question that connects the knowledge and skills that children will likely develop throughout the unit. Focus Questions These represent the major inquiries of the unit. They build over time and require children to make connections across all content areas. Each focus question is designed to take about one week to explore. These are key components of each Pre-K for All Unit of Study. Foundational Learning Experiences These are experiences (e.g., large group, small group lessons, field trips, observations, center activities) for each subtopic that provide ample opportunities to deepen children’s understanding of the Focus Questions. Foundational Texts PK.ELAL.9 [PKR.5] Interacts with a variety of genres (e.g., storybooks, poems, songs) These are a combination of literary and informational texts that can be read throughout the unit. See Section VI for text-based critical thinking questions to support the read aloud experience. Engaging, informative, and literary texts provide opportunities for exploring content, expressing ideas using one’s imagination, and critical thinking that are enhanced through multiple readings of the same book. Reading books multiple times helps all children build a deeper understanding of content, make meaningful connections between content and other concepts or experiences and builds their confidence as learners and as future readers. Key Vocabulary These are academic vocabulary words that help children understand the unit focus questions and access complex texts. These words can be supplemented by vocabulary in read alouds. Family and Community Engagement These are ideas for inviting families to share their experience and knowledge with the class, or for extending learning outside of the classroom. They are aligned to the NYC DOE Division of Early Childhood Education Early Childhood Framework for Quality (EFQ). See Section IX: Supporting Resources for more information about Family Engagement Practices. Culminating Celebration This is an opportunity to reflect on the unit with the children, as well as to note and celebrate the growth and learning that has occurred.

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal			
Title I, School Improvement 1003(a)	Federal			
Title II, Part A	Federal	92,254		
Title III, Part A	Federal	0	x	
Title III, Immigrant	Federal			
Title IV, Part A	Federal			
Tax Levy (Fair Student	Local			

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
Pathways 2 Leadership	All students		

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

P2L envisions the Community School Director as a thought-partner who sustains and builds upon existing programs while bringing in fresh ideas and partnerships. The collaboration is guided by the Asset and Needs Assessment Tool for Collaborative Planning (A&N) which will be completed by December 2023. In advance, an informal assessment will begin with a thorough review of existing data including results from the past three years of the NYCDOE's Learning Environment Survey as well as attendance and academic trends. In addition, we will ask school leadership to outline the efficacy of existing community school strategies and visions for the future.

The CSD will be an active member and contributor to standing committees such as the SEL Team, Budget Committee, and the School Compliance Teams, and will liaise with the Parent Association. As attendance improvement is at the heart of the Community School grant, the CSD will lead the Attendance Team, sharing data and strategizing interventions on a weekly basis to improve attendance across the full student body and in targeted subgroups. Data will be pulled from Insight and the New Visions DataSorter.

In addition to Attendance, School Culture and Climate is a top priority for the CSD and the Community School initiative. Through weekly meetings with the Principal, Parent Coordinator, and regular interactions with students and other CBO partners, the CSD will outline a monthly events calendar to increase opportunities for engagement and celebration. Utilizing and reaffirming the pillars from Leader In Me, the school-wide enrichment program, each month of the 2023-2024 school year will have a Social-Emotional theme. The CSD will further grow existing school programming through various initiatives such as program and event planning, acquisition of resources, creating relevant workshops, offering professional development for teachers and staff, creating and distributing surveys, and building relationships with compatible CBOs and stakeholders. Beyond maintaining and streamlining pre-existing programming, the CSD will also formulate new partnerships with the intention of creating diverse and dynamic programming that reaffirms and motivates growth and development for all students.
PS 5 leadership has been incredibly successful in creating unique opportunities for its students through strategic partnerships and programs created in response to students' interest. Some of these projects include the student-run school bookstore, the garden, the cheerleading team, the culinary program and the aviation program which has just been underwritten by American Airlines. An explicit priority for the CSD is to carry these programs forward, creating sustainability along the way.
Through the Community School Forum and various other communication venues such as Parent Teacher Night and school events, the CSD will share information on school services and community resources, data on school outcomes and progress towards school improvement, as well as solicit input, feedback, and involvement from all members of the school community.

