Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages

- Part C: Parent Communications and Engagement
- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

The Christa McAuliffe School

District Borough Number (DBN):

30Q149

Grades Served:

3K-5

School Address:

9311 34th Ave. Jackson Heights, NY 11372

Phone Number:

(718) 898-3630

Fax:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Onalis Hernandez	*Principal	
Omar Dominguez	*United Federation of Teachers (UFT) Chapter Leader	
Yolanda Sanchez	*Parent-Teacher Association (PTA) President	
Megan Allie	Teacher-UFT (Chairperson)	
Carmen Alarcon	Teacher-UFT (Recording Secretary)	
Karen Verdugo	Teacher-UFT (Financial Liaison)	
Anna Dioguardi Moyano	Parent-PTA (Timekeeper)	
Frances Cabrera	Parent-PTA	
Keisha Bari	Parent-PTA	
Fatouma Diallo	CBO Representative- City Year Community School Director	
Michael Cartagena	CBO Representative-Queens Community House	
Michelle Gonzalez	Title I Parent Advisory Council Chairperson	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

We believe,
That when all students feel safe, welcomed, valued and accepted, they can meet higher standards of excellence.
That our school community will design programs that address the children's varied linguistic and cultural backgrounds and their social emotional needs.
That our school will instill a sense of belonging and mutual respect amongst our students.
That our team will help foster a positive self-image and feelings of empowerment and competence for all our students and that we will develop students who are capable communicators with competent problem-solving and leadership skills.
Together by building a stronger bridge between the home and school, parents will become partners in fostering a love of learning and emotional well-being.
By developing self-confident children with a positive self-image, who feels safe and included, we will achieve our ultimate goal of motivating all our children to aspire to their highest educational accomplishments.

This is our mission.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P.S. 149 Q in Jackson Heights serves as a vital institution for all members of the school community. Among our areas of celebration and promising practices, we are proud to provide program choice for all English Language Learners (ELLs). Dual Language classes are offered across grades K-5, and our expanded English as a New Language push-in program provides targeted support to our 45% ELL population. These programs have contributed to measurable literacy gains, as reflected in end-of-year reading benchmarks and i-Ready growth data, showing improved reading comprehension and language acquisition for our English learners.

Our highly qualified and dedicated faculty is committed to the academic success of all learners. Integrated Co-Teaching (ICT) services are offered in grades K-5 to meet the needs of our 18% Students with Disabilities (SWDs). Teachers work collaboratively to provide ongoing interventions and data-driven monitoring, ensuring that students receive differentiated instruction tailored to their learning goals. As a result, students in ICT and mainstreamed settings demonstrate measurable progress in both academic and social-emotional domains, including improved mastery of grade-level standards in literacy and math.

P.S. 149 also incorporates Social Emotional Learning (SEL) and Culturally Responsive-Sustaining Education (CRSE) into our daily schedule. Dedicated SEL time aligned with Stanford Harmony and RULER programs and CRSE integration across academic units and Book of the Month activities has fostered a more inclusive and supportive

learning environment. These initiatives have led to a notable decrease in behavioral incidents and increased student engagement, as documented in referral tracking and classroom participation data.

Teaching and learning is further supported by expansive integration of technology. Classrooms are equipped with SMART Boards and document cameras to facilitate modeling of instruction and student presentations. Students also have access to a computer lab, laptop carts, and a fully automated library, which have contributed to increased student engagement and enhanced research and digital literacy skills.

P.S. 149 celebrates the rich and diverse heritages of our student body (Asian 7%, Black 1%, Hispanic/Latinx 87%, White 3%) and builds their academic knowledge within a collaborative and challenging environment. Recognized as a "Respect for All" school, we prioritize preparing students to be respectful and responsible citizens. Through consistent implementation of SEL and CRSE programs, our school maintains a safe and inclusive environment, where students demonstrate growth in both personal and academic development.

The school hosts numerous celebrations and opportunities to showcase student learning. Each grade holds at least two parent engagement events per year, celebrates student work through writing celebrations and monthly assemblies, and completes a Civics for All project shared with the school community. These opportunities not only highlight student achievement but also reinforce measurable learning outcomes, such as growth in writing proficiency, research skills, and civic understanding.

Through these coordinated programs and supports, P.S. 149 demonstrates measurable improvements in literacy for ELLs, academic achievement for SWDs, student engagement, and positive school climate, reflecting our ongoing commitment to equity, excellence, and the personal and academic growth of every student.

Briefly summarize the key initiatives your school will implement this school year.

This school year some of the key initiatives are as follows:

* Analyzing norms and alignment of Dual Language in grades K-5 with HMH Into Reading & Arriba La Lectura.
→Completion of alignment by November; 90% of lessons aligned to standards by February;

* Enhance school-wide progress monitoring systems
→100% of students assessed monthly; data review meetings held at least quarterly

* Increasing students academic discourse and questioning skills
→Observation rubrics documenting growth in student discourse

* Solidify our knowledge of NGLS to purposefully plan English Language Arts Modules

* Continue working on strengthening data driven instructional practices to ensure that content is accessible for all children.
→Data meetings held monthly

* Unpack Amplify units with the goal of developing the success criteria of each unit and aligning learning targets and formative assessments for the unit.

* Support parent learning via workshops and activities that help them understand the Instructional Shifts as well as giving strategies to support their child at home.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	HMH Into Reading	None
Math	K-5	EnVision	None
ELA - Phonics	K-3	Fundations	None
ELA - Phonemic Awareness	K-2	Heggerty	None
Estrellita (DUAL SPANISH)	K-1	Print	None
ELA Dual	K-5	Arriba La Lectura	None

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
66% of students scored below grade level in reading comprehension (mClass MAZE EOY 2025)	Students are not practicing reading independently and fluently quickly	embed independent reading into literacy block
47% of students scored below grade level in reading fluency (mClass Reading Fluency ORF EOY 2025)	Students don't understand the purpose of the reading which is how many words can be read and not how well you are reading	Increase fluency practice
57% of students scored below grade level in phonemic awareness	Heggerty skills aren't being applied during the mClass assessment	Timed Heggerty chopping drills and professional

(mClass PSF EOY 2025)		developement for teachers to administer
32% of SWD scored on or above grade level on mClass EOY 2025	lack of alignment to Standards in ICT classes and lack of variation in co-teaching models	Revisit ICT models and alignment of IEP Goals and Standards

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	45%	By June, 2026, literacy for All Students will improve, as measured by a 5% Increase, from 45% to 50%, of percentage of students scoring at Levels 3 & 4 on the New York State ELA.
English Language Learners (ELL)	13%	By June, 2026, literacy for English Language Learners (ELL) will improve, as measured by a 17% Increase, from 13% to 30%, of percentage of students scoring at Levels 3 & 4 on the NYS ELA exam results.
Students with Disabilities (SWD)	22%	By June, 2026, literacy for Students with Disabilities (SWD) will improve, as measured by a 18% Increase, from 22% to 40%, of percentage of students scoring at Levels 3 & 4 on the NYS ELA exam results.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

- Targeted Professional Development - Science of Reading

- Engage students in independent reading w/ schoolwide initiatives

- Enhance Reading Comprehension through Structured Practice

- Foster Student Discourse for Deeper Comprehension

Root Cause Addressed:

Students are not practicing reading independently and fluently quickly.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Engage Families and Community in Supporting Independent Reading
Implement Consistent Monitoring and Support Systems
Revisit the literacy block to ensure that there is time for independent reading with the intent to build background knowledge

Practice reading comprehension by using CLOZE drills
Increase student discourse by using the questions at the end of Rigby and/ or using partner talk routines to monitor for comprehension

Key Strategy 2 (Optional):

- Centers to include timed practice with partners to practice reading aloud for one minute
- Structured fluency practices aligned to the Science of Reading
- Use of decodable Texts
- Administer progress monitoring through mClass
- Use formative tools and protocols (e.g., reading logs, student reflections, comprehension check-ins) to monitor student engagement and comprehension during independent reading.

Root Cause Addressed:

Students need more fluency practice.
Students don't understand the purpose of the reading which is how many words can be read and not how well you are reading

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Teachers will use Science of Reading aligned strategies such as repeated reading, echo reading, choral reading and partner reading
Use of decodable and grade level texts to build automaticity, specifically aligned to Fundations and the use of Start Right Readers
Use mClass progress monitoring every 3-4 weeks to provide data informed instruction

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will use mClass Dibels 8 to progress monitor for the CEP. The data from the screeners that are administered for BOY, MOY and EOY will be used to enter information into the PRT.

Addition implementation monitoring:
Instructional Walkthroughs and Classroom Observations - School leaders and instructional coaches will develop a fluency focused "look-for" tool that is grounded in the Science of Reading and will conduct informal classroom walkthroughs. Specific data/ evidence from the walkthrough checklist and the observation notes will be the used to determine impact on student learning.

Progress Monitoring in mClass:
Teachers will administer mClass oral reading fluency assessments to students who score below grade level every 3-4 weeks. The data will be used to adjust small group instruction and intervention. Specific data/ evidence from mClass will be used during MTSS meetings and 1:1 data chats with the teachers.

Professional Development:
Teachers will receive ongoing PD on fluency instruction aligned to the Science of Reading. The specific data/ evidence of this PD will be reflection forms and evidence from data.

Monitoring data from mClass DIBELS 8, instructional walkthroughs, progress monitoring, and professional development reflections will be systematically reviewed by leadership teams, instructional coaches, and teacher teams on a regular basis. This will include:

Data Review Meetings: Leadership and instructional coaches will convene monthly to analyze trends in student performance data, walkthrough observations, and teacher feedback.

Collaborative PLC Data Chats: Teacher teams will engage in weekly PLC meetings to review student progress data, share instructional successes and challenges, and collaboratively adjust small group instruction and interventions based on real-time evidence.

MTSS Team Meetings: Student progress data for targeted interventions will be reviewed at MTSS meetings, allowing the team to refine intervention plans, reallocate resources, and adjust supports as needed.

PD Feedback Integration: Data from teacher reflection forms and walkthrough evidence will inform ongoing professional development topics and coaching focus, ensuring PD is responsive to classroom needs.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	01/30/2026	Parent workshop on understanding mClass data	City Year
02/02/2026	06/27/2026	Parent Workshop on Supporting comprehension at home	City Year

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Teachers, Instructional Coaches, Administration

Instructional Resources

Training on decodable texts, team to develop "look-fors" for fluency instructional walk

Schedule Adjustments

Common Planning and PD time

Other Resources Needed

N/A

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
40% of incidents are entered as A24 - Minor altercations (Data Source - 2024-2025 Incident Level and Infraction Summary)	Students need explicit instruction in self-regulation and conflict resolution sklils	Staff needs training on de-escalation in the classroom and there is inconsistent behavior expectations across grades or teachers
33% of incidents occur in the school playground/ athletic field (Data Source - 2024-2025 Incident Level and Infraction Summary with Locations)	Unstructured recess with unclear behavior expectations	Students need a choice of structured activities for both indoor and outdoor recess time.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	40%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 5% Decrease, in number of Level 3 Incidents - specifically A24 from 40% to 35%, per the OORS.
All Students	33%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 20% Decrease, in Number of incidents from 33% to 13, per the OORS.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

- Continue implementation of our TIER 1 SEL curriculum - RULER as part of morning routines and work
- Reinforce SEL during transition times
- Create a schoolwide Behavior Expectations system
- Provide ongoing staff professional development

Root Cause Addressed:

Reduce the Number of Level 3 incidents (A24)

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Revisit professional development and implementation with RULER and how and why it is effective use in the classroom
Co-create schoolwide behavior expectations with staff and students. Hang the expectations in classrooms, hallways and commonly used areas
Guidance counselors and school social workers will continue to train staff in de-escalation and restorative practices

Key Strategy 2 (Optional):

- Teach explicit playground behavior expectations
- Structure recess with organized play zones
- train staff in de-esclaltion

Root Cause Addressed:

Reduce the number of incidents in the school playground and athletic field

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Train students to be peer leaders or recces ambassadors and help resolve peer conflicts
Designate different areas of the year for specific games or activities. Provide a rotating schedule for students
Provide professional development for school aides in de-escalation

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will check OORS reports at each SIT meeting in order to ensure that we are on track. if needed, we can adjust in real time

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	01/30/2026	Guidance and social workers will teach parents how to support their children with emotional regulation and calming strategies at home	City year
02/02/2026	06/26/2026	Workshop on how to support students in solving problems (stop, think, ,talk OR walking away, Or using their voice	City Year

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

teachers, Guidance Counselors, Social Workers, Admin, School Aides

Instructional Resources

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
58% of all students on iReady EOY diagnostic are one or more grade levels below in Geometry	Students need targeted, consistent instruction and intervention in Geometry to improve conceptual understanding and close foundational skill gaps, as over half are performing below grade level expectations.	There is a lack of systematic, scaffolded instruction in Geometry concepts across grade levels, including limited use of data to inform reteaching and insufficient opportunities for students to engage in conceptual and visual math learning experiences aligned to Geometry standards.
53% of all	There is inconsistent implementation	Strengthen Tier 1 instruction by ensuring all

students on iReady EOY diagnostic are one or more grade level below in overall placement	of data-driven instruction and intervention systems, resulting in missed opportunities to identify and address individual learning gaps.	classrooms deliver standards-aligned, culturally responsive instruction with embedded differentiation and small-group supports.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	56%	PS 149Qwill address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scoring at Levels 3&4 will Increase by 10% from 56% to 66%, for All Students, as measured by NYS Math Exam Results .
English Language Learners (ELL)	33%	PS 149Q will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scoring at Levels 3 & 4 will Increase by 15% from 33% to 48%, for English Language Learners (ELL), as measured by NYS Math Exam Results

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Integrate Geometry Concepts Across Math Domains throughout the year by explicitly connecting geometric reasoning to measurement, operations, and data (e.g., using area models in multiplication to deepen understanding of geometric area).

