Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

P.S. 189 The Bilingual Center

District Borough Number (DBN):

17K189

Grades Served:

Kindergarten to Eighth grade

School Address:

1100 East New York Avenue, Brooklyn NY 11212

Phone Number:

(718) 756-0210

Fax:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Janet Gil	Principal or Designee*	
Ketsia Aristhene	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Rebecca Jacques	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Mary Smith	District Council 37 (DC 37) Representative (staff), if applicable	
Katrina Gatling	Title I Parent Advisory Council Chairperson (or alternate)	
n/a	Student Representative (Required for middle and high schools)	
n/a	Student Representative (Required for middle and high schools)	
Lydia Tomasi	CBO Representative, if applicable	
Joan Lazar	Staff Member/Teacher	
Djenabou Kouame	Staff Member//Teacher	
Jeanne Rosenbaum	Staff Member/Teacher	
Gabrielle Miller	PTA Vice-President/PTA SLT Elected Parent/Parent	
Sandra Jeremiah	PTA SLT Elected Parent/PTA Treasurer/Parent	
Tabitha Davis	PTA SLT Elected Parent/Parent/Title I Parent Advisory Council Alternate	
Nene Sangare	PTA SLT Elected Parent/Parent	
Aminata Traore	CBO Representative	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

At Public School 189 - The Bilingual Center, we are committed to develop students who achieve the highest educational standards; students who are fluent in two languages; problem solvers; critical thinkers; and students who will be active participants in the life of their family, their community, their city, their state, their country and the greater society, the world.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P. S. 189 The Bilingual Center is a K-8 grade school located in an inner city neighborhood in Brooklyn, New York. It is housed in a five-story building that has undergone major renovations including a newly constructed gymnasium. The school has a large Afro-American, Caribbean, Asian, Arabic and Hispanic population. According to the latest available ethnic data, 69.2% of the student population is Black, 24.8% is Hispanic, and approximately 5.7% of our remaining students are of Arabic, and Chinese ethnicity. Approximately 5% of our families are recent immigrants, mostly from Haiti and the Dominican Republic. 3.8% percent of our students live in temporary housing, and 90.2% are economically disadvantaged. Student attendance rate is 92.8%.

In order to fulfill its mission "to produce students who achieve the highest educational standards; students who are fluent in two languages; problem solvers; critical thinkers; and students who will be active participants in the life of their family, their community, their city, their state, their country and the greater society, the world " the school has implemented the following strategies:

· There are four classes in K-5 while in grades 6 through grades 48 there are five classes. In each grade there is 1 or 2 monolingual classes, 1 Dual Language Spanish, and 1 Dual Language Haitian- Creole, i, 1 ICT monolingual, 1 Stellar/Gifted, 1 Dual Language -Spanish, and 1 Dual Language -Haitian Creole; in grades 7-8: 2 monolingual, 1 Stellar/Gifted, 1 Bilingual-Spanish, and 1 Bilingual-Haitian Creole.) A freestanding ENL program services English Language Learners (ELL) who are not in the Dual Language program.
· Students at the elementary level (K-6th) receive instruction in self-contained classrooms that utilize specialty area teachers to enrich the curriculum. Students in the Middle School (7th -8th) receive instruction in a departmentalized setting with specialty teachers in all major subject areas.
· Homeroom teachers of grades 1st to 6th usually loop with their students for two years. In the middle school (grades 7th and 8th) ELA, math and science teachers loop for a two year cycle as well.
· Foreign language instruction in Spanish, French or Haitian Creole is implemented across all grades and classes. Latin is taught to all students, in grades 5th and 6th, including ELL and Special Education.
· In all grades, the ELA curriculum is supplemented with Core Knowledge, Expeditionary Learning (EL), Junior Great Books (JGB) and the American Reading Company's 100 Book Challenge Independent Reading Program.

· A technology lab and computer carts on each floor provide students and teachers with opportunities to infuse technology in teaching and learning. Approximately 31 classrooms have Smart Boards.
· Eighth graders are offered advanced courses leading to New York State Regents and Foreign Language Proficiency exams in English, Algebra, Earth Science, Biology, Spanish, and French.
· Currently, P.S. 189 works with several organizations / partners: Haiti Cultural Exchange provides, through a grant from Extended School Day Violence Prevention(ESD/VP) a STEM and ARTS after-school program for students in grades 3 through five; Haitian American United for Progress (HAUP) provides an after-school program for students in grades 6 to 8; The Boys and Girl Scouts of America provide character education and recreation activities for our lower elementary students; The Brooklyn Children Museum provides after-school enrichment activities for students in grades K-5; AVID, provides professional development aimed at developing a college-going culture school wide; the Technical Assistance Center on Disproportionality (TAC-D), assists us to develop programs and behavioral supports for students from vulnerable populations. During academic year 2021-2022, Franklin Covey will provide continuing professional development to fully implement the Leader in Me, a school-wide transformation process that teaches leadership and life skills to students and creates a culture of student empowerment based on the idea that every child can be a leader.

The school has not had a Quality Review in a few years, but on our most recent 2016-2017 Special Education Quality Assurance Special Education Programs and Services Review, which was conducted by the State in February and March 2017, the reviewers found that there were adequate opportunities for SWDs to participate in academic activities. All providers are given opportunities to review students' IEPs and to collaborate with their homeroom and ICT teachers in the designing of their academic programs and plans. Parents are afforded access to their children's records records at their request, and amendments made at no cost to the parent. Lastly it was found that the maximum class size for SWDs was met.

Among the priority areas that were identified in the Special Education review were the need to improve rigorous instruction and the supportive environment to ensure that instructional and planning strategies meet the needs of all students, by specifically focusing on is improving the quality of Individualized education plans to include specific information about students relative to their present levels of performance (PLOP) to include students ELLS status and specific ELL needs in (IEPs) for SWDs. additionally each IEP annual goal needs to be revised to include evaluative criteria, evaluation procedures, and schedules to be used to monitor students' progress toward achieving their goals. Lastly, reviewers stated that we must improve in the timely implementation and progress monitoring of students' IEP, relative to frequency, duration and intensity.

The Framework for Great Schools Survey 2017-2018 indicates that our strengths lie in the area listed below:

Framework Measures School Score District Average Score Citywide Average Score
Rigorous Instruction 4.13/5 + 0.59/5 + 0.49/5
Collaborative Teachers 4.59/5 +1.03/5 +0.96/5
Effective School Leadership 4.29/5 .74/5 .77/5
Strong Family Community Ties 2.70/5 -0.88/5 -0.88/5
Trust 3.88 +0.30/5 + 0.34/5

In an attempt to continue the improvement in Math and ELA scores the activities below will be implemented and expanded:
(1) Enhance and strengthen an even stronger family and community ties by:
(a) Improving parents participation in workshops
(b) Improving communications with parent via home-school folders, Online monitoring tolls.
(c) Intensify and refine strategies the use of data to drive instruction and assessment.
Finally, a review of the school's most recent ELA and Math State exam results revealed that the school made gains in ELA for all students, as the number of students achieving proficiency rose from 53.9% in 2017 to 60.2% in 2018. Additionally, the performance of all students on the math exam rose from 52.5% in 2017 to 56.7% in 2018. Despite our gains of 6% and 4 % in ELA and math respectively the school still needs to intensively focus on leadership and

pedagogical practices by improving the quality of math and English Language Arts instruction and academic intervention services for students this school year, to ensure that all students gain proficiency in literacy and numeracy.

Briefly summarize the key initiatives your school will implement this school year.

The school will be using 'Parent Square' - a school-family communication app that allows 24/7 family outreach.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-2	HMH	PRINT & ONLINE
ELA	3-8	EXPEDITIONARY LEARNING	PRINT & ONLINE
MATH	K-5	ENVISION MATH 2.0	PRINT & ONLINE
MATH	6-8	AMPLIFY DESMOS	PRINT & ONLINE

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on the 2025 i-Ready data in Grades 3-8, 37% of students performed at proficiency level. Additionally, based on the MOY assessment indicates that 26% performed on grade level for the January ELA diagnostic.	*Students lack exposure to higher level vocabulary, to navigate a variety of informational texts to assist with overall comprehension. *Students lack consistent exposure to explicit and data based differentiated instruction that meets their academic needs. * Also, exposure to informational texts and consistent teaching strategies or reading skills necessary into analyze and evaluate a text.	Students in grades 3-8 need to have access to explicit vocabulary instruction to develop the necessary skills to comprehend a variety of informational texts. Additionally, students need consistent exposure to a variety of informational texts.
Based on the 2025 Acadience EOY data in	•Lack of explicit and consistent instruction in foundational skills	Students in grades K-2 need foundational skills in order to

grades K-2, 35% of students are reading at or above grade level.		read fluently and comprehend texts. Continued use of fundations and HMH.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	54%	By June, 2026, literacy for All Students will improve, as measured by a 10% Decrease, from 54% to 44%, of percentage of students scoring at tier 3 (Two grade level below) on the Iready Reading Assessment. .