Finally, all Community School-related initiatives are finalized through the Collaborative Planning Meetings, which ensure that the budget is being spent efficiently and effectively and that all programs support Dr. Ronald E. McNair/P.S. 5's summative goals.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to

participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

Dr. Ronald E. McNair/ P.S. 5, with the support of P2L and its other partners, will welcome and empower families to participate, collaborate and take a leadership role in the school community by intentional outreach that emphasizes positivity and achievement; connecting families to community resources and services; and providing families with opportunities to engage with the larger school community. Information obtained through the Assets & Needs Assessment, past Community School Forums and surveys will inform family and community engagement strategies. A specific goal for the 2023-2024 school year is to build a parent volunteer team to maintain the garden, create lunchtime activities, and assist with homework help during ELT.

The parent coordinator plays an integral role in communicating with families and managing monthly SLT and PA meetings. In conjunction with the CSD, the parent coordinator will create an events calendar focused on family engagement. Events will include student performances, family and parent workshops, awards ceremonies, and the community school forum. One lesson we learned in the last 18 months is that remote engagement options support working families, particularly those with more than one child. P2L will work closely with the parent coordinator to design a multi-pronged parent engagement strategy that includes both in-person and remote options.

Family Workshops
Parents will be offered workshops that build their social capital (e.g. job search, public speaking/facilitation skills), offer opportunities for peer networking (e.g. parent art classes), give them tools for advocating for their children (e.g. Who's Who in My Child's School), and provide information on services and resources available to them. All workshops offered by P2L are interactive, utilize the Experiential Learning Cycle (ELC) to process the information and brainstorm ways to apply it in their own families, and offer opportunities to practice learned skills. A goal of the parent workshop initiative is to build parent capacity by providing them with coaching on presentation and facilitation skills and having them flex those muscles by co-facilitating school-wide events.

Community Wellness
An important community school objective is to remove the obstacles that impede a family's stability without which it is difficult to prioritize attendance and academic achievement. Too often these obstacles are health related and exacerbated by holes in the healthcare system. In response, P2L will support the mental health and wellness of families by organizing events such as a visit from the free Mammogram Bus and weekly food packages sent home with students every Friday. Additionally, the CSD will research and provide referrals to community agencies and outside providers that offer services not provided within the school community, including psychiatric counseling, adult continuing education, and food and housing insecurity. Through these efforts families will be best supported and positioned to become thought partners in our school's decision-making.

Community Services
In addition to bringing outside resources into the school community, the Community School initiative will offer the school as a resource to its neighbors. Guided by the CSD, the community school team will identify opportunities for students to engage in community service through a variety of avenues including volunteering, internships, and events. These initiatives will encourage student voice and leadership while providing a service to the surrounding community.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

ELT activities are prime opportunities for speakers of English as a New Language and neuro-divergent students to stretch their language muscles in a non-judgmental atmosphere while connecting with fellow students around a shared passion. Additionally, ELT activities allow all students to express themselves non-verbally by exploring their athletic, artistic, and communal interests.

P.S. 5 has a robust COMPASS program on site. Community School funds and staff will be used to augment this program with specialized activities such as a Cooking Club that emphasizes Vegan and other healthy cooking practices run by the CSD, a Cheerleading Club run by P2L's Social Worker, and a financial literacy/entrepreneurship program built around the school bookstore. P.S. 5 has developed its own currency that is used as both an attendance and a behavioral incentive. "McNair Bucks" can be used to "purchase" books, toys, and merchandise at the bookstore. The 2023-2024 year will have a special focus on savings and investments that will culminate in a school-wide "shark tank" event, during which students will vote for the next student-run "business" for the CSD to build and roll out.

The P2L ELT lesson structure covers the 5 core areas of SEL and utilize the Experiential Learning Cycle to bring students through an interactive exercise in which they process the experience, their feelings about it, articulate lessons learned, and apply these lessons in their lives. All activities have an objective and aim and are sequenced to build skills in each of these areas. P2L curriculum and front-line staff of professional artists and makers provide diverse activities to ignite the multiple learning styles of students. The afterschool team has been trained in social emotional learning (SEL), asset-based approach to youth development, Growth Mindset, and Healing Centered Engagement, which form the basis of P2L's facilitation and classroom management practices.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

Dr. Ronald E. McNair/P.S. 5 has a strong mental health and wellness support team consisting of a P2L social worker, a guidance counselor, and youth advisors, through its "Leader In Me'' enrichment initiative, who collaborate on how to best build healthy habits and support students' social emotional and academic learning. Partners come together weekly through the attendance, student support, and school leadership teams, as well as the school wellness council to assess the effectiveness of health and wellness interventions for students in need of academic and social emotional support. The CSD will lead school-wide SEL initiatives to normalize conversations around mental health and wellness and to offer practical tools for coping with stress and trauma.

