

2025-2026 COMPREHENSIVE EDUCATIONAL PLAN (CEP)

DBN
19K557

SCHOOL NAME
Brooklyn Gardens Elementary School

PRINCIPAL
Audrey Fowler

Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages

- Part C: Parent Communications and Engagement
- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

Brooklyn Gardens Elementary School

District Borough Number (DBN):

19K557

Grades Served:

3K-5

School Address:

574 Dumont Avenue, Brooklyn, NY 11207

Phone Number:

7184957012

Fax:

7184957018

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Audrey Fowler	Principal or Designee*	
Ebony Muldrow	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Jamirivette Quintana	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Zakiyyah Morel	District Council 37 (DC 37) Representative (staff), if applicable	
Mathew Carroll	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	
N/A	Student Representative (Required for middle and high schools)	
Daniel Mendez	CBO Representative, if applicable	
Keith Rogers	SLT Chair/Staff	
Maria Murdocco	Member/Staff	
Jamirivette Quintana	Member/Parent	
Mathew Carroll	Member/Parent	
Shatisha Lucas	Member/Parent	
Anjulie Furst	Member/Parent	
Krystle Buckmon	Member/Parent	
Satie Persad	Member/Staff	
Monique Chappel	Member/Parent	
Altanyah Ferguson	Member/Parent	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Brooklyn Gardens Elementary School is dedicated to providing equitable access and opportunities for every student, staff member, and family. We offer a well-rounded, inclusive curriculum that addresses the academic, cultural, and social needs of our diverse community. We also actively partner with parents to meaningfully engage them in their children's educational journey.

Our interdisciplinary approach blends technology, social studies, science, and the arts, immersing students in real-world learning experiences. This prepares them to thrive in our dynamic, technology-driven global society. We empower students to express their ideas through both verbal and digital discourse, ensuring their thinking is visible and impactful.

By integrating technology into every facet of learning, we cultivate intellectual curiosity, fostering both academic excellence and personal growth. Our students evolve into lifelong learners, proactive doers, and courageous risk-takers. They develop essential skills in inquiry, problem-solving, research, communication, and creativity as they explore and connect with their community, city, and the wider world.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

Brooklyn Gardens Elementary School: Nurturing Excellence in East New York
Brooklyn Gardens Elementary School, located in the vibrant East New York section of Brooklyn, is proud to be in its 13th year of providing high-quality public education. We serve 383 students from 3K through 5th grade and maintain a strong student-to-teacher ratio of 20:1, which fosters personalized learning and support for every child.

Our Diverse and Resilient Community
Our student body truly reflects the rich tapestry of our community: 59% identify as Black and 41% as Hispanic. We are dedicated to serving a diverse population, with 23% of our students having disabilities and 18% being English Language Learners. A significant 93% of our students come from low-income households, compared to 70% citywide, meaning all of our students qualify for free school lunch. We understand that our community navigates long-standing, intergenerational challenges, including high rates of transience and unemployment, which further underscore the vital importance of our mission.

Our Guiding Values and EPIC Celebration
At the heart of Brooklyn Gardens are our collaboratively developed core values: Love, Diversity, Collaboration, Family, Equity, and Equality. These principles are not just words; they guide our vision and inform every decision we

make to enhance student outcomes.

We proudly celebrate our school community through the E.P.I.C. initiative, which stands for: Essential, Phenomenal, Inspiring, and Courageous. This initiative comes to life during our school-wide community circles, where we recognize and uplift the invaluable contributions of students, staff, and families.

Academic Priorities and Enriching Opportunities
For the 2025–2026 school year, our school improvement priorities are centered on fostering productive struggle. This means challenging students through rigorous, engaging instruction that promotes deep learning. We are committed to strong, explicit teaching in both English Language Arts and Math, aiming to enhance students' ability to cite textual evidence, articulate their thinking critically, and transfer their knowledge independently.

Beyond academics, Brooklyn Gardens offers a rich array of enrichment opportunities to support the holistic development of our scholars. These include Dance, Edible Schoolyard, Robotics, Afterschool and Saturday programs, Karate, LEGO Education, Elevate, and Sports. These programs are designed to nurture our students' creativity, confidence, and curiosity, ensuring they develop into well-rounded individuals.

Briefly summarize the key initiatives your school will implement this school year.

In alignment to ensuring that we are addressing all of the Chancellor's Priorities, at Brooklyn Gardens we will be focusing on the following high leverage key initiatives:
1. Priority 1: Implementation of Writing Tasks across grades 3K-5 during Check for Understanding.
2. Priority 2: Professional Learning Cycles for Social Emotional Learning Development.
3. Priority 3: Inter-visitation Professional Learning Lab Sites
4. Priority 4: Implement College/Career Readiness Skills Development Curriculum
5. Priority 5: Implementation of a promotional campaigns promoting Brooklyn Gardens Elementary School.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	Wit & Wisdom	n/a
ELA	K-2	Fundations	n/a
Math	K-5	Eureka Math 2	n/a
ELA and Math	K-5	Edmentum	n/a
ELA and Math	3K-PreK	Creative Curriculum	N/A
ELA	K-2	Heggerty	n/a
ELA Intervention Program	K-5	SPIRE	n/a

Math Intervention Program	K-5	Bridges	n/a

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYSED 2025 Grades 3-5 ELA Results: Grade 3: 18% of all students were proficient (Levels 3 & 4). Grade 4: 49% of all students were proficient (Levels 3 & 4). Grade 5: 15% of all students were proficient (Levels 3 & 4).	Inconsistent or ineffective ELA instructional practices that do not explicitly build students' independent application of literacy skills or promote deep comprehension through productive struggle.	Develop and consistently implement a school-wide instructional framework for ELA and Math that prioritizes explicit teaching of strategies for citing textual evidence, articulating complex thinking, and independent knowledge transfer, integrated with opportunities for productive struggle.
N/A	N/A	N/A
N/A	N/A	N/A

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	27%	By June, 2026, literacy for All Students in grades 3-5 will improve, as measured by a 10% Increase, from 27% to 37%, of percentage of students scoring at Levels 3 & 4 on the NYS ELA exam results.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement a comprehensive, school-wide instructional framework for explicit ELA instruction, focusing on independence transference of knowledge, and fostering productive struggle, supported by ongoing professional learning communities (PLCs) and differentiated instructional coaching.

Root Cause Addressed:

Inconsistent ELA instructional practices that do not explicitly build students' independent application of literacy skills or promote deep comprehension through productive struggle.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Deep Dive into Explicit Instruction Framework & Resources. Activity: Leadership team and ELA lead teachers attend intensive training (e.g., Summer Institute) on the selected explicit ELA instructional framework (e.g., based on Reading Comprehension instruction, Wit & Wisdom, etc.) focusing on key components like text analysis, evidence citation, and academic discourse.
School-Wide Professional Development on Foundational ELA Strategies and Data Collection. Activity: During August/September professional development days, all K-5 teachers receive initial training on the core tenets of the explicit ELA instructional framework, with an emphasis on strategies for asking text-dependent questions, teaching evidence citation, and facilitating academic discussions. Introduce the common formative ELA assessment tool/rubric for inferencing and evidence citation to be used in October.

Baseline Formative Assessment Administration and Initial Data Analysis. Activity: Administer the common formative ELA assessment (focused on inferencing and evidence citation) to all Grades 3-5 students to establish a baseline for Period 1 progress. Conduct initial data analysis as a faculty, identifying broad areas of strength and need.
Establish Collaborative PLC Structures for ELA. Activity: Launch weekly/bi-weekly grade-level PLCs specifically focused on ELA instruction. The initial focus will be on collaboratively planning lessons incorporating the new explicit instructional strategies, analyzing student work from baseline assessments, and identifying initial differentiation needs for SWD and ELLs.
N/A

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
06/06/2026	06/06/2026	Community School Forum	PWC
05/08/2026	05/08/2026	Mother's Day Attendance Support Convention	PWC
10/15/2025	10/15/2025	Fall Harvest	PWC
03/13/2026	03/13/2026	Parent workshop	PWC
02/13/2026	02/13/2026	Valentine's Day Parent event	PWC
01/02/2026	01/02/2026	Attendance workshop	PWC
12/19/2025	12/19/2025	Winter wishes gift giveaway	PWC
11/26/2025	11/26/2025	Thanksgiving Giveaway	PWC

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

School-based Data Implementation Coach, Third party Great Minds Wit & Wisdom Instructional Coach

Instructional Resources

Wit & Wisdom curriculum resources, Fundations curriculum resources

Schedule Adjustments

Provide coverage, as needed, for teachers to attend teacher team meetings and/or professional learning opportunities; Block scheduling for ELA and data-driven groups

Other Resources Needed

Schoolwide subscription to iReady educational platofrm, schoolwide subscription to myON e-reading program

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
73% of students in grades K-5 who fall into the "strength" category on the SEL Goal Mindset Survey	Some students may lack consistent opportunities to practice goal-setting, reflection, and resilience skills across academic and social settings.	A significant portion of K–5 students (27%) do not demonstrate a strong goal-oriented mindset, indicating a need to strengthen SEL instruction focused on perseverance and self-motivation.
N/A	N/A	N/A
N/A	N/A	N/A

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	73% of students in grades K-5 who fall into the "strength" category on the SEL Goal Mindset Survey	By June 2026, physical and mental wellness for all students will improve, as measured by a 7% increase in the Strength Indicator from 73% to 80%, per the SEL Goal Mindset Survey.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement weekly classroom SEL lessons focused on goal-setting, perseverance, and self-reflection using evidence-based curriculum.

Root Cause Addressed:

Some students may lack consistent opportunities to practice goal-setting, reflection, and resilience skills across academic and social settings.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Initiate SEL push-ins during academic blocks to provide timely SEL interventions that help students apply growth mindset strategies during learning.
Create a SEL resource library accessible to staff, students, and families with tools and strategies for reinforcing a growth mindset during academic work.
Implement Social Emotional Student Ambassadors in each classroom to offer peer-to-peer emotional support and model positive mindset behaviors.
Host parent workshops to strengthen home-school SEL alignment.
Launch parent and teacher book clubs centered on texts that explore social-emotional development and cultivating a

growth mindset.
Establish a Parent SEL Ambassador in each class who will serve as a liaison to share SEL strategies and promote use of school-wide SEL resources.
Schedule monthly teacher collaboration sessions to review SEL data, share best practices, and co-plan lessons integrating growth mindset.
Develop a student recognition system to celebrate perseverance, self-reflection, and progress toward goals, reinforcing a school-wide SEL culture.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

1. Participation in SEL push-ins, workshops, book clubs, and ambassador activities will be tracked using sign-in sheets, logs, and teacher checklists.
2. Quarterly surveys will be administered to students, staff, and parents to gather feedback on the effectiveness and impact of the SEL initiatives.
3. The SEL team will meet monthly to review data, assess progress, and adjust strategies as needed to ensure continuous improvement.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/18/2025	09/18/2025	Parent Workshop	PWC
10/16/2025	10/16/2025	Parent Workshop	PWC

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Full-Time Data Implementation/Coach; Full-Time RtI/AIS teacher; Full-Time SETSS Provider; Educational consultants, Sub-Teachers for additional coverage

Instructional Resources

Wit and Wisdom curriculum, Fundations Curriculum, Heggarty Curriculum, Decodable Books for K-5, AnchorTexts forgrades K-5, SPIRE curriculum, Reading A toZ subscription, Funhub Subscription, iReady subscription

Schedule Adjustments

Provide coverage, as needed, for teachers to attend teacher team meetings and/or professional learning opportunities; Block scheduling for literacy and data-driven groups

Other Resources Needed

A shared drive (i.e. Google Drive) to allow for electronic surveying, tracking, and progress monitoring systems, as well as document sharing school wide

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
42% projected proficiency in grades 3-5 on the NYS Math according to the NWEA MAP Math	Practices often focus on fluency over conceptual understanding, limiting students ability to make connections between concrete strategies and abstract mathematical thinking.	Support students in grades 3–5 in translating concrete math skills into abstract understanding to improve proficiency, as only 42% are projected to meet grade-level expectations on the NYS Math exam.
N/A	N/A	N/A
N/A	N/A	N/A

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	42%	By June 2026, mathematics for all students in grades 3-5 will improve by 10%, from 42% to 52%, as measured by the NYS Math Exam.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Adopt and consistently implement the 3 Reads Strategyrades 3–5 math classrooms, with teachers engaging in bi-weekly collaborative planning and targeted professional development focused on designing lessons that use manipulatives, visual models, and real-world problem-solving tasks to help students connect concrete skills to abstract mathematical concepts.

