Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps

and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.
Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature

Maritza Ollivierra-Jones	Principal or Designee*	
Erica Laurenzano	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Valerie Martinez	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
N/A	District Council 37 (DC 37) Representative (staff), if applicable	
Celia Phillip	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	
N/A	Student Representative (Required for middle and high schools)	
N/A	CBO Representative, if applicable

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Through the collaborative effort of parents, teachers and staff, our students are educated to become leaders, problem solvers and critical thinkers. Instruction based on the highest academic standards will provide the foundation for each individual students' success. This vision will be achieved in an enriched, nurturing environment. This culture of mutual support and respect for the individual, will cultivate socially responsible and self-confident students ready to become productive members of the global community.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

What makes P.S. 274 distinctive is the collegial climate between school leaders, staff, parents and students that results in a concerted effort to strive for the success of every student. School leaders and staff demonstrate their commitment to achieving this goal by working and planning collaboratively, meeting regularly and engaging each other in professional dialogue that focuses on improving student learning.

PS 274 fosters academic success by exposing students to the arts. Students participate in chorus, music, theater, visual arts and dance. New teachers are welcomed and mentored by veteran teachers and school leaders, leading to greater staff stability. We have a diverse community of students coming from many countries including Puerto Rico, Ecuador, Colombia, Mexico, Dominican Republic, Yemen, and Brazil.

The school provides many opportunities for collaboration between parents and staff. There are monthly PTA and School Leadership Team meetings. We also offer Coffee with the Principal sessions on the final Monday of each month. This forum gives parents an opportunity to openly communicate and engage the principal regarding concerns and questions about our school. Parent workshops are provided by our staff members, the PTA, and community based organizations. The PTA works closely with staff to organize, implement and facilitate parental involvement activities. Our teacher teams conduct Parent Academy workshops during Parent Engagement time throughout the year.

P.S. 274 collaborates with several community based organizations including but not limited to Little Flower Yoga, Brooklyn Academy of Music, DISNEY Musicals in Schools, Elevated Youth, Brooklyn Foundry, CITE, Notes in Motion, Bronx Ensemble, Take 2 Film, LEAP, Dancing Classrooms, Urban Park Rangers, Brooklyn Arts Council, Studio in a School, Salvadori and Brooklyn Botanic Gardens. These programs provide services and enrichment opportunities in support of the academic, social and emotional needs of our community.

PS 274 currently serves 299 students of which 43% are Multi-Language Learners, 18% of students have Individualized Education Plans and 37% are classified as Students in Temporary Housing.

Briefly summarize the key initiatives your school will implement this school year.

For the 2025-2026 we will move into year three of using HMH's Into Reading, a research-based curriculum for K-5 that focuses on building phonetic, vocabulary and comprehension skills through methods that are grounded in the Science of Reading. This curriculum will help students build background knowledge by exposing them to more content in topics like science and social studies which is an important ingredient for building reading comprehension skills.

Additionally, we are committed to meeting the diverse needs of all students, including those who are developing as independent readers. One of the key components of our English Language Arts (ELA) instruction is the WALK to READ program, which provides targeted, flexible grouping based on students' current level of performance and instructional needs. This program includes ongoing progress monitoring to ensure that instruction is responsive and data-driven.

To further support students, especially those requiring additional practice, we incorporate Benchmark Phonics Skill Bags at the Tier 2 level. These resources are designed for small group intervention and make grade-level texts more accessible by aligning with the phonics skills taught in whole-class instruction. Each decodable book in the Skill Bags allows students to apply newly learned phonetic strategies in context, reinforcing their understanding and promoting reading fluency. By integrating these tools into our instructional framework, we ensure that students receive the support they need to grow as confident, capable readers.

As we transition into year three of implementation of Illustrative Mathematics, a mathematics curriculum that is centered around problem-based teaching and learning. IM Math provides multiple entry points to all students, and is centered around student discussion as a means to build mathematical understandings. Students create a mathematics community within their classroom and are encouraged to build ideas together to make lasting connections between mathematical concepts. We will continue our work with using concrete, representational, and abstract progression to help students make sense of mathematical content.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	HMH Into Reading/Arriba la Lectura	Digital, Bilingual Spanish
MATH	K-5	Illustrative Math	Digital, Bilingual Spanish

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
50% of Kindergarten students are well below grade level (Acadience End of Year Benchmark 2025)	This data indicates a need for intentional progress monitoring and timely data-informed instruction in phonemic awareness.	The data shows a strong need for teachers to intentionally plan and provide students with opportunities to develop phoneme segmentation, first sound fluency, and nonsense word reading skills. These foundational skills are essential for improving students' ability to read words and decode sounds effectively. To address this, we must build teachers' capacity through targeted coaching in Tier 1 phonics instruction, specifically using the UFLI program, to ensure they can teach these skills with fidelity. Additionally, supporting teachers in the implementation and instruction of the Heggerty program will further strengthen students' phonological awareness and early reading abilities.

63% of 1st grade students are well below grade level (Acadience end of year Benchmark 2025)	This data indicates a need for intentional progress monitoring and timely data-informed instruction in letter-sound correspondence.	The data shows that students need opportunities to apply their foundational skills—such as phoneme segmentation, first sound fluency, and decoding nonsense words—within authentic books. This helps them transfer those skills to real reading experiences. Teachers need targeted coaching to effectively support students by teaching foundational literacy skills through authentic texts, ensuring that instruction is meaningful and connected to actual reading.
61% of 2nd grade students are well below grade level (Acadience end of year Benchmark 2025)	This data indicates a need for intentional progress monitoring and timely data-informed instruction in pre-requisite foundational literacy skills.	The data shows a need to continue focused instruction on foundational literacy skills in 2nd grade, along with targeted support to help students apply these skills effectively to reading authentic texts. To address this, ongoing teacher coaching and professional development are essential to strengthen both foundational skill instruction and guided practice in text application across early grades.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	58	By June, 2026, literacy for All Students will improve, as measured by a decrease from 58% to 48% of students well below grade level on the Acadience screener.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement school-wide practice of using the first two days of each HMH focus text to build understanding around the passage. This will help support comprehension and connect foundational skills to authentic reading experiences. This approach will help students apply decoding and phonics skills in context, improving overall reading fluency and understanding.

Root Cause Addressed:

This approach addresses the root cause identified by the data: students need frequent opportunities to apply foundational skills—such as phoneme segmentation, first sound fluency, and decoding nonsense words—within authentic books. Applying these skills in real reading contexts helps students transfer and solidify their decoding abilities.

To support this, teachers require support in developing a system to progress monitor and analyze the data for instructional implications. This ensures instruction is data-informed, purposeful, connected to meaningful reading experiences, and better supports student growth.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
All 1-3 teachers will administer the Core Phonics Survey to students in their class. Collaboratively the walk to read team will break students into groups based on the following literacy focuses: Letter Sound Identification Short Vowels In CVC Words Const.Blends w/ Short Vowels Short Vowels Digraphs/ -tch R Controlled Vowels Long Vowel Spellings Variant Vowels Vowel and Const. Spelling Multisyllabic Words Collaboratively the team will group and program the initiative. Additionally, a 10-day cycle will be developed for the walk to read instruction.

All 1-3 teachers will engage in ongoing professional learning in support of launching the use of decodable reading materials to support their implementation in walk to read. This support will enhance teachers' knowledge and ability to use decodable texts during the walk to read period to reinforce students' phonetic knowledge and help them build strong content knowledge and acquire robust vocabulary skills. The use of decodable texts will give students the opportunity to transfer their learning while engaging with authentic texts to develop a mastery of reading.
Engage in a walk to read Inquiry Cycle. Data teams will analyze and evaluate students' iReady and Acadience pathways as well as Core Phonics Progress Monitoring Data in order to see how the progress towards the CEP goal is being made.
AIS Afterschool Program: Engage 1-3 students in targeted small group instruction that offers multiple opportunities/modalities for monitoring student outcomes utilizing Hi-Impact after school tutoring focusing on foundational skills.
Engage in a walk to read Inquiry Cycle for students in 4-5th grade during a Saturday Academy. Data teams will analyze and evaluate students' progress using the Core Phonics Progress Monitoring Data in order to see how the progress towards the CEP goal.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Acadience Progress Monitoring Tool

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/11/2025	09/11/2025	During Parent Teacher Conferences in September teachers will share PS 274 Literacy Expectations for the school year. K-2 will share acadience BOY resources and 3-5 will share close reading resources.	Classroom Teachers
09/04/2025	06/26/2026	Launch our new monthly parent initiative called "Parent Literacy Connection" where parents in to see our literacy block in action and provided resources to support at home.	Classroom Teachers
09/04/2025	06/26/2026	Host quarterly grade level parent workshops that focus on upcoming literacy topics and skills.	Classroom Teachers

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Classroom Teachers

Instructional Resources

Handouts for parents, games/manipulatives/books for families to take home, sound partners curriculum and BOB books, Just Right Readers

Schedule Adjustments

Programming, Grade level planning days

Other Resources Needed

Building permits, Afterschool program, per-diem substitutes

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
91% of teachers responded favorably to the question "How many adults at this school...help students develop the skills they need to complete challenging coursework despite obstacles?" (NYC School Survey 2025)	Teachers are expressing the need to further strengthen collaboration, resources, and targeted support to ensure all students—especially those facing greater challenges—are fully supported in meeting rigorous academic expectations.	Providing teachers with ongoing training and resources to effectively recognize, manage, and support students' social and emotional needs, while also fostering student resilience to create a positive and supportive classroom environment.
91% of teachers responded favorably to	Teachers are expressing the need for more consistent practices or support	This data demonstrates a need to ensure consistency and extend practices to all

the question "How many adults at this school... teach students how to advocate for themselves?" (NYC School Survey 2025)	to help all teachers feel equipped to explicitly teach and encourage student self-advocacy.	students by providing ongoing professional development and creating school-wide systems that support student self-advocacy across all classrooms and grade levels.
73% of teachers responded favorably to the question "How many adults at this school... recognize disruptive behavior as social-emotional learning opportunities?" (NYC School Survey 2025)	Teachers are expressing the need for more consistent training, shared expectations, or strategies around using disruptive behavior as opportunities for social-emotional learning. Teachers may need more support to effectively recognize and respond to these moments as chances for student growth.	This data demonstrates a need to increase staff understanding and capacity to recognize and respond to disruptive behavior as opportunities for social-emotional learning. The priority is to provide targeted professional development and implement consistent practices that help all adults view and address challenging behaviors through a social-emotional learning lens.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	88%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 5% Increase, in question under the Social Emotional from 88% to 93%, per the NYC School Survey results.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Guidance team needs to develop a plan to support all stakeholders in using a universal approach to support student's social emotional regulation.

Root Cause Addressed:

Supporting teachers with integrating social-emotional practices to support students emotionally

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Targeted Professional Development for teachers at the start of the school year focused on trauma-informed practices, restorative approaches, and SEL strategies for managing disruptive behavior.
Reintroduce and Reinforce Behavior Response Protocols: clear, consistent protocols that guide staff in responding to disruptive behavior with SEL-focused interventions.
Collaborative Reflection Sessions, regular staff meetings or professional learning communities (PLCs) to discuss challenging behaviors and share effective SEL strategies
Parent and family workshops to establish a universal language in addressing and supporting self regulation strategies
Implementation of Restorative Practices where we reintroduce or expand restorative circles and conflict resolution programs to address behavior in a supportive way.

