# 2025-2026 COMPREHENSIVE EDUCATIONAL PLAN (CEP)

**DBN**
24Q102

**SCHOOL NAME**
P.S. 102 Bayview

**PRINCIPAL**
Cathy Weinstein

# Comprehensive Educational Plan Outline

## Table of Contents

**Main Sections (Customized Based on School Accountability Status):**

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

**Appendices (Reflecting Additional Requirements for Specific Groups of Schools):**

F

# Section 1: Overview of Comprehensive Education Planning

## Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

**The Education Planning Process**

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

# Guidance on Conducting a Comprehensive Needs Assessment

**Directions:** Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

**1. Review Multiple Data Sources:** Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

**2. Analyze Data Trend(s) to Identify Areas of Strength and Need:** Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

**3. Identify Root Cause(s):** After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

# Section 2: School Information

## School Information

**School Name:**

PS/IS 102Q Bayview

**District Borough Number (DBN):**

24Q102

**Grades Served:**

PK-8

**School Address:**

55-24 Van Horn St, Elmhurst, NY 11373

**Phone Number:**

718-446-3308

**Fax:**

718-672-3201

**School Contact Person:**

Catherine Weinstein

**School Contact Person Email Address:**

cweinstein3@schools.nyc.gov

**Principal:**

Catherine Weinstein

**United Federation of Teachers (UFT) Chapter Leader:**

Sharon DelVecchio and Maureen Falesto

**Parents' Association President:**

Ferdie Lee

**SLT Chairperson:**

Sharon Delvecchio

**Title I Parent Advisory Council Chairperson (PAC):**

Anna Joa

**Student Representative(s) Middle /High School:**

**Student Representative(s) Middle /High School:**

**Community Based Organization (CBO) Representative:**

Regine Mendoza

**School-Based Students in Temporary Housing (STH) Liaison:**

Josiah Vera

# District Information

**Geographic District:**

24

**Superintendent:**

Anthony Rivera

**Superintendent’s Office Address:**

98-50 50th Avenue, Corona, NY 11368

**Fax:**

# Section 3: CEP SLT/Stakeholder Signature Page

## School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

**Directions:** List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

| | | |
|---|---|---|

| SLT Member Name | Position and Constituent Group Represented | Signature |
|---|---|---|
| Catherine Weinstein | *Principal or Designee | |
| Sharon DelVecchio | *United Federation of Teachers (UFT) Chapter Leader or Designee | |
| Ferdie Lee | *Parents' Association (PA)/ Parent-Teacher Association (PTA) President or Designated Co-President | |
| Kristen Roberts | District Council 37 (DC 37) Representative (staff), if applicable | |
| Anna Joa | Title I Parent Advisory Council Chairperson (or alternate) | |
| | Student Representative (Required for high schools) | |
| | Student Representative (Required for high schools) | |
| | CBO Representative, if applicable | |
| | Student Representative (Required for CSI, TSI, Receivership Middle Schools) | |
| | Student Representative (Required for CSI, TSI, Receivership Middle Schools) | |
| Joseph Sixta | Staff or Parent | |
| Jessica Beltran | Staff or Parent | |
| Susue Peatcham | Staff or Parent | |
| Jennifer Luu | Staff or Parent | |
| | Staff or Parent | |
| | Staff or Parent | |
| | Staff or Parent | |

# Additional Stakeholder Signature Page

**Directions:** Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

# Section 4: School Summary

## Accountability Status

Accountability Status: **LSI**

# School Summary

**Directions:** Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

**Provide your school's mission statement:**

Think for Yourself; Care for Others.  We believe in teaching all students to be individual and independent thinkers. We promote
success through individual choice and decisions and practice what caring for others looks like. We teach students to think
outside the box and be creative problem solvers. We practice inclusivity among all students.

**Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:**

Include demographic information about your school's student population.

PS/IS 102Q is a community school located in Elmhurst, Queens (District 24) comprised of approximately 1075 students from Pre Kindergarten through  8th grade. We are an ethnically diverse community that is home to many new immigrant families from
China, the Philippines, South America, South Asia, Southeast Asia, and Europe, which is a source of pride for the entire
community as P.S/I.S. 102Q is representative of the multi-ethnic makeup of Queens, NY. P.S./I.S. 102Q is an inclusive learning
community. Administration, teachers, parents, and students work collaboratively to provide a rigorous, academically challenging
educational experience for all learners. Parent involvement, through the School Leadership Team, an active Parents' Association,
parent volunteers, parent workshops, and weekly parent outreach keep parents well-informed, involved and continually updated
on all aspects of their child's education. Now in the third and final year for our school's three-year instructional focus on
designing instruction for thinking, the best practices we've discovered in year one and year will now be scaled school-wide. We
believe that thinking, not doing, is the key that unlocks rigorous learning and all of our systems, ranging from discipline to daily
lessons to remedial support, will be focused on increasing the opportunity for students to shoulder the cognitive load in learning.
Instead of asking students to copy sentences in "thinking" graphic organizers, we simply entrust them with the responsibility to think
for themselves. And moving away from the practice of teaching students to "write" by answering multiple choice questions
regarding topics as author's theme, we support them to communicate authentic ideas and through writing work that

carries
meaning beyond the classroom walls. Students at P.S./I.S. 102Q receive a rigorous, academically challenging education. In
addition to the Core Curriculum, students receive instruction from specialists in Science, Technology, the Arts, and Physical
Education. The Cultural Arts are an integral part of school life. Students participate in visual, performance, and musical arts
residencies including, Ping Chong Residency, Games for Change Computer Program, Broadway for All, Alley Pond Park
Environmental, Jazz at Lincoln Center, Carnegie Hall, Young Runners supported by New York Road Runners, CHAMPS,
cheerleading, and the Middle School Basketball and Volleyball Leagues. A school band, chorus, and visual arts clubs provide students with
creative outlets to foster unique talents and expose students to different avenues of learning. Technology is woven into the
school day as students have access to computers, tablets, Smart Tables (Kindergarten), and Promethean Boards in all content areas.
Technology residencies, Lego, and portable computer labs support student engagement and learning. Designated classes
receive ENL, RtI, AIS or SETSS. Enrichment and academic intervention is provided to all classes. Greater Ridgewood Youth Council
(GRYC) hosts a SONYC After-School program for Middle School students providing homework assistance, recreational activities,
and day trips during extended school breaks. GRYC also host a parent supported program for students in Kindergarten through
5th grade. Our students participate in several health and social awareness fund-raising campaigns: Coat Drive, Toy Drive, Penny
Harvest and our Annual Food Drive. Additionally, community support is evident through the many grants received to support
teaching and learning. We have received grants from Donors Choose , which aids our teachers with creating innovative
classroom projects. P.S./I.S. 102Q is host to a variety of school-wide events, which brings the entire school community together.
Parents, students, teachers, and administrators come together and celebrate accomplishments and seasonal events such
“Pumpkin Patch,” “The 100 th Day of School,” “Winter and Spring Concerts,” “Art Expo,” “Earth Day/Arbor Day,” “Career Day,” ,”
"Math Ninja Warrior", 102's Got Talent", "Battle of the Bands", "Family Fun Fitness", "Paint Night", “STEM Con”, and the annual
Fall Festival Carnival. We believe that thinking, not doing, is the key that unlocks rigorous learning and all of our systems, ranging
from discipline to daily lessons to remedial support, will be focused on increasing the opportunity for students to shoulder the
cognitive load in learning. Instead of asking students to copy sentences in "thinking" graphic organizers, we simply entrust with
the responsibility to think for themselves. And moving away from the practice of teaching students to "write" by answering
multiple choice questions regarding topics as author's theme, we support them to communicate authentic ideas and through
writing work that carries meaning beyond the classroom walls. Teachers at P.S./I.S. 102Q are all highly qualified and hold
multiple teaching certifications in multiple areas. We seek to invest in people and not products, and ongoing

instructional
support is provided through a Literacy Coach, STEM coach, as well as ELA and Math Leads on both the Elementary and Middle
School level. A School Climate Team will also provide in-the-moment support as they are charged with the active uncovering of
students' socio-emotional needs. Collaborative professional learning teams focus on analyzing common student work samples
and adjusting current and future units of study and upcoming lessons to align with grade-level and class-specific trends to
increase student progress. This ongoing, peer-reviewed support provides our pedagogical staff with the necessary tools and
skills to positively impact student progress and performance. Teachers working in conjunction with out-of-classroom support
staff and administrators have ownership in the development and implementation of a standards-based curriculum and
instructional program. Students receive targeted instruction using the most up-to-date research-based best practices in literacy
and math. Teachers at P.S./I.S. 102Q are encouraged to share tested pedagogical practices that may benefit other teachers and
groups of students through the use of peer-to-peer classroom Inter-visitations. Each year teachers engage in two rounds of
action research, and our successes in meeting our CEP goals last year can be chiefly attributed to these authentic adult learning
opportunities

**Briefly summarize the key initiatives your school will implement this school year.**

We will continue our Literacy Initiative by:
Fully implementing the HMH curriculum
Continue to establish a school library
Promote positivity in reading
Families reading together
Literacy Hub - year 2 - Middle School

Our STEM initiatives will include:
continuous work in Envision Math
Citizen Math in MS
Computer Science
Thinking Classrooms

**What are the primary digital and/or print curricula/programs used for ELA and Math:**

Indicate the content area, grade band and any adaptations made.

| Content Area (Indicate ELA and Math Only) | Grade Band | Digital and/or Print Curricula/Program | Adaptations |
|---|---|---|---|
| HMH: Into Reading | K-5 | Both | |
| | | | |

| | | | |
|---|---|---|---|
| HMH: Into Literature | 6-8 | Both | |
| Envision | K-8 | Both | |
| Fundations | K-3 | Print | |
| Exact Path: Math and ELA | K-8 | Digital | |

# Section 5: Priority 1 – All students learn to read well

## Priority 1 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| From 2023-2025, we saw a decrease in MAP scores during the MOY period | MAP Winter window is given in mid to late January between two vacations. Students who are absent do not always make up the test under formal testing conditions. They may be more distracted because they test in a hallway or a loud classroom. | Adjust the scheduling and curriculum planning based on when the exam is being administered. |
| Over the last two years, we pushed the BOY exam to later in the window. The MOY was given after the break. We saw a decrease in MOY scores | There was not enough time for students to show growth in between when we administered the BOY and MOY. There was approximately 9 weeks in between the two. | The BOY will be administered at the start of the window this year, allowing for more time for student growth in between the two assessments. |

| | | |
|---|---|---|
| | | |

# Priority 1

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for Literacy**

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

# Priority 1 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 66% | By August, 2026, literacy for All Students will improve, as measured by a 3% Increase, from 66% to 69%, of percentage of students scoring at or above proficiency on the NYS ELA Exam. |

# Priority 1 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

MAP Assessment

**Enter a Key Performance Indicator**

percentage of students scoring at or above proficiency

**Baseline:**

Spring 2025 MAP Assessment

**Enter the date for the baseline data:**

June 2025

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

60%

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

61

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

63

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

# Priority 1 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

When students who are absent are taking the assessment, they will do so under as close to testing conditions as possible. Teachers will not send students to sit in the hallway to take MAP.
Administrators may gather the attendance data and schedule a common time for absentees to take assessment. Will be given in the multipurpose room with a coach/available teacher.

ILT review of data from June 2025 - looking at the trends in BOY, MOY and EOY as it applies to student achievement
Grade 3 Fundations  - tiered instruction based on Acadience results from grade 2
Fluid programming for Grade 3 Fundations, giving the teachers the ability to move students in and out of groups
MTSS - Stronger Tier 2 and 3 instruction
Literacy Hub - additional SRPs

**Root Cause Addressed:**

Allowing students to take the exams under the conditions afforded to their classmates will make it easier to study this trend and identify ways to administer that are conducive to student success.
Students have continuously moved up without meeting proficiency in their reading levels, so keeping students on a track will allow us to better identify what is holding them back from making progress.
Administering the BOY at the beginning of the window will allow us more time to study the data and support students in small groups and/or tier 2 and 3 instruction.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| |

| |
|---|
| Administer diagnostic screeners to identify students' needs and provide them with appropriate interventions. |
| Identify staff who is able to provide tier 2 and 3 intervention |
| parent outreach and support so that they become partners in this learning. Engage families in education about the programs we offer to support their children (ex: how Exact Path can be used to achieve student success. What does it mean for their child?) |
| |
| |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
|---|
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

We will engage in data review protocols to analyze screener and progress monitoring data to track student growth and make adjustments to:
- how students take the assessments.
- the tiers of intervention, including students that move between tiers
-PD time for teachers to address how to become assessment literate
-Continued use of the following assessments/screeners
Acadience
MAP

Exact Path
HMH assessments

# Priority 1 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/05/2025 | 01/15/2026 | During monthly meetings with the SLT, review student performance data and collaboratively plan strategies to support families and improve outcomes. November PTCs: Leverage PTCs to engage in targeted conversations with families about students' academic progress and to review or adjust intervention supports as needed.More one to one family engagement opportunities, such as FAST program (Families Achieve Success Together) | School staff/SLT |
| 01/19/2026 | 06/26/2026 | During monthly meetings with the SLT, review student performance data and collaboratively plan strategies to support families and improve outcomes. March PTCs: Continue to leverage PTCs to engage in targeted conversations with families about students' academic progress and to review or adjust intervention supports as needed.More one to one family engagement opportunities, such as FAST program (Families Achieve Success Together) | Families/Staff |

# Priority 1 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

**Human Resources**

Teachers, paraprofessionals, coaches, parents

**Instructional Resources**

digital programs, including Amira and Exact Path, Teacher Instruction, Small group, HMH, Fundations, Heggerty, REWARDS, STARI

**Schedule Adjustments**

TBD

**Other Resources Needed**

na

# Section 5: Priority 2 – All students are physically and emotionally safe

## Priority 2 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| Over the last two years, from 22-24, OORS data reflected that student incidents were occurring at an increased percentage 8% during lunch/recess and passing between | Students are mixed with their whole grade, not just their classes. This has created issues between students that are not together during the day. There is a lack of consistent restorative programs that teach the students to manage their emotions and regulate the ability to interact with one another. Incocnistent ability on the part of the staff, the school aides in particular, to recognize negative student interactions. This is coupled with their inconsistent level of student supervision | Engage in and train more staff members in restorative programs, schedule assemblies for students that promote positive play and interactions with their peers. School wide review of protocols in place during these times, including where we can add staffing, especially in the cafeteria, the school yard during recess and the hallways between passing. Retain the school aides on active supervision of their responsible areas. |

| | | |
|---|---|---|
| periods. This was across all grades. | | |
| | | |
| | | |

# Priority 2

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for Physical and Emotional Safety**

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

# Priority 2 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 10% | By June, 2026, physical and mental wellness for All Students will improve, as measured by a 40% Increase, in number of level 3 incidents as indicated by the NYC Discipline code from 10% to 6%, per the OORS and internals school reports. |

# Priority 2 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

OORS and internal school reports

**Enter a Key Performance Indicator**

number of level 3 incidents

**Baseline:**

**Enter the date for the baseline data:**

June 2025

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

10%

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

8%

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

6%

# Priority 2 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

# Priority 2 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

Advisory periods where available in the younger grades. During these periods, the dean and the guidance counselor will engage with the students in grades K-3 to teach them strategies that include self regulation and conflict resolution. It is important that they understand how to recognize an issue and deal with it in a non physical way.
Restorative Circles as a way for students to engage in working through their problems
Deans and Guidance counselors to conduct assemblies that target SEL
Harmony SEL curriculum

At the start of the year, the AP who supervises the school aides will meet with the team to begin the discussion on improving the quality of supervision during the times and in the places stated above. He will then meet with them for monthly check ins and to address any issues that they are seeing. Feedback from them will be just as important to the admin as it is to the school aides.

**Root Cause Addressed:**

We want students to learn how to address behaviors in a mature, productive way and to stay safe when they are in whole group settings.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Student to student peer mediationm- when and where training opportunities become available |
| Beautiful Me program |

| |
|---|
| Advisory programs/Assemblies - weekly in grades 3 and 6, monthly across other grade bands |
| Bi weekly classroom visits by the guidance counselors for "tempertaure" check ins. High needs classrooms will get additional visits. This will be determined as the need arises. |
| Use of the Harmony curriculum, partial use of Leader in Me materials and in school created SEL curriculum |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
|---|
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

In order to monitor whether we are successfully achieving this goal, we will review OORS data on a montthly basis. The climate teams in Grades K-2. 3-5 and 6-8 will meet weekly to discuss their data trends, both formal and informal. During these meetings they will develop next steps to address student incidents and revisit the following week.
The school aides will log all recess incidents in a notebook that is reviewed daily by the deans after all lunch periods. This will allow us to address minor incidents that, if not otherwise done so, could escalate into greater issues.

# Priority 2 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/08/2025 | 01/16/2026 | During November PTCs and after reviewing OORS data, we will invite parents in on a one to one bases to share the goal and address any needs for student success. Teachers will continue outreach during OPW. Parent Coordinator will hold workshops for parents on SEL. These workshops will also include parent strategies for addressing behaviors at home. | School staff/students/parents and family/GRYC/Western Queens/ Organizations TBD based on availability of parenting workshops. |
| 01/20/2026 | 06/26/2026 | During March PTCs and after reviewing OORS data, we will invite parents in on a one to one bases to share the goal and address any needs for student success. Teachers will continue outreach during OPW. Parent Coordinator will hold workshops for parents on SEL. These workshops will also include parent strategies for addressing behaviors at home. | School staff/students/parents and family/GRYC/Western Queens/ Organizations TBD based on availability of parenting workshops. |

# Priority 2 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

### Human Resources

Administrators, Climate teams, consisting of the AP, GC, dean, STH social worker and community coordinator. school aides, parents and families.

### Instructional Resources

Harmony curriculum, Leader In Me Materials, School created advisory lessons. Others to be determined as the need arises during the school year. If budget allows, artistic residencies such as Ping Chong, Musical IQ, Inside Broadway.

