Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps

and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.
Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature

Dr. S. Green	Principal or Designee*	
G. Moreira	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Tiffany Franklin	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
M. Archilla	District Council 37 (DC 37) Representative (staff), if applicable	
Shahnaz Ahmed	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
A. Acosta	CBO Representative, if applicable	
Nazreen Ghafoerkhan	Assistant Principal/Chairperson	
Dr. Livia Gama-Fagundes	Teacher	
Omar Morales	Teacher	
A.Gangadeen	Parent	
F. Begum	Parent	
R. P. Chowdhury	Parent	
J. Nunez	Parent	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature

N/A	N/A	
N/A	N/A	

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

At P.S. 086Q we are committed to cultivating a nurturing and inclusive learning environment where all students are socially and emotionally grounded, empowered with resilience, empathy, and self-awareness. We seek to create a community of 21 century learners who strive for and achieve high academic standards, driven by curiosity, determination, and creative problem solving. By collaborating with all stakeholders we seek to prepare students to lead with purpose, adapt with agility, and contribute meaningfully to their school community and beyond.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P.S. 86 is a diverse elementary school located in Jamaica, Queens, serving 684 students from pre-K through 5th grade. The majority of our students speak Spanish at home, followed by Bengali as the second most common language. Currently, there are 214 ENL Multilingual Learners (MLLs), comprising 57% Hispanic and 34% Asian students. Additionally, students with disabilities make up 16% of our student population.

At P.S. 86, in collaboration with Queens Community House, we are dedicated to creating a safe and nurturing environment conducive to learning for all students. We are committed to discovering each child's unique potential by addressing their individual social, emotional, and academic needs.

We have established a partnership with the Queens Community House After-School Program (CBO), where our students can attend from 2:30 to 5:30 PM. This partnership enhances learning for students and provides family workshops designed to positively impact academic and social development.

Briefly summarize the key initiatives your school will implement this school year.

For the 2025-2026 school year, we are thrilled to announce the opening of a new Bilingual Kindergarten ICT program in District 28, aimed at better serving our growing population of Hispanic-speaking students who are English Language Learners (ENL/MLLs) and students with Individualized Education Programs (IEPs). Additionally, we are expanding our gifted and talented program across three grade levels. In grades 3-5, we will continue to support Spanish-speaking students in Dual Language classrooms. Furthermore, we will be introducing a Math cluster position for grades K-2 to enhance and ensure student mastery, focusing on the area of Number Sense and Operations. Our commitment to providing Math support will also persist in grades 3-5 through our designated Math Cluster, with an emphasis on Fractions and Algebraic Thinking.
In addition, we will be leveraging a holistic approach to student development through enrichment programs facilitated by our stakeholders. We will be introducing clubs that all students will be able to enjoy in addition to the rich and rigorous academic structures fostered at P.S. 086Q.

We will also be introducing art and technology to our students to support well rounded 21st century learners. The advent of our STEM lab will expose students to the sciences and our AI program will allow students access to navigate their world using innovation 21st century technology.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	Digital and print curriculum programs are HMH Into Reading and I-Ready	Digital Curricula
Math	K-5	Digital and print curriculum programs are Envisions Math and I-Ready	Digital Curricula
ELA-Foundational Skills	K-2	Digital and print curriculum is Fundations & Heggerty	Digital curricula

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
ELA End of Year i-Ready Diagnostic 2025	Deficiencies in phonics, fluency, and comprehension. End of year diagnostic shows K with a 60% below benchmark, first grade 40% one grade level below and second grade 18% one or more grade levels below.	Advance all students ELA
ELA End of Year i-Ready Diagnostic 2025	Deficiencies in Phonics and Vocabulary, as well as in Reading Comprehension strategies and skills. End of year Diagnostic shows 47% of students performing one or more grade levels below.	Foundational skills for MLL's in ELA
ELA End of	Deficiencies in Phonics and Vocabulary, as well as in Reading Comprehension	Advance

Year i-Ready Diagnostic 2025	strategies and skills. End of year Diagnostic shows 73% of students performing one or more grade levels below.	SWI's in ELA

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	51% of all students on or above grade level	By June, 2026, literacy for All Students will improve, as measured by a 10% Increase, from 51% of all students on or above grade level to 56.1%, of Percentage of all students scoring on or above grade level on the I-Ready Diagnostic.
English Language Learners (ELL)	10%	By June, 2026, literacy for English Language Learners (ELL) will improve, as measured by a 50% Increase, from 10% to 15%, of percentage of students on or above grade level on the i-Ready Diagnostic.
Students with Disabilities (SWD)	27% of all students on or above grade level	By June, 2026, literacy for Students with Disabilities (SWD) will improve, as measured by a 7% Increase, from 27% of all students on or above grade level to 34% of all students at or above grade level, of Percentage of all students on or above grade level on the i-Ready Diagnostic.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

i-Ready Diagnostic

Enter a Key Performance Indicator

Percentage of students on or above grade level

Baseline:

51% of all students on or above grade level

Enter the date for the baseline data:

10-15-25

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

20% of the 34% of SWI students on or above grade level

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

65% of the 34% of of SWI students on or above grade level

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

100% of the 34% of of SWI students on or above grade level

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

*Explicit instruction for whole and small group phonics, fluency, vocabulary and comprehension lessons based on literacy need
*Systematic, explicit phonics instruction utilizing Fundations in grades K-3
*Use decodable texts in grades K-2
*Small group, differentiated instruction daily to target students' literacy needs based on ELA screeners, diagnostics andprogress monitoring.
*Following HMH pacing calendar provided by District 28

Root Cause Addressed:

Deficiencies in reading comprehension strategies and skills in grades 3- 5
Deficiencies in phonemic awareness, fluency, and comprehension in grades K-2
Deficiencies in phonics and vocabulary, as well as in reading comprehension strategies and skills for ELL/MLL students
Deficiencies in phonics and vocabulary, as well as in reading comprehension strategies and skills for SWI students

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Professional Learning concentrated on Explicit Instruction, and the ELA priority standards. In addition, Professional Learning focusing on improving students' appropriate grade level reading skills and strategies.
Continued Professional Learning focused on implementing the Fundations and Heggerty programs.
Develop phonological decoding skills through the design and sequence of controlling words that appear in the

decodable readers.
MTSS members meeting and intergrading the ELA priority standards with a focus in key ideas and details with language support to ensure ENL students can distinguish between relevant and irrelevant details.
Title III ENL After school targeting foundational skills, phonics, fluency, vocabulary, comprehension, and writing skills and strategies based Acadience Reading, I-Ready ELA, and NYSESLAT data.
K-5 RTI ELA Intervention twice a week (Tuesday and Thursday) based on Acadience Reading and I-Ready ELA data.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Implementation, monitoring and analyzing HMH Into Reading End of Module Assessment across grades K-5, Acadience Benchmark data (beginning, middle and end of year), I-Ready Interim Benchmark Assessment data (beginning, middle and end of year), and data talks during grade level common planning.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/01/2025	06/18/2026	ELA and NYSESLAT Parent Workshops	P.S. 086 and CBO QCH will provide parental workshops on ELA and NYSESLAT.
10/01/2025	06/18/2026	Parent workshop on improving students study skills	School administrators /CITE will provide workshops on improving student study skills.

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Reading Cluster K-2, ELA After School, NYC Read Foundational Skills Reading Program, and Queens Community House

Instructional Resources

HMH Into Reading K- 5, K-3 Fundations, Kindergarten and Primary Heggerty Curriculum, Acadience Reading, and IReady online reading program and ELA Interim Benchmark Assessments

Schedule Adjustments

K-5 RTI ELA Intervention twice a week (Tuesday and Thursday), AIS Reading Program (SPIRE)

Other Resources Needed

Decodable readers, District 28 pacing calendar, and Fundations practice books

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYC School Survey Responses 2025 , January 2026 P.S. 86 School Survey Staff, students and families. Fitness gram program, Move to improve. Harlem Magic Masters , Anja Dance Studio, studio in a school art program. Female empowerment group. Field day. Instrumental music.	Lack of acceptance and relationships with their communities partly due to unstable housing situations. Due to the transient housing many of our families have financial and spatial restrictions, and do not have opportunities to participate in sports and dance for physical well being. Opportunities to create art to improve emotional regulation. Newcomers inability to communicate in English value these outlets to communicate and connect.	Improve Students Physical and Mental Wellness

Mindfulness mornings, Online Occurrence reports 2024-2025.Then we progress monitor at monthly safety meetings during the school year 2025-2026. Behavioral incident letters from Cafeteria. Student's report cards focusing on social and academic area. School nurse referrals. Teacher removal data. Parent intake forms. Students writing pieces . Debate team.Group work in the classroom	Technology has become an integral part of education, however the dependence on it can become unhealthy for building social skills.	Mindfulness mornings, Online Occurrence reports 2024-2025.Then we progress monitor at monthly safety meetings during the school year 2025-2026. Behavioral incident letters from Cafeteria. Student's report cards focusing on social and academic area. School nurse referrals. Teacher removal data. Parent intake forms. Students writing pieces . Debate team.Group work in the classroom
Analysis of Report cards/attendance/IEP Goals. I ready data. acadience assessments.	Ongoing assessment by teachers to identify and track and monitor who needs more support, using data from IEP progress reports/I ready.	Response to Intervention
OORS Reports, 2026	Lack of social competence skills.	To develop social emotional needs, self -awareness-self management goal directed behavior -personal responsibility-decision making and optimistic thinking.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	103	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 5% Decrease, in Incident Reports from 103 to 98, per the Online Occurrence Reporting (OORS).

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Professional development in Restorative Justice and Deescalation techniques for staff members to implement with their
students. (Staff that have not been trained in LSCI or LCI will be given the opportunity to sign up for training).

Root Cause Addressed:

Conflict Resolution and Community Building & Behavior Management and SEL

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Daily SEL (Social-Emotional Learning) Morning Announcements
Professional development in Restorative Justice and Deescalation techniques for staff members to implement with their students. (Staff that have not been trained in LSCI or LCI will be given the opportunity to sign up for training).
Students will be able to build confidence and discipline and problem solving through the various team building opportunities the school provides. Elite girls club, Art program, Debate team, Basketball program, Dance, and music lessons.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We regularly monitor OORS data at monthly safety meetings. We monitor lunchroom behavior incident reports. We monitor the Parent intake forms. We monitor our NYC survey and have our own PS 86 created survey . At monthly PPT and SIT meetings we monitor RTI services and BIPS. Classroom room forms. IEP progress reports .

Monthly expectations for SEL in classrooms and the school as a whole

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/07/2024	10/07/2024	Communicating with your child/Parent Workshop	CITE
04/24/2025	04/24/2025	SEL in the home/Parent Workshop	CITE
05/22/2025	05/22/2025	Dealing with video, screen addiction/Parent Workshop	CITE
06/17/2025	06/17/2025	Summer learning Plan/Parent workshop	CITE
10/07/2024	05/06/2025	ESL for Parents	CITE

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Funding sources will be made available for enrichment in mental and physical wellness

Instructional Resources

Bollywood dance/Harlem magic masters basketball program/Studio in School music and art programs.

Schedule Adjustments

Monthly schedules

Other Resources Needed

N/A

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
End of Year iReady Diagnostic, June 2025	Students have insufficient prerequisite skills for multiple reasons. Many students do not experience real-world problem solving scenarios in their daily lives. Students have not yet fully developed their mathematic vocabulary.	Increase all students 3% to grade level
End of Year	Many newly admitted MLLs come to PS 86 with minimal learning foundations. Students lack the language skills necessary to comprehend instruction and grasp mathematical concepts.	Increase MLL

iReady Diagnostic, June 2025	They have difficulty navigating the specific language of mathematics, which can differ from everyday conversation. Their families are unfamiliar with the English language and tend to have lower attendance rates.	students 2.4% to grade level
End of Year iReady Diagnostic, June 2025	This population of students have difficulties retrieving basic math facts from memory, processing and sequencing information, and applying logical strategies to solve problems.	Increase SWI students 2.61% to grade level

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	53%	PS86Q will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students at or beyond grade level will Increase by 3% from 53% to 56%, for All Students, as measured by iReady Math End of Year Assessment.
English Language Learners (ELL)	27.6%	PS86Q will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students at or beyond grade level will Increase by 2.4% from 27.6% to 30%, for English Language Learners (ELL), as measured by iReady Math End of Year Assessment.
Students with Disabilities (SWD)	32.39%	PS86Q will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students at or beyond grade level will Increase by 2.61% from 32.39% to 35%, for Students with Disabilities (SWD), as measured by iReady Math End of Year Assessment.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

65% of 35% of all SWI students

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

100% of 35% of all SWI students

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement "3-Act Tasks" schoolwide.

3-Act Tasks are a teaching strategy that breaks a math problem into three parts to spark curiosity, deepen understanding, and develop problem-solving skills through real-world contexts.

Act 1: Present an interesting, often visual, scenario or problem without giving all the information. Students make observations and ask questions, generating curiosity and predictions.

Act 2: Students gather necessary data or information to solve the problem. They use math tools, reasoning, and collaboration to analyze the problem, form strategies, and calculate answers.

Act 3: Present the solution or outcome to the original problem, often revealing surprising or satisfying results. Students compare their predictions and solutions with the actual outcome. Reflect on strategies used, misconceptions, and mathematical concepts learned.

Root Cause Addressed:

Students will be exposed to visuals to help them process real-world mathematical scenarios. This activity will promote discourse to develop deeper mathematical conceptual understanding and will encourage the use of content-based vocabulary.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
All teachers and paraprofessionals with be provided with professional development focusing on "3 Act Tasks".

Teachers and Math Clusters will gather/create appropriate 3 Act Tasks aligned to the Math NGLS.
Teachers and Math Clusters will conduct a 3 Act Task for each math unit.

