Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Jennifer Potter	Principal or Designee*	
Grace Holczer	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Rose Magro	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
	District Council 37 (DC 37) Representative (staff), if applicable	
Anna Delfaus	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
	CBO Representative, if applicable	
Mary Kayser	Member/Staff	
Amanda Orefice	Member/Staff	
Mira Preci	Member/Staff	
Lucia Romano	Member/Staff	
Analy Gonzalez	Member/Parent	
Rachel Zhou	Member/Parent	
Andrew Issermoyer	Member/Parent	
Rebecca Bullen	Member/Parent	
	Member/Staff	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature
Jennifer Potter	Principal/School Leader	
Mary Kayser	Assistant Principal/School Leader	
Amanda Orefice	Teacher/Staff

Kathryn Rohrs	Teacher/Staff
Gisella Trunzo	Assistant Principal/School Leader
Rachel Zhou	Parent/Parents

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Our P.S. 112 Roundtable students revised our mission statement during the 2022-2023 school year to reflect their own understanding.

P.S. 112 teachers are devoted to making sure that all students can achieve our goals in all subjects. Everyday our teacher's work hard to help students strive to do their best and help us improve not just for today but also for our future self. Students can see ourselves in our education, set and achieve goals. Students are excited to learn new things and practice strategies we have learned in order to achieve our goals in math, reading, and writing with our peers. The teachers are always helping us whether it is with our academics or emotionally. Everyday our teachers support, challenge and encourage students. The school community is always helping the students remain positive. We are encouraged to have a growth mindset while learning new things. Teachers make school feel like home! Our teachers develop a love of learning among the students. They create a safe environment, which helps students become confident and happy. The school works together with the students and our families to help everyone become successful independent learners!

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P.S. 112 is located in Dyker Heights Brooklyn. Currently, our school consists of grades PreK-5 and our student enrollment in both the main building and the annex is 756. Our English Language Learner (ELL) population is approximately 27% and our Special Education (SE) population is 17%. There are three to five classes, one to two of them being Integrated Co-Teaching (ICT) classes on each grade. The ICT model allows for the special and general education teachers to work together throughout the day to adapt and modify instruction for children and make sure the entire class has access to the general education curriculum. Additionally, we have a 12:1:1 Grade K/1/2 bridge class as well as a 12:1:1 3/4/5 bridge class. Our school provides an ENL program for ELL students as well as a Dual Language Italian Program.

Our goal is to develop each and every child into a lifelong learner. Our literacy program, HMH Into Reading is utilized in Grades K-5. The HMH Into Reading curriculum is based on research in the essential elements of literacy with scaffolds for multilingual learners. The program includes a balanced approach to the teaching of reading and writing which is standards based. This approach incorporates large group, small group and individualized instruction. These literacy lessons include models, active involvement sessions, independent and group work as well as share sessions. Additionally, students participate in daily Close Reading seminars where they read, analyze and discuss HMH texts using a Socratic Seminar approach. Our reading program and seminars incorporate the Four Hallmarks of Advanced Literacies to ensure all students have access to grade level texts, have opportunities to read, write and talk about them as well as study select, high utility vocabulary words. In all classrooms, teachers read

aloud daily and provide daily word study to students. Grades K-2 uses OG and Heggerty for their phonics program. Students are explicitly taught letter sounds and phonological awareness to decode. Students then transfer knowledge using decodable texts.

Eureka Math is our standards based math program. All of our teaching approaches in mathematics continue to evolve as we participate in ongoing professional development and reflect on classroom-based teacher research. The Next Generation Learning Standards set forth by New York State guide our planning.

Social Studies is taught through the use of non-fiction and historical fiction to bring multiple perspectives of events in our world to students. We incorporate the Independent Investigation Method (IIM) which trains students in the research process as they are learning Social Studies concepts. Civics for All lessons are incorporated to strengthen opportunities for students to develop skills and knowledge related to democracy. Students are engaged to be members of the community who can think critically and are empowered to make change.

The Science curriculum, Amplify, is enhanced by a "hands-on" science cluster program, which involves students in demonstration and experimentation. The scientific process is developed and encouraged in each grade as is the integration of non-fiction literature into the science curriculum. We will begin implementing Science investigations to support instruction, providing students with opportunities for authentic, hands-on laboratory experiences.

Our wireless technology lab offers students the opportunity to conduct technology based projects. Additionally, our classrooms have wireless laptops, ipads and Promethean Boards which enable us to infuse technology into all curriculum areas. We make sure to incorporate STEAM related activities throughout the school year such as Lego Robotics.

The arts are alive and well at P.S. 112. We offer students programs in fine art, dance, music appreciation, music instrument instruction, band, violin and chorus. Our partnership with the Brooklyn Conservatory of Music enhances the music program at our school. We've also partnered with other various Arts CBOs such as Studio in a School and Dancing Classrooms.

Students are supported academically by an Intervention Teacher and two Reading Support Teachers who work in our classrooms providing small group, targeted instruction using OG, Heggerty and Spire. ENL instruction is provided to students who qualify daily. An Intervention Team is created to carefully assess students' work, arrange parent meetings and create a targeted intervention plan for students who are experiencing academic challenges. Academic Intervention Services, such as speech and language as well as counseling are also available. Our SIT team carefully reviews IEPs to ensure our SWDs are receiving the proper services.

Research indicates that the most effective way to encourage continuous learning and improve instruction, is for teachers to have opportunities to meet together to share ideas and participate in professional development. Our more experienced teachers generously share their time and expertise with newer staff members. The school program provides common planning periods to all grades to support this work. Our teachers complete surveys to request specific professional development tailored to their needs and also participate in organized workshops to meet our school-wide curriculum goals. We not only strive to create a community of learners within our classrooms, we are a community of learners!

P.S. 112 encourages parental involvement in a variety of ways. The School Leadership Team (SLT) is comprised of administrators, staff and parents. The SLT meets monthly to address elements of the Comprehensive Education Plan (CEP), organize family events, review initiatives that have been put into place and keep abreast of school news. Additionally, the Parent Teacher Association (PTA) consists of parents who come together in order to benefit all the students of P.S. 112. The PTA holds monthly meetings to share information, encourage regular communication with parents and recruit volunteers for school functions. The PTA volunteers many hours in order to assist with fundraising and functions for the children throughout the school year. Their mission is to create enough funds so that we may continue providing excellent educational opportunities to our children. Our school also offers parent

workshops to help parents assist their children at home academically and to provide information about city and state mandates. Additionally, our Parent Coordinator offers Adult ENL classes for the families of our students.

P.S. 112 is always looking for innovative ways to bring families together! We host family events throughout the school year such as Movie Nights, Family Fun Night , Someone Special Dance and art exhibits. This past year we have brought the Arts to our families via art workshops and we plan to continue to offer these opportunities to our families this year. Additionally, we have a school-wide Book of the Month using a variety of diverse texts to ensure all children can see themselves within them. All the children read the Book of the Month with their class and throughout the month children bring the book home to read, discuss and write about with their families.

Our school has formed special collaborations and partnerships with different organizations in an effort to provide a variety of opportunities for our children. For example, we have formed a relationship with Conflict Resolution System where the facilitator guides fourth and fifth grade students as they design fundraisers to donate money to organizations that the students research themselves. They also design service projects to help those in need. We have formed a partnership with Studio in a School, which helps students develop creative and critical thinking skills through the Arts.

P.S. 112 has established a Growth Mindset Initiative whereby we encourage our students to understand and believe that their talents can be developed through hard work, good strategies, and input from others. Students with a growth mindset tend to achieve more than those with a more fixed mindset who believe their talents are innate, and cannot be changed. We teach our students to understand the power of "yet" and promote the phrase, "There's a difference between not knowing and not knowing yet."

Briefly summarize the key initiatives your school will implement this school year.

This school year we will implement the following key initiatives:

1) Continue the implementation of the literacy program, HMH Into Reading and Writing, revising units of study to ensure alignment to NYS Next Generation Learning Standards. This program is a proven science-of-reading curriculum that meets the needs of all of our students.

2) Teachers of Grades 3-5 will enhance the HMH thematic modules by incorporating Close Reading and Socratic Seminar practices to provide all students with opportunities to engage with the four modalities of Advanced Literacies around complex texts.

3) We will continue to train new teachers in all grades in the Orton Gillingham Approach. Additionally, the general education teachers in grades 3-5 will participate in the training sessions provided by Orton Gillingham. Teachers who have been fully trained over the past 3 years, will continue to receive professional coaching sessions to strengthen best practices and incorporate differentiation for varied learners.

4) We will continue to grow the Civic for All initiative across the school. Teachers will incorporate high leverage lessons within Social Studies to strengthen opportunities for students to develop skills and knowledge related to democracy. The goal is for all students to be engaged community members who can think critically and are empowered to make a change. Civics for All helps schools support students in making connections between history, current events and democratic structures.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-2	1) Orton Gillingham 2) Epic, Raz Kids, Brain Pop, Discovery Education 3) HMH Into Reading and Writing Program 4) Heggerty	vocabulary focus with visual support
ELA	3-5	1) iReady Reading 2) Epic, Raz Kids, Brain Pop 3) Into Reading and Writing Program 4) Orton Gillingham	All literacy lessons provide scaffolds and supports for ELLs and SWDs
Math	K-2	1) iReady Math 2) Great Minds InSync, Embarc, Zearn/Eureka Math 3) Exemplars Math Tasks	All mathematics lessons provide scaffolds and supports for ELLs and SWDs
Math	3-5	1) iReady Math 2) Great Minds InSync, Embarc, Zearn/Eureka Math 3) Exemplars Math Tasks 4) IXL	-translated tasks for students who read in their home language - scaffolded tasks for various learners

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on our 2025 data analysis, the proficiency rate for all students was 61% on the NYS 3-5 ELA exam. Although this is a 7% increase from 2024, our iReady EOY data is showing only 46% proficiency for all students in grades 3-5. (2025 NYS ELA released scores and 2025 EOY ELA iReady Assessment)	Students need additional practice identifying relevant details to support claims and summarizing texts using specific strategies.	Develop whole group and small group instruction that supports students in locating relevant details from a text in order to determine a theme or central idea. As well as explaining how the theme is supported by the key details; summarize the text.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	53%	By June, 2026, literacy for All Students will improve, as measured by a 5% Increase, from 53% to 56%, of students scoring at Levels 3 & 4 on the NYS ELA exam results .
Students with Disabilities (SWD)	29%	By June, 2026, literacy for Students with Disabilities (SWD) will improve, as measured by a 5% Increase, from 29% to 31%, of students scoring at levels 3 & 4 on the NYS ELA exam results .
English Language Learners (ELL)	13%	By June, 2026, literacy for English Language Learners (ELL) will improve, as measured by a 5% Increase, from 13% to 14%, of students scoring at Levels 3 & 4 on the NYS ELA exam results.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

7.7

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Close Reading and Socratic Seminar will be implemented daily to provide opportunities for Collaborative discussion and Writing about Reading around priority skills. Teachers will design prompts aligned with the priority skills and will be able to monitor students progress on a weekly basis.
This approach will increase students ability to locate relevant details from a text in order to determine a theme or central idea and explain how the theme is supported by the key details.

