Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

P.S. 173 The Fresh Meadows School

District Borough Number (DBN):

26Q173

Grades Served:

Pre K-5

School Address:

174-10 67th Avenue, Fresh Meadow, NY 11365

Phone Number:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Danielle Tweedy	Principal or Designee*	
Carli Saftchick	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Oswald Cheung	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Aida Favis	District Council 37 (DC 37) Representative (staff), if applicable	
Sara Harris	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
	CBO Representative, if applicable	
Lauren Donohoe	Member/Teacher	
Judy Choi	Member/Teacher	
Melissa Farina	Member/Teacher	
	Member/Parent	
Tatyana Masturova	Member/Parent	
Lilliana Hung	Member/Parent	
Odalis Robles-Diaz	Member/Parent Coordinator (optional)	
Rachel Moundros	Member/Parent	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

PS 173 Chameleons strive to create a welcoming environment where chidren and adults:

-Speak with confidence, respect and kindness
-Persevere through purposeful and challenging tasks
-Collaborate to express ideas, build trust and problem solve
Develop talents and nurture curiosity
Celebrate differences and develop empathy and respect

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

PS 173Q, The Fresh Meadow School, is a Pre-K to 5th grade elementary school with approximately 960 students. Our student body is very diverse with students speaking over 25 different languages. 17% of our student population receive ENL services and 18% receive Special education services. We strive to create an environment where we support the whole child through academics, social emotional support and integration of the arts. In order to more fully meet the needs of our student body in literacy, we are proud to be aligned with the citywide initiative of NYC Reads with research based, explicit teaching. We are going into year three of HMH Into Reading along with Fundations and Heggerty in the lower grades. In addition, we look forward to launching Illustrative Mathematics in the 2025-2026 school year in alignment with NYC Solves. We look forward to scaling and sustaining this work with with our District 26 colleagues.

In order to serve the students and community the best we can, we will strengthen our already exemplary ENL department by hiring an addition ENL teacher. We will not have four lisenced and dedicated ENL teachers. In addition, we meet parent choice of a Mandarin Dual Language program . Our program begins in 1st grade and continues through grade 5 with one class on each grade. We were the first school in District 26 to offer a Mandarin Dual Language program have been working closely with NYU-RBRN to further strengthen our program. In addition, we have developed Dual Language Parent Ambassadors to work as partners with our team to improve communication between parents, teachers and administration as well as to serve as partners in developing resources for families such as the Dual Language Handbook.

At P.S. 173 our instructional focus is to cultivate academic excellence through data-based small group instruction and high-level discourse. We believe in personalized learning experiences where every student's progress is informed by data, allowing us to tailor instruction to individual needs. Within data based small groups, students engage in targeted learning activities that promote a deep understanding and mastery of concepts. Furthermore, we

foster a culture of inquiry and critical thinking through meaningful discourse, empowering students to articulate their ideas effectively, and engage in collaborative learning experiences that prepare them for success in a dynamic world."

It is our priority this school year to continue to assess students both academically and socially emotionally so that we can meet them where they are and give them the tools they needed to set goals and crush them. Data sources will include NYS ELA and Math exams, computer adaptive assessments such as iReady Reading and Math as well as Acadience screeners in the lower grades. In addition we will use HMH Into reading and Illustrative Mathematics Data to support knowing our students well.

This school year PS 173Q will continue to emphasize developing more diverse supports for academic intervention using the Multi-tiered System of Support. We will hire an additional Cluster teacher to expand our program to allow for WIN (What I Need) periods where teachers will be engaged in specific interventions across classrooms. We have been working closely with the District 26 team and Queens North to train teachers in more specific methods of data collection so that we can better ascertain which interventions are necessary. In addition, we will strengthen fidelity in intervention materials such as Heggerty and Fundations so that we can better address student needs at the Tier 1 and 2 level. We will also utilize intervention materials such as SPIRE, Sound Sensible and Phonics for Reading.

At P.S. 173, we envision a vibrant learning community where every Chameleon embraces the joy of reading and seeks knowledge with boundless curiosity. Guided by unwavering standards of excellence, we empower our students to conquer challenges and persist in their pursuit of growth. Through the implementation of Structured Literacy and the continuous refinement of teaching practices, we lay a strong foundation for lifelong learning, ensuring that every child thrives in their academic journey. Embracing the richness of diverse perspectives and experiences, we foster an inclusive environment where every learner feels valued and inspired to excel.

At P.S. 173, we are committed to fostering a dynamic learning environment where mathematics is embraced as a journey of logical thinking Through authentic tasks and high expectations, we nurture a deep-rooted foundation of number sense in every student. Our Chameleons actively engage in meaningful math discourse, embracing productive struggle as they develop critical thinking skills. Our dedicated teachers, possessing mastery of the curriculum, guide students through diverse strategies, foster flexibility in thinking, and prepare them for lifelong mathematical success

PS 173Q has been prioritizing Social Emotional Learning over the past several years. In alignment with the District and Chancellor's vision of Equity and excellence, the school created classroom charters and mood-meters using the Ruler Approach. We have engaged in comprehensive professional learning about these topics and we had developed a student-led "SEL Ambassadors" team whose role it is to assess and build our RULER practices as well as check on implementation of Equity topics. Since the 2021-2022 school year we have utilized our Mindset Monday Google classroom to promote school-wide growth mindset and equity topics such as perseverance, courage, tolerance and empathy. We will continue to revise and grow our Mindset Monday resources for the new school year. In addition, we have begun to coordinate a comprehensive PBIS system, CHAMP. We will continue to grow this concept using social emotional and OORs data to inform our planning and using feedback from teachers and students to refine.

In addition, PS 173Q has prioritized the work of Equity, creating a comprehensive Equity Team, our "Champions for Equity", across stakeholder groups including administration, teachers, paraprofessionals, related service providers and parents. During the last several years we have done some deep thinking around gender and race, which culminated in collaborative curriculum planning to tie the work of SEL to Equity through monthly focus areas with a strong tie to literature. Over the last several years the team has delved more deeply into our personal stories around immigration and people with disabilities, body image and mental health. We will continue to grow student voice into this initiatives by taping into already existing student groups such as the SEL Ambassadors and by incorporating this

work in to Monday PL.

In order to grow our work in the Civics for All initiative we will engage in a student council-led "Community Week" during the first few weeks of the school year. All classes will engage in 8-10 Civics for All lessons throughout the school year using our teacher created Google Classroom resources organized by grade and civics theme. All students K-5 will continue to engage in Soap Box lessons and have the opportunity to take the stage at our grade-wide SoapBox celebrations where one student per grade will be selected to take their speech to the Queens Soapbox event in hopes to make it all the way to the mainstage at the Citywide Event. We will continue to engage in the Participatory Budget process wherein we will collect ideas from the school community and utilize rank choice voting to select projects to fund. In addition we will continue to go Take Action projects into the all grade levels through community services projects.

Teaming structures will be fine-tuned this school year. Teachers will meet in grade teams to look at data and plan through an inquiry lens as well as vertical teams to engage in planning around topics such as reading, writing, mathematics and Civics/Social Studies. The purpose of these teams is to create structures for backward planning so that topics can be as connected and integrated as possible. In addition, teacher and staff will continue to engage in Chameleon Committees to strengthen staff relationships and build structures such as community service projects, Kindness initiatives, student teams and beautification projects.

The PS173Q PTA is one of the most active groups of parents in District 26. They have worked hard to make our Chameleon hopes and dreams come true through events such as the Halloween Event, Winter and Spring Boutiques and Carnival. In addition, they have been growing community efforts such as school grounds beautification as well as community services such as clothing and books drives. Their hard work and volunteerism have impacted on many areas of teaching and learning and will continue to support us meeting our goals in the upcoming school year.

Briefly summarize the key initiatives your school will implement this school year.

-Greater attention to the Science of Reading through the implementation of HMH Into Reading, Fundations in K-3 and Heggerty in K-2
-Increase discourse in classrooms through the integration of Illustrative Mathematics
-Increase Participation in Civics for All initiatives such as Soapbox, Participatory Budget and Take Action
-Incorporate more opportunities for students to learn about college and career options through Career Day activities and learning about Financial Literacy
-Refine Positive Behavior System, "CHAMP" to reinforce good behavior
-Continue to refine and implement Recess Stations during lunch through partnership with Asphalt Green
-Continue to develop the whole child through Social Emotional Learning and Equity teaching

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	HMH Into Reading	-iReady, Acadience, Raz Kids, Epic
Math	K-5	Illustrative Mathematics	-iReady

ELA and Math	Pre-K	PreK for All	
Foundational Reading Skills	K-3	Fundations and Heggerty	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Acadience/Fundations	-Lack of access to quality PreK -Issues with digital assessment -Large number of ENL students -Teachers report feeling inadequately prepared to provide explicit, systematic phonics instruction that effectively connects phonemic awareness to grapheme-phoneme correspondences, possibly due to insufficient professional development on evidence-based phonics methodologies and diagnostic assessment interpretation	Implement a systematic, explicit K-2 phonics curriculum with accompanying teacher professional development focusing on diagnostic assessment and differentiated instruction
iReady, EOY 2025	-Connection to language development students lack the language skills to respond to higher level questions	Implement a systematic, explicit curriculum with accompanying

	and support their ideas with text evidence -Students may not understand the structure of the questions -Change in society where students are behind screens more, less discussion -Students struggle with typing which may affect scores on assessments or makes it so that are unable to complete the assignments in class -Student may lack executive functioning skills necessary to navigate assessments	teacher professional development focusing on diagnostic assessment and differentiated instruction
iReady EOY 2025 data shows that 23% of SWD are proficient in reading, compared to 56% of their general education peers, representing a 33 point gap across all grade levels	- overall proficiency data for SWD is far below the rest of the school's population. - -Teachers need more training in how to utilize the curriculum to sufficiently address students who are far below grade level in reading -Special education teachers are still learning how to realize SDI written into IEPs and require more training and support	Provide targeted, ongoing professional development for all teachers on implementing Specially Designed Instruction (SDI) for SWD and effective sheltered instruction strategies for MLLs, including academic language development and culturally responsive practices, with consistent in-class coaching support.
iReady EOY 2025 data shows that 5% of MLL are proficient in reading, compared to 56% of their general education peers, representing a 51 point gap across all grade levels	- Large influx of EN and EM students over the past few years -overall proficiency data for MLLs is far below the rest of the school's population. -Teachers need more training and support with how to utilize the curriculum to sufficiently address our EN and EM students	Provide targeted, ongoing professional development for all teachers on implementing Specially Designed Instruction (SDI) for SWD and effective sheltered instruction strategies for MLLs, including academic language development and culturally responsive practices, with consistent in-class coaching support.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	70%	By June, 2026, literacy for All Students will improve, as measured by a 5% Increase, from 70% to 75%, of percentage of students scoring at or above proficiency on the NYS ELA exam results.
Students with Disabilities (SWD)	34%	By June, 2026, literacy for Students with Disabilities (SWD) will improve, as measured by a 10% Increase, from 34% to 44%, of percentage of students scoring at or above proficiency on the NYS ELA exam results.
English Language Learners (ELL)	29%	By June, 2026, literacy for English Language Learners (ELL) will improve, as measured by a 10% Increase, from 29% to 39%, of percentage of students scoring at or above proficiency on the NYS ELA exam results.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Curriculum aligned to the science of reading such as HMH, Fundations and Heggerty will be utilized alongside WIN Periods with use of interventions such as SPIRE, Phonics for Reading and Sound Sensible to more thoroughly meet the needs of students.