6 week (once a week) Mindfulness session using the Little Flower Yoga curriculum
Reimplementation of Community Building in each classroom on Monday morning and Friday afternoons.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will monitor with a mock NYC School Survey to all school staff quarterly.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	09/24/2026	Targeted Professional Development for teachers at the start of the school year focused on trauma-informed practices, restorative approaches, and SEL strategies for managing disruptive behavior	Guidance Team
10/06/2025	12/18/2026	Collaborative Reflection Sessions, regular staff meetings or professional learning communities (PLCs) to discuss challenging behaviors and share effective SEL strategies	Guidance Team
01/05/2026	04/27/2026	Implement Restorative Practices: Introduce or expand restorative circles and conflict resolution programs to address behavior in a supportive way.	Guidance Team and Bridging the Gap Social Worker

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Guidance Counselor, Social Worker, Teacher

Instructional Resources

Little Yoga Curriculum

Schedule Adjustments

Modifications to the flow of the day

Other Resources Needed

Sensory Materials

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
3rd graders scored 39% lower than the NYC average on Standard 3.OA.4 (Unknown in multiplication/division equations) (NYS June 2025 Instructional Reports)	Instructional practice needs to continue to be strengthened in the activity and lesson synthesis portion of IM to help students make connections within the content aligned to unknown values in multiplication/division equations.	Instructional practice during the lesson synthesis needs to be strengthened to ensure students clearly understand and connect the mathematical goals of the lesson, particularly in finding factor pairs. Synthesis should be more intentional and explicit, helping students make meaning of the day's work and see how it connects to prior knowledge. In addition, students need regular opportunities for independent practice to build fluency and strengthen their overall number sense.

4th graders scored 23% lower than the NYC average on Standard 4.OA.4 (Finding a factor pair) (NYS June 2025 Instructional Reports)	Instructional practice needs to continue to be strengthened in the activity and lesson synthesis portion of IM to help students make connections within the content aligned to finding factor pairs.	Instructional practice during the lesson synthesis needs to be strengthened to ensure students clearly understand and connect the mathematical goals of each lesson, particularly as outlined in the New York State standards such as NY-4.OA.4 (finding all factor pairs for numbers within 1–100). Synthesis should be more intentional and explicit, helping students make meaning of the day's work, connect new learning to prior knowledge, and solidify their understanding of key concepts. Additionally, students require regular opportunities for independent practice to reinforce the lesson objectives, build fluency, and strengthen their overall number sense. By focusing on explicit synthesis and consistent independent practice, students will be better equipped to meet grade-level expectations and demonstrate increased mathematical proficiency.
5th graders scored 34% lower than the NYC average on Standard 5.NBT.7 (Operations on decimals to hundredths) (NYS June 2025 Instructional Reports)	Instructional practice needs to continue to be strengthened in the activity and lesson synthesis portion of IM to help students make connections within the content aligned to operations on decimals to hundredths.	Instructional practice during the lesson synthesis needs to be strengthened to ensure students clearly understand and connect the mathematical goals of each lesson, particularly in alignment with the New York State standards such as NY- 5.NBT.7 (Operations on decimals to hundredths). The synthesis portion should be intentional and explicit, allowing students to make meaning of the day's learning, draw connections to previous knowledge, and deepen conceptual understanding. In addition, students need consistent opportunities for independent practice to reinforce lesson objectives, promote fluency, and develop their overall number sense. Focusing on purposeful synthesis and ongoing independent practice will better support students in reaching grade-level standards and advancing their mathematical proficiency.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	34	PS 274 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students at or above proficiency on standard 3OA4, unknown values, multiplication division equations will Increase by 10% from 34 to 44, for All Students, as measured by EOU IM assessment.
All Students	19	PS 274 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students at or above proficiency on Standard 4OA4, find factor pairs 1 to 100 will Increase by 10% from 19 to 29, for All Students, as measured by EOU IM assessment.
All Students	34	PS 274 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students at or above proficiency on standard 5NBT7, operations on decimals to hundredths will Increase by 10% from 34 to 44, for All Students, as measured by EOU IM assessment.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Fluency drill sessions during MTSS focused on target standards (3OA4, 4OA4, 5NBT7).

Root Cause Addressed:

The data indicates that there is a need for teachers to plan for and provide targeted, consistent opportunities to build fluency and conceptual understanding in multiplication and division to improve overall mathematics performance.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Use varied drill formats—timed practice, games, oral/written quizzes—to keep students engaged.
Differentiate drills based on student skill levels to provide appropriate challenge and support.
Track individual student progress with quick records after each session.
Share data and observations in weekly MTSS team meetings to adjust groupings and instructional focus.
Teachers will analyze the percentage of lessons passed on the iReady platform in order to progress monitor student growth.

Key Strategy 2 (Optional):

.

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Collect and review fluency drill data weekly to identify growth trends and students needing extra support.
Use End Of Unit (EOU) Illustrative Math assessments to measure proficiency gains every term.
Hold monthly MTSS team meetings to evaluate intervention effectiveness and make data-driven adjustments.
Report progress to school leadership regularly to ensure continued focus and resource support.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Communicate the purpose and benefits of fluency drills through Open House in September as well as newsletters or ongoing meetings.	School Staff
09/04/2025	06/26/2026	Provide simple practice activities or apps such as iReady aligned to the standards that parents can use at home.	School Staff
09/04/2025	06/26/2026	Encourage consistent practice by suggesting short daily routines to build fluency.	School Staff
09/04/2025	06/26/2026	Offer periodic updates on student progress via iReady Progress Reports and celebrate improvements to motivate families.	School Staff

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Grade level classroom teacher-teams, Curriculum Associate: i-Ready

Instructional Resources

Handouts for parents, manipulatives for families to take home

Schedule Adjustments

Programming, After-School, Grade level planning days

Other Resources Needed

Building permits, per-diem substitutes

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
28% of Students in Temporary Housing are identified as chronically absent	A large percentage of the Students in Temporary Housing at PS 274 are identified as chronically absent	There is a need to reduce chronic absenteeism among Students in Temporary Housing at PS 274. Our community coordinator and attendance team will implement daily communication with families, collaborate closely with shelter staff, and partner with community-based organizations (CBOs) to bridge communication lines and provide

(New Visions, June 2025)	(New Visions, June 2025)	coordinated support that removes barriers to attendance and ensures consistent student engagement.
37% of PS 274 student population are students in temporary housing(New Visions, June 2025)	More than a third of PS 274 student population are in the priority group, students in temporary housing (New Visions, June 2025)	There is a need for teachers to actively support Students in Temporary Housing by strengthening relationships, monitoring attendance, differentiating instruction, and collaborating with families and support staff. Clear and consistent communication between teachers and the attendance team must be established to promptly address attendance concerns and coordinate interventions that promote student engagement and success.
31% of students identified as Chronically absent are students who also Students in Temporary Housing (New Visions, June 2025)	Out of all students identified as chronically absent about a third of those students who are in temporary housing (New Visions, June 2025)	There is a need to reduce chronic absenteeism among Students in Temporary Housing, who make up 31% of chronically absent students, by enhancing daily communication between the attendance team, community coordinator, teachers, shelter staff, and families. This coordinated approach will provide targeted outreach, remove attendance barriers, and ensure consistent student participation in school.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students in Temporary Housing (STH)	28	<School Name> will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the percentage of students at risk for attendance for Students in Temporary Housing (STH) will Decrease by 10 from 28 to 18 as measured by New Visions Attendance Report.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Establish an Attendance Task Force that conducts daily outreach to every family of Students in Temporary Housing who are absent, and holds a brief, supportive conference with the parent or guardian upon the student's return to school.

Root Cause Addressed:

This Attendance Task Force strategy directly addresses the root cause by establishing daily, consistent communication with families, shelter staff, and community partners. By doing so, it bridges existing communication gaps, enabling timely identification of attendance barriers and coordinated support. The personalized follow-up conferences with parents create stronger family-school connections, helping to remove obstacles and promote regular student attendance and engagement.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The Attendance Task Force, led by the community coordinator and support aides, will conduct daily outreach calls or messages to families of Students in Temporary Housing who are absent. Upon each student's return, the coordinator will hold a brief, supportive conference with the parent/guardian to discuss attendance barriers and connect them with resources.
The Attendance Task Force will meet weekly with the school's attendance team to review attendance data in real time, identify students with ongoing attendance challenges, and develop personalized intervention plans. Shelter staff and community partners will be invited to collaborate during these meetings to ensure coordinated support.
The Bridging the Gap Social Worker will facilitate "Lunch Bunch" groups during school hours to provide Students in

Temporary Housing with social-emotional support, peer connection, and a safe space to build relationships, fostering a stronger school connection
Launch targeted afterschool arts programs designed to engage Students in Temporary Housing, offering creative outlets that build skills, confidence, and a sense of belonging—key factors in improving overall attendance and school engagement.
During the spring semester, students and families meeting their attendance goals will engage in attendance initiatives (Paint & Pizza, Family Olympic Sport day) designed to combat absences thereby decreasing the number of students having difficulty learning to read by the third-grade.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Progress monitoring using the New Vision Portal by creating a support group for this program.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Host workshops specifically for parents of STH students explaining the importance of regular attendance for graduation and future success, plus strategies to overcome attendance barriers.	School Staff
09/04/2025	06/26/2026	Schedule regular calls or home visits with families of STH students to discuss attendance challenges, provide resources, and co-create attendance improvement plans.	School Staff
09/04/2025	06/26/2026	Create recognition or reward programs that celebrate improved attendance and family engagement, emphasizing positive reinforcement.	School Staff
09/04/2025	06/26/2026	Engage parents in sessions that link attendance with readiness for college and careers, helping them understand how attendance supports economic security.	School Staff

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Parent Coordinator, Bridging the Gap Social Worker, Guidance Counselor, Attendance Team

Instructional Resources

NYC Kids Rise Financial Literacy Curriculum

Schedule Adjustments

Friday Afterschool Program

Other Resources Needed

Building permits

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
95% of parents responded favorably to the question "Since the beginning of the school year how often	Communication gaps, language differences, and or busy schedules may make it harder for parents to regularly see their child's work. Understanding and addressing these needs	This data demonstrates a need to strengthen communication with parents by increasing opportunities for them to see their child's work, improving

have you seen your projects, artwork, quizzes or tests?" (NYC School Survey 2025)	will help us strengthen connections with every family and ensure all parents feel fully engaged and informed.	awareness of how to contact the Parent Coordinator, and encouraging participation in school events and meetings.
85% of parents responded favorably to the question "I know how to contact the Parent Coordinator at my child's school" (NYC School Survey 2025)	Parents might not yet be fully aware of how to contact the Parent Coordinator and may need additional reminders and communication in various formats. By increasing outreach and sharing this information more broadly, we can ensure every family feels connected and supported.	This data demonstrates a need to ensure parents are well-informed about how to contact the Parent Coordinator for support and information.
97% of parents responded favorably to the question "During the school year you attended a school meeting, school event, or parent teacher conference?" (NYC School Survey 2025)	Parents may have faced unique challenges such as scheduling conflicts or unexpected circumstances that made attending events difficult. By continuing to offer flexible options and personalized outreach, we can create even more opportunities for every family to participate and stay connected.	This data demonstrates a need to encourage and support greater parent participation in school meetings, events, and parent-teacher conferences.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	95	PS 274 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the Percentage of parents and families responding favorably to questions on Parent Involvement in school will Increase by 5 from 95 to 100 as measured by NYC School Survey Results.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Establish The Parent Literacy Connection, this initiative will directly address the root causes by offering flexible family literacy events scheduled at various times to accommodate different busy schedules and reduce conflicts. Guided take-home activities provide an alternative for families who cannot attend events in person, ensuring all parents have meaningful ways to engage with their child's reading and writing progress. Additionally, the initiative includes clear, multilingual communication and regular reminders about how to contact the Parent Coordinator and participate in literacy activities, helping to close communication gaps and reach every family. By combining flexible options, personalized outreach, and accessible resources, this strategy ensures all parents feel informed, connected, and empowered to support their child's learning.

