Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

Patrolman Robert Bolden Elementary School

District Borough Number (DBN):

19K345

Grades Served:

3-K - 5

School Address:

111 Berriman St

Phone Number:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Paul Thomas	Principal or Designee*	
Claudia Gonzalez	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Kim Washington	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Pamela McRae	District Council 37 (DC 37) Representative (staff), if applicable	
Lisa Romeo	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	
N/A	Student Representative (Required for middle and high schools)	
N/A	CBO Representative, if applicable	
Yahaira Alvarez	Member/Parent	
William Washington	Member/Parent	
Gamila Richard	Member/Parent	
Maureen Antoine Hicks	Member/Teacher	
Shawndel Stewart	Member/Teacher	
Jennifer Santiago	Member/CBO	
	Member / Parent	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Our mission is to provide a safe learning environment for all stakeholders with a welcoming and engaging atmosphere that creates belonging and inclusivity. We will utilize research-based practices to ensure that all students will have access to equitable educational experiences. All stakeholders are committed to work collectively to implement rigorous and culturally relevant instruction through a personalized learning approach that will advance students towards a college and career pathway.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

PS 345 comprises a community of staff, parents, and students who are deeply committed to working cooperatively toward a common goal. Our purpose is to guarantee that the highest quality of education possible is being provided for every student, on a daily basis. We all strive to promote a safe, calm, and nurturing environment in order to ensure that our children will succeed both academically, socially, and emotionally. Academic success will be evident by our children achieving proficiency in all subject areas.

School leaders allocate resources and make decisions aligned to the school's instructional goals that promote student achievement. Collectively the school makes meaningful decisions in scheduling student and teacher time to maximize learning opportunities and teacher collaboration time for planning and evaluating student work. Instructional schedules are made to ensure teachers have a minimum of two common planning periods per week. High expectations are communicated and supports provided so that all members of the school community have a vested interest and take ownership of increase ed student achievement.

During the 2022-2023 school year, we utilized various components of the Wit & Wisdom program to support our school-wide implementation of Balanced Literacy. Our school utilized Eureka Math, along with supplemental resources from Engage NY and I-Ready Online. Horizontal teacher teams were responsible for customizing assessments, which included exit tickets, topic quizzes, and end-of-module assessments in an effort to fully assess and address students' needs. Moreover, we continue to make strategic organizational decisions to support our instructional goals and meet students learning needs.

We are still eager to further support our students in reaching proficiency in both ELA and Math. With this need as our top priority, we plan to focus on monitoring our level of tier one students while utilizing a variety of data sources such as D19 Benchmark assessments, Acadience, module assessments, Edmentum and MAP citywide assessments to inform pedagogy, which will result in targeted tier 2 and 3 movement across our school.

Briefly summarize the key initiatives your school will implement this school year.

This school year we will continue to build partnerships to support the literacy and math vision. Parent trainings, and other additional meetings will help the parents to understand their role with their students' development.
The students in the Excelsior class will participate in an engineering program with a neighboring high school.
Additionally, we have partnered with NYU to secure interns to conduct AIS support for students in Tier 2 and Tier 3 intervention.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	Wit & Wisdom	
ELA	K-5	Edmentum	
Math	K-5	Eureka Math	
Math	K-5	Edmentum	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
24-25 SY students are entering the grade a year to a year and a half below grade level. (Acadience, Map, Edmentum) NWEA EOY Growth K - 20%; Gr 1 - 5%; Gr 2 - 5% Acadience EOY K - 27% Level1 1 - 44% Level 1 2 - 48% Level 2 NYS ELA Assessment -	Gaps in core instruction and lack of tier intervention for scholars; Chronic absenteeism Summer Slide	Establishing foundational skills
24-25 Teacher observations; students lack of stamina during assessments	Insufficient time to read during the school day as well as after school hours; parental support with reading expectations at home	Opportunities for independent reading time. Students need additional time to improve fluency, & comprehension while

		simultaneously building reading stamina
June 2025 Instructional Report	Inadequate amount of exposure to varied social studies and science content that can serve to build students' background knowledge therefore supporting comprehension	Increasing students' academic vocabulary
	Additional targeted small group support needed in writing within the Wit & Wisdom literacy block	Improving students' achievement in writing responses to the Focusing Question Tasks within the Wit & Wisdom curriculum

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	50%	By June, 2026, literacy for All Students will improve, as measured by a 10% Increase, from 49% to 59% , of percentage of students scoring at levels 3 (at benchmark) and 4 (above benchmark.) on the By June 2026, literacy for all students in grades K-2 will improve, as measured by a 10%, increase, from 49% to 59% of students scoring at or above benchmark on the Acadience Assessment..
All Students	53.2%	By June, 2026, literacy for All Students will improve, as measured by a 6% Increase, from 53.2% to 59%, of Increase proficiency of students scoring at levels 3 & 4. on the NYS ELA Assessment.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Classroom teachers will provide robust tier one instruction in phonological awareness utilizing the science of reading strategies.

Fundations - FUN Hub Literacy centers
PD - Grade 1 Teacher Lead

Wit & Wisdom - Strategic small group instruction based on formative data
Ongoing PD from Admin, W & W Coach around strategic planning

Inter-visitations - WIN, Wit & Wisdom Lesson Implementation

Root Cause Addressed:

The most current data indicates that the students' literacy skills are below grade level. Another trend that was discovered is that some students lost information that they had learned over the summer.
Students have had insufficient independent practice time using key literacy strategies.

Inadequate parent engagement

Chronic absenteeism

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Teachers will conduct BOY parent conferences to share expectations for students' work in literacy, and provide quarterly progress reports. (Acadience & NWEA Student Reports)
The literacy team will provide parent workshops throughout the school year to increase their capacity to support children at home. Topics: Writing Support in Wit & Wisdom, Read Aloud Strategies, & Edmentum
Continue to develop MTSS Team to examine screener data to develop a plan to support students within the MultiTiered System of Support in which tiered academic interventions are paired with social-emotional learning supports. - Continue to work with K-2 teachers to fully implement multi-sensory language instruction via Fundations and Heggerty (K) with fidelity PD for Acadience Progress Monitoring & Subsequent instructional planning (K-5) Work with 3-5 grade teachers to utilize Wit & Wisdom to support grammar instruction and writing incorporating The Writing Revolution; Sentence Strategies & Paragraph Building Support 3-5 teachers with implementing NYS Released Literary & Informational text passages to hone in on key standards - R2, R3, R4, & R5 Ensure all students have access to complex texts and decodable texts that are culturally responsive (Through Wit & Wisdom, Laprea, Curriculum Associates)

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Classroom teachers will conduct strategic small group “WIN” instruction daily to ensure that scholars are receiving prescriptive work to advance their goals. MTSS Screener (Acadience/NWEA) & Diagnostic (ROAR) data will be analyzed in Teacher Teams and used to strategically plan instruction. Coaching sessions to support common planning around Wit & Wisdom & WIN
Strategic literacy centers will be implemented by classroom teachers to target reading deficiencies based on Acadience and NWEA data. K-2- Fundations FUN Hub center activities; Edmentum - Priority Skill & Standard Lessons; 3-5 Content Based Literacy Focus - Passports aligned;

Members of the interventionist team will administer an AIS Pull-out & Push-in program for tier 2 students. Ms. Heiss, Ms. Daniels, Ms. Bortoluzzi will follow a three day schedule to support academic intervention for students in need of tier 2 and tier 3 literacy instruction. Groups will be fluid based upon progress monitoring data. (PSF, FSF, & ORF)

Administrators, and the data specialist will facilitate teacher teams/data meetings, to examine students' work products and data to determine instructional steps. Teams will engage in The Relay (See It, Name It Protocol) to unpack of the Next Generation standards, strategically plan, and analyze student work using Wit & Wisdom high leverage lessons.

The admin team will provide actionable feedback to teachers using "walkthrough tool" reports based on the instructional focus to augment their pedagogical practice and support them planning strategic next steps.

Side by Side coaching will be implemented by the literacy coach and school administration to support teachers in their instructional practice. By working in tandem with teachers, this action will provide on-the-spot feedback, opportunities for collaborative planning, and create a positive feedback loop between teacher and administrator/mentor.

All grades will use a diagnostic assessment to determine beginning points for Tier 2 and Tier 3 Intervention.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

1. Acadience Progress Monitoring by classroom teachers with various skills - Nonsense word fluency, CVC words. This will take place every three weeks commencing the first week of October 2025.

2. "WIN" periods embedded into teachers schedules in grades K-5
Teacher observations through Instructional Walk-Throughs and Danielson, with a specific focus on student outcomes

3. CBO- Use of Heggerty benchmarks to monitor phonemic awareness
This will take place every three months commencing the first week of October 2025

4. NYU Student Teacher Resident Program in Grades K-2 with a focus on Special Needs students
Impact of this work will be measured by the Edmentum program.

5. AIS Pull-Out Program servicing students in grades K-3. Impact of this work will be measured quarterly using the Edmentum and NWEA Map assessments.

6. Content Based Literacy blocks have been implemented within 3-5 departmentalized literacy classrooms, to increase student's background knowledge and academic vocabulary.

7. Edmentum in grades K-5 will be used to monitor students progress on their knowledge map and exact path within specific grade level standards to align with the MOY and EOY MAP NWEA assessments.
Impact of this work will be measured weekly by the Edmentum Report.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/11/2025	09/11/2025	Meet the Teacher Event	Cypress Hills Local Development Corp
10/09/2025	10/09/2025	Multi-Language Learner Parent Workshop	
10/16/2025	10/16/2025	Hispanic Heritage Celebration	Parent Association

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

After-school academy, teacher per-session, supervisor per session

Instructional Resources

ELA Ready NY curriculum (Grades 3-5) - student books

Schedule Adjustments

The Academic Academy has a rotation of ELA and Math for grade level student groups. (45 minutes for each subject area)

Other Resources Needed

n/a

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYC School Survey 2025 - according to the NYC Teacher Survey, "At this school students harass, bully, or intimidate other students." 67% favorable	When SEL is underdeveloped or inconsistently applied, students often lack the tools they need to manage emotions, resolve conflict, and respond empathetically. There may be a variation in teacher confidence and training as well as schedule limitations.	Whole School - All Students will improve their communication skills.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	63	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 10% Increase, in percentage of teachers that respond favorable to students harass, bully, or intimidate other students. from 63 to 73, per the NYC School Survey results.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

To improve students' physical and emotional safety, the school will implement a multi-tiered strategy centered on social-emotional learning (SEL), positive behavior systems, and student empowerment. This includes embedding daily SEL routines into classroom instruction to build empathy, self-awareness, and conflict resolution skills; launching a schoolwide Positive Behavioral Interventions and Supports (PBIS) framework to clarify behavior expectations and promote a culture of kindness. Staff will receive ongoing professional development to recognize and address all forms of bullying, and adult supervision will be increased in high-risk areas to promote proactive intervention.

