# Comprehensive Educational Plan Outline

## Table of Contents

**Main Sections (Customized Based on School Accountability Status):**

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

**Appendices (Reflecting Additional Requirements for Specific Groups of Schools):**

# Section 1: Overview of Comprehensive Education Planning

## Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

**The Education Planning Process**

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

# Guidance on Conducting a Comprehensive Needs Assessment

**Directions:** Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

**1. Review Multiple Data Sources:** Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

**2. Analyze Data Trend(s) to Identify Areas of Strength and Need:** Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

**3. Identify Root Cause(s):** After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

# Section 2: School Information

## School Information

**School Name:**

PS/IS 30 Mary White Ovington

**District Borough Number (DBN):**

20K030

**Grades Served:**

K-8

**School Address:**

7002 4th Avenue, Brooklyn, NY 11209

**Phone Number:**

718 -491-8440 main 718-491-5684 annex

**Fax:**

718-491-8445 main 718-491-0071 Annex

**School Contact Person:**

Carol Heeraman

**School Contact Person Email Address:**

# Section 3: CEP SLT/Stakeholder Signature Page

## School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

**Directions:** List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

| | | |
|---|---|---|

| SLT Member Name | Position and Constituent Group Represented | Signature |
|---|---|---|
| Carol Heeraman | Principal or Designee* | |
| Sarah Slichter | United Federation of Teachers (UFT) Chapter Leader or Designee* | |
| Lesbia Quintanilla - Co-President | Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President* | |
| Ilham Atmani | District Council 37 (DC 37) Representative (staff), if applicable | |
| Christina Scheer | Title I Parent Advisory Council Chairperson (or alternate) | |
| N/A | Student Representative (Required for middle and high schools) | |
| N/A | Student Representative (Required for middle and high schools) | |
| Yasmin Hejazi | CBO Representative, if applicable | |
| Nancy Gavilanes | Member/Parent | |
| Nadine Mastrogiacomo | Member/Teacher | |
| Traci Tucker | Member/Teacher Chairperson | |
| Emily Scheer | Member/Parent | |
| Motaz Elzalata | Member/Parent | |

# Additional Stakeholder Signature Page

**Directions:** Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

# Section 4: School Summary

## Accountability Status

Accountability Status: **LSI**

# School Summary

**Directions:** Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

**Provide your school's mission statement:**

School Vision
Our vision is to create a nurturing and inclusive learning community where every student thrives academically, socially, and emotionally. We aspire to foster a love for lifelong learning and empower our students to become compassionate, confident, curious, and responsible global citizens. Through engaging, innovative educational practices and experiences, we strive for our students to realize and grow their critical thinking skills, creativity, and sense of curiosity.We promote respect, collaboration, and cultural diversity, and aim to cultivate an environment that celebrates individual strengths and values the unique contributions of each student. Our vision is to prepare our students, from kindergarten through eighth-grade, for a rapidly changing world, equipping them with the knowledge, skills, and resilience needed to succeed in their college and/or career path.

School Mission
At PS/IS 30 we believe our vision is achievable through:

1) Delivering a comprehensive curriculum, aligned to the Next Generation Learning Standards,which promotes critical thinking, creativity, and problem-solving skills. At PS/IS 30, we are dedicated to ensuring all of our students receive high-quality teaching and learning experiences, using research-based instructional practices to ensure we are meeting the needs of all our students.

2) We create a culture of continuous improvement, professional growth, and innovation, through a student-centered approach. We aim to empower our educators to deliver high-quality instruction and personalized support to every student; We ensure a safe and secure school environment for all students and staff by ensuring SEL (social emotional learning) is at the core of our school community, where we teach school values of Respect, Opportunity, Acceptance, and Resilience (ROAR). We foster in our students and staff a sense of belonging, self-awareness, empathy for others and the community.

3) We foster strong partnerships with parents, guardians and the wider community to ensure collaborative efforts in preparing our students for lifelong success. At PS/IS 30 we promote family engagement and involvement to encourage our families to participate in committees as major stakeholders in their child(ren) education. We know our students do best when families are involved and engaged in their child(ren) learning.

4) The school community provides the resources and opportunities to create a safe and inclusive environment where diversity is celebrated, and students feel valued and supported. PS/IS 30 partners with a community-based organization to provide our students and families with opportunities to be active members in their school and surrounding community. Our mission is to empower students to become compassionate, responsible, and engaged citizens who positively contribute to society.

**Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:**

Include demographic information about your school's student population.

PS/IS 30 Mary White Ovington is located in Bay Ridge, Brooklyn. We are one of seven K-8 schools in District 20. We are unique in that we grew our elementary grades (K-5), starting in 2013-14 with kindergarten, adding on to an established middle school program that included grades six through eight. As we grew our elementary grades, every year was a transitional year with the addition of that new grade. We were at full capacity, k-8 grades, in the 2018-2019 school year. Another unique feature of PS/IS 30 is that we occupy 2 buildings: our Annex at 415 Ovington, houses our K-2 learners, and our Main at 7002 4th Avenue, house our grades 3-8 learners. We are one family separated by one avenue, however, we thrive on ensuring our families are supported as they may have learners in both buildings.

Another unique feature at PS/IS 30 is that we have the only Dual Language (DL) Immersion Arabic program in New York State. Our DL program started in 2013- 2014 with our first kindergarten classes. In school year 23-24 we expanded out DL Arabic program into middle school, we now have a DL Arabic class in grades K-8. We created a partnership with Qatar Foundation International (QFI), who supports and provides our teachers and staff with continuous professional development opportunities and funding as we expand and develop our DL program K-8. Our program is a two-way immersion program where our students receive Arabic instruction in at least 2 major content subjects (math, science, or social studies), in addition to Arabic Language Arts (ALA), which is taught by a teacher of Arabic. The remaining subjects are taught in English. Our instructional model is a side by side model where our students spend half of their day learning Arabic and the other half learning English with two side by side teachers. We thrive to maintain a composition of our students is 50/50, where half of our students are English as New Language Learners (ENLs), and the other half are native speakers of English. We have noticed our students in DL classes have made significant academic strides, specifically once they reach the middle grades, in comparison to the students not enrolled in dual language classes and continued on to the middle school grades.

We are a Middle School Quality Initiative (MSQI) Extra school, which means our middle schoolers receive a free after school program of enrichment and opportunities for extra academic support. We are focused on continuing the mission of improving adolescent literacy to ensure all our students enter high school at or above grade reading level and college and career-ready. We have partnered with a community based organization (CBO), Neighborhood Improvement Association (NIA) and ExpandED (NYCDOE partnership) to provide the "extra" reading support for our students. This is our 14th year partnering with ExpandED, and we have been working in tandem to accomplish the goal of ALL 8th graders graduating at or above reading level. This year ExpandEd has partnered with NYC Literacy Collaborative and the NYC Reads initiative and has offered our middle-schoolers additional resources in support of the Chancellor's Priority #1: All Students learn to Read Well.

Our CBO-partnership has been recognized as exemplar, as we (PS/IS 30 and NIA) utilize a model of a seamless day to truly integrate our efforts to support our students. Over the past 3 years we finally expanded the after-school program to our elementary students in K-5. The afterschool program focuses on implementing a comprehensive program where students are involved in the arts, sports, leadership opportunities, academics, and clubs to enhance and promote well-rounded students.

In our school Vision it states, we are a model for educational excellence. Our accelerated courses in 8th grade, affords our 8th graders to enter HS with 2-10 credits on their transcript. We offer the following regents: Algebra I, Biology, US History, Spanish language Proficiency, and Arabic Language Proficiency assessments. This opportunity affords our students to be fast-tracked into HS coursework and towards college level courses while in HS.

Another dynamic quality at PS/IS 30 is our diverse demographics among staff and students. We have approximately 810 students enrolled in school year 2025-2026, of which 36 % Hispanic; 21% Asian; 1% Black; 41% White; and 1% multiracial. We pride ourselves with serving a diverse community of students with a diverse community of staff,

every one of our students can walk the hallways and find an adult who speaks their language and can relate to their culture. Hiring staff to represent the community they serve is critical in creating a conducive teaching and learning environment where students can affirm their identities and voices.

With our continuous strive in building capacity around collaborative teachers, we have partnered with the UFT, and they have provided us with the resources to have a UFT Teacher-Center at PS/IS 30. The work continues as we maintain our structured teacher teams within our grades and department providing our teachers and teaching staff the opportunity to collaborate and learn from and with each other. Our Teacher Teams meet weekly to discuss instructional practices and conduct inquiry cycles around a problem of practice to enhance their teaching skills to ensure they are meeting the needs of every child under their charge. We expanded this year with an additional UFT coach for or K-2 Team.

Another unique feature at PS/IS 30 is our Arts programs which consists of the four Arts: visual, theatre, music and dance. We offer all our students the opportunity to participate in the Arts. We are in the process of creating PS/IS 30 Orchestra and PS/IS 30 band. We partnered with Junior Broadway about 10 years ago and our students have been performing annual musicals since. They get better and better every year. Our Arts department is a growing program, producing great talent. Our teachers provide opportunities for our students to experience the Arts around NYC, by attending musicals on Broadway, visiting Lincoln center for performances, inviting artists and productions to our school. We are having an increase number of 8th graders applying for Performing Arts high-schools and being accepted.

PS/IS 30 building has rich history, as it  was built on church grounds. We memorialized the Methodist church, which was a historical building in the early 1900's, with the stained glass artifact which hangs from our 3rd floor ceiling for all the community to see its beauty. PS/IS 30 is a place where students always return to visit or to work (CBO program) and give back to their community.

**Briefly summarize the key initiatives your school will implement this school year.**

1. For this school year we will extend our 3-year Implementation plan of "Data Driven Instruction", to a 5-year implementation plan. Principals received a year of professional learning from "Relay" where we explored implementing using the Four Key Principles of DDI: Assessment, Analysis, Action, Culture. Paul Bambrick text, Driven by Data 2.0
2022-2023- Introduction/ILT implementation
2023-2024 - Implementation/Analysis in Teacher Teams/Lab sites
2024-2025 - Embedded all classrooms
2025-2026 - Strengthening Instructional core Tier I as we embed a schoolwide MTSS framework to address students identified in need of Tier II and Tier III interventions.
2. Create the MTSS Team to progress monitor the MTSS implementation
3. Meetings with SDC to ensure teachers and staff are supported
4. Focused teachers' support on core instruction where ALL students have access to the learning.
5. Deep focus on the Chancellor's priority, "all students learn to read well" which is supported by the NYC READS initiative to make a difference in literacy outcomes for all of the students in our school system.
6. Use the Foundational literacy program in grades 3-5 that supports the K-2 EL/OG blended skills program.

**What are the primary digital and/or print curricula/programs used for ELA and Math:**

Indicate the content area, grade band and any adaptations made.

| Content | Grade | Digital and/or | Adaptations |
|---|---|---|---|

| Area (Indicate ELA and Math Only) | Band | Print Curricula/Program | |
|---|---|---|---|
| ELA | K-8 | HMH Digital and Print K-5 Into Reading 6-8 Into Literature | At the end of 24-25 SY the district together with teachers created HMH UbD Units. The vision was to provide more of a signature dish for teachers when implementing HMH rather than using the buffet style resources HMH offers. |
| Math | K-8 | Envision Digital and Print | Envision. It is aligned to NGSS and the mathematical practices. Focused on core instruction and access to MLLs and SWDs. This year there will be a focus on using the |
| ELA | K-2 | Heggerty EL Microphases Skills OG | Foundational skills programs |
| ELA | 3-5 | Phonics for Reading | Minimum 3 periods a week |
| ELA | K-8 | Acadience and Iready Screeners | Identifying students for reading interventions |

# Section 5: Priority 1 – All students learn to read well

## Priority 1 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| Using Acadience data on Insight Beta for K-2 grades and iready BOY data for grades 1-2, here are the trends: Kindergarten In 23-24 SY, 61% of students in Kindergarten mastered FSF by MOY compared to 38% 22-23 SY. In 24-25 SY 78% of students mastered FSF. In 25-26 BOY 45% (composite score in Acadience) of Kindergarteners | Gaps in early foundational literacy skills were monitored more closely last year, thus the improvement seen in specific acadience measures across the grades K-2. However, gaps still exists, continued progress monitoring of teacher practice in classrooms to ensure appropriate learning of the foundational literacy skills. All Teachers were offered OG | Kindergarten Need: Strengthen Tier 1 phonemic awareness instruction using NYC Reads-aligned strategies. Early intervention for students below benchmark using MTSS and progress monitoring. Family engagement to support literacy at home, especially over breaks. 1st grade Need: Accelerated phonics instruction with targeted small group support. Close monitoring of PSF and NWF to ensure MOY mastery. Integrate i-Ready data into instructional planning to address comprehension and vocabulary gaps. |

| | | |
|---|---|---|
| performed at and above benchmarks with 38% performing at and above benchmark on FSF. Kindergarteners were not administered Iready assessments this year 25-26. First Grade: In 24-25 SY these 1st graders as kindergarteners - EOY composite score showed 79% of these students were at and above benchmark. BOY 25-26 composite score is 40% at and above benchmark. In 25-26 SY, acadience shows 37% of 1st graders are at and above benchmark in this measure PSF. All first graders need to master this skill by MOY to be on the improvement path. NWF: correct letter sounds 37% at and above benchmark NWF: Whole words read 38% at and above benchmark Iready diagnostics showed 10% of first graders are at and above proficiency. Second grade Acadience trend shows: As kindergarteners in 23-24 SY BOY 46% composite; EOY composite score 77% at and above benchmark As 1st graders in 24-25 SY BOY 43%; EOY composite score 77% at and above benchmarks. In 25-26 SY BOY composite score is 70% at and above benchmarks. NWF: correct letter sounds 58% at and above benchmark NWF: whole words read 69% at and above benchmark ORF: Words correct 69% at and above benchmark ORF: Accuracy 50% at and above benchmark ORF: Retell 44% at and above benchmark Iready data shows 35% of students are at and above proficiency. | training and Acadience monitoring training to strategically address targeted and specific reading skills. The more teachers need more time to implement and master the specific instructional practice. When students transition from K to 1st and 1st to 2nd, there is a significant loss of skills (PSF and NWF:correct letter sounds in K-1), over the summer break. Phonemic awareness, phonics, reading fluency, vocabulary, and reading comprehension. The root cause for these results is students not mastering the basic measures (skills) before progressing to the next grade. Gaps in instruction, assessment analysis, and implementing appropriate academic intervention. For example, 100% of Kindergarteners should master the measure of First Sound fluency by mid-year in order for them to progress to Phoneme segmentation fluency. If Kindergarteners are unable to identify the initial sounds in words then they will have a challenge recognizing the next letter sound and will be unable to read the word. Kindergarten: Limited foundational skills at entry: Only 45% of students are at or above benchmark on the BOY composite, and only 38% on FSF, indicating early phonemic awareness gaps. Inconsistent early literacy exposure: Despite strong MOY FSF gains in prior years (78% in 24–25), the BOY data suggests a regression or lack of summer retention. 1st Grade Significant summer slide: From 79% EOY in K to 40% BOY in Grade 1. Low proficiency in phonological and phonics skills: PSF (37%), NWF CLS (37%), and NWF WWR (38%) show foundational | Professional development on differentiated instruction for early readers. 2nd Grade Need: Focus on fluency and comprehension strategies in Tier 1 instruction. Use i-Ready and ORF data to group students for targeted support. Incorporate disciplinary literacy (D20 Goal 1) to build vocabulary and background knowledge. Monitor progress closely using Acadience, BOY to MOY growth targets. |

