Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages

- Part C: Parent Communications and Engagement
- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

P.S. 16 Q The Nancy DeBenedittis School

District Borough Number (DBN):

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Katherine Rodriguez	Principal / Staff Core	
Anthony Sparacia	United Federation of Teachers (UFT) Chapter Leader / Staff Core	
Anabel Pazos	PTA President	
Gabriela Lucero	Parent Elected	
Yesica Varela	Parent Elected	
Teresita Trujillo	Parent Elected	
Yenny Fabian	Parent Elected	
Anna Collado	Elected UFT/ Chairperson	
Pamela Keshishian	Elected UFT	
Emily Doran	Elected UFT	
Lady Murillo	Parent Elected	
Pietra Rocco	CSA Rep	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature

Alba Zamot	Guidance Counselor	

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Our school community envisions a nurturing and engaging learning environment characterized by small class sizes that enable personalized attention and foster strong relationships. Our mission is to provide standards-driven instruction through a challenging curriculum of meaningful learning experiences so all of our students, English Language Learners and native speakers alike, can acquire the academic and interpersonal skills needed to become productive members of the community and meet the demands of the twenty-first century. Our school's focus on the science of reading, mathematics, critical thinking, technology, and the arts will provide well-rounded experiences for all of our students. Based on the understanding that the home-school connection is critical to our students' success, we will continue to create opportunities for collaboration between school, home, and the community at large.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P.S. 16Q, The Nancy DeBenedittis School, is located in Corona, Queens--a high poverty neighborhood. Our economic need index is 94.4% (which is 17.6% higher than our District and 20.9% higher than the City average). Our student population is currently 947. We have:

- 573 Multilingual Learners (60.5% of our population)
- 159 Students with Disabilities (16.8% of our population)
- 689 Housing Insecure Students (72.8% of our population)

For the 2025-2026 school-year, we will focus on the five system-wide priorities below:

Priority 1: All students learn to read well
Priority 2: All students are physically and emotionally safe
Priority 3: All students have a high-quality academic experience
Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Our School-Level Goals will align to the Five System-Wide Priorities by:

- improving the ELA and Math academic performance of all students, with an additional focus on closing the performance gap between our ENL and Non-ENL Students
- providing social/emotional supports to all members of our school community
- strengthening the home/school connection

- improving social and emotional responsiveness
- reducing chronic absenteeism
- and, strengthening family and community engagement through increased inclusiveness and responsiveness.

Instructionally, we are focused on a positive mindset bringing positive change. Cultivation of a growth mindset and The "Habits of Mind" will empower students to understand that their intelligence is consistently changing based on effort, perseverance, practice and productive struggle. Students will have equitable access to advanced learning opportunities through flexible differentiation and a variety of strategies for students at all levels. Formative assessments and progress monitoring systems will be used to check for understanding and to modify instruction.

We are proud to say we offer the full array of options and direct services for our English as New Language (ENL) students from which parent(s)/guardian(s) may choose. Currently, we have: four Transitional Bilingual classes, six pairs of side-by-side Spanish/English Dual Language (DL) classes—a pair on each grade from Kindergarten through Fifth Grade, and stand-alone ENL classes (where the classroom teacher is dually certified in ENL) and integrated ENL instruction (with certified TESOL teachers pushing into classrooms). We are widening our classrooms and supports for our students by opening up bilingual special education classrooms.

In the 2015-16 school year, we received the Chancellor's Distinguished Model Dual Language (DL) Program Award. Our DL Program has served as a model for the City. Our teachers and program have been highlighted through various school level visits, videotaping of our DL Teachers in action and accolades in NYC press releases. Our DL program (in its 20th year) integrates ENL and English-speaking students for instruction, in and through two languages. The DL program is rigorous and focused on developing advanced levels of functional proficiency in English and Spanish, in addition to an understanding and appreciation of cross-cultural differences. All students in our DL program develop their second-language skills while learning content knowledge in both languages. Our multilingual learners receive ENL instruction, as per their proficiency levels, within the DL Program.

We are proud to say we offer a full array of flexible services for Students with Disabilities (SWDs). Our 2024-25 organization will have seven Integrated Co-Teaching Classes (ICT) and six Special Classes (SC, 12:1:1) in grades K through 5. We provide Special Education Teacher Support Services as needed and have a federally funded IEP Teacher, providing MTSS services to SWDs, as well as GE Students. The co-teaching model of instruction is prioritized for ENL and SWD students. For the upcoming school year, we will be opening BSE classrooms and programs.

At the Nancy DeBenedittis School (PS 16Q), we believe that students learn best while engaged in balanced instruction which promotes critical thinking, provides multiple entry points and scaffolded supports to maximize success. These beliefs are evident in the following common practices at our school:

•A school-wide instructional focus centered on Habits of Mind

•A "Science of Reading" Literacy approach to Reading and Writing which includes: Reading/Writing Workshop (including foundational skills, engaging with complex texts, small group differentiated instruction, independent practice, literacy centers, robust vocabulary instruction and whole group writing instruction)

•A Math Workshop that includes exploration, problem solving, direct instruction, informal assessments and small group work

•Active, cognitive engagement, 'minds-on', in alignment with the Danielson Framework. Classrooms reflect these beliefs in practice: student-to-student talk using Standards-aligned rubrics and through self- assessment and reflection

∗A dozen partnerships that support after-school programming to extend student learning and discussion past the classroom setting. These partnerships, ranging from (Art Together, Salvadori, Girls Inc, Girl Scouts, Kung Fu, etc.)

are inclusive to family partnerships and workshops after-school hours and into weekend events.

*Through explicit instruction and targeted small group instruction, we are committed to meeting the diverse needs of each student, ensuring their academic success. Teachers and families receive hands-on, detailed workshops on literacy supports and trainings - including Just Right Readers.

Briefly summarize the key initiatives your school will implement this school year.

This school year our school will implement the following initiatives:

1. A continued focus on The "Science of Reading" Literacy Approach (HMH Into Reading/Arriba La Lectura)

2. A focus on strengthening our ability to support our ENL Students in all modalities (Listening, Speaking, Reading and Writing)

3. A WIN Period for grades 3-5 which includes the phonics program "Phonics for Reading" to address phonics and phonemic awareness skills not mastered in grades K-3, as well as the fluency and comprehension program "Rewards"

4. A continued focus on an MTSS data driven plan by incorporating a Diagnostic Screener (LETRS) to better identify strengths, areas of need and match students to interventions; as well as a Dyslexia Screener (Amplify)

5. A continued focus on collaboration and Professional Learning through weekly Grade Level Planning/PL Periods

6. A continued focus on Growth Mindset ??? Change to Habits of Mind???

7. A continued focus on the Home-School Connection, including Home Language Supports and strengthening family and community engagement

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	HMH Into Reading/Arriba La Lectura, Amira	ENL Scaffolds & Support; Specially Designed Instruction
ELA	K-3	FUNdations	Double Dose for at-risk students as needed
ELA	2-5 Special Classes	Wilson Reading	For non readers & readers with significant print-based delays in Special Classes
Math	K-5	enVisions	

ELA	K-2	Heggerty and Heggerty Spanish	
ELA	3-5	Phonics for Reading	
ELA	K-5	Fugaces/Escalera	
ELA	2-5	Heggerty Bridge the Gap	
ELA	4-5	Rewards	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs

	strengths between home language and L2.	

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	30%	By June, 2026, literacy for All Students will improve, as measured by a 10% Increase, from 30% to 40%, of percentage of students At or Above Benchmark by the end of the year on the Amplify mCLASS Overall Reading Composite Score
English Language Learners (ELL)	11%	By June, 2026, literacy for English Language Learners (ELL) will improve, as measured by a 10% Increase, from 11% to 21%, of percentage of ELL students At or Above Benchmark on the mCLASS Reading Composite Score.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Utilize Explicit Instructional Pedagogical Practices to ensure students are provided with daily engagement in grade level complex texts, HMH HQIM. By building language, knowledge of concepts and vocabulary, students will engage in daily reading of grade level complex texts through explicit instructional practices and guided practice to support students in reading. Teachers will implement choral reading, echo reading and shared reading practices to engage students in reading of complex texts. Scaffolds and supports, as well as Specially Designed Instruction in the form of explicit vocabulary routines and differentiated graphic organizers to support writing within reading will be provided. Students will also engage in discourse and collaborative conversations to articulate understanding of daily lesson concepts. Assessment tools such as response cards will be utilized.

Strengthen school-wide and classroom-level implementation of HQIM, with a focus on MLLs and SWDs through scaffolded supports and specially designed instruction that allow access to grade level texts. Tap into bilingual HQIM of HMH IntoReading and Arriba la Lectura through development of conceptual understanding across languages. For students not enrolled in bilingual education, provide Home Language Supports to emphasize development of concept across languages and existing funds of knowledge students have.

For Dual Language and Bilingual Education Classes utilize OML's Keys to Language and Literacy- Key 3 Integrate language across subjects and units utilizing HMH Into Reading and Arriba la Lectura. Support teachers in recognizing the knowledge building cycle of HMH Into Reading and Arriba la Lectura for both Monolingual and Bilingual classes supporting teachers in building conceptual understanding for students across languages within knowledge building cycles on Modules.

Incorporate interdisciplinary literacy through focus on literacy practices in content areas such as Social Studies, Civics for All, Mathematics, and Science. Increase writing in the content area to boost literacy through focus on language development in content area class through writing production and incorporation of writing to explain thinking especially in Science and Mathematics.

Engage students in Inquiry and Research projects aligned to HMH as well as language production projects in mathematics to synthesize learning.

For ENL Standalone, ENL Teachers have been invited to participate in English 3-D Pilot Program. This pilot will

support Academic Language, and all modalities of Speaking, Listening, Reading and Writing. ENL Providers will utilize English 3-D with their 4 Periods of Standalone for their students who scored Entering or Emerging on the NYSESLAT or NYSITELL. We will work collaboratively with the District Instructional Support/ MLL/ELL Services Administrator Pauline Samartzis for the implementation of English 3D.

Root Cause Addressed:

Building conceptual understanding, knowledge and vocabulary improves overall comprehension and understanding of big ideas, concepts related to HMH Module and Essential Question. Additionally, tapping into cross linguistic transfer of conceptual understanding, students' funds of knowledge and language will be seen as an asset and utilized in building connections to content within HMH IntoReading and HMH Arriba la Lectura. Through the development of Language Comprehension such as background knowledge, vocabulary knowledge, language structures, verbal reasoning and literacy knowledge students will be better equipped to access grade level reading materials, engage in discourse, writing within reading and project based learning synthesizing their understanding of the themes and ideas within HMH Into Reading and Arriba la Lectura.

By making interdisciplinary connections and through the production of language in writing, speaking, and or through the use of multimodal, projects students will synthesize their learning across concepts leading to deeper learning and understanding as well as meaningful educational opportunities for all students.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Support implementation of Explicit Instructional Methods of lesson delivery for engagement in grade level texts as well as supportive guided practice through various methods such as explicit teaching of vocabulary, student discourse and collaborative conversations using discussion cards, writing within reading using differentiated graphic organizers, and checks for understanding using student response cards and other methods.
Support teachers in the selection and filtering of vocabulary words, explicit vocabulary routines and tools to support access to learning new vocabulary such as shades of meaning, semantic gradients, and frayer model.
Support teachers in explicit modeling, showing not telling utilizing complex texts at the center of the model using specific text evidence to support learning target.
Support teachers in guided practice engaging students in the lesson learning target or objective through use of active engagement strategies of collaborative conversations and discourse as well as daily writing within reading using differentiated graphic organizers.
Continue to allocate Daily Reading Periods for Engaging in Complex texts across grades K-5.
Provide Professional learning on Integrating Language across Subjects and Units utilizing HMH and Arriba La Lectura Modules as Knowledge Building Cycles for Conceptual Understanding Across Languages

Introduce Keys to Language and Literacy Development for Multilingual Learners as a resource for instructional decision making and data analysis

Incorporate Literacy through writing across the content areas such as in Mathematics, Science, Social Studies, and Civics for all to explain thinking and synthesize learning.

Engage students in interdisciplinary language production projects in Mathematics, Science, Social Studies of Civics for All, this includes Soap Box Speeches, STEM Presentations and Math Language Production Projects.

Key Strategy 2 (Optional):

Through analysis of measures which makeup reading composite score for grades K-2 it was identified that phonemic awareness as seen in the Phoneme Segmentation Fluency measure is an area in need of support as well as phonics as seen in the Nonsense Word Fluency Measure (both correct letter sounds and words read correctly. This will be address through strengthening of lesson delivery for Tier 1 Fundations lesson through close attention to Phonemic Awareness and Phonics connection as well as Encoding and Decoding. In addition, students scoring well below or below benchmark in these areas will receive interventions in Phonemic Awareness and Phonics using a Heggerty Primer focusing on Phoneme Segmentation or prerequisite skills and Fundations Intervention lesson.

Through analysis of measures which make up reading composite score for grades 3 through 5, it was found that students had gaps in phonics skills as evidenced by grade 3 NWF and 4th and 5th Oral Reading Fluency (ORF Rate). To address this area of need, students in Grade 3 will complete Level 2 phonics so that completion of introduction to all syllable patterns is achieved. Previously students in grade 3 did not have prior learning of all Units in Level 2 Fundations which provided introduction to 6 syllable types. In addition, students will receive data based small group instruction. In grades 4 and 5 students will have dedicated Word Study utilizing multisyllabic word reading strategies in combination with HMH Morphology and Generative Vocabulary lessons, data based small group instruction, Fluency Passages, Wilson Just Words, and other interventions as needed. This will improve students word reading and fluency.

Support School Wide understanding of Biliteracy Screener data and taking an Ecological Approach to data analysis for all staff which incorporates data for students available in Lectura and mCLASS. Utilize the OML Document entitled Keys to Language and Literacy to facilitate discussion for utilizing keys beginning with Key 1: Recognize and Build on What MLs/ELLS Bring-Analyze data for existing strengths and recognize ways to bridge instruction for students. Analyze matched data for students to determine existing strengths in L1.

Key 6: Prioritize Growth and Progress- Provide continued support to teachers utilizing Zones of Growth in Amplify mclass and Lectura. Support teachers in recognize the need for making Above Average and Well above Average Growth for students Well Below and Below Benchmark in order to shift trajectories for students. Focus on high leverage practices such as Explicit Instruction and Data Based Small Group Instruction to support students in making above average and well above average progress between progress monitoring and benchmarks periods.

Provide support and training to staff on Cross-Linguistic transfer tools available in Amplify platform as well as teacher created tools such as word walls and morphology walls to support teachers in explicit Cross-Linguistic connections for students.

Root Cause Addressed:

The root cause addressed is weakness in phonemic awareness and phonics in grades K-2 as evidenced by mclass Phoneme Segmentation Fluency and Nonsense Words Fluency. Through the use of an intervention lesson utilizing Heggerty and Fundations these two areas will be strengthened.

In grade 3, in lack of completion of phonics skills aligned to the scope and sequence in Fundations Level 2 due to incomplete learning and mastery of Level 2 occurring in Grade 2. By completing Level 2 in grade 3, students will achieve the full scope and sequence of phonics skills and be better equipped to decode words. By continuing to provide Word Study and Multisyllabic Word Reading Support with Generative Vocabulary lessons, data based small group instruction, Just Words, and other Tiered Interventions in Grades 4 and 5, students will continue to address disfluent reading due to multisyllabic word reading break downs.

In grades 4 and 5, students who display disfluent reading as evidence by ORF- Words Read and Accuracy will strengthen their word reading skills through the focus on multi-syllabic words reading, morphology and decoding paired with fluency and accurate reading of connecting text in fluency drills embedded within the Just Words Program. Additional caused for disfluent reading such as break down in comprehension or vocabulary.

Address need for utilizing biliteracy screener data by engaging in data dives with teachers comparing screener data for mCLASS/ DIBELs 8 and Lectura. Examine Basic Early Literacy Skills in both English and Spanish to draw comparisons, recognizing students existing strengths.

Through greater understanding of Biliteracy Screener data available and recognizing existing strengths of MLs and ELLs, teachers will be better equipped to reduce the achievement gap for these students through the incorporation of an asset based mindset, as well as high leverage instructional routines support increased achievement.

Through the use of Cross Linguistic Transfer tools such as biliteracy alphabet charts, morphology charts, concept maps and knowledge maps, teachers will tap into existing funds of knowledge allowing for connections to content in both L1 and L2.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Strengthen Tier 1 by allocating 3 weekly Fundations Periods in Grade 3 to Complete Level 2 Fundations up to Unit 17. At the start of the school year Level 2 materials and resources will be distributed to grade 3 teachers to provide continuum of learning within level 2 and completion all Units leading to greater mastery of scope and sequence of phonics skills leading to fluent and accurate reading.
Provide Teachers with a refresher in Fundations Encoding and Decoding. Plan Fundations Refresher for first two days of school supporting teachers in creating Fundations Corners and recognizing multsensory approach to Fundations through use of classroom manipulatives and resources.
Provide Professional Development in Fundations Intervention Lessons for Grade K-3 and Wilson Just Words in Grades 4 and 5
Provide professional learning on repeated and paired reading of Fluency Passages to strengthen fluency through

practice of semidecodable HMH Fluency Passages aligned to module big idea. Support teachers in repeated reading routines for partner reading.

Provide TBE classes identified as needing additional support in Foundational Literacy with Just Words Foundational Reading support to provide explicit instruction in word reading, morphology and fluency. Utilize strengths as evidenced in Lectura to support planning instruction and make explicit connections between L1 and L2.

Prioritize Growth and Progress for Students by supporting teacher in determining high leverage instructional practices such as explicit instruction and frequent data based small group instruction focused on specific areas of need so that above average and well above average growth utilizing the Amplify Zones of Growth measures can be achieved.

Provide Professional Development on Cross Linguistic Transfer Tools such as Sound Walls and Morphology Walls

Evaluate Matched Biliteracy Screener Data to recognize school wide data trends for students and existing strengths in L1 taking an asset based approach to data analysis.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The primary structures we will use to progress monitor implementation of key strategies and action steps are:
1. Instructional Rounds and Walkthroughs with the Instructional Leadership Team.
Utilizing a google form that indicates
-4/16 specific elements of Explicit Instruction, leadership team members will not evidence of explicit instruction.
-Areas of focus aligned to Priority 1
-NYC Reads Checklist
-Team will identify trends and Next Steps
2. Biweekly Progress Monitoring of Students Well Below Benchmark
-K-2 PSF and NWF
-Grade 3 NWF and ORF
-Grades 4 and 5 ORF (NWF as needed)
3. Monthly Progress Monitoring of Students Below Benchmark
K-2 PSF and NWF
-Grade 3 NWF and ORF
-Grades 4 and 5 ORF (NWF as needed)

Compare Biliteracy Screening Measures and Data- Utilize Cross Linguistic Data Protocol/ Tool
Progress Monitor students in Bilingual Education, and Dual Language well below bi-weekly
Students below benchmark will be progress monitored monthly

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/17/2025	09/17/2025	September In Person Parent Teacher Conferences	Commonpoint
11/07/2025	11/07/2025	BOY Screener Data Review	Parent Coordinator, PTA

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

We will utilize Teaching Faculty, iDeal Instructional Coaching, District 24 ELA District Academic Instructional Specialist will continue to support with Explicit Instruction, Wilson NYC Reads Coach

Instructional Resources

HMH Into Reading, HMH Arriba la Lectura, Fundations Intervention Guides, Wilson Just Words Program for specific classes

Schedule Adjustments

Grades K-2 will have 3 Periods Weekly of WIN, Additional Teacher Led Small Group Intervention can occur during 4 Periods of Small Group Instruction. Grade 3 will have 3 Periods of Fundations and Fluency Practice/ Small Group, and 4 WIN Periods Weekly. Grades 4 and 5 will have 4 WIN Periods, 3 Periods of Small Group Instruction. All Grades will have 5 Weekly Reading Periods for Engaging in Grade Level Texts, and 3 Writing Workshop Periods (150 Minutes of Writing Weekly)

Other Resources Needed

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYC School Survey Results- Preventing Bullying	Lack of Bullying Awareness, Behavioral Supports, lack Social Emotional Awareness	Need for Bullying Prevention and Awareness, need for continued behavioral supports and Social Emotional Learning, Habits of Mind

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	89%	By May, 2026, physical and mental wellness for All Students will improve, as measured by a 4 percentage points decrease, in Number of respondents who respond favorably (none of the time or rarely) when asked at this school students harass, bully, or intimidate other students from 89% to 85%, per the School Survey .

