Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

The mission of P.S112Q is to provide our children with a comprehensive education in a safe, nurturing environment that will enable them to become successful citizens of the 21st century. We believe that all children can learn. We have high expectations of all our students. We will strive to meet the needs of all students and help them meet high standards. We recognize and celebrate the diversity of the P.S. 112 community. As partners, students, parents/guardians, staff, and community we will work together to achieve our shared mission of making P.S. 112 a place of learning.

These values are integrated within our core principles, which are represented by our ABCS framework:

A - Accept Responsibility
B - Be Respectful
C - Celebrate Diversity
S - School Safety

The values in P.S. 112Q's mission and ABCS framework are communicated and reinforced through intentional, consistent practices embedded in daily school life.

Accept Responsibility
- Morning routines often include affirmations or goal-setting to encourage personal accountability.
- Classroom jobs and rotating responsibilities help students take ownership of their environment.
- Restorative practices are used to help students understand the impact of their actions and make amends.

Be Respectful
- Modeling by staff sets the tone for respectful interactions.
- Clear behavior expectations are posted and reviewed regularly.
- Celebrations of kindness (e.g., Hawk Highlights, Hawk of the Month) reinforce respectful behavior.

Celebrate Diversity
- Culturally responsive curriculum includes literature, history, and activities that reflect students' backgrounds.
- Multicultural events and assemblies highlight traditions, languages, and stories from the community.
- Inclusive classroom practices ensure all voices are heard and valued.
- Language support services and differentiated instruction meet diverse learning needs.

School Safety
- Daily routines include safety drills, secure entry protocols, and adult supervision.
- Social-emotional learning (SEL) programs promote emotional regulation and peer support.
- Safe spaces (e.g., calming corners, counselor access) are available for students needing support.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

At P.S. 112Q, we do not distinguish between students, parents/guardians, staff or even visitors. At P.S. 112Q, we are all Hawks! We are all working together to create a sense of family and community. It is our hope that this approach will produce individuals who are prepared to contribute to society in a meaningful and productive way. P.S 112Q, The Dutch Kills School, is located in Long Island City, New York. We serve students from grades 3-K through 5th grade. At P.S. 112Q, Positive Behavior Intervention System (PBIS) is fostering a collaborative culture in which all members of the school community: accept responsibility for their actions, are respectful to each other, celebrate diversity of cultures and practice school safety.

P.S. 112Q, is a diverse community. Our unique student demographics are as follows:
Asian: 18%
Black: 19%
Hispanic or Latinx: 50%
White: 10%
Other: 3%
English language learners: 34%
Students with disabilities: 19%

Housing Status:
-Students in Temporary Housing, 27%

We currently partner with Variety Boys and Girls Club. In the last seven years, we have been involved in the Participatory Budget process with our local councilman members.

We can demonstrate impact through specific student/family supports and outcomes such as:

* Culturally responsive teaching and multilingual materials.
* Celebrations of heritage months and inclusive curriculum.
* Dedicated ENL (English as a New Language) instruction.
* Bilingual staff and translated communications for families.
* Growth in English proficiency.
* ICT (Integrated Co-Teaching) classrooms and paraprofessionals.
* Access to related services (speech, OT, counseling).
* Access to social workers, care closet, and meal programs (Brighter Bites).
* School-wide behavior expectations and positive reinforcement.

Briefly summarize the key initiatives your school will implement this school year.

Teacher development and coaching through Teaching Matters, Generation Ready and District Support Staff.

Increased student interventions utilizing select periods of the school day where students will receive specific, targeted support. This will include iReady personalized instruction, Fundations, Heggerty, SPIRE, and more.

Continued partnership with Disney Musicals in Schools.

Participation in District 30 Intramural Sports for Elementary Schools.

Continue to revamp and improve MTSS structures such as PBIS/SEL supports, as well as Literacy.

Mental Health and Counseling supports for all students through our Community School Partnership (Variety Boys and Girls Club of Queens) and other organizations.

Providing additional academic and recreational programs, plus parent workshops.

Targeted attendance supports/improvements (focusing on students in lower grades) through EIR Grant and partnerships with Zone 126/Knowlej

We will gauge the effectiveness of these initiatives through the following:

- Teacher observation ratings (pre/post coaching cycles)
- Participation rates in PD sessions (Teaching Matters, Generation Ready, District Support)
- Teacher self-assessments and feedback surveys
- Student achievement data linked to coached classrooms
- Coaching logs and goal-setting documents
- iReady diagnostic growth (fall/winter/spring)
- Progress monitoring data
- Intervention attendance and fidelity logs
- Movement between tiers in MTSS
- Student participation rates
- Attendance and engagement
- Number of students receiving services
- Referral rates and response times
- Student/family satisfaction surveys
- Attendance and behavior improvements
- Parent feedback and satisfaction
- Chronic absenteeism rates (especially K-2)
- Improvement in daily attendance
- Family engagement in attendance initiatives

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	HMH, Into Reading	Fundations, Heggerty, Spire,
Math	K-5	enVisions	Do the Math, SPIRE

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	60	By June, 2026, literacy for All K-2 Students will improve, as measured by a 10% Increase, from 53% to 63% of students scoring at/above grade level on the June Acadience assessment.
Students in Temporary Housing (STH)	yes	By June, 2026, literacy for All K-2 Housing Insecure (STH) Students will improve, as measured by a 15% Increase, from 30% to 45% of students scoring at/above grade level on the June Acadience assessment.
English Language Learners (ELL)	yes	By June, 2026, literacy for All K-2 Multilingual Learner (MLL) Students will improve, as measured by a 15% Increase, from 31% to 46% of students scoring at/above grade level on the June Acadience assessment.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Strengthening of targeted, small group instruction through coaching support cycles
Use of data inquiry to prioritize student needs through ongoing data reviews
Focus on big skills such as retelling
MTSS Supports - Both during the school day and through After-School Programs
Teacher knowledge of foundational skills
Teacher training and coaching as provided by: District 30, Generation Ready
Providing specific supports/resources/materials/opportunities for students in Temporary Housing (eg food, clothing, after school instruction)

Root Cause Addressed:

-Continued training opportunities for teachers in various programs (fundations, heggerty, acadience, etc)
-Continued training opportunities for teachers in the Science of Reading
-Strength of Tier I instruction
-Fluctuation in student enrollment
-Student attendance/lateness/participation
-STH needs
- Consistent delivery of MTSS interventions on all Tiers

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2024-2025 All occurrences in OORS	Housing Status Attendance Parent Involvement Fluctuation of Student Enrollment Counseling/Mental Health Needs	Lowering number of schoolwide occurrences
2024-2025 All playground occurrences in OORS	Parental Involvement/Engagement Student interactions	Lowering number of occurrences in school playground
2024-2025 All classroom occurrences in OORS	Housing Status Attendance Parent Involvement Fluctuation of Student Enrollment Counseling/Mental Health Needs	Lowering number of occurrences in classrooms

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	yes	By June, 2026, physical and mental wellness for All Students will improve, as measured by a decrease of 10 in the total number of occurrences from 94 to 84, per the Online Occurrence Reporting System (OORS).
All Students	eee	By June, 2026, physical and mental wellness for All Students will improve, as measured by a decrease of 7 in the total number of playground incidents from 23 to 16, per the Online Occurrence Reporting System (OORS).