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	34	By June 2026, physical and mental wellness for All Students, will improve, as measured by a 3 percentage point decrease, from 34% to 31% , in the number of Chronically absent students as per ATS data.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement school-wide incentives to encourage strong student attendance.

Identify chronically absent students and offer targeted supports to them and their families to address the underlying causes of absenteeism.

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Resources

Schedule Adjustments

Other Resources Needed

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
A review of the 2024–2025 iReady Math diagnostic data for grades K–8 demonstrates that the	Students frequently encounter challenges when transitioning from concrete representations to the abstract reasoning required in measurement and data concepts. The incorporation of variables and unknown quantities—particularly within formulas and data-related problem-solving—often contributes to confusion as learners work to interpret and manipulate these elements. The use of symbolic notation, including letters and non-numeric representations, can further impede comprehension of key measurement and data principles. In addition, the multi-step procedures and layered operations inherent in measurement conversions, data analysis, and formula application introduce additional complexity,	Students consistently struggle to master measurement and data concepts , resulting in limited

school-wide proficiency rate in Measurement and Data is 35%.	necessitating strong foundational skills and well-developed problem-solving strategies.	proficiency that spans all grade levels.
The standards-based analysis of the 2024–2025 iReady Math diagnostic assessment for grades K–8 reveals that school-wide proficiency in geometry stands at 29%	Students often struggle to move from concrete examples to the abstract reasoning required in geometry. The use of symbolic notation and geometric representations can create confusion, and the multi-step nature of geometric problem-solving adds complexity that requires strong foundational skills and spatial reasoning.	Students,, across grade levels, struggle with geometry concepts.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	32%	All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the Students performing at Tier 3 level. will Decrease by 10 from 32% to A decrease of 10 percentage points, for All Students, as measured by iReady Diagnostic Math Results.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

The mathematics department will engage in grade-level and vertical articulation planning sessions to deconstruct and operationalize the standards prior to instructional delivery, ensuring coherence and alignment across grade bands.

Performance tasks, administered bi-weekly and systematically aligned to individual standards, will undergo rigorous item-level analysis to identify error patterns and conceptual misunderstandings. Findings will inform the design of targeted re-teaching cycles, with students requiring intensified intervention flagged for data-driven placement into differentiated small-group instructional cohorts.

The administrative team will conduct structured environmental fidelity checks to assess the accessibility, appropriateness, and student utilization of mathematical manipulatives and supplemental fluency resources, ensuring alignment with evidence-based instructional practices.

The administrative team will implement formal observation protocols to evaluate the fidelity of implementation of mathematics intervention frameworks during designated intervention periods and to provide actionable, data-informed feedback to educators for continuous improvement.

Root Cause Addressed:

Insufficient systemic professional learning structures, including limited protected time within the instructional schedule for standards deconstruction and inadequate consistency in post-assessment data analysis. Additionally, student absenteeism contributes to instructional discontinuity and reduced fidelity of implementation.

Significant loss of instructional minutes due to scheduling inefficiencies, extraneous interruptions, or inconsistent attendance, thereby diminishing opportunities for sustained content engagement.

The absence of specialized personnel, such as a mathematics instructional coach and targeted intervention staff, restricts the school's capacity to diagnose and remediate learning gaps through evidence-based practices.

The lack of strategically embedded mathematics intervention blocks within the master schedule inhibits the timely

provision of tiered academic supports during the regular instructional day.

Inconsistent utilization of supplemental resources and materials results in reduced reinforcement of foundational skills and limits the effectiveness of the school's comprehensive mathematics instructional framework.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Assistant Principals, the Math Coach, and (ILT) designees will facilitate grade-level common planning sessions to deconstruct and operationalize mathematical standards prior to instructional delivery.
Assistant Principals, Math Coach, and ILT designees will oversee and support the systematic use of schoolwide data trackers to monitor student performance at the standard level and conduct rigorous analyses of student work to identify misconceptions and inform the development of targeted re-teaching plans.
Assistant Principals, Math Coach, and ILT designees will supervise the formation of differentiated small instructional groups and conduct observations of small-group instruction to ensure alignment of professional learning activities with student achievement goals, state standards, and the school's pacing calendar.
Assistant Principals, Math Coach, and ILT designees will coordinate horizontal and vertical intervisitations to examine high-quality mathematics instructional practices and engage in collaborative student work analysis, with particular attention to strengthening teacher content expertise.
Assistant Principals, Math Coach, and the ILT will analyze performance data and patterns in the I-Ready Diagnostics as well as in the Standards Mastery assessments to assess students' conceptual understanding of targeted standards, identify potential misconceptions, and align instructional resources to support proficiency.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Assistant Principals and Coach will facilitate structured grade-level common planning sessions to deconstruct priority mathematics standards and enhance teachers' domain-specific content knowledge. Under the supervision of Assistant Principals and the Math Coach, grade teams will identify evidence-based instructional practices aligned to each standard and will receive ongoing guidance to ensure consistent, high-fidelity implementation.

Student progress toward proficiency will be monitored using i-Ready Standards Mastery data as part of the school's continuous improvement cycle. During grade-level and cross-grade-level mathematics departmental meetings, staff will conduct bi-weekly reviews of performance tasks—each aligned to a designated standard—to perform item-level analyses and student work reviews. These analyses will be used to surface specific misconceptions, guide re-teaching plans, and determine students requiring supplemental or intensive intervention. Identified students will be placed into differentiated small-group instructional cohorts based on demonstrated need.

Implementation fidelity will be assessed through systematic walkthroughs and formal classroom observations conducted by the administrative team. Observation feedback will focus on evaluating the quality of Tier 1 mathematical instruction, the effectiveness of small-group instructional practices, and adherence to expectations for designated intervention periods. Findings from observations and data reviews will be used to adjust professional learning, refine instructional practices, and ensure alignment with the School Improvement Plan's student achievement targets.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	12/31/2025	Parent informational sessions and Open House events will provide families with key information about the mathematics curriculum, instructional materials, student expectations, and grading policies. Workshops will support parents in using online platforms such as i-Ready and Envision and Amplify Desmos. Families will also receive information on academic, extracurricular, and enrichment opportunities that enhance mathematics learning.	
01/05/2026	04/24/2026		

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Resources

Schedule Adjustments

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	62	By June, 2026, the overall Grade Point Average for All Students of grades 6-8, will Increase by 3 percentage points from 62% to 65% as measured by Student GPA on Report Cards, STARS classroom.
All Students	39	By June, 2026, the Percentage of students performing on grade level for All Students of K-5, will increase by 3 percentage points, from 39% to 42%, as measured by IReady assessments.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	74	By June, 2026, the Percentage of families registered on FAMS will Increase by 6 percentage points, from 74% to 80%, as measured by Family Access Management System.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	34	By June, 2026, the Chronic Absenteeism Rate for All Students will decrease by 3 percentage points, from 34% to 31%, as measured by the Chronic Absenteeism reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

The school will implement a system for consistent IEP progress monitoring and increase access to grade-level instruction for students with disabilities by expanding co-planning between general education and special education teachers, providing targeted professional learning on specially designed instruction and effective use of accommodations, and using progress monitoring data to adjust instruction and interventions in inclusive settings.

Root Cause Addressed:

The school identified that inconsistent and infrequent IEP progress monitoring, limited co-planning between general and special education teachers, and gaps in the use of accommodations and specially designed instruction during grade-level instruction in inclusive settings have contributed to students with disabilities not making sufficient progress toward their IEP goals.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Teachers and related service providers will be provided with professional development on progress monitoring. Teachers and related service providers will be provided with time to map out the progress monitoring schedule for students on their caseload. Teachers and related service providers will be required to submit their tracking forms to Assistant Principal Thomas. The tracking form will contain students' names, the date of the IEP's effectivity, and the progress monitoring schedule.
Teachers and related service providers will be provided with time to monitor the student's goals in their caseload. In addition, teachers who are struggling with progress monitoring will receive targeted support. AP Thomas will remind teachers and related service providers who have not monitored students' annual goals. AP Thomas provides staff members with the status of annual goals reports generated by central. Teachers and related service providers will be provided with time to monitor the student's goals in their caseload. In addition, teachers who are struggling with progress monitoring will receive targeted support.

