2025-2026 COMPREHENSIVE EDUCATIONAL PLAN (CEP)

DBN
30Q228

SCHOOL NAME
The Ivan Lafayette Early Childhood School of the Arts

PRINCIPAL
Robert Peña Díaz

Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

PS 228Q

District Borough Number (DBN):

30Q228

Grades Served:

PK - 2nd

School Address:

32-63 93rd Street, East Elmhurst, NY 11369

Phone Number:

718 899-5799

Fax:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Robert Peña Díaz	Principal or Designee*	
Claudia Palazzo	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Francy Herrera	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
N/A	District Council 37 (DC 37) Representative (staff), if applicable	
Stephanie Pérez	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	
N/A	Student Representative (Required for middle and high schools)	
N/A	CBO Representative, if applicable	
Diana González	Member/Speech Therapist/SLT Chair/SIT Member	
Gina Amador	Member/Teacher	
Claudia Martínez Ocampo	Member/Teacher	
Cesli Padilla	Member/Parent	
Martha Rey	Member/Parent	
Lucy Suárez	Member/Parent	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature
Angélica Cornejo	SIT Member/Teacher	
Evelyn García	SIT Member/IEP Teacher	
Darlin Díaz	SIT Member/MTSS Teacher	
Dr. Leticia Pérez	ENL/Bilingual Coordinator/SIT Member/Teacher	
Myrna Franco	School Guidance Counselor	
Wendy Orellana	School Social Worker	
Anna Sfakianos	Attendance Coordinator/School Aide	

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Mission:
At P.S. 228Q, we are committed to nurturing life-long scholars while fostering an inclusive community where every child is inspired and empowered to reach their individual potential. We provide equitable access for all learners, honoring their uniqueness while maintaining high expectations. Together, we create a safe space where all voices are valued, preparing students to become productive citizens in their community.

Vision:
P.S. 228Q will be recognized for the commitment to its community, staff excellence, building biliteracy, and preparing students to be successful in the 21st century.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P.S. 228Q is an Early Childhood Magnet School of the Arts, providing Pre-K through second-grade instruction to a total of 193 students. To meet the needs of our diverse student population, our class offerings include Dual Language Education (DLE) in both General Education and Integrated Co-Teaching models, Monolingual General Education, Transitional Bilingual Education (TBE) Self-Contained 12:1:1 Special Education classes, and English as a New Language (ENL) services.

Out of 163 students in grades Kindergarten through second grade, 114 are general education students, and 48 are students with individualized education plans (SWIEPs). Among our students in these grades, 107 have been identified as Multilingual Learners (MLs) or English Language Learners (ELLs), and three are currently Former ELLs (FELLs). 121 students participate in one of our bilingual programs, either DLE or TBE.

Our students benefit from a variety of partnerships that enhance their learning experiences. These include the Smith Academy Enrichment (SAE) After-School Program, Newtown High School Collaboration, and Cornell Nutrition Workshops for Families.

In addition, we collaborate with various local and city colleges, which provide mentoring and hands-on learning opportunities that both an enriched internship experience and support students' academic growth, language development, and social-emotional well-being. Our Student Teacher Pipeline program also strengthens classroom support and fosters professional development for aspiring educators, ensuring our students receive high-quality instruction. We collaborate with the 115 Precinct's Community Affairs Point Person who engages with our students in learning about staying safe.

Briefly summarize the key initiatives your school will implement this school year.

Goal 1: Strengthen Foundational Literacy in English and Spanish

Focus Areas: Literacy Shifts 1, 3, & 5; Double Phonics Periods; Sound-Spelling Transfer Kits; Really Great Reading; Aprendo Leyendo

Objective: Ensure all students build strong decoding and phonemic awareness skills in both English and Spanish.

Success Metrics:
- Increase K–2 foundational phonics mastery (per mCLASS DIBELS 8 & Lectura)

Monitoring Checkpoints:
- mCLASS (DIBELS 8 & Lectura): BOY, MOY, EOY progress monitoring
- Core Phonics Survey (Eng./Span.): small-group data checks
- Grade Data Chat Meetings: Review growth and adjust intervention groups

Goal 2: Deepen Academic Language and Engagement through Content-Language Integration

Focus Areas: Content-Language Objectives; QTEL Strategies (Back-to-Back, 4-Corners), Cross-Linguistic Strategies

Objective: Embed daily opportunities for students to use academic language orally and in writing to demonstrate understanding across all content areas.

Success Metrics:
- 100% of observed lessons include posted and referenced content-language objectives.
- Students demonstrate growth in oral language proficiency via QTEL and classroom discourse observations.

Monitoring Checkpoints:
- Instructional Walkthroughs & Classroom Inter-visitations
- Student Discourse Samples: Collected quarterly and analyzed in Data Chats
- Teacher Reflections: Weekly in Data Chats

Goal 3: Increase Mathematical Understanding through Discourse and Quality Materials

Focus Areas: Math Shifts 3 & 5

Objective: Foster student reasoning and problem-solving through rich discussion and consistent use of high-quality instructional materials.

Success Metrics:
- Increase % of students meeting grade-level expectations on MOY math benchmark from 26% to 30% by EOY.
- 90% of observed math lessons include intentional discourse opportunities (student talk vs teacher talk).

Monitoring Checkpoints:
- Classroom Observations: Monthly, using math discourse rubric
- Grade Data Reviews: Periodically during Data Chat to analyze task and performance
- Math Walks with Coaches/Admin: Quarterly

Goal 4: Build a Strong, Inclusive School Culture that Reflects Student Voice and Family Engagement

Focus Areas: Artists/Composers of the Month, VTS, Student Council, Mascot & Logo Branding, Cafecito & Conversations, Restorative Circles

Objective: Foster a culturally responsive environment where students and families feel represented, heard, and connected to the school community.

Success Metrics:
- 90% of students report (via climate survey) feeling “proud of and represented in my school” by May.
- Increase family participation in Cafecito & Conversation sessions by 20% by Spring.
- Student Council established and facilitating at least one schoolwide initiative per season (Fall/Winter & Spring).

Monitoring Checkpoints:
- Climate Surveys: Beginning-of-Year, Mid-year, and end-of-year (e.g. Leader in Me, NYC PS Annual Survey)
- Family Event Attendance Logs: Tracked monthly
- Student Council Meeting Notes: Reviewed quarterly

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA /Reading	K-2	HMH	Core (English/Spanish)
ELA /Reading	1	The Literacy Lab	MTSS/AIS/RTI
ELA /Foundational Reading Interventions & Support	K-2	University of Florida Literacy Institute (UFLI) Foundations	MTSS/AIS/RTI
ELA /Foundational Reading	K-2	Really Great Reading K-2	Core (English)
Math	K-2	enVision Mathematics	Core (English/Spanish)
HLA/Foundational Reading	K-2	Aprendo Leyendo	Core (Spanish)
ELA/HLA/Foundational Reading	K-2	Sound-Spelling Transfer Kit to support with Cross-Linguistic Transfer	Supplemental Support (Englis/Spanish)

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
June 2025, 59% of students were able to achieve at or above level in ELA according to the EOY mCLASS Dibels 8	Variability in phonics, vocabulary, and comprehension instruction, along with inconsistent targeted support for struggling readers, leads to gaps in decoding, fluency, and reading automaticity. Progress monitoring is inconsistently applied, and teachers require a stronger grounding in the science of reading and data-driven instruction. English Learners, students	Ensure all students receive high-quality phonics, vocabulary, and comprehension instruction, with targeted support for struggling readers to build decoding, fluency, and reading automaticity. Provide professional development on the science of reading, progress monitoring, and using assessment data to guide instruction. Address learning barriers for English Learners, students with limited vocabulary, and students with IEPs (SWIEPs), while supporting

assessment. Meaning 41% did not meet benchmark in ELA.	with limited vocabulary exposure, and students with IEPs (SWIEPs) may face challenges due to limited home literacy support, family socio-emotional needs, and caregivers' constrained availability because of work or other responsibilities, impacting learning growth.	families' ability to engage in literacy development despite socio-emotional or work-related constraints.
June 2025, 65% of students were able to achieve at or above level in HLA according to the EOY mCLASS Lectura assessment. Meaning 35% did not meet benchmark in HLA.	Variability in phonics, vocabulary, and comprehension instruction, along with inconsistent targeted support for struggling readers, leads to gaps in decoding, fluency, and reading automaticity. Progress monitoring is inconsistently applied, and teachers require a stronger grounding in the science of reading and data-driven instruction. English Learners, students with limited vocabulary exposure, and students with IEPs (SWIEPs) may face challenges due to limited home literacy support, family socio-emotional needs, and caregivers' constrained availability because of work or other responsibilities, impacting learning growth.	Strengthen structured, systematic, evidence-based instruction with targeted support for all students struggling in foundational skills. Enhance progress monitoring, interpreting assessment data, and adjusting instruction to meet students' needs. Offer interventions for diverse learners (MLs, SWIEPs), leverage students' home languages, and build teacher and family awareness of cross-linguistic transfer and metalinguistic strategies. Provide resources and guidance to overcome home literacy and engagement barriers.
June 2025, 53% of students achieved at or above benchmark demonstrating balanced biliteracy development according to the EOY mCLASS Correlation Report (Dibels 8 & Lectura). Meaning 47% did not demonstrate balanced biliteracy development.	Children enter school with differing levels of proficiency in one or both languages, impacting their ability to access instruction, curriculum, and participate fully. Students have inconsistent oral language opportunities to develop oracy skills, and some face language-based challenges that impact comprehension and expression. More time and opportunities needed for language-rich instruction and targeted interventions. Students' home environments vary in language exposure and literacy practices, influenced by caregivers' own language skills, literacy levels, and availability to support learning.	Implement differentiated instruction that meets students where they are in both languages, ensuring access to curriculum and full participation while building bilingual skills. Provide consistent, structured opportunities for students to develop listening, speaking, and expressive language skills in both languages, including targeted support for students with language-based challenges. Integrate daily, intentional language-building activities and targeted interventions that strengthen vocabulary, comprehension, and cross-linguistic connections in both languages. Support families in fostering literacy and language development at home, providing resources, strategies, and guidance that respect home languages, varying literacy levels, and caregivers' availability.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	29%	By June 2026, literacy in English for All Students will improve, as measured by a 4% Increase, from 29% to 33%, of students who achieved at or above benchmark on the mCLASS Dibels 8.
All Students	48%	By June 2026, literacy in Spanish for Students in a Bilingual Program (DLE/TBE) will improve, as measured by a 6% Increase, from 48% to 54%, of students who achieved at or above benchmark on the mCLASS Lectura.
All Students	45%	By June 2026, Biliteracy for All Students in a bilingual program (DLE/TBE) will improve, as measured by a 5% Increase, from 45% to 50%, of students who achieved at or above benchmark demonstrating balanced biliteracy development on the mCLASS Correlation Report (Dibels 8 & Lectura).