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Continued implementation of SEL lessons
Continued building of school community through PBIS program
At-risk counseling sessions provided to students as needed
Use of lunch clubs for targeted students
Structured recess initiatives with support from outside agencies/partnerships

Root Cause Addressed:

Student communication
Regulating emotions
Trauma experienced by students in temporary housing

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Weekly school-wide gatherings to promote a supportive environment through Mindful Monday and Get-Fit-Friday. Including 'Hawks Highlights' of students exemplifying best practices as tied to school's PBIS program Each event focuses on SEL and Health best practices
Mental Health team meetings and services provided by Social Workers and CBO
Afterschool programs/opportunities for students with an emphasis on SEL, including but not limited to: Dance programs, school-wide parades, CBO Partners, Community Partnerships, Urban Advantage/CASA, Parent Workshops

Monthly school assemblies focusing on PBIS and/or Cultural Diversity/Equity, with recognition of Attendance and Student (Hawk) of the Month
Push-in SEL lessons provided by guidance counselors and social workers
Student lunch clubs focusing on well-being, guided by guidance counselors and social workers

Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Raising College and Career Awareness Through Completion of Building Block 1
Parent Workshops
Parent Coordinator/Community Coordinator outreach

Improve 5th grade students performing at or above grade level on New York State assessment
Afterschool programs related to Science instruction
Science cluster scheduled for additional lab periods with upper grade classes

Root Cause Addressed:

Fluctuation in student enrollment -Lack of hands-on experiences using appropriate resources -Student attendance/lateness/participation -STH -Language barriers -Parental education and awareness of financial literacy

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Host a Sneak Peak with an emphasis on raising College and Career Awareness by introducing new and returning families to the Kids Rise Program
Back-to-School nights/Meet-the-Teacher to include informational sessions related to NYC Kids Rise, as hosted by Parent Coordinator/CBO
Monthly Parent Workshops hosted by Parent Coordinator

Celebrate College/Career Awareness through the following events/activities: 1. College/Career Spirit Week 2. Host Career Day 3. School-wide Assembly focusing on College/Career Awareness
Host Family Engagement Week which will include at least one session focused on NYC Kids Rise as hosted by Parent Coordinator
Science Cluster Position
Science Cluster programmed to see all upper grade classes twice a week in the science lab. One period will be utilized for the Science Cluster to cover all content. The other period will be used for investigations with both the Science Cluster and the Classroom Teacher.
Dedicated planning time for Science Cluster with 4th and 5th grade teachers
Afterschool programming for Science instruction
Urban Advantage

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Action Steps
Attendance Team with Zone 126 will meet to review Chronically Absenteeism student data from 2024-25 school year to focus outreach efforts. We are working on streamlining the attendance outreach of all staff members so our outreach can be more effective
Our teachers, our Attendance Outreach team, which is comprised of school staff members, Zone 126 and our CBO Variety Boys and Girls Club will work to improve our overall attendance.

Classroom teachers will make the initial outreach. Teachers conduct outreach via Class Dojo, phone calls and emails. In addition, our Attendance Outreach team makes additional outreach and home visits. The Attendance Team reaches out to families communicating ays we can support them. In an additional effort to address Chronic Absenteeism, we will send out letters to parents and guardians of students who are chronically absent or in danger of becoming chronically absent. We revamped our lateness correction procedures to ensure a systematic way to capture students who are late.
Target outreach calls/attempts for specific students that are deemed chronically absent (or at risk) and provide information and support based on their needs. Knowlej will provide incentives for the students and parents to send their kids to school. Positive postcards to highlight student progress that will be mailed to their homes. Full time on site Social Worker to support students' mental needs/concerns. Home visits and ACS, as needed to offer extra support to families. Community Coordinator, STH Social Worker and Zone 126 will make direct contact with families and provide supports

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Strategy 1 - Regular review of IEPs by SIT Team and Special Ed. Liaison
Strategy 2 - Regular PLCs related to the Special ed process
Strategy 3 - Emphasis on MTSS supports before referral consideration

Root Cause Addressed:

High referral rate
Disciplinary measures for SWDs
IEP alignment

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Strategy 1 - SIT team reviews IEPs and answers questions related to program services and recommendations. Feedback on reviews is provided to teachers. In collaboration with the SIT team, teachers will create specific goals that are aligned to students' grade level. Teachers use IEP template to improve annual goals. IEP teacher reviews IEPs and gives teachers feedback.
Strategy 1 - Establish a system for regular monitoring and accountability with frequent check-ins and progress reports. Provide ongoing professional development for teachers and staff on IEP implementation and effective service delivery. Allocate sufficient resources, including personnel and materials, to meet IEP requirements. Adjust staffing and resources as necessary to address any identified gaps.
Strategy 2 - Conduct regular assessments and update IEPs. Provide teacher training on inclusive practices and specific disabilities. Integrate assistive technology and modify instruction to meet diverse needs. Foster strong collaboration between parents, teachers, and specialists for consistent support.
Strategy 3 - RTI services is provided for students before any Special Education recommendations. Teachers will provide small group/ individual supports prior to a student being referred. Teachers will submit referral forms with evidence of supports provided. SIT team reviews referral forms assessments, student work samples and other teacher provided documentation.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Regular review of data at:
SIT Meetings, ILT Meetings, SLT Meetings

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

09/04/2025	06/26/2026	Parent workshops, Informational sessions with IEP teacher	Parent Coordinator, IEP Teacher, Special Education Teachers, School Psychologist, Service Providers, Admin Team

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

Doubled Up - 21

Hotel/Motel - S

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Additional access to curriculum for STH students
Parental Support in communication and addressing family needs
Understanding/use of English language
Basic clothing/food needs and supplies
Additional understanding of systems in New York City

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

Afterschool programs provided by any/all of the following with an emphasis on academics and SEL supports:

We will provide homework tutoring, extra curricular activities and Arts programs.
CBO partner, Variety Boys and Girls Club, will support school initiatives
Disney Music in Schools will supplement the Arts through Theater
BEACON will provide homework tutoring, extra curricular activities and Arts programs.
Title III afterschool program will support our ELLs through development of literacy skills with an emphasis on Migrant Families
ELA/Math Academy afterschool program will support students with test prep for students in grades 3-5 in preparation for NY State exams

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

Via per session funding and/or CBO partnerships

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

Via direct supervision from Admin team to ensure alignment.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

PS 112Q

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. PS 112Q, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher

Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

PS 112Q will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned

for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 112Q, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

High Quality and Ongoing Professional Learning will take place for all staff on a weekly basis during appropriate times. Staff will engage in Professional Learning or Instructional Coordination. Additionally, staff is provided with regular opportunities to attend District PD and Borough PD as provided. When staff is sent to such PD, information is then turn-keyed and grade and/or faculty conferences.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

Curriculum is aligned throughout the school. Additionally, the inclusion of a PreK Dual Language class provides the students a greater opportunity for success upon transitioning into the Dual Language program in Kindergarten.

Professional Development is inclusive of teachers on all grade levels, including those in the Early Childhood classes.

Parent engagement opportunities are provided to all members of the community, including those with students in both 3K and PreK.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	$376,411	X	All Sections
Title II, Part A	Federal	$47, 809	X	Section 5A, 5B, 5C, 6
Title III, Part A	Federal	$26,793	X	Appendix III
Tax Levy (Fair Student Funding)	Local	$4,245,492	X	All sections

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
Variety Boys & Girls Club of Queens	Elementary, 3K-5	Well-rounded and holistic support to students and families, including Academic Support and Intervention, Chronic Absenteeism Success Mentorship, Mental Health Resources, Recreational opportunities and resource access	Chronic Absenteeism & Attendance Supports, Tools for Academic supports specifically in ELA & Math & STEM, Counseling & Wellness Services, Recreational opportunities, Food Access, Resources and Services for Parents

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

Our Community School (CS) Team will continue to be an integral part of our administration and school community.

The CS team will continue to lead our Attendance Team by facilitating meetings, coordinating outreach efforts regarding attendance and for our at risk/chronically absent students.

The CS team will continue to support our teachers'/staff development by subcontracting with various organizations for Professional Development trainings as well as purchase any materials needed for instructional growth.

The CS Social Worker collaborates with our Mental Health team to ensure students needs are met and provides at-risk counseling services. The Social Worker is able to facilitate individual sessions, group counseling sessions, referrals to local organizations, resources and supports in the neighborhood and parent workshops. The Social Worker also collaborates with various mental health agencies to provide additional services to students and families.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

Our Community School (CS) Team has become a key member in the following meetings; School Leadership Team Meetings, Parent Workshops, Safety Meetings, & Community Engagement Team Meetings/Wellness Council. They will continue to hold leadership positions on these various teams.

Our CS team will continue to bring in initiatives and maintain relationships with previous partners including; The Fiver Foundation, Operation Warm, Brighter Bites, & Kits for Kids.

The CS Team sits on the MTSS Tier 1 team, that works to reshape and spearhead our PBIS Program, including the Hawk Bucks system. The CS team in collaboration with the MTSS team will continue to build the PBIS program as well as introduce new rewards and incentives for students to use their Hawk Bucks to redeem.