Root Cause Addressed:

Uneven implementation of social-emotional learning (SEL) across classrooms, resulting in inconsistent student access to essential skills such as empathy and conflict resolution.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Implement Daily SEL Routines. Embed short Social-Emotional Learning (SEL) activities into the morning routine (e.g., emotion check-ins, mindfulness moments, gratitude journals).
Launch a School-wide Positive Behavior System (PBIS). Clearly define and teach expectations for behavior in common spaces (hallways, lunchroom, playground). Use tiered incentives and logical consequences to reinforce norms.

Provide Ongoing Staff PD on Bullying Prevention. Train staff to identify all forms of harassment—including relational aggression and exclusion.
Conduct a quarterly report of OORS to assess a deduction of student infractions.
Organize Tier 2 behavioral students utilizing Crisis Team.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Utilizing components of DESSA to implement SEL activities on a both a daily and weekly basis. As well as student surveys on a quarterly basis to address student needs. Teachers will implement SEL activities on daily basis. While the guidance counselor and school social worker will implement SEL activities on a weekly and monitor student surveys.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Family workshops, distribute regular newsletters, and strengthen collaboration with the Cypress Hills Community-Based Organization (CBO) to ensure the continuity of effective practices and supports throughout each student's time in the building.	Cypress Hills Community-Based Organization (CBO)
09/04/2025	06/26/2026	Parent Classroom Visits	PA Partnership

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
June Instructional Report 2025		

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	61.1	By June, 2026, the Students showing proficiency levels 3 and 4 will Increase by 6 % increase from 61% to 67% from 61.1 to 67, for All Students, as measured by NYS Next Generation Math Exam.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Use flexible grouping based on ongoing formative assessments such as exit tickets & exact path progress to provide students with spiral review and targeted practice.

Root Cause Addressed:

Students forgetting mathematical concepts, and intentionally
Reducing the number of Tier 3 students.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The admin team will offer targeted professional development to build teachers' through consultants (Great Minds) and paraprofessionals' conceptual understanding of mathematical content based on instructional rounds. Teachers will therefore integrate manipulatives during lessons to build conceptual knowledge and provide small group instruction embedding the success criteria to allow students to assess their learning.
The teachers will administer the MAP (NWEA) as a formative assessment. The data from this assessment will be used as a baseline for instruction in the Edmentum program. The students will utilize the program to practice remediated skills and the teacher will assign content skills that are being taught in class. This will provide the scholars with ample practice to ensure mastery of content.
Teacher teams will convene with data specialist and admin team to conduct the Name It See It Protocol. They will examine student work products, determine trends across grades, and implement next pedagogical steps. These next

steps are then monitored to determine effectiveness of teaching strategies. The master schedule will provide opportunities for weekly meetings.
Teachers will use the all math data to craft and provide strategic differentiated instruction to meet the needs of ELLs, SWDs, and high achievers. The admin team will provide a list of math non-negotiables for math and will conduct regular instructional walks to ensure productivity.
Staff will engage families in 2 Math Parent events. Also, family module letters will be distributed to ensure that the community has resources to support their scholars.
Students that need further instruction will receive MTSS in Tier 2 and Tier 3 intervention.

Key Strategy 2 (Optional):

Root Cause Addressed:

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2025 College & Career Student Questionnaires - 68%	Limited exposure to real-world career pathways, underutilization of planning tools, and inconsistent family engagement in long-term academic planning	Whole School - All Students will improve their college and career readiness

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	68	P.S. 345 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the students will show an increase in college and career readiness for All Students will Increase by 10% from 68 to 78 as measured by End of Year College & Career Student Questionnaire.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

To increase college and career readiness among elementary students, the school will implement a developmental approach that combines regular exposure to diverse career paths with activities that strengthen students' self-awareness, academic identity, and goal-setting skills. Students will be introduced to two or more career fields each month through the monthly school calendar as well as career signage posted throughout the school building. Students will participate in "From Crayons to College" event, specifically career day which will feature professionals from various industries. Students will participate in college tours. Classroom instruction will incorporate career connections aligned to subject areas, allowing students to explore how their learning translates into real-world opportunities

Root Cause Addressed:

Many students have limited exposure to post-secondary education and career opportunities beyond their immediate environment. Their understanding of college and career pathways is often shaped primarily by the experiences of family members, close acquaintances, and portrayals in media—resulting in a narrow view of what's possible for their future.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Unpacking the materials and resources for College Access for All. Offering Professional Development to staff on college and career readiness. Implementation and utilization of College Access for All.
Administer pre-test questionnaire to students to determine college and career readiness knowledge. Analyze data to

determine the next steps and modifications.
From Crayons to College Week which includes Career Day Event
School monthly calendar, on a monthly basis students will be exposed to two or more careers.
College and Career school signage
Administer pre, mid-year and post-test questionnaire to students to determine college and career readiness knowledge Analyze data to determine the next steps and modifications.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Each quarter surveys and questionnaires will be distributed to access students knowledge of college and careers. The surveys and questionnaires will be implemented and monitored by the guidance counselor and school social worker. Student Participation Trackers. Maintain records of which students attend workshops, assemblies, or complete reflection activities. Useful for identifying students who may need additional opportunities or support.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Family workshops. Career fairs for families. Collaboration between the CBO and school to ensure college and career readiness events are implemented successfully.	Cypress Hills CBO

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
New York City School Survey	Parents seem to be unaware of how they can advocate for their children	Creating more opportunities and a platform for parents to understand their role in decision making

2025-	in school.	for their children.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	80%	P.S. 345 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the Percentage of Parents indicating that the school is Building Families' Capacity as their Child's Primary Advocate will Increase by 10% from 80% to 90% as measured by New York City School Survey .

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Building Opportunities for Parents to know their rights

Root Cause Addressed:

Parents are unaware of how they can advocate for their scholars.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The SLT will create a brochure for families to be aware of how they can advocate for their children.
The school staff will conduct more regular data meetings with families, showcasing their child's scholastic level and giving them the options of Intervention support.
The Principal will regularly schedule Breakfasts with the Principal to address parents' concerns. Also, each month, we will host a parent engagement night where families can acquire additional about their rights.
The admin team will conduct cycles of surveys to assess parents needs. This will be done quarterly.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Cycles of Parent Surveys
We will use family engagement data specifically attendance and cycles of parent surveys to determine impact of action steps.
surveys to ensure that more families are attending PS 108K events each month.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
		Meet the Teacher Night	Cypress Hills

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Resources

Other Resources Needed

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Insight 2024-2025 SY, Chronic Absenteeism 36% Insight 2023-2024 SY, Chronic Absenteeism 46% Insight 2022-2023 SY Chronic Absenteeism 44%	Frequent illnesses, fear of illness in the lower grades, students who are not zone for our school, newly enrolled students with attendance issues from their previous schools, parents not making education a priority, student appointments being scheduled during the school day and not having the students attend after the appointments, extended vacations, family emergencies, domestic violence, lack funds due to family's loss of income, medical conditions, student who moved without registering to their new schools in a timely manner	To decrease the number of students who fall into the category of chronically absent.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	36	By June, 2026, the The number of students that have improved their daily attendance, as indicated by Insight and New Visions Reports. for All SBy June, 2026, all Students with chronic absenteeism will decrease from 36% to 33%, as measured by the Insight, New Visions, RAMO, RDAL, RCUA, RPAC, RPAL, RSHA, RUSA, RRSA, RDAA, RSCA, ROCR, RISA reports from ATS..
Students in Temporary Housing (STH)	48	By June, 2026, the The number of students in STH that have improved their daily attendance, as indicated by Insight and New Visions Reports. for Students in Temporary Housing (STH) will decrease by 8%, from 48% to 40%, as measured by the Insight, New Visions, RAMO, RDAL, RCUA, RPAC, RPAL, RSHA, RUSA, RRSA, RDA, RSCA, ROCR, RISA ATS reports..

Attendance/Chronic Absenteeism Progress Measures and Targets

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Build the school-home communication regarding attendance by utilizing our attendance data to conduct proactive outreach by sending out personalized attendance letters and texts for students in Tier 2 and Tier 3. Conduct daily outreach calls to the parents for Tier 3 students once they appear on the RDAL report. Attendance Workshops will be hosted to stress the importance of attendance and available supports. Additionally, classes and students will be celebrated for 100% and improved attendance through family shout-outs, assemblies, phone calls, and certificates.

Root Cause Addressed:

Parents reported that barriers they are facing are transportation, health, appointments, family responsibilities, and assistance with drop off and pickup.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The attendance team will monitor attendance trends weekly using Insight, RAMO, RDAL, and related reports.
The attendance team will share and review data at Attendance Team meetings; adjust strategies quarterly.
The attendance teacher will conduct home visits to ensure timely notification and to provide families with ongoing updates related to student attendance.
Families will be referred to community based organizations to provide support and interventions as needed.

Key Strategy 2 (Optional):

Implement a Tiered Mentorship Program to increase daily attendance among chronically absent students in STH through consistent, relationship-based support and to address barriers faced by STH families through proactive outreach, transportation assistance, and personalized attendance monitoring.

Root Cause Addressed:

Many STH students face inconsistent transportation, housing instability, and limited communication between families and the school, leading to unpredictable attendance patterns and reduced access to support services.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The STH social worker will use ATS reports and STH data from the Students in Temporary Housing liaison to identify all STH students and flag attendance patterns early.
The STH social worker will schedule check-ins or home visits to discuss specific attendance barriers (transportation, family routines, health, etc.) with families and provide support through community based organizations to meet the needs of our STH families. .
STH Liaison reviews attendance weekly; immediate follow-up for students missing 2+ consecutive days.
Provide consistent outreach via phone, text, and Class Dojo in families' preferred languages. Share progress and celebrate improvements.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Strengthen teacher capacity and accountability in early identification and intervention for struggling students through targeted professional development, coaching, and progress monitoring.