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Our school is committed to developing bilingual, biliterate, and bicultural learners. This year, we are focusing on three high-leverage priorities to strengthen instruction and support language transfer.

First, we will strengthen core biliteracy instruction by delivering daily lessons with clear objectives in both languages, embedding cross-linguistic and metalinguistic strategies, and using structured resources such as the Benchmark Sound-Spelling Transfer Kit, Really Great Reading, and Aprendo Leyendo.

Second, we will enhance targeted supports through MTSS by using assessment data to identify students in need, providing small-group instruction in their dominant or developing language, and co-planning interventions with general educators, ML Coordinators, MTSS Interventionists, and Special Education staff.

Finally, we will build staff expertise and family partnerships through professional learning in translanguaging and biliteracy pedagogy, and by engaging families with bilingual communication, workshops, and Cafecito with the Principal to support literacy at home.

Progress will be monitored frequently in both languages, with data-informed instruction and interventions. By focusing on these priorities, we aim to ensure students develop the skills, confidence, and cultural awareness to thrive as bilingual, biliterate, and bicultural learners.

Root Cause Addressed:

All

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Strengthen Core Biliteracy Instruction (Tier 1)
Deliver Targeted, Data-Driven Supports (Tiers 2 & 3)
Build Staff Capacity Through Ongoing Professional Development
Deepen Family Engagement and Home-School Connections
Progress Monitoring and Adjust Instruction

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To monitor the implementation of our literacy strategies inclusive of biliteracy and ensure we are meeting our instructional goals, our school will use a clear set of structures to regularly assess progress, adjust instruction, and support student learning in both English and Spanish.

We will aim to conduct periodic (BOY, MOY, EOY) instructional walkthroughs using DIAL's Bilingual Classroom Visit Walkthrough Tool focused on language and content objectives, cross-linguistic connections, culturally responsive scaffolds, and explicit instruction. Findings will be discussed during weekly grade team data chats with administrators to plan responsive next steps.

Student progress will be monitored through weekly 30-minute literacy checks using mCLASS Boost (English) and mCLASS Lectura (Spanish). Additional tools—including Core Phonics Surveys, NYSESLAT/NYSITELL, RGR Playground (English), and Aprendo Leyendo (Spanish)—will provide deeper insight into language development. All data will be tracked in a centralized system and used to inform instruction and intervention.

Weekly MTSS check-in meetings will bring together MTSS Interventionist, ML Coordinator, & IEP Interventionist to discuss and adjust small group instruction based on assessment data (e.g., BOY, MOY, EOY, formative & summative). Tiered supports will be aligned across both languages and tracked for effectiveness.

We will also use monthly PLCs and ongoing coaching cycles to support teachers in implementing biliteracy instructional practices, analyzing student work, and aligning instruction to standards and goals. Coaches and teacher leaders will provide real-time feedback and planning support.

Family engagement will be tracked through participation in events, workshops, Cafecitos with the Principal, and PA meetings, with all communication provided in English and Spanish. Family surveys will help assess the impact of outreach and inform future planning.

These systems ensure instruction remains intentional, aligned, and responsive to the needs of our bilingual and biliterate learners.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/17/2025	09/17/2025	Meet the Teacher Night. Share school-wide and classroom expectations. Review Curricula, assessment, and grade level expectations	N/A
10/28/2025	10/28/2025	Oral Language Development PD Series for Parents	MTSS Interventionist & Bilingual Speech Therapists
11/18/2025	11/18/2025	Reading & Spelling Strategies PD for Parents	Bilingual Special Ed Teacher, MTSS Interventionist & Bilingual Speech Therapists
12/16/2025	12/16/2025	Reading & Writing Multi-Syllabic Words PD for Parents	MTSS Interventionist & Bilingual Speech Therapists

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

MTSS Interventionist, IEP Interventionist, ML Coordinator, Teachers, Paraprofessionals

Instructional Resources

Core curriculua (e.g., HMH Into Reading & Arriba la Lectura, Envisions in English & Spanish, Foundational Skills: Really Great Reading, Aprendo Leyendo, & the Sound-Spelling Transfer Kit), Assessments (e.g., mCLASS Dibels 8 & Lectura, Acadience Math, & the Core Phonic Surveys in English & Spanish)

Schedule Adjustments

Weekly Grade Team Data Chats

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to the OORs Reports/OSYD Incident & Infraction Summary Report, 15 out of 25 recorded infractions (60%) were	Multiple factors appear to be contributing to the high number of A18 infractions. Many students may lack a clear understanding of physical boundaries, and inconsistent enforcement of rules can lead to confusion and unchecked behavior. Gaps in social-emotional skills—such as self-regulation, conflict resolution, and empathy—further increase the risk of physical incidents, especially in classrooms with weak behavior	If addressed, these will advance equity and improve student outcomes. First, consistently enforcing clear behavioral expectations is essential to creating a safe and predictable environment for all students. Strengthening social-emotional learning—especially in self-regulation, empathy, and conflict resolution—will equip students with the skills needed for positive peer interactions and academic success. Improved classroom management and

classified as A18: Inappropriate or Unwanted Physical Contact. The majority of these incidents occurred in classrooms, making in-classroom safety a top priority for this school year.	management or low engagement. Peer conflict, bullying, and unmet emotional or trauma-related needs can also trigger inappropriate physical contact. Additionally, overcrowded or poorly organized classrooms create environments where such behavior is more likely. Combined with inconsistent adult responses and limited behavioral supports, these conditions raise the likelihood of repeated incidents. To address this, we will prioritize in-classroom safety through clearer expectations, stronger SEL supports, consistent classroom management, and aligned staff responses.	student engagement are also critical to reducing behavior incidents and ensuring all students have access to inclusive, supportive learning environments. Expanding access to mental health and trauma-informed supports will address the needs of students facing emotional and behavioral challenges. Finally, ensuring consistent, equitable responses to behavior across all staff will reinforce schoolwide norms, reduce disciplinary disparities, and support a positive school climate. Together, these priorities will lead to measurable improvements in student behavior, engagement, and achievement.
Current data shows a high number of behavior-related incidents (25) and limited use of restorative practices, indicating that students' physical and mental wellness needs are not being fully met. Increasing restorative circle use is expected to proactively support students, reduce behavioral incidents, and improve overall wellness, as reflected in future survey and OORs data trends.	Limited proactive social-emotional supports and inconsistent implementation of restorative practices contribute to increased student stress and behavioral incidents, hindering overall physical and mental wellness.	Consistent Implementation of Restorative Practices – Ensure all staff are trained and supported in using restorative circles as a proactive strategy to address conflict and build community. Social-Emotional Learning (SEL) Support – Provide targeted SEL resources and programming to help students develop coping skills, emotional regulation, and resilience. Behavior Monitoring and Data Tracking – Strengthen systems for collecting, analyzing, and acting on behavioral data from surveys and OORs to identify trends and inform interventions. Staff Professional Development – Equip staff with strategies to recognize early signs of stress or behavioral issues and respond effectively using restorative and wellness-focused approaches. Student Engagement and Awareness – Increase student awareness and participation in wellness initiatives and restorative practices to foster ownership of their own physical and mental health.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	15	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 33% Decrease, in number of A18 incidents in the classroom from 15 to 10, per the Online Occurrence Reporting Systems (OORS) Incident & Infraction Summary Report.
All Students	25	By June 2026, physical and mental wellness for all students will improve, as measured by an increase in the use of restorative circles as a proactive support strategy, along with a decrease in behavior-related incidents (from 25 to 12) as reported in the in-house school check-in survey and OORs reports.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

To address the root causes—unclear physical boundaries, inconsistent enforcement of rules, underdeveloped social-emotional skills, peer conflict, and unmet emotional needs—we will implement a multi-tiered approach that prioritizes prevention, builds student capacity, and ensures consistent adult responses.

Social-Emotional Learning (SEL) activities will be embedded into daily instruction to directly teach skills such as self-regulation, empathy, and conflict resolution. These lessons will help students understand and manage emotions, develop respect for others' boundaries, and respond to peer conflict without physical escalation.

To further strengthen school climate and community, we will incorporate Spirit Weeks throughout the year. These will be purposefully themed to promote unity, inclusivity, and student voice, reinforcing positive relationships and engagement—especially in classrooms where disconnection often leads to behavioral issues.

In response to the high rate of in-class incidents, we will hold targeted Bullying Prevention Assemblies within classrooms. These sessions will be designed to address peer conflict in real time and clarify the impact of unwanted physical contact, emphasizing empathy and accountability.

Restorative Circles will be used regularly as a proactive tool and also in response to incidents. These structured conversations will provide students with a safe space to express their feelings, repair harm, and build a shared understanding, supporting both emotional healing and behavioral growth.

Staff will continue to revisit and be trained in de-escalation techniques to respond consistently and effectively to rising conflict. This will ensure that adult interventions are calm, supportive, and aligned across classrooms, preventing escalation and maintaining a safe environment.

Together, with the support of the school social worker and guidance counselor, these strategies address the priority needs of consistent expectations, social-emotional skill-building, and positive peer relationships. They are designed not only to reduce infractions but to create a safer, more equitable learning environment where all students feel supported and able to succeed.

Root Cause Addressed:

All

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Implement Weekly SEL Lessons Across All Classrooms
Launch Frequent Spirit Weeks with Equity-Focused Themes
Facilitate In-Class Bullying Prevention Assemblies Each Semester
Establish Regular Restorative Circles in Classrooms
Train All Staff in De-escalation and Consistent Behavior Response

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To monitor the implementation of our key strategies and action steps, we will use a combination of structured observations, behavior data analysis, student assessments, staff feedback, and school climate indicators. These monitoring practices will ensure we are making meaningful progress toward reducing A18 infractions, improving classroom safety, and strengthening student social-emotional competencies.

Regular classroom walkthroughs will be conducted by administrators and support staff (e.g., Guidance Counselor, Social Worker, etc.) to observe the fidelity of SEL instruction, the use of Restorative Circles, and staff application of de-escalation strategies. These walkthroughs will follow a standardized checklist designed to capture evidence of consistent implementation and areas that may need additional support. Data collected from these observations will be reviewed bi-monthly to provide feedback and guide professional development and coaching efforts.

Behavioral data will be continuously reviewed, with a particular focus on Office of Online Reporting (OOR) entries and Incident & Infraction Summary Reports. Monthly analysis of the number, type, and location of any infractions will help us determine whether our interventions are having the intended effect. This will include comparing pre- and post-intervention data, monitoring trends over time, and identifying patterns at the student, classroom, or grade level.

To assess growth in student social-emotional learning, students will participate in quarterly self-assessments and guided reflection activities. These tools will help measure their development in areas such as self-regulation, empathy, and conflict resolution. Responses will inform adjustments to SEL instruction and identify students who may require additional support or targeted interventions.

Staff feedback will also play a key role in monitoring implementation.

