Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

PS 214K – The Michael Friedsam School

District Borough Number (DBN):

19K214

Grades Served:

3K, PK, 0K, 01, 02, 03, 04, 05, SE

School Address:

2944 PITKIN AVENUE, BROOKLYN, NEW YORK 11208

Phone Number:

718-647-1740

Fax:

718-827-5838

School Contact Person:

Mrs. Sharon Mahabir

School Contact Person Email Address:

smahabi@schools.nyc.gov

Principal:

Mrs. Sharon Mahabir

United Federation of Teachers (UFT) Chapter Leader:

Ms. Denise Salowski

Parents' Association President:

Ms. Kimberly Flores

SLT Chairperson:

Ms. Heidi Banwer

Title I Parent Advisory Council Chairperson (PAC):

Ms. Petulah Daniel

Student Representative(s) Middle /High School:

N/A

Student Representative(s) Middle /High School:

N/A

Community Based Organization (CBO) Representative:

Mr. Romualdo Vasquez, Beacon Director-Cypress Hills LDC

School-Based Students in Temporary Housing (STH) Liaison:

Ms. Tabitha Lewis, Guidance Counselor

District Information

Geographic District:

19

Superintendent:

Dr. Tamra Collins

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Mrs. Sharon Mahabir	Principal or Designee*	
Ms. Denise Salowski	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Ms. Kimberly Flores	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Ms. Milagros Trivino	District Council 37 (DC 37) Representative (staff), if applicable	
Ms. Petulah Daniel	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	
N/A	Student Representative (Required for middle and high schools)	
Mr. Romualdo Vasquez	CBO Representative, if applicable	
Ms. Suria Aktuar	Elected Parent	
Ms. Rohini Mangru	Elected Parent	
Ms. Jagdish Rathour	Elected Parent	
Ms. Heidi Banwer	Elected UFT	
Ms. Maria Rudman	Elected UFT	
Ms. Erica Rogers	Elected UFT	
Mr. Gregorios Athanasakis	Elected UFT	
Ms. Rashida Akter	Elected Parent	
Ms. Sabikun Nahar	Elected Parent	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature
Ms. Israt Nali	Assistant Principal / PS214K	
Dr. Esmery DeJesus	Assistant Principal / PS214K	
Ms. Amber Abramson	ENL Teacher / PS214K	
Ms. Gabriella Bali	ENL Teacher / PS214K	
Ms. Nicole Langona	School Psychologist / PS214K	

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

PS 214K's Mission Statement:
Our mission is to educate every child to his and her fullest potential. We provide a comprehensive, standards-driven instructional program designed to address the varied learning styles and ability levels of our students. We strive to build a strong collaborative relationship with parents and guardians as they have an integral part in our students achieving standards of excellence.

PS 214K's Vision Statement:
Every Child... Every Journey... At PS 214K we strive to provide rich, motivating learning experiences for every child. Our goal is to establish environments that open the doors to a life of learning. We are here to support our students, their families, and the community in your path to global citizenship in this 21st century.

Instructional Focus for 2025-2026:
Our instructional focus is to strengthen Tier 1 core instruction as a result of teachers analyzing oral and written curriculum assessment tasks to monitor student outcomes, and intentionally plan for students to engage with high level texts, authentic writing tasks, student to student discourse, and opportunities to problem solve, which will allow students to show growth towards mastery of standards.

Principal's Priority Focus for 2025-2026:
The Principal's priority is to engage all teachers in strengthening their Tier 1 core instruction by analyzing student learning outcomes from formative assessments and using the data to intentionally plan for students to engage with high level texts, authentic writing tasks, student to student discourse, and opportunities to problem solve, which will allow students to show growth towards mastery of standards.

PS 214K's Equity Vision Statement:
PS 214K is committed to the belief that all students are entitled to opportunities that will allow them to access all learning and become successful. This equity commitment will be achieved by:
- holding the school community accountable to high expectations for all student learning;
- providing opportunities for each student to explore and build their individual positive identity
- providing intentional experiences and resources for all students, which will allow them to access both academic and non-academic learning, and empower each student to advocate for themselves;
- confronting both racial and economic disparities by celebrating our diversity, breaking down cultural barriers and building an appreciation for unique, diverse learners;
- providing intensive, data-driven interventions and social-emotional supports for all students to face and deal with challenges, and grow into successful global citizens;
- aligning our Equity obligation to the Culturally Responsive Education vision of the NYCDOE and New York State.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

Public School 214K is located in City Line, a sub-section of East New York, Brooklyn, bordering Queens. As City Line is one of the most ethnically diverse neighborhoods in Brooklyn, we celebrate the diversity of our student population, which is largely Bengali and Hispanic. We have full classes on every grade, which includes full-day 3K for All, and 4K for All to Grade 5. The school population comprises 10% Black, 26% Hispanic, 2% White, and 59% Asian students. The student body includes 20% English language learners and 17% special education students. For our student enrollment, boys account for 55% and girls account for 45% to total student population. Due to our increase in immigrant populations and based on targeted needs evident for all of our students, especially our English Language Learners and Students with Disabilities, we are striving to increase comprehension and language proficiency across all grades. To meet these goals we are increasing our support staff Tier III Response to Intervention protocols and differentiation using Specially Designed Instruction. In addition, increased professional development by our English as a Second Language providers, increased leveled trade books in classroom libraries for guided reading, use of the school library as a literacy center will help to support the increase in reading and writing proficiencies.

We continue our partnership with the Cypress Hills Development Corporation for the Beacon Program which offers after school and weekend programs, infusing literacy support, for students and families within our community. For the 2025-2026 school, we continue our partnerships with the Lang Lang Foundation who supports us with our Piano music program in grades 2 to 5, NYC DOHMH who, along with our CRSE team through CUP grant funding, supports our students and families with trauma support and mental wellbeing. We are now partnered with Priya Dias who provides workshops for our families on Language Access, Financial Literacy and Understanding Technology. To support our students and families we have a full time mental health social worker through Interborough Mental Health. Also, we are partnered with The Road Runners program this year for both boys an girls with mandated APE, to help our students build discipline, increased physical well-being, stamina and self-esteem. Throughout the year, we partner with the Brooklyn Public Library to ensure our families are up to date with their cards and new offerings from the library for literacy empowerment. We have been chosen again for the new school to participate in the NYCPS Computer Science for All program and NYC Sun Works Hydroponics Lab grant.

We will continue to provide ongoing support for Advance, the New York City Pubic Schools Teacher Evaluation System, as well as, a constructive lens of the NYC Priority Learning Standards via the New York State Next Generation Learning Standards for all staff. Several areas of focus for 2025-2026 include: continued explicit phonics development in the early childhood grades, explicit modeling of teaching practices for students centered around writing strategies and discourse, continuing student engagement through practices of discourse and peer to peer feedback, especially through the use of ENL discourse strategies and the new use of thinking maps; continuing to progress students' reading stamina across grades Kindergarten to 5 through consistent reading instruction; the need to increase students' writing stamina across grades Kindergarten to 5 in alignment with the Wit & Wisdom curriculum; provide best practices for differentiation and multiple entry points for all students as through Specially Designed Instruction aligned to Universal Design for Learning, and implementation of a comprehensive progress monitoring system for all students, which will includes monitoring specific subgroups of students to track ongoing progress across core subjects. For the 2025-2026 school year, we continue to celebrate our record as a school 'In Good Standing' as per the New York State Report Card. This school year, we will continue to offer Professional Learning Opportunities designed by our active PLO Committee who provide teacher support on sharing best teaching practices for, but not limited to: culturally responsive education, math content understanding, discourse protocols and routines, personalized learning and explicit instruction, differentiation using Specially Designed Instruction, classroom environment and Universal Design for Learning, reflective planning, intervisitations, normed understandings of Danielson's Framework, and full implementation/customization of Eureka Math Squared and Wit & Wisdom

curricula. Upper grade teachers will be provided job-embedded coaching support for Eureka Math Squared. In addition, we will continue to partner with Brooklyn North, District 19 Professional Learning Opportunities, educational consultants and other agencies for job embedded professional development. The success of our ongoing learning opportunities will be evident in our students' progress in the core subjects. Through reflective planning and teacher training, teachers are building their practices to include interdisciplinary, hands-on experiences for students to engage them in more meaningful and challenging learning. Several goals for our students include the use of a fully functional school library which will give students and families opportunities to explore literacy and research, as well as, building a STEAM: Science, Technology, Engineering, Arts and Math and program in PS 214K.

Our acclaim is that our students graduate on to many top middle schools in District's 19 and 27, as well as specialized high schools in NYC. We are excited that PS 214K will continue to expand on the school wide initiative, MTSS/PBIS. MTSS (Multi-tiered School System) and PBIS (Positive Behavioral Intervention and Supports), which are school wide programs where students and staff work together to create a positive, safe, and nurturing academic environment. We use the CARES model throughout the school building, modeling what it means to be Caring, Appropriate, Responsible, show Effort, and be Safe. When students show they are following CARES , they are able to earn rewards such as certificates, lunch with a staff member, celebrations, prizes, and more. Another integral part of bringing PBIS to our school is to foster school spirit. MTSS/PBIS is ongoing and we look forward to continue to build the model as this school year ends and a new one begins. We will continue to build our youth empowerment programs of My Brother's Keeper and Girls Empowerment Movement to allow our students the opportunities take pride in their uniqueness. The goal of our CRSE team is to ensure teachers and staff build an understanding of and address racial disparity and biases towards children. Alongside this movement, we will promote students positive well-being and provide structures throughout the school to ensure students emotional needs are met.

Briefly summarize the key initiatives your school will implement this school year.

The key initiatives PS 214K will implement this year are:

- Continous alignment of our PS214K initiatives to the District 19 Pillars of:
  Early Childhood Literacy = NYC Reads MTSS Alignment
  Wit & Wisdom with Integrity
  Eureka Math Squared Coaching Series - NGLS Alignment and Building Teacher's Conceptual Understanding
  MLL as continued Social Justice Group
  Slef Contained Class as Social Justice Group
  Tailored Professional Development aligned to goals and Principal's Priority Focus
  School Intervisitations
  Job Embeded Coaching: Literacy coach, Acadience coach, Fundations coach, Wit & Wisdom coach, Eureka Math Squared coach
  Civics for All integration
  Six to eight week cycles of Progress Monitoring
  Admin Walkthrough Cycles

- Aligned to the Chancellor's NYC Reads: continue with full implementation of Fundation Phonics aligned with the Science of Reading and the Science of Writing strategies and practices in all Kindergarten to 5 classes and Tier III students;

- Aligned understanding of Chancellor's NYC Solves and NYCPS Mathematical Shifts;

- Use of Sound Sensible on grades Kindergarten to 1 and SPIRE on grades 2 to 5 for Tier 2 and Tier 3 interventions;

- Full implementation of Edmentum Exact Path to target Reading and Math standards aligned to our progress monitoring;

- i-Ready as secondary screener and progress monitoring program for Reading and Math;

- During professional learning, curriculum planning using the module and lesson study protocols;

- Continued full implementation of fully scheduled WIN intervention periods on all grades with support of AIS and ENL providers;

- Student, family and staff cultural and college celebration days;

- Continued culturally responsive learning and supportive activities for staff and students, and engaging community building opportunies for our families.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	Kindergarten to 5	Great Minds Wit & Wisdom and InSync	Scope and Sequence pacing; Customization
Math	Kindergarten to 5	Great Minds Eureka Math Squared and InSync	Scope and Sequence pacing; Customization
ELA	Kindergarten to 3	Wilson Fundations	Phonics FunHub
ELA and Math	3K for All and 4K for All	NYCPS Creative Curriculum	PK Math Standards-Aligned and SEL Adaptations
ELA - Phonics Development	Kindergarten to 1	Sound Sensible	Tier 2 Small group instruction
ELA - Phonics Development	Grades 2 to 5	SPIRE	Tier 2 Small group instruction
ELA - Phonics Development	Grades K to 5	Heggerty	myHeggerty Digital
ELA - Phonics Development	Grades 4, and 5	Really Great Reading HD Words	Reading Plyaground
ELA - Phonics Development (Tier 3)	Grades 4 and 5	REWARDS	N/A

ELA - Phonics Development	Grades 3 to 5 ENL	Phonics for Reading	N/A

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
June 2025 Acadience: Grades K to 5 EOY data indicates the current student performance: Kindergarten: +24% progress Grade 1: +17% progress Grades 2: -25% progress Grade 3: -15% progress Grade 2: 67% of students need support with oral reading fluency-words correct and retell; Grade 3: 66% of students needs support across oral reading fluency-words correct, accuracy and retell Grade 4: -10% progress; approximately 71% of students need help with oral reading fluency-words correct and accuracy; Grade 5: +11% progress NWEA MAP Reading: Grades 3 to 5 EOY data indicates the current student performance: Grade 3: 48% growth, Gr 3 students need explicit instruction vocabulary acquisition & usage, NGLS R.4, and understanding language, craft and structure, R.3 Grade 4: only 51% growth, Gr 4 students need explicit instruction understanding key ideas, details and connections, R.2, and understanding	Gaps found in phonemic development due to the implementation of foundational phonics curriculum on Grades K to 3	Teachers must analyze student outcomes to track progress for foundational phonics and literacy skills.

language, craft and structure, R.3 Grade 5: 43% growth, Gr 5 students need explicit instruction understanding key ideas, details and connections, R.2, understanding language, craft and structure, R.3, and vocabulary acquisition & usage, R.4 NYS ELA Exam 2024: Across grades 3 to 5, only 34% of students met literacy proficiency on the exam; the identified targeted standards R.2, R.3		
NYS ELA Exam 2025: Across grades 3 to 5, only ??% of students met literacy proficiency on the exam; the identified targeted standards R.2, R.3 June Instruction Report indicates the preliminary focus standards continue to be R.2, R.3 and new R.4	Gaps were found in students' performance on tasks to identify key ideas, details, conncetions, language, craft and structure. Significant support is needed to build vocabualry acquisition	Teachers must analyze student outcomes to detemine progress of students meeting standards, and successfuly completing standards aligned tasks.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	48	By June, 2026, literacy for All Students will improve, as measured by a 5% Increase, from 48 to 53, of increase of student proficiency on the NYS ELA exam results.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

District 19 ELA Benchmark #1, and if needed Acadience and NWEA MAP Reading

Enter a Key Performance Indicator

Increased percentage of students on or above level 3 (All students)

Baseline:

BOY Acadience data on Grades 3 to 5

Enter the date for the baseline data:

September / October 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

22% of students meeting literacy grade-level benchmarks for reading proficiency

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

30% of students meeting literacy grade-level benchmarks for reading proficiency

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

41% of students meeting literacy grade-level benchmarks for reading proficiency

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Continued review of benckmark data to inform instructional planning.

Continued monitoring of student learning outcomes to inform movement of teacher practice.

Cycles review of FQT/EOM by teacher teams to identify standards aligned progress and target continued student needs.

Consistent monitoring of students' learning path progress on Edmentum's Exact Path; needed aligning student's learning paths to target needs and standards.

Root Cause Addressed:

Gaps found in phonemic development due to the implementation of foundational phonics curriculum on Grades K to 3. HD Words Phonics program was introduced on Grades 4 and 5 in 2024-2025.

Gaps were found in students' performance on tasks to ientify key iedeas, details, conncetions, language, craft and structure. Significant support is needed to build vocabualry acquisition through explicit phonic development.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
All students, especially in grades 3 to 5 will complete the baseline Acadience Reading and NWEA MAP Reading assessments.

Grade teachers, along with school leaders, will analyze Acadience Reading and NWEA MAP Reading assessment data during data chats to determine students' mastery of concepts and needs areas.
During each grade level meeting, staff will review the list of strategies, materials and mnemonic devices generated by the preceding year teachers for ongoing instructional planning, program adjustments and ensure intentional planned MTSS Tier 2 insructional learning.
School and teacher leaders will provide ongoing, intentional professional development to strengthen teacher practice with Tier 1 literacy programs: Wit & Wisdom, Heggerty, Fundations, HD Words, and strengthen practices with phonemic development, voacbulary acquisition, fluency and comprehension.
Ongoing analysis of data from formative, summative and interim assessments, including Acadience Reading and NWEA MAP Reading assessment data on all grades, both at the administrative level and the teacher team level will guide the academic intervention literacy cycles as well as Tier 2 and Tier 3 classroom teaching interventions.
Students will engage with Tier 1 literacy core instruction programs daily, with consistency, using Wit & Wisdom, Heggerty, Fundations or HD words. Teachers will use instructional routines to engage students with high level texts, authentic writing tasks, and student to student discourse.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The Principal, Assistant Principals, and Literacy Coach will:

~ Attend grade-level team meetings to provide additional support to teachers with making connections to current content and prior learnings using Tier 1 core instructional programs;

~ Use the Wit & Wisdom module and lesson study planning protocols to plan for students to engage with high level texts, authentic writing tasks, and student to student discourse, while ensuring intentional planning for access for all;

~ Analyze student authentic writng tasks: Wit & Wisdom Focus Questioning tasks and End of Module tasks to monitor students' performance with standards aligned work;

~ Monitor the use of Fundations trackers to ensure consistency of program implmentation, progress of students' phonemic development;

~ Consistent monitoring of students' learning path progress in Edmentum Exact Path and tailor learning paths aligned to targeted needs and standards.

School leaders will conduct ongoing learning Walkthroughs and Observations, and provide timely, explicit feedback to teachers. Teachers will receive feedback during one to one feedback sessions and in written form. Feedback will be tracked using Advance and an internal observation Walkthrough feedback tracker.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/13/2025	05/22/2026	Planned monthly Parent University learning opportunites on school literacy programs and what their children are learning.	
09/08/2025	06/25/2026	Ongoing information shared during Monthly PTA and SLT meetings on school literacy initiatives for families.	Cypress Hills LDC Beacon Program
09/08/2025	06/25/2026	Ongoing information shared during monthly workshops on school literacy initiatives for families.	N/A

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Administration, teaching staff, parent coordinator, data specialist, grade leaders

Instructional Resources

Wit & Wisdom, Wilson Fundations, Sound Sensible and SPIRE, Fundations, Decodable readers, Edmentum Exact Path, HD Words, REWARDS and Literacy online program reports

Schedule Adjustments

As needed

Other Resources Needed

Assessment and data resources: NYS ELA exam data, NWEA MAP Reading, Acadience data, Wit & Wisdom EOM, District 19 Benchmark Assessments

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
June 2025 In-school SEL Student Wellness Survey (form Panorama Education) 58% of students feel happy almost always or frequently	Students dealing with challenging environments at home and/or school	To increase the number of students on grades 3 to 5 with positive feelings
In-school SEL Student Wellness Survey (form Panorama Education) 64.5% of students said they sometimes feel lonely once in a while or almost never	Students not dealing with challenging relationships at home an/or school; possible effects of social media	To decrease the number of students on grades 3 to 5 with challenging feelings
In-school SEL Student Wellness Survey (form Panorama Education) 32.2% of students worry about violence in school	Students understanding of today's climate of gun voilence and current political warfare	To decrease the number of students on grades 3 to 5 who worry about violence in school

In-school SEL Student Wellness Survey (form Panorama Education) 38% of students said they are very and extremely sure they understand complicated ideas in class	Students don't respond to or ask clarifying questions to understand what they are learning	To increase the number of sudents on grades 3 to 5 who promote self efficacy

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	70	By June, 2026, physical and mental wellness for all students will improve, as measured by a 15 increase, will improve from 70 to 90, per the EOY Student Wellness Survey, a combination of wellness programs, regualr consultation with teachers, and tracking the number of and type of referrals for emotional and physical support.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Guidance strategies implemented by guidance team and teachers.

Plan for and provide student learning on coping skills, growth mindest, and mindfulness.

Build relationships with families to support students who have concerns with challenging feelings, self efficacy and esteem.

Root Cause Addressed:

Students dealing with challenging environments at home and/or school.

Students not dealing with challenging relationships at home an/or school; possible effects of social media.

Students understanding of today's climate of gun voilence and current political warfare.

Students don't respond to or ask clarifying questions to understand what they are learning.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Administer and review data from the beginning of the year student wellness survey to make informed decisions.
In collaboration with school administration, guidance team, school based support team and attendance team, coordinate targeted wellness mentoring for students using BOY, MOY and EOY student wellness survey data.
Activate the school Crisis Team when needed.
Provide opportunities for students to participate in My Brother's Keeper and Girl's Empowerment Movement school and district learning and events.
Provide opportunities for students to engage together in school spirit and cultural events
We will incorporate the SEL program MindUp for all students.
During period 1 every day, all teachers support our students with a mindfulness activity, SEL movement.
Planned school-wide opportunties throughout the school year are planned for students and staff, starting with our 10-day SEL opening and Start With Hello week.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

In collaboration with school administration, guidance team, school based support team and attendance team, revisit targeted wellness mentoring for students using MOY and EOY student wellness survey data.

Administer and review data from the middle of the yearand end of year student wellness surveys to make informed decisions.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/19/2026	Ongoing workshops for families regarding new SEL learning initiatives and student supports for the school year	Interborough Mental Health, NY Psychotherapy, DOH, Child Mind Institute
09/08/2025	06/19/2026	Ongoing communication with students' families in need to provide supports	Interborough Mental Health, NY Psychotherapy, DOH, Child Mind Institute

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

School Administration, Guidance and SBST staff, school Crisis team, District 19 team, Interborough Mental Health, ACS caseworkers, school attendance team

Instructional Resources

MindUp curriculum, SEL and CRSE printed materials and reading books, online wellness and mindfulness resources

Schedule Adjustments

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
June 2025 NWEA MAP Math: Grades Kindergarten to 5 EOY data indicates the current student performance: Grades Kindergarten to 5: 51% made growth from BOY 2024; Kindergatren, students need explicit instruction on number sense, counting and operations, and geometry; Grade 1: only 15% of students scored in the top 2 percentiles and answered standards aligned math questions correctly; Gr 1 students need explicit instruction on number sense, counting and operations, and geometry; Grade 2: only 16% of students scored in the top 2 percentiles and answered standards aligned math questions correctly; Gr 2 students need explicit instruction on number sense, counting and operations, operations & algebraic thinging, and measrurement & data; Grade 3: only 21% of students scored in the top 2 percentiles and answered standards aligned math questions correctly; Gr 3	Gaps were found in number sense, base ten place value understanding, operations with fractions and algebraic thinking.	Teachers must analyze student outcomes to track progress for targeted math supports.

students need explicit instruction on numbers and operations, measrurement & data; Grade 4: only 28% of students scored in the top 2 percentiles and answered standards aligned math questions correctly; Gr 4 students need explicit instruction on operations & algebraic thiking and measurement & data; Grade 5: only 18% of students scored in the top 2 percentiles and answered standards aligned math questions correctly; Gr 4 students need explicit instruction on operations & algebraic thiking and geometry; NYS Math Exam 2024: Across grades 3 to 5, only 47% of students met literacy proficiency on the exam; the identified targeted standards: GRADE 3: 3.OA.3, 3.NBT.3, 3.MD.1, 3.MD.7, 3.NF.3 GRADE 4: 4.OA.3, 4.OA.5, 4.NBT.5, 4.NBT.6, 4.NF3 GRADE 5: 5.NBT.6, 5.NBT.7, 5.MD.1, 5.MD.5, and all Fractions		
NYS Math Exam 2025: Across grades 3 to 5, only ??% of students met math proficiency on the exam; the identified targeted standards: GRADE 3: 3.OA.3, 3.NBT.3, 3.MD.1, 3.MD.7, 3.NF.3 GRADE 4: 4.OA.3, 4.OA.5, 4.NBT.5, 4.NBT.6, 4.NF3 GRADE 5: 5.NBT.6, 5.NBT.7, 5.MD.1, 5.MD.5, and all Fractions NWEA MAP Math: Grades Kindergarten to 5 EOY data indicates the current student performance: Grades Kindergarten to 5: overall school wide 19% of students scored in the top 2 percentiles and answered standards aligned reading questions correctly; Grade Kindergarten: only 16% of students scored in the top 2 percentiles and answered standards aligned math questions correctly; Kindergarten students need explicit instruction on number sense, counting and operations, and geometry; Grade 1: only 15% of students scored in the top 2 percentiles and answered standards aligned math questions correctly; Gr 1 students need explicit instruction on number sense, counting and operations, and geometry; Grade 2: only 16% of students scored in the top 2 percentiles and answered standards aligned math questions correctly; Gr 2 students need explicit instruction on number sense, counting and operations, operations & algebraic thinging, and measrurement & data; Grade 3: only 21% of students scored in the top 2 percentiles and answered standards aligned math questions correctly; Gr 3 students need explicit instruction on numbers and operations, measrurement & data; Grade 4: only 28% of students scored in the top 2 percentiles and answered standards aligned math questions correctly; Gr 4 students need explicit instruction on operations & algebraic thiking and measurement & data; Grade 5: only 18% of students scored in the top 2 percentiles and answered standards aligned math questions correctly; Gr 4 students need explicit instruction on operations & algebraic thiking and geometry;	Gaps were found in number sense, base ten place value understanding, operations with fractions and algebraic thinking.	Teachers must analyze student outcomes to detemine progress of students meeting standards, and successfuly completing standards aligned tasks.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	51	<School Name> will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the increase their math proficiency by will Increase by 5 from 51 to 56, for All Students, as measured by NYS Math Exam results.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Unpacking of NYC Solves initiatives and the revised NYC Math Shifts.

Math content and standards-aligned job embedded support from Great Minds Eureka Math coaching.

Grade level teams will meet during collaborative planning time to discuss key strategies and techniques for teaching mathematics skills such as fractions, computation, and problem-solving so that teachers can connect new content to previously learned strategies and techniques.

School and teacher leaders will provide ongoing professional development including Eureka Math, Edmentum Exact Path data analysis, NGLS, targeted math concepts, etc.

Root Cause Addressed:

Gaps were found in number sense, base ten place value understanding, operations with fractions and algebraic thinking.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Grade teacher teams, along with school leaders, will analyze NWEA Math MAP assessment data to determine students' mastery of concepts and needs areas.
The Principal and Assistant Principals will work with the School Development Committe and consultants to provide

curriculum training and support to teachers with making connections to prior learnings in math.
School leaders will conduct ongoing learning Walkthroughs and Observations to provide feedback to teachers.Teachers will receive feedback during one to one feedback sessions and in written form. Feedback will be tracked using Advance and internal observation Walkthrough feedback tracker.
Ongoing progress monitoring of student progress will be conducted using both formative and summative assessment data, including NEWA MAP assessment data in Math for all grades.
Grade level teams will meet monthly to share student work samples that articulate connections to prior learnings. The Principal and Assistant Principals will attend these meetings to provide feedback and support.
Students will engage with Tier 1 math core instruction programs daily, with consistency, using Eureka Math Squared. Teachers will use instructional routines to engage students in probelm solving, math inquiry, conceptual understanding and student to student discourse.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Ongoing progress monitoring of student progress will be conducted using both formative and summative assessment data, including MAP assessment data in Math for all grades.

Consistent monitoring of students' learning path progress in Edmentum Exact Path and tailor learning paths aligned

to targeted needs and standards.