Root Cause Addressed:

Students need practice identifying relevant details to support claims and summarizing texts using specific strategies.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Use a Socratic Seminar approach to incorporate the Hallmarks of Advanced Literacies within our literacy instruction. The sessions are built around HMH connected complex texts and include discussions, a vocabulary focus and regular writing opportunities. Differentiated sessions, incorporating ELL scaffolds, are implemented for ELL students and taught by ENL teachers. (All students, including SWDs and ELLs in grades 2-5)
Teachers will use shared reading or read aloud to model the skills of proficient readers and generate discussions using various protocols. (All students, including SWDs and ELLs in grades K and 1)
The Instructional Leadership Team will meet monthly to review curriculum, design schoolwide goals and facilitate the

review of student data with their grade teams. Grade teams will identify target populations, research strategies to support students need and revise instructional plans in an effort to increase academic achievement of all students including SWDs and ELLs.
Instructional rounds will be implemented by the Principal, administrative team and the members of the ILT to ensure various professional development workshops are supporting schoolwide goals and impacting classroom instruction.
Teachers engage in data analysis of BOY, MOY and EOY assessments of all students, including sub groups to develop instructional plans for whole class and small groups.
Implementation of ELA benchmark assessments aligned to NYS assessments. (All students, including SWDs and ELLs in grades 3-5)
We will continue the use of a schoolwide inquiry protocol, analyzing student data and designing targeted lessons to meet the needs of all learners. (All students, including SWDs and ELLs in grades K-5)
All teachers (K-5) will participate in a series of professional learning sessions around literacy with a focus on aligning the HMH curriculum to the NYS NGLS in ELA.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Our primary structure to progress monitor the implementation of key strategies and action steps is class and grade data analysis of the BOY, MOY and EOY iReady ELA assessment. Between the screener windows, teachers will administer an ELA benchmark assessment aligned to the NYS NGLS to monitor student mastery towards standards. Additionally, we will track and monitor students' progress towards meeting the NYS NGLS in ELA by reviewing and analyzing HMH weekly assessments.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
01/13/2025	01/23/2025	Parent Meeting about NYS assessments and standards.	n/a
09/04/2025	06/26/2026	Monthly Curriculum letters to inform families of what units their children are working on	n/a
10/06/2025	05/29/2026	Art gallery walks showcasing student artwork that connects to our ELA units of study	Studio in the School
09/04/2025	06/26/2026	2 Academically based parent engagement activities in the area of ELA hosted by the classroom teachers and ENL providers.	n/a
09/04/2025	06/26/2026	PTA workshops around literacy and ELA curriculum	n/a

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

administrators, classroom teachers, Special Education teachers, ENL teachers, parent coordinator, substitute teachers

Instructional Resources

iReady Assessment and Instructional web based program and ELA benchmark assessments

Schedule Adjustments

data analysis days and professional development sessions built into the Monday afternoon schedule

Other Resources Needed

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
The 2025 NYC School Survey shows that the percent of positive responses in the domain of classroom behavior is 69%.	Teachers will develop success criteria with students, to encourage student ownership in learning Teachers will use best practices to promote engagement and student independence.	Increase student led learning, engagement, enthusiasm and motivation via learning tasks that require high-level thinking

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	69%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 10% Increase, in in the percent of positive responses in the domain of classroom behavior from 69% to 76%, per the NYC School Survey Results.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Increase student led learning, engagement, enthusiasm and motivation via learning tasks, projects and collaborative discussions that require high-level thinking and discourse.

Root Cause Addressed:

Ensure success criteria is provided for and/or developed with students to encourage student ownership in learning and encourage teacher practices to include more independent opportunities for students with gradual release of teacher support.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Engage in a variety of daily social emotional learning activities that encourage student engagement and increase physical and mental wellness through peer collaboration, conversation, games and getting to know each other. (All students, including SWDs and ELLs in grades K-5)
Encourage good work habits and student engagement by recognizing and awarding Students of the Month and Honor Roll students (All students, including SWDs and ELLs in grades K-5)
Encourage student engagement through our school wide Book of the Month initiative that focuses on various life themes and lessons. All students read and discuss the books with peers and family members. (All students, including SWDs and ELLs in grades K-5)

Continue our school wide initiative of encouraging a Growth Mindset, the belief that you are in control of your own ability and can learn and improve with persistence and perseverance. (All students, including SWDs and ELLs in grades K-5)

Teachers encourage student engagement through regular group and class discussions, various scaffolds to support learning and student led learning. (All students, including SWDs and ELLs in grades K-5)

Administrators will engage in 3 cycles of formal observations using The Danielson Framework for Teaching to assess component 3c. Additionally, administrators will conduct regular informal observations as well as monthly focused instructional rounds to monitor student engagement and teacher practices.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The primary structures to progress monitor the implementation of key strategies and action steps are 3 cycles of formal observations, regular informal observations and monthly instructional rounds throughout the school year. During observations, administrators will look to ensure students are engaged in learning and student behavior is appropriate. Students should be intellectually active in learning important and challenging content and are developing their understanding through what they do. Students should be engaged in discussing, debating, answering “what if?” questions and discovering patterns.

A lesson in which students are engaged has a clear structure, including a beginning, a middle, and an end, with scaffolding provided by the teacher or by the activities themselves. The teacher organizes student tasks to provide cognitive challenge and then encourages students to reflect on what they have done and what they have learned.

Additionally, the lesson has closure, in which students derive the important learning from their own actions. A critical question for an observer in determining the degree of student engagement is “What are the students being asked to do?”

During observations, administrators will watch the teacher and pay close attention to the students and what they are doing. The best evidence for student engagement is what students are saying and doing as a consequence of what the teacher does, or has done, or has planned. Administrators will also look for a positive classroom environment where routines and structures are in place to support behavior management.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on our 2025 data analysis, the proficiency rate for all students was 65% on the NYS 3-5 Math exam. Although this is a 7% increase from 2024, our iReady EOY data is showing only 50% proficiency for all students in grades 3-5. (2025 NYS Math released scores and 2025 EOY Math iReady Assessment)	Students need additional practice developing an understanding of fractions as numbers, building fractions from unit fractions by applying and extending previous understandings of operations. Students also need additional practice using equivalent fractions as a strategy to add and subtract fractions.	Develop whole group and small group instruction to support students understanding of fraction equivalence, addition and subtraction of fractions with like denominators, and multiplication of fractions by whole numbers.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	58%	By June, 2026, the students scoring at Levels 3 & 4 will Increase by 5% from 58% to 61%, for All Students, as measured by NYS Math Exam results.
Students with Disabilities (SWD)	25%	By June, 2026, the students scoring at Levels 3 & 4 will Increase by 5% from 25% to 26%, for Students with Disabilities (SWD), as measured by NYS Math Exam results.
English Language Learners (ELL)	51%	By June, 2026, the students scoring at Levels 3 & 4 will Increase by 5% from 51% to 54%, for English Language Learners (ELL), as measured by NYS Math Exam results.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Number Talks will be implemented daily to encourage students to build number sense, mental math skills, and flexibility with numbers through discussions about problem-solving strategies. Teachers will plan number talks to target priority skills, incorporating visuals, manipulatives and real world experiences to increase students understanding of Fractions.

Root Cause Addressed:

Students will develop an understanding of fractions as numbers. Students will build fractions from unit fractions by applying and extending previous understandings of operations. Students will use equivalent fractions as a strategy to add and subtract fractions.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Strategy group instruction based on the module assessments (All students, including SWDs and ELLs in grades K-5)
Implementation of weekly math tasks using the 3 read protocol with embedded number talks (All students, including SWDs and ELLs in grades K-5)
The Instructional Leadership Team will meet monthly to review curriculum, design schoolwide goals and facilitate the review of student data with their grade teams. Grade teams will identify target populations, research strategies to support students need and revise instructional plans in an effort to increase academic achievement of all students including SWDs and ELLs.

Teachers will use iReady Assessment data to guide planning and instructional practices. Teachers will create small groups based on students' strengths and needs. Teachers will incorporate the iReady instructional component as well, strategically matching students to standards and learning targets to close identified gap areas. (All students, including SWDs and ELLs in grades K-5)
Opportunities for vertical planning to ensure consistent language and strategies to help students develop a better understanding of fractions across the grades.
We will continue the use of a school wide inquiry protocol, analyzing student data and designing targeted lessons to meet the needs of all learners. (All students, including SWDs and ELLs in grades K-5)
Teachers will implement math benchmark assessments between screeners to monitor student progress and mastery towards grade level standards. (grades 3-5)
Teachers of grades K-2 will receive math professional development provided by the district around aligning instruction to standards and enhancing math talk.
Teachers in grades 3-5 will receive math professional development provided by Frank Cunningham Consultancy around aligning instruction to standards and designing small group target instruction based on data analysis.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Our primary structure to progress monitor the implementation of key strategies and action steps is class and grade data analysis of the BOY, MOY and EOY iReady Math assessment. Between the screener windows, teachers will administer a Math benchmark assessment aligned to the NYS NGLS to monitor student mastery towards standards. Additionally, we will track and monitor students' progress towards meeting the NYS NGLS in Math by reviewing and analyzing end mod assessments.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
01/01/2026	01/31/2026	Parent meetings about NYS assessments and standards.	n/a
09/04/2025	06/26/2026	Classroom parent workshops around math and problem solving strategies	n/a
09/04/2025	06/26/2026	Monthly Curriculum letters to inform families of what units the students are engaged in	n/a

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Administrators, classroom teachers, Special Education teachers, AIS math teachers, parent coordinator

Instructional Resources

Engage NY mathematics program, Exemplars math tasks

Schedule Adjustments

schedule designed for push in math services

Other Resources Needed

n/a

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on the Save for College program report, 46% of grades 1-4 families are currently enrolled.	Parents have limited knowledge of the program benefits and application process.	Develop information sessions about the Save for College program, provide ongoing family support with the application and support families as needed with program inquiries.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	46	By June, 2026, the percent of families enrolled in the Save for College program for All Students will Increase by 10% from 46 to 51% as measured by Save for College Program Report .

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Develop information sessions about the Save for College program, provide ongoing family support with the application process and support families as needed with program inquiries.

Root Cause Addressed:

Parents have limited knowledge of the program benefits and application process.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The Parent Coordinator will design parent workshop that provide information about the Save for College program.
The Parent Coordinator will provide outreach to encourage enrollment.
The Parent Coordinator will schedule in person appointments to provide support to families with the application process.
The Parent Coordinator will distribute flyers and alert parents via gamma, throughout the school year to encourage enrollment.
The Parent Coordinator will advertise the Save for College program on parent information boards in the main building and annex.

The Parent Coordinator will provide families with information on the Save for College program during the in person, September Back to School Night.
During Financial Literacy week, parents are invited to join the zoom meeting with our CBO Bank to learn more about savings opportunities.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Our primary structure to progress monitor the implementation of key strategies and action steps is quarterly analysis of the Save For College Program Report. Additionally, we will monitor attendance from parent workshops.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on the 2025 NYC School Survey, 93% of parents responded	Teachers and parents will communicate regularly about their child's performance. Parent engagement	Increase family engagement at school

positively to the parent involvement in school component.	opportunities will be offered at various times as working parents have limited availability.	meetings and events.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	93%	By June, 2026, the percentage of families involved in school activities will Increase by 5% from 93% to 97% as measured by NYC School Survey Results.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Widely advertise family events and engagement activities via Remind, GAMA and hard copies in various languages.

Root Cause Addressed:

Working parents have limited availability.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
All teachers will host family engagement events at least 2 times per year.
The PTA will hold monthly meetings in the pm to allow for working families to attend. These meetings will be designed around various topics such as homework help and preparing for middle school.
The entire school community will be aware of our monthly SLT meetings and families may attend if they choose.
We will host schoolwide family events such as Movie Nights, Someone Special Dance, Family Art Workshops, and Family Fun Night.
Parent Coordinator will distribute Parent Engagement Survey at the beginning of the school year to gauge family interests.

Our ENL teachers will host classes for parents who want to learn or improve English language skills. These classes will be held virtually 2x per week from November to March.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The primary structure to progress monitor the implementation of key strategies and actions steps is to keep track of attendance at family events throughout the school year. We will analyze the attendance data using attendance sign in sheets from meetings, events and workshops at the beginning, middle and end of year to ensure parent participation and engagement.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Our key strategies for success are connecting with families to encourage attendance and providing various activities for students to encourage attendance. These engagement activities will be widely advertised for families in all languages. Our school will communicate with families and offer outreach to families who may need support in maintaining daily attendance.

Root Cause Addressed:

Working to establish stronger partnerships with families.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Teachers will be the first line of defense when addressing student absenteeism and make outreach to families.
Assign staff members to specific grades to monitor attendance and check in with families of absentees on a daily basis.
Attendance team will meet monthly to review attendance records, identify trends and address individual student needs.
Provide incentives for students such as awards, pizza parties and announcements praising positive attendance rates.
Schedule parent phone or in-person conferences to address attendance issues when necessary.

Continue to implement Attendance Policy which will be distributed to families in September and posted on our school website.

Implement Lunch Bunch groups. These groups consist of students who have been identified as chronically absent. These students will participate in various science or technology related activities, connected to our instructional program, in an effort to motivate and encourage daily attendance.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The primary structures to progress monitor implementation of key strategies and action steps will include reviewing chronic absenteeism reports and reviewing Lunch Bunch academic data. We will review the chronic absenteeism reports at 6-8 week cycles to track and monitor progress. We will also use the BOY, MOY and EOY screener results to track and monitor the progress of our Lunch Bunch Students.

Attendance/Chronic Absenteeism Family and Community Engagement

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
Review of 2024 - 2025 IEPs, IEP Review survey tool 2024 - 2025	Lack of coherence between various sections within the IEP	IEP Development and Fidelity of Implementation
Review of 2024 - 2025 IEPs using IEP review tool,	IEP extending past 60 days of case opening	Transition Planning and Compliance

Compliance reports		
Review of total number of PPT referrals 2024-2025	Monitoring more closely referrals to Special Education to ensure appropriate referrals only based on student data	Referral Process and Equity
Review of 2024 - 2025 IEPs using IEP review tool	Acknowledging that students come from diverse backgrounds and may have different needs and challenges	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	75	By June 2026, students receiving IEP aligned instruction will improve, as measured by SIT team reviews of IEPs showing a 5% increase, from 75% to 80%.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

To create an inclusive, accessible, and equitable learning environment where all students with disabilities are empowered to achieve their full potential by aligning IEP goals with NYS Next Generation Learning Standard. To strengthen teacher capacity for inclusive education by providing professional development and planning time.