The CS Team hosts parent events (Family Engagement Week, CS Forum) in which families are able to participate in family activities, workshops and receive prizes for participating. The CS team also hosts workshops for families, including newcomer families, in which we provide refreshments, school information and ask for feedback from parents. Raffle items are provided for parents that attend our parent workshops to promote family engagement.

Our CS provided incentives for chronically absent students that improved their attendance as well as students that maintained high attendance all year.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

Create schools mental health work plan & wellness committee.
Provide multiple spirit weeks throughout the year.
Provide Mental health services available to all students (at risk and mandated) through the CS Social Worker and subcontracted agencies.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

Work with an Outreach Specialist, Outreach to parents, work closely with the attendance team to monitor students current status and potential progress, assign a point person per grade for extra support and guidance.
Meet weekly (and bi-weekly with 112 Attendance team) to discuss data and outreach efforts / next steps.
Assign an attendance improvement plan to work with at risk students to severely chronically absent students. Work in collaboration with the attendance teacher to conduct home visits when necessary. Also focus on positive reinforcement for students that are at risk and positive rewards for students that maintain their high attendance numbers or improve them.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for all students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

Review title I funds / budget in order to allocate appropriate amount and determine useful resources (hygiene kits, clothing, school supplies and backpacks, etc).

Provide services to families such as workshops with access to Health Insurance, Know Your Rights, Workforce Development, as well as school supports, tech support and basic information for navigating the DOE school system.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Dov Witkes
Assistant Principal (Where Applicable)*	Patricia Cueva
English as a New Language (ENL) Teacher*	Patricia Hickman
Teacher (if school has a bilingual program must be a bilingual teacher)*	Amy Ron
Parent/Guardian*	Marcela Serpa Gomes
Teacher/ENL Teacher	Robyn Camaiani
Parent Coordinator	Tigist Mogus
School Counselor	LaTanya Martin-Avery
Related-Service Provider	Navi Kaur

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

8

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

6

Number of certified ESOL teachers not currently teaching ENL:

1

Number of teachers who hold both content area/common branch and ESOL certification:

8

Number of ESOL certified teachers with a bilingual extension:

1

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

5

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

2

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

n/a

Total number of teachers with LOTE certification providing World Language instruction:

n/a

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

n/a

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

401

Total number and percentage (%) of current ELLs:

165, 41.1%

Total number and percentage (%) of former ELLs:

24, 6%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

152, 92.1%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

13, 7.9%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

7, 4.2%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

18, 10.9%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

At PS 112, our stand-alone English as a New Language Program will be serviced by one licensed pedagogue to service students that are not placed in self-contained ENL classrooms. This pedagogue is Patricia Hickman. ELL students are serviced according to their mandated units (minutes): 2 units of study per week for Entering and Emerging students (360 minutes), and 1 unit of study per week for Transitioning and Expanding students (180 minutes). For instruction, ELLs will be grouped both in heterogeneous groups of mixed proficiency levels, as well as homogenous groups of similar ability levels.

Within the stand-alone, it will be delivered both heterogeneously and homogeneously.

Instruction will be provided using the following programs:
-ELA, HMH Into Reading
-Math, enVisions 2020
-Science, Amplify
-Social Studies, Passport
-Heggerty/Fundations, K-2
-National Geographics Program for ELLs

ELL students are serviced according to their mandated units (minutes):Entering and Emerging, 2 units of study per week (360 minutes); Transitioning & Expanding, 1 unit of study per week (180 minutes). Ms. Hickman will also service former ELLs when providing content related classes.

Integrated ENL:

At PS 112, we host integrated ENL classes within all grade levels Kindergarten through Grade 5. Licensed pedagogues holding both ESL and Common Branch licenses service students at each grade level.
Within these classrooms, students are grouped both heterogeneously and homogeneously in terms of proficiency. ELL students are serviced according to their mandated units of study: 2 units of study per week for Entering and Emerging students (360 minutes), and 1 unit of study per week for Transitioning and Expanding students (180 minutes). Former ELL services are to be provided for commanding students within their respective classrooms, or by push-in services from stand-alone ENL pedagogues for .5 units of study/90 minutes of instruction for the two years of entitlement after reaching the commanding level.

Within integrated classes students will be serviced by their classroom teachers.
-Kindergarten - Eleni Cimino, Common Branch/TESOL
-Grade 1 - Maki Haag, Common Branch/TESOL
-Grade 2 - Robyn Camaiani, Common Branch/TESOL
-Grade 3 - Hope Greco, Common Branch/TESOL
-Grade 4 - Fanny Chen, Common Branch/TESOL
-Grade 5 - Kethy Maria, Common Branch/TESOL

Instruction will be provided using the following programs:
-ELA, HMH Into Reading
-Math, enVisions 2020
-Science, Amplify
-Social Studies, Passport
-Heggerty K-2
-Fundations, K-3
-National Geographics Program for ELLs

Services for Former ELLs can be provided by giving them 90 minutes of Integrated ENL and/or instruction within tier 1, be provided via our ESL provider push in services. The ENL teacher provides the appropriate supports to the ELLs so they can access grade-level content and tasks, so as to not miss any core instruction from the classroom teacher.

b. Bilingual Education (If applicable)

Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

At PS 112, we offer integrated Dual Language Bilingual Education classes in most grade levels PreKindergarten through Grade 4, currently excluding Grade 5. Licensed pedagogues in both Bilingual Education with a Common Branch license service students in these grade levels:
PreK, Marta De Souza
Kindergarten, Amy Ron
Grade 1 by Dennis Uribe
Grade 2 by Lisa Barales
Grade 3 Susana Vasquez
Grade 4 by Nicole Cando

Within these classrooms, students are grouped both heterogeneously and homogeneously in terms of proficiency. ELL students are serviced according to their mandated units of study: 2 units of study per week for Entering and Emerging students (360 minutes), and 1 unit of study per week for Transitioning and Expanding students (180 minutes). Former ELL services are be provided for commanding students within their respective classrooms, or by push-in services from stand-alone ENL pedagogues for .5 units of study/90 minutes of instruction for the two years of entitlement after reaching the commanding level. The difference between our DLBE program, and standalone ENL program, is that students also receive instruction in Spanish as well as scaffolded support in English. The bilingual teachers provide ENL to students within their own bilingual classes.

Instruction will be provided using the following programs:
-ELA, HMH Into Reading (English)/Arriba (Spanish)
-Math, enVisions 2020 (English/Spanish)
-Science, Amplify (English/Spanish)
-Social Studies, Passport (English/Spanish)
-Estrellita (K-1 only)
-Heggerty (English/Spanish, K-2 Only)

Within Grades K-2 and Grades 3 & 4, each class will use the HMH Program, Arriba in Spanish.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

PS 112 ensures that all students receive their mandated number of instructional minutes by ensuring that all students have current NYSITELL and NYSESLAT scores. This involves significant analysis of RLAT documents, reviewing the FURBY spreadsheet, and contacting former schools of transfer students to secure missing information. Students are organized and assigned into classrooms based on ELPC surveys from parents, ensuring a choice is made between potentially entering a bilingual program, integrated ENL classroom, or to receive standalone ENL support in an ICT classroom, or a self-contained classroom. These choices are made with discretion in cases of children requiring mandated special education services in addition to their ENL services. Within all programs, students are grouped both homogeneously and heterogeneously, and receive all or more of their mandated units of study and minutes. Finally, all programming is embedded into STARS to ensure that students are assigned a licensed pedagogue and receive their mandated instructional minutes.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

Program Models:
Stand-alone ENL
At PS 112, our stand-alone English as a New Language Program will be serviced by one licensed pedagogue to service students that are not placed in self-contained ENL classrooms. This pedagogue is Patricia Hickman. ELL students are serviced according to their mandated units (minutes): 2 units of study per week for Entering and Emerging students (360 minutes), and 1 unit of study per week for Transitioning and Expanding students (180 minutes). For instruction, ELLs will be grouped both in heterogeneous groups of mixed proficiency levels, as well as homogenous groups of similar ability levels.

Within the stand-alone, it will be delivered both heterogeneously and homogeneously.

Instruction will be provided using the following programs:
-ELA, HMH Into Reading
-Math, enVisions 2020
-Science, Amplify
-Social Studies, Passport
-Heggerty/Fundations, K-2
-National Geographics Program for ELLs

ELL students are serviced according to their mandated units (minutes):Entering and Emerging, 2 units of study per week (360 minutes); Transitioning & Expanding, 1 unit of study per week (180 minutes). Ms. Hickman will also service former ELLs when providing content related classes.

