Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages

- Part C: Parent Communications and Engagement
- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Krystle Jimenez	Principal or Designee*	
Christina Tholl	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Elizabeth Enriquez	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Coleen Gil	District Council 37 (DC 37) Representative (staff), if applicable	
N/A	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	
N/A	Student Representative (Required for middle and high schools)	
N/A	CBO Representative, if applicable	
Justin Thompson	Member/CSA	
Nicholas Kritikos	Member/Teacher	
TBD	Member/Teacher	
TBD	Member/Teacher

ELIZABETH ENRIQUEZ	Member/Parent	
LOURDES GONZALEZ	Member/Parent	
PATRICIA ALDANA	Member/Parent	
SILBIA VIVAR	Member/Parent	
Elizabeth Enriquez	Member/Parent	
PRIMITIVA RAMOS	Member/Parent	
FRANCISCO GIL	Member/Parent	

EUREDICE GALICIA	Member/Parent

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature
Carol Zhumi	Parent Coordinator	
Ivette Faya	AP, ENL Services, MTSS

Johanna Gutierrez	Counselor, College and Career	
Justin Thompson	AP, SPED	
Claribel Deleon	AP, Early Education Services	

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Mission: The children of P.S.19Q are empowered to achieve their highest levels of personal academic excellence. Our goal is to instill habits in our students that will foster autonomy and help them become the leaders of today and tomorrow.

Vision: All our students will take ownership of their education, excel, and lead a future of their choice.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

The Marino Jeantet School, a Community Learning School, has a current population of 1,680 students, making it one of the largest elementary schools in the country. P.S.19Q is located in central Corona, Queens. There are 80 classrooms in our renovated building. Our ethnically diverse school, includes a population of 71% identified as Multi Language Learners, representing 23 different languages. There are approximately 1,110 English Language Learners (ELLs) serviced in Dual Language, Bilingual and ENL Programs. Thirteen English as a New Language (ENL) teachers serviced through ENL push-in and push-out programs and two Bilingual ICT classes in grades 1 & 2. 25% of the population is identified as special education. There are 406 students with IEPs, 13 self-contained special education classes of which 4 are Bilingual self-contained special education classes. There are 20 Integrated Co-Teaching (ICT) classes of which two are Bilingual ICT special education and three are Dual Language.

Our school mission and vision focus our priority on the student experience. For students to lead a future of their choice they must have had various experiences and exposures to find their passion. P.S. 19Q plans experiences in K-2 based on the grades themes of: Community & Me in Kindergarten, Health & Wellness in 1st grade, and The Arts in 2nd grade. In grades 3-5 students will participate in project based learning focused on S.T.E.A.M. in 3rd & 4th grades and in Civics & Advocacy in 5th grade. In each grade their are 2-3 specialized classes which are part of our Dual Language Program. The Dual Language Program (DL) embraces the concept of developing bilingual, bi-literate and bi-cultural students who are proficient in both English and Spanish. It promotes language and culture while building an understanding of social equity. All the grades share the common goals to have high expectations for all students, to celebrate student achievement and foster student voice and autonomy. These shared goals and values will be emphasized daily through the whole school mantra: P.S. 19 Panthers; Always ready to L.E.A.P.!

Our acronym L.E.A.P serves as a guide for staff and students to L- Learn (Staff-ensure there is a specific teaching point/objective to all lessons. Students- understand and know the learning focus for each lesson), E-Express (Staff-ensure students are being given various choices to express thoughts, ideas and thinking i.e.- writing, speaking, drawing, etc. Students- be able to express thoughts, ideas and thinking in various ways that feel most natural to them.), A-Autonomy (Staff- ensure to give students choice in every lessons to allow for student autonomy and

accountability of learning. Students- be empowered to choose preferred methods and expression of learning that are most conducive to build accountability of own learning.) and P-Prepared (Staff- ensure students have the prior knowledge, materials, mental space and understanding to successfully achieve the learning objective for the lesson. Students- be prepared for learning physically, mentally and emotionally)

Each grade curriculum has an emphasis on building the basic foundation to support the development of critical thinking and to guide students to a career or college path. Each grade First through fifth grade has one guidance counselor with Kindergarten being shared by all counselors for individualized support. Middle school articulation is also shared by all counselors. Each grade has one assistant principal who collaborates with one grade lead teacher to plan professional learning opportunities, mentor teachers and provide small group intervention for students.

The staff at PS 19 is dedicated to providing individualized instruction to suit the specific strengths and needs of every child in our school. Our aim is that all of our students will meet the required standards in all areas while they acquire a love for learning. In order to meet the demands of the Next Generation Learning Standards, we are using HMH Into Reading/Arriba La Lectura and enVision Math as our primary programs, we are also making sure that all units are aligned to teach the domains and standards prescribed within the Priority Standards. In order to have instructional cohesiveness, among our 70 classes, we have one literacy coach and two Math coaches. An additional school wide initiative: "Books That Help us Grow", introduces to the students books that help students build character and leadership. Guidance Workshops will enhance the character building and leadership skills development process. These character skills are further supported by our social emotional program Sanford Harmony.

The professional development will be planned in collaboration with the Grade Lead Teachers, administrators, ILT and the professional development committee. They will meet weekly throughout the year to plan professional learning based on weekly walkthroughs, interclass visits, observation trends and lesson studies. The team will work with the Professional Learning Resources given by the City and research peer-reviewed materials. A weekly professional development recap session has been implemented to give and capture feedback for future needs and teacher recommendations. A professional development plan has been put in effect that outlines the areas indicated in the school's Instructional Focus:

All students will be engaged in learning that is intellectually active in challenging content. Such activities may range from a continuum of choices to making important decisions that will enhance the intellectual life of the individual student and that of the class. Activities and assignments that promote learning require student thinking that emphasize depth over breadth and encourage students to explain their thinking so that we can build autonomy and the students take ownership of their learning.This will include:

A lesson structure that will allow for beginning, middle and an end, with scaffolding provided to make each student's goal attainable
(Workshop- model) encouraging independent practice
Planning that requires the thoughtful construction of lessons that contain cognitively engaging learning activities, data informed grouping of students, student choice and various methods for student expression.
Formalized Checks for Understanding system that facilitates students' expression of thinking and understanding.
Student self assessment of grows, glows and goals in each unit of study.

Key Questions that we will Consider:

How are students engaged in the choosing and critical analysis of their own learning?
Are students intellectually engaged and how do we know?
Are the students being challenged/exposed to working independently and/or in groups?
Are the teachers and students providing actionable formative feedback aligned to the objective?
Are the assessment criteria clear and aligned to the learning objective/instructional outcome?

Describe any special student populations and what their specific needs are:

For students with disabilities who are entitled to receive least restrictive or with additional support services, there are five Special Education Teacher Support Services (SETSS) teachers, eight full time speech teachers, three occupational therapists, one physical therapist, and one part-time hearing educator. The services include Physical Education, Art, Dance, Spanish, Science, Civics infused Social Studies, FACS and Compute Science. We have a state-of- the-art library funded by the Robin Hood Foundation, that continues to cover the funding for a librarian, paraprofessional and after-school programs. Our students enjoy enriching experiences such as Chess in the Schools, dance residencies, music residencies, and theater performances during the school day. After school, there is a chess club, a CPA theater performance, flamenco residency, and NYC Soccer Kids program.

The Community Based Organization (CBO) Hanac- Beacon has had its after school program at our school for many years, which is why, when the school was chosen as one of the Community Learning School (CLS) schools, they were asked to be one of the representatives in the CLS team. Other organizations that provide different types of programs or services to the families at the school are The New York Philharmonic, Hall of Science, Town Hall, Theater Works, Center for Arts Education and New York Cares. As a Community Learning School , we are always seeking different services to best meet the needs of our community. Thus far, we have provided students with backpacks and school materials, enrolled in the fruit and vegetable morning snack program, provided specialized eye exams and free glasses for students who have been identified by Seeing a Bright Future, and presented parental workshops by Make the Road, Latin Woman Association and Hispanic Federation. We opened our own in house dental clinic in partnership with NYU Langone to provide on-site service to all students. Additionally, our school serves as a Food Bank of NYC resource site for neighborhood families providing Free Tax preparation and assistance for families looking for programs such as the SNAP (Supplemental Nutrition Assistance Program).

At PS 19, we utilize every possible space available in our facility to provide an inviting and enriching environment for our students. Although we are large in size, we all work as one cooperative team. We are dedicated to individualize instruction in order to suit the specific strengths and needs of each and every child in our school.

Briefly summarize the key initiatives your school will implement this school year.

Continue refining the HMH Into Reading curriculum with an emphasis on making strategic adaptations for English Language Learners and students with disabilities.

Continue to develop and evolve data-centered practices in Math, such as refining/aligning assessments, conducting teacher data analysis, and creating opportunities to tailor instruction to data points.

Develop the capacity of staff to implement high-quality SEL practices that result in the establishment of safe, warm, supportive, and positive classroom environments.

Grow and evolve partnerships that serve families and students, with an emphasis on refining partnership offerings to focus on services that families most benefit from.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math	Grade	Digital and/or Print	Adaptations

Only)	Band	Curricula/Program	
Teaching Strategies - Creative Curriculum	PreK	Digital and print	n/a
HMH into Reading and HMH Arriba la Lectura!	K-5	Digital and print	n/a
enVision Math	K-5	Digital and print	n/a

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Only 24.22% of students across grades K-5 scored proficient on i-Ready Reading at EOY, though proficiency increased by 17.52 percentage points from BOY to EOY. A majority of students remain below grade level.	Tier 1 reading instruction practices are still being strengthened to meet the needs of a diverse student population, including students with unfinished foundational skills. Additional support may be needed to ensure all students consistently access instruction that integrates both grade-level expectations and differentiated scaffolds. Opportunities exist to improve vertical alignment in early literacy skill development across grades.	Strengthen Tier 1 reading instruction by ensuring all students receive daily, grade-level instruction with embedded scaffolds. In particular, engage in intentional vertical alignment work to ensure that key early literacy skills- such as phonics, fluency, and comprehension strategies- are coherently built and reinforced across grade levels.

Only 11.0% of students with disabilities scored proficient on the iReady Reading assessment at the end of the year. Additionally, 56.8% of SWDs were performing two or more grade levels below, signaling the need for more intensive and integrated literacy support.	Many students with disabilities require targeted instruction in foundational reading skills that continues to be strengthened and aligned across service providers. Instructional planning may not yet fully integrate IEP literacy goals with grade-level curriculum demands. Cross-team collaboration between general and special education is still evolving to ensure cohesive, skill-based support across settings.	Strengthen literacy outcomes for students with disabilities by aligning IEP goals, foundational skill instruction, and Tier 1 content. Build structures for deeper collaboration between general and special education staff to ensure students receive consistent, skill-informed, and appropriately scaffolded reading instruction.
At the end of the year, only 15.7% of English Language Learners scored proficient on the i-Ready Reading assessment. Nearly half (46.3%) were performing two or more grade levels below, indicating a need for more robust literacy supports that are responsive to both language development and foundational reading skills.	ELLs benefit from targeted instruction that simultaneously develops language proficiency and early literacy- this dual focus continues to be an area for growth. Scaffolds for accessing grade-level texts may not yet be fully embedded or consistently aligned across classrooms. ELL teachers have begun contributing to grade-level planning teams, and expanding these collaborative structures could further strengthen integration between language development and core literacy instruction.	Strengthen literacy outcomes for ELLs by integrating language development strategies into daily reading instruction. Prioritize planning structures and instructional tools that bridge foundational skill-building with vocabulary, oral language, and grade-level comprehension work.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	24.22%	By June, 2026, literacy for All Students will improve, as measured by a 10% Increase, from 24.22% to 34.22%, of the percent of students scoring proficient on the i-Ready Reading.
Students with Disabilities (SWD)	11%	By June, 2026, literacy for Students with Disabilities (SWD) will improve, as measured by a 5% Increase, from 11% to 16%, of the percent of students scoring proficient on the i-Ready Reading.
English Language Learners (ELL)	15.7%	By June, 2026, literacy for English Language Learners (ELL) will improve, as measured by a 5% Increase, from 15.7% to 20.7%, of the percent of students scoring proficient on the i-Ready Reading.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Strengthen Tier 1 reading instruction through vertically aligned early literacy practices and embedded scaffolds.

Root Cause Addressed:

Tier 1 instruction continues to be strengthened to meet the needs of a diverse student population, particularly in foundational skills and consistent access to grade-level content with supports.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Facilitate cross-grade planning sessions focused on vertical alignment of key literacy skills (phonics, fluency, vocabulary, comprehension)
Implement common literacy routines across grades to support transfer of skills
Provide professional learning on embedding scaffolds into on-grade level reading tasks (e.g., sentence frames, vocabulary previews, guided questions)
Use data from i-Ready and other sources to identify trends and plan responsive Tier 1 instruction

Develop model lessons that demonstrate integration of foundational and grade-level work
Coach teachers on balancing on-grade content with appropriate scaffolds for struggling readers
Launch a bank of shared literacy planning resources aligned to grade-level standards and foundational skill strands
Use student work protocols in grade team meetings to reflect on how scaffolds support comprehension and access
Identify anchor texts across grades that build background knowledge and vocabulary in a coherent sequence
Embed planning time for intentional discussion of decoding, fluency, and comprehension trajectories across grade bands
Create opportunities for peer observation focused on strong Tier 1 literacy practices with scaffolded supports

Key Strategy 2 (Optional):

Expand integrated planning and instructional supports to accelerate literacy outcomes for English Language Learners and students with disabilities

Root Cause Addressed:

Strengthen teacher capacity around instruction design of Tier I lesson to support the needs of English language Learners and student with disabilities.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide protected co-planning time between general education, ENL, and special education teachers to align instructional approaches
Facilitate team-based analysis of student data (i-Ready, IEP progress, NYSESLAT) to design differentiated supports and adjust instruction
Expand professional learning focused on high-leverage literacy strategies for ELLs and SWDs (e.g., structured oral language, decoding routines, scaffolded writing)
Develop shared planning templates that support integration of IEP goals and language objectives into Tier 1 instruction

Identify and scale examples of successful co-teaching and inclusion models already in use across the building
Support ENL and special education staff to contribute to Tier 1 lesson design, not just pull-out services
Build a toolkit of scaffolded sentence frames, visual supports, and guided questions aligned to grade-level texts
Create and share exemplar lesson plans that integrate foundational skill development with grade-level comprehension work
Implement learning walks focused on language-rich and skill-based instruction, with reflection protocols for staff
Strengthen use of asset-based language in team meetings and data conversations about multilingual learners and SWDs
Coordinate small-group instruction schedules to minimize fragmentation and maximize meaningful instructional time
Share cross-disciplinary student success stories to build shared responsibility and optimism around student potential

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

-Track frequency and impact of co-planning sessions across grade levels through coaching schedules and meeting minutes
-Review instructional groupings to ensure ELLs and SWDs are receiving targeted support within Tier 1 monthly
-Monitor i-Ready progress and proficiency growth by subgroup quarterly
-Conduct learning walks focused on use of integrated literacy supports (e.g., visuals, oral scaffolds, fluency routines) quarterly
-Use staff feedback during weekly study groups, observation trends and coaching notes to assess growth in shared instructional practices

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/01/2025	06/01/2026	Host literacy family workshops focused on supporting reading at home, understanding i-Ready reports, and using grade-appropriate texts	Parent Coordinator, APs, PCTs, teachers
10/01/2025	03/01/2025	Launch "Family Literacy Lab" evenings where families engage in hands-on decoding, fluency, and vocabulary activities alongside teachers	Parent Coordinator, APs, PCTs, teachers
11/01/2025	05/01/2026	Facilitate bilingual family events to support ELL families in navigating literacy benchmarks and strategies that support language development at home	Parent Coordinator, APs, PCTs, teachers
10/01/2025	04/01/2026	Share a monthly "Literacy Snapshot" via email and backpack that highlights one foundational skill per month (e.g., phonemic awareness, fluency) with practice tips	APs
12/01/2025	06/01/2026	Conduct family focus groups to gather input from caregivers of SWDs and ELLs about literacy support experiences and co-create improvement ideas	Parent coordinator

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional coaches, ENL teachers, SETSS providers, and classroom teachers leading planning and PD; parent coordinator facilitating family literacy events

Instructional Resources

i-Ready licenses and reports, foundational skills curriculum materials, scaffolding toolkits (sentence frames, vocabulary supports), shared planning templates, translated literacy resources

Schedule Adjustments

Protected weekly planning time for co-teaching teams and vertical alignment work; family workshops and events scheduled for evenings or weekends to increase access

Other Resources Needed

Translation services for multilingual communication, printing costs for family-facing literacy materials, snacks/incentives for family events, small budget for instructional materials aligned to literacy routines

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
SY 24-25 NYC School Survey Data (Teacher) indicating score of 76% on preventing bullying.	The sense of community and strong relationships (student-to-student), need to be further built. Families feel the school needs clearer emphasis on reporting bullying. Conversely families often have a perception of bullying that may be inaccurate.	We need to create systems to foster stronger classroom communities and peer-to-peer relationships, to prevent instances of bullying, and better teach students how to respond to/report bullying in instances where it does happen.
SY 24-25 NYC School Survey Data (Teacher)	Teachers and families lack communication in terms of what expected behaviors are in the classroom setting and other times of the day	Create and uphold clearer classroom expectations and routines, and create stronger communication/follow-up between

indicating score of 61% on positive classroom behavior-	which may be more unstructured; i.e. recess/breakfast program.	teacher and parent in response to breaches of culture.
SY 24-25 NYC School Survey Data (Teacher) indicating score of 84% on Socio-emotional supports-	Lack of structures in place to seamlessly integrate SEL into a Tier 1 approach.	Clearer systems for proactively offering SEL supports within the classroom community. School needs to implement structures that provide time and space for teachers to do explicit and proactive SEL and culture-building work with students.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	61%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 8% Increase, in percent of teachers responding positively from 61% to 69%, per the NYC School Survey (Positive Classroom Behavior questions).
All Students	84%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 6% Increase, in percent of teachers responding positively from 84% to 90%, per the NYC School Survey Range of (Social-Emotional Support Questions).
All Students	76%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 3% Increase, in percent of teachers responding positively from 76% to 79%, per the NYC School Survey (Bullying Behavior questions).

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Beginning in September 2025, PS19 developed a School-wide Leap Coin (Token economy-incentive for positive behaviors) system and Shout Out Incentives as a Tier 1 Behavior management system. Targeted behaviors are posted in class and in general areas. These targeted expectations are the focus of class lessons involving SEL used by teacher/counselors and other school staff. This is monitored at regular intervals-monthly, by teachers entering quantities of coins earned per class in a tracking system. This will be used to snapshot success of schoolwide SEL Practices via a spreadsheet derived from the data entered. Students are given a menu of rewards to choose from when a certain amount area attained.

Root Cause Addressed:

Prevalence of Bullying Behavior and Reports of such as perceived by students and parents.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Share results of NYC School Survey with teachers and other building stakeholders to create broad awareness of data related to target areas.
Train staff in anti-bullying measures including preventing bullying and responding to bullying. Delineate levels of responses (classroom teacher response vs. dean response). Share/review Respect for All materials

Train staff in protocols to develop classroom norms and routines, Give teachers time to post these in their rooms and plan to share with students.
Train staff in new traditions/incentives focused on creating positive community (such as the schoolwide ShoutOut system and Student Council). Continuously share data with staff pertaining to staff participation
Convene a staff committee to examine SEL data and to discuss the impact of new SEL efforts this year. Empower staff to suggest changes or additional structures for the coming year.
Guidance distributes and explains Leap Coin process and the Shout Out system for positive reinforcement incentives.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Yearly:
Share results of 24-25 NYC School Survey with teachers and other building stakeholders (Safety Team, SLT/PA) to create broad awareness of data related to target areas.