School leaders will conduct ongoing learning walks and observations, including virtual, providing feedback to teachers. Teachers will receive feedback during one to one feedback sessions and in written form. Feedback will be tracked using Advance and internal observation feedback tracker.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/19/2026	Ongoing information shared during workshops on school math content initiatives for families.	Cypress Hills LDC Beacon Program
09/08/2025	06/19/2026	Ongoing information shared during Monthly PTA and SLT meetings school math content initiatives for families	Cypress Hills LDC Beacon Program

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

School administration, teaching staff, parent coordinator, data specialist, grade leaders

Instructional Resources

Eureka Math Squared, Edmentum Exact Path, Ready supplemental resources, math online program reports

Schedule Adjustments

As needed

Other Resources Needed

Assessment and data resources: NYS Math exam data, NWEA MAP Math, Eureka Math EOM, District 19 Assessments, iReady

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
June 2025 EOY Student participation data: 59% in grades Kindergarten to 3 through NYC Kids Rise program	Unawareness of college readiness	Continued family outreach for college savings information
Student participation data: 0%	Workshop not provided	Student and family awareness on career readiness
Communication with families in temporary housing and	Family financial	Family awareness on

from outreach: 100% EOY outreach	and food insecurities	economic security

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	65	By June, 2026, the percentage of active NYC RISE college savings accounts for all students on grades Kindergarten to 5 will increase by 20% of families participating, from 59 to 71, as measured by NYC RISE enrollment reports and participation in college spirit days.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Student participation data in college and career school spirit days, family participation in CCR school spirit days,

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Engage students in career information and spirit dress up days led by school staff.

Collaborate with local middle schools to provide Gr 5 student learning about college readiness in the Fall.

Root Cause Addressed:

Family unawareness of college savings program = trusting in the validity of the program.

Unawareness of career readiness and college planning.

Family financial and food insecurities.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Engage students in college and career information spirit days led by school staff.
Collaborate with local CBOs to provide at least one career fair for students and families in the Fall.
Engage students in alumni school visits and presentations.
Promote career readiness information for students and families, and spirit dress up days led by school staff.

We have a vertical team of teachers on grades Kindergarten to 3, lead by an AP and along with our parent coordinator, to support families with understanding RISE information and account creation.
Provide workshops for families in grades Kindergarten to 4 on NYS Kids Rise
Provide workshops for families on financial literacy and career programs
Provide continued information and outreach for families on food distribution

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Student participation data in college and career school spirit days, family participation in CCR school spirit days.

We check our participation rates on a monthly basis via the class participation and PCAR reports.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/19/2026	Provide workshops for families in grades Kindergarten to 4 on NYS Kids Rise	
09/08/2025	06/19/2026	Provide workshops for families on financial literacy and career programs	Cypress Hills LDC
09/08/2025	06/19/2026	Provide continued information and outreach for families on food distribution	Cypress Hills LDC, Councilmember Nurse's office, Senator Persaud's office, PTA

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

School administration, parent coordinator, PTA, school staff, NYC Kids Rise, local politicians, high school guidance counselors, local CBOs, District 19 office

Instructional Resources

NYC Kids Rise information, college information, career development resources, literary resources on careers

Schedule Adjustments

As needed

Other Resources Needed

N/A

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
June 2025 Parent participation attendance data: EOY approximately 60%; NYC School Survey data: EOY was 96%	Increased parent involvement	Continued family engagement in school events, including PTA

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	25	By June, 2026, the percentage of parents/families attending at least 3 in-person school events will increase by 50%, from 60 to 90, as measured by Parent Coordinator Activity Reports (PCAR) and NYC School Survey Results.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Meet with stakeholers: school administration, CRSE team, PTA and SLT/PAC to plan for family engagement events.

Maintain current and increase parent involvement through family-interest based engagement activities.

Root Cause Addressed:

Low parent involvement during PTA meetings.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Meet with stakeholers: school administration, CRSE team, PTA and SLT/PAC to plan for family engagement events.
Allow for parent volunteers to share time and expertise.
Plan and implement parent workshops, learning opportunities, and parent-led celebrations based on surveyed needs.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Conduct MOY and EOY parent survey on needs, analyze results and plan continued outreach and opportunities.

Continue to monitorand track parent participation and feedback.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/19/2026	Parent workshops on curriculum, online programs; in school events and celebrations; CRSE celebrations	Parent coodinator, PTA, Admin, school CRSE team
09/08/2025	06/19/2026	Food, health and housing fairs	Cypress Hills LDC

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

School administration, stakeholders: PTA and SLT, school CRSE team, District 19 team, local CBOs, local policitians

Instructional Resources

Themed resources for celebrations, instructional resources for content fairs

Schedule Adjustments

As needed

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
June 2025 Level 1 Chronic Absenteeism, as per School Accountability Report, EOY attendance data confirms 40% of students are chronically absent	Family hardships, separation anxiety, immigration concerns and student illnesses	Decrease chronic absences for all students

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	41	By June, 2026, the percentage of Chronically Absent students, for all students will decrese by 10%, from 41 to 31, as measured by the Chronic Absenteeism Reports, New Visions Chronic Absenteeism Reports, and Insight Chronic Absenteeism Reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

School leaders and Attendance Team will review 2024-2025 attendance data to develop tiered supports to improve student attendance for the new school year.

The Attendance Team will conduct its monthly meeting with parents and teachers to address importance of attendance, barriers impeding students from attending school, and interventions and resources to support parents.

A tiered system of support is a framework used by schools and districts to address chronic absenteeism. This approach, often referred to as a Multi-Tiered System of Support (MTSS), provides increasingly intensive and individualized interventions based on a student's level of need. The goal is to move from broad, universal strategies to more targeted and intensive supports as the problem persists.

Here is a breakdown of the tiered supports for families with chronic absences:

Tier 1: Universal Supports (for all students and families)
This tier focuses on prevention and creating a positive school-wide culture of attendance. The goal is to proactively engage all families and students, making school a welcoming and supportive environment.

Positive School Climate: Establish a safe, welcoming, and inclusive school environment where students feel a sense of belonging.

Clear Communication: Consistently communicate the importance of attendance to all families from the beginning of the school year. This includes sharing information about how absences can impact learning, school schedules, and procedures for reporting absences.

Relationship Building: Encourage every student to have a connection with a caring adult at school, such as a teacher, mentor, or counselor.

Celebrations and Recognition: Implement school-wide programs to celebrate good and improved attendance through positive reinforcement, such as awards, certificates, or public recognition.

Data Monitoring: Proactively monitor attendance data for all students to identify early signs of chronic absenteeism.

Tier 2: Targeted Interventions (for students and families at risk)
This tier provides more personalized and targeted support for students who are showing early signs of chronic absenteeism (e.g., missing 10% or more of school). The interventions are often delivered in small groups or on a more individualized basis.

Early Outreach: Make personalized, supportive contact with families when absences begin to accumulate. This can be a phone call, text, or email that expresses concern and offers support, rather than being punitive.

Personalized Success Plans: Work with the student and family to create a personalized attendance plan that identifies barriers to attendance and sets specific goals.

Mentoring: Connect the student with a mentor or "attendance buddy" for daily check-ins and support.

Collaborative Meetings: Schedule conferences with the student, family, and a school team (e.g., principal, teacher, counselor) to discuss the absences and assess the underlying needs.

Identify and Address Barriers: Work with families to address common barriers to attendance, such as health issues, lack of transportation, or housing instability.

A tiered system of support is a framework used by schools and districts to address chronic absenteeism. This approach, often referred to as a Multi-Tiered System of Support (MTSS), provides increasingly intensive and individualized interventions based on a student's level of need. The goal is to move from broad, universal strategies to more targeted and intensive supports as the problem persists.

Here is a breakdown of the typical tiered supports for families with chronic absences:

Tier 1: Universal Supports (for all students and families)
This tier focuses on prevention and creating a positive school-wide culture of attendance. The goal is to proactively engage all families and students, making school a welcoming and supportive environment.

Positive School Climate: Establish a safe, welcoming, and inclusive school environment where students feel a sense of belonging.

Clear Communication: Consistently communicate the importance of attendance to all families from the beginning of the school year. This includes sharing information about how absences can impact learning, school schedules, and procedures for reporting absences.

Relationship Building: Encourage every student to have a connection with a caring adult at school, such as a teacher, mentor, or counselor.

Celebrations and Recognition: Implement school-wide programs to celebrate good and improved attendance through positive reinforcement, such as awards, certificates, or public recognition.

Data Monitoring: Proactively monitor attendance data for all students to identify early signs of chronic absenteeism.

Tier 2: Targeted Interventions (for students and families at risk)
This tier provides more personalized and targeted support for students who are showing early signs of chronic absenteeism (e.g., missing 10% or more of school). The interventions are often delivered in small groups or on a more individualized basis.

Early Outreach: Make personalized, supportive contact with families when absences begin to accumulate. This can

be a phone call, text, or email that expresses concern and offers support, rather than being punitive.

Personalized Success Plans: Work with the student and family to create a personalized attendance plan that identifies barriers to attendance and sets specific goals.

Mentoring: Connect the student with a success mentor or "attendance buddy" for daily check-ins and support.

Collaborative Meetings: Schedule conferences with the student, family, and a school team (e.g., principal, teacher, counselor) to discuss the absences and assess the underlying needs.

Identify and Address Barriers: Work with families to address common barriers to attendance, such as health issues, lack of transportation, or housing instability.

Small Group Interventions: Provide small group interventions and support, such as social-emotional learning groups or academic tutoring.

Tier 3: Intensive Interventions (for students with persistent chronic absences)
This tier is for students with the most significant attendance challenges who have not responded to Tier 1 and 2 interventions. This level of support often requires case management and collaboration with external agencies to address complex, underlying issues.

Comprehensive Assessment: Conduct a more in-depth assessment to understand the root causes of the absences. This may involve a functional behavioral assessment to identify what is driving the chronic absenteeism.

Interagency Case Management: Collaborate with community-based organizations and agencies, such as health services, mental health professionals, social services, and housing authorities, to provide comprehensive support to the family.

Individualized Support Success Mentor: Assign an educational support success mentor or advocate to the student and family to help them navigate resources and ensure continuity of support.

Formal Agreements: Use attendance contracts or formal agreements between the school, student, and family to outline specific expectations, goals, and support services.

ACS Interventions

Home Visits: Conduct supportive home visits by our district attendance teacher to build rapport with the family and better understand and address their unique challenges.

Root Cause Addressed:

Family hardships and student illnesses

Families traveling oversees during the school year

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action

steps will be introduced and rolled out.

Action Steps
Returning students who were chronically absent in the school year will be given Tier 3 intervention supports.
Incoming students who are siblings of those who were chronically absent in the school year will be given Tier 2 academic supports in the first half of the year.
Returning students who missed between 14 and 17 days in the school year will be given Tier 2 supports in the first half of the year.
School leaders will identify staff to serve as members of the Attendance Team/Success Mentors and develop protocols and expectations for this committee.
School leaders will clearly communicate the expectation that teachers will call the home of students who are not in attendance each day.
The Attendance Team will conduct its monthly meeting and cover five-set topics: 1) Review attendance data for September and October, and identify students who have missed four or five days of school. Members of the Attendance Team will identify an adult within the school whom the child has a relationship with (Success Mentor) to contact families of these students by phone to discuss the importance of regular school attendance and identify any barriers and to meet with the students to discuss student needs and concerns, encouraging and utilizing strategies (ie., incentives, monitor role) to motivate the student to attend school every day. Review attendance with student and the importance of attending school and how it impacts his/her learning. 2) Review the success of the October individualized attendance plans developed at the last meeting for those that had missed three or four days in September. Determine if support should continue, increase, or decrease for November. 3) Identify any student that has missed five or more days thus far. Develop an individualized attendance plan for November for that student. Meet with the student to review the plan and discuss needs and concerns of students and provide interventions to ensure student attendance improves. Review attendance with student and the importance of attending school and how it impacts his/her learning. Engage teachers and parents in planning to maintain consistency and ensure continuous monitoring of student attendance. 4) Review the attendance of those receiving Tier 2 supports. Consider moving any student in Tier 2 to Tier 3 supports. 5) Review the attendance of those receiving Tier 3 supports. Schedule a meeting with the mentor assigned to any student in this group that has missed more than 4 days of school to determine if additional support is needed. Include any additional resources or staff support (ie., Guidance, SBST, outside referrals) to support in addressing the needs of the students.
The Attendance Team will work with families to engage the support of outside agencies to address barriers that are beyond the school's capacity. Staff will call the home of each student who is not in attendance each day. Staff mentors will meet daily with student mentees to check-in and encourage regular school attendance. Mentors will share any information about barriers to school attendance with the Attendance Team. School staff will implement the individualized plans developed by the Attendance Team to address barriers to school attendance. Mentees and school staff will meet with students to discuss the importance of attending school and encourage students utilizing strategies (ie., incentives, monitor role and responsibilities...) to attend school every day.
Celebrate our families and classes with continued 100% attendance, awards and prizes for consistent attendance, outreach to families for students who are late.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The Attendance Team will meet on a weekly basis to review attendance data and identify students who have missed four or five days of school during the month. Success Mentor will contact families of these students by phone to discuss the importance of regular school attendance and identify any barriers.

The attendance team will identify any student that has missed five or more days and develop an individualized attendance plan for the student and provide supports to the families as needed. The attendance team will consult with and meet with teachers and parents of students who are chronically absent (10 days) and provide supports and interventions to ensure students are attending school.

Meetings will identify if the child is failing due to attendance concerns. Students who have improved attendance will receive incentives. Parents will receive a certificate.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	In an ongoing effort, the Attendance Team will work with families to engage the support of outside agencies to address barriers that are beyond the school's capacity.	Cypress Hills LDC Beacon Program
09/04/2025	06/26/2026	Ongoing information shared workshops for families	Cypress Hills LDC Beacon Program

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Administration, School Attendance Team, teaching staff, Attendance teacher assigned by district, parent coordinator, Guidance and SBST

Instructional Resources

Social Emotional Learning programs, Students in Temporary Housing resources and family wellness practices

Schedule Adjustments

As needed

Other Resources Needed

Ongoing Attendance data reports: ATS, STARS

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
Increase in student evaluation referrals	MTSS/RTI/SDI implementation needed to support students in Tier 1, 2, and 3	IEP Development and Fidelity of Implementation
		Transition Planning and Compliance
		Referral Process and Equity

		Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	54	By June 2026, decrease the special education referral rate from a baseline of 54 students to a maximum of 49 students. This target achieves a minimum 10% decrease in total referrals, aiming for a net reduction of 5 students.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Ongoing SESIS Referral Reports/IEP Review by the SIT team and review of student referrals to the Child Study Team

Enter a Key Performance Indicator

One to one process of consultative review, teacher coaching, walkthroughs and observation feedback, and professional development

Baseline:

54 students were referred last school year

Enter the date for the baseline data:

September / October 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

53 student referrals - MTSS, RTI, and SDI initiatives are already starting to have a positive impact.

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Reduction of 2 referrals - intensified implementation of your MTSS, RTI, and strengthened SDI supports is gaining momentum.

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Reduction of 5 referrals by the end of the current school year - Target of 49

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Internal Referral Tracking Log (Initial Referrals and Re-evaluations)

Enter a Key Performance Indicator

Total Annual Special Education referrals (Initial Referrals + Re-evaluations)

Baseline:

54 referrals

Enter the date for the baseline data:

June 2025 (End of 2024-2025 School Year)

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

12 referrals (Cumulative total by November 15th, projecting a slower initial pace but requiring careful monitoring)

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

27 referrals (Cumulative total by February 15th, approximately half the new baseline, setting a challenging midpoint to ensure the EOY goal is met)

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

49 referrals (The overall goal: a 10% reduction from the baseline of 54)

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

MTSS/RTI Progress Monitoring Reports

Enter a Key Performance Indicator

Percentage of Students Successfully Exiting Tier 2 or Tier 3 Interventions

Baseline:

35%

Enter the date for the baseline data:

June 2025 (End of 2024-2025 School Year)

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

40% exit rate (By November 15th, showing initial improvement from the intensified focus on Tier 1 and the new MTSS protocol)

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

50% exit rate (The target identified in your Implementation Monitoring section, demonstrating a significant increase in intervention fidelity and effectiveness)

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

60% exit rate (Achieving a 60% exit rate would validate the effectiveness of the new inclusive practices and standardized MTSS, strongly supporting the reduction in overall referrals)

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Ensure program and service recommendations are appropriate for each student and provide access to the student's least restrictive environment.

Develop appropriately rigorous standards-aligned annual goals.

Ensure "impact of disability" statements reflect the effect of the student's disability on access, participation and progress in the general education curriculum.

Ensure that programs and services mandated on each student's IEP are delivered.

Monitor referrals to Special Education to ensure appropriate referrals only.

Provide Afterschool Instruction and supports to address deficits in reading and writing skills.

1. Instructional Fidelity and Skill Building (In-the-Moment Support)

Improve the quality and delivery of instruction (both core instruction and specialized instruction) in real-time.

Practices:
In-the-Moment Coaching: Providing immediate, non-evaluative feedback to ICT and Self-Contained 12:1:1 SPED Teachers on their implementation of Specially Designed Instruction.

Observations & Feedback: Using formal and informal observations to gather data, followed by structured feedback sessions with teachers.
Professional Development on SDI: Providing targeted training to both General Education and Special Education Teachers to build their skill set in designing and delivering effective specialized supports.

The goal is to directly strengthen SDI implementation, ensuring students already identified receive high-quality support and make adequate progress, reducing potential re-referrals.

2. Data-Driven Decision Making & Planning

Tier 1 adjustments to IEP goal revision—are based on student performance data.

Practices:
MTSS Team Data Review: Meeting with the MTSS team to review universal screening and progress monitoring data to assess the health of Tier 1/2/3 systems.

Individual Student Data Analysis: Meeting with teachers to analyze student data (classroom assessments) and determine the student's response to the current intervention or SDI.

Team Meetings & Work Analysis: Meeting with teams to analyze student work and provide feedback that connects instructional practices to measurable outcomes.

CST/SIT Consultations: Consulting with the Child Study Team and School Implementation Team to review pre-referral intervention history and ensure all non-SPED resources have been exhausted with fidelity.

Supports - MTSS/RTI - Data analysis ensures referrals are only made after insufficient response to high-fidelity Tier 3 interventions is documented, preventing inappropriate referrals.

3. System Alignment and Accountability (District/Internal Support)
Receiving the wider system and that you receive necessary resources and guidance.

Practices:
District Support and Visits: Engaging with district leadership and external consultants to calibrate practices and ensure system alignment.
Consultation via Observation Feedback/Teacher Meetings: Using these structured interactions to track the school's progress against the CEP goals and hold teams accountable for implementing the agreed-upon action steps.

The goal is to Ensure the sustainability and scale of the intervention plan and provide accountability toward the Period 1, 2, and 3 targets.

Root Cause Addressed:

The root cause for the high special education referral rate is the systemic breakdown in pre-referral supports (MTSS/RTI) resulting from low intervention fidelity and insufficient data-based decision-making in general education, coupled with the ineffective design and inconsistent implementation of Specially Designed Instruction (SDI) for students who already possess IEPs.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Ensure Tier 2 and Tier 3 interventions are implemented with fidelity and efficacy, preventing unnecessary referrals from General Education.
Conduct universal screening three times per year (BOY, MOY, EOY) to quickly identify students who need Tier 2 supports, ensuring supports are provided proactively.
Ensure students with existing IEPs receive effective instruction, leading to better progress and reducing service failure/re-referral concerns.
Grade case manager and Special education supervisor will meet monthly to review the number and percentage of mandates as measured by Program Service Reports.

All special education services will pivot toward explicit, evidence-based instructional methodologies (e.g., structured literacy, visual models for math) as documented in the IEP. SDI will be delivered with a high Opportunities to Respond rate to maximize learning time.
Using Data from CST meetings, teacher consultation, SIT meetings, MTSS Data meetings, Observation and Walkthrough feedback to provide guidance to teachers on Tier 1 interventions (eg., Differentiation, scaffolds, guided reading, small group instruction)/ Response to Intervention.
Continue and formalize the in-the-moment coaching and observation cycles with all ICT and 12:1:1 teachers, focusing specifically on fidelity of the written SDI in their current caseload, using a standardized observation tool for consistency.
Mandatory PD for all IEP writers (SPED teachers, related service providers) focused on using specific instructional methodology language in the PLOP and Management needs section.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Will align to key strategies and action plans for 2025-2026 SY

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Ongoing information shared during workshops for families	District 19 Team and Interborough Mental Health
09/04/2025	06/26/2026	When needed, ongoing individualized meeting with families to communicate any updates to students' PLOP, goals and/or recommendations	District 19 Team and Interborough Mental Health

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Administration, School Implementation Team, Pupil Personnel Team, teaching staff, District Instructional support, Guidance and SBST

Instructional Resources

Wit & Wisdom, Eureka Math Squared, Specially Designed Instruction supports, Academic Intervention/ RTI in classroom

Schedule Adjustments

As needed

Other Resources Needed

SESIS completion reports

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2 ELA Academic Support	Targeted student needs identified from BOY NWEA MAP Reading and Acadience data, on Grades K to 5.	Double dose of Fundations, Sound Sensible (Gr K,1), SPIRE, HD Words, Edmentum Exact Path, Ready Math Prep (Gr 3-5), Supplemental	Small group	During school	Yes
Tier 3 ELA Academic Support	Identified students who are lowest third (16%) based on BOY NWEA MAP Reading and Acadience data.	Sound Sensible (K,1), SPIRE (Gr 2-5)	One-to-one tutoring	During school	No
Tier 2 Math Academic Support	Targeted student needs identified from BOY NWEA MAP Math data, on Grades K to 5.	Edmentum Exact Path, Ready Math Prep (Gr 3-5)	Small group	During school	Yes
Tier 3 ELA Academic Support	Students with Disabilities-Social Justice Group (Did not meet NYS Accountability); Identified students who are lowest third (16%) based on BOY NWEA MAP Reading and Acadience data.	Fundations and Phonics for Reading	Small group	After school	No
Tier 3 ELA Academic Support	Multilingual Learners-Identified students who are lowest third (16%) based on BOY NWEA MAP Reading and Acadience data; Spring 2024 NYSESLAT proficiency data	Phonics for Reading, Building Writers	Small group	Saturday program	No

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Student Social/Emotional Support Tier 2	School-wide wellness survey for students, known students with family trauma/crisis/consultation and referrals	Support by NYCDOH mental health provider, wellness programs	Small group	During school	Yes
Student Social/Emotional Support Tier 2	School-wide survey for students, known students with family trauma/crisis/consultation and referrals	At Risk counseling by school guidance counselor or social worker, wellness programs	Small group	During school	No
Student Social/Emotional Support Tier 3	School-wide survey for students, known students with family trauma/crisis/consultation/ referrals	At Risk counseling by school guidance counselor, social worker, wellness programs	Individual	During school	No
Student Social/Emotional Support Tier 2	School-wide survey for students, known students with family trauma/crisis/consultation/referrals	My Brother's Keeper	Small group	During school	Both
Student Social/Emotional Support Tier 2	School-wide survey for students, known students with family	Girl's Empowerment Movement	Small group	During school	Both

	trauma/crisis/consultation and refferals				
Student Social/Emotional Support Tier 3	Known students with family trauma/crisis/consultation and refferals	Crisis Team Intervention	Individual	During school	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Will update for 2025-2026 SY in alignment to mission, vision, goals and PPF

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Will update for 2025-2026 SY in alignment to mission, vision, goals and PPF

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Will update for 2025-2026 SY in alignment to mission, vision, goals and PPF

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

PS 214K has 63 Students in Temporary Housing as of October 23, 2024.

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Most families travel from shelters in Queens and South Brooklyn. Families appreciate the montly metrocards, care packages and food pantry support.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

The services we provide for all Students in Temporary Housing includes, and is not limited to: clothing, school supplies, food, household needs, gift cards, device support, housing shelter intake needs, mental health referrals and transportation support.

Throughout the school year, the STH liaison, along with school staff, keeps track of as well as provides intervention

and support services to students living in temporary housing who attends our school. Our School Based Liaison is our Guidance Counselor, Ms. Tabitha Lewis, and she coordinates with our School Social Worker, Ms. Cindy Diaz, on bridging the gap for families, tailored to their needs.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

Will update for 2025-2026 SY in alignment to mission, vision, goals and PPF

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

Will update for 2025-2026 SY in alignment to mission, vision, goals and PPF

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

Will update for 2025-2026 SY in alignment to mission, vision, goals and PPF

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Will update for 2025-2026 SY in alignment to mission, vision, goals and PPF

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school’s Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. PS 214K - The Michael Friedsam School, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community as well as Parent University emphasizing schools academic goals.

Support for Parents and Family Members of Title I Students

PS 214K - The Michael Friedsam School will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 214K - The Michael Friedsam School, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

- Mentors for newly hired General Education and BengaliDual Language teachers.
- Inter-visitations to classrooms modeling best practices in both English Language Arts and Mathematics.
- Job-embedded professional development opportunities provided by school staff, educational consultants, district leads and Borough Field Support Center on teaching practices aligned to the instructional shifts within the Next Generation Learning Standards.
- English as a Second Language teachers are and will continue to receive regular professional development through Brooklyn North, District 19 personnel.
- Common planning set aside for English as a Second Language and General Education teachers to collaborate and revise curricula based on student data to meet the Next Generation Learning Standards.
- General Education teachers who have not received their minimum 10 hours of English as a Second Language training will have this provided by the English as a Second Language coordinator.
- Teachers will create annual goals to improve their teacher effectiveness and regularly meet with supervisors to ensure these goals are met as a result of targeted feedback.
- Frequent informal observations of teachers where teachers are provided on-going feedback to improve teaching practices.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

Pre-Kindergarten social worker provides the following supports for the staff, as well as the community: In class support one day per week; Conducting observations and providing guidance for parents on the referral process; Workshops for families on topics such as transitioning into Pre-Kindergarten, transitioning into Kindergarten, helping your child enjoy reading.