Integrated ENL
At PS 112, we host integrated ENL classes within all grade levels Kindergarten through Grade 5. Licensed pedagogues holding both ESL and Common Branch licenses service students at each grade level.
Within these classrooms, students are grouped both heterogeneously and homogeneously in terms of proficiency. -Science, Amplify
-Social Studies, Passport
-Heggerty K-2
-Fundations, K-3
-National Geographics Program for ELLs

Services for Former ELLs can be provided by giving them 90 minutes of Integrated ENL and/or instruction within tier 1, be provided via our ESL provider push in services. The ENL teacher provides the appropriate supports to the ELLs so they can access grade-level content and tasks, so as to not miss any core instruction from the classroom teacher.

Dual Language Bilingual Education
At PS 112, we offer integrated Dual Language Bilingual Education classes in most grade levels PreKindergarten through Grade 4, currently excluding Grade 5. Licensed pedagogues in both Bilingual Education with a Common Branch license service students in these grade levels:
PreK, Marta De Souza
Kindergarten, Amy Ron
Grade 1 by Dennis Uribe
Grade 2 by Lisa Barales
Grade 3 Susana Vasquez
Grade 4 by Nicole Cando

Within these classrooms, students are grouped both heterogeneously and homogeneously in terms of proficiency. ELL students are serviced according to their mandated units of study: 2 units of study per week for Entering and Emerging students (360 minutes), and 1 unit of study per week for Transitioning and Expanding students (180 minutes). Former ELL services are be provided for commanding students within their respective classrooms, or by push-in services from stand-alone ENL pedagogues for .5 units of study/90 minutes of instruction for the two years of entitlement after reaching the commanding level. -Science, Amplify (English/Spanish)
-Social Studies, Passport (English/Spanish)
-Estrellita (K-1 only)
-Heggerty (English/Spanish, K-2 Only)

Within Grades K-2 and Grades 3 & 4, each class will use the HMH Program, Arriba in Spanish.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

At PS 112, our DLBE program is implemented in a mixed mode format. Within the instructional day, 50% of the day is taught in English, and 50% is taught in Spanish. Typically, English instruction takes place in the morning, and Spanish instruction in the afternoon. The subjects being taught do not correspond to a specific language. The program card of the teacher determines which subjects will be taught in which language for the day. Each curriculum has a component in both English and Spanish. The curricula used is as follows: HMH Into Reading (English) and Arriba La Lectura (Spanish), Math uses Envisons (English and Spanish), Amplify Science (English/Spanish), Social Studies, Passport (English and Spanish), Estrellia (K-1 only), Heggerty (English/Spanish), and Fundations (English only).

b. In which language(s) is each core content area taught?

English and Spanish. As mentioned, this varies based on the teacher's daily program card, and if the content area takes place in the morning (English instruction) or the afternoon (Spanish instruction).

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

At PS 112, 92.1% of ELLs are Newcomers. Effective instruction for Newcomers differs from Developing or Long-Term ELLs in that these students often enter school without foundational skills in English, nor Spanish. In reading, newcomers, whether in kindergarten or Grade 5, will receive explicit, systematic, and targeted phonemic awareness and phonics instruction to gain reading proficiency within homogenous or heterogeneous groups based on skill. In math and other content area, rigorous vocabulary scaffolds and sentence structures will be provided for newcomers in all grade levels as needed. In addition, home language use is encouraged as this bolsters second language acquisition in English.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

At PS 112, we currently serve 7 students who have been identified as SIFE, or 4.2%. These students have significant gaps in instruction and have entered Grade 3 and above and are multiple grade levels behind. Instruction is differentiated for these students in that they will receive significant small group and one to one support with foundational reading and math skills from their classroom teacher. These students are also serviced by a reading interventionist who is also ESL certified.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

At PS 112, 0.0% of our students are longterm ELLs. In the case that we did serve long-term ELLs, these students would receive differentiated instruction based on IReady and HMH. This data would be used to identify their specific gaps that stop them from progressing, and intervention by licensed pedagogues in small groups and one to one settings would take place.

Developing ELLs receive instruction from certified classroom/out-of-classroom ENL providers.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

At PS 112, 3.2% of students are former ELLs. Former ELLs receive small group instruction from a licensed ESL pedagogue for their mandated .5 unit of study, or 90 weekly minutes.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

Upon examination of the EDAT trends that were notices are: 92.1% of our ELLs are newcomers and learning English for the first time, 57.6% of our ELLs are in temporary housing, 20.6% of ELLs scored a level 1 or 2 on the Math state test, and 13.3% scored a level 1 or 2 on the reading test. Additionally, 25.5% of ELLs did not develop sufficient English Language Proficiency based on the spring 2024 NYSESLAT.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

In terms of former ELLs, trends within the At-Risk Indicators noticed are that 25% (6 students) of former ELLs received a Level 1 or 2 on the reading state test, and 8.3% (2 students) scored a level 1 or 2 on the state math test. 1 student, or 4.2% of former ELLs are in temporary housing.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

Two home languages that have the largest representation at PS 112 are Spanish (109 students), and Bengali (26 students). PS 112 has hired additional staff members that speak Spanish or Bengali and are represented as teachers, service providers, classroom paraprofessionals, and school aides. All documents and communication are translated to a family's home language either through automation on ClassDojo, or done manually through translation services. Interpreters are always available for in-person and virtual parent-teacher conferences as needed.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The racial and ethnic classification of ELLs at PS 112 include 67.3% American Indian or Alaskan Native Hispanic students, 9.7% Black and Hispanic students, 2.7% multiracial Hispanic students, 15.9% White and Hispanic Students, 65.4% Asian students, 5.8% Black and non hispanic, 28.8% non-Hispanic white students. ELLs are included in the planning and delivery of Culturally Responsive and Sustaining Education in many facets of the school's calendar year. At PS 112, educators and staff members are encouraged to recognize high expectations for all students, remember that all students come with cultural capital and knowledge, and that our differences are assets. On the daily level, students are expected to follow the acronym ABCs. The 'C' stands for celebrate diversity.

Students are rewarded according the PBIS Matrix when displaying culturally responsive behavior. Teachers invite parent as guest readers to read cultural stories. The HMH Into Reading curriculum naturally delves into culturally representative text. On the monthly level, special assemblies are coordinated by administration to celebrate our students' cultures. We have hosted the Ajna dance group, a group of South Asian dancers. In addition, for Black History Month, the Zu Zu Acrobats from Tanzania performed. All assemblies are introduced in English and Spanish for parents attending. Our school hosts Newcomer Family Workshops to discuss various topics to support the community as well.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

According to the EDAT, 32 students met sufficient ELP progress. 42 students did not make sufficient progress.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

Looking at the NYSESLAT Result Overview, 32 students scored Expanding, 21 students scored Transitioning, 31 students scored Emerging, and 32 students scored Entering. In terms of modality, Students display strength if they answer 90% of the questions correctly within each individual modality. Strengths within grade levels are Reading in 1st grade, and Speaking in 2nd through 5th grade. In terms of need, there is a general trend towards a need in Writing and Speaking across Kindergarten through Grade 5.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

Students that scored a level 3 on the ELA exam are all commanding ELLs. Students that scored a 1 are split between lower levels of ELP, including emerging, transitioning, and expanding students. In terms of the Math exam, students that scored a level 4 are also all commanding ELLs. The scores of 2 and 3 vary widely among ELP levels, but do include some entering students. Students that scored a level 1 are majority entering and emerging ELLs. Our students do not take the Regents exams.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