Embed Geometry into Daily Math Instructional Routines such as Which One Doesn't Belong? and Same and Different to promote conceptual understanding, reasoning, and discourse.

Emphasize Mathematical Language and Academic Vocabulary across all math domains to strengthen students' ability to explain reasoning and make conceptual connections.

Root Cause Addressed:

Geometry Topics are completed at the end of the year

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Purposeful decisions have been made to incorporate Geometry topics and real-world application throughout the school year. Students will participate in project-based learning that incorporate geometry concepts.
Explicitly teach geometric vocabulary, provide students with word walls and vocabulary charts where they can access this information all year. Embed opportunities for students to use precise mathematical language in discussions and written explanations.

Implement routines such as Which One Doesn't Belong? and Same and Different to encourage reasoning, discussion, and peer collaboration on geometry tasks

Key Strategy 2 (Optional):

- Increase amount of math talk and accountable talk
- Open-ended & high order tasks
- Visuals & Manipulatives

Root Cause Addressed:

Improve students engagement when teaching math concepts

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Grade-level teams will plan and implement open-ended tasks in each unit that promote reasoning, problem-solving, and conceptual understanding.
Grade-level teams will identify and consistently implement math talk routines that promote reasoning, justification, and collaborative problem-solving.
Teachers will explicitly teach and revisit vocabulary using visuals, anchor charts, and sentence stems to support precise math language and conceptual connection

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
67% of students are linked to NYCSA Accounts (NYS Schools Account)	Limited computer literacy, navigating platform,	Help parents register
55% if students completed Building Block 1 for NYC Kids Rise Accounts (NYC Kids Rise Website)	Parents have a limited understanding of the importance of the program and need help	Help parents complete the building blocks

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	67%	30Q149 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the percentage of students linked to NYCSA Accounts for All Students will Increase by 18% from 67% to 85% as measured by number or parents with active accounts .
All Students	55%	<School Name> will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the Higher completion of Building Block 1 for All Students will Increase by 25% from 55% to 80% as measured by NYC Kids Rise Data Report.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

-Offer Digital Literacy Workshops
-Offer Help at Key Events

Root Cause Addressed:

Limited computer literacy, navigating platform,

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Parent workshops provided to support with digital literacy. Hands-on training to help parent feel empowered to navigate NYCSA. Create a visual parent guide for parents when using the platform.
Parent support for NYCSA and technology will be provided at school's key events. Staff will assist parents with logging in and creating their accounts, staff will also assist with navigating the NYCSA platform.

Key Strategy 2 (Optional):

- Increase Family Awareness
- Provide 1:1 Support In person and virtually
- All stakeholders should promote the program

Root Cause Addressed:

Parents have a limited understanding of the importance of the program and need help

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Run an audit to identify families who have not completed Building Block 1
Outreach to the parents families who have not completed
Host in person and virtual workshops
Incentivize participation

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2025 Results of NYC School Survey: 89% of parents feel their child received what they need to achieve their IEP Goals 2024 Results of NYC School Survey	Limited communication between IEP	Communication for Families of

: 95% of parents feel their child received what they need to achieve their IEP Goals	meetings and PTC	Students with IEPs
35% of parents (135) suggested stronger enrichment programs as an improvement to the school	Limited number of enrichment programs offered	Enrichment Programs

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of Students with Disabilities (SWD)	89%	30Q149 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of Students with Disabilities (SWD) with the following SMART Goal: By June, 2026, the percentage of parents indicating that they are satisfied with services child receives will Increase by 6% from 89% to 95% as measured by IEP Service Satisfaction .
Parents of All Students	35%	30Q149 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the percentage of families selecting stronger enrichment programs as a school improvement will Decrease by 20 from 35% to 15% as measured by NYC School Survey.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

-Provide Resources and Strategies for Home
-Involve Parents in the Goal-Setting Process
-Transparent and Clear Progress Monitoring

Root Cause Addressed:

Limited communication between IEP meetings and PTC

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Teachers will clearly communicate their child's IEP goals and send home information for the parents on how they can support their child at home
Teachers will collaborate with parents before the IEP meeting to get input on what are student's strengths and areas of struggle. Teacher will include input from parents on what their priorities are for their child's goals.
Teachers will share of summary of students' progress at IEP meeting to help parents know what supports/services their child has received and how it aligns with the goals of the IEP. Teachers will include quantifiable progress from the teachers' progress monitoring.

Key Strategy 2 (Optional):

- Survey students and families to identify interest areas for enrichment programs
- Develop morning/ after school clubs based on the offerings and budget

Root Cause Addressed:

Limited number of enrichment programs offered

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Apply for Grants from NYSED and NYCPS to support enrichment programs
Meet with City year & Beacon to inventory current and potential enrichment offerings
Launch at least 2 new after-school or in-school enrichment clubs that will rotate
Publicize enrichment opportunities to family with flyers, newsletters, class Dojo

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Implementation will be monitored with attendance, number of responses to surveys, and making necessary adjustments to schedules and programming as needed.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	01/20/2026	Understanding the Components of an IEP	City Year
02/02/2026	06/30/2026	Parent engagement opportunities to see culminating events from enrichment clubs	City Year

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Chronic Absenteeism Historical Attendance Report 2023-2024 School Year 26% students were chronically absent Chronic Absenteeism Historical Attendance Report 2022-2023 School Year 29% students were chronically absent	Attendance Systems not understood by families in our school community	Families don't understand attendance expectations

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	17%	By June, 2026, the Chronic Absenteeism Attendance Rate for All Students will decrease by 7%, from 17% to 10%, as measured by the New Visions Chronic Absetneeism Report.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

- Engage families in the importance of school
- Build personalized relationships with the families

Root Cause Addressed:

Attendance Systems not understood by families in our school community

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Targeted Outreach -Host parent workshops on why school important and the effect of numerous absences
Early Warning Systems-Teachers will provide Tier 1 outreach and call parents after 2 days of absences. If parent does not communicate to teacher, grade level designee with provide outreach
Create a classroom where kids want to come by lifting engagement

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Checks of YTS attendance percentages for all students will be conducted at monthly Attendance meetings.
- Continue to iLog and perform parent outreach
- Have parent workshops for parents to understand importance of school and impact of chronic absences
- Continue use of digital iLog forms with teachers
- Work with CBO to offer awards to students who have 100% attendance

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	01/30/2026	Parent workshops for ENL parents to understand importance of attendance	City Year
02/02/2026	06/30/2026	Continue monitoring at monthly attendance meetings and weekly communication with teachers through digital iLog communication log	City Year

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
2024-2025 IEP Review Completion Report indicates 11.1% for PLOP does not reflect student voice in particular statements describing the student's vision of success for themselves.	More training and PD for staff	IEP Development

	for components of a Quality IEP	and Fidelity of Implementation
2024-2025 IEP Review Completion Report indicates 22.3% for PLOP does not reflect student voice in particular statements describing the student's vision of success for themselves. 2023-2024 IEP Review Completion Report shows 22.26% for PLOP does not reflect student voice around statements that include student's vision of success for themselves.	Lack of opportunities for students to have input in PLOP of IEP	Transition Planning and Compliance
PS 149Q Internal MTSS Report indicates 13% (12/92) students who received one or more cycles of Tier III support were referred to open an evaluation	More teachers needed to provide more intensive Tier III support for struggling students.	Referral Process and Equity
2024-2025 IEP Completion Report indicates 22% for parent voice-statements describing family vision of success for students 2023-2024 IEP Completion Report indicates 31% for parent voice-statements describing family vision of success for students	More training and PD for staff for components of a Quality IEP	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	0%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve Language of the IEP by a 75% Increase, from 0% to 75%, as measured by Quality IEP Review Completion Report .
All Students	13%	By June, 2026, to strengthen the quality and implementation of IEPs for All Students, we will improve appropriate development of initial cases by a 4% Decrease, from 13% to 9%, as measured by PS 149Q MTSS Summary Report.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

-Use structured student interviews/ reflection prompts
-Integrate Strength-Based Language
-Staff-Training for Including Culturally Responsive and Inclusive Practices

Root Cause Addressed:

More training and PD for staff for components of a Quality IEP

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Teachers implement student-led interviews or self-reflection forms that give students opportunity to describe: What success looks like to them, What are their goals, strengths and challenges.
Provide PD for staff to help them shift from deficit-focused descriptions to strength based and student centered narratives in the PLOP. Provide PD for staff on how to incorporate student voice into the IEP.

Key Strategy 2 (Optional):

-Enhance Fidelity of Tier I and Tier II Instruction
-Use Data-Driven Protocols during MTSS meetings
-Progress Monitoring Protocols for Tier I and Tier II Instruction

Root Cause Addressed:

More teachers needed to provide more intensive Tier III support for struggling students.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Strengthen Tier I instruction by providing PD to ensure teachers are using data-driven practices aligned to NGLS, implementing small-group targeted instruction. Teachers will enhance their progress monitoring systems in their classroom.
MTSS team will meet regularly to analyze data and discuss intervention strategies to ensure the programs and being taught with fidelity. The team will analyze data to discuss which program will best meet the needs of the student.
Establish progress monitoring protocols for Tier I and Tier II instruction using screener data for BOY, MOY, EOY. Participate in data chats to analyze data and determine next steps.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

PS 149Q Quality IEP Review Form will be created by IEP Review team and completed as IEP reviews are conducted throughout the school year.
PS 149Q MTSS Summary Report will be shared and analyzed to determine the numbers of students who have been given Tiered support and have an IEP opened.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	01/31/2026	Workshops for parents about what to expect during an IEP Meeting	City Year QCH
02/01/2026	06/27/2026	Educate parents about the different tiers of support and how the school identifies students who may need additional help.	City Year QCH

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Teachers, Instructional Coaches, Administration

Instructional Resources

Enhance Tier I & Tier II Instruction

Schedule Adjustments

Common Planning & PD Time

Other Resources Needed

N/A

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	iReady, mClass screener	SPIRE	Small group	During School	No
Tier 3	iReady, , mClass screener	Focused Reading	1:1	During School	No
Tier 2	iReady, Assesment, mClass screener	Rigby Guided Reading	Small Groups	During School	No
Tier 3	iReady, mClass screener	Sounds Sensible	Small Group	During School	No
Tier 3	iReady	Do the Math	Small Group	During School	No
Tier 3	iReady, mClass screener	Wilson	small groups	during school	no
Tier 2	iReady, mClass screener	Phonics for Reading	small groups	during school	no

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Teacher Referral, Parent Referral, SIT/RTI meetings	At-Risk Program Counseling	Small Group	During the school day	Yes
Tier 3	mandated counseling	Mandated Counseling	Small Group & 1:1	During the school day	Yes
Tier 2	Teacher Referral	City Year (CBO)	Small group	During the school day	No
Tier 2	Teacher Referral, School Counselor observations	Lunch Bunch	Small group	During the school day	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

When students begin Tier 2 or Tier 3 intervention, a letter is sent home to parents with the following information:
* Tier of service
* Subject of support
* Schedule information
* dates of MTSS cycle

Once the cycle is completed, parents are informed of the level of progress. If additional intervention is needed, a parent meeting is held. If the student does not need another cycle of service, a progress monitoring information letter is sent home.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

In the 2025-2026 school year, parents will be informed of progress monitoring updates after each progress monitoring cycle from mClass.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

During parent meetings, Intervention teachers, provide updates on screener information and discuss next steps. This allows parents to voice concerns and suggest supports,.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

We currently have 137 STH students. (22% of our student body)

114 students- doubled up
2 students in Hotel/Motel
18 students in Shelter
3 students in Other Temporary Living Situation

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

We use our STH funding (in conjunction with the results of the STH Title 1 Survey) to purchase the following items and distribute to students as needed:
* uniforms
* school supplies
* Coats
* Clothes
* Food (including food for the weekend)
* After school activities
* Field trip costs

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Title I Funds are set aside for students in temporary housing. Students are eligible to receive services comparable to those of non homeless students. These services may include but are not limited to: assistance with purchasing school uniform and shoes, backpacks, notebooks, remote learning devices, glasses, school trip expenses, medical and dental services. As well as counseling services related to homeless issues that are impeding learning. Ps 149 is dedicated to delivering an academic, rigorous, equitable and nurturing program to all its students while addressing the specific needs of the Students in Temporary Housing.

Our CBO, City Year, delivers weekend snack bags to students who have been identified as housing insecure each Friday of the school year. These are non perishable items and include fruit, granola bars, milk, juice etc. City Year also partakes in "Operation Warm" which provides jackets to STH (and others in need). Similarly, they provide bookbags from New York Cares for STH (and others in need).

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

At PS 149Q we currently have one student in Foster Care. Mr. Barrios and Ms. Fernandez are school counselors who are trained to recognize signs of trauma and appropriate intervention strategies. Ms. Gallegos, Social worker and Ms. Conde Counselor for Counseling in the Schools Program also offer mental health support and provide consistent access as a trusted adult in school. Foster care students are provided with the opportunity to be part of a social lunch group with Ms. Gallegos and Ms. Conde. The main purpose of this group is to ensure stability and connections. If a student in foster care is need of academic support they will be reviewed at a School Implementation or MTSS meeting to the team where academic RTI services, IEP evaluation or 504 plans may be recommended.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

transitioning into foster care system: When a foster care student registers at our school we will ensure they can enroll without typical documentation if they do not have it available.