### Schedule Adjustments

No major schedule adjustments necessary, Adjustments as needed if higher needs arise and need to be addressed. For example, if we see an increase in incidents in a particular grade, we will adjust a daily schedule to accommodate an advisory period or a whole grade assembly. Individual students may receive additional at risk counseling during the school day.

### Other Resources Needed

Will be determined if needed, as the year progresses.

# Section 5: Priority 3 – All students have a high-quality academic experience

## Priority 3 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| When looking at historical data, we have seen a decrease in our MOY scores. | MAP Winter window is given in mid to late January between two vacations. Students who are absent do not always make up the test under formal testing conditions. They may be more distracted because they test in a hallway or a loud classroom. | In depth review of exam administration. Providing students who were absent the opportunity to take the exam under true test conditions. Use of New Visions/MAP data to identify further trends. |
| MAP growth in Grade 4 (now Grade 5) is at 42% and although there was growth from 3rd to 4th | We have tracked students in Grade 5 over the past 4 years, as they were the students who started Kindergarten during the hybrid year. | Prioritizing the data received from MAP and from HMH assessment in order to place student in correct tiers of MTSS intervention. |

| | | |
|---|---|---|
| grade, there is still not adequate progress | Some students had interrupted in person education due to shutdowns | |
| | | |

# Priority 3

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for High Quality Academics**

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

# Priority 3 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 76% | <School Name> will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By August, 2026, the percentage of students scoring at or above grade-level proficiency will Increase by 4% from 76% to 80%, for All Students, as measured by NYS Math exam. |

# Priority 3 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

# Priority 3 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

ILT will review the results from June 2025 in September  and then not trends from BOY to MOY.

The ILT will review the MAP Growth screener data from June 2025 during the September planning meetings to establish a baseline. The team will then monitor trends from the BOY and the MOY assessments to identify progress and areas of need. Using BOY data, the ILT will analyze specific skills where students are underperforming and use this information to:

-Target small group instruction aligned to identified skills and standards.

-Provide Tier 2 math instruction where scheduling permits, prioritizing students demonstrating the greatest need.

-This data-driven approach will ensure instructional support is timely, focused, and responsive to student performance trends.

Look at specific skills where students are underperforming based on BOY data
Targeting small group instruction based on skills and standards
Tier 2 Math instruction where we can schedule

**Root Cause Addressed:**

The trend is showing that the middle of the year map assessment is yielding negative growth. Students scores are decreasing but increasing from BOY to EOY.

The assessment becomes more challenging during this time of the year and students struggle due to inconsistent tiered systems of support. We have had to pull our intervention teacher out to cover a sudden leave.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| adjust the time the students take the test. Test will start in a window that is not immediately after the school breaks. A schedule of test administration will be done by the APs and shared among the grade bands, so teachers test at like times. This will also keep the pacing of HMH units intact and prevent classes in grade bands from moving ahead or far behind. |
| students who are making up due to absence should be given appropriate testing conditions. Attendance will be generated after each admin window and students will be proctored by a coach. |
| Tiered Instruction. Identifying and implementing a clear structure of Tier 1, 2 and 3 support based on results. Looking at AIS/WIN/SRP periods, particularly in the mid grade bands. |
| Small group instruction - within the class as a Tier 1 plan. |
| |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

MAP results
Classroom Assessment Data
Item Skills Analysis from State exam

During bi- monthly ILT meetings, the team will review data from these three primary sources to discuss revolving next steps. For example, we will look at the ISA and choose two skills that students are falling behind in.  During common planning, teacher teams will work together on planning strategies to raise the growth level of students not performing well in specific ISA categories.

Coaches in ELA and in Math will work with teacher teams to address where we are seeing gaps in instruction. During teacher team meetings, Monday PD cycles and sessions with HMH and Fundations coaches, we will better target the needs of the students based on this data.

# Priority 3 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/08/2025 | 01/16/2026 | FAST Math (Families Achieve Success Together) family engagement time where we work with parents and children to develop math skills, SLT - looking at data together, sharing ideas and action planning parent engagement opportunities (workshops, meetings etc) - some TBD based on PAC | community partners TBD, 102 staff, families |
| 01/20/2026 | 06/26/2026 | FAST Math (Families Achieve Success Together) family engagement time where we work with parents and children to develop math skills, SLT - looking at data together, sharing ideas and action planning parent engagement opportunities (workshops, meetings etc) - some TBD based on PAC and budget | community partners TBD, 102 staff, families |

# Priority 3 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

**Human Resources**

staff, students, families, community partners TBD

**Instructional Resources**

Envision Math, Exact Path

**Schedule Adjustments**

TBD

**Other Resources Needed**

n/a

# Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

## Priority 4 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| amount of elementary students participating in the RISE program has increased. Based on NYC Rise Program data, 377 students are participating in the RISE program | communication to families about the program - we did a more effective job at family outreach and explaining the benefit of the program. | The school will develop and implement a culturally responsive, differentiated family outreach and communication strategy to increase awareness and participation in NYC RISE. |
| | | |

| | | |
|---|---|---|
| | | |

# Priority 4

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for College and Career Readiness**

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

# Priority 4 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 38% | <School Name> will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the percentage of active NYC RISE college savings accounts for All Students will Increase by 10% from 38% to 48% as measured by NYC RISE enrollment reports. |

# Priority 4 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

# Priority 4 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

**Enter a Key Performance Indicator**

**Baseline:**

**Enter the date for the baseline data:**

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

# Priority 4 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

We will introduce the program at our 1st and 2nd PA meetings, addressing the success we've had and the benefits to students as they prepare for their future.
Other steps in action plan TBD throughout the year

By June 2026, the number of schools participating in 2 or more of the following Civics for All components; Project Soapbox, Participatory Budgeting, and Take Action, will increase 25 percentage points from 47.5% to 72.5%, as measured by our District Civics for All Engagement Tracker.

By June 2025, all school Civics Points were asked to complete a 2025-2026 Civics for All (CfA) Implementation Plan. District expectations around that plan were shared during the April Civics Points meeting and the session slide deck can be found in our D24 Civics for All Community of Practice Google Classroom. It is through these individual implementation plans, which should show growth in all (including a minimum of 10 CfA curriculum lessons and participation in Civics Week) areas from the 2024-2025 plans, that we will begin to track school engagement. Schools should consider ramping up the number of students- one grade level to multiple grade levels or a grade band, etc. to ensure the number of students with access to Civics Education continues to expand each year.)

**Root Cause Addressed:**

Parents seem unclear of the program benefits
"Free" money

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| more PA and PAC involvement in sharing information - during monthly meetings, create an agenda that reflects the benefits of the NYC RISE program |
| disseminating literature in home languages, three times a year we will send out literature that shares the value of the program |
| Continued use of the GAMA system by the PC to keep families informed. |
| Run quarterly reports in October, January, late March and June in order to check our progress and develop further steps to take if we aren;t seeing an increase in families that have completed Building Block 1 |
| |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

During monthly PA executive board meetings, we will share the response rates for the program. Brainstorming with this cohort of parents to develop a system that promotes NYC RISE and the college education experience.
Similarly, during our PA meetings, we will include it as an agenda point.
My PC will offer quarterly parent workshops to assist parents who are 1. interested in the program 2. unsure of how to navigate the platform 3. unclear about the long term benefits of the program.

# Priority 4 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 10/15/2025 | 02/13/2026 | family outreach - providing workshops that educate the families about the program. Ask for parent volunteers to share their experience with the system and why they believe it will be beneficial - this can be done at monthly PA meetings and quarterly meetings set up by our PC | school staff, parent coordinator and families. We will look into Central DOE support - can someone come in to speak to the parents? |
| 02/23/2026 | 06/26/2026 | family outreach - providing workshops that educate the families about the program. Ask for parent volunteers to share their experience with the system and why they believe it will be beneficial - this can be done at monthly PA meetings and quarterly meetings set up by our PC | school staff, parent coordinator and families. We will look into Central DOE support - can someone come in to speak to the parents? |

# Priority 4 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

**Human Resources**

PA Exec Board, PA. parent volunteers, PC, potentially Central reps from NYC RISE program

**Instructional Resources**

NYC Rise literature, web site information, RISE platform for PC and Admin

**Schedule Adjustments**

TBD

**Other Resources Needed**

na

# Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

## Priority 5 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| Over the last two years, based on the NYC Schools Quality Report there has been slight | time of events, ability for parents to get to the school for them, limits to seating | Review of several components around family engagement events, including time of events, staff capacity and family capacity. This can |

| | | |
|---|---|---|
| decrease in parent involvement in school, with 88% of parents responding favorably about school involvement and communication | availability, the way we desiminate information and provide opportunities for families to join school community events | include but not be limited to: parent surveys regarding best times to hold events. Ensuring a complete and comprehensive way to translate all family facing documents going home with the students. |
| | | |
| | | |

# Priority 5

**Directions:** After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Focus Areas for System Responsiveness to Parents, Families and Communities**

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

# Priority 5 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| Parents of All Students | 88% | <School Name> will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the percentage of parents/families attending at least 2 in-person school events will Increase by 5% from 88% to 93 as measured by NYC School Survey Results. |

# Priority 5 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

NYC School Survey

**Enter a Key Performance Indicator**

percentage of parents/families attending at least 2 in-person school events

**Baseline:**

NYC School survey reported 89% parent satisfaction

**Enter the date for the baseline data:**

June 2025

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

88

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

91

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

93

# Priority 5 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). # Priority 5 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

Working closely with Ms. Rendon, the PC and the PA/PAC to determine what school wide events appeal to families
Send out parent surveys that inquire about family needs and wants for school events: Offer a variety of event formats—including morning, evening, weekend, and virtual options—to maximize participation and accommodate both family schedules and staff availability. This flexible approach can aim to create more equitable access to school events and ensure broader family engagement.
More TBD based on family needs as they come up throughout the school year.

**Root Cause Addressed:**

We sometimes have to limit capacity due to space issues or faculty availability.
Parents schedules impact ability to attend events
We had not done an effective job gathering data that indicated parent preferences

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| more family events tailored to specific grades or grade bands - K-2, 3-5 and 6-8 events |
| events at different times of the day - morning, during the day where possible and early evening (if possible, also based on staff availability) |
| Confer with the PA and the PAC to gather parent feedback - both formally through surveys and informally through word of mouth |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

# Priority 5 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/04/2025 | 01/05/2026 | reviewing surveys that determine highest priority of wants, needs and interest, parent feedback forms- both more formal and informal Monthly PA meetings and SLT - where parents have a forum to ask for academic and extra curricular programs. | families, school community |
| 01/06/2026 | 06/01/2026 | reviewing surveys that determine highest priority of wants, needs and interest, parent feedback forms- both more formal and informal Monthly PA meetings and SLT- where parents have a forum to ask for academic and extra curricular programs. | families, school community |

# Priority 5 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

**Human Resources**

Parents and families, school staff, including parent coordinator, admin, climate teams, teachers and members of ILT (when programs are instructionally based)

**Instructional Resources**

TBD

**Schedule Adjustments**

Ongoing, as needed

**Other Resources Needed**

vendors that provided: academic support and information, engagement resources (event companies) etc...

# Section 5: Attendance/Chronic Absenteeism

## Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| Over the last two years the chronic absentee rate has been decreasing, data based on the New Visions portal. It has decreased from 24% to 19% | The school has conducted more effective outreach to family, more supportive school environment. This has been done through the consistent alignment of data discussed during climate team meetings and having specific team member conduct outreach to specific families (based on grade bands, STH etc...) | Continue to focus on family outreach, leverage staff who works with chronically absent families. Staff includes the STH community coordinator and social worker, attendance teacher - both school and district level, school secretary, guidance counselor and new STH school aide position. |
| | | |
| | | |

| | | |
|---|---|---|
| | | |

# Attendance/Chronic Absenteeism

**Directions:** After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

**Systemwide Focus Area for Attendance/Chronic Absenteeism:** Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

# Attendance/Chronic Absenteeism SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 19% | By June, 2026, the Percentage of Chronically Absent Students for All Students will increase by 4%, from 19% to 15%, as measured by the New Visions Chronic Absenteeism Reports and ATS reports. |

# Attendance/Chronic Absenteeism Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

New Visions and ATS attendance reports

# Attendance/Chronic Absenteeism Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

Communication with families who are chronically absent
revising the work of the climate team/guidance counselors
STH attendance based incentives (academic and SEL)
leveraging school events to promote attendance

To reduce chronic absenteeism, the school will implement a targeted strategy focused on early intervention, communication, and positive reinforcement. Climate Team members and Guidance Counselors will conduct proactive outreach to families of chronically absent students. Weekly attendance data will drive early support and follow-up. The school will offer attendance-based incentives tied to academic and SEL progress, and use school events to celebrate student milestones and engage families. These efforts aim to build a school culture that supports and values consistent attendance.

**Root Cause Addressed:**

parent schedules - determining if work/personal schedules are preventing parents from getting their children to school (ex: do they work nights and are unavailable to get students to school on time or at all. Is child care an issue at home?)
social emotional road blocks- does the family need assistance or resources to assist them in getting their children to school?
transportation/distance - some families, our STH population in particular, sometimes relocates mid year. There is a lack of available DOE provided transportation and the reliance on public transportation or the new distance provides a hardship.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Parent outreach and support from our guidance and climate teams. Parent virtual meetings that introduce the team of people that families who are struggling can rely on |
| Engagement events that draw families to school - scheduling some during the school day to incentive student attendance |
| Partnering with community based organizations, including GRYC, to provide program options to support student attendance |
| increased STH support from the SW and the Community Coordinator through more outreach, ways to invite them into the building. Ex: Book bags filled with high needs items, parenting support classes etc... |
| |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

# Attendance/Chronic Absenteeism Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 10/01/2025 | 01/05/2026 | Family breakfast day - invite parents in with their children to have breakfast together before school. Outreach from the Climate team and school attendance teacher Incentive programs for improved attendance - a HW pass, an additional recess during a time of their choice...other incentives will be determined throughout the year through Climate Team collaboration. Partnering with GRYC to offer events and space in their after school program. | School staff, family members of chronically absent students, the students, and GRYC (CBO) |
| 01/06/2026 | 06/24/2026 | Family breakfast day/lunch - invite parents in with their children to have breakfast together before school. Outreach from the Climate team and school attendance teacher Incentive programs for improved attendance - a HW pass, an additional recess during a time of their choice...other incentives will be determined throughout the year through Climate Team collaboration. | School staff, family members of chronically absent students, the students, and GRYC (CBO) |

# Attendance/Chronic Absenteeism Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

### Human Resources

PS/IS 102 staff, parent workshops offered throughout the school year (parenting 101)

### Instructional Resources

na

### Schedule Adjustments

May be determined based on incentive idea (ex: if a student chooses an additional 15 min. of recess time, we will determine the best time/date for this to occur.

### Other Resources Needed

will be determined as needed

# Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

## High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.) |
|---|---|---|
| Based on 2022-2025 compliance reports we have not reach 100 percent compliance in meeting annual goals | Students not being seen by providers. There are no providers available to see the | IEP Development and Fidelity of Implementation |

| | | |
|---|---|---|
| | students Teachers not monitoring all goals | |
| Based on 2022-2025 vocational survey collection 85% of parent, teacher and student vocational survey have completed the survey on time in grades 5 to 8 | parents tend not to send back the surveys | Transition Planning and Compliance |
| For all students whose parents or teachers are considering an evaluation, the school psychologist will conduct the RTI. This will include at least 6 to 8 weeks of data collection to review student performance and behavior. | parents request evaluations with teacher knowledge or input | Referral Process and Equity |
| Based on 2022-2025 85% of IEPS will reflect student and parent voice in the PLOP | teachers not asking parents their opinions about their students during the IEP meetings | Equity in School Discipline |
| | | |

# High Quality Inclusive & Accessible Learning for Students with Disabilities

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:**

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

# High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| Students with Disabilities (SWD) | 86% | By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve Alignment of IEPs across present level of performance (PLOP) by a 14 percentage points Increase, from 86% to 100%, as measured by Annual progress report . |

# High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. # High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

# High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

**Key Strategy 1 (Required):**

1. Provide checklists for goal monitoring
2. Provide guidance  into the curriculum being taught that will meet goals
3. Provide professional development on progress monitoring tools
4. Parent summary of the strengths and weaknesses they see with their child's education and share  during the IEP meeting.
5. Provide RTI form for all teachers to contribute information about the student.
6. Provide all teachers with the IEP goal monitoring report.

**Root Cause Addressed:**

Students not being seen by providers. There are no providers available to see the students.
Teachers not monitoring all goals. Provide goal sheets for students and share the progress report of goal monitoring completion
Provide parents with a student update sheet before IEP meetings, to share their thoughts about their child's educational strengths and weaknesses.
Parents  request evaluations with teacher knowledge or input

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Provide professional development on progress monitoring tools |
| Allow time for teacher to input their progress monitoring |
| Share RSA letters and help parents find providers |
| Also parents to share their child's strengths and weaknesses on an interest form given to them before an IEP meeting. |
| Provide RTI forms to all teacher's who instruct the child who may be evaluated |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

Provide professional development on progress monitoring tools: will have meeting each quarter with the teachers to discuss goals and ways we can improve monitoring them.
Allow time for teacher to input their progress monitoring: providing time during OPW to complete reports
Share RSA letters and help parents find providers: services providers and teacher will meet with parents and help parents call agencies.