Finally, participation in Spirit Week events and results from school climate surveys will serve as indicators of student engagement and community-building progress. Increased participation, along with positive feedback from students and staff, will reflect stronger peer relationships and a more inclusive school culture.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
October 2025, All students achieved 27% at or above grade level according to the Acadience Math Screener.	Many students may lack mastery of basic number sense and computation skills from earlier grades. Some are new to the grade or to school. Variability in math instruction quality or curriculum alignment may have led to uneven skill development. The need for more support or staff for struggling students could have prevented needed skill recovery. Students' limited engagement, language	Increase the Math block. Strengthen systematic instruction and interventions targeting number sense, computation, and math vocabulary for all students, including those with IEPs and MLs. Provide professional development and coaching to align math shifts, instruction, and materials across classrooms and grade levels. Use strategies that build math confidence, support attention and motivation, and incorporate

Meaning that 73% of students are below or well below grade level.	proficiency, attention span, or IEP may be affecting performance and growth.	language supports and accommodations to improve participation and understanding.
October 2025, SWIEPs achieved 20% at or above grade level according to the Acadience Math Screener. Meaning that 80% of students are below or well below grade level.	In October 2025, only 20% of students with IEPs met or exceeded grade level on the Acadience Math Screener, with 80% below or well below grade level. Many students lack strong foundational math skills and consistent exposure to aligned instruction. Limited staffing and targeted interventions have reduced support for skill recovery. Engagement, attention, language barriers, and individual learning needs outlined in IEPs also impact math performance and growth.	Strengthen explicit, systematic instruction in number sense and computation tailored to students with IEPs. Strengthen intervention systems and staffing to deliver consistent, small-group, or individualized support. Strengthen strategies, accommodations, and language supports that promote active participation and understanding in math.
October 2025, MLs achieved 19% at or above grade level according to the Acadience Math Screener. Meaning that 81% of students are below or well below grade level.	MLs may struggle to understand math concepts and word problems due to language barriers. First time in a school setting or varied educational backgrounds may have led to weak number sense and computation skills. Instruction may not consistently include strategies that connect math learning with language development. Limited comprehension and prior challenges may reduce participation and persistence in math tasks.	Integrate explicit math vocabulary and language supports into daily instruction. Design targeted interventions to address gaps in number sense and computation. Continue to implement visual supports, scaffolds, and culturally responsive strategies to boost understanding and confidence in math.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	26%	By June, 2026, the students who achieved at or above benchmark in Math will Increase by 4% from 26% to 30%, as measured by Acadience Math Screener.
Students with Disabilities (SWD)	21%	By June, 2026, SWIEPs performing On or Above Grade Level will Increase by 3% from 21% to 24% as measured by Acadience Math Screener.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

This school year, we will reduce time between period transitions—and, if necessary, adjust other content areas—to extend and strengthen the math block. The assistant principal will oversee the school-wide math initiative and attend all math professional development sessions alongside our math leads. This team will help ensure the math block is intentionally structured and consistently implemented, with a clear mini lesson, standards and math shifts-aligned station rotations, targeted vocabulary and skills practice, and meaningful tasks. Additionally, we will prioritize the use of in-the-moment formative assessments to inform instruction and support student learning in real time.

Furthermore, we will continue to incorporate the Notice and Wonder routine as a key formative assessment and engagement strategy during math. Teachers will use this routine to activate prior knowledge, spark curiosity, and surface student thinking at the start of lessons or when introducing new problems, visuals, or concepts. By asking students, “What do you notice?” and “What do you wonder?”, we create space for all learners to engage in low-stakes, high-impact discussion that encourages observation, questioning, and critical thinking.

In math, Notice and Wonder will be strategically used during the launch of the mini lesson and integrated into station rotations as part of our effort to make the math block more intentional and interactive. This approach supports our goals of building math discourse, fostering metacognitive habits, and using student input to inform instructional decisions. Teachers will use student responses to identify misconceptions, guide questioning, and adjust instruction in real time.

As part of our professional development and coaching cycles, we will support teachers in embedding Notice and Wonder into their lesson planning and execution, aligning it with content-language objectives and success criteria. Through this routine, we aim to deepen student engagement, promote equity of voice, and enhance conceptual understanding in both English and Spanish.

Root Cause Addressed:

All

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Extend and Strengthen the Math Block
Design a More Intentional Mini Lesson and Station Rotation Model
Use In-the-Moment Formative Assessments
Continue to Integrate the Notice and Wonder Routine
Align Instruction with Language and Content Objectives

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To monitor the implementation and impact of our math strategies, our school will use a focused set of structures and tools to track progress in both instruction and student learning.

The assistant principal, alongside math leads, will lead some weekly grade team data chats to review formative assessment data, student work, and progress toward standards. The AP will also conduct administrative walkthroughs using a math-specific lens to help monitor the consistent use of structured mini lessons, aligned station rotations, targeted vocabulary, and formative assessment strategies like Notice and Wonder. Feedback from these visits will guide coaching and support. These efforts will help adjust instruction and target student needs effectively.

Instructional planning reviews and coaching cycles will ensure lessons are aligned to standards, math shifts, and language objectives. Instructional coaches will support teachers in embedding metacognitive strategies and formative checks for understanding into math lessons.

Student learning will be monitored through:

- Daily formative assessments (e.g., exit tickets, station work, Notice and Wonder responses)
- Acadience Math screeners for foundational skill progress (K–2)
- Common unit assessments and rubrics for problem-solving, reasoning, and academic language use

Overall, success will be measured by improvements in instructional quality, student engagement in math discourse, effective use of formative data, and growth in student achievement across grade levels.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
The NYC Kids RISE school-year target was 50%, and our school exceeded this goal by achieving a rate of 75.47%.	The Parent Coordinator's efforts were instrumental in raising parents' and guardians' awareness and supporting their enrollment in the program.	Many families face financial barriers that impact students' engagement and limit access to college or career training. The NYC Kids RISE Save for College Program directly addresses this need by providing early college scholarship savings and reinforcing high expectations for all students.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	75.45%	P.S. 228Q will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the percentage of active NYC RISE college savings accounts for Kindergarten families will Increase by 50% from 0% to 50% as measured by NYC Kids RISE Progress Report.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

The Parent Coordinator, in collaboration with the Parent Association (PA) and school staff, will lead efforts to build parent and guardian awareness of the NYC Kids RISE Save for College Program. Families will be informed about the purpose, importance, and long-term benefits of the initiative, and guided through activating their child's NYC Kids RISE account—completing Building Block 1.

Parents and guardians will also be encouraged, though not required, to take further steps by opening their own college and career savings accounts for their children. They will receive support in connecting these accounts to the NYC Scholarship Account and will be informed about incentive opportunities, such as earning a $25 reward from NYC Kids RISE by depositing at least $5 into their connected savings account. This strategy strengthens family engagement and promotes a shared investment in students' educational and economic futures.

Root Cause Addressed:

All

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Build Parent and Guardian Awareness of NYC Kids RISE Program
Support Families in Activating NYC Kids RISE Scholarship Accounts
Encourage and Assist Families in Opening and Connecting College and Career Savings Accounts (As needed)

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will be able to monitor progress based on the periodic NYC Kids RISE progress reports that are sent.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs

Maximize parent engagement and access to school workshops, curriculum celebrations and special events.	We will promote parent involvement through multiple communication channels, including social media platforms, the school website, GAMA (email and text), and paper notifications when needed. Additionally, we are taking a more creative and innovative approach to planning events that engage and attract greater parent participation.	Parents are eager to participate in workshops and benefit from offering attendance options such as in person and virtual formats, and flexible time schedules. Parents interests are surveyed at the beginning of the school year and during monthly "Cafecito and Converse with the Principal" meetings.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	92%	By June, 2026, the percentage of parents/families attending in-person or virtual school workshops/activities/events will Increase by 3% from 92% to 95% as measured by Attendance Sheets & NYC School Survey Results.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Staff: Will plan and outline a variety of workshops, building on topics from last school year or introducing new ones. Additionally, we will meet to discuss and organize activities and events designed to encourage family participation, such as Donuts with Dad, Mother's Day Sip & Paint, Thanksgiving Potluck, School Ramadan Iftar, cultural celebrations, and more.

Principal: will provide parents direct access via the monthly "Cafecito & Converse with the Principal" meetings where they will be informed on the latest updates and initiatives in the school and be able to ask questions and share suggestions.

Parent Coordinator (PC): As is done at the beginning of each school year, the Parent Coordinator will survey all parents to identify which workshops they are most interested in, and will plan accordingly based on their feedback.

Parent Association (PA): Will conduct their monthly meetings to inform parents about PA updates, budget and spending, and survey parents.

Central, District, & 3rd Party Partners: will be sought out to support providing information and/or workshops to parents (e.g., Dyslexia, Literacy, Math, and more.)

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Survey Parents and Identify Workshop Interests
Organize Family Engagement Events
Facilitate Parent Access and Feedback Channels

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To monitor the implementation of our strategies, we will collect data to assess progress and impact. At the start of the school year, the Parent Coordinator will survey parents to identify their interests for workshops. Feedback from these surveys and post-event forms will guide the planning and ensure relevance to parent needs. We will also track attendance at family engagement events to gauge participation and identify which events are most effective in fostering family involvement.

Additionally, the "Cafecito & Converse with the Principal" meetings will provide a direct line of communication between parents and the principal, and we will monitor participation and feedback to ensure the meetings are

valuable. The Parent Association will continue to hold monthly meetings, where attendance and feedback will be used to evaluate engagement.

Finally, we will collaborate with district and third-party partners to offer informational workshops for parents, tracking attendance and gathering feedback to measure the effectiveness of these sessions. Regular review of this data will allow us to refine our approach, ensuring continuous improvement in family engagement and support for student success.

Priority 5 Family and Community Engagement

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
ATS data 2024-25 and New Visions Portal attendance data for 2024-25 indicate a YTD attendance rate of 93% and 20% of all students were chronically absent.	Students took trips to visit family members in other countries. Some students need motivation and incentives for more consistent attendance.	Student and family awareness of the impact of attendance on learning. Attendance incentives for K-2 students.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	20%	By June, 2026, the Percentage of Chronically Absent Students for All Students will decrease by 5%, from 20% to 15%, as measured by the New Visions Chronic Attendance and Absenteeism Reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Attendance Team analyzes on a monthly basis the causes for absenteeism and related issues and concerns. The team will provide individual support for chronically absent students including school interventions, resources (transportation, housing and medical) to assist families.

Root Cause Addressed:

All

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Attendance Team participates in professional learning to utilize ATS, STARS, INSIGHT attendance chronic absenteeism reports, and other strategies to develop attendance protocols for 2025-2026
Attendance Committee meetings are scheduled. Team members collaboratively plan and implement attendance strategies for early childhood, consulting with the Attendance teacher if needed .
The PS 228 Parent Coordinator, School Counselor and Social Worker share family resources pertaining to health, wellness, housing and family supports with Attendance Team.
The Attendance Committee reviews attendance data across the year, and reaches out to families of chronically absent students to determine the cause of frequent absences, They provided resources to assist families and increase student attendance.