Root Cause Addressed:

Teachers lack confidence and consistent understanding of the pre-referral intervention process (Response to Intervention/MTSS), leading to delayed teacher-initiated referrals and increased parent-initiated referrals.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Conduct baseline data review of current teacher referral practices and intervention documentation.
Provide professional learning on pre-referral interventions, documentation requirements, and data-based decision making.
Implement a tiered intervention tracking system utilizing a Google Sheet for teachers to log interventions before referral.
Provide biweekly coaching and case consultation for teachers with high numbers of struggling students.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Parent workshops, family resources and support	Abound, Cypress Hills, Brooklyn Public Library

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Centrally Funded IEP Teacher, ASE- Lynn Hazen, Parent coordinator, paraprofessionals, special education teacherss

Instructional Resources

Math Seeds, Reading Eggs, acadience, Heggerty, Fundations

Schedule Adjustments

SIT Team, teacher teams, special education teacher, SAT Team

Other Resources Needed

Teacher pay teacher, Flocabulary

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2 (ELA)	K-2 Students whose composite scores ranged 21-40 percentile on Acadience & 3-5 Students who scored 21-40 percentile on the NWEA	K-2 Spire, Fundations Intervention & 3-5 Phonics for Reading	Small Group	During School	Yes
Tier 3 (ELA)	K-2 Students who score reading composite score ranged from 0-20 percentile on Acadience - 3-5 Students who scored 0 -20 percentile on the NWEA	K-2 Spire Fundations Intervention Reading; 3-5 Phonics for Reading	Small Group	During School	No

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Students exhibiting behavioral issues that are a distraction to their learning experience or that of their peers.	Group counseling with guidance counselor and/or social worker. Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

The school actively partners with families to ensure understanding and engagement with the Multi-Tiered System of Supports (MTSS), particularly in the area of student social-emotional development. Essential components of MTSS are shared through a variety of avenues, including family workshops, ongoing communication via newsletters, ClassDojo, and parent-teacher conferences. During these touchpoints, families are introduced to the tiered support structure, the importance of universal SEL practices, and the process for referrals and intervention. In partnership with the school's community-based organization, Cypress Hills, Upbound, families are further supported in understanding how school-based social-emotional supports align with community services. These efforts ensure that families are informed collaborators in the support process and have a clear understanding of how interventions are tailored to student needs.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Families of students receiving Tier 2 targeted or Tier 3 intensive interventions are kept informed through an initial outreach letter, structured on-going communication to ensure transparency, collaboration, and shared accountability.
Updates are provided through scheduled check-in meetings (e.g., biweekly, monthly), progress reports aligned with specific social-emotional or behavioral goals, and individualized communication from support staff such as school counselor, interventionists, or the MTSS team.
These communications may include summaries of student progress, adjustments to intervention plans, and strategies that can be reinforced at home. When appropriate, parent-teacher conferences are used to review data, celebrate growth, and co-create next steps. The school also offers translation services and flexible meeting formats (in-person, virtual, or phone) to ensure that every family can meaningfully engage in the process of supporting their child's development.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families play an essential role in the decision-making process for students receiving Tier 3 intensive interventions. The school actively involves families through regularly scheduled Student Support Team (SST) meetings, where data is reviewed collaboratively and individualized intervention plans are developed or revised. During these meetings, families are invited to share insights about their child's strengths, challenges, and home context, ensuring that support strategies are holistic and culturally responsive. Families help co-create goals, agree on intervention timelines, and identify ways they can reinforce progress at home. In addition, ongoing two-way communication with counselors, social workers, and intervention providers ensures that families are kept informed of progress and empowered to ask questions or propose adjustments. Translation services, flexible scheduling, and multiple communication channels (e.g., in-person meetings, virtual calls, written updates) are provided to ensure all families can meaningfully participate in their child's social-emotional support journey.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

84 STH Students
15 Doubled up (with friends or relatives because they cannot find or afford housing)
51 Living in a shelter or transitional shelter

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

The trends that were noticed this year were an increase in absences and ENL supports. Half of the STH students were identified as migrant students and were impacted by the housing rules that required movement to various shelters. It was identified that movement and appointments impacted students attendance. BTG social worker and attendance team supported the families with navigating the barriers experienced when required to move . The supports provided included communicating with shelter staff, providing metro cards and various family centered supports. In addition to attendance issues many of the students faced academic challenges due to their limited english fluency. All students that were identified as ENL students were provided with ENL supports and after-school programs that supported their needs. The STH Title one survey was utilized to identify families needs of uniforms, supplies and other resources. Next year the STH title I survey will be provided to the STH families in the beginning of the school year to assess families identified needs and support to appropriate allocation and utilization of the STH Title I funds.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

The Bridging the Gap social worker will work closely with all STH students to ensure all the necessary services and supports are provided in accordance with the standards of McKinney-Vento. The BTG social worker will monitor STH students attendance and busing. She will also provide Trama-Informed counseling, individual and group at-risk counseling, and crisis intervention services. Lastly, she will conduct social emotional lessons and classroom observations to support students emotional and educational progress.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

As of 6/26/25, there are 2 students in foster care currently enrolled at our school. We are deeply committed to supporting their academic continuity, emotional well-being, and full access to the rights established under Education Law §3244. Each student is connected with a dedicated school counselor or social worker who provides regular check-ins and social-emotional support. In collaboration with our community-based partner, Cypress Hills, we also offer trauma-informed counseling and connections to external resources. Students in foster care have access to academic supports such as immediate enrollment processes, individualized learning plans, and tutoring services tailored to their needs. Opportunities for peer mentorship, participation in enrichment activities, and crisis intervention protocols are also in place to ensure a holistic support system. To promote long-term success, staff engage in annual professional development on the unique needs and rights of students in foster care, and the school's foster care liaison works closely with families and placement agencies to monitor attendance, track academic progress, and strengthen support strategies.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

To ensure stability and long-term success for students in foster care, including those newly transitioning into the system, the school provides a comprehensive network of targeted academic and social-emotional supports. Each student is assigned a consistent staff contact—typically a school counselor or social worker—who conducts regular check-ins, monitors academic and behavioral progress, and coordinates services across school teams. Upon enrollment or notification of foster care placement, an immediate intake is conducted to assess the student's needs, support continuity of existing services, and identify potential gaps. In partnership with Cypress Hills, the school offers trauma-informed counseling, school supply assistance, and connections to external mental health resources. For academic success, students receive tailored learning plans, tutoring when needed, and support with transitions such as school transfers or changes in placement. Families and foster care caseworkers are meaningfully involved

through Student Support Team (SST) meetings, where intervention plans are developed collaboratively. These supports are reinforced through schoolwide staff training on foster care rights, federal mandates, and the urgency of maintaining educational stability for one of the city's most vulnerable student populations.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

Analysis of historical demographic, attendance, and achievement data reveals several concerning trends among students in foster care that inform our approach to service delivery. Students in this population exhibit disproportionately high rates of chronic absenteeism, school transfers, academic underperformance, and social-emotional challenges. Many have experienced multiple placement changes, leading to interruptions in learning and inconsistent support systems. Data also show overrepresentation in special education classifications and higher incidences of behavioral referrals. These insights underscore the need for targeted interventions focused on school stability, trauma-informed care, and individualized academic support. As a result, our school has prioritized early identification of at-risk foster care students, implemented immediate academic and emotional intake protocols, and established close collaboration with caregivers, caseworkers, and community-based organizations.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

To ensure students in foster care—particularly those in transitional grades—receive targeted social-emotional learning (SEL) support, the school implements a multi-tiered, trauma-informed approach that prioritizes relationship-building, emotional regulation, and continuity of care. Each student is paired with a consistent adult mentor or counselor who provides regular check-ins and serves as a trusted advocate throughout the school year. SEL instruction is embedded into daily classroom routines using culturally responsive practices and includes targeted lessons on managing transitions, building peer relationships, and developing self-advocacy skills. For students entering or exiting key grade levels, the school offers small-group transition circles, peer mentorship programs, and personalized orientation supports to reduce anxiety and foster belonging. These strategies are reinforced through collaboration with the STH social worker and community-based partners, ensuring wraparound services and continuity across placements. By proactively addressing the emotional and behavioral impacts of instability, these SEL supports help students in foster care remain engaged, build resilience, and access the academic opportunities they deserve.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

Public School 345 will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child’s progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

P.S. 345's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review, and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program, and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

P.S. 345 will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P.S. 345 in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff, and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Peer Mentoring, ELA, Math and SEL

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

There will be a series of workshops with the families to transition the preschoolers to our kindergarten program. Additionally, our scholars will begin with some curriculum changes in January, so they can get acclimated to kindergarten.

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal			
Title I, School Improvement 1003(a)	Federal			
Title II, Part A	Federal			
Title III, Part A	Federal			
Title III, Immigrant	Federal			
Title IV, Part A	Federal			
Tax Levy (Fair Student	Local			

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Mr. Paul Thomas
Assistant Principal (Where Applicable)*	Ms. Dianna Lococo
English as a New Language (ENL) Teacher*	C. Montgomery
Teacher (if school has a bilingual program must be a bilingual teacher)*	R. Guzman
Parent/Guardian*	A. Lewis
English as a New Language	S. Espinetti
Parent Coordinator	K. Rodriguez
School Counselor	D. Martin
Teacher	N. Woodard

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

1

Number of certified ESOL teachers not currently teaching ENL:

1

Number of teachers who hold both content area/common branch and ESOL certification:

0

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

5

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

5

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

1

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

424

Total number and percentage (%) of current ELLs:

94 / 22.17%

Total number and percentage (%) of former ELLs:

18 / 4.25%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

106 Newcomers / 92.2%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

9 developing / 7.8%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0 Long term ELLs / 0%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

2 SIFE / 1.7%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

18 ELLs with IEP / 15.7%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	GE	Spanish	20	1	1	1	1	1									5
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

In our Stand-alone ENL classes, students receive English language development instruction taught by a NYS-certified teacher of English to Speakers of Other Languages (ESOL) in order to acquire the English language needed for success in core content areas. Students receive 180 minutes must be stand-alone ENL instruction. The remaining time is integrated with ELA instruction.

All students are grouped and serviced by grade with mixed proficiency levels of Entering and Emerging language proficiency. They are provided with services that adhere to the units as specified by CR Part 154.

Integrated ENL:

In our Integrated ENL classes, students receive core content area and English language development instruction, including the use of the home/primary language as support and appropriate ELL instructional supports to enrich comprehension. Students are grouped in mixed proficiency levels and are taught utilizing the co-teaching model. Integrated ENL is implemented via co-teaching by two teachers. Content instruction is integrated with the objectives set for the development of students' English language proficiency. The units provided adhere to the specifications of the CR Part 154. Students receive 180 minutes of integrated ENL minutes per week.

Entering students receive 180 minutes of Integrated ENL a week
Emerging students receive180 minutes of Integrated ENL a week
Transitioning students receive180 minutes of Integrated ENL a week
Expanding students receive180 minutes of Integrated ENL a week

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

n/a

Dual Language Bilingual Education (DLBE):

In our DLBE Program, students are instructed in a 50/50 model with mixed proficiency levels. The units provided adhere to the specifications of the CR Part 154. Teachers provide core subject instruction in both English and Spanish alternating days of the weeks.

ELA - English / Spanish
Writing - English / Spanish
Math - English / Spanish
Social Studies - English / Spanish
Science - English / Spanish
SPLA - Spanish

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

The mandated number of instructional minutes for our ELLs are based on their grade and proficiency level as per New York State Commissioner's Regulation (CR) Part 154. Entering and emerging students receive a total of 360 minutes per week. Transitioning and expanding students receive a total of 180 minutes per week. Commanding students receive a total of 90 minutes per week through project based or small group instruction. The ENL teacher checks in weekly with students ELA teachers.

Additional instructional support above and beyond the units of study are considered to ensure each ELL's individual needs are met.

ENL teachers take attendance daily and keep a log noting that services were provided.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

ENL students are given services based on their proficiency levels in each program model. Entering and emerging students receive 360 minutes per week. Transitioning and expanding students receive 180 minutes per week and commanding students receive 90 mins extra support a week for two years. Service providers take attendance daily and keep a log noting that services were provided.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Students are taught utilizing the 50/50 model in a self-contained setting. The students are integrated 100% of the day. Every other day the students receive instruction in either English or Spanish.

b. In which language(s) is each core content area taught?

Each core content area is taught in English and Spanish.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

92.2%% of ELLs are Newcomers and 1.7% of students are Newcomers with SIFE.

