Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

P.S. 170 The Ralph A. Fabrizio School

District Borough Number (DBN):

20K170

Grades Served:

K-5

School Address:

619 72nd Street Brooklyn, NY 11209

Phone Number:

718-491-8400

Fax:

718-491-8405

School Contact Person:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Holli Sainz	*Principal or Designee	
Sabha Jawad	*United Federation of Teachers (UFT) Chapter Leader or Designee	
Jennifer Quatrock	*Parents' Association (PA)/ Parent-Teacher Association (PTA) President or Designated Co-President	
Audra Salhany	District Council 37 (DC 37) Representative (staff), if applicable	
Michelle Ho	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for high schools)	
N/A	Student Representative (Required for high schools)	
N/A	CBO Representative, if applicable	
N/A	Student Representative (Required for CSI, TSI, Receivership Middle Schools)	
N/A	Student Representative (Required for CSI, TSI, Receivership Middle Schools)	
Susan Wang	Parent	
Trianthe Marinez	Teacher	
Zhouran Wang	Teacher	
Fei Fei Shen	Parent	
Ciara Lee Sanchez	Parent	
Christina Diamond	Parent	
Austin Perilli	Teacher	
Shauna Boreham	Teacher	
Michelle Goh	Teacher	
Kelly Stachlik	Teacher	

Shelly Hamilton	Parent
Nenying Shi	Parent

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature
Kristi Pollock	Assistant Principal	
Maria Strongilis	Assistant Principal	
Ming Chin Lin	Assistant Principal	
Elen Stratis	ELL Coordinator/ Instructional Coach	
Laura Mirto	Instructional Coach	

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

The P.S. 170 school community will work collaboratively to create a learning environment, which encourages all students to strive for academic excellence, nurtures exemplary citizenship, develops social emotional skills, and embraces all cultures.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P.S. 170, also known as the Ralph A. Fabrizio School, is situated in the vibrant and diverse community of Bay Ridge, Brooklyn. Our school serves students from a wide range of cultural backgrounds, embracing and celebrating diversity at every turn. Each year, we organize cultural festivals in February to honor our diverse community, fostering a sense of unity and respect among our students.

As a testament to our commitment to inclusivity, P.S. 170 has earned the prestigious "Respect for All" designation for several consecutive years. We work tirelessly to create a cohesive learning community built on trust and respect, where every student feels valued and supported.

P.S. 170 is a Title 1 school, catering to the needs of students from economically disadvantaged backgrounds. A significant portion of our student population faces various challenges, including 32% who are English Language Learners and 17% who have disabilities. Our school community comprises 59% Asian, 17% Hispanic, 23% White, and 1% American Indian or Alaska Native students, forming a rich tapestry of cultures and experiences.

Recognizing the diverse language needs of our students, we have implemented strategies to support their English language development. Many of our teachers are dual-certified in Common Branch and ENL or Sp. Ed., ensuring that each student receives the necessary scaffolding support to thrive academically.

To enhance our educational offerings, we have embarked on a journey to reimagine our school based on the Chancellor's four pillars. Our focus areas include strengthening reading and phonics instruction, promoting culturally responsive teaching practices, and nurturing the social and emotional well-being of our students.

A highlight of our academic programs is the English/Mandarin Dual Language program, which operates with the side by side model. Selected students in grades K-5 immerse themselves completely in either all English or all Mandarin classes on rotating days, fostering bilingualism and cross-cultural understanding.

At P.S. 170, we firmly believe in the power of the arts to inspire and engage our students. Our comprehensive arts program encompasses band, violin, chorus, piano, visual arts, and music programs. In collaboration with esteemed

organizations such as Midori and Friends and Music Memory, we provide enriching experiences that broaden our students' artistic horizons.

In response to a significant portion of students in need of improvement, we have established a Small Group Instruction Program. Each classroom teacher dedicates a period each day to working with a select group of students, targeting areas of academic deficit and providing tailored support.

A top priority for us is the integration of STEM/STEAM education. Through cooperative group work and real-life problem-solving, our students apply science, math, technology, and engineering skills. By fostering critical thinking and innovation, we empower our students to become active participants in the world of tomorrow.

P.S. 170 has invested in cutting-edge technology to redefine and redesign classroom instruction. Each classroom is equipped with iPad and laptop carts, as well as state-of-the-art Smart Boards, creating an engaging and interactive learning environment. Through extensive professional development in Smart technology, our teachers craft interactive lessons across all subject areas, providing multiple entry points for diverse learners. We also use the DoE Attendance, Gradebook, Message App to streamline data and communication.

Collaboration and continuous improvement are at the core of our teaching practices. Teacher teams actively engage in inquiry, benefiting from inter-visitations and the sharing of instructional practices. Assessment results and student work are carefully reviewed to evaluate the effectiveness of intervention strategies, ensuring that our students receive the support they need.

Emphasizing the emotional well-being of our students, P.S. 170 prioritizes their social and emotional development. Teachers plan their lessons incorporating social emotional skills. They use the DESSA (Devereux Student Strengths Assessment) to identify the students' social emotional strengths and needs and work closely with students on a weekly basis, providing meaningful lessons and activities that focus on promoting the mental and physical wellness of our students. By creating a supportive environment where students can understand and express their emotions, we aim to nurture their overall well-being and empower them to navigate life's challenges with resilience and confidence.

Parent engagement is one of the school's priorities. We translate all school correspondences into Arabic, Chinese and Spanish and they are sent to families in emails, hard copies, as well as posted on websites. Parent workshops are offered on a consistent basis and many parent engagement activities are held throughout the school year.

Briefly summarize the key initiatives your school will implement this school year.

-Continue to rollout Into Reading and continue to develop module and lesson plans that are aligned to NGLS.
-Inter-visitations and instructional rounds to share good practices and reflect on teaching practices
-Professional development on science of reading, Wilson Fundations, and Heggerty
-Continue to implement mathematical instructional skills from the District's Mathematic Institute for APs
-Inquiry work using essential assessment data

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
Math	K-5	EnVision Math 2020	
ELA	K-5	Into Reading	
Phonics	K-2	Wilson Fundations	
Phonics	K-2	Heggerty Phonemic Awareness	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
About 37% of students in grades K-2 are performing below grade level as measured by Acadience Screeners. About 31% of students in grades 3-5 are performing below grade level as measured by EOY I-Ready screener.	Students in grades K-5 are demonstrating lower reading levels due to the recent implementation of the new HMH reading curricilum, which requires an adjustment period for both teachers and students. Additionally, a high population of ELLs and students with special needs face added challenges in accessing grade-level texts and mastering foundational reading skills.	Most teachers have been trained in the science of reading through LETRS program. Lower grade teachers will be retrained in Wilson Fundations curriculum and Haggarty as well as continue to receive support from HMH Into Reading

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	63	By June, 2026, literacy for All Students will improve, as measured by a 5% Increase, from 63 to 68, of percentage of students scoring "at benchmark" or "above average" on the Acadience Screener.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Acadience and I-Ready Screener.

Enter a Key Performance Indicator

The percentage of students who score at or above benchmark in grades K-5 will increase by 5%.

Baseline:

2024-2025 End of Year Acadience and I-Ready Screener

Enter the date for the baseline data:

May 2025

May 2026

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

HMH Into Reading Core Reading Curriculum
Wilson Fundations Curriculum
Heggerty Curriculum
LETRS Science of Reading PD
RTI and Small Group Instruction (SGI)
Sound Sensible and SPIRE Curriculum for Tier 3 Students
After School Program

Root Cause Addressed:

Teachers have been trained in the science of reading from LETRS, they will now continue their training in Wilson Fundations and incorporate their learning into the HMH and Wilson lessons

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
HMH Into Reading coaching sessions directly from HMH
Continue staff training on key elements from LETRS science of reading, Wilson Fundations, Heggerty, Phonic for Reading, Sound Sensible, and SPIRE
Small Group Instruction periods incorporated into daily schedules will be planned in 6 week sessions with intense focus on groups of students and their specific needs (inquiry).

After- School Intervention Program
Teachers will use data from HMH assessments and screener results to adjust lesson plans and prioritize small group instruction.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will review the Acadience, Into Reading assessments, performance tasks, and iReady results to monitor if we have made sufficient progress. If not, we will examine the instructional practices through observations, instructional walkthroughs, and intervisitations to find out the areas in need of improvement. We will come up with improvement plans to target the deficiencies during small group instruction periods.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/01/2025	06/30/2026	Continue to implement all NYC READs initiatives	
09/01/2025	06/30/2026	Deepen the understanding of Science of Reading through schoolwide professional development	LETRS PD
09/01/2025	06/30/2026	Train Teachers in Wilson Fundations instructional protocols	
09/01/2025	06/30/2026	train teachers in Heggerty instructional protocols	
09/01/2025	06/30/2026	Integrate decodable texts into instruction to reinforce phonics skills and improve reading fluency: Geodes, Classroom libraries, Start right reader, Rigby library	
09/01/2025	06/30/2026	Utilize Acadience screeners, iReady, and Into Reading school wide assessments to provide data for 8-week inquiry cycles to tailor SGI based on student needs and progress	
09/01/2025	06/30/2026	HMH coaching sessions and Professional Development provided for Into Reading	Sessions provided by District 20
09/01/2025	06/30/2026	Dedicate one period a week to be built into the schedule for RAVE (Read Anything Venture Everywhere) time; silent reading, read aloud, or a combination of both (NO DEVICES)	
09/01/2025	06/30/2026	Teachers teams, instructional coaches, and supervisors will focus on unit and lesson planning – co-planning during common preps using UbD Framework to design lessons aligned to NYS Next Generation Learning Standards and NYC Reads initiatives.	
09/01/2025	06/30/2026	Afterschool planning and Afterschool Intervention Program	
09/01/2025	06/30/2026	Intervisitation/instructional rounds	
09/01/2025	06/30/2026	Book of the Month interactive discussions and complete a creative project that ties into themes and lessons of the book	

09/01/2025	06/30/2026	Each grade will come up with a virtual parent orientation presentation that outlines grade expectations for curricula and how to support children at home	
09/01/2025	06/30/2026	Reading Buddies- Upper grade students read to lower grade students (K&3, 1&4, 2&5)	
09/01/2025	06/30/2026	Teacher observations	
09/01/2025	06/30/2026	Vertical and horizontal teacher teams will work with administration and coaches to analyze student data from i-Ready data, Into Reading tests, benchmark assessments, and selection quizzes to note student strengths and weaknesses when planning lessons and next steps for student success.	
09/01/2025	06/30/2026	Equity for different student sub-groups such as ENL, students with disabilities, or from low-income households who are in need of extra supports will be provided necessary scaffolds and entry points through in house programs such as Small Group Instruction periods (SGI), RTI, Arts Connections, and before or after school intervention programs.	
09/01/2025	06/30/2026	• Teachers will continue best practices by incorporating technology into daily lessons for all students through the use of Google Classroom, Google Slides, Smart Boards, iPads, laptops, classroom microphones, SORA, Epic Books, Brain-Pop, I-Ready, ChatGPT, News-O-Matic, Commonlit, HMH Waggle, Amira, Writable, Kahoot, Quizlet, NewsELA, and other approved platforms to deliver instruction and easy access to the curriculum as well as opportunities for intervention and enrichment where appropriate.	
09/01/2025	06/30/2026	• Supervisors have also established a protocol to visit each classroom of their supervised grades. They will provide both oral and written feedback to teachers. Grade level teams will meet regularly to address concerns of the grade, share teaching practices, and discuss academic progress of their students.	
09/01/2025	06/30/2026	Supervisors and teachers will attend PDs on Science of Reading, Fundations, and technology to gain better understanding and support the curriculum within the classroom.	
09/01/2025	06/30/2026	Parent outreach and communication will be a priority to ensure parents are aware of student progress through emails, phone calls, and conferences as needed. Parents will also be invited to participate in events such as Educational Celebrations, and the school reading campaign (Book of the Month) to support student interest and achievements in all ELA concepts and grade levels. Teachers will log 55 minutes per week of parent engagement.	
09/01/2025	06/30/2026	Based on NYS and NYC guidelines, plan for an effective testing	

		program for state or city tests. Provide training to staff on test administrations.	
09/01/2025	06/30/2026	The school has adopted the DOE computer based (TeachHUB) gradebook for teachers to enter the results of the major assessments and attendance. This tool allows parents to easily track assignments, grades, and overall performance, ensuring consistent communication between home and school.	

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Teachers and support staff

Instructional Resources

Into Reading, I-Ready, MYON, RazKids, News-O-Matic, Brain-Pop, The Heggerty Phonemic Awareness Curriculum, Wilson Fundations

Schedule Adjustments

An expanded Cluster schedule will allow for all classroom teachers to have SGI (Small Group Instruction) periods incorporated into the schedule. RAVE (Read Anything Venture Everywhere) period will be added to every class

Other Resources Needed

n/a

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Incident Level and Infraction Summary Report documented in the Online Occurence Reporting System (OORS0 2024-2025)	Student academic needs, family or home needs (lack of support and outside resources)	Consistent classroom behavior management systems, de-escalation training for stiff and structures lunchtime/recess initiatives that promote positive students' behavior, reduce incidents, and support a safe, productive learning environment for all students K-5.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	99	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 20% Decrease, in Number of level 3 incidents from 99 to 79, per the Online Occurrence Reporting System (OORS) reports.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

June 2026 decrease 10%.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Teachers and staff will foster a positive learning environment where students can feel safe and respected.
Contract "Because We Can Sports" to run recess once a week to develop Community and Teambuilding within all grades.

Root Cause Addressed:

Improving Student behavior
Mininmizing level 3 infractions within the building

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
· In the first month of school, establish clear rituals and routines that promote positive behavior and create a supportive classroom and school culture.
Teachers will give lessons from InfoHub resources, teachers and students will establish a trusting relationship and have a respectful rapport.
Teachers will continue to receive Professional Development for Social Emotional Learning strategies, behavioral supports, crisis de-escalation, think sheet and similar tools.
The school has brought in the Because We Can sports program to assist with positive behaviors during recess hours.

Key Strategy 2 (Optional):

· Teachers will focus lessons on monthly SEL themes:

Root Cause Addressed:

Improving Student behavior
Mininmizing level 3 infractions within the building

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
September: Building Community
October: Self Awareness
November: Self-Management
December: Social Awareness
January: Relationship Skills
February: Self-esteem & Confidence
March: Responsible Decision Making
April: Mindfulness & Focus
May: Gratitude & Positivity
June: Reflection & Growth

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Informal classroom behavior reports from teachers
Level 3 OORS reports will be reviewed monthly to ensure that we are on track with meeting our goal

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/01/2025	11/28/2025	Teachers and staff will foster a positive learning environment where students can feel safe and respected. Through lessons from teach hub. Teachers and students will establish a trusting relationship and have a respectful rapport. Teachers will continue to receive Professional Development for Social Emotional Learning strategies, behavioral supports, crisis de-escalation, think sheet and similar tools.	
09/01/2025	06/26/2026	Parent outreach will continue to be a priority for staff to communicate the importance of consistent schedules both at school and home to ensure an inclusive positive school culture, bridging families, school and community. School staff will also share information of neighborhood resources (free/affordable) for families needing physical and social outlets such as soccer or baseball leagues, music/art programs, etc. Further parent outreach will take place through translated notices, emails, Google Classroom, and School Messenger, Class Dojo. Our parent coordinator will work liaison between the school, our PTA, and the community to coordinate and inform families of school and neighborhood events.	
09/01/2025	06/26/2026	The school will provide students with opportunities to focus on their physical health through weekly or daily physical education classes, Move to Improve, Go Noodle breaks, recess with organized games, before and after school clubs (basketball, yoga, running, etc.), Sensory Pathway, and Mindful messages.	
09/01/2025	06/26/2026	School will implement monthly SEL initiatives that all classes K-5 will focus on	
09/01/2025	06/26/2026	Teachers and staff will continue to fostera positive learning environment where students can feel safe and respected. Through lessons from TeachHub and Junior Great Books. students will establish a trusting relationship and have a respectful rapport. Teachers will continue to receive Professional Development for Social Emotional Learning strategies, behavioral supports, crisis de-escalation, think sheet and similar tools.	

09/01/2025	06/26/2026	Our annual Cultural (February) and Fall Family (October) Festivals for our families to celebrate the diverse cultures that make up P.S.170 with music, dances, art, and games for all to enjoy.	
09/01/2025	06/26/2026	Parent outreach will continue to be a priority for staff to communicate the importance of consistent schedules both at school and home to ensure an inclusive positive school culture, bridging families, school and community. School staff will also share information of neighborhood resources (free/affordable) for families needing physical and social outlets such as soccer or baseball leagues, music/art programs, etc. Further parent outreach will take place through translated notices, emails, Google Classroom, and School Messenger, Class Dojo. Our parent coordinator will work liaison between the school, our PTA, and the community to coordinate and inform families of school and neighborhood events.	
09/01/2025	04/30/2026	Because We Can Sports will facilitate recess once a week to foster team building and collaboration for all grade levels.	