Root Cause Addressed:

-Teachers report feeling inadequately prepared to provide explicit, systematic phonics instruction that effectively connects phonemic awareness to grapheme-phoneme correspondences, possibly due to insufficient professional development on evidence-based phonics methodologies and diagnostic assessment interpretation
-Special education teachers are still learning how to realize SDI written into IEPs and require more training and support
-Teachers need more training and support with how to utilize the curriculum to sufficiently address our EN and EM MLL students

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
-Refine curriculum, HMH Into Reading as part of NYC Reads to ensure that it is more explicit and data driven resulting in higher proficiency across sub-groups -Provide planning time in Monday PL and via per diem coverage to grade level and vertical teacher teams -Maintain a routine for collecting and analyzing reading data such as iReady, Acadience, Fundations and HMH Assessments to identify patterns and plan responsive instruction in core learning in small groups based on individual student need utilizing HMH Resources, iReady Instructional Tools and the Florida Center for Reading Research -Evaluate current shared reading and writing curricula and revise as needed to ensure

frequent opportunities for students to engage in quality discussions and rigorous writing tasks. -Integrate the use of evidence based instructional strategies and interventions that compliment the shared curriculum such as SPIRE and Sounds Sensible and Phonics for reading
Continue to develop MTSS Team to examine screener data to develop a plan to support students within the MultiTiered System of Support in which tiered academic interventions are paired with social-emotional learning supports. -Continue to work with K-3 teachers to fully implement multisensory language instruction via Fundations and Heggerty with fidelity -Work with 4-5 grade teachers to utilize HMH Into Reading resources to support grammar instruction -Program WIN periods across grades to allow for dedicated time to administer Tier 2 and 3 interventions -Ensure all students have access to complex texts and decodable texts that are culturally responsive
-Leverage information from students' IEPs in regards to present levels of performance, management needs and progress monitoring in order to plan for required adaptations to instruction. -Examine Specially designed instruction written in IEPs and ensure that these plans are fully implemented within the HMH Curriculum with support from the D26 Instructional Support team
English as New Language (ENL) providers will share best practices with all teachers during Monday 60 min professional learning, Grade Team Meetings and Other Professional Work Time to develop Advanced Literacy Hallmarks. -RBERN NYU Support person to review NYSESLAT Data with staff to examine how to move students through language acquisition levels

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

- iReady ELA and Math Screeners three times a year
-Acadience Screeners three times a year as well as for progress monitoring for Tier 2/3 Students
-HMH Unit Assessments weekly progress monitoring within units
-IEP Progress Monitoring
-Fundations Unit Assessments

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/06/2025	10/06/2025	What's Brewing with WIN Periods?	
11/10/2025	11/10/2025	How Can Parents Support Executive Functioning?	
02/23/2026	02/23/2026	What's Brewing State Testing	

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Assistant Principals. Grade Level Teams, MTSS Team, District and QN Support, Grade Team Leaders, Full Time AIS Teacher and F-Status AIS/SETSS Teacher

Instructional Resources

HMH materials and resources , decodable texts and diverse texts, Acadience, iReady instructional and test prep, Fundations Materials, RAZ Kids, Epic, Fundations, Florida Center for Reading Research Center activities, class sets of technology

Schedule Adjustments

Additional Preparation period, 60 minutes of professional development on Mondays, Saturday and/or weekly before school and/or afterschool program per session, Dual Language Teachers programmed for AIS, per session for adaptation of HMH materials for Dual Language classes.

Other Resources Needed

N/A

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
OORS Data SY 24-25	-Students struggle to regulate their emotions resulting in more physical altercations between students especially during lunch and recess Class sizes are big, making it much harder to address increasingly needy children -Students do not have enough opportunities to engage in structured play -School aides need more support and training for how to maintain structures and support students in crisis	High number of occurrences in less structured environments such as lunch and recess
NYC	-Students lack problem solving skills -teachers and staff need continued	Teachers expressed

School Survey 2025	training and support in utilizing restorative practices for classroom management.	concerns in classroom behavior, specifically that students harass, bully, or intimidate other students.
OORS Data, SY 24-25	-The school has more students in need of 1:1 support and these students are high needs -Staff such as teachers and paras need more support in how to enact BIPs, what constitutes a crisis and what to do in crisis situations	Large number of OORS reports for students with Crisis Paras

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	44	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 20% Decrease, in number of bullying allegations from 44 to 35, per the Online Occurrence Reporting System (OORS) reports.
All Students	42%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 10% Decrease, in number of incidents occurring in the cafeteria and/or playground from 42% to 32% , per the Online Occurrence Reporting System (OORS) reports.
All Students	67%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 10% Increase, in practices related to classroom behavior from 67% to 77%, per the NYC School Survey results.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Monday Professional Learning - Crisis Management and Equity Work for Teachers and Paras
School Aide Training - Maintenance of Recess Stations, Crisis Management and Equity Work
SEL Ambassadors
Asphalt Green
OSYD - Equity Design Team
UFT Brave

Root Cause Addressed:

-High number of occurrences in less structured environments such as lunch and recess
-Teachers expressed concerns in classroom behavior, specifically that students harass, bully, or intimidate other students, paired with a high number of bullying allegations in OORS
-Large number of OORS reports for students with Crisis Paras

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Continue to address the physical and mental wellness of students by developing Social-Emotional Learning in a Culturally Responsive Environment in which everyone in the school benefits from learning to understand/manage emotions, create positive relationships, empathizes and makes responsible, community-minded decisions.
Continue to develop Student Council and Student SEL Ambassadors to promote anti-bullying, bystander work started during the 2024-2025 School year, specifically to develop student survey to monitor student perceptions

Continue to develop cross-functional team of support staff and teachers to further develop the school-wide Positive Behavior Interventions and Supports (PBIS) system of CHAMPS, adding an emphasis on bullying prevention
All students continue to receive an instructional physical education program and comprehensive health education aligned to state standards, in every grade, that meets or exceeds the specified instructional requirement, is medically accurate, is age-and developmentally appropriate, and is culturally inclusive. Classroom teachers utilize Move-to-Improve to supplement our PE program
Continue to develop and refine the monthly calendar and Mindset Monday Google Classroom with school-wide Equity-Based focus topics that includes City and District initiatives, literature, vocabulary and weekly SEL activities and continue monthly professional learning to prepare teachers for implementation.
Continue to ensure communication regarding SEL development is translated for families and provided in culturally appropriate ways
-Engage Asphalt Green and OSYD Equity Team to support more organized and safe recess time for students as well as restorative practices for staff and students

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

-OORS Reports monitored during monthly Crisis team meetings
-NYC School Survey Data

-Internal SEL Ambassador Survey twice a year; Fall and Spring

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/14/2025	10/14/2025	UFT Brave Bullying Prevention Workshop	UFT Brave
11/20/2025	11/20/2025	Parent Workshop for Students with ASD	
09/15/2025	09/15/2025	What's Brewing CHAMP updates	

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Assistant Principals, School Aides, MTSS Team, Equity Team, District and BCO Support, SEL/Equity Leads, PBIS Leads, Guidance Counselors, Social Workers, Asphalt Green

Instructional Resources

Sanford Harmony, RULER, Implicit Bias Training, Move to Improve Curriculum, School-Wide Monthly Equity/SEL Calendar, Mindset Monday Google Classroom. Professional Texts for book studies, items for school store, items to support outdoor recess

Schedule Adjustments

Additional preparation periods, 60 minutes of professional learning time and/or Faculty Conference /Grade Team Meetings, Per Diem Coverage and per session for SEL/Equity Leads and PBIS Leads

Other Resources Needed

n/a

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
iReady EOY 2025	-Lack of adequate opportunity for math discourse and celebration of alternate thinking -Forcing students to know ALL alternate algorithms rather than perfecting what works for them best -Envisions curriculum does not include enough opportunity for mathematical discourse/routines for encouraging alternate ways of thinking -Envisions curriculum encourages learned helplessness as students "wait" for the correct answer, rather than attempting to persevere and attempt to solve on their own -Spotlight classrooms have not been	Core Instruction-Discussion/Problem Solving

	developed, so teachers do not have a model for this work -Parents need support in asking questions that promote students thinking rather than "giving them the answer"	
iReady EOY 2025	- Students lack foundational math skills -The Envisions curriculum can be very wordy and challenging to read -Students are not given enough fluency practice - Lack of real life application in classwork connection to college and career	Numbers and Operations
iReady EOY 2025	--Envisions curriculum encourages learned helplessness as students "wait" for the correct answer, rather than attempting to persevere and attempt to solve on their own -Lack of training for SWD teachers in interventions and how to appropriately diagnose students	Proficiency in Math for SWD

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	80%	P.S. 173 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scoring at or above grade-level proficiency will Increase by 3% from 80% to 83%, for All Students, as measured by NYS Math Exam results.
Students with Disabilities (SWD)	63%	P.S. 173 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scoring at or above grade-level proficiency will Increase by 5% from 63% to 68%, for Students with Disabilities (SWD), as measured by NYS Math Exam results.
English Language Learners (ELL)	63%	P.S. 173 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scoring at or above grade-level proficiency will Increase by 5% from 63% to 68%, for English Language Learners (ELL), as measured by NYS Math Exam results.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Illustrative Mathematics (IM)

Root Cause Addressed:

Core Instruction - Discourse/Problem Solving
Overall Proficiency for SWD
Numbers and Operations

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
-Launch new curriculum - Illustrative Mathematics across all K-5 classrooms as aligned to NYC Solves and District 26 to bolster discourse and increase student perseverance in problem solving.
-Provide planning time during Monday 60min PL and via per diem coverage to grade level and vertical teacher teams to: - Maintain a routine for collecting and analyzing math data such as iReady, and Illustrative Unit tests to identify patterns and plan responsive instruction in core learning in small groups based on individual student need utilizing iReady Instructional Tools and Illustrative supports -Plan for instruction that includes multiple entry points for students and is culturally relevant (e.g. multiple means of representation and expression). -Provide students with sufficient practice with feedback in order to promote automaticity and problem solving / mathematical reasoning strategies. -Provide frequent opportunities for students to engage in mathematical discourse using mathematical vocabulary to

discuss problem-solving strategies -Teachers will emphasize the importance of math through real world problem solving as a means to promote and deepen engagement
Ensure that ML/ELL teachers are familiar with grade level specific mathematical vocabulary so that students can be provided with multiple opportunities to acquire mathematical vocabulary and to engage in mathematical conversations. ML/ELL students will be provided with glossaries if they need support.
Develop student math team comprised of "Experts" who develop math games and activities for students, create videos of model math discourse/conversations, brainstorm "Math Family Fun" night and promote perseverance
Identify a fluency intervention to supplement Illustrative, train teachers in how to utilize and progress monitor

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

iReady Math Beginning, Middle and End of Year

MTSS Progress Monitoring Data
IEP Progress Monitoring at Annual Reviews

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/13/2025	10/14/2025	What's Brewing Shifting to Illustrative Math	
11/10/2025	11/10/2025	Family Math Night	
03/07/2026	03/07/2026	What's Brewing State Test	