Root Cause Addressed:

Practices often focus on fluency over conceptual understanding, limiting students ability to make connections between concrete strategies and abstract mathematical thinking.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide professional development on the 3 Reads strategy and its role in supporting mathematical reasoning and comprehension.
Schedule bi-weekly collaborative planning time for grade-level teams to develop and refine word problems using the 3 Reads strategy.
Create and distribute anchor charts and reference tools that outline the steps of the 3 Reads strategy for classroom use.
Develop and share model lesson plans that incorporate the 3 Reads strategy and emphasize student discourse and

problem analysis.
Implement regular instructional walkthroughs to observe and support the use of the 3 Reads strategy in math lessons.
Offer coaching cycles for teachers that include co-planning, lesson modeling, and feedback on implementing the 3 Reads strategy.
Use common formative assessments that include multi-step word problems and track student use of the 3 Reads process.
Highlight and share student work samples and strategies that showcase how students make sense of problems using the 3 Reads approach.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Conduct monthly instructional walkthroughs using a look-for tool focused on 3 Reads strategy components (e.g., use of multiple reads, student discourse, problem analysis) to provide feedback and identify trends in instructional practice.

Review lesson plans and student work samples during PLCs to ensure the 3 Reads strategy is embedded in planning and effectively supporting student understanding of word problems.

Hold monthly check-ins with instructional coaches and teacher teams to monitor progress, address challenges, and adjust professional development or support based on implementation data.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	0	By June 2026, 52% of students will demonstrate an understanding of college and career readiness, by scoring a level 3 and 4 on the Junior Buisness Academy end of unit writing constructed responce.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. - Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Integrate project-based learning through the Junior Business Academy to develop elementary students' academic skills, financial literacy, and career awareness, ensuring early exposure to goal setting and real-world applications that lay the foundation for college and career readiness.

Root Cause Addressed:

Limited early exposure to goal setting, real-world connections, and foundational skill-building has hindered students' ability to develop a clear understanding of how their learning connects to future college and career pathways.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Implement the Junior Business Academy curriculum across upper elementary grades to build entrepreneurial thinking, financial literacy, and real-world problem-solving skills.
Support students in developing personalized business plans that integrate writing, math, and critical thinking, allowing them to apply academic skills in authentic contexts.
Embed structured writing tasks into the curriculum that require students to reflect on their learning, explain their business ideas, and articulate future goals.
Facilitate student-led showcases or business fairs where students present their plans to peers, staff, and families to build communication and presentation skills.

Provide professional development for teachers on integrating college and career readiness skills into core instruction through project-based learning.
Partner with local entrepreneurs or business professionals to offer guest talks or mentorship opportunities, helping students see real-world applications of their learning.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

1. Review student business plans and written reflections each trimester to assess how well students are applying academic skills and connecting their learning to real-world concepts.
2. Conduct classroom observations during Junior Business Academy lessons using a rubric that tracks student engagement, project development, and integration of career readiness skills.
3. Gather feedback from students, teachers, and families through surveys and focus groups after showcases or business fairs to evaluate program impact and identify areas for improvement.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
We are not showcasing the quality of the teaching instruction and academic achievement to promote the culture of learning at Brooklyn Gardens Elementary School.	339 students enrolled in Brooklyn Gardens Elementary School as of June 2025	Enrollment is stagnant

N/A	N/A	N/A
N/A	N/A	N/A

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	339	19K557 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the total school enrollment will Increase by 5% from 339 to 356 as measured by ATS total register number.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Release one video each month to the community and via online platforms marketing the instructional and recreational
programs offered at Brooklyn Gardens Elementary School.

Root Cause Addressed:

Enrollment is stagnant

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Create marketing platform that will support in advertising the school and all of the supportive programs offered to students, families, and community members.
Sustain working responsive systems including laundry, afterschool, Saturday academy, food pantry, uniform support and donations.
Pioneering new initiatives that work towards supporting student learning, responsiveness to families and marketing the school community.
Meet the Teacher Event where Families are invited to meet their teachers and staff members at the school. During this

time we can reconnect with families, provide students with school supplies and uniforms, inform expectations for the 2025-26 school year, and discuss any concerns.
School Leadership Team monthly meeting to collectively evaluate the 1st trimester achievement toward our school goals, including the school's progress toward greater impact on family engagement.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

1. Development of a school wide Family Engagement Tracker on which teacher teams, the Parent Coordinator, and other staff members will record the quantity of interactions had with family members of our school community.
2. Track overall student enrollment over to school year

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
06/06/2026	06/06/2026	Community School Forum	PWC

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Full time parent coordinator, full time school based school social worker, full time pupil accounting secretary, full time community associate, CBO Community School Director

Instructional Resources

Wit and Wisdom curriculum, Fundations Curriculum, Heggarty Curriculum, Decodable Books for K-5, AnchorTexts for grades K-5, SPIRE curriculum, Reading AtoZ subscription, Funhub Subscription, iReady subscription, Amira (HMH web-based teaching tool)

Schedule Adjustments

Provide coverage, as needed, for teachers to attend teacher team meetings and/or professional learning opportunities; Block scheduling for literacy and data-driven groups

Other Resources Needed

A shared drive (i.e. Google Drive) to allow for electronic surveying, tracking, and progress monitoring systems, as well as document sharing school wide

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
45% Chronic Absenteeism rate as of June 2025	There is no system of how to build positive relationships with families even under negative conditions.	Tier 3 attendance families need to be targeted in order to be able to educate them on their areas of need concerning the importance of getting their child to school.
N/A	N/A	N/A
N/A	N/A	N/A

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	June 2025	By June, 2026, the Chronic Absenteeism Rate for All Students will decrease by 6%, from 45% to 39%, as measured by the New Visions Chronic Absenteeism Reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Create and implement a 3 tiered accountability system for families of students who are at-risk or chronically absent.

Root Cause Addressed:

There is no system of how to build positive relationships with families even under negative conditions.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The Attendance Team will collaborate to develop a clear system regarding communication and follow-up of attendance matters for staff (i.e. teacher communicates to FOC, FOC communicates with families, FOC communicates with Attendance Team/Principal, etc.)
Attendance will be taken at least twice per day in order to allow our Family Outreach Coordinator (FOC) to conduct daily attendance audits, ensuring attendance records for scholars are accurate in ATS.
Include an “It’s Cool to be in School” table to promote Attendance Awareness at all monthly family engagement events in an effort to further educate families on the importance of a strong attendance record and the impact a poor attendance rate can have on a child’s academic performance and future as a scholar.
Family Outreach Coordinator will make family contact daily to identify reasons for student absence, offer alternatives to absence to families, and communicate family contact status and information to the Attendance Team weekly.

Family Outreach Coordinator will make family contact daily to identify reasons for student absence, offer alternatives to absence to families, and communicate family contact status and information to the Attendance Team weekly.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

1. Attendance tracker will be enforced daily in order to monitor daily attendance as well as monitor attendance trends over time.
2. Attendance tracker will be shared to classroom teachers daily in order for attendance concerns to be cross analyzed with curriculum data.
3. Attendance data, classroom data and formal assessments will be triangulated in order to analyze trends as related to student performance.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Develop a tailored professional learning plan for special education teachers / paras that allows for opportunities to engage with the IEP writing process, PLOP / Goal informed instructional planning and implementation.

Root Cause Addressed:

Inconsistency of data-driven instruction informed by students' IEP goals.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
September: Special Education Teacher Orientation Meeting, facilitated by the SpEd Team, at the beginning of the school year to review compliance requirements and policy, as well as best practices in reviewing IEPs to identify student goals.
October: Professional learning opportunity, facilitated by the SpEd Team, on the development of student profiles, utilizing the content of the IEP to inform profiles. (Profile completion window: Oct. 1 - Oct. 31st - Ongoing as new students are enrolled.)
November: Professional learning opportunity, facilitated by the SpEd Team, on: Part 1: Effective IEP writing, citing the Next Generation Standards in the Present Level of Performance section (PLOP). Part 2: Effective goal writing
December-January: Professional learning opportunity, facilitated by the SpEd Team, on goal-based instructional planning and maximizing adult capacity in the classroom (ICT models, paraprofessional teaching assistant plans, etc.)
February-March: Mid-year Data Dive with special education teachers to identify successes, challenges, and gaps in performance, aligned with IEP goals
April-May: Professional learning opportunity, facilitated by the SpEd Team, engaging special education teachers in an IEP review.

Key Strategy 2 (Optional):

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Nine special education teachers, twenty-five paraprofessionals (6 class / 19 1:1 or group), SETSS teacher, full-time school-based school counselor, full-time speech and language therapist, full-time school-based occupational therapist, and school psychologist

Instructional Resources

Wit & Wisdom, Eureka Math Squared, iReady subscription, SPIRE, Bridges, Fundations, Heggerty, myOn

Schedule Adjustments

Dedicated data-driven small group instruction block, dedicated weekly Teacher Team meetings,

Other Resources Needed

Scheduled time to meet with special educators (both paras and teachers) 3rd party instructional coaching from Wit & Wisdom specialist to support SpEd teachers in modifying lesson plans with students' IEP goals in mind.

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Student performance on the cusp of meeting the standards	AIS - At Risk	Small Group	During School After School Saturday Academy	Yes
Tier 2	Insufficient academic progress despite tier 1 instructional support	RtI	Small Group	During School After School Saturday Academy	Yes
Tier 3	Insufficient academic progress despite tier 2 instructional support	RtI	One to One	During School After School Saturday Academy	Yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Student displays behaviors or indicates he/she is facing a challenge with managing feelings or emotions	Classroom Intervention	Small Group or One to One	During School	No
Tier 2	Insufficient progress despite classroom intervention or the student experiences a trauma	At Risk Counselling	Small Group or One to One	During School	No
Tier 3	Insufficient progress despite at-risk intervention or the student experiences a severe trauma	Intervention Counseling	One to one	During School	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

When students are selected for RtI/Intervention programs, parents are notified in writing of their child's selection and the specific program their child will participate in. This letter includes a detailed description of the three-tiered RtI (process, outlining the purpose of each tier, the types of support provided, and how student progress is monitored. The RtI letter emphasizes the collaborative nature of the intervention process and encourages families to partner with the school in supporting their child's academic growth.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

*In trimesters, on the student's report card, students receive intervention grades
*Individual Family Data Chats
*Progress monitoring reports are shared regularly with families to keep them informed of student growth
*Families are invited to workshops and are provided with strategies and resources to support intervention work at home

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

*When students are selected for RtI tier 3, parents are notified in writing of their child's selection and the program they will be participating in. This letter includes a review of the three-tiered RtI process.
*When parents express concerns about their child's academic progress and/or request an evaluation, parents are included in a conversation about their child's performance and the three-tiered RtI process, informing them of the opportunity for tier 3 instruction prior to consideration of an evaluation.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

There are 72 Students in Temporary Housing currently attending our school.

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

After careful analysis of the historical STH data, trends include majority of students facing challenges with attendance as well as Math and ELA Performance. These trends can inform the STH services provided in that efforts will be made to support the areas of challenge. The attendance team will do specific outreach to families in order to support attendance concerns. Math and ELA supports will include small group support, AIS and RTI supports, as well as learning supports including visual aids, handheld manipulatives and classroom resources.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

We are planning to provide many services to our Students in Temporary Housing (STH) population. Below indicates programs and support services we will make available to our families of STH:

Morning, afterschool, and Saturday programs

Yearly uniform and hygiene packages
Food pantry services
Health and mental wellness service facilitated by clinical social workers including school based at-risk counseling for students and community based referrals for families
Transportation services through NYC DOE OPT
Metro Cards for transportation to and from school
Hands on support by clinical social workers to access resources needed for higher education, job support, financial support, and immigration services.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

11 students
*Social-Emotional Supports:
***Foster students are paired with a Social worker/School Counselor who regularly checks in to provide emotional support.
***Weekly small-group SEL sessions are offered, focusing on coping strategies.
*Academic Supports:
***Targeted small-group instruction is provided in literacy and math to address learning gaps and build foundational skills.
***Students have access to extended learning time through after-school programming and Edmentum Exact Path programs.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

*Foster families who may not live within walking distance of the school are provided with MetroCards to support getting to school more easily
*Students are given a welcome package with supplies to support home and school connection and needs. Package includes a school uniform and school supplies
*Families are invited to an orientation where they are given access to community resources including the laundry room, food / supplies pantry, advocate services, and CBO supports

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support

provided to this population?