Foster care students can remain in our school despite placement changes even if they move to another school zone, district, city or state unless it is not in their best interest to do so. If necessary, we will provide transportation to maintain school stability.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

services and support provided to this population? Lower test scores and chronic absenteeism are trends that we have seen emerge with our foster care students. Ms. Gallegos, Social Worker serves as a dedicated liaison to oversee foster care students in order to have communication and support. Ms. Gallegos will also serve as the liaison between the foster care agency and the school.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

We provide check-ins, on-site counseling and communication with case workers. When necessary, referrals to outside community therapeutic agencies. Ms. Gallegos will advocate and coordinate services for students in foster care. This will identify academic or behavioral issues early and will help connect students with services like counseling or academic intervention. Through data and academic monitoring academics will be monitored and tracked.

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

- We will have an after school program to address the needs of all students based on iReady Diagnostic results and ACADIENCE benchmarks. The data from these assessments will be used to differentiate the after school instruction being provided.
- The CBO will continue to provide after school tutoring in small groups and 1:1 sessions.
- Working partnership with Violence Prevention Program that provides after school enrichment clubs based on student interests. Students are rotated throughout the year and selected based on interests and needs.
- Enrichment lunch clubs (Ex: music, art, gym) are provided for students based on needs

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

Teachers are selected for after school positions based on needs of students. Once teachers apply for an after school position, the position is then filled based on the Certification of the teacher and the needs of the students. For example, students from a 12:1:1 class will be serviced in after school by a Certified Special Education teacher.

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

After School programs are fully aligned with the Standards in our core academic subjects. The programs that are used in after school are an extension of the Curriculum that is used. For example, during the day students are learning from the Curriculum such as Envision Math and HMH Into Reading. After school is using the iReady teacher lessons to address and extend the lesson that was learned that day.

Provide a description of the materials purchased to support implementation of ELT.

Standards Based Curriculum was purchased, specifically the READY books and an online platform called Measuring Up, which provided students an opportunity to practice Standards based work digitally.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

At P.S. 149Q, The Christa McAuliffe School, we know through research that there is a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

P.S. 149Q will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P.S. 149Q, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

- Math
- ELA
- Science
- Quality IEP
- SEF

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

- Joint PD for school and District meetings
- Parent activities such as PTA
- Open House/ Parent Orientation (2x)
- Parent Tour of the Building
- Teacher Introductions
- Summer Packet for incoming students to prepare

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	596, 600	x	5C
Title I, School Improvement 1003(a)	Federal	0		
Title II, Part A	Federal	73,151	x	5C
Title III, Part A	Federal	34,493	x	5;ELL: newcomers
Title III, Immigrant	Federal	0		
Title IV, Part A	Federal	0	x	0
Tax Levy (Fair Student	Local	6,364,776	x	5C

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
City Year	Whole School	AmeriCorps members and the Community School Director will target 60 students who are chronically absent, providing 70% at least 8 consecutive weeks of attendance coaching, with 60% of that cohort increasing their attendance by at least 2 ADA points.	Attendance Supports – Every Student, Every Day
City Year	Grades 3 - 5	ELA Tutoring - AmeriCorps members will target 50 students who are off-track, providing 70% at least 8 consecutive weeks of tutoring, with 60% of that cohort showing growth by 1-3 reading levels on the Fountas & Pinnell Reading Record.	Elementary ELA
City Year	Grades 3-5	Math Tutoring - AmeriCorps members will target 45 students who are off-track, providing 70% at least 8 consecutive weeks of tutoring, with 60% of that cohort showing growth on the HMH Math Inventory.	Elementary Math

City Year	Whole School	CSD will plan or support a minimum of 5 family engagement workshops. 70% of participants agree or strongly agree that workshop goals were met, as measured by feedback surveys.	Family Empowerment
City Year and DOH	Whole School	CSD will collaborate with the Department of Health to schedule and implement a school-wide vision screening for all students. CSD will also collaborate with appropriate vendors to plan and implement school-wide dental screenings for all students.	Wellness and Integrated Support
City Year	Whole School	CSD will recruit a Community School Team (CST), comprised of administrators, family members, teachers, students, and CBOs. The team will convene a minimum of 8 times throughout the year, and will ensure alignment of services in support of the schools overall goals and vision. The CST will also plan and implement a Community School Forum that engages a minimum of 50 families in ongoing collaborative planning.	Collaborative Leadership
City Year	Grades 3-5	AmeriCorps members will provide after school programming 5 days per week, serving 60 students in grades 3 – 5.	Extended Learning Time
Counseling in Schools	Whole School	A therapist will provide individual and/or group therapy to students	Wellness and Integrated Supports
The Leadership Program	Grades K-2	Members will provide after school programming 2-3 days per week, serving 20 students in grades K-2.	Extended Learning Time
Queen's Community House	Grades 1-5	Members will provide after school programming 5 days per week, serving 100 students in grades K-5.	Extended Learning Time
Queen's Community House and DOE	Whole School	Adult ESL classes will be provided Monday-Wednesday from 6:00PM-9:00PM	Family Empowerment

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

City Year will deploy 12 full-time AmeriCorps members to provide direct service within the school that is aligned with the goals mentioned above. In addition, City Year will employ a Community School Director, who is responsible for managing the City Year team, as well as liaising with school stakeholders to coordinate services in the school building.
Once service has begun at the school, the CSD will work with school stakeholders to determine the appropriate Community School Team, comprised of administrators, teachers, families, and students, and will convene monthly collaborative meetings to ensure ongoing collaborative leadership.

The team will collaborate around the appropriate data tools, employing practices that City Year implements regularly to target its services to those students most in need of them. This includes using data to identify who is off-track in attendance, behavior, and course performance and targeting services appropriately.

The CSD and the Principal will meet bi-weekly, reviewing data and trends and action planning accordingly. The CSD will have an agenda with topics such as what was reviews at the weekly attendance meetings, CBO updates, school events and workshop proposals, etc. The CSD will also join Cabinet and SLT meetings with school admin.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

The CSD will work to develop a strong Community School Team that meets once a month to come together and review what is going well, what we would like to change, and collaboratively plan next steps for the school community. Key stakeholders include school admin, teachers, parents, students and CBO staff. Meetings will be added to school calendars and will be planned in advance to ensure everyone can be present.

CSDs work in partnership with the school principal, Parent Coordinator, and other parent leaders in schools to facilitate a number of formal opportunities to collaborate, including annual focus groups, monthly senior leadership team meetings, community school team meetings, PTA meetings, coffee with the principal, parent workshops, various community engagement events, and the Community School Forum.

The City Year CSD will also work to leverage the knowledge and expertise of our families, and will actively and consistently partner with families to make decisions. The annual Community School Forum is one of the best opportunities for parent leaders to collaboratively plan alongside school staff and community partners for the school year ahead. For this event the CSD will engage parent leaders to facilitate feedback sessions with other community members. Each parent leader will partner with a school staff member and/or CBO staff member to facilitate a conversation around their area of expertise that aligns with an area of focus for Community Schools. They'll facilitate conversations with mixed stakeholder groups of families, students, CBO staff, and school staff around their vision for a quality school experience, what's working well, and what recommendations they can suggest to further enhance the school.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

The CSD will work closely with community stakeholders to determine the full scope of need at the school through a formal needs/assets assessment. Whenever CYNY is capable of addressing the school's need directly through their own service model (which is primarily focused on afterschool, academic, SEL, and attendance support) they will do so. In cases where a need falls outside of the scope of the City Year service model, the CSD will look to community partners and other CBOs to help address the need. And if appropriately resourced, the CSD will work with the school to expand programming, and bring new CBOs and promising new programs to the school. This includes coordinating vision screenings, dental services, and working with on-site health clinics to expand the schools reach and impact. Key to making these partnerships work is ongoing communication and integrating the partner organization into the fabric of the school.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

AmeriCorps members act as "success mentors" who form relationships with students over the year, and leverage those relationships to help increase student attendance. This means making school inviting for students, incentivizing school attendance, and coaching students when they are not showing up. It can also entail phone calls home to celebrate successes, or raise awareness among families of the importance of attendance. AmeriCorps members will work with 3rd through 5th around attendance.

They will meet with their students twice a week to goal set and encourage good attendance. For K-2nd, students who were chronically absent during the 2020-2021 school year will be assigned a Success Mentor. Success Mentors will consist of school staff and other CBO staff members. The CSD will train the Success Mentors at the beginning of the year and will check in monthly to ensure things are running smoothly. All of this will be reviewed at weekly attendance meeting to progress monitor, brainstorm attendance initiatives, and adjust accordingly. An AmeriCorps member and/school staff member will welcome students who arrive late to ensure they are signing in and adjust the attendance accordingly.

The CSD will leverage the New Visions data sorter, which gives the school and CYNY greater clarity around who is chronically absent, as well as highlighting attendance patterns for students. Working with the school's attendance team (which includes teachers, administrators, CBO partners, and more), the CSD will support or host weekly or monthly meetings to discuss who is absent and why. Using this data, the CSD will also identify attendance disparities among sub-groups of students, which is the first step in addressing those disparities. When we have identified disparities among sub-groups, we work closely with the school attendance team and families to find solutions that are culturally responsive, appropriate, and effective.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for all students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

City Year staff will implement culturally responsive practices, using curricula designed to support anti-racism in their tutoring. This includes promoting representation of the cultures and identities of students of color in reading materials and classroom examples.

CYNY is committed to implementing behavioral support for students that is fundamentally empathetic to students; and relies on a framework that centers the welfare of students and avoids retributive punishment or the vilification of students who have acted inappropriately.

Similarly, the CSD will work to ensure all offerings in the building are tailored to be inclusive of all members of the community, ensuring translation services, and targeted outreach practices.

In response to the annual needs assessment, the CSD will work to bring in targeted resources to support special populations as needed, when such services fall outside of the scope of the City Year team's work.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Onalis Hernandez
Assistant Principal (Where Applicable)*	Sabrina Falsetta
English as a New Language (ENL) Teacher*	Karen Verdugo
Teacher (if school has a bilingual program must be a bilingual teacher)*	Tania Rodriguez
Parent/Guardian*	Emelia Cordero
Teacher	Nelly Rodriguez
Parent Coordinator	Adriana Gil
School Counselor	Odalis Fernandez
ENL Teacher	Virginia Terry
IEP Coach	Emilia Reynoso
Bilingual Teacher	Carmen Alarcon

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

13

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

4

Number of certified ESOL teachers not currently teaching ENL:

2

Number of teachers who hold both content area/common branch and ESOL certification:

13

Number of ESOL certified teachers with a bilingual extension:

4

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

9

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

4

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

654

Total number and percentage (%) of current ELLs:

304; 46.5%

Total number and percentage (%) of former ELLs:

97; 14.8%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

235;77.3%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

69; 22.7

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

2; 0.7%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

56; 18.4%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE	GE	Spanish	2018	0	0	0	0	0	0	0	0	0	0	0	0		0
TBE																	0
TBE																	0
DLBE	GE	Spanish	2004	1	2	1	2	2	2	0	0	0	0	0	0		10
DLBE																	0
DLBE																	0
				total: 1	total: 2	total: 1	total: 2	total: 2	total: 2	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

As per CR Part 154, Stand-alone English as a New Language instruction is delivered to Entering and Emerging ELLs in small groups four times a week by licensed ENL providers for a total of 180 minutes per week. Transitioning students are provided with Stand-alone ENL if their classroom performance indicates that they would benefit from more intense levels of support in English language development.

Stand-alone ENL groups are composed of Entering, Emerging and sometimes Transitioning ELLs from various different classes on the same grade level. Due to our high number of ELLs, it is not necessary to mix grade levels and we try to keep the groups at a smaller size to ensure students are receiving targeted support and instruction.

Integrated ENL:

As per CR Part 154, Integrated English as a New Language instruction is delivered during the content area of English Language Arts and if the need arises, during the content areas of social studies, science, or mathematics. If the classroom pedagogue does not possess a TESOL license, then TESOL-licensed teachers provide Integrated ENL during ELA, or another content area. ELLs receive 180 minutes of Integrated ENL in ELA or other content area classes. The classroom performance of Transitioning ELLs is monitored and if they need extra support, Transitioning ELLs are provided with flexible Stand-alone programming which is an additional 90 minutes of Stand-alone ENL.

Students are grouped heterogeneously in the sense that they are at varying proficiency levels, and the groups contain students at one grade level unless the class is a Special Education Multi-Grade Classroom.

Our Commanding students follow the Option A Small Group Learning module as per the Alternative Pathways to Support Former English Language Learner's Language Development and Academic Progress. Academic progress of Former ELLs is monitored by the classroom teacher(s) and if a student is in need of academic support and the class has an Integrated ENL provider, that Former ELL will receive further support from the licensed ENL provider.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

During the 2025-2026 school year, PS 149Q will have a 5th-grade Transitional Bilingual Education general education classroom. Entering and Emerging ELLs receive Stand-alone ENL instruction from a licensed TESOL teacher. The classroom teacher delivers Integrated ENL instruction to her students during ELA or content area lessons, depending on the language of instruction. Additionally, the classroom teacher conducts Home Language Arts instruction in accordance with CR Part 154, which requires a minimum of two content area subjects to be taught in the home language for both Entering and Emerging students, as well as for Transitioning and Expanding students.

Students are grouped in a heterogenous block composed of ELLs at the Entering, Emerging, Transitioning, and Expanding levels.