In addition to Kindergarten open house in June for Pre-Kindergarten families, Curriculum aligned to the Teaching Strategies Creative Curriculum, Professional learning opportunities on Mondays and Tuesdays with Pre-Kindergarten Social Worker, Support from Department of Education assigned Pre-Kindergarten Coordinator and Coach.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title II, Part A Suppemental	Federal	$111,450	X	Elementary School ELA/Math; Chronic Absenteeism; Supportive Environment Framework
Title I SWP STH	Federal	$79,427	X	Elementary School ELA/Math; Chronic Absenteeism; Supportive Environment Framework
Title I SWP Parent and Family Engagement	Federal	$7,741	X	Elementary School ELA/Math; Chronic Absenteeism; Supportive Environment Framework
Title I SWP Carry Over Parent and Family Engagement	Federal	$808	X	Elementary School ELA/Math; Chronic Absenteeism; Supportive Environment Framework
Title I SWP	Federal	$774,072	X	Elementary School ELA/Math;

				Chronic Absenteeism; Supportive Environment Framework; Quality Individualized Education Plan
Tax Levy (Fair Student Funding)	Local	$5,215,575	X	Elementary School ELA/Math; Chronic Absenteeism; Supportive Environment Framework; Quality Individualized Education Plan
			X	Elementary School ELA/Math; Chronic Absenteeism; Supportive Environment Framework; Quality Individualized Education Plan

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Sharon Mahabir
Assistant Principal (Where Applicable)*	Israt Nali
English as a New Language (ENL) Teacher*	Amber Abramson
Teacher (if school has a bilingual program must be a bilingual teacher)*	Tahmina Khan
Parent/Guardian*	Will provide
Teacher	Lori Serota
Parent Coordinator	Zakir Uddin
School Counselor	Tabitha Lewis
Related-Service Provider	Will provide
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

7

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

4

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

4

Number of ESOL certified teachers with a bilingual extension:

2

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

3

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

3

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

0

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

656

Total number and percentage (%) of current ELLs:

135 students. (21.19%)

Total number and percentage (%) of former ELLs:

40 students (6.28%)

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

32 students (5%)

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

33 students (5.03%)

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

N/A

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

1.6%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

1%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	DLBE	Bengali	2025-2026	1	1	1	1										4
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

For the 2025-2026 school year, as per the CR Part 154 mandates, For standalone ENL, the students are grouped by their levels in order to ensure that their mandates and educational needs are met. Since the proficiency levels vary in every ENL classroom, the certified ENL teacher ensures that all students have met their mandates in both the integrated and standalone settings. Entering students receive 180 minutes (four 45-minute periods per week) of both stand alone instruction in a small group setting as well as 180 minutes (four 45-minute periods per week) of integrated co-teaching in the larger classroom setting with both an ENL teacher and an ELA teacher for ENL/ELA instruction. Per CR Part 154 mandates, flexibility is given to the emerging and transitioning leveled students. Emerging students receive 180 minutes (four 45-minute periods per week) of integrated co-teaching in the larger classroom setting with both an ENL teacher and a common branch licensed teacher for ENL/ELA, and at least 90 minutes (two 45-minute periods per week) PS 214K offers a robust English as a New Language (ENL) program that includes both Stand-Alone and Integrated ENL services, fully aligned with the mandates of Commissioner's Regulation (CR) Part 154. Services are tailored to students' English language proficiency levels, based on NYSITELL/NYSESLAT results, teacher recommendations, and ongoing academic assessments.

Stand-Alone ENL Instruction
Stand-alone ENL instruction provides explicit English language development in a small group setting, separate from core content instruction. At PS 214K:

Entering (Level 1) students receive 180 minutes weekly (four 45-minute periods) of stand-alone ENL. These sessions focus on foundational language development in all four domains: listening, speaking, reading, and writing.

Emerging (Level 2) students receive at least 90 minutes weekly (two 45-minute periods) of stand-alone ENL instruction. Based on student data and teacher assessments, they may receive an additional 90 minutes of either standalone or integrated services to meet their individual needs.

Transitioning (Level 3) students may also receive 90 minutes weekly of stand-alone support, depending on teacher input and academic need.

Instruction is delivered by NYSED-certified ENL teachers and includes differentiated instruction, phonics (as appropriate), vocabulary development, and scaffolded writing practice aligned with Next Generation Learning Standards.

Integrated ENL Instruction
Integrated ENL instruction is delivered through co-teaching or push-in support in content-area classrooms, particularly in ELA and content-based literacy blocks. In this model:

Entering students receive 180 minutes weekly of integrated ENL in an ELA or core content setting. This often involves co-planning between the ENL and general education teacher, with a focus on both content and language

objectives.

Emerging students receive at least 180 minutes weekly in integrated ENL/ELA or other content-area settings. This time may be increased based on ongoing assessment data.

Transitioning students receive a minimum of 90 minutes weekly of integrated ENL support, often embedded in ELA, Science, or Social Studies instruction.

Expanding students receive 180 minutes weekly of integrated ENL instruction. Teachers focus on enhancing academic vocabulary, discourse protocols, and content comprehension, while supporting students in mastering grade-level complex texts.

Integrated ENL sessions use instructional scaffolds such as:

Graphic organizers,

Visuals and sentence stems,

Oral rehearsal protocols (e.g., Think-Pair-Share),

Differentiated close reading,

Strategic vocabulary instruction (Tier 2 and 3).

Student Grouping Structures
At PS 214K, ENL students are grouped to maximize instructional access and language growth, following these principles:

Homogeneous grouping is used for stand-alone services based on language proficiency level (Entering, Emerging, Transitioning, etc.).

Heterogeneous or block scheduling is used in integrated settings, where ENL students learn alongside English-proficient peers to model academic language.

Co-teaching models (parallel, station, or alternative) are selected based on classroom composition, proficiency levels, and instructional goals.

Some flexible scheduling is used to provide additional support during AIS, Saturday School, or after-school Title III/ENL sessions.

Integrated ENL:

For the 2025-2026 school year, and as CR Part 154 mandates, the school offers an integrated ENL standalone program and a co-teaching integrated ENL program. Three licensed ENL teachers provide the integrated and standalone ENL services for the five ELL levels in grades K - 5, which all contain heterogeneous levels. Flexibility is

given to the emerging and transitioning leveled students. As per the mandates, students whose levels are at the proficient/ commanding levels are also provided 90 minutes of integrated ENL services in either ELA or a content area. In addition, services are provided to students who have reached their proficient levels in the previous 2 years. Former ELLs receive their ENL instruction through Integrated ENL through integrated/flex minutes ENL in Wit and Wisdom Literacy and Writing program.

For integrated ENL, the licensed ENL teacher provides the services with a common branch licensed teacher, and co-teaches students who are grouped by their levels in order to differentiate instruction. For standalone ENL, the students are grouped by their levels in order to ensure that their mandates are met. Since the proficiency levels vary in every ENL classroom, the certified ENL teacher ensures that all students have met their mandates in both the integrated and standalone settings. The classroom is equipped with a leveled library, has access to online reading programs and laptops, iPads, in addition to some instructional materials in students' native language.

In the integrated setting, the ENL certified teacher co-teaches with the common branch K-6 certified teacher. Using differentiation, they provide scaffolding, vocabulary development, and other ENL strategies to support the various levels of students in the class. The use of the following resources will be integrated: Time for Kids and Scholastic News. Each year the ENL teachers develop a schedule for all ENL students as mandated by the CR Part 154 .

b. Bilingual Education (If applicable)

Transitional Bilingual Education (TBE):

Dual Language Bilingual Education (DLBE):

Bangla/Bengali Dual Language Bilingual Education Program – PS 214K (2025–2026)
Program Overview

PS 214K proudly implements agrowing Bengali Dual Language Bilingual Education (DLBE) Program to meet the academic and linguistic needs of its growing Bangladeshi and Bengali-speaking student population. Grounded in the belief that bilingualism is a strength, the DLBE program supports students in becoming bilingual, biliterate, and bicultural while achieving high academic standards.

Program Model
Self-Contained Dual Language Content-Based Model
One dually certified bilingual teacher (fluent in both English and Bangla) delivers all instruction throughout the day in both languages. English-proficient students and English Language Learners (ELLs) are fully integrated for 100% of the school day.

Programmed Language Allocation by Grade (2025–2026)

Grade	Bangla Instruction	English Instruction
K	80%	20%
1	70%	30%
2	60%	40%
3	60% (growing toward 50%)	50%–50%

Language allocation is documented in the teacher’s program card and gradually shifts across grades to increase exposure to English while sustaining Bangla literacy.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

For the 2025–2026 school year, in alignment with CR Part 154, PS 214K offers both an integrated co-teaching ENL model and a standalone ENL program. Three licensed ENL teachers provide services across grades K–5, addressing all five English proficiency levels (Entering, Emerging, Transitioning, Expanding, and Commanding).

Each grade includes heterogeneous groupings, but ENL services are delivered through targeted groupings and scheduling to ensure students receive the mandated number of instructional minutes based on their NYSESLAT or NYSITELL levels.

Entering and Emerging ELLs receive both standalone and integrated ENL instruction, totaling 360 minutes weekly (four 45-minute sessions of each model).

Transitioning students receive a mix of integrated and standalone services, typically totaling 180–270 minutes per week, based on academic and language needs.

Expanding and Commanding level ELLs, including former ELLs within the two-year monitoring period, receive a minimum of 90 minutes of integrated ENL instruction weekly in ELA or other content areas. Additional minutes are provided as needed based on assessment data and teacher planning.

For integrated ENL, a certified ENL teacher co-teaches with a common branch (classroom) teacher, ensuring language scaffolds, vocabulary development, and targeted supports are embedded within content instruction. Student groupings are leveled to allow for differentiation and strategic language instruction.

For standalone ENL, students are grouped by proficiency level in small groups. Lessons focus on the four language modalities—listening, speaking, reading, and writing—using scaffolded instruction, visuals, sentence frames, and thematic content aligned with the Next Generation Learning Standards.

All ENL teachers develop student schedules in collaboration with grade teams to ensure full compliance with CR Part 154 instructional time requirements. Instructional minutes are carefully tracked and adjusted based on progress monitoring data and individual student needs.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

At PS 214K, instructional minutes for ENL, ELA, and Home Language Arts (HLA) are delivered through both integrated and standalone models, in full alignment with CR Part 154 regulations.

ENL Instruction (Integrated and Standalone):
In the integrated setting, ENL-certified teachers co-teach with Common Branch (K–6) classroom teachers to support students within their general education classrooms. Instruction is differentiated based on student proficiency levels and utilizes evidence-based strategies such as:

Thinking Maps

Guided Reading and Shared Reading

Graphic organizers

Oral language protocols and sentence frames

Vocabulary development through visuals and anchor charts

Co-teaching models vary by grade and student need, including team teaching, parallel teaching, and station teaching. Instruction is rooted in academic content, particularly ELA, and scaffolds are provided to ensure meaningful access for all Multilingual Learners.

In the standalone model, ENL teachers provide targeted instruction in small groups, organized by proficiency level, to support development in the four language modalities—listening, speaking, reading, and writing. These sessions also embed culturally responsive content and foundational language skills.

ELA Instruction:
All students, including ELLs, participate in daily ELA instruction delivered through the Wit & Wisdom curriculum, aligned to the Next Generation Learning Standards. ELA blocks are enriched with integrated ENL supports and a focus on high-quality texts, writing tasks, and critical thinking. ENL teachers collaborate with classroom teachers to align Tier 1 instruction with ENL strategies, ensuring access for all students.

Home Language Arts (HLA) – Bengali Dual Language Program:
In grades K–3, students enrolled in the Bengali Dual Language program receive literacy and content instruction in both English and Bengali through a content model in the format of a self contained dual language model.

The instructional day is divided to provide instruction in Bengali and English, depending on the subject and schedule.

K- 80/20 Model
1-70/30 Model
2-60/40 Model
3-60/40 Model (gradually growing into 50/50 Model

Core content areas such as Social Studies and Science rotate language of instruction, while foundational literacy skills are taught in both languages to support biliteracy development.

Bilingual materials, leveled readers, and culturally responsive curriculum are used to strengthen Home Language Arts.

Instructional Technology & Materials:
To further support ELLs, classrooms are equipped with:

Leveled classroom libraries in English and students' native languages

Online platforms such as iReady, Raz-Kids, Amira, and Geodes

iPads and Chromebooks for blended learning

Bilingual glossaries and dictionaries

Language supports embedded in classroom and digital platforms

Each year, ENL teachers develop individualized and group schedules that reflect student levels and needs, ensuring compliance with CR Part 154 mandates while promoting language development and academic success.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

The dual language model is self-contained. English proficient students and ELLs are integrated 100% of the instructional day.

Language Allocation by Grade (2025–2026)

Grade	Bangla Instruction	English Instruction
K	80%	20%
1	70%	30%
2	60%	40%
3	60% (growing toward 50%)	50%–50%

b. In which language(s) is each core content area taught?

Content areas are taught in English and Bengali through both the integrated and stand alone models based on students' proficiency levels. The integrated model is essential in order to provide students with models of what is expected at grade level.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

As of October 2025, PS 214K serves 156 English Language Learners (24%) and 36 Former ELLs (5.5%). The population continues to grow, with newcomers arriving from Bangladesh, Yemen, and Latin America. The primary home languages are Bengali (65%) and Spanish (27%), followed by Arabic, Pashto, Russian, and Dari.

The K–3 Bengali Dual Language Program operates on a 60/40 English–Bangla model that promotes biliteracy. Assistant Principal and Teachers have begun implementing a Bangla Phonics program pilot and administer Bangla Letter ID assessments three times a year—Beginning, Middle, and End of Year—to monitor phonemic awareness and decoding progress. In addition to content knowledge through oral and written grade level subject areas.

ENL Coordinators and AP monitor supports for Newcomers who receive foundational literacy and oral language instruction, Developing ELLs focus on academic vocabulary and writing, and SIFE students receive explicit reading, phonics, and language support aligned to their literacy levels. Our ENL team also conducts a mock NYSESLAT to review the goals and implement effective instructional goals for newcomers, and varied groups of our population to drive instructional goals.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

Based on the EDAT and school enrollment data, approximately 6% of PS 214K's English Language Learners (ELLs) are identified as Students with Inconsistent or Interrupted Formal Education (SIFE). These students represent a range of linguistic and cultural backgrounds, with the majority speaking Bengali, Spanish, and Arabic as their home languages.

Trends and Observations
Data indicate that SIFE students at PS 214K typically enter school at the Entering level of English proficiency and demonstrate rapid initial gains in Listening and Speaking, followed by slower growth in Reading and Writing as they work to develop foundational literacy and academic language skills. Many SIFE students also require additional

support with decoding, vocabulary development, and comprehension due to limited exposure to formal literacy instruction in their home language.

Instructional Differentiation for SIFE

To meet the needs of SIFE students, our ENL team conducts a mock NYSESLAT to collect data to drive our instructional goals, PS 214K provides differentiated, explicit, and language-rich instruction within both ENL and core content classrooms. Key components of instructional differentiation include:

Foundational Literacy Support: Focus on phonics, phonemic awareness, and oral reading fluency through programs such as Fundations, Geodes, and guided reading.

Small-Group Instruction: Targeted small groups within MTSS ENL blocks allow teachers to focus on building vocabulary, comprehension, and sentence construction aligned to students' proficiency levels.

Visual and Kinesthetic Supports: Teachers use visuals, manipulatives, gestures, and Total Physical Response (TPR) strategies to help students connect new vocabulary to meaning.

Translanguaging and Cultural Connections: Instruction honors students' linguistic backgrounds by incorporating home-language supports, allowing students to draw on existing knowledge to access new content.

Saturday School (Title III): SIFE students receive additional time for literacy and language development during Saturday sessions, focusing on bridging oral language to writing and reinforcing vocabulary through interactive, content-based activities. Flex grouping of the Saturday student bands for SIFE and New comers from K-2 and the 3-5 students for the phonics instruction for those grouping.

Impact and Ongoing Monitoring
Progress for SIFE students is monitored through MAP Growth, Acadience, and NYSESLAT results, and Mock NYSESLAT along with formative classroom assessments. Teachers and ENL providers meet regularly to analyze data and adjust instruction based on observed progress. Early data trends show that students who receive consistent intervention in both MTSS and Saturday School demonstrate measurable gains in reading comprehension and oral expression.

Through this multi-tiered, culturally responsive approach, PS 214K ensures that SIFE students receive the targeted support they need to build foundational skills, develop confidence, and progress toward English language proficiency and academic success.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

PS 214K has a small number of Long-Term ELLs, most of whom are students with disabilities. Instruction emphasizes academic vocabulary, comprehension, and writing stamina as well as AIS services in respect to IEP goals. Teachers use content-based materials to strengthen language in context, focusing on Tier 2 and Tier 3 vocabulary and written responses. Ongoing monitoring through MTSS ensures these students continue to make progress toward proficiency.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

Former ELLs represent 5.1% of the population. They receive differentiated Tier 1 instruction and continued scaffolds through co-teaching and WIN periods. Supports include small group reading, writing frames, and vocabulary extensions to sustain fluency and comprehension. Instructional teams collaborate regularly to review progress and adjust supports to ensure former ELLs maintain growth and independence.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

Comprehensive review of MAP Growth, Acadience, NYSESLAT, and NYSED assessment data indicates that ELLs at PS 214K are most at risk in the areas of academic vocabulary, reading comprehension, and extended writing. Data show that students demonstrate stronger growth in listening and speaking, while reading and writing remain developing areas, particularly among upper-grade ELLs and students with disabilities.

To address these patterns, the school has established ENL-specific MTSS blocks that group students by proficiency and language modality focus. Teachers use small-group instruction to target literacy and language gaps, guided by MAP and NYSESLAT data. Monthly data meetings allow teachers to monitor student growth and refine instructional strategies collaboratively.

The school is also focusing on intentional use of sentence frames, consistent monitoring of academic vocabulary within content instruction, and structured academic discourse routines to strengthen students' oral and written language production. Grade-level teams are held accountable for implementing these language-focused goals through coaching cycles and classroom walkthroughs.

Additionally, Saturday School funded by Title III supports SIFE, Newcomers, and Developing ELLs, emphasizing phonics, vocabulary, and writing practice. These tiered supports and structured language routines are improving student outcomes and narrowing gaps in literacy development.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

Analysis of MAP Growth, Acadience, NYSESLAT, and NYSED assessment data indicates that a small number of Former ELLs at PS 214K remain at risk in the areas of academic vocabulary, nonfiction reading comprehension, and extended writing. Although these students have reached English proficiency, longitudinal data show that ongoing academic language development is necessary to maintain and extend achievement on state assessments and classroom tasks.

To address these needs, Former ELLs are supported through Tier 1 differentiation and targeted MTSS small-group instruction that reinforces reading comprehension, vocabulary development, and writing stamina. Teachers use formative assessments to guide instruction, incorporating guided reading routines, sentence frames, and explicit academic vocabulary instruction within content areas.

This year, PS 214K is partnering with LUCES Consultancy to enhance language development practices and instructional coaching. The collaboration provides professional learning, model lessons, and feedback cycles focused on sustaining academic language growth for Former ELLs and strengthening equitable access to grade-level content.

Through these coordinated systems—AIS, MTSS structures, content-embedded language instruction, and the

partnership with LUCES Consultancy—the school ensures that Former ELLs continue to progress linguistically and academically, demonstrating long-term success across all content areas.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

At PS 214K, the largest home languages among English Language Learners are Bengali and Spanish, followed by Arabic, Pashto, and Dari. The school community reflects the rich multilingual and multicultural diversity of East New York, and instruction is intentionally designed to sustain and celebrate students' home languages as vital assets in learning.

To meet these needs, PS 214K implements a Bengali Dual Language (DL) Program in grades K–3, using a 60/40 English–Bangla model that develops bilingualism, biliteracy, and cross-linguistic transfer. Instruction includes Bangla Phonics and Bangla Letter Identification assessments administered three times a year (BOY, MOY, EOY) to monitor decoding and literacy development. Data from these assessments inform pacing, strengthen vocabulary instruction, and guide lesson planning to ensure growth in both English and Bangla.

Assistant Principal Israt Nali, fluent in Bengali (oral, written, and spoken), provides supervision, ongoing coaching, professional development, and instructional support to ENL and Dual Language teachers. The team also has additional bilingual members which enhances communication with students, staff, and families, ensuring that linguistic and cultural connections are reflected across instruction and engagement.

For Spanish-speaking families and learners, Ms. Balderas provides ongoing support to the ENL team, families, and students, ensuring that Spanish-dominant learners and their parents receive language-appropriate communication, academic assistance, and cultural affirmation.

Communication and learning are reinforced by ENL teachers, bilingual paraprofessionals, and interpreters, ensuring equitable access to all school information and services. Family engagement materials, notices, and workshops are translated into the major home languages represented in the community.

Family partnerships are further strengthened through the school's Parent University, which provides workshops aligned to school priorities, including literacy, digital access, and bilingual learning support. Parent University serves as a bridge between families and teachers, promoting collaborative dialogue and shared decision-making.

In addition, monthly cultural and heritage events highlight and celebrate the diversity of the school community. These events are coordinated collaboratively by the CR-SE Team, the Bangla Dual Language Team with Ms.Khan, Ms.Haque, Ms.Jahan and Ms.Dewan.
A school based Parent University focused on Principals Priority and District 19 Priorities supports families with instructional experiences.
The CRSE team which has a diverse team of teachers and assistant principal Nali ensuring that every culture represented in the school is honored through literature, art, music, and family participation.

Through these integrated systems—Dual Language instruction, ENL supports, multilingual communication, and culturally responsive family engagement—PS 214K ensures that every student's home language and culture are valued, visible, and integrated into the life of the school.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

At PS 214K, English Language Learners represent a richly diverse student population. The largest group identifies as Asian, primarily Bengali-speaking students, followed by Hispanic/Latino, Black/African American, White, and Multiracial students. This diversity reflects the East New York community and serves as the foundation for the school's commitment to Culturally Responsive and Sustaining Education (CR-SE).

ELLs are included in all aspects of CR-SE planning and delivery through intentional collaboration among multiple school teams. The CR-SE Per Session Team leads the coordination of schoolwide cultural and heritage events, ensuring that all racial, ethnic, and linguistic groups are represented throughout the year. These events foster belonging, affirm identity, and strengthen community partnerships by highlighting the art, literature, and traditions of every culture represented in the school.

The Bangla Dual Language (DL) Team embeds CR-SE within instruction through the 60/40 English–Bangla model, using bilingual literature, cultural studies, and translanguaging strategies that reflect Bangladeshi heritage and build cross-cultural understanding for all learners. The team also monitors Bangla Letter Identification and Phonics assessments (BOY, MOY, EOY) to ensure that literacy instruction remains culturally relevant and linguistically equitable.

The ENL Team integrates CR-SE into language instruction by using culturally relevant texts, intentional vocabulary development, and discourse routines that honor students' identities and elevate multilingual voices.

Assistant Principal Israt Nali, fluent in Bengali (oral, written, and spoken), provides coaching, professional development, and planning support for both the ENL and DL teams to ensure CR-SE principles are consistently reflected in classroom practice. Her linguistic expertise allows her to bridge communication between staff, students, and families, while Ms. Balderas supports Spanish-speaking students and families, ensuring both language communities have equitable representation and access.

To deepen staff learning and reflection, PS 214K has launched a CR-SE Book Club aligned with the "Unearthing Joy" professional learning series. Through collaborative reading, dialogue, and planning, educators explore strategies for building joyful, affirming classrooms that center student identity, belonging, and academic excellence. These discussions directly inform curriculum decisions, instructional planning, and event themes across the school.

CR-SE practices visible, surface level and deep level extend to families through students as well as with a cohort of parents through our Parent University, which offers "classes" aligned to school priorities—such as supporting bilingual learning, literacy at home, and fostering culturally sustaining family–school partnerships. In the end of the journey, parents have the opportunity to graduate and experience a celebration of adult learning and being involved.

Through these integrated structures—the CR-SE Per Session Team, the Bangla DL Team, the ENL Team, and the CR-SE Book Club—PS 214K ensures that culturally responsive and sustaining education is not a separate initiative but a schoolwide commitment. Every student's language, culture, and identity are affirmed, celebrated, and positioned as assets for academic and personal growth.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

After a comprehensive review of multiple data sources including MAP Growth, Acadience Reading, NYSED accountability data, and NYSESLAT results, PS 214K identified key trends in English Language Proficiency (ELP)

growth across grade levels and subgroups.

Trends in ELP Growth

Overall, there is a pattern of steady language growth in the early grades (K–2), particularly among students in the Bangla Dual Language program and those receiving consistent ENL push-in support. These students demonstrated strong progress in listening and speaking, supported by early literacy interventions and phonics-based instruction. However, upper-grade students (3–5) showed more variability, with writing and academic vocabulary identified as areas needing sustained support. Data shows that students who struggle with producing extended written responses or who have limited academic vocabulary often demonstrate slower progress in the reading and writing modalities on the NYSESLAT.

Data Highlights

Approximately 68% of ELLs met sufficient progress on the NYSESLAT in the 2024–2025 school year.

The remaining 32% did not meet sufficient progress, with the largest gaps observed in writing proficiency and content-based vocabulary and oral language.

Students in the Entering and Emerging proficiency levels made notable gains in speaking and listening due to targeted interventions, while those at the Transitioning level showed slower growth in academic writing and comprehension.

Instructional Responses and Interventions

To address these trends, the school has implemented language-focused MTSS blocks during the instructional day, specifically designed for ENL students based on their NYSESLAT proficiency levels and language modalities. These MTSS sessions provide targeted instruction in writing, vocabulary, and discourse, guided by progress-monitoring data.

In addition, Saturday School, funded through Title III, serves SIFE, Newcomers, and ENL students who require additional support in developing academic language and literacy skills. This extended learning opportunity focuses on building fluency across all modalities with an emphasis on comprehension and writing.

Teachers and teams are also working on intentional use of sentence frames, structured discourse routines, and vocabulary accountability in content instruction. These strategies are monitored for consistency and student impact through classroom observations, lesson study, and data review cycles.

Professional Development and Coaching
The Assistant Principal provides ongoing coaching and data-driven planning support for both the ENL and DL teams to strengthen vocabulary instruction and writing scaffolds within content areas. Collaborative review of MAP and NYSESLAT data informs instructional adjustments, ensuring language goals are aligned with content standards and grade-level expectations. In addition D19 MESA Ms.Atara Boker will be providing ongoing Professional Learning on CALs. ENL Working groups and partnership with LUCES with Stella and Team.

Next Steps
Deepen writing instruction across grades through shared rubrics, modeling, and feedback cycles.

Continue to align MAP and NYSESLAT data to monitor growth and adjust interventions in real time.

Sustain Saturday School and MTSS ENL blocks to support language acceleration for students below sufficient progress.

Expand professional learning around academic vocabulary development and explicit writing instruction with intentional sentence frames for multilingual learners.

Through these aligned systems—data analysis, MTSS, Saturday School, and targeted coaching—PS 214K continues to refine its approach to accelerating English language proficiency while maintaining a culturally responsive, equitable learning environment.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

A review of the 2024–2025 NYSESLAT results for PS 214K reveals a clear profile of strengths and growth areas across the four assessed modalities—Listening, Speaking, Reading, and Writing. Overall, the school has seen steady gains in oral language development, while writing and vocabulary remain key priorities for instruction and intervention.

Listening

Standout Trends:
Students across all grades demonstrated strong performance in Listening, with the highest growth among Newcomers and early grades (K–2).
The consistent use of interactive read-alouds, audio supports, and oral comprehension checks during instruction contributed to this growth.
Students in the Bangla Dual Language program showed particularly high comprehension rates due to translanguaging supports and explicit listening tasks in both English and Bangla.

Instructional Implications:
Listening continues to be a strength for PS 214K's ELLs. Teachers reinforce active listening and academic discourse through structured conversations, partner shares, and comprehension routines embedded in daily instruction.