Root Cause Addressed:

Lack of alignment between special education planning and general education instructional practices, caused by limited teacher training and collaboration time, in addition to ongoing training in accessible instructional design, and systems to ensure shared accountability for SWD success.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Review assessments and present academic performance of the PLOP section of the IEP to ensure setting is appropriate and conducive to student learning
Review previous IEP goals to ensure goals have been met and new goals are developed and aligned to student need and based on student data
Review IEPs during SIT team meetings to ensure alignment and cohesiveness within IEPs using the IEP review tool as a guide
The PPT will conduct monthly meetings where referrals and at-risk services are discussed and implemented. Parent meetings will be arranged to keep open communication with families to discuss findings and next steps during PPT meetings
The Special Education Liaison will monitor dates for annual and mandated reviews to keep case managers informed of upcoming reviews
Review IEPs utilizing the IEP review tool to identify areas of the IEP that explicitly state SDI based on student needs

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Monthly SIT team meetings will monitor for alignment with the action steps indicated above utilizing the IEP Review tool. Data from these reviews will be collected to inform SESIS progress monitoring reports will be used to determine progress on goals. SESIS reports will be used to monitor IEP dates for compliance purposes.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Parent workshops provided throughout the year to address and assist families with understanding their child's IEPs	
09/04/2025	06/26/2026	Parent workshops focused on students with special needs to provide families with strategies and supports to assist children at home.	

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Special Education Teachers and Related Service Providers

Instructional Resources

IEP data collected from IEP Review Tool, SESIS progress monitoring

Schedule Adjustments

Providing planning and PD time as appropriate to support staff

Other Resources Needed

N/A

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Reading below grade level	structured literacy groups, OG small groups	small group	during school	no
Tier 2	reading below grade level and scoring below grade level on ELA benchmark assessments	AIS ELA sessions	small group	after school and during school	no
Tier 2	reading far below grade level	At Risk pull out: Spire Reading Intervention program and small group OG lessons	small group	during school	no
Tier 2	scoring below grade level on math assessments	strategy groups	small group	during school	no
Tier 2	scoring below grade level on math and benchmark assessments	AIS Math sessions	small group	after school and during school	no
Tier 2	scoring far below grade level on math assessments	At-risk pull out	small group	during school	no
Tier 2	Race, Attendance, Housing status, Reading levels	Lunch Bunch	small group	during school	no
Tier 2	ELL students with high risk factors based on academic and social emotional levels and housing status	ELL Supplemental program	small group	after school through Title III funds	no
Tier 3	Students far below grade	Sound Sensible (K-	1-3 students in	during school	no

	level on Acadience, OG assessment, and iReady ELA	1), Spire (K-5), Phonics For Reading (3-5	a pull out setting		

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	student shows signs of emotional distress or displays behavioral challenges	teacher conversations or check ins	small group or one on one support	during school	no
Tier 2	student signs of emotional distress or displays behavioral challenges persist despite teacher intervention	at risk services with guidance counselor	small group or one on one support	during school	no
Tier 3	student shows severe signs of emotional distress or displays behavioral challenges	mandated counsling services	small group or one on one support	during school	no

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

The tiered supports for Academic and Social/Emotional achievement are shared with the SLT at monthly meetings. Additionally, the essential components of the MTSS are shared with parents during monthly PTA meetings, Parent Teacher Conferences, regular parent outreach and at the start of all in school and after-school academic intervention services. Parents of students who are receiving Tier 2 and Tier 3 intervention will also receive a notification letter at the start of each 6-8 week cycle.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Parents are notified of student progress during Parent Teacher Conferences and during weekly Parent Engagement Time. Parents of students who are receiving Tier 2 and Tier 3 intervention will receive a notification letter at the start of each 6-8 week cycle.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Parents of students who are receiving Tier 2 and Tier 3 intervention will receive a notification letter at the start of each 6-8 week intervention cycle. At the end of each cycle, parents are invited to discuss their child's progress and discuss next steps. Additionally, student progress will be discussed during parent teacher conference or parent engagement time as needed.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

Doubled up: 45
Living in a shelter or transitional shelter: 1

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Careful analysis of historical achievement data for our STH population shows steady gains in both ELA and Math for students in grades 3-5 based on the iReady ELA and Math assessments. Attendance records of our STH population showed that they maintained an average of 91% attendance rate from the BOY to EOY.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Students living in temporary housing situations are entitled to the same public education and services available to permanently housed students. Administration will assess the needs of our STH population throughout the school

year. We will provide any educational services as needed such as, counseling and academic intervention. We will also provide school supplies or materials as needed such as, books or glasses. Our school will ensure that STH students have access to the essential programs and materials they need to progress academically and succeed in school.

Additionally, students in temporary housing in grades K-5 will attend small group learning sessions in various subject areas such as Science, Technology, Art and Physical Education during their lunch period 1x per week. These groups will participate in engaging and hands on projects and sports activities designed to motivate and encourage student learning. These clubs are also designed to promote daily attendance.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

At this time we do not have any students in foster care.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

N/A

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

N/A

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

N/A

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school’s Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. P.S. 112, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

P.S. 112 will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child’s progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home; learning the English

language
• provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
• host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
• schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
• translate all critical school documents and provide interpretation during meetings and events as needed.
- teachers will host family workshops and engagement events during the school year.
- host family events such as dances and movie nights
- Parent Coordinator will distribute Parent Engagement Survey at the beginning of the school year to gauge family interests on workshops and events

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
• hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
• encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
• supporting or hosting Family events;
• establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
• encouraging more parents to become trained school volunteers;
• providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
• developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
• providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P.S. 112, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

- teachers will host family workshops and engagement events during the school year.
- host family events such as dances and movie nights
- Parent Coordinator will distribute Parent Engagement Survey at the beginning of the school year to gauge family interests on workshops and events

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time for extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;

- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all as signments on time;
- read everyday and discuss my reading with an adult;
- limit the amount of time I watch TV and play video games;
- use free time for extracurricular activities such as clubs, team sports and/or quality family time
- ask an adult for help when needed
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

- ELA
- Mathematics
- Technology
- Supportive Environment Framework

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

In September, teachers will engage students in stories, songs and chants to help ease the transition into Kindergarten. Teachers will establish routines for children giving them a sense of security. Students will have the opportunity to explore their classroom, tour the building and meet teachers and staff who are important to the school community. Additionally, teachers will have parents fill out beginning of the year surveys about their children in an effort to learn about his/her habits, likes, dislikes, favorite things to do and special talents. In June, our school will provide a Kindergarten Orientation for the parents of our Pre-K students as well as the newly enrolled Kindergarten students. During this time, the children have the opportunity to experience the “new” Kindergarten classroom environment. The children play in centers, sift through books, sing songs, draw and socialize with other children. The parents meet the Kindergarten teachers and have the opportunity to take a tour of the classrooms. The parents are also provided with a summary of the curriculum, websites to access resources and a book to read aloud with their children at home. Additionally, we host a parent orientation for our incoming Pre-K students, familiarizing them with our Italian Dual Language Program. Our school will also provide workshops for parents on topics relevant to transitioning from Pre-K to Kindergarten including strategies for parents to use and continue at home.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Jennifer Potter
Assistant Principal (Where Applicable)*	Mary Kayser
English as a New Language (ENL) Teacher*	Mira Preci
Teacher (if school has a bilingual program must be a bilingual teacher)*	Lidia De Angelis
Parent/Guardian*	Anna Delfaus
Teacher	
Parent Coordinator	
School Counselor	
Related-Service Provider	
ENL Teacher	Emma Shehu
ENL Teacher	Nicole Fallon

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

5

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

3

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

4

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

4

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

0

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

722

Total number and percentage (%) of current ELLs:

203 students/28.1%

Total number and percentage (%) of former ELLs:

44 students/6.1%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

183 students/90.1%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

20 students/9.9%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0 students

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

1 student/0.5%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

35 students/17.2%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	Dual Language	Italian	2015-2016	1	1	1	1	1	1								6
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 1	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

As per CR Part 154.2, the stand-alone model of instruction is implemented within the Freestanding ENL program to provide ELLs with the mandated number of minutes and units of study per week of ENL services. All ELL students in grades K-5 are heterogeneously grouped within the general education classes. Through the stand-alone teaching model, ELL students are grouped considering grade and proficiency levels. Entering and Emerging students at each grade level receive 180 minutes of stand-alone, pull out ENL services provided by a certified ENL teacher to develop their English language skills.

Integrated ENL:

As per CR Part 154.2, the integrated model of instruction is implemented within the Freestanding ENL program to provide ELLs with the mandated number of minutes and units of study per week of ENL services. All ELL students in grades K-5 are heterogeneously grouped within the general education classes. Through the integrated teaching model, ELL students are grouped considering grade and proficiency levels. Entering and Emerging students also receive 180 minutes of integrated services provided by an ENL teacher and a certified content area teacher through a co-teaching model to build their language skills through ELA instruction within the classroom. Transitioning and Expanding students receive 180 minutes of integrated services provided by an ENL teacher and a certified content area teacher through a co-teaching model to build their language skills through ELA instruction within the classroom. We continue to support our Commanding ELL students by providing 90 minutes of Integrated ENL services through small group instruction in the classroom for an additional 2 years after exiting the ENL Program.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

n/a

Dual Language Bilingual Education (DLBE):

As per CR Part 154.2, Dual Language programs have a very clear language policy: students receive half of their instruction in English, and half of their instruction in the other/target language. Language is taught through the content areas as well as through literacy. Our Dual Language program is designed to have students spend 50% of their instructional time immersed in Italian with a teacher speaking only Italian and the remaining part of the day is spent with instruction delivered only in English. Our dual language program includes stand alone ENL and HLA

components designed to develop student's skills in listening, speaking, reading and writing in both English and Italian. Additionally, our dual language program contains an integrated instruction component whereby all content areas are taught in both languages.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

As per NYS CR Part 154.2, Entering and Emerging students receive 360 minutes of ENL instruction per week and Transitioning and Expanding students receive 180 minutes of ENL instruction per week. Commanding students receive 90 minutes of ENL instruction per week for an additional 2 years after passing the NYSESLAT. Our school programming supports schedules for students to ensure that these mandates are met. ELA and ENL instruction is delivered through each program model. Our ELA curriculum aligns with the ELA instruction within the ENL classroom and through the use of Integrated ENL, our ENL teachers push into the classroom providing ELA instruction using ENL strategies in small groups.

Our Dual Language program is designed to continue developing students' home language of Italian, as well as English language skills. In addition, the English-proficient students are given the opportunity to learn a new language. The Dual Language program serves both ELL students in need of English language development and monolingual English proficient students who are interested in learning Italian as 50% of instructional time is taught in Italian and 50% of instructional time is taught in English. Both groups provide good linguistic role models for each other and, through their interactions support language development in both English and the target language. An HLA component designed to develop students' skills in listening, speaking, reading and writing in Italian while cultivating an appreciation of their history and culture is programmed and implemented daily.

Additionally, our school uses weekly Admit/Discharge ATS reports, monthly EDUR reports as well as STARS Classroom Action items to ensure the mandated number of minutes are provided to students according to their English language proficiency.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

As per NYS CR Part 154.2, Entering and Emerging students receive 360 minutes of ENL instruction per week and Transitioning and Expanding students receive 180 minutes of ENL instruction per week. Commanding students receive 90 minutes of ENL instruction per week for an additional 2 years after passing the NYSESLAT. Our school programming supports schedules for students to ensure that these mandates are met. ELA and ENL instruction is delivered through each program model. Our ELA curriculum aligns with the ELA instruction within the ENL classroom and through the use of Integrated ENL, our ENL teachers push into the classroom providing ELA instruction using ENL strategies in small groups.

Our Dual Language program is designed to continue developing students' home language of Italian, as well as English language skills. In addition, the English-proficient students are given the opportunity to learn a new language. The Dual Language program serves both ELL students in need of English language development and monolingual English proficient students who are interested in learning Italian as 50% of instructional time is taught in Italian and 50% of instructional time is taught in English. Both groups provide good linguistic role models for each other and, through their interactions support language development in both English and the target language. An HLA component designed to develop students' skills in listening, speaking, reading and writing in Italian while cultivating an appreciation of their history and culture is programmed and implemented daily.