Dual Language Bilingual Education (DLBE):

PS 149Q currently offers at least one Dual Language Bilingual Education classroom on each grade level. All K-5 teachers in the DLBE program have a Bilingual Extension. Entering and Emerging ELLs receive Standalone ENL instruction from a licensed TESOL teacher. The classroom teacher delivers Integrated ENL instruction to students during ELA or content area lessons, depending on the language of instruction. Additionally, the classroom teacher conducts Home Language Arts instruction in accordance with CR Part 154, which requires a minimum of two content area subjects to be taught in the home language for both Entering and Emerging students, as well as for Transitioning and Expanding students. Students are grouped in a heterogenous block composed of ELLs at the Entering, Emerging, Transitioning and Expanding levels as well as Commanding and English proficient students.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

At PS 149Q, we ensure that the mandated number of instructional minutes are provided according to students' English language proficiency in each program model by using the RFSF report from ATS in order to know the exact proficiency levels of our ELLs and Former ELLs. Students will receive either one, two, or 0.5 units of mandated services according to the proficiency level they have acquired during the most recent NYSESLAT or NYSITELL exam administration. We also run the RLER to identify students eligible for the NYSITELL at the beginning of the school year.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

ENL instructional minutes are delivered to students in all program models as follows:
Mandated minutes are entered into STARS Classroom using the Push In/Pull Out function. Entering, Emerging, Transitioning, and Expanding ELL students receive 180 instructional minutes of Integrated ENL in the content area of ELA. Entering and Emerging students receive an additional 180 instructional minutes of Standalone ENL instruction totaling 360 instructional minutes of ENL programming.

ELA and HLA instructional minutes are delivered as follows:
For students in a DLBE program, students receive 300 instructional minutes of ELA and 300 instructional minutes of HLA.
For students in a TBE program, students receive 360 instructional minutes of ELA and 240 instructional minutes of HLA.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

At PS 149Q, the Dual Language Bilingual Education model that is implemented is the Two-Way model. All of our DLBE classrooms are self-contained classrooms. English proficient students and ELLs are integrated 100% of the instructional day throughout all subject areas; however, Entering/Emerging students are pulled out in small groups for Standalone ENL instruction.

b. In which language(s) is each core content area taught?

Each core content area is taught in English and Spanish.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

As per CR Part 154 (K-8) Transitional Bilingual Education Program mandates, a minimum of two bilingual content areas are taught for Entering/Emerging ELLs and a minimum of one bilingual content area is taught for Transitioning/Expanding ELLs. The content areas that are taught bilingually are language arts, math, social studies, and science. The classroom teacher provides Home Language Arts instruction as per CR Part 154 which states that a minimum of one HLA class for Entering/Emerging/Transitioning/Expanding proficiency students is required.

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

According to Insight Portal, as of October 24, 2025, 72% of ELLs are Newcomers (181 out of 251). Because a large part of our ELLs are Newcomers, we need to disaggregate this group by proficiency level and grade level in order to provide effective instruction. 105 of our 181 Newcomers are K-2 ELLs.Because so many of our K-2 ELLs will be classified as newcomers based on their years of service, but they may have different English proficiency levels, we must account for their proficiency level in order to provide them effective instruction.
Another valuable data point to consider is the FURBY Tool in order to provide effective instruction for ELLs. We can take a look at how ELLs scored on each modality of the NYSESLAT to ensure growth.

Effective instruction for Newcomers differs from that provided to Developing or Long-Term ELLs in that there is more emphasis on developing oral language for Newcomers and for students in bilingual programs the home language is also developed simultaneously.

Instruction supports/scaffolds differ for students at lower proficiency levels based not only on newcomer status, but also proficiency levels and grade. Newcomer students in K all have 0 years of service, but based on these varying subgroups, grade levels, and needs.

Also, there are more scaffolds provided to Newcomer ELLs at lower proficiency levels because K-2 ELLs will be classified as newcomers based on their years of service, but they may have different English proficiency levels. Scaffolds are gradually taken away as students gain more English language skills. All ELLs are provided with home language support, cognate identification, visuals, explicit vocabulary instruction, realia, strategic partnering or grouping, and hands-on learning in small groups, read aloud with prompts, sentence frames, think-pair-share strategies, modeling, and repetition. Newcomers are buddied up with students with deeper and stronger English proficiency skills. They are given home language support and work in small groups where they are practicing using both their home language and English language skills.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

According to Insight Portal, as of October 24, 2025, , 0% of our ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE) (0 out of 251).

At PS 149, we differentiate effective instruction for SIFE by ensuring they receive access to the curriculum and resources given to all the other students and translated versions of the curriculum to build their proficiency in their home language as they transition into learning a new language. This group of students benefits from familiarization with academic settings, accelerating literacy instruction, and putting social emotional supports in place which can allow SIFE students to build background knowledge and acquire prerequisite skills that can allow them to get to the level of their grade level peers. We also build their home language in order to have an appropriate foundation from which to build skills in English.
In addition, should we enroll any SIFE students in the future, they will be given instruction in both English with home language support. Scaffolds and differentiation of instruction and work is weaved into their everyday academic life.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

According to Insight Portal, as of October 24, 2025, 0% of our ELLs are Long-Term ELLs.

Effective instruction for Long-Term ELLs differs from instruction designed for Developing ELLs because at this point English language development is evident in oral language and Basic Interpersonal Cognitive Skills to the point of sounding like a native speaker so the focus becomes using the students' strengths to develop Reading and Writing modalities which usually pose students the greatest challenge in the classroom and in state assessments such as the ELA and NYSESLAT. The Reading modality has been historically challenging followed by Writing. Students are given practice in writing short and longer responses to text. They are exposed to more complex texts, and strategies such as chunking are taught. We also have an afterschool program to address these skills based on English proficiency.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

According to Insight Portal, as of October 24, 2025, 12.5% of students are former ELLs (77 out of 615).

Classroom teachers provide services to former ELLs via Option A of the Alternative Pathways in a Small Group Learning model in which the classroom teacher supports and monitors ELLs by providing Close Reading Instruction, and/or Centers. If there is an ENL provider already servicing the class and the need arises to provide the student with more targeted language support, the licensed ENL teacher will provide that support as during Integrated ENL in the content area classes. Former ELLs are continuously monitored throughout the year to ensure they are making continued progress in English proficiency. If former ELLs are observed to decline or struggle, an ENL provider will push in for support for the 90 minutes as required by CR Part 154 mandates. Former ELLs are given all the accommodations afforded to ELLs.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

According to the ELL Data Analysis Tool of April 16, 2025, the at-risk levels that adversely affect ELLs at PS 149Q are as follows: 77.3% of ELLs are at Newcomer Status (0-3 Years of ELL Service), 44.7% ELLs Who Did Not Demonstrate Sufficient ELP Progress (Spring 2024 NYSESLAT), 38.8% ELLs in Temporary Housing, 31.9% ELA: ELLs Who Scored Level 1 or 2 Last School Year, 28.3% Math: ELLs Who Scored Level 1 or 2 Last School Year, 11.8% ELA: ELLs Who Scored Level 1 or 2 in SY 2022-23 and SY 2023-24, 11.8% Math: ELLs Who Scored Level 1 or 2 in SY 2022-23 and SY 2023-24, 11.2% Potential Long-term ELLs (5 or 6 Years of ELL Service), and 0.7% Students with Inconsistent/ Interrupted Formal Education (SIFE).

The first trend that stands out is that most of our ELLs are Newcomers. Our next highest number of students are at-risk because they Did Not Demonstrate Sufficient ELP Progress (Spring 2024 NYSESLAT) with 136 ELLs not making adequate gains in proficiency level. The third largest category is 'ELLs in Temporary Housing' with 118 ELLs in this category. Our ELLs are also at risk due to scoring at levels 1 and 2 on the ELA and Math state tests for the past 2 years.

One factor that affects the students' levels is that many students also come to school either late or have chronic absences. According to the FURBY Tool, 40 of our 251 ELLs (16%) have year to date attendance rates under 90% as of October 24, 2025. When students are not in school, they are missing out on important learning of skills. This issue is addressed during our Attendance meetings where we discuss the status of the student's attendance, whether they are ELLs or not, and how attendance can affect their progress. Parents are called to discuss next steps, and parent workshops on the importance of attendance is provided to the community. This is our school's next steps to address the at-risk levels of ELLs at our school.

Additionally, these particular at-risk levels are addressed with academic intervention, after-school programs and mentoring programs with City Year and Beacon.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

According to the ELL Data Analysis Tool of April 16, 2025, the at-risk levels that adversely affect ELLs at PS 149Q are as follows: 25.8% ELA: Former ELLs Who Scored Level 1 or 2 Last School Year, 19.6% Former ELLs in Temporary Housing, 13.4% Math: Former ELLs Who Scored Level 1 or 2 Last School Year, 7.2% ELA: ELLs Who Scored Level 1 or 2 in SY 2022-23 and 2023-24, 4.1% Math: Former ELLs Who Scored Level 1 or 2 in SY 2022-23 and 2023-24.

The first trend that stands out is that our Former ELLs fall under at-risk categories for scoring levels 1 and 2 on state tests in Math and ELA. Former ELLs fall under the Option A small group learning under the Alternative Pathways Options, so perhaps there are Former ELLs that would benefit from receiving Integrated ENL instruction in content area classes to prevent them from scoring so low on state tests.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

According to Insight Portal, as of October 24, 2025, the home languages of ELLs with the largest representation are Spanish with 243 students and Bengali with 4 students. Arabic, Bosnian, Burmese, and Tibetan each only have 1 student.

The staff, structures and processes in place at PS 149Q ensure that we support communication and learning that values all home languages. We have many staff at our school who speak Spanish and support both the students and

their families. We use the Interpretation and Translations Department to communicate with families in other languages when there isn't a staff member available to speak in the parent's preferred language.
In the ENL Model, students who need HLA support are buddied up with a peer who speaks their home language. Translanguaging is provided to students when possible. Students are provided English and Spanish texts. New admits are encouraged to write in their home language and receive Stand Alone ENL instruction that provides our ELLs with English language acquisition skills. All support will be given to students in person during standalone and integrated periods of instructions. Some students will be given additional support when possible. All students in the Dual Language programs and Bilingual program are assessed in Spanish and continuously reassessed to monitor growth. Our parent coordinator makes it a point to post translations of parent letters on Class Dojo.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

According to Insight Portal, as of October 24, 2025, the racial and ethnic classifications of ELLs at PS 149Q are as follows: 243 of our ELLs are Hispanic or mixed Hispanic and American Indian. 6 of our ELLs are Asian and 2 ELLs identify as white.

At PS149Q, ELLs are being included in planning and delivery of Culturally Responsive and Sustaining Education by designing a student-centered environment that allows for students to share and affirms their cultural identities and fosters positive academic outcomes. Students are able to connect across cultures and share their experiences which allows for an inclusive learning and equitable environment. By making all cultures matter, our students' cultures can be positioned as strengths and as the foundation of empowering, rigorous, and innovative learning. Students celebrate their differences through unit celebrations. For example, when studying communities, and families, students bring in artifacts from their native country, and pictures. Through celebrations and assemblies' students take part in sharing their cultures. Many books that include varied cultures are in the school and classroom libraries.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

According to the ELL Data Analysis Tool of April 16, 2025, apparent trends in English Language Proficiency (ELP) growth at PS 149Q demonstrate that 53 students met progress by exiting ELL status (22.3%), 33 students met their progress target (13.9%), and 16 students met safe harbor cumulative growth (6.7%). 136 students did not meet ELP sufficient progress (57.1%)

All of the students that did not make sufficient ELP progress were in grades 2-5 with the highest number of students being in grade 4. Overall, their modality of strength was speaking and the areas of need was writing.

Although there is some growth occurring, a significant number of ELLs are not making sufficient growth.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

When looking at the results of the NYSESLAT, what stands out is the large amount of Expanding students. Also, there were many students that were close to reaching the next proficiency level on the NYSESLAT. According to the FURBY Tool of October 24, 2025, Speaking was a modality of strength because 228 of the 247 students scored

Transitioning, Expanding or Commanding in the Speaking modality while only 19 scored Entering and Emerging in the same modality.

The modality of greatest need is Writing because a larger amount of our ELLs scored at Entering and Emerging (82).

Expanding students in grades 3-5 show strength in speaking, but need work in listening, reading and writing.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

According to the FURBY Tool of October 24, 2025, 105 students that took the NYSESLAT also took the ELA assessment and their proficiency levels on the ELA are as follows: 90 students did not meet proficiency (scored levels 1-2) and 15 students were proficient (scored levels 3-4) on the ELA. 14 students that achieved proficiency on the ELA and the NYSESLAT while 1 student that achieved proficiency in the ELA scored Transitioning and remains as an ELL.

According to the FURBY Tool of October 24, 2025, 115 students that took the NYSESLAT also took the Math state exam. Their proficiency levels on the ELA are as follows: 66 students did not meet proficiency (scored levels 1-2) while 49 students achieved proficiency in Math.

41 ELLs scored level 1, 50 ELLs scored level 2, 31 ELLs scored level 3 and 9 ELLs scored level 4. Students performed better in the State Math assessment than in the ELA. One factor is that they can take the test in their home language.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

According to the ELL Data Analysis Tool as of April 16, 2025, trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs indicate that 5 of our ELLs with IEPs tested out of ELL status, 24 are Expanding, 22 are Transitioning, 7 are Emerging and 2 are Entering. Most of our ELLs with IEPs are at the cusp of testing out of ELL status.