Key Strategy 2 (Optional):

The school will strengthen transition planning and postsecondary readiness for students with disabilities by implementing consistent transition assessments, updating measurable postsecondary goals aligned to student strengths and interests, and ensuring that all IEPs for students aged 14 and older include documented and implemented transition activities that prepare students for college, career, and independent living.

Root Cause Addressed:

The school identified that inconsistent administration of transition assessments, limited staff knowledge of writing measurable postsecondary goals, and insufficient alignment of transition activities with student interests have led to gaps in transition planning for students with disabilities. As a result, not all IEPs for students aged 14 and older have updated, measurable postsecondary goals with documented and implemented activities, limiting readiness for college, career, and independent living.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
All students with disabilities aged 12/13 and older will complete student-centered transition assessments to identify strengths, interests, and preferences that will inform measurable postsecondary goals in IEPs.
Case managers will hold 1:1 conferences with students to review transition assessment results and collaboratively draft measurable postsecondary goals aligned with student interests and preferences.
Special education teachers, case managers, and related service providers will receive training on writing measurable postsecondary goals aligned with NYSED Indicator 13, aligning transition activities with goals, and documenting in SESIS. Training will be provided during September PD days and reinforced in monthly special education team meetings.
Case managers will work with students and families to identify, document, and implement transition activities aligned with each student's postsecondary goals, including college exploration, career exploration, and independent living skill-building opportunities.
The Special Education Coordinator will conduct quarterly SESIS compliance checks and file reviews to ensure measurable postsecondary goals and transition activities are documented and implemented for all students with disabilities aged 14 and older.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To progress monitor the implementation of Key Strategy 1, the school will conduct IEP progress monitoring in accordance with the required cycles outlined in each student's IEP using SESIS and teacher-collected data to track student progress toward IEP goals. Lesson plan reviews and instructional walkthroughs will be conducted to collect evidence of the consistent use of accommodations and specially designed instruction within grade-level content during inclusive instruction. Co-planning logs will be maintained to track collaboration between general education and special education teachers, ensuring scaffolds and instructional strategies are planned and implemented consistently. Data from these sources will be reviewed during monthly instructional team meetings to inform adjustments to instructional practices, interventions, and professional learning needs.

For Key Strategy 2, the school will conduct quarterly SESIS compliance checks and file reviews to monitor that measurable postsecondary goals and aligned transition activities are updated and documented in all IEPs for students with disabilities aged 14 and older. A transition activity tracker will be maintained by case managers to monitor the implementation of transition activities aligned to each student's postsecondary goals. Transition assessment completion rates will be tracked to ensure that all eligible students have assessments informing postsecondary goals. Progress will be reviewed during special education department meetings, and coaching will be provided to staff as needed based on monitoring outcomes. Student participation in transition activities and postsecondary exploration opportunities will be tracked to assess readiness for college, career, and independent living.

Through these structures, the school will ensure that implementation of both key strategies directly impacts instructional planning, delivery of grade-level content with appropriate scaffolds, and the preparation of students with disabilities for postsecondary success, supporting progress toward achieving the annual CEP goals.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Parents will be offered professional learning and resources on supporting their children with special needs.	Central Office-District 17 Parent Coordinator Parent Teacher Association Brooklyn Children Museum After School Program Brooklyn Community Services After School Program

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Learning Support Team	Support for students who were held over	Small strategy instruction; scholastic reading bank	guided groups	During school	yes
At-risk intervention reading specialist	teacher is to ensure that students, with and without IEPs, receive the specialized and/or individualized instruction and intervention needed to succeed.	Uses Wilson Reading Program	small group, 1-1	During school	yes
Academic Intervention Services	is intended to increase achievement for students who are struggling to meet the New York State Learning Standards, as evidenced by their performance on the State assessments in English language arts (ELA) and mathematics in grades three through eight (3-8).	Direct instruction, feedback, progress monitoring	small group, 1-1	During school	yes
Academic Intervention Services	is intended to increase achievement for students who are struggling to meet the New York State Learning Standards, as evidenced by their performance on the State assessments in English language arts (ELA) and mathematics in grades three through eight (3-8).	Direct instruction, feedback, progress monitoring	small group, 1-1	After school	yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Counseling	Preventative & intervention services	Play therapy; problem solving strategy; coping skills; socialization skills; decision-making skills	One-on-one, small groups	during school	yes
SEL Period	Preventative & intervention services	cooperative learning strategies; self-awareness	Whole group	during school	yes

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

150

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

STH Coordinator will meet with parents of STH, which students in temp housing, double up, shelters, foster homes or unaccompanied minor. Will inquire of their basic needs; school or personal and transportation. STH Coordinator maintains communication with shelter coordinators to ensure students are having a normal and productive school year.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. PS 189-The Bilingual Center in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

PS 189-The Bilingual Center, will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 189-The Bilingual Center, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and safe learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

OCTOBER Professional learning opportunities
on:
• ICT Models for ICT classes/teachers
•Critical thinking skills to improve engagement
•Curriculum development on aligning the NGS and specific parts of the curricula resources to support the standard(s) Conduct learning walks and informal observations to monitor:
• Differentiated groups are created effectively and periodically adjusted using current data (flexible)
IMPACT i. promote metacognitive skills re students i i. improve teachers ability to facilitate authentic classroom discussions and curriculum alignment.

NOVEMBER Professional learning opportunities
(Café) on:
•Questioning and discussion techniques /reflective techniques
•Vocabulary to improve reading comprehension
•Conduct learning walks and informal observations to monitor:
• effective questioning techniques
• Ensure students' us e of questioning during lessons
IMPACT
i. promote metacognitive skills re students
ii. improve teachers ability to facilitate authentic classroom discussions and curriculum alignment.

JANUARY Professional learning opportunities
on:
• Analyzing data to inform explicit instruction -(Got Data Now What)
•How to use the data to create differentiated instructional groups

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

n/a

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	n/a	n/a	
Title I, School Improvement 1003(a)	Federal	n/a	n/a	
Title II, Part A	Federal	$63,668	X	N/A
Title III, Part A	Federal	16,743.00	X	X
Title III, Immigrant	Federal	n/a	N/A	N/A
Title IV, Part A	Federal	12,079.00	X	N/A
Tax Levy (Fair Student	Local	$6,471,307	X	N/A

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Janet Gil
Assistant Principal (Where Applicable)*	Stacy-Ann Bola
English as a New Language (ENL) Teacher*	Rick Jean-Marie
Teacher (if school has a bilingual program must be a bilingual teacher)*	Margarita Estevez
Parent/Guardian*	Rebecca Jean-Jacques
Teacher	Maria Matos Pena
Parent Coordinator	Yamiley Mirand-Amadis
School Counselor	Saragene Civil
Related-Service Provider	Markytha Aristhene
Other (Name and Title)	Ketsia Aristhene/ Teacher
Other (Name and Title)	Mayrelis Grullon /Teacher

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

5

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

3

Number of certified ESOL teachers not currently teaching ENL:

2

Number of teachers who hold both content area/common branch and ESOL certification:

1

Number of ESOL certified teachers with a bilingual extension:

2

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

13

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

1

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

2

Total number of teachers with LOTE certification providing World Language instruction:

2

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

1

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

935

Total number and percentage (%) of current ELLs:

233 and 25%

Total number and percentage (%) of former ELLs:

28 and 3%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

206/87%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

17/7%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

12/6%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

17/7%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

26/11%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE	TBE	Creole	2025								1	1					2
TBE	TBE	Spanish	2025								1	1					2
TBE																	0
DLBE	DL	Haitian Creole	2025	1	1	1	1	1	1	1							7
DLBE	DL	Spanish	2025	1	1	1	1	1	1	1							7
DLBE																	0

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Freestanding ENL program: Students at entering proficiency level get pulled out by their grades for stand alone instructions for 180 minutes, whereas , students at emerging level get pulled out for 90 minutes stand alone instruction. Students are grouped based on their language proficiency. For example, students at entering level would be grouped together, whereas students at emergent level would be grouped together. Students will be paired according to their home language.

