# Comprehensive Educational Plan Outline

## Table of Contents

**Main Sections (Customized Based on School Accountability Status):**

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

**Appendices (Reflecting Additional Requirements for Specific Groups of Schools):**

F

# Section 1: Overview of Comprehensive Education Planning

## Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

**The Education Planning Process**

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

# Guidance on Conducting a Comprehensive Needs Assessment

**Directions:** Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

**1. Review Multiple Data Sources:** Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

**2. Analyze Data Trend(s) to Identify Areas of Strength and Need:** Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

**3. Identify Root Cause(s):** After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

# Section 2: School Information

## School Information

**School Name:**

PS/IS 384 - Frances E. Carter

**District Borough Number (DBN):**

32K384

**Grades Served:**

3K - 8

**School Address:**

242 Cooper Street, Brooklyn, NY 11207

**Phone Number:**

718-642-4890

**Fax:**

(718) 642-5029

**School Contact Person:**

Shery Spina

**School Contact Person Email Address:**

# Section 3: CEP SLT/Stakeholder Signature Page

## School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

**Directions:** List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

| | | |
|---|---|---|

| SLT Member Name | Position and Constituent Group Represented | Signature |
|---|---|---|
| Shery Spina | Principal or Designee* | |
| Peter Saccoccio | United Federation of Teachers (UFT) Chapter Leader or Designee* | |
| Kiana Roman | Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President* | |
| N/A | District Council 37 (DC 37) Representative (staff), if applicable | |
| Jeneal John | Title I Parent Advisory Council Chairperson (or alternate) | |
| N/A | Student Representative (Required for middle and high schools) | |
| N/A | Student Representative (Required for middle and high schools) | |
| Heidi Carrasquillo | CBO Representative, if applicable | |
| Jacqueline McGhee | Member/UFT | |
| Jennifer Kinard | Member/UFT | |
| Kimberly Coppola | Member/UFT | |
| Melissa Reyes | Member/Parent | |
| Marilyn Gonzalez | Member/Parent | |
| Stacey Malave | Member/Parent | |
| | | |
| N/A | | |
| N/A | | |

# Additional Stakeholder Signature Page

**Directions:** Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

| Name | Position and Constituent Group Represented | Signature |
|---|---|---|
| Stephanie Plachy-Feinstein | Assistant Principal | |
| Ashley Blakely | Assistant Principal | |
| Peter Saccoccio | UFT Chapter Leader | |
| Jackie McGhee | UFT | |
| Jennifer Kinard | UFT | |
| Kiana Roman | Parent Association President | |
| Marilyn Gonzalez | Parent | |
| Stacey Malave | Parent | |
| Melissa Reyes | Parent | |
| Heidi Carasquillo | CBO Director | |

# Stakeholder Participation

**Background**

The CEP must be developed in consultation with parents, school staff, and in secondary schools, students, and in accordance with §100.11 of Commissioner's Regulations and Chancellor's Regulation A-655. All schools are expected to engage stakeholder representatives (via the School Leadership Team/Community Engagement Team) at every step of CEP development. Follow the guidelines outlined in Assembling Your Team.

The School Leadership Team will engage in a five-part needs assessment before developing the CEP. Writing the plan is the last step.

Optional Pre-Activity: Envision: Exploring Your Vision, Values, and Aspirations

- Analyze: Data Variation Part 1: Identification
- Analyze: Data Variation Part 2: Share and Explore
- Analyze: Survey Data
- Listen: Student Interviews
- Envision: Reflect and Synthesize
- Writing the Plan

**Meeting Dates**

Use the space below to identify the meeting date(s) when each specific step(s) occurred.

**Orientation for School Teams**

(Required for Schools Newly Identified for the TSI Support Model)

September 29, 2025

**1. Analyze: Data Variation - Identification**

January 25, 2024

**2. Analyze: Data Variation - Share and Explore**

February 29, 2024

**3. Analyze: Survey Data**

March 28, 2024

**4. Listen: Student Interviews**

April 18, 2024

**5. Envision: Reflect and Synthesize**

May 30, 2024

**6. Plan Writing and Revision**

June 12, 2024

**Stakeholder Involvement Signature Page**

**Directions: In the table below, list the individuals involved in the development of the CEP, their relationship with the school, and the dates in which they participated. The individuals listed should include members of the School Leadership Team and, where applicable, the Community Engagement Team (for Receivership schools). The dates should match the dates identified in the Meeting Date table completed previously.**

**THIS PAGE MUST BE PRINTED AND SCANNED AND SUBMITTED WITH THE CEP. If the school is unable to obtain a signature from an individual, the school should write "Addendum attached" and explain why it was unable to obtain the signature of the individual. If an individual identified below has objections or concerns related to the CEP, that team member shall note "Addendum Attached" next to his or her signature and provide, in a separate document, an explanation of the specific objections or concerns.**

**Dates Involved** (enter m/dd in the space below for each date the individual attended)

| Stakeholder Name | Role | m/dd | m/dd | m/dd | m/dd | m/dd | m/dd | m/dd | m/dd | m/dd | m/dd |
|---|---|---|---|---|---|---|---|---|---|---|---|
| Shery Spina | Principal | 1/29 | 2/29 | 3/28 | 4/18 | 5/30 | 6/20 | | | | |
| Peter Saccoccio | UFT Chapter Leader | 1/24 | 2/29 | 3/28 | 4/18 | 5/30 | 6/20 | | | | |
| Stacey Malave | Parent | 1/24 | 2/29 | 3/28 | 4/18 | 5/30 | 6/20 | | | | |
| Adriana Rlos | Parent | 1/24 | 2/29 | 3/28 | 4/18 | 5/30 | 6/20 | | | | |
| Jennifer Kinard | Teacher | 1/24 | 2/29 | 3/28 | 4/18 | 5/30 | 6/20 | | | | |
| Jackie | Teacher | 1/24 | 2/29 | 3/28 | 4/18 | 5/30 | 6/20 | | | | |

| | | | | | | | | | | | |
|---|---|---|---|---|---|---|---|---|---|---|---|
| McGhee | | | | | | | | | | | |
| Kimberly Cappola | Teacher | 1/24 | 2/29 | 3/28 | 4/18 | 5/30 | 6/20 | | | | |
| Brenda Santiago | Teacher | 1/24 | 2/29 | 3/28 | 4/18 | 5/30 | 6/20 | | | | |
| Melissa Reyes | Parent | 1/24 | 2/29 | 3/28 | 4/18 | 5/30 | 6/20 | | | | |

# Section 4: School Summary

## Accountability Status

Accountability Status: **TSI**

# School Summary

**Directions:** Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

**Provide your school's mission statement:**

MISSION:

As a growth-mindset community of learners, we instill in our staff, students and parents the belief that everyone can become smarter, can learn how to complete difficult tasks, solve complex real-world problems, and grow their own intelligence in order to become the best versions of themselves.

Our mission is to empower our students to make successful choices that will positively impact their lives in high school, college, careers and beyond. Our mission is to teach students that hard work is the key to achievement, and that all students are capable of success, no exceptions.

VISION:
The Frances E. Carter School, PS/IS 384, is a 3K- 8th grade public school that affords all of our students the opportunity to achieve academic excellence and personal growth through a culturally conscious, rigorous, collaborative, safe and loving educational environment.

**Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:**

Include demographic information about your school's student population.

PS/IS 384 is a 3K–8th grade school located in the heart of Bushwick, Brooklyn, serving approximately 350–400 students. Our school is deeply rooted in the community and is known for fostering a strong sense of belonging from the moment one enters the building. With a remarkably low staff turnover rate, the majority of our educators and support staff have been part of the PS/IS 384 family for over a decade. This continuity enables us to build deep, lasting relationships with students and families, supporting each child's academic and social development across multiple years.

As a 3K–8 school, PS/IS 384 offers a unique advantage for families with multiple school-aged children by providing a single, consistent learning environment under one roof and one leadership team. Many of our students begin with us in early childhood and remain through 8th grade, allowing us to support their growth from learning letter sounds in Pre-K to writing persuasive essays and developing digital fluency in middle school. This long-term engagement also positions us to partner closely with families, helping them navigate the various stages of their child's academic and developmental journey.

PS/IS 384 is not only a center of learning but also a vital resource for the broader community. We are committed to ensuring our families have access to the resources they need for their children to thrive. Through partnerships with local businesses and community organizations, we provide critical support during times of need. One example is our

partnership with Brighter Bites that provides families with free, fresh produce on a bi-weekly basis. The organization also provides in-school instruction and family workshops on healthy eating habits and recipes families can make with the produce provided. Additionally, we actively work with our families to provide access to over-the-counter medicine and household essentials for our families in need. Our mission extends beyond academics—we are dedicated to equipping every child with the tools they need to become successful, compassionate, and contributing members of both their local community and the wider world.

**Briefly summarize the key initiatives your school will implement this school year.**

For the 2025-2026 school year, PS/IS 384 will continue its efforts in providing students with targeted reading intervention programs, as well as utilize math centers to support student proficiency in mathematical standards in need of mastery. This will be the third year of the school's implementation of Illustrative Math, Into Reading (K-5) and Into Literature (6-8). This will also be the second year of the school's use of HMH station teaching to allow students to be exposed to grade level reading and writing standards through multiple forms, as well as build independence and opportunities for rich academic discourse.

Additionally, the school's instructional priority will be to support teachers in using student data, along with clearly articulated content and language objectives to guide their co-teaching strategies to support English Language Learners and Students with Disabilities. This includes fostering collaborative practices where co-teachers co-plan, co-deliver, and individualize instruction to meet the diverse academic and linguistic needs of all students within an inclusive classroom setting.

**What are the primary digital and/or print curricula/programs used for ELA and Math:**

Indicate the content area, grade band and any adaptations made.

| Content Area (Indicate ELA and Math Only) | Grade Band | Digital and/or Print Curricula/Program | Adaptations |
|---|---|---|---|
| ELA | K-5 | Into Reading (HMH) | Digital and Print |
| Math | K-8 | Illustrative Math | Digital and Print |
| ELA | K-3 | Wilson/Fundations | Digital and Print |
| ELA | 6-8 | Into Literature (HMH) | Digital and Print |

**Summarize key strengths that contributed to the achievement of the previous year's annual goals.**

One of the key strengths that supported the achievement of last year's annual goals was the implementation of Small Group Instruction in grades K–5 and "What I Need" (WIN) periods in grades 6–8. These dedicated instructional blocks were designed to provide targeted reading interventions based on data from iReady and Acadience assessments, which identified students' fluency and comprehension needs. Teachers implemented research-based intervention programs such as REWARDS, SPIRE for Reading, STARI, and Phonics for Reading. They also used resources from the iReady Teacher Toolkit to further tailor instruction. Student progress was closely monitored through iReady's individualized instruction pathway, with teachers assigning quizzes aligned to the specific interventions students received.

Teachers implemented this model in Math Centers to provide targeted support aligned to priority math standards that students had not yet mastered. Each week, teachers used student data to identify specific standards needing reinforcement and designed multiple opportunities for practice and exposure. These included activities from Illustrative Math centers, teacher-led small group instruction, practice with state exam questions, and iReady learning stations. Students engaged in both direct instruction and collaborative tasks that encouraged discussion, reasoning, and evaluation of standards-aligned questions.

**Identify significant challenges or obstacles that may have negatively impacted the achievement of the previous year's annual goals.**

A significant challenge that affected the achievement of last year's annual goals was limited access to school funds for purchasing reading intervention programs. Due to the school's high average teacher salary and declining enrollment, funding was insufficient at the start of the year, delaying the purchase of essential materials—such as intervention program textbooks and iReady—until late October. Despite this setback, teachers proactively utilized online resources to begin supporting students in reading fluency and comprehension.

**Student Interviews are essential to fully understand what this past year has meant for students by providing opportunities for students to share their experiences and their hopes for school moving forward. To make sure that the student experience is at the center of the Comprehensive Education Plan:**

**Describe how Student Interviews informed the development of the plan.**

This year, middle school students from our student council engaged in many School Leadership Team meetings. During these meetings, students were able to provide feedback on practices that should start, stop and continue. Additionally, they provided insight on strategies the school could use to increase attendance, such as student-created Spirit Weeks. They also supported by providing feedback on changes they'd like to see within the school, such as a "Shout Out Wall," diverse topics for restorative circles, and a study hall for homework completion after school.

# Evidence-Based Intervention

Every school identified for Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement, or Targeted Support and Improvement (TSI) must implement at least one evidence-based intervention (EBI) as part of its CEP. The intervention identified must meet the criteria of a Tier 1, Tier 2, or Tier 3 evidence-based intervention under ESSA. Schools should indicate all of the EBIs meeting the federal definition that will be pursued during the upcoming school year.

**Directions:** Respond "Yes" or "No" to indicate whether or not each EBI listed below is being implemented this year.

**Align High School and College Courses to Increase Post-Secondary Transition Outcomes**

No

**Community Schools**

No

**Elementary School Looping**

Yes

**Establish an Early-Warning Intervention and Monitoring System**

No

**Evidence-Based Instruction Implementation**

Yes

**Expanding Access to High-Quality Out-of-School-Time Programs**

Yes

**High Quality Instructional Materials**

Yes

**High Quality Tutoring**

Yes

**Incoming Student Induction Programs**

No

**Increased Learning Time**

No

**Instructional Coaching**

Yes

**Middle School Flexible Scheduling**

Yes

**Multi-tiered Systems of Support – Integrated (MTSS-I)**

Yes

**Ongoing Job-Embedded Professional Development**

Yes

**Principal Leadership Development**

Yes

# School Accountability Data

| Subgroup | Accountability Status for Subgroup in 2023-24 school year | Weighted Avg. Ach. Level | Core Subject Perf. Index Level | English Language Proficiency Level | Chronic Abs. Level |
|---|---|---|---|---|---|
| Black | TSI | 2 | 2 | | |

# Section 5: Priority 1 – All students learn to read well

## Priority 1 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| In Grades 1 and 2, over 50% of students scored below or well below benchmark range on the Acadience EOY Spring 2025 reading assessment. | Gap in systematic phonics, decoding and fluency routines across classrooms | Structured routines aligned to the science of reading that build automaticity and comprehension. |
| In grades 3 through 8, 35% of our students scored two grade levels below in the vocabulary domain on the Ready reading assessment. We have made gains in increasing the % of students on or above grade level across the year, | Gaps in foundational reading | Domain specific instructional focus on |

| | | |
|---|---|---|
| at the same time as reducing the % of students who are far below grade level. iReady EOY Spring 2025 ELA Data On or Above Grade Level Grade K: 53% Grade 1: 38% Grade 2: 37% Grade 3: 41% Grade 4: 25% Grade 5: 26% Grade 6: 26% Grade 7: 26% Grade 8: 34% Approaching Grade Level Grade K: 46% Grade 1: 55% Grade 2: 37% Grade 3: 19% Grade 4: 36% Grade 5: 26% Grade 6: 19% Grade 7: 16% Grade 8: 14% Far Below Grade Level (2 + Grade Levels Below) Grade K: 0% Grade 1: 6% Grade 2: 27% Grade 3: 39% Grade 4: 39% Grade 5: 47% Grade 6: 55% Grade 7: 57% Grade 8: 52% | instruction that promotes fluency, minimal use of comprehension strategies across grades 3-8 | vocabulary, phonics and comprehension, progress monitoring through formative checks to track and respond to progress |
| | | |

# Priority 1

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for Literacy**

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

# Priority 1 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 32% | By June, 2026, literacy for all students will improve, as measured by a 10% increase, from 32% to 42%, of percentage of students scoring at or above grade level on the iReady reading assessment. |
| All Students | 36% | By June, 2026, literacy for All Students will improve, as measured by a 14% Increase, from 36% to 50%, of percentage of students at or above composite score benchmark on the Acadience reading assessment . |

# Priority 1 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

iReady assessment

**Enter a Key Performance Indicator**

percentage of students at or above grade level

**Baseline:**

33%

**Enter the date for the baseline data:**

June 2025

# Priority 1 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

Professional development in September will target the routines for our foundational skills block with daily routines for teaching phonological awareness, decoding and fluency for teachers in grades K-2. Teachers will also be given an assessment calendar for dates for formative assessments in order to progress monitor students weekly.

**Root Cause Addressed:**

This will address the root cause of gap in systematic phonics, decoding and fluency routines across classrooms.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| School administrators will receive professional development from CSAS on Acadience data analysis, literacy guidance, small group instruction and progress monitoring. |
| Teachers will deliver Acadience BOY diagnostic in mid September to begin identifying student needs. |
| Students will be grouped based on target skill (i.e. first sound fluency, phoneme segmentation, non-sense word fluency). |
| Teachers will communicate progress to families and provide resources for families to practice at home. |
| General education, SPED and ENL teachers will provide small group instruction during WIN periods to provide targeted instruction and progress monitor growth. |

Teachers will engage in progress monitoring cycles every six weeks.

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

School leaders will leverage professional learning calendars, schoolwide assessment calendar and biweekly data chats to monitor implementation of key strategy. School leaders will collect data from teacher observations, teacher feedback, formative assessment data (including acadience and iReady personalized instruction quizzes) to monitor the success of the key strategy being used.

# Priority 1 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/04/2025 | 06/26/2026 | English Language Arts teachers will send initial reports based on students' baseline data and share them during Family Engagement Time and at November's parent teacher conferences. | New York Edge |
| 09/04/2025 | 06/26/2026 | Offer workshops (once a month) on supporting literacy development at home. Topics will include Understanding iReady Score Report, How to Utilize iReady at Home, Introduction to Brain Trust, MyOn, and Utilizing Decodables to support fluency. | New York Edge |

# Priority 1 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

**Human Resources**

District 32 Literacy Leads, CSAS Consultants

**Instructional Resources**

Reading intervention programs (SPIRE, STARI, Rewards, Phonics for Reading) and iReady Personalized Instruction

**Schedule Adjustments**

One period for small group instruction and WIN periods

**Other Resources Needed**

# School Improvement Grant (SIG) Expenditures

**Directions:** Indicate how SIG funding will be leveraged in support of the key strategies outlined in this Priority. Be sure to include a detailed description of each activity and the evidence-based intervention category to which it belongs.