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Assistant Principals, Math TeacherTeam/Leads, ESL Teachers, District Support (Math AIS/Coach)

Instructional Resources

Illustrative Math materials , iReady instructional and test prep, Building Fact Fluency, First in Math, Class sets of technology

Schedule Adjustments

Additional Prep Period, 60 Minutes of Professional Development on Mondays, Dual Language Teachers scheduled for AIS periods, per diem coverage for math leads, per session for Math Leads

Other Resources Needed

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYC School	We have not historically considered postsecondary options across grades - Students in 5th grade have always had Career Day, but not students in other	Students need deeper

Survey, 2025	grades. Last year was our first year extending this practice across grades -We have not engaged enough families in an understanding of how NYC Rise can support in college and career planning through 529 Accounts	knowledge of postsecondary options in order to plan for the future
NYC School Survey, 2025	-Students across grades have not fully thought through their post-secondary plans and path toward economic security -Financial literacy has not been explicitly taught -Families have not been engaged around how to plan for their child's future including Save for College	Students need exposure to explicit Financial Literacy instruction

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	85%	PS 173 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the parents perception that the school provides resources to prepare their children for college, career and success in life after high school for All Students will Increase by 5% from 85% to 90% as measured by NYC School Survey Results .
All Students	42%	PS 173 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the percentage of active NYC RISE college savings accounts for All Students will Increase by 10% from 42% to 52% as measured by NYC RISE enrollment reports.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Illustrative Math Curriculum
Financial Literacy Curriculum
NYC Rise

Root Cause Addressed:

Lack of consistent Career Day celebrations across grades
Lack of consistent Financial Literacy instruction across all grades
Lack of activated 529 accounts

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Continue to develop school-wide plan for Career Day options PK-5 including: individual classroom career days in PK-4 and Grade 5 Assembly as well as inviting alumni's to return to the school
Continue to examine Passport to Social Studies and IM curriculums to identify high leverage lessons that address Financial Literacy
Examine Passport to Social Studies and IM curriculums to identify high leverage lessons that address Financial Literacy and launch a Financial Literacy week in April as well as 529 Day celebrations in May
Continue to utilize the Chameleon School Store alongside CHAMP plan to provide a real life connection to financial

literacy through "earning" items
Continue to incorporate SoapBox and Take Action projects across all K-5 classes so that students can have the opportunity to express their opinions and think about how to make change in our community in a real-life way

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

NYC Rise Enrollment
NYC School Survey

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/25/2026	Incorporate Save for College Materials and Presentations across the school year including but not limited to Back to School Night and What's Brewing meetings	
01/12/2026	01/16/2026	Parent participation in Career Day activities across grades	

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Assistant Principals, Financial Literacy Leads, Civics for All Leads, Grade Level Teams, District support

Instructional Resources

Civics for All materials, Passport to Social Studies materials, Illustrative Mathematics Curriculum, texts that center around college and career

Schedule Adjustments

Per Diem and/or per session for Civics for All Leads and Financial Literacy Leads, Additional Preparation period, 60 minutes of professional development on Mondays, Saturday and/or weekly before school and/or afterschool program per session

Other Resources Needed

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYC School Survey revealed 9% decrease in parents citing that someone helped them consider which schools and	-While PK teachers address these areas, more specific communication needs to go out to families with their options and what the Kindergarten program	Building Families' Capacity as

programs would be best for their children (Birth-5)	at our school offers and how it would best meet their children's needs	their Child's Primary Caregiver
NYC School Survey indicates that 16% of families do not feel the school provides resources to prepare their children for college , career and success in after after high school	-While we are doing a good job preparing students for life after high school parents would like to see more resources to support their future development	College and Career Readiness

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	91%	PS 173 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the percentage of parents/families indicating that they are satisfied with the education their child is receiving will Increase by 4% from 91% to 95% as measured by NYC School Survey Results.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Parent and Staff Training especially in PK
College and Career events/activities across all grades including PK

Root Cause Addressed:

Not enough families are aware of and are taking advantage of the Save for College Program
Only grade 5 participates in career day, need to expand events to other grades including PK

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
- Professional learning to staff across grade to support enrollment in the Save for College Program
-Parent Meetings across the school year to share resources and promote enrollment in Save for College Program
-Coordinated College and Careers events and activities across all PK-5 classes

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/17/2025	09/17/2025	Inclusion of Save for College in Back to School Night presentations	
09/30/2025	05/30/2026	College and Career Activities across grades PK-5	

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Assistant Principals. Parent Coordinator, PTA, District and BCO Support

Instructional Resources

Diverse texts about college and career

Schedule Adjustments

Additional Prep Periods for to support teachers with planning activities, 60 Minutes of Professional Development on Mondays

Other Resources Needed

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
New Visions Portal - 17% of Students Chronically Absent (out of 958 totalstudents - 167 chronically absent)	we have a subset of students who go on vacation during the school year -we have other families for whom they are sick often and miss school frequently -parents are not fully aware of how much students miss when they are frequently absent	Chronically Absent
47% of Chronically Absent students are Hispanic (75 out of 160 total students)	For Hispanic students, issues with child care contributing to higher rates of chronic absenteeism and therefore loss of learning. -specific students in this sub-group with social emotional needs -Families in this sub-group	Hispanic Families overrepresented in absent and

	have similar needs but do not have the chance to connect with one another to share their experiences and support one another	chronically absent measures

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Hispanic Students	47%	By June, 2026, the Percentage of Chronically Absent Students for Hispanic Students will decrease by 7%, from 47% to 40%, as measured by the New Visions Chronic Absenteeism Reports.
All Students	94.1%	By June, 2026, the Daily Attendance rate for All Students will increase by 0.2%, from 94.1% to 94.3%, as measured by the New Visions Portal.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Ongoing outreach and in-person data meetings.

Attendance case management by attendance team members, facilitated through District attendance teacher who will be assigned to PS 173 to address Hispanic Subgroup.

Root Cause Addressed:

Building engagement and providing guidance and support to families who are struggling to have their children attend school everyday.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Attendance Case Management in Spanish to effectively communicate and partner with families
Bi-weekly meetings with the attendance team to review the distribution of quarterly attendance awards to reinforce good attendance as well as determination and distribution of attendance and lateness letters for students who are chronically late and/or absent.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Recurring Parent Workshops will be provided in Spanish and will center on building healthy routines and its positive effects on students social emotional and academic learning	
09/04/2025	01/30/2026	What's Brewing Parent Meeting on Attendance Procedures

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
In grades K-2, 10 out of 71 students are proficient in phonemic awareness/phonics (Acadience data EoY 2025)	SDI is not appropriately matched to the deficit ie: delivering an intervention for phonics instruction	IEP Development and Fidelity of Implementation
		Transition Planning and

		Compliance
Initial and reevaluation referrals have remained steady despite procedures and protocols with PPT and SIT. SESIS data 24-25	Lack of implementation of interventions, more teachers need to be trained in interventions	Referral Process and Equity
Male students with Behavior Intervention Plans make up a significant percentage of OORS reports. OORS reports 24-25 101 reports out of 527 total.	Behavior Intervention Plans are not addressing the behavior, paras need further training, BIPs do not match the behaviors.	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	10%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve IEP Development and Fidelity of Implementation by a 10% Increase, from 10% to 20%, as measured by Acadience, NWF and ORF .
All Students	30	By June, 2026, to strengthen the quality and implementation of IEPs for All Students, we will improve Referral Process and Equity by a 15% Decrease, from 30 to 25, as measured by Sesis data.
Students with Disabilities (SWD)	101	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD who have BIPs), we will improve Equity in School Discipline by a 10% Decrease, from 101 to 91, as measured by OORS data and BIP data.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Professional development for Special Education teachers on matching SDI to the students' needs and professional development on types of literacy and math deficits and coordinating SDI to match the deficit.
Train teachers in interventions.
Look at fidelity of core instruction with Fundations.
Look at BIP data and targets and revise if necessary.

Root Cause Addressed:

Matching SDI to students' needs

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Survey Special Education teachers to identify gaps in knowledge about SDI, literacy/math deficits, and intervention strategies.
Analyze student performance data to determine priority deficit areas (e.g., phonics, comprehension, math computation).
PD calendar with sessions on: Types of literacy deficits (phonological awareness, phonics, fluency, comprehension) Types of math deficits (number sense, operations, problem-solving) How to design SDI tailored to each specific deficit Evidence-based interventions for literacy and math Monitoring and adjusting instruction based on student data
During school implementation meetings, discuss how SDI is matched to deficits and progress monitoring

Key Strategy 2 (Optional):

Decrease in initial evaluations

Root Cause Addressed:

reduce number of initial evaluations

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Implement WIN periods across the school
Train teachers in interventions
Progress monitoring for students brought up to PPT

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Acadience Screeners three times a year
IEP Progress Monitoring
Sesis data

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Provide workshops on understanding the IEP, structure of IEP meetings, and continuum of services.	
11/17/2025	11/17/2025	What's Brewing at 173 Parent Meeting to review MTSS Systems and Structures	

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

AIS teacher, Centrally Funded Intervention teacher

Instructional Resources

Software: RAZ Kids, Raz Kids ELL edition, Epic reading and Language Power for ELLs.

Schedule Adjustments

Scheduling time within the Professional Learning plan for training for teachers (goal writing, SDI)

Other Resources Needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
2/3	SPIRE IPA	SPIRE	Small group	During school	No
2	Acadience	Great Leaps	one to one	During school	No
2	Acadience	SPIRE	Small group	Before or after school	No
2	Acadience	Great Leaps	one to one	During school	No
3	SPIRE IPA	Phonics for Reading	Small group	During school	No

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Teacher observation, and PPT referral	At risk counseling	Small group, one to one	during school	No
Tier 3	Teacher Recommendati	Child Center of New York	one to one	during school	No
Tier 3	PPT	At-risk Counseling	one to one	during school	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

We share the essential components of Multi-Tiered System of Supports (MTSS) with families through a variety of and family- communication strategies.
We host What's Brewing parent meetings focused on MTSS. We explain the purpose, tiers of support, and how families can participate in the process.
Components of MTSS are discussed at School leadership team meetings.
At parent teacher conferences teachers discuss student progress and explain how MTSS supports are individualized to meet a child's academic, behavioral, and social-emotional needs.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Families of students receiving Tier 2 targeted or Tier 3 intensive interventions within an MTSS framework receive updates on their child's progress in several structured and supportive ways.
Teachers meet with parents during parent engagement time or parent teacher conferences to discuss progress using , iReady and Acadience Family reports, classroom data from HMH assessments and math assessments.

Tier 3
Interventionist communicating with the parent. Parent letters explain next steps.
Families receive iReady or Acadience family reports.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Classroom teacher meets with the parent to discuss next steps based on Tier 2 progress. Interventiomists communicate with parents. parents sign off on the permission slip.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

36

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

We are noticing that the majority of our students are doubled up, rather than truly in temporary housing, therefore we do not utilize the survey.