Also parents to share their child's strengths and weaknesses on an interest form given to them before an IEP meeting:. Provide interest sheets and allow parents to talk during the IEP meeting. Speak about this at the PCL meetings
Provide RTI forms to all teacher's who instruct the child who may be evaluated. Provide the Google form to all teachers

# High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

| Start Date | End Date | Multi-tiered Supports to Engage Family & Community | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/25/2025 | 09/25/2025 | Partners for Collaborative Learning (PCL) Back School breakfast and check up. Review IEPs | |
| 10/23/2025 | 10/23/2025 | PCL meeting on behavior strategies | N/A |
| 11/20/2025 | 11/20/2025 | PCL meeting with the Special Olympics | Special Olympics |
| 01/22/2026 | 01/22/2026 | PCL meeting topic to be determined based on parent input | N/A |
| 02/26/2026 | 02/26/2026 | PCL meeting with overview of includeNYC | includeNYC |
| 03/26/2026 | 03/26/2026 | PCL meeting with includeNYC about behavior support | includeNYC |
| 04/23/2026 | 04/23/2026 | PCL meeting topic to be determined based on parent input | N/A |
| 05/21/2026 | 05/21/2026 | PCL meeting topic to be determined based on parent input | N/A |
| 06/11/2026 | 06/11/2026 | END the celebration for the PCL committee | N/a |

# High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

**Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.**

**Human Resources:**

Coverages for IEP meeting. PCL budget for parent educational meetings and student activities.

**Instructional Resources**

n/a

**Schedule Adjustments**

IEP meetings

**Other Resources Needed**

N?a

# Section 6: Multi-Tiered Systems of Support (MTSS)

## Academic Support

**NYCPS Multi-Tiered Systems of Support (MTSS)** align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

**Tier 1** provides schoolwide, high-quality programming for all students, including SWDs;

**Tier 2** offers data informed small-group interventions for at-promise students; and

**Tier 3** delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

**Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.**

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

| Academic Support Indicate Tier 2 or 3 | Criteria for Determining Service | Program Type or Strategy | Service Delivery Model (Small group, one-to-one, tutoring, etc.) | When is Service Provided? (Before, during or after school) | Technology-Based Tool (Indicate Yes or No) |
|---|---|---|---|---|---|
| Tier 2 | analyzing data from assessments-MAP/Acadience/WIST/TOWSFR data | HMH/Envision Exact Path Fundations | Small Group | During school (pullout) After School | Yes |
| Tier 2 | analyzing data from assessments-MAP/Acadience/WIST/TOWSFR data | online ENL programs Exact Path | Small Group | Before/After School | Yes |
| Tier 3 | analysing assessment dataMAP/Acadience/WIST/TOWSFR data | Phonics for Reading, STARI, REWARDS | Small Grouo | During School - SRP | Yes |

# Student Social/Emotional Support

**Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.**

| Student Social/Emotional Support Indicate Tier 2 or 3 | Criteria for Determining Service | Program Type or Strategy | Service Delivery Model (Small group, one-to-one, tutoring, etc.) | When is Service Provided? (Before, during or after school) | Technology-Based Tool (Indicate Yes or No) |
|---|---|---|---|---|---|
| Tier 2 | based on OORS data and students entering the deans/guidance in need of support | Restorative Approaches School created Moozoom | whole class | once a week, during school | Yes |
| Tier 3 | At risk/students in crisis | guidance support approaches | small group | during the day after school clubs | No |
| | | | | | |

# Family and Community Engagement Around MTSS

**Describe how the school's essential components of MTSS are shared with families.**

As our MTSS plan unfolds information is shared with family at PA meetings, at SLT, and during parent engagement time with teachers. Information is sent out to parents that explains what MTSS is - what the tiered intervention means for their child's progress and what goals we hope to achieve through the intervention program.
We will invite kindergarten parents in for an overview of Acadience, MAP, and Exact Path since they are new to these programs. We want to ensure that they are able to navigate them and support their children at home.

**Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.**

Progress reports are sent after cycle of intervention - these indicate if the child has made improvements and will be moved to a different tier (3 to 2 or 2 to 1). We will provide next steps and potential supports the families can use at home to assist in their literacy journey.

**Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.**

We engage the families in similar methods for tier 2 and and tier 3 intervention.
Through progress reports, parent teacher meetings, IEP meetings, ENL parent meetings.
As it is more intensive, the meetings are more 1:1 based.

# Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

**Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.**

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

Below is the number of students in temporary housing who are currently enrolled at our school, categorized by specific housing type:

1. Doubled Up: 68 Students.

2. Living in a shelter or transitional shelter: 44 Students.

3. Living in a hotel / motel: 2 students.

**After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?**

After analyzing historical demographic, attendance, and achievement data for our Students in Temporary Housing (STH) population, several key trends have emerged.

One trend we observe is that when families secure permanent housing, many wish to continue their child's education at our school. In these cases, transportation arrangements—such as bus routes or MetroCards—must be coordinated to ensure consistent attendance. However, we have noticed that attendance can sometimes decline as families adjust to the increased commuting distance. To address this, our school team conducts consistent outreach

and partners closely with families to support both their logistical needs and their child's educational continuity. This often includes developing individualized family plans, holding meetings to discuss barriers, and, when appropriate, initiating conversations about transitioning to their zoned schools if that better meets the family's circumstances.

Another noticeable trend is the positive impact that accurate and timely bus setup has on attendance. When transportation is reliable, families are able to establish strong routines, leading to improved and consistent student attendance.

Lastly, we've found that access to essential resources significantly supports student attendance and engagement. Providing families with clothing, school supplies, nonperishable food items, hygiene products, and other basic necessities helps ensure students are prepared and ready to learn each day.

Through these observations, we continue to refine our support systems and strengthen our partnership with families to promote stability, access, and academic success for all students in temporary housing.

**Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?**

Title I funding is essential in supporting our Students in Temporary Housing (STH) population. Each year, we carefully analyze data from the STH Title I Survey to identify our students' most pressing needs and to ensure that our services are aligned with those needs. Our goal is to provide both educational and basic life supports that help families establish stability and students succeed academically.

In the previous school year, many of our families relocated to New York City for the first time and were unfamiliar with our winter climate. Based on survey feedback and observed needs, we allocated a portion of our Title I funds to provide winter coats, sweatpants, and crewnecks to ensure that students could stay warm, comfortable, and ready to learn. We also purchased nonperishable food items to support families facing food insecurity, particularly those without access to full kitchen facilities in their temporary housing. These items helped ensure that students remained nourished and focused during the school day.

From an instructional standpoint, our curriculum requires frequent use of technology. Recognizing that many STH students lack access to reliable internet or personal devices, we dedicated funds to provide Chromebooks and tablets equipped with LTE service, as well as headphones for both in-class and at-home assignments. This has helped bridge the digital divide and allowed our students to fully engage in their learning.

For the current school year, we plan to continue using Title I funding not only to meet academic and essential needs but also to promote social-emotional growth and family bonding. We aim to offer recreational opportunities such as field trips and community-based experiences (e.g., movie outings) that encourage families to create positive, shared experiences together.

Through careful use of the STH Title I Survey and ongoing communication with families, we ensure that our services remain responsive, equitable, and supportive of the unique challenges faced by students in temporary housing.

# Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

**How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.**

There are three students in Foster Care.
One student is in Grade 2
One student is in Grade 4
One student is in Grade 8

The students receive tiered support in their classrooms. One student is in a SC class, another in ICT and the third in a GE class. Depending on the academic need and the IEP, the students receive small group instruction, ENL services and are tiered for our phonics classes.

Students receive weeekly guidance support from counselors in their grade bands.

**What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?**

The students are not newly transitioned into foster care; however, when they were, we met with their foster parents for an in person support meeting to share what academic and social emotional supports were necessary. We have formed relationships with these families through daily communication as the transition occurred.

**After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?**

Each case is individualized, but we have seen trends that center around lower attendance as the transition is taking place. Outreach from the support team is vital in continuing education for these students and we consistently engage the foster families through our guidance and climate team, as well as our STH team.

Transportation can lend to attendance issues so we work closely with OPT to support travel to and from school.

Although achievement data sometimes takes a dip, we often see stable or increased achievement as supports are firmly established and communication at the school level becomes consistent.

**What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?**

1:1 counseling with guidance
group counseling where it is applicable
1:1 counseling with the STH social worker
Advisory periods with deans
Climate team support (including strategies that allow them to decompress: lunchtime yoga, Buddha box, mindfulness activities (Brain Power wellness)

When students feel at ease coming to school and have a place where they feel they belong, we have seen changes in their academic and behavioral needs. Students, not only in FC and STH, know that there are "go to" people for them across every grade band. Relying on these people daily have made a positive impact on student growth and achievement.

# Section 7: Parent and Family Engagement Policy and School-Parent Compact

## Parent and Family Engagement Policy

**Directions:** The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

**Parent and Family Engagement Policy**

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

### Support for Parents and Family Members of Title I Students

PS/IS 102Q will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

### Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
? actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
? engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
? ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
? support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
? maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
? conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support

services; and technology training to build parents' capacity to help their children at home;
? provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, NYC School Survey Report;
? host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
? schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
? translate all critical school documents and provide interpretation during meetings and events as needed.

### Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents; establishing resources for the social and emotional well being
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

# School-Parent Compact (SPC)

### School-Parent Compact (SPC)

PS/IS 102Q, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

### I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

### I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

### I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

### I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

### II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

### III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- inform a trusted adult in school if I need help with something related to my school or home life;
- always try my best to learn.

# Title I Program Information

## Part 1: Title I Program Type

**Title I Requirements and Strengthening Title I Parent Involvement:** Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

**Your school's Title I Program**

SWP

# Part 2: All Title I Schools

**High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.**

We will offer continued PD in accordance with the teacher's contract on Monday morning.  PDs will be centered on literacy and math skills based needs of the students.

Continued MAP and Acadience training for new teachers or teachers who have switched grade bands.

Trainings for all teachers in HMH, Fundations, Exact Path, (additional phonics programs for tier 2 and tier 3)

PD for SEL and Restorative Practices to target the social emotional growth of students.
Central and District PDs that are offered throughout the school year.

# Part 4: Schoolwide Program (SWP)

**Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).**

We have worked with the PK coaches throughout the year to align the PK program as a way to prepare PK students to enter Kindergarten

Our PreK and Kindergarten teachers meet in April, May and June to begin transition protocols

PK students are invited into the Kindergarten classes in June to meet their teachers

Early intervention services are suggested based on in house KIP reports

# Part 5: "Conceptual" Consolidation of Funds in SWP Schools

**Directions:** All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

| Program Name | Fund Source (i.e. Federal, State or Local) | Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts) | Column A Verify with an (X) | Column B Section/Priority Reference(s) |
|---|---|---|---|---|
| Title I, Part A (Basic) | Federal | $603,588 | | |
| Title I, School Improvement 1003(a) | Federal | | | |
| Title II, Part A | Federal | $34,065 | | |
| Title III, Part A | Federal | 56,816 | | |
| Title III, Immigrant | Federal | | | |
| Title IV, Part A | Federal | | | |
| Tax Levy (Fair Student | Local | $9,393,840 | | |

| | | | | |
|---|---|---|---|---|
| Funding) | | | | |

# Explanation/Background

**1. Explanation/Background:**

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

**Title II, Part A:** Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

# Submission Assurances

## Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

# Language Allocation Policy Outline

## Language Allocation Policy Outline

**2025-26 Language Allocation Policy (LAP)**

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents.  When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

# Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

# A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

**Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.**

| Member Title | Name |
|---|---|
| Principal* | Catherine Weinstein |
| Assistant Principal (Where Applicable)* | Suzanne Sheerin |
| English as a New Language (ENL) Teacher* | Thiri Myint |
| Teacher (if school has a bilingual program must be a bilingual teacher)* | Elisha Song |
| Parent/Guardian* | Anna Joa |
| Teacher | |
| Parent Coordinator | |
| School Counselor | |
| Related-Service Provider | |
| Other (Name and Title) | |
| Other (Name and Title) | |

# B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

# 1. English to Speakers of Other Languages (ESOL) Certified Teacher

**Number of ESOL certified teachers currently teaching ENL:**

7

**Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:**

2

**Number of certified ESOL teachers not currently teaching ENL:**

2

**Number of teachers who hold both content area/common branch and ESOL certification:**

3

**Number of ESOL certified teachers with a bilingual extension:**

0

# 2. Certified Teachers with a Bilingual Extension

**Number of certified teachers with a bilingual extension currently teaching in a bilingual program:**

2

**Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:**

0

**Number of teachers certified to teach students with disabilities that also have a bilingual extension:**

0

# 3. Language Other than English (LOTE)/World Language Certified Teachers:

**Total number of teachers with LOTE certification:**

3

**Total number of teachers with LOTE certification providing World Language instruction:**

2

**Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:**

0

# C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

**Total number of students (excluding pre-K):**

1055

**Total number and percentage (%) of current ELLs:**

223 (21.14%)

**Total number and percentage (%) of former ELLs:**

112 (10.62%)

**Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):**

189 (84%)

**Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):**

29 (12.9%)

**Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):**

7 (3.1%)

**Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):**

5 (2.2%)

**Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):**

52 (23.1%)

# Part II: Bilingual Programs

**Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?**

Yes

**Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.**
**Please include the total number of classrooms for each bilingual program in the last column.**

| | Program Type | Language | School Yr Opened | k | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | Totals |
|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|
| TBE | | | | | | | | | | | | | | | | | 0 |
| TBE | | | | | | | | | | | | | | | | | 0 |
| TBE | | | | | | | | | | | | | | | | | 0 |
| DLBE | GE | Mandarin | 2017-2018 | 1 | 1 | 1 | | | | | | | | | | | 3 |
| DLBE | GE | Mandarin | 2025-2026 | | | | 1 | | | | | | | | | | 1 |
| DLBE | | | | | | | | | | | | | | | | | 0 |
| | | | | total: 1 | total: 1 | total: 1 | total: 1 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | |

# Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

**a. English as a New Language (ENL)**
**Stand-alone ENL:**

We currently have seven ENL certified teachers servicing the ML/ELL population in our school. We use the Standalone model to service our Entering/Emerging ML/ELL population. We refer to the new CR Part 154 requirements for English Language Learners (ELLs) to assure that our ELLs are receiving the mandated units of the standalone ENL services. When teachers use the Standalone model, they are working with students in small groups, based on proficiency levels and providing standalone units to that group. When grouping the students, we don't mix the grade levels; we group them homogeneously by their proficiency level within a grade. When we provide stand alone ENL to our students, we reinforce the skills that they are learning in class and provide them additional support in areas of their language needs.

Our ENL teachers design ENL instruction based on English proficiency levels per the NYSITELL and the NYSESLAT. For all the newly admit ELLs, we use the NYSITELL data to group by their levels. For all the in-program ELLs, we use the NYSESLAT data to group by their levels. The English proficiency levels of our ENL students range from Entering to Expanding and we drive our instruction to support the language acquisition needs of all ELLs. For example, for Entering/Emerging ELLs, we make sure to read to them everyday. When choosing books for them, we make sure to choose books that contain numerous illustrations that help clarify the text, story plots that are action-based, and books that have limited text on each page. Additionally, we also choose books that contain repetitive and predictable phrases and text that employs simple sentence structures. Whenever necessary, we make sure to teach them the alphabet because newcomers' schooling and literacy skills vary dramatically. Preliterate students and literate newcomers who speak a language that does not use the Roman alphabet need direct instruction in letter recognition and formation as well as beginning phonics. Therefore, we make sure our instruction tailor to this language need of our Entering/Emerging ELLs. We also use audio books, or podcasts of the stories that they are reading in class, so that our Entering/Emerging ELLs have the opportunity to listen to a story and read along as many times as they wish. If the stories haven't been recorded, our ENL teachers would set up a voice recorder and record stories as they read. We also make sure to support our Entering/Emerging ELLs by using their home language through Immersive Reader.

To support our ELLs who are at the Transitioning and Expanding levels, we use various ENL methodologies. Students at the Transitioning and Expanding levels already know the basic conversational English language, hence it's important for us to make sure that our instruction supports the high literacy demands of the Next Generation Learning Standards. A primary difference in the Transitioning/Expanding student and the Entering/Emerging student is that the Transitioning/Expanding student can recognize the difference in issues related to the sound systems and those related to language structure. They are able to recognize the differences in idioms and expressions, and they can appreciate a modern-linguistics approach as it becomes clear to them. Literacy is always an issue on any level of language learning; reading comprehension and fluency become a concern to Transitioning/Expanding students, as they delve more into dense-text and academic reading materials. Hence, we use the following teaching strategies to support our Transitioning/Expanding students:
- Check for comprehensible input and output
- Create peer-review activities for writing chart errors for self and one another

- Use a lexical approach to build meaningful vocabulary
- Develop strategies for mastering specific competencies
- Brainstorm discussion starters and then practice them
- Develop activities for listening skills
- Team up with others for oral presentations

**Integrated ENL:**

When teachers use the Integrated model, they are providing the mandated ENL minutes during ELA or other content areas, depending on the students' level of proficiency within that class. ENL teachers collaborate with classroom teachers to provide differentiated instruction to support the ELLs in ELA and other content areas. The overall goal is to incorporate ENL strategic instruction and methodologies in every lesson. At the end of every school year, administrators, classroom teachers and ENL teachers collaborate to reorganize the ENL population into classes for the upcoming school year. Students are grouped based on their English proficiency level in order to meet the mandated number of instructional minutes. Many classes with a large number of ELLs are homogeneously grouped (for example, former ELLs were all placed in the same class on each grade). This helps teachers target specific needs of and maximize instruction. When grouping the students, we don't mix the grade levels; we group them homogeneously by their proficiency level within a grade (for example: Entering and Emerging students will be in one class while Transitioning/Expanding in another class, former ELLs in another class).