The trend that emerges after analyzing this data is that foster care students are often relocated and rehomed unpredictability. This causes severe disruptions to the students academic and social-emotional capacity. In order to support this challenge, the social worker and the school counselor create strong relationships with the ACS/ case workers that allow for the school support team to advocate for the student to complete the school year, attend school-wide events, complete assessments and/or receive supplies.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Our school provides targeted SEL support for students in foster care through dedicated check-ins with a school counselor, small group SEL sessions, and trauma-informed classroom practices. For transitional grade students, we implement individualized transition plans to build stability and connection. These strategies help address academic and behavioral challenges by fostering trust, emotional regulation, and a consistent support network that promotes engagement and success in school as measured by the check-ins and the SEL Growth Mindset Survey.

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

Our school offers many opportunities for enrichment and additional learning for our students. For example, during the morning program 3rd, 4th, and 5th-grade students are offered additional learning support two days a week for 45 minutes each. Students will receive extra support in literacy and mathematics instruction with an emphasis on writing short and extended responses and solving math word problems to build students' conceptual understanding.

We also offer our morning program to all 3K and PreK students daily where students are exposed to an interactive read-aloud, engage in comprehension based discussion and practice letter-sound associations with our Fundations program.

During our weekly Saturday program from 8:00 AM to 1:00 PM, students in grades K-5 will be offered opportunities to participate in enrichment activities not limited to visual arts, STEM, dance, sports, and music. Students will also engage in personalized, tailored instruction through i-Ready in mathematics and reading.

Afterschool programs for students in grades, K-5 will consist of, but are not limited to:
-Academic Intervention/Tutoring
-Academic Enrichment
-Extracurricular Sports
-Music and Visual Arts

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

*Postings for all ELT opportunities will include required NYS teaching certification (19K557 is an elementary school, specific content area certification not needed)
*Literacy Collaborative Reading Coach - Centrally provided program, licensed pedagogues
*Clusters have a dedicated block of time in their schedule to facilitate RTI programs in both ELA and Math.
*Tier 2 instruction is provided by the licensed classroom teacher supervised by the classroom teacher when facilitated by a teaching assistant.

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

*All academic related ELT will be facilitated by school-based personnel familiar with our core curriculum and planned in alignment with the NY State Next Generation Learning Standards and specifically identified priority

standards addressed during the instructional school day.
*Afterschool (ELT) instruction will be planned collaboratively by grade-level teams to align with pacing guides and instructional priorities from the regular school day.
*Intervention and enrichment activities during Afterschool (ELT) will reinforce key standards and skills taught in core subjects.
*Data from formative assessments will be used to group students and tailor Afterschool (ELT) instruction to support and extend classroom learning.
*Afterschool (ELT) instructors will participate in regular planning and professional development with classroom teachers to ensure instructional consistency.

Provide a description of the materials purchased to support implementation of ELT.

1. ELA and Math Supplemental Curriculum Kits
2. Digital Learning Platforms and Licenses
3. STEM Enrichment Materials
4. Art and Music Supplies
5. Attendance and Incentive Supplies
6. SEL and Mindfulness Tools
7. Books for Classroom Libraries and Literacy Centers
8. Furniture and Flexible Seating
9. Teacher Resource Materials and Planning Guides

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

Brooklyn Gardens Elementary School will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child’s progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

Brooklyn Gardens Elementary School, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

ELA
*3K and PreK school based programs receive professional learning directly from the Division of Early Childhood Education office, including in-person coaching from a DECE instructional coach.
*Monthly in-house training and professional learning on facilitating the Wit and Wisdom curriculum for all teachers and paraprofessionals.
*Weekly teacher team meetings to engage in collaborative planning and in data driven action planning based on student performance utilizing a data analysis protocol
*Instructional coaching cycles targeted at modeling best teaching practices for new and untenured teachers

Math
*3K and PreK school based programs receive professional learning directly from the Division of Early Childhood Education office, including in-person coaching from a DECE instructional coach.
*Monthly in-house training and professional learning on facilitating the Eureka Math curriculum for all teachers and paraprofessionals.
*Weekly teacher team meetings to engage in collaborative planning and in data driven action planning based on student performance utilizing a data analysis protocol
*Instructional coaching cycles targeted at modeling best teaching practices for new and untenured teachers

Supportive Environment
*The SEL Team will provide monthly professional development to teachers and staff informed by the Equity Self-Reflection Tool, focused on building relationships with students in grades 3K-5.
**Cycle 1: Strategies to building relationships with students coming from a trauma informed lens
**Cycle 2: Emotional Regulation
**Cycle 3: Intellectual Safety
**Cycle 4: Inclusivity and Implicit Bias
**Cycle 5: Restorative Justice and Social Justice - Cycle informed by the Equity Self Reflection
**Cycle 6: Engaging families in the SEL experience

Chronic Absenteeism
*Development of a CORE Attendance Team that includes school leaders, social workers, community school director, parent coordinator and selected teachers
*Core Attendance Team members will develop a Success Mentor Plan to include recruitment, training, and progress monitoring systems and structures. Success Mentors will be recruited to help build relationships with mentees and their families as a means to motivate students to show up to school. They will help to connect families to support and services that remove barriers to attendance. They will help to engage their mentee's family and build a connection to the school community.

Quality IEPs
*All special education teachers will work with the Core SIT/SpEd team to support them in the development of appropriate, rigorous, standards-aligned annual goals when engaging in Monthly IEP reviews and during the weekly Special Education Lab.
*Ongoing Professional learning on effective goal writing will occur when engaging in monthly IEP reviews and

during the weekly Special Education Lab.
*WIth the support of the Special Education Lead, teachers will develop goal aligned benchmark assessments to allow for accurate measurement of the progress monitoring target achievement.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

Parents of students enrolled in our school based 3K and PreK program are highly encouraged to register for PreK and Kindergarten early to ensure maintaining enrollment status at our school for the following school year. This allows for a smooth transition, as the 3K and PreK programs are housed, facilitated, and supervised within our elementary school. If our 3K or PreK families enroll in outside organizations or schools, we share student records directly with the newly enrolled school.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	Pending	x	ELA, Math
Title I, School Improvement 1003(a)	Federal	Pending	x	ELA, Math
Title II, Part A	Federal	N/A	N/A	N/A
Title III, Part A	Federal	N/A	N/A	N/A
Title III, Immigrant	Federal	N/A	N/A	N/A
Title IV, Part A	Federal	N/A	N/A	N/A
Tax Levy (Fair Student	Local	N/A	x	ELA, Math

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
Partnership with Children	Families & Students	Social Work, Counseling	n/a
n/a	n/a	n/a	n/a
n/a	n/a	n/a	n/a

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

Partnership with Children's (PWC) objectives of support includes family engagement, attendance support, and social work services. Each of our S-CEP goals includes an element of each of these primary focus areas. PWC will work with Brooklyn Gardens Elementary School (BGES) to engage in the development/facilitation of action steps, monitor the progress of our action plans, and meet our expected goals.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

In addition to the annual Back to School Parent engagement event and Parent Teacher Conferences, families of BGES are invited to school events and team meetings such as parent workshops, SLT, and grade wide / school wide town hall meetings.

We make these events accessible to families both in person and virtually. Parents are invited to become Parent Association members and are nominated and elected as PA members as well as SLT members. In addition, we have parent volunteers who support with greeting families during our morning arrival and dismissal times.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

At BGES we have various initiatives in place in support of health and social-emotional wellness. We have a full-time Physical Education / Health Education teacher who provides health instruction to classes in grades 3K-5. PWC, our CBO, also organizes regular visits from a local dentist and dental hygienist, as well as an optometrist, who provide services to all students at BGES. Our NYC DOH nurse brings in the NYC DOH doctor and nurse practitioner to provide medical exams for our students in need monthly. Our social-emotional wellness / learning plan includes SEL strategies that are meaningfully and purposefully integrated into the daily schedule. In addition, the school SEL team provides professional learning for teachers and staff on how to support students with mindfulness, self-care, and SEL activities. Our school based social worker coordinates and supervises the My Brothers Keeper (MBK) and Girls Empowerment Movement (GEMs) programs at our school. The MBK/GEMs team members also include teachers and paraprofessionals, along with a student leadership team. Our CBO, PWC facilitates Full Class Intervention push-ins on grades K-5 which focuses on topics such as crisis prevention, social awareness, diversity and cultural awareness. Another initiative we have in place is our school wide community circle called EPIC Time. During this community circle our school social worker and PWC social worker engage students in SEL around topics such as gratitude, empathy, kindness, social awareness, and cultural awareness. Please see our collaborative CBO Health Work Plan: https://docs.google.com/document/d/1C310UtLqoSPrARGXOaxJoyJqcfVXsqlJ/edit?usp=sharing&ouid=113875250068720321844&rtpof=true&sd=true

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

Our CBO Partnership with Children (PWC) provides our school with a school-based Community School Director (CSD) and a Family Outreach Worker (FOW) whose primary focus is family engagement, family support, and attendance. The CSD and FOW co-coordinate/facilitate our Attendance Team and Success Mentors Team with the principal. Our Attendance Team also includes school staff such as the school social worker, parent coordinator, pupil secretary, and an NYC DOE assigned Attendance Teacher who supports high need cases. The Attendance team meets weekly to discuss all student attendance records including not only our severely chronic, chronic, and at-risk cases, but also those of improved attendance and strong attendance. The team develops plans / initiatives for supporting families of students in the need categories and incentives for students with improved / strong attendance. Some of those incentives include Pop-Up Prize days where the students present in school all receive prizes from the principal's treasure box that are purchased and stocked by our CBO PWC, as well as attendance shout-outs during our school wide EPIC Time. Our Success Mentors program works to develop strong relationships with the students and families of our school community. Each mentor is assigned students who fall into the severely chronic, chronic, and at-risk for chronic categories. Our CSD and FOW support the Attendance Team by training/supporting our Success Mentors, monitoring school attendance, making daily phone calls to families of

absent students, sending home monthly attendance letters to families to educate them on the importance of strong attendance, and conduct home visits when necessary.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for all students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

Our CBO, Partnership with Children (PWC), provides full classroom intervention workshops for grades K-5, which focus on topics such as diversity and cultural awareness, which are also topics of our EPIC Time, co-facilitated by our PWC social worker. PWC will work in collaboration with after school programs in the community to support families of STH for extra-curricular opportunities for their children after school hours. In addition, PWC will also collaborate to bring after school programs into the school for all students such as dance, art and sports. STH, SWD, and ELL students will be given priority during our enrollment to these programs. PWC has collaborated with an outside agency (New York Cares) to help provide coats, book bags, hygiene products and school supplies for all families of the school community, with priority to those families of our STH population. PWC has also partnered with a program called Winter Wishes to help supply all families with Turkeys and Christmas gifts during the holidays. Partnership with Children will also begin a new program that will bring a free laundry room into the school building that will be accessible to the families of our school community with priority to our families of STH. This program will allow all families of the school community to have access to washer, dryer, detergent and steamers.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Audrey Fowler
Assistant Principal (Where Applicable)*	Marjorie Greene
English as a New Language (ENL) Teacher*	Judy Tangata
Teacher (if school has a bilingual program must be a bilingual teacher)*	Diana Delgado
Parent/Guardian*	Jamirivette Quintana
Teacher	Ebony Muldrow
Parent Coordinator	Eugenia Buckmon
School Counselor	Lashaun Harris
School Secretary	Vanessa Inoa
	N/A
	N/A

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

2

Number of certified ESOL teachers not currently teaching ENL:

1

Number of teachers who hold both content area/common branch and ESOL certification:

2

Number of ESOL certified teachers with a bilingual extension:

1

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

1

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

1

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

326

Total number and percentage (%) of current ELLs:

34 (10%)

Total number and percentage (%) of former ELLs:

11 (3%)

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

30 (9%)

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

5 (1%)

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0 (0%)

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

8 (2%)

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	General Education Dual Language	Spanish	2024	1	0	0	0	0	0			0	0			0	1
DLBE	Gen Ed. Dual Language	Spanish	2025	0	1												1
DLBE																	0
				total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Students at levels entering and emerging are entitled to stand-alone minutes and will be scheduled to attend small group sessions by the ENL coordinator. The ENL service provider will engage students in learning sessions in small groups. These groups will be homogeneous according to the students' learning levels, prior knowledge, and grade levels. Stand-alone ENL provides instruction for foundational language skills, basic interpersonal communication skills (BICS) as well as cognitive academic language proficiency (CALP) to help students build overall language skills in an academic setting and beyond.