Monthly:
Review OORS data from 24-25 School Year to compare monthly trends and A24 vs. A36 infractions for School Year 25-26.
Safety Meetings: 1st Monday of each Month: Evaluate OORS Data vs. Previous Month/Year.

Suspension-Teacher Removal Rate comparison 2024-25 vs. 2025-26.

Monitor Leap Coin Accrual by class schoolwide, to gauge staff participation and student participation.

Weekly:
Monitor Shout Out entries to determine staff participation in recognizing positive behavior and character education features.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/01/2025	06/26/2026	Promote parent volunteerism, Safety Team Town Hall Meeting	Parent Association; UCS
09/01/2025	06/26/2026	Promote attendance at parent workshops on academic and SEL topics	all stakeholders
09/01/2025	06/26/2026	Monthly Guidance Newsletter to Parents outlining Habit of the Month. Description of Leap Coin Incentive.	N/A
09/01/2025	06/26/2026	UCS Meetings with key stakeholders. Western Queens.	Western Queens

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Parent Association, Parent Coordinator, UCS, UFT Deans, Guidance Staff, Western Queens Consultation Center Satellite Office.

Instructional Resources

Parent Square, Google Meet, Zoom, NYC School Survey, Leader In Me Resources, Guidance Newsletters. Leap Coin Materials.

Schedule Adjustments

Other Resources Needed

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
iReady Math data (June 2025) shows only 20.37% of students reached proficiency	Math Instruction has increasingly emphasized student sense making by effectively structuring launches, routines and activities within lessons to help students make connections between the ideas of the class and the big ideas of Math.	Strengthen teacher capacity in Tier I Math instruction around the lesson launch, discourse driven structured work time and synthesis.
Strengthen Tier 1 math instruction to accelerate growth and	iReady Math data (June 2025) shows strong growth across grades (avg.	Students are making progress in basic math skills, but core instruction may not be closing conceptual gaps fast enough or

reduce the number of students performing below grade level.	16.27%), but only 20.37% of students reached proficiency.	consistently providing access to grade-level work. Additional scaffolds and acceleration strategies may be needed in Tier 1.
Improve instruction in math reasoning and conceptual understanding to support long-term mastery and success on rigorous tasks.	MAP Math data (June 2025) shows higher proficiency rates (24.59%) than i-Ready, but limited or negative growth. Over 50% of students in most grades score in the low or low-average ranges.	Instruction may be more aligned to procedural fluency than to conceptual thinking or problem-solving. Students may have limited opportunities to engage in cognitively demanding tasks that require reasoning, explanation, or application.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	20.37%	<School Name> will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scoring proficient will Increase by 10% from 20.37% to 30.37%, for All Students, as measured by i-Ready Reading.
Students with Disabilities (SWD)	11%	<School Name> will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scoring proficient will Increase by 5% from 11% to 16%, for Students with Disabilities (SWD), as measured by i-Ready Math.
English Language Learners (ELL)	15.7%	<School Name> will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scorring proficient will Increase by 5 from 15.7% to 20.7, for English Language Learners (ELL), as measured by i-Ready Math.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Teacher capacity will be strengthened around structured opportunities to practice grade level standards, aligned content and strategically guided teacher supports that leverages students' understanding and promote sense-making of mathematical ideas, representations and language.

Root Cause Addressed:

Strengthen Tier I Math instruction to align with NYC Solves Math Shifts and explicit instruction practices as related to Math instruction.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide professional learning on NYC Solves Math Shifts I and II and explicit instruction as related to Math.
Launch a shared set of Low floor- high ceiling task and launch routines
Integrate student annotation strategies that prompt reflection, questioning, and textual evidence collection that informs mathematical process
Embed short written response tasks to promote writing in math.
Implement discussion protocols (e.g., turn-and-talk, 4 corners, error analysis, write and reveal, stand up hand up pair

up) to foster reasoning through dialogue
Design collective practice time where students apply reasoning and problem solving through discourse.
Analyze student work in grade team meetings to identify trends in reasoning and adjust math instruction accordingly
Co-plan lessons that deliberately balance collective practice and individual practice with conceptual understanding and problem solving objectives.
Include prompts for metacognition and reflection to support awareness of one's mathematical thinking while problem solving
Curate shared planning resources that emphasize sense making, inferencing, synthesis, and big math ideas
Facilitate intervisitation opportunities for teachers to observe sense making and low floor high ceiling task embedded instruction in action

Key Strategy 2 (Optional):

Strengthen Tier 1 math instruction by deepening conceptual understanding, increasing access to grade-level content, and supporting student reasoning, discourse, and problem-solving.

Root Cause Addressed:

Instruction has often emphasized procedural fluency over conceptual understanding, particularly in upper grades. Students may have limited exposure to cognitively demanding tasks and discourse-based routines that build reasoning, explanation, and flexible thinking.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Facilitate professional learning on math talk, open-ended questioning, and student-led explanations
Integrate number talks and daily math discourse routines to build reasoning fluency
Expand use of abstract models to support conceptual development
Curate and embed rigorous, grade-level tasks that require justification, comparison, or multi-step problem-solving
Provide co-planning time to align instruction to both i-Ready and MAP cognitive demands

Analyze student work in team meetings to identify misconceptions and conceptual gaps
Use formative assessment tools (e.g., exit tickets, journals) to surface student thinking, not just answers
Launch vertical articulation meetings to strengthen coherence in math instruction across grade levels
Highlight and model strategies that support access to grade-level math for students with unfinished learning
Use i-Ready and MAP data side by side to guide planning and differentiate support
Create a math instructional playbook of Tier 1 strategies that promote reasoning and conceptual understanding
Offer intervisitation or lab site opportunities focused on student-led problem solving and discourse

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Monitor student growth and proficiency on both i-Ready and MAP Math; Conduct instructional walkthroughs focused on math talk, representation use, and depth of questioning; Track implementation of discourse routines through lesson plans and peer observations; Use student work protocols to evaluate depth of mathematical reasoning; Survey teachers on comfort with conceptual instruction and use of new strategies; Review co-planning artifacts for evidence of aligned tasks and targeted scaffolds

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/01/2025	06/01/2026	Host grade-level literacy nights for families to practice comprehension strategies such as questioning, evidence gathering, and discussion routines	APs, PC, PCTS, teachers
10/01/2025	03/01/2026	Launch “Math in the Real World” family workshops where students and families solve open-ended problems and share strategies	APs, PC, PCTS, teachers
11/01/2025	05/01/2026	Share monthly family-facing math tips and reading prompts in backpack mail and email that emphasize reasoning and discourse at home	APs, PC, PCTS, teachers
01/01/2026	06/01/2026	Conduct small focus groups with families of struggling readers and math learners to gather insight and co-create supports	APs, PC, PCTS, teachers
12/01/2025	04/01/2026	Translate and distribute aligned resources (question stems, vocabulary cards, number talks) to support ELL families with literacy and math routines	Math planning teams and PC

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional coaches, classroom teachers, ENL and special education teachers, math and literacy leads, parent coordinator

Instructional Resources

iReady licenses, MAP access, comprehension and discourse-focused curriculum supplements, math reasoning task banks, anchor text sets

Schedule Adjustments

Protected co-planning time for Tier 1 alignment and discourse strategy integration; structured time for student discussion, journaling, and reasoning tasks

Other Resources Needed

Printing and translation services for take-home math and literacy materials; snacks and incentives for family engagement events; supplemental resources for vertical team work

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
SY 24-25 College and Career Assessment shows a 40% general proficiency rate for students in K & 1 at PS19.	Lack of exposure, parents lack awareness of the different career paths available.	To develop general awareness about careers for students in Grades K & 1
SY 24-25 College and Career	Lack of exposure, parents	To develop general interest and awareness

Assessment show a 26% general proficiency rate for students in 2-5 at PS19.	lack awareness of the different career paths available.	about careers for students in Grades 2-5
This is a new initiative and there is currently no baseline data. Baseline data will be provided in the SY 25-26 iteration of the CEP.	Lack of exposure, parents lack awareness of the importance of school attendance, academic and career success.	To help students in Grades 2-5 understand how behaviors such as punctuality, courtesy, respect, and proper language are essential to current and future success.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	40%	<School Name> will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the Percent of student in Grades K and 1 who can identify 3 careers within the school and 3 careers within the community for All Students will Increase by 10% from 40% to 50% as measured by School-designed survey.
All Students	26%	<School Name> will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the Percent of students in Grades 2-5 who can identify 6 careers for All Students will Increase by 5% from 26% to 31% as measured by School-designed survey .
All Students	0%	<School Name> will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the Percent of Students in Grades 2-5 who can identify behaviors that are essential to academic and career success for All Students will Increase by 30% from 0% to 30% as measured by School- designed survey.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

School- designed survey

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement a year-long, school-wide plan to build college and career readiness through monthly classroom character lessons and guest speakers that focus on punctuality, respect, and responsibility for grades K-5. Increase coordination among staff and partner organizations to bring in guest speakers, career panels, and field trip opportunities related to future college and career options.

Use quarterly student surveys to measure awareness and interest in career pathways.

Increase family engagement through newsletters and workshops focused on school attendance, academic habits, and middle school and career planning.

Root Cause Addressed:

Lack of exposure, parents lack awareness of the different career paths available.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
June 2025, Counselors will meet with Civics teachers, grade leads to ensure that Curriculum aligns with our goal of educating students in career and college awareness appropriate to their grade level.
September 2025 - January 2026, Team will meet to go over the College and Career lessons and adjust as needed
October 2025 - January 2026, K-5 students will be doing lessons/activities to increase awareness of high schools,

careers and college awareness appropriate to their grade level.
October 2026, 5th grade High School Visits
January 2026, College Awareness Day
January 2026, Career Days
Continue refining the pre and post surveys to ensure validity of the data.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

September - October 2025, Pre-test students' prior knowledge of career awareness K-5.
January- March 2026, Post test to assess increased knowledge about career awareness

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/01/2025	06/01/2026	Counseling Newsletter to families informing them about career awareness lessons.	
10/01/2025	06/01/2026	School Counselors to join PA Meeting to discuss the importance of attendance as it relates to success in school, in future career choices, and overall life.	School Counselors, Parent Coordinator
10/01/2025	05/31/2026	Counseling Newsletter to families sharing upcoming Career and College Awareness Day. Tips for parents to increase conversations with their child about careers.	School Counselors
10/01/2025	06/01/2026	Counseling Newsletter to families share results with families about improved knowledge about career awareness.	

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Resources

Schedule Adjustments

Other Resources Needed

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Parents surveyed at UCS forum voiced desire to have more in-person hands-on workshops on math and literacy	Insufficient number of workshops focused on core academics and strategies	Strengthen supports for parents looking to help their children

	families can use at home to help students.	academically (increased hands-on workshops focused on academics)
Last school year, we had 278 new parents join PS19 since September 2024	Our building has nearly 300 staff members. With 5 AP's, 5 school counselors, a number of therapists and special education team, it is difficult for parents to get to know who their support team consists of for the school year.	Creating a system for parents and caregivers to be able to identify which staff member to contact depending on the need
Out of 1509 students, 1463 have at least one parent who is registered on Parent Square. This number has dropped from 1662 since last school year. Many parents have expressed being unable to access their accounts after having forgotten their passwords or changing their phone numbers and therefore do not have access to school information or ability to communicate with school staff	Increase of 66% in admitted students this school year compared to last school year. New families need more education on how to send private messages on the app to specific staff members	Strengthen communication pathways between families and the school (increased used of Parent Square app

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	20	<School Name> will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the The percentage of parents attending in-person workshops will increase. Parents will have more knowledge on monthly lessons and support for students at home will Increase by 10% from 20 to 30 as measured by Attendance sheets.
Parents of All Students	97	<School Name> will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the Percentage of parents that are connected to existing communication structures will increase will Increase by 3 from 97 to 100 as measured by ParentSquare Dashboard.
Parents of All Students	20	<School Name> will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By May, 2026, the Parents will have the tools to study with their students to prepare them for state exams will Increase by 10% from 20 to 30 as measured by Attendance at workshops.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Provide more targeted support and prep for experiences like the NYS exams

Better connect parents to existing communication structures within the school

Increase number of points of contact in between parents and students

Root Cause Addressed:

insufficient # of parent workshops; parents not connected to existing communication structures; parents unsure about how to support students in prep for assessments

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Work with coaches to provide more in-person, hands-on workshops to parents
Periodic reminders to encourage teachers to reach out to families; work with admin to create checkpoints for certain

parts of the year
Efforts made to connect new and existing parents to Parent Square, website, and social media.
Parent welcome sessions and communication sent home

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The Parent Coordinator will work with the PA to monitor the engagement rate of parents and key metrics associated with their initiatives monthly. The team will also examine the results of the annual school survey to determine parent satisfaction rates and feedback.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/26/2026	Host new parent orientations	PC, PA, UCS
10/24/2025	10/31/2025	Survey parents on how to use Title 1 funds and types of academic workshops we should offer	Principal and PA President
10/03/2025	05/29/2026	Offer bi-monthly workshops on math and ELA	PC, Math and Literacy Coaches
09/08/2025	06/26/2026	Offer weekly open office hours to parents	PC

Priority 5 Budget and Resources

Budget and Resources

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
18% (273 students out of 1,488) students are currently identified as chronically absent, based on current (2024-25) school year attendance on Insights Attendance Tracker. Our Overall attendance rate is 94%	Families and students travel outside of the country for extended periods of time. In some cases, illness as well as students actually moving to other states without notifying the school or counselor.	Decrease chronic absenteeism and At-Risk of becoming Chronically Absent for our economically disadvantaged students.
We tracked all of our grades for Chronic Absence and at -	Students in STH have a trend that	Decrease

risk of becoming Chronically Absent. We are using the attendance platform Insights, ATS-RCUA for three consecutive days out, looking at the week at a glance using RSCA and ROCR for specific trends after three day weekends across the week/month. Using Insight as of June 2025, As a Sub-Group of 370 students, STH students have an Average Attendance rate of 94%. Of these students, a total of 61 are Chronically Absent. (18%. Of 370 Students)	they rely on an adult bringing them to school, rely on bussing, live with multiple people in a room and it is difficult for them to stay on schedule. Some parents keep their children home if one is sick, or they can't find a way to get up on time or are late for the bus and stay home.	Chronically Absent for our students in temporary housing.
We tracked all of our grades for Chronic Absence and at - risk of becoming Chronically Absent. We are using the attendance platform Insights, ATS-RCUA for three consecutive days out, looking at the week at a glance using RSCA and ROCR for specific trends after three day weekends across the week/month. Using Insight as of June 2025, As a Sub-Group of 414 students, IEP students have an Average Attendance rate of 93%. Of these students, a total of 84 are Chronically Absent. (21%. Of 414 Students)	Students in special classes are often absent on Mondays, which also impacts services being received. They are also more likely to miss school the day before or after vacations. In addition students using busing are often impacted by service in transportation being misaligned.	Decrease Chronically Absent for our students with IEPs..

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	18%	By June, 2026, the Decrease the number of students out for three consecutive days. for All Students will decrease by 0.25, from 18% to 17.75%, as measured by the Insight Platform measure of chronic absence. ATS-RCUA for three consecutive days out. .
Students in Temporary Housing (STH)	18%	By June, 2026, the Decrease number of STH students absent for three consecutive days. for Students in Temporary Housing (STH) will decrease by .20%, from 18% to 17.80%, as measured by the Insight Platform measure of chronic absence. . ATS-RCUA for three consecutive days out..
Students with Disabilities (SWD)	21%	By June, 2026, the Decrease the number of IEP students with three consecutive days out. for Students with Disabilities (SWD) will decrease by .25%, from 21% to 20.75%, as measured by the Insight Platform measure of chronic absence. . ATS-RCUA for three consecutive days out..

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Target Chronically Absent Students with after school and morning programs that are SEL, Science Based, and Recreational in Nature.
Teachers are provided with weekly updated data on absent students to conduct outreach in Tier 1, Guidance and UCS the follow up in order to assist parents with logistical challenges and environmental barriers impeding attendance. These students are identified at bi-weekly attendance team meetings.
The instructors of the Programs stated serve as success mentors in which they see these students everyday. The programs also track their attendance.

Root Cause Addressed:

Parental challenges in establishing routines and being able to prioritize school attendance in hierarchy of needs. Student Motivation to attend school. Mondays are generally the lowest attended day of school of the week.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
9/2025- EOY Doors open early for breakfast so parents who need to leave for work can have a safe place for their children.

9/2025 Counselors will meet with parents of prior year chronically absent students across all grades, and STH, to discuss previous years attendance patterns and begin to set up interventions from the beginning of the year.

9/2025. Commence Bi-weekly attendance meetings with the Attendance Team. Monitor the Chronic and At-Risk for becoming chronically absent data, set additional interventions, programs incentives, parent outreach for these students. Counselors will consistently I-Log meetings or contact made with parents regarding absence, chronic cases, and at-risk of becoming chronic.

9/2025:Guidance Counselors along with our Parent Coordinator will be sending out the Monthly Newsletter via flier, Parent Square, email. The newsletter informs parents of trends in attendance, parenting tips on giving children routines and structures at bed time to make it to school.

10/15/25: Initiate our UCS Programs. Director is also a part of the Attendance Team. A.M. Soccer, Dance Programs for STH. Students come in at 7:00 A.M. After school UCS Arts Programs are targeted by grade. Chorus, Ballet, Ukulele, Cooking, Soccer, PowerPlay, Art. Chronically absent, STH, and at-risk students are given an opportunity to attend these programs. Attendance is taken and monitored. Our goal is to find an area of interest for the child and make sure they come to school for these incentive-based clubs as well as connect with the instructor/success mentor.

12/2025/First marking period, distribute to parents a notification of at risk and chronic absenteeism.

12/2025: Related Service providers reach out to families to target absent students and emphasize that sessions missed are detrimental.

Guidance counselors monitor during the next few “Holiday” Months Attendance. This is a crucial point when families leave to go to their countries. Those students that still leave the country, we will ask for documentation, return tickets, and send the student/s with work. Counselors will be doing workshops in person, outreach by phone, email, Parent Square to get the message out.

Continually: Teacher does first outreach to parent after 2 consecutive days absent. Attendance Worker to call family after 3 consecutive days absent. Counselor to reach out if absences continue. If family becomes difficult to reach we inform(via email) the grade assistant principal and the district attendance officer, Mr. Aschendorf.

12/2025 MTSS-RTI Sessions will be set in place for those students that are chronically absent. Due to their absences they fall behind in instruction and need support in ELA and Math. Attendance is monitored and outreach done by counselors, classroom teachers, and administration. These sessions are in six to eight week cycles.

February 2026/Second marking period, distribute to parents a notification of at risk and chronic absenteeism.

Three times per year, with each marking period, counselors reward students with a certificate for great attendance. In May-June 2026, reward activity for all Perfect/Almost perfect attendance is scheduled.