Root Cause Addressed:

This strategy will address the root cause of limited parent awareness and involvement in their child's literacy development, which can result from insufficient communication and lack of accessible opportunities for families to engage with literacy learning both at school and at home.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Launch the Parent Literacy Connection Initiative introducing a school-wide program that educates and empowers parents with strategies and resources to support their child's reading development as part of PS 274 Reads.
Host Monthly Family Literacy Connection workshops focused on reading strategies and activities aligned with PS 274 Reads, providing parents with tools to support literacy development at home.
Offer events and meetings at various times to accommodate diverse family schedules. Including virtual evening

workshops to support families scheduling needs.
A Literacy Game Night will be hosted in the fall to create a fun, interactive event designed to engage parents and families in activities that promote a love of reading together. To create a joyful, low-pressure environment where families explore reading through games and activities that build literacy skills and foster enthusiasm for books.
Teachers will host quarterly parent workshops on the upcoming benchmark expectations and provide resources for families to support their children at home.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Restructuring our weekly attendance team meetings to adopt a more data driven approach utilizing New Visions and Insight.

Root Cause Addressed:

Possible academic struggles, social emotional challenges, health related concerns or transportation issues.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Based on the data collection, look at more specific trends and any additional students who need to be targeted. Revise the attendance action plan based on the information from the first half of the year.
Based on the data collection, review the incentives in place as well as their impact. Revise the incentives in place as needed to increase impact.
Continue to target at risk students through mentoring. Revise mentoring groups based on chronically at risk students from the first half of the school year.
Data collection and analysis to identify trends, and areas of concern. Establish clear attendance policies and revise attendance action plan.
To support attendance goals, implement systems such as attendance incentives. These incentives include: weekly 100% attendance prizes, 100% class attendance incentives, and 95-100% quarterly incentives school-wide for students and their families.

Implement systems to assist students in increasing their attendance through mentoring in order to identify barriers to attendance for the student as well as build strong relationships.
Schedule meetings with those families with students who were identified as severely chronically absent within the 2024-2025 at the start of the year to identify barriers that can be supported by the school.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Monthly SWD Cohort Meetings

Root Cause Addressed:

Compliance

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Ensure program and service recommendations are appropriate for each student and provide access to the student's least restrictive environment. Use IEP review checklist to ensure each SWD program is closely aligned to student need.
Develop appropriately rigorous standards-aligned annual goals. Engage all staff with ongoing professional learning and support around Next Generation Learning Standards to ensure all goals are aligned and appropriate.
Ensure “impact of disability” statements reflect the effect of the student's disability on access, participation and progress in the general education curriculum. Clarity on how to plan for SDI that targets individual student needs
Ensure that programs and services mandated on each student's IEP are delivered. Review "First Attend" related service reports with SIT Team and SpEd teachers.
Ensure that student voice in captured throughout IEP, especially in IEP PLOP Administer an age appropriate interest survey.
Conduct IEP meetings within specified compliance dates. Review SESIS Data to ensure compliance dates are met as a SWD Cohort.
Monitor referrals to Special Education to ensure appropriate referrals only. Review initial requests through PPT and follow up all parent requests with a parent/principal meeting.
Ensure that student specific SDI is explicitly stated in IEPs. Create and use educational disability-skill deficiency-SDI flowchart to incorporate needs based strategies and interventions in IEP PLOP.
Implement SPIRE reading program across all SETSS reading instruction. Ensure access to explicit instruction within our

SETSS program that provides for remediation in the phonics and phonemic awareness deficiency.

IEP Goal Progress Monitoring Initial email will be sent out containing the Progress Monitoring due dates. One week before the due date Special Ed. liaison will remind all classroom teachers and relater service provides of the due date. Progress Monitoring data will be reviewed monthly at SIT meetings.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Monthly reports from IEP management portal reviewed at each SWD cohort meeting

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Create a parent friendly survey for parents to complete prior to IEP meetings in which they describe their child's strengths, needs, and interests; as well as their visions of success for their child.	School Psychologist, social worker, SIT Team, classroom teacher
09/04/2025	06/26/2026	Parent IEP Orientation/Service Provider Workshops	IEP Teacher/coordinator, School psychologist, social worker and service providers.

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs. Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

IEP Teacher/coordinator, School psychologist, social worker and service providers

Instructional Resources

Curriculum Associates: iReady, Sora, Spire, IM, HMH

Schedule Adjustments

Programming

Other Resources Needed

N/A

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Student has not made adequate progress in Tier 1 Math instruction in 3-5 will be offered an opportunity to be a part of an AIS Math pull out Program.	iReady Next Steps and Teacher Toolbox	Small Group	During the school day	Yes
Tier 3	Student has not made adequate progress in Tier I and II Math/ELA instruction (teacher assigned lessons in iReady) over a six week period of time set by the school based AIS team.	iReady	individual pathway	During the school day	Yes
Tier 3	Student has not made adequate progress in Tier 1 ELA instruction in K-2 will be offered an opportunity to be a part of a high impact tutoring program	Sound Partners	Small group 1:2 or 1:1 services	After-school	Yes
Tier 2	Students in 1-5 will participate in a tier 2 walk to read period where targeted literacy skills are addressed.	UFLI	Small Group	During the school day	No
Tier 2	Student has not made adequate progress in acquiring letter sound correspondence in Tier 1 phonics instruction in Kindergarten will be offered an opportunity to be a part of an AIS pull out for Sounds in Motion.	Sounds in Motion	Small Group	During the school day	No
Tier 2	Students who are performing at language acquisition levels of: emerging, transitioning, and expanding will be offered an opportunity to be a part of a Title 3 Afterschool Program.	Language Power	Small Group	After school	No
Tier 2	Students who are performing at language acquisition levels of: entering will be offered an opportunity to be a part of a Title 3 Immigrant Afterschool Program.	Language Power	Small Group	After school	No

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2 and 3	Students who experience difficulty meeting state standards and those students who are living in Temporary Housin	Yoga & Mindfulness	Small group	During the school day	No
Tier 3	Students who experience difficulty meeting state standards and are not responsive to Tier 2 interventions	Yoga & Mindfulness	Individual/group	During school day	No
Tier 3	Students who experience difficulty transitioning to school or experiencing trauma	At "Hope" Counseling	Individual	During school day	No
Tier 2 and 3	Student Election	Student Council	Small Group	During the school day	No
Tier 2 and 3	OORS Data, Teacher/Classroom observations/data, DESSA	Restorative Circles	Small Group	During the school day	No
Tier 2 and 3	OORS Data, DESSA data	Lunch Bunch	Small Group	During the school day	No
Tier 2	OORs Data, DESSA data, teacher /classroom observations	SEL Classroom Push-Ins (RFA week, anti-bullying month, etc	Whole Class	During the school day	No
Tier 2	Behavioral Expectations,	CHAMP	Whole Class	During the	No

	DESSA	Curriculum		school day	
Tier 2 and 3	As per IEP evaluation	Mandated IEP Students with Counseling Services	Individual/Group Counseling	During the school day	No
Tier 3	Attendance data (chronic absenteeism /students with 504)	Attendance Mentoring	Small Group	During the school day	No
Tier 2	DESSA Data, OORS reports, Observation	Little Flower Yoga Curriculum	Whole Class	During the school day	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Family Orientation Sessions
Host welcoming sessions at the start of the year to explain MTSS, how it supports students, and what families can expect.

Regular Newsletters and Updates
Include MTSS information and success stories in school newsletters or emails to keep families informed and engage

Parent Workshops
Offer interactive workshops where families learn about MTSS processes and can ask questions about their child's supports.

Individualized Communication
Share MTSS-related progress and next steps during parent-teacher conferences or through personalized notes and calls.

Use of Visual Aids and Examples
Explain MTSS with diagrams or stories showing how different tiers support students' academic and behavioral needs.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Parent Engagement Time
Hold meetings with families to review intervention goals, progress data, and next steps.

Progress Reports
Provide written updates aligned with report cards that clearly show growth, areas for improvement, and intervention details.

Parent Workshops on Understanding Data
During quarterly grade team parent workshops teachers help families interpret progress monitoring data.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

For tier 3 HIT program:

Collaborative Meetings
Schedule regular, structured meetings with families to review progress data, discuss challenges, and decide on next steps together.

Shared Goal Setting
Involve families in setting clear, personalized goals and criteria for success based on their child's strengths and needs.

Transparent Data Sharing
Provide families with understandable progress reports and explain what the data means for intervention decisions.

Flexible Meeting Options
Offer in-person, phone, or virtual meetings to accommodate family schedules and preferences.

Ongoing Feedback Opportunities
Create channels for families to share concerns or ideas anytime, not just at formal meetings.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

109

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

15% of STH students are proficient on the iReady ELA Diagnostic.
15% of STH students are proficient on the iReady Math Diagnostic.
16% of students are on benchmark in Acadience Screener.
Students need additional support in order to perform at or above proficiency including:
-HIT
-Walk to Read
-Title 3 After School
-Saturday Academy Program ELA/Chess
-Fun Friday Enrichment Program

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

The following services will be provided to students in the STH population:
-Support of a Bridging the Gap Social Worker
-Support of a STH Community Coordinator
-Student mentor lunch groups
-Mindfulness and yoga to the support the social and emotional growth of students
-Support with uniforms, school supplies and personal items
-Support for families with attendance and wellness habits
-Support for families with technology and ensuring that our curriculum is accessible for students and families
-After-school programming
-Monitoring of student attendance and ongoing parent communication
-Referrals to social services and relevant CBOs as needed

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

1 student is in foster care at our school.

These are the Social Emotional and Academic Supports provided to students in foster care:

SEL
-CHAMP Curriculum
-Built in Community Building Activities
-At Hope Counseling
-Little Flower Yoga Curriculum
-Yoga and Mindfulness
-Fun Friday Enrichment

Academic
-HIT Program
-ELA/Math afterschool support
-Fun Friday Enrichment

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

Collaboration with Child Welfare Agencies: Maintain regular communication with caseworkers and foster families to coordinate educational and support services.
Parent and Caregiver Engagement: Involve foster parents and caregivers in school meetings and decision-making to support the student's educational success.

Access to Extracurricular Activities: Encourage participation in clubs, sports, and other activities to promote social integration and a sense of belonging.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

Our school currently has 1 student in foster care. We will continue to ensure consistent adult mentors or advocates within the school to build trust and provide ongoing support. We will continue to involve foster parents and caregivers in school meetings and decision-making to support the student's educational success.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Provide Access to Trained Staff: Ensure counselors, social workers are available to deliver targeted interventions such as small group counseling, social skills training, or trauma-informed care.
Provide Professional Development: Train all staff on trauma-informed practices and how to recognize and respond to social-emotional needs effectively.
Targeted SEL support helps students feel understood and supported, giving them the tools to manage their emotions and handle challenges both inside and outside the classroom.

Section 7: Parent and Family Engagement Policy and School–Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school’s Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. PS 274, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

PS 274 will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School's Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the

Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 274, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Priority 1- All students will learn to read well.
Priority 2 - All students are physically and emotionally safe
Priority 3 - All students have a high-quality academic experience
Priority 4 - All students graduate college and career ready and have a strong plan and pathway to economic security
Priority 5 - Redesign the system to be more inclusive and responsive for families and parents

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

During the staggered schedule in the first week of school, pre-k families are welcomed into the classroom to become acclimated to the school setting. Students engage in the classroom space, meet their teacher, and begin to develop routines. Throughout the school year, families are invited into the classroom to support their child's learning through an end-of-unit collaborative activity. This practice continues throughout the year in order to support building parent capacity in supporting their child academically as well as developmentally.