Universal Interventions P2L may provide professional development workshops to school-based and CBO staff in the

areas of Transformative SEL, Classroom Management, and use of the Experiential Learning Cycle. Lastly, regularly scheduled Town Halls provide opportunities for guest speakers and activities related to mental health.

Additional Selective supports include: Regularly scheduled teacher consultations to review data on targeted students' academic and social emotional development and progress; Individualized parent outreach for at-risk and chronically absent students, including development of attendance success plans; Allocation of resources, interventions and supports to maximize attendance goals; Family engagement workshops in areas of such as supporting learning at home, organizational skills, time-management strategies, self-care and mindfulness; P2L collaboration during IEP meetings to support students' academic goals and broker greater partnerships with teachers and parents.

Social-Emotional Learning is the guiding theme for the 2023-2024 school year with specific strategies as described above. P2L has embarked on Conflict Resolution and Restorative Justice training with much of its staff and is committed to continuing this learning. The CSD will connect with outside organizations such as the Restorative Justice Institute, 500 Men in Suits, and the New York Peace Institute to bring this specific knowledge to the Dr. Ronald E. McNair/P.S. 05 community.

The CSD will coordinate with the Office of Community Schools to schedule vision screening and dental services.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for <u>all</u> students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

P.S. 5 celebrates an array of cultural diversity which is accomplished in a plethora of ways. The CSD and parent coordinator collaborate and follow the calendar to create school-wide events honoring diverse holidays from all cultures and ethnicities. Some of these will include Diwali, Black History Month, Cinco de Mayo, etc. These events are organized with the distinct intent of honoring the cultures that already exist within our school community while also introducing new customs and concepts.

Dr. Ronald E. McNair/ P.S. 5, with the support of P2L and its other partners, is committed to offering the same opportunities, support, and representation to the entire student body community. To that end, P.S. 5 offers weekly food bags to every enrolled student in consideration of any possible food insecurities. Additionally, the CSD will be prioritizing building partnerships to create a sustainable food pantry within the school. In the past, hygiene has proven to affect school attendance, in that students without access to clean clothes will simply miss school. P2L will be working with P.S. 5 to create a laundry room in the school specifically to combat some of the complications for our families in temporary housing.

With support from P2L and other CBOs, P.S. 5 offers various support for any of our disabled students. One example of how this is accomplished is annual screenings and/or evaluations (vision, dental, IEP, etc.) Additionally, the CSD and Social Worker organize school assemblies that offer awareness, education, support, and representation on different disabilities with the desire of building community.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Lena Gates
Assistant Principal (Where Applicable)*	Kesha Townsel
English as a New Language (ENL) Teacher*	Wendy Ashton
Teacher (if school has a bilingual program must be a bilingual teacher)*	N/A
Parent/Guardian*	Daphne Palacio
Teacher	Maggette Diop
Parent Coordinator	Waliek Crandall
School Counselor	Sonora Vinson
Related-Service Provider	Angelor Nelzy
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

1

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

1

Number of teachers who hold both content area/common branch and ESOL certification:

0

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

0

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

0

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

184

Total number and percentage (%) of current ELLs:

12

Total number and percentage (%) of former ELLs:

2

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

9

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

3

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

0

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE																	0
DLBE	French Dual Language	French	2019	1	1	1											3
DLBE																	0
				total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

In the stand-alone model instruction is delivered heterogeneously so that students on the same grade travel as a group. The integrated ENL classroom is instructed by a dually certified teacher. Instruction in all content areas are taught.