At PS 112, 16 of our current ELLs have IEPs. The trends reflected are that these students are mostly at the Emerging and Expanding level of proficiency. Our SIFE students scored mostly at the Entering level of proficiency. Factors potentially impacting these students are expected rates of progress based on current abilities to acquire skills and retain information. Since writing and speaking are areas of need in terms of modality, writing stamina and language production could be impacting the results for these subgroups.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:

a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Our ELLs utilize the same core instruction which is HMH Into Reading and enVisions for Mathematics. We utilize the suggested ELL strategies within the program and have embedded Geodes for our K-2 classrooms as well as some of our ELL classes, but teachers across all grade levels have access to these ELL-friendly decodable texts. Additional decodable texts and Spanish books are provided to each of our ESL/Dual Language classes that have ELLs. We provide our ELLs with a high-quality academic experience that leads to deeper learning by ensuring that visuals, technology, and/or home language is utilized to support their learning. Vocabulary instruction and development is taught based on HMH modules, and emphasized with independent tasks such as Frayer Models, and small group activities such as morphological word play. Teachers have been trained in and are following steps with close coaching collaboration to ensure they are teaching in a way that aligns with the Science of Reading. Heggerty & Fundations is being taught in K-2 classes; Spanish Heggerty is being utilized in the Dual classrooms. 3rd grade is also implementing Fundations in English this year. Our teachers also try to enrich students' learning by connecting it to their prior knowledge as well as taking students on trips with our Urban Advantage program.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

As we prepare and/or consider our core curriculum, we ensure that instructional is differentiated for the ELLs in our school building, Into Reading is a program that comes with resources in English/Spanish. We've ensured that budget from our Community School was allocated to purchase grammar books that does not come with our Core Instruction and other resources that will benefit our ELLs. This includes the Mini Tabletop Lesson from HMH that are rooted in aligned reading skills and language development. We are utilizing both Heggerty/Fundations to support our students with a stronger foundations in both phonics/phonological awareness. Estrellita was also included within our core curriculum to ensure that our Dual Language programs have the Spanish foundations to support our ELLs as needed.We design our classes with our ELLs in mind and almost each grade level has a self-contained ELL class. Each child is serviced within their own classrooms with their own classroom teacher, without having to be pulled out for servicing. Our ILT team members include but not limited to the Administrative team, ENL pedagogues to represent interests and needs ML/ELLs population, Special Education Teacher, Science Teacher, General Education Teacher and our UFT Chapter Leader.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Core content is delivered in English in our integrated ENL classrooms. When needed, we provide curriculum and resources in home languages to bolster their first language (L1). Within our Dual Language program core content is delivered in English and Spanish. The instructional approaches and methods that are used to foster language development and meet the demands of the NGLS through the following: print texts, digital texts (blogs, movies, podcasts, computer coding), visual texts (pictures, maps, diagrams, figures, infographics, sculpture), true object-based icons. Within our Core Curriculum, we utilize the following: HMH Into Reading has English Language Development lessons and Arriba la lectura is a trans-adapted Spanish curriculum. Amplify Science, Passport Social Studies, and most Math curriculums also provide bilingual resources. Heggerty also has a Spanish component that we utilize within our DL classes. Teachers promote language development in integrated and standalone ENL by utilizing echoing, sentence frames, pictures, phonics, as well as TPR. The above represent a range of perspectives for language and knowledge-building, and represent various ability, cultural, racial and ethnic groups to ensure a culturally responsive orientation to teaching. Teachers divide the day with English in the mornings and Spanish in the afternoons. Each subject taught will rotate between the languages, as the time content subjects fall on each teacher's programs card varies. This variability connects learning across the two languages.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

ELLs with IEPs are provided with grade appropriate curriculum. They will be taught in English. Teachers will utilize technology and/or small groups to provided extra support of ELLS. These may include: building background knowledge, targeting vocabulary development, increasing access to grade level texts, using home language supports, using peers as resources, and leveraging technology (AMIRA, iReady, HMH platform read-aloud, picture cards, decodable texts, etc.). Most teachers will utilize the Total Physical Response to create meaning in newly instructed vocabulary and concepts, relatable high quality visuals, sentence frames that display various sentence structures and grammatical differences between the L1 and second language (L2), and teachers also provide home language materials in Spanish for support as needed and we utilize the resources embedded within enVision, HMH, Passport and Amplify. We also implemented the National Geographic program that was offered to K-5 teachers, in addition to Geodes decodable texts. Our ENL teachers that service students with IEPs are well-versed in students' needs and goals and have articulation time with the SpEd teacher in order to address language proficiency vs. disabilities. It is important to note that trust and relationship building are crucial to providing effective, longterm retention of skills and information.

b. SIFE

We currently have multiple SIFE students in grades 3-5. These students will be provided with ENL instruction via integrated ESL teachers, and in some cases, push-in/pull-out ENL teachers to provide that extra support. They will be provided with materials in their Home Language for additional support. Families will be provided resources for skills in which these few children show gaps. Our reading interventionist will provide further small group instruction to accelerate their English Proficiency by providing extra doses of Fundations/Phonics. The student would also have access to all extracurricular programs that they are eligible to attend. We provide social emotional support by ensuring we have a social worker that speaks Spanish and works with our students. Within this group, lots of

pictures and this group's unique characteristics we provide the necessary care products such as bag packs, supplies, familiarization with academic settings via a partner. We attend to accelerating literacy instruction by ensuring they are placed in our Dual Language program and/or ENL classes as well as provide additional small group support within the classrooms. Some will also have addition push-in support. As for social emotional support, we have our Community Based Organization that has brought in outside agencies that provide addition 1:1 as well as group counseling in Spanish. We are also trying to see if we can provide an after school counseling program for families, via Health Connection. We are currently using the National Geographic Learning: Panorama as well as the National Geographic Reach Program which includes, chants/songs and repetition. Strategies will include: building background knowledge, targeting vocabulary development, increasing access to grade level texts, using home language supports, and using peers as resources. Special attention will be given to SEL, building up background knowledge/prerequisite skills, and acceleration of literacy via our Spanish Social Worker and our collaboration with Community Based Organization.

c. Newcomers

Newcomer ELLS are placed in an integrated classroom and are taught within their grade level. They are also sometimes provided with stand-alone services and grouped based on their proficiency level. The ESL certified teacher will provide instruction on the grade level with use of ELL strategies and accommodated curriculum, such as realia, translation, e-readers, and HMH Mini Tabletop Lessons. We also have newcomer ELLs within our Dual Language Program to support their home language, typically Spanish, as well as English. Newcomers have access to the same programs that we currently utilize within our school community i.e. Fundations, Amplify (English/Spanish), Passport to S.S (English/Spanish), HMH Into Ready (English/Spanish), enVision (English/Spanish) . However, we have added more home language libraries to support our newcomers. Within this group, lots of pictures and familiarization with academic settings, accelerating literacy instruction with MTSS, social emotional support support with our CBO Variety Boys and Girls Club via Healthy Connections. We are currently using the National Geographic Learning: Panorama as well as the National Geographic Reach Program which includes, chants/songs and repetition. Strategies will include: building background knowledge, targeting vocabulary development, increasing access to grade level texts, using home language supports, and using peers as resources.

d. Long Term ELLs

We currently do not have long term ELLs. However, Long Term ELLs would be placed in an integrated classroom and are taught within their grade level. They are also sometimes provided with stand-alone services. The ENL certified teacher will provide instruction on the grade level with use of ELL strategies to support such as but not limited to: realia, translation, and e-readers.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

We align both curriculum and instruction to ensure that our ELLs achieve their goals by having our stand alone ENL teacher will push into their classrooms, in order to maintain their setting as well as ensure that strategies are provided from the ENL teacher for the child to engage with the curriculum. Our stand alone teacher is flexible with their programming to push-in during different subject areas if needed when they debrief and plan with teachers. We also consider the following when planning for ELLs with IEPs: teachers seek out the support of our two speech and language professionals to provide strategies that can be utilized in the classrooms as well as at home to further support the learning of the child. Our MTSS team will also support our ELLs with RTI/Tier 2 support as needed

based on teacher referrals. Students that can function well within certain subject areas can be inter-classed as noted in IEPs, as needed.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Home language is supported through use of instructional strategies and supports to help students establish connections between this knowledge and their developing knowledge in an additional language (English). They also bring knowledge of words (and their concepts acquired) in a home language to the classrooms. We have Arabic, Bengali, and Spanish libraries that were purchased to highlight student home languages. Within Dual Language we will utilize Arriba La Lectura's components for assessment in Spanish. Running Records in Spanish will also be utilized within our Dual Language programs. Within our ENL program Spanish is assessed using the Spanish Lab-R exam do determine literacy in Spanish by students with that home language.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Within the school schedule, our Dual Language program teachers and Integrated ENL classroom teachers both have common prep planning time every week, but often have common preps throughout the week that can be used for collaboration as needed. We also have a ELL/Dual Language Coordinator that is checking in with them weekly. She also works with any of our newer ENL teachers to provide instructional support. Our standalone ENL Teachers are provided time to meet with each other during OPW as well as during Professional Learning time to meet and plan with each other. These standalone ENL teachers are also able to have conversations daily with classroom teachers to discuss needs and successes of the students on their caseload as needed.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

At P.S. 112 our annual professional learning plan ensures that all staff, including administrators, teachers, and nonpedagogical staff, incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs by creating a calendar where professional learning is embedded in each cycle. This calendar is developed by our instructional leadership team (ILT). This team is a group of administrators, coaches, general education teachers, and special education teachers. They work to identify academic and social needs within our school community, to then design our instructional focus for the school year.