At PS/IS 102, we strive our best to make sure that our integrated ENL instruction supports ELLs' language acquisition needs and content knowledge. Classroom teachers and ENL teachers regularly plan cooperatively and use a variety of co-teaching methods to deliver integrated ENL collaboratively. For integrated ENL periods, ENL teachers push into the classes to provide support and materials. When delivering lessons, both classroom teachers collaboratively create integrated tasks/assignments with appropriate scaffolds and multiple opportunities to meet the individual language needs of ELLs and former ELLs. For example, in 2nd grade, when teaching the "Animal Research" unit in science, the core content area teacher would write her lesson plans that include the content objective and the procedures. The lesson plans are being shared with the ENL teacher on Google Drive, where the ENL teacher would include the language objective, academic vocabulary, building background knowledge and differentiation for the Entering, Emerging, Transitioning, Expanding and Commanding ELLs. Both teachers then meet again to discuss the lessons for the week and make adjustments as necessary. Students are given many opportunities to share and present their work, such as presenting verbally in the class, creating a book about their favorite animal, or using Flipgrid to record a video of them explaining the life-cycle of an animal. Along with providing many opportunities for the ELLs, both the classroom teacher and the ENL teacher also make sure that they are including the four modalities of the English language with each lesson and interaction. Additionally, both teachers would provide feedback on each student's work.

**b. Bilingual Education (If applicable)**
**Transitional Bilingual Education (TBE):**

N/A

**Dual Language Bilingual Education (DLBE):**

ELLs in our Dual Language program receive at least 180 minutes of Home Language Arts per week. Reading/Writing and content areas (math, social studies) are provided in both Mandarin and English. They also receive mandated ENL minutes according to their proficiency levels. Entering and Emerging students receive 360 minutes per week, Transitioning and Expanding students receive 180 minutes per week and Commanding students receive 90 minutes per week. ENL students in Dual Language program are grouped homogeneously in order to provide level-appropriate instruction. Our Dual language teachers and ENL teachers make sure that Stand-alone and integrated ENL support ELLs' language acquisition needs and content knowledge in the context of the dual language program. Our ENL teachers design ENL instruction based on English proficiency levels per the NYSITELL and The NYSESLAT. For all the newly admitted ENL students in the Dual language setting, we use the NYSITELL data to group by their levels. For all the in-program ENL students in the dual language, we use the NYSESLAT data to group by their levels. The English proficiency levels of our ENL students range from Entering to Expanding and we drive our instruction to support the language acquisition needs of all ELLs. For example, in the Dual Language program, we use student's home language as a resource for them to learn English. By using their home language as a tool, we encourage students to see connections between their languages and, thus, to better understand how languages are structured and organized. We also use student's home language as part of phonological and metalinguistic awareness exercises to facilitate reading acquisition, such as, "say words that start with the same sound(s) in English or the home language." Additionally, by using their home language as a resource, students learn how words are changed and formed in the home language — singular and plural forms, present tense and past tense forms of verbs — to enhance their word knowledge.

The goal of the PS/IS 102 Dual Language Program is to develop students' proficiency in both English and home language through integrated instruction that fosters academic achievement, bilingualism, biliteracy, and cross-cultural understanding. This aligns with New York State's goal of promoting biliteracy and bilingualism by ensuring that students become fluent and literate in English and their home language. By providing equitable access to rigorous, standards-based instruction in two languages, the program supports students in becoming global citizens who can thrive in a multilingual and multicultural society, ultimately preparing them for the NYS Seal of Biliteracy and success in college, career, and civic life.

**2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?**

Our school refers to the new CR Part 154 requirements in order to ensure that the mandated number of instructional minutes is provided to all ELLs. In the Freestanding ENL Program, Entering students receive a total of 360 ENL minutes per week, 180 of which are standalone ENL and 180 are integrated ENL/ELA. Our Emerging students also receive 360 ENL minutes a week. They receive a minimum of 90 minutes of standalone ENL and a minimum of 180 minutes of ENL/ELA. The remaining 90 minutes can be utilized by either providing additional standalone or ENL (with ELA or any other content area) support. Our Transitioning and Expanding students receive a total of 180 minutes of ENL instruction per week. Transitioning students receive a minimum of 90 minutes of integrated ENL/ELA and the other 90 minutes can be used by either providing standalone ENL or ENL (with ELA or any other content area) support. Expanding students receive all 180 minutes as integrated ENL/ELA or other content area. Under the new regulations, former ELLs are also entitled to receive ENL support for two years. Therefore, our Commanding students receive 90 minutes of ENL instruction a week. They receive 90 minutes of integrated ENL/ELA or other content area. The ENL teachers customize their programs and schedules based on their students' proficiency levels to ensure that the mandated minutes are met. In our Dual Language Program, ELLs receive at least 180 minutes of Home Language Arts per week. Reading/Writing and content areas (math, social studies) are provided in both Mandarin and English. They also receive mandated ENL minutes according to their proficiency levels as mentioned above. All the ENL and Dual Language teachers ensure that all mandated minutes are provided on a day to day basis by following the schedules made for their specific program.

To ensure that mandated minutes are delivered properly as per CR Part 154, our school has seven TESOL certified teachers who solely provide integrated and stand-alone ENL services. Ms. Garcett provides the mandated ENL minutes in Kindergarten across all 4 proficiency levels ranging from Entering to Expanding. She provides a total of 360 minutes to Entering/Emerging students and 180 minutes to Transitioning/Expanding students. Ms. Myint provides the mandated ENL minutes in 1st Grade across all 4 proficiency levels ranging from Entering to Commanding. She provides a total of 360 minutes to Entering/Emerging students, 180 minutes to Transitioning/Expanding students and 90 minutes to Commanding students. Ms. Kim provides the mandated ENL minutes in 2nd Grade across all 4 proficiency levels ranging from Entering to Commanding. She provides a total of 360 minutes to Entering/Emerging students, 180 minutes to Transitioning/Expanding students and 90 minutes to Commanding students. Ms. Garcia provides the mandated ENL minutes in 3rd Grade across all 4 proficiency levels ranging from Entering to Commanding. She provides a total of 360 minutes to Entering/Emerging students, 180 minutes to Transitioning/Expanding students and 90 minutes to Commanding students. Ms. Lin provides the mandated ENL minutes in 4th Grade and half of 5th Grade across all 4 proficiency levels ranging from Entering to Commanding. She provides a total of 360 minutes to Entering/Emerging students, 180 minutes to Transitioning/Expanding students and 90 minutes to Commanding students. Ms. Cheng provides the mandated ENL minutes in the other half of 5th Grade and all of 6th Grade across all 4 proficiency levels ranging from Entering to Commanding. She provides a total of 360 minutes to Entering/Emerging students, 180 minutes to Transitioning/Expanding students and 90 minutes to Commanding students. Lastly, Ms. Connolly provides the mandated ENL minutes in 7th and 8th Grade across all 4 proficiency levels ranging from Entering to Commanding. She provides a total of 360 minutes to Entering/Emerging students, 180 minutes to Transitioning/Expanding students and 90 minutes to Commanding students.

**3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?**

Our school refers to the new CR Part 154 requirements in order to ensure that the mandated number of instructional minutes is provided to all ELLs. In the Freestanding ENL Program, Entering students receive a total of 360 ENL minutes per week, 180 of which are standalone ENL and 180 are integrated ENL/ELA. Our Emerging students also receive 360 ENL minutes a week. They receive a minimum of 90 minutes of standalone ENL and a minimum of 180

minutes of ENL/ELA. The remaining 90 minutes can be utilized by either providing additional standalone or ENL (with ELA or any other content area) support. Our Transitioning and Expanding students receive a total of 180 minutes of ENL instruction per week. Transitioning students receive a minimum of 90 minutes of integrated ENL/ELA and the other 90 minutes can be used by either providing standalone ENL or ENL (with ELA or any other content area) support. Expanding students receive all 180 minutes as integrated ENL/ELA or other content area. Under the new regulations, former ELLs are also entitled to receive ENL support for two years. Therefore, our Commanding students receive 90 minutes of ENL instruction a week. They receive 90 minutes of integrated ENL/ELA or other content area. The ENL teachers customize their programs and schedules based on their students' proficiency levels to ensure that the mandated minutes are met. In our Dual Language Program, ELLs receive at least 180 minutes of Home Language Arts per week. Reading/Writing and content areas (math, social studies) are provided in both Mandarin and English. They also receive mandated ENL minutes according to their proficiency levels as mentioned above.  We provide Home Language support to all ELLs to help develop their second language skills and maintain their cultural identity.  We do this by encouraging parents to use their home language at home by reading, singing, telling stories, and talking together; providing books, resources, websites, and apps in the student's primary language; and inviting students to share similarities and differences between their home language and English, and incorporate their home language into projects and lessons.

**4. For schools with Dual Language Bilingual Education (DLBE) programs:**

**a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.**

At PS/IS 102, our Dual Language program is implemented by using the Side by Side model. English proficient students and ELLs are both taught in 50% English and 50% Chinese. Both student populations are integrated at all times for the instructional day. It is a two-way dual language program. The program includes both native English speakers and ELLs. The teachers provide instruction in both English and Chinese.

**b. In which language(s) is each core content area taught?**

Core content area is taught in both English and Mandarin (50% each).

**5. For schools with Transitional Bilingual Education (TBE) programs:**

**a. Which core content areas are taught bilingually?**

Not Applicable

# Part IV: Data Analysis

## Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

**1. What is the composition of the ELL subgroups at your school?**
**What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?**

According to the Spring 2025 NYSESLAT, the following data is revealed:

77.6 % of our ELLs are Newcomers, and 3.1% of our ELLs are Developing or Long-Term ELLs. Effective services for Newcomers differ from those provided to Developing or Long-Term ELLs. Newcomers receive the mandated number of minutes per week of ENL instruction based on their proficiency level and in accordance with NYS CR Part 154. Since many newcomers arrive with little to no English in any of the four language skill areas and often with little to no literacy skills in their home language, our newcomers will receive ENL services that are intended to provide both content area and language instruction. Literacy and language development will take place through student participation in the reading and writing instruction in their classrooms as well as further more specialized instruction from their ENL teacher. ENL teachers will work to make content area and language instruction more accessible to students by employing sheltered English content instruction as well as scaffolding techniques. Teachers will meet individual student needs through conferring and small and strategy group lessons. In addition to these supports, newcomers should also receive extra attention through after-school programs and additional academic intervention.

**What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?**

According to the Spring 2025 EDAT report, 0.3% of our Newcomers are Students with Inconsistent/Interrupted Formal Education (SIFE). Students with Interrupted Formal Education (SIFE) require special attention in order for them to succeed in our educational system. Instructional approaches used to reach SIFEs will vary depending on factors such as home language and the level of home language literacy skills. We differentiate instruction for SIFE students in many ways. Students with Interrupted Formal Education (SIFE) are placed in the most appropriate classrooms based upon their academic level, age, and English proficiency level. For example, a SIFE in third grade may need instruction in order to develop literacy skills that his or her peers received in earlier grades. Additionally, a SIFE will receive the opportunity to practice these skills in an age appropriate environment. SIFEs will also be grouped together with peers in order to provide motivation, support, and language acquisition opportunities. Each individual case is treated with care, and we offer as many additional services as possible to the student to help

bridge the academic gap in their education. These students will receive the mandated number of minutes per week of ENL instruction based on their proficiency level and in accordance with NYS CR Part 154. We will also provide additional interventions during the school day based on the student's individual needs. We will also offer the student an opportunity to attend ourENL Early Morning or our After School Program. Additionally, SIFE students will receive emotional support from the guidance department.

**What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?**

According to the Spring 2025 EDAT report, Long-Term ELLs make up 3% of our ELL population. Effective services for Long-Term ELLs differ from those designed for Developing ELLs. Our 4-6 year ELLs are considered Developing ELLs and they receive the mandated number of minutes per week of ENL instruction based on their proficiency level and in accordance with NYS CR Part 154. We continue to provide instruction for this subgroup based on their proficiency level and NYSESLAT modalities. Students are grouped based on their needs and small group instruction is provided to help students become proficient in all four modalities. During small group instruction, teachers use the Comprehension Strategies Kit to reinforce key skills and strategies and build academic language using both fiction and nonfiction texts. Developing students are also invited to attend the ENL Early Morning Program where they will receive 60 minutes of instruction once a week. To provide the best support for them, we organize curricula around themes to facilitate students' content knowledge and academic vocabulary. We also scaffold the content knowledge to make it more accessible to students. In addition, we will incorporate students' backgrounds, cultures, home languages and experiences into our lessons. We would constantly build students' confidence in being able to learn a new language (English) in order to keep them motivated and engaged so that they can be academically successful. We service our longterm ELLs under the belief that each student progresses at his or her own rate through the language acquisition process.

**What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?**

Former ELLs make up 10% of our ENL population as per the Spring 2025 NYSESLAT. We use Alternative Pathways to support Former ELLs' language development and academic progress. For at least two school years following the school year in which a student is exited from ELL status, the student receives a minimum of 0.5 units of study (90 minutes per week) of Small Group Learning (option A). When implementing the Small Group Learning option, the general education teacher would consult with the ENL teacher, and FormerELLs are being scheduled twice a week (45 min each session) to target any language needs that they need. Then the general teacher would progress monitor their performance, via formal/informal formative assessment as well as a mid-year screening assessment, to gauge their skills and identify next steps for instruction.

**2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?**

When we look at the at-risk levels, we noticed that 0% of the ELLs are at the level 0, 48.7% of ELLs are at the level 1, 27.3 % of ELLs are at the level 2, 11.7% of ELLs are at the level 3, 10% of ELLs are at the level 4, 1.7 % are at the level 5, and 0.7% of ELLs are at the level 6. The trends that we notice is that the a high number of our ELLs are in temporary housing and also did not demonstrate sufficient ELP progress on the Spring 2025 NYSESLAT.

**3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?**

According to the 2025 EDAT report, we noticed that 50% of former ELLs are at level 0, 22.7% of former ELLs are at level 1, 22.7% of former ELLs are at level 2, 3% of former ELLs are at level 3, and 1.5% of former ELLs are at level 4. The trends that we notice is that a high number of our former ELLs have scored level 1 or 2 on the ELA and math.

**4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?**

The home language of ELLs with the two largest representation at our school are Spanish and Chinese. Since 2017, we have offered a Dual Language program to all students. We began offering it to our Kindergarten students in 2017, and we have grown into offering it to our first and second grade students. We are expanding the dual language program to third grade starting 2025. Fourth, fifth and sixth graders can continue this work as an elective. We support communication in students' home languages by encouraging parents to use their native language at home by reading, singing, telling stories, and talking together; providing books, resources, websites, and apps in the student's primary language; and inviting students to share similarities and differences between their home language and English, and incorporate their home language into projects and lessons.

Our school also have at least 13 dedicated Spanish bilingual staff, including teachers, counselors and school personnel who are fluent in both Spanish and English to ensure clear communication with students and families. Our school offers Spanish class in Middle school that support both native Spanish speakers as well as students learning Spanish as a second language. We implement culturally responsive teaching practices and curriculum materials to reflect and celebrate the diverse backgrounds of our Spanish-speaking communities.

Structures like family engagement times, translation services for all school communications and regular bilingual parent-teacher conferences help foster inclusive communication. Additionally, we plan to provide ongoing professional development to all staff to build linguistic and cultural competency, ensuring that Chinese and Spanish are not only accommodated but respected as a valuable asset in the learning environment.

**5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?**

The racial and ethnic classifications of ELLs at our school are Asians and Hispanics. ELLs are being included in planning and delivery of Culturally Responsive and Sustaining Education. Every teacher designs their lessons with the ELLs/MLs in mind. Some strategies that teachers use for Culturally Responsive and Sustaining Education are as follows:

- Setting high expectation for ELLs/MLs to engage in the same learning experience and learn the same content as non-ELLs
- Having ELLs/MLs work with non-ELLs
- Explicitly teaching students how to respectfully collaborate
- Using ELLs/MLs' experiences to activate prior knowledge
- Inviting ELLs/MLs to use their home language
- Reading books with characters who share ELLs/MLs' experiences
- Encouraging ELLs/MLs to share the connections between their lives and the topic
- Encouraging ELLs/MLs to process content in their home languages in addition to using English resources

- Pronouncing ELLs/MLs' names correctly
- Refraining from substituting ELLs/MLs' first name with an English nickname (unless it is their choice)

**6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?**

According to the 2025 Spring NYSESLAT, 75.3% of our ELLs have met the ELP sufficient progress and 24.7% of our ELLs did not meet the ELP sufficient progress. The trends that we notice is that out of 24.7 % of ELLs who did not meet the ELP progress, 22.3% of them are also in temporary housing.

**7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?**

When we reviewed the results of the 2025 NYSESLAT, we noticed the trends for each modality as follows:

Speaking: This is our biggest strength because students from across the grades scored high in the speaking modality.
Listening: This is our next area of strength as students scored high in the listening modality.
Writing: This is our biggest area of needs because students from grades 1 to 8 scored the lowest in the writing modality.
Reading: This is our next area of needs because students from across the grades scored low in the reading modality. When we looked at these trends, we realized that our ELLs/MLs need a lot of support in reading and writing.

**8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?**

When we looked at the Spring 2025 NYSESLAT and the ELA assessment, we noticed that 10.8% of our Commanding ELLs scored at the levels 3 and 4; 15.6% of the Commanding ELLs, 27.7% of the Expanding ELLs scored at the level 2; and 15.6% of the Transitioning ELLs scored at the level 1. When we looked at the Math assessment, we noticed that 7.4% of the Commanding and Expanding ELLs scored at the level 4; 5% of Entering, 5% of Emerging, 10% of Transitioning, 8.3% of Commanding and 2.7% of Expanding ELLs scored at the level 3; 15.7% of Transitioning, 16.6% of Expanding and 6.4% of Commanding ELLs scored at the level 2; 15% of Emerging, 20% of Transitioning and 16.6% of Expanding ELLs scored at the level 1.

**9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?**

There are 44 ELLs with IEPs. According to the 2025 NYSESLAT results, 3 of them scored at the Entering level, 3 at the Emerging level, 9 at the Transitioning level, 21 students at the Expanding level and 8 scored at the Commanding level. There are 3 students who are identified as SIFE. According to the 2025 NYSELSAT, 2 of them scored at the Entering level, and 1 at the Emerging level. According to the analysis of the 2025 NYSESLAT results, these students scored the lowest in speaking and writing modalities. Therefore, the factor that is impacting these results, aside from them having learning disabilities and lacking formal education, is expressive language.