Attendance team follows through by creating supportive relationships with families across the year and helping families with questions, concerns, and issues. The team utilizes ATS date and Insight attendance chronic absenteeism reports to monitor chronic absenteeism for the year.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The Attendance Team prepares ATS generated class lists and a cumulative school wide attendance roster. Team gathers students and parents contact information for on going parent outreach. Attendance team creates and updates attendance trackers. BOY, MOY, and EOY percentages of chronically absent students are monitored and CEP action is activated across the year to decrease student absence and positively impact K-2 student achievements.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
		IEP Development and Fidelity of Implementation
		Transition Planning and Compliance
		Referral Process and Equity

		Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	27%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve to strengthen the quality of instruction and student literacy performance in English by a 4% Increase, from 27% to 31%, as measured by mCLASS Dibels 8.
Students with Disabilities (SWD)	37%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve to strengthen the quality of instruction and student literacy performance in Spanish by a 4% Increase, from 37% to 41%, as measured by mCLASS Lectura..
Students with Disabilities (SWD)	16%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve balanced biliteracy development by a 5% Increase, from 16% to 21%, as measured by mCLASS Correlation Report (Dibels 8 & Lectura).

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Instructional Resources

Schedule Adjustments

Other Resources Needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2 - English WIN Period	Below grade level foundational skills via mCLASS (DIBELS 8), & Core Phonics (English)	Really Great Reading via What I Need (WIN) Period	Explicit, targeted instruction via tiered group	During school	Yes
Tier 2 - Spanish WIN Period	Below grade level foundational skills via mCLASS (Lectura), & Core Phonics (Spanish)	Estrellita via What I Need (WIN) Period	Explicit, targeted instruction via tiered group	During school	Yes
Tier 2 - English - Title III	Below grade level foundational skills/language proficiency via mCLASS (DIBELS 8/Lectura), Core Phonics (English & Spanish), & NYSITELL/NYSESLAT Proficiency Level (EN/EM)	Benchmark: Sound Spelling Transfer Kits	Explicit, targeted instruction	After school	Yes
Tier 2 - English - Title III	Intermediate or low grade level foundational skills/language proficiency via mCLASS (DIBELS 8/Lectura), Core Phonics (English & Spanish), & NYSITELL/NYSESLAT Proficiency Level (EN/EM)	Reader's Theater	Explicit, targeted instruction	After school	Yes
Tier 2 - English - Title I	ELA	?	Explicit, targeted instruction	After school	Yes
Tier 2 - English - Title I	Math	?	Explicit, targeted instruction	After school	Yes
Tier 3	?	?	?	?	?

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	At-risk for social or academic failure due to behavior challenges	Social skills groups	Small group	During school	ebooks and digital SEL resources.
Tier 2	At-risk for social or academic failure due to behavior challenges	Small group counseling	Small group	During school	ebooks and digital SEL resources.
Tier 3	At-risk. Severe behavior interferes with positive social interactions and academic achievement.	Individual counseling/ crisis team interventions	Individual	During school	resources may include technology as needed (YES)

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

PS 228 currently has 46 students in temporary housing. (New Visions Portal, June 2024)

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

PS 228 adheres to the McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-70 mandates. Students in temporary housing (STH) are enrolled in PS228 immediately and are guaranteed enrollment. Documentation or other issues may not cause a student to be turned away or denied enrollment in PS228. Students are fully integrated into the school program and receive free meals at school.

Our students in temporary housing (STH) liaison ensures that mandated services and support meet student needs and that students are transitioning into PS228 programs smoothly. Parent communication includes open dialogue

and assurance of student rights.
Title I Part A set asides are used to serve the students and to ensure an equitable education for all STH.
Services and interventions may include outreach to provide supplies, clothing, food and other supports for students in need.
Budget and designated funding may be used to secure services and supports for academic enrichment, mental health, Social-emotional learning and positive behavioral interventions. Funds may be allocated for guidance counselors, social workers and support staff as needed.

Mental health services and positive behavioral interventions and supports are available to support STH and their families. PS 228 support services include a full time guidance counselor, a school psychologist, and a bilingual social worker who focuses on specialized early childhood interventions for pre-k students and kindergarteners.
The Principal works with PS228 Teacher Teams to plan and monitor participation in inclusive after-school and summer learning opportunities addressing the needs of all students including students experiencing homelessness.
2022-23 support programs include the PS 228 after school Recovery Program, Title 3 classes and foundational reading support.
All students including STH benefit from social emotional wellness assessments and social emotional learning interventions. To ensure that STH fully participate in the PS228 school educational experience, funding supports additional assistance from the STH Liaison and Parent Coordinator as needed.

PS228 counselors, social workers, and teachers offer outreach and services for students experiencing homelessness and help to coordinate transportation services to ensure equitable access to after-school or summer learning and enrichment programs.
Resources for families often include assistance from community-based organizations and fundraisers to support families.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the PS 228 school community. The PS228 Early Childhood School, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the PS 228 School Leadership Team, The Parent-Teacher Association (PTA), and Title I Parent Advisory Council as trained volunteers and welcomed members of the PS 228 school community.

Support for Parents and Family Members of Title I Students

The PS228 Early Childhood School will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

The PS 228 Early Childhood School, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a culturally responsive curriculum aligned to the State Learning Standards/Next Generation Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every
  Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year, beginning with the September 2025 PTA meeting.

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide PS228 parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

*Continue to offer parent-requested parent engagement opportunities and family involvement activities that meet the needs of our students and raise achievement for all students.

Based on 2023-2024 parent compact surveys, Parent/Family engagement activities for 2024-2025 should include : 1) Extending & maximizing parent volunteer opportunities in the classroom and at school events through The PS228 Learning Leaders Program and PS228 Parent ambassadors. 2)Continuing student achievement celebrations including "Principal's Honor Roll" and "Student of the Month" ceremonies. 3) Planning and implementing Additional parent workshops, including in-person and virtual grade-specific workshops pertaining to monthly units, learning modules, and culminating projects in Literacy and Math. 4) Continuation of the PS228 Science Fair, PS228 Garden Volunteers, Early Childhood Civics Participatory Budgeting, voting and other special projects across content areas. 5) Continuation and expansion of Arts, Wellness and Physical Education parent engagement events such as Family Fun Days, The School Wide Multicultural Dance Festival, K-2 Field Day and Special Olympics. 6) Maximizing class trips for K-2 classes consistent with the Chancellor's initiative to "extend learning beyond the four walls of the classroom" to support and enrich achievement for all of our students including ELL's and Students With IEP's.

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;

- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

1)The Principal and the Professional Development Team provide training in the use of effective, scientifically based instructional strategies for a diverse range of students, helping to close the achievement gap:
High Quality professional learning is offered in areas of concentration. Classroom-focused professional learning for our PLC involves implementation of the Acadience screener to identify all students in need of support and who may be at-risk. A focus of professional development in 2023-2024 is teaching phonemic awareness, phonics and Foundational skills in ELA through research based programs such as Heggerty, Fundations and HMH Core Literacy Instruction.

2) Professional learning increases teachers' knowledge of Standards-based instruction to enable children to achieve grade specific benchmarks. Ongoing professional learning also supports district and school needs assessments and plans:
Classroom-focused professional learning is accomplished through specialized programs of study such as the NYCDOE Foundational Reading Initiative for teachers, principals and all members of our professional learning community. Our Professional Learning community will refine and extend best practices learned through District 30's three-year Integration Grant, focused on supporting all learners through carefully designed, scaffolded instruction. We will extend and refine personalized Learning strategies such as individual student learning goals, authentic learning and asset-based education.
3) The PS228 Professional Learning Community participates in sustained, classroom-focused learning. All professional learning is accomplished over time. Our school's oral language development focus has been a 4 year initiative to improve oral language and writing of pre-K- 2 students. Professional learning is accomplished through school and district teaming.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

PS 228 educators assist preschool children in making a smooth transition to Kindergarten by participating in vertical planning sessions (across grades pre-k-2) and adhering to an aligned early childhood curriculum. Joint professional development activities include planning, school tours, and class visitation when possible. Sharing of records and information enables teachers to plan for upcoming students and adjust instruction as needed. Teacher Teams embed social emotional learning and culturally responsive teaching in all learning experiences.
Parent involvement activities are offered throughout the school year, with emphasis on transitioning to a kindergarten during the months of May and June. Parents learn about a range of social emotional topics such as separation, preparing for school and adjustment oral language strategies, developing reading habits.
Families of children with disabilities entering kindergarten in September 2023 will participate in the Turning 5 Process, and receive special education services and supports for children entering kindergarten.
The kindergarten admissions process

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	131,880.00	X	5C,6
Title I, School Improvement 1003(a)	Federal			
Title II, Part A	Federal	41,592.00	X	5C
Title III, Part A	Federal	13,209.00	X	ELLs
Title III, Immigrant	Federal			
Title IV, Part A	Federal	6,538.00	X	5C
Tax Levy (Fair Student	Local	1,767,667.00	X	5C,6

Funding)				
Title I, set aside, Parent involvement		1,300.00	X	

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Robert Peña Díaz
Assistant Principal (Where Applicable)*	Diana Rodríguez
English as a New Language (ENL) Teacher*	Leticia Pérez
Teacher (if school has a bilingual program must be a bilingual teacher)*	Evelyn Garcia
Parent/Guardian*	Francy Herrera
IEP Interventionist	Evelyn García
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

1

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

1

Number of certified ESOL teachers not currently teaching ENL:

1

Number of teachers who hold both content area/common branch and ESOL certification:

2

Number of ESOL certified teachers with a bilingual extension:

2

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

13

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

4

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

6

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

N/A

Total number of teachers with LOTE certification providing World Language instruction:

N/A

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

N/A

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

163

Total number and percentage (%) of current ELLs:

108/66.25%

Total number and percentage (%) of former ELLs:

3/1.84%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

108/56.52%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

0/0%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0/0%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0/0%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

35/21.47%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE	Special Class 12:1:1	Spanish	2001	1	1	1											3
TBE																	0
TBE																	0
DLBE	ICT	Spanish	2009	1	1	1											3
DLBE	GE	Spanish	2005	1	1	1											3
DLBE																	0
				total: 3	total: 3	total: 3	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

The ENL program at P.S. 228Q includes three general education classrooms in grades K, 1, and 2. Dr. Leticia Pérez, certified ESOL, common-branches, and bilingual teacher, provides instruction in the stand-alone ENL classrooms. The program develops English language skills to support content learning and using metalinguistic, cross-linguistic, and translanguaging strategies to support with new language acquisition.

ML/ELL students are grouped and receive their mandated weekly services according to CR Part 154, based on their language proficiency level:

- Entering: 2 ENL units/week (1 Stand-alone, 1 Integrated through reading and writing)

- Emerging: 2 ENL units/week (0.5 Stand-alone, 1 Integrated through reading, writing, and math, 0.5 Stand-alone)

- Transitioning: 1 ENL unit/week (0.5 Integrated through ELA, 0.5 Integrated through math)

- Expanding: 1 Integrated ENL unit/week through ELA

- Commanding: 0.5 Integrated ENL unit/week through a content area, delivered by the classroom teacher for two years

All instruction is aligned with students' proficiency levels, core content areas, and state standards.