Three times per year, with each marking period, reward class in each grade that has the best attendance with a certificate

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Weekly print out of DOE Insight Portal - of 3 or more consecutive absences for the week. This is Emailed to teachers and counselors for intervention and documentation in I-Log during weekly parent engagement time.

Bi weekly attendance meetings to review monthly data obtained from Insight regarding each grade's attendance. Insight information is shared and evaluated at this point.

Extended day and AM teachers take attendance and call parents involved in the program to check in if a student was absent. Students then attend our breakfast program.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/26/2026	Counselors will begin the outreach with Parent Workshops targeting overall attendance, and getting messages out to parents to schedule appointments after school if possible.	Parent Coordinator, United Community School Team, School Counselors
09/08/2025	06/26/2026	Homework Help, Dance, Arts. Students attend these after-school programs to help parents that are working.	UCS, Beacon
09/08/2025	06/26/2026	Parent Coordinator to reinforce attendance initiative at BOY parent meetings.	Parent coordinator

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
ASE 2024-25 Review of Goal Reporting.(See Below) IEP Review Data 2024-25 Reports via school level (See Below) reviews three times a	Coordination of progress monitoring with all stakeholders as well as scheduling Annual Review Meetings. IEP Development	IEP Development and Fidelity of Implementation

year. Annual Review Completion 2024-25. (See below)	needs to be a topic of professional development.	
Not Applicable to the grades served in 24Q019. No students are above age 12.	Not Applicable to the grades served in 24Q019	Transition Planning and Compliance
MTSS and RTI system report students as in need of initial referral for 2024-25	Students still present with significant delays and referrals come from a variety of sources, including parents and medical providers.	Referral Process and Equity
No Principal suspension recorded for IEP students. As per OORS 224-25 data	Supports are in place to avoid suspension and other removal.	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	94%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve Based on data from D24 ASE, the school increased the level of goal reporting from 81 to 94 percent for the 24-25 School Year. We initially wanted to increase to 85 percent for the 24-25 School Year, but have exceeded the target. We would like to increase reporting of goals to 96 percent for the 25-26 school year. by a 2% Increase, from 94% to 96%, as measured by ASE report.
Students with Disabilities (SWD)	67%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve Annual goal alignment with PLOP by a 5% Increase, from 67% to 73%, as measured by ASE report.
Students with Disabilities (SWD)	99.1%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve Meet/exceed annual compliance goal by a .5% Increase, from 99.1% to 99.6%, as measured by ASE report on Goal Reporting, Annual Review Report in SESIS.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Align Students Annual Goals with lagging skills and strengths as indicated in PLOP.
Complete PD on use of Quality PLOP development and IEP writing to better align goals with needs as dictated.
Use of SESIS Platform to monitor and gauge progress monitoring of established Goals reflecting said needs.

Root Cause Addressed:

Goals that are not specific and more standards based vs. high leverage, individual needs based.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Professional Learning on skills based goals aligned to CCLS and Specially Designed Instruction.
Provide support and feedback by using IEP goals as a lens during observations and check-ins- add specific teacher-reflection questions as to degree of implementation; goal set based on findings
Conduct (non-district) IEP reviews with teachers to examine high-quality examples of strong lit technique integration. Give specific teachers feedback about their own IEP work/create moments of formal reflection and goal-setting.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

9/9/2025-6/26/2026: Quality assurance is maintained by proofreading and ensuring key components are included (as determined by SIT Review of IEP criteria.)

IEP Reviews: F25, Sp26, Su26. Selected students by IEP criteria/designation established by Central.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/01/2025	06/26/2026	Invite families of SwD to workshops about understanding your child's IEP.	SBST team; guidance counselors
09/01/2025	06/26/2026	Invite families of SwD to workshops about understanding the students IEP Goals and how they are reported with Report Cards.	Parent Coordinator.

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

IEP Teacher, AP, SWD Staff, SBST team, Guidance counselors, United Community Schools, service providers

Instructional Resources

PD on Sound Sensible and SPIRE Reading Systems

Schedule Adjustments

Other Resources Needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2 ELA	Students performing below the median scale score between a Level 2/partially proficient and a Level 3/proficient on a Grade shall be considered for AIS. Universal Screeners: MCLASS, I-Ready	I-Ready HMH MCLASS	Small Group	Additional Literacy Period 3-20 min tutorials	YES
Tier 2 ELA	Formative Assessments: Concepts of print, decoding, fluency	MCLASS Sound Sensible Reading SPIRE	Small Group	Additional Literacy Period 3-20 minute tutorials	NO
Tier 2 Math	Students performing below the median scale score between a Level 2/partially proficient and a Level 3/proficient on a Grade shall be considered for AIS. Universal Screeners I-Ready, MAP	Math Intervention. I -ready Toolbox for Intervention.	Small Group	Additional Math Period 3-20 minute tutorials	YES
Tier 2 Math & ELA	Universal Screeners, Summative Assessments	I-Ready (Math & ELA)	Small Group	Title III Afterschool Programs	YES
Tier 2 Math & ELA	Teacher Recommendations	Teacher Tutoring PID & UCS Programs	Small Group	Before/After School	NO

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Teacher Referral	Powerplay-Leadership/Assertiveness training through sports.	Group Service	During School	No
Tier 3	Teacher Referral	Counseling	Individual Service	During School	No
Tier 3	Teacher Referral/	Restorative Circles: At-Risk Group Counseling.	Group Service	During School	No
Tier 3	Teacher Referral/	Counseling- internal PS19/ On Site-Western Queens.	Individual Service	During school and/or after school	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Once students are selected to receive additional intervention services, a data review of school screeners is conducted and parent outreach begins. MTSS service providers issue letters for parents that indicate the duration of the intervention cycle, amount of time, name of provider and subject area. For students who qualify for more than one cycle, an additional letter is provided for each cycle.

In order to ensure that all stakeholders are involved and can monitor progress, classroom teachers are also engaged in informal conversations around interventions, progress and next steps that may be supported in classroom small group work.

Internal lists are also created that include names of students and the intervention provided so that other programs, such as Title III, United Community schools etc., can also support alternate programs.

Parent Square is used as the main communication platform. Besides serving as a school communication tool for all events and initiatives, it is also used for individual and private communications. It is also auto-translated into the home language as indicated in the HLS form in ATS.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Our intervention programs (I-Ready) include parental resources that track and monitor diagnostic results and skills mastery. More specifically, within the report tab, the "for families" literacy report provides student overall reading and skills progress in addition to areas to work on. When requested, an in-house progress monitoring form can also be reviewed with them. Classroom teachers are also encouraged to share progress with parents as it pertains to grade-level benchmarks and standards.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

During our MTSS cycle meetings, individual student progress is reviewed in order to determine the need for more intensive intervention. Decisions about Tier 3 interventions are based on ongoing assessment, data collection and health & wellness to monitor student progress and adjust support as needed. Recommendations may include an additional cycle of RTI intervention, a new cycle in different subject, schedule adjustments, or other supports that extend beyond the classroom, including parent meetings and collaboration with mental health providers. For each step, corresponding school staff assist and meet with parents for collaborative decision making. Parents are always encouraged to set up meeting with staff and dialogue about student progress.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

Number of students in temporary housing who are:

Doubled up: 351
Living in a shelter or transitional shelter: 17
Living in a hotel/motel: 0
Other: Living in a car, bus, or train, park, public place, abandoned building: 1

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

We have noticed that students in temporary housing have a lower rate of attendance as compared to the general population, and that financial-related stressors are the primary reason for non-attendance.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

The UCS Director collaborates with the STH liaison to distribute two needs assessment surveys each year—one in the fall and one in the spring. Based on the results, we are able to provide targeted support services, including afterschool homework help for 60 students, a biweekly client-choice food pantry, and access to a clothing closet generously stocked through donations from The Gap. The UCS Director also attends school meetings to identify families in need and ensure appropriate support is provided.

STH students receive both push-in and pull-out academic support, either individually or in small groups, based on student needs and staff recommendations. Tutoring services are provided four days a week by a dedicated tutor who works with an average of 45 students, following teacher referrals. Additional resources offered include school uniforms, supplies, sneakers, winter coats, lice treatment kits, and hygiene products.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

According to ATS report RHST, at this time we do not have any students awaiting or in foster care enrolled in our school.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

-

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

-

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

-

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

Using multiple data sources, intervention screeners and teacher referrals we are able to identify students who are in need of Extended Learning Time. Further review of our data revealed that for general education students from third to fifth grade, 21% of students reached proficiency levels (level 3+4) in 2024 ELA and 24% in mathematics.

Currently our school facilitated a Saturday academy which provided Math and ELA instruction for a total of 8- 4 hour sessions in small groups.

In addition our spring EDAT report summarized at-risk indicators and ELL students (73% of school) who may need ELT. Overall,
31.9% of ELLs (331) and 20.8% Former ELLs (21 students) have at least 1 at-risk indicators
36.4% of ELLs (377) and 12.9% Former ELLs (13 students) have at least 2 at-risk indicators
15.4% of ELLs (160) and 5.0% Former ELLs (5 students) have at least 3 at-risk indicators
5.2% of ELLs (54) and 3.0% Former ELLs (3 students) have at least 4 at-risk indicators
3.6% of ELLs (37) have at least 5 at-risk indicators
5.5% of ELLs (57) have at least 6 at-risk indicators
1.6% of ELLs (17) have at least 7 at-risk indicators

In order to provide supplemental and enrichment services to these identified students, PS19Q will use Fair Share Student Funding and Title III funding to provide before and afterschool programs to support Math and ELA instruction. Although MTSS is available in all grades, targeted grades will be 3rd through 5th focusing on ELA and Math. In addition, students may be served by the Title 3 At-Risk program, which is designed to provide small-group supplemental ELA instruction in order to bolster student academic skills and diminish indicators and/or prevent long-term ELL status.

PS19Q will also work with United Community Schools to secure funding for enrichment opportunities focusing on the Arts, Physical fitness and sports, and tech-focused learning.

Finally, our Spanish Recovery Program will serve students in our Dual Language Program who experienced gaps in Spanish-language instruction, or who for other reasons are falling two or more grade levels below on Spanish-language assessments. This program, funded through Title III funds, entails extra Math and ELA instruction besides the Title 3 At-Risk Program described above, with the goal of improving academic vocabulary, expression in spoken and written language, and improving performance levels on the Math state exam. School-generated data shows that our students struggle with these skills (as revealed by EDAT), and we aim to make the most progress through small student groupings (no more than 15 students), and by ensuring that students are grouped by proficiency level.

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

Program funding will take into account the collective bargaining teacher pay rates and postings will clearly identify the teacher eligibility requirements and specific duties.

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

Core subject areas of ELA and Math will be the academic program focus for afterschool programs. Program materials will be reviewed by grade supervisors to ensure that the content aligns with the content offered during the regular school day. Grade specific instructional programs also include a small group instructional assignment to ensure students are receiving targeted instruction for both enrichment and academic progress.

Provide a description of the materials purchased to support implementation of ELT.

Materials for core instruction, after/before school and enrichment materials were selected according to focus of specific intervention. More specifically, for Tier 1 instruction, additional components of HMH and phonics programs were purchased. For Title III programs, additional math workbooks for problem solving, I-Ready tools, and Vocabulary workbooks were purchased. For our Saturday PID program careful selection of Math workbooks (leveled accordingly) and ELA materials were purchased.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. P.S. 19Q, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school

community.

Support for Parents and Family Members of Title I Students

P.S. 19Q will support parents and family members of Title I students by:

1. providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;

2. providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;

3. fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;

4. providing assistance to parents in understanding City, State and Federal standards and assessments; sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;

5. providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. The school will maintain this information.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

1. actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;

2. engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;

3. ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;

4. support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;

5. maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;

6. conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

7. provide opportunities for parents to help them understand the accountability system, e.g., E
SSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;

8. host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;

9. schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;

10. translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:

1. hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
2. encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
3. supporting or hosting Family Day events;
4. establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
5. encouraging more parents to become trained school volunteers;

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P.S. 19Q, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

1. using academic learning time efficiently;
2. respecting cultural, racial and ethnic differences;
3. implementing a curriculum aligned to the State Learning Standards;
4. offering high quality instruction in all content areas;
5. providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

1. conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
2. convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
3. respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
4. providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
5. involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
6. providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
7. ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;
8. Working to make better use of our social media sites and websites to keep parents informed, and to provide useful resources.
9. Empowering parents to help students with academic work by training them in several key strategies to help with

ELA and Math work (at open houses and throughout the year).

10. Empowering parents to help students with academic work by training them in several key strategies to help with ELA and Math work (at open houses and throughout the year).

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:

1. ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
2. notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
3. arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
4. planning activities for parents during the school year, e.g., Parent-Teacher Conferences;
5. Implementing use of digital communication tools with translation capabilities; more actively monitoring staff use of these tool via parent engagement logs.

3. arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;

4. planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

5. Implementing use of digital communication tools with translation capabilities; more actively monitoring staff use of these tool via parent engagement logs.

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:

1. creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
2. assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
3. sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
4. supporting parental involvement activities as requested by parents and family members;
5. ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
6. advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;
7. Providing an increased number of programs and easier access to programs that ensure basic household needs are met, through new partnerships like Brighter Bites, The Campaign Against Hunger food truck, and the provision of at-risk student counseling and family counseling through our partnership with Western Queens.

II. Parent/Guardian Responsibilities

1. Monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
2. Ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
3. Check and assist my child in completing homework tasks, when necessary;
4. Read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
5. Set limits to the amount of time my child watches television or plays video games;
6. Promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
7. Encourage my child to follow school rules and regulations and discuss this Compact with my child;
8. Volunteer in my child's school or assist from my home as time permits;
9. Participate, as appropriate, in the decisions relating to my child's education;
10. Communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
11. Respond to surveys, feedback forms and notices when requested;
12. Become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
13. Participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
14. Take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
15. Share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

1. Attend school regularly and arrive on time;
2. Complete my homework and submit all assignments on time;
3. Follow the school rules and be responsible for my actions;
4. Show respect for myself, other people and property;
5. Try to resolve disagreements or conflicts peacefully;
6. Always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Areas of concentration for professional learning are:

1. Examining and responding to data(state assessments, diagnostic assessments, and classroom assessments)
2. Integrated literacy techniques
3. Tighter and more frequent cycles of assessment
4. Linking data, Goals setting, planning and instructionPart 2: All Title I Schools
High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.
5. Expanding oral literacy through student led discussion
6. Increasing use Culturally Responsive materials, topics and practices
7. Increased number of tools for social emotional development and support

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

A parent orientation is held about transitioning to Kindergarten where parents are given information about curriculum, workshops and staff. This year, we collaborated with the Division of Early Childhood (DECE) to make this fluid and uniform with their mission and vision. Families are provided with packets to introduce to students to early kindergarten concepts. Teachers reach out to families to relay information and inform them of any updates and changes. Each Pre-K class is assigned a guidance counselor that supports social emotional learning and provides social emotional interventions. The guidance counselor works cohesively with the classroom teacher, as well as outside members of the DECE such as the Pre-K Intervention specialist to support in meeting student goals and next steps. SBST assists and guides parents through the CPSE process for identified students. Teachers work with intervention specialists as well and meet on a monthly/bi-weekly basis as needed. Guidance counselors, SBST, DECE team, and Pre-K teachers collaborate to build evidence for support of evaluations or services. Pre-K and Kindergarten staff meet during reorganization to discuss student history and best placement based on academic and social emotional levels. In house and DECE parent workshops are offered throughout the year themed around supports, transitions and "getting ready for" topics. Finally the same supervisor supervises the Pre-K and Kindergarten teams to provide alignment and consistency for students, parents and teachers.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	TBD		
Title I, School Improvement 1003(a)	Federal	TBD		
Title II, Part A	Federal	TBD		
Title III, Part A	Federal	TBD		
Title III, Immigrant	Federal	TBD		
Title IV, Part A	Federal	TBD		
Tax Levy (Fair Student	Local	TBD		

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
United Community Schools	Students, staff, families and community members	Programs and resources in the 6 UCS Pillars: Health & Wellness; Academic Support; Out of School Time; Parent & Family Engagement; Educator Support; and Community Engagement	All priorities
HANAC Corona Beacon	Community, Adults, Elementary students, Middle School Students & High school students	HANAC provides services in community building, leadership, civic engagement, education, Employment, Financial Security, Health (Healthy living, physical fitness), Recreation, and enrichment	All priorities

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

Parents/guardians will be active members of our school and its decision-making process via the United Community Schools Advisory Board. Parent Coordinator Carol Zhumi serves on the Advisory Board, ensuring that UCS is always informed of parent assets and needs.

The UCS Community School Director and Community School Associate facilitate monthly Advisory Board meetings, consisting of school administration, staff, parents and community partners. Advisory Board members make recommendations about programming and funding, resulting in shared leadership and ownership of the work. The HANAC/Beacon Director also sits on the Advisory Board, in order to make sure that all after school programming is aligned with PS 19 and UCS.

The CSD will continue to have weekly meetings with Principal Jimenez to make sure that UCS is supporting the school in every way possible, and will collaborate with Assistant Principals to make sure that we are also targeting all areas. UCS's Community School Director and Community School Associate work alongside administration to seek partnerships and resources that meet the community's needs, including support and services for students, families and school staff.

UCS staff regularly participate in MTSS, Attendance, Guidance Department and SLT meetings, further integrating themselves into the staff of PS 19 and providing many opportunities to identify and address various needs. This year we have successfully had monthly family engagement nights in coordination with the parent coordinator and have had multiple workshops targeting our families. Next school year UCS is looking to expand on these workshops as well and invite more community partners to come table at the weekly pantries

At HANAC Corona Beacon, we see ourselves as an extension of the school. We're not just here after 2:20 pm, we're involved in the day-to-day planning and problem-solving that helps the school thrive. Our team works closely with school leadership and the Community School Director to plan programs that align with the school's goals. We sit in on leadership meetings, share feedback, and help brainstorm real solutions for the challenges our participants and families are facing.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

Parents/guardians will be active members of our school and its decision-making process via the United Community Schools Advisory Board. Parent Coordinator Carol Zhumi serves on the Advisory Board, ensuring that UCS is always informed of parent assets and needs.

Parent feedback and information will be accessed via multiple schoolwide surveys and focus groups throughout the year. Parents will continue to be welcomed into the school as volunteers for activities ranging from food pantry

packing and distribution to help for classroom teachers to staff appreciation events. UCS program information, pictures and projects will be shared with families through Parent Square, and families will be invited to attend activities and events showcasing student work in UCS programs.

Feedback gathered at the May 16th Community School Forum by parents will be incorporated into next year's plans, including increasing the health services available to parents such as mammograms, dental and vision services which we have already started incorporating as part of our weekly pantry. We will also be incorporating more school wide events focused on family engagement

UCS staff attend all Parent Association meetings, as well as workshops/events when possible. These events are used as an opportunity to recruit parent volunteers as well as generally build relationships with the parent community. UCS will continue to arrange for community partners to speak during PA meetings. Topics that will be discussed by community partners include: Mental health; housing rights; change in the SNAP public charge policy; and immigration resources.