Speaking

Standout Trends:
Speaking scores showed steady growth across all proficiency levels, reflecting the school's emphasis on oral language production and academic talk.
Students in both ENL and Dual Language settings benefited from structured speaking protocols, sentence frames, and partner discussions designed to promote accountable talk.
Oral fluency improved notably among students participating in MTSS ENL blocks and Saturday School sessions, where language scaffolds and small-group settings build confidence in expression.

Instructional Implications:
The focus moving forward is to continue linking oral expression to writing outcomes—supporting students in transferring spoken language structures into extended written responses.

Reading

Standout Trends:
Reading results indicate gradual improvement, though progress in upper grades remains uneven. Students demonstrate stronger decoding and literal comprehension but need continued support with inferential understanding and academic vocabulary.

MAP and Acadience assessments confirm that vocabulary development remains an area of need across grade levels.
Bilingual learners in the Bangla DL program show positive transfer from Bangla Letter Identification and Phonics assessments (BOY, MOY, EOY) to English decoding skills, suggesting a solid cross-linguistic foundation.

Instructional Implications:
Instruction emphasizes explicit vocabulary instruction, comprehension strategies, and morphology study. Teachers are using content-specific vocabulary trackers and accountability routines to monitor understanding and application of key academic terms.

Writing

Standout Trends:
Writing continues to be the most challenging modality for ELLs, particularly in grades 3–5. Students demonstrate limited stamina with extended responses and need support with syntax, organization, and domain-specific vocabulary.
The strongest writing gains were observed among students receiving targeted MTSS ENL support or attending Saturday School (Title III), where instruction focuses on paragraph structure, transition words, and evidence-based responses.

Instructional Implications:
The school has a schoolwide writing focus supported by coaching and collaborative planning. Teams are aligning expectations through shared rubrics, sentence frames, and explicit modeling lessons that guide students through structured writing processes.

Summary of Findings

Overall, NYSESLAT data show that PS 214K's multilingual learners demonstrate strong oral language growth (Listening and Speaking), steady progress in Reading, and continued need for targeted support in Writing and academic vocabulary.

To sustain growth across modalities, the school is:

Using MTSS ENL blocks to target writing and vocabulary development by proficiency level.

Leveraging Saturday School for small-group intervention and extended practice across all modalities.

Integrating FQT writing work and sentence-frame scaffolds intentionally across proficiency levels (Entering, Emerging, Transitioning, Commanding).

Continuing collaboration with LUCES Consultancy (CALS project, grades 3–5) to deepen language-through-content instruction and feedback on writing.

Monitoring student writing and FQT products to ensure continuous growth and provide actionable feedback.

Through this comprehensive, data-informed approach, PS 214K continues to strengthen language proficiency and academic achievement for all multilingual learners.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

Based on the EDAT analysis, along with data from MAP Growth, Acadience, and NYSED assessments, there is a clear and consistent relationship between students' English language proficiency (NYSESLAT performance) and their outcomes on the ELA and Math state assessments.

Relationship Between NYSESLAT and ELA Performance

Students who perform at the Transitioning and Commanding levels on the NYSESLAT demonstrate stronger results on the ELA assessment and the MAP Reading Growth measure. These students typically show higher proficiency in reading comprehension, academic vocabulary, and written expression—skills that directly support success on ELA tasks.
In contrast, students who remain at the Entering and Emerging levels on the NYSESLAT tend to face challenges on the ELA assessment, particularly in extended writing, vocabulary acquisition, and inferential comprehension. Their language development levels often limit their ability to fully access grade-level texts and to construct evidence-based responses independently.

Relationship Between NYSESLAT and Math Performance

A similar relationship is evident between NYSESLAT proficiency and Math performance. Students with stronger Listening and Reading skills on the NYSESLAT demonstrate higher achievement on Math assessments, as they are better able to comprehend multi-step word problems and academic vocabulary within math contexts.
Data from MAP Math show that multilingual learners with higher language proficiency outperform peers at lower proficiency levels, not due to differences in conceptual understanding, but because of greater ability to interpret and respond to linguistic demands embedded in problem-solving tasks.

Summary of Findings

Overall, the data reflect that as students' English language proficiency increases, their performance on ELA and Math state assessments also improves. This correlation reinforces the importance of continued, intentional language instruction across all content areas. Students who develop strong vocabulary, reading comprehension, and writing skills in English demonstrate greater academic success across all tested domains.

To sustain progress, PS 214K continues to monitor NYSESLAT, MAP, and state assessment data through EDAT analysis, ensuring that instructional adjustments and language supports remain responsive to students' proficiency levels and learning needs.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

A review of EDAT and NYSESLAT data for PS 214K indicates that performance among ELLs with IEPs and Students with Interrupted/Inconsistent Formal Education (SIFE) shows notable differences in growth patterns compared to the general ELL population.

ELLs with IEPs

Trends:
ELLs with IEPs tend to perform below the schoolwide average across all four NYSESLAT modalities, with the lowest outcomes in Reading and Writing. Listening and Speaking continue to be relative strengths, but progress in literacy-based modalities is slower. This trend has been consistent over multiple years of data.
Many students within this subgroup remain at the Entering or Emerging proficiency levels, showing steady but gradual language growth. The gap between this subgroup and peers without IEPs tends to widen in upper grades,

where academic language demands increase.

Contributing Factors:
The intersection of language acquisition needs and identified learning disabilities presents a dual challenge for these students. Instructional pacing and processing demands may limit their ability to fully engage in extended reading and writing tasks.
Data also suggest that limited exposure to sustained writing practice and complex text comprehension impacts their NYSESLAT literacy performance. The need for explicit, scaffolded instruction and more time to generalize language concepts across contexts contributes to slower progress rates.

Students with Interrupted/Inconsistent Formal Education (SIFE)

Trends:
SIFE students often begin at the Entering level and show initial rapid progress in Listening and Speaking within their first two years at the school, followed by slower growth in Reading and Writing as they encounter more complex academic language.
This pattern indicates that oral language skills develop more quickly through immersion and social interaction, while literacy and academic language require sustained instructional support over time.

Contributing Factors:
SIFE students frequently have gaps in prior schooling, limited literacy in their home language, and variable exposure to structured academic settings. These factors affect their ability to access grade-level content and demonstrate growth on literacy-based measures of the NYSESLAT.
Additionally, adjusting to new cultural and linguistic environments impacts both language acquisition and confidence. Consistent attendance and stability in schooling are strong predictors of growth within this subgroup.

Summary of Findings

Overall, data indicate that while both ELLs with IEPs and SIFE students make progress in oral modalities (Listening and Speaking), they show slower growth in Reading and Writing, particularly in comprehension, syntax, and academic vocabulary.
These results are influenced by overlapping factors: dual learning needs, interrupted educational histories, and the increasing linguistic complexity of upper-grade academic tasks. Continued collaboration between ENL teachers, special education staff, and bilingual support teams is essential to sustain progress for these subgroups.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

At PS 214K, we are committed to ensuring that English Language Learners (ELLs) receive a high-quality, content-rich academic experience that promotes both language development and deeper learning. Our instructional program is grounded in the Great Minds Wit & Wisdom curriculum, a knowledge-building, standards-aligned literacy program that integrates complex texts, academic discourse, and writing across content areas.

To ensure that ELLs can fully access the curriculum, our teachers strategically implement scaffolds and protocols from the Wit & Wisdom Multilingual Learners (MLL) Resource Guide. These embedded scaffolds support students in all four language modalities—listening, speaking, reading, and writing—while maintaining access to rigorous grade-level texts.

Instructional routines are intentionally designed to:

Engage students in reading complex core texts across genres and content areas,

Promote text-dependent oral and written responses, and

Build academic vocabulary and background knowledge, particularly in science, social studies, and the arts.

Teachers are trained to unpack and apply the MLL-specific supports in the curriculum, ensuring that lessons are both language-rich and content-deep. Planning protocols include pre-teaching of Tier 2 and Tier 3 vocabulary, use of visuals and sentence frames, and strategic grouping to promote peer discourse.

Professional learning is an essential component of our model. Teachers regularly engage in:

District-wide ELL professional development, including sessions provided by LUCES (Leveraging Uplifting Content for ELL Success),

Participation in ELL Working Groups, where educators collaborate to design high-leverage strategies for multilingual learners, and

Site-based coaching and collaboration, where ELL strategies are integrated into co-planning and data analysis.

This comprehensive approach allows us to meet the diverse needs of our ELLs while maintaining high expectations, strong academic engagement, and culturally responsive instruction that leads to lasting, deeper learning.

Content-Based Language Instruction
Academic content areas—including literacy, math, science, and social studies—are taught in both English and Bangla. Language development is embedded within content instruction to promote academic and linguistic achievement in both languages.

Instructional Planning and Pedagogy
Instruction is aligned to Next Generation Learning Standards and emphasizes biliteracy and academic language development.

Simultaneous instruction in English and Bangla using cross-linguistic transfer

Wit & Wisdom curriculum (English) with ENL scaffolds and the MLL Resource Guide

Bangla literacy blocks and thematic content units (Cultural history and celebrations account for the percentage allotted per grade level in Bangla content area)

Academic writing and discussion in both languages-Teams are working on school developed Bangla phonics which will work towards developing the Bangla written comments to align to standards and grade level based expectations.

Use of multimodal strategies: bilingual visuals, anchor charts, realia, sentence frames, and glossaries

Translanguaging strategies to bridge and deepen learning across both languages

Foundational Literacy Development
Emergent literacy is being developed simultaneously in both English and Bangla

Students are working towards build decoding, fluency, and comprehension using:

English: Geodes, Wit & Wisdom

Bangla: Original phonics tools and foundational literacy resources developed by the Bangla DL team

In 2025–2026, a new Bangla Phonics Program (K–3) will be created in house and piloted by Assistant Principal Ms. Israt Nali to support foundational language instruction.Academic writing and discussion in both languages-Teams are working on school developed Bangla phonics which will work towards developing the Bangla written comments to align to standards and grade level based expectations.

Student Grouping & Assessment
Students remain in a cohort-based DLBE classroom throughout the instructional day

Within the classroom, flexible grouping is used based on:

Proficiency levels in English and Bangla

Formative assessments

NYSITELL/NYSESLAT results

Classroom performance data

Intake assessments are conducted by Ms. Israt Nali, Assistant Principal and Bilingual/TESOL-certified, to guide placement and instructional supports across four language domains (listening, speaking, reading, writing)

Instructional Resources
Bilingual instructional materials and supports include:

Authentic Bangla literature

Translated Eureka Math resources

Bilingual anchor charts and vocabulary walls

Technology tools used include:

English: Raz-Kids, Exact Path, Geodes Digital

Bangla: Teacher-created culturally responsive digital materials

Family Engagement & Community Integration
Families are informed of program options during the mandated ELL Orientation Meeting

Assistant Principal Ms. Nali leads:

Bangla family engagement meetings

Parent education workshops on bilingualism, home literacy, and ENL vs DLBE program features

ESL for parents in partnership with Beacon and Parent University

Community-based partnerships (e.g., Cypress Hills Beacon) enhance student and family access to cultural enrichment and learning opportunities

Bangla Cultural Content and History Integration
At PS 214K, the Bengali Dual Language Program is committed not only to developing academic biliteracy, but also to sustaining and celebrating the rich cultural heritage of the Bangladeshi community. Through the content-based instructional model, students engage in Bangla Social Studies (SS) units that explore key aspects of Bengali history, geography, identity, and civic life in alignment with the NYSED Social Studies Framework and CRSE (Culturally Responsive-Sustaining Education) principles.

Core Content Themes in Bangla Social Studies Instruction Include:
Introduction to Bangladesh: geography, major rivers, cities, and natural resources

National Symbols: flag, anthem, language, and significant holidays

Bhasha Andolon (Language Movement): history of linguistic identity and advocacy

Victory Day and Independence Movement: simplified historical overview tailored for grades K–3

Daily Life and Traditions: family structure, foods, clothing, and community customs

Historical Figures: Sheikh Mujibur Rahman, Begum Rokeya, and others presented through age-appropriate texts and visuals

Comparative Civics: community helpers, classroom rules, and government in the U.S. and Bangladesh

These units are taught in Bangla and mirror the scope and sequence of early childhood social studies with adaptations for language development. Instruction uses project-based learning, bilingual read-alouds, visual storytelling, and oral discussion to make history and civic identity relevant and meaningful.

Cultural and Arts Partnerships to Enrich the DLBE Program
To bring Bangla language and culture to life, PS 214K has established arts-based partnerships that integrate dance, poetry, and performance into the DLBE curriculum.

Priya Dias – Bangla Classical and Folk Dance
Ms. Priya Dias, a trained classical Kathak and Bangladeshi folk dancer, partners with the school to lead in the content area co planned with and under Ms.Nali's guidance.

Dance residencies during cultural heritage months and DLBE showcases

Instructional workshops for Kindergarten–Grade 3 in Bangla and English

Bangla folk dance integration into Social Studies and music units (e.g., Harvest Festival, Pahela Baishakh)

Choreographed student performances for schoolwide cultural assemblies and Bengali Language Day celebrations

Her work enhances students' understanding of rhythm, gesture, cultural symbolism, and the importance of movement in oral tradition and storytelling.

Tony Dias – Bangla Poetry and Theatre
Mr. Tony Dias, a published Bangla poet and multilingual theater educator, collaborates with DLBE teachers in Grade 1, 2 and 3.co planned with and under Ms.Nali's guidance.

Develop and lead Bangla theatre units focused on storytelling, skits, and dramatic retellings of Bengali folktales and history

Guide students in original Bangla poetry writing, connecting language development to emotion, identity, and imagery

Produce bilingual student poetry anthologies and stage mini-theater productions during events like:

International Mother Language Day

Asian Heritage Month

Family Cultural Nights

These sessions are co-taught with DLBE staff to align with grade-level writing and speaking standards, building

confidence in both Bangla expression and cross-linguistic creativity.

These cultural and arts partnerships are not ancillary—they are fully integrated into the academic calendar and instructional scope of the DLBE program. Together, they allow students to experience Bangla as a living language, build cultural pride, and develop deep, meaningful connections between home, heritage, and school.They are intentionally designed under Ms.Nali's planning, materials creation and guidance.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

At PS 214K, ensuring that English Language Learners (ELLs) have equitable access to high-quality core instruction is a priority driven by our Instructional Leadership Team, ENL Team, and Bangla Dual Language Team, under the guidance of the Assistant Principal and ENL/DL Supervisor, Ms. Nali.

The school's leadership team consistently integrates a multilingual lens into instructional planning and decision-making. Instructional leaders—including Principal Mahabir, Assistant principal Ms.Nali, teacher leaders, and ENL/DL teams—collaboratively review student data and curriculum materials to ensure ELLs can fully engage in rigorous, standards-aligned content. The team prioritizes:

Implementation of research-based ENL strategies,

Differentiation and scaffolding grounded in the Advanced Literacy framework, and

Strategic planning aligned with the Science of Reading, especially in phonemic awareness and foundational literacy skills.

ENL instruction is also embedded in the school's Multi-Tiered System of Supports (MTSS). Dedicated MTSS blocks provide small-group, needs-based interventions using research-backed tools that reinforce grade-level content through targeted language development. ELLs also receive enhanced literacy instruction through our Bangla Dual Language Program, which is supported by both ENL and general education staff through co-planning and collaborative data review.

As the ENL and Dual Language Supervisor, Ms. Nali (Assistant Principal) works directly with both teams to ensure:

ENL and DL programs are aligned to NYS learning standards and CRSE principles,

Instructional materials are linguistically and culturally responsive, and

Planning cycles account for students' language proficiency levels and individual needs.

The leadership team uses writing benchmarks, periodic assessments, and NYSESLAT data to drive additional supports for multilingual learners. Based on student performance, PS 214K has developed and expanded targeted academic opportunities such as:

Saturday School,

After-School ENL Programs, and (Bangla Club and Spanish Club)

Small-group Tier 2/3 interventions embedded in classroom time and pull-out structures.

Together, these coordinated leadership practices ensure that ELLs are not only accessing the core curriculum but are doing so through intentional, responsive, and inclusive instruction that promotes high academic achievement and language development.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

nstructional Delivery of Core Content Across ENL and Dual Language Program Models

At PS 214K, core content is delivered with intentional instructional design that supports the academic achievement and language development of Multilingual Learners (MLs/ELLs). Both our English as a New Language (ENL) and Bangla Dual Language (DL) programs are designed to align with the Next Generation Learning Standards, while addressing the varying language proficiency levels of our students.

ENL Program Model
Language of Instruction: English
Models Used: Integrated Co-Teaching and Stand-Alone ENL

In both the integrated co-teaching and stand-alone ENL models, core content is delivered in English, with scaffolded supports based on students' proficiency levels.

The integrated model is particularly critical for promoting access to grade-level expectations. In this model, the general education teacher and the ENL teacher collaborate using one of the seven co-teaching models (most commonly: parallel teaching, station teaching, or alternative teaching).

The content teacher presents the content objectives through strategies such as close reading, "chunking" text, guided discussions, and modeling.

The ENL teacher reinforces the language objectives, providing scaffolds including graphic organizers, sentence starters, visual aids, and interactive language routines to support comprehension and expressive language use.

When necessary, students' native/home language is used for clarification and to activate prior knowledge, building bridges between concepts and content.

In the stand-alone ENL model, instruction continues to align with the core content areas, while focusing more intensively on developing students' speaking, listening, reading, and writing skills. Instruction is designed using differentiated, standards-aligned tasks that incorporate ESL methodologies and are tailored to each student's English proficiency level.

Across both models, the Great Minds Wit & Wisdom curriculum is used as the core literacy framework. Teachers integrate protocols and scaffolds from the Wit & Wisdom Multilingual Learners (MLL) Resource Guide to ensure that students engage with rigorous texts and academic tasks with appropriate linguistic supports. Objectives are aligned to the Next Generation Learning Standards and delivered through high-leverage instructional routines, such as partner talks, shared writing, vocabulary mapping, and think-alouds.

Dual Language Program Model (Bangla–English)
Language of Instruction: Bangla and English (60/40 model)

In our Bangla Dual Language Program, core content is taught in both Bangla and English. The program follows the 60/40 model in the early grades, with 60% of instruction delivered in Bangla and 40% in English, gradually shifting toward 50/50 in later grades. This model supports biliteracy, bilingualism, and high academic achievement.

Content areas such as Reading, Writing, Math, and Phonics are taught in Bangla during designated instructional modules for pacing and integrity.

Bangla literacy development, including foundational phonemic awareness, letter-sound correspondence, and oral language development.

Project-based learning and collaborative content tasks to support higher-order thinking and content vocabulary in both languages.

Intentional cross-linguistic transfer to help students develop comprehension skills and academic language in both English and Bangla.

All instructional tasks are aligned with the Next Generation Learning Standards and are supported by ENL strategies integrated into the DL environment. Teachers in DL classrooms utilize the same scaffolds used in ENL instruction—graphic organizers, visual cues, home-language supports, vocabulary mapping, and sentence frames—while also emphasizing translanguaging and cultural affirmation.

The ENL and DL teams, under the leadership of Ms. Nali, Assistant Principal and ENL/DL Supervisor, collaborate regularly to plan integrated supports, professional development, and shared instructional goals. Teachers receive ongoing coaching and participate in professional learning through District Working Groups, LUCES, and the CRSE team to continuously refine their instructional practices for multilingual learners.

Through these models, PS 214K ensures that all MLs/ELLs receive rigorous, language-rich, and equitable instruction that fosters deep content learning and English language development, while affirming their cultural and linguistic identities.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

At PS 214K, we are committed to ensuring that English Language Learners (ELLs) with Individualized Education Programs (IEPs) receive equitable access to grade-level academic content while accelerating their English language development. Our approach includes curricular, instructional, and scheduling flexibility to support their learning in the least restrictive environment (LRE), in full compliance with Part 154 and IEP mandates.

Instructional Delivery & Program Models
ELLs with IEPs receive services through a stand-alone ENL model for mandated units of instruction, as well as integrated co-teaching and small group instruction within the general education classroom setting.

Services are delivered through collaborative planning between ENL teachers, special education teachers, and general education teachers to ensure that language and content instruction are aligned and accessible.

Specifically Designed Instruction (SDI) is implemented to meet the individualized goals outlined in each student's IEP

while promoting English language acquisition.

Instructional Strategies
Explicit modeling and mini-lessons focused on reading comprehension, vocabulary development, and writing mechanics.

Flexible grouping and differentiated instruction based on language proficiency level and IEP learning goals.

Use of visuals, sentence frames, anchor charts, and manipulatives to support content and language understanding.

Peer collaboration through structured protocols (e.g., think-pair-share, academic conversations).

Ongoing progress monitoring and conferencing to track growth in both content mastery and language development.

Translanguaging strategies, when appropriate, to build on students' home language strengths.

Use of technology-based interventions such as iReady, Amplify Reading, and ReadWorks to scaffold instruction and support blended learning at students' individualized levels.

Grade-Level Materials & Tools
Wit & Wisdom (ELA): Core content texts and modules are adapted using MLL scaffolds and IEP accommodations.

Eureka Math / Zearn: Math concepts are presented with language supports, manipulatives, and visual models.

Fundations & Heggerty: For foundational literacy, phonemic awareness, and decoding.

Know Every Student Well SCREENERS: Used to collect comprehensive data on academic, behavioral, and SEL needs to inform IEP planning and instructional decisions.

Collaboration and Support
Weekly CTI and grade-level planning meetings include ENL and special education teachers to ensure instructional alignment.

The Assistant Principal for ENL and Special Populations (Ms. Nali) supports case management, instructional walkthroughs, and professional development to build staff capacity in inclusive, multilingual instruction.

Through these structures, PS 214K ensures that ELLs with IEPs receive targeted, inclusive, and linguistically affirming instruction that addresses both their disability-related learning needs and their English language development, enabling them to thrive academically and socially.

b. SIFE

Students with Interrupted/Inconsistent Formal Education (SIFE)
At PS 214K, Students with Interrupted/Inconsistent Formal Education (SIFE) are identified using the NYSED Multi-Language Literacy Screener (MLLS) at the time of enrollment. Once identified, SIFE students receive targeted foundational instruction in literacy and math, embedded within language-rich, scaffolded small group ENL

instruction.

Instruction for SIFE students emphasizes:

Academic vocabulary development,

Decoding and phonemic awareness,

Oral language routines,

Background knowledge building, and

Culturally responsive and hands-on learning strategies.

To guide instructional planning, we administer a variety of screening and formative assessments, including:

MLLS – for SIFE identification,

Acadience and MAP Growth Assessments – to determine foundational reading and math skills,

Edmentum, which tracks MAP data for targeted intervention,

Mock NYSESLAT tasks, Informal Formative Questioning Techniques (FQTs), and End-of-Module (EOM) tasks from Wit & Wisdom – to identify students' needs in content-based literacy and language development.

Assessment data is used to:

Identify appropriate Targets of Measurement (TOMs) from the NYSESLAT framework,

Group students by proficiency level in reading and writing,

Provide appropriate speaking partners,

Scaffold ELA content,

Break down tasks into comprehensible chunks, and

Deliver targeted writing supports, such as sentence stems, graphic organizers, and modeled writing.

SIFE students also receive extended day supports through after-school and Saturday programming, where core literacy skills and language acquisition are reinforced through structured, scaffolded tasks and CRSE-aligned content.

This multi-tiered approach ensures that SIFE students are provided with the tools, supports, and opportunities they need to accelerate both their academic achievement and English language development.

c. Newcomers

At PS 214K, newly arrived English Language Learners (Newcomers) receive targeted instructional support to accelerate their early stages of English language acquisition while ensuring access to core academic content.

Instruction is delivered through a combination of integrated ENL services and stand-alone small group instruction, allowing students to receive language-rich instruction both within the general education classroom and in specialized settings. ENL providers collaborate with classroom teachers to ensure consistent scaffolding and language support throughout the day.

During the early stages of language development, ENL teachers implement strategies that are embedded within the Wit & Wisdom curriculum and aligned to research-based practices for newcomers, including:

Total Physical Response (TPR) to connect language and movement,

Vocabulary instruction with visuals and realia,

Sentence starters and language frames to support structured speaking and writing,

Chants and songs for auditory reinforcement,

Phonics instruction, including blends and sight word recognition, and

Building background knowledge through guided discussion and home language connections.

Content areas are made accessible through differentiated leveled texts, allowing students to learn the same content through appropriately scaffolded materials that match their reading levels. Teachers use language objectives alongside content objectives, ensuring that language development is integrated throughout all instruction.

To supplement in-class instruction, newcomers are provided access to a range of digital language development tools, including:

Edmentum Exact Path for personalized skill-building in reading and language,

Raz Kids for leveled reading practice with audio and visual support, and

Geodes Digital Library, which integrates foundational literacy with knowledge-building content.

Additional extended learning opportunities are provided through our Saturday School Program and Title III Immigrant Education Program, which offer small-group instruction by TESOL-certified and bilingual educators. These sessions provide newcomers with further exposure to academic vocabulary, reading comprehension strategies, and speaking practice in a supportive, culturally responsive environment.

Through these layered supports, PS 214K ensures that newcomer students can develop confidence, acquire foundational English skills, and access grade-level content within an inclusive and affirming school community.

d. Long Term ELLs

At PS 214K, Long-Term English Language Learners (LTELLs) are identified through ongoing analysis of NYSESLAT performance, ENL service history, and EDAT data. Although our overall population of LTELLs is small, data indicates that the majority of our LTELLs are also students with disabilities (SWDs), requiring a dual lens of support to address both language acquisition and IEP goals.

Instruction for LTELLs is centered on accelerating academic reading and writing, particularly in content-rich nonfiction texts. EDAT and classroom trends reveal that writing remains a persistent area of need, contributing to students' continued ENL eligibility despite oral language gains.

To address this, LTELLs engage with content-based literacy instruction using programs such as Wit & Wisdom, which expose students to complex texts across disciplines. Instruction emphasizes:

Reading for information,

Writing with text-based evidence,

Development of Tier 2 and Tier 3 academic vocabulary, especially in science and social studies contexts, and

Language structures needed for analytical and explanatory writing.

Teachers use differentiated scaffolds, including sentence frames, graphic organizers, modeled writing, and guided peer discussion, to support students' expressive language development. When LTELLs are also SWDs, ENL teachers and special educators co-plan to ensure alignment between IEP goals and language supports, using small-group instruction and accommodations tailored to students' individual needs.

Through strategic use of academic language-rich materials, scaffolded writing instruction, and targeted progress monitoring, PS 214K supports LTELLs in making meaningful growth toward reclassification and academic independence.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

At PS 214K, we are committed to meeting the unique needs of English Language Learners with Disabilities (ELL-SWDs) by providing targeted supports that help them achieve both their IEP goals and English language proficiency within the least restrictive environment (LRE).

To ensure access and equity:

ELL-SWDs are primarily served in integrated settings, where they receive instruction alongside their general education peers. When appropriate, students are also provided with stand-alone ENL instruction, delivered either one-on-one or in small groups with peers of similar proficiency levels.

The school provides the required 2 units of ENL instruction using the stand-alone model, in alignment with CR Part 154 regulations and the mandates in each student's IEP.