Integrated ENL:

The school has two ENL teachers and several staff members with bilingual extensions to their content areas. Classroom bilingual teachers provide the HLA instruction within their classroom setting. For grades K-6, the self-contained bilingual classroom teachers provide integrated instruction to their ENL students. For grades 7 and 8, the ENL teachers provide integrated instruction with ELA or any other content area. The ENL teachers provide ENL integrated instructions for students who are in monolingual settings.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

Students in the TBE program receive instruction in English and in their home language. In this model instruction is comprised of 60% in the home language and 40% in English.

Dual Language Bilingual Education (DLBE):

In a Spanish Dual Language Class and a Haitian Creole Dual Language Class, we have the 50-50 program. Within these classes there are mixed proficiency levels. The dual language classes are comprised of proficient English speakers as well as English Language learners.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

The school has two ENL teachers and several staff members with bilingual extensions to their content areas. ? Classroom teachers provide the HLA instruction within their classroom setting. For the ENL, our two ENL teachers provide stand alone services through to the ENL students at the emerging and entering levels. For grades K-6, the self-contained bilingual classroom, teachers provide integrated instruction to their ENL students. For grades 7 and 8, the ENL teachers provide integrated instruction with ELA or any other content area. The ENL teachers provide ENL integrated instructions for students who are in monolingual settings. Students are grouped according to their English proficiency levels. They receive the mandated time of the ENL instructional minutes.

ENGLISH PROFICIENCY LEVEL / INSTRUCTIONAL TIME

ENL INSTRUCTIONAL TIME / ENTERING : 2 Units per wk. / Total 360 minutes per week

ENL INSTRUCTIONAL TIME / EMERGING: 2 Units per week /Integrated ENL/Content Area/ TOTAL 360 minutes per week

ENL INSTRUCTIONAL TIME / TRANSFORMING: 1 Unit per week / Integrated ENL/Content Area/TOTAL 180 minutes per week

ENL INSTRUCTIONAL TIME / EXPANDING: 1 unit per week / Integrated ENL/Content Area/TOTAL 180 minutes per we

ENL INSTRUCTIONAL TIME/ COMMANDING: Integrated ENL/Content Area/TOTAL: 180 minutes per week

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

ENL INSTRUCTIONAL TIME / ENTERING : 2 Units per wk. / Total 360 minutes per week

ENL INSTRUCTIONAL TIME / EMERGING: 2 Units per week /Integrated ENL/Content Area/ TOTAL 360 minutes per week

ENL INSTRUCTIONAL TIME / TRANSFORMING: 1 Unit per week / Integrated ENL/Content Area/TOTAL 180 minutes per week

ENL INSTRUCTIONAL TIME / EXPANDING: 1 unit per week / Integrated ENL/Content Area/TOTAL 180 minutes per we

ENL INSTRUCTIONAL TIME/ COMMANDING: Integrated ENL/Content Area/TOTAL: 180 minutes per week

For Home Language Arts: 1 HLA class per day

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

In a Spanish Dual Language Class and a Haitian Creole Dual Language Class, we have the 50-50 program (alternate days). Within these classes there are mixed proficiency levels. The dual language classes are comprised of proficient English speakers as well as English Language learners.

b. In which language(s) is each core content area taught?

Math.....Native Language and English

Social Studies.....Native Language and English

Science .....Native Language and English

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

Content area can be delivered by a teacher that dually licensed or with a content area teacher and a ENL teacher. However, the teacher is not allowed to switch back and forth between languages. If the lesson is being done in English then the teacher must provide a linguistic summary in the native language at the close of the lesson. The same is standard for the reverse, if the lesson is being done in the native language then a linguistic summary must be provided in English at the close of the lesson. Each subject is taught in one language one day and the next time is taught in the other language.

*Math.....Native Language / English or vise versa

*Social Studies.....Native Language / English or vise versa

*Science .....Native Language / English or vise versa

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

68% of the ELLs population is comprised of newcomers. Based on grade level standards, the school implemented a 1/3 class performance level split in every classroom. This split includes a high, middle and low performing groups. Each
teacher is required to color-code their lesson plans to show differentiation for each group; for example, yellow (lowest third), green (SWDs), blue (ELLs). In the lesson plan, using the colors mentioned before, the teacher indicates the
tool(s) to teach the intended learning target to various ELL subgroups. Approximately 1% of the newcomers are SIFE students.
For this group of students the teacher works in a small group developing foundational concepts/skills that are prerequisites to master the intended learning target for the particular lesson. For the new comers and developing students, the
teacher utilizes ESL techniques and strategies throughout the lesson. For example, visuals along with the written language,
audios, and English and native language content vocabulary parallel translation to allow students to use as the lesson
develops. For the long term and former ELLs, the teacher relies on the use of close reading strategies for students to further
develop reading comprehension. In addition to the support mentioned above, Newcomers are part of the after school
program and use Imagine Learning as the primary tool to develop language. Service for newcomers have Stand Alone with 360
minutes of services per week which is included 180 minutes of integrated instruction and 180 of stand alone.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

7% of the ELLs population are students with inconsistent/interrupted formal education (SIFE). For this group of students the teacher works in data-driven small group developing foundational concepts/skills that are prerequisites to master the intended learning target for the particular lesson. Differentiation based on academic proficiency and language level.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

8% of the ELLs population is comprised of long term ELLs. The services provided to our long term ELLs is more intensive with a main focus on writing. To target long term ELLS, the school also provides a Learning Support Teacher (LST)
who works with a small group during content area instruction daily, as well as the ENL teacher providing integrated service indifferent content areas. Students are also given home access to the online program "Imagine Learning and Lexia"
The supplemental Title III Program also targets long-term ELLs

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

28% of the ELLs population is comprised of former ELLs. We provide former ELLs integrated services in the core content areas. We provide 90 minutes of integrated instruction for two years

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

The trends for the at-risk levels of ELLs at our school are: They tend to take longer to immerse into the second language, mostly for the Spanish speaking population. The Haitian Creole and Arabic speaking population learns the second
language faster. It could also be lack of motivation for the Latinos to learn the second language. Resources in the native
language is also an issue to gain content knowledge

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

The trends for the at-risk levels of ELLs at our school are: They tend to take longer to immerse into the second language, mostly for the Spanish speaking population. The Haitian Creole and Arabic speaking population learns the second
language faster. It could also be lack of motivation for the Latinos to learn the second language. Resources in the native
language is also an issue to gain content knowledge.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

Spanish and Haitian Creole are the two dominant home languages. We send home communication in translated versions in both written and robo calls. There are staff members who translate for this population. We also utilize the DOE translators. In addition, we rely on technology devises and programs that serve as translation tools

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The ethnic classifications of ELLs are: Hispanic, Haitians, Arabic and Chinese. The ELLs are included in planning an delivery of culturally responsive and sustaining education by affording them the opportunity to participate in events, such as
Unity Day, Career Day, and hold leadership roles within the school-wide events. It has been also a practice to acknowledge influential characters of their nationalities.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

We notice a lot of our students are moving from entering to emerging; move from emerging to transitioning; and from transitioning to expanding. We have students who tested out and become commanding. However, the long terms ELLs are stagnant.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

Looking at the data from the results of Spring 2024 NYSESLAT, it reveals that 65% of ELLs are at the transitioning and expanding level. In comparing the data with the previous year's it became apparent that a significant number of the students
have been in these two categories for the past two years. A lot of our students are moving from one proficiency to another. One notice is that we have seen improvement of the long term ELLs testing out and are at a commanding level.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

It has been noted that students tend to perform better in the math state exam than in the ELA.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

Trends for IEPs and SIFE students, they do not perform well on the reading and writing portion. Most of the time these
students in the subgroup are long term ELLs.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

n/a

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

n/a

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

n/a

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

n/a

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

We incorporate their prior knowledge and cultural experiences.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