According to CR Part 154 Units of Study, students at the Entering and Emerging proficiency levels receive stand-alone ENL instruction in addition to integrated ENL. Entering (Beginner) students receive 360 minutes (6 units) of stand-alone ENL per week. Emerging (Low Intermediate) students receive 180 minutes (3 units) of stand-alone ENL per week. Students at the Transitioning, Expanding, and Commanding levels receive only integrated ENL instruction as outlined in the CR Part 154 framework.

Entering: 180 Minutes
Emerging: 90 Minutes / Flex 90 Mins

Integrated ENL:

We strive to group ELLs within one classroom and/or cohort per grade, as to allow for the best scheduling flexibility for integrated teaching. Integrated ENL will be delivered through co-teaching by our ENL teacher and a certified content area teacher via parallel or alternative teaching models. Our ENL Instructional Lead regularly works closely with the classroom teachers and service providers to develop the most effective plan for students while pushing in and pulling groups. These students have reached the transitioning and expanding levels of language proficiency. They have mastered the BICS and focus more on teaching and supporting ELLs in their academic content areas.

According to CR Part 154 Units of Study, English Language Learners receive a combination of stand-alone and integrated ENL instruction based on their proficiency level as determined by the NYSESLAT. Integrated ENL instruction is provided within core content areas such as English Language Arts (ELA), mathematics, science, or social studies, where both English language development and grade-level content are taught simultaneously.

Students at the Entering (Beginner) proficiency level receive 180 minutes per week of integrated ENL instruction, typically within the ELA classroom, in addition to 360 minutes of stand-alone ENL. Emerging (Low Intermediate) students also receive 180 minutes per week of integrated ENL instruction, usually in ELA, along with 180 minutes of stand-alone ENL. Transitioning (Intermediate) and Expanding (Advanced) students each receive 180 minutes per week of integrated ENL instruction, delivered in collaboration between the ENL and content area teachers within ELA or other core subject areas. Students who have reached the Commanding (Proficient) level receive up to 90 minutes

per week of integrated support for two years following exit from the program, ensuring continued language and academic success.

Entering: 180 Minutes
Emerging: 90 Minutes / Flex 90 Mins
Transitioning 90 Minutes / Flex 90 Minutes
Expanding: 180 Minutes
Commanding: Flex 90 mins

b. Bilingual Education (If applicable)

Transitional Bilingual Education (TBE):

There is no TBE program at Brooklyn Gardens Elementary School.

Dual Language Bilingual Education (DLBE):

The English Language Arts is delivered via our core curriculum, Great Minds Wit & Wisdom. The students also receive phonics education via the Fundations curriculum. In addition to exposure to the common core curriculum students receive their mandated minutes as described in the CR Part 154. Entering and emerging students will receive a minimum of 360 instructional ENL minutes. Transitioning and Expanding students will receive a minimum of 180 instructional minutes. Commanding students will receive integrated instruction for an additional two years. The instructional ENL minutes will be scheduled in the school wide schedule and tracked weekly via a school wide tracker. All instruction will be delivered by a certified ENL teacher.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

Brooklyn Gardens Elementary solely provides an ENL program. We provide standalone and integrated minutes of entitled instruction based on students' level of proficiency. Depending on the needs of students, groups of learners are formed and may be flexible throughout the year, especially as students grow academically and in their proficiency. These groups may often be homogeneous or heterogeneous groups including non ELL peers.
. Integrated: Our ENL instructional Lead will coordinate program schedule planning with the classroom teachers to ensure pushing in and pulling groups are conducive to the regular classroom schedules.
Stand Alone: Students who are entitled to stand alone minutes will be scheduled to attend small group sessions by the ENL teacher, in collaboration with the classroom teachers to ensure there are no scheduling overlaps or conflicts to interrupt achieving the minimum number of minutes each child is entitled to.

Enrollment measures: Our ENL Instructional Lead and school secretary work very closely together to ensure enrollment forms for new incoming NYCDOE students are completed timely and appropriately. The ENL Instructional Lead reviews the HLIS form and has an interview with the family upon form completion. In addition, our school secretary will notify via email the ENL Instructional Lead as students transfer into our school as current ELLs. Lastly, our secretary will email our ENL Instructional Lead a current ATS report of enrolled ELL students as ENL registration becomes active (RLAT). Therefore, current students, transferring students, and students that are new to NYC are provided with the appropriate levels and number of minutes of instruction and individualized support in ENL in a timely fashion.

School Scheduling: Our ENL Instructional Lead pedagogue works with other school leaders and administrators to create a schoolwide ENL schedule to ensure all ENL students are serviced most appropriately and effectively. The schedule is designed by considering each student's grade level, class placement, language proficiency level, lunch period, times of core subjects scheduled, and times of related services (as needed). This can also include staggering literacy and math blocks, flipping am and pm flows of the day, staggering lunch/cluster periods, or staggering start and end of day times. The new CR154-2 chart is also used to ensure each level is receiving the appropriate number of standalone and/or integrated instructional minutes.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

English Language Arts is delivered via our core curriculum Wit and Wisdom. The curriculum requires at least 90 mins per day of instruction with fidelity. Additionally, the schedule is built with supplementary literacy time blocks that are used for data driven grouping in order to support the development of literacy standards. During this time, teachers work with ENL students in order to scaffold their learning goals. ELA instruction is also integrated into the student mandates. ENL mandates are prescribed according to ELL status and written in the school wide schedule.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

The DLBE model that will be utilized will be the Dual Language Bilingual Education Integrated Co-Teaching (ICT). The students will be integrated all day. There will be two teachers in the classroom a certified ENL teacher and a certified Bilingual Special Education Teacher.

b. In which language(s) is each core content area taught?

ELA = Spanish/English, Mathematics = Spanish/English, Social Studies = Spanish/English, Science = Spanish/English. All content will be relayed to students in English and Spanish including Physical Education and Visual Arts.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

There is no TBE program at Brooklyn Gardens Elementary School.

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

ELL Newcomers (74.5%) / SIFE (0%)

For our newcomer Kindergarten and lower-grade students who are developing foundational skills, phonics, and Basic Interpersonal Communication Skills (BICS) alongside their peers, targeted instruction focuses on supporting their English language development and progression. The ENL teacher reinforces classroom instruction and provides additional language learning strategies through small-group support. Scaffolds and differentiated instruction are implemented to ensure that English learners remain on pace with their non-ELL peers.

For newcomers in upper grades, the ENL teacher and classroom teacher collaborate to assess each student and develop an individualized learning plan that ensures access to both English language development and grade-level academic content. This plan is informed by student work samples, screening assessments, student interviews, and consistent co-planning between the ENL and classroom teachers. Students are screened across all four language domains—listening, speaking, reading, and writing—using multiple measures, including teacher observations, the NYSITELL, SOLOM, and the Spanish Lab when appropriate.

Currently, our school does not have any Students with Interrupted Formal Education (SIFE). In the event that a SIFE student enrolls, we will conduct a comprehensive assessment to understand the student's academic background, language proficiency, and social-emotional needs, and we will design an individualized learning plan to support access to both English language instruction and academic content.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

Currently, 0% of our English Language Learners (ELLs) are identified as Students with Inconsistent/Interrupted Formal Education (SIFE).

In the event that a SIFE student enrolls at our school, we will implement a comprehensive support plan to address

the student's academic, linguistic, and social-emotional needs. The plan will begin with the SIFE Identification Interview and literacy screening in both the student's home language and English to determine prior educational experiences and literacy levels. Based on the results, the ENL teacher, classroom teacher, and support staff will collaborate to create an Individualized Learning Plan (ILP) outlining language development goals, academic priorities, and targeted supports.

Instruction for SIFE students will be differentiated through:
- Small-group and individualized instruction focused on foundational literacy and numeracy skills;
- Scaffolded lessons that connect new learning to students' background knowledge and experiences;
- Visuals, hands-on materials, and sentence frames to support comprehension and language production;
- Use of native language resources and bilingual support when available;
- Social-emotional support to promote adjustment and engagement in the school community; and
- Ongoing progress monitoring to adjust instruction and ensure academic growth.

This approach ensures that any SIFE student will receive instruction tailored to their unique needs, supporting both English language development and access to grade-level academic content in alignment with CR Part 154 requirements.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

Currently, our school has no Former English Language Learners (0%) and no Long-Term English Language Learners (0%).

Although we do not currently have any Former ELLs, our school has a clear plan in place to ensure compliance with CR Part 154 should any students reach Former ELL status. Once students achieve proficiency and exit ENL services, they will receive two years of continued monitoring and support. During this period, the ENL teacher and classroom teachers will collaborate to review student performance data, classroom assessments, and report card grades to ensure sustained academic progress.

If support needs arise, teachers will provide differentiated instruction, small-group reinforcement, or targeted interventions to maintain academic success. Monitoring will also include regular communication between the ENL teacher, classroom teachers, and families to ensure students continue to thrive without language-related barriers.

Currently, instruction for active ELLs remains differentiated and data-driven. Teachers use a variety of scaffolds, bilingual resources, and technology tools to support comprehension and language development, ensuring that all ELLs have equitable access to grade-level content and the opportunity to advance toward English proficiency.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

Currently, our school has no Former English Language Learners (0%). Former ELLs will receive ENL instruction as mandated. Former ELLs will receive an additional two years of integrated instruction. All ENL instruction is delivered via a certified ENL Teacher.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

Based on the EDAT report and risk factor analysis, the primary at-risk indicator that could adversely affect English Language Learners (ELLs) at Brooklyn Gardens Elementary School (BGES) is attendance. Data indicates that ELLs with fewer years of ENL service and inconsistent attendance are more likely to fall off track academically and linguistically. Regular attendance is a critical factor in English language acquisition and overall academic success, as consistent exposure to instruction directly impacts students' progress in developing language proficiency and content knowledge.

At BGES, the attendance team closely monitors attendance data, identifying students exhibiting at-risk patterns and implementing interventions promptly. Outreach is conducted through phone calls, letters, and family meetings—with translation support as needed—to ensure understanding and collaboration. During initial family orientations and ongoing meetings, the importance of daily attendance is reinforced using visuals and translated communication tools.

In addition to attendance, the school monitors other risk factors, including academic performance and engagement. The ENL teacher collaborates with classroom teachers to design targeted interventions that keep students on track for success. This includes small-group instruction, differentiated materials, after-school support, and access to necessary resources such as technology and bilingual materials.

In summary, attendance and limited years of ENL service are the two key factors most associated with at-risk ELLs at BGES. Through proactive monitoring, family engagement, and individualized supports, the school ensures that all ELLs receive equitable access to instruction and are supported in reaching their full academic and linguistic potential.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

Based on the EDAT report and risk factor analysis, the primary at-risk factor that may adversely affect Former English Language Learners (Former ELLs) at Brooklyn Gardens Elementary School (BGES) is student attendance. Consistent attendance is directly linked to sustained academic growth and language development following students' exit from ENL services. While Former ELLs have achieved English proficiency, maintaining daily attendance remains essential to ensuring continued success across all content areas.

In reviewing assessment data, 78% of Former ELLs scored at Level 1 or Level 2 on the ELA State Exam, indicating ongoing challenges in reading comprehension and writing. These results suggest that some Former ELLs may still face residual language acquisition barriers, particularly in academic vocabulary and complex text analysis.