Instruction is collaboratively planned and delivered by ENL teachers, general education teachers, and special education providers. Teams work together to:

Use explicit teaching, flexible grouping, and differentiated instruction based on language proficiency and IEP goals.

Deliver Specifically Designed Instruction (SDI) in reading, writing, listening, and speaking to support both content learning and language development.

Implement scaffolds such as visuals, sentence starters, anchor charts, graphic organizers, and guided modeling to

support comprehension and expression.

Incorporate conferencing, peer collaboration, and small-group instruction to provide individualized feedback and promote academic engagement.

All instructional planning is aligned with students' IEPs and NYS Next Generation Learning Standards, ensuring that language acquisition and academic progress occur simultaneously within a supportive, inclusive environment.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

At PS 214K, we recognize the value of the home language as a powerful asset in students' academic and language development. Across both the English as a New Language (ENL) and Bangla Dual Language (DL) program models, we integrate native language supports to ensure that all Multilingual Learners, including newcomers, have access to rigorous content and opportunities for meaningful expression.

Newcomer ENLs are encouraged to write literary responses and reflective pieces in their home language as they build confidence and proficiency in English. To support this, students have access to:

Authentic leveled texts in their home language,

Bilingual dictionaries and glossaries,

Online platforms with built-in translation features, and

Native language writing opportunities embedded into literacy tasks, especially in the early stages of language acquisition.

When mandated by an IEP or when available in classrooms with shared language needs, bilingual paraprofessionals provide native language instructional support. This ensures that students with limited English proficiency—especially those with disabilities—receive comprehensible input and guided assistance in both content and language development.

In mathematics, the Eureka Math curriculum offers bilingual resources, which are provided to students as needed to support academic vocabulary and conceptual understanding in their home language.

Program Selection & Bangla Dual Language Enrollment Process
Upon enrollment, families are offered a choice between the ESL-only (ENL) program or the Bangla Dual Language Program, depending on student eligibility and available seats. All families participate in a home language interview, conducted in their preferred language with interpretation support if necessary.

For families expressing interest in the Bangla Dual Language program, Ms. Nali, Assistant Principal and ENL/DL Supervisor, conducts an informal bilingual assessment to determine the student's proficiency in both English and Bangla. The assessment includes:

Speaking and listening tasks,

Reading comprehension,

Basic writing in both languages.

The tasks mirror elements found in the NYSITELL and NYSESLAT and are used to gauge students' readiness for bilingual instruction and ensure appropriate placement. The results inform instructional planning and guide decisions about additional supports needed to foster biliteracy and academic success.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Systems and Structures for Co-Teaching and Collaboration at PS 214K
PS 214K has established a strong foundation of systems and structures to support collaboration and co-teaching across all English Language Learner (ELL) program models, including our English as a New Language (ENL) program and our expanding Bengali Dual Language Bilingual Education (DLBE) program.

1. Bengali Dual Language Program Support Structures
PS 214K is in the process of a strategic transition to a Bengali Dual Language model, in response to the growing number of enrolled Bengali-speaking ELLs. Our staffing, systems, and professional learning structures reflect this commitment:

We currently have 4 Bengali DLBE classrooms in Kindergarten, Grade 1, and Grade 2 and grade 3 led by certified bilingual teachers.

The program is supported by a Bengali-proficient Assistant Principal, Ms. Israt Nali, who also serves as the ENL/Dual Language instructional supervisor. She leads program alignment, bilingual instructional coaching, and family engagement.

We have five Bengali-speaking paraprofessionals and a Bengali-speaking parent coordinator who provide language access, classroom support, and cultural responsiveness.

Bilingual teachers participate in weekly grade team meetings, vertical articulation meetings, and DL-specific planning time to align instruction in both English and Bangla.

Instructional staff collaborate around translanguaging practices, cross-linguistic transfer strategies, and shared unit planning to promote biliteracy and academic achievement.

2. ENL Program Co-Teaching and Integrated Planning
Our ENL model includes both stand-alone and integrated co-teaching services. To support effective collaboration:

ENL teachers co-plan weekly with general education teachers using a shared protocol that incorporates content objectives, language objectives, scaffolding strategies, and NYSESLAT Targets of Measurement (TOMs).

Co-teaching structures follow the seven recognized co-teaching models, with frequent use of station teaching, parallel teaching, and alternative teaching based on student need and lesson design.

Common planning time is built into the master schedule to support alignment between Wit & Wisdom ELA modules, Eureka Math, and language development goals.

Teachers are trained in Advanced Literacy strategies, CRSE integration, and MLL Resource Guide scaffolds for effective co-teaching in the ENL context.

3. Schoolwide CRSE & Collaborative Planning Structures
Our instructional and cultural programming is grounded in Culturally Responsive-Sustaining Education (CRSE) principles. To ensure all teaching teams—including ENL and Dual Language—collaborate around inclusive, culturally affirming instruction:

The PS 214K CRSE Team leads monthly planning cycles, PLOs, and staff learning walks focused on identity, belonging, and representation.

Libraries, classroom visuals, and core texts are carefully curated to reflect the linguistic and cultural identities of our students, including those from Bangladesh, the Dominican Republic, Yemen, Honduras, Venezuela, Mexico, South Yemen, Ecuador, Guyana, and the West Indies.

Collaboration across co-teaching pairs is encouraged through interdisciplinary projects, multicultural celebrations, and shared student portfolios, promoting holistic student growth.

4. Communication Systems
To support collaboration among teachers and partnerships with multilingual families, we use a variety of digital tools:

ClassDojo, Google Translate, School Messenger, Google Classroom, and our school website (ps214k.org) enable staff and families to connect in multiple languages.

Teachers also engage with families through translated emails, social media platforms (Facebook and Twitter), and bilingual workshop events hosted throughout the year.

Through these systems, PS 214K ensures that all co-teaching teams—whether in ENL, Dual Language, or general education settings—work collaboratively to provide inclusive, language-rich instruction that meets the academic, linguistic, and cultural needs of all ELLs.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

PS 214K's annual professional learning plan is intentionally designed to meet the academic, linguistic, cultural, and social-emotional needs of Multilingual Learners (MLs/ELLs). Professional development is offered to all staff—including administrators, teachers, and non-pedagogical personnel as well as parents—with the goal of building a whole-school approach to language equity and inclusion.

The 2025–2026 Professional Learning Plan is designed to strengthen instructional practices for Multilingual Learners (MLs/ELLs) through intentional, yearlong professional development aligned to Title III, the Blueprint for ELL Success, and CR Part 154. Plan is based on D19 Priorities, Principals Priorities and instructional goals as well as all data.

The plan is coordinated by the Assistant Principal Ms.Nali in collaboration with the ENL and Bangla DL Teams, the CRSE Team, and Parent University, ensuring all staff engage in professional learning that advances language, literacy, and cultural responsiveness as well as Ms.Atara Boker D19 MESA and LUCES Team.

Focus Areas & Tentative PD Dates

Writing & Vocabulary Integration
Teachers receive training on embedding sentence frames, vocabulary routines, and writing structures across proficiency levels.

Sessions: Nov, Dec, Feb, Apr 2026

Focus on data analysis, modeling, and writing calibration using NYSESLAT and MAP results.

Bangla Dual Language PDs
DL teachers engage in PD on phonics and biliteracy transfer using Bangla Letter ID and Phonics assessments.

Sessions: Dec 2025, Jan, Jun 2026

Discourse and Academic Talk (“Five-Star Speaker”) "PS214K School wide Talk Stems Tree"
Schoolwide PD focuses on oral language, accountable talk, and connecting speaking to writing.

Sessions: November, Dec, Feb, May,

LUCES CALS Partnership
Collaborative PD series on language-rich instruction, academic discourse, and writing stamina for grades 3–5.

Sessions: Oct 10, Nov 21, Jan 17, Mar 13, Apr 24, Jun 12, 2026

CRSE & Family Engagement
Monthly PDs and CRSE Book Club (Unearthing Joy) connect instructional practices to cultural inclusion.

Family-focused PDs (Oct, Feb, Jun) through Parent University build staff capacity for multilingual outreach and partnership.

Ongoing Coaching & Reflection
The Assistant Principal facilitates coaching cycles (Sept–June) aligned to PD goals, including classroom observations, feedback, and data-driven reflection.
All staff—teachers, paraprofessionals, and office personnel—participate in training on inclusive communication, language access, and cultural responsiveness.

Through this yearlong, collaborative plan, PS 214K ensures that all educators develop the capacity to provide rigorous, language-rich, and culturally responsive instruction that advances achievement for every Multilingual Learner.

10. Describe your school’s professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders]

and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

PS 214K is fully committed to supporting all certified educators in meeting the Continuing Teacher and Leader Education (CTLE) requirements as outlined under CR Part 154. The school's professional learning plan ensures that every educator engages in meaningful, ELL-focused professional development aligned with the academic, linguistic, and cultural goals of the school community.All certified teachers receive a minimum of 15% of total CTLE hours in ELL-specific professional learning.

All ENL and Bilingual Education–certified teachers receive at least 50% of total CTLE hours in ELL-specific content and instructional practices.

Documentation, including agendas, sign-in sheets, and attendance logs, is maintained for CTLE audit and compliance.

Schoolwide Professional Learning Focus Areas (Tentative 2025–2026)

All teachers participate in recurring PD sessions that embed language development within content instruction. Focus areas include:

*Academic writing and vocabulary development for multilingual learners

*Reading comprehension and scaffolding strategies across disciplines

*Academic discourse routines to strengthen oral and written language connections

*Differentiated instruction and Danielson-aligned best practices

*Integration of CR Part 154 expectations and NYSESLAT Targets of Measurement (TOMs)

*These sessions build teacher capacity to design instruction that supports equitable access and measurable ELL growth.

*Targeted PD for ENL and Bilingual Teachers: Wit & Wisdom + MLL Integration

To strengthen Tier 1 instruction and align language acquisition with content access, ENL and Bangla Dual Language (DL) teachers engage in a module-based professional learning cycle using the Wit & Wisdom Multilingual Learner (MLL) Resource Guide and NYS ENL Progressions.

Tentative Module Schedule (2025–2026):

Module 1 (Sept–Oct): Unpack MLL Guide, develop strategy lessons using Jennifer Serravallo's resources, and align with ENL Progressions.

Module 2 (Nov–Dec): Review FQT and EOM writing samples and refine Tier 1 lesson planning using MLL scaffolds.

Module 3 (Jan–Feb): Analyze midyear data; deepen alignment to TOMs and writing progressions.

Module 4 (Mar–May): Review student work and design scaffolded units emphasizing academic language and content transfer.

Grade-level sessions (K–5) occur throughout the year for planning, calibration, and reflection.

Collaborative Structures for Implementation and CTLE Alignment

Bi-Monthly PLCs (Mondays): ENL and DL teachers collaborate twice monthly to plan language-focused strategies aligned with Wit & Wisdom, content goals, and NYSESLAT proficiency targets.

Co-Planning Cycles: ENL teachers co-plan with grade-level teams using shared protocols that embed language objectives, TOMs, and CRSE practices into Tier 1 instruction.

Instructional Coaching & Consultant Support: External ENL consultants and District 19 MLL coaches provide targeted, school-based support on topics such as serving SIFE students, developing academic language, and strengthening cross-cultural communication.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

At PS 214K, we use a comprehensive suite of screening and diagnostic assessments to inform instructional planning for our English Language Learners (ELLs) at the school-wide, grade, class, and individual levels. The goal is to ensure that instruction is data-driven, responsive to student needs, and aligned to both academic standards and English language proficiency expectations.

The assessments we utilize include:

Acadience – for foundational literacy and early reading skill monitoring.

MAP Growth – for measuring academic growth in reading and math across the year.

iReady – for diagnostic data on reading and math, used for personalized learning and skill development.

Mock NYSESLAT – developed internally and administered at key points throughout the year to assess student progress in the four NYSESLAT modalities: listening, speaking, reading, and writing.

Official NYSESLAT Scores – analyzed to determine long-term trends in student proficiency, identify growth areas, and support placement decisions.

These tools allow our instructional teams to determine:

School-wide and grade-level trends,

Class-based instructional priorities, and

Individual student needs for language acquisition and academic intervention.

Data-Driven Response Structures
Assessment results directly inform our intervention structures, including:

Afterschool and Saturday ENL programs,

In-class flex grouping,

Tier 2 and Tier 3 interventions, and

Small-group instruction focused on language development.

MLL Program Card & Tiered Instruction
The program card for our MLL (ENL) teachers includes Tier 2 content-specific intervention periods, where instruction focuses on:

Reteaching critical content from Wit & Wisdom,

Expanding academic vocabulary,

Practicing the four language modalities in an explicit, scaffolded manner, and

Providing additional time for structured oral language development and writing fluency.

This multi-tiered, assessment-informed approach ensures that ELLs at PS 214K receive the targeted instruction and supports necessary to grow in both their academic achievement and English language proficiency.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

We will use methodologies learned from Wit & Wisdom, strategies used via guided reading instruction, a variety of online literacy based programs, to enhance literacy skills, and oral language development, and writing. Scaffolded, content-based materials will be introduced enabling student exposure to rich academic language. Through deconstruction and reconstruction of complex texts; students will learn literacy skills, including grammar, vocabulary, main idea, context clues, sequencing and characterization, as well as content area knowledge. In order to support students' comprehension, scaffolds will be used during all lessons. One of the most important steps for students in critical reading is to make predictions about a piece of writing by tapping into students' prior knowledge. For our Entering and Emergent readers, via guided reading instruction, we will use the strategy of taking a "book walk" where students make predictions prior to reading, enhancing their understanding. This provides opportunities vocabulary acquisition and text comprehension. For comprehension, teachers will model various strategies and teach standards based literacy skills, including main idea and details, comparing and contrasting, and sequencing to develop comprehension. As part of our classroom instruction, guided reading instruction and learning, students will read independently supported by scaffolds and reading strategies provided by the teacher on the online platform incorporating literacy online programs. Students have access to online reading programs, such as Amira, RazKids, and iReady Reading. In addition, students will also receive instruction to prepare them for the NYSESLAT assessment. We also support our ENL students by inviting them to participate in our after school program in which students receive targeted, scaffold, small group instruction along with ELA and Math test practice.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

We have a MTSS Team. In addition to the schoolwide MTSS team, The ENL Team has developed an MLL and ELL MTSS block to support linguistic demands and goals of ENL students. The school's Instructional Leadership Team takes into consideration MLs/ELLs when designing instruction. They fully support both the ENL and Dual Language programs and make collaborative decisions for all students, with a focus on ELLs in literacy. The team incorporates

researched-based ENL practices, differentiation, and Advanced Literacy. In addition, the ILT is involved in selecting technologically-based literacy platforms that target ELLs for the purpose of additional phonics development and critical thinking through the writing process. MTSS also supports ELLs with research based programs through the science of reading. Our school Instructional Leadership Team fully supports and plans for both the ENL and dual language programs. Instructional decisions are collaboratively supported for all students, with a focused lens for ELLs in literacy with incorporation of researched-based ENL practices, differentiation and Advanced Literacy. The ILT decided on the online literacy platforms used currently at PS 214K with a targeted lens for ELLs. The team supports the inclusion of additional phonics development and consistent writing programs.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

ENL staff and administrators analyze ACADIENCE, NWEA MAP assessment data, authentic student work, and NYSESLAT scores to evaluate the success of our programs. We examine the scores of each individual ELL from year to year to ensure that all ELLs are improving by at least one performance level (i.e. from entering to emerging, transitioning to expanding), and that advanced students are achieving proficiency on the NYSESLAT. The EDAT targets guide our analysis. ENL teachers and Administrators received in depth training on EDAT as to how to create and analyze its data. For performance that is stagnant, we identify the areas of listening, speaking, reading or writing that is most difficult for the student. This EDAT data helps shape instruction to ensure student progress. Since our school implemented both the Wit & Wisdom and Eureka Math curricula seven years ago, along with continued support in guided reading practices for all students to address the needs of our students, ENL teachers collaborated with classroom teachers to develop and analyze assessments, and to create rubrics that were aligned to the Next Generation Learning Standards as well as the targets of measurement assessed on the NYSESLAT. Data from the Wit & Wisdom FQTs and EOM tasks, guided reading instruction, NWEA MAP assessments, Acadience progress monitoring and Edmentum benchmarks help ENL and classroom teachers target instruction in grades K - 5, especially for Tier 2 MTSS. For students in grades 3 - 5, both ENL and classroom teachers use data from the NYS ELA assessments to determine how instruction can be targeted for ELLs. In Math, teachers were provided with professional development on how to solve problems using manipulatives, visuals, domain-specific vocabulary and create real-life math problems in order to make math more meaningful.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

After administering the NYSITELL, students' whose home language is Spanish are given the Spanish LAB to evaluate their proficiency in their home language. Students are offered the option to take the Math NYS assessment in their native languages, using translated versions of the assessments if available, or oral translations through licensed pedagogues. In addition, students are evaluated using the LENS, if they are identified as SIFE during the initial screening. In addition, PS 214 offers Edmentum, DataMate, and i_ready for home use. The Wit & Wisdom and Eureka Math curricula programs provide Spanish texts, and materials so students can access the booklets, glossaries and tutorials online. The additional assessments to be used in 2025-2026 SY are the Multi Language Literacy Screener (MLLS) and an in house Bangla assessment.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

Based on the current EDAT and EDUR data, the 2024-2025 NYSESLAT exams, 2024-2025 ELA and Math Standardized State exams, current Acadience and NWEA MAP diagnostics, in addition to the data analyzed by teachers and administrators, revealed the greatest needs of our ENL students are in reading and writing. As a result, and to prepare students for the NYSESLAT exam, ENL teachers, in collaboration with classroom teachers, are focusing on improving both the reading and writing skills of our ENL students. ENL students receive additional support in reading and writing through after school programs, which offer skills development and enrichment for our SIFE and Newcomer ELLs via MOCK NYSESLAT exams. We also have increased resources for our classroom libraries, purchased laptops and online language and reading tools such as Amira, iReady, Fundations, Edmentum and DataMate subscriptions. For Math, we have bought an online subscription for iready Math to improve the various skills for ENL students. Moreover, we have added online trade books, use of vocabulary visuals, have re-opened and expanded resources in our school library, and have implemented guided reading instruction in all grades.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

As there are three ENL providers at PS 214K, along with the Assistant Principal who supervises the ELL department, a rotating schedule for the NYSESLAT assessment is developed to ensure seamless administration of the exam components, without taking away the mandated instructional time from students. Scoring is also conducted via a rotating schedule.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

MLL students who require accommodations, specifically those with IEP's are provided the necessary supports during the assessment as per reccomendation of the IEP. However current and former ELLs who require additional accomodations are given so with the testing coordinator's guidance from the NYS ELA/ Mathematics and NYSESLAT parameters as needed or deemed permissible.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

At PS 214K, we are committed to ensuring that all newly identified English Language Learners (ELLs) and their families receive a comprehensive ELL Program Orientation that informs them of their rights, program options, and the academic expectations for multilingual learners. This orientation is conducted in the family's preferred language and includes access to interpretation services, translated materials, and an opportunity for families to ask questions and receive clarification.

During the ELL orientation meeting, families are introduced to the three New York State-approved ELL program models, including those not currently offered at PS 214K. These models are:

1. English as a New Language (ENL)
Delivered in English with targeted language supports

Focuses on developing listening, speaking, reading, and writing skills across the curriculum

Offered as both integrated instruction (with a content teacher) and stand-alone instruction (with an ENL teacher)

Available at PS 214K

2. Dual Language Bilingual Education (DLBE)

Students learn in both English and their home language (e.g., Bangla at PS 214K)

Promotes bilingualism, biliteracy, and grade-level academic achievement in both languages

Instruction occurs in both languages across all content areas

Currently offered at PS 214K in Grades K, 1, and 2 in Bangla

3. Transitional Bilingual Education (TBE)
Initially emphasizes the student's home language for content instruction while gradually increasing English instruction

Goal is to transition students to all-English instruction while maintaining home language support

Not currently offered at PS 214K, but families are informed of their right to request this program or transfer to a school where it is offered

Families are informed of their right to choose among these programs, and if the selected program is not available at PS 214K, they are advised of their right to request a program transfer in accordance with DOE policy.

Instructional Goals and Alignment to Standards
The instructional goals for all ELL programs at PS 214K are to:

Ensure students acquire English proficiency,

Promote academic achievement at grade level, and

Foster positive identity development and cultural affirmation.

Instruction in all ELL models is aligned to the Next Generation Learning Standards (NGLS) and designed to prepare students for:

NYS ELA and Math assessments,

The New York State English as a Second Language Achievement Test (NYSESLAT), and

Grade-level content mastery in core subject areas.

Title III-Funded Program Supports
PS 214K offers Title III-funded services to enhance instruction and family engagement for ELLs and immigrant students. While no services are offered before the first day of school, newly enrolled ELLs are eligible for immediate participation in the following:

ENL/SIFE After-School Program

Title III LEP and Immigrant Education After-School Support

Focuses on all four NYSESLAT modalities: listening, speaking, reading, and writing

Content-based language instruction that supports science, social studies, and math

Emphasizes nonfiction comprehension, academic vocabulary (Tier 2 and 3), and writing skills

Prepares students for the NYS ELA, Math, and NYSESLAT assessments

Instruction in these programs incorporates scaffolds, visual supports, and small-group differentiation, aligned with the student's English proficiency level and academic needs.

Schoolwide Expectations and Family Engagement
At PS 214K, families are viewed as essential partners in student success. During orientation and throughout the year, families are provided with information on:

Progress monitoring tools (e.g., NYSESLAT levels, report cards, periodic assessments)

Academic and language development expectations

Supports available during the school day and after school

Parent rights under CR Part 154, including access to translated documents, interpretation services, and opportunities for input on program selection

Families are also invited to participate in:

Parent workshops, including “Understanding the NYSESLAT” and “Supporting Reading at Home”

Parent-Teacher Conferences and Individual ENL Progress Meetings

Dual Language Information Sessions (for Bangla-speaking families)

Multicultural school events that highlight the identities and languages of our students

This comprehensive orientation and support model ensures that all ELLs and their families are well-informed, meaningfully engaged, and fully supported in their academic and language development journey at PS 214K.

Parent outreach is embedded into the program structure. Newly arrived students and families are invited to participate in workshops that provide guidance on navigating the school system, understanding academic expectations, and supporting students’ learning at home. Throughout the year, families are also invited to performances, trips (in alignment with current DOE health policies), multicultural celebrations, and community events. During summer school, specific workshops are offered on Kindergarten readiness and wellness topics relevant to our diverse community.

The school environment is intentionally designed to be culturally responsive and trauma-informed, with targeted supports that meet the socio-emotional, linguistic, and cultural needs of English Language Learners (ELLs). Community-building activities such as PBIS School Spirit Days and multicultural feasts promote inclusivity and belonging. Our ENL team also ensures that families of newly enrolled students who have not completed the ELL identification process receive continued outreach and follow-up. As of now, there are no outstanding HILS (Home Language Identification Surveys).

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Annual Individual ELL Family Meeting and Orientation Process
At PS 214K, we prioritize meaningful engagement with families of English Language Learners (ELLs) through both mandated group orientation sessions and individualized annual meetings. These meetings are essential in supporting families' understanding of their child's academic and language development, ensuring alignment between home and school.

Annual Individual Meeting (Separate from Orientation and Parent-Teacher Conferences)
Each year, an Annual Individual Meeting is held with the parent or guardian of every identified ELL. This meeting is distinct from the DOE-mandated ELL Parent Orientation and regular parent-teacher conferences.

The purpose of the Annual Individual Meeting is to:

Review the goals of the student's ELL program (ENL or Dual Language),

Share the student's current English language development progress,

Discuss language proficiency assessment results, including NYSESLAT and/or NYSITELL,

Identify the student's language development needs across all content areas, and

Collaborate on specific supports that will help the student meet grade-level expectations.

Translation and interpretation services are provided as needed to ensure families can actively participate and make informed decisions.

ELL Parent Orientation (Provided at Time of Initial Identification)
Upon identification, all ELL families are invited to attend an ELL Parent Orientation Meeting. This session:

Provides an overview of the three ELL program models recognized by NYSED:

English as a New Language (ENL) – delivered in English with language support;

Transitional Bilingual Education (TBE) – begins in the home language and transitions to English;

Dual Language Bilingual Education (DLBE) – promotes bilingualism and biliteracy in English and the home language.

Presents the NYCDOE informational video in the family's preferred language.

Encourages questions and discussion to ensure informed program selection.

Offers translation and interpretation services throughout the session.

If a parent selects a program model not available at PS 214K (e.g., TBE), they are informed of their right to request a transfer to a school offering the selected model, in accordance with DOE policy.

Families are also notified of their right to appeal their child's ELL status within 45 calendar days through the ELL

Reidentification Process. If the student's ELL status changes through this process, the principal must review the case within 6 to 12 months to determine the continued appropriateness of the designation.

Together, these two distinct meetings ensure that families of ELLs at PS 214K are fully informed, engaged, and supported throughout their child's language development journey.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

At PS 214K, we are deeply committed to providing all families—especially those of Multilingual Learners (MLs/ELLs)—with timely, accessible, and linguistically appropriate communication. Beyond mandated meetings and notices, we implement a comprehensive multilingual communication strategy that includes digital, in-person, and print-based approaches.

All school-wide communication materials—including newsletters, letters, flyers, and announcements—are translated into the most commonly spoken home languages, including Bangla and Spanish. We utilize a range of platforms with built-in translation features, such as:

ClassDojo, which enables two-way communication with real-time translation,

SchoolMessenger and our school website (ps214k.org), which are linked with Google Translate,

Email, printed notices, and flyers sent home in translated formats.

Families are also supported in initiating communication in their preferred language. They may:

Send messages through ClassDojo in their home language,

Call or visit the main office and request interpretation or translated assistance, and

Receive support from bilingual staff members, including those fluent in Bangla and Spanish, who assist with verbal communication, documentation, and translations during conferences and workshops.

For languages not represented by current staff, we access DOE interpretation services or coordinate with high-quality external translation vendors.

To promote two-way communication and deepen trust, PS 214K also hosts:

Grade-level family events and workshops tailored to ML/ELL families,

MLL Parent Engagement Series, which includes academic support topics, ELL program updates, and resource sharing in the home language,

Culturally responsive celebrations and forums that honor families' cultural and linguistic backgrounds while fostering school partnership.

These systems ensure that language is never a barrier to participation, and that all families can meaningfully engage, advocate, and collaborate in support of their children's academic and language success.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Empowering Families of Multilingual Learners (MLs/ELLs)
At PS 214K, we are committed to empowering families of multilingual learners through culturally responsive, data-informed, and linguistically inclusive practices. We view families not only as participants in school life, but as essential partners, advocates, and leaders in their children's academic and language development.

Identifying Community Needs
We determine the needs of our ML/ELL community through a variety of ongoing, layered feedback systems:

NYC School Survey trends, which provide insights into family engagement, communication, and trust;

Family feedback forms collected after workshops, events, and curriculum nights;

Informal conversations and community events, where staff members collect anecdotal insights and address emerging concerns;

Direct outreach from bilingual staff, the Parent Coordinator, and ENL team members to gather perspectives from underrepresented families;

Instructional and assessment data, used to identify areas where families may need additional academic support—such as navigating report cards, test preparation, or home-based scaffolding strategies.