Priority 2 Budget and Resources

Budget and Resources

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
The 2024 - 2025 NYS Math state assessments indicate students are falling below grade level.	Data, both informal and formal assessments, are not consistently used to drive instruction, student grouping and professional conversations/development. Implementation of UDL is not consistent throughout the school.	Students results on state math exams have not consistently reflected significant gains across all student sub groups

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	82%	June, 2026, the NYS math assessment results will Increase by 2% from 82% to 84%, for All Students, as measured by 2025 - 2026 NYS Math test.
All Students		June, 2026, the NYS math assessment results will Increase by 2% from 82% to 84%, for All Students, as measured by 2025 - 2026 NYS Math test.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Data driven instructional planning.

Professional development based on informal observations.

Small group instruction to provide targeted instruction based on student data.

Implementing protocols for intervisitation observations and instructional rounds.

Root Cause Addressed:

Data, both informal and formal assessments, are not consistently used to drive instruction, student grouping and professional conversations/development.
Implementation of UDL is not consistent throughout the school.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Teachers and supervisors will focus on unit and lesson planning – co-planning
Common preps across grade levels

Utilize screener and 6-week inquiry cycles to tailor SGI based on student needs and progress
Afterschool planning and After-school Intervention Programs
PD for all teachers grade k-5
Intervisitation/instructional rounds
Growth measure assessment results – beginning, middle, and end of year assessments for I-ready
Teacher observations
Teacher teams, coaches, and administration will meet weekly to plan lessons that provide the scaffolds and differentiation to address student needs through UDL (Universal Design for Learning) and SDI (Specially Designed Instruction). Lessons will be aligned to NYS Next Generation Learning Standards.
Vertical and horizontal teacher teams will work with administration and coaches to analyze student data from i-Ready data, module tests, EnVisions topic assessments, benchmark assessments, selection quizzes, math fluency quizzes, and predictives to note student strengths and weaknesses when planning lessons and next steps for student success.
Equity for different student sub-groups such as ENL, students with disabilities, or from low-income households who are in need of extra supports will be provided necessary scaffolds and entry points through in house programs such as Small Group Instruction periods (SGI), RTI, and before or after school intervention program.
Arts Connection
Teachers will continue best practices by incorporating technology into daily lessons for all students through the use of Google Classroom, Google Slides, Smart Boards, iPads, laptops, SORA, Epic Books, Brain-Pop, I-Ready, ChatGPT, News-O-Matic, Commonlit, HMH Waggle, Amira, Writable, Kahoot, Quizlet, Newsela, and other approved platforms to deliver instruction and easy access to the curriculum as well as opportunities for intervention and enrichment where appropriate.
Supervisors have also established a protocol to visit each classroom of their supervised grades. They will provide both oral and written feedback to teachers. Grade level teams will meet regularly to address concerns of the grade, share teaching practices, and discuss academic progress of their students.
Supervisors and teachers will attend PDs on Science of Reading, Fundations, and technology to gain better understanding and support the curriculum within the classroom.
Parent outreach and communication will be a priority to ensure parents are aware of student progress through emails, phone calls, and conferences as needed.
Based on NYS and NYC guidelines, plan for an effective testing calendar for state or city tests. Provide training to staff on test administrations.
Professional development on state test grading and rubrics will be provided to ensure a clear understanding of assessment criteria and grading standards.

Designing and implementing lessons that highlight exemplar work helping students understand expectations and improve performance. Lessons will be tailored to align with state testing criteria.
The school has adopted the DOE computer based (TeachHUB) gradebook for teachers to enter the results of the major assessments and attendance. This tool allows parents to easily track assignments, grades, and overall performance, ensuring consistent communication between home and school.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Refer to word document

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Progress Monitoring Structures:
Weekly teacher team meetings to discuss student data and instruction to target students needs. Data from assessments will monitor students progress and indicate if the targeted instruction was successful. Teachers will make instructional adjustments based on data discussions.
Classroom observations will provide teachers with feedback on aligning instuction to student needs, professional

development initiatives, UDI and SDI.
Teacher and administrator meeting to discuss student data and targeted instruction.
Provide parents with thier child's progress monitoring results through emails, phone calls, and conferences as needed.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/17/2025	06/05/2026	Provide parents with thier child's progress monitoring results through emails, phone calls, and conferences as needed.	

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2024-2025 NYC kids RISE Save for College Program	"The low participation rate in the 2024–2025 NYC Kids RISE Save for College Program at PS 170 was primarily due to limited outreach capacity and a lack of culturally and linguistically accessible communication, which resulted in many families being unaware of the program or unsure how to participate.	Encourage students and families to explore different college and career

participation rate for PS 170		paths through many activities.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	50%	PS 170 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the Percentage increase in the number of active NYC Rise college saving accounts. for All Students will Increase by 15% from 50% to 65% as measured by NYS Rise enrollment reports.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

The school will plan and host multiple college and career readiness events throughout the 2025-2026 school year and encourage students and families to attend the events.

Root Cause Addressed:

To provide students and families with knowledge and access to college and career opportunities.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide financial literacy programs such as the "Junior Achievement Program" to visit classes
Plan an educational celebration that is focused on Career Day and invite presenters to share their job experiences with students
All classes will publish a Student Treasures book "When I Grow Up"
Students will participate in classroom research of future career interests
Plan and Host a "College Decisions Day" celebration that will require students to research different colleges around the country and learn about them. Staff will wear college and university apparel.

Students in grade 3-5 will participate in Economy lessons and workshops in their classrooms through the "Civics for All" Program
Educate and encourage families to sign up for the "NYC Kids RISE" scholarship account
Encourage PS 170 families to sign up for NYC Kids RISE Save for College Program

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Progress Monitoring Goals:

By October, provide teachers with available workshop options and scheduling guidelines.

By November, 100% of classrooms will confirm a date topics.

Two weeks prior to each workshop, verify that required materials and volunteer presenters (if applicable) are secured.

By June, 100% of classrooms will complete the workshops and submit a short reflection or student work sample.

Collect end-of-year feedback from staff to assess alignment with college and career readiness goals.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
06/27/2025	06/30/2025	Planning for College and Career Readiness events will be set up for the 2025-2026 school year	
09/09/2025	09/09/2025	Families will be informed about some of the upcoming College and Career Readiness events that the school will host	
09/11/2025	06/25/2026	The school will host a "Back to School" night where one of the topics will include college and career readiness	
10/01/2025	10/08/2025	All classrooms will coordinate a date to host a "Junior Achievement" workshop in their classroom	
11/06/2025	11/06/2025	School will host individual Parent Teacher Conferences for teachers and families to discuss students progress	
11/03/0025	11/03/2025	After school Civic for All club will begin	
01/05/2026	01/09/2026	Families will be introduced to, given information about and encouraged to join the "NYC Kids Rise" Scholarship account	
01/05/2026	01/30/2025	Teachers in various grades will plan a "Career Day" for students and families to learn about a variety of career opportunities	
02/04/2026	02/02/2026	Classroom teachers will conduct community worker lessons in grades K-2	
03/02/2026	03/06/2026	Classroom teachers will conduct classroom economy lessons in grades 3-5	
03/12/2026	03/12/2026	School will host individual Parent Teacher Conferences for teachers and families to discuss student progress	
04/13/2026	05/01/2026	Students in grade K-5 will publish a "When I Grow Up" book	
05/01/2026	05/01/2026	School wide "College Decision Day" educational celebration in grade K-5	

05/14/2026	05/14/2026	The school will host and end of the year night that will touch upon the college and career readiness events of the year	

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

All administration, teachers, school staff

Instructional Resources

Civics for all Curriculum, Junior Achievement Program, Information on NYC Kids RISE, Student Treasures Books

Schedule Adjustments

n/a

Other Resources Needed

n/a

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Parent attendance records from the school year of 2024-2025 showed 75% percentage of	While the school offers multiple events and communication platforms, some families may not	The school aims to increase family participation by expanding communication methods, offering diverse event formats,

families participated in at least three school hosted events annually.	be fully aware of all opportunities due to differences in scheduling or format.	and building on strong existing partnerships with families and community organizations.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	75%	P.S. 170 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the percentage of families attending at least three school-endorsed events will Increase by 10% from 75% to 85% as measured by parent attendance records .

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

to offer schoolwide family events at varied times to increase accessibility and participation

Root Cause Addressed:

limited access due to language barriers, scheduling conflicts, and lack of event variety

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Parent Orientations: Host orientation sessions at the beginning of the school year to introduce families to school expectations, routines, available resources, and ways to stay engaged. These sessions will be offered in multiple languages to ensure all families can access the information.
Family Workshops: Offer workshops on topics such as literacy at home, navigating NYCSA, supporting student behavior, and understanding curriculum. Sessions will be co-led by staff or community partners, and scheduled at varied times to accommodate working families.
Family Activity Nights: Plan interactive, themed evenings, such as Math Game Night, Literacy Night, or Art Night, where families engage with their children in fun, educational activities. These events promote school connection in a relaxed, inclusive environment.
Partnerships with CBOs: Collaborate with local community-based organizations to co-sponsor events, provide translation services, and offer workshops that meet family needs. These partnerships help extend support beyond

the school and strengthen trust within the community.

PTA-Sponsored Evening Events: Work closely with the PTA to co-plan social and cultural events such as movie nights and holiday celebrations. PTA involvement encourages leadership and deeper parent investment in the school community.

Cultural Festival: Celebrate the diversity of the school community through an annual Cultural Festival where families enjoy music, and traditions. This event fosters cultural pride and cross-cultural understanding among students and families.

Winter/Spring Concerts: Invite families to attend student performances during winter and spring concerts, creating meaningful opportunities for family-school connection through the arts. These events showcase student talent and promote school pride.

Fall Family Festival: Host a fall-themed community event with games and activities to welcome families and build community spirit.

PTA Meetings and Assemblies: Promote regular PTA meetings and school assemblies as opportunities for families to hear updates, share concerns, and celebrate student successes. Meeting reminders will be translated and sent through multiple platforms to boost turnout.

Translations of All School Notices: Ensure all school notices are translated into families' home languages and distributed through preferred communication channels. This increases clarity, accessibility, and trust among multilingual families.

Translators Provided at School Events: Provide live interpretation services at key events, including conferences and workshops, to ensure all families can participate fully regardless of language background.

Multiple Modes of Parent Communication: Utilize paper notices, email, ClassDojo, Google Classroom, Zoom, Microsoft Teams, the school website, and a YouTube channel to share information in ways that match families' preferences and increase engagement.

Parent Engagement Time – 40 Minutes Weekly: Encourage teachers to use the DOE-mandated parent engagement block to meet with families, provide updates, or host mini-sessions aligned to classroom goals. This consistent touchpoint builds strong school–home partnerships.

Parent-Teacher Conferences: Schedule structured parent-teacher conferences three times a year: Curriculum Night in September, individual meetings in November and March, and a year-end wrap-up in May. These conferences offer personalized updates and strengthen the connection between families and teachers.

Open School Weeks: Designate open school weeks each semester to invite families into classrooms to observe instruction and student learning in action. These visits help demystify classroom learning and promote transparency and trust.

All Families Will Access Their NYCSA Account: Provide ongoing support to ensure every family has an active NYCSA (New York City Schools Account) to access grades, attendance, and messages. Workshops and 1:1 tech support will be offered to increase activation rates.

School Leadership Team: Continue to involve families through the School Leadership Team, ensuring they have a

voice in school planning and decision-making. Meeting summaries will be shared broadly to encourage transparency and inclusivity.

Educational Celebrations: Invite families to attend classroom and schoolwide celebrations of learning, such as publishing parties, project showcases, or award ceremonies. These events highlight student achievement and strengthen the school–family bond.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Throughout the school year we will monitor parent involvement by means of parent attendance logs. For each event parents will be required to sign an attendance sheet. Sheets will be collected and analyzed for rate of participation. Participation for specific events will be analyzed to determine which events had the greatest rate of participation and what factors may have led to the increase. We will begin with the Family Fall Festival on October 25, 2025.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Host multilingual Parent Orientations at the start of the school year	
09/04/2025	06/26/2026	Offer Family Workshops on academic and school navigation topics	Parent Coordinator
09/04/2025	06/26/2026	Organize interactive Family Activity Nights with educational themes.	PTA
09/04/2025	06/26/2026	Develop partnerships with Community-Based Organizations (CBOs) to support families.	CAMBA
09/04/2025	06/26/2026	Collaborate with the PTA to sponsor evening social and cultural events.	PTA
09/04/2025	06/26/2026	Hold an annual Cultural Festival celebrating the school's diversity.	
09/04/2025	06/26/2026	Present Winter and Spring Concerts showcasing student performances.	
09/04/2025	06/26/2026	Host a Fall Family Festival to build community and welcome families.	
09/04/2025	06/26/2026	Encourage family participation in PTA Meetings and School Assemblies.	PTA

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Data from the June 2025 NYSED Data and ATS attendance reports indicate a significant gap in chronic absenteeism for Hispanic or Latino students. Their absenteeism rate is two levels below that of the overall student population and other subgroups within the school. This indicates that Hispanic or Latino students are disproportionately impacted by chronic absenteeism compared to their peers, highlighting a notable area of concern for student and school performance.	Root causes for chronic absenteeism consist of family relocation or housing instability, struggling to learn English leading to a lack of classroom participation and discourage attendance, and gaps in early literacy or math skills have led to frustration and avoidance.	NYSED Data and ATS attendance reports.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Hispanic Students	31.6%	By June, 2026, the percentage of chronically absent Hispanic or Latino students will decrease 2% from 31.6% to 29.6%as measured by the For Chronic Absenteeism, ATS monthly printouts of chronically absent students, data from NYSED, and New Visions Chronic Absenteeism Reports. .

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

For Chronic Absenteeism, we will use ATS monthly printouts of chronically absent students, data from NYSED, and New Visions Chronic Absenteeism Reports.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Monthly use of RCUA's Daily parent phone calls for students that are absent llog entries to record school outreach Parent conferences and Parent engagement Collaboration with attendance team to discuss plans and future strategies.

Root Cause Addressed:

Family relocation or housing instability, struggling to learn English leading to a lack of classroom participation and discourage attendance, and gaps in early literacy or math skills have led to frustration and avoidance.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
School will welcome all students back to school on the first day of school with balloons and welcome signs. A morning announcement will take place telling students the importance of daily attendance in school. Teachers will create a series of activities/ice-breakers for students during the first week, review school rules, ritual, and routines. All of these activities will help foster a love for school and help to excite students and families for a positive school year.
School faculty and staff will provide guidance about the importance of consistent home routines for students to be emotionally and physically ready for school each day (bedtime routines, morning routines, and homework workspace and organization.)
All K-5 families will attend orientations where our school's attendance and operations policies will be reviewed. Our

school's attendance policy is posted on the school website with translations in various languages. The school's Operations Handbook will be distributed electronically to all families with translated versions.
PTA meetings will be held, school attendance policy will be addressed. All parent questions and concerns regarding attendance policies will be discussed.
We have assigned our school guidance counselor, with the support of her attendance team to work with parents and students on attendance. This entails reviewing RCUA monthly log on ATS. The guidance counselor will note absences and reach out to teachers and conduct outreach to parents, as well as her attendance team. Attendance officer will be contacted on a need be basis.
Administration, guidance, and staff will meet and greet parents and students at all entrances during morning arrival and afternoon dismissal.
Daily morning announcement honoring classes with 100% attendance. Reward classes for students with 100% attendance: Extra recess, movie day and small prize incentives Perfect Attendance Awards will be distributed to all students with 100% attendance for each marking period.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

September 2025, use June 2025 chronic absenteeism report for baseline data 31.6%

January 2026 assess chronic absenteeism data provided by NYSED Data and ATS attendance reports.