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Incorporate Bullying Prevention Workshops and Assemblies with Guidance Team.

Root Cause Addressed:

Awareness of Bullying and prevention

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Conduct Assemblies to provide faculty with overview of bullying awareness and prevention.
Partner with Commonpoint to provide weekly assemblies for students on bullying
Create a bullying prevention poster contest to support school wide focus against bullying.
Each class can create a bullying prevention/ kindness slogan to post in their classrooms.
Utilize the Habits of Mind to support Mindfulness
Celebrate Random Acts of Kindness through shoutouts and CBS Cards "Caught being super"

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Monitor bullying through use of google forms and monitoring of OORs reporting.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/17/2025	09/17/2025	Parent Teacher Night	Commonpoint

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Guidance Staff, Dean provide Bullying workshop, Commonpoint will facilitate assemblies with Guidance Team, Teaching faculty

Instructional Resources

NYCSP Respect for All/ Bullying Prevention Toolkit, NYCPS Understanding Bias Resources

Schedule Adjustments

n/a

Other Resources Needed

Habits of Mind video subscription

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	37%	PS16Q will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the The Percentage of students in the average to high achievement quintiles will increase will Increase by 10 from 37% to 47%, for All Students, as measured by NWEA Map Growth Mathematics Screener.
English Language Learners (ELL)	13.7	By June, 2026, the percentage of students in the average to high average quintiles will increase by 10 percent from 13.7% to 23.7% for English Language Learners (ELL), as measured by NWEA Map Growth Screener.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

As a school, we will implement Implement NYC Solves Shift 1: Beginning with sensemaking rather than modeling. Students will engage in individual and collaborative sense making first, and then teacher will help connect their ideas, strategies and informal language to the lesson goal to formalize learning. We will implement a lesson format of You do, We do, I do. Support teachers in utilizing the existing HQIM at hand which is Envisions to follow this format. beginning with Solve and Share, Guided Practice/ Problem Solving and concluding with Visual Learning as the final step to synthesize learning as the I do along with teacher explanations. We will juxtapose this format again familiar explicit instruction forma, supporting teachers in implementing an approach with first begins with an open ended task or solve and share that allows for multiple solutions or methods to problem solve. Teachers will be supported in making manipulatives readily available and accessible for student and to focus on building mathematical concepts within the lesson. Utilize NYC Solves Shifts and resources to support this effort.

Implement NYC Public Schools Foundational Mathematics Standards to Strengthen Tier 1, Provide tiered Mathematic support using Do The Math for students below the 40th Percentile. For students in need of foundational mathematics supports and MTSS in Math, classes will have "Do The Math" Approved Tier 2 Intervention Kits to support students with targeted small group support to address weaknesses in Numbers and Operations Standards as evidenced by instructional reports from NWEA.

Classes in grades 4 and 5 will have 10 periods of Math Weekly- consisting of 5 days of double math periods. Classes in grades K through 3 will have 7 Math Periods each week consisting of 2 days of double math periods.

Root Cause Addressed:

The root cause of students needing ample opportunities for sense making will be addressed through the lesson model You do-We do-I do. Teachers will be supported in ensuring Solve and Share provides open ended task with manipulatives and resources provided to students to fully engage in the task.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Introduce NYC Solves Shifts, begin with Shift 1- Introduce lesson format You do, We do, I do. Align this lesson format to Envisions Math.
Support teachers in intensifying solve and share tasks an/or ensuring students have ample opportunity for sense making and building of conceptual understanding, and have appropriate tools and manipulatives to effectively engage in learning.
Support Academic Discourse to develop understanding by providing students with mathematics conversation protocols building content specific academic vocabulary and language.
Strengthen foundational skills for students using NYCPS Foundational Mathematics Standards as a resource to address prerequisite skills for students. Implement fact routines throughout various points in day to develop accuracy, and mathematical fluency.
Utilize NWEA Map Growth data to determine students in the 40th Percentile for Numbers and Operations. Provide targeted supports using Do the Math Tier 2 resources to address this area of need. Conduct Item Skills analysis as well as explore NWEA Standards Reporting tools to determine Envisions Topics in which teachers can intensify, amplify or accentuate lessons to allow for additional practice within the standard where Envisions lack practice as determined by level of questions allotted to particular standards in NYS Math Assessment versus amount of practice provided for in Envisions Math.
Set up manipulatives tool kits with teachers provide TTT teacher team time and Monday professional learning for this activity.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/18/2025	09/18/2025	September Open School/ PTC	Commonpoint
11/07/2025	11/07/2025	BOY NWEA Math Screener data review	Parent Coordinator and PTA
11/07/2025	11/07/2025	Introduction to i-Ready Home Support	Parent Coordinator, PTA

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

General Education Teachers, Special Educations Teachers, District Mathematics DAIS Instructional Specialist, IDEAL Coaching

Instructional Resources

HQIM (Envisions Math), Do the Math Intervention kits (already purchased in previous fiscal years)

Schedule Adjustments

Provide Grades K-2 with 1 math period daily, provide grades 3-5 with 7.5 math periods weekly. Provide Math Tutoring and Afterschool help for students,

Other Resources Needed

Afterschool programming to implement Do The Math in addition to class time.

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2024 School Survey-This school helps my child prepare for college, career, and success in life after high school.- 89% (0% change from 2023)	Parents do not feel that school supports students to be prepared	Support families and students by increasing experiences related to future careers, provide more opportunities for trips.

	for high school and beyond.	
Low Attendance in NYC Kids Rise and Financial Literacy Parent workshops. NYC Kids Rise and Financial Literacy has not been incorporated into the Mathematics Curriculum for students.	Lack of Resources and information on incorporating financial literacy into Mathematics Instruction and parental engagement in NYC Rise.	Prioritize Financial Literacy in the Mathematics Classroom by incorporating Math and Language Production Projects aligned to budgeting and financial literacy, increase enrollments in NYC Kids Rise.
Civics for All- 2024, 2025 was our first year participating in the Civics for All Initiative. Each class taught 10 lessons across the school year. Students need additional support in Civics, learning about local government responsibilities, verses citywide responsibilities, and national roles and governance. Students need continued opportunities to participate in civics so that they can be agents of change in their community.	Students previously lacked opportunities to get involved in civics due to limited opportunities in Elementary School, younger school age years.	Continue to Grow Civics for All program, and Civics Minded students that can contribute to their communities, schools, societies, to be agents of change, self advocates and advocates for their peers and communities. Support students in Service Opportunities such as Civics Squad. Participate in 10 Civics lessons across all grade bands, across all grades. Participate in Soap Box speeches. Participate in Participatory Budget

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	27%	P.S. 16Q will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the percentage of active NYC Rise college savings accounts for All Students will Increase by 10% from 27% to 37% as measured by NYC Rise enrollment reports.
All Students	70	P.S. 16Q will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the percentage of classes who participate in Civics for All Lessons, Soapbox Speeches, and Participatory Budget will increase by 10% for All Students will Increase by 10 from 70 to 80 as measured by School Surveys.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

-Invite families to NYC Kids Rise Workshops to increased the number of families enrolled in NYC Kids Rise.

-Incorporate financial literacy into math instruction by implementing math and language production projects aligned to budgeting and create a plan requiring students to allocating funds for a specific project. Classes will design collaborative projects based on a rubric created with staff aligned to financial literacy, grade specific math standards, and language standards for writing or speaking. Provide students with Project based learning opportunities to facilitate collaboration and opportunities for 21st Century learning through incorporation of group projects, research, and technology. Conversations around planning for the future will be part of the classroom setting.

-Survey parents periodically to gauge parents favorable responses to whether our school prepares students for college, career, and life beyond high school. Invite parents to visit classroom displays and presentation on Financial Literacy highlight projects created by students. Invite NYC Rise for family workshop.

Root Cause Addressed:

Root cause address is lack of enrollment in NYC Kids Rise College Savings Program, as well as lack of financial literacy of students and prepared.
Root cause addressed is favorability in responses by parents regarding preparation for college, career and success in future beyond high school.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Invite families to NYC Kids Rise September Workshop
Provide professional learning to teachers on financial literacy partnering with Success in Motion
Provide staff planning days for Financial Literacy project creation and rubric creation
Invite families to learn more about Financial Literacy initiatives in school and goal for teaching students about financial literacy, budgeting and spending
Implement Middle School Preparation Workshops for students and families
Celebrate College Awareness Day-School wide day aligned to NYCPS
Hold Career Fair Aligned to District Priorities

Key Strategy 2 (Optional):

Continue Year two of Roll Out Civics for All 10 Lesson Plan for school year for every class, every grade.

Provide Support in Planning for Soap Box Speeches- Civics for All Team will provide professional learning to full staff.

Convene student council to conduct needs assessment and feasibility study for Participatory Budget Project Proposals.

Engage Grade Teams in Selection of Grade level Project Proposals.

Engage school in full student body Participatory Budget Vote.

Root Cause Addressed:

Lack of opportunity for student engagement in Civics and Civic Responsibiilties.

Lack of understanding of community involvements, local, city, state and federal government governing structures decision making bodies and processes and how they differ and are similar.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Expand Civics Team to include 3 members.

Create Civics Squad of Student representatives and service members
Create and provide professional learning and resources to teachers to deliver instruction of 10 lessons in Civics over the course of the school year.
Attend District Wide Civics Professional Learning. Prepare for Soapbox Speeches and Participatory Budget Event
Execute District Plan for Civics -Invite Families to Civics Week and Soapbox Presentation Speeches.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Conduct lesson checks and studies with small team of civics teachers
Collect Staff Surveys and Student Surveys
Include student government and Civics Squad in school-wide meetings and planning sessions

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/18/2025	09/18/2025	September PTC	Commonpoint
10/27/2025	06/26/2026	Parents Support Civics Squad with early arrival to school in support of fifth graders contributing to school community members	Parent Coordinator

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Civics Team of Teachers Attend Monthly Civics Meetings

Other Resources Needed

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to the attendance collected at our CommonPoint and/or School Level outside of school day events: Curriculum Night, Earth Day Event, Food Pantry Events, Success Mentoring, and Community Forum, we had an	Events held after school, in mornings and during school hours. Some events were	Continue to schedule more events in the

average attendance rate of 64.4%. According to 2024 School Survey data for Parent Involvement, 86% of families have attended a school meeting, school event or parent teacher conference (virtually or in-person.)	held in the evenings and on weekends.	evenings and on the weekends.
According to 2024 School Survey data for Parent Involvement, 87% of Families know how to contact the Parent Coordinator at their child's school.	Families may not know how to contact Parent Coordinator. While 99-100% of families are connected to Parent Square, not all families may know they are able to contact Parent Coordinator through Parent Square.	Increase Parent Coordinator visibility and outreach. Increase availability through office hours, events and initiation of parent contact through introduction letters.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	64.4%	P.S. 16Q will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By July, 2026, the the percentage of families attending school-wide events will increase by 3 percent from 64.4% to 67% as measured by Parent Teacher Conferences Registration Reports, and attendance at all family engagement events occurring during the school day, after school and on weekends.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

At the end of the school year, we exceeded our goal for parent engagement and attendance to a variety of school wide events such as Meet the Teacher in September, Curriculum Night, Saturday events, Common Point Parent Events, Parent Coordinator organized events, having 64.4% parent attendance. This school year we will continue to provide families with events held on weekends and evenings to expand the options available to families for participation in school wide events so that these events can better fit their schedules and provide more flexibility for families.

Root Cause Addressed:

The root cause addressed is inability to attend events during school hours or immediately following dismissal due to work schedules or alternate obligations. By providing families with more weekend and evening events we will expand the engagement opportunities available to families thus increasing inclusivity for families and responsiveness to families requests and needs.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Fall Festival Saturday/ Weekend Event at the start of the school year
Meet the Teacher/ Curriculum Night September 18, 2025
Family Workshops planned by Parent Coordinator and PTA during the mornings and after school, examples SEL, Mindfulness & Yoga and Salvadori Bridges

Continue to survey Parent and family satisfaction at BOY, and MOY for feed back on timing of events and suggestions
Provide Literacy and Mathematic support for families for NYC Reads and NYC Solves
Utilize ParentSquare and translations to provide families with updates and registration mechanisms for various school wide events.
Plan events with CBO Commonpoint such as Fall Festival, Winter Carnival, Three Kings, Spring Festival
STEM Expo Parent Showcase and Presentations
Civics for All Soap Box Speeches Parent Showcase
Understanding you child's IEP Workshop
BSE Programming Introduction and Workshop for Families

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Provide surveys after parent workshops and sessions to gauge effectiveness of program. Parent Coordinator, PTA and School Administrators will analyze feedback surveys to determine next steps and ensure workshops and events are meeting the needs of Parents and Families.

Utilize Parent Square reports to analyze parent engagement on school wide communication tool, ensuring we maintain 100 percent connectivity with families.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/18/2025	09/18/2025	Meet the Teacher/ Curriculum Night Parent Teacher Conference September	Commonpoint

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Parent Coordinator, Parent Association, Family Worker to provide additional support to make out reach to families and community leaders

Instructional Resources

NYC Read Family Resources, NYC Solves Family Resources

Schedule Adjustments

Plan Family Events during the mornings, afterschools, weekends, and virtually to support a multitude of family schedules.

Other Resources Needed

Provide pre-planned Translation Services at all events.

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
New Visions Portal June 2025: 19% Students Chronically Absent 2.7% Students Severely Chronically Absent 94% Attendance Rate June 2024: 20% Students Chronically Absent 94% Attendance Rate -June 2024 -June 2025 -1% decrease in Students Chronically Absent - 0% increase in Attendance Rate June 2023: 22% Students Chronically Absent 93% Attendance Rate June 2022: 24% Students Chronically Absent 93% Attendance Rate -June 2023 -June 2024 -2% decrease in Students Chronically Absent - 1% increase in Attendance Rate June 2022 - June 2023 -2% decrease in Students Chronically Absent Commonpoint Assets and Needs Survey Every Student Every Day: Attendance Practices (overall): 3.4/4 Attendance Team: 3.3/4 Systems & Practices:4/4 Personalized Supports: 4/4 Community Partners: 3/4 -Attendance Team	-Health concerns -lack of childcare -health and welfare of families -families relocating out of zone and/or District and still attending our school -Families going on vacation during school year -instability/uncertainty	Improve Attendance-Decrease Chronic Absenteeism by addressing Severely Chronically Absenteeism

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	74%	By June, 2026, the Percentage of Attendance of Severely Chronically Absent and Chronically Absent Students will increase by 8%, from 74% to 82%, as measured by ATS Attendance Reports for Severely Chronically Absent Reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

By Focusing on Severely chronically absent students (those missing 20% or more of school days) which represent a disproportionate share of all missed school days we will increase Attendance for both Chronically Absent and Severely Absent Students. Targeting them directly can lead to a noticeable decrease in overall absenteeism rates. By strengthening supports like counseling, family engagement, and a focused approach by our attendance team, we will increase attendance for these students. At the end of the school year, we identified 26 students who were severely chronically absent. By focusing the Attendance Teams Attention to these students, we will address the importance of attendance for these families directly, at the start of the school year. We will provide families with options for early morning arrival and hot breakfast, counseling, afterschool and/or morning programs and celebrate improvements in attendance along the way. The attendance team will make periodic, monthly outreach to these families and provide check-ins. Root causes for absenteeism for particular families will be identified and differentiated supports will be provided.

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Convene Attendance Team at the start of the school year
Provide List of identified Severely Chronically Absent Students, include data from incoming Kindergartners.

Attendance team will divide list among members, focusing on grade bands aligned to School Guidance Counselors.
Create communication schedules for families, provide initial contact at the start of the school year, conducting a needs assessment and creating a prevention plan for family.
Print Attendance Posters and Determine School Wide Attendance Incentive Program such as rewards for monthly perfect attendance, or most improved attendance
Progress Monitor attendance using ATS Reports holding additional in-person parent meetings with school Guidance Counselors as needed.
Meet with Attendance teacher to provide updates and discuss student attendance progress.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Monitor increases in attendance rates for Severely Chronically Absent students using ATS Attendance reports.

Attendance/Chronic Absenteeism Family and Community Engagement

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
97.5% Students with All Goals Reported any IEP (SESIS)	Develop deeper understanding of crafting quality IEPs and alignment between instruction and student goals.	IEP Development and Fidelity of Implementation
3.6% Students not reporting progress on goals	Need to ensure all teachers	Transition Planning and

(SESIS)	report progress on IEP goals quarterly.	Compliance
According to NYSED, 15% SWD, 12.2% SWD and ELLs, 69.4% of all SWD are ELLs, Over-referral of ELLs to Special Education	Need to build awareness in distinguishing language acquisition from learning disabilities	Referral Process and Equity
n/a		Equity in School Discipline
According to EOY Quality IEP Reviews, 90% of IEPs reflect clear and explicit statements about student's home language, language assessments, input from bilingual/ ENL teacher, bilingual psychologist and strong alignment between services provided and MLs.	Lack of collaboration and planning time related to IEPs for dually classified SWDs and ELLs between teachers, ENL providers, Bilingual teachers for the development of the PLOP.	Provide additional collaboration time between IEP team and Bilingual teachers and ENL Providers to collaborative develop PLOP. Provide representation at PPT meetings.

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	90	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve Alignment of IEPs for SWDs who are also ELLs to include evidence of home language, language of instruction, and ENL by a 5 percent Increase, from 90 to 95, as measured by PLOP.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

At the start of the school year, teachers will receive training on the importance of collaboration between ENL Providers, Bilingual Education Teachers, Bilingual School Psychologists, Special Education Teachers and General Education teachers in the development of a PLOP for students who are dually classified as both Students with Disabilities and English Language Learners, especially for those enrolled in Bilingual Special Education to include, bilingual assessments, ENL supports provided and achievements made in language proficiency, strengths in home language, supports provided in home language and progress made through the use of biliteracy assessment when given. IEPs will reflect clear and explicit statements about students' home languages, language assessments and bilingual areas strength as well as ways teachers have leveraged these strengths in support of the students. Provide teachers with examples of well written PLOPs for students who are SWDs and ELLs. Invite district representatives to provide focused training to small groups on the development of a PLOP.

Root Cause Addressed:

Lack of consistency in PLOPs that provide insight and evidence of student's home language, assessments, strengths in given areas aligned to biliteracy screener data that can be used to take an asset based approach to student Present Level of Performance. Through the collaboration between General Education Teacher, Special Education Teacher, Bilingual Education Teachers, ENL Providers, Bilingual School Psychologist, the expertise of various participants will support in the development of a PLOP that captures students home language, development of language proficiency within modalities of language development, and strengths within bilingual development that can be provided in the PLOP to better reflect true strengths, assets of SWD and ELLs.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
September 2nd, 2025 BSE Training with Evelyn Penido
September 3rd, 2025 PLOP Review/ Crafting Quality IEPs
Begin Informal IEP Reviews with teams to compare PLOPS for SWD/MLs
Convene PPT Team to develop Professional Learning of collaborating with colleagues to develop PLOP.
Provide Additional Tiered Support to New Teachers in IEP Roles and Responsibilities and development of PLOP.