**10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:**
**a. How many ELLs are on-track towards graduation?**

Not Applicable

**b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?**

Not Applicable

**c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?**

Not Applicable

**d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?**

Not Applicable

# Part V: ML/ELL Instruction

## Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

## Tier 1 Core Instruction

**1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?**

At PS/IS 102, we provide all ELLs with a high-quality academic experience that leads to deeper learning. We believe that high-quality academic experience for ELLs means curricula, teaching practices, and learning environments are standards-based, evidence-based, engaging, differentiated, culturally responsive, and data-driven. We strive to achieve these high-quality academic experience by implementing the following strategies at the school-level so that our ELLs can maximize deeper learning:

- Instruction is based on academic standards, behavioral expectations, and social and emotional competencies valued by the community and that lead to college and career readiness
- Academic, behavioral, social, and emotional curriculum are rigorous, relevant and aligned to Next Generation Learning Standards
- Teaching practices use high leverage evidence based and agreed upon instructional frameworks that develop learners' academic, behavioral, social, and emotional knowledge, skills, and habits
- Teaching strategies are differentiated, universally designed, and culturally responsive
- Instruction is delivered in well-managed settings where learners feel safe, supported and proud to be themselves
- Learner identities are positively represented in curricular materials and throughout the physical environment
- Messages of high expectations and care for each learner are conveyed
- Instruction is designed and delivered with understanding of and respect for the beliefs, practices, and experiences of learners and families
- Learners' success in mainstream society is achieved while sustaining learner identities, culture, and language
- Delivery of instruction is supported through professional learning and coaching
- Effectiveness of instruction is regularly reviewed through learner outcome and system implementation data at each level of support and adjusted as needed

**2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?**

At PS/IS 102, we believe that ensuring the success of MLs/ELLs requires the commitment of everyone in the school community. In our work
within our school, we have found that developing and communicating a unified vision for improving instruction and services for MLs/ELLs
is essential. To create this vision, the members of the Instructional Leadership Tem (ILT) serve as advocates for MLs/ELLs and inspire and
sustain a comprehensive commitment to the education of these students. PS/IS 102 school leaders communicate an overt and specific
message about the shared responsibility for ensuring success for all students, including MLs/ELLs. To put this vision into practice, we
believe that accountability must be clear and concrete. We believe that all staff members should understand the actions and practices for
which they are responsible, as well as how their performance will be supported and monitored. For example, it is important for the
members of the ILT to be knowledgeable about the research on effective instructional practices for ELLs in order to support teachers in
implementing those practices. We will implement this by having the administrators attend all ELL-related professional development
sessions with teachers. As a result, they will understand the ELL-responsive strategies that teachers had learned and could monitor their
implementation in the classroom. Another way to consider MLs/ELLs in the school's instructional design is by having the principal highlight
a particular ELL-responsive strategy in each monthly bulletin. Another way is to create opportunities for regular communication among all
the adults at the school. Such collaboration will develop both confidence and capacity across the building to meet the needs of MLs/ELLs.  At our school, ELLs have access to all content area curriculum such as HMH curriculum for literacy, Fundations for phonics, EnVision Math, and Passport for Social Studies.

**3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.**

We have adapted our curriculum to meet the demands of the Next Generation Learning Standards.  Our school uses the HMH curriculum for all K-8 grades.  When an ENL teacher co-teaches during an ELA integrated period, he/she delivers instruction in English and uses a variety of resources to make content comprehensible. The teacher makes the objective clear to the students and the concepts taught are age appropriate. When planning lessons, teachers also take into consideration the students' L1 literacy, second language proficiency, and the reading level of the materials. ENL teachers also build on the students' prior knowledge and introduce new vocabulary in context. In the content areas, teachers also develop the students' academic language through read alouds. They focus on those Tier 2 and 3 words that are often difficult for ELLs. Teachers choose a "juicy" sentence and unpack the language of that sentence together with the students (Sentence Acrobatics). Teachers use several strategies such as shades of meaning, sentence deconstruction, TPR, "talk it out" or "draw it out" to make language meaningful for students. To make content comprehensible, teachers use additional materials such as charts, graphs, pictures, illustrations, realia, math manipulative, videos, computers and demonstrations. The activities that teachers incorporate include lesson concepts as well as opportunities for ELLs to practice the English language within the four modalities. Students are also given content area glossaries in Social Studies, Math and Science in their home languages.  In the dual language program, students receive content area instruction in both Chinese and English.  Materials are delivered in the language of instruction for the content area. For example, if math is taught in Chinese, the math materials will be in Chinese.

**4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.**

**a. ELLs with IEPs**

At P.S/I.S 102, we have ELL students who are designated as Students With Disabilities. This population receives individualized instruction
from their classroom teacher, paraprofessionals, and the ENL provider as prescribed by their Individualized Educational Program (IEP).
Collaboration between teachers is essential to ensuring congruence and focused planning. We incorporate a variety of strategies, while
using grade-level materials to accelerate English language development and make academic content more accessible for our ELLs-SWDs.
Teachers of ELLs-SWDs in grades K-8 use the HMH curriculum. The HMH curriculum uses a variety of fiction and non-fiction selections and is based upon the Next Generation Learning Standards. Tier II and Tier III vocabulary is taught in this curriculum so that students can understand content and increase their academic language bank simultaneously. Classroom teachers and ENL teachers of ELL-SWDs use many ENL strategies such as teaching vocabulary through Shades of Meaning, using TPR, building background knowledge, using thinking maps, deconstructing sentences and incorporating a lot of visual supports. These strategies help to scaffold the content and increase students' English reading and writing skills. Our school strives to support ELL-SWDs in achieving their IEP goals and attaining English proficiency within the least restrictive environment. We always strive to place our ELL-SWDs in the most age and grade appropriate environment where they can flourish and meet their individual goals. Teachers scaffold lessons through differentiation in order to meet the specific learning needs of the students. ENL teachers typically use the Integrated model for these classes in order to keep instruction seamless and maintain student focus. ENL teachers collaborate with the classroom teachers to keep instruction consistent and geared towards individual students' needs. All the teachers (general ed, special ed, ENL) and service providers work together as a team to achieve the IEP goals and attain English proficiency.

**b. SIFE**

Students with Interrupted Formal Education (SIFE) require special attention in order for them to succeed in our education system.
Instructional approaches used to reach SIFEs will vary depending on factors such as home language and the level of home language
literacy skills. We differentiate instruction for ELL subgroups in many ways. Students with Interrupted Formal Education (SIFE) are placed
in the most appropriate classrooms based upon their academic level, age, and English proficiency level. For example, a SIFE in third grade
may need instruction in order to develop literacy skills that his or her peers received in earlier grades. Additionally, a SIFE will receive the
opportunity to practice these skills in an age appropriate environment. SIFEs will also be grouped together with peers in order to provide
motivation, support, and language acquisition opportunities. Each individual case is treated with care, and we offer as many additional
services as possible to the student to help bridge the academic gap in their education. These students will receive the mandated number
of minutes per week of ENL instruction based on their proficiency level and in accordance with NYS CR Part 154. We will also provide
additional interventions during the school day based on the student's individual needs. We will also offer the student

an opportunity to
attend our ENL Early Morning or our After School Program. Additionally, SIFE students will receive emotional support from the guidance
department.

### c. Newcomers

ELLs in U. S. schools less than three years are placed in classrooms based on their proficiency levels in order to make sure that they are
properly serviced. These newcomers receive the mandated number of minutes per week of ENL instruction based on their proficiency
level and in accordance with NYS CR Part 154. Since many newcomers arrive with little to no English in any of the four language skill
areas and often with little to no literacy skills in their home language, our newcomers will receive ENL services that are intended to
provide both content area and second language instruction.  Literacy and language development will take place through student participation in the reading and writing workshops in their classrooms as well as further more specialized instruction from their ENL teacher. ENL teachers will work to make content area and language instruction more accessible to students by employing sheltered English content instruction as well as scaffolding techniques. Teachers will meet individual student needs through conferring and small and strategy group lessons. In addition to these supports, newcomers should also receive extra attention through after-school programs and
additional academic intervention.

### d. Long Term ELLs

We service our long-term ELLs under the belief that each student progresses at his or her own rate through the language acquisition
process. Furthermore, we believe any group of learners will be made up of students who are at different stages in their language
acquisition and cognitive development. In order to provide them with the extra instruction necessary for success, long-term ELLs also receive instruction in after-school programs and in some cases individualized intervention plans.

## 5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

Our school strives to support ELL-SWDs in achieving their IEP goals and attaining English proficiency within the least restrictive
environment. We always strive to place our ELL-SWDs in the most age and grade appropriate environment where they can flourish and
meet their individual goals. Teachers scaffold lessons through differentiation in order to meet the specific learning needs of the students.
ENL teachers typically use the Integrated model for these classes in order to keep instruction seamless and maintain student focus. ENL
teachers collaborate with the classroom teachers to keep instruction consistent and geared towards individual students' needs. All the
teachers (general ed, special ed, ENL) and service providers work together as a team to achieve the IEP goals and

attain English
proficiency.

**6. How is home language assessed in each program model (DLBE, TBE, and ENL)?**

In our Freestanding ENL program we promote the use of the students' home language where it is helpful. We encourage students to transfer their Home Language skills whenever possible through the use of glossaries, Immersive Reader and library books. We ask students to use their Home Language to help newly admitted students when necessary. We often place students with little or no English in partnerships or triads that include a student who speaks the same Home Language. In this way the new student can still engage in partner conversations. We also give students the opportunity to write in their Home Language if they have not yet acquired the skills needed to write in English. A staff member will then translate the student's writing into English. To provide additional support in the Home Language, students are provided with glossaries containing words related to the content areas.

In our Dual Language program, Social and academic language proficiency in Mandarin is assessed on a regular basis. All aspects of language proficiency, listening, speaking, reading, and writing, are assessed through summative and on-going assessments, such as exams, writing projects, individual interviews, and teacher observations. When delivering instruction, the teacher uses the sheltered instruction model to integrate content and language. Each lesson includes content goals as well as language goals. In addition, students make connections between what they have learned in two languages through the preview-review model.

**7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?**

In Grade 6, we offer Spanish and Chinese language elective classes. In Grades 7-8, we offer Spanish as a language elective class. The goal of our language electives is for the students to continue taking the classes in High School, which will lead them to obtain the New York State Seal of Biliteracy when they graduate High School.

**8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).**

At PS/IS 102, we have structures and system in place to support coteaching and collaboration among teachers for all ELL program models. Co-teaching brings two educators with differing areas of expertise together to serve students for part or all of their school day. During the co-planning phase, each teacher typically has a specific role. For example, the ENL teacher might contribute knowledge and skills regarding English Language Learners by identifying vocabulary barriers in the lesson, determining needed language scaffolds, and planning for meaningful speaking and listening opportunities. The classroom teacher's role might be to determine the learning target, pacing of content, and alignment to standards. As they co-teach the lesson, both teachers are actively engaged. As the lesson progresses, partners might decide, on the basis of formative assessment, to transition from the whole group to small groups, with each teacher taking responsibility for one or two groups. At our school, we believe that in effective co-teaching, the sense that all students are "our students" pervades every aspect of the instructional cycle.

**9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.**

All school personnel are considered in our school's Professional Learning Plan related to the academic and social emotional needs of MLs/ELLs. This plan addresses our design and structure of the Monday professional development sessions.

ENL teachers receive PD on a variety of ELL-related topics throughout the year, based on their needs. Topics include, but are not limited to: administering and scoring the NYSESLAT, interpreting NYSESLAT scores, and using NYSESLAT scores to place students, identify levels of service and provide instructional support to students.

Further, ELL personnel are invited to meet with classroom teachers during grade-level team meetings and Monday PD sessions to learn about each team's instructional goals related to Next Generation Learning Standards. They also engage in planning to ensure all students, including ELLs, have access to the curriculum. Further, several of our ENL teachers will be attending workshops for the HMH curriculum on ELL-related topics. They will turnkey information learned to their colleagues during team meetings. Additionally, the ENL Coordinator attends all ELL Liaison meetings and professional development sessions provided by the District 24 office and turnkeys to the appropriate staff.

**10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).**

All teachers receive at least 15% of PD hours focused on ELL-specific professional development. Most of these hours occur during grade-level teacher team meetings and, occasionally, during whole staff Monday PD sessions. ENL personnel facilitate these sessions and topics include: interpreting NYSESLAT scores, understanding ELL programs, integrating language and content instruction, and teaching strategies & tools to support ENL students in the classroom. All facilitators keep agendas and attendance logs for their records.

Bilingual/ENL teachers also receive ELL-specific professional development during Monday PD sessions and through off-site PD opportunities offered by the the NYCDOE Office of Multilingual Learners and through HMH Coaches. Participants attending PD offsite maintain agendas from all workshops and turnkey information presented to colleagues upon returning to school. Agendas and attendance logs are maintained at in-house PD offerings. Additionally, the ENL Coordinator attends all ELL Liaison meetings and professional development sessions provided by the District 24 office and turnkeys to the appropriate staff.

Our ENL Coordinator works with administrators to ensure 15% PD hours for non-ENL teachers and 50% PD hours for all ENL teachers are met for the year.

# Assessment

# SCREENERS

**11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?**

Our school uses Acadience and MAP screening assessments to guide instructional planning for the ELLs. Various structures are in placed to use data to address interventions. For Acadience assessment, teachers are provided with a year-long assessment calendar which indicate the timeframe that the (3 minimum) assessment need to be administered. Once teachers have completed the assessment for the entire class, they must enter the data into a Google Doc form that is shared with the Literacy Coach and the administration.

Teachers also administer pre and post benchmark assessments for every unit. Teachers meet as a grade to analyze the data gathered from the pre and post assessments and modify their instruction accordingly.

Students with the lowest proficiency are enrolled into a morning/after-school high impact small group learning program, grouped only with students at the same reading level.

Teachers are emailed reports containing individual and class data that they can analyze and use to target students' needs.

**12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.**

The Response to Intervention Team at P.S./I.S. 102Q has been very proactive in identifying students in need of academic intervention services based on teacher recommendations, criterion referenced assessments, and standardized test scores. Once identified, the team formulates an intervention plan and determines what additional services the students need. During ELA, teachers may provide additional support for ELLs by using the Decodables from HMH for both fiction and nonfiction. Teachers can use these Decodables during small groups to provide targeted instruction to students with similar needs. Within the EnVision Math program, teachers scaffold instruction for ELLs and use hands on activities to support instruction. In other content areas such as Science and Social Studies, teachers may provide ELLs with bilingual dictionaries to help them understand content specific vocabulary. They also support instruction by bringing in supplemental materials such as, video clips, pictures, realia and other resources that help make content comprehensible to ELLs. In Science, teachers may also use the SRA Science Photo Library Kit which includes a photograph and translations of the word in over ten languages. Home language may be used in all content areas by offering students bilingual dictionaries and using the photo cards. Data is gathered through informal assessments in Science, Social Studies and Math. Item analysis reports for both Math and ELA are also used to gather data on specific skills. In addition, students use Exact Path, Amira, Khan Academy, and Mathletics programs to practice their reading, writing and math skills. Exact Path is the intervention program that we use with our ELLs. It provides adaptive, age-appropriate, personalized instruction in math, reading, and language arts based on valid and reliable assessment data.

**13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.**

At PS/IS 102, we use a variety of data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS) for all grades. MTSS is a
framework that we use to to provide targeted support to struggling students. The goal of MTSS is to intervene early so students can catch up with their peers. MTSS is designed to help schools identify struggling students early and intervene quickly. It focuses on the "whole child." That means it supports academic growth, but many other areas, too. These include behavior, social and emotional needs, and absenteeism (not attending school). The tiers of support are a huge part of MTSS for MLs and ELLs. We use three tiers as follows: Tier 1: The whole class. All students, including general ed, special ed, and ELLs are in this tier. Teachers use instruction that's proven to work. Students may work in small groups based on their strengths and areas of need. Our school monitors all kids' progress through Acadience assessment and MAP assessment. After analyzing the data, for ELLs who score below the cut point for risk, the overall likelihood of achieving subsequent early literacy and/or reading benchmarks is low, approximately 10% to 20%. And those students may move to Tier 2. Tier 2: Small group interventions. ELLs in Tier 2 still attend Tier 1 lessons with the rest of the class. But they get more targeted support through small group lessons. A student who isn't making progress may stay in Tier 2 or move to Tier 3. Tier 3: Intensive individualized support. This tier can mean small group work or individual lessons. Most kids in Tier 3 still spend a lot of the day in the general education classroom. But they spend more time with the RTI teachers than before.

As a part of the Literacy Hub initiative, our school also provides Strategic Reading Period (SRP) periods in our Middle School (grades 6-8). It is a scheduled time within the school day dedicated to providing intensive, targeted reading support to students, to improve comprehension and accelerate reading growth. During SRP periods, we group students by reading needs where we use specific comprehension techniques like skimming, scanning, and Collaborative Strategic Reading (CSR), as well as monitoring their progress. The goal is to address reading gaps, build proficiency, and ensure all students can effectively understand complex texts.

# FORMATIVE

**14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?**

At PS/IS 102, teachers use variety of assessments to guide instructional planning for ELLs/MLLs. All teachers use the HMH Module Assessments, and teacher-created assessments such as sight word assesments and letter-sound identification assessments. In addition, teachers also use the Acadience assessment to drive instruction.

Data on the HMH Module Assessments indicates that students need extensive vocabulary development in order to comprehend the texts they read. As a result, to build students' vocabulary, we have been previewing vocabulary before reading and reviewing vocabulary in different contexts after reading. In addition, we make sure to expose students to vocabulary across content areas. For example, the concept of comparing and contrasting is relevant in different subject areas. When students learn how to compare and contrast characters in reading and writing, they can also take that concept and apply it in science when they compare and contrast leaves in various seasons. Moreover, in math, students take the same concept to compare and contrast shapes or numbers. When applying

concepts in various subject areas, students have a more concrete understanding of a certain concept/vocabulary words.