However, we do see that among STH students that there are instancing of lateness and/or chronic absence. Therefore we have implemented a Morning PE/SEL program, Cheer Program and Basketball Program that target student in temporary housing in order to better engage them at school.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

-At risk counseling and support
-Inclusion in the Saturday ELL Academy
-Opportunity to engage in an Early Bird Social Emotional/Physical Education Program beginning Fall 2024 through Spring 2025
-Opportunity for extra-curricular activities such as Cheer and Basketball

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. PS 173Q, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

P.S. 173Q Fresh Meadows will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P.S. 173Q Fresh Meadows, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Danielle Tweedy
Assistant Principal (Where Applicable)*	Justin Barilla
English as a New Language (ENL) Teacher*	Phoebe Chang
Teacher (if school has a bilingual program must be a bilingual teacher)*	Lisha Ge
Parent/Guardian*	Gregoria Ramos
Teacher	
Parent Coordinator	Odalis Diaz-Robles
School Counselor	Jason Lewinter
Related-Service Provider	
English as a Language(ENL) / bilingual teacher	Joanne Wang
English as a Language(ENL) / bilingual teacher	Ligia Hanc
English as a Language(ENL)	Juan Cheng

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

6

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

5

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

5

Number of ESOL certified teachers with a bilingual extension:

4

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

3

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

2

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

0

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

2

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

925

Total number and percentage (%) of current ELLs:

187 ELLs and 20.22%

Total number and percentage (%) of former ELLs:

101 ELLs and 10.9%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

135 ELLS/MLLs and 85%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

23 ELLS/MLS and 14.6%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

36 ELLs/MLS & 22.8%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	GE	Mandarin Chinese	2007-2008		1	1	1	1	1								5
DLBE																	0
DLBE																	0
				total: 0	total: 1	total: 1	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

The standalone model instruction is designed to develop English language skills so that students can succeed in core content courses. The standalone model is provided to students who are at the Entering and Emerging levels. These students are pulled out of their classroom and receive 180 minutes per week of small group instruction with a certified ENL teacher. With Transitioning students, we have the flexibility of combining standalone (90 minutes) with integrated (90 minutes) depending on the individual needs of the students. Within these small groups, the instruction is differentiated based on their individual needs. The Entering and Emerging students also receive an additional 180 minutes of integrated ENL instruction.

Students at the Entering and Emerging level (based on 2025 NYSESLAT & NYSITELL) are grouped by grade. In this structure, ENL teachers are able to meet their mandated minutes of ENL instruction. Within this group we can assess the student's progress in reading, writing, listening, and speaking. In this way, we can meet the individual needs of the students and differentiate instruction accordingly. In this small group model, the reading and writing can be addressed through various methods. Doing shared reading and writing using complex texts as a way to scaffold for the students as they become more independent readers and writers. Listening and speaking can be built into the lessons using the same texts as used for reading and writing. Asking questions ahead of time that invite students to listen for a specific answer. Also, pairing the students with partners to promote guided discussions, and using prompts or sentence starters can increase their speaking ability which will transfer into their writing skills.

Integrated ENL:

The instruction in the integrated ENL model is to build English language skills through content area instruction. This model is provided to all current and former ELL students who are at various proficiency levels. Students at the EN, EM, TR, and EX levels receive 180 minutes of this model of instruction. Former ELLs receive 90 minutes of mandated service. In our school this service is provided in two ways. One way the integrated model is provided is by a classroom teacher who is dually certified in TESOL and common branches or content area. The second way the integrated model is provided is by the co-teaching (Integrated) method in which a certified ENL teacher integrates into the classroom of a certified common branches teacher and works with small groups of MLs/ELLs to support the content being taught in the classroom. In the integrated model the students are in the same class but may be at varying proficiency levels.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

In the Dual Language program, ML/ENL students are serviced according to their proficiency level, using the integrated and stand-alone models, by certified ENL teachers. In addition, students in Dual Language receive home language support in reading, writing, math, and social studies. Students are equally taught content area subjects in English and Mandarin. If a Dual Language teacher is certified to teach ENL, then that teacher provides the integrated services to the ML/ENL students in their class.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

To ensure that the mandated number of instructional minutes are provided according to proficiency levels in each program, the ENL teachers plan their schedules according to the individual mandated times for each ML/ELL student. We use data from the EDAT report as an overview of the proficiency levels of the students and from that information we are able to schedule the students accordingly. We provide a combination of stand-alone and integrated ENL instruction in order to make sure that each student is receiving at least the minimum amount of services required by the state.

Those requirements are:
Entering: 180 minutes stand-alone and 180 minutes integrated – Total 360 minutes
Emerging: 90 minutes stand-alone, and 180 minutes integrated and 90 minutes either stand-alone or integrated – Total 360 minutes
Transitioning: 90 minutes integrated and 90 minutes either stand-alone or integrated – Total 180 minutes
Expanding: 180 minutes integrated
Commanding: 90 minutes integrated
HLA minutes are provided in our Dual Language program. In our school, Home Language Instruction is delivered in Mandarin only. The two models that we are using this year are self-contained models for second grade and fifth grade and roller-coaster models for grades 1, 3, & 4. Both models of instruction will be delivered in both targeted languages (English and Mandarin). Both languages will be displayed side by side.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

For ENL Integrated services, instructional minutes are delivered as follows:
- Entering/Emerging/Transitioning/Expanding levels
- via small group instruction within the classroom: 180 minutes

For ENL Stand-alone services (ELA) instructional minutes are delivered as follows:
- Entering/Emerging: 180 minutes

The Dual Language program provides instruction in reading, writing, math, and social studies in English for 50% of the instructional time and Chinese (Mandarin) for 50% of the instructional time.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

The side by side model has been implemented in the Dual Language program since 2007. There are two teachers per class; one teaches English and the other teaches Chinese, with the exception of grades 2 & 5 who have dually certified in ESOL & Bilingual Extension, teaching both English and Chinese sections. The Dual Language program provides instruction in reading, writing, math, and social studies in English for 50% of the instructional time and in Chinese (Mandarin) for 50% of the instructional time. The students develop the content and concept knowledge in content areas in English and Chinese. On the days that the students are learning in English, the teacher provides small group instruction supporting English language development. The English and Chinese teachers serving the same grade meet regularly to discuss content and student progress. The Chinese teachers serving different grade levels also meet on a weekly basis to ensure students' native language instruction is aligned across grades. Communication and collaboration are in effect during remote learning. In addition, ENL teachers provide integrated and standalone support and work with small groups based on their individual needs and mandated minutes of ENL services.

b. In which language(s) is each core content area taught?

The Dual Language program provides instruction in reading, writing, math, and social studies in English for 50% of the instructional time and in Chinese (Mandarin) for 50% of the instructional time.

The Dual Language program provides instruction in reading, writing, math, and social studies in English for 50% of the instructional time and in Chinese (Mandarin) for 50% of the instructional time.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

According to EDAT from May 2025, 86.9% of ELLs are Newcomers. There are no SIFE students.

- For Newcomers, we provide small group, standalone services that focus on their specific functional language needs. 173Q has embedded school-wide WIN periods. The ENL teachers scheduled 2 WIN periods per week per grade for standalone services. During the standalone services, we target students' specific language needs through visuals, repetition, concrete examples, building vocabulary, oral language practice and sentence development (i.e. - sentence stems, sentence frames). Furthermore, we invite newcomer MLs/ELLs to the Title III after-school programs that support their specific needs.

- For the Developing ELLs/MLLs we focus on language through content, support both academic progress and language development. For effective instruction we use classroom curriculum objects and deliver clear language objectives for developing ELLs/MLLs. We preview or preteach vocabulary with visuals, gestures, and realia. Another effective instruction, we incorporate word banks and sentence stems (or sentence frames). Chunk directions & texts to check for understanding. Another effective part of instruction is to pair ELLs/MLLs strategically.

- For Long-Term ELLs/MLLs, we focus on academic language and critical thinking through pre-teach and reinforce content specific and high-utility academic vocabulary. For example, teach explicitly Tier 2 & Tier 3 vocabulary. In addition, we provide sentence stems and sentence frames that push beyond basic speech. Another effective support, we also focus on comprehension and vocabulary in context. For example, use of highlighters, text annotations to build understanding. We also provided scaffolded text - same topic however different level of complexity.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

0% -SIFE
0% - Long-Term ELLs

In preparation for the possibility of SIFE students, the ENL teachers will collaborate with SBST team members, classroom teachers, and administrators to create a plan to provide extra support.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

There are no Long-Term MLs/ELLs in our school now. In the case of Long-Term MLs/ELLs, we would analyze data to determine what are the underlying causes keeping these students from becoming proficient in English. Based on that data we can plan instruction to target those student's needs and reach out to the necessary service providers for support. We will collaborate with classroom teachers and other providers with the relevant data. With Developing students we continue our integrated and extra curricular support while monitoring their progress.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

Of all the ELLs in the school, 35.7% are Former MLs/ELLs. After exiting MLs/ELLs status, Former MLs/ELLs in our school receive 2 years of support services. They receive 90 minutes of integrated ENL instruction to provide additional support. In addition, they may receive testing accommodations for 2 years after passing the NYSESLAT.

The 90 minutes of Integrated instruction is delivered in 2 different ways.
1- An ENL teacher pushes into the student's classroom to provide 90 minutes of instruction per week. This instruction is provided to support the students in the content areas.
2- Services are provided via Alternative Pathways. The classroom teacher provides support using one of the following methods.
Small Group Instruction- Teachers provide support in the classroom and monitor progress in collaboration with ENL teachers. If a student does not show progress, then we move the student to method 1 for support. ENL teachers provide student logs to monitor former ELLs/MLs progress via teacher logs of Alternative Pathway that are submitted quarterly.
Project Based Instruction - Classroom teachers, in collaboration with ENL teachers, choose a content area and design a project to support development in language arts and content area knowledge.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

Based on the Spring 2025 EDAT, we noticed that ELL students who are identified as high risk most often have IEPs and are placed in either an ICT setting or self-contained environment.
Another trend observed among ELLs is that after Tier I and Tier II classroom interventions, additional intensive support through AIS services is often required.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

There are no former ELLs at risk based on the Spring 2025 EDAT.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The largest representation of home languages spoken at our school is Chinese. The next largest language population is Spanish. The balance of the languages spoken include Russian, Korean, Hebrew, Portuguese, Bengali, Urdu, and Filipino.

Our Language Access Coordinator and administrative team ensure that all school information is communicated in the languages that are spoken by families in the school. School notices are sent in the top 3 languages spoken in the school and translation is available for those who speak other languages. Over the phone interpretation is used whenever necessary.