Our Yoga and Mindfulness teacher who is bilingual also provides SEL to the whole school community once a week in a scheduled whole school zoom session entitled "Mindful Monday."

Professional Learning at PS 112 will take place Mondays from 2:30 pm to the end of the contractual day. During this time, grade level teams will meet with administrators, coaches, and outside trainers to engage in the following tasks/activities:

Professional Learning Plan Overview 2025-2026

We will host multiple planning sessions for the HMH Into Reading curriculum for our general education teachers as well as our Dual Language Classes with a focus on our ELLs.

Teaching Matters/Math PD will present a total of 10 sessions throughout the school calendar year that will be strategically embedded during Monday PLC sessions and will also focus on supporting ELLs.

Generation Ready Support for literacy instruction will take place with a literacy specialist for at least 20 days within the school year. The focus of this support will be to dive deeply into our current literacy practices, and augment our phonics, vocabulary, and morphology routines to best support all students, and specifically ELLs.

We also have a Dual Language/ENL Coordinator that will be providing curricular and instructional support individually to our teachers in these classes, and also provide PLC's throughout the school year.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Our professional development plan is to embed the required CTLE ELL specific hours within our annual professional training calendar and ensure that this is recorded. PS 112 will specifically ensure that each ELL and DL teachers attend them on their own as well out side of their working hours. Professional Learning time will be embedded within our PLC time as well as faculty/grade conferences in order to ensure that all staff meets the required 15% of ELL specific professional development. 50% of ELL-specific development for ENL/bilingual teachers will be addressed via the above as well as providing assigned and/or by choice where teachers attend outside professional learning via District and Central Offices.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

At PS 112, we use Acadience for our K-2 students as a screener to guide instructional planning for foundational literacy skills for our ELLs. We also use iReady diagnostic data in both reading and math for Grades K-5. The data is utilized to address intervention in the following ways: classroom teachers will group students based on need to scaffold and create interventions for small group lessons. They will also extend independent skill practice to centers, as supported by our Generation Ready coach. For students with significant needs, an intervention specialist will double dose foundational skill work as needed and with more frequency.

Within Grades 3-5, we will continue to use SPIRE as a screener as well as Tier 2 and Tier 3 intervention. This data is utilized to address intervention in the following ways: classroom teachers will strategically create small groups of students based on IReady assessment data, and information from STARS, to create skill groups, and and intervention specialist will also provide a double dose of foundational skill work as needed and with more frequency for students developing these skills in the upper grades.

All students also participate in end of unit HMH Into Reading and end of unit math assessments. Teachers use this data to reflect on student proficiency in the skill areas assessed, and work to fill gaps and extend learning where necessary with students based on their performance on these assessments.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

At PS 112, our targeted interventions for ELLs in ELA will be offered in English, unless it is noted in their IEPs that their services are mandated in their home language. We have strategically staffed teachers and paraprofessionals that speak the home languages of our school community. Specific intervention materials that we utilize are:

-In grades K-2, Heggerty and Fundations will be utilized in small groups (classroom, Tier 2) and/or as Tier 3 intervention with our intervention specialist to support early foundational skills in phonemic awareness and phonics.

-In grades 3-5, Heggerty, Fundations, and SPIRE will be utilized in small groups (classroom, Tier 2) and/or as Tier 3 intervention with our intervention specialist.

For Math, Science and Social Studies, additional support is also offered in English, unless it is noted in their IEPs to receive services in their home language. Intervention will look like increased frequency of small group work or Tier 3 support with our intervention specialist.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

At PS 112, our classroom teachers provide Tier 1 intervention in accordance to the MTSS model. We have teams outside of classroom teachers that provide Tier 2 and Tier 3 interventions as needed.
MTSS teams gather to make data-based decisions to provide instruction and intervention in increasing intensity, or tiers, based on student needs, which may change over time. Effective instructional strategies are utilized across all tiers. In Tier 1, teachers provide strong core instruction & curriculum for all.

For Tier 2 intervention, in all Grades K-5, we have implemented an MTSS team of 4 licensed pedagogues to support literacy skills for students, including ELLs and SIFE students, that are approaching proficiency to grade level standards. These teachers collaborate with classroom teachers to select students that are close to grade level according to Acadience and IReady data. The MTSS teachers provide their tier 2 intervention support during the literacy block of their assigned classrooms, and work on foundational skills, fluency, comprehension, morphology and vocabulary skills as needed with their selected students. As new data emerged, the MTSS team meets with administration for a data review and to cycle proficient students out, and students with needs more as the program achieves its goals. These teachers progress monitor with acadience and comprehension skill checklists provided by our Generation Ready coach.

Tier 3 intervention involves individualized intensive support or intervention. Our MTSS team takes recommendations from teachers based on a Social Emotional Screener given by classroom teachers or staff members that work with a particular student. Our CBO Social Worker, Ms. Saliba and her team then reach out to parents after initial observations to make recommendations. The MTSS team meet to discuss progress and/or additional supports as needed utilizing the MTSS model.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

At PS 112, we use the following formative assessments:
-Acadience K-2 -Fundations
-Exit Slips
-Exit tickets through use of clickers
-End of Unit/Module assessments
-Quizzes
-iReady (ELA, Grades K-5)
-iReady (Math, K-5)
We will also be utilizing Acadience, iReady for ELA and Math to formatively assess our students to drive instruction and groupings for Tier 2 and/or Tier 3 support as needed.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

At PS 112, home language is assessed using running records in Spanish for Spanish speakers. We also use Estrellita unit tests for our K-1 programs, which evaluates Spanish phonemic awareness and phonics. HMH Into Reading also allows for students to take end of unit assessments in Spanish, as well as in EnVisions end of unit math tests. IReady diagnostics for both reading and math can be given in math. Classroom teachers accommodate their ELLs by enabling these languages for students that need it for these vital assessments.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

At PS 112, we use the following summative assessments:

-NYS ELA/MATH
-NYSESLAT

We use the NYSESLAT data to look at different modalities through the FURBY spreadsheet to provide more details for classroom teachers and standalone ENL instructors to strategically target skills with areas of need. The EDAT that is provided in April is to further strengthen grouping of students and looking at other factors that might show weaknesses in particular subgroups. ENL providers create small groups and provide RTI/AIS as needed to support our ELLs utilizing that data as well as provide support needed in our After School and Saturday school programs, specifically tailored to the needs of ELLs.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

At PS 112, licensed pedagogues administer the NYSESLAT according to standard testing procedures. This in primarily TESOL licensed Integrated ENL teachers. Professional development about NYSESLAT regulations and testing procedures are presented yearly by our standalone ENL Teachers and assistant principal. Each Integrated ENL classroom teacher will test their own class, or hold students that are not taking the test and an additional licensed pedagogue will administer the test. They will be grouped either by grade band and/or individual grades. We will also have extra proctors in the room with those same teachers. Extra staff or substitutes will be hired to support the implementation of the NYSESLAT as needed. All ELLs and former ELLs continue to receive mandated services during the testing period by their ENL service provider, and after all testing is finalized.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