The data also indicates that our students need additional support in thinking critically about and beyond the texts they read. Before having students think critically about the texts they read, we make sure that they already have a basic comprehension of the text. Then we scaffold students' critical thinking with guiding questions to lead them to think about beyond what is in the text. With questioning, we begin with the first two levels in Bloom's Taxonomy (knowledge and comprehension) and then slowly elevate the complexity of questions (analysis).

Acadience Reading Diagnostic provides an in-depth assessment of reading skills to help untangle the many possible reasons why a student may be struggling to make progress. Acadience assessment data provides us with a guide for targeted instruction that can help students reach their full potential. For students who score below the cut point for risk, the overall likelihood of achieving subsequent early literacy and/or reading benchmarks is low, approximately 10% to 20%. These students are identified as likely to need intensive support. We drive our instruction by using the following methods:
• delivering instruction in a smaller group or individually,
• providing more instructional time or more practice,
• presenting smaller skill steps in the instructional hierarchy,
• providing more explicit modeling and instruction, and/or
• providing greater scaffolding and practice.
Because students who need intensive support are likely to have individual needs, we monitor their progress frequently and their intervention modified dynamically to ensure adequate progress.

**15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?**

Our ELL students are appropriately evaluated in their home language through the Spanish LAB as well as when they take the Math and Science state tests in grades three and up. ELLs who choose to, can take the test in their home language, rather than in English. Their responses are then translated by a staff member who speaks the same home language. Once translated, the responses are evaluated and scored. Additionally, we use the Multilingual Literacy SIFE Screener to identify SIFE students as well as to analyze students' home language literacy skills.

We also provide glossaries/bilingual dictionaries as instructional supports during the school day and if necessary for their use on informal/formal assessments.

# SUMMATIVE

**16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).**

From the Spring 2025 NYSESLAT data, the following is revealed: Out of the 228 test takers, 9 students (3.9%) scored at the Entering level, 39 students (17.1 %) scored at the Emerging level, 47 students (20.6%) scored at the Transitioning level, 77 students (33.7%) scored at the Expanding level and 56 students (24.5%) scored at the Commanding level.

Once the summative data has been gathered, classroom teachers analyze the data by using grade level standards and identify students that are far below the standards.  The students are then brought to the attention of the Assistant Principal who then discusses the students with the RTI and ENL teachers.

The intervention structure we use is referred to as Personalized Learning (PL). Checkpoints throughout the school year (after major units, Running Records round, etc.) ensure that we flag the students who are falling behind, and enabling our responsive to support them.

As a Team, the PL Team decides on the implementation of the strategies and make a schedule for the RTI teachers to service the identified students. The RTI teachers then evaluate the students' growth every 6 weeks and determine whether or not the students can be graduated from the Program.

Should the student not have made significant gains after the six-week cycle, they will be enrolled in a am/pm high-impact literacy program for 10 sessions.

All students have at least one period per week a TechFlex intervention time. Two teachers are scheduled during this time to provide targeted support for all students. A typical session would have 10 students working in a small group with one teacher, and the other teacher guiding 10 other students for individual work. The remaining 10 students will engage in independent reading or fulfill their weekly blended learning requirements.

**17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment.  Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.**

The names and title of the staff that will administer and score the NYSESLAT are as follows:

Thiri Myint- ENL Teacher/ Coordinator
Nicole Connolly- ENL Teacher
Chi Yeon Kim- ENL Teacher
Stephanie Cheng- ENL Teacher
Camile Garcia- ENL Teacher
Dandan Lin- ENL Teacher
Allyson Garcett- ENL Teacher

NYSESLAT Administration Plan:
- We will adhere to the NYSESLAT assessment calendar provided by the NYSED
- We will follow the assessment guidelines provided by the NYSED
- We will send notification letters to parents to let them know about the day and the period and which modality their children will be taking on that day
- We will group students in small groups of no more than 10 per group
- We will follow the guidelines for grading provided by the NYSED
- We will store the test booklets in a securely place until it’s time to send them back
- We will create a schedule for each ENL teacher so that they are providing mandated services to ELLs during the testing period

**18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?**

At PS/IS 102, we ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT). All ELLs and former ELLs for up to two years after testing out are eligible for ELL testing accommodations, in addition to any accommodations on their IEPs or 504 Plans, if applicable. At PS/IS 102, we determine which accommodations are required to maximize the potential for achievement on all exams for each ELL at the beginning of the school year. ELLs are entitled to using those accommodations for most assessments, including those that are teacher-made and State-mandated. We provide testing accommodations to all ELLs, as needed, on all NYS ELA and content-area assessments (mathematics, science, and social studies) as well as the SHSAT. In addition, all ELLs with IEPs and 504 plans are always provided with the accommodations on their IEPs and 504s. We provide all ELLs and former ELLs for up to two years after testing out with the following accommodations:

- Time extension (all exams)
- Separate location (all exams)
- Bilingual dictionaries and/or glossaries
- Oral translations for low-incidence languages (exclude ELA & NYSESLAT)
- Writing responses in the home language (exclude ELA & NYSESLAT)

# Part VI: Family Partnership

## Family Partnership

**Required Meetings Under CR Part 154**

**Describe your schools' plan to ensure families of ELLs are provided with the required meetings** specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

**a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.**

To inform parents/guardians of the program options, we provide parents/guardians of newly enrolled ELLs with a parent orientation where they can view the parent orientation video (which explains the three program options and is available in multiple languages). The parent orientation also provides a high-quality orientation section on the Next Generation Learning Standards, assessments, and our school expectations for English Language Learners, as well as the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether our school currently has either type of bilingual program. We implement this by presenting the parents with a PowerPoint presentation which includes all the mentioned information before they view the Parent Orientation video. We always provide the orientation in a language or mode of communication that the parent or guardian best understands. Additionally, we refer to NYC DOE's language access supports if they require an interpreter for any language that is not spoken by our school staff. After parents/guardians are informed of all three program models at the parent orientation, we provide them with the ELL Parent Survey & Program Agreement Form (in the parents' preferred language), where parents/guardians can indicate their program selection. If our school does not have a bilingual program or enough students of the same home language to create the bilingual program, the parent has the right to request a transfer to a school with that bilingual program. Afterwards, we submit the ELL Bilingual Program Transfer Request on the ELTR screen in ATS. Records of the flyer, sign in sheets and the ELL Parent Surveys are kept in the ENL binder.

**b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.**

According to the CR Part 154, ENL teachers at PS/IS 102 individually meets with the parents or guardians of English Language
Learners at least once a year, in addition to parent-teacher conferences, initial parent orientations, and quarterly progress meetings.
Each ENL teacher creates a schedule for the year to hold an annual conference with parents of the students they service. They will
notify parents about this meeting with a formal letter in the parents' preferred language. These meetings will be conducted with a
qualified interpreter/translator in the language or mode of communication the parent or guardian best understands. At this meeting,
teachers will inform parents about the goals of the program, their child's language development progress, their child's English
language proficiency assessment results, and language development needs in all content areas. The goal of the ENL program is to help students who are not native English speakers develop proficiency in English so they can succeed academically in English-speaking classrooms, communicate effectively in social and educational settings and participate fully in school and community life. The goal of our Dual Language program is to develop bilingualism, biliteracy, academic achievement and cross-cultural competence in all students. Additionally, our Dual language program will help students become more fluent in speaking, reading and writing in two languages, meeting or exceeding grade-level academic standards in all subjects, not just in one language, and developing respect for and understanding of other cultures. To discuss their child's language development progress, we begin by highlighting the student's strengths, effort, or progress on the NYSESLAT. This sets a supportive tone and motivates continued development. Then, we break down the student's development into the key areas of language learning: listening, speaking, reading, writing and describe how the student is performing in each area. Afterwards, we refer to the student's current level and progress on the NYSITELL/NYSESLAT (entering, emerging, transitioning or expanding). During our conversations, we strive to frame challenges as areas for growth rather than shortcomings, and describe what support is being provided or needed. Lastly, we set short-term goals and strategies the teacher, student, or family can work on together. Additionally, they will be provided with the New York State Education Department's Parents' Guide to the Next Generation Learning Standards and the Parents' Bill of Rights for New York State English Language Learners. All the records are maintained in the ENL binder.

# Family Engagement

**2. Beyond the mandated meetings and orientations, describe how your school:**
**a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?**

At PS/IS 102, we strive our best to use data and methodologies to assess language preferences of the parent community for both
written and oral communication. To improve parent outreach, we have developed a questionnaire to survey all families on their
needs and preferences on a range of school-related topics. Information regarding their language preferences will be used in
conjunction with ATS data to improve communication between school and all families.  Additionally, we use data from Student Emergency Contact cards, Part III of the Home Language Identification Survey (HLIS) and the RAPL report in ATS to determine what language parents speak and prefer to communicate in both written and orally. Parents can initiate communications in languages other than English by calling the school and asking for whatever language they would like to be spoken to. We then call them back with an interpreter from our school or we use the Translation and Interpretation number if no one speaks that language at our school.

**b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.**

We make ML/ELL family empowerment a big priority at our school. In order to develop a welcoming environment and encourage
parent participation, the school invites parents to various activities throughout the year; such as Meet the Teacher, The 100th Day of
School, school concerts/plays, field trips, workshops and many more. For parents of ELLs, the school conducts parent workshops with
the assistance of the Parent Coordinator. The ELL parent workshops focus on orienting the parents to the school system and
explaining standards, curriculum, assessments, student expectations, general program requirements and how parents can help their children at home. Workshops on familiarizing parents with the ELA and NYSESLAT are also given during the
year. By attending these workshops, parents become more aware of the format of these assessments. They are given suggestions on
how they can help prepare their child for these tests at home. Additionally, the Parent Coordinator offers many workshops
throughout the year for all parents, including parents of ELLs. These workshops are offered on a monthly basis in varying topics that
are geared to educate and promote community involvement. Sample topics include: How to keep your child healthy, How to be an
effective parent, Citizenship and Immigration, How to involve your child with reading, bullying, healthy eating, how to manage
behavior challenges, depression management, domestic violence. All workshops are filled with resources and activities that help
parents become familiar with these topics. For example, the nutrition and parenting classes are interactive with

recipes, videos and
hands-on activities. Another example of a workshop given is on how to involve your child in reading. This is a hands on workshop
with books that are given to parents and effective reading strategies are modeled. For most of these workshops, parents receive an
acknowledgement certificate for their attendance and participation. The Parent Coordinator interprets the information given during
these activities for Spanish speaking parents. If a staff member who speaks a language other than Spanish is available during the
time of the parent activity, then he/she may also attend.

**c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)**

The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community. Our ML/ELL families are made aware of family leadership opportunities through messages sent via the Parent Coordinator and the PA Association. During monthly meetings, the PA ensures that both Spanish and Chinese translators are available and we encourage our ML families to join leadership teams during these meetings. We ask parents who are already members of these teams to speak on behalf of the work that they do on a daily basis. Creating as many opportunities for our ML families to become active and engage in Leadership teams is a priority.

Our school outreach efforts to families of MLs/ELLs to encourage their attendance and participation in family leadership opportunities are intentional, culturally responsive, and relationship-driven. We prioritize clear, accessible communication by translating all key materials (flyers, newsletters, even invitations, meeting minutes) into parent's preferred language. Our bilingual staff and interpreters are present at meetings and events to ensure full participation and understanding. As a school community, we recognize that trust is foundational and we strive to foster personal connections with families of MLs/ELLs through dedicated community liaisons and parent coordinator who reflect the community's cultural and linguistic backgrounds. As another effort to our outreach, we organize events specifically designed to welcome families of MLs/ ELLs, such as multicultural nights, potlucks, and orientation sessions that explain school systems and rights in a non-intimidating, family-friendly environment. Workshops include topics such as navigating the U.S. education system, understanding student assessments, or how to support learning at home. To promote leadership, our school creates multiple, flexible avenues for the involvement of families of MLs/ELLs such as PTA meetings and School Leadership Team meetings--where families help shape school policies. Training is provided in their preferred language to help parents understand how school governance works and how they can contribute meaningfully.

**3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?**

Currently, our school has partnerships with Inside Broadway and Ping Chong & Co to support the needs of our school community.
Inside Broadway is a non-profit theater company that brings the magic, pageantry and profession of Broadway to public school
students throughout New York. Ping Chong & Co creates theater and art that reveal beauty, invention, precision, and a commitment
to social justice.

# Part VII: Additional Information

## Additional Information

**Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.**

N/A

# Part VIII: ELL Identification Attestation and Principal Certification

## Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

**1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.**

The titles of the members of our identification team are as follows:

Thiri Myint- ENL Teacher/ ELL Coordinator
Nicole Connolly- ENL Teacher
Chi Yeon Kim- ENL Teacher
Stephanie Cheng- ENL Teacher
Dandan Lin- ENL Teacher
Camile Garcia- ENL Teacher
Allyson Garcett- ENL Teacher

**2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:**

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

In order to be in accordance with New York State's commissioner's Regulations Part 154, the mentioned members of the identification team are highly trained to take on the process of the ELL identification procedures and activities. To avoid the interruption to the provision of mandated ENL instruction, we have made a schedule with the availability of each member posted in the main office so that the secretary can call the available member for the ELL intake process whenever there is a new student registering for the first time. The identification team makes sure that the ELL identification process is completed within 10 school days of enrollment and 20 days for students entering with IEPs. When a new student arrives at our school, the identification team first determines the status of each newly admitted student. If student has been in NYS public schools within past 2 years, our school contacts previous school to obtain ELL status, relevant assessment scores, and English language proficiency level. If the new student has never been in NYS public schools within past 2 years, then our identification team administers the Home Language

Identification Survey in the parent's preferred language. Translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service. During the survey process, our identification team asks questions to the student in English to determine whether or not they are proficient in English. Then the eligibility for the NYSITELL is determined after analyzing their answers to the questions asked. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent. Afterwards, student is administered the NYSITELL if eligible. Lastly, our identification team makes sure to send parent notification letters to the parent in the parent's preferred language. This process is in place year-round.  As mentioned above, to ensure ELLs and former ELLs receive their mandated instruction, we have made a schedule with the availability of each member (prep periods) posted in the main office so that the secretary can call the available member for the ELL intake process whenever there is a new student registering for the first time.  The ENL Coordinator is responsible for each step of the ELL identification process.

# Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

**Principal Name:**

Catherine Weinstein

# Part IX: LAP Assurances

## LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

# LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

**Office of Language Access (OLA) Contact:**

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Elena Cunneely

**Designation of a LAC**
**Name of person designated and trained as the LAC.**
**At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.**

**We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.**

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

| First Name | Last Name | Title | Date attended OLA Language Access Coordinator Professional Learning Opportunity | Confirmed (Y/N) |
|---|---|---|---|---|
| Thiri | Myint | Teacher - Regular Grades | 5/28/2025 | Y |

# Part B: Parents' Preferred Languages

## Parents' Preferred Languages

Language identification and assessment of parent population.

**1. Check the resources your school staff uses to identify parents' preferred languages:**

,Part III of the Home Language Identification Survey (HLIS)

**If Other was selected, describe the resource here:**

**2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".**

| Language (Description within RCPL) | Written Preferred Count | Written Preferred Percentage | Oral Preferred Count | Oral Preferred Percentage | No. of Staff to Help with Written Translation | No. of Staff to Help with Oral Interpretation |
|---|---|---|---|---|---|---|
| ALBANIAN | 3 | 0.24% | 3 | 0.24% | 0 | 0 |
| ARABIC | 1 | 0.08% | 1 | 0.08% | 0 | 0 |
| BENGALI (BANGLA IN BANGLADESH) | 9 | 0.73% | 9 | 0.73% | 2 | 2 |
| BURMESE | 9 | 0.73% | 10 | 0.81% | 1 | 1 |
| CHINESE ANY | 239 | 19.43% | 226 | 18.37% | 6 | 6 |
| CHECHEN | 1 | 0.08% | 1 | 0.08% | 0 | 0 |
| CANTONESE | 0 | 0.00% | 2 | 0.16% | 6 | 6 |

| | | | | | | |
|---|---|---|---|---|---|---|
| DZONGKHA | 5 | 0.41% | 5 | 0.41% | 0 | 0 |
| FRENCH | 2 | 0.16% | 2 | 0.16% | 0 | 0 |
| HINDI | 3 | 0.24% | 3 | 0.24% | 2 | 2 |
| INDONESIAN (AKA BAHASA) | 5 | 0.41% | 5 | 0.41% | 0 | 0 |
| MANDARIN | 3 | 0.24% | 25 | 2.03% | 6 | 6 |
| NEPALI | 22 | 1.79% | 23 | 1.87% | 0 | 0 |
| ENGLISH | 669 | 54.39% | 657 | 53.41% | 150 | 150 |
| PILIPINO (A.K.A. TAGALOG) | 4 | 0.33% | 4 | 0.33% | 0 | 0 |
| RUSSIAN | 8 | 0.65% | 8 | 0.65% | 0 | 0 |
| SPANISH | 225 | 18.29% | 225 | 18.29% | 10 | 10 |
| TIGRE | 1 | 0.08% | 0 | 0.00% | 0 | 0 |
| THAI | 2 | 0.16% | 2 | 0.16% | 0 | 0 |
| TIBETAN | 3 | 0.24% | 3 | 0.24% | 0 | 0 |
| URDU | 16 | 1.30% | 16 | 1.30% | 2 | 2 |

# Part C: Parent Communications and Engagement

## Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

**1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.**

| Document Type (e.g. parent flyers, IEPs, etc.) | How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents. |
|---|---|
| Grade Newsletters | We will translate the newsletters in-house. For low incident languages, if needed, we will use the Translation and Interpretation Services to translate. |
| Flyers for before and after school programs | We will translate the flyers in-house. For low incident languages, if needed, we will use the Translation and Interpretation Services to translate. |
| Parent-Teacher conferences notification letters | We will translate the notification letters in-house. For low incident languages, if needed, we will use the Translation and Interpretation Services to translate. |
| ENL parent orientation invitation letters | We will translate the ENL parent orientation letters in-house. For low incident languages, if needed, we will use the Translation and Interpretation Services to translate. |
| ENL parent notification letters | We will translate the ENL parent notification letters in-house. For low incident languages, if needed, we will use the Translation and Interpretation Services to translate. |
| Flyers for PTA activities | We will translate the PTA flyers in-house. For low incident languages, if needed, we will use the Translation and Interpretation Services to translate |
| | |
| | |

**2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.**

| Meeting Type (e.g. parent workshops, PTCs) | How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents. |
|---|---|
| Parent Teacher Conferences | Interpretation during the conferences will be provided by our in-house staff. We will also call the Translation and Interpretation number if needed. |
| ELL Parent Orientation | Interpretation during the orientation will be provided by our in-house staff. We will also call the Translation and Interpretation number if needed. |
| Parent Meetings for individual students | Interpretation during the meetings will be provided by our in-house staff. We will also call the Translation and Interpretation number if needed. |
| | |
| | |
| | |
| | |
| | |

**3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.**

School Messenger is the DOE-service we use to communicate with all families fora school-wide emergency (drills, fire, lockdown & emergencies). It translates our messages into Spanish & Chinese, our school's 2 dominant languages.