June 2026 assess chronic absenteeism data provided by NYSED Data and ATS attendance reports.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
24-25 EOY Grade 1 iReady Reading Results: 33% of	40% of Grade 1 students with phonemic awareness, fluency, and reading comprehension levels one to two grade levels below are SWDs. To increase student reading proficiency levels, all teachers,	IEP Development

students reading one grade level below are SWDs and 7% of students reading two grade levels below are SWDs	including special education teachers, will incorporate best practices, SDI, and UDL, in IEPs and in their classrooms to teach and develop the skills required for students to read proficiently, on grade level, and have access to the general education curriculum.	and Fidelity of Implementation
		Transition Planning and Compliance
24-25 SESIS Standard Reports	All teachers, staff, service providers, PPT and SIT members will refer to multiple sources of student data and apply the MTSS framework of support to guide the referral process and equity.	Referral Process and Equity
		Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	36.4% in Grade K and 6.25% in Grade 1.	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will impact the alignment of IEPs across present level of performance, goals, and recommended programs and services to increase student phonemic awareness, fluency, and reading comprehension 25-26 EOY Grade 1 and 2 results by a10% increase in next year's Grade 1 SWDs' results from 36.4% to 45.5% and a 19% increase from 6.25% to 25.0% in next year's Grade 2 SWD's results.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

To ensure high quality inclusive and accessible learning for students with disabilities, we will write SMART goals based on student individual needs which are evidence-based. Student data will be compiled from BOY, MOY, and EOY screener/ diagnostic results in reading and math, formative assessments, and curriculum-based assessments in all content areas. Students will receive instruction based on periodic Acadience progress monitoring results in Grades K-2 and iReady Reading and Math in Grades K-5. Academic, social-emotional, and behavioral needs of students will be determined with information gathered from a variety of formal and informal assessments and teacher observations, student background data, and parental feedback and input. With these SMART goals, we will increase the inclusion of, planning, and deliverance of specially-designed instruction. These SMART goals will address student needs in reading, writing, and all content areas.

Root Cause Addressed:

All staff read, understand, and know how to implement the IEPs of students in their classrooms. All staff address the specific evidence-based needs written in the IEP to plan and deliver curriculum-based, on grade level instruction to teach and guide students towards reaching individual SMART reading, writing, and math goals. All teachers are trained in and know how to conduct the BOY, MOY, and EOY Acadience and iReady screeners and core curriculum quizzes, tests, module assessments, and task performances to gather results for core instruction and progress monitoring. All teachers know how to deliver explicit, systematic, and sequential literacy instruction. All teachers plan, provide, and monitor progress of student performance in targeted instruction.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Ensure present levels of performance and individual needs section of the IEP are descriptive and student specific and provide sufficient student data to ensure instruction and program and service recommendations address student's needs related to specific factors.
Meet as a team, involving special education and general education teachers, service providers, and other school implementation team members, to create annuals goals that are specific, standards-based, and aligned to the student's needs as stated in the PLOP of the IEP.
Describe "impact of disability" on student's work abilities and list student's specific strengths and needs as it impacts the student's involvement and progress in the general education curriculum and participation in activities.
Identify and design specially designed instruction to address the skills student is missing in order to access,

participate, and progress in the general education curriculum.
Continue to update management needs section of the PLOP as needed.
Continue to include explicit, direct instruction with modeling, guided practice, and independent work in all subjects in all classrooms.

Key Strategy 2 (Optional):

All SWDs have been screened through the Acadience and iReady Reading platforms with middle of the year results analyzed. Students scoring below the 40th% have been placed regrouped in their MTSS groups to continue to receive instruction in either SPIRE or Sound Sensible programs on Grades 1 and 2. In addition, all staff will be involved in the Science Of Reading Course to continue utilizing best practices for oral language, fluency, vocabulary, comprehension, and writing instruction. Lastly, teachers will be attending Orton-Gillingham (EOG) Level 1 Certification Training to strengthen their instructional practice in reading to provide access to a greater number of SWDs who are struggling with reading.

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To progress monitor implementation of key strategies and action steps, teachers will begin by verifying Chapter 408 compliance email and signage of notifications. Teachers and related service providers will conduct IEP meetings within specified compliance dates to ensure teacher and parent
agreement of all parts of the IEP and utilization of specially designed instruction for students to access general education curriculum and agreement of program and services to meet student needs. SESIS reports, such as IEP status, provider assignments, Encounter Attendance logs, and Annual Review Compliance, will be used to confirm teacher and service provider knowledge of IEP components and adherence to compliance dates. Parent On-Line Engagement Logs and IEP attendance meeting sheets will be used to monitor parent engagement. To determine

progress and impact of instruction, attendance sheets at professional development workshops where instructional strategies and techniques are modeled, reviewed, and discussed. To determine progress and impact on instruction and student learning and achievement, staff weekly grade meeting agendas and attendance will be maintained where student data from curriculum-based assessments, screener BOY, EOY, and MOY results, and progress monitoring results are reviewed and analyzed to plan next instructional and assessment steps. Tools for tracking progress are BOY, MOY, and EOY iReady Reading Diagnostic Results. Most notably this SY 25-26, students will be placed into MTSS groups to receive instruction in phonics building programs, Phonics For Reading, SPIRE, or Sound Sensible, based on the results of the iReady and Acadience screeners.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Provide workshops to parents of students with IEPs to ensure their understanding of the IEP Process, creating a quality IEP with their input, NYS regulations, and parent rights, RTI, and MTSS.	Guidance from NYSED, SP ED Publications, SP ED Trainers, School Staff
09/04/2025	06/26/2026	Provide workshops to parents of students with IEPs to increase their inclusion at IEP meetings and knowledge of translation and interpretation resources.	Guidance from NYSED, SP ED Publications, SP ED Trainers, Language Translation, and Interpretation Team (LTI).
09/04/2025	06/26/2026	Provide parents/ guardians with Progress Monitoring Reports at time of report card distribution and Related Service Authorization Forms and RSAs, when needed.	Guidance for NYSED, SP ED Staff, Maintain relations with the Brooklyn South Field Support SP Ed Data Entry Specialists.

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

School-based Special Ed/ ENL Coordinator, Instructional Coaches, Sp Ed Teachers, Related Service Providers, PPT and SIT Members, Sp Ed Trainers, Special Ed Support Leads, District Administrator of Sp Ed

Instructional Resources

NYS Next Generation Learning Standards, Into Reading and enVisions Math Core Curriculum aligned to NGLS, NYC Reads Initiatives, LETRS Course, Google Classroom, PDs on core curriculum, HMH Coaching sessions, The Science of Reading, Multi-Tiered Systems of Support, CRSE materials, CSR resources, Advanced Literacy texts and handouts, UDL, SDI instructional resources, and topics that address student needs, IXL, Acadience, and I-Ready

Schedule Adjustments

Common planning and professional development periods for teachers and small group instruction periods three to five times per week in the classroom

Other Resources Needed

SESIS Standard and Advanced Reports, Related Service Compliance Reports, Encounter Attendance for Paraprofessional Services, IEP Management Dashboard, IEP Review Questions, Parent Surveys

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Small Group Instruction (SGI) Periods	Level 1 and 2 students	Wilson Fundations, SPIRE, Phonics for Reading	small group	during school hours	no
Response to Intervention (RTI)	2+ levels below grade level on acadience assessment	Wilson, LLI, Ortan Gillingham, SPIRE	small group or one-to one	during school hours	no
After-School Intervention Program	Level 1 or 2 students	I-Ready	class sizes between 10-15 students	after school hours	yes
state test prep	level 2 students	Ready New York	class sizes between 10-15 students	after school hours	no

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Social Emotional Classroom Lessons		Sanford Harmony/ RULER	in class	during school hours	yes
school guidance counselor	teacher or parent referral	at risk counseling	small group or on-to-one	during school hours	no
N/A	N/A	N/A	N/A	N/A	N/A

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Monthly PTA meetings, communication through DoE messaging system, email, class dojo, etc.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Communication from teachers, guidance counselor and/or administrators

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

N/A

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

N/A

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

-Guidance counselor will provide the student with at-risk counseling
-the family will be assisted in receiving all materials needed for student to be successful in school setting and at home (books, notebooks, writing tools, iPad, etc.)
-the family will be provided with list of free resources they may need while in temporary housing (food, counseling, medical attention, social activities such as sports teams for the student, etc.)

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school’s Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. P.S. 170 The Ralph A. Fabrizio School, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

P.S. 170 The Ralph A. Fabrizio School will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P.S. 170 The Ralph A. Fabrizio School, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

-LETRS Science of Reading PD for staff
-Foundational Skill Building PD for staff
-iReady Data Analysis for staff
-Data-based driven instruction Professional Development for staff to create opportunities for all students to meet NYSED's proficient and advanced levels of student achievement
-Into Reading and enVisions Curriculum Planning Professional development for all staff to identify instructional and school practices that impact student performance
- Wilson Fundations PD
-Heggerty PD
-Teaching Matters Coaching
- RTI and Small Group Best Practices in Math and ELA workshops
- New Teacher workshops (STARS/PTC, Personnel Information Session, Lesson Planning, Effective Modeling, SGI Strategies, Guided Reading, ENL Strategies in the Classroom, Dealing with Challenging Behaviors, Understanding State Assessments, IEP and Special Education Mandates, Cumulative Record Keeping)
- SWD and ELL SWD workshops to enable students to meet state standards (UDI and SDI teaching strategies)

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

- Parent/Welcome Orientation
- Kindergarten Registration
- Notices sent home in all languages
- Overview of Kindergarten Curriculum
- Expectations (Reading, Writing, Math)
- Rituals and Routines
- Technology support (school website, Google Classroom, MYON, RAZ Kids, Joy Reader, etc)
- Parental support
- SEL PDs and cluster teachers
- Parent Resources to support learning
- Daily Small Group Instruction (SGI) Periods
- Cultural Festival
- Family Festival
- Pumpkin Patch

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal			
Title I, School Improvement 1003(a)	Federal			
Title II, Part A	Federal			
Title III, Part A	Federal			
Title III, Immigrant	Federal			
Title IV, Part A	Federal			
Tax Levy (Fair Student	Local			

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Holli Sainz
Assistant Principal (Where Applicable)*	Kristi Pollock
English as a New Language (ENL) Teacher*	Maria Impagliazzo
Teacher (if school has a bilingual program must be a bilingual teacher)*	Zhuoran Wang
Parent/Guardian*	Jennifer Quattrock
Teacher	Jessica Tung
Parent Coordinator	Abigail Figueroa
School Counselor	Najieh Diab
Related-Service Provider	Lauren Boykin
Other (Name and Title)	Laura Mirto, Instructional Coach
Other (Name and Title)	Elen Stratis, ENL/ Sp Ed Coordinator

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

18

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

12

Number of certified ESOL teachers not currently teaching ENL:

1

Number of teachers who hold both content area/common branch and ESOL certification:

15

Number of ESOL certified teachers with a bilingual extension:

2

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

4

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

1

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

2

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

845

Total number and percentage (%) of current ELLs:

256 = 30.3%%

Total number and percentage (%) of former ELLs:

136 = 16.13%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

219 = 85.5%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

37 = 14.5%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0 = 0.0%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

1 = 0.4%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

57 = 22.3%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	Dual Language	Chinese/ English	2016	2	2	2	2	2	2								12
DLBE																	0
DLBE																	0
				total: 2	total: 2	total: 2	total: 2	total: 2	total: 2	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

For the 2025-2026 school year, Stand-alone ENL classes for the instruction of our MLs and ELLs are provided according to the CR Part 154-2 ENL Units of Study requirements. Entering and Emerging ELLs receive 360 minutes per week of ENL instruction from the K-12 Certified ESOL teacher. Transitioning and Expanding ELLs receive 180 minutes of ENL instruction per week from the K-12 Certified ESOL teacher. The English Language Learners in these classes are taught intensive language instruction using ENL methodologies within the Workshop Model for instruction of the HMH Into Reading core ELA curriculum and the enVisions core Math curriculum, using explicit instruction and adhering to the Science of Reading, Culturally and Linguistically Responsive Teaching and Learning techniques, CRSE, and ELA and Math dialogue strategies for improving oral fluency.

Integrated ENL:

In our Integrated ENL program, ENL/ ML students receive core content area and English language development instruction including home language supports and appropriate MLL/ELL scaffolds from the teachers who are dually certified in a content area and ENL or from our certified content area teachers and certified ENL teachers working together in a co-teaching model. These groupings are heterogeneous. Our dually certified teachers provide the integrated minutes to the students in their classes which is 180 minutes for proficiency levels EN, EM, TR and EX. These teachers provide 90 minutes to the CM proficiency level students.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

P.S. 170 will be in its ninth year of providing a Dual Language Program to its ENL population and native English language speakers wanting to build speaking, listening, reading, and writing skills in two languages, Chinese (Mandarin) and English. In the 2025-2026 academic school year, there will be two Kindergarten classes, two first grade classes, two second grade classes, two third grade classes, two fourth grade classes, and two fifth grade classes. The students are instructed in English and the target language of Mandarin. The academic subjects are learned in both languages and students grow to appreciate two cultures. The class is composed of 50% ELLs and 50% English proficient students. The ELA program is HMH Into Reading, the phonics program is Fundations, and the Math program will be enVisions Math. The students also receive instruction in Social Studies through a curriculum entitled "Passport to Social Studies" in English and Mandarin, physical education, science, and visual arts. Students

in the Dual Language program who are also identified as ELLs receive stand-alone ENL/ ELA instruction for the leveled required minutes of instruction. Students receive the same rigorous curricula in Chinese using the same textbooks along with Huan le huo ban Chinese language readers in the targeted language of Mandarin. Parents are involved in their child's learning at home. They are able to participate in an on-line program, Joyreader, in which students listen, read, and reread texts in Mandarin. To practice in the English language, students are invited to log on to RAZ kids, an online leveled library to practice reading independently and engage in meaningful conversations at home with their parents, older siblings, and/ or guardians. Parental education and involvement is a major component for dual language success. Parents are invited to various workshops, classroom activities, performances, and special programs such as Book of the Month in which students and parents read a book together at home and complete a response to literature activity then share it with classmates and other parents throughout the school year. The Dual Language program strives to educate students who will become successful in their upper grades and higher educational fields of choice and later positive members of society as a whole who are working as confident dual language global communicators.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

The STARS programmer and the ENL Coordinator communicate to ensure that the mandated number of instructional minutes are provided according to the students' English language proficiency levels in each program model. NYSITELL and NYSESLAT results generated after testing on ATS reports, specifically the RESI, RLAT and RLER are used to properly place and program ELLs. The monthly EDUR reports are used to check programming created upon registration and arrival of new admits or transfer students as well as continuing ELLs. In our Stand-alone ENL and Integrated ENL classes, an ENL teacher who is dually licensed in ESOL and Common Branch or an ENL teacher and a common branch teacher who co-teach instruct Entering and Emerging (beginner and low intermediate) students for 360 minutes per week (8 periods per week). Within the same classroom, Transitioning and Expanding (high intermediate and advanced students) receive 180 minutes of Stand Alone or integrated ENL/ELA, respectively. Two integrated ENL teachers service ICT or general education classes that have ENL students with disabilities in Grades K through 5. All instruction is delivered in English with some native language support for our newcomer students. ENL and ELA are delivered through the use of instructional ENL methodologies, ENL strategies, as well as content-area expertise, skills and strategies learned and turn-keyed from our District Literacy Lab meetings focusing on the Science of Reading, Phonological Instruction, as well as Advanced Literacy skills and Culturally and Linguistically Responsive Teaching Skills. ENL students are grouped together; however, they are further grouped into smaller units within the classroom to allow for specific, differentiated, needs-based instruction. All ELL instruction is aligned to the Common Core Curriculum, Next Generation Learning Standards, and the NYC Reads Implementation Tool to allow for rigorous work and best practices. The ENL teacher uses ENL techniques and methodologies, including TPR activities, realea, charts, models, games, repetition, substitution, cloze, and chant exercises (to list several), to enhance instruction.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

Students receive 360 minutes of Intensive and Innovative ENL instruction per week in a homogeneous group of eight. This program begins with Fundations instruction and the Science of Reading at its core: understanding words-syllable and sounds-phonemes, phonics-word analysis skills in decoding words, one-one letter/sound correspondences by producing the primary sound/many of most frequent sounds in each consonant, and associating long/short sounds with common spelling for the five major vowels. TPR lessons include phrases, sentences, and commands to help students function in the classroom and in school. Our Newcomer Packet of Study for Listening, Speaking, Reading, and Writing is filled with ENL vocabulary pictures, retention activities, and sequenced units that challenge students to listen, speak, read, and write on numerous topics of study. The program concludes with the National Geographic curriculum. The Home Language Arts instruction that is delivered in the Dual Language program offers the students the opportunity to be bilingual, biliterate, and bicultural by providing half of their instruction in Chinese, the home language, and the other in English. Students receive a minimum of three content area courses, each content area course is a 45 minute block, in their home language per day, allowing for over 90 minutes of home language instruction a day and more than 360 minutes of instruction in Chinese per week. The same core curriculum standards addressed in English Language Arts and Math in the language of English is taught in the home language of Chinese. Our Dual Language Program is designed to assist students in transferring skills learned in the home language to accelerate and enhance performance in the second language. Additionally, native language support helps increase the application of prior and background knowledge in all subject areas and boosts literacy development and language acquisition.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

In the Dual Language Program at P.S. 170, a side-by-side, two-way program model is used. One instructional day is taught in English; 100% of the day's instructional coursework is in English. Then, the next instructional day is taught in Mandarin and so on. Each core content area is taught in both English and Mandarin. Therefore, each language is separated by day. English proficient students and English language learners are equally integrated in the classes. 50% of the class' student population is EP and 50% of the class' student population is ELLs. Home language and English language literacy is taught simultaneously. Emergent literacy is developed in the home language and English according to the English language learner common core standards for language acquisition.

b. In which language(s) is each core content area taught?