| | | |
|---|---|---|
| | decoding gaps. Only 10% proficiency on i-Ready: Suggests broader skill deficits beyond phonics. 2nd grade Plateauing in oral reading fluency: ORF Accuracy (50%) and Retell (44%) lag behind other subtests. Comprehension challenges: Despite strong decoding (NWF and ORF WCPM), students struggle with accuracy and retell, indicating comprehension gaps. Only 35% proficiency on i-Ready: Suggests difficulty applying foundational skills to complex texts. | |
| The BOY iReady data(needs analysis by domain) for grade band 3-5 shows percent of students below grade level: across grades 3-5 students, 32% -82%, are below grade level in the following domains: phonics, vocabulary and comprehension in both informational text and literature. The NYS ELA assessment results shows in the chart below the percent proficiency of levels 3s and 4s. A comparison over 2 years Grade 2024 2025 Current grade 3rd 36.9 56.8 4th 4th 46.7 64.7 5th 5th 28.6 69.9 6th The Item skills analysis shows the ELA Standards where students scored below 60%. 3rd grade current 4th grade: 3R2, 3R4, 3R9. Standards 3R3 and 3R4 using writing to sources. 4th grade current 5th grade: 4R3, 4R7, 4R9. 4R5 writing to sources. 5th grade current 6th grade: 5L4, 5R5, 5R8. 5R2 writing to sources. Grade 3 (Current Grade 4) NYS ELA Proficiency: 2024: 36.9% 2025: 56.8% (19.9%) Student performance on Standards Below 60%: 3R2: Determine | Grade Band 3-5 Overview root causes: Foundational skill gaps in phonics, vocabulary, and comprehension (32%–82% below grade level). Limited mastery of key standards: Students scored below 60% on standards related to: Reading comprehension (R2, R3, R4, R5, R7, R8, R9) Vocabulary acquisition and use (L4) Writing to sources (R3, R4, R5, R2) 3rd Grade (Current 4th grade): Difficulty identifying central ideas and supporting details. Limited vocabulary knowledge affecting comprehension. Challenges in comparing texts and using evidence in writing. Grade 4 (Current 5th grade): Limited inferencing and analysis of character motivations. Difficulty interpreting visuals and integrating multimedia. Weak synthesis skills across texts. Current 3rd grade: Vocabulary and background knowledge gaps. Difficulty with informational text structures. Limited stamina for longer texts. Incomplete mastery of phonics from K-2. | Overall 3-5 grade band Priority Needs: Explicit instruction in vocabulary and text structure across genres. Scaffolded comprehension strategies for both literary and informational texts. Writing to sources integrated into reading instruction to build analytical thinking. Targeted small group instruction using i-Ready domain data. 3rd grade (current 4th): Teach central idea with graphic organizers and text evidence. Build vocabulary through morphology and context clues. Use paired texts to practice compare/contrast. Integrate writing prompts tied to reading standards. Grade 4 (Current 5th grade) Use anchor charts for character traits and motivations. Practice interpreting visuals with guided questions. Teach theme explicitly and compare across genres. Use writing tasks to deepen analysis and synthesis. Current 3rd grade: Explicit vocabulary instruction. Text structure strategies for nonfiction. Build stamina through guided reading and independent practice. Reinforcing phonics and decoding strategies, learned in 2nd grade, and |

| | | |
|---|---|---|
| central idea or theme. 3R4: Meaning of words and phrases. 3R9: Compare and contrast texts. Writing to Sources: 3R3, 3R4 Grade 4 (Current Grade 5) NYS ELA Proficiency: 2024: 46.7% 2025: 64.7% (? 18%) Standards Below 60%: 4R3: Analyze characters/events. 4R7: Interpret visual/multimedia elements. 4R9: Compare themes across texts. Writing to Sources: 4R5 Our current 3rd graders:These students at the EOY showed composite score in Acadience 72% were at and above benchmark coming into 3rd grade. In Iready 48% scored below grade level in phonics; Below Grade Level: Vocabulary: 72% Comprehension: 68% Informational Text: 67% | | |
| The BOY iReady data shows 780/804 took the assessment. Overall status of the K-8 27% at and above grade level 32% one grade level below 41% two or more grade levels below Grades 6-8 iready BOY performance are: 6th grade -22% at and above grade level 7th grade - 22% at and above grade level 8th grade - 45% at and above grade level The NYS ELA assessment results shows in the chart below the percent proficiency of levels 3s and 4s. A comparison over 2 years Grade 2024 2025 Current grade 5th 28.6 69.9 6th 6th 41.0 39.1 7th 7th 54.2 58.6 8th 8th 61.0 52.1 9th (HS) The Item skills analysis using the JIR shows the ELA Standards where students scored below 60%. 5th grade for current 6th grade - 5.L.4 -Vocabulary Acquisition and Use: Word meaning 5.R.5 - Craft & Structure - Compare and | Gaps in literacy instruction across disciplines. Need coherent high leverage literacy practices in all classrooms ensuring all students have access to grade level texts with appropriate reading supports for students who are not proficient readers. Gap in assessment/data analysis across grades and classes to identify the missed learning and provide reteaching opportunities. Need timely data analysis and getting to the why students are not mastering the content and create data based instructional groups. Gap in student support services for MLLs and SWDs: Need of effective instructional literacy practices and methodologies to meet the needs of ALL learners in all disciplines. Gaps in response to intervention: Identify Tier II and Tier III interventions for students once the challenge is identified. Gaps in effective progress monitoring. | Priority Need #1: Build Academic Comprehension Through Daily Complex Text Work in Every Class This is non-negotiable as data shows students fall apart on Craft & Structure (R4–R6) and Integration of Knowledge & Ideas (R7–R9). These skills require stamina, analysis, and background knowledge built over time and across disciplines. ELA alone cannot fix this. What this means across subjects: Every class—science, social studies, math, health, arts—uses one complex informational or disciplinary text per week. Teachers explicitly model how to: identify central ideas (R2) analyze structure or text features evaluate claims or arguments (R8) connect ideas across paragraphs/sections (R9) Students must annotate and engage in structured close reading routines at least once weekly in every discipline. Outcome: Stamina and comprehension grow because students are reading meaningful content all day, not just in one 45-minute period. 2. Priority Need #2: Explicit Vocabulary Instruction (Tier 2 & Tier 3) Embedded in Every Unit This is urgent because our performance on L.4 and Craft & Structure standards shows a vocabulary deficit severe enough to block |

Contrast text structure 5.R.6 - Craft & Structure - Point of View 5.R.8 - Integration of Knowledge & Ideas - Understanding Claims in text In writing to sources, students scored below 60% in this reading standard: 5.R.2 - Key Ideas & Details: Explain central idea and details. However this same standard was addressed in the MC section, students scored 72% accuracy. The Item skills analysis using the JIR shows the ELA Standards where students scored below 60%. 6th grade for current 7th grade - students scored <60% in all of the MC reading standards except for one. However, in Writing to sources where the same reading standards were addressed the students writing responses were all >60% accuracy. 6R2 - Key Ideas & Details: Explain central idea and details. 6R3 - Key Ideas & Details: Character and individual development 6R4 - Craft & Structure - Figurative and connotative language 6R5 - Craft & Structure - Impact of sentence structure on plot 6R6 - Craft & Structure - Geographic point of view 6R7 - Integration of Knowledge and Ideas: Compare and contrast text formats 6R8 - Integration of Knowledge and Ideas: Evaluate claims and details 6R9 - Integration of Knowledge and Ideas: Evaluate and connect to texts The Item skills analysis using the JIR shows the ELA Standards where students scored below 60%. 7th grade for current 8th grade - Standards where students scored below 60%. 7R5 - Craft & Structure: Impact of text structure on purpose

comprehension. If they don’t know the words, they can’t do the thinking. What this means across subjects: Each subject identifies 8–12 critical Tier 2 and Tier 3 words per unit. Teachers use daily routines such as: Frayer models concept maps morphology (prefix/suffix/root) breakdown quick writes using the words No “copy the definition” assignments—students must use, manipulate, and discuss the words. Outcome: Vocabulary gaps shrink, which directly improves comprehension, writing, and performance on all high-rigor standards. 3. Priority Need #3: Structured Academic Talk & Writing-to-Learn Routines Across All Classes Why this is the missing link: The mismatch in your data—students writing better than they read—shows they understand skills in isolated, scaffolded environments but cannot transfer them. Daily structured talk and writing routines force deeper processing and synthesis. What this means across subjects: Every class uses daily academic discourse structures, such as: accountable talk stems collaborative annotation evidence-based reasoning routines (“I know this because the text says…”) Socratic or structured partner talk Writing-to-learn routines used across disciplines: quick writes claim-evidence-reasoning text-dependent responses exit slips grounded in the day's reading/learning Teachers model how to cite text, explain thinking, and connect ideas. Outcome: Students develop the cognitive muscles to explain, analyze, argue, and evaluate—skills that directly map to the R2–R9 weaknesses in your data. These three literacy priorities address: Weak comprehension Weak vocabulary knowledge Weak analytical reasoning with text Limited transfer of skills Lack of consistent modeling and scaffolding in reading tasks Insufficient practice with complex texts …and they can be executed by every teacher regardless of subject. They build a schoolwide literacy engine—the only approach strong enough to reverse your 6–8 performance trends.

# Priority 1

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for Literacy**

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

# Priority 1 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 70 | By June, 2026, literacy for All Students in grades K-2 will improve, as measured by a 20 points Increase, from 70 to 90, (or 20 points increase from starting composite score by grade) of Percentage of students at and above benchmark (composite score) on the Acadience . |
| All Students | 25 | By June, 2026, literacy for All Students will improve, as measured by a 40 Increase, from 25 to 65, of percentage of students scoring at or above proficiency in grades 3-5 on the Iready benchmarks . |
| All Students | 30 | By June, 2026, literacy for All Students will improve, as measured by a 35 Increase, from 30 to 65, of percentage of students in grades 6-8 scoring at or above proficiency on the IReady . |

# Priority 1 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

# Priority 1 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

Across all K-8 grades in ELA use NYCPS MTSS Guidance to support - Implementation of Multi-Tiered Systems of Supports for Literacy
- The 6 key tenets of the MTSS Framework are:
1. All students are capable of grade-level learning with adequate support over time
2. MTSS is rooted in proactivity and prevention with the aim to act before a student feels the impact of significant academic failure
3. The system utilizes evidence-based practices to drive learning and system improvements
4. Decisions are data-driven to meet student learning needs
5. The degree of support given to students is flexible and based on their needs
6. Implementation occurs school-wide and requires stakeholder collaboration

Across all grades these 4 criteria are also to be implemented and/or reinforced:
1. Establish a Strong Literacy Infrastructure
2. Implement a Comprehensive Assessment Systems
3. Identify System-Level Improvements & Student-Level Intervention Needs
4. Set Goals, Monitor Progress, Learn and Improve

Strategy Details: This Key Strategy 1 applies to K-8 grades, however there are differences in the action steps for each grade band. Which is mentioned below.
K-2 additional action steps

**Root Cause Addressed:**

Kindergarten:
Limited foundational skills at entry: Only 45% of students are at or above benchmark on the BOY composite, and only 38% on FSF, indicating early phonemic awareness gaps.
Inconsistent early literacy exposure: Despite strong MOY FSF gains in prior years (78% in 24–25), the BOY data suggests a regression or lack of summer retention.

1st Grade
Significant summer slide: From 79% EOY in K to 40% BOY in Grade 1.
Low proficiency in phonological and phonics skills: PSF (37%), NWF CLS (37%), and NWF WWR (38%) show foundational decoding gaps.
Only 10% proficiency on i-Ready: Suggests broader skill deficits beyond phonics.

2nd grade
Plateauing in oral reading fluency: ORF Accuracy (50%) and Retell (44%) lag behind other subtests.
Comprehension challenges: Despite strong decoding (NWF and ORF WCPM), students struggle with accuracy and retell, indicating comprehension gaps.
Only 35% proficiency on i-Ready: Suggests difficulty applying foundational skills to complex texts.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| For K-2 AP and Principal will: 1) Follow the district's assessment calendar indicating administration of Acadience and IReady assessments for ELA and Math grades 3-8, Acadience assessment: grades K-2; HMH unit and Module assessments, Envision Math K-8 Unit assessments, and align weekly collaboration Teacher Team (PLC) data meetings to the Professional Learning calendar. 2) Create a comprehensive Professional learning calendar identifying strategic topics to support all teachers in ensuring a strong Tier I instructional core to address the priority needs indicated above. 3) Ensure programming in creating a strong RTI (MTSS) program, of all students in grades K-8 who are not meeting benchmarks according to acadience composite scores for the K-2, and students who are 2 grade levels below will be identified and programmed to receive additional Tier II and Tier III intervention by special education teachers, para professionals trained in specific reading interventions and reading specialists. 4) Plan and prepare the PL sessions of the: Continuation with Year 4 of DDI Implementation: Embedding using a schoolwide tool to collect and analyze students' data during data team meetings to effectively monitor progress throughout the Tier III interventions. 5) Establish Weekly Collaboration Teacher Teams (PLCs) in teachers' weekly schedule to provide additional content and instructional support facilitated by UFT Teacher Center coaches and APs, and aligned to PL Calendar. 6) Review Staff Handbook to establish clear and coherent Tier I core teaching and learning practices expected in all classrooms ensuring access for all learners: Embedded Advance Literacy Skills: 5 Hallmarks..core instruction Differentiated Instruction Explicit Instruction Engaging tasks Checks for Understanding Small group Instruction. 7) Plan PDs on specific topics for all teachers: Science of Reading (SoR); Data Driven Instruction (DDI); Disciplinary Literacy; and Social Emotional Learning (SEL) |
| Establish a Strong Literacy Infrastructure: -Establish a consistent, dedicated time for reading intervention and enrichment following recommended guidelines for duration and frequency to ensure effectiveness. (This does not replace core instruction.) - Leverage existing teams to participate in MTSS data review and analysis ensuring representation from roles with knowledge of students with disabilities (SWDs) and multilingual learners (MLs) - Use approved high-quality instructional materials (HQIM) and related resources during tiered instruction - Provide aligned professional learning (PL) to support implementation |
| Implement a Comprehensive Assessment Systems: -Create a school assessment plan - Plan universal screening windows at strategic intervals (e.g. BOY, MOY, and EOY) - Use diagnostic tools when more information is needed to identify a student's specific learning need - Use multiple forms of data* to determine learning needs and strengthen |

instructional plans (i.e.,universal screener, diagnostic tools, summative assessments, progress monitoring data for students receiving intervention, attendance, etc.) - Ensure the data is timely, accessible, and usable by all participants in MTSS data review and analysis *Other data may include module assessment data, attendance data, curriculum implementation check data, ELL status and home language, SWD status, etc.