Key Strategy 2 (Optional):

Provide continuous professional learning and parent engagement opportunities to build awareness of Multilingual Learners and Special Education.
-Include Parent and Staff meetings introducing and supporting Bilingual Special Education Programming, collaborating with Director Carolina Liriano and BSE Instructional Coach Melissa Sanabria.
-Work with General Education Teachers and staff to recognize differences in language acquisition and learning disabilities thus decreasing the overreferral rate of ELLs to Special Education. Utilize Janette Klinger research, charts and tools to support educators in recognizing development of language and similarities in displayed behaviors between students experiencing learning difficulties recognizing true peer comparisons and instructional needs.

Root Cause Addressed:

Equity within the referral process. Ensure ELLs are not over referred to special education due to language acquisition needs and need for instruction in L2.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide Professional Learning to staff using OMLs Janette Klinger research
Conduct Case studies comparing students with Language Acquisition needs versus need for referral to special education
Evaluate ELLs utilizing Biliteracy Screener data to take an asset based approach to student date, include professional Learning utilizing OML's Keys to Language and Literacy to build awareness of existing student strengths and asset based approach to analysis of student data and profiles, taking an ecological approach to data as well as strengthening understanding of true peer comparison.
Utilize formal preferral process which included evidence of biliteracy screener data, biweekly progress monitoring and evidence of at least two different intervention approaches. Work with PPT team to support more structured approach to data presented by teachers ensuring data meets requirements set forth by team.
Provide professional learning on ensuring students receive LRE options first and these options are exhausted before MRE

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Our primary structure to progress monitor will be monthly reviews of PLOPs during PPT meetings to research improvements and inclusion of ENL, Bilingual educator voice, data, and information regarding home language including supports and strengths aligned to biliteracy data where applicable.

We will utilize Quality IEP Review Periods for Benchmarking goal.

PPT Teams will meet to and include professional learning goals in planning to address continuous improvement.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/18/2025	09/18/2025	PTC September Open School Event	Commonpoint
08/29/2025	08/29/2025	Tentative Parent BSE Workshop	Commonpoint

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Instructional Resources

Schedule Adjustments

Other Resources Needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2 - ELA	BOY, MOY, EOY: Amplify mCLASS Composite Level -40th percentile or lower, Confirmed by ROAR Diagnostic Word Measure	Phonics for Reading, Wilson Just Words, Wilson Reading System	Small group	During school hours by classroom teachers, paraprofessionals	No
Tier 3 - ELA	16th Percentile	Wilson Reading System	Small group of 4 or less	During School	No
Tier 2 Math	MAP Math Growth Assessment - 20th percentile or lower	Do the Math	small group	During the second half of the double Math Period	No
Tier 2 ELA	Amplify mCLASS RCS well below benchmark and ELA State Test Scores	Amplify Online Tutoring	Small Group Tutoring	Afterschool	Yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
PBIS Tier 2	MTSS Consideration Form from classroom teacher or support staff	At-Risk Counseling	Small group	During School	No
PBIS Tier 2	Counselor Recommendation	Aperture Competency-based growth strategies	Small group	During School	No
PBIS Tier 3	MTSS Consideration Form from classroom teacher or support staff	PRIM Consultation with MTSS; Positive Behavior Support Team data collection and review; Functional Behavior Assessment (FBA), Behavior Intervention Plan (BIP)	1:1	During School	No
Tier 2	Students designated as 'In Need'	Monthly meetings with Counselors and Check ins	Interactive small groups	During School	No
Tier 3	Students designated "At-Risk"	At-Risk Counseling	< 1:3	During School	No
Mental Health of Western Queens Tier 3	-SBST/ Teacher/At-Risk Counseling Referral -No 1:1	Counseling	1:1	During School	No

	Counseling on IEP				

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

After each cycle of MTSS, parents receive letters identifying movement between Tiers as well as the intervention provided.
Additionally parents are provided with BOY, MOY, and EOY Benchmark Screening Reports in both English and Home Language.
For students receiving Tier 2 Interventions, Parents will receive monthly progress reports available for printing on the Amplify mCLASS platform.

All parent resources, and reports are to be printed in Parent's Home Language.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

After each cycle of MTSS, parents receive letters identifying movement between Tiers as well as the intervention provided.
Parents will receive Intervention Progress Reports for students receiving Tier 2 and Tier 3 interventions in their home languages.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Equip Families with Tools and Knowledge:
-Host learning workshops or webinars for families focused on reading strategies, using assessment data, or understanding MTSS tiers.

-Share user-friendly guides or short videos that explain the purpose of interventions and how parents can reinforce skills at home.

-Provide at-home literacy kits aligned to students goals, especially for Tier 2 and Tier 3 Students.

Co-create: Student Support Plans
-Involve families in goal setting and intervention planning meetings, giving them a voice in shaping supports that align with individual needs.

-Offer choice and flexibility in communication modes to increase access and participation (e.g. in-person, virtual, phone, messaging apps such as ParentSquare)

Recognize and Celebrate Family Impact
-Highlight examples of strong family partnerships during school meetings, newsletters, or events.

-Share family impact stories that illustrate how collaboration led to student growth reinforcing the value of partnership.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

Housing Insecure:

52% - 531 students

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

-9.1% (62 students) increase in Housing Insecure Students from 2023 SY - 2024 SY

Data Analysis of Current students:

2021 - 2022 Attendance 90% +:
Housing Insecure - 74.7%
Non-Housing Insecure - 74.7%

2022 - 2023 Attendance 90% +:

Housing Insecure - 71.6%
Non-Housing Insecure - 81.2%

2023 - May 13, 2024 Attendance 90% +:
Housing Insecure - 77%
Non-Housing Insecure - 82.9%

2024 YTD Average Attendance Rate:
Housing Insecure - 92.8%
Non-Housing Insecure - 94%

2023 ELA Proficiency:
Housing Insecure - 16.4%
Non-Housing Insecure - 29.7%

2023 Math Proficiency:
Housing Insecure - 18.6%
Non-Housing Insecure - 35.6%

Trends:

Attendance:

- Student Attendance Rates of 90% + has increased for both Housing Insecure and Non-Housing Insecure
-The YTD Attendance Gap for students attending 90%+ is 5.9%
-The YTD Average Attendance Rate Gap is 1.2%

Student Achievement:

-The ELA Proficiency Gap is 13.3%
-The Math Proficiency Gap is 17%

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Before/After School Support
Purchasing of Materials (clothing, book bags, books, school supplies)
Food Pantry, coats and uniforms from Commonpoint
Vision Screening and Glasses from Helen Keller Foundation and Warby Parker
Shopping Boutique for STH families

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

We currently have no students in Foster Care.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

We currently have no students in Foster Care.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

-Morning Program to support English Language Development offered to Newcomers (Title III Early Morning Program)

-After School (grades 4 and 5) ELA and Math Support based on State Test Scores, NYSESLAT and Universal Screeners

-Tier 2 and Tier 3 supports Morning Program, Afterschool, Weekend

- Saturday Academy: An ELL Saturday Academy was created to target students in Grades 3, 4, and 5 who are at the Transitioning Level according to the prior year NYSESLAT results. These students received instruction from TESOL certified teachers

-Commonpoint After-School Enrichment (Project-Based Learning) and Homework Help and ELA/Math Support

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

All School-Based ELT Teachers will be either Common Branch, Special Education or TESOL certified (as applicable). CBO Commonpoint After-School will have certified Teaching Artists.

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

Data analysis of State Test Scores, NYSESLAT and Universal Screeners, will allow us to choose ELT Instructional Offerings (i.e. Fundations, Phonics for Reading, Lexia Core 5, Do the Math) that align to our Core Instruction. That analysis will also provide ELT Teachers with an understanding of the strengths and areas of need for the students they will be working with.

Provide a description of the materials purchased to support implementation of ELT.

Fundations Intervention Materials,
Phonics for Reading

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. P.S. 16 Q, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

PS 16Q, The Nancy DeBenedittis School, will support parents and family members of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 16Q, The Nancy DeBenedittis School, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Professional Learning Opportunities are coordinated by our School's Instructional Leadership Team (composed of Administration, Coaches, and representatives of Multi-Lingual Learner and Special Education populations). Professional Learning is aligned with the Next Generation Standards; NYC's Priority Learning Standards; and School, Community School District and City goals.

Our School will expand collaboration across various stakeholders in our school team this 2025-26 school year.

Pedagogical staff members (teachers, administration, paraprofessionals and related service providers) participate in:
-embedded professional learning and coaching activities
-common planning and staff development to work together both within and across grades
-Monday afternoon professional learning opportunities
-PL Periods
-ELA and Math vertical teams
-Data dives school-wide and grade-wide
-BSE & Special Education teams
-Vertical Dual language and bilingual team

??? District 24???
Professional learning plans are developed along with Queens North, our Borough Field Office; and the NYC DOE Offices of Special Education and English Language Learners. Professional learning plans are responsive to walk-throughs, informal and formal observations, staff requests and student data.

Administration and Coaches will continue to engage in ongoing feedback discussions with teachers and paraprofessionals regarding instructional practice and student outcomes. Our Cabinet, Instructional Leadership Team and ???Professional Learning Committee??? meet regularly to reflect on and refine our school-based practices.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

The community at PS 16Q prioritizes easing the transition of preschool children into our elementary school Kindergarten classes. Planned engagement activities include: Pre-School Visits and Classroom Tours; Kindergarten Orientation for Parent(s)/Guardian(s); Dual Language Program Visits/Tours; transitional planning for Turning 5 Evaluations (family visits and reviews of Individualized Educational Plans (IEPs) prior to school starting in September.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	1,445,822	X	5: Priorities 1-5, Quality IEP, Chronic Absenteeism 6: MTSS
Title I, School Improvement 1003(a)	Federal	0		
Title II, Part A	Federal	53,418	X	5: Priorities 1-5, Quality IEP, Chronic Absenteeism 6: MTSS
Title III, Part A	Federal	62,493	X	5: Priority 3 Appendices 1, 2 & 3
Title III, Immigrant	Federal	To Be Determined		
Title IV, Part A	Federal			

Tax Levy (Fair Student Funding)	Local	9,037,741	X	5: Priorities 1-5, Quality IEP, Chronic Absenteeism 6: MTSS-RtI, SEL & STH

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
Commonpoint	All Students	Parent Coordinator workshops (in conjunction with Instructional Coaches, ENL Coordinator, and CBO) on accelerating student learning and targeted support. Workshops will include support with reading strategies, implementing Fundations, Phonics for Reading, and HMH Into Reading/Arriba la Lectura and Growth Mindset	Section 5: Priority 1 – All students learn to read well: By June, 2025, literacy for All Students will improve, as measured by a 3% Increase, from 44% to 47%, of students scoring on or above grade level on the Amplify mCLASS Assessment.
Commonpoint	All Students	-Parent Workshops (in conjunction with Parent Coordinator, Guidance Team, and CBO) focusing on Anti-Bullying and Kindness	Section 5: Priority 2 – All students are physically and emotionally safe: By June, 2025, physical and mental wellness for

			All Students will improve, as measured by a 3% Increase, in favorable responses from tbd to tbd, per the 2025 NYC School Survey Results - Bullying Prevention section.
Commonpoint	ENL Students	Parent Coordinator workshops (in conjunction with Instructional Coaches, ENL Coordinator, and CBO) on accelerating student learning and targeted support. Workshops will include support with reading strategies, implementing Fundations, Phonics for Reading, and HMH Into Reading/Arriba la Lectura, Fugaces, Lexia English, Escalera and Growth Mindset	Section 5: Priority 3 – All students have a high-quality academic experience: By June, 2025, the performance gap between ENL and Non-ENL Students scoring on or above grade level will Decrease by 3% from 35.7% to 32.7%, for English Language Learners (ELL), as measured by the Amplify mCLASS Assessment.
Commonpoint	All Students	Parent Coordinator workshops(in conjunction with ENL Coordinator, and CBO)- Instructional Math Routines	Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security: : By June, 2025, the percentage of students scoring above the 41st percentile for All Students will Increase by 3% from 29% to 32% as measured by the MAP Growth Math Assessment.
Commonpoint	Families	Parent Workshops based upon Interest and Needs School and CBO (CommonPoint) will develop and coordinate community partnerships to meet the needs of students and families (Cool Culture (K), Hall of Science, Empire Blue Cross/Blue Shield, Cornell University External Extension, CBO “The Hub” (career counseling, job skills training, English Classes, Food Pantry, Resettlement and Integration Services, IT Classes), DOHMH Vision Screenings	Section 5: Priority 5 – Redesign the system to be more inclusive and responsive for parents and families: By June, 2025, the percentage of favorable responses will Increase by 3% from tbd to tbd as measured by The NYC School Survey Results - Parent Involvement in School section.
Commonpoint	All Students and Chronically Absent Students	Success Mentoring Program (CBO) - group and individual counseling based on need CBO Attendance Reward (end of year) TBD Parent Meetings for At-Risk Attendance Students Parent Meeting focusing on the importance of good attendance	Section 5: Chronic Absenteeism: By June, 2025, the Chronic Absenteeism Rate for All Students will decrease by 3%, from 20% to 17%, as measured by the New Visions Chronic Absenteeism Reports.

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

- Collaborative planning meetings (three times per year) with Administration and CBO CommonPoint
- CommonPoint representatives participate on SLT, Attendance and Safety Teams

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

-End of Year Community Forum CBO (discussion and surveys regarding success with aligning to the Four Pillars of Community Schools and where we can improve)

-Increase partnerships with external organizations to provide families with resources and supports:

New Life CDC
Mental Health Providers of Western Queens
Hunger Free NYC
Queens Library
Metro Plus Health
Queens Community House
La Jornada
NYCFC

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

-Success Mentoring Program
-Individual SEL student support based on teacher referral and/or Dessa Screener
-Classroom level SEL support
-Data analysis and discussion of -Commonpoint student and teacher level surveys
-PLOs for families to support Social-Emotional Needs (domestic violence, stress awareness, substance abuse, self care)
-Develop and coordinate community partnerships to meet the needs of students and families (Cool Culture (K), Hall of Science, Empire Blue Cross/Blue Shield, Cornell University External Extension, CBO "The Hub" (career counseling, job skills training, English Classes, Food Pantry, Resettlement and Integration Services, IT Classes), DOHMH Vision Screenings, as well as CBO partnerships with:

New Life CDC
Mental Health Providers of Western Queens
Hunger Free NYC
Queens Library
Metro Plus Health
Queens Community House
La Jornada
NYCFC

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

-Success Mentors Program (individual check-ins/counseling, phone calls, progress reports)
-Attendance Team (monitor New Visions Data - including trends)
- Attendance Reward (end of year) TBD
-Parent Meetings for At-Risk Attendance Students
-PLOs for parents of Chronically Absent/At-Risk students to discuss barriers (health concerns) and the importance of daily attendance

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community

School's systems and structures will be optimized to work for <u>all</u> students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

-Family PLOs on English and Spanish Instructional Programs and Technology Supplements (support with reading strategies, implementing Fundations, Phonics for Reading, and HMH Into Reading/Arriba la Lectura (which is based in CRSE practices, has culturally diverse texts and provides ENL supports/scaffolds) , Growth Mindset, Amira and Waggle)
- Migrant Program (students that arrived in the country 2021 or after) will be provided supports for the familes
-Uniforms, Coats and Food Pantry for Students in Temporary Housing
-Partnerships with Community Organizations:

New Life CDC
Mental Health Providers of Western Queens
Hunger Free NYC
Queens Library
Metro Plus Health
Queens Community House
La Jornada
NYCFC

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Katherine Rodriguez
Assistant Principal (Where Applicable)*	Pietra Rocco
English as a New Language (ENL) Teacher*	Pamela Keshishian
Teacher (if school has a bilingual program must be a bilingual teacher)*	Johanna Quinde
Parent/Guardian*	Laura Cuautle
Teacher	Sandra Soriano
Parent Coordinator	Martha Jimenez Lopez
School Counselor	Alba Zamot
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

16

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

7

Number of certified ESOL teachers not currently teaching ENL:

2

Number of teachers who hold both content area/common branch and ESOL certification:

16

Number of ESOL certified teachers with a bilingual extension:

2

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

17

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

3

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

920

Total number and percentage (%) of current ELLs:

58% / 537

Total number and percentage (%) of former ELLs:

14% /126

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

47% of our ELLs are Newcomers

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

53% of our ELL are Developing ELLs

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

We do not have any students classified as Long-Term ELLs.

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0%-We do not have any SIFE students

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

We have 108 ELL students with IEPs. That is 19.5% of our population.

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE	GE	SPANISH	1999	0	0	.0	0	.1	2								2.1
TBE	ICT	SPANISH	2025	1	1	1	1	.0	0								4.0
TBE	SC	SPANISH	SPANISH				.5	.5									1.0
DLBE	GE	SPANISH	2004	2	2	2	3	3	2								14
DLBE																	0
DLBE																	0
				total: 3	total: 3	total: 3.0	total: 4.5	total: 3.6	total: 4	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

In stand-alone ENL classes, students work specifically on building foundational skills in reading, writing, listening, and speaking in English. Lessons focus on vocabulary development, grammar, sentence structure, and other key language acquisition components.

Stand-alone ENL instruction is homogeneously grouped based on English proficiency levels, allowing teachers to tailor instruction to the needs of students at similar language acquisition stages; entering and emerging. Teachers use differentiated instruction techniques to address varied language needs. This includes scaffolding tasks, providing sentence starters, using graphic organizers, and varying the complexity of texts and activities based on student ability.

At PS16Q, our English as a New Language (ENL) standalone instruction is designed to provide targeted, intensive language development for our ELL students. Standalone ENL instruction focuses on building foundational English skills, including listening, speaking, reading, and writing, in a structured environment where language learning is the primary focus. Our approach is responsive and tailored to meet the diverse needs of our students, ensuring they acquire the skills necessary to succeed in their academic subjects and integrate effectively into the school community.

The curriculum is designed to focus on the essential components of English language development: vocabulary acquisition, grammar, sentence structure, and oral communication skills. We provide a scaffolded approach that allows students to progress from basic language skills to more complex usage, ensuring a solid language foundation. The classroom environment promotes collaboration, allowing students to engage in group activities, practice conversations, and participate in peer-assisted learning opportunities.

Supports and Strategies for ENL Standalone Instruction:
Visual Supports and Scaffolding Techniques-
We incorporate visuals such as pictures, charts, graphic organizers, and real-life objects to support vocabulary and concept development. Scaffolding techniques, like modeling language use and providing sentence frames, help guide students in forming their own sentences and expressing their ideas clearly.
Interactive Language Practice-
Standalone instruction includes interactive activities such as role-plays, group discussions, and games to promote speaking and listening skills. These activities are designed to encourage authentic language use in a low-pressure setting, allowing students to practice conversational English and build fluency.
Use of Technology and Digital Tools-
We integrate technology into our instruction to enhance learning. Digital tools like interactive whiteboards, language apps, and educational websites provide engaging ways for students to practice English through listening exercises, interactive stories, and vocabulary games. These tools are also used for personalized learning, allowing students to work at their own pace.
Differentiated Instruction Based on Proficiency Levels-

Our ENL teachers differentiate lessons based on the students' English proficiency levels. For beginners, the focus is on building basic vocabulary, simple sentence structures, and everyday communication skills. For more advanced students, instruction includes more complex language tasks, such as reading comprehension exercises and writing activities that emphasize paragraph development and academic vocabulary.
Regular Formative Assessment and Feedback-
Ongoing assessments are used to monitor students' progress and inform instruction. Teachers regularly use tools like exit tickets, observation checklists, and language proficiency assessments to gather data on student performance. Feedback is provided frequently, ensuring students are aware of their progress and have clear goals for improvement.

At PS16Q, our ENL standalone instruction focuses on developing language skills in a supportive, engaging, and culturally responsive environment. By using a variety of strategies and supports, we ensure that our ELL students gain the language proficiency needed to access academic content and thrive in their school and community life.

Integrated ENL:

In our integrated ENL classes, general education teachers collaborate with ENL-certified teachers to co-teach or plan lessons that meet both language and content objectives. In integrated ENL, students are heterogeneously grouped (mixed proficiency levels) within the content classroom. This allows for differentiated instruction and scaffolding that supports all students at their levels of English proficiency.