Each core content area is taught equally in both languages, Chinese and English.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

According to the Spring 2025 - ELL Data Analysis Tool (EDAT), 85.5% of ELLs are Newcomers. Effective instruction for Newcomers is characterized by high quality academic and language development lessons delivered in a welcoming, affirming, and encouraging learning environment with built in social-emotional supports. Newcomers require instruction that builds foundations in all modalities. Newcomers have different needs from Developing and/or Long-Term ELLs. Newcomers require instruction that develops and promotes usage of their native language skills, builds academic literacy, and supports English language development. Instruction for Newcomers strives to make connections between the native cultures and languages and the new culture and language. Teachers of Newcomers provide differentiated strategies for learning and development of skills for second language acquisition. Instruction begins with attention to frontloading vocabulary with pictures and repetition, vocabulary word sets, learned and practiced routines for acquisition, and tapping into prior and background knowledge. Effective instruction for Newcomers also includes a muti-sensory and systematic phonics, spelling, and handwriting program grounded in the Science of Reading. Our Newcomers receive lessons in Fundations to gain the skills required for independent reading and spelling. In addition to providing socioemotional support and specially designed instruction, effective services
for Developing or Long-Term ELLs include access and participation in the ELA and Math core curriculum, rigorously aligned to the Next Generation Learning Standards, creating a point of entrance and connection to the curriculum. Teachers first analyze student data, then design instruction that focuses on vocabulary, grammar, and language development, both oral and written, along with curriculum mapping, reflection, data analysis, and planning.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

0.4% of ELLs are Students with Inconsistent/ Interrupted Formal Education. A student with an inconsistent or interrupted formal education in need of developing English language proficiency, mastering grade$_1$ level subject matter, and developing or improving literacy skills, requires effective instruction that is differentiated to include lessons with immediate relevance that are culturally responsive. Instruction draws on prior knowledge, based on the student's background, likes, interests, and experiences. Activities in the classroom are designed

around groupwork and collaborative learning that lends itself to rich conversation and multiple opportunities for oral transmission. Through the Mutually Adaptive Learning Paradigm model provided through the Policy and Reference Guide, teachers consider the student's view of learning while introducing them to what is new. In addition, higher order thinking activities are the focus without introducing new language or content.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

0.0% of ELLs are long term ELLs. Effective instruction for Long-erm ELLs is based on the specific skills or needs that have been identified from assessments, teacher observations, classwork, homework, state exams that pinpoint the student's areas of need and are targeted with response to intervention support and small group instruction. Frequent progress monitoring to gauge the response to intervention is required. Instruction designed for developing ELLs focuses on building language and acquiring vocabulary, oral and written language knowledge and skills. Instruction includes explicit direct instruction with the grade-level core curriculum, activities for developing oral fluency, and ample writing opportunities

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

7.6% of students are former ELLs. Services to former ELLs are provided in the Integrated ENL classrooms and within the stand-alone program. Instruction is delivered for an additional 90 minutes per week of ELA or core content area instruction using ENL methodologies and techniques delivered by an ENL teacher. Rigorous core curriculum and instruction that activates the students' prior learned and background knowledge is used to develop and provide continued support for optimum student performance. The teachers continue to build on the students' abilities in listening, speaking, reading, and writing. Reading growth and stamina is encouraged. Academic achievement is supported through goal-setting, individual and peer data analysis, weekly curriculum planning and co-teaching, collaboration, and acknowledgement of student success.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

85.5% of ELLs are Newcomers with 0-3 years of ELL service. Of those 219 Newcomers, 38 are in grade K, 38 are in Grade 1, 41 are in Grade 2, 50 are in Grade 3, 22 are in Grade 4, and 30 are in Grade 5. 19.1% of ELLs scored Level 1 or 2 last school year in ELA. However, only 7.0% of ELLs scored Level 1 or 2 in ELA during the two prior consecutive years. 14.1% of ELLs scored Level 1 or 2 in Math. However, only 5.5% of ELLs scored Level 1 or 2 in Math in SY 22-23 and SY 23-24. This trend shows that in order to improve results in the next year, instruction should continue to target beginning language acquisition needs of our ELL population in conjunction with a strong core curriculum anchored by grade-level standards and is evidence-based. In addition, instruction delivered to these ELLs should first introduce the lesson by explaining the topic and its objectives, develop background Knowledge by providing context and background information to help ELLs understand the material, support vocabulary development by using appropriate vocabulary and providing definitions, enhance comprehension by use visuals, multimedia, and different instructional strategies to reinforce understanding, and strengthen written expression by providing opportunities for ELLs to write and express themselves Instructional support for students in Grades 1 through 2 should target foundational skills, fluency, vocabulary, and comprehension to promote success in ELA and Math in the ensuing grades. Last year most ELLs, 157 of 283 had a low risk indicator level of 1 indicating that our ELL population was achieving with the instructional routines, resources, interventions, and parental communications that had been established. However, according to this Spring 2025 EDAT, 51.2% of ELLs have a Level 1 at-risk indicator

and 33.6% of ELLs have a level 2 at-risk indicator. Instruction should focus on improving student content knowledge. Teacher planning will focus on identification, collection, and analysis of key data points within student performance and assessment results to impact instruction for the success of English learners.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

Former ELLs that tested out in 2023-2024 was 64 or 7.6% of the total ELL population whereas 72 or 8.5% of Former ELLs tested out in 2022-2023. This trend indicates that fewer students have tested out of ENL services. 8.8% of former ELLs in SY 2023-24 scored level 1 or 2 in ELA. 5.9% or former ELLs scored at these lower levels in SY 2022-2023 and 23-24. This trend indicates the number of students performing at Level1 and 2 in ELA is increasing. Former ELLs require meaningful access to core content in a supportive and engaging learning environment filled with both the rich and valuable background knowledge of students and the diverse supports needed for rigorous academics. Explicit instruction and modeling with the gradual release method during whole group instruction, differentiated instruction in small groups, the application of scaffolds, SDI, UDL, and data results from periodic screeners, and peer work all used to plan instruction will lead to student success.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

Chinese is the home language of ELLs with the largest representation at our school. 151 students of 256 ELLs have a home language of Chinese. 52 of 256 ELLs have a home language of Spanish. 31 of 256 ELLs have a home language of Arabic. Staff members who speak these three languages are present in the main office at all times to communicate with parents and students. These languages are also spoken, read, and/ or written by many teachers, paraprofessionals, guidance counselors, aids, and supervisors within our school building. The presence and use of these home languages are acknowledged and understood to be assets for learning English, Mathematics, and other content area subjects. Teachers recognize and draw upon our students' home languages, backgrounds, cultures, and experiences in the classroom and beyond. To support communication and learning that values these home languages, morphology walls are utilized, texts are provided in translated versions, and peers who speak the same home language are encouraged to assist each other and work together. The Into Reading core curriculum program that is used on all grades provides CRSE reading selections to develop and promote the learning of many cultures and their histories and traditions. Topics are chosen to evoke prior and background knowledge of our ELLs, to create bridges between what is known and what is taught, and to celebrate all of the cultures represented in each stand-alone and integrated classroom. Assistant principals create book lists on each grade that speak to topics and current news relevant to the countries
of origin of our ELL population to be read, discussed, and complete differentiated projects. During planning sessions, instructional supports are embedded in the workshop model with differentiated culminating activities resulting in the desired learning outcome of each lesson. Opportunities are created for listening, speaking, reading, and writing multiple times throughout any given lesson. Cooperative learning activities are included for shared reading and writing responses to promote high expectations and rigorous instruction. Monthly educational celebrations provide opportunities for our ELL students to share their projects featuring a variety of topics related to their diverse cultures and backgrounds with their peers, families, and P.S. 170 school community.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The racial and ethnic classifications of ELLs at our school are as follows: 73.3% of ELLs are Asian, 25.2% of ELLs are White, Non-Hispanic and 18.0% of ELLs are White, Hispanic, 1.3% of ELLs are Multiracial, Non-Hispanic and 2.1% of ELLs are Multiracial, Hispanic, 4.3% of ELLs are Black, Hispanic, 0.5% of ELLs are American Indian or Alaskan Native Non-Hispanic, and 74.0% of ELLs are Hispanic. ELLs are included in the daily and weekly planning and delivery of Culturally Responsive and Sustaining Education with attention paid to valuing our students' diverse language proficiencies, cultural backgrounds, and ancestries through the texts and topics explored in the core curriculum, supplemental readings, materials, activities, projects, festivals, performances, and school-wide initiatives. Our school plans for the Culturally Responsive-Sustaining Education (CR-S) framework principles by establishing a welcoming and affirming environment that reflects student identities, setting high expectations and designing rigorous, flexible instruction, providing inclusive curricula and varied assessments, and fostering ongoing professional learning for all staff.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

64, or 35.6%, of ELLs met ELP growth or sufficient progress through Method 1 which is meeting progress by exiting ELL Status. 29, or 16.1%, of ELLs met ELP growth or sufficient progress as measured by Method 2 which is meeting the Annual Progress Target. Five, or 2.8%, of ELLs met ELP sufficient progress through Method 3 which is meeting safe harbor communicative growth. 98 ELLs met English Language Proficiency sufficient progress. As last year, more ELLs are on track to exit ELL status than are at risk of remaining ELLs.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

When looking at the NYSESLAT results, listening and speaking remained the modalities in which ELLs scored the highest during school years 2023 and 2024. The greatest number of ELLs in Grades 1 through 5 answered more than 90% of the questions correctly. Engaging in providing written and oral responses to prompts daily about culturally linguistic texts with whole group and small group ample opportunities for "question and answer" activities as well as conversational exercises conducted with partnering guidelines, sentence starters, sentence frames, and scaffolds have yielded positive results on the NYSESLAT. Grade 2 ELLs made significant growth in the Speaking modality as Grade 3 ELLs in 2024. On the contrary, in 2024, Grade 3 ELLs did not perform as high in the Reading and Writing modalities as they had performed in 2023. The same is true for Grade 4 ELLs in 2024. They decreased in performance in all modalities. Therefore, the trend is that as students move up in grade level, they are decreasing in performance on the NYSESLAT.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

Results from the 2024 NYSESLAT and 2024 ELA and Math State Assessments provide important performance data in the relationship between these exams and core instruction needed for high performance on the state exams. Only Commanding proficient ELLs received a 3 or a 4 on the State ELA exam. Seven Commanding ELLs received a 3 on the 2024 ELA state exam and one Commanding ELL received a 4 on the 2024 ELA State exam. Transitioning and Commanding proficiency level students received a 2 on the ELA state assessment and a mix of all ELL proficiency level students as measured by the results of the NYSESLAT scored a Level 1 on the State ELA exam. However, most of these students received a 3 on the Math state assessment. Nine Expanding ELLs and 9 received a 3 on the

2024 Math exam and nine Commanding ELLs received a 4 on the 2024 Math State exam. A total of 29 ELLs scored a Level 3 on the 2024 Math State exam and a total of 18 scored a Level 4 on the 2024 Math State exam. These results can be interpreted to mean that our ELL population scored low on ELA state assessments because the tests include complex academic-specific language that is still unfamiliar and challenging which lead to difficulties understanding the questions and accurately demonstrating their knowledge of the subject matter, regardless of their actual content mastery. It is difficult for these students to fully understand the passages, questions, and answer choices which include complex sentence structures with advanced, on grade-level or above grade level vocabulary, as well as figurative language. Some passages also reference cultural experiences and historical information that the students have not been exposed to prior to their time in school nor in the classroom.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

ELLs with IEPs scored significantly lower than their peers who are ELLs without IEPs. 64 ELLs scored at the Expanding proficiency level on the 2024 NYSESLAT whereas 12 ELLs with IEPs scored at the Expanding level on the 2024 NYSESLAT. Likewise, 60 ELLs scored at the Commanding level on the 2024 NYSESLAT while only 4 ELLs with IEPS scored Commanding on the 2024 NYSESLAT. Impacting the results of this subgroup of ELLs with IEPS is vocabulary knowledge, reading comprehension and fluency needs, and writing skills. ELLs require language skills development in addition to literacy skills development.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Our school provides ELLs with a high-quality academic experience that leads to deeper learning by creating a welcoming and affirming environment in every classroom and throughout the school building in order to provide ELL student access to the inclusive, culturally responsive core curriculum through various entry points, specially designed instruction, and the effective application of ELL teaching and learning strategies. Deeper learning results happen by assessing ELLs at key points throughout the school year to plan and guide the deliverance of rigorous standards-based instruction with high expectations from teachers and students alike while continually supporting teachers with professional development for enhanced instructional best practices, student engagement, and family involvement.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

MLs/ELLs are at the center of the school's instructional design which creates student-centered learning environments in all classrooms that promote and support access to the core curriculum in order to prepare students for engagement in rigorous instruction and success in independent academic performance. Newcomers, long-term ELLs, SIFE, and eligible Special Education students all receive ENL services at P.S. 170. The Instructional Leadership Team (ILT) considers MLs and ELLs in the school's instructional design with regards to data analysis of student performance, instructional material choices, teaching strategies and scaffolds, differentiation of lessons and curriculum used, professional development needed to meet the needs of the students, and appropriate execution of all the aforementioned. Understanding the Science of Reading and a strong foundational skills program, instructional differentiation, CRSE, Advanced Literacy instruction, CLR Teaching and Learning, CSR, and the HRL Framework are all essential for the successful management of such a diverse population. Recently-arrived ELLs are placed in one of our stand-alone or integrated ENL/ ELA classes, where the ENL teacher can provide intensive one-on-one and small group instruction on a daily basis. For newcomer students, ENL teachers ensure that students receive a balance of foundational and conceptual instruction. ELLs benefit from visual and verbal supports including the use of pictures, total physical response activities, short videos, and graphic organizers to represent complex vocabulary and concepts. Similarly, verbal supports include student glossaries, words highlighted in text, whole-class, small-group, and partner discussions that focus on the clarification of new ideas. Students are exposed to rigorous NGLS aligned

work while being supported in the areas of phonics and foundational reading. Teachers will look closely at the guided close reading questions provided by the Into Reading reading program and scaffold these questions for the students. Teachers consider students' language levels and years of service when they differentiate and scaffold the questions provided by the program. By scaffolding the questions, teachers are able to keep the integrity of the program in tact and promote higher order thinking. These newcomers are assigned a language buddy to help them become acquainted with school routines and student expectations. Teachers of ELLs receiving 4 to 6 years of service, closely examine the areas of need within the four language modalities to provide targeted instruction. As part of the Into Reading program, there is time allotted for scaffolded instruction for students that exhibit difficulty with grasping the major concepts of a lesson in addition to Culturally Responsive and Sustaining Education (CRSE) reading selections. Newcomer ELLs and ELLs receiving 4-6 years of service are put into small groups to be retaught the major concepts during this time. For former ELLs (in years 1 and 2 after testing proficiency), teachers ensure that vocabulary acquisition and proficiency in language conventions is maintained. Teachers receive a report of who has recently tested proficient. Former ELLs that have exited ELL status receive 90 minutes of Integrated ENL for up to two years in the form of project-based learning with a dually certified ESOL and Common Branch teacher. As mentioned earlier, students will be receiving targeted RTI instruction within their classrooms four to five additional periods a week to allow for further differentiation of materials and highlight individual areas of need. Instructional design for ELLs and MLs includes usage of multiple books on the unit topic in a variety of genres, lesson writing in the workshop model format which allows for teacher modeling of the desired skill, teacher-student shared work, followed by independent work, and attention to decoding, language comprehension, and reading comprehension building skills, CSR strategies, and Culturally and Linguistically Responsive Teaching and Learning Strategies and Activities.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