Students who are Newcomers are provided with explicit ESL instruction to support their learning and are immersed in the language through a variety of media and strategies. Learning opportunities integrate reading, writing, speaking, and listening with the practices of each discipline. Home language(s) and culture(s) are used by the teacher in connecting prior knowledge to new knowledge, and in making content meaningful and comprehensible. Instruction supports their understanding and use of emerging language.

Long term ELLs are provided with on going small group academic intervention and they are able to participate in extended day activities to accelerate their learning.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

1.7% of our students are SIFE

Direct language instruction is integrated into all subject areas. We use and develop students' oral language skills to build reading and writing skills through the curriculum. Grouping strategies such as small group instruction, collaborative work, and differentiated instruction are used. Tasks are scaffolded and language modifications are provided. Culturally relevant content is provided along with culturally responsive teaching. We create structures for support by connecting SIFE students with peers with similar experiences who can help them learn school routines and daily schedules and can provide much-needed understanding and emotional support.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

0% of ELLs are Long-Term ELLs (LTELs)

In the event we have Long Term ELLs we will continue to provide classroom teachers with regular and ongoing professional learning focused on addressing deficit-thinking and learning how to use strategies that promote rigorous standards-based language instruction for students designated as LTELs, surrounding language and literacy objectives that support their content objectives.

Will provide time for collaboration between ESL and other teachers of LTELs so they can support explicit language and literacy development throughout the day. Have the ELL team meet bi-weekly using data analysis protocols to progress monitor to review LTELs' progress and create interventions, and supports for LTELs Ensure the ELL team reviews evidence of student learning - work samples, performance data

Use LTELs' and their families' input when reviewing progress and setting goals for LTELs.
After school and academic interventions will be provided for students that are identified as LTELs

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

2.6% of our students are former ELLs

Students are strategically grouped and receive at least .5 units of study/90 minutes a week with the ENL teacher in ELA/Core Content Area or other such services, approved by CR Part 154.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

Trends that were noticed about the at-risk levels of ELLS are 92.2 % of the ELLS are identified as newcomers, 25.2% of the ELL students are in temporary housing and 27% of ELL students did not demonstrate significant progress on the NYSESLAT 2024. 18.3% of ELLs scored a level 1 or 2 last year in English Language Arts. They did not demonstrate growth across all modalities, due their newcomer status.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

Amongst ELLs and former ELLs, from 2024-2025, students showed growth in all four modalities on the NYSESLAT. Although all areas showed growth, we observe that reading and writing are modalities of need.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

Spanish is the largest representation of home language of ELLs at PS 345. We have dedicated staff members who attend parent meetings with the ENL teacher and/or classroom teachers to interpret information to parents, give school tours to new families upon registration, and help with home school communication.

We also utilize online translation services and we have translation devices available at the school. We utilize staff to translate during ENL parent meetings and Parent-Teacher Conferences. ENL Teachers create Class language profiles at the beginning of a school year and make a class chart of the languages spoken. All literature given to parents, including event calendars, and posts on Class Dojo are translated into the various home languages.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

PS 345 is a diverse school with students and families from different cultural and lingual backgrounds.
Non Hispanic ELLS, 10.3% classify as American Indian or Alaskan Native, 65.5% classify as Asian, 20.7% classify as black, and 3.4% classify as white. Hispanic ELLS, 59.3_% classify as American Indian or Alaskan Native, 9.3% classify as black,1.2% classify as multiracial, 2.3% classify as Native Hawaiian or other Pacific Islander and 27.9% classify as white.

Students that make up the ELL population at P.S. 345 classify as Arabic, Bengali, Haitian-Creole, Fulani, French, and Spanish. In order to respond to Culturally Responsive and Sustaining Education (CR-SE), our administrators, instructional coaches, grade team leaders and the ENL teachers implement SEL(Social-Emotional Learning) lessons in Pre K - 5 curriculums to include and reflect on our students' diversity. These SEL lessons are designed to implement CR-SE principals and Goldy Muhammed's five pursuits. Through these lessons, students enhance self awareness, self control and interpersonal skills in a
community and teachers sustain high expectations and rigorous instruction.

This SEL curriculum consists of Emotions Matters, Self Social Awareness, Feeling Words, Community, Climate and Safety, and Emotional Regulation and Personal Values. Our ELLs are included and celebrated in every aspect of our school community. ENL providers and
classroom teachers work cooperatively to incorporate the students cultures within daily lessons and school wide activities. Lessons are planned to connect students' varied cultural, linguistic, and authentic life experiences with what they are learning in the classroom. We commit to communicating with families through multiple means and using interpretation services to ensure family engagement Establish and maintain a visibly multilingual and multicultural environment. We create professional learning communities to build teacher capacity and develop an understanding of diverse student identities and provide professional learning opportunities for faculty and staff about CR-SE practices. We support collaborative instructional planning and curriculum mapping and alignment. We survey students to see how they feel about the supports and provisions we make within the school.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

92.2% of our students assessed were considered NewComers and 47 of the ELLs have 0 years of service and 29 ELLs had one year of service.

15.3% or 9 students met progress by Exiting ELL status

16.9% or 10students met annual progress target

52.5% or 31 students did not make ELP growth at our school.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

9.9% of ELLs are former ELLs and tested out at the Commanding Level
29.7% of ELLs tested at the Expanding Level
23.1% of ELLs tested at the Transitioning Level
24.2% of ELLs tested at the Emerging Level
13.2% of ELLs tested at the Entering Level

The majority of our ELLs tested at the Emerging and Transitioning Proficiency Levels. The percentage of students scoring at the entering level decreased from the 2023 assessment.

Students in grade 1 did better in reading, and listening, and need to improve in the area of writing and speaking.

Students in grade 2 were stronger in listening and reading and need assistance in the areas of speaking and writing.

Students in grade 3 improved in all modalities from the 2023 assessment, but still need to improve in the areas of writing, listening, and speaking.

Students in grade 4 need to improve in the areas of writing and listening, but did improve from the 2022 assessment.

Students in grade 5 improved in the areas of listening and speaking from the 2023 assessment, but need to improve in the area of reading and writing.

Overall, the modalities of strength for ELLs and former ELLs who took the NYSESLAT in 2023 improved across all grades. Reading and writing among the ELLs remains lower than Speaking and Listening Modalities.

There are more students that testing in the commanidng and expanding levels in 2024 in comparison to the 2023 assessment

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

The majority of our ELL students are scoring a level 1 and 2 on the NYSELA Assessment. The majority of the students are scoring on a level 1 are at the Emerging, Transitioning, Expanding, and Commanding levels. Students that are testing at a level 2 are Expanding and Commanding levels. This is reflective of the NYSESLAT data because the students are scoring lower in the reading and writing modalities.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

The number of ELLs that are in temporary house decreased from 31.6% to 25.2% from the 2024-2025 school year. Gaps in student attendance and students transferring from school to school. Attendance gaps and lateness causing our ELL students to miss the social emotional learning piece of the school day. SIFE students have low literacy skills in their first language and/or in English, and have little academic content-area knowledge.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

n/a

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

n/a

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

n/a

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

n/a

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Each classroom fosters a strong environment of collaboration, dialogue, and group engagement. Our English Language Learners have multiple opportunities throughout the day to engage in conversational-style learning with their peers so they can practice their oral language skills. They also have time to work collaboratively within their classroom. Students use dictionaries and/or thesauruses when needed, and are able to translate. Additionally, extra time is given for students to work on tasks. Supports are provided for ELL students to attain challenging academic goals. Time is provided for active exploration and hands-on activities. Content material is connected to students' cultural backgrounds.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

MLs/ELLs are supported by the school wide protocols, which create a supportive environment and and set rigorous expectations for every student. Curriculum adjustments are made to meet the needs of the students and to support language acquisition according to their language proficiency levels. School wide programs and curriculums that are implemented include components that target the needs of our MLs/ELLs populations. English Language Arts classes are utilizing Wit and Wisdom in grades K-5 , K-2 -Fundations Mathematics classes are utilizing Eureka Squared in grades K-5, W.I.N Magnetic Readers / Phonics for Reading Social Studies/Passport Science / Amplify

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Classroom teachers and clusters use a variety of strategies to support learning and clarify meaning for our students.

During Stand Alone Pull out and Integrated ENL push in - the ENL teachers ensures that the Wit and Wisdom curriculum, fosters language development and meets the demands of the Next Generation Learning Standards, along with TPR, hands-on activities, manipulatives, pictures, music and movement, frequent access online

educational websites, and employs a broad range of literacy strategies to support the ELL students. Students are provided with materials that will make them feel represented in the daily curricula and provide them with schema to build upon. Classroom activities provide choice and provide such culturally responsive strategies as discussion protocols which will provide all learners an entry point. In addition, infusion of social emotional themes and Next Generation standards are utilized to reinforce and enhance what the children are learning in class. Classroom teachers collaborate with the ENL teacher to ensure that content presented in the English language is made comprehensible to ELLs through appropriate application of ENL language learning methods and strategies, such as those described above. The ENL program supports the Wit and Wisdom curriculum and includes an integrated component that has been implemented to ensure that students receive the necessary support during content area instruction.

ELA teachers work in guided reading groups to give more individualized and personalized instruction to help their reading development and comprehension in English. Teachers focus on decoding, pronunciation, fluency and understanding the content vocabulary as they focus on helping the ELL/ML students become proficient readers in English. Students are able to practice reading, writing, listening and speaking during this time at their level with visuals, graphic organizers, pictures, concrete objects, or demonstrations. Resources are differentiated by language proficiency levels. Teacher teams are utilizing The Writing Strategies Book by Jennifer Serravallo to meet student needs at their various language proficiency levels.

In both the Dual Language and ELL classrooms, teachers focus on vocabulary and language development - they introduce new concepts by discussing vocabulary words key to that concept and use visual aids and media to support. Explicit vocabulary instruction is used to help children learn new words. Teachers in both classrooms adapt and adjust the content within the curriculum; like chunking the texts and/or substituting texts. Differentiation and the use of multiple modalities through out.

Language learning is supported by using repetition and modeling new words with gestures, visual aids, and/or props. Both the DL and the ELL classrooms have guided interactions where the teachers structure lessons to enable students to have conversations that build language skills and allow students to work together to understand what they read by listening, speaking, reading, and writing collaboratively about the text's academic concepts.

During math, teachers chorally read math questions with ELLs, model how to solve word problems and encourage students to
verbalize their explanations. Math curricula is available in Spanish for students that need the support in their home language.

The science teacher scaffolds instruction with visual aids such as diagrams, cartoons and illustrations to increase comprehension.
and uses scientific investigation to provide opportunities for students to contribute their cultural experiences to hands-on explorations.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Multiple modes of input video, supports such as: audio/digital books, audio, data displays, simulations and concept maps video, text-to-speech technology and additional time to complete assignments.

-Linguistic and non-linguistic methods to represent key vocabulary, labels, symbols and icons to support

comprehension of concepts.
identify key ideas and critical information with tools such as graphic organizers, outlines and concept maps.

-Scaffolding: beginning instruction at a student's current level of understanding and providing teacher support to assist the student in reaching the next level of mastery.