Key Strategy 2 (Optional):

Incorporate NYCPS Mathematical Shifts 1-3 within daily lessons.

1. Begin with sensemaking
2. Shared, Low-floor, High-ceiling Tasks
3. Discourse to develop understanding

Root Cause Addressed:

Students will attend to mathematical structure and focus on conceptual understanding. Focusing on the shifts will promote enduring understanding and transferable real-world skills. Students will become flexible, independent learners by connecting varied strategies, ideas and representations. Students will develop language and ideas in parallel and in context. Teachers will provide multiple opportunities to practice and revise mathematical language to be more clear, accurate and precise.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Math Leads will attend District 28 professional learning sessions.
Math Leads will turnkey ready-to-use content, strategies, and resources during professional development and team planning.
Students will work collaboratively to solve shared, low-floor, high-ceiling tasks.
Students will use discussion protocols (i.e. think-pair-share, table talk, stronger and clearer each time) to facilitate group discussions.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

A baseline assessment for i-Ready math will be administered in September 2025 (Beginning of the Year, or BOY). Progress monitoring will take place through i-Ready personalized instruction quizzes on each student's "My Path" and Math Topic assessments. Based on the triangular data results, groups will be formed, and students will be assigned tasks according to their individual needs. RTI groups will focus on the Numbers & Operations Domain and the Algebra Domain. Each student is expected to increase by at least one grade level in both of these domains by January 2026.

The Middle of the Year (MOY) i-Ready assessment will be conducted in January 2026 for math. Progress monitoring will again use i-Ready personalized instruction quizzes on "My Path" and Math Topic assessments. Based on the diagnostic results, groups will be revised, and students will be assigned new tasks according to their needs. Progress will be monitored to ensure targeted instruction is being provided.

Finally, the End-of-Year (EOY) i-Ready assessment will take place in June 2026 for math progress monitoring to determine whether the school's goals have been met.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Parent Workshops, Teacher/Parent/Student Workshops	Work with community members, school staff and QCH to assist in parent learning of school curriculum in order to assist students
09/04/2025	06/26/2026	Parent Workshops, Teacher/Parent/Student Workshops	Offer multi-language Parent Workshops to foster better relationships between families and the school community.
09/04/2025	06/26/2026	In-person PTCs (Meet the Teacher/Curriculum Night)	

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

IEP Teacher, AP's, Math Cluster K-2, Math Cluster 3-5, Reading Cluster K-2, Science Cluster, TESOL Cluster, Zero Period, After School Math Academy, Queens Community House

Instructional Resources

Envisions Curriculum, I-Ready Curriculum, Kahoot, Boom Cards, Number Talks, 3-Act Tasks, math manipulatives, and teacher created math word problems aligned to priority standards.

Schedule Adjustments

All grades will have one or more weekly classes during prep schedule with Math Clusters to reinforce priority standards. ICT classes will have 2 weekly classes with Math Clusters.

Other Resources Needed

N/A

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
PS86Q has not held a "Career Day" since 2019.	After the Covid-19 pandemic some school activities were cancelled due to health concerns. Students are not fully aware of all the career paths that exist in today's economy.	Increase the number of direct interactions students have with professionals from outside of school staff discussing careers and pathways.
Students are lacking in being able to	Student readiness for daily social skills.	Focusing on SEL- Self

self-regulate, and build relationships as well as make the right decisions. In OORS we see an increase in behavior.	Increase in OORS Reports	awareness, Decision making skills, Building relationships

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	0	PS86Q will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the number of direct interactions All Students will have with professionals, outside of school staff, discussing careers and pathways will Increase by 2 from 0 interactions to 2 interactions as measured by program attendance.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

PS 86Q will host a "Career Day" to invite professionals from various fields to visit the school and share information about their careers with the students.

Root Cause Addressed:

Career Day will help students connect what they learn in school with potential future career paths. Students will learn about different industries, required education and skills, and the day-to-day realities of various occupations. Students will have the opportunity to personally ask various members of the labor force questions relevant to their fields of work.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Create a "Career Day" Committee.
The students will complete a career interest survey.
Identify community members, business owners, members of the labor force willing to participate in "Career Day".
Establish an annual "Career Day" at PS 86Q.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Family & Community Survey	Family and Community Leaders
09/04/2025	06/26/2026	High School Heroes	Students from Hillcrest H.S.

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

School Administrators, Teachers, Community Leaders, Local Business Owners, Current and Retired Members of the Workforce, Parents, High School Heroes from Hillcrest Highschool

Instructional Resources

Other Resources Needed

N/A

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYC parent survey, attendance for parent workshops, parent teacher conferences, PTA meetings, SLT	cultural differences; language barriers; lack of awareness/understanding	Increase parent participation of all families

NYC parent surveys, attendance for parent workshops, parent teacher conferences, PTA meetings,SLT	language barriers; cultural differences	Increase parent participation of ELL families
NYC parent surveys, attendance for parent workshops, parent teacher conferences, PTA meetings, SLT	lack of awareness/understanding; cultural differences; language barriers	Increase parent participation of SWI families

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	94	PS86Q will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the percentage of families indicating they are satisfied with the outreach to parents the school is making will Increase by 3% from 94 to 97 as measured by NYC School Survey Results.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Use of Class Dojo, email and school website for communicating with parents in multiple languages

Use of Dial-A-Teacher to help parents with homework questions.

Parent town hall during parent teacher conferences.

Root Cause Addressed:

cultural differences

language barriers

lack of awarness

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Parent teacher conferences in person to discuss student's learning progress
Translation services available in all languages to help with homework, curriculum, and all school-home communications
Technology workshop for parents to setup google classroom and how to use zoom and google meet in all languages
culminating events for projects, writing celebrations, science fair, art exhibit, and Bollywood dancing

Aligning cultural calendar months to include parents visiting classrooms and sharing their traditions, customs, and celebrations

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Baseline assessment will be collected September and November 2025 based on parent teacher conference attendance of families.

Middle of the year assessment will be collected in March and May 2026 based on parent teacher conference attendance of families.

End of year assessment will be collected in June 2026 based on NYC school survey results of families.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/25/2026	parent town hall during PTC	CBO Queens Community House and Parent Coordinator
09/08/2025	06/26/2026	culminating events for projects, writing celebrations, science fair, art exhibit, and Bollywood dancing	CBO Queens Community House and Parent Coordinator
09/08/2025	06/24/2026	translation services available in all languages to help with homework, curriculum, and all school-home communications	multilingual teachers and staff members
09/08/2025	06/26/2026	technology workshop for parents to setup Google Classroom and how to use Zoom and Google Meet in all languages	Parent coordinator, technology teachers

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Insight Beta, ATS, Attendance Meetings 2024-202; 33% of ALL students are chronically absent	families traveling for extended periods of time; lack of permanent housing for families	All students are present at school a minimum of 95% of the school year
Insight Beta 36% of ENL students are chronically absent	families traveling for extended periods of time; lack of permanent housing for families	All ENL students are present at school a minimum of 95% of the school year
Insight Beta 40% of SWI are chronically absent	families traveling for extended periods of time; lack of permanent housing for families	All SWI students are present at school 95% of the school year

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	32	By June, 2026, All students with chronic absenteeism will decrease by 5%, from 32 to 27, as measured by the Insight Beta Report.
English Language Learners (ELL)	33%	By June, 2026, the chronic absenteeism for English Language Learners (ELL) will increase by 3%, from 33% to 30%, as measured by the ELL students with chronic absenteeism.
Students with Disabilities (SWD)	40%	By June, 2026, the percentage of chronically absent Students with Disabilities (SWD) will decrease by 5%, from 40% to 35%, as measured by the Chronic absenteeism report insight beta.

Attendance/Chronic Absenteeism Progress Measures and Targets

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Attendance protocols are established for the scholastic year and explained to teacher. Meet with teachers and explain Chancellors Regulation A-210, which is found digitally, in order to maintain regular contact with students and parents. During monthly attendance meetings, information regarding tiered students (tier 1,2,3) are established. Attendance plan is set in motion whereby 6 steps are taken daily to monitor students attendance. Monthly attendance meetings with all members; discuss attendance progress for all 407s, tiered students, subgroups (ELL and SWI), and all students, as we determine our next steps. As per school dashboard, we track and monitor all students. After 2 consecutive absences, teacher contacts via phone, message, and/or email, teacher keeps attendance log, AP, PC, school aide or parent coordinator, reach out via phone and emails, i log on ATS, attendance teacher home visits, family letters, educational neglect, possible ACS call.

Using the Insight website, and based on our data analysis, all students will be tracked and monitored aggressively each day. Incentives have been established whereby, end of the month, a movie will be shown for the class, a duty free, fun, work free day. Students are recognized at PTA meetings, the PC gives awards for perfect attendance.

Follow up protocols of Chancellor's A-210 for the new year. Continue with monthly attendance meetings, reinforce attendance plan.

Root Cause Addressed:

chronic absenteeism

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
After 2 consecutive absences, teacher contact parents via phone, message, and/or email; teacher keeps attendance

log
AP, PC, school aide, or parent coordinator reaches out to parent via phone and email
ilog in ATS
attendance teacher home visits
family letters educational neglect, possible ACS call
biweekly attendance team meetings

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Attendance protocols are established for the scholastic year: meet with the teachers to explain the Chancellor's A-210 which is placed in the teacher's mailbox which teachers complete and turn in every Friday, in order to maintain regular contact with students and parents. Ensure student participation and engagement. During monthly attendance meetings, information regarding our tiered (tier 1,2,3) students are established. Our Attendance Plan is set in motion to monitor students attendance. Monthly attendance meetings with all members; discuss attendance progress for all 407s, tiered students, and all students, as we determine our next steps. As per our school dashboard, we track and monitor all students. After 2 consecutive days absent, 1. phone blast; 2. teacher contacts parent via phone, message, and/or email and teacher keeps attendance log; 3. AP, PC, School Aide, or Parent Coordinator, reach out via phone and emails; 4. iLog on ATS; 5. Attendance Teacher makes home visits; 6. Family Letters on educational neglect,

possible ACS calls.

Using the Insight Website, and based on our data analysis, all students will be tracked and monitored aggressively each day. Incentives have been established whereby, end of the month, a movie will be shown for that class, a duty free, fun work-free day! Students are recognized at PTA meetings, the PC gives awards for perfect attendance that are given to the students with perfect attendance.

Follow-up protocols of Chancellor's A-210 for the new year. Continuing our monthly Attendance Meetings. Reinforcing our attendance plan.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

ensure programs and service recommendations are appropriate for each student and provide access to the students least restrictive environment; ensure that programs and services mandated on each students IEP are delivered; provide RTI for students in tier 2 and 3

Root Cause Addressed:

SWI are below grade level in phonics domain

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
ensure program and service recommendations are appropriate for each student and provide access to students LRE
ensure that programs and services mandated on each students IEP are delivered
provide RTI for tier 2 and 3 students

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Data Review Cycles

Frequency: Every 6–8 weeks (aligned with benchmark assessments)

Purpose: Monitor student progress to inform instructional adjustments. Monitor student progress towards IEP goals.

Evidence Collected:

Benchmark/interim assessment data

Progress monitoring data (e.g., i-Ready, acadience)

Grade-level/course assessments

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/08/2025	06/26/2026	Accessible School Events	Teachers, parent coordinator and school staff
09/08/2025	06/26/2026	School Climate Surveys	Teachers, parent coordinator and school staff
09/08/2025	06/26/2026	Parent Education Workshops	Teachers, parent coordinator and school staff

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs. Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Special education teachers, administrators, paraprofessionals, SIT/PPT team members, RTI staff, cluster teachers, Special education intervention teacher

Instructional Resources

HMH Into Reading, Fundations, Spire, Haggerty, I-ready

Schedule Adjustments

Increase frequency of progress monitoring by affording teacher's more flexibility in scheduling

Other Resources Needed

N/A

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Reading Tier 2	Below reading benchmark Level	Small group, instruction based on literacy need	Small Group	During Instructional Day, After school, Lunch and Learn	yes
Math Tier 2	Below math benchmark levels	RTI Groups	Small Group	During Instructional Day, After school, before school program	yes
Reading Tier 3	Acadience, I-Ready	Fundations Wilson, Spire, and Heggerty	Small Group	5 Days a week during the instructional day	Yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Buddy System Tier 2	Behavior	Buddy Club	Small group	During school day	yes
Guidance counseling Tier 3	Behavior	Counseling	One to One	During school day	yes
Teacher Support System Tier 2	Behavior	Lunch Club	Small group	During School day	yes

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

At PS 86 when parents have academic concerns about their child's progress we have a formal meeting to keep them informed of their child's progress using Acadience for grades K-5 within a time frame of six to eight weeks. This was also discussed in SLT and in our PA meetings. Before students are considered for an evaluation for special education services, we provided our students with MTSS an inform parents of such during the meeting.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

After 6-8 weeks, we update parents to see if the child has made progress. If no progress has been made, then we move forward with the evaluation process.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Parents are invited to be part of meetings with PPT and SIT, alongside members of the SBST, classroom teachers, administration and service providers. Data is presented with parent and teacher concerns so that a consensus can be reached in the academic decisions for their child. If the child needs specialized services, these are explained to the parents and the evaluation process begins.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

There are 81 students who are currently in shelters and/or doubled-up. Which is 11.96 % of our student population. According to the data, here is the breakdown of students who live in temporary housing.

52 students are living doubled up
27 students are living in a shelter
2 students are living in other temporary living situation

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

After carefully analyzing historical demographic, attendance, and achievement data for our STH population, we observed several trends. Many of our STH students are migrants who lack foundational skills in their native language and have minimal educational experience. To address this, we are utilizing Title 1 funds to inform our Response to Intervention (RTI) and Multi-Tiered System of Support (MTSS) programs. This will allow us to provide targeted instruction in literacy and mathematics to help bring these students up to grade level.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

PS 86, in partnership with Queens Community House, will specifically address the needs of students in temporary housing. We will use the funding to support these students in various ways. This support will include providing school supplies, uniforms, hygiene items, emergency food, counseling services, and any additional academic assistance needed.