In order to foster language development and meet the demands of the Next Generation Learning Standards, ENL teachers participate in grade level and vertical program planning and implementation of the core literacy curriculum. Core content is delivered through daily instruction adhering to the NYC Reads Implementation Tool and using the Workshop Model which begins with explicit instruction, modeling, shared work, and followed by independent practice. Teachers work together to create differentiated options for the independent student work portions of the Into Reading literacy curriculum. Teachers also refer to the ESL Scaffold handbook and UDL for guidance on making instructional decisions. CRSE Framework is adhered to in order to engage students in rigorous instruction and maintain student high expectations. ENL teachers analyze the language demands of each lesson to create vocabulary and grammar activities that support comprehension. Students are provided multiple pathways for demonstrating their comprehension within a subject area. They are encouraged to use both linguistic and non-linguistic means to share their thoughts and ideas. In grades 3-5, students are provided with one-to-one dictionaries in their home languages whenever possible and bilingual math glossaries. Newcomer students at the entering or emerging level are also assigned language buddies whenever possible to help them navigate the school system and become acclimated to their new classrooms.
All teachers at P.S. 170 are required to use best practices and teach language through content. Teachers recognize the need to provide the linguistic means for students to fully and clearly utilize their background knowledge and prior knowledge. Teachers have a clear understanding of the cultural and economic backgrounds of the students and use this knowledge to build a strong community of learners. All teachers are also encouraged to use abundant visuals to support student comprehension and the school's SMARTBoards and other forms of technology, including iPads are increasingly used to shelter content with visual cues and to provide multi-media instruction to address the learning modalities and needs of students. Each grade will conduct cross-curricular planning to align the literacy units in Into Reading to social studies and science concepts to help students gain knowledge of vocabulary and syntax. Teachers create targeted word lists for each unit and students practice the Read-Write-Talk - Write strategy for building language. Teachers use these and other strategies to promote language acquisition and comprehension

in an effort to boost students' CALP skills and help ELLs meet and eventually exceed the Next Generation Learning Standards.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Teachers of MLs/ ELLs with IEPs provide access to academic content areas and accelerate English language development through the utilization of a wide range of instructional strategies and grade-level materials tailored to the students' proficiency levels and learning behaviors, with attention to rigorous instruction that are aligned to the Next Generation Learning Standards. Teachers use Into Reading on grade level curriculum for ELA core instruction. Vocabulary is front-loaded with the inclusion of pictures, TPR, use of new words throughout the day, and repetitive use of new vocabulary within the next modules. Vocabulary is practiced in all modalities and learned with strategies such as degrees, gradients, synonyms, antonyms, morphology, cloze sentences, and in context. Grade K-2 teachers have incorporated phonology walls to their classrooms and Grade 3-5 teachers have added morphology walls to their classrooms. Students are provided with access to on grade level texts through close reading activities, CSR strategies, choral reading and shared reading activities. Teachers provide differentiated and scaffolded graphic organizers and skill posters that are further enhanced to meet specific student learning needs. Students utilize word banks, cloze sentences and sentence starters to assist with language development and language acquisition. Most importantly, students are learning in a welcoming and affirming environment to bolster participation and language growth. Students are grouped heterogeneously when working cooperatively and ELLs are paired with higher performing students who model the language and behavior. Real life community experiences are re-enacted in the classroom and individual cultural, familial, and traditional activities are shared and celebrated in the school community. Students have access to Into Reading skills posters, graphic organizers, assessments, instructional routines, weekly practice bundles, table-top minilessons, decodable texts, and multilingual learner support. K-2 classrooms support student foundational skills with Fundations Scope and Sequence. Language building and comprehension is key in mathematics with enVisions core instruction. Students use math vocabulary and language in whole group and small group to explain their understanding of the day's learning objective. Students practice evidence-based learning which requires conversation and production. Furthermore, students utilize their i-pads to access all the Into Reading resources, along with the additional instructional learning platforms on their iReady Learning Paths, SORA, Epic Books, HMH Waggle, Amira, Writable, and IXL. Lastly, teachers of SWDs who are ELLs are key writers in the students' IEP. They ensure strong alignment of the PLOP, instruction design and execution, annual goals, student's effect of the disability on accessing the core curriculum, program and services, and progress monitoring to accelerate English language development.

b. SIFE

Instruction for SIFE students includes our on grade level ELA and Math curriculum with planning for interconnectedness and immediate relevance to their own personal situations. Text to self connections are made in the classroom through the use of oral activities and various scaffolded graphic organizers for written work. The student's own responses and languages is used as a springboard into the lesson. Individual and group work is built upon and cumulative. The teacher directly and explicitly teaches the new academic tasks but scaffolds them with familiar language and content.

c. Newcomers

Newcomer ELLs have access to and engage with grade level content through a strong foundational skill building program, instructional differentiation, explicit instruction, and and the use of Advanced Learning teaching strategies needed for language development in this diverse population. Recently-arrived ELLs are placed in one of our stand-alone ENL classes on each grade from K through 5, where the ENL teacher can provide intensive one-on-one and small group instruction on a daily basis. For newcomer students, ENL teachers ensure that students receive a balance of foundational and conceptual instruction. Teachers concentrate on academic language building. ELLs receive visual and verbal supports including the use of pictures, total physical response activities, short videos, and graphic organizers to represent complex vocabulary and concepts. Similarly, verbal supports include student glossaries, words highlighted in text, whole-class, small-group, and partner discussions that focus on the clarification of new ideas. Students are exposed to rigorous work while being supported in the areas of phonics and foundational reading. Teachers use close reading strategies and scaffold questions and responses for the students. By scaffolding the questions, teachers are able to promote higher order thinking. Teachers focus on depth of learning, the learning process, and interactive learning.

d. Long Term ELLs

Long-Term ELLs are ensured access to and engage in grade level content in all subject areas by continuing to provide them with the tools needed for the production of language. Teachers make content accessible through diagrams, story maps, cause-effect charts, word banks, word walls, graphic organizers, and knowledge-building teaching cycles. Long term ELLs are given multiple opportunities for use of learned skills and strategies for improving upon listening, reading, speaking, and writing abilities. Long term ELLs benefit from deep meaning making activities and language production projects that allow for discussion, knowledge-building, self-reflection, peer and self-revision, as well as continued academic language building.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

All teachers of ELLs with IEPs are required to review each student's IEP (Individualized Educational Plan) at the beginning of the year. Teachers of ELLs with IEPs follow the principles of Universal Design for Learning (UDL) and Specially Designed Instruction (SDI) to give all individuals equal opportunities to learn. They provide students with multiple means of representation, action, expression, and engagement. Teachers also evaluate the learning barriers preventing students from accessing the curriculum and work systematically to remove those barriers. For literacy, they focus on using the Scaffolded Strategies and differentiated learning activities provided by the Into Reading reading program or authentically-created to unlock the meaning of complex text and provide multiple entry points. Rituals and routines to support reading, writing, speaking, listening, and vocabulary acquisition are put in place. For mathematics, teachers will refer to the enVisions ELL approaches and scaffolds provided in the teacher's guide as well as on-line I-pad activities to support ELLs with IEPs. Advanced Literacy skills, with attention to Hallmarks 1 and 4, are included in instruction.
Our school uses the CORE checklist to ensure that ELLs with IEPs are flexibly programmed in the least restrictive environment. Our school uses the the full continuum of special education services to ensure that each ELL's IEP goals are met. Related service providers, special education teachers, and ENL teachers work together to ensure that students are receiving all mandated services in the general education classroom except where the IEP indicates a separate location. Our stand-alone and integrated models support our efforts to educate students within the least restrictive environment. SWDs receive ENL instruction according to their language proficiency levels. Entering and Emerging ENL/ Sp Ed students receive 360 minutes of English language instruction a week within the content area of English. During the ELA 90 minute daily block, four times a week, SWDs who are ELLs in a ICT or 12:1:1 setting receive English language services from a certified ENL teacher who co-teaches in the classroom to deliver ENL instruction. Similarly, students who are at the Transitioning and Expanding level of proficiency receive 180 minutes

of instruction weekly and Commanding level ELLs receive 90 minutes of ENL supportive instruction per week.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Home Language proficiency and support is initially assessed through the Dual Language Screening process and Home Language Identification Process which includes a home language proficiency interview which contains a series of questions to gain a level of home language knowledge and home language support. With results in hand, home language support can be planned, designed, and delivered through direct teacher instruction within the DL and ENL classrooms. Small group instruction, peer work, after-school programs, and on-line learning applications are offered to the students.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

In order to address the multiple needs of ELLs/ MLLs, administration provides opportunities for co-teaching and collaboration among teachers and coaches for all ELL program models at our school. Periods for co-planning, data analysis, professional development, and discussion throughout the work week are embedded in the school schedule and a part of Instructional Leadership (ILT) Team and Language Allocation Policy (LAP) Team meetings. ILT and LAP Team meetings occur monthly. Teachers meet during Monday and Tuesday morning meetings, daily common prep meetings, and monthly ILT meetings. Teachers are given multiple opportunities to partake in before, during, and after-school professional development learning opportunities provided in-house and through the district, digital resources, and remote learning platforms. Teachers have intervisitations, learn from one another, and reflect on best practices.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Professional development has been an important and ongoing part of ENL training at P.S. 170 to address the academic and social emotional needs of our English language Learners. Professional development sessions geared to the needs of our ELLs are attended by the assistant principals, ENL coordinator, common branch teachers, paraprofessionals, ENL teachers, guidance counselors, special education teachers, occupational/physical therapist, speech therapists and parent coordinator. At P.S. 170, our ENL coordinator attends the regional professional development circles and the material is then turn-keyed to the staff. Information and materials from all PD courses are stored in the ENL Coordinator's office in a binder that is accessible to all teachers. All PD attendees are required to turnkey valuable information at faculty conferences and meetings. Teachers are provided with professional

learning opportunities via the principal, assistant principals, ENL/ SP Ed Coordinator, and Guidance Counselors. PDs are available through Principal's Digest, the Brooklyn South Borough Office, Brooklyn South ELL/ MLL Team, and Goalbook. Non-pedagogues are invited to attend workshops at our school on many occasions. Every First Friday of every month, the Parent Coordinator provides workshops for non-pedagogues.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

In order to meet the mandated Continuing Teacher and Leader (CTLE) ELL specific hours for certification renewal as per CR Part 154 or 15% professional development requirement for all teachers and the 50% professional development requirement for bilingual/ ENL teachers, we will provide our staff with the PD topics listed below in addition to CTLE credit provided by attendance at NYC Regional Bilingual Education Resource Network (RBERN) workshops and UFT Teacher Center DIstrict 20 workshops.
15% of total hours of ENL/ bilingual teacher training and for all staff members including non-ELL teachers will take place during Chancellor's Conference Days and during morning pd sessions as per our school's SBO.
* Understanding the legal documents which identify our ELLs and how we can support our English Language Learners and their families during their initiation into our education system
* Exploring ENL strategies and methodologies to support our English Language Learners at each level of second language acquisition
* The Science of Reading
*Specially Designed Instruction
*Small Group Instruction and Progress Monitoring
* The use of technology in the classroom and its benefits for our English Language Learners at all stages of development
50% of total hours of ELL-specific training for ENL teachers will include workshops on the following topics:
* Understanding and analyzing English Language Learners' data from state assessments (NYSITELL, NYSESLAT, ELA and Math state assessments) and district screener (Acadience and iReady)
* Understanding the new CR Part 154 guidelines
* Teachers will also engage in weekly morning pd where they will conduct student inquiry focused on screeners, enhancing ENL instruction, building language and knowledge, facilitating opportunities for discourse in all subject areas, and student engagement in group activities.

As part of the requirement to maintain a professional teaching license, teachers are expected to keep their own record of the ENL training that is required under Jose P. Teachers are provided a log sheet at the beginning of the year to track their hours of training.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Our school uses Acadience in Grades K-2, iReady Reading Assessments in Grades K-5, and iReady Math Assessments in Grades 2-5. Acadience results in Grades K-2 will dictate progress monitoring schedules and instructional intervention. Students will begin iReady individual learning paths. Curriculum planning will target creating multiple opportunities during instruction for students to engage in communication, reading, writing, and listening in English. Teachers will design instruction using core lists of academic vocabulary based on the Into Reading curriculum and skills. BOY, MOY, and EOY Results from I-Ready assessments administered throughout the school year will also be analyzed and used to guide instructional planning for all ELLs.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Our school-wide focus on language and literacy development, fluency, vocabulary acquisition, syntax development, and reading comprehension are all aimed at raising the number of ELLs who meet the designated literacy benchmark for their grade, to access and participate in the core curriculum, and to meet grade level Next Generation Learning Standards. Students in kindergarten through fifth grade will use Into Reading in ELA and enVisions in Math. Additionally, in Grades K and 1, students will learn phonics through a kinesthetic, multi-modal approach to learning phonics and phonemic awareness and aspects of language arts through the Wilson's Fundations program, Heggerty Phonemic Awareness K-2 program, and the HMH Into Reading Intervention Resources. Students are assessed in phonics and reading comprehension on a weekly basis through a multitude of classroom assessments. These assessments are administered at the end of each module (two per unit) and are used to assess students' reading comprehension. In addition, our students will be assessed in mathematics using chapter and unit assessments from the new mathematics program, enVisions Math. Both of these assessments are aligned to the New York State Next Generation Learning Standards. Students in grades 3-5 are also assessed with baseline ELA and Math assessments in iReady ELA and Math at the beginning of the year, mid-year, and end of the year. The results of these assessments have continuously shown that ENL students lack vocabulary knowledge in both ELA and Math, prior and background knowledge of the topic at hand, and the ability to provide relevant information from a text or texts to support their views, and difficulty in performing math word problems that require more than two steps in order to attain the final result. To address this need, every grade meets mornings to conduct collaborative inquiry with the guidance of an instructional coach or administrator to focus on improving reading and writing across the genres. During this time, assessment results and student work are discussed and analyzed so that our teachers can set instructional goals for our students. Specific strategies for working with ENLs are shared, multiple scaffolds are created, assessments are designed and evaluated, rubrics are developed, and interventions are planned. Intervention includes small-group lessons, SGI, three to five times a week in a classroom, RTI, access to library resources, after-school intervention programs in ELA, Math, and Mandarin, and school clubs that focus on core content area topics.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Our MTSS is responsive and flexible in order to provide the appropriate and unique individual supports needed for each ELL/ MLL to be successful in the classroom. Our instructional and intervention decisions are data-driven. Instruction and intervention is provided in increasing intensity, or tiers, based on individual student needs which change over time. Initially, the strong core instruction is delivered to all students in the inclusive, multicultural, and multilingual welcoming and affirming classroom environment. Next, as a result of regular progress monitoring, targeted supports or interventions are provided to students according to evidence-based needs in a small group setting within the classroom. Lastly, individualized intensive supports or interventions through instruction are delivered to an even smaller percentage of students when needed based on student performance needs.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

The Into Reading Weekly Tests, Weekly Quizzes, and Performance Tasks results will inform and drive instruction and guide intervention choices. Curriculum planning will target creating multiple opportunities during instruction for students to engage in communication, reading, writing, and listening in English. The results from the Into Reading Tests will be used to plan the next module's teaching points for language building and acquisition, skill building, and instructional choices for listening, reading, and writing teaching points in the workshop model.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

ELLs that are literate in the native language are encouraged to read texts in the native language to support their academic progress in English language development. Furthermore, ELLs that speak Chinese, Spanish, and Arabic are provided opportunities to converse with teachers and paraprofessionals in their native language when appropriate or necessary during classroom instruction. Students in grades 3-5 are provided with one-to-one glossaries for mathematics and their proficiency levels are evaluated with the use of such materials. We are currently considering adding standardized screeners to assess ELLs in their home languages. In addition to the Chinese core curriculum unit assessments and projects, students are given the Chinese Reading Test in Grades 3-5.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

We use information from several sources to evaluate the success of our ML/ ELL programs including the RLAT report from ATS to evaluate (past 3 years) progress on the NYSESLAT, RESI report from ATS to evaluate progress on state exams, information from the school's annual progress report indicating English Language Learner progress, the school's FURBY report, and reading progress as measured by the Acadience and iReady Assessments in Reading and Math. Item analysis reports from the ELA and Math State exams will also inform instructional design and curricular decisions. The data will inform the teachers which areas of instruction in ELA and Math are crucial for ELL/ MLL student success. Vocabulary building, reading growth, and reading comprehension skills are necessary on all grade levels. A foundational skills program with decodable texts is implemented in Grades K-2. Into Reading instructional resources such as skills charts and differentiated and scaffolded graphic organizers will continue to be a part of the model workshop. Into Reading additional texts will continue to be a part of instruction during independent practice and small group work to reinforce the skills and strategies of the core instruction.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

The RLER and the RLAT reports from ATS are downloaded annually to ensure the administration of the NYSESLAT to all ELLs in the school. The Recommended Programs advanced report on SESIS will be used to create proper groupings for ELLs with IEPS in order to adhere to testing accommodations. The NYSESLAT Speaking session will be administered to students individually and given by ENL teachers. ENL teachers will not administer the Speaking session to their own students; however, they may administer Sessions 1, 2, and 3 and in Kindergarten, the Listening, Reading, and Writing sessions, to their own students. The NYSESLAT writing sessions will be scored in house by the ENL teachers. All ELLs and former ELLs continue to receive mandated services during the testing period as the administration of the test does not interfere with mandated instruction.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