### Detailed Description of Activities

The grant will be utilized to purchase reading intervention kits needed for small group instruction and WIN periods. These intervention programs require the purchase of teacher manuals, student books and intervention kits.

The grant will also be utilized to fund per session for teacher leaders who will be supporting the implementation of K-2 a comprehensive foundational skills block. Teacher leaders will work together to provide explicit professional development and support new teachers in implementation of key strategies identified in this plan.

Finally, the grant will be used to support the instructional cabinet in planning for developing a schoolwide vocabulary comprehension strategy to support reading comprehension in informational texts. The instructional cabinet will also develop a schoolwide progress monitoring tool for formative checks.

### Evidence-Based Intervention Category

I'm not sure what this section entails. There are no resources related to this section.

# Section 5: Priority 2 – All students are physically and emotionally safe

## Priority 2 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| This school year, there were 14 incidents reported with code A33 (Engaging in physically aggressive behavior other than minor altercations as described under A24, which creates a substantial risk of or results in minor injury) (OORS, 2025) | Limited opportunities to engage in SEL during the instructional day. Teachers may also not know how to mediate conflicts within the class, which escalate to physical altercations. | Students need support with managing conflict and their emotions |
| 56% of students responded that students rarely or never harass, bully, or intimidate each other online (NYC School Survey 2025) | Students' access to devices outside of school, feelings about conflict in school spilling into their outside relationships. | Students need support with managing |

| | | |
|---|---|---|
| | | conflict, building digital citizenship |
| This school year, there were 8 incidents reported with code A24 (Shoving, pushing, or engaging in a minor altercation or similar physical confrontational behavior toward students or school personnel (e.g., pushing past another person), or throwing an object (e.g., chalk), or spitting at another person) (OORS, 2025) | Limited opportunities to engage in SEL during the instructional day. Teachers may also not know how to mediate conflicts within the class, which escalate to physical altercations. | Students need support with managing conflict and their emotions |

# Priority 2

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for Physical and Emotional Safety**

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

# Priority 2 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 22 | By June, 2026, physical and mental wellness for all students will improve, as measured by a 32% decrease in number of incidents of A24 and A33 from 22 to 15, as per the Online Occurrence Reporting System (OORS) reports. |

# Priority 2 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

OORS Reports

**Enter a Key Performance Indicator**

# Priority 2 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

All students in grades K-5 will engage in weekly Restorative Circles using a shared curriculum developed in collaboration with the Restorative Practices Equity Team and the Office of Safety and Youth Development.

**Root Cause Addressed:**

Students need support with managing conflict and their emotions

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| September professional learning for staff will include sessions on facilitating K-5 SEL lessons led by the Restorative Practices Equity Team using the school's curriculum map |
| Restorative Practices Equity Team members will conduct walkthroughs of SEL lessons to ensure consistency of implementation |
| Guidance Counselor will push in to at least one SEL lesson per month |
| K-5 classes will complete activities around shared values (ie. kindness, respect, collaboration, etc) and create student work to be displayed around the building |
| Restorative Practices Equity Team, Guidance Counselor, and school administrators will facilitate Restorative Tier 2 conversations in response to harm and conflict |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

The Restorative Practices Equity Team will meet to review OORS data, as will the Student Support Team (administrators, Guidance Counselor, Mental Health Continuum Social Worker) with a specific focus on students in grades K-5.

# Priority 2 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/04/2025 | 01/01/2026 | Host at least one family session introducing families to restorative circles | Restorative Practices Equity Team, OSYD |
| 09/04/2025 | 10/31/2025 | Host at least one family session on supporting students with setting appropriate boundaries for children and co-regulating emotions for caregivers | Mental Health Continuum |

# Priority 2 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

### Human Resources

Restorative Practices Equity Team members, school administrators, Guidance Counselor, Mental Health Continuum Social Worker

### Instructional Resources

K-5 Social Emotional Learning curriculum map designed in collaboration with the Office of Safety and Youth Development

### Schedule Adjustments

Weekly SEL period for all K-5 classes, parallel programmed with middle school advisory to provide opportunities for student leadership

### Other Resources Needed

Pending funding from OSYD to sustain Restorative Practices Equity Team

# Section 5: Priority 3 – All students have a high-quality academic experience

## Priority 3 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| In Grades 1 and 2, over 60% of students are performing at least one grade level below expectations, based on June 2025 iReady math assessment. | Lack of mastery in whole number concepts in base ten system, operations and algebraic thinking | Strengthening high quality Tier 1 instructional core with scaffolded support, building automaticity around whole numbers in base ten, operations and algebraic thinking. |
| In Grades 3-8, only 5–19% of students across Grades 3–8 are at or above grade level, based on June 2025 iReady math assessment. | Lack of mastery in rational numbers, fractions, operations, expressions and equations, number | Strengthening high quality Tier 1 instructional core with scaffolded support, building automaticity around rational numbers, fractions, operations, equations, expressions, number systems, and proportionality. |

| | | |
|---|---|---|
| | systems and proportionality. | |
| | | |

# Priority 3

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for High Quality Academics**

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

# Priority 3 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 28 | PS/IS 384 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scoring at or above grade level will Increase by 10 percentage points, from 28 to 38%, for all students, as measured by the iReady Math assessment. |

# Priority 3 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

# Priority 3 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

At the start of the school year, we will continue our efforts in implementing Math Centers that the school began in March of 2025. Students engage in math centers four times a week, where they get exposed to a priority math standard  through teacher led instruction, state exam questions and a discussion-based activity from Illustrative math.

**Root Cause Addressed:**

Strengthening high quality Tier 1 instructional core with scaffolded support.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| School leaders will plan professional development around math centers. |
| Teachers will receive professional development around the expectations of math centers and resources. |
| Teachers will develop math centers on a bi-weekly or monthly basis based on IM end of unit assessments. |
| Teachers will communicate student performance on priority standard each week with resources for how they can support at home. |
| Teachers will progress monitor every six weeks to track proficiency on priority standards. |

**Key Strategy 2 (Optional):**

We will begin implementing math intervention programs to provide Tier 2 and 3 support using the guidance from NYCSolves. Intervention will occur three times a week from 2:30pm to 4pm based on iReady BOY math performance and 24-25 math state exam results.

**Root Cause Addressed:**

Building automaticity around numbers in base ten, rational numbers, fractions, operations, equations, expressions, number systems, and proportionality.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| School administrators will identify students who scored at a level 1 or 2 on the NYS exam and are one or more grade levels below on BOY iReady math assessment. |
| School administrators will identify teachers to provide tutoring and the intervention programs that will be utilized. |
| Teachers will receive professional development around intervention programs. |
| Teachers will deliver intervention programs three times a week after school. |
| Families will receive updates on student progress and strategies to support at home. |
| Teachers will progress monitor using iReady quizzes to track their growth in priority math standards. |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

School leaders will leverage professional learning calendars, schoolwide assessment calendar and biweekly data chats to monitor implementation of key strategy. School leaders will collect data from teacher observations, teacher feedback, formative assessment data (including acadience and iReady personalized instruction quizzes) to monitor the success of the key strategy being used.

# Priority 3 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/04/2025 | 06/26/2026 | Math teachers will send initial reports based on students' baseline data and share them during Family Engagement Time and at November's parent teacher conferences. The process will continue for each marking period. | NY Edge |
| 09/04/2025 | 06/26/2026 | Offer workshops once a month on supporting math automaticity at home. | NY Edge |

# Priority 3 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

**Human Resources**

District 32 Math Leads

**Instructional Resources**

NYCSolves Guidance, Great Leaps, Do the Math, Ready Math

**Schedule Adjustments**

TBD

**Other Resources Needed**

TBD

# School Improvement Grant (SIG) Expenditures

**Directions:** Indicate how SIG funding will be leveraged in support of the key strategies outlined in this Priority. Be sure to include a detailed description of each activity and the evidence-based intervention category to which it belongs.

**Detailed Description of Activities**

The grant will be utilized to purchase math intervention kits needed for small group instruction or after school tutoring. These intervention programs require the purchase of teacher manuals, student books and intervention kits.

The grant will also be utilized to fund per session for teacher leaders who will be supporting the implementation of math intervention programs. Teacher leaders will work together to provide explicit professional development and support new teachers in implementation of new programs.

Finally, the grant will be used to support the instructional cabinet in planning for developing a schoolwide math routines that align to Illustrative math. The instructional cabinet will engage in monthly data driven discussions to highlight trends and create action plans to support students.

MTSS

# Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

## Priority 4 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| 80% of students in grades 6-8 reported that the school provides them with guidance on the high school process. (NYC School Survey, 2025) | Inclusion of high schools in 8th grade Advisory curriculum but not in other grades | Increased career exploration and high school preparation across middle school grades |
| 83% of students in grades 6-8 reported | Parent Coordinator retired, need for | Increased family |

| | | |
|---|---|---|
| that the school provides their families with guidance on the high school process (NYC School Survey, 2025) | additional parent outreach and support, collaboration between 8th grade team and guidance counselor | outreach around career exploration and high school preparation |
| 100% of all 7th grade classes engaged in at least one high school visit in the spring of 2025. | Partnerships with nearby high schools (i.e. Williamsburg Prepatory HS, TYWLS, Queens International HS) | Increased high school exploration that meets the students' individual needs and interests. |

# Priority 4

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for College and Career Readiness**

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

# Priority 4 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 84 | PS/IS 384 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the percentage of middle school students responding positively to questions around Guidance for all students will increase by 10% from 84 to 94% as measured by the NYC School Survey. |

# Priority 4 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

School created surveys

**Enter a Key Performance Indicator**

Percentage of students responding positively to questions about feeling prepared for the high school process

**Baseline:**

84%

**Enter the date for the baseline data:**

June 2025

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

74%

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

84%

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

94%

# Priority 4 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. **Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

# Priority 4 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

Students will explore careers and high schools of interest through middle school Advisory classes, K-5 Social Emotional Learning periods, field trips to high schools, and collaboration with Junior Achievement.

**Root Cause Addressed:**

Students and families need for information about the high school process and college and career exploration.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Middle school advisors will have professional learning sessions around the high school application process. |
| 8th grade students will visit two additional high schools in October and present in a Town Hall to 6th & 7th graders in Advisory. |
| The school administrators and guidance counselor will hold a family workshop on the high school application process in October. |
| The middle school team in partnership with the guidance counselor will host a high school application work session with families and students in November. |
| The middle school team will host a Town Hall for all middle school students in March where 8th grade students announce where they will be attending high school in the fall. |

| |
|---|
| 7th grade students will begin high school field trips in May 2026. |
| 7th grade students will participate in Junior Achievement's "It's My Future" program to explore career areas of interest. |
| 8th grade students will participate in Junior Achievement's Financial Literacy simulation to explore personal finance, careers, and how to fund their postsecondary education. |
| K-5 students will participate in Junior Achievement's JA in a Day program where employees of local businesses teach students about career exploration. |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
|---|
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

We will monitor implementation of key strategies through weekly meetings with the 8th grade team. The team will establish goals, such as the number of high school visits per marking period, and collect data from students and families on the types of schools and careers they are interested in exploring. This will allow the team to identify trends and connect with high schools or organizations that align to the interests and need of the students. For example, we have a newcomer ELL population who is looking for a high school that can support their language acquisition needs. This allowed the team to connect with Queens International HS in Ridgewood, NY and schedule a school visit. Additionally, the team will create goals for each marking period for parent outreach so that families have the information they need to support their child.

# Priority 4 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 10/01/2025 | 10/31/2025 | Family workshop around high school applications for middle school families | NY Edge, Parent Coordinator, Guidance counselor |
| 11/01/2025 | 12/06/2025 | Middle school student and family workshop for high school applications | NY Edge, Parent Coordinator, Guidance counselor |
| 03/01/2026 | 06/30/2025 | High School celebration for middle school students and families where 8th graders announce where they will be going to high school | NY Edge, Parent Coordinator, Guidance counselor |

# Priority 4 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

**Human Resources**

Guidance Counselor, Middle School Advisors, Parent Coordinator

**Instructional Resources**

Junior Achievement Curriculum embedded into middle school advisory curriculum map designed by the Restorative Practices Equity Team in partnership with the Office of Safety and Youth Development

**Schedule Adjustments**

Weekly Advisory period used for quarterly middle school Town Halls to increase consistency across grade levels

**Other Resources Needed**

# Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

## Priority 5 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| 6% of families responded to the 2025 NYC School Survey. | Lack of communication, Parent Coordinator's retirement | Monitor NYC School Survey participation more closely during assessment window |
| | | |

| | | |
|---|---|---|
| 75% of families reported that the school helped them consider programs that would be best for their child (NYC School Survey 2025) | Lack of whole-school communication on workshops and resources that can support families. | Providing families with workshops and information to resources and programs that can support their child and family. |
| | | |
| | | |

# Priority 5

**Directions:** After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Focus Areas for System Responsiveness to Parents, Families and Communities**

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

# Priority 5 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| Parents of All Students | 75 | PS/IS 384 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the percent of parents indicating that someone at the school helped them consider which schools or programs would be best for their child for the next school year will Increase by 10% from 75 to 85% as measured by the NYC School Survey. |

# Priority 5 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

Internal surveys via Google Forms

**Enter a Key Performance Indicator**

positive family responses

**Baseline:**

75%

**Enter the date for the baseline data:**

June 2025

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

75%

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

80%

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

85%

# Priority 5 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

Streamline family communication through physical monthly school calendar, school website, and use of Kinvolved to promote outreach & conduct quarterly family engagement events to allow families opportunities to learn about their child's progress in the school

**Root Cause Addressed:**

Family outreach around child's progress from grade to grade, especially in a 3K-8th grade school

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Parent Coordinator will design a monthly newsletter & calendar of events to send home to families |
| School will create a team of people to maintain the school website |
| Parent Coordinator will survey families on the resources and information families need. |
| Parent Coordinator will facilitate two workshops per month on topics selected by families. |
| Parent Coordinator will collaborate with parent leaders to connect with local organizations that provide families with resources (i.e. ESL classes, job training, science of reading, etc). |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

Our parent coordinator will conduct a parent survey that will allow families to select the types of resources they need. Our parent coordinator will review the data with administrators and parent leaders to begin planning bi-weekly workshops on the topics parents indicating needing support and partner with local organizations that provide the service or resource needed. For example, many of our families have indicated needing ESL classes, which allowed us to partner with a D79 Adult Education community associate to facilitate ESL classes in the evenings.

# Priority 5 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 08/25/2025 | 09/20/2025 | Orientation for New Families. We will offer orientation in the weeks leading up to school starting for our new families targeting mostly our 3k and PreK parents, but also inviting any new parents. | NY Edge, Parent Coordinator |
| 10/01/2025 | 10/31/2025 | Host first quarterly family outreach event | Parent Coordinator |
| 11/01/2025 | 11/30/2025 | Conduct our first Parent Teacher Conference event. Create incentives for families to attend. Ensure families connect with their child's teacher and understand who to contact should they need support. | |
| 12/08/2025 | 06/26/2026 | Conduct biweekly workshops based on topics and resources indicated in parent survey. Each workshop will include a presentation from a local organization. | |

# Priority 5 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

**Human Resources**

Classroom teachers, Parent Coordinator, Guidance Counselor, School administrators

**Instructional Resources**

ELA/Math curriculum, MySchoolsNYC, NYCSA

**Schedule Adjustments**

Use of teacher's contractual Family Engagement Time

**Other Resources Needed**

# Section 5: Attendance/Chronic Absenteeism

## Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| Grades K-2, the current YTD attendance is 91%. (NYCPS Insight SY 24-25 Report) | Transportation and childcare hardship | Extended day programming |
| Grades 3-5, the current YTD attendance is 91%. (NYCPS Insight SY 24-25 Report) | Transportation and childcare hardship | Extended day programming |
| Grades 6-8, the current YTD attendance is 91%. (NYCPS Insight SY 24-25 Report) | Transportation hardship, disengagement from school | Attendance incentives |

# Attendance/Chronic Absenteeism

**Directions:** After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

**Systemwide Focus Area for Attendance/Chronic Absenteeism:** Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

# Attendance/Chronic Absenteeism SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 91% | By June, 2026, the Year to Date Attendance for all students will increase by 5%, from 91% to 96%, as measured by the New Visions Chronic Absenteeism Reports. |

# Attendance/Chronic Absenteeism Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

# Attendance/Chronic Absenteeism Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

We will identify a list of students in each grade band whose attendance will be closely monitored. Monthly parent conferences will be scheduled in order to outline the attendance goals, rationale and identify any barriers to getting to school. Families will have an opportunity to describe the hardship they are facing in order for schools to support with the hardships.

**Root Cause Addressed:**

Transportation and childcare hardship.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Attendance team will identify chronic absenteeism group and review barriers to improving attendance in SY 25-26. |
| Parent meetings will be conducted in August to identify any needs at the start of the school year. |
| Monthly meetings will be conducted to progress monitor. |
| Families will receive childcare or transportation support, specifically STH students by our parent coordinator and guidance counselor. |
| Early morning drop-off program will begin in September for STH students, specifically students in 3K-2nd grade |

| |
|---|
| After-school tutoring will begin for 20 students in grades K-8 will begin at the end of October. |
| Attendance will be celebrated with incentives. |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
|---|
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

School leaders will review data from New Visions portal, reading/math screeners, parent and student feedback surveys to monitor the structures and strategies implemented. The qualitative and quantitative feedback received will support leaders and attendance team in understanding what families need to make coming to school easier.