-Use sentence frames to scaffold writing or oral production

-Ensure the development of formal academic language Wit and Wisdom - supplement Wit and Wisdom texts with Spanish versions of text

-Eureka Math (Spanish / English) English is a key instructional goal for English learners, beginning in the primary grades.

-Provide high-quality vocabulary instruction throughout the day.

-Provide focused, intensive small-group interventions for English learners that are use cooperative learning strategies- make lessons auditory, visual, and kinesthetic

-Connect content to ELLs' background knowledge/funds of knowledge

-Multimedia resources that connect to themes within ELA curriculum

-Technology-based websites, I-Ready (math), Amira, being utilized to accelerate English language development.

b. SIFE

-Build supportive environments that respond to the immediate social, cultural, and linguistic needs
-Provide intensive literacy/language instruction
-Interactive Vocabulary Walls
-Pre-teach Academic Language
-Incorporate multiple modalities (images and videos)
-Use teaching strategies that weave together language and content instruction
-Chunk large assignments into smaller pieces with clear instructions
-Supply text selections that are accessible to ELLs to establish a solid foundation of central concepts.
-Chunk large assignments into smaller pieces with clear instructions
-Provide multiple ways for students to express their understanding of the material and increase their level of inquiry
-Students work in cooperative groups
-Bilingual glossaries/dictionaries
-Connect Concepts to Background Knowledge
-When possible, build the native language content and literacy instruction in order to build on English
-Increase knowledge about our students' native countries and cultures.
-Utilize grade appropriate instructional support materials.
-Create a PIP to focus heavily on literacy and math components.
-Have students preview content visually, orally and through literacy (when available) in their non-English language before reading/learning about content in English.
-Enroll in RTI
Use manipulatives or hands-on materials and visuals to build content area schema and to support oral academic language development.
Differentiate instruction in all areas.

incorporate technology, Amira, I-Ready Math, Google Classroom
Attend after school programs

c. Newcomers

-Create welcoming print-rich environments
-Establish regular routines for newcomers
-Picture Word Inductive Model (PWIM)
-Interactive Word Walls
-Bilingual glossaries/dictionaries
-Incorporate multiple modalities (images and videos)
-Scaffold Learning of New Vocabulary Terms
-Chunk large assignments into smaller pieces with clear instructions
-Supply text selections that are accessible to ELLs to establish a solid foundation of central concepts.
-Chunk large assignments into smaller pieces with clear instructions
-Provide multiple ways for students to express their understanding of the material and increase their level of inquiry
-Connect Concepts to Background Knowledge
-Recruit "buddies" to help newcomers find their away around the school
-Increase knowledge about our students' native countries and cultures and build relationships with students by learning about their individual culture, traditions, religion, hobbies, family dynamic, and background
-Incorporate texts that reflect your newcomer ELL student's culture
-Encourage your students to continue to use their first language
-Guided Reading instruction
-Stations/centers
-Guide students in how to preview content visually, orally and through literacy (when available) in their non-English language before reading/learning about content in English.
-Use manipulatives or hands-on materials and visuals to build content area schema and to support oral academic language development.
-Incorporate high-frequency vocabulary words throughout all content areas and provide instructions and other important information in multiple formats - write it, provide an example/exemplar, and act it out or model the activities
-Provide multiple opportunities for ELL students to interact with their peers in small groups to practice speaking and listening
incorporate technology Imagine learning, Reading A-Z IReady (math)
-Attend after school programs

d. Long Term ELLs

-Teacher modeling and allowing for student feedback
-Guided discussions help students get ideas from classmates and review key concepts
-Group work / Partner-work
-Activate and build background knowledge alongside vocabulary
-Vocabulary support
-Audio support for students to pre-read or re-read a text
-Engage in socratic discussion and debate
-Supportive opportunities for co-teaching
-Provide frequent writing opportunities/feedback
-Sentence frames to provide students with the structure for writing academic language
-Interactive graphic organizers to help students organize their thinking, develop conceptual understanding, and

facilitate comprehension
-Explicit instruction in academic language

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

With the increased availability and use of technology our teachers are more easily able to adapt our curricula to meet the needs of all of our ELLs including SWD-ELLs.

This curricular flexibility is enhanced by instructionally flexible co-teaching models, which we are encouraging our ENL and other teachers of ELLS to embrace. With an increase in the collaboration of our ENL teacher and their colleagues in setting goals and objectives as well as planning and implementing interdisciplinary lessons, which are more academically rigorous, we expect greater learning outcomes from all of ELL students. ELL - SWD are placed in a least restrictive environment because they are in ICT classrooms.

They are offered the same curriculum as the general education students, but instruction is modified to meet their Individual Educational Plans. Students are given additional support and offered visual and hands-on learning.

During professional periods ELLS who are far below grade level will be pulled out for small group instruction by the content area teachers. These groups consist of no more than 5 students.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

-Home Language support is assessed using teacher created assessments.
-Students take LABR assessment upon determining eligibility for the NYSITELL
-Students in the Dual Language classes take the NWEA i(MAP) assessment in Spanish and English

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Co-teaching and collaboration is prevalent in every classroom and structured time is provided for teachers to plan such collaboration. Depending on student needs and content, various teaching models are used to make content more accessible to students and increase output in the most equitable ways possible.

Weekly collaborative meetings amongst Dual Language Bilingual Education teachers
Co-teaching models such:
-Inquiry based learning
-team teaching

-side-by-side,
-parallel teaching
-station teaching
-cooperative learning model
-blended learning model

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

-ENL Coordinator attends monthly district wide professional learning/inquiry sessions and turn-key information obtained to administration and staff.
-ENL Coordinator attends professional learning sessions after school hours and turn keys information during professional learning and ELL Team meetings.
-ENL teachers meet with teachers of ELLs to analyze individual student's progress during common planning times along with:
Strategies for Newcomers and Emerging learners
-Curriculum Mapping for ELL students
-Comprehension for the Struggling ELL students
-Multiple entry points in classroom with ELLS
-Close Reading/ Academic vocabulary, Fluency and Comprehension
-Language Acquisition Development
-Phonics and Phonemic Awareness
-Writing
-Discussion a nd Questions
-Student generated question

The professional development being offered is not limited to:
Schedule/Calendar
Collaborative Inquiry Process Mondays 2:20-3:00 p.m.
Professional Learning Sessions: Mondays 3:00-3:40 p.m.
Teacher Teams - Tuesdays 3:00- 3:35 p.m.
LAP Team/Cabinet Meetings
ILT team meetings
ELL Team meetings - Turnkey sessions, Study Groups Monthly ELL strategies
Analyzing Data ELL Teacher Development (monthly)
Writing strategies
Social Emotional Learning (SEL)
ELL Mentoring Period

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

-ENL Coordinators attend monthly district wide professional learning / inquiry sessions and turn-key information obtain to administration and staff.
-Professional development is provided to all teachers and administrators that specifically addresses the needs of English Language Learners.
-A minimum of fifteen percent (15%) of the required professional development hours for all teachers prescribed by CR Part 80 is geared to language acquisition, including a focus on best practices for co-teaching strategies and integrating language and content instruction for English language learners.
-For the English as a new language teachers, a minimum of fifty percent (50%) of the required professional development hours is dedicated to language acquisition in alignment with core content area instruction, including a focus on best practices for co-teaching strategies and integrating language and content instruction for English language learners.
-The school maintains an agenda and attendance sheets on record in a binder titled ELL Professional Development.
-When information is received for Professional Learning sessions outside of the school building administrators dissemenate that information to all applicable teachers - it is their professional responsibility to sign up

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Grades K-5 utilize: Acadience Reading and Edmentum Reading and Math
Grades 3-5 utilize NWEA (MAP)

Diagnostic Data from these assessments is used to guide small group interactions to meet the needs of the students and to structure lessons.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

ELA
-Students in grade 2 and 3 receive AIS - Reading
-SPIRE students in grades K - 5
-Sound Sensible SPIRE grade 2

Math
-Students in grade 3 and 4 receive AIS in Mathematics
-Saturday Academy - Math Intervention for students in grades 3-5

Additional Interventions-
-
-After school for students in grades 2-5
-The use of technology-based websites, Edmentum Reading and Math
-Strategies being utilized are : Tiered questions, scaffolding understanding, purposeful grouping, background knowledge, and extended discussions.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Classroom teachers attend regular, weekly professional development in MTSS, provided by the literacy coach. Data provided by ongoing iReady and Acadience assessments is used to help teachers design targeted instruction intervention for small group and individualized intervention. Classroom teachers attend weekly data meetings with

administration along with ENL teachers.

Additionally, classroom teachers are provided with immediate and real-time data regarding the language proficiency of MLs, which is updated regularly.

ENL teachers regularly attend bi-monthly professional development and consistently turnkey information to instructional staff.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Formative assessments used to inform and drive instruction include:
-District Benchmark assessments
-Acadience
Edmentum Learning Maps
-NWEA Map
-Wit and Wisdom New Read Assessments and Focusing Question Tasks
-Eureka Squared Mid and End of Module Assessments
-Teacher Created Exit tickets

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

They are given teacher created assessments and standard based assessments in their home language.
Students take the Spanish Lab R to assess their home language.
NWEA Assessment for DL students
Running records

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

NYSESLAT, NWEA, NYS ELA and Math assessments, End of Module Tasks in Wit and Wisdom / Eureaka Math Mid/End of Module Assessments are used to inform and design instruction.

Data from these assessments are analyzed by the Instructional Leadership Team and teacher teams to identify trends, patterns, and student misconceptions; decide what needs more reinforcement or re-teaching. Teachers build their lesson plans and small groups with the findings from student data in mind, focusing on improving any skill deficiencies, as well as understanding which learning activities and teaching methods have been successful. Students that have received lower scores receive targeted support that meet students' needs.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

A team is put in place to administer the NYSESLAT and schedules are created for each testing administrator. The NYSESLAT will be administered within the appropriate time frame by trained general education pedagogues of each grade level. Team Members C. Montgomery - ENL Coordinator S. Espinetti - ENL Teacher N. Woodard - Data Specialist / Testing Coordinator R. Guzman - DL Teacher E. Lopez - DL Teacher The ENL teachers, Ms. Montgomery and Ms. Espitnetti will turn key NYSESLAT administration training to each pedagogue. The teachers will not score any of their own students who are in their classrooms. ELLs will continue to receive mandated services from the ENL teacher during the testing period.

The ENL Coordinator and teacher ensures that students are tested during their prep periods. Schedules and coverages will be rearranged to ensure students receive their mandated services.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Former ELLs are entitled to testing accommodations per CR Part 154 Regulations up to 2 years after exiting the program. If necessary proctors read the listening passage three times to ELLs in grades 3-8 English Language Arts assessments. SEISS is used to obtain testing accommodations for students with IEPs and extended test time for ELL students on NYS ELA and content-area assessments. ELLs may use bilingual glossaries when taking state examinations in all subjects.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

The ELL team notifies the parent in writing in their home language and hold a parent orientation session within 10 school days of the initial ELL identification. A letter is sent home inviting the family to an orientation to view the Parent Orientation Video: English Language Learner (ELL) Programs in New York State and to decide on a placement for their child, whether they prefer the child to be in the ENL program or the Dual Language Program. Interpreters, bilingual staff, or translation services are offered and provided to families when needed/requested.