Preschool students and families are supported through the transition to elementary school programming. Parents and families of kindergarten students are encouraged to participate in our kindergarten open house in the Fall, which facilitates understanding of programming, scheduling, and expectations as a kindergarten student. In May, preschool parents and families will be invited into the building for Transition to Kindergarten orientations, where they can visit kindergarten classrooms in expectation of the student's transition in September. In the close of the year, teachers will provide Pre-K families with a preparation packet that outlines the 60-month ages and stages of children to help form a shared vision of child development and help parents and teachers collaboratively develop goals for student growth.

Assessments from Teaching GOLD will be shared from incoming preschool students with our kindergarten teachers to ensure coherence in understanding of students' strengths and needs. At the beginning of the year, preschool and kindergarten teachers will collaborate on how the first 6 weeks of the Creative Curriculum Teaching Strategies can be adapted and condensed to address the same developmentally appropriate needs as preschool students transition into kindergarten.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated. For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	372,900.	X	Priority 1- All students will learn to read well. Priority 2 - All students are physically and emotionally safe Priority 3 - All students have a high-quality academic experience Priority 4 - All students graduate college and career ready and have a strong plan and pathway to economic security Priority 5 - Redesign the system to be more inclusive and responsive for families and parents
Title I, School Improvement 1003(a)	Federal			
Title II, Part A	Federal			
Title III, Part A	Federal	18,193.	X	Priority 1- All students will learn to read well. Priority 2 - All students are physically and emotionally safe Priority 3 - All students have a high-quality academic experience

				Priority 4 - All students graduate college and career ready and have a strong plan and pathway to economic security Priority 5 - Redesign the system to be more inclusive and responsive for families and parents
Title III, Immigrant	Federal			
Title IV, Part A	Federal	112,350.	X	Priority 1- All students will learn to read well. Priority 2 - All students are physically and emotionally safe Priority 3 - All students have a high-quality academic experience Priority 4 - All students graduate college and career ready and have a strong plan and pathway to economic security Priority 5 - Redesign the system to be more inclusive and responsive for families and parents
Tax Levy (Fair Student Funding)	Local	2,826,575	X	Priority 1- All students will learn to read well. Priority 2 - All students are physically and emotionally safe Priority 3 - All students have a high-quality academic experience Priority 4 - All students graduate college and career ready and have a strong plan and pathway to economic security Priority 5 - Redesign the system to be more inclusive and responsive for families and parents

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Maritza Ollivierra-Jones
Assistant Principal (Where Applicable)*	Aimee Perez
English as a New Language (ENL) Teacher*	Lourdes Vargas, Yera Ha
Teacher (if school has a bilingual program must be a bilingual teacher)*	Janet Molina
Parent/Guardian*	Yesenia Hernandez
Teacher	Arlene Sarjeant
Parent Coordinator	Doris Rivera
School Counselor	Marleana Rad
Related-Service Provider	Camille Zimmerman
Other (Name and Title)	n/a
Other (Name and Title)	n/a

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

0

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

5

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

1

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

0

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

236

Total number and percentage (%) of current ELLs:

106, 44.9%

Total number and percentage (%) of former ELLs:

8, 3.39%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

116, 87.2%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

17, 12.8%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0, 0%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0, 0%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

19, 14.3%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	GE	Spanish/English	2018	1	1	1	1	1	1								6
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 1	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

The ELLs in the stand-alone ENL program are grouped heterogeneously by proficiency level and by grade. In the stand-alone class, ELL students receive English language instruction to develop literacy and communication skills. The goal is to help students practice productive language as well as learn the fundamentals of English, both academically and socially. The stand-alone ENL program is aligned with CR Part 154. The stand-alone instruction is provided by certified ESOL teachers. Entering and Emerging students are entitled to 180 minutes of stand-alone service and Transitioning students are entitled to 90 minutes of stand-alone service. These minutes are in conjunction with their integrated ENL services. Entering and Emerging students receive their standalone services four periods a week. Each period is 50 minutes each. Transitioning students receive two periods of stand-alone services a week. Each period is 50 minutes. Students receive instruction primarily in English with necessary home language supports driven by their English proficiency level. Stand-alone ENL minutes are calculated for each student and then programmed into STARs Classroom.

Integrated ENL:

The Integrated ENL minutes programmed for ELL students are as follows: Entering and Emerging students receive 180 minutes of integrated services during the ELA block, which breaks down into four periods a week, with each period being 50 minutes. Transitioning students receive 90 minutes of integrated services, or two periods of week for 50 minutes each during ELA. Expanding students get four periods a week of integrated services, or four periods a week for 50 minutes each during ELA. Students who have reached a proficiency level of Commanding (former ELLs) receive 90 minutes of Integrated ENL instruction in ELA/Content area for an additional two years. The Integrated ENL model provides students with core content area instruction and English language development instruction. Students receive instruction primarily in English with necessary home language supports driven by their English proficiency level. Integrated ENL instruction is provided by certified ESOL teachers in conjunction with the Common Branch and/or Special Education teachers.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

We do not have a TBE program.

Dual Language Bilingual Education (DLBE):

We offer a Spanish-English Dual Language program from Kindergarten to Fifth Grade. The program model is as follows: English instruction days are on Mondays, Wednesdays, and Fridays and Spanish instruction days are on Tuesdays and Thursdays. When we mapped out the days on a calendar, this added up to roughly 50/50 as there were

several days where school was not in session on Mondays. All DL classes are self-contained. Instruction for the ELLs is also provided in accordance with CR Part 154, with Entering and Emerging students receiving 180 minutes of small group ENL instruction and Transitioning, Expanding, and Commanding students receiving 90 minutes of small group ENL instruction. The instruction is provided throughout the week in small groups for two periods a day on Mondays, Wednesdays, and Fridays. Each period is 50 minutes. The instructional focus of the groups is language development and literacy support. The students are grouped both by proficiency levels (Entering and Emerging students getting small group ENL instruction) and by specific needs (targeted small group work with language supports). The stand-alone and integrated ENL minutes are provided by the Dual Language teachers. It is programmed as such in STARS.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

We have the following systems and structures in place for programming ELLs: upon registration, we first determine if the student has a Home Language other than English. Next, we do a student interview to determine if the student has English proficiency. If the child has a HL other than English and lacks English proficiency, we administer the NYSITELL. Based on each student's designated proficiency levels on the NYSITELL, students in our Free-Standing ENL and Dual Language programs receive instruction based on two components- English language instruction and core content area instruction. For students already in our system, we check the RLAT report on ATS to determine their proficiency levels. Their mandated number of instructional minutes is calculated using the CR Part 154-2 ENL Units of Study. CR Part 154 states that the minutes must be provided as following: Entering and Emerging students get 180 minutes of stand-alone instruction (English language instruction) and 180 minutes of integrated instruction (content area instruction), Transitioning and Expanding students get 180 minutes of integrated instruction and Commanding students get 90 minutes of integrated instruction. Each student has their minutes of service programmed into STARs. In the stand-alone ENL model, instruction is delivered in English by the certified ESOL teacher with language supports in place and with home language being considered when planning. Integrated ENL instruction is delivered by the ENL teacher and the Common Branch / Special Education classroom teacher using a Team Teaching Model. The instruction is delivered in English with language supports in place and with home language being considered when planning. Students in the Dual Language model receive ENL and content area instruction in both English and Spanish. To ensure all mandated minutes are met, the ELL Team creates a schedule based on the mandated number of minutes that each student requires. The minutes are then programmed into STARS Classroom and STARS Administration in collaboration with Ms. Perez (Assistant Principal), Ms. Vargas (ENL Coordinator), and Ms. Ha (ENL Teacher).

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

In the Free-Standing ENL program, ENL minutes are delivered in two ways. For Entering and Emerging students, they receive stand-alone services (180 minutes a week) in a separate location and Integrated ENL services in their own classroom (180 minutes a week). Transitioning, Expanding, and Commanding students receive 90 to 180 minutes of Integrated ENL services a week (based on their proficiency levels) in their own classrooms. The integrated minutes are during the ELA blocks (Phonics, Reading, and/or Writing). These instructional minutes are delivered through parallel teaching and small group instruction.

In the DL program, ENL instructional minutes are provided in small groups for Entering and Emerging students. They receive 180 minutes a week. Transitioning and Expanding students also get ENL instruction in small groups on Mondays, Wednesdays, and Fridays for 180 minutes a week. The small groups are divided up two periods a day (50 minutes each) on Mondays, Wednesdays, and Fridays. ELA is delivered whole-class every day during Phonics, Reading, and Writing. ENL methodologies are utilized to deliver these lessons.

Students in the Dual Language Program with an HL of Spanish receive Home Language Arts instruction in all content areas on Tuesdays and Thursdays.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

The Dual Language program uses a self-contained model. The English proficient students and ELLs are integrated 100% of the instructional day. We use the alternating day model (Mondays, Wednesdays, and Fridays are in English and Tuesdays and Thursdays are in Spanish). We have a mix of one-way and two-way models for the classes.

K-1 Two-Way model (9 ELLs, 8 non-ELLs)
1-1 Two-Way model (10 ELLs, 10 non-ELLs)
2-1 One-Way model (14 ELLs, 4 non-ELLs)
3-1 One-Way model (14 ELLs, 1 non-ELL)
4-1 One-Way model (15 ELLs, 0 non-ELLs)
5-1 One-Way model (16 ELLs, 2 non-ELLs)

The model type depends on what the Parent Choice was for each grade.

b. In which language(s) is each core content area taught?

In the Dual Language classes, the core content areas are taught in both English and Spanish.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

n/a

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

The composition of the ELL subgroups at our school is as follows:

There are currently 133 ELLs out of 277 active students. They account for 48% of all students. The newcomers comprise 87.2% of all ELLs (116 out of 133 students). Our school has a plan for welcoming newcomer students which is as follows: they are assigned a grade-level buddy who speaks their L1 and serves as a peer tutor and they are provided with an iPad that comes pre-programmed with translation apps. They also have access to their native language books in their classroom library as well as in the school library. Effective instruction for newcomers differs from those provided to developing or long-term ELLs by specific supports put in place for them: scaffolds, differentiated materials, home language supports, access to technology such as Google Translate, and strategic partner work. In addition, they receive stand-alone ENL instruction for 180 minutes a week with other Entering and Emerging students, along with integrated ENL instruction that they receive with their peers. They are also offered programs specific to the newcomer students such as the Title III Immigrant Academy.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

There are currently no ELLs with Inconsistent/Interrupted Formal Education. If we did have a SIFE student, first we would go through the screening and identification process (SIFE Oral Interview Questionnaire, MLS, Home Language Writing Screener, Math Screener) to determine what academic and social-emotional needs they have. We would then differentiate effective instruction for them by planning for their specific needs and literacy skills. For example, if the SIFE student was lacking in foundational literacy skills in a higher grade, we would address this need by providing targeted instruction. They will receive the mandated ENL minutes (180 minutes of standalone and 180 minutes of integrated services) to help them develop social and academic English. We would also offer social-behavioral interventions as needed through our school counselor and bilingual staff.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

There are currently no Long-term ELLs. To support our potential Long-Term ELLs, we have the following plan in place: a team analyzes the students' data and identifies the cause(s) for the long-term status. We then provide Academic Intervention Services (AIS) in the identified area(s) at increased levels of intensity to accelerate their rate of learning. After six weeks of support and progress monitoring, decisions are made on the individual's response to intervention and then we formulate next steps. This differs from the services designed for Developing ELLs, as they are offered different types of intervention services (specifically after school programs such as High Impact Tutoring, targeted small group instruction via Walk to Read, and RTI lessons). For ELLs students who may struggle academically, the MLL Team, along with SBST, takes steps to determine whether the challenge is second language acquisition and/or a possible learning disability.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