# Attendance/Chronic Absenteeism Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |

# Attendance/Chronic Absenteeism Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

### Human Resources

Attendance District Teacher, Attendance Team, Parent Coordinator, Guidance Counselor

### Instructional Resources

New Visions Portal, NYCSA, Insight

### Schedule Adjustments

Weekly attendance meeting

### Other Resources Needed

TBD

# School Improvement Grant (SIG) Expenditures

**Directions:** Indicate how SIG funding will be leveraged in support of the key strategies outlined in this Priority. Be sure to include a detailed description of each activity and the evidence-based intervention category to which it belongs.

**Detailed Description of Activities**

School improvement grants will be used to provide per session for school personnel who will be supporting with transportation or childcare support. School aides, paraprofessionals, counselors and/or teachers will support in filling out busing exception request forms for STH students and students with IEPs. They will also make sure their student's family receives necessary information regarding their busing.

Additionally, per session funds will be used for extended day programming to support with parents with childcare needs. Many families have reported that they do not send their children to school if they do not have anyone to drop off or pick up their child. Per session funds will be used to support families with an extended day of learning.

**Evidence-Based Intervention Category**

N/A

# Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

## High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.) |
|---|---|---|
| 97.3% of annual reviews were completed by their deadline. (32K384 Special Education Compliance Data, June 2025) | Schoolwide protocols and calendars for deadlines | IEP Development and Fidelity of Implementation |
| 88% of all students have all IEP goals that have been progress reported. (32K384 Special | Schoolwide protocols and calendars for deadlines | Transition Planning and Compliance |

| | | |
|---|---|---|
| Education Compliance Data, June 2025) | | |
| Nine initial referrals for special education students, 33% of which are Multilingual Learners. (SESIS, June 2025) | Support for teachers needed in differentiating between language needs and potential disabilities | Referral Process and Equity |
| 66% of students receiving principal or superintendent suspensions were students with IEPs. (NYCPS Insight Suspension Report) | Personalized support needed, referrals for external support | Equity in School Discipline |
| | | |

# High Quality Inclusive & Accessible Learning for Students with Disabilities

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:**

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

# High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| English Language Learners (ELL) | 33 | By June, 2026, to strengthen the quality and implementation of IEPs, we will reduce disproportionality in multilingual learners being referred for special education services by a 13%, from 33 to 20% of all referrals, as measured by SESIS data. |
| Students with Disabilities (SWD) | 97.3% | By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve timeliness of IEP annual review completion by a 1.7%, from 97.3% to 99%, as measured by SESIS Data. |

# High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

Annual Review Completion

**Enter a Key Performance Indicator**

Percentage of annual reviews completed on time

**Baseline:**

97.3%

**Enter the date for the baseline data:**

June 2025

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

95%

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

97%

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

99%

# High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

**Key Strategy 1 (Required):**

Streamlining communication around IEP compliance by developing a calendar for special education compliance, weekly meetings between the special education liaison and school administration, and monthly meetings with the School Based Support Team, leveraging common planning periods and contractional Other Professional Work Time to hold annual review meetings

**Root Cause Addressed:**

IEP Compliance

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Special Education liaison will create a calendar for all IEP compliance dates for the year |
| Special Education liaison will send monthly reminders of upcoming IEP compliance dates |
| School administration will meet weekly with special education liaison and monthly with School Based Support Team to review compliance |
| Conduct beginning of year Professional Learning session for all Special Education teachers on updated procedures for IEPs |
| |

**Key Strategy 2 (Optional):**

Supporting staff in meeting the needs of all students through a priority focus on co-teaching and differentiating instruction for Students with Disabilities and Multilingual Learners

**Root Cause Addressed:**

Disproportionality in referrals of Multilingual Learners for special education services

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Utilize Acadience and iReady data to identify all at-risk ELL students. |
| Administer secondary diagnostic assessment to identify students' entry point. |
| Professional learning for staff on co-teaching and co-planning. |
| Provide ENL, SPED and Gen Ed teachers with common planning time. |
| ENL team will lead monthly sessions on understanding who ELLs are, supports/scaffolds they need, bilingual progressions, language and content objectives. |
| Teachers will provide students with interventions using programs like SPIRE, Heggery Bridge the Gap, Phonics for Reading, and Rewards. |
| Teachers will progress monitor every six-weeks to monitor growth. |
| SIT Team, which includes SPED and ENL teachers will meet to discuss any ELL students referred to special education. |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

Monitor compliance in weekly meetings between administration and special education liaison and in monthly meetings with School Based Support Team based on SESIS data. The School Implementation Team (SIT) will meet to address students who are struggling and design action plans before referring students for services.

# High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

| Start Date | End Date | Multi-tiered Supports to Engage Family & Community | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/04/2025 | 06/27/2026 | Family workshop for supporting the literacy needs of multilingual learners at home | |
| 11/03/2025 | 11/28/2025 | Host Parent Teacher Conferences with collaboration between general education teachers, English as a New Language teachers, and special education teachers | |

# High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

**Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.**

**Human Resources:**

Special Education Liaison, special education team, School Based Support Team, administrators

**Instructional Resources**

ELA/Math curriculum, D32 Multilingual Learner team members

**Schedule Adjustments**

Small Group Instruction periods, IEP meetings scheduled during common planning/other professional work time

**Other Resources Needed**

# Section 6: Multi-Tiered Systems of Support (MTSS)

## Academic Support

**NYCPS Multi-Tiered Systems of Support (MTSS)** align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

**Tier 1** provides schoolwide, high-quality programming for all students, including SWDs;

**Tier 2** offers data informed small-group interventions for at-promise students; and

**Tier 3** delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

**Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.**

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

| Academic Support Indicate Tier 2 or 3 | Criteria for Determining Service | Program Type or Strategy | Service Delivery Model (Small group, one-to-one, tutoring, etc.) | When is Service Provided? (Before, during or after school) | Technology-Based Tool (Indicate Yes or No) |
|---|---|---|---|---|---|
| Fundations (Tier 2) | Acadience Data K-2 | Additional Fundations | Small group | During school (fit into schedule) by classroom teacher | No |
| Spire (Tier 2) | Acadience Data 1-4, Teacher reports | Spire | Small group or one to one | During school with classroom Teacher | No |
| Rewards (Tier 2) | iReady reading diagnostic results 3-8 | Rewards | Small group | During school SGI or WIN periods | No |
| Do the Math | iReady math diagnostic results 3-8 | Do the Math | Small group | During school SGI or WIN periods | No |
| Tier 2/3 Reading Individualized Support | I-Ready baseline assessment data | I-Ready Reading Instruction | Individualized instruction in the classroom | 45 min / week in the classroom | Yes |
| Tier 2/3 Math Individualized Support | I-Ready baseline assessment data | I-Ready Math Instruction | Individualized instruction in the classroom | 45 min / week in the classroom | Yes |

# Student Social/Emotional Support

**Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.**

| Student Social/Emotional Support Indicate Tier 2 or 3 | Criteria for Determining Service | Program Type or Strategy | Service Delivery Model (Small group, one-to-one, tutoring, etc.) | When is Service Provided? (Before, during or after school) | Technology-Based Tool (Indicate Yes or No) |
|---|---|---|---|---|---|
| Tier 2 Girls Inc | Teacher recommendations | Girls Inc program | Small group | After school | No |
| Tier 3 Counseling | IEP | IEP Goals | 1:1 and small group counseling | During school | No |
| Tier 2 Counseling | Teacher recommendations, OSYD Data | Staff created | Small group or 1:1 counseling | After school (NY Edge) and during school (Mental Health Continuum social worker) | No |
| Tier 2 Restorative Circles | Teacher recommendations, OSYD Data | OSYD/Morningside | Small group | During school with Restorative Practices Equity Team | No |

# Family and Community Engagement Around MTSS

**Describe how the school's essential components of MTSS are shared with families.**

Teachers utilize parent engagement times to share progress monitoring information to families. For example, teachers share their student's iReady/Acadience growth report, quizzes and other formative assessments. Families also have access to Google Classroom where teachers post videos of material and how they can support at home.

**Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.**

Tier 2 and 3 intervention teachers share progress with their families through over-the-phone or in person meetings.

**Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.**

Families are welcomed to provide feedback on what they feel their child needs and information about the child that can better improve the quality of support the teacher is providing through outreach via Kinvolved/Class Dojo, phone, or in person meetings. Teachers will also prioritize Tier 2 and 3 students in scheduling Parent Teacher Conferences.

# Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

**Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.**

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

Eighty two students are currently living in temporary housing.
Twenty three are currently living in a shelter.
Fifty nine are currently doubled up with another family.

**After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?**

Our STH population has historically requested after school programming, along with clothing (uniforms) and winter coats. This has allowed us to create a closet of additional uniforms and coats for any STH who may need it throughout the year. Our parent coordinator actively reaches out to STH families to provide clothing and shoes. The school is currently in the process of trying to open an after school program for STH students in grades K-5. STH students in grades 6-8 currently have an after school program provided by NY Edge.

**Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?**

When students register, we initially provide school uniforms, a care package of school supplies, and ensure that students receive a device for remote learning. We have our Parent Coordinator make contact with the families to see if they need any additional support with transportation and groceries. Specifically, we partner with the deli closest to our school and provide groceries to our families of STH. We also partner with local organizations and the NYPD 83rd precinct to provide food for holidays such as Thanksgiving and winter clothing such as coats, hats, and gloves. We maintain consistent communication with our families using Kinvolved, our messaging app, so families have two way communication with school staff.

# Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

**How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.**

We currently have one child in foster care enrolled in our school. The child receives counseling and academic intervention support from their classroom teacher four times a week and weekly from the guidance counselor.

**What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?**

Students in foster care are provided with resources for social-emotional support with our partnership with the Mental Health Continuum and Woodhull Hospital. We also provide students with access to our food pantry. Based on the student's academic data, we provide academic interventions in reading and math to support the student's growth. Additionally, we offer extracurricular programs like music and dance after school.

**After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?**

Our one student in foster care has an attendance over 90%. We have built a strong partnership with the family and are responsive to their needs.

**What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?**

Social-Emotional Learning is embedded in our ELA and Math curriculum. Teacher has received support from central's SEAD program for embedding daily practices that promote proficiency in social awareness, relationship skills and other SEL competencies. Every class also has a weekly Social Emotional Learning period (K-5) and advisory (6-8) period using restorative circles to build social emotional skills aligned with the CASEL competencies.

# Section 7: Parent and Family Engagement Policy and School-Parent Compact

## Parent and Family Engagement Policy

**Directions:** The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

**Parent and Family Engagement Policy**

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. PS/IS 384, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

### Support for Parents and Family Members of Title I Students

P.S./I.S. 384 will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

### Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

### Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

# School-Parent Compact (SPC)

### School-Parent Compact (SPC)

P.S./I.S. 384 , in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

### I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

### I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

### I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

### I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

### II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

### III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

# Title I Program Information

## Part 1: Title I Program Type

**Title I Requirements and Strengthening Title I Parent Involvement:** Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

**Your school's Title I Program**

Title I SWP

# Part 2: All Title I Schools

**High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.**

Professional learning for teachers and paraprofessionals:
- Teaching Strategies for 3K/4K
- Dual language team meetings
- Norming expectations for Danielson Rubric
- Data Chats (iReady & Acadience)
- Restorative Cirlces
- Reading intervention programs (Rewards, Phonics for Reading, SPIRE, STARI)
- SPED Schoolwide Compliance (Roles, Responsibilities, Expectations)
- Universal Design for Learning
- Schoolwide assessment tools (HMH, IM)
- Math Centers
- HMH & SGI Reading Centers
- TCIS for supporting students in crisis
- Progress reporting for 1:1 students

Professional learning for principal:
- Monthly principal conferences
- ELI Workshops on PPO, Budgeting and Adult Learning
- 1:1 Mentoring
- TSI Support for Planning and Progress Reporting

# Part 4: Schoolwide Program (SWP)

**Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).**

From the moment families enroll their children in our 3-K and Pre-K programs, they become valued members of our school community. We work collaboratively to ensure a smooth and supportive transition into Kindergarten. As part of this effort, our Early Childhood teachers and paraprofessionals participate in professional development alongside K–2 educators, gaining a clear understanding of the academic and developmental expectations that follow the early childhood years. Early Childhood families are also invited to all school-wide events, reinforcing their inclusion in the broader school community.

Our curriculum is designed to provide continuity across grade levels. In Pre-K, we implement the Heggerty phonemic awareness program—a foundational literacy tool also used in our K–2 classrooms. This alignment supports a cohesive progression in early literacy development from 3-K and 4-K through Kindergarten and beyond.

# Part 5: "Conceptual" Consolidation of Funds in SWP Schools

**Directions:** All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

| Program Name | Fund Source (i.e. Federal, State or Local) | Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts) | Column A Verify with an (X) | Column B Section/Priority Reference(s) |
|---|---|---|---|---|
| Title I, Part A (Basic) | Federal | TBD | x | n/a |
| Title I, School Improvement 1003(a) | Federal | TBD | x | n/a |
| Title II, Part A | Federal | TBD | x | n/a |
| Title III, Part A | Federal | TBD | x | n/a |
| Title III, Immigrant | Federal | TBD | x | n/a |
| Title IV, Part A | Federal | TBD | x | n/a |
| Tax Levy (Fair Student | Local | TBD | x | n/a |

| | | | | |

| Funding) | | | | |

# Explanation/Background

**1. Explanation/Background:**

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

**Title II, Part A:** Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

# Submission Assurances

## Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

# Language Allocation Policy Outline

## Language Allocation Policy Outline

**2025-26 Language Allocation Policy (LAP)**

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents.  When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

# Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

# A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

**Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.**

| Member Title | Name |
|---|---|
| Principal* | Shery Spina |
| Assistant Principal (Where Applicable)* | Stephanie Plachy-Feinstein |
| English as a New Language (ENL) Teacher* | Jennifer Pierce-Chornomor |
| Teacher (if school has a bilingual program must be a bilingual teacher)* | Karems Castillo |
| Parent/Guardian* | Stephanie Cruz |
| Teacher | Kimberly Coppola |
| Parent Coordinator | Janil Garcia |
| School Counselor | Diana Palma Cheng |
| Related-Service Provider | Marilyn Blas/ENL |
| SPED/ICT Model Teacher | Jacqueline McGhee |
| Related-Service Provider | Stephanie Ferrell |

# B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

# 1. English to Speakers of Other Languages (ESOL) Certified Teacher

**Number of ESOL certified teachers currently teaching ENL:**

3

**Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:**

1

**Number of certified ESOL teachers not currently teaching ENL:**

0

**Number of teachers who hold both content area/common branch and ESOL certification:**

2

**Number of ESOL certified teachers with a bilingual extension:**

0

# 2. Certified Teachers with a Bilingual Extension

**Number of certified teachers with a bilingual extension currently teaching in a bilingual program:**

6

**Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:**

1

**Number of teachers certified to teach students with disabilities that also have a bilingual extension:**

6

# 3. Language Other than English (LOTE)/World Language Certified Teachers:

**Total number of teachers with LOTE certification:**

0

**Total number of teachers with LOTE certification providing World Language instruction:**

0

**Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:**

0

# C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

**Total number of students (excluding pre-K):**

350

**Total number and percentage (%) of current ELLs:**

79 (22.5%)

**Total number and percentage (%) of former ELLs:**

40 (12%)

**Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):**

69 (84.1%)

**Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):**

8 (10.1%)

**Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):**

2 (2.4%)

**Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):**

2 (2.4%)

**Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):**

11 (13.4%)

# Part II: Bilingual Programs

**Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?**

Yes

**Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.**
**Please include the total number of classrooms for each bilingual program in the last column.**

| | Program Type | Language | School Yr Opened | k | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | Totals |
|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|
| TBE | NA | | | | | | | | | | | | | | | | 0 |
| TBE | NA | | | | | | | | | | | | | | | | 0 |
| TBE | NA | | | | | | | | | | | | | | | | 0 |
| DLBE | GE | Spanish | 2018 | 0 | 1 | 1 | 1 | 1 | 1 | | | | | | | | 5 |
| DLBE | ICT | Spanish | 2025 | 1 | | | | | | | | | | | | | 1 |
| DLBE | NA | | | | | | | | | | | | | | | | 0 |
| | | | | total: 1 | total: 1 | total: 1 | total: 1 | total: 1 | total: 1 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | |

# Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

**a. English as a New Language (ENL)**
**Stand-alone ENL:**

Three ENL certified teachers provide the ELLs with their appropriate units of instruction in accordance with their English proficiency levels. Standalone ENL instruction is provided for students at the Entering and Emerging proficiency levels. These students shall receive Stand-alone ENL instruction for four periods (180 minutes) per week in order to obtain basic English language instruction through the ELA content area. As per CR Pt 154-2, these standalone sessions may consist of students of two contiguous grade levels, except when appropriate for English Language Learners in a Special Education class, as defined by section 200.1(uu) and (vv) of CR Pt 154-2. Stand-alone ENL instruction is provided during the school day.

**Integrated ENL:**

Three ENL certified teachers work collaboratively with eleven common branch and Special Education licensed classroom teachers in all grades K-8, for integrated ENL services in heterogenous classrooms to provide the ELLs with their appropriate units of integrated instruction (180 minutes)in accordance with their English proficiency levels through the ELA content area.

One ENL certified teacher with a common branch license provides integrated ENL services in regular ELA classes for one class but is typically providing integrated services using a push-in model as indicated above.

Dually-licensed common branch/Spanish bilingual teachers provide integrated instruction for students in their self-contained classrooms.

Upon attaining a Commanding score on the NYSESLAT, students typically remain with the designated ELL classes in order to receive two periods of integrated ENL instruction per week in English Language Arts for the subsequent two years if they are in a dual-language program. Other ELLs continue to receive integrated ENL support by out-of-classroom ENL teacher pushing-in to class. Occasionally, services approved by the NYS commissioner that monitor and support the student's language development and academic progress are employed, usually Option C - Project-Based Learning.