Identify System-Level Improvements & Student-Level Intervention Needs: -Create a School Literacy Action Plan (this may be part of your school's CEP Priority 1) -Determine students performing below expectations (e.g. below the 40th percentile) using multiple forms of data and provide intervention* and monitor progress. -Determine students performing far below expectations (e.g. below the 20th percentile) using multiple forms of data and provide intensive intervention* and monitor progress. *Determinations for intervention services should be made using multiple forms of data, including teacher observation data, ELL status, IEP and related services, etc.

Set Goals, Monitor Progress, Learn and Improve: - Conduct regular MTSS data review and analysis to identify or affirm student need (e.g. every 6-8 weeks) -Evaluate the student intervention literacy program (when appropriate) and adjust based on data review and analysis. *The MTSS Literacy Plan will not create excessive or duplicative paperwork including spreadsheets, data trackers and/or additional intervention planning documents.

**Key Strategy 2 (Optional):**

Key Strategy 2 is a Continued focus on Strengthening Core Tier I Instruction by:
1) Providing teacher training on very specific strategies and practice and programs so they are able to provide appropropriate scaffolds and access to all student groups during Tier I instruction.
Specifically for the grades 3-5 in addition to Key strategy 1- All 3-5 ELA teachers will be trained in morphology and in the Tier III intervention program, Phonics for Reading. Providing these PLOs for teachers will enable teachers to provide students with timely an appropriate supports within general education rather that allowing opportunity gaps to widen until some receive a classification or diagnosis.

2) For grades 6-8 specifically - disciplinary literacy is critical to embed across subjects and classrooms for informational texts. Identify the ELA Standards that are applicable across informational text, teachers across content will develop common literacy practices in their lessons to address students' needs based on their reading and writing proficiency. Across content teachers will implement these 3 literacy priorities:
a) Build Academic Comprehension Through Daily Complex Text Work in Every Class
b) Explicit Vocabulary Instruction (Tier 2 & Tier 3) Embedded in Every Unit
c) Structured Academic Talk & Writing-to-Learn Routines Across All Classes

**Root Cause Addressed:**

Grade Band 3-5 Overview root causes:
Foundational skill gaps in phonics, vocabulary, and comprehension (32%–82% below grade level).
Limited mastery of key standards: Students scored below 60% on standards related to:
Reading comprehension (R2, R3, R4, R5, R7, R8, R9)
Vocabulary acquisition and use (L4)
Writing to sources (R3, R4, R5, R2)

3rd Grade (Current 4th grade):
Difficulty identifying central ideas and supporting details.
Limited vocabulary knowledge affecting comprehension.
Challenges in comparing texts and using evidence in writing.

Grade 4 (Current 5th grade):
Limited inferencing and analysis of character motivations.
Difficulty interpreting visuals and integrating multimedia.
Weak synthesis skills across texts.

Current 3rd grade:
Vocabulary and background knowledge gaps.
Difficulty with informational text structures.
Limited stamina for longer texts.
Incomplete mastery of phonics from K-2.

For Grades 6-8: based on the missed standards from the JIR...
These three literacy priorities address:
-Weak comprehension
-Weak vocabulary knowledge
-Weak analytical reasoning with text
-Limited transfer of skills
-Lack of consistent modeling and scaffolding in reading tasks
-Insufficient practice with complex texts

...and they can be executed by every teacher regardless of subject.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| 1) Follow the district's assessment calendar indicating administration of Acadience and IReady assessments for ELA and Math grades 3-8, Acadience assessment: grades K-2; HMH unit and Module assessments, Envision Math K-8 Unit assessments, and align weekly collaboration Teacher Team (PLC) data meetings to the Professional Learning calendar. 2) Create a comprehensive Professional learning calendar identifying strategic topics to support all teachers in ensuring a strong Tier I instructional core to address the priority needs indicated above. 3) Ensure programming in creating a strong RTI (MTSS) program, of all students in grades K-8 who are not meeting benchmarks according to acadience composite scores for the K-2, and students who are 2 grade levels below will be identified and programmed to receive additional Tier II and Tier III intervention by special education teachers, para professionals trained in specific reading interventions and reading specialists. 4) Plan and prepare the PL sessions of the: Continuation with Year 4 of DDI Implementation: Embedding using a schoolwide tool to collect and analyze students' data during data team meetings to effectively monitor progress throughout the Tier III interventions. 5) Establish Weekly Collaboration Teacher Teams (PLCs) in teachers' weekly schedule to provide additional content and instructional support facilitated by UFT Teacher Center coaches and APs, and aligned to PL Calendar. 6) Review Staff Handbook to establish clear and coherent Tier I core teaching and learning practices expected in all classrooms ensuring access for all learners: Embedded Advance Literacy Skills: 5 Hallmarks..core instruction Differentiated Instruction Explicit Instruction Engaging tasks Checks for Understanding Small group Instruction. 7) Plan PDs on specific topics for all teachers: Science of Reading (SoR); Data Driven Instruction (DDI); Disciplinary Literacy; and Social Emotional Learning (SEL) |

During Teacher Team PLCs time, all teachers will engage in targeted inquiry focused on these 2 questions: 1) Are students learning? 2) If not, what are we doing when students are not learning? Using a chosen protocol/framework all teachers will be asked to examine their instructional plans and practices based on students' outcomes. Ongoing professional learning sessions with UFT instructional coaches and teacher teams when a gap in an instructional practice or standard is identified. Using current and relative data to make appropriate instructional decisions. Ongoing PL sessions for HMH ELA curriculum implementation K-8 teachers, coaches, and admin. Principal will monitor the impact of monthly PDs, PLCs, SSTs (SITs & PPTS) to promote the success of every learner; Grade Team monitoring of students' performance within the respective grades. Conducting frequent learning walks and informal observations of teachers with Admin. Providing immediate feedback for all teachers. Continuous and focused monitoring of instruction where teachers are using high level practices to reach all students under their charge. Providing support and coaching to all teachers based on their need to ensure they are meeting the needs of students. Aligning SST and Teacher teams to ensure students are receiving SEL to create the most appropriate learning space for success.

Professional Learning is critical and it's important to meet teachers where they are and provide them with the appropriate teaching tools they need to ensure students success. Providing learning opportunities for staff to build fundamental schoolwide principles and practices and engage in cycles of learning with consultation and coaching. Streamline practice horizontally and vertically. For example, teams share best practices during planning meetings. Teams will include both general and special education teachers, as in SIT and PPT, as well as related service providers, social workers, guidance counselors, and administrators to plan for best practices to be utilized throughout the school building. Collaborative team meetings: set aside time and create a schedule for consistent meetings, create organizational systems (ex: progress monitoring, materials, etc.), focus meetings (ex: agendas with cycles of case conferencing/ training), and create procedures (ex: how to case conferencing students, how to share strategies/training, etc.). Collaborative team meetings will ensure consistent best practices, monitor student progress, and develop staff. Instructional coaches will facilitate teams in creating a digital space or a hub where staff can access materials from case studies, best practices, and materials from the professional learning to use a resource to improve their craft.

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

Primary structure to monitor K-2 implementation of progress monitoring will be to monitor the Acadience platform. Use benchmark data to guide instruction 2) Conduct a review of students data for blended learners versus remote only learners in the same grade using the same curriculum. 3) Identify the gaps in the data and conduct a continuous improvement cycle (PDSA) within the Teacher-Teams to address the gaps in teaching and learning.
1)Administer benchmark ELA using IReady assessments, HMH unit/module assessments.
2) Support new teachers in HMH curriculum using UFT instructional coaches and APS.
3) Establish common planning days in teachers' weekly schedule to provide additional content support facilitated by coaches, Teacher leaders, and APs.
4) Establish clear teaching and learning expectations around literacy in all content areas.
5) Grade-band SSTs (Student support Teams) consisting of AP, Guidance Counselor and Dean to facilitate monthly PPT and SIT meetings to closely monitor each student within the grade-bands and address Academic, Attendance, and SEL concerns.

6) Monthly meetings with ILT to assess PL sessions using the PDSA tool to identify areas of need, teacher support, student support, family support.

# Priority 1 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 08/25/2025 | 06/26/2026 | Principal, parent coordinator, and community advocate will review and adjust all communication pathways and tools to our families; such as the schools' website, messenger, NYCSA, and Revamping the monthly school calendar to communicate events, celebrations, and information to build the school-home bridge. We are working on embedding culture nights; Evening of talent (parent/staff/students); family nights in partnership with our CBO; NYCPS celebrations and events aligned to our SS curriculum and hidden voices, ensuring ALL our students are acknowledged, seen, represented, and celebrated. | NIA is our CBO for our K-8 grades. Our partnership is seamless and aligns to our day program. Our students receive both academic support and extracurricular activities of their interest which promotes our students SEL and overall wellness. |
| 08/25/2025 | 06/26/2026 | All APs, coaches and support staff,of each grade band will create a calendar of family events for the school year. The events will include curriculum workshops, Special education workshop, MLLs workshops, related services workshops, and school counselor workshops. | N/A |

# Priority 1 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

### Human Resources

Parent coordinator and Community Advocate are 2 positions we have created to partner with our PTA to ensure we are supporting our families. Use of FSF source. Hired a school counselor for each grade band to create the SST (student support team), to ensure all students within the grade bands needs are met not just the mandated students. Requested a UFT Teacher Center program has expanded to 3 instructional coaches one math for grades 3-8, one for the Annex for K-2 and one literacy for 3-8, to provide our teachers with quality professional learning opportunities. Also hiring a librarian/media specialist to support teachers and students with the literacy initiative.

### Instructional Resources

Use FSF as a budget source to compensate teachers in conducting PL sessions for parents on instructional programs and curriculum. Using Title I funding for educational consultants for OG training for K-3 teachers and interventionist to enhance teachers skills in small group instruction and foundational literacy and HLP in co-teaching models for all teachers.

### Schedule Adjustments

Anticipated schedule adjustments to implement MTSS, however a work in progress.

### Other Resources Needed

N/A

# Section 5: Priority 2 – All students are physically and emotionally safe

## Priority 2 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| The 2024 NYC school survey shows 96% of our students responded to the survey and 56% of teachers responded to the survey. 56% of students reported favorable response to: students at this school have the resources and opportunities to address their SEL and mental health concerns. Over the past 3 years the survey shows student-student trust is decreased by 13%. The 2024 report shows 50% of students treat each other with respect giving each student the opportunity to have a positive experience while in school. The survey shows only 45% of students responded favorably to students at this school share areas of potential bullying. | More strategic programming of support staff to address the needs of all students rather than only focusing on the mandated or "at risk" students. We have established SST (student support team) in each grade band: k-2, 3-5, and 6-8, which consists of an AP, SC, and a dean, except for the K-2. The role of this team needs to be redefine to ensure all staff and | Social Emotional Learning for all staff and students |

| | | |
|---|---|---|
| | students SEL needs are being addressed. | |
| | | |
| | | |

# Priority 2

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for Physical and Emotional Safety**

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

# Priority 2 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 45% | By June, 2026, physical and mental wellness for All Students will improve, as measured by a 30 Increase, in Percentage of favorable responses from 45% to 75%, per the NYC School Survey. |

# Priority 2 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

# Priority 2 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

School counselors will conduct scheduled daily/weekly visits/check ins to their assigned grades to provide support to all students instead of only the mandated.

**Root Cause Addressed:**

More strategic programming of support staff to address the needs of all students rather than only focusing on the mandated or "at risk" students. School counselors are visible and are

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| The schoolwide PD plan will include the SEL Mondays scheduled for the first Monday of each month beginning in September. School counselors will plan together to create PD for the staff of their assigned grade-bands. The PD topics will be aligned to our ROAR principles and 7 Habits. The school counselors plans will integrate role playing scenarios and real concerns and situations that teachers and staff face on a daily basis. The goal is to support teachers in creating a welcoming and supportive environment for students and themselves. |
| The School Counselors programs will reflect mandated sessions/classroom visits/ at risk groups/ office time/ staff PDs/counselor meetings/SST meetings. Time management is critical and it provides a clear accountability of where time is spent and the impact of that. |
| |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

# Priority 2 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/02/2025 | 01/30/2026 | To improve parent engagement by providing parents with ample opportunities to engage in their children's schooling. The principal will meet with the Parent coordinator and Community associate to create and monthly informative sessions and celebratory events and activities for parents. | Our CBO NIA will play a crucial role sponsoring activities for parents and students and integrating support from the community. |
| 02/02/2026 | 06/26/2026 | | |

# Priority 2 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

### Human Resources

We have 3 school counselors assigned to each grade bands k-2. 3-5, 6-8 and a crisis social worker. This Team will be charged with supporting both teachers and students in SEL throughout the year.

### Instructional Resources

Purchase Leader in me resources and materials, both digital and printed, for teachers and students to use during SEL time throughout the school day.

### Schedule Adjustments

N/A

### Other Resources Needed

N/A

# Section 5: Priority 3 – All students have a high-quality academic experience

## Priority 3 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| The EOY iReady data shows 20% of our students are 2 or more grade levels below, compared to the BOY 36%. The EOY data shows 30% of all our students are one grade level below compared to 46% in the BOY. Overall on 50% of our students are at or above proficiency level in Math. | Turnover in math teachers. New curriculum implemented, envisions, teachers are adapting to the change in curriculum. Curriculum: not enough practice activities on foundational skills for students. Instructional methodology: not enough explicit instruction provided to students who have gaps in foundational math concepts (number sense). Assessment: follow-up on progress monitoring with an instructional plan to close the foundational gaps in math. Instructional: transfer of skills and concepts taught using a task to applying skills and concepts to state standard questio | Strengthen Core Instruction for ALL learners in Math. |
| | | |

| | | |
|---|---|---|
| | | |

# Priority 3

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for High Quality Academics**

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

# Priority 3 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 55 | PS/IS 30 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the Item skills based on standards will Increase by 5% from 55 to 60, for All Students, as measured by Iready . |

# Priority 3 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. # Priority 3 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

On going PD for staff on the following topics: 1) effective pedagogue, specifically using instructional methodologies based on the needs of the students. 2) Using DDI, data driven instruction to identify the gaps in students learning and
provide the appropriate interventions. 3) Meeting the needs of MLLs, EWDs, and SWDs.