Beacon: We make it a priority to build strong, trusting relationships with families. Whether it's through workshops, one-on-one conversations, or big community events, we make sure families feel seen, heard, and supported. A lot of our families speak languages other than English, so we always do our best to bridge that gap, whether it's through translation, culturally relevant events, or just making sure they know they belong here.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

Since May 2022, Mental Health Providers of Western Queens has run an Article 31 mental health clinic at PS 19, which allows licensed mental health practitioners to see 97 students weekly for individual counseling sessions. Western Queens also ran 4 cycles of SSET (Support for Students Exposed to Trauma) program, Which consisted of small group sessions and has committed to expand for next year. Group topics have included kindergarten transition; anxiety; and ADD/ADHD. Medicaid is required in order to participate in both individual and group services.

Under HANAC's evening permit, PS 19 hosts weekly support groups for survivors of Intimate Partner Violence. Dinner and childcare are provided, these groups will be expanded to topics such as "Healthy Relationships" this upcoming year.

Since January 2022, PS 19 has had an onsite dental clinic through NYU Langone Family Health Centers. The clinic currently serves 375 students of all ages, and we aim to increase enrollment by at least 25% next year. NYU Langone staff, alongside UCS and parent volunteers, will assist with enrolling more students in this service. Outreach will take place during Parent Association meetings; Open Houses; school registration; pantries; and other school events.

Through the DOE Office of Community School's partnership with optical academy, all students are provided free eye exams, as well as Warby Parker glasses when needed. No insurance information is collected.

PS 19 will continue to participate in the Brighter Bites program, which distributes fresh fruits and vegetables to 650 families every other week. All teachers facilitate 8 nutrition lessons each year, with curriculum provided through the evidence-based CATCH (Coordinated Approach to Child Health) program. In school year 2024-2025 10,400 bags were distributed between Sept- June

Through the UCS Food Pantry, families in need are provided food on a weekly basis, including fresh produce can and dry goods and eggs/ meat. If a staff member reports a case of student food insecurity to UCS, the parent is immediately contacted to arrange a food pick up and support plan moving forward. Due to our large population, food assistance looks different depending on the situation; families who have been identified as being in economic crisis, as well as families in temporary housing, have priority for a client choice pantry, allowing them to receive food as often as needed. These families also have access to a wide variety of household and personal hygiene supplies. Funding for these services include grant money from: Food Bank NYC Campus Pantry program; United Way HPNAP (Hunger Prevention & Nutrition Assistance Program); Mother cabrini grant :and NYC City Council funds through United Community Schools. In addition to the pantry this school year we always include community partners who table at each pantry offering families a wide variety for services that they might need. These include MSKCC mobile health van, ASPCA, Make the Road, ECP and Common point Queens.

UCS houses a Community Clothing Closet, providing new coats, clothing and shoes to students and families in need.

Our Community School Director attends bi-monthly Guidance Department meetings and is in daily communication

with school counselors, social workers, psychologists, school aides and other staff to address economic, emotional and social needs as they arise.

We are making the following additions to our Health & Wellness services for next year, per student feedback at our May 2025 Community School Forum:
Additional groups to address mental health, including groups for 5th graders to process the transition to middle school
Lice treatment and education (including lessening stigma around lice)
Family cook nights and healthy eating workshops
Community service for students who are interested in serving their communities.

Beacon: We know kids can't learn if they're not okay emotionally. That's why we build in time for team-building, social-emotional activities, and check-ins. We partner with the school and outside organizations to make sure participants and families get the support they need, whether that's mental health resources, food assistance, or just someone to talk to.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

The Community School Director regularly attends Attendance Committee meetings and reviews school wide attendance data to identify patterns and address specific student needs. The CSD and Community School Associate regularly assist school staff in contacting hard-to-reach families. By offering a wide variety of support using a strengths-based, non-judgmental approach, UCS staff serve as a bridge between the school and families, resulting in reduced barriers to attendance.

In December 2023, UCS coordinated a daily morning soccer program serving students at risk of being chronically absent. This program will continue next year; additional services will include staffing the cafeteria starting at 7 am (as opposed to the current time of 7:30 am) and expanding morning programming to include arts options as opposed to just sports.

UCS staff will address barriers to attendance on a case-by-case basis through resources such as: Clothing and coats; before and after school care; school and household supplies; housing, mental health, physical health and domestic violence referrals; and other identified needs. These barriers will continue to be brought to UCS's attention through their seat on the Attendance Committee and School Counselor meetings; Parent Coordinator and Parent Association check-ins; referrals from teachers and school-based support staff; and contact with individual parents.

UCS will also continue to serve as the bridge to connect families who need assistance to the correct agencies. We have been able to expand our connections via our partners who come to our pantries and provide a direct point of contact to specific agencies. This referral system has allowed our parents avoid potential roadblocks by elimination ambiguity when asking for help for specific services.

At HANAC Corona Beacon, we meet weekly with our school partners to review attendance data from DOE systems and New Visions. Together, we identify participants who are chronically absent and respond quickly by assigning Success Mentors and offering personalized support.
We work closely with families to understand what's getting in the way, whether it's transportation, health, or housing, and connect them with resources that can help. Our goal is to remove barriers, build trust, and make sure every

participant feels supported enough to show up and thrive.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for all students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

UCS services and events will be advertised in our top 3 languages (Spanish, Bangla & Chinese). When engaging with parents, UCS staff will be aware of potential barriers to communication such as speaking indigenous or under-represented languages, illiteracy and disabilities.

UCS staff will serve on the STH Committee, chaired by School Counselor Johanna Gutierrez, which determines usage of the school's STH funds. When planning programs, attention will be paid to students' housing status, in order to maximize program funding and serve as many students as possible. Limited resources, such as certain food items, hygiene/household supplies and clothing items, will be reserved for STH students.

From October 2025-June 2026, 80 students in temporary housing will participate in a Homework Help program run by HANAC. The program will take place Mondays-Thursdays 2:30-5:30 pm, and will be co-taught by HANAC group leaders and PS 19 teachers. Students will receive a full meal in the cafeteria, then work on homework and participate in enrichment activities such as dance, art, chorus and soccer.

From November 2024-June 2025, 30 1st and 2nd grade STH students will participate in a weekly after school ballet class taught by American Ballet Theater. Next School year we plan to expand on these Arts partnerships and include more STEM opportunities for STH students.

UCS coordinates the Tutor HUB program, which pairs retired UFT teacher volunteers with students who need extra attention. Up to 20 students will receive tutoring next year; students will be selected from the STH list. We have also partnered with Practice makes Perfect which gives individualized tutoring during the school day to an additional 45 students.

At HANAC Corona Beacon, we know every participant comes with a unique story. That's why we work closely with the school to make sure participants in temporary housing, Multilingual Learners, and participants with Disabilities get the support that fits their needs, not just a one-size-fits-all approach.
We offer bilingual staff, small group activities, and inclusive programming that's welcoming and accessible to all. Whether it's helping a participant feel seen or connecting a family to the right resources, our focus is always on equity, respect, and care, so every participant feels they belong and can thrive.

All CBO partners are made aware of our schoolwide goals and initiatives at the beginning of the school year, as well as special considerations related to our most vulnerable students, including students in the MLL/ELL, STH &/or SWD categories. Community partners are part of the UCS Advisory Board and have participated in IEP, parent and community meetings as needed, so that they are integrated into the school community and understand the values and vision of PS 19.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Krystle Jimenez
Assistant Principal (Where Applicable)*	Ivette Casado-Faya
English as a New Language (ENL) Teacher*	Jazmin Romero
Teacher (if school has a bilingual program must be a bilingual teacher)*	Neysi Criollo
Parent/Guardian*	Elizabeth Enriquez
ENL Liaison	Angela Priovolos
AP Related Service Provider	Justin Thompson
AP Dual Lanuguage	Claribel De Leon
School Counselor	Laura Jett
Data Specialist	Deborah Kinney
Parent Coordinator	Carol Zhumi

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

15

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

9

Number of teachers who hold both content area/common branch and ESOL certification:

18

Number of ESOL certified teachers with a bilingual extension:

1

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

20

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

1

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

10

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

-

Total number of teachers with LOTE certification providing World Language instruction:

-

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

-

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

1418

Total number and percentage (%) of current ELLs:

1038/73.2%

Total number and percentage (%) of former ELLs:

101/7.1%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

836/80.5%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

202/19.5%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

1

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

321/30.9%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE	ICT	SP		1	1	1	1	1	1								6
TBE	SC	SP		1	1	1	.5	1	1								5.5
TBE																	0
DLBE	GE	SP		2	2	2	2	2	2								12
DLBE									1								1
DLBE																	0
				total: 4	total: 4	total: 4	total: 3.5	total: 4	total: 5	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

In support of the Instructional Leadership Framework: getting to know all students well, their challenges, annual targets, and the present need for acceleration of learning, we begin annually by looking at each student individually using the NYSITELL, NYSESLAT, RFSF report and/or EDAT. This review of data determines the mandated number of minutes (stand-alone/integrated), mode of instruction (pull-out/push-in) and differentiated needs for each student. Service providers also indicate on their teacher schedules, which of these program models they are following by class.

ELL Instructional Programs (K-5) include Standalone services, aligned to individual student data and the CR-Part 154.2 Program provides instruction in English taught by an appropriately certified NYS Teacher.

Stand-alone instruction, taught for a total of 360 minutes (units depending on student proficiency level) per week by a NYS ESOL certified teacher, can be provided either in a push-in model or supplemented during additional homogenous pull-out time. ENL providers are placed accordingly to provide mandated minutes. In order to further ensure the number of allocated minutes are met the following year, our annual reorganization prioritizes the programming of groupings (blocked), according to student language proficiency levels and teacher certification as reflected on individual programs in STARS Admin.

Integrated ENL:

ELL Instructional Programs (K-5) include Integrated services, aligned to individual student data and the CR-Part 154.2 Programs provides instruction in English taught by an appropriately certified NYS Teacher.

Integrated instruction, also taught for a total of 360 minutes (units depending on student proficiency level) per week by either a NYS dually certified teacher or 2 individually certified teachers, includes the teaching of English Language development supported by the HHM curriculum. This practice allows for a collaborative instructional program where both the classroom and ENL teacher work together to support language through the building of background, vocabulary and application of multiple opportunities for application of literacy skills.

More specifically, in grades K-5 at the Transitioning levels, integrated ENL with ELA is provided. At the Expanding level, integrated ENL can support either ELA, writing or Interdisciplinary content. Teachers are also expected to evidence a specific instructional goal that supports language development (LO) as determined by the linguistic demand of the content. Integrated models will also include a focus on academic vocabulary, sentence structure, complex text and researched best practices of HMH Literacy, Lilly Wong Fillmore and The Writing Revolution.

In order to further ensure the number of allocated minutes are met the following year, our annual reorganization prioritizes the programming of mixed proficiency groupings, according to student language proficiency levels and teacher certification as reflected on individual programs in STARS Admin.

b. Bilingual Education (If applicable)

Transitional Bilingual Education (TBE):

1. Transitional Bilingual Education Program:

Our projected Spanish bilingual programs (General and Special Ed) will be provided during the day by teachers with Bilingual Extension Certifications and/or Special Education following the CR-Part 154 guidelines. Standardized instruction focusing on the NYS Standards aligned to ELA, ENL, and HLA instruction are programmed for students to receive 75% of instruction in their home language and 25% in English. Stand-Alone and Integrated unit of study requirements are also aligned to individual or grouped proficiency levels. Periods of content area instruction (heterogenous grouping) are taught in the home language depending on the model and level of proficiency; students at Entering and Emerging levels receive a minimum of two core content areas taught bilingually (Math and Home Language Arts) and Transitioning and Expanding students receive a minimum of one content area taught bilingually.

Students are programmed according to the initial interview, IEP recommendations (SWD) or school transfer placement. Progress monitoring is also taken into consideration in order to ensure proper transition of program.

Dual Language Bilingual Education (DLBE):

2. Dual Language Program
Our PreK-5 Dual Language Program maintains a 50/50 percent ratio of ELL's and EP students. Instruction follows 50/50 language
distribution where the two languages (English and Spanish) and content, are consistent and coherent. More specifically, it follows
a side-by-side model of instruction as reflected on the class program card.

Initially student are placed in the program following the initial interview. Parent preference and solicitation is also considered in order to maintain commitment to program. A wait list is also created for additional requests that may be granted during the year as space is available.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

In order to assure that ENL students are receiving the adequate number of minutes, a class schedule has been developed in house that categorizes students by their corresponding levels. The sheet includes the number of students within each level, the name of the teacher that is providing the services and the total number of periods served. Due to the large number of ELL students (74.26%) distributed in all of our classes (ELL and Former ELLs), all students receive additional instructional supports by their classroom teacher. CR-Part 154 and STARS programming also ensures that all students have been assigned for services and additional minutes.

Stand-alone English as New Language (ENL)
Students are programmed to receive 360 minutes of additional support in language through a pull-out mode of instruction or push-in small group depending on number of students within the class. Providers are also given a student profile (NYSESLAT and or NYSITELL level) reflecting need for language instruction.

Integrated English as New Language (ENL)
Instruction is led and co-taught by ENL provider and classroom teacher as scheduled on both the provider and class program to receive minutes of additional instruction according to the proficiency level of the students. Providers and classroom teachers are also given a student profile (NYSESLAT and or NYSITELL level) reflecting need for language instruction.

Transitional Bilingual Education Program
Program is run with fidelity to its structure as evidenced by class program to ensure proper instruction in both Spanish and English is taught as per CR-Part 154. Instruction and programs will reflect 180 minutes of Stand Alone ENL, 180 minutes of Integrated ELA instruction as well as 1 Native Language Arts unit and 2 Bilingual Content Area subjects. Word study in the home language is also used to support language acquisition and content knowledge.

Dual Language Program
Both teachers follow a side-by-side schedule in which students transition each day to continue language and content instruction.
Languages are clearly separated by color and space.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

ELA:
English Language Arts instructional programs vary by grade to include additional phonics, read aloud & shared reading. All literacy programs include all components of the HMH program and centers for small group instruction and MTSS.

ENL: As per classroom language proficiency levels
Either the 360 minute or 180 targeted minutes in are delivered either as a push-in collaborative teaching model or a combination of both pull-out and push-in. All models are devoted to English language acquisition and Language development with a focus on the NYS foundational skills and anchor standards for speaking, listening and language. Each classroom and ENL provider program identifies ENL services, content and integrated vs. stand alone minutes. The New Language Arts Progressions also provide a framework to ensure students are supported with some or great dependence according to proficiency levels to meet the standards.

Bilingual:
Certified classroom teachers deliver both ELA and ENL instruction. Programs reflect the number of mandated

integrated and standalone minutes according to classroom language proficiency levels. Programs also specify bilingual content periods for math instruction and Home language instruction. All literacy periods deliver HMH curriculum and Arriba la Lectura resources.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Dual Language Side-by-side:
The side by side model is used only in Kindergarten within two classrooms and two teachers. Students are programmed according to their dominate language and are taught respective to the rotation and language of the room they are in that day. Using the HMH and Arriba La Lectura program, one teacher teaches a group of students in one classroom using both languages. The teacher switches between languages along with the students. This literacy instruction supports both English and native languages as evidenced within their schedules. Mathematics is also taught in both the primary and secondary languages by classroom teachers.

A self-contained model is also used in grades K, 1, 4 and 5 following the noted program above.

b. In which language(s) is each core content area taught?

Language Model:
For the Dual Language Program the target language is used 35% of the time in grades 2-5 both EP and ELL students. The target language is used 50% of the time in Kindergarten and first grades.

In Kindergarten Dual, language is separated by teacher and classroom for literacy and by subject for Science and Social Studies. In grade 3, language is separate by teacher and subject for Math and NLA. In grades 2, 4 and 5 language is separated by subject.

Kindergarten ICT Dual Language classes use a self-contained model where language is separated by day and subject.

Languages of Content:
In grades 1-5 EP's and ELL are integrated 100% of the instructional day. In Kindergarten they are integrated for 60% of the school day. Literacy instruction is the only subject area that is taught separately for Kindergarten.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

Transitional Bilingual Programs are designed so that students develop conceptual skills in their home language as they learn English.

As students develop English language skills, and transfer literacy skills, the home language instructional time is decreased. The plan of instructional content is to teach a minimum of two core subject areas in Spanish; math and social studies.

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

Our current ENL population at PS19Q is 1,038 (73.2%) indicating that the majority of our students are Multi-Language Learners. Grade averages of ELL's, except for grade 5 (132), range from 172 to 197 students. Of these totals, 836 (80.5%) are newcomers and 202 (19.5 %) are Developing ELLs. There are currently zero Long-Term ELL's and one student was determined as SIFE (after interview). Of this overall percentage, 321 (30.9%) are ELL's with IEP's.

NYSESLAT Proficiency Levels for ELL students account for 92 Entering (10.5%), 204 Emerging (23.3%), 259 (29.5%) Transitioning and
264 (30.1.%) are Expanding.

Newcomers, through the interview process, are initially welcomed to the school by personnel and the ENL Liaison. Given this opportunity, parents are also given a general orientation and fundamentals of school procedures and important staff.
While completing the registration and ELL identification process, they are also given opportunities to share questions and enroll in different forums for school communication.

General instruction through flexible grouping and cooperative learning will differ for newcomer ELL's in supports (home language progress monitoring, home language use/prior knowledge and literacy skills, texts in home language, visuals, opportunities and repetition of language, peer/group collaboration and augmented opportunities for positive relationships and cultural connections).

Instruction for this newcomer group will provide a focus on language to include opportunities to build background and vocabulary through scaffolding. Additional methodology will include the use of sentence frames or sentence starters to assist students in formulating their thoughts and responses, use of visuals and other visual aids to aid in understanding and recall of language concepts. graphic organizers and augmented opportunities to practice their language skills in authentic contexts.

This year, funding available through Title III, we anticipate to once again set-up several Immigrant Programs for both

students and parents structured to increase language and cultural integration (CRSE Framework.) Overall, our communicated goals are to promote bi-literacy and cross-disciplinary and cross-grade literacy expectations and teacher collaboration though a bilingual, stand-alone and/or integrated model of instruction.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

Of our 1,038 ENL population one fourth grade student has been identified as SIFE as determined by initial interview and Multilingual Literacy SIFE Screener (MLS).

In order to address gaps in student proficiency levels for SIFE students we begin by administering formal and informal assessments (language and academic) to begin alignment of remediation. Once this data is reviewed students are recommended for Tier II and/or Tier III MTSS services. Close monitoring is scheduled to ensure student is continuing to make progress or make changes to services.

Within the print rich classroom, instruction is culturally responsive, engaging, checks for understanding and application, and provides additional small group instruction that includes scaffolds in either home or new language and language proficiency level or both.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

Of our 1,038 ENL population 0% of students have been categorized as Long Term ELL's

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

According to our Spring 2025 EDAT Analysis Tool, 101 students (7.1%) have been identified as Former ELL's.

Although they are classified as such in a school with such a large ELL population, ELL methodology and best practices are included in our overall daily instruction. Additional digital resources also help provide more individualized resources which can be adapted according to student progress. In order to further evaluate their progress after reaching proficiency levels, as part of our Alternate Pathways to support Former ELL's, we include the option of Small Group and Project Based Learning in our instructional plan. In addition, student progress is monitored through a Former ELL evaluation conducted and documented by the ENL Liaison with the classroom teacher. At this time, if the student does not show sufficient progress, they are programmed for reinstatement of ENL minutes or a Title III program.