At BGES, the attendance team reviews data weekly to identify Former ELLs with patterns of chronic absenteeism or inconsistent attendance. When attendance concerns arise, the school conducts family outreach meetings in accordance with DOE protocols, ensuring language access through interpreters or translated materials. In addition, ENL and classroom teachers collaborate to provide continued academic support for Former ELLs demonstrating skill regression or difficulty meeting grade-level standards.

Overall, attendance and residual language challenges remain the most significant at-risk indicators for Former ELLs at BGES. Through proactive monitoring, targeted interventions, and sustained family engagement, the school remains committed to supporting Former ELLs' academic achievement and ensuring their long-term success beyond ENL program exit.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

At Brooklyn Gardens Elementary School (BGES), we are deeply committed to supporting and valuing the home languages of our students and families. The language with the largest representation among our English Language Learners (ELLs) is Spanish. To ensure equitable access to information and meaningful engagement, the school has established multiple structures and processes to accommodate and celebrate the linguistic diversity of our community.

BGES has over ten staff members who are fluent in Spanish, as well as many bilingual students who can communicate in conversational Spanish. Classroom environments reflect this linguistic inclusivity through translated labels, charts, and books that support both English and Spanish language development.

All school communications, including flyers, letters, website content, calendar updates, and school app or phone notifications, are translated into Spanish to ensure accessibility for all families. Staff members consistently maintain open communication with parents, providing translation support during meetings and events as needed.

Through these ongoing efforts, BGES ensures that every student and family feels welcomed, understood, and supported. We affirm the importance of maintaining and valuing home languages as an asset in our multilingual community and as a foundation for continued academic and linguistic success.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The racial and ethnic diversity of English Language Learners (ELLs) at Brooklyn Gardens Elementary School (BGES) continues to expand each year. Our ELL population includes students of Hispanic, Fulani, Arab, Haitian-Creole, French, Russian, Afro-Caribbean, and Indian backgrounds. This growing diversity enriches our school community and informs how we plan and deliver instruction that honors and sustains students' cultural and linguistic identities.

At BGES, we are committed to ensuring that all ELLs attain English proficiency, achieve high academic standards, and meet the same rigorous expectations as all students. ELLs are intentionally included in the planning and delivery of Culturally Responsive and Sustaining Education (CR-SE), which promotes positive academic outcomes and fosters students' ability to connect across cultures and think critically.

To effectively serve our multilingual learners, BGES gathers student and family input through interviews and surveys aligned to the four pillars of CR-SE:

- Welcoming and Affirming Environment
- High Expectations and Rigorous Instruction
- Inclusive Curriculum and Assessment
- Ongoing Professional Learning

These insights guide curriculum design, instructional planning, and professional development, ensuring that teaching practices reflect and respect the diverse cultural backgrounds of our students. Through these efforts, BGES cultivates engagement, inclusion, and academic success for all ELLs, empowering them to thrive as multilingual, multicultural learners.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

Based on the EDAT report containing English Language Proficiency (ELP) growth data, Brooklyn Gardens Elementary School (BGES) currently has English Language Learner (ELL) students enrolled. However, no ELP sufficient progress data are available for this reporting period. Therefore, no students met and no students did not meet ELP sufficient progress according to the most recent EDAT data.

BGES continues to monitor the English language development of all ELLs through multiple measures, including classroom performance, formative assessments, and NYSESLAT results. The ENL teacher and classroom teachers collaborate to review progress across all four language domains—listening, speaking, reading, and writing—to ensure each student is on track to make measurable gains in English proficiency.

The school remains committed to using data-driven instruction, differentiated supports, and ongoing progress monitoring to promote continuous language development and academic success for all ELLs in alignment with Title III and CR Part 154 requirements.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

NYSESLAT Results and Trends by Modality

After reviewing the New York State English as a Second Language Achievement Test (NYSESLAT) results, two major trends stand out for English Language Learners (ELLs) at Brooklyn Gardens Elementary School (BGES). The majority of newcomer ELLs scored within the Entering or Emerging proficiency levels. Students who performed at the Transitioning or Expanding levels were typically those who have received multiple years of ENL instruction, either at BGES or at a previous school. This indicates that language proficiency growth is directly connected to both the duration and consistency of English language instruction. These results inform our instructional planning, particularly for newcomers at the Entering and Emerging levels, as teachers design targeted supports to accelerate language acquisition.

When examining results by modality, the following trends were observed:

Listening: Students generally performed strongest in this domain, demonstrating an ability to comprehend oral language and follow directions supported by visuals and context.

Speaking: Students showed developing proficiency, with many able to express basic ideas verbally but continuing to need support with academic language structures and vocabulary.

Reading: This domain remains an area of growth, particularly for newcomers who are still acquiring foundational decoding and comprehension skills in English.

Writing: Writing continues to be the most challenging modality for many ELLs. Students often require explicit modeling, sentence frames, and extended opportunities for structured writing practice to strengthen grammar, syntax, and organization.

These modality-specific trends guide the school's ENL instructional focus. Teachers emphasize integrated literacy instruction, academic vocabulary development, and oral language practice across content areas to build balanced

proficiency. Ongoing progress monitoring and data-driven instruction ensure that ELLs at all levels continue to advance in their English language development in alignment with Title III and CR Part 154 expectations.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

The EDAT analysis reveals a direct and consistent relationship between students' performance on the New York State English as a Second Language Achievement Test (NYSESLAT) and their outcomes on other state assessments, including the ELA and Mathematics assessments. Students who perform at the Entering and Emerging levels on the NYSESLAT typically score below grade-level expectations on both ELA and Math assessments. This correlation reflects their developing English language proficiency, which directly impacts their ability to comprehend complex text, academic vocabulary, and multi-step problem-solving tasks presented in English.

While some assessments allow for home language accommodations, such as translated versions or bilingual glossaries, ELLs often have limited prior exposure to academic content in either language, which can hinder performance even with linguistic support. As students advance to the Transitioning and Expanding proficiency levels on the NYSESLAT, their performance on state assessments improves correspondingly, demonstrating increased capacity to access and engage with grade-level content.

These findings reinforce the importance of providing targeted language instruction integrated within content-area learning, especially for Entering and Emerging ELLs. BGES continues to focus on building academic language, comprehension strategies, and mathematical vocabulary through differentiated instruction, scaffolds, and ongoing progress monitoring to ensure that language growth translates into improved outcomes across all assessments.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

At BGES, we currently have no SIFE students.

When examining the performance of ELLs with IEPs, two notable trends emerge. First, ELLs with disabilities tend to perform below grade-level expectations on the NYSESLAT compared to their non-disabled ELL peers. This pattern reflects the additional learning challenges these students face related to both language acquisition and their individual learning needs.

However, ELLs with IEPs who receive appropriate testing accommodations—such as tests read aloud, use of scribe, separate location, or use of assistive technology—tend to demonstrate higher performance and greater growth on the NYSESLAT. These accommodations help reduce barriers related to their disabilities, allowing for a more accurate measure of their English language proficiency.

It is important to note that while the NYSESLAT is not a timed assessment, other accommodations—such as simplified directions, breaks, or flexible setting—still play a critical role in supporting equitable access for ELLs with IEPs.

This data informs both IEP reviews and ENL instructional planning. Collaboration between the ENL teacher, special education teacher, and IEP team ensures that testing accommodations are clearly documented, implemented, and effectively support each student's language and academic development. Families are also informed of available accommodations during IEP meetings to promote advocacy and understanding of their child's rights and supports.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Students with an ELL status are exposed to all of our core curriculum including Great Minds Wit and Wisdom, Great Minds Eureka Math, Amplify Science and Passports to Social Studies. There are number of options available to support with translation in both their native language and English. Students are all exposed to English phonics via the Fundations curriculum. Each classroom with ELLs include integrated opportunities to build their English language skills. Resources include technology (computers and iPads), translation services and translation dictionaries.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

Our ENL Instructional Lead is an active member of our ILT team. As the ILT team develops instructional plans, the ENL Instructional Lead ensures considerations and supports are made for our ELLs. Together we work for our ELLs to reach their highest potential. Some examples are making sure appropriate scaffolds are available to ELLs, targeted differentiation, word for word dictionaries, appropriate and/or flexible programming, and a variety of strategies we can use together to enable our ELLs to reach their academic goals. In our ILT work, we analyze school and student data to identify trends in student groups, including honing in on ELL population. Our ENL Instructional Lead ensures our subgroup of ELLs are afforded all support structures needed for success in academics. Our ENL Instructional Lead ensures that an instructional pacing calendar is developed to ensure that all ENL Levels of instruction are planned for. By doing so, the ENL Instructional Lead examines and evaluates summative data to create a plan to address academic and language needs.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Our ENL Instructional Lead regularly participates in our District 19 and Central Offices Professional Development. Through these study groups and workshops, the ENL Instructional Lead has been provided with strategies and

methods to improve instruction for ELLs, making learning more successful and subject area content comprehensible for ELLs, which is then turnkeyed to instructional staff in focused professional learning opportunities. One strategy we explored was the Sheltered Instruction Observation Protocol (SIOP) model for instruction. This is a strategy for teachers to use to help make subject matter concepts understandable for students who are still developing English language skills. The ENL and classroom teacher work together to deliver instruction with content objectives and simultaneously incorporate a language objective to further build English language proficiency. The content objective tells what students will learn during the lesson, and the language objective tells how the student will learn and/or demonstrate their mastery of the lesson by reading, speaking, writing, or listening. Based on the assessment of a student's academic needs, this may be delivered to the entire class or within small groups during push in or pull out instruction. SIOP has been proven to be beneficial to all learners. Having both content and Language objectives clearly stated and clearly posted, helps set students up for success in mastering the Next Generation Standards. Another way we deliver and strengthen core content to make it comprehensible is to use the many discourse strategies also provided through the District 19 office and Central Staff.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Stand Alone ENL -
Students will be given opportunities to discuss content and problem-solve with peers in various modalities using numerous protocols and strategies, such as Socratic seminars, and number talks. One-on-one and small-group meetings will be utilized for explicit instruction of basic interpersonal skills and phonemics. Focus on foundations and reading skills, and individualized continued support based on grade level, student data, and proficiency level will all be used to provide stand-alone
instruction for our English language learners. Specifically, we will continue to use the Words Their Way program, ColorinColorado.org, Teacher-derived targeted lessons, BrainPOPELL.com, and ELLLO.org to advance students to higher English proficiency levels. Students will be given opportunities to demonstrate their understanding both verbally and in writing. We will continue to use technology for independent work, homework, data driven groups, and after school to ensure students are technologically savvy. Multiple means of expression are afforded to our ELLs.

Integrated ENL / ELA:
Anchor charts, mini-lessons, audio recordings, instructional videos, and frontloaded explanations of
upcoming work in L1 to build understanding, sentence stems, writing support such as graphic organizers, translated word banks, and any scaffolds needed for students based on individual student data and proficiency level will all be used to assist student learning and provide greater access to the ELA Wit & Wisdom curriculum based learning provided by classroom teachers.
In addition, multiple discourse tools and strategies will be implemented such as agree/disagree and break-out groups to provide opportunities for students to discuss content and problem-solve with peers in multiple modalities.

Math:
Any scaffolds and supports needed will be provided for ELLs in mathematics including word banks, repetition of problem-solving and strategies, instructional videos, and online interactive math game links to build fluency and help students retain and use prior knowledge and provide greater access to the Eureka Math curriculum based learning provided by classroom teachers. ELLs at Brooklyn Gardens will engage in rich productive discussions about content and problem-solve with peers in multiple modalities.

Science:

ENL teachers will support students by ensuring students will be provided clear and precise procedural steps, visual representations for content-specific vocabulary and pictorial guides for procedures, word banks inclusive of visuals and translation, and use of cognates. ENL and Science teachers will work together to design supports for our ELLs to provide greater access to the STEM, Hydroponics, and Amplify Science curricula.