The guidance counselor and social worker will collaborate with the student's teacher to ensure that the child's academic, social, emotional, and physical needs are being met effectively. Furthermore, PS 86 will ensure that each student has access to a functioning device and the internet.

The Parent Coordinator will assist families in setting up their NYC Schools Accounts. Additionally, families will benefit from workshops led by the Parent Coordinator, which will educate them about the resources available through the NYC Department of Education to help them during this challenging time.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

There is one child at PS 86 that is in Foster Care; the child receives in house and external counseling. Academically, the child receives small group instruction and is also in the after school program, the child also received RTI services.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

We do the following:

*Daily check-ins
*Prior to leaving school, the counselor speaks to the child
*There is constant communication with the agency and the foster parent
*Immediate bus services are put into place to ensure that the child comes to school
*Extra food is given to the child to take home daily
*Supplies are given to the child as needed

At PS86Q, we provide a nurturing and caring environment for all children but pay special attention to our students in foster care so that they can feel supported, continue to thrive and grow academically.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

After analyzing the historical demographic and the attendance we noticed that while the child is receiving transportation, the child attends school on a daily basis. Since the staff is aware of the living situation, we provide a

welcoming and nurturing environment that makes foster children feel they belong to the school community. Academics at this moment are not impacted since we make the transition smooth with ongoing support.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

At PS86Q, we provide a nurturing and caring environment for all children but pay special attention to our students in foster care so that they can feel supported, continue to thrive and grow academically. The guidance counselor prepares lessons around literature to discuss feelings when their are challenging behaviors. The child is given a safe haven to be able to address his feelings. Classroom teachers also provide students with break times or allow them to have a moment at the cozy corner.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. PS 86, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. PS 86's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

P.S. 86 will support parents and family members of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

P.S. 86, school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The PS 86 community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of PS 86's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between PS 86 and our families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;

- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical PS 86 documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

PS 86 will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P. S. 86 in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

P.S. 86 Provides high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA)

I. School Responsibilities: Supporting Home-School Relationships

P.S. 86 support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year.

I. School Responsibilities: Providing Parents Reasonable Access to Staff

P.S. 86 provides parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

P.S. 86 provides general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

P.S. 86 parent's responsibilities are:
- . monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- Attend school regularly and arrive on time;
- Complete my homework and submit all assignments on time;
- Follow the school rules and be responsible for my actions;
- Show respect for myself, other people and property;
- Try to resolve disagreements or conflicts peacefully;
- Always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Professional Development given by CITE
Professional development given by teachers on the grade
Professional development given by Assistants Principals
Professional development given by the district

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

The use of the Teaching Creative Learning Curriculum that teaching pre-emergent reading skills, math skills and Science and Social study skills through interdisciplinary learning. It incorporates daily use of numbers, letter sound formation through the use text and explore various topics with view of nature and are able to make real-world connections.

Parents are invited on a monthly basis for module celebration. In addition, Parent Workshops are provided throughout the school year. Within the Teaching Creative Learning Curriculum online digital resource parents can utilize various resources to assist their children at home.

Children are assess at the beginning of the school year using ASQ developmental Screener to identify needs students may require throughout the school year and a referral to CPSE is made for early intervention services. In addition, the children are observed informally throughout the school year and data is collected three times a year (Fall, Winter and Spring) to identify any challenges or needs.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated. For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal			
Title I, School Improvement 1003(a)	Federal			
Title II, Part A	Federal			
Title III, Part A	Federal			
Title III, Immigrant	Federal			
Title IV, Part A	Federal			
Tax Levy (Fair Student Funding)	Local			

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Dr. Shauna Green
Assistant Principal (Where Applicable)*	Carmen Soto
English as a New Language (ENL) Teacher*	Shahanaz Islam
Teacher (if school has a bilingual program must be a bilingual teacher)*	Maria Nunez
Parent/Guardian*	Tiffany Franklin
ENL Teacher	Yvonne Jetter
Parent Coordinator	Erika Melendez
School Counselor	Elizabeth Medina
Related-Service Provider	Mayra Vetrano
Bilingual/ENL Coordinator	Leemary Morales
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

7

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

5

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

7

Number of ESOL certified teachers with a bilingual extension:

2

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

5

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

641

Total number and percentage (%) of current ELLs:

36.0%

Total number and percentage (%) of former ELLs:

5.2%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

86.4%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

13.6%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

1.4%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

13.2%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	BSE	English/Spanish	2024-2025	1	0												1
DLBE	BSE	English/Spanish	2025-2026		1												1
DLBE	Duala Language	English/Spanish	2013						1								1
				total: 1	total: 1	total: 0	total: 0	total: 0	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

To implement the requirements of CR Part 154.2, stand-alone instruction for ELLs is delivered to students based on the NYSITELL or NYSESLAT score. The Entering students will receive a minimum of 1 unit of study (180 minutes) done using the Stand-alone ENL model in ELA. The Emerging students receive a minimum of .5 units of study in ENL (90 minutes) using the Stand-alone model. The Transitioning level students will receive .5 units of study (90 mins) done using the Stand-Alone model. Students are grouped and instruction is planned based on the students' ENL level and the number of minutes required. These groups are pulled out for instruction to take place in an ENL Teacher's classroom, where they provide small group instruction/stand-alone service to the ENL students.

MLL/ELL students are often grouped homogeneously at PS 86Q, during stand-alone instruction with their peers who have the same or similar language proficiency levels in order to target instruction and give the scaffolds needed to provide rigorous instruction. However, there are also times when students across different grade levels are grouped together, particularly in stand-alone classes to enhance language exposure and practice, increase social interaction, and provide more tailored instruction to meet their specific language needs.

Furthermore, during Heterogeneous grouping at PS 86Q, the Entering and Emerging students are afforded the opportunity to experience "authentic" communication with fluent English-speaking models and are exposed to rigorous language models through the exposure to the Tier 1 Curriculum. During homogeneous grouping of Entering and Emerging ELLs, ENL, DL, and teachers of SWIs at PS 86Q are able to design small-group reading instruction in class based on the skills that the students in each group are developing. When organizing these homogeneous groups, ENL teachers place Stand-Alone ENL students on similar reading levels to read more challenging text. Two of the ENL teachers use Fundations/Heggerty to instruct students in phonemic awareness and word study (both phonetic and high-frequency/sight words) to enhance their fluency, vocabulary development, and comprehension of a text. ENL teachers also meet with the Entering and Emerging students separately to improve their reading by meeting them at their current reading levels and selecting a text that is challenging but not too challenging. Additional supports, such as pre-teaching vocabulary and building background knowledge, using text with rich vocabulary and images, teaching cognates, singing songs, using picture cards, and vocabulary games, help MLL/ELL students develop language proficiency. Lastly, Fundations is used by ENL teachers to systematically and comprehensively instruct ELL students in phonemic awareness and word study (both phonetic and high-frequency words). This helps contribute to greater fluency, vocabulary development, and application of strategies for the complete understanding of the texts used in the classroom. All reading instruction is addressed using excerpts from the texts, visuals and success criteria. In addition, teachers incorporate the ENL component of the HMH Into Reading Curriculum. These are among the many ways that all teachers at PS 86Q including ENL, DL, and teachers of SWI strengthen language acquisition skills for MLL/ELL students in the Stand-alone program.

Throughout the school year, many assessments and reports are used to group and modify groupings, those include but are not limited to the following: NYSITELL , NYSESLAT, ELA/MATH State assessments, HMH Into Reading assessments , Acadience progress monitoring, i-Ready Reading and Math as well as teacher created assessments. ENL teachers develop and guide writing skills for the Entering and Emerging students by creating responses to Literature using the RADD/ADD strategy, sentence starters, sentence frames, and word banks. Graphic organizers

and other templates are also used to scaffold instruction. All data is discussed in our ILT, MTSS, and Vertical teams to dive into the data focusing on the ELLs/MLs. The ELL students are grouped on iReady to monitor progress and create targeted instruction to focus on skill gaps. K-2 also utilizes Acadience data to identify foundational skill gaps to provide small group instruction through MTSS models and we do progress monitoring every 6 weeks.

Integrated ENL:

During Integrated instruction, the ENL teachers at PS 86Q pair up with the content area teachers to provide ENL services within the classroom. Entering students will receive 1 unit of study per week (180 minutes) done using the Integrated ENL model in ELA, Science, and/or Math. Emerging students receive 1 unit of study in ENL/ELA (180 min.) using the Integrated ENL model. Transitioning students will receive .5 units of study in Integrated ENL/ELA (90 minutes). Expanding students will receive 1 unit of study per week (180 minutes) where 1 unit of study (180 min.) will be given in ENL/ELA or another Core Content Area using the Integrated ENL model. Commanding students, receive .5 units of study in Integrated ENL/Core Content Areas for two additional years after their proficiency level is attained. Transitioning and Expanding students receive 90 minutes of service by an ENL teacher and/or a certified content area teacher with a Bilingual License. All Commanding students receive small group instruction by a Common Branch teacher as in RTI groups. Students are grouped and instruction is planned based on the students' ENL level and the number of minutes required. All ENL integrated is aligned to the Four Modalities (Speaking, Listening, Reading, and Writing) and conducted during the ELA, Writing, Science, or Math core instructional times.

Within the integrated classrooms at PS 86Q, MLL/ELL students learn alongside their English speaking peers to develop language proficiency. During lessons in an integrated classroom, both GE/ENL provided using Team Teaching as the model provide the explicit model of teaching. Then the ENL teachers works with groups of students to support the language component using Tier 1 curriculum. During integrated ENL, the ENL teachers ensure that all MLL/ELL students have access to the Tier 1 curriculum alongside their peers. Students of diverse proficiency levels and backgrounds assist one another through language modeling, peer tutoring, cultural sharing, and translation assistance. In addition to using different discussion protocols such as "Conversation Clubhouse, Accountable Talk, Question Formulation Technique, Turn and Talks, Think, Jot, Pair, Share."

The ELL students are grouped on iReady to monitor progress and created targeted instruction to focus on skill gaps. K-2 also utilizes Acadience data to identify foundational skills to provide small group instruction through MTSS models and we do progress monitoring every 6 weeks. All ENL teachers plan and collaborate with classroom teachers during common planning periods. During the integrated instruction the teachers using Team Teaching in presenting the mini-lesson. When the students get into their small instruction group, the ENL provides the ENL students with scaffolds as support that aligns to the Tier 1 curriculum.

Additionally, ENL teachers alongside the classroom teachers use the levels from i-Ready Reading, Running records, pre and post-test from HMH into Reading, teacher made assessments and checklists, Acadience, NYSITELL, and NYSESLAT test scores for grouping of students throughout the year in order to place students with similar needs together, allow students with diverse abilities in all four modalities (listening, reading, speaking and writing) to learn from one another and assist one another in learning.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

P.S. 86Q does not have a Transitional Bilingual Educational program at this time.

Dual Language Bilingual Education (DLBE):

P.S. 86Q does have a Dual Language Bilingual Education Program in Grades K, 1, and 5, for SY 2025-2026

At P.S. 86Q, the Dual Language teachers in grades K, 1, and 5 scaffold instruction using the same strategies as those mentioned above using HMH Reading/Arriba la Lectura, Envisions Math, and Amplify Science. ENL, DL, and classroom teachers collaborate to share various strategies, such as, but not limited to, Say Mean Matter/Noticing and Wonderings/Accountable talk, sentence stems/frames, RADD, ADD, and Question Formulation Technique, and many other scaffolds are implemented to make content comprehensible. However, Envisions and Into Reading are used for Spanish access to the core content instruction. The Dual Language teachers teach all core content in English and Spanish. On English days, Eentering and Emerging students are placed in small groups to deliver ENL instruction for language support. Additionally, the Dual Language students have the same opportunity in the specialty classes that are given throughout the school, such as Art, Science, Gym, ELA, and Math, which are embedded within the school day. All ENL students are instructed by dually certified bilingual teachers using their Home language. The lessons are developed to keep the students involved in all four modalities in Speaking, Listening, Reading, and Writing in both English and Spanish.

All data is discussed in our ILT, MTSS, and Vertical teams to dive into the data focusing on the ELL's. The ELL students are grouped on iReady to monitor progress and create targeted instruction to focus on skill gaps. K-2 also utilizes Acadience data to identify foundational skills to provide small group instruction through MTSS models and we do progress monitoring every 6 weeks.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

To implement the requirements of CR Part 154.2, the instruction for ELLs is delivered in many ways within the classroom. Based on the NYSESLAT scores, Entering and Emerging students will receive 2 units of study per week (360 minutes), where 1 unit of study (180 minutes) is conducted using the Stand-alone ENL model. The second unit of study (180 minutes) is done using the Integrated ENL model in all content areas.

Transitioning students will receive 1 unit of study per week (180 minutes). Of which .5 units of study is delivered using the Integrated model (90 minutes). The Transitioning student will receive .5 units of study using either the Stand-alone ENL model across all content areas (90 minutes) or integrated.

Expanding students will receive 1 unit of study per week (180 minutes). Of which, .5 (90 minutes) will be supported through ENL/ELA. The second .5 (90 minutes) can be delivered through integrated or stand-alone using the Core Content Area.

Commanding students, or former ELLs, receive .5 units of study in Integrated ENL/Core Content Areas in small groups for two additional years after proficiency. Throughout the year, many assessments and reports are used to group and modify groupings, using the following: i-Ready Reading and Math, HMH Into Reading/Envisions baseline tests, exit slips, ELA/Math Mock exams, and teacher-created exams.