2 SIFE students scored at the Entering level on the NYSESLAT.

Factors that impact the results for ELLs with IEPs include language deficits related to their disability and attendance rates. The writing modality is generally an area of struggle for most of our students, and particularly our ELLs with IEPs. Many of our ELL-SWDs also struggle with the speaking modality, having difficulties with expanding sentences with conjunctions and elaborating on ideas. Factors that have impacted these results include using testing accommodations such as: test read aloud, directions read and reread, scribing, and testing in a separate location has helped students perform at their best. Test prep sessions during and after school, have contributed toward improvements in the students' overall performance. All ENL service providers work closely with the classroom teacher to ensure that new goals are met and obtained to help bridge any learning gaps.

When considering NYSESLAT trends for SIFE students, phonics is impacting the results of this subgroup. Without the foundation of understanding letters and the sounds they make, students are struggling with both reading and writing, especially in upper grades. We will be providing targeted phonics support for these students to improve upon their reading and writing skills.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

PS 149Q is an elementary K5 school.

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

PS 149Q is an elementary K5 school.

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

PS 149Q is an elementary K5 school.

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

PS 149Q is an elementary K5 school.

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

At PS 149Q, we provide ELLs with a high-quality academic experience that leads to deeper learning by ensuring that we use the appropriate curricula that is assigned by the city. We also provide ELLs with appropriate scaffolds that are designed to foster language development, and we slowly remove these scaffolds when appropriate. Additionally, we provide students with hands-on and interdisciplinary learning experiences to ensure they are adept at applying their learning in the classroom to the real world. Students learn in whole group, small group, and independently on tasks geared to provide a high-quality experience.

Teachers monitor students' progress formally and informally. We use the data from formal and informal assessments to drive instruction based on students' needs. Teachers assess students' understanding throughout all lessons and form small groups to support students who struggle. They also use different supports such as home language support, graphic organizers, visuals, sentence frames, prompts, modeling, and repetition. The HMH Into Reading & Writing, Envision, Amplify, and Passport to Social Studies curricula includes many sections where they are given resources for ELL support.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

At PS 149Q, the school's leadership team ensures ELLs have access to core instruction/curriculum by considering the needs of ELL subgroups when making curriculum decisions. ENL pedagogues on the Leadership team represent interests and needs of the ML/ELLs population. The leadership team also considers the socioemotional and economic needs of recently arrived students as well as students in temporary housing. In addition, the leadership team ensures that differing cultures and home languages are viewed with the lens of an asset rather than as a deficit. We are committed to supporting students in achieving their academic and career goals. This is done by ensuring they receive all the scaffolds, supports, and tools they are entitled to with certified personnel. All students are held to high expectations and provided with a rigorous education while receiving scaffolds and support needed to achieve success. Home language support as well as ENL support is given to students to ensure all students are part of the school community. The instructional cabinet meets and discusses the needs of the school community in

regard to curricular decisions for the following year. Every student receives the same amount of high-quality instructional materials selected and modified with the student population in mind.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

At PS 149Q, Hallmarks of Advanced Literacy, Academic and Linguistic Demands, the PLUSS Framework, and Next Generation Learning Standards underline the instructional approach both in Dual Language and ENL instruction. Core content is taught in English in the ENL program model, and in Spanish and English in the DLBE and TBE programs.

Core content in DLBE, and TBE is delivered in English and Spanish through the NYC provided curricula such as HMH's Into Reading, Arriba la Lectura, and Into Writing programs which are designed to target Next Generation Learning Standards. Foundational Literacy is delivered to early childhood classes via Estrellita (for Spanish), Fundations and Heggerty programs. Additionally, core content is delivered using NYC Passport to Social Studies, Amplify Science and Envision 2.0 Math in English and Spanish. Within the Into Reading, Arriba la Lectura, and Writing programs there are embedded scaffolds designed to foster language development for ELLs. In DLBE the language of instruction changes daily with 50% of time devoted to each language. In the TBE program model the language of instruction has a 60% English and 40% Spanish delivery and this is dependent upon the content area with a target of 3 days of English and 2 days of Spanish to accomplish the 60/40 ratio.

Core content in ENL is delivered in English with home language support when necessary, through the NYC provided curricula such as HMH's Into Reading and Into Writing programs. Foundational Literacy is delivered to early childhood classes via Fundations and Heggerty programs. Additionally, core content is delivered using NYC Passport to Social Studies, Amplify Science and Envision 2.0 Math with home language supports when necessary. Within the Into Reading and Writing programs there are embedded scaffolds designed to foster language development for ELLs. Tabletop English Language Development Minilessons target reading, writing, listening, speaking, and collaborative problem solving as a way of supporting ELLs' language acquisition by introducing, practicing and reinforcing key academic language functions using three levels of scaffolding: substantial, moderate and light. Also, ELLs are provided support with vocabulary, text details, identification and comprehension of literary and informational texts and identifying main ideas. ENL providers also rely on usage of oral sentence starters, practice of oral and written grammatical structures, and support with pronunciation and intonation. The ENL provider also delivers content in simplified formats for newly arrived students and offers repeated exposure and additional opportunities for content-related discourse with the aid of visual supports and Total Physical Response. Additional resources used for repeated language exposure include but are not limited to HMH Rigby Leveled Libraries, Decodable texts, shared reading of texts and poems. Our ELLs in monolingual classrooms are provided home language support when possible through a teacher, and/or a buddy system.

The Stand Alone model is delivered to the Entering and Emerging students outside of the classroom. The ENL teacher creates lessons that help ELLs build knowledge of the content area while bolstering listening, reading, writing and speaking modalities. Through the use of both fiction and non-fiction text students build comprehension, enhance oral language, and improve writing. The ENL provider focuses strongly on building academic language. Stand Alone ENL students also receive strong phonics based instruction incorporated during their stand alone time. During this time Entering and Emerging students are provided ample time to speak and are encouraged to share thoughts and ideas in English and their home language through scaffolds and appropriate wait time.

Students are provided multiple entry points through a variety of scaffolds such as front loading of vocabulary and background knowledge, use of L1, and visuals. Explicitly teaching Tier 2 and Tier 3 vocabulary and language necessary for the task are key stages of instruction in ENL and DLBE, and TBE classrooms. We utilize core content

to teach academic vocabulary. Students work in groups on various projects where they learn from one another. The explicit teaching model is utilized which provides models, guided practice and feedback.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Some instructional strategies used to provide access to grade-level academic content areas in order to accelerate English language development for our ELLs with IEPs are using visuals, modeling, repetition, videos, etc. during instruction. ELLs with IEPs are provided opportunities to expand their learning in small groups and 1:1 conferencing during lessons. Teachers provide opportunities for students to learn through different modalities when they break into centers. Texts and materials are available at their independent levels and instructional levels aside from the grade-level academic content. All classrooms have SmartBoards, laptops and students have individual devices, where they have access to visuals and auditory samples. The use of technology facilitates and provides extensive opportunities for our ELLs to translate materials into their home language. Teachers leverage technology to support ELLs with IEPs by enabling screen readers within the HMH program. Both Envision Mathematics and Into Reading, have a section for working with ELLs with IEPs which provides extra supports that can be used for small group instruction or in any way you can support your students. They give strategies on how to build on their vocabulary, check for understanding, build background knowledge, etc. These are supports and strategies that students can use across all content areas.

b. SIFE

At PS 149 Q, we currently do not have any SIFE students, but if we were to enroll any, SIFE students receive access to the curriculum and resources given to all the other students, and translated versions of the curriculum to build their proficiency in their home language as they transition into learning a second language. This group of students benefits from familiarization with academic settings, accelerating literacy instruction, and putting social emotional supports in place which can allow SIFE students to build background knowledge and acquire prerequisite skills that can allow them to get to the level of their grade level peers. We also build their home language in order to have an appropriate foundation from which to build skills in English.

c. Newcomers

For Newcomers, instructional strategies include using the home language as a springboard for developing English language, a greater focus on oral language development and strategic partnerships between students where Newcomer ELLs are able to work with students at advanced proficiency levels to build their English language skills. For technology, Newcomer ELLs at Entering and Emerging levels are also provided with access to Imagine Learning Language and Literacy as a strategic tool to develop English. All students regularly use Boost Reading and Boost Lectura to build their English and Spanish Reading skills as well as iReady to build their Math skills. Core content area materials include HMH Into Reading, HMH Into Writing, NYC Passport to Social Studies, Amplify Science, and Envision Math 2.0. Specifically, for Entering and Emerging Newcomers, we use Continental's Newcomers Program as one of our resources in Standalone ENL with 3-5th graders. In the classroom, Newcomer ELL students are provided with materials in their home language when necessary and allowed to complete assignments in their home language when possible.

d. Long Term ELLs

We currently have no Long-Term ELLs at PS 149Q. If we were to receive students that are long-term ELLs these students would receive access to the curriculum and resources given to all the other students. Improving the vocabulary base of Long-Term ELLs is crucial to their access to curriculum. Long Term ELLs also benefit from intensive reading and writing building activities during small group instruction. As with other ELLs, long term ELLs need much support. In order to prevent Developing ELLs from becoming Long Term ELLs, teachers incorporate high-quality instruction aligned to the Science of Reading which includes building background knowledge, targeting vocabulary development, increasing access to grade level texts, using home language supports, and using peers as resources.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

At PS 149Q, we support our ELLs with IEPs in attaining their IEP goals as well as English language proficiency by ensuring they are given the mandated periods of ENL instruction as per-CR Part 154. ENL instruction is delivered through a certified ENL teacher during standalone and integrated periods of instruction. Classroom teachers as well as ENL providers are given a program that details when ENL instruction is delivered to ensure we are in compliance with CR Part 154. Bilingual Speech providers also deliver language support and intervention in the language stated in their IEP. Students are provided ENL supports in the least restrictive environment and the periods of service are given depending on their English proficiency levels. The teachers review materials/skills, focus on vocabulary lessons, small group to re-teach missed concepts and use different modalities to teach throughout the day. Management needs and modifications are provided in order for all students to benefit from instruction taking into consideration their present levels of performance across all subjects. Our school uses curricular, instructional and scheduling flexibility to enable ELLs with IEPs to achieve their goals and attain English language proficiency by always recommending the Least Restrictive Environment. When a student is recommended a program, the language of instruction is their language of proficiency. We provide special education bilingual programs and/or bilingual related services. We also provide our students with flexible programs, where they are placed in the general education setting for subjects in which they are meeting their IEP goals. We do not recommend a more restrictive program because of a language acquisition difficulty. All ELLs with IEPs have access to the same curriculum, instructional materials, and programs as Non ELLs. All teachers have access and knowledge of their students' IEP goals. Paraprofessionals as well as classroom teachers, and ENL providers work with students in small groups in both Integrated Co-Teaching Classrooms, and Self Contained classrooms. Each student's IEP is followed with fidelity.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

At PS 149Q, in each program model (DLBE, TBE, and ENL) home language is assessed using MClass Lectura as a screener. In DLBE and TBE classrooms, students are also assessed with rubrics and checklists to self-monitor and assess their peers.

In all our bilingual programs the students are assessed in both English and Spanish. Students in the TBE program are presented with the materials in English first and then provided Spanish support if necessary to assess their understanding of the task. We also have writing assessments at the end of the units to evaluate standards in their home language (HMH). We have Envision math assessments in Spanish and Science Amplify evaluations in Spanish.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

PS 149Q is a 3K-5 elementary school.

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

One structure in place to support collaboration among classroom teachers and ENL providers is common planning time. ENL teachers have the opportunity to join in on planning during grade meetings and common planning time with the grades that they support.

In the integrated co-teaching setting, teachers provide instruction using several models. They engage in parallel teaching, team teaching, and station teaching. Students are provided opportunities to work on their goals and needs through centers, small groups, 1:1 conferencing with a focus on their present levels of performance. These supports provide appropriate learning opportunities for all students and help them make progress towards their individualized goals and needs.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

At PS 149Q professional learning plan ensures that staff incorporates learning specifically related to the academic and social emotional learning needs of MLs/ELLs. During professional learning time, teachers are afforded time to learn about topics such as analyzing data, curriculum, and assessments. During professional development time, staff members can sign up for remote professional learning opportunities across various topics of their liking. Professional learning at PS 149 is embedded through day-to-day practices and guided by feedback from staff, and surveys gauging their pedagogical learning interests. The professional learning plan ensures that we center all students in our educational policies, encouraging growth and equal opportunities to succeed.
Teachers at our school are also given ample opportunities to attend professional development opportunities throughout the school year. They take the information they obtained and embed it into their daily instruction. They also turnkey to their colleagues.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

At PS 149Q, we provide a minimum of 15% of the required professional development hours for all teachers as prescribed by CR Part 154. This Professional Development will be dedicated to language acquisition with a focus on best practices for co-teaching strategies and integrating language and content instruction for ELLs. For Bilingual

and TESOL licensed teachers, a minimum of 50% of the required professional development hours must be dedicated to language acquisition in alignment with core content (ELA, Science, Social Studies, Math).
Throughout the school year, teachers attend various professional development workshops on the teaching of ELLs. Professional Learning Opportunities are afforded to any teachers that seek them. District and Central Offices send professional learning offering calendars to administrators and some staff members, which are then in turn forwarded to the entire faculty via email. Teachers will continue to work together in presenting to the staff the benefits and purposes of embedding ENL strategies, techniques and Advanced Literacy into the curriculum to better support their students' English language development. The practice of growing in capacity and knowledge to better support our ELLs will continue to expand throughout the school year.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

At PS 149Q, screening assessments being used to guide instructional planning for ELLs include MClass DiBels 8, MClass Lectura, and iReady Math.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