Social Studies:
Classroom teachers will work collaboratively with ENL teacher to support ELLs by building background knowledge and review of academic content vocabulary concepts, topics, and language to ensure access to grade-level content and provide greater access to the ELA Wit & Wisdom curriculum, which is aligned with the social studies scope and sequence, based learning provided by classroom teachers. Students will be afforded opportunities to discuss content and problem-solve with peers in multiple modalities. Students will be able to give oral language responses, and written responses, listen to classmates, and read others' written responses.

b. SIFE

Currently, we do not have any SIFE students. However, any future SIFE students will receive the mandated amount of ENL instructional minutes as per CR Part 154, according to proficiency level. Their instruction will be differentiated based on their specific knowledge and needs. Additional instructional planning support will be provided to the classroom teacher by the ENL teacher

c. Newcomers

Newcomer students will receive intensive targeted instruction to build foundational knowledge in phonics, which will be developed using Fundations and the Words Their Way word study program.

d. Long Term ELLs

We do not currently have any Long Term ELLs. However, students' instruction is driven by assessment data to determine and build upon student's strengths, as well as identify the barriers preventing long term ELLS from obtaining proficiency. The ENL teacher will provide scaffolded support during integrated instruction and targeted small group instruction during stand alone instruction, based on the learner's individual needs

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

We currently have 2 ELL-SWDs in Integrated Collaborative Teaching (ICT) Classrooms. All students are serviced by an ENL teacher with stand-alone ENL and integrated instruction, using the push-in and pull-out approaches. Universal Design for Learning (UDL) principles will serve as a guide to provide access to academic content areas and accelerate English Language Development. This method will give each student meaningful access to the curriculum by assuring access to the environment as well as multiple means of representation, expression, and engagement.
We provide the following principles to support English language Development for ELL-SWDS:

1. Inclusiveness- a classroom climate that communicates tolerance, acceptance, and respect.
2. Physical space- equipment, resources and materials provide access for participation, a little physical effort in obtaining. Such items may be word for word glossaries, Fundations charts, virtual word walls, alphabet and number

charts, visual support for routines and more.
3. Delivery methods- content is delivered and presented in multiple modes.
Not only will we provide students with multiple modes of instruction face to face, but this will expand into using technology as well, keeping students fluent in technology use. Students will be afforded various opportunities to learn, now more than ever.
4.Interaction- accessible to everyone, use of multiple ways for students to participate.
5. Feedback- effective prompting during activity and constructive comments for all student work completed will be provided for in classroom and online assignments. ENL and classroom teachers will work congruently to design and provide scaffolds for ELLs for all learning situations.
6. Demonstration of knowledge- provisions for multiple ways to demonstrate student work: group work, portfolios, demonstrations, and presentations.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Instruction is delivered in English in our Freestanding ENL program and partially in Spanish for our DLBE program. Translation and interpretation services are used for communicating all official letters from the school.

For our newcomers, we administer state and school-wide periodic assessments in science and mathematics (NYC Performance Tasks and NYS tests) assessments in the students' home language. We may interview the students in their Home Language to discuss classroom learning, and skills, and discuss books read together. Many of these students have the English language proficiency of a beginner but have the academic skills and knowledge for grade-level math, social studies, and more. We assess with home language book reports, peer-to-peer and adult – to-peer conversations, student writing, and opportunities to explain their thinking processes in their HL. When needed, we will utilize services from the language and translation unit.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Some of the systems and structures utilized include Parallel and Alternative ICT classroom models. ELL instructional strategies are embedded in professional learning in order to ensure a quality educational experience. The school wide schedule includes scheduled time blocks for ELL students including ENL mandates and shared documented on the school wide schedule. There are scheduled grade wide and vertical team planning in order to plan for ELL instruction. Lastly, teachers use support strategies as outlined by the district monthly ENL support sessions.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the

academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

The ENL Instructional Lead at Brooklyn Gardens Elementary School attend targeted training in NYSESLAT, ELL content and/or updates, NYSITELL, compliance, LAP/LTI, and more offered by the NYCDOE. Classroom teachers, paraprofessionals, and service providers that work with ELLs will be provided with Professional Development to improve their practices for ELLs, including turn-keying professional learning received by the ENL Instructional Lead, as well as professional learning provided by the district and borough offices. ALL staff that work with ELLs are provided this information and tools to better their practice as well as support ELLs' overall learning. In sum, all ELL-related information, practices, and updates will be turn-keyed to all staff that works with our ELLs.

Also, the ENL Instructional Lead at Brooklyn Gardens is afforded equal exposure to professional learning as classroom teachers, such as Professional Learning Opportunities and Professional Learning Communities in the Wit and Wisdom and, Eureka Math Curriculums. When targeted training and support are offered, our ELL teachers will attend to further improve practices as they progress and/or change, as well as to represent the ELL perspective. Within these sessions, teachers learn various ways to support students' academic growth, platforms to use to build and maintain student discourse, track student progress,

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Our school-wide Professional Development plan ensures that a minimum of 15% of all teacher training is dedicated to language acquisition. This includes a focus on best practices for co-teaching strategies and the integration of language and content instruction to support English Language Learners (ELLs). Professional learning is provided to all staff by experienced pedagogues during grade-level and extended day professional development sessions held weekly.

New teachers receive mandatory ENL training from regional support staff, along with additional training throughout the school year. The ENL Instructional Lead participates in ongoing professional learning, attending various PD sessions to meet required hours and turnkeying key information to staff. The ENL teacher also attends monthly network meetings and external professional development opportunities to strengthen instructional practices.

All professional development attendance is tracked by the school secretary, who maintains records of sessions attended both inside and outside the building. Sign-in sheets and agendas are kept on file by teachers and the ENL Instructional Lead to ensure compliance and continuity of professional learning.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

To screen students who are coming into our school for the first time, we gather many pieces of data. We study the home language questionnaire, look at work samples from previous schools if available, administer the SOLOM interview, determine phonemic awareness with fundations assessments, and student observations. Additionally, we screen and assess students at the beginning of the school year as a baseline for teaching. Baseline tasks in English Language Arts, Mathematics, and the ENL periodic assessment are administered to our ELLs.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Based on the above screening data, we create specific individualized digital profiles for our ENL students. We use this data to action plan for our ENL students at Care Team meetings, teacher team meetings, and integrated teaching meetings. Focus is on explicit instruction and rigor for students with at-risk data.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Tier 1 begins with core instruction. Teacher receive continuous professional learning on meaning fully integrating instruction for ELLs. Tier II takes place 3-5 times per week as a supplement to the core curriculum, not as a replacement. They are grouped with other students using data from NYSESLAT, formal and classroom assessments. Goals are established for each group and progress is monitored using progress monitoring data sheets. For Tier III instruction, teachers use data based individualization specifically planned by a certified ENL teacher. Some of the modifications used for this group include simplification of steps, change of words when explaining directions for consistency, Use of short sentences to explain concepts and more time on certain steps in the process of gradual release as per the Multi-Tiered System of Supports for Multilingual and English Language Learners guide.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

The ENL Teacher at Brooklyn Gardens will use the SOLOM interview, curriculum-provided Checks For Understanding (CFUs_) assessments (exit tickets, etc.), Fundations unit assessments, teacher-created assessments, the Fountas & Pinnell Reading Assessment (running records), Words Their Way assessments and student work to evaluate each student's reading and writing levels. This data will continue to drive differentiated instruction and help determine independent and guided reading levels. It will help tailor individual learning plans, allow progress monitoring, and provide an opportunity to adjust individual action plans based on ELL students' needs.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

At Brooklyn Gardens Elementary School, we solely offer English as a Second Language for our MLLs. We regularly assess students in their L1 by using translation of texts/tasks, a variety of response techniques, and conversations to evaluate students' home language fluency. We also administer some assessments in students' L1.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

Summative assessments include:
Acadience
SOLOM
MOSLs
NWEA MAP Growth Assessments in ELA and Math
Curriculum End of Module Assessments in both ELA and Mathematics (All students and subgroups K-5)
SPIRE
Fundations unit assessments (All students and subgroups K-2)
Fountas and Pinnell Running Records (All students and subgroups - K-2 quarterly; 3-5 RtI Tier 2 and 3)
Words Their Way unit assessments (K-5 ELL population; all students and subgroups RtI Tier 2 and 3)

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

Our ENL Instructional Lead and administrators all communicate consistently regarding our ELL population. When preparing for state testing we review our registered number of ELLs and our assessment team ensures we order the appropriate assessments for our school including the NYSESLAT. Once materials arrive, they are reviewed and stored safely as per protocol. Our ENL Instructional Lead coordinates and creates a schedule for administering the

test, following all state guidelines. District and city training sessions are also attended each Spring so that the test is administered properly and within the allotted time frames.
Our ENL Instructional Lead will turnkey admin and scoring procedures to a selected group of staff members and ensure testing is complete and administered accurately. Our ENL Instructional Lead attends regular meetings with the District 19 team to remain informed on any policy changes for the NYSESLAT. All school schedules are carefully considered during testing windows. SWDs and ELLs receive all services and instructions during testing windows. If student services or instructional minutes are scheduled at the same time as the assessment, they are rescheduled properly within the week to ensure students receive appropriate services.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

The school utilizes a school wide testing tracker. The tracker is separated by class and each class tab consists of each student's name. There is a section attached to each student where testing accommodations are explicitly listed. The tracker is viewable to all teachers and testing proctors. This ensures that all testing proctors are able to accurately enforce testing accommodations. Additionally, all testing stakeholders are trained in proctoring students with testing accommodations.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Incoming ELL family orientations include a number of steps. These steps include a welcome meeting, a tour of the school campus and a meet and greet with key stakeholders in the building. All information is translated into their preferred language and a fluent speaker in the language is present when possible. The family meets with key school stakeholders including the principal, assistant principal, social worker, staff developer and classroom teacher. Families have a separate meeting with the ENL teacher in order to begin the ELL process.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Outside of the four parent teacher conferences and other school parent events, families of ELLs are invited to attend their annual meeting. This meeting is used to specifically discuss their English language development. The ENL teacher reaches out to parents via their preferred form of communication to schedule the meeting. Families are welcome to join in person or via Google Meets. Our school maintains evidence of these meetings by collecting/retaining copies of invitations, agendas, attendance sheets, and outreach documents.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Each platform used by the school is available in multiple languages. All paperwork is dispersed in the language in which they prefer. The phone blasts are also available to them in the language they prefer. In order to access information via the school app, the social worker meets with them to change their app language preferences. Our school ensures in person translations for families through digital apps, and of the schools Language Access Coordinator. We have a language translation device, use NYCDOE interpretation services, and school staff who are bilingual and or multi-lingual.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Our school uses SLT meetings in order to give families a platform to express their thoughts and/or needs. The SLT team consists of a permanent translator. In addition to SLT meetings, families are invited to attend parent workshops that are specifically geared towards families of ELLs. The school periodically sends out surveys in order to gather information about each family, their thoughts on school academics, and gather information about their needs. Lastly, a specific ENL teacher is assigned to each ELL family and serves as the point person for each family.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Our school uses SLT meetings in order to give families a platform to express their thoughts and/or needs. The SLT team consists of a permanent translator. In addition to SLT meetings, families are invited to attend parent workshops that are specifically geared towards families of ELLs. During these meetings families are given information about involvement in the school leadership teams.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Our CBO Partnership with Children works to provide social workers that work to support our ELL families. In addition we have a partnership with a DOE translation service.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

In the past few years, our school has not had a large number of ELL students. Given the number of students we have, we make every effort to not only address their instructional needs, but to also ensure they feel they are a part of a welcoming and affirming environment. We make an effort to have someone within the school community who is able to speak to them in person using their home language. We also ensure their culture is manfully integrated into the school community.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Our Parent Coordinator, School Secretary, and ENL Instructional Lead complete the identification process together. Our school secretary receives the HLIS form from incoming families upon registration. If the form indicates there is or maybe another language spoken in the home, she consults with the ENL Instructional Lead to review the HLIS together to determine if the student(s) qualify for the NYSITELL assessment. If the determination is in fact that there is another language in the home, the NYSITELL is administered and the language support needs are determined. The language access kit and translation services are used as needed throughout the process. This procedure is our policy year-round to identify incoming ELLs.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Brooklyn Gardens Elementary School ensures the correct identification of ELLs by following the 8 steps as prescribed by the NYC DOE Policy and Reference guide for MLs/ELLs. These steps include determining the student's enrollment status, having qualified personnel administer the home language survey, determining and administering the NYSITELL, sending parent notifications in preferred home language (for Spanish speaking families - administer the Spanish LAB), identification of SIFE students, completing the parent agreement and am placement, and finally placement in the ELL program. We utilize an ELLs tracker in order to document where each student is in the process. A licensed and certified ENL teacher completes all portions of the process for all incoming ML/ELL students.