Parents are called the day prior to remind them of the meeting and a message is sent on Class Dojo, which is the application we use to communicate with parents, that also allows parents to translate information into their home language.

In order to maintain evidence of the meeting, parents are asked to sign in using an attendance sheet, which is then scanned and added to the GOOGLE Drive for ELLs for the school year. Provide orientation materials in the parent's preferred language

During these meetings, if we have a staff member that can translate in the family's home language, they are invited to the meeting, if we do not have a member available to translate in the family's home language, we have a translation device available or will use an interpretation vendor.

The team explains how the student was identified as an ELL using the NYSITELL/NYSESLAT data. The team

discusses the types of ENL program models available at the school or in the district Standalone ENL and inform parents of their right to accept or decline the program option. The team explains how English language instruction will occur, how home language support is used, and how many minutes the student will receive ENL instruction. We ensure parents can ask questions and understand their program choices and student goals.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

The school schedules informational sessions with the parents/guardians to discuss the goals of the program, their child's language development progress, their child's English language proficiency assessment results based on the NYSESLAT and/or NYSITELL and language development in all content areas.

Ms. Espinetti will provide translation for families in Spanish, along with our Dual Language staff, Ms. Guzman, Ms. Lopez, Ms. Lorenzana, Ms. Ortiz, Ms. Lucena. The interpretation and translation services will be available during these sessions through a translation device and/or the translation and interpretation vendors, if we do not have a staff member available to translate.

Parents will be invited to look at work samples, NYSESLAT scores and goals, NWEA (MAP) Eureka Squared, and Acadience scores, to review the progress of their progress monitoring

In order to maintain evidence of the meeting, parents are asked to sign in using an attendance sheet, which is then scanned and added to the GOOGLE Drive for ELL for the school year.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

An ELL profile document is created using the information from the Home Language Survey, that includes the students country of origin, home language, and years of service in the program. This is shared with all staff members. Flyers and parent notifications are translated into the families home language. Using the Class Dojo application, parents can respond and initiate conversation with staff in their home language.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

The needs of our school community are determined through parent and student surveys, which are translated into the family's home language.

Based on the information gained from these surveys activities and events are planned for the families. We organize family events, literacy nights, workshops that welcome parents and families.

Provide materials and communications in home languages, and invite families to share traditions, stories, and cultural practices.

Data Workshop - October
Everybody Cooks Rice - October
I Love Writing Day - December
Family Math Night - December
Edmentum Workshop
NYS Assessment Workshop - February
NYSESLAT Workshop - March
Literacy Events - Bingo for Books - February

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Families are aware of family leadership opportunities through flyers and parent notifications are translated into the families home language and sent home. Parent notifications are also posted on the Class Dojo application and can be translated into the families home language.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Cypress Hills Local Development Corporation
Disney Musicals in Schools
Dance Residency

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

Our school promotes a sense of cultural pride in our students. We have regular celebrations of cultures, customs, and traditions, as well as promoting students' talents and abilities. We believe our students feel proud of their life stories and readily share their funds of knowledge with their peers and teachers. We have Disney Musicals in Schools, students are granted the opportunity to perform in a Disney Musical Production. Every Friday there is time for social emotional learning that students look forward to experiencing. Additionally, we proudly support the influx of migrants to our community by providing them with additional resources such as school supplies, food, and clothing.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

ENL Coordinator
ENL Teacher
Dual Language Teacher
Data Specialist

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Pupil Personal Secretary uses the teacher schedule's on file to identify a team member that is available to complete the HLIS with the incoming family. The team member reviews parent responses to HLIS and based on parent responses the team member conducts the HL interview with the student using either the K-1 interview or 2-5 interview, depending on which grade the student is enrolling in. Based on student responses, team member will identify if the student is eligible to take the NYSESLAT.

1. The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
2. Enrollment status of each newly admitted student is determined
a. If student has been in NYS public schools within past 2 years, our school contacts previous school to obtain ELL status relevant assessment scores, and proficiency level.
b. If student has been outside of NYS public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.
3. The home language of the student is determined by a trained and licensed pedagogue.
a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or a n alternative,

high quality translation service.
4. An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior
assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
5. Eligibility for the NYSITELL is determined.
a. If the newly enrolled student is entering with a n IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent
6. Student is administered the NYSITELL
7. Parent notification letters are sent to the parent in the parent's preferred language and English
a. Parent is notified of their child's ELL status and results of the NYSITELL.
8. If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish LAB
9. Student with interrupted/inconsistent formal education (SIFE) status is determined using New York State's resources available on NYSED's website:
http://www.nysed.gov/bilingual-ed/schools/students-interruptedinconsistent-formal-education-sife .

10. If student is an ELL, parent is invited to the parent orientation meeting.
a. Parent orientation meeting provides parents with a n explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents are encouraged to ask questions s o that they are informed a bout al l ELL programs; translation and interpretation services are provided throughout the meeting
11. ELL is placed in the ELL program that the parents elected.
a. If the ELL program that the parent s elected is not available, the parent is offered a transfer to a school with that program in
accordance with DOE transfer policies.
b. If the ELL remains in the school, the ELL is placed in English as a new language and our school keeps track of parent choices when minimum thresholds are met, we can open the ELL program of choice.
c. If the ELL remains in the school, the ELL is placed in English as a new language and our school keeps track of parent choice s o that when minimum
thresholds are met, we ca n open the ELL program of choice.
12. Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process
13. If the ELL Re-identification Process is implemented for a NY student, the principal reviews the decision of a NY student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
14. Copies of letters and parent notifications regarding ELL identification are kept in the students' cumulative file. Schedules are in office on file for all teachers. Team members are contacted if there is a new admit to begin the identification process.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Mr. Paul Thomas

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Caroline	Montgomery	Teacher - Regular Grades	11/06/2024	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Student Emergency Contact cards,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Other (Please specify in the next question)

If Other was selected, describe the resource here:

Classroom teachers and related service providers collect information from all families on the first day of school using questionnaires and student surveys that are translated into the family's preferred language.

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	1	0.17%	1	0.18%	0	0
BELORUSSIAN	1	0.17%	1	0.18%	0	0
BENGALI (BANGLA IN BANGLADESH)	48	8.25%	45	7.98%	1	1
BAMBARA	2	0.34%	1	0.18%	0	0
CHINESE ANY	1	0.17%	0	0.00%	0	0
FULANI	0	0.00%	3	0.53%	0	0

HAITIAN CREOLE	4	0.69%	7	1.24%	1	1
MANDARIN	0	0.00%	1	0.18%	0	0
ENGLISH	361	62.03%	341	60.46%	80	80
SPANISH	163	28.01%	163	28.90%	6	13
SONINKE	0	0.00%	1	0.18%	0	0
SETSWANA	1	0.17%	0	0.00%	0	0

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
School Calendars, parent letters	We utilize translations services and staff members. We utilize translation devices for languages not covered by the Office of Language Access
Flyers, announcements and updates on community events	The bilingual licensed teachers translate invitations and agendas. These can be saved to use as templates for future meetings.
Special education and related services notification letters and IEP related documents	Pre-translated templates are available. Automated copies are available in the Special Education office and online via sesis.nycnet.edu. For other languages not written by staff, we contact the contracted vendor and languages that are not covered by the Office of Language Access we utilize translation devices
Digital communication	For digital communication that does not automatically translate in preferred language, we utilize translation services and staff members

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent Meetings such as PTE, ELL Parent Workshops, and Orientations	We utilize bilingual staff members and over-the-counter or in-person interpretation service through DOE vendors. Translation devices are available. For other languages no spoken by staff, we contact the Translation and Interpretation Unit.
Parent-Teacher conferences	Translation devices are available for families. We utilize our bilingual staff members and over-the-phone or in-person interpretation services through DOE vendors. For other languages no spoken by staff, we contact the Translation and Interpretation Unit.
Registration interviews, transfers and discharges	We utilize bilingual staff members and over-the-counter or in-person interpretation service through DOE vendors. Translation devices are available. For other languages no spoken by staff, we contact the Translation and Interpretation Unit.
Student award ceremonies	We utilize bilingual staff members and over-the-counter or in-person interpretation service through DOE vendors. Translation devices are available. For other languages no spoken by staff, we contact the Translation and Interpretation Unit.
Special Education Meetings	We utilize bilingual staff members and over-the-counter or in-person interpretation service through DOE vendors. Translation devices are available. For other languages no spoken by staff, we contact the Translation and Interpretation Unit.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Staff has access to the blue cards during emergency drills. The school's bilingual staff members are available during school hours to orally to communicate with parents in case of an emergency in their preferred language. For languages not spoken by staff, we contact the over the phone interpretation line. P.S. 345 utilizes Class Dojo to communicate with parents in their preferred language, therefore in case of an emergency a message is posted on Class Dojo and can be translated in the parent's preferred language.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

In order to ensure staff are aware of the Chancellors Regulation A-663, the Language Access Coordinator will hold a meeting at the beginning of the school year. The principal will share the best practices documents at the first staff meeting of the school year and notify staff of the WeLearn training. The principal will ask staff to share their training completion emails to track staff progress.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

To inform our Limited-English Proficient parents aware of their right to receive information in their preferred language PS 345 makes use of the following: - Signage is posted at the front entry. All correspondences are translated into every language. - Class Dojo translates messages. Welcome package during Parent Orientation. The school and the LAC provides translations that are available on the DOE website and the NYS website. The school also provides: the Parents' Bill of Rights, Guides to Language Access, Language ID's at the security desk and Main Office, Welcome poster. Upon registration and enrollment into our school, the ENL coordinator conducts an interview with the families. After the interview parents are made aware of the resources they can use to communicate with school personnel and their right to receive information in their preferred language. Parents are provided with resources from Colorin Colorado and Parent's Guide to Language Access and the NYC Public School Guidebook. In addition, we host events frequently for the families of our ENL students to inform them of their rights, available resources, and events that are taking place within the school and the larger community.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Families are given a survey upon which to denote if our Language services were appropriate to meet their needs, as well as to indicate in which areas they struggled and how we can make things better/easier for them.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Parent responses are reviewed and we make adjustments as needed. To further improve our communication with our parents who prefer a language other than English, we will expand our interpretation services to cover additional languages at parent workshops. Additionally, we have provided various teachers with portable "Pocketalk" translation devices.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

30

Grades to be served in this program. Select all that apply.

,3,4,5,K,1,2

Total number of teachers in this program:

2

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

2

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

P.S. 345's 2025-2026 school year after school program will be comprised of two groups of students in grades k -5 and by English proficiency levels to facilitate grade specific content instruction. The after-school program will meet Tuesdays and Wednesdays from 2:30 – 4:00 p.m. The program will run from October 2025– May 2026. There will be two teachers working in the program. One ENL teacher will work with the Entering and Emerging students across grades K-5 and one ENL teacher will work with the Transitioning and Expanding students in grades 3-5 in the area of English Language Arts.