Currently, 0.7% of the population are former ELLs. Upon exiting ELL status, as per CR-Part 154, our former ELLs continue to receive at least 90 minutes of Integrated English as a New Language (ENL) in English Language Art by their classroom teacher in a core content area for the next 2 years in a small group. This is done so that we can monitor and support student's ongoing language development and academic progress. For ELL students transitioning out of ELL Identification and who are enrolled in a Dual Language program, we strongly recommend that they continue in the program.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

The at-risk indicators show that the biggest trend with the ELLs at our school is that the majority of our ELLs are Newcomers (87.2%). The next big factor is the number of ELLs in Temporary Housing (90 students or 67.7%). In addition, 48 ELLs or 36.1% did not demonstrate sufficient ELP Progress. The other at-risk indicators are as follows: 10 ELLs (7.5%) are potential Long-Term ELLs, 24 ELLs (18%) scored a 1 or 2 in ELA and 36 ELLs (27.1%) scored a 1 or 2 in Math last school year. In the 2022-2023 school year, 6 ELLs or 4.5% scored a 1 or 2 in ELA and 8 ELLs or 6% scored a 1 or 2 in Math.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

The at-risk levels that might adversely affect former ELLs at our school includes 100% of the former ELLs scoring a Level 1 or 2 Math last year and 50% of the former ELLs scored a Level 1 or 2 on the Math test in the 2022-2023 and 2023-2024 school year. The trend is that they are scoring below grade level on both assessments. For ELA, 0% of former ELLs scored a level 1 or 2 last school year and 0% scored a level 1 or 2 in the 2022-2023 and 2023-2024 school year.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The home language of ELLs with the largest representation at our school is Spanish. We have multiple bilingual staff on-site to support communication between families (ENL Coordinator, Parent Coordinator, bilingual Family Worker, teachers). To ensure that communication is clear and transparent for all parents/guardians upon registering, we identify their preferred language for communication using the "I Speak / Point to the Language You Understand" sign (located by the security desk and main lobby) as well as filling out the last section of the HLIS and the Emergency Blue Cards. We also utilize Class Dojo, which offers real-time translations when families are communicating with the school. To support learning, we offer Spanish-English Dual Language classes for students in grades K to 5.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The racial and ethnic classifications of ELLs is as follows: of the Hispanic students, 114 (77.6%) identifies American Indian or Alaskan Native, 1 (0.7%) identifies as Asian, 1 (0.7%) identifies as Black, 1 (0.7%) identifies as multiracial, 3 (2.0%) identifies as Native Hawaiian or Other Pacific Islander, and 27 (18.4%) identifies as White. Of the non-Hispanic ELLs, 1 (20%) identifies as American Indian or Alaskan Native, 1 (20%) identifies as Asian, 1 (20%) identifies as Black, and 2 (40%) identifies as White.

The ELLs are included in the planning and delivery of Culturally Responsive and Sustaining Education by following pillars of CRSE: 1. A Welcoming Environment, 2. High Expectations and Rigorous Instruction, 3. Inclusive Curriculum and Assessment, and 4. Ongoing Professional Learning. They are encouraged to give a cultural view of learning through multiple expressions of diversity such as race, social class, gender, language, nationality, etc. We provide a welcoming environment by highlighting important events such as Hispanic Heritage Month, Black History Month, Asian and Pacific Islander Heritage Month, Holidays Around the World, and the Multicultural Celebration. All ELLs are held to the same high expectations as other students to complete assessments in their HL if they prefer so that we can gather the most accurate data. We aim to use inclusive curriculum and to provide resources such as native language libraries

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

Reviewing the English Language Proficiency (ELP) growth showed that two students (or 3% of all ELLs) met progress by exiting ELL status,
11 (16.7%) students met the annual progress target, 5 (7.6%) student met the safe harbor for cumulative growth, and 48 (72.7%) students did not meet the progress goal. The trend we notice is that most students did not meet the sufficient progress goal.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

The results of the ELLs and Former ELLs who took the NYSESLAT 2024 show that the Modalities of Strength is as follows: Second Grade showed strength in Speaking, Third Grade showed strength in Listening and Speaking, Fourth Grade showed strength in Listening and Speaking and Fifth Grade showed strength in Listening and Speaking. The ELLs and Former ELLs who took the NYSESLAT in 2024 show that the Modalities of Needs is as follows: First Grade needs support in Writing, Listening, and Speaking, Second Grade needs support in Writing and Speaking, Third Grade needs support in Writing and Speaking, Fourth Grade needs support in Reading, Writing, and Speaking, and Fifth Grade needs support in all modalities (Reading, Writing, Listening, and Speaking). The trend we notice is that there is more strength in Speaking across the grades and there is more need for Writing and Speaking across all grades.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

The relationship between students' performance on the NYSESLAT and other state assessments is as follows:

- On the ELA assessment, one Entering student, 8 Emerging students, 8 Transitioning students, and one Expanding student scored a Level 1 . Six Expanding students scored a level 2 on the ELA assessment. Two Commanding students scored a Level 3 on the ELA assessment.
- On the Math assessment, 6 Entering students, 9 Emerging students, 4 Transitioning students, and 3 Expanding students scored a Level 1, 3 Entering students, 3 Emerging students, 4 Transitioning students, 4 Expanding students, and 2 Commanding students scored a Level 2, and 1 Transitioning student scored a Level 3.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

The trends for the NYSESLAT results of ELLs with IEPs is as follows: two ELLs are Entering, 10 are Emerging, one is Transitioning, and 5 are Expanding for a total of 18 ELLs. We think that their specific IEP goals coupled with their language proficiency levels impact their current NYESLAT results. There are no students who are identified as SIFE.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:

a. How many ELLs are on-track towards graduation?

n/a

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

n/a

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

n/a

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

n.a

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

To provide ELLs with a high-quality academic experience that leads to deeper learning, we offer the option of being a part of the Dual Language program or free-standing ENL with integrated and stand-alone services. Both program models have licensed bilingual/ENL teachers and they use the same vigorous curriculum as their General Education and Special Education peers. Teachers in horizontal and vertical teams have common planning time to support one another strategically. Professional development is offered to all teachers to help support their ELLs. Topics include: Supporting Newcomers, Questioning and Discussion for ELLs, Writing for ELLs, and Distinguishing Between Learning Disability and Language Acquisition. To deepen their learning outside of the classroom, all ELLs have access to a variety of in-house residencies including Dancing Classrooms, Brooklyn Academy of Music, Violin, Brooklyn Arts Council, Brooklyn Foundry, and others. To support their academic progress, ELLs are invited to participate in various before and after school programs such as Dance Crew, Title III Academy, Title III Immigrant After School, Disney, Culinary Arts, High Impact Tutoring, etc. They are also informed of the opportunity to attend MLL Summer Rising.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The school leadership team considers the ELLs in the school's instructional design by thinking of ways to address their specific needs when it comes to using a shared and inclusive curriculum, strengthening core instruction, and knowing every student well- all components of the Instructional Leadership Framework. For example, the SLT meets across several sessions to discuss the school's CEP Goals. Many conversations are dedicated to thinking of ways to specifically target the ELLs when it comes to moving them towards reaching the school's overall ELA and Math Goals. After thinking of each ELL student and discussing ideas about how they can better access the curriculum, it was decided that the Title III After School program should focus on language development to provide a strong foundation. We will use Language Power for all the grades. We used the NYSELAT as a data point and the trend we saw was students struggled with speaking and writing, which we hope a focus on language development will address. Teachers can discuss progress, questions, and concerns during our monthly ENL/DL Cohort Meetings.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

In the stand-alone ENL program, core content is delivered in English by an ESOL certified teacher. In the integrated ENL program model, core content is delivered in English in a Team Teaching format by the ESOL certified and Common Branch / Special Education teacher. In the Dual Language program model, core content is delivered by the bilingual certified teacher in Spanish and in English. Students are expected to work with a variety of texts, use discussion to build language and knowledge, use writing as a platform to extend knowledge, and to study vocabulary to help master language. Language development is fostered through the following strategies:

- scaffolding by providing visuals and not just text (pictures, diagrams, figures, infographics)
- providing a variety of texts: print (text) and digital (videos, movie clips)
- ensuring all visuals and texts incorporate different abilities, cultural, ethnic, and racial groups to promote culturally responsive teaching
- incorporating student home language and technology to help students access grade level texts and tasks
- front-loading content vocabulary
- providing realia
- using differentiated graphic organizers
- providing sentence starters / sentence frames
- providing color coded visual aids and anchor charts
- utilizing repetition, rephrasing, and nonverbal cues
- demonstrating teacher modeling on how to think-aloud
- posting and using Spanish/English cognates
- differentiating small group instruction
- providing increased wait-time during discussions

Students in the Dual Language program model use the same instructional approaches in both English and in Spanish to foster language development and to meet the demands of the Next Generation Learning Standards.

Teachers also incorporate other techniques and strategies gleaned from the New Language Arts Progressions in all program models.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Teachers of MLs/ELLs use various instructional strategies to provide access to academic content areas and to accelerate English language development. Such strategies include: cultivating culturally responsive relationships through making texts with different cultural, ethnic, and racial groups accessible, providing visuals along with various types of print (text and digital), utilizing background knowledge, using realia, teaching language and vocabulary across curriculums, providing cognates in English and Spanish, introducing sentence frames to enhance discussions, incorporating technology (Google Translate, videos in HL, iReady, Starfall, etc), and differentiating academic materials. For ELLs with IEPs, we increase both English and home language supports and interventions as well as collaborate with speech and language professionals to think of strategies. We review and align instruction to student's IEP goals.

b. SIFE

To ensure ELLs who are identified as SIFE have access to and engage with grade level content, teachers have the following plan in place:

- incorporate plentiful and colorful visuals into all content curriculum
- provide a peer partnership with a student who also speaks their L1
- encourage students to demonstrate knowledge by using their home language and cultural background
- modify pacing of lessons to meet the students' individual needs
- incorporate daily use of technology to link language across all content areas

To identify the SIFE students in our school, we use the NYS Education Department SIFE Screening (Multilingual SIFE Screener). We currently have no SIFE students.

c. Newcomers

To ensure ELLs who are identified as Newcomers have access to and engage with grade level content, the following plan is in place:

- a newly arrived student is assigned an adult mentor who acclimates him/her to the school environment
- a buddy student is selected as a peer tutor
- each student is provided with a welcome packet, which includes word cards with visuals
- students are offered the opportunity to attend the Title III MLL After School Program to strengthen and enhance content vocabulary, further develop writing skills, and integrate technology
- students are provided with access to electronic talking dictionaries, glossaries, native language books, and technology (iPads, apps, etc.)
- differentiated instruction takes place for these students in all content areas based on their needs and strengths in language acquisition and conceptual development

The data we used to inform instructional approaches are from the NYSITELL, classroom assessments, iReady data, Acadience (lower grades), Renaissance (Dual Language), etc.

d. Long Term ELLs

To ensure Long Term ELLs have access to and engage with grade level content, the following plan is in place:

- analyze data and identify the causes for long-term status, then provide RTI support in the areas of need by targeting focused lessons in reading and writing by using graphic organizers, paired instruction, small group instruction, and technology

• meet as a team with the ENL and Classroom teacher to go over the at-risk indicators to determine what are the causes of Long-Term ELL status and think of strategies to address those needs

• administer ongoing assessments by all service providers so that educational plans can continuously be modified to meet the needs of each student