The ENL/ Sp Ed Coordinator reviews all IEP testing accommodations on SESIS' Program Recommendations Report to ensure all ELLs with IEPs receive the necessary testing accommodations during the administration of the NYSESLAT and state exams. The ENL/ Sp Ed Coordinator and the Testing Coordinator collaborate to ensure current and former ELLs receive time extensions, use of bilingual dictionaries, and separate testing locations.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

During the planning meeting for our 2025-26 school year, a Parent Orientation Meeting date for ELL/ MLL parents scheduled on the school calendar and a thorough agenda is created to provide parents/ guardians of newly identified ELLs of the ELL program options, including program goals, and requirements of all three ML/ ELL program models. The Orientation occurs once students have been registered and identified as an ELL student. The Orientation includes a thorough presentation and explanation of the school's ENL and Dual Language programs, a description of the Next Generation Learning Standards, the school's expectations for ELLs, and viewing of the Parent Orientation Video in all languages of parents represented. Parents are notified about the orientation on the school's website and via translated flyers. Telephone calls are also given to these families to ensure their presence at the orientation. Staff translators are present at the orientation to aid in translation and interpretation of documents distributed in the three major languages represented in our school, including Chinese, Arabic, and Spanish, to make the information comprehensible for our English Language Learners' parents. Attendance records for the ELL Program Orientation is maintained by the ELL Coordinator, Elen Stratis.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note:

this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

The Annual Individual Meeting is scheduled with the parent with the distribution of the on-line form by the teachers. A mutual agreed upon time is chosen to discuss language development progress, language proficiency assessments, language development needs, and plan language acquisition or language proficiency reaching goals. Teachers are urged to have multiple meetings with individual parents throughout the school year to monitor growth and academic performance and keep parents informed. Translation is available with school staff members who speak the prominent home languages present in our school. Teachers maintain their own records of these meetings as well as logging them into a main, on-line data base provided by the principal as part of the Parent Engagement Log.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

ML/ELL family empowerment in our school extends beyond mandated meetings and orientations. The entire staff focuses on increasing our ELL parents' involvement in the school community. We invite families in for school tours in which we have staff that speaks all the prominent home languages translating all information given. Parents are notified about all school information and events on the school's website and via translated flyers in the three major languages represented in our school, including Chinese, Arabic, and Spanish, to make the information comprehensible for our English Language Learners' parents. Families are encouraged to initiate communications in languages other than English through the dissemination of the "I Speak" pamphlet, Google Classroom, Class Dojo, and calling our school.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Needs of the community are developed through surveys, PTA meeting discussions and feedback, and SLT meeting discussions and feedback, as well as school-based partnership surveys. Activities that foster empowerment for ELL/ ML families begin with the understanding that a family's culture is an asset and that our families' well being is essential to student success. Therefore, activities are planned to support family inclusion, belonging, and equity. The entire staff helps to develop the workshops, festivals, events, and trips that meet the diverse needs of our community.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

To ensure families of MLs/ ELLs are aware of family leadership opportunities through our email distribution list, flyers translated in all languages represented at our school, parent-teacher conferences, and classroom platforms, such as Google Classroom and Class Dojo.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

We currently have partnerships with the Bridging Cultures Group, NYU, Fordham, CAMBA, and our PTA. Resources shared with us through our Senior ML/ELL Compliance & Performance Specialist via the Multilingual Learners support sites, our Administrator of Special Education, and our bilingual special education team are also disseminated to the P.S. 170 families through our email distribution list, flyers translated in all languages represented at our school, parent-teacher conferences, and classroom platforms, such as Google Classroom and Class Dojo.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

Our program for ELLs/ MLs begins with analyzing data on all grades from our school-wide assessment platforms, determining the needs for professional development that focuses on student needs and abilities, planning lessons that address ELL literacy learning goals, and utilizes current teaching practices for effective deliverance of instruction. Our program utilizes all the essential components of a high-quality curriculum to promote the development of the four language modalities. Our stand-alone ENL program, Newcomer program, dual language program, and integrated ENL program, all provide opportunities for ELL/ ML students and ELL/ ML students with disabilities to engage independently and/ or with supports needed to be successful through modeling, direct and shared instruction, discourse, group work, and performance. In addition to the use of the Into Reading and enVisions core curriculum, language is further developed with Sora , Panorama National Geographic curriculum, Learning A-Z, IXL, and iReady reading and math individual learning paths.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

The members of our ELL identification team are the one ENL/ Sp Ed Coordinator and two ENL teachers.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

The intake process begins with the opening of the kindergarten registration period with the notification from our Pupil Accounting Secretary. As families begin completion of the registration packet, the ENL/ Sp Ed Coordinator and/ or the trained ENL teachers start the ELL identification process with the completion and review of each and every Home Language Identification Survey, for students entering K through 5th grade in the upcoming school year. The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students with IEPs) by the ENL/ SP Ed Coordinator. The enrollment status of each newly admitted student is determined in the following manner. If the student has been in a NYS public school within the past 2 years, then the previous school of attendance is contacted by the pupil accounting secretary or ENL/ Sp Ed Coordinator for ELL status, relevant assessment scores,
proficiency level, and ELL documentation (HLIS, Parent Survey, Placement Letter). If the student is a first-time admit to a NYS public school, then a Home Language Survey is completed by the parent or guardian in the preferred language with assistance, translation services are provided if needed, and the home language is determined by a trained and licensed pedagogue. NYSITELL eligibility is then determined. If the newly enrolled student is entering with an IEP, our Language Proficiency Team recommends NYSITELL eligibility to our principal. The student is administered the NYSITELL by the trained ENL/ SP Ed Coordinator and trained ENL teachers. Parent notification letters are written and sent to parents in preferred home languages to notify families of their child's ELL status. If the student whose home language is Spanish is identified as an ELL , then the Spanish LAB is also administered to the student. SIFE status of entering students is also determined using NYS resources on the NYSED website. If a student is an ELL, the parent is invited to attend our ENL Parent Orientation in which all ELL program models offered in NYC

public schools are presented in a video and further explained by the ENL Coordinator and school staff in parent preferred languages. ELLs are placed and programmed in the parent's program selection, ENL or Dual Language. Parent program choice is recorded on ATS and class sizes are monitored. If the ELL program chosen by the parent is unavailable, then the parent is informed that they may transfer to a school with that program in accordance with DOE transfer policies.
Parents are notified of the 45 day appeal policy and ELL Reidentification Process. If the Reidentification Process is implemented for a student, then the principal reviews the decision of the student whose ELL status was changed. This afore-mentioned process takes place throughout the school year dependent upon when a new admit registers or transfers to our school. The ENL Coordinator will communicate all the pertinent information to the school programmer, classroom teacher(s), and ENL teachers to ensure the ELLs and/ or former ELLs receive the mandated minutes of instruction. To ensure mandated ENL instruction is not interrupted, upon initial enrollment or returning for the following academic school year, the administrator responsible for class formation and STARS programming places students in an Integrated or Stand-Alone program to receive the mandated minutes of instruction. The identification of new students does not disrupt the scheduled ENL or bilingual instruction for existing students. Schedules are built at the start of the year to include all mandated services, with allowable space for new students.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Holli Sainz

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Elena Cunneely

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Abigail	Figueroa	Parent Coordinator - Annual	02/27/2025	Yes
Elen	Stratis	Teacher - Regular Grades	5/28/2025	Yes

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Part III of the Home Language Identification Survey (HLIS),Student Emergency Contact cards,New York City Schools Account (NYCSA) Student Profile,Other (Please specify in the next question)

If Other was selected, describe the resource here:

Language preferences for our parent community for both oral and written communication is assessed through a variety of data reports and methodologies. The first line of communication begins with our families at registration. All parents are initially asked what language they would like the registration packet in to complete. The ENL Coordinator conducts the interview for the Home Language Surveys with the parents and children and assists with its completion. Main Office staff that speak the three most prominent languages of the P.S. 170 community, Arabic, Chinese, and Spanish, as well as English, is present to help with interpretation and completion of the registration packet, Home Language Identification Survey, and Student Emergency Contact cards. Student Emergency Contact cards are also provided to parents in the preferred language of written communication. The home language and preferred language of communication for oral and written purposes data gathered from the Home Language Survey and interview process is entered into ATS by the Pupil Accounting Secretary. Our secretary maintains a record of this data and disperses it to the school personnel responsible for distribution of "school to home" materials in order for students and parents/ guardians to receive school information/ communication in the preferred language. The RCPL and RPOB reports are made available to teachers, paraprofessionals, aides, ENL/ Sp Ed Coordinator, and Testing Coordinator who are all in contact with dispersing information and conducting meetings, orientations, and workshops with parents. Preferred languages are also assessed through the Parent surveys, PTA meeting questionnaires, SLT membership, as well as data collected from the Parent Coordinator and School Assessment Team. All staff members have access to the Student Emergency Contact cards in order to provide parents/ guardians with the preferred language of communication during Parent - Teacher Conferences, workshops, one-one meetings, telephone conversations, orientations, and other school events through available school interpreters or the DOE over-the-phone interpretation service. New and improved preferred lists for oral and written forms of communication were created through Google Classrooms through parent-teacher posts and parent-parent coordinator emails. Microsoft Teams, Google Classroom, and Zoom Videos will continue to be used to collect language preference data as additional sources.

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are

comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ALBANIAN	5	0.31%	6	0.37%	0	0
ARABIC	126	7.76%	129	7.95%	2	8
BENGALI (BANGLA IN BANGLADESH)	2	0.12%	2	0.12%	0	0
CHINESE ANY	771	47.50%	742	45.72%	6	8
CHECHEN	0	0.00%	1	0.06%	0	0
CANTONESE	0	0.00%	5	0.31%	4	4
GEORGIAN	0	0.00%	9	0.55%	1	1
MACEDONIAN	1	0.06%	1	0.06%	0	0
MANDARIN	5	0.31%	33	2.03%	6	18
ENGLISH	496	30.56%	473	29.14%	6	25
RUSSIAN	24	1.48%	27	1.66%	3	3
SPANISH	187	11.52%	186	11.46%	8	4
(AMERICAN) SIGN LANGUAGE	0	0.00%	1	0.06%	0	0
URDU	0	0.00%	0	0.13%	1	1
UKRAINIAN	2	0.12%	2	0.12%	2	2
UZBEK	4	0.25%	4	0.25%	1	1

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Parent-Teacher Conference Announcement	We plan to translate documents through the use of DOE Intranet translated templates, school staff, and/ or the Office of Language Access. We plan to utilize Google Classroom, Google Translate, and Communication App, and Class Dojo.
ELL Orientation/ Kindergarten Orientation	We plan to translate documents using school staff and the Office of Language Access
ELL Parent Survey and Program Agreement, ELL Entitlement/ Non-Entitlement/ Continuation Letters	We use the DOE Intranet letters.
School Leadership Team/ School Assessment Team Letters/ IEPs	We plan to translate letters using the school staff and the Office of Language Access as well as the interpretation allowances on SESIS.
Parent Flyers	We plan to translate documents using school staff and the Office of Language Access
Report Cards/ Progress Reports	We plan to translate documents using school staff, the Office of Language Access, and DOE translated templates.
504 Request Accommodations/ Health Notices	We plan to translate documents using school staff, Office of Language Access, and DOE translated templates available through the DOE Infohub.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
K Registration/ Home Language Survey Interview/ ENL Parent Orientation/ K Orientation	We plan to provide interpretation with our school staff that is knowledgeable and comfortable communicating in the parent's preferred language of communication and the DOE approved vendors for over-the-phone interpretation service
Parent Teacher Conferences	We plan to use the school staff that is fluent and comfortable communicating in English, Chinese, Arabic, Spanish, and Russian, as well as the DOE approved on-site vendors for interpretation.
PTA Meetings and PTA Events	We plan to use the school staff that is fluent and comfortable communicating in the parent's preferred language and/ or DOE approved vendors for over-the-phone interpretation service.
Cultural Festival/ Fall Festival	We plan to use the school staff that is fluent and comfortable communicating in the parents' preferred languages.
Welcome Back/ Curriculum Night	We plan to use the school staff that is fluent and comfortable communicating in the parents' preferred languages
Winter and Spring Concerts	We plan to use the school staff that is fluent and comfortable communicating in the parents' preferred languages.
IEP Meetings	We plan to use the school staff that is fluent and comfortable communicating in the parent's preferred language and/ or DOE approved vendors for over-the-phone interpretation service.
Parent Workshops and Classroom Visits	We plan to use the school staff that is fluent and comfortable communicating in the parent's preferred language and/ or DOE approved vendors for over-the-phone interpretation service.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

To reach parents who prefer to speak a language other than English in the event of a school-wide emergency, we use our bilingual or multilingual school staff members or the over-the-phone interpretation service to communicate with families over-the-phone and offer

interpretation of messages, notifications, and emergency situations or events. In addition, we utilize the multilingual school
messenger service which disseminates messages to families in all preferred languages in the school community within minutes.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

In order to ensure that all staff members are aware of the goal of Chancellor's Regulation A-663 and the resources available to meet compliance, the Language Access Team disseminates the information in Chancellor's Regulation A-663 and updated language interpretation plans during the first faculty conference of every school year in September and thereafter when necessary. Staff members are made aware of how to communicate with limited English proficient parents/ guardians through bilingual and multilingual staff members and the over-the-phone interpretation service. Teachers will be equipped with copies of the Emergency Contact Cards of every student in their class the first day of school to know what the parents' preferred language of communication, orally and written, is. Teachers will also be given the RAPL report to know their parents' preferred language of communication. Administration will ensure staff complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. When staff members have completed their trainings on the WELearnNYC site, they email their Certificates of completion to the ENL/ Sp Ed/ Language Access Coordinator, Mrs. Stratis and Grade Supervisor.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

In order to make parents that communicate in a language other than English aware of their right to receive information in their preferred language, several steps will be taken. The Multilingual Welcome Poster will be posted in a prominent position in the lobby by the security desk, as well as in the hallway across from the parent coordinator, whose office is the first one that parents pass by on their way to the main office. A multilingual signage poster will also be placed under the glass top of the counter in the main office for parents to view and on the main office bulletin board. Parents will be given a Preferred Language pamphlet to cut out the preferred language card of their choice to carry on their person at all times and utilize throughout their travels. The secretarial staff will ask the parents their preferred
language of communication following the greeting. The Parent Coordinator will distribute multilingual brochures/ flyers/ and letters to the parents throughout the school year. Parents will always be asked their preferred language of communication when they have meetings with teachers and are present at Parent Orientation meetings, PTA meetings, SLT meetings, Parent/ Teacher Conferences or school performances and graduations in the building. The Parents' Bill of Rights and Parents' Guide to Language Access will be sent home at the beginning of the school year. Parents will be provided the NYC DOE Family Website and Public-Facing Infohub site for access to pertinent links for translated documents such as the Parent's Guide to Language Access and the Family Guide for Parents and Guardians with Disabilities. Parents will also be provided with the NYC Public School Guidebook and/ or access to the Guidebook via the Infohub or web address when they are present in the school building for registration, orientation, PTA conferences, or other school event.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

To gather feedback from parents, including limited English proficient parents, multiple mechanisms will be used at our schools. Questionnaires and surveys in regards to the parent preferred languages will be distributed in the multiple languages during Parent Teacher Association meetings and School Leadership Team meetings. Feedback will be gathered monthly at the School Leadership Team (SLT)/ Instructional Leadership Team (ILT) Meetings, Language Allocation Policy Team (LAP) Meetings, and Parent-Teacher Association (PTA) meetings and annually through the Parent Survey.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

To improve our language assistance services, we have trained our staff on how to ensure parents are given the opportunity for interpretation and translation services. We have implemented parent/ guardian feedback by providing all written letters and flyers from school to home in English and translations in the parents' preferred languages. We communicate school messages in English and all preferred languages of oral communication. Bilingual and multilingual school staff members are present in the school building
at all times, including all school events such as concerts, conferences, festivals, and meetings. In the event of remote learning and remote PTCs, staff are present on-line for language assistance. We will continue to gather feedback from limited-English proficient parents through emails, phone calls, and Google Classroom with staff that speaks the parent preferred language.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

138

Grades to be served in this program. Select all that apply.