AT PS 086Q, our ENL/ML coordinator, and ELL service providers meet with the administration to design their schedules that aligns with the CR part 154 units of study. Each teacher is assigned on STARS as the provider to students in grade bands and proficiency levels. ENL Coordinator ensures when the EDUR is shared that any items that need updates to be followed through immediately on ATS to ensure we meet compliance.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

At PS 86Q all ENL students receive English Language Arts through the Literacy Block daily which consists of 90mins of instruction in English. The ENL services are provided during the Literacy Block through the Integrated model aligned CR Part 154 according to student level of proficiency. Entering students will receive 1 unit of study per week (180 minutes) done using the Integrated ENL model in ELA, Science, and/or Math. Emerging students receive 1 unit of study in ENL/ELA (180 min.) using the Integrated ENL model. Transitioning students will receive .5 units of study in Integrated ENL/ELA (90 minutes). Expanding students will receive 1 unit of study per week (180 minutes) given in ENL/ELA or another Core Content Area using the Integrated ENL model.

Transitioning, Expanding receive 90 minutes of service by an ENL teacher and/or a certified content area teacher with a Bilingual License . Students are grouped and instruction is planned based on the students' ENL level and the number of minutes required. All ENL integrated or Stand Alone is aligned to the Four Modalities (Speaking, Listening, Reading, and Writing) and conducted during the ELA, Writing, Science, or Math core instructional times.

Commanding students, or former ELLs, receive .5 units of study in Integrated ENL/Core Content Areas for two additional years after proficiency level is attained in order to address their specific needs.

Within the integrated classroom at PS 86Q, MLL/ELLs learn alongside their English speaking peers to develop language proficiency. During integrated ENL, the ENL teachers ensure that all MLL/ELLs have access to the curriculum as their peers do. They also have interaction with Native Language speakers which accelerates their English language acquisition. Students of diverse proficiency levels and backgrounds assist one another through language modeling, peer tutoring, cultural sharing, and translation assistance. In addition to using different discussion

protocols such as “Conversation Clubhouse, Accountable Talk, Question Formulation Technique, Turn and Talks, Think, Jot, Pair, Share.” These help them to learn the content while also developing their language skills.

All data is discussed in our ILT, MTSS, and Vertical teams to dive into the data focusing on the ELL's. The ELL students are grouped on iReady to monitor progress and create targeted instruction to focus on skill gaps. K-2 also utilizes Acadience data to identify foundational skills to provide small group instruction through MTSS models and we do progress monitoring every 6 weeks.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

The Dual Language model that is implemented at P.S. 86 is self-contained. English proficient students and ELLS are integrated 100% of the instructional day. Instruction is provided by a Bilingual Licensed Teacher. The Entering students will receive 1 unit of study per week (180 minutes) done using the Integrated ENL model in ELA, Science, and/or Math. The Emerging students receive 1 unit of study in ENL/ELA (180 min.) using the Integrated ENL model. The Transitioning student will receive .5 units of study in Integrated ENL/ELA (90 minutes). The Expanding student will receive 1 unit of study per week (180 minutes), where 1 unit of study (180 min.) will be given in ENL/ELA or another Core Content Area using the Integrated ENL model. Commanding students, or former ELLs, receive .5 units of study in Integrated ENL/Core Content Areas for two additional years after proficiency level is attained. All ENL integrated or Stand Alone is aligned to the Four Modalities (Speaking, Listening, Reading, and Writing) and conducted during the ELA, Writing, Science, or Math core instructional times. We use the following curriculum: HMH Reading/Arriba la Lectura, Envisions Math, and Amplify Science.

All data is discussed in our ILT, MTSS, and Vertical teams to dive into the data focusing on the ELL's. The ELL students are grouped on iReady to monitor progress and create targeted instruction to focus on skill gaps. K-2 also utilizes Acadience data to identify foundational skills to provide small group instruction through MTSS models and we do progress monitoring every 6 weeks.

b. In which language(s) is each core content area taught?

The languages used to teach each core content area are English and Spanish. The students receive core instruction in English and Spanish using Envisions Math, Into Reading/Writing, and Amplify Science.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

At PS 86Q, we have 190 newcomers, which is 86.4% of our overall MLL/ELL student population.

Every grade band works together as a team to strategically plan lessons to address the students' needs based on proficiency level. We focus on academic language through teaching vocabulary with visuals, grammar structures, and language functions that are relevant to those target areas. We adapt our tier 1 instruction in order to make it accessible to MLL/ELL while addressing grade-level standards. This encourages oral and written language production through activities with pair work and small group instruction. In addition, based on data collected, students are placed in RTI groupings to address specific language needs.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

At PS86Q, we have 3 SIFE students, this is 1.4% of our overall MLL/ELL student population.

Teams work to provide direct instruction in foundational literacy skills, such as phonics and phonemic awareness, as well as academic language development. We recognize the need for practice in oral language as crucial for reading comprehension so we provide opportunities for students to develop their speaking and listening skills. Using an assets-based approach, we work at leveraging students' existing knowledge, skills, and cultural backgrounds as strengths throughout all content areas.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

We do not have long term MLL/ELL students at PS86Q.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

There are 40 former ELL students at PS86Q. These students receive their 2 years of mandated services through small group instruction, our team works to further the development of the four modalities for ELL students as well as any specific area of need they might have. We worked with them using MTSS groups, targeting reading and writing about texts. Our data shows marked growth in written expression as well as tackling the area of making text to self connections.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

86.4% of our ELL population are Newcomers. The newcomer students have limited foundational skills, which require students to receive more instruction on basic skills in Reading, Writing, Speaking, and Listening across all content areas.

21.8% of our ELL population are students in temporary housing. The students who reside in STH have shown that due to instability in their housing needs, their attendance affects their academics overall. According to Insight Beta Data, it shows that 37% of our MLL/ELL student population are chronically absent which includes mainly students in STH.

24.1% of our ELL population did not demonstrate sufficient English Language Proficiency Progress on the Spring 2024 NYSESLAT. These students are predominantly Newcomers, the influx of migrant students is a principal contributing factor in this area as they need more time to learn English.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

6 of our former ELLS, 16.7% scored a level 1 or 2 on the ELA during the last school year. We have noticed through triangular data that students are lacking in Reading comprehension and writing, citing evidence. The former ELLs who scored a level 1 or 2 on the NYS ELA assessment were students who showed less improvement in identifying Key details, citing evidence, or writing about text.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

At PS 86Q there are 121 ELL students whose native language is Spanish; 76 of our ELL students speak Bengali.

We have approximately 15 staff and an administrator who speak Spanish, there are also approximately 12 who speak Bengali. Our principal purchased Pocket Talk Translators for the office staff and teachers to use while communicating with families and new students who do not speak English. Once a family is identified as not English dominant these staff member and tools are utilized to provide translation for effective communication.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

100 of our ELL students are Non-Hispanic and of Asian ethnicity.
120 of our ELL students are Hispanic and of mixed ethnicities.

We use teaching methods that are challenging, but honor students' diversity. Our students' lives and identities are connected to their education. We work to help them become critical thinkers and feel the agency to end inequality. We have high expectations for our students. We give them access to tier 1 curriculum that aligns to grade standards, the curriculum includes culturally responsive literature which promotes respect for all and is culturally responsive.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

24.5% of our students met progress by exiting the ELL status
17.6% of our students met their annual growth progress target
52% did not meet English Language Proficiency

We noticed that our students who did not meet ELP growth that their needs that were predominantly in the writing modality. We identified basically in the third grade this school year.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

102 of our students fall within the Transitioning and Expanding levels of proficiency.

Our students speak well; we identified that they have a need in the reading and writing connection area. This lead us to focus on creating MTSS groups to target grade level text and writing 2-3 times a week with an ELL provider or their classroom teacher.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

11 of our Transitioning students scored a 1 on the ELA , 4 of our Expanding students also scored a 1 and ,9 of our Expanding students scored a 2.

10 of our Transitioning students scored a 1 on the Math test, 5 Expanding scored a 1, 4 Transitioning students scored a 2 and 14 Expanding students scored a 2.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

23 of our ELL students have an IEP. These students have limited reading comprehension and writing abilities due to their learning disabilities. It is the principal contributing factor to their lack of progress on the NYSESLAT.

There were no students tested in 2024 that have a SIFE flag.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

At P.S.86Q, we provide MLI/ELLs with a high-quality academic experience that leads to deeper learning by honing in on what goes into an ELL student's ability to comprehend written text in Literacy and other content areas using the four modalities of reading, writing, speaking, and listening. We focus on building teachers' capacity to design cognitively rigorous tasks. Also, students are provided with multiple types of interactions with an emphasis on oral language development for all proficiency levels in order to boost their writing. Entering and Emerging students are provided with accountable talk stems, sentence frames, and sentence starters to assist with collaborative conversations and writing. We know that for MLL/ELL students, comprehension goes beyond recalling words. It requires taking the words on a page in combination with what they already know to cultivate deeper knowledge of a subject, to develop meaningful interpretations of, and make sense of, the text that they are engaged in. That is why strategies such as Think-Jot-Pair-share allow our students to engage in collaborative conversations and share their ideas to clarify a concept or build a deeper understanding of the content area knowledge for themselves and their classmates.

In addition, we represent reading as a conceptual model to our ML/ELLs using visuals like draw/write during math instruction. Along with this, we use the 3-reads technique that results in math problems turning into a reading comprehension activity. Furthermore, strategies like Notice-Think-Wonder are utilized during instruction in all content areas. This engages MLL/ELL students with vastly different perspectives and prior knowledge by providing multiple entry points, which creates a positive culture in subjects like mathematics. In this routine, students observe a graph, video, image, expression, or other representation and respond to the questions: What do you notice? What do you think? What do you wonder? Number Talks is another routine that provides students with increased opportunities to develop meaningful number sense, the development of positive and empowered mathematical dispositions, and engages them in authentic student-to-student discourse. The use of Say-Mean-Matter as a strategy to dig deep into a text allows our ML/ELL students to immerse themselves in the text, which allows them to interact with it and have a deeper understanding.

At P.S.86Q, we use instructional strategies to assist MLL/ELL students in accessing content necessary for a high-quality experience by scaffolding supports that include teaching and learning techniques, such as explicit instruction, modeling, the gradual release model, as well as the question formulation technique (QFT). By embedding multiple opportunities for our MLL/ELL students to engage across the four modalities as we progress monitor, we ensure that our students have a deeper learning and high-quality academic experience at P.S. 86Q.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The school's Instructional Leadership Team considers MLLs/ELLs in the completion of the school's instructional design. The team members consists of the Principal, 3 Assistant Principals, the Literacy Coach, classroom teachers and ENL teachers. At P.S. 86Q, all ELL students use the same content area programs as the rest of the building. These programs are: HMH Into Reading, Amplify Science and Envisions. English Language Learners as well as the Dual Language students have the same access to all special classes such as Art, Science, Gym and technology which is embedded within the curriculum. ENL and DL teachers tailor the programs using their pedagogical expertise to address the needs of the ENL population.

P.S. 86Q affords equal access to all students and uses response to Intervention (RTI) in Math and ELA based on data from the state assessments as well as running records in order to target students who are a level 2 and push them up to a level 3 or higher. The program is currently used to target third, fourth, and fifth graders in ELA and math. ELLs in K-2, are also provided with RTI based on their running records, i-Ready and Acadience data. Title III funds help to create after-school ENL programs that are offered to ELLs, Former ELLs, ELL-SWIs and DL students in order to help with their language acquisition.

Also, based on New York State test scores and/or teacher recommendations after-school programs are offered to our ELL and Former ELL population, ELL-SWIs and DL students for Academic Intervention purposes or Academic Enrichment purposes.

P.S. 86Q also offers these services during the "paid for prep" program and instructional lunch periods where ENL teachers and content area teachers assist students with ELA and Math state test preparation using RADD. The classroom teachers and ENL teachers collaborate to identify students who would benefit from the program according to the guidelines developed by the ILT team. Students are invited by way of a parental notice. Parents sign and return giving their child permission to remain for the after school programs and/or participate in the "paid for prep " program.

Another after school program offered at P.S. 86Q, Queens Community House, offers homework support as well as building capacity in social, emotional, and educational Learning. The NYC DOE provided laptops/tablets to all students in order to create equity amongst all students in NYC schools. In addition, groups of students at P.S. 86Q are placed in groups of no more than six for AIS services. Dual Language and the MLL/ELL students have the same access to all of the mentioned core curriculum and as well as the arts, science and technology which are embedded within the curriculum.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

At P.S. 86Q, our instruction and learning targets as well as language objectives are based on the Next Generation Learning Standards as we integrate HMH Into Reading, Envisions, and Amplified Science as part of our curriculum. We incorporate the use of visual learning, defining vocabulary through the use of adapted Frayer Models while incorporating shades of meaning to meet the challenges of rigorous academic tasks and foster language development. The framework provided and used by all teachers at P.S. 86Q, including ENL and DL teachers, provide academic tasks that emphasize rigorous instruction across all grades and subjects while acquiring English as a new language. In the DL program, Envisiones and Arriba La lectura are the Spanish components of the HMH and Envisions which are used to accommodate and strengthen students' comprehension in the native language as well as assist with English language acquisition.

Envisions, which is used for all Dual Language students with online Spanish access helps to build capacity for ELLs.

The ENL teachers push-in during the literacy block to provide scaffolds to our ELLS to boost reading comprehension and acquire reading skills. ENL and classroom teachers purposefully plan using NGLS based content and learning objectives to make lessons clear and impactful as well as meet the demands of the NGLS for our ELL students. In addition, ENL and DL teachers use instructional approaches like the gradual release model to accommodate ENL learning. Vocabulary is explicitly and contextually taught through the use of modified/adapted Frayer models, pronunciation videos, powerpoint videos as well as the use of visuals within the classroom. Vocabulary is reviewed and revisited multiple times throughout a unit to not only introduce the word, but give ELL students ownership so they may use it throughout a lifetime of learning. Secondly, Visuals and Realia are used by ENL, DL and core content area teachers to help with vocabulary, and to help solidify a student's comprehension of a new word or concept. Prior knowledge is activated through the use of Notice-Think-Wonder strategy to engage ML/ELL students and allow them to begin thinking about their personal experiences with the topic at hand. ENL, DL and content area teachers utilize graphic organizers that are modified based on students' needs to enable them to classify information, brainstorm, and expand upon that prior knowledge.