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

ELLs who have been identified as needing an Individual Education Plan or as a student with special needs will have an action plan designed by a team which includes the classroom teacher, the IEP teacher, service providers, and the ENL teacher. These instructional plans for students with disabilities will take into account the student's instructional goals, the language in which special education and services are delivered, and their proficiency level determined by the student's NYSESLAT or NYSITELL. These students are not exempt from the NYSESLAT, but may use the testing modifications and accommodations as detailed on their IEP when taking the test. ELLs with disabilities will receive the required units of ENL services specified in CR Part 154. The special education teacher, the IEP teacher and the ENL teacher will communicate to align instruction to ensure the student's educational goals stated on the IEP are met in the least restrictive environment. All providers of ELLs use visuals, manipulatives and other concrete materials for all content areas. In addition, teachers will differentiate center activities and provide hands-on experiences allowing for student choice. During writing, students will be provided with writing frames (language patterns) and paper choice. Academic vocabulary will be enhanced through instructional strategies such as the use of realia and visuals. All assessments will be analyzed by this team and action plans will be revisited to address the student's next steps. These students will use the Next Generation standards aligned to the Into Reading and Illustrative Math programs, where students will receive daily language support to build comprehension skills. These programs contain technology components to provide additional scaffolds. For the Dual Language program, teachers will provide students with access to technology to promote engagement and language development. Currently six students who are ELLs/SWDs receive SETSS supports.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Home language support is assessed and delivered for all ELLs with an HL of Spanish. Students in the Dual Language classrooms are assessed periodically in their home language in all content areas (ELA- ¡Arriba La Lectura!, Spanish F&P Running Records, Math- Illustrative Math Unit Tests in Spanish, Science- Amplify using Spanish supports, and Social Studies- Passport in Spanish). For ELLs in the standalone and integrated ENL programs, their home language is considered during instruction and utilized when it comes to providing scaffolding for vocabulary and language support. Teachers use instructional strategies and supports to help students establish connections between their home language and their development in English regardless of language. Home language resources are available for all students in the DL and ENL programs.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

n/a

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

The systems and structures for supporting co-teaching and collaboration among teachers for all the DLBE and ENL programs are as follows:

- For ENL teachers who implement integrated co-teaching, there is an agreement on their roles and responsibilities. This may include planning for small group instruction, aligning lessons to the standards being addressed in class, and planning with the cooperating teacher by helping them understand what is needed for literacy development of ELLs.
- ENL teachers are invited to the horizontal grade level meetings that are held during weekly common prep time.
- DLBE teachers have the opportunity to meet in vertical teams during monthly cohort meetings to plan pacing calendars and to discuss best practices to support students.
- Professional Learning opportunities are offered to all teachers to learn ways to implement strategies for newcomers and other ELLs.
- Ms. Vera and Ms. Pisino, our District coaches, comes to support our teachers in our teachers in the MLL/DL Cohort as well as non-DL teachers who have ELL students in their classrooms.
- Teacher teams participate in intervisitations and lesson studies to collaborate and reflect on best practices as well as share instructional strategies.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Professional development and support for school staff (administrators, teachers, and non-pedagogical staff) will take place in-house and be offered throughout the school year. Topics specifically related to the academic and social emotional needs of ELLs include:

- What is MLL Instruction? – strategies/methodologies (September 2025)
- Analyzing 2025 NYSESLAT results (September 2025)
- How to Access Translation and Interpretation Services (September 2025)
- ILF and Culturally Responsive Teaching Integrating ELLs (September through June ongoing)
- Unpacking the HMH Into Reading / ¡Arriba La Lectura! Curriculum - Dual Language cohort (October 2025)
- Developing Writing Rubrics / Scaffolding Writing Lessons for ELLs (November 2025)
- Creating Sentence Stems (November 2025)
- Continuation of Rolling Out of Next Generation Learning Standards (ongoing)
- Helping ELLs Write Across all Content Areas (January 2026)
- Writing Language Objectives for all Content Areas (January 2026)
- Revisiting Using Technology to Create Interactive Lessons to Engage ELLs (February 2026)

- Rigor and Relevance in the Classroom (February 2026)
- Analyzing Assessment Data to Drive Instruction (March 2026)
- Gearing up for the NYSESLAT (April - May 2026)
- Preparing for 2026-2027 School Year- Reflecting on the Dual Language Program (June 2026)

There will be professional learning sessions hosted by CITE on topics such as:

- Supporting Newcomers (Date TBA)
- Distinguishing Between Learning Disability and Language Acquisition (Date TBA)

In addition, our MLL/Bilingual teachers and administrators will be afforded the opportunity to participate actively in a wide variety of workshops and presentations on best pedagogical practices for bilingual and MLL learners. These teachers will turnkey the information they receive at the next vertical cohort meeting, as well as their next grade level meeting.

Lastly, teachers are afforded the opportunity to attend sessions offered by the Division of Multilingual Learners and District M/ESA.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

We provide a minimum of 15% of the required professional learning hours for all teachers prescribed by CR Part 154.2 to address the needs of English language learners. For all bilingual and MLL teachers, we provide a minimum of 50% of the required professional development hours to language acquisition in alignment with Next Generation core content area instruction. PD sessions aim to include a focus on best practices for co-teaching strategies and integrating language and content instruction for MLLs. The faculty will learn to identify the approaches that are needed to adapt and modify the units of study so that ELLs can receive rigorous instruction and understand underlying concepts of each unit of study. These modifications include a focus on academic vocabulary, pre-teaching concepts, use of visual aids, and small group instruction. An agenda is created for every professional development session as well as a record of attendance. We also share free websites and professional learning resources that teachers can access on their own time that offer ELL specific CTLE credits (i.e. EdWeb and ITeachNYC). Dual Language teachers also have the opportunity to attend the DL Institute. For accountability purposes, a binder has been created to keep record of these activities in the MLL Office. Individual teachers also have their own Professional Learning binders to ensure they meet all the mandated hours for maintaining certification.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

The following screening assessments are used to guide instructional planning for our ELLs: upon registration, each ELL student is orally interviewed using sample questions provided in CR Part 154 to informally assess student's language proficiency. Students then take the iReady ELA and Math diagnostic to gauge instructional level and interventions needed for each content area. Lower grade students also take the Acadience assessment. All newly registered ELLs as well as all students in DL (ELLs and non-ELLs) take the Renaissance assessment.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Our ELL population is provided with a variety of intervention programs across all content areas. For students who prefer to use Spanish in Math, we provide the Spanish version of the Illustrative Math program. This allows access to the content, reteach, and enrichment portions of the curriculum in their HL. For ELA, students receive small group instruction based on the intervention data deemed necessary via the iReady Reading Diagnostic, Fountas and Pinnell Running Record Data, and Acadience data. Teachers offer language development and support for Science and Social Studies in the native language using the Spanish versions of Amplify (Science) and Passport (Social Studies). To further enhance the Social Studies curriculum and Science curriculum the visual arts teacher collaborates with the classroom teachers to have art units aligned with those content areas. For all content areas, we focus on progress monitoring and enhancing intervention using ELL strategies by emphasizing language features through more oral activities. An MLL After School Academy is offered for ELLs in grades K-5. For the lower grades, only the newcomer and/or Emerging ELLs receive targeted Fundations intervention. For the upper grades, newcomer and/or Emerging ELLs receive targeted language development. Second grade students also get grouped by need for a program called Walk to Read. Students in Grades K through Second who demonstrate needing help with letter-sound relationships and literacy are offered High Impact Tutoring three times a week as an intervention. Aside from intervention during small group time on Spanish days in the Dual Language classroom, all interventions services are offered in English.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

We identify the students who need more support in the form of supplemental intervention through several means: iReady ELA and Math diagnostics, Core Phonics Inventory, letter-sound assessment, Running Records, etc. From that data, we provide the following supports and interventions within a Multi-Tiered System of Supports:

- Students in K through 5 who are identified as needing more foundational academic support are invited to various After School programs that target their specific need (ELA, Math, Phonics, Language Development, etc).
- Students in Grade 2 receive Tier 2 intervention in the form of Walk to Read five times a week. During Walk to Read, students are split into groups based on their needs. Each group will learn and apply sound-spelling patterns and practice fluency. This program will be expanded to include First Grade next year.
- Students in Grades Kindergarten to Second Grade receive Tier 2 intervention after school three days a week through High Impact Tutoring either in one-on-one or in a small group. The goal is to expand this program to Third Grade next year.
- All intervention programs have progress monitoring and groupings and decisions are changed based on data. Walk to Read is assessed every ten days. The groups change based on the data. High Impact Tutoring assesses the students after every ten lessons. The groups do not change.
- All students are given time during the week to work on their individual i-Ready lessons as well as teacher assigned lessons so that they can target their own needs.
- All classes have small group instruction time built into their Flow of the Day to receive intervention and instruction.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

P.S. 274 uses the following formative assessments tools to inform and drive instruction:

- Fountas & Pinnell Running Records
- Acadience
- Illustrative Math Unit Assessments
- HMH Into Reading/¡Arriba La Lectura! Unit Assessments
- i-Ready ELA/Math Diagnostics and Benchmarks
- Exit Slips

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

To ensure that our ELLs are appropriately evaluated in their home languages, they are permitted to use their home language abilities to complete tasks. They are also allowed to express their knowledge in the language they are most familiar with when being assessed. By allowing our students to use their home language to process their answers during assessments, our knowledge of their understanding would be more accurate. For ELLs in the Dual Language program, they are assessed in both Spanish and in English for all content areas (ELA- ¡Arriba La Lectura!, Math- Illustrative Math, Social Studies- Passport, Science- Amplify). This will show their progress in their home language and identify areas of strength and growth as well as areas of need.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

The following summative assessments are used to evaluate the effectiveness of our ML/ELL programs:

- NYS ELA / Math
- NYS Science
- EOY Performance Tasks
- NYSESLAT
- i-Ready ELA/Math EOY Diagnostic

These assessments inform instructional design and curricular decisions as we can measure the student achievement in broad domains (i.e. the relationship between NYSESLAT performance and NYS ELA and Math data) and create plans for intervention / make changes to the curriculum. The trends we identified from NYSESLAT and EDAT was that students struggled most with Writing. We used this data to create a targeted Title III After School Program focusing on Language Power and Writing.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

The NYSESLAT administration plan is as follows:

The Speaking section will be administered during a one on one session with each individual student in all grades. Students in Grades 1-5 will take Session 1, Session 2, and Session 3 exams for all modalities (Listening, Reading, Writing) across three days and Kindergarten students will take one modality a day (Listening- Day 1, Reading- Day 2, Writing- Day 3). There will be make up sessions for any students who are absent.

The following teachers and staff will be normed on administering and scoring the NYSESLAT assessment:
ML/ENL Teachers (Ms. Vargas, Ms. Ha)
DL Teachers (Ms. Molina, Ms. Lema, Ms. Popoteur, Ms. Davila, and Ms. Monero)
Assistant Principals (Ms. Perez, Ms. Adams)
Library Teacher (Ms. Caraballo)
and UFT Teacher Center Coach (Ms. Rose).