During integrated ENL instruction, various instructional strategies are used:

In classes where a general education teacher is not certified, an ENL-certified teacher is assigned to provide ENL services to the students. Teachers co-teach and collaborate to deliver instruction. Teachers differentiate instruction by giving scaffolded assignments, adjusting the complexity of tasks, offering sentence frames or starters, and using leveled texts. In addition to content objectives, lessons include language-specific goals such as learning new vocabulary or practicing sentence structures. Teachers use visuals, gestures, and other aids to ensure students understand the content. Tasks are broken down into manageable steps, visual aids are provided, graphic organizers are used, and tasks are modeled before students are asked to complete them independently. Some scaffolding techniques include graphic organizers and chunking texts.

Group work, think-pair-share, and peer discussions are used to promote interaction between ELLs and their peers. This creates opportunities for language practice and reinforces content understanding. Students are encouraged to use their home languages to discuss content, clarify instructions, or take notes. Additionally, bilingual glossaries or bilingual resources may be used by students needing them. Vocabulary is pre-taught through direct instruction, visual aids, or engaging activities. We encourage teachers to design lessons that allow students to engage across all four domains.

Ongoing assessments play a crucial role in our integrated ENL classes. They help track students' progress and ensure that instruction is meeting their language and content needs. mClass is used to assess students, and they are then grouped to deliver the mClass lessons with students with similar needs. Teachers encourage students to participate in class discussions, practice proper pronunciation, grammar, and sentence structures, and provide feedback to help students improve their oral communication skills.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

Transitional Bilingual Program

Students are grouped heterogeneously by mixed proficiency levels. Instruction in this program is delivered in English and Spanish as per proficiency levels of the students. The TBE Language Allocation is outlined below and is organic according to the progress made during the year. The TBE Language Allocation is expected to change as ELL students acquire proficiency and are assessed by the teacher utilizing formal and informal instruments such as the Amplify mCLASS/Lectura Assessment and HMH Into Reading/Arriba La Lectura End of Module Assessments:
* Entering = 25% English / 75% Spanish model is used
* Emerging = 40% English /60% Spanish model is used
* Transitioning = 50% English / 50% Spanish model is used
* Expanding = 75% English / 25% Spanish model is used.

At P.S. 16Q, ELL students in a TBE program receive Math and Social Studies/Science in Spanish (within their regular class) and ELA in English. Traditional enrichment or prep courses (Art, Physical Education, Library, and Science) are delivered in English. For the proficiency level of Entering, 360 minutes per week of Stand-alone and Integrated ENL are provided. For the proficiency level of Emerging, 360 minutes per week are provided: 90 minutes of Stand-alone, 180 minutes of Integrated ENL, and 90 flexible minutes to be used in either Stand-alone or Integrated. For the proficiency level Transitioning, 180 minutes per week of Integrated and Flexible programming are provided: 90 minutes for Integrated ENL and 90 minutes flexible. For the proficiency level of Expanding, 180 minutes per week in Integrated ENL are provided. ELL students in the TBE program also receive one Home Language Arts (HLA) class across all English proficiency levels. Bilingual instruction in Math and Social Studies/Science is delivered across all English proficiency levels with a change from two to one content area subjects once students reach the Transitioning and Expanding levels.

Dual Language Bilingual Education (DLBE):

Dual Language Program
Students are grouped heterogeneously by mixed proficiency levels. Integrated and stand-alone ENL services are implemented in the English component of the Dual Language program. Students in each class alternate between Spanish and English on alternate days: for example, the 3-2 DL will begin week one with the English teacher on Mondays, Wednesdays, and Fridays and the Spanish teacher on Tuesdays and Thursdays. The 3-3DL will begin week one with the Spanish teacher on Mondays, Wednesdays, and Fridays and the English teacher on Tuesdays and Thursdays. The following week, the groups alternate. All ELL students in DL programs develop second-language skills while learning content knowledge in both languages. ELL students in the DL program receive ENL within the program itself. A small group instructional setting gives ELL students the mandated instructional time per their proficiency levels. All time allocations for Dual adhere to the outlined in NYS CR Part-154.

The goal is for students to achieve proficiency in both languages, and it serves both English Language Learners and English-proficient students. Instruction is provided in English and Spanish, and a day is dedicated to each language. Teachers are fluent in both languages, and teaching is content-based, meaning students learn grade-level material. The group is often heterogeneous, mixing students with varying proficiency levels in both languages to promote language exchange and peer support.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

I have completed programming in STARS following the requirements according to CR Part 154. Teachers are provided with a copy of the CR Part 154 Requirements for ENL services and Transitional Bilingual Programs. Explicit ESL is delivered in each program as follows:

Transitional Bilingual Programs:
There are four Transitional Bilingual classes in grades K-5. Students in these classes are placed heterogeneously and grouped within the class according to their reading and native language arts abilities to meet individual needs. Academic instruction is in English and the native language, which, at P.S. 16, is Spanish. Classroom libraries consisting of children's literature in Spanish, including fiction, poetry, and non-fiction books that appeal to various interests, are present. Our Transitional Bilingual program includes an ESL component for all students and requires more ESL instruction for students testing at benchmark levels 1 and 2. Transitional Bilingual students will continue to receive instruction in English in traditional enrichment or prep courses, such as Art, Computer Lab, and Physical Education. As students acquire English, the amount of academic instruction in English increases, which helps ensure they have the necessary skills to exit the program and succeed academically in English. Students starting with limited English spend 30 or 40 percent of their time in English language development, with instruction in the native language starting at 70 or 60 percent. As mandated by Regulation Part 154, advanced ELLs receive 180 minutes (4 periods per week) of instruction in Native Language Arts and 180 minutes (4 periods per week) of ESL instruction. Also, Entering and Emerging ELLs receive 360 minutes (8 periods per week) of ESL instruction and 180 minutes (4 periods per week) of Native Language Arts. Any content area instruction in English, in subjects such as math, will utilize ESL methodologies and other supports. The ratio of English to native language instruction increases according to the student's English language proficiency until the student is ready to exit the program. Additional ESL support is provided after school and on Saturdays. Exit from this program is targeted at three years or less.

ENL:
In grades K-5, there are integrated co-teaching (ICT) classes for ENL students, special class (SC) self-contained special education classes for ENL students, and freestanding ENL classes.
*There are 8 ICT Classes with ENL Students in total; 2 of the classes have a certified TESOL, and an ENL push-in provider services the remaining classes.
*There are 6 Self-contained Special Education classes in total; an ENL push-in provider services them. (The classes are self-contained for special education, not by ELL status.) Teachers pushing in following the mandated time restrictions per student proficiency delineated in Part 154.) Our Self-contained classes in Grades 3-5 use Wilson Reading and the HMH Into Reading Curriculum.
*Freestanding ENL classes- 12 total; 4 of the teachers are TESOL certified, the rest of the classes are serviced by ENL push-in provider3 Students in Free Standing ESL programs receive all instruction in English. Language Arts is taught using ESL and ELA methodologies. Content area instruction is in English using ESL strategies.
*Dual Language Programs: There are twelve (12) Dual Language classes: two in Kindergarten (K-2DL & K-3DL): two, in first grade (1-2DL & 1-3DL); two, in second grade (2-2DL & 2-3 DL); two, in third grade (3-2DL & 3-3DL); two, in fourth grade (4-2DL & 4-3DL); and two, in fifth grade (5-2DL & 5-3DL). For the 2025-2026 school year, all classes will follow the HMH Into Reading/Arriba La Lectura curriculum, based on research in the essential elements of literacy with scaffolds for multilingual learners and a Spanish-English biliteracy connection. A 50-50 program model is used. There are skills, reading, and writing instruction during a 130-minute K-3 and 115-minute 4-5 daily block. The instruction is designed to ensure students develop strong reading and writing skills in many genres. In addition, ESL strategies such as TPR, visuals, cooperative learning, activating prior knowledge, and modeling are aligned with the program. Dual Language Academic instruction during the school day is a 50- 50 model of English and Spanish. Classrooms include students who are native English speakers and native Spanish speakers. Students in each class alternate between Spanish and English on alternate days: for example, the 3-2 DL will begin week one with the English teacher on Mondays, Wednesdays, and Fridays and the Spanish teacher on Tuesdays and Thursdays. The 3-3DL will begin week one with the Spanish teacher on Mondays, Wednesdays, and Fridays and the English teacher

on Tuesdays and Thursdays. The following week, the groups alternate. All students in DL programs develop their second-language skills while learning content knowledge in both languages. ELL students in the DL program receive ESL within the program itself. A small group instructional setting gives ELL students the mandated instructional time based on their proficiency levels. ELL students with a classroom teacher not certified in ESL are provided ENL services by an ENL-certified teacher who follows a push-in model.

English as a Second Language Programs:
Push-in Model: Six (6) licensed ESL teachers serving 26 classes from Kindergarten to 5th Grade provide ESL instruction. Eligible ELL students in grades K – 5 receive eight periods (360 minutes) per week of ESL if they are at the Entering or Emerging Level; for the Transitioning or Expanding Levels, students receive four periods (180 minutes) of ENL instruction. Students who scored at the Commanding Level receive two periods (90 minutes) of ENL instruction. All academic instruction during the school day is in English. Core content areas are taught using ESL methodologies that allow for acquiring academic material.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

Our minutes are based on the needs of our student population and the specific program models.

1. ENL

ENL Instructional Minutes

- Entering and Emerging ELLs: 360 minutes per week of ENL instruction, combining Stand-Alone ENL (focused on language development) and Integrated ENL (language development through content-area instruction, including ELA).
- Transitioning and Expanding ELLs: 90 minutes per week of Integrated ENL, focused on supporting language development within content areas such as ELA.
- Commanding Students: 90 minutes per week of Integrated ENL instruction, continuing to support language development in academic content.

ELA Instructional Minutes

- ELLs in the ENL model participate in general education ELA instruction. There is a two period ELA block daily; approximately 500 minutes per week. For Entering and Emerging ELLs, part of the ENL instruction is delivered within the ELA block through Integrated ENL, addressing both language and ELA content objectives.

2. Transitional Bilingual Education (TBE) Program Model

The Transitional Bilingual Education (TBE) model is designed to transition ELLs from their home language to English, providing instruction in both English and the student's home language during the early stages of English acquisition. The instructional minutes for ENL, ELA, and HLA are divided between English and the home language.

ENL Instructional Minutes

- Entering and Emerging ELLs: 360 minutes per week of ENL instruction (Stand-Alone and Integrated ENL)
- Transitioning and Expanding ELLs: 180 minutes per week of Integrated ENL

ELA Instructional Minutes

- ELLs in the TBE model receive ELA instruction in English for a portion of their instructional day. ELA instruction gradually increases as the student's English proficiency grows, shifting from more Home Language Arts (HLA) instruction to more English language instruction.

Home Language Arts (HLA) Instructional Minutes

- Entering and Emerging ELLs receive a significant portion of their language arts instruction in their home language to ensure they develop literacy in their first language while acquiring English. As students' proficiency in English increases, the HLA instructional minutes decrease, and ELA instruction increases.

3. Dual Language (DL) Program

ENL Instructional Minutes

- Integrated ENL instruction is delivered within the English classroom depending on the language proficiency of ELLs. Entering and Emerging ELL receive Integrated ENL instruction during English-language content instruction depending on proficiency. Transitioning and Expanding continue to receive Integrated ENL support during English-language instruction.

ELA Instructional Minutes

- Students receive ELA instruction in English every other day, generally for approximately 500 minutes biweekly.

Home Language Arts (HLA) Instructional Minutes

- Students also receive Home Language Arts (HLA) instruction in the Spanish, for approximately 500 minutes biweekly.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Our Dual Language program has been a side-by-side model since it began. Students beginning in Kindergarten are placed in their classes, and an effort is made to have an even ratio of English proficient students and ELLs. At the culmination of each year, teachers are asked to look at their class compositions and make adjustments to the cohorts, if necessary.

English proficient students and ELLs are integrated for 100% of the day. With two classes, side-by-side, each class is created in Kindergarten with a even split of English proficient students and ELLs.

b. In which language(s) is each core content area taught?

In the side-by-side model, the content areas are taught in English and Spanish.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

In our TBE & DL programs - Math, Science and Social Studies are delivered in the native language of Spanish.

The math program is EnVision in all grades.

Social Studies in Spanish:
* First Grade - Houghton-Mifflin Hardcourt - Estudios Sociales Familias de Hoy y Ayer: Ciudad de Nueva York
* Second Grade - Houghton-Mifflin Hardcourt - Communities
* Third Grade - Houghton-Mifflin Hardcourt - Ciudad de Nueva York: Comunidades del Mundo Actual y Del Pasado
* Fourth Grade - Houghton-Mifflin Hardcourt - Ciudad de Nueva York: Historia Y Gobierno de Nueva York
* Fifth Grade - Houghton-Mifflin Hardcourt - Ciudad de Nueva York: Estados Unidos, Canada, y America Latina In our Dual Language program - core content is delivered in both English and Spanish according to alternating schedule.

In our Freestanding ENL program - core content is delivered in English at all times.

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

According to the Fall 2025 EDAT, we have 532 ELL students.

76.8%, are Newcomers. We currently have 0 ELLs identified as SIFE.
In order to meet their needs for the upcoming school year, the following actions will be taken:
• Encourage, with the assistance of the Parent Coordinator, parents to attend ELL Parent Conferences within the school.
• Hold several Parent Orientation meetings to inform parents of different Programs within the school and what their options are.
• Extended Day programs (Tuesday-Friday)
• Morning Program (Tuesday-Friday)
• Guidance intervention where necessary

At PS16Q, our approach to supporting Newcomers is uniquely tailored to address the immediate and distinct needs these students face as they adapt to a new language, school system, and culture. This instruction is different from that provided to Developing or Long-Term English Language Learners (ELLs), who have generally acclimated to the school environment and require advanced language support to progress academically.

We tailor instruction to meet the distinct needs of Newcomers and Developing or Long-Term ELLs, recognizing their different levels of language proficiency and adjustment.

Newcomer Instruction

• Orientation and Cultural Integration: We provide thorough orientation sessions to help Newcomers adapt to school routines and classroom expectations, supported by bilingual staff and counselors.
• Basic Language Development: Instruction focuses on foundational English skills, using visuals, bilingual materials, and interactive activities to build essential vocabulary and communication abilities quickly.
• Social-Emotional and Family Support: We offer targeted counseling and workshops for both students and families, helping them adjust to their new environment and connect with community resources.

Developing and Long-Term ELL Instruction

Academic Language Focus: Instruction emphasizes advancing language skills needed for academic success, including subject-specific vocabulary and complex grammar structures.
• Grade-Level Curriculum with Differentiation: Teachers use differentiated strategies to help these students access and engage with grade-level content.
• Ongoing Progress Monitoring: We track their progress through assessments and provide additional support if needed to ensure continuous language and academic development.

This tailored approach ensures Newcomers receive foundational and transitional support, while Developing and Long-Term ELLs receive more advanced, content-focused instruction.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

According to the Fall 2025 EDAT, we currently have 0 ELLs identified as SIFE.

However, we remain prepared for any SIFE students who should register at our school.

At PS16Q, we recognize the unique needs of Students with Interrupted Formal Education (SIFE) and differentiate instruction to provide them with the targeted support necessary for their success. Our approach is specifically designed to rebuild their academic foundations while addressing social-emotional needs, ensuring a holistic and responsive educational experience.

Here is how we tailor our instruction for SIFE:

- Upon enrollment, SIFE students receive a personalized orientation program that introduces them to our schools' environment and routines. Bilingual support staff and counselors work closely with them to ensure they understand classroom norms and feel comfortable navigating their new surroundings. We also provide peer buddy systems to foster connections and ease their transition into the school community.

- Instruction for SIFE students is designed to fill educational gaps, focusing on rebuilding essential literacy and numeracy skills. We use explicit, scaffolded lessons that incorporate visuals, hands-on activities, and bilingual resources. For literacy, we implement targeted phonics and vocabulary development; while for math, we emphasize fundamental concepts, using manipulatives and real-life examples to make learning engaging and accessible.

- SIFE students receive intensive small-group or one-on-one sessions led by ENL teachers who specialize in differentiated strategies. These sessions are tailored to the individual needs of each student, using bilingual support where available and integrating interactive activities that build both language and content knowledge. Teachers adjust pacing and methods based on continuous monitoring of each students' progress.

- We understand that SIFE students may have faced significant challenges before arriving at PS16Q. To address these, our guidance counselors provide trauma-sensitive support, offering individual and group counseling sessions in
collaboration with our community partners, such as Mental Health Providers of Western Queens. We embed social-emotional learning (SEL) strategies into daily lessons, focusing on building trust, resilience, and peer relationships, ensuring that students feel secure and supported.

By focusing on building trust, foundational skills, and individualized academic and emotional support, PS16Q

provides SIFE students with the necessary tools to rebuild their education in a safe, welcoming environment. This comprehensive and personalized approach ensures that each SIFE student receives the attention and resources they need to succeed.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

According to the most recent data, we currently have 0 ELLs identified as Long-Term ELLs.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

According to the Fall 2025 EDAT, we have 125 or 13.66% of our students who are Former ELLs. They receive explicit ELL instruction in a self-contained freestanding ESL classroom. Former ELLs receive testing accommodations for the next two years, as per NYSED on City and State exams and in-classroom assessments. With the amendments to the CR Part 154, former ELLs will also be entitled to ENL services for the next two years since passing the NYSESLAT. These students receive .5 units per week (2 periods/per week) of ENL in ELA. They are also invited to the After-school programs targeting Literacy and Math.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

According to the Fall 2025 EDAT, the following stands out:

- 1.8% decrease in ENL Newcomer Students - 78.6% (485) Spring 2024, 76.8% (426) Fall 2024

- 2.3% increase in the Potential Long-Term ELLs - 8.9% (55) Spring 2024, 11.2% (62) Fall 2024

- 6.5% increase in ELLs scoring Level 1 or 2 last school year (ELA) - 27.2% (168) Spring 2024 EDAT, 33.7% (187) Fall 2024 EDAT

-3.1% increase in ELLs scoring Level 1 or 2 two and three years ago (ELA) - 9.2% (57) Spring 2024 EDAT, 12.3% (68) Fall 2024 EDAT

- 6.3% increase in ELLs scoring Level 1 or 2 last school year (Math) - 28.5% (176) Spring 2024 EDAT, 34.8% (193) Fall 2024 EDAT

- 0% increase in ELLs scoring Level 1 or 2 two and three years ago (Math) - 11.7% (72) Spring 2024 EDAT, 11.7% (65) Fall 2024 EDAT

- 12.8% increase in ELLs in Temporary Housing - 64.7% (399) Spring 2024 EDAT, 77.5% (430) Fall 2024 EDAT

- 9% increase in ELLs who did not demonstrate sufficient ELP progress - 38.7% (239) Spring 2024 EDAT, 47.7% (265) Fall 2024 EDAT

- 4.1% increase in ELLS with 5 or more At-Risk Indicators - 12.3% (76) Spring 2024 EDAT, 16.4% (91) Fall 2024 EDAT

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

According to the Fall 2024 EDAT, the following stands out:

- 0.2% decrease in Former ELLs scoring Level 1 or 2 last school year (ELA) - 23.9% (26) Spring 2024 EDAT, 23.7% (28) Fall 2024 EDAT

-4.5% decrease in Former ELLs scoring Level 1 or 2 two and three years ago (ELA) -14.7% (16) Spring 2024 EDAT, 10.2% (12) Fall 2024 EDAT

- 19.9% decrease in Former ELLs scoring Level 1 or 2 last school year (Math) - 28.4% (31) Spring 2024 EDAT, 8.5% (10) Fall 2024 EDAT

-14.9% decrease in Former ELLs scoring Level 1 or 2 two and three years ago (Math) - 17.4% (19) Spring 2024 EDAT, 2.5% (3) Fall 2024 EDAT

- 36.5% increase in Former ELLs in Temporary Housing - 32.1% (35) Spring 2024 EDAT, 68.6% (81) Fall 2024 EDAT

- 9.4% decrease in Former ELLS with 4 or more At-Risk Indicators - 11.9% (13) Spring 2024 EDAT, 2.5% (3) Fall 2024 EDAT

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The largest home language of ELLs is Spanish (99.6%). We use ATS reports to ensure parents receive information in their preferred language. In addition, our Language and Interpretation plan outlines how we will support parents in their preferred language. As a school, the Parent Square App is used to communicate with parents. This app allows for a parent's preferred language to be selected and all communication is translated in that language. For all school functions, we designate staff members who are available for in-person interpretation and use translations services for low-incidence languages. In addition to many staff members who speak Spanish, we have staff members who speak both Mandarin and Cantonese, and one who speaks Urdu.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The vast majority of our students are of Hispanic ethnicity (97.7%).