Integrated ENL:

In the integrated model instruction is delivered heterogeneously in that students with different proficiency levels are in the same class or break out groups within the class.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

In the Dual Language Program student are grouped heterogeneously for instruction in English with stand alone minutes of 180 by the ENL Teacher and integrated minutes of 180 in content area of math with the bilingual teacher.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

As a school we ensure that students are receiving the mandated number of instructional minutes based on their language proficiency levels in the stand-alone and integrated models by aligning their minutes to CR Part 154. STARS is used to ensure that students are receiving their instructional minutes in ENL. Students are programmed in STARS by our assistant principal at the beginning of the school year after NYSITELL and NYSESLAT results are generated and throughout the school year.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

ENL and ELA are delivered with 360 instructional minutes weekly for Entering and Emerging ELLs. While transitioning and Advanced ELLs receive 180 minutes of instructional time and proficient ELLs receive 90 minutes per week as per the mandated hours of CR Part 154. As for the DBLE program instructional minutes of 180 as integrated instruction.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

The Dual language model that is implemented for instruction is the side-by-side model. Most of the instruction is delivered 50/50 in English then in French. We have a two-way DBLE model with instructional time for the targeted language is approximately 25% of the instructional day. English proficient students and ELLs are integrated for the entire instructional day as a roller coaster model.

b. In which language(s) is each core content area taught?

ELA, math, science and social studies are taught in English. During the French instructional time of the day ELA is taught in French.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

Currently 100 percent of ELLs this school year has been Newcomers. Effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs to include vocabulary enrichment with pictures to better foster comprehension and high frequency words to build language fluency.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

N?A

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

N/A

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

%^ of students are former ELLs this school year. Our school provides 90 minutes of mandated ENL instruction based on CR Part 54 requirements.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

After examining all at-risk levels that might adversely affect ELLs at our school the findings indicate a trend pertaining to to low reading levels for students who have IEPs or poor phonemic awareness. Students with excellent or improved attendance shows growth

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

Upon examining all at-risk levels that might adversely affect ELLS at our school we have noticed the following trends struggles with background knowledge that is not culturally knwn to them. As well as lower linguistic skills when compared to their English speaking peers.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The home languages of ELLs with the largest population at our school is Spanish and Arabic. In order to support these home languages there staff who are fluent in Spanish and there are books in the school library as well as online reading programs that support these languages' that are dominant at our school.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The racial and ethnic classifications of ELLs at our school are Hispanic and Middle Eastern students. We are culturally aware of our ELLS diverse backgrounds and involve their cultural and norms into the classroom environment through discussion and responsive instruction.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

After reviewing English Language Proficiency growth at our school we noticed the following trends which includes students motivation to learn the language because of the rich learning environment using different teaching materials and teachers creating a truly learners centered classroom.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

The trends that stand out as a result of the New York State English as a Second Language Achievement Test(NYSESLAT) shows that ELLs with IEPs score lower proficiency levels in Reading and Writing sessions of the NYSELAT than the other two subtest: Listening and Speaking. Also scoring below their non- IEP peers on the same subtests.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

Students' performance on the NYSESLAT and other state assessments such as the ELA assessment and the Math assessment perform at a high level on other state assessments by far.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

The trends reflected in the NYSESLAT results of ELL subgroups such as ELLS with IEP's indicated that ELLs with IEPs struggle to score at a high level in the Reading and Writing sections. Also scoring lower in those sections on the NYSESLAT than their peers who have no IEPs. What could be the impact of these subgroups might be the lack of first language and literacy development as well as different leraning styles.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Our school provides ELLs with a high-quality academic experience through text in their native language and text that are on their reading level in English but with rich content. ELLs are also exposed to rich vocabulary in English across content areas to deepen their academic learning experience.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The school's Instructional Leadership Team considers MLs/ELLs in the school's instructional design by implementing academic vocabualry in the content areas. Reinforcing consistent instuctional practices and appropriate classroom materials for ELL instruction

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Core content in the stand-alone model is delivered through scaffolding content vocabulary through the English language. In the integrated model ELLs received content area instruction in ELA which includes home language support to foster language development and meet the demands of the Next Generation Learning Standards setting the expectations for what students should know and be able to do.
Our Dual Language Program create a balanced and engaging learning environment allowing students to develop proficiency in both their native language and the target language of French.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English

language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

The instructional strategies used are the following: providing language skills across the curriculum. The use productive language skills like listening and speaking with our entering level students. Specifically the use of sentence frames for our newcomers to develop speaking, reading and writing skills. Lessons involve writing, speaking, drawing and listening to give students an opportunity to deepen their understanding of the language. Often students use multilingual videos and google translate to embrace technology for the following subgroups: Entering and Emerging. We also incorporate into the language development, language materials that are in student's native tongue such as read aloud on YouTube or through Unite for Literacy.