**b. Bilingual Education (If applicable)**
**Transitional Bilingual Education (TBE):**

NA

**Dual Language Bilingual Education (DLBE):**

There are six teachers with Spanish bilingual extensions in our school. In Kindergarten through fifth grades, dually-licensed common-branch Spanish bilingual teachers have self-contained classes comprised of students of varying proficiency levels (heterogenous). These teachers provide both the ENL and bilingual instruction for the two-way classes respectively. The students are grouped together (block model) for the entire day for all content instruction. English and Spanish language instruction is programmed with 50% instructional time dedicated to each language as recommended by New York state programming guidelines.

Our Spanish Dual Language programs operate in a self-contained model. On Mondays, Wednesdays, the language of the day is English. On Tuesday and Thursdays, the language of the day is Spanish. On Friday's the day is split with English in the mornings and Spanish in the afternoon. Students receive math, language arts science and social studies in the language of the day. There are Word Walls for both English and Spanish on opposite walls. Language of instruction time is indicated by the change of red to blue or blue to red cards and other items to signal the instructional language transition to students. Home Language Arts, Social Studies and Science lessons are conducted in Spanish. Emergent literacy is simultaneously taught in English and Spanish.

Spanish Dual Language teachers provide ENL integrated services to ELLs during ELA time at a minimum of 180 minutes per week.

Students in DLBE classes at the entering and emerging levels are pulled for standalone services for 180 minutes per week by one of three ENL licensed teachers.

**2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?**

All students at PS/IS 384 receive ten periods (450 minutes) of ELA instruction per week regardless of ELL designation. In both our Dual Language and ENL program, Entering and Emerging ELL students receive a minimum of eight periods (360 minutes) of ENL instruction per week, with 180 minutes of Stand-Alone ENL, while Transitioning and Expanding students receive four (180 minutes) of integrated ENL/ELA service. In our Dual Language program, HLA instructional minutes are provided in self-contained Kindergarten - fifth grade classes. Finally, Commanding ELLs who passed the NYSESLAT within the last two years either receive 90 minutes of integrated ENL, or the equivalent in other approved NYS commissioner services that monitor and support the student's language development and academic progress (Typically Option C - Project-Based Learning), in accordance with NYS CR Part 154. Three out-of-classroom ENL teachers schedule their program to ensure all periods are met as mandated. Current ELL students of all proficiency levels are provided twenty-five percent native language support, while students in Dual Language programs are provided 50% English and 50% Spanish instruction as per CR Part 154.

Current RLAT reports, cross-referenced with RLER reports are utilized to determine current ELL proficiency levels and students are programmed accordingly by administration and data coordinators in STARS. These reports are reviewed every time a student is admitted to ensure ELL students are serviced from their first day of entry.

**3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?**

HLA instructional minutes are provided by their bilingually-licensed classroom teachers in self-contained dual-language Kindergarten - fifth grade classes. Current ELL students of all proficiency levels are provided twenty-five percent native language support, while students in Dual Language programs are provided 50% English and 50% Spanish instruction as per CR Part 154.

ELL students not enrolled in Dual Language classes receive twenty-five percent native language support, provided by ENL teachers during Standalone and Integrated periods. Integrated periods an ENL teacher provides integrated co-teaching with the classroom teacher.

ELL students enrolled in both Dual Language and General Education classes at the Entering or Emerging level receive twenty-five percent native language support during Standalone classes, provided by ENL teachers.

Dually licensed Common Branch and Bilingual teachers provide 180 ELA integrated services to their respective classes in excess of 180 minutes per week.

All ELL Entering and Emerging students in both Dual Language and monolingual classrooms are pulled for standalone services for 180 minutes per week by licensed ENL teachers.

**4. For schools with Dual Language Bilingual Education (DLBE) programs:**

**a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.**

The students are grouped together (block model) for 100% of the day in a self-contained Dual Language class for all content instruction in a Two-Way English Language Program. English and Spanish language instruction is programmed with 50% instructional time dedicated to each language as recommended by New York state programming guidelines. The students receive half of their instruction in their home/primary language and the remainder of their instruction in the target language in a two way immersion program.

**b. In which language(s) is each core content area taught?**

In grades Kindergarten through 3, English Language Arts is taught in English and HLA is taught in Spanish. Science, Social Studies and Math are taught in both English and Spanish.

In grades 4 and 5, English Language Arts is taught in English and HLA is taught in Spanish. Social Studies and Math are taught in both English and Spanish. Science is taught in English.

**5. For schools with Transitional Bilingual Education (TBE) programs:**

**a. Which core content areas are taught bilingually?**

NA

# Part IV: Data Analysis

## Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

**1. What is the composition of the ELL subgroups at your school?**
**What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?**

Sixty-nine (84.1%) of the students at PS/IS 384 are Newcomers. Two (2.4%) are Long-Term ELLs. ELLs/MLLs with 3 or less years in US schools are provided with intensive instructional support that includes: small group support, hands-on activities to enhance vocabulary development, close monitoring through formal and informal assessments and ongoing contact with parents. Implementing these instructional practices, utilizing appropriate materials and resources, and creating a supportive and inclusive learning environment, educators can effectively target newcomer ELLs and help them succeed in their academic journey.

Newcomers are provided with scaffolding, such as visual aids, graphic organizers, simplified English language and home language support in order to access grade-level content. Also, activities that focus on language development, such as games, dialogues and the Language Experience Approach (LEA) are utilized; while acknowledging and valuing students' diverse cultural backgrounds and experiences are incorporated into the curriculum.

Multilingual materials, including those in students' home languages are also leveraged to help them do their best, with a focus on assets-based instruction. These students are also afforded the opportunity to participate in extra-curricular activities (e.g. sports, dance, chorus, art, etc.). This increases their interaction with peers and enhances their social and academic skills. ELLs/MLLs (that are new to the school) and their parents are invited to a tour of the school. In addition, they meet with the administration, teachers and students to learn of our school's academic and social programs. Our school has also implemented peer tutoring, whereby former ELLs/MLLs who share a common language with newcomers assisted them in completing their core subject studies.

Especially effective for Newcomers, Google classroom is also used as an open platform to access instructional materials and resources to review and practice at their own pace while maintaining open contact with support, guidance and feedback directly from the ENL and classroom teachers even after school hours. Additionally, regarding informal assessments, there are more frequent check-ins for providing feedback and conferencing for newcomer ELLs compared to developing and long-term ELLs.

Developing ELLs receive less informal assessments and informal assessments than Newcomers. Long-term ELLs

are provided effective support and assessment on an as-needed basis, as many have IEPs and require varied interventions. These students are also offered multiple means of assessment, such as oral presentations, visual projects, or demonstrations, to allow students to demonstrate their understanding in different ways.

.

**What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?**

There are two (2.4%) students who are SIFE. SIFE students are provided with all the aforementioned service. Additional support includes
the development of safety net programs through academic intervention services and pull-out programs to target and address their specific needs.

Teachers utilize Culturally Responsive Pedagogy to address the needs of SIFE students. Understanding students' backgrounds, including their prior educational experiences, linguistic backgrounds, and cultural norms, is crucial for effective instruction. SIFE students often require intensive support in developing oral language skills, which are essential for reading comprehension and academic success.

Also, providing support to make content accessible, such as using visuals, concrete examples, and simplifying language, can help SIFE students grasp new concepts. Teachers may also create tiered assignments, whereby students are offered different levels of complexity within the same learning objective, which effectively allows SIFE students to engage with content at their appropriate level.
Further, teachers may create Personalized Learning Goals, by setting achievable and individualized goals which can motivate SIFE students and foster a sense of accomplishment. SIFE students may also be offered choices in assignments or activities, allowing them to engage with learning in a way that aligns with their interests and strengths.

As with all learners, flexible grouping is necessary, and is based on students' strengths, interests, and needs allows for peer support and diverse learning opportunities. Different learning stations where students can explore learning activities at their own pace and in different formats may be created and adapted materials, such as modified textbooks, worksheets and other materials are utilized to be more accessible for SIFE students, including using simplified language, visuals, and graphics. Students will be given frequent assessment and timely and specific feedback to guide their learning and address any gaps in their knowledge. Additionally, technology is employed to provide interactive learning experiences, create personalized learning paths, and offer access to a wide range of resources. Social-emotional needs are recognized, in that SIFE students may have experienced trauma or other challenges, thus creating a safe and supportive learning environment that acknowledges their experiences. Student Funds of Knowledge will be known by teachers and incorporating students' prior knowledge and experiences into instruction learning will be made more relevant and engaging. Trauma-Informed Practices are effectively used with SIFE students by Implementing strategies to create a classroom environment that is sensitive to the potential trauma experienced by SIFE students, including providing a predictable routine, clear expectations, and opportunities for social-emotional learning. By implementing these strategies, teachers can create a more equitable and effective learning environment for SIFE students, fostering their academic success and helping them to thrive.

**What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?**

There are two (2.4%) students who are long-term ELLs. These students are monitored closely by the classroom and ENL teachers,
administrators and the Guidance Team. Formal and informal data is utilized to assess their strengths and needs. Through classroom instruction, academic intervention services, Zero Hour, After School Programs, Saturday Academy, Title III Supplemental Programs and parental involvement these students receive the necessary support to improve their academic standing.

Especially effective for Newcomers, Google classroom is also used as an open platform to access instructional materials and resources to review and practice at their own pace while maintaining open contact with support, guidance and feedback directly from the ENL and classroom teachers even after school hours. Additionally, regarding informal assessments, there are more frequent check-ins for providing feedback and conferencing for newcomer ELLs compared to developing and long-term ELLs.

Developing ELLs receive less informal assessments and informal assessments than Newcomers. Long-term ELLs are provided effective support and assessment on an as-needed basis, as many have IEPs and require varied interventions. These students are also offered multiple means of assessment, such as oral presentations, visual projects, or demonstrations, to allow students to demonstrate their understanding in different ways.

**What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?**

Forty, (12%) of students at PS/IS 384 are former ELLs. These students generally remain among their peers of current, monitored and Former ELL students in order to continue to receive mutual support. This is especially true when the current and former ELLs/MLLs share a common first language with monitored ELLs/MLLs. After parental consideration, exceptions are occasionally made when it is determined that a monitored ELL would benefit from being placed in a class of monolingual students. Additionally, these students continue to be invited to participate in all Title III programs and activities.

**2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?**

The overwhelming majority 84.1% of ELLs at PS/IS 384 are Newcomers. As expected, first time state ELA and Math exam takers will underperform on these exams compared to Developing ELLs. Less than half of these Newcomers scored a 1 in ELA and just over half scored a 1 in Math exams.

Current ELLs with IEPs account to 10% of ELLs, which nearly equate with percentages of Long-Term ELLs and/or potential Long-Term ELLs. These students typically do not meet expected gains on standardized tests due to some cognitive limitation as opposed to a deficit of English language acquisition. Almost half 48.8% of our current ELLs are in temporary housing. This trend demonstrates a higher incidence of immigrants than in earlier years.

Overall, about thirty-two ELL students had two at-risk indicators. Ten students had ten at-risk indicators, which was the highest number.

**3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?**

Fourteen of the former ELLs at PS/IS 384 have not at-risk indicators. Three have one. Two have six. Four have three. Ten have four. Two have five and one has seven. About 30% of Former ELLs scored a 1 in ELA and/or Math state exams in the past year or two, which is less than in previous years.

Almost eight percent of former ELLs are currently in temporary housing, which is a sharp increase from other years.

**4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?**

PS/IS 384's ELLs population's home language is overwhelmingly Spanish with 80 students and just two students with
home languages of Arabic and Sudanese. Our school offers a Spanish Dual Language program in Kindergarten through fifth grades, and an ENL program for grades K8. In our ENL programs, we provide 25% native language support in keeping with the recommended best practices for native language support in ENL programs, and the appropriate home language support 50%/50% in our DL programs. This support includes dictionaries, textbooks, worksheets, various genres in languages other than English, technology programs and classroom listening centers and are made available to ELL students during intervention programs. Bilingual staff may also communicate with students in their home language to ensure student understanding to provide the student with a variety of means by which to express his or her knowledge.

Many structures and processes are in place at PS/IS 384 to support communication and learning, including the following:

Spanish-speaking staff members, specifically our pupil-accounting secretary, many pedagogues, parent coordinator and two counselors ensure that translators are available at every step of a student's school experience, from ELL identification to graduations. Additionally, HMH Into Reading and Into Literature curriculums includes a bilingual component. Most classrooms have bilingual libraries. The ILF Team's continued planning will enhance further structures and processes to support communication and learning that values students' home languages.

Other student home languages at PS/IS 384 include Arabic and Sudanese. Trusted translators engaged by parents are utilized when available, otherwise the Office of Language Access' Over-the-Phone Interpretation OPI Services for NYC Public Schools is contacted for appropriate translation for these students and their parents.

Academically and culturally based events are held throughout the year which incorporate family home languages and invite parent participation and attendance.

In addition to HMH's bilingual component for dual language programs there is also a Multilingual Learner component available as a resource for English language learners that are not participating in the dual language program.

Finally, all staff will be required to take the NYC Language Access Training available in WeLearn this fall, in order to ensure all parent-facing staff know how to communicate with parents in their preferred language.

**5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?**

One-hundred percent of our non-Hispanic ELLs are black. Of our Hispanic ELLs, 13.8% are black, 2.5% are multi-racial, 8.8% are Native American or Pacific Islanders and 9.8% are white.

At PS/IS 384 planning for ELLs with Culturally-Responsive-Sustaining Education CRS is grounded in a cultural view of learning and human development in which multiple expressions of diversity, such as race, social class, gender, language, sexual orientation, nationality, religion and ability are recognized and regarded as assets for teaching and learning. In so doing, the ILF Team meets to discuss how to best leverage these student qualities to ensure ideal instructional delivery for all students. Their unique background knowledge, language and experiences are assets considered when planning and delivering Culturally-Responsive-Sustaining Education. Finally, data utilized to inform of students' attributes are accumulated from the ELL Data Analysis Tool and other reports.

**6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?**

Out of the 62 current ELLs with a 2024 NYSESLAT proficiency level, about one third (22) did not meet ELP. It is a continuing trend that the majority of students that do not meet ELP are first-time test-takers. This year, 18 out of 22 were first administered the NYSESLAT in 2023. Also, many with 2024 scores were admitted shortly before NYSESLAT administration.

**7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?**

Modality growth in specific grades was predictable. Although the 2024 administration of the NYSESLAT demonstrated improvement among some of our test takers, we have identified several areas of need among our English Language Learners. According to the most recent data, the greatest academic area of need among ELL students in our school continues to be Writing. This was predictable as the 2023-2024 school year had a high incidence of new admits who were first-time NYSESLAT takers and therefore unlikely to obtain Writing proficiency in English in less than one year. Comporting with research in language acquisition, ELL students in grades K8 predictably achieve Speaking proficiency first. For grades K5, Listening, then Reading and Writing proficiency is achieved. Interestingly, middle school students who followed this pattern previously but remain ELLs into grades 6-8 typically decline in Listening proficiency, while simultaneously improving in the Reading and Writing modalities.

**8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?**

As research suggests and data confirms, Expanding and Commanding ELLs, as well as Former ELLs in the two-year monitoring status typically out-perform their monolingual peers on the state ELA and Math exams. There is no data for Regents exams.

**9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?**

Several trends that can be gleaned from the data for the Language Allocation Policy are predictable. As most other research suggests, the majority of students at PS/IS 384 achieved Listening proficiency first, following by Speaking, then Reading and Writing respectively. Also, these conclusions support nationwide research in which it has been determined that Writing is the most challenging modality in which to express proficiency. Further confirming established research, our data indicates that younger newcomers achieve proficiency in all modalities sooner than students who enter an English-speaking school at an older age. This is supported by the NYSESLAT results, as the majority of Newcomers are Entering or Emerging, with Developing students at the Transitioning or Expanding level. SIFE students are Newcomers and students with IEPs are typically Long-Term ELLs. Finally, many students with IEPs have cognitive limitations and/or speech and language disabilities which impede their ability to attain a commanding score or advancing proficiency levels on the NYSESLAT, or any other state exam.

**10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:**

**a. How many ELLs are on-track towards graduation?**

NA

**b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?**

NA

**c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?**

NA

**d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?**

NA

# Part V: ML/ELL Instruction

## Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

## Tier 1 Core Instruction

**1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?**

ELLs at PS/IS 384 have the opportunity to excel academically and socially (HMH's Into Reading curriculum has been adopted in grades K-5, Into Literature in grades 6-8 and Arriba la Lectura for our Dual Language programs) by learning through the same challenging and rigorous instructional program as their peers. In all program models, the ELLs receive a comprehensive, culturally-responsive, multi-sensory approach of learning to enhance the four modalities (listening, speaking, writing and reading), employing effective, research-based ELL strategies, through hands-on activities that include:

Development of English and Spanish language literacy through a large expansion of bilingual books in our ELL/MLL library.
Teachers foster an attitude of Growth Mindset with regards to their students, peers, other school staff and themselves.
Use of realia and technology to explore and research topics.
Continuous interaction with peers Use of accountable talk during discussions, development and presentation of art, science and writing projects
Development of vocabulary and comprehension skills during all content areas.
Discussions on math, current events to develop higher order thinking skills.
Role-playing and language development through art, music and creative expression
Providing all ELLs/MLLs with the same academic experiences as their peers
Providing ELLs/MLLs with their appropriate units of instruction
Supporting the ELLs/MLLs to achieve grade level standards
Enhancing their oral and written communication skills
Maximizing language acquisition for ELLs/MLLs

ENL instruction for all ELLs aligns Next Generation and ENL Standards-based strategies within the school's comprehensive core curriculums in Mathematics (Eureka Math Engage New York) and Literacy HMH Into Reading), as well as Science, Social Studies (RIGOR - Reading Instructional Goals for Older Readers), Art and other content areas, to provide the ELLs/MLLs with their appropriate units of instruction (eight units per week for entering and emerging students, four units per week for transitioning and expanding students, and two periods per week for commanding students in the two-year monitoring status). Each program is a scientifically research-based program.