Our school's STARS and ELL Coordinator monitors STARS daily to ensure all ENL students are receiving the correct number of mandated minutes. Additionally, we cross reference STARS data with ATS reports such as the RFSF report and monthly EDUR reports to ensure new admits to the program are captured.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Our dual language program is a Two-Way Dual Language Bilingual Education Program. In two-way DLBE programs, ELLs of the same language background and English proficient (EP) students, including native English speakers, learn content in two languages as they acquire the new language. In many instances, EP students, who may be former ELLs or heritage speakers, may also speak the partner
language. This program is also referred to as "two-way immersion."

The goals of the two-way DLBE programs are for all multilingual learners, including ELLs, to develop bilingualism and biliteracy based on high proficiency levels in two languages, English and a partner language and achieve academically in both languages. ELL and EP students are integrated throughout the entire school day. The Language Allocation Program Model for our Dual Language Program is designed as 50:50 model.

b. In which language(s) is each core content area taught?

Writing instruction and writing tasks allow for opportunities to use both English and Italian. Mathematics instruction is conducted in English with extension activities in Italian in order to build number sense and reasoning in both langauges. Social Studies and Art instruction is conducted in both Italian and English. Speaking and Listening is incorporated into all subject areas to meet grade level standards as well as develop language skills in both English and Italian.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

n/a

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

The percentage of Newcomers is 90.1%.

Newcomers are grouped homogeneously for daily Reading Sessions using HMH texts connected to a common topic. These sessions are specifically designed for ELLs, using HMH scaffolds and are provided by the ENL teachers. Teachers use Orton Gillingham, a structured literacy approach that introduces the idea of breaking reading and spelling down into smaller skills involving letters and sounds, and then building on these skills over time. Teachers use this approach to support Newcomers' foundational literacy skills as well as provide support for vocabulary acquisition and language growth. Students are provided additional support if the assessments reveal they have not met the criteria to progress to the next level. The teachers use fiction and nonfiction texts and interactive read alouds to foster listening and speaking skills and practice reading strategies such as retelling. Teachers focus on building academic language skills through the four domains: reading, writing, listening, and speaking. Objectives include using specific vocabulary in discussions, and writing different sentence structures. Teachers consider a student's proficiency level and incorporate scaffolds like sentence frames, graphic organizers, or partner work to support English language learning.

The percentage of Developing is 9.9%

Developing ELL students who receive service 4 to 6 years participate in daily Close Reading sessions using HMH texts, answering collaborative discussion questions with their classroom teachers as well as daily small group instruction. Teachers use ongoing classroom assessment to identify students' needs which drives instruction. These needs are addressed and supported in reading, writing and mathematics during small group or one on one instruction. These students may also receive AIS support during the school day as well as in after school sessions. Instruction for ELLs who are identified as students with disabilities is also differentiated. These students may receive additional support through SETSS with a certified special education teacher. ENL teachers provide translated text to students who are literate in their home language and audio translations for those who are not.

At this time our school does not have Long-Term ELL students however, if we did, these students are eligible for Academic Intervention Services (AIS) support.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

The percentage of SIFE students is 1%.

SIFE students daily Close Reading Sessions using HMH texts connected to a common topic. These sessions are specifically designed for ELLs, using HMH scaffolds and are provided by the ENL teachers. Teachers use Orton Gillingham, a structured literacy approach that introduces the idea of breaking reading and spelling down into smaller skills involving letters and sounds, and then building on these skills over time. Teachers use this approach to support SIFE's foundational literacy skills as well as provide support for vocabulary acquisition and language growth. Students are provided additional support if the assessments reveal they have not met the criteria to progress to the next level. The teachers use fiction and nonfiction texts and interactive read alouds to foster listening and speaking skills and practice reading strategies such as retelling.

Additionally, SIFE students are offered an opportunity to participate in Lunch Bunch. During Lunch Bunch, qualified students eat lunch while participating in a small group project based learning experience in various subject areas. For example, some students may join the Art Lunch Bunch where the students work on the school yearbook or some students can join the Science Lunch Bunch where the students perform various science experiments. These opportunities foster collaboration, discussion and critical thinking.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

At this time our school does not have Long-Term ELL students however, if we did, these students would receive daily, small group instruction to target language development during tier I instruction. These sessions would target language development through the use of strategies like visuals, sentence starters, graphic organizers, and providing definitions to help ELLs understand and use language effectively. These students would also be eligible for intensive Academic Intervention Services (AIS) support three times per week.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

The percentage of former ELLs is 3.2%.

Students who reach proficiency on the NYSESLAT participate in daily Close Reading sessions based on the 4 Hallmarks of Advanced Literacies (Engaging Texts, Rich Discussion, Daily Writing and High-Utility Vocabulary Words) with their classroom teachers as well as small group instruction to support language learning. These sessions meet the number of minutes required for Former ELLs up to 2 years after exiting ELL status. Teachers use ongoing classroom assessment in literacy such as weekly HMH assessments, to identify students' needs and monitor progress. These needs are addressed and supported in reading, writing and mathematics during small group or one on one instruction. These students may also receive AIS support during the school day as well as in after school sessions. Instruction for ELLs who are identified as students with disabilities is also differentiated. These students may receive additional support through SETSS with a certified special education teacher.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

When analyzing the 2024 data on at-risk levels of ELLs, the most obvious trend is that 45.8% of our ELL population has 1 at-risk indicator, which is a 10% decrease from the 2023 data. However, the percentage of students with 3 or more risk factors has increased 2.8%, from a total of 8.6% to 11.4%.

When comparing the 2023 and 2024 at risk levels of ELLs, it was noted that the number of students scoring at levels 1 and 2 for ELA and Math has increased. 2023 data shows that 7.2% of ELLs scored levels 1 or 2 on the NYS ELA exam and 18.7% of ELLs scored level 1 or 2 on the 2024 NYS ELA exam. 2023 data shows that 11.1% of ELLs scored levels 1 or 2 on the NYS Math exam and 21.7% of ELLs scored level 1or 2 on the 2024 NYS Math exam.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

When analyzing the 2024 data on at-risk levels of former ELLs, the most obvious trend is that 72.7% of our former ELL population has 0 at-risk indicators, which is a 10.6% decrease from the 2023 data. However, the percentage of students with 1 or more risk factors has increased 10.7%, from a total of 16.6% to 27.3%.

When comparing the 2023 and 2024 at risk levels of former ELLs, it was noted that the number of students scoring at levels 1 and 2 for ELA and Math has increased. 2023 data shows that 7.1% of ELLs scored levels 1 or 2 on the NYS ELA exam and 18.2% of ELLs scored level 1 or 2 on the 2024 NYS ELA exam. 2023 data shows that 9.5% of ELLs scored levels 1 or 2 on the NYS Math exam and 22.7% of ELLs scored level 1or 2 on the 2024 NYS Math exam.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The home languages of ELLs with the largest representation at our school is Chinese and Spanish. We support our ELLs in their home language throughout the school year. Teachers provide opportunities daily for students to use their native language and student writing assignments can be completed in their home language. ELL students are encouraged to share with the class how to say something in their home language and students who speak languages other than English are called on to be buddies for others who speak the same language which provides opportunities for partner work in other languages. Additionally, resources such as dictionaries, glossaries and books are provided in students' native languages and Google Translate is used when necessary. Paraprofessionals also provide native language support to ELLs and work in their native language on Math assessments to mirror their accommodations on the state assessments. Additionally, if students can read in their home language, material is translated to support their understanding of the material provided in English.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The racial and ethnic classification of ELLs at our school is as follows: 101 ELLs are classified as Hispanic and 102 ELLs are classified as Non-Hispanic. Of the 101 Hispanic ELLs, 78 are American Indian or Alaskan Native, 1 is Asian, 1

is Native Hawaiian or Other Pacific Islander and 20 are White. Of the 102 Non-Hispanic ELLs, 57 are Asian, 3 are Multiracial and 42 are White.

ELLs are included in the planning and delivery of Culturally Responsive and Sustaining Education. Our school aims to create a welcoming and affirming environment for students. We are assessing the physical environment of the classroom and school such as our libraries to ensure a variety of cultures, languages and identities are reflected and valued through literature. We have high expectations for and
provide all students with rigorous core instruction via the HMH curriculum. Our high-quality core instruction is a standards-based, evidence-based curriculum with clear learning goals, frequent checks for understanding, and purposeful, engaging lessons that encourage complex thinking and problem-solving. We ensure every student, including ELLs have access to grade-level content by providing strategies and supports such as scaffolds, background knowledge, and multisensory approaches. We ensure our curriculum and assessment are inclusive, identifying gaps where the curriculum does not address multiple perspectives, cultures, and backgrounds through careful selection of texts for Close reading as well as Books of the Month. Lastly, our ongoing professional development sessions, whether they are grounded in ELA or Math, always include a focus on a variety of strategies to help educators build authentic relationships with students and create equitable learning environments.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

When reviewing the 2024 NYSESLAT ELP growth, it was noted that 53 students met ELP sufficient progress and 67 students did not. When comparing the ELP across the 2023 and 2024 NYSESLAT exams, it was noted that 8 more students met progress by exiting ELL status, met annual progress and met safe harbor cumulative growth in 2024 than 2023. However, the number of students who did not meet progress increased from 2023-2024 by 21 from 46 to 67.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

Careful analysis of the 2025 NYSESLAT shows that 19% of ELL students scored at the Commanding level which is a 5.6% increase from the 2024 NYSESLAT assessment. Analysis of the 2025 NYSESLAT showed that 60% of the ELL population increased 1 or more levels, an 18% increase from the 2024 NYSESLAT and 31% remained at the same proficiency level, an 8% decrease from the prior year. 7% of the ELL students decreased 1 or more levels on the NYSESLAT assessment.

Past trends on the NYSESLAT showed that most ELL students score low in the writing and speaking modalities. When analyzing 2024 NYSESLAT data, the trend shows that ELLs and Former ELLs who scored low, answering less than 15% of questions correctly, occurred within the writing and speaking modalities. However, the data from the 2025 NYSESLAT assessment show that most ELL students scored low in both the reading and writing modalities and their performance in the speaking has shown some gains.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

When comparing proficiency levels of those students who took the NYSESLAT, NYSELA and NYS Math assessments, the 2024 data showed the following: 43% of ELL students who took both the NYSESLAT and NYSELA scored proficiency and 57% of ELL students who took both the NYSELSAT and the NYS Math assessment scored proficiency.

When comparing the results of the 2022 and 2023 NYSELA and NYSESLAT assessments, data shows that ELL students scoring proficiency on both exams decreased from 41% to 25%. When comparing the 2022 and 2023 NYS Math assessment and the NYSESLAT, data shows that ELL students scoring proficiency on both exams decreased 1.7%.

When analyzing the relationship between the students' performance on the NYSESLAT and the NYSELA in 2023, it was noted that of the 6 ELL students who took the NYSELA, 5 scored a level 3 or 4 on the ELA assessment. When analyzing the relationship between the students' performance on the NYSESLAT and the NYS Math assessment it was noted that of the 6 ELL students who scored commanding on the NYSESLAT, 4 also scored a level 3 or 4 on the Math assessment.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

When analyzing the NYSESLAT data from 2025, it was noted that 46 ELL students took the assessment and 8.7% of these students scored commanding. Last year, 31 ELLs with IEPs took took the assessment and 10% of theses students scored commanding.

This comparison shows that ELLs with disabilities are not making significant gains. As such, it is important that we address students' learning difficulties in relation to language development to increase their achievement on the NYSESLAT assessment as well as the NYS ELA.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Our school uses the HMH Into Reading and Writing programs which by design incorporates the Four Hallmarks of Advanced Literacy (engaging texts, rich discussion, frequent writing and academic vocabulary and language) to support students. The HMH Into Reading curriculum is based on research in the essential elements of literacy with scaffolds for multilingual learners. Robust assessment data gives teachers the information they need to differentiate reading instruction and monitor student progress toward literacy goals, including our ELL population. Teachers have access to high-interest, grade level texts for whole-class shared reading and close reading. These titles help students to build background knowledge which is an essential component of ELL instruction as it helps the students navigate and learn the new language.

The grade level texts are connected in theme throughout each module as this provides ELL students the opportunity to deepen their understanding about a topic. The depth of learning, is achieved in units of study by placing a concept, word, or theme at the center of the instructional design for the purpose of building up content and world knowledge and critical thinking skills, ultimately setting up learners to comprehend, discuss, and write about texts.

Our school uses Eureka Math as our core math curriculum for all students and the supplemental resources that provide scaffolds and support for our ELL students. Key strategies include using visual aids, sentence frames, and translated materials. Additionally, classroom teachers provide targeted small group instruction for students who may need extra support.