,1,2,3,4,5,K

Total number of teachers in this program:

18

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

14

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

4

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

The ELA/ ENL Program will assist immigrant ELL/MLL and ELL/MLL students in reaching higher achievement levels in English Language Proficiency in all four literacy domains. This afterschool program beginning October 21, 2025 through May 7, 2026, will meet Monday through Thursday, twice per week, for Grades K through Five from 3:15 p.m. to 4:50 p.m. The students have heterogeneous English Language Learner levels of Entering through Expanding, taken from either the NYSITELL 2025 or NYSESLAT 2025 results. The language of instruction is English, with home language support provided when needed. The eight instructors are all certified ENL teachers providing instruction and facilitating activities in their own classes and engaging students with direct, explicit instruction using visual aids, word-rich discussions led by guiding questions, total physical response, scaffolds such as graphic organizers, and pair work, trio work, and group work. Sixty to eighty students will be included in this program, six to ten students in a group, and may grow dependent upon new immigrant registrants throughout the school year. The teachers meet with no less than six and no more than ten students in a class at a time. Materials and resources will include Into Reading Additional Resources, National Geographic Panorama, CRSE readers, and authentically created teacher materials. Additional teaching materials and supplies will be purchased at the teachers' request. Teachers will schedule neighborhood walks to visit supermarkets, parks, libraries, and other notable community gathering places to meet and learn about the people and places in our neighborhood.

To meet the demands of the rigorous Chinese Dual Language learning program in which students need to achieve at their highest in both languages, an after school program will support their performance in the English and Mandarin classes. The four certified Chinese bilingual teachers and two certified ENL teachers will be teaching the after school supplemental program. Grade K teachers will meet with their students on Mondays and Wednesdays from 3:15 - 4:50 p.m. and Grades 1-5 teachers will meet with their students from 3:15 p.m. to 4:50 p.m., on Tuesdays and Thursdays. The program, beginning October 21, 2025, will continue through May 7, 2026. All grades will include one or two groups of 5-8 students. ENL teachers will use Geodes, on-line Rigby libraries and Epic books, and/ or SORA. Newsomatic will also be used as an instructional resource. All of these materials are not used during the school day. Teachers deliver specifically designed instruction and build academic language for students identified as struggling with learning two languages. Teachers will focus on building foundational and fluency skills. The language of instruction is English with one group and Chinese with the other group. The expected outcome of this program is to build language, tap into background and prior knowledge of English language learners and increase their academic performance levels. The first cycle will end in December, 2025. Students will be re-evaluated and the data will determine whether or not students will continue in the program. If they have shown enough progress, they will graduate out of the program and other students in need will be invited.

Additional enrichment programs in dance, art, and theater will provide instruction to develop the skills and knowledge needed to follow directions, read and write creatively, comprehend and respond verbally on Grades K-Five. The programs, beginning October 21, 2025 through May 7, 2026, will meet on the days chosen by the teacher and for either one or two hours. They will include two to three groups of 6-8 students, of all proficiency levels, including former ELLs, taught by four content-area teachers and ENL certified teachers. These programs will boost confidence, improve oral language and literacy skills, and provide an engaging, multi-sensory environment for language acquisition. These classes are designed to offer creative, kinesthetic ways to learn vocabulary and practice English in authentic scenarios, foster greater motivation and socio-cultural awareness. The language of instruction is English.

All programs will be supervised by our administration; however, Title III funds will not be used in this capacity.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Our quantitative data that supports the need for each program comes from our 2025-26 Acadience and iReady BOY Diagnostics results, ELA and Math on-grade-level curriculum test results, 2025 NYSESLAT results, and 2025 ELA and Math State Test data. Our direct supplemental instruction programs will support language development, in English and the home language, to yield high academic achievement in ELA, math, and other core academic areas, such as social studies and science. NYSESLAT results reveal that the largest concentrations of developing language ELLs are on Grades 4 and 5, our state assessment testing grades, coinciding with the greatest number of beginner language learners on those same grade levels. There are seventeen beginner language learners, nine Entering and eight Emerging proficiency level ELLs on Grade 4 and ten Entering level and 10 Emerging level ELLs on Grade 5. Our lowest number of ELLs is on Grade 4. Our highest number of Expanding ELLs is on Grade 3. Data shows that most ELLs on Grades 3 through 5 have the greatest need in Reading. The Transitioning and Expanding ELLs on Grades 4 and 5 gained few points on the writing sections. Teachers will target the skills needed for these students to completely and successfully address the given prompts. Qualitative data retrieved from the onset of registration with parent and student interviews, teacher observations, and peer to peer interactions during instructional periods supports our ELL students require front loading of new vocabulary, foundational skill building for reading, close reading opportunities for text comprehension, text to self brainstorming, BICs skill-building for everyday conversation to become acclimated to their new school environments as well as CALP skill-building for academic success in writing and deep conversation for cooperative learning activities, small group work and pair work, and writing skills. The direct instruction supplemental programs and enrichment programs in dance and theater will target and plan instruction to meet student needs.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

We are planning to invite one hundred and thirty-eight ELLs in total to the programs. All grade levels will be included in the supplemental programs. a heterogeneous grouping of Entering, Emerging, Transitioning, Expanding, and Commanding level students will be invited to the programs listed above.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**

- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The programs will begin October 21. 2025 and continue through May 7, 2026. The ELA/ ENL Program will begin October 14, 2025 through May 7, 2026, and will meet Monday through Thursday, for all grades from 3:15 p.m. to 4:50 p.m. The Chinese Dual Language After School Program, beginning October 21, 2025, will continue through May 7, 2026. Grade K teachers will meet with their students on Mondays and Wednesdays from 3:15 p.m. to 4:50 p.m. and Grades 1-5 teachers will meet with their students from 3:15 p.m. to 4:50 p.m., on Tuesdays and Thursdays. Additional enrichment programs will begin October 21, 2025 through May 7, 2026, and will meet on the days chosen by the teacher and for either one or two hours. The approximate number of sessions is 90.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction will be in English for all programs. English and Mandarin will be used as the two languages for instruction in the Chinese Dual Language program.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

There are eighteen teachers involved in the Supplemental Instructional Programs. Fourteen of the eighteen teachers are ESOL/ Bilingual certified. Four of the eighteen teachers are content area certified teachers.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Geodes, on-line Rigby libraries, Epic, and Newsomatic have already been purchased. SORA is available to all teachers on Teachhub. Teacher-created materials will be created by the teachers. Authentic materials will be created by teachers and students. These items will remain in the after school program classrooms. Some materials may be purchased with Title III ELL funds and will not exceed 20% of our school's total allocation.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Parent and guardians will be notified about the programs through letters backpacked home in English and translated in the student's preferred home language. Daily attendance records will be completed. Teachers will maintain ELL student records/ portfolios of achievement and need through teacher observation, pre and post assessments, group work activities, projects, and on-line learning path performance data. All forms of communication sent home are translated in the three major languages represented, Arabic, Chinese, and Spanish.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

At P.S. 170, professional development focuses on meeting the academic, social-emotional, and cultural demands of our diverse ELL/MLL population. We recognize the profound results of a professional development program for the entire staff that enhances the instructional practices of the teachers of our ELL students that enables communication and promotes the understanding of academic language in our linguistically-diverse ELL student population. Professional development is on-going, intensive, collaborative, data-driven, evidence-based, purposeful, and applicable in the supplemental programs created for the students. For the 2025-2026 school year, professional development will include trainings, beginning September 16th, that provide the entire staff with effective instructional strategies for improving academic achievement in our ELLS through the implementation of diagnostic screeners, data analysis, and progress monitoring. We will continue to plan, develop, and deliver instruction that builds complex literacy skills and competencies through the Into Reading and enVisions core curriculum. Professional development for promoting the effective use of strategies and skills to build academic vocabulary and comprehension, the ability to analyze student work and achievement from a variety of sources, utilizing strategies for improving student achievement in all subject areas, while giving special attention to instructional classroom practices that address the specific learning needs of ELLs who are newcomers, developing ELLs, long-term ELLs, and ELLs with disabilities, as well as the Chancellor's priorities, are all embedded in our PD schedule.
- September 16th, 2025: Topic: Understanding Acadience and iReady Diagnostics for Planning Effective Supplemental Instruction Activities. Provider: Elen Stratis, Instructional Coach
- October 21st, 2025: Topic: Planning Small Group Instruction to Address ELL student writing needs. Provider: Elen Stratis, Instructional Coach
- November 18th, 2025: Topic: Analyzing and Synthesizing the Into Reading Performance Task Entries to Plan Instruction. Provider: Elen Stratis, Instructional Coach
- December 16th, 2025: Topic: Implementing our Foundational Phonics Curriculum and Strategies Outlined in NYC Reads to support ELLs and SWDs who are ELLs students in learning to read well. Provider: Elen Stratis, Instructional Coach.
- January 27th, 2026: Topic: The Science of Reading Instructional Strategies for Explicit Systematic, and Cumulative Writing Instruction. Provider: Elen Stratis, Instructional Coach
- February 24, 2026: Topic: Enhancing the Use of Decodable Texts. Providers: Elen Stratis and Laura Mirto: Instructional Coaches

- March 17th, 2026: Topic: Differentiating Learning: Addressing the needs of our ELLs and ELLs with Disabilities. Provider: Elen Stratis, Instructional Coach
- April 28th, 2026: Topic: Enhancing the Use of Decodable Texts to Allow for R/ W/ L/ S Opportunities for MLLs/ ELLs. Teachers of ELL students will plan and prepare instructional opportunities in all language areas for struggling ELLs. Provider: Elen Stratis, Instructional Coach
- May 19th, 2026: Topic: Strengthening Math Instruction for our MLLs/ ELLs/ ELLs with Disabilities. Providers: Elen Stratis and Laura Mirto, Instructional Coaches
- June 9th, 2026: Topic: Reflecting on the Implementation of the NYC Reads Initiatives and this Year's Student Performance. Providers: Elen Stratis, Laura Mirto, Instructional Coaches and Grade Supervisors

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

English Language Learners continue to need support academically to continue to grow to meet state learning standards and participate successfully in the core curriculum. Professional development for the Title III Program teachers will promote the effective use of strategies and skills delivered to students in order to build academic vocabulary and reading, listening, and writing comprehension. Professional development will sharpen the teachers' ability to analyze student work and achievement from a variety of sources to implement strategies to improve student achievement in all subject areas. Professional development will concentrate on giving special attention to instructional classroom practices that address the specific learning needs of ELLs who are newcomers, developing ELLs, long-term ELLs, and ELLs with disabilities. Our Spring 2025 NYSESLAT Result Overview shows 16.1% of ELLs met the Annual Progress Target and 45.6% of ELLs had not met progress. Our ELL students are in need of great improvement in writing in Grades 2-4. Our PDs will focus on building word recognition and language comprehension for reading comprehension. With skilled reading comprehension, our ELLs will have the necessary basics needed for writing.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

Title III Program teachers who will be receiving professional development are ESOL/ Bilingual Certified and ENL subject area teachers.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Professional development will be ongoing throughout the 2025-2026 school year, beginning in September and ending in June. There are 10 planned sessions and others will be added as needed: 9/16, 10/21, 11/18, 12/16, 1/27, 2/24, 3/17, 4/28, 5/19, and 6/9. Sessions are monthly and last 55 minutes or longer.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

- September 16th, 2025: Topic: Understanding Acadience and iReady Diagnostics for Planning Effective Supplemental Instruction Activities. Provider: Elen Stratis, Instructional Coach
- October 21st, 2025: Topic: Planning Small Group Instruction to Address ELL student writing needs. Provider: Elen Stratis, Instructional Coach
- November 18th, 2025: Topic: Analyzing and Synthesizing the Into Reading Performance Task Entries to Plan Instruction. Provider: Elen Stratis, Instructional Coach
- December 16th, 2025: Topic: Implementing our Foundational Phonics Curriculum and Strategies Outlined in NYC Reads to support ELLs and SWDs who are ELLs students in learning to read well. Provider: Elen Stratis, Instructional Coach.
- January 27th, 2026: Topic: The Science of Reading Instructional Strategies for Explicit Systematic, and Cumulative Writing Instruction. Provider: Elen Stratis, Instructional Coach
- February 24, 2026: Topic: Enhancing the Use of Decodable Texts. Providers: Elen Stratis and Laura Mirto: Instructional Coaches
- March 17th, 2026: Topic: Differentiating Learning: Addressing the needs of our ELLs and ELLs with Disabilities. Provider: Elen Stratis, Instructional Coach
- April 28th, 2026: Topic: Enhancing the Use of Decodable Texts to Allow for R/ W/ L/ S Opportunities for MLLs/ ELLs. Teachers of ELL students will plan and prepare instructional opportunities in all language areas for struggling ELLs. Provider: Elen Stratis, Instructional Coach
- May 19th, 2026: Topic: Strengthening Math Instruction for our MLLs/ ELLs/ ELLs with Disabilities. Providers: Elen Stratis and Laura Mirto, Instructional Coaches
- June 9th, 2026: Topic: Reflecting on the Implementation of the NYC Reads Initiatives and this Year's Student Performance . Providers: Elen Stratis, Laura Mirto, Instructional Coaches and Grade Supervisors

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

The providers of the professional development workshops are Elen Stratis and Laura Mirto. Elen Stratis is the ENL Instructional Coach and ENL/ Special Education Coordinator. Laura Mirto is the ELA/ Math Instructional Coach and Testing Coordinator.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Attendance sheets and all materials distributed and utilized during the workshops will be maintained electronically and by paper and pen by the instructional coaches who deliver the workshops. Presentations created will be maintained, saved, and shared with participants and staff through email as attachments and/ or one drive through Outlook email.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

At P.S. 170, our parent engagement activities are designed to assist parents and families of ELLS in becoming knowledgeable participants in their children's education, core curriculum, performance, progress, social-emotional well-being, and active participants in the school community. Parents are notified of all activities through letters sent home via backpack, posted on the school website, as well as sent to parents through our extensive email distribution list, in English and translated in Home Languages. Parent activities are also displayed on the school digital display as one enters the school building and on the display board to the side of the front entrance. Notifications are further distributed on Google Classroom sites.
- Throughout the months of September through December, 2025, by appointment. Topic: All About Cool Culture and Your Pass. Parents of ELL students are given an overview of the wonderful benefits of being a Cool Culture Member and the events and programs accessible all around NYC. Provider: Abigail Figueroa, Parent Coordinator
- January 9, 2026. Topic: Test Preparation Workshop for Families. Parents of ELL students will be invited to a Testing Workshop in which parents will learn about the contents of the State ELA and Math tests as well as the NYSESLAT test, classroom and home test preparation strategies, and helpful hints for assisting their child in building test-taking skills at home. Providers: Laura Mirto, Testing Coordinator and Elen Stratis, ENL/ Sp Ed Coordinator
- Date and Time to Be Determined. Topic: Tips and resources for social-emotional wellness will be discussed with a question and answer section. Providers: Abigail Figueroa, Parent Coordinator, Najieh Diab, School Counselor
- Date and Time to Be Determined. Topic: Reading and Writing Strategies For ELL Families. Families of ELL students will be invited to participate in a workshop re-introducing The Science of Reading and distributing culturally responsive readers. Provider: Elen Stratis, ENL/ Sp Ed Coordinator
- Date and Time to Be Determined. Topic: Middle School Preparation Workshop. Parents of fourth and fifth grade ELL students will be invited to a Middle School Information Night where they will learn about the middle school application process and the future implications of applying and attending middle schools. Providers: Najieh Diab, School Counselor
-Date and Time to Be Determined: Topic: Literacy Night. ELL Families will be a part of a workshop to inform parents of the resources at neighborhood libraries and how to enforce a love for reading.
-May 1, 2026: College and Career Readiness: It's Never Too Soon to Plan Providers: Grade Supervisors and Instructional Coaches

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Our topics for family engagement activities and the times for when the activities will be offered are drawn from family surveys, the minutes taken at PTA meetings, Parent-Teacher Conferences, SLT/ILT Meetings, individual and group interactions on a daily basis with our families, as well as the current needs and culture of the present times. In addition, pertinent data is received from the NYC DOE Division of Multilingual Learners, the Office of Language Access, the NYC DOE Infohub, The State Education Department, and the district's incentives to plan the agendas and resources combined to present to our families. Our parent engagement activities are designed to assist parents and families of ELLs in becoming knowledgeable participants in their children's education, performance, progress, social-emotional well-being, and active participants in the school community.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Ongoing throughout the school year, beginning in September and ending in June; at least once a month for a total of 10 sessions or more; either during the school day or in the evening; one-two hours for each planned workshop.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

- Throughout the months of September through December, 2025, by appointment. Topic: All About Cool Culture and Your Pass. Parents of ELL students are given an overview of the wonderful benefits of being a Cool Culture Member and the events and programs accessible all around NYC. Provider: Abigail Figueroa, Parent Coordinator
- January 9, 2026. Topic: Test Preparation Workshop for Families. Parents of ELL students will be invited to a Testing Workshop in which parents will learn about the contents of the State ELA and Math tests as well as the NYSESLAT test, classroom and home test preparation strategies, and helpful hints for assisting their child in building test-taking skills at home. Providers: Laura Mirto, Testing Coordinator and Elen Stratis, ENL/ Sp Ed Coordinator
- Date and Time to Be Determined. Topic: Tips and resources for social-emotional wellness will be discussed with a question and answer section. Providers: Abigail Figueroa, Parent Coordinator, Najieh Diab, School Counselor
- Date and Time to Be Determined. Topic: Reading and Writing Strategies For ELL Families. Families of ELL students will be invited to participate in a workshop continuing our discussion of the implementation of practices aligned to The Science of Reading and distributing culturally responsive readers. Provider: Elen Stratis, ENL/ Sp Ed Coordinator

- Date and Time to Be Determined. Topic: Middle School Preparation Workshop. Parents of fourth and fifth grade ELL students will be invited to a Middle School Information Night where they will learn about the middle school application process and the future implications of applying and attending middle schools. Providers: Najieh Diab, School Counselor
-Date and Time to Be Determined: Topic: Literacy Night. ELL Families will be a part of a workshop to inform parents of the resources at neighborhood libraries and how to enforce a love for reading. Provider: Abigail Figueroa, Parent Coordinator
-May 1, 2026: College and Career Readiness: It's Never Too Soon to Plan Providers: Grade Supervisors and Instructional Coaches

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

The providers are as follows: Abigail Figueroa, Parent Coordinator; Najieh Attal-Diab, School Counselor; Laura Mirto, Instructional Coach/ Testing Coordinator; and Elen Stratis, Instructional Coach/ ENL/ Special Education Coordinator.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents are notified of all activities through letters sent home via backpack, posted on the school website, as well as sent to parents through our extensive email distribution list, in English and translated in Home Languages. Parent activities are also displayed on the school digital display as one enters the school building and on the display board to the side of the front entrance. Notifications are further distributed on Google Classroom sites.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Attendance sheets and all materials distributed and utilized during the workshops will be maintained electronically and by paper and pen by the instructional coaches, supervisors, and parent coordinator who deliver the workshops.