An ELL's/MLL's language, cultural background, interests and academic standing are considered when differentiating instruction for them. Further cultivation of the ILF Team ensures continued development of best instructional practices for ELLs. Differentiation of instruction for ELLs/MLLs includes additional strategies and materials incorporated into daily lessons through the use of visual aids, technology-based programs, small group instruction and peer support.

The instructional resources used in the ENL and Dual Language Programs include the following:
BrainPop
ESL Technology programs
Padlet
Sora
Readworks
Reading A-Z / Raz Kids
ABC Mouse
Scholastic
Online Epic
Zearn
Splash Learn
Google slides
Google docs
Flipgrid
Jamboard

mathplayground.com
RIGOR - Reading Instructional Goals for Older Readers for grades 3-8
Content area books Anthologies
Theme-based literature and project activities
Listening Centers
Leveled Bilingual Libraries
Puzzles and Games
Word Walls
Songs and Poems
Visual Aids (picture cards, charts, posters, picture dictionaries)
Translation Dictionaries
Books on Tape/Big Books
Home Language Resources, such as libraries, texts, technology, curriculum enhancements and primary resource materials.
All required ELLs/MLLs with IEPs' curriculum and instruction correspond to the ELL's age, language, English proficiency and grade level.

**2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?**

Administration ensures that English Learners receive the mandated number of integrated and stand-alone ENL instruction that will allow them to access core curriculum. At PS/IS 384 Culturally-Responsive-Sustaining Education (CR-S) is grounded in a cultural view of learning and human development in which multiple expressions of diversity, such as race, social class, gender, language, sexual orientation, nationality, religion and ability are recognized and regarded as assets for teaching and learning. In so doing, the ILF Team meets to discuss how to best leverage

these student qualities to ensure ideal instruction for all students. Data utilized to inform of students' attributes are accumulated from the ELL Data Analysis Tool and other reports.

**3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.**

In ENL Integrated, Standalone and Spanish Dual Language Programs, the ENL and/or Bilingual teachers meet with the classroom teachers during their weekly articulation periods to discuss the week's content areas and plan their lessons based on the Next Generation Learning Standards and NYS ENL and Performance Standards. The teachers implement an instructional program that utilizes a balanced approach to teaching and learning and is comprised of best teaching practices that enhance the language development of ELLs. Accordingly, the ELLs have the opportunity to excel academically and socially (HMH's Into Reading curriculum has been newly adopted in grades K-5, Into Literature in grades 6-8 and Arriba la Lectura for our Dual Language programs) by learning through the same, challenging and rigorous instructional program as their peers.

In all program models, the ELLs receive a comprehensive, culturally-responsive, multi-sensory approach of learning to enhance the four modalities (listening, speaking, writing and reading), employing effective, research-based ELL strategies, through hands-on activities that include:

Development of English and Spanish language literacy through a large expansion of bilingual books in our ELL/MLL library.
Teachers foster an attitude of Growth Mindset with regards to their students, peers, other school staff and themselves.
Use of realia and technology to explore and research topics.
Continuous interaction with peers
Use of accountable talk during discussions
Development and presentation of art, science and writing projects
Development of vocabulary and comprehension skills during all content areas.
Discussions on math, current events to develop higher order thinking skills.
Role-playing and language development through art, music and creative expression
Providing all ELLs/MLLs with the same academic experiences as their peers
Providing ELLs/MLLs with their appropriate units of instruction
Supporting the ELLs/MLLs to achieve grade level standards
Enhancing their oral and written communication skills
Maximizing language acquisition for ELLs/MLLs

ENL instruction for all ELLs aligns Next Generation and ENL Standards-based strategies within the school's comprehensive core curriculums in Mathematics (Eureka Math Engage New York) and Literacy HMH Into Reading), as well as Science, Social Studies (RIGOR - Reading Instructional Goals for Older Readers), Art and other content areas, to provide the ELLs/MLLs with their appropriate units of instruction (eight units per week for entering and emerging students, four units per week for transitioning and expanding students, and two periods per week for commanding students in the two-year monitoring status). Each program is a scientifically research-based program. An ELL's/MLL's language, cultural background, interests and academic standing are considered when differentiating instruction for them. Further cultivation of the ILF Team ensures continued development of best instructional practices for ELLs. Differentiation of instruction for ELLs/MLLs includes additional strategies and materials incorporated into daily lessons through the use of visual aids, technology-based programs, small group instruction and peer support. The instructional resources used in the ENL and Dual Language Programs include the following:

BrainPop ESL Technology programs

**4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.**

**a. ELLs with IEPs**

All required ELLs/MLLs with IEPs' curriculum and instruction correspond to the ELL's age, language, English proficiency and grade level. These students are provided access to the same programs, curriculum, grade level materials and resources as students in the general education population. Formal and informal assessments coupled with the students' IEPs are consulted to align appropriate services, strategies and instruction on a case per case basis. Specifically, additional scaffolding and modelling is particularly essential to ELL/MLL students with disabilities' success in English language acquisition. This additional support is provided through small group instruction, academic intervention services, after-school programs that are designed to meet their diverse needs. Since all of our ELL/MLL students with disabilities are Spanish-speakers, all paraprofessionals who service these students are bilingual to support their English acquisition and listening comprehension. Also, ELL students with disabilities receive ENL and/or bilingual lessons emphasizing context-rich instruction designed to enhance English language acquisition and listening comprehension. Also, ELL/ML students with disabilities receive lessons

emphasizing context-rich instruction designed to enhance English and/or Spanish language understanding and production in listening, speaking, reading and writing.

Students with disabilities are provided integrated ENL services into heterogenous special education self-contained classes to provide scheduling flexibility when needed to ensure their diverse needs are met in the least restrictive environment, and standalone ENL instruction for students at the Entering and Emerging proficiency levels. In order to meet a student's iEP goals, any student whose IEP mandates bilingual instruction shall have an alternative placement paraprofessional who speaks the student's home language obtained for the child. Incoming students with IEPs in grades K-2 are offered placement in our Spanish Dual Language Program..

Additionally, all ELLs with IEPs are provided with all the Intervention Programs that are provided to English Language Learners in the general population.

### b. SIFE

At this time, PS/IS 384 has two SIFE students identified. Content materials are age-appropriate. Our school utilized RIGOR (Reading Instructional Goals for Older Readers) for SIFE students and ensure content area and socio-emotional support needs of students with inconsistent and/or interrupted formal education (SIFE) are considered. The instruction of SIFE students has commonalities with other ELL subgroups. Strategies specifically useful for SIFE students are activating prior knowledge, providing a print-rich environment, Total Physical Response, project-based learning, rephrasing when introducing new vocabulary, limiting sentence length, using intonation and pauses for emphasis, frequent check-ins, providing multiple opportunities to demonstrate understanding, such as acting out, drawing, discussing, etc. Finally, the use of Sheltered Instruction Observation Protocol (SIOP) is especially effective for SIFE students.

### c. Newcomers

ELLs/MLLs with 3 or less years in US schools are provided with intensive instructional support that includes: small group support, hands-on activities to enhance vocabulary development, close monitoring through formal and informal assessments and ongoing contact with parents. All ELLs participate in HMH's Into Reading curriculum in grades K-5, Into Literature in grades 6-8 and Arriba la Lectura for our Dual Language programs. Additionally, these students are also afforded the opportunity to participate in extra-curricular activities (e.g. sports, dance, chorus, art, etc.). This increases their interaction with peers and enhances their social and academic skills. ELLs/MLLs (that are new to the school) and their parents are invited to a tour of the school. In addition, they meet with the administration, teachers and students to learn of our school's academic and social programs. Our school has also implemented peer tutoring, whereby former ELLs/MLLs who share a common language with newcomers assisted them in completing their core subject studies.

### d. Long Term ELLs

Long-term ELL students are monitored closely by the classroom and ENL teachers, the ILF Team, administrators and the Guidance Team. As with Developing ELL students, formal and informal data is utilized to assess their strengths and needs. Through classroom instruction, academic intervention services, Zero Hour, After School Programs, Title III Supplemental Programs and parental involvement these students receive the necessary support to improve their academic standing. TCM's Language Power, Continental's "Ready, Set, Go! Newcomers", BrainPOP LLC, and various other grade level materials will be used for these programs.

**5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?**

All required ELLs/MLLs with IEPs' curriculum and instruction correspond to the ELL's age, language, English proficiency and grade level. These students are provided access to the same programs, curriculum, grade level materials and resources as students in the general education population. Formal and informal assessments coupled with the students' IEPs are consulted to align appropriate services, strategies and instruction on a case per case basis. Specifically, additional scaffolding and modelling is particularly essential to ELL/MLL students with disabilities' success in English language acquisition. This additional support is provided through small group instruction, academic intervention services, after-school programs that are designed to meet their diverse needs. Since all of our ELL/MLL students with disabilities are Spanish-speakers, all paraprofessionals who service these students are bilingual to support their English acquisition and listening comprehension. Also, ELL students with disabilities receive ENL and/or bilingual lessons emphasizing context-rich instruction designed to enhance English language acquisition and listening comprehension. Also, ELL/ML students with disabilities receive lessons emphasizing context-rich instruction designed to enhance English and/or Spanish language understanding and production in listening, speaking, reading and writing. Finally, we have commenced a Dual Language ICT class in the 2025-26 school year.

Students with disabilities are provided integrated ENL services into heterogenous special education self-contained classes to provide scheduling flexibility when needed to ensure their diverse needs are met in the least restrictive environment, and standalone ENL instruction for students at the Entering and Emerging proficiency levels. In order to meet a student's iEP goals, any student whose IEP mandates bilingual instruction shall have an alternative placement paraprofessional who speaks the student's home language obtained for the child. Incoming students with IEPs in grades K-3 are offered placement in our Spanish Dual Language Program.

Additionally, all ELLs with IEPs are provided with all the programs that are provided to English Language Learners in the general population.

**6. How is home language assessed in each program model (DLBE, TBE, and ENL)?**

As per parent's preference, indicated on the "Parent's Choice" form, our school offers an DL program in First and Second grades, and an ENL program for grades K-8. In our ENL programs, we provide 25% native language support in keeping with the recommended best practices for native language support in ENL programs, and the appropriate home language support (50%/50%) in our DL programs. This support includes dictionaries, textbooks, worksheets, various genres in languages other than English, technology programs and classroom listening centers and are made available to ELL students during intervention programs Bilingual staff may also communicate with students in their home language to ensure student understanding to provide the student with a variety of means by which to express his or her knowledge.

Home language support is assessed in our Dual Language and ENL programs utilizing appropriate, culturally-sustaining, suitable assessments both curriculum-embedded and teacher-created.

Bilingual assessments are administered with Renaissance STAR.

**7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?**

PS/IS 384 is preparing students to obtain the New York State Seal of Biliteracy by supporting their learning in a variety of ways, including the completion of coursework in English and/or a world language with an average of 85% or better; completing a Home Language Arts Program with an average of 85% or better; Earning a set score on an approved assessment in English and/or a world language;
Demonstrating successful completion of coursework from a nation outside the U.S.; and completing and presenting a Culminating Project in English and/or a world language that demonstrates the required level of proficiency in all three modes of communication (Interpretive, Interpersonal, and Presentational).

**8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).**

In ENL Integrated, Standalone and Spanish Dual Language Programs, the ENL and/or Bilingual teachers communicate with the classroom teachers electronically or in-person if time is made available to discuss the week's content areas and plan their lessons based on the Next Generation Learning Standards and NYS ENL and Performance Standards. The teachers implement an instructional program that utilizes a balanced approach to teaching and learning and is comprised of best teaching practices that enhance the language development of ELLs.

**9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.**

Professional development (by on and off site personnel) is provided to all faculty members to comply with CR Pt 154 Standards, regarding how to serve the needs of the ELLs, including their Social-Emotional needs and those in Special Education settings. ENL and bilingual teachers as well as all faculty members servicing ELLs attend workshops during and after school hours.

Professional Development for the Next Generation Standards is provided every other Monday to all staff members and include topics such as Kids at Hope, Bullying - A832, Child Abuse Suicide - A750, Reg. A101, A443, 420-421, Student Attendance, Gang Affiliation Awareness, ELL Programming requirements and Data Analysis, Special Education and ENL Strategies. Comparing language acquisition and disabilities, Anti-Bullying Mandate Parts 1-3, Multiple Points of Entry for ELLs, Instruction for ELL/MLL Subgroups, Universal Design and Rubric, NYSESLAT Training, Reviewing Technology Data for ELLs, Transitioning to in-person instruction, etc.

**10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).**

For students transitioning between Elementary and Intermediate school, the guidance counselor provides ELLs with a transitioning session, in which students are acquainted with changing classrooms as needed throughout the day. An activity is conducted whereby students utilize a sample schedule to determine where and when to attend

class.  Additionally, in fifth grade students are partially de-compartmentalized to acclimate to middle school gradually.

A minimum of fifteen percent (15%) of the required professional development hours for all teachers prescribed by CR Part 80 must be dedicated to language acquisition, including a focus on best practices for co-teaching strategies and integrating language and content instruction for English language learners and Multilingual Learners. For all bilingual and English as a New Language teachers, a minimum of fifty percent (50%) of the required professional development hours must be dedicated to language acquisition in alignment with core content area instruction, including a focus on best practices for co-teaching strategies and integrating language and content instruction for English language learners. The focus of professional development is to provide the teachers with a comprehensive, multi-sensory approach to teaching that aspires to improve overall student achievement, while adhering to the new CR Pt 154 requirements.  A file is maintained in the Title III Binder that contains a record of the hours of training for each teacher. Teachers completing their required hours of training receive a certificate.  Records of Professional Development include agenda sign-in sheets and are kept in the Title III Binder.

Tentative ENL Topics Professional Development Calendar 2025-26 include ELL Programming Requirements and Data Analysis,  QTEL - Quality Teaching for English Learners Pt I. II and III, Special Education and ENL Strategies. Comparing language acquisition and disabilities, Anti-Bullying Mandate  Parts 1-3, Multiple Points of Entry for ELLs, Intervention for Subgroups, Getting Ready for the NYSESLAT Pt I and II, Reviewing Technology Data for ELLs and NYSESLAT Writing Scoring Training, and will be scheduled during Professional Development time on the appropriate Mondays during the school year.

# Assessment

# SCREENERS

**11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?**

PS/IS 384 uses NYSITELL in grades K-8, NYSESLAT in grades K-8, i-Ready in grades K-8, EL SOL in First and Second grades for students in our Spanish Dual Language Program, Measures of Student Learning in grades 6-8, New York State Standardized Assessments in grades 3-8, as well as individual classroom-based assessments. All assessments discussed in the RTI section are also utilized and are geared to be appropriate and affirming students' strengths and their racial and cultural identities. In addition to identifying the young students' needs, information obtained from some of these assessments has enabled staff to identify older students' early literacy needs, which often occur when a student is a SIFE or has entered an English-speaking school in later years, thus requiring age-appropriate early literacy materials. Upon obtaining this information from data analyzed in various reports, our school has increased the number of early-literacy reading material that is age appropriate for older students, as well as younger ones.

Additionally, for students who are not newcomers, the data indicates that most English Language Learners do not usually achieve English proficiency as determined by their NYSESLAT results due to their Writing scores. As a result of this conclusion, there has been an increase of school-wide Professional Development focusing on the Writing needs of English Language Learners. Also, a school ILF goal for the 2024-25 school year (focuses on strengthening core instruction.) strives to move all students to an advanced proficiency level in writing across the content areas.

Also, the NYSITELL exam is administered once in the lifetime of a student to assess their initial English proficiency, provided they do not exit an English language school system for a period exceeding two years. Historically, most students, regardless of age level, score at the Entering or Emerging level at this time. However, subsequent to the expansion of Pre-K and 3-K programs in our district, it is now not uncommon for entering Kindergarten students who attended these programs to score at Transitioning or higher levels on the NYSITELL. Additionally, we have observed a higher incidence of students with home languages other than English to be deemed ineligible for the NYSITELL in recent years.

Many of the conclusions drawn from the data obtained for this Language Allocation Policy are predictable. As most other research suggests, the majority of students at PS/IS 384 achieved Listening proficiency first, following by Speaking, then Reading and Writing respectively. Also, these conclusions support nationwide research in which it has been determined that Writing is the most challenging modality in which to express proficiency. Another predictable conclusion that our data supports is that younger newcomers achieve proficiency in all modalities sooner than students who enter an English speaking school at an older age.

Finally, many students with IEPs have cognitive limitations and/or speech and language disabilities which impede their ability to attain a commanding score or advancing proficiency levels on the NYSESLAT.

**12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.**

ENL instruction for all ELLs aligns Next Generation and ENL Standards-based strategies within the school's comprehensive core curriculums in Illustrative Math, HMH Into Reading (K-5) and HMH Into Reading (6-8) curriculum, as well as Science, Social Studies (RIGOR - Reading Instructional Goals for Older Readers), Art and other content areas, to provide the ELLs/MLLs with their appropriate units of instruction. An ELL's/MLL's language, cultural background, interests and academic standing are considered when differentiating instruction for them.

Additionally, all ELLs/MLLs are provided with the following Intervention Programs: Growth Mindset Intervention plan, the Kids at Hope cultural framework and Theatre program. Title III After School Program is twice per week with ninety minutes of instruction each day after school. Native Language support during these Intervention Programs is twenty-five percent as recommended.

Differentiation of instruction for ELLs/MLLs includes additional strategies and materials incorporated into daily lessons through the use of visual aids, technology based programs, small group instruction and peer support.