Social Studies curriculum is delivered using the Independent Inquiry Model (IIM). This model supports English Language Learners (ELLs) by creating an authentic, engaging learning environment that emphasizes hands-on exploration and collaboration over rote memorization. Research shows that this approach promotes deeper content understanding and fosters language development.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

Our School Instructional Leadership Team (ILT) ensures ELLs have access to core instruction and curriculum. Our ILT is comprised of teachers, ENL teachers and services providers with experiences at varied grade levels, with expertise in various subject areas and with credentials to support all sub groups, including SWDs and ELLs. Our ILT collaborates to design and refine instruction to ensure access for all learners. These lead teachers turn-key instructional decisions to all stakeholders to ensure consistency schoolwide.

Additionally, our ENL teachers regularly plan with their grade teams to make sure the core curriculum includes ENL scaffolds and supports for all students of various proficiency levels. The core curriculum, with ELL scaffolds and supports, is implemented throughout all learning environments including the ENL Program and Title III. This seamless instruction of core content within all programs helps build background knowledge which is critical to ensuring ELL students understand a lesson. This knowledge provides a foundation on which the rest of the lesson can be built. For ELLs, it can make a significant difference in their comprehension of the lesson and any related materials or texts.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Within our instructional program, including the ENL and Dual Language programs, we are implementing the HMH Into Reading and Writing curriculum as well as math, social studies and science. The skills of listening, speaking, reading and writing are included in our daily instruction. Core instruction is delivered to a large group followed by structured literacy groups for students who need a more individualized approach. Students have the opportunity to practice strategies on their own or with a partner as the teacher circulates, monitoring outcomes. Assessments are built into instruction to support and design instruction for small groups. Literacy instruction is delivered through various approaches such as shared reading, independent reading and read-aloud.

Our highly qualified ENL teachers use a scaffolded instructional approach within the ENL Program. This approach is aligned with the classroom reading, writing, social studies and science curriculum and the NYS Next Generation Learning Standards. Ongoing articulation and planning with the classroom teachers ensures an individual approach is taken with all students. Our ELL students have a wealth of library books and instructional materials in their ENL classrooms in all content areas which supports them in meeting standards in reading and writing. Native language supports for the content area are also provided within the ENL program with the use of books in home languages, glossaries and dictionaries. ELL students receive native language support from peers or teachers who speak the same language. If students can read in their home language, material is translated to support their understanding of the material provided in English. ENL strategies such as the use of visuals, hands-on manipulatives, role-play, discussion protocols, Total Physical Response (TPR), repetition, graphic organizers, pictures, videos and computer programs are used to promote oral language development and to facilitate content area ENL instruction related to reading, writing, science, social studies and mathematics.

Instruction for the Dual Language program is aligned to meet NYS Next Generation Learning Standards. Literature, informational and foundational standards are delivered in English and Italian using grade appropriate texts. Writing instruction and writing tasks allow for opportunities to use both languages. Mathematics instruction is conducted in English with extension activities in Italian in order to build number sense, reasoning, and practice in Italian. Social Studies and Art instruction is conducted in Italian. Speaking and Listening is incorporated into all subject areas to meet grade level standards as well as develop language skills in both languages.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

We ensure our ELLs with disabilities have access to and engage with grade level content. Our ENL teachers, classroom teachers and
special education teachers co-plan on our June Planning Day as well as during common planning periods throughout the school year.
ENL teachers use the Next Generation Learning Standards, the New Language Arts Progressions as well as goals within student IEPs to
ensure ELL instruction is grade appropriate and supplemented accordingly with ELL scaffolds and supports.
Teachers of ELLs and SWDs
use specially designed instructional strategies and grade-level materials that provide access to academic content areas and accelerate English language development. For example, teachers differentiate instruction by forming small groups based on need and conduct one to one conferences to informally assess students' strengths and weaknesses. Teachers provide picture support, graphic organizers and texts on students' independent reading levels to support their learning. Manipulatives are used in math to help students understand concepts and computers and Smartboards are also used in various subject areas to assist in student learning.

We are in the process of building our classroom libraries with native language books in different genres, dictionaries, glossaries, and software to help support our ELL population. Some of the computer programs we use are Raz Kids and Zearn. These programs are used to support word study, reading, math, social studies and science research.

b. SIFE

We ensure our SIFE student have access to and engage with grade level content. Our ENL teachers and classroom teachers co-plan on our June Planning Day as well as during common planning periods throughout the school year. ENL teachers use the Next Generation Learning standards as well as the New Language Arts Progressions to ensure ELL instruction is grade appropriate and supplemented accordingly with ELL scaffolds and supports. Additionally, our SIFE students are provided small group instruction with a focus on letters and sounds using the Orton Gillingham approach to build their reading foundational skills. These students are also eligible for Academic Intervention Services (AIS) support.

c. Newcomers

We ensure our Newcomer ELL students have access to and engage with grade level content. Our ENL teachers and classroom teachers co-plan on our June Planning Day as well as during common planning periods throughout the school year. ENL teachers use the Next Generation Learning standards as well as the New Language Arts Progressions to ensure ELL instruction is grade appropriate and supplemented accordingly with ELL scaffolds and supports.

Additionally, Newcomers are grouped homogeneously for daily Close Reading Sessions using HMH grade level texts around a common theme and essential question. These sessions are specifically designed for ELLs and are provided by the ENL teachers. Teachers use OG and support vocabulary and language growth. Students are provided additional support if the assessments reveal they have not meet criteria to progress to the next level. The

teachers use interactive read alouds, fiction as well as nonfiction, to foster listening and speaking skills and practice reading strategies such as retelling.

d. Long Term ELLs

We do not have any Long Term ELL students at this time however, if we did, these students would receive strong, Tier I HMH literacy instruction which includes targeted small group instruction based on the results of various forms of assessment such as our academic screeners. ELL students would also be eligible for Tier II and Tier III Academic Intervention Services (AIS) to target language acquisition and increase achievement within the 4 modalities (reading, writing, listening and speaking) if needed.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

P.S. 112 uses curricula, instructional and scheduling flexibility to meet the diverse needs of ELL-SWDs within the least restrictive environment. ELL-SWDs receive their mandated number of minutes of ENL services through an integrated or stand alone model of instruction. Additionally, there are 1 to 2 Integrated Co-Teaching classes on grades K-5 providing a lower teacher to student ratio for small group instruction in all subject areas. Classroom teachers provide small group instruction to students to reinforce the skills taught. AIS providers service students using a pull out model of instruction. They service small groups of students using Orton Gillingham and decodable readers. Additionally, push-in math support is provided in grades 4 and 5. Small group sessions, provided by SETSS as well as AIS providers will continue to take place, providing support for ELL-SWD students to meet their annual IEP goals.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

The ENL teachers, teachers of the Dual Language program and paraprofessionals are fluent in other languages such as Italian, Spanish and Chinese which enable them to offer native language support to those who share the same language. ELL students are also paired up with a buddy who speaks the same language in an effort to provide one on one assistance with tasks and instruction. Native language support is also provided through the use of reading books, texts, dictionaries, glossaries and word list books in both English and their native languages. Additionally, if it has been determined that a student can read in their home language, reading materials are translated to support the learning within the classroom.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

n/a

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

June planning has been built into our school calendar. These planning sessions allow for our ENL teachers to co-plan their September Units of Study with their grade teams. Additionally, our ENL teachers regularly plan with their grade teams throughout the school year to make sure the core curriculum includes ENL scaffolds and supports for all students of various proficiency levels. Our school uses one Monday per month for grade wide planning in which the ENL teachers plan with the grades they service. Two common preps per week have also been scheduled for all grades. ENL teachers use this time to plan with the grades they service. Teachers use this planning time to incorporate coteaching models during the periods of integrated services for ELLs. ELL educators have deep expertise around supporting students' language development, identifying important language for content lessons, and differentiating instruction and these scaffolds are provided during instruction.

The core curriculum, with ELL scaffolds and supports, is implemented throughout all learning environments including the ENL Program and Title III. This seamless instruction of core content within all programs helps build background knowledge which is critical to ensuring ELL students understand a lesson. This knowledge provides a foundation on which the rest of the lesson can be built. For ELLs, it can make a significant difference in their comprehension of the lesson and any related materials or texts.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Our overall, annual professional learning plan ensures that all staff, including administrators, teachers and non-pedagogical staff, incorporates learning specifically related to the academic and social emotional needs of MLLs. ENL teachers and Administrators will continue to turnkey the content of outside professional development to all teachers when topics are related to the academic and social emotional needs of ELLs. Our HMH coach and other literacy facilitators incorporate strategies on how to integrate language and content instruction cohesively within all lesson plans. Our Professional Learning calendar includes workshops for teachers provided by Conflict Resolution Systems on building healthy communication skills that will help students resolve conflicts in their individual lives and classrooms. Effective tools and techniques will be provided to support social emotional learning and promote a peaceful, calmer environment.

Additionally, to support continued learning, teachers will participate in grade-wide professional book studies. Teachers will work collaboratively reading and analyzing professional texts to make instructional decisions for target ELL populations. One professional text our teachers will use for their book study is, Moving From Spoke to Written Language with the ELLs by Ivannia Soto.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

As per CR Part-154.2, 15% of total hours for all teachers and 50% of total hours for bilingual education/ENL teachers receive ELL specific professional development. In order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal, we will continue to share professional learning

opportunities around English language learning with classroom and ENL teachers offered by the district and by the NYC Office of Multilingual Learners. Additionally, our school will provide professional learning sessions for teachers to support the delivery of the HMH curriculum. These sessions will be provided by HMH and target resources and strategies for ELL students.

Records are kept on file to keep track of teacher's mandated professional development hours. For example, when teachers return from an outside professional development workshop, they are required to submit a feedback form to administration highlighting what they've learned and what they will try to implement. Additionally, when the teachers attend in-house professional development workshops, the attendance records are kept on file.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

We use various screeners to guide instructional planning for our ELLs. In grades K-2, our school uses the Acadience Reading Assessment in to assess student proficiency in letter/sound relationships as well as reading comprehension and fluency. In grades 3-5, we use the iReady Reading Assessment to assess student proficiency in reading skills such as phonics, comprehension and vocabulary. We analyze this data after each assessment window in the beginning, middle and end of year to make instructional decisions for our ELL students. Through data analysis, all students, including ELLs are grouped and serviced according to tiers. If ELL students fall within the tier 2 or tier 3 levels based on the results of the screener, they will be eligible for targeted small group instruction or more intense academic intervention, in a groups of no more than 3 students, using a researched based literacy program.

Additionally, we use the NYSITELL assessment results for our incoming Kindergarten students to determine students' modalities of strength and need. The ELL teachers design small group targeted instruction for students in each of the 4 modalities, reading, writing, speaking and listening by using scaffolded strategies in all four language domains. Teachers will focus on a learner's background, providing visual support, and practicing vocabulary in context to support students' English language proficiency.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

As a result of data analysis of the NYS ELA and Math assessments as well as NYSESLAT, intervention programs are designed to support ELLs in targeted areas. Close reading seminars, using HMH texts, are provided for ELL students by certified ENL teachers using ENL strategies to support ELA instruction. In the AIS Reading and Writing program students, including ELLS and those with special needs, are serviced with an additional teacher who pushes in during their regular reading period. This reduces the teacher to student ratio and allows for individual and small group support based on student goals.

Reading AIS services are also provided in small groups to students who need tier 1 and tier 2 support using intervention programs such as Orton Gillingham, Sounds Sensible and SPIRE. These intervention programs include regular progress monitoring and instruction is adjusted accordingly. Small group lessons are planned to include all aspects of the ELA standards which include reading, writing, listening and speaking.

Math AIS providers also work with small groups of students who need extra support as determined through data analysis. Additional student services include At-risk Resource Room and At-risk Speech. Intervention programs are provided in English however, materials such as texts, books, glossaries and dictionaries are provided in students' native language to support academic achievement.

Various AIS services will also be provided in the after school setting.

Additionally, our ILT continues to analyze student data to determine next steps for teachers and students academically and instructionally. Teachers find research related to the learning challenges of a target population, identify classroom and school level strategies that are supported by research, implement their findings to support struggling students and analyze student data to make instructional decisions. This year, our school-wide focus will continue to target newly identified ELL students to support their language acquisition and literacy development.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Our school uses student data to guide instruction for ELLs. The data specialist and all teachers including classroom, AIS, ENL and Sped teachers analyze NYS assessment and Screener data to help make decisions to strengthen tier 1 core instruction as well to design small group targeted instruction to ensure the progress of all student. ELA and Math Item Skills Analysis helps teachers identify areas of strength and gap areas to support student learning. Analyzing the NYSESLAT data using EDAT and Furby helps identify modalities of strength and need of our ELL population. Students are grouped based on this data and instruction is targeted to meet these needs.