At PS 112, we ensure that current and former ELLs receive necessary accommodations for state assessments by ensuring they are identified properly, especially if they also have IEP testing accommodations. There is a testing plan that is created ahead of time wherein any ELLs and students with disabilities (SWDs) identified are given their legally mandated accommodations in assessments for which they are relevant, such as alternate location, small

groupings, reading directions aloud, scribes, and more. In regards to state assessments, students can receive home language glossaries for the ELA exam in grades 3-5. Students receive math tests in their home language as necessary.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

he ELL Program Orientation is provided early in September to all our families that are eligible. The program is presented verbally in Spanish and English, as well as with a Spanish and English slide deck. When we plan for the orientation, we ensure each parent views the mandated video in their own language and provide all forms in both English and their home language. We ensure that parents are aware of their options for language instruction through the ELPC form (ELL Parent Choice survey), and through verbal explanation of each program during the September orientation. If needed, we have a staff member accompany a parent and translate via translation services or a capable multilingual staff member. This year, we have been trained in Microsoft's free, on the spot AI translation services. This application is intuitive to use for all family members, and only requires a smartphone or a device temporarily given by the school. The technology allows for immediate interaction and translation as conversations are had aloud. The translation appears on the smart device being used for both the presenter and the potential multilingual parent. Attendance sheets from these orientations are kept in the school building. If parents are unable to attend, we send home a copy of the survey, with links to the video. Then, parents are called after the documents are sent so they are aware of their options and able to ask any questions they might have. Some orientations are provided one on one in June with parents as we start to assess our incoming Kindergarten students.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note:

this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

For the 2025-2026 school year, Annual Individual Parent Meetings will be held by all ENL teachers of record with the parents of the students on their caseload. All ENL providers will utilize their parent engagement time and/or OPW time to have these one on one conversations as the year goes on to discuss NYSITELL/NYSESLAT scores, concerns, progress, and address any concerns parents may have. We have a spreadsheet that teachers fill out to capture their meetings, as well as teachers retaining their signed attendance forms and meeting agendas.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

At PS 112, our weekly calendars and memos are sent out in both English and Spanish, encompassing the two largest represented languages in our school. Our school also utilizes the ClassDojo app for reminders and daily communication. ClassDojo has an auto-translate function, so that parents can initiate conversation in any language of their choosing, as well as translate back messages sent from school staff to their preferred language. We have strategically hired staff members that speak Spanish, Bengali, Arabic, and Russian to translate in person as needed. We also serve Portuguese speaking students, and thus we are able to utilize the Translation Hotline for assistance with communication.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

At PS 112, we hold monthly Newcomer Workshops. Food and beverages are provided as well as child care for the 2 hour meeting. We invite vendors that are of interest to the parents/community. We sent out surveys to collect topics of interests from our families. Based on feedback, we have also been providing Adult English classes for free to at least 20 to 25 community members.

For the 2024-2025 school year, with our CBO we offered it from 8:30-9:50 am from Tuesday to Wednesdays from October to December. Due to parent feedback, we offered it three times a week in January from Monday to Wednesdays, this cycle ended on April 9.

Due to more parental feedback we again, offered it in again on May 19 to June 18, Monday to Wednesdays.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

We send notices home and ensure that within these meetings that there is a Spanish speaker to translate, or we will implement use of AI translation accommodations for parents who speak other languages.

Our PTA also provides fliers for the school to send via weekly emails for the school community.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Culturally and linguistically we have partnered with multiple organizations throughout the school year. First and foremost, we have our Community Based Organization with Variety Boys and Girls Club.

They've connected us with the following:
-Child Mind Institute
-Health Connections
-Practical Tutor
-Musical IQ
-Children's Theatre
-S'Cool Sounds
-Studio in a School
-Brain Power
-STEM
-Brighter Bites (Fresh fruits/vegetable distribution)

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Members of the identification team is as follows:

-Pupil Accounting, Rosalyn Fernandez
-Parent Coordinator, Tigist Mogus
-ENL Teacher, Patricia Hickman
-DL/ELL Coordinator, Patricia Cueva
-Assistant Principal, Judy Chen

As Ms. Fernandez, begins registration process with both Ms. Mogus as a counterpart. Either or both of them then advise Ms. Hickman, Ms. Cueva, and/or Ms. Chen, or licensed pedagogues of any students that require the HLIS form. The above reviews the HLIS survey with the parent and ensure that it is completed. They then fill out the part that is for school use only and interviews the child.

At the beginning of the year, an orientation is held within the first 10 days for all ELLs and parents are asked to fill out the survey as they finish the video orientation.

As the year progresses, students will be tested within the 10 days. Then a notification letter is sent home with their NYSITELL Score and eligibility.
Then parents are asked to view the video within the 15 day period and fill out their program survey either one on one and/or in a group. They then also receive their child's program placement letter.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Our ELL identification process follows these steps: Ms. Fernandez begins registration process with both Ms. Mogus, and either Ms. Hickman, or Ms. Cueva will support depending on availability. While Ms. Mogus and Ms. Fernandez register students, the ENL teachers or Ms. Cueva will conduct the home language survey (HLIS) in the family's home language if it is Spanish, or they will use translation services to conduct the survey in other languages. The ENL teachers or Ms. Cueva will complete the school portion of the survey and then interview the new student using the student language questionnaire. They will then determine the child's home language and include the code on the form for ATS. Ms. Chen oversees the enrollment and assessment process, and provides insight on students' language abilities. At the beginning of the year, an orientation is held within the first 10 days for all ELLs and their caregivers in which they are asked to fill out the ELPC survey as they finish the video orientation. As the year progresses, students will be tested using the NYSITELL and Spanish Lab-R where necessary within the first 10 days of a student's enrollment. Then, a notification letter is sent home with their NYSITELL Score, regarding their eligibility for English language support, and the process detailing yearly NYSESLAT testing. Student programming is entered into STARS with their mandated units of study (minutes) and students are assessed on all NYSESLAT modalities in the spring. When NYSESLAT scores are received, students will receive individual Entitlement or Non-Entitlement letters to continue or move them to former ELL status based on their scores on both NYSESLAT (K-5), and a combination of the State ELA exam score (for Grades 3-5 only).
If students enter mid-year, the same process is followed but on an individual basis with their student and the family. Parents are always made aware of the programs offered by PS 112 to ensure parents receive the support they are looking for for their child. Ms. Chen and Ms. Fernandez communicate any new arrivals to the ENL team by way of spreadsheet tracking and e-mail notification.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Judy	Chen	Assistant Principal 10 Month	12/5/2024; 2/13/2025	
Tigist	Mogus	Parent Coordinator - Annual	02/26/2025	

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),New York City Schools Account (NYCSA) Student Profile

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Parent Flyers	Translation services/in-house/Microsoft & Google translations
IEPs	Translation services/in-house/Microsoft & Google translations
Events	Translation services/in-house/Microsoft & Google translations
Programs (afterschool/Before School)	Translation services/in-house/Microsoft & Google translations
Parent Teacher Conference Notices	Translation services/in-house/Microsoft & Google translations/Class Dojo
Permission Slips	Translation services/in-house/Microsoft & Google translations/Class Dojo
Weekly Parent Updates Email	In-house/Microsoft & Google translations

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent Workshops	Paraprofessional and school aid per-session/ Assistive translation devices/Phone translation services
Parent Teacher Conferences	Paraprofessional and school aid per-session/ Assistive translation devices/Phone translation services
ELL Program Orientation	On-site translations/Translated documents/ Assistive translation devices/Phone translation services
Annual ELL Individual Meetings	On-site translations/Translated documents/ Assistive translation devices/Phone translation services

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

All emergency protocols are shared with families through a weekly parent update email, provided in both English and Spanish. The NYC Public Schools phone translation hotline is also used as needed to communicate important information during emergency situations. Parents can contact the school by phone, email, or through Class Dojo to share or receive information.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

The principal will send email reminders to staff about completing the NYSCPS Language Access Training and will distribute all related documents. All language access materials will also be available to staff in the PS112Q Shared Resource Folder on Google Drive.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

To inform parents about language assistance services at PS112Q, translated signage from NYC Public Schools is posted at Exit 1 of the school building. Flyers included in the Language Access Kit are also available year-round in multiple languages at the main office, and the Parents' Guide to Language Access is sent home with parents.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

The Parent Coordinator, Tigist Mogus, sends surveys semiannually to our Community School Organization, Variety Boys and Girls Club, to gather feedback.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

To ensure timely language translation services, PS112Q schedules translators in advance for meetings that require interpretation, with a preference for providing in-person translation whenever possible.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

We will include an after school program with two hours of instruction. This will only be for entering/emergent students. This will be an intensive phonics program to support our lowest-third within our ELL population.