Group 1 = 15 students in grades K-2
Group 2 = 15 students in grades 3-5

The groups are formed to provide language support in reading, writing, listening and speaking in a targeted manner according to the 2025 NYSESLAT data and newcomer NYSITELL results. The supervision of the program will be at no cost of the Title III LEP funds. An assistant principal will supervise the program. Students' progress will be monitored and tracked using a compilation of assessments school wide. Attendance will be taken on a daily basis during the session and will be kept in a shared Google Drive.

After School Program Materials: The materials used for after school will be purchased with Title III funds and will not exceed 20% of the allocation. The Language Power Program, by Teacher Created Materials (TCM), New York Ready, and Finish Line New York ELLS for NYSESLAT materials will be purchased with Title III funds and used solely for the extended after school program. The students will work with the Language Power Program to receive support in content areas such as ELA, Science and Social Studies using this core curriculum-based program. The Language Power Program will support English language development in listening, speaking, reading, and writing and facilitate high quality instruction that is non-fiction and content specific for each grade and proficiency level. The teachers will concentrate the work/instruction in the content curriculum for the grade by reinforcing vocabulary, reading strategies, and reviewing different genres in writing. The Finish Line New York ELLs for NYSESLAT will support students in becoming familiar with the test structure and expectations of the NYESLAT Assessment. The lessons address the tested modalities of speaking, listening, reading, and writing. Students will be able to practice answering multiple choice and constructed response items. These educational resources are supplemental and distinct from those used for daily instruction.

Students in grades 3-5 will be given the opportunity to be part of the ELL Art Club. The goal is to provide an outlet for creative expression, development of artistic skills, establish a community while gaining connections, spread knowledge and pronounce the importance that art exhibits in our everyday lives. The supervision of the program will be at no cost to the Title III LEP funds. An assistant principal will supervise the program. Art club sessions will take place once a week, on Fridays from 2:30 - 4:00 p.m.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

For after school for ELL students in grades K-2 the NWEA shows that our ELL population is reading below grade level.
NYSESLAT Data shows that the students have made growth in all modalities but reading and writing remain an area of need.

For students in grades 3-5 the NWEA shows that our ELL population is reading below grade level. The NYS ELA Assessment shows that our ELL students at the emerging and transitioning levels test at levels 1 and 2. NYSESLAT Data shows that the students have made growth in all modalities but reading and writing remain an area of need. Acadience data

The after school programs will assist our ELL/ML students attain English proficiency while meeting Next Generation Learning Standards. The Title III instructional services provided in the 2025-2026 school year will support language development and high academic achievement in English Language Arts for ELL students in grades K-5. Teachers will use both English and the student's native language as support. The program is designed to include the participation of ELLs in a model that supports language instruction. This model will allow ELLs to benefit from small group instruction and assist them in acquiring grade-level academic content, while developing their English language proficiency. The use of this model will not only foster improved instruction, but also support cultural understanding and acceptance of all members of the school community and reduce the gaps in academic achievement between ELLs and their native English-speaking peers. The program implemented under Title III LEP will enhance and further support ELL programs required under CR Part 154. Based on the NYSESLAT data, the modalities that require the most support are reading and writing. Therefore, this program will provide ELLs with target support through small group settings and the use of research-based strategies. The Title III LEP program includes After-School, which will provide direct instruction to students. The assistant principal will supervise the after school program, which will be of no cost to the Title III LEP funds.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Students in grades K-5
Entering, Emerging, Transitioning, and Expanding students
Art Club ELL students in grades 3-5 that are at the Entering, Emerging, Transitioning, and Expanding Levels.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

After school program will begin October 7, 2025 and will end May 6, 2026. This program will be held on Tuesdays and Wednesdays from 2:30 p.m. - 4:00 p.m. (until the full use of funds) There will be approximately 40 after school sessions.

Art Club will begin Friday, October 4th 2024 and will end Friday June 6th 2025. This program will be held on Fridays from 2:30 p.m. - 4:00 p.m. There will be approximately 30 after school sessions (until the full use of funds)

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

English

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

2 ENL Certified
4 Bilingual Certified

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Language Power, TCM , NY Ready ELA Finish Line New York ELLs for NYSESLAT Edmentum
At the cost of the title III LEP funds, but will not exceed 20%.

Art Club will use various matierals that will be at no cost to Title III LEP Funds.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Our school will maintain records of ELLs served in this program by creating a Google Sheet to track student attendance in this program.
Teachers will create plans based on the student needs within their after school groups. Teachers can access the data for each child using the school website 345K1.com

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

During the 2025-2026 academic school year, Public School 345 ensures that all school staff receive training on delivery of instruction and services of ELLs. All teachers receive professional development on topics that pertain to specialized instruction for ELL students biweekly or monthly from September through June 2026. In order to maintain accurate records, agendas and attendance forms will be kept electronically on a Google Drive / Google Forms. Administrators, the ENL coordinator, and ENL Teacher will facilitate professional learning for teachers. They will be given access to supports and the latest advancement in TESOL. Monthly PLCs are conducted with the assistant principal, the Dual Language teachers, the ENL teacher and coordinator. The ENL Coordinator and ENL teacher take part in District 19 Working Groups comprised of the ELL Instructional Coach and ENL Coordinators from District 19. Information obtained during these working sessions is turn-keyed to the staff and presented during professional development sessions or during teacher team meetings. Our professional development plan is a working document that changes according to the needs of the school. P.S. 345 provides different learning sessions that will focus on the development of strategies in the areas of second language acquisition to meet the needs of our ELL students. Learning topics include but are not limited to: Next Generation Learning Standards, language proficiency levels, language progressions & how to utilize them during instruction, scaffolding instruction for ELL students, integrating content in language objectives, and setting goals for ELLS. Additionally, teachers will take part in training on Culturally Responsive Instruction and how to incorporate it into daily lesson plans. For the 2024-2025 school year most professional development will be conducted at P.S. 345 during the allotted time on Mondays from 2:20pm to 3:30 p.m. This component will be at no cost to the Title III LEP funds. All teachers including teachers working in the Title III program will participate and benefit from the sustained and ongoing professional development.

2025-2026 Professional Learning topics:
-September: Analyzing NYSESLAT Data / Understanding Language Proficiency Levels & Language Progressions, What to expect at each proficiency level - How to Support Language Progressions in the Classroom / NYSESLAT Prep within Lessons
-October: Wit & Wisdom MLL Resource / Success Criteria / Writing Language/Content Objectives Next Generation Learning Standards / ELL Instructional Strategies and Best Practices
-November: LUCES / CALS Core Academic Language

-December: Content Strategies / Building Background Knowledge and Vocabulary / NYSESLAT
-January: Reading Instruction for ELLS / Scaffolding Complex Text for ELLS
-February: Scaffolding & Differentiating Instruction for different language proficiency levels / Grouping Students for Success / Culturally Responsive Instruction
-March: Scaffolding instructions for ELLS with Graphic organizers / Using Cognates to develop comprehension in English
-April: Teaching Language and Literacy / Improving Outcomes for Al l English Language Learners
-May: Creating Language Rich Instruction for English Language Learners

This component will be at no cost to Title III LEP funds.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

NYSELA Assessment data, NYSITELL data, NYSESLAT data, NWEA, Acadience, Edmentum, classroom observations and staff surveys are used to All professional development sessions will have an impact on student progress because the teachers will have up to date information and training on how to serve the ELLs in their classrooms. The session will help educators analyze student achievement data during the school year to immediately identify learning problems, develop solutions, and promptly apply those solutions to address students' needs.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

P.S. 345 Staff
Paraprofessionals
Service providers
Teachers

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**

- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Mondays 2:20 p.m. - 3:20 p.m. during Mondays Professional development during the 2025-2026 school year.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

-September: Analyzing NYSESLAT Data / Understanding Language Proficiency Levels & Language Progressions, What to expect at each proficiency level - How to Support Language Progressions in the Classroom / NYSESLAT Prep within Lessons
-October: Wit & Wisdom MLL Resource / Success Criteria / Writing Language/Content Objectives Next Generation Learning Standards / ELL Instructional Strategies and Best Practices
-November: LUCES / CALS Core Academic Language
-December: Content Strategies / Building Background Knowledge and Vocabulary / NYSESLAT
-January: Reading Instruction for ELLS / Scaffolding Complex Text for ELLS
-February: Scaffolding & Differentiating Instruction for different language proficiency levels / Grouping Students for Success / Culturally Responsive Instruction
-March: Scaffolding instructions for ELLS with Graphic organizers / Using Cognates to develop comprehension in English
-April: Teaching Language and Literacy / Improving Outcomes for Al l English Language Learners
-May: Creating Language Rich Instruction for English Language Learners

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Assistant Principal
ENL Teacher
Other staff members

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Professional development is documented on a spreadsheet that includes teachers attendances, feedback, agendas, and materials used.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

P.S. 345 provides all families with monthly parent engagement activities based upon their interests. We survey our parents in the beginning of the school year to determine which topics and needs they are interested in learning more about. Parent workshops are given based on the information provided on parent surveys. ELL parents indicated they are interested in understanding the NYSESLAT and its components.

In addition to learning ways to assist their children at home, we will be providing Digital Literacy workshops for our ENL parents. This program is offered to parents in response to the great interest in the use of the computer programs that are available to their students. The program will be at no cost to Title III LEP funds. Parents will be notified in their preferred language of communication through Class Dojo and notices will be sent home. This program will be facilitated by the Technology teacher and the ENL Coordinator.

A variety of monthly workshops will be conducted to inform parents about school expectations, responsibilities, strategies, and resources that will help them assist their child. Workshops will focus on ideas to help their children succeed and meet the expectations of the grade their child are currently in. If interpretation services are unavailable from the DOE, we have multilingual staff members that can interpret the information to parents or guardians. Parents will be able to meet with teachers on Mondays from 3:30 - 4:00 p.m. or at other times agreed upon by parent and staff. This will be at no cost to the Title III LEP funds.

Parents will also have additional opportunities to meet with the ENL Coordinator at various times throughout the month. Interpretation will be provided by our internal staff and by a digital translator. Topics for Parent meetings that will take place after at no cost of Title III LEP funds.

• September: NYSESLAT Data – what it all means – Language Proficiency Levels
• October, November, March, April ELA and how to help your child improve their reading levels/Parents Guided to Guided Reading after each report card session
• November MATH & how to help your child answer multi-step word problems and use mathematical vocabulary
• December/January ELL Parent information & NYSESLAT (ENL Coordinator – September 2024 to May 2025 • Tips to Helping your Child at Home
• Digital Learning - Preparing your child for middle school
• October 2024- May 2025 - Identifying Strategies for Family Improvement (PA – After PA meetings)
• Using Goggle Classroom with your child

Workshops will be offered at various times on Fridays throughout the day (morning, afternoon, and evening) to accommodate parents by school leaders, the parent coordinator, and/or the ENL coordinator.

Workshops will be held, where possible, in the parents preferred language of communication. Interpretation will be provided via our own staff and the support of the Office of Language and Access.

This component will be at no cost to Title III LEP funds.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Getting to know families' languages, cultures, and interests helps build trust, strengthens school-family partnerships, and allows P.S. 345's educators to make important connections as part of instruction and family engagements.