**Root Cause Addressed:**

Teachers are not effectively using the resources provided in the curriculum for ELLs and SWDs. Appropriate instructional methodologies for ELLs and SWDs are not being to address students' needs. Teachers need to effectively analyze data from formative assessments to plan the appropriate next level of instruction for students and monitor progress for each student.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Planning with APs and possibly coaches and teachers a 3 day professional learning (Math Curriculum Boot-Camp Aug 29-31) with Envision 2.0 consultants to: Unpack the nuances of the curriculum Identify key teacher and student resources Align curriculum to the essential NGLS Math standards Unpack Key features of the program and the resources for SWDs, MLLs, and EWDs and Advanced learners. Coaches will be trained in unpacking the curriculum to continue the support for teachers during the school year. |
| Strategic PD will address the root causes of Curriculum, Instruction, and Assessment. 1. All Math teachers will have the opportunity to receive the training with consultants to understand and be able to use the features of the Envision |

| |
|---|
| 2.0 program to enhance their teaching and improve students' learning. Coaches will be trained in unpacking the curriculum to continue the support for teachers during the school year. 2. APs will create and align the Professional Development Plan to demonstrate how to teach strategic content topics to K-5 teachers to improve math teaching. Department meetings focused on: 1) enhancing content knowledge,2) enhancing teaching of mathematical practices within the new program, 3) Using DDI protocol when analysing assessments, 4) Teacher Team conducting inquiry work using case studies to enhance strategies and pedagogue. Department meetings will occur once a month on Mondays and once a week during Common planning time embedded in teachers' programs. 3. All students in grades K-5 have at least 2 periods assigned in their programs for AIS. Students will receive small group and tiered tion accordingly. Special education teachers will be assigned to groups or individual students based on their needs, ensuring students in all subgroups are receiving what they need. |
| |
| |
| |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
|---|
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

Structures for Progress monitoring will be through agendas and minutes stored digitally by each of the teams mentioned above. SDC and Cabinet members will use the PDSA (plan, do, study, act) tool to measure the impact of the strategies mentioned above on the goals.

# Priority 3 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/27/2025 | 06/26/2026 | Teachers, coaches and APs will provide workshops for parents sharing the resources of the new Math curriculum and other resources we have for parents to use at home to enhance students' performance. Admin will provide a syllabus of sorts to parents in September on meet the teacher night to ensure all parents are knowledgeable in the Math Standards students are learning. Parents will be provided with resources on how to assist students at home, using the resources we provide IXL, orEnvisions 2.0, Iready. Parent Coordinatorand teachers will inform parents of teacher-led workshops on showing parents how to use the programs and apps we provide. | CBO will provide assistance as needed. Provide child-care for the parents who are in workshops. Provide refreshments for parents and teachers who in the workshops. Provide incentives to increase parent engagement in workshops |
| | | | |

# Priority 3 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

### Human Resources

Parent coordinator and Community Advocate are 2 positions we have created to partner with our PTA to ensure we are supporting our families. Use of FSF source. Hired a school counselor for each grade band to create the SST (student support team), to ensure all students within the grade bands needs are met not just the mandated students. Requested a UFT Teacher Center program has expanded to 3 instructional coaches one math for grades 3-8, one for the Annex for K-2 and one literacy for 3-8, to provide our teachers with quality professional learning opportunities. Also hiring a librarian/media specialist to support teachers and students with the literacy initiative.

### Instructional Resources

Use FSF as a budget source to compensate teachers in conducting PL sessions for parents on instructional programs and curriculum. Using Title I funding for educational consultants for OG training for K-3 teachers and interventionist to enhance teachers skills in small group instruction and foundational literacy and HLP in co-teaching models for all teachers.

### Schedule Adjustments

Anticipated schedule adjustments to implement MTSS, however a work in progress.

### Other Resources Needed

N/A

# Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

## Priority 4 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| | | |
| | | |

# Priority 4

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for College and Career Readiness**

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

# Priority 4 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 75 | PS/IS 30 will address Priority 4: All students in grade 8, will graduate to high school and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the Percent of students who pass the regents for All Students will Increase by 15% from 75 to 90 as measured by Regents scores. |

# Priority 4 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. # Priority 4 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

Innovative Programming is needed to increase the number of students who participate in the regents courses.

**Root Cause Addressed:**

Having smaller class size allowed an increase in sections within the 8th grade thus more teachers. More teachers provides the opportunity to parallel similar classes so students can transition to a regents class in specific subjects.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| 1) During August, create a flexible program for the 8th graders to chose if they would like to take a regents course: US History, Algebra I, or Proficiency test in Spanish or Arabic. 2) Based on the scores, send out a survey to all 7th and 8th graders who would like to be assigned to a regents course. 3) Create the regents classes in STARS and add the students as they make their choice to participate. |
| |
| |
| |
| |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

Begin preparation courses for students in 6th grade. Monitoring report card grades in the regents courses: math, science and social studies.

# Priority 4 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 08/25/2025 | 06/26/2026 | Families are notified in September that the students are in a regents course. Provide the schoolhome resources and support they would need through a teacher-led workshops. during "Curriculum Night" in September. Provide parents with continuous support throughout the school year on how the students are performing during parent engagement time and PTC. | CBO would partner with principal to provide students with regents preparation courses after school. |
| | | | |

# Priority 4 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

### Human Resources

After-school regents preparation: per session time for teachers. FSF. This year the proposal provided funding for class size reduction to hire staff.

### Instructional Resources

Workbooks, if requested, use Title I funds to purchase.

### Schedule Adjustments

N/A

### Other Resources Needed

# Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

## Priority 5 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| The NYCSS shows: 89% of parents responded favorably to this statement, "This school makes an | Improvement in communication tools and providing accessible information to parents. Communication tools. What are the various ways we are making outreach to our | The school needs to leverage |

| | | |

Provide multiple options on how parents can participate; in-person, virtually, via phone, emails, text, create multiple avenues of communication. | family engagement to better involve them in supporting their students to achieve academic goals. |
| | | |
| | | |

# Priority 5

**Directions:** After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Focus Areas for System Responsiveness to Parents, Families and Communities**

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

# Priority 5 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| Parents of All Students | 25 | PS/IS 30 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the NUmber of parents attending school events. More than 50% of the class. will Increase by 35% from 25 to 60 as measured by Attendance sheets for each event. |

# Priority 5 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

# Priority 5 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

Cultivate a Welcoming and Inclusive Family Partnership Culture
PS/IS 30 will design and promote culturally responsive, accessible, and purpose-driven school events that reflect the values, languages, schedules, and needs of our diverse parent community.

**Root Cause Addressed:**

Language and communication barriers limit access to event invitations and school information for many families, particularly multilingual learners (MLLs).

Events not aligned with parents' schedules, such as being held during work hours or without child care support.

Parents feel disconnected or unwelcome due to cultural misalignment, prior negative school experiences, or unclear purpose of events.

Events are not always meaningful or relevant to parents' needs or interests, leading to lower perceived value.

Limited follow-up or personalized outreach to parents who have not historically attended.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Co-design events with families through multilingual family advisory councils (focus groups by grade bands, ENL/IEP |

| |
|---|
| status) Admin & Parent Coordinator Fall 2025 Calendar of events reflects family input |
| Offer events at varied times (AM, PM, virtual, and hybrid options) with child care and refreshments Admin & NIA After-School Staff Ongoing Event attendance logs by time slot |
| Train teachers to personally invite families of students with low parent engagement Admin & Teachers Each event Outreach logs or RSVP forms. Host culturally relevant, student-led events that center student voice (e.g., heritage celebrations, student exhibitions, “A Day in My Shoes” presentations) Teachers, Counselors & PBL Teams Monthly Increase in parent participation by subgroup Track class-level parent attendance and celebrate milestones (e.g., bulletin board for "Family Engagement Champions") Parent Coordinator Monthly Attendance data shows movement toward SMART goal. Conduct post-event surveys in multiple languages to understand barriers and improve future experiences Admin & Counselors After each event Response rate and action items extracted from feedback. Use parent liaisons or community ambassadors to conduct phone outreach for key families (especially those with IEPs or ENL) Parent Coordinator & CBO Partners Ongoing Attendance lift in targeted subgroups. |

# Attendance/Chronic Absenteeism Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

Conduct monthly attendance meeting with APO, pupil accounting secretaries, attendance teachers, Attendance coordinator, Principal, School counselors, social worker to monitor chronically absent students.
Monitor school counselors implementation of strategies and events on how they are implementing workshops for families on the importance of attendance. "Host "Attendance Starts in Kindergarten" family workshops"
Guidance counselors Build positive morning rituals.

**Root Cause Addressed:**

Parental misperceptions about the importance of early learning attendance ("It's only Kindergarten...")
Health-related absences (illness, doctor visits)
Transportation or child care instability
Anxiety or reluctance about school separation (especially post-COVID trends)
Social/political events occurring within the community.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Implement SEL-based morning circles to reduce drop-off anxiety |
| Host "Attendance Starts in Kindergarten" family workshops |
| Host family-school connection nights to rebuild trust and communication School-wide attendance incentives, |

communication, and celebrations. Intensive case management, mental health services, legal referrals (10+ absences).

Creating a system to actively monitor, identify, and support families in need around attendance. Conduct monthly attendance meeting with APO, pupil accounting secretaries, attendance teachers, Attendance coordinator, Principal, School counselors, social worker to monitor chronically absent students. Ensure appropriate outreach have been established, escalate cases to attendance teacher or school counselors, as necessary and/or other institutions. Review attendance policy with students, ensure parents are informed of DOE's attendance policies. Provide information and resources to families in need. Add school counselors as permanent members to the Attendance Team with school counselors frequent classroom visits and parent outreach about the importance of attendance and support families in need.

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

**Enter a Key Performance Indicator**

**Baseline:**

**Enter the date for the baseline data:**

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

# High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

**Key Strategy 1 (Required):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

# High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

| Start Date | End Date | Multi-tiered Supports to Engage Family & Community | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/08/2025 | 01/30/2026 | Monthly newsletters/calendars to parents informing them of assessments and reports. Quarterly report cards and progress report between report cards sent to parents informing them of students' progress. All teachers inform parents of office hours using a GC and zoom, to increase parent engagement and communication during the school year. Case managers conducting frequent collaborative meetings with student and families on their progress. Discussing with families strategies to improve learning at school by developing strong practices at home, especially when doing tasks and homework. Admin and coaches providing town-halls for parents to seek information and ask questions about the special education services their children are receiving. | N/A |
| 02/02/2026 | 06/26/2026 | Monthly newsletters/calendars to parents informing them of assessments and reports. # High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

**Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.**

**Human Resources:**

Literacy coach with a SPED license

**Instructional Resources**

Goal book licences for all Special Education teachers

**Schedule Adjustments**

N/A

**Other Resources Needed**

N/A

# Section 6: Multi-Tiered Systems of Support (MTSS)

## Academic Support

**NYCPS Multi-Tiered Systems of Support (MTSS)** align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

**Tier 1** provides schoolwide, high-quality programming for all students, including SWDs;

**Tier 2** offers data informed small-group interventions for at-promise students; and

**Tier 3** delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

**Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.**

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

| Academic Support Indicate Tier 2 or 3 | Criteria for Determining Service | Program Type or Strategy | Service Delivery Model (Small group, one-to-one, tutoring, etc.) | When is Service Provided? (Before, during or after school) | Technology-Based Tool (Indicate Yes or No) |
|---|---|---|---|---|---|
| TIER 2 | Identified gaps in foundational skills | Intervention based on student need taken from the suggested approved list: SPIRE, REWARDS, OG, Soundsensible... | Small group | During school | Yes |
| Tier 2 | Identified gaps in foundational skills | iXL math program Iready program | Small group | during school and after school | Yes |
| Tier 3 | Identified gaps in foundational skills | Intervention based on student need taken from the suggested approved list: SPIRE, REWARDS, OG, Soundsensible... | Small group less than 5; one on one | during school | yes |

# Student Social/Emotional Support

**Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.**

| Student Social/Emotional Support Indicate Tier 2 or 3 | Criteria for Determining Service | Program Type or Strategy | Service Delivery Model (Small group, one-to-one, tutoring, etc.) | When is Service Provided? (Before, during or after school) | Technology-Based Tool (Indicate Yes or No) |
|---|---|---|---|---|---|
| Tier 2 | At Risk referred by teacher or parent | counseling | Small group; one to one | during school | No |
| Tier 3 | Multiple referrals and recidivist in level 3 -5 infractions | Project Pivot participant | Small group | Both during school and after school | No |
| | | | | | |

# Family and Community Engagement Around MTSS

**Describe how the school's essential components of MTSS are shared with families.**

All initial assessments results will be shared with parents, which includes iReady BOY screeners for grades 3-8 and Acadience screener grades K-2 for Literacy.  The results will be printed and bag-packed, parents will be notified via email, messenger, and class dojo that testing results will be coming home. Parents were notified and received the Chancellor's letter about MTSS initiative and how

**Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.**

**Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.**

# Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

**Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.**

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

48

**After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?**

With the assistance of my school counselor, he is the STH liaison, we have been able to monitor the academic progress and the SEL of our STH. The SC has direct communication with the families of the STH and provides them with all the support they require.
The STH funding is used to purchase laptops and/or ipads, depending on the grades, school supplies, and other items requested by the families. The STH title I survey was used to identify the needs of our families and how best we should allocate the funding and make the requested purchases.

**Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?**

We use funding to purchase school supplies, glasses, transporting services if needed and clothing. At risk services if needed from the guidance counselors, social worker, and psychologist are all available. Our GC ensures communication with parents/guardians frequently to provide assistance and ensure students and families needs are being met. GC also maintain a relationship with case managers (if needed) to ensure students' needs are being met at home and at school.
Attendance is logged and monitored by the attendance Team and teacher Team leader notifies GC with any academic concerns.

# Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

**How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.**

**What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?**

**After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?**

**What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?**

# Section 7: Parent and Family Engagement Policy and School-Parent Compact

## Parent and Family Engagement Policy

**Directions:** The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

**Parent and Family Engagement Policy**

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. PS/IS 30 Mary White Ovington, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

### Support for Parents and Family Members of Title I Students

PS/IS 30 Mary White Ovington will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

### Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

### Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

# School-Parent Compact (SPC)

### School-Parent Compact (SPC)

PS/IS 30 Mary White Ovington, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

### I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

### I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

### I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

### I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

### II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

### III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

# Title I Program Information

## Part 1: Title I Program Type

**Title I Requirements and Strengthening Title I Parent Involvement:** Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

**Your school's Title I Program**

Title I SWP

# Part 2: All Title I Schools

**High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.**

# Part 4: Schoolwide Program (SWP)

**Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).**

# Part 5: “Conceptual” Consolidation of Funds in SWP Schools

**Directions:** All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

| Program Name | Fund Source (i.e. Federal, State or Local) | Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts) | Column A Verify with an (X) | Column B Section/Priority Reference(s) |
|---|---|---|---|---|

# Explanation/Background

**1. Explanation/Background:**

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

**Title II, Part A:** Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

# Submission Assurances

## Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

# Language Allocation Policy Outline

## Language Allocation Policy Outline

**2025-26 Language Allocation Policy (LAP)**

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents.  When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

# Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

# A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

**Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.**

| Member Title | Name |
|---|---|
| Principal* | Carol Heeraman |
| Assistant Principal (Where Applicable)* | Mohamed Salama |
| English as a New Language (ENL) Teacher* | Sophia Chen |
| Teacher (if school has a bilingual program must be a bilingual teacher)* | Caroline Daoud |
| Parent/Guardian* | Nathaly Cosme |
| Teacher | |
| Parent Coordinator | |
| School Counselor | |
| Related-Service Provider | |
| Other (Name and Title) | |
| Other (Name and Title) | |

# B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

# 1. English to Speakers of Other Languages (ESOL) Certified Teacher

**Number of ESOL certified teachers currently teaching ENL:**

6

**Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:**

5

**Number of certified ESOL teachers not currently teaching ENL:**

2

**Number of teachers who hold both content area/common branch and ESOL certification:**

3

**Number of ESOL certified teachers with a bilingual extension:**

2

# 2. Certified Teachers with a Bilingual Extension

**Number of certified teachers with a bilingual extension currently teaching in a bilingual program:**

2

**Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:**

6

**Number of teachers certified to teach students with disabilities that also have a bilingual extension:**

4

# 3. Language Other than English (LOTE)/World Language Certified Teachers:

**Total number of teachers with LOTE certification:**

1

**Total number of teachers with LOTE certification providing World Language instruction:**

1

**Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:**

0

# C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

**Total number of students (excluding pre-K):**

850

**Total number and percentage (%) of current ELLs:**

218 students; 26%

**Total number and percentage (%) of former ELLs:**

67; 8%

**Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):**

170; 20%

**Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):**

37; 5%

**Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):**

11; 2%

**Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):**

2; 1%

**Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):**

51; 6%

# Part II: Bilingual Programs

**Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?**

Yes

**Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.**
**Please include the total number of classrooms for each bilingual program in the last column.**

| | Program Type | Language | School Yr Opened | k | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | Totals |
|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|
| TBE | | | | | | | | | | | | | | | | | 0 |
| TBE | | | | | | | | | | | | | | | | | 0 |
| TBE | | | | | | | | | | | | | | | | | 0 |
| DLBE | Dual Language | arabic | 2013-2014 | 1 | 1 | 1 | 1 | 1 | 1 | 1 | 1 | 1 | | | | | 9 |
| DLBE | | | | | | | | | | | | | | | | | 0 |
| DLBE | | | | | | | | | | | | | | | | | 0 |
| | | | | total: 1 | total: 1 | total: 1 | total: 1 | total: 1 | total: 1 | total: 1 | total: 1 | total: 1 | total: 0 | total: 0 | total: 0 | total: 0 | |

# Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

**a. English as a New Language (ENL)**
**Stand-alone ENL:**

Stand-alone ENL services will be delivered by a teacher certified in TESOL. 180 minutes of standalone service will be provided for students whose proficiency level is Entering or Emerging. Services will be delivered in a separate classroom during the students' ELA periods. Students in the following grade-bands: K, 1-2, 3-4, 5-6, 7-8, will be grouped together in the same grade or in two contiguous grades.
ENL pull out groups use the same ELA HMH curriculum materials and resources being used during their core instruction. Teachers lessons will vary based on students' needs and aligned to the pacing of the HMH curriculum. The lessons could consists of either front-loading and explicitly teaching vocabulary, explicitly teaching a skill(s) or reinforcing components of the lesson taught during core instruction based on students' needs. For example, before the start of a lesson the ENL teacher will frontload the vocabulary and/or review the anchor chart demonstrating the skills and concepts of the lesson before the MLLs participate in the core instruction. In the small groups the ENL teacher reinforces the learning target and ensure students have opportunities to participate in and engage in all 4 modalities during every lesson. MLs/ELLs of all proficiency levels will have access to HMH resources such as Amira, Writable.

**Integrated ENL:**

MLs/ELLs will receive integrated instruction in a push-in  method delivered by a teacher certified in TESOL together with a certified ELA teacher.  MLs/ELLs will be in a heterogeneous group with students of all proficiency levels including non-ELLs. Collaboration  between ELA and ENL teachers occur weekly during departmental meetings where they discuss, examine and align the instruction of MLs/ELLs and the class using the HMH curriculum and the resources.  Teachers have a plethora of resources they can use with students to create small groups and differentiate instruction and focus on what students' need. The HMH curriculum in grades K-8 has embedded supports for MLs/ELLs in the lessons, there is a multilingual learner toolbox teachers can use to access for additional supports and strategies, and for K-5 teachers can use the table-top mini lessons as visual support and explicit feedback for oral language. During integrated ENL/ELA instruction all MLs/ELLs of varying proficiency levels, subgroups, and other at-risk indicators are engaged in standards-aligned instruction, that is grade level appropriate and provides deliberate and appropriate scaffolds. ML/ELLs who are entering and emerging receive 180 minutes of integrated ENL/ELA instruction, commanding students receive either 90 minutes of extension services or support through small group instruction depending on opportunities for students and programming.

**b. Bilingual Education (If applicable)**
**Transitional Bilingual Education (TBE):**

N/A

**Dual Language Bilingual Education (DLBE):**

MLs/ELLs students in the Arabic DL program in Kindergarten, third, fourth and fifth grade will be provided all ENL services by their classroom teacher, as those teachers hold a Bilingual-Extension. ENL students in the Arabic DL program in first and second grade will be provided ENL services by a TESOL certified teacher. ENL students in the Arabic DL program in sixth and seventh grade will be provided ENL services by the TESOL certified teacher. Those students will receive 180 minutes of integrated services in their ELA classroom, and 180 minutes of stand-alone service in a separate location. All students in the DL Arabic program will also receive Arabic language arts from their Arabic teachers.

**2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?**

Articulation begins in May-June to prepare for the next SY, continuing in the summer, the NYSITELL or NYSESLAT (whichever is applicable) scores are used to determine students proficiency levels. We have created a system to ensure heterogeneous classrooms integrating MLLs. However, the number of qualified teachers also needs to be considered when creating classes to ensure all MLLs receive their mandated number of instructional minutes. We have approximately 3-4 classes on a grade with at least 2-3 of those classes with MLLs. In each grade we could have MLLs in an ICT, DL, or General Education class. We attempt to hire ENL teachers to cover each grade band K-2, 3-5, 6-8, however, each year could be different based on our enrollment. We encourage our content teachers in our middle school grades and teachers with common branch licenses to acquire their TESOL licenses to address the ENL shortage in NYCPS.
The data-specialist worked over the summer to create teachers' programs based on the number and composition of MLLs classes.

In August, the APO will use the teachers' program created, and program all students in STARS including the MLLs based on need. Students who are Entering and Emerging will receive 180 minutes of Integrated Service as well as 180 minutes of Stand-alone ENL Service. Students who are Transitioning and Expanding will receive 180 minutes of Integrated ENL Service only. Students who are Commanding will receive 90 minutes of Follow-Up ENL service from their classroom teachers.

Over-the-counter enrollment is ongoing at PS/IS 30, September through June, students entering the school from various countries, our ENL Team members are called to assist with the process. Once the Team has deemed the student(s) is(are) ML/ELLs, they are placed in classes. Once in ATS, the student(s) are flagged as LEP, the pupil accounting secretary enters the that information is rolled over into STARS and shows up as a reminder for the APO to assign ENL services for the student(s). ensure the student(s)

**3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?**

The ENL/ELA model: All students receive 8 periods (45 minutes per period) of ELA a week. ENL teachers are programmed to co-teach with the ELA teachers of the MLs/ELLs classes for 4 periods a week. The ENL teachers then are programmed to pull-out the emerging and entering MLs/ELLs for the standalone services.

We have an 8 period day. Students in grades K-2 have 17 periods of Literacy which includes foundational skills, grades 3-5 has 12 periods of literacy, and grades 6-8 has 8 periods of ELA. ENL services, both integrated and standalone are parallel-programmed during this these periods where the ENL teachers either co-teach or pull-out emerging and entering students from the various classes. HLA is provided by the DL teachers, we attempt to provide a minimum of 3 periods of HLA per week for each class. However, HLA is also integrated into the daily teaching of the content (math, science, or SS) in the targeted language.

**4. For schools with Dual Language Bilingual Education (DLBE) programs:**

**a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.**

Our Dual Language Model follows a side-by-side model. 50% of the instructional day (based on programming) is in English, and 50% is in Arabic.  NYCPS have acquired the social studies curriculum (Passports) in Arabic and so we have started using SS instead of science as the content taught in the home language. For the majority of the classes in grades K-8 the students are taught Math and SS in Arabic and ELA and Science in English.

**b. In which language(s) is each core content area taught?**

ELA and Science are provided in English, while Math and Social studies are provided in Arabic.

**5. For schools with Transitional Bilingual Education (TBE) programs:**

**a. Which core content areas are taught bilingually?**

N/A

# Part IV: Data Analysis

## Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

**1. What is the composition of the ELL subgroups at your school?**
**What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?**

Our ELLs are comprised of the following subgroups:
Newcomer ELLs - 78%
Developing ELLs - 17%
Long-Term ELLs - 5%

Newcomers receive Stand-Alone ENL lessons, while Developing and Long-Term ELLs generally do not. During stand-alone instruction teachers focus on developing language and foundational literacy using highly scaffolded lessons, visuals, gestures, and realia to make content accessible. There is an emphasis on explicit vocabulary instruction, oral language development, and daily opportunities for speaking and listening. Social-emotional support is critical, as many Newcomers may experience cultural adjustment challenges.

**What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?**

The percentage of SIFE ELLs is 1%. Effective instruction for SIFE combines literacy intervention, explicit language development, cultural and academic bridging, and strong social-emotional support, recognizing that students are catching up on multiple levels at once.

**What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?**

5% of ELLs are Long-Term ELLs. While Developing ELLs are still building foundational English language skills and moving toward intermediate proficiency, Long-Term ELLs (LTELLs) typically have conversational fluency but continue to struggle with academic language, advanced literacy skills, or specific gaps that prevent them from

meeting grade-level expectations. Effective instruction for Long-Term ELLs must go beyond general language support — it intentionally builds the advanced academic language and literacy skills needed for college- and career-readiness.

**What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?**

8% of our students are former ELLs. Former ELLs get 90 minutes per week of continued instructional support, primarily in ELA classes, but may also receive support in content areas as well.

**2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?**

Newcomers and SIFE students are more likely to have multiple risk factors simultaneously, including interrupted schooling, limited literacy in their home language, and higher social-emotional needs. Academic gaps are widest among Long-Term ELLs and SIFE, requiring sustained, targeted support in literacy and content areas. Parent communication barriers may contribute to lower family engagement if not addressed with strong translation and interpretation services.

**3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?**

Former ELLs often perform well in conversational and everyday classroom interactions, masking deeper struggles with advanced reading and academic writing. Without intentional scaffolds, these students may not access the same level of academic discourse as native English-speaking peers. Teachers may not always differentiate for former ELLs once they have exited ENL services, under the assumption that proficiency means full mastery.

**4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?**

Arabic, Spanish, and Mandarin represent the most frequent Home Languages. We hire multiple staff members who can speak those languages and can translate for students and families. We also have an Arabic Dual-Language Program for Arabic speakers. Bilingual paraprofessionals and our Parent Coordinator and Community Associate help bridge language gaps between home and school, ensuring families understand key information and feel welcomed.

**5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?**

Hispanic and Arab (although Arabs are listed as white in NYCPS) are the largest ethnic classifications at our school. At our school, ELLs are intentionally included in planning and delivering Culturally Responsive and Sustaining Education by ensuring that their cultures, languages, and lived experiences are reflected in curriculum choices and classroom discussions. Teachers use students' home languages as assets and partner with families to strengthen

cultural connections. Through this, ELLs see themselves represented and actively contribute to a learning environment that values their identities.

**6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?**

After reviewing the latest available English Language Proficiency (ELP) growth, 61% of students met ELP sufficient progress. That equates to 395 students. 293 students (39%) did not make sufficient progress. Growth was observed across all ethnic groups.

**7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?**

Based on the last available data, our 2nd and 4th Graders made the least amount of progress on the NYSESLAT overall. Only 5% of students in both grades scored commanding. Writing continues to be the modality where our students make the least progress.

**8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?**

Generally, students' performance on the NYSESLAT correlates with how well they perform on other state assessments. Students who score at the Entering or Emerging levels on the NYSESLAT typically face challenges on the ELA and content-area assessments because they are still developing the academic language needed to fully access grade-level texts and tasks. As students reach Transitioning and Commanding levels, they tend to show stronger performance on ELA, Math, and Regents exams because they can better understand complex vocabulary, multi-step problems, and academic writing required for success across content areas.

**9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?**

ELLs with IEPs consistently score lower across all NYSESLAT proficiency levels. Many remain in the Entering/ Emerging categories and progress slowly, due to overlapping challenges in language acquisition and addressing learning disabilities.

SIFE students also score lower initially, even after targeted intervention; though many make gains, they disproportionately remain in lower proficiency bands during their early years.

**10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:**
**a. How many ELLs are on-track towards graduation?**

**b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?**

**c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?**

**d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?**

# Part V: ML/ELL Instruction

## Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

## Tier 1 Core Instruction

**1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?**

Our school is committed to delivering a rigorous and high-quality academic experience for all students. We ensure that our ELLs are supported through the following key practices:

1. Equitable Access to Curriculum:
We implement the New York State Next Generation Learning Standards across all subject areas, ensuring that ELLs have full access to grade-level content. Instruction is differentiated to meet the diverse needs of ELLs, including scaffolding strategies, use of visual aids, and language supports that enable students to engage with complex texts and tasks.

2. Integrated Language and Content Instruction:
Our instructional model emphasizes the integration of language development with content learning. Teachers make content comprehensible while simultaneously promoting English language development. This approach ensures that ELLs are not only learning English but also mastering academic content.

3. Culturally Responsive Teaching:
Recognizing the diverse linguistic and cultural backgrounds of our students, we implement culturally responsive pedagogy that connects the curriculum to students' experiences. This approach fosters a deeper connection to learning, enhances engagement, and promotes a positive school climate where ELLs feel valued and understood.

4. Collaborative Planning and Professional Development:
Our educators engage in collaborative planning to design lessons that address the unique needs of ELLs. We provide ongoing professional development focused on best practices for ELL instruction, including workshops on differentiation, formative assessments, and culturally responsive teaching. Teachers are also trained in using data to inform instruction, ensuring that ELLs are progressing toward language proficiency and academic achievement.

5. Targeted Support Services- Dual Language Immersion- Arabic:
With the majority of our students speaking Arabic as their native language, we offer targeted support through Bilingual Education an an immersion setting and support our ELLs language development. We use the side by side model of instruction, which is designed to provide ELLs with additional instructional time in English and home

language support, ensuring they receive the necessary language development while keeping up with academic content.

6. Family and Community Engagement:
We actively engage ELL families in the educational process, providing multilingual communication and offering workshops through our Community Based Organization, that help families support their children's learning at home. By building strong partnerships with families, we create a supportive learning environment that extends beyond the classroom.

**2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?**

With such a large number of English Language Learners in our school, the Instructional Leadership Team, ILT, ensures that ELLs are fully integrated into the core curriculum. We have made it a priority to blend ENL services with ELA instruction, allowing ELLs to engage with grade-level content while developing their language skills.

Collaborative Planning:
We provide weekly planning sessions, PLCs, where ELA and ENL teacher co-plan lessons that address both language development and content mastery. This ensures that ELLs are supported in accessing the curriculum.

Data-Driven Instruction: We regularly analyze student data to tailor instruction to the needs of ELLs, ensuring they make progress in both language proficiency and academic content.

Access to Rigorous Curriculum: We are committed to providing ELLs with access to the same rigorous curriculum as their peers, using scaffolding techniques to help them engage with challenging material.

Ongoing Monitoring and Adjusting:
The ILT conducts regular classroom observations focused on ELL instruction to provide targeted feedback and support teachers in refining their practices.