Our ENL staff speak the following languages:
- Chinese (Mandarin)
- Spanish
Our school pupil secretary speaks Cantonese (Chinese).
Our parent coordinator speaks Spanish.
Our Assistant Principal is fluent in sign language.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

American Indian/Alaskan Native - 15.5%
Asian - 73.9%
Black - 0%
Hispanic - 23%
Multiracial - 1.2%
Native Hawaiian and Other Pacific Islander - 0%
White - 9.3%

Our school has a Champions for Equity team that consists of administrators, teachers, and parents. The role for this team is to support multiculturalism and grow knowledge of race / racial diversity and immigration within the school. We developed an action plan for the year with goals for the school and goals for the classroom. These goals are directly aligned to the Title III Immigration plan. We determine the necessary resources, literature and pedagogical supports needed to ensure that we are meeting our goals. All purchased culturally responsive texts are grade appropriate and are incorporated in classroom instruction and/or after-school programs.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

The MLs/ELLs students make sufficient progress as they move up in levels. About 90% of our MLs/ELLs have made ELP sufficient growth. About 10% did not meet ELP sufficient progress and will need continued progress monitoring throughout the year to ensure their individual needs are being met.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

The correlation between NYSESLAT levels and IEPs shows that 82% of students with IEPs are at the Expanding and Commanding Levels. 18% are at the Emerging and Transitioning level.
MLs/ELLs are tested on Speaking, Listening, Reading, and Writing. MLs/ELLs are performing at-grade level in speaking/listening. Whereas, students show struggling in reading and writing modalities.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

Based on the 2024 ELA, the data shows that the higher ENL proficiency levels correlate directly to the higher ELA levels.
On the Math assessment, the data shows that 70% of the current and former ELLs scored at level 3 and above. This data indicates that students show progress in this content area while acquiring a new language.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

Based on 2024 data, the correlation between NYSESLAT levels and IEPs shows that 82% of students with IEPs are at the Expanding and
Commanding Levels. 18% are at the Emerging and Transitioning level. There are no SIFE students.
The impact of these results stems from the special accommodations provided to students with IEPs. For example, these students are either in ICT classes with 2 teachers which enables more small group instruction or self contained classes, with a maximum of 12 students, allowing for more individualized instruction and attention. Some of these students also receive out of classroom support from other service providers.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

To ensure ELLS engage in a meaningful high-quality learning that promotes both language development and academic growth, our school focus on three key areas:

*Culturally and linguistically responsive instruction: We honor and integrate students' home languages and cultural backgrounds into classroom learning to foster meaningful connections and increase engagement. Across all grade levels, our school hosts in-person parent workshops to actively involve families in their children's education.

*Differentiated and scaffolded core instruction: 173 school community engages in data dives by grade level using the BOY assessment data. This data is continually tracked at the MOY and EOY assessment data dive. As an ongoing process, the grade teams, along with the MTSS and service providers dive deeper to make strategic shifts in the areas: content, explicit instruction, centers and small group instruction.

*The use of WIN periods: This school year 173 started implementing WIN periods across grades as targeted intervention blocks where all students including our ELLs receive additional support aligned with their language proficiency level and academic needs.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

- The school's MTSS team has been working on the instructional design for vocabulary for the school. The Equity team and SEL team have developed a program built upon a variety of resources that are shared school-wide as a supplement to core instruction to support social-emotional learning.

- Our PL Committee has developed the instructional cycles for the school year Professional Learning plan. The cycles are focused on meeting the needs of all students while supporting our diverse learners. By using an

ecological approach, we will get to know our ML's/ ELLs well, that will give us insight and data that directly impact core instruction. This year's focus is on discourse and vocabulary which is directly correlated to the learning modalities of ENL students. Our thinking around Academic Language and Vocabulary Development will continue into next year. It will build into writing for diverse audiences across all subjects. We will strengthen incorporating academic language and vocabulary into our daily writing.

- All teachers and students have access to HMH reading, IM math, i-Ready and Google Classrooms through Teach-Hub.

- This is the first year implementing IM math in grades K-5. The program strategically aligns, scaffolds and helps students develop a deep conceptual understanding of math through problem-based learning.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Content area instruction is aligned with the Next Generation Learning Standards and is taught to MLs/ELLs using a variety of ENL methodology. The language of instruction is English in the Freestanding ENL program. In the Dual Language program, the language of instruction is in English for half of instruction time and in Chinese (Mandarin) for the other half of instructional time. Academic language and content area vocabulary are developed concurrently with linguistic instruction. ENL teachers use the Scope and Sequence in Social Studies and Science to align ENL instruction with content area instruction.

ENL teachers use multiple entry points when teaching groups with varying proficiency levels to differentiate the lessons to meet individual student's needs. ENL teachers implement complex texts and sentences to teach content and academic vocabulary simultaneously with grammar. We also use National Geographic's REACH program which also embeds language structure and content into one program. We use the PLUSS method to teach MLs/ELLs in standalone groups. REACH programs have a strong emphasis on non-fiction and paired texts in reading and writing and are aligned with the Next Generation Standards. We utilize other TESOL techniques such as Total Physical Response, language frames and the use of visuals to help students conceptualize the information they need to learn. In addition, our school will be in Phase 3 for the HMH Into Reading Program for literacy.

Classroom teachers scaffold academic language to support student participation in content area lessons. Comprehension is enhanced through the use of technology, especially Google Suite platform which allows access to multiple applications within the platform used to support the varying needs of the MLs/ELLs. We also use content that is culturally relevant to the students and build on their background knowledge and the skills they already have. We teach cultural sensitivity and acceptance of all students and people while providing knowledge of various cultures, using culturally responsive teaching and literature. There is ongoing articulation between the classroom and ENL teachers in order to provide simultaneous support. Classroom teachers receive training and support throughout the year to enrich their knowledge of ENL methodology in order to further new language acquisition.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English

language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Special education teachers, ENL teachers, and service providers, employ a vast array of instructional strategies and grade level materials. They provide access to academic content areas and accelerate the English language development of ML/ELL-SWD students.
Grade level literacy units and lessons, along with comprehensive classroom libraries, and the provided materials help to meet diverse interests, learning styles and ability levels, as well as IEP goals. Decoding and word work is supported by highly effective programs such as Fundations, Acadience, and Heggerty in grades K-2 and Phonics For Reading in grades 3-5.

Students have access to iPads/Chromebooks to access their Google Classroom: iReady, HMH, IM math and Amplify Science.

For Social studies instruction we use the Passport program/Financial Literacy, Civics for All, Scholastic News and Epic Books. National Geographic Reach programs are used for stand-alone ELL students in grades K-5.

For Science instruction we use the Amplify Science program which involves hands-on, multi-sensory materials and Smartboard technology.

We also use online resources such as Sora and Epic.

This school year teachers are using IM (Illustrative Math) in Grades K-5. Workbooks are used to provide differentiated approaches to master topics, along with manipulatives which provide for hands-on and visual practice. The program contains curriculum software that is projected from Smartboards which facilitate interactive learning and foster increased student engagement. The program also includes differentiated math games and online assessments.

b. SIFE

Although we do not presently have any SIFE students, we would give the MLS screener in the student's home language to determine whether the student is SIFE. NYSITELL will also be given to determine the student' English language proficiency level. Using data from MLS screener and NYSITELL will ensure the student receives the best supports and services.

Since the students would be at least two years behind academically we would focus on the skills of language acquisition in an authentic learning environment. ENL teachers would work very closely with classroom teachers to provide intensive instruction utilizing ENL teaching strategies and scaffolding. In addition, SIFE students would receive priority in the Title III after school programs. We would provide them with a Multi-Tier Support system to support their individual needs.

c. Newcomers

For newly arrived eligible ELLs/MLs, we assess them in their home language to gain a better initial baseline understanding of the students' L1 proficiency and academic level so as to provide them with specific materials and resources.

Students have access to iPads/Chromebooks to access their Google Classroom: iReady, HMH, IM math and Amplify Science.

For Social studies instruction we use the Passport program/Financial Literacy, Civics for All, Scholastic News and Epic Books. National Geographic Reach programs are used for stand-alone ELL students in grades K-5.

For Science instruction we use the Amplify Science program which involves hands-on, multi-sensory materials and Smartboard technology.

ELLs/MLs who are new to the country need intensive instruction in all modalities. During the stand-alone component of instruction there will be more emphasis on grammar and sentence structure. During the integrated component, the ENL teacher who is pushing in can work with a small group of newcomers (or one on one) and scaffold the content and vocabulary being taught in the classroom. One example is by using visuals and linguistic frames to make the content more accessible. We provide all ELLs with NYSED bilingual glossaries, kid friendly picture dictionaries and Raz-Plus online accounts.

d. Long Term ELLs

We currently do not have any long-term ELLs/MLs.
If we have any long-term ELLs/MLs receiving services for over six years, these students will usually show evidence of a particular area of need that is preventing them from passing the NYSESLAT. Working closely with the classroom teachers and the MTSS team, we will provide intervention focusing on those targeted areas of need. We will provide ENL support beyond their mandated requirements, when necessary and possible. We will also recommend that they attend our New Immigrant program and our after-school program for ELA test preparation and academic support.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

ENL teachers use the integrated model of instruction to support MLs/ELLs with IEPs to achieve their goals. In their classroom setting, we can focus on content areas and the specific areas of need for each student. ENL teachers work with the classroom teachers for planning and with the related service providers to schedule ENL instruction during periods of ELA or content area instruction. Special education supervisor meets with teachers each year to decide if a student can move into a less restrictive environment, or if the student can be flexibly programmed for a certain content area. We also consult with the ENL teacher, any related service providers, and the parents before making this decision.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

To gain a better ecological understanding of ELLs/MLs' home language literacy and academic levels, we provide MLS Screener to students 8 years and older.

Home language support is provided in each program model. Dictionaries, content area glossaries, and texts are available in the students' native languages whenever possible to scaffold transition to higher levels. To the extent possible ENL classrooms contain books in our students' native languages, and ENL teachers deliver limited instruction in native languages to support understanding in content and informational areas. Our ENL teachers who speak a second language often use their language to support students in Spanish and Chinese.

In our Mandarin/English Dual Language classes students take unit test at the end of each unit in Mandarin. They will also take the reading assessment three times a year using iChineseReader, an online assessment tool.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

The ENL team provides open office hours during Monday PL sessions and collaborates with classroom teachers/cluster teachers to meet with the ENL teachers to meet the specific academic needs of their students. Each teacher is supported with deeper understanding of language acquisition strategies and academic tools to help language development and content learning.

Another structure we incorporate is to reestablish team goals and strategies for the school year during Monday's Professional Learning time. We share the ENL Team's action plan with the whole staff.

We have established a system for partnering with the Dual Language teachers. Three of the Chinese speaking teachers support the ENL instruction on the days that they do not teach in the classroom. This structure enables us to strengthen practices as it relates to MLL's/ELL's and carry into classroom instruction.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Our school has a Social Emotional team that conducts cycles of professional learning to all of our teachers. We have adopted the Yale Center for Intelligence RULER- CASEL approach. We provide teachers with strategies to use with our MLs/ELLs in order to understand context, work with bias, and support the emotions of students. We focus on the individual student, and their cultural and social emotional differences in the experience and expression of emotions. Ultimately, we want to maintain healthy relationships while supporting the physical and mental wellbeing of our students. MLs/ELL students are included in student clubs and specialized arts programs throughout the year. We offer parent workshops throughout the year to support our MLs/ ELL families through the use of social emotional support at home. As a result, we have implemented a values-based program called, CHAMP to support all students.

As we plan for on-going workshops for parents, we will elicit input by allowing parents to fill a feedback questionnaire throughout the year. The first workshop will be SEL and support their child's needs at home.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Our staff is provided with multiple opportunities to engage in the 15% of total hours for all certified faculty. Some examples of these workshops are Implicit Bias workshop, Safety workshops, Content Area workshops, etc. These workshops often include a component that incorporates the support of our ELL population.