All teachers at P.S. 86Q including ENL, DL and core content area teachers scaffold materials for English Language Learners through explicit instruction, modeling, front-loading academic vocabulary, supporting writing with sentence frames, and use graphic organizers to introduce skills and tasks in a steady manner. These instructional methodologies allow teachers to deliver core content that is aligned to the Next Generation Learning Standards and meet the needs of English Language learners . Some other programs that foster language development and promote rigorous and equitable development of language are RAZ-Kids, i-Ready and BrainPop. P.S. 86Q data has indicated that these programs have also accelerated learning across all subjects, transforming our ELL and DL students into stronger and more confident learners while fostering language development to meet the demands of the Next Generation Learning Standards.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

At P.S.86 Q, ELLs with IEPs are supported based on their IEP goals during whole-class and small group instruction. Teachers of MLs/ELLs use ENL Strategies such as Think-Jot-pair-share, differentiated Frayer Models, personal word walls, using text-dependent questions by cognitive level, Total Physical Response, and various other methods to provide access to academic content areas and accelerate English Language development. The ELLs at our school have access to the online component of HMH Into Reading as well as Envisions. Technology is an integral part of our instruction at P.S.86Q. Many of our lessons are taught using slide shows on the Promethean board to provide visuals and engage students with IEPs. In addition, technology is incorporated in our daily instruction, from assigning independent work to targeted instruction is done through the use of devices that the students have access to. Also, given that each student has their device, teachers assign tasks on i-Ready for each student based on their performance levels using progress monitoring through assessments. Furthermore, depending on the needs of the students, texts are modified to give access to grade-level content, and graphic organizers are used to categorize their ideas during ELA and other content areas. By using programs like iReady and Raz-Kids, ELLs/MLLs with IEPs are provided with more opportunities to have access to varied materials that can help with language development.

b. SIFE

Currently, PS 86Q has 3 Students with Interrupted Formal Education (SIFE). We have created a plan to ensure that all Students' with Interrupted Formal Education (SIFE) enrolled in our school will have access to and engage in grade level content. SIFE students are afforded opportunities such as Before and After school programs, lunch instructional

programs, prep instructional help, etc... All teachers including ENL teacher of SWIs and mainstream teachers support SIFE students by creating a buddy system to ensure that these students learn and connect with their peers. Collaborative group work structures are implemented to create a shared accountability and allow for modeling of learning, giving them a way to construct meaning with their peers, while fostering community.

ENL and classroom teachers collaborate to create additional instructional supports for the students and will progress monitor to determine if the systems and structures in place are effective. Additional supports will be provided in the form of targeted small group instruction. During the course of the interventions and supports, the school will do its best to provide home language support.

All teachers at PS 86Q, including ENL, DL, and teachers of SWIs, use tiered instructional conversations in order to focus on both conversation and language to assist with language acquisition. These instructional conversations are pre-planned and embedded in each lesson. Tiered prompts are designed during weekly meetings of all stakeholders in order to build understanding through a coherent sequence. All students including ELLs, DLs and teachers of SWIs are actively involved in these tiered conversations which also keeps the students engaged within the lesson.

When designing instruction, every students' language proficiency level is addressed within the lesson through various strategies and lesson enhancements. Questions are differentiated and structured to allow access for ELLs with various opportunities to practice their receptive and expressive language skills. Some of the scaffolds used are sentence frames, Novel Ideas Only, Think-Jot-Pair-Share, Clarifying Bookmarks, among many others . All of these scaffold are used by all teachers of PS 86Q to accelerate language development, academic literacy, and disciplinary knowledge of all students including English language learners, MLLs SIFE, and SWIs.

PS 86Q provides AIS services to SIFE students to help them gain the knowledge and skills needed to meet and exceed proficiency on standardized assessments. Fundations will be provided to SIFE students to instruct them in phonemic awareness and word study. Acadience is used by all teachers in grades K-2 to progress monitor students and determine their ability to construct meaning from grade level texts using word recognition skills, background information and prior knowledge, and cause and effect. All teachers in grades K-5 use I-Ready that will also be used with SIFE students in both ELA and Math is used to determine their needs, personalize their learning, and further monitor their progress to help them access grade level content.

c. Newcomers

All of our Newcomer MLLs/ELLs are using the grade-level content in ELA, Math, and Science. They are afforded all of the same access to all before and after school programs, lunch instructional programs, prep instructional help, Response to Intervention, etc.. One of the first strategies used is the identification of the student's level of language proficiency in both their native language as well as the English language. Secondly, linguistic and non-linguistic methods are used to represent key vocabulary, labeling, and symbols to support comprehension of concepts. Thirdly, every newcomer is given a buddy to build the newcomer's confidence and act as language models, giving them a chance to practice their new language skills in a low-stress setting. Most importantly, cultural responsiveness is implemented by engaging the ELL student in the lesson through incorporation of texts that reflect their culture, assigning activities that allow the students to share about their background and family, and respecting their native language by allowing them opportunities to use it throughout the lesson. (Learning to pronounce and spell the newcomer's name, learning common phrases in the student's native language, and providing resources in their native language). Teachers provide verbal scaffolds, such as Read aloud to model correct pronunciation of new vocabulary, modeling "think alouds" through explicit instruction, and simplifying questions for better understanding. Teachers also provide explicit instruction through modeling, visuals, gestures, and realia. Wait time is given when asking questions to allow students an opportunity to think before responding, discussions are prompted using sentence frames to support discussions, and grouping is used to allow students to collaborate and discuss the learning. Native language support is provided by teachers through translations by other students, using pocket talks and or through the use of other resources.

P.S. 86Q differentiates instruction for Newcomer students by providing them with a learning environment with plenty of visual aids to enhance student learning. Word banks, sentence starters, and sentence frames are used by ENL teachers to scaffold learning and help students incorporate higher levels of academic language into their language. In order to enhance vocabulary development, stories are read aloud/shared reading, videos are incorporated through Brainpop, students listen to videos to pronounce words, and vocabulary is presented through PowerPoint presentations, Google Docs, and/or Google Slides.

In addition, the teachers and staff at PS 86Q provide AIS services to all students, including Newcomer ELLs, to help them gain the knowledge and skills needed to meet and exceed proficiency on state tests. The students are instructed using Fundations for all Newcomer ELLs in grades K-5 to instruct students in phonemic awareness and word study to build fluency and comprehension. Acadience is used by all teachers in grades K-5 to progress monitor Newcomer levels of understanding.

d. Long Term ELLs

N/A

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

P.S. 86Q ensures ELL-SWDs, attain English proficiency while also addressing their mandated IEP goals. Upon entering P.S. 86Q, the Language Proficiency Team meets to determine whether or not the student with an IEP has second language acquisition needs, consistent with the student's IEP or 504 Accommodation Plan. ELL-SWIs at P.S. 86Q receive Integrated or Stand alone services according to their scores on the NYSESLAT. ELLs-SWIs can placed in ICT classes to mainstream them in the least restrictive environment which provides these students with access to the general education curriculum and specially designed instruction to meet their individual needs.

Appropriately certified pedagogues including the classroom teacher, ENL teacher, the IEP teacher, Special Education teacher, and the School Psychologist all work together to make sure that instructional and scheduling flexibility is accomplished to meet the ELL/SWI student needs.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Home language support is assessed and delivered in the Dual language program using the Spanish component of Arriba La Lectura. Teachers use the HMH Spanish component to assess and support the students as they become fluent in their home language by immersing MLs/ELLs in not only in the speaking, reading ,listening and writing of the language, but the culture as well. The Dual language teachers use Arriba La Lectura to develop and assess their students cognitively, linguistically and academically. Home language is assessed by assessing prior knowledge of the topic. This can be assessed as ELLs are encouraged to complete in-class and at-home assignments in their home language alongside English especially in the case of a newcomer in an ENL class. In addition, Students are encouraged to use their home language when participating in turn-and-talks and small group discussions to ensure understanding of the content. In addition, running records are done in Spanish to assess reading comprehension in the home language. This affords each student within the class the opportunity to make meaning, and communicate in their home language while giving them equity in access to rich texts and rigorous instruction.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

The systems and structures for supporting co-teaching and collaboration among teachers for ELLS evident in vertical instructional teams in all content areas, weekly grade team planning as well as the ENL professional learning series. Teachers receive on going support through Teaching Matters during which teachers come together in order to modify their tier 1 curriculum in order to give access to all students.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

All of our staff receive ongoing professional development workshops on ENL strategies and Social Emotional Learning. For Social Emotional Learning, PS 86 uses the Harmony Program during morning meetings, which consists of a 15-minute block. In addition, the ENL teachers attend professional development through Queens South and then turn-key the best practices and strategies to our teachers so that they can incorporate learning specifically related to the academic and social needs of MLLs/ELLs. In addition, teachers receive professional development through CITE that focuses on explicit instruction and other methodologies that allow our teachers to integrate language and content instruction. Teachers attend professional learning series that are differentiated based on needs and wants. We send out a survey, and teachers decide which series they will join in cycles, allowing teachers to attend multiple series.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Our professional development plan in order to meet the mandated Continuing Teacher and Leader Education is as follows:

-PD provided by the ENL Administrator on Mondays and throughout the week

-PD provided by Reading Specialist, Mrs. Travglia on explicit instruction
-Training provided by Queens South MLL Team
-PD provided by AP Soto on Multi -tiered Support Systems (MTSS)
-PD provided by Mr. Roesemann on "Math Talks"
-PD provided by Studio in the School on incorporating arts into the curriculum
-PD provided by the central office on HMH Into Reading
-PD provided by the central office on Haggerty

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

The screening assessements used to guide instructional planning for the ELLs at PS 86Q are as follow:
- Running Record for grades K-5
-ELA BOY, MOY and EOY Mock Assessments
-Envisions Math BOY, MOY, EOY
-i- Reaady in grades K-5 in ELA and Math
-Acadience for grades K-5
Teacher Topic tests

These assessments are being used to guide instructional planning for the Ells of PS 86Q. The diagnostic data is also used for progress monitoring and creating interventions across classes and grade levels. We use data from these screening assessments to inform instruction, provide feedback through meetings, determine student progress, and make timely decisions about changes to instruction so that students can reach present goals. All teachers including ENL, DL and teachers of SWDs, at PS 86Q use Acadience to identify students in need of intervention, areas of targeted instructional support, monitor at risk students as they receive their targeted instruction and assist with the acquisition of early literacy skills for all students including ENL, DL, and SWIs in grades K-5.

Once the assessments are administered, the data is analyzed and tiered interventions are provided to students. Some tiered interventions provided are Tier 2 interventions, the use of Fundations in grades k-2, Wilson for our SWIs and Guided reading for grades 3-5. We are also using Razkids for all grades. For the afterschool programs, we are using “Phonics to Reading” for first and second grades, and “Close Reading” for grades 3-5. These interventions are used for all students including ELL/MLLs and SWIs to evaluate learning strengths, locate gaps in the development of core content and further tailor the lessons on specific learning objectives. Moreover, based on student needs, the program SPIRE is utilized especially in the case of students with IEPs.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

P.S. 86Q has numerous targeted intervention programs for MLL/ELL students in ELA and other core content areas these include, but are not limited to Wilson, Razkids, Fundations, Brainpop, Epic and iReady. Within all of these programs, instruction is differentiated and tailored to meet the needs and levels of our ELL population. RTI groups are also created based on data from assessments to provide support and monitor progress for ELLs that are struggling. ENL teachers make revisions to their lessons to best meet the needs of our ENL students based on formative assessments within the classroom as needed to further drive instruction based on the data.

Within the DL population, translation of the content areas (Math, ELA, Science and Social Studies) is provided and enacted by the DL teachers of P.S. 86Q in English and Spanish. In addition, RTI and MTSS groups are designed to meet the students at their current level of achievement and help them to make progress toward grade-level expectations.

Additionally, after school groups are formed to promote literacy and assistance in math across all grades . MLL/ELL students were afforded the opportunity to participate in all programs to further their language development. Wilson was also used to assist struggling readers with decoding words which in turn will help with reading comprehension. Another intervention service offered to our ELLs is the Multi Tiered Support System in which students are provided instruction in tier II and tier III. Tier 2 is provided by the classroom teacher in which students are provided with targeted support to address skill gaps. Tier 3 requires intensive support provided more frequently and in smaller groups by the ENL teachers/RTI teachers.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Our school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). We implement a systematic process for examining the language proficiency levels of our MLLs/ELLs as well as information gathered through a variety of informal and formal assessments while keeping in mind the diverse learners at P.S.86Q. This data then assists us in grouping our MLLs/ELLs for tier II and tier III (MTSS) support based on their language proficiency level. As a school we also analyze to determine the modality of need. . The iReady data is also utilized to guide instruction. By administering i-Ready BOY, MOY and EOY assessments, we are able to determine the areas of high needs such as identifying main idea and relevant key details for our ELLs, we then use this information to design targeted instruction within our tiers of MTSS to support our ELLs.

Additionally, once the students are identified based on the data, they are then placed in an ELA/Math RTI groups to bridge skill gaps. Once the students are placed in the MTSS group whether tier II or Tier III, pre- assessment is given to determine more in depth which target skills will be addressed during the 6-10 weeks of intervention. At the end of the cycle the post assessment will be given to monitor and track progress.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

PS 86Q uses many formative assessments to drive instruction such as Beginning of Year (BOY), Middle of Year (MOY) and End of Year (EOY) ELA and Math using I-Ready, in. addition, teachers give weekly and monthly HMH assessments. The Instructional Leadership Framework (ILF) is implemented throughout all instructional platforms to create a supportive environment and provide rigorous instruction for all students including MLL/ELL students and SWIs.