**3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.**

In our school, core content is delivered through both Integrated ENL and Stand-alone ENL services, as well as a Dual-Language program. Below are the different models that we use:

1. Integrated and Stand-alone ENL Services:
a. Language: All instruction is conducted in English
b. Instructional Approaches: ENL and ELA teachers provide translated texts and other language scaffolding strategies to support comprehension. Students engage with content through a comprehensive process that includes listening, reading, speaking, and writing. This multimodal approach helps ELLs develop language skills while meeting the demands of NGLS.

2. Dual Language Immersion Program:
a. Instruction is delivered in both Arabic and English using a Side-by-Side model of instruction
. Subjects: Arabic Language Arts is taught as a subject and Arabic is used as the language of instruction in Math and Social Studies at
the K-5 levels and only in Social Studies in the Middle School Immersion classes.
b. Instructional Approaches: The same multimodal process is applied, with students listening, speaking, reading,

and writing in both
languages. This bilingual approach supports language development across content areas, reinforcing the integration of language
learning with academic standards

During Integrated and Stand-alone services, all instruction is in English. However, ENL and ELA teachers do provide translated texts to ELLs. In addition to translated texts, students are encouraged to go through a full process which engages them in all four modalities. Students listen to the text and/or lesson, read texts, then speak their answers before writing them down.
In the Dual-Language program, students follow the same methodology, but lessons and texts are provided in Arabic in Math and Science, and English in ELA and Social Studies.

**4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.**

**a. ELLs with IEPs**

Teachers of ELLs use a variety of strategies to provide access to the curriculum. Teachers incorporate the use of technology such as iPads for beginner ELLs who are literate in their first language. This provides resources for students to translate text in real time. Teachers also support ELLs by previewing lesson vocabulary and using visual representations and translations to support vocabulary acquisition. Teachers have also been trained in using Language Dives to explore English constructs deeply. This strategy allows for a teacher to support maximum explicit teaching of English syntax and morphology.

**b. SIFE**

SIFE students will be given a SIFE screener. ENL and content teachers will plan together in teacher teams to review each student's data profile. Plans will incorporate scaffolds and supports to access grade-level content. In addition, SIFE students will also be given intensive training in the SIFE Foundational Low-Literacy Curriculum.

**c. Newcomers**

ENL teachers and content teachers will first review each Newcomer's personalized data profile. Newcomers will be given translated texts, technology training, and scaffolds and supports designed by ENL and classroom teachers to access the curriculum. Teachers will emphasize a focus on foundational literacy skills, while maintaining high-expectations and access to grade-level content.

**d. Long Term ELLs**

Long term ELLs will follow a similar plan as Developing ELLs. Each student identified as a Long-Term ELL will have an individualized data profile. These profiles will be shared with teachers. Teachers will identify which skill and/or modality need the most support. ENL teachers and content teachers will plan together to provide tailored lessons and scaffolds to support growth in each student's area of need.

**5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?**

ENL, content, and Special Education teachers use common planning periods to plan together to ensure that ELLs with IEPs are supported and are achieving their goals. At least one common-planning period is given a week to have all teachers on a grade collaborate to meet the needs of ELLs with IEPs. ENL teachers and Special Education teachers provide professional learning and supports to content teachers, which they can use even when ENL and Special Education teachers are not in the classroom.

**6. How is home language assessed in each program model (DLBE, TBE, and ENL)?**

In our Dual Language Immersion program, we assess home language proficiency using the AVANT system. For 1st graders, we assess speaking and listening skills, while students in grades 2-8 are assessed in all four modalities: speaking, reading, listening, and writing. Additionally, we use teacher-created assessments and the IStartArabic digital curriculum to evaluate various modalities in Arabic.

Home language support is integrated into literacy development through content instruction. Math and Social Studies are taught in Arabic, enabling students to develop literacy and academic language in their home language. These subjects are then reinforced in English once a week. Although Math and Social Studies are assessed in English, we provide language support for students who need it, such as translated versions of assessments and access to English-Arabic dictionaries.

**7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?**

Currently, we offer Spanish as a language elective for our 6th-8th grade students. In addition, we offer Arabic as a language elective for students in grades 6 and 7, as part of our expanding Arabic Dual Language Immersion program, which will extend to 8th grade in the 2025-2026 school year.

To support Multilingual Learners (MLs) and English Language Learners (ELLs) in obtaining the New York State Seal of Biliteracy, we are actively reviewing our curriculum and adopting the ACTFL Performance Indicators and Proficiency Guidelines. This initiative will ensure that our students are well-prepared to demonstrate high levels of proficiency in both English and their home language (Intermediate High), meeting the criteria for the Global Seal of Biliteracy.

**8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).**

We have established systems and structures to foster effective co-teaching and collaboration among teachers across all ELL program models, ensuring that our English Language Learners (ELLs) receive comprehensive and cohesive support.

Dual Language Immersion Program:

Instructional Model: We use a Side-By-Side model of instruction in our Dual Language Immersion program. In this model, instruction is delivered in both English and Arabic, with teachers working in close partnership to provide students with a balanced and integrated learning experience.

Professional Learning Communities (PLCs): Once a week, DLI teachers participate in a dedicated PLC where they discuss best teaching practices and strategies for meeting the needs of Dual Language students. During these meetings, teachers collaborate on leveraging students' strengths in one language to build literacy in the other, ensuring that students develop strong bilingual skills.

ENL Program:

Collaborative Planning: Our ENL teachers work closely with ELA teachers. They meet weekly during PLCs to discuss and plan instruction tailored to the needs of their ELL students. This collaborative approach ensures that ELLs have improved access to core content and are supported in building literacy in English.

Integrated Co-Teaching: In classrooms where ENL and content teachers co-teach, our school emphasizes a collaborative approach to instruction. Teachers regularly communicate and co-plan lessons to provide differentiated instruction that meets the language development needs of ELLs while maintaining rigorous academic standards.

**9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.**

Our professional learning plan is grounded in data-driven decision-making and tailored to meet the academic and social-emotional needs of Multilingual Learners (MLs) and English Language Learners (ELLs). The plan begins with a thorough analysis of various data sources, including iReady's End-of-Year (EOY) and Beginning-of-Year (BOY) diagnostics, Unit Assessments, Report Cards, and State Test Scores in Math, ELA, and Science (where applicable). This comprehensive data analysis enables teachers to gain a clear understanding of each student's strengths and areas for improvement.

To ensure that all staff members are equipped to support MLs/ELLs effectively, our professional learning plan includes a series of targeted sessions:

Data-Driven Instruction:

Focus: Teachers will receive training on how to access and analyze student data more effectively. This deeper understanding of student performance will enable teachers to identify specific academic deficits and strengths, allowing for more personalized and impactful instruction for MLs/ELLs.

High-Leverage Strategies for ELLs:

Focus: Led by administration, the Instructional Leadership Team (ILT), and Instructional Coaches, these PD sessions

will cover high-leverage strategies for supporting ELLs academically. Topics will include co-teaching strategies, integrating language and content instruction, differentiating lessons, and using formative assessments to monitor language development.

Social-Emotional Learning (SEL):

Focus: Recognizing the importance of social-emotional support for MLs/ELLs, Guidance Counselors and Social Workers will lead a series of sessions focused on SEL. These sessions will equip teachers, administrators, and non-pedagogical staff with strategies to address the unique social-emotional challenges faced by MLs/ELLs, fostering a supportive and inclusive school environment.

**10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).**

To meet the mandated Continuing Teacher and Leader Education (CTLE) requirements for certification renewal as per CR Part 154, our school has developed a comprehensive professional development plan to ensure that all certified faculty, including those in bilingual education and ENL roles, fulfill the necessary ELL-specific hours.

OTIS for Educators Program:

Overview: We have purchased the OTIS for Educators program, which provides a wide range of CTLE-eligible courses designed for administrators, teachers, and staff. This platform offers flexibility in accessing professional development resources and ensures that all certified faculty can meet their CTLE requirements.

Certified UFT Coaches:

Weekly Sessions: We employ two certified UFT coaches who deliver weekly CTLE credit opportunities to all teachers, including ENL teachers. These sessions are scheduled during lunchtime and after school on Mondays, allowing teachers to engage in professional development without interfering with their instructional time. All teachers are encouraged to attend and register for these sessions to accumulate their required CTLE hours.

Professional Learning from the BCO:

Encouragement to Seek Out Opportunities: Teachers are actively encouraged to seek additional professional learning opportunities from the BCO. This ensures that they have access to a variety of CTLE-eligible offerings beyond what is provided on-site.

Weekend and Special PD Offerings:

Weekend CTLE Opportunities: We provide information about CTLE offerings that occur on weekends, specifically targeting ENL teachers to support their specialized needs. This allows for further flexibility in completing the required hours.

CTLE Offerings on PD Days:

Scheduled PD Days: Our school schedules CTLE-eligible professional development on designated PD days such as Election Day and Chancellor's Conference Day. This ensures that teachers have additional opportunities to fulfill their CTLE requirements.

# Assessment

# SCREENERS

**11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?**

Our school utilizes the iReady assessment system for screening our students at the Beginning of the Year (BOY), Middle of the Year (MOY), and End of the Year (EOY). iReady provides detailed insights into the core components of ELA and Mathematics, which are essential for guiding instructional planning; grouping, addressing language needs, and advancing learning.

How iReady Data Supports Instructional Planning for ELLs:

ELA and Math Components: iReady generates comprehensive reports that break down student performance into specific skill areas within ELA and Math. This allows teachers to see not just overall proficiency but also which particular skills and concepts each student has mastered or needs further support with, within each domain.

Identifying Learning Gaps:

Targeted Analysis: Teachers analyze iReady data to identify learning gaps and areas where students, including ELLs, may be struggling. By understanding which skills are lacking, teachers can better target their instruction to address these specific needs.

Designing Small Group Instruction:

Grouping Strategies: The data enables teachers to examine and modify the suggested iReady small groups based on shared skill deficits. For ELLs, this could mean that students with similar language or content challenges are grouped together, allowing for more focused and effective instruction. Teachers can design lesson plans and interventions tailored to these specific needs, which helps in accelerating learning and addressing gaps more efficiently.

Monitoring Progress:

Ongoing Adjustments: iReady and periodic assessments are administered periodically, allowing teachers to monitor student progress over time. For ELLs, this continuous feedback loop helps in adjusting instructional strategies and interventions based on the latest data, ensuring that instructional approaches remain responsive to the evolving needs of each student.

Supporting Differentiated Instruction:

Customized Learning Experiences: With the detailed insights from iReady, teachers can differentiate instruction to meet the diverse needs of ELLs. For example, if data indicates that a student struggles with reading comprehension, targeted strategies such as scaffolded reading activities or vocabulary support can be employed to enhance their skills.

Informing Professional Development:

Data-Driven Training: The patterns and trends identified through iReady data can inform professional development for teachers. By understanding common challenges faced by ELLs, targeted training can be provided to improve instructional strategies and support for these students.

**12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.**

Using iReady in both ELA and Math, teachers identify students who are most academically at-risk. In grades 6-8, in-class interventions occur during What I Need (WIN) periods that are specifically programmed for students identified as at-risk to receive tailored small-group instruction in Math and ELA. For grades K-5, intervention is provided to students who are identified as at-risk in the classroom during each regularly scheduled subject. All intervention services are provided in English, except for DL students in the subjects of Math and Science. Those intervention services are provided in Arabic. In addition, students who are identified as at-risk are also offered a place in the after-school AIS as a supplement to interventions that occur during the school day.

**13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.**

We leverage a comprehensive approach to guide instruction for English Language Learners through a Multi-Tiered System of Supports. Our data-driven strategy, aligned with the Instructional Leadership Tool for MLs and ELLs and the MTSS Guide for MLs and ELLs, ensures that all students receive the appropriate level of support tailored to their individual needs.

1. Data Collection and Analysis:

a. Screening Assessments: We use iReady assessments (BOY, MOY, EOY) to gather detailed data on students' performance in ELA and Math. This includes insights into specific skill areas, which helps us identify learning gaps and areas where students, including ELLs, require additional support.
b. Additional Data Sources: We also consider data from unit assessments, report cards, and state tests (Math, ELA, and Science). This multi-source approach provides a comprehensive view of student progress and performance.

2. Tiered Support Framework:

a. Tier 1-Instruction: All students, including ELLs, receive high-quality, differentiated instruction within the general education classroom. Teachers use iReady data to design lessons that address diverse learning needs and integrate strategies to support language development alongside academic content. For ELLs, this includes incorporating scaffolding techniques and differentiated materials to enhance understanding and engagement.
b. Tier 2 - Targeted Interventions: Students identified with specific learning gaps through iReady data and other assessments are provided with targeted small-group instruction. For ELLs, this means grouping students with similar language or content challenges and designing focused interventions. Our Dual Language Immersion program uses a Side-By-Side model, where Arabic and English are utilized to support bilingual literacy. Additionally, ENL teachers collaborate with ELA teachers during weekly PLCs to plan and deliver targeted support.

c. Tier 3 - Intensive Interventions: For students who require more intensive support, including those who struggle significantly with language and content, we implement individualized interventions. These may include personalized small group instruction in RTI sessions, one-on-one support, and additional resources such as translated texts and bilingual dictionaries. Progress is closely monitored, and adjustments are made based on ongoing data analysis.

3. Collaboration and Planning:

a. Professional Learning Communities (PLCs): Teachers, including those in the Dual Language Immersion program, participate in weekly PLCs to discuss and refine instructional strategies based on data. This collaborative approach ensures that best practices are shared and implemented effectively.
b. Data-Driven Instruction: Teachers use detailed iReady reports and other data to continuously refine their instruction, adjusting strategies and interventions based on student progress and needs. This iterative process helps in providing targeted support and enhancing learning outcomes for ELLs.

# FORMATIVE

**14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?**

1. Acadience (K-2): This assessment tool provides insights into students' early literacy skills, helping identify areas for improvement and guide targeted instruction.

2. iReady (K-8 Math and 3-8 Reading): Used for assessing ELA and Math skills, iReady offers detailed data on student performance across various skill areas, which informs instructional planning, groupings, and helps address specific learning needs.

3. Curriculum-Based Assessments: These assessments are aligned with our curriculum and help track student progress on key learning objectives, ensuring that instruction remains aligned with academic standards.

4. AVANT: This system assesses language proficiency in multiple modalities in our Dual Language classes, providing detailed feedback on ELLs' language development and helping tailor instruction to support their progress in different modalities.

5. Teacher-Created Assessments: Teachers design assessments such as quizzes and exit tickets to evaluate student understanding and adjust lessons in real-time based on immediate feedback.

6. Benchmarks/Periodic Assessments: Administered at regular intervals, these assessments track student progress over time and help identify trends or areas needing additional support and focus standards that require reteaching.

Following each major assessment, teachers will reteach focus standards to reinforce key concepts and ensure mastery. This approach helps address any gaps identified through the assessments and supports students in achieving a deeper understanding of the material.