Depending on number of students and teachers, we will have at least 10-15 students per teacher. We will most like have at least 11 groups of students, with a total of 150 students invited to this program.

This program will be at a cost to Title 3, however, not all costs will be paid by the Title 3, it will be supplemented with additional funds from other budget lines.

The program will be supervised by one and/or both Assistant Principals at no cost to Title 3. The regular workday for Supervisors ends at 3:05pm. Supervisors will work per session hours from 3:05-4:45 pm.

Most of the ELLS will be invited and at least 5 ENL teachers will be invited to work in this program which will run from 2:30-4:30 pm. It will be at a cost to the Title 3 and be funded by other budget lines as needed.

We will have no more than 15 students in each group, and they will be grouped according to their NYSESLAT, Acadience and i-Ready levels. This program will include foundational skills, phonics, NYSESLAT practice, and Mathematics for grades K to 5 to support our ELLs.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

According to our most recent data from the RLAT, there is a subgroup of ENL students, across the grades, who consistently perform at the Entering, Emerging, and/or Transitioning levels in the writing and listening modalities. The greatest growth in progress is evident among our K-2 students, proficiency levels -2 Entering, 3 Emerging, and 10 Transitioning, 24 Expanding and 4 Commanding. Within Grades 3-4, 1 Entering, 1 Emerging, 4 Transitioning, 13, Expanding, 3- Commanding. in grade 5, 2 Entering, 3 Emerging, 1Transitioning, 1 Expanding, 1 Commanding. As a result, we will continue to target ELL students in Entering, Emerging, and Transitioning as well as Expanding levels of grades K-5.

Due to the numbers of newcomers and/or migrants, we will have dedicate two classes to work with our newcomers

in a Saturday Academy program. We will then have the at least three classes for all current ELLs.

Teachers are also provided with NYSESLAT data to analyze strengths and weaknesses within the four modalities: Speaking, Listening, Reading and Writing.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

We will invite all our ELLs to the Afterschool Academy, which will be an average of 10 students per grade level. This program will be taught in English with our licensed ENL Teachers and our Bilingual Teachers. We will have have one teacher for each grade band: K, 1, 2, 3-4 and 5, which will be a total of five teachers.

We will also create two classes for our newcomers: K-2 and 3-5 grade bands.

We will be targeting all subgroups: newcomers; entering/emerging, transitioning/expanding groups together to better serve our ELLs.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

We will begin 12/2/2025 and end on 5/14/2026. It will be from 2:30-4:30. Which will be a total of approximately 60 sessions which will also include an administrator. The program will run Tuesday, Wednesday, and Thursday afternoons. The administrator will provide instructional guidance and provide additional training for materials to be used within the program, as well as pacing.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

Language of instruction will be in English. Home language will be supported by integrating the home language into instruction, utilizing translanguaging practices to bridge home language and English, providing opportunities for students to speak, read, and interact with their peers in their home language.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

We will have five certified ENL Teachers and/or our Bilingual Teachers if needed to support this program.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

We will be utilizing the Wiley Blevins From Phonics to Reading program for Reading and Measuring Up Math and Next Generation NY Math for the Math portion of the program. Teachers will monitor progress utilizing assessments built into the programs. These materials will be exclusively used within this program.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Notices to parents will be sent utilizing their preferred language according to their Home Language Survey.

ALL ELLS will be offered the opportunity to attend.

Records of attendance and materials will be kept with the Ms. Vega and collected at the end of the program and stored in the school electronically via excel spread sheet for record keeping purposes.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Our rationale for continued professional learning is to support collaboration between teachers, addressing implementation of our schoolwide programs, and using data to make data-based decisions.

Professional Development for all Title III Program teachers will take place during our PLC cycles, and during our Data Prep meetings. We will conduct some targeted professional development during school-wide Professional development during our all staff meeting and/or Grade Meetings which will be twice a month. Professional development will be provided by the grade leaders, assistant principals and off-site (D30 and city-wide).
The opportunity for greater collaboration, planning and a re-articulation of shared goals for teachers and students is to learn best practices and most up to date resources, i.e. technology.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Our rationale for continued professional learning is to support collaboration between teachers, addressing implementation of our schoolwide programs, and using data to make data-based decisions.

Professional Development for all Title III Program teachers will take place during our PLC cycles, and during our Data Prep meetings. We will conduct some targeted professional development during school-wide Professional development during our all staff meeting and/or Grade Meetings which will be twice a month. Professional

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Title 3 ELL professional development will be done across the year with our coach, Ariel Ortiz from Teaching Matters beginning September 2025 to the End in May 2026. Within this coaching, there will be a minimum of 2 hours each session, with at least one session per month.

For ELA our ENL/Dual Language Coordinator will meet once a month with K-5 teachers from September 2025 to June 2026. Our Generation Ready Coach will also work with our ENL teachers/Dual Language Teachers from September 2025 to June 2026, with at least 2 hours each session minimum once a month. Our ENL Coordinator who also serves as the District MLL Lead will also facilitate professional development for our teachers.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

NYSESLAT refresher
Using FURBY data
Annual ELL parent Meeting
Using Acadience data to address the needs of our ELL students
Scaffolding instruction for our ELL students in HMH reading
Scaffolding instruction for our ELL students in Envisions Math
NYSESLAT Testing Protocols

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

HMH, Into Reading (Houghton Mifflin)
Saavas, enVision Math (Pearson)
District 30 Professional Development series
Teaching Matters coach
Generation Ready coach

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

We will maintain attendance and agendas via sign-in sheets and be placed in a binder of professional development.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Total number of teachers in this program:

9

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

The program will take place on Tuesdays, Wednesday and Thursdays afterschool from 2:30-4:00 pm. This will run from Tuesday, January 6 - Thursday, May 15. It will be a total of 50 sessions, 90 minute each session.

We will also provide a Saturday School Academy for our ENLs for Grades 3 to 5 from 8:30-11:30 am, both of these will include groups with no more than 15 students.

For the after school we will invite only all our ENLs that scored: well below and below benchmark based on their Acadience/NYSESLAT Levels. Students will be placed based on their BOY Acadience data as well as teacher input.

Students will focus on phonics and one day of NYSESLAT practice. For the Saturday academy students will have a

chance to rotate each week with the following subjects: ELA, MATH, SCIENCE & NYSESLAT.

For the Saturday Academy students will engage with more phonetics instruction, vocabulary and the use of iReady as well. Students will be grouped homogeneously by their NYSESLAT levels/NYS ELA & MATH. Instruction will be provided by an ESL licensed pedagogue, Bilingual Certified teachers, Common Branch and/or Reading Specialists.

A RPOB will be run on ATS to identify immigrant students and be crossed referenced with their Acadience/RLAT data to support the students

A School Building Leader will supervise the program for the After school & Saturday Academy. Attendance will be taken daily and parents will be called if students miss sessions. Two school aides will be hired to work for each program which will be at no cost to the program.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

The rationale for the program is to provide small group instruction to our ELLs to increase their instructional time and provide extra support in the areas they need support. As most of our ELLs will need to take the NYSESLAT and Screeners.

We utilized the BOY Acadience, NYSITELL and RLAT data from ATS to support the rationale including but not limited to the FURBY. As most of our ELLs did not do well within their writing, we will focus more on writing short responses

The program will take place Afterschool and Saturdays. Within both the Afterschool and Saturday Academy we will have groups with no more than 15 students. Students will engage with more phonetics instruction, vocabulary and the use of iReady. Students will be grouped homogeneously by their NYSESLAT levels, pending funding. Instruction will be provided by an ESL licensed pedagogue and/or our Bilingual Certified teachers.

A School Building Leader will supervise the program. Attendance will be taken daily and parents will be called if students miss sessions

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and

- If ELLs are also included in these programs, (e.g., Newcomer).

For the Title 3 Immigrant Program we will have approximately 150 students (Newcomers, entering and emerging). Within the Saturday Academy we will invite the remainder of our ENLs for Grades 3-5, which is approximately 90 more students for ALL levels. A RPOB will be run on ATS to identify immigrant students.

Kindergarten, 50 students
Grade 1 50 students
Grade 2 - 50 students
Grade 3 - 30
Grade 4 - 30
Grade 4 - 30 students

ENLs will be included and they will be for the all ENLs in grades 3-5.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