At P.S. 086, the formative assessments that we are currently using is HMH Into Reading for English Language Assessments and Arriba La Lectura which is the Spanish component of HMH. These assessments are done on a weekly and monthly basis to inform instruction for ELLs. Various teacher-created assessments, exit slips, and performance criteria are used as well as discussion protocols.

We will be using Acadience to monitor our MLL/ELL students K-5 for the purposes of targeted instruction.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

Throughout the year MLLs/ELLs are evaluated in their home language using the Spanish component of Envisions in Spanish as well as HMH Into Reading, Arriba la Lectura for assessments in literacy. Acadience will also be used to progress monitor the Spanish home language.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

At P.S. 86 we use the EOY NYSESLAT Mock assessment, ELA Beginning of the Year (BOY), Middle of the year (MOY) and End of the Year (EOY) Assessments and the ELL Data Analysis Tool to inform instruction. Summative assessments are used at P.S. 86Q to monitor progress and identify the areas of growth. Upon examining the results of the NYSESLAT, each modality is analyzed to determine which modality needs to be addressed to increase English language proficiency for each individual student. Upon evaluating students learning and academic achievements, broad connections are made, deeper concepts explored to further drive course ideas and content. Teachers use it to improve the curriculum and curriculum planning. Across grade levels, the teachers at PS 86Q meet daily/weekly to discuss consistent gaps in students knowledge and learning targets and discuss how to appropriately fill in those learning gaps. The Instructional Leadership Framework Team (ILF) also meets monthly to further discuss these findings and plan ways to improve curriculum planning, create or purchase new curriculum to help bridge the learning gaps of all students including ELLs, MLLs and SWIs. We meet monthly with the ENL/MTSS vertical team to discuss trends and student needs being noticed across the grades.

In addition, all teachers including ENL, DL, teachers of SWIs evaluate the grades of their students to document growth over time. The teachers work together to evaluate and track the ongoing progress of students regularly and often. This provides continual snapshots of where each student is throughout the school year. Specific problem areas are targeted, instruction is adapted, and various interventions are implemented much earlier to foster English Language development. All teachers including ENL, DL, and teachers of SWIs, across grade levels meet to translate the language of standardized testing and create assessments that both students and families can easily understand. Then, they build small groups and adapt their instruction according to the results. Observation of the assessment results along with meeting with the students further provides the teachers with information on what each student didn't comprehend. This has improved the teaching practices at PS 86Q and provides further guidance on the creation of culturally relevant assessments.

I-ready assessments are an integral part of our assessment that informs our instructional design and curricular decisions. It allows us to determine students' areas of growth throughout the year. In addition, our teachers

participate in meetings in which they review data to identify the trends and the areas of high need. Teachers work collaboratively and decide on the most effective strategies and tools to support our ELLs. Grade teams meet to create effective action plans for ELLs to address the needs for language support. Throughout the year, teachers analyze Running Records to create differentiated flexible groupings. Moreover, during professional developments, P.S. 86Q allocates time to teachers to present data and plan for next steps for support by analyzing data. Teachers then create data-driven small groups to target instruction based on individual student needs.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

During the administration of the NYSESLAT, students continue to receive the mandated services. Our ELLS are grouped together and serviced by an ENL teacher. The NYSESLAT is scored by common branch license teachers who are trained in administering and scoring the the NYSESLAT along with ENL and DL teachers. The ENL administrator oversees the NYSESLAT administration and the scoring of the test.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

At P.S.86Q, we ensure that current and former ELLs receive necessary accommodations for state assessments by following the mandates on the IEPs of our ELLs with the required testing accommodations. We put systems and structures in place to provide the accommodation as stated in the IEP by holding testing meetings in which all staff members are informed of various accommodations that students may have and how to implement these.

Math and Science state assessments are provided in the ELL students' home language as a support to accommodate our students. In addition, we provided the Former ELLs with NYS glossaries in their native language to support them as indicated in the NYS testing handbook for NYS ELA, Math, and Science.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

At PS 86Q when completing the ELL Eligibility Identification process parents are informed about the ELL program options at our school with a thorough explanation of both the ENL and Dual Language Programs (Grades K, 1 and 5) in the parent's preferred language. In addition, parents are also informed of the option they have to select schools within our district or other districts that provide Transitional Bilingual Education Programs.

The orientation also includes a description of the Next Generation Learning Standards and the expectations of the grade level their child will be attending. The parents are also informed of the NYSESLAT (K-5), ELA (3-5), 5th grade Science and Math (3-5) assessments. As well as the other assessments we administer throughout the school year that include, Acadience, running records, iReady, Teacher created assessments, Topic assessments, and Module Assessments.

We do provide an overall ELL Program Orientation for parents of our Newcomers to explain our schools' instructional focus. The school's expectations and policies as well as arrival and dismissal procedures and locations are also discussed. This is done in addition to the one to one orientation during the ELL Eligibility identification process.

The parents are informed through various methods, flyers, Class Dojo, Parent Coordinator who uses School Messenger, and Google Classroom. We schedule our parent orientation during school hours. We send home a sheet where parents share what is the best time for them to attend the meeting wether morning hours or afternoon

hours. All this documentation will be collected and stored in a Binder located in the ENL Coordinator's office in room 310.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

At PS 86Q every school year we meet with parents to discuss goals of the program that their child is in, the students' language development progress, language proficiency assessment results, as well as language development needs in all content areas. During the OPW/Parent Engagement scheduled times, the ENL Coordinator and ENL Teacher providers will schedule meetings with parents whether in person or virtually. All information pertaining to individual meetings will be stored in the ENL Compliance Binder in room 310. We provide the parents with translation by using other personnel, PockeTalk devices, OLA, or using our Translation unit provided by OLA.

At PS86Q we have an attendance team that addresses all chronic absenteeism by calling parents, messaging parents through Class dojo, Parent coordinator contact, Attendance Teacher outreach, parent letters, and using the New Visions Portal data.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:

a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

At PS 86Q, besides mandated meetings and orientations, we provide parents with ongoing workshops to educate the parents to support learning at home. We use the RAPL ATS Report to identify parent language preference for language access for all. We provide parents with workshops through CITE which are offered in person or virtually. Some of the workshops we have provided are, The Science of Reading, Foundational Skills, How to help your child learn, Test Strategies, Developing Math Skills at Home and ENL Strategies. In addition, teachers show parents how to use the digital resources at home such as Class Dojo, Razkids, and iReady at home. Our parent coordinator as well as the staff provide translations to parents through the translations service to support home language when necessary.

All workshops are provided in English, Spanish, and Bangla with a translator. We use staff members that speak these languages and can share the information with parents in their home language. All communication is shared through our School Class Dojo where translation is available in any language. All school letters are provided in the home language preference. We use a Pocketalk translator to help parents in their language of preference. The other device that we use is the LIsten Technology that was provided to us by the OLA offic that translates what the presenter is saying in the preferred language.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Our school determines the needs of our community by conducting parent surveys. Based on the results from the parent surveys, we develop activities that foster empowerment for families of MLLs/ELLs. Some of those workshops include, The Science of Reading, Foundational Skills, How to help your child learn, Test Strategies, Developing Math Skills at Home and ENL Strategies. Most importantly, our teachers and parent coordinator use digital resources to post materials and information on platforms such as Class Dojo, and Google classroom. The parents can use these digital resources at home and translate the contents into their preferred language. This enables our families of ML/ELLs to feel empowered since they are able to comprehend what is happening at their child's school and feel valued since their inputs are taken into consideration to develop workshops. Title 1 Parent Funds also provided the parents the opportunity to attend ESL classes this school year. The parents voice their selection by voting and these classes were offered to parents to learn the basics in English.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

To ensure families of MLL/ELL students at P.S. 86Q are aware of family leadership opportunities our parent coordinator . PA President , SLT Chairperson reaches out to them. The parent coordinator communicates the opportunities to all our parents through online platforms such as Google Classroom and ClassDojo. In addition, school letters in preferred home languages along with calendars indicating meeting dates and yearly elections for various leadership positions are sent out to inform parents so that they can take part in the leadership opportunities.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

To support the needs of our school community, the parent coordinator Ms. Melendes and our Guidance counselor Ms. Medina have partnered PS 86Q with organizations that provide information for parents. Some of the partnerships include, Anchor health which provides parents with overall health information, how to get mental health support, and access to free vaccinations. Also, library resources have been shared throughout the school year about events in the community library. Information for ESL adult classes is shared with parents throughout the year. In addition, information pertaining to food pantries, or other places where they can get daily essentials is shared with our newcomer families. Moreover, parents have been provided with information regarding how to file their taxes. Also access to translation services through the NYCPS is shared with all our parents in this community.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

Overall, every MLL/ELL student is supported in various ways following the CR Part 154 units of student and additional supports. In addition, RTI in Reading and Math is provided twice a week for MLL/ELL students across all grades based on data. We provide the students with the SPIRE program as needed to support students who are not making sufficient ELP progress as well as after-school classes for students in Reading, Writing, and Math. Every classroom teacher provides MTSS intervention for MLL/ELL students who demonstrate Transitioning or Expanding proficiency level on the NYSESLAT assessment that include relevant and irrelevant details with writing about reading with Tier 2 intervention. Students who are Entering/Emerging, they receive Tier 3 intense intervention in a very small group.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

The members of the ELL identification team are:

ENL Coordinator
TESOL Certified Teacher
TESOL Certified Teacher
Pupil Services Secretary
School Aide

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

At Kindergarten registration, the HLIS form is filled out by the parents and a member of the team who is available administers the identification process individual student interview with the child in English and the Home Language via translation if necessary. The HL code is then entered into the ATS system (BIOU) and a physical record is started for the child to be stored into the child's Cumulative Record folder.

Students in K-5 whose HL is other than English will be administered the NYSITELL and the test is scanned. Parents are notified of the outcome of the test and invited to the Parent Orientation meeting where the ELL Parent Survey and Program Agreement form are filled out in the parent's preferred language.

If a child has an IEP, the IEP teacher reviews the document and a determination is made within 20 days as to whether or not to administer the NYSITELL through the LPT team. We always follow the required mandates of the IEP.

Steps followed:

Step 1 Parent speaks to the Pupil Secretary and notifies the ENL Coordinator at registration
Step 2 ENL Coordinator or TESOL Teachers begins the Parent and Student Interview
Step 3ENL Coordinator or TESOL Teachers identify the students home language based on parent interview and HiLs
Step 4 Then the language code will be updated on ATS
Step 5 Student will be administered the NYSITELL was identified as eligible
Step 6 NYSITELL will be scanned to ATS
Step 7 Spanish Lab will follow for Spanish speaking ELLs
Step 8 Assigned to a ELL provider for servicing aligned to the CR Part 54.

We have a system in place where once students are identified as an ELL, we ensure the student is assigned to the ENL provider based on grade level. Every TESOL teacher has a schedule with all students assigned as listed in STARs Programming and aligns to CR Part 154. They take daily attendance for their students. All classroom teachers are aware of student proficiency levels. All commanding students who are required to receive two years of support services will be provided by the classroom teacher in small group instruction. We also ensure to monitor the progress of all ELLs/MLs.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Dr. Shauna Green

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.
We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they

attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Leemarys	Morales	Teacher - Bilingual	10/30/2025	
Carmen	Soto	Assistant Principal 10 Month		

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS)

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	10	1.46%	10	1.47%	0	0
BENGALI (BANGLA IN BANGLADESH)	145	21.23%	157	23.16%	10	10
CHINESE ANY	3	0.44%	5	0.74%	0	0
DUTCH	1	0.15%	1	0.15%	0	0
GUYANESE CREOLE (GUYANESE/ENGLISH-BASED)	1	0.15%	1	0.15%	0	0
FRENCH	2	0.29%	2	0.29%	0	0

HINDI	1	0.15%	1	0.15%	2	2
ENGLISH	332	48.61%	316	46.61%	100	100
PASHTO (A.K.A. PUSHTO)	1	0.15%	1	0.15%	0	0
RUSSIAN	2	0.29%	1	0.15%	1	1
SPANISH	181	26.50%	180	26.55%	15	15
TADZHIK (AKA TAJIK)	1	0.15%	1	0.15%	0	0
URDU	3	0.44%	2	0.29%	2	2

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
School Calendar	To ensure that all families understand and can plan around important school events, student language surveys are completed to determine the top languages spoken by families at PS 86Q, and the School Calendar is translated in those languages. Then the School Calendar is shared on Class Dojo so that parents can plan around important school events.
Parent Teacher Conference Letters	In order to ensure that time sensitive communication is sent in both English and the family's preferred language, any letters sent home are translated using bilingual staff members or utilizing the
Google Classroom	To ensure accessibility and equitable communication for multilingual families, google chrome automatically offers a translation in the parent's preferred language.
Emails	To promote equitable family engagement and ensure effective communication with parents who are not fluent in English,
Class Dojo	To promote equitable family engagement and ensure effective communication with parents who are not fluent in English, Class Dojo offers automatic message translation. Parents are able to view posts in their preferred language and respond in the language of their choice as well.
Parent Flyers	To ensure that all families can access important school information, all written communication including Parent Flyers are translated in family's preferred language.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent-Teacher Conference	To ensure meaningful communication with all families, especially ELLs, English Language Learners, and all families who speak another language are identified using HLIS, and surveys. Interpretation is completed through the use of bilingual staff members, the use of pocket talk, the use of the Listen Technology Unit or through District's Language and Interpretation Unit: Office of Language Access and Language Line Solutions.
Meet the Teacher Night	To ensure meaningful communication with all families, especially ELLs, English Language Learners, and all families who speak another language are identified using HLIS, and surveys. Interpretation is completed through the use of bilingual staff members, the use of pocket talk, the use of the Listen Technology Unit or through District's Language and Interpretation Unit: Office of Language Access and Language Line Solutions.
ENL Parent Orientation Meeting	To ensure meaningful communication with all families, especially ELLs, English Language Learners, and all families who speak another language are identified using HLIS, and surveys. Interpretation is completed through the use of bilingual staff members, the use of pocket talk, the use of the Listen Technology Unit or through District's Language and Interpretation Unit: Office of Language Access and Language Line Solutions.
IEP/504	To ensure meaningful communication with all families, especially ELLs, English Language Learners, and all families who speak another language are identified using HLIS, and surveys. Interpretation is completed through the use of bilingual staff members, the use of pocket talk, the use of the Listen Technology Unit or through District's Language and Interpretation Unit: Office of Language Access and Language Line Solutions.
Back to School Night	To ensure meaningful communication with all families, especially ELLs, English Language Learners, and all families who speak another language are identified using HLIS, and surveys. Interpretation is completed through the use of bilingual staff members, the use of pocket talk, the use of the Listen Technology Unit or through District's Language and Interpretation Unit: Office of Language Access and Language Line Solutions.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Our school uses the school messenger provided by the Department of Eduction as it is linked to ATS and it delivers the information in parent's preferred language. In the event that a parent has an emergency, the staff uses pocket talk and bilingual staff members to ensure that the information shared is accessible to all.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