**15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?**

To ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year, we use assessments in their native languages alongside English assessments. This includes providing translated texts and assessments for core subjects, using bilingual dictionaries, glossary documents,  and incorporating home language support through dual language programs. Additionally, we use tools like AVANT to assess language proficiency in multiple modalities and integrate home language literacy development through curriculum-based assessments.

# SUMMATIVE

**16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).**

NYSESLAT: Measures English language proficiency, determines growth, and helps assess the effectiveness of our language support programs.

ELA and Math Assessments: Standardized tests in English Language Arts and Mathematics provide insights into overall academic performance and progress.

Curriculum End-Unit Assessments: These assessments gauge student understanding and mastery of content at the end of each instructional unit, helping to determine the effectiveness of curriculum delivery and the necessary instructional adjustments.

iReady: Provides data on student performance in ELA and Math, offering a comprehensive view of academic growth and areas needing improvement.

AVANT: Assesses language proficiency in multiple modalities, providing additional insights into language development and supporting targeted instructional adjustments.

Aggregated data from these assessments will be shared with leadership, teachers, and school staff to highlight trends and areas for improvement. Additionally, individual student data will be compiled into portfolios, allowing teachers to monitor each student's academic growth and make informed decisions about instructional design and curricular adjustments.

**17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment.  Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.**

The NYSESLAT administration plan will be developed by the assistant principal and ENL coordinator to ensure smooth implementation.

Speaking Portion: Administered by classroom teachers or ENL teachers to students identified in ATS (RLER). This approach allows for individualized attention and ensures that the Speaking portion is conducted efficiently.

Written Portion: Administered schoolwide over a two-day period. This streamlined approach helps manage testing logistics and minimizes disruption to regular classroom activities.

ENL Services: Classroom teachers will administer the assessments to expedite the process, thereby minimizing the testing window and ensuring that ELLs and former ELLs continue to receive their mandated ENL services throughout the testing period.

Scoring: ENL teachers will score the NYSESLAT in triads to maintain consistency and accuracy in evaluating student responses.

**18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?**

Our school follows these practices:

1. Time and a Half: Any ENL student will receive time and a half on all assessments, including the SHSAT, to support their needs during testing.

2. Regular Reviews: Accommodations are regularly assessed and updated to ensure they align with students' current needs and state guidelines.

3. Staff Training: Teachers and staff are trained on providing and implementing accommodations effectively.

4. Communication: We maintain open communication with students and families to ensure they are aware of available accommodations and how to access them.

These measures help ensure that ELLs and former ELLs can participate in state assessments on an equitable basis.

# Part VI: Family Partnership

## Family Partnership

**Required Meetings Under CR Part 154**

**Describe your schools' plan to ensure families of ELLs are provided with the required meetings** specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

**a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.**

Our school makes an initial determination of the home language support need of each newly enrolled ML/ELL based on the information from the Home Language Identification Survey, the informal interview with parents and students conducted b an enL teacher during registration, and NYSITELL results. Once our students are identified as ELLs after taking the NYSITELL, our ENL team sets up a parent orientation in August/September to let them know of the three ML/ELL program models. We explain that the dual language bilingual education is a 50/50 Arabic and English bilingual program that is offered for families based on Arabic home language. We explain the main difference between the dual language program and the transitional bilingual program is the end goal of each program. The dual language program end goal is for the student to be biliterate, reading and writing skills in both English and Arabic, whereas the goal of TBE is for students to use the strengths in their 1st language to obtain proficiency in English. We explain that the requirement for dual language program is that students remain in the program until graduation. We explain that our programs goes through 8th grade and our students will have the opportunity to earn 2 credits towards HS and earn the seal of biliteracy in Arabic if they graduate. We explain the English as a New Language model where students will receive a combination of integrated and standalone English services from a certified ENL teacher.  We explain that in all programs all ML/ELL will be provided with curriculum that's aligned to the Next Generation Standards, in the four core courses Math, ELA, Science, and Social studies, with opportunities to participate in the Arts in every grade level K-8.

**b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.**

This occurs during curriculum night in September and now knowing our needs and with the new focus on writing additional events will be scheduled for parents on language development progress, language proficiency assessment results, and language development needs in all content areas. An additional note to add this to our CEP. ENL department Team consist of assistant principal, 4 ENL teachers, parent coordinator, community associate, and data specialist, within this Team the members speak the languages of the families visiting the school for orientation. Families are well informed of the process in their language. They receive written resources in their language so they are well informed when making choices for their children. Teachers are present to demonstrate the 4 core curriculum and the digital accessibility and resources we offer our MLLs.

# Family Engagement

**2. Beyond the mandated meetings and orientations, describe how your school:**
**a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?**

We are always seeking ways to improve communication with our families and to engage our families in their students lives at PS/IS 30. Our school's website is one of the communication hubs. It is updated daily and maintained by the parent coordinator and community associate. Communication and documents also go home to families via GAMA. GAMA translates documents in the home language. Teachers also send parents messages via messaging apps such as Remind and Class Dojo and thyr translate into home languages. For the 24-25 SY we will be using Syncgrades as an added communication tool for our families. We have purchased voice-translation devices for teachers and the main offices for parents to communicate directly with teachers and staff. Families cna respond and initiate communication in their home language in real time through apps. We also provide emails and teach families how to use Google translate to communicate via email.

**b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.**

We partner with other community-based programs that provide our schools with extracurricular activities such as Urban Advantage, NIA, and Cookshop. These partnership provide opportunities for our parents to be engaged in our school activities, visit NYC museums, Zoo, AMNH, MET, Botanical Gardens, cooking classes, ENL classes...the opportunities are endless and our parents welcome the opportunity to learn and have new experiences.

**c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)**

All families are encouraged to join the PTA mailing list which provides parents with information on PTA, SLT, and CEC meetings. Email are translated into home languages automatically via apps and websites.
The parent coordinator send out monthly calendars of the upcoming monthly events to all parents and it's posted on the websites and an email blast and text message is sent to all parents informing them of the calendar and to review the months events and to attend the PTA, SLT and CEC meetings.

**3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?**

PS/IS 30 is self serving in this capacity being culturally and linguistically responsive. Staff members were intentionally hired with specific language skills to match the language needs of our school community. Additionally, as much as the students were culturally diverse, the staff is also culturally diverse to match, relate and support the needs of the school community.

# Part VII: Additional Information

## Additional Information

**Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.**

PS/IS 30 is one of the first schools in NYCPS system to attempt a dual language Arabic program. As we continue to grow this program and serve the students in the program the goal for each of them is to be biliterate and to be eligible to take the seal of biliteracy assessment in 25-26 SY. This will be a great achievement for our students.

# Part VIII: ELL Identification Attestation and Principal Certification

## Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

**1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.**

Sophia Chen - ENL Teacher (TESOL Certified)
Mohamed Salama - Assistant Principal of ENL (TESOL Certified)
Liza Lloyd - Special Education Teacher / Special Education Liaison
Alison Nelson - Speech Teacher & Related Services Coordinator

**2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:**

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

The ENL Coordinator administers the HLIS to every new student upon registration and flags any student whose home language is other than English.

ENL Coordinator or Assistant Principal reviews flagged HLIS results, ensures timely NYSITELL testing within 10 school days, and communicates placement decisions to teachers and families.

Assistant Principal places the student(s) in their appropriate setting/class.

ENL/Bilingual Teachers begin services immediately if needed and adjust rosters to ensure that students receive the correct number of ENL and/or bilingual periods once results are confirmed.

IEP Team: For any incoming student with an IEP, the LPT Team collaborates with the ENL team to ensure language needs are considered in the IEP and that services are coordinated appropriately.

# Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

**Principal Name:**

Carol Heeraman

# Part IX: LAP Assurances

## LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

# LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

**Office of Language Access (OLA) Contact:**

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

**Designation of a LAC**
**Name of person designated and trained as the LAC.**
**At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.**

**We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.**

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

| First Name | Last Name | Title | Date attended OLA Language Access Coordinator Professional Learning Opportunity | Confirmed (Y/N) |
|---|---|---|---|---|
| Rana | Abu Sbaih | Parent Coordinator - Annual | 02/27/2025 | Y |
| Ilham | Atmani | Community Associate Annual | 02/27/2025 | Y |
| Mohamed | Salama | Assistant Principal 10 Month | | |

# Part B: Parents' Preferred Languages

## Parents' Preferred Languages

Language identification and assessment of parent population.

**1. Check the resources your school staff uses to identify parents' preferred languages:**

,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Student Emergency Contact cards,Surveys conducted by your school,Part III of the Home Language Identification Survey (HLIS)

**If Other was selected, describe the resource here:**

**2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".**

| Language (Description within RCPL) | Written Preferred Count | Written Preferred Percentage | Oral Preferred Count | Oral Preferred Percentage | No. of Staff to Help with Written Translation | No. of Staff to Help with Oral Interpretation |
|---|---|---|---|---|---|---|
| ALBANIAN | 1 | 0.09% | 1 | 0.09% | 0 | 0 |

# Part C: Parent Communications and Engagement

## Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

**1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.**

| Document Type (e.g. parent flyers, IEPs, etc.) | How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents. |
|---|---|
| Parent Student Handbook | Request via Office of Language Access form |
| Individualized Education Programs | Translation and Interpretation Request Form |
| Family Calendar | Electronic Translation to be proofread by native speakers |
| Title One Parent Engagement Survey | Electronic Translation to be proofread by native speakers |
| Direction and Explanation for School Survey | electronic translation of google form to be proofread by native speakers |
| Flyers for family events | Electronic translation to be proofread by native speakers |
| Informative Correspondence Letters to families | Request via Office of Language Access form |
| | |

**2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.**

| Meeting Type (e.g. parent workshops, PTCs) | How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents. |
|---|---|
| Parent Teacher Conferences | Use of multilingual staff, over the phone interpretation services |
| Parent Workshops | Request multilingual presenters from contracted vendors, Request interpreters from Geneva Worldwide |
| Parent Teacher Association meetings | Request Live interpreters from Geneva Worldwide, Contracted NYCPS vendor, Use of multilingual staff and interpretation headsets. |
| IEP meetings | Over the Phone Interpretation Services or In person staff interpreters |
| Kindergarten and 6th Grade Orientation | Multilingual staff available on site, translation devices |
| Disciplinary Action Meetings | Over the Phone Interpretation Services, Multilingual Staff Interpreters |
| | |
| | |

**3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.**

We utilize messaging services such as GAM that send email, text, and voice calls which offer translated service in the parent's preferred language according to the determination made in ATS. Additionally, for school wide announcements, we utilize ClassDojo which can translate automatically into any home language. We also use Multilingual staff, translation devices, and over the phone translation services, if a parent needs to contact the school in an emergency.

# Part D: Staff Awareness

## Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

**1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.**

An electronic copy of the Chancellor's regulations are included in the staff handbook which staff are responsible for reviewing and signing at the beginning of each school year. During the initial faculty meeting at the beginning of the year, the Chancellor's Regulations and Priorities are identified.

Our principal will share the language access resources at the first staff meeting of the school year and notify staff of the WeLearn training and will ask staff to submit their training completion emails to track staff progress.

Faculty and staff will be given the opportunity to complete the WeLearn training during contractual hours.

# Part E: Parental Notification

## Parental Notification

Provision of notice to parents on the available language assistance services.

**1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:**

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

The multilingual welcome poster and language accessible signage are displayed in the front of both the main building and the early learning annex building making parents aware that they can request communications in their language. Signage is also posted in each of the main offices. Parents are provided with a copy of the Parents Bill of Rights in their language at the beginning of the school year. Families of students with IEPs receive Procedural Safeguards notices at the beginning of each school year in their home language as identified in ATS and SESIS. ClassDojo app makes communications available in the families home language. A QR Code for NYCPS' HELLO, we speak your language is available on the signage as well.

# Part F: Monitoring

## Monitoring

Methods for soliciting and implementing feedback on language assistance services.

**1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.**

Families will be invited to participate in language access questionnaires at the beginning of the school year and then quarterly when report cards are distributed. Parents will also be informally surveyed during drop off and dismissal to gather feedback regarding language services.

**2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.**

We have worked to ensure that all formal meetings are language accessible. The staff has employed the use of translation devices, Over the phone interpretation and multilingual staff. Additionally we will expand our interpretation services to cover additional languages at all parent meetings and workshops.

# Title III Outline

**Title III Supplemental Program for ELLs for SY 2025-26**

## REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

**Note:** The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

# Part A: School Information

**This school is (select one):**

Conceptually consolidated (skip Part E of this document)

# Part B: Direct Instruction Supplemental Program Information

**The direct instruction component of the program will consist of (select all that apply):**

,After School

**Total number of ELLs to be served in this program:**

64

**Grades to be served in this program. Select all that apply.**

,K,1,2,3,4,5

**Total number of teachers in this program:**

5

**Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):**

2

**Number of content area teachers (i.e., teachers that have common branch/content area licenses only):**

3

# Title III ELL Summary

**Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:**

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

1. The program will take place afterschool.
2. The primary activity offered will be HMH's Designated English Language Development lessons. These lessons will allow entering and emerging ELLs an opportunity to advance their grasp of the English language and build a linguistic foundation that will support advanced literacy.
3. The program will be open to all Entering and Emerging ELLs in grades 1-5. The program will serve 64 students. Students will be grouped by grade.
4. One teacher will serve each group. Preference will go to ENL or Bilingual Certified Teachers.
5. The program will be supervised by Assistant Principal Mohamed Salama, who also holds an ENL Teacher Certification. Supervision will be funded by Title III funds. The supervisor's regular work hours are from 7:00AM - 3:05PM. The program will run from 2:30 - 4:00. Per Session for supervision will occur from 3:05 - 4:00.

# Rationale for Title III ELL Funded Programs

**Describe the rationale for each Title III ELL funded program. For each program, include:**

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

English Language Learners (ELLs), particularly those at the beginner level, face the unique challenge of developing English language proficiency while simultaneously acquiring grade-level academic content knowledge. Unlike their native English-speaking peers, beginner ELLs must effectively do double the work: they must learn the foundational literacy skills and subject-area concepts in English, while also developing the social and academic language needed to access and express that learning. Without targeted, intensive support, these students risk falling further behind, widening existing opportunity gaps. Our Title III funded program is designed to address this urgent need by providing structured, dedicated language and literacy development opportunities that accelerate English acquisition while reinforcing foundational literacy.

After administering our Acadience literacy screeners to our elementary students, 35 of our 64 (55%) beginner ELLs scored below or well-below their benchmark goal. Our goal is to have 95% of our ELLs achieve their benchmark goal in the upcoming schoolyear. Supplemental language development support will allow for students to meet these targets.

# Students and Grade Levels to be Served

**For each Title III ELL funded program, describe the students that will be served. Include:**

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Subgroups and grade levels of students to be served:
- Entering and Emerging ELLs in grades 1-5

- Total # of Entering / Emerging ELLs will be 64
- 1st Grade ELLs: 17
- 2nd Grade ELLs: 6
- 3rd Grade ELLs: 13
- 4th Grade ELLs: 16
- 5th Grade ELLs: 12

# Schedule and Duration

**For each Title III ELL funded program, include:**

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Schedule and Duration:

- October 13th - March 13th
- Total sessions: 44
- Every Tuesday & Thursday
- 1.5 hours each day for 2 days a week
- 2:30 - 4:00 PM

# Language of Instruction

**For each Title III ELL funded program, include language of instruction and how home language support is provided.**

The primary language of instruction is English, with a strong focus on developing students' English language proficiency across listening, speaking, reading, and writing. Home language support is provided through strategic use of bilingual resources, translation services, and native language materials when appropriate.