Bilingual teachers and ENL teachers are part of the school's Instructional Leadership Team (ILT). They provide their knowledge in the decision making of instruction planning based on the trends noticed from as the school's priority needs are being discussed based on the needs of students, including the ELLs.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Content area can be delivered in the target language (English) or in the Native Language. However, the teacher is not allowed to switch back and forth between languages. If the lesson is being done in English then the teacher must provide a linguistic summary in the native language at the close of the lesson. The same is standard for the reverse, if the lesson is being done in the native language then a linguistic summary must be provided in English at the close of the lesson. Teachers use a variety of strategies to teach the concepts. These include but are not limited to "total physical response", "buddy-system" (child who is between the transforming to the commanding level paired with a child who is on the entering level) and the use of technology (audio books, online reading programs) and "picture/visual support." Students are also giving the opportunity to engage in accountable talk activities in which they support their ideas with relevant textual evidence. This is done during in-person learning as well as during remote learning while engaged in small group instruction. At the beginning of every lesson, students receive the content key words in English and in the native language. In addition, google translate and glossaries are to be utilized as language support. Students are also provided with cognates.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Content area can be delivered in the target language (English) or in the Native Language. However, the teacher is not allowed to switch back and forth between languages. If the lesson is being done in English then the teacher must provide a linguistic summary in the native language at the close of the lesson. The same is standard for the reverse, if the lesson is being done in the native language then a linguistic summary must be provided in English at the close of the lesson. Teachers use a variety of strategies to teach the concepts. These include but are not limited to "total physical response", "buddy-system" (child who is between the transforming to the commanding level paired with a child who is on the entering level) and the use of technology (audio books, online reading programs) and "picture/visual support." Students are also giving the opportunity to engage in accountable talk activities in which they support their ideas with relevant textual evidence. This is done while children engage in small group instruction, partner work or whole class teaching and learning. At the beginning of every lesson, students receive the content key words in English and in the native language. In addition, google translate and glossaries are to be utilized as language support. Students are also provided with cognates.

b. SIFE

Teachers design instructional plans that are differentiated with accommodations for students. In planning for instruction teachers consider data to determine academic and language support. Teachers use a variety of scaffolding such as graphic organizers to support, parallel vocabulary translation and visuals to accompany texts. SIFE students are also part of the enrichment program "Alfabetizacion en espanol." Same program is also provided for French speaking students who are enrolled in the Haitian Creole bilingual classes.

c. Newcomers

Teachers design instructional plans that are differentiated with accommodations for newcomers. At the beginning of every lesson, students receive the content key words in English and in the native language. In addition, google translate and glossaries are to be utilized as language support. Students who are at the beginners level are supported with a variety of visuals and representative of the content. In addition, students get pulled for ENL instruction.

d. Long Term ELLs

Teachers design instructional plans that are differentiated with accommodations for long term ELLs. Students engaged in online programs for ELA and Mathematics that allow them strengthen their academic and language skills.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

The school has a general planning meeting, grade planning meetings and grade conference to facilitate dialogue between providers and homeroom teachers. In addition all teachers are provided with data from the NYSESLAT for

every child that they are scheduled to work with. The curriculum maps are updated monthly wherein accommodations are input to reflect adjustments to curriculum. This is done on a continuous basis. The ENL teacher pulls out ELL-SWDs with similar language and academic needs for one instructional period. In the case of ELL-SWDs in an Expanding ELL category, he/she would be taught in a push in manner.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Instruction can be delivered in the target language (English) or in the Native Language. However, the teacher is not allowed to switch back and forth between languages. If the lesson is being done in English then the teacher must provide a linguistic summary in the native language at the close of the lesson. The same is standard for the reverse, if the lesson is being done in the native language then a linguistic summary must be provided in English at the close of the lesson. Teachers use a variety of strategies to teach the concepts. These include but are not limited to "total physical response", "buddy-system" (child who is between the transforming to the commanding level paired with a child who is on the entering level) and the use of technology (audio books, online reading programs) and "picture/visual support."

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

Language electives are offered to the ELLs in Spanish and French. Since students are enrolled at PS 189, students tend to remain in the same grade and or class line where they receive the same foreign language until they graduate from eighth grade.

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Teachers plan together to address the academic and language needs of all ELLs.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Professional Development will be provided to all staff to support the effective delivery of instruction. Our professional development for SY 2023-2024 will focus on the components of the curriculum: Envision Math. The sessions will be conducted by AP Gilbert Torchon, who is certified in both the Bilingual and Content Specialists areas. The Teachers College Reading and Writing Project (TCRWP), located at Teachers College, Columbia University, has been a premier provider of professional development for schools in New York City, across the nation and internationally for almost three decades. Their mission is to support literacy instruction through research and professional development. Their research has tackled many subjects, including, of course, the teaching of reading and writing K-8, but also including methods of supporting large scale school reform, of coaching teachers, and of leading schools in which young people grow to be avid and skilled readers and writers. These sessions will be conducted by Mr. Jean-Marie, (ENL Teacher), who is dually certified as an English and ENL Teacher, and Karen

Jones (Literacy coach). Ms. Jones have also received TC training / workshops.

The school provides all teachers with differentiated professional development twice per month. In addition, teachers have common preparation periods in which further professional development is done.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Teachers will be allowed to complete their total CTLE hours in house and out of the building. ENL and bilingual teachers participate in the NYU professional development events designed to support ELLs and SIFE students.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

We use Lexia and IReady to measure learning and guide us for planning. We also use the benchmark assessments from these programs to measure student progress. In addition, the resources from these are used for intervention.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

For ELA we use Lexia and iReady for the K-8 population. Imagine Learning the home language is used for support.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

We look at the NYSESLAT data and identify trends to inform differentiated instruction.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Fountas and Pinnell running records, teacher created unit assessments, school-wide monthly and quarterly assessments

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

We conduct periodic assessments in the student home language. We conduct school-wide and or gradewide assessments that are translated in the students' home language.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

We use the various modalities of the NYSESLAT.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

The NYSESLAT administration plan is as follows:
It is administered individually and in groups. Bilingual teachers and ENL teachers are trained to administer and score the NYSESLAT .
ELLs, and former ELLs continue to receive mandated services during the testing period right after they complete their individual or group assessment. The return to their home classroom to continue receiving their mandated services.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

We provide English and home language glossaries. Translators are also used to support their home language, such as Arabic and French.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

ELLs' parents are invited to an in-person or virtual meeting with the ENL teacher and classroom teacher to discuss information pertinent to the bilingual programs and their children's language development progress. Student's performance data is shared with the parents along with the areas of need and the goals and plan of action set for the
student. Parents will be invited to come in on Tuesdays during during parent engagement time. Translation for parents is provided by a staff member or the DOE translation service hotline. Specific activities that foster ELL parent
involvement are class trips, literacy and numeracy night, open-houses, NYSABE and Unity Day. Parents are invited in along with their students to participate in the events. New ELL parent orientation meetings are scheduled at the beginning and during the school year to familiarize parents with the school system and the different programs that are offered. Open -houses are scheduled throughout the year for parents of all students. Bilingual parents are invited to come in at that time where they meet with the ENL teachers to discuss issues pertinent to the bilingual community. Next year, meetings will continues to be held virtually to accommodate parents' schedule and time. Bilingual parents are also invited and transported by the school to the New York State Association for Bilingual Education yearly conference (NYSABE) during the month of March . At this conference there is a session especially for bilingual parents.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Parents will have an open-door to come to the school when they feel it is necessary to discuss their children's progress and academic goals. Parents would be able to login to virtual meetings, if it is of their preference. Translation for parents is provided by the staff. All written correspondence is translated in Spanish and Haitian Creole.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

We utilize the DOE messaging system to translate communications to families in the various languages. Also, we provide translation during meetings and in school-wide events.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

We determine the needs of the school community based on the family surveys and enrollment data in addition to our suggestion box.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

We inform parents of upcoming leadership opportunities such as the PTA, through translated flyers and DOE messengers as well as in person meetings.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

We currently have a partnership with NYU. This partnership offers teachers, administratorand families the opportunity to participate in various workshops that focus in supporting our students and teachers.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

Apart from the services from Title III program, MLs/ELLs students are also included in the regular extended day program for additional support in ELA and MATH.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

ENL Teacher Jean-Marie, ENL Teacher Rodriguez, ENL Teacher Kun L, AP Thomas, AP Bola and Ingrid Ruiz, the pupil secretary are part of the members of of the ELL identification Team. Part of the registration process is the home language identification survey. If the home language is other than English, the student is considered a potential ELL. The student is then entitled to take the NYSITELL. If the scores are less than commanding he or she is an ELL. The qualifications for the individuals responsible for this process are trained and certified pedagogues.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