The administration will devote a time during Professional Learning Community times that are on Mondays for all staff members to attend the NYCPS Language Access Training for School Based Staff on WeLearnNYC. The Galaxy-designated LAC will provide monthly updates through the ENL vertical team so that teachers can turn key information to colleagues. Sharing information through monthly emails to all staff on new information provided by the Office of Language Access to ensure all communications go to parents in their preferred language to support parents.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

To ensure that parent's are informed about available language assistance services in their preferred language, I Speak cards are available in the vestibule of the school, in pocket charts, for easy accessibility. In addition, time sensitive communication is sent in both English and the family's preferred language. Also, any letters, brochures, or flyers sent home are translated using bilingual staff members or the District's Language and Interpretation Unit: Office of Language Access and Language Line Solutions. Parent engagement events where language assistance services are completed through the use of bilingual staff members, the use of pocket talk, the use of the Listen Technology Unit or through District's Language and Interpretation Unit: Office of Language Access and Language Line Solutions.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

During monthly PA or SLT meetings, we will gather information through the use of a google document to request feedback from parents. The PA is already creating a google document to ensure the parents are more engaged and inform them that we can translate in their prefer language. As of the survey, only one parent stated that she did not need translation but it was offered this school year.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

At PS 86Q were are implementing that every letter, information, or flyers that go home must be shared in language of preference. The teachers use Class Dojo and its translates for the parents to communicate and share concerns or resources. We will continue to ensure that we provide parents every opportunity to gain language access using the different tools such as the Pocketalk and Listening Technology.

Trip slips are provided by the DOE in various languages. Most of the letters that need to be backpacked are available in the preferred languages.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Before School

Total number of ELLs to be served in this program:

30 students

Grades to be served in this program. Select all that apply.

,1,2,3,4,5

Total number of teachers in this program:

2 Teachers

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

2

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

1

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**
- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**

- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

*Rationale:
P.S. 086 would use the Title III LEP funds for SY 2025-2026 to improve teaching and learning in Foundational Skills in Reading, Writing, Listening, and Speaking through targeted instruction in a before school enrichment program. The before school enrichment program will consist of two (2) classes. The program will begin on January 13, 2026, and end on continue for a total of 34 sessions. The before school enrichment program will be held on Wednesday, and Thursday from 7:15 am to 8:00 a.m.
In addition, P.S. 86 would use the LEP funds to purchase the Measuring Up Getting Ready for ELLs 2.O to accelerate student reading and language proficiency in the four modalities (Reading, Writing, Listening, and Speaking) through all content areas (Conversational Language, Language Arts, Mathematics, Science, and Social Studies). These materials align with core literacy instruction. It also provides instruction and practice in all four modalities /domains of literacy-reading, writing, listening, and speaking.

The students will engage in expanding vocabulary using visuals to support their comprehension. They will be provided opportunities to listen to text to engage them in discussions that will develop language but also deepen their understanding of word meaning. In addition, they will be provided with opportunities to target writing using various scaffolds, word list, and the RADD strategy to get them to write using details from the text. They will engage in close reading strategies, to develop fluency and comprehension.

*Subgroups and grade levels of students to be served:

The students that will be served are our ENL immigrant students in grades First to Fifth grade. The students will receive English instruction during this program. The instruction will be delivered by the ration of 1: 15. One teacher and 15 students. All students will be grouped based on proficiency levels and grade bands to address the needs of students. We will be using the Acadience data and iReady data as well as the NYSESLAT modality data to provide instruction based on student needs.

The program will consist of the following:

-Foundational Skills
- Vocabulary Explicit Instruction
-Reading through all content areas using Close Reading Strategies to build fluency and develop comprehension.
-Writing across content areas using RADD

* Number and types of certified Teachers:

2 Certified ENL and Common Branch teachers

*Types of Materials:

Measuring Up Getting Ready for ELLs 2.O which is aligned with the four modalities including vocabulary daily review and discussions.

*These materials are distinct from those used for daily instruction.

This program will be supervised by the ENL supervisor at no cost to the Title III funds.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

*Rationale:

P.S. 086 would use the Title III LEP funds for SY 2025-2026 to improve teaching and learning in Reading, Writing, Listening, and Speaking through targeted small-group instruction in an after-school program. The before school program will consist of two (2) classes. The program will begin on January 13, 2026, and continue for a total of 34 sessions. This program will be held on Wednesday, and Thursday from 7:15 am to 8:00 am.

The students would be placed in the program using Qualitative and Quantitative data consisting of the NYSESLAT Proficiency levels, NYSITELL Proficiency Levels, iReady assessments, Module Unit Assessments, ELA assessments levels, Acadience. The aforementioned data will help PS 86Q to focus attention on the additional support needed to address the language barriers, improve learning opportunities and increase English language proficiency.

In order to determine the effectiveness of the instruction in the before school program, students NYSESLAT test scale scores will be analyzed in relation to Reading, Writing, Speaking and listening and language skills. In addition, the ELA, MATH, NYSITELL and NYSESLAT scores would be examined to pinpoint areas of strength and weakness in order to create small group instruction that would aid in the development of language proficiency in the four modalities, reading, writing, listening and speaking, and their overall academic success. Additionally, the ELA, MATH, NYSITELL and NYSESLAT score would be analyzed to determine which specific skills or content areas require additional attention and support during classroom instruction in the after school program. In addition, samples of students' work would be reviewed and assessed, including their writing assignments, reading responses to provide qualitative data on individual progress and areas needing improvement.

The aforementioned program would benefit our ELLs and Former ELLs at PS 86Q as it would give them the tailored language support needed by allowing the teacher to addressing language barriers and enhance language acquisition skills in a more focused setting. Also, this programs would give ELLs and Former ELLs increased exposure to the English language, promoting vocabulary development, comprehension and fluency. Lastly, through targeted small group instruction, ELLs and Former ELLs would receive for focused attention which would boost their confidence creating a positive impact on their overall language acquisition.

Finally, a digital attendance sheet will be utilized to allow teachers to mark attendance electronically. This provides a convenient and centralized way to track attendance.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

*Subgroups and grade levels of students to be served:

The students that will be served are our ENL population in grades First to fifth grade. The students will receive English instruction during the course of this program across all content areas. This program will be serving students who are Newcomer ELL's which include the SIFE students, Developing ELL's with IEPs, and Developing ELL's. We do not have long term ELLs.

First -2nd geade A total of 15 ELL students

Newcomers-5 students
Developing ELL's with IEP's- 5 students
Developing ELL's - 5 students

Third - Fifth Grade- Total of 55 ELL Students

Newcomer ELL's-5 students
Developing ELL's- 5 students
Developing ELL's with IEP's - 5 students

We will have two classes of 15 students.

Digital/paper attendance will be taken daily in order to provide a convenient and centralized way to track attendance.

There will be a total of two teachers supporting our students in the ENL Title III before school program who are ENL certified and Common Branch Teachers.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The program will begin on January 13, 2026, and continue for a total of 34 sessions. The before school program will be held on , Wednesdays and Thursdays from 7:15 -8:00 a.m. F

Day One

Sight Word Activity/Review
Use the cards and have the students listen, read, and practice spelling of the words
Vocabulary Development/ Context clues
Pre-teach vocabulary and build background knowledge

Speaking Modality/Formulating Discussions
Use the illustrations to analyze and answer questions
Engage students in a discussion using the 5W's, question stems aligned to the DOK

Listening Modality/Read Aloud
- Have the students listen to the story
- Ask questions about the text using the 5W's and DOK questions
- Review the questions by identifying the key details

Day Two

Reading Comprehension
- Read the story to the students
- Use annotations to identify key ideas and details to help develop comprehension
- Review the illustrations and discuss the connection to the text
- Ask and Answer Questions using RADD

Writing
- Reread the text as necessary
- Have the students write to answer the prompt
- Review and use the checklist with students
- Develop a shared writing with the students to model how to answer the prompt being asked

Our program will not interfere with the Parent Engagement time on Tuesdays, since our school SBO has allowed the teachers to conduct their sessions remotely and not in person.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction is English during this after school program. Home Language support will be provided by the after school teacher the use of scaffolds such as visuals, chants, music, and books. The teacher will utilize the interpretation via Google Slides to support students as needed. They will use visuals to support students in developing English Language proficiency. The teachers will utilize visuals to support Vocabulary instruction and other scaffolds to support students' home languages. We also use Pocket Talk devices to support student home language.

Home language supports will be utilized through the Bilingual teachers. Culturally responsive teaching will be used to incorporate student's cultural backgrounds and experiences into English Language instruction. This will create a

supportive and inclusive learning environment which will help ELLs to succeed academically while also maintaining their linguistic and cultural identity.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

* Number and types of certified Teachers:

2 Certified ENL and Common Branch teachers

Each class will consist of 15 students in grade bands and varied levels of proficiency and subgroups (Newcomers, SIFE, Developing ELL's, SWIs. The teachers will use a variety of scaffolds for language support. The Promethean board will be used to display stories, and model writing using sentence starters. The teachers will utilize Google Slides and visuals to support the English Language Learners. The students will be provided whole group instruction with daily vocabulary and sight word review to ensure students develop fluency. There will be an allotted time in the schedule for students to work independently and teachers will rotate the room to offer language support through small group instruction. The teachers that will work the program will be Bengali and Spanish-speaking teachers who will support the vast majority of our ELL student population. In addition, flexible grouping will be used to allow for differentiated language support with in the classroom. This will create a conducive environment for ELLs to receive the necessary language support while engaging in content area material.

The program will be supervised by an assistant principal at no cost to the Title III LEP allocated funds.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

*Types of Materials:

Measuring Up Getting Ready for ELLs 2.O

*These materials are distinct from those used for daily instruction.

These materials are at the cost of the Title III LEP funds and the materials will be solely used for this Title III LEP before

school program. The cost will not exceed the 20% total allocation.

This program is an enrichment program to support students and help them develop language proficiency and not as a test prep program.

Implementing this program with targeted small group instruction will be beneficial for all ELL subgroups. The emphasis on reading, writing, speaking and listening in the after school program will provide all ELLs with increased exposure to English language usage and effectively support the language acquisition and academic development of ELLS, Former ELLs, ELLs with SWI's and newcomers. In the end, this will nurture their language proficiency and overall educational success.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

The program will be supervised by an assistant principal at no cost to the Title III LEP allocated funds. The attendance will be recorded daily using a Google digital document that will be shared with teachers and administration. This form will be updated daily to ensure student attendance. Calls will be made for those students who are absent on a daily and recorded on the Google document. The teachers will collect sample writing pieces for each student at the beginning, mid-point, and at the end of the program to check for progress. Parent notices will be translated in language of preference to support parents. The parents will receive the permission beginning December 13, 2025

All program documents will be maintained in a binder in the supervisor's office which will include:

- Parent letters in their preferred home language
- Attendance
-Pacing
-Allocations/Budget
-Progress Monitoring

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

*Schedule and duration:

1 session per week for three weeks (a total of 3 sessions), Beginning Tuesday, October 28, 2025, Wednesday October 29, 2025, Thursday October 30, 2025. 2:30- 4:00 pm for three sessions.

Times will be as follows:

Teachers will sign an attendance sheet and receive information via a power point presentation. In addition an agenda and pacing schedule for the students in their afterschool enrichment class.

* Teachers to receive training:
ENL and Common branch teachers will receive training.

* Topics to be covered:

-Vocabulary/Language development
-Structure of Close Reading
-Constructive Writing

* Name of provider:

- ENL Administrator
- ENL Coordinator
- Classroom Teacher
- Literacy Coach

All professional learning series will be provided at the cost of the LEP funds.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

PS 86 will conduct an After School Program for Grades 1, 2, 3, 4, and 5. The focus of the programs will be on the expansion of conceptualized vocabulary, structure, and syntax. The program will address literacy skills in phonics and in the content area of ELA to promote student use of language and thinking skills that align with the four modalities. This component will not be at the cost of the Title III LEP funds.
The data indicates that MLLs tend to master listening and speaking before they master reading and writing. Reading is considered to be one of the receptive aspects of language, while writing is considered to be one of the expressive aspects. This is why these two modalities remain a challenge for our students. This is a clear indication that there is a need to increase explicit ENL instruction throughout the grade levels to provide the tools necessary to navigate the language through deep structure, text patterns, and genre. This will enable our MLLs to be better equipped to navigate language through persuasion, editorializing, debating, and other suprasegmental features of the language correctly. After analyzing the data, it is apparent that the challenge arises once the students have to read and write independently. It is imperative that many of our MLLs need to broaden their language skills through scaffolding strategies that will help them navigate the English language.
This program's purpose is to develop the academic English language in content areas of ELA, Science, and Social Studies. The teachers will utilize various content-based skills and strategies to assist the students in building academic vocabulary and applying these strategies to be successful learners. The teachers are linking the Next Generation Learning Standards to the ENL program by concentrating on ENL strategies to scaffold content instruction to target vocabulary. In addition to the NYSESLAT review, the students will be immersed in reading non-fiction to expand academic vocabulary and tier 3 words.