Integrated ENL:

ML/ELL students receive instruction in core content areas (ELA, science, social studies, or math), with English language development supported through integrated ENL strategies that incorporate metalinguistic, cross-linguistic, and translanguaging approaches. Content instruction includes mandated ENL units based on students' English language proficiency levels:

- Entering/Emerging (K–2): 1 unit of Integrated ENL per week through ELA provided by the ML/ELL Coordinator/ENL teacher, Dr. Leticia Pérez

- Transitioning: 1 unit through ELA provided by the MLL/ELL Coordinator/ENL teacher, Dr. Leticia Pérez

- Expanding: 1 unit through ELA provided by the MLL/ELL Coordinator/ENL teacher, Dr. Leticia Pérez

- Commanding: 90 minutes of Integrated ENL per week through a content area, for two years after reaching proficiency, provided by the classroom teacher

b. Bilingual Education (If applicable)

Transitional Bilingual Education (TBE):

P.S. 228's TBE program includes two self-contained 12:1:1 bridge classes: one for kindergarten and first grade, and one for first and second grade. Instruction is delivered by dually certified bilingual and special education teachers. ML/ELL students are grouped by language proficiency during instruction, which incorporates metalinguistic, cross-linguistic, and translanguaging strategies to support new language acquisition. The program follows an 80:20 model, with one period per day for stand-alone ENL and one period for integrated ELA services, along with HLA Literacy, HLA Phonics, and Math taught in Spanish.

- Entering/Emerging: 2 ENL units per week, provided by the classroom teacher

- Transitioning/Expanding: 1 ENL unit per week, provided by the classroom teacher

- Commanding: 90 minutes of ENL per week for two years after reaching proficiency, provided by the classroom teacher

Bilingual classroom teachers provide ENL integrated and stand-alone instruction aligned with students' English language proficiency levels, core content areas, and state standards.

Dual Language Bilingual Education (DLBE):

P.S. 228's Spanish/English DLBE program includes six dual language classrooms across grades K through 2nd, with each grade having one general education DLBE class and one DLBE ICT class. All classrooms are self-contained, taught by bilingual, common branch, general and special education certified teachers: Kindergarten-Ms. G. Amador, Ms. C. Palazzo, and Ms. E. Gomez, and Ms. M. Castelan (long-term substitute teacher), First grade: Ms. A. Cornejo, Ms. M. Alfaro, and Ms. E. Asencio. Second grade: Ms. Nydia Vasquez, Ms. D. Rodriguez (long-term substitute teacher) and Ms. Claudia Martinez-Ocampo. Classes follow a language pacing calendar to ensure all classrooms teach in the same language on the same day.

The program follows an alternating language-of-the-day rollercoaster 50:50 model, with instruction delivered in Spanish one day and English the next. All content areas are taught in both languages.

- Entering/Emerging: 2 ENL units per week provided by the classroom teacher(s)

- Transitioning/Expanding: 1 ENL unit per week provided by the classroom teacher(s)

- Commanding: 90 minutes of ENL per week for two years after reaching proficiency provided by the classroom teacher(s)

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

P.S. 228 ensures compliance with NYS CR Part 154 by providing MLs/ELLs with mandated instructional minutes based on their English language proficiency levels across all program models: stand-alone ENL, TBE, and DLBE. Instruction is delivered by certified ESOL. common-branch, bilingual, and special education teachers.

In the stand-alone ENL program, Entering and Emerging students receive two ENL units per week (one stand-alone, one integrated). Transitioning students receive one unit (0.5 through ELA, 0.5 through social studies or art). Expanding students receive one Integrated unit through ELA. Commanding students receive 90 minutes of Integrated ENL per week for two years post-proficiency.

In the TBE program, two self-contained 12:1:1 bridge classes provide bilingual and ENL instruction. Entering and Emerging students receive two ENL units per week. Transitioning and Expanding students receive one unit, and Commanding students receive 90 minutes weekly for two years. ENL is delivered by certified bilingual special education teachers.

In the DLBE program, six K–2 classrooms follow a 50:50 model and alternating language-of-the-day schedule. All content is taught in both Spanish and English. Entering and Emerging students receive two ENL units per week. Transitioning and Expanding students receive one unit, and Commanding students receive 90 minutes weekly for two years. Certified bilingual teachers deliver ENL mandated units using metalinguistic, cross-linguistic, and translanguaging strategies.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

At P.S. 228, ENL, English Language Arts (ELA), and, where applicable, Home Language Arts (HLA) instructional minutes are delivered according to each program model's design and students' English language proficiency levels, in alignment with CR Part 154.

ENL Program (Stand-alone and Integrated Model):
ENL instruction is delivered by Dr. Leticia Pérez, certified ESOL, common branch, and bilingual teacher. Instruction includes both Stand-alone and Integrated ENL, with collaborative planning between ENL and classroom teachers to ensure alignment with ELA and content area instruction. Home language supports, metalinguistic, cross-linguistic, and translanguaging strategies are also integrated in instruction.

- Entering: 2 units/week – 1 unit stand-alone ENL, 1 unit integrated ENL

- Emerging: 2 units/week – 0.5 units Stand-alone ENL, 1 unit Integrated ENL, 0.5 units Stand-alone/Core Content Area

- Transitioning: 1 unit/week – 0.5 units through ELA, 0.5 units Integrated through ELA/Core Content Area

- Expanding: 1 unit/week – Integrated through ELA/Content Area

- Commanding: 0.5 units/week – Integrated through ELA/Core Content Area

Transitional Bilingual Education (TBE) Program for bridge 12:1:1 classrooms (K/1, 1/2)

Instruction is delivered in both English and Spanish, with a language distribution model that shifts by grade:

- Kindergarten: 80% Spanish / 20% English

- Grade 1: 60% English / 40% Spanish

- Grade 2: 60% English / 40% Spanish

Students receive both ELA and HLA instruction through this model. ENL minutes are delivered based on proficiency level:

- Entering: 2 units/week - 1 unit stand-alone ENL, 1 unit Integrated ENL

- Emerging: 2 units/week - 0.5 units Stand-alone, 1 unit Integrated, 0.5 units Stand-alone or Integrated through ELA, math, social studies, or science

- Transitioning: 0.5 units Integrated, 0.5 units additional Integrated through ELA, social studies, and science

- Expanding: 1 unit Integrated through ELA, social studies, and science

- Commanding: 0.5 units Integrated through content areas

ELA and HLA are provided in both English and Spanish, with a minimum of two content areas taught in both languages for Entering and Emerging levels. Students are grouped by proficiency level.

Dual Language Bilingual Education (DLBE) Program:
DLBE classrooms follow an 80:20 model and an alternating language-of-the-day schedule, ensuring instruction in both English and Spanish. ELA and HLA are taught in both languages, and ENL instruction is delivered by bilingual certified teachers.

- Entering: 1 unit Stand-alone, 1 unit Integrated

- Emerging: 0.5 units Stand-alone, 1 unit Integrated

- Transitioning: 0.5 units Stand-alone, 0.5 units Integrated

- Expanding: 1 unit Integrated

- Commanding: 0.5 units Integrated

This structure ensures that ENL, ELA, and HLA instructional minutes are provided consistently and in compliance with CR Part 154 across all program models.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Our DLBE general education and ICT classrooms for kindergarten, first, and second grade, follow a Two-Way Dual Language model. These classrooms include English proficient students—both native and heritage speakers—and MLLs who share Spanish as their home language.

Both models follow a 50:50 alternating day rollercoaster model, meaning instruction is provided equally in Spanish and English on alternating days.

English proficient students and MLs are integrated 100% of the instructional day. This full integration ensures that all students have access to strong language models in both English and Spanish. Language development is supported through the use of integrated ENL and home language strategies that incorporate metalinguistic awareness, cross-linguistic connections, and translanguaging practices in both languages.

b. In which language(s) is each core content area taught?

All core content areas in DLBE classrooms are taught in equally both Spanish and English.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

Content area subjects of ELA, science, social studies, math, are taught in both languages in grades K through second. In addition, students in TBE programs receive mandated units of ENL and NLA instruction.

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

As an early childhood setting (Pre-K through second grade), one hundred percent of our ML/ELLs are newcomers (108 MLs/ELLs - 56.25% of school population) with vast proficiency levels. Instruction for our Newcomer ELLs integrates specific components such as the ones included in the research-based PLUSS Framework. Content is made accessible through instruction that focuses on activating and building prior and background knowledge, pre-teaching of vocabulary, integrating visuals, graphic organizers. Additionally, instruction for Newcomers is explicit, leverages students' native language skills, and promotes the development of cross-linguistic connections.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

Although P.S. 228's ELL student population does not include any SIFE students, an instructional plan for the teaching of this student sub-group will include assessments to determine students' current academic levels. Instruction will be structured and explicit and integrate the PLUSS Framework and build upon students' prior and background knowledge and experiences. It would also leverage students' native languages and support cross-linguistic transfer of existing skills. SIFE students would also be supported through instruction and supports that address their social-emotional needs.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

Although P.S. 228's current ELL population does not include any Long-Term ELLs, instruction for this student sub-group would focus on continued development of academic language, vocabulary, and explicit instruction in grammatical/language forms and structures. There would also be increased opportunities for students to apply acquired knowledge and continued access to strong language models through instructional activities that include increased peer interactions through collaborative work and project-based learning opportunities.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

Our school currently has three former ELLs, representing 1.56% of our student population. Former ELLs receive instruction, as per CR Part 154 mandates and the alternative pathways program's Option D, which provides for 90 minutes of integrated ENL instruction per week.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

Due to our school being an early childhood setting serving only grades Pre-K through second grade, all of our Multilingual Learners (MLs) are newcomers—this will consistently remain the case. Additional early warning or at-risk indicators include ELLs in Temporary Housing (TH) and those who did not demonstrate sufficient English Language Proficiency (ELP) progress on the NYSESLAT.

Many of our MLs in TH reside in shelters that are not ideal learning environments and are often non-conducive to studying and learning. Parents are frequently in survival mode and, as a result, may not be consistently available to support their children's academic needs as fully as one would hope.

Addressing the at risk factor of ELLs who have not demonstrated sufficient progress on the NYSESLAT, may require a revision of our school's MTSS program in order to ensure the proper identification of student areas of need and the effective and consistent delivery of targeted support and instruction across Tiers.

Additionally, our school has made instructional adjustments and implemented both in-school and after-school programs to support language acquisition. These initiatives focus on building students' awareness of metalinguistics, fostering cross-linguistic transfer, and incorporating translanguaging practices to strengthen bilingual development and ultimately English language acquisition.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

Former ELLs face similar early warning and at-risk challenges, particularly those related to Temporary Housing (TH). ELLs in TH often live in shelters that lack the stability and structure needed to support effective learning. These environments can be disruptive and are generally not conducive to academic focus or progress.