Our school also uses data to guide instruction for ELLs within our MTSS framework. The MTSS process begins with high quality instruction. Our data team analyzes school wide screener data and regularly collect and analyze student data through one to one conferences, math assessments, teacher observations, HMH literacy assessments and OG assessments. We use this data to determine whether students are benefiting from an instructional program within a reasonable amount of time. Additionally, Intervention teachers and ENL providers meet after each screener window to discuss proficiency levels, language needs, and academic needs in order to make instructional decisions about Tier 2 and Tier 3 instruction. If it is determined that a student needs additional support, we provide interventions at increasing levels of intensity to accelerate learning such as small group instruction and AIS services. These services are specifically designed using student data to meet the needs of struggling learners. Various programs are used during AIS sessions such as Heggerty, Sound Sensible, Sounds in Motion, SPIRE and intense OG instruction.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Our school uses formative and curriculum-embedded assessments to guide instructional planning for our ELL students. Grades K-2 integrate Orton Gillingham into their daily instruction to teach phonological/phonemic awareness, phonics and spelling. Teachers use the data from the assessments to design small group instruction based on student need. Additionally, success criteria are incorporated into all lesson plans for students to clearly understand expectations and guide their independent work. Teachers analyze student outcomes to design instruction for groups of students. In mathematics, teachers use exit tickets after each lesson and administer math tasks weekly to assess student learning and design small group instruction. Additionally, math assessments are administered after each module and ELA benchmarks are administered every 8 weeks (3 throughout the year) as well as weekly HMH assessments. These assessments are tracking progress of the standards and are used to target instruction for small groups. The data obtained from these assessments is recorded and analyzed to identify student progress and areas of need as well as to inform lesson planning.

Additionally, our ENL teachers administer BOY, MOY and EOY assessments aligned to the NYSESLAT assessment to monitor ELL student progress within each of the four modalities, reading, writing, listening and speaking. ENL teachers analyze the data and design small group instruction to target modalities of weakness during integrated and stand alone sessions.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

Our ELL students do not take the Home Language Assessments for reading in Chinese or Spanish. However, we support our ELLs in their home language throughout the school year. Teachers provide opportunities daily for students to use their native language and student writing assignments can be completed in their home language. High utility vocabulary words are posted with picture support as well as translations. ELL students are encouraged to share their home language with other students. Students who speak a language other than English and speak English fluently are called on to be buddies for peers who speak the same language. This provides opportunities for partners to work in and receive support in their home language. Additionally, resources such as dictionaries, glossaries and books are provided in students' native languages and Google Translate is used when necessary. Paraprofessionals also provide native language support to ELLs and work in their native language on Math assessments to mirror their accommodations on the state assessments. Additionally, if students can read in their home language, material is translated to support their understanding of the material provided in English.

All students in the Italian Dual Language Program are assessed in the target language at a minimum of 3 times per year. These teacher-made assessments are used to progress monitor student language learning and adjust curriculum when needed.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

Our school uses various summative assessments to evaluate the success of our ENL program. We review the data collected from the NYSESLAT to determine trends over the past few years as well as across the two exams. Using the ELL Data Analysis Tool (EDAT), we identify which modalities of the NYSESLAT are areas of need for our students. We identify which students did not make progress or regressed on the NYSESLAT. We review the data collected from the NYS ELA and Math exams, evaluating student progress to help determine the success of our program. Teachers are provided with an item analysis report of the NYS ELA and Math assessments. These reports reveal how students performed on specific questions and within specific standards. Additionally, we identify those students who received a level 1 or 2 on the NYS ELA and Math exams for one or more years consecutively.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the

assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

The testing team, which includes the test coordinator and the Assistant Principal/ELL Coordinator, prepares for the NYSESLAT administration by first printing out the RLER ATS report to identify all ELL students who are eligible to take the assessment. We inform families of the testing dates via notices in the their home languages. We design a testing schedule and plan for the continuity of testing as well as make up sessions. We prepare AIS providers and coaches to proctor and score the assessment and ensure the security of the assessments and scoring materials throughout the testing window. Our former ELLs receive mandated instruction for the mandated minutes by their classroom teacher. Our current ELLs will continue to receive mandated instruction for the mandated minutes by their ENL teachers.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

The Special Education Liaison who also serves as the Test Coordinator, Assistant Principal/ELL Coordinator and ENL Teachers work very closely during testing season to ensure that current and former ELLs receive the necessary accommodations for state assessments. IEPs are reviewed and reports of testing accommodations are printed for all stakeholders. Multiple testing meetings are held during the year to review test administration guidelines and procedures.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

When a new ELL student enrolls in school, our school informs parents of the three instructional models available in New York City, Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language. Parents/guardians are informed of these options via a parent orientation where they view the parent orientation video. This video explains the three program options and is available in multiple languages. The program goals and requirements for all three ML/ELL program models are reviewed and explained to families. The orientation is presented is also presented in languages or modes of communication that the parent or guardian best understands. Interpreters are available when necessary.

During the parent orientation, teachers also provide an overview of the Next Generation Learning Standards in ELA and Math, NYS assessments, and school goals and expectations for English Language Learners. Teachers review the progressions of learning standards across the grades. The provided examples of texts and questions from the NYS exams. Teachers also describe the goals and expectations of ELLs which includes proficiency on the NYSESLAT assessment.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note:

this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Our school will provide annual individual meetings with parents of ELLs to discuss goals, language development progress, assessment results and language development needs in all content areas during the time designated for family engagement (55 minutes per week). Letters will be sent home in the parent's preferred language notifying them of the meeting and interpreters will be available. During these meetings, assessment results and academic progress in both native language and English Language will be discussed. Goals and instructional strategies will be provided to parents at this time. Meeting times, date and content discussed will be kept on file.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:

a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

P.S. 112 ensures all families receive letters, notices and permission slips in various languages. All grades and cluster teachers send home monthly curriculum letters informing parents of the instruction taking place each month. Translated parent letters in various languages introducing each HMH units of study will also be sent home for families. The PTA sends out notices when they need parent volunteers in various languages. School handbooks in various languages are also available for parents at the front desks. These handbooks provide information about our school, including activities, programs and services available for the school community. Through PTA meetings held in the evenings, we provide workshops for families. Interpreters are available for ELL parents at all workshops and meetings. Letters and notices are translated in parents' native languages. Our Parent Coordinator helps facilitate communication and involvement with ELL parents.

Our school has personnel who can support communications in various languages with families. We also have Pocket Talk devices to communicate with families and we use our interpretations hotline called Language Line Solutions. These services are available in all languages.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

P.S. 112 strives to develop a close partnership with all parents, including parents of ELLs. We send out a monthly calendar that showcases upcoming family events. Through PTA meetings held in the evenings, we provide workshops and orientations. Interpreters are available for ELL parents at all workshops and meetings. At the end of each PTA meeting, a question/answer session is held where parents can ask questions or raise inquiries. Additionally, parents are encouraged to email the parent coordinator if they have requests or ideas for future information sessions. We've also sent surveys to families to indicate their needs regarding ongoing parent engagement opportunities.

P.S. 112 hosts a number of school-wide family events each year such as Someone Special Dances, Family Fun Night and Movie Nights, providing our families with the opportunity to spend quality time together. Additionally, all classroom and ENL teachers host 2 family engagement activities per year, one in the fall and one in the spring. Some examples of activities offered are publishing parties, cultural feasts and review of instructional programs.

P.S. 112 will also host ENL classes for families. Our ENL teacher host monthly sessions for families so they can learn and improve their English language skills. These opportunities can help families support their children at home.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Our school ensures all families of MLs/ELLs are aware of family leadership opportunities. All notifications of opportunities are backpacked home in various languages. Notifications are also sent home digitally through a remind app and GAMA.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Our school has culturally and linguistically responsive partnerships that support the needs of our school. For example, we work with FIAO, The Federation of Italian Americans and they provide our school with a free after school service for students. During this program, students have homework help and engage in various extra curricula activities. This program is particularly helpful for our working families that need child care after the school day. We also have a partnership with IACE, The Italian American Committee on Education. It is a New York based non-profit organization founded in 1975 to promote the study of the Italian language and culture within the Tri-state area. The IACE program is financed through an Italian Government grant and operates under the supervision of the Consulate General of Italy in New York. They help support our school community and our Italian Dual Language program by providing grant funds and various activities for students.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

n/a

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

The members of our identification team include the ELL Coordinator/Assistant Principal and the ENL team which consists of 4 ENL teachers. Additionally, when a student enrolls who speaks a language other than English, the Language Proficiency Team (LPT) convenes which includes the above members as well as the Special Education Liaison.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

1)The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
2)Enrollment status of each newly admitted student is determined
a. If student has been in NYS public schools within past 2 years, our school contacts previous school to obtain ELL status relevant assessment scores, and proficiency level.
b. If student has been outside of NYS public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.
3)The home language of the student is determined by a trained and licensed pedagogue.
a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.
4)An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
5)Eligibility for the NYSITELL is determined.
a. If the newly enrolled student is a possible ELL and has an IEP, the school's Language Proficiency Team (LPT)

recommends eligibility to the principal, who obtains final approval from the superintendent.
6)Student is administered the NYSITELL, if eligible.
7)Parent notification letters are sent to the parent in the parent's preferred language.
a. Parent is notified of their child's ELL status and results of the NYSITELL.
8)If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish LAB.
9)Student with interrupted/inconsistent formal education (SIFE) status is determined using New York State's resources available on NYSED's website: http://www.nysed.gov/bilingual-ed/schools/studentsinterruptedinconsistent-formal-education-sife.
10)If student is an ELL, parent is invited to the parent orientation meeting.
a. Parent orientation meeting provides parents with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents are encouraged to ask questions so that they are informed about all ELL programs; translation and interpretation services are provided throughout the meeting.
11)ELL is placed in the ELL program that the parent selected.
a. If the ELL program that the parent selected is not available, the parent is offered a transfer to a school with that program in accordance with DOE transfer policies.
b. If the ELL remains in the school, the ELL is placed in English as a new language and our school keeps track of parent choice so that when minimum thresholds are met, we can open the ELL program of choice.
12)Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Reidentification Process).
13)If the ELL Reidentification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Reidentification Process within 6 to 12 months.
14)Copies of letters and parent notifications regarding ELL identification are kept in the students' cumulative files.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Jennifer Potter

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Elena Cunneely

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Cathleen	Giordano	Parent Coordinator - Annual	11/06/2024	y
Mary	Kayser	Assistant Principal 10 Month	6/13/23	y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Student Emergency Contact cards,Other (Please specify in the next question)

If Other was selected, describe the resource here:

The school annually runs the Adult Preferred Language Report (RAPL) which indicates the preferred spoken and written languages of our parents and the Parent's Preferred Language Report (RCPL) which indicates the number and percentages of each language preferred by our parents. Home Language Identification Surveys (HLIS), Student Registration Forms and Emergency Contact Cards are also reviewed to assess the language needs of our parents. Additionally, parents are provided with surveys at the start of each school year to determine their language of choice.

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ALBANIAN	2	0.27%	2	0.27%	1	1
ARABIC	20	2.66%	19	2.54%	1	1
BURMESE	1	0.13%	1	0.13%	0	0
CHINESE ANY	146	19.44%	140	18.72%	3	3
CANTONESE	2	0.27%	6	0.80%	3	3

GEORGIAN	2	0.27%	2	0.27%	0	0
HUNGARIAN	1	0.13%	1	0.13%	0	0
ITALIAN	9	1.20%	11	1.47%	9	9
MANDARIN	3	0.40%	12	1.60%	3	3
ENGLISH	294	39.15%	283	37.83%	50	50
POLISH	2	0.27%	2	0.27%	0	0
RUSSIAN	36	4.79%	34	4.55%	0	0
SLOVAK	0	0.00%	1	0.13%	0	0
SPANISH	217	28.89%	213	28.48%	5	5
URDU	5	0.67%	5	0.67%	2	2
UKRAINIAN	3	0.40%	7	0.94%	0	0
UZBEK	7	0.93%	8	1.07%	0	0
VIETNAMESE	1	0.13%	1	0.13%	0	0

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Notices for Parent Teacher Conferences	We use school based personnel or submit a request to the Office of Language Access if needed.
School calendar	We use school based personnel and volunteer members of the PTA.
Monthly curriculum letters	We use school based personnel or submit a request to the Office of Language Access if needed.
ENL Program Parent letters	We use NYCPS translated templates.
Notices of PTA meetings	We use volunteer members of the PTA.
Notices of after-school program	We use school based personnel or submit a request to the Office of Language Access if needed.
Letters for Academic Intervention Services	We use school based personnel or submit a request to the Office of Language Access if needed.
Notices for extra-curricula activities	We use school based personnel or submit a request to the Office of Language Access if needed.
notices of family functions	We use school based personnel and volunteer members of the PTA.

trip notices	We use school based personnel or submit a request to the Office of Language Access if needed.
notices of NYS assessments	We use school based personnel or submit a request to the Office of Language Access if needed.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent-Teacher Conferences including Parent Curriculum Night	We use school based personnel, over the phone interpretation services and Pocket Talk.
ENL Parent Orientation	We use school based personnel, over the phone interpretation services and Pocket Talk.
Pre-K and Kindergarten orientations	We use school based personnel.
Parent Engagement Meetings and workshops, including annual meetings with ELL parents	We use school based personnel and over the phone interpretation services.
PTA meetings	We use school based personnel and volunteer members of the PTA.
IEP meetings	We use school based personnel and OPI services.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

In the event of an emergency, we will use our school-based personnel to assist with interpretation services for our limited English-proficient families. When school-based personnel are unavailable, we will use Pocket Talk devices to communicate in various languages. We will also use Language Line Solutions (over the phone interpretation services) as the number is readily programmed on our school land line phones as well as the cell phones of the school BRT members. The parent coordinator will also send out remind messages and email blasts through GAMA to all families advising of potential emergencies.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Our school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform on the initial staff professional development days in September. This 30 min training will be included on the agenda for one of the professional development days. The documents, Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents will also be distributed to the staff during this time.