Presentations created will be maintained, saved, and shared with participants and staff through email as attachments and/ or one drive through Outlook email. Powerpoints will be displayed on the school website.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem	112,000	
Purchased services -High quality staff and curriculum development contracts.		
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Grades to be served in this program. Select all that apply.

,2,3,4,5,1

Total number of teachers in this program:

12`

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

At P.S. 170, this academic school year 25-26, teachers are delivering effective instruction through an after school supplemental program that provides specific and responsive learning opportunities to our immigrant student population to address reading fluency and accuracy, vocabulary, and comprehension in ELA and Math in addition to the improvement of ELL/MLL English language proficiency in all domains of language acquisition, listening, speaking, reading, and writing, and academic achievement in all subject areas. The teachers will utilize iReady New York 1-5, in addition to the Into Reading core instructional learning materials and culturally responsive materials, in ELA and Math. Teachers support the implementation of practices aligned to the Science of Reading and the Multi-Tiered Systems of Support Guidance. Students are engaged in systematic, explicit phonics and vocabulary instruction. Other instructional methods include frontloading vocabulary through pictures, TPR, repetition and utilization, synonym, antonym, and degrees of meaning activities, providing sentence frames and cloze sentences,

close reading, choral reading, using scaffolded graphic organizers, pair and group work, and skill and strategy building exercises through direct instruction, cooperative learning, and real-life simulation activities. There will be six to 8 ELLs in each group. Students will be grouped heterogeneously, as a whole class, to allow for peer modeling and oral interaction, then, by skill need and modality need for small group work and collaborative work within the classroom setting. Through this enhanced instruction, students are involved in rigorous learning to support understanding with one teacher per class. With successful comprehension, immigrant students and ELLs/ MLLs are capable of critical thinking as they develop the skills needed for analyzing and synthesizing for production, in speaking and writing in ELA and Math. All teachers are supportive of the students' individual needs based on on-going assessments. Assessments are completed in a variety of ways for student optimum performance and production. The program will be supervised by the three assistant principals.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

Data collected from beginning of the year Acadience and iReady screeners, ELA and Math 2025 State test results, NYSESLAT 2025 levels and modality scores, Into Reading Module 1 through 3 weekly tests and performance task assessments, performance-based assessments, and project grades, response to intervention results, teacher observations, October 2025 EDUR and RPOB reports were all used to determine the creation and make-up of the supplemental program. Instruction is reflective of the linguistic needs of our emergent through expanding ELLs/ MLLs as well as our newcomer ELLs/ MLLs. Grades Three and Five have the highest number of Entering and Emerging language learners and Grades Two and Four have the largest number of Transitioning and Expanding language learners. The supplemental program will focus on meaning making, tapping into background and prior knowledge, and building foundational skills for those Entering and Emerging language learners. Grades Two, Three, Four, and Five transitioning and expanding language learners will be a part of instruction that is full of student engagement through conversation, acting, modeling, choral, echo, and performance reading, academic Tier 2 vocabulary knowledge learning, building questioning skills, and deepening comprehension of grade level texts through close reading, chunking, CSR strategies, and self-regulated writing.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

Students in Grades One through Five will be served. Immigrant students and ELL/ MLL students performing at a Level 2, as measured by school-wide ELA and Math predictives will be chosen for the Grades 3-5 program.

Emerging to Expanding ELL/ MLLs according to the 2025 NYSESLAT, which are newcomer and developing language learners, will be chosen for the Grades 1-5 classes. Well below or below grade level on the iReady BOY and MOY Reading and Math assessments in Grades 1-5 and below benchmark on the BOY and MOY Acadience assessments in Grades 1 and 2 will all be additional criteria used for the students invited to the Title III Immigrant After School Program. There will be two classes each on Grades 2-5 and one class on Grade 1. Each class has no less than eight and no more than twenty students.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

All classes in Grades One to Five will meet Monday through Thursday from 3:15 p.m. to 5:00 p.m. starting January 6, 2026 through April 16, 2026. Student needs will be re-evaluated after the Spring Break in order to continue the intervention program for immigrant students through June 18, 2026. The total number of sessions will be ninety-one.

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

Instruction is delivered in English. Home language support is provided through conversation, interpretation, and translation when the staff member who speaks the desired language is present as the teacher, the use of word to word bilingual state approved dictionaries, translated copies of stories when applicable, doe-approved laptop and ipad apps, and scaffolded units of study.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

Three teachers are certified in Bilingual Education (Bilingual Extension), six teachers are certified in English to Speakers of Other Languages (ESOL), and three teachers are certified in Common Branches.

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**

- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

The materials used are from the Into Reading core curriculum, including the decodable books, tabletop minilessons, start right readers, and culturally responsive texts. The materials will be at cost to the Title III Immigrant Supplemental Program. Into Reading materials support the students with language acquisition and continuity for language learning progression from the school day to after-school day, concentrating on building vocabulary knowledge, reading fluency and accuracy, and improving reading comprehension. Consequently, this curriculum choice supports teachers with planning for continuity and progression in the teaching of English for deepening learning. There is a focus on reading foundational skill-building and comprehension. The units of study offer questions and activities which may be used in whole class or focused small group reading lessons. The beginning of each unit concentrates on understanding, responding to and deepening understanding of the text with familiar questions and responses. This focus continues with on-going reading activities matched to the identified reading objectives. Vocabulary growth is at the forefront. With these curriculum choices, teachers guide students in building phonics with the letter and sound pages and build fluency with decodable readers. Students increase their vocabulary knowledge and listening comprehension abilities with read-aloud texts and writing activities that encourage the use of new words. All the grades utilize the Ready NY Mathematics curriculum which encourages students to develop a deeper understanding of mathematics concepts through the embedded standards for mathematical practice. Teachers build on students' prior knowledge and incorporate their classroom mathematics routine to promote continuity and conversation. The materials are chosen to foster accessibility to the general education curriculum during the day. Teachers also create their own authentic lessons designed to offer more support for collaborative teaching with additional opportunities for modeled instruction, shared instruction and independent and group work. All materials are at cost to the Title III Immigrant Program.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

Teachers will maintain records of students served in this program in individual gradebooks. Our ELL/ MLL and immigrant learners are placed in one of the classes of this supplemental program upon enrollment to the school based on specific academic needs and the data collected during the beginning of the academic school year for initial recruitment. Data collected on records during the implementation of the program will determine which students continue for the second half of the program along with teacher recommendations for new additions to the program. The following staff will administer and monitor the program: Maria Strongilis - Grade Supervisor, Kristi Pollock - Grade Supervisor, and Ming Chin Lin - Grade Supervisor.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

Professional development at P.S.170 for the staff responsible for the delivery of instruction and services to our targeted immigrant students is ongoing throughout the school year, specific, collaborative, purposeful, and applicable. Professional development sessions focus on the needs of our immigrant ELL/ MLL population and non ELL population in the classroom and in the school building as a whole. Professional development is aligned to the NYC Reads ELA Implementation Tool, NYCPS Multi-Tiered Systems of Supports for Literacy Guide, Clarity of Learning and Success Criteria Principles, the Blueprint for ELL/ ML Success, the 2025-2026 Literacy Shifts, the Lexia Letrs Program, and our CEP Goals. For the 2025-26 school year, we will provide professional development by explicitly modeling how to create a welcoming and affirming environment in the After School small group classroom, fostering opportunities for vocabulary building, oral language fluency, and comprehension in the ELA and Math block of the After School Program, systematic and explicit phonics instruction, improving teacher and student questioning skills for increased student response and interaction in ELA and Math, using decodable texts, exploring ENL strategies that promote successful vocabulary and academic language acquisition and application in all areas, listening, speaking, reading, and writing, and providing scaffolds and multiple entry points for access to the lesson. The professional development provided will be at the cost of the Title III Immigrant funds.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

At P.S. 170, professional development focuses on meeting the academic and cultural demands of our diverse non-ENL/ ENL/ MLL immigrant students, as well as our former ELL immigrant population. We recognize the profound results of a professional development program for the entire staff that enhances the instructional practices of the teachers of our immigrant students that enables communication and promotes the understanding of academic language in our linguistically-diverse immigrant student population. Professional development is collaborative, data-driven, and evidence-based. It ensures that its language instruction and other services are interactive, developmentally appropriate for all grades, culturally responsive, and reflective of the latest research on effective instruction for ELLs/ MLLs in newcomer programs, and supportive of learning needs for a variety of proficiency levels and ELLs/ MLLs with learning disabilities. Our supplemental program aims at offering additional resources and instructional support to help them navigate these challenges. Professional development sessions with our teachers in this program will provide the space for teachers to plan strategies and practices that will be implemented to create a welcoming and affirming environment. Our English language learners need additional academic support to meet the same educational standards as their English-speaking peers. Our ELL enrollment has increased by 18% over two years, with a notable rise in students at the Entering and Emerging proficiency levels according to our registration intake, NYSITELL, and NYSELAT reports. Over 40% of our newly enrolled immigrant students arrived mid-year last year. These students require multiple academic supports and social-emotional supports. Attendance data reveals that newcomer immigrant students have a 7% higher chronic absenteeism rate than the general population. Review of our NYSELAT results indicate that ELL progress targets were met by only 54% of students, below the district average. Data analysis of our Into Reading Weekly Tests and Performance Tasks and BOY iReady and Acadience reading screeners reveal that all students at Entering and Emerging levels show the slowest growth in reading comprehension and vocabulary acquisition. Student work analysis shows that newly arrived immigrant students struggle with grade-level text comprehension, writing tasks requiring academic language, and multi-step problem solving in math. Professional development sessions with our teachers in this program will provide the space for teachers to plan strategies and practices that will be implemented to create a welcoming and affirming environment. Our English language learners need additional academic support to meet the same educational standards as their English-speaking peers.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

All teachers and supportive staff teaching in the After School Program will receive direct training from the instructional coaches as well as through on-line professional development offerings to increase the effectiveness of instruction. Teachers will receive additional opportunities for professional development through ProTraxx (Pro-Learner) , The MLL/ ELL Division, and NYU RBERN.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and

- Time and duration of sessions.

One Tuesday a month from 2:50 p.m. to 3:20 p.m. Additional professional days and times will be planned and scheduled throughout the academic school year.

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

Topics to be covered at the professional development meetings, which include discussion and cooperative learning activities, are creating a welcoming and affirming environment in the After School small group classroom, fostering opportunities for vocabulary building, oral language fluency, and comprehension in the ELA and Math block of the After School Program, systematic and explicit phonics instruction, improving teacher and student questioning skills for increased student response and interaction in ELA and Math, using decodable texts, exploring ENL strategies that promote successful vocabulary and academic language acquisition and application in all areas, listening, speaking, reading, and writing, and providing scaffolds and multiple entry points for access to the lesson.

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

The providers of professional development activities listed above are the instructional coaches, Elen Stratis and Laura Mirto.

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

Professional development for teachers of immigrant students is school-wide and instructional practices to increase the English language proficiency levels of our ELL/ MLL immigrant student population are turnkeyed to staff for use in the after school program and during daily instruction to build continuity and routine. It is also key for data analysis of student performance and progress. Documentation is recorded through e-mail notification and attendance sheets.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

At P.S. 170, our family engagement activities are designed to inform parents and families of immigrant students about the curriculum and programs that are designed to improve their overall academic achievement and experiences within the school community, their English language proficiency, college and career readiness, and how our teachers and staff make the core curriculum accessible to their children. Family engagement is planned in order to assist parents and families of immigrant students in becoming knowledgeable participants in their children's education, performance, progress, school community, and social-emotional well-being. Family engagement events also thrive to promote respect for other cultures, languages, holidays, food, and traditions. Our planned events allow parents and family members to be active participants in the school's learning environment. The family engagement activities will be at cost to the Title III Immigrant Program.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

Family engagement activities are planned to engage the parents and families of our immigrant students with specific outcomes in mind. These events are conducted for parents, families, and the community around our school to improve the English language proficiency and academic achievement of our English Language Learners and Multilingual Learners (ELLs/MLLs). Our parental/ family activities assist families in developing an awareness of the impact of culture on learning. Family engagement activities impart parents, guardians, and extended family members the tools needed to extend the learning started in school at home. Parents and families are involved in the life of our school. Data sources used to justify the need for activities are results on school, district, and state assessments, attendance lists and in-house surveys taken at school activities and workshops, information relayed to staff at workshops attended regarding parental involvement and engagement, teacher feedback, SLT, ILT, LAP Team feedback, and the school's CEP goals and mission.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Title III Immigrant family engagement activities for our immigrant families are on-going throughout the academic school year. Five sessions have been planned so far, starting January 9, 2026 and ending May 8, 2026. They take place for a minimum of two hours to a maximum of four hours. The Virtual Financial Workshop is scheduled for January 9, 2025 from 5-7 p.m. The ELA and Math Test/ NYSESLAT Parent Workshop is scheduled for January 16, 2026 from 9-11 a.m. The Annual Cultural Festival is set for February 12, 2026 from 7-9:30 p.m. The Read Across America Workshop is scheduled for March 2, 2026 5-7 p.m. The Time Management Strategies Workshop is scheduled for May 8, 2026 from 6-8 p.m.

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

The topics to be covered for the Title III Immigrant family engagement activities are Managing Finances, Test Preparation, The Cultural Festival, Developing Lifelong Readers in our children, and Managing Time strategies.

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

The Title III Immigrant family engagement activities are provided by the following staff members, as a group: the assistant principals, instructional coaches, teachers, paraprofessionals, office secretaries, aides, parent coordinator, and PTA members work hand in hand to plan and execute all affairs. The assistant principals are: Maria Strongilis, Kristi Pollock, and Ming Chin Lin. The instructional coaches are: Laura Mirto and Elen Stratis. The parent coordinator is Abigail Figueroa. The paraprofessionals are: Jennifer Cheang, Sally Fang, Ghada Gamil, Helen Maxil Martinez, and Lin Gu. The aides are Nancy Colletti, Audra Salhany, and Joann Harrell. Lastly, our main office secretaries are Aida Ahmad, Linda Peng, and Mary Morris.

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Parents are notified of all family engagement activities through letters sent home via backpack, posted on the school website, and individual Google Classrooms, as well as sent to parents through our extensive email distribution list, telephone calling list in English and translated in home languages. All notifications are translated by school personnel who speak, read, and write the preferred home languages represented by the families in the school building. School-based personnel who speak the preferred home languages of our families are present at school events to support language interpretation and communication at the various events that occur throughout the year. Parent activities are also displayed on the school digital display as one enters the school building and on the display board to the side of the front entrance.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

The parent coordinator maintains documentation of planning for family engagement activities, notifications created and sent in email and paper copy form, as well as attendance forms. Community members at large and representatives from the district and senators' offices are invited to partake in parental engagement activities and events.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):