**13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.**

At the beginning of the year, all students in grades K-8 are screened using a baseline writing assessment that is scored according to the Six Traits of Writing Rubric that has been aligned to the Next Generation Learning Standards. Targeted writing goals are then set, and
measurement of attainment of these goals is monitored approximately every two months. Writing is also assessed and evaluated for the
Next Generation Performance Tasks. This is done at the beginning, middle and end of the task. In grades K-3 relevant assessment data for ELLs is acquired by i-Ready for all grades. The results of these assessments are utilized to determine the appropriate Response to
Intervention Planning tier for each student. In order to effectively assess the needs of ELLs and MLLs, these assessment batteries include
measures of code-based skills, such as phonological processing and phonics skills, in addition to meaning-based skills such as listening
comprehension, vocabulary knowledge, and conceptual knowledge. Additionally, progress is monitored by informal assessments for each
modality; speaking, listening, reading and writing in the ENL and DL classroom. Teachers are mindful of the need to analyze data through a language acquisition lens. That is, they must differentiate between what may or may not be difficult for a child because it is not familiar in their home language during various curriculum-based measures, classroom observations and performance-based assessments.
Additionally, our Instructional Leadership Framework team has focused on strengthening core instruction. In doing so, our school has raised the bar for all students, recognizing that we simply won't "intervention our way" to excellence, instead advancing teacher pedagogical skills to enhance the quality of student assessments. Finally, regarding the use of data, for each English language learner who scores below specified levels of performance on the annual English language proficiency assessment, PS/IS 384 shall determine the additional support services to provide the student, taking into consideration evidence such as the following:

- Number of years of instruction in a bilingual education and/or English as a new language program
- English and home language literacy

• Content area and socio-emotional support needs of students with inconsistent and/or interrupted formal education (SIFE)
• English and home language literacy needs of long-term ELLs .
• Results on the annual English language proficiency assessment exam .
• ENL and/or Bilingual teacher recommendation .
• Content area teacher recommendation
• Parent or guardian request
• Sample of student work in English and, if possible, in the home language .
• Bilingual educational evaluation, if the student has or is suspected of having a disability. The support services provided must be aligned to any intervention plans (e.g., Kids at Hope) we are already providing to all students.

# FORMATIVE

**14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?**

PS/IS 384 uses NYSITELL in grades K-8, NYSESLAT in grades K-8, HMH Into Reading (K-5), students in our Spanish Dual Language Program, Measures of Student Learning in grades 6-8, New York State Standardized Assessments in grades 3-8, iReady, HMH Into Literature (6-8) in grades K-8, as well as individual classroom-based assessments. All assessments discussed in the RTI section are also utilized and used to inform and drive culturally-responsive, sustaining instruction.

**15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?**

PS/IS 384 has Spanish Dual Language Programs in first, second, third, fourth and fifth grades. Once identified, students are administered the Spanish LAB. The results of this exam will determine their home language proficiency, which will help teachers make informed decisions regarding their Spanish-speaking ELL/MLL students' instruction. All recommended test guidelines are followed and administered by a teacher with a bilingual extension. Also, students identified as ELLs/MLLs are given translated testing materials in their native language as per state regulations. Additionally, translating dictionaries are provided for each ELL/MLL. After the initial Spanish LAB, teachers produce baselines, formative assessments, HLA Spanish Performance Assessments and summative evaluations throughout the year in our Dual Language Programs. Finally, Dual Language teachers assess Spanish language acquisition with Renaissance Star Spanish at the beginning, middle and end of the school year.

# SUMMATIVE

**16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).**

Our school evaluates the success of the ELLs as follows:

1. Student growth in the NYSESLAT performance
2. Student growth in the HLA Spanish Performance Assessment
3. Student growth in the New York State ELA and Math Assessments
4. Student growth in other New York State Assessments.
5. Student baseline on ELL-specific assessment
4. Student/Teacher conference notes
5. Student performance on teacher-created assessments
6. Student classroom work portfolios
7. Student performance on assessments in technological instructional programs
8. Measures of Student Learning
9. Running Records
10. BrainPop and other technology program learning assessments
12. Teacher observation of ELL students' self-esteem and cross-cultural understanding
13. Updated EDAT Tool
14. HMH Into Reading (K-5), HMH Into Literature (6-8) Illustrative Math K-8 - Curriculum Appendices

Although the 2024 administration of the NYSESLAT demonstrated significant improvement among our test takers, we have identified several areas of need among our English Language Learners. According to the most recent data, the greatest academic area of need among ELL students in our school continues to be Writing.

**17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.**

During the 2025 administration of the NYSESLAT, three pedagogues administered the Speaking portion of the NYSESLAT of the NYSESLAT. They were Jennifer Pierce-Chornomor, ENL Teacher and ELL Coordinator, Marilyn Blas, ENL Teacher and Kimberly Coppola, ENL Teacher. Writing scoring was conducted by these teachers, along with Keutsy Rodriguez, a Pre-K classroom teacher who is bilingual in Spanish and Jackie McGhee, a Special Education licensed pedagogue. The entire school participates in some way for the administration of the three NYSESLAT Sessions, with most classroom teachers testing their own students. ENL providers may meet with students, assigning asynchronous work. Additionally, administration requests assigned substitutes during state assessments to ensure student service continuity during testing periods.

**18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?**

A current ELL Participating List is maintained throughout the year. Administration and testing coordinators refer to it when planning for these assessments to ensure that current and former ELLs receive appropriate accommodations.

# Part VI: Family Partnership

## Family Partnership

**Required Meetings Under CR Part 154**

**Describe your schools' plan to ensure families of ELLs are provided with the required meetings** specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

**a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.**

When students are initially identified as English Language Learners at any point in the year, the Initial Entitlement form letter is sent home to the parent in the parents' preferred languages as soon as a NYSITELL score is available, requiring them to attend the ELL Program Orientation Meeting at school. The Parent Coordinator or School Secretary assists in ensuring parents will attend the meeting. Bilingual Spanish-speaking staff conduct the meeting, whereby the parent/guardian views the New York State Education Department's Parent Orientation video in their preferred language at the school. Interpreters/interpretations are for oral communication and translators/translations are for written communication and utilized when needed. Program goals and requirements for all three ML/ELL program models are defined. After all questions are answered, the parents complete the Parent Choice and Survey forms, their child is placed in the appropriate program and a program placement letter is given to the parent. In order to ensure a high-quality orientation for the parents of ELLs, Next Generation Learning Standards, assessments and school expectations for ELLs are discussed. If the parent opts to transfer their child to a school with the program that is unavailable, placement documentation and appropriate school search commences. During the school year, the parent orientation is conducted at a time convenient for the parent such as after morning drop off or during dismissal on Monday's when teacher's are present after the school day.

The Parent Coordinator plays a vital role in the engagement of parents. The Parent Coordinator meets regularly with parents to discuss their social and academic needs, in addition to the new annual Parents of ELLs/MLLs meeting created this school year. These issues are shared with school personnel and are addressed through meetings and workshops during school. The Parent Coordinator assists as translator during Parent Orientation

sessions, helps administer the Parent Choice and Parent Survey and Program Selection Forms. Additionally, the Parent Coordinator utilizes Parent Notification Letters to communicate with parents in the event that they are not accessible by phone. Additionally, L2RPT letters for students who have taken the NYSESLAT the previous school year are printed and distributed to parents.

Evidence of these meetings are documented in the Parent Choice and Survey letters themselves, whereby parents indicate that they were informed of their choices at a school orientation. Additionally, agendas and sign-in sheets are recorded and maintained in the ELL files of critical documents.

**b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.**

PS/IS 384 makes provisions to individually meet in-person with the parents or guardians of English language learners at least once a year, in addition to parent-teacher conferences, initial parent orientations, quarterly progress meetings or other scheduled meetings provided for parents or guardians, to discuss the goals of the program, their child's language development progress, their child's English language proficiency assessment results, and language development needs in all content areas. This additional meeting includes school staff who are necessary to sufficiently inform the parents or guardians about the child's language development in all content areas in English. This meeting is conducted with a qualified interpreter/translator in the language or mode of communication the parent or guardian best understands. We determine the manner and form of such individual parent meetings, in accordance with collective bargaining agreements. Attendance is recorded using existing procedures. In order to ensure parents of English Language Learners are informed of their child's progress, letters are sent home in their preferred language, inviting parents to come visit their teachers in mid-October. At this time, L2RPT letters, with detailed information regarding student NYSESLAT proficiency levels in each module will be discussed and clarified. With this information, parents will be made aware of recent English acquisition growth and which specific modalities need focus. their classroom teachers also discuss the students' language development in content areas. In order to facilitate attendance, parents are invited in-person but can attend remotely if that is not possible.

# Family Engagement

**2. Beyond the mandated meetings and orientations, describe how your school:**
**a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?**

In order to ensure parents of English Language Learners are informed of their child's progress, letters are sent home in their preferred language, inviting parents to come visit their teachers. At this time, L2RPT letters, with detailed information regarding student NYSESLAT proficiency levels in each module will be discussed and clarified. With this information, parents will be made aware of recent English acquisition growth and which specific modalities need focus. When needed, over-the-phone interpretation service (OPI) is utilized to provide in-person and/or virtual, interpretations for languages other than English. Teachers are provided information obtained from the RAPL ATS report to assure they are aware of the parents' preferred languages and can communicate in the appropriate language when needed. Additionally, messages can be sent and automatically translated between staff members and parents.

**b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.**

A variety of activities and workshops are planned throughout the year to encourage parents to become proactive members of the school community, including the Annual Individual ELL Parent Meeting, which is independent of parent teacher conferences. Needs of the community are collected through surveys to inform decisions of topics for the workshops. Parents are encouraged to attend in a variety of ways, such as via translated invitations, virtual meetings, after work hours and specific events, Through these classes parents of ELLs learn a new language. In addition, these programs afford all parents the opportunity to become engaged in community activities and to learn of instructional strategies and resources that they can utilize at home to support their child’s learning. Parent Workshop Tentative topics include NYC Psychotherapy Group - Focus on Holiday Blues, including immigration , Guidance Department - Children Coping with Life Challenges, Educating parents about Restorative Practices, CAMBA - Housing legal assistance and Immigration, Commission of Human Rights - Domestic Violence assistance, NY Psychotherapy - Effective Discipline for Children with ADHD, Make the Road - Immigration, Housing and Childcare, NY Psychotherapy - Technology overuse with children, Raising an Emotionally Healthy Child, Children's Advocates - Assisting parents with IEPs, Teach parents the ABC's of IEP's., NYC Public Library - Importance of taking children to the Library and Speech Group Overview.

**c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)**

The PTA holds annual elections every year and informs all parents of family leadership opportunities such as the Parent Association, School Leadership Team and Community Education Council. Information from the school on upcoming events, workshops or school information is sent to parents in their home language via text, calls and email. Translators are available during all parent workshops and meetings to ensure that families understand and can respond to information presented. All translation and Interpretation needs are provided in accordance with the Translation and Interpretation plan.

**3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?**

All chosen school-based organizations are culturally and linguistically responsive to the needs of our MLL/ELL/Immigrant school
community. Some of these partnerships include, NYC Psychotherapy Group, New York EDGE, CAMBA - Housing legal assistance
and Immigration, Commission of Human Rights - Domestic Violence assistance and the NYC Public Library. Also, as a part of a Mental Health Continuum program with Woodhull Hospital in association with NYC Health and Hospitals, PS/IS 384 hosts informational meetings regarding various mental health topics.

# Part VII: Additional Information

## Additional Information

**Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.**

Administration and staff at PS/IS 384 are constantly in search of funding to expand programs, resources and opportunities for our MLLs/ELLs. Any additional available funding would be put to good use for the benefit of these students.

# Part VIII: ELL Identification Attestation and Principal Certification

## Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

**1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.**

Jennifer Pierce-Chornomor - ENL Teacher / ELL Coordinator
Marilyn Blas - ENL Teacher
Kimberly Coppola - ENL Teacher

**2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:**

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Upon registration of all newly-admitted students, our Secretary, Lupe Alvarez, informs a member of the HLIS Team, which includes TESOL-licensed pedagogues Marilyn Blas, Jennifer Pierce-Chornomor, and Kimberly Coppola according to an established class schedule. Marilyn Blas is bilingual and biliterate in Spanish. When Jennifer Pierce-Chornomor is called to administer the HLIS, our Spanish bilingual and biliterate Parent Coordinator, Janil Garcia is called to translate, or OPI services are used. This protocol occurs year-round. All students are administered the HLIS upon registration and all ELL/MLL students are identified within ten school days of enrollment for students in the general education population and twenty days for students with IEPs. In the event a student has been enrolled in a NYS public school within the past two years, our ELL Coordinator, Jennifer Pierce-Chornomor, contacts the previous school to obtain the student's ELL status, current proficiency level and other relevant data. These students are placed and programmed appropriately. Students who have been outside of the NYS public school systems for over two years, are administered the NYSITELL in accordance with their current grade level.

The home language of the student is determined by trained and licensed pedagogue, including Jennifer Pierce-Chornomor, Marilyn Blas or Kimberly Coppola. The parent completed the Home Language Identification Survey in the parent's preferred language. Spanish translation services are typically provided by Marilyn Blas or Janil Garcia, our Parent Coordinator. If the parent is not a Spanish or English speaker, translation services (OPI) are contacted, unless the parent brought a trusted interpreter.

NYSITELL eligibility for newly admitted students with IEPs who have a home language other than English is determined by members of the LPT Team, which include Ashley Blakely, Jennifer Pierce-Chornomor, Marilyn Blas, Kimberly Coppola, Jacquelline McGhee, Luisame Herasme and the parent of the student. Trained and licensed pedagogues Jennifer Pierce-Chornomor, Marilyn Blas and Kimberly Coppola conduct an interview with parents and students in English and the home language. A careful review of the IEP and any previous assessments of the student's abilities and/or work samples determines the student's literacy and math level in his/her/their home language. At this time eligibility for the NYSITELL is determined. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent. If eligible, the student is administered the NYSITELL by trained, licensed pedagogues and parent notification
letters are sent to the parent in the parent's home language. If the student is determined to be an ELL as a result of the NYSITELL and their home language is Spanish, the Spanish LAB is administered by Marilyn Blas.
Students deemed possible SIFE are identified in a timely manner by members of the ENL Team. ENL Team members include Jennifer Pierce-Chornomor, Marilyn Blas and Kimberly Coppola. Possible SIFE students are then assessed by a member of the ENL team with the NYS Multilingual Literacy SIFE Screener (MLS).

If students are determined to be ELLs as a result of the NYSITELL, parent notification letters are sent to the parent in the parent's preferred language and invited to a parent orientation meeting with the ENL Team. During the orientation, parents are given an explanation of each ELL program model offered in NYC and the parent video describing the three programs is presented in the parent's preferred language. At this time, all questions are answered about the possible ELL programs in NYC.

The student is then placed in the program the parent chooses, if it is offered at our school. If it is not, the parent is offered a transfer to a school with the program in accordance with DOE transfer policies.
If the parent elects to have the student remain in the school, the ELL is placed in the preferred program and a record of the parent choice in ATS. PS/IS 384 currently offers a Spanish DLBE program in grades K-5. If/when the minimum thresholds are met, a Transitional Bilingual Education program will be opened.

Parents are notified that they have forty-five days to appeal the ELL status of their child should they so desire.
If this ELL-Re-Identification process is implemented for any student, the principal reviews the decision of any ELL student that was changed due to the appropriate administration of this process within six to twelve months. Copies of all letters, parent notifications and LPT Team meeting notes are kept in the ENL Files and student cumulative files.

Current ELLs served in bilingual programs remain in their cohort. Bilingual instructors provide the integrated services while out-of-classroom ENL services pull students for standalone ENL instruction. Current ELLs not enrolled in a bilingual program receive integrated and standalone ENL instruction from out-of-classroom ENL teachers.

Former ELLs that have passed the NYSESLAT within the past two administrations typically receive four periods per week of integrated ENL support from licensed ENL teachers, as they remain in classes with current ELLs. Occasionally, these students are provided services Project-Based instruction under the guidance of an ENL teacher. With the collaboration of the School-Based Support Team and Administration, Newly-Enrolled ELL/MLL students are provided guidance and support in acclimating to their new school environment. All new admits who are eligible for the NYSITELL are preliminarily enrolled in ENL instructed programs alongside previously identified MLL/ELLs to ensure continuity of mandated ENL services from the date of enrollment. Furthermore, the Parent Coordinator meets with the parents to address their needs and concerns and provides additional support by scheduling meetings with the teachers during their preps to again address these newly enrolled ELL/MLL students' needs. The Administration provides an open door for any student's parent to meet with any administrator in charge with their respective grades. MLL/ELL students are invited to attend Summer School and After-School programs.

Previously enrolled ELL students and those who have passed within the last two administration of the NYSESLAT are

provided Continued Entitlement letters in their parents' preferred languages, informing them of the continuation of mandated ENL services.

# Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

**Principal Name:**

# Part IX: LAP Assurances

## LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

# LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

**Office of Language Access (OLA) Contact:**

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

**Designation of a LAC**
**Name of person designated and trained as the LAC.**
**At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.**

**We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.**

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

| First Name | Last Name | Title | Date attended OLA Language Access Coordinator Professional Learning Opportunity | Confirmed (Y/N) |
|---|---|---|---|---|
| Jennifer | Pierce-Chornomor | ELL Coordinator/ENL Teacher | 12/05/2024 | Y |
| Janil | Garcia | Parent Coordinator | 11/4/25 | Y |

# Part B: Parents' Preferred Languages

## Parents' Preferred Languages

Language identification and assessment of parent population.