During the NYSESLAT administration period, we will make accommodations to make up any minutes of service that the students may have missed due to the assessments the week of. For example, if a student is taking the NYSESLAT exam for three days, we will schedule make up sessions during the other days of the week that they are not testing. In

addition, the NYSESLAT exam, though untimed, is scheduled for the mornings, which allows for services to continue during the afternoons.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

n/a

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

All students who newly register for our school are administered the HLIS. Based on parent responses and the student interview, trained pedagogues determine the child's home language. If the child has a home language other than English, and does not demonstrate English proficiency based on the student interview, he or she is administered the NYSITELL exam. If the results of the NYSITELL indicate that the child is entitled to ENL services, parents are invited to the ELL Program Orientation. Invitations to the orientation are sent home in the parent's preferred language. Translated versions are printed from the NYCPS ELL page. The invitation includes the results of the NYSITELL, date of the orientation, as well as location and time. The ELL program orientation is held by Ms. Vargas, ENL Coordinator and Ms. Ha, ENL Teacher. It is held in the beginning of the year as well as whenever a new student is enrolled. It is presented in-person in both English and in Spanish. Parents are given an agenda in their preferred language and they sign in on an attendance sheet. The attendance sheet is kept in the MLL Compliance Binder. The Parent Orientation video is shown in the parent's preferred language. When the parents sign in, we ask what language they prefer the orientation in. We are prepared with laptops and headphones that can provide the Parent Orientation videos in parent's preferred languages. The video is from NYCPS website which provides it in 9 different languages. If the language that the parent needs is not available, we use OTP translations via the OLA. The video explains the three ML/ELL program models (DLBE, Transitional Bilingual Education, ENL). We then explain that our school offers the DLBE and ENL models. We also discuss our expectations for our ELL students as well as the various assessments they will be taking. We help the parents fill out the Parent Survey and Program Selection form in their preferred language. If the parent wants a program that is not offered in our school, we help them to find a nearby school with that particular option.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

We schedule annual individual meetings, separate from the mandated parent orientation meetings, with families of ELLs during our Parent Engagement time on Mondays from 3:15 to 4:00 PM. If a parent is unable to make the meeting at that time, we schedule a different meeting at the parent's convenience. If a parent prefers, we meet with virtually on Google Meets. We discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Examples of this include sharing NYSESLAT results and tips and strategies parents can use at home to support their child. Translation and interpretation in Spanish is provided by MLL Coordinator, Ms. Vargas. For all other languages, we use OTP translation services through OLA. Attendance for these meetings is kept in a binder in Ms. Vargas' room. The Dual Language teachers conduct these meetings with their own ELL students. We also update the MLL page of the school website monthly to provide information to all ELL parents about goals and progress as well as share important updates and strategies. We keep record of invitations and attendance of these meetings in our MLL Compliance Binder and our individual parent engagement logs.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:

a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

We ensure families receive all school communications and documents in the language they best understand by becoming aware of their preferred language before sending out notices. To check their preferred languages, we use ATS as well their Blue Cards. We obtain translated documents and notices from the NYCPS website. If it is a document that is not available on the site or is school-specific, we use in-house staff for translations and interpretations in Spanish. If it is in another language, we utilize the OLA services for document translations or OTP interpretations. We also post important information and notices on Class Dojo, which translates the page into the parent's preferred language. Parents are encouraged to respond or initiate communications in the language of their choosing and we will provide the necessary translations and interpretations either with bilingual staff or through the use of OLA.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

We develop activities that foster empowerment for families of ELLs by asking for parent input and feedback through a parent survey. During PTA meetings, we ask the parents what topics that they would like workshops centered around. We also take into consideration what the parents may need based on what is happening in the school community. For example, in the recent years we have had an increase in newcomer students registering for our school. Therefore we offered parent workshops centered around Supporting Migrant Children and Supporting Your Child in a New Country. These workshops were presented in Spanish and in English by CTPS. Other workshops include: Financial Literacy, Mindfulness Workshops, Coffee with the Principal, etc.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Families of ELLs are made aware of family leadership opportunities in the following ways:

- communication to our families are provided in their preferred language via Class Dojo and backpacked letters
- school-wide monthly calendars are disseminated via Class Dojo and Google Classroom outlining all opportunities for parents to join PTA meetings and workshops
- all parents are welcomed to join monthly PTA meetings
- all parents are invited to participate in CEC meetings. Dates and times are provided on Class Dojo.
- all parents are invited to sign up to speak at SLT if they are not a member
- all parents are invited to join Coffee with the Principal, an open monthly get together
- SLT minutes and agendas are accessible to all parents and posted near the lobby and main office
- parents can contact Parent Coordinator, Ms. Rivera, for any concerns or ideas for future workshops

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

We have a variety of culturally and linguistically responsive partnerships to support the needs of our school community. Some of those partnerships include: Brooklyn Academy of Music, Brooklyn Arts Council, Studio in a School, and Dancing Classrooms. These partnerships provide an opportunity for the school community, including parents, to participate in dances, arts, and performances based on the student's cultural background. We also have an annual Multicultural Celebration and Holidays Around the World performance. All workshops and partnerships where parents are presented with translations.

Parent Workshops are determine by based on parent needs through a needs survey that is disseminated during PTA meetings and on Class Dojo.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

We strive to be flexible and adapt to any changes that may occur with the ELLs. Over the past few years, we have had an increase of newcomer students. To welcome them to our school community, we make sure to let all of them know how to reach our Parent Coordinator to address any questions or concerns they may have. Our social worker (Bridging the Gap and bilingual) works to help families apply for assistance programs, fill out forms/documents, make appointments for Floating Hospitals, etc. As a whole, our school community strives to be as supportive as possible for our ELLs and their families.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

The ELL Identification Team is comprised of the following members: Lourdes Vargas- ENL Coordinator, Yera Ha- ENL Teacher, Princess Calder- Special Education Teacher, Maritza Ollivierra- Principal, and Aimee Perez- Assistant Principal.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Our school proactively plans for the ELL Identification process to take place in a manner that does interrupt the provision of mandated ENL and/or bilingual instruction by creating, posting, and following a schedule of trained pedagogues who are available for intake at certain times where they do not have students in session. The schedule includes members of the Identification Team so that instruction is not compromised. The schedule is posted by the pupil secretary's desk.

The following people are responsible for each step of the ELL identification process:
- Home Language Questionnaire: Ms. Vargas (ENL Coordinator) and Ms. Ha (ENL Teacher)
- Individual Interview: Ms. Vargas (Spanish), Ms. Ha (English)
- NYSITELL Administration: Ms. Vargas and Ms. Ha
- Notification and Placement: Ms. Vargas and Ms. Ha

Our schools plan for ensuring ELLs and former ELLs continuing to receive mandated instruction is to try to work around the schedules of the ENL Providers so that instruction is not interrupted.

Our structure and process for intake and identification of ELLs is as follows: when a student comes to register (newly

enrolling or re-entering the NYS public school system after two or more years), the parent/guardian fills out the HLIS in their preferred language. If the student is has been in NYS public schools within the past 2 years, we contact the previous school to obtain ELL status, relevant assessment scores, and their English proficiency level. For new admits/students who are re-enrolling after two years, we follow the following steps: staff members are on-hand to provide translations for Spanish and we will call the OLA for OTP translations for any parents who need translation in another language. A member of the Identification Team orally interviews the child to determine English proficiency. If their home language is a language other than English and the child demonstrates difficulty answering the interview questions in English, they will be deemed as eligible for taking the NYSITELL. If their home language is Spanish, they will also take the SLAB. After the administration of the NYSITELL, we will send home parent notification letters informing parents of the child's ELL status and ELL proficiency level. We will invite parents to attend Parent Orientation meetings where they will learn about the available ELL programs offered in our school/NYC and make a program selection for their child. Parents then make a selection about whether they want their student to be in ENL or Dual Language. Parents are notified about the child's placement and informed that they have 45 days to appeal the ELL status of their child (ELL Reidentification Process). Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files. We complete the steps of the ELL Identification Process within 10 school days of enrollment (20 school days for students entering with IEPs).

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Maritza Ollivierra

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.
We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they

attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Aimee	Perez	Assistant Principal 10 Month	10/30/2024	y
Doris	Rivera	Parent Coordinator - Annual	02/13/2025	y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Surveys conducted by your school,Student Emergency Contact cards

If Other was selected, describe the resource here:

To assess language preferences of the parent community for both written and oral communication, we gather information from:
- Part III of the HLIS (parents are asked for preference of language to communicate with staff / receive written information from staff)
- ATS (the RCPL report)
- the Student Emergency Contact cards (blue cards)

Before we begin any meetings with parents, we ask for their preferred language for communication before commencing the meeting.

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	7	1.64%	7	1.64%	0	0
ENGLISH	179	41.92%	180	42.25%	6	6
PORTUGUESE	1	0.23%	1	0.23%	0	0
SPANISH	240	56.21%	238	55.87%	3	3

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Parent Flyers	We will utilize staff for parent flyers (Parent Coordinator) for translations in Spanish both in written form and orally. For Arabic and Portuguese, we use the translation services from Office of Language Access (Lingualinx). No personal information will be included on these flyers (name, DOB, mandates, etc.).
IEPs	IEPs (meetings, forms, letters) are conducted in parent's preferred language. For Spanish, we host the meetings and send the documents translated in-house by our bilingual School Psychologist. We have not needed to host / send any IEPs in any other language other than Spanish and English this year. If we needed translation services, we would utilize IEPTranslations@schools.nyc.gov via the OLA or over the phone using Language Line Solutions.
Parent Calendar	Parent Calendars are sent home and posted digitally in English and in Spanish on Class Dojo by our Parent Coordinator. Documents can be translated in parent's preferred language via the app.
Parent Notices	We will utilize staff for parent notices (Parent Coordinator) for translations in Spanish both in written form and orally. For Arabic and Portuguese, we will use the translation services from Office of Language Access (Lingualinx). No personal information will be included on these notices (name, DOB, mandates, etc.).
Forms and Letters from DOE	For all Forms and Letters that need to be sent home annually, we glean the translated documents from the NYCPS InfoHub via the Office of Language Access for covered languages.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent Workshops	We host and present every workshop in both Spanish and in English (Spanish is the primary language other than English of parents). Thus far, we have not had any requests for translations in another language other than Spanish and in English.
PTC	During Parent Teacher Conferences, staff is utilized for translations in Spanish. For any other language, we use over the phone language interpretation services (OTP Interpretation services via OLA Language Line Solutions).
IEP Meetings	During IEP meetings, we have a Spanish-English speaking School Psychologist who conducts the meetings. For any other language, we will phone in the OTP interpretation services via OLA.
PTA Meetings	PTA meetings are hosted bilingually in English and in Spanish.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

During a school-wide emergency, we will send out automated robocalls through GAMA which provides vital information in parents' preferred languages. Information will also be disseminated through Class Dojo which translates information in parent's preferred language in real-time.

For individual student emergencies (phone calls to parent/guardian regarding attendance, nurse office visit, etc.), we will utilize our out of classroom bilingual staff for Spanish translation and interpretation services (our Parent Coordinator, social worker, Attendance Teacher, etc.). For other languages, we will utilize the OTP Interpretation Services through OLA to contact parents in their preferred language.