ENL/bilingual teachers have been actively participating in ENL related workshops and training offered by Division of Multilingual Learners, NYU-RBERN, UFT, AFT, and in-house professional development sessions.

Additional workshops include: MTSS Academic Recovery Series, Panorama Science Program for ELLs, MLL/ELL Resources assessments, HMH Literacy workshop on Multilingualism (English 3D) and the quarterly ENL Liaison meetings.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Our digital assessment is Acadience for reading in grades K-2 , iReady for reading in grades 3-5 and iReady for math in grades K-5. Assessments will be conducted three times a year. The beginning of the year (BOY) assessment will be conducted in October 2025, the middle of the year (MOY) assessment will be conducted by February 2026 and the end of year assessment (EOY) will be conducted by June 2026. At the end of each assessment window, classroom teachers generate the iReady parent-facing progress report. Parents will view the reading level grade band for their child and support it with areas of strengths/needs.

There is an MTSS / AIS team that meets on a monthly basis to analyze trends and data during the assessment windows. We learned that the areas of focus for K-2 were phonics and vocabulary. In grades 3-5 the area of focus is vocabulary. Teachers started training in Word Work and Word Play to support vocabulary instruction in their classrooms. We use the data to determine intervention programs and curriculum to support students that are determined to need Tier 2 and Tier 3 intervention. ELL/ MLL students will be provided with additional support during after school programs throughout the week and Title III after-school programs.

The MTSS / AIS team will use the assessments to measure a student's growth in Mathematics and Reading. They will track student data and develop goals for specific groups of students. In addition, there will be school-wide data dives to support Tier 1 students as it affects core instruction in the classroom. The team will evaluate and analyze the data from all interventions to ensure that our ELL / MLL students are receiving interventions that are based on their individual needs.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Assessments include:
- IReady Assessments (BOY, MOY & EOY)
- Acadience

Intervention programs include:
1 - Tier II: Double dose of Heggerty and/or Fundations
2- Tier III: AIS - grades K-5 (Sound Sensible, Phonics for Reading, Orton-Gillingham, SPIRE)
3 - WIN periods: provided by ENL teachers and classroom teachers as well
4 - Florida Center for Reading Research

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

To gain a better ecological understanding of ELLs/MLs' home language literacy and academic levels, we provide MLS Screener to students 8 years and older. We use formal and informal classroom assessments and observations to gather insight about the whole child.

Our MTSS team consists of an ENL teacher, SWD teacher, data specialist, interventionist, AIS teachers and administrative team. The team meets weekly to discuss school wide data and sub group data. We determine the students who are performing at risk. We conduct an assessment and engage in conversation with the classroom teacher to get more data. We then determine which AIS curriculum will address student need and we group them accordingly.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Our school uses the HMH into Reading to assess the literacy levels of our MLs/ELLs. The end of module assessments included in this program will support comprehension in the areas of narrative, fiction and nonfiction. Students will complete the assessments through the computer and the teachers obtain data immediately. The data obtained from this assessment helps guide our instruction and plan for station teaching. We use the data to not only see our MLs/ELLs reading levels but to assess comprehension of varying texts as it directly aligns to grade reading standards. In addition to reading assessments, the HMH writing component embeds end of module writing assessments that correlate with each unit of study. The writing is assessed through a rubric that is aligned to grade level standards. Analyzing the data from those assessments enables the teachers to differentiate instruction for the MLs/ELLs as they move forward into planning for small group instruction. Formative assessments are continually being used to guide instructional planning and differentiate instruction for our MLs/ELLs.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

To gain a better ecological understanding of ELLs/MLs' home language literacy and academic levels, we administer MLS Screener to students 8 years and older.

When needed, ENL providers use translation programs such as, Google Translate and Adobe Express, to ensure MLs/ELLs understand the academic content in their home language.

We also have been implementing different kinds of assessments to evaluate and to support our students throughout

the year. For reading, we use iChinese Reader Online Assessment to monitor their reading progress throughout the year.

During the school year 2025-2026 we will continue to use the iChinese Reader Online Assessment to monitor the students' reading progress three times per year. We will give initial assessment in September, the second one in February and the last assessment during the last week of May. For each of the writing units, we use HMH checklists and writing rubrics to evaluate students' Chinese writing proficiency.

In Chinese Language Arts (CLA), we administer formative and summative assessments to monitor, support and evaluate students' language learning proactively.

Assessments used in the DL program are as follows:
Formative-- iChinese Reader Online Reading Assessment, conferring notes, exit tickets, check lists, and CLA vocabulary quizzes are being used throughout the year.

Summative--Writing rubrics, CLA unit tests and Chinese Reading state tests in grades 3-5. Oral and written feedback such as wring and CLA are given to students.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

The ML/ELL program is evaluated by analyzing the NYSESLAT and the FURBY Report. We also look at the NYS ELA and Math Assessment data.

We determine specific reading and math goals based on grade level standards. These standards are supported and reinforced through our lessons during standalone and integrated ENL services. ENL teachers create lessons that target specific domains/modalities needing growth.

To ensure that our ENL instruction aligns to the core instruction, we use the NYSESLAT data to help collaborate with classroom teachers by highlighting the language functions and skills students need in all classroom settings.

We will continue to use initial data from the ELL Data Assessment Tool (EDAT) to assess a student's baseline and areas of need. At the end of each unit or lesson in the ENL program, we will continue to use summative assessments, where applicable. These assessments can be in the form of reading, writing, and/or speaking assignments as appropriate to the content.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

We form groups based on grade bands and testing accommodations indicated on the IEP of the ML/ELL students for NYSESLAT testing. We hold workshops and send information from the state explaining the NYSESLAT process to families of current MLs/ELLs. ENL certified teachers administer and score the tests. As part of the ENL action plan for the year, we have embedded substitute coverage windows in order for the NYSESLAT to be administered and for the students to receive uninterrupted services.

Former ML/ELL Students are provided with Alternate Pathways instruction through the classroom teacher to provide continuation of ENL services to students.

During the testing periods students are provided with certified ENL substitute teachers, when possible.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

State assessments accommodations include:
Bilingual Glossaries, separate location and translated copies for Math and Science. The NYS assessments are untimed.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Members at PS173Q take different roles in welcoming newly enrolled MLs/ELLs. Roles, responsibilities and steps are as followed:
ENL certified pedagogue and trained staff: ENL teachers will greet and welcome newly enrolled students and families during registration in coordination with the pupil secretary. During this time, ENL teachers will support and assist parents in completing the Home Language Identification Survey.

After evaluating each HLIS , the assigned pedagogue will follow up with a formal, in-depth interview with parents/guardians and the student to determine the eligibility of NYSITELL. The interview is conducted in the parent's native language, if needed. Furthermore, for students with an IEP, the ENL staff follow the LPT guidelines.

A certified pedagogue will administer the NYSITELL. Based on the results of the NYSITELL, the entitlement or non-entitlement notification letters are sent home in parents preferred languages. If the student is entitled to ENL services, the family will be invited to a formal parent orientation and fill the ELL Parent Survey and Program Agreement. To ensure that parents participate in the school ELL program orientation, the bilingual ENL staff conducts a follow-up phone call in the parent's preferred language. One-on-one meetings will also be provided at the parent's convenience. Our parent orientation meetings are held in sessions based on grade and home languages. All parents are asked to sign in and attendance logs are kept on file.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

In addition to the PTC meetings, ENL teachers meet with families of MLs/ELLs once every year to discuss goals of the program, language development progress, language proficiency assessment results and language development needs in content areas. During the one-on-one meeting, each family will be informed of their child's NYSESLAT results including overall proficiency level, and strengths and weaknesses in the individual modalities. Teacher's observations of the current student's progress will also be shared with the parents. Based on the information shared during the meeting, individual goals for each student will be set based on their strengths and needs for each modality. At the conclusion of each meeting, the ENL pedagogue discusses the next steps on how to further support the child's language development across the content areas. Strategies and resources are shared with parents on how to help their child at home. Translation and interpretation will be provided when needed. Annual meetings are conducted before and after school hours by phone calls, in person, or virtual per parent's request.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

The schoolwide system for communicating is Konstella. It allows for communication to be translated into all languages based on parent need. All documentation from school is translated into Chinese, Spanish and other families' preferred home languages. Our translation funds were used to purchase pocket translators to support with live communication with parents and students.

All teachers and staff have a list of school members and the different languages that they speak in addition to the translation hotline. We also refer to the Home Language Identification Survey to communicate with families in their preferred language of choice.

The Office of Language Access for NYCPS Families brochures are available in the main office and main lobby for families to use to communicate with school staff.

Families can also call the main office and a bilingual staff member (if available) can assist. The main office is also equipped with pocket translators.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

In the beginning of the school year, our school received an influx of newly arrived immigrants and inter-city ELL transfer students. Our school identifies a need for these groups new to our community. To foster empowerment for families of MLS/ELLs, workshops will be specifically designed to give families of MLs/ELLs an active voice in their child's school. For example, the ENL Team will provide a language acquisition workshop through games to help promote the home and school connection. In addition, parents will be invited to a presentation of how to support their child's English language development.

Additionally, "What's Brewing with Mrs. Tweedy" is an opportunity for all parents to better understand current curriculum, school activities, and ask/share questions and concerns. This is a monthly meeting for parents that includes topics that parents request more insight on.
Through our schoolwide messaging app Konstella, parents receive messages about these upcoming meetings as well as other school events, such as opportunities to get involved in the PTA, SLT, and CEC meetings. These messages are able to be translated into the family home languages.

The needs of families are determined first through the NYC school survey. Additionally, after all of our parent meetings/workshops, a google form is sent out to share feedback and what they would like to see at possible future sessions. Another avenue that helps to determine the needs of our families is that our parent coordinator reaches out through Konstella messaging encouraging parents to share ideas of topics they would like to have for meetings/workshops.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Our parent coordinator ensures that all parents have an opportunity to apply for family leadership opportunities. We go through a fair voting process for specific roles. We notify parents in advance of important meetings. The parent coordinator informs families of CEC, SLT and other family leadership opportunities using the Konstella App. The parents can sign-up on Konstella. Additionally, the parent coordinator surveys families to see the need and then tailors opportunities based on survey results.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Through the monies that we received from the Arts for Multilingual Learners and SWD grant and council member Gennaro's CASA grant we were able to partner with the Marquis Art Studios and offer a variety of art residencies to our students. The residencies incorporated various culturally responsive themes and opportunities to support the linguistics needs of our students. Examples of the residences are as follows: creative movement, Caribbean drumming, Broadway Theater, Hip Hop, collage making, puppetry and storytelling.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

The members of our ELL identification team consist of four ENL certified teachers.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Each ENL trained pedagogues have allotted 1 period a week to assist in the in-take process throughout the year, so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs/MLs.

The following is the identification process we have in place:
ENL certified pedagogue and trained staff: ENL teachers will greet and welcome newly enrolled students and families during registration in coordination with the pupil secretary. During this time, ENL teachers will support and assist parents in completing the Home Language Identification Survey form.

After evaluating each HLIS, the assigned pedagogue will follow up with a formal, in-depth interview with parents/guardians and the student to determine the eligibility of NYSITELL. In the parent's native language if needed.