We will be utilize the HMH Into Reading/Arriba La Lectura ELA Curriculum; which is based in CRSE Practices and incorporates culturally relevant and diverse texts. In addition, libraries have been purchased for classrooms that are representative of our culturally diverse school.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

According to the Fall 2024 EDAT:

32.6% (128) met ELP sufficient progress
67.4% (265) did not meet ELP sufficient progress

We noticed the following trends:

- 7.8% increase in students that did not meet ELP sufficient progress - 59.6% (239) Spring 2024 EDAT, 67.4% (265) Fall 2024 EDAT
- 1.2% decrease in students that met progress by exiting ELL status - 18.5% (74) Spring 2024, 17.3% (68) Fall 2024 EDAT

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

According to a comparison between the Spring 2024 EDAT and the Fall 2024 EDAT, the following stands out:

- 1.8% decrease in ENL Newcomer Students - 78.6% (485) Spring 2024, 76.8% (426) Fall 2024

ALL Students:

- The percentage of all students tested that scored high (strength) went up in 1 modality - Reading (-1%), Writing (-3%), Listening (+0%) and Speaking (+9%).

- The percentage of all students tested that scored Low (need) went up in Writing (+2%), Listening (+1%) and Speaking (+1%)
- The percentage of all students tested that scored Low (need) went down in Reading (-3%).

By Grade:

- The percentage of students scoring High in grade 2 went up in 2 out of 4 modalities (R: -29%, W: -17%, L: +14% & S: +21%).
- The percentage of students scoring High in grade 3 went up in 2 out of 4 modalities (R: +1%, W: -1%, L: -6% & S: +14%).
-The percentage of students scoring High in grade 4 went up in 0 out of 4 modalities (R: -4%, W: -6%, L: -14% & S: 2%).
- The percentage of students scoring High in grade 5 went up in 4 out of 4 modalities (R: +1%, W: +8%, L: +7% & S: +13%.)
-The percentage of students scoring High in Reading went up in grades 3 and 5
-The percentage of students scoring High in Writing went up in grade 5.
-The percentage of students scoring High in Listening went up in grades 2 and 5.
-The percentage of students scoring High in Speaking went up in grades 2, 3 and 5.

- The percentage of students scoring Low in grade 2 went down in 1 out of 4 modalities (R: +3%, W: +15%, L: +0% & S: -7%).
- The percentage of students scoring Low in grade 3 went down in 2 out of 4 modalities (R: -10%, W: +10%, L: -2% & S: +6%).
- The percentage of students scoring Low in grade 4 went down in 0 out of 4 modalities (R: -0%, W: +3%, L: +2% & S: +3%).
- The percentage of students scoring Low in grade 5 went down in 1 out of 4 modalities (R: +0%, W: -6%, L: +2% &

S: -0%).
-The percentage of students scoring Low in Reading went down in grade 3 only
-The percentage of students scoring Low in Writing went down in grade 5 only
-The percentage of students scoring Low in Listening went down in grade 3 only
-The percentage of students scoring Low in Speaking went down in grade 2 only

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

ELA 2024

1 - 173 (9 Entering, 26 Emerging, 74 Transitioning, , 60 Expanding , 4 Commanding)
2 - 26 (15 Expanding, 11 Commanding)
3 - 3 (3 Commanding)
4 - 1 (1 Commanding)
Total: 203

Math 2024

1 - 118 (20 Entering, 24 Emerging, 52 Transitioning, 22 Expanding, 0 Commanding)
2 - 79 (4 Entering, 9 Emerging, 26 Transitioning, 36 Expanding, 4 Commanding)
3 - 37 (3 Emerging, 4 Transitioning, 17 Expanding, 13 Commanding)
4 - 2 (2 Commanding)
Total: 236

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

According to our most current data (5/14/25), 18.8% (108/573) of our ELLs have IEPs. We currently have 4 SIFE students (2 Entering and 2 Emerging).

In addition:
ALL ELLs:
- 9.6% (49) are Entering
- 15.3% (78) are Emerging
- 26.4% (135) are Transitioning
- 35.4% (181) are Expanding

As per the Fall 2024 EDAT, ELLs with IEPS:
- 6.9% (7) are Entering
- 17.6% (18) are Emerging
- 33.3% (34) are Transitioning
- 33.3% (34) are Expanding
- 8.8% (9) are Commanding

ELLs without IEPS:
- 10.3% (42) are Entering
- 14.7% (60) are Emerging
- 24.7% (101) are Transitioning

- 35.9% (147) are Expanding
- 14.4% (59) are Commanding

The following trends were noticed:
- The majority of our students, 61.8% (341) are Transitioning or Expanding
- 6.9% of ELLs with IEPs are Entering; compared to 10.3% of ELLs without IEPs
- 17.6% of ELLs with IEPS are Emerging; compared to 14.7% of ELLs without IEPs
- 33.3% of ELLs with IEPS are Transitioning; compared to 24.7% of ELLs without IEPs
- 33.3% of ELLs with IEPS are Expanding; compared to 35.9% of ELLs without IEPs
- 8.8% of ELLs with IEPS are Commanding; compared to 14.4% of ELLs without IEPs

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Providing English Language Learners (ELLs) with a high-quality academic experience that leads to deeper learning is guided by the principles outlined in Commissioner's Regulations Part 154 (CR Part 154). These are ways in which we implement these strategies:

1. Differentiated Instruction:
Tailored Lesson Plans: We adapt lesson plans to meet the diverse proficiency levels of ELLs, ensuring all students can access the curriculum.
Scaffolding: Lessons are broken down into manageable segments with appropriate support structures to facilitate understanding.
Use of Visuals and Realia: Classrooms are equipped with visuals, real-life objects, and multimedia resources to aid comprehension.

2. Language Support Programs:
English as a New Language (ENL) Programs: ENL classes focus on developing English proficiency while integrating academic content.

Bilingual Education: Dual language and transitional bilingual education programs provide instruction in both the student's native language and English, as mandated by CR Part 154.

3. Professional Development for Teachers:
Training: Teachers receive ongoing professional development on effective ELL strategies, cultural competency, and differentiation techniques.

Collaboration: Collaboration among teachers to share best practices and strategies for ELL instruction.

4. Culturally Responsive Teaching:
Inclusive Curriculum: Our teacher incorporates diverse cultural perspectives, making learning relevant and engaging for ELLs, within our curriculum.
Building Relationships: Teachers create a supportive classroom environment that values and respects the cultural

backgrounds of ELL students.

5. Family and Community Engagement:
Parent Involvement: We actively engage ELL families through regular communication, translated materials, and community events, as required by CR Part 154.
Community Resources: Partnerships with community organizations provide additional support and resources for ELL students and their families.

6. Assessment and Feedback:
Formative Assessments: Continuous assessments are used to monitor ELL progress and inform instruction.
Feedback: Constructive feedback helps ELLs improve their language skills and academic performance.

7. Technology Integration:
Language Learning Apps: Lexia and Lexia English are used to support English acquisition.
Interactive Tools: Interactive tools and online resources are integrated into instruction to provide additional practice and engagement opportunities.

By adhering to the principles of CR Part 154 and leveraging these strategies, we ensure that ELLs receive a high-quality academic experience that leads to deeper learning and academic success.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The Instructional Leadership Team works together to identify the school's instructional priorities while considering our student population. With a high percentage of ELLs, the Instructional Leadership Team has Bilingual, TESOL, and SWD certified members who use their knowledge to ensure the schools' instructional design supports MLs/ELLs. The Instructional Leadership Team includes our two Instructional Coaches, one certified in TESOL and Special Education. We will continue to monitor ELL progress using the mClass assessment, in both English and Spanish. We will continue to implement the HMH Into Reading/Arriba La Lectura program for the upcoming school year. The school's leadership team uses mClass data to notice trends in order to be self-reflective and pro-active in making changes to the instructional design, while ensuring that ELLs have access to core instruction.

The Instructional Leaders Team works with ENL teachers to ensure that both stand-alone and integrated ENL instruction, provide a balance between language acquisition and content-area learning. This ensures that ELLs are receiving support in English development without being isolated from the core curriculum. For the 2025-2026 school year, a weekly planning time (Triple T) with grade level teams, ENL providers, Instructional Coaches and Leadership will serve as a way for school leadership is holding everyone accountable to making sure all ELLs have access to the core instruction/curriculum.

PS 16 will continue to ensure ELLs are in appropriate intervention programs, teacher will continue working on building culturally responsive classroom libraries , curriculum codifications and scaffolding as needed.

We will ensure MLs and ELLs receive rigorous instruction through access to grade level expectations and grade level work both in ELA and Mathematics. Students will be gain access to standards based instruction through the use of scaffolds and supports. We will ensure multiple opportunities for standards based instruction in all content areas ensuring high expectations for our multilingual learners. We utilize English 3d in ENL Standalone to increase academic language and vocabulary as well as to increase writing through a structured approach aligned to content and concepts.

Teachers will participate in intervisitations and professional development in teams. Teachers will participate in

professional learning in cohorts.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

In our TBE & DL programs - Math, Science and Social Studies are delivered in the native language of Spanish. The math program is Envision in all grades. Materials are ordered for teachers in both English and Spanish.

Social Studies in Spanish:
* First Grade - Houghton-Mifflin Hardcourt - Estudios Sociales Familias de Hoy y Ayer: Ciudad de Nueva York
* Second Grade - Houghton-Mifflin Hardcourt - Communities
* Third Grade - Houghton-Mifflin Hardcourt - Ciudad de Nueva York: Comunidades del Mundo Actual y Del Pasado
* Fourth Grade - Houghton-Mifflin Hardcourt - Ciudad de Nueva York: Historia Y Gobierno de Nueva York
* Fifth Grade - Houghton-Mifflin Hardcourt - Ciudad de Nueva York: Estados Unidos, Canada, y America Latina

In our Dual Language program - core content is delivered in English and Spanish according to an alternating schedule.
In our Freestanding EN, core content is always delivered in English all times.

For the upcoming school year, all classes will utilize the HMH Into Reading/Arriba la Lectura Literacy Program and Envision Math.
All grades and programs utilize Amplify Science as our Science curriculum. In addition, NYC Scope and Sequence in Science and Social Studies are utilized for planning and assessing student knowledge. Instructional approaches embed ENL methodologies to make content comprehensible, foster language development and enable alignment to the Next Generation Learning Standards:

* Use of best practices from HMH Into Reading/Arriba la Lectura and Envision Math
* Use of student's cultural background and experiences
* Simplified directions, repetition, rephrasing
* Small group instruction
* Close reading
* Thinking maps/Graphic organizers/Semantic webbing
* Vocabulary with visuals
* Illustrations, diagrams, outlines
* Math manipulatives
* Physical models
* Fiction and non-fiction libraries in the native language (first language)
* Peer tutoring
* Total Physical Response (TPR)/Role Playing/Play-acting
* Modeling
* Use of technology: Promethean boards, iPads, overhead projector

Appropriately highly-qualified certified teachers deliver all instruction. All classroom teachers and out-of-classroom teachers are provided with staff development focused on how to provide effective instruction for ELLs.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English

language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Teachers serving our SWDs, use many different instructional strategies to target their students:
*Break learning into small steps
*Provide regular, quality feedback on learning
*Use diagrams, graphics and pictures to support text
*Provide ample independent, well-designed intensive practice
*Modeling instructional practices
*Providing prompts of strategies to use

All ICT and Special Classes have iPad carts, Promethean boards, and classroom surround sound speakers.

b. SIFE

In order to meet their needs, the following actions will be taken:
• Title III Early Morning Program- students will resume in their morning program that is specifically for this subgroup.
• Leveled libraries in the classrooms that range from two levels below to one level above the SIFE student's identified reading level
• Guidance Counselor will provide an emotional as well as affective factors profile of the SIFE student
• SIFE students will be screened and supported via intervention programs
• Cultural and family background will be addressed for a complete picture of SIFE student
• Differentiated instruction – grouping by ability, need(s), and targeted skills

Teachers will teach foundational skills such as phonics, basic literacy, and numeracy as needed. In order to give access to grade level content they will incorporate foundational literacy instruction into grade-level content lessons, so they can develop both basic skills and content knowledge simultaneously. Teachers will also use bilingual resources to support literacy in both English and the student's home language.

c. Newcomers

In order to meet their needs for the upcoming school year, the following actions will be taken:
• Encourage with the assistance of the Parent Coordinator, that parents attend ELL Parent Conferences within the school.
• Hold several Parent Orientation meetings to inform parents of different Programs within the school and what their options are.
• Hold a Parent Orientation before school starts in September to familiarize parents and students with the school building, schedule/routine, and services.
• Newcomer classes
• Pair student with a buddy
• Extended Day programs (Tuesday-Friday)
• Guidance intervention where necessary

Our newcomer students are invited to an early morning program where Lexia English is used to assess and then target instruction for students. Classrooms have grade level appropriate texts as well as a variety of texts in the students' home language.

Teachers will provide differentiated instruction by offering tiered tasks that match students' skill levels. For example,

they may simplify reading passages, modify assignments, or provide alternative formats for students to demonstrate understanding (e.g., drawing, oral explanations). Scaffolding will be used to break down complex tasks into manageable steps. Teachers will provide sentence frames, graphic organizers, word banks, and visual aids to help newcomer students access the core curriculum. Language support will be embedded into core instruction, with teachers explicitly teaching academic vocabulary, sentence structures, and language functions that are essential for understanding the content.

d. Long Term ELLs

Although we are a K-5 school and do not have Long Term ELLs, we would support them by:

Providing them with access to the grade level curriculum with high-quality, differentiated, and standards-based instruction. Effective teaching practices, clear expectations, and the use of data and assessments to drive instructional decisions. We will ensure that they have been provided with access to all grade level appropriate curriculum so that students are provided are given the opportunity to thrive academically before additional interventions are necessary.

Tier 1:
*HMH Into Reading/Arriba La Lectura
*SaaVas Envisions
*Amplify Science
*Heggerty
*Fundations
*Passport to Social Studies
*Civics for All
*SEL Habits of Mind

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

Eight full-day ICT classrooms in Grades K - 5 and six special education related services classrooms contain ELL-SWD students designated to be in the least restrictive environments. For ELL-SWD students in ICT classrooms state certified special education teacher and a general education teacher co-teach with an ENL provider. General Education non-ELL students are grouped with heterogeneous grouping of ELLs in the ICT class to adhere to the program's values. In classrooms where a students needs SETTS services, a State Certified Special Education teacher provides services to these students and an ENL certified teacher would be programmed to service the student. We currently do not have any students programmed for SETTS.

Teachers co-plan and sometimes co-teach, making sure lessons include both language development and IEP goals. They modify assignments and use strategies like visuals and hands-on activities to make learning easier for students. Accommodations like extended time, small group instruction, or modified assignments are provided. Teachers also simplify tasks and allow students to show their work in different ways depending on their learning style. ENL providers and the special education teachers also work collaboratively to ensure that students are meeting both their language learning and academic needs, while ensuring they stay engaged in regular classroom activities.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Native Language support is delivered according to the NYS mandates. In TBE and Dual, we use the mClass assessment to monitor student's learning in both English and Spanish.

TBE: Math and Science are delivered in a student's native language (Spanish) with an ongoing emphasis on reading and writing. Depending on students' literacy levels and needs, a model of 2 days English and 3 days Spanish is implemented with a shift to 3-4 days English and 1-2 days Spanish as the year progresses. TBE teachers use a variety of tools, including mClass, teacher-created assessments, oral language informal observations to monitor progress. These assessments ensure that students are building a strong foundation in their home language as they gradually transition to English instruction.

DL: A 50-50 program model is followed. Native language (Spanish) is delivered full day basis depending on the cohort's schedule. ENL: Delivered when classroom teacher and/or push-in ENL teacher speaks the native language of student. Native language is also supported through native language in-classroom libraries and dictionaries. We have a healthy library that includes non-fiction and fiction texts in native languages for teachers and students to access. Curriculum and unit letters to parents are translated and available in Spanish. As in the TBE program model, teachers use a variety of tools, including mClass, teacher-created assessments, oral language informal observations to monitor progress.

ENL: Although the home language is used as a support for ENL students, they are not formally assessed in their home language.

At PS 16, instruction is designed to include both languages and valuing the native languages of all students. All lessons follow a progression and never repeated but rather continues to the next one. There are supports and scaffolds included in both languages to support the MLs/ELLs in the classrooms. We use the 50/50 model to ensure both languages are targeted equally across all K-5 Dual Language classrooms. Assessments are also provided in both languages to assess growth and proficiency levels in both languages. All resources such as classroom libraries, anchor charts, student work, student assessments, groupings, and learning materials display evidence of the implementation of two languages. We are constantly providing new additions to the libraries that display an equitable amount of books in both languages and culturally relevant books.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

To support co-teaching and collaboration among teachers for all ELL program models, including Integrated Co-Teaching (ICT) and Dual Language Bilingual Education (DLBE), several systems and structures are put in place:

Integrated Co-Teaching (ICT):
Collaborative Planning Time: ICT teachers have scheduled common planning periods to collaborate on lesson plans, share strategies, and discuss student progress.

Classroom Teachers with ENL Certified Teacher:
ENL teachers are required to be available for the grade/teachers they service for at least two of their preparation periods per week. For this upcoming school year, we have implemented a weekly planning time for grade level teams to plan, ENL providers will be a part of this weekly planning.

Professional Development:
Co-teaching PD: ICT pairs attend joint professional development sessions focused on co-teaching models, differentiation strategies, and effective classroom management. Continuous professional development opportunities are provided throughout the school year to refine co-teaching practices.

Administrative and Coach Support:
Co-Teaching Support from Instructional Coaches: Our Instructional Coaches are versed in co-teaching models and provide guidance, model effective practices, and offer feedback to teaching pairs.
Observation and Feedback: Administrators conduct regular observations of ICT classrooms and provide constructive feedback to support teacher collaboration and effectiveness.

Dual Language and Transitional Bilingual Education Teacher Partnerships:
Side by Side Approach:
Dual Language teachers work in pairs, with one teacher providing instruction in English and the other in Spanish, ensuring balanced language exposure. They have common preps that mirror each other daily and planning support. Partnerships collaborate to develop a cohesive curriculum that integrates both languages and cultures.

Professional Development:
Teachers receive specialized training in bilingual education strategies, language acquisition, and culturally responsive teaching. Ongoing professional development is provided to enhance teachers' proficiency in the partner language and their ability to teach content bilingually.
Collaborative Structures:
Daily preparation periods are scheduled to allow co-planning sessions so that teachers coordinate lessons, assessments, and classroom activities.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Our goal is to provide quality training to all instructional and support personnel that will lead to improved teaching and student learning in all subject areas through staff development. Ongoing training will be provided to all teachers of ELL students, including teachers with non-ELLs in their classrooms, in the use of proven instructional strategies, methods and techniques that will support ELL learners. We believe that these strategies and techniques benefit all students especially since our school has a large percentage of English proficient students are former ELLs.