If a parent has an emergency and needs to contact the school, they can reach bilingual staff for Spanish

interpretations immediately. For other languages, we will utilize the OTP Interpretation Services through the Office of Language Access.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

The Language Access Coordinator (Assistant Principal, Ms. Perez) will host a meeting at the start of the school year that will go over Best Practices for When to Provide Translation and Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. She will turnkey the information by handing out copies of the Best Practices and clarifying how parents with Limited English proficiency can still have access to school programs and services through the use of language access resources. She will present the video on OLA which shares the language access services available to our school. She will share the link to the Language Access Resources via NYCPS InfoHub which includes services such as: Over the Phone Interpretation, Document Translation Services, In-Person and Virtual Interpretation Services, etc. Staff will be given time to complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform during OPW time and they will have to sign off on the verification sheet to ensure we are all in compliance.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- **Language Access for NYC Public Schools Families brochure**

All parents will be inform about available language assistance services in their preferred language in the following ways:

- the multilingual Welcome Poster and "I Speak" posters are displayed by the security desk as well as the main office
- at intake and orientation, parents are made aware that they have the right to receive information in their preferred language via staff translations and interpretations or over the phone interpretation / translation services
- we use Language Line Solutions for over the phone interpretation and translation services if parents need assistance and there is no one on staff that can speak their preferred language
- all signs and posters are presented and posted in Spanish and in English
- brochures/flyers/and letters shared with parents are sent in Parent's preferred language
- Parent Engagement events are hosted in Spanish and in English
- We utilize the Class Dojo (DOE approved vendor) phone messaging application which offers translations in real-time in parent's preferred language
- Parent's Guide to Language Access to posted on Class Dojo and the school website (https://www.schools.nyc.gov/school-life/school-environment/hello)
- the NYC Public School Handbook is posted to Class Dojo and on the school website

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

To gather feedback from parents about the language services they receive, we adapted the Language Access Parent Survey into a Google Form that we posted on Class Dojo. We posted it in this format so that we can gather the responses electronically and have a record of the information. Paper copies of the survey are available as well. The survey asks for the level of satisfaction from parents for over-the-phone interpretation, in person interpretation, and remote online interpretation. We also asked them for any additional information to help us improve our translation and interpretation services.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

To improve language services, we will utilize the feedback from the parent survey. If requested, we will expand our translation and interpretation services during Parent Meetings (PTA, workshops, etc). We currently offer all parent sessions in English and in Spanish and make every effort to make sure vendors and workshop hosts are able to present bilingually when we book Parent Engagement activities.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

70

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5

Total number of teachers in this program:

6

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

5

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

1

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**
- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**

- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Our Title III funding will be used to promote language development for our MLLs through a supplemental program entitled "Title III After School". This program will take place after school three times a week on Tuesdays, Wednesdays, and Thursdays from 2:30 PM to 3:30 PM. There will be a total of 24 sessions beginning October 28, 2025 and ending January 14, 2026. MLLs from both the freestanding MLL and Dual Language programs will be invited to attend. There will be six groups (Kindergarten, 1st Grade, 2nd Grade, 3rd Grade, 4th Grade, 5th Grade) for a total of 70 students. Students will be grouped by grade, with an average of twelve students per group. Six teachers will work the program; one teacher per grade. For the MLL After School, we will be utilizing the Language Power program. We will order student workbooks for each level. Students will be engaged in activities where they can practice speaking via picture prompts as well as reading and writing through the Language Power program. The program will be supervised at cost by Assistant Principal Ms. Aimee Perez. Her regular work day hours are 7:00 AM to 2:45 PM and she will get per session from 2:45 PM to 4:00 PM. The Title III program is the only program operating during the extended day on Tuesdays to Thursdays.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

The focus of the 2025-2026 MLL After School has been determined by the 2025 NYSESLAT/NYSITELL (quantitative) results as well as classroom observations (qualitative). From these data sources, we discovered that the students needed the most support with Speaking and Writing. Therefore, we decided on the Language Power program coupled with speaking and writing practice to address student needs.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

MLL students who scored at Emerging, Transitioning, and Expanding were invited to attend Title III After School. We are focusing on the Developing ELLs. They were divided into six groups (K, 1st, 2nd, 3rd, 4th, and 5th). Students were grouped by grade. 70 ELLs in total were invited, with an average of 12 students per grade/class.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Title III After School will occur three times a week for one hour sessions for a total of 27 sessions. This program will take place on Tuesdays, Wednesdays, and Thursdays from 2:30 PM to 3:30 PM. There will be six teachers working in the program. The program will begin October 28, 2025 and conclude on January 21, 2026.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction will be in English with home language supports. The home language supports will come in the form of providing translations when needed, teaching Spanish-English cognates, providing appropriate scaffolds (visuals, word banks, pre-teaching vocabulary), and strategic partnerships.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

There are six teachers working the Title III program. The teachers are as follows:

Kindergarten: Ms. Popoteur, Dual Language Teacher
1st Grade- Ms. Ha, ENL Teacher
2nd Grade- Ms. Molina, Dual Language Teacher
3rd Grade- Ms. Sarjeant, General Education Teacher (co-planning and co-teaching with Ms. Davila)
4th Grade- Ms. Davila, Dual Language Teacher
5th Grade- Ms. Lema, Dual Language Teacher

We did not have enough Dual Language/ENL Teachers for the program. We posted it outside but got not responses for any outside teachers. Ms. Sarjeant and Ms. Davila will co-plan and co-teach

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

For the Title III After School, we will be utilizing the Language Power program by Teacher Created Materials. The program comes with a Teacher's Guide, anchor books, and student workbooks. Purchased materials will be stored in each teacher's respective classroom during Title III After School sessions and then collected and stored in the MLL Coordinator's room at the conclusion of the program. It is a supplemental program not used during the school day. The breakdown is as follows:

Kindergarten- Language Power K-2 Level A
1st Grade- Language Power K-2 Level B
2nd Grade- Language Power K-2 Level C
3rd Grade- Language Power 3-5 Level A
4th Grade- Language Power 3-5 Level B
5th Grade- Language Power 3-5 Level C

We will order student workbooks for each level.

- The students will also work on responding to speaking and writing prompts. These prompts will be developed in-house by the ENL/DL Cohort.
- To support the implementation of this program we will purchase general supplies such as notebooks, pencils, and folders.
- All of the instructional materials used in this program are supplemental and distinct from daily instruction. They were purchased through funds from the Title III LEP program and did not exceed 20% of the total allocation.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Parents and guardians were notified about the program through invitations that were sent home in their preferred language two weeks before the program commenced. The invitation included all pertinent information including the purpose of the program, calendar of program dates/duration of sessions, as well as pick up and dismissal procedures. Once returned, we will maintain copies of the signed invitations in the main office in a separate Title III folder.

There will be a method of maintaining daily attendance records where each teacher will get an attendance sheet to mark which students are present for the day. The student roster clearly includes the name of the teacher serving the student, the ELL proficiency level of the child, and attendance for each date the program takes place. There is one attendance sheet per class. This documentation will be collected and stored by the school secretary. All copies of program notifications in parents' preferred languages will be kept in a binder located in the MLL Coordinator's office. Records of parent engagement activities (four Parent ESL workshop sessions) will be kept in the form of a sign-in sheet for each session with the sheets being stored in a binder in the MLL Coordinator's office. Records of professional development activities will be kept in the form of a sign-in sheet for all staff attending (including all teachers working the Title III ELL program) and kept in a binder dedicated to all documents relating to Title III in the MLL Coordinator's office. All purchase orders and invoices will be kept with the pupil accounting secretary in a folder dedicated to Title III allocations.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

We will be offering four workshops centered around ELLs and their specific needs to all staff, including all teachers that are part of the Title III ELL program. The workshops are as follows:

3/2/26: Effective Assessment Strategies for ENL and Special Needs Students (hosted by Dr. DiTillio)
4/20/26: Challenges ENLs Face in Specific Content Areas (hosted by Mr. Zagami)
5/4/26: Student Centered Classrooms (hosted by Dr. DiTillio)
6/1/26: Implementing Rubrics Effectively (hosted by Dr. DiTillio)

All workshops will be from 2:20 to 3:20 PM.

These professional developments will be at cost to the Title III ELL funds and will not exceed 10% of the total allocation. CTLE credits will be offered to the teachers that are attending these workshops.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

We chose to focus on these particular topics for the Title III Professional Developments because we noticed a pattern that at times, our ELLs under perform on traditional assessments based on data from sources like iReady, Acadience, and HMH. Therefore, we are offering the Effective Assessment Strategies for ENL and Special Needs Students and Challenges ENLs Face in Specific Content Areas workshops to help us learn new strategies to implement in our

classrooms. We also got teacher feedback that they would like more support in helping ELLs successfully lead a more student centered classroom despite language limitations. Lastly, we thought that Implementing Rubrics Effectively would be a great topic for all staff with ELL students.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

These workshops will be offered during Professional Development time after school to all classroom teachers and staff at our school, including all of the teachers working in the Title III ELL program (Ms. Sarjeant, Ms. Ha, Ms. Molina, Ms. Popoteur, Ms. Davila, and Ms. Lema). These teachers are receiving ongoing professional development related to the Title III ELL program because all of these topics are relevant to the students that are part of the Title III after school as well as during the school day in the ENL/DL classrooms.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

We will host four one hour workshops (2:20 to 3:20 PM) for Title III ELL Professional Development presented by CTPS. They will occur after school, in person, during Professional Learning time on Mondays so that all staff (including all teachers working Title III After School) can attend. The dates and topics are:

3/2/26: Effective Assessment Strategies for ENL and Special Needs Students (hosted by Dr. DiTillio)
4/20/26: Challenges ENLs Face in Specific Content Areas (hosted by Mr. Zagami)
5/4/26: Student Centered Classrooms (hosted by Dr. DiTillio)
6/1/26: Implementing Rubrics Effectively (hosted by Dr. DiTillio)

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

The following topics will be covered:

- Assessment Strategies
- Rubrics
- Student led classrooms
- Addressing specific challenges faced by ELLs

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

The workshops will be provided by CTPS (The Center for Teacher & Parent Support). It will be presented in person. It will be at cost to the Title III program not exceeding 10%.

The topics and presenters are as follows:

Effective Assessment Strategies for ENL and Special Needs Students (hosted by Dr. DiTillio)
Challenges ENLs Face in Specific Content Areas (hosted by Mr. Zagami)
Student Centered Classrooms (hosted by Dr. DiTillio)
Implementing Rubrics Effectively (hosted by Dr. DiTillio)

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

All PD sessions will have an agenda outlining the focus of the meeting as well as a sign-in attendance sheet. Those agendas and sign-in sheets will then be organized and kept in the MLL Coordinator's office in a binder as record maintenance. Professional Development sessions hosted by an outside vendor (CTPS) and will be purchased using Title III LEP funds and they will not exceed more than 10% of the total allocation.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

All families, including those with ELL students, will be invited to participate in four part series Parent ESL Workshop hosted by Stella Kostopolous from CTPS (The Center for Teacher & Parent Support). The sessions will be on Wednesdays at 9:00 AM on the following dates: November 12, 2025, November 19, 2025, November 26, 2025, and December 3, 2025. It will be hosted in the Parent Coordinator's Office. The workshop will be at cost to the Title III Immigrant program and will not exceed 10% of the total cost.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

We chose to focus on this ESL Workshop Series based on responses from a Parent Survey via Google Forms that we posted on Class Dojo, Google Classroom, and WhatsApp. The surveys were posted in parent's preferred languages: Arabic, Spanish, and English. From the survey results, we saw that parents had interest in this topic (ESL for Parents) and we offered them two choices of dates/times and we went with the majority vote (80% voted for Wednesdays at 9:00 AM). Many parents also expressed verbal interest and this is why we chose to go with this topic. Our rationale is that we believe this workshop is relevant for parents in the real world and that there will be a greater turnout since it's something the parents requested.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**

- **Days of sessions, and**
- **Time and duration of sessions.**

The Parent ESL Workshop will be offered in four sessions. The dates are: November 12, 2025, November 19, 2025, November 26, 2025, and December 3, 2025. Each workshop will run for 90 minutes.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

The topics to be covered are:

- Learning and practicing English
- Learning new vocabulary
- Learning verbs and idioms

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

The workshops will be hosted by Stella Kostopolous from CTPS (Center for Teacher Parent Support). Ms. Ha is the school staff in charge of facilitating the Parent ESL Workshop.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents will be notified and reminded of the upcoming ESL workshops in the following way:

- Flyer posted in Class Dojo in Spanish, Arabic, and English
- reminders in the Parent's WhatsApp Group
- physical flyers posted in front of the building

Interpretation supports will be provided in Spanish by Parent Coordinator Ms. Rivera.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

These workshops will be purchased at cost using the Professional Development portion of the Title III LEP funds. It will be no more than 10% of the total allocation of the Title III LEP funds. Attendance records will be kept for the attendees of this workshop. Copies of agendas and invitations in parents preferred languages will be kept in a binder.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

24,824