Activities that Foster Family Empowerment
Based on this input, PS 214K develops a robust calendar of family-centered activities designed to build confidence, knowledge, and leadership capacity among ML/ELL families:

Workshops on navigating the school system, including how to interpret report cards, understand the NYSESLAT and state exams, and select appropriate ELL program models.

Academic skill-building sessions, focused on how to support early literacy, math fluency, and vocabulary development at home using accessible strategies.

Language-specific family circles (e.g., Bangla and Spanish), where families can meet with bilingual staff, share concerns, access translated resources, and build community trust.

Culturally inclusive celebrations and events, such as International Mother Language Day and Multicultural Literacy Night, that honor the languages and heritage of our students and families while fostering belonging.

Digital literacy and bilingual communication training, including sessions on how to use platforms such as ClassDojo, Google Translate, Google Classroom, and NYC Schools Account to stay engaged with school updates and teacher communication.

Collaborative feedback loops, where families are invited to co-plan and offer input on family workshops, programming, and dual language initiatives.

These efforts not only equip families with the tools and knowledge to support their children, but also actively center their voices in the school community. Through consistent engagement and culturally affirming programming, PS 214K ensures that families of MLs/ELLs are seen, heard, and empowered to advocate for their children's academic success and holistic well-being.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

At PS 214K, we are committed to ensuring equitable access to family leadership opportunities for all parents, especially those of Multilingual Learners (MLs/ELLs). We actively support and encourage family participation in school and district-level decision-making structures, including the Parent Association (PA), School Leadership Team (SLT), and Community Education Council (CEC).

Multilingual Communication and Outreach
Our Parent Coordinator, Mr. Zakir Uddin, leads outreach efforts to ensure that families—particularly Bangla-speaking households—receive timely, translated communication and personalized support. He provides:

Translated materials and multilingual flyers promoting leadership roles,

Interpretation services during meetings and elections,

One-on-one assistance for families completing nomination forms or understanding election procedures.

Leadership by Administration
Principal Mrs. Mahabir fosters a school culture of inclusive, culturally responsive leadership. She ensures:

All school governance structures operate in compliance with Chancellor's Regulations and DOE guidelines,

Family elections and meetings are accessible and advertised equitably, using multiple languages and platforms,

The school calendar includes regular, multilingual forums and town halls for parent voice and shared decision-making.

Targeted Support from Assistant Principal Ms. Israt Nali
As the Assistant Principal overseeing ENL and the Bangla Dual Language program, and a fluent Bangla speaker, Ms. Nali plays a critical role in directly supporting and empowering Bengali-speaking families, many of whom are newcomers or unfamiliar with the school system. Her contributions include:

Providing real-time interpretation and cultural translation during SLT, PA, orientation meetings, and public school events;

Leading ESL classes for parents in partnership with Beacon, helping families build the language confidence needed to advocate for their children;

Designing and teaching Parent University sessions that reflect both school and district goals—topics include:

Understanding the NYSESLAT and academic expectations for ELLs;

Supporting reading, writing, and math at home;

Navigating ENL and special education services;

Sustaining bilingualism and home language use at home;

Hosting family engagement workshops such as:

"Reading Strategies in English and Bangla,"

“Dual Language vs. ENL: Understanding Your Child’s Program Options”;

Supporting the development of multilingual communication systems (e.g., translated ClassDojo messages, school website updates, and outreach phone calls).

A Schoolwide Commitment to Inclusive Leadership
Together, the leadership team at PS 214K ensures that ML/ELL families are not only informed about leadership opportunities, but are equipped and supported to participate meaningfully. Through intentional outreach, language access, and culturally responsive engagement, we help bridge linguistic and systemic barriers—ensuring that all families can be leaders, advocates, and active contributors in shaping their school community.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

School Partnerships:

Priya Dance Academy
Beacon Cypress Hills
NYC Kids Rise
GEMS
MBK
CRSE Team

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

Additional Information to Support the Language Allocation Policy (LAP)
PS 214K is a linguistically and culturally rich school community that is deeply committed to equity, access, and excellence for all Multilingual Learners (MLs/ELLs). Our school has made intentional and systemic efforts to strengthen language access, instructional quality, and family engagement for our growing ELL population—particularly our Bengali-speaking community.

1. Leadership and Dual Language Program Growth
We are proud to be transitioning into a Bangla Dual Language Bilingual Education (DLBE) school, reflecting the linguistic needs of our students. Under the leadership of Ms. Israt Nali, Bengali-proficient Assistant Principal and ENL/DL supervisor, we have developed dedicated Bengali Dual Language classrooms in Kindergarten, Grade 1, and Grade 2, with plans to expand vertically. Staffing includes:

Certified bilingual educators,

Bengali-speaking paraprofessionals,

A Bengali-speaking parent coordinator, and

Participation in the Bilingual Pupil Services (BPS) pipeline to sustain our bilingual staffing model.

2. CRSE Integration and Inclusive School Culture
Our schoolwide instructional framework is grounded in the Culturally Responsive-Sustaining Education (CRSE) Framework, and we maintain a robust CRSE Team that leads:

Monthly learning walks,

Professional learning opportunities,

Inclusive library curation and text audits,

Multicultural celebrations, and

Events that affirm student identity and language diversity.

Classroom libraries, visual displays, and anchor texts are selected to reflect the heritage languages, home cultures, and lived experiences of our students.

3. Family Engagement and Language Access
We go beyond compliance to ensure that all families can participate meaningfully in their child's education. This includes:

Translated communication via ClassDojo, School Messenger, and our school website,

ESL classes for parents in partnership with Beacon,

Dual Language orientation and placement interviews conducted in Bangla and English,

Multilingual family workshops aligned to NYSESLAT, reading strategies, and dual language programming,

Parent University sessions designed to support literacy, numeracy, and family-school partnerships.

4. Instructional Excellence and Programmatic Alignment
We have adopted and aligned schoolwide instructional programs that reflect best practices in multilingual education:

Wit & Wisdom for content-based literacy, supplemented with the MLL Resource Guide and NYSESLAT-aligned scaffolds,

Eureka Math with bilingual materials to support content vocabulary and language development,

Technology-supported platforms such as Edmentum, Raz-Kids, Geodes Digital, Amira, and iReady to personalize learning and language practice.

Our instructional planning cycles, including Module-based PD, Monday PLCs, and Tier 2 supports embedded in the ENL program card, ensure alignment between language and content instruction at every grade level.

5. A Commitment to Multilingual Excellence
At PS 214K, we believe that multilingualism is a strength, not a barrier. Every instructional, cultural, and leadership decision is made with the belief that our MLs/ELLs deserve access to rigorous, inclusive, and linguistically affirming instruction, and that their families are essential partners in their success.

This LAP reflects not only our compliance, but our commitment—to grow, lead, and serve a multilingual community with love, strategy, and excellence.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Sharon Mahabir, Principal
Israt Nali, Assistant Principal (Licensed TESOLK-12) (Bengali DL/ ENL Supervisor)
Dr. Esmery DeJesus, Assistant Principal (Special Education Supervisor)
Amber Abramson TESOL Teacher ENL Coordinator
Gabriella Bali, TESOL Teacher ENL Coordinator
Katherine Balderas, TESOL Teacher
Sharon Mitchell, Pupil Accounting Secretary

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

1. The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
2. Enrollment status of each newly admitted student is determined. If student has been in NYS public schools within past 2 years, our school contacts previous school to obtain ELL status relevant assessment scores, and proficiency level. If student has been outside of NYS public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.
3. The home language of the student is determined by a trained and licensed pedagogue. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.
4. An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.

5. Eligibility for the NYSITELL is determined. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.
6. Student is administered the NYSITELL, if eligible.
7. Parent notification letters are sent to the parent in the parent's preferred language. Parent is notified of their child's ELL status and results of the NYSITELL.
8. If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish LAB.
9. Student with interrupted/inconsistent formal education (SIFE) status is determined using New York State's resources available on NYSED's website: hp://www.nysed.gov/bilingual-ed/schools/studentsinterruptedinconsistent-formal-educaon-sife .
10. If student is an ELL, parent is invited to the parent orientation meeting. A parent orientation meeting provides parents with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents are encouraged to ask questions so that they are informed about all ELL programs; translation and interpretation services are provided throughout the meeting.
11. ELL is placed in the ELL program that the parent selected. If the ELL program that the parent selected is not available, the parent is offered a transfer to a school with that program in accordance with DOE transfer policies.
12. Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Reidentification Process).
13. If the ELL Reidentification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Reidentification Process within 6 to 12 months.

ELL Identification Team & Year-Round Process

The ELL identification process at PS 214K is implemented with fidelity, in alignment with NYSED and DOE regulations. Each newly admitted student is screened and assessed within 10 school days of enrollment (20 days for students with IEPs).

Identification Team Titles & Roles:

ENL Coordinator / Assistant Principal – Oversees compliance, assigns staff, monitors timelines.

Licensed Bilingual and Monolingual Teachers – Trained in HLS protocols and conduct interviews.

ENL Teachers – Assist in document review, work sample evaluation, and NYSITELL administration.

School Counselor / Social Worker – Supports with family engagement and trauma-informed intake when needed.

Parent Coordinator / Family Assistant – Coordinates translated communication and logistics.

Principal – Provides final approval, particularly in cases involving LPT or IEP determinations.

Process:

Home Language Identification Survey (HLS) is administered in the family's preferred language, with interpretation support as needed (bilingual staff, over-the-phone DOE translators, or external services).

Parent/Student Interview is conducted in both English and the home language to gather linguistic, academic, and social-emotional background.

Prior School Records Review – For students who have attended NYS public schools within the past two years, previous ELL status and scores are confirmed with the prior school.

NYSITELL Eligibility Determination – Based on the interview, documentation, and HLS, students are assessed for eligibility to take the NYSITELL.

NYSITELL Administration – Eligible students are tested within the mandated timeline.

Parent Notification – Letters are provided in the preferred language, confirming ELL status and test results.

Spanish LAB – Administered when applicable for Spanish-speaking ELLs.

SIFE Screening – Completed using NYSED tools to determine students with interrupted/inconsistent formal education.

When students enter with an IEP, the Language Proficiency Team (LPT) makes a formal recommendation to the principal, who then secures approval from the superintendent.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Esmery	De Jesus	Assistant Principal 10 Month	10/30/2024	
Sharon	Mahabir	Principal	6/19/2025	Y
Israt	Nali	Assistant Principal 12 Month		
Zakir	Uddin	Parent Coordinator - Annual	12/05/2024	

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards,Surveys conducted by your school

If Other was selected, describe the resource here:

PS 214K assess's the language preferences of the parent community by using the following procedures: 1. Part III information taken from the Home Langauge Identification Survey (HILS) 2. Demographic and language reports from ATS. 3. Identified language/s from the student emergency contact card. 4. Parent surveys and outreach. 5. Outreach communication by parent coordinator, assistant principals, ENL team and pupil accounting secretary. At PS214K, upon registration, parents and guardians of new students complete the Home Language Survey (HILS) and Home Language Questionnaire (HLQ) to indicate the language(s) spoken at home. Translated versions of the HILS and HLQ are available for parents and guardians whose home language is not English. The form also informs the school of the language in which parents prefer to receive information (both written and oral). The school's pupil accounting secretary is responsible for reviewing all blue cards to ensure that the parents' preferred written and oral language (s) reflects the student's biographical information in ATS.
Also, parents communicate their language needs, both written and surveyed, and oral to various staff members at our school: the Principal, the Assistant Principals, the school secretaries, the Bengali-speaking parent coordinator, the ENL staff, the Spanish speaking aides, and teachers, among others.

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	14	1.26%	15	1.35%		

BELORUSSIAN	1	0.09%	1	0.09%		
BENGALI (BANGLA IN BANGLADESH)	459	41.31%	472	42.60%		
BALUCHI	0	0.00%	1	0.09%		
FULANI	1	0.09%	1	0.09%		
ENGLISH	522	46.98%	505	45.58%		
PASHTO (A.K.A. PUSHTO)	4	0.36%	4	0.36%		
SPANISH	108	9.72%	107	9.66%		
URDU	2	0.18%	2	0.18%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
PS 214K School Mission, Vision, Equity Vision, Instructional Focus, and 3K/Pre-K and K to 5 Parent- Student Handbooks	Use of DOE Translation Unit Services and Language Access office services; Support of in house fluent Spanish and Bengali staff. When needed use of Google Translate for all three languages; upload to school website with embedded Google translation option.
Letters to families from Principal and/or Administration	Use of Google Translate for all three languages; upload to school website with translation option; Use of contracted vendors for interpretation services; phone interpretation; Support of in house fluent Spanish and Bengali staff; use of Class Dojo.
PS 214K Cell Phone Contract; DOE Photo/Video Consent Form; Grade Supply Lists	Use of Google Translate for all three languages; upload to school website with translation option, and Language Access office services.
School Leadership Team and Parent Teacher Association meetings and minutes	Use of Google Translate for all three languages; upload to school website with translation option; on Parent Bulletin Board In Main Entrance.
Letters to families on school updates and policies, attendance, promotion, testing, etc.	Use of Google Translate for all three languages; upload to school website with translation option; on Parent Bulletin Board In Main Entrance; use of Class Dojo and School Messanger, and if needed by the Language Access office services.
Virtual Meetings: Family Town Halls, Parent Workshops	Translation support from staff members fluent in Bangla, Spanish, Urdu and Arabic; flyers translated using Google Translate and ClassDojo, and if needed by

	the Language Access office services. Use of NYC DOE OPI Over The Phone Interpretation Services Interpretation for other languages.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent-Teacher Conferences	We have our Bangla-speaking Assistant Principal Ms.Nali and Parent Coordinator, Spanish-speaking aide and at least one additional staff member who speaks Bangla/Bengali, Urdu and Spanish, to help translate for families. In addition we have, two Spanish-speaking Assistant Principals, a Spanishspeaking Bilingual Social Worker and Family Worker to support.
Parent Teacher Association meetings	We have our Bangla-speaking Assistant Principal Ms.Nali and Parent Coordinator, Spanish-speaking aide and at least one additional staff member who speaks Bangla/Bengali, Urdu and Spanish, to help translate for families.
School Leadership Team meetings	We have our Bangla-speaking Assistant Principal Ms.Nali , Spanish-speaking aide and at least one additional staff member who speaks Bangla/Bengali, Urdu and Spanish, to help translate for families.
Home Language Surveys	We have our Bangla-speaking Assistant Principal Ms.Nali and Parent Coordinator, Spanish-speaking aide and at least one additional staff member who speaks Bangla/Bengali, Urdu and Spanish, to help translate for families.
IEP meetings	Use of NYC DOE OPI OverThe Phone Interpretation Services Interpretation for other languages: PS 214K will dial 1-800-889-5921 and provide the following: Language needed (or country if not sure of their language), whether or not the call will be for an IEP meeting, whether or not the interpreter needs to call the parent on school's behalf. We have our Bangla-speaking Assistant Principal Ms.Nali and Parent Coordinator, Spanish speaking aide and at least one additional staff member who speaks Bangla/Bengali, Urdu and Spanish, to help translate for families. In addition we have a Spanishspeaking Bilingual Social Workerand Family Worker to support.
Parent Engagement	We have our Bangla-speaking Assistant Principal Ms.Nali and Parent Coordinator, Spanish-speaking aide and at least one additional staff member who speaks Bangla/Bengali, Urdu and Spanish, to help translate for families. In addition we have a Spanish-speaking Bilingual Social Worker and Family Worker to support.

Informal and scheduled parent meetings	We have our Bangla-speaking Assistant Principal Ms.Nali and Parent Coordinator, Spanish-speaking aide and at least one additional staff member who speaks Bangla/Bengali, Urdu and Spanish, to help translate for families. In addition we have, two Spanish-speaking Assistant Principals, a Spanish-speaking Bilingual Social Worker and Family Worker to support the conversations when translation is needed.
Virtual Meetings: Family Town Halls, Parent Workshops	Assistant Principal Ms.Nali will support with the Language Translation Plan staff members fluent in Bangla, Spanish, Urdu and Arabic; flyers translated using Google Translate and ClassDojo, and if needed by the Language Access office services. Use of NYC DOE OPI OverThe Phone Interpretation Services Interpretation for other languages.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

In the event of an emergency, upon guidance from the emergency responders, our Borough Safety Director, our Superintendent and Senior Field Counsel, we will communicate with all families immediately via School Messenger, Class Dojo, on our website's Home Page, www.ps214k.org, and backpack home information.

For any student-specific emergencies, we communicate one to one with families via phone with school staff fluent in all specified languages in place for reproting. We have a school based Student Crisis Team in place with a chain of command of staff to support our students in crisis and their families, with identified staff available for translation. In the event of an emegency, we follow the BRT protocols stipulated in the annual School Safety Plan. Teachers have updated student rosters, with parent's information, along with home language. All staff have been trained in the emergency protocols. Fluent staff are available to support the nurse with immediate translation needed. School uses the DOE Messanger app for school-wide messages. We have a school Attendance team in place with members who are fluent in Bangla and Spanish, who are assigned as success mentors by grade bands to support families with student attendance updates and concerns. The Attendance team meets weekly to ensure continuous communication and outreach. If needed, the team will use the NYC DOE OPI OverThe Phone Interpretation Services Interpretation for other languages as well as DOE Messanger app.

Our school contact information is located on our school website, ps214k.org. Our Parent Coordinator's direct number is located on our school website. If a parent has an emergency, they can call the school directly at 718-647-1740 and speak to anyone on the office staff for immediate assistance. In addition, if a parent speaks a language other than English, we have staff readily available who speak Spanish and Bangla to support. Families communicate with teachers through the ClassDojo app. Families are able to email school leaders and teachers directly to their DOE email and through ClassDojo. We will use the NYC DOE OPI Over The Phone Interpretation Services Interpretation for other languages. PS 214K will dial 1-800-889-5921 and provide the following: Language needed (or country if not sure of their language), whether or not the call will be for an IEP meeting, whether or not the interpreter needs to call the parent on school's behalf.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Information on the Chancellor's Regulation A-663, Over-the-Phone Interpretation Desk Aid, Language Access Handbook, T&I Unit InfoHub Link will be hand delivered and emailed to all staff at the beginning of the school year.
Our school has compiled together a Translation and Interpretation Team to support our community with the languages at need predominantly being Bangla and Spanish. All materials will be sent out translated in these languages and out reach for further languages are in partnership with DOE supported hotlines and resources.
PS214K Translation and Interpretation Team 2024-2025: AP. Dr. Esmery DeJesus Spanish/English AP. Ms.Israt Nali Bengali, Hindi, Urdu, conversational Spanish Ms. Elizabeth Franqui Spanish/English
NYC DOE OPI
Over The Phone Interpretation Services To access services, schools can dial 1-800-889-5921 and provide the following: School's District Borough Number (ex. 27Q336, 05M036) Language needed (or country if you are not sure of their language) Whether or not the call will be for an IEP meeting Whether or not the interpreter needs to call the parent on your behalf Written Services translations@schools.nyc.gov interpretations@schools.nyc.gov

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

PS214K accesses translated versions of important parent documents and notifications through the Department of Education's website. These include, but are not limited to: Chancellor's letters to families, Welcome and Safety signs, the Bill of Parent Rights and Responsibilities forELLs and Special Education, health, safety, discipline, registration, application processes and selection forms for middle school articulation. The ENL department utilizes the Office of English Language Learners' website to distribute to parents in their preferred language the ELL parent brochures, Parents' Guide to Language Access, Language ID Guide at the security desk and main office, parent surveys and program selection forms, home language surveys and parent notifications informing parents of the status of their child's ELL program eligibility. For school-wide correspondence, we translate School's Mission, Vision, Equity Vision and Instructional Focus, PS 214K Parent-Student Handbooks, Letters to families from Principal and/or Administration, PS 214K Cell Phone Contract; DOE Photo/Video Consent Form; Grade Supply Lists, Letters to families on school updates and policies, attendance, promotion, testing, etc., and Grade and school wide events, assemblies, celebrations, both calendarand invitations. Teachers have been provided with Language Access supports for parent meetings, including Parent-Teacher Conferences, and 504 services. This eliminates any conflict of interest and provides a non-biased platform of support. During IEP meetings, parents are provided a DOE interpreter to address needs. Parents can also receive translated IEPs in their preferred language as requested.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

To gather feedback from all families, especially limited-English-proficient parents on the quality and availability of translated services, we will conduct ongoing parent surveys. Surveys can be translated via the Class Dojo, Google Classroom and the school website, and if needed, manually upon request. Surveys will be made available as needed throughout the school yearand as needed during PTA
meetings and Parent Teacher conferences.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

As per the NYC School Survey results, to improve language services for families, teachers and staff have been trained and receive support using the DOE Translation Services. We plan to consistently use these services as well as those already implemented for print and online communication with families.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Saturday Academy

Total number of ELLs to be served in this program:

125

Grades to be served in this program. Select all that apply.

,1,2,3,4,5,K

Total number of teachers in this program:

5

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

5

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

In this school year 2025-2026, the Title III LEP Saturday Enrichment program will have 5 TESOL licensed teacher and 1 teachers who are content specialists and have prior experience working with ENL students. Teachers are well versed in tier one instruction and have received several professional development trainings for working with ENL students. Ms. Nali Assistant Principal, who is a former ENL teacher, will lead and support this work with teachers. The supervisor will be paid per session using Title III LEP funds. The need of the supervisor is to ensure the safety of students, parents and teachers.

The program will run on Saturdays starting in November 2025 and will run as the budget allows up until the 2026 NYSESLAT, for a total of 24 Saturdays, from 8:30 to 11:30am. Students will begin at 8:30 with a breakfast. Teachers will begin at 9:00AM. We will have 5 groups of 25 students each, led by a content/DL/ Bilingual/ TESOL teacher.

Group 1 consists of students on grades Kindergarten.
Group 2 consists of students on grade 1.
Group 3 consists of students on grade 2.
Group 4 consists of students on grade 3.
Group 5 consists of students on grade 4/5.

Attendance will be maintained in a digital spreadsheet shared with all staff working the Saturday program.
Student progress will be monitored by ongoing student work, beginning and ending MOCK NYSESLAT asessments, progress monitoring with assessments of Writing, FQTs and Mock NYCESLAT writing. The main overall focus is to ensure growth in our MLL's from K-5 in their development of grade level content specific writing.

The program will entail differentiated, targeted group instruction and activities will provide students with phonics using the Wilson Reading/Fundations System, methodologies learned from Wit & Wisdom, Phonics for reading and Eureka Math, and strategies used from targeted small group reading instruction to support their reading, writing and content skills. Followed by social play and station teaching. The program aims to ensure that there is a continued emphasis on writing aspect as per NYSESLAT data review.

Our intention is to create a proactive support for students to narrow their knowledge gap with their peers so that these students gain confidence and perform better on the state wide ELA, Math and NYSESLAT exams. Most specially on the writing. English will be the language of instruction.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**

- **Data sources used to justify the need for the program**

Analysis of our in house 2024-2025 NYS exam data, NYSESLAT, curent EDUR reports as well as the ENL students' beginning of the year data, and other module curriculum data, have revealed the kinds of needs necessary to support students with all four of their language modalities. We are infusing those targeted goals for students, within the programming of Saturday Academy with the support of ENL teams guidance, and supervisor Assistant Principal Ms. Nali who will coach and oversee the programming for the 2025-2026 school year. Instructional materials include the purchase of Wilson Words Their Way, teacher created phonics, reading and writing resources, and digital tools. Additionally the Saturday Programming will include instruction within real-life experiences and high end text to interest students and gauge students interests.

Therefore, instructional focus and activities will be heavily concentrated on developing their reading and writing skills through speaking and discourse. Additionally, phonics, fluency, vocabulary and reading comprehension will be taught. Our goal is to foster the love of reading, while teaching various reading skills to enhance students' reading and comprehension and speaking. Curricula will be organized around "big questions", involve authentic reading and writing experiences, and provide textual choices and meaningful content for students. All 5 teachers hold TESOL licenses and 2 out of the 5 teachers hold Bilingual extensions. The anticipated start of the program is November 2025. We will use methodologies learned in Wit & Wisdom, Wilson Fundations and decoding reading practices to enhance literacy skills. Content-based materials will be used to ensure that students are exposed to rich academic language. The teachers will select complex texts for read aloud during the mini lesson. Through deconstruction and reconstruction of complex texts, students will learn different literacy skills, such as grammar, vocabulary, main idea, context clues, sequencing and characterization, as well as content area knowledge. In order to support student's comprehension, scaffolds will be used during all lessons. Tools such as Padlet, FlipGrid will be use to promote socialization and oral language development. One of the most important steps in critical reading is to make predictions about a piece of writing prior to the first reading. For our Entering and Emergent readers, we will use a strategy called, 'taking a book walk' where students make predictions prior to reading to enhance their understanding of what they will read. This will give them an opportunity to learn new vocabulary, make meaning, discuss their understanding and comprehend the text. For comprehension, teachers will model different literacy skills, such as finding the main idea and details, compare and contrast, and sequencing to help students' comprehension as they are reading.

As part of our targeted small group reading instruction, students will need to be read independently, supported by the teacher and strategies taught, as well as the provided supplemental standards aligned materials within i-Ready, NYS (NYSESLAT). Students have been tested through WW writing FQT/ EOM, Acadience, NWEA MAP and Edmentum, and they will have access to online reading programs. In addition, ELL students will also receive instruction to prepare them for the NYSESLAT assessment. Students will be sub grouped according to their ENL proficiency levels and grades. We will use methodologies learned from Wit & Wisdom, Wison Fundations, Words Their Way digital and strategies taught through targeted small group reading instruction to enhance literacy skills, as well as content-based materials so students can be exposed to rich academic language. The students will also practice expository and narrative writing and the use of tools like semantic mapping to organize their wring. The focus of the instruction will be content based so students will be able to read non-fiction texts, understand scientific concepts and their corresponding tier 2 and 3 vocabulary. The goal of instruction is not only to teach content specific topics that are aligned to the Next Generation Learning Standards, but to move students at least two grade levels in their reading skills. All records will be maintained, including program notifications to parents in their preferred languages, student attendance, and student portfolios, which will be kept on file in the ENL office.