There are five (5) team members who support with this process: Pupil Accounting Secretary, Parent Coordinator, Assistant Principal, Community School Director, and ENL Teacher. All team members, with the exception of the ENL teacher have flexible schedules. Our Pupil Accounting Secretary is fluent in Spanish. Our ENL teacher will adjust her

time in order to conduct testing once we have identified an initial need to administer the NYSITELL and Spanish LAB.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Audrey Fowler

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Eugenia	Buckmon	Parent Coordinator - Annual	02/26/2025	Y
Vanessa	Inoa	School Secretary	02/05/2025	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Part III of the Home Language Identification Survey (HLIS),Surveys conducted by your school

If Other was selected, describe the resource here:

n/a

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	7	1.75%	7	1.78%	1	1
BENGALI (BANGLA IN BANGLADESH)	1	0.25%	1	0.25%	0	0
FRENCH	1	0.25%	1	0.25%	1	1
HAITIAN CREOLE	3	0.75%	3	0.76%	0	0
MOSSI (MOORE/MORE)	1	0.25%	0	0.00%	0	0

ENGLISH	329	82.46%	326	82.74%	329	50
SPANISH	54	13.53%	53	13.45%	54	5
URDU	3	0.75%	3	0.76%	0	0

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Parent Flyers	Parent Flyers used as informational handouts designed to communicate important information from schools or educational organizations to parents.
IEP's	IEP's will be translated through human translator in the school and the DOE translator
Class Dojo	Parents will receive messages via class dojo, a communication and classroom management platform used by teachers, students, and families to build classroom communities. Messages are translated to users preference of language.
DOE Messenger	Parents are messaged through a communication platform launched by the New York City Department of Education (DOE). It allows schools to send messages to families, students, and staff via various methods like email, text, and robo-calls.
n/a	n/a
n/a	n/a
n/a	n/a
n/a	n/a

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those

meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent teacher conferences	Human Translator
parent workshops	Human Translator
n/a	n/a
n/a	n/a
n/a	n/a
n/a	n/a
n/a	n/a
n/a	n/a

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Brooklyn Gardens elementary will use

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Brooklyn Gardens Elementary will insure that staff members will complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform during professional learning days.

Mandated Training Schedule-The principal or designated administrator will set a clear deadline for all staff to complete the asynchronous training on WeLearnNYC 1.The training will be included in the school's annual compliance checklist and professional development calendar.

Weekly reminders will be sent to staff who have not completed the training.

Staff will be instructed to offer interpretation services for parent-teacher conferences, disciplinary meetings, and special education discussions.

The LAC will ensure that all new hires receive language access training as part of onboarding. Updates will be reinforced during faculty meetings and parent engagement planning sessions.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Parents of Brooklyn Gardens Elementary will be informed about available language assistance services in their preferred language through
Brochures, flyers, or letters shared with parents, Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.), and Messaging applications

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Brooklyn Gardens Elementary will distribute short, anonymous feedback forms during key events (e.g., parent-teacher conferences, IEP meetings). During workshops, PTA meetings, and family nights, staff can invite parents to share their experiences with language services.
Brooklyn Gardens Elementary will utilize Class Dojo, Remind, or other communication apps Email and text messages.
Place a physical suggestion box in the main office with multilingual signage encouraging parents to share feedback.
Work with Parent Association (PA) leaders and School Leadership Team (SLT) members to gather feedback and advocate for improvements.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Brooklyn Gardens Elementary will ensured that all critical written communications were translated into the DOE's nine covered languages. Implemented multilingual messaging through platforms like Class Dojo and Remind. School-created multilingual surveys during parent-teacher conferences. Brooklyn Gardens Elementary will encourage verbal feedback during PTA meetings and family engagement events.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School,Saturday Academy

Total number of ELLs to be served in this program:

35

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5

Total number of teachers in this program:

21

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

3

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

17

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

After School:
- Activities will include literacy development using close reading, phonics development using Fundations curriculum, and writing development using Sanford Harmony prompts and ELA standards.
- ELLs will be grouped using the MTSS Tier 2 and Tier 3 groupings. Teachers will use Data Based Individualization inured to inform groups and inform goals. Progress will be monitored according to ENL goals and standard based goals. There will be two groups per grade with 6-8 students in each group. Groups will be smaller for Tier 3 groupings.
- Instruction will be delivered primarily using team parallel teaching
- The program will be supervised by an administrator and certified ENL teacher(s) in the ENL dept. and it will be at a cost to the Title III ELL
- The program will use a tracker to track student attendance and performance. Teachers will use Progress Monitoring sheets to monitor learning and goal acquisition over time.

Saturday Academy:
- Activities will include literacy development using close reading, phonics development using Fundations curriculum, and writing development using Sanford Harmony prompts and ELA standards.
- ELLs will be grouped using the MTSS Tier 2 and Tier 3 groupings. Teachers will use Data Based Individualization inured to inform groups and inform goals. Progress will be monitored according to ENL goals and standard based goals. There will be two groups per grade with 6-8 students in each group. Groups will be smaller for Tier 3 groupings.
- Instruction will be delivered primarily using team parallel teaching
- The program will be supervised by an administrator and certified ENL teacher(s) in the ENL dept. and it will be at a cost to the Title III ELL
- The program will use a tracker to track student attendance and performance. Teachers will use Progress Monitoring sheets to monitor learning and goal acquisition over time.

Supervision and instruction will be provided by each ENL teacher - based on job posting and willingness to accept per session opportunity. Posting will be for 2 ENL teachers.

Assistant principal will supervise the program. Normal work hours are M-F, from 7:30 a.m. to 3:30 p.m.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

An ELL Afterschool program, Morning Program and Saturday Program will be designed to supplement classroom learning, support language acquisition, foster cultural integration, provide academic assistance, enhance social skills, involve parents, promote holistic development, and ultimately, set students on a path toward academic and personal success in an English-speaking environment. The three programs would be necessary in order to accommodate families of ELLs by offering a variety of options be included in ELL programs. Additional reasons to support the need of an ELL include:

Language Reinforcement: ELL afterschool, morning and Saturday programs can provide additional exposure to English in a structured environment outside of regular classroom hours. This reinforcement is crucial for language acquisition, as repetition and practice are key to mastering a new language.

Academic Support: ELLs often face challenges in keeping up with academic content due to language barriers. Afterschool, morning and Saturday programs can offer targeted academic support, such as tutoring in specific subjects or homework help, tailored to the needs of ELL students.

Skill Enhancement: Beyond language skills, ELL afterschool, morning and Saturday programs can focus on enhancing critical skills such as literacy, communication, and comprehension, which are foundational for academic success in English-speaking environments.

Parental Involvement: These programs can also engage parents by offering workshops or resources on how to support their child's English language development at home. This involvement strengthens the support network around the ELL student.

Long-Term Success: Investing in ELL Afterschool, morning and Saturday programs can lead to improved academic outcomes, higher graduation rates, and better long-term prospects for these students, as they gain proficiency in English and navigate educational and career opportunities more effectively.

Holistic Development: ELL afterschool, morning and Saturday programs can incorporate activities like arts, sports, and leadership opportunities, which not only enrich the learning experience but also encourage holistic development and confidence-building among ELL students.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

After School:
- Grades K-5
- Group 1 - Entering and Emerging ELLs (5-7 students)
- Group 2 - Transitioning and Expanding ELLs (5-7 students)
- Group 3 - Grades 3/4/5 Commanding

Saturday Academy:
- Grades K-5
- Group 1 - Entering and Emerging ELLs (5-7 students)

- Group 2 - Transitioning and Expanding ELLs (5-7 students)
- Group 3 - Grades 3/4/5 Commanding (5-7 students)

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

After School:
- November 12, 2025 - June 5, 2026
- Approximately 130 sessions
- Tuesday - Thursday Weekly
- Hours: 2:20 - 3:30 PM

Saturday Academy:
- November 01, 2025 - June 5, 2026
- Approximately 15 sessions
- Saturdays Only
- Hours: 9:00AM - 1:00 PM

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

After School:
- All material and content will be delivered in English and Spanish (or additional home language when available)
- Groups will contain two teachers 1 Gen Ed (English) and 1 ENL certified teacher/Bilingual Certified to deliver content in Spanish and/or other home language; teachers will employ parallel teaching method

Saturday Academy:
- All material and content will be delivered in English and Spanish (or additional home language when available)
- Groups will contain two teachers 1 Gen Ed (English) and 1 ENL certified teacher/Bilingual Certified to deliver content in Spanish and/or other home language; teachers will employ parallel teaching method

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

Regular School Program:
2 Common Branch/Bilingual Extension certified teacher
1 ESOL/TESOL certified teachers
13 Common Branch certified teachers
9 Special Education teachers

After School:
- Facilitated by 2 licensed ESOL/bilingual teachers

Saturday Academy:
- Facilitated by 2 licensed ESOL/bilingual teachers

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

All materials listed below will be purchased at cost to Title III and will be used exclusively by the ML students in the Title III program. These materials will be supplemental and/or used in correlation to those used during the regular school day, as well as during academic afterschool programming. These materials will not exceed 20% of the Title III Allocation.

1. Language Learning Resources:
- Textbooks and Workbooks: Specifically designed for English language learners at different proficiency levels.
- Picture Dictionaries: Visual aids can help with vocabulary building.
- Flashcards: Useful for learning new words and phrases.
- Audio Materials: CDs, MP3 players, or online resources for listening practice.
- Language Games and Activities: Board games, puzzles, and interactive activities that promote language learning in a fun way.

2. Computers and Technology:
- Computers or Tablets: Access to educational software, language learning apps, and internet resources.
- Headphones: For individual listening and speaking practice.
- Projectors or Smartboards: For interactive lessons and multimedia presentations.

3. Reading Materials:
- Books and Magazines: Age-appropriate reading materials in English.
- Leveled Readers: Books that match students' reading abilities.
- Literacy Kits: Including books, comprehension activities, and reading guides.

4. Writing Materials:
- Notebooks and Paper: For writing exercises and assignments.

- Pens, Pencils, Erasers: Basic writing tools.
- Markers and Whiteboards: For group activities and brainstorming sessions.

5. Art Supplies:
- Colored Pencils, Crayons, Markers: Used for creative projects and visual aids.
- Construction Paper and Poster Board: For making posters, charts, and displays.
- Glue, Scissors, Tape: Basic craft supplies.

6. Educational Manipulatives:
- Math Manipulatives: Counters, blocks, and shapes for hands-on math practice.
- Alphabet and Number Cards: For teaching letter and number recognition.
- Educational Toys: Games and puzzles that reinforce learning concepts.

7. Cultural and Diversity Materials:
- Books and Resources: About different cultures and traditions.
- Maps and Globes: To explore geography and world cultures.
- Multicultural Toys and Games: Promoting diversity and inclusivity.

8. Educational Software and Apps:
- Language Learning Apps: Duolingo, Rosetta Stone, etc., for interactive language practice.
- Educational Websites: Providing additional resources and activities for reinforcement.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

In order to maintain accurate student information and progress monitoring, students records will be maintained in the following ways:

1. Student Information Sheets: comprehensive student information sheets for each ELL participant including:
- Basic demographic information (name, age, grade, contact details, emergency contacts).
- Language proficiency level (based on assessments).
- Educational background (previous schooling, academic achievements).
- Any special needs or considerations (learning disabilities, medical conditions).
- Review and update these sheets regularly to reflect any changes in student information or circumstances.

2. Language Assessment Records
- Document initial language proficiency assessments and ongoing progress evaluations.
- Include results from language proficiency tests (NYSESLAT information) speaking and listening assessments, reading and writing samples.

- Regularly assess and document improvements in language skills to tailor instruction accordingly.

3. Individual Learning Goals
- Develop Individual Learning Goals for each student based on their language proficiency level, learning goals, and areas needing improvement.
- Include specific learning objectives, strategies, accommodations, and resources.
- Regularly review goals with teachers, students, and parents to ensure they remain relevant and effective.