A certified pedagogue will administer the NYSITELL. Based on the results of the NYSITELL, the family will be invited to a formal parent orientation meeting, in the parent's preferred language of choice, and fill the ENL program choice agreement. If the student is entitled to ENL services, the entitlement letter and the program placement letter in the

preferred home language will be sent home. If the student scores at the Commanding level on the NYSITELL, the family will be informed with a non-entitlement letter.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Danielle Tweedy

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Elena Cunneely

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Justin	Barilla	Assistant Principal 10 Month		
Odalis	Diaz Robles	Parent Coordinator - Annual	02/05/2025	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS)

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	1	0.11%	2	0.22%	1	1
BENGALI (BANGLA IN BANGLADESH)	2	0	0	0	2	2
CHINESE ANY	358	38.74%	241	26.37%	5	5
CHECHEN	1	0.11%	2	0.22%	1	1
CANTONESE	1	0.11%	9	0.98%	2	2
HAITIAN CREOLE	1	0.11%	1	0.11%	1	1

KOREAN	4	0.43%	4	0.44%	6	6
MANDARIN	6	0.65%	117	12.08%	10	10
ENGLISH	478	51.73%	461	50.44%	138	138
PUNJABI (A.K.A. PANJABI)	1	0.11%	2	0.22%	1	1
PORTUGUESE	0	0.00%	2	0.22%	1	1
RUSSIAN	4	0.43%	2	0.22%	1	1
SPANISH	68	7.36%	70	7.66%	4	4
VIETNAMESE	1	0.11%	1	0.11%	0	0

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Digital Consent Forms	Konstella platform translates important documents into parents' preferred language.If necessary, machine translation such as Google Translate or Adobe, with staff members who also speak the language proofreading those documents for any errors that may occur.
Administrative Memos and Policies	Digital: Translation services provided on Konstella platform. If necessary, machine translation such as Google Translate or Adobe, with staff members who also speak the language proofreading those documents for any errors that may occur.
Parent Meeting Fliers	Digital: Translation services provided on Konstella platform. If necessary, machine translation such as Google Translate or Adobe, with staff members who also speak the language proofreading those documents for any errors that may occur.
Grade Level Newsletters	Digital: Translation services provided on Konstella platform. If necessary, machine translation such as Google Translate or Adobe, with staff members who also speak the language proofreading those documents for any errors that may occur.
SEL Newsletters	Digital: Translation services provided on Konstella platform. If necessary, machine translation such as Google Translate or Adobe, with staff members who also speak the language proofreading those documents for any errors that may occur.
The Observer (student periodical)	Digital: Translation services provided on Konstella platform. If necessary, machine translation such as Google Translate or Adobe, with staff members who also speak the language proofreading those documents for any errors that may occur.
5th Grade	Digital: Translation services provided on Konstella platform. If necessary, machine translation such

Graduation / Senior information	as Google Translate or Adobe, with staff members who also speak the language proofreading those documents for any errors that may occur.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Registration	ENL Providers are present forall registration and utilize staff members and/or DOE interpretation services
Parent teacher conferences	Teachers request an interpreter to attend the parent teacher conferences prior to the meeting or they utilize DOE interpretation services
Parent Workshops	Staff members provide interpretation at the time of the workshop or workshops are offered in preferred language
Parent Engagement/Office Hours	Teachers request an interpreter to attend the parent teacher conferences prior to the meeting or they utilize DOE interpretation services
PTA Meetings	Interpretation services
Parent Orientation	ENL Providers are present for all parent orientation and utilize staff members and/or DOE interpretation services

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

(A) a school-wide emergency (i.e. lockdown, fire, etc..) We utilize Konstella as a school-wide communication tool, which automatically translates messages into any preferred language. If necessary, machine translation such as Google Translate or Adobe, with staff members who also speak the language proofreading those documents for any errors that may occur.

(B) a student-specific emergency (i.e. student attendance,
nurse/hospital visit, etc..). Telephone calls are made in the families' preferred language and/or Konstella messages are
sent. If necessary, machine translation such as Google Translate or Adobe, with staff members who also speak the language proofreading those documents for any errors that may occur.

(C) If a parent has an emergency and needs to contact the school: School voicemail offers translation for Mandarin and Spanish. When families call the main office and prefer their home language we secure an interpreter on staff and/or use DOE translation
services when necessary.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Teachers and staff will undergo training in September. Consequently, all pertinent documents will be stored in a shared Google file accessible to all staff members, including our Language access coordinator. Regular updates and resources will be shared with the team to keep everyone informed. All signs and announcements within the school are translated into Chinese and Spanish. Brochures, and flyers are also translated into Spanish and Chinese. We will utilize konstella to send out schoolwide messages, which are automatically translated into the users' preferred language. Teachers will use the talking point app to automatically translate messages into their preferred language. ENL teachers will provide parents' guides on Language access at parent orientation meetings. Our phone voicemail is translated into Chinese and Spanish.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Our school is committed to keeping parents informed in their preferred language. We'll provide translated signage, brochures, and flyers to ensure everyone has access to important information. During PTA meetings and events like Parent Night, we'll highlight available language assistance services. Plus, we'll use messaging apps to share updates and resources, making it easier for parents to engage with us.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Twice a year, in November and April, our Parent Coordinator will conduct a remote survey to gather feedback on the equality and availability of services provided to families.

Online Interpretation Services:

We will inform families about the online interpretation services available through Google Translate in Google Classroom. These tools will help bridge language gaps and ensure everyone has access to important information.

Online Interpretation Services:

We will also be utilizing kostella for parent communication. Kostella offers extensive language interpretation options, making it a great choice for connecting with our diverse community. Many parents have expressed their appreciation for this tool, and we are committed to continuing its use.

Future Initiatives:

To further enhance our communication, we are working towards live streaming meetings and events via Zoom. This will allow us to provide real-time language interpretation, ensuring that all families can participate fully.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

We are committed to enhancing our language assistance services to better support our diverse community. We have implemented several tools and strategies to bridge language barriers and ensure effective communication with families.

Current Strategies

1. Google Translate in Google Classroom: We have been actively informing families about the availability of online

interpretation services. This tool has proven invaluable in translating important information, making it accessible to all.

2. Konstella: This platform has been a fantastic resource for communicating with families across different languages. We plan to continue utilizing Konstella to maintain clear communication.

3. Zoom for Live Meetings: Our use of Zoom allows us to provide real-time language interpretation during live streaming meetings. This ensures that all participants can engage fully, regardless of their language proficiency.

Feedback Results

Feedback from families has been overwhelmingly positive. Many have expressed appreciation for the accessibility of information and the efforts made to include everyone in school activities.

Plan for Further Improvement:

In the upcoming school year, we aim to:

- Expand Training: Provide additional training for staff on using language assistance tools effectively.

- Increase Awareness: Continue to promote the available resources to families through newsletters and meetings.

- Gather More Feedback: Implement regular surveys to gather insights from families about their experiences and suggestions for improvement.

By focusing on these areas, we hope to further enhance our language assistance services and foster an inclusive environment for all families. Thank you for your continued support!

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

NOT conceptually consolidated (must complete Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

50

Grades to be served in this program. Select all that apply.

,K,1,3,2,4,5

Total number of teachers in this program:

4

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

4

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

As per the EDUR from May 2025, there are 288 MLLs/ELLs at PS173Q. For the school year 2025-2026, we are going to provide after-school program for students at the Entering & Emerging proficiency level from grade K to grade 5.

Subgroups: Kindergarten, 1st, 2nd, 3rd, 4th, and 5th Grade (sub-groups are subject to change based on student enrollment)

Schedule and Duration: Tuesdays and Wednesdays at 2:25 to 3:25 pm, October 2025 - April 2026

Language of Instruction: English

Number and types of certified teachers: 5 teachers with TESOL / Bilingual Extensions (number of teachers are subject to change based on student enrollment)

The materials are exclusively for Title III and are distinct from what is being used during the regular school day. The material for Title III ENL After School Program: Raz Plus ELL Version, Vocabulary A-Z, Foundations A-Z, HMH English 3D, HMH Language Launch, and tablets.

Part of the Title III funding will be used for teachers' per-session salary and teaching materials.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Our goal is to provide a learning environment with an abundance of speaking, listening, reading and writing opportunities as well as multiple entry points for ENL students to build language and content area knowledge. Our focus will be on skills that need improvement using data from iReady and Acadiance. Based on the data, we found that vocabulary/phonemic awareness is a weakness across the grades. We will use the data gathered from BOY assessments to drive instruction.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Students at the Entering level are grouped as follows:

Group 1: Kindergarten Entering/Emeriging

Group 2: 1st grade Entering/Emerging

Group 3: 2nd/3rd grade Entering/Emerging

Group 4: 4th/5th Entering/Emerging

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The Title III ENL After School Program runs from October 2025 through May 2026. The hours of instruction will be two days a week for 60 minutes each day during after-school hours.

The program takes place on Tuesdays and Wednesdays from 2:25 to 3:25 pm

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction will be English. Home languages will be used as support whenever possible.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

There will be 4-5 ENL / Bilingual certified teachers who will be teaching the program.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Materials used in this program are exclusive to Title III and distinct from what is being used during the regular school day. Teachers use the “Raz Plus ELL Edition" program to reinforce student learning and increase language acquisition. We also supplement the program with the ELL resources in Teach Hub. These materials specifically cater to the needs of our ELL students. In addition, we will use HMH English 3D and HMH Language Launch.

Applications such as, Google Classroom, Flipgrid, and Google Docs will also be used to engage and keep track of students' learning.

Implementation Plan and Maintaining Records

- **Describe your school’s plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school’s Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

All program notification is sent home in parent's preferred language in the child's folder and also via Konstella. Teachers will take attendance on a shared Google Sheet. All students work and formative assessment records are kept in student portfolios. The teachers will monitor progress through formative assessments.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Part of the Title III funding will be used for professional development for ENL teachers and per-diem coverages so that teachers can attend and turnkey professional development.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

It is the belief of our school that the success of MLs/ELLs is the responsibility of all teachers and staff. In the year 2025-2026 as part of the 60 minute Professional Development time, we will include ENL workshops for all staff, including classroom teachers and service providers. Additionally, ENL and other relevant staff will attend workshops given by DML.

Furthermore, through staff surveys, we analyzed that classroom teachers could use more training to appropriately serve the ELLs/MLs students in their classrooms, specifically in the areas of scaffolding instruction. As a result, we will invite classroom teachers to "Open Office Hours" session once a month, to provide strategies to support ELLs/MLs.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

Training will be provided for all staff involved in the Title III program. Additionally any classroom teachers and service providers who work with MLs/ELLs will be trained.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Open Office Hours:
- Selected Mondays from Octover - March from 3:20-3:55.

September 2025 - ENL Action Plans PL to Staff

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Based on the analysis of data from NYSESLAT, Acadience, and iReady the following topics will include:

-Vocabulary Development for MLs/ELLs
-Scaffolding Grade Level Texts
-Fundations for MLs/ELLs
-Phonics for Reading for MLs/ELLs (Gr. 4-5)

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

ENL Team: Joanne Wang, Ligia Hanc, Phoebe Chang, Joanna Cheng, Emily Tsuan, Lisa Dong

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Our school will maintain records of professional development, including agendas and attendance sheets in a folder in our ENL share drive.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Based on ENL, classroom teachers' working experience, with MLs/ELLs throughout the school day, and parent surveys, parent workshops will be provided to help families understand their important role in supporting their child's language acquisition success.