Families in these situations are often managing urgent, day-to-day survival needs, which can limit their ability to actively engage in their children's educational development.

To address these challenges, the school has implemented targeted instructional shifts and expanded both school-day and after-school supports. These efforts are designed to accelerate language development by enhancing students' metalinguistic awareness, promoting cross-linguistic connections, and encouraging the use of translanguaging strategies—all aimed at strengthening bilingualism and improving English language acquisition.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values

these home languages?

The home language with the largest representation among MLs at our school is Spanish, spoken by 104 students. Nearly all staff members in the building are bilingual in English and Spanish, with only a few exceptions. For those who do not speak Spanish, bilingual staff are readily available to interpret or translate as needed. Additionally, staff are encouraged to utilize DOE-contracted interpretation and translation services, as well as translation devices or apps when needed.

Our school fosters an inclusive environment that values and respects linguistic diversity. We recognize that language is not only a foundation for literacy but also a vital part of each child's identity.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The majority of our ELL students are Hispanic, as reported by families during enrollment, with total of 104 students (97.2%) having been identified as Hispanic. A total of three (2.8%) ELL students are identified as Non-Hispanic. Within our Hispanic ELL population, 75% are American Indian or Alaskan Native, 11.5% are White, 8.7% are Multiracial, 3.8% are Black, and 1% are Native Hawaiian or Other Pacific Islander. Our Non-Hispanic ELL student population is composed of two (66.7%) students identified as White and one (33.3%) as Asian.

P.S. 228's school community ensures the inclusion of all ELL students and their families through practices that include the creation of a welcoming school environment and integration of instructional practices that affirm cultural diversity and respect for all members of our school community. Initiatives include a review and revision of our Artist and Composer of the Month program, to include artists representative of our students' cultures, the integration of social-emotional learning programs, such as Restorative Circles, to promote safe-spaces and facilitate communication for all students and parents, the development of a physical environment that highlights varied cultures and important celebrations, multilingualism, and similarities across languages. In addition, teachers participate in on-going professional development with a focus on helping students develop cross-linguistic connections and translanguaging strategies.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

Upon reviewing English Language Proficiency (ELP) growth data, several trends emerged. Eight students (21.6%) achieved progress by exiting ELL status, as measured by Method #1. Although not enough, this reflects a consistent trend over the past two years, with 7 students exiting ELL status in 2023 and 8 students doing so in 2024.

An additional four students (10.8%) met their annual progress targets under Method #2, and another four students (10.8%) demonstrated progress through Safe Harbor Cumulative Growth (Method #3). It is important to note that for 38 of our students, it was their first time taking the NYSESLAT and therefore do not qualify for Method #3. In total, 16 students showed some form of measurable progress.

However, it is important to note that 21 students (56.8%) did not meet their expected progress targets, highlighting the need for continued support and targeted interventions. Our ELL student population is composed of 100% Newcomer ELL students, who continue to require support in developing foundational skills, academic language, vocabulary, as well as development across the four language modalities. In addition, our school has recently undergone a change in administration resulting in the development and establishment of new systems and

structures for the identification and delivery of needed supports for students, including ML/ELLs. This transition may have an impact in the identification of student needs and implementation of supports and services.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

A review of NYSESLAT 2024 student performance by proficiency levels indicates that most students scored at the Expanding level, with 22 students (28.6%) scoring at this level. The next most achieved proficiency level was Emerging with 19 students (24.7%) scoring at this level, followed by an equal number of students scoring at both the Transitioning and Entering levels (14 students/ 18.2%)

Modalities of strength, as per NYSESLAT scores for 2023 and 2024, were speaking and reading. Second graders scored higher in these modalities during both years. On the spring 2023 NYSESLAT, 12 second graders scored high in speaking and 15 in the spring 2024 NYSESLAT. In the 2023 NYSESLAT the modality of most strength for second graders was reading. A modality of need for the past two years is writing, for both first and second graders. In addition, first graders scored lowest in speaking.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

Our school is a PK-2 school. Our students do not take any other state exam besides the NYSESLAT.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

Trends for the subgroup of ML/ELLs with IEPs indicate that most scored at the Expanding level of language proficiency.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

P.S. 228's K through second grade core instruction has been revised to include the development and integration of clear content and language objectives and success criteria. School wide instructional schedules for grades K through 2nd now include two daily foundational skills periods. MLs/ELLs in ENL programs receive foundational skills instruction in English during both periods. MLs/ELLs in bilingual programs take part in one period of foundational skills in English and a second period in Spanish.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The school's MTSS Team (AKA the Leadership Team) is comprised of the principal and biliteracy development supervisor (Mr. Peña Díaz), the AP and Math Supervisor (Ms. Rodríguez), the ML/ELL Coordinator (Dr. Pérez), the MTSS Interventionist (Ms. Díaz), and the IEP Interventionist (Ms. García). The MTSS Team meets monthly for the planning of school-wide assessments and review of school's instructional plan to ensure that core instruction continues to meet the needs of MLs/ELLs, in both general and special education settings in grades K through second. Curriculum, resources, grade-specific units of study, and interventions are reviewed and revised to ensure alignment with student needs, based on qualitative and quantitative data as well as district and school-based instructional goals. Plans and schedules for targeted academic supports for MLs/ELLs are also developed. Recent revisions to the school's instructional plan include an increase in the integration of grade-level lessons, activities, and projects that provide opportunities for the development of metalinguistic, cross-linguistic, and translanguaging strategies.

Additionally we have a PD Team comprised of Mr. Robert Peña Díaz - School Principal, Ms. Diana Rodríguez - Assistant Principal, Ms. Claudia Palazzo, K Dual Language/Special Education Teacher & UFT Chapter Leader, Ms. Evelyn Garcia, Ms. Darlin Díaz, Angelica Cornejo, 1st Grade Dual Language/General Education Teacher, Ms. Claudia Martinez-Ocampo, 2nd Grade Dual Language/General Education Teacher, and Dr. Leticia Pérez, ML/ELL Coordinator/ENL Teacher. They main role is to align professional development facilitated by either in house expertise or out house expertise with the school's instructional focus and priorities.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Core content is delivered in both Spanish and English through the use of HMH Into Reading/Arriba la Lectura, Really Great Reading, Aprendo Leyendo, the Sound-Spelling Transfer Kit, and enVision Math in English and Spanish. Instructional practices include the use of engaging texts and lessons that focus on building comprehension skills, integration of discussion routines and protocols, consistent writing routines, and the study of academic language and vocabulary in two languages.

DLBE classrooms follow an alternating language-of-the-day rollercoaster 50:50 model, with instruction delivered in Spanish one day and English the next. All content areas are instructed in both Spanish and English. Entering and emerging level MLs/ELLs continue to receive two units of ENL instruction through integrated ENL instruction, transitioning and expanding level students receive one unit, and commanding level students receive 90 minutes of ENL instruction, for an additional two years.

TBE classrooms deliver specific content areas in either English and Spanish. Our K/1 TBE Special Class (12:1:1) follows a 80:20 model with ELA standalone and ELA Integrated services embedded in the instructional day for ELA foundational skills, reading, & writing. The 1/2 TBE Special Class (12:1:1) follows a 60:40 model with English being the language of instruction for 3 periods for the ELA block and Spanish being the language of instruction for 2 periods (HLA & Mathematics). Home language support, cross-linguistic connections and transfer, metalinguistics, and translanguaging are encouraged and used to support students' access to the content and academic language.

ML/ELL students in ENL programs receive content area instruction across all subjects in English, with native language support.

Content area instruction in all three program models is aligned with Next Generation Learning Standards and is delivered through the integration of native and English language printed and digital texts, visuals.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Instruction of MLs/ELLs includes: development of explicit content and language objectives activation of prior knowledge, review and reteaching of previously learned concepts and the application of these, visual supports, concept maps, graphic organizers, sentence stems and prompts, word banks, explicit vocabulary instruction, pre-reading strategies, and teaching of strategies for cross-linguistic transfer and integration of translanguaging skills. Materials for the instruction of MLLs/ELLs will include: HMH Into Reading, Really Great Reading, Aprendo Leyendo, the Sound Spelling Transfer Kit, enVision Math, and Amplify's Boost Reading digital program.

b. SIFE

As an early childhood school, P.S. 228's ML/ELL population currently does not include SIFE students.

c. Newcomers

Newcomer MLs/ELLs take part in MTSS interventions, IEP interventions, and Title III programs. Students receive native and second language instruction through the integration of resources such as the Sound Spelling Transfer Kit, for the development of cross-linguistic transfer skills, Aprendo Leyendo for the development of Spanish reading skills, through a multi-sensory approach, and Really Great Reading and Arriba La Lectura for the development of foundational skills in English and Spanish. Instruction also integrates differentiated activities that incorporate the use of strategies such as: content and language objectives, graphic organizers, prompts, sentence frames, and visuals to support content area instruction, learning, and development of both native and new/second language skills across all four modalities.

d. Long Term ELLs

As an early childhood school, P.S. 228's ML/ELL population currently does not include long-term ELLs.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

MLs/ELLs with IEPs are provided with speech, occupational, and physical therapy services as per individual student IEP mandates and combination of stand-alone and integrated ENL instruction. Services are provided by certified related services providers in Spanish and English, as per IEP mandates. ML/ELLs with IEPs also are invited to participate in all instructionally designed after school programs.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

TBE:
- K/1 bridge special class TBE includes 80% of instruction in Spanish and 20% in English.
- 1/2 bridge special class TBE includes 60% of instruction in English and 40% in Spanish.

Assessment of home language in free standing ENL classrooms is conducted through the mClass Lectura and the Core Phonics Survey assessments in Spanish.

Assessment of home languages in DLBE and TBE classrooms takes place through the Fountas and Pinnell assessment in Spanish, mClass Lectura, the Core Phonics Assessment in Spanish, and the Aprendo Leyendo assessment to identify progress in home language reading skills, phonological awareness, phonics, decoding, vocabulary, and comprehension.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Support of co-teaching and collaboration among teachers across ML/ELL program models includes the development of schedules that allow for common preparation periods. These periods include weekly Data Chat periods which consist of two consecutive periods in which grade teams meet to review and analyze data and plan instruction aligned with noted needs and trends. Additionally, there will be the integration of vertical planning periods in which all teachers within a program model, across grades, will be provided with common planning periods. All teachers are also provided with opportunities to attend in-house, virtual, or in-person professional development sessions geared towards the instruction of MLs/ELLs across all three program models.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

P.S. 228's professional learning plan focuses on providing support to school staff for the delivery of academic instruction that integrates both culturally responsive instructional practices and ENL methodologies. Staff takes part in school-based and district sponsored professional development sessions on topics that include: development and delivery of instruction that supports content and language development, the integration of the Multi-tiered System of Support (MTSS) framework for the instruction of MLs/ELLs, and regulations and mandates for the instruction of MLs/ELLs. Professional development sessions for staff take place during weekly designated professional development and as scheduled by the district and Division of Multilingual Learners.