4. Attendance and Participation Records
- Track attendance to monitor student engagement and program participation.
- Maintain daily or session-wise attendance records for each student.
- Identify patterns of attendance and participation to address any issues promptly.

5. Progress Reports and Communication Logs
- Provide regular updates on student progress and communicate with parents/guardians and other educators.
- Include academic achievements, language proficiency gains, behavioral observations, and areas for improvement.
- Issue progress reports at regular intervals (monthly) and maintain communication logs for interactions with parents and stakeholders.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

The below provides a general list of professional development topics that will be provided to teachers:
- Effective Differentiation Strategies
- Language Acquisition Theories and Application
- Integrating Language and Content Instruction
- Culturally Responsive Teaching
- Using Data to Inform Instruction
- Technology Integration in ENL Instruction
- Collaboration and Co-teaching Strategies
- Effective Strategies for Academic Language Development
- Supporting Literacy Development
- Assessment and Progress Monitoring for ELLs
- Family and Community Engagement
- Trauma-Informed Practices

The below is a general description of supplies/materials purchased at cost to the Title III Allocation for professional development. This cost will not exceed 10% of the Title III Allocation.
-Topic related professional texts/publications
-Presentation supplies (chart paper, highlighters, pens, sticky notes, etc.)
-Third party / Community organization consulting

Teachers facilitating programs under the Title III programs will receive professional development in the areas most vital to informing ENL and ELL instruction. Professional development resources and facilitators will be at cost to the Title III ELL.

We have a list of helps such as glossaries from the Board of Education website, picture dictionaries and bilingual dictionaries, computers for using interactive websites for learning English. A minimum of fifteen percent (15%) of the required professional development hours for all teachers prescribed by the CR Part 80 is dedicated to language

acquisition, including a focus on best practices for co-teaching strategies and integrating language and content instruction for English Language Learners. The English as a new language teacher receives a minimum of fifty percent (50%) of the required professional development hours for language acquisition in alignment with core content area instruction, including a focus on best practices for co-teaching strategies and integrating language and content instruction for English Language Learners. Our school provides professional development to all teachers to specifically address the needs of English Language Learners. The administrators also update the staff very frequently when there are professional development sessions available in different areas to support our ELLs.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

These Professional development topics provide a comprehensive framework for professional development tailored to the specific needs and challenges faced by ENL teachers. Continuous learning and development in these areas can greatly enhance teachers' effectiveness and ultimately improve outcomes for English language learners. Additional rationale for each professional development session include:

Effective Differentiation Strategies:
- Tailoring instruction to meet the diverse needs of ELLs with varying language proficiency levels and learning styles.

Language Acquisition Theories and Application:
- Understanding theories of second language acquisition and applying them to classroom practices.

Integrating Language and Content Instruction:
- Strategies for embedding language development within content area instruction (e.g., math, science).

Culturally Responsive Teaching:
- Techniques for incorporating students' cultural backgrounds and experiences into instruction to promote engagement and learning.

Using Data to Inform Instruction:
- Methods for collecting, analyzing, and using assessment data to guide instructional decisions and track student progress.

Technology Integration in ENL Instruction:
- Utilizing digital tools, educational software, and online resources to support language learning and communication skills.

Collaboration and Co-teaching Strategies:
- Effective practices for collaborating with content-area teachers and implementing co-teaching models to support ELLs.

Effective Strategies for Academic Language Development:
- Techniques for explicitly teaching academic language skills necessary for success in school settings.

Supporting Literacy Development:
- Strategies for developing reading comprehension, writing proficiency, and vocabulary acquisition among ELLs.

Assessment and Progress Monitoring for ELLs:
- Understanding and implementing appropriate formative and summative assessments for ELLs, including language proficiency assessments.

Family and Community Engagement:
- Strategies for building partnerships with families, involving them in their child's education, and supporting ELLs' cultural and linguistic development at home.

Trauma-Informed Practices:
- Recognizing and addressing trauma and its impact on learning and behavior among ELLs, including strategies for creating a supportive classroom environment.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

The aforementioned professional development topics provide a comprehensive framework for professional development tailored to the specific needs and challenges faced by ENL teachers. Continuous learning and development in these areas can greatly enhance teachers' effectiveness and ultimately improve outcomes for English language learners. Professional development sessions will be entered into the school wide professional development tracker. Teachers will take attendance in order to track the sessions attended by each teacher. The teacher that receive these sessions will be all of the teachers facilitating the Title III programs and any adjacent support staff. All teachers reciecing these professional development sessions will be General Ed. ENL, and/or Bilingual Education certified. Professional Development sessions will be facilitated during the school's mandated professional learning times.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Language Acquisition Theories and Application
- September (1 Monday sessions)

- 2:20 - 3:20 PM

Effective Differentiation Strategies
- September (2 Monday sessions)
- 2:20 - 3:20 PM

-Family and Community Engagement
- October (1 Monday sessions)
- 2:20 - 3:20 PM

Assessment and Progress Monitoring for ELLs
- October (2 Monday sessions)
- 2:20 - 3:20 PM

Integrating Language and Content Instruction
- November (2 Monday sessions)
- 2:20 - 3:20 PM

Culturally Responsive Teaching
- December (2 Monday sessions)
- 2:20 - 3:20 PM

Using Data to Inform Instruction
- January (2 Monday sessions)
- 2:20 - 3:20 PM

Technology Integration in ENL Instruction
- January (1 Monday sessions)
- 2:20 - 3:20 PM

Collaboration and Co-teaching Strategies
- February (2 Monday sessions)
- 2:20 - 3:20 PM

Effective Strategies for Academic Language Development
- March (2 Monday sessions)
- 2:20 - 3:20 PM

Trauma-Informed Practices
- March (2 Monday sessions)
- 2:20 - 3:20 PM

Supporting Literacy Development
- April (2 Monday sessions)
- 2:20 - 3:20 PM

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Effective Differentiation Strategies:
- Tailoring instruction to meet the diverse needs of ELLs with varying language proficiency levels and learning styles.

Language Acquisition Theories and Application:
- Understanding theories of second language acquisition and applying them to classroom practices.

Integrating Language and Content Instruction:
- Strategies for embedding language development within content area instruction (e.g., math, science).

Culturally Responsive Teaching:
- Techniques for incorporating students' cultural backgrounds and experiences into instruction to promote engagement and learning.

Using Data to Inform Instruction:
- Methods for collecting, analyzing, and using assessment data to guide instructional decisions and track student progress.

Technology Integration in ENL Instruction:
- Utilizing digital tools, educational software, and online resources to support language learning and communication skills.

Collaboration and Co-teaching Strategies:
- Effective practices for collaborating with content-area teachers and implementing co-teaching models to support ELLs.

Effective Strategies for Academic Language Development:
- Techniques for explicitly teaching academic language skills necessary for success in school settings.

Supporting Literacy Development:
- Strategies for developing reading comprehension, writing proficiency, and vocabulary acquisition among ELLs.

Assessment and Progress Monitoring for ELLs:
- Understanding and implementing appropriate formative and summative assessments for ELLs, including language proficiency assessments.

Family and Community Engagement:
- Strategies for building partnerships with families, involving them in their child's education, and supporting ELLs' cultural and linguistic development at home.

Trauma-Informed Practices:
- Recognizing and addressing trauma and its impact on learning and behavior among ELLs, including strategies for creating a supportive classroom environment.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Effective Differentiation Strategies:
- Certified ENL Teacher

Language Acquisition Theories and Application
- Certified ENL Teacher

Integrating Language and Content Instruction
- Certified ENL Teacher (District 19 Rep.)

Culturally Responsive Teaching
- Social Worker

Using Data to Inform Instruction
- Certified ENL Teacher / Data Coordinator

Technology Integration in ENL Instruction
- Data Coordinator

Collaboration and Co-teaching Strategies
- Certified ENL Teacher

Effective Strategies for Academic Language Development
- Certified ENL Teacher (District 19 Rep.)

Supporting Literacy Development
- Literacy Specialist

Assessment and Progress Monitoring for ELLs
- Data Coordinator

Family and Community Engagement
- Parent Coordinator

Trauma-Informed Practices
- Social Worker

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Professional development sessions will be entered into the school wide professional development tracker. Teachers will take attendance in order to track the sessions attended by each teacher. The teacher that receive these sessions will be all of the teachers facilitating the Title III programs and any adjacent support staff. Professional Development sessions will be facilitated during the school's mandated professional learning times.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

The below is a general description of supplies/materials purchased at cost to the Title III Allocation for family engagement. This cost will not exceed 10% of the Title III Allocation.
-Per session for teaching staff facilitating the events
-Presentation supplies (chart paper, highlighters, pens, sticky notes, etc.)
-Topic related professional texts/publications/subscriptions
-Take-home activity materials used to support families with implementation of learning strategies at home

The below is a general list of topics family engagement activities will focus on:

1. Understanding the School System/ School Wide Policies
2. Supporting English Language Development at Home
3. Resources and Services for ELLs
4. Creating a Home Learning Environment
5. Building Literacy Skills Together
6. Advocacy and Parent Leadership
7. Strategies for Academic Success
8. Technology Tools for Language Learning

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

According to parent outreach and parent surveys, these topics are areas of need concerning our ELL student's families. Quantitative Data to support Family Engagement opportunities for ELLs include our 35 ELL students comprising of approximately 9% of our school population.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

1. Understanding the School System/ School Wide Policies
- 1 Session
- September (Wednesday)
- 5:30 - 6:30 PM

2. Supporting English Language Development at Home
- 1 Session
- October (Wednesday)
- 5:30 - 6:30 PM

3. Resources and Services for ELLs
- 1 Session
- November (Wednesday)
- 5:30 - 6:30 PM

4. Creating a Home Learning Environment
- 1 Session
- January (Wednesday)
- 5:30 - 6:30 PM

5. Building Literacy Skills Together
- 1 Session
- February (Wednesday)
- 5:30 - 6:30 PM

6. Advocacy and Parent Leadership
- 1 Session
- March (Wednesday)
- 5:30 - 6:30 PM

7. Strategies for Academic Success
- 1 Session
- April (Wednesday)
- 5:30 - 6:30 PM

8. Technology Tools for Language Learning
- 1 Session
- May (Wednesday)
- 5:30 - 6:30 PM

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Family Engagement Topics:

1. Understanding the School System/ School Wide Policies
- Overview of how the school operates including grading systems, standardized testing, and parent-teacher conferences.

2. Supporting English Language Development at Home
- Strategies for parents to promote English language learning through everyday activities, reading together, and language-rich conversations.

3. Resources and Services for ELLs
- Information on school and community resources, programs, and support services available for ELL students and their families.

4. Creating a Home Learning Environment
- Tips for setting up a conducive environment at home for studying, reading, and completing homework assignments.

5. Building Literacy Skills Together
- Workshops on effective reading strategies, storytelling, and activities to improve literacy skills in both English and the native language.

6. Advocacy and Parent Leadership
- Empowering parents to advocate for their child's educational needs, including understanding their rights and responsibilities concerning their child's education.

7. Strategies for Academic Success
- Strategies for fostering positive parent-child relationships, setting academic goals, and supporting lifelong learning habits.

8. Technology Tools for Language Learning
- Demonstrations of educational apps, websites, and digital resources that parents can use to support their child's language and academic skills.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement

activities described in this section).

1. Understanding the School System/ School Wide Policies
- ENL Coordinator

2. Supporting English Language Development at Home
- Certified ENL Teacher

3. Resources and Services for ELLs
- ENL Coordinator

4. Creating a Home Learning Environment
5. Building Literacy Skills Together
6. Advocacy and Parent Leadership
7. Strategies for Academic Success
8. Technology Tools for Language Learning

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

All paperwork is dispersed in the language in which the ELL families prefer. The phone blasts are also available to them in the language they prefer. In order to access information via the school app, the social worker meets with them to change their app language preferences.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

All families events are organized and documented by the Parent Coordinator. Upon entrance families are given an attendance sheet to sign in. Attendance is documented by the parent coordinator and entered in to PCAR. The parent engagement events are also documented via the school wide family engagement tracker.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