A review of FLL data indicates the need to continue to provide our Title III FLL afterschool program/section although the number of students testing out increased by 15 students by reaching commanding on NYSESLAT or through the Expanding and Level 3 criteria. There was also a greater need for a section for literacy than Mathematics.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

At -Risk Indicators: EDAT Spring 2025

Significant Early Warning Indicators have helped us to specify specific ELL sub-groups that are at-risk. A review of this table reflects:

8.6%% (89 students) are at risk for potential long-terms ELLs (decreased from 2023/2024)
-24.1% (250 students) scored a Level 1 or 2 on the 2023/24 ELA exam (increased from 99 students to 250 students)
-24.4% (253 students) scored a Level 1 or 2 on the 2023/24 Math exam (increased from 87 to 253 students)
-44.2% (459 students) did not make sufficient progress on the 2024 NYSESLAT (836 newcomer students)

Significant at-risk indicators range from Level 1 to Level 6
33.4% (347 students) have a Level 1 at-risk indicator
35.5% (368 students) have a Level 2 at-risk indicator
14.9% (155 students) have a Level 3 at-risk indicator
5.4 % (56 students) have a Level 4 at-risk indicator
3.8% (39 students) have a level 5 at-risk indicator
5.4% of ELLs (56) have at least 6 at-risk indicators

Data indicates the decrease of possible long-term ELLs. This data also aligns with the increase of the number of students moving from Level 1 to a Level 2 proficiency in the NYS exam (almost tripled). Trends also reflect growth in Mathematics proficiency level. Both ELA and Math levels have more than doubled from 2023/24. Factors may also include our growing population of newcomer (ATS Code 58) students throughout the school year.

Our goals will focus on increasing the number of students who make growth on the NYSESLAT and exit into FLL status. If we can impact this growth, especially in the lower grades, we can continue to limit or decrease the number of students who have additional at-risk indicators as they articulate upper grades, who are mainly in at-risk levels 1 & 2.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

At -Risk Indicators: EDAT Spring 2025

-22.8 % (23 students) scored a Level 1 or 2 on the 2023/24 ELA exam (increased)
-17.8% (18 students) scored a Level 1 or 2 on the 2023/24 Math exam (doubled from 9 to 18 students in previous year)

Former ELL's: 93 students
58.4% (59 students) have 0 at-risk indicator
20.8% (21 students) have a Level 1 at-risk indicator
12.9% (13 students) have a Level 2 at-risk indicator
5.0% (5 students) have a Level 3 at-risk indicator
3.0% (3 students) have a Level 4 at-risk indicator

Comparisons from 2023/2024 to date indicate that there are less students within these categories and a decrease of at-risk indicator levels.

Of these 93 students, 18 are STH.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

EDAT Spring 2025:
Within our MLL population, there are 1028 Spanish speaking families distributed within all grades, representing the largest group. Other languages include 4 Bengali families, 2 Urdu, 3 Arabic, and 1 Tadzhic for a total of 1038.

We are fortunate to employ many staff members who speak the top languages being represented at our school. We have also strategically employed other staff members who speak other languages to heighten communication. Nonetheless, all documents are available in represented languages. Our Parent Square platform also affords staff easy access to translation for daily communication.

Our Language Access coordinator, also our ENL Liaison, also plays a large role in helping with Translation and Interpretation Services. Translation services are shared with parents through signage and as need becomes visible. Office staff is trained on available services and
translations of documents or interview etc. (Bill of Rights). Surveys are also used to obtain an understanding of what interpretation needs and asks are from parents. Translation and Interpretation funds support all services.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

EDAT Spring 2025

A summary of current ELLs by Ethnicity reflects that there are 1005 Hispanic ELL Students.
794 students (79%) are American Indian or Alaskan Native
9 students (0.9%) are black
44 students (4.4%) are multiracial
7 students (0.7%) are native Hawaiian or other Pacific Islander
151 students (15%) are white

Non-Hispanic ELL's
12 students 36.4% have identified as American Indian or Alaskan Native.
7 students (21.2%) are Asian
1 student (3.0%) are Multiracial
13 students (39.4% are White

Monthly Cultural Events were scheduled for all grades to attend performances, activities, movie night, etc. related to cultural diversity.
Monies from our Title III Funds will also be used for an after-school program which focused on a Culturally Responsive Curriculum. Through the use of current NEWSELA articles, videos and other media sources students were prompted to practice language, vocabulary and share their own perspectives of current events. Our school is embedding CRSE practices in all content areas as well as a morning SEL time in which students also are given opportunities to discuss social emotional practices that develop responsible decision making, social awareness and a belonging to our school community.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

EDUR Data May 2025

In Kindergarten 111 students scored Entering, 41 scored Emerging, 18 scored Transitioning & 20 scored Expanding (190 students)
In First Grade 30 students scored Entering, 42 scored Emerging, 44 scored Transitioning, 80 scored Expanding & 9 commanding (205 total)
In Second Grade 12 scored Entering, 47 scored Emerging, 77 scored Transitioning, 38 scored Expanding & 28 commanding (203 total)
In Third Grade 31 scored Entering, 46 scored Emerging, 50 scored Transitioning, 58 scored Expanding & 17 commanding (203 total)
In Fourth Grade 35 scored Entering, 40 scored Emerging, 58 scored Transitioning, 42 scored Expanding & 14 commanding (189 total)
In Fifth Grade 21 scored Entering, 31 scored Emerging, 32 scored Transitioning, 47 scored Expanding & 34 commanding (165 total)

This data indicated that although we have many initial ELL's (mostly in grades 1-3), who may be Entering and Emerging, students do advance in proficiency levels as they transition through grades. Ultimately, our school has 0 long-term ELL's evidencing their growth. Further supporting this is the fact that from our total number of ELL's (1,038), 566 of them are in the Transitioning and Expanding proficiency levels.

Further review of our data revealed that for general education students from third to fifth grade, 9.2% of students met progress (exited ELL status), 86 students (13.6%) met annual progress and 29 (4.8) met the safe harbor.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

A review of 2025 NYSESLAT data indicated, there was an increase in the number of students who took the NYSESLAT (859) and
tested out (30).

In addition, our largest number of ELL students (264) are in the Expanding level (30.1%). At this expanding, most students are 20-30 points away from scoring in the next level. This trend correlates with the fact that we do not have any Long-Term Ells.

Numbers in all grades show that each grade has on average between 150 to 198 ELL's, our largest number of ELL's are in the Transitioning (302) and Advanced levels (246) showing growth in student language proficiency levels over time. Within grades data also indicates that there is a decrease in the number of ELL's as they transition to upper grades (4 & 5).

Our least number of ELL students (92) are in the Entering level (10.5%). In the Transitioning and Emerging Levels there are 463 students who are 1-10 points away from next level.

In terms of modalities, our areas of strength:
- Grade 1: Reading and Listening
- Grade 2: Listening and Speaking
- Grade 3: Listening and Speaking

- Grade 4: Speaking
- Grade 5: Speaking

In terms of modalities, our areas of weakness:
- Grade 1: Speaking
- Grade 2: Writing
- Grade 3: Writing
- Grade 4: Writing
- Grade 5: Writing
All grades show a weakness in the writing modality.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

When comparing results from the NYS ELA & Math and NYSESLAT results as reflected on the Spring 2025 EEDAT Tool it was noted that:

-There was an increase in the number of students who scored a Level 1 or 2 on the 2023/24 ELA exam from 9.5% (99 students) to 24.1% (250 students) in the last school year.
-Of the 24.1% (250 students) who scored a Level 1 or 2, 13 students were Entering, 61 students were Emerging, 81 students were Transitioning and 47 were Expanding at Level 1. 40 students were Expanding and Level 2.
This correlation shows that some of these students scoring Levels 1 and 2 are new English language learners (836 newcomer ELLs) and are gradually move towards proficiency levels.

-There was also an increase of students who scored a Level 1 or 2 in the last NYS Math exam. In the 2023/2024 school year 8.4%% (84 students) scored either a Level 1 or 2 as compared to 24.4% 253 students in the last school year.
Of this percentage, 28 were Entering, 44 were Emerging, 34 were Transitioning and 22 were Expanding at Level 1.
At Level 2, 10 were Entering, 24 were Emerging, 51 were Transitioning and 40 were Expanding.
The increase of the number of students can be related to the difficulty with mathematical word problems and/or math fluency.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

NYSELAT Data history for our one transfer SIFE student was not available.

For our IEP subgroup: (286 students) results indicate that of the total number of students
-25 students were Entering
-103 students are within the Emerging proficiency level
-89 students are within the Transitioning proficiency level and
-62 students were at the Expanding Level.
These results may be impacted by individual classification.

It was also noted that 7 of the IEP subgroup scored commanding.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

P.S. 19Q's student population is comprised of a large number of Multi-Language Learners distributed in all grades. For this reason,
our core instruction (Into Reading) and grade curriculum maps include ML methodology, strategies and supports. The Next
Generation Standards for Listening, Speaking, Reading and Writing are also embedded. In following the NYC Reads initiatives and Principles of Quality Teaching for ELL's we also ensure that we are developing a foundation to literacy and skills while providing equal access to curriculum.

Our goal is that these resources will continue to strengthen Tier I core curriculum to ensure a more comprehensive approach to literacy and afford equal access to college and career readiness for students in all subgroups. Within all program models (ENL, TBE, Dual Language), through the HMH program, specific focus is given to all four modalities (listening, speaking, reading and writing) in additional to opportunities for oral expression. The building of background knowledge and vocabulary instruction are also part of our shared curriculum. Meaningful, rigorous text that is culturally responsive and ethnically diverse has also been selected to further develop meaningful conversations that build understanding of the world around them. In alignment with Priority Statements 1 & 2 from our school CEP, Phonics, phonemic awareness, vocabulary, and fluency will be a priority of the K-2 curriculum transitioning into foundational skills with instructional scaffolds completing vertical alignment in 3-5. All components support the Principles of Advanced Literacy and support deeper learning.

Through daily Social Emotional Learning (SEL) instructional segments and daily conversations, teachers get to know their students well. In following our CEP Priority focus 2- we are prioritizing social emotional supports that increase positive class behaviors and decrease bullying. Each classroom implements SEL instructional segments and daily conversations, to get to know their students well. Grades have a designated counselor which visits classrooms on a scheduled basis. School wide initiatives such as P.S. 19 Tenets: Students are always reading to LEAP (LEAP- Learn, Express, Autonomy, Preparedness), Leader IN Me, "Shout-outs" and "Coin Incentive Program Collection" also serve to motivate and highlight positive behavior and NYC Priorities 2 & 5 (All Students are Physically and Emotionally Safe & Inclusivity and Responsiveness).

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

While keeping every student in mind, our SLT team meets to inform and facilitate the involvement of the school community in the development of school improvement. Selecting the most suitable learning models for supporting ELL's is a school-wide decision based on city, district, school initiatives and students' needs.

Meetings are planned with a focus and may include discussions around best practices and revisions to develop and modify instructional practices aligned to the Instructional Leadership and MTSS Framework. Collaboratively, goals, strategies and data monitoring are discussed and agreed upon with specific focus on subgroups that include MLL's. These expectations are then communicated to school stakeholders so that all constituents help to successfully implement goals (instructional focus, district, city) and objectives as outlined in the Professional Learning Plan. Overall, our goals share the understanding that all four Hallmarks of Advanced Literacy are interconnected to promote student literacy.

While all linguistic and cultural populations are considered, key staff (AP, ENL provider, collaborating teacher) represent the ENL subgroup and are available during meetings to share both instructional and student progress towards goals and ensuring collaboration for teacher partnerships.

In recent years, the sharing of needs, considerations and data have been most important in informing and communicating our modifications of infrastructures, MTSS supports and curriculum to meet the needs and post pandemic instructional slide of many students.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

In both the Stand-alone and integrated model, the primary role of an ENL teacher is to support ELL's with the language needed to access grade level core content. The ENL teacher explicitly targets the language development for students with a focus on building academic language (Language Objectives) as a means towards accessing and engaging in grade level instruction. As mentioned, supports and scaffolds are included in the teaching of vocabulary (multiple exposures, language structures, framed motivations) and consolidation of learning in all content areas. Key "big" ideas are highlighted from a shared curriculum to ensure opportunities to promote ELL's interaction with content and language.

In a TBE model, the shared and coherent curriculum is in both languages strategically planning transfers of knowledge and skills across languages. In additional to native language arts instruction, Arriba la Lectura also allows for the monitoring of skill and understanding in both languages strengthening biliteracy. In addition, Mathematics is taught in the home language supporting native language development.

English Language Learner instruction also aligns with the Next Generation Standards by providing a structured approach to building language proficiency and academic success for college readiness. Planned instruction also meets diverse needs of individual English Language Learners, ensuring they receive the necessary support to success with grade-level texts, which is crucial for developing language skills. This access to high-quality instruction meets the academic demands needed for academic growth and success.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English

language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

For ELL's with IEP's, it is vital that we become even more informed about their individual student profile. A review of a student's IEP will help provide a more intensive, flexible, and individualized plan for literacy and language that highlight strengths as well as needs in content areas. Information should include a students' cultural, linguistic, academic background and experiences as well as team-based recommendations and intervention

In addition to teacher embedded scaffolds, our new literacy program (HMH Into Reading) provides recommendations for small group instruction, differentiation, project-based and digital learning to address student learning styles. Programs such as I-Ready also offer individualized instruction that assesses student performance in order to assign lessons.

Our school CEP states our intention to better align individual IEP goals by aligning best practices between general and special education teachers.

b. SIFE

Currently, we have a total of 1 SIFE student who has been flagged as such on the BNDC screen.

All community resources are considered to develop a supportive environment. School personnel such as the Guidance counselor and LAP team help address emotional and family support. Other related service providers also collaborate on the development of an instructional track to ensure we are focusing on both the child's social and instructional development.

Academic supports include language and content instruction. English-language instruction is modified so that subject matter is more comprehensible to students with limited vocabularies alongside strategies of increased use of visuals, collaborative learning activities, and demonstrations. The relevance of culture, grade standard and individual student need, also help to develop goals.

When necessary, additional researched intervention programs can be used during MTSS periods for added intervention.

c. Newcomers

With a school population of 73.2% ELL's, our school focuses on a culture of multilingualism. Due to this large number ELL students, instruction for all classes include ENL methodology. Specifically for newcomers, instruction includes additional read-aloud and shared reading for further modeling of how to interact with complex text. Metalinguistic skills are also fostered through explicit strategies such as think aloud, attention to vocabulary and analysis of figurative language. A "asset based learning" mindset is also a priority for all instructional practices.

Our weekly program also includes:
Additional support for phonics and word work which are delivered through both daily classroom instruction and our ENL teachers during Stand-Alone periods.

The building of student background knowledge and cultural backgrounds, scaffolds, TPR, visual aids and

partnerships to provide ENL students access to rigorous and challenging instruction.

Libraries that include a variety (interest and gender) of books in different home languages.

Digital Programs such as I-Ready, RAZ-Kids, Reach into Phonics (K) and Reach into Reading (1&2), NEWSELA

After school Title III/Immigrant Programs such as the Newcomer and Newcomer Math Fluency, have been created to target newly arrived students. These Newcomer program welcome new students, provide an opportunity for them to share backgrounds and learn about their new community while learning English. The Math Fluency Program was created to support students who needed to build foundational mathematics fluency.

Close communication is established with families to ensure the collaborative goals of student success.

d. Long Term ELLs

Although our school has a large number of ELL students, we have 0 long term ELLs.

An analysis and review of specific areas of linguistic strengths and weaknesses will be conducted to determine addition intervention and supports that may be offered for our potential long-term ELL's. Furthermore, a longitudinal data review is also conducted to pinpoint trends and other factors such as for example, attendance or retention that may become a contributing factor.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

Our Special Needs population has continued to grow within our school community as represented in our school organization (additional Dual ICT classes.)

Push-in programs work closely with the classroom teacher in order to communicate student progress, IEP goals and areas of need. Once all service providers have familiarized themselves with individual student needs (Knowing Every Student Well), all attempts to meet these goals are made.

In order to enrich and provide additional support, reading and math support is conducted within small group settings that focus on specific skills and strategies needed in accordance with IEP's or summative/formative data. All service providers are given an opportunity to familiarize themselves with the student's IEP's (chapter 408) in order to meet goals and provide for modifications. These providers also engage in continuous dialogue with the general education teacher and parents in regard to progress. Also, we enlist the help of speech and language professionals to provide strategies that can be applied to classroom settings. When needed we also consider the increase of language support and interventions through either their L1 or L2. As always, teachers are also encouraged to use differentiated instruction that includes different learning styles and adequate pacing with any needed accommodations for student success.

Our LPT team is also convened when there is a need to discuss specific goals and practices or recommendation of MTSS (Response to Intervention.)

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

With all of our ELL's we begin by acknowledging their home language abilities. Instructional strategies are embedded in daily instruction to ensure that we make strong connections between their L1 and L2. Home language resources are used for all three models. MClass, in both languages, is also being used K-4 for progress monitoring and K-5 as a universal screener. Peers comparisons also play a role in appropriately evaluating student progress. Students are assessed periodically and systematically.

Dual Language
In order to assure biliteracy for Dual Language students, they are evaluated in their native language, using HMH (Arriba La Lectura) teacher created assessments, translated materials, MClass (progress monitoring) and the Spanish Lab. Our Dual Language classes are also expanding the use of Aprendiendo Leyendo. Training for teachers will continue this year.

Transitional Bilingual Education
During the NLA period students are encouraged to use their native language to develop language objectives. During other instructional periods, students are supported through visuals, drawings, word boxes, vocabulary lists, opportunities for application of language and translanguaging if needed. Assessments in both languages will be used to determine progress of language and modification of language instruction.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Our ENL instructional program allows for complete collaboration between our ENL providers and classroom teachers. Planning Teams for all grades consist of classroom teachers and an ENL teacher. By doing so, our ENL teachers can help to provide instruction that supports language development while incorporating literacy and content. Both teachers administer informal assessments and share individual student data and grade data to continue to provide revisions as needed.

During literacy instruction, our ENL teacher provides the "lead" for building background, language and vocabulary with additional collaboration of literacy skills. For the "we do and you do" portion of the lesson, the ENL provider supports ELL students while the classroom teacher focuses on the general education group.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Our annual professional learning plan begins with determining what our needs may be schoolwide for teachers, students and administrators. For example, as current data is reviewed, our administrative team will determine CEP goals and related professional development. Common grade embedded in instructional program also allow for the

facilitation of ENL pedagogues to facilitate/present ENL methodology in alignment with our Tier 1 instruction. Offerings may also be facilitated by outside affiliations, district support and in-house study groups; ultimately impacting student success.

Teachers are also surveyed for interest in possible learning opportunities and when available are given a selection of coursework to choose from. Professional Development relevant and aligned to our instructional goals will also be prioritized. Dates are chosen strategically to incorporate all staff that works with our students.