Any student-specific events that require translation would either go through a staff member or the DOE's translation services.

Parents can call the school and ask for whatever language they would like to be spoken to. We then call them back with an interpreter from our school or we use the Translation and Interpretation number if no one speaks that language at our school.

# Part D: Staff Awareness

## Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

**1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.**

The required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform will be provided to all staff members during the PD time. The LAC will disseminate future language access resources and update to all staff members as necessary throughout the year.

# Part E: Parental Notification

## Parental Notification

Provision of notice to parents on the available language assistance services.

**1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:**

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- **Language Access for NYC Public Schools Families brochure**

Our Parent Coordinator and ELL Coordinator will put every effort to make limited-English Proficient parents aware of their right to receive information in their preferred language. They will implement this by:

- Having Language ID cards available in the main office and security desk
- Poster of the TIU unit posted right on the front of the security desk
- Having Parent's Guide to Language Access available in the main office
- Welcome Poster to make parents feel at ease when they come in
- Letting parents be aware of their right during PTA meetings and ELL meetings.

# Part F: Monitoring

## Monitoring

Methods for soliciting and implementing feedback on language assistance services.

**1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.**

A parent survey will be sent home in December and parents are encouraged to provide feedback anytime on our school website.

**2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.**

We will use parent feedback from PA meetings, SLT meetings and other parent engagement opportunities to gather data on the quality and availability of services provided for them.

# Title III Outline

**Title III Supplemental Program for ELLs for SY 2025-26**

## REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

**Note:** The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

# Part A: School Information

**This school is (select one):**

Conceptually consolidated (skip Part E of this document)

# Part B: Direct Instruction Supplemental Program Information

**The direct instruction component of the program will consist of (select all that apply):**

,After School,Before School

**Total number of ELLs to be served in this program:**

170

**Grades to be served in this program. Select all that apply.**

,K,1,2,3,4,5,6,7,8

**Total number of teachers in this program:**

6

**Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):**

6

**Number of content area teachers (i.e., teachers that have common branch/content area licenses only):**

0

## Title III ELL Summary

**Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:**

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

The Supplemental programs that we will be providing to our students' goal is to help English Language Learners achieve/acquire English
proficiency in the New York State English as a Second Language Achievement Test (NYSESLAT) and the New York State English Language
Arts exam. We use the 2025 NYSESLAT data, and the Acadience and MAP data to collect data and to see exactly what the students need support in. After analyzing the NYSESLAT data, we have learned that more than 70% of our ELLs need the support in reading comprehension and writing. Since NYSESLAT and EDAT data has limited information on the specific reading skills that students need, we also analyze the Acadience and MAP data. When we analyzed the Acadience and MAP data, we have found that more than 70% of our students need support in phonics (letters/sounds, blending, segmenting, reading CVC words). Additionally, MAP data shows that those students also need help in reading comprehension (recalling, summarizing, inferencing, and drawing conclusion). Hence our before and after school program will focus on these specific needs. Instruction will target student needs and advance proficiency across all 4 modalities - speaking, listening, reading and writing. This program will be held before and after school. This program will be held on Wednesday and Thursday mornings from 7:10am to 8:10am, and afternoons from 2:30 p.m. until 3:30 p.m. It will run from October 8, 2025 to May 21, 2026. The sessions will be held by grade band such as K-2, 3-5 and 6-8. We will spend 10 weeks for each grade band. The grade bands will be grouped by their English Language proficiency levels: Entering/Emerging, Transitioning and Expanding. Approximately, six ENL certified teachers will be providing instruction in English to the students attending this before and after School program. Each before and after school program will consist of 10-15 ELLs in three groups for each cycle. Each group will have one teacher with 10-15 ELLs and every cycle will consist of three groups. Instruction will be delivered by using the Language Power curriculum. All records for the Title III Program are maintained in the Title III Program binder, including invitation letters, permission slips, student rosters, and any additional parent notification letters. Every teacher has a folder to record student attendance for every session and these folders are kept in the ENL critical binder to keep track of absences. All parent notifications are sent in Spanish and Chinese, which are the two dominant languages in our school. Participating students will engage in different activities to enhance their learning such as literacy centers, literacy games, and writing activities. Supervision for the Title III program will be funded using the Title III funds. Supervisors' regular work day hours are from 8:10-2:30 and per session hours are from 2:31-3:31.

# Rationale for Title III ELL Funded Programs

**Describe the rationale for each Title III ELL funded program. For each program, include:**

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

PS/IS 102's Title III Program will be offered to all English Language Learners/Multilingual Learners (ELLs/MLs) to receive additional support in developing English language and literacy skills. We use the 2025 NYSESLAT, data and the Acadience and MAP data to collect data and to see exactly what the students need support in. After analyzing the NYSESLAT and EDAT data, we have learned that more than 70% of our ELLs need the support in reading comprehension and writing. Since the NYSESLAT data has limited information on the exact reading skills that students need, we also analyze the Acadience and MAP data. When we analyzed the Acadience and MAP data, we have found that more than 70% of our students need support in phonics (letters/sounds, blending, segmenting, reading CVC words). Additionally, MAP data shows that those students also need help in reading comprehension (recalling, summarizing, inferencing, and drawing conclusion). Hence our After School program will focus on these specific needs. Instruction will target student needs and advance proficiency across all 4 modalities - speaking, listening, reading and writing. Additionally, we use the HMH unit assessments to measure student achievement and help teachers support student growth. HMH assessments also help us differentiate learning for the Title III program so that all students can reach their full potential.

# Students and Grade Levels to be Served

**For each Title III ELL funded program, describe the students that will be served. Include:**

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Total number of ELLs: 170
Grade Levels to be served: Kindergarten- Eight grade

ELL subgroups:
Newcomers (0-3 years of service): 113
Developing ELLs (4-6 years of service): 29
Longterm ELLs (7 or more years of service): 7
SIFE: 1

Levels to be served:
Kindergarten: Entering/emerging- 10, Transitioning 3, Expanding 6
1st Grade: Entering/emerging 4, Transitioning 3, Expanding 18
2nd Grade: Entering/emerging 3, Transitioning 11, Expanding 12
3rd Grade: Entering/emerging 2, Transitioning 9, Expanding 14
4th Grade: Entering/emerging 10, Transitioning 3, Expanding 10
5th Grade: Entering/emerging 4, Transitioning 6, Expanding 7
6th Grade: Entering/emerging 3, Transitioning 5, Expanding 8
7th Grade: Entering/emerging 1, Transitioning 1, Expanding 8
8th Grade: Entering/emerging 1, Transitioning 3, Expanding 2

ELLs to be serviced include newcomers, developing ELLs, SIFE, and long-term ELLs.  This will include grades Kindergarten through Eight.

Grade levels of students to be served: Grades K-8

# Schedule and Duration

**For each Title III ELL funded program, include:**

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

This program will be held before and after school. The morning program will be held on Wednesday and Thursday mornings from 7:10am to 8:10 am and will run from October 8, 2025 to May 21, 2026.  The after school program will be held on Wednesday and Thursday from 2:30pm to 3:30 pm and will also run from October 8, 2025 to May 21, 2026. The sessions will be held by grade band such as K-2, 3-5 and 6-8. We will spend 10 weeks for each grade band.

Start and End Dates:
Session 1:  October 8, 2025- December 17, 2025
Session 2:  January 7, 2025- March 18, 2026
Session 3:  March 25, 2026- May 21, 2026

Total # of sessions: 3 sessions

Days of operation:  Wednesdays and Thursdays

Time of operation:  7:10am- 8:10am; 2:30pm -3:30pm

# Language of Instruction

**For each Title III ELL funded program, include language of instruction and how home language support is provided.**

The language of instruction will be in English with the support of students' home language.

# Number and Types of Certified Teachers

**For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):**

Six ENL certified teachers will be providing instruction in English to the students attending this After School program. All the teachers are certified in TESOL.  Each after school program class will consist of approximately 10-15 ELLs.

# Types of Materials

**For each Title III ELL funded program, include:**

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

The After School Program will specifically address the improvement of literacy skills through English instruction and help students meet the Next Generation Learning Standards in English Language Arts. Instruction will focus on literacy using ENL strategies and methodologies. We will focus on improving reading comprehension, vocabulary development and building academic language through read alouds, shared readings and guided readings. Language Power curriculum, a dynamic, level-appropriate text, will also be used to accelerate students' English language proficiency.  Additionally, Exact Path program will be utilized to help improve phonological skills. This program will assist teachers in addressing the diverse needs of every student through differentiated instruction. This program will monitor student progress and provide teachers with data that will help them target students' needs. The Exact Path program delivers differentiated instruction for nonfiction reading and writing that's precisely tailored to each student's reading level. It provides all students--from emerging readers to on-level and advanced students-a structured, sequential, scaffolded approach to the six areas of reading instruction--from phonological awareness to comprehension.  The materials for Language Power and Exact Path are at no cost to the Title III program. However we will spend less than 20% of the Title III fund to purchase materials for the Language Power curriculum. All materials purchased will be stored in the ENL office, Room 225 and used by ENL teachers in classrooms as needed.

# Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program,  record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Teachers will use ongoing assessments such as one-on-one conferences, small group instruction, Exact Path reports and pre and post assessments to gauge students' progress. Supplemental materials will be provided to augment a variety of instruction. Among those are Reading A-Z, Raz-kids, culturally diverse books and library, and

Bilingual library in Chinese and Spanish. All records for the Title III Program are maintained in the Title III Program binder, including invitation letters, permission slips, student rosters, and any additional parent notification letters, teacher certifications, PD activities and purchase orders and invoices to date. Every teacher has a folder to record student attendance for every session and these folders are kept in the school's Google Drive and General Office so the secretaries can keep track of absences. All parent notifications are sent in Spanish and Chinese, which are the two dominant languages in our school.

# Part C: Professional Development

## Professional Development Summary

**Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:**

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

ENL teachers at PS/IS 102Q will take part in ELL Professional Development Opportunities to better support the ENL students in their classroom. Our goal for the year is to make sure that we support our ELL teachers and classroom teachers who teach ELL students by providing them with high quality professional development opportunities to support them and their students. The professional development targets differentiation strategies and supplemental tools we can utilize with our students and teacher training on how to utilize these tools. It will also target how to analyze different data (NYSESLAT, ELA State Exams, Acadience data, MAP data) to drive instruction. Agendas, attendance and hand outs will be kept in the Title III binder.

## Rationale for Professional Development

**Describe the rationale for the professional development to be provided. For each activity, include:**

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

ENL teachers at PS/IS 102Q will take part in ELL Professional Development Opportunities. Our goal for the year is to make sure that we support our ELL teachers and classroom teachers who teach ELL students by providing them with high quality professional development opportunities to support them and their students. The professional development targets differentiation strategies and supplemental tools we can utilize with our students and teacher training on how to utilize these tools. In the beginning of the school year, we will send out teacher surveys to plan out the Professional Development sessions for the teachers. The surveys will include what ENL topics they would like to learn more about.

We also use the 2025 NYSESLAT, data, the Acadience and MAP data to collect data and to see exactly what the students need support in. After analyzing the NYSESLAT data, we have learned that more than 70% of our ELLs need the support in reading comprehension and writing. Since NYSESLAT data has limited information on the exact reading skills that students need, we also look at the Acadience and MAP data. When we analyzed the Acadience and MAP data, we have found that more than 70% of our students need support in phonics (letters/sounds, blending, segmenting, reading CVC words). Additionally, MAP data shows that those students also need help in reading comprehension (recalling, summarizing, inferencing, and drawing conclusion). Hence our professional development sessions will focus on these specific topics. After each PD session, the teachers will take one strategy learned from the PD and try it out with the ENL students in their class. Afterwards, they will come back to the next PD session and discuss what is working and not working with the strategies. Then they will brainstorm ideas to try out for the next week, and see again, what is working and not working. This will help us to monitor whether or not the PD sessions have made a positive impact on the ELLs. The PD sessions will be at no cost to the Title III fund.

# Teachers to Receive Professional Development

**Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.**

All ENL teachers who are participating in the Title III program.

# Schedule and Duration

**For each Title III ELL professional development activity, include:**

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

October 6th, 2025- 7:10am- 8:10am
October 20th, 2025- 7:10am- 8:10am
November 10th, 2025- 7:10am- 8:10am
November 17th, 2025- 7:10am- 8:10am
November 24th, 2025- 7:10am- 8:10am
December 1st, 2025- 7:10am- 8:10am
December 8th, 2025- 7:10am- 8:10am
December 15th, 2025- 7:10am- 8:10am

# of sessions: 8
Time of sessions: 7:10am- 8:10 am

# Topics to be covered

**For each Title III ELL professional development activity, include topics to be covered.**

October 6th, 2025: Acadience Data Analysis & Progress Monitoring Enrollment
October 20th, 2025: Review of Progress Monitoring (Review the rules of each assessment and complete practice assessments using ALO app)
November 10th, 2025: Using data to drive Centers (MTSS Tier 1 Instruction)
November 17th, 2025: Incorporating writing practices into Specials Classes (The Writing Revolution)
November 24th, 2025: Reviewing Progress Monitoring- what adjustments should we be making to Tiers 1, 2 and 3 interventions based on student data? (enroll and unenroll students).
December 1st, 2025: Continue making adjustments to MTSS supports based on data/adjust centers focus based on student needs.
December 8th, 2025: Writing Revolution with Specials Teachers continued
December 15th, 2025: Analyzing HMH Data to make adjustments to Tier 1 instruction

# Name(s) and Title(s) of Provider(s)

**For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).**

Alexander Minaie- Literacy Coach
Tracy Jenal- Literacy Coach
Thiri Myint- ENL Teacher
Nicole Connolly- ENL Teacher
Chi Yeon Kim- ENL Teacher
Stephanie Cheng- ENL Teacher

# Maintaining Records

**Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.**

We will maintain the following documents for the Title III professional development:
- Attendance/sign-in sheet
- Agendas
- Powerpoint Slides
- Hand-outs
-Feedback

The documents will be maintained in the ENL office.

# Part D: Family Engagement Activities

## Family Engagement Summary

**Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.**
**Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.**

P.S./I.S. 102's Title III Program will provide parents of ELLs/MLLs with the opportunity to attend workshop(s), so that they can better assist in the education and learning of their child at home. The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school. This will be at no cost to the Title III budget.

## Rationale for Family Engagement Activities

**Describe the rationale for the family engagement activities to be provided: For each activity, include:**

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

In developing the Title III Parent and Family Engagement activities, parents of Title III participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title III Parent and Family Engagement activities and asked to survey their members for additional input. After analyzing the data from the parent surveys, the following topics are needed by the majority (over 90%) of the parents:

- Parent and family engagement activities, including family literacy and parenting skills;
- Understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- Understanding the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, NYC School Survey Report;
- Schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- Translate all critical school documents and provide interpretation during meetings and events as needed.

# Schedule and Duration

**For each Title III ELL family engagement activity, include:**

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Active Parenting Series
Dates: October 7, 2025; October 14, 2025; October 21, 2025; October 28, 2025
Time: 8:45am
Days of sessions- 4 days

Family Support Workshop (Addressing Bullying)
Date: October 16, 2025
Time: 10am
Day of session- 1

More Parent engagement activities will be updated throughout the year.

# Topics to be Covered

**For each Title III ELL family engagement activity, include topics to be covered.**

After analyzing the parents needs survey, we have come up with the following workshops to address the needs our our parents.

Active Parenting Series:
This workshop will be offered to parents every Tuesday in October to provide parents with the skills to achieve proven-effective approach to parenting that will lead to more harmony and happiness for them and their children. Through these series, they'll learn 7 strategies for school success, along with positive discipline and communication

techniques to help their family run more smoothly.

Family Support Workshops (Addressing Bullying)
This interactive workshop is designed to equip parents and caregivers with the tools, knowledge, and confidence needed to recognize, prevent, and effectively address bullying in and out of school. Whether their child is being bullied, witnessing bullying, or engaging in bullying behavior, this workshop will provide practical strategies to foster empathy, resilience, and open communication at home.

# Name(s) and Title(s) of Provider(s)

**For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).**

Claudia Rendon- Parent Coordinator

# Family Notification of Activities and Translation and Interpretation Supports:

**Describe:**

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents will receive an invitation informing them about the workshops. The invitation is sent out in English, as well as in Chinese and Spanish, the two dominant languages in our school. Approximately ten fully certified teachers will facilitate these workshops.