The Instructional Leadership Team creates an action plan for professional development that is aligned with the instructional focus of
the school and screener data analysis. The plan includes all staff members who work with ELL students, including classroom
teachers, cluster teachers, the counselor, and all other staff members. Topics covered but are not limited to second language acquisition, lesson planning using language objectives. Social emotional learning professional development is also

provided based on data from screeners. Topics covered during the scheduled staff development include exposure to the
NYSESLAT test format in order to align it with the content taught in the classroom to enhance ELLs learning and help increase their
proficiency levels across modalities, as well as the process of identification and placement of ELL/MLL students in differentiated
groups. The use of cooperative learning to promote interaction among students and the development of scaffolding activities will
help ELL students organize their thoughts and develop comprehension. The ENL Coordinator also attends monthly ENL Liaison Meetings to learn about ELL expectations/updates and best practices. This information is then shared with the other
ENL/Content Area Teachers to plan for ELL instruction.

The following topics will be addressed during staff development for the upcoming academic school year for all teachers.

• Utilizing Data (Amplify mClass, Conference notes, pre & post-unit assessments, Periodic Assessments) to target specific modalities in Listening, Speaking, Reading and Writing.
• Best practices for teaching ELA and Mathematics to English language learners.
• Informal Assessment for evaluating limited English proficient/English language learners' progress through Reading and Writing conferences
• Envision unit assessments
• Using language goals in all content areas
• Implementing the different components of the HMH curriculum for Dual Language and TBE classrooms and Freestanding ENL

Teachers will be given the opportunity to attend professional development addressing the needs of our ELLs. In addition, teachers are provided with in-house professional development through our Instructional Coaches and ENL coordinator.

Upon review of the data analysis, P.S. 16 provides ELL students with more educational opportunities for language acquisition
through its Title III programs offered at different times: After-school Programs and Saturday Academy.
Highly qualified, regularly licensed teachers in ENL provide ELL students with differentiated instruction and scaffolding techniques aligned with research-based ENL methodology to help students acquire language and proficiency. Teachers are also given information support through our Guidance Counselor, Alba Zamot, in preparing students for the articulation process of transitioning into intermediate school. Students are also scheduled by class to go on a tour of the different intermediate schools that P.S. 16 feeds into, such as I.S. 61, I.S. 73, and I.S. 5.

Through Title III funding, the P.S. 16 Professional Development Program for teachers of ELL students will address both teachers working in the supplementary program as well as mainstream educators. The professional development will focus on providing teachers with scaffolding and differentiated instructional strategies for teaching English Language Learners which will be based upon current research in the field of Second Language methodology. Professional Development will also address ways to prepare ELLs to meet and exceed standards according the New York State Standards and NYC guidelines. Teachers participating in these workshops will be paid at the training rate. Teacher trainers and facilitators will receive per session rate.

P.S.16Q also supports the learning of ELLs through the use of instructional materials such as:
• Leveled libraries in English and Native Language for TBE classes and Dual Language classes
• Leveled libraries for Freestanding ENL classes
• Getting Ready for the NYSESLAT for After-school, Early Bird and Saturday Academy

Professional Development for all personnel who service ELL students at P.S. 16Q include:
• Professional Development on extended days focusing on strategies to help ELLs in Reading and Writing
• Professional Development on extended days focusing on interpreting data on ELL interim assessments to drive instruction
• Grade Conferences focused on instructional strategies and methods that are geared to ELLs

All teachers at P.S.16Q are integrated in all ELL/ENL meetings, workshops, conferences and seminars. We utilize the Professional Development opportunities provided by the Division of Multilingual Learners, RBern, Cuny Initiative on Immigration and Education and our District 24 offerings.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

School staff are sent CTLE opportunities for ELLs from DML, District 24, and other credited organizations. In addition, the administration ensures that all staff receives the mandated time for ELL training during staff development days, in-house differentiated professional development, and study groups. Differentiation of Instruction for ENL students is an in-house ELL training workshop presented by staff developers. The above workshop included how to scaffold and differentiate instruction, stages of language acquisition, activities related to the different stages of language acquisition and questioning techniques to ensure that each child understands what is being taught. The ENL teachers as well as the assistant principals, provide on going staff development throughout the school year. Staff development presentations provided by the Insreuctional Coaches include Special Considerations for Second Language Learners and Fundations. All teachers at P. S 16Q have been provided with resource materials that they have been studying and using extensively for their classroom instruction. Administrators, lead teachers and staff developers consistently model teaching strategies and learning processes for specific grades.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Our Universal Screener for ELA is Amplify mCLASS/Lectura and MAP Growth Assessments for Math.

Our Beginning of Year, Middle of Year and End of Year Universal Screeners (in addition to information from the HLIS, NYSESLAT, State Tests, and Progress Monitoring Data) are analyzed on classroom, grade and school levels. On a classroom level, teachers utilize the data to inform pacing, scaffolds and small group instruction. On grade and school levels, the data is utilized to inform:

-Tier 1 Support: Professional Learning Opportunities and support from Instructional Coaches

-Tier 2 and 3 literacy Interventions (in addition to core instruction and language services).

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

P. S. 16 supports ELLs in ELA, Math and Content Areas. Supports are rendered in English with native language support when available.

Tier 1

ELA and Math: Based upon Universal Screeners (in addition to information from the HLIS, NYSESLAT, State Tests, and Progress Monitoring Data) differentiation is evident daily in the form of small group instruction, Home Language Supports, and scaffolds.

Tier 2

Morning Program: A daily Morning program is offered to students that are new to the country. The focus of the program is English Language Acquisition.

After-School: Students in grades 4 and 5 are offered ELA and Math support three days per week. Students are chosen based on Universal Screeners, State Test Scores and the NYSESLAT.

Saturday Academy: An ELL Saturday Academy was created to target students in Grades 3, 4, and 5 who are at the

Transitioning Level according to the prior year NYSESLAT results. These students received instruction from TESOL certified teachers.

Computer Based Supports: Amira, Waggle, Writable, Boost, Boost Lectura, Brainpop and Brainpop ESL, First in Math

Tiers 2 and 3

MTSS: Based upon Universal Screeners (in addition to information from the HLIS, NYSESLAT, State Tests, and Progress Monitoring Data), students scoring in the bottom 16th percentile are identified as needing MTSS support services. A Diagnostic screener is then administered to those students to determine strengths, areas of need and to best match students to interventions. The interventions we have available are: Lexia Core 5, Lexia English, Great Leaps (Math and ELA), Amplify Small Group Instruction, Just Words, Phonics for Reading, Rewards, Fugaces/Escalera, Aprendo Leyendo, Wilson, SPIRE, Sounds Sensible, Fundations Double Dose (K-2), Heggerty Double Dose (K-1), Heggerty Bridge the Gap (2-5) and Do the Math.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Tier 1:

School Level Support:

Based upon Universal Screeners, administered in both English and Spanish when applicable, (in addition to information from the HLIS, NYSESLAT, State Tests, and Progress Monitoring Data), classroom level data is organized and aggregated. In addition, the data is analyzed for subgroups (ENL and IEP Students). Based upon the results, classrooms in need of support are provided with cycles of support with our Instructional Coaches. In addition, based on the data, the Coaches provide support within various lenses (i.e. Home Language Support).

Classroom Level:

Based upon Universal Screeners, administered in both English and Spanish when applicable, (in addition to information from the HLIS, NYSESLAT, State Tests, and Progress Monitoring Data), classroom teachers provide 1:1 or small group instruction based on areas of need.

Tier 2 and 3:

MTSS: Based upon Universal Screeners (in addition to information from the HLIS, NYSESLAT, State Tests, and Progress Monitoring Data), students scoring in the bottom 16th percentile are identified as needing MTSS support services. A Diagnostic screener is then administered to those students to determine strengths, areas of need and to best match students to interventions. The interventions we have available are: Lexia Core 5, Lexia English, Great Leaps (Math and ELA), Amplify Small Group Instruction, Just Words, Phonics for Reading, Rewards, Fugaces/Escalera, Aprendo Leyendo, Wilson, SPIRE, Sounds Sensible, Fundations Double Dose (K-2), Heggerty Double Dose (K-1), Heggerty Bridge the Gap (2-5) and Do the Math.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

ELA:

*Amplify mCLASS/Lectura Benchmark Assessments (BOY, MOY, EOY)
*Amplify mCLASS/Lectura Progress Monitoring Assessments
*HMH Into Reading End of Module Assessments (BOY, MOY, EOY)
*HMH Arriba La Lectura Weekly Word Assessments
*Fundations Assessment (Formative built into daily lessons and Summative at the end of every unit)
*LETRS Diagnostic (K-2 MTSS Identified Students)
* Phonics for Reading Placement Test (Grades 3-5 MTSS Identified Students)
i-Ready Diagnostics

Math:
* Map Growth Assessments
*Envisions Topic Assessments
*Teacher Checklists

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

ELLs are appropriately evaluated in their home language with Amplify Lectura (Spanish K-5), this assessment is administered at the beginning of the year, middle of the year, and the end of the year to monitor progress. We currently do not have a native language assessment for the low incidence languages. Our K - 2 TBE and DL Spanish Component teachers also utilize the Estrellita phonics program. Estrellita is a supplemental, phonics-based, accelerated beginning Spanish reading program for bilingual classrooms based on scientific learning and reading principles, Estrellita provides multi-sensory, in depth instruction in phonemic awareness, phonics and fluency. Because it was designed to meet the needs of children at all skill levels, layers of differentiated instruction are built into the program to accommodate Tier 1, 2 and 3 students.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

NYSESLAT:
At the start of the school year, the ENL department reviews the results of the NYSESLAT data and distributes this information to all classroom teachers, cluster teachers and other providers of Related Services. The ENL/Bilingual Coordinator is available to meeting with each grade to inform teachers on how to interpret the various NYSESLAT reports and how to utilize them to drive and differentiate instruction. The NYSESLAT reports are shared via One Drive so that teachers can see their students areas of need across the four modalities.

In addition, analysis and discussion center around trends noticed across: modalities, English Language Proficiency Levels and grades.

NYS ELA Test:

Once the NYS ELA results are released, our Instructional Leadership Team analyzes the data and identifies trends for ENL students (as a whole, by grade, and by English Language Proficiency Level). Analysis and discussion include: performance and growth for ENL Vs Non-ENL Students, performance and growth for each English Language Proficiency Level, and correlations between NYSESLAT and NYS ELA Test performance and growth. Analysis drives decisions regarding ENL program efficacy, differentiation, After-School and/or Before-School Programming, MTSS support services, utilization of core curriculum resources for ENL students and Professional Learning Opportunities.

NYS Math Test:

Once the NYS Math results are released, our Instructional Leadership Team analyzes the data and identifies trends for ENL students (as a whole, by grade, and by English Language Proficiency Level). Analysis and discussion include: performance and growth for ENL Vs Non-ENL Students, performance and growth for each English Language Proficiency Level and correlations between NYSESLAT and NYS Math Test performance and growth. Analysis drives decisions regarding ENL program efficacy, differentiation, After-School and/or Before-School Programming, MTSS support services, utilization of core curriculum resources for ENL students and Professional Learning Opportunities.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

All teachers are trained in the administration of the NYSESLAT exam. Licensed pedagogues who are trained will then be responsible for administering the exam to students, adhering to testing accommodations for students with IEPs. During the administration window, teachers will continue to service students, once they have completed the testing process for assigned students.
NYSESLAT scoring will be completed by trained pedagogues in a way to limit servicing of students.

Scoring Staff:

Andrea Barzilay, ENL Teacher
Silvia Chaparro, ENL Teacher
Sally Delouis, ENL Teacher

Amalia Kaloudis, ENL Teacher
Pamela Keshishian, ENL Teacher
Cara Walker, ENL Teacher

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Ensuring that current and former English Language Learners (ELLs) receive the necessary accommodations for state assessments is a critical component of providing equitable educational opportunities. Here are the key steps and strategies that NYC schools implement to support ELLs during state assessments:

Identification and Documentation:
Accurate Identification: We maintain accurate records of current and former ELLs, ensuring that all eligible students are identified and receive the appropriate accommodations at the beginning of the school year. As enrollment changes, we inform necessary staff of new students who require support.
Individualized Education Plans (IEPs): For students with IEPs, accommodations are specified and documented to align with their individual needs.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Scheduling and Facilitation:
Flexible Scheduling: Orientations are scheduled at various times (morning and afternoon) to accommodate parents' diverse schedules.

Advance Notice: Families receive advance notice of the orientation dates through multiple channels such as letters, emails, phone calls and Parent Square messages all in the parent's preferred language of communication.

Multiple Sessions: Multiple sessions are offered to ensure that all parents have an opportunity to attend, including weekends if necessary.

Translation and Interpretation Support:
Multilingual Invitations: Invitations to the orientation sessions are sent in the primary languages of the families, preferences are noted on ATS and language preference is adhered to.
On-Site Interpreters: Professional interpreters are available at the meetings to provide real-time translation in the families' native languages.
Translated Materials: All materials, including presentations and handouts, are translated into the primary languages of the students' families.
Language Translation Service: For families who cannot attend in person, the school offers a language assistance line for over-the-phone interpretation services.

Content of the Orientation:
Program Options: Detailed explanations of the three ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education, and ENL.
Program Goals and Requirements: Clear presentation of the goals, benefits, and requirements of each program model.

Attendance Records: Sign-in sheets are used to document parent attendance at each session.
Meeting Minutes: Detailed minutes of each orientation session are recorded, including topics covered and any questions or concerns raised by parents.
Follow-Up: Documentation of follow-up communications with parents who could not attend, including phone calls and mailed information packets.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

In September, teachers receive pre-populated letters containing essential information for each of their ELL students. These letters include details such as the student's NYSESLAT results, language proficiency level, and areas of strength and growth (referred to as "glows and grows") based on the assessment data. Teachers and ENL providers work together to ensure that these letters are shared with parents/guardians, and they schedule annual individual meetings to discuss the information in detail. During these meetings, teachers present the NYSESLAT results, review the student's progress in language development, and highlight specific goals for growth in the current school year.

In these individual meetings, teachers also explain the goals of the school's ENL programs, including how these programs are designed to support students' language development across all content areas. They emphasize the importance of language development in subjects like math, science, and social studies, demonstrating how students receive targeted support to access grade-level content while improving their English proficiency. This ensures that parents understand the structure and objectives of the program, allowing them to be informed partners in their child's educational journey.

To ensure that these meetings are documented, teachers record the details of each meeting, including date and time, in their parent outreach logs. This log serves as a record of compliance and helps track parent engagement efforts throughout the school year.

At the end of each school year, during the exchange of records, teachers complete a checklist to verify that all required ENL compliance documents are maintained in the cumulative folders of ELL students. This checklist includes items such as signed and dated parent meeting letters, NYSESLAT reports, and other relevant documentation. At the start of the following school year, our ENL Coordinator, Pamela Keshishian, reviews the cumulative folders once again to confirm that all required letters and documents are present and signed by parents. This double-check ensures that every ELL family receives the necessary information and that the school remains in compliance.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Our school uses Parent Square to deliver all school communications. Based on the parent's language preference entered on ATS, that information is entered onto Parent Square. The parents are then automatically send all communications in their preferred language. All personal messages for parents are also automatically translated. We also make sure to have frequent check-ins during the year to ensure that parents are receiving all updates.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

We conduct needs assessments to ascertain what families need. In addition, members of our school community provide feedback on how we can better support families.

We often distribute surveys or conduct focus groups with parents/guardians of MLs/ELLs to gather feedback on their needs.
School staff, particularly bilingual personnel or our ENL coordinator, engage in outreach to understand any barriers families may face regarding engagement with the school, such as language or access to resources.

Our CBO, Common Point, partners with local community organizations that provide support to MLs/ELLs and their families. These partnerships help schools gain insights into the broader needs of the families they serve, including legal assistance, healthcare, or employment resources.
We assess the needs and then develop activities and programs that are aimed at empowering the families of MLs/ELLs. These activities focus on fostering communication, involvement, and access to resources that support both academic and language development. We ensure that all communication with ML/ELL families is provided in the home languages of the parents. This includes translating newsletters, event invitations, and any communications sent home. We also provide interpreters at parent-teacher conferences, school events, and meetings.

We recognized that many parents of our newcomers needed help adjusting to having a student in school and hold workshops on understanding our school, we provide an overview of the grading structure, and expectations for their children’s academic performance and language acquisition.

Our workshops are specifically designed to help parents understand how they can support their child’s English language development at home. This might include literacy programs, strategies for reading together, or helping with homework.
We also provide training sessions for parents on how to use digital tools like translation apps, NYCDOE online portals and learning platforms that students use in school. This helps parents stay engaged with their child’s academic progress, even if they face language barriers.

Our next step is addressing the parent's request for Adult ESL Classes. We would like to partner with community organizations to offer Adult ESL classes for parents who want to improve their own English proficiency, empowering them to engage more fully with the school and the broader community.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Once information is received, we make sure to post on Parent Square and also back pack home notices that are time sensitive for parents.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

To best support the diverse needs of our school community, PS16Q has established culturally and linguistically responsive partnerships with various external organizations that offer valuable resources and services. These partnerships help enhance the educational, social, and cultural experiences of our students and their families:

Community-Based Partnerships

- Catholic Charities: Provides comprehensive social services to families, including housing assistance, immigration support, and educational programs.
- Elmhurst Hospital: Offers healthcare services and educational workshops on health and wellness, catering to the needs of our multicultural community.
- Food First and Hunger Free NYC: Collaborate to address food insecurity, providing nutritional resources and support for families.
- Mental Health Providers of Western Queens: Supplies mental health services, ensuring culturally competent care for students and their families.
- MetroPlus: Partners with us to offer affordable health insurance options tailored to the needs of immigrant and low-income families.
- New Life CDC: Engages families with programs that focus on health, wellness, and social services support.
- New York Hall of Science: Provides STEM-related educational programs that are inclusive and accessible, encouraging families to participate in hands-on science learning.
- Open Hands Legal Immigration: Offers immigration assistance and legal services, helping families navigate complex immigration processes.
- Plaza del Sol: Supports the health and wellness of the community through healthcare and educational outreach programs.
- Queens Botanical Garden: Connects families with nature through interactive programs that promote environmental stewardship and celebrate cultural traditions.
- Soles4Souls: Provides footwear and clothing to families in need, ensuring that students have the essentials they need for school.
- Art Together: Artist teaches students and families, hands-on creative techniques after-school hours and on weekend events.
- Girls Inc: Through the Girls Inc. Experience, our professionally trained staff and volunteers provide mentorship, pro-girl environments, and evidence-based programming that respond to the challenges girls face and support their success in school, work, and life. Teaches families how to support their daughters and children.
-

Culturally Enriching Partnerships

- Corona Queens Library: Offers programs designed to enrich families' experiences by embracing their

language and cultural heritage through literacy, arts, and community activities.

- Elmcor: Focuses on building strong, culturally diverse connections within the community, fostering positive life changes through recreational, educational, and social services.
- Global Arts to Go: Delivers music and dance workshops that showcase cultural traditions from around the world, promoting cultural awareness and appreciation among students and families.
- Make the Road: Works to build the power of immigrants and working-class communities by providing support and advocacy services tailored to their specific needs.
- New York City Football Club: Partners with our school to provide soccer programs, embracing the passion for the sport within our community and promoting physical activity and teamwork.
- Voice Latina: Offers tailored support and resources for Latin American immigrants, meeting them wherever they are on their journey and providing culturally relevant guidance.