b. SIFE

Providing a print rich environment ,activate prior knowledge, hands on learning, limit the extent of new vocabulary, frequent assessment for understanding ensure SIFE students have access to grade level content. Teacher explicitly pre-teach new vocabulary words using various strategies such as visuals and gestures. Demonstrating effective reading strategies like summarizing, visualizing and predicting help bridge gaps in reading comprehension for SIFE students. To build writing skills for SIFE students we allow students to create their own write and illustrate their own stories. To enhance reading skills for SIFE students we introduce new vocabulary words before, during and after reading, using strategies like word walls and context clues.

c. Newcomers

Scaffolding text structure ,print rich environment, hands on learning, content based videos help engage Newcomers with grade level content. Utilizing graphic organizers and sentence frames for writing and incorporate visual aids lie pictures, diagrams and charts to support comprehension. Allow students to write in their native language and read text in their native language or with audiobooks in their home language.

d. Long Term ELLs

Front loading vocabulary, sentence frames and feedback in writing ensure that Long Term ELLs have access to engage with grade level content. One strategy our school implements for support of Long Term ELLs in reading by creating a safe place for students to read to each other in small groups to build reading fluency. In regards to building writing skills for Long Term ELLs we graphic organizers and provide model text to support our Long Term ELLs in writing.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

Our schools uses curricular, instructional strategies that include emphasizing productive language skills with repeating the instructional materials in various ways enabling ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment. Scheduling flexibility allows students more time to understand the content materials with having extra time as needed for extensive instruction throughout the school day.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

In the ENL program model home language support is assessed and delivered using informal assessments using performance based assessment and portfolios through ongoing assessment by the teacher and the student. Home language is assessed with informal and formal assessments in the target language and English including conversations, group work and individual assignments.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Weekly teacher grade meetings allow for supportive co-teaching and collaboration among teachers for integrated co-teaching and for Dual Language Bilingual Education teacher partnerships. Our school community email also allows for teachers of ELLs to share and communicate with each other on instructional partnership that will be useful to ELL instruction.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Our overall annual professional learning plan ensures that all staff including administrators, teachers and non-pedagogical staff receive professional development training from the Borough office incorporating learning specifically related to the academic and social emotional needs of ELLs. Some professional learning topics available to teachers throughout the year from the city includes Culturally Responsive Teaching and differentiated instruction strategies to meet the diverse academic and social emotional needs of ELLs in the classroom.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

There is ongoing training offered by the city's borough office for professional development trainings for 15% for all certified faculty throughout the school year and 50% of total hours for ENL teachers on a monthly basis while

certified faculty are offered professional development throughout the school year in various opportunities.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Our school uses IReady, and Acadience as screening assessments for our students. These screening assessments help guide instructional planning for our ELLs by using the data to implement strategies in areas where our ELLs are struggling or below the grade level. Both screeners allow for targeted instruction in the areas where our ELLs need specific academic growth.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

For our Newcomers we utilize online ELA and Math resources such as iReady , Sora, Teaching Books in English and their native language to target areas where ELLs are not yet proficient. Our intervention programs include Sound Partners and

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Our school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS) to assess and learn about our various learning communities. We review student's progress based on quantitative and qualitative data from academic, physical, social-emotional, and mental health to inform instructional and social emotional planning. This assessment is conducted at the beginning, middle and end of the school year. These systems help serve the unique needs of our diverse learners in our school community. Promoting the understanding that cultures and languages of our MLS and ELLs are a valuable asset to our learning community.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Periodic assessments in Pearson Schoolnet, Mosuls and teacher-created assessments are used to inform and drive rigorous instruction.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

ELLs are appropriately evaluated in their home language throughout the year through performance based assessments. Oral reports in their native tongue as well as written reports in their first language then translated into English help evaluate ELLs in their home language.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

Summative assessments such as the NYSESLAT, ELA and Math assesments are used to evaluate the effectiveness of our ELL programs so that the instruction for ELLs is geared towards building the subtest areas they are struggling to master in the NYSESLAT. As well in ELA and Math assessments the instruction is guided to build on areas of deficency and to make the curriculum more engage in those areas of lack.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