**1. Check the resources your school staff uses to identify parents' preferred languages:**

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Student Emergency Contact cards

**If Other was selected, describe the resource here:**

**2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".**

| Language (Description within RCPL) | Written Preferred Count | Written Preferred Percentage | Oral Preferred Count | Oral Preferred Percentage | No. of Staff to Help with Written Translation | No. of Staff to Help with Oral Interpretation |
|---|---|---|---|---|---|---|
| ARABIC | 3 | 0.73% | 3 | 0.75% | NA | NA |
| FRENCH | 1 | 0.25% | 1 | 0.25% | NA | NA |
| ENGLISH | 175 | 43.64% | 169 | 43.22% | 48 | 48 |
| SPANISH | 219 | 54.61% | 215 | 54.99 | 2 | 17 |
| SUDANESE | 3 | 0.73% | 3 | 0.75% | NA | NA |

# Part C: Parent Communications and Engagement

## Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

**1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.**

| Document Type (e.g. parent flyers, IEPs, etc.) | How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents. |
|---|---|
| School Calendar | Translated templates are available in the Infohub cover all parent preferred languages currently at PS/IS 384 and include available for all School Calendar and Closings announcements.. All hardcopies of documents and correspondence are routinely sent in English and Spanish. correspondence that is sent electronically is translated automatically into the parents' preferred language. The multilingual welcome poster and other multilingual signage are displayed in the main entrance of the school building and the main office. Upon registration, parents are surveyed about their preferred written and spoken language and it is recorded into ATS. Parents are notified of their right to receive information in their preferred language via orientation, curriculum night, and utilizing an over-the-phone interpreter, accessible through OPI. Most parents at PS/IS 384 prefer Spanish. We have many staff members who speak and read Spanish. They routinely translate documents when needed. For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |
| Safety Plan | The Safety Plan contains procedures for ensuring that parents in need of language access services are not prevented from reaching the school's administrative offices solely due to language barriers. Most parents at PS/IS 384 prefer Spanish. We have many staff members who speak and read Spanish and routinely translate documents. Safety Plans are general documents that are translated by the Office of Language Access' General Document Translation Request Form if needed. Parents are encouraged to enroll to receive emergency notifications for schools in their preferred language by email, text message, or phone via Notify NYC or 311. For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |
| Student and Family Handbooks | A staff member translates into Spanish. Student and Family Handbooks are general documents that are translated by the Office of Language Access' General Document Translation Request |

| | |
|---|---|
| | Form. For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |
| Newsletters | A staff member can translate Newsletters into Spanish. Newsletters are general documents that are translated by the Office of Language Access' General Document Translation Request Form. For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |
| ELL parent meeting information, Request for Parent Orientation letters, etc | Translated templates are available for the ELL Parent Meeting and Orientation in the Infohub and cover all parent preferred languages currently at PS/IS 384. All hardcopies of documents and correspondence are routinely sent in English and Spanish. Correspondence that is sent electronically is translated automatically into the parents' preferred language. For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |
| Parent-Teacher conference announcements | Translated templates are available for the Parent-Teacher Conferences in the Infohub and cover all parent preferred languages currently at PS/IS 384. All hardcopies of documents and correspondence are routinely sent in English and Spanish. Correspondence that is sent electronically is translated automatically into the parents' preferred language. For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |
| After-School Program/Summer School Information | Translated templates available for the Parent-Teacher Conferences in the Infohub and cover all parent preferred languages currently at PS/IS 384. All hardcopies of documents and correspondence are routinely sent in English and Spanish. Correspondence that is sent electronically is translated automatically into the parents' preferred language. For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |
| Mandated Program Information | Translated templates available for the Mandated Program Information in the Infohub and cover all parent preferred languages currently at PS/IS 384. All hardcopies of documents and correspondence are routinely sent in English and Spanish. Correspondence that is sent electronically is translated automatically into the parents' preferred language. For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |
| IEP Meeting Notices | Biliterate staff may translate information related to IEPs for parents. When staff are unable to translate, requests for the translation of IEPs or any other Special Education communication to parents may be submitted to OLA via the Individualized Document Translation Request Form. Pre-translated special Education family notices that are not automatically produced in SESIS are available in the NYCPS' nine non-English covered languages, on the InfoHub's Translations for Parent Notifications in SESIS and Special Education pages. For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |
| New York State testing dates announcement | Translated templates available in the Infohub cover all parent preferred languages currently at PS/IS 384. All hardcopies of documents and correspondence are routinely sent in English and Spanish. Correspondence that is sent electronically is translated automatically into the parents' preferred language. For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |

| | |
|---|---|
| PTA Meeting announcements | Biliterate Staff may translate this correspondence. When needed, requests for the translation of general documents that meet the above requirements may be submitted to OLA via the General Document Translation Request Form. Translations are typically complete in 1-2 business days. For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |
| Field Trip Announcements | Biliterate Staff may translate this correspondence. When needed, requests for the translation of general documents that meet the above requirements may be submitted to OLA via the General Document Translation Request Form. Translations are typically complete in 1-2 business days. For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |
| Surveys | Biliterate Staff may translate this correspondence. When needed, requests for the translation of general documents that meet the above requirements may be submitted to OLA via the General Document Translation Request Form. Translations are typically complete in 1-2 business days. For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |
| Psychoeducation Evaluations | For the translation of Psychoeducation Evaluations staff may request translation via Lingualinx' Request Form. www.tinyurl.com/LingualinxTranslation. Requests for IEP translation require 10 to 15 business days to be completed. IEPs are translated for free in any language with the Office of Language Access. For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |
| Speech/Language Evaluations, | For the translation of Speech/Language Evaluations staff may request translation via Lingualinx' Request Form. www.tinyurl.com/LingualinxTranslation. Requests for IEP translation require 10 to 15 business days to be completed. IEPs are translated for free in any language with the Office of Language Access. For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |
| Reading Assessment Reports | For the translation of Reading Assessment Reports staff may request translation via Lingualinx' Request Form. www.tinyurl.com/LingualinxTranslation. Requests for IEP translation require 10 to 15 business days to be completed. IEPs are translated for free in any language with the Office of Language Access. For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |
| Behavioral Intervention Plans (BIP) | For the translation of Behavioral Intervention Plans (BIP) staff may request translation via Lingualinx' Request Form. www.tinyurl.com/LingualinxTranslation. Requests for IEP translation require 10 to 15 business days to be completed. IEPs are translated for free in any language with the Office of Language Access. For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |
| Classroom Observations | For the translation of ) staff may request translation via Lingualinx' Request Form. www.tinyurl.com/LingualinxTranslation. Requests for IEP translation require 10 to 15 business days to be completed. IEPs are translated for free in any language with the Office of Language Access. For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |
| Manifestation | For the translation of Classroom Observations staff may request translation via Lingualinx' |

| | |
|---|---|
| Determination Reviews (MDR) | Request Form. www.tinyurl.com/LingualinxTranslation. Requests for IEP translation require 10 to 15 business days to be completed. IEPs are translated for free in any language with the Office of Language Access/ For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |
| Social History | For the translation of Social History staff may request translation via Lingualinx' Request Form. www.tinyurl.com/LingualinxTranslation. Requests for IEP translation require 10 to 15 business days to be completed. IEPs are translated for free in any language with the Office of Language Access. For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |
| Related Services (RS) | For the translation of Related Services (RS) staff may request translation via Lingualinx' Request Form. www.tinyurl.com/LingualinxTranslation. Requests for IEP translation require 10 to 15 business days to be completed. IEPs are translated for free in any language with the Office of Language Access. For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |
| Prior Written Notices (PWNs) | For the translation of Prior Written Notices (PWNs) staff may request translation via Lingualinx' Request Form. www.tinyurl.com/LingualinxTranslation. Requests for IEP translation require 10 to 15 business days to be completed. IEPs are translated for free in any language with the Office of Language Access. For documents outside OLA's scope of services or capacity schools can contact the NYCPS' contracted translation vendor, Lingualinx, for additional support. |

**2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.**

| Meeting Type (e.g. parent workshops, PTCs) | How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents. |
|---|---|
| Parent Teacher Conferences | Bilingual staff members are assigned to monolingual teachers' areas for parent teacher conferences.. When unavailable, the Over the Phone Interpretation (OPI) unit is contacted. Instructions on how to access the Office of Language Access are routinely shared with staff in advance of scheduled parental meetings. If/when school-based interpretation is unavailable, over-the-phone interpretation is available in over 250 languages through the NYCPS' contracted vendor, LanguageLine Solutions. |
| IEP Meetings | The Office of Related Services and Assessments covers the cost of in-person interpretation services for school-aged special education assessments and evaluations, such as, Psychological/Neurological Education Evaluations, Speech and Language Evaluations, Social History Evaluations and Assistive Technology. Requests can be made with the Office of Related Services and Assessments at assessmentinterpretations@schools.nyc.gov. If/when school-based interpretation is unavailable, over-the-phone interpretation is available in over 250 languages through the NYCPS' contracted vendor, LanguageLine Solutions. |
| Annual ELL Parent Meeting | Bilingual staff members are assigned to monolingual teachers areas for both in-person and remote parent teacher conferences.. When unavailable, the Over the Phone |

| | |
|---|---|
| | Interpretation (OPI) unit is contacted and are utilized for both in-person and remote meetings. Instructions on how to access the Office of Language Access are routinely shared with staff in advance of scheduled parental meetings. If/when school-based interpretation is unavailable for a parent's preferred language, over-the-phone interpretation is available in over 250 languages through the NYCPS' contracted vendor, LanguageLine Solutions. |
| Safety Training | Bilingual staff members conduct this training. When there are no bilingual staff members in a parent's preferred language, the Over the Phone Interpretation (OPI) unit is contacted and are utilized for both in-person and remote trainings. Instructions on how to access the Office of Language Access are routinely shared with staff in advance of scheduled parental trainings. In the event that school-based interpretation is unavailable for a parent's preferred language, over-the-phone interpretation is available in over 250 languages through the NYCPS' contracted vendor, LanguageLine Solutions. |
| Domestic Violence Prevention | Bilingual staff members conduct this training. When there are no bilingual staff members in a parent's preferred language, the Over the Phone Interpretation (OPI) unit is contacted and are utilized for both in-person and remote trainings. Instructions on how to access the Office of Language Access are routinely shared with staff in advance of scheduled parental trainings. In the event that school-based interpretation is unavailable for a parent's preferred language, over-the-phone interpretation is available in over 250 languages through the NYCPS' contracted vendor, LanguageLine Solutions.. |
| Curriculum Night | Bilingual staff members attend and assist this event. When there are no bilingual staff members in a parent's preferred language, the Over the Phone Interpretation (OPI) unit is contacted and are utilized for both in-person and remote trainings. Instructions on how to access the Office of Language Access are routinely shared with staff in advance of scheduled parental trainings. In the event that school-based interpretation is unavailable for a parent's preferred language, over-the-phone interpretation is available in over 250 languages through the NYCPS' contracted vendor, LanguageLine Solutions. |
| CPR | Bilingual staff members conduct this training. When there are no bilingual staff members in a parent's preferred language, the Over the Phone Interpretation (OPI) unit is contacted and are utilized for both in-person and remote trainings. Instructions on how to access the Office of Language Access are routinely shared with staff in advance of scheduled parental trainings. In the event that school-based interpretation is unavailable for a parent's preferred language, over-the-phone interpretation is available in over 250 languages through the NYCPS' contracted vendor, LanguageLine Solutions. |
| Housing Guidance | Bilingual staff members conduct this training. When there are no bilingual staff members in a parent's preferred language, the Over the Phone Interpretation (OPI) unit is contacted and are utilized for both in-person and remote trainings. Instructions on how to access the Office of Language Access are routinely shared with staff in advance of scheduled parental trainings. In the event that school-based interpretation is unavailable for a parent's preferred language, over-the-phone interpretation is available in over 250 languages through the NYCPS' contracted vendor, LanguageLine Solutions. |

| | |
|---|---|
| Graduation Meetings/All further CBO Meetings | Bilingual staff members assist with these meetings. When there are no bilingual staff members in a parent's preferred language, the Over the Phone Interpretation (OPI) unit is contacted and are utilized for remote trainings. Instructions on how to access the Office of Language Access are routinely shared with staff in advance of scheduled parental trainings. If a translator is needed for an in-person event, the school will allocate funds to purchase translation services. In the event that school-based interpretation is unavailable for a parent's preferred language, over-the-phone interpretation is available in over 250 languages through the NYCPS' contracted vendor, LanguageLine Solutions. |
| Informal Interactions may include but are not limited to conversations with teachers, administrators and office staff regarding student activities such as holidays, field trips, behavior, counseling, academic progress and any CBO meetings. | Bilingual staff members are called upon to interpret during these interactions. When unavailable, the Over the Phone Interpretation (OPI) unit is contacted and are utilized for these interactions. Instructions on how to access the Office of Language Access are routinely shared with staff in advance of scheduled parental meetings.. In the event that school-based interpretation is unavailable for a parent's preferred language, over-the-phone interpretation is available in over 250 languages through the NYCPS' contracted vendor, LanguageLine Solutions. |

**3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.**

Pursuant to Chancellor's Regulations A-663, PS 384 provides information to parents in their designated primary language regarding language assistance services and their rights in obtaining them. A sign is posted near the primary entrance describing these rights in all present primary languages at PS/IS 384. Our safety plan includes protocol to ensure parents' ability to reach administrative offices in the event of an emergency. The Parent Coordinator, in conjunction with the PTA, will inform the parents of their rights regarding parental notification as per Chancellor's Regulation A-663. In the event of a school-wide emergency, school staff may ensure timely communication with parents in their preferred language by sending auto-translated messages through Kinvolved, ClassDojo or other auto-translated
apps. Furthermore, parents are encouraged to enroll to receive emergency notifications for schools in their preferred language by email, text message, or phone via Notify NYC or 311.

In a student-specific emergency, Individual outreach to parents in their preferred language is attained by English and Spanish speaking staff. The Office of Language Access is contacted for translation if necessary for the four parents whose preferred language is
other than English or Spanish in the school. Communication is lesser-incidence languages at our school is translated automatically through the use of Kinvolved.

If a parent has an emergency and needs to contact the school, parents can initiate communication that will be automatically translated into English with the use of Kinvolved, ClassDojo or other auto-translated applications. English and Spanish speakers can call directly and be directed to a staff member that speaks their language. If one of the four parents currently enrolled at PS/IS 384 whose preferred
language is not English or Spanish calls the school, the OPI is called so that translation can interpret.

# Part D: Staff Awareness

## Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

**1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.**

Once available this fall, Administration will provide the links for NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform and provides time to complete it. Also, links to "Best Practices for Interpretation for Critical Oral Communications with Parents" and "When to Provide Translation of Critical Written Communications to Parents" are provided by administration and the Galaxy-designated LAC at the beginning of the year and throughout the year in anticipation of parent-teacher conferences and other meetings. This information is reviewed annually for existing staff and during onboarding for existing hires.

Pursuant to Chancellor's Regulations A-663, PS 384 provides information to parents in their designated primary language regarding language assistance services and their rights in obtaining them. A sign is posted near the primary entrance describing these rights in all present primary languages at PS/IS 384. Our safety plan includes protocol to ensure parents' ability to reach administrative offices in the event of an emergency. The Parent Coordinator, in conjunction with the PTA, will inform the parents of their rights regarding parental notification as per Chancellor's Regulation A-663.

Additionally, as noted in recent changes to the Chancellor's Regulations A-66e, no minor child is permitted to provide translation services for school-related matters. Should a parent elect an adult friend or companion to assist in translation, that shall be permitted. Also, our Parent Coordinator, Janil Garcia participates in all available Professional Development provided by application Central employees and the Translation and Interpretation Unit. Faculty, parents and administrators are informed of these changes by a designated administrator during faculty meetings, grade level meetings and parent meetings. Finally, the school maintains a weekly newsletter, which oftentimes includes a section for MLL/ELL information that posts a link to Chancellor's Regulation A-633 several times per year. The Language Access Coordinator will hold a meeting at the beginning of the school year. They will ensure staff members are aware of Chancellors Regulation A-663 and the resources available to our school through staff meetings, faculty conferences, weekly staff newsletters and memos.

# Part E: Parental Notification

## Parental Notification

Provision of notice to parents on the available language assistance services.

**1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:**

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

PS/IS 384 provides each parent whose primary language is a covered language and who require language assistance services with a copy of the Parent's Guide to Language Access and the NYC Public School Guidebook. which includes their rights regarding translation and interpretation services in their preferred language. Also, the aforementioned notification requirements are posted in a conspicuous location at or near the primary entrance in each of the covered languages, or most prominent covered languages, indicating the availability of interpretation services. Additionally, brochures provided in the Language Access Kit instruct parents as to how they may request assistant directly from the Office of Language Access.

Additionally, our safety plan will contain procedures for ensuring that parents in need of language access services are not prevented from reaching the school's administrative offices solely due to language barriers. Finally, PS/IS 384 has had only two students in the last five years whose primary language is neither English nor a covered language, so no additional signage will be required at this time.

# Part F: Monitoring

## Monitoring

Methods for soliciting and implementing feedback on language assistance services.

**1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.**

Language access parent surveys are available in the nine-covered languages and can be accessed via the Office of Language Access' Resource webpage. This parent survey is sent to parents who prefer a language other than English, in their preferred language, regarding language the translation and interpretation services we provided throughout the year.

A parent focus group is held at the end of the school year to gather feedback regarding language services. This data will help inform future plans and needs for language services. In the event that a parent prefers a language beyond the nine covered, staff utilizes over-the-phone interpretation services (OPI) through the Office of Language Access and LanguageLine Solutions to gather parent feedback and then fill out an English copy of the survey.

**2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.**

To further improve our communication with our parents who prefer a language other than English we will increase the review of critical information to staff regarding translation and interpretation best practices. Staff language surveys continue to inform administration as to languages other than English proficiency and translation readiness for meetings on an on-going basis.