For all grades, PS 149Q uses the data from these screeners to target ELLs in ELA and Math with interventions ranging from Tier I to Tier III. Some interventions we use are small groups with targeted instruction. The language of the intervention is determined by student need.
We use the Spire and Sounds Sensible for Tier II and Tier III students; we provide guided reading to push students to the next reading levels. These interventions are done in cycles after a period of 4-6 weeks where student progress is analyzed and monitored. We provide an after school program where MLs/ELLs are given extra opportunities to develop their core language skills across all four modalities.
We use SPIRE, Sounds Sensible, and Bridging the Gap, and Phonics. This takes place during the day, or before the school day begins.
We implement a plan for the students such as increasing Tier I intervention or move on for additional support with TIER II. During the year we analyze the students' progress and decide next steps such as TIER III.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

At PS 149Q we use data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS) by regularly meeting with our School Implementation Team to discuss at- risk students. We first determine whether the students' performance is unusual in comparison to other ELLs at similar levels of language proficiency. Then we identify and analyze the students strengths and needs to determine if the student requires intervention in addition to scaffolded Tier I supports. If Tier II intervention is necessary, it is provided and progress is monitored 1-2 times per month. If the student is showing progress, and is now at the same level as his or her true peers, then the intervention is discontinued. If the student is showing progress but is not at the same level as his true peers, the intervention is continued with adaptations using the PLUSS framework. If the student is not demonstrating growth, the intervention is intensified and progress must be monitored once a week or every other week. In MTSS, data-based decisions are made to provide instruction and intervention in increasing intensity or tiers, based on student needs which may

change over time. Instruction should integrate effective strategies across the tiers. We establish a data-sharing culture thinking objectively about struggling students, and discussing quality, culturally- and linguistically- aligned instruction within the tiers. We consider the experiential, cultural and linguistic backgrounds of ML/ELLs for assessment, instruction, and support to develop plans that support ELLs.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

At PS 149Q, our teachers use formative assessments such as checklists, exit slips and teacher observations to inform and drive instruction. Teachers use HMH Into Reading and the Arriba la Lectura Reading Responses to assess students in their ELA and HLA progress. With the data provided from these assessments, teachers group students in small groups, and if necessary, individually, to support students in areas that are challenging and need growth. We also use MClass progress monitoring assessments to ensure students are making adequate growth.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

During the school year, we continue to evaluate the student in their home language by providing translations for Math tests, and in the dual and bilingual classrooms, students are given content area, and ELA, and HLA work. This determines the progress students are making in both their HLA and English. We also use MClass Lectura to screen ELLs in monolingual programs in order to gain information about their home language that we can leverage to teach them English.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

The NYSESLAT is used to evaluate student progress, programs, and to monitor English proficiency growth. Upon examining the EDAT, we identify modalities of strength and weakness to determine ways to tweak our instructional design and make curricular decisions. We also use NYSESLAT proficiency levels to create teacher programs for ENL providers and duly certified teachers to ensure that all students are given the appropriate ENL periods of instruction as per CR PART 154.

The ELA State Test is also used to evaluate the effectiveness of our ML/ELL programs and tweak instructional design and curricular decisions. We determine if students made progress from the previous year and create groups of students that would benefit from more intensive reading or writing supports. It is also used to inform and drive instruction and to monitor student growth. After school programs are created and students are invited using the data from summative exams.

During the State Math test, students have a choice in either taking the tests in English or Spanish. They provide us with data that informs us and assists us in modifying and forming instruction throughout the year. The data is used

to form small groups and determine if Academic Interventions Services are needed.

The overall data from the EDAT is also analyzed in order to inform us of which students need more intense targeting across all content areas. We use the information on attendance to determine if poor attendance contributes to poor student performance. We have been trained on how to use the FURBY Tool to evaluate effectiveness of our programs and inform curricular decisions because it provides access to multiple data points including attendance, state test scores, and progress on the NYSESLAT with information about performance on each modality.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

Our NYSESLAT administration plan is to first run the RLER on ATS in order to identify all ELLs and potential ELLs that need to be assessed. Then we create a schedule within testing the window dates for administration of the Speaking subtest ensuring that no ENL teachers are assessing their own students. If there are any newly registered students during the NYSESLAT test administration window, we administer and scan the NYSITELL to determine eligibility before administering the NYSESLAT. The Listening, Reading, and Writing Sessions are administered primarily in large groupings within the students' classroom setting. Our ELL-SWDs are afforded testing accommodations as per their IEPs. All testing, and scoring is completed as per the testing window dates. The titles of the staff that administer and score the NYSESLAT are Common Branch teachers, ENL providers, and Special Education teachers.

Our ELLs receive mandated services as per their NYSESLAT proficiency score. They will receive mandated services as per CR PART 154. The former ELLs are given "Option A Small Learning Groups" to provide small group support that is rich in language use, collaboration, problem solving strategies, and targeted content based learning for a minimum of 90 minutes per week.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

At PS 149Q, we ensure that current and former ELLs receive necessary accommodations for state assessments. We do this by using the RFSF report to gauge who our current ELLs are and who our Former ELLs are. By looking at the Test Out Year column, we can determine who our Former ELLs are and provide them with extended time accommodations on state tests as appropriate. During the annual review of the students' IEPs, we ensure that students continue to receive testing accommodations which remove barriers to test taking and provide students with the opportunity to demonstrate their knowledge and skills.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

At the beginning of each school year, the ENL Department hosts ELL Program Orientations to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language. During said meetings, parents are provided a high-quality orientation on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners. Usually one meeting is scheduled during the school day and another is hosted in the evening to accommodate varying schedules of parents.

We maintain evidence of said meetings by having parents sign into the meeting. The parent coordinator holds on to the sign-in sheets. We also have parents fill out the Program Agreement and Parent Survey during the meetings and make sure to support them with filling out their surveys at the meetings so we can collect them and enter data in the ELPC screen of ATS. These forms are placed in the students' cumulative record file after parent choice has been entered in ATS.

Parents also receive an email with links to various parent resources available from New York State and NYCPS. Throughout the school year, the Assistant Principal and ENL Coordinator conduct individual meetings for newly identified ELLs as to not interrupt instruction of current ELLs. Sign-in sheets, completed program agreement surveys, emails and PowerPoint presentations all serve as evidence of these meetings. They are housed digitally in Sharepoint and Outlook.

If parents need interpretation in Spanish, many of our staff members are able to provide interpretation. If the parent needs interpretation in a low-incidence language, we call the Translation and Interpretation line for support.

We have sign in sheets as evidence the parents attended the orientation.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

In order to host annual individual meetings to discuss goals for ELLs, we reach out to parents via phone calls, Zoom and even in person.

Going forward, the ELL coordinator will send staff an optional invitation they can send to parents (including translated versions). The ELL Coordinator will also provide teachers with an Annual ELL Parent Meeting Agenda to be used as proof of the meeting. Teachers will fill out the form during the meeting and send the completed copy to the ELL Coordinator. The ELL Coordinator will keep a copy on file in room 411 and send the original to the pupil accounting secretary to place in the student's cumulative record file. We will be using the invitation and agenda and form provided by NYCPS as documentation of Annual Individual Meetings with parents of ELLs.

During said meetings, ENL teachers and classroom teachers work together to ensure all parents of ELLs understand their child's needs in all content areas. Flexibility exists in scheduling these meetings to ensure attendance. Teachers make phone calls to remind parents about in-person meetings and also offer the option to have the meeting over the phone or via a digital platform like Zoom or Google Meets.

If parents need interpretation in Spanish, many of our staff members are able to provide interpretation. If the parent needs interpretation in a low-incidence language, we call the Translation and Interpretation line for support (the phone number is listed on the agenda)

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:

a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

At PS 149Q we ensure that families receive all school communications and documents in the language they best understand. We use responses obtained from the Home Language Identification Survey and update parents preferred language on a yearly basis by using their responses on emergency contact cards. We use the ATS report RAPL (report of adults' preferred language to ensure that we are communicating with the parent in a language that they prefer).
Families are able to respond or initiate communications in languages other than English by pointing to their home language on a Language Card provided by the Office of Language Access (if it is a language other than Spanish). Then we call the Translation and Interpretation hotline in order to find an interpreter. Most of our parents and staff speak Spanish which makes communication seamless. Our low-incidence language speaking parents often bring their own interpreter with them or we are able to support them by reaching out to the T&I hotline.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

At PS 149Q we develop activities that foster empowerment for families of MLs/ELLs by ensuring all parents have an equitable voice in the decision making, planning, and selection process of which activities to host for parents during the school year.
We determine the needs of the community by employing parent surveys during PTA and PAC meetings to determine which workshops, trips and activities will best serve our community.
Our school develops activities to empower families of MLs/ELLs by gathering various stakeholders to review data from parent surveys and focus groups and design activities that will aid families in supporting the academic, social and emotional growth of their children.
We hold several community events during the year with both our CBOs, and our school. All parents are invited to attend. There are flyers, letters, and announcements on Class DoJo, as well as newsletters.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

At PS 149Q we ensure that families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.) by sending home translated flyers with such information as well as posting flyers (in various languages) to ClassDojo.
We determine the needs of the community by employing parent surveys during PTA and PAC meetings to determine which workshops, trips and activities will best serve our school community.
Our school develops activities to empower families of MLs/ELLs by gathering various stakeholders to review data from parent surveys and focus groups and design activities that will aid families in supporting the academic, social and emotional growth of their children.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Two major partnerships are those with City Year and Queens Community House Beacon. These organizations support the needs of our school community. Culturally and linguistically responsive partnerships that support the needs of our school community include relationships with the following organizations: 1. Cornell University Cooperative Extension for Health and Nutrition Education 2. Queens Community House 3. City Year 4. CUNY- we host many student teachers 5. NYU and Fordham R-BERNs 6. Smile NY (Dental Program) 7. US Vision Program NY (Vision Program) 8. Western Queens Prevention Services 9. CASA - Inside Broadway 10. Alley Pond Environmental Center (APEC) 11. Vision Zero Program with the NYC DOT 12. Flamenco Vivo 13. Studio in a School.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

We have begun testing our pre-k students as of June 1st and all other incoming Kindergarten students after July 15 in an effort to streamline our ability to return in September and begin our mandated services earlier.

Our ENL Coordinator also prepares entitlement letters over the summer and has a specific block in her schedule to conduct parent orientations and testing so that we prevent interruption to mandated services.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Sabrina Falsetta, Assistant Principal, I.A.
Karen Verdugo, ENL coordinator
Nelly Rodriguez, ENL teacher
Tania Rodriguez-Valente, ENL teacher
Virginia Terry, ENL teacher
Tracy Laumenede, ENL teacher
Christine McCabe, Literacy Coach
Emilia Reynoso (School Based Support Team Liaison)

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Our school proactively plans for the ELL Identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs by ensuring that the ENL coordinator has a block of time in her schedule when parents normally come to register their students. Other members of the ELL Identification team have designated testing periods built into their programs as well in order to support with testing or parent orientations.

First, the pupil accounting secretary verifies if this student has attended a NYS school within the past 2 years. If this is the case, she requests ELL Identification documentation from the previous school. If the student has been outside of NY schools for more than 2 years, the ENL coordinator administers the ELL Identification Process providing translation services to parents with a Spanish home language or for other languages, using the DOE's over-the-phone translation services.

In order to identify an ELL, the ENL coordinator reviews the parent responses on the Home Language Identification Survey and conducts the CR Part 154 Interview in English and the home language with the family to determine NYSITELL eligibility and SIFE screening eligibility. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.

The ENL Coordinator administers the NYSITELL during registration while the parent completes other registration forms. The ENL Coordinator notifies the parent of ELL status using the Entitlement or non-Entitlement letter and conducts the ELL Parent Orientation (for ELLs) on the spot. The parent watches the NYS ELL Parent Orientation video and gets information about NYS Next Generation Learning Standards and State Assessments. After watching the video, the parent fills out the ELL Program Agreement and Parent Survey. The ELL is placed in the ELL program that the parent selected, and the parent receives a Placement Letter. If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB) within 5 days of administering the NYSITELL.

If time does not permit for NYSITELL testing to occur during registration, another member of the ELL Identification team will administer the NYSITELL within 10 days of admission (or 20 days if the student has an IEP) during their designated testing period or prep and send the parent an Entitlement Letter with an invitation to the ELL Parent Orientation meeting that will be hosted by the ENL Coordinator.