The beginning analysis of the 2024-2025 Math State Test indicates that students are in need of intensive intervention in Math, especially in number sense, operations, and word problem solving. Therefore, math

instruction will be added to support the ELLs by increasing their vocabulary word bank, used of pictures and manipulatives, modified teacher talk so the students will ask have me to process questions and formulate responses during explicit instruction, use of mathematical tools, and targeted concept skills.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

At PS 214K for the 2025-2026school year our ENL students are in free standing and Bengali Dual Language programs. As per the NYSESLAT data and September register, we have 166 English as a New Language Learners, including the Commanding. Here is the tentative breakdown per grade:

Kindergarten: 14 Entering, 4 Emerging, 3 Transitioning, 2 Expanding, 0 Commanding
Grade 1: 11 Entering, 2 Emerging, 2 Transitioning, 7 Expanding, 2 Commanding
Grade 2: 5 Entering, 5 Emerging, 5 Transitioning, 13 Expanding, 7 Commanding
Grade 3: 7 Entering, 1 Emerging, 7 Transitioning, 10 Expanding, 7 Commanding
Grade 4: 4 Entering, 1 Emerging, 6 Transitioning, 11 Expanding, 10 Commanding
Grade 5: 6 Entering, 4 Emerging, 2 Transitioning, 1 Expanding, 7 Commanding

Our prior data and contrast with the NYSESLAT (2024-2025) and the ELA NY State Exam data (2024-2025), indicates that reading and writing are the lowest modalities among our ELLs.

Our program will also focus on developing phonemic awareness, part for the ELL students who are in Entering, Emerging and Transitioning stages, and data reflects low proficiency with phonemic development. Reading comprehension and writing will be the focus for students who need the additional support in these areas. The program plan includes 5 groups of students, where each group will service 20 to 25 students. Our goal is to service as many of our ELLs as possible.

The beginning analysis of our 2024-2025 Math State Test indicates that students are in need of intensive intervention in Math. Therefore, math instruction will be added to support them in math skills that students might be lacking in during the Saturday ENL program. We will service all ELL students in Entering, Emerging, and Expanding for targeted instruction. The Saturday Program is for students to have in person support from 8:30AM to 11:30am.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**

- **Time and duration of sessions.**

The Saturday Program is for students to have in person support from 8:30AM to 11:30AM. The program begins October 19, 2025 and ends June 21, 2026. The Saturday program hosts 5 groups of 25 ELL students per group from K-5. The teachers assigned to the Title III program target specific needs of students in literacy as well as their social emotional well being. Ms. Nali, assitant principal, will oversee the program at cost through the Title III LEP funds.

Ms. Nali, AP is licensed in TESOL K-12, and she oversees and supervises the program. The teachers will plan instructional recommendations for the students and collaborate on the data for the Mock NYSESLAT and identify instructional target areas during their grade level meetings, by sharing concerns and strategies.

The program emphasizes the focus of targeted academic materials with the focus on the modalities of listening, speaking, reading and writing. The students are recommended based on the beginning of the year schoolwide data as well as the MOCK NYSESLAT data conducted in-house to gather full academic needs of the students. The materials are also available for extra practice on the ENL Saturday Program Google Classroom for students and families. The sections are broken into the 4 modalities.

Due to the data showing from our NYSESLAT scores and our MOCK NYSESLAT in house assessments, we see that writing is a strong area to focus on, therefore the program will focus on growing and developing students writing abilities in response to reading.

The materials are cost to the Title III LEP program. The materials for the ENL Saturday Program materials are expected to be no more than 20% of the total allocation for materials. The materials also include the cost of document cameras for the teachers, when we focus on the writing skill so students engage in real time modeling of writing instruction by teachers.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction for the ENL Saturday Program is English, with some Native Language support as needed based on instructors.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

We will have 5 ENL/ DL/ Bilingual certified teachers, 1 dually certified TESOL/Common Branches and bilingual / supervisor.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Home language support will be provided by offering bilingual glossaries and online education programs, such as, , i-Ready Reading and Math, and Great Minds parent connections. All program notification letters will be sent out in the parent's preferred home language. Online educational programs will be used to support this program: Fundations, Phonics for Reading, Writing without Tears, Laptops will be provided for students to access to these online programs that support differentiated instruction. In addition, we will use fiction and non-fiction materials for small group guided reading and for independent reading, wring as well as the NYSESLAT Student Practice Books and ReadWorks. These materials support the Next Generation Learning Standards and content area instruction in the classroom. The cost of the materials that will only be used in the Title III LEP program will not be exceed 20% of the total allocation. The additional program resources we will use is called Phonics for reading for grades 2- 5 this will be exclusively used by the MLL students during Saturday as well as in class during WIN periods as independent practice. In addition all K-5 students will use Building Writers from the handwriting with out tears program to support foundational writing practices exclusively by the MLL Students only.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

We will maintain records by keeping an attendance sheet as well as following our schools Data Tracker to keep track of student progress.
We will implement a beginning of the year portfolio and data, as well as an end of year assessment in house with support from the team.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

In the 2025-2026 school year teachers of ENL students will receive in-house training that will be turn keyed from ENL Assistant Principal Ms. Nali. The Title III LEP funds will cover the cost for per session on Saturdays, November 2025.

Only teachers that work in the Title III LEP programs will receive per session and PD materials that align to the in-house PD content to support the Saturday program. The expenses will not exceed 10% of the total allocation.

There will be a series of 8 sessions of in-house PD for 6 ENL/Bilingual/Content teachers during the school year during Monday PLC. on Saturdays starting in October 2025 that will be facilitated by the assistant principal for all teachers working in the Title III LEP program. The 6 teachers will participate in a formal study group through out the school year to learn ENL strategies that will support the targeted instruction they will provide for students in the Saturday program as well as through out the school year in order to strengthen Tier 1 instruction as well as targeted skills for students within the current learning objectives. The schedule is starting October 2025 and end June 2026, as the budget allows. The Saturday student group will take place from 8:30 to 11:30pm. The total cost for Title III LEP per session and professional books for teachers will not exceed the 10% of the total allocation.

Throughout the school year our ENL teachers and teachers who work with our ENLs will participate in various ENL workshops offered by the Office of English Language Learners and ENL workshops offered by District 19. Pedagogues and administration are encouraged to attend professional learning sessions to enhance and deepen their knowledge of strategies to utilize and improve the achievement of English Language Learners. The PLO sessions will be scheduled at best on Monday afternoons, and additional times depending on the ENL teachers' schedules. The course/content of the PLO will center primarily on ENL practices to support phonemic development and will be at no cost. In addition, teachers who work in the Title III program will receive ongoing development related to the program throughout the length of the program on best practices, such as assessment, effective strategies, vocabulary instruction and reading strategies.

To ensure home and school connection, the Ms. Nali Assistant Principal and with the support of teachers, will

also provide workshops through our Parent University as well as other parent workshops to the parents of ENLs on reading and comprehension strategies, online educational programs and test taking strategies. Our topics of workshops that are provided by the ENL teachers will include the ELL identification process, the various stages of second language acquisition, language challenges vs. language disabilities, practices that are most effective in teaching ELLs, and analyzing data from ELL assessments and the ELA exam to shape instruction.

The school will continue to offer professional learning on: racial equality and disparity, cross-cultural communication, and the history and cultural background of ELLs families creating a supportive environment for families and their children, providing in-person and virtual opportunities for parents/families to engage in school events. The providers for development and workshops are: ENL Supervisor, ENL Coordinator and Parent Coordinator, with ongoing support to ENL teachers at PS 214K to address the needs of ENL students, Citywide and District 19 ENL Workshops: all ENL teachers will attend with ongoing support.

For the schoolwide Monday professional learning, which is 60 minutes, teachers sign an attendance sheet in the main office, if it a virtual meeting, attendance is recorded in a spreadsheet and a feedback form is shared with all staff after each session.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

The ethnic composition of PS 214K continues to change over the years. As of October 2025, our student population has a total number of 612 students and 160 are current ENLs, mandated to receive ENL services as per the amended CR Part 154 regulations. The school will continue to develop our Bengali Dual Language program on grades Kindergarten to grade 3.

Teachers will examine the latest research on instructing ELLs and will use the Next Generation Learning Standards to guide them in creating differentiated lessons and Specially Designed Instruction for ELL students with IEPs, to meet the diverse learning needs of ELLs. A focus will be on incorporating into lessons the grade-specific skills outlined in the language proficiency, speaking and listening sections of the Next Generation Learning Standards. These professional learning opportunities have clear agendas, handout supports for educators, along with the names of the teachers attending the workshops that are kept in the main office.

Teachers will also examine the four sections of the NYSESLAT for each grade band and will highlight the tasks and skills that overlap with the ELA exam. Heightening teacher's awareness of the commonalities between the ELA and the NYSESLAT exams makes for more efficient and productive test preparations, as critical ELA skills are reinforced. In addition, an expert will provide Professional Development for teachers on ELL reading strategies, vocabulary instruction and best practices. These programs will enhance teachers pedagogical practices through the use of ENL methodologies to support the language development of ELLs.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

Given the increase of ELLs and the demands of the amended CR Part 154, we must continue to strengthen the skills of our ENL/ Bilingual Certified and all teachers who hold Common Branch licenses on literacy and ENL strategies. To rise the achievement levels of our ELL population, particularly our SIFE students, it is critical that all teachers of ENLs differentiate and scaffold instruction.

Teachers of ELLs, including classroom teachers who co-teach with standalone ESL teachers, will continue to participate in these workshops provided by Ms. Nali.

Our Bengali Dual Language Teachers will receive ongoing professional development on Language Based Instruction That promotes Biliteracy and Bangla Phonics Instruction for Multilingual Learners

For ENL Teachers D19 Working group, the in-house professional development will include: Modifications to Scope and Sequence WW Lessons, Book Study by Valentina Gonzales and using Thinking Maps.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

P.S. 214K staff and teachers receive 60 minutes of professional development monthly, on Mondays.

The number of school staff to participate is approximately 12 teachers and 4 school leaders. The teachers who attend workshops will turnkey the pertinent information to all teachers, during monthly meetings and common planning periods to discuss effective strategies for instructing English Language Learners. Agendas and attendance sheets of teachers that attended these meetings and Professional Learning workshops will be kept on file. The professional development is of no cost.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

The teachers will receive ongoing, comprehensive training, professional development, and coaching on topics such as: the newly amended CR Part 154 regulations, the ENL co-teaching models, how to teach academic

language to ELLs through transferable skills, use of visuals and oral practice in the content areas, using background knowledge to help students make home to school connections, how to explicitly teach phonemic awareness, phonics, and decoding skills in order to build fluency and vocabulary comprehension to ENLs. In addition, the staff at PS214K are sensitive to the emotional needs ELLs may have, as they adjust to a new country and language.

Support will be in modeled and coaching forms of in-house investigation on data and observing strategies modeled for teachers. PD will be focused around planning with Wit and Wisdom, modifying students needs and structuring discourse to increase student to student interactions on content.

The professional development seeks to provide access to high levels of rich, cross curricula literacy using a variety of supports. The development focuses on supporting teacher assessment of language proficiency with ongoing assessment and sequencing of language goals. The programs also examine the use of visuals, oral language practice, and instructional methods that respond to the linguistic and literacy needs of students. Topics such as close reading, developing centers, and note-taking are addressed.

September 2025
Unpack NYSESLAT Data and Goal Setting

November 2025
Culturally Responsive Environments for MLLs/ELLs

November 2025
Holistic Biliteracy Framework

December 2025
Translanguaging/Planning Reading Instruction In and Across Two Languages

January 2026
Planning for Oracy Cohesively Across Languages

January 2026
Planning for Meta-Linguistic Awareness and Cross Linguistic Connections

Turnkey District Level MLL LUCES, CALS and CRSE Professional learning

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Ms. Israt Nali, AP
Ms. Amber Abramson ENL Coordinator 3-5
Ms. Gabriella Bali ENL Coordinator K-2

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Professional Development documentation includes:
- PS 214K PLO Calendar
- PLO Agendas
- PLO Staff Attendance
- PLO Minutes and Meeting Notes
- Weekly Data Meeting Notes
- Saturday PL agendas and minutes

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

For the 2025-2026 school year parents engaged in a number of workshops with academic and ENL language programming.
With respect to K-1 grades receiving addition guidance as the learning losses have affected the structures of learning and technology needs for families in the community. Workshops around iReady online program, questioning and discussion with students, College savings NYC Kids Rise, and more have already taken place. We are learning the needs of our families from the ENL Screeners as well as our SEL Special Education Screeners.

We will continue to instruct parents on how to use the NYCDOE NYSCA and new PS214K school website to track their child's progress, special services, how to stay in contact with the school, as well as Beacon CBO and health concerns. All parents will be invited to participate. Other workshops that occur after school include information sessions on the Bengali dual language program, literacy strategies, online support, among other topics. These workshops and classes are scheduled at convenient times to accommodate parents' schedules. These workshops and classes are facilitated and led by our parent coordinator, administrators, counselors, Bangla DL Team, and ENL teachers in the building.

We will utilize Principals Priority goals and create a Parent University course work for the year that will enhance learning experiences in those areas for families and students. With the Bangla Dual Language families, we will establish the growth of our Bangla Phonics and meet to engage with families with "Chai with Ms.Nali and Mrs.Mahabir" time, to understand and develop our Bangla Phonics.

During the 2024 - 2025 school year, the guidance counselor, who receives Bengali-language support from the parent coordinator and Spanish-language support from school aides, teachers and an assistant principal, will conduct workshops on the middle school application process as well. The above mentioned staff members are present to offer translation services.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

PS214K works continuously at building a supportive environment that responds to the immediate cultural and linguistic needs of all families. For the 2025-2026 year, we plan to continue to do so through focusing on topics relevant to ENL families. PS214 believes that parental involvement is critical in ensuring the academic success of ENLs. At P.S. 214K, we create a welcoming environment so that parents, particularly those of ENLs, feel comfortable and well-informed. Many staff members, from administrators to teachers and aides, speak Spanish and Bengali and offer translation services on a daily basis to parents in both formal and informal settings.

The topics of these workshops are Title III, parenting skills, academic promotion policies, preparations for NY state exams, content curriculum, nutrition and fitness. We will host further workshops during Saturday school to continue to build on core tier one instruction and within phonics and reading as well as building on content and knowledge.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Parent Workshop Schedule for 2025-2026:

Monthly starting in October 2025 until June 2026, in morning from 8:45 to 9:30am. (See topics below).
There will be a total of 10 sessions from October 2025 to June 2026, once a month.

We expect the turnout to be about 50 parents per workshop and approximately $50 on refreshments per workshop and parent workshop package, and and will be no more than the 10% of the total allocation will be used for parent engagement activities.

Clarification: no per session rate will be charged for these activities.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

This component is no more than 10% of the total allocation that will be used and will be used to cover the parent engagement activities.

Materials needed will be crafts for the students and families who participate in the family engagement activities.

Some of the programs intended for this year are:

Coffee and tea with ENL families/ DL Families, Learning skills to take home to build language.

Arts and Language with ENL Families.

Saturday Program Family Engagement: Reading strategies For ELLs.

Saturday Program Family Engagement: Math Strategies for ELLs

Saturday Program Family Engagement: Listening and Speaking Strategies for ELLs and families.

Additional topics anticipated include, but not limited to:

Monthly Wellness workshops & Nutrition

Yearly Curriculum Night

Zumba, Yoga and Fitness

Title 1- Administration and Mr. Uddin will inform families on the Title 1 funding to all parents (PTA)

Parenting: Fatherhood
Parenting: Motherhood

Finanical Literacy

English Language Learner Parent Academy at NYU- The ELL Parent Academy is designed to provide information and resources to support parents, families and educators in their efforts to help ELLs achieve academic success.

Bullying Prevention, including Cyberbullying Workshop - Facilitator: NYPD representative

Reading Strategies: Parents are invited to this workshop, which aims to emphasize the importance of reading outside the classroom. Teachers (general education/ content-area subject) will discuss with parents the strategies they can use while reading with their children. The ENL teacher will show clips of reading lessons as to let parents know how conversations are carried when ELLs read. The teachers and parents will uncover useful questioning skills in reading. Materials such as PowerPoint Presentation handouts, and a recommended book list will be distributed to parents. Parents are also given bilingual books, so they work on their children's literacy skills in their nave language.

Getting Ready for NYSESLAT – Parents of ENL students will be invited to this workshop, which aims to enhance the awareness of the upcoming NYSESLAT exam. An ENL teacher will discuss the specific language skills that parents should be aware of and the types of activities or exercises that parents can do with their children at home. The ENL teacher will also provide materials and list resources for parents to use at home.

NYS Exams

Summer Slide Support

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Ms. Israt Nali, AP

Mrs. Sharon Mahabir, Principal

Mr. Zakir Uddin, Parent Coordinator

School Teaching Staff

Community Based Organizations: BACDYS and Cypress Hills LCDC

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents are notified of school events in their designated native language; written and oral translations are provided through the help of staff, parent coordinator, school aides and teachers, and posted on our online platforms. Throughout, the year we will maintain a file of records which will include, sign-in sheets, surveys and agendas. PS214K is in constant communication with parents regarding all important school events via our internal school Class Dojo platform, DOE MEssanger and school website.

During daily Parent Engagement, parents have the opportunity to meet with the teachers to discuss the progress of their children. To ensure home and school connection, the ENL teachers will contact parents via phone calls and will meet with all the parents of ENLs during the 2025-2026 school year. Parents are notified of school events through translated written invitations and oral translations through by staff members, our school website, the parent coordinator, school aides, teachers and the Spanish-speaking assistant principals, through DOE Message, Class Dojo, and phone services in English, Bengali and Spanish. P.S. 214K teachers inform parents about current topics and news in their Google classrooms in weekly news letters that lists events and topics they learn.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

PS 214K Parent engagement documentaion includes:
- Parent engagement registration flyers
- Parent engagement presentations
- Parent engagement attendance
- Parent engagement feeedback

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem		
Purchased services -High quality staff and curriculum development contracts.		
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.		
Educational Software (Object Code 199)		
Travel

TOTAL		

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School,Before School,Saturday Academy

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5

Total number of teachers in this program:

10 Teachers and 1 Supervisor

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

At PS214, our data shows a strong need to build students vocabulary and language experience through personable experiences. This year we will use Title III Immigrant funds in the form of clubs in cycles.

During the before-school and after-school immigrant enrichment programs, PS 214 will provide differentiated, small-group instruction and hands-on learning experiences designed to strengthen language development, academic vocabulary, collaboration, and cultural identity for immigrant students, including newcomers and ELLs. Students will participate in enrichment clubs such as:

Art/Knitting
Technology

Photography
Math/Chess
Special Needs: Adaptive Physical Education
Cricket
Spanish Culture & Arts Club
Bangla Culture & Arts Club
Architecture & Design

Activities will include project-based learning, visual arts, design tasks, dance and music, research, bilingual storytelling, digital creation, and performance preparation. These activities provide multiple entry points for immigrant students to access grade-level concepts, build confidence, and engage in authentic speaking, listening, reading, and writing opportunities. English is the primary language of instruction, with home-language support provided in Spanish and Bangla, the school's dominant immigrant languages. Newcomer students- based on their language strengths and interests will be intentionally placed in the Spanish or Bangla cultural clubs to support their transition, identity, and comfort.

Students will be grouped in small cohorts of approximately 10–12 students per club, with one group per club, totaling 10 groups across AM and PM sessions. Each group includes 6–12 immigrant ELLs, depending on enrollment. Instruction will be delivered through modeling, guided practice, research-based routines, and collaborative, experiential learning aligned to CRSE practices.

Programming is delivered in two cycles:

Cycle 1: December–February

Cycle 2: April–June
A break is scheduled during Ramadan to respect the large number of immigrant families who observe fasting and evening prayer.

A Title III-funded supervisor will oversee all sessions. The supervisor's regular workday is 6:00 AM–1:26 PM, and supervision occurs before school (7:15–8:00 AM) and after school (2:30–3:30 PM) on designated program days. Licensed Common Branch and TESOL teachers facilitate all clubs to ensure appropriate instructional support for immigrant students.

Clubs:
AM Clubs (7)

Knitting/Art
Technology
Photography
Math/Chess
Podcast/News (Cycle 1)
Adaptive Physical Education
Cricket (Cycle 2)

Note: Podcast/News runs Cycle 1, and Cricket runs Cycle 2.
Even though they alternate, each counts as a club in the plan, giving us 7 AM clubs.

PM Clubs (3)

Spanish Culture & Arts
Bangla Culture & Arts

Architecture Engineering & Design (Cycle 2)

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

In preparation for the Title III Immigrant before- and after-school programs for 2025–2026, analysis of NYSESLAT results, MOCK NYSESLAT assessments, NYS ELA and Math Exam data, MAP Growth reports, Acadience assessments, Wit & Wisdom FQT writing tasks, and classroom performance demonstrate that PS 214's immigrant and newcomer students require additional support in vocabulary development, oral language, writing, comprehension, and mathematical reasoning. A large percentage of immigrant students scored at the Entering and Emerging levels on the NYSESLAT, with MOCK NYSESLAT results confirming continued challenges in speaking, writing elaboration, and content vocabulary. Writing has been identified as a significant gap across grades, particularly in responding to text-based questions and producing grade-level FQT writing pieces.

Quantitative data from the 2024–2025 NYS ELA and Math Exams show disparities for immigrant students in reading comprehension, writing stamina, and multi-step math problem solving. MAP and Acadience data further indicate the need for targeted support in foundational literacy skills, decoding, concept development, and academic language. These needs align with LUCES/CALS work, AP goals, the Principal's instructional priorities, and District 19 goals, all of which emphasize strengthening language-rich instruction and culturally responsive supports for multilingual learners.

Qualitative indicators—including teacher observations, ENL progress monitoring, student interviews, and family feedback—show that immigrant students greatly benefit from structured enrichment, community-building, and opportunities to explore interests outside the traditional academic day. Many PS 214 families come from low-income immigrant backgrounds, and students often lack access to the types of enrichment experiences (arts, movement, technology, cultural programs, photography, architecture) that their peers may be exposed to outside school. Providing these experiences through Title III is essential for building background knowledge, social-emotional confidence, cultural identity, and authentic opportunities for oral language development and writing.

To address these needs, PS 214 will offer a series of enrichment clubs—including knitting, technology, photography, podcast/news, adaptive PE, cricket, architecture, and Spanish and Bangla cultural arts—that integrate academic vocabulary, oral language practice, writing, research, collaboration, and experiential learning. Spanish and Bangla cultural clubs offer home-language support, identity affirmation, and newcomer-focused community-building. Programming will pause during Ramadan, in acknowledgment of the large number of immigrant families who observe fasting and religious practices during this period.

The need for these programs is supported by analysis of:

NYSESLAT and MOCK NYSESLAT data
NYS ELA & Math Exam results
MAP Growth data
Acadience assessment results

Wit & Wisdom FQT Writing performance
LUCES/CALS instructional cycles
AP & Principal goals
District 19 instructional priorities
Classroom assessments
Teacher observations & ENL progress monitoring
Family/student surveys
ATS immigrant enrollment reports

These data collectively justify the need for enrichment programs that provide immigrant students with language-rich, culturally sustaining learning experiences designed to strengthen writing, vocabulary, comprehension, numeracy, oral language, and social-emotional development.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

For the Title III Immigrant before-school and after-school enrichment programs at PS 214K, students served will include immigrant learners from Kindergarten through Grade 5. Across both programs, we anticipate serving a total of 70–95 immigrant students, with approximately 45–60 participating in AM clubs and 25–35 participating in PM cultural clubs. Enrollment will prioritize immigrant students who have arrived in the United States within the last two years, as well as newcomers identified throughout the school year.

The program is specifically designed to support immigrant learners who demonstrate needs in vocabulary development, oral language, writing, comprehension, foundational math concepts, and social-emotional adjustment. Students identified for participation include those who scored at the Entering or Emerging levels on the NYSESLAT, performed below benchmark on MAP, Acadience, or classroom assessments, or demonstrated challenges in writing and academic language on Wit & Wisdom FQT writing tasks. Students from immigrant, multilingual backgrounds who require additional academic and linguistic enrichment will also be prioritized.

Immigrant students at PS 214 represent a range of cultural and linguistic backgrounds, including but not limited to students from Bangladesh, Pakistan, Yemen, Dominican Republic, Venezuela, Mexico, Ecuador, and other South Asian, Middle Eastern, African, and Latin American countries. A large percentage of these students speak Spanish or Bangla, and newcomers who speak these languages will be intentionally placed in the Spanish or Bangla after-school cultural clubs to support identity, comfort, and language development.

Across all clubs, students will benefit from small-group, hands-on, language-rich enrichment experiences that provide academic support, build confidence, and expand access to meaningful opportunities that many low-income immigrant families may not otherwise have.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

Supervision:

The Title III Immigrant programs will be supervised by Ms. Israt Nali, Assistant Principal, who will oversee all instructional, logistical, and compliance aspects of both the before-school and after-school components. Responsibilities include staff coordination, student progress monitoring, attendance oversight, alignment to ENL and CRSE priorities, and communication with families. Supervision funded through Title III Immigrant will occur outside of the supervisor's regular workday hours in accordance with DOE per-session policies.

In addition, Ms. Nali will conduct weekly planning and coordination sessions with program teachers. These sessions ensure that instruction remains project-based and linguistically supportive, that materials and activities are aligned across clubs, and that communication systems with families are maintained. Weekly planning also supports preparation for the culminating celebration of learning.

Instructional Approach:
Students will engage in hands-on, project-based learning rooted in each club's theme (architecture, photography, knitting, podcasting/news, Spanish culture, Bangla culture, adaptive PE, and more). Teachers will integrate literature, informational texts, guided research, and multimedia resources to build academic vocabulary, strengthen oral language, and deepen writing development. These experiences directly respond to gaps identified in NYSESLAT, MOCK NYSESLAT, MAP, Acadience, and Wit & Wisdom FQT writing data.

The program also addresses the need for immigrant students—many of whom come from low-income households—to access enriching, culturally affirming learning experiences that expand background knowledge and support social-emotional development.

Culminating Showcase:
All clubs will collaborate to produce a final family showcase in early June, where students will present projects such as architectural models, photo exhibits, knitted pieces, cultural performances, podcast episodes, and written reflections. This culminating event strengthens home-school connections and celebrates student identity and achievement through the Title III Immigrant program.

Materials (Within 20% Allocation Cap):
All materials will remain within the Title III Immigrant 20% materials limit and will be directly tied to project-based learning. Materials may include:

Hands-on supplies aligned to club themes (e.g., yarn, art/photography journals, architecture tools/paper)

High-interest literature and informational texts

Graphic organizers, templates, and writing supports

Document cameras for real-time modeling

All Title III Immigrant materials will be stored with Ms. Nali, Assistant Principal, in the AP office, and inventoried according to DOE recordkeeping requirements.

Program 1: Before-School Immigrant Enrichment Clubs (AM Program)
Start and End Dates:
Cycle 1: December 2, 2025 – February 14, 2026
Cycle 2: April 7, 2026 – June 17, 2026
(A program pause will occur between February 17–April 6 in recognition of the high number of participating immigrant families observing Ramadan.)

Total Number of Sessions:
Cycle 1: 20 sessions
Cycle 2: 20 sessions
Program Total: 40 before-school sessions
Days of the Week:Mondays and Tuesdays
Time and Duration:7:15 AM – 8:00 AM (45-minute sessions)

Program 2: After-School Immigrant Cultural & Arts Clubs (PM Program)
Start and End Dates:Cycle 1: December 2, 2025 – February 14, 2026

Cycle 2: April 7, 2026 – June 17, 2026
Ramadan break occurs between cycles.