Additionally, our Galaxy-designated LAC will disseminate future language access resources and updates to all staff members via staff email or hard copy if applicable.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

In compliance with Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services, parents will be provided with written notification at the beginning of the school year of their rights to receive such services and instructions on how to obtain them. Parents will receive a copy of the Parents'Bill of Rights addressing their rights to translation and interpretation services. Additionally, it is posted in all languages on the Parent Information Board and parents can access it online through our school website. In addition, the "I Speak" cards are available on the security desks and the poster for parents regarding assistance in various languages is posted on a bulletin board located near the primary entrances of the buildings. Our parent handbook
will be available for in various languages. The 2024-2025 School Safety Plan will identify procedures to ensure that language barriers will not interfere with limited and non-English speaking parents contacting the school's administrative office in case of emergency. In the event in which parents of more than 10% of the children speak a primary language nor a covered language, the school will contact the Translation and Interpretation Unit for assistance. Parents will also be informed of the availability of the Department of Education's website for further information.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Our school will gather feedback from parents on the quality and availability of these services through parent surveys, individual conversations with parents and at PTA meetings. The Title I Parent Advisory Committee and the SLT meet on a monthly basis to review parent feedback regarding available language support services and make decisions to improve the quality of these services for parents.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Over the past few years, we have made some improvements to our language services for parents. For example, we include translated teacher comments with the report cards for parents who need as well as Google translate notices for parents with low incidence languages for a more individualized approach. Additionally, Pocket Talk devices were purchased and are available in the main office. These devices come equipped with dual microphones and can translate one on one conversations during face to face meetings. This makes for a more personal experience and will improve the language services we provide for our families. We will also purchase conference microphones for in person, group interpretations services. These microphones can accommodate up to 50 people at one time.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

149

Grades to be served in this program. Select all that apply.

,1,2,3,4,5,K

Total number of teachers in this program:

8

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

4

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

4

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Our Title III Supplemental Program for ELLs will take place after school and consist of 2 cycles. The first cycle is designed to support all of ELL students at the Entering and Emerging proficiency levels, including our students identified as SIFE. The second cycle will support our Transitioning and Expanding students. The 2 cycles allow for us to support more ELL students with the Title III funds. The program will be taught in English by 4 ENL certified teachers. Cycle 1 will run from November 2025 to February 2026 and the 2nd cycle will run from February 2026 to May 2026. The students will be grouped by grade and proficiency levels and meet one to two times a week from 2:20pm-3:20pm.

In the first cycle, the Entering and Emerging students in grades 1-5 will learn English language skills through shared reading experiences. The teachers will also plan reading and strategy lessons using a variety of texts. All grades will use the National Geographic Panorama, Science series within the Title III program. Authentic fiction and National Geographic nonfiction texts will be explored. Students will engage with interactive texts and video. Online student books include interactive questions, audio, word-tracking bouncing balls for beginning readers, and vocabulary pop-ups. The videos introduce the science topics, build background, highlight vocabulary, and engage students in content. Teachers will have access to differentiated instruction and customized lessons based on reading and science standards. The Panorama program is also available in Spanish which will help support our Spanish speaking students.

During the 2nd cycle, the Transitioning and Expanding students in grades K-5 will be supported with reading, writing, listening and speaking strategies designed to increase language acquisition and build content knowledge around Science. Standards aligned literacy instruction will support students in reading and responding to reading using text based evidence. Teachers will use National Geographic Panorama Science series and various fiction and nonfiction texts to increase achievement in learning the English language as well as support students in reaching grade level reading standards.

Four general education classroom teachers will work collaboratively with the ENL teachers and also work the Title III after-school program. The classroom teachers will support language and literacy achievement using various fiction and nonfiction texts during the afterschool program. They will analyze student data to target instruction for small groups and offer ENL scaffolds to support learning.

The Title III program will be supervised by administration. The salary for teachers of the program will be at cost to Title III.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**

- **Data sources used to justify the need for the program**

The rationale for our Title III Supplemental Program is based on careful analysis of the data provided by the NYSESLAT and the NYS ELA assessments. Analysis of the 2025 NYSESLAT shows that 19% of ELL students scored at the Commanding level which is a 5.6% increase from the 2024 NYSESLAT assessment. Analysis of the 2025 NYSESLAT showed that 60% of the ELL population increased 1 or more levels, an 18% increase from the 2024 NYSESLAT and 31% remained at the same proficiency level, an 8% decrease from the prior year. 7% of the ELL students decreased 1 or more levels on the NYSESLAT assessment. Additionally, analysis of the NYS ELA shows that of the 64 students who took the assessment, 14 ELL students scored proficiency.

Past trends on the NYSESLAT showed that most ELL students score low in the writing and speaking modalities. When analyzing 2024 NYSESLAT data, the trend shows that ELLs and Former ELLs who scored low, answering less than 15% of questions correctly, occurred within the writing and speaking modalities. However, the data from the 2025 NYSESLAT assessment show that most ELL students scored low in both the reading and writing modalities and their performance in the speaking has shown some gains.

We will continue to support our ELLs with a supplemental program focusing on literacy and language acquisition. We have determined that our Title III Supplemental Program will take place after-school as research shows after school instruction has a positive effect on students' development. After-school programs can have an impact on academic achievement, improve social and personal skills and maintain positive behaviors.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Entering, Emerging, Transitioning and Expanding students in grades K-5 will participate in the Title III program. There are a toral of 149 students.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Our Title III Supplemental Program for ELLs will take place after school. The classes will meet one to two times a week from 2:25pm-3:25pm. The entire program will run from November 2025 to May 2026.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The program will be taught in English.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

- 4 ENL certified teachers
- 4 general education teachers

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

- National Geographic student texts (no cost to Title III funds)
- shared reading books (no cost to Title III)
- various fiction and nonfiction grade level texts (No cost to Title III)

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Each ENL and classroom teacher will maintain the records of the ELLs they service. Teachers will maintain the parent permission slips for entry into the program. Teachers will take attendance on a daily basis. They will collect and analyze student data in an effort to target instruction for participating students.

National Geographic materials will be used. Teachers will analyze the 2025 NYSESLAT data to determine student admittance to the program and proper placement. Parent letters in all languages will be distributed to families prior to the start of the program. Progress monitoring to evaluate the effectiveness of the Title III program will take place in 6 week cycles. Administrators will collaborate with Title III teachers to monitor progress and make adjustments to instruction.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Our school's professional development program will consist of workshops and training sessions for teachers. Ongoing professional development ensures that educators continue to grow and strengthen their instructional practices as well as ensure effective delivery of newly implemented programs. This ongoing professional development will provide teachers with the skills and strategies they need to support ELL students' language acquisition as well as literacy development.

Professional development workshops will be provided for all Title III Program teachers.

During the 2025-2026 school year, professional development opportunities will been designed to support the teachers of the Title III Supplemental program. The ENL teachers will participate in a professional development session provided by National Geographic. The workshop will take place in the fall. Teachers will participate in professional learning on how to use the program. Attendance records and agendas for all workshops will be maintained. ENL teachers will also attend professional learning sessions offered through the District Office and Fordham University. These workshops are designed to support our continued efforts around the Instructional Leadership Framework which requires that we engage in advanced literacies with culturally responsive-sustaining practices to ensure high quality and equitable instruction for all learners.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Our school's professional development program will consist of workshops and training sessions for teachers. Ongoing professional development ensures that educators continue to grow and strengthen their instructional practices as well as ensure effective delivery of newly implemented programs. This ongoing professional development will provide teachers with the skills and strategies they need to support ELL students' language acquisition as well as literacy development.

The data source used to justify the professional development plan will is the results of the 2025 NYSESLAT assessment. Careful analysis of the 2025 NYSESLAT shows that 19% of ELL students scored at the Commanding level which is a 5.6% increase from the 2024 NYSESLAT assessment. Analysis of the 2025 NYSESLAT showed that 60% of the ELL population increased 1 or more levels, an 18% increase from the 2024 NYSESLAT and 31% remained at the same proficiency level, an 8% decrease from the prior year. 7% of the ELL students decreased 1 or more levels on the NYSESLAT assessment.

Past trends on the NYSESLAT showed that most ELL students score low in the writing and speaking modalities. When analyzing 2024 NYSESLAT data, the trend shows that ELLs and Former ELLs who scored low, answering less than 15% of questions correctly, occurred within the writing and speaking modalities. However, the data from the 2025 NYSESLAT assessment show that most ELL students scored low in both the reading and writing modalities and their performance in the speaking has shown some gains.

Our Title III plan, including the use of the National Geographic Panorama program, as well as professional learning sessions around literacy will support ELL instruction and language development.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

Professional development workshops will be provided for Title III Program teachers. Our school will provide professional learning sessions for teachers to support the delivery of the HMH curriculum in all grades, K-5. These sessions will be provided by HMH and and related facilitators to target resources and strategies for ELL students. Additionally, teachers will receive ongoing Orton Gillingham coaching sessions to support best practices.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

During the 2025-2026 school year, professional development opportunities will been designed to support the teachers of the Title III Supplemental program. The ENL teachers will participate in a professional development session provided by National Geographic. The workshop will take place in the fall of 2025. Teachers will participate in a 3 hour professional learning session on how to use the program. ENL teachers will also attend professional learning sessions offered through the District Office and Fordham University. These workshops are designed to support our continued efforts around the Instructional Leadership Framework which requires that we engage in advanced literacies with culturally responsive-sustaining practices to ensure high quality and equitable instruction for all learners.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

During the 2025-2026 school year, professional development opportunities will been designed to support the teachers of the Title III Supplemental program. The ENL teachers will participate in a professional development session provided by National Geographic. The workshop will take place in the fall of 2025. Teachers will participate in a 3 hour professional learning session on how to use the program. ENL teachers will also attend professional learning sessions offered through the District Office and Fordham University. These workshops are designed to support our continued efforts around the Instructional Leadership Framework which requires that we engage in advanced literacies with culturally responsive-sustaining practices to ensure high quality and equitable instruction for all learners.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

- District 20's Superintendent's Team and Fordham University: Hallmarks of Advanced Literacies
- National Geographic

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Attendance records and agendas for all workshops will be maintained.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Our school will provide family workshops for parents of ELLs in an effort to impact higher achievement for ELLs. Research shows that when schools and families work together to support learning, children tend to do better in school, stay in school longer and like school more.

Our school will conduct monthly PTA meetings for families. The meetings will take place during the evening from 6-7pm. Our ENL teachers will also host meetings for our ELL families 2 times per year after school. Additionally, all classroom teachers will host 2 family engagement activities per year, one in the fall and one in the spring.

Monthly PTA meetings will include information regarding various state assessments, school-wide programs and services as well as homework help. During PTA meetings, the principal will also discuss upcoming Books of the Month, units of study and various upcoming school events. Our ENL teachers will also host workshops and engagement activities for our ELL families. These sessions will include workshops on various topics and provide parents with strategies to support their children in reading, writing, listening and speaking. They will provide parents with the information and training they need to support their children at home. ENL teachers will design the workshops for parents to work with their children. Families can participate in activities aligned with the ELL curriculum, showcasing the work the students have been engaged in. Examples of family engagement activities provided by the classroom teachers are: The How To's of Orton Gillingham, poetry share or cultural feast.

The parent coordinator along with admin and the PTA will host the PTA meetings. Some PTA Meetings will include workshops provided by CITE such as the Dial-A-Teacher workshop. The 4 ENL teachers will host meetings for the ELL families.

Additionally, P.S. 112 will also host ENL classes for families. ENL staff will conduct sessions where families can learn and improve their English language skills. These opportunities can help families support their children at home. These funds will be at cost to Title III.