These professional learning sessions will better prepare our teachers to help support our ENL learners. Teachers will support academic vocabulary instruction using graphic organizers (e.g. Frayer Model) Say, Mean, Matter Protocol. In addition, clarifying language stems and text structures, as well as honing in on student reading comprehension skills in the content areas. Listening and Speaking will also be emphasized throughout the lessons, with an emphasis on accountable talk, and discussion techniques (e.g. QFT). Students will practice listening comprehension and vocabulary through a variety of genres to improve comprehension.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

* Teachers to receive training:

ENL and Common branch teachers will receive training. Only teachers working in the Title III program will be trained using the Title III funds.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

*Schedule and duration:

1 session per week for three weeks (a total of 3 sessions), Beginning Tuesday, October 28, 2025, Wednesday October 29, 2025, Thursday October 30, 2025. 2:30- 4:00 pm for three sessions.

Times will be as follows:

Teachers will sign an attendance sheet and receive information via a power point presentation. In addition an agenda and pacing schedule for the students in their afterschool enrichment class.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

* Topics to be covered:

-Vocabulary/Language development
-Structure of Close Reading
-Constructive Writing

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

* Name of provider:

- ENL Administrator will provide teachers the program outline, pacing, and instructional guides

- ENL Coordinator/Teachers- Will provide the professional learning Series using the Frayer Model/Shade of Meaning

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

All documentation will be stored in room 312 in the Title III binder. This will include all professional development agendas and attendance for teachers. All training materials and resources shared at PDs are also retained as supporting documentation.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

* Rationale:
At PS 86Q, we will include parents as partners in their child's education. P.S. 86 is committed to providing useful information and parent engagement by offering them opportunities to participate in the school community and their child's education.

*Schedule and duration:
We have an ongoing parent involvement program that includes virtual meetings, educational workshops, and activities. These meeting takes place during the school day and afternoon so that all parents are included and can attend. Parents will participate in many educational workshops. Parent meetings and workshops will also take place during parent engagement time.

* Topics to be covered:

- November 13 - Understanding your Child's report Card @ 10 AM
- December 9 - Dealing with test anxiety @ 10 AM
- January 21- Homework without Tears @ 10 AM
- February 24 - Helping your ELL student learn English @ 10 AM
- March 10- Understanding the NYS/NYB Testing Program @ 10 AM

*Name of Providers:

Cite Facilitator Luisa Travaglia

*How parents will be notified of these activities:

-Parents will be notified via a letter sent home in their home language and will be posted on the teacher's google classroom. The information will also be posted on the school website as well as Class Dojo by the parent coordinator.
-Bulletin board announcements at the main entrance of the school building,
-School messenger calls before the meetings and activities
-Flyers advertising the event written in the language of the parent posted on the teacher's google classroom and school website as well as Class Dojo.

- Added to the School's calendar

All Parent Engagement activities provided by the CITE Facilitator/vendor will be at the cost the LEP Funds.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

* Rationale:

P.S. 86 is committed to providing useful information and parent engagement by offering them opportunities to participate in the school community and their child's education. The parents of Title III LEP students are mandated to attend these meetings. These learning sessions are to provide parents to techniques, strategies, or ideas to use at home to best help our students develop language. We conduct an in-house survey to ask parents to select the topics they would like to attend to best support their children at home.

This component is at the cost of the 10% Total funds allocation. All sessions are conducted by a paid contractor vendor source called CITE where a trained professional provides the parents with the ongoing tools necessary and is translated to support home languages. These sessions are done remotely or in-person where parents gain knowledge of how to help their children succeed academically and develop language proficiency.

We will share a google survey to see which workshops parents prefer overall and select the workshops the parents would like to engage in using the CITE facilitator.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

*Schedule and duration:

We have an ongoing parent involvement program that includes virtual meetings, educational workshops, and activities. These meetings take place during the school day and afternoon so that all parents are included and can attend. Parents will participate in many educational workshops. Parent meetings and workshops will also take place during parent engagement time.

* Topics to be covered:

- November 13 - Understanding your Child's report Card @ 10 AM
- December 9 - Dealing with test anxiety @ 10 AM
- January 21- Homework without Tears @ 10 AM
- February 24 - Helping your ELL student learn English @ 10 AM
- March 10- Understanding the NYS/NYB Testing Program @ 10 AM

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

* Topics to be covered:

- November 13 - Understanding your Child's report Card @ 10 AM
- December 9 - Dealing with test anxiety @ 10 AM
- January 21- Homework without Tears @ 10 AM
- February 24 - Helping your ELL student learn English @ 10 AM
- March 10- Understanding the NYS/NYB Testing Program @ 10 AM

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

*Name of Providers:

C. Soto, Assistant Principal; Y. Jetter, ENL Teacher, Leemary Morales, ENL Coordinator; and H. Jordan, Parent Coordinator; Cite Facilitator Luisa Travaglia

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

*How parents will be notified of these activities:

-Parents will be notified via a letter sent home in their home language for in-person students and will be posted on teachers google classroom. The information will also be posted on the school website as well as Class Dojo.
-Bulletin board announcements at the main entrance of the school building
-Phone calls and school messenger before the meetings and activities
-Flyers advertising the event written in the language of the parent posted on teachers google classroom and school website as well as Class Dojo.

** Interpretation will provided by staff members that speak the home language preference. We can also utilize the pocket talk device to translate for parents.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

All documentation pertaining to family engagement activities agendas, attendance sheets ,and notifications, will be kept in the Title III Binder in room 312. All resources and tools shared will be retained in the binder as well.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

36,214.40

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Before School

Grades to be served in this program. Select all that apply.

,1,2,3,4,5

Total number of teachers in this program:

3

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

The Title III Immigrant before-school Program will run from January 27, 2026. This program will take place from 7:10 am to 7:55 am. This program will support our students in reading and writing. This program will offer enrichment in Reading and Writing using the HMH Read and Respond curriculum which is a Tier 1 curriculum with modifications to support our immigrant students.

The immigrant students will engage in reading and writing activities that develop their reading fluency to build comprehension, vocabulary development, and develop good writing using a variety of strategies such as ADD/RADD. This will afford our immigrant student population the opportunity to strengthen their the Reading and Writing skills.

Title III Immigrant before-school Reading Instruction Tuesdays, Wednesdays, Thursdays from January 27, 2026 through June 3, 2026

All immigrant students will be placed in a class based on grade level. The teachers will provide small group instruction in the classroom by placing students in groups to best support student needs. Each group will have about 12 students. Instruction will be delivered directly as a whole class and then placed in small groups for intervention using visuals and multiple strategies to increase student reading fluency, comprehension, and writing.

The program will be supervised by the Assistant Principal at no cost to the Title III Immigrant funds.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

At PS 086Q 36.91 % of our student population are immigrants and 239 students are identified as English Language Learners. In grades 1-5 there are 36 Immigrant Students that will attend the Title III Immigrant After-school Program.

After carefully analyzing our iReady data we noticed the following:

Students in grades 1-5 show 12% mastery in vocabulary development which shows a need to improve student understanding of unknown words through the use of a variety of strategies such a visuals, the Frayer model, and shades of meaning. Only 8 % mastery on comprehension overall. Both for Literature and information text. in which this program will help these students develop the understanding of new words which will help the students develop the comprehension of complex texts to better understand what they are reading. This program will accelerate reading and writing skills. Students will be making connections with writing and reading. To builid fluency in their reading responses using the ADD/RADD scaffold.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

The Title III Immigrant program will be offered to 36 Immigrant Students to support them in reading and writing instruction. The students will be grouped by level of understanding which is targeting the MTSS students who are on approaching grade level. We are including Newcomers, Former ELL"S, Entering, Emerging, Transitioning, and Expanding proficiency levels. We will place up to 12 students in each class. We will have three classes for grades 1-2, 3, 4-5.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

The Title III Immigrant funded program will begin on January 27, 2026 to June 3, 2026. With a total of 50 sessions. The program will be offered on Tuesdays, Wednesdays, Thursdays. The program is before school program that will begin at 7:10 am to 7:55 am. Which a duration of 45 mins for three days. Which equals to 135 mins of instruction a week for 50 session.

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

The language of instruction will be English.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

This program will include two Bilingual certified Teachers and one Common Branch teacher.

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

The Title III Immigrant before- school program materials will be at the cost of the Title III Immigrant funds. The funds will be used to purchase HMH Read and Respond books and general supplies to support learning. General supplies

will include: Pencils, markers, folders, copy paper, chart tablets, and any other materials teacher will need to provide instruction.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

All records of attendance will be stored in a google document and in a binder stored in room 312. We plan to implement this program to best support our ENL/Immigrant students in reading instruction. The parents will get letters to inform them their children were selected for the program. The letters will be in parent language preference based on language spoken at home.

The assistant principal will administer and monitor the program as the supervisor at no cost to the Title III Immigrant Funds.

Part C: Professional Development

Professional Development Summary
Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

Professional development will be provided to teachers at the cost to Title III immigrant funds.

Grades 1-5
- Vocabulary Development- Teacher will engage in activities such as the Frayer Model/Shades of meaning to develop vocabulary to build fluency
- Close Reading Strategies- Teachers will chunk up the text to read and reread with students for better understanding.
-Writing using Add/RADD- Using the strategy to answer questions using details/citing evidence to support their answer.

This will be at the cost of the Title III Immigrant funds.

Rationale for Professional Development
Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

At PS 086Q 36.91 % of our student population are immigrants and 239 students are identified as English Language Learners. In grades 1-5 there are 36 ELL Immigrant Students that will attend the Title III Immigrant before-school program.

According to the NYSESLAT Modalities tested in the Spring of 2025, it is noted that students are struggling in the area of Reading and Writing. Reading challenges consist of understanding the language. So we will focus on vocabulary to develop comprehension. In addition, that some of our immigrant newcomer ELLs need more support with Fundational Skills. For student to build fluency in the new language they require to segment, blend, and sound out letter sounds to be able to read text in the early grades.

After carefully analyzing our iReady data we noticed the following:

Students in grades 1-5 show 12% mastery in vocabulary development which shows a need to improve student understanding of unknown words through the use of a variety of strategies such a visuals, the Frayer model, and shades of meaning. Only 8 % mastery on comprehension overall. Both for Literature and information text. in which this program will help these students develop the understanding of new words which will help the students develop the comprehension of complex texts to better understand what they are reading. This program will accelerate reading and writing skills. Students will be making connections with writing and reading. To builid fluency in their reading responses using the ADD/RADD scaffold.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

The teachers who will work the Title III immigrant before-school program will continue to be provided with professional learning opportunity to gain the knowledge in using strategies to best support our immigrant student population. The teachers will receive other opportunities to enhance their Knowledge in Fundations/Heggerty and Vocabulary development.

We will be using in house staff to provide teachers with these sessions to best support our immigrant population.
Grades 1-5
- Vocabulary Development
- Close Reading Strategies
-Writing using Add/RADD

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

The Title III Immigrant professional Development for teachers will begin on January 20 , 2026- January 22, 2026. There will attend three sessions that will provide teachers the opportunity to learn new strategies to use during instruction. Each session should be 45 mins long. We will provide three professional learning sessions during the

morning hours a week before they begin the program.

Session 1 January 20, 2026 7:10 am 7:55 am
Session 2 January 21, 2026 7:10 am 7:55 am
Session 3 January 22, 2026 7:10 am 7:55 am

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

The topics that will be covered in the Title III Immigrant professional development activity are:

Grades 1-5

The teachers will engage in an in-person professional series to review the different strategies to utilize to develop vocabulary understanding to lead to reading comprehension.

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

For the following professional development activities that will be provided by a staff member during before school hours.

Grades 1-5
- Vocabulary Development
- Close Reading Strategies
-Writing using Add/RADD

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

All documentation for the Title III Immigrant program will be kept in a binder in room 312.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds.
Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

The parent engagement activity will be provided by the DOE Vendor Cite. These parent engagement sessions will be provided in person sessions. The parents will engage in learning different strategies to utilize at home to support their children in developing in that area of reading, writing, listening, and speaking. This family engagement activity will be at the cost of the Title III Immigrant funds.

Topic: How can you help you child succeed at school
Topic: How can you help your ENL student develop in the English Language

This will be at the cost of the Title III Immigrant funds.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

At PS 086Q 39.6% of our student population are immigrants and 239 students are identified as English Language Learners. The students will attend the Title III Immigrant Before school Program. it is essential to provide parents of immigrant students the opportunity to learn different strategies to use at home to support their children. This will help our parents of immigrant students gain the tools necessary to support their children with the math concepts needed to meet the state standards. As a school we must educate the whole child by providing the parents the opportunity to learn tools they can use at home to reinforce math concepts.

There was survey sent home for parents to select which parent workshop were of their interest. The survey was shared as a google document by the parent coordinator which translates in different languages.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

The parent engagement activity will be provided by a consultant from CITE in which it will be conducted in-person. One session is two hours. This parent engagement will be conducted in person.

January 30 , 2026- 9:00 am thru 11:00am
February 8, 2026 9:00 am thru 11:00am

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

The parent engagement activity will be provided by the DOE vendor Cite and will provided parents with strategies to use to support their children at home with reading and writing development.

Topic: How can you help you child succeed at school
Topic: How can you help your ENL student develop in the English Language

Name(s) and Title(s) of Provider(s)