Copies of the HLIS, Interview, Entitlement Letter, ELL Program Agreement and Parent Survey Form, and Placement Letter are kept on file in room 411, the ENL Coordinator's room. Original documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

If a parent provides us with documentation from their home country, or an IEP from another state, specifying that their child was receiving services such as speech, occupational therapy, or has a diagnosis that requires a specialized classroom setting, we inform the school-based support team in order to provide the ELL-SWD with a Comparable Service Plan until a formal IEP can be provided.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Onalis Hernandez

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Elena Cunneely

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Karen	Verdugo	ENL Coordinator	October 23, 2025	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Surveys conducted by your school

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	3	0.28%	2	0.19%	0	0
BENGALI (BANGLA IN BANGLADESH)	17	1.57%	21	1.94%	1	1
CHINESE ANY	1	0.09%	1	0.09%	1	1
ENGLISH	282	26.06%	274	25.37%	ALL	ALL
SPANISH	777	71.81%	780	72.22%	15	40
TIBETAN	2	0.18%	2	0.19%	0	0

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Parent Teacher Conference Notices	We utilize the NYCPS InfoHub templates for covered languages. We will submit a translation request with the translation vendor a month prior to when the notices are needed.
Homework Weekly Letters	Teachers plan and work on translated documents for the grade. These letters are placed on Google Classroom and a paper copy is sent home as well.
Informative school letters/ flyer invitations to events	We utilize the NYCPS InfoHub templates for covered languages. We will submit a translation request with the translation vendor a month prior to when the notices are needed. Staff members will also translate letters or flyers as needed and place on Class Dojo or post to Google Classroom in addition to providing paper copies.
Trip Permission Slips	We utilize the NYCPS InfoHub templates for covered languages. We will submit a translation request with the translation vendor a month prior to when the notices are needed. Staff members will also translate when possible.
Newsletters	We utilize the NYCPS InfoHub templates for covered languages. We will submit a translation request with the translation vendor a month prior to when the notices are needed. Staff members will also translate when possible.
IEPs	We will submit translation requests to the Office of Language Access for a free translation

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Family Night	We utilize our bilingual staff and over-the-phone interpretation services.
Parent Teacher Conferences	We utilize our bilingual staff and over-the-phone interpretation services.
Parent Workshops	We utilize our bilingual staff and over-the-phone interpretation services.
Parent Orientations	We utilize our bilingual staff and over-the-phone interpretation services.
Language Proficiency Team Meetings	We utilize our bilingual staff and over-the-phone interpretation services.
IEP Meetings	We utilize our bilingual staff and over-the-phone interpretation services.
Student Progress/ At-Risk/ Promotion-in-Doubt Meetings	We utilize our bilingual staff and over-the-phone interpretation services.
School Leadership Team Meetings	We utilize our bilingual staff and over-the-phone interpretation services.
ELL Parent Orientations	We utilize our bilingual staff and over-the-phone interpretation services.
Annual ELL Parent Meetings (CR Part 154 Mandate)	We utilize our bilingual staff and over-the-phone interpretation services.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

During a school-wide emergency, our school will send out an automated phone call via phone messenger which provides information in parents' preferred languages. Additionally, we will send a message via Class Dojo which provides parents translation to their preferred language.

For individual student-specific issues and emergencies we will utilize bilingual staff and over-the-phone interpretation services to contact parents in their preferred language.

If a parent who prefers a language other than English contacts the school, we will identify who the parent is and their preferred language using Student Profile or the RAPL ATS Report. We will then contact the over-the-phone interpretation vendor for support if the preferred language is a language other than English or Spanish.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

PS 149Q will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based staff on the WeLearnNYC learning platform by providing staff time to complete the session on a Monday afternoon during Admin-directed Professional Learning time.

The Language Access Coordinator will ensure staff members are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents by sending an email to the faculty at the end of the school year, at the beginning of the school year, and the week before parent teacher conferences in the fall and spring.

The Galaxy-designated LAC will disseminate future language access resources available to our school in order to meet compliance through staff meetings, faculty conferences, and memos. The Language Access Team will hold a meeting at the beginning of the school year and ensure staff members are aware of the CR A663 and the resources available to our school through memos, and emails during the school year. All staff members are given information on the Translations and Interpretation Unit and the services they offer to communicate with parents such as the OPI Desk Aid, and OPI Guidance for PTC Conferences. The Language Access Coordinator will continue posting new information, such as numbers as well as translated documents services on the school's SharePoint and via Faculty Email on Outlook to ensure all staff members have equal access to resources.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

At PS 149 we will continue to provide Translations and Interpretations Services and pertinent information to limited English Proficient parents in order to ensure they are aware of important school events and updates. This information will be provided in their preferred language. When teachers hold meetings, an over the phone translator is called in to ensure clear communication between all stakeholders. Parents are given brochures, flyers, letters, in their preferred language. During initial meetings parents are informed of such services. We use parent intake information during registration as well as the Home Language Identification Survey to gather information on parent's preferred language. The availability of these services will be communicated to parents through CR A663, as well as visibly posted signs throughout the school. Our school will continue to be kept well informed of any changes, and additions to all services available and provide this information to all stakeholders (parents/caregivers, staff members, etc.) This information will be provided through emails, discussed at meetings, on Class DoJo, and Google Classroom, as we l as phone calls made home. Parents in need of interpretation services will be offered the opportunity to have one through telephone conferences with the T & I Unit or with a bilingual staff member. Teachers are given the numbers to the T & I Unit and use the services when meeting with parents PTA, ENL, PTC, etc.) The meetings are arranged in advance using the translated forms or letters.

Language Access for NYC Public Schools Families brochure will be posted in the main office, parent coordinator's office, digitally on Class DoJo by the parent coordinator, and on monthly school Newsletters, and postings throughout the school.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

PS 149Q will use the information parents provide on the Parent Survey on Language Access and needs assessment survey to ensure that parents and caregivers receive the availability of services they require to be kept well informed of their child's education. A parent focus group is held at the end of the school year to gather feedback regarding language services.

We send parents that have a preferred spoken or written language other than English a language survey in their language. We analyze responses to see if any changes can be implemented to our translation and interpretation services.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

At PS 149Q upon receipt of the feedback provided to us during parent registration surveys and forms filled in their preferred language, we will use the information to better improve our language services as well as the RCLP to become aware of the variety of spoken and written languages we have in our school. To date, we have communicated well with parents, and no parent has complained that we do not communicate or do not provide translation services for them. For the following year, we will continue using in person staff to support home school connection, and to continue as a school to use the Translations & Interpretations Unit to reach all our parents with low-incidence languages. To further improve our spoken communication with our parents who prefer a language other than English, we will also expand our interpretation services by using the Hello tool on TeachHub to cover additional languages.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School,Before School

Total number of ELLs to be served in this program:

130 ELLS

Grades to be served in this program. Select all that apply.

,1,2,3,4,5,K

Total number of teachers in this program:

8

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

4

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

4

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Our ENL Before School Program will take place in person and will consist of Newly arrived ELLs at the Entering and Emerging Levels. ELLs will engage in activities that foster their reading oral language development. This program will consist of 2 groups of 20 students. One group will have 2-3rd graders and the other group will have 4-5th graders. Instruction will be delivered in person by a bilingual licensed teacher. The program will be supervised by Onalis Hernández, Principal, at cost to Title III ELL.

Our After school program will take place remotely and consist of ELLs across all grades and include Newcomers and Developing ELLs. The K-1 groups will contain mixed proficiency level ELLs with a focus on ELLs that are at the cusp of moving to the next proficiency level (1-10 points to the next level on the NYSESLAT). In grades 2-5 we will target Transitioning and Expanding ELLs that are on the cusp of moving to the next proficiency level (1-10 points to the next level on the NYSESLAT). The EDAT will be used to analyze ELL data in order to target Transitioning and Expanding students on the cusp of moving to the next proficiency levels. Instruction will be delivered remotely. Each teacher will have a Google Classroom for their group. The program will be supervised by Onalis Hernández, Principal, at cost to Title III ELL.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Our After School program will focus on ELL students across K-5, and two (2) Classes of newly arrived students. The ELLs and our SWDs as a subgroup continue to fall behind district wide. This program will focus on pushing the ELLs who are at the cusp of becoming proficient and need the extra enrichment especially in listening, reading and writing modalities.

The Bridge classes will focus on Newcomers at the Entering and Emerging levels and any Developing ELLs that have not moved out of these levels yet. These students need support and practice in all four modalities as well as develop language skills.

Historically, our ELLs have needed support in Writing and Reading. NYSESLAT data will allow us to determine which students will be serviced by this program.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Our after school program will serve 90 ELLs in total (15 ELLs per grade) In K-2, the program will serve Newcomer ELLs of mixed proficiencies: Entering, Emerging, Transitioning and Expanding. In grades 3-5, the program will serve Newcomer and Developing ELLs at the Transitioning and Expanding proficiency levels.

The Before School program will serve 30 ELLs in total. (15 students per class) These will be bridge classes for Newcomers in Grades 2-3 and Grades 4-5 who need specific foundational skills and are at the Entering or Emerging proficiency levels.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The program will take place 2 times per week for approximately 1.5 hours each day. The after-school program will take place during remote learning beginning 1/13/2026 to 4/30/2026, with the approval of the Supervisor as per Chancellor's Regular C-175.

An in-house before school program will be offered as well. This program will take place on Wednesdays, and Thursdays from 7:00am-7:55am for the Newcomers Bridge classes (2).

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction will be English but home language support will be provided whenever possible.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

There will be 8 certified teachers in both TESOL and Content Area who work the ENL After school program. The program will take place both Remote and In person for the Newcomers Bridge Classes. Six teachers will work remotely (K-5) and two teachers in person (2/3 bridge), and (4/5 bridge).

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Many ELL students in K-5 will be offered a program that focuses on all four modalities with an emphasis on Writing instruction because that is the area that is the most challenging as per NYSESLAT data and student data. In Kindergarten the program will focus on Foundational skills using TEAM Toolkit program and in Grades 1-5 the program used will be "Measuring Up for English Language Learners: Preparing Students for the NYSESLAT," and for the Bridge Classes (2/3 and 4/5) the program used will be "Measuring UP" Foundations. These materials are supplemental and distinct from those used for daily instruction during the school day.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Students will receive a workbook (TEAM, or Measuring Up workbooks depending on the grade), a notebook, pencils, and support with joining Google Classroom prior to the start of the program. The materials used will be used solely for the After School program. Documentation of rosters and attendance for Title III ELL programs will be kept in a Title III Binder in room 411.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Professional development under the Title III ELL Program would be as follows:
Professional Development sessions will take place during professional development times on Monday afternoons. During PD teachers will have the opportunity to look at and share data then discuss trends to target instruction. PD will be selected and planned to meet the needs of instruction in for ELLs attending Title III programs.

Our planned PD Topics are as follows, with no cost to Title III:
Unpacking NYSESLAT tasks with a focus on demands for Listening and Writing, Analyzing various data points to develop targeted ways to support ELLs, vocabulary development and sentence expansion for ELLs, & Strategies to support newly arrived ELLs. Optional PD is also shared with the staff when it becomes available on remote DOE websites.

Title III funds will be used to prepare teachers for the afterschool program in using the "Measuring Up" for ELLs. Records of our PD's will be kept on file with attached Agendas and Attendance sheets.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

At PS 149Q, our students, specifically our ELLs need specialized instruction and strategies that will support their learning and success across all four language domains with an emphasis on Writing and Listening.

In analyzing NYSESLAT data, and classroom tasks, it is evident that students need support with writing expanded and compound sentences. Additionally, teachers have indicated in surveys that they would benefit from support for teaching students to expand their writing.
The support and materials used must extend to the average school day. Our ELLs attending the program will have specific ENL proficiency levels in each class. They will receive targeted support that addresses their language proficiency needs. The professional development offered the teachers will be to review the student data, proficiency levels, and the program they will be using which focuses on honing in on Writing Skills.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

There will be eight (8) teachers working the after-school program. We plan on having two professional development sessions where the materials teachers use will be reviewed, as well as student data. We will have another professional development mid-year to monitor student progress. The professional development will take place remotely. Attendance will be monitored to ensure students are attending the program receiving the necessary support. A presentation with the program's expectations will be shared with the teacher. Teachers will take attendance at every meeting.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

The Title III ELL Professional Development activities will take place remotely, approximately two times in the school year. One professional development activity will take place in the Fall, and one professional development will take place in the Spring. Each activity will take place when students are not in session. The tentative dates for the PD will be January 8th, 2026, and February 26, 2026 from 2:30-4:30PM.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

The purpose of the PD is to learn about the proficiency levels of the students in their program, analyze the student's strengths and weaknesses, learn about the materials and delivery of instruction and to assess and monitor student progress. The topics to be discussed during the After school professional development will be: Student data,

language proficiency levels, strengths and weaknesses as per the NYSESLAT 2025 Spring Proficiency results, movement from previous years, the materials to be used during the program, TOMs, attendance recording, and tracking student success and engagement. The teachers will be using the following materials for the after-school program: Grades 1-5 will be using Measuring UP levels A-C. The two Newcomer program will be using Measuring Up Foundations Levels A & B. Kindergarten will be the TEAM Toolkit program Level A. During the professional development sessions, we will review the materials and create a pacing calendar.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Sabrina Falsetta, Assistant Principal, will provide Title III ELL Professional Development.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Documentation of professional development provided using Title III ELL funds will be kept in a Title III Binder in room 461.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

The purpose of the parent engagement activities is to include parents as partners in the learning life of their children and to support parents with learning strategies on how to support their child's learning at home. Parents will need to know the various proficiency levels in English proficiency as well as what is expected of their child in order to become English language proficient. Parents need to be informed that the purpose of the after-school programs is to also prepare their child for the NYSESLAT exam as well as support them in language acquisition. The cost of the Family Engagement activities will be at cost to Title III ELL funds.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

The purpose of the parent engagement activities is to include parents as partners in the learning life of their children and to support parents with learning strategies on how to support their child's learning at home. Parents will need to know the various proficiency levels in English proficiency as well as what is expected of their child in order to become English language proficient. Parents need to be informed that the purpose of the after-school programs is to also prepare their child for the 2026 NYSESLAT exam as well as support them in language acquisition. Parent Surveys will be taken into account to address all the concerns, and needs of the parents.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Title III ELL family engagement activities, will be provided for parents two times during the year in order to provide them with information on the purpose of the After-school program and ways they can support their children's academic progress. The tentative dates are: 1/21/26 and 3/4/26. Each meeting will last approximately 30 minutes.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

The purpose of the Title III ELL family engagement activity is to inform them of the assistance their child will be receiving and how they can best support their children at home. We will explain how the extra support in acquiring English Language proficiency will assist them in becoming English proficient as well as prepare them for the NYSESLAT. Topics to be covered are the various English language proficiency levels, the mandated periods of instruction, the structure of the NYSESLAT and how it assesses all four modalities (Speaking, Listening, Reading, Writing). The purpose of the ENL After school Program, and how it is structured to support the students in learning and acquiring English proficiency will be discussed. Teachers will ask parents for support in monitoring their students while working remotely. The materials used will be explained, the concepts taught and the duration of the program and times will be reviewed.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Sabrina Falsetta, Assistant Principal IA , and after-school teachers will be the providers of Title III Family Engagement activities .