The ELL identification process has occurred during the ENL teachers prep times. The ENL teachers take turns for the ELL identification process accordingly.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Janet Gil

Part IX: LAP Assurances

LAP Assurances Page

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Elena Cunneely

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Rick	Jeanmarie	Teacher - Regular Grades	02/05/2025	

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),New York City Schools Account (NYCSA) Student Profile,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS)

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARAUCANIAN	0	0.00%	1	0.10%	0	0
ARABIC	28	2.66%	28	2.72%	0	0
CHINESE ANY	5	0.48%	5	0.49%	3	3
CROATIAN	1	0.10%	1	0.10%	0	0
FRENCH	10	0.95%	12	1.17%	2	20
HAITIAN CREOLE	79	7.52%	80	7.78%	2	20
HINDI	2	0.19%	2	0.19%	0	0

ENGLISH	710	67.55%	675	65.66%	4	20
SPANISH	216	20.55%	222	21.60%	2	20
YORUBA	0	0.00%	2	0.19%	0	0

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
BOY: Postcards, family welcome letter and package	In house translation by bilingual certified teachers - after school per session
Parent flyers and emails for school wide meetings and/or workshops	In house translation by bilingual certified teachers - after school per session
Quarterly progress reports	In house translation by bilingual certified teachers - after school per session
Monthly newsletters (K-8)	In house translation by bilingual certified teachers - after school per session
	When we plan meetings vis Zoom, immediate translators will be provided in Haitian Creole and Spanish. Flyers and letters are also translated in both languages. When in person meetings are held, the families will be divided into the various preferred languages along with a staff member who will serve as translator.
	During IEP meetings -there will translation provided.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Curriculum Night	Staff members will serve as interpreters.
Monthly Principal Meetings	Staff members will serve as interpreters.
Title I meeting	Staff members will serve as interpreters.
Safety Meeting	Staff members will serve as interpreters.
PTCs	Staff members will serve as interpreters during virtual or in person meetings.
Parent Workshops	Staff members will serve as interpreters.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

During an emergency, a staff member who speaks the parent's preferred language will contact the parent. In the event that we may not have an interpreter, we will use the DOE interpretation telephone line.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Staff will be made aware of the goal of Chancellor's Regulation A-663 during the September 2024 Opening Faculty Conference. During this time all staff members will be provided with the DOE translation hotline number. This information is also s hared in the weekly staff newsletter (Monday Matters). In addition, all staff members receive a staff manual, which contain the policies of ELLs and their families

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

NYC Public School Guidebook Messaging phone applications/ClassDojo.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

In order to facilitate in obtaining and gathering information pertinent to our school communities language proficiency levels, families are regularly contacted by teachers and school staff in their first language. Moreover, during PTA meetings, parents and families are contacted and invited to participate and attend our school community for matters in respect to school events, finding, etc. Through such meetings, parents cultures and languages are not only identified but also represented to gather feedback and best practices on communicating with families.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Our school community uses each of the aforementioned tools in order to identify the language needs of each of our families at the beginning of the year, and as the year progresses. Such data is used in improving our schools language services, by allowing us to identify what language our families are proficient in both oral and written language. By using this data, our school is later able to make adjustments in providing our families with appropriate resources, support and information in a language that is easily accessible and understood to them. By providing our families with information and personalized language supports to ease transparent and equitable relationships with school staff and personal, our school is able to meet with both state and city compliance language protocols, while also elongating an inclusive and culturally respective learning and work environment

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

222

Grades to be served in this program. Select all that apply.

,2,3,4,6,7,8,5,1,K

Total number of teachers in this program:

12

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

12

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

4

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

The existing Title III Program accommodates children (k-8 grades) who are classified ELLS. Students in the program will use I-Ready online program, which supports language development and Mathematics proficiency. Students will also use SPIRE-Phonetic Program along Finish line New York ELLs These resources allow students to improve language acquisition and improve in academic skills as they are engaged in activities focusing on their target areas of need. The students will receive direct instruction both individually and in small groups in a class no more than 12 students per class and students will also be pulled out by reading specialists and ENL teachers. The small groups will be created according to assessments and students' English language proficiency Levels.

The program will run from November 12, 2025 to April 30, 2026 on Tuesdays, Wednesdays and Thursdays from 2:30 pm - 4:30 pm. The program will service about 146 students with a total of 12 teachers, including ENL teachers, Rick Jean-Marie, Marlon Rodriguez and Ms. Kun Li . The qualification of the teachers are as follows: 4 Math certified, 1 Science and Math certified, 4 ENL certified and 2 generalist/SWD certified.

The languages of instruction will be in English and the students' native language. The program will seek to meet the diverse emotional, social and academic needs of these learners. This online program would help the selected group of students close the achievement gap by building students' proficiency in phonological awareness, fluency, vocabulary, comprehension, grammar and academic language. As students engage in the online activities, on the spot data would be generated for every student. Teachers would use the data to design activities that would tackle their academic/language needs.

In addition, a Bilingual Community Coordinator will be hired to support families with locating and connecting to resources both within and outside the school community.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

When the state exams data was analyzed, it was noticed that there was a 11% decrease in ELA.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

After school program provided to grades 1-8 from all proficiency levels. Students are enrolled in ELA and Mathematics enrichment programs through which they are developing language acquisition.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The program will meet for approximately 55 sessions on Tuesdays through Thursdays from 2:30 pm - 4:30 pm, starting November 12, 2025 through April 30, 2026.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The primary home languages at our school are Spanish, Haitian Creole, Arabic, and some French. All school letters are sent home in the students' home language as identified on the HILS when students are first registered at the school. Also, all students are provided with bilingual glossaries in the content areas. Bilingual paraprofessionals serve as support for those students who are at the entering and emerging level of English proficiency.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

ENL teachers, Rick Jean-Marie Marlon Rodriguez and Kun li, 4 Math certified, 1 Science and Math certified, 4 ENL certified teacher and 2 generalist/SWD certified teachers

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Online programs: , Lexia, Booknook, I-Ready and Finish Line For ELLs

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Records will be maintained through the data generated by I-Ready and Lexia. Attendance is kept on paper.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

To ensure the success of the Tittle III after school program and ELL's academic achievement, PS 189 will develop a professional development plan that will focus on enhancing teacher capacity by equipping them with the necessary tools and strategies in order to effectively support math and literacy instruction, create an environment where students' diverse linguistic and cultural backgrounds are taken into account by addressing the social emotional aspects of learning.

AP Bola will organize a professional development for ELA teachers and AP Torchon will organize a professional development for the Math certified teachers in the Title III program to support the effective delivery of math instruction.

AP Torchon, who is certified in both the Special education and common branch areas, will conduct the PD during the first week of March 2026 from 2:30 pm - 3:30 pm. The second professional development is scheduled during the third week of March 2026 from 2:30 pm-3:30 pm. A representative from the program SPIRE will train teachers on how to set up the program for students to be registered into the system and be assigned independent work according to academic needs.

The third PD will be provided by an I-Ready representative on how to assign students mathematics work based on their academic and language needs. The PD is to take place from 2:30 pm to 3:30 pm the fourth week of March 2026.