Professional Development Plan

September:
Topics:
-NYSESLAT data and student advancement across language proficiency levels
-Instructional planning for ENL instruction based on NYSESLAT data
-Review of Chancellor's Regulations and ML/ELL compliance, mandates

October:
Topics:
-Developing effective content and language objectives
-ENL methodologies
-integration of MTSS framework in instructional planning.

November:
Topics:
-Review of school's instructional focus and adaptions to meet needs of MLs/ELLs.
-Review of instructional practices to support both native and second language development.

December:
Topics:
-ML/ELL instruction through content areas and academic vocabulary development

January:
Topics:
-Supporting families of MLs/ELLs,
-Annual MLL/ELL parent meeting

February through June:
Topics:
-Student performance as per beginning, mid, and end of year assessments,
-NYSESLAT
-instructional planning for upcoming academic school year.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

P.S. 228's professional development plan for the meeting of mandated CTLE hours as per CR Part 154 includes engaging in school-based and district-sponsored professional development sessions that will include a minimum of six sessions of ML/ELL specific professional development for certified staff and a minimum of 20 sessions for bilingual/ENL teaching staff. Staff will take part in professional learning sessions that will include topics related to research-based instructional practices to support academic and social-emotional development of MLs/ELLs, ENL methodology, supporting the development of cross linguistic transfer, translanguaging, and metalinguistic skills, and ML/ELL data analysis to support and guide instruction.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

P.S. 228Q utilizes mCLASS in English and Spanish, HMH Arriba a La Lectura, the Core Phonics Assessment in English and Spanish, Acadience, enVisions assessments, and Aprendo Leyendo assessments.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

For K through second grade newcomer MLs/ELLs and ELL students with IEP's, intervention programs in English include: MTSS programming, Amplify's Boost, Sound Spelling Transfer lessons, and participation in our school's yearly Title III program. Intervention services in Spanish include: Title III, Sound Spelling Transfer lessons in Spanish, and participation in the Aprendo Leyendo program.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Assessment data on student academic performance is utilized to identify both areas of need and strength in students and to identify students in need of targeted support. It also helps to identify where core instruction may require modifications. The process of gathering and utilizing data to guide instruction, as per an MTSS framework includes providing: universal screenings, progress monitoring, developing effective instruction and interventions aligned with research and areas of need, and considering not only students' academic performance, but also their physical, emotional, and social development.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Formative assessments include: module assessments, weekly assessments, diagnostic screeners, progress monitoring, and project-based learning activities.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

MLs/ELLs are evaluated in Spanish through the Fountas and Pinnell Benchmark Assessment in Spanish, the Aprendo Leyendo assessment, mClass Lectura, and the Core Phonics Assessment in Spanish.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

P.S. 228 uses the NYSESLAT exam as a summative assessment and utilizes results to determine MLs/ELLs performance in each of the four modalities and to identify students' areas of strengths and need. Results also provide students' information on their progress towards advancing across language proficiency levels as per raw and scale scores.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

P. S. 228's ML/ELL , is designated as the school's NYSESLAT exam coordinator and begins preparation by attending annual training sessions on test administration and scoring. Students eligible for exam are identified via the RLER ATS report. Dr. Pérez informs parents of eligible students via letters, in parents' preferred languages. Communication with parents may include the assistance of DOE's Translation unit, as needed. She also conducts parent orientations on NYSESLAT exam format and expectations, by grade. The school principal, Mr. Robert Peña Díaz, and Dr. Pérez develop testing memorandums, schedules, identify staff members to take part in exam administration and scoring, assign testing locations, develop testing and non-testing student rosters, and train staff in administration and scoring procedures. Dr. Pérez is assigned the inventory and securing of testing materials. The NYSESLAT administration and scoring team classroom teachers across all program models and grades and Dr. Pérez, ML/ELL Coordinator.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

To ensure that ELLs requiring modifications are provided with mandated accommodations, Dr. Pérez, ML/ELL Coordinator, meets with the P.S. 228 SBST team to review student 504 reports and IEPs to identify required accommodations and to develop assessment schedules that would provide for mandates.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

The ELL Identification Process for eligible students, including conducting mandated meetings for parents of newly identified ELLs, is completed within 10 school days. Dr. Leticia Pérez notifies parents of newly identified ELLs, within five days of determination, via ELL Entitlement Letters after NYSITELL, which are sent to parents in their preferred languages. Entitlement letters inform parents of their child's identification as an ELL student, as per exam scores. Multiple sessions of parent orientations are provided to accommodate parent/guardian schedules and preferred languages. Sessions are provided both in-person and virtually, in Spanish and English. Orientations in additional languages are provided with the assistance of school staff fluent in the required languages or with the support of the DOE's Translation and Interpretation Unit. Parents may also request to attend meetings with an additional attendee, to serve as interpreter. During ELL program orientations, parents are informed of the three available programs for the instruction of ML/ELLs and are provided with the opportunity to view the NYSED Parent Orientation video (in parents' preferred languages). Parents/guardians are informed of CR Part 154 regulations and provided with ELL Parent Surveys and Program Agreement Forms, in preferred languages. During ELL parent orientations, parents are also provided with an overview of Next Generation Learning Standards and grade-level expectations for identified ELLs. Parents who attend virtual sessions of ELL parent orientations are then schedule for an in person meeting with Dr. Pérez, during which they complete the ELL Parent Survey and Program Agreement Form. Records of attendance for in person and virtual ELL orientations are stored in ELL Critical Documents files.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Annual individual ELL parent meetings are scheduled during the months of December, January, and February. Dr. Pérez meets with parents of ELL students in K, first, and second grade ENL programs. Classroom teachers providing ENL component in TBE and DLBE programs also schedule and meet with parents of ELLs during this period. During individual meetings, parent/guardians are informed of their child's individual progress in each language modality and proficiency level within stand-alone and integrated ENL programming, as observed through formative and summative assessments. Information on student progress, as per NYSESLAT scores is also provided. Teachers and parents also discuss how ENL instruction is provided as well as any recommendations and resources for additional supports.

Evidence of annual ELL parent meetings is provided via the Annual ELL Parent Meeting attendance form which classroom teachers, ENL service provider, and parents/guardians sign upon completion of meeting. The attendance form specifies the date of meeting and the components discussed. The original attendance form is filed in students' cumulative folder and a copy is filed in school's critical files folders. Attendance forms are provided in parents/guardians preferred languages.

For families in need of interpretation services during meetings, designated school personnel may support with interpreting. Additionally, our school's Language Access Coordinators, Ms. Reina Verduga, Parent Coordinator, and Dr. Leticia Pérez, ML/ELL Coordinator and ENL teacher, will contact the OLA in order to arrange for translation and interpretation services, as requested and needed by parents/guardians.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Parents' primary and preferred languages are identified for each enrolled student, including MLs/ELLs, as well as whether parents/guardians require language assistance. Records of primary languages are recorded in ATS, student emergency cards, in biographical information forms requested by classroom teachers, and through parent/family surveys provided by the school parent coordinator, Ms. Reina Verduga. Parents requiring language assistance and interpretations are provided support through school-based staff fluent in required languages, and via the NYCDOE's Translation and Interpretation Unit. Currently, all letters and documents such as report cards, school calendars, and surveys are provided in Spanish and English. Parents/guardians can communicate and receive translated documents in languages of their preference through interpretations provided by school staff who may speak requested language(s), and through the assistance of the Translation and Interpretation Unit.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

P.S. 228 seeks to forge strong home to school connections through the development and implementation of programs that support and empower its families. In order to identify the needs of families of MLs/ELLs, the school parent coordinator, Ms. Reina Verduga, collaborates with teachers, the SLT, and other members of the school community to develop and conduct the P.S. 228 Parent Family Engagement Policy Survey, which focuses on identifying needs, barriers, and effective practices. Surveys are made available in English and Spanish and can be translated to additional languages, as requested. We offer workshops that build awareness and capacity of all families, but specifically targeting our ML/ELL families.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Families of MLs/ELLs are informed of opportunities to take part in leadership initiatives during PTA meetings, Student of the Month ceremonies, parent coordinator family workshops, and through written parent notifications. Our Parent Coordinator and PTA survey parents requesting workshops of interest so that we can tap into the expertise in the building and identify who can provide workshops of interest. Additionally, we collaborate with our partnerships (e.g., Cornell, district and central staff, University of Barcelona, Benchmark, etc.).

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Inclusive partnerships that meet the needs of our school community include the 92NY School Engagement in the Arts) music program, Ballet Tech Across New York (BTANY) dance audition program, The Young Athletes Special

Olympics, and the HANAC Adult Education Program.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

NA

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Dr. Leticia Pérez - ML/ELL Coordinator
Evelyn Garcia - IEP Coordinator
Claudia Palazzo - DLBE Teacher
Angelica Cornejo - DLBE Teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

The ELL identification process is conducted by Dr. Pérez, ML/ELL Coordinator/ENL teacher. If Dr. Pérez is unavailable, members of ELL identification team take part in the identification process. All team members are trained in the identification process. A schedule of availability of team members is developed and provided to pupil accounting secretary. Student registrations are scheduled during periods/times where team members are available (non-instructional periods), to prevent disruption of instruction and delivery of mandated ENL units of instruction. The identification process is conducted within 10 school days (20 school days for students with IEPs). Dr. Pérez first determines the student's enrollment status, as either a newly entering or re-entering student. If the student is identified as a newly entering student, Dr. Pérez administers the HLIS in parents' preferred language, and interviews both parents and students. A home language code is assigned based on responses to HLIS questions and parent and student interviews. Students with a home language code other than English are administered the NYSITELL. Determination of ELL status is based on students' score of NYSITELL. For students with IEP's, NYSITELL administration is determined by the Language Proficiency Team (LPT). Parents of students identified as ELLs are informed within five days after test administration, via entitlement letters provided in parents' preferred languages. Identified ELLs, with Spanish as their home language, are also administered the Spanish LAB. Parents of ELL's are invited to attend the mandated ELL parent orientation during which they will complete program selection form and parent surveys.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Elena Cunneely

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Leticia	Perez	Teacher - Regular Grades	10/16/2025	Y
Reina	Verduga	Parent Coordinator - Annual	11/20/2024	

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Student Emergency Contact cards,Surveys conducted by your school

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	2	0.71%	2	0.72%	1	1
BENGALI (BANGLA IN BANGLADESH)	3	1.07%	5	1.8%	2	2
ENGLISH	83	29.64%	80	28.78%	50	50
SPANISH	191	68.21%	190	68.35%	31	37
TIBETAN	1	0.36%	1	0.36%	0	0