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Families will be notified of Title ELL family engagement activities via various platforms of communication such as Class Dojo, Google Classroom, and paper flyers. The dates will also appear on school calendars.

Notification of activities are translated into parent/guardian preferred language automatically by class Dojo and by Google Classroom. Interpretation supports are provided at events by employing bilingual staff members.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

All documentation of family engagement activities, such as notifications to families, attendance and agendas, will be kept in a Title III Binder in room 461.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem		
Purchased services -High quality staff and curriculum development contracts.		
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.		
Educational Software (Object Code 199)		
Travel		
Other		
TOTAL		

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Before School,After School

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5

Total number of teachers in this program:

8

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

Program 1. Newly Arrived Immigrants
-program will take place before school hours
-Activities include: introduction to American educational system, develop oral language and listening skills, social emotional development
-2 groups of 20: 2-3rd grader newcomers and 4-5th grade newcomers
-Instruction will be delivered via in-person direct instruction with varied opportunities for small group activities before school starts from 7:00-7:55
-Supervision will be responsibility of Assistant Principal, IA Sabrina Falsetta. Official work hours are 7:15AM-3:15 PM.

Program 2: Growing Immigrants

-The program will take place remotely after school hours.
-Activities include: developing reading comprehension, oral language and listening skills, social emotional development, small group lessons targeting reading, writing, listening comprehension and speaking modalities. Methods include guided and close reading activities, developing listening skills, oral language skills, incorporating choral reading, use of chants, and music to build fluency and vocabulary.
-Students will be grouped for instruction in groups of 20. Students will be selected in terms of their date of arrival, grade level, and language proficiency level (if applicable). There will be 6 groups, one group of 20 per grade composed of ELLs of the Emerging, Transitioning, and Expanding proficiency levels.
-Instruction will be delivered via direct instruction with varied opportunities for small group activities before school from 7:00-7:55
-Supervision will be responsibility of Assistant Principal, IA Sabrina Falsetta. Official work hours are 7:15AM-3:15 PM.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

Program 1. Newly Arrived Immigrants
In response to an influx of immigrants, our school would like to create a program that will support recently arrived students in acquiring social and academic vocabulary necessary to be successful in school. This program will focus on learning Basic English conversational skills as well as listening comprehension to support classroom instruction and NYSESLAT administration if applicable. Data sources used to justify the need for this program include the RYOS report from ATS that tells us that we have many students with 0-3 years of service. Additionally, these students are currently scoring low on classroom assessments and are performing below grade level on mClass and iReady assessments.

Program 2: Growing Immigrants
In response to an increased number of students scoring at Expanding proficiency levels as per review of the FURBY Tool to analyze NYSESLAT performance data, we feel it is necessary to target students early in order to prevent them from becoming long-term ELLs in the future. Data sources used to justify the need for this program include mClass, iReady, and NYSESLAT data in addition to classroom level performance on module assessments.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

Program 1. Newly Arrived Immigrants
-2 groups of 20 students
-2nd-3rd grade newcomers and 4th-5th grade newcomers. The grade levels of students served in this program include Grades 2, 3, 4, and 5.
-Subgroups served in this program will consist of Immigrant Newcomer ELLs at Entering proficiency levels who are recently arrived in the United States.

Program 2: Growing Immigrants
-6 groups of 20 students
-The grade levels of students served in this program include K, 1, 2, 3, 4, and 5.
-Subgroups served in this program will consist of Immigrant Newcomers and Developing ELLs at Emerging, Transitioning, and Expanding proficiency levels.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

Program 1. Newly Arrived Immigrants
Start date: January 13, 2026
End date: April 30, 2026
Days: Tuesdays, Wednesdays, and Thursdays
Time: 7:00AM - 7:55AM
Duration: 55 minutes

Program 2: Growing Immigrants
Start date: January 13, 2026
End date: April 30, 2026
Days: Tuesdays, Wednesdays, and Thursdays
Time: 4:45-5:45 PM
Duration: 60 minutes

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

The language of instruction will be English with appropriate home language supports when necessary.

Number and Types of Certified Teachers

For each Title III Immigrant funded program, include number and type(s) of certified teachers.

Program 1. Newly Arrived Immigrants
2 Bilingual certified teachers

Program 2: Growing Immigrants
6 TESOL or Bilingual certified teachers

Types of Materials

For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

Program 1. Newly Arrived Immigrants
-The materials used in this program will be Spanish and English libraries, sentence and conversational prompts, notebooks, writing tools, visuals, vocabulary cards, and interactive videos that introduce students to the English language as well as build vocabulary. These materials are exclusively for Title III and are distinct from what is being used during our regular school day. These materials are stored in the ENL Materials 4th Floor closet.

Program 2: Growing Immigrants
The materials used in this program will be A-Z Reading and Writing, Spanish and English libraries, sentence and conversational prompts, notebooks, writing tools, visuals, vocabulary cards, and interactive videos that introduce students to the English language as well as build vocabulary. These materials are exclusively for Title III and are distinct from what is being used during our regular school day.

Materials will be purchased using Title III Immigrant funds.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

The school plans to notify parents/guardians about the programs by sending a letter. We will maintain copies of the letters sent in the school's title 3 binder.

We will maintain evidence of immigrant children and youth served for each Title III Immigrant supplemental program by using:
• keeping copies of invitation letters sent home to parents with program explanation, teacher names, and dates of the program
• creating and ensuring that student rosters clearly include the teacher, proficiency level (if applicable) and dates of attendance

Titles of the staff that will administer the program include: Classroom teachers, Bilingual Teachers, and ESOL Teachers. Titles of the staff that will monitor the program include: Assistant Principal and Principal.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

In order to support teachers, it is important to provide professional learning opportunities focused on how a language is acquired, ways to foster language development, and the emotional and cultural components associated with language learning to keep in mind when teaching newly arrived students.

Teachers will receive data obtained from the NYSITELL, NYSESLAT, screeners, diagnostic assessments, and classroom level assessment data. Teachers will review the TOMs (Targets of Measurement) to help them incorporate these skills in their instruction. Teachers will also review a sample of the NYSESLAT exam and align it with their teaching practices. The new materials will be reviewed with the teachers.

The Professional Development will be at cost to Title III Immigrant Funds.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

The rationale for the Title III Professional Development program is to provide our new immigrants with the language support in addition to the delivery of instruction everyday. Students are being given screeners three times a year to assess their knowledge in the English language and English skills such as vocabulary, phonics, phonemic awareness and fluency. This program will help support these areas in need. Immigrant students is based on the idea that it is important to provide professional learning opportunities. Another rationale for the program is to support teachers in creating supportive environments that are tailored to exposing our newly arrived ELLs to our school and build vocabulary that is necessary to communicate in English, as well as to allow for a transfer of skills from the native language to English language development.

Title three funds will be used for this program. During the professional development, teachers will be analyzing their mClass and I ready data, as well as classroom. The program will be funded through Title III. The teachers are very knowledgeable in addressing the needs of our ELLs. They used various strategies and methodologies and will use the targets of measurement to address literacy needs while implementing vocabulary and developing or language skills.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

The following teachers will be receiving training:
Shannon Fisher
Tracey Wells
Carmen Alarcon
Nelly Rodriguez
Jennifer Butler
Isabel Hernandez
Maria Medina
Tania Rodriguez

Teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program throughout the duration of the program.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Title III Immigrant Professional Development Activity 1: Screener, Diagnostic, and State Test Data Analysis
Date: Thursday, January 8, 2026
1 Session
Time: 2:30-4:30
Duration: 2 hours

Title III Immigrant Professional Development Activity 2: TOMs and Language Objectives, NYSESLAT and Best Teaching Practices
Date: Thursday, February 26, 2026
1 Session
Time: 2:30-4:30
Duration: 2 hours

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

Professional Development Activity 1:
-Screener data analysis,
-Diagnostic data analysis
-State Test Data (NYSESLAT modalities) analysis

Professional Development Activity 2:
-unpacking the TOMs
-developing Language Objectives
-strategies to support language development
-aligning NYSESLAT with instruction
-Best Teaching Practices: best practices for embedding the habits of mind, integrating, social, emotional learning for students, and creating a welcoming and supportive classroom community.

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

The name of the provider will be Assistant Principal, IA Sabrina Falsetta

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

In order to maintain documentation of professional development provided using title three immigrant funds, we will maintain attendance sheets and a copy of provided materials to teachers in our title III Immigrant funds binder.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

In sum, family engagmenent activities under Title III Immigrant program include: Onsite Support with ClassDojo, Onsite NYC Schools Account support, Outreach and Support with Middle School Applications, NYSESLAT breakdown, Parent Orientations, Progress Meetings, and Social Emotional Support. These activities will acclimate and support parents of Immigrant and ELL students with the many aspects of schooling. These activities will be at no cost to Title III funds.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

Activity 1: Onsite Support with ClassDojo (ongoing and at no cost to Title III)
Parents have expressed a need for support with technology in order to be able to communicate with classroom teachers. Parent coordinator, and ENL coordinator provide parents with assistance in joining the correct classroom during registration. Parent coordinator also hosts meetings to explain how to use ClassDojo.

Activity 2: Onsite NYC Schools Account support (ongoing and at no cost to Title III)
As per our 65% NYCSA member rate, it is necessary to provide ongoing support to parents. The Parent Coordinator provides parents with monthly meetings to support this need.

Activity 3: Outreach and Support with Middle School Applications (ongoing and at no cost to Title III)
-In response to Middle school application response rate data, and as a joint effort by Guidance Counselors, Parent Coordinator and ENL coordinator, students that have not completed their middle school applications well in advance of the designated deadline are targeted and invited to get one on one support with completing the application with our staff.

Activity 4: What is the NYSESLAT? (at no cost to Title III)
-In response to the high percentage of ELLs that take the NYSESLAT at our school, we host a meeting for parents of lower grade students and upper elementary students to unpack the NYSESLAT and how we use the results to support their children.

Activity 5: ELL Parent Orientations (ongoing and at no cost to Title III)

Activity 6: Progress Meetings (ongoing and at no cost to Title III)

Activity 7: Social Emotional Support Group for Parents (at no cost to Title III)
In response to parent survey data and requests from parents.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

The parent engagement is planned for March 3, 2025 and will last one hour from 8:30 AM to 9:30 AM. There will be additional parent engagement meetings throughout the year. There will be a minimum of two sessions. The next session will be Tuesday, April 21.

Activity 1: Onsite Support with ClassDojo (ongoing and at no cost to Title III)
Start and end dates: Ongoing with availability at 8:30 and 2:45 pm.
Total number of sessions: Ongoing
Days of sessions: Monday-Friday at 8:30 and 2:45
Time and duration of sessions: As needed

Activity 2: Onsite NYC Schools Account support (ongoing and at no cost to Title III)
Start and end dates: Ongoing with availability at 8:30 and 2:45 pm.
Total number of sessions: Ongoing
Days of sessions: Monday-Friday at 8:30 and 2:45
Time and duration of sessions: As needed

Activity 3: Support with Middle School Applications (2 in-person meetings, 1 remote meeting and ongoing support as needed. at no cost to Title III)
Start and end dates: October 14, 2025, and October 21, 2025, and ongoing as necessary
Total number of sessions: 2 meetings (1 in-person and one remote) and as needed one on one support
Days of sessions: morning and after school meetings held in person on October 7 and remotely on October 9, 2024, and one on one support provided on an ongoing basis.
Time and duration of sessions in-person meeting: 8:30-9:15 & 2:30-3:15 and remote meeting: 6:00-7:15, ongoing one on one support at 8:30 and 2:45 pm, as well as by appointment

Activity 4: What is the NYSESLAT? (at no cost to Title III)
Start and end dates
Total number of sessions: 2 sessions

Days of sessions: Tuesday
Time and duration of sessions

Activity 5: ELL Parent Orientations (ongoing and at no cost to Title III)
ongoing as needed for newly admitted students

Activity 6: Annual ELL Progress Meetings (ongoing and at no cost to Title III)
ongoing as needed

Activity 7: Social Emotional Support Group for Parents (at no cost to Title III)
Start and end dates: Every other Thursday from November-June
Total number of sessions: Weekly throughout the school year
Days of sessions: Wednesdays
Time and duration of sessions: 8:30-9:30AM

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

Topics to be discussed at our meeting include: our roles as building leaders, parent-school liaison, and activities, and purpose of title 3 immigrant programs, and how they are tailored to provide additional support to our ells, who have newly arrived in the country, and or newcomers. We will discuss how teachers use foundational skills from the student's native language to transfer them to English language development. Guidance counselors, and the social worker will explain their purpose in the school building and how they will support the Transitioning students to enable them to be successful in a new academic system.

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

The providers will be hosting. The parent engagement meeting will be principal Onalis Hernandez, assistant principal, IA Sabrina Falsetta, parent coordinator Adriana Gil, guidance counselors Odalis Fernandez and Juan Barrios, social worker Silvia Gallegos, and ENL Coordinator Karen Verdugo.

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Parents will be notified through a letter with appropriate translations and through class dojo postings with appropriate translations as well. The information will be translated using Microsoft translator, or Google translate, or

in-house translators. A bilingual staff member will serve as an interpreter during meetings.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Copies of flyers, meeting invitations, attendance lists, and agendas for meetings will be maintained in the title III binder.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):