In addition to mandated activities, we have planned several workshops throughout the year for ENL parents. Workshops will focus on information sharing, knowledge building, and any assistance needed by ENL parents.

Topics to be covered:
- "How to Support Your Child at Home?",
- "support Language Acquisition Through Games"
- "How to Prepare Your Child for NYSESLAT? ",
- "Different Ways to Engage Your Child in Learning English as a New Language" and,
- In-house field trip for family engagement

Providers: ENL Team

Parents will be notified of these workshops via emails and on our schoolwide platform Konstella.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Based on ENL, classroom teachers' working experience with MLs/ELLs throughout the school day, and parent surveys, parent workshops will be provided to help families understand their important role in supporting their child's language acquisition success.

Since many of our parents are new immigrants, our parent workshops and education programs are geared toward helping and supporting them in various ways. Our parent engagement includes helping them understand the city public school system and introduce strategies to support their child's growth in English language acquisition as well as the social-emotional needs of MLs/ELLs.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Workshops are as follows:

1. How to Support Your English Language Learner at Home (60 minutes / 1 session) - November 2025

2 . Engaging and Supporting Language Acquisition Through Game Playing Activities (2 sessions) -January 2026

3. NYSESLAT - Informational (60 minutes / 1 session) March, 2026

*All of the above workshops will be conducted by the ENL team in Mandarin Chinese and/or Spanish and English. If other languages are needed, we will provide translation.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Workshops are as follows:

1. How to Support Your English Language Learner at Home

2 . Engaging and Supporting Language Acquisition Through Game Playing Activities

3. NYSESLAT - Informational

*All of the above workshops will be conducted by the ENL team in Mandarin Chinese and/or Spanish and English. If other languages are needed we will provide translation.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

ENL and DL teams: Ligia Hanc, Joanne Wang, Joanna Cheng, Phoebe Chang, Emily Tsuan, and Lisa Dong
Parent Coordinator: Odalis Diaz-Robles

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

ENL parents will get an invitation via the Konstella platform and flyers (which is translated into their Native language) 1-2 weeks before the workshop date. They will receive a reminder through the Konstella platform 3 days ahead of the workshop.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Records will be maintained including agendas, attendance sheets and invitations in parents' preferred languages in a Title III folder in the ENL share drive.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

NOT conceptually consolidated (must complete Part E of this document)

Allocation Amount ($):

$30,720

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem	$18,432	- 6 teachers x 1 hour / session x 40 sessions = 6 x $65 x 1 hour X 40 sessions = $15,600 -Professional Planning Time - 6 teachers x 6hrs / = $2,340
Purchased services -High quality staff and curriculum development contracts.	$3,072	Per diem substitute coverage for ENL full day workshop for 3 teachers = 3 teachers x $211 = $633
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.	$3,100	- iPads (tablets) 10 tablets x $300 (For Title III use only) - ipads will be used to access educational software = $3,000 -Student whiteboards = $100
Educational Software (Object Code 199)	$3,044	-RAZ - $520 / license (including Foundations A-Z) 4 licenses = $2,420 -HMH English 3D - $345 -HMH Language Launch - $345
Parent Engagement	$3,072	3 Parent workshop sessions = 3 hr x 3 teachers /$65 x 6 = $585 - These workshop sessions will engage families in games/activities that parents can do with their children at home.
Other		
TOTAL	$30,720	

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

NOT conceptually consolidated (must complete Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5

Total number of teachers in this program:

6

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

After-School Program for Immigrant Students (SY 25-26) Program Overview:

The after-school program will take place on Tuesdays and Wednesdays from 2:25 p.m. to 3:25 p.m., serving immigrant students in grades K-5. This program aims to support immigrant students including, English Language Learners (ELLs)/Multi-language Learners (MLLs), by providing targeted literacy and math instruction, with an emphasis on language development alongside academic skills.

Activities and Instructional Enhancement:
Students will engage in a variety of hands-on literacy and math activities designed to enhance both language and academic proficiency. The activities will incorporate project-based learning strategies, encouraging active

participation, peer collaboration, and critical thinking. These activities will be tailored to meet the needs of immigrant students, particularly those learning English, and are designed to improve both their linguistic abilities and academic readiness in core subjects.
By providing a safe, inclusive space for academic exploration, the program helps students develop their social and academic skills, fostering a sense of community and belonging within the school environment.

Student Grouping:
Students will be grouped based on two key factors: language proficiency and academic readiness. This approach ensures that each student receives personalized instruction, with attention to both their academic needs and language development. The program will consist of multiple small learning pods, each designed to provide a supportive and collaborative environment.
The total number of student groups will be determined based on enrollment and student needs, with a maximum of 6 groups. Each group will include a mix of students at varying levels of language proficiency and academic readiness to foster peer-to-peer learning. The total number of ELLs in each group will vary based on grouping assignments but will be capped at a manageable number to ensure targeted support.

Instructional Delivery:
Instruction will be delivered through a combination of team teaching and small group instruction, allowing teachers to provide both individualized attention and collaborative learning opportunities. Teachers will be responsible for specific grade bands, ensuring consistency in instructional delivery and use of the appropriate curriculum. Additionally, project-based assessments will be utilized to inform ongoing adjustments to student groupings, ensuring that all students receive the most effective support throughout their participation in the program.

Program Supervision:
The program will be supervised by a school building administrator, who will oversee the overall operation, ensuring that all students are in attendance and that the program runs smoothly. The administrator will monitor student progress and make adjustments as needed to maximize the program's effectiveness.

The supervisor's regular workday hours are from 7-3pm. For each session of the after-school program, the administrator will receive an additional 0.5 hours of pay, to be funded through Title III Immigrant funds.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

Rationale for Title III Immigrant Funded After-School Program
Our Multi-Tiered System of Supports (MTSS) team conducted an extensive analysis of both qualitative and quantitative data to identify the academic and linguistic needs of students who fall under immigrant and Multilingual Learner/English Language Learner (ML/ELL) status. The data indicate a clear need for individualized and targeted instructional supports to address specific skill gaps in literacy and mathematics for these student subgroups.

Data Analysis and Identified Needs:
Grade-level teams conducted data dives using beginning-of-year benchmark assessments, formative classroom assessments, and language proficiency data. These analyses revealed consistent areas of need across grade

bands:

Literacy Needs:
Grades K–2: Students demonstrated the greatest need for instruction focused on the essential reading components of oral reading fluency and vocabulary development.
Grades 3–5: Students require targeted instruction in vocabulary and comprehension of informational text to strengthen overall reading proficiency.

Mathematics Needs:
Grades K–2: Students need additional support in numbers and operations to build a strong foundation for mathematical reasoning.
Grades 3–5: Data indicate a need for instruction in algebra and algebraic thinking, as students begin transitioning to higher-order problem-solving and abstract reasoning.

Data Sources - Data used to justify the need for the program include:
- Beginning-of-year, Middle-of-year, and End-of-year benchmark assessments using IReady & Acadience
- FURBY report & EDAT report
- Classroom-based formative and summative assessments
- MTSS progress monitoring reports
- Teacher observations and qualitative input from grade-level data meetings

These data sources collectively demonstrate that immigrant and ML/ELL students would benefit from supplemental, small-group instruction that explicitly addresses foundational reading and math skills while supporting language development. The after-school program funded by Title III Immigrant will directly respond to these identified needs through targeted, data-driven instruction.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:
- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

The total number of students are 64. The following is the grade level breakdown:
ELLs+ MLs

Kindergarten: 3
1st grade: 9
2nd grade: 9
3rd grade: 21
4th grade: 7
5th grade: 15

- ELL Newcomers - 32

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

Start Date: March 17, 2026
End Date: April 29, 2026
Total number of sessions: 12
Days of sessions: Tuesdays and Wednesday
Time of session: 1 hour

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

The language instruction for all programs will be in English.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

For the program we will have 6 common branch K-5 or ENL licensed teachers.

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

The Title III program funds will be used to purchase supplemental materials.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

We will maintain student attendance throughout the program and monitor for impact by gathering data at the start of the program and throughout.

The teachers will be provided with initial professional learning sessions to share in the program outline and goals. The teachers will be supported on an ongoing basis by an Assistant Principal.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

The professional learning plan will cover the following:

1. Cultural Competency Training:
    - Conduct workshops to enhance teachers' understanding of diverse cultures, emphasizing the unique needs and backgrounds of immigrant students.

2. Language Acquisition Strategies:
    - Provide training on effective language acquisition techniques to support English Language Learners (ELLs) within the K-5 age group.

3. Differentiated Instruction Techniques:
    - Train teachers in using differentiated instructional methods to accommodate various learning styles and language proficiency levels.

4. Incorporating Multicultural Content:
    - Guide teachers on integrating diverse literature, resources, and activities that reflect the cultural backgrounds of the students in their lesson plans.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**

- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

The MTSS team includes the ENL provider during the BOY, MOY and EOY windows to ensure that we capture additional data on our MLL/ELL students. It is through this cycle that we determine student in need for support and professional development. Key teachers have been attending professional development to support the students. Teachers will need to be equipped with a normed set of expectations in order to support students in this subgroup.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

The 6 teachers will receive professional development at the start of the program and on an ongoing basis.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Start Date:3/17/26
End Date: 4/29/26
Total sessions: 2
Days of sessions: Beginning of program/mid-program
Time: 30 min.

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

Cultural Competency Training, Language Acquisition Strategies, Community Engagement and Differentiated Instruction. By incorporating these activities, the professional learning plan aims to empower K-5 teachers with the knowledge and skills needed to create an inclusive and supportive learning environment for immigrant students in the after-school program.

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

The professional learning provider will be an ENL teacher or an administrator.

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

During our PL trainings we will maintain ongoing reflections and engage the teachers in hands on activities that they can use in the classroom.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

The title III immigrant funds will be used to purchase an arts residency to engage both parents and children alike. This program will encourage parents to complete a task together and while promoting collaboration. We will team up with the Marquis Studios and offer a workshop on collage/ mural making. We invite translators to support with different languages. Through this sessions parents learn how to support children and language is not a barrier.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

The program will take place on one Saturday to ensure access and flexibility to all. In previous workshops, parents have indicated via surveys that they prefer Saturdays for these kinds of events.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

April 6, 2024
1hr and a half.

total of 1 session

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

During this parent workshop, the families will work on an empowerment activity that honors and celebrates their identities.

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

The provider will be the Marquis Art Studios.

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

We will notify families via our system of Konstella and make follow up phone calls.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

We will have a survey that the parents will fill out upon the culmination.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

NOT conceptually consolidated (must complete part E Budget below)

Allocation Amount ($):

$7,990

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem	$5,124	6 teachers x 12 sessions x $61 = $4,392 6 teachers x 2 hrs of planning time x $61= $732
Purchased services -High quality staff and curriculum development contracts.	$1,160	Language Power & Do the Math materials (6 copies each)
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.	$1,000	Notebooks, chart paper, ipads, pocket translators
Educational Software (Object Code 199)	$150	Brain pop
Parent Workshop	$1,000	Marquis Studios - Art Workshop - 2 class sessions @ $500 each
Other		
TOTAL	$7,990