For the 2025-2026 school year, the following PD will be the focus of our professional learning plan:

Universal Design for Learning Schoolwide Training
HMH- Into Reading
Data Analysis: MCLASS, I-Ready, HMH Data
Imaginative Learning
Envision Math
ENL Methodology (Best Practices for Newcomer & MLL's in both content areas)
Vocabulary Instruction
MTSS
CRSE
Collaborative Team Teaching
Social and Emotional Learning- Continuation of our work with SEL within the daily program

Additional:
Leader In Me- How are we moving ahead with using more resources to address student needs (First 8 Day curriculum-schoolwide)
Closing the Gap- Looking at Data to address baseline instruction and actionable small groups
Small Group Instruction- A focus on student needs
2025-2026 CEP Goals-
Chancellors Pillars
District Mission and Priority

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

In order to understand student need and support teachers in their professional growth, a professional development plan has been developed for our school. Our objective is to provide teachers with the resources they need to meet school/district expectations, provide high quality instruction and the need of our students. Differentiated professional development will be provided according to teacher developed goals and interests. As prescribed by CR-Part 154, a minimum of fifteen percent of the required professional development hours are dedicated to language acquisition for MLL's and best practices for co-teaching. For ENL and bilingual teachers a minimum of 50% of their professional development requirements are dedicated to language acquisition.

Due to the large number of MLL's throughout K-5, we address ENL initiatives globally. A considerable number of students regardless of their ELL status are also second language learners and therefore benefit from the additional support embedded in grade units. Strategies for ELL support are shared with all personnel, to be implemented as

"tool kits" and best practices.

Pedagogues are given on-going professional development during the weekly study groups (additional PD period), planning team meetings, Department and Faculty conferences for the purpose of providing teachers with additional strategies for ELL instruction within the units and modules incorporating the Next Generation Standards. As a Leader In Me school and in alignment with NYCPS Cares, consistent focus is also given to development of the social-emotional needs of MLs/ELLs.

When available and applicable, teachers are also encouraged to attend professional development conducted by other state certified accreditors in order to receive needed CTLE credits. Our United Community Schools Program is also collaborating with outside certified agencies to provide additional opportunities for teachers to meet certification renewal.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Due to the increase in newcomer students and the impact this may have on student progress, it is now more than ever most important to "know every student well." While grade standards remain, it is crucial to see students individually in order to address possible learning gaps, needs and align instruction that meets the students at their current level. Screening assessments will be important to begin the year, but as we move along it will be as important to assess with a purpose to continue to guide instruction and make goals not only towards standards, but also towards individual annual progress. Articulation meetings are also held at the end of each year to allow teachers to share important and relevant information about students.

Grade K: Concepts of Print, Letter ID/Sounds, m-Class, MAP Math Growth, I-Ready
Grades 1-5: m-Class, MAP Math Growth, I-Ready (Math & Reading)

For our Beginning of year baseline MAP (math), MCLASS (literacy) and I-Ready will be administered. During the year, continuous administration of these screeners will be used for progress monitoring and the I-Ready Diagnostics (vocabulary domain), I-Ready toolbox (Individual Progress Monitoring) writing tasks, student self-assessment rubrics and grade specific assessments are also administered and scored to help with monitoring this progress. In order to measure interim progress of grade standards, our module assessments (HMH) will be used. In addition, we are also integrating alternate assessments such as Project-based learning assignments and assessments by skill in reading and writing, per grade, as selected by teacher planning teams to give students an opportunity to demonstrate what they have learned within different learning styles. For Dual Language classes, MCLASS and Home Language Arts Assessments are used to build background and assess competency in both languages and content areas.

Additional components of screeners, for example the Dyslexia screener (I-Ready) are also used to further evaluate student needs and assign MTSS interventions.

Formative assessments for our ENL staff includes grade checklists, question and response, structured feedback or peer review; multiple entry points for ML and ELLs to develop language and skills. These assessments allow service providers progress monitoring in the four NYSESLAT modalities of identify areas of success and improvement in order to establish individual goals. From these reports, we are also able to form flexible grouping of students and the me

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Our goals are to affirm student strengths and their racial and cultural identities to connect across cultures in order to successfully educate our students in all academic and social emotional areas.

EDAT data indicates the need for the following areas of target:

Tier I:
Literacy:
HMH Into Reading program follows a balanced literacy approach that includes additional supports for Small group instruction and ELL's. During this time teachers may also use Wilson and Heggerty to reading recovery.

Dual Language Science Content Teacher (only for Dual Classes):
Addresses science content in both languages.

Disciplinary Literacy:
The program supported by researched methodology from both Lilly Wong-Fillmore and Maryann Cuchiarra, for our ENL and planning team focuses on methods of teaching students to understand the academic disciplines necessary in order to read and write in content areas. Flow of the lesson includes vocabulary instruction, language objectives, discussions, and writing to learn opportunities. The program is embedded in the weekly instructional programs.

Tier II:
During the day, our licensed Reading Teachers will also serve as MTSS intervention specialist in cycles of six weeks according to student needs using programs such as SPIRE, MCLASS intervention & Sound Sensible. Once the cycle is complete, student progress is assessed, and a determination is made for continuation or discontinuation of the assigned intervention. Throughout, classroom teachers are kept aware of student progress and successful strategies.

Math MTSS specialists also serve as MTSS intervention in cycles of six weeks using I-Ready.

Finally, our Spanish Recovery Program will serve students in our Dual Language Program who experienced gaps in Spanish-language instruction, or who for other reasons are falling two or more grade levels below on Spanish-language assessments. This At-Risk program, funded through Title III funds, entails extra Math and ELA instruction with the goal of improving academic vocabulary, expression in spoken and written language, and improving performance levels on the Math state exam. School-generated data shows that our students struggle with these skills (as revealed by EDAT), and we aim to make the most progress through small student groupings (no more than 15 students), and by ensuring that students are grouped by proficiency level.

In addition, our school created a Promotion At-Risk Saturday program in addition to regular school schedule offering both academic and enrichment activities for students and families.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Using multiple data sources, intervention screeners and teacher referrals we are able to identify students who are in need
of Extended Learning Time. Teachers are also asked to share their recommendations during articulation (preparation for next year) and during the year (6 week intervention cycle).

During our MTSS schoolwide meetings, initial school data is collected, analyzed and shared with stakeholders. At this time, our greatest need within, grades, content and subgroups are discussed. Student groups are then assigned to service providers for intervention and monitoring. Results of intervention are shared during subsequent meetings with guidance and MTSS staff. Teachers are also provided a summary sheet with detailed findings (growth and needs of improvement.)

PS19Q will also use Fair Share Student Funding and Title III funding to provide before and afterschool programs to support Math and ELA instruction. Although MTSS is available in all grades, targeted grades will be 3rd through 5th focusing on ELA and Math. In addition, these students will be served by the Title 3 At-Risk program, which is designed to provide small-group supplemental ELA instruction in order to bolster student academic skills and diminish indicators and/or prevent long-term ELL status. PS19Q will also work with United Community Schools to secure funding for enrichment opportunities focusing on the Arts, Physical fitness and sports, and tech-focused learning. Finally, our Spanish Recovery Program will serve students in our Dual Language Program who experienced gaps in Spanish-language instruction, or who for other reasons are falling two or more grade levels below on Spanish-language assessments. This program, funded through Title III funds, entails extra Math and ELA instruction besides the Title 3 At-Risk Program described above, with the goal of improving academic vocabulary, expression in spoken and written language, and improving performance levels on the Math state exam. School-generated data shows that our students struggle with these skills (as revealed by EDAT), and we aim to make the most progress through small student groupings (no more than 15 students), and by ensuring that students are grouped by proficiency level.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Systematically throughout the year student progress is tracked and compared to student peer groups. School expectations for the frequent monitoring of the assessments in order to adjust instruction are not limited to, but the follow these guidelines below:

MCLASS- Spanish and English
HHM Module Assessments: Weekly and Unit
I-Ready BOY, MOY, EOY: Fall September/October), Winter (January), Spring (May and June)
I-Ready Diagnostic Results
I-Ready Skills Monitoring (unit based)
ELA test sophistication (unit based)
Unit based student goals (writing cycle)
Student self assessment rubrics (during unit to develop student autonomy and choice)
Project Based Learning: One per unit
Alternate Pathways to support Former ELL's

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

In order to assure biliteracy for Dual Language students, they are evaluated in their native language, using HMH (Arriba La Lectura) teacher created assessments, translated materials, Mclass (progress monitoring), the Spanish Lab and the Evaluacion de Lectura (EDL) assessment.

Instruction and Assessment in both languages through Home Language Assessments. Our Dual Language programs are using the HLA assessments to provide a framework for teachers to ensure that students in English as a New Language and Bilingual Education programs are meeting the NYS Next Generation Standards.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

Summative assessments (NYS ELA/Math, NYSESLAT) help inform and support instructional design and curricular decisions.

For both ELA and Math there is a need for more purposeful and explicit instruction and RTI interventions; supporting our school focus and CEP goals.

Once the summative data has been collected and shared in-house with the administrative cabinet, it becomes available for teacher leader groups and study groups for analysis and development of action plans and communication of expectations. Within these groups, comparisons to previous years, units and programs are conducted. Moving forward, this data is used to develop CEP goals, school initiatives (instructional focus) and interventions/programs for the next school year.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

The administration, testing coordinator and ENL Liaison work collaboratively to ensure that students identified on the RLER are tested and include new admits.

Staff who administer and score the NYSESLAT:
All 13 ENL providers and ENL Liaison administer and score the NYSESLAT
The Testing Administration Handbook and pertinent information shared during the Annual training provided by our District support staff, which is turnkeyed to ENL providers, help to provide a plan for administration of exam. District training is attended by Mrs. Calderon and Mrs. Priovolos.

Provisions for services for ELL and Former ELL's during testing administration:

Students will continue to receive support and scaffolds through the grade curriculum map which reflects ENL methodology and best practices for the current unit/genre/skill.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Former ELL's are identified once NYSELAT and state exam scores are released. Lists of students are shared first with our Data and Testing Coordinator. Once grouped, ELL's and are given appropriate accommodations for testing. Teachers are also given class lists which if applicable, list the names of these students as well.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Once families have completed the enrollment process and newly identified ELL's are classified, the parent/guardian is invited to a ELL Program Orientation Meeting. These meeting are held on an ongoing basis beginning in early September to communicate and familiarize parents with annual goals (standards, assessments, school expectations) and resources to enable them to make informed decisions. At this time, parents are encouraged to schedule meeting with all staff to discuss individual student progress, results, and needs. During these first few months we also meet with parents in groups to orient them as to the program selection options and its components. At this time, since our ENL providers are present, parents also get to meet, greet and ask questions of our staff. These meetings are also provided virtually, supporting parent participation.

In addition to viewing the NYSED Parent Orientation video during the meeting, parents also finalize options and complete survey the ENL Parent Option and Agreement Meeting. Additional notifications of results are sent home in the parent's identified preferred languages. Furthermore, while watching the video each program model, goal and requirements are explained allowing for parent inquiries. While our school has all three programs to offer, we also provide parents with the CSD 24 Program Directory which includes program type and availability.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

According to CR Part 154, parents of ELLs must be provided an annual individual meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. A uniform school letter titled P.S. 19 Annual Mandated Parent Meeting, has been created to facilitate a meeting for parent/guardian. On this form parents indicate the time, date, mode (in-person, virtual) and need for translation services. Parents/Guardians are provided with several methods of communication such as Parent Square, which is translated in the native language, individual phone calls, in-person meetings, as well as Google Meets. Translation services are provided by fellow DOE staff members as well as the NYC DOE Language Access Office. If the latter option is utilized, teachers record evidence of the conversations by including meeting code numbers shared by the telephone operator/translator. At the conclusion of the meeting teachers record conversations on their Parent Communication Log and either a signature or documentation of meeting is indicated on the form and maintained to ensure that every parent has received their yearly mandated meeting. ENL teachers have also designated a scheduled time in which meetings are set up in addition to a log of their meeting.

During the individualized meeting, topics such as goals of the program, language development, proficiency levels, strategies for specific language proficiency levels, NYSESLAT administration and results, individual student progress in all content areas etc. are discussed. For those students with individual IEP's, language development needs in all content areas/languages are discussed. Additional meetings are also scheduled by need or upon parent request. Through our Parent Square platform, parents can also quickly connect with all teachers and staff.

As the year progresses, ENL workshops facilitated by the ENL liaison and Parent coordinator regarding pertinent topics for review are scheduled. These workshops focus on a variation of Reading, Writing and Mathematics workshops but are not limited to: Technology support (Parent Square, MY Student NYC, Google Classroom, Info Hub, Middle School Applications) Grade Benchmarks, Grading School Initiative/Instructional focus Home Support with literacy, math and other subjects The Science of Literacy/ENL Literacy skills Improving Child's Study Skills Understanding the NYS Testing System. Goals of the ENL programs, use of HMH literacy according to proficiency levels are also discussed.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

An interview is conducted with the parent(s) upon registration of an incoming student. We ask parents what language they would like
to receive oral and written communication. That information is transferred into the ATS system in the RAPL screen, as well as on the
back of the emergency contact card given to each parent to fill out for their child. This information along with an informal survey are
used to determine the needs for translation. Newly admitted student's parents are required to complete the Home Language
Identification Survey along with a trained pedagogue. This survey is reviewed and the information is entered into ATS in the Adult
Preferred Language Report (RADL). This report is used to analyze the number of and breakdown of preferred languages that parents
have requested of the school. The breakdown is provided by grade and by language in our Language Allocation Policy. Blue cards are
distributed to all students to obtain parent/guardian information, as well as parent preferred oral and written languages. The Parent
Preferred Language report (RCLP), is updated and used regularly.

Newsletters, school letters and posters are placed in visible locations through out the school building in various languages stating parents rights. Parent workshops are held to turn key and explaining The Bill of Rights for interpretation and translation in the parent's preferred language. Parents who require a language other than English or one spoken by a qualified staff member will be provided with assistance. The interpretation unit will also be used in situations that there are no staff members that speak the parents language. All parents will have access to the Parent's Guide to Language.

Parents are notified via our communication platform Parent square, which automatically interprets all information into the
parent's preferred language.

In summary, this important information guides and revises our LTI plan.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Our School Leadership Team, Parent Coordinator, Parent Association, HANAC Beacon and "open door" policy support the
empowerment, involvement and dissemination of information to our parents. Through these forums, communication is heightened so as to foster their participation on important school and academic decisions. These decision-making activities also allow for all family concerns and needs to be communicated. We take great pride in the relationship we have established with our parents. Together, through their very active support, they have helped us with many

achievements. They are integral part of our daily environment; volunteer work, Learning Leaders projects and other school activities. When necessary, translation and interpretation services are provided. In conclusion, with their help, the education of the students comes full circle and is strengthened; our common objective. In addition, parents are informed of additional activities and monthly events through school-home connection letters, calendars, school website, Facebook page and Parent Square. Our school environment survey and school "suggestion box" also help in identifying topics and information parents need. As a Community Learning School, we also offer many activities for parents and students that provide parents an opportunity to convene with other families, staff and outside partnerships. Partnerships and sponsor offer many activities such as food banks, medical, dental, one to one tutoring, homework help, social emotional forums (Powerplay, Girl Scout Daisies, CIVICS, Togetherhood for Littles), Chorus and sports activities (Soccer, Rugby, etc.) These resources are essential for the well-being of our families and in addition helped form stronger ties to our community.

With the support of the Parent surveys are administered twice a year (ex. Community Assessment form) to gather information regarding their needs. The LTI parent survey, located in the InfoHub, in the parent's preferred language is also used administered with support of the Parent Coordinator.

Once these surveys are collected, analyzed and discussed with school administration, possible providers and workshop dates are created.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

While keeping every ELL student in mind, our SLT team meets to inform and facilitate the involvement of the school community in the
development of school improvement. Selecting the most suitable learning models for supporting ELL's is a school-wide decision
based on city, district, school initiatives and students' needs. Meetings are planned with a focus and may include discussions
around best practices and revisions to develop and modify instructional practices aligned to the Instructional Leadership
Framework and MTSS framework. Collaboratively, goals, strategies and data monitoring are discussed and agreed upon. These
expectations are then communicated to school stakeholders so that all constituents help to successfully implement goals
(instructional focus, district, city) and objectives as outlined in the Professional Learning Plan. While all linguistic and
cultural populations are considered, key staff (AP, ENL provider, collaborating teacher) represent the ENL subgroup and are
available during meetings to share both instructional and student progress towards goals and ensuring collaboration for teacher
partnerships. In recent years, the sharing of needs, considerations and data have been most important in informing and
communicating our modifications of infrastructures, MTSS supports and curriculum to meet the needs and post pandemic
instructional slide of many students.

Newsletters (Parent & Guidance), brochures, flyers, monthly newsletters/calendars and Parent Square, a platform purchased for family communication, informs parents of school events and opportunities. All parent engagements such as PTA meetings will include Spanish, Chinese, Bengali and Arabic interpreters and translators available within

our school building and part of our staff. In an event of another language not spoken by any staff member the translation interpretation unit is contacted.

The principal of the school also hosts "Coffee with the Principal" sessions in which parents can become more involved in leadership opportunities.

Additional family events for this year are:
Family Movie Nights
Family Cultural Nights
Family Literacy Lab
Bilingual Family Events
Parent/Student Workshops
Community Resources posts
Safety Notices
Mrs. Zhumi's Weekend News including "Literacy Snapshot" highlighting key literacy skills per month
Brighter Bites

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Community School Program: The purpose of the community school initiative is to remove barriers to education for children and
families living in poverty. There support includes: Attendance support Health & Wellness (vision and dental services; referrals to
health and mental health services; asthma resources) Basic needs (food pantry twice/month; coats and winter accessories for
students; uniforms, in certain cases) Resources for parents (referrals to lawyers; info about ESL & GED classes) Academic support
(after-school tutoring; push-ins- select students/classes) Educator Support (school staff can request PDs they’re interested in and
we can fund it, based on availability). We are also referencing Project Open Arms to further support our asylum seeking families.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

Within the past two years P.S. 19Q has welcomed a large number of newly arrived immigrant families. This has increased our newcomer population and has revised our interview process to become more extensive to properly place students who have attended school in their previous country.
One key finding is the need for additional academic and emotional support. Student interviews and further monitoring has revealed that students are arriving with lower academic levels, even in their home language. Our Title III funding is integral in allowing us to provide this additional support. Title III funds also allocate for a Newcomer Program (2 sessions) in which students are involved in CRSE embedded instruction and then followed by another cycle focusing on Phonics.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Identification Team:
Assistant Principal: Mrs. Ivette Casado-Faya
ENL Liaison: Ms. Angela Priovolos
Mrs. Maribel Calderon, ENL Teacher (Spanish)
Mrs. Alicia De Leon, Dual Language ENL Teacher
Ms. Jazmin Romero, ENL Teacher

LPT Team:
Assistant Principal: Mrs. Ivette Casado-Faya
SPED Assistant Principal: Justin Thompson
ENL Liaison: Ms. Angela Priovolos
Mrs. Maribel Calderon, ENL Teacher (Spanish)
SETTS: Mrs. Alice Chau

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

During the initial on-going registration process, in addition to welcoming our parents, our ENL coordinator, Ms. Angela Priovolos and the identification team prepare for next steps in the ELL Identification Process. Initially student enrollment information is screened for enrollment status.

For those that are enrolling for the first time, the identification process is outlined and important school information

to help prepare them for their school experience is discussed.

Students registering during the school year or re-entering (after 2+ years outside of NYS school) are also interviewed and possible previous testing history is analyzed. Students who have been enrolled outside of a NYS Public School for 2 or more years complete the entire ELL identification process outlined in the Policy and Reference Guide for MLL's.