Total Number of Sessions:

Cycle 1: 10 sessions
Cycle 2: 10 sessions

Program Total: 20 after-school sessions

Days of the Week:
Tuesdays only (aligned to AP on-site schedule)

Time and Duration:
2:30 PM – 3:30 PM (1-hour sessions)

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

Program 1: Before-School Immigrant Enrichment Clubs (AM Program)

Language of Instruction:
English will be the primary language of instruction across all morning enrichment clubs. Instruction will emphasize academic vocabulary, oral language development, reading, writing, and content-based conversations aligned to each club's theme (e.g., architecture, photography, knitting, podcasting, adaptive PE).

Home Language Support:
Teachers will embed strategic home-language supports to ensure accessibility for immigrant students. Supports may include translanguaging strategies, visuals, sentence stems, bilingual vocabulary charts, labeled diagrams, and opportunities for students to brainstorm or plan in their home language when appropriate. Staff will also use bilingual anchor texts, recorded read-alouds, and bilingual glossaries to help students access complex concepts. Peer support is encouraged, especially for Spanish- and Bangla-speaking newcomers.

Program 2: After-School Immigrant Cultural & Arts Clubs (PM Program)

Language of Instruction:
Instruction in the after-school program will primarily be in English, with designated cultural arts clubs intentionally incorporating Spanish or Bangla to support identity development, language maintenance, and newcomer integration. These clubs will include cultural storytelling, music, dance, art, traditions, and high-interest activities that build oral fluency, listening comprehension, and vocabulary in both English and the home language.

Home Language Support:

In the Spanish Culture & Arts Club, instruction will include bilingual read-alouds, music, visual arts, and oral language activities in both English and Spanish.

In the Bangla Culture & Arts Club, instruction will incorporate Bangla language resources, traditional arts, cultural celebrations, and bilingual vocabulary practice.

For all cultural clubs, teachers will use translanguaging, bilingual mentor texts, culturally responsive materials, and structured opportunities for students to express themselves in their home language.

Newcomers who speak Bangla or Spanish will be intentionally grouped in these clubs to provide additional comfort, support, and meaningful home-language reinforcement to match the instructor.

Number and Types of Certified Teachers

For each Title III Immigrant funded program, include number and type(s) of certified teachers.

Number and Types of Certified Teachers (Final Version — Flexible for Staffing)

Program 1: Before-School Immigrant Enrichment Clubs (AM Program)
The before-school program will be facilitated by certified classroom teachers drawn from across the school staff. Up to 7 certified teachers who will support these enrichment clubs.

Teachers may include:
Common Branch teachers
Special Education teachers (SPED)
ENL/TESOL-certified teachers
Dual Language (DL) teachers
Teachers with content expertise related to individual clubs (e.g., arts, PE, technology)

All participating staff hold valid New York State teaching certifications and have experience supporting multilingual learners. Final staffing will be assigned based on teacher interest, availability, expertise, and alignment to the instructional focus of each club.

Program 2: After-School Immigrant Cultural & Arts Clubs (PM Program)

The after-school program will be facilitated by certified teachers with cultural, linguistic, or content-area expertise relevant to Spanish cultural arts, Bangla cultural arts, and the architecture/STEAM club. Up to 3 certified teachers will be assigned for this portion of the program. Teachers may include:

Common Branch teachers

ENL/TESOL-certified teachers

Dual Language (DL) teachers with Spanish or Bangla proficiency

Teachers with arts or STEAM specialization

Specific teachers will be assigned based on licensure, language proficiency, and experience working with immigrant and newcomer students.

Total Staff Across Both Programs

Estimated total number of certified teachers: 10 and 1 AP

Teacher pool will include:

Common Branch

ENL/TESOL

Special Education

Dual Language (Spanish/Bangla)

Arts/PE/Technology or STEAM specialists

All teachers will deliver language-rich, project-based instruction aligned to the needs of immigrant and newcomer students.

AP/Super is TESOL K-12 and Common Branches Certified.

Types of Materials

For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

For the Title III Immigrant programs, materials will support hands-on, project-based learning and language development across all clubs. All materials purchased with Title III Immigrant funds will remain within the 20% materials cap and will be directly aligned to instructional activities.

Types of Materials
Materials will vary based on the thematic focus of each club and may include:Hands-on project materials (e.g., yarn, knitting supplies, colored paper, design templates, simple craft materials, journals, sketchbooks)

Photography journals and visual writing notebooks
Graphic organizers, research templates, vocabulary cards, sentence stems, anchor charts

Art and cultural materials for Spanish and Bangla clubs (e.g., paper crafts, cultural art supplies)

STEAM/architecture materials (cardstock, rulers, modeling paper, grid paper)

Adaptive PE materials (lightweight sensory-friendly items as needed)

Document cameras for live modeling of writing, drafting, and project demonstrations

Bilingual resources, visuals, and printed supports for newcomers

All materials will reinforce vocabulary development, writing, oral language practice, and experiential learning opportunities for immigrant students.

Titles and Publishers of Main Supplemental Materials

The program may utilize a selection of supplemental literacy and content-based resources to support language development, including:

Scholastic Classroom Magazines (Scholastic Inc.)

National Geographic Kids readers (National Geographic Learning)

High-interest informational texts aligned to club themes (various publishers)

Teacher-created materials (rubrics, visuals, writing frames, research organizers)

These resources will be used to build background knowledge, academic vocabulary, comprehension, and writing.

Storage of Materials

All materials purchased with Title III Immigrant funds will be stored with Assistant Principal Ms. Israt Nali in the AP office, labeled and organized for monitoring and compliance. Inventory records will be maintained throughout the year.

Use of Title III Immigrant Funds

Some materials will be purchased using Title III Immigrant funds, staying within the 20% maximum materials allocation, while others may be provided through existing school resources or teacher-created materials. Title III-funded materials will be used exclusively for immigrant and newcomer students participating in the program.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

Implementation Plan

PS 214K will implement the Title III Immigrant before- and after-school programs through a coordinated process that ensures strong communication, consistent instruction, and appropriate support for immigrant and newcomer students.

Parent/Guardian Notification:
Families will be notified of the program through:
Backpack letters and emails in families' preferred languages
ClassDojo and school website posts
Automated phone calls DOE portal
ENL/DL family workshops and newcomer orientations

Notifications will include program descriptions, schedules, expectations, and information about the end-of-year showcase.
Staff Orientation and Training:
Before the program begins, participating teachers will attend a program orientation and receive ongoing professional development focused on:

Project-based learning for multilingual learners
Language development strategies (speaking, vocabulary, writing)
Translanguaging and home-language supports
Culturally responsive teaching
Safety, attendance procedures, and documentation requirements

Weekly Coordination:
Assistant Principal Ms. Israt Nali will meet weekly with teachers to review plans, ensure alignment across clubs, monitor student progress, coordinate materials, and support communication with families. These meetings will also help prepare for the June family showcase, where students will share their projects and performances.

? Maintaining Records
PS 214K will maintain all required documentation for Title III Immigrant programming in both digital files and in the AP office. Records will include:

Parent Communication
Copies of translated letters, flyers, emails, and ClassDojo posts
Sign-in sheets from parent workshops and orientations
Student Records

Program rosters
Newcomer identification lists
Attendance sheets for each session
Samples of student work from clubs and the final showcase
Teacher & Staff Records
List of certified staff participating in the program
PD and orientation sign-in sheets
Per-session timekeeping records
Fiscal & Purchasing Records
Inventory logs for materials stored in the AP office with Ms. Nali
Documentation verifying that materials remain under the 20% spending cap with school Secretary Ms. Torres and School Principal Mrs.Mahabir
PS 214K will keep all records organized and audit-ready for the duration of the school year and for any required monitoring.

Part C: Professional Development

Professional Development Summary
Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

Under the Title III Immigrant program, PS 214K will provide professional development in the form of collaborative planning sessions led by Assistant Principal Israt Nali. These sessions are designed to equip teachers with the skills and structures needed to implement the enrichment clubs and language-building activities that support immigrant and newcomer students.

Professional development will focus on:

Designing Project-Based Learning Experiences
Teachers will collaborate with the AP to design hands-on, language-rich projects for clubs such as Architecture, Photography, Knitting, Podcasting/Communication, Cricket, Spanish Culture, and Bangla Culture. Emphasis will be placed on integrating literacy, vocabulary, and oral language routines.

Supporting Newcomers and ELLs in Enrichment Settings
Teachers will receive guidance on scaffolds, sentence stems, modeling, and CRSE-aligned strategies that strengthen language development during creative and experiential activities.

Integrating Home Language Supports
Planning sessions will include strategies for embedding students' home languages (Spanish, Bangla, Urdu, Arabic, etc.) into club activities, cultural celebrations, and the June showcase.

Showcase Preparation and Documentation
Teachers will engage in planning to develop culminating projects, performances, exhibitions, and parent-facing presentations that highlight immigrant students' work.

Alignment With Academic Goals and Assessment Data

PD will help teachers connect club activities to needs highlighted by NYS Exams, MAP, Acadiance, mock NYSESLAT writing tasks, Wit & Wisdom FQT data, and District 19/School AP goals.

These PD sessions will be funded through Title III Immigrant per-session allocation, within the allowable 10% for PD, and will not involve vendors or OTPS. All planning PD will be facilitated by Assistant Principal Israt Nali, who will lead, supervise, and coordinate the work.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

All teachers participating in the Title III Immigrant enrichment program will receive ongoing professional development led by Assistant Principal Israt Nali. PD will take place through structured planning sessions before and during the program to ensure teachers are prepared to support immigrant and newcomer students effectively.

The professional development will focus on:

Designing hands-on, project-based activities for clubs such as Architecture, Photography, Knitting, Technology/Podcasting, Spanish Culture, Bangla Culture, Cricket, and Adaptive PE.

Embedding vocabulary, oral language routines, and writing supports into enrichment activities.

Using data—including NYS Exams, MAP, Acadiance, mock NYSESLAT writing tasks, and Wit & Wisdom writing samples—to plan activities that strengthen language development.

Integrating CRSE practices and home-language supports for newcomers and multilingual learners.

Preparing for the June student showcase.

All teachers—ENL, DL, SPED, Common Branch, and enrichment teachers—will participate in these collaborative planning sessions to ensure consistent, high-quality implementation across all Title III Immigrant programs.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

t is essential that all teachers participating in the Title III Immigrant enrichment program are prepared to support immigrant and newcomer students through differentiated, language-rich instruction. Teachers will continue to receive ongoing in-house professional development facilitated by Assistant Principal Israt Nali.

All teachers leading the enrichment clubs—including ENL, DL, SPED, Common Branch, and specialty teachers—will participate in collaborative planning sessions focused on:

Embedding vocabulary, oral language routines, and writing supports into hands-on, project-based enrichment activities.

Designing and modifying club projects (e.g., Photography, Architecture, Knitting, Technology/Podcasting, Spanish Culture, Bangla Culture, Cricket, Adaptive PE) so they build language, literacy, and cultural connections.

Using student data—including NYS Exams, MAP, Acadiance, mock NYSESLAT writing samples, and Wit & Wisdom writing tasks—to plan targeted supports for newcomers.

Integrating CRSE practices and home-language supports into enrichment activities.

Coordinating and planning for the culminating June Showcase.

This ongoing professional development ensures that all teachers working in the Title III Immigrant program receive continuous guidance, feedback, and structured planning time needed to deliver high-quality enrichment experiences that strengthen language development for immigrant students.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Professional development for the Title III Immigrant program will occur through ongoing collaborative planning sessions led by Assistant Principal Israt Nali. These sessions prepare teachers to deliver high-quality, language-rich enrichment activities for immigrant students.

Start and End Dates:
December 2024 – May 2025

Total Number of PD Sessions:
10 sessions total
(This includes 1–2 December startup planning sessions, followed by ongoing PD January–May.)

Days of Sessions:
Sessions will be held on Mondays, aligned to AP Nali's onsite schedule and teacher availability.

Time and Duration:
Each PD session will be 1 hour, from 2:30 PM – 3:30 PM.

Structure:

December sessions will focus on program setup, club planning, and preparation for January launch.

January–May sessions will focus on ongoing project design, integrating language routines, reviewing student work, and preparing for the June Immigrant Student Showcase.

These professional development sessions ensure that all teachers participating in the Title III Immigrant program receive ongoing support directly aligned to the needs of immigrant and newcomer students.

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

Professional development sessions for the Title III Immigrant program will cover the following topics:

Designing project-based learning experiences for enrichment clubs (Architecture, Photography, Knitting, Technology/Podcasting, Spanish Culture, Bangla Culture, Cricket, Adaptive PE).

Embedding oral language routines, vocabulary building, modeled writing, and sentence stems into hands-on activities.

Using NYS Exam data, MAP Growth data, Acadiance results, mock NYSESLAT writing samples, and Wit & Wisdom FQT writing tasks to plan targeted language supports for immigrant and newcomer students.

Implementing CRSE-aligned practices, including integrating students' cultures, identities, and home languages into club projects.

Differentiating instruction for newcomers and mixed-proficiency groups within enrichment settings.

Developing multimodal tasks (visual, oral, written, artistic) that build academic language in meaningful ways.

Preparing for the June Immigrant Student Showcase, including planning culminating projects, performances, and family-facing presentations.

These topics ensure that teachers are fully prepared to deliver language-rich, culturally responsive enrichment programming that strengthens literacy, communication, and engagement for immigrant students.

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

All professional development activities for the Title III Immigrant program will be facilitated and supervised by Assistant Principal Israt Nali, who oversees the implementation, planning, and instructional alignment of the program.

Additional support during PD sessions may be provided by:

ENL Teachers

Dual Language (DL) Teachers

Special Education Teachers

Common Branch Classroom Teachers

These staff members will collaborate during planning sessions to help design language-rich, project-based activities aligned to the enrichment clubs. No external vendors or outside providers will be used for professional development under the Title III Immigrant allocation.

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

PS 214K will maintain comprehensive documentation for all professional development activities provided under the Title III Immigrant program. All records will be stored both digitally in a designated Google Drive Title III Immigrant folder and in hard-copy form in the Assistant Principal's office.
Documentation will include:

Agendas and slide decks for each PD session

Attendance sheets indicating which teachers participated

Planning templates, project outlines, and teacher-generated materials created during PD

Notes and reflections from collaborative planning meetings

Records indicating which PD sessions were funded by Title III Immigrant per-session allocations

Schedules and sign-in logs showing dates, times, and duration of PD activities

These records will be maintained by Assistant Principal Israt Nali, who oversees the Title III Immigrant program. All required documentation will be kept on file for audit purposes in accordance with NYCDOE guidelines.

If you'd like, I can now compile the entire PD section or help finalize the remaining parts of the Title III Immigrant plan.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Family Engagement Activities Summary

For the 2025–2026 school year, PS 214K will provide a series of family engagement activities designed to support immigrant families, strengthen home–school connections, and increase families' understanding of how to support their children academically, socially, and linguistically. All sessions will be designed with the needs of newcomer and multilingual families in mind. Translation and interpretation services will be provided in families' preferred languages.

All Title III Immigrant family engagement programming will be led and supervised by Assistant Principal Israt Nali, who will coordinate communication, planning, teacher facilitation, and documentation to ensure compliance with program requirements.

Activities funded through Title III Immigrant will remain within program guidelines:

Family engagement per-session staffing will not exceed 10% of the total allocation.

OTPS/vendor costs will not exceed 20% of the total allocation.

Topics and Types of Family Engagement Activities

Families of immigrant students will engage in workshops and events such as:
1. ENL and Newcomer Orientation Sessions
Overview of ENL services, Dual Language programs, and academic expectations.

Guidance for supporting English development at home.
Translation provided in Spanish, Bangla, and other languages as needed.
(Led by AP Nali and for Spanish translation Ms.Balderas with Title III per-session teacher support)

2. Digital Literacy and Technology for Families
Guidance on using Google Classroom, translation tools, and DOE platforms.Navigating MAP Family Reports, Edmentum, and online reading/math tools.

Strategies for families with limited access to technology.
(Supported by Title III funds within guidelines)

3. Home Literacy and Writing Strategies Workshop
How to support vocabulary, comprehension, and writing development at home.

Strategies connected to gaps identified in NYSESLAT, Mock NYSESLAT, MAP, and Wit & Wisdom FQT writing tasks.
(Led by AP Nali with teacher support)

4. Cultural Connections and Family Community Workshops

Spanish Culture Night, Bangla Culture Night, and multicultural arts events.
Celebrations of families' languages, traditions, and stories.

Strengthens community engagement and supports CRSE goals.
(OTPS materials remain within the 20% cap)

5. Family Game Night / Math and Problem-Solving Night

Activities that reinforce math vocabulary and reasoning.

Encourages families to participate in academic discussions at home.

6. Holi Festival of Color Workshop

Cultural celebration linked to the backgrounds of many immigrant students.

Accessible, hands-on arts activities for families.
(Materials remain within OTPS limits)

7.Technology Sessions for families with Mr.Mayard

8. End-of-Year Family Showcase (June)

Students present photography, architecture projects, knitting work, podcasts, cultural performances, and writing portfolios.

Celebrates student progress, language development, and cultural identity.
(Organized and supervised by AP Nali)

Compliance and Record keeping

Assistant Principal Nali will oversee all documentation for Title III Immigrant family engagement activities, including:

Translated parent notices, flyers, and communication records

Sign-in sheets and attendance logs
Agendas and materials used in each workshop
Lists of staff supporting the events
Per-session records for family engagement
Purchase orders, receipts, and OTPS documentation
Inventory of materials stored in the AP office

All records will be maintained in both digital format and in the AP office for monitoring and audit requirements.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

The family engagement activities funded under Title III Immigrant for SY 2025–2026 are designed in response to both quantitative data and qualitative feedback indicating that immigrant families require greater support in understanding school expectations, navigating academic tools, and accessing enrichment opportunities for their children.

Data Sources Used

The following data informed the selection and design of family engagement activities:

Parent Surveys (NYC School Survey) showing strong requests for information about supporting learning at home, especially literacy, writing, and math.

In-house newcomer family surveys conducted during registration and intake meetings indicating that over 70% of newcomer families require support with DOE technology, translation tools, and school communication platforms.

MAP Growth Data & NYS Exam Trends highlighting vocabulary, writing, and foundational math as areas of need for immigrant students, signaling a need to guide families on how to reinforce these skills at home.

Mock NYSESLAT results demonstrating gaps in speaking and writing that can be strengthened through enriched language experiences at home.

ACADience early literacy data showing early decoding and comprehension gaps among younger immigrant learners.

PTA/PA feedback and parent meetings expressing the desire for cultural celebration events and hands-on community experiences that reflect families' identities.

District 19 priorities emphasizing family presence, culturally responsive experiences, and increased home engagement for multilingual families.

Rationale by Activity
ENL & Newcomer Orientation Sessions

Families report significant challenges in understanding ENL services, scheduling, and language development expectations. Survey data indicates that over half of newcomer parents do not fully understand DOE program models. Orientation ensures equitable access to information, clarifies ENL supports, and strengthens communication. Sessions are offered early in the year and again mid-year to accommodate late arrivals.

Digital Literacy / Technology Workshops

Parent survey responses consistently cite difficulties using Google Classroom, translation tools, and DOE platforms, especially among families who rely primarily on cell phones. Technology sessions address barriers that directly affect student participation, homework completion, and communication with teachers.

Home Literacy & Writing Strategy Workshops

MAP and NYS ELA data reveal persistent gaps in vocabulary, comprehension, and writing among immigrant students. Parent feedback indicates that families want concrete ways to support literacy at home but feel unprepared. These workshops align with documented academic needs and provide families with practical, culturally responsive tools.

Cultural Community Workshops (Spanish Culture Night, Bangla Culture Night, Multicultural Arts)

Qualitative data from newcomer intakes shows that families feel disconnected from the school community and desire acknowledgment of their cultural identities. These events build belonging, affirm language and heritage, and support CRSE goals, which research shows improves confidence and engagement for immigrant students.

Family Math & Game Night

NYS Math and MAP data highlight the need for improved reasoning and problem-solving skills. Families requested hands-on ideas to support math at home. Math/Game Nights increase family comfort with academic content and help students practice vocabulary and speaking skills in an enjoyable, low-stress environment.

Holi Festival of Color Family Event

A significant portion of the school's immigrant population celebrates Holi or comes from the regions where it is observed. Parent feedback requested more representation of South Asian cultural events. This workshop strengthens community ties and provides shared experiences that support social–emotional well-being.

End-of-Year Family Showcase

Showcasing student work from the clubs provides families with a meaningful connection to learning. Data from attendance records in previous years shows that student motivation increases significantly when families are involved in end-of-year celebrations. This event also supports speaking, listening, and confidence-building for ELLs.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

All Title III Immigrant family engagement activities will occur between January 2026 and May 2026, with a final showcase in early June. Activities are scheduled to avoid Ramadan out of respect for the large number of participating families who observe it. All sessions will be led and supervised by Assistant Principal Israt Nali.

ENL and Newcomer Orientation Sessions will run from January to February 2026, with a total of two sessions held on Mondays from 2:30 PM to 3:30 PM (1 hour each).

Digital Literacy and Technology Workshops will take place between February and March 2026, with two sessions offered on Tuesdays from 2:30 PM to 3:30 PM (1 hour per session).

Home Literacy and Writing Strategies Workshop will be offered in March 2026, before Ramadan begins. One session will be held on a Monday from 2:30 PM to 3:30 PM (1 hour).

Spanish Culture Night will occur in April 2026, after Ramadan. One session will be scheduled on a Tuesday from 4:00 PM to 5:30 PM (1.5 hours).

Bangla Culture Night will also take place in April 2026. One session will be held on a Monday from 4:00 PM to 5:30 PM (1.5 hours).

The Holi Festival of Color Family Workshop will be held in March 2026, with one session scheduled on a Tuesday from 4:00 PM to 5:00 PM (1 hour).

Family Math and Game Night will take place in May 2026, with one session on a Monday from 4:00 PM to 5:00 PM (1 hour).

The End-of-Year Immigrant Student Showcase will be scheduled for early June 2026 (between June 1–5, avoiding June 23). One session will be held on a Tuesday from 4:00 PM to 5:30 PM (1.5 hours).

In total, ten family engagement sessions will be provided throughout the school year.

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

The Title III Immigrant family engagement activities will cover a range of topics designed to support families in strengthening their children's language development, literacy, mathematics, and cultural identity at home. Each workshop is aligned to the needs of newcomer families based on school assessments, MAP data, NYSESLAT indicators, and parent survey responses.

Family engagement topics will include:

• Home Literacy Strategies and Oral Language Development
Families will learn practical strategies to support vocabulary building, reading comprehension, speaking, and listening at home. Teachers will model how to read with children, demonstrate questioning techniques, and share conversation prompts aligned to NYSESLAT speaking and listening domains. Families will explore how to build language through shared reading, storytelling, and discussion routines.

• Math and Problem-Solving Strategies for Home
Parents will learn how to support number sense, reasoning, and problem-solving using everyday materials. Teachers will introduce simple math routines and games families can use at home to strengthen academic language and scaffold conceptual understanding.

• Technology and Digital Literacy for Newcomer Families
Topics include navigating Google Classroom, using translation tools, accessing MAP Family Reports, logging into online school platforms, and understanding digital assignments. Families will learn technology tips specifically geared toward English learners and families who primarily use mobile devices.

• Cultural Arts, Language, and Family Identity Workshops
Sessions such as Spanish Culture Night, Bangla Culture Night, and the Holi Festival of Color will focus on celebrating home language, music, art, traditions, and identity. Activities will include song, dance, visual arts, storytelling, and cultural demonstrations that strengthen belonging and home–school connections.

• Strategies for Supporting Writing at Home
Families will learn routines to support vocabulary development, sentence building, idea generation, and writing stamina. Teachers will model writing activities tied to FQT expectations, journaling, and culturally responsive prompts that encourage language use at home.

• Newcomer Orientation and Understanding ENL Services
Topics include ENL programming, bilingual supports, how language instruction works, academic expectations for immigrant students, and how families can monitor progress. Families will learn how to advocate for their child and how home language can be used as an asset in learning.

• Family Game Night and Collaborative Learning Activities
Parents and students will participate in academic games and activities that strengthen language, problem-solving, and social interaction. These activities help families learn supportive language routines they can continue at home.

Collectively, these workshops support immigrant families by building academic confidence, improving communication routines at home, promoting cultural identity, and strengthening skills necessary for student success.

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

All Title III Immigrant family engagement activities will be facilitated and supervised by Assistant Principal Israt Nali, who will lead the planning, coordination, and delivery of the workshops.

Additional workshops will be supported by certified school staff, including:

Licensed ENL Teachers

Licensed Dual Language (DL) Teachers

Licensed Common Branch Classroom Teachers

Licensed Special Education Teachers

These teachers will assist in modeling instructional strategies, supporting families in literacy, mathematics, technology, and cultural activities, and providing translation and home-language support as needed.

At this time, the exact teacher assignments will be finalized based on staff availability, but all facilitators will be licensed instructional personnel employed by PS 214K. No external vendors or CBO providers will be used for Title III Immigrant family engagement activities.

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Family Notification of Activities and Translation and Interpretation Supports

PS 214K notifies families of all Title III Immigrant family engagement activities in their preferred home languages. Families receive communication through translated written invitations, Class Dojo announcements, DOE Messenger alerts, school website posts, and phone calls. Staff members—including bilingual teachers, school aides, our Parent Coordinator, and administrators—provide oral interpretation as needed to ensure full access for immigrant families.

All notifications are translated into the predominant home languages of our community, including Spanish, Bangla, Urdu, and Arabic, with additional languages provided upon request. Interpreters are present at every workshop to support real-time communication, and families are encouraged to communicate language needs in advance or during events.

Teachers also maintain ongoing communication with families throughout the school year through weekly newsletters, Google Classroom posts, and parent engagement time, allowing parents to stay informed about instructional topics, workshop schedules, and ways to support learning at home.

PS 214K will maintain complete documentation of all Title III Immigrant family engagement activities, including translated notices, agendas, sign-in sheets, and follow-up surveys, to ensure transparency and compliance.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Maintaining Records

PS 214K will maintain comprehensive documentation for all Title III Immigrant family engagement activities to ensure accuracy, transparency, and compliance. Records will be organized and stored securely in the Assistant Principal's office and in the school's shared digital Title III Immigrant folder.

Documentation will include:

Agendas and workshop plans for each family engagement session
Attendance sheets and sign-in logs (including virtual attendance if applicable)

Translated parent notifications, including flyers, emails, Class Dojo posts, DOE Messenger alerts, and phone call logs
Copies of all materials distributed to families, including slide decks, handouts, and resource guides
Parent feedback surveys collected after each session
Records of interpretation services provided, including staff sign-offs
Documentation of provider assignments, including which teachers facilitated each session

Purchase orders and invoices for any materials funded through Title III Immigrant allocation

Supervisor planning logs demonstrating oversight of the program
These records will be monitored and updated regularly by AP Israt Nali, who oversees the Title III Immigrant program. Files will be available for review during audits, and all documents will be kept on file for the required number of years per NYCDOE policy.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

Conceptually consolidated (skip part E Budget below)