Our guidance counselors, ENL Coordinator, and Parent Coordinator work closely with our Community-Based Organization (CBO) to ensure that the programs and services provided align with the interests and needs of our families. They collaborate to bring organizations to the school that are responsive to parent interests, ensuring our partnerships are beneficial and culturally relevant for our community.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

There is not additional information to be added at this time.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Katherine Rodriguez, Principal
Pietra Rocco, Assistant Principal/ Pedagogue
Pamela Keshishian-ENL Coordinator, Bilingual
Silvia Chaparro- ENL Certified Teacher, Bilingual
Sally Delouis- ENL Certified Teacher, Bilingual
Grecia Cabadiana- Dean, Certified Bilingual Teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

At PS16Q, as of this upcoming year- all ENL providers will handle the ELL Identification Process and have time allotted in their schedule for this support. This ensures involvement in the identification process that does not impact the instructional minutes allocated for our students. Additionally, it provides the ENL team with opportunity to take an active role in meeting prospective students and their needs. This allows us to complete the identification process efficiently, collaboratively, and without diverting a singular staff member from their teaching responsibilities.

At PS 16, We Adhere to the Steps of the ELL Identification Process.
Step 1: Determine if enrolling student was in a NYS public school within the past two years.
Step 2: Trained pedagogue administers the Home Language Identification Survey, which includes an interview with the student and parent to determine the student's home language. Once complete, update the Home Language Code in ATS and update the HLIS field in the ATS BIOU screen to "Y".
Step 3: If a student has a home language other than English, determine if the student is eligible to take the NYSITELL. If the student has an existing IEP, convene the Language Proficiency Team (LPT) to determine NYSITELL eligibility. If the student is eligible to take the NYSITELL, administer the NYSITELL.

Step 4: Notify parents regarding the results of the NYSITELL. If the student is eligible for ELL services, send the parent the Entitlement Letter inviting them to a parent orientation meeting. If the student is not eligible for ELL services, send the Non-Entitlement letter. Letters are provided in parents in their preferred language.
Step 5: Administer the Spanish LAB to eligible students.
Step 6: Identify Students with Interrupted/Inconsistent Formal Education.
Step 7: After the parent orientation meeting, provide the parent with the Parent Agreement and Program Placement form so that they can indicate their ELL program selection.
Step 8: Place the student in an ELL program.

Upon enrollment, the ELL Identification Team ensures that families complete the Home Language Identification Survey (HLIS). This survey is crucial as it helps determine the student's primary language and whether the child needs to be assessed for English proficiency. The team takes the time to explain the process to families, ensuring that they understand the importance of the survey and how it impacts their child's educational path.

Once a potential ELL is identified through the HLIS, a member of the ELL Identification Team, trained in assessment procedures, administers the New York State Identification Test for English Language Learners (NYSITELL). This test evaluates the student's English proficiency level, helping to determine if the student qualifies for ENL services. Based on the NYSITELL results, the student is formally classified as an ELL and assigned to the appropriate level of ENL services.

The ELL Identification Team, in collaboration with the ENL Teacher, promptly notifies parents or guardians about their child's ELL status. They provide information about the test results, the types of ENL services their child will receive, and the different program options available to them. To ensure effective communication and compliance with CR Part 154, all information is delivered in the family's home language, ensuring parents fully understand their child's educational plan and the resources available to support their language development.

This thorough process helps create a smooth transition for new ELL students, minimizing any gaps in service and ensuring that students receive the language support they need right from the start.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Katherine Rodriguez

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Elena Cunneely

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Martha	Jimenez Lopez	Parent Coordinator - Annual	02/26/2025	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Surveys conducted by your school

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	0	0.00%	1	0.09%		
CHINESE ANY	3	0.28%	3	0.28%		
ENGLISH	122	11.29%	109	10.08%		
SPANISH	956	88.44%	968	89.55%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Start of the Year Welcome Letter	In-house translation
Entrance and Dismissal Schedule	In-house translation
School Uniform Policy	In-house translation
Grade Supply List	In-house translation
Video/Photography consent	In-house translation and document provided in preferred language by the DOE
Meet the Teacher	In-house translation
Individual Teacher's Letters Including Overview of Curriculum and Expectations	In-house translation
Parent Overview of ELA and Math Exams	In-house translation
Walking Trip Consent	In-house translation and document provided in preferred language by the DOE
Invitation to Parent	In-house translation

Workshops	
PTA , PAC meetings and special events	In-house translation
Calendars and Newsletters	In-house translation and document provided in preferred language by the DOE
Parent City School Survey	Provided in preferred language by DOE
Title III Letter Enrichment Programs: After-school and Saturday ELL Academy	In-house translation
Targeted After-school and Saturday Academy	In-house translation
PTC Announcements and Appointments	In-house translation
NYS Testing Calendar	In-house translation
PTA events and activities	In-house translation
5th Grade Moving Up Ceremony	In-house translation
Kindergarten Stepping Up Ceremony	In-house translation
Safety Concerns- Food poisoning, Choking Hazard, Travel Abroad Hazard, Covid-19	In-house translation and DOE documents provided in preferred languages
IEP Translations	IEP Translations are offered through the CSD 24 Translation Pilot Program to parents at meetings when preferred language of communication other than English is indicated. Parents may request a translated IEP or ask that a staff member do so on their behalf.
Community Events and opportunities	In-house translation
Family Manual	In-house translation

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those

meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Meet the Teacher	In-house translation
Fall Parent Teacher Conferences	In-house translation & Contracted Interpretation Services. Over the phone interpretation services, by Linguistica International, provided by the DOE will be scheduled in advance
Spring PTC	In-house translation & Contracted Interpretation Services. Over the phone interpretation services, by Linguistica International, provided by the DOE will be scheduled in advance
Curriculum Night	In-house translation
PTA Meetings	In-house translation
Title 1 Meeting	In-house translation and DOE documents provided in preferred languages
PAC Meetings	In-house translation
IEP Meetings	In-house translation & Over-The -Phone interpretation services provided by DOE via Linguistica International IEP document translation offered to all parents in the eight available languages via the DOE
Parent Workshops	In-house translation. Parent Workshops and hand-outs will be presented in English and Spanish to reflect the two largest parents' preferred languages (for both written and oral communication) in the School.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

If the school had a school-wide emergency, the School Messenger is set up to deliver voice messages in English and Spanish to parents,
based on their language choice in ATS. Parents who speak other languages will be reached using the Translation & Interpretation
Services by calling the over-the-phone interpretation services. If appropriate, an email or text message will be sent using the Parent
Square App. This message will be delivered in the main languages. Parents can also select their preferred language in the app settings.
The message will be translated into the language requested.

In the case of a student-specific event, parents will be reached by staff members who speak the language indicated as their preferred language of communication on the emergency contact 'blue' card or in the Adult Preferred Language Report (RAPL). Parents will also be contacted using the over-phone interpretation line. If appropriate, an

email or text message will be sent using the Parent Square App. This message will be delivered in the parent's preferred language. Parents can also select to receive information in their preferred language in the app settings. The message will be translated into the language requested.

Parents having an emergency can contact the school by phone. Once the school receives the call, the staff will be instructed to call the interpretation line and do a three-way call. In addition, parents can communicate with the school by writing using the Parent Square App. Parents can write a message in their preferred language and the system will translate it into English. If needed, a staff member will contact the parent by phone using the interpretation line. If the parent comes to the school in person, the parents will be greeted by a staff member. In the building, there are visible signs (Parent Guide to Language Access cards and posters) that indicate that there are translation services available. The parent will be able to indicate their preferred language of communication and he/she will be assisted by a staff member or the interpretation line will be called.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Staff members will receive a memorandum indicating the person designated as the Language Access Coordinator in our School, and his/her responsibilities. Also, staff members will receive an abstract and summary of changes from the Chancellor's Regulations A-663. All staff members will receive detailed instructions, in writing, about how to access over-the-phone interpretation services. This information will be presented at a staff meeting at the beginning of the school year.

Staff members will receive information and links to the Translations page on the DOE InfoHub Website. Language access signage will be visible in key locations of the school. Teachers will be provided with a class listing (RAPL) indicating each family's preferred language of communication (orally and written) at the onset of the school year.

All school runs of communication will be copied accordingly, in English and Spanish (and other languages when DOE translations are
provided). Staff Members will receive a copy of the Parent's Guide to Language Access. The use of the Pocketalk Translation device is also encouraged. In addition, Staff Members will be instructed to use the Office of Sign Language Interpreting Services to communicate with parents who require for such accommodations.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

The School Leadership Team will ensure that language of preference for each family is documented and recorded within the first 30 days of school.

The ATS RHLA report will be updated through a parental survey. The results will be kept on file in our copy room and in the Principal's office. The HLIS and RAPL will also be continuously updated.

* Centrally Produced Critical Documents will be sent home in the language of preference of families (English and Spanish).

* Student Critical Documents will be sent home in the language of preference of families.

* If unable to provide translation, a note informing parents how to request free translation will be attached to the document. If communication is by email, text message or website, a live link will be provided to access the translated information into the preferred language.

* Interpretation services will be provided by School-Based staff in Spanish and Chinese.

* Phone Interpretation services will be provided for other languages, as posted in all offices.

* Written messages and emails will be sent via the Parent Square App and presented in the families' preferred language. The App selects the parent's preferred language based upon the initial HILS interview. The App allows parents to request and update their preferred language at any point.

* Where School-based translation or interpretation is not available, it will be planned and requested through the NYC DOE Translation and Interpretation Unit.

* All notices of translation and interpretation services are posted at the main entrance, key locations in the building and on file, in an accessible and labeled binder on the counter of Main Office, Safety Agent desk and in the Parent Coordinator's office.

* Translation and Interpretation funds will be utilized to support the above-bulleted efforts

* Two Bilingual (Spanish) school aides are assigned to the main office. They assist the Pupil Accounting Secretary with registration and other school-related administrative issues concerning parents. Their responsibilities include making teacher/nurse/supervisor-requested phone calls to parents, as well as answering the phones.

* The Bilingual/ENL Coordinator and other Bilingual TESOL teachers are available for the Parent Interview upon registration of new students. They also provide Parent Orientations in both English and Spanish. Translations of the video for low-incidence languages are provided to parents digitally--using a laptop, in the computer lab or virtually. The NYCDOE Translation and Interpretation Unit is also utilized during individual Parent Orientations, which are scheduled in advance, so that the parent has the opportunity to understand the information being presented.

*Another resource that we utilize to acquire information and notification documents is the Translation & Interpretation intranet site: http://intranet.nycboe.net/schoolsupport/translation_and_interpretation_unit.

*In addition, the school will request an interpreter if deaf or hard-of-hearing parents need the support of Sign Language Interpretation.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Parent feedback is necessary to continue to improve and innovate the quality and availability of services. The mechanisms in place to assure that parents have the opportunity to provide feedback include:
* The Parent Learning Environment Survey (City School Survey)
*The Language Access Parent Survey
* Parent Feedback Surveys after parent workshops/meetings including PTC
* Parent Coordinator outreach to parents
* District Parent Survey
* CBO Commonpoint distribution of survey to determine language of preference

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

By reviewing the data and realizing that we needed to send information regularly to parents who speak different languages, our school purchased a comprehensive parent/school/district communication app called Parent Square. Currently our school is able to send general posts and individual parent messages in the preferred parent language. Parents are also able to modify the language they prefer at any time.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Before School

Total number of ELLs to be served in this program:

210

Grades to be served in this program. Select all that apply.

,2,3,4,5,K,1

Total number of teachers in this program:

17

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

14

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

3

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

1. Morning Program- Focusing on Expanding ELLs

Through the support of District Instructional Lead and analysis of FURBY Data, it was determined that a focus on Expanding ELLs, our largest group of ELLs that at times did not make sufficient progress to Commanding.

Through focused Morning Program, Expanding ELLs will work on specific areas within Domains of Language according to the rubric to support further language development and achievement of Commanding ELL Status.

There will be two classes for each grade K,1,2,3,4,5 focusing on students at the Transitioning and Expanding Proficiency Level.
There will be up to 15 students in each class, with between 90-100 students in the morning Program.

Teachers will utilize NYSESLAT test preparation materials.

2. Morning Title III Program
For students in Grades K-5 at Transitioning Proficiency Levels.
There will be up to 20 students in each group.
Teachers will utilize NYSESLAT Resources, HMH Resources to develop language proficiency for transitioning students to ensure growth in language and literacy.

3. Morning Title III Program

For students in grades K-5 at the Entering and Emerging Proficiency Levels.

There will be up to 20 students in each group. There will be up to one group per grade.

Each group will utilize English 3D and Standards aligned resources to increase proficiency within Modalities of Speaking, Listening, Reading and Writing.

Teachers will also address underlying foundation component skills necessary for accessing grade level text to ensure student growth in language, reading and literacy.

ELLS will be grouped in small classes.
Teachers will provide direct instruction with small group differentiated instruction embedded within.
1 2nd Grade Class will follow the team teaching model.

Teachers will be supervised by the Administrator, AP Rocco funded by Title III funds.
The Assistant Principal will work the morning program from 7:15-8:05 A.M.
The Assistant Principal's work day is from 8:10-4:05 on Mondays, and 8:10-3:30 P.M. Tuesdays-Fridays.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Using NYSESLAT data, we created a morning program to target students at every proficiency level. We initially focused on students at the Expanding Proficiency Level- curating this group of students and organizing the morning program to support Expanding students to make substantial gains in language modalities as evidenced by their data within the FURBY tool. Teachers analyzed student NYSESLAT scores in each modality for students at the Expanding Level and targeted those specific domains and modalities focusing mostly on writing and reading within content rich passages to ensure students reach proficiency and commanding level status on subsequent NYSESLAT.

Data for students at Entering, Emerging, and Transitioning Proficiency levels was then examined by our expert ENL and Bilingual educators as well as a small cohort of Content Specialists interested in supporting language development across all modalities aligned to previous NYSESLAT data. Groups were formed to focus on specific language modalities and proficiency levels utilizing, English 3D resources, NYSESLAT preparation materials and HMH fluency passages and comprehension supports to design an instructional program to meet the needs of our students at Entering, Emerging and Transitioning Proficiency levels and support English Language Acquisition.

Keeping groups small and specific to Proficiency levels, our team of 16 pedagogues are able to meet individual and specific student group needs to ensure students achieve proficiency.

Our data from the NYSESLAT Spring 2025 administration showed that the students have the greatest difficulty with the Writing component. As a school, almost all students fell in the lower range for the Writing component. Each class will utilize this information to incorporate writing within all reading with a focus on content rich texts and nonfiction writing.

Using mCLASS Data 11% of ELLs received a score of At or Above Benchmark for the Reading Composite Score. This composite score is an index of Phoneme Segmentation Fluency, Nonsense Word Fluency, Oral Reading Fluency, And Comprehension. This data suggests a need for students specific reading component skills to be addresses as they are sub indicators of the Reading Composite Score. Inversely, 89% of ELLs are Well Below and Below Benchmark. Through the addressing of these skills students will increase in their reading composite scores and will increase in their language proficiency scores as well.

Student attendance will be taken on One Drive and monitored by Students arriving late or having inconsistent attendance will have the issue addressed with their parents. Students will be invited to the program and the program invites will be sent in the parent's preferred language. Progress monitoring will be done through data analysis curriculum embedded English 3D resources as well as mCLASS Progress Monitoring.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Morning Program Subgroups and Grade Levels:
In order to support our English Language Learners in making academic gains on the New York State English Language Arts (ELA) and Math tests and to attain proficiency on the New York State English as a Second Language Learners (NYSESLAT). The subgroup of students to be targeted are :

Kindergarten-Grade 5 Students whose overall NYSESLAT Score: Entering, Emerging, Transitioning
Grade K-Group 1 Entering, Emerging, Transitioning- 17 students
Grade K-Group 2 Entering, Emerging, Transitioning, 14 Students
Grade K-Group 3 Entering Emerging, Transitioning, Expanding 17 Students
Grade 1-Group 4-14 students
Grade 2-Group 6- 17- students
Grade 3 Group 9-16 students
Grade 4-Group 13-10 students
Grade 5-Group 14-13 students

Morning Program: Students whose overall NYSESLAT Score: Transitioning and Expanding
Grade 1-Group 5-15 students
Morning Program: Students whose overall NYSESLAT Score: Expanding
Grade 2-Group 7-9 students
Grade 3 Group 8-9 students
Morning Program: Students whose overall NYSESLAT Score: Expanding
Grade 3-Group 10-10 students
Grade 4-Group 11-12 Students
Morning Program: Students whose overall NYSESLAT Score: Transitioning
Grade 4-Group 12- 12 students
Morning Program: Students whose overall NYSESLAT Score: Transitioning and Expanding
Grade 5- Group 15-14 students
Morning Program: Students whose overall NYSESLAT Score: Expanding
Grade 5-Group 16-11 Students

210 total students

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Schedule and Duration:
The programs will be in-person for all students, and they will receive their instruction in English.
There is a maximum of twenty-five (25) students per class. The focus of the programs will be on the English

language development of students using the Lexia English program. Teachers with their Bilingual extension will preferably teach the four TBE program classes. Certified ENL teachers will teach the other classes.

Morning Title III NYSESLAT Preparation for English Language Learners

- Program Duration: 45 minutes per session
- Start Date: October 7, 2025
- End Date: May 29, 2026
- Schedule: Weekdays, Tuesdays-Fridays 7:20 AM - 8:05 AM

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction will be English, the students' L1 will be used to preview/review the content being taught. Students' home language will be used to help strengthen their understanding of the material being taught. The students will also have materials available in their home language.

Morning NYSESLAT English

- Program Duration: 45 minutes per session
- Start Date: October 7, 2025
- End Date: May 29, 2026
- Schedule: Weekdays, Tuesdays-Fridays 7:20 AM - 8:05 AM
- Home Language Support: NYSESLAT Preparation materials and HMH Into Reading is supplemented with Spanish language support options for Spanish-speaking students. The teacher provides bilingual instructions when needed and uses Spanish to explain challenging concepts or vocabulary before transitioning to English.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

For out Title III Morning Program:

There will be 16 classes,
14 of the classes will be taught by teachers holding the Bilingual Certification and TESOL certification
2 classes will be taught by Content Area specialists.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**

- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Materials:

English 3D HMH Teacher's Guides and Student Workbooks
NYSESLAT Preparation Materials
HMH Resources

The Materials will be stored in the ENL Providers office located in Room 102.
The Materials will be purchased with Title III funds.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

All documents and records are maintained on One Drive in our Electronic Database. Any students invited are tracked, we note responses from parents. For parents who refuse participation, follow up calls are made to ascertain why the student will not participate. Attendance is maintained on One Drive also, so that it can be easily monitored by the Assistant Principal and the ENL Coordinator.

All data is available on Amplify mCLASS English, and it is used to drive instruction.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

The following topics will be addressed during staff development in the 2025-2026 academic school year for teachers of ENL students:

Training will occur throughout the academic school year and/or during scheduled professional learning meetings. Training may also occur during monthly grade meetings, vertical team grade meetings, weekly grade level planning (Triple T), and/or ENL program meetings. Additionally, teachers will have the opportunity to attend city-wide conferences addressing the needs of our MLs. The provider for the professional development sessions listed above will be through Staff Developers, Assistant Principals, or Staff members who will turn key the Professional Development at no cost to Title III programs.

The Title III ELL program will offer targeted professional development (PD) sessions for teachers to build their capacity in supporting English Language Learners (ELLs). The PD sessions will focus on the following key areas:

- Analysis of data and progress of our MLLs to target specific Listening, Speaking, Reading, and Writing modalities.
- Utilizing Data to target specific Listening, Speaking, Reading, and Writing modalities.
- Using language goals in all content areas
- Culturally Responsive Teaching: Teachers will learn strategies to create inclusive classrooms where ELLs feel valued, utilizing techniques that integrate students' home languages (e.g., Spanish) as a tool for learning.
- Differentiated Instruction for ELLs: Sessions will provide teachers with strategies to tailor their instruction based on ELL proficiency levels (Entering, Emerging, Transitioning, Expanding) to support language acquisition and academic content simultaneously.

The Professional Learning will be funded by Title III funds.

All teachers working the Title III Program will be attending the professional Learning.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Our goal is to provide quality training and staff development to all instructional and support personnel, leading to improved teaching and student learning in all subject areas. Ongoing training will be provided to ENL teachers in using proven instructional strategies, methods, and techniques that will support ENL learners.