# Number and Types of Certified Teachers

**For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):**

Number and types of certified teachers:
- 5 teachers total
- 2 ENL teachers
- 3 Common Branch Teachers

# Types of Materials

**For each Title III ELL funded program, include:**

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Types of Materials:

- HMH's Designated English Language Development lessons
- i-Ready supplemental materials

- Materials are mostly digital, with some print materials being stored in dedicated bins in classrooms
- We will not purchase materials through Title III funds, as they are already purchased with other school funds

# Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Implementation Plan:
Our school will implement the Title III ELL funded program beginning on October 13, 2025, and running through March 13, 2026, on designated days as outlined in the program schedule. Parents and guardians of eligible students will be notified in writing at least two weeks prior to the program start date. All notifications will be provided in families' preferred languages to ensure clear communication and equitable access. In addition to written notices, we will hold an informational session for parents/guardians to explain the purpose of the program, eligibility, schedule, and ways families can support their children's participation.

Record-Keeping:
- Parent Notifications: Copies of all parent/guardian notification letters in families' preferred languages
- Student Attendance: Sign-in sheets or attendance logs for each session to track student participation.
- Parent Engagement Activities: Agendas, sign-in sheets, and materials for all parent engagement events connected to the program.

# Part C: Professional Development

## Professional Development Summary

**Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:**

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Professional Development Plan Topics:

-Effective ELL Strategies: Training on scaffolding techniques, differentiation, and explicit vocabulary instruction
-Literacy Development (Science of Reading): Workshops on supporting foundational reading and writing skills for beginner ELLs.
-Language Development: Strategies for building oral language and academic vocabulary across content areas.

Professional Development may be covered by Title III funds.

## Rationale for Professional Development

**Describe the rationale for the professional development to be provided. For each activity, include:**

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Beginner ELLs are at risk of not catching up to grade-level peers without stronger, more targeted instruction. Professional development focused on effective ELL strategies—including sheltered instruction, explicit literacy scaffolds, and integration of home language supports—is necessary to build staff capacity to meet this need.

The planned PD will directly address these identified gaps by equipping teachers with practical, evidence-based strategies that can be immediately applied in daily lessons to accelerate ELL language and literacy growth.

During recent teacher surveys, teachers expressed the need for more ENL-specific professional development in order to support their ELLs (particularly beginner ELLs), as they are such a vulnerable population.

# Teachers to Receive Professional Development

**Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.**

All teachers and instructional staff working in our school's Title III ELL funded program will participate in ongoing, targeted professional development designed to build their capacity to meet the unique language and literacy needs of English Language Learners. Professional Development to all staff will occur on PD Mondays.

# Schedule and Duration

**For each Title III ELL professional development activity, include:**

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Implementation of the PD plan will begin in October 2025 through March 2026.

PD time is always on Mondays.

Our Monday PD time from 2:20 pm to 3:20 pm.

We plan on having 5-6 sessions total.

# Topics to be covered

**For each Title III ELL professional development activity, include topics to be covered.**

Here are the topics we will cover in our professional development plan:

- Explicit Vocabulary Instruction: Techniques for teaching high-utility and academic vocabulary before, during, and after reading.

- Scaffolding and Differentiation: How to design tasks and use supports (sentence stems, visual aids, graphic organizers) to help beginner ELLs access grade-level content.

- Developing Oral Language: Strategies for increasing student talk time, structured speaking opportunities, and accountable talk routines.

- Supporting Literacy Development: Methods for teaching foundational reading and writing skills for students who are acquiring English as an additional language.

# Name(s) and Title(s) of Provider(s)

**For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).**

Name of Providers:

Providers are ALL administration, UFTTC coaches, Hello Inclusion consultant, HMH consultant, Peer collaborators, Teacher Leaders.

# Maintaining Records

**Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.**

Our school will maintain accurate documentation of all professional development activities provided under our Title III ELL plan. For each session funded by Title III ELL funds, we will keep records that include:

-Agendas

-Attendance Sheets

-Session Materials

# Part D: Family Engagement Activities

## Family Engagement Summary

**Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.**
**Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.**

Families will be invited to participate in a series of workshops and events throughout the school year that focus on:

- Understanding the ELL Program: Sessions to help families understand how the Title III ELL program works, what services their children receive, and how they can support language development at home.

- Literacy at Home: Workshops that provide practical strategies, bilingual resources, and activities families can use to reinforce reading and writing skills in both English and the home language.

- Navigating the School System: Information sessions to help families understand school policies, grading, parent-teacher conferences, and how to communicate effectively with school staff in their preferred language.

- Supporting Multilingual Learners: Sessions on the importance of maintaining and valuing students' home languages and cultures as an asset in learning English.

- Community Resources: Information about local resources, translation services, and supports available to multilingual families.

These sessions will be funded by Title III.

## Rationale for Family Engagement Activities

**Describe the rationale for the family engagement activities to be provided: For each activity, include:**

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Our family engagement activities under the Title III ELL program are designed to strengthen partnerships between school and home to better support English Language Learners' language development and academic success. The data we used was feedback from ENL teacher conferences with ELL families. We surveyed the families to see how we could support them better.

# Schedule and Duration

**For each Title III ELL family engagement activity, include:**

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

- Family Engagement sessions will run from October 13th through March 13th.
- We will run (5) sessions.
- Sessions will be held afterschool. Days are not yet known.
- The sessions will run from 3:00 - 4:00 PM.

# Topics to be Covered

**For each Title III ELL family engagement activity, include topics to be covered.**

Topics:
- Understanding the ELL Program
- Literacy at Home
- Navigating the School System
- Supporting Multilingual Learners
- Community Resources

# Name(s) and Title(s) of Provider(s)

**For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).**

Name of Provider(s):

- Mohamed Salama, Calliope Athanasakos, & Rianna Moustapha - APs
- PTA and PC - Rana Abu-Sbaih

# Family Notification of Activities and Translation and Interpretation Supports:

**Describe:**

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

How parents will be notified:

- Flyers will be made and sent via email and PupilPath (parent-facing communication platform)
- Dates and times will be posted on our website
- Teachers will inform students and parents via class dojo and messenger
- Reminder Robo blast to all parents of dates and topics

Translated flyers will be created using Microsoft Word and Nice Translator.

# Maintaining Records

**Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.**

Maintaining Records:

Our school will maintain thorough and organized documentation for all family engagement activities provided under the Title III ELL program. For each family workshop, meeting, or event, we will keep the following records:

- Agendas
- Attendance Sheets
- Notices and Flyers
- Session Materials

# Part E: Budget

**FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY.** Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

**This school is (select one):**

Conceptually consolidated (skip Part E of this document)

**Allocation Amount ($):**

| Budget Category | Budgeted Amount | Explanation of expenditures in this category as it relates to the program narrative for this title. |
|---|---|---|
| | | |

# Title III Immigrant Outline

## Title III Application for Immigrant Funding

### REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

**Please note:** Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

**DIRECTIONS**

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

# Part A: School Information

**This school is (select one):**

Conceptually consolidated (skip Part E of this document)

# Part B: Direct Instruction Supplemental Program Information

**The direct instruction component of the program will consist of (select all that apply):**

,After School

**Grades to be served in this program. Select all that apply.**

,6,8,7

**Total number of teachers in this program:**

3 Teachers

**Provide a summary of each program funded under Title III immigrant for SY 25-26:**

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

After School Title III Program for Immigrant Students:

- The program will take place afterschool.
- This program will include explicit ENL and Phonics Instruction to support students and give them confidence and ability to achieve progress and mastery towards grade-level NYS ELA Next Generation Standards.
- The program will serve only middle school students (grades 6-8). Students will be grouped by grade. Only students who are entering or emerging will be invited. There will be 3 groups total, with each group having no more than 12 students. This brings the total to no more than 36 students. All 36 students are ELLs.
- Instruction will be delivered with one teacher serving each group. The groups will be small and focused.
- AP Salama (ENL AP) will supervise the program. Per session will come from Title III Immigrant funding.

# Rationale for Title III Immigrant Funded Programs

**Describe the rationale for each Title III Immigrant funded program:**

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

We currently have 31 students who are immigrants and have a proficiency of Entering or Emerging in the middle school (grades 6-8). This leaves room for 5 more students to join the program. These can be newcomers or the program can be expanded to include some students who are lower-performing transitioning students. The emphasis will be on phonics and fluency. Our goal is to give these students extra opportunities to accelerate their learning and achieve grade-level mastery. To do this, we need to provide targeted, explicit instruction to small groups. The students selected for this program are all at least two grade-levels below in reading according to i-Ready.

Data Sources: ATS,i-Ready, Insight Beta, and New Visions Portal

# Students and Grade Levels to be Served

**For each Title III Immigrant funded program, describe the students that will be served:**

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

- 36 total immigrant students are invited to participate.
- The students are in grades 6-8.
- All 36 students are ELLs and fall between Entering and Transitioning proficiency level with 3 or fewer years of ENL service.
- All 36 students are significantly below grade-level in reading.

**Schedule and Duration**

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

- The start and end dates for the program will be from 1/6/26 until 4/30/25.
- This will include a total of 32 sessions.
- The program will be held on Tuesdays and Thursdays after school.
- The program will be held from 2:30 - 4:00.

# Language of Instruction

**For each Title III Immigrant funded program, include language of instruction and how home language support is provided:**

- Language of Instruction: English
- Home language will be supported through translated texts and pairing students with a common home-language.

**Number and Types of Certified Teachers**
**For each Title III Immigrant funded program, include number and type(s) of certified teachers.**

(3) ENL or ELA certified teachers will be invited to teach the program.

**Types of Materials**
**For each Title III Immigrant funded program, include:**

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

Materials include:
- i-Ready mastery-based lessons (not at cost to Title III Immigrant Funds)
- IXL mastery-based lessons (not at cost to Title III Immigrant Funds)
- Phonics for Reading (will be purchased using Title III Immigrant funds)

# Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

- Weekly attendance rosters will be kept with specific students assigned to specific teachers based on grade and reading level.
- Per session time sheets will be kept
- Parental Permission Slips and emergency contact information will also be kept
- Rosters will be assigned to teachers and will be permanent. Groups will not be dynamic, so rosters will not change.
- Teachers will meet their students in the designated classrooms every Tuesday and Thursday after school at 2:20.
- The program will end at 4:00 PM.
- Students will be dismissed and teachers will sign out.
- One assistant principal will be on-site supervising, as well as the data specialist who will support with data, rosters, and record-keeping.

# Part C: Professional Development

**Professional Development Summary**

**Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:**

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

Professional Development for Teachers include:
- Science of Literacy provided by our two UFT Teacher Center Coaches
- Phonics for Reading Training provided by our Data Specialist

The workshops and trainings will take place after-school and will be at cost to Title III Immigrant Funds, but will not exceed 10% of the total allocation.

**Rationale for Professional Development**

**Describe the rationale for the professional development to be provided. For each activity, include:**

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

The purpose of selecting these topics is to train teachers to provide a research-based pedagogical moves in the realm of literacy to ensure the success of all learners, particularly newcomers and beginner ELLs.

40% of students in our school are 2-3 grade-levels below in reading. Our newcomer and beginner ELL population make up a large portion of this. This particular population also has significantly lower GPA and lower reading rates than their peers.

Supporting newcomer students' phonics and fluency in a special program allows these students to engage more actively in advanced literature during day school.

**Teachers to Receive Professional Development**

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

We are currently providing training to all our teachers on the Science of Reading. (3) teachers will be selected to teach the Title III Immigrant program. Phonics for Reading training will be provided to any teachers who have not already received it.

**Schedule and Duration**

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Professional development for teachers is ongoing. We offer one (2) hour session every month, to all our teachers, on the Science of Reading, facilitated by our UFT Teacher Center Coaches. These happen on Mondays during PD time.

**Topics to be Covered**

For each Title III Immigrant professional development activity, include topics to be covered.

Topics: The Science of Reading

**Name(s) and Title(s) of Provider(s)**

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

Providers:
- Ms. Tucker and Ms. Mastro - UFT Teacher Center Academic Coaches
- Ms. Duran - Data Specialist / MTSS Lead
- Ms. Dibona - Centrally-Funded Intervention Teacher

**Maintaining Records**

**Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.**

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

We will capture teacher attendance and will administer surveys to teachers to gauge teacher needs and satisfaction. However, this professional development will not be at cost to Title III Immigrant Funds.

# Part D: Family Engagement Activities

**Family Engagement Summary**

**Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.**

We have developed what we call our local PS/IS 30 Parent University to supplement trainings already offered centrally and at the District level. Family Engagement is based on the needs of our families which we determine through collaboration among the SLT, PTA, and Title I Committee. This year we decided to provide workshops to our parents on varying topics based on the parent responses on the school survey.

The topics are:
- NYC High School Selection
- NYS / NYC Exam Orientation for Families (NYSESLAT, ELA, Math, Science, Regents)
- NYCSA Training
- How to Access and Read Your Child's Data (NYCSA, TeachHub, Clever)
- How to Use Data to Support Your Child's Academic Success
- How to Understand Our School's Academic Policies

These programs will be at cost to Title III Immigrant funding.

# Rationale for Family Engagement Activities

**Describe the rationale for the family engagement activities to be provided:**

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

Welcoming immigrant families into the school community, and giving them tools to navigate the system is essential to their success and ours. We often survey our immigrant families through our Parent Coordinator and our Community Associate, who have excellent relationships with all families, especially newcomers. The most requested supports are on the use of NYCPS accounts, such as NYCSA, and navigating the academic landscape. This includes

knowing what their children are learning, how NYS exams are administered and what their impact is, and how to select a high school.

**Schedule and Duration**

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

We will provide one parent engagement activity once per month from November to April for a total of (6) sessions. These workshops will occur on the third Thursday of each month. The duration will be one hour from 1:00 - 2:00 PM.

**Topics to be Covered**

For each Title III Immigrant family engagement activity, include topics to be covered.

The topics are:
- NYC High School Selection
- NYS / NYC Exam Orientation for Families (NYSESLAT, ELA, Math, Science, Regents)
- NYCSA Training
- How to Access and Read Your Child's Data (NYCSA, TeachHub, Clever)
- How to Use Data to Support Your Child's Academic Success
- How to Understand Our School's Academic Policies

# Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

The facilitators will be:

- Assistant Principals
- Parent Coordinator
- Community Associate
- School Counselors

**Family Notification of Activities and Translation and Interpretation Supports**

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Families will be notified by email and flyers. Emails and flyers will be translated into Spanish, Arabic, and Chinese.

**Maintaining Records**

**Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.**

We will capture family attendance and will administer surveys to families to gauge family interest and satisfaction.

# Part E: Budget

**FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY.** Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

**This school is (select one):**

Conceptually consolidated (skip part E Budget below)

**Allocation Amount ($):**

$8275