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
IEPs	IEPs requiring written translation will be submitted to Office of Language Access (OLA).
Parent Flyers	Parent flyers will be translated within school by staff fluent in requested languages or will be submitted to OLA.
Student Report Cards	Report cards are printed in parents' preferred languages.
ELL Parent Notification Letters	Notification letters are provided in parents' preferred languages.
Monthly School Calendars	Calendars are translated within school into Spanish and English by staff fluent in both languages. Translations in additional languages will be submitted to OLA.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g.	How do you plan to offer interpretation services? Please outline the procedures and

parent workshops, PTCs)	resources in place to ensure timely access to interpretation for parents.
ELL Parent Orientations and additional ML/ELL Parent meetings (workshops, NYSESLAT information sessions)	ML/ELL Coordinator conducts ELL Parent Orientations and additional ML/ELL-related meetings in Spanish and English. Additionally, Interpretation into Arabic and Bengali can be provided by school staff members fluent in these languages. Translations into additional languages can be provided through the NYCDOE's Translation and Interpretation Unit (T&I Unit).
Parent/Teacher Conferences, Individual parent meetings	Bilingual teaching staff and additional school community members fluent in Spanish, Arabic, and Bengali can provide interpretation support in these languages during student conferences. Interpretations in additional languages can be provided through the T&I Unit.
IEP Meetings	Bilingual teaching staff and SBST members fluent in Spanish will provide interpretation support during IEP meetings. Interpretation services for additional languages will be provided through the T&I Unit.
School Leadership Team Meetings	S.L.T. members fluent in Spanish can provide interpretation support during monthly meetings. Interpretation services in additional languages can be provided through the T&I Unit.
Parent Coordinator sponsored workshops	Parent Coordinator can provide interpretation support in Spanish. Interpretation services in additional languages can be provided through the T&I Unit.
P.A. meetings	Interpretation services can be provided by P.A. members fluent in Spanish. Support in other languages can be provided by school staff or parents fluent in additional languages or via the T&I Unit.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Communication during emergencies with parents speaking languages other than English is done via DOE messaging app, email communications, and phone calls by staff members fluent in languages such as Spanish, Arabic, and Bengali.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Staff members will be provided with information on accessing NYCPS Language Access Training and the process of providing parents with translations and interpretations via school-based P.D. sessions, email communications providing information on accessing resources and virtual workshops. Designated LAC will provide staff members with information and updates on language access resources via email and written communications.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Parents are informed of language assistance services via signs/posters displayed throughout school building in areas such as: main entrance and main office, postings on school social media account, messages sent via messenger application, virtual classroom platform postings, written notifications, and during parent meetings, such as P.T.A., Parent Coordinator-sponsored workshops, and parent information sessions.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Parental information on preferred language assistance services can be obtained via direct feedback from parents during Parent Coordinator and ML/ELL Coordinator sponsored parental engagement activities such as: orientations, meetings, and workshops. Additionally, Parent Coordinator and ML/ELL Coordinator can collaborate on developing school-based surveys that can be provided in written and digital formats.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Awareness of language assistance services has been improved through increased physical displays throughout school building and communication with parents, mainly via written notifications. Future initiatives can include continued dissemination of language assistance services via digital platforms and creation of additional opportunities for parental feedback such as through focus groups.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

86

Grades to be served in this program. Select all that apply.

,1,K,2

Total number of teachers in this program:

6

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

6

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

- P.S. 228's 2025-2026 Title III program will take place after school and will service MLs/ELLs in K, first, and second grade. It will consist of a total of six instructional groups composed of students at the entering, emerging, transitioning, and expanding levels of language proficiencies.

- Students will engage in activities designed to develop their skills across the four language modalities through instruction centered on building cross-linguistic, foundational, metalinguistic, and comprehension skills.

- Students will be grouped by proficiency level and grade. The invitation to participate in the 2025-2026 Title III program will be extended to a total of 91 students. The goal is to form six instructional groups composed of 12 to 18 students each.
- K will consist of 2 groups of students at the entering/emerging levels.
- 1st grade will consist of 2 groups: one group will include entering/emerging level students and the second will include transitioning/expanding level students.
- 2nd grade will consist of 2 groups of students at the transitioning/expanding levels.

- Each group will have one bilingual teacher who will deliver instruction using ML/ELL strategies to support language acquisition and access to content.

-The program will be supervised by a school administrator (either the principal or the assistant principal), at no cost to the program. Additional program costs will be funded through school wide funds.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

-Data sources such as the spring 2025 EDAT, spring NYSESLAT, fall 2025 NYSITELL, and RLAT report provide information on the main language proficiency levels, by grade, and student performance across modalities, which informs the planning for Title III grouping, instruction, and resources.

-A review of P.S. 228's spring 2025 EDAT and October 2025 EDUR reports indicate that 100% of P.S. 228's student population in grades K through second, consists of newcomer ELL's, establishing the need to continue to develop programs aimed at supporting both English and native language development in our increasing ML/ELL population.

- NYSITELL proficiency levels for SY25-26 indicate that newly identified Kindergarten ML/ELL students primarily

scored at the emerging level, with 18 out of 39 students tested (46.2%), scoring at this level. In first grade, most ML/ELL students are at the Transitioning level (12%). In second grade, most ML/ELL students are at the Expanding (13.9%) and Transitioning (13%) levels. The proficiency level with the smallest percentage of ML/ELLs in both grades 1st and 2nd is Entering, with 3.7% of ML/ELLs in first and second grade scoring at this level.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

P.S. 228's 2025-2026 Title III after school program will service up to 86 ML/ELL students in grades K, 1, and 2. All students to be serviced are identified as newcomer ELLs.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The program is scheduled to run from December 10, 2025, to March 25, 2026, for a total of 23 sessions. Instruction will be provided in-person, after school on Wednesdays and Thursdays from 2:20pm to 4:00pm.

Program Schedule:
-December: 10, 11, 17, 18 (4 Sessions)
-January: 7, 8, 14, 15, 21, 22, 28, 29 (8 Sessions)
-February: 4, 5, 11, 12, 25, 26 (6 Sessions)
-March: 11, 12, 18, 19, 25 (5 Sessions)

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

-Instruction for students at the entering and emerging proficiency levels in grades K, 1, and 2 will be provided in both English. These groups will focus on reinforcing foundational skills, academic language, vocabulary, oral language skills, and writing. Lessons will also incorporate structures and explicit teaching for the development of cross-linguistic transfer skills.

-Instruction for students at the transitioning and expanding proficiency levels in grades K, 1, and 2 will be mostly in English with Spanish used as a scaffold to make connections in groups with students having Spanish as their native language. Transitioning groups will use Readers' Theater, as a creative way to engage ELL students with literacy, while helping them develop oral language and reading fluency, vocabulary, comprehension, and overall confidence.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

Title III program Instruction will be delivered by five bilingual and common branches certified teachers and one ESOL, bilingual, and common branches certified teacher.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Entering/Emerging Proficiency Levels for Grades K-2: From Phonics to Reading by Wiley Blevins and selected culturally responsive texts such as: If Dominican Were a Color by Recio and Mc Carthy, Salsa Lullaby by Arena & Meza, The Arabic Quilt by Khalil & Semirdzhyan, & What I Am by Divya Srinivasan.

Transitioning/Expanding Proficiency Levels for Grades K-2: From Phonics to Reading by Wiley Blevins and Benchmark Education's Reader's Theater - No Cost to Program

Materials used for the Title III program are supplementary and distinct from those utilized during daily core instruction and will be securely stored in school's book room.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**

- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Parents/guardians of ML/ELL students invited to take part in the 2025-26 Title III program will receive written letters of invitation/permission slips. Copies of Title III documentation, including: permission slips, class and attendance rosters, and parental notifications will be kept on file, digitally and in hard-copy format, in the school principal's office. Parent notification letters will be made available, digitally, and in hard-copy format, in parents' preferred languages.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

P.S. 228's Title III professional development program will include one PD session for 1.5 hours developed and conducted by the ML/ELL Coordinator and Principal. This session will be in addition to the 27 instructional sessions, funded by Title III funds. They will focus on reviewing materials and planning and developing lesson pacing calendar.

PD Session: December 10, 2025 - 2:25-4:00pn
Facilitator(s): Dr. Robert Peña Diaz, Principal and Dr. Leticia Pérez, ML/ELL Coordinator
Topic(s)/Activities: Teachers will become familiar with their class lists, materials they will be using, review the suggested pacing calendar, sessions schedule/attendance, and unpack the lessons expected for each date.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Teachers need to review their class lists to familiarize themselves with their students, their proficiency levels, and needs. Additionally, they need to unpack the materials and review the pacing calendars and lessons to understand the instructional flow and expectation of the program and how to align it to the needs of the students.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

Participating teachers will include six bilingual, common branch, and ESOL certified educators. They will receive ongoing professional development through Monday PD time, by independently seeking out relevant PD opportunities, and through instructional support from the AIS ELA coach, ML/ELL coordinator, and administration.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

One professional development session will take place on December 10th from 2:25pm - 4:00pm. If any more time is required, it will be communicated by the staff and provided as needed.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

PD Session: December 10, 2025
Facilitator(s): Dr. Robert Peña Díaz, Principal and Dr. Leticia Pérez, ML/ELL Coordinator
Topic(s)/Activities: Teachers will become familiar with the materials they will be using, review the suggested pacing calendar and flow, and unpack the lessons expected for each date.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

PD Session: December 10, 2025
Facilitator(s): ML/ELL Coordinator & Principal

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

All PD documentation, including: attendance log, agenda, and resources will be digitally saved and stored in school drive file. PD will be funded by Title III ELL funds.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Parental engagement activities will include a workshop for the parents of participating students. They will be invited to learn about the programs being implemented and how these will support their children's language acquisition. The PD will be offered on Thursday, December 4, from 8:10 - 9:00am during the Principal's Cafecito with the Parents. The ML/ELL Coordinator and Principal will facilitate it. The PD will be at no cost to the program.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Parental engagement activities are important for the development of effective partnerships with families of MLs/ELLs and have a positive impact on students' academic success. By including, informing, and empowering parents and families of MLs/ELLs, schools strengthen home/school connections, contribute to increased feelings of support and confidence in students, and positively impact social-emotional development, for both families and students. Planning and development of engagement activities will be aligned to needs and interests as informed by parent responses to needs assessment surveys and direct feedback obtained during parent meetings with Ms. Reina Verduga, parent coordinator.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**

- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Session will consist of 1-hour workshop on Thursday, December 4th from 8:10 - 9:00am.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Engagement activities will inform parents on the characteristics of MLs/ELLs language proficiency levels, district initiatives and school's instructional focus, the afterschool program materials, the intended impact, and home practices to support their children academically and socio-emotionally.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

The providers are the principal and the ML/ELL Coordinator.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents will be notified of workshops through virtual classroom postings (Google Classroom) and hard copies of calendars indicating the dates and times of the sessions. Records of parental engagement activities will be maintained in school's digital folder on Google Drive. Translation and interpretation services will be provided as needed, with support from school-based staff or the DOE's Translation and Interpretation Unit.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

All documentation for family engagement activities, including: attendance log, agenda, and resources will be digitally saved and stored in schoo's Title III Google drive file. Activities will be at no cost to program.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