For the support of language development, Literacy Coach Karen Jones and ENL Teacher Jean-Marie will provide a professional learning activity for the classroom teachers who will teach literacy /language sessions during the Tittle III after school program, focusing on meeting students' academic and language needs through small group instruction. Both, literacy coach and ENL teacher, have received Teachers College training and will conduct a workshop on literacy instruction best practices for teachers during the week of February 2026 from 2:30 pm to 3:30 pm.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

The focus of the mentioned PD sessions will be to support teachers on the integration of content area materials through hands-on activities while students develop literacy skills in English language proficiencies through authentic and communicative language activities. Mr. Jean-Marie (ENL Teacher/ENL Coordinator and translator) will also work with the teachers on using the native language to enhance student learning of the target language, knowledge of content specific teaching strategies so that students can get a deeper understanding of content areas and develop academic and social language. Linguistic and cultural backgrounds of students will also be used to support effective strategies in order to further develop students' English proficiency.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

Teachers Who Will Receive Training

The existing Title III Program will include: 4 ENL teachers, 3 Bilingual Teachers, 2 Math certified teachers, 1 Science teacher, and 2 general ED/SWD certified teachers.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

A representative from the SPIRE program will train teachers on how to set up the program for students to be registered into the system and be assigned independent work according to academic needs. The third PD will be

provided by an I-Ready representative on how to assign students mathematics work based on their academic and language needs. The PD is to take place from 2:30 pm to 3:40 pm during the first week of March 2026. AP Torchon, who is certified in both the Bilingual and common branch areas, will conduct the PD. The second professional development is scheduled for the third week of March 2026 from 2:30 pm-3:30 pm, and will address the latest research around the best practices for addressing the needs of ELLs.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

1. Integrating the content areas to strengthen language development
2. Using data to plan small group instructions
3. I-Ready data analysis to plan for instruction
4. Social Emotional activities that promote a safe, trusting , collaborative and supportive environment for the ELLs.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Assistant Principal Torchon
Literacy Coach Karen Jones
Mr. Sannon (Math Coach)
A representative from the online program, Imagine Learning & I-Ready
ENL teacher/coordinator Jean Marie

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Records of agendas will be maintained through a Google Drive system and shared among administrators. Attendance will be kept on paper and stored away in an annual binder for Professional Development.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Our ELLs parents continue to be an integral part of the Title III Program. All school-based home communication will be translated into the respective native languages. Parents will be invited to 6 sessions during the Title III Program to participate in a series of informative workshops. The first workshop will be a zoom workshop on housing challenges due to financial status and providing parents with resources that will support them. This workshop is scheduled for February 24, 2026, from 2:30 pm -3:30 pm, and it will be facilitated by the guidance counselor Saragene Civil and Parent Coordinator, Yamiley Amadis. The second workshop will focus on Integrating the 7 habits of highly effective parents into the daily routines. This session is scheduled for March 20, 2026, at 2:30 pm -4:30 pm, and will be facilitated by Parent Coordinator and Saragene Civil, Guidance Counselor. The third workshop is a mental wellness session via Zoom.

Rationale: Some immigrant parents are new to the country and are affected by post-pandemic challenges. Therefore, they are not aware of ways that can alleviate challenges concerning housing, technology, and stress related challenges.

Parents will be notified of the workshops via email, monthly and biweekly parent Zoom meetings, phone calls, and bag-packed written notices. Notices of the workshops will also be posted on students' google classrooms as well as in the school monthly calendar, which is posted on the school webpage the first of every month.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Rationale: Some immigrant parents are new to the country and are affected by housing challenges due to lack of financial resources. Therefore, they are not aware of ways that can alleviate challenges concerning housing, technology, and stress related challenges. Teaching families different ways to use the 7 habits of highly effective parents into their daily routines will promote better communication and understanding between them and their children.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Our ELLs parents continue to be an integral part of the Title III Program. All school-based home communication will be translated into the respective native languages. Parents will be invited to 6 sessions during the Title III Program to participate in a series of informative workshops. The first workshop will be a zoom workshop on housing challenges due to financial status and providing parents with resources that will support them. This workshop is scheduled for February 24, 2026, from 2:30 pm -3:30 pm, and it will be facilitated by the guidance counselor, Saragene Civil and Parent Coordinator, Yamiley Amadis. The second workshop will focus on Integrating the 7 habits of highly effective parents into the daily routines. This session is scheduled for March 20, 2026, at 2:30 pm -4:30 pm, and will be facilitated by Parent Coordinator and Saragene Civil, Guidance Counselor. The third workshop is a mental wellness session via Zoom.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

1. Housing & Financial Challenges- Maria Delgado and STH Coordinator
2. Integrating the 7 habits of highly effective parents into the daily routines- Leader In Me Coach
3. Mental wellness -Simone Vaugh

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Yamiley Amadis (Parent Coordinator); Saragene Civil (Guidance Counselor)

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents will be notified of the workshops via email, monthly and biweekly, parent Zoom meetings, messaging, phone calls, and bag packed written notices. Notices of the workshops will also be posted on students' google classrooms as well as in the school monthly calendar, which is posted on the school webpage the first of every month.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Records will be maintained through Google Drive. Attendance will be kept on paper.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

N/?

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem	n/a	n/a
Purchased services -High quality staff and curriculum development contracts.	n/a	n/a
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.	n/a	n/a
Educational Software (Object Code 199)	n/a	n/a
Travel	n/a	n/a
Other	n/a	n/a
TOTAL	n/a	n/a

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Grades to be served in this program. Select all that apply.

,2,6,8,7,K,1,3,4,5

Total number of teachers in this program:

12

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

The program will take place in after school beginning on February 26th.

This funding will be used to enhance the existing Title III / SIFE Program to accommodate all immigrant students including the ELLS in grades 1-8.
The "enhanced" Title III / Immigrant After School Program will target all Caribbean immigrant students, who speak an English dialect, from grades six through eight. The program will meet for approximately 30 sessions on Wednesdays and Thursdays from 2:35 pm - 4:00 pm beginning February 25, 2026 through June 18, 2026.

The funding will be used to hire more teachers to off-set the increase in students in the Title III / SIFE programs, and the purchase of Imagine Learning and Lexia. These resources allow students to improve language acquisition and

improve in academic skills as they are engaged in activities focusing on target areas of need. This online program would help the selected group of students close the achievement gap by building students' proficiency in phonological awareness, fluency, vocabulary, comprehension, grammar and academic language. As students engage in the online activities, on the spot data would be generated for every student. Teachers would use the data to design activities that would tackle their academic/language needs.

The program will service about 37 additional non- ELL students with a total of 12 teachers, including technology coach, Mr. Sannon and ENL teachers, Rick Jean-Marie and Marlon Rodriguez. The qualification of the teachers are as follows: 4 Math certified, 1 Science and Math certified, 4 ENL certified and 2 generalist/SWD certified. The language of instruction will be in English and the students' native language. The program will seek to meet the diverse emotional, social and academic needs of these learners.

The afterschool program will be supervised by AP Torchon.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

The data from various assessments - NYSESLAT, i-Ready diagnostic, NYS ELA & NYS Math Test as well as Acadience Our data have
continued to show significant in the performance of students in both ELA and Math. The Initial assessment data from i-Ready Reading and Math show only about 11 of our students in grades K through 8 have met standards. The reading composite data from Acadience from Grade
K-2 shows only 49% are on grade level. Results from the NYS ELA and Math exams show 41 an 45 percent of students, respectively, grades 3-8 are below grade level. As a result, we need to continue to serve our ENLs/MLs with two Title III supplementary programs - ELLA and Saturday Academy.

NYSITELL, and I-Ready assessments data will be used to monitor student growth at the end of the year into the English Language acquisition for the ELLs. Quantitative data includes improvement in the language proficiency levels. Formative and summative assessment data will be used monitor the growth of non-ELLs.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and

- If ELLs are also included in these programs, (e.g., Newcomer).

We will serve 258 students in the Title III and Immigrant Afterschool Program for grades 1-8th.

Subgroups:
-78 students Entering at English Language proficiency level
-36 at emerging
-34 at transitioning
-34at expanding
-38 at commanding
-38 Non-ELL Immigrants

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

The program will meet for approximately 35 sessions on Wednesdays and Thursdays from 2:35 pm - 4:00 pm beginning February 25, 2025 through June 18, 2026.

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

The language will include English, Spanish, and Haitian Creole.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

We will have 12 teachers, including technology coach, Mr. Sannon and ENL teachers, Rick Jean-Marie and Marlon Rodriguez. The qualification of the teachers are as follows: 4 Math certified, 1 Science and Math certified, 4 ENL certified and 2 generalist/SWD certified.

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

The purchase of Imagine Learning and Lexia will be utilized but at no cost to the Title III Immigrant funded program.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

A Googledoc will be used to account for the number of students expected to be served in the afterschool program and daily attendance will be taken to monitor participation in the program.

This funding will be used to enhance the existing Title III / SIFE Program to accommodate all immigrant students including the ELLS in grades 1-8 grade.
The "enhanced" Title III / Immigrant After School Program will target all Caribbean immigrant students, who speak an English dialect, from grades one through eight.

The program will meet for approximately 30 sessions on Wednesdays and Thursdays from 2:35 pm - 4:00 pm beginning February 25, 2026 through June, 2026.

AP Torchon along with ENL teachers, Mr. Jean-Marie and Mr. Rodriguez will monitor the program.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

To ensure the success of the Tittle III Immigrant after school program and improve student academic achievement, PS 189 will develop a professional development plan that will focus on enhancing teacher capacity by equipping them with the necessary tools and strategies in order to effectively support math and literacy instruction, create an environment where students' diverse linguistic and cultural backgrounds are taken into account by addressing the social emotional aspects of learning.