# Title III Outline

**Title III Supplemental Program for ELLs for SY 2025-26**

## REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

**Note:** The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

# Part A: School Information

**This school is (select one):**

Conceptually consolidated (skip Part E of this document)

# Part B: Direct Instruction Supplemental Program Information

**The direct instruction component of the program will consist of (select all that apply):**

,After School

**Total number of ELLs to be served in this program:**

79

**Grades to be served in this program. Select all that apply.**

,3,4,5,2,K,1

**Total number of teachers in this program:**

3

**Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):**

3

**Number of content area teachers (i.e., teachers that have common branch/content area licenses only):**

0

## Title III ELL Summary

**Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:**

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

The Title III program will take place after school every Tuesday and Thursday from 2:30 pm - 4:00pm and consists of 27 sessions beginning January 13, 2026 through May 7, 2026. Three teachers at 27 sessions of 90 minutes each. ELL students in grades K through 5 will be invited, especially students who scored at the "Entering" and "Emerging" level in the 2024 NYSESLAT exam.

Students will engage in learning centers to target the following skills: phonics/fluency, reading comprehension and writing. For phonics and fluency, teachers will utilize materials from SPIRE and/or REWARDS (intervention). For the reading comprehension center, students will engage in personalized instruction from iReady that will support comprehension at their current lexile level. Finally, in the writing comprehension, students will utilize the Rewards Sentence Refinement program. Teachers will also have access to HMH foundational skills materials to support centers during the afterschool program.

ELL students in the Title III program will be grouped in three grade bands: Grades K,-1, 2-3 and 4-5. Below are the total number of ELLs in each grade level:
Grade K: 13
Grade 1: 12
Grade 2: 9
Grade 3: 9
Grade 4: 12
Grade 5: 7
The instruction will be delivered through learning centers in order to maximize practice in each domain: phonics/fluency, reading comprehension, and writing.

Student attendance will be recorded daily by program's teachers and maintained in the office. Program information for grades will be retained in the Title III binder. Program invitations will be sent out to parents of students who qualify for the Title III Supplemental program. All correspondence is provided to parents in their preferred language as indicated in ATS.

# Rationale for Title III ELL Funded Programs

**Describe the rationale for each Title III ELL funded program. For each program, include:**

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Although the quantitative results of the 2025 NYSESLAT Exam showed that PS/IS 384 did make gains in the proficiency levels of our ELL students, the supplemental program is needed in order to maintain our momentum in

English language acquisition.  In the 2024 English Language Arts exam, English learners did not fare as well, demonstrating a need for improvement among newcomers in the Entering and Emerging proficiency levels.

Careful analysis of this together with the last administrations of NYSESLAT, MOSL, ELA and Math exams demonstrated that ELL students in grades K-8 require additional support in literacy, particularly in the areas of reading comprehension and writing. A
need was also determined in the area of Math. Also, the Professional Collaborative Teams on each grade level have utilized several rubrics, including Six Traits of Writing and teacher created rubrics for informal evaluation of student writing. Analysis indicated that ELL students require additional support in their efforts to write at levels that reflect the Next Generation Learning Standards. This program would be helpful in attaining our school wide goal for compliance with the citywide initiatives of accomplishing Next Generation tasks in each subject area.

As a result, Title III After School programs were designed to support students as they aspire to improve their skills in these areas.

Supervision for the program is at no cost to Title III.

# Students and Grade Levels to be Served

**For each Title III ELL funded program, describe the students that will be served. Include:**

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Although the programs is focusing on Newcomers, we will invite all English Language Learners in the program, including Long Term ELLs.

Three teachers will provide instruction for this program. Each teacher will provide instruction to one grade band: grades K-1, 2-3 and 3-4

Number of Students in After School Program.
Grade  Number of Students
Grade K: 13
Grade 1: 12
Grade 2: 9
Grade 3: 9
Grade 4: 12
Grade 5: 7
_____
Total  62

# Schedule and Duration

**For each Title III ELL funded program, include:**

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The Title III program will take place after school every Tuesday and Thursday from 2:30 pm - 4:00pm and consists of 27 sessions beginning January 13, 2026 through May 7, 2026. Three teachers will work 27 sessions of 90 minutes each.

# Language of Instruction

**For each Title III ELL funded program, include language of instruction and how home language support is provided.**

All subjects are conducted in English with native language support. Home language support will be delivered through bilingual teachers and videos (when applicable). Examples of home language support include books in English and Spanish, bilingual staff, cognate searches, video clip subtitles when available and other means. The use of home language is an asset, not a hindrance. Staff may use the following strategies to engage bilingual students.

To encourage students to see connections between their languages and, thus, to better understand how languages are structured and organized, teachers talk to ELLs about their home language by asking ELLs the following:
"How is the home language the same and how it is different from English?""
"Are there words in the home language that sound the same and mean the same thing in both languages?"
"Are there words in the home language and English that sound the same but mean different things?"
As part of phonological and metalinguistic awareness exercises to facilitate reading acquisition, teachers may ask students:
... to say words that start with the same sound(s) in English or the L1.
...how words are changed and formed in the home language — singular and plural forms, present tense and past tense forms of verbs — to enhance their word knowledge
...who are new to the school, to read books in their home language to show what they know about reading.

By using the collective skills and knowledge of all students (both ELL and English-L1 students) in the classroom, Title III teachers tap into these valuable language resources that ELLs have.

# Number and Types of Certified Teachers

**For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):**

Three ENL and/or Bilingually licensed teachers will be providing services to groups of approximately 62 students.

The students in the After School Program are provided with supplemental instruction in English Language Arts ENL.

They receive differentiated instruction through a variety of hands-on activities through learning centers that target: phonics/fluency, reading comprehension and writing.

# Types of Materials

**For each Title III ELL funded program, include:**

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

A focus on emergent literacy materials continues to be prevalent in the 2025-26 Title III After School Program. Supplemental materials such as Phonics for Reading, Levels A, B and C, Rewards Reading Intervention, Rewards Writing will enhance their current curriculum and provide assistance in Speaking, Listening, Reading and Writing. These materials are at cost to Title III.

As the total Title III allocation is $20,000 total Other Than Personnel Expenditures will not exceed the 20% $4,000 allocation. The materials will only be used for the current Title III ELL program and not during the instructional day.

Title III Supplemental materials will be stored in room 305 until dispersed for classroom use in rooms to be determined.

# Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Student attendance will be recorded daily by program teachers and maintained in the office. Program information for grades and all records will be retained in the Title III binder. Progress monitoring will be maintained by teachers. Letters inviting students who qualify include program information for the Title III Supplemental program. All correspondence is provided to parents in their preferred language as indicated in ATS.

# Part C: Professional Development

## Professional Development Summary

**Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:**

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Rationale:
Based on the results of our school 's pre-needs and post-needs assessments, our research indicates a correlation between student achievement and teachers who participate in high-quality Professional Development activities.

An assessment will be utilized to continue to understand this correlation between student achievement and teacher training as they continue to participate in activities in the Title III program.

Title III Teachers Training:
ENL teachers, Jennifer Pierce and Marlyn Blas, as well as all faculty members servicing ELL students are provided with ongoing and sustained virtual and/or in-person professional development in currently utilized Title III programs. Teachers attend in-person and/or virtual workshops sponsored by school staff, NYSCATE, NYC DOE and other technology companies at no cost to the program.

The duration of these workshops and Professional Development sessions vary from 40 minutes - 90 minutes.

School personnel work collaboratively to provide Professional Development to faculty members working with ELLs. Workshops take place during the school day and after school for the Title III teachers, during the months of November through May, on Professional Development Days (e.g. Election Day) and during Grade, ENL and Faculty Conferences on developing ELL knowledge. Tentative topics of the workshops include:  Rewards Reading Intervention, Rewards Writing, Phonics for Reading, A, B and C, and Pauline Gibbons ELL Teaching Strategies, The ELLs and the supportive environment, Universal Design for Learning, and ENL instruction and Best Practices.

Schedule and Duration:/Topics to be Covered/Names of Providers:
Professional Development is scheduled for Mondays after school but may be self-directed for pre-recorded digital material. Professional development is provided in-house at no cost to Title III.
A tentative schedule for this is as follows:

December 15, 2025 - Rewards Writing - ENL Team

January 5, 2026 - Rewards Reading Intervention - ENL/P53 Team
February 9, 2026- Meeting the Needs of ELL Students Pierce, Blas and Coppola

When conducted online, digital attendance records will be maintained. When in-person professional development occurs, In-house presenters will create and maintain agendas and sign-in sheets during Professional Development and thereafter provide to
Pierce. A copy will be placed in the Title III binder.

All professional development will not be at cost to Title III.

# Rationale for Professional Development

**Describe the rationale for the professional development to be provided. For each activity, include:**

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Based on the results of our school 's pre-needs and post-needs assessments, our research indicates a correlation between student achievement and teachers who participate in high-quality Professional Development activities.

Upon analyzing qualitative data of the 2025 NYSESLAT, English Language Arts and current iReady assessments, ELLs demonstrate a need for emergent literacy intervention. Professional development for teachers of the Title III program will mainly consist in training for the literacy program (Rewards Reading Intervention, Rewards Writing) selected for the program.

Professional development plans were also developed in consideration of a students' interests, educational and cultural background, immigration experience, skills and other characteristics .

An assessment will be utilized to continue to understand this correlation between student achievement and teacher training as they continue to participate in activities in the Title III program.

# Teachers to Receive Professional Development

**Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.**

ENL teachers servicing ELL students in the Title III program are provided with ongoing and sustained in-person and/or virtual professional development at no cost to Title III. Teachers virtually attend the workshops sponsored by school staff, NYSCATE, NYC DOE and other technology companies, at no cost to the program.

The duration of these workshops and Professional Development sessions occur on Mondays from 3:05 - 4:05.

December 15, 2025 - Rewards Writing - ENL Team
January 5, 2026 - Rewards Reading Intervention - ENL/P53 Team
February 9, 2026- Meeting the Needs of ELL Students Pierce, Blas and Coppola
.

# Schedule and Duration

**For each Title III ELL professional development activity, include:**

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Professional Development is scheduled for Mondays after school but may be self-directed for pre-recorded digital material. Professional development is provided in-house at no cost to Title III.

A tentative schedule for this is as follows:

December 15, 2025 - Rewards Writing - ENL Team
January 5, 2026 - Rewards Reading Intervention - ENL/P53 Team
February 9, 2026- Meeting the Needs of ELL Students Pierce, Blas and Coppola

All Professional Development sessions occur from 3:05 - 4:05..

# Topics to be covered

**For each Title III ELL professional development activity, include topics to be covered.**

December 15, 2025 - Rewards Writing - ENL Team
January 5, 2026 - Rewards Reading Intervention - ENL/P53 Team
February 9, 2026- Meeting the Needs of ELL Students Pierce, Blas and Coppola

# Name(s) and Title(s) of Provider(s)

**For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).**

PS/IS 384 Staff - Jennifer Pierce - ENL Teacher/MLL ELL Coordinator, Marilyn Blas ENL Teacher and Kimberly Coppola ENL Teacher.

# Maintaining Records

**Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.**

When conducted online, digital attendance records will be maintained. When in-person professional development occurs, In-house presenters will create and maintain agendas and sign-in sheets during Professional Development and thereafter provide to
Pierce. All Professional Development is at no cost to Title III. A copy will be placed in the Title III binder.

# Part D: Family Engagement Activities

## Family Engagement Summary

**Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.**
**Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.**

Rationale:
Based on the results of our school 's pre-needs and post-needs assessments, our research indicates a correlation between student achievement and parents who participate in Parental Engagement Activities. This need assessment will be utilized to
continue to understand this correlation as they continue to participate in activities. Parental Engagement Activities are at no cost to Title III.

Schedule and Duration:
Family Night - February 6, 2026 5:30-8:00 PM
Team-Up / 83rd Precinct - March 2026 - Parent Engagement - Police officers will engage in board games to promote dialogue with families in school community district 32. 2:30-3:30 PM.

Parental Involvement activities are ongoing and continually embellished to meet changing needs of our school population.

Topics to be Covered:
In January of 2026, parents of English Language Learners will be afforded the opportunity to vote during a PTA meeting. At this time it will be determined which areas of interest should be voted upon to determine parent activities at the school. The PTA votes
on possible areas of interest, such as Beginning ENL, Introduction to Computers, GED, Student/Parent Library, etc, The choices will be recorded on the Parent Allocation Form at that time.

Learning in the classroom is Next Generation Learning Standards based and driven by the interests and needs of the students as expressed in their responses of interest surveys and designed to increase student engagement. The curriculum includes instruction through authentic literacy activities in the following:
pronunciation/speaking,
visuals
writing forms
spelling/grammar
history/culture
holidays /traditions
community resources

Also utilized for instruction are levelled libraries that address content area topics, video technology and additional resources that support language acquisition.

Providers:
School faculty conduct presentations to parents on the NYS high stakes assessments, which include NYSESLAT, ELA, Math, and Science in which ELL students participate. ENL staff will provide training presentations to staff.

How Parents will be Notified of Their Activities:
Parents are invited to enroll in classes and/or attend presentations through invitations mailed or emailed to parents in their native language and phone calls made by the Parent Coordinator. The Parent Coordinator is the facilitator for any Saturday class and serves as an advocate and intermediary for the interests of the parents.
Parents are provided with all necessary instructional materials at no cost to Title III.
Bilingual personnel are available to assist parents at every workshop.
Parent attendance, invitations and agendas will be recorded at meetings a nd maintained by our Parent Coordinator. Copies will be provided to Ms Pierce and retained in the Title III binder. All correspondence is provided to parents in their preferred
language as indicated in ATS and in accordance with LAC requirements. All remote meeting agendas will be maintained and recorded digitally if conducted remotely and with sign-in sheets if attended personally.

# Rationale for Family Engagement Activities

**Describe the rationale for the family engagement activities to be provided: For each activity, include:**

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Rationale:

Based on the results of our school 's pre-needs and post-needs assessments our research indicates a correlation between student achievement and parents who participate in Parental Engagement Activities. This need assessment will be utilized to
continue to understand this correlation as they continue to participate in activities. Parental Engagement Activities are at no cost to Title III.

Parent surveys are utilized to determine interest and ideal times for these Family Engagement activities.

# Schedule and Duration

**For each Title III ELL family engagement activity, include:**

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**

- **Time and duration of sessions.**

Schedule and Duration:

Family Night - February 6, 2026 5:30-8:00 PM
Team-Up / 83rd Precinct - March 2026 - Parent Engagement - Police officers will engage in board games to promote dialogue with families in school community district 32. 2:30-3:30 PM.

Parental Involvement activities are ongoing and continually embellished to meet changing needs of our school population and are typically held on Fridays as per the preference of parents surveyed.

# Topics to be Covered

**For each Title III ELL family engagement activity, include topics to be covered.**

In January of 2026, parents of English Language Learners will be afforded the opportunity to vote during a PTA meeting. At this time it will be determined which areas of interest should be voted upon to determine parent activities at the school. The PTA votes
on possible areas of interest, such as Beginning ENL, Introduction to Computers, GED, Student/Parent Library, etc, The choices will be recorded on the Parent Allocation Form at that time.

Learning in the classroom is Next Generation Learning Standards based and driven by the interests and needs of the students as expressed in their responses of interest surveys and designed to increase student engagement. The curriculum includes instruction through authentic
literacy activities in the following:
pronunciation/speaking,
visuals
writing forms
spelling/grammar
history/culture
holidays /traditions
community resources
Also utilized for instruction are levelled libraries that address content area topics, video technology and additional resources that support language acquisition.

# Name(s) and Title(s) of Provider(s)

**For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).**

School faculty conduct presentations to parents on the NYS high stakes assessments, which include NYSESLAT, ELA, Math and Science in which ELL students participate. ENL staff, including Jennifer Pierce, Marilyn Blas, Kimberly Coppola and/or Keutsy Rodriguez, along with the Parent Coordinator, will facilitate family engagement activities to parents of ELLs.

# Family Notification of Activities and Translation and Interpretation Supports:

**Describe:**

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents are invited to enroll in classes and/or attend presentations through invitations mailed or emailed to parents in their native language and phone calls made by the Parent Coordinator. The Parent Coordinator serves as an advocate and intermediary for the interests of the parents during school hours at no cost to Title III.

Translated templates are available in the Infohub cover all parent preferred languages currently at PS/IS 384 and include available for all School Calendar and Closings announcements..

All hardcopies of documents and correspondence are routinely sent in English and Spanish. Correspondence that is sent electronically is translated automatically into the parents' preferred language.

The multilingual welcome poster and other multilingual signage are displayed in the main entrance of the school building and the main office. Upon registration, parents are surveyed about their preferred written and spoken language and it is recorded into ATS to ensure translated notifications can be made in the appropriate language.

Parents receive information in their preferred language at events with translated documents, bilingual staff and/or staff utilizing an over-the-phone interpreter, accessible through OPI. Bilingual personnel are available to assist parents at every workshop.

Most parents at PS/IS 384 prefer Spanish. We have many staff members who speak and read Spanish. They routinely translate and interpret when needed.

Parents are provided with all necessary instructional materials at no cost to Title III.

Parent attendance, invitations and agendas will be recorded at meetings and maintained by our Parent Coordinator. Copies will be provided to Ms Pierce and retained in the Title III binder. All correspondence is provided to parents in their preferred
language as indicated in ATS and in accordance with LAC requirements. All remote meeting agendas will be maintained and recorded digitally if conducted remotely and with sign-in sheets if attended personally.

# Maintaining Records

**Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.**

Parent attendance, invitations and agendas will be recorded at meetings and maintained by our Parent Coordinator. Copies will be provided to Ms. Pierce and retained in the Title III binder. All correspondence is provided to parents in their preferred
language as indicated in ATS and in accordance with LAC requirements. All remote meeting agendas will be maintained and recorded digitally if conducted remotely and with sign-in sheets if attended personally.

# Part E: Budget

**FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY.** Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

**This school is (select one):**

Conceptually consolidated (skip Part E of this document)

**Allocation Amount ($):**

| Budget Category | Budgeted Amount | Explanation of expenditures in this category as it relates to the program narrative for this title. |
|---|---|---|
| | | |
| | | |
| | | |
| | | |