Our Parent Coordinator and teachers will send home all school correspondence in all languages so parents are made aware of the activities available to them. These notices will be posted on our website as well as emailed and sent through the Remind App. Additionally, interpretation services will be available at events to support our non-English speaking parents. The Parent Coordinator, teachers and paras who can assist with language will support these efforts as well. The Parent Coordinator and teachers will maintain copies of agendas, attendance sheets and invitation letters in all languages to keep on file.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Our school will provide family workshops for parents of ELLs in an effort to impact higher achievement for ELLs. Research shows that when schools and families work together to support learning, children tend to do better in school, stay in school longer and like school more.

The data source used to justify the need for family engagement activities is the NYC School Survey. Data analysis showed that 93% of families responded favorably to the topic related to parent involvement in school however, only 86% of our ELL families responded favorably. Our school ensures parent voice is heard. For example, our Parent Coordinator sends home interest surveys for families to indicate what topics they would like to have covered at parent meetings or events. These surveys are used to schedule and organize the meetings.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Our school will conduct monthly PTA meetings for families. The meetings will take place during the evening from 6-7pm. Our ENL teachers will also host meetings for our ELL families 2 times per year after school. Additionally, all classroom teachers will host 2 family engagement activities per year, one in the fall and one in the spring.

Monthly PTA meetings will include information regarding various state assessments, school-wide programs and services as well as homework help. During PTA meetings, the principal will also discuss upcoming Books of the Month, units of study and various upcoming school events. Our ENL teachers will also host workshops and engagement activities for our ELL families. These sessions will include workshops on various topics and provide parents with strategies to support their children in reading, writing, listening and speaking. They will provide parents with the information and training they need to support their children at home. ENL teachers will design the workshops for parents to work with their children. Families can participate in activities aligned with the ELL curriculum, showcasing the work the students have been engaged in. Examples of family engagement activities provided by the classroom teachers are: The How To's of Orton Gillingham, poetry share or cultural feast.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Monthly PTA meetings will include information regarding various state assessments, school-wide programs and services as well as homework help. During PTA meetings, the principal will also discuss upcoming Books of the Month, units of study and various upcoming school events. Our ENL teachers will also host workshops and engagement activities for our ELL families. These sessions will include workshops on various topics and provide parents with strategies to support their children in reading, writing, listening and speaking. They will provide parents with the information and training they need to support their children at home. ENL teachers will design the workshops for parents to work with their children. Families can participate in activities aligned with the ELL curriculum, showcasing the work the students have been engaged in. Examples of family engagement activities provided by the classroom teachers are: The How To's of Orton Gillingham, poetry share or cultural feast.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

The parent coordinator along with admin and the PTA will host the PTA meetings. Some PTA Meetings will include workshops provided by CITE such as the Dial-A-Teacher workshop. The 4 ENL teachers, Erica Duran, Emma Shehu, Nicole Fallon and Mira Preci will host various meetings and engagement activities for the ELL families such as Family Literacy Game night and holiday writing with families.

These activities are at no cost to Title III.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Our Parent Coordinator and teachers will send home all school correspondence in all languages so parents are made aware of the activities available to them. These notices will be posted on our website as well as emailed and sent through the Remind App. Additionally, interpretation services will be available at events to support our non-English speaking parents. The Parent Coordinator, teachers and paras who can assist with language will support these efforts as well. The Parent Coordinator and teachers will maintain copies of agendas, attendance sheets and invitation letters in all languages to keep on file.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

All teacher hosts of family engagement activities will maintain copies of invitations sent home. Attendance will be take at each event and those records will be maintained as well. The PTA will maintain copies of meeting notifications and parents will sign in at PTA meetings to indicate their attendance.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Grades to be served in this program. Select all that apply.

,3,4,5

Total number of teachers in this program:

13

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

- The standards aligned Literacy and Math program, funded under Title III immigrants will take place afterschool.
- Students will engage in targeted ELA and Math instruction aligned to the Next Generation Learning Standards designed to support achievement and grade level proficiency. This program will aim to ensure students are prepared with the necessary skills and knowledge in English Language Arts and Mathematics for the 21st century, encompassing critical thinking, problem-solving, and deeper understanding across various grade levels. The targeted instruction will be based on various assessment data such as iReady, HMH Module assessments, Engage NY module assessments as well as teacher observations. These activities will enhance instructional opportunities for immigrant students, including ELLs by providing opportunities to read grade appropriate text, answer text based questions and write responses about their reading. Students will learn how to answer questions and provide text based evidence to support their thinking.

- The students will be grouped by grade and receive instruction by their own classroom teacher as these teachers know their students best. There will be approximately 13 groups.
- Instruction will be delivered as it is delivered on a regular basis. Classroom teachers will provide whole class instruction aligned to the NGLS and work with small groups designed to advance targeted skills.
- The program will be supervised by the Principal and is at cost to Title III for Immigrants.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

Research shows that after school, targeted instruction has a positive effect on students' development. After school programs can have an impact on academic achievement, improve social and personal skills and maintain positive behaviors. Careful analysis of the NYS ELA and Math data as well as iReady ELA and Math data, shows that our students will benefit from additional academic support to increase proficiency in reading, writing and math.

When comparing our 2025 NYS ELA data with 2024, a 8% increase was noted. EOY iReady ELA data from 2024 to 2025 shows a 3% increase in proficiency. When comparing the 2025 NYS Math Data with 2024, a 7% increase was noted. When comparing the EOY iReady Math data from 2024 to 2025 a 2% increase was noted as well. Our goal is to continue on this path of increasing proficiency for all learners.

As such, our plan for the standards aligned Literacy and Math program will allow for the students to make gains in reading, writing and math. The after school program will be designed to service all students in grades 3-5, including immigrant students and ELLs. The students in grades 3-5 will be provided with extra academic support in reading, writing and math in an effort to increase reading and writing proficiency as well as math skills. Teachers will provide academic support through small group, strategy based instruction based on the results of various assessments such as iReady and end mod assessments within the reading and math curriculums.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

- The total number of students in the program is 367.
- The grade levels of students in the program are 3, 4, and 5.
- 66 ELLs of all proficiency levels, in grades 3-5 are included in the program.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

- The start date is March 2, 2026. The end date is May 1, 2025.
- There are 4 total sessions for each of the 3 grades
- The days of sessions are Tuesdays, Wednesdays and Thursdays.
- The times of the sessions will be 1 hour, from 2:25pm to 3:25pm.

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

The language of instruction will be English. In the classroom home language support will be provided. For example, labels in different languages will be displayed and key vocabulary will be translated in various home languages. Texts will be translated for students who can read in their home language and technology can be utilized when translations or interpretations are needed.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

There will be a total of 13 certified teachers. All teachers hold either a common branch license or a Special Education license. All of these teachers co-plan with certified ENL teachers on a monthly basis during the school year.

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

Teachers in grades 3-5 will use reading, writing and math resources, including iReady instructional materials. These materials are at no cost to Title III Immigrant Fund.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

- Teachers will take attendance during each session. Teachers will track student progress using iReady, HMH module assessments and Engage NY end mod assessments. Teachers will also use benchmarks administered throughout the year to monitor student learning during the program.
- Our school will prepare for the implementation of the program in advance. Teachers will be provided with time to plan instruction for the program, including instruction for small groups. Teachers will plan as a grade. Notices in all languages will be sent home to families to notify them of the Title III Immigrant Program.
- Classroom teachers, Special Education teachers, ENL teachers as well as the administrative team will administer and monitor the program.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

- In an effort to increase students' literacy and math proficiency, professional development will be provided to the teachers in the Immigrant Funds Program. Professional development sessions in both literacy and math will be provided to teachers to strengthen instruction. Monthly professional development sessions will be provided to teachers by various literacy staff developers, including HMH. The workshop series supports teachers' instructional practices as well as data analysis and small group instruction. Teachers will also receive math professional development through Frank Cunningham Consultancy. Teachers will align instruction with NGLS, analyze student data, create small groups and design instruction to support student need.

- ELA and Math activities that teachers will engage in are as follows: data analysis, designing and implementing small group instruction based on data, test prep strategies and how to use the test prep materials

- The professional development provided will be at no cost to the Title III Immigrant Funds.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

When comparing our 2025 NYS ELA data with 2024, a 8% increase was noted. EOY iReady ELA data from 2024 to 2025 shows a 3% increase in proficiency. When comparing the 2025 NYS Math Data with 2024, a 7% increase was noted. When comparing the EOY iReady Math data from 2024 to 2025 a 2% increase was noted as well. Our goal is to continue on this path of increasing proficiency for all learners.

A such, it was determined that professional development will support the teachers in student data analysis, identifying strengths and gap areas as well as designing instruction for groups in effort to increase proficiency in ELA and Mathematics. During Professional development, teachers will use the item skills analysis to make curricular adjustments and prepare for the Title III Immigrant Funds Program.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

All 13 teachers of the Title III Immigrant Program will receive professional development. There will be monthly literacy professional development sessions scheduled to take place between October and June. Math professional development will also take place during this time.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

- Literacy professional development sessions provided by HMH will begin in October 2025 and end in June 2025. Math professional development sessions provided by Frank Cunningham Consultancy will begin in September 2025 and end in May 2026.

- There will be 4 total literacy sessions for teachers of Grades K-2.
- There will be a total of 10 literacy sessions for teachers of Grades 3-5.
- There will be a total of 9 math sessions for all grades.

- K-2 Literacy sessions will be held on 10/28/25, 11/25/25, 3/6/26, 4/17/26. Teachers of each grade will participate in 100 minutes of professional development on each of the days scheduled.
- 3-5 literacy sessions will be held on 9/19/25, 10/15/25, 10/16/25, 12/11/25, 12/12/25, 1/15/26, 1/15/26, 2/9/26, 2/26/26, 2/27/26. Teachers of each grade will receive 150 minutes of professional learning on 5 of the days scheduled.
- Math sessions will be held on: 9/22/25, 10/27/25, 11/17/25, 12/8/25, 1/12/26, 2/2/26, 3/9/26, 4/13/26, 5/4/26 from 2:20-3:20 each day.

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

- ELA and Math activities that teachers will engage in are as follows: data analysis and designing and implementing small group instruction based on data.

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

1) HMH Coach Grades K-2
2) Literacy Coach Grades 3-5
3) Frank Cunningham Consultancy Math Facilitator

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

Attendance sheets from each meeting will be maintained as well as dated agendas and powerpoints used.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Parental engagement activities for all students, including parents of immigrant students and ELLs will be provided in an effort to impact higher achievement for students. The parent workshops will be designed to help parents support their children at home.

Parent workshops will be provided by the literacy coach and Reading AIS provider for families around the NYS Assessments and the standards aligned curriculum and instruction implemented. The workshop will provide details of our curriculum in ELA, Math and Science. The workshop will provide details of our ENL program. Parents will be informed of the demands of the NYS assessments. Additionally, parents will be provided with resources that can help them support their children at home such as sample texts and response questions. English Language classes are also offered to families who want to learn English. These classes are facilitated by our ENL teachers.

Parental engagement workshops will be at cost to the Title III Immigrant Fund Program. Presenters will be paid per session for their hourly service.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

According to the 2025 NYC School Survey, it was noted that 89% of families responded favorably to regarding the question about attending a school meeting or event. Students whose families participate in their education have higher levels of attendance, homework completion, academic outcomes, and graduation rates. As such, our school's focus and initiative is to continue to connect with families on a regular basis to increase family engagement.

Families are provided with interest surveys and topics that are selected are presented at our monthly PTA meetings.

Parents are also provided with a QR code to express topics of interest for upcoming engagement activities.

Families need to be familiar with the NYS Next Generation Learning Standards and how our curriculum supports student learning to meet those standards. Parents need to also understand the expectations of the NYS Assessments in order to support their children at home. Families need to see and be familiar with standards based questions and demands. These workshops will provide all the tools and resources necessary for families to support their children at home.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

- Both family workshops will be held in February 2026.
- There will be 2 sessions, one morning and one evening.
- The days of the sessions are TBD.
- The am session will take place at 9:30am and the evening session will take place at 6:00pm. Each session will be one hour in length.

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

Parent workshops will be provided by the literacy coach and Reading AIS provider for families around our standards aligned curriculum in Literacy, Math and Science as well as NYS Assessments. A review of our ENL program will also be provided.

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

- P.S. 112 Literacy Coach
- P.S. 112 Reading AIS Provider

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Parents will be notified of these workshops via email as well hard copies back packed home. All notifications will be translated for families that request written communications in their home language.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Our school will maintain documentation of family engagement activities and notifications to families. Examples of documentation that we will keep on file are attendance?sheets, invitations, translations, evidence of interpretation and powerpoint presentations.

Part E: Budget