When applicable to determine ELL classification, a home language interview is conducted by trained and certified pedagogues and a HLIS form is completed. If HLIS is not available in parents' preferred language, school offers the form in English and has identified an onsite staff member to translate, or uses NYC DOE Language Access Office. At this time, it is explained to parents that the students will be administered the NYSITELL and/or Spanish LAB at to determine their ELL eligibility within 10-days of enrollment. Once the students have been tested, the parent is then invited to a Parent Option Meeting to finalize options and complete a survey. Additional notifications of results are sent home in the parent's identified preferred languages. Parents of ELL students are then invited to attend Parent Option meetings via a Virtual Parent Orientation session or individual in person session.

Parent meetings are also conducted early in the year to support parents in becoming familiar with the school, personnel and expectations as the initiation of a home school connection. Annual one-on-one meetings with families of ELLs are scheduled at convenient times for parents to facilitate discussions of student progress and their attendance. When necessary, translators and/or interpreters are provided to enable meaningful communication.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Mrs. Krystle Jimenez

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Elena Cunneely

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Angela	Priovolos	Teacher - Regular Grades - ESL	02/13/2025	y
Carol	Zhumi	Parent Coordinator - Annual	02/13/2025	y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards,Surveys conducted by your school

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	6	0.30%	6	0.30%	2	2
BENGALI (BANGLA IN BANGLADESH)	5	0.25%	5	0.25%	2	2
CHINESE ANY	2	0.10%	2	0.10%	4	4
NEPALI	2	0.10%	2	0.10%	0	0
ENGLISH	179	8.88%	179	8.92%	200	200
SPANISH	1822	90.38%	1813	90.33%	180	180

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
LETTERS/INFORMATION/FLYERS	INFORMATION IS POSTED ON PARENT SQUARE, A PLATFORM PURCHASED FOR FAMILY COMMUNICATION WHICH TRANSLATES FOR PARENTS INTO THEIR PREFERRED LANGUAGE. PARENTS CAN REPLY IN THEIR PREFERED LANGUAGE AND THEN IT IS RECEIVED IN THE PREFERRED LANGUAGE OF THE RECEIVER.
SCHOOL AGENDA/NEWSLETTERS	DESIGNATED STAFF WILL PROPERLY TRANSLATE THESE DOCUMENTS USING THE EXPERTISE AND KNOWLEGDE OF THEIR LANGUAGE AS NEEDED. STAFF WILL ALSO US THE TRANSLATION/INTERPRETATION UNIT FOR SUCH DOCUMENTS, AS WELL AS DOE APPROVED VENDORS. INFO HUB IS ALSO REGULARY USED FOR GENERAL SCHOOL LETTERS WHIC ARE TRANSLATED IN NUMEROUD LANGUAGES.
IEPS	SPANISH, CHINESE, BENGALI AND ARABIC INTERPRETERS AND TRANSLATORS ARE AVAILABLE WITHIN OUR SCHOOL BUILDING AND PART OF OUR STAFF. IN AN EVENT OF ANOTHER LANGUAGE NOT SPOKEN BY ANY STAFF MEMBER THE TRASNLATION INTERPRETATION UNIT WILL BE CONTACTED. STAFF CAN PLACE A TRANSLATION REQUEST WITH THE OFFICE OF LANGUAGE ACCESS.
PARENT TEACHER CONFERENCE INVITES	INFOHUB INVITE TEMPLATES ARE USED FOR COVERED LANGUAGES WITHIN OUR SCHOOL. STAFF MEMBERS WITH EXPERTISE IN A NEED LANGUAGE ARE AVAILABLE TO INTERPERATE. THE TRANSLATION INTERPRETATION UNIT WILL BE CONTACTED FOR ANY LANGUAGE NOT SPOKEN BY STAFF.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
SLT MINUTES/SAFETY MEETING	WILL BE POSTED ON PARENT SQUARE FOR AUTOMATIC TRANSLATION. STAFF WILL ALSO TRSNALATE.
PARENT MEETINGS	SPANISH, CHINESE, BENGALI AND ARABIC INTERPRETERS AND TRANSLATORS ARE AVAILABLE WITHIN OUR SCHOOL AS PART OF STAFF. IN AN EVENT OF ANOTHER LANGUAGE NOT SPOKEN BY ANY STAFF MEMBER THE TRANSLATION INTERPRETATION UNIT WILL BE CONTACTED. STAFF MAY ALSO USE INFOHUB FOR LETTERS THEY MAY NEED FOR PARENTS IN ALL LANGUAGES OFFERED BY THE DOE.
PTC	BILINGUAL STAFF MEMBERS ARE AVAILABLE. OVER THE PHONE INTERPRETATION SERVICES ARE ALSO AVAILABLE ASWELL AS ZOOM AND GOOGLE MEETS.
IEPS	SPANISH, CHINESE, BENGALI AND ARABIC INTERPRETERS AND TRANSLATORS ARE AVAILABLE WITHIN OUR SCHOOL BUILDING AND PART OF OUR STAFF. IN AN EVENT OF ANOTHER LANGUAGE NOT SPOKEN BY ANY STAFF MEMBER THE TRASNLATION INTERPRETATION UNIT WILL BE CONTACTED. STAFF CAN PLACE A TRANSLATION REQUEST WITH THE OFFICE OF LANGUAGE ACCESS.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

ANNOUNCEMENTS WILL BE MADE IN THE PRIMARY LANGUAGES OF OUR SCHOOL. THIS WILL HAPPEN THRU LETTERS AND PHONES CALLS. PARENTS WILL BE NOTIFIED VIA PHONE CALLS BY QUALIFIED SCHOOL STAFF MEMBERS IN THEIR PREFERRED LANGAUGE WHICH WILL BE OBTAINED USING THE CHILD'S BLUE CARD OR THE RAPL SCREEN IN ATS. THE INTERPRETATION UNIT WILL BE ACCESSED FOR ANY OTHER LANGUAGE NEEDED TO CONVEY EMERGENCY INFO. A PARENTS SQUARE TEXT BLAST MESSAGE WILL BE SENT TO ALL PARENTS, WHICH IS AUTOMATICALY TRANSLATED IN THEIR PREFERRED LANGUAGE IF IT IS A SCHOOL WIDE EMERGENCY AND INDIVIDUALLY IF IT INVOLES ONLY THEIR CHILD. AUTOMATED CALLS PROVIDED BY PHONE MESSENGER ALSO PROVIDE PARENTS WITH ANY FORM OF EMERGENCY INFORMATION.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

THE LAC WILL SHARE DOCUMENTS, TURN KEY ALL INFORMATION. WE LEARN NYC TRAINING WILL BE COMPLETED BY STAFF AND COMPLETION WILL BE TRACKED. THE LAC WILL PROVIDE A PD MEETING IN SEPTEMBER TO ALL STAFF MEMBERS. SIGNS AND POSTERS IN VARIOUS LANGUAGES OF OUR SCHOOL WILL BE PLACED AROUND OUR SCHOOL VISIUAL TO STAFF AND PARENTS ALIKE. THE HANDBOOK AND SURVEYS REQUESTING LANGUAGE OF CHOICE WILL HAVE A SECTION INFORMING EVERYONE ABOUT THIS REGULATION. PDs REGARDING LANGUAGE ACCESS WILL BE GIVEN TO STAFF MEMBERS. THE LANGAUGE ACCESS RESOURCE INFORMATIONS VIA EMAIL, WORKSHOP OR REMOTE PD WILL BE PROVIDED. LANGUAGE ACCESS RESOURCE INFORMATION IS ALSO DISTRIBUTED SCHOOL WIDE VIA HARD COPY PLACED IN ALL STAFF MEMEBERS MAILBOX. TITLE III FUNDED WORKSHOPS ARE CONDUCTED BY A SPANISH SPEAKING PRESENTER ASWELL AS IN ENGLISH.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

INFORMATION IS POSTED ON PARENT SQUARE, A PLATFORM PURCHASED FOR FAMILY COMMUNICATION WHICH TRANSLATES FOR PARENTS INTO THEIR PREFERRED LANGUAGE. PARENTS CAN REPLY IN THEIR PREFERED LANGUAGE AND THEN IT IS RECEIVED IN THE PREFERRED LANGUAGE OF THE RECEIVER. DESIGNATED STAFF WILL PROPERLY TRANSLATE THESE DOCUMENTS USING THE EXPERTISE AND KNOWLEGDE OF THEIR LANGUAGE AS NEEDED. STAFF WILL ALSO US THE TRANSLATION/INTERPRETATION UNIT FOR SUCH DOCUMENTS, AS WELL AS DOE APPROVED VENDORS. INFO HUB IS ALSO REGULARY USED FOR GENERAL SCHOOL LETTERS WHIC ARE TRANSLATED IN NUMEROUD LANGUAGES. INFOHUB INVITE TEMPLATES ARE USED FOR COVERED LANGUAGES WITHIN OUR SCHOOL. STAFF MEMBERS WITH EXPERTISE IN A NEED LANGUAGE ARE AVAILABLE TO INTERPERATE. THE TRANSLATION INTERPRETATION UNIT WILL BE CONTACTED FOR ANY LANGUAGE NOT SPOKEN BY STAFF. BILINGUAL STAFF MEMBERS ARE AVAILABLE. OVER THE PHONE INTERPRETATION SERVICES ARE ALSO AVAILABLE ASWELL AS ZOOM AND GOOGLE MEETS.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

PARENT SURVEYS ARE ADMINISTERED TWICE A YEAR. OUR SCHOOL CONDUCTS A SURVEY TO OUR NON ENGLISH SPEAKING FAMILIES TWICE A YEARS TO BE USED AS DATA USING THE LTI PARENT SURVEY LOCATION THE THE INFOHUB IN THE PARENT'S PREFERRED LANGUAGE. ONCE THESE SURVEYS ARE ANALYZED, NEW GOALS ARE CREATED TO PROVIDE MORE EFFECTIVE LANGUAGE SERVICES DURING THE SCHOOL YEAR. OVER THE PHONE INTERPRATION SURVEYS ARE ALSO CONDUCTED TO GAIN MORE UNDERSTANDING OF LANGUAGE ASSISTANCE FOR PARENTS.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

INTERPRETATION SERVICES WILL BE EXPANDED TO COVER ANY ADDITIONAL LANGUAGES AT ALL PARENT MEETINGS AND ORIENTATIONS. TEACHERS CAN OBTAIN ORAL INTERPRETATION SERVICES FOR PARENTS MEETINGS THROUGH THE DOCUMENT REQUEST FORM. OUR SCHOOL HAS IMPLEMENTED A GOOGLE FORM TO SURVEY LANGUAGES SPOKEN BY STAFF. OUR COMMUNICATION PLATFORM, PARENTSQUARE HAS THE ABILITY TO ATUOMATICALLY TRANSLATES IN TO THE PREFERRED LANGUAGE OF THE PARENT. OUR SCHOOL PLANS TO CONDUCT WORKSHOPS FOR PARENTS WITH LIMITED ENGLISH PROFICIENCYOF ENL STUDENTS. MONTHLY ORIENTATION MEETINGS WILL BE HELD FOR PARENTS OF ENL STUDENTS. MULTI-LINGUAL WELOCM POSTERS ARE IN PROMINENT LOCATIONS THROUGH OUT THE BUILDING AT ALL PARENT ENTRY POINTS. WORKSHOPS WILL BE HELD BY ENL TEACHER STAFF WITH IN THE SCHOOL TO ASSIST IN GAINING A BETTER UNDERSTANDING OF THE LANGUAGE NEEDS OF OUT NON ENGLISH SPEAKING FAMILIES.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

350

Grades to be served in this program. Select all that apply.

,2,3,4,5,1

Total number of teachers in this program:

20

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

18

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

12

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

The following programs have been strategically planned to address different groups of students with different needs. Although we
have a great many MLL's, we continue to plan for ways to create programs to address needs (language, academic, social emotional
etc.) and trends within data.

A. Spanish Recovery Program Afterschool Program to begin January 7, 2026 to March 27, 2026 from 2:30- 3:30. A total of 18 sessions meeting twice a week on Wednesday and Thursday. Program is intended to serve 60 Dual Language students, in grades First, Second and Third. A total of three classes. Program services will be delivered through direct instruction provided by 3 bilingually certified teachers and supervised by one administrator using Title III funds after regular work day hours (7:30-3:30) as per session for total hours of program and planning.

B. Math Afterschool Programs
Math Program begins October 30, 2025, to April 23, 2026 from 2:30-4:00. A total of 18 sessions meeting once a week on Thursday. Program is intended to serve 90 students divided into 2 classes per grade (3-5). Students selected will be within the Transitioning and Expanding NYSESLAT proficiency Level and have score within 1.81-1.98 on the NYS Math exam. A Former ELL class will also be included to serve students who have either scored commanding or have tested out. (15 students). Program will be provided by six regularly appointed Elementary Teachers of Common Branches and/or ENL teachers within the building. One ENL teacher will also be hired to deliver a Team Teaching instructional method. Program will be supervised by one administrator using Title III funds after regular workday hours (7:30-3:30) as per session for total hours of program and planning.

C: ELA Afterschool Program
ELL Intervention Afterschool Program to begin October 29, 2025, to March 25, 2026 from 2:30-4:00. A total of 19 sessions which will meet once a week on Wednesdays. The program will serve approximately 110 students who meet either Transitioning or Expanding ELL proficiency level and scores within 1.89-1.98 on the NYS ELA exam. An additional class for a sub-group of Former ELL's (15 students) will also be organized. The program services will be provided by six regularly appointed Elementary Teachers of Common Branches and an ENL teacher for Team Teaching Services. Program will be supervised by one administrator using Title III funds after regular workday hours (7:30-3:30) as per session for total hours of program and planning.

D. At-Risk ENL Program
Program will begin on January 7, 2026 to May 21, 2026 from 2:30-4:00. A total of 30 sessions meeting twice a week on Wednesday and Thursday. At-Risk program will specifically target students who are at-risk for 3 or more indicators (indicators 2-6). The goal of the program is to minimize at-risk indicators and possibly terminate possibility of becoming a Long-Term ELL. The program will serve approximately 60 students, a class for each grade 3-5. Program services will be provided by three ENL certified teachers using direct instruction. Program will be supervised by one administrator using Title III funds after regular work hours (7:30-3:30) as per session for total hours of program and planning.

E: Newcomer ENL Program
Program will begin November 15, 2025, to May 26, 2026 from 2:30-3:30. A total of 44 sessions, in total, meeting twice a week on Tuesdays and Wednesdays. Sessions will be divided into three cycles (13-16 dates) each serving a different group of newcomer students. Students from the first and second cycle, will continue being supported through Title III Immigrant Funds for a phonics program. Program is intended to serve 75 students, 3 classes one in each grade 35. Program services will be provided by three ENL Teachers and one Guidance Counselor who offers services to both student and families enrolled. Program services will be provided by three ENL certified teachers using direct instruction. Program will be supervised by one administrator using Title III funds after regular work day hours (7:30-3:30) as per session for total hours of program and planning.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

A. Spanish Recovery Program Rationale: Program is designed to support students who are currently enrolled in the Dual Language
Program. Selection of students includes those that have/are experiencing gaps in Spanish Literacy and are falling behind at least two
grade levels on Spanish Assessments (I (Informal, Formal- MCLASS, Apreyendo Leyendo, HMH). Interventions will provide Spanish
phonics and reading instruction, supporting theirgoal of biliteracy.

B. Math Extended Day Program Rationale: Program is designed to serve at-risk ENL students in order to improve math performance levels on NYS exams, written expression of math concepts and the development of a variety of ways to solve and analyze math word problems. Our latest data from the 2025 exam revealed that grades three and five increased proficiency levels. Fourth grade decreased proficiency level by 10%. Overall, our school increased in proficiency rates by 5%. Explicit instruction will consist of specific strategies
such as Preview/Review, Math Talks, Math "sense making" and formalized procedural and conceptual discussions.

C. Extended Day ELA Program Rationale: The ELA program addresses At-Risk students in grades 3-5 who have scored a Transitioning or Expanding on the 2025 NYSESLAT. Our latest data from the 2025 exam revealed that grades three and five increased proficiency levels. Fourth grade decreased proficiency level by 4%. Overall, our school increased in proficiency rates by 9%. There will be a total of 6-7 classes of groups no larger than 15 within the proficiency level subgroup. One class will be reserved for Former ELL students to continue support in literacy beyond exiting the program. During these sessions, the four modalities will be used focusing on literacy skills and language structures within writing which was found the modality of weakness for the NYSESLAT. The program will serve approximately 110 students who meet the proficiency level (Transitioning/Expanding), subgroup Former ELL (15 students) and current ELL (95).

D. At-Risk Program Rationale: The At-Risk Program will specifically target students who are at-risk for 3 or more indicators (indicators 2-6). The goal of the program is to minimize the at-risk indicators and terminating possibility of Long-Term ELL status. Our review of the
At-Risk indicators according to the Spring 2025 EDAT (latest data) revealed that:
8.6% (89students) are at risk for potential long-term ELL's. (Decrease from 2024)
24.1% (250 students) scored a Level 1 or 2 on the 2025 ELA exam. (Increase from 2024 9.5%)

24.4% (253 students) scored a Level 1 or 2 on the 2025 Math exam. (Increase from 2024 8.4)
44.2% (459) students did not make sufficient progress on the 2025 NYSESLAT. (Increase of 10 students)
Overall, 35.5% of ELL's (368) and 12.9% Former ELL's (13 students) have at least 2 at-risk indicators) (Both decreased from 2024)
3.80% of ELL's (39) have at least 5 at-risk indicators.
5.4% of ELL's (56) have at least 6 at-risk indicators.
Our goal will be to focus on increasing the number of students who make growth on the NYSESLAT and exit on to FLL status. If we can impact this growth, especially in the lower grades, we can limit or decrease the number of students who have additional at-risk factors as they articulate into upper grades.

E: Newcomer Program Rationale:
Our school is composed mostly of Newcomer ELL's (80.5%) residing mostly in grade K-3. (202 Developing ELL's). In the fourth grade we house the largest number of Developing ELL's (107 students) which may be in fact due to an increase of academic rigor. Many of these students have evidenced the need not only for academic supports in language content, but also for emotional support. The program will help provide differentiated and comprehensive instruction that addresses their need for language, literacy and academic demands needed to integrate into the classroom and access grade level instruction.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

A. Spanish Reading Recovery
Program is intended to serve approximately 60 students, a total of 3 classes in First, Second and Third Grade currently enrolled in the Dual Language Program who are in need of extra support in their native language. Each class group will serve approximately 20 students.

B: Math Extended Day
Program will serve: 110 students (95 ELLs (5 classes total) & 15 Former ELLs (one class) within in 6 classes in Third - Fifth grade. Selected students are within the Transitioning and Expanding levels.

C. ELA Extended Day
Program will serve:110 Students (95 ELLs Transitioning and Expanding (5 classes total), & 15 Former ELLs) (one class) within 6 classes for Third - Fifth grade ELL students

D. At-Risk
Program will serve: 45 Potential Long Term Ells in 3 classes of Fourth and Fifth Grade At-risk 2+ category. For each group 15 students will be invited.

E. Newcomer Program
Program will serve: 45 students (in 3 classes) for grades 3, 4 & 5.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

A. Spanish Reading Recovery
Schedule and Duration: January 7th to March 26th, 2026 from 2:30-3:30.
A total of 20 sessions meeting twice a week on Wednesday and Thursday.