AP Bola, the professional developing liaison, in collaboration with AP Torchon, Karen Jones, the literacy liaison, Mr. Sannon (Math Coach) and Rick Jean Marie, the ENL senior teacher, will organize a professional development for the Math certified teachers in the Title III program to support the effective delivery of math instruction. AP Torchon and Mr. Sannon (Math Coach) are certified in both the Bilingual and common branch areas, will conduct the PD during the week of November 11, 2025 from 2:30 pm - 4:30 pm. The second professional development is scheduled for February 27, 2026 from 2:30 pm-4:40 pm. The third PD will be provided by AP Torchon and Mr. Sannon, on how to assign students mathematics work based on their academic and language needs. The PD is to take place from 2:30 pm to 4:30 pm the week of March 20, 2026.

For the support of language development, Literacy Coach Karen Jones and ENL Teacher Jean- Marie, will provide a professional learning activity for the classroom teachers who will teach literacy /language sessions during the Tittle III Immigrant after school program, focusing on meeting students' academic and language needs through small group instruction. Both, literacy coach and ENL teachers will conduct a workshop on literacy instruction best practices for teachers during the week of February 27, 2026 from 2:30 pm to 4:30 pm.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

Rationale: The purpose of the aforementioned PD sessions is to provide high quality training that impacts instruction, teacher performance and student learning. Particular focus will be placed on addressing the needs of SIFE, newcomers, and our high needs students based on analysis of data from I-ready, Acadience, NYS ELA, and Math exams as outlined in the School's Comprehensive Educational Plan. These workshops will also help teachers with the integration of content area materials through hands-on activities while students develop literacy skills and English language proficiencies through authentic and communicative language activities. Mr. Jean-Marie (ENL Teacher/ENL Coordinator and translator) will also work with the teachers on using the native language to enhance student learning of the target language, Knowledge of content specific teaching strategies so that the students can get a deeper understanding of content areas and develop academic and social language. Linguistic and cultural backgrounds of students will also inform teaching strategies and instructional content materials.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

To ensure the success of the Tittle III Immigrant program, all Title III immigrant program afterschool teachers will receive in-person training conducted by AP Torchon, AP Bola, Mr. Sannon (Math Coach), Jean Marie(ENL teacher), Literacy Coach Jones and consultants I-Ready.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

AP Torchon and Mr. Sannon (Math Coach) are certified in both the Bilingual and common branch areas, will conduct the PD during the week of November 11, 2025 from 2:30 pm - 4:30 pm. The second professional development is scheduled for February 27, 2026 from 2:30 pm-4:40 pm. The third PD will be provided by AP Torchon and Mr. Sannon, on how to assign students mathematics work based on their academic and language needs. The PD is to take place from 2:30 pm to 4:30 pm the week of March 20, 2026.

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

Particular focus will be placed on addressing the needs of SIFE, newcomers, and our high needs students based on analysis of data from I-ready, Acadience, NYS ELA, and Math exams as outlined in the School's Comprehensive Educational Plan. These workshops will also help teachers with the integration of content area materials through hands-on activities while students develop literacy skills and English language proficiencies through authentic and communicative language activities. Mr. Jean-Marie (ENL Teacher/ENL Coordinator and translator) will also work with the teachers on using the native language to enhance student learning of the target language, Knowledge of content specific teaching strategies so that the students can get a deeper understanding of content areas and develop academic and social language. Linguistic and cultural backgrounds of students will also inform teaching strategies and instructional content materials.the
instructional google classroom platform and technology connectivity. This session is scheduled for March 8, 2025 at 2:20 pm -3:30 pm, and
will be facilitated by Parent Coordinator Amidis-Mirand and AP Torchon.

The third workshop is a mental wellness session via Zoom. Parents will
engage in a variety of relaxation activities that will help them cope with stressful situations. The facilitator for this workshop will be
Donna Poon, representative from Kings County Hospital.

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

Donna Poon, representative from Kings County Hospital.
I ready: Program representative

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

Attendance sign in sheet and receipts from purchase orders.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Our ELLs and newcomer parents continue to be an integral part of the Title III Program. All school-based home communication will be translated into the respective native languages. Parents will be invited to 4 sessions (2 in-person and 2 Zoom) during the Title III Program to participate in a series of informative workshops. The first workshop will be a zoom workshop on housing challenges due to financial status and providing parents with resources that will support them. This workshop is scheduled for February 20, 2026, from 2:20 pm -3:30 pm, and it will be facilitated by the family worker, Maria Delgado, STH Nataly Urena, and , STH Social Worker, Sara Nazario, Parent Coordinator, Yamiley Amadis. The second workshop will focus on Integrating the 7 habits of highly effective parents into the daily routines. This session is scheduled for March 13, 2026, at 2:20 pm -3:30 pm, and will be facilitated by Parent Coordinator and AP Stephen. The third workshop is a mental wellness session via Zoom. Parents will engage in a variety of relaxation activities that will help them cope with stressful situations. The facilitator for this workshop will be Arlene Casimir . The fourth workshop is a on the use of online program, Imagine Learning, which is scheduled for April 10, 2026, from 2:20 pm to 3:30 pm. The presenters for this segment will be a consultant from the program, Imagine Learning.
Rationale: Some immigrant parents are new to the country and are affected by current pandemic challenges. Therefore, they are not aware of ways that can alleviate challenges concerning housing, technology, and stress related challenges. Support for parental involvement is shown in compelling research evidence which suggests that parental involvement has positive effects on children's academic achievement (Carrasquillo & London, 1993; Delgado-Gaitian, 1991; Heine, 1992; Henderson, 1987; Quelmatz, Shields & Knapp, 1995).

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

About 23% of our parents are in temporary housing. A great number of them, particularly, our newcomers represent more than a third of them. Others are new to the country and are affected by housing challenges due to lack of financial resources. Therefore, they are not aware of ways that can alleviate challenges concerning housing, technology, and stress related challenges. Teaching families different ways to effectively implement daily routines and best practices to promote better communication and understanding between them and their children. Parental involvement is shown in compelling research evidence which suggests that parental involvement has positive effects on children's academic achievement (Carrasquillo & London, 1993; Delgado-Gaitian, 1991; Heine, 1992; Henderson, 1987; Quelmatz, Shields & Knapp, 1995). Therefore, it is imperative that families learn to cope with financial/housing challenges, so that the stress does not impact our students' social and academic development.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Title III family engagement will occur February 20, 2026 from 2:20 pm -3:30 pm, and it will be facilitated by the family worker, Maria Delgado, STH Nataly Urena, STH Social Worker, Sara Nazario, and Parent Coordinator, Yamiley Amadis. The second workshop will focus on educating parents about technology, specifically on how to navigate the web, becoming familiar with the instructional google classroom platform and technology connectivity. This session is scheduled for March 13, 2026 at 2:20 pm -3:30 pm, and will be facilitated by Parent Coordinator and AP Stephen. The third workshop is a mental wellness session via Zoom. Parents will engage in a variety of relaxation activities that will help them cope with stressful situations. The facilitator for this workshop will be Arlene Casimir. The fourth workshop is focused on the use of online program, Imagine Learning, which is scheduled for April 10, 2026 from 2:20 pm to 3:30 pm. The presenters for this segment will be a consultant from the program, Imagine Learning.

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

Housing & Financial Challenges- Social Workers: Maria Delgado, Sara Nazario and STH Nataly Urena
Integrating the 7 habits of highly effective parents into the daily routines-
Mental wellness -Arlene Casimir

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Arlene Casimir
Imagine Learning Consultant
Iready Consultant

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Parents will be notified of the workshops via email, monthly parent Zoom meetings, messaging, phone calls, and bag packed written notices. Notices of the workshops will also be posted on students' google classrooms as well as in the school monthly calendar, which is posted on the school webpage the first of every month.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Documents and records will be maintained through agenda and attendance signs in sheets, as well as through notification flyers sent home to families.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

NOT conceptually consolidated (must complete part E Budget below)

Allocation Amount ($):

18,991

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem	0	
Purchased services -High quality staff and curriculum development contracts.	18,991	
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.		
Educational Software (Object Code 199)	0	
Travel	0	
Other	0	
TOTAL	18,991