The NYSESLAT administration is administered by the ELL coordinator and scored by other licensed pedagoue within the school builiding and district.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

N/A

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

To ensure families of newly identified ELLs are provided with the required meetings and are engaged in the meetings. We send home letters in the parents native language. We also conduct the parent orientation with a staff interpreting if necessary and allow parents to watch the parent orientation video in their home language. During the parent orientation parents are informed of the programs offered in the school building which is English as a New Language and Dual Language Bilingual Education. Then parents are given the parent survey and parent selection form to make their choice of bilingual program for their child.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

As a means to support parents of ELLs our ELL Coordinator hold annual individual meeting with parents to discuss the goals of the ENL program, language development needs of their child across all content areas. This meeting allows parents to be involved in their child's academic progress and language growth.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Our school ensure families receive all school communications and document in the language they best understand by using the translation services and over-the-phone interpretation services or bilingual staff member. These resources are also available for families to respond or initiate communications in languages other than English.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Our School Guidance Counselor , Parent Coordinator along with our PTA president ensure that there are activities that foster empowerment for families of ML/ELLs. Such activities include cooking, dressing up to create a welcoming environment by incorporating the cultural traditions of ELL families into the school community. Parents of ELLs are encouraged to visit the classroom, volunteer, read or speak to the class.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Families of MLs/ELLs are aware of family leadership opportunities within the school such a the Parent Association through letters, notices on Class Dojo and brochures distributed to all parents.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

We host a bi- weekly session for each class to work with outside counselors who come into our building to teach students how to be culturally respectful to the cultures of others in the school community. We also use the over-the-phone interpretation services and bilingual staff to ensure we meet the linguistic needs of our school community.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

At our school we implement regular constructive feedback to our ML/ELLs which allows our educators to better understand each student's learning needs and progress. We also incorporate peer feedback and allow students to asses their own classwork. Involving students in the assessment process empowers them to take ownership of their learning. By implementing these strategies we can significantly contribute to creating a nurturing and inclusive learning environment where ELLs/MLLs have the opportunity to succeed academically and socially.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Kesha Townsel, Assistant Principal
Wendy Ashton, ELL Coordinator

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Upon entering our school community our ELL Identification includes determine if the student is new to the New York City school system and if they are then completion of the HLIS form, next determine NYSITELL eligibility by a licensed pedagogue and interview by such pedagogue then administration of the NYSITELL if determined to be an ELL next step notifying parents with parent notification letters. Followed by parent orientation and placement of ELL student into program of parent's choice. All of these steps are enforced by the ELL Coordinator during a specific time of day.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Wendy	Ashton	ELLCoordinator/ LAC	10/30/2024	

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Student Emergency Contact cards

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	3	1.20%	3	1.21%		
BENGALI (BANGLA IN BANGLADESH)	0	0.00%	1	0.40%		
FRENCH	2	0.80%	4	1.61%		
MOSSI (MOORE/MORE)	2	0.80%	2	0.81%		
ENGLISH	220	88.00%	214	86.29%		
SPANISH	23	9.20%	24	9.68%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Parent flyers, parent letters, IEPs	We plan on ensuring that parent flyers, parent letters and IEPs are sent out to the translation unit in a timely manner so they can be delivered to parents

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

Parent workshops, PTCs, Annual ELL Parent Meetings	A qualified staff will be in place, or the interpretation unit will be used to ensure timely access to interpretation for parents.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

For parents who speak a language other than English our school will utilize a staff member who speaks the parents' preferred language or the interpretation hot line in the event of an emergency.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Staff members will be allowed time during professional development to complete the required asynchronous NYPCS Access Training to become familiar with the how to provide translation and interpretation of critical communications with parents. The LAC will also share by email as well as orally to staff members language access resources and any updates.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Our school will inform parents about their available language assistance services in their preferred language using translated signage and messaging applications in their preferred language.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

We will also gather feedback from parents regarding the language assistance services they receive in their preferred language through surveys during the PTA meetings

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

We are improving our language assistance services by utilizing qualified interpreters and translators. For further improvements in the upcoming school year, we focus on a comprehensive language access plan and ensure accessible communication channels and continue monitoring and updating the plan.