B. Math Extended Day
Schedule and Duration October 30th to April 23, 2026 from 2:30-4:00.
A total of 18 sessions meeting once a week on Thursdays.
C. ELA Extended Day
Schedule and Duration: October 29th to April 25, 2026 from 2:30-4:00.
A total of 19 sessions which will meet once a week on Wednesdays.
D. At-Risk
Schedule and Duration: January 7, 2026 to May 21, 2026 from 2:30-3:30.
A total of 30 sessions meeting twice a week on Wednesdays and Thursdays.
E: Newcomer Program
Schedule and Duration: November 15, 2025 to May 26, 2026 from 2:30-4:00.
A total of 44 sessions meeting twice a week on Tuesdays and Wednesdays. A second session will begin in the
February term that will serve students from first session in a cycle of additional phonics instruction. A new group
of newcomer students will also begin in February.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

A. Spanish Reading Recovery
Language of Instruction: Spanish

B: Math Extended Day
Language of Instruction: English

C. ELA Extended Day
Language of Instruction: English

D. At-Risk
Language of Instruction: English

E: Newcomer Program
Language of Instruction: English

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

A. Spanish Reading Recovery
and Types of Certified Teachers: 3 Regularly appointed teachers of Bilingual and/or ESL

B: Math Extended Day
and Types of Certified Teachers: 5 Content Teachers & 1 ENL teachers
ENL and Bilingual Teachers will push-in, for a half hour to each class, with the primary content
teacher for a collaborative teaching approach. The ENL teacher's role will be to focus on academic
language in Math Word problems.

C: ELA Extended Day
of Certified Teachers: 5 Content Teachers and 1 ENL Teachers
ENL teacher will push-in, for a half hour to each class, with the primary content
teacher for a collaborative teaching approach. The ENL teacher's role will be focus on academic
language and vocabulary using researched ENL methodology (Fillmore, Hochman, Cuchiarra)

D: At-Risk
of Certified Teachers: 3 Appointed teachers of ESL and/or teacher of Common Branch with more than 1 year
experience. Preference will be given to Reading and ENL teachers.

E: Newcomer Program
of Certified Teachers: 2 Appointed teachers of ESL and/or teacher of Common Branch with more than 3 years
experience and 1 Guidance counselor. Preference will be given to Spanish Speaking ENL teachers.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Materials and portions of these programs will be used exclusively for the Title III programs.

A. Spanish Reading Recovery
Materials:
MClass, Arriba La Lectura or HMH Arriba la lectura programs

B. Math Program
Materials:
Envision Math, I-Ready toolbox (annual purchase) and Real Life Problem Solving consumable workbook (purchase)

C. ELA Program
Materials:
I-Ready toolbox (annual purchase) , HMH Materials

D: At-Risk
Materials:
Sadlier Vocabulary consumables (purchase) , Dr. Kinsella Evidenced Based Techniques for Support ELLs. & Teacher created materials

E: Newcomer
Materials: NewsELA and teacher created CRSE related materials

Materials for all programs are stored in ENL office and do not exceed the 20% cap.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Monitoring of the Program will be kept by the Assistant Principal assigned to ENL (Mrs. Faya). ENL Liaison (Mrs. Priovolos) will also manage clerical aspects of student lists and permissions.

Program class lists, students' demographics and progress monitoring using I-Ready diagnostics will be kept in a Title III folder for the 2025-2026 school year. Attendance will be kept on a live Google File.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

As our newly enrolled population and ML percentages continue to grow, we have greater need for professional development focusing on ENL pedagogy. Schoolwide during our weekly grade study group sessions, dedicated time is allocated for ELL professional development. Goals are to provide quality training and staff development to all school personnel, resulting in improved teacher practices and student progress. For Tier 1 professional development in the 20245-2026 school year, there will be focus on ELL components of our Literacy Program (HMH), Apreyendo Leyendo, Classroom Tools to Improve Instruction and Math Talk practices for Mathematics.

Tier II Professional Development for Title III Programs:

* Professional Development provided will be at cost to Title III ELL funds.

A. Spanish Recovery Program
Professional Development for the Spanish Recovery Program will review Dual Language Program goals, School Data Progress Monitoring (NLA assessments, MClass) and curriculum review of (Apreyendo Leyendo) and MClass (strategy) *

B. Math Afterschool Program
Professional Development for the Math Afterschool Program will review data sources (NYSESLAT proficiency levels, NYS Math Scores and I-Ready Diagnostics) to gather trends and entry points for instruction. More specifically, I-Ready lessons, interactive tools, and practices for "sense making" and math talks will be addressed. In addition, a focus will be set on problem solving and the Preview/Review methodology. *

C. ELA Afterschool Program
Professional Development for the ELA Afterschool Program will review data sources (NYSESLAT proficiency levels, NYS Math Scores and I-Ready Diagnostics) to gather trends and entry points for instruction. More specifically, I-Ready lessons, interactive tools, and practices
for the development of writing with a focus on summary and extended writing as well as Vocabulary Development. *

D. At-Risk ENL Program
Professional Development for the At-Risk Afterschool Program will review data sources (EDUR at-risk levels) Specific analysis of ELL's who scored a level 1 or 2 on ELA (24.1%) and in Math (24.4 %). In addition, rationale (writing) for not demonstrating sufficient ELP progress. Strategies of implementation will include a focus on reading comprehension and writing outlines.

E. Newcomer Program
Professional Development for the Newcomer Afterschool Program will review data sources Spring EDAT data evidenced that 80.5% (836 students) of our students are newcomers. Training will also be provided on Open Arms and Migration- Context and Supporting our new New Yorkers *

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

A. Spanish Recovery Program
School data (NLA assessments, MClass) evidenced that students were in need of foundational skills for bilingual literacy. For this
reason, PD will be given around Apreyendo Leyendo and MClass bilingual toolkits.

B. Math Afterschool Program
School data (I-Ready and MAP) evidenced that students are generally two-years behind grade proficiency levels in mathematics.
Professional development will involve the integration of language and discussion using Shifts 1 & 3 (Sense making and discourse.)

C. ELA Afterschool Program
EDAT data shows that MLL students have the most difficulty with writing) as well as Vocabulary Development strategies. More
specifically, a focus on summary and extended writing,

D. At-Risk ENL Program
NYSESLAT and/or EDAT 2025 NYS ELA exam data evidenced that 33.4 % of our students (347) have at least one risk-indicator and
35.5 (3688) students have two at-risk indicators. Professional development will support the use of historical data to address gaps
and/or foundational skills.

E. Newcomer Program
Spring EDATA data evidenced that 80.5% (836 students) of our students are newcomers. Teachers will learn more

about our newcomer
families, cultures and how to provide more CRSE embedded practices.

All PD documentation is stored in the Title III 2025-2026 Google Folder by program title.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

A. Spanish Recovery Program
Dual Language & Bilingual Teachers

B. Math Afterschool Program
ENL, Bilingual or Dual Language Teachers

C. ELA Afterschool Program
ENL, Bilingual or Dual Language Teachers

D. At-Risk ENL Program
ENL, Bilingual or Dual Language Teachers

E. Newcomer Program
ENL, Bilingual or Dual Language Teachers and Guidance Counselor

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

A. Spanish Recovery Program
January 12th (2:30-4:30)

B. Math Afterschool Program
November 11rd & March 10 (2:30-4:30)

C. ELA Afterschool Program
November 3rd & March 2nd (2:30-4:30)

D. At-Risk ENL Program

January 12th, March 9, April 6 (2:30-4:30)

E. Newcomer Program
October 29 & March 25 (2:30-4:30)

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

For all the named programs below google attendance sheets and agendas will be created and used.

A. Spanish Recovery Program
Sessions of professional development will focus on phonics and reading instruction to build and extend the foundational skills. Best practices for bilingualism and use of components of the Estrellita, MClass and Arriba La Lectura will be included. With the use of the HMH program special attention will be given the bilingual components for progress monitoring and small group instruction.

B. Math Afterschool Program
Sessions of professional development will focus initially on analyzing data (last NYS Math exam, I-Ready Diagnostics, MAP, I-Ready) for their individual students and for grade benchmarks. Use of the I-Ready toolkit for Mathematics will also be included. Teachers will also receive a refresher on best practices (Preview, View, Review & Math Talks).

C. ELA Afterschool Program
Sessions of professional development will focus initially on analyzing data (NYS ELA, I-Ready Diagnostics, I-Ready, MClass) for their individual students and for the grade. Key skills for the grade that have been identified as an area of need

D. At-Risk ENL Program
Sessions of professional development will initially analyze data (last NYSESLAT and/or EDUR & ELA exam) to examine the at-risk category indicators, multiple criterion and best strategies for closing the achievement gap.

E. Newcomer Program
Sessions of professional development will focus on CRSE and stand-alone ENL strategies to build a literacy foundation for new students in need of accessing grade curriculum.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

A. Spanish Recovery Program
Program Supervisor Mrs. C. De Leon and Bilingual/Dual Teacher Ms. Criollo

B. Math Afterschool Program
Program Supervisor Mrs. Faya and Dual Teacher Mrs. Criollo

C. ELA Afterschool Program
Program Supervisor Mrs. Faya and ENL Providers Mrs. Romero.)

D. At-Risk ENL Program
Program Supervisor Mrs. Faya

E. Newcomer Program
Program Supervisor Mrs. Faya and Mrs. Jett Guidance Counselor

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Records such as agendas, attendance sheets and invitations in parents' preferred languages will be saved through both Parent Square and Title III document folder.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

It is a priority for the Chancellor and PS 19Q to build strong family ties with parents. For this reason, it is our goal to provide parents with workshops that are relevant, offer variety and meet parent requests. With the cooperation of our Parent Coordinator and Parent Council, we also survey parents for consideration of topics of interest and need.

Although parents of students engaged in the Title III LEP extended day program will be given priority for registration, all parents are welcome to attend space available. For the 2025-2026 school year, we will once gain collaborate with CITE, who has new offerings for parent workshops in both English and Spanish. Final topics are TBD once parents are surveyed for interest and priority. Funding for four workshops is available that will be scheduled to alternate with already scheduled Parent monthly meetings. All workshops will be facilitated in person at 6 p.m. on either a Monday or Wednesday offering parents who work alternatives to attend.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

As we welcome parents back into the building and also take into consideration the large number of newly enrolled students from other countries, we have found a greater need for parent orientations. The number one request shared by parents to our Parent Coordinator is the need for technology assistance. This needs vast since they can include initial need for communication (Parent Square, InfoHub) to instructional (Google Classroom, I-Ready, Envision) or MySchools NYC Account (grade reports, Middle School Appications etc.) or technology.

Proposed, but not limited to workshop Title include:

Navigating Google Classroom
Social-Emotional Learning
ESL Workshops for Parents
Helping Your Child Learn English
Helping your Child Succeed in School

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Schedule and Duration:
Due to our growing enrollment (new comer families), in addition to all compliance meetings, we will also plan on monthly parent meeting in which they will be guided on how to navigate important sites. When needed, accounts will be created for parents that do not have one, help with navigation of individual sites and a hands-on experience will be provided.

November 12 November 19 (In Person Meeting) - Parent Square
November 14 & 21 - MY Student NYC support and report cards
December 5- Google Classroom
January 7- Info Hub
February 6 - Test Preparation (How can we help our students prepare for exams)

Additional Possibilities:
Homework Help (United Community Schools)
English classes for parents (USC and Hanac)
Library Access

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Additional Topics to be facilitated by CITE:

Helping your Child Succeed (i.e. Organization skills, social emotional support, parental assistance)
Internet Safety
Helping your ENL child learn English (best practices, home support, working collaboratively with the school)
Understanding the Referral Process
Video Game Addiction
Preventing the Summer Slide

For all workshops provided, our Parent Coordinator provides an agenda, materials and sign in sheet for attendance purposes.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Providers:
School staff (both monolingual and bilingual) will be available to assist small groups of parents in addition to the Parent Coordinator,
Mrs. Zhumi and Administrator (Faya) Facilitators (Priovolos, Calderon) will translate in Spanish and/or Bengali, Chinese.

CITE Organization

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents will receive both a digital and paper invitation for upcoming events in their preferred language. Parental events are also listed on the school calendar.
When applicable, translation services are available by either other staff members or audio headphones.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Records such as postings, flyers, agendas, attendance sheets and invitations in parents' preferred languages will be saved through both Parent Square and Title III document folder.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

145,826

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem		
Purchased services -High quality staff and curriculum development contracts.		
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Grades to be served in this program. Select all that apply.

,3,4,5

Total number of teachers in this program:

5

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

A. Math Fluency Program
Math Program will prioritize math fluency to develop basic foundational mathematics skills needed to meet grade standards. All participating grades will work on the same concepts (Operations and Algebraic Thinking & Number and Operations.
Students will be in two groups of five, working with classroom teacher and alternating paraprofessional if available.

B. New Comer Phonics Program
This program is specifically for students who have attended a cycle of the Newcomer Program in the 2024 school year. Sessions will support extending/transferring phonics, grammar and foundational literacy skills in order to improve English Language proficiency.

Parental Involvement
Sessions will be held either during the evening (remote or in person) or Saturday upon parent choice.
In order to welcome new families to our community and our school while promoting parent, family and community engagement, workshops will be conducted for services with the Parent Coordinator and School Leadership Team.
Topics will be decided upon submission of parent survey.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

In 2022-2023 PS. 19 Q's enrollment data (EDAT) reflected that 76% (829) students were categorized as newly enrolled. This year we have also received to date, approximately 170 first time admission to NYC school students in all grades. Within our district, we are one of the top three schools enrolling migrate families. For this reason, it is crucial for us to provide literacy, mathematics and social emotional support in smaller groups that prioritize needs. Through the above listed programs, students can build on mastered skills of native language and transfer them, while developing academic skills in English. Key foundations skills in both literacy and math are targeted to support grade level skills and standards being presented in their classrooms.

Upon completion of these services, students will be evaluated using I-Ready diagnostic scores in respective areas and domains.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

A. Math Fluency Program
Program is intended to serve 45 students one class per grade (3-5).
Number of students per class:10-15
Newcomer ELL"s

B. New Comer Phonics Literacy Program
Program is intended to serve 23 students in two classes (grades 3,4/5)
Number of students per class: 8-10

Newcomer ELL"s

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

A. Math Fluency Program
Program will take place afterschool on Wednesdays and Thursdays from 2:30- 3:30
Beginning February 7 -April 18, 2025
Total 14 sessions

B. New Comer Phonics Literacy Program
Program will take place afterschool on Tuesdays and Wednesdays from 2:30- 3:30
Beginning February 25- May 21, 2025
Total 16 sessions

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

A. Math Fluency Program
Language of Instruction: English & Spanish

B. New Comer Phonics Program
Language of Instruction: English & Spanish

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

A. Math Fluency Program
Program services will be provided by 2 General Education Teachers of Common Branches and/or 1 Bilingual teacher holding Bilingual or ENL Certification

B. New Comer Extension Literacy Program

2 ENL Certified Teachers

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

A. Math Fluency Program
Envision Math Program Enrichment and Teacher created materials

B: New Comer Phonics Literacy Program
HMH Resources & Teacher Created Materials

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

Attendance records will be recorded on each day of program on a shared Google Spreadsheet.
Notification for parent communication will be through Parent Square in the parents choice of language.

Progress of program will be monitored both by the teacher through formative and summative assessments and their overall progress on individual I-Ready diagnostic scores.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

A. Math Fluency Program Professional Development Topics:
I-Ready Data -Student Analysis
Envision On-line Resources,
Scope and Sequence of Program
Culturally and Linguistically Responsive Mathematics for ELL's
Cost: Facilitator for PD sessions and teacher professional development

B. Newcomer Phonics Program Professional Development Topics:
The Science of Reading
Building Foundational skills in four modalities
Kate Kinsella Research Strategies
Cost: Facilitator for PD sessions and teacher professional development

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

Rationale for Professional Development:

A. Math Fluency Program Professional Development Topics:
Teachers will be using additional on-line resources from the Envision Program. Access and purpose for these activities will be discussed and practiced due to the fact that these portions of activities are not used during Tier I instruction. Teachers will also need to become familiar with "Number Games" and materials.

B. Newcomer Phonics Program Professional Development Topics:
Teachers will need an opportunity to review student data and review pace and sequence of the teacher-created curriculum. Teachers will also need to become familiar with the Science of Reading and how to develop the "Big 6" Practices.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

All five teachers involved in the Title III Immigrant Programs will receive professional development. Sessions are scheduled before the initiation of the program afterschool on a commonly determined date.

Schedule and Duration

For each Title III Immigrant professional development activity, include:
- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

A. Math Fluency Program
Number of Sessions: 1
Days of Sessions: February 4
Time and Duration: 1 hour per session

B. New Comer Phonics Program
Number of Sessions: 1
Days of Sessions: February 18
Time and Duration: 1 hour per session

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

A. Math Fluency Program Professional Development Topics:
Teachers will be using additional on-line resources from the Envision Program. Access and purpose for these activities will be discussed and practiced due to the fact that these portions of activities are not used during Tier I instruction. Teachers will also need to become familiar with "Number Games" and materials.

B. New Comer Phonics Program Professional Development Topics:
Teachers will need an opportunity to review student data and review pace and sequence of the teacher-created curriculum. Teachers will also discuss Science of Reading and find relatable practices within HMH additional resources.

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

Professional development will be conducted in-house by either the Assistant Principal of ENL, Mrs. Faya or an ENL Teacher, Mrs. Romero.

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

For each professional development session, agenda, distributed materials and attendance will be maintained.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Proposed Family Engagement Activities are as follows:
The CITE Center will provide ten ESL classes for parents and 4 parent workshops funded by Title III Immigrant Funds Additional workshops will be facilitated by our Parent Coordinator, school administration, guidance and or other staff. These activities include help with technology in order to facilitate communication with school, middle school enrollment support, how to help their children in mathematics and literacy and what to expect for the next grade. Some of these workshops will be funded by Title III immigrant funds.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

Our school continues to enroll migrating families in large numbers in all grades. In addition to educating these children, we also have a responsibility to help their families. As we register them, we have opportunities to speak to them about their needs and aspirations.

Through our family engagement activities we can help to educate and provide help with topics they need. Parents are often asked by our parent coordinator what topics would benefit them, and when available we offer these services. Our SLT team has also reached out to parents to help determine requests.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,

- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Workshop dates and availability will be coordinated with the CITE Center in order to provide a workshop a month for parents, for a total of 14. Workshops will begin in February and go through June dates.
Sessions will be conducted after school (6p.m. start) to facilitate parent attendance with a duration of 1 hour sessions.

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

Our Parent Coordinator has surveyed parents for workshops of most need or interest. The following were rated top five in order of interest.

Ten ESL classes for parents OR Ten Civics Institute for Parents (depending on results of parent survey) or Job Hunting Workshop
Bullying/Cyberbullying
Internet Safety or Dealing with Video Game and Internet Screen Addiction
Anger Management/Conflict Resolution
Raising Self-Reliant Children

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

All of the following workshops above will be provided by the CITE Center by a bilingual facilitator.

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Parents will be notified of workshop opportunities and topics through Parent Square, monthly Parent Coordinator newsletter and teacher recommendations.

When available workshops will be conducted by a bilingual facilitator, for example CITE program, and/or otherwise

be translated by our Parent Coordinator or bilingual AP Faya.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

All Family Engagement Activities will include a dated agenda and sign-in sheet.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

Conceptually consolidated (skip part E Budget below)