Records of all professional development, including participating teachers, agendas and sign-in sheets, information on consultants, and budget implications, will be maintained.

Quantitative Data Analysis:

- Assessment Data: Analysis of NYSESLAT scores, mclass/ Lectural data, and local assessments in subjects like math, science, and ELA consistently reveal gaps in ELL performance across language domains (listening, speaking, reading, and writing) and academic subjects. ELLs often perform below their non-ELL peers, indicating a need for targeted professional development.
- Attendance Records: Attendance data shows higher absenteeism rates among ELLs, suggesting disengagement and the need for culturally responsive practices to foster inclusion and motivation.
- Progress Monitoring: Data from mClass demonstrates the varied progress of ELLs, highlighting specific needs for instructional adjustments.

Qualitative Data Analysis:

- Teacher Feedback and Surveys: Educator surveys and feedback indicate that teachers often feel unprepared to integrate language goals into content areas or to differentiate instruction effectively for ELLs at various proficiency levels.
- Classroom Observations: Observations reveal challenges in embedding language objectives, well as a need for culturally responsive strategies that incorporate ELLs' home languages.

Data Sources

- Assessment Reports: NYSESLAT scores, mClass data, ELA scores, Lexia English data, and other formative assessments provide quantitative evidence of ELLs' language and academic performance levels.
- Teacher Observations: Classroom observation reports serve as qualitative evidence of instructional gaps and areas for professional growth.
- Feedback from ELL Families: Parent and student surveys provide direct qualitative insights into the cultural and educational needs of ELLs.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

All teachers, whether dually certified or not, will receive training for MLs.
Bilingual Education Model Teacher will provide training for all teachers and ENL Providers in the Science of Reading through a Biliteracy Lens.

English 3D Professional Development through District 24

Teachers working the Title III Morning Program will receive professional learning.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

The training will occur during the school day when possible, due to coverages for teachers. During common prep periods, teachers will participate in professional learning, which will help teachers look at their data and craft lessons for their MLs.

Training will occur during Monday Professional Learning Time
Training will occur during Teacher Team Time which is a period dedicated for grade planning and teacher teams to meet.

ENL Providers will attend English 3D Training through the District 24 Office.

There will be 10 monthly sessions for English 3D Provided by the District Office for Specific ENL Providers
There will be a series of 5 Monday Professional Learning Sessions for all staff member working the Title III Morning Program lasting from 2:30-3:30 PM.
All staff will receive Amplify MLL Assessment and Cross Linguistic Transfer Professional Learning once annually.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

2025-2026 Topics to be covered:

- Understanding and interpreting NYSESLAT scores and other assessment data
- Strategies for identifying and addressing skill gaps across the four language domains (listening, speaking, reading, writing)
- Embedding language goals into lesson plans for math, science, ELA, and social studies
- Techniques for scaffolding language development within content instruction
- Tailoring instruction to meet the needs of ELLs at various proficiency levels
- Differentiation strategies for small-group instruction and whole-class activities

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

*Amplify Data Coaching- Silvestre Arcos
*District ENL Coaching
English 3D District Coaching

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Agenda and sign in sheets will be maintained for all Professional Development opportunities.
Agendas and sign in sheet kept in Main Office.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Historically, our school community has had difficulty navigating technology. We want to provide parents with a fifteen-week program, broken up into four sessions on technology to help them navigate email (creating accounts, sending and receiving emails), Google Classroom, and internet safety for students. The provider will be a Bilingual certified teacher with a technology background who can scaffold the material for parents. They will be invited based on teacher recommendations.

We use Parent Square, which translates all communication to parents in their preferred language. At all of our workshops, we have staff members who are fluent in Spanish. Attendance at all meetings is taken by staff members hosting.

The Parent Coordinator (Martha Jimenez) provides the parents various workshops to facilitate a closer relationship between the school and the community. The parents are informed about all the current instructional programs available for their children and support services within the school. Martha Jimenez facilitates and presents parenting workshops, family literacy programs and informs our school community of the need to have a safety/emergency plan for their household. The parents are informed of workshops, activities and special events via monthly calendars and newsletters. Calendars and newsletters a resent in English and Spanish. In addition, the school provides translation services through in outside agency during parent teacher conferences. We also have several staff members who speak Spanish and Chinese and translate parent workshops, conferences and meetings. Staff members are also aware that they may use the phone translation services in the Main Office or in the offices of the Assistant Principals. It is the strong desire of P.S. 16 to provide the parents/guardians of our students with extensive opportunities to attend a variety of Reading, Writing, Mathematics, Technology, and Content Area workshops so that they can assist and support the education and learning of their children at home.
To support our parent community, we will also offer a series of parent workshops to grades K, 1 and 2.

- Parents will attend workshops that provide strategies for reinforcing language skills at home, focusing on the four domains: listening, speaking, reading, and writing.
- Interactive sessions will demonstrate how to use everyday materials and resources (e.g., bilingual books, flashcards, and digital tools) to support English language development.
- The school will host culturally themed events that celebrate the diversity of the ELL community, allowing families to share their cultural traditions, stories, and languages.
- Workshops will focus on how parents can maintain their home language while supporting their child's

English language development, emphasizing the value of bilingualism.

- Parents will participate in small-group discussions led by bilingual staff, fostering a supportive community where families can exchange experiences and best practices.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Parent workshops will be crafted to support our ELLs and their families. For newcomers, the Parent Workshops will be more so targeted towards acclimating them to our school community and welcoming them. The needs analysis is based on mclass data, teacher input, SLT concerns, and PTA feedback.

Quantitative Data Summary

- Attendance Records: Higher participation observed during evening and weekend sessions, indicating these are optimal times for engagement.
- Assessment Scores: In order to close the achievement gap, the need for parental support activities, particularly in academics and language development.
- Technology Data: Increased student progress when parents are trained on using digital platforms, helpful for parents who work long hours and would like to still monitor/help their child

Qualitative Data Summary

- Parent Feedback: During PTCs, Town Halls, and our ENL workshops, parents have expressed what they would like
- Teacher Observations: Teachers have provided input

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Meetings will be scheduled throughout the year, based on the needs of our families.
Ms. Keshishian and/or an ENL provider will host 7 monthly workshops, each workshop is 1 hour long. Common Point will host 17 workshops, each approximately 1.5 hours long, depending on the topic.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

For the Workshop component, which is led by Ms. Keshishian, ENL Coordinator, and will be collaborated with among other ENL providers, we use the data from our mClass assessments, as well as teacher feedback. We will offer a series of eight one hour workshops (with different times throughout the year to accommodate the parents) which will address the following:

- Strategies for developing listening, speaking, reading, and writing skills at home
- How to use bilingual resources, such as books and digital tools, effectively
- Tips for creating a language-rich environment that encourages English practice
- Techniques for balancing home language use while supporting English development
- Maintaining and valuing home languages while learning English
- Strategies for families to integrate their cultural heritage into everyday learning
- Building a supportive community for ELL families to share experiences and resources
- Navigating digital platforms used in school, such as Lexia English and other online tools
- Monitoring student progress using technology resources provided by the school
- Supporting children in using technology responsibly and effectively for learning
- Practicing digital literacy skills to assist children with tech-based assignments

In addition to workshops held by Ms. Keshishian, our CBO, Common Point will host the following workshops with parents.
Parent/community involvement:

1) Participatory Budget: Parents will be able to share their concerns with the community and create ideas that will benefit the Elmhurst/Corona population.
2) Turkey Distribution: Parents will be provided with a turkey for Thanksgiving and explore the various resources at the HUB.
3) Covid & Flu Vaccine Pop up: Parents will be able to participate in future school and CBO workshops and events.
4) Domestic Violence: Parents will be able to build nurturing martial and family relationships through knowledge of self-awareness and self-care.
5) Festive Craft Fair
6) Vision Board: Parents will be able to create vision boards to encourage and empower themselves to accomplish S.M.A.R.T goals.
7) Attendance is Key: Parents will have the resources and understanding to ensure that their children are punctual and present in school.
8) Self-Care & Love: Parents will be provided self-care strategies to help with stress, fatigue, and burnout. They will particpate in a small Zumba class and five parents will win self-care packages!
9) Health is Wealth: Parents will learn about local organizations, meet representatives, and receive useful information to help in future situations and challenges.
10) CBT: Parents will be able to support their children by implementing strategies and methods used by CBT and SEL curriculum.
11) Stress Awareness Month: Parents will gain knowledge about stress and various stress management techniques such as journaling!
12) Substance Use: Parents will learn prevention and early intervention strategies that can reduce the impact of substance use in their families and communities.
13) Paint and Empanada Night: The event will allow families to immerse themselves in their culture and teach others about it. Parents, students, and Commonpoint enjoy a night of ethnic food, music, art, and games.

14) Park Department & CPQ: The Corona/Elmhurst community will learn about new opportunites to maintain their neighborhood park.
15) Community School Forum: By reviewing SY 2022-2023, parents, teachers, and staff will be able to collaborate and discuss effective ideas for the upcoming school year.
16) Easing the Shift from Elementary to Middle School: Parents will learn strategies on how they can best support their child transition into middle school.
17) Job Readiness: Parents will receive the skills and confidence to build thier resume and seek employment!

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

*Ms. Jimenez- Parent Coordinator
*Ms. Keshishian- ENL Coordinator
*Ms. Sara Ferreira- Common Point Director
Art Together- Vendor
Salvadori - Vendor
Girls Inc (Girl & Female Empowerment) - Vendor

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents will be notified via Parent Square and our automated call program. Parents will receive these notifications in their desired language indicated in ATS.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

We will have agenda and sign in sheets for all family engagement activities. All notifications are archived on Parent Square and available for retrieval.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem		
Purchased services -High quality staff and curriculum development contracts.		
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.		
Educational Software (Object Code 199)		
Travel		
Other		
TOTAL		

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Saturday Academy

Grades to be served in this program. Select all that apply.

,3,4,5,K,1,2

Total number of teachers in this program:

6

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

The Title III Immigrant funds will be used in a Saturday Academy Program to help bridge the achievement gap for Immigrant students. We want to target students and focus on skills needed for long-term success in Literacy. For Immigrant students in Grades 3-5, it will be used to purchase the Academic Success for All Learners Fluency Builders and Spelling for All Learners, specifically aimed for addressing students in these grade levels. Students will engage in phonemic awareness activities. In addition, decodable texts will be purchased for the supplemental program to be used exclusively for these students. For grades K-2, age appropriate I See Sam Decodable text from Academic Success for All Learners will be used. These resources align to data provided from Amplify since they are aligned to DIBELS 8. These materials are culturally responsive and

Activities and Instructional Opportunities

Activities:

Small Group Sessions: Students will participate in small group sessions using decodable books, focusing on phonics and comprehension, in line with NYC Reads' emphasis on foundational literacy skills.
Interactive Storytelling: Teachers will conduct interactive storytelling sessions to enhance vocabulary and language skills, supporting the NYC instructional shift towards engaging and culturally responsive teaching.
Reading Circles: Small group reading circles will allow students to practice reading aloud, improving fluency and fostering a love for reading, as promoted by NYC Reads.
Students in Grades 3-5 will receive explicit spelling

Enhancement of Instructional Opportunities:

Language Development: Decodable books will provide structured language learning, helping students decode words and understand sentence structures, which aligns with NYC's focus on literacy development.
Cultural Integration: Books will include culturally relevant content to help immigrant students connect with the material and feel more included, supporting NYC's commitment to diversity and inclusion.
Confidence Building: Regular reading practice will build students' confidence in their reading abilities and encourage active participation in class, in line with NYC's goal of creating confident, independent readers.

Student Grouping
Grouping for Instruction:

Small Groups: Students will be grouped into small groups based on their Amplify mclass assessment data and language proficiency (if they are an ELL), ensuring differentiated instruction as per NYC's instructional shifts.

Number of Groups: There will be 6 groups in total, each consisting of 10-15 students.
ELLs in Each Group: Each group will include 3-4 ELLs, ensuring targeted support for language learners, consistent with NYC's focus on equitable education.
Instruction Delivery
Delivery Methods:

Instruction Delivery
Delivery Methods:

Whole Group Instruction: The teacher will provide whole group instruction to introduce new concepts and model reading strategies, ensuring all students receive consistent foundational instruction.
Small Group Instruction: The teacher will then work with small groups to provide targeted support based on the students' needs. The decodable will be used in these groups, allowing for more personalized attention and practice.

Supervision and Cost:

Supervision: The supervisor will already be paid using Per Session Title III Immigrant Funding as the supervisors general workdays are Monday through Friday 8:10-4:05 or 8:10-3:30 PM., and not on Saturdays
Cost to Title III Immigrant: The purchase of decodable books will be covered by Title III Immigrant Funding.
This approach will ensure that immigrant students, including ELLs, receive the necessary support to enhance their language and language skills in alignment with NYC instructional shifts and the NYC Reads initiative, ultimately improving their overall academic performance.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

Whole School: 68% of our students are below grade level in reading.
Grades K-3: 65% are below grade level on decoding
Grades 4 and 5: 55% of grade 4 and 5 students (215/401) are below grade level in reading. Upon administering a diagnostic assessment, 55% of grade 4 and 5 students need instruction in decoding.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

This approach will ensure that approximately 90 immigrant students, including Newcomer and Developing ELLs, receive the necessary support to enhance their reading and language skills. By aligning with NYC instructional shifts and the NYC Reads initiative, the program aims to improve overall academic performance and foster a supportive, inclusive learning environment.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

Schedule and Duration:
There will be a total of 6 classes meeting for Saturday Academy beginning March 2026-June 2026. The program will be in-person for all students. They will receive their instruction in English.
There is a maximum of fifteen (15) students per class. Teachers with their Bilingual extension will preferably teach the four TBE program classes. Certified ENL teachers will teach the other classes.

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

The instruction will be English with small group instruction in the students' L1, as needed.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

There will be 6 certified ENL and/or Bilingual certified teachers.

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

The funds needed for the supplemental program are materials solely to be used with Immigrant Students and Immigrant Students who happen to be ELLs. The materials to be purchased are decodable books geared specifically to older students. The materials will be purchased from Academic Success for All Learners

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

The maintenance of records will be on One Drive and monitored by Assistant Principal. Invites to students will be sent home, all responses, whether "Yes" or "No," will be noted. Using the RAPL report from ATS invites, all communication will be in the Parent's preferred language.

Part C: Professional Development

Professional Development Summary
Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

Our two Instructional Coaches will provide professional development. The learning will involve creating cycles of instruction and planning using the Story Share books.

Professional learning sessions for teachers on the use of decodable books will be led by the Instructional Coaches and focus on:

1. Decodable Text Analysis:
Activity: Teachers work in small groups to analyze different decodable texts.
Objective: Identify the phonics patterns and high-frequency words targeted in each text.
Outcome: Teachers will gain a deeper understanding of how decodable texts support phonics instruction.

2. Lesson Planning Workshops:
Activity: Teachers collaboratively plan lessons using decodable books.
Objective: Develop lesson plans that integrate decodable texts into daily reading instruction.
Outcome: Teachers leave with ready-to-use lesson plans and strategies for effective implementation.

3. Model Lessons and Peer Observations:

Activity: Facilitators model lessons using decodable books, followed by peer observation sessions.
Objective: Demonstrate best practices in teaching with decodable texts.
Outcome: Teachers observe and reflect on effective instructional techniques.

4. Phonics Instruction Strategies:

Activity: Interactive sessions will use decodable books to practice various phonics instruction strategies for

decodable books.
Objective: Equip teachers with a toolkit of strategies for teaching phonics.
Outcome: Teachers feel more confident and prepared to teach phonics using decodable texts.

5. Student Engagement Techniques:

Activity: Role-playing and simulations to practice engaging students with decodable books.
Objective: Explore techniques to make reading sessions interactive and engaging.
Outcome: Teachers learn how to maintain student interest and participation during reading activities.

6. Data-Driven Instruction:
Activity: Analyzing student reading data to inform instruction with decodable books.
Objective: Use assessment data to tailor instruction to meet students' needs.
Outcome: Teachers develop skills in using data to guide their instructional decisions.

7. Creating Culturally Relevant Content:
Activity: Workshops on selecting or creating decodable texts that reflect students' cultural backgrounds.
Objective: Ensure that reading materials are inclusive and culturally responsive.
Outcome: Teachers learn to choose or adapt texts that resonate with their students' experiences.

8. Reflective Practice:
Activity: Guided reflection sessions where teachers use decodable books to discuss their experiences and challenges books.
Objective: Foster a community of practice and continuous improvement.
Outcome: These activities will help teachers effectively integrate decodable books into their instruction, enhancing their ability to support students' reading development, particularly for ELLs and immigrant students.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

The need for Professional Learning is based on mClass data.

According to our BOY Amplify mCLASS/Lectura Data:
2024-25 BOY Amplify mCLASS shows that 32% of our students are reading on or above grade level.

By grade, the breakdown is as follows:

Kindergarten: 10%

Grade 1: 25%
Grade 2: 48%
Grade 3: 36%
Grade 4: 34%
Grade 5: 29%.

2024-25 BOY Amplify mCLASS shows that 62% of Non-ENL Students and 11% of ENL Students are reading on or above grade level. This equates to a 51% Performance Gap.

By grade the gap breakdown is as follows:

Kindergarten: 22%
Grade 1: 31%
Grade 2: 61%
Grade 3: 57%
Grade 4: 51%
Grade 5: 52%

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

Teachers who will receive Professional Learning are the 12 teachers who will be teaching the Title III program.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Instructional Coaches, Michelle Scoppettone and Robyn Krukas, will provide ongoing PL based on the need of the students.
The PL focused on decodable, which will begin in January and continue as needed until the program's ende.

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

Professional Development reinforces fidelity to the program's core methodology and assures children learn to read more quickly and successfully.
*reinforcing decoding skills
*building fluency and basic comprehension.
*blending with syllables

*segmenting words
*targeting vocabulary, fluency, and comprehension
*teaching initial sounds ensures students have a strong foundation in phonics and phonemic awareness.

The expected outcome is for teachers to use this professional learning to then plan accordingly.

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

In house Professional Learning will be facilitated by Michelle Scoppettone and Robyn Krukas, our Instructional Coaches.

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

Teachers attending Professional Learning will have to sign Attendance Sheets to confirm their participation.
All agendas, attendance sheets and participant materials will be on OneDrive and monitored by Tania Ottomanelli, Assistanct Principal.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

The family engagement will consist of sessions led by our Parent Coordinator, Martha Jimenez, and our ENL Coordinator, Pamela Keshishian.
The topics to be discussed include:
*SEL
*Bridging the Home and School Communication
*How to build a strong literacy connection for students
*Ways to support students when there might be a language gap

Parents will be taught how to help their students at home by building the school and home connection. These activities will be at no cost to the program.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

Depending on the topic, the Professional Learning will occur in person and via Zoom. The data sources are informal surveys given to parents of Immigrant students. Surveys will be used to gauge interest of Parents so that their specific needs can be met.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

The family engagement will be monthly beginning in late January and occur bimonthly until May. The total number of sessions will be six sessions. We have better parent involvement when sessions are held on a Monday or Friday, so the day will be alternated. The sessions will occur in the morning and last approximately one hour.

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

The topics to be discussed include:
*SEL
*Bridging the Home and School Communication
*How to build a strong literacy connection for students
*Ways to support students when there might be a language gap

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Martha Jimenez, Parent Coordinator
Pamela Keshishian, ENL Coordinator

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

All invites will be sent via Parent Square, automatically translated into the parents' preferred language. Depending on the responses received, we will make in-person translation available to address the preferred language of the parent.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

All activities and notifications will be saved on One Drive and the Parent Square platform. Using the RAPL report from ATS, parents will receive communication in their preferred language. All attendance sheets and agendas will be maintained by Tania Ottomanelli, Assistant Principal.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

$16,908

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