-NYSESLAT Data What It All Means - Families of ELLs are informed of their child's Englsih language process, the overall NYSESLAT assessment, and what we learn about students' skills from the assessment.

-ELA and How to Help Your Child At Home - Based on the data from Acadience, ELA state tests, and the NWEA, our students are reading below grade level. This engagement activity provides parents with resources and ideas on how to work with their child at home.

-Math - This session is to provide families with the various topics their child will be working on through out the school year and ways they can help at home.

-NYSESLAT Preparation and Information Session - This session will provide families with information such as when the NYSESLAT will begin and what is expected of their child when taking the NYSESLAT.

-Google Classroom and Your Child - Many parents have difficulty assisting their child in logging on to Google Classroom. This session will show parents how to get their child on to Google Classroom using TeachHub.

-Preparing Your Child for Middle School - Many of our ELL families are newcomers and new to the education system in the United States. This session will give parents information on how to apply for middle school and what to expect for 6th grade.

-Literacy night is an evening of information and fun. It is designed to get students excited about reading and offer families strategies and resources to help their child at home.

-i-Ready Reading and Math Information Session is designed to assist parents in logging their child on to the program and how to monitor their child on the programs.

-NWEA - This information session informs parents of the assessment given, explains the information gained from the assessment, and how we can use the information at home and school to assist the children in reading and math.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

3:20 p.m. - 4:00 p.m. Monday afternoons
Various dates and times from September 2025 - June 2026

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

NYSESLAT Data What It All Means
ELA and How to Help Your Child At Home
Math
NYSESLAT Preparation and Information Session
Google Classroom and Your Child
Preparing Your Child for Middle School
Literacy Night
Edmentum Learning Session
What is the NWEA and What does it show us
Art Showcase
Family Fun Night

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

NYSESLAT Data What It All Means - ENL Coordinator and ENL teacher
ELA and How to Help Your Child At Home - Classroom teachers, parent coordinator
Math - Math teachers grades, 3,4,5

NYSESLAT Preparation and Information Session ENL Coordinator and ENL Teacher
Google Classroom and Your Child - Classroom teachers and parent coordinator
Preparing Your Child for Middle School - 5th Grade Teachers, Guidance Counselor and Social Worker
Literacy Night - Classroom teachers, administration
Art Showcase - Classroom teachers, administration, parent coordinator
Family Night - Classroom teachers, administration, parent coordinator
Edmentum Learning Session- classroom teachers, parent coordinator
NWEA Information Session - classroom teachers, ENL teacher, ENL coordinator, parent coordinator

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents will be notified in their preferred language of communication regularly through Class Dojo, Flyers, automated calls and email. When necessary, ENL teachers and coordinator will call home for such communication.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Family engagement activities and notifications will be maintained using Google Sheets . Parents will sign in to the events, which will be scanned and adding to the Google Sheet. Flyers will also be added to the Google sheets, along with parent feedback forms.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Grades to be served in this program. Select all that apply.

,2,4,5

Total number of teachers in this program:

2

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

-For the 2025-2026 school year the program will take place after school from 2:30 - 4:00 p.m. on Wednesdays and Thursday beginning November 5, 2025.

-Students will engage in Book Clubs, Utilizing Edmentum and KidsA-Z

-There will be two student groups of 12 students - one group will consist of students in grades 2,4,5 and one group of students in grades 4-5
-Instruction will be delivered by Ms. Montgomery and Ms. Espinetti separately

-Program will be supervised by the assistant principal at no cost to the Title III Immigrant program funding".

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

The Instructional Leadership Team analyzed the Acadience data for students in grades K-2 and the NWEA and Edmentum data for students in grades 2,4,5

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

There will be 40 students total in the program, which will be separated into two groups of 15-20 students

Group 1 will be comprised of 16 Immigrant ELLS from grades 2 ELL students within this group are Newcomer students that are either Entering or Emerging
Group 2 will be comprised of 14 Immigrant ELLS from grades 4-5, ELL students within this group are Developing Students that are either Transitioning or Expanding

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

For the 2025-2026 school year, there will be 36 sessions in total that will take place on Wednesdays and Thursdays from 2:30-4:00 p.m.

The program start date is Wednesday, November 5, 2025 and the end date is Wednesday, April 30.

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

The language of instruction for each program is English.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

Two ENL Certified teachers will facilitate the afterschool program

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

Language Power, Ready Set Go Newcomers , Edmentum, and KidsA-Z will be used during this program and the materials will be at no cost to Title III funding

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

Ms. Montgomery, ENL Teacher
Ms. Espinetti, ENL Teacher & Coordinator

To improve the social, emotional, and academic competencies of our immigrant students Google Doc will be created to keep record of student attendance
Acadience/NWEA/Edmentum/and KidsA-Z Progress Monitoring data will be used to track student achievement
Acadeience and NWEA data will be tracked using our SOLVED Platform

Part C: Professional Development

Professional Development Summary
Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

Professional development to provided at no cost to Title III Immigrant funds

Looking at NYSESLAT Data - Knowing your ELLs
teachers will analyze student NYSESLAT data to identify areas of strengths and needs - teachers will use the data to create groups and task based on student needs

Rights of Newcomers and Immigrant Students
teachers will be informed on key terms, resources and knowledge surrounding newcomers and immigrant students

Language Progressions
Using language progressions for ELLs" means to tailor your teaching approach based on the specific English language development stage of each student

PLUSS Framework
teachers will be introduced to the PLUSS Framework / use jigsaw strategy to become familiar with the framework
teachers will utilize the PLUSS framework to plan a lesson

Writing Language Objectives to Make Content More Accessible
teachers will work in grand bands create language objectives using current lesson plans to make content accessible

Productive Struggle - Creating an Environment to Support Productive Struggle
teachers will engage in activities that support creating an environment where problem-solving as a process to become the norm, helping students take ownership of their learning beyond the lesson

Professional development will be provided at no cost to e professional development provided will be at cost to Title

III Immigrant funds

Planning and Crafting Discussion Routines that will Engage Students in Productive Struggle
teachers will work on making lessons more rigorous, work on creating ways to push our students, and work on setting up strong discussion routines for their classroom

Discussion Protocols
teachers will be introduced to various discussion protocols and will practice utilizing them during professional learning and will give feed back on each strategy

Asset Based Mindset
recognizing and leveraging the unique strengths, cultural knowledge, and linguistic abilities that each student brings to the classroom,

Self and Peer Assessment
teachers will utilize and implement the Success Criteria and/or Rubrics to Develop a Plan for Students to Engage in Self and Peer Assessment

Observing and Collecting Data to Identify Misconceptions, Patterns, and Trends
teachers will be introduced to different protocols to use to observe and collect data / teachers will then use this information to practice looking for student misconceptions, patterns and trends.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

Edmentum data
Acadeience data
NWEA data
Classroom walk throughs
Administrative Grow/Glows - Observation Reports
Staff Survey sent out on areas of needs educators will receive professional learning opportunities based on their area of need

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

For the 2025-2026 school year, all P.S. 345 staff will receive professional development on Mondays from 2:20 - 3:20 p.m. Additionally, teachers will receive professional development during their lunch periods or after school if they choose to sign up and stay after for them.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

For the 2025-2026 school year professional learning will begin Monday, September 8th and will continue to take place on the second Monday of each month for a duration of one hour.
There will be a total of 8 sessions.

Monday, September 15
Monday, October 27
Monday, November 3
Monday, December 8
Monday, January 5
Monday, February 9
Monday, March 9
Monday, April 13
Monday, May 11
Monday, June 8

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

Looking at NYSESLAT Data - Knowing your ELLs
teachers will analyze student NYSESLAT data to identify areas of strengths and needs - teachers will use the data to create groups and task based on student needs

Rights of Newcomers and Immigrant Students

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

Ms. Espinetti, ENL Coordinator
Ms. Montomery, ENL Teacher
Mr. Thomas, Principal
Ms. LoCoco, Assistant Principal
Ms. Christianni, Literacy teacher
Ms. Woodard, Data Specialist

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

All professional learning agendas and materials will be uploaded to P.S. 345's Professional Learning Plan on Google Drive

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Family Literacy Nights to engage students and their parents in meaningful literacy activities to provide important information about children's literacy development and share research-based strategies that can be easily be implemented by parents at home. These activities will be at no cost to the Title III Immigrant program funding.

Everybody Cooks Rice November 13th Families will participate in cooking a cultural dish of rice to share with the school community
I Love Writing Day December 5th parents will join scholars for a sharing day and to dive into the Wit & Wisdom curriculum
Math Family Event December parents will join for a fun informational session about math and explore topics students will be learning this school year
BINGO for BOOKS January - BINGO and Books families will join for a literacy informational session followed up wit BINGO
Preparing for Assessments February - Ways to get students ready for upcoming state assessments
Movie Family Literacy Night

Ways to Support Students at Home Using Computer Based Programs to help families provide support at home for learning using Edmentum
Family engagement activities will be at no cost to Title III funding

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

Family Literacy Nights to engage students and their parents in meaningful literacy activities to provide important information about children's literacy development and share research-based strategies that can be easily be implemented by parents at home.

Ways to Support Students at Home Using Computer Based Programs to help families provide support at home for learning using Edmentum, KidsA-Z and Amira.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Family Literacy Night #1 will take place in January 2026, it will be one two hour session

Workshop on Ways to Support Students at Home Using Computer Based Programs - it will be 3 one one hour sessions
Workshop #1 Edmentum (1 hour session) December 2025
Workshop #2 Edmentum Math (half hour session) February 2026
Workshop #3 NWEA (1 hour session) February 2026

Family Literacy Night #2 - February 2026 it will be one two hour session
Workshop on How to Help Your Child Prepare for Standardized Testing

Family Literacy Night # 3 Movie Literacy Night to take place in June 2026)
Workshop on ways to keep students reading over the summer and what skills they need upon entering the next grade
Parents will be split into groups (k/1 / 2/3 4/5)

Quarterly Student-led conferences with portfolios of student work, followed by 1:1 conversations about learning and goal-setting on Mondays (November 2025, March 2026, and May 2026)

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

Literacy Night #1 - Reading strategies to use at home

Ways to Support Students at Home Using Computer Based Programs
Session #1 Parents will be provided a workshop on Edmentum Reading
Session #2 Parents will be provided a workshop on Edmentum Math
Session #3 Parents will be provided a workshop on NWEA

Family Literacy Night #2 - Workshop on how to help your child prepare for standardized testing - display samples of 3-5 state tests and NYSESLAT

Family Literacy Night # 3 Movie Literacy Night to take place in June)
Workshop on ways to keep students reading over the summer and what skills they need upon entering the next grade
Parents will be split into groups (k/1 / 2/3 4/5)

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Ms. Espinetti, ENL Coordinator and ENL Teacher
Ms. Montomery, ENL Teacher
Computer Based Programs - Ms. Verni, Ms. Mendoza
Various staff from P.S. 345

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Parents will be notified via Class Dojo and School Flyers - that will be translated in their home language

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

P.S. 345 will keep digital copies of flyers that are sent home and their will be sign in sheets for each event

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem		
Purchased services -High quality staff and curriculum development contracts.		
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.		
Educational Software (Object Code 199)		
Travel		
Other