Translation will be provided at all parent workshops in the two dominant languages of our school's population, Spanish and Chinese. One of the ENL teachers will provide full oral translation for Spanish speaking parents and one of our Mandarin speaking teachers will provide translation for our Chinese speaking parents.

The teachers will provide parents with an agenda for each session and a sign-in sheet to keep track of the attendance. Copies of agendas and sign-in sheets will be kept on file in the Title III binder.

# Maintaining Records

**Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.**

All families who would like to participate in the workshops will register with the Parent Coordinator, Claudia Rendon. She will also provide sign in sheets to take attendance.  We will maintain the documentation of family engagement activities and notifications to families in the ENL Title III binder.

# Part E: Budget

**FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY.** Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

**This school is (select one):**

Conceptually consolidated (skip Part E of this document)

**Allocation Amount ($):**

| Budget Category | Budgeted Amount | Explanation of expenditures in this category as it relates to the program narrative for this title. |

# Title III Immigrant Outline

## Title III Application for Immigrant Funding

### REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

**Please note:** Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

**DIRECTIONS**

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

# Part A: School Information

**This school is (select one):**

Conceptually consolidated (skip Part E of this document)

# Part B: Direct Instruction Supplemental Program Information

**The direct instruction component of the program will consist of (select all that apply):**

,After School

**Grades to be served in this program. Select all that apply.**

,K,1,2,3,4,5,6,7,8

**Total number of teachers in this program:**

6

**Provide a summary of each program funded under Title III immigrant for SY 25-26:**

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

PS/IS 102's Title III Immigrant Program will be offered to all immigrant students who were not born in any U.S. state (this includes the District of Columbia and the Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full academic years. The After School Program will specifically address the improvement of literacy skills through English instruction and help students who are listed for Promotion in Doubt meet the Next Generation Learning Standards in English Language Arts. Instruction will focus on literacy using ELA strategies and methodologies. We will focus on improving phonics, reading comprehension, vocabulary development and building academic language through read alouds, shared readings and guided readings. The Exact Path and Amira computer-based programs will also be used to assist in the development of phonological, phonics and comprehension strategies. These programs will assist teachers in addressing the diverse needs of every student through differentiated instruction. These programs will monitor student progress and provide teachers with

data that will help them target students' needs. The Exact Path program delivers differentiated instruction for reading that's precisely tailored to each student's level. The Amira program provides all students--from emerging readers to on-level and advanced students-a structured, sequential, scaffolded approach to the six areas of reading instruction--from phonological awareness to comprehension.

The After School Program will also address the improvement of mathematical skills through targeted math instruction to help students meet the Next Generation Mathematics Learning Standards. Instruction will focus on mathematics using specific mathematics strategies and methodologies. Depending on their grade level, we will focus on improving their addition and subtraction skills, multiplication and division skills, using the four operations with whole numbers to solve problems, writing and interpreting numerical expressions, understanding ratio concepts and using ratio reasoning to solve problems, and analyzing proportional relationships and using them to solve real-world and mathematical problems. Teachers will use ongoing assessments such as one-on-one conferences, small group instruction, Exact Path and Amira reports and pre and post assessments to gauge students' progress.

For the Title III Immigrant After School program, students will be grouped homogeneously to target the specific language needs that each student has. Instruction will be delivered in a Standalone model where each group will have one teacher who is servicing them. The program will be supervised by our Principal, Catherine Weinstein and our Assistant Principals, Richard Bianculli and Jaclyn Donlon. They will make sure that our program provides enhanced instructional opportunities for immigrant students.

# Rationale for Title III Immigrant Funded Programs

**Describe the rationale for each Title III Immigrant funded program:**

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

The Title III Immigrant After School program will include grades Kindergarten through Eight. The specific subgroup of students who will be attending this program is our Promotion In Doubt students. We use both qualitative and quantitative analysis to determine the Promotion In Doubt subgroup. Immigrant students who have received levels 1 or 2 the first marking period and have shown no improvement are to be put on the Promotion in Doubt subgroup list. To measure growth throughout the year, we use qualitative data, such as students' work samples with comments from their teachers, feedback from teachers about students' progress, exit slips, end of chapter assessments and teachers' observations and notes.

# Students and Grade Levels to be Served

**For each Title III Immigrant funded program, describe the students that will be served:**

Include:

- Total number of students for each program,
- Grade levels for students in program, and

- If ELLs are also included in these programs, (e.g., Newcomer).

We will service 100 tudents for this After School program. Grade levels for students in this program will be Kindergarten to Eight Grade. All students including ELLs who are classified as Promotion in Doubt will be included in the Title III Immigrant program. The subgroup of ELLs will be Newcomers, Developing, Long-Term and SIFE.

**Schedule and Duration**

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

This program will be held after school. This program will be held on Tuesdays and Thursdays afternoons from 2:30 pm to 3:30 pm and will run from January 13, 2026 to June 11, 2026. There will be a total number of three 6-week sessions as follows:

January 13, 2026- February 26, 2026
March 3, 2026- April 16, 2026
May 5, 2025- June 11, 2026

# Language of Instruction

**For each Title III Immigrant funded program, include language of instruction and how home language support is provided:**

The Title III Immigrant After School program will be taught in English with the support of home language for our ELLs.

**Number and Types of Certified Teachers**
**For each Title III Immigrant funded program, include number and type(s) of certified teachers.**

Approximately, four certified ENL/ELA teachers and three certified math teachers will be providing instruction in English to the students attending this After School program. Each after program class will consist of 10-15 Immigrant students including ELLs.

**Types of Materials**
**For each Title III Immigrant funded program, include:**

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

The After School Program will specifically address the improvement of literacy and math skills through English instruction and help students meet the Next Generation Learning Standards in English Language Arts and Mathematics. Instruction will focus on literacy using different literacy strategies and methodologies. We will focus on improving reading comprehension, vocabulary development and building academic language through read alouds, shared readings and guided readings. Language Power curriculum, a dynamic, level-appropriate text, will also be used to accelerate students' English language proficiency. Additionally, Exact Path program will be utilized to help improve phonological skills. This program will assist teachers in addressing the diverse needs of every student through differentiated instruction. This program will monitor student progress and provide teachers with data that will help them target students' needs. The Exact Path program delivers differentiated instruction for nonfiction reading and writing that's precisely tailored to each student's reading level. It provides all students--from emerging readers to on-level and advanced students-a structured, sequential, scaffolded approach to the six areas of reading instruction--from phonological awareness to comprehension. The materials for Language Power and Exact Path are at no cost to the Title III Immigrant program. However we will spend less than 20% of the Title III Immigrant fund to purchase materials for the Language Power curriculum. All materials purchased will be stored in the ENL office, Room 225 and used by ENL teachers in classrooms as needed.

# Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

All records for the Title III Immigrant Program are maintained in the Title III Immigrant Program binder, including invitation letters, permission slips, student rosters, and any additional parent notification letters. Every teacher has a folder to record student attendance for every session and these folders are kept in the school's Google Drive and General Office so the secretaries can keep track of absences. All parent notifications are sent in Spanish and Chinese, which are the two dominant languages in our school. We will start implementing the program in January 2026.

The program will be monitored by the following staff:
Catherine Weinstein- Principal

Richard Bianculli- Assistant Principal
Jaclyn Donlon- Assistant Principal

# Part C: Professional Development

**Professional Development Summary**

**Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:**

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

P.S./I.S. 102's Title III Immigrant program professional development will provide teachers of immigrant students with series of workshops to best support their students. The Professional Development sessions will be offered by our Literacy Coach and the Math Coach.

EnVision Mathematics workshop and Measures of Academics Progress (MAP) assessment workshops will be provided to all reading and math teachers. The EnVision Math program seeks to help students develop an understanding of math concepts through problem-based instruction, small-group interaction, and visual learning with a focus on reasoning and modeling. Differentiated instruction and ongoing assessment are used to meet the needs of students at all ability levels. MAP assessments help teachers identify the instructional level of the student and also provide context for determining where each student is performing in relation to local or state standards and national norms. MAP reports allow teachers to better target instruction based on students' strengths and needs.

Since the Professional Development will be provided on Mondays PD time, it will be at no cost to the Title III Immigrant funds.

**Rationale for Professional Development**

**Describe the rationale for the professional development to be provided. For each activity, include:**

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

EnVision Mathematics workshop and Measures of Academics Progress (MAP) assessment workshops will be provided to all reading and math teachers. The EnVision Math program seeks to help students develop an understanding of math concepts through problem-based instruction, small-group interaction, and visual learning with a focus on reasoning and modeling. Differentiated instruction and ongoing assessment are used to meet the needs of students at all ability levels. MAP assessments help teachers identify the instructional level of the student and also provide context for determining where each student is performing in relation to local or state standards and national norms. MAP reports allow teachers to better target instruction based on students' strengths and needs.

In the beginning of the year, we conducted a survey entitled Choice Professional Development Interest Survey to gauge the professional development need of all teachers. In the survey, teachers were given ten topics that they had to rank from 1-10 according to their interest levels (1 being the least interested and 10 being the most). EnVision Mathematics workshop and Measures of Academics Progress (MAP) workshops were among the ten topics on the survey. After analyzing the data on the survey, 90% of teachers ranked MAP as their first choice and EnVision Math as their second choice. To best support the need of teachers for the MAP and EnVision workshops, we will implement the Professional Development sessions throughout the year.

**Teachers to Receive Professional Development**

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

All reading and math teachers will receive the professional development. This includes all teachers who will be working in the Title III Immigrant program. As stated in the previous section, the Title III Immigrant After School program will focus on improving the literacy and math skills of immigrant students who are being classified as Promotion In Doubt. The Professional Development that our coaches will offer, EnVision Mathematics workshop and Measures of Academics Progress (MAP) assessment workshops, will be very beneficial to our teachers who will be working in the Title III Immigrant program. The EnVision Math program seeks to help students develop an understanding of math concepts through problem-based instruction, small-group interaction, and visual learning with a focus on reasoning and modeling. Differentiated instruction and ongoing assessment are used to meet the needs of students at all ability levels. MAP assessments will help teachers identify the instructional level of the student and also provide context for determining where each student is performing in relation to local or state standards and national norms. As a result, the Professional Development will allow teachers to better target instruction based on students' strengths and needs.

**Schedule and Duration**

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

EnVision Mathematics workshop
Start Date: January 5, 2026
End Date: May 18, 2026
Total Number of Sessions: 8 sessions
Days of sessions: Mondays
Time and duration of sessions: 7:10 am- 8:10 am

Measures of Academics Progress (MAP) assessment workshop
Start Date: January 12, 2025
End Date: June 3, 2024
Total Number of Sessions: 8 sessions
Days of sessions: Mondays
Time and duration of sessions: 7:10 am- 8:10 am

**Topics to be Covered**

For each Title III Immigrant professional development activity, include topics to be covered.

EnVision Math Workshops

- Problem Based Learning

Participants engage in activities that enhance their knowledge of problem-based instruction as they explore how it develops conceptual understanding in students.

- Effective Use of Digital Path

Through modeling and interaction, participants learn how to successfully blend enVision lessons using the print and digital components.

- Personalizing and Differentiating Instruction

This training helps teachers determine strategies for early monitoring and intervention to make the best instructional decisions for individual learners.

- Using Performance Tasks in Mathematics Class

Participants determine criteria for effective performance tasks and explore how to use them as formative assessment tools to scaffold instruction.

- Using Student Assessment to Drive Instruction

Participants delve into embedded assessment strategies that allow them to pinpoint students' needs through ongoing, strategic, and intensive intervention.

MAP Assessment Workshops

- MAP Growth Data Analysis

This session will give participants a deeper understanding of how to interpret achievement and growth data from MAP reports in order to inform grade-level decisions, discuss how MAP Growth can support classroom planning and instruction, and analyze individual student data.

- Beyond the Assessment: Instructional Content Connections

This session will provide an overview of the Instructional Content Providers that partner with NWEA to make connections between MAP Growth data and curriculum. Through these instructional connections, educators can integrate MAP Growth data into existing instructional resources, save instructional time, and adjust instructional resources as students' need change.

**Name(s) and Title(s) of Provider(s)**

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

Our Math coach, Ravi Vyas will lead all EnVision Mathematics workshops and the literacy coach, Tracy Jenal and Alexandra Minaie, will lead all Measures of Academics Progress (MAP) assessment workshops.

**Maintaining Records**

**Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.**

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

All records for the Title III Immigrant Professional Development will be maintained in the Title III Immigrant Program binder, including agendas, sign-in sheets, hand-outs, PowerPoint slides print outs, and any materials distributed during the workshops.

# Part D: Family Engagement Activities

**Family Engagement Summary**

**Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds.**
**Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.**

In developing the Title III Immigrant Parent and Family Engagement activities, parents of participating immigrant students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title III Immigrant Parent and Family Engagement activities and asked to survey their members for additional input. After analyzing the data from the parent surveys, the following topics are needed by the majority (over 90%) of the parents:

- Parent and family engagement activities, including family literacy and parenting skills;
- Understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- Understanding the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, NYC School Survey Report;
- Schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- Translate all critical school documents and provide interpretation during meetings and events as needed.

The activities will be funded by the Title III Immigrant fund. We will make sure that vendor cost will not exceed 20% of the total allocation and per-session will not exceed 10% of the total allocation.

# Rationale for Family Engagement Activities

**Describe the rationale for the family engagement activities to be provided:**

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

In the beginning of the year, a parent survey was sent out to all families of immigrants, including the parents of ELLs, to gather feedback and information on the topics that they would like to learn more about. After collecting the surveys and analyzing the results, we have found that almost all the parents of immigrants stated that they don't know how to help their children at home since most of them don't speak English. They have also stated that they don't know how to use and navigate technology to help their children. Additionally, they have stated that they have to work long hours and that they don't have the time to sit down and teach their children. As a team, we collected all the data from this parent survey and implemented the 3 workshops that will meet the needs of the families of immigrants.

Empowering Immigrant Families: This workshop will address their concerns about using technology and homework help (literacy and math) in general.

Power In Reading: This workshop will address their concerns about not being able to speak English at home. Through this workshop, they will learn the benefits of bilingualism and that it is important to speak their home language at home. They will also receive bilingual books to read to their children at home.

Neighborhood Literacy and Vocabulary Building: Through this workshop, they will learn that literacy is everywhere and they don't have to sit at home and teach them literacy. If they don't have time, they can turn running daily errands into a learning experience for their children. This workshop will teach them how to do just that.

We have scheduled all workshops in the evening to accommodate the schedules of working parents.

**Schedule and Duration**

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Empowering Immigrant Families
Date: 04/15/2026
Total number of sessions: 1
Days of sessions: 1
Time and duration: 4:00 pm- 6:00 pm

The Power In Reading
Date: 05/8/2026
Total number of sessions: 1
Days of sessions: 1
Time and duration: 4:00 pm- 5:00 pm

Neighborhood Literacy and Vocabulary Building
Date: 05/29/2026
Total number of sessions: 1
Days of sessions: 1
Time and duration: 4:00 pm- 5:00 pm

**Topics to be Covered**

For each Title III Immigrant family engagement activity, include topics to be covered.

Empowering Immigrant Families
One two-hour session will be held entitled “Empowering Immigrant Families.” This workshop will help empower families of immigrants with strategies to help their children be successful in school. The workshop will have break-out sessions as follows:
• Technology Help (navigating through Google Classrooms, Google Meet, how to use the features on the ipads, chromebooks,)
• Math Help
• Translation Programs
• Fundations Help
• Homework Help
• Social Emotional Development
Parents will choose up to 3 workshops that they would like to attend on that day. Then they will rotate every 30 minutes to attend the chosen workshops.

The Power In Reading
One hour session will be held entitled "The Power In Reading." This workshop will help families of immigrants learn the benefits of reading and speaking to their child in their home language, learn how to do a read-aloud, take away some reading activities and receiving a bilingual book in their home language to take home.

Neighborhood Literacy and Vocabulary Building
One hour session will be held entitled "Neighborhood Literacy and Vocabulary Building." In this workshop, families of immigrants will learn that a simple walk in the neighborhood such as going to the grocery store can be turned into a real learning experience for their children. This workshop will teach them how to build literacy and math skills while running errands.

For all the workshops, we will provide translation services in our 2 most spoken languages: Spanish and Chinese.

# Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Empowering Immigrant Families
Thiri Myint- Teacher
Dandan Lin- Teacher

The Power In Reading:
Chi Yeon Kim- Teacher
Camile Garcia- Teacher

Neighborhood Literacy and Vocabulary Building
Nicole Connolly- Teacher
Stephanie Cheng- Teacher

**Family Notification of Activities and Translation and Interpretation Supports**

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Parents will receive an invitation informing them about the workshops. The invitation is sent out in English, as well as in Chinese and Spanish, the two dominant languages in our school.

**Maintaining Records**

**Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.**

Interpretation service will be provided at all parent workshops in the two dominant languages of our school's population, Spanish and Chinese. One of the ENL teachers will provide interpretation for Spanish speaking parents and one of our Mandarin speaking teachers will provide interpretation for our Chinese speaking parents. The teachers will provide parents with an agenda for each session and a sign-in sheet to keep track of the attendance. Copies of agendas and sign-in sheets will be kept on file in the Title III Immigrant binder.

# Part E: Budget

**FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY.** Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

**This school is (select one):**

NOT conceptually consolidated (must complete part E Budget below)

**Allocation Amount ($):**

10,068

| Budget Category | Budgeted Amount | Explanation of expenditures in this category as it relates to the program narrative for this title. |
|---|---|---|
| Professional salaries (schools must account for fringe benefits):-Per session -Per diem | | |
| Purchased services -High quality staff and curriculum development contracts. | | iChinese reader, a software program that supports our Chinese DL program and their parents. |
| Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed. | $6292 | Material purchases include, but not limited to NYSESLAT prep books, MLL support texts, classroom supplies for students and teachers |
| Educational Software (Object Code 199) | $3776 | iChinese reader, a software program that supports our Chinese DL program and their parents. |
| Travel | | |
| Other | | |
